

# Monday's Mayor Exchange Tops Michigan Week

Michigan Week - Northville style - will get off to a clean start Saturday as citizens stage the annual street washing under the direction of the city's Beautification commission.

And with that sparkling start will come a week-long celebration, highlighted by Monday's visit to Northville by officials of Pinconning as part of Our Government Day festivities.

It will conclude the following Saturday, Our Youth Day, with a host of activities at the community building.

The street washing, which takes place on an added day of Michigan Week this year under the title Community Pride Day, will get underway at 7 a.m. It will signal the end of another successful community beautification campaign.

Here's what is in store for Northville following the street washing:

Community churches will participate in the parade, will furnish music for the special program.

Monday's activities on Our Government Day will get underway at 9:45 a.m. when the high school band marches to the city hall from the high school. Bandsmen will lead officials from the city of Pinconning and their hosts to the city hall where the traditional flag raising and presentation of the key to the city will take place approximately at 10 a.m.

The visitors and their wives are: Mayor and Mrs. John Erdody, Councilman and Mrs. Merton Peacock, and Councilman and Mrs. Glenn Martin. Hosts will include Councilwoman Mrs. Beatrice Carlson, Councilman Wallace Nichols and City Manager Frank Ollendorf.

Two kindergartners from Main Street elementary school will present the city key to Mayor Erdody and will present flowers to the wives of the visitors.

Guest speaker for the occasion will be Glenn Deibert, Jr., who recently distinguished himself and the community with his prize-winning American Legion oratorical presentation in Midwestern competition.

A special feature of this year's Our Government Day festivities will be the exchange of two high school student

## Officials Urged to Clean Up

Northville's annual street scrub down program is to be an "official" affair Saturday.

Chairman of the project for the beautification commission is Essie Nirider and he's issued special

invitations to city, township, school and chamber of commerce officials to "bring their brooms" and join the fun.

With assistance from city DPW crews and firemen with their engine and hoses the street cleaners

will begin at city hall at 7 a.m. and scrub both Main and Center streets in the business district.

Usually, a few water fights break up the work monotony. Kibitzers should wear raincoats ... or track shoes.

## Pinconning: Most Traveled-thru Town

Pinconning - cheese capital of Michigan - boasts still another Michigan distinction: it's the "most traveled thru" community.

At any rate that's the billing it receives from literature put out by the Pinconning Area Chamber of Commerce.

Situated on US-23, a major route to Michigan's north country, Pinconning is located in northern Bay County, northeast of Midland and directly south of Standish.

An incorporated city for more than two-dozen years, it operates under the leadership of six councilmen and a mayor. But within the year, voters of Pinconning are slated to vote on an organizational plan calling for a city manager type government.

For a number of years, it functioned as a manager-clerk type government until the mayor, predecessor of the city's present mayor, challenged the legality of this arrangement.

Prior to becoming a city, Pinconning was part of Pinconning township which today has a population of approximately 1,600 people. The city has a population of 1,400.

Pinconning's most famous industry is the Kraft Cheese factory. But its largest employer is the Oldberg Corporation

which manufactures exhausts and tailpipes for the automobile industry. Another major employer is the Magline company which produces magnesium parts, including parts for the space craft industry.

John Erdody (pronounced Air-Doo-dee), Pinconning mayor and one of three officials to visit Northville Monday, is the senior elected official of the city. Erdody was serving his fourth term as a councilman when he was elected mayor this spring. Married and father of three children, he owns and operates a Leonard gasoline station and an International truck sales business. His wife's name is Mae.

The two councilmen traveling to Northville with the mayor are Merton Peacock, general manager of Wilson's Cheese Shoppe and Restaurant where many Northville residents stop on their way north, and Glenn Martin, owner and operator of Martin's IGA Hi-Way Foodliner. Peacock and his wife, Virginia, have two children, and Martin and his wife, Donna, also have two children.

Other councilmen are Ronald Saha, who formerly served as clerk-manager, Sam Charron, who was appointed to fill out the unexpired term of Erdody; and Charles Philpotts, mayor pro-tem.

## Six in Race for Two School Board Seats

A six-way battle for two four-year Northville board of education seats shaped up Saturday with the passing of the deadline for filing nominating petitions.

Meanwhile, election of Glenn E. Deibert, 9825 Napier road, was all but assured since he was the only candidate to file petitions for the single two-year seat up for election. Only a write-in candidate could upset his election.

The six men who filed petitions for the four-year seats prior to Saturday's 4 p.m. deadline were incumbent Richard T. Martin, 20173 Whipple Drive; Andrew G. Orphan, 356 South Rogers; Roger E. Rinaldi, 1076 Grace Court; Charles A. Smith, 43643 Nine Mile road; Billie Thomas, 40301 Fairway; and Charles Toussaint, 528 Horton.

A third Northville resident announced his candidacy for the six-year term on the Schoolcraft board of trustees by the deadline. Edmund P. Yerkes, 504 West Dunlap, will battle Paul R. Hunt, 344 Debra Lane, and Bertram William Secord for this seat.

With the election Monday, June 12, veteran school board member and current president, Wilfred Becker, will bow out. He will not seek re-election. Nor will Trustee Richard Lyon, who was elected a year ago to fill out an unexpired term.

The new college trustee will replace Dr. Gordon Forrer, who decided not to seek re-election.

Becker re-assumed the reins as president last June when a deadlock occurred between James Kipfer and Donald Lawrence. The latter resigned from the board and Martin was named to fill his post until the June election.

Martin was almost elected to the board last June. A tie vote with Stanley Johnston was broken by a draw, won by Johnston.

In announcing candidates who filed petitions prior to the deadline, Johnston, secretary of the board, stressed that petitions are still subject to inspection and acceptance based upon the validity of the petition signatures.

He also noted that candidates may not withdraw except by written notice to the secretary.

## Assessment Suit on Tap Monday

The long-delayed hearing of Northville's Randolph street assessment case will come before Judge Joseph B. Moynihan, Jr., Monday in Wayne county circuit court.

Residents of Randolph street brought the suit against the city protesting the 25 per cent assessment on the paving on the basis that it was not an improvement for residents and that the street is a

## STEPPING DOWN - Municipal Judge Charles McDonald handled his last cases for the city of Northville Tuesday.

His resignation was read at the city council meeting Monday night. McDonald was forced to resign because of the purchase of Novi Inn, a tavern at Novi road and Grand River. A law enforcement officer cannot hold a tavern license. Transfer of the license was approved this week. The city council has announced it will name a successor to Judge McDonald at a special meeting Tuesday evening. McDonald's term has two years to run. He has served six years. The position of municipal judge must be filled by an attorney with residence in the city.

main thoroughfare used by the entire community and should therefore be paved solely from general tax funds.

City Attorney Philip Ogilvie will represent the city while Ferris Fitch has been retained by the residents. Several city officials are expected to be called to testify including Mayor A. M. Allen who cancelled a trip to Pinconning as exchange mayor for Michigan Week because of the hearing.

## Rotary Plans 'Expo Preview'

Making of a special Expo 67 preview program, sponsored by the Northville Rotary club, is in the works.

Bob Webber - Now shooting at EXPO!

Rotarian Robert Webber, owner of the Northville Camera Shop, is on a special filming mission in Montreal this week shooting slides of Expo attractions for an hour-and-a-half show to be shown here on Sunday, June 4.

Proceeds from the show, to be held in the high school auditorium beginning at 7 p.m., will be used by the Rotary club in sinking a new well at Northville's historic well on Northville road.

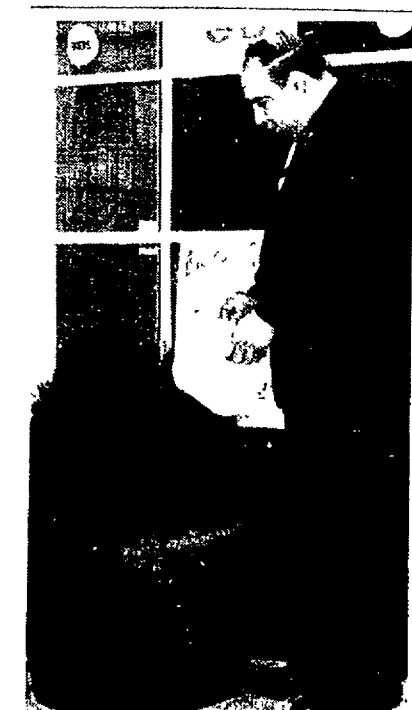

A special Rotary Committee, headed by Carl Johnson and Jan Reef, is spearheading a drive to reactivate the well. Presently, Detroit water flows from the well and many people, despite publicity of this fact, continue to fill jugs with water in the mistaken belief that it's Northville's own water.

The color slides will feature Expo

attractions and interesting sidelights especially prepared for those who may be attending Expo this summer or those who are not planning to attend but are interested in seeing its attractions.

In narrating the presentation, Webber will describe the attractions, give information of places to eat and where to stay, and generally discuss the Expo sidelights. Following the presentation he will attempt to answer questions of the audience.

Tickets for the show are available at the Manufacturers Bank of Detroit, The Record, Northville Camera shop, Northville Drug Store, Harold C. Bloom Agency, Carrington & Johnson Real Estate & Insurance, and from any Northville Rotarian. Donations are \$1 each.

Paul Folino waters one of the new planter barrels that will soon adorn the sidewalks of the business district. It was Folino's idea for community beautification. Delivery of the barrels has already started.

## Unification Study? City Asks Township To Discuss Proposal

A separate unification study of the city and township of Northville or endorsement of a unification study of the city and township of Plymouth

That's the question the Northville City council is attempting to answer this week as its representatives confer with representatives of the Northville township board.

Both local bodies have been invited to join the Plymouth study on the one hand but discouraged on the other. The latest invitation came Monday night as the council listened to and watched a slide presentation by Carl Pursell, president of the Plymouth Community Chamber of Commerce - the same presentation heard two weeks ago by the township board.

Pursell said he and other persons within the Plymouth community preferred to limit the study to the city and township of Plymouth and perhaps Canton township which includes much of the Plymouth school district. However, because those attending the recent inter-governmental seminar felt the two Northvilles should be invited to join, a "compromise" resolution was adopted, he explained.

Thus Pursell couched the invitation in a personal hope that Northville would not join the Plymouth study.

He agreed with the position of Councilman Deibert Black and Councilwoman Beatrice Carlson that by joining the study Northville would make it "cumbersome" and that a more desirable arrangement would be establishment of a separate unification study involving only the city and township of Northville.

Pursell added that a spokesman for

the Citizens Research Council of Michigan, which will conduct the study, also has advised that the scope of the study be limited. He admitted that the spokesman and himself are fearful that if the study encompasses too many governmental bodies the chance for a favorable vote for unification - provided the study shows unification to be desirable - will be diminished considerably.

Mayor A. M. Allen took the position that by joining the Plymouth study Northville could obtain facts relative to an overall unification plan as well as a narrower, Northville city-township plan.

"I don't see that anything will be lost by the study. It's a start," the mayor said.

Frank Ollendorf, city manager, em-

phasized that if Northville becomes a part of the study it would not be involved in the basic study but merely be an appendix to it.

Finally, after Black said he could not make an intelligent decision without first discussing the matter with the township, the matter was tabled pending a meeting with township representatives.

Northville township officials had also tabled the matter at their meeting pending the city's decision.

To date, the city and township of Plymouth and the township of Canton have decided to underwrite the study, which is expected to cost about \$250, if the two Northvilles do not participate.

A decision by the city of Northville is expected to be made by next Tuesday - date of a special meeting,

## They'll Also Huddle On Moraine Annex

Fresh attempts to resolve the long-standing annexation question involving Moraine elementary school will be made by the city of Northville.

The city council, which has been waiting for Northville township to initiate annexation proceedings while the township waited the city's position on the amount of property to be annexed, agreed Monday to talk the matter over with the township.

At issue is the 10-acre "island" on which the school is located on the south side of Eight Mile road. City boundaries presently extend to Beck road on the north side of Eight Mile but only to the Taft intersection on the south. Thus, township property lies both to the east and west of the school property, with city property across Eight Mile on the north.

The Northville school board repeatedly has asked that the school property be annexed to the city. The request has gone to both the city council and township board. The township tabled the matter.

## City Schedules Public Hearings

Public hearings on two amendments, one concerning rezoning of portion of Ford Field and the other concerning a change in regulation of pool halls, have been set for June 5.

The Northville city council set the hearing date at its meeting here Monday night.

The rezoning request from the Ford Motor company asks that the southern portion of Ford Field be changed from a residential to a parking classification

so that it can be used for parking by Ford Valve plant employees. It is adjacent to Ford's present parking facilities which are being enlarged.

According to City Manager Frank Ollendorf, use of this portion of Ford Field will not affect the city's recreation program.

The other amendment, requested by Dennis Wilson, proprietor of the Northville Cue Ball, permits youngsters

All Systems Are 'Go'

Space Carnival Blasts Off Friday

All systems are "go" for Space Fantasy, Northville's 1967 PTA Carnival, to orbit at 4:30 p.m. Friday at the junior high buildings and grounds on West Main street.

Special attractions to complement the space theme of the carnival, William Heffner, chairman, announced this week, will be a six-foot rocket display by the U.S. Air Force and a Space Communications display by Michigan Bell Telephone company.

Heffner also stated that the carnival will "launch" with 15 midway games, on-the-green attractions, a spaghetti dinner and a country store of homemade goodies and will orbit for five-and-a-half hours regardless of the weather.

A new attraction at the junior midway will be a "Moon Goon" game. For youngsters through the sixth grade, the junior midway will be located in the junior high girls' gymnasium in the school basement.

be a pumper game, dart throw, bug-in-orbit and space clown. They are planned and staffed by parents from Main street and Moraine schools under the direction of Mr. and Mrs. Robert Arlen and Mr. and Mrs. Fred Schwarze.

The senior midway in the boys' gymnasium will have roll-a-score, hula hoop, polka dot slide, abstract art game, spill-the-milk and a bumper game. They will be the responsibility of parents from the junior and senior highs under chairmen, Mr. and Mrs. Fay Waldron and Mr. and Mrs. Richard Dougherty.

From 4:30 to 8 p.m. Amerman school mothers will serve a spaghetti dinner with rolls, tossed salad and drink in the lunch room. Both a meat and a meatless sauce will be served. The dinner is under the direction of Mrs. George White and Mrs. Eugene Maloney.

For the first time it will be possible to buy dinner tickets (\$1.25 seventh grade through adult; kindergarten through sixth grades 50 cents; preschoolers free) in advance. The money may be sent to school in an envelope giving amount and number of tickets desired as well as the child's name.

Dining tables will be decorated with bright flower-trees which a committee under Mrs. Virgil Matheus has been making in workshop sessions and at home. They will be for sale.

Cake and coffee will be served outdoors on-the-green at a booth under the chairmanship of the Jack Dewsburys. Also on-the-green will be a putting green, basketball throw, kiddie rides (including a ferris wheel) and booths with cotton candy and snow cones, coke and hot dogs.

The high school Jazz band and singing groups will provide music and song on-the-green.

Also outdoors will be a Garden of Youth manned by members of TARS, the Youth Republican club, who will be selling plants and promoting Beautification Week.

Mothers' club will have a Country Store in the lobby of the boys' gymnasium building with candied apples, fudge and baked goods.

Assisting Mr. and Mrs. Heffner, the PTA space project "directors," are Mr. and Mrs. Ben Kline. The event is the one fund-raising project of the year for all five Northville PTAs. Last year's

carnival raised almost \$2,000.

Tickets for the carnival attractions are being sold in schools this

week at the rate of 11 for a dollar. They will be 10 for a dollar at the carnival.

TREES FOR A SPACE-AGE CARNIVAL—A veritable woods of bright flowering trees to decorate tables at the PTA Fantasy carnival supper Friday in the junior high lunchroom has been created by, left to right, Mrs. Virgil Matheus, Mrs. Jack Slotnick, Mrs. Roy Mattison, Mrs. Lee Zenoniani,

Mrs. Ben Kline and Mrs. William Heffner. With their husbands, Mrs. Heffner and Mrs. Kline are co-chairmen of the PTA fund-raising event which will run from 4:30 to 10 p.m. on the junior high grounds. The tissue-paper floral trees will be sold at the carnival.

In Our Town

By JEAN DAY

TAKE 250 YARDS of tissue paper in colors ranging from petal pink and petunia purple to brilliant blue and orange-blaze, gather dowels and pots AND mothers with creative fingers — and you have the makings for the original flower trees that will decorate tables at the PTA carnival supper this Friday.

The result of "hours and hours" of work, there are now 26 of these trees blooming, each with about 35 coffee-cup size tissue flowers, ready for the carnival at the home of Mrs. Virgil Matheus, decorations chairman.

Working in their homes and at a special workshop session the trees were created by Mrs. Ray Jackson, Mrs. Lee Zenoniani, Mrs. Dale Warning, Mrs. Roy Mattison, Mrs. Clyde Vadner, Mrs. Jack Slotnick and carnival co-chairmen (with their husbands) Mrs. William Heffner and Mrs. Ben Kline. The trees will be sold after the supper in the junior high lunch room.

Another necessary decoration for the room which Mrs. Matheus also is preparing is shades for the long windows. Last year she fashioned shades adorned with clowns to provide a sun shield — and afterward delivered them to the children's ward at Maybury Sanatorium where they could be enjoyed by other youngsters. For the 1967 Space Fantasy carnival she has enlisted help of elementary art classes to create "wild creatures from outer space." These will adorn the shades and midway booths.

community groups helping with the PTA carnival. Because the nursery school's traditional cookie booth sold out almost immediately last year, mothers this year are pledged to "bake six dozen each" to insure a larger supply.

Northville's cooperative nursery was asked to present a special exhibit on its woodworking facilities and projects Tuesday at the Michigan Council of Nursery Schools annual conference held at the Kellogg Center at Michigan State University in East Lansing.

Mrs. Francis Gazlay, nursery teacher, explains that in a recent year little boys outnumbered girls in the co-op and the woodworking projects were expanded. Parents Larry and Peggy Meyer even developed a portable tool kit.

Attending the session Tuesday were Mrs. Gazlay and Mrs. Glenn Delbert, nursery teachers, Mrs. Robert Cartwright and Mrs. Kenneth Kaester (who also went to a Monday meeting).

NEW MOTHERS' CLUB officers will be installed at the group's annual meeting, a picnic potluck supper to be held at the home of Mrs. Irvin Marburger, 20149 Whipple drive, at 6:30 p.m. Monday.

Assisting the hostess will be Mrs. Robert Yoder, Mrs. Robert Matthews, Mrs. George Zerbel and Mrs. Stan Schaefer. Life members have been especially invited to attend.

Annual reports will be presented at the business meeting. Officers elected at the April meeting will be installed.

Mrs. Donald Hannabarger succeeds Mrs. William Davis as president. Other officers are Mrs. Cass Hoffman, vice-president; Mrs. H. O. Evans, recording secretary; Mrs. Al Wistert, corresponding secretary; Mrs. Harold Wright, treasurer.

NORTHVILLE STATE HOSPITAL Auxiliary's annual card party benefit, held May 9, netted the auxiliary about \$900, retiring president Mrs. Robert Lang reports happily. This amount will be given to the hospital's interdenominational chapel fund in one of Mrs. Lang's final acts as president at the annual meeting to be held June 13.

BASE LINE CHAPTER members of the Questers antiques society will be entertained by Mrs. Leonard Klein at the May meeting at 1 p.m. Monday at her home, 18450 Fermanaugh. She is president of the group.

Mrs. Arthur Basel will present a paper on "Tiffany Glass." Officers for the coming year are to be elected.

NORTHVILLE SENIOR CITIZENS will meet at 6:30 p.m. Tuesday, May 23, for a cooperative dinner and social hour in the junior high boys' gymnasium (community building).

News Around Northville

The home of Mrs. V. Bedore, 520 Butler street, was the scene of a Mother's Day family dinner Sunday, attended by Mr. and Mrs. C. Bolton, Mr. and Mrs. A. New and family and Mrs. R. Bolton and family, all of Wayne, Mr. and Mrs. H. Blackwell and family of Wills and Mr. and Mrs. Willma Birt of Northville. All together, three daughters, six grandchildren and six great grandchildren gathered together for festivities.

Nine former Northville high school classmates feted their mothers at a dinner Saturday at Hillside Inn. It was their way of saying happy Mother's Day. Five girls were unable to attend. Those attending with their mothers were Linda Bolton, Sherry Myers, Sandy Modgridge, Judy Insland, Sally Winter, Linda Nelson, Penny Scantline, Kathy Sullivan,

and Joyce Stoddard. Jill Rockefeller, who graduated recently from Schoolcraft college, has returned from the sunny climes of Florida where she was vacationing. A Northville high school graduate, she will major in chemistry at WMU.

As its part in supporting Northville's beautification campaign, Brownie Troop 149 will plant a flowering shrub at Amerman elementary school today (Thursday).

BIRTHS

Mr. and Mrs. Edward Soleau of 46120 Frederick announce the birth of a baby boy, Brian Edward, on May 2 at St. Mary hospital. The baby, who has a sister, Annette, 17-months, weighed 9 pounds, 1 ounce.

Grandparents are Mr. and Mrs. Benjamin Soleau of Plymouth and Mr. and Mrs. Joseph Nagy of Plymouth.

# Couples Exchange May Wedding Vows Couse-Stuber Wed Here

Mrs. Richard Arthur Stuber

Elsa Uree Couse pledged her marriage vows with Richard Arthur Stuber in a springtime ceremony at 2 p.m. Saturday in Northville First Presbyterian church.

The petite bride, daughter of Mrs. Walter Couse of Arselot drive and the late Mr. Couse chose an Empire gown of ivory silk organza frosted with lace applique and seed pearls. It was fashioned with a portrait neckline and elbow length sleeves with the skirt extending into a chapel train. Her illusion veil also was elbow length. She carried a bouquet of miniature white calla lilies, lily-of-the-valley and white candy tuft.

Bouquets of candy tuft marked the church pews. The windows and altar were decorated with floral arrangements also. The Reverend Lloyd Brasure officiated at the ceremony in which Blake T. Couse gave his sister in marriage. The bridegroom is the son of Mr. and Mrs. Harry Smith of Orchard drive.

The bride's sister, Mrs. George Hipps, came from Honolulu to be matron of honor. Bridesmaids were the bride's young niece, Miss Robin Couse, and Mrs. Duane Wasmuth, Mrs. Thomas Henson and Mrs. Richard Venus. They wore sleeveless, floor length gowns of blue crepe fashioned in an Empire line

with a Dior bow at the shoulder. They carried bouquets of miniature pink-throated calla lilies and pink candy tuft.

Flower girls were Miss Freda Hipps of Honolulu, niece of the bride, and Miss Kimberly O'Hara, niece of the bridegroom. They wore blue dotted swiss long dresses, styled like the bridesmaids.

Dean Kapp of Ann Arbor was best man. Ushering were Roger Smith and Robert Stuber brothers of the bridegroom. Charles O'Hara and William Yahme. William G. Williams was soloist.

For the ceremony and reception following at Meadowbrook country club for 250 guests Mrs. Couse wore an ensemble of pink tree-bark silk with pink accessories. Mrs. Smith chose pale green embroidered linen. Out-of-town guests attended from Ann Arbor, Livonia, Detroit, Cleveland and New York.

Afterward the new Mrs. Stuber changed to a white ottoman dress with matching jacket. She attended Albion college and was graduated from University of Michigan. Her husband attended M.I.T. and is a spring graduate of University of Michigan. They plan to make their home in the Northville area.

Mrs. Walter Phillip Gruner

## Vows Spoken in Florida

At a double-ring ceremony Saturday, May 13 in Christ Lutheran Church, Ft. Lauderdale, Florida, Patricia Ann Lemke became the bride of Walter Phillip Gruner.

The bride is the daughter of Mr. and Mrs. George Lemke of Lauderdale-by-the-Sea, formerly of Westview drive in Northville and the bridegroom is the son of Mr. and Mrs. Walter H. Gruner

of Lauderdale-by-the-Sea.

Given in marriage by her father, the bride wore an A-line floor-length gown of satin with an empire waist and circular train. The gown was trimmed in chintilly lace and white pearls, with a bow in the back.

Her fingertip veil was held in place by a crown of pearls and crystals. She carried a bouquet of cymbidium orchids and stephanotis.

Maid of honor was Irene Engle, a Northville friend of the bride. She wore a pink floor-length gown of dotted-swiss with an empire waist and a velvet bow in the back. Her veil was held in place by a pink rose and she carried a bouquet of pink carnations.

Bridesmaids were Virginia Ragsdale of Ft. Lauderdale, and Mrs. Marilyn Combs of Dayton, Ohio, sister of the bridegroom. Their dresses and veils were identical to that of the maid of honor. They carried bouquets of deep pink carnations.

Chris Nightingale of Ft. Lauderdale served as best man.

Ushers were Jerry Combs of Dayton, brother-in-law of the bridegroom, and John Brinn of Pompano Beach, Florida.

For her daughter's wedding Mrs. Lemke wore a beige lace over green taffeta dress with green accessories and an orchid corsage. Mrs. Gruner chose a yellow ensemble with white accessories and an orchid corsage.

A reception was held at the home of the bride for 100 guests from Ohio, Michigan and Florida.

For their wedding trip to North Carolina the new Mrs. Gruner wore a three-piece navy blue suit, brimmed in white with white accessories and a corsage from her wedding bouquet.

The bride is a 1963 graduate of Northville high school and attended the University of Michigan before moving to Florida in 1964. She was graduated from Broward Junior College, studying as a medical assistant.

Mr. Gruner was graduated from Pompano high school and attended Drake Business college. He will attend Broward Junior college in the fall.

Upon their return, the newlyweds will reside at 231 Imperial Lane, Lauderdale-by-the-Sea, Florida, 33308.

## Schoolcraft Offers Musical Summer

Although registration for the Schoolcraft College Summer Music School is still more than a month away, area high school and college age musicians have responded quickly to an announcement for application to the school, according to Wayne Dunlap, director of the school.

"Early applications indicate a high level of interest," said Dunlap, who is also head of the music department at the college, as well as conductor of the Plymouth Symphony. "We can accommodate only a limited number of students on each instrument, so it behooves those musicians planning to attend to sign up early."

The summer session is scheduled for four weeks, from July 3 through July 28. Registration will be June 26 and 27, but students must indicate by June 15 their intention of enrolling, Dunlap said.

The curriculum will concentrate on chamber music, orchestral literature, ensemble techniques, contemporary music idioms and techniques, and style and musicianship.

"These are areas not ordinarily offered to the young, serious musician," Dunlap explained. "Of particular importance to this group, will be the classes in style and musicianship and the techniques of ensemble playing."

Students will study under a faculty

composed primarily of members of the Detroit Symphony, who will also be available for private lessons. The daily class schedule calls for morning sessions in the announced curriculum, and orchestra rehearsals in the afternoons. Wednesday sessions will be devoted to classes in conducting, music theory for performers and topical musical lectures.

Tuition for the four-week school is \$40, for the scheduled 100 class sessions.

"The tuition does not fully cover the instructional costs of the school," Dunlap explained. "A share of this cost is being subsidized by the college. The cost of private lessons with faculty members must be borne by the individual student, who will make his own arrangements with the faculty member. Lessons are available at \$5 a lesson."

Up to four hours of college credit is also available, Dunlap said. "Those taking the work for credit must matriculate at the college and pay a fee of \$8.50 per credit hour.

leaders. Student Council Mayor Chris Winkler will accompany Northville Councilmen Delbert Black and Charles Lapham to Pinconning where he will spend the day in the Pinconning school system. Pinconning's student council president, Gary Jacket, will make a similar trip to Northville. He'll be a special guest at the Rotary luncheon following a morning spent in the local high school.

Following the Rotary luncheon, the visiting officials, their wives, and citizens of the community will tour the Ford Motor company's valve plant here and Northville State Hospital. A bus will be provided. The guests also will be driven about the community following the tours and then return to their car

for their trip home.

Although most of the activities related to the following days of Michigan Week will take place on Saturday, May 27, a number of activities are planned on Education Day, Thursday, May 25.

High school student leaders will assume the roles of city officials that morning, visiting with their hosts and acquainting themselves with city business. Elsewhere in the school system a number of classroom projects will be accented. Typical of these will be the writing contest held in American elementary school. Pupils are writing and drawing pictures on the topic, "Why I am Proud to be Living in Michigan."

Throughout the week, the Northville Senior Citizens club, under the direction of President Merrill Meaker, will sponsor a special display in the window of Del's Shoe Store.

Other days of Michigan Week are Our Heritage Day, Tuesday; Our Livelihood Day, Wednesday; and Hospitality Day, Friday. Instead of activities on each of these days, the significance of each day will be played up in activities slated Saturday, May 27, at the community building, coordinated by the Northville Newcomers club as its part in emphasizing Hospitality Day.

Specific activities and their sponsors that day include:

Northville Historical Society and the Baseline Chapter of Quarters Antique Society, emphasizing Our Heritage Day with an antique glass display and an antique bicycle display, respectively; Northville Chamber of Commerce, emphasizing Our Livelihood Day, with a display of Northville-made products; and a cart race for students, sponsored by the Northville Jaycees with emphasis on Our Youth Day.

In addition, the Newcomers club will feature an outdoor art exhibit by local artists ("if it doesn't rain"), a spinning and pottery demonstration by Mrs. Kate Edgerton, a pottery wheel demonstration by Roy Petersen at 2 and 4 p.m., and a gardening and furniture refinishing display.

Activities will get underway at noon and continue until 6 p.m. Refreshments will be served by the Newcomers assisted by the Daughters of The American Revolution.

While the activities are underway Saturday decorations for a special Saturday night dance of The Cavern will take place elsewhere in the building. Called a Psychedelic Dance featuring a magic light show it will get underway at 8 p.m. and conclude at 11:30 p.m.

## Police to Open Doors to Public

A reminder that open house will be held at the Detroit post of the State Police on Wednesday, May 24, has been given by Sgt. Fay Johnson, commander.

This will be the 11th annual open house and is of special significance because this year the State Police are observing their 50th anniversary. Annual open house is held in connection with Michigan Week, which extends from May 20 to May 27.

Visiting hours at the post will be from 10 a.m. to 8:00 p.m., and everyone is invited.

"We hope there will be a good turnout," Sergeant Johnson said. "This is a special opportunity to see how a post operates and the services performed. Officers will act as guides."

The post is located at Grand River and Seven Mile. In addition to the reception there will be an exhibit.

## College Honors

### Leonard Fritz

Twenty seven students, including one from Northville, representing approximately 3 percent of the student body at Lake Superior State college achieved a "B plus" or better average and were placed on the dean's list of academic excellence for the winter quarter, Dean of Students, Dr. Bernard Smith, announced recently.

The Northville LSSC student is Leonard Fritz, sophomore, who is studying geological engineering.

**FLOWERS FOR SALE**-In response to the request of the Beautification commission, the Northville Teenage Republican Club has volunteered to sponsor a beautification booth at the annual P-TA Carnival tomorrow from 4:30 to 10 p.m. Entitled "The Garden of Youth", the display will blossom with garden flowers and plants-geraniums, petunias, alyssum, pansies, tomato plants, and flower crab trees.

The flowers will be sold and with every sale the purchaser will receive a colorful sticker supplied by the Beautification commission. Advance sales may be made by calling either 349-1219 or 349-9725. The booth will be built by the Northville Patrolmen's association. Getting in some pre-sale practice here are (l to r) Robert Shaffer, Jill Angle and Sally Sliger.

## Northville Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen at the Northville City Hall on Monday, May 1, 1967 at 8:00 p.m.  
Present: Allen, Black, Carlson, Lapham and Nichols. Absent: None.  
Minutes of the April 17th regular Council meeting were approved.

Moved by Carlson, supported by Nichols, to approve bills in the following amounts: General - \$13,987.26; Water - \$2,591.49. Unanimously carried  
Communications:

Resolutions from the following municipalities were received:

(1) Royal Oak - relative to supporting an apportionment plan involving 35 supervisor districts in Oakland county.  
(2) Dearborn - opposing House Bill #2651 which states that a County assessor will supply a local assessor.  
(3) Farmington - relative to House Bill #2142; that this bill provide either increased local sharing of State collected revenues or increased taxing powers.

(4) Hazel Park - urging U.S. government to subsidize and/or eliminate the expense of mailing packages to soldiers active in Vietnam.  
(a) Letter of resignation from Ed Langtry from Northville City Planning Commission - letter accepting same and thanking for services.  
(b) Communication from Committee of One-hundred announcing a meeting at Southfield Civic Center on Thursday, May 4, 1967, 3:00 p.m. - City manager will attend this.

(c) Notice of luncheon meeting on Thursday, May 4, Mayflower Meeting House, Plymouth, relative "unification of Communities".  
Minutes of Boards and Commissions: Minutes of the Planning Commission of April 18, 1967 were filed and referred to council.

Set Date for Public Hearing for 1965 Boca Code and 1965 Nat'l. Electric Code:  
City manager recommended the adoption of the 1965 Boca Code and supplement and 1965 National Electric Code and supplement. Moved by Black and Lapham that a public hearing be set for Monday, May 15, 1967, 8:00 p.m. at the Northville City hall to consider adoption of the 1965 Boca Code and supplement and 1965 National Electric Code and supplement. Unanimously carried. (Inspector to be present)

Set date for Public Hearing for Adoption of 1966 State Reciprocal Heating Code - this to be amended, Article IX, Section 9-3:  
City manager recommended adoption of this code, with the amendment. Moved by Black, support by Carlson, to set date for Public Hearing to consider adoption of 1966 State Reciprocal Heating Code and amendment of Article IX, Sec. 9-3 "Fuel Storage Tanks" "A fused valve shall also be provided within six (6) inches of each burner" is to be added to this section. Unanimously carried. (Inspector to be present).

Agreement with City Engineer for Engineering for Grandview, Scott and Spring Drive Improvement:  
This agreement is to be tabled until after finalization of 1967-68 budget.  
Consideration of request to Amend City Ordinance concerning Pool Halls and Billiards:  
Dennis Wilson, owner and operator of the Cue Ball, was present to discuss an amendment he is proposing to the present ordinance on Pool Halls and Billiards. After considerable discussion, Council asked that proposed amendment be rewritten to include "that card signed and brought in personally by parent be kept on file by operator". City Attorney was directed to

draft the revised ordinance for the May 15, 1967 meeting.  
Consider request to Improve West-terly Boundary of River street extension:  
City manager recommended granting of permission to John Mach to grade and fill the property adjacent to his salesroom on W. Seven Mile road. After discussion, City Manager is to check with the engineer regarding the possibility of increase in sewer lines in this vicinity. This is to be on the agenda for May 15 meeting. (Council members were asked to take a look at this property).  
Resolution relative to Citizens' Research Council of Michigan Studying Unification of Plymouth Communities & Neighboring Communities:  
This matter to be on May 15, 1967, agenda.  
Resolution for 35 MPH speed limit on Seven Mile road and Hines drive between S. Main street and S. Rogers:  
Moved by Black, support by Nichols to adopt the resolution establishing speed limit of 35 mph on Seven Mile road Cut-off and Edward Hines drive between S. Main street and S. Rogers street. Unanimously carried. (Police Department to honor present signing until new posting is accomplished).  
Resolution to transfer money from Cemetery trust fund to General Fund:  
Moved by Nichols, support by Carlson, to adopt the resolution transferring \$16,272.84 from the Cemetery Trust fund to General Fund, as read by the City Attorney (agreement to be dated May 5, 1967). Unanimously carried.

Appointment to Planning Commission and Zoning Board of Appeals:  
Moved by Nichols, support by Carlson to appoint John Steimel to fill unexpired term of Wallace Nichols on the City Planning Commission (term expires July 1, 1969); Don Williams to fill unexpired term of Ed. Langtry on City Planning Commission (term expires July 1, 1968) and Douglas Slesor to fill unexpired term of James Allen on the Zoning Board of Appeals (term to expire July 1, 1968). Unanimously carried.  
Consider Parking Limitations on Wing Court:  
Letter from Dr. H. Handorf, requesting posting Wing Court as a fire route, thereby prohibiting parking on this street.  
The city manager recommended that the four residents be invited to discuss this, if there is opposition, residents can come before the Council. (Resolution on this to be on May 15 agenda if it is resolved between the 4 residents).  
Consider 3-way Stop at Novi and Maplewood:  
City manager and the chief of police have discussed the request for a 3-way stop at Novi and Maplewood. Their recommendation is a "Yield" sign at Maplewood leading onto Novi street (Resolution to be on May 15 agenda).  
Consider request for 2" water tap at 19076 Northville road, Northville township:  
The request from Donald Thomson for a 2" water tap at 19076 Northville road was read. A resolution for this request was read by the City attorney. Moved by Allen, support by Carlson, to adopt said resolution granting this 2" tap at 19076 Northville road, this resolution outlines 3 qualifications to be met for permission. Unanimously carried.  
There being no further business, the meeting adjourned at 10:20 p.m.  
Respectfully submitted  
Martha M. Milne  
City Clerk

of River street - might be fenced or blocked it was tabled.  
\*\*\*\*\*  
Upon the recommendation of the city manager, the council adopted resolutions banning parking on Wing Court effective in 60 days and establishing a yield sign at the southwest corner of Maplewood.  
The no-parking ban, originally requested by a resident on Wing Court, was made finally on grounds that parking prevents passage of fire trucks.  
\*\*\*\*\*  
In other business, the council took under advisement a business licensing proposal submitted by the city manager; thanked Councilwoman Beatrice Carlson for her work in the beautification campaign and citizen Paul Folino for spearheading the placing of planters and trees on downtown streets; and named Councilman Delbert Black as representative on a newly-formed Oakland county traffic improvement association.

**They're Winners**  
The C. R. Ely & Sons Garden Center open house last Saturday attracted hundreds of shoppers, five of whom were awarded with prizes.  
The lucky winners and prizes were: Bob Goodwin, 500 Maplewood, a Yardman riding mower; Mrs. J. S. Valentine, a local visitor from Downers Grove, Illinois, Agricco weed & feed; Adelle Taub, 18301 Pinebrook, grass food; Marilyn Donovan, Livonia, a tree; and Jim Shaw, Livonia, fertilizer.

A proposed agreement between the city and John Mach, Northville Ford dealer, for his use of a dedicated but seldom used roadway west of his dealership property on the south side of Seven Mile road was tabled pending clarification.  
The proposal, as now written, would permit Mach to grade, top and use the roadway in conjunction with his business operation.  
But because the council questioned whether or not the road - an extension

Kinde; a talk by John Stiemel, committee chairman; a 10-flag ceremony; and a closing ceremony headed by John Bowne. First Class Scout. Special guests included Chris Hammond, district vice-chairman and holder of the Silver Beaver Award; Willis Fenn, district advancement chairman; and Dave Bell, senior vice commander of the Northville American Legion Post.

## Man Escapes Serious Injury In Spectacular Novi Crash

A Novi man miraculously escaped serious injury early Friday morning when his late-model convertible went out of control and was completely wrecked.

James P. Code, 33, of 21937 Novi road sustained just a small cut on the

back of his head after being pulled from the smashed car at 1:36 a.m. on Eight Mile road.

According to Novi police, Code was taken to Botsford General hospital, Farmington, but when he refused treatment and became boisterous, he was taken to the Oakland county jail. He is charged with being disorderly.

The car which Code was driving left Haggerty road, traveled about 360 feet off the road, climbed a 10-foot embankment, flipped over twice and landed on its top in a ditch. The car came to rest about three-tenths of a mile west of Haggerty road on the north side of Eight Mile road, Police said.

A passing motorist, Leonard Luedtke of 226 Church street, pulled Code from the car, which was a total wreck, police said.

## 1967 Season Boat Rentals Start at Kent

The Boat rental building at Kensington Metropolitan Park near New Hudson is now open for the 1967 season.

More than 110 aluminum boats are available for rent, \$5 deposit required, 75 cents per hour, \$1 minimum charge. Maximum charges are \$2.50 weekdays and \$4.50 on Sundays and holidays. Persons may supply their own motors, limited to 7 1/2 horsepower, for use on rented boats. Safety cushions are available for rent, however, the park does not rent outboard motors, nor does it supply fishing tackle, bait or gasoline.

Other boating facilities at the park include two launching ramps and Canoe Island, ideal for overnight camping by persons with their own canoes.

There is no charge for boat launching, permitted daily at two ramps from sunrise to sunset at the 1,200-acre Kent Lake, which is one of the most popular fishing sites in southeastern Michigan. No water skiing is permitted on Kent Lake and there is a 10 mile per hour speed limit.

Boaters are required to obtain a boat launching permit, issued without charge and good for the 1967 season, prior to launching their craft. These are available at the park office when the ramps are unmanned. Trailers, cars and boats are not permitted to remain in Kensington Park overnight, except for boats in slip rental spaces. The Michigan State Conservation Department has declared Kent Lake an open site for fishing and thus there are no restrictions. Fishermen may catch fish of all kinds, all sizes and without limit providing they have a valid fishing license.

**CANOEING** — There is a campsite on Canoe Island in Kensington Park for canoeists on overnight trips, many of whom travel along the Huron River to Kent Lake and then, on toward Ann Arbor. Permits for use of this campsite and the authority canoe campsite at Hamburg may be obtained by contacting the office at Kensington Metropolitan Park, 2240 West Buno road, Milford, 48042, or phoneing 685-1561.

Persons traveling south to the Hudson Mills Metropolitan Park campsite along the Huron River northwest of Ann Arbor should contact the Hudson Mills Metropolitan Park, 8801 North Territorial Road, Dexter, 48130, or call HAMilton 6-8211 for overnight use of the canoe campsite.

Persons may rent canoes from private liveries in Milford, the Island Lake State Recreation area, or Ann Arbor since the Authority has no canoe rental service.

## Larkin Wins Science Award

Dan E. Larkin of 503 North Center received a science award in graduation ceremonies at Schoolcraft college recently.

A student must have completed more than 20 credit hours in science courses with a grade point average of 3.5 or better to receive the award.

His name is to be inscribed on a science award plaque along with the names of other winners.

Larkin also was granted a scholarship to the University of Michigan, Dearborn Campus, where he plans to major in chemistry. He is a member of Phi Theta Kappa.

Mealanie Cole, 12-year-old daughter of Mr. and Mrs. Robert Cole, 356 Fairbrook turned in a blue-ribbon performance Saturday at the County Fair at Greenfield Village. Exhibiting her Morgan horse, Punctuality, she took a first in Showmanship.

## Schmidt Wins Prize In Lutheran Exhibit

Harold C. Schmidt, a Valparaiso university senior from Northville, was awarded an exhibition prize for his untitled sculpture which was recently exhibited in the 9th annual National Lutheran Student Art Award Program.

The program is sponsored by Lutheran Brotherhood, Fraternal Insurance society, Minneapolis.

Schmidt is the son of Mr. and Mrs. Harold W. Schmidt, 20117 Woodhill. He is an economics major and he is chairman of the Acolyte Guild at VU.

## Seek Blood Donors

If you're between the ages of 18 and 59, weigh 110 pounds or more and are in good health, you're made to order.

That's the word from Red Cross officials as they plan for Northville's community blood bank slated for Friday, May 26 at the First Methodist Church of Northville.

Explaining these qualifications for donating blood, officials noted that unmarried persons between the ages of 18 to 21 must have parental consent.

"If there is any question that a potential donor might not be 'at his best,' a physician will recommend that he or she return to a later bloodmobile."

The Red Cross bloodmobile will be at the church, located at 109 Dunlap from 2 to 8 p.m. It is open to the community. Eligible donors may donate to the account of their choice. For the sake of convenience, appointments can be made by call-

ing 349-2361 after 3 p.m.

According to Mrs. C. C. Winter, chairman of the Northville community blood bank, there is an urgent need for new donors. "Many of our regular donors who had given generously through the years," she explained, "can no longer give for various reasons."

The Northville blood bank has always had sufficient blood to meet the demand of local residents, but that demand is increasing, Mrs. Winter said.

"Blood is used as medicine. Whole blood is used for treatment of shock, replacement because of excessive bleeding or during surgery, transfusion in RH babies, for severely burned patients, anemia and during heart surgery."

When there is a need, Northville residents may call Mrs. A. C. Carlson or Mrs. Winter and blood will be released immediately.

### CHARLES A. KREGER

Charles Kreger, 74, of Dansville, passed away at his home April 29, after a long illness. He was born March 27, 1893.

He married Lillian Witt in 1915 and they lived in the Northville area until 1942 when they moved to their present address. He was a farmer until failing health forced him to retire four years ago.

He is survived by his wife, Lillian; one son, Harry of Fowlerville; and two daughters, Mrs. Alfred (LaVera) Torbet of Eden and Mrs. L. W. (Helen) Kingsley of South Lyon; six grandchildren, Chris and Craig Torbet, Terry and Kathy Kingsley, Dennis and Rickey Kreger. Dennis is in the Air Force in Japan. Also surviving are: five sisters, Mrs. Emma Copland, Mrs. Mattie Cochrane, Mrs. Edna Huff, Mrs. Elsie Balko of Northville and Mrs. Minnie Korzon of Detroit.

Funeral services were held at Gorslines funeral home in Williamston May 1 with interment at Greenwood cemetery, Fowlerville.

### GUY P. HANCOCK

Guy P. Hancock, 77 of 713 Blunk street, Plymouth died Sunday, May 14 at St. Mary Hospital after an illness of two months.

Born April 15, 1890 in White Cloud, Michigan, he was the son of Thomas and Mary (Robinson) Hancock. His wife, Elvira, preceded him in death in November, 1966.

Mr. Hancock had lived in Plymouth for the past 23 years. Prior to

that he was a resident of Northville for 18 years. He was a retired foreman of the Wayne county road commission.

Survivors included two daughters, Mrs. Phyllis Halstead of Plymouth and Mrs. Marjorie Stoianoff of Livonia; two sons, Thomas of Azusa, California and John of Garden City; a brother, Ernest of Grand Rapids; and 12 grandchildren.

Funeral services were conducted Wednesday, May 17 from the Casterline Funeral Home, with the Rev. Robert Spradling, pastor of the First Baptist church of Northville, officiating.

Burial was in Oak Grove Cemetery, Milford.

## Red Cross Names Field Representative

Appointment of Mrs. Judy Gunther, former staff assistant to the Red Cross Northwest Service office as field representative for that same office was announced this week by T. H. Hoffmann, chapter manager.

Mrs. Gunther, a resident of Plymouth township attended Wayne State university and majored in psychology. Before joining the Red Cross staff, she worked for the Detroit Free Press and McNaughton McKay Electric company.

The Southeastern Michigan Red Cross Northwest service office serves residents of Livonia, Redford township, Northville, Plymouth, Garden City through service to military, blood program, disaster program, first aid and water safety and home nursing classes.

**TAR TALK**—That's Robert Smart, son of State Representative Clifford Smart, addressing a meeting of Northville TARS (teenage Republicans). A student at the University of Michigan, young Smart frequently speaks on politics and has

campaigned in behalf of his father and the party. The busy TARS will sell plants at the PTA carnival Friday. The TAR meeting pictured above was held last week at the American Legion building.

## 'Teen-Twenty' Services Set

A "Teen and Twenty Chapel", which has gained popularity and crowds of youngsters at the Fort Street Presbyterian Church in Detroit will be held Sunday, May 21 at 7:20 p.m. at the First United Presbyterian church in Plymouth.

The Reverend Deirn Geard and the Teen Tempos will conduct the contemporary worship service in modern music and language.

The Reverend Geard's interim minister at Fort Street Presbyterian and has filled the stately landmark with teens twenties and the young-at-heart with his monthly Teen and Twenty Chapel services. Members of the Plymouth Presbyterian church are interested in starting a similar young people's program and were successful in arranging for the appearance of Reverend Geard.

He describes the service as a "worship-teaching situation, a valid ministry for the kids." Reverend Geard originated the first Teen and Twenty Chapel in Toronto nearly a year ago.

Area youngsters and adults are invited to attend the Plymouth service. An offering will be taken and a coffee-hour in the basement of the church will follow the service.

## Miller Tapped For Institute

Thirty-five high school teachers, including a Northville resident, have been selected to attend the first summer civics institute at Purdue university, beginning June 19.

The teachers, from 21 states, will study for eight weeks how the U.S. government can be taught in relation to other political systems. They will study both what to teach and how to better teach it.

The Northville man is Arthur T. Miller, 641 Reed Court, who teaches at Reiford Union high school.

Besides a staff of Purdue education and political science, three distinguished professors from other universities will be brought to the campus as visiting lecturers.

## Coach Line Buys Superbuses

Purchase of four deluxe highway coaches, representing an investment of more than \$1,000,000 was announced this week by the Northville Coach Line, Inc., 4122 West Seven Mile road.

The four superbuses feature air conditioning, reclining seats, public address systems, radios and large underneath luggage space. Two of the coaches are additionally equipped with restrooms.

"All four of them have a passenger capacity equal to, and in some cases, greater than our largest competitor in Detroit," a Coach Line spokesman said.

"We are certain that the citizens of Northville and the surrounding area will be proud of the progress we have been privileged to make in bringing this additional facility to our community."

Two of the superbuses were leased on their "maiden voyages" to Northville seniors for a trip to Expo '67 in Montreal, Canada.

## Novi Contacts Juvenile High

There were a record number of juvenile contacts - 70 - during the month of April. Detective Sergeant Richard Faulkner reported this week.

Of the 70 juveniles contacted, 56 were males, 14 were females. About one-third (24) were non-residents. The previous high of 61 was reported in August of 1965.

Faulkner and his assistant, Officer Warren Thrushman, spent a total of 114 hours handling 48 juvenile complaints. Six children were involved in neglect cases and 42 in miscellaneous crimes such as larceny, stolen cars and malicious destruction of property.

**Northville Steps Up Bat Attack**

Talking of escalation . . . There was good news on the home front.

The Northville Mustangs stepped up their assault on the opposition during the past week and bombarded four Wayne-Oakland Conference opponents for four consecutive victories.

The surge carried Coach Bob Kucher's diamond diehards back into the thick of the league race with a 9-2 record. They're tied with Bloomfield Hills and trail 8-1 Clarkston by only one game.

Here's the week's casualty list:  
Northville 4, Clarenceville 2  
Northville 5, Holly 4  
Northville 15, West Bloomfield 0  
Northville 6, Brighton 2

It's the frontal bat assault that has the local fans thumping their victory drums. Preceding Saturday's 15-hit attack on West Bloomfield, Northville was sporting a lusty .315 team batting average.

"This is a better hitting team than last year's," Coach Kucher commented. "They can really stick the ball."

The pitching and defense had Kucher worried, but things seem to be ironing out with recent strong performances of Juniors Bill Skelly and Dennis Primeau, who shape up as Northville's one-two pitching punch.

Primeau was always a top-flight hurler, but need for a solid short stop force Kucher to pull him off the mound. Now, Larry Biddle, who was nudged out of his second base job by Sophomore Stan Nirider, has shown that he's capable of fielding at short stop. That frees Primeau for pitching duty.

Northville banged out only seven hits — one of the lowest outputs this season — against Clarenceville, but six of those hits came in the first two innings when the Mustangs scored all four of their runs.

Rightfielder Chris Holman provided the key blow in the opening inning when he unloaded a bases loaded double down the left field line to score the first two Northville runs. Centerfielder Pat Hall, Primeau and Catcher Doug Swiss had singled ahead of Holman.

Third Baseman Doug Anglin accounted for Northville's final two runs when he laced a 350-foot home run over the left field fence with Leftfielder Joe Donner, who had singled, on board.

Clarenceville collected only one hit off the slants of Pitchers Jeff Taylor and Skelly, but it was Mark Dievendorf's popple that scored men from first and second. They had reached base by via an error and a walk in the third inning.

The going was rougher against Holly Friday, but Northville came from behind for a 5-4 victory in nine innings.

Primeau, who came on in relief and was credited with the win, lined a double to left center to score Hall from first base to end the extra-inning hit.

Holly, which didn't threaten after the third inning, scored all its runs in the first and third innings.

Northville got two runs back in its half of the first. Swiss lined a home run over the left field fence with Hall on base. And Northville knotted the score at 3-3 in the second when Donner crossed the plate on a wild pitch.

In the third, Holly's Mike Carnes

hit a home run over the 320-foot marker in left centerfield to once again put Holly ahead by one. Randy Pohlman's grounder to second scored the tying run from third in the fifth inning and sent the game into extra innings.

"A little revenge motive" paced Northville to the 15-0 win over West Bloomfield Saturday.

Northville scored three runs in the second frame, two in the fourth, three in the fifth, five in the sixth and two in the seventh to even the score with the

Lakers, who previously beat Northville.

In the onslaught, Donner had three for four, including a double for three RBI's; Primeau had three for five, including two doubles; Pohlman had two for five, including two doubles, two runs and three RBI's.

Anglin had one for three, including a two-run homer and three RBI's; Skelly had two for two and one RBI; Biddle had one for one and scored twice, and Hall, Holman and Nirider had one hit apiece.

Skelly and Primeau combined to hold West Bloomfield to two hits.

Northville's victory over Brighton Monday was a humdrum affair in which the Mustangs capitalized on four errors.

Skelly, who worked the first five innings, was credited with his fourth win this season against only one loss. Primeau hurled the last two innings.

The big blow for Northville was Primeau's solo home run.

**Trackmen Lose, but Sparkle; Harrison Sets School Mark**

The Northville trackmen narrowed the gap against Clarenceville in their return engagement last Thursday, but the result was the same. Clarenceville won, 67-51.

Amid the ballhoo of shaving 14 points off the previous margin of defeat, Northville had a record shattering performance.

Junior Bill Harrison ran the 880 yard run in 2:01, nipping by one-tenth of a second the school mark of 2:01.1, set in 1962 by Don Biery.

"We primarily improved in the field events," Coach Ralph Redmond pointed out.

Jim Peterson took first place in the high jump with a leap of 5'8", and Ron Gjoetznor won first place in the pole vault. He went over the bar at 11'6".

Both times, Clarenceville's Jim Amick was the victim. His mark was 5'6" in the high jump and 11'6" in the pole vault. Gjoetznor won the latter event by attaining the same height in less time.

Northville also picked up a first in the two-mile run when Clarenceville's durable Rick Adams was sidelined. John Pauli won the event in a time of 10:56. Second was Northville's Dale North in 11:10.

Grabbing off the only other Northville first was the mile relay team of Harrison, George D'Haene, Greg Marshall and Greg Carr. Their time was 3:44.4. Clarenceville's was 3:46.5.

Gjoetznor once again won the most individual honors for Northville. Besides carting off the pole vault, he placed second in the low hurdles in the time of :20.8 and in the high hurdles in :16.5.

In each event, Tom Harborne beat him out. Harborne was clocked in :20.4 and :15.5, respectively.

Other second place winners were Bill McDermaid in the shot put with a heave of 42' 1/4". Freshman Richard Lamp in the mile (5:00) and Jack Crawford in the 220 (:23.2).

Finishing third for the Mustangs were Crawford in the long jump (18'4") and 100-yard dash (:10.6). D'Haene in the 440 (:55.3), Dale Price in the shot put (40' 1 1/4"), Mike Ratliff in the pole vault (11'), Chris Kline in the mile (5:05), Peterson in the high hurdles (:16.9) and Phil Kennedy in the 880 yard run (2:17).

In stiff competition Saturday at the

Oxford Relays, Northville copped two fifth-place finishes. Howell won the team championship.

Gjoetznor vaulted 11'6" and ran the low hurdles in :20.4. Winning marks were 13'3" and :19.8, respectively.

FIRST BALL—Mayor Wesley McAtee officially opened the season Monday for the Wixom team entered in the Walled Lake Industrial league by arching the ball (in flight) across the plate. Wixom went on to defeat Liberty Tool of Walled Lake, 4-3. The big blow was Don Gainer's home run with one man aboard.

**Coach to Gamble In Golf Tourney**

Even golf's a gamble. Especially when you're in the predicament that Northville Coach AJ Jones finds himself in.

Northville will enter the Michigan State golf regionals Friday on the Glen Oak course at Farmington, then the Mustangs will take the trip to Pontiac golf course Monday for the Pontiac Press tournament.

From his roster of high school golfers, Jones must chose the top four, or, more appropriately, the four who will shoot the best on a given day to give Northville a fighting chance in the tournaments.

That's a big order. For one thing, only the top three teams in the regionals will qualify for the state golf tournament and there are over 20 class B entries. In the Pontiac tourney, there's no distinction made between the 25 class A and B teams entered.

For another thing, Northville hasn't been entirely consistent this year. "There always seems to be one erratic player," Jones said. "Now, if I can pick the right four on the right day, we stand a chance."

It's not impossible, not the way Northville has been shooting of late. The Mustangs knocked off two consecutive opponents to run their season record to 4-5-1.

Northville opened Milford, 169-173, Friday at Duck Lake golf course at Milford, the second time this year the local linksters have done that.

Who led the Northville swingers? None other than Senior Mike Hlohenic, who has been having his troubles this year. He shot a blistering 39.

Furthermore, his teammates weren't far behind. Senior Keith Mueller fired a 42, and Junior Jerry Asher and Sophomore Tom Fagan carded 44's.

Livonia Franklin, another team Northville had beaten previously, was Northville's victim Monday at Meadowbrook Country club by a 179-181 margin.

This time it was Mueller who led the local golfers with a 42. Hlohenic shot a 44, Sophomore Billie Thomas a 46 and Sophomore George Neischa a 47.

**Imsland Slips At Kentucky**

"Not bad, not good." That's the way Jerry Imsland, former Northville high school pass catching ace, summed up his performance this spring on the University of Kentucky football field.

Imsland was forced to play second string to fellow sophomore, Phil Thompson, a high school all-American. They're competing for the starting split end spot on the Wildcat varsity.

"I just didn't have a real good spring," the son of Mr. and Mrs. Vern Imsland said. "I'm disappointed. But I'll be all right," he added. "I'll have to work on my speed."

Spring training was climaxed by the annual Blue-White game, attended by Jerry's parents.

**Kraus Writes Short Article**

"Nathanael West: A Further Bibliographical Note" is the title of an article by W. Keith Kraus, assistant professor of English at Shippensburg State college, that appeared in The Serif, the Kent State University Library Quarterly in March of 1967.

Kraus' article is a short appendage of a longer article by William White, professor of journalism at Wayne State university. Due to be published next year (in American Notes & Queries) is an article by Kraus on Nathanael West.

Kraus, a former Northville teacher-coach, is presently on leave of absence from Shippensburg State college to pursue his doctorate in literature at Southern Illinois university.

Franklin turned in the lowest pinehole scores — two 41's — but then scores shot up to 48 and higher.

**Loss of Player Dims Chances Of Tennis Team**

Northville suffered another blow to its hopes of repeating as Wayne-Oakland Conference tennis champions.

Number two singles man, Dane Alexander, quit the team last week. He offered no explanation, Coach Dick Norton said.

Earlier this year, Dane's brother, Mark, who was playing as the number two singles man at the time, was dropped from the team for disciplinary reasons. Dane had moved into the spot formerly held by his brother.

Despite the departure of the Alexander boys, Coach Norton isn't abandoning hopes of gaining a second consecutive league title. But he admits that much depends on the draw, held Tuesday, for Friday's league tournament at Bloomfield Hills.

"If we get some breaks," he said, "we might win."

Barring a dismal tournament show, Northville will be first, second or third in the league. The reason is the fact that points are awarded for league standings and the tournament.

Already, Northville has garnered nine points for finishing second in dual meets. Undefeated Clarkston was awarded 10 points for first place.

In tournament play, 10 points are awarded for first place, eight for second, six for third, five for fourth, four for fifth, etc.

Norton has his lineup set. Jim Long, the defending W-O singles champ, will get top billing. Back of him in the singles will be Bruce Griesiewicz and Chuck Skene.

Northville's once-beaten doubles team of Ken Boerger and Randy Burnett will take on the league's best tandems, Bruce Durham - Jon Eberhart and Mark Gazlay - Mark Sheffer are the other two doubles entries.

In a match Friday, Northville edged Holly, 3-2, minus the services of Dane Alexander.

Long won easily, 6-2, 6-3; Burnett, playing second singles, lost 4-6, 6-8; Boerger breezed to a 6-3, 6-1 victory; Durham-Eberhart won, 6-1, 6-0, and Griesiewicz-Skene lost, 1-6, 6-1, 1-6.

**DOG-GONE-IT** that hurts, this little pooch seems to be telling Dr. Tom Heslip during Saturday's dog vaccination clinic at the Northville fire hall. Holding her dog, Christie, is Lisa Willis of 310 West Dunlap. Officials report the

clinic was a "big success". Approximately 120 city and township dog licenses were issued, and Dr. Heslip gave so many shots early in the morning he ran out of vaccine and had to "run out for more".

## Teeter Totters In Marathon Bid

Attempts to gain favorable publicity for Northville teen-agers by setting a state high school teeter-totter record came to a jarring halt early Saturday morning.

Beer drinking, boisterous youths began vandalizing the A&W Root beer stand by breaking lights and toppling a sign over the root beer stand, cutting the marathon short after 37 consecutive hours.

The shift that was to continue the teeter-totter wisely went back home, Sue Bosak, a senior and one of the marathon organizers, said. "There were beer bottles all over," she said, "a few lights were broken and the sign on top of the root beer stand was thrown over nearby railroad tracks.

Northville high school seniors and juniors who participated in the marathon were on the scene early, however, to clean up the mess and put the sign back up, Miss Bosak said.

Blamed for the uprising were school drop-outs and youths from other communities. Reportedly, no arrests were made.

The Northville youths set as their goal 89 hours of consecutive teeter-tottering, a state record. The marathon began at 3 p.m. Thursday and was to have continued through the weekend.

"We wanted to gain some favorable publicity for Northville kids," Miss Bosak said, "but it didn't turn out right."

## 59'er Family Rebuilds Cabin

"It was heartbreaking for them, but you can be sure it won't stop them."

That's the word of Mrs. Herman Holbrook, mother of Jerri Wills, husband and father of five children, who were left homeless early last month when a flash fire destroyed their Alaskan cabin.

According to Mrs. Holbrook, neighbors and friends of the Wills, who migrated to Alaska in 1959 from Northville, loaned them a trailer and a converted bus in which to live while rebuilding their home. Work on the new house is already well underway, she said.

Ironically, it was in a house trailer that the Wills lived when they first moved to Alaska to homestead on virgin land in the Kenai Peninsula.

"They had just finished building a new addition to their home," Jerri's mother explained, "when a fire that started near the fireplace burned everything — the house and all of its contents. They didn't have insurance.

"They were able to save only some of their personal papers. But, fortunately, no one was hurt.

"The thing that really hurts Marge (Mrs. Wills) was the loss of her new sewing machine, which replaced a treadle one that she had been using so long. With five children, sewing was an important part of her life. When Jerri bought her the new one she was thrilled to death. Now it's gone.

The cabin that burned, Mrs. Holbrook explained, was considerably larger and better furnished than the original little log structure the couple built. "It had been enlarged and was beautifully finished, containing most of the modern conveniences people enjoy here. Their nearly 150-acre homestead, which includes a large lake, was considered one of the most beautiful spots in the Kenai Peninsula by travelers who visited them."

Besides becoming a commercial salmon fisherman operating his own boat, Jerri is also a licensed hunting guide who advertises regularly in outdoor magazines. He and his wife had a room full of hunting trophies that also were destroyed in the fire.

Recently, he had been working on an oil barge in Cook's Inlet. Like many other Alaskans, Jerri learned to fly and now owns an airplane that he uses in connection with his guide business.

Area residents will recall that the Wills family included three young children when they "gambled" on a new life for themselves in Alaska by giving up their home, work and friends here eight years ago. Today, there are five children — four girls and one boy — ranging in age from 12 to 3.

The Wills have made one trip back to Michigan since moving to Alaska. Mr. and Mrs. Holbrook, who have never visited their children's Alaskan home, will travel to Alaska soon upon retirement of Mr. Holbrook. The Holbrooks live in Livonia.

The Wills address is: Reflection Lake Ranch, Route 2, Kaslof, Alaska 99610.

## E. V. Ellison to Head County School Group

E. V. Ellison, assistant superintendent for business administration for the Crestwood school district, recently was elected president of The Wayne County School Business Officers organization for the 1967-68 school year. Ellison had previously served as a member of the board of directors as secretary-treasurer, and vice-president and program chairman during the year 1966-67.

The organization represents the 43 public school districts of Wayne county. Its functions are to promote better business practices among the school districts and it is vitally concerned

with school income and tax and legislative programs affecting public schools in Wayne county. Meetings are held regularly each month.

This organization is affiliated with the Michigan School Business Officials organization whose annual meeting was recently held in Grand Rapids, State membership is approximately 450 members.

Other officers elected are Gerald Steube, assistant superintendent at Dearborn District No. 7, vice-president and Mr. James Renkiewicz, assistant superintendent at Hamtramck, secretary-treasurer.

## Municipal Court

Five youths involved in the same incident of having liquor in their possession were arraigned in Northville justice court recently.

Lee Fillenworth, 17, of Farmington was fined \$38.50 on the charge which originated from violations on South Main street at Beal street.

Four other youths with Fillenworth were fined \$27.50. They were Rick W. Masten and Donald R. Mead, 17, and Hubert Gluski and Francis J. McGuire, 18, all of Detroit.

Lloyd Jones, 20, of Farmington was also fined \$27.50 for having liquor in his possession on Seven Mile road at River street.

Teddy L. Garrette, 22, of 111 South Wing street was ordered by Judge Charles McDonald to pay a fine of \$50 and to serve two days in jail. He pleaded guilty to driving when his license was revoked.

Sarah Q. Jones, 35, of Detroit was fined \$27.50 for the possession of alcoholic beverages on Maybury sanatorium property.

James C. Alderman, 19, of Plymouth was found guilty of careless driving at the Clark service station on South Main street. He was fined \$35.

Douglas G. Guido, 17, of 20390 Westview drive was assessed a \$20 fine and \$5 costs for speeding 70 miles

per hour in a 50 zone on Eight Mile road.

A 19 year-old Northville youth was sentenced to 15 days in jail in Northville Municipal court. He was found revoked.

James G. Schmitz, 18745 Ridge road, was cited while driving on Grace street at Baseline road.

Leland B. Parks, 48, of 19303 Fry road pleaded guilty to the added charge of reckless driving. He was assessed an \$80 fine and \$10 costs.

Four persons were arraigned for speeding.

Gloria R. Clark, 30, of 235 High street paid a \$20 fine and \$10 costs for speeding 45 miles per hour in a 25 zone on North Center street from Eight Mile road to Randolph street.

Gordon H. Kolehmain, 37, of Livonia was, likewise fined \$20 and \$10 costs. He was ticketed for speeding 45 miles per hour in a 25 zone, also on North Center street.

George E. DeSloover, 24, of Farmington paid a \$20 fine and \$10 costs for speeding 65 in a 45 zone on Sheldon road.

Bruce Nolte, 17, of 46050 Neeson street was fined \$10 for speeding 35 in a 25-mile per-hour school zone on West Cady street.

## Justice Court

Two Farmington men were fined \$50 apiece last week in Novi Justice court for violation of the dumping ordinance.

Mason Crouse, Jr., 33, and John B. Nelson, 23, were cited for dumping rubbish behind 136 Wainwright street. A citizen reported the infraction.

For speeding 70 miles per hour in a 50 zone, Cheryl K. Larabee, 18, of Brighton was fined \$40. She was ticketed on Novi road near 10 Mile road.

George T. Buckingham, 38, of Farmington paid a fine of \$20 and \$5

costs for speeding 70 in a 50 zone on 10 Mile road between Haggerty and Novi roads.

Richard E. Cutler, 26, of Ann Arbor pleaded guilty to consuming on Grand River avenue at Beck road and paid a fine of \$20.

Gary A. Woodward, 22, of 25600 Seeley road, was cited for trespassing on the Holcomb property on the west side of Seeley road. Woodward was fined \$20.

## Police Cases

### Mount in Novi

The Novi police department handled a record number of 370 cases during the month of April, the April police report revealed. Previous high for the month was 291, set in 1965.

As investigation time spiraled, traffic tickets issued dropped to 138, 53 less than the same month last year and 142 less than in April 1965.

Forty-six traffic tickets were for defective vehicles.

Fines levied by Novi justices amounted to \$2,155 well below April of the previous year of \$2,500 and the record April of 1963, when \$3,248 was collected by the court.

Police Chief Lee BeGole topped the department in hours worked with 242 for April.

Others were Detective Sergeant Richard Faulkner (228), Officer Warren Thrushman (202), Officer George Biggs (200), Officer Ronald Hoskins (197), Officer Robert Starnes (172), Officer Dale Gross (168), Corporal Gordon Nelson (163), and Officer Ronald Arbour (83).

The Novi Detective Bureau, organized April 1, released its first report this week which revealed 48 complaints investigated and 20 arrests.

Compiled by Detective Sergeant Richard Faulkner, the report breakdown shows there were six breaking and enterings investigated, two stolen car cases, two weapons, one assault and battery, one liquor law violation, two disorderly persons, 10 miscellaneous crimes, four traffic and safety, one fire and 13 general cases.

## Meadowbrook

### Theft Reported

Theft of \$91.55 from a cabinet in the office of the Meadowbrook Country Club was reported to State Police recently.

Club officials reported someone broke into the building late Wednesday night or early Thursday morning, pried a hasp from the cabinet and took the money. Nothing else was disturbed.

It was the second break-in within eight months.

Entry was gained by breaking a hole in a window and reaching through to unlock it. State police theorize that two young persons were involved on the basis of footprints found at the scene and the size of the hole in the window.

In commenting on the theft, a club spokesman said it is the policy of the club to keep only a small amount of change in the building since most transactions are done by checks.

## Joel Deisley Eyes Military School

Joel Andrew Deisley, son of Mr. Robert E. Deisley, 47133 West Nine Mile road, Northville will attend the summer session at Castle Heights Military Academy.

The 8-week session, combining academic and sports activities, will commence its 25th annual summer program on June 19.

## from the PASTOR'S STUDY

Pastor Norman A. Riedesel  
First United Presbyterian Church, South Lyon

Even You  
Do you want to be happy? Would you like always to have a deep feeling of well being and contentment? Do you wish to live a life which will be truly useful to humanity? Would you like to have a life which will continue when life on this earth is finished? You will have all of these things if you give your heart to Jesus Christ!

A follower of Christ does not necessarily have an easy life. Sometimes his life may even be more difficult than the lives of others. But he is given the qualities of character which enable him to meet, whatever may come, satisfactorily. He is given peace of mind in the midst of sorrow and tragedy. Paul described it well when he said, "As sorrowful, yet always rejoicing; as poor, yet making many rich; as having nothing, and yet possessing everything!" (2 Cor. 6:10).

This has been the experience of thousands of people, many living in ages past, many living today. It can be your experience. Again and again people whose lives have been empty, frustrated, superficial, and sinful, have made Christ Lord of their lives, and suddenly their lives have been transformed. They have become new people in Christ Jesus. (2 Cor. 5:17).

Christian people participate in private and public worship faithfully. This is important, but it is not the most important. The most important thing in Christian living is to believe in and follow Jesus Christ.

Until he was 29 years old, John Newton had lived a sinful, dissipated life. Part of the time he ran a slave ship. One day he gave his heart to Christ and everything was changed. He became a great minister and one of our

great hymn writers. We use many of his hymns to this day. Among them are, "Safely Through Another Week", "How Sweet the Name of Jesus Sounds", and "Glorious Things of Thee Are Spoken." One of his hymns tells the story of his life. "Amazing grace - how sweet the sound -

That saved a wretch like me!  
I once was lost, but now am found,  
Was blind, but now I see!"  
Mr. Newton continued preaching until after his 80th year. Part of the epitaph on his tomb stone, composed by himself, also tells his story:  
"John Newton, Clerk,  
Once an infidel and libertine,  
A servant of slaves in Africa:  
Was by the rich mercy of our Lord  
and Saviour, Jesus Christ,  
Preserved, restored, pardoned,  
And appointed to preach the faith  
He had labored long to destroy...."

There are many people in the world today who have had a similar experience. After having lived careless, sinful, purposeless, ungodly lives, they give their hearts to Christ, and an exciting, marvelous, redemptive change takes place.

If you wish to join this happy throng, you may do so right now. This moment make Christ Lord of your life. Let this be your prayer: "Lord Jesus, I am a lost sinner. I cannot save myself. Beginning now I am trusting Thee to save me. I believe in Thee and with Thy help I will follow Thee. I will put Thee first in my life. Help me increasingly to live a righteous life. Let me experience the joy and contentment which real Christians have. I thank Thee that Thou hast answered my prayer. Amen."

## Methodists Emphasize Family-Church Relations

The First Methodist Church of Northville, by action of its Official Board, has set aside the month of May to deal with the importance of the American Family and its relationship to the church and the church to the family.

Aware of the threats to the security of family life, as it has always been known in the nation, and the breakdown of moral standards, the church is asking itself, "What is our responsibility to correct the problem?"

In the sermon theme for May 7, the Rev. S. D. Kinde, pastor, spoke on "Christian Marriage and a Christian Home." The text was Mark 10:7-9. "For this reason (marriage) shall a man leave his father and mother, and be one with his wife; and the two shall become one flesh. It follows they are no longer two individuals; they are one flesh. What God has joined together, man must not separate." These words were spoken by Jesus in answer to the question, "Is it lawful for a man to divorce his wife?"

"Jesus lifted the whole issue of marriage to a high spiritual plane and dealt with great religious principles. He laid profound emphasis on the permanence and sanctity of marriage," Rev.

Kinde said. "To keep the sanctity of marriage we must bring a religious faith into our homes. We can not leave God out of our lives and completely fulfill our responsibility to the family."

The church is planning a family night potluck supper for Sunday, May 21 6:30-8:00 in the parish hall. The Rev. and Mrs. Robert Garrett will address the adults and youth. They were official delegates to the National Home and Family Life conference held recently in Chicago. A film-strip will be shown the younger children.

May 14 featured a Mother's Day service while the 21st will be Confirmation Sunday featuring the young people.

The final event will be Sunday, June 4 when a joint service with St. Matthew's church (a merged Methodist-E.U.B. church) located on Six Mile at Merriman road in Livonia will be held from 3-4. The Rev. John Grenfell of the St. Matthew's Church will speak on "The Church in Family Life." "It is hoped that all of the members of the Northville parish will attend and avail themselves of an opportunity to inspect the new and excellent facilities of this new church," Rev. Kinde said.

**THE CHURCH FOR ALL**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Today even kindergarten children study current events — they learn about faraway places and people. When they reach Martha's grade, children are extremely knowing about what's going on in other parts of the world.

They soon discover that children in some countries have few clothing and toys — and even more important, food. Being human, our young Americans want to help.

And they can! They can help clothe and feed the needy. In church, they will develop their natural generous impulses and will learn to grasp the values of selflessness and love.

Children need special preparation for life in our jet world. This means being in tune with the new, but it also means reaffirming the old.

Children need to be taught the basic truths of life, the real values, so that in chaotic moments they will still be able to keep their feet planted firmly on the path of faith. Martha is getting the kind of preparation she needs. Is your child equally lucky?

## The world's most beautiful sprinter says...

When are we going to get an extension phone?

And that's a fair question when you consider that she's doing a lot of running, and doesn't have one medal to show for it.

For as little as 95-cents a month she can have an extension phone where she needs it.

Different type phones and various decorator colors are available. So, call in your order to Michigan Bell and surprise her now.

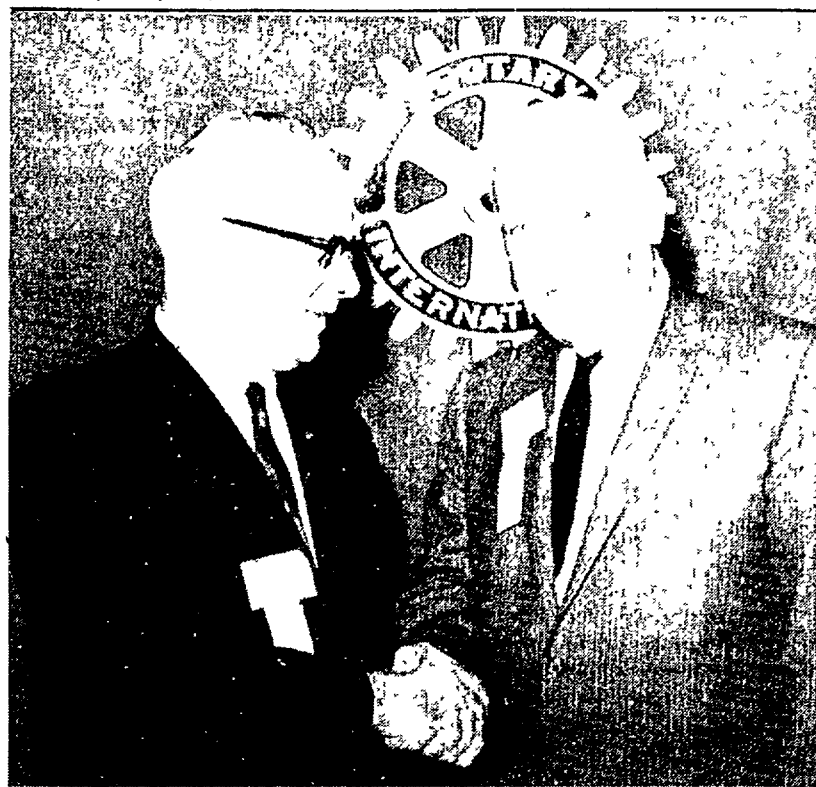

Then, you could get the medal.

RUSSELL AMERMAN—Governor-elect of district 640 (left) exchanges greetings with Rotary International president, Luther H. Hodges.

## Amerman Meets New Rotary Chief

Luther H. Hodges, who becomes president of Rotary International on July 1, greeted and briefed his world team of officers at Lake Placid, New York on May 6.

Among the officers present was Russell Amerman of Northville, who becomes governor of Rotary District 640 on July 1. He will be supervising 44 clubs which compose the district and will act as their link to Rotary International.

Rotary's International Assembly, a meeting held annually for 18 years at Lake Placid in upper New York State, is an orientation program for the new Rotary officers. District Governor Amerman is one of some 800 Rotarians and their wives who attended this year's assembly.

Born on a farm in Virginia, Ro-

tary President Hodges was graduated from the University of North Carolina in Chapel Hill. For many years he was a vice president of Marshall Field & Company and general manager of Fieldcrest Mills.

Following his retirement from Marshall Field & Company in 1950 after 31 years service, he was appointed chief of the industry division of the U.S. Economic Cooperation Administration in Western Germany. He was elected governor of North Carolina, 1954-1961. He served as U. S. Secretary of Commerce under Presidents Kennedy and Johnson.

Rotary International is a service organization of more than 600,000 leading business and professional men in 134 countries. Rotary has clubs in both Northville and Novi.

## Brokerage Firms Merge; Now Boast Eight Offices

Manley, Bennett, McDonald & Co. has announced that all partners of Andrew C. Reid & Co., with the exception of Mr. Reid, who will continue

in a specialized field of investment business, have now become associated with them. Most of the sales and office personnel of the long-time Detroit stock brokerage firm have also joined MBM&Co.

The combined Detroit operation will occupy Manley Bennett McDonald headquarters on the 11th floor of the Buhl building.

The Reid branches at Port Huron and Plymouth, which were also acquired, will be continued without change of personnel in their present locations. The firm's other branches are at Bloomfield Hills, Northland, Lansing, Grand Rapids and Flint.

"In making this change we have given long and careful consideration to the needs of our customers and the assurance of a continuity of efficient service in your behalf. Our expanded services now include memberships in the New York, American & Detroit stock exchanges with direct wire connections to all important listed and unlisted markets, an excellent corporate and municipal bond department, and a large research department," stated Roy W. Neil, senior partner of Reid & Co.

The combined operation of Manley, Bennett, McDonald & Co. will now include 130 persons, 65 of whom are salesmen in eight Detroit and Michigan offices.

NEW PRESIDENT—Donald Brown of Wayne, a counselor at Northville high school, was elected president of the Northville Optimist Club. Other new officers are John Mach, first vice-president; Robert Coolman, second vice-president; and Donald Severance, secretary-treasurer. They will be installed June 7.

# Realtors: 'Time is Right to Buy Home'

"The Time is Right to Buy a Home" is the theme of the 1967 Realtor Week celebration by the 1,700 members of the United Northwestern Realty Association—Western Wayne-Oakland County Board of Realtors.

Beginning Sunday, May 21, Realtor Week will continue through Saturday, May 27. "The purpose for Realtor Week is to direct public attention to the calling and special character of the services rendered by a Realtor," Board President Richard S. Elsea said.

"A Realtor is not just a real estate man." "He is a professional in real estate who subscribes to a strict code of ethics as a member of the local board and of the National Association of Real Estate Boards."

The Realtor group president explained that the code of ethics was one of the first adopted in the history of American business, and under its 30 articles covers all aspects of a real estate transaction, whereby the Realtor pledges fair treatment and the full scope of his real estate knowledge to both contracting parties—buyer and seller.

"The slogan this year underscores the resourcefulness of Realtors throughout the nation. For the prospective buyer who is experiencing a little difficulty in securing financing for property, the Realtor can suggest new money sources. For the family seeking more space for growth, the Realtor can find just the home which will fill their needs, both as to size and cost.

"Two-thirds of American families own their homes," Elsea declared, "a proportion virtually unrivaled anywhere in the world. The advantages of home ownership, in convenience, in security, and as an investment, are boundless."

REALTOR WEEK PROCLAMATION—Northville Township Supervisor Robyn D. Merriam and Northville Mayor A. Malcolm Allen are shown as they sign a proclamation declaring May 21-27 as Realtor Week for members of the Western Wayne-Oakland County Board of Realtors. A similar proclamation was signed in Novi by Village Manager Harold Ackley. Seated at the far left is Richard S. Elsea, WWOBCR president and at the far

right is James Cutler, Northville Realtor. Viewing the ceremony behind are, left to right: Edward J. Dub, WWOBCR secretary; Lee M. Eaton, Northville Realtor;

Frank Mobarak, Novi Realtor; Charles Allen, Jr., WWOBCR treasurer; George L. Clark, Northville Realtor and William Y. Mathers, WWOBCR vice president.

## HOW MUCH LUXURY IS ECONOMICAL?

In our changing times, more than you think. At any rate, more than company fleet managers used to think after figuring the whole thing out on their computers.

The stripped-down company austerly model with 6 cylinders and no "pizazz" is gradually being replaced with middle and top-line V-8 models. How come? For economical reasons.

The tastes of used car buyers reflecting our wealthy economy has created a premium market for the luxury model used car. This is largely offsetting the cost to the original owner.

A survey of 82 companies buying and leasing fleets of cars, shows better than half are replacing the typical company "tin can" with higher priced models. Automatic transmissions are standard and power optional commonplace.

The fleet managers said that bigger V-8 motors enabled them to keep cars on the road longer with less maintenance.

There is a lesson in this for many private owners who purchase a 6 cylinder with economy in mind when they do a lot of highway driving. There is just no economy in gas or maintenance in driving a six cylinder car at high speeds on the highway. Decide what you want. Reminds me of the movie starlet who confronted her manager on her budding career: "Do I buy a sweater too small and become a star or one too large and become a folk singer." See you next week.

Questions & Answers

What is meant when butter is said to be a certain score?

Butter is graded predominantly according to its flavor, firmness and grain color, and seasoning (salt). Grading is on the basis of a perfect top of one hundred points. Butter with a score of ninety-four to one hundred points is obviously the best. Butter with a score of less than eighty-nine points may have some objectionable characteristics.

Chairman Planning Commission

## Inside Information

makes you a better cook!

Here's inside information of a brand new variety - a meat probe that has the "good sense" to know when your roast is perfectly cooked! How does it work? Simple! Into the center of the meat you put a thermostatic probe, one end of which is plugged into the oven wall - slide the roast into the oven and turn the indicator to the exact degree of doneness you want. No more peeking, prodding, or guessing - the meat probe gets the right "inside" information and then automatically shuts the oven off.

Automatically starts you thinking about a new gas range - doesn't it?

## Agriculture Department Rides Herd on Cheaters

LANSING — A search for cheating and error makes up some 65% of the work done by the Michigan Department of Agriculture. In its program to protect the public, MDA continually checks just about everything from alcohol content of liquors to milk from the state's dairy herds.

State inspectors work with the U.S. Department of Agriculture to reduce duplication of testing and expense for

both groups. This cooperation has resulted in outstanding protection for Michigan consumers, according to B. Dale Ball, director of MDA. It also reduces expense of operation.

Highest grade sausage in the country is available to Michigan residents. Toughest sausage laws in the U.S., possibly the world, face meat packers doing business in this state. Companies located elsewhere maintain sep-

arate kitchens for Michigan markets. Sausage can pass USDA standards and not even come close to Michigan's minimum requirements.

Only skeletal meats, no meat from organs, can be used in Michigan sausage. No artificial coloring can be used and only 4% dry milk solids are allowed as additives. Inspectors constantly send samples for laboratory analysis.

As a result of these standards,

Michigan has the highest sausage consumption per capita of any state in the Union.

Other meats must meet equally high standards. Hamburger and ground beef minimums are more exacting to most other states.

HOW DO OFFENDERS react when cited by the department?

"Most people want to abide by the law," says Ball, "and each case is

handled on its own merits." Circumstances vary, as do the reactions of those involved. The deciding factor is usually "intent or severity of the violation."

If the MDA feels an offender has accidentally erred or if the offense is caused by mechanical failure, the owner is simply warned and told to correct the oversight.

If he persists after the warning, the MDA, working through the county prosecutor, will press charges. On rare occasions, the department works through the state Attorney General's office.

word got out, we had some fryer shippers flying in from the south," he said. The retailer was reimbursed his losses.

LATEST SCHEME currently under investigation involves gas stations which "rig" gas pumps to allow attendants to activate the mechanism without clearing the dollars.

Wells points out that the situation can be especially "ripe" for the customer who asks for a fill-up when a pump shows a \$1.00 sale. Most people don't keep close track of the pumps, he stated, and are charged an extra dollar.

For those consumers who do run into situations which smack of fraud, Ball suggests a letter or post card to the Michigan Department of Agriculture, Lewis Cass Building, Lansing 48913. "Just briefly list your suspicion and the establishment's name and address," he says. "We'll take it from there."

## Waste: By-product of Foreign Aid

BABSON PARK, Mass.—The American people, through their federal government, have spent \$123.4 billion for foreign aid during the last 20 years, or 37% of our present public debt. There is no doubt whatever regarding the quantity and wide dispersal of this aid, but there is at least room for doubt as to its effectiveness.

Not realizing how very many of his dollars go abroad, the American taxpayer is not overly concerned. And if he were inclined to protest he would only be bewildered because there really is no foreign aid program as such... but a vast array of programs of varying scope and objective, a number of which

seem to be at cross-purposes with others.

Broadly speaking, most foreign aid programs are "worthy" at least in their intent, but it is almost impossible to tell which have been motivated by our desire to fulfill moral obligations and which by our desire to gain trade, allies, or influence. Being unclear even to ourselves, our objectives are no less a mystery and cause for concern in many parts of the world where we are spreading largess so bountifully.

FACT IS that much of our foreign aid has been a sheer waste of money, goods, and effort — sometimes because

of poor planning and follow-through, often because of failure to assess local conditions and customs properly. Even that aid which has been well and prudently allocated has not always brought us closer to desired goals. It is appalling that nearly one-third of what we have spent to help other nations has gone to finance foreign armies and military establishments. This in turn has hardened already hostile attitudes between neighboring countries and has encouraged them to spend their own limited resources in war or defense to the neglect of cultural and economic betterment. We might well ask ourselves if we are spending taxpayers' money

wisely — or supporting the cause of peace — by helping to pay for the armies of Greece and Turkey, of Saudi Arabia and Egypt, of India and Pakistan.

Unfortunately also, we have placed too much stress on industrialization of the developing countries and not nearly enough on food production. Our aid to India is a classic example: After some 20 years of such aid at tremendous cost to American taxpayers, the Indian economy is worse off than before and has achieved no more than token betterment in farm output.

OF COURSE, in India we are dealing with a culture that ranks a human being lower than a cow. In our own country, foreign aid has become a sort of sacred cow, too. Efforts to hold the line, much less cut back, on these programs are loudly deplored and roundly attacked as being ignoble and stupid. We are continually being sold on the idea that we must increase our spending for foreign aid, no matter what the cost.

Yet all our vast commitments of taxpayers' money abroad have not brought us the type of success and respect attained — with little expense and fanfare — by the small Nationalist Chinese Government on Formosa as a result of the work of its agricultural demonstration teams in selected African and Latin American nations.

The Chinese teams concentrated on improving food output and on stirring the African and Latin American people to help themselves. Then they withdrew. The results were impressive, in some instances spectacular.

NATIONALIST Chinese foreign aid does not patronize, cripple, or paralyze; the recipients learn for themselves to rely on their own resources. There is a real lesson here for U.S. foreign aid planners... and for American taxpayers as well. Will we heed it, — or will we go right on confusing quantity with quality?

Members Absent: Mr. Robert Froelich

Visitors Present: (2)

QUORUM PRESENT

The President declared that a Quorum of the Board was present and directed the Board to proceed with the order of business established by the call.

RESOLUTION/ELECTION

Motion No. 551, by member Lyon, supported by member Martin that the following resolution be adopted:

WHEREAS: 1. The School Code of 1955, as amended, provides for the holding of the annual school election on the second Monday of June each year, and

WHEREAS: 2. This district is a fourth class school district and for elections is governed by the provisions of Chapter 8, Part II of the School Code of 1955, and this district uses duplicate registration records as provided by section 535 of the School Code of 1955, and

WHEREAS: 3. This board has formed the district into one (1) voting precinct;

THEREFORE BE IT RESOLVED THAT:

1. The annual school election of the qualified electors of the district be called and held in the Gymnasium of the Northville Junior High School Building, in the City of Northville, Michigan, on Monday, June 12, 1967; the polls of election to open from 7:00 o'clock, a.m., until 8:00 o'clock, p.m. eastern standard time.

2. The secretary is directed to post notices of the last day of registration in not less than three (3) public places in the district on or before Thursday, May 4, 1967, and the secretary is further directed to cause such notice of the last day of registration to be published in the Northville Record, a weekly newspaper published in the district, there being no daily newspaper published therein, at least once before Monday, May 15, 1967.

The secretary is authorized to both post and publish such notice. The board hereby determines that either posting or publication shall be deemed in compliance with the statute and sufficient notice for the validity of the election.

3. The notice of the last day of registration for said annual election to be held on Monday, June 12, 1967, shall be substantially as follows:

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN.

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Annual Election of said School District will be held on Monday, June 12, 1967.

Section 532 of the School Code of 1955 provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides . . ."

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS, IN ORDER TO BE ELIGIBLE TO VOTE AT SAID ANNUAL SCHOOL ELECTION CALLED TO BE HELD ON MONDAY, JUNE 12, 1967, IS MONDAY, MAY 15, 1967. PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M., EASTERN STANDARD TIME, ON THE SAID MONDAY, MAY 15, 1967, ARE NOT ELIGIBLE TO VOTE AT SAID ANNUAL SCHOOL ELECTION.

Under the provisions of the School Code of 1955, registrations will not be taken by school officials and only persons who have registered as general electors with the city or township clerk of the city or township in which the clerk's offices are open for registration.

This Notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

Secretary, Board of Education

4. This board shall adopt a resolution at a regular or special meeting, with respect to the matters to be submitted to a vote of the electors at the annual election to be held on Monday, June 12, 1967.

5. All resolutions and parts of resolution at a regular or special meeting in so far as they conflict with the provisions of this resolution be and the same are hereby rescinded.

Ayes: Members Wilfred Becker, Stanley Johnston, Eugene Cook, Richard Martin, Richard Lyon, James Kipfer Nays: Members None. Motion declared adopted.

Visitors Present: (9) See Register

QUORUM PRESENT

The Acting President declared that a Quorum of the Board was present and directed the Board to proceed with the regular order of business.

QUESTIONS FROM THE FLOOR

Member Martin took the floor to clarify a misinterpretation, appearing in the Northville Record, in regards to new certificated personnel - this cast a cloud on the Superintendent, Assistant Superintendent and Faculty which was not the intent, it was entirely based on the basic economics of the situation.

ADOPTION OF AGENDA AND APPENDUM

Motion No. 552, by member Lyon, supported by member Kipfer, and unanimously carried that the agenda be adopted as appended.

NORTHVILLE STUDENTS/SCHOOLCRAFT

A report formerly requested by the Board, from the Superintendent on Northville students attending Schoolcraft College, on the High School graduates attending Schoolcraft was distributed to members of the Board.

NORTHVILLE HIGH SCHOOL COURSE OF STUDY

The superintendent distributed copies of the High School Course of Study.

CERTIFICATED PERSONNEL/RESIGNATION - LEAVE OF ABSENCE

Motion No. 553, by member Martin, supported by member Lyon, and unanimously carried that the resignation of Judith Lucas, first grade; Marilyn Huber, sixth grade; and John E. Bentley, part-time instrumental music; be accepted as recommended because they are leaving this area; and Judith O'Brien, fifth grade teacher be granted a maternity leave for the 1967-68 school year.

LABOR MEDIATION BOARD

The Superintendent reported that the Labor Mediation Board has announced that Leonard D. Bennett has been assigned as mediator for Northville.

RESOLUTION/GLEN DEIBERT

Motion No. 554, by member Kipfer, supported by member Martin, and unanimously carried that the following resolution be adopted.

WHEREAS: The Board of Education, Administrators and Faculty of the Northville Public Schools honor and recognize the outstanding achievement of Glen Deibert, senior student at the Northville High School, who distinguished himself, the Northville Public Schools and the youth of American by attaining highest honors for the State of Michigan in the National Regional American Legion Oratory and Eloquent Speaking Contest; and

WHEREAS: Glen Deibert is a distinct credit to himself in the academics, music, sports, and speech areas; and

WHEREAS: The Northville Public Schools and Community take pride in the achievement of their young people;

NOW THEREFORE BE IT RESOLVED: That we the members of the Board of Education of the School District of the Northville Public Schools, recognize the achievement of Glen Deibert, as an outstanding accomplishment worthy of emulation and express thru the Resolution our commendation.

Further, that a copy of this Resolution be made a part of the records of this Board of Education and that a copy be sent to Glen Deibert.

RESOLUTION/LOUVA WATERMAN

Motion No. 555, by member Kipfer, supported by member Martin, and unanimously carried that the following resolution be adopted.

WHEREAS: Mrs. Louva Waterman has determined it to be most desirable to retire from her teaching duties with the Northville Public Schools at the end of this school year; and,

WHEREAS: Mrs. Waterman has given twelve (12) years of her life as a teacher in our schools, making a total of twenty-six (26) years of her life to education; and,

WHEREAS: During the time of her serving as a teacher in the Northville Public Schools she is recognized for her outstanding ability to stimulate children to put forth their finest efforts in the classroom; and,

WHEREAS: Her professional endeavor involving working with fellow teachers and with parents of her pupils was at all times highly satisfactory and satisfying; and,

WHEREAS: Mrs. Waterman's decision to retire removes from our teaching staff an outstanding teacher who leaves her imprint upon the lives of many children;

NOW THEREFORE BE IT RESOLVED: That we the members of the Board of Education of the School District of the Northville Public Schools, recognize with deep appreciation and humble thanks, the service rendered by Mrs. Waterman to the youth of our community and express thru the Resolution our regrets in the loss of Mrs. Waterman's professional influence.

Further, that a copy of this Resolution be made a part of the records of this Board of Education and that a copy be sent to Mrs. Waterman.

RESOLUTION/KATHRYN GILTNER

Motion No. 556, by member Kipfer, supported by member Lyon, and unanimously carried that the following resolution be adopted.

WHEREAS: Miss Kathryn Giltner has determined it to be most desirable to retire from her teaching duties with the Northville Public Schools at the end of this school year; and,

WHEREAS: Miss Giltner has given thirty (30) years of her life as a teacher in our schools, making a total of forty-three and one-half (43-1/2) years of her life to education; and,

WHEREAS: During the time of her serving as a teacher in the Northville Public Schools she is recognized for her outstanding ability to stimulate children to put forth their finest efforts in the classroom; and,

WHEREAS: Her professional endeavor involving working with fellow teachers and with parents of her pupils was at all times highly satisfactory and satisfying; and,

WHEREAS: Miss Giltner's decision retire removes from our classroom staff an outstanding teacher who leaves her imprint upon the lives of many children;

NOW THEREFORE BE IT RESOLVED: That we the members of the Board of Education of the School District of the Northville Public Schools, recognize with deep appreciation and humble thanks, the service rendered by Miss Giltner to the youth of our community and express thru the Resolution our regrets in the loss of Miss Giltner's professional influence.

Further, that a copy of this Resolution be made a part of the records of this Board of Education and that a copy be sent to Miss Giltner.

SCHOOLMASTERS CONFERENCE

Motion No. 557, by member Kipfer, supported by member Lyon, that the Schoolmasters Conference be approved for this year. However, in the future days of this nature are to be a part of the Master Agreement. Vote: Kipfer, yea; Lyon, yea; Johnston, yea; Martin, nay. Result of vote: 3 yeas; 1 nay. Motion declared carried.

BIDS/MORAINE DRAPERY

Motion No. 558, by member Lyon supported by member Martin, and unanimously carried that the low bid, for draperies at Moraine, be awarded to Visualcraft Inc. as follows: office \$410.04; classroom \$1,210.30; stage \$271.32; for a total not to exceed \$1,891.75. The multipurpose room at no extra charge, as proposed by the vendor.

BUILDING AND SITE BUDGET ANALYSIS

Report on current analysis of budget for construction projects was distributed to Board members. Superintendent directed attention to the importance of establishing priorities in the miscellaneous project proposals.

HEARING/TAX ALLOCATION BOARD

The Superintendent reported that the Allocation Board hearing on budget for the 1967-68 school year is scheduled for 12 May at 1:30 p.m. County Clerks office. Support for the preliminary budget is important.

TITLE I/NORTHVILLE DISQUALIFIED

The Superintendent reported that

Northville School District does not qualify for Title I. Consequently the funds revert back to the government unless other schools qualify.

TUITION

Check was received and letter of appreciation from Gordon Bunn read, for James Bunn's tuition as a student in the High School.

MORAINE/PAVING-LIGHTS

Motion No. 559, by member Kipfer, supported by member Lyon, and unanimously carried approving the DeMare bid quotation for paving as described in specification sheet, for Moraine, a sum not to exceed \$11,710.00. Hill and Thomas agreed to furnish concrete paving from the overpass to the architects' paving. Discussion on street lights for the Moraine site followed with no definite decision being made.

JR. HIGH/SEWER

Discussion on the existing sewer problem at the new Junior High followed. Wayne County cooperating in determining logical or feasible way across the property vs architect re-drawing and coming down Taft Road. The problem is created by the concentration of utility services at Taft and 8 Mile intersection.

CANDIDATE/WAYNE COUNTY INTERMEDIATE SCHOOL DISTRICT

Support for Jack Raeside, a candidate, for the vacancy on the Wayne County Intermediate School District Board was urged.

WAYNE COUNTY SCHOOL BOARD CONFERENCE

Superintendent reported that the Wayne County School Board Conference is scheduled for 13 May, reservations necessary before 19 May.

MICHIGAN SCHOOL BOARD ASSOCIATION

Superintendent Nelson distributed information relative to collective bargaining from the Michigan School Board Association to the Board.

MORAINE/PUNCH LIST

Superintendent distributed punch list for the mechanical at Moraine school to the Board.

MORAINE/ANNEXATION

A reply to the request from Northville Public Schools for annexation of Moraine School property to the City of Northville, and sharing in the cost of overpass on Eight Mile Road, from Township Supervisor, Robert Merriam, was read. It indicated that the Township was waiting for a formal request from the City for the annexation before it could act on the proposition.

FISH HATCHERY

Township supervisor, Robert Merriam, informed the Board by letter that the Township of Northville was no longer interested in the purchase of the Fish Hatchery, it did endorse the proposal of the City of Northville for purchase of said property for outdoor recreation purposes.

VANDALISM/TOWNSHIP HALL

Superintendent Nelson reported two acts of vandalism at the Waterford School Building, now serving as the Township Hall.

TRANSPORTATION/OWNERSHIP vs LEASE

Mr. Lynn F. Parker, Manager, School Bus Division of McFadden Corporation presented to the board a bus lease program vs local ownership. He stated \$1490.00 annual capital outlay per bus with the following advantages: Vehicles are replaced prior to incurring increased maintenance costs; forecast of needs and budget more effectively; the efficiency in operation is increased due to less breakdowns; less loss of time and less vehicle substitution. Insurance for lease units is carried by the District. He recommended that the chassis be purchased in the Northville area for economical reasons, particularly time saving and safety being a primary factor, children are transported in newer, safer and more efficient buses.

TRANSPORTATION SECURITY

Mr. Earl Busard, Business Manager, after meeting with the Superintendent, citizens group Mr. Goodney of Wayne County Intermediate School District; and Mr. David Soule, Eastern Michigan University reported on security of transportation. Having considered several possibilities: parking buses at Eight Mile and Beck which is not sufficiently fenced; the race track which was rejected because citizens objected to the lights, it was recommended that the buses be parked at Amerman school on an angle (with their hoods closed) to the Eight Mile road fence, and furthermore he reported that steps are being taken to have additional lights installed in the Amerman parking area, plus the full support of the Northville chief of police.

HIGH SCHOOL ATHLETIC BOOSTER CLUB

Essie Nirider, representing the High School Athletic Booster Club, presented to the Board the plans and intent of the Club, e.g. field sign, dug-out, press box, etcetera. Motion No. 560, by member Lyon supported by member Martin, and unanimously carried that the School Board endorse the Athletic Boosters Club and approve construction of the dugout.

CERTIFICATED PERSONNEL

Motion No. 561, by member Lyon, supported by member Kipfer, that ratification and approval of employment for the following certificated personnel for the 1967-68 school year. Joyce Brodien, Elementary (new); Jamie Haley, Junior High (new); Phyllis Hinkel, Elementary Music (replacement); Shirley Hosier, Elementary (replacement) Karen Janchick, Elementary (new); Cecilia Rohrer, Elementary (replacement). Vote: Kipfer, yea; Lyon, yea; Johnston, yea; Martin, nay. Result of vote: 3 yeas; 1 nay. Motion declared carried.

WAYNE COUNTY INTERMEDIATE SCHOOL DISTRICT

Biennial election of members to the Wayne County Intermediate School District was next reported by the Superintendent.

FINANCIAL BUDGET POSITION OF DISTRICT

Copies of the report from the Superintendent concerning the Financial Budget Position of the Northville Public Schools was distributed to members of the Board, which stressed fiscal integrity.

STREET LIGHTING

Clarification from Detroit Edison Company regarding street lighting was distributed to Board members.

NEGOTIATIONS

Assistant Superintendent and Chief Negotiator, Raymond Spear, requested

a meeting with the Board of Education and the two bargaining units, this meeting is to provide the Northville Teachers' Association bargaining unit with an opportunity to present their concerns to the Board regarding wages, hours and working conditions for 1967-68 school year. Mr. Spear further pointed out that this is not to be considered a negotiating session but information only. Board members will not be expected to answer specific questions. Motion No. 562, by member Lyon, supported by member Martin, and unanimously carried that the Board of Education will meet with the two bargaining units in the Board Conference Room, on 4 May, 7:30 to 9:30 p.m.

ADDITIONAL TEACHER ASSIGNMENTS

Assistant Superintendent, Raymond Spear, expressed the need for additional teacher assignments. Two for the High School (to provide release time for counselors and department head) and one additional teacher at the Junior High. Motion No. 563, by member Kipfer, supported by member Martin, and unanimously carried that the request for additional teachers be tabled until such time as a budget is established.

TREASURER/PRO TEM

Motion No. 564, by member Kipfer, supported by member Lyon, and unanimously carried appointing member Richard Martin treasurer pro tem for the purpose of acknowledging and receipt of the School Bond Loan Fund check, in the amount of \$100,200.00, in the prolonged absence of the treasurer.

Volkswagen's unique construction keeps dampness out.

For years there have been rumors about floating Volkswagens. (The photographer claims this one stayed up for 42 minutes.) Why not?

The bottom of the VW is like ordinary car bottoms. A sheet of flat steel runs under the car, sealing the bottom fore and aft. That's not done to make a bad boat out of it, just a better car. The sealed bottom protects a VW from water, dirt and salt. All the nasty things on the road that eventually eat up a car.

The top part of a Volkswagen is also very seaworthy. It's practically airtight. So airtight that it's hard to close the door without rolling down the window a bit. But there's still one thing to keep in mind if you own a Volkswagen. Even if it could definitely float, it couldn't float infinitely. So drive around all the big puddles. Especially if they're big or tough. It has a name.

# Northville Township Board Official Minutes

Regular meeting, Northville township board, Tuesday, May 2, 1967. Meeting called to order at 8:00 p.m. Members present: R. D. Merriam, Supervisor, Alex M. Lawrence, Treasurer, Eleanor W. Hammond, Clerk, Trustees: Thomas Armstrong, Bernard Baldwin, Gunnar Stromberg, James Tellam, Attorney, John Ashton; Engineer, L. W. Mosher; Northville Record, Jack Hoffman; also 10 visitors from the township.

Minutes of the April 4, 1967 meeting were approved as submitted.

Treasurer's report was presented and approved as submitted.

Office Receipts, Water & Sewer Receipts, and Bills payable were reviewed. Tellam moved to pay all current township bills. Baldwin seconded. Ayes: All. Motion carried.

The Building Inspector's report was accepted as given by Mr. Lynch. The Planning Commission minutes for April 14 & 25, 1967, and the Appeal Board minutes for April 12 & 24, 1967 were reviewed.

Correspondence:  
A letter from W. Tyler was read, regarding the Committee of 100.

A letter from the County Road Commission announced a public hearing on May 9, 1967 about the paving of Bradner road. Notice of this hearing is to be published in the two local papers, also.

A letter from the County Road Commission requested the board to sign a Pledge of Faith and Credit for the Bradner road paving. After discussion, Stromberg moved, seconded by Tellam, that the matter be tabled until the next meeting. Ayes: All. Motion carried.

A letter from the County Board of Supervisors regarding amendments to our zoning was placed on file.

A communication from the Lapham Development Co. was reported. This company has filed a civil action suit against the Board of Appeals and the

Township of Northville for denying them the use of their property for a Mobile Home Park. The matter was turned over to the Township attorney.

Old Business:  
The new township voting machines (Shoup) have been delivered.

The first meeting of the General Assembly of the Southeast Michigan Council of Governments will be held on May 4, 1967 at 3:00 p.m. at 2600 Evergreen road, Southfield. Lengthy discussion followed this announcement. Stromberg moved that the Board sign the Declaration of Intent to join this Council of Government. Seconded by Armstrong. Ayes: All. Motion carried.

Baldwin, seconded by Tellam, moved that Merriam be appointed as official delegate from our Township Board, with Mrs. Hammond as alternate. Ayes: All. Motion carried.

Baldwin moved, seconded by Lawrence, that Stromberg be appointed substitute delegate for this first meeting. Ayes: All. Motion carried.

A letter from Mr. Frank Ollendorf regarding disposition of the Fishery Land and buildings was read by Mr. Merriam. No action was necessary by the board as Merriam has already notified the government that we waive all rights to acquiring of the land.

A recommendation for a horse ordinance was presented by the Planning Commission and was accepted by the board.

Mr. Merriam reported that a letter has been received from Mr. Alex Nelson regarding our request to the School Board to build an addition to this building. A new request will be put to the school board at their next meeting, by Supervisor Merriam, because of the possibility of using a building which could be moved to this property and attached to provide additional needed space in this office.

The township is ready to take bids, on May 4, 1967 at 11:00 a.m., for the water main extension to the Smokler Company's Kings Mill project on the Northville road. The contract will be awarded after the Smokler Co. pays the necessary deposit.

The two year bond on the Shadbrook Subdivision sewer system has run out, and the sewer now belongs to the township.

In referring to a proposed Trash and Garbage Ordinance, Mr. Ashton advised that the problem of numerous disabled (junk) vehicles could probably best be covered as a violation under the new zoning ordinance. A public hearing would have to be held in order to correctly proceed with the matter.

New Business:  
A letter from the City of Plymouth was read, regarding the use, by the City of Detroit, of Maybury Sanatorium land for a sanitary land fill. Use of

land at DeHoCo has also been proposed for use as an incinerator site. Supervisor Merriam is very much opposed to any such use of Maybury, and indicated that he would say so, very strongly, in his answering letter to Mr. Blodgett, of Plymouth. Mr. Tellam moved that the board unanimously support the stand to be taken by Merriam. Seconded by Baldwin. Ayes: All. Motion carried.

Carl Pursell, President of the Plymouth Chamber of Commerce, showed slides explaining the action recently taken by a group of civic-minded citizens of Plymouth. Their intent is to engage the Citizens Research Committee to conduct a study on the value of Unification of the City of Plymouth and Plymouth township. Mr. Pursell stated that this project originally concerned only Plymouth and Plymouth township, but it had been suggested that perhaps the adjacent communities be included in the study; particularly those areas which are included in the same school district.

The same program is to be presented to the city of Northville on May 15, 1967. Supervisor Merriam suggested that no action be taken until we learn how the City of Northville feels about this study.

Mr. Grieger's inability to correct his sewage problem because of the cost will be referred to the Wayne County Board of Health, and proper action will be taken.

Two letters were received from the Wayne County Road Commission. One announced the closure of Sheldon road for repair and improvements, and the second one presented bids for the laying of dust on our township subdivision roads this season.

The 3 cemeteries in the area must be maintained by the township. Mr. Joseph Siprak has been hired to care for the Waterford cemetery.

The Dog Immunization clinic, held jointly each year with the City of Northville is to be May 13, 1967, from 9:00 to 12:00 noon. A letter was read from Constables Mitchell, Siprak and Nisun, making a request for a new vehicle. The present dog truck is not safe to drive. Clerk Hammond suggested that fees charged for dog licenses and fines be raised, as our present charges are inadequate to cover our dog control problem, and are much lower than those charged by neighboring communities. Figures on both the cost of a new vehicle and on licenses are to be prepared for the next meeting.

Merriam reported on vandalism which has recently occurred at the township hall. The bill for repair has been sent to the Northville School Board.

In response to a request of the Electrical Inspector, Tellam moved that Mr. Salow be compensated five dollars for each Inspector's Forum meeting that he must attend. Seconded by Baldwin. Ayes: All. Motion carried.

The Smokler Company has taken up all sewer taps to date, in accordance with their agreement.

A recommendation from the Water & Sewer Commission was read regarding charges established for meters and installation. Tellam moved that we amend part of Resolution #66-24 and adopt a resolution covering the recommended charges from the Water and Sewer Commission. Seconded by Stromberg. Ayes: All. Motion carried.

Appointments  
Stromberg moved that the board appoint to the Board of Review for two years the following people: David Dodge, Helen Litsenberger, and Burton Williams. Seconded by Lawrence. Ayes: All. Motion carried. Clerk to notify the members of their appointment.

Treasurer Alex Lawrence tendered his resignation from the Board of Appeals, as of April 10, 1967. Armstrong moved that his resignation be accepted with regret. Seconded by Baldwin. Ayes: All. Motion carried.

It was pointed out that two members of the township board may not validly serve on the Board of Appeals. One member of the Appeals Board must be from the Township Board, while the second member must be appointed by the Township Board from the township at large. The third member of the Board of Appeals must then be appointed by the first two. The township board will hear from the Board of Appeals at their next meeting as to who the third member will be. Meeting adjourned at 10:45 p.m.

Eleanor W. Hammond  
Northville Township clerk

# SPEAKING for The Record

By BILL SLIGER

There's a little "softening" in the township's announcement that it will reassess all property this summer.

Hedging, might be a better word.

But for all the excuses that can be garnered, one irrefutable fact remains, if Northville township doesn't bring equity to its assessments... particularly the ratio between raw land valuations and developed property... the homeowner is going to continue to pay (heavily) for the right of others to own acres of under-assessed land.

All property owners are supposed to pay their school, county and township taxes based on millage levied against 50 per cent assessments.

When some are at 10 and 20 per cent and others at 40 per cent, those at the 40 per cent are "equalized" by a factor beyond the 50 per cent level.

In Northville township this year the equalization factor will be about 1.38. Next year it will be higher. The inequities will continue to become more severe.

The city of Northville has completed reassessment. Valuations have been increased to the level that the county says they must to avoid an equalization factor. Therefore, all property owners are being taxed equitably — one compared to the other.

Because of its great areas of raw acreage, the township has a more difficult problem than the city in reaching equity.

But no one can successfully argue that doing nothing and permitting the equalization factor to grow is the answer to the problem.

More people are beginning to understand and realize this.

Just as Supervisor R. D. Merriam does.

There won't be any free ice cream bars at the conclusion of the Memorial Day ceremonies this year.

Reading that sentence over again makes me realize that it's a natural for a wise reply, unless you're from a small town, like Northville.

Hereabouts, a tasty treat following the parade down Main street and the proper tributes at both cemeteries and the Veterans Memorial plot has been a tradition for more than 20 years.

Con Langfield started the practice. He'd hand out hundreds to youngsters (and some not so young) as the crowd gathered alongside Northville Laboratories after the last volley had been fired and the final echo of taps had faded.

Con won't be in town this year. The longtime mayor of the village of Northville is resting at Miami Beach after a long trip and a touch of ill health. He called the other day to say that he decided to give up the ice cream treats.

It's funny, but he seemed to feel a little guilty, as though he'd be letting the youngsters down. So in place of the ice cream bars, he had another idea.

He'd give \$500 to the high school band. His father had been the chief instigator of "starting a band in Northville and Con has a soft spot for the marching musicians.

"You know, the ice cream didn't cost me that much. And the thing was kind of getting out of hand... kids from all over, not just Northville... do you think that it will be alright to drop it?"

Con Langfield has probably been more successful in his business (toppings, vanilla extracts, etc.) than any other businessman in our community. He's probably given as much of himself and his time and money as any other individual ever to reside in Northville.

But he's worried about giving up the ice cream treats.

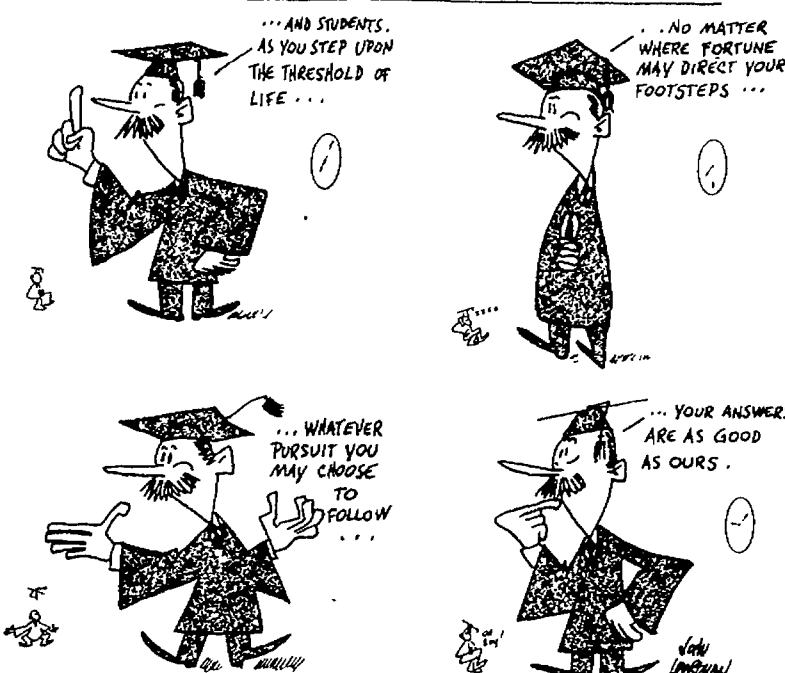

Con is part of the tradition of Northville and if he can't be around to pass out the ice cream bars on Memorial Day, it's better that the tradition is dropped. Times change, and traditions pass.

Con Langfield doesn't owe the band \$500... but it's awfully nice of him to give them a hand and, of course, they can use the money.

It might not be a bad idea to drop him a card and tell him how much the community appreciates the many things he's done in the past to help make Northville a good little town in which to live.

His address is: Kenilworth House, 10225 Collins, Bel Harbor, Miami Beach, Florida 33154.

## 'TIS THE SEASON OF GRADUATES AND GREAT ORATORY

# A LOOSE LEAF

By ROLLY PETERSON

A myth crumbled to dust at Ann Arbor last week, shook from its foundations by a somewhat heavy handed yet exciting court room drama, "The Ivory Tower." The myth exposed by Playwrights Jerome Weidman and James Yaffe and hitherto regarded as sacrosanct was the ivory tower, where crusty professors and art types repose.

It affords no immunity from responsibility, because of one basic fact. There is no running from one's self. And as much as the person who ennobles himself in the tower may cleave to humanistic purposes and "a higher law", there is no way of circumventing the society in which he lives.

To pinpoint the problem, the playwrights chose as their protagonist, Simon Otway, a poet modeled after the reknown man of letters, Ezra Pound. His particular circumstances, stretched imaginatively, yielded "The Ivory Tower," the fifth New Play Project of the University of Michigan's Professional Theatre Program.

Pound was a self-exiled American, an expatriot who ridiculed the American way of life. He saw it as a threat

to his existence and reviled it. His caustic criticism came from the safety of Europe, where he had fled while still young. There, his poetic genius thrived on libertarian air and he became the poetic messiah of all exiled and European poets.

This vitriolic, imperious poet, perhaps misguided and deceived, undertook several radio broadcasts sympathetic to Italy's Fascists during WW II. Later, he was to spend a few years in a psychiatric institution as a result of what many termed his treasonable act.

These are the circumstances upon which "Ivory Tower" is based. The facts of Pound's case are distended, however, to serve dramatic purpose. We meet Simon Otway in jail, awaiting his trial on the grounds of treason. We follow him as testimony is given and to the surprising end when he takes the stand.

Taking the part of Otway is Hurd Hatfield, the veteran actor of unique poise and stage presence. As Otway, he is a picture of pomposity and vainglorious wit, swaggering defiantly about the stage, defying the mundane world from his ivory tower.

The question is always before us. Is Otway guilty? His broadcasts, which asked Americans to lay down their arms, do not constitute treason per se. It must be proved that Otway was not duped by the Fascists as he claimed, that the radio speeches were not humanistic appeals for the end to the slaughter (the ivory tower aspect) but that Otway has knowingly and willfully abetted the Fascists.

The first act propels us along. Daniel Webster Clark, the reknown lawyer and erstwhile friend of Otway declines to take the case when Otway refuses to plead insanity. Into the breach comes Vincent Rimini (Jonathan Bolt), a member of Clark's law firm, who takes Otway's case, more out of personal conviction than professional zeal.

The second act entertainingly brings three prosecution witnesses to the stand. There is Captain Robert Pasquale (John Knox), an Army lieutenant who represents his Italian descent; Felix DeWinter (Seamus O'Brien), the effeminate, sycophantic critic, and Otway's estranged wife, Beatrice (Bette Henritze), the obtuse former waitress who seeks revenge. One by one, Rimini brilliantly disposes of them through cross examination. He is winning the case. It can rest and chances are that Otway will walk again as a free man. Goaded by his ego, however, Otway demands and will take the stand.

The stage, so to speak, has been set for the final act. Harold Gutman (John Randolph), the prosecutor, pounces on Otway and probes every conceivable point. But the playwrights have overshot their mark; the argument is laboriously overworked. The final act is in dire need of trimming for a clean thrust to the climax.

"Ivory Tower" is an engaging play nonetheless. It's premiere appearance at the Lydia Mendelsohn theatre should mark the beginning of a year-long tour of many of the 200 theatres participating in the American Playwrights Theatre program.

"Tell me what day you've moving and I'll tell you if I'll be out of town."

That's become a rather standard reply of my good friends whenever I broach the subject. And that's why I kinda sashay up to the question, sandwiching it between a couple slices of golf talk, and then spring it at them like a water hazard gulping down a Spalding Dot. They're trapped before the followthrough.

Moving in our household has become a habitual drug; it fires the imagination briefly and then triggers a despondent nightmare. We've moved so many times the phone company is running out of numbers. Our parents send us letters in care of my social security serial.

My boss used to remind me that whenever we moved we had another child. All five of our children were born in different cities—Flint, Saginaw, Ann Arbor, Northville and Livonia. We tripped him up the last time.

Neighbors shiver, schools quake whenever we arrive in town.

So it was when we returned to Northville, our favorite haunting place.

Moving day started as it usually does. "Wife," I said, "we move tomorrow. Get things packed, I'll line up the workers."

She's a good packer, really experienced. She still wore blisters from the last move.

And one of my good friends moaned that his back hadn't mended. But he and a couple of other husky brutes volunteered with a little coaxing.

I've nothing against moving vans but I figure a little periodic exercise tones the muscles. So the volunteers arrived bright and early. And when they refused to stuff our furniture into their cars I headed for the rental place.

There, unfortunately, I learned that the renter must have a valid operator's license. Mine still carried my old address and, somehow, I'd neglected to have it renewed six months ago.

"Wife," I said finding her resting after lugging the stove to the front

door, "this is no time to relax. You've got to rent a truck."

So after the truck chugged to a halt before the door, I immediately set to work directing the operation. No one possesses my talents for directing moves. It's a natural, in-born talent that spills over into some of my other pursuits.

"Okay, fellas, easy does it. Wife, you're dropping your corner." It flows like the second stanza of "Ol' Man River."

A couple trips and a few stanzas and the job's nearly done.

At the new place things are a little tougher. "To the basement with the tire, upstairs bedroom on the right with the mattress, down and to the left with that chair." Again it flows, but now the wife starts throwing her weight around, countermanning my orders and insisting upon her own special cubbyholing.

Why she must insist on a special place for a piece of furniture is a mystery to me. It doesn't last anyway. Moving furniture is a daily ritual with her. I don't mind a change of pace, but did you ever come home late at night, fling yourself on the bed, and leave teeth marks on a maple dresser?

I'm lucky the toilet's stationary.

And picture hanging. Not even completely in and she's hanging pictures. It's terrible the things she does to a wall. We had so many nails in the wall of our last place it took a spider a week to crawl from the floor to the ceiling.

And when I finally put a stop to that she started buying those gummed labels. You know, they're the kind that require no nails. Now when she moves a picture it doesn't leave a nail hole. It just peels off a hunk of plaster.

Even before the tailgate of the truck is down our kids are fast friends with every kid within a six block radius and they're all present to ooh and aah as each piece of our patched-together odds 'n ends disembarks. "See that book. It's the one Mommy threw at Daddy. That's the chair Daddy was suppose to fix last year and didn't and Mommy got mad and he kicked it and broke it some more." It's disconcerting if not embarrassing.

Meanwhile, the workers are slowing down, mumbling about being thirsty.

"Wife, can't you see that these guys are thirsty. Put down the springs and break out the bottle. There's plenty to go around. You fellas like Gobels, doncha?"

And then it's done. The furniture is in, the workers are watered, and Frank calls. "They're biting at Kent. Let's go."

## Readers Speak Smacks Yogi Bear For 'Delinquency'

To the Editor:  
I have just purchased a box of "Kellogg's Sugar Smacks" cereal and I was quite upset at the type of contest I found on the back. Yogi Bear's window is broken and you are given a choice of 3 characters as to who did it. 1. Mr. Mkan. 2. Mr. Nogood. 3. Mr. Hungry. By piecing together a puzzle, you come up

with the answer that Mr. Hungry broke the window. The next step is to tell in 25 words or less why it was necessary for him to break it. This contest is aimed at children 16 years of age and younger.

I dislike the suggestion to my child that it is alright for her to break a window if she is hungry. Are we alone in our belief that in this free enterprise system of opportunity and plenty, being hungry does not give a person a license to destroy property and steal another person's food? Is it our imagination that this contest promotes sympathy and justification for a crime?

It is subtle education such as this that could tend to justify acts such as the recent episodes of school bus vandalism.

Mrs. Ann Norton

## Readers Must Sign Letters

Letters to the Editor must be signed by the writer in his or her handwriting before they will be published in this newspaper.

However, after a letter has been signed, the writer may request that his or her name not be used in the newspaper. The signed letters are kept in the newspaper files and are not available for public inspection.

Recently, several unsigned letters have been received by the newspaper from "Very Concerned Parents", "R.T.H.", etc. As per the policy of this newspaper they will not be published unless the writer signs them.

One of the most recent unsigned letters asked why a particular film on child molesting has not been shown in Northville. We remind the reader that a film, titled "The Child Molester" has been shown to the Rotary club and the Our Lady of Victory church, courtesy of the Dempsey B. Ebert Funeral Home. Two such films are under consideration for showing in the public schools here.

"The Child Molester" film is available for showing upon reservation by interested local adult groups by calling FI 9-1010
