

Junior High Plans Operetta in May

Northville junior high school is buzzing with activity as preparations for the all-school operetta, "White Gypsy," move into high gear.

The operetta will be presented on May 11 and 12.

Art classes are designing posters and program covers, covering flats, and painting scenery, while the properties committee collects items necessary to make the story come alive. Directing these activities is Mrs. Molly Shoup. Soloists and choruses are being trained by Miss Charlene Jarvela and Miss Julia Homes, and actors are rehearsing under the direction of William White and Mrs. Cheryl Bartch. The stage crew under Omar Harrison's leadership is planning stage lighting, and Mrs. Kay LaPointe and Mrs. Judy Weldy are directing the costume committee's search for colorful peasant and gypsy clothing.

Miss Oaklee Noblitt and Miss Susan Hughes are teaching their committee the

arts of stage makeup, Mrs. Dorothy Smith's house management committee is planning programs and will set up chairs and serve as ushers, Mrs. Mary MacLeod's publicity committee is planning posters and selling tickets, and Mrs. Susan Shutes is teaching the dancers.

Members of the cast include: David D. Wright, Kom, a gypsy prince; Mike Hughes, the Kink, brother of the King of the Gyros; Bob Smith, Miklo; Mark Robinson, Zingan; Bill Young and Bill Andrews, King of the Gyros; Louise Snelgrove and Jill Angle, Jola, Kom's mother; Janet Westphall and Debbie Masson, Romany Rose; Pam Braun and Sally Sliger, Guinn; Rosemary Gondek and Barbara Schmidt, Princess of the Gyros; Michelle Gody, First Gyro; Karen Dyke, Second Gyro; Mellissa Lovett, Third Gyro; Kim Alexander, First Spook Cat; Lin Liacos, Second Spook Cat; Celeste Gyrszewicz, Spy; and David Shepherd and Richard Solomon, Gypsy Chief.

Mr. and Mrs. Charles Gonzalez

Salem Girl Married In West Coast Rites

A Salem girl became the bride of Charles Clayton Gonzalez of Los Angeles, California in a West Coast wedding at South Pasadena on March 25. Married in Redwood Chapel of Oneonta Congregational Church, which was decorated with an altar bowl and candleabras, was Bonnie Mae Burnham, daughter of Mr. and Mrs. Glenn C. Burnham of 4474 Six Mile road. Mr. Gonzalez' parents are deceased.

News Around Northville

Word has been received by Mrs. Merritt Meaker of the death of Mr. E. R. Widmyer, 78, former supervisor of the Northville Fish Hatchery. Mr. Widmyer, who died January 21, moved from this area more than 10 years ago. He and his wife had been living in Baltimore, Maryland.

bride wore a white lace gown with a beaded top and carried a nosegay of stephanotis and an orchid. The maid of honor, Mary Ann Stuckmann, wore a pink crepe gown and carried a nosegay of carnations and roses. Serving Mr. Gonzalez as best man was Gary Thomas. For her daughter's wedding, Mrs. Burnham wore a three piece aqua suit and a white orchid. A reception followed in the newlyweds' apartment in South Pasadena, with 30 guests attending, including the bride's sister, Mrs. Shirlee Hayes, and her niece, Kathre Hayes, of Detroit.

Mrs. Gonzalez was graduated from Northville high school and Eastern Michigan university and now teaches the first grade in Covina, California. Her husband holds a BA degree from Lafayette college, an MS from the University of Pittsburgh, and has a number of graduate hours towards his PhD at Illinois Institute of Technology in Chicago. Presently, he is working at the Jet Propulsion Laboratory in Pasadena. The maid of honor and the bride had taught school together at Racine, Wisconsin before moving to California and accepting teaching positions in Covina two years ago.

In Our Town

By JEAN DAY

WITH A FLEA MARKET and red-and-white checked cafe tablecloth Northville State Hospital auxiliary's annual May card party benefit definitely has a French accent.

Mrs. Jack Doheny, party chairman, announces that the party will begin with dessert and coffee at 12:30 p.m., Tuesday, May 9, in the gymnasium of the OT building at the hospital.

Mrs. D. D. Nesbitt, who is in charge of the flea market, is using a "chain call" system of having each auxiliary member call five friends to seek donations of antiques, vases, dishes, dolls and jewelry. She promises that nothing will be sold until the party - as tempting donations are stored in the auxiliary room at the hospital.

Ticket co-chairmen Mrs. Louis Pearlman and Mrs. Robert Fox report that tickets are available from any auxiliary member at \$1.25 each or \$5 for a table. Others working on the event are Mrs. Orin Hove, Mrs. L. H. Robertson, serving; Mrs. Paul Hughes, bake sale; Mrs. Lawrence Wright, geraniums for tables and for sale; Mrs. Eino Kero, door prizes; Mrs. George Schueder, Mrs. James Sugrue, arrangements.

Proceeds from the auxiliary benefit will be added to the hospital's interfaith chapel fund, Mrs. Robert Lang, retiring president of the auxiliary, announces.

OUTDOOR SCOUTING skills were utilized by 20 Northville Girl Scout leaders attending an all-day outing last Thursday at the home of Mrs. William Switzer. After a brief meeting over coffee the leaders divided into groups to pitch tents, make fires and cook a menu that included chicken and Mexican corn.

NEW OFFICERS of the hospital auxiliary, elected last Tuesday, are Mrs. Levi Eaton, president; Mrs. Dorothy McGraw, vice-president; Mrs. James Sugrue, Jr., vice-president; Mrs. Jean Vickery, corresponding secretary; Mrs. C. E. Hinck, recording secretary; Mrs. Charles Brocius, gift shop treasurer; Mrs. Velma Kaufman, auxiliary treasurer.

Welcome as new auxiliary members were Mrs. K. J. Sewell, Mrs. Damon Lindley, Mrs. Paul Winkler, Mrs. G. G. Hale, Mrs. Steven Troh.

TOWN HALL TODAY features American fashion designer Bill Blass in a highlight of the 1966-67 season. With a Saks Fifth Avenue showing of Blass

fashions as an added treat, TH committee members expect every ticket will be used. The lecture is at 11 a.m. at Northville high school with the celebrity luncheon following at Meadowbrook.

For Town Hall committee members Mrs. B. W. Baldwin and Mrs. P. J. Wegeng, who are picking up the designer at the Statler this morning, the feminine problem of "what to wear" takes on increased importance - for won't a Coty critics award winner like Blass be especially aware?

Both will be fashionably tanned as they and their husbands returned last week end from a vacation at the Homestead in Virginia where the foursome spent sunny hours on the golf course. Another TH committee member, Mrs. Donald Boor, also is back in time for the lecture. She and her husband spent five days in tournament golf in Florida and Georgia.

BASELINE QUESTER chapter members have been invited to be guests of the Millcreek chapter of the antique society at that chapter's meeting at 8 p.m. Monday, May 1. A special program on dolls will be presented by Mrs. Robert Throgmorton at her home, 30066 Barwell, Farmington.

Tuesday, April 25, the Baseline chapter will attend the Spring Quester Day program at Botsford Inn. The program for area clubs will feature Shaker crafts in a morning workshop followed by luncheon at 12:30 p.m. This will replace the regular April meeting of the Baseline club.

NORTHVILLE MOTHERS' club will hold a business meeting at 8 p.m. Monday at the home of Mrs. Gordon Forrer, 46995 West Main street.

A JUNE DINNER-dance is in the planning stages as the final Newcomer club couple event of the spring season. This Saturday evening at 7:30 p.m. couples will gather at the Clyde Vadner home in Northville Estates for an outdoor steak fry. Members who have not made reservations are asked to call Mrs. Vadner today.

At this time Mrs. Kingsley Purton will be turning over the club presidency to Mrs. Halton Axell. Other new officers are Mrs. Kent Mathes, vice-president; Mrs. William Helfner, secretary; Mrs. Robert Harrison, treasurer; Mrs. Walter Carter, social chairman; Mrs. Graham Woolston, membership chairman.

NORTHVILLE SENIOR Citizens will meet at 6:30 p.m. Tuesday in the Junior high boys' gymnasium (community building) for a cooperative dinner and social hour.

Jaycettes to Host Project Judging

Northville Jaycettes will host 55 judges from 28 cities in Michigan next Saturday for the preliminary judging of Jaycee auxiliary projects.

Lane Norton, state project competition chairman, explains that local level projects conducted throughout the state this past year will be entered in the following five categories:

BIRTHS

Mr. and Mrs. Alfred Smith, Jr. of Greenbush are announcing the birth of a daughter, Kimberly Ann. She was born March 31 in Alpena and weighed seven pounds, ten ounces. Kimberly has four brothers, Craig, Keven, Scot and Randy. The Smiths formerly resided on Ridge court.

Mr. and Mrs. Walter Doan of 44444 Grand River, Novi, announce the birth of a boy, Erin Shawn, at St. Joseph Mercy hospital in Ann Arbor. The baby weighed 10 pounds, 1 ounce.

Mrs. Doan is the former Millie Smith. Grandparents are Mr. and Mrs. Leonard Haack of Brighton and Mr. and Mrs. Richard Smith of 149 Cady street.

Community service, assistance to Jaycees, money making, social activities, and membership and retention. Projects will be judged upon originality and usefulness to the community. The judging and luncheon will take place at Our Lady of Victory social hall.

Arrangements are also being made for the final judging which also will be held in Northville on May 6. At that time judges will consist of members of the Michigan Jaycee auxiliary executive board. Top projects from this final judging will receive awards at the Jaycee state convention in Traverse City on May 20.

Mrs. Norton, who is president of the Northville Jaycettes, reminds area residents of the auxiliary's upcoming annual rummage sale slated for May 13.

"Let us give you a hand with your spring cleaning," she said, "by picking up any clothes, drygoods or household items that you may wish to donate." Proceeds from the rummage sale, she explained, will enable the Jaycettes to continue their community service projects. To arrange for a pickup, area residents are urged to call Mrs. Norton at 349-2467.

CHIEF HONORED—More than 200 persons turned out for the Kiwanis tribute to Novi Police Chief Lee BeGole last Saturday evening at the community building. Special guests at the dinner program included the chief's mother and Kiwanis Lieutenant Governor Roy Lyon, both of whom pose here with the chief and the local Kiwanis club president, Jack Pulliam (top left). Besides a plaque presented by Kiwanis, BeGole was also given plaque and a number of gifts from busi-

nessmen—through the efforts of Mrs. Florence Harris. The gifts included a revolver, a two-way radio for his private car, and a color television set. Kiwanis chairman of the event was Frazer Staman, while Gene Schnelz served as master of ceremonies. Guest speaker was Ralph W. Moxley, director of the community college police academy; Fr. Raymond Jones gave the invocation; and entertainment was furnished by Frank Hunt and his Banjo Boys.

6 Students Vie For GOP Prizes

Six students will participate in an oratorical contest sponsored by the Greater Northville Republican Club tonight (Thursday).

The contest will take place in the meeting room of the Detroit Federal Savings and Loan association beginning at 8 p.m.

Speakers will include Carolyn Collocott, Robert Shafer, Rick Sechler, Merrie Hartt, Steve Jordan and Douglas Waldren.

The speakers will concern themselves with the following topics:

A method of improving state or national elective processes; needed legislation to solve an existing state or national problem (tax reform, air pollution, etc.); the importance of being active in a political party; problems facing the state and the nation and why solutions should be sought; and methods of strengthening the Republican Party.

An 800 to 1,000 word oration will be presented by each contestant.

A certificate of merit and a \$10 cash prize will be awarded to the first-place winner and a \$5 prize to the runner-up.

The public is invited to attend the program.

Wixom News

Mrs. Charles Ware MA 4-1601

Mrs. John Lambert of Charms road Wixom was invited by the Pine Lake Estate Gardens club to participate in their flower show held Thursday, April 13. Mrs. Lambert won an award for the best of show for her wild flower display. She also received a blue ribbon for her house plants plus an award for best in horticulture.

Miss Hilda Furman and Mrs. John Goodman returned April 10 from a 42 day Mediterranean cruise aboard the Greek liner, Queen Anne Marie. Ports of call included North Africa, Israel, Turkey, Greece, Italy, France, Spain, and Portugal. The Islands of Malta, Crete, Rhodes, and Carfu were also visited.

Charles Ware is a patient in Annapolis Hospital, Wayne.

New officers of the St. Williams Credit Union are:

Art Lantzy, president; Bill LaRocque, treasurer; and Joanna Ware, secretary.

Other directors are Jessie Birchard, Betty Mohr and John Murphy. On the credit committee are Charles Verhaag, Ted Christenson and Frank Hamilton. On the board of supervisors are Charles Duff, Charles Kramband Louis Abbonzio.

Prizes were won at the Credit Union banquet by Charles Kramb, Arletta Burket, LaRocque, Lang and McCarthy.

The Sunday school workers of the Wixom Baptist church will hold their monthly conference on Thursday evening, April 20 at 7:30 p.m.

NOVI HIGHLIGHTS

On Tuesday the Junior Scouts taught all the Brownie troops some new songs. Brownie Troop 361 cut off the tops of some plastic bottles, decorated them then planted marigold seeds in them. Mrs. Katherine Burton and Miss Ruth Munro took over the meeting during the absence of leader Jeanne Clarke.

Junior Troop #713 worked on their badges and made plans for a hay ride. Two of the girls who are working on their cooking badges brought cup cakes to the meeting for treats. The girls were Beth Branch and Marian Coan.

Junior Troop #913 continued to dress their puppets for the school fair May 12. Sherry Richardson demonstrated to the troop work done for the book badge and collector's badge. Debby Diem showed her doll collection for her doll badge.

Junior Troop #1027 worked on their badges and discussed a hike they will take April 29 with Junior Troops 913

and 713 at the Kensington Park Nature Trail.

Four Cadettes help serve at the Goodfellow spaghetti dinner Saturday, April 8. The Cadettes were Nancy Alexander, Sally Wharton, Cathy McHugh and Janeen Miller.

Jene O'Neil attended the pre-camp briefing session for Arrowhead April 19 representing troop 913.

Mrs. Bev Dietrich, Mrs. Joan Adams and Mrs. Claire Mitchell attended the outdoor skills work shop at Camp Narin.

NOVI SCHOOL FAIR

The Novi School Fair is scheduled for May 12 from six to nine p.m. at the Orchard Hills school. Workers are needed in all the rooms. If interested in helping call your chairman or Mrs. James Wilenius 349-2056.

A rummage sale precedes the fair and will be held May 8, 9, 10 from 9 a.m. to 6 p.m. all three days. Take rummage to Novi school or the Russell Taylor home. All proceeds from the sale go to the School Fair.

The 5th grade gift shop and 2nd grade bake sale and candy shop would like donations from anyone in the community—contact MA 4-3087.

The following is a list of the activities: First grade, game room; second grade, bake sale and candy shop; third grade, refreshment stand and jewelry shop; fourth grade, refreshment stand and game room; fifth grade, fun house and gift shop; sixth grade, cake walk, cakes needed; Jr. Hi, dinner, talent show, charge of door prizes.

Any parent in the community who owns a business and wishes to contribute a door prize contact Mrs. Marchetti MA 4-3087.

'Parent to Child Sex' Film Scheduled Here Monday

Election of officers and a film entitled "Parent to Child About Sex" will highlight a meeting of the Amerman P-TA Monday night.

The meeting will get underway at 8 p.m.

The film demonstrates how the whole topic of sex should be treated, from the time a child is three or four through adolescence, officials explain. It is unique in helping the parent understand and discuss sexual development.

Moraine P-TA Elects Officers

Mr. and Mrs. Robert Bogart were elected first president-team of the Moraine elementary PTA at an organizational meeting and election last Thursday at Northville high school. More than 150 parents, teachers, school administrators and board members attended.

Other officers are Mr. and Mrs. Donald Pickren, vice-presidents; Mrs. Walter Carter, secretary; Mrs. Mitchell Pitak, treasurer; Mrs. G. Robert Honcker, teacher vice-president.

After a flag salute by Brownies of Troop 214 under leadership of Mrs. Fred Schwarze, parents were greeted by Alex Nelson, superintendent of schools.

School principal Milton Jacobi welcomed parents and presented a talk dealing with values and ethics in education and living today. (Because of its message, PTA officers asked to have the talk printed. It will appear in next week's Northville Record.)

Plans were announced to have an open house-dedication program at the new elementary school after the parking lot is blacktopped.

PAINTS CITY—John Bough, 59-year-old former engine trouble shooter who has been confined to Northville Convalescent Center since suffering a heart attack and hardening of the arteries, has been "dabbling" in art on and off for years. His most recent works

in oils, showing landmarks of Northville, have been displayed in local business places and now are on display at the Northville city hall. Mrs. Martha Milne, clerk, looks at some of them.

HIT THE DIRT—Northville's Doug Anglin prepares to slide into third base against Clarenceville, but the third baseman got the ball a fraction ahead of Anglin for the force out.

Club 3 Home Runs

Young Mustangs Win Two

Take it from Coach Bob Kucher: "There's no substitute for winning." And that's what Northville has been doing. The Mustangs pummeled South Lyon in the baseball season opener last Friday, 11-5, and then edged Clarenceville, 4-2, Monday.

The back to back victories were exactly what the doctor, in this case, Kucher, ordered for his young ball club. Winning builds confidence and provides the spark that gives the edge in close contests.

Four of the nine starters are new to varsity baseball or have had just a dash of experience, including Randy Pohlman at first, Larry Biddle at second, Doug Anglin at short stop, Jim Corcoran at third, Joe Donner in left and Holman in right. Holman and Biddle are the only seniors.

Going into the first two ball games, the only tried and true ball players were Catcher Doug Swiss, Pitcher-Infielder Dennis Primeau and Center Fielder Pat Hall.

But the 1967 Mustangs banged out enough timely hits (18) to cancel out those inevitable errors — eight in two games — and to overcome cold, windy weather.

South Lyon came to town one up on Northville. The Lions had played four games and won them all, including a victory over Brighton, a Wayne-Oakland Conference squad.

Northville wasted no time in stiffening the Lions roar by scoring four runs in the first and second innings and three in the third. That made it, 11-0, and good-bye ball game for South Lyon.

Two home runs, towering drives over the left centerfield fence, highlighted the Northville attack. Pohlman hit a solo clout and Swiss poled one with two men aboard.

Swiss, the veteran catcher and team captain, led the Northville swingers with two hits in three trips to the plate. Besides his round tripper, he crunched a double to drive in four runs and scored twice.

Hall and Holman had two hits apiece and Donner had one, which produced the first two runs of the season for Northville. Anglin bagged the other Northville hit.

South Lyon banged out nine hits of its own, but Pitchers Steve Kehrer and Jeff Taylor spaced the Lion hits. Kehrer got credit for the victory. He pitched four innings, struck out one, walked two and gave up three runs. Taylor struck out none, walked one and gave up two runs in relief.

Their performances didn't set Kucher on his ear. "They looked good at times," the Northville coach said, "but for the most part, they didn't have the stuff. Improvement is called for."

Northville's pitching ace, Dennis Primeau, won his own game against Clarenceville. The trim but sturdy junior drove in three of the four Northville runs and fired a three-hitter against the all-veteran Trojans.

Working against a gale-like wind, Primeau struck out nine and walked four. Both runs scored on him were unearned.

At the plate, Primeau sparked. In his first trip to the plate in the first inning, the 145-pounder caught a fast ball and drove it high over the dead centerfield fence to score Hall, who had walked leading off.

With Northville leading 2-0 in the

third, Primeau unloaded a line double to the left field fence that glanced off the left fielder's outstretched glove. It scored Corcoran from second with the third and eventual winning run.

Northville picked up an insurance tally in the third. Pohlman walked, moved to third on Donner's ground single to right and scored on Holman's sacrifice fly to center field.

Gloetzner Breaks Two School Marks

A sneaky junior put his name in the record book last week when he broke two Northville high school track marks.

Ron Gloetzner sailed 12' in the pole vault to break Kent Kipper's mark of 11'8", set in 1966, and Gloetzner also eclipsed Dick Bathey's record in the 180-yard low hurdles of :20.7 by crossing the finish line in :20.6. Bathey's record stood since 1961.

Despite Gloetzner's glittering performances, he finished second in both events. Clarenceville's Jim Amik vaulted 12'3" and Tom Harborne, one of the best hurdlers in the state, ran the lows in :20.3.

Gloetzner's marks were the highlights of a rosy week for the Northville trackmen, despite the fact that Northville dropped a 74-44 decision to Clarenceville Saturday.

For one thing, the Trojans are being touted as the team to beat this year in the Wayne-Oakland Conference. "I thought they would really romp us," Coach Ralph Redmond said, "but we turned in some nice performances."

Furthermore, Northville did some romping of its own by trouncing visiting South Lyon, 81-37, in the Mustangs' initial dual meet of the year last week Tuesday.

Although first place eluded Gloetzner, Northville had three men in the winners' circle at Clarenceville. Back at his specialty, Bill Harrison won the 880 in 2:04.1. George D'Haen flashed across first in the 440 in :54.6, and Jack Crawford ran the 100 in :23.3.

In the hurdles, where Northville was weak last year, Coach Redmond's thin-clads got a strong show from Jim Peterson. He ran the high hurdles in :16.3, second to Harborne's :15.4.

Peterson also finished second in the high jump with a leap of 5'6". Amik soared 5'8" to take first.

Other second place finishers against Clarenceville were Bill McDermaid with 41'9" in the shot; Doug Hazlett with 10:57 in the two mile and Chris Kline with 5:07 in the mile.

In whipping South Lyon, the Mustangs put amenities aside. They won 10 of 14 events and slammed three events.

It could rightfully be called Crawford's meet. Of a maximum four events, the Northville senior won three outright and anchored the winning 880-yard relay team. His marks included 18'9" in the broad jump, :10.6 in the 100 and :23.8 in the 220.

Runner-up for individual honors was

Win 33, Lose 7

Netmen Set Hot Pace

The Northville netmen were forced to settle for a tie — of all things — dimming but not marring the lustre of a sparkling record, compiled during the opening weeks of the season.

The tie came Saturday in a quadrangular at Wayne John Glenn, with Ypsilanti Central playing the villain. Northville and Central each tallied 10 points, Glenn posted eight and Romulus went home with a fat zero.

quadrangular." Balm for Norton's disappointment was the fact that Glenn, Central and Romulus are class A schools. Northville is class B.

Northville recovered quickly, however, coming back Monday to win its fourth dual meet in a row without defeat by downing Walled Lake, 5-2.

Thus far in individual matches, Northville has won 33 and lost only seven — an enviable record.

Playing in the number four singles spot, Bruce Durham lost to Jim Roberts, 3-6, 3-6, then trounced Chester Snyder of Romulus, 6-1, 6-1.

Number two doubles duo of Chuck Skene and John Eberhart outlasted Bob Morton and Alwyn McKelr of John Glenn, 6-1, 6-8, 6-3, but were bumped in the next round, losing 4-6, 1-6, to Nick Bernardo and Mike Ryan of Ypsilanti.

Mark Gazlay and Bruce Gryslawicz, playing the number three doubles spot, lost to John King and Tom Poling of Ypsilanti, 4-6, 6-1, 5-7, then whipped Andrei Tyler and James Williams of Romulus, 6-1, 6-1.

Northville, which beat Walled Lake, 7-0, in the first meeting of the two teams, slipped a bit in the second encounter Monday, dropping two matches.

Coach Norton's charges wrapped up the singles with four straight victories, including Long's 6-3, 8-6, victory over Mike Sims, Mark Alexander's 6-0, 6-2 win over Al Russek, Dale Alexander's 6-2, 6-2 win over Wim De Rhoter and Durham's 2-6, 6-3, 6-1 win over Lee Egericks.

The first doubles team of Boerger and Burnett continued their hot pace by dumping Glen Burke and Jeff Whitney, 6-3, 6-1.

But the second and third doubles teams hit a snag. Eberhart and Skene lost 3-6, 3-6, to Bill Cutler and Ken Moody and Gazlay and Dave Coe were blanked by Dave Philp and Jud Huntley, 0-6, 0-6.

The real test of Northville's strength will come today, when the Mustangs travel to Ypsilanti to take on perennially tough Ypsilanti Roosevelt.

In the quadrangular, Northville's number one singles man, Jim Long, took it on the chin. He lost his first match of the season to Larry Wood of John Glenn, 6-2, 3-6, 3-6. Long rebounded to win a consolation match, 6-0, 6-1, against Gary Selle of Romulus.

Otherwise it was clear sailing for Northville's undefeated netmen. Mark Alexander disposed quickly of Barry Rowe of John Glenn, 6-3, 6-3, and Bill Roberts of Ypsilanti Central, 6-0, 6-1. Brother Dane duplicated Mark's feat, beating Bruce Hidyly of John Glenn, 6-2, 6-4, and Steve Fulford of Ypsilanti, 6-2, 6-2.

The undefeated tandem of Ken Boerger and Randy Burnett kept their slate clean, too. They beat Mike Wilson and Gary Smithmier of John Glenn, 6-4, 6-1, and Bob Adair and Wayne Waters of Ypsilanti, 6-0, 6-1.

"I feel in dual meets we could beat Central and John Glenn," Coach Dick Norton speculated, "but we stumbled a bit and had to settle for a tie in the

Men Urged To Sign Up

Applications for the proposed senior men's softball league and slo-pitch league are being accepted now, Recreation Director Robert Prom announced this week.

Interested men may sign up at Lapham's Men's Wear or by calling Prom at 349-2287.

Prom also issued another call for help in up-grading Ford Field where the softball activities will take place.

"We can use all the help we can get," said Prom. "We've got trash to haul away, some raking to do, painting of seats and hand rails to complete."

The director also indicated that he's looking for a volunteer sign painter to prepare a Ford Field sign.

The cleanup-fixup activities will take place all day Saturday.

Ump School on Tap

Area men were reminded this week of an umpire training program underway in Plymouth.

The next session will be held at the Plymouth high school baseball diamond, between 2 and 4 p.m. on Sunday.

Interested persons are asked to call Earl G. Gray (453-0477), secretary-treasurer of the Suburban Umpires association.

Building Better Understanding Between Teen-Agers and Parents

Hire New Teachers

Continued from Page 1
 Dickinson, who will be an addition to the staff.

Fifty-two teachers were continued on tenure; 20 were moved from probationary to tenure status; 35 were certified for second-year probation; one was placed on third-year probation; and three teachers with one-half year service in the district were given first-year probationary status.

Resignations of three teachers, Joyce Rood, Barbara Sytsma, and Mary MacLeod, were accepted, and letters of retirement from two teachers were accepted.

Retiring after a combined total of 69 1/2 years in the educational field - 42 of them in the Northville school system - are Louva Waterman and Kathryn Giltner.

Assistant Superintendent Raymond Spear noted that the school has more than 150 teacher applications on hand.

Following a report by Principal Milton Jacobi, the board voted to purchase 2,750 books for Moraine elementary school at a bid price of \$9,203.56 from Baker and Taylor company.

According to Librarian Miss Linda Edgerton, the new books fall short of the number recommended by national standard. Ten books are recommended per child, she said, meaning that Moraine to meet this standard should have 3,600 books now and more as the school's enrollment increases.

However, the librarian indicated that it is better to "build up" to the

recommended level than to start immediately with the national quota because it permits a flow of new books into the library.

Expenditure for books, it was noted, does not include a considerable amount of money already spent for reference material and teaching aids, all of which are used in conjunction with library and classroom work.

The board also approved an additional \$8,500 monthly expenditure for "upgrading" the outdoor lighting around school buildings by use of mercury vapor lamps - subject to confirmation of maintenance service charges by the Detroit Edison company.

A Northville township request that the school grant a long-term lease for use of the township hall was tabled pending study of the proposal.

The township, which rents the old Waterford school building as its township hall, is seeking a long-term lease - perhaps 20 years - because, according to Supervisor R. D. Merriam, considerable renovation is necessary and the township wants assurance that it can occupy the building for a long period if it is to do the renovation work.

During discussion of the matter Monday, President Wilfred Becker noted that the school board is still awaiting a formal reply from the township to its request for annexation of the Moraine school property to the city.

Court Fails to Stop Plans

Continued from Page One
 Aside from the fact that the apportionment commission must come up with equitable supervisor districts, cost is also a major consideration, Sladek said. He estimated a \$1 million difference between maintaining a 25-member board and a 35-member board. "We can't ignore something like that."

According to Farnham, GOP representative to the Oakland commission, his group was scheduled to take another "hard look" at that county's plans Monday in the wake of last week's public hearing on reorganization that drew about 30 citizens. Until last week, he said, most members of the commission were leaning towards a board consisting of 27 members. But because township supervisors attending the hearing strongly favored a board consisting of the maximum number permissible (35), the commission decided to "at least take a look at the possibility of 35 districts."

However, Farnham predicted the commission would hold out for the 27-member plan, which would mean districts of 25,491 population each.

Under this plan, the Oakland county portion of Northville, Novi, the city of Walled Lake and Commerce township would make up a single district with a single representative on the board of supervisors from this district.

David Lebenbom, Democratic Party representative on the Wayne commission, told this newspaper that his group probably would "sit tight" until after a decision is made by the U.S. court. If a decision is not handed down by May 15, he predicted the commission would ask the court of appeals for an extension of the deadline.

"Some of us," he said, "favor a board of 35 members because it gives the out-county area such as yours a few more members. With just 25 members, the out-county area probably would get only eight members, but with 35 that number would be increased to about 12."

The minimum number, Lebenbom said, probably would mean just one member from the entire portion of Western Wayne County. One of the problems

What's Cooking

Following is the Northville high school cafeteria menu for the week of April 24-28:

Monday - Spaghetti, cheese wedge, lettuce wedge, rolls and butter, pineapple and milk.

Tuesday - Potato salad, hot dog on bun, relishes, pudding and milk.

Wednesday - Sloppy joe on bun, cheese wedge, brownie potatoes, salad, fresh apple cake and brown sugar frosting, and milk.

Thursday - Cubed beef and gravy, mashed potatoes, buttered corn, rolls and butter, peach pudding cake, and milk.

Friday - Macaroni and cheese, perfection salad, fruit bread, cookie and apple sauce, and milk.

Alternate menu for each of these days includes hamburger on bun, French fries, salad, dessert and milk.

Featured in the soup line will be split pea soup on Monday, chicken noodle on Tuesday, bean on Wednesday, beef vegetable on Thursday and tomato on Friday.

Jaycees Offer 'Get Rich' Plan

"We're going to give our citizens an opportunity to be rich - at least for one night."

That's the word from the Northville Jaycees as they make plans for a Millionaire's Party, appropriately labeled "A Night at Harold's Club."

The party, which will feature "Many prizes and plenty of fun", will take place at the American Legion hall, 100 West Dunlap, on April 28 beginning at 8 p.m.

According to Richard Koziara, Jaycee chairman of the event, tickets may be obtained from any Jaycee or at the door of the Legion hall on the night of the party.

Proceeds from the party will help offset the cost of sponsoring the annual Fourth of July parade and celebration, Koziara explained.

Municipal Court

Driving recklessly cost three men \$100 apiece in Northville Municipal Court this week.

Floyd J. Kupsky, 48, was cited for a violation that occurred March 14 on East Main street at Park Place. In addition to the \$100 fine on the added count of reckless driving, he was placed on six months probation to the court.

Violation of probation, Judge Charles McDonald said, could result in a 90-day jail sentence. A charge of being disorderly was dismissed. Kupsky lives at 318 Yerkes street.

Erven L. Howell, 50, of Brighton was booked on an incident arising at Eight Mile and Beck roads. He pleaded guilty to the added count of reckless driving.

Robert E. Hamilton, 43, of Milford also pleaded guilty to the added count of reckless driving on Eight Mile road near Novi road.

Harris W. Hubbard and James H. Dale were fined \$25 each on charges of careless driving. Hubbard, who lives at 16761 Franklin road, was ticketed on East Main street as was Dale, a Plymouthite. Both youths are 18.

OBITUARIES

CHARLES L. WORTHINGTON JR.
 The infant son of Mr. and Mrs. Charles Worthington of 400 South Ely drive died April 17 at Garden City Osteopathic hospital two hours after his birth.

Besides his parents, the baby, Charles L. Jr., is survived by his maternal grandparents, Mr. and Mrs. William Darnell of Northville, and his paternal grandparents, Mr. and Mrs. Ted Shillito of Plymouth.

Funeral arrangements were made through the Casterline Funeral Home, with burial in the babyland section of Rural Hill Cemetery.

Bosak Gains Double Honors

Robert D. Bosak of Northville was among the undergraduates of the University of Michigan receiving class honors for attaining a 3.5 grade point average for the last two semesters.

The students and their parents were guests at an Honors Convocation in Hill Auditorium on March 31. The guest speaker at the convocation was U. Thant, who was awarded an honorary degree.

Bosak, a junior in the college of literature, science and the arts, was doubly honored by the award of a Gomborg scholarship by the chemistry department.

He is the son of Mr. and Mrs. Frank Bosak of Nine Mile road and a 1964 graduate of Northville high school. He is affiliated with the Evans Scholars Honor Fraternity at U-M.

Can you afford to let another year go by?

Cadillac is by far the soundest automotive investment in the world. Some of Cadillac's twelve models cost less than the corresponding models of other fine cars. And, in a surprising number of cases, they cost little more than cars in the middle-price range. One reason is that Cadillac gifted with a wide variety of equipment that would cost extra on lesser cars. A Cadillac price sticker is always worthy of careful study. Then, there is the matter of resale. It is a very real fact that Cadillac craftsmanship is an irresistible attraction to those who buy previously owned

Cadillacs year after year. This enables a person who buys a new Cadillac to drive his car for substantially less than many well-known makes over a one, two, or three-year span. And, of course, Cadillac ownership offers satisfactions that cannot be measured in terms of cost. For how can you price its wonderful and relaxing quiet? Or its rewarding comfort? Or its incredibly smooth ride? So don't let another year go by without appreciating Cadillac price, Cadillac comfort, Cadillac performance and Cadillac value. Ask your authorized dealer for a demonstration.

from the PASTOR'S STUDY

Rev. Roger Merrell
First Methodist Church of South Lyon

A PRAYER FOR OUR DAY, by Dr. James H. Laird, former pastor of Central Methodist Church, Detroit.

O God, this is a time for self-examination, but we know the trouble with the world is everyone else. If other people were only as good as we are, then this world would be a lovely place. Please, God, don't worry us about race; we have enough problems of our own. And don't bother us about peace; we know it weren't for the communists, the world would not be in its present mess, just as we knew when the Nazis were beaten all would be well.

O God, we thank thee that we are not like a certain other nation, that doesn't believe in thee and is materialistic and militaristic. We thank thee too that the Church is always beyond criticism, always motivated by the

ideals it professes, never stooping to worldly practices in its behavior.

O God, life is hard, so come to us like an aspirin and ease our pain. Come to us like a sleeping pill and lull us to sleep. Close our eyes to the unpleasant facts of life; open the eyes of others that they may see what a blessing we are to have around.

And, O God, help our preachers to preach the gospel and not talk to us about unemployment, poverty, the plight of the aged, prejudice, fair housing, and unspiritual things like that. Help them to preach the PURE, PEACEFUL, COMFORTING GOSPEL that never challenges, never disturbs, never finds fault with us or our little world; the pure, peaceful, comforting gospel that tells us over and over, we can stay just the way we are and everything will come out all right. AMEN.

BABES IN THE WOODS

Today Carol and I dusted her doll collection and packed it away. I must admit to a feeling of sadness, for the moment made all of the wedding preparations suddenly become real. Carol is being married in less than a month, yet it seems only yesterday John and I brought her home from the hospital.

Hansel and Gretel were last, and I smiled as I packed them. For they remind me of Carol and her young man. They seem such dreamy young innocents, but are really quite practical. Already they've solved many of the problems John and I never thought of until after our marriage. Yes, their path is well marked through the forest of matrimony.

To be sure, they may have troubled times, but they share a deep and abiding love for God that promises strength and comfort beyond their own resources. With God and His church at the center of their lives, they cannot fail.

PATIENTS' SHOW—Preparations are well underway for a display of art by Northville State Hospital patients Saturday and Sunday at the First Presbyterian Church of Farmington. Girl Scouts of the Farmington-Novu district and their leaders will be hostesses for the public event from 10 a.m. to 5 p.m. Saturday and 1 p.m. to 5 p.m. Sunday. Refreshments will be served. Looking over one of the pieces of art, which includes crafts and sewing, are Troop 804 leader Mrs. Russell Soddell and her daughter, Pat, a cadet scout. Hospital staff sponsor is Mrs. Blaine Ford.

Schoolcraft News

Final grades are due in the registrar's office by noon, Friday, April 28. The winter semester ends Saturday, April 29.

Jon A. Adams, dean of technical-vocational instruction at Schoolcraft college, is the author of an article entitled: "Diagnosis: A health Trend in Auto-Service Training," in the April issue of School Shop magazine. The issue is devoted to the subject "Tooling Up for Tomorrow in Industrial Education."

Two experimental movies and three one-act plays written, produced and performed by Drama Workshop students at Schoolcraft college, will be presented at a Creative Arts Festival in the college library at 8:30 p.m., Friday, April 21.

The Festival will coincide with the publication of the Creative Arts Journal, a review of prose, poetry and art work of Schoolcraft students. The two movies are "Flight of the Dodo," and "Happy Valley." Filmed in color, "Flight" was made by Paul Wheeler, Livonia sophomore, and members of the Masque Players, Schoolcraft drama group.

"Happy Valley," also filmed in color, uses torn paper images to tell its story. It was made by members of the Drama Workshop.

The three plays are "Holly and Zinner," "By Jungle Rule," and "Surprise! Surprise! or Mustard and Pickles."

"Holly and Zinner" was written by Wheeler and will be performed by Beverly Spiejak, and Dan Fitzpatrick both of Livonia. Arthur Blake, Livonia, is the author of "By Jungle Rule," and will also be in the cast with Patrick James, and Cheryl Babbit, Northville, and Linda Rasmussen, Livonia.

"Surprise!" is a theatrical experiment in which the cast works from an outline script and "creates" the action on stage. In the cast are James, Larry Green and Cathy Stager, both of Livonia; Greg Lavelle, Garden City; and Lee Hoffman, Doug Fleming, Mary Ann Swierczynski, and Eric Kuusisto, all of Detroit.

The Festival is open to the general public, according to Ralph B. Kelley, chairman of the English Division and faculty adviser to both the Drama Workshop and the Masque Players. Admission is free to students, \$1 for non-students.

Final examinations for winter semester courses at Schoolcraft college are scheduled for Monday, Tuesday and Wednesday, April 24 through 26, according to an announcement by Robert A. Stenger, dean of academic instruction.

The schedule calls for examinations on Monday, April 24, for classes regularly meeting at 10 a.m., 2 p.m., 4 p.m., and 5 p.m.; on Tuesday, April 25, for classes regularly meeting at 9 a.m., noon, 3 p.m., 7 p.m. and 7:30 p.m.; and on Wednesday, April 26, for classes regularly meeting at 8 a.m., 11 a.m., and 1 p.m.

Physical Education courses 201 and 213 will have final exams on Monday, April 24, and Physical Education courses 101, 102, and 133 will have exams on Tuesday, April 25. Nursing 204 and Nursing 211 will have examinations on Monday, April 24.

Students enrolled in evening college courses will have final examinations on the evenings of the same three days at a time to be designated by the individual instructor, according to Fred Stefanski, director of the evening college.

Official Minutes of the Northville Board of Education

Continued from Page 4-B

signals for Moraine School site, and the Board was informed these have been ordered on top-priority basis.

Motion No. 518, by member Kipfer, supported by member Froelich, and unanimously carried that the low bid for cleaning and maintenance equipment be accepted and awarded to Michigan Products and the following purchases be authorized: Super Suction boiler cleaning equipment at a cost not to exceed \$288.95; floor scrubbing and polishing machine at a cost not to exceed \$355.50; vacuum wet-dry pickup machine at a cost not to exceed \$284.00.

Superintendent Nelson informed the Board that the situation at Moraine is critical due to the frost leaving the ground. Architect has been consulted. Discussion followed.

Motion No. 519, by member Johnston, supported by member Cook, and unanimously carried recommending that the Library Bids be turned over to the Architect for study and recommendations to the Board.

Report of Secondary School Principals' Meeting at Dallas was distributed to the Board.

Addition to Secretary Job Specifications inadvertently omitted was distributed to the Board members.

Mike Green expressed interest in Napier Road bus schedule. Superintendent Nelson announced there would be no change in bus routes until after Easter vacation, and any assistance is welcome. Information on routes will be distributed.

There being no further business the meeting adjourned at 10:40 P. M.

Stanley Johnston, Secretary

★ ★ ★

SPECIAL MEETING—27 March 1967

Meeting was called to order by the President, Wilfred Becker, at 7:40 P.M. at the Library of the Junior High School.

Members Present: Mr. Becker, Mr. Stanley Johnston, Mr. Eugene Cook, Mr. James Kipfer, Mr. Robert Froelich, Mr. Richard Lyon, Mr. Richard Martin, Alexander M. Nelson, District Superintendent, Mr. Raymond Spear, Assistant Superintendent.

Members absent: None.
Visitors Present: (16) See Register
The President declared that a Quorum of the Board was present and directed the Board to proceed with the regular order of business.

President Becker called for questions from the floor. No response.

Motion No. 520, by member Cook, supported by member Martin, and unanimously carried that the agenda is approved as appended.

Secretary Johnston read a letter of appreciation from Mr. Ellison for the recognition plaque and salary reimbursement for unused vacation time.

Superintendent Nelson gave a brief report on the past joint meeting with representatives from the township, city and school district discussing mutual problems. He indicated that the township had expressed interest in the possibility of purchasing or obtaining a long-term lease for the building it is presently using, owned by the school district. City Manager Ollendorf and

Recreation Director Prom discussed the proposed use of the Fish Hatchery site and its recreational use.

A general discussion of the Fish Hatchery proposal under the auspices of the City followed. City Manager Ollendorf requested that the Board of Education give an indication of its intention to participate with the Township to assist the City in purchase and development of the proposed site. Mr. Johnston, the present Board representative to the Recreation Study Committee, was directed to further explore and study the proposition in terms of implementation and the implications for the district.

High School Disciplinary Practices information was distributed to members of the Board. This material was formulated by High School Administration. Superintendent Nelson reported that the proposed student Behavior Policy was still under study by the faculty.

Superintendent Nelson presented for Board information, a study of teachers salary schedule of Southeastern Michigan for the 1966-67 school year. President Becker commented that this study was more conclusive than that received in the past.

Schoolcraft college report on enrollment breakdown relative to technical-vocational program was distributed to the board. A total of 22 Northville graduates are enrolled in this program. It was suggested that the Superintendent obtain further information relative to enrollment at Schoolcraft college.

A letter expressing regret that Northville schools' effort to obtain the Fish Hatchery was unsuccessful was received from Senator Hart, and read.

A library progress report from the high school was distributed to members of the board.

A progress report on the proposed school calendar for the 1967-68 school year currently under study by the Administration, was distributed to each member. Superintendent solicited suggestions and evaluations from the board.

Copies of the program for the balance of current school year for the Curriculum Work Sessions was submitted to Board members. The balance of meetings are to be directed toward development of objectives for the 1967-68 Curriculum Work Sessions and for drafting a final report for publication.

Next to be discussed was the position of business manager candidates and the Superintendent's recommendations. Member Kipfer requested a fifteen minute executive session for the purpose of reviewing candidate credentials and recommendations. Upon re-convening, Motion No. 521, by member Kipfer, supported by member Froelich and unanimously carried electing Mr. Earl T. Busard of Detroit as the Business Manager with a salary of \$11,000 and a two year contract. (within the range of \$10,000 to \$12,000).

Superintendent Nelson recommended ratification and approval of the Secretarial Salaries in relation to Board Action, authorizing the Superintendent to make allocation for the 1966-67 school year. Motion No. 522, by member Lyon, supported by member Johnston, and unanimously carried that the Superintendent's recommendation be approved. Assistant Superintendent Spear did not agree with the Superintendent's recommendation. Discussion followed. Motion No. 523, by member Cook, supported by member Lyon, and unanimously carried that the specific salary for Mrs. Proctor be adjusted to \$5400.

Motion No. 524, by member Cook, supported by member Kipfer, and unanimously carried that the certificate of Architect be accepted and payment of \$48,802.23 be authorized to DeMare Constructin Company.

Motion No. 525, by member Johnston, supported by member Martin, and unanimously carried that the certificates of deposit with Manufacturers National Bank be renewed at 4.75% interest, in amounts scheduled to meet construction payments be ratified as outlined by the Superintendent.

Information regarding School Bond Loan Fund was distributed to Board

members. Discussion followed and Superintendent Nelson reviewed the current legislative proposal, indicating that the District voted a dollar amount and not a specified millage.

Secretary Johnston read a communication from the Architect to Hill and Thomas Contracting Co., describing terms of specifications for the overpass.

Junior High school and senior high construction progress reports were distributed to board members.

Superintendent Nelson distributed to the board members the Architects Punch-out list and informed the board that some items on punch-out list are presently being corrected.

Motion No. 526, by member Lyon, supported by member Kipfer, and unanimously carried that the request from Schoolcraft college to include positions for Trustees in the usual district official notices and placed on ballot for 12 June election be approved.

Motion No. 527, by member Lyon, supported by member Cook, and unanimously carried that the resignation of Harriette Schneider, Elementary music; Kay Lennon, Second grade; Susan Hughes, English-Social Studies; and Donna Roose, (formerly on leave-of-absence), be accepted and that they be granted release from contracts as recommended.

The notice for the 18th annual school board conference scheduled for 13 May 1967 at McGregor Memorial Conference Center, theme "The Board Member and New Direction in School Finance", was directed to the attention of the board.

Motion No. 528, by member Kipfer, supported by member Lyon, and unanimously carried that approval be granted for extending the deadline for any proposed change of bus routes from 1st day after the Easter Holiday to approximately three weeks hence, in order to plan changes more effectively.

A communication from Detroit Edison, regarding municipal street lighting was distributed to members of the board.

It was reported by the Superintendent, that a legal description of Mr. Kellogg's property must be obtained before a legal agreement for proposed easement can be drawn up.

The Superintendent reviewed that the Wayne County Health Department inspected classrooms at Main Street Elementary directing attention to the reduced water pressure, and the foot-candle output from lighting fixtures in all classrooms is much below the recommended minimum, recommending that these be corrected. Discussion followed. Motion No. 529, by member Johnston, supported by member Cook, and unanimously carried that the Superintendent direct the architect to affect an inspection.

Motion No. 530, by member Kipfer, supported by member Martin and unanimously carried that the necessary steps be taken to make application for participation in the School Bond Loan Fund.

Superintendent Nelson distributed a five year projection for debt retirement to members of the board. The projection shows three SEV; (1) current SEV (2) projected SEV of \$38,000,000; (3) projected SEV of \$40,000,000 along with the necessary millage needed in each category for the amounts of payment necessary to meet the obligations.

Member Kipfer submitted a report on a terminal interview with Mr. E. V. Ellison and it has been filed with members of the board. (Appendix I - to these minutes).

Secretary Johnston read a letter from Pat Bubel regarding teacher release time for negotiations. Assistant Superintendent Spear informed the board that the teachers request for

release time was for two hours per month.

There being no further business the meeting adjourned at 10:00 p.m.

★ ★ ★

SPECIAL MEETING - April 3, 1967

Meeting was called to order by the President, Wilfred Becker, at 7:40 p.m. at the Administration building.

Members present: Mr. Becker, Mr. Stanley Johnston, Mr. Eugene Cook, Mr. James Kipfer, Mr. Robert Froelich, Mr. Richard Lyon, Mr. Richard Martin, Alexander M. Nelson, District Superintendent; Mr. Raymond Spear, Assistant Superintendent.

Members absent: None.
Visitors present: (2).

Mr. Kipfer declared quorum present and directed the board to proceed with the special order of business.

The President called on Mr. Tucker, architect, to review the library equipment bids and recommendations. Mr. Tucker stated that he had investigated Industrial Equipment and found them to be well qualified. He recommended bid be awarded to Industrial Equipment. Motion No. 531, by member Froelich, supported by member Johnston and unanimously adopted that the recommendation of the architect be accepted and that the library bid be awarded to the best bid from Industrial at a cost not to exceed \$27,094.68 for items that meet the specifications listed in the bids. (Ref. 1 - to these minutes.)

The architect also reviewed the blacktopping proposition at the Moraine Elementary School site. He outlined the proposal of extending the present located sidewalk west, creating an 8 foot sidewalk, and adding approximately 6,000 sq. ft. to the driveway for parking purposes. The board directed that the architect prepare a break-down cost estimate of the areas to be blacktopped: (1) original area, (2) additional driveway, (3) play area. Concrete bumper steps were also discussed. He was also directed to submit comparative costs of a concrete or a black-topped walkway along western edge of the proposed paving strip.

Superintendent Nelson reported on the status of the School Bond Loan Fund. Motion No. 532, by member Kipfer, supported by member Cook that the following resolution be adopted:

(1) Resolved to apply for a loan from the School Bond Loan Fund in the amount described in this application to assist the District in meeting the payment of principal and/or interest on the qualified bonds of the District, such bonds being qualified by having been issued prior to May 4, 1955 and/or by having been issued after May 4, 1955 and qualified by the Superintendent of Public Instruction prior to their issuance.

(2) Agreed that in the event a loan is obtained from the school bond loan fund, to levy a tax of at least 7 mills on the state equalized valuation of the District each year until such loan is repaid in full to the State of Michigan.

(3) Read this application and approved all statements and representations contained herein as true to the best knowledge and belief of said board.

(4) Authorized the secretary of the Board of Education to sign this application and submit same to the Superintendent of Public Instruction on behalf of the district.

Vote: Johnston, yea; Cook, yea; Lyon, yea; Froelich, yea; Kipfer, yea; Martin, yea; Becker, yea. Result of vote; seven yeas, none nays. Motion declared carried. (Appendix II - to these minutes).

Member Kipfer reviewed status of some of the recent legislation which may effect education and public schools. Superintendent Nelson stated that it appears that the school bond loan fund may be finalized on a sliding scale tied to a district's SEV. He also reported that the grandfather clause may be established, but for only two or three years. He indicated that the legislation relative to the school bond loan fund should never be considered as a contract with legislature because it can change as the complexion of legislature changes.

Member Cook mentioned that since he will be in the general area of Portland, Oregon, he would represent the Northville Board of Education at the

National Convention with no charges to the board for transportation. Motion No. 533, by member Johnston, supported by member Kipfer and unanimously carried that member Cook be authorized to attend the National Convention in view of the fact that he will be in that area at that time.

Member Johnston discussed the status of the Fish Hatchery, reporting that the city proposes to be involved with the south side of 7 Mile road only because of the recreational use of the property. The government reportedly has placed a \$30,000-plus price tag on the property on the north side and \$60,000 for property on the south side. Mr. Johnston's report indicated that the property may be purchased at 100% cost or a 50/50% basis with the government sharing half. The city is asking the school district and the township to share in the cost of purchasing and developing the property for recreational purposes. No formal commitment was made, however the board indicated they favored obtaining Hatchery property on both sides of 7 Mile road rather than just that land and those buildings on the south side.

There being no further business the meeting adjourned at 9:25 p.m.

Stanley Johnston, Secretary

1967 March of Dimes Nets \$2846 in Northville

Residents of Northville contributed \$2846.56 to the 1967 March of Dimes campaign, it is reported by John Steimel, American Legion Post 147 of 488 Hill street, volunteer area campaign chairman.

This amount compares with a 1966 figure of \$3237.84. The 1967 January-March of Dimes campaign goal was over the top in most Wayne County communi-

ties, except for the inner city areas. In spite of severe weather conditions the Mothers' March in Northville totaled \$1103.66 this year, Mothers March Chairman Mrs. Hiram Pacific, of 46959 Grasmere has reported. A two-year grant from National Foundation to the Wayne State university medical school will make it possible for a treatment and diagnostic center to open this year.

REQUEST FOR BIDS

Sealed bids will be accepted by the Village of Novi to furnish and deliver approximately 26,000 gallons per year of Regular Gasoline and approximately 1,200 gallons per year of Diesel fuel. The contract with the successful bidder will be for a period of three (3) years. Bidders will be required to furnish and install a 1,000 gallon underground storage tank, pump and meter for the gasoline.

Bids must be submitted to the Village Clerk, 25850 Novi Road, Novi, Michigan, 48050, on or before 5:00 P.M., Eastern Standard Time, May 17, 1967. The bids will be publicly opened and read at the Council Meeting which will convene at 8:00 P.M., May 17, 1967.

The Village reserves the right to accept or reject any and all bids.

Inside Information makes you a better cook!

Here's "inside information" of a brand new variety... a meat probe that has the "good sense" to know when your roast is perfectly cooked! How does it work? Simple! Into the center of the meat you put a thermostatic probe, one end of which is plugged into the oven wall... slide the roast into the oven and turn the indicator to the exact degree of doneness you want. No more peeking, prodding, or guessing... the meat probe gets the right "inside" information and then automatically shuts the oven off.
 Automatically starts you thinking about a new gas range—doesn't it?

Teenagers Organize GOP Club

The TARs — a Northville teenage Republican club — is off and running.

Organized last Thursday, the new club's purpose is to educate teenagers about the Republican Party's principles, program and machinery, and to acquaint them with GOP candidates for local, state and national offices.

It emphasizes the importance of politics in a democracy.

Temporary officers and committee chairmen were elected last week. They include:

Cliff Jordan, president; Douglas Waldren, first vice-president; Jan Brown, second vice-president; Sally Sliger, secretary; and Betty Klein, treasurer. John Stopper was appointed chairman of the bylaws committee; Robert Shaffer and Laurie Karr, publicity chairmen; Merrie Hartt and Lianne Steeper, social chairmen, and John Bowen, junior high representative.

The next meeting of the club will take place May 4 in the basement meeting room of Detroit Federal Savings, beginning at 7:30 p.m. Permanent officers will be elected and future club plans discussed at this meeting.

Members and guests are encouraged to attend.

Rick Sechler, financial chairman; Laurie Karr, publicity co-chairman; Mrs. Arlen; Robert Shaffer, publicity chairman; Ellen Klein, high school representative; and Betty Klein, treasurer. Missing are Jan Brown, second vice-president; John Bowen, junior high representative; and John Stopper, by-laws chairman.

TAR OFFICIALS—Temporary officers of the newly organized teenage Republican club (TAR) were elected last week. Shown here with the club advisor, Mrs. Robert Arlen, are (l to r, seated) Sally Sliger, secretary; Cliff Jordan, president; and Douglas Waldren, vice president; (standing) Meredith Hartt, social affairs chairman;

Brothers Fined For Animal Cruelty

After deliberating 20 minutes last Thursday, a Novi justice court jury of five women and one man returned a verdict of guilty against two brothers, charged with cruelty to animals.

Justice of Peace Robert K. Anderson fined Orvel and David Hamilton \$100 apiece and placed them on six months probation, during which they are "to work closely" with Humane Officer Marshall London "to get their animals in proper shape."

Because of the brothers' inability to pay last Thursday, sentence was deferred until today. If payment is not made today, Justice Anderson stated, the brothers would be "wide open" to the \$100 fine or 90 days or both.

Furthermore, Justice Anderson warned that failure of the brothers to comply with the provisions of probation would result in jail sentences for both men.

During the three-hour trial, five witnesses were called, three by Rick Schmidt, assistant prosecuting attorney for Oakland county, and the two brothers by Casey Ambrose, defense attorney.

The prosecution witnesses were Novi Patrolman Gary Gross, London, Oakland county humane officer, and Deputy William Hicks, justice officer for Justice Anderson and parttime Novi police dispatcher.

Filed by London, charges against the Hamilton brothers arose from the fact that a horse (a yearling) was found dead on February 6 on a farm at 23633 Taft road in Novi, just south of 10 Mile road. The brothers, who live in Plymouth, were leasing the farm.

Offered as evidence was a photograph, taken by Officer Gross, showing the dead horse lying in the snow. The horse was one of 32 owned by Orvel, who testified that he "was breeding the horses" in order to sell them.

First on the witness stand was Officer Gross. Alerted by an anonymous phone call, he explained how he found the dead animal lying in the snow. "From what I know about horses," he said, "it was dead a day or two, frozen solid, hard." London called the animal "an awfully boney horse," and Deputy Hicks described the dead horse as "a wrack of bones."

According to the Hamiltons' testimony, the dead horse was crippled last fall and this led to its death. "I saw the horse fall on concrete," David said, "throwing his hind leg out of joint."

Orvel backed his brother, saying the yearling was crippled when she attempted to jump out of the path of a speeding car as the horses were crossing Taft road. She landed on her leg and threw it out of joint, Orvel stated.

Both brothers said no veterinarian

was called because the injury could be taken care of by Orvel, who had put the leg back in joint other times. Asked why the animal was not disposed of, Orvel said she could be used for breeding purposes.

Four goats, owned by Orvel were found dead in the barn, two upstairs and two down. The brothers testified the goats had been dead two weeks, but because of snow and hard ground, they were unable to bury them. Two goats were chewed around the head.

"We were told," David said, "dogs had marauded the goats." The brothers also claimed they had covered the goats, but the animals were uncovered when discovered by Humane Officer London and Deputy Hicks.

Charges of cruelty hinged on proving other animals, as well as the dead horse, were not properly fed and both Defense Attorney Ambrose and Prosecuting Attorney Schmidt thoroughly probed this point by firing questions at all five witnesses.

"There was no provision for food, no feed showing anywhere," London said of the day he and Hicks had searched the farm, after having obtained a search warrant. "There was no food whatsoever," Hicks swore. They said they had searched the barn, feed shed and truck, bed, . . .

The Hamiltons, however, maintained the animals — horses, pigs (owned by David), goats (15 to 18) and a dog had been fed the previous day, Sunday, and after London questioned them that day, the brothers said they fed the animals later the same night.

David testified that he and his brother help each other feed the animals, and the day before the dead horse and goats were found, they had fed the horses six, seven or eight bales of hay.

"We limit it (hay) to eight bales because it becomes soiled," he continued. Feeding the 31 horses more, he said, would lead to waste of food. "They're range fed in the summer," he added.

The hay was not kept at the Novi farm barn, David explained, it was purchased from Revel E. Greer's farm on Six Mile road and transported to Novi. This is the reason, David said, why he and his brother had not fed the horses earlier Monday. A truck was needed and David's had a dead battery; later, a relative's truck was used and the hay spread along the road because snow made the driveway impassable.

Orvel, however, contradicted David's testimony. He said he fed the animals 15 bales of hay, and when questioned further, stated that a total of 23 bales were fed to the horses per day. "Only I would know about the 15 bales," he said.

This is the third time similar charges have been brought against the brothers.

In Crusade for Information

Launch New War on Cancer

The continuing battle against cancer takes on a different format this year as door-to-door survey work replaces fund solicitation.

That's the word from Dr. Scott T. Harris, clinical director of Plymouth State Home and Training School and the 1967 Cancer Crusade chairman for Western Wayne county.

According to Dr. Harris, during the April Crusade, thousands of volunteers will be going to their neighbors' doors asking information relative to a nation-

wide study into the causes of breast cancer.

Volunteers recruited for the house-to-house survey will be calling on the public during the week of April 24, he said. They will be provided with professionally prepared questionnaires and specially processed pencils for use in the computations.

Through the survey officials hope to uncover any relationship between breast cancer and such conditions as obesity (extreme overweight), diabetes

and other physical characteristics.

Volunteers for the survey are needed, he said. Interested persons are asked to call the Plymouth office at 453-3010, from 1 to 3 p.m. Monday through Friday, Mrs. Richard Norton at 349-2467, or Mrs. Edward C. Kelly, 349-4179.

Mrs. Norton of Northville is Crusade division chairman and Mrs. Kelly, also of Northville is the branch chairman of the Michigan Cancer Foundation.

The Michigan Cancer Foundation, a Torch Drive agency, will not be participating in any form of fund-raising Dr. Harris emphasized. "Cancer Foundation volunteers will ask only for information and distribute educational literature.

To give emphasis to the April Crusade, the Northville city council Monday night adopted a resolution proclaiming April as Cancer Control Month and urging all citizens to give their support to the Michigan Cancer Foundation's survey.

The proclamation notes that it is the personal responsibility of every citizen to acquaint himself with all available facts on cancer detection and treatment.

Furthermore, it emphasizes that the foundation is seeking to enlist the cooperation of all women in a projected study which hopefully will reveal pre-determining causes of breast cancer — a disease which is the first in the nation as a cancer killer of women.

- White sidewalls . . . Included
- Sporty luggage rack . . . Low-cost option

Mustang Sports Sprint

Proclamation

In many areas of the United States today respect for constituted authority, law and order, and the principle of the supremacy of law, are being recklessly challenged.

The rights and freedoms which Americans accept as their birthright are made possible only by unwavering public acceptance of and obedience to the rule of law. In today's complex society there is a particular need for understanding on the part of every citizen that respect for law is vital to the preservation of individual liberties and a free and orderly society.

The Congress of the United States, and the President by official proclamation, have designated May 1 as Law Day USA. It is a day set aside for all Americans to reflect on our heritage of individual liberty under law and to focus attention on the responsibilities of citizenship. The theme for the 10th annual observance this year carries a timely message for every American: "No man is above the law, and no man is below it."

NOW, THEREFORE, I, Wesley E. McAtee, Mayor of the City of Wixom do hereby proclaim Monday, May 1, 1967 as Law Day USA in the City of Wixom and call upon all citizens organizations, churches, and schools to recognize this special day through appropriate programs.

Dated at the City of Wixom this 24th day of March, 1967.

Wesley E. McAtee, Mayor

Romney Ignores Politics in Naming U-M Regent

LANSING — Recognition of ability is theoretically the basis for appointments to public office.

Frequently Gov. George Romney has been criticized, as have other governors, for leaning too heavily on political factors in his appointments.

Only rarely has any public acclaim been given to Romney for his appointments which historically and traditionally are doled out to party workers.

Appointment of Otis M. Smith recently to fill a vacancy on the elective University of Michigan Board of Regents drew applause from both sides of the political fence.

Smith, a former chairman of the Public Service Commission and Auditor General, was defeated last November in a bid for another term on the State Supreme Court. He lost to a Republican-supported Irishman whose name was better known in Wayne county. A Democrat, Smith took his loss gracefully.

IN APPOINTING Smith to the governing board of Michigan's 150-year-old university, Romney said, "The university and the entire state will benefit from the public service experience and the personal attributes he brings to his new responsibilities."

Several Republicans certainly could have been found with public service experience closely matching that of Smith's. It must be assumed that Romney weighed heavily on Smith's personal attributes and felt he was a man who should be duly rewarded without regard to politics.

Michigan would be served well if all appointments were made on the same basis.

Michigan's freeways have been in use long enough for many motorists to take the high-speed convenience for granted.

Many still drive in the left lane although the left lane should be used

only for passing. Aside from frustration caused to other drivers this habit has not proved too troublesome.

Car trouble on freeways has been more of a problem, but there is a standard distress signal in use throughout the country. It is the quickest way to get assistance in an emergency.

A RAISED HOOD and white cloth tied to the car door handle was adopted several years ago by the American Association of State Highway Officials as the uniform distress signal for motorists on freeways.

Simple methods to let passing vehicles know that the stopped motorist needs help? Yes, but imagine the frustration of the driver who fails to use these methods, and sees the police drive by, assuming the motorist has stopped to rest a minute.

"Under no circumstances should the motorist walk on the freeway," warns State Highway Director Howard E. Hill. Other drivers on the freeway are not conditioned to seeing pedestrians along the right-of-way.

"This could make the pedestrian highly vulnerable to accidents or could cause a driver to suddenly swerve into the path of another auto," said Hill.

Another safety rule: make every effort to get a disabled vehicle off the roadway onto the shoulder. If all or part of a traffic lane is blocked, some warning device should be placed: flares, flashing lights, lanterns or reflectors.

At night, additional measures can draw attention to the driver in need, such as leaving taillights and interior lights on. A turn signal should also be left on so motorists won't mistake the car's location with through traffic lanes.

Passing motorists should keep in mind that they can help by notifying ser-

vice stations or police agencies at nearby exits of the location of a stranded motorist.

Inflation Vacation Due to End

BABSON PARK, Mass. A year ago everybody was talking about inflation. Food prices - especially meats were soaring. Business was booming. But the stock market was going down. Those who had bought stocks as a hedge against inflation were puzzled, and disturbed. This year stocks have climbed smartly in the face of falling production and rather flat prices. What has happened to inflation?

When we listen to stock brokers, we feel that all one has to do in order to make money is to buy common stocks and let inflation take its course. But when the government economists discuss the matter, we get the impression that to have no inflation is bad, a little is good, and a lot would wipe us all out. Then we talk with some pretty smart bankers, and they just about convince us that the best recipe for a real stretch of prosperity is to have all prices tilt gently downward.

Thoroughly confused, we ask ourselves: just what is inflation? After talking with more economists and bank-

ers, we settle for the fact that most people think inflation is simply an advance in prices and a hike in the cost of living. But when we get deeper into the subject we realize that the price climb just has to have a cause. And, indeed, it has some most important and powerful causes.

Today it has become fashionable to talk of rising prices as being caused by "cost-push" inflation. Simply, this means that prices can be boosted by the unions' demanding and getting increases in wages that are greater than the advances in productivity. It also means that higher taxes can cause inflation. How? By corporations adding the amount of the hike in taxes to the prices of their goods and services.

It would seem, then, that the culprit behind inflation has been found; that all we would have to do to control inflation is to hold costs down. Yet a little examination will show that if there is not a sufficient supply of money around to create enough demand for products at the higher prices, sales will soon decline and profits tum-

ble. This, in turn, will lead straight to a business recession. So it may be concluded that, without sufficient supplies of money, all the "cost pushing" in the world would lead not to inflation, but to recession!

No better example of what may happen when the money spigots are turned off - then on - can be found than a study of events in 1966 and so far in 1967. With living costs threatening to run away and with the stock market bumping the 1,000 Dow Industrial level, the money managers became alarmed. They cut the money flow from an annual rate of advance of about 8% to the zero level. Short-term interest rates spurted. Bonds sagged week after week. Stocks tumbled wildly. Money was dragged from savings banks and placed in higher-yielding bonds and certificates of deposit. Mortgage money disappeared, and home building sank to the lowest figure of the past two decades.

When the money managers saw what they "had wrought", they became scared. In late 1966 they opened the money valves... first a little, then

wider and wider. And they are still at it, fearful that the recent "inventory indigestion" may lead to massive "business cramps"! Then the Administration and the Congress got into the "revive business" act. They restored the 7% investment credit and faster depreciation on certain building. Delayed public works outlays were also reinstated to the tune of \$1 billion. And, as a final psychological "needle", the Federal Reserve cut the rediscount rate from 4-1/2% to 4%.

Those who have been wondering "where inflation went" may not have to wonder long. The outpouring of funds by the banking system and by government action will soon be matched by perhaps the biggest budget deficit since World War II. As much as \$15 billion, and maybe even \$20 billion, will be the annual rate of federal-spending deficit by a year from today. If this proves accurate - and we think it is not far from the mark - inflation will be on everyone's lips again by spring 1968.
