### Building Activity Increases

\$1 million in the city and township of Northville during the first six months of this year.

Biggest six-months increase was recorded in the city where estimated building costs were up \$742,842 over the like period of 1965, from \$767,928

Township officials report the same six-months period showed an increase of \$219,259, from \$826,327 in 1965 to \$1,045,586 this year.

Biggest single month of this year in the city was March when building permits for \$916,554 worth of construction were taken out. In March of 1965, building here hit only \$26,050.

June was the biggest building month in the township, with permits totaling \$282,006 of construction.

A month by month comparison in the city shows:

January - \$288,500 in 1965 and \$2,425 in 1966.

February - \$72,400 and \$53,300. March - \$26,050 and \$916,554. April - \$16,037 and \$413,179. May - \$204,645 and \$11,778. June - \$160,296 and \$113,534.

The latest six-month figure in the city shows a total that is nearly as big as was recorded during the entire year of 1965 when building costs hit \$1,672,915.

Here's the month-to-month comparison of township building activity: January -\$32,000 in 1965 and \$85,650

February — \$29,250 and \$37,693. March — \$71,800 and \$183,665. April — \$171,775 and \$200,164. May - \$377,350 and \$256,408. June — \$145,152 and \$282,006.

Officials of both the township and the city note that new homes account for most of the construction activity. For example, Building Inspector Oscar Hammond points out that permits for 54 new homes — mostly those in Northville Heights subdivision No. 2-totaled \$887,000 to help make that month the biggest in the city.

Hammond said total construction costs for the year of 1964 hit \$636,868, while the January through June construction costs were \$679,965 in 1963.

#### **New School:** It's Moraine

Northville's board of education dug into the rock formation beneath the school district in selecting a name Monday for the new elementary school on Eight Mile road. The geological find: Moraine ele-

mentary school.

Recommended to the board by a three-member committee and unanimously adopted (one member was absent), the new name is taken from the name of a geological formation beneath the district called the Defiance Moraine.

Moraine means an accumulation of earth and stones deposited by a glacier.

Actually, the recommendation to the board was for the name, Moraine Ridge, but it was decided to drop the second word since most people probably would refer only to the first name and because the Moraine, by itself, means a ridgelike formation of earth and stones.

Members of the committee were the three just-retired members of the board, William Crump, Robert Shafer, and E. O. Weber. They were named by President Wilfred Becker last month.

In making the recommendation, Crump and Shafer noted that the committee decided against naming the school after any individual since such a name might not have a lasting or significant meaning in the distant future.

#### Big Saturday Night at Downs

Northville Downs enjoyed its biggest night of the current 35-night harness meet Saturday as 7,083 fans wagered

\$407,276. Through Saturday, the 12th night of the season, a total of \$3,472,181 has been bet at the local track for an average nightly mutuel handle of \$289,348.

Betting is up 1.2 per cent compared to 1965 when the total mutuel handle through the first 12 nights was \$3,430,573 for an average of \$285,881.

Attendance stands even with the 1965

# 'Meet Candidates' Wednesday

A "Meet the Candidates" night will be held in Northville Wednesday evening, July 20 at eight o'clock in the junior high school gymnasium (community building).

The program is being sponsored by the Northville Community Chamber of Commerce and is co-chairmaned by Dempsey Ebert and John Canterbury. Thirty candidates who will be seek-

ing office in the August 2 primary have

been invited to participate.

Acting as moderators will be Northville Municipal Judge Charles McDonald and William Sliger, Record publisher. Invitations to participate in the pro-

gram have been sent to all candidates in the August 2 primary for Northville township offices, for state representative, state senator and the U.S. house of representatives from districts serving the city and township of Northville.

Each candidate will be introduced and make a statement of three minutes. Time will then be allowed for written questions from the audience.

Refreshments will be served following the formal program.

Most of the candidates have already accepted invitations.

The list includes: Northville township—Joseph Fiorilli

(D), R. D. Merriam (R), supervisor;

Mrs. Eugene Guido (D), Mrs. Crispen Hammond (R), Mrs. William Smith (R), clerk; A. M. Lawrence (R), Wilson Tyler (R), treasurer; Thomas Armstrong (R), Bernard Baldwin (R), Mrs. Harold Price (R), Gunnar Stromberg

(R), trustee. State senate, 14th district - Earl Demel (D), Paul Livingston (D), Louis Odette (D), George Kuhn (R), John Mac-Lellan (R), Carl Pursell (R), state rep-

resentative, 35th district - Marvin Stempien (D), Louis E. Schmidt (R), state representative, 60th district -Theodore Goupil (D), Dwight Lawler (D), Clifford Smart (R); U.S. congressman, 2nd district - Weston Vivian (D), Marvin Esch (R), George Meader (R); U. S. congressman, 19th district -Billie Farnum (D), Richard Kuhn (R), Jack McDonald (R), Larry D. Vander-Molen (R).

# Randolph, Detroit Water Strike Delays City Projects

Problems are plaguing the city's program of improvements on Randolph street.

A strike by laborers is delaying the project that had been scheduled for completion by August 20.

And failure to negotiate purchase of property at the west end of Randolph will leave the improved street with a sharper curve than had been originally designed.

The strike of laborers may also delay the switch to Detroit water, scheduled for the last week in July.

City Manager Frank Ollendorff said Tuesday that installation of the sanitary sewer on Randolph street will be completed this week. The line, which will serve the city's northwest area, is being installed from the intersection of Randolph and Eight Mile along Randolph to Center street.

It will be continued northward on Center (along the west sidewalk) to Rayson and then east to Hutton where it will connect to the interceptor at the mill pond. Ollendorff said this portion of the line is slated to be completed by September 1.

But storm sewer installation and paving of Randolph has been delayed by the strike. Meanwhile, the manager said, some work is being done on replacing the Randolph bridge and culvert.

A snag in negotiations with James Cutler and Earle McIntosh, owners of property at the curve at the extreme west end of Randolph, prompted the council to decide to reduce the proposed straightening of the street.

At a Tuesday, July 5 meeting of the council Mayor A. M. Allen reported that two strips of property could be purchased from Cutler and McIntosh for \$1,000 a portion of adjoining city property and some fill from project excavating.

Councilman John Canterbury said he thought their price was "too high", but that he was willing to go along with the proposal.

At a meeting of the council on the next evening it was reported that the price had been changed to \$1,500, all of the adjoining city lot, and payment of the \$452.47 assessment against the property for improvement of Randolph. An alternative was purchase of the lot and existing house for \$9,800.

The manager recommended that the proposal be dropped and the road be widened and moved to the south only 30 feet instead of 50 feet as planned. The council agreed.

A similar parcel of property some 257-feet long and triangular shaped from 10 feet to 35 feet - was purchased for \$1,000 from Miss Ada Knight. This property lies west of the Cutler-McIntosh site and provides for reduction of the curve at that point.

The council approved a contract with the city of Detroit for water at its July 6 special meeting. Manager Ollendorff said that all materials for installation of the line to bring Detroit water to the city tower is scheduled to arrive Friday.

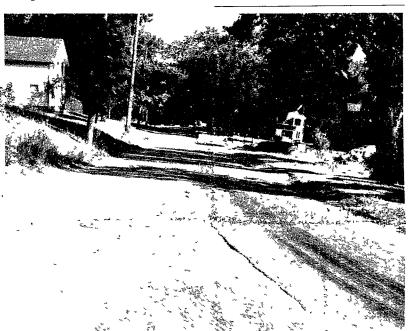

#### Heslip Again

Arthur Heslip, 42680 Nine Mile road, was elected president of the Novi board of education this past week. He succeeds William MacDermaid, who

remains a trustee. Other new officers of the fivemember board include Russell Taylor, secretary, and newly elected Trustee

Bruce Simmons, treasurer. Fellow board members have elected Heslip to the top post four times in the 10 years he has served on the Novi

When the strike is settled, the line can be installed within seven days, the manager added.

ALL'S QUIET-A strike by laborers and underground workers has brought most work on Ranolph street to a halt. The strike also threatens to hold up city conversion to Detroit water. A line connecting the Detroit main

at Baseline and Center must be installed to the water tower, It's about a seven-day job, when the strike is settled, City Manager Frank Ollendorff reports. Then Detroit water will flow into Northville water lines.

# Summer Program Aids 120 Students

Something exciting and creative is taking place this summer in Northville.

Through the cooperative efforts of teachers, parents and teacher assistants, 120 selected children, seeking extra academic help, are learning certain essentials that hopefully will make them better students when they return to school in the fall.

The children, who are in grades one through eight, are enrolled in a 14-day program at the Amerman Elementary school which began June 27 and will terminate July 15. Called the "Diagnostic Instructive Program," it is being completely financed by \$18,800 of federal funds.

What makes this experiment in education particularly unique is the fact that it approaches the ideal.

Class size is held to a low of 11 to 15 students, in contrast to normal loads of 25 to 35 during the regular school year, and each of the 10 classroom teachers has an aid, either a collegebound student or a parent.

Supporting the classroom teachers is a teacher who heads the testing program, a reading consultant, a psychologist, a teacher and a parent observor, two secretaries and three bus drivers, making a total of 32 staff members in all to service the program.

Heading the project is Milton Jacobi, who will assume his duties asprincipal of the new Eight Mile road elementary school now under construction and scheduled to open in the fall.

It is the low pupil-teacher ratio that is of paramount importance. The class room teacher has the time to devote special attention to students who need it, thereby helping him to develop much needed skills for successful classroom performance.

Concurrently, and perhaps more

significantly, the teacher, through close contact with the student, establishes a rapport and even love that is the springboard of learning. This is the

President Wilfred Becker presented a lengthy, ambitious challenge to the board of education Monday evening. The challenge came in the form of

In an effort to spark greater esprit

de corps and stimulate fresh educational

ideas within the school district, Board

12-Month School

a five-page review of the past year's school problems together with an outline of educational needs, which he read and directed to the board and to the public.

Highlighting the challenge are these goals: . 1. Operation of schools on a 12-

month basis. 2. Retention of teachers as "12month professionals".

3. Changes in curriculum, scheduling and organizational structure of schools - "to more nearly achieve the ultimate goal of individual instruction."

Even before adoption of a 12-month program, he said, the board and public

1. Flexible scheduling to permit large and small group instruction and varying class lengths on the secondary

level. 2. After school use of academic areas for independent study and research.

3. Use of paraprofessionals to relieve teachers of non-teaching duties. 4. A co-op program, even if only on

a limited basis. The board president prefaced his als outline, in part, with these re-

"In past years, the boardhas closed ranks and supported whatever action was taken by the majority. This is as it must be. During the past year, however, the community has gotten the impression that there was dissention between members of the board relative to the millage request, the ungraded school plan, and the superintendent. As a consequence much uneasiness, uninformed though it was, permeated the residents

Urged by Becker of the district with near disastrous

> "... Unless the community, the school board, the administration and the teaching staff can work together as a team on the business of education, the students will be the losers."

> Concerning his proposed 12-month school program, Becker said the district can no longer afford the "luxury" of shutting down schools for more than 20-percent of the year.

> "Eventual use of schools on a 12month basis is a certainty - and with parents' vacation time spread over the entire year, a full program over a full 12 months will probably be the eventual

> evolution of school scheduling." Becker suggested that the program could include pre-kindergarten programs, remedial classes, classes limited during the school year - such as typing, art and shop - because of facilities, and combined classes not normally taught such as the production of a Broadway musical involving drama.

> stage design, music and costuming. Such a program would permit students to take additional classes that they might not otherwise be able to work into their classes, he said. He cited the case of a music student taking art, home economics or shop as an

> Also, the 12-month program would necessarily involve teachers in curriculum workshops, planning, articulation between levels, and in the development of teaching aids and materials for the

example.

#### Longridge To Direct **Athletics**

David Longridge, Northville high school coach for the past five years, was appointed athletic director this

week by the superintendent of schools. Superintendent Alex Nelson announced the appointment following his recommendation to the board of education Monday that the post of athletic director be continued.

Until his appointment and Nelson's recommendation, there was some of-ficial consideration of abandoning the position after the resignation of Al Jones was presented to the board.

According to Nelson, Longridge will continue to coach the varsity basketball team. He may also be an assistant football coach.

As basketball coach Longridge compiled a record of 46 victories and 24 losses in league play, good for two first places, and a 62-35 overall record. In addition, his basketball teams copped three district titles and one regional

Longridge quarterbacked Eastern Michigan university to one of its most successful seasons - a team which included Alex Klukach, the new head football coach, and Chuck Shonta, former wrestling coach here and defensive back with the Boston Patriots.

He played basketball and football at Fordson high school in Dearborn before entering Eastern where he obtained his bachelor's in physical education and eventually, his masters.

A physical education teacher at the high school, he is married, living with his wife, Margaret, and a daughter at 523 Reed Court.

the continual up-grading and ever changing curriculum. I believe my strongest areas are efficiency and con-

# Narrowed to Pair

didates, two men - still unnamed were recommended Monday to the board of education to fill the principal vacancy at the high school.

Members of the board agreed to interview both men later this week before making a selection.

The new principal will fill the post vacated by Fred Stefanski, who has taken an administrative position with Schoolcraft college, Earlier, Ron Horwath was named to replace LaGene Quay, who also has left the system,

as assistant principal. According to Superintendent Alex Nelson, 27 of the 52 candidates were interviewed prior to his narrowing the list to two men. Along with his recommendation, he presented the board with an outline of the guidelines he used in

Neither of the men recommended is from within the local school system. Both have master degrees and are

well on their way to obtaining doctorates, and both have experience as principals.

making his selections.

Concerning experience, noted that several candidates with doctorates did not have adequate experience. And, according to the superintenance in his evaluation of the candidates. If the board finally selects one of

Nelson's two recommendations, they will be picking a man who is in his early 40s, a man who is married with three children, and a man who has gained at least part of his education in Michigan institutions of higher learn-

Both have teaching experience, and both served in the armed forces during World War II.

Without revealing the candidates' names, Nelson reported the following as statements made by the two men as to what they would contribute:

"I will bring to Northville an experimental stance, an attitude of accepting the challenge of relating education to real life, to achieving a sense of fulfillment for each individual student and teacher. I will bring an attitude that has deep conviction in the Jeffersonian concepts of democracy and the importance of interaction through sound group dynamic practices in bringing about change."

And, "The necessary leadership in

# about WOMEN

# Engaged

At a garden party July 7 Mr. and Mrs. Robert M. Nelson of Redford township announced the engagement of their daughter, Dianna Lee, to Seaman Ernest Lamb, son of Mr. and Mrs. Murl L. Lamb of 20005 Westview Drive.

A January wedding is planned.

The bride-to-be is a 1964 graduate of Thurston high school and is presently employed at Barcol Overdoors of Detroit. Her fiance is a 1964 Northville high graduate, and is stationed at Corpus Christi.

Mr. and Mrs. Martin Kushner of Colver, Pennsylvania announce the engagement of their daughter, Carol Anne, to Willard J. Bellinger, son of the Owen Bellingers of Walled Lake.

Miss Kushner is a graduate of Mercy College School of Nursing in Johnstown, Pennsylvania. Her fiance is a Northville high school graduate, and attended Ferris State College.

An October wedding is planned.

#### Wunsch -

#### Wakenhut

Anne Elizabeth Wunsch and Gary Wynn Wakenhut were married June 11 at Omena Presbyterian church in Traverse City. The Reverend Donald Ferguson performed the ceremony with the Reverend Lloyd Brasure of the First Presbyterian Church of Northville assisting him.

The bride's parents are Mr. and Mrs. Richard E. Wunsch of Traverse City, and the bridegroom's parents are Mr. and Mrs. Wynn W. Wakenhut of 22351 Connemara Drive.

The church was decorated with white lilacs and spirea for the service. Diane Brasure was the organist.

The bride was attired in an egg shell A-line gown with Italian cut work accenting it. A matching linen bow held a short veil. She carried a white prayer book covered with sweetheart roses.

Judy Stevenson, the bride's cousin, was maid of honor in a yellow dotted Swiss sheath, and a yellow and white daisy tiara. She carried a yellow daisy

Bridesmaid was Martha J. Wunsch, the bride's sister. Her gown was of blue and white linen. Her flowers and tiara were made of daisies like the maid of honor's.

The groom's brother, Alan Wakenhut, served as best man. Three of the bride's brothers, Richard, James and John Wunsch, and Wendell Thomas

For the wedding Mrs. Wunsch wore a pink A-line linen dress with matching accessories and a pink orchid corsage. Mrs. Wakenhut was dressed in a maise silk shantung sheath with mint green accessories and a cymbidium orchid

A buffet supper followed the service at the home of the bride's parents. Guests attending from Northville were Mr. and Mrs. Phillip Nauman, Mr. and Mrs. Jack Blackburn and son John, Mr. and Mrs. Crispen Hammond, and the Reverend and Mrs. Brasure, and Neal, Leslie Anne and Diane Brasure.

A trip through Michigan was the newlyweds' honeymoon. They are now making their home in Long Lake.

The bride is a June 1966 Michigan State University graduate. Mr. Waken hut is a 1962 graduate of Michigan

school system.

Mr. and Mrs. Ronald Paul Rumble

Mr. and Mrs. Richard Willing

#### Hubbard — Willing

The Lincoln Park First Methodist church was the setting for the June 25 wedding of Richard Willing and Linda Hubbard. The Reverend George Q. Woomer officiated at the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Harry E. Hubbard of Lincoln Park, and Mr. and Mr. M.J. Willing of 19300 Smock.

An empire gown of satin peau was worn by the bride. The basque bodice of re-embroidered Alencon lace featured a scalloped neckline and elbowlength sleeves. A floor-length A-line skirt extended into a chapel train.

An elbow-length veil and circular headband of Alencon lace completed her attire. She carried an arrangement of daisies and roses.

Maid of honor was Susan Hubbard the bride's sister. Bridesmaids were Diane Ulrich, Linda Locke and Mrs. Patricia Brandon, the bridegroom's sister, of Northville.

They wore floor-length gowns featuring yellow bodices with rounded necklines and elbow length sleeves, and white skirts accented by yellow panels in back.

Flowergirl Lynne Gorrell donned a floor-length gown of yellow and white linen. Christopher Lee Brandon of

Northville served as ringbearer. Assisting as best man was Cyril Nichols. Ushers were Russell Harvey, David Lutcha and B. J. Brandon of Northville.

For her daughter's wedding Mrs. Hubbard chose a turquoise crepe and lace sheath with matching accessories. and a corsage of pink roses. Mrs. Willing wore orchid chiffon over taffeta with matching accessories, and a white orchid corsage.

Following a reception in Lincoln Park, the couple left for a two-week honeymoon in northern Michigan.

The newlyweds are graduates of Eastern Michigan University. The original was affiliated with Sigma Sigma Sigma sorority, and the bridegroom was a member of Theta Chi fraternity.

Both will be teaching school this fall. The new Mrs. Willing has accepted a position with the Wayne public school system. Her husband will be teaching at Northville high school.

#### Kleinheksel - Rumble

Wearing her mother's floor-length gown of ivory fraille with satin applique, Kathleen Lou Kleinheksel became the bride of Ronald Paul Rumble June 18.

The gown was fashioned with a full skirt and long sleeves. The bride's headpiece was a chapel-length illusion veil held by a crown of pearlized orange blossoms.

The daughter of Mr. and Mrs. John Henry Kleinheksel of Holland, she was given in marriage by her father. She carried a cascade of daisies. More daisies, as well as gladioli

and tree candelabra decorated Hope Church in Holland for the double ring service performed by the Reverend William Hillegonds. Soloist was Harley Brown who sang "I Love" and "The Lord's Prayer".

Mrs. Arvin Visser, the bride's sister, was matron of honor. She was gowned in a floor-length sheath of mist green. The empire bodice was outlined with tiny velvet rose buds.

#### Ruland — McMillan

Mrs. William Ruland of 48155 Rushwood. Mr. and Mrs. John McMillan of 23757 Maude Lea Circle are the par.

ents of the bridegroom.

Wearing gowns of jonquil yellow styled similar to the matron of honor's were bridesmaids Karen Rumble, the groom's sister, Susan Davey, Chris Cameron, and Kathy Kooinan.

The bride's mother wore a powder blue linen dress with celery green accessories. Mrs. Rumble was outfitted in a champagne colored lace suit.

Serving the groom, who is the son of the Ronald R. Rumbles of 24350 Borderhill, Novi, as best man was Chris Shatta, Ushers were Robert Lifsev. Jack Kleinheksel, the bride's brother, Clay Rumble and Tom Robson. Following the ceremony, 250 guests

attended the reception in the church. The new Mrs. Rumble chose a pink

knit sheath with white accessories for a wedding trip to northern Michigan. The bride is a student at Western Michigan university where she is affili-

ated with Alpha Chi Omega sorority. Her husband, also a student at Western Michigan, is a member of Phi Sigma Epsilon fraternity.

A candlelight ceremony united Marcelaine Ruland and Jon Alan McMillan in marriage on Saturday, July 2. The Reverend C.B.W. Maddock performed the double ring service at St. Anne's Episcopal Church, Walled Lake.

The bride's parents are Mr. and

Charlaine Ruland was her sister's

The groom's brother, David Mc-Millan, served as best man. Ushers were Phillip McMillan, another brother of the groom, and William Ruland, the bride's brother.

A reception followed the ceremony at the home of the bride's parents in Echo Valley subdivision.

The newlyweds will live in Bangor, Maine where Jon is stationed with the Air Corp.

#### Car Demolished **But Motorist Escapes Injury**

A Northville motorist miraculously escaped injury early Monday morning when his car was demolished in smashing through steel railroad girders, a road guardrail and a business sign at Novi road at the C&O railroad crossing.

Randall L. Suobliere of 1031 Canterbury walked from the wreckage to the Standard service station, a half-mile away, to report the accident shortly after 1:30 a.m.

According to Novi police, Suobliere apparently fell asleep at the wheel while traveling south on Novi road.

The car crashed through steel girders protecting the railroad crossing signal, smashed into the road guardrail on the opposite side of the tracks, tore down a Stricker Paint Product, Inc. sign at 25345 Novi road, and plunged into the ditch some 214 feet from the point

where the car first left the road. The car, a convertible, was demolished. Total damage to car, rails and sign was conservatively estimated at \$1,300, police said.

Early last Saturday morning another car plunged into the ditch in the same vicinity following a police chase at speeds of more than 120 miles per hour.

Novi police observed a car, driven by Robert W. Vandersys, 22, of Sault Ste. Marie, traveling south at a high

rate of speed. Giving chase, police followed but lost sight of the car beyond Nine Mile road. Half-way to Eight Mile, the car sped back past the patrol car going north. Turning around, police chased the vehicle at the patrol car's maximum

speed of 120 MPH and, as the fleeing car pulled away, they radioed aheadfor a roadblock at Grand River. Police said Vandersys observed the flashers of the roadblock patrol car and apparently stopped at the C&O tracks and was about to turn down the tracks when they pulled him bodily from the

His car, in gear, then plunged into

the ditch. Vandersys was ticketed for drunk

driving.

Three youths suffered minor injuries Sunday when their car rolled over on 13 Mile road near Endwell. Treated at Pontiac General hospital

for cuts and bruises were the driver. James Pringle of Pontiac, Roger Patrick of Walled Lake and Verdie Spicer of Jackson, Kentucky.

According to witnesses, the driver lost control of his car in loose gravel and it flipped over several times, coming to rest on its top against a utility

#### Lightning Sets Fire

Lightning struck the roof of a duplex apartment house at 547 Fairbrook during one of Tuesday's rain squalls. Northville firemen quickly extinguished a small attic fire.

According to Mrs. Arthur Booth, who lives in the apartment, she heard a sharp crack when lightning apparently hit an electric wire leading to the attic. Then she said she heard a sizzling sound and immediately called firemen at 2:30 p.m.

stationed at Fort Knox. Mike graduated from Northville high school in 1965.

#### \*\*\*\*\*

The Winnona Club will meet this Friday at 1 o'clock at the home of Mrs. Matthew Boring, 48855 West Seven Mile. A potluck luncheon will be served.

Mr. and Mrs. Richard Norton and Mr. and Mrs. Richard Kernozeks of the Northville Jaycees attended the National Jaycee Convention recently in Detroit. The Northville delegation served as primary hosts to a large group from South Carolina during the

week-long activities.
Past president Richard Norton was recently notified by the chairman of the state Jaycee judging committee that he had been chosen as the sixth outstanding local Jaycee president in Michigan. \*\*\*\*\*\*

Robin and Peter Couse, children of Mr. and Mrs. Blake Couse of 45385 Nine Mile, will celebrate their birthdays next week. Robin will be 12 and Peter 6. Their grandparents are Mr. and Mrs. Walter Couse of 45875 West Seven

Mr. and Mrs. James Cowie will celebrate their twenty-sixth wedding anniversary July 20.

A reminder to members of the Senior Citizens Club - A trip to Bob-Lo is planned tomorrow at 9 a.m. Yesterday the club saw the matinee performance of "Annie Get Your Gun" starring Ethel Merman at the Fisher Theatre.

#### 3 Local Artists **Exhibit Wares**

Three local artists will have exhibits in the seventh annual Ann Arbor Street Art Fair July 27-30.

Linda Kate Edgerton and Kate Edgerton of 571 Randolph and Chris Stoffel Overvoorde of 53 Brookside will be among 350 artists from Michigan and 10 other states participating in the show.

Colorful Japanese paper fish will fly over the booths stretched along a three block section of South University and East University Avenues. The section will be closed to traffic during the fair's duration.

Browsing hours are 9 a.m. to 10 p.m. weekdays and 9 to 6 on the closing Saturday.

Demonstrations will be given throughout the fair in glassblowing, wheel-thrown pots, stitchery, seri-graphs, painting, jewelry, welding, lettering, theatre and many other art

#### **Northville Hires** 6 New Teachers

Six new teachers were added to the Northville teaching staff and one resignation was accepted with qualificationsby the board of education Monday night.

The new teachers and their teaching assignments are:

Mary Bray of Grosse Pointe, high school English; Lawrence Dziobak of Garden City, junior high school science; Joyce Paradine of Detroit, sixth-grade science and math; Omar Harrison of Vanceburg, Kentucky, junior high school science; Delbert Burson of Lincoln Park, sixth grade science and math; and Jefferson Riddell, high school Eng-

The resignation of Roy A. Herald as junior high school shop teacher was accepted provided the school is able to secure a replacement.

According to Assistant Superintendent Raymond Spear, four teaching vacancies remain to be filled, including shop, high school counseling, junior high special education, and kindergar-

Spear said a total of 28 teachers left the school system this year.

# JOHN A. Mac LELLAN

State Senator 14th District Republican — Primary Aug. 2nd A First-Class Candidate - For 1st Class District

AUXILIARY DONATION-An enthusiastic group of Northville State Hospital auxiliary paused during their annual picnic recently to present checks exceeding \$1,400 to Dr. Richard J. Lilly, assistant medical superintendent of the hospital. In the picture (I to r) are Mrs. George Schueder, vice pres-

ident: Mrs. John McGraw, vicepresident in charge of membership; Mrs. James J. Sugrue, treasurer; Mrs. Lawrence Wright, hostess; Mrs. Robert Lang, president; Mrs. Allen Buckley, corresponding secretary; Mrs. Kendell Kaufman, treasurer; and Dr. Lilly.

to continue her education major. Ac-

cording to Diane, Concordia is a "dar-

ling" little college attended by 500

students.

"Busy" is the keyword for this group of local college students. Whether studying, working or vacationing, they are always on the go.

SALLY, TERRY and JACK WINNER are all very busy this summer. Sally, who went to Central Michigan this past year, is now working for Co-polymer Chemicals Inc. in Livonia. Shopping is one of her favorite pastimes in "nonworking" hours.

Terry, who studied at Schoolcraft College, is working at Lapham's Men's Shop, as he has done for the past few

A June graduate of Northville high school, Jack is working for Belleville Point. His job includes keeping the grounds and gardens in shape. He will attend Ferris State college this fall.

Their parents are Mr. and Mrs. Gilbert Winner of 24003 Heartwood

Busy almost seems an understatement for DIANE RATHERT's breathless pace of activities. She is working as secretary to Milton Jacobi, the principal of Amerman school, during the four-week summer school program for first through eighth graders.

Besides her secretarial duties, she has helped with the children a few times. For instance, she traveled with 40 of the pupils last Wednesday when they visited Fort Wayne in Detroit.

After the session is over, she plans to work for her father, Ken Rathert of Northville Insurance Agency, for the rest of the summer. She helps him out on Saturdays now.

Four nights a week she is taking a summer reading course at Schoolcraft, and enjoys it very much.

She also enjoys playing the organ at the Lutheran church here. She has taken piano lessons for two years, but just started playing the organ in December. Now she says she could play "for hours and hours" at a time.

In the fall she is returning to Concordia Lutheran College in Ann Arbor

#### What will the others be worth a year from now?

The Cadillac car holds its value far beyond any other automobile at or near its price. Let your Cadillac dealer explain today why now, more than ever, it's great . . . going Cadillac!

There is one simple way to measure the worth of any other luxury car: compare it to the way a Cadillac keeps its value. For Cadillac is the grand champion in this most telling of all motor car tests—and at resale returns a higher percentage of its original cost than any other car built in the land. There are many reasons. The first is Cadillac quality—recognized wherever automobiles are known. Then there is Cadillac beauty and luxuryso advanced that the car retains its desirability long after others have lost their appeal. And there is Cadillac safety, performance, dependability and operating economy. What will your car be worth a year-or even three years-from now? If it's a Cadillac, the answer is predictably pleasant. Get the facts today from your authorized dealer. He's an expert in serving the world's most demanding motorists-and his interest in your complete satisfaction will continue throughout your ownership. Isn't it time you put a Cadillac in your life?

SEE YOUR AUTHORIZED CADILLAC DEALER FOR THE FINEST IN SALES AND SERVICE OF NEW AND USED CARS.

ALCOHOLICS ANONYMOUS meets Tues-day and Friday evenings. Call 349-3458 or FI 9-1113. Your call kept confidental.

I WILL not be responsible for any debts contracted by anyone other than myself after July 9, 1966. Douglas B.

SEND Farmington's Larry VanderMolen to Congress. Nineteenth district. Vote Republican in the August second primary.

Potato Salad 4 medium-sized potatoes 34 cup salad dressing teaspoon salt

2 tablespoons chopped onion ½ cup finely cut celery chopped

Cook potatoes whole in the skins; peel and dice. Add salt, onion and celery; mix gently, add salad dressing and mix lightly again. Cool for 3 to 5 hours before serving.

Protect exterior plywood by sealing the edges, priming the panels before they are put into place and using quality exterior paints. For edge sealing, use a heavy coat of lead and oil paint.

#### Girls Lead Way in Track Meet Chuck Keegan placed in each of the three events in which he entered. He

club in the summer recreation program ran away with first and second places in the 100-yard dash at Dearborn high

They are Cindy Sterling, a summer visitor to Northville from Kansas who grabbed first place with a time of 13.1, and Dorothy Shipley, second place with a time of 13.4.

In the boys' division, Northville's

placed second in the 220-yard dash with a time of 23.6, second in broad jump with a leap of 19 feet, 6 inches, and fourth in the 100-yard dash at 10.7.

Bill Harrison, also of Northville, won the mile event with a time of 4:54. In an earlier meet at Cranbrook,

Harrison and Keegan grabbed third and fourth place honors in a field of 300

VACATION WINNER-This week's winner of the weekly vacation-paid contest sponsored by 20 Northville merchants was Donald Royal of Walled Lake. Marvin Monson of

Monson Trailer Parts company, 200 South Main, presents the certificate to the Royals that entitles them to a free weekend at any Albert Pick Motel or Hotel.

boys. Harrison was third in the 440 at 52.4. and Keegan was fourth in the 100-yard dash at 10.6.

In the same competition, Al Earhart surprised himself and Coach Ralph Redmond by taking third place in the pole vault. He vaulted 10 feet even, barely missing his best jump this season of 10 feet, 6 inches. In addition, he came up with a fourth in the low hurdles.

According to Redmond, there are still plenty of openings in the track club for both girls and boys. Any of them may compete in the meets to be held through August 6.

Practice sessions are conducted Monday and Wednesday from 6:30 to

8:30 p.m. and Saturday, 9 to 11 a.m. The next meet will be held Saturday at Belle Isle, with recreation sponsored teams from throughout the Detroit Metropolitan area competing.

#### Free Races

Like to see the races just for the fun of it?

Northville Downs announced this week that the public can enjoy harness racing free at qualifying races held

each Tuesday and Friday at 11 a.m. The public is welcome. Children must be accompanied by adults.

#### Northville Township Minutes

Northville Township Hall Tuesday, July 5th, 1966

Meeting called to order at 7:38 p.m. Members present: R. D. Merriam, Supervisor; Marguerite N. Young, Clerk; Alex M. Lawrence, Treasurer;

Wilson D. Tyler, Trustee. Member absent: James H. Tellam, Trustee.

Consultant: John Ashton, Township attorney. Visitors: Mr. Peterson of the Northville Record; Mr. Ziemet of the Bert

L. Smokler Co.; approximately six township residents. No questions or corrections, the minutes of the regular township board meeting of June 7th and special meet-

ing of June 13th, 1966 were accepted as written. Treasurer's report was read - no questions - approved.

June office receipts and Water & Sewer Commission receipts and bills payable for township and Water & Sewer Commission were reviewed. Trustee Tyler moved the bills be

paid. Treasurer Lawrence seconded. Motion carried unanimously. The building inspector's report was

reviewed. Planning commission minutes of June 9th and 28th, 1966 and Appeal Board minutes of June 9th, 23rd and 28th, 1966 were discussed and accepted. OLD BUSINESS

1. Bert I. Smokler agreement for sewer taps. After reading of agreement and discussion, Trustee Tyler moved the adoption of the agreement with Bert L. Smokler company and that the Supervisor and Clerk be authorized to enter into the execution of same. Treasurer Lawrence seconded. Motion carried

unanimously. 2. Easements - Northville State hospital. Supervisor Merriam advised the board that after having had assurances from the state of easement grants across state hospital property, it devoloped that it would take an Act of Legislature to grant these. This information came too late for action during the last session of the legislature so he had contacted State Representative Stempien who had a resolution drawn by the Legislative Service Division and approved by the Attorney General to allow the easements. The resolution was read and discussed. Supervisor Merriam further stated that he had an appointment with Mr. Voidt, Engineer Department of Mental Health and the Attorney General on Friday, July 8th, 1966 to enter into an agreement with the state and would like a resolution from the township board giving him

authorization to proceed. Trustee Tyler moved the adoption

of the following: Be it Resolved, that R. D. Merriam, Supervisor of Northville township, be authorized to enter into an agreement with the Michigan Dept. of Health for right-of-entry or other such documents to construct a sanitary sewer on Michigan State Hospital property, subject to the approval of the township attorney. Clerk Young seconded. Motion carried

unanimously. 3. Resolution - Purchase of Interceptor capacity. Resolution #63-21 authorizing Supervisor Merriam to proceed in purchasing one CFS of the reserve capacity of the Rouge Valley Sewage disposal system was brought to the

board's attention and discussed. 4. Gerald Avenue. General discussion was held with Attorney Ashton being asked for legal advice. He stated that 'It is the supervisor's duty under the law to enforce the township ordinances and the next step was to file suit in the Municipal Court."

Supervisor Merriam directed Attorney Ashton to start action. NEW BUSINESS

1. Resolution - Fees - Deposit for sign permit. Resolution #66 - 19 referred to the BOCA Basic Bldg. Code Section 120, 1402.2 and 1408 requiring a bond with issuance of a permit for installation and maintenance of a sign or bill board. Trustee Tyler moved the adoption of Resolution #66 - 19. Treasurer Lawrence seconded. Motion carried unanimously. 2. Grieger - Special assessment

district for sewer. Supervisor Merriam informed the board that the Grieger

Property on Northville road washaving sewage problems. He had notified Mr. Adelson of the Wayne county health dept., who had come out and inspected the property and had told Mr. Grieger that he would have to have an adequate sewer installed. Mr. Grieger wasgoing to present a petition to the township board for installation of this sewer as soon as it was decided how many people would be taken into this Special Assessment District.

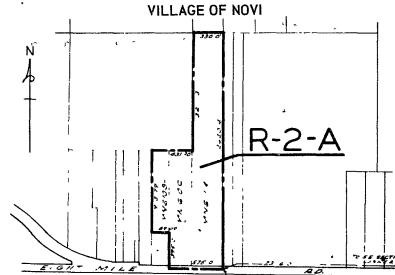

3. Recommendation of Planning Commission on rezoning property at Beck road and Six Mile road from R-2 to R-M for purpose of Mobile Home project.

Letter of transmittal from the Planning Commission to the township board was read and discussed at some length.

Treasurer Lawrence stated that in view of the very thorough review by the township planning commission not only at the public hearing but the study of the matter since then, "I move that we accept their recommendation that the request of Mr. Lapham to rezone the land located approximately at the N.W. corner of Six Mile and Beck road, be denied for the reasons stated by the planning commission. Clerk Young seconded. Motion carried unanimously.

No further business, the meeting was adjourned at 8:50 p.m. Marguerite N. Young, Clerk.

BATTER UP-Les Branch, one of 15 youths selected to play on the Novi Little League All-star team, gets a batting tip from Allstar Manager Jack Van Wagner.

Catcher Roy Callan looks on. Practices began this week for Novi's scheduled clash with the winner of the Milford-North Farmington game next Wednesday.

#### Klukach To Head Northville Grid Team

Alex Klukach, assistant football coach at Northville for the past six years, will take over the head coaching job when practice for the 1966 season

Although his assistants have not been chosen, five candidates are being considered. They are Dave Longridge, former coach at Northville, Ralph Redmond, Robert Powell, Richard Willing and Paul Osborne.

Klukach will succeed Ronald Horwath, who was appointed assistant principal at the high school after serving

#### Four Teams **Deadlocked** In Knothole

By upending the previously undefeated Athletics, 9-2, the Pavers threw the Knothole baseball league into a scramble with four teams tied for first

Pitcher Steve Greggs was the key figure in the Pavers' win. The Athletics, Pavers, Angels and Dodgers all have 3-1 records.

Joe Bishop, who hurled a no-hitter his last time out, pitched the Dodgers to a 13-7 victory over the Pavers. It was Bishop's third win,

Behind the four tied for first come the Giants (2-2), the Yankees (0-3) and

In Knothole softball, the Cubs and Tigers continued their battle for first

place. The Cubsare 4-0, the Tigers 3-0. There simply was no stopping the Cubs as they won two games, beating the Panthers, 21-0, and the Clippers, 6-3. In four games, the Cubs have averaged 14 runs per contest.

The Tiger's kept pace by winning their only ball game, 17-2, over the Lions. Tigers' Gary Cole hurled his third win of the season, and his teammates backed him up with 16 hits.

Trailing the Cubs and Tigersare the Rams (2-1), the Clippers (2-2), the Lions (1-2), the Colts (0-3) and the Panthers (0-4).

as head football coach for five years. Former line coach, Klukach teaches physical education in the junior high school. He is a graduate of Eastern Michigan university where he obtained

a bachelor's and master's degree. While at Eastern, Klukach was a standout lineman, and a member of the basketball and track teams. He was named to the IIAC all-conference football team and to the all-Michigan second team in 1958.

Married, Klukach lives in Dearborn.

Although he resigned as a football assistant when Horwath resigned in the spring, Longridge is now reconsidering but has made no final decision, Assistant Superintendent Raymond Spear said. A backfield coach, Longridge is a physical education instructor at the high school. He is the head basketball coach.

From the remaining four candidates. two of whom have coaching experience. the assistant varsity and junior varsity coaches will be selected, Spear said.

Redmond, a former elementary art and physical education teacher, has coached junior high school football and is the varsity track coach. Assigned to the high school teaching staff last spring, he will teach English and jour-

Powell, who holds a master's degree from Central Michigan university, coached freshman football at his Central last year. Married, he played football. basketball and baseball at Central, and taught for one year in New Jersey.

A graduate of Northville high school and a 1966 graduate of Eastern Michigan university, Richard Willing played three years of varsity football at Eastern. In the last two he was named to the allconference team. He will teach commercial courses at the high school.

Osborne comes to Northville from Farmington where he taught mathematics and Spanish for one year after graduating from Eastern Michigan university. He will

assist Redmond in track. He played football and was a

#### 15 All-Stars

# Novi Set for Wednesday's Tourney Bid

Loaded with heavy hitters, the Novi Little League All-Stars will make their bid for the state title beginning with the district tournament next Wednesday.

Having drawn a bye in the first round. Novi will play the winner of the North Farmington-Milford contest at 5 p.m. at Bond Field, corner of Orchard Lake and 13 Mile roads. If Novi wins, it will play in the semi-finals next Thursday.

Manager of the league leading Jay-hawks, Jack Van Wagner, will handle the all-star team that is dominated by players from four teams. The Jayhawks have four representatives, and secondplace Party Store, Flynn and Smith Electric, three each.

Every one of the 15 boys comprising the regular team, selected from a list of players submitted by their respective team managers, has a batting average of .333 or higher to make this all-star aggregate one of the strongest to enter state little league competition. There are two alternates.

The top hitter and one of the league's best pitchers is Tom Van Wagner. He is hitting at an astronomical pace of .718 (23 for 33) and his pitching record is 6-1.

Only defeat pinned on Van Wagner, a 4-2 decision, came in play last week. Party Store's Steve Bozak gave up only one hit, a home run by Van Wagner, to seal the victory. Van Wagner has hit

six round trippers this year.

Other members of the all-star team and their averages are the Jayhawks' Leslie Branch (.613), Jim Van Wagner, (.527) and John Pantalone (.397); Party Store's Bozak (.444), Mark Lytle (.407) and Bruce Simmons (.346);
Flynn's Gary Colton (.516), Jim

Assemany (.407) and Jim Wilenius (.360); Smith's David Winkler (.500), Richard Erwin (.375) and Chris Byrd (.333) and Paragon's Roy Callan (.467). Alternates are Flynn's Steve Jacques (.444) and the Jayhawks' Dennis Mac-

Dermaid (.296).

More than 70,000 boys, age eight through 12, will compete in next week's district play in Michigan, and there are almost two million playing in little leagues in the United States and 22 other nations.

Novi will compete in district number four which includes all teams in Oakland county. All teams entered in the nine districts in Michigan will be made up of boys selected from league teams.

Novi's Little League season is officially scheduled to end Monday, except for make-up games, and a battle royal is shaping up between the Jayhawks and the Party Store.

Leading the league are the Jayhawks with a 9-1 record, followed closely by the Party Store, 10-2. Each team plays 15 games.

Plymouth Jaycees, 10-9.

After the upset at the hands of the Party Store, the Jayhawks' Cavall pitched a two-hitter in his team's 20-2 victory over Rexall. The Jayhawks rapped out 10 hits, including a triple by Jim Van Wagner and doubles by Branch and Tom Mitchell. Joe Barnes tripled for Rexall.

Erwin was the big gun in Smith's 10-1 trouncing of Party Store. Erwin struck out 16 and gave up only five well-spaced hits, one a double by Bozak. Erwin also clubbed two doubles and Dan Rowley one.

But Party Store didn't stay down long, bouncing back to whip Smith, 13-6, behind a 10-hit attack. Bozak had two doubles and a triple, Lytle a triple and Joe Campbell two doubles. Simmons pitched the win, giving up eight hits and doubles to Erwin and Dale

Flynn went on a slugfest, pounding

out victories over Rexall, 13-8, and Paragon, 19-14. Assemany hurled the first victory, limiting Rexall to six hits, including doubles by Jerry Primeau and Joe Barnes. Joe Colton, Tom Ritter and Assemany led Flynn with a triple

and double each. Steve Jacques tripled. In Flynn's victory over Paragon both teams rapped the ball all over the lot. Assemany hit two doubles, and Fred Wood, Ron and Jim Wilenius and Jacques one each to pace the 12-hit Flynn attack. Paragon slammed 15 hits, including a triple by Tom Shillito and a double by Callan.

#### Game Bloom's Give League Leader Tustle

Fisher Shoes protected its unblemished record and slim lead in the class E recreation league, but Northville's Bloom's Insurance nine gave Fisher fits Monday night.

Having scored 106 runs in its previous six wins, Fisher barely eked out a 4-3 victory. Two unearned runs in the first inning against Bloom's pitcher, Jeff Taylor, plus a good throw at the plate that nipped a Bloom runner in the sixth inning preserved the win for

Fisher also had its troubles against the Spagy T-Birds July 6, winning the game, 7-4. Fisher scored three times in the sixth inning to ice the game. Pat Cayley and Stan Nirider with two hits apiece paced the Spagy attack,

The second-place Novi General Filters kept pace with Fisher by edging Plymouth on July 6, 6-4.

Pitcher Lee Snow banged out two hits, one a triple to score Joe Donner with the winning run. Other Novi players with two hits were Donner, Buddy George and Paul Faulkner. On the strength of some superb

pitching, the Northville Plumbers won twice to stay right on the heels of Fisher and the Filters. Larry Bogart and Bill Griggs both hurled one hitters.

Griggs' was a masterpiece. With two men out and two strikes on him,

the last Plymouth batter sliced a single to ruin the no-hitter. Northville won, 10-1. Monday.

Brian Myers slammed a double and two singles and C. Fox two singles to lead the Plumbers' attack.

Bogart's pitching and Myer's double led the Plumbers to a 4-2 victory July 6 over the Wayne County Training School.

#### **Downs To Hold Trotting Derby**

The 12th renewal of the \$10,000 added Michigan Trotting Derby will be held Wednesday (July 20) at Northville

The Derby, second of the rich events at the Downs, is expected to attract as many as 13 starters. Heading the list is Victory Message, a speedster from Ohio under the supervision of Dick Buxton, who has been going well in the Buckeye State circuit.

Others eligible and quartered at the track are: Amanola, Careless Hanover, Caribbean Song, El Darno, Jan Kaye, Flora Hostess, Zombie's Colonel and Good Pal's Billy.

Avalon Bomber won the event a year ago in the fast time of 2:03.4.

## **Political News** With the August 2 primary date drawing near campaigning candidates are firing releases daily. And Views

What they are saying is reported on this page. Northville-Novi area residents can hear and meet many of the candidates at a public me-eting sponsored by the Northvilla Community Chamber of Commerce

Northyille community building. Some 34 candidates running for township, state and national of-fices have been invited.

headquarters on Main street next to the P&A Theatre. He's shown cutting the ribbon while enthusjastic young Republicans look on. He took time on his tour of the Northville-Plymouth area to visit the Northville Fish Hatchery. Board President W. C. Becker (center, below) and Secretary Stanley Johnston (left) gave the senator a copy of the school district's proposal for use of the 15acre parcel.

STAMP BILL-Jack H. McDonald, chairman of the Wayne county board of supervisors and one of the county officials who have urged the federal government to relinquish funds from the sale of real estate revenue stamps to the county, watches Governor George Romney sign the new piece of legislation. The new bill means an increase in annual revenue of more than \$500,000 in Oakland county and more than \$1 million in Wayne county. McDonald is a GOP candidate for Congress in the 19th district.

# Griffin Opens Local GOP Headquarters

With the LBJ landslide past Republicans are looking optimistically to-

wards better days at the polls this fall. Northville Republicans were buoyed by the appearance of U.S. Senator Robert Griffin Saturday as they opened their campaign headquarters on Main

The senator was first greeted for breakfast in Plymouth, Attending from Northville were E. O. Weber, Mrs. Robert Arlen, Mrs. Margaret Tegge and Connie Tegge.

Weber and William Heffner have been appointed Republican coordinators for the second and 19th congressional districts in Northville, respectively.

In cooperation with the Northville Republican club they are attempting to set up a regular schedule for operation of the new headquarters office.

A meeting has been called for Friday night by the local GOP club to establish both a schedule and a list of volunteers to work in the headquarters. The meeting has been called by Mrs. Beatrice Carlson and is open to all area residents. It begins at 7:30 p.m.

Heffner and Weber issued the following statement at the opening of the

new headquarters:

"We're delighted to have Senator Griffin join all Northville area Republicans in the opening of our campaign headquarters. Senator Griffin's presence heightens our desire for an all-out Republican effort.

"This headquarters is a joint effort for the Northville area. As many citizens already know the city of Northville is in the 19th congressional district and the township is in the second. Thus there are two distinct groups working in a coordinated effort to mobilize the Republican effort in the area.

"It is planned to have the headquarters open from 11 a.m. to 4 p.m. each week day and on Friday evening with longer hours starting in the fall. All Republican candidates are invited to make this the focal point of their campaign in the area and to make literature available. Also we invite all Republicans, independents and disenchanted other party members to assist in this effort. Volunteers are asked to drop in at headquarters, or phone either Jean Arlen, 349-9725 or Marjorie Heffner, 349-4488."

#### Kuhn Asks Income Tax Rebates for School Aid

George W. Kuhn, former Mayor of Berkley for the past ten years, and GOP candidate for State Senate 14th District, sent letters recently to Governor George Romney and U.S. Senators Philip Hart and Robert Griffin urging Federal legislation to return a small portion of Federal Income Tax to the local units of governments and to the school districts.

Kuhn indicated it has been long recognized the financial plight of local governments and dire need of additional tax dollars required to meet the ever growing responsibilities and rising costs of schools. Kuhn proposes that a per capita or 1% of the federal income tax collected be returned and divided between the cities and schools with no strings attached. This would alleviate many serious problems and provide a greater measure of local control over the use of such funds.

Such a distribution of tax dollars on an annual basis would not only be fair but equitable in that all cities, townships and schools would get aid now, Kuhn said. There is no question in the minds of tax experts and public officials that the property tax base is already overburdened and oppressive.

In a recent analysis in U.S. News and World Report it was indicated that local units of government derived 43 cents out of every tax dollar from property taxes and only 2 cents from the federal government. With the Federal tax structure revenues reaching in excess of 7 billion dollars more than expected and the Michigan treasury surplus reaching 154 million as of June 30, 1966, there is now available adequate funds to pay the cost of this program. Therefore, Kuhn urges that Governor Romney establish a State Sinking Fund revolving in nature to administer the allotment of such rebates. Kuhn said it is essential that we realize a better distribution of all tax dollars - particmarly federal tax dollars which is now a major source of revenue collected in the United States today.

## Livingston Wants Private Tax Study

Michigan's fiscal problems have become a three-ring circus of political one-up-manship, Paul F. Livingston, Democratic candidate in the 14th State Senate district primary race, told an audience of West Bloomfield home owners last week. "It's time we took the public pocketbook out of politics," he insisted.

To help solve the problems of the State's confused tax situation, the 42 year old West Bloomfield businessman suggested Michigan retain the Brookings Institute, the private non-profit

#### Vivian Opposes Capitol Change

U. S. Representative Wes Vivian 2nd district, Democrat, has facetiously suggested that the Congress should not stop at merely destroying the West Front of the U.S. Capitol Building, but should go the whole hog, and tear the building down completely.

We could tear down this old building entirely. Then level Capitol Hill, on which it stands, to save the daily effort and shoe leather of those who must labor up the great slope. Then we could commission a brand-new marble masterpiece. For a model, perhaps we could turn our eyes southward, across Independence Avenue, to that great triumph of architectural aesthetics and economic construction - the newest of the House Office Buildings! Mr. Speaker, preserve us from such a fate!" Vivian says.

Vivian opposes the West Front proposal as both the destruction of a historic monument and a waste of public funds. He believes that, if the project goes ahead as now planned, the term 'waste in government", which is daily hurled down Pennsylvania Avenue from Capitol Hill, will "lose all future cred-

#### **Meader Gives** Vietnam Plan

George Meader, former seven-term U.S. Representative of the Second District, outlined a three-point program for Vietnam to Livingston County young Republicans in Howell last week.

I. That the U.S. Government spell out its goals clearly, not only with respect to Vietnam but the cold war generally and announce them in unmistakable terms, both to the American

people and the world.
2. That "news management" be abandoned and that Arthur Sylvester, Assistant Secretary of Defense for Public Affairs, who asserts the government's "inherent right to lie" be dismissed forthwith.

3. That a special Congressional Committee be created to inquire into the conduct of the war in Vietnam.

'It is inconceivable to me," Meader said, "that a country with our resources and sophistication lacks the intellectual capacity to spell out unmistakably our commitment to free institutions and bring an end to the guerilla, jungle-war aggression launched by the Communists against South Vietnam.

organization that prepares studies advancing and encouraging efficient governmental administration.

'At the present time discriminatory taxes against the big as well as the small taxpayer can only lead to economic anarchy, forcing a business drain instead of a business gain," he told the West Bloomfield Estates Homeowners. "The lines of partisanship are forcing both parties to stand on positions unacceptable to the other, thus giving the illusion of a political circus, rather than an image of serious statesmanship. Therefore, I suggest that this mutually acceptable agency be hired to examine and evaluate the fiscal structure of the state and our tax system. Then constructive and valuable recommendations could be enacted with bi-partisan dispatch."

Looking at the State of Michigan's services, Livingston noted there was an immediate need for additional education, public health, recreation and environmental development funds. He said the present system could not hope to generate sufficient revenue.

"To continue to patch together a tax system to support a growing cry for more services will only result in lost industry, a continued brain drain, disenchanted taxpayers, and a State government continually on the brink of disaster," he pointed out.

#### Esch Gets **Local Boost**

The Congressional campaign of Rep. Marvin L. Esch, candidate for the Republican nomination for U.S. Congress (2nd district), has been enhanced in Northville with the creation of the Wayne County Young Republican Esch for Congress Committee.

Chairman of the committee is Bill Arnold, 21, of Plymouth. Bill has been active in the Albion College Young Republicans, where he is a student, and has been appointed to the State Board of College Young Republicans.

Sue Entz of 20300 Beck, Northville, will be coordinating efforts with women's organizations in the Northville area, and Connie Crump of 46735 Timberlane, will be working with Dave McGuire and Mike Kleinsmith of Plymouth on precinct organization.

Others on the county Esch Young Republican committee include Ronald Witthoff, Jim Conant and Sarah Stout of Plymouth and Geoff Rovin of Livonia. Sue Entz reported that the committee

had already participated in a number of activities, including the Fourth of July parade in Plymouth and the Plymouth air show, where the group passed out literature and Esch Indian hats.

Committee chairman Arnold said the group had formed because "we believe Rep. Esch is the type of candidate who appeals to young people, as well as to older people. He is active and energetic, and can make us feel comfortable and a part of the Republican Party, which I believe is important. The party needs candidates who can draw strength from the increasing numbers of young

Arnold also cited Rep. Esch's "fine tatives." where he has been named Outstanding Republican Legislator by the Capitol News Corps.

Advertisement For Concrete Sidewalks For The City of Northville Michigan

Sealed Proposals for the paving of concrete sidewalks for the City of Northville, Michigan will be received by the City Clerk until 8:00 p.m., July 18, 1966, at the City Hall, and then will be publicly opened and read aloud at the Council Meeting that same night. The proposals will be reviewed by the City Engineer and award of the contract will be made as soon as possible by the city council.

The work includes grading, fill, and placing of new sidewalk of approximately 2060 sq. feet on the west side of N. Center St. between S. Ely Dr. and N. Ely Dr. in the City of Northville.

The bidding documents and specifications may be obtained at the office of the City Clerk during business hours without charge.

Each proposal must be accompanied by a money order, certified check, or bid bond in an amount not less than 5% of the total bid price as guarantee and security for the acceptance of the contract, made payable to the Treasurer, City of Northville.

A 100% performance and a 100% labor and material bond shall be required from the successful bidder.

No proposal once submitted may be withdrawn for at least 30 days after the opening of the bids. The City of Northville reserves the right to waive any irregularity in any bid or to reject any or all bids, should it be deemed for its best interest.

> City of Northville, Michigan Martha M. Milne, City Clerk

#### In Voting Contest MacLellan Offers Cash

John A. MacLellan, one of the 14th District GOP Senate candidates, today proposed a unique "Get Out The Vote"

MacLellan is offering a \$100.00 award to the township, city and village in the 14th Senatorial District which achieves the highest percentage voter turnout in the August 2nd Primary. He is offering a \$50.00 bond to the Republican and Democratic precinct delegates whose precinct achieves the highest turnout in the District.

"We want the voters to know the primary is the only election where they can really 'Vote For The Man'," said MacLellan. "The general election is a battle between the parties with the candidates already selected by the interested primary voters." "Voter" Apathy and Disinterest are our worst enemies.

Citizen participation is essential to good government.

The award to the participating governmental units will be made to the winning units' fire department fund which will be of benefit to the whole community. MacLelland stressed that the award is not a "prize", but a token of recognition for "Good Citizenship" and full community participation in the primary.

"The Republican and Democratic candidates, who have filed, and the precinct delegates all recognize the importance of this primary," he said. "We are all united, I believe, in wanting this primary to produce an expression from the greatest possible number of voters in the First Class 14th Senatorial District."

# Cooperation: Key To Learning

Continued from Page 1

relationship encouraged throughout the program, says Director Jacobi, one of careful and warm guidance.

Parents are involved in the program whenever possible. A surprising number of the parents cooperate in this venture, and to this end, the teachers visited the homes of enrolled students before the program began to discuss the program and the child's and parent's role in it.

Parents were invited to participate in two evaluative parent-teacher conferences, and to advance suggestions to make this an enriching educational experience for each child. Beginning yesterday, the second conference was held and will continue through next Tuesday.

Parental participation in the first such conference, held June 30, was surprising. "About 50 parents showed up to help us evaluate progress of the program," said Jacobi. "We broke into small discussion groups wherein the parents re-acted."

From the conference came the first positive proof that teachers were making headway on two fronts, even in a short few days. "In the first place, they (the parents) were very pleased with the teacher-parent conference held in the home," Jacobi said. "Parents and teachers were more relaxed, and they seemed to accomplish more than in regular parent-teacher conferences. Furthermore, in most instances, parents said their children were highly interested in the school.

Impressed by the program and its goals, Mrs. Edwin F. Keegan, an interested parent, has invited parents of children enrolled in the summer school to her house next Tuesday morning when they and Jacobi and his testing director. reading consultant and psychologist will discuss "Problems of adolescents in junior high adjustment."

Heartened by the parents' cooperation, the teachers were inspired to try even harder to reach the students. 'Such a response from the parents was wonderful," said Mrs. Ernest Shave, a fourth grade teacher who will teach in the Eight Mile school next year.

But the parents' response has not eclipsed the students' response in the classroom, nor the teachers' delight in it. "To get the children to open up is wonderful," declared Mrs. Shave. "For

160 E. Main 349-1122

many, this is the first successful experience they have had in school. It's unlimited what you can do in a small grouping. It's amazing."

Most of the students, of average intelligence, are those who need individual attention, and a chance to re-act in class, to think and verbalize without fear, imagined or real. This they get in the informal, relaxed atmosphere of the summer classroom where students of equal ability learn side by side.

Although there are three groupings of children, the focus in the summer program on every level is reading, and generally, the development of language arts (speaking, writing and listening) and sometimes arithmetic. Diligently, teachers and students set to work on these skills at approximately 8:30 every weekday morning, one-half hour after the children arrive at the Amerman school.

On the primary level, grades one through four, the children gather round the teacher to participate in reading exercises. They may read from a book furnished specifically for the program, stopping intermittently to raise their hands to recite.

Tacked to a board are vocabulary words; each word printed on separate cards corresponds to a word to be learned from the story being read. The teacher utilizes these cards to reinforce the new words printed in the

Then the teacher may employ a Tachistoscope, a projector furnished specifically for the program. It flashes words on a screen for one-one hundredth of a second to one second in an effort to improve recall and retention.

Not all students in the class participate every day in this group activity. By prior arrangement between teacher and student, the child may read at his own pace from a supplementary text-

Depending on the teacher and student, other methods of instruction are used to help the student improve his reading ability. He may use the Reader's Digest reading series, or the Science Research Association Reading (SRA) Laboratories, a widely accepted and individualized method of teaching reading wherein the student reads at his own pace, then tests himself.

Whatever the method, however, the goals are the same: to improve the student's reading rate, while improving his comprehension and retention.

These procedures are similarly followed in the second grouping of students in grades four and five, but of course, the words to be learned are more difficult.

Whereas the approach is similar in grades six, seven and eight, the materials are different. Through sole use of the newspaper, children are learning new words, while learning about current events. What's more, they're learning certain practical things, how to shop for the best bargain, where to obtain a specific item, and how to find a job.

After an hour and one-half of classroom instruction, time out is taken for a half-hour of supervised recess, then the students participate in a new activity - interest groups, lasting until noon when the children go home.

Children in grades one through three may choose any phase of drama and puppets, cooking and dolls, arts and crafts and science (the How Club).

Those in grades four and five may

select sewing, cooking, photography, model airplanes or arts and crafts, and sixth, seventh and eighth graders have a choice of music and art, mechanics or hobbies and games.

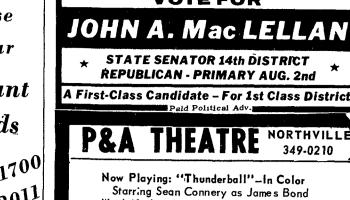

Each group will take at least three field trips during the 14-day session. Some of the suggested trips will be taken to the nature museum at Nankin Mills, the children's zoo, the aquarium or Dawson's Great Lakes museum, all at Belle Isle, the Detroit Institute of Art. the Fort Wayne Army Museum, Western Electric, the high school, a local supermarket, The Northville Record, a bottling plant, a bank, the Eight Mile road elementary school or a horse farm.

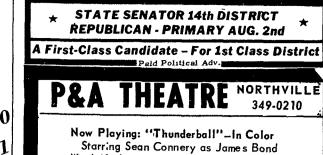

Initiated and nurtured on the local level, this carefully planned program may have far reaching effects in Northville, even though the results may not be conclusive in some areas. If for no other reason, the project is a success because it brought about closer cooperation between parent, teacher and administrator, all for the sole purpose of helping a youngster.

#### 2 Bands Slated For Teen Dancers

PRESS TIME\_This class of summer students visited The

Record's Inter-City Press, Inc., offset facilities in Novi.

First they were shown composition operations at The

Record. That's Advertising Manager John Harrington ex-

plaining how the 16-page Goss Suburban press works.

The Cavern, local teen club, has two bands slated to play for the remaining July Saturday night dances.

July 16 a local band named the Sophisti-Cats will play. The leader of the band, Sue Schlief, is a senior at Northville high school. The bandplayed for high school dances during the school year.

Next week, July 23, the Cavern will bring back the Livingends. The band played for the July 6 dance and, according to club officers, "they were great."

Along with the bands each week there will be two disc jockeys, Larry and John. The dances are held on the Main Street playground behind the junior high boys' gym from 8 to 11:30 p.m. Saturday night.

Admission is 50-cents for members and 75-cents for non-members. In case of bad weather, the dances will be moved into the gym.

# School Revises '66-'67 Calendar

A revised calendar that extends the school year from June 9 to June 14 was adopted by the Northville board of education Monday night.

Recommended to the board by Assistant Superintendent Raymond Spear and concurred in by Donald Brown, teacher representative, the extended schedule was revised in part to add an additional membership day and to lengthen the Memorial Day holiday.

All but the last part of the calendar remains the same as previously published.

Changes or additions include: May 29 and 30, Monday and Tuesday, Memorial Day, no school; June 11, Sun-

day, baccalaureate services; June 12, Monday, commencement; June 13, Tuesday, last day of classes; and June 14, end of school year.

Board members reaffirmed a previous position directing the architect to prepare working drawings of the proposed high school swimming pool based upon a five-lane, "L" shaped facility.

Reporting on the status of the school district's efforts to gain ownership of the fish hatchery property, Trustee James Kipfer said the second revised draft of Northville's formal request has been sent to the Health, Education and Welfare Department. Once suggested changes have been received by school officials here, the final. complete request will be submitted to Washington, D.C., he said.

Kipfer said the latest revised draft reflects federal officials' suggestions that Northville show how it can best utilize the facilities for instructional purposes, with prime emphasis placed on a mentally retarded training program.

In connection with such a training program, the board approved Northville's participation in the mentally retarded regional program to be supervised by the Livonia public schools in one of its buildings.

Should Northville be given the fish hatchery property, such a program conceivably could be conducted in one of these buildings, it was pointed out, even though the program might still be supervised by Livonia.

Spear noted that Northville has four students within the district who are eligible to participate in Livonia'spro-

Novi Council Hit

In another report to the board Secretary Stan Johnston said investigation has satisfied him that the builder of Moraine elementary school on Eight Mile road is doing his best to complete the building as soon as possible.

Johnston said the latest estimate for completion of the southwest section of the building is mid-October. He guessed the entire building could not be completed before December.

Because of the late completion date, resulting from a series of labor strikes, school officials have begun a study of area non-school buildings that possibly could be used temporarily as classrooms next fall.

Spear has stated that eight additional classrooms will be needed with the opening of the school year.

Concerning a request of the Northville Estates Civicassociation, Trustee Donald Lawrence urged immediate investigation of the possibility of either having a walkway constructed across Eight Mile road from the subdivision to the new school or installation of a traffic signal. It was further suggested that both a signal light and the crossing may be needed since many youngsters may cross the road during non-school hours and during the summer.

Lawrence also recommended that school officials immediately begin a detailed study concerning projected population of the district through 1975, together with an estimate of school

facility needs over this period. Furthermore, he suggested that it may be necessary to activate a citizens study committee to evaluate future school needs as to physical plant and teacher requirements.

In a somewhat related discussion, School Attorney James Littell suggested officials may wish to consider possible acquisition of property adjacent to some 17-acres now owned by the school in the Six Mile-Bradner area.

He said the county is considering long-range plans for relocating a section of Bradner road. Such a relocation he said, may make some 10-acres available for acquisition.

The board took Littell's report under advisement.

A report on a suggested salary schedule for school maintenance personnel was tabled pending board study of the schedule.

#### **OBITUARY**

HENRY K. WEBER

Henry K. Weber, 64, superintendent of Foundry Flask and Equipment company, died July 7 at the University of Michigan hospital. He had been ill for about three years.

Born in Chatanooga, Tennessee on June 28, 1902, he came to Northville 20 years ago. He lived with his wife, Catheryne, who survives him, at 217 South Wing.

He was a member of St. Paul's Lutheran church.

Other survivors are a brother, John A. Weber of Northville; a sister, Mrs. Helen Rawlings of Chatanooga, Tennessee; and several nieces and nephews.

Funeral services were held from Casterline Funeral Home July 9. Burial was at Glen Eden Cemetery.

OREN ERNEST ELWELL Oren Ernest Elwell, 67, the custodian of greens at Meadowbrook Country Club, died suddenly at his home on 262

Hutton street July 6. He was born November 13, 1898 in Sumpter township, and was a Northville

resident for 14 years. He is survived by his wife, Elizabeth. Services were held July 9 at Casterline Funeral Home, with the Reverend Charles Boerger of St. Paul's Lutheran church officiating. Cremation was at Evergreen cemetery, Detroit.

VERNON E. HODGE

Vernon E. Hodge, 72, died Sunday at Botsford Hospital after a two-week illness. His home was at 309 Desoto Avenue. Avon Park, Florida. He was a retired employee of Dodge Motor Company, truck division, in Warren, member of Emmanuel Baptist Church, and member of Poinciana Lodge #227 F & AM of Avon Park, Florida. He was born January 14, 1894 in Marion, Ken-

Surviving him are his wife, Ruby; five sons, Mylo of Clarksville, Tennessee, Hayden of Marion, Kentucky, Vernon of Utica, Donald of Warren and Gerald of Centerline; five daughters. Mrs. Hazel Yates of Marion, Kentucky, Mrs. June Davis of Centerline, Mrs. Jean Waterloo of Plymouth. Mrs. Joan Carver of Warren and Mrs. Arlene Hall of Warren. Also, three brothers, Cook of Boneville, Indiana, Frank of Warren, Hughey of Marion, Kentucky; 32 grandchildren; and 43 great grandchildren.

He was preceded in death by two children.

Services were held Wednesday at 10 a.m. from Casterline Funeral Home. with the Reverend Robert Spradling of the First Baptist church officiated. Interment followed at Cadillac Memorial Gardens in Garden City.

#### **Two Teams** Tie for First

Roz Krawoski and Mary LaVassaur blasted into first place in the Tuesday morning Ladies Golf league again this past week.

With Roz stroking just one over par, they took two points from Dutchie Wagner and Marilyn Weinburger. Previous leaders Pat Gates and Lorrie Griswold dropped two to Edith Brinkman and Ces Calvin, giving both teams 19 points on the official scorecard. Roz and Mary have a lower team average, however, and thus enjoy the title of "first" once

Mary Dorsch with four under par and her partner's substitute, Alice Pelky with two under par, took three points (by forfeit) and moved from sixth to third place. Ruth Wingard and June Todd took three by forfeit, also, and moved from seventh to fourth.

Ruth Stephens and Betty Pushies, who forfeited, dropped from third to eighth.

Betty Westfall and her partner's substitute, Lurena Miller, split with Ruth Wilson and Ruth McCain.

#### Thieves Hit School, Dairy

A \$300 television set was stolenthis past weekend from the library of Orchard Hills elementary school.

The breaking and entering, Novi police said, apparently took place Saturday before the rain. It was reported Monday morning.

The thief or thiefs gained entrance by breaking open a window in the rear of the school and apparently carried the television set out the front door.

Novi police report they have a good

set of finger and palm prints.

Police also are continuing their investigation of a breaking and entering at Guernsey Farms Dairy, near the Northville city limits. Thursday morning. A total of \$389 worth of cigarettes and candy was taken.

Office doors were pried open but nothing else was reported stolen by the owner-operator, John McGuire.

Two Dearborn youths were arrested in Farmington this past weekend and charged with simple larceny from Van's Texaco service station at 26666 Novi

They are Robert S. Fecso, 18, and Franklin J. Orosz, 17.

According to police, the youths had their car filled with gasoline Sunday night upon returning from Camp Dearborn and then sped away without paying for the gasoline.

Novi police gave pursuit and then radioed ahead for police aid in Farmington where they were apprehended.

#### Nab Bond Jumper

Apprehended in Eugene, Oregon, a Northville man will be brought back here to face trial on a charge of assault with intent to do great bodily harm less than murder.

Truman Howard, who lived at 19265 Gerald avenue, jumped bond to apparently avoid facing examination set for March 28 in Northville municipal court.

According to a witness, Howard attacked Charles W. David with a knife, cutting the Detroit youth on the arm and threatening to kill David and another youth. The incident occurred March 23 the Northville Downs barn area.

After police had been called and after questioning of witnesses, they searched for Howard, police reported. They said they found him in the men's room in the Paddock bar on Main street. He resisted officers in the bar! and at the police station, police said, but was finally booked.

# In Our Courts

Five persons, charged with drunk and disorderly conduct, pleaded guilty in the court room of Northville Judge Charles M. McDonald recently.

Kathleen Potter, 21, of Taylor and Dorothy Smith, 17, of Allen Park, were arraigned last Thursday and each paid fines of \$27.50 plus costs of \$5.

According to police, when they answered a call at 10:55 p.m. on July 6, they found Miss Potter behind the wheel of a car on Eight Mile road one-quarter mile west of Taft road. She was unconscious, police said, and Miss Smith was drunk.

Nelson Noland, John A. Suveg and Donald Clayton all pleaded guilty to drunk and disorderly conduct at Northville Downs.

Noland was fined \$38.50 and \$5 costs on the charge which occurred last Thursday at 10:20 p.m. In addition, he was fined \$16.50 and \$5 costs for resisting arrest.

Suveg of Garden City was fined \$38.50 and \$15 costs on July 11 for drunk and disorderly conduct. The violation took place July 2 at 11:05 at the Downs.

Clayton, a Royal Oak resident, was arraigned July 5 and stood mute on a drunk and disorderly charge that happened on June 29 at 11:21 p.m. When he appeared for trial July 5, he pleaded guilty and paid \$27.50 fine and \$5 costs.

Two youths, Michael Gillow of Northville and James Magdowski of Livonia, both 19, pleaded guilty on July 5 to counts of having liquor in their possession.

Gillow, 128 Rayson street, was fined \$38.50 plus \$5 costs at his arraignment. Police spotted him at 12:10 a.m. on June 21 behind the Que Ball Pool hall at 120 Main street, they said.

When police investigated, Gillow hid in the grass, and when ordered to stop, he ran, police reported. He was apprehended on High street, police said, and liquor was later found in the grass where Gillow had been standing.

Magdowski was nabbed at 12:35 a.m. on June 27 by police for having liquor in his possession on Sunbury road. Police said Magdowski was one of nine youths clustered around three cars who were holding a beer party. Magdowski paid \$38.50 in fines and \$15 costs.

Charles Morgan, 46, of Union Lake paid \$20 in costs on two separate counts that occurred at 4:40 a.m. on June 29. He was arraigned July 5 and cited for having improper license plates on a vehicle he was driving on Eight Mile

road, and for having no registration. Gregory Fronjac, 20, Plymouth, paid \$20 in fines and \$10 costs for speeding 70 in a 50 mile-per-hour zone June 21 on Seven Mile road. He pleaded guilty July 5.

Two other motorists, Kristine Frogner and Frances Rudd, of Northville were not assessed fines by Judge Mc-Donald.

Cited for speeding 45 in a 35 mileper-hour zone on South Main street.

Miss Frogner, 18, pleaded innocent when arraigned June 27. She was judged not guilty at a trial held July 5. street, was found guilty but Judge Mc-

Mrs. Rudd, 40, of 111 South Wing Donald suspended the fine and costs. She was charged with failing to stop for a stop sign at the corner of Wing and Dunlap streets at 10 p.m. on June 15, and was arraigned June 27.

#### **Engineers Honor** Supervisor Merriam

Northville Township Supervisor R. D. Merriam has been named an honorary member of the newly-formed Society of Civil Engineers of Wayne County.

Merriam was notified of his unanimous selection by Arthur E. Sundstrom, secretary of the Society. The letter stated that "as you have made many outstanding contributions to the welfare of the County and to the Engineering profession, the Board of the Society of Civil Engineers of Wayne county has unanimously voted to extend to you Honorary Membership".

Merriam, who is serving his second term as township supervisor, retired in 1963 after 40 years with the Wayne county road commission. A civil engineer, he was engineer of bridges, structures and expressways.

#### WHO SETS **USED CAR PRICES?**

John Mach

Many motorists, about to trade in their used cars, often wince when the salesman quotes them an allowance figure.

They fail to realize he is only quoting, not setting, the market price.

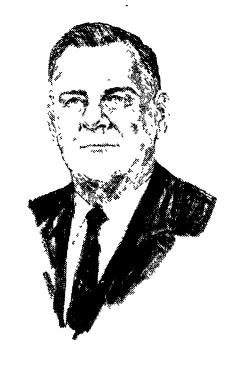

Starting out to estimate a trade-in deal, most dealers use one of the popular price guides for a general indication of wholesale or retail prices. These are figures obtained from auctions and sales reports across the country and represent an approximate average There is never a substitute for the specific valuation a dealer puts on a car from his

There is never a substitute for the specific valuation a dealer puts on a car from his day-to-day knowledge of what it will bring on his own lot.

It is plainly evident, then, that the real used car price setter is the cautious used car shopper who looks long and hard before he lays out his hard earned money. What he is prepared to pay for a particular model in a given condition is that car's true market value. It logically follows, because profit and loss economics is a hard master, a dealer offering you more for your car than its true market value, MUST shortchange you somewhere class if he is to survive economically.

else if he is to survive economically.

You are likely to be much more satisfied with your 'deal' as well as your new car if you select your dealer with care.

#### PASTOR'S STUDY

George Tiefel, Pastor Immanuel Lutheran Church, South Lyon

"Don't Judge!"
"Don't judge!" That's a much-used phrase meant to convey a certain attitude which Christians ought to have toward other people. It is taken from Luke 6,37, in which our Lord says, "Judge not, and you will not be judged." But what does it really mean? Does it call for complete tolerance of any kind of behavior? a hands-off attitude? Does it mean anything goes?

It means just the opposite. It means we should treat other people the way God treats us. And how is that? God does not overlook our sin, but he forgives it. And he presented his forgiveness to us in a very costly fashion, through the suffering and death of his Son upon the cross. He loved us so much that he did not overlook and condone our wrongdoing, but he came to us in compassion and understanding, with pardon and peace, in order to win us back for righteousness.

Here is a sample: one day the scribes and Pharisees brought Jesus a woman who had been caught in the act of adultery. They wanted to see just how far his compassion for sinners would go. "Teacher," they said, "This woman has been caught in the act of adultery. Now in the law, Moses commanded us

to stone such. What do you say about her?" But Jesus' answer showed that he neither overlooked the woman's sin, nor did he give up on her and reject her. "Let him who is without sin among you be the first to throw a stone at her." And they all went away, convicted in their own consciences of their own sinfulness before God, and consequently unable to doom this woman. And then when just the two of them were there, Jesus and the woman, he said to her, "Woman, where are they? Has no one condemned you? Neither do I condemn you; go, and do not sin again.'

That is what "Don't judge!" means. It means don't set yourself up like the judge who has an irreclaimable criminal before him, whom he finally sentences to the gallows. It means don't give up on those who fall. Don't say, "You've committed the unpardonable crime! I can't have anything more to do with you." But rather, bring with you all the compassion and understanding you can muster, and let it be known you are there to help. Go to those who err as one who is also a sinner before God, but lives alone by God's mercy and forgiveness in Jesus Christ (for that is what you are). And share that forgiveness. Don't run away from those who fall into sin, but pursue them, be concerned for them, stand by them. God's love, conveyed to them through you in the name of Christ, can liberate them from the chains of iniquity that bind them. "Judge not, and you will not be

WOODMEN ACCIDENT AND LIFE COMPANY

#### THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a store of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

That's what my parents said when I asked if I could go to Eddie's Sunday School.

You see, there are lots of churches in town. And my parents haven't decided which one we ought to attend. These are important decisions. They take time!

But that doesn't make Sunday mornings much fun. With all my friends at church, there's nobody to play with except that bully up the street. And Dad and Mother say I shouldn't play with him. That's funny! How come parents can decide what kind of boys we should play with, but they

Seems to me that going to church next Sunday might help us all decide.

#### Northville Crashes Injure 5 Persons

Five people were injured on Northville roads in two separate accidents within three days.

Earl Kenyon, 74, and his wife. Joseic, 74, of 45011 North Territorial.

#### Girl Injured In Novi Crash

An ll-year-old Walled Lake girl suffered cuts and bruises when the car in which she was riding was involved in a three-car crash at Grand River and Beck road last week Wednesday.

Injured and treated at St. Joseph hospital in Pontiac was Roberta Geiger, passenger in a car driven by Martha Ann Geiger.

According to police, the woman's car struck a vehicle driven by Richard Luttman of 46745 West 12 Mile road. The collision caused Luttman's car to crash into another vehicle driven by Robert Carruthers of 29949 Beck road,

Luttman, who was ticketed for failure to yield the right of way, toldpolice he had stopped for the stop sign at the intersection and had started across the highway when his car was struck.

Carruthers was stopped for the sign on the opposite side of the highway at

#### Beware! 3-Leaf Ivy At Large

"A thornless stalk with leaf-lets three, let it be. It's poison

Poison ivy, a plant capable of producing a severe itchy and sometimes burning skin rash, afflicts over 400,000 people yearly. Found in all parts of the United States, it grows everywhere - in thick woods, on sunny hillsides, backyards and even the roughs of the best golf courses.

How can you avoid it? Learn to recognize the plant and the various shapes it may take.

Poison ivy consists of three leaflets and thornless stems and twigs. In the spring and fall, the leaf color is reddish or of varying shades of brown, but in midsummer it is often a shiny deep green. The fruit of this weed is white, shiny and waxy - like mistletoe.

It can take the form of a bush, woody vines clinging to trees, shrubs, posts and rock piles: or trailing vines growing close

to the ground along pathways. All parts of the plant-leaves, twigs, fruit, seeds and roots contain uroshiol, a poisonous substance which produces that itchy skin rash.

This poisonous substance can cling to your clothing, footwear, tools and the fur of dogs and cats for extremely long periods. Therefore, a skin rash could appear weeks after an outing.

Should you discover poison ivy in your yard, NEVER attempt to burn it out. Smoke can carry this weed's poison for considerable distances and could cause serious trouble. Instead, use brush killer compounds made for this purpose; or dig it out, wrap it carefully and place it in a disposal container.

If you should have the misfortune to come in contact with poison ivy, wash the affected area five or six times immediately with plenty of warm water and soap. If a rash appears consult your doctor. Although poison ivy won't spread and isn't contagious, it can lead to serious complications — particularly in young children.

#### Goodwill Pick-Up

The next visit of Goodwill Industries pickup trucks to Northville is scheduled for Monday, July 18.

Goodwill trucks household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative ask the operator for tollfree Enterprise 7002.

Moved by member Weber, supported by member Cook and unanimously carried that a leave of absence be granted to Barbara Stickle.

Moved by member Weber, supported by member Lawrence and unanimously carried that a certificate of appreciation Plaque be awarded to Mr. Leslie Lee, and that the following resolution be adopted.

RESOLUTION - Appreciation to Mr.

WHEREAS: Mr. Leslie Lee, a member of the teaching staff of the Northville Public Schools has decided to retire from active duty; and WHEREAS: Mr. Lee has been a

teacher in the Public Schools of this city for the past thirty-four years; and WHEREAS: During his period of professional service as a teacher in this community he was at all times mindful of his responsibility to his students and because of this devotion

left an imprint on the lives of many young people; and. WHEREAS: Mr. Lee during his residence in Northville has attracted and held a host of close personal friends:

WHEREAS: Mr. Lee's retirement removes from our stari a competent. dedicated and respected teacher; now

BE IT RESOLVED: That we, the members of the Board of Education of the Northville Public Schools, School District, recognized with humble thanks and with deep appreciation the professional service rendered this community by Mr. Leslie Lee. Be it further resolved, that this esteem for Mr. Lee be made a part of the records of this District and that a copy be sent to Mr. Lee. \*\*\*\*\*\*

It is further recommended that a certificate plaque be authorized to read as follows and to be presented to Mr. Lee at his Retirement Dinner to be given in his honor by his fellow teachers.

"In appreciation of your many years of loyal and faithful service as a teacher in the public schools of this community, this token of admiration and gratitude is presented on behalf of the people. May the years to come be filled with happiness and contentment.

Superintendent Nelson reported that Title I, Project Application had funded \$18,800 to the School District for the "Diagnostic Summer Instructional Pro-

The Architect reviewed the proposed additions to the High School. A general discussion followed.

President Becker opened the meeting to a general discussion concerning

#### **Northville City Council Minutes** The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, June 20, 1966

at 8:05 p.m. at the City hall. Present: Allen, Black, Canterbury.

Carlson and Kester. Absent: None. Minutes of the regular meeting of June 6 and special meeting of June 13, 1966 were read. Following correction to be made in minutes of regular meet-

At end of paragraph beginning "Mr. Luther Sutton - to read "It was also pointed out that Northville Twp. has a contract with the City of Detroit Board of Water Commissioners, which prohibits any other governmental agency from supplying water to township residents."

Correction in minutes of Special meeting of June 13th, should read "adjourned at 1:30 a.m." All minutes then approved and accepted.

Moved by Carlson, supported by Black that bills in the following amounts be

\$7,876.89 General 3,638.26 Water 1,960.98 Other Government Unanimously carried.

Minutes of Planning Commission meeting of June 7, 1966 were received. City Manager read communication from Triple AAA in regard to the banner reading 'Bring 'em Back Alive" to be hung at intersections. City Manager to

check with Triple A on this matter. Acting Clerk read Notice of Public Hearing on proposed amendment to the zoning ordinance of Village of Novi to be held June 27. This is to be read to Planning Commission meeting on June 21st for their action, if any.

Mr. Bryce Lockwood, 201 N. Rogers, also his neighbor, Mr. Freydl, were present and discussed the situation of the sidewalk which Mr. Lockwood requested put in in the front of his house and which he feels is at the wrong grade level. He also stated he had been charged for 3 or 4 slabs which were not on his property. They also commented about fill dirt which had been put around the tree as they feel there should be sand and gravel put around the tree in order to preserve the life of the tree. The city offered to forego the cost of the slabs which were not on Mr. Lockwood'sproperty and city would remove the fill around the tree and replace it with sand and gravel. Mr. Canterbury stated he - thought the city was doing everything necessary to satisfy the citizen and Mr. Lockwood voiced his approval. City engineer suggested the next time a similar program was started he felt there should be a few changes made in the manner of handling it. City Manager will attempt to revise ordinance and report on it.

Bids for construction of water line from N. Center street and Baseline to Northville water distribution center were

opened. The following are the bids: Territorial Const. Co., proposed to finish in 90 consecutive calendar days after contract date - \$44,175.

Smith Excavating Co. of Novi, Mich. roposed to finish within 60 days -\$40,649.72.

Terra Construction Co., proposed to finish within 180 days = \$47,131.65. Geo. M. Carmickle, Plymouth, prono definite time to finish \$41,420.

These bids turned over to City Engineer for study - Contract to be awarded at special meeting of City Council on June 23, 1966.

Glue Sniffing Ordinance - The City Manager reported on this; there are 3 cities who have adopted this ordinance. Moved by Carlson, supported by Canterbury, that this ordinance be adopted and copies of same to be sent to every merchant in the city vitally interested in this matter and who has a definite part in the program. Unanimously car-

Audit contract by Icerman, Johnson & Hoffman - Their reference to a letter of recommendation to city manager should be addressed to the City Council as Council is directly involved. City manager was in agreement with this and would make the request to the auditors. Motion by Black, supported by Canterbury, to award the contract to Icerman, Johnson & Hoffman for \$1500. Unanimously carried.

Resolution waiving the requirement for sealed bids on audit -

WHEREAS the City Manager has reported that the firm of Icerman, Johnson & Hoffman are agreeable to make the 1965-66 audit for the City on the same terms as they have made the preceeding audit, and

WHEREAS this firm has performed this function for the city of Northville for many years and the City of Northville is satisfied that they can do a good job and no benefits would accrue to this City by going out for sealed bids for the

IT IS HEREBY MOVED that the requirement for obtaining sealed bids for performing the 1965-66 audit be waived. Motion by Kester, supported by Canterbury that requirement for sealed bids be waived. Unanimously carried.

Moved'by Kester, supported by Black that resolution for cfs for Oakland County Novi Interceptor sewer be adopted with changes made by city attorney. Unanimously carried.

Moved by Canterbury, supported by Kester that incumbents on Board of Appeals and Planning Commission bé reappointed. Unanimously carried. Planning Commission - Chas. Ely, Jr., Jas. Dingwall, Wallace Nichols; 7-1-66 to 7-1-69 - Board of Appeals & Zoning -Harvie Ritchie, Wm. Bingley and Harry

City Manager reported on water service agreement with City of Detroit. City attorney will review this agreement and have a revised contract or recommendation at the next meeting. He will go over this with the Water Board. This item to be put on the Agenda for the next council meeting.

Swimming Pool Ordinance -The word 'non-portable" is to be crossed out of the ordinance and the depth to be changed to 24". City manager may require building permits for pools. City attorney to make corrections and report at next meeting.

Change of next meeting - Motion by Carlson, supported by Kester, to change date of next council meeting from July 4th to 5th. Unanimously carried. Joint Dispatching - City Manager

reported on joint dispatching between cities of Northville and Plymouth. It was decided to postpone a trial period indefinitely. Financial statement for May 1966 to

be studied and reported on at next council meeting. There being no further business the

meeting adjourned at 11:25 p.m.

Respectfully submitted Hilda Boyer, Acting Clerk

SPECIAL MEETING

Mayor Allen called the Special meeting of the Northville City Council to order at 8:20 p.m. on Thursday, June 23, 1966. Present: Allen, Black, Canterbury, Carlson and Kester. Absent: None.

The City Engineer, Harold Penn, recommended awarding the contract for Detroit Water line to the low bidder, Smith Excavating Co., 26950 Taft road, Novi, Michigan. The City Manager had examined bids and also recommended approval of contract with Smith Excavating Co.

Moved by Canterbury, supported by Kester to approve contract with Smith Excavating Co. in the amount of \$40,649.72, subject to city approval of agreement with Water Board and approval of plans by Detroit Water Board, Unanimously carried.

Discussion of extending Baseline to School - City manager was instructed to look into cutting Baseline through to N. Center street.

Moved by Canterbury, supported by Carlson to approve extra expense incurred by City Manager in moving to Northville, this in accordance with agreement - in the amount of \$238.00. Unanimously There being no further business, the

meeting was adjourned at 8:30 p.m. Respectfully submitted Frank Ollendorff, **Acting Clerk**

Two youths, estimated to be 10 years old, broke a window at the Northville Standard gas station and were chased off by a local citizen July 4.

4 Blank Checks

According to the witness, the boys broke the pane in the front of the station at 302 East Main street at 2:20 p.m., police said.

Thieves broke into Jones Bump and Paint Shop, 128 Main, sometime between June 16 and July 5. Ulin Jones, the owner, who had been away on vacation during that time, reported the robbery when he returned to work Tuesday.

A check of property revealed that only four blank checks were stolen by the burglars who broke a window in the rear of the shop to gain entrance, police reported.

Mrs. H. D. Henderson

Mike Morrison, son of Mrs. James Martin, and her brother, Rick Hill, are spending the summer months at Kalamath Falls in Oregon as guests of Mrs. Martin's mother, Mrs. Buckholtz. They have been salmon fishing with good luck and on the Fourth of July they saw snow in the mountains.

The Ted Slentz's have been entertaining for the past month Mr. Slentz's brother and his wife, Mr. and Mrs. Richard Sientz of Phoenix, Arizona. They spent most of their time touring Lower Michigan and visiting friends and relatives.

House guests this week at the home of Mr. and Mrs. Ted Slentz are the latter's nieces, Sherry and Karen Ashcraft of Livonia.

Diane and Susan, daughters of Mr. and Mrs. John Rackov of Brighton are having a week of vacation with their grandparents, Mr. and Mrs. William

Sunday dinner guests of Dr. and Mrs. H. D. Henderson were Mrs. Henderson's sister, Mrs. Rose Young, and their brother, Louis Tobias of Wil-

Mrs. William Fox celebrated her birthday on Monday, July 11th with members of her family.

Leon Dochot attended the Michigan Constable association meeting at Clarkston on Tuesday of this week.

Mr. and Mrs. Vincent Gillett and son, Gary, are vacationing at their cottage at Pleasant Lake.

Out of state vacationing are Mr. and Mrs. Eugene McHale and son, Ron, who left Monday for South Dakota to visit Mrs. McHale's mother.

Last Saturday, Mr. and Mrs. Larry Nebors and their four children from Springfield, Vermont visited their cousins, Mr. and Mrs. Andy Kozak and daughters. Kim and Dahna.

Mr. and Mrs. Ray Lilley who have been living on Marlson street for the past two years have moved to Philadelphia. Pennsylvania.

A triple birthday celebration was held on the Fourth of July at the home of Mr. and Mrs. Al Gow. Those with birthdays were their daughter, Joan Newman, July 5th; grandson, Mark Newman, July 5th; and grandson, Brian Marr. July 7th. All of the Marrs and Newmans were present for the celebration.

Newcomers to Novi are Mr. and Mrs. Otis Fletcher and daughter, Carey, and sons, Douglas and Dennis of New Hudson, who have just recently moved into their new home on Clark street.

CHURCH

This week Rev. Arthur Norris is at the Lakeside Jr. H. Camp in Brighton. This coming Saturday, July 16th, the Youth Fellowship will have a car wash and an ice cream social at the church from 1-5 p.m.

Beginning Monday, and until July 22, Daily Vacation Church school will be held from 9-10:30 a.m. for kindergarten through the 6th grade children. NOVI METHODIST CHURCH

The reception for Rev. Robert Mitchinson and family this past Sunday was well attended. The W.S.C.S. ladies were the hostesses.

Daily Vacation Bible School is scheduled for August 8-12 with a cookout on the last day.

Rev. William Ritter, assistant pastor of the First Methodist church in Dearborn, officiated at the wedding of Marilyn Fritz and Harry Schenimann, Saturday evening, July 9th, in the Novi Methodist church. A reception washeld at the home of the bride's parents, Mr. and Mrs. Robert Fritz, on Ten Mile road. Harry is the son of Mr. and Mrs. Glen Schenimann of Novi.

Several members of the Novi Methodist church attended the wedding of Kristine Larson and Rev. William Ritter at Dearborn last Saturday evening, July 2nd.

NOVI FIRST BAPTIST CHURCH Camp Barakel campers this week will be Janet Warren, Sherrie Elmore, Mike and Larry Pittman, Donna and Linda Lippert, Estail and Kennie Gross, Dennis Diem, Becky Blark, and Larry Smith. Applications are still being taken for remaining weeks at Camp Barakel. Next week those in another age bracket will be going. Juniors planning to attend Island Lake camp in August should call the church office immediately and all teenagers wishing to attend Camp Hiawatha should also get in their applica-

should also make application through the church office.

The Junior Hi youth group made plans at its meeting Sunday night to go bowling on Friday night. They plan to leave the church at 7:00 with sponsors. Mr. and Mrs. Ron Shaw and return for a time of fellowship and refreshments. Mr. and Mrs. Leo Jude also will accompany them.

Approximately 30 workers participated in Operation Expansion on Sunday afternoon and visits were made to approximately 300 homes. This is the first step in determining a religious census of the Novi area. This survey was preceded by a letter going out to every home announcing the purpose of the call. The survey will continue throughout the week in the morning, afternoon and evening, whenever the canvassers are able to make the calls. For additional information call Pastor Clark.

The annual Sunday School picnic plans are being made for July 30. The place will be announced later. The committee will consist of the Superintendents of each department and one person they select. The superintendents are Ken Roberts, Ray Warren, Gerry Stipp and Charlotte Munro. There will be games for all ages, potluck picnic and baseball games for all.

Pre-registration is continuing throughout this week on Sunday morning in Flint Hall or through the church office. All youngsters pre-registering are receiving a small token as the pre-registration figures help the director, Rev. Hubert Karl of Rural Bible Mission, to determine the type of program to age group and size of school.

If transportation is needed for Bible school, which will be July 18-22, from 8-11:30 a.m., call the church office, FI 9-3477.

The youth department of the Sunday school is sponsoring a trip to the Voice of Christian Youth boat cruises on July 19 at 7:45 p.m. The cruise will feature Chuck Ohman, trumpeteer and emcee, the Oak Park Trio, tenor soloist Garry Moore, and Bill Pannell, Negro Evangelist. There will be two showings of teenage films. Tickets may be purchased that night or from Mrs. Lorenz at GR 4-5968. On August 22, the college and business age group will sponsor the next trip. Teacher of this class is Ron Ozark and the class meets on Sunday morning in the church office.

BLUE STAR MOTHERS Novi Chapter 47, Blue Star Mothers, received two citations at the Blue Star Mothers state convention last week. One on hospital service and one on civil defense. The chapter pledged to give \$25.00 towards the Jr. Hi band uniforms.

The next meeting of the Novi chapter will be held at the home of Mrs. Russell Race on Twelve Mile road, August 4th.

NOVI REBEKAH LODGE

There were 18 Rebekahs present at the Independent Rebekah Club meeting at the cottage of Hildred Hunt at Island Lake on Monday. After a potluck luncheon they spent the afternoon working on articles for the annual bazaar.

The last meeting until September will be held July 14th.

The Past Noble Grands will have a planned potluck at the home of Irene Kahrl in Walled Lake Thursday, July 21.

# State Gives Pay Hikes at All Levels Off Limits...

LANSING - Pay hikes for most state officials went almost unnoticed while the debate over a salary raise for legislators gathered attention.

From the governor on down to the thousands of state employes, nearly every level gained boosts either by action of the legislature or the State Civil Service Commission.

Biggest hikes will go to the top officers. They begin next January. To the winners in the races for governor. secretary of state and attorney general will go \$10,000 more than these officers now get annually. The new rates will set the governor's pay at \$40,000 and the other two at \$30,000.

#### \*\*\*\*\*

JUDGES on the two highest courts, the Supreme and Appellate Courts, will each get raises of \$9,500. This sets the Supreme Court pay scale at \$35,000 annually and the Appeals Court judges' salaries at \$32,500.

Legislature-approved boosts for various state department heads were designed to meet Gov. George Romney's plea to pay administrators more than their highest level employes get under Civil Service rates.

Civil Service Commissioners came through on July 1 with what has become an annual boost in recent years, but the rate span covers a slightly higher range than previously. Classified employes this year got hikes ranging from 4 to 14 per cent.

#### \*\*\*\*\*

Traffic safety field workers, if they can be called that, hoped for a full package of legislation to get through this year. They were disappointed on several counts.

One part of the safety package which did get through will affect every licensed driver of the present, and

SPECIAL

hopefully improve future generations of motorists.

The legislature imposed a \$1 fee hike for obtaining and renewing driver licenses, setting the initial fee at \$5.50 and the renewal rate at \$4 every three

#### \*\*\*\*\*\*

ADDITIONAL REVENUE will go back to schools providing driver training to teenagers. The increase is expected to raise about \$1.7 million annually.

Proponents of the hike had to fight hard for the increase, although they contended it should have sailed through without argument.

Hunting and fishing licenses, they noted as examples, usually cost more than the privilege to drive, although the former expires in a year or less. Driver licenses are good for three

#### \*\*\*\*\*

Since driver training is now compulsory for teenagers to obtain a license, more schools are offering the

The state had indicated it would pay schools \$30 for each student enrolled in driver training, but the funds coming in from license sales did not enable the state to fulfill this obligation.

SUPPORTERS of the increased license fees say the new funds will allow for the full payment, although more and more teenagers will be taking the training course in the coming years.

Addition of regulatory agencies in state government occurs every year, but it isn't quite as noticeable any more.

Last year it was noted that Michigan was spending money for 84 agencies which were not in existence 10 years

Up to 1965 many of the new units

were created independent of existing departments or councils, although their functions were often inter-related.

Under the 1963 Constitution, however, each of the new groups is categorized under one of the 19 principal departments created through a major reorganization of state government. The change was dictated by the Constitution but just enacted last year and put into full effect in 1966.

WHEN REORGANIZATION took effect there were in existence more than 140 administrative agencies. These are still in operation, but the administrative chart of state government was made a little more readable by grouping them all into the 19 major units.

Thus, this year and in the future as new functions are added the major departments will number the same, barring a Constitutional change to increase the number.

#### Roger Babson

# **Battling Famine**

BABSON PARK, Mass. - There is mounting concern in our country and elsewhere because we are failing to meet the food needs of all the 3.4 billion people living on the earth. If we cannot meet those needs now, how shall we feed the 4.6 billion people expected to be on this planet in 1980?

Right now, the worst of the hunger problem appears to be centered in India, though there is good reason to believe that many of the 700 million people of mainland China are also seriously undernourished. The immediate task in India is to get foodstuffs to the affected areas in quantities large enough to sustain the lives of the hungry. Apart from that, there are other longrange efforts being made to meet world food requirements. One of these is in the field of population control.

BIRTH CONTROL and family planning have been gaining acceptance gradually. As a result, birth rates are falling in such places as Hong Kong, South Korea, Singapore, and Taiwan. Also, the initial benefits of population control are expected to be felt in India and Pakistan soon. However, it will be a long time before population control really cuts back births (not birth rates alone) to more manageable proportions. It is not likely that a stationary world population can be achieved in our time ... barring widespread famine or pestilence, or large-scale nuclear war.

In addition to population control programs, governments the world over are hoping to conquer famine and/or improve the health of their peoples by boosting crop yields. Underdeveloped nations must, of course, make new land tracts available for crop planting. But this alone will not supply the needs of the population upsurge that is expected.

Expanded crop yields will be a slow attainment. Lack of funds, lack of experts with necessary agricultural knowhow, lack of education, and lack of incentives to persuade land owners to co-operate - all these will hamper and delay the effort to boost crop yields.

The need for increased crop yields is by no means centered in the overpopulated areas of Asia and Latin America. It is found also in other areas of the world that, by contrast, are more fully developed. It is found even in parts of Europe itself, and especially in the Soviet Union which is already hard put to feed its own growing rly. Moreover, this need for increased crop yields is becoming more insistent as world wheat reserves shrink

When the final figures are in for the crop year now ending, it will be found that use of U.S. wheat for domestic and export demand has set another new record. As world food needs intensify, the U.S., Canada, Australia, and other large wheat producers will see their

wheat output moving ever more swiftly into consuming channels.

OBVIOUSLY, wheat and other food grains alone (including rice, which is so important a part of the human diet in the heavily populated areas of Asia) cannot be grown fast enough to keep up with the world's needs. It is not surprising, therefore, that during her recent visit to the U.S. the Prime Minister of India, Mrs. Indira Ghandi, is reported to have expressed considerable interest in fish protein concentrate. Although this quite inexpensive and highly nutritious product was developed many years ago, we are still awaiting its approval by the Food and Drug Administration. Once the O.K. has been given, there is good reason to hope that fish flour can become an important food supplement and a new weapon in the struggle against world famine.

The Creator intended that man should receive his sustenance from both the land and the sea. We have by no means exhausted the possibilities of crop development and livestock husbandry. Little by little, we will uncover more of the secrets of nature with respect to plants and animals. But should we not also be devoting more attention to uncovering the secrets of the sea? Fish and fish flour are nutritious and have much to offer the hungry of the world. And who knows what nutritive values lie hidden in the minerals and algae of the seven seas?

# for The Record

By Bill Sliger

It appears that the ZIP code has lost its zip.

Delayed mail has become commonplace and is a cause for major concern in the post office department.

There have been numerous examples: six day delivery from Detroit to Northville; air mail and special delivery letters arriving one week late (by the sackful); six days for delivery of newspapers from Northville to customers in Livonia.

The bottleneck is not at the local level. The Northville postoffice operates efficiently and harmoniously, thanks to a staff of dedicated employees who know their business.

Hundreds of inspectors are now trying to determine the cause of delayed mail out of the large postal centers. Low pay, tight reins on overtime pay and help shortages have been cited as major contributors to the problem.

Whatever, poor mail service cannot be tolerated. The United States mail service is the important center of the hub of communication that makes our nation hum. It has been, and remains, a source of pride unmatched in the

The mail must get through ... on time.

\*\*\*\*\*\*\*

Recently I mentioned in this column the success story of a group of Cadillac residents in attracting new industry by constructing building sites.

Northville has had its own successes in this area and the latest example is a second addition to Foundry Flask and Equipment company.

The local economic development group came up with \$40,000 so that a loan for some \$200,000 could be obtained through the Small Business Administration and Manufacturers Bank.

Six per cent debentures were sold to 17 area residents to obtain the \$40,000. The 60 by 120-foot structure is the second addition to Foundry Flask financed by the Northville Area Economic Development Corporation. The first was built in 1963.

The result of the assist to local industry is more jobs and a bigger local payroll.

John Miller headed up the latest project. He was assisted by Gunnar Stromberg, A. R. Clarke, Philip Ogilvie and Fred Kester.

# OUT OF THE

ONE YEAR AGO ...

...Congressmen Billie Farnum and Weston Vivian, Congresswoman Martha Griffiths and State Representative Marvin Stempien were to join with local officials in dedicating Northville's new post office.

... A securities specialist was hired by the Northville board of education to market the district's \$3.3 million bond

... Northville's retail merchants division of the chamber of commerce began discussion of its August sidewalk sale promotion.

...A Northville man, driving without an operator's license, Roger W. Lanstra. was killed when the car he was driving flipped over several times and threw him approximately 150 feet.

... More than 300 people were on hand at a luncheon honoring Dr. Philip N. Brown as he retired as medical superintendent at Northville state hos-

...The Novi township board approved the purchase of metal awnings for the community building at a cost of \$597.50. FIVE YEARS AGO...

... A rezoning request to permit construction of a shopping center just outside Northville's city limits was denied by the Novi village council by a 3 to 2

The planning board had approved commercial zoning for the 24-acre site on Novi road near Eight Mile road at a June 30 hearing.

...Sale of Johnson's Jewelry and Gift Shop, 124 East Main street, to Robert Stewart of Livonia was announced.

... Northville's high school concert band, under the direction of Robert Williams, presented the first of a series of four weekly "concerts in the park".

... The two-year struggle of Northville's Community General hospital to survive a seemingly endless series of setbacks was lost.

Directors admitted that the hospital was on the brink of bankruptcy.

Unless emergency funds were immediately forthcoming — in the form of outright donations — a motion to stop admitting patients and begin bankruptcy proceedings was to be presented at the next meeting of the board of directors. FIFTEEN YEARS AGO ....Leland V. Smith's appointment as

postmaster of the Northville post office was approved. He had been serving as acting postmaster for the previous two years.

... Members of the Northville Exchange club heard Rev. Adolph Bergman. Methodist minister from Carleton, give a stirring talk on "In The Storms of Europe".

... More than 500 delegates attending

the seventh annual state convention of Amvets held in Grand Rapids elected Charles Trickey, Jr. of Novi, the state junior vice-commander of the organization.

... Village commissioners passed a formal resolution authorizing the taking of certain lands to be used for public alleys and parking areas.

...A new course in physical science was to be taught at the high school in the fall as a one-year elective subject for juniors and seniors. The course of study was being prepared by Carl Zwinck, instructor. Meteorology, the science of weather forecasting, was to receive two weeks attention, and about four weeks was to be devoted to geology and minerals.

TWENTY-FIVE YEARS AGO. . . ...Herbert Cox, manager, and Ernie Shave, Meadowbrook Country club's pro, were ready for the fourth invitational tournament to be held August 1

...Eleven Northville boys were called into the armed forces from the local selective service board.

... The silver anniversary of the horse show was to be celebrated when the show started September 11. Harry B. Clark was named president of the show. THIRTY-FIVE YEARS AGO. .

...Dr. John Kestell, a well-known figure in Northville, died at the University hospital on July 19.

...Diving into shallow water at Walled Lake and breaking his neck, Melvin Cohen was taken to the Pontiac hospital where he died.

...William Banks of West Point Park, noted for owning good fast horses was horrified when one of his prize mares was instantly killed during an electrical storm.

... New officers of the Mausoleum association were: M. J. Murphy, president' Mrs. F. S. Harmon, secretary; and John Schoultz, treasurer.

Hank the Hat, some call him. Others, just Mr. Hank, or even more simply, Hank.

But for me and others who inhabit the Record building, he was the unnamed, old guy who for years has been plunking himself down on the Record steps to watch the world go by. No name, no home, just the guy wearing the cap and the friendly smile.

Like many people, however, there are two sides to his life. One - the homeless, old man - he wears on his sleeve; the other is tucked away inside.

By chance last Saturday I had a peek at the other man: father, uncle and friend of more than 400 youngsters who make their home in the Wayne county training school on Sheldon road.

Hank, it turns out, is the oldest employee at the school, where for the last 27 years he has been living and operating a concession stand for employees and boys.

Henry Lankhorst

"It's you," I stammered. "The guy on the steps. The guy holding up the mailbox on the corner.'

"Yep," he smiled, "that's me. I've seen you a lot ... I know all of the people who work at your place, even if you don't know me."

Here, in his other world, Hank is no stranger. Everyone knows and loves him. His weekly sojourn to the Record steps, I learned, isn't a vagrant's pasttime. Just "a way to relax and watch the world go by."

The boys, he explained, are his life, 'I couldn't live without them. They come and go, but don't forget. I love it here, and ... I'll probably die here." Not as spry as he used to be, Hank,

now nearing 80, says he's still got a lot of living to do - a lot of new boys to take care of and a lot of candy-selling

Born in Fremont, Hank knocked around on Michigan farms after his mother died when he was 11. Later, after serving in the Army during the First World War, he was married. His wife died 10 years later.

A friend of a relative gave him the tip about the job at the training school so - at the age of 50 - he began a new life for himself.

Well beyond the required county retirement age, Hank is able to continue working because he works for the employees - not the county. He lives on his army pension, turning back all concession business proceeds.

"He's the best. We couldn't get along without him," piped up an employee buying a package of pipe tobacco. From the tow-headed youngster clutching a handful of jawbreakers: "Thank's, Mr. Hank".

And from the old guy, Henry Lankhorst, on the steps: "These Slo-Poke suckers are my biggest sellers. Have been ever since I came here."

#### Hits Hazard On 8 Mile Road

To the Editor:

Topic: Corner of West Eight Mile Road and Pontiac Trail.

Hazard: 5 foot, wooden fence on the south east corner.
Results: Numerous accidents.

Answer: Nothing is being done to correct it.

A property owner on Eight Mile road and traveling to Ann Arbor seyeral times a week encounters the same old hazard at the corners of Eight Mile road and Pontiac trail.

Has anyone attempted to do anything about it???? The accident reports in the Sheriff's office should indicate the problems it has caused in the past years. Yet the fence remains in place and hundreds of motorists take their chances when they turn left at this corner and go south on Pontiac trail.

Some time ago a motorist crashed into the fence and the land owner promptly had it replaced. This indicates what is being done to cut down on the accidents on that corner. NOTHING.

Signed: Eight Mile Road Driver

For Language Arts Programs

#### Oakland Schools Get Grant

Oakland schools had been granted \$454,300 to set up 45 model programs in language arts during the coming year.

Dr. William J. Emerson, superintendent of Oakland schools, said the money would set up one or more programs in each of the 29 districts in the county.

The program will begin September 6 with an eight week training session for 25 teachers selected by their own districts. At the conclusion of the session, each teacher will be responsible for establishing a language arts program chosen from one of five models agreed upon by superintendents in the county.

An additional 20 teachers will be trained to run pilot programs during a second eight-week session at the offices of Oakland schools. Salaries of these teachers will be paid from grant funds during the training programs and for the rest of the school year.

Three of the five models which local districts may choose have been titled Learning Improvement Services. The trained teacher will become specialist

and resource person to help other teachers in the school district to strengthen reading and language arts

# Kensington Park Attendance Up

Attendance at Kensington Metropolitan Park is up nearly 41-percent over last year's first six-months period.

According to Kenneth L. Hallenbeck, director of the park authority, Kensington had 360,500 visitors during June of this year, down from the 482,000 record set in 1963.

Nevertheless, the six months attendance is way up over last year, with 1,386,000 visiting the park from January through June.

The largest single day's use this June at Kensington was 37,400 on Sunday, June 26, less than the record 51,000 which came to the park June 30, 1963.

offerings. Under-achieving pupils will be identified for whom the specialist

will plan small group instruction.

The three programs will operate lower elementary grades, in the upper elementary grades and in junior or senior high school.

A fourth program, Reading Extension and Progress (REAP), will operate in the junior and senior high schools. Its object is to encourage and foster reading. The specialist in charge of the program will work with a selection of 1,000 paper back books and three English classes, half the class at a time, for two days each week. On the fifth day, the reading room teacher will be available to consult with classroom teachers on individual student progress.

The REAP program is not considered a remedial program, but one to assist adolescents develop reading ability, to improve the quality of their compositions and to learn to enjoy reading.

A Speech Improvement program, operating for junior or senior high school students is the fifth from which districts may choose.
