

State Salute Begins Sunday

A visit here by officials of Lapeer will highlight Northville's Michigan Week activities which will get underway Sunday.

They are Mayor Pro-tem and Mrs. George Farrand and Commissioner and Mrs. John Hammer.

Northville was paired with Lapeer for mayor's exchange day. Mayor A.M. Allen will be accorded the same reception in Lapeer.

According to Kenneth Rathert, chairman of this year's celebration, the week-long program officially begins Sunday with special services in Northville area churches honoring Spiritual Foundations Day.

Northville will welcome the Lapeer guests at the city hall on Monday, beginning at 10 a.m. with a flag raising ceremony. The high school band will perform.

Following the ceremony, the guests will join with local officials

in a council meeting until 11:30 a.m. Farrand will preside and Councilman John Canterbury will serve as the official city host.

At noon the Northville Rotary club will fete the Lapeer guests at a luncheon meeting, featuring Lawrence E. Good of the National Bank of Detroit as guest speaker.

Rotary President Harold Bitterner will serve as club host, Canterbury will introduce city officials and guests, Farrand and Rathert will make a few brief remarks, and Russell Amerman will introduce his son-in-law, George Matthews, who will present the guest speaker.

A bus will be on hand in the afternoon, beginning at 1:45 p.m., to carry the Lapeer guests and local citizens to the Foundry Flank & Equipment company and to Northville Laboratories, Inc. for tours of these plants.

The public is invited to take part in the tours, which will conclude about 4 p.m.

Again this year, the Northville Historical Society will sponsor a window display contest. According to Edmund Yerkes, chairman, businesses are encouraged to put up displays telling about the heritage of the community during Michigan Week.

A \$25 cash award will be made to the business with the best display, he said.

Another activity slated for Tuesday, Our Heritage Day, will be a rededication of the Woman's Relief Corps plaque, recently restored to the memorial stone on the corner of the city hall property. It will be held at 7 p.m.

At 3:30 and again at 7:30 p.m. on Tuesday, the Historical Society will show a two-part film on the history of Michigan at the city hall. The public is invited to see the documentary films, "Michigan" and "When Michigan was Young", produced by the Consumers Power Company.

A host of school activities are planned throughout Michigan Week, according to the Education Day chairman, Milton Jacobi, beginning with a flag raising ceremony and program at Amerman elementary school Monday. Michigan Week pins will be distributed to all children.

Classroom activities related to Michigan Week are slated for Tuesday and Wednesday, and on Thursday, Russell Amerman will be honored at a faculty luncheon. Amerman school also will hold a student assembly Thursday for the dress rehearsal of its spring music program.

Parent visitations have been scheduled for Friday so as not to conflict with Education Day activities on Thursday.

Student council members also will take part Thursday in the traditional "mock" council meeting at the city hall. The council members are Larry Thibos, mayor; John Remington, vice-mayor; Susan Hill, secretary; Randy Calligari, treasurer; and David Orphan, police chief.

Michigan Week activities will conclude Friday, May 20, with the annual P-TA Carnival at the junior high school. Among the events planned for the carnival are a punch and judo show, magic act, a clown show, and a family style spaghetti dinner.

Mayor's Day Speaker

Lawrence E. Good

Lawrence E. Good, an officer of the National Bank of Detroit's international division, will be the guest speaker at the Northville Rotary club's special Michigan Week luncheon here Monday.

In his position with NBD, Good works primarily with Michigan firms having need for international banking services.

Prior to his new position with NBD, he was chief of the Michigan U. S. Department of Commerce international trade division.

Weekend Break-ins Hit City

A rash of break-ins hit downtown business places this past weekend.

Northville police suspect the four break-ins and one attempt were made by the same persons.

An attempt was made Friday night to break into the Old Mill Restaurant, 130 East Main street. Apparently, the burglar was frightened off after he had gained entrance to the rear porch by cutting a hole in the screen, police said.

Early Saturday morning someone broke into the D&C Store, 139 East Main, and took \$5.25 in change and about \$20 worth of merchandise. Entry was made breaking the rear door window and crawling through the hole.

A similar entry was made at Smith's Sport Shop, 105 East Main street, Sunday night about 10:30 p.m. Approximately \$20 in change and two hunting knives were stolen.

Two more entries were made early Monday morning, one in the offices of Dr. H. Lorne Dyer at 115 East Dunlap and the other in Jack's Barber Shop located next door. Police report nothing stolen from these two establishments. Entry was gained by breaking windows.

Dog Clinic Rescheduled

A disappointing turn-out Saturday at a city-township dog clinic has prompted a rescheduling of the clinic for May 21.

Only 45 licenses were issued Saturday. Dog licenses must be renewed by May 31. They may be purchased at either the city hall or township hall, but proof of immunization must be provided.

The clinic, which provides immunization service as well as sale of licenses, will be held in the city fire hall from 9 a.m. until noon.

Township Clerk Young Won't Seek Re-Election

Marguerite Northup "Rita" Young, Northville township clerk since 1959, announced this week that she will not seek re-election to office.

Mrs. Young has long been considered one of the most influential members of the five-member township board that is slated to be expanded to seven members at the next election.

Although new board members are not elected until the general election in November, an August primary will determine the slates for the partisan township ballot.

Deadline for filing petitions for township office is June 14 at 4 p.m.

With the exception of Trustee James Tellam the seats of all members of the present board are up for election this fall. The total number of board openings therefore stands at six including the two new trusteeships to be added.

Other board members, who presumably will run for re-election, are Supervisor R. D. Merriam, Treasurer A. M. Lawrence and Trustee Wilson Tyler.

Mrs. Young was elected in

April, 1959 on the Republican ticket as township clerk, succeeding the late D. J. Stark, who retired from office.

She has been elected each two years since that time and has been a popular, hard-working clerk.

In announcing her plans to retire Mrs. Young stated that she did not feel she could continue to give the time necessary to fulfilling the office because of other personal obligations.

She pointed out that time is running short for candidates to enter the August primary and that petitions are now available at the township hall.

Although candidates will be elected in November, the terms of office on the present board do not expire until April 1967. The new terms will then extend four years with the exception of the trustee finishing third in the balloting. That term will run two years to coincide with the term of Trustee Tellam so that each two years two trustees will be up for election and each four years the supervisor, clerk and treasurer will join two trustees on the ballot.

Prospective candidates are warned by Clerk Young that new petitions have been introduced this year and that these should be obtained at the clerk's office. Twenty signatures of registered township voters are required on petitions.

Meter May Delay Detroit Water Here

In an attempt to avoid unnecessary delays in Northville's forthcoming switch to Detroit water, the city council Monday night ordered engineering work to begin immediately.

City Engineer Harold Penn was instructed to initiate the engineering work required for tapping into the Detroit water system.

Meanwhile, the council is to study a proposed water purchase agreement this week and be prepared to make recommendations on it at the next council meeting set for Tuesday evening.

Action by the council followed a report by City Manager Frank Ollendorff that the project may be delayed as much as three months because a necessary 12-inch water meter may not be available until then. When the

council approved acquisition of Detroit water three weeks ago, it was hoped the change-over could be accomplished by early summer.

According to the manager, the Detroit water board has suggested that Northville approve the proposed agreement, using current Detroit rates, until a rate study now underway is completed. That study reportedly may result in a 15-percent hike for all users of Detroit water.

It has been estimated that the cost of Detroit water and the charges for tapping into the Detroit system may mean an increase of 80-percent or more in local water bills.

A recent water study showed that additional water costs are inevitable, even if the council had decided to develop a new well source. Cost of developing the new well was estimated at \$128,000, while estimated charges for tapping into the Detroit system were set at approximately \$38,000.

Referring to the proposed agreement, Attorney Philip Ogilvie explained several of the clauses contained in it. He said it would permit the city to maintain its own wells for emergency purposes, that it provides for shutdowns of the system for repairs, and that the water board would not object if the city extended water to areas outside the city limits - provided affected governing bodies permitted extension.

Under present plans Northville would receive its water through a recently-constructed Detroit main which enters the community along Eight Mile road and extends south from Baseline along Center street to Five Mile road.

In other business Monday, Ogilvie reported that a hearing to show cause why an injunction should not be issued in connection with the Randolph street project will be heard tomorrow before Circuit Court Judge Joseph A. Moynihan, Jr.

The attorney cleared up what he said was a "misconception" as to what petitioners for the injunction are seeking. He said the injunction is not to prevent improvement of the road but to prevent assessment of properties for defraying cost of the project.

The petitioners contend, Ogilvie told the council, that the road's present condition is adequate and that if city officials insist upon improving it they should not ask property owners to share the cost.

Property owners, under the assessment proposed, will be asked to pay approximately \$15,000 of the cost of widening and paving the street.

Referring to the cost of the improvement project, Ollendorff reported that new assessments are being revised downward since the total cost of the project is less than originally estimated and because property owners will not share the cost of culverts.

Millage Bid Fails, 768-650; New Vote Planned June 13

OUR HERITAGE—Rededication of the refurbished Woman's Relief Corps plaque on the memorial stone at the city hall is slated to take place Tuesday, as part of the community's Michigan Week recognition of Our Heritage Day. Watching Edmund Yerkes, chairman of the rededication event, replace the plaque which had been stored in the city hall basement are Russell Amerman and Kenneth Rathert, Michigan Week Officials.

When Northville school district voters go to the polls June 13 to elect three members to the board of education, they'll also find a request for operating millage on the ballot.

Monday voters turned down a bid for 18 mills for five years by a vote of 768-650.

It's a certainty that the board will go back to the voters in the June election. Exactly what will be asked in the new proposal will probably be decided at a special board meeting next Monday night.

Disappointed at the results, Board President W. C. Becker said that administrators had been asked to re-evaluate budget needs and prepare their recommendations for Monday night's meeting.

Monday's vote was the biggest ever held in the Northville school district. A record 1,418 votes were cast, compared to 933 last June when one board member was elected, and bond proposals totaling \$2,800,000 for buildings and \$500,000 for a swimming pool were approved.

With 4,200 registered voters the district recorded a turn-out of 33 per cent.

The specific request before voters Monday was to renew 10 mills voted 10 years ago that expire this year and approve an additional eight mills to meet operating expenses of a new elementary school, improved educational requirements and teacher salary increases.

Many observers believe that the results of Monday's election reflected a protest against unrest that has plagued the system during recent months. A change in superintendents, a building program hit by rising costs, a confusion concerning the "ungraded system" and teacher negotiations have contributed to a rumor-ridden situation that has resulted in heavily-attended board meetings.

Even as board members met Monday night the session was moved to the community building to accommodate an overflow audience that expected petitions of protest to be submitted. None were presented, however, and the meeting was orderly.

Many voters were not concerned with internal school problems when they voted "NO" Monday. They flatly state that the addition of eight mills is too much.

It is the first millage request known to have failed in Northville.

Board members, administrators and "YES" voters believe

that eight mills represent the minimal needs for operating an adequate educational program.

Board President Becker noted that a better idea of the district's equalized valuation may be gained this week to help the board determine exactly what tax base it

Woman's World

Northville's all-male school board might be wise to take a second look at the statistics turned up by Mrs. Harry Wagenschutz, who directed operations at the polls Monday.

Women out-voted men, 775-643, she reported.

will be working with next year. It is also hoped that the new state aid formula, when approved by the legislature, will provide more money.

But in the meantime, Becker pointed out, "it puts us in an unfortunate position as far as hiring new teachers. We'll have to hold up on that until we know what we can pay."

In addition to discussing the millage question, Becker said the board will probably name an assistant principal for the high school.

Applications were being received until Tuesday, so the board could not take action as planned at Monday's session.

It is anticipated that the successor to Assistant Principal LaGene Quay will come from the Northville system.

Board Continues To Pull Crowd

Northville's board of education moved its meeting from offices in the old library to the junior high school (community building) Monday night to accommodate a crowd of more than 100 citizens.

It had been persistently rumored that petitions would be submitted at the meeting calling for administrative changes. The board, too, had heard the rumors and planned the meeting change to accommodate the anticipated audience.

The most disrupting announcement, however, came midway through the meeting when it was announced that the school's millage request had been turned down.

Otherwise, the board moved swiftly and orderly through a long agenda of business.

A report by Athletic Director Al Jones calling for specific improvements in the high school's athletic program came in for most of the discussion.

Jones listed a number of recommendations in hiring coaches, salaries, maintenance of outdoor facilities, a building program for new facilities, an intramural program and planning for and use of facilities.

He asked that in addition to notifying college placement bureaus of teaching and coaching needs, that college athletic offices should also be notified.

In general Jones won administrative and board support of his plan, but it was pointed out that the physical improvements suggested would cost an estimated \$150,000 to \$175,000 with \$10,000 to \$15,000 needed annually for operating expenses.

Jones called for a five-year building and improvement program that would develop better practice areas, enlarge overcrowded locker room areas, provide a press box at the football field, resurface track, add additional physical education stations and instructors, increase laundry capacity, add public toilets and shower dressing room facilities at the football field, build 10 tennis courts, build an outdoor fitness course and provide a team physical at all football, basketball, baseball and track meets.

Board Member James Kipper supported Jones' plan for a "more aggressive approach" to hiring

coaches by contacting athletic departments. Secretary Donald Lawrence asked if youngsters were reaching the varsity level of competition without proper basic training and wondered if an expanded intramural program wouldn't be helpful.

Jones admitted that some boys do reach varsity status without proper background in fundamentals, but he said the objective of intramural sports was not to prepare boys for varsity athletics. He said the system needs both a good intramural program and a deeper staff of good coaches.

Assistant Superintendent Ray Spear, who is charged with the responsibility of filling faculty posts, pointed out that to hire a coach there must be an academic opening to match. "Right now we need English teachers and there are few English majors with ability to coach baseball, football and basketball," Spear noted. He added that placement bureaus had been notified this year of both teaching and coaching vacancies. Spear said he saw no conflict with also contacting athletic departments so that they may pass along any applicants to the placement bureaus.

Superintendent Alex Nelson said that more emphasis could be placed on hiring of coaches, but he noted that the local system is below average in coaches' salaries.

Some question was raised as to how many of the physical improvements proposed by Jones had been included in the present building program bond issue.

The board moved to refer the plan to the administration for a cost analysis and recommendation for procedure.

In other business the board accepted three teacher resignations and approved the hiring of six new teachers. Leaving are: George Pine, junior high school; Herman Boatman, high school science; and Laura Tenkley, junior high school.

Spear said five of the 18 additional teaching posts have now been filled and eight replacements hired for 15 known vacancies.

New teachers approved by the board Monday night include: Sandra Domine, a U of M elementary teacher; Carolyn Worek, a U of M secondary English, history, French teacher; Virginia Millsom, U of M elementary; Katherine Bogue, Alma college, Spanish, English, biology secondary teacher with one year of experience; Robert Trombley, Eastern Michigan, secondary, chemistry and math; Carole Millsom, Michigan State University, elementary.

Professor to Discuss New Cow Design Tonight

J. G. Hays, professor emeritus of Michigan State university, will be the featured speaker tonight (Thursday) at the annual "Ladies Night" program of the Northville Presbyterian Men's Club.

The professor quarrels with the popular idea that a cow should have a big middle. "Why should a cow be handicapped with something a human avoids if possible? The cow's plumbing is too plentiful — two faucets would simplify

matters amazingly."

Using a cardboard model, Professor Hays will reveal his specifications for a new style labor-saving critter.

Professor Hays retired as an associate professor of dairy at Michigan State in 1955 after 33 years of teaching and extension work. A graduate of Michigan State in 1911, he returned to his alma mater 11 years later as a staff member in the dairy department.

Throughout his long career, he served primarily as a dairy extension specialist. During the World War II era, he helped secure emergency farm laborers for Michigan farmers and dairymen.

In 1941 a small honorarium came to Hays for one of his "Cow Talks," and he decided to start a student loan fund. Hays donates the entire proceeds from his talks to the loan fund, which helps needy students at the university.

Professor Hays

The program, which will feature a candle light supper, variety acts, and a special surprise for guests, will be held in the church meeting room beginning at 6:30 p.m.

Proceeds from the program will be used for the Men's Club projects at the church.

Topic of Professor Hays' lecture will be "Bovine Architecture."

In discussing this subject, he will attempt to show that the orthodox concepts of dairy cattle type are all wrong.

"Why," asks the professor, "should a cow have a big muzzle? There are too many big muzzles now in the world, all un-muzzled and wide open!"

PLEASANT MEMORIES -- These four charter members of the Northville Garden Club recalled early club activities this past week as they joined other members to celebrate the organization's 30th anniversary. They are (l to r) Mrs. Roy Matheson and Mrs. Joseph Denton in the back row and Mrs. Rose Carrington and Mrs. William B. Walker.

Garden Club Celebrates 30th Anniversary Here

A 30th anniversary program highlighted a meeting Monday of the Northville branch of the Woman's National Farm & Garden association.

Held at the home of Mrs. William B. Walker, 39900 East Eight Mile road, the program featured a review of the club's history by charter president Mrs. Rose Carrington.

Other charter members present for the occasion were Mrs. Walker, mistress of ceremony, Mrs. Roy Matheson, and Mrs. Joseph Denton.

Program chairman was Mrs. William Slattery. Since its organization in 1936,

16 presidents have served the club. They include:

Mrs. Carrington, 1936; Mrs. E. A. Kohler, 1937; Mrs. Walker, 1938-39; Mrs. Matheson, 1940-1941; Mrs. Denton, 1942-1943; Mrs. Ralph Hay, 1944-1945; Mrs. Walker, 1946-1947; Mrs. Manly Hoysradt, 1948-1950; Mrs. Paul H. Schulz, 1940-1952;

Mrs. R. D. Merriam, 1952-1954; Mrs. George Alexander,

1954-1956; Mrs. Glenn Cummings, 1956-1958; Mrs. N. K. Pattison, 1958-1960; Mrs. D. H. Clark, 1960-1962; Mrs. George Kohs, 1962-1964; and Mrs. John Begle, 1965-1966.

Mrs. Denton and Mrs. Walker are the only active charter members of the club. Mrs. Matheson and Mrs. Hoehlare life members, and Mrs. Carrington is an honorary member.

Announce Engagements

Marilyn Gaye Fritz Mr. and Mrs. Robert Fritz, 44670 Ten Mile road, Northville, announce the engagement and approaching marriage of their daughter, Marilyn Gaye, to Harry Schenimann, son of Mr. and Mrs. Glenn Schenimann, 26029 Whipple, Novi. The bride-to-be is a senior at Northville high school. Her fiancée is a Northville high graduate now attending Oakland college. A July 9 wedding date is set.

Christine Moase A fall wedding is planned for Christine Moase, whose engagement and approaching marriage to Terrance W. Bannan is announced by her parents, Mr. and Mrs. Sidney D. Moase, 436 Randolph street. Her fiancée is the son of Mr. and Mrs. William H. Bannan of Plymouth. Christine is a 1964 graduate of Northville high school and is presently employed by the Star Cutter company of Farmington. Her fiancée also is a graduate of Northville high school. Currently, he is serving with the United States Navy in Norfolk, Virginia.

In Our Town

By Jean Day

NORTHVILLE HAS a "first lady" senior citizen — Mrs. Horace A. Boyden, 230 First street, to whom we're making a special bow this week as she continues for the second year as president of the Northville senior Citizens club of well over 150 members.

In cooperation with Ken Conley and the sponsoring Northville Recreation committee, programs with varied speakers, regular dinners and lots of excursions have brewed "instant success" for the club with average attendance running from 60 to a high of 80.

Such a host of activity takes planning. But long-time resident Mrs. Boyden was willing to spend the time and effort; so our over-sixty residents of the city and township have been zipping over to Lansing to see how things were going there — and later hopping another charter bus to sample maple sugar at the Vermontville festival.

Mrs. Horace Boyden

Mrs. Boyden confided that a small disappointment in Lansing — the governor was out of the city the day they visited — was rectified when he boarded their bus at Vermontville to shake hands.

There also have been trips to the Detroit Institute of Arts, Ice Capades, Lipnehauer horse show, Shrine circus, the Jack Miner bird sanctuary in Canada and to see Molly Goldberg in person and performances of "Mad, Mad, Mad World," "My Fair Lady" and "Mary Poppins." Mrs. Boyden says these trips actually have been plotted by a trip chairman and 10 telephoners with Conley making charter arrangements.

JOINT MEETINGS with other senior citizen groups is a recent innovation as members last month were invited by the Plymouth Senior Citizens to a combined meeting attended by 200 club members from Ypsilanti, Ann Arbor, Wayne, Plymouth and Northville. The "Getting-to-Know-You" event featured square dancing, cards, skits and refreshments.

As a further between-clubs cooperation two Northville citizens, Mrs. C. M. Ely and Mrs. Clyde Schoultz, joined the Ann Arbor group for a tour of the Smokies this spring.

Plans now are finalized for club members' attendance at the annual regional senior citizens' get-together at Roma Hall, Livonia, on May 18. Sponsored by the Michigan Parks and Recreation association, attendance is expected to reach 1,000 with clubs represented from Dearborn, Dearborn Heights, Garden City, Inkster, Wayne, Livonia, Redford, Plymouth and Farmington as well as Northville. A noon luncheon and program of dancing and amateur skits are scheduled. The events begin at 10 a.m.

Township Supervisor R. D. Merriam narrated a color-slide nature talk on his hobby of photographing trees, flowers and birds as the club's most recent program. Other programs have included travel films, a talk on social security, games, music, a hat clinic and a jewelry-making demonstration. The first of two monthly meetings on the second and fourth Tuesdays (excluding August) in the scout-recreation building includes a business session, program and refreshments. The second is a cooperative dinner and social hours. Members of the Jaycettes have assisted with the dinners.

All this activity for annual dues of \$1 makes this group a bargain! Mrs. Boyden also mentions that the club has community service projects including cash donations to a number of local groups — King's Daughters, Junior Chamber of Commerce Fourth of July project, high school music department and has supplied venetian blinds and card tables for the recreation building.

GOOD PUBLICITY has been a main project of Mrs. Boyden's as she has been faithful in keeping The Record posted of all Senior Citizen activities. Such news "know-how" stems from having been associated with The Northville Record for some ten years under three previous owners — F. S. Neal, Richard Baldwin and William Cansfield. As Hazel Perkins she worked for the paper during high school vacations and wrote school notes during the year.

Her father, the late J. W. Perkins, was in charge of "the back room" while her brothers, Frank, who now lives in Redford, and P. L. Perkins, retired and still in Northville, also were employees.

Mr. and Mrs. Morlyn Joseph Kluesner and their three children, Michael, 12, Sandra, 11 and Karen, 3, settled in their new home at 953 Novi street last December 9 and report they "couldn't be happier" with Northville. The family moved here from Detroit.

Morlyn, more frequently called "Joe," Kluesner is a designer with Fisher body division of General Motors. After high school in West Bloomfield he attended the

Allied Institute in Technology in Chicago for two years.

Michael is in junior high and Sandra is enrolled at Amerman school. Mrs. Kluesner and three-year-old Karen have been going to the homemakers' program at the Northwest YWCA. Dorothy Kluesner is taking knitting and yoga lessons while Karen plays in the nursery. Mrs. Kluesner decided upon knitting as she already is accomplished in sewing—that and

photography being favorite interests.

The family has an active civic participation record. Joe Kluesner has been a cub master while his wife has served as a den mother. He still belongs to American Legion Lodge 190 in Detroit. The family has been attending First Presbyterian church here with the children enrolled in the Sunday school.

**Crown Novi Girl
In Posture Contest**

A 20-year-old Novi girl who once had a posture problem was crowned Miss Michigan State Chiropractors Queen of Postural Fitness Thursday in Jackson.

Brenda Colburn, 28075 Dixon road, daughter of Mr. and Mrs. Elwood Colburn Sr., was chosen to represent the state in the 12th annual Chiropractors' World Queen of Posture contest at Fort Worth, Texas, July 4-6.

The 1966 Michigan posture queen was crowned by Miss Janice

Riley of Parma, the 1965 queen and fourth place winner in the national contest.

Brenda said her good posture came through effort on her part. "I was self-conscious about my posture. At one time my father told me I leaned to one side", she explained.

Her hobbies of tennis and swimming helped develop good posture and good health, but she doesn't discredit her father's comment. She said it had earned him a big kiss when she returned home.

The 5 foot, 2 inch brunette attended Central Michigan university at Mt. Pleasant for two years, and she hopes to return there for a degree in speech correction. She is the oldest of four children, with a brother and sisters, aged 7, 9 and 11.

"I feel like they're my own children," she said. Brenda was sponsored in the competition by Dr. Robert Stiles, who recently established a practice in Novi.

For winning the state crown, Brenda received a \$600 scholarship to Palmer Chiropractic college, a \$200 cash scholarship to Jackson Business university, a \$25 savings bond, dinner for two, and the expense paid trip to Fort Worth.

**Alumni Group
Meets Tonight**

Northville area alumni of Adrian college and parents of students currently at the college have scheduled a dinner meeting today at 7 p.m. at Cregar's Pickwick House, 19335 Grand River in Detroit.

They will meet with other northwestern Detroit and suburban area alumni and parents to begin plans for an Adrian College Club and to discuss the college's \$1,500,000 development program, "Action at Adrian".

In all, three similar meetings will be held in Detroit for more than 1,000 alumni and parents. Mr. Van Darsey, vice president of the Parker Rust Proof Division of the Hooker Chemical Company, a graduate of Adrian and a board of trustees member, is serving as Detroit area chairman.

Expected to attend the meeting are the president of the college, Dr. John H. Dawson, and other college officials. Adrian currently enrolls about 1,500 students and last year completed ten years of growth during which time the enrollment went up from 192 to 1,400 and 24 new buildings were started or completed.

**Concert Set
At Novi Baptist**

The Detroit Bible Chorale will present a concert Sunday evening at the Novi Baptist Church beginning at 7 p.m.

Director of the 50-voice choir, which will present hymns, choral compositions and spirituals, is Leon G. Anderson.

The public is invited to attend the concert.

**What's
Cooking**

Following is the Northville high school cafeteria menu for the week beginning May 16, with hamburger-on-bun and French fries offered as an alternate main course on type A lunches daily:

Monday—John Marzetti, bread and butter or split pea soup, meat sandwich; all with lettuce wedge, fruit cocktail, milk.

Tuesday—Submarines, potato chips or bean soup, egg salad sandwich; all with carrot and pineapple salad, apple crisp, milk.

Wednesday—Turkey and gravy, mashed potatoes, buttered green beans, rolls and butter or beef vegetable soup, meat sandwich, relishes; all with cherries, milk.

GOSPEL SINGERS—A newly organized singing group of Salem Federated church, which performs under the theme "Good News Gospel", presented an evening of music last week Tuesday evening for students at the Wayne County Training School. Plans are underway for similar programs at other public and private institutions. Members of the group include the Rev. Ivan E. Speight, pastor; Margaret Givens, pianist; Mary Lou Lanning, Betty and June Lazor, Mrs. Paul Wooley, Mrs. Wilford Cogar, Mary Hamilton, and Miss Ruth Hardesty, singers; and Debbie Forthsyth, guitarist.

**Auditions
Set Monday**

The Madrigal Club of Detroit will hold auditions for new members on Monday, May 23 at 7:30 p.m. at St. John's Episcopal church on Woodward and Montcalm.

Persons interested in auditioning are asked to call Eleanor Liller, 882-3079 or Claudia Novitzky, 273-3727.

The Madrigal Club is a woman's chorus of about 30 to 40 members who present two concerts annually.

**Novi Ninth Grader
Wins Art Scholarship**

Debbie Auten, 15-year-old ninth grader at Novi Junior high school, has been selected to attend a three-week art program at Olivet College this summer.

Daughter of Mr. and Mrs. Ralph Auten of 23615 Ripple Creek, she received the scholarship because of her outstanding art work in school and because of her intentions of taking up an art career after graduation.

Bill Davis To Study In England

Bill Davis, son of Mr. and Mrs. William E. Davis, 352 Orchard drive, has been awarded a scholarship to study abroad for one year.

Currently a senior at Phillips Academy at Andover, Massachusetts, Davis was one of three seniors selected by the English Speaking Union to receive a scholarship. His brother, Gary, is presently in England completing a year of study under the same scholarship plan.

The English Speaking Union is a world-wide organization based in London formed to foster closer relationships among the English-speaking countries of the world. It awards approximately 50 scholarships annually to boys in American prep schools. Awards are made on the basis of tests and interviews.

The scholarship will begin in mid-September. Specific school assignments are not made until a later date.

Golfers Seek Crown Friday

Northville will vie for an unprecedented fourth regional golf title in a row this Friday when the squad journeys to Glen Oaks Country Club in Farmington.

Should the local golfers successfully defend their Class B title, they'll have things going their way. They will return to Northville to await the upcoming high school prep meet scheduled to be held at Meadowbrook Country club on May 23.

"The kids are capable of at least finishing in the top three which would qualify them to play in the state meet," declared Coach Al Jones. "Our big problem is consistency. If we just take the easy holes, we'll be in good shape."

Jones expects the stiffest opposition from a conference rival, Holly, which he also tabs as the team to beat in class B. "They've got all veterans back," Jones said.

In past years when Northville has been unbeatable in the regionals, Northville could field an all veteran array itself. With the graduation of one of the top prep golfers in the state, Jim St. Germain, Northville lost its big gun.

Despite the loss of some top golfers, Jones has come up with a winning combination. Anchoring the team are Seniors Rick Talbot and Bob Reagenhardt and Junior Mike Hlohenic, and coming on fast to match their scores are Junior Keith Mueller and Freshman Billie Thomas and George Neisch.

They have compiled a record of 9-4.

Northville posted its most recent victory last Monday, a 178-191 decision over Brighton at Meadowbrook Country Club.

Hlohenic led all golfers with a 43, even though he has one out of bounds shot for a two stroke penalty. He was followed by Mueller's 44, Talbot's 45 and Neisch's 46.

In a quadrangular, held last Friday at Burroughs Country Club in Brighton, Bloomfield Hills pieced together a squad score that anyone would be hard pressed to match.

The Barons set a high school record for a team at Burroughs with a score of 147. Four golfers shot a 35, 36, 37 and a 39.

Bloomfield won the match with a score of 147. Brighton fired a 167, Northville a 171 and Milford a 176.

Reagenhardt paced the local linksters with a 39, followed by Talbot's 42.

IT'S ROUGH—Plenty rough where Rick Talbot is swinging. The most consistent Northville prep golfer this year, Talbot got into trouble when he sliced the ball into the trees near the seventh hole at Meadowbrook Club. It happens to the best now and then. Oh yes, Rick got out of it, but not before he triple bogied on the par four. He finished with a 45 as Northville beat Brighton Monday.

Tennis Title Still up for Grabs

Coach Dick Norton's charges finished atop the standings with an 11-0 record, but the league title still isn't theirs.

The biggest hurdle of them all, and upon which the title hangs, still remains - the league tournament to be held at Bloomfield Hills tomorrow and Saturday. That's a peculiarity of conference tennis.

Championship is awarded to the team which posts the most points from the combined total of league standings and performance in the tournament. With 10 points going to the first place winner, nine to the second, eight to the third, etc., Northville leads Clarkston, the runner up, by a single point, 10-9.

Winner of the tournament will gain 10 points, runner up eight, third place six, fourth place four, fifth place three, sixth place two and seventh place one.

If the Mustangs slip a notch to second in the tourney, Clarkston will win the crown by a point, 19-18, so there's no chance for Northville to breathe easy on the merits of an unblemished record in league play.

Coach Norton knows the hazards of tournament play well. Last year his nettors finished first in the league, but second place Bloomfield Hills edged past Northville in the tournament to steal the tennis title.

With last year's results as warning, Norton has his lineup set. Jim Long, number one all season long, will play in his familiar spot, as will number two man, Norbert Parent. But in the third singles spot, Norton contemplates a switch. He picked Steve Quay to take the place of Larry Thibos.

It's all part of the strategy to strengthen Northville in the doubles. Thibos will team up with Dick Hart in the number one doubles duo. Behind them will be the teams of Randy Burnett and Bruce Durham, and Dave Eberhart and Ken Boerger.

Northville got a good taste of what could be when the tournament opens. Clarkston pushed Northville to the limit before falling, 3-2, last Thursday.

But what's more significant, Long was upset by Clarkston's Mike Dougherty, 2-6, 6-4, 6-1, in cold, windy weather. "The wind bothered Long," pointed out Norton.

With Long taking the loser's walk off the court, Northville had to come up with a much needed winner elsewhere, and got it in the doubles combination of Burnett-Durham who came from behind to win over Jack Sampson.

Parent and Thibos posted the other two local victories. Thibos won 6-2, 6-2, over Kirk Beattie and Parent prevailed over Mark Erickson, 6-3, 6-8, 6-0.

In the other doubles match, Brian Gallipo. 3-6, 6-4, 7-5.

Hart-Quay were beaten, 5-7, 3-6, by Kim Beattie and Tom Bullard. Northville had little difficulty in beating Clarenceville, 4-1, here Monday, as the three top singles players, Long, Parent and Thibos sat this one out to give the reserves some experience.

Playing number one, Quay whipped Richard Stearns, 7-5, 6-2; Burnett, number two, beat Russ Ulrey, 6-3, 6-4, and Boerger polished off Bernie Kent, 6-2, 6-2. In doubles, Durham-Hart lost, 3-6, 5-7, to Ken Olsen-Gordy Schmidt, and Eberhart-Kohs won, 6-1, 6-2, over Jim Altman and Mark Everhard.

Plymouth took some of the sting away from Northville last Friday and whipped the Mustangs, 4-3.

Robin Wideman beat Long, 6-2, 6-3, Parent beat Steve Mogle, 2-6, 6-4, 6-1, Thibos lost 5-7, 3-6, to Bob Stover and Quay upended Kris Brillmore, 6-3, 6-4.

In doubles play, only Burnett and Boerger won, beating Dave Sibbold-Randy Kenyon, 6-3, 6-1. Hart-Durham lost, 1-6, 2-6, to Rick Jones-Steve Hulce, and Eberhart-Kohs lost to Tom Chandler-Bill Wolfe, 4-6, 3-6.

Junior High Thinclads Claim Second Victory

Northville's junior high school track squad picked up its second straight victory Thursday, downing Clarenceville 51 to 31.

The local squad garnered eight first places in posting their latest win at Clarenceville.

Leading the way were Brian Meyers, who placed first in shot put with a toss of 38-feet, 6-

inches, and Brad Conklin, who placed first in the 100 yard dash with a time of 11.9 seconds.

Other Northville winners included:

Ed Beller and Jeff Dawson, first and second in the low hurdles; John Stuyvenburg, first in the 50-yard dash; Meyers and Don Meadows, first and second in the 75-yard dash; Conklin and David D'Haene, first and third in the 100-yard dash; Meyers and D'Haene, first and third in the shot; Dawson, third in high jump; Stuyvenburg and Dale North, first and third in the broad jump; and Jim Armstrong, Mark Young and Dale Orphan, tied for third place in pole vaulting.

Northville's shuttle and 440 relay teams also posted wins. The shuttle squad includes Mark Scheffer, Meyers, Meadows and Stuyvenburg, and E. Beller, Dawson and D'Haene run on the 440 relay team.

Bowling Champs

League bowling championships in the Northville Women's League and the Northville Lanes Senior House League were won by the Hayes Sand and Gravel team and the Northville Record team, respectively.

Members of the winning women's team are Tommie Hiechman, Marge Gross, Dorothy Riley, Dorothy Darnell and Wanda Schwab.

Bowling on the Record team were Mike Eastland, Arthur Anderson, Cliff Newman, Ray Hood and Allen DePorter.

Northville Drops Pitchers' Duel

Northville's bright chance for a Wayne-Oakland Conference baseball crown lost much of its luster Monday at Clarkston. You might say it's downright tarnished.

Clarkston squeezed out a 1-0 victory over Northville in what Coach Bob Kucher termed Northville's poorest effort of the year. That loss pushed the Mustangs two games off the pace of front running Milford in the chase for the baseball title. And it puts the burden strictly on Northville.

Either the Mustangs whip Milford in their two encounters to be played within the next two weeks or they can kiss the pennant goodbye. Milford is riding high with a 9-0 league mark, while Northville is tied with Clarkston at 7-2.

There is one other possible route to the title - by way of Milford losses. But the way Milford's been playing, it's remote. All teams have five games left on the schedule, and Milford,

admittedly, has the toughest road.

Beside the two Northville engagements, Milford must face Clarkston and Bloomfield Hills, two teams with upset potential.

Northville, too, has one tilt remaining with Bloomfield Hills, but from there on its a soft touch against West Bloomfield and Holly. Northville barely beat Bloomfield in their first clash, scoring the deciding run in the eighth inning.

Monday's clash with Clarkston was a pitcher's duel, the best match of the season. Northville's hopes rode on the strong arm of its unbeaten right hander, Steve Evans, and Evans came through in his own inimitable fashion. He did all but win.

He held Clarkston to a measly two hits, but Clarkston made the most of them by rapping both out in a disastrous sixth frame. They were sandwiched around a walk to provide the only run of the game.

The opposing moundsman, who was equal to the task, is familiar to Northville followers. He was none other than Dan Fife, that's right, the basketball Fife who averaged well over 30 points per game and quarterbacked Clarkston to a 7-0 victory over Northville during the grid season.

Fife completely baffled the Mustangs with his mixture of fast balls and curves, topped off with pinpoint control. He gave up only two hits, one of the infield variety and he struck out 12.

"We took good strikes," lamented Kucher, "and we swung at the bad pitches. Fife is the best pitcher in the league we have faced this year."

Looking back, the Mustangs can feel fortunate. In their first encounter with Clarkston this season, Fife, who was nursing a sore arm, took over shortstop, and Northville won, 3-1.

For all their feeble hitting, the Mustangs had four golden opportunities to score, but each time the man on third died there. Each time there were less than two men out. Two squeeze plays back-

and family and P. J. Comte from Newago were Sunday night guests of the senior Wagnitz's.

On Saturday, the young people of the Wixom Baptist church will meet at the church at 8 a.m. From there they will go to the C.B.A. youth rally in Lansing Civic Center.

On Monday evening the young people went roller skating in Plymouth.

Mr. and Mrs. William Logie from Livonia were Sunday callers at the Everett Pearsall home.

On Sunday, Mr. and Mrs. Alfred Gaedt travelled to White Lake and had dinner with Mr. Gaedt's mother, Mrs. Ernest Gaedt.

Mr. and Mrs. Howard Craft entertained Mrs. Craft's parents on Sunday at dinner. They celebrated Mr. McCally's birthday.

Mrs. Inex Pepper and Mrs. Mary Pepper were week-end guests of the Joseph Callahans. Mr. and Mrs. Robert Pepper also were Saturday guests. Maureen, Colleen, and Kathleen celebrated their birthdays last week-end.

Mr. and Mrs. Charles Ware spent three days in Pittsburgh last week. They attended the funeral of a friend.

Smith Wins In Opener
Smith Excavation defeated Flynn Modernization, 14-2, in the opening Novi Little League game Monday.

Richard Erwin was the winning hurler for Smith, giving up only two hits while striking out eight. He helped his team's cause by collecting two doubles and scoring twice.

David Winkler was the leading hitter for Smith with two doubles and a single.

Flynn used three pitchers in its losing effort. Gary Colton collected his team's only two hits, both of them doubles.

Members of the confirmation class of the First Methodist church of Northville will be received into membership in the church Sunday at the 11:00 a.m. service.

Eighteen young people will be questioned on the junior catechism of the church and two will tell the history of the Christian church and the story of Methodism.

Members of the class are: Susan L. Altman, daughter of Mr. and Mrs. Charles Altman; Richard Allen Asher, son of Mr. and Mrs. William Asher; Carol Ruth Baker and Jefferson William Baker, children of Mr. and Mrs. Jefferson Baker; Katherine Louise Castillo, daughter of Mr. and Mrs. Charles Castillo; Robert Bradley Cole, son of Mr. and Mrs. Robert Cole; Craig Richard Eshelman son of Mrs. Richard Eshelman; Mary Jane Fittery, daughter of Mr. and Mrs. Warren Fittery; James David Kenger, son of Mrs. Pauline Kenger; Kyle Jean Miller, daughter of Mr. and Mrs. James Miller;

Nancy Jean Quay, daughter of Mr. and Mrs. LaGene Quay; David Nelson Rooker and Sheryl Ann Rooker, children of Mrs. Melvin Rooker; Jane Colleen Skelly, daughter of Mr. and Mrs. Raphael Skelly; Louise Yvonne Snelgrove, daughter of Mr. and Mrs. Dean Snelgrove; Thomas Ladd Walter, son of Mr. and Mrs. Warren Walter; Jeffrey Al-an Wilber, son of Mr. and Mrs. Donald J. Wilber; Bonnie Louise Woodard, daughter of Mr. and Mrs. DeLos Woodard.

The Rev. S. D. Kinde, pastor, will confirm the class and will present them gift Bibles from the parish.

Senior Prom Set Saturday

The senior class of Northville high school will hold its annual senior prom Saturday night at the Meadowbrook Country Club.

This year's theme is "Till Then," and the ball room will be decorated accordingly.

Festivities will begin at 7 p.m. with dinner, followed by dancing from 9 to midnight. Tom Houghton's orchestra will provide music.

An added attraction will be folk singer, Ron Coden, who will perform at approximately 10:30.

Arrangements were made under the direction of Senior Class President Mike Turnbull for this, the second senior prom to be held at the country club. Previously, the dance was held in the high school cafeteria.

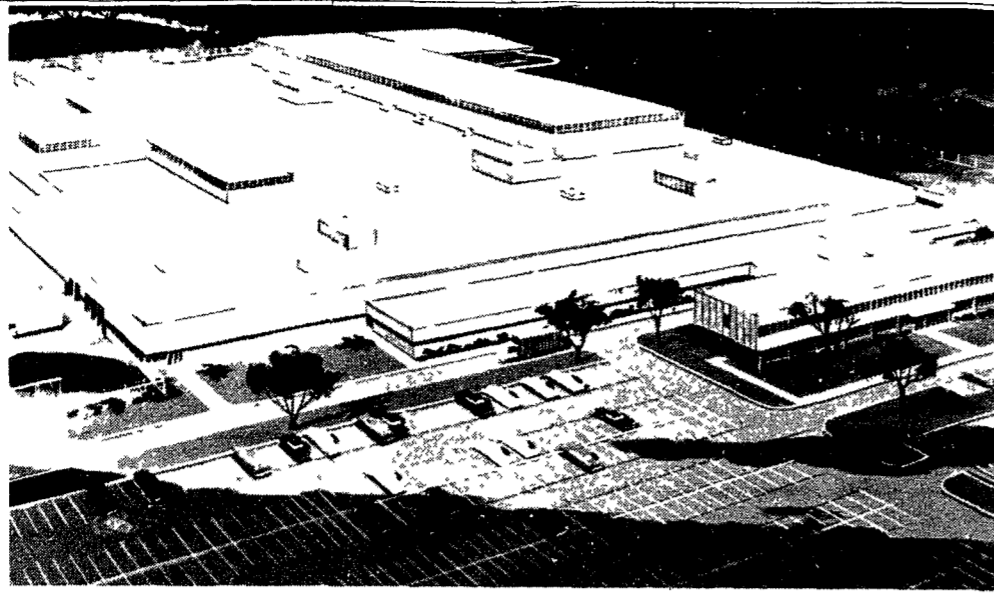

Historical Group Sets Election

The Northville Historical Society will hold a year-end roundup for the 1965-66 season Tuesday in the Northville junior high library.

Beginning at 8 p.m. with reports and election of officers, the program will include a showing of the filmstrip, *Our Town*. The filmstrip is the work of three Northville teachers, Mrs. W. E. McCarthy, third grade, Mrs. John Hobart, fourth grade, and Mrs. Berman Martin, first grade.

Produced for a Michigan State university workshop in community resources, the filmstrip tells of the development of Northville from its early days to the present.

The public is cordially invited to attend the meeting.

PLYMOUTH FORD PLANT—This is the architect's rendering of Plymouth township's new Ford heater-air conditioner plant for a Sheldon road site.

Railroad Instrumental In Ford Plant Location

Ford Motor Company not only desires to locate a plant in the Plymouth area, but also to become a part of the community, according to E. O. 'Bud' Weber, of Northville, who spoke at the monthly meeting of the Businessmen's Forum in Plymouth.

Weber, a member of the Northville school board, spoke on behalf of Robert Winder, general manager of the new Plymouth Township Ford plant. Winder had to cancel his talk at the last moment due to an emergency in the family.

Weber is a personnel director in the general parts division, and works out of the Rawsonville plant, near Ypsilanti. He spoke before about 50 gathered in the Mayflower Meeting House to the Chamber of Commerce-sponsored group, Thursday.

Discussing Ford's reasons for locating here in particular, and ways to attract industry in general, Weber said the nearness of the Chesapeake and Ohio railroad was one strong factor in the picking of the Sheldon Road site.

The site is located just north of the C&O tracks and covers 168 acres. Ford plans to build a heater and air-conditioner plant there that will be fully operational by fall of 1967, according to Weber.

Other factors cited by Weber were other transportation facilities, traffic routes for the labor force, terrain and amount of personnel available.

Weber said nearly 1,000 would be employed at the new plant, with the labor force being partially transferred from the Ypsilanti

plant, where heaters and air-conditioners are now built.

It is expected, he said, that the

rest of the labor force will be new and come from the Plymouth, Northville and Livonia areas.

Reader Speaks

What Now, 768?

To the Editor:

For years I've suffered under the elusion that it took money to operate schools. Because of this I naturally felt great alarm upon learning that Northville voters had defeated the needed millage to run our schools.

This couldn't possibly have been a 'personality protest' vote. Responsible, mature adults don't risk their children's future that way.

The obvious conclusion therefore is that those of us who considered adequate funds desirable were misinformed. You 768 voters must have up-to-now unheard of methods for operating a school system with no money. I presume you are prepared to organize car pools to safely transport your children to and from campuses. What a load off the administrators' shoulders!

Janitorial and secretarial services will undoubtedly come from throngs of volunteers.

The only genuine qualm I still feel deals with the direct education of my children. Up to now they have had the benefit of trained, college personnel. Has your 'master plan' gone far enough to include 'graduate volunteers' to cover sundries like math and English?

You 768 people have spoken. Could we please hear more about your future plans?

Brooms Sweep Through Northville

An army of retail merchants, armed with brooms and hoses, swept through the downtown section of Northville Friday afternoon as part of the community's opening barrage against dirt. The familiar scrub-down was the first of several clean-up programs sponsored by the Northville Beautification Committee. Using the fire department's high pressure hoses

and plenty of elbow grease, the merchants pushed their brooms down Center street, turned the corner and then attacked one block of Main street. As usual, the casualty list included street-clinging dirt and a few dripping shirts and spongy shoes. For a more complete look at the battle see pictures on Page 4B.

from the PASTOR'S STUDY

Reverend Charles F. Boeger
St. Paul's Evangelical Lutheran Church of Northville

"It happens in the best of families!" That's what we say when things go wrong in family life. Marriage vows disintegrate, children bring disgrace, parents fail and forsake the household.

If the family is our own, we excuse ourselves with the cliché. If the family is the family of another, we are happy to report that others have their problems, too. We shake our heads, perhaps, piously perplexed, but we take satanic comfort in the thought that "it happens in the best of families."

Certainly no one can disagree. It DOES happen in the best of families. It happened in the family of Paradise—the family that had direct communication with the Lord. The male and female—a lady and a gentle-

man—formed an ideal marriage. Their first two children were outstanding boys, upright, hardworking boys. But you know the story. It happens in the best of families.

And ever since it has been happening. Family relationships are marred by sin and self-will. Sons and daughters get tired of their irritating parents and go out to find a pigsty. Or parents abdicate divinely given roles as parents and regard their children as the accidental nuisances that result from their amusement. Or children battle for the leavings after Mom and Dad are dead and gone. It happens in the best of families.

But what happens in the BEST of families? Take out your Bible and open it to Ephesians 6:1-4. In the BEST of families, chil-

dren obey their parents in the Lord. They honor Mom and Dad. In the BEST of families, parents bring up their children in the discipline and instruction of the Lord. They see that they are not in a game of marriage to produce children but to produce real children of God.

This happens in the BEST of families, because Christ makes it happen. Parents and their children live in Christ. He is their Lord. He is the Savior who forgives and teaches us forgiveness for each other. He is the Christ who loves and plants His sacrificing love in us. It happens in the BEST of families, but only Christ can make it happen, and only a family with Christ can be the BEST of families.

What's happening in your family?

Christian Scientists Publish 'Healing' Report

A firsthand report on the impact of spiritual healing on the lives of men and women in many parts of the world has just been published in connection with the centennial of Christian Science.

Issued as a contribution to the revived interest in spiritual healing among many of the traditional churches, the book, called "A Century of Christian Science Healing," draws on thousands of published and tape-recorded testimonies, volunteered and verified by witnesses, which have become part of Church records.

The book was prepared by The First Church of Christ, Scientist, in Boston, Massachusetts, and published by The Christian Science Publishing Society, which also publishes the denomination's international daily newspaper, The Christian Science Monitor.

"With contemporary developments in physics, biochemistry, and psychotherapy challenging men to explore more vigorously the relation of matter to mind,

the practical experience of Christian Scientists yields a kind of datum not to be found elsewhere," the Christian Science Board of Directors declare in a foreword.

The occasion for the book is the centennial of Christian Science, which traces its origins to a healing experienced by Mary Baker Eddy in 1866. The book opens with this incident and on succeeding pages seeks to put on record "something of the character and variety of Christian Science healing" since then.

Emphasis is given to the broader concept of healing as "spiritual wholeness" applied to all aspects of human living.

Appearing at a time when the relevancy of religion and spiritual values in today's world are often challenged, the book is described by its publishers as pointing to the new meaning and depth that Christian healing can bring to experience.

St. Paul's Festival Set Friday

A marionette show will highlight the first spring festival of St. Paul's Lutheran school tomorrow evening.

Created, written and directed by the upper grades classroom under the direction of Mrs. Dorothy Wroten, the show will be held in the parish hall located at Elm and East streets.

Following the show refreshments will be served by the Parent-Teacher league of St. Paul's.

Because of limited space, admission will be by ticket only with reservations made in advance. Proceeds from a free-will donation are to be used to defray expenses and to support the art program.

KNOW YOUR MICHIGAN

The busiest waterway in the world is the Detroit river, which carries more tonnage annually than the Rhine, Thames, Seine and Volga rivers combined.

The second busiest waterway in the world is the famous locks at Sault Ste. Marie, Michigan. More tonnage passes through these locks in an eight-month Great Lakes navigation season than either the Panama or the Suez canals normally handle in a full year.

How wonderful to see God through the eyes of a child. The wonder of bright blue eggs in a nest of twigs, the path of the wind through tossing treetops, moonlight dancing on a lake. All these are to him the fingerprints of God.

Too often we are caught up in a world of worry and concern. Worrying how to make ends meet, we forget to stop and see God in the world around us. Jesus said, "Whoever shall not receive the Kingdom of God as a little child shall in no wise enter therein."

Your church offers you moments of worship and inspiration, so that you may see all things bright and beautiful and find for yourself the Kingdom of God as He reveals it daily through the beauty of His earth.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

We can keep you in hot water.

In fact, we guarantee it!

SATISFACTION GUARANTEED
by **DETROIT EDISON**

An electric water heater is for the people who don't like to run out of hot water. We're so sure you'll like one, we guarantee your satisfaction—for a whole year! What do we mean by satisfaction? Simply this: If you don't get all the hot water you want, when you want it, you get all your money back, including any you may have spent on installation. And it doesn't matter where you bought your electric water heater. The Edison guarantee still applies. No strings attached. Fair enough?

EDISON

Average-size families with electric water heaters pay as little as \$3.88 a month—a standard rate—for hot water. How much are you paying?

Novi Party Store Robbed

Search continues this week for the person or persons who broke into the Novi Party Store, 43025 Grand River, early Thursday morning.

Patrolman Warren Thrushman, who discovered the breaking and entering at 1:23 a.m. while checking doors of Grand River businesses, said the burglar took a shotgun, loose change and cigarettes.

Entry was made by forcing open the front door. He escaped through the rear door.

Several fines were handed out in Novi justice courts this past week, including a 45-day jail term for a Detroit man charged with reckless driving.

Jailed and ordered to pay a

\$85 fine or face an additional 15-day term was Earl A. Horn, who pleaded guilty before Justice Robert K. Anderson for reckless driving on I-96 April 20.

Others fined in Anderson's court included:

Paul W. Richard of St. Clair Shores, fined \$25 for operating a defective vehicle in January. Barnard J. Simone of Union Lake, fined \$100 for reckless driving on Novi near the Derby Bar on April 30.

Philip L. Graves of Detroit, fined \$10 for indecent exposure on April 28 at Grand River and Novi road.

Harold J. Jacobs of 14324 Northville road, Plymouth, fined \$15 for being disorderly at Novi road and Grand River.

Garrett Miles and David Poquette of Southfield and John Lowe and Thomas Morris of Detroit, fined \$10 each for dumping tree limbs in the village. Also, they were ordered to clean up the area in lieu of an additional fine.

Fined in the court of Justice Emery Jacques were:

Edward A. Thomas of Detroit, \$10 for failure to stop in an assured clear distance ahead on April 19 in a two car accident at Novi road and Grand River.

James F. Latimer, 1254 East Lake drive, \$10, for the same offense involving an accident on East Lake drive, April 19.

Robert J. Batton of Detroit, \$25, for being a minor in possession of alcohol on Novi road near 10 Mile road April 29.

AWARD WINNERS—Last Thursday night members of Cub Scout Pack 721 were presented awards and badges, while two new den units were initiated. Among the boys receiving awards were (l. to r.) Bill Lusk and Chris Rotta, who earned gold arrows, and Edwin Pawlowski, who is being presented a bear badge by Pack Leader Jerry Rotta. Looking on is Ernie Lusk, Assistant Leader.

Cub Scouts Presented Awards

It was awards' night for Cub Scout Pack 721 last Thursday night as members met at the VFW hall.

In addition to the presentations two new den units were initiated into the pack.

Conducting the ceremonies

were Pack Leader Jerry Rotta and his assistant, Ernie Lusk.

Bobcat pins, which are awarded to boys when they officially become cub scouts, were presented to Thomas Grunheid, Mike Phillips, Joseph Wilber, Teddy Kehrer, Tommy Lovett, John Neish,

Scott Knapp, Dirk D'Haene, Dennis Clark, Larry Diehle, Brian Holloman, Douglas Anger, Barry Gall, Joseph Watson, Harry Yorck and Bruce Findling.

Bill Chisholm received a wolf badge and wolf gold arrows were awarded to Chris Rotta, Bill Lusk, Don Fountain and Randy Loy, who also received a wolf silver arrow.

Bear badges went to Wally Chisholm, Mike Dugan, Mark Wiley, Ed Pawlowski and John Maiuri. Marty Loy was awarded a bear gold arrow and lion badges were given to Steve Griggs and Douglas McDonald.

New den mothers receiving den mother pins were Mrs. Roger Soucy, Mrs. Robert Green, Mrs. Donald Wilber and Mrs. Fred Kohler. Mrs. Walter Gall is new assistant den mother.

Scrubdown Frolics Mark Opener Annual Clean-up Starts

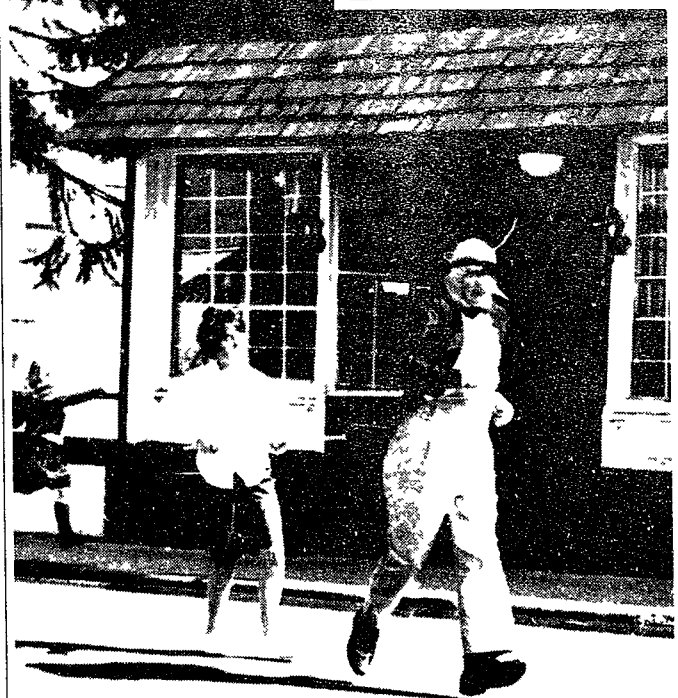

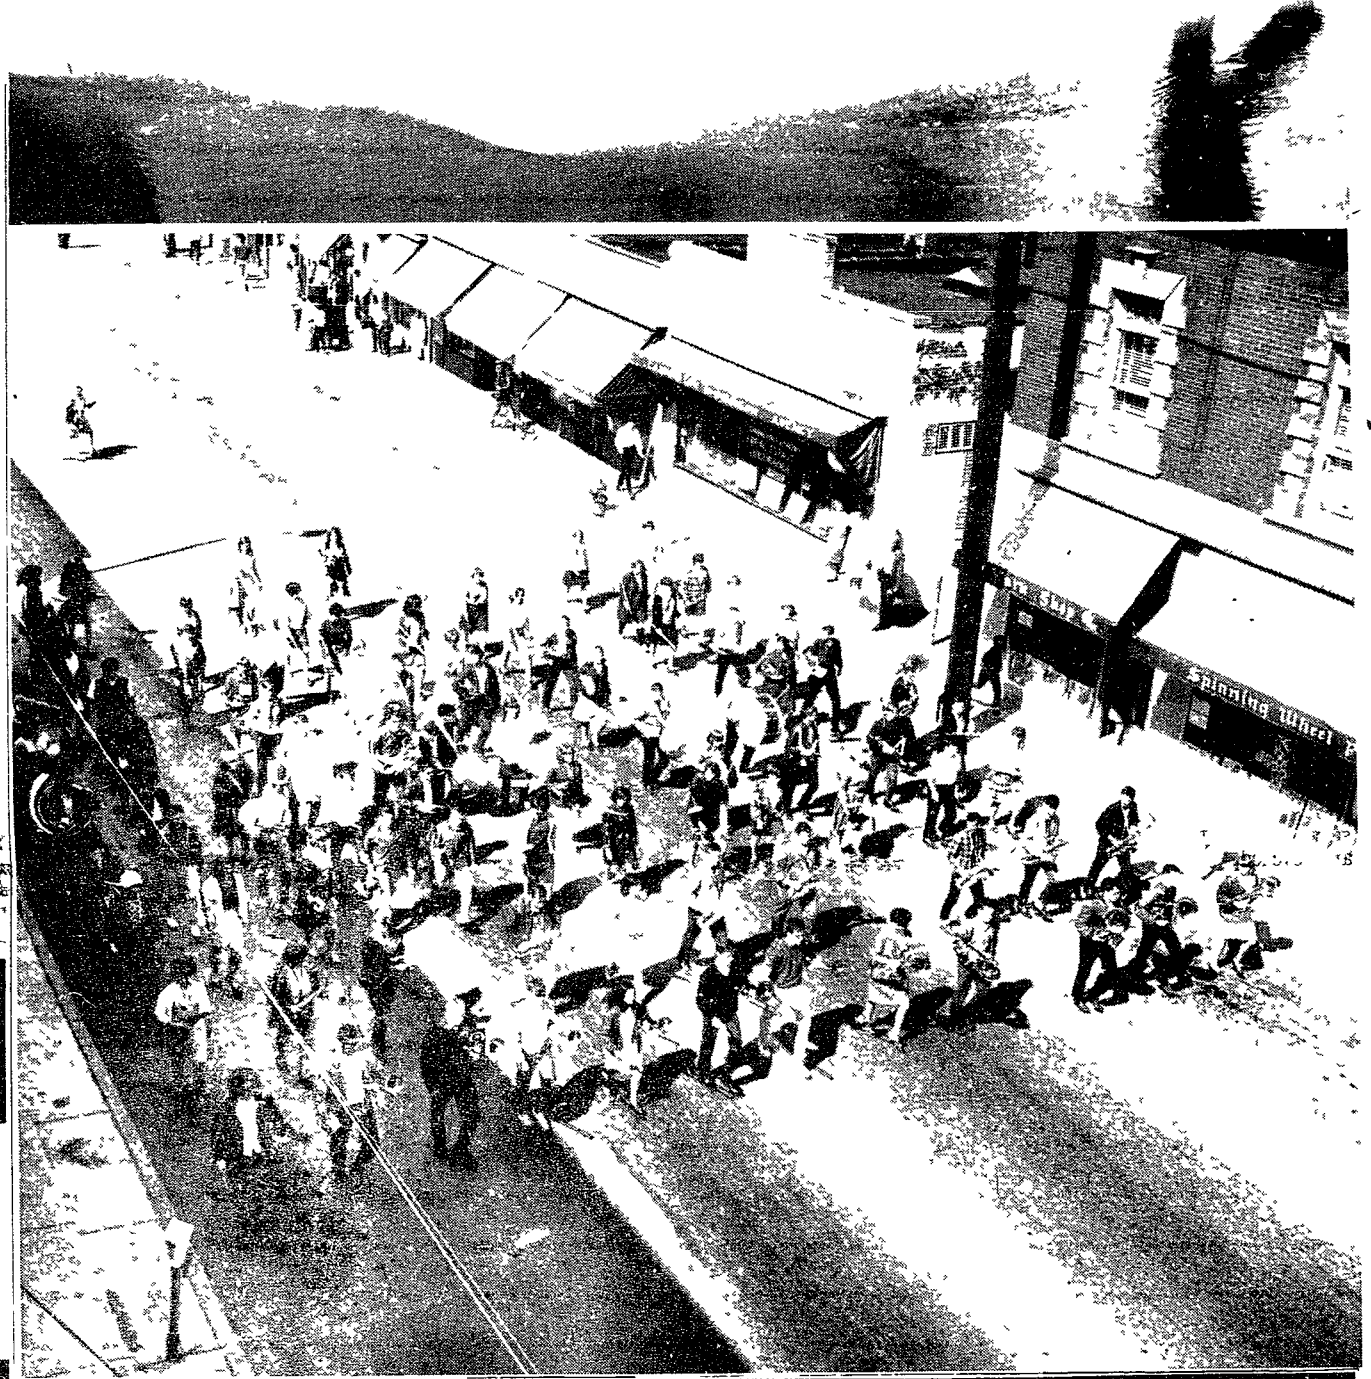

Northville's annual cleanup program got off to a sparkling start Friday with the scrubdown of two blocks of downtown streets.

Other activities sponsored by the Northville Beautification committee included planting of flower crab trees Saturday by junior and senior high school students.

Next Saturday morning a city-wide trash pickup by department of public works crews and members of the Ughashonton club is scheduled here.

Friday's scrubdown frolics included spirited presentations by Northville's high school band and plenty of vigorous scrubbing by Northville retail merchants and firemen.

Joining the fun were four clowns and three young girls (left). The clowns included Hugh Burns, Tom Gow and David Grondin. The girls—Judy Bogart, Ellen Wisner and Beverly Forsyth—represented paint-up, fix-up and clean-up in trying to route the illusive litterbug played by Earl Leavenworth (below).

use Agrico. Do they know something about grass feeding you should know?

Most of the Agrico we sell goes to professional turfmen—landscape gardeners, golf course superintendents, nurserymen. Even sod growers. These professionals rely on Agrico for one reason: it consistently gives them superior results. Do you have to be a "pro" to get professional results on your lawn? Definitely not. Agrico Grass Food is as easy to use as any fertilizer.

1. Agrico Grass Food contains a special combination of nutrients that actually enriches your soil. These nutrients build strong roots and produce hardy grass.

2. Ordinary fertilizers help make grass green for a while. But Agrico, with 60% organic nitrogen content, helps keep grass green all season.

3. Agrico's formula gives you more total plant foods per bag to build soil fertility over a longer period of time. \$4.95 bag nourishes 5300 sq. ft. Now you know what the professionals know. For a thick, green lawn, use Agrico Grass Food—the fertilizer that enriches your soil as it greens your grass. There's an Agrico Garden Dealer near you.

Larry Wood To Repeat Sing Tour

Larry Wood, a member and tenor soloist of Central Woodward Christian Church Youth Choir, was named for the second successive year a member of Musical Youth International, Inc.

Larry will be singing member of the tour group, (band and chorus) for 1966 composed of 94 outstanding student-musicians from 39 neighboring high schools. Their summer tour will include Scotland, England and West Germany. Departure date is June 23rd from Detroit Metropolitan Airport.

Musical director of Musical Youth International is Mr. Lester McCoy of Saline, Michigan. Repertoire of the group will be both formal and informal, and will feature the band and chorus separately and in many combined groups.

Musical Youth International is a non-profit membership association organized to foster good international relations through combined experiences and arts and family living.

Last July, Larry sang with the first tour group, appearing in five major cities in Mexico. They gave 34 concerts in 32 days to audiences of over 110,000 people.

For the past three years, he has been a member of Northville high school concert choir and has sung leading roles in Gilbert & Sullivan operettas. Recently, on Palm Sunday, Larry sang the youth tenor role in Mendelssohn's oratorio "Elijah" presented by Central Woodward Christian Church Chancel Choir.

Larry is the son of Mr. and Mrs. L. H. Wood, 43641 9 mile road.

Scrap Postal Savings

Northville Postmaster John Steimel this week urged depositors with postal savings certificates to withdraw their accounts from post offices as soon as possible or as soon as the anniversary dates on their certificates are reached.

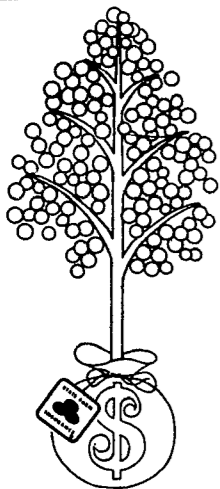

The postal savings system was abolished March 26, with signing of Public Law 89-377 by President Lyndon B. Johnson.

Postmaster Steimel pointed out that as of April 28, no deposits can be accepted and no new accounts can be opened. He said that interest will end on the anniversary date of each certificate.

The postmaster said that for convenience all certificates held by a depositor may be cashed at the same time and interest will be paid for each full month they have been outstanding beyond three months from the interest date.

The postal savings system was established January 1, 1911, to get money out of hiding and to attract savings of a large number of immigrants who were accustomed to saving at post offices in their own country. Today, however with the growth of banking facilities paying much higher interest rates than the 2 percent interest per annum paid on Postal Savings, the system has outlived its usefulness for the American people.

The postmaster noted that as of June 30, 1965, there were 997,029 depositors holding certificates in 3,130 post offices throughout the nation.

PLANNING COMMISSION TOWNSHIP OF NORTHVILLE

At a meeting of the Northville Township Planning Commission to be held in the Township on May 31, 1966, a Public Hearing will be held at 8 p.m. to consider the following:

AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE, MICHIGAN

AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACT OF 1943 OF THE STATE OF MICHIGAN, AS AMENDED, TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICT LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, NATURAL COUNTY, MICHIGAN, WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES, AND STRUCTURES, INCLUDING TENTS, AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDINGS HEREAFTER ERECTED, THE LIGHT AND VENTILATION OF SUCH BUILDING, THE AREAS OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED; TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS; TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWERS AND DUTIES.

THE TOWNSHIP OF NORTHVILLE ORDAINS:

PART I. The Zoning Ordinance of the Township of Northville is hereby amended by the amending of Section 4.1 of Article IV to read as follows:

SECTION 4.1 PRINCIPAL USES PERMITTED

In a One-Family Residential District (R-1 through R-4) no building or land shall be used and no building shall be erected except for one or more of the following specified uses, unless otherwise provided in this Ordinance.

- One-family detached dwellings.
- Farms.
- Churches.
- Publicly owned and operated libraries, parks, parkways, and recreational facilities.
- Municipal buildings and uses, without outdoor storage yards.
- Public, parochial and other private elementary, intermediate, and/or high schools offering courses in general education and not operated for profit.
- Accessory buildings and uses, customarily incident to any of the above permitted uses.
- Private stable, as an accessory use to a one-family residence for not more than one (1) horse on a lot where said lot is not less than two (2) acres in area and provided further, that for each additional horse stabled thereon one (1) acre of land shall be provided. All confinement areas and/or stables shall in all instances be located in the rear yard. In no instance shall a horse be confined nearer than seventy-five (75) feet to any property line. No horse shall be allowed to run at large.

PART II. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township Planning Commission before making its decision.

A copy of the item scheduled for hearing is on file in the office of the Township Clerk during regular office hours for public examination.

Moonlighting Increases

BABSON PARK, Mass. - According to government figures for the most recent years of record,

some 5.2% of all employed workers have been holding more than one job. This is known in labor circles as "moonlighting", a word that may perhaps still hold unpleasant implications such as taking jobs on the sly at sub-union rates, robbing the needy jobless of a chance to work.

THERE IS another interesting angle that shows up in the government figures. Very few of the dual jobholders do their moonlighting in their base-job field. They are much more likely to reach for a part-time berth, say, in the services, retail trade, or agriculture.

from their husbands. Just about one-third of all female moonlighters are in these categories. This is natural, since they have often had to assume the type of responsibility that usually falls to the husband. Household bills must be paid, children must be reared and educated. It should be noted, too, that about 50% of all women holding more than one job work only part of the time on each.

SPEAKING for The Record

By Bill Sliger

No matter how often we publish instructions, people still write unsigned letters to the editor.

They wonder why their letter didn't appear in the newspaper and they begin to grumble about suppressing the voice of the public.

The rules are simple: we'll publish any letter that isn't libelous so long as it bears the signature of the writer. If the writer prefers to remain anonymous, we'll withhold the name.

We do reserve the right to edit letters because of length or profanity, but otherwise they appear just as the writer submits them.

Some people have asked why we insist upon a signature. There are legal reasons, but to us the most important purpose of this requirement is to dispel any thought within the community that the newspaper is writing its own letters to the editor because it lacks the courage to say what it thinks editorially.

We like letters. Usually, they express far better than the editor the attitude of the community and they serve as an indicator of public opinion. We'd prefer that writers permit their names to be used with the letters, but we also understand there are frequently good reasons why this might cause unpleasant repercussions. So no roadblocks ... write away.

I've had an unsigned letter on my desk for several days. It concerns an action of the local police which deserves explanation. The letter, I believe, is well intended and has a good point. I cannot understand why the writer didn't sign his or her name. It may very well have been written by a teenager.

Breaking the rule I've just explained, here's the text of the unsigned letter:

"Recently I phoned the Northville police. I told them that there was an opossum in a tree, and a bunch of kids were throwing sticks and rocks at it. The kids went as far as trying to cut down the tree.

"After phoning the police they said they would send a car right over. After they arrived they shot the poor thing. I phoned the police to protect it, not kill it. "On television they interrupt movies to bring special editorials on preserving wildlife. But the law can turn right around and kill wild animals.

"The neighbors said the opossum broke a nest of duck eggs, but it has to eat, too, just like we eat chicken eggs, so why don't we get shot?"

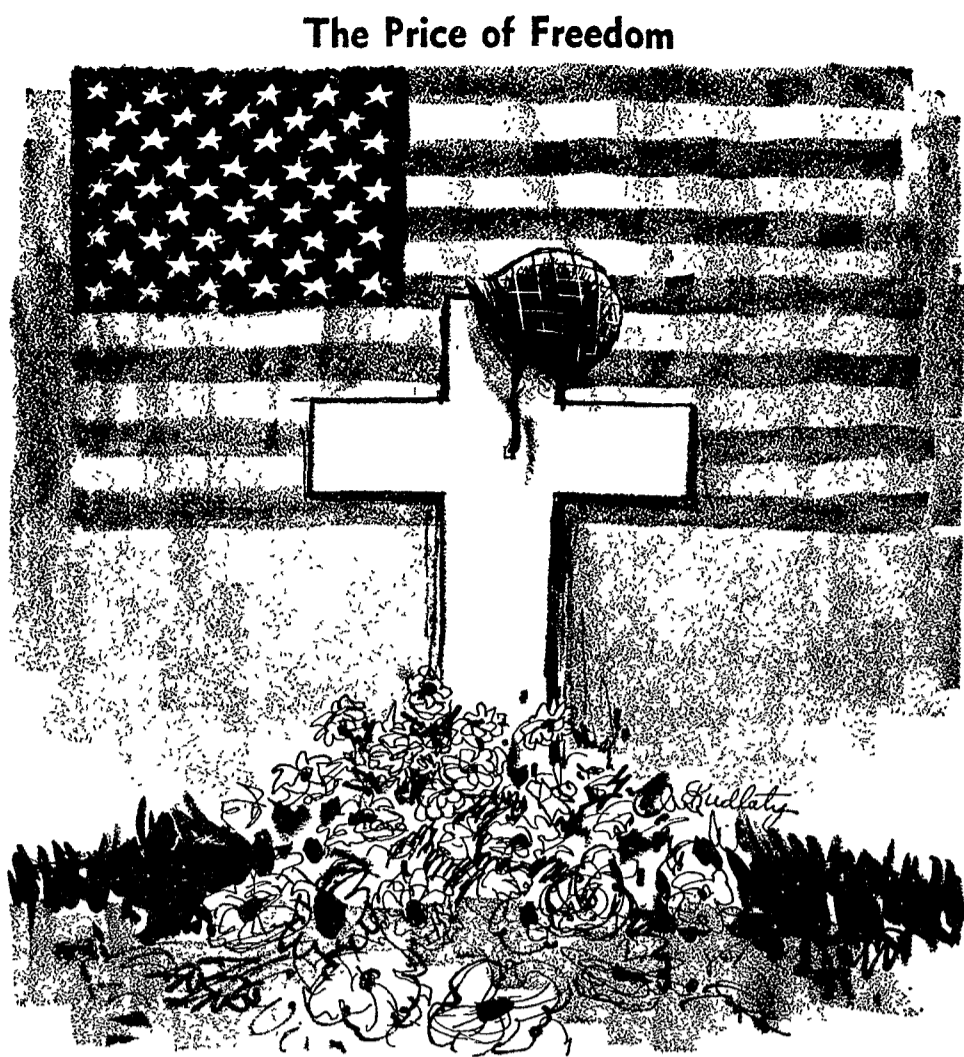

Chief David LaFond told me that the letter-writer was correct, and that normally police do save, not kill, wild animals. He explained that the opossum had raided a nest of duck eggs on several occasions, probably destroying a couple dozen.

The police work closely with conservation authorities on such matters and, cruel as it may sound, the opossum ranks very low on the value list and high as a pest. Raccoons, for example, would be saved if possible and turned over to the area conservation officer.

Chief LaFond expressed regret that youngsters saw the animal shot. Sometimes corrective action also has damaging results, and this may be an example.

The letter-writer should be commended for his (or her) concern for animal life. But he should also understand that in the performance of their duty police have unpleasant assignments that must be carried out under some general rule.

Shooting one animal to preserve and protect others was the assignment on this particular day.

Teacher Negotiators Not Dragging Feet

Dear Editor:

I have no desire to analyze the content of the "Northville Record" or the reporting procedures of your staff, but there is one item which I feel needs some clarification. In the May 5, 1966 issue there appeared the following: "Assistant Superintendent Ray Spear ... criticized the teacher negotiation team for its reluctance to meet more frequently ... He said that meetings are held one night a week and that teachers do not want to give more time unless it is during teaching hours." Basically this is true.

Lest anyone feel that the teacher negotiation team is dragging its feet, one might consider that the team alone has been meeting at least twice each week since mid-September and that the meetings approximate three hours each; that research and study carried out by individuals prior to the meetings require at least as much time as the meetings themselves; that the teachers have no secretarial help to process the negotiation materials; that the teachers are assigned to teaching duties throughout the day and cannot reshuffle work according to

priorities; that until March 8 the teachers could not even use typewriters at the school for any typing related to negotiations nor could the teachers meet in school buildings after school to discuss negotiations; that the teachers must plan and prepare for their students (in my particular assignment this is providing an art program for approximately 1100 children) and simply do not have much additional time to "give."

I recently had a disagreement with the other members of our team as they were considering meetings at 4:00 a.m. so that we could get to issues which we have been unable to fully digest in the more available times, the most recent which was from 7:00 p.m. until midnight on Friday.

Sincerely,
William G. Case

President Views A-Site

President Lyndon B. Johnson and U. S. Senator John O. Pastore, Vice Chairman of the Joint Committee on Atomic Energy, last week had a brief aerial look at Michigan's proposed site for the Atomic Energy Commission's proposed atomic particle accelerator laboratory, U. S. Representative Weston E. Vivian revealed.

As Air Force One, the Presidential plane, lifted off from Detroit Metropolitan Airport, Congressman Vivian pointed out to the President and the Senator the location of the Northfield Township site, praised the site's scientific qualifications, and stressed Michigan's interest in having the accelerator locate here.

Vivian and other members of the Michigan Congressional delegation accompanied the President on the special flight from Washington to attend funeral services for the late Senator Patrick V. McNamara.
