Teachers 'Stand Up' Board--Boycott Annual Dinner

See Page 10B

The breakdown in teacher contract negotiations that has resulted in strikes or threatened strikes in several Wayne county school districts is rearing its head in Northville.

Although teams representing the board of education and the teachers are still at the table, both admitted this week that prospects of settlement before the close of the school year appear slim.

And to demonstrate its firmness, the executive committee of the Northville Teachers' Club announced Tuesday that the teachers would boycott an annual board-staff dinner scheduled to be held last night (Wednesday) at 6:30 at the high school cafeteria.

Donald Brown, out-going president of the teachers' organiza-

tion, referred to the action as a polite strike, "a device to emphasize that we mean business".

The new club president, William Case, released the following statement concerning the action: "The decision of the teachers to not participate in the meeting arranged by the Board of Education was based principally upon two items: 1--if the intent of the board was to illustrate their genuine concern for the welfare of the teachers, this concern could best be expressed at the bargaining table; 2--if the Board is truly concerned about teacher morale and related problems, an expression of such concern would have been evidenced at least four months ago when it was evident that there were serious problems."

Case said that a poll taken

Tuesday morning showed that 96 per cent of the teachers replying favored the boycott action suggested by the club's executive committee.

Following the boycott announcement Superintendent of Schools Alex Nelson stated that the dinner would be held as planned. He sent the following memorandum to all school employees:

"As previously announced the Northville Board of Education has arranged for a dinner at 6:30 p.m. on 8 June, 1966 in the high school cafeteria for all school employees.

"This affords us an opportunity to get together informally and review our year's activities.

"The Board of Education wishes to keep faith with all employees who have made arrange-

ments to attend this dinner and look forward to meeting with you at this annual occasion."

Assistant Superintendent Ray Spear said that some 150 school employees, including teachers, office personnel, bus drivers, etc., had been invited. He reported that 104 reservations had been made by Monday, previous to the boycott action.

Teacher contract negotiations began in Northville last September. At that time both sides agreed to conduct closed meetings. Monday teacher and administration representatives met with the press for the first time.

While several fringe area benefits remain to be settled, it was revealed that the major breach involves salaries. Specific salary offers and requests were not announced, but it was admitted

that there is a spread of more than \$100,000 between the latest offer and the current demands.

The present Northville teacher pay schedule is as follows: BA degree -- \$5100 to \$7100 in 10 years; MA degree -- \$5400 to \$8500 in 11 years; and three super maximum levels going up to \$10,000 for 25 years. Annual pay increases range from \$200 to \$500.

In lieu of salary increases last year the board of education approved full medical and hospital insurance under the Blue Cross-Blue Shield plan for all school employees and their immediate families.

Spear said the present teacher salary levels are definitely in the low range for area districts. But he maintains that the proposed schedule exceeds many

other districts and would put Northville well into the upper half.

"We've gone as far as we can within the framework of the budget we have to work with", Spear emphasized. The assistant superintendent, who has served as the board's chief negotiator since February emphasized that the proposal was based on passage of the 17-mill request that goes to the voters Monday.

Case and Brown see the offer differently. "The offer would still leave us far behind last year's leaders", Case stated. He said these districts would go even higher this year.

The teacher team also criticized the board and administration for not consulting the teachers before determining how much to allocate within the budget to

cover teacher salaries.

The board's latest offer was slated to be presented at a negotiating session Tuesday night. In quick review of the offer Monday Case proclaimed it unsatisfactory... "the same offer as the previous one", said Case.

With the end of the school year less than a week away the question remaining to be answered is: "What happens if agreements are not signed?"

It's possible that negotiations will be carried on into the summer. Or talks could terminate until fall. At present none of the 104 Northville teachers have signed contracts. New teachers have been signed under existing salary schedules with promises that raises will be granted.

The Teachers' Club has polled its members for guidance on

how to proceed. They were asked to check one of the following: --day of protest prior to June 15; --sanctions placed on school district; --withhold services from now until ratification of contract; --withhold services in the fall if we have no master contract; --accept any offer presented by the District; --seek legal means to achieve our ends (labor mediation board, other).

Results of the poll were not revealed.

Meanwhile, the board of education has another problem closely related to the teacher salary negotiations.

It's Monday's millage election. The 17-mill package would still leave the board short of money to meet teacher salary demands.

But what if it should fail?

Killed in Viet Nam

Reunion Falls One Week Short

Tears of joy turned to sorrow for a young Novi mother this past week as she learned of the death of her husband in Viet Nam -- just seven days before his scheduled arrival home.

Killed in combat Wednesday,

June 1 was 23-year-old Corporal Joseph Schuster. His wife, the former Cathy A. Bentley, a daughter of Mr. and Mrs. Claude Bentley, 41011 South McMahon, and a 1965 Northville high school graduate, left immediately for California to await the arrival of her husband's body.

Corporal Schuster, who had never seen his five-month-old baby daughter, Kimberley Lyn, was wounded by a poison lance only a few weeks prior to his death. He was returned to combat following his quick recovery and killed in action.

Assigned to a special forces reconnaissance group, he had been in Viet Nam for one year. He joined the Marines two years ago.

Millage Faces Second Test

Police Hit Glue Sniffing

Glue-sniffing has become a problem in Northville. At least Police Chief David LaFond is concerned enough about the practice that he appealed to City Attorney Phillip Ogilvie to draft an ordinance prohibiting the practice.

An ordinance received first approval by the council Monday night and comes up for public hearing June 20 (see page 8A). It prohibits sale of model glue

to anyone under 21 years of age and sets forth penalties for persons caught inhaling glue. Chief LaFond has reported several instances of "glue-sniffing" by youngsters. Councilman Fred

Kester, a merchant, noted that attempts to purchase quantities of glue by youths has increased. "We've had carloads from Detroit", he commented. Merchants have cooperated in restricting sales to youths, he noted.

In other business Monday night the council approved an assessment role for installation of a sidewalk on the west side of Center street between South Ely and North Ely drives. The walk is being installed for the safety of school youngsters who now walk in the street.

A request for city water service to a lot in Bloomcrest subdivision in the township was denied by the council. It was pointed out that an existing line to the area is inadequate and that to add another user would further reduce pressure to homes now on the line.

Mayor A. M. Allen explained that the line was outside the city, and had been hooked to the city's system many years ago. He said improvement of the line would require action by the residents and township, and noted that it was possible to expand service to that portion of the township through joint city-township agreement.

3 Board Seats Also on Ballot

Northville school district voters will find a heavy ballot when they go to the polls Monday. Included will be:

--two proposals for local operating millage, one to renew 10 mills that expired this year, and another for an additional seven mills to meet increased operating expenses;

--a field of 12 candidates for three seats on the board of education including seven candidates running for two four-year terms and five candidates for a single year term;

--a Schoolcraft college proposal for 77/100 of one mill to be used for both operating and building fund expenses.

Monday's election marks the second attempt in five weeks to pass an operating millage request.

On May 9 voters turned down a bid for 18 mills by a vote of 768-650. The request would have replaced 10 mills that had previously been voted for 10 years but has now expired.

In a meeting at which the board of education sought reasons from the public on why the millage failed, it was decided that the second proposal should be split to indicate that 10 mills are not additional, but replacement of a levy that has been in existence for 10 years.

The board also reduced the additional millage request from eight to seven mills when it was learned that the school district's valuation had been sufficiently increased to produce the same amount of revenue from a seven mill levy as previously estimated at eight mills.

Candidates for the school board will be competing for three vacancies created by the retirement of Robert Shafer, William Crump and E. O. Weber.

Shafer and Crump are completing 10 and eight years, respectively, on the board, while Weber had filled out the third year of a four-year term of the late Edward Angove.

There are no incumbents in the school board race. The seven candidates seeking the two four-year seats are David M. Biery, Robert Froelich, Robert Horner, Stanley Johnston, Richard Martin, Andrew Orphan and B. William Secord.

Running for the one-year term are Donald Bauerle, Francis P. Gazlay, Richard Lyon, Frank Pauli and Gerald J. Stopper.

All registered voters in the school district, regardless of whether they are property owners, may vote in Monday's election.

The polls are located in the lobby of the junior high boys' gymnasium (community building) and will be open from 7 a.m. until 8 p.m.

The millage is being sought for a period of five years. If approved, it will bring Northville's total school millage to 32.9 of which seven is for debt service (building construction) and 25.9 for operating expenses.

Schoolcraft college currently levies one mill and would increase to one and 77/100 with the passage of the request.

School Year Draws to Close

High school graduation activities move into the final week Sunday with the baccalaureate slated Sunday and commencement exercises next week Thursday.

Meanwhile, Northville's two parochial schools, Our Lady of Victory Catholic and St. Paul's Lutheran concluded eighth grade graduation exercises this week.

Classes at OLV close today (Thursday) at 2:30 p.m., and St. Paul's classes will close Tuesday with a church service and a school picnic.

Classes end next week Wednesday at all Northville public schools. Senior exams are slated today and tomorrow, with baccalaureate practice scheduled for tomorrow afternoon. Regular high school classes end Monday, with exams Tuesday and Wednesday.

The baccalaureate service will be held in the high school gymnasium at 8 p.m., with the Rev. Lloyd G. Brasure, pastor of the First Presbyterian church, delivering the main address.

The Rev. S. D. Kinde, pastor of the First Methodist Church, will give the invocation and the Rev. John T. Wittstock, pastor of Our Lady of Victory Catholic Church, will bestow the benediction.

The traditional "Pomp and Circumstance" march will be played by pianists Rebecca Kuick and Robin White. The choir will sing "Climb Every Mountain" and

"The Battle Hymn of the Republic".

Dr. Hugh E. Sarles, director of admissions at Wayne State university, will deliver the commencement address. Topic of his talk will be "Put 'Kick' into Your Life".

Forty eighth-grade students were given diplomas at graduation ceremonies in the OLV parish hall Tuesday evening. Graduates were feted at breakfast Tuesday morning and awards were made in the evening.

Eight students were given eighth grade diplomas at St. Paul's Tuesday evening. The valedictory address was given by Dorothy Shipley. Kathryn Thate was the salutatorian.

Roseann Rodenbeck delivered St. Paul's class history and Lynne Rathert explained the class motto, "Increase Our Faith".

Downs, Horsemen Agree

Northville Downs and the Horseman's association reached agreement this week leaving just one hurdle for Executive Manager John Carlo to clear before assuring running of the 35-night summer harness meet scheduled to begin June 27.

Carlo and the Horsemen agreed upon a straight 40 per cent share for purses. At Wolverine the agreement had been tied to total

mutual handle with the percentage ranging from 39 to 43 per cent. On this basis Wolverine is paying 42 per cent.

A contract still remains to be signed with the mutual clerks, but Carlo said this week he is optimistic that settlement can be reached in meetings next week.

Northville lost its 25-night spring meet due to strikes by the horsemen and clerks.

Tuesday's Last Day For Township Filing

A wave of petitions continues to circulate in Northville township this week as the deadline for filing for township office approaches.

Although Clerk Marguerite Young reports 18 to 20 petitions taken out, few have been filed. The deadline is Tuesday at 4 p.m. Definite announcements of intention have been made by Supervisor R. D. Merriman and Treasurer Alex Lawrence. They'll seek re-election. Clerk Young has stated she will not run.

Mrs. Crispin Hammond has declared herself a candidate for the clerk's post on the Republican ticket. Bernard Baldwin and Gunnar Stromberg will run for trustee as Republicans. Joseph Fiorilli has declared he'll run for supervisor on the Democratic ticket.

Trustee Wilson Tyler is undecided, both as to office to seek and whether or not to run.

A rash of petitions, both Republican and Democratic, are expected before Tuesday's deadline.

Every office on the township board with the exception of the seat held by Trustee James Telam is up for election. In addition, two new trustee posts will be added bringing the board size to seven members.

Clerk Young announced several changes governing procedures for the August primary.

She noted that the number of signatures required for petitions has been changed. It now calls for between one and four per cent of all the votes cast for secretary of state in the last election by the candidate's party. In the case of the Republican party in the township the signature requirement would be from five to 18, while Democrats would need from five to 10.

She also noted that the supervisor, clerk and treasurer will be elected for two-year terms, not four as previously indicated. Trustees will continue to be elected for four-year terms, however.

Finally, each party must elect three committeemen. They are given the responsibility of nominating a replacement for one of their party's nominees should he be unable to run in the November election after being nominated in August.

Meet Your Candidates

How well do you know your candidates for the Northville board of education?

There are two ways to become better acquainted with the 12 candidates for three board seats in Monday's election.

First you can read their biographies and statements on page 6B of this edition. Secondly, you can attend the "Meet the Candidates" session at the junior high school boys' gymnasium (community building) tonight

(Thursday) at eight o'clock. The opportunity to meet and question the candidates face-to-face has been arranged by the community PTA organizations. Clyde Vadner will act as moderator.

Mellen-Takas Nuptials Solemnized Here

Sarah Ann Mellen, daughter of Mr. and Mrs. George B. Mellen, 205 East Baseline, became the bride of Richard G. Takas in a candlelight ceremony May 14 at the First Presbyterian Church of Northville.

The bridegroom is the son of Mr. and Mrs. George Takas, 23770 Meadowbrook road.

Performing the wedding ceremony was the Rev. Lloyd Brasure, pastor of the church. Organist was Mrs. William Williams.

Given in marriage by her father, the bride chose a white lace, long sleeved, street length gown with a bateau neckline and a shoulder length veil. Her bridal bouquet was made up of white carnations and rose buds with stephanotis.

Miss Mary Courtney, the maid of honor, wore a rose crepe sheath gown with floating panel empire waist outlined with burgundy ribbon. She carried rose and burgundy carnations.

The bridesmaid, Miss Ann Rodgers, wore the same kind of dress as the maid of honor and she carried the same flowers.

Douglas Whiteford was Mr. Takas' best man, and Jeff Schoof served as usher.

A blue three piece dress with matching lace shell and matching accessories made up the ensemble of the bride's mother. The bridegroom's mother wore a blue crepe dress with matching accessories. Both wore an orchid corsage.

Following the wedding, a reception was held at the bride's home. Later, approximately 80 guests were entertained at a buffet supper at Saratoga Farms, Guests

came from Detroit, Windsor, Farmington, Ypsilanti, Ann Arbor, Trenton and West St. Paul, Minnesota.

For her going away outfit, the new Mrs. Takas chose a navy blue sheath dress with matching coat, and black patent leather accessories.

The couple honeymooned in Western Michigan.

A 1961 graduate of Northville high school, the bride also attended the John Robert Powers modeling school. She is employed by the Bert L. Smokler company.

The bridegroom is a 1959 graduate of Northville high school, and he attended Lawrence Institute of Technology and Cleary college. He is a partner in Metro Ceramic Tile company of Novi.

about WOMEN Sally Plamondon Wed Saturday

Sally Anne Plamondon of Northville became the bride of Gary W. Green of Burlington, Vermont in a ceremony Saturday at Our Lady of Victory Catholic church.

She is the daughter of Mrs. Beatrice Plamondon, 973 Allen Drive. The bridegroom's parents are Dr. and Mrs. Douglas F. Green of Burlington.

The Reverend Fr. John Wittstock, pastor of Our Lady of Victory, performed the wedding ceremony at noon.

Music was provided by Karen and Anita Wetterstrom.

Given in marriage by Clifford "Butch" LeFevre, the bride wore a floor length empire gown of airy silk organza flowered with aloe-noon lace. It featured a detachable spreading train.

Her flowers were white roses and carnations with cascading ivy. Bonnie Jendrisak, maid of honor, wore a shocking pink floor length sheath gown. Her flowers included nosegays of pink roses and carnations, and lillies of the valley.

Bridesmaids were Joan Nolan, Mary Ann O'Neill, Dorothy Marinelli, and Julie Green. All wore shocking pink empire, floor-length gowns.

The bridegroom chose Gary Patenaude as his best man. Ushers included Douglas Green, Roy Paris, Jim Laub, Tom Phillips and Del Schroeder.

For her daughter's wedding, Mrs. Plamondon wore a cinnamon lace sheath dress with matching accessories. The bridegroom's mother wore an aqua sheath dress with matching accessories.

Following the wedding a reception for approximately 150 guests was held at the Livonia Knights Inn.

The new Mrs. Green chose a blue linen three-piece suit for her going away outfit.

Following the wedding and reception, the couple left on a trip through the New England States. Upon returning they will live in Springfield, Massachusetts.

The bride attended Ladywood high school, and graduated this past week from the Madonna college of nursing. She was among the seven pioneer students in the nursing program inaugurated in 1962.

Mr. Green was graduated from the University of Vermont where he was a member of the Phi Delta Theta Fraternity.

Engaged

Mrs. O. H. Lamp of 49300 West Nine Mile road has announced the engagement of her daughter, Mary L. Lamp, to William E. Frost of 19190 Smock road. He is the son of Mr. and Mrs. Robert Frost. Miss Lamp and Mr. Frost are both graduates of Northville high school and Eastern Michigan university, where he was affiliated with Delta Sigma Phi Fraternity.

She is employed as a teacher at Fuhrmann junior high school in Warren, and he is employed by Leading Hydration of Livonia.

An August 13 wedding is planned.

Plan Tour Of Gardens

Clear blue and sunny skies have been ordered by Northville Garden clubbers as they prepare for a tour of local gardens Monday morning.

The tour for club members and their guests will be held from 10:30 a.m. to 12:30 p.m.

Gardens of eight Northville families will be visited. They include:

Mr. and Mrs. George Schuder, 45926 Pickford drive; Mr. and Mrs. George Kohs, 473 West Cady street; Mr. and Mrs. Donald Ware, 229 Hutton street; Mr. and Mrs. Noble Dahlager, 839 Grace street; Mr. and Mrs. George Weiss, 925 Grace street; Mr. and Mrs. James Kipfer, 914 Ely court; Mr. and Mrs. Merton Brevik, 920 Ely court; and Mr. and Mrs. Dennis Schwartze, 48220 Rushwood drive.

According to Mrs. Ware, program chairman, the tour has been planned so that the clubbers and their guests may visit all of the gardens or just a few of them.

The tour will conclude at the home of Mrs. Schwartze at 1 p.m., where the women will have tea and compare garden notes.

A brief business meeting will climax the program.

Mrs. Ware urged members and their guests to carry a pencil and paper so that they may jot down new ideas. "And," she added, "please wear comfortable shoes for your feet as well as the lawns."

TRAVEL PLANS

101 E. Main Northville FI-9-1807

In Our Town

By Jean Day

EUROPE, too, is lovelier the second time around. It's also very alive, very busy. Even early in May confirmed hotel reservations were treasures and legions of touring buses were bringing tourists to the gold-lit Grand Place in Brussels on newly widened streets - and carrying them to Roman antiquities on the new Italian autostrada with American-style plazas.

Skylines are changing as new luxury hotels like the Paris Hilton rise next to the Eiffel Tower. Cab drivers call the Paris Hilton the "American Hotel." Reputed to be the first large new hotel in Paris in 20 years, the Paris Hilton had been open less than two weeks when the Detroit Press club group checked in. Like the rest of Paris it was gleaming, elegant and expensive.

Very Old World, though, were the Caves de la Tour Eiffel where the French government tourist bureau wined us and displayed Parisian art works amidst quantities of aging wine casks. But, for me, the real joy of Paris was just being there. It is a perfectly beautiful city and a sightseeing cruise on the River Seine was a panorama of newly-clean buildings, monuments and fountains that are Parisian "diamonds" illuminated by sunlight or floodlights at night. Perhaps because they encounter so many tourists, the people of Paris are known to be blasé about visitors, but they are very proud of their beautiful city and are willing to be without water pressure after dark so that the many fountains can assume dazzling proportions.

Because I was with Corrine Smith of The Detroit News, who is a Paris veteran, I was able with her French language ability to buy a summer suit in a small couture near Montmartre. Incidentally, for those Europe-bound, Paris' does give discounts on traveler checks as merchants receive credit from the government for them.

ON A PRESS TOUR, getting there (and back) really is part of the fun. Sonny Eliot and his attractive wife bubbled with good humor - and THEIR London sightseeing included the zoo. The News' Doc Green didn't make it back from VietNam in time to cross with the group, but his wife did. They met in Europe and returned with two puppies!

After Paris the Press group went individual ways before reconvening in London. My trip included eight sunlit days in Italy - where I once again came under the amber-and-amethyst spell of Venice and San Marco square where there is music by night - and discovered the straw market of Florence as well as her art treasures - and was rewarded for a wait in St. Peter's square with thousands of others as the Pope did appear in the second window from the right to give the customary Sunday morning blessing. In English, French and Italian he prayed for peace in VietNam.

THE JOHN WALKER family was in Holland to view the tulips when I was in Brussels. A few days earlier, however, their Northville neighbors, the Arthur Hemptes, and Paul Hughes, who was in Antwerp on business, did have a reunion. Mrs. Hemptes reports the Walkers are comfortably settled in a large, new Brussels apartment building and are adopting as many European customs as possible during their 11-month stay.

From London I talked by phone with the George Murany in Lisburn, North Ireland. They think they may be back in Northville by Christmas but, before then, hope to see Italy again as they, too, have come under the spell of its Romanesque bell towers, spired cathedrals and statuary (two thousand statues in and on the Milan cathedral alone.)

Dancers to Star In Benefit Here

"Dans-Arama '66," a benefit show for the area Community Opportunity Center, will be presented at 7:30 p.m. Saturday, June 18, by students of the Plymouth School of Dance in Northville high school auditorium.

Special numbers are planned for the program, which is the school's annual recital, as proceeds will benefit the center, a sheltered workshop for retarded adults.

On the program are Variation from Les Sylphides by Nan LaPointe; Divertissement from Raymond by Beverly Bettaso;

Marinka by Michele Harrison; and Cygnets, an excerpt from Swan Lake, with Diane Beach, Beverly Bettaso and Nan LaPointe. An international note will be added with an Israeli line dance, the Mayim. It is a celebration dance for the finding of water in the desert and will be performed by Girl Scout Troop No. 411 under the direction of Mrs. Ann Fowler.

Co-chairmen for the recital are Mrs. Betty Sincok and Mrs. Shirley Harrison. Mrs. Thelma Ferguson, 349-3593, is in charge of Northville ticket information.

Name Nine Recipients

Town Hall Splits Proceeds

Nine area organizations are recipients of \$925 awarded last week by the Northville Town Hall board of awards.

As in previous years, Our Ladies League of Our Lady of Victory church, sponsor of Northville Town Hall series, divides the proceeds with 50 percent going to league programs and 50 percent to outside area organizations who make application.

This year's recipients are Children's Neurological Development program, Farmington, \$105-camp for three children; Livonia Health Clinic (including former well baby clinic), \$170; Northville Historical Society, \$50; Plymouth Symphony, \$50; King's Daughters, Northville Mizpah chapter, \$100 for general welfare work.

Others are St. John's League, Plymouth, \$100 for orthopedic shoes and braces for Plymouth State Home and Training school; Plymouth Woman's Club, \$100 for Girls' Town at Belleville; Community Opportunity Center (Plymouth), \$150, toward purchase of a requested saw; Northwestern Child Guidance Clinic, \$100 for furnishings.

Mrs. Eugene Kampmann, Our Ladies League president, announces that its share of the Town

Hall proceeds will be used by the league in maintaining its scholarship program for high school students and in its donations to

charitable causes and institutions, such as the Our Lady of Providence school for retarded girls on Beck road.

TOWN HALL CHECK—A check for \$925 is presented to Mrs. Eugene A. Kampmann, (left) president of Our Lady's League, by Mrs. Robert F. Brueck, chairman of Northville Town Hall. The check represents the League's share of Town Hall proceeds from the past series.

Sorry, It's Too Late

Northville Town Hall is completely sold out for the 1966-67 season. Mrs. Robert Brueck, Town Hall chairman, and Mrs. H. F. Wagenschutz, ticket chairman, announced this week that all of the nearly 600 season tickets available have been sold.

This marks the second year in a row that Northville

Town Hall has sold out—with this year's sale concluding even earlier than the 1965-66 campaign.

The Town Hall committee reports also that there are 200 first-time ticket holders among the subscribers for the new season, which will open October 20 with the appearance of Karl Haas, WJR director of fine arts.

TOPS Conclave Attracts 3,000

Mrs. Victor Lonn, president of the Northville Eater Beaters TOPS club, and Mrs. George Gardner of Wixom were among the 3,000 delegates to the TOPS club national convention in Toronto.

Mrs. Gardner was a former queen of the Eater Beaters, losing 50 pounds in one year. They were present for the crowning of the convention queen, Mrs. Lorraine Ulrich of California, who had lost 158 of her original 485 pounds. The delegates report TOPS now has more than 130,000 members who last year lost more than 677 tons.

News Around Northville

Mr. and Mrs. C. Oscar Hammond and Mr. and Mrs. Aubrey Gates returned home after spending a two weeks vacation in the Ozarks, Missouri and Nebraska. They visited many interesting spots in Missouri and spent four days at Petersburg, Nebraska, visiting Mrs. Hammond's neices and nephews, children of the late Paul Foss formerly of Northville.

Twenty-two piano pupils of Mrs. Claire Williams were presented in a recital last week at Northville Presbyterian church. They included Judy and Margaret Morse, Kim and Jeff Davis,

Gregory and Mrs. Mary Freydl, Carol Weber, Roberta Day, Mary Hanley, Mike Bogart, Sheryl Schwendemann, Mary Stephens, Cathy Mapes, Nancy Weldner, Ruth Kester, Lesilanne Brasure, Sarah Horner, Prudence Hart, Mary Lou Langtry, Judy Bogart, Sue Pfluecke and Janet Ogilvie.

Northville high school also is without a band director this week as Robert G. Williams, 46040 West Nine Mile road, is in St. Mary hospital with a spinal injury. Mrs. Williams says he is expected home today and that x-rays showed no serious damage.

Mrs. Alexander Nelson and other administrative officials to be guests.

Driver awards and letters of appreciation will be presented.

Leslie G. Lee, Northville high school music director for 36 years, has returned to his home at 607 Fairbrook after a session in Annapolis hospital, Wayne. He is retiring from the Northville school system. His daughter reports that visitors "in small doses" will be welcome.

Birth

Mr. and Mrs. Dale Jones of 753 Grace announce the birth of a boy, Kevin Scott. He was born May 2 at St. Mary Hospital, weighing six pounds three ounces. Kevin has a brother Jeffrey 6 and a sister Kathy 3 at home.

895 Students Took Night Courses At Schoolcraft College

During the past year Schoolcraft College enrolled 895 students in its evening program during the first semester and 745 the second semester, officials announced.

A large number of these were adults who were employed during the day. Some were students taking part of their work in the day and part during the evening. Par-

ticularly popular were courses in accounting, business, secretarial studies, science, mathematics, English, speech, history, government, and the technical area.

Many housewives enrolled with the idea of completing two years at Schoolcraft and finishing their degrees at some nearby senior college. Others came for upgrad-

ing on the job. Some came to learn special skills. There were a number of evenings in which there was not a vacant room in the college from 7:00 until 10:00 at night.

There were, for example, during the first semester, 23 night

classes of English, with approximately 400 students enrolled in English composition, advanced composition, children's literature, English prose and poetry, and American literature.

Courses in all types of secretarial work drew substantial num-

bers as did technical, architectural, and engineering drawing. Twelve different collegiate courses in mathematics were offered.

Evening college students showed interest in government, philosophy, sociology, and speech. The art studios were

used almost to capacity, as were the facilities available for electronics, basic machine shop, metallurgy, and welding.

The college evening choir had an enrollment of 60, under the direction of Wayne Dunlap, with many adults from the entire area

enrolling. The science labs in geology, biology, chemistry, and physics were utilized almost to capacity.

With an increasing number of applications for enrollment for the evening program, those interested in attending Schoolcraft

are urged to make application as soon as possible. The day and evening programs are similar in their offerings. Those interested may arrange for day or evening counseling interviews by calling the office of student affairs, 591-6400.

Fullerton Moving-South Lyon to Novi

Fullerton Manufacturing of South Lyon is expanding - to Novi for an indefinite but probably temporary period of time, it was announced this week by owner A. B. Edwards.

Secondary operations of the automatic screw machine job shop will be transferred to a portion of an existing building in Novi beginning today, Thursday, June 9, with completion expected next week, he said.

Emphasizing that the move in no way reflects a disenchantment with South Lyon, he said the major factor dictating relocation was the time element. "We have new contracts requiring more bulk storage room and little time to get it into production," he stated. "We're going to use a new addition on the rear of the Novi Tool and Manufacturing Company, 25806 Novi road."

Some 3,000 square feet of floor space is available there. About 14,100 square feet are in use at the South Lyon Mill street plant.

Edwards said that within a year 10-15 new skilled employees will be hired at the South Lyon primary operation, thus replacing those transferring with secondary equipment to Novi. General offices will remain at South Lyon. Plant Manager Jay Shirey and assistant manager Duane Edwards, son of the owner, will continue overseeing both plants.

"There's absolutely nothing against this area, because they've been awful good to us in South Lyon," volunteered Edwards.

His operation transferred to

South Lyon in 1946 when the urgings of St. Clair Hamlin and Rex Kinne roused efforts of the Kiwanis club and merchant donations to provide free land. That "beginning" was with 16 employees in 7,200 square feet of space. The company was started by Edwards in February, 1943 at the corner of Fullerton and Livonia streets. Edwards and Livonia did not seem to fit the idea of a company name, so it became Fullerton Manufacturing.

He and his wife worked it alone the first three months in a 20 x 50 foot building. Then they moved to a 40 x 60 footer on Wyoming, and then to South Lyon.

A return to one roof in the South Lyon area is contemplated for the firm which manufactures small machine parts for auto, appliance, aircraft, space, and other defense uses.

Revival Next Week

Beginning June 12 and continuing through June 19 every evening at 7:30 there will be old time revival meetings at the Calvary Baptist church in Whitmore Lake 279 Dartmoor drive.

The Rev. Fred Hubbs, executive secretary of the Baptist State Convention, will be the speaker. "The public is invited. Come, bring your friends," invites Pastor W. S. Nicholas.

Two Salettes Blank Opponents

Two teams picked up the maximum three points each last week on the links at Salem Hills to take the lead in the Ladies Golf league.

Roz Krawoski and Mary LaVassaur blanked Ruth Wingard and June Todd to stay out front with a nine point total and Pat Gates and Lorrie Griswold copped three from Dutchie Wagner and Marilyn Weinburger to slip into second.

In this early season shifting, which league secretary Margaret Williams says will continue until everyone plays enough games to establish realistic handicaps, there is little point spread between the top and bottom. Six teams hold four points at the present time, for instance. First and second place are separated by only one point and second, third and fourth by barely a half a point.

Ila Griswold and Betty Westfall hold the third place slot going into Tuesday's match with 7 1/2 points. They were second last week with 5 1/2 points.

Winner of the mystery game prize last week was Joanne Johns, who lost five balls in the nine hole course.

Here's the standings thus far: (Read team, points, players, average, handicap.)

ADVERTISEMENT FOR WATER LINE CONNECTION AND METER PIT FOR THE CITY OF NORTHVILLE

NORTH CENTER ST. & BASELINE TO PUMP HOUSE

Sealed proposals will be received by the City of Northville, Michigan up to 8:00 p.m., Eastern Standard Time, on Monday, June 13, 1966, and promptly thereafter, the proposals will be publicly opened and read aloud. The proposals will be reviewed by the City Engineer and the award of the contract will be made by the City Council at the earliest time possible.

The work to be performed consists of furnishing and installing approximately the following quantities: 1500 l. f. of 12" cast iron pipe, Class 25, with Tyton type joint, and with enamel lining, and the construction of a meter pit with all needed fittings, valves and other appurtenances.

No bidder may withdraw his bid within 30 days after the date set for the opening thereof. Proposals shall be submitted on forms furnished by the owner.

Each proposal must be accompanied by a certified check, money order or bid bond by a recognized Surety Company in the amount of at least 5% of the amount of the total bid. Payable to the City of Northville, Mich., upon failure of the accepted bidder to enter into a contract with the City of Northville within 15 days after the award of the contract to the accepted bidder.

The successful bidder will be required to furnish 100% Performance and 100% Labor and Material Bonds. The Contract Documents, Plans and Specifications will be on file and open to public inspection at the office of the City Clerk, 215 W. Main St., Northville, Michigan.
A deposit in the amount of \$10.00 is required for each set of Plans and Specifications in good condition within 10 days after the opening of bids.
The right is reserved by the City of Northville to accept the lowest qualified bid, to reject any or all bids, or to waive informalities in bidding in the best interest of the city.

CITY OF NORTHVILLE PUBLIC HEARING AMENDMENT TO CODE OF ORDINANCES MONDAY, JUNE 20, 1966 8:00 P.M. CITY HALL

AN ORDINANCE TO BE KNOWN AS THE "MODEL GLUE" ORDINANCE, TO PROHIBIT CERTAIN SALE AND POSSESSION THEREOF, TO PROHIBIT INTERNAL CONSUMPTION, TO PROVIDE FOR PENALTIES FOR VIOLATION OF SAID ORDINANCE.

Section I DEFINITIONS
As used in this Ordinance, the term "model glue" shall mean any glue, adhesive cement, mucilage, dope, plastic solvent or other adhesive of the type commonly used in the construction of model airplanes, automobiles, boats and other unassembled model kits, containing toluene, acetone, xylene, butyl alcohol, hexane, tricresyl phosphate or other toxic ingredient.

Section II
No person under the age of twenty-one (21) shall possess or buy any model glue and no person, firm, company or corporation shall sell or transfer possession of any model glue to another person under twenty-one (21) years of age except:
a. A person may sell or transfer possession of model glue to a person under twenty-one years of age for model building or other lawful use where such juvenile has in his possession and exhibits the written consent of his parent or guardian.
b. A person may sell or transfer possession to a person under the age of twenty-one (21) years, not more than one (1) assembly kit which contains not more than (1) container of model glue not to exceed one (1) fluid ounce, as a necessary part of model assembly.

Section III
A person making a sale or transfer of possession of model glue to a person under twenty-one (21) years of age who exhibits the written consent of his parent or guardian shall record the name, address, sex and age of the juvenile and the name and address of the consenting parent or guardian. All data required by this section shall be kept in a permanent type register available for inspection by the police department for a period of at least one year.

Section IV
No person shall inhale, drink, eat or otherwise introduce into his respiratory or circulatory system any compound, liquid, chemical or any substance known as glue, adhesive cement, mucilage, dope, plastic solvent or any other material or substance or combination thereof with the intent of becoming intoxicated, elated, dazed, paralyzed, irrational or in any manner changing, distorting or disturbing the eyesight, thinking process, judgment, balances or coordination of such person. For the purpose of this section, any such condition so induced shall be deemed to be an intoxicated condition.

Section V
The provisions of this Ordinance shall not pertain to any person who inhales, drinks, eats or otherwise introduces into his circulatory or respiratory system such material or substance pursuant to the direction or prescription of any doctor, dentist or other person authorized to so direct or prescribe.

Section VI
No person shall, for the purpose of violating or aiding another to violate any provision of this Ordinance, intentionally possess, buy, sell, transfer possession or receive possession of any model glue. It shall also be unlawful for any person to assist, aid, abet or encourage any minor to violate any provisions of this Ordinance.

Section VII PENALTY
Any violation of the above provisions of this Ordinance shall be punishable by a fine not to exceed \$100.00 or by imprisonment in the Detroit House of Correction for a period not to exceed 90 days or both, in the discretion of the Court.

Section I SEVERABILITY
Should any portion of this Ordinance be held invalid for any reason such holding shall not be construed as affecting the validity of any of the remaining portion of this ordinance.

Section I EFFECTIVE DATE
This Ordinance shall become effective upon publication as provided by law.

Southville Wins Tourney Finale Mustangs Slip, 5-1

The Pontiac Press Baseball tournament championship actually slipped through Northville's fingers last Friday night in Pontiac.

A determined and young Southfield ball club took advantage of five crucial errors to whip Northville in the finale, 5-1.

"We committed five charged errors," moaned Coach Bob Kucher, "but we made seven other mistakes that were errors but were not recorded. It was the worst game we have played all season," Kucher said.

That it was, as the miscues would have it, Southfield scored two runs in both the fifth and seventh innings; and in each, Northville booted the ball twice. Those four runs, coupled with the sole marker in the first inning, gave Southfield a 5-0 lead going into the bottom half of the seventh.

With the game already out of reach, and with Southfield's Tom Berkert in full control, Northville came up with its only marker of the game on Mike Turnbull's single, a stolen base, and Pat Hall's sharp single to center field.

Durable Steve Evans, who played an iron man's role in the tournament, was the victim of his

teammates' lack of support. Four of Southfield's runs were unearned.

The tall right hander bound for the University of Michigan, matched Southfield's Berkert on the mound, by striking out 11 and walking only three. Six of the eight hits he gave up were dubious, coming on mental errors and apparent errors, said Coach Kucher.

For his labors, however, there was reward, even though the Mustangs did not win the championship. Evans gained runner-up honors in the balloting for the Most Valuable Player. Southfield's Catcher Ted Simmons received that distinction by a single vote.

Evans worked all but one inning in Northville's four tournament games which extended over a week's time. He pitched 27 innings, averaged 12 strike outs per game and gave up only one run. He wound up the season with 12 wins and two losses.

The victory over Northville was one that Southfield relished, for it was Northville which up-ended Southfield in the finals, 1-0, in the first year the Pontiac Press Tournament was held in 1962. That was the local outfit that posted a 16-1 season mark

by winning undisputed the Wayne-Oakland Conference championship and the Pontiac tourney.

While this was Northville's second shot at the title in the final game, it was a normal occurrence for Southfield. Southfield has reached the finals in four of the five years the tourney has been held, winning it twice, last year and this.

In Northville's 3-2 semi-final triumph over Pontiac Central last week Wednesday, victory was marred by serious injury to Northville's Dennis Primeau. He suffered a clean fracture of his left leg.

Kucher described the accident: The sophomore who alternated on the mound and left field during the season, had reached first base with a walk in the third inning when the accident occurred.

Shortstop John Jameson hit a blooper behind the second baseman who sprinted out to catch the ball. Primeau raced half way to second base, then held up to see whether the ball would be caught.

The second baseman caught the ball, and rifled the throw to first. At the same time, Jameson collided with the first baseman, knocking both the first baseman and Jameson down as the ball flew by. The catcher, backing up the play, fielded the ball on the hop and apparently dove immediately to tag Primeau.

After tagging up at first, Primeau had advanced a few feet off the bag, then stopped when the umpire called Jameson out for interfering with the play. The catcher crashed into Primeau's legs from behind, breaking the leg.

Coach Kucher said that Primeau will not be able to compete in sports until the next baseball season. He is recuperating at home with a cast on his leg from his hip to his toe. Break occurred between the knee and the ankle, Kucher reported.

At the time Northville held a 1-0 edge, with Evans firing his fast ball to keep Pontiac Central on its heels.

Northville scored the winning runs in the next inning, the fourth, and Jerry Imsland was the key figure as he lined a single to left scoring runners from second and third to give Northville a 3-0 lead.

Pontiac scored its two runs in the fifth when a Mustang misjudged a fly ball.

But essentially it was Evans' game. He struck out 16 and walked five to quell Pontiac and gain the finals for Northville.

Jay Hawks Pad Lead In Novi Little League

Chalking up two more victories this past week, the Jay Hawks took a commanding lead in the Novi Little League race.

The Jay Hawks defeated Paragon 7-1 and Rexall 21-4 to boost their undefeated streak to five games.

Tom VanWagner was the winning hurler against Paragon, giving up just one hit, a double by Don Moody. Denny MacDermaid had a perfect night at the plate, collecting three hits. Five Jay Hawks hit doubles, including Jim VanWagner, Les Branch, Tom VanWagner, Robert Cavel and Joe LaFlech.

Robert Cavel also hurled a one-hitter in winning against Rexall. The lone hit, a triple, came off the bat of Eric Hanson. Meanwhile, the Jay Hawks jumped on the opposing pitchers, collecting 11 hits, including six for extra bases. David Ward, Rick Cavel, Robert Davison and Jim VanWagner came up with triples, and Tom VanWagner and John Pantacone rifled doubles.

Flynn edged Smith, 10-9, behind the 11-hit pitching of Tim Assemany. He gave up doubles to Robert Taucher and Mike McCaffery. Gary Colton led Fly with three hits in four trips to the plate. Jim Assemany and Ken Smith each collected a triple.

Novi Party Store defeated Rexall 17-7 as Mark Lytle gave up five hits for the winners. Rexall's Jerry Primeau came up with two hits in three turns at bat. Steve Bozak collected a triple and Joe Campbell and Bruce Simmons pounded out doubles.

In 10-Team Lineup Netters Cop 2nd

Northville wound up a highly successful tennis season last Friday by placing second in the Walled Lake Invitational tournament.

North Farmington, strong in the singles and doubles, outdistanced the 10 team field with a team total of 23 points, 14 more than second place Northville. Then came Pontiac Central with eight points and Walled Lake with seven.

Steve Quay in the singles and Randy Burnett and Ken Boerger in the doubles provided the points Northville needed to edge Central.

Playing in the number four bracket, Quay reached the finals by whipping two opponents, one from Clarkston, 6-1, 6-1, and another from Walled Lake, 6-4, 6-4, before losing out to North Farmington's Pete Alberts, 3-6, 6-8. Quay gained a bye in the first round.

Burnett and Boerger likewise bumped off two opponents before getting knocked off in the finals by a North Farmington duo, 6-4, 6-8, 2-6. Burnett-Boerger beat a Clarkston combo in the second round, 6-3, 9-7, and a BloomfieldHill team in the third, 2-6, 6-4, 6-3. They had a bye in the first round.

Northville's top singles player, Jim Long, was beaten in his second match by Bob Strang, of North Farmington, 5-7, 5-7, and Strang went on from there to win the singles championship in the

number one bracket. Norbert Parent got the heave hoe in the third round, 2-6, 8-6, 4-6, after winning two. Third singles man, Larry Thibos, was eliminated in the second round, 5-7, 3-6, after winning the first, 4-6, 6-3, 6-2.

Bill Hart and Bruce Durham, playing number one doubles, were also beaten in the second match, 5-7, 3-6, after winning, 4-6, 6-3, 6-2. Only team to get bumped in the first round was Dave Eberhart and George Kohs who lost, 2-6, 6-1, 4-6.

BETTER LATE—At last, Dr. L.W. Snow makes the presentation of a camera, projector and screen to Steve Juday as Dave Biery looks on. Due to Big Ten eligibility rules, Juday could not accept the award at the banquet that was held in his honor last January. Now that Steve's toward playing baseball for Michigan State University, he was able to accept the gifts, paid for by donations from the Northville Record, the City of Northville, the Rotary Club and the Chamber of Commerce and proceeds from banquet ticket sales.

ONE KILLED—The driver of this car, a young Howell man, was killed and two passengers were injured when the vehicle crashed through a guard rail and plunged into the Rouge River, near Five Mile and Northville road.

Driver Dies As Car Plunges into River

A 23-year-old Howell driver was killed and two passengers were injured when their car crashed through the guard rail, flipped over and plunged into the Rouge River, opposite Phoenix lake Wednesday night.

Dead on arrival at St. Mary Hospital was Kenneth P. Gibbons. Hospitalized and reported in serious condition with internal injuries is Anthony Nawrot, 25 of 19984 Hubbard, Livonia.

Another passenger, Marie Becktel, 17 of 659 West Ann Arbor Trail, Plymouth, was treated and released from the hospital.

The spectacular crash involving only the one car took place about 11 p.m. on Northville road. According to Deputy Sheriffs Robert Michalak and Jerry McKenzie, Gibbons was driving south at more than 70 miles per hour when he apparently lost control of his car on the curve.

The late model hardtop car crashed through the guardrail just south of the bridge, careened down the steep 20-foot river embankment and landed upside down in about two feet of water. The two passengers crawled from the demolished car, and the victim was pulled from the wreckage by the deputies.

By questioning the survivors, deputies learned that the two men had been drinking prior to the accident. The accident is still under investigation.

Fete Smart Saturday

State Representative Clifford H. Smart from the 60th legislative district will be honored at a dinner to be held Saturday evening, June 11, 1966 at 7:00 o'clock p.m. at the Camelot Inn, 1295 W. Maple road, Walled Lake.

Smart, a Republican, was elected to the State House of Representatives in 1964, and is presently seeking re-election to that office.

According to Charles E. Hutton, Campaign Manager, the evening promises to be both lively and entertaining, and he urges all Cliff Smart boosters to attend. Gene Schmelz of Walled Lake will be the master of ceremonies and Joseph L. Brady, president of Citizens Mutual Insurance Company of Howell, will be the after-dinner speaker.

And Military Grad Too

It's Cap 'n Gown Time for Collegians

Northville students are among the graduating seniors participating in college commencement exercises this month.

Julia Christine Gazley, daughter of Mr. and Mrs. Francis P. Gazlay, 221 South Rogers, received her bachelor of arts degree from Olivet college at commencement exercises for 82 graduates June 5. She also has her state teaching certificate and will teach next year in the Warren Woods school district.

Preceding commencement was a traditional baccalaureate service at Olivet Congregational church with the Reverend Nicholas Hood, Detroit councilman and pastor of the Plymouth congregational church, preaching the sermon.

Julie's brother, J. Christopher Gazlay, has just returned from Gambier, Ohio, where he finished his junior year at Kenyon college. A member of Phi Kappa Sigma fraternity, he is majoring in Spanish.

Robert C. Arends, son of Mr. and Mrs. Karl W. Arends of 37629 Rhonswood Drive, Northville, is one of 72 medical students who will receive doctor of medicine degrees Thursday, June 9, from the Wayne State University School of Medicine at the annual commencement exercises to be held in Detroit's Cobo Hall.

A 1958 graduate of Detroit's Redford High School, Arends and his wife, Andrea Jane, now live at 1455 South Sheldon, in Plymouth. He holds a bachelor of science degree from the University of Michigan.

Arends will serve his internship at Tripler General Hospital in Honolulu, Hawaii.

Ray J. Casterline II, son of Mr. and Mrs. Fred Casterline, was graduated from Howe Military School, Howe, Indiana, last Sunday. Chapel services and graduation exercises were held in All Saints chapel. They were preceded on Friday evening with the traditional junior-senior ring ceremony and on Saturday with competition drill and ROTC military tactics for the year, with company B the winners.

Mrs. Casterline had the honor of being escorted on the parade field by Major Earl Devanny to tie the two ribbons on the flag. The commencement ball followed Saturday evening.

In addition to his parents, attending the graduation were Roxanne Atchison, John Callaghan, Dr. A. A. Holcomb, Northville; Mrs. Anna Casterline, Plymouth; Mrs. Sophie Raner, Farwell; Mr. and Mrs. Dennis Penhaligan, Flint; Mr. and Mrs. Max Culbertson, Maumee, Ohio. A dinner at Wood Inn, Sturgis, followed the festivities. Ray plans to attend Ferris college this fall.

Ray J. Casterline, II, is now a resident trainee under his father, Fred Casterline, preparation to become a licensed mortician. Ray, who recently graduated from Howe Military Academy and will enter Ferris Institute in the fall, will be following in the footsteps of his father and grandfather, Ray Casterline, who started the Casterline Funeral Home in Northville in 1937.

Marylou James, daughter of Mr. and Mrs. Richard N. James, 46155 West Seven mile road, received her bachelor of arts degree in sociology from Mercy College of Detroit in commencement exercises June 5. A graduate of Our Lady of Sorrows high school, she was one of 184 graduating seniors whose degrees were conferred by the Most Reverend Archbishop John F. Dearden, D. D., of Detroit.

Mrs. Paul Hellenbrecht, the former Shannon Jensen, daughter of Mr. and Mrs. Reuben R. Jensen of Chigwidden drive, was graduated this week from the Connecticut College for Women in New London.

Graduated magna cum laude and elected to Phi Beta Kappa, she resides in Quaker Hill, Connecticut with her husband and three-year-old daughter, Rhonna.

As if two sets of graduation festivities weren't enough to juggle in one week-end, the Reverend and Mrs. Lloyd Brasure also are including a wedding in their time-table schedule. They plan to be in Alma Saturday as daughter Diane Ruth re-

ceives her bachelor's degree in 11 a.m. ceremonies at Alma college. They then will go to Traverse City where Diane will be organist at the wedding of Gary Wynn Wakenhut, son of Mr. and Mrs. W. W. Wakenhut of Northville. Reverend Brasure will assist in the ceremony as Gary

takes Ann Elizabeth Wunsch, daughter of Dr. and Mrs. Richard Wunsch of Traverse City, as his bride.

Sunday Reverend Brasure is to give the major address at Northville high school baccalaureate service at 8 p.m. in the high school gymnasium. The Bra-

sure's son, Neal, will be among the graduates.

Next Sunday afternoon, June 19, the Brasures will host an open house for Diane and Neal. Diane has signed a contract to teach Spanish in the Traverse City high school next fall. Neal will be entering Alma college.

ICE CREAM SOCIAL—Members of the chancel choir of the First Presbyterian Church of Northville practice dipping for tomorrow's (Friday) ice cream social on the east lawn of the church. The 5 to 10 P.M. social, which will be held indoors if the weather is bad, will feature ice cream, topping and cake. Tickets are 50-cents, with half price for children under 5. Choir Director William G. Williams watches as Mrs. Albert Pfluecke and Mrs. Philip Nauman get in a few early licks.

Cadet King Gets Promotion

Cadet David King, who is a student in the Roosevelt Military Academy Aledo, Illinois, was cited for excellence at special ceremonies honoring award winners for the fourth quarter of the school year.

Cadet King is the son of Mr. and Mrs. Eugene King of 512 West Dunlap. He was presented an award for excellence in athletics and concert band, and he also was promoted to the rank of cadet private first class.

The awards were presented by Colonel Glen G. Millikan, Superintendent of Roosevelt Military Academy which is located in Northwestern Illinois and has an enrollment of 185 cadets.

Cadet King has attended Roosevelt for one year and is a freshman. Roosevelt is one of the outstanding prep schools in the central states.

Methodists To Fete Grads

Graduates and all new members who have joined the church during the past year will be feted Sunday at the First Methodist Church of Northville.

The reception will follow the 10 a.m. service in the fellowship hall. Refreshments will be served by the Woman's Society.

Under the church's new summer schedule beginning Sunday, church school will be held at 9 a.m. and the worship service at 10 a.m.

RECEIVE CERTIFICATES—Area residents who received certificates of accomplishments at the conclusion of the first Dale Carnegie 14-week course sponsored by the Novi Rotary Club are shown above following a graduation banquet at the Thunderbird Inn last week Tuesday. They are (left to right), front row, Freeman Lytle, graduate assistant, Fred Trachsel, William Morgan, Ada Hower, Josephine Cooper, Joan Smith, Corinne Smith, Lillian Irwin, Victoria Romanow, Dick Haldy, Pete Jeffrey, graduate assistant; second row, Bob Sweeney, instructor,

To the Voters Of the Northville School District

I would like to ask your support in Monday's election for a FOUR-YEAR TERM on the Northville Board of Education.

I believe my long familiarity with our community coupled with practical business experience gives me the qualifications to make a helpful contribution to our school system.

In addition, I would ask voters to support the operating millage request.

from the PASTOR'S STUDY

The Reverend S. D. Kinde
First Methodist Church of Northville

How often have you said something like this, "Oh, I'll get right at that task tomorrow." The curse of many a today is its tomorrow. Not because tomorrow may not be a glorious experience but because we let it rob today of its possibilities. In the parable of the talents the unprofitable servant had his one talent taken away from him because he made poor use of it. His today appeared so insignificant to him that he failed to invest it and therefore lost tomorrow.

If the reading which we intend to do tomorrow is gauged by the reading we have done today, do we even deserve access into tomorrow's library?

The visit to a sick friend, the bundle for Goodwill Industries, the card to one in sorrow, the call on a new neighbor, a letter to a parent or a son or daughter - why must they wait for tomorrow?

Many a good community project is permanently lost by people who insist that it be put off until tomorrow when labor will cost less, materials be more readily available, funds be on hand, etc. That tomorrow never comes.

We have all known too many people who have made the mistake of saying, "When I retire I am going to travel and see our country." But when retirement comes they have ill health or a limited income that confines them to their own neighborhood. It requires strength and health to travel and perhaps this is the year when these folk should take that longed for trip... next year may be too late.

The student who says, "I'm not going to study today, but catch up on my textbooks tomorrow, and I shall cram for exams" is apt to find that there are not sufficient hours tomorrow to make up work necessary for a good grade. Wise is the student who completes today's work today.

The man who gets today's tasks completed today is saved the worry and frustration of trying to do two days work tomorrow. It is amazing how much they accomplish who do today's work today in contrast to others who

put it off. We have met folk who have said, "Sometime I plan to start going to church" and they never seem to get there. Wise was the Psalmist who said to Israel, "O that today you would harken to God's voice!" There is a quote from Poor Richard's Almanac that is filled with wisdom, "Never put off till tomorrow what you can do today." Helen Hunt Jackson has a poem on this thought:

Father, I scarcely dare to pray,
So clear I see, now it is done,
How I have wasted half my day
And left my work but just begun.

The individual who faces up to today's troubles and meets them head on today will not have them to worry about and face tomorrow.

Sybil F. Partridge wrote a poem that has become a Hymn and is a favorite of many: Lord, for tomorrow and its needs I do not pray; Keep me, my God, from strain of sin just for today. Help me to labor earnestly, and duly pray; Let me be kind in word and deed, Father today. Let me in season, Lord, be grave, in season gay; Let me be faithful to thy Father, today. Lord, for tomorrow and its needs I do not pray; Still keep me, guide me, love me, Lord, Thro' each today. Today is our opportunity to live life at its best. Tomorrow, tomorrow, tomorrow never comes!

Dye Earns BA Degree

REX L. DYE
Rex L. Dye received the degree of bachelor of arts in Christian education from the School of Religion of Midwestern Baptist Schools in Pontiac Friday evening May 27.

Mr. Dye was ordained to the Gospel ministry by the First Baptist Church of Novi Michigan in 1958. He is presently pastor of the Salem Baptist Church in Salem.

Missionary To Speak

On June 12 at Salem Federated church, Rev. Dick Knox, missionary to Cyprus will be speaking in the evening service. Mr. Knox is a well known Missionary Conference speaker, and former Pastor at Gull Lake Bible Conference. He also is a gospel trombonist. Rev. Paul Whaley, home missionary and representative with The Christian Witness to the Jews will be speaking in the evening service June 19. Mr. Whaley is well known to the congregation as one of the missionaries they help support.

Goodwill Pick-up

The next visit of Goodwill Industries pickup trucks to Northville is scheduled for Monday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards. To arrange for a Goodwill Industries truck pickup, ask the operator for toll-free Enterprise 7002.

TAKE THE LONG VIEW

Who doesn't dream, sometimes? Who doesn't stand gazing into the future, picturing that new house, that graduation day, that wedding ceremony, that deluxe-model car... the thousand and one dreams that man holds in his heart? We realize that a worthwhile life must contain more than just material satisfactions. Without a confident frame of mind, our future will be nothing but tension and uncertainty. Where can we find this inner feeling of courage that will make things easier for us every hour of every day? Millions of people find it in the Christian faith. The apostle Paul said that he was strengthened in everything he did by faith in Christ... and this truth is constantly being rediscovered by men and women urgently in need of something they can trust. Faith is the key to peace of mind. With faith, you will be able to move mountains of frustration.

TOP SAFETY PUPILS—In special safety assemblies at Amerman and Main Street elementary schools this past week, pupils were awarded safety patrol and service squad citations for their work throughout the year. Winners of the Safety Patrol Boy of the Year and the Service Squad Girl of the Year at the schools were Jamie Dougherty and Beverly Wistert of Amerman and John Regenhart and Marni Robinson of Main Street. Principal Keith Berkley makes the presentation to the Amerman winners (above) and below the Main Street winners receive the plaques from teachers Mrs. Timothy O'Brien and Mrs. John Hobart.

Novi Courts

Two young Detroit men were fined in Novi justice court this past week for being minors in possession of alcoholic beverage. Fined \$20 each after pleading guilty before Justice Robert K. Anderson were Dennis E. Walpole and Paul E. Deland. Walpole was arrested May 27 near Hagerly and 10 Mile roads, and Deland was arrested on Grand River June 2.

Farrel E. Fuller of 44220 Grand River was fined \$100 after pleading guilty of a reduced charge of reckless driving. He was arrested May 22 on Novi road near 12 Mile when his car hit a traffic control sign.

Justice Anderson fined Michael D. Lown of Farmington \$20 for creating a traffic hazard May 19 on Taft road.

James L. Schulte of Walled Lake was fined \$100 and his driver's license was suspended by Justice Emery Jacques, Jr. when he pleaded guilty of driving under the influence of liquor on Novi road near 13 Mile road.

Allan Craig of Southfield was fined \$25 for dumping illegally at 12 1/2-Mile and Dixon roads. He also was ordered to clean up the area.

Dennis E. Przystawski of Detroit pleaded guilty of reckless driving on Memorial Day. Justice Jacques fined him \$40 and \$10 costs or face five days in jail. He also was fined \$25 and \$5 costs for being a minor in possession of alcoholic beverage.

Three passengers in his car also were fined. Thomas J. Cies-

lak and Irving Mizler, both of Detroit, each were fined \$25 and \$10 costs for being minors in possession, and Nelson H. Washko of Detroit received a \$35 fine, together with \$10 court costs, for furnishing alcoholic beverage to minors.

Anthony C. Frank of Garden City was fined \$10 for aiding another in violation of the community's curfew violation ordinance for minors.

Closing Marks End of Era Pupils Bid Goodbye to Country School

SAME CLASSROOM—Listening to their teacher, Wash-Oak school children sit in the same classroom Friday where youngsters have studied for more than 90 years. It was the last day of school.

As 19 jubilant youngsters said goodby to their teacher and ran from the one-room schoolhouse into another summer vacation 13 days ago another link to the area's early history came to an end.

The little white country school in Salem township may never re-open because Wash-Oak residents voted Monday to annex to the South Lyon school system.

Only if South Lyon decides to use the school will it operate in the fall.

It is the last one-room school operating in the Northville area and, according to state school officials, its closing further reduces the number of these once predominant school buildings. Only about 400 are still operating in the state.

Faces were different, clothes changed and even some of the teaching methods were unusual by older standards, but two weeks ago there was the same last-minute studies to complete as vacation excitement mounted.

Giggles, pranks, scolding, praise and whispering.

All were there, just as they were in 1873 when the present building was opened for boys and girls wearing high buckle shoes, ankle-length skirts, and well-patched trousers.

Two years previous to the opening of that school, the original one-room schoolhouse burned to the ground. It had been built many years earlier on a parcel of land, halves of which were owned by two Salem pioneering families, the Watermans and the Deakes.

The Watermans owned the property on one side of the school, now owned by Mrs. Anna Rodamsky of 9639 Currie road, and the Deakes owned the farm on the opposite side, now owned by Mr. and Mrs. W. C. Stooks of 9405 Currie.

An early history of the school, written by school children in 1941 and now on file in the Wash-Oak county board of education office, suggests that the property eventually would be returned to the owners of the two farms.

Neither Mrs. Rodamsky nor Mr. and Mrs. Stooks are sure

of just what claims they may have on the property.

However, Mrs. Stooks recalls conversation with Clayton Deake, son of the original owner, in which he laughingly reminded her of this claim. The son, she recalls, was 80 or more years old at the time.

The original school, students wrote 25 years ago, was called the "Deake" school and "sometimes" the "Nahlor" school, after another early pioneer of the area. Later, the school's name was changed to Wash-Oak because part of the district is in Washtenaw county and part in Oakland.

In 1873, the school contained 35 pupils, from ages 3 to 12. The school year included three terms, fall, winter and spring. During spring and fall terms a male teacher was required because, explains the history, some of the older boys, who were not in school during the other two terms because they were needed at home for working the farms.

Recitation seats or benches were along three sides of the schoolroom and the teacher's desk sat in front of the room on a raised platform facing a "box stove" in the middle of the floor.

Wood for the stove was piled against a fence on the south side of the school. On the opposite side was a church, which was hauled away some time after the school opened and used as a horse stable until it burned.

Water was hauled to the school by pupils from a farm a half-mile away.

Kerosene lamps lighted the classroom.

When Wash-Oak closed Friday, its pupils were still studying in the same room at desks that were newer than the originals — but nevertheless considerably older than those used by most schools today.

Electric lights had replaced the lamps and a modern heating system took the place of the stove — a stove removed only a few years ago after stormy protests of several residents of the area.

But for all the modern conveniences — including the inside toilet facilities — the school was

the same. — It may never be again.

They Vote To Annex

It's official: Wash-Oak school district, a small country-school area surrounded by larger districts, will annex to the South Lyon school system.

In what was called "a very poor turnout", all three propositions passed. Annexation, 18 to 10, with two voids; tax limitation corresponding to South Lyon, 17 to 11, with two voids; and assumption of pro-rata share of outstanding South Lyon indebtedness, 17 to 10, with two voids.

Only 30 of the eligible 61 residents voted.

BY THE NUMBERS—Modern math is sweeping the country, but at Wash-Oak the old familiar numbers were still the vogue Friday, frightening to some and fascinating to others like Christine Bulmon shown here with her teacher, Miss Ellen Blue.

COMMUNITY SING—Music in a one-room school is really a "community sing", with children of all grades joining in with their teacher at the old Upright.

Schoolcraft Summer Term Set

The summer session of Schoolcraft College, beginning July 1 and ending August 25, is expected to attract at least 500 to 600 students.

Four hundred already are enrolled, and applications are being processed daily for this eight-week session, school officials report.

June 18 is the last day for taking the counseling tests, at 8:00 a.m. These tests require the entire day.

Guest students from other colleges are admitted for the summer only without having taken the Schoolcraft college counseling tests. Except for the guest students, no one can be admitted to the summer session, day or evening, who has not completed the counseling tests.

The counseling offices of Schoolcraft are open from 6:00 to 8:00 p.m., Monday through Thursday evenings. Those wishing to discuss their programs are requested to call the office of student affairs, 591-6400, and make appointments so that there will be no delay in arranging for selection of courses.

Mr. Norman Dunn, Schoolcraft college registrar, has announced that registration may be completed in one of three possible ways:

A student may complete his advanced registration at the office of student affairs from June 20 - June 23 between 8:30 to 11:30 a.m. and 1:00 to 4:30 p.m. He may register by mail by contacting the office of student affairs. He may register during the registration period on June 30.

Tuition and fees must be paid in full at the time of registration.

For students who are graduating from high school the summer program offers special advantages, officials point out. Those who must remove deficiencies before entering their selected programs will have opportunity to do so. Courses will be available in such subjects as basic chemistry for those who have not had high school chemistry, English for those who must take added work in English before entering transfer courses in English, beginning algebra, plane geometry, intermediate algebra, and trigonometry.

Business courses will be available for those wishing secretarial training. There also will be work in basic drafting, basic electricity, and metallurgy. Many other courses such as speech, history, and government also will be offered in both day and evening.

Entering this summer session may accelerate a student's program considerably, since he will have a head-start equivalent to one-half of a regular semester's work, they point out.

Students attending other colleges and wishing to enter Schoolcraft for only the summer session must secure from the registrars of their present colleges official guest applications. These guest students are not admitted unless the guest application form states the courses in which the student may enroll and the fact that he is in good social and academic standing.

During the past summer, Schoolcraft had a considerable number of guest students from colleges within the state as well as some from outside the state.

Michigan has more than 112,000 miles of public roads and streets - enough to go around the equator four times.

At Ann Arbor, East Lansing 31 Girls, Boys to Get Taste of Politics

Three girls and 28 boys, all students at Northville high school, will get a first-hand taste of Michigan "politics in action" later this month.

The girls have been chosen to attend Wolverine Girls' State program at the University of Michigan, June 14 through June 21, and the boys will attend the Boys' State program at Michigan State University, June 15 through June 22.

Sponsoring organizations are the Michigan Department of the American Legion and the American Legion auxiliary. Both groups will attend under the auspices of the local American Legion post and its auxiliary.

Individual sponsors and selected girls are:

Rene' Gatrell, daughter of Mr. and Mrs. Lyle E. Gatrell of 44775 West Eleven Mile road, sponsored by the Lloyd H. Green American Legion Auxiliary; Caroline Collacott, daughter of Mr. and Mrs. Robert Collacott of 43738 Jorcia Court, sponsored by the Mothers Club; and Enid Penn, daughter of Mr. and Mrs. Harold Penn of 46150 West Main street, sponsored by the Business and Professional Womans club and the Woman's Club.

The boys and their sponsors are:

William Skelly, Casterline Funeral Home; Steven Quay, Holcomb Clinic; Daryl Holloman, Lloyd H. Green Post 147; Terry Dryer, General Filters, Inc.; Gregg Carr, Novi Board of Commerce; Mike Moody, Novi Township Board; Michael Conley, Northville Service Club; Doug Anglin, Michigan Tractor of Novi; Richard Fisher, Village of Novi; Tom Krauter, Northville Junior Chamber of Commerce;

Kurt Kinde, Northville Rotary Club; Charles Frogner, Northville P-TA; Robert Armstrong, Ophimist Club of Northville; Gerald Asher, Fraternal Order

In Uniform

Cadet Robert S. Wetterstroem, 21, son of Mr. and Mrs. Robert G. Wetterstroem, 46376 West Seven Mile road, will attend Reserve Officer Training Corps summer camp at Indiantown Gap, Pennsylvania, starting June 18. He is a student of Xavier University in Cincinnati.

During the six-week encampment, he will receive advanced training in the military subjects he has been studying at school.

Cadets are trained in various subjects which will provide them with the skills necessary to command. On completion of the ROTC program, graduates may receive commissions as second lieutenants and may choose any branch of the Army.

Cadet Wetterstroem is a 1962 graduate of the University of Detroit high school.

of Eagles-Aerie 2504; Randy Pohlman, Ronald Radtke and John Hasley, Willowbrook Community Association;

Rodney Braun, Northville Lodge No. 186, F.&A.M.; Carl Stephens, U.A.W.-C.I.O., Local 898; Bruce Durham, Veterans of Foreign Wars Post 4012; Robert Hubbert, Our Lady of Victory Mens Club; William MacDermaid, Novi Rotary Club; Gary Becker, Methodist Mens Club; Devereaux Earl, Novi Farm Bureau; Dale Price, Charles VanEvery Company; Jerry Davis, Cadet Cleaners; and William Christensen, Holcomb Industries.

According to Postmaster John Steimel, Boys' State chairman, the boys will be assigned to one of 24 cities which make up the 12 counties of Boys' State. He noted that Northville high school holds the record of having the highest percentage of boys being sponsored in Michigan.

During the eight-day session, the boys will hear lectures by representatives of the state police, the Ingham County Bar association and other city and state officials.

"Citizenship is the major theme of Boys' State," Steimel said. "A novel method of acquainting the boys with duties of city, county and state officials has been instituted. Each boy fills out a questionnaire stating the office he prefers. The official now holding the office will talk with the boys."

At evening sessions, Boys' State will be addressed by many speakers, including Governor George Romney, the Michigan State university president, and the 1965 president of Boys Nation.

A march to the state capitol will climax the rally.

The girls will participate in much the same way.

Playing the role of junior politicians, they'll build a unit of government, electing from their own representatives, city, county and state officials for a model state. They'll be assigned to cities, petition for offices, form party platforms and caucus their way into a whirlwind week of self-government.

At the close of their session, two girls will be selected to represent Michigan at Girls' Nation held in Washington, D.C.

Each girl will give a resume

JUNIOR POLITICIANS—Anxiously awaiting their respective trips to East Lansing and Ann Arbor for Wolverine Girls' State and Boys' State activities are (l to r) back row, Terry Dryer, Gerald Davis, Carl Stephens, Daryl Holloman, Bruce Mach, Charles Frogner, William MacDermaid; third row, William Skelly, Steven Quay, Tom Krauter, Kurt Kinde, Dale Price, Devereaux Earl, Bruce Durham, Richard Fisher, Douglas Anglin; second row, Rodney Braun, Michael Conley, Gary Becker, Wil-

liam Christensen, Gregg Carr, Randy Pohlman, Gerald Asher, Robert Hubbert, Ronald Radtke, John Hasley; front row, Mrs. Harold Penn, American Legion Auxiliary, Susan Wisner, and Lynn Tiilikka, alternate delegates, John Steimel, Boys' State chairman, Enid Penn, Rene' Gatrell, Caroline Collacott, and Mrs. David McDougall, Girls' State chairman. Missing are Boys' State delegates Mike Moody, Robert Armstrong, and Jerry Davis.

YOU'LL SAVE
THREE MILES
TO THE GALLON

John Mach

Investing in a Spring tune-up and then neglecting to change your carburetor air filter is like sleeping with a short blanket: you pull it up to warm your face and your feet get cold. There's not much net gain.

Your filter is the windpipe of your motor. Factory studies show 18 pounds of air for 1 pound of gasoline is needed at Summer temperature to get the most energy out of the fuel. This is 2,000 cubic feet—enough to fill a room 10' by 20'—for every gallon of gas at 60 mph.

When road grime clogs your filter, your carburetor gets less air than it needs. The gasoline-air mixture becomes too rich in fuel. Economy goes down and so does power.

Recent engineering tests on two V8 engines in a 1964 Mercury and a 1962 Plymouth with clean and clogged filters showed a miles-per-gallon gain of 3.6 mpg. for the Mercury and 2.4 mpg. for the Plymouth with a clean filter over a clogged one.

Recommended changes for air filters vary with different road conditions. Every 10,000 to 20,000 miles is fine in the Northville area. But these figures can be altered drastically if you drive frequently over dusty roads.

A reputable car dealer will not sell you a filter if you don't need one. Heed his advice. See you next week.

Why a strike against Edison?

• Some Unpublished Details of Edison's Proposal to Local 17, IBEW

A strike against Detroit Edison has been called by Local 17 of the International Brotherhood of Electrical Workers, AFL-CIO, representing 747 of our 9500 employees. About 450 of the men on strike are linemen.

Background of the Dispute
The current contract expired May 30. Since April 7, union representatives have discussed, in many meetings with the company, terms of a new two-year contract.

The union is asking for 20 per cent more in cash and benefits, effective immediately.

The company offers a 10.3 per cent increase in cash and benefits—5.6 per cent in June 1966 and 4.7 per cent in June 1967.

This is well in excess of the 3.2 per cent guidelines urged on industry and labor by the Federal administration.

The union has rejected this offer.

The Edison Linemen Are Well Paid
Edison linemen are currently paid a base rate of \$8380 a year—guaranteed. There are no layoffs, and overtime is frequent. Of our 450 linemen, 355 made over \$11,000 in 1965.

The hourly rate for our linemen, before the offered increase, is \$4.03 an hour. This is 15 to 25 cents an hour more than comparable skilled tradesmen earn working for representative steel, auto manufactur-

ing and refining companies, and other major employers in Metropolitan Detroit.

Our lineman rate is 30 cents an hour more than the average lineman rate of the three major electric companies close to Detroit.

In addition, so-called "fringe benefits" cost Edison \$1.06 an hour—\$2200 a year—per employee. This includes life insurance, pensions, health and major medical-surgical insurance, and pay for time-not-worked (holidays, vacations, sickness, personal affairs). Edison's fringe benefits are well above the Metropolitan Detroit average.

Edison's Offer Is Fair and Reasonable

In Metropolitan Detroit the cost of living has gone up 7.4 per cent since January 1, 1961 (Federal Index of April 1966). In that time Edison's base rate to linemen has increased by 16.6 per cent, not including our present offer.

Edison is proud of its linemen. Theirs is often difficult work. We believe they should be well paid. They have been and, with our offer of \$4.165 per hour, they will continue to be.

At the same time, this company is regulated by the Michigan Public Service Commission so far as rates and earnings are concerned. We have a continuing responsibility to serve customers well and at a reasonable cost.

Why, then, a strike against Edison?

The regular meeting of the Northville City Council was called to order by Mayor Allen on Tuesday, May 17, 1966, 8:10 p.m. at the Northville City Hall.

Present: Allen, Black, Carlson and Kester. Absent: Canterbury. Minutes of the May 2 meeting and Special meeting of May 9 were approved.

Mr. Charles Williams of Rouge St., Northville and his daughter, Mrs. Margaret Gross, were present and presented the city with a wood-carving of the Northville City Hall which Mr. Williams had carved. Mayor Allen thanked him for this gift.

Moved by Carlson, supported by Kester to approve payment of bills in the following amounts:
 General \$28,404.40
 Water 2,577.39
 (Transfer of monies to CD in Cemetery Trust Acct. - \$3500). Unanimously carried.

A letter from Mr. and Mrs. Edward Wilson, 418 Randolph St., Northville, expressing their thanks and appreciation for help and cooperation received from City Hall during their recent remodeling (particularly to Mr. Hammond and Mr. Salow).

Minutes from Planning Commission for May 3, 1966; Zoning Board of Appeals for May 4, 1966 and Library Commission for March 3, 1966 were received.

Mr. Oscar Hammond, representing the American Legion, gave to Mayor Allen a citation recognizing him as an honorary

citizen of the State of Nebraska in connection with their coming Centennial celebration in 1967.

Mr. Carl Voigt, 1094 Grace Ct., Roger Renaldi, 1076 Grace Ct. and two other residents of the street were present to speak about water which accumulates north of them after it has rained. After some discussion, city manager said he felt as a result of a recent conversation with Beniecke & Krue, builders, that this situation would be resolved, but if not, the work could be done and Beniecke & Krue billed for said work which would be done by city. Mayor said he didn't believe that much could be done about faulty tile in bathroom but said this would be referred to proper department.

City attorney is to mention the cracked tree on this street to Beniecke & Krue.

Mr. Sid Frid, 865 Grace Ct. said he felt seal-coat should be applied again this year to streets in Oakwood Subdivision that had been seal-coated last year. He was told that it is hoped to be doing this during 1966 summer season.

The clerk read notice of Public Hearing (as published in Northville Record) relative to request of owner, Thompson Brown Company, to consider zoning of 35.72 acres located at Eight Mile road and Taft road to R-1S (formerly R-1E in Northville Township). Mr. Cary of Thompson Brown Co. reported that Northville Township had been fully informed as to the

zoning. This hearing is held on the recommendation of the Northville City Planning Commission.

Moved by Black, supported by Kester that said 35.72 acres be zoned R-1S. Unanimously carried.

After considerable discussion by Council and the City Attorney, the request to solicit for Muscular Dystrophy on June 7, 1966 (6-9 p.m.) was denied. City manager is to write letter informing them of decision and urging them to join the United Foundation. Councilman Black was not in favor of denying permission to this type of organization for day-time solicitation.

The city manager reported on the street light problem on Horton street. Again, after considerable discussion, the Mayor recommended that the light be installed after an agreement is reached between the city manager, Detroit Edison, and affected property owners.

The city manager reported committee had met on Monday evening, May 14 regarding Detroit Water supply to Northville. He reviewed some of the problems and a tentative financial program. The city engineer was instructed to have necessary information available by June 6, 1966 at latest in order to go for bids on a water meter pit and line from N. Center and Baseline to present distribution point. July 15, 1966 is the date the city manager is aiming for Detroit water supply. The appointment of a member to

the planning commission to fill the unexpired term of Nelson Schrader will be made at the next meeting (possibly a Special Meeting).

The Financial Statement for April, 1966 was received.

City Manager displayed the "Drive Carefully" sign which is to be posted at the entrance to the city and has been donated by the American Legion, Lloyd H. Green Post.

City manager distributed Wage and Salary study to Council members.

City manager reported on the Red Cross Blood Bank. He felt the response and number of donors quite good. Council expressed thanks and a vote of Recommendation to the local Red Cross chapter for this activity.

City Manager also reviewed the status of the sewer financing (Eight Mile).
 Miscellaneous:
 Councilman Kester mentioned that Municipal Parking lots do not have signs. City manager to check E. Dunlap and N. Wing streets. Councilman Black mentioned the necessity of working on apts. of Citizens' Committee and Housing Ordinance. He also reported that Mr. Wilson Tyler had been appointed by the Northville Twp. board to meet with him regarding the Recreation Program. City Mgr. is to set up a meeting with Mr. Merriam, Tyler, Black and himself. City manager is to let council know when there are any developments on downtown light-

ing program.
 Councilwoman Carlson mentioned the Beautification program and anti-litter program.

She also spoke of the pleasant trip to Lapeer and that she accompanied Mayor and Mrs. Allen there on Mayor's Exchange Day.

The city attorney reported that he and the mayor had both been contacted regarding Langfield property. Because of an old legal description there appears to be some discrepancy in the correctness.

Moved by Black, supported by Kester to execute quit claim deed to Lot 342, Assessor's Northville Plat #4 for purpose of clearing title to said property. Unanimously carried.

City attorney reported on the status of the suit now before Judge Moynihan relative to Randolph street improvement. This has been adjourned until Monday, May 23, 1966.

City attorney reported he will attend the annual Seminar (Probate Section) at Harbor Spring next week. Meetings will be held on "Negotiations with Unions for Municipal Employees."
 Mr. Kester mentioned the former John Mach property and the possible demolition of this building.
 There being no further business, the meeting adjourned at 11:10 p.m.
 Respectfully submitted

OFFICIAL NOTICE OF SALE NOVI COMMUNITY SCHOOL DISTRICT OAKLAND COUNTY, MICHIGAN SCHOOL DISTRICT BONDS \$735,000.00

Sealed bids for the purchase of School District Bonds, to be issued by Novi Community School District, Oakland County, Michigan, of the par value of \$735,000.00 will be received by the undersigned at the office of the Board of Education, 41900 Quince Drive, Novi, Michigan, until 8:00 o'clock P.M., Eastern Standard Time on Wednesday the 22nd day of June, 1966, at which time and place said bids will be publicly opened and read.

Said bonds will be dated May 1, 1966, will be coupon bonds in the denomination of \$5,000.00 each, will be numbered consecutively in the direct order of their maturities from 1 to 147, both inclusive, and will bear interest from their date at a rate or rates not exceeding 5% per annum, payable on May 1, 1967, and thereafter semi-annually on November 1 and May 1. Each bid shall state the annual interest rate or rates upon which it is submitted, expressed in multiples of 1/8 of 1% or 1/20 of 1% or any combination thereof. Accrued interest to date of delivery of such bonds must be paid by the purchaser at the time of delivery. The interest rate on any one bond shall be at one rate only and be represented by only one coupon for each coupon period and all bonds maturing in the same year shall carry the same interest rate. The bonds shall mature in the principal amount of \$25,000 on May 1 in each of the years 1967 through 1993 and in the principal amount of \$30,000 on May 1 in each of the years 1994 and 1995.

Bonds maturing in the years 1977 through 1995 will be subject to redemption by the school district prior to maturity, in inverse numerical order, on any one or more interest payment dates on and after May 1, 1976: Provided, however, that the school district may call for redemption, in inverse numerical order, any of said callable bonds which bear interest at a specified rate before calling bonds bearing interest at a lower rate. Bonds called for redemption shall be redeemed at par and accrued interest plus a premium on each bond in accordance with the following schedule:

- \$125 if called to be redeemed on or after May 1, 1976 but prior to May 1, 1979
- \$100 if called to be redeemed on or after May 1, 1979 but prior to May 1, 1982
- \$ 75 if called to be redeemed on or after May 1, 1982 but prior to May 1, 1985
- \$ 50 if called to be redeemed on or after May 1, 1985 but prior to May 1, 1988
- \$ 25 if called to be redeemed on or after May 1, 1988.

Notice of redemption shall be published not less than 30 days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the City of Detroit, Michigan, which carries as a part of its regular service, notices of the sale of municipal bonds. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem the same. The remaining bonds will not be subject to redemption prior to maturity. Both principal and interest will be payable at such bank or trust company, qualified to serve as paying agent under the laws of the State of Michigan or the United States of America, as shall be designated by the original purchaser of the bonds. A likewise qualified co-paying agent may also be so designated.

The issuance of said bonds was approved at the special election held in said school district on December 13, 1965, for the purpose of defraying the cost of erecting, furnishing and equipping an addition to the Novi Junior High School building in order to expand the same to a Junior-Senior High School building, and to make improvements in the athletic field, and will be the general obligations of the school district, which is authorized and required by law to levy upon all the taxable property therein such ad valorem taxes as may be necessary to pay said bonds and the interest thereon, without limitation as to rate or amount.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from July 1, 1966 to their respective maturities and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the school district. No proposal for the purchase of less than all of the bonds or at a price less than their par value will be considered.

A certified or cashier's check in the amount of \$14,700, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the school district, must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Dickinson, Wright, McKean & Cudlip, attorneys, Detroit, Michigan, approving the legality of the bonds. The cost of said legal opinion and of the printing of the bonds (with the legal opinion printed on the back thereof) will be paid by the school district. There will also be furnished the usual closing papers, including a non-litigation certificate, dated as of the date of delivery of the bonds. Bonds will be delivered at Detroit, Michigan, at the expense of the school district or elsewhere at the purchaser's expense. Payment for said bonds shall be made in Federal Reserve Funds.

The right is reserved to reject any or all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds".

Student Aid Fund Grows

LANSING - Michigan's state-sponsored scholarship program is progressing much the way it was anticipated in 1964. It started at \$500,000 that year and higher education officials hoped to boost the legislative appropriation to \$1 million the following year.

Students are selected for the financial assistance under the program primarily on the basis of need. Amounts of the scholarships vary, from \$80 to \$800, depending on the individual need and costs at the school the applicant plans to attend.

Milliken since he was first elected to the State Senate in 1960 from the Traverse City district.

His father served in the Senate before him and Milliken came in with the energy instilled in youth who has closely observed the legislative process.

He quickly became one of the leaders in the Senate group dubbed the Moderates, who had their difficulties but also won some important victories and great influence in the 1961 and 1962 sessions.

Even in his first term in the Senate, there were many observers who predicted Milliken would rise to the Governor's chair one day. Now he is just one step, and potentially less than four years, from that spot.

Gov. George Romney surreptitiously tapped Milliken as his running mate in 1964 when the new Constitution provided that the chief executive and Lieutenant Governor run on a team ticket.

Reorganization of state government this year gave Michigan's No. 2 man a few important responsibilities in addition to presiding over the Senate.

NOW ROMNEY has once again given him the nod for what appears to be an almost certain second term, this one for four years under the Constitution.

With more and more national attention being given to the Governor's potential in national politics in 1968, and Romney hedging carefully with every word of comment, Milliken stands in the best possible spot to step into the No. 1 spot to fill out an unexpired term.

An incumbency label and a short period of getting used to the job are strong factors to broadcast when running for office.

Proof that Michigan Week is fast becoming a year-round promotional effort came quickly from the Greater Michigan Foundation office in Lansing this year.

The 1966 observance ended May 21. Three days later the Foundation, which sponsors the annual brag week, put out a news release noting that the same theme will be carried by the 1967 event.

It will be the third year that the theme "Michigan: Dynamic in World Progress" will be used. Theme Committee Chairman Michael Radock, a University of Michigan vice president, said the impact of the theme and demand from local organizations led to the decision to use it again.

IT'S A TRIBUTE to many thousands of committee workers that the 1967 event planning is already under way. Radock said announcement of

SPEAKING for The Record

By Bill Sliger

There's a widely-shared opinion that the property owner is rapidly approaching his breaking point under the burden of taxes.

The theory that property taxes can pick up the tab for ever-growing school, local and county government needs is becoming recognized as pure theory and highly impractical.

But nevertheless, until the slow-moving wheels of politics grind out a better formula, Mr. Businessman and Homeowner must bear the responsibility.

And as the record shows, the taxpayer has kicked up his heels at the only place available for him to demonstrate his displeasure... the polls.

On May 9 Northville school district voters said "NO", 768-650, to a request for eight additional mills for operating our expanded system.

Next Monday they are being asked again to approve renewal of an existing 10 mills, which expires this year, and provide an additional seven mills for operating needs.

It is unfortunate that the taxpayer, who honestly resents the property tax, must decide whether or not his schools should have enough money with which to provide a good educational program.

They're faced with a dilemma. They want good schools, but they don't want higher property taxes.

Actually, their argument is with the powers that make the system, not the local governments or school systems which must operate under it.

And their vent should be aimed at higher targets than fellow citizens attempting to provide the community with services it needs and demands.

Then the choice narrows down to the reasonableness of the request.

School leaders state that they now need a minimum of seven additional mills to operate the Northville system, not lavishly, but adequately.

I believe they are right. The request meets the test of reasonableness and should so be recognized by all citizens.

It will give the new board a tight-fitting budget, perhaps less comfortable than desired by some, but nevertheless adequate to provide for expanding facilities and an improved teacher salary schedule.

The latter point is still an unsolved quantity as negotiations continue between teachers and administrators. But just as the taxpayer must face up to his responsibility of providing increased school-operating funds, so, too, must teachers employ an element of reasonableness in gaining more adequate financial rewards.

A team effort is needed. The voter has the ball Monday. Later it will be passed to our school board, administrators and teachers.

Two "YES" votes are needed Monday. The system cannot "get by" on a "YES" vote for the 10-mill renewal and a "NO" vote on the seven-mill addition.

Vote "YES" all the way. The reason is simple: our schools need the money to operate.

The school millage proposals were given a boost by the city council Monday night. Councilman Canterbury introduced a resolution that won unanimous council support. It urges voters to approve the 17 mill request.

"There's no optional choice", commented Canterbury.

OUT OF THE PAST

ONE YEAR AGO...

...Northville was notified by the Michigan Department of State that it had been selected as one of the area municipalities in which a driver's license examination station would be established.

...Two Northville businesses, Schrader's Home Furnishings, 111 North Center, and Northville Lanes bowling, 132 South Center street, announced plans to expand.

...Both candidates for the lone vacancy on the Northville board of education, E. O. Weber and Donald B. Lawrence, favored support of school building and swimming pool proposals.

...Philip N. Brown, M.D., superintendent of Northville State Hospital, announced his retirement from state mental health service, effective July 10.

FIVE YEARS AGO...

...All construction in Northville and 21 other Wayne county communities was brought to an absolute halt by Dr. Albert E. Heustis, state commissioner, to "protect public health. His action was taken to "stop further overloading of the present (sewer) system."

...The Northville Retail Merchants association went on record as opposing the new post office site endorsed by the city council. The merchants had the backing of Postmaster Leland Smith, who favored two business district locations under consideration.

...In sharp contrast to Northville's school board election, Novi voters set a record by casting 763 ballots. By a scant 18 votes they elected David Fried over incumbent Edward Erwin, 374 to 356.

...The traditional "Teacher of the year" award was given to Roy Pederson at the high school honors convocation.

FIFTEEN YEARS AGO...

...Alice Newton was named Valedictorian of the Northville high school graduating class, while John Rackov was named salutatorian.

Sixty-one seniors were scheduled to receive diplomas from the high school.

...In what was probably the smallest turnout in history, 54 votes were cast in the school election as Incumbent Robert F. Coolman and Donald B. Severance were elected.

...Barbara Ruttan and Helen Meaker were injured in an accident on Northville road near Five Mile road.

...Two Northville boys, Dick Gunsell and Jim Lapham were preparing to attend the World Scout Jamboree at Bad-Ischyk, Austria.

TWENTY-FIVE YEARS AGO...

...The Rev. Harold F. Fredsell was to be installed as pastor of the Northville Presbyterian church.

...Tom Carrington, son of Mr. and Mrs. T. R. Carrington, received his masters degree from the University of Michigan.

...Draft board 61 issued a call for 81 men for the month of June.

...E. A. McDaul, radio commentator and lecturer, gave the commencement address.

...Salem announced plans for its homecoming festival on July 4.

...Employees and sales purchased Twin Pines dairy and made plans to operate it on a cooperative basis.

FORTY-FIVE YEARS AGO...

...New officers of the Exchange club were: Clifford Turnbull, president; Rev. William Richards, secretary; Orlow Owen, first vice-president; A. H. Steele, second vice-president; and Harold Bloom, treasurer.

...Andrew H. Welsh, one of Northville's oldest pioneer citizens, died at his home on Dunlap street.

...Mark Seeley had a narrow escape when his team backed off the embankment on Hutton avenue near the foot of Dunlap.

Motion made by DelBlack, supported by Fred Kester, to award the contract for the Sanitary Sewer and Meter Pit to the firm of Gay Brothers, of Pontiac, Michigan, in the amount of \$89,625.80. There will be a penalty clause invoked for any day's delay after October 1st, or 120 days from the date of signing the contract.

Yes: Allen, Black, Canterbury, Kester. Absent: Carlson. Unanimously carried.

City manager read Memo #10 on Green Valley Acres concerning operation of sanitary landfill. There were no objections to the city manager writing the county on this proposal.

Motion made by Kester, supported by Canterbury, to advertise for bids for the water meter pit and line to be received on June 13 at 8 p.m. The city manager was authorized to take necessary steps to have individual waivers signed at next meeting. Yes: Allen, Canterbury, Kester. Absent: Black and Carlson. Unanimously carried.

Meeting adjourned by Mayor Allen at 10:25 p.m.

Respectfully submitted
Hilda Boyer

Every bride should have a bank she can call her own. Ours.

Goodbye, Dear House that I grew up in And goodbye, All You Things that I love. Goodbye. Tomorrow . . . I am going to be married and have a new name, and live in a new place. Oh, Cookbooks, please be clear and easy to read.

And, Oven, please don't burn the roast. Not the first week, anyway. And, Money, please don't go anywhere but where the budget says. Like so much for rent . . . and so much for food . . . and so much for clothes . . . and so much for savings. And, George, dear George, I will try to keep the checkbook balanced, just the way Mr. Dixon at Manufacturers showed me. Funny. You had your account at Manufacturers and so did I. So now that we're opening a Joint Account, in a way our money is getting married, too.
