

**AUF WIEDERSEHEN** — Parting was sad for some 375 foreign exchange students who concluded their one-year stay in the United States last week. Departure day was held in Northville on Wednesday at the high school. Families from throughout Michigan and neighboring states gathered here to see their foster children board buses for New York and a boat trip back to Europe. The exchange program is sponsored by the Youth for Understanding organization of Ann Arbor. Locally, the departure day is sponsored by the Northville Rotary club. Some 13 busloads of new exchange students coming to the U.S. for another year will arrive in Northville August 27. Their American parents will meet them here and take them to their homes for the coming year. Applications for students may still be made by local families who may wish to "adopt" an exchange student for the 1966-67 year. Call Rotarian Richard Lyon, FI-9-1252.

## New Principal Changes Mind

Northville lost its new high school principal before he started. Superintendent of Schools Alex Nelson announced this week that John Wellington, named by the board of education last week to succeed Fred Stefanski, had declined the Northville post. Nelson said that a verbal agreement had been reached with Wellington for a two-year contract at \$13,000 annually. This week, however, he said Wellington changed his mind. He is currently employed by the State Department of Education as a coordinator for scholarships. The Northville superintendent said that other applications for the principalship would now be re-examined and a new selection made.

## Council Hears Complaints, Airs Extension of Griswold

The city council covered a variety of items on a light agenda Monday night. Business included complaints from Randolph street residents protesting conditions during construction work, sidewalk installation on North Center street, sewers in Oakwood subdivision, a traffic light at Eight Mile road and Center street, and the proposed extension of Griswold through to Beal and River streets. Several residents of Randolph street told the council they were "marooned" and that the street was frequently closed off from 7 a.m. until 4:30 p.m. without warning. The street is presently undergoing improvements including widening, paving, storm and sanitary sewers as well as a new bridge installation. It was pointed out by protesting residents that an unsteady plank is the only access to the western portion of the street across the stream where the bridge has been removed. Complaints about lack of dust control were also voiced. City Manager Frank Ollendorff said that attention would be given to all complaints and noted that the main problem centered around the strike by laborers, which has delayed the project. He said that the work should be completed by early September, providing the labor dispute is settled. Sidney Frid, 865 Grace, appealed to the council to construct a new sewer to serve Northville Heights number one. He said the present sewer was not adequate to serve the subdivision as well as the Oakwood area in which he resides. "Problems will start again as soon as we have rain", Frid stated.

The council instructed Engineer Harold Penn to study the proposal and determine estimated costs. It was decided to go ahead with installation of a sidewalk on North Center between South Ely drive and Maplewood on the basis of one third payment by the city and two-thirds by property owners. Mayor A. M. Allen had questioned whether it had not been city policy to assess new portions of the city 100 per cent for improvements. Councilman John Canterbury pointed out that the 100 per cent assessment applies to new subdivisions and new areas of the city for street and utility improvements. He said the sidewalk ordinance did not differentiate between new and old city. The ordinance calls for one-third participation in costs by the city for initial installation of sidewalks. Attorney Philip Ogilvie upheld Canterbury's interpretation and the council voted to proceed with the improvement as planned. The council meeting ended with a discussion of the proposed extension of Griswold street. Councilman Del Black urged the council to take the proposal under consideration. "I think it's time to con-

### Youth Breaks Neck In Diving Accident

A 19-year-old Northville boy suffered a fractured vertebra in his neck as the result of a diving accident in a pool at his home.

In traction at Mt. Carmel hospital is James "Dewe" Weidner, son of Mr. and Mrs. William F. Weidner of 672 Fairbrook.

The accident occurred Wednesday, July 27, at 10 p.m. Weidner and three other boys were diving into a shallow, pre-fabricated pool at the Weidner home. The youths were diving from a four-foot ladder attached to the pool, as they had done many times in the past. Depth of the water is just over three feet.

Howie Jones, a friend of Weidner's and a classmate at Western Michigan University where the boys are sophomores, described the accident.

"Jim dived from the ladder and I could tell by his straight dive that he was going too deep". When Weidner didn't surface, the boys plunged into the water after him.

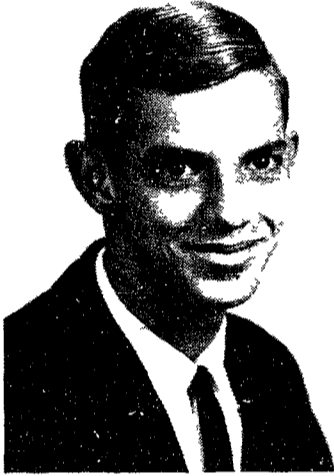

He was conscious, but unable to move. "I can't feel my legs", Weidner told the other boys. An ambulance was called and he was taken to St. Mary hospital, but transferred to Mt. Carmel after a brief inspection.

A neurosurgeon set the fracture and Weidner was placed in traction.

Mrs. Weidner said this week that her son will remain in traction for a period of four to six weeks. She said he can move his arms, legs and toes, but has trouble in moving his fingers.

She said he is confined to a "circ-o-lectric" bed and must be turned over frequently for resting.

Weidner was vice president of his

**Jim Weidner**  
Northville high school graduating class in 1965.

His friends, Jones said, have already started a collection, perhaps to rent a television set or provide other assistance during his confinement.

"We've already collected \$100. Others who would like to give can call FI 9-0508", Jones stated.

Mrs. Weidner said that the family has full hospitalization insurance, but that she knows her son would appreciate cards or letters from friends. His room number at Mt. Carmel is 233.

When the accident occurred, Mr. and Mrs. Weidner were visiting another son, Bill, in Chicago where he is employed at the Albert Pick Congress hotel. Bill is a senior at Michigan State University majoring in hotel management.

Jim had remained home because of a summer job with Frogner-Bourdon, Inc.

Keenly contested races on the Republican ticket in Northville township attracted 49 per cent of the township's registered voters to the primary polls Tuesday.

The ticket backed by Incumbent Supervisor R. D. Merriam won handily.

Incumbent Treasurer Alex Lawrence swamped Trustee Wilson Tyler, 436-137. Mrs. Eleanor Hammond defeated Mrs. Rita Smith for clerk, 393-155, and Bernard Baldwin (422), Gunnar Stromberg (403) and Thomas Armstrong (374) topped Mrs. Elsie Price (277) for the three trustee posts.

Baldwin and Stromberg win four-year trustee terms, while Armstrong will serve a two-year term.

Only Republican nominees facing competition in the November election are Supervisor Merriam and Mrs. Hammond. Democrat Supervisor Nominee Joseph Fiorilli polled 135 votes, while Mrs. Eugene Guido, running for clerk, received 125 votes.

The proposal to ban hunting in Northville township won by a whopping margin of 342 YES to 80 NO votes.

Although township candidates run in November, they do not assume office until April because present officeholders were elected to their terms in spring elections which prevailed under the old state constitution. The township board has also been expanded from five to seven members with four trustees, a supervisor, clerk and treasurer.

The local races brought out a heavy vote in the township where precinct one recorded a 54 per cent average with 486 of 894 registered voters going to the polls. Precinct two had 366 of its 824 voters cast ballots for a 44 per cent average.

The city turnout was less impressive. The overall average was 32 per cent. Precinct one had the best record with 300 votes out of 807 registered for 37 per cent; precinct two, 196 out of 787 for 25 per cent; and precinct three, 283 out of 832 for 34 per cent.

In area state and congressional races results were not official at press time but unofficially it appeared that Jack McDonald defeated Richard Kuhn by 1100 votes in the 19th congressional district for the Republican nomination. The winner faces Incumbent Billie Farnum. Marvin Esch defeated George Meader for the GOP nomination in the second district and will face Incumbent Wes Vivian. In the 14th state senatorial race the Democrats nominated Paul Livingston and the Republicans George Kuhn.

In the Democratic race in the 60th district for state representative Dwight Lawler won the right to meet Republican Incumbent Clifford Smart.

In judicial races in Wayne county the court of appeals' nominees were Charles Levin and James Brickley. Circuit judge nominees were Cornelia Kennedy, James Ryan, George Martin, Frederick Yates, Anthony Szymanski and John Connolly.

### Downs' Season Ends Friday; Bet Mark Set

The 35-night harness season ends Friday at Northville Downs with a record average mutuel handle almost assured.

Through last Saturday the Downs was averaging a nightly betting total of \$295,936, compared to last year's record of \$291,672.

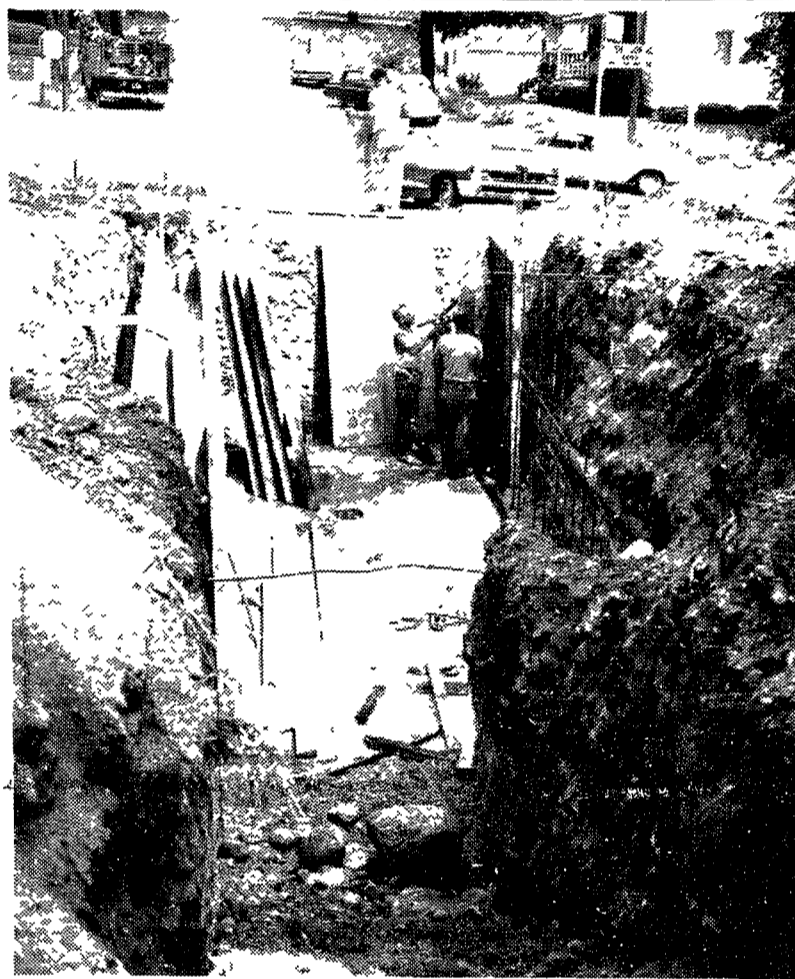

Total handle through the first 30 nights of the current season was \$8,878,071. Last year fans wagered \$8,750,154 through the first 30 nights.

A record was set for Friday nights last weekend with 5,974 fans betting \$410,130.

Saturday night a larger crowd, 6,536 fans, bet less money, \$383,583.

While betting is up some 1 1/2 per cent this year, attendance is down about five per cent.

Harness racing moves to Hazel Park on Saturday night.

**DETROIT WATER** is inching its way into Northville. Installation of a line from the Detroit main at North Center street and Baseline road to the city water tower is presently underway. The pit shown above will house the meter and

valves at the intake connection. The line itself continues westward along the Baseline easement to the tower. City Manager Frank Ollendorff said this week that work delays have set the date for conversion to September 1.

## Smith-McCall Married In Walled Lake Ceremony

Denise Marie Smith and Charles John McCall exchanged wedding vows at the Walled Lake Methodist Church July 9. Reverend Ellis A. Hart conducted the afternoon ceremony.

Parents of the couple are Mr. and Mrs. Stephen Earl Smith of Grove Point drive, Union Lake, and Mr. and Mrs. Charles S. McCall of West Maple road, Wixom.

The bride was gown in a white sheath of silk organza which featured a cathedral train and applique Venice lace embroidered with pearls. Her bouffant veil of silk illusion fell from a pillbox touched with pearls.

Her bouquet was composed of white carnations and roses with ferns and white gladiolus.

Attending the bride were Leslie Young, maid of honor and bridesmaids Mrs. Ivan Hassett, Patricia Ann Smith and Sandra Maxwell.

They wore bright turquoise empire style gowns, with bodices of linen lace and sheath skirts of silk crepe over taffeta.

They carried bouquets of pink and yellow carnations, yellow chrysanthemums and pale pink gladiolus with ferns.

Chris McCall was best man, while ushers were Scott Dolfman, Steve Olds,

Joseph McCall, Peter Smith and James McCall.

For her daughter's wedding, Mrs. Smith chose a sheath and matching jacket of pale pink Thailand raw silk. Her accessories and orchid corsage were pink.

An aqua crepe sheath, matching floor-length coat and accessories were worn by the bridegroom's mother. She had a corsage of Nile green orchids.

After greeting guests at a reception in the Green Lake Community Hall, the new Mr. and Mrs. McCall left for a two-week honeymoon in Vermont, Massachusetts and Washington, D.C.

## College Corner

by Nancee Slattery

This week we take a look at a small, picturesque college named Olivet. The school is one of the oldest in Michigan, its first classes having met in 1844.

Tuition at that time was \$9 per year for women students and \$10 for men. Additional fees for the year added up to about \$1 per student.

Olivet's colonial brick buildings occupy several blocks in the small, rural village of the same name.

The two residence halls on campus are Dole Hall for women, and Blair Hall for men. About 150 girls live in Dole, and over 100 boys live in Blair. Both halls have game rooms, parlors, a large Common Room and brick fireplaces to add to the home atmosphere.

\*\*\*\*\*

One of the highlights of life at Olivet is the weekly convocation held in MacKay Gymnasium. Lectures, musical programs, movies and student organizations reports are included in the convocations.

Church activities are important also, as Olivet is associated with Congregational Christian Church.

Six societies, three for men and three for women, are part of student life at Olivet, as well as numerous clubs, publications and athletic events. One sorority, the Sororians, is the oldest sorority in the United States.

\*\*\*\*\*

Several Northville students have claimed Olivet as their alma mater in the past. One member of this year's graduating class was JULIE GAZLAY, daughter of Mr. and Mrs. Francis Gazlay of 221 South Rogers.

Julie was active in college affairs during her four years there. She was president of Dole Hall, a job which kept her constantly busy planning and carrying out dorm activities.

She was also a member of Sigma Beta sorority. An English and psychology major, she accepted a position with the Warren Woods schools for this fall. She is engaged to Paul Lundstedt of Detroit, who also graduated from Olivet this June.

\*\*\*\*\*

This fall one Northville girl, LUCY BYARD, will be a member of the freshman class at the college. This summer she is working for Aunt Jemima's Restaurant, but on September 9 she'll begin six days of freshman orientation.

The orientation has been carefully planned to include a wide variety of "get-acquainted" activities, such as meetings with academic advisers, discussions, convocations and church services, films, and tours. Two days of testing are also planned.

Classes start September 15.

\*\*\*\*\*

Jane Nelson, daughter of Mr. and Mrs. Alex M. Nelson of 519 Reed, attended orientation at the University of Michigan earlier this summer. She'll be a freshman this fall.

## Bowlers Meet

All area women bowlers are invited to attend an organizational meeting for the Thursday night ladies' bowling league.

It will be held August 18 at 7 p.m. at Northville Lanes.

## Camp-out Tops Year For 41 Girl Scouts

It's over for another year, but 41 Northville and Plymouth Girl Scouts have new friends, badges and skills to show for their two weeks at the 1966 Huron Valley Girl Scout Camp.

The camp was held in Cass Benton Park July 18-28. Mrs. William Schlieff was director this year.

The eight camping days were busy ones for the girls. They worked on the requirements for certain badges by taking hikes and studying various aspects of nature.

They also had a song session each day under what they call their "singing trees."

Cook-outs, fingerpaints and handicrafts were included as part of the fun too. And what Girl Scout camp would be complete without making some-mores, treats made of graham crackers, marshmallow and chocolate?

Flag ceremonies began and ended

each day of camp.

One day was designated as International Day. The girls donned make-shift costumes representing various countries. Besides enjoying an international feast, they broke colorful Mexican pinatas.

A Mexican student from Ann Arbor joined the Girl Scouts for that day.

Mrs. Schlieff had a lot of assistance in running the camp. Her co-director was Mrs. Roger Soucy.

Other lady helpers were Mrs. Pat Taggart, Mrs. Carolyn Strom, Mrs. Beverly Pratt, Mrs. Audrey Cunningham, Mrs. Lois Meloche, Mrs. J. Hilligas, Mrs. Mitzi Gray and Mrs. Dorothy Kelusner.

Several Senior Girl Scouts helped out too. They were Patty Campdon, Donna Bissa, Sally Schlieff, Diane Wheeler, and Terri Rogers.

**SILENCE** - Leaders and campers stood at attention for a silent flag ceremony last Thursday which brought two weeks of camping activities to a close for 41 local Girl Scouts. Mrs. William Schlieff, camp director, explains that the silent service allows each girl to meditate privately on her relationship as a Girl Scout to her country.

## Engaged

Carol Louise Jones

Mr. and Mrs. Albert E. Jones of 43550 Six Mile road announce the engagement of their daughter, Carol Louise, to Richard Ivan Joannis, son of Mr. and Mrs. Ivan A. Joannis of Detroit.

Both attended Michigan State University where Richard is now in graduate school.

A December 17 wedding is planned.

Sally Helen Sample

Mr. and Mrs. James A. Sample II of 20803 Chigwidden drive announce the engagement of their daughter, Sally Helen, to Robert Paul Werenski.

Miss Sample is a 1959 graduate of Northville high school. After three years of business studies in Ypsilanti, she is working as a secretary at the N.H. Albers Trucking Company in Detroit.

Her fiancé is the son of Mr. and Mrs. Anthony W. Werenski of Detroit. He is employed at the Ford Motor Company, and is a graduate of General Motors Institute in Flint.

A March wedding is planned.

## Garden Clubbers to See Fashions September 10

Flowers, Fashions and Food is the theme of the luncheon the Northville Garden Club is staging September 10 in the community building.

The one o'clock luncheon will be highlighted by a showing of fashions from Hutzler's in Ann Arbor and furs by Marchande.

Flower displays will include do's and don'ts of flower arranging, arrangements for special occasions, and corsages.

Tables decorated for special occasions will also be set up by club members and guests.

Two shops will be part of the show too. A Bake Shop will sell holiday and fancy breads, while a Flower Shop offers arrangements and accessories to make arrangements.

The public is invited to attend. However, tickets must be purchased in advance. No tickets will be sold at the door.

Tickets are available from all Gar-

den Club members, or by calling Mrs. William Switzler, FI 9-0628.

## Wins Honors In Forensics

East Lansing - Pamela Smith, 20114 Woodhill drive, the daughter of Mr. and Mrs. Myrn Smith and a student at Northville high school, has received honors for proficiency in debate-forensics at the 19th annual High School Communication Arts Institute at Michigan State university.

A total of 213 high school students from Michigan and 11 other states participated in the third session of the institute, which ended July 30.

Enrollment for the three sessions of the 1966 Institute totaled 535.

The High School Communication Arts Institute was sponsored by the MSU College of Communication Arts and Continuing Education Service.

## News Around Northville

George Lockhart of 618 Orchard Drive attended the national convention of the Plano Technicians Guild held last week at the Deauville Hotel in Miami Beach. Latest engineering developments in piano manufacture, and new techniques to sharpen tuning and repairing skills were presented through the piano technology workshops held throughout the sessions.

James Mosher, a graduate of Northville high school, is one of the graduate assistants and fellows appointed for the academic year of 1966-67 at Texas Christian University. Mosher received his B.S. degree from Wheaton College in 1960, and will be seeking his Ph.D. in mathematics at Texas Christian.

Steven Jordan is returning home Sunday from an eight-week science study program sponsored by the National Science Foundation at Coe College in Cedar Rapids, Iowa. He was one of 30 students from 12 states selected for the program in advance chemistry, physics and mathematics. His parents are the Glenn Jordans of 215 High Street.

Mrs. L. Childers of Louisa, Kentucky visited her sister, Mrs. Jim Spagnuolo of 133 E. Main, last week. It was the first time the two sisters had seen each other in nine years. While Mrs. Childers was here they attended a family reunion in Stoney Point, Ontario. She left for home last Friday evening.

Mrs. Eda Phillips is doing some summer traveling. She is now visiting several friends and relatives in Denver, Colorado for a few weeks. She lives at 43783 Park Grove.

Mark Van Orsdale spent a few days with his grandparents, the Ralph Bidwells of South Lyon, while his parents, the L. S. Van Orsdales of 445 Grace, were in Mansfield, Ohio.

Thirty neighbors and friends hosted a surprise 70th birthday celebration for Wayne Claypool last Friday. It was held at the home of Mr. and Mrs. Clifford Smith of 19235 Maxwell. After a potluck supper, Mr. Claypool was presented with an added surprise—a wheelbarrel full of little gifts.

An engagement party was held Sunday for Alan Straith and his fiancée, Rita Keith, at the home of Mr. and Mrs. Douglas Straith on 23866 Woodham. Guests attended from Dearborn and Detroit. The couple will be married this fall.

Carol Leavenworth was honored at a bridal shower Saturday. Mrs. Martin (Vicki) Kovach was hostess at her parents', the Robert Boyds, home on Carpenter street. Guests were school friends of Carol's and employees of Western Electric where she works. She will marry Gary Styck on August 20.

An engagement party was held Saturday for Clyde Mason and Emy Weeks at the bride-to-be's home. Guests were Mr. Vern Miller, Ruth Payne, Mr. and Mrs. David Bastou and Mr. and Mrs. William Birch. A wedding date has not been set. The party also celebrated Clyde's birthday.

Daniel R. McGarry, 14-year-old son of Mr. and Mrs. William M. McGarry of Whispering Hill Farm, 42061 Nine Mile road, left Sunday to attend a three-week Youth Music Program at Michigan State University.

Mr. and Mrs. Floyd Ireland have just returned from a month's vacation in Alaska. They visited their daughter, Joyce, in Sitka and Mrs. Ireland's sister, Mrs. Cal Spiegler. They also visited the Yukon, Dawson City, Lake Louise and the Yellowstone on their way home.

Dr. and Mrs. Lyle Fettig and daughters, Kirsten and Kathryn, and Doctor Fettig's mother, Mrs. Frank Fettig, spent Sunday at Ipseerwash in Canada.

Mrs. William Rackov and grandson Brian and Mrs. Orville Whittington have returned from a week of vacation at the Rackov cottage near Marion.

Mrs. Marie LaFond, Mrs. Pat Schoultz, and Mr. and Mrs. James Curvin had a birthday dinner honoring Mrs. Fred Ashby at her home in Romulus this past Sunday.

Mrs. Florence Lanning of Howell was the house guest of her sister-in-law, Mrs. Marie LaFond, last week.

## WILLOWBROOK COMMUNITY

The John McMillans of Maude Lee Circle have had a busy month. A new sister-in-law and a new daughter-in-law have been added to their family. Mrs. McMillan's brother, Philip Heferton, was married in North Carolina to Claudia Crooks from Washington, D.C. He met his wife while teaching at the University of North Carolina where he was a professor in Fine Arts, and his wife majored in arts. They came to Detroit and spent a month visiting his parents there and his sister in Novi. Mrs. McMillan and her mother gave a wedding reception for the couple in Detroit.

The following week the McMillans son, John, was married to Marlene Ruland at St. Annes in Walled Lake. After a week they left for Bangor, Maine where they will make their home and where John is stationed at Dow Air Force Base, going to school and studying engineering.

After all the festivities Mrs. McMillans mother was taken to the hospital and after three weeks she is now convalescing at home for six weeks, then

she will again return to the hospital for a major operation. She wishes to thank all the many friends who sent best wishes for her recovery.

The McMillans and children David, Phil and Cheryl and David's pal, Jerry Asher, are visiting their son and his wife, the John McMillans Jr. at Bangor, Maine for a couple of weeks.

Mr. and Mrs. Lester Fishback sold their home to Mr. and Mrs. Earl Hall of Clawson. The Fishbacks moved to their new home at West Bloomfield on Wednesday of this week.

Rev. and Mrs. Ralph Rivers attended the wedding of Rev. Timothy Crist and Miss Beth Whitney of Aurora, Illinois, in Lansing on Saturday. They also visited the latter's parents, Mr. and Mrs. George Swengel at Napoleon, Michigan. GIRL SCOUT NEWS

There were 150 girls registered on opening day. They have six units, one boy unit and a nursery. One day next week they will have a visitor's day. NOVI METHODIST CHURCH

For the next two Sundays the substitute minister will be Rev. Charles S. Kent, chaplain of the Brighton hospital.

Rose Sutton sang a solo at the church service this past Sunday morning.

Bible school begins next Monday, August 8 and will continue for five days.

The church and vacation school picnic will be held Sunday afternoon, August 20.

## WILLOWBROOK COMMUNITY CHURCH

Thursday evening the local church discussion group will meet at the parsonage with Rev. and Mrs. Arthur Norris. The theme of the discussion is entitled, "Christian Faith Speaks to Children."

The Michigan Conference will hold Vesper services at the camp ground at School Lake, Brighton Sunday evenings. The service begins at 7 p.m. from August 7 through August 28. Rev. Robert Horton of Detroit will have charge of the services next Sunday, August 7.

## FIRST BAPTIST CHURCH

Special speaker at the annual Bo Lo Island Retreat on Saturday, August 6 will be Ralph French, probate court Ohio who will be speaking on "The Scar Beneath." At the same time there will be a special meeting for children, presented by Roscoe Lee, Missionary to Africa from Strathmoor Judson Baptist church. Other plans include leaving on the 10:00 boat, eating picnic lunch, 11:15-

12:15. The afternoon program includes three workshops, the one on Children's work will be led by Mrs. Kee of Detroit Bible college, Youth Work by Rev. Lyons, youth director of South Baptist church, Lansing, and the adult workshop, will be led by Dr. Forest Stephens. During this period there will be a supervised picnic for children, 5-12 years. The return boat will leave at 4:00 or 6:00. Anyone who wants to go can call the church office this week.

New members of the music committee are chairman Ron Shaw, Mr. and Mrs. Lewis Diem, Mrs. Phyllis Clark and Mrs. Florence Foster. Special music for Sunday included a number by the choir "Who is on the Lord's Side". Evening music included an original arrangement on the piano, "Day by Day," by Ruth Monroe, and a duet, "So send I You" by Ruth and her sister, Virginia. The men of the church met following morning worship service and planned a "Finish the Church" project. This will be under the supervision of John Norwood and the following work nights were set up at Warrens to work on the steeple: Tuesday, August 2; Friday, August 5, 6 p.m.; Saturday morning, 8 p.m. and continuing through the day.

On Monday 16 primary children attended the zoo in Royal Oak with their Sunday school teachers, Mrs. John Norwood and Mrs. Kenneth Roberts. They were also accompanied by the primary department superintendent, Mrs. Clarence Stipp.

The Young people, under the direction of Mrs. Clarence Bellefeville and Mr. Robert Taylor, met at Cass Benton Park last Saturday and cooked breakfast while getting the area ready for the Sunday school picnic. Those in charge of the games were Mrs. Brent Munro and Mrs. Allen Burton for the

beginners department; and Mrs. Clarence Stipp and Mrs. Janet Place for primaries. All participating youngsters received a special scripture verse balloon.

**WEEKEND WINNER** — "We'll go to Columbus, Ohio, because I like to go to capitals," said Mrs. Joseph M. Modos, Jr. as she and her husband accepted a certificate from Aaron Gellerman (left) that entitles them to a free weekend at any Albert Pick Motel or Hotel. And the Modoses will take their two youngsters, Joseph III, who is four, and Timothy, 2, with them. Gellerman, owner of Brader's is one of the merchants sponsoring the win a weekend contest, now in its fifth week. It's got 15 more weeks to run. The Modoses live at 43749 Doris Court.

## Admits Break-ins

A Plymouth man who police say has confessed to break-ins of three Northville business places during the past week, faces examination here next week.

He is Robert W. Van Der Sys, 23 of 3347 Sheldon road.

Upon arraignment the court entered a plea of innocent on behalf of the defendant and the examination was ordered.

The arresting Northville officer stopped Van Der Sys Friday because the rear plates were missing from his car as he drove through the downtown parking lot alley. While questioning the defendant, the officer noticed a camera with a price tag still attached inside the car.

He was taken to the police station where, after extensive questioning, police say he admitted break-ins of the Northville Camera Shop, the adjacent Monson Trailer Parts company, and Northville Market.

The camera was identified as the one stolen from the Camera Shop. Nothing was reported stolen from the adjacent business, but cigarettes, beer and wine were taken from the market.

Although he has not yet admitted any of the earlier break-ins here, police note that the same method of gaining entrance was used: breaking door or window glass.

### The Best Time to Buy a Used Car

Many economists have declared used cars to be the greatest bargain in terms of real value for the money in our whole economy. This is because, of course, of the significant drop from the new price in the first few years.

The hitch, of course, is that the buyer must beware of purchasing a worn-out model that has been misrepresented to look like a quality used car. But since dealing with a reputable dealer usually solves this problem, there remains only the fact of depreciation to contend with.

Annual depreciation chews away continuously at the market price in a series of stages. A significant price decline occurs in July after the Spring rush is over. Labor day is next when buyers looking to winter have made their purchases. The new car announcement follows in October announcing a new style year. As the car now officially becomes one year older, values go down again. Winter weather in November slackens demand for the fourth time to the all-time low of the year. Prices then level off until the first warm days of March when the cycle resumes.

This, then, is a wise time to buy a used car. The market price has reached its low cycle and your resale value stands to decline little, if any, in the next six months.

## In Our Courts

Three men have been bound over to circuit court by Northville Municipal Judge Charles McDonald to stand trial on separate charges.

They are Robert H. Taylor, 22, who is charged with breaking and entering of Noder's Jewelry here on June 27; Truman Howard, 19265 Gerald, who is charged with assault with intent to do great bodily harm less than murder on March 3 at Northville Downs; and John F. Ford of Dearborn Heights, charged with escaping from the Detroit House of Correction on May 15.

All three entered pleas of innocent upon arraignment and their cases had been pending until Judge McDonald bound them over to circuit court July 25.

In court action on Monday, two Plymouth men were found guilty of being disorderly persons at 450 Gardner on July 24. They are Allan E. Nairn and Paul W. Taylor, each of whom were fined \$11, and court costs of \$10.

A similar charge against Patricia M. Willnow of South Lyon was dismissed by Judge McDonald after she pleaded innocent.

James K. Avery of Ypsilanti, who pleaded guilty of being drunk and disorderly in the yard at 117 Fairbrook on July 28, was fined \$16.50 and \$10 court costs.

Automatic 90-day revocation of his operator's license, an \$80 fine and \$20 costs were assessed against James G. Schmitz of 18745 Ridge when he pleaded guilty of driving under the influence of liquor at North Center and Dunlap on July 24.

A \$5 fine and \$5 costs assessed Schmitz for operating a car with a defective muffler was suspended.

Mark A. Lipa of 900 Spring drive was found guilty of reckless driving on Seven Mile road and was fined \$25 and \$10 court costs.

Donald W. Johnson of Southfield was found guilty of disobeying a stop

sign at First and Edward Hines drive and he was fined \$5 and \$5 costs.

Pleading guilty of careless driving on West Main street July 18, Raymond S. Vargo of Plymouth was fined \$40 and \$10 costs.

Careless driving on Baseline July 24 resulted in a \$10 fine and \$5 court costs for James M. Clark, who also pleaded guilty.

George E. Rhodes of Ann Arbor and James T. Allen of 51600 Grand River, Wixom, pleaded guilty of being minors in possession on Ridge road July 22 and each were fined \$10 and \$5 costs, plus a state assessment of \$1.50.

## Northville Boy Wins Role At Northland

While producer Kenneth E. Schwartz and road director Kevin Handily watched, 300 Detroit-area boys sang, tumbled and displayed their bushy crops of hair before them last week.

It was all part of a drive to find four local youths to play fellow pickpockets and young companions of Oliver in the musical of the same name which opened Tuesday at Northland Playhouse.

Although 296 of those boys, including a few who turned out to be girls, went away disappointed one Northville boy came away with a part.

Nine-year-old Dale Schwarz, son of Mr. and Mrs. Denis Schwarz of 48220 Rushwood Lane, was cast as a young British ruffian for the six-day run of the play.

His mother, like hundreds of other mothers, read the ad for boy actors in the paper and decided to give her sons a try at the roles.

Her older son, Dean, 12, came close to winning a part too. He was still being considered when the 300 hopefuls had been narrowed down to 12 finalists.

It's not Dale's first role, but certainly his biggest. He once had a walk-on part in a Plymouth Theatre Guild production.

For his part in "Oliver" he will sing, dance, perform a series of acrobatics — and, of course, pick pockets.

A fourth grader at Our Lady of Victory Church, he rehearsed all weekend for the musical based on the Charles Dickens' novel. The play stars Eileen Brennan, a Broadway performer, with other starring roles played by Michael Thom as Oliver, Gretchen Van Aken as Nancy, and R. G. Brown as the infamous master pickpocket Fagin.

Tickets are available for the play at all Hudson's stores and at the Playhouse. It runs through Sunday.

## Ex-Wixom Mayor Services Held

Funeral services were held last Saturday afternoon at the Walled Lake Methodist church for Joseph Stadnik, 48438 Pontiac Trail.

Mr. Stadnik, owner of an automobile dealership in Plymouth, served as the first president of the village of Wixom in 1957 and then became the first mayor of the city of Wixom following its incorporation in 1958. He also served as a member of the charter commission for city incorporation.

Mr. Stadnik was 46 years old. He had been ill for three months and died July 27 at the University of Michigan hospital. He was born in Detroit, June 14, 1920. He is survived by his wife, Barbara; one son, Jeffrey and three

brothers and two sisters.

A 22-year resident of Wixom Mr. Stadnik was a member of the Walled Lake Methodist church, and the Ancient Accepted Scottish Rite of Free Masonry.

A memorial service was held Friday evening at the Richardson-Bird Home in Walled Lake. Church services were conducted by the Reverend Ellis Hart and interment was at Wixom cemetery.

**Cyclist Kills Girl's Dog**

"A dog is just a dog to some people, but this one became a part of the family."

The man speaking was Novi Constable Charles Stewart, a man who had lost his dog, Frankie, reportedly deliberately killed by a motorcyclist. Stewart is offering a \$200 reward for anyone furnishing information leading to the conviction of the dog killer.

Frankie was killed about 6:05 p.m. on Wednesday of last week as he waited at the foot of the Stewart's driveway at 42484 13 Mile road for the family to return home.

Children were playing across the street as Frankie sat near his favorite rock, one that completely overshadowed the toy poodle, a five-pounder of him. A motorcyclist whizzed by and the children played on. Frankie waited. Suddenly, the motorcyclist roared back, this time on Frankie's side of the road. The children told Mrs. Stewart that the cyclist veered sharply and hit Frankie, knocking the toy poodle into the air and across the road.

Gunning the engine, the motorcyclist slanted his vehicle across the road, rolling over Frankie with both tires, the children said, and then sped away. As Mrs. Stewart, who inadvertently had let Frankie out before going to the store, returned with her daughter, one of the children stopped the car to tell her what had happened. Not wanting to upset her daughter, Mrs. Stewart said she walked up the road alone to pick up her dead silver and grey toy poodle.

"I was sick," said Mrs. Stewart. Later, she recalled having passed a motorcyclist as he raced east on 13 Mile road. "He was going at a terrific rate of speed, 60 or 65," she said. "He's going to lose control, I thought to myself, and kill himself."

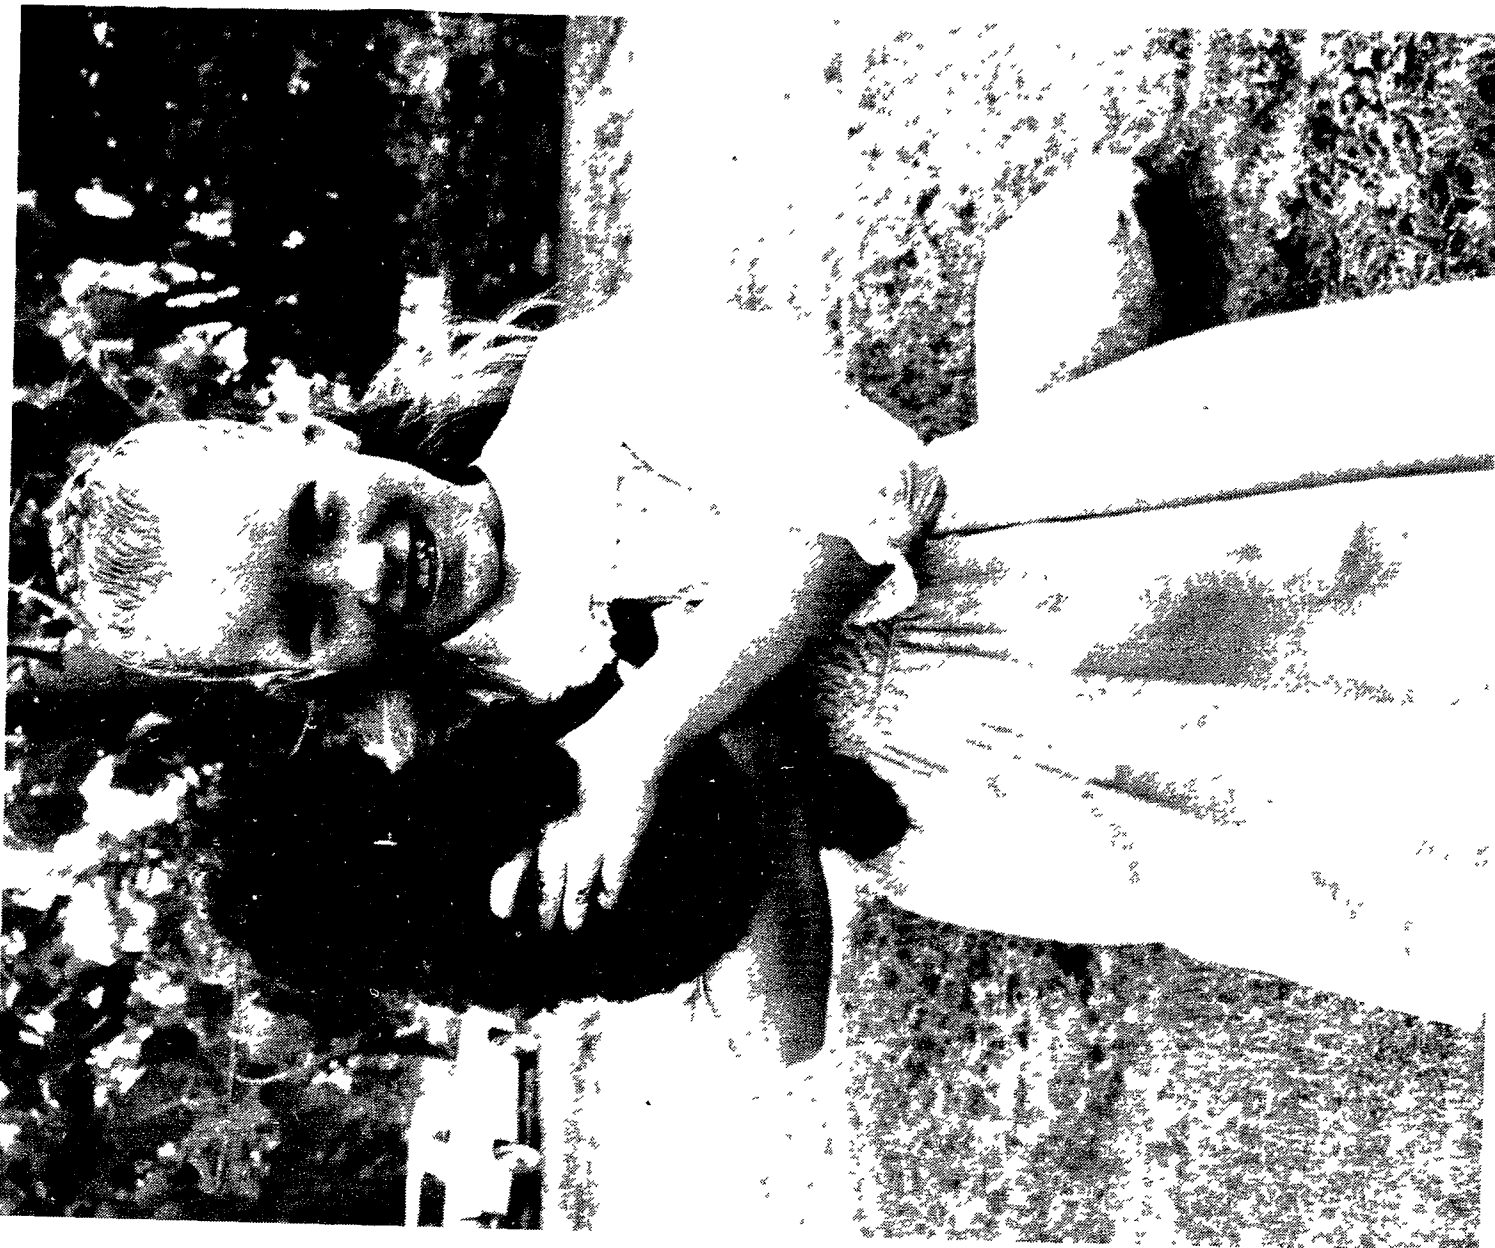

She described the cyclist as about 20, black-haired and wearing a blue shirt. He was riding a light-weight motorcycle, either black and white or black and silver.

It was Frankie's custom to wait for the Stewart's car to return so he could hitch a ride from the foot of the driveway to the garage. "He never ran after cars or bikes," Mrs. Stewart pointed out. "He was only nine and one-half inches tall, no more than five pounds. He barked in a friendly manner, and he loved kids."

"What really upsets me," she continued, "is the fact that there are small children all around this neighborhood, on every side of us and across the street. He could just as easily have hit one of the children. No telling what a man like that would do."

The 11-week old dog has already helped their daughter to forget Frankie, but for the elder Stewart's, Frankie's memory persists. "It's just not Frankie, that's all," Mrs. Stewart mourned. "I didn't realize we had grown so fond of the dog."

Novi Police Chief Lee BeCale emphasized that police are doing everything they can to curtail errant motorcyclists, but even so, they have been getting many complaints from citizens. "We'll continue our get-tough policy," the chief promised.

**SMILING AGAIN**—Nine year old Peggy Stewart is smiling again now that she has this little bundle of fur to replace the family's pet dog killed by a motorcyclist. But the new dog cannot erase the memory of the senseless killing.

which prompted Peggy's father to post a \$200 reward for the cyclist's arrest.

## Novi Justice Court

In keeping with the crackdown, three motorcycleists were hauled into court before Novi Township Judge Emery Jacques and each was fined \$5 and paid \$5 court costs.

Henry Chavez, 17, of Livonia, who was chased by police for a mile before stopping, was ticketed July 19 for having a noisy exhaust as he drove north on Novi road from Eight Mile road to Grand River. He told police he did not hear the police siren at his arraignment last Thursday.

Another motorcycleist, 19-year-old Richard Atkinson of Detroit was cited last Thursday for making excessive noise as he drove east on Grand River east of Taft road. Violation occurred at 5:28 p.m. on July 20.

And Richard Dillingham, 18, also of Detroit and a buddy of Atkinson's, appeared and was fined for the same offense.

A Detroit man wanted for a string of traffic infractions, was fined \$100 and sentenced to three days in jail last Thursday in Novi justice court.

Frank Camier, 38, was stopped July 23 for driving a car with a loud muffler east on Grand River. Police said when they asked for his license, he said it had been revoked for three years for past violations.

It was further learned upon checking police records that Camier had been issued \$59 in tickets in Detroit.

A Novi resident, Donald Fletcher, 22, was also fined \$100 last Thursday by Judge Emery Jacques. Fletcher lives at 28835 Summit drive.

According to police, Fletcher was traveling south on Novi road between 12 Mile and the expressway on July 2 when he ran off the road, passed on a hill and straddled the center line. When stopped at approximately 2:09 a.m., Fletcher used abusive language, police reported.

First arraigned July 7, Fletcher pleaded not guilty. At his trial last Thursday, he pleaded guilty to a reduced charge of reckless driving.

Complaints about an incessantly barking dog landed a Novi man in court last Thursday.

Floyd Trent of 121 Faywood was fined \$5 and instructed to get rid of his dog by Judge Emery Jacques. It was reported that Trent promised to remove his dog to Kentucky.

## Walled Laker Faces Court For Knife Scare

A Walled Lake man was charged with felonious assault last week after he had reportedly narrowly missed stabbing one man with a knife.

It was reported that William J. Hood, 24, also made a gesture toward his wife with the knife while she was visiting at 1735 E. Lake drive last Thursday.

Hood told police that he had heard his wife was at 1735 East Lake drive, and when he found her sitting next to another man, he lost control, police said.

Witnesses told police that Hood entered the house and made a pass with a knife at French Napier of Howell, but Napier dodged. Then, police were told, Hood started after his 18-year-old wife who was holding the Hoods' baby. Police were immediately summoned at 8:01 p.m.

## Cavern Plans Battle of Bands Saturday Night

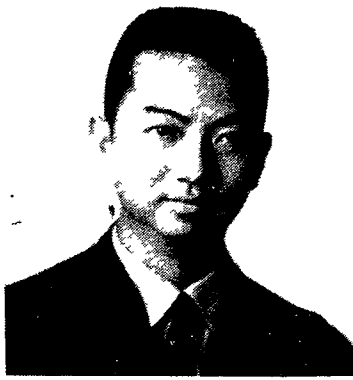

"The Cavern", the Northville Teen Club, will present its third Battle of the Bands Saturday, August 6, from 8:00 p.m. to 11:30 p.m. at the Community Center.

The following five bands will be competing for first place: The Rebel Kind, the Corsairs, the Conceits, and two other bands. In addition to the bands, two favorite disc-jockeys, Larry and John, will be there to add fun and entertainment.

The Cavern dances are open to teenagers, 9th grade and up, from Northville and surrounding areas. Admission to the dances is 50 cents for members and 75 cents for non-members.

## Hospital Doctors Form Association

Resident physicians of Northville State Hospital were formally organized in a meeting held recently at the hospital administration building.

Dr. Lupo T. Carlota, Jr.

Dr. E. Gordon Yudashkin and Dr. Calvin H. Chen, Superintendent and Director of Medical Education respectively hail the formation of the residents' organization viewing it as a positive step towards better approach to team psychiatry.

Elected president of the Northville State Hospital Psychiatric Residents' Association is Dr. Lupo T. Carlota, Jr. He is former president of the Medical Society of Surigao del Norte province in the Philippines. He was a newspaperman having been an editor-publisher of their provincial newspaper the "Northern Star". He had served as president of the Surigao del Norte Press Club.

Other officers elected are Dr. Hugo Hernandez, vice-president; Dr. Teresita Pena, secretary-treasurer; Dr. Minoo Chino, Dr. P. K. John and Dr. Sun Hyoo Kim, representatives.

## Burkman To Talk At Olivet

Conrad Burkman of Northville, manager of the Pacific Finance Corporation at Wayne, has been invited to speak before an assembly of high school economics teachers at Olivet college August 16.

He will speak on "The Role of Sales Finance Companies", outlining the laws governing such companies.

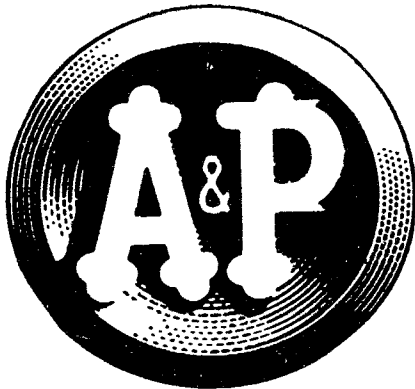

Following the talk, he will join representatives for banking, consumer financing, credit unions, and retail merchants, in a panel discussion.

Panelists will include William Koepke, industrial relations director for Household Finance Corporation, William Curnow, vice-president of Genesee Merchants Bank & Trust company, and Ralph Novak, president of Michigan Credit Union League.

Dr. Carl Wheaton will be the moderator.

Between 70 and 80 economics teachers, who are attending a two week workshop studying practical aspects of economics, will be present.

Burkman lives at 525 Eight Mile road.

## Editor Gets Job At College

The appointment of Howard Kahn to the recently created position of assistant to the president was announced this week by Schoolcraft college President Dr. Eric J. Bradner.

Kahn joined the college's administrative staff on July 18. He came here from Daytona Beach, Florida, where he was city editor of the Daytona Beach Morning Journal. He was formerly associated with The Bay City (Mich.) Times, and worked on newspapers in Ohio and Florida. He also conducted a public relations office for five years in Bay City.

A native of Cleveland, O., Kahn, 47, received a B.A. degree from Ohio University, and served in the Navy during World War II.

Much of his newspaper experience was as an education reporter. In 1955, he represented the Bay City Times at a pilot education reporting workshop sponsored by the Ford Foundation's Fund For The Advancement of Education at Harvard university.

As assistant to Dr. Bradner, Kahn will assume duties in the areas of state and federal legislation, institutional research, college publications and publicity.

## College Population Climbing

Enrollment figures from the seven high schools in the Schoolcraft College district tell an eloquent story of steady growth in the years ahead for the two year old college.

For example, in the June, 1966, high school graduates in the district were to enroll at Schoolcraft next month, the freshman class alone would top out at 2,662 students.

District high school students have first call on Schoolcraft facilities.

When Schoolcraft opened its doors in August, 1964, it admitted 2,020 students in day and evening classes. All were freshmen. Last August, the school's total enrollment was 2,504 students.

But the 1966 high school graduating class is only the beginning. On the basis of enrollment figures assembled in a recently completed survey conducted by college officials, district high schools will graduate 3,034 pupils in June, 1967—all of them eligible for enrollment at Schoolcraft.

The college now anticipates an enrollment in excess of 5,000 by 1970.

# Northville City Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen at 8:10 p.m. on Monday, July 18, 1966 at the Northville City Hall.

Present: Allen, Black, Canterbury, Carlson and Funk. Absent: None.

The minutes of the regular Council meeting of July 5, 1966 and Special Meeting of July 6, 1966 were accepted.

Moved by Kester, supported by Black that bills in the following amounts were paid:

General	\$27,625.75
Water	1,210.28

Unanimously carried.

Communications from Charles Altman family and W. E. McCarthys, expressing their enjoyment and appreciation of the Northville City picnic on June 26, 1966, were read by the clerk.

A letter was received from Gordon Hubbert, Air Correction Division, relating to Cleaner Air Week to begin October 23, 1966.

City manager read proposed answering letter to request from Northville School board asking for sanitary sewer connections for Junior High school on Taft road. Council asked that final decision on this be delayed for a short time.

Discussion of occupancy permits for homes in Northville Heights Subdivision #2 resulted in City Manager being instructed to withhold occupancy permits until return of City Attorney at which time the attorney will advise regarding this matter.

Mr. Sidney Frid, 865 Grace street, inquired if anything was being done about seal-coating streets that were sealed last year. Mayor Allen asked that figures be made available for August 1 meeting on above streets; council to also look at list of remaining streets to be improved (priority list).

Fire call reports for months of May and June, 1966 were received.

Police report for month of June, 1966 received.

Clerk read notice as published in Northville Record requesting bids for sidewalk installation on west side of North Center street from S. Ely drive to N. Ely drive; stated letters had been sent to five contractors who are registered with the city.

Following is bid received from Angelo Bagnasco, 18500 Greenview, Detroit: \$1,236.00 (60¢ per sq. foot for 4")

City Engineer Penn was asked to examine bids and report later in meeting. (See paragraph after N. Wing street Parking Lot Improvement).

The clerk read the amendment to the Swimming Pool Ordinance as published in the Northville Record. Mr. John Wanamaker, 435 Welch road, spoke regarding proposed pool depth, saying he felt that 18" was more desirable than proposed 24". After discussion, moved by Canterbury, supported by Kester that Section 4-201 of the City Ordinance entitled "Swimming Pools" be amended to read as follows:

(b) the term "swimming pool" shall mean any portable structure or contain-

er, either above or below grade, located either in part or wholly outside a permanent enclosed and roofed building, designed to hold water to a depth of greater than 18 inches, when filled to capacity, intended for immersion of the human body, whether for swimming or wading or both, by the occupants thereof and guests as an accessory use to a residence.

Unanimously carried.

The clerk read the proposed amendment to the Water Ordinance as published in the Northville Record (relative to water rates). There being no questions, moved by Kester, supported by Carlson that above amendment be adopted to become effective when City of Northville begins receiving water from Detroit Water System. (Rates on file in clerk's office). Unanimously carried.

Mr. Charles Latham, Northville merchant, spoke to matter of proposed signal light on E. Main street between Center and Hutton streets, saying he felt that Center street presented more of an immediate problem than the proposed signal light. After considerable discussion, this matter was tabled.

Several Northville merchants present at the meeting spoke regarding problems of left turns for southbound Center street and general traffic problems and parking restrictions in area of Center and Main streets.

Moved by Black, supported by Carlson to re-appoint Charles Altman and Richard Lyon to the Municipal Parking Authority for three year terms, July 1, 1966 to July 1, 1969. Unanimously carried.

Moved by Black, supported by Kester that the following be appointed to the Northville Citizens' Advisory Committee for terms of one year, July 1, 1966 to July 1, 1967:

John Mach, Stanley Johnston, Kenneth Rathert, Arthur Adams, George Clark, Robert Bretz, Essie Nirider, Arthur Procter, Russell Clarke, Harry Wagenschütz, Rev. Lloyd Brasur, Robert Horner, Mrs. David Schults, Mrs. William Bake, Sr. and Robert Hart. Unanimously carried.

Northville township is to be contacted for recommendation for township representative to the Northville Citizens' Advisory Committee.

City manager reported that the Methodist church is interested at this time in negotiating a property trade with the City of Northville; they might be interested at future time in selling a portion to the city. City Manager Ollendorff felt that transaction might be accomplished in the future and still go ahead with improvement of present City lot. (City manager is to relay message to MPA to re-examine matter of N. Wing Parking lot)

Moved by Carlson, supported by Kester to advertise for bids for improvements to N. Wing St. Parking lot, bids to be opened at August 1, 1966 meeting, 8:00 p.m. Unanimously carried.

Engineer reported he had examined bid and recommended its approval. Moved by Carlson, supported by Kester that contract for installation of sidewalks (Roll 66-2) on N. Center street be awarded to Angelo Bagnasco, Detroit for low bid of \$1236.00 (60¢ per sq. ft. of 4") Unanimously carried.

City Mgr. Ollendorff reported regarding 4 basic types of contracts that were discussed at a recent Joint Council on Urban Development.

Mr. Ollendorff also briefly explained the new Account Coding system; this will be checked with auditors when they come on July 25.

Councilman Kester suggested that parking lots might be signed "This lot is provided for you by the City of Northville" or some such wording.

Retail Merchants' Assn. requested that Main street from Center to Hutton streets be blocked off from 7 a.m. to 9 p.m. for annual Sidewalk Sale on Saturday, August 20, 1966. Permission granted (asked that streets be swept before and after sale).

City manager was asked to conclude business of Christmas Decorations from Council with Retail Merchants.

Councilman Canterbury asked that more conspicuous and more legible signs be attached to 15 minute meters.

City manager reported on unusually quick action of the fire department (Northville) at the recent Qwik-Lock Co. on Park Place.

Mayor Allen asked that 24-hr. parking limitations be more closely checked by the police department.

Moved by Canterbury, supported by Kester to authorize Mayor Allen to negotiate purchase of property on E. Dunlap for \$16,000, giving a \$100 holding check. Unanimously carried.

There being no further business, the meeting was adjourned at 11:55 p.m.

Respectfully submitted  
Martha M. Milne  
City Clerk

## Advertisement for Bids for Constructing Northville Road Sanitary Sewer

FOR THE

TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN

CONTRACT NO. S-2

Sealed proposals for constructing NORTHVILLE ROAD SANITARY SEWER will be received by the Township of Northville, Wayne County, Michigan, at the office of the Township Clerk, 16860 Franklin Road, Northville, Michigan, until 2:00 P.M., E.S.T., Monday, August 15, 1966, at which place and time they will be publicly opened and read.

The work included consists of constructing approximately 800 linear feet of 8" sanitary sewer, together with manholes and other related work.

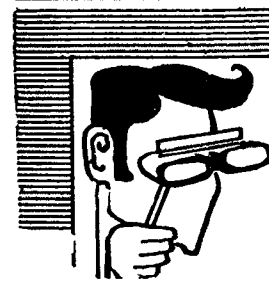

Plans, Specifications and other Contract Documents may be examined at the office of the Township Clerk and at the office of the Engineer, 14050 West McNichols Road, Detroit. They may be obtained from the Engineer upon payment of a deposit of \$10.00 per set. Deposits will be refunded upon return of the complete documents in good condition within 7 days after the bid date, or if documents are used in making a bonafide proposal. Documents will be mailed to prospective bidders upon request accompanied by additional payment of \$5.00 per set, not refundable.

Each proposal shall be accompanied by a certified or cashier's check in the amount of at least 5% of the total bid, drawn payable to the Township of Northville, as security that if the proposal is accepted the Bidder will execute the Contract and deliver acceptable Performance and Labor and Material Payment Bonds within 14 days after the award of the Contract.

Proposals which have been submitted shall not be withdrawn after the time set for opening of bids and shall remain firm for a period of 60 days after opening of bids.

The Township reserves the right to reject any or all Proposals and to waive any formality or irregularity in any Proposal, in the interest of the Township.

TOWNSHIP OF NORTHVILLE  
Marguerite N. Young, Clerk

## OUT OF THE PAST

ONE YEAR AGO...

...Northville Municipal Judge Charles W. McDonald announced his candidacy this week for the Wayne County circuit court.

...Ray Jackson, 21485 Silchester Court, will display his 1931 Ford Tudor Deluxe Sedan at the Fifth National Model A Homecoming at Greenfield Village. He has spent the past two years remodeling the car.

...The biggest racing season in the 22-year history of the Northville Downs ended Wednesday night. It brought in \$10,564,726 through last Saturday night.

...The first official move of a new campaign to change Novi from a village to a city will be made Saturday. Petitions will be placed squarely before citizens at the offices of C. A. Smith on Grand River.

...Lions' Coach Harry Gilmer, a new resident in the Northville-Novi area, sang high praises of Joe Don Looney, obtained from Baltimore this summer. "He's loaded with ability," Gilmer stated "and he told me he's ready to go."

FIVE YEARS AGO...

...The city council received official word of the resignation of an employee who would win the city's "most valuable" title hands down. Mrs. Mary Alexander, city clerk, submitted her resignation effective December 31.

...Identical problems face both of the Northville area's two state hospitals - lack of sufficient operating monies. At Northville State Hospital, operations will have to be conducted on \$30,000 less than last year, and at Plymouth State Home and Training School it will mean operating with a reduced staff with an increased patient load.

...The Detroit Lions met at Meadowbrook Country Club last Thursday for a day of golf. Some of the players were Bill Glass, Yale Larry, Max Messner, Ollie Spencer, Dick LeBeau, Harley Sewell (who said he would putt

with his driver), Head Coach George Wilson and sportscasters Van Patrick and Budd Lynch.

TEN YEARS AGO...

...Ownership of the Northville Record and Novi News passed this week to William C. Silger, general manager of the Plymouth Mail. Former owner Glenn H. Cummings will devote himself to public relations work.

...Occupied dwelling units in Northville increased from 973 on April 1, 1950 to 1,080 on July 1, 1956.

...Leland Smith, president of the Northville Rotary Club, said this week that the club will plan several activities to share with the Rotary Anns (wives of the members).

TWENTY YEARS AGO...

...Arrangements have been completed for the V-J celebration in the village, according to George Locke, chairman.

...Swimming at the pool near the Pickert Gravel Pit on Seven Mile road, which has been supervised by Recreation Director Don Bray, will be discontinued because of the nationwide polio epidemic.

THIRTY YEARS AGO...

...Although officials are satisfied with the speed with which the Ford factory is being completed, it is doubtful it will be in operation in less than 30 days.

...Toboggan slides are not exactly in keeping with the 90 degree plus weather, but they are ready for action nevertheless. Four toboggan slides have been completed at Cass Benton Park for the use of the public.

# New Laws Help Rehabilitation

LANSING — Handling of juvenile delinquents is constantly undergoing change as the philosophy turns from punishment to rehabilitation and, hopefully, prevention.

A juvenile convicted of a felony 10 years ago would probably serve a prison term, frequently amidst adult criminals. Today he might be involved in a training school, conservation camp or half-way house program.

Starting next year, still other choices will be available to juvenile authorities in dealing with delinquents.

Laws enacted this year provide for the courts to designate errant youngsters as "youthful trainees" before trial on a criminal charge, and permit the establishment of regional detention facilities for juveniles.

Under the first program, the state corrections department would have jurisdiction over the trainees for up to three years. Deviation from the training program established by the department could send the youth back to the court for trial on the criminal charge.

Gus Harrison, acting department director, said the trainee program would probably be used primarily with first offenders. The hope is that the youths would be encouraged to cooperate in their rehabilitation with the knowledge they would not have the stigma of a felony conviction on their record.

CREATION of regional detention centers will be part of the long range goal of keeping juveniles away from adult prisoners at all stages of incarceration.

These will be operated by the state social services department. Construction of three facilities is planned initially, with the locations to be decided on the basis of need.

While it has long been deemed desirable to have entirely separate facilities for young prisoners, many Michigan counties are financially unable to provide them and the juveniles are put in jail. Under this new program, the committing counties will pay half the cost of the short-term care provided at the regional centers.

PART OF the major revision of state government initiated by the 1963 Constitution was the creation of a state Court of Appeals.

It was designed to relieve the State Supreme Court of part of its workload. Its primary purpose was to handle a mass of criminal appeals which arose because the new Constitution also guaranteed the right of appeal to anyone convicted of a crime.

The nine-member tribunal was elected on the non-partisan ballot in 1964 in three state districts.

Main offices of the state's No. 2 court are in Lansing but cases are also heard in Detroit, Grand Rapids and Marquette.

Although elected from specific districts, the judges on the Appellate Court bench rotate from month to month among the three divisions. Three judges hear each case which comes before the court.

Decisions of this court may be challenged in the Supreme Court only

on approval of an application for rehearing.

MICHIGAN, which led the states in construction of high speed, limited access, toll-free highways, reverted to an ancient system to guide the traveler on these roadways.

Almost three years ago, the highway department started the erection of mileposts on its freeways to give drivers a point of reference. The freeways have few distinctive landmarks otherwise.

The milepost, history shows, was used to guide travelers in biblical times and railroads have used them for many years. They were used on many rural roads in America until the 1920's, when highway maps became popular and other forms of route markings replaced the mile markers.

Initially the mileposts were erected along interstate 94, I-96 and I-75 only. Later the interchanges on I-94 were numbered according to the mile system, and mileposts were added to the other freeway routes in the state.

# Farming Future

BABSON PARK, Mass. — Things are looking up for American farmers. Prices for livestock and other farm output are at good levels, and everything points to a new record in farm income in 1966. Farmers, in fact, appear to be on the road to regaining the prosperity that has been eluding them since the end of World War II.

The long period of general business boom here at home and mounting food requirements abroad have combined to push total demand for American farm produce to new highs. For decades, the federal government has been pursuing farm programs designed to cut crop surpluses and to bolster agricultural prices. Now the shoe is on the other foot and the Administration is concerned because our grain reserves are dwindling and farm prices climbing.

The current broader demand for U.S. farm produce is pointed up by the fact that on July 1 this year our carryover of wheat from last season dipped below the 600-million-bushel mark for the first time since the early 1950's. Actually, in the 1965-66 season, total disappearance of wheat, corn, and soybeans has been well above average. When all the figures are in, it will probably be found that usage and shipments of these grains set new records.

LAST YEAR, gross income realized from farming was at a record high of \$44.4 billion, — up \$2.2 billion from 1964. A new record will be set this year as cash receipts from marketings move still higher. But this excellent and improving trend in gross farm income does not tell the whole story. Much of the cream will be skimmed off by boosts in farm production costs.

In 1965, total farm production expenses were about 4% higher than in 1964. This year they may top 1965 by a larger percentage, — reflecting rising costs for livestock, feed, maintenance and repair of machinery, and the carrying of debt. Taxes paid by farmers are also in a decided upswing. Even so, farmers' net income from their farm operations should increase somewhat this year; in 1967 they may be expected to do considerably better.

Look for improvement in the overall economic positions of farmers to lead to greater efforts by labor union leaders to "organize" farm workers. Historically, labor unions have met rather stiff opposition in their campaigns to sign up farm labor. The success they have had recently in unionizing the workers in the vineyards of the West will spur union

leaders to step up their plans for "organizing" farm laborers generally.

During the next few years, profit margins of farmers will be under persistent, heavy pressure from rising labor costs. Not only will this pressure come from wider unionization of farm laborers; it will also come from the application of federal wage-hour laws which are granting steadily broader coverage and compensation.

WHILE SOME large farm operations have done very well for themselves in recent years, the average farmer has economically lagged his city cousin. For one thing, the prices he is receiving are still some 9% below their 1947-49 level. But, as rapidly expanding demand gives him new hope for a better, fairer shake, the farmer will be more eager to help himself.

Hence, coming months will probably see farmers spending more freely for supplies, including heavy machinery. Such spending could well set a record this year. Bulk of their buying of farm supplies and equipment will likely come in the final months of the year... when crops are in and they know where they stand financially, and when they may well be looking for ways to make business purchases to offset the tax impact of their prospectively higher dollar income.

## SPEAKING for The Record

By Bill Sliger

A new idea for the proposed cross-walk on Main street near the theater. Instead of a full-fledged traffic light, that could create a traffic bottleneck, an illuminated sign indicating "pedestrian crosswalk" has been proposed.

This arrangement, suggested to Councilman Canterbury by the county on a trial basis, would slow down motorists and provide a mid-block crossing for shoppers. In addition to the two-way sign, a crosswalk would be painted on the street.

It would appear that this compromise plan would hold more appeal to merchants who were skeptical of the traffic light idea.

Anyone who knew Joe Stadnik when he was village president and then mayor of the city of Wixom would appreciate the long hours and hard work that he devoted to the job.

He accepted the position as head of the newly incorporated area as a challenging responsibility and he gave the job his fullest effort. I recall well visits to his home when he had been drafting an annual budget. Not a detail escaped Joe; he worked hours to perfect a document that he could present to his council and be proud to recommend its adoption.

His death at 46 is mourned by those who respect such devotion to duty and who appreciate community service.

In the history of Wixom the name of Joe Stadnik deserves everlasting remembrance.

If "One Very Angry Teenager" will come to The Record office and sign his (or her) letter to the editor, it will be published.

All letters must be signed, although the name will be withheld upon request.

If you're a golfer, it's a slice into the clubhouse; if you're a swimmer, it's a suit-losing dive; if you're a ballplayer, it's a trip over home plate; and if you're a fisherman ... well, try this on for size:

Over the years I've managed to collect some fine fishing equipment. And, with the aid of South Lyon's angling band director, I've come up with some pretty good catches to go with the equipment — not exceptional, mind you, but some good ones.

Last week I badgered our family into five days of camping on the shore of Lake Michigan. The fishing equipment went along too. But, unfortunately my tutor, Director Frank Kochalko, stayed home to wave a baton instead of a rod. After the preliminaries — the little subtleties calculated to convince a doubting wife that sharing a tent with five kids is great fun — I managed to slip away for the "big ones" in a nearby inland lake.

Four hours later I was back, sun-burned, fishless and in no mood to listen to excited talk about guys returning with big catches. Instead, I harbored my disgust and secretly planned my next day's attack on Lake Michigan perch from the Ludington channel breaker, where earlier I had seen kids and once-a-year fishermen haul in some beauts. If amateurs like these can do it, I thought, just imagine what a veteran like myself can do.

The next day, puffed with optimism and armed with two cane poles, an ultra-light rod and reel, and a heavier spinning rod and reel I took my kids along to watch the excitement. To whet my appetite we first watched an old man catch several big perch. Obviously, he was using an old-fashioned technique, I whispered to the kids, because his pail was only half full. Just watch.

And watch they did, along with several strollers who seemed intrigued by the angler with the large collection of equipment.

First, I unlimbered one of the cane poles, whipping it back over my head for a long cast. It brought immediate reaction — a female stroller spit out an unkind word as she dislodged the hook from her blouse.

"Sorry about that, ma'am. Would you folks mind stepping back a bit. Thanks."

The next cast was more successful. The bait flew far out into the water — and the bobber kept sailing, probably all the way to Milwaukee.

On my third cast, I laid the pole

down and started rigging the second line. Before finishing, I noticed the bobber dunking beneath the surface. The rock at the opposite end of the line put up a real battle: it grabbed the bait, sinkers and half the line.

Re-rigging my first pole, I shot the line back into the water and once again started working on my second. Finished, I sent it sailing into the water, promptly hooking my first line. Now I had both lines in the water, one hugging the other for protection.

The curious crowd was growing. And the kids were asking when we'd catch the fish. Meanwhile, the oldtimer ridiculed me by methodically hauling in perch after perch.

As anger furrowed my forehead and shook hands with the red embarrassment of my ears, I ripped the two lines apart, re-rigged the first and fired the line back into the waves. Almost immediately it latched on to the rock. But this time I pretended not to notice the dunking bobber and continued working on my second line. Waiting until my original fans, including the first catch, had strolled on, I retrieved the hookless first line and tossed in the second. The hookless line was rewound around the pole and put away.

One pole is enough for any good fisherman. Indeed it was! On retrieving the line to check the hook, I managed to topple my can of live crabs into the water.

Now reduced to my artificial lures, I took out my thirty-dollar reel and started "some real fishing".

Later, as the kids and I took the long walk back to shore with a much lighter tackle box and two snarled, expensive rods, my boy gave his mother the explanation: "The fish weren't biting."

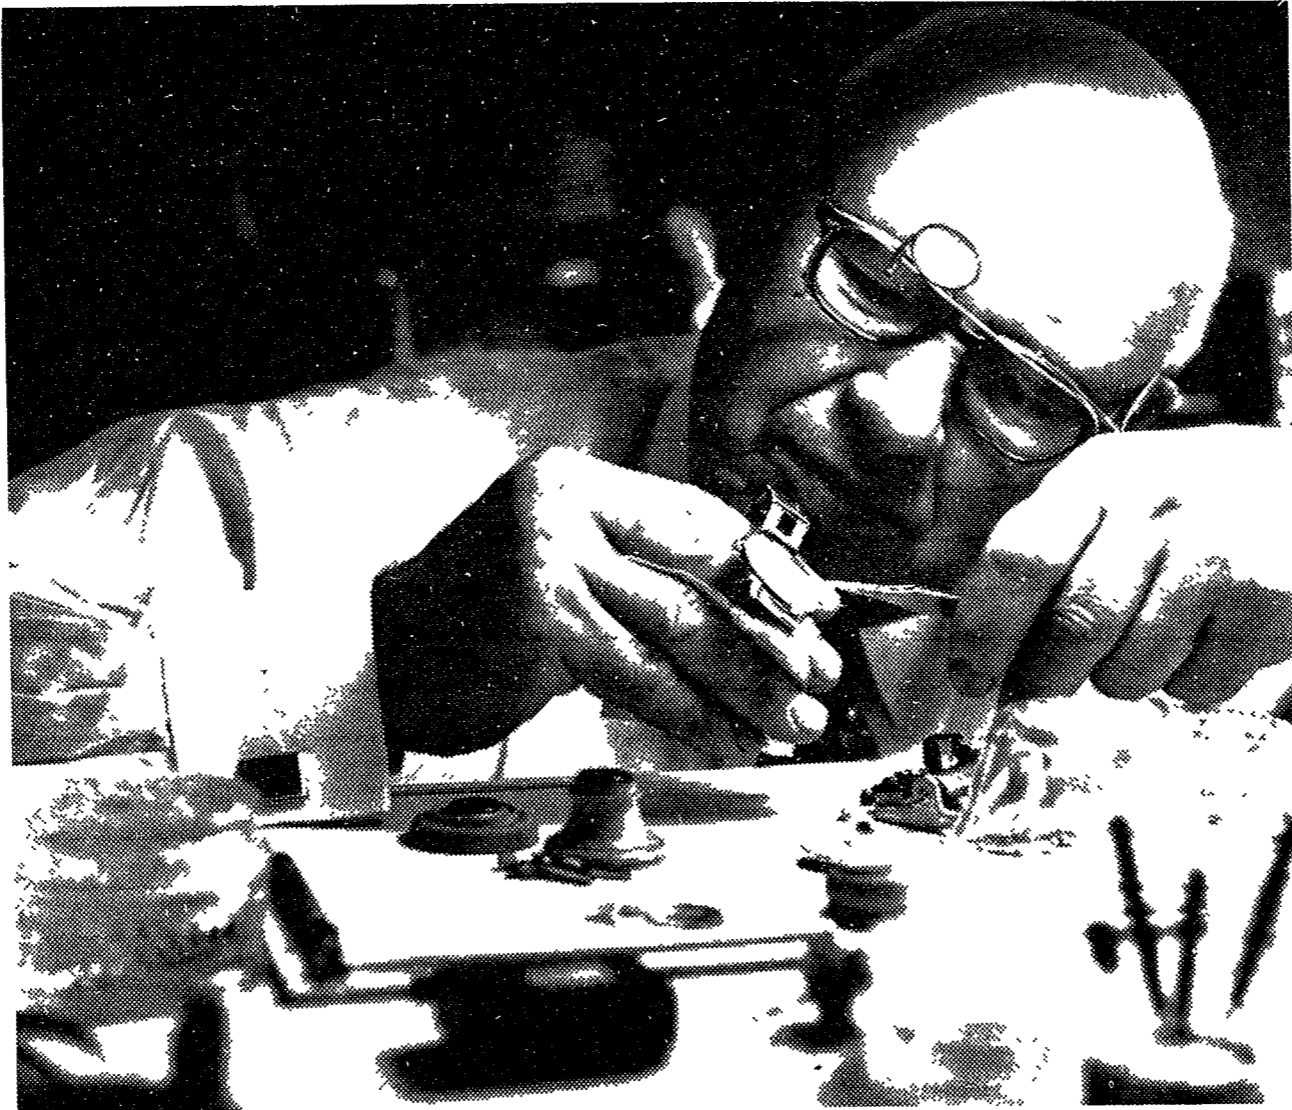

Thanks, son.

### Cancer Exams

Free examinations for the detection of cancer are being offered to all veterans during the week of August 8 by the Michigan Cancer Foundation.

The examinations will be held at the Cancer Center located on John R. between Warren and Hancock. Any veteran wishing to have the exam should call TE 3-0710 and state that he is calling for the V.F.W. arrangement for a cancer examination.

To guarantee that people will report for their exams, a \$5 deposit is required which will be refunded after completion of the examination.

Everyone should have a bank he can call his own.

I remember well the first time I walked into the Manufacturers Bank nearly four years ago. Everything strange. So different from the old county.

They could tell I was newly arrived. My clothes. My English not so good ...

a little nervous. Yet nobody yelled at me if I asked a foolish question. Or laughed at my little bit of money. Somehow the people made me feel it was my bank ... not theirs. Now they even bring them watches for me to repair. Why not?

They helped me start up my business. I knew it was a good bank that first day when the girl said, "Here's your passbook, Mr. Kauslaskas." Kauslaskas, that's a hard name to say correctly, when you're not used to it.

## A Letter from Viet Nam

What does a combat marine think about fighting in Viet Nam? Here's a letter from Mike Zayti, 21-year-old son of Mrs. Margaret Zayti of Northville, to his mother. He's been in the marines for three years and in Viet Nam for six months. Because the letter reflects the feelings of a typical American combatman, Mrs. Zayti consented to publication of the letter.

\*\*\*\*\*

Dear Mom,

Sorry I have been so long in writing but I'm back in the old combat grind. We moved to a different hill and there is action every night. We have patrols, ambushes, perimeter guard and operations. It sure was nice at the other place but have things changed. Guess what? I made corporal now and I'm a non-commissioned officer. My pay grade is E-4 and make \$236 plus \$105 combat pay. Combat pay use to be \$65 but the raise is 15 July. I'll be up for Sgt. in January sometime. The heat and dust is worse than ever. I'm not complaining because I asked for it when I went back to the infantry. Next month half of my tour in the Republic will be up. I only hope God gives me the courage I need to make it through next 7 months.

I'll bet the kids are really having a ball this summer. I hope to be home to enjoy it with them next year.

I really don't think I have ever missed home as much as I do now. Believe me, I'm going to stay around home as much as possible. I would like to throw a party when I'm discharged. Does that sound all right to you? In fact, will you be my date?

Tomorrow we (my squad, I'm a squad leader now) are going to this hill 7 miles away for 5 days. We are an observation squad. Yesterday one of my fireteams found a dead V.C. just outside of our perimeter while on patrol. He didn't look a day over 17 years old and was dressed in black. It was a pitiful sight. I'm kind of getting use to seeing dead and it doesn't bother me like it did at first. Also yesterday they killed the biggest snake I have ever seen in front of the mess hall. Really Mom, some parts of this country are beautiful and others are a nightmare. Probably 5 years from now it will be a tourist attraction.

Well Mom, that's about all for now. Please write when possible. I miss all of you.

Your loving son,  
Mike
