

Community Reacts to Threat of Spreading Disaster

What happens when law and order is forgotten, personal conduct degenerates to animal level, emotions run rampant and life is valued less than a color TV set?

The answer came to the Detroit area—and the world—this week as a raid on a 12th street blind pig erupted into a nightmare of tragedy that will forever scar our civilization.

The results were vividly recorded by newspapers, television and radio media. But the chaos at the eye of the storm was difficult to imagine... even when viewed through cameras at the scene.

It comes closer into focus when it is reported that property damage is estimated at over \$150 million—a figure that is equal to the destruction of nearly 10 cities of Northville.

The looting, the dead and the injured

can be added to the toll.

But what of home—in Northville, Novi and Wixom—when such a human explosion hits the central city of the metropolitan area?

It meant different things to different people—beyond the commonly-held mix-

ed-feeling of shame, grief and disgust.

To community officials it meant a responsibility to provide for the safety of their citizens.

For certain industries and businesses it meant help shortages, delivery failures and closing.

To many residents employed in Detroit, it meant a day or two at home. To others it meant round-the-clock duty. To some it meant deep concern for the welfare of family and friends.

Mayor A. M. Allen, along with City Manager Frank Ollendorff, Police Chief Samuel Elkins and Fire Chief Bud Hartner, attended a meeting of all Wayne county community officials in Wayne Monday afternoon. The officials heard firsthand reports of the turmoil and voted unanimously to adopt certain recommendations—among them a 9 p.m. to 5:30 a.m. curfew. It was further ordered that sales of alcoholic beverages, firearms, ammunition and inflammable liquids in containers should be prohibited.

Shortly after 6 p.m. Monday police began notifying business places and

citizens of the proclamation. Police Chief Elkins said cooperation was "excellent." In the absence of Township Supervisor R. D. Merriam, Clerk Eleanor Hammond made the same proclamation in the township.

Novi and Wixom followed suit, with Novi adopting a curfew resolution in special meeting Monday night and Wixom Mayor Wesley McAtee issuing a curfew proclamation Tuesday. In accordance with a directive covering Macomb, Wayne and Oakland counties, liquor stores closed shop.

Northville Downs was ordered closed by the office of the state racing com-

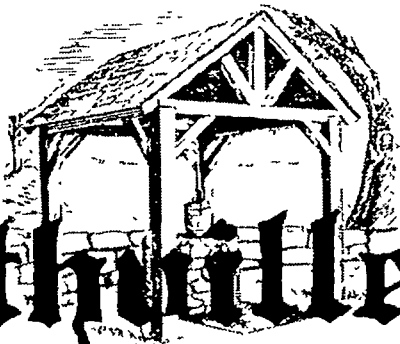

missioner both Monday and Tuesday evenings. It was indicated Tuesday that the curfew would be lifted Wednesday and that the track could reopen, barring new developments.

Police cars patrolled the area, stopping motorists and sending them home if they could not provide good reason for being on the road. Under the curfew law violators can be arrested.

In the city of Northville two cars with four men each and a truck with two men patrolled the city, while three armed officers were on foot in the business district.

Unity Study Consultant Picked by Committee

Council Checks Up On New Novi Drains

Concern over the capacity of storm drains to serve a new subdivision area bordering the city limits along Novi road in Novi prompted the Northville city council to call for a meeting with Oakland county road commission engineers.

The issue was the major point of discussion on a short-agenda special meeting Monday night that lasted until midnight.

City Manager Frank Ollendorff and Councilman Del Black arranged Tuesday morning for a full-council meeting with Oakland county engineers Wednesday morning (yesterday).

Cause for concern is an open ditch and 24-inch culvert designed to serve the 57-home Westridge subdivision now underway just north of the city limits on Novi road.

Some councilmembers, especially Black, expressed fear that the approved drainage system would be inadequate and that as further subdivision development takes place to the north and west Novi road will experience flooding.

Black contended that the council had given the manager and City Attorney Marvin Stempin authority to seek an injunction to stop building if the system did not appear adequate. He criticized the manager for not taking such action.

Manager Ollendorff contended that the drain system had the approval of the project engineers, village of Novi inspectors and Oakland county authorities. He maintained that the drains must be accepted as adequate, but that more drains must be provided as further development takes place.

To settle the argument it was agreed that a meeting should be called with Oakland county authorities.

land county authorities.

Because of other drainage problems in the city's northern area, as well as a pond in Novi at the rear of Northville Heights subdivision number two, the council has become particularly sensitive about storm and sanitary sewer line capacities. The storm drain system planned by Westridge subdivision and an adjoining proposed development, North Hills Estates, is reportedly designed to alleviate the pond problem, which has plagued the council in the form of complaints from residents of Northville Heights number two.

In other business the council approved a Cadillac Asphalt Paving company bid of 20-cents per square foot for paving of an East Dunlap street parking lot. Specified is a two-coat, four-inch thick application. Cost is estimated at \$2,200.

Installation of an eight-inch sanitary sewer line down Hill street to relieve another line serving Carpenter street was approved by the council. The 600-foot line will be installed by city DPW forces at an estimated cost of \$3,500.

Basement flooding along Carpenter prompted the council to install the relief sewer.

City-Township Okay Awaited

The undertaking of a jointly-sponsored unification feasibility study by the city and township of Northville moved a step nearer reality this week.

A five member committee, appointed by the city council and township board, recommended the employment of Donald M. Oakes as a consultant to direct the study.

The cost, to be shared equally by the city and township, was estimated at between \$2,500 and \$5,000. The study is expected to require four months.

Monday night the city council unanimously agreed to approve the committee recommendation and bear half the cost of the study.

The request is scheduled to go before the township board at its next regular meeting, Tuesday evening.

Appointees serving on the executive committee are Trustees Bernard Baldwin and Gunnar Stromberg from the township, Councilmen Del Black and Wallace Nichols from the city, and Donald B. Lawrence representing the Northville Area Economic Development Committee.

After an interview with Oakes last week the committee members recom-

mended employment of the consultant, pending approval of their respective governing bodies.

Monday night Councilmen Black and Nichols reported to the council that it was the committee's desire to retain Oakes to direct the study and work with a broader citizens' committee, which will be selected at a later date.

Referring to the cost Councilman Charles Lapham called it "a reasonable amount for such a long-awaited program."

"This is a subject we've talked about a lot, but we've never sought professional advice", noted Mayor A. M. Allen in supporting the request.

Oakes comes highly recommended as a professional management consultant from Grand Rapids. He has worked on more than 80 studies in various Michigan communities including Farmington township and Bloomfield Hills. He has also served as a consultant to Vilcan-Leman, Northville township's planning consultants, and Thompson-Brown company, area land developers.

He is considered an expert in the field of municipal finance and has been city manager of Alpena and Grand Rapids.

School Board Sets Priorities For Spending \$503,655

It was a crash analysis—but one of the most comprehensive, documented reports to come out of a board committee.

That's how board members hailed a report by the three-member committee charged with the responsibility of determining how \$503,655 remaining in the building and site fund should be spent.

The report was introduced Thursday in a working session and brought to the board meeting Monday. Immedi-

ate approval was given items requiring completion and curriculum improvement items.

Members of the committee were Glenn Deibert, Robert Froelich and Richard Martin, with the assistance of Acting Superintendent Raymond Spear and Business Manager Earl Busard.

Specifically, the money concerns those funds remaining in the \$3.3 million bond issue which built Moraine elementary and is building the new junior high school, the high school addition, and the new swimming pool.

Building and site monies can be used only for new buildings, building improvement, site purchase or improvement, and for equipment to be used wholly or at least partially in the new facilities. Building and site monies cannot be used for operating the schools, officials emphasize, such as teacher salaries, regular replacement of old equipment, etc.

In presenting the report to the board and audience Monday Chairman Martin explained the committee gave "A" priority to items over which the board has no control as they must be completed at an estimated cost of \$87,248.

These items, to complete the building program, include junior high sewer, \$46,000; junior high walkways, steps, etc., \$6,500; Main street school lighting,

\$15,000; junior high cafeteria, \$7,000; fencing, Moraine walkway and overpass, \$1,448; Main street school painting, \$3,000; Bradner road paving, \$3,300; high school pool requirements, \$5,000.

★ See related school stories on Pages 3-A and 10-A.

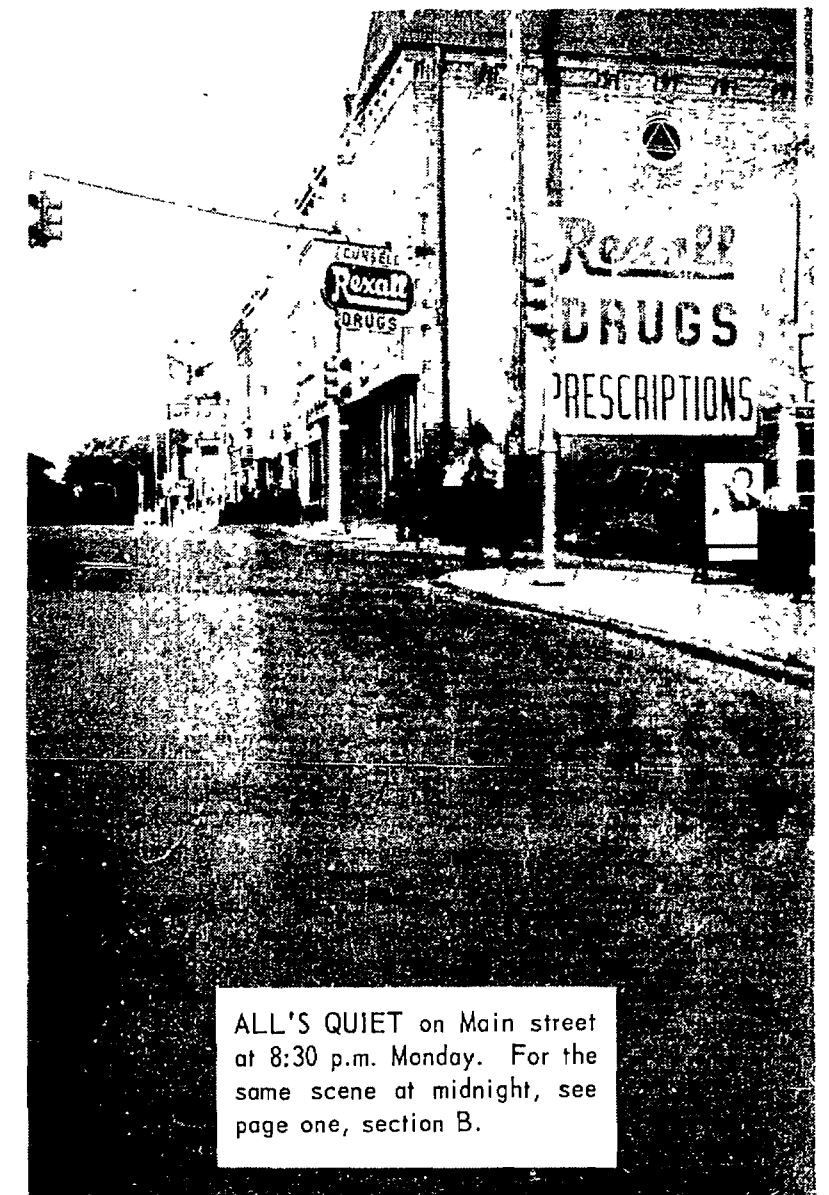

Curriculum improvement items, he said, were given next priority and include a total of \$170,000 in teaching aids and library expansion. (See separate story). Ten items in this "B" category were approved by the board along with the "A" priority items. The board instructed Busard to undertake at once to obtain costing details on four other "B" priority items totaling an estimated \$107,000. The remainder of the report will be considered at the next board session.

In developing the report, the committee listed all possible items for which the money could be used and then gave them a priority rating and specific classification. The rating keys were:

A -- Locked in items or items which must be provided for to complete the building program.

B -- Curriculum priority or items which should have priority over all items not locked in.

Volunteers Aid Shorthanded Institutions

Repercussions from Detroit violence, spread to Northville's state, county and city of Detroit institutions, primarily because a large share of employees live in the city of Detroit and were unable to get to work. Beginning with the night shift Sunday, hardest hit were the Northville State hospital, the Plymouth State home and Maybury Sanatorium.

Helping to overcome serious manpower shortages, however, were volunteer workers from Northville, including teachers, students, girl scouts and housewives. Employees also pulled double shifts. Only one of the institutions—Maybury Sanatorium—experienced any relief Tuesday.

Jack L. Patterson, personnel director at Northville State hospital, said Tuesday there was still serious employee absenteeism, with the housekeeping, nursing and laundry departments operating with approximately 50 percent of employees reporting for work.

"Everything's covered," Patterson said, "but we're spread thin. Some employees stayed overnight Sunday and Monday at the hospital. Others stayed home to protect their property or were stopped at checkpoints as police attempted to contain the violence."

Those were the reasons Patterson gave as to why there was a shortage Monday. But Tuesday, the shortage was attributed to lack of gasoline. A moratorium on its sale east of Telegraph road caught employees with empty gas tanks.

"Slightly less than 50 percent" of the employees at the Plymouth State Home reported for work Monday and Tuesday, William Boyd reported. He had nothing but praise for approximately 200 volunteers, many of whom stayed overnight to take up the slack.

"We had a tremendous day Monday," he said. "Everything went smoothly, considering. Those volunteers were simply great."

Regular staff members at the Plymouth State Home did not escape tragedy. One man reported for work Monday, Boyd said, quickly left after his wife called saying rioters were breaking windows in their home. Another staff member, who remained Monday night, returned to Detroit and found the block in which she lived burned to the ground.

Dr. W. L. Howard, superintendent of Maybury Sanatorium, said 43 of a total work force of about 200 employees, did not report Monday. But issuing of identification cards to employees cut absenteeism to only 19 on Tuesday.

Another unexpected problem arose Tuesday, however—delivery of food items. Trucks were either unable to get out of the city or drivers were unwilling to deliver, Dr. Howard stated. Instead, Sanatorium employees had to

Novi Rezoning Sought For Shopping, Motel

Rezoning for a proposed giant complex, including apartment buildings, a shopping center, motel and professional building, will be filed Monday before the Novi Village council.

Known as the William Walker property, the 100-acre site is located at the northwest intersection of Eight Mile and Haggerty roads. To the east is Livonia, to the south, Northville.

Making the request is Richard Gabel, formerly with Thompson-Brown. He is seeking the rezoning of 27 acres to multiple and 73 acres for development of a

central business district.

Construction of the proposed development is not expected to begin until construction of the southern extension of I-96 expressway has been completed. Planned route of the expressway will cut through a portion of the Walker property.

According to Gabel, now working independently as a developer, bids on the expressway will be let in January of next year. Construction of the Oakland county portion of the network is expected to be completed in 1970.

City, Too!

Rain, Riots Cost Downs' Dollars

It's been a bad year for Northville Downs.

Plagued by heavy weekend rains that have hurt both attendance and betting, the track lost one full night Wednesday, June 28 when a downpour flooded the stands.

Rioting in Detroit resulted in closing down both the Downs and Hazel Park race tracks Monday and Tuesday this week. It was announced that the tracks could operate Wednesday, when it was anticipated the curfew would be lifted.

The loss of three nights of racing squeezes the city of Northville, as well as the track, financially. To date this season the Downs is averaging \$280,670 in mutual handle per night.

The city's share, which is paid by the state in rebates from its slice, amounts to one per cent of the nightly handle—or this year some \$2,800 per night.

Thus the three-nights' loss cuts \$8,400 right out of the city coffers.

about WOMEN

Robinson-Turf Vows Spoken Saturday

Ann Christine Robinson and Louis Robert Turf III exchanged wedding vows July 22 at St. John's Episcopal church, Plymouth. The afternoon service was paid by Canon David T. Davies.

The bride is the daughter of Dr. and Mrs. O. J. Robinson of 718 Main street, while the bridegroom is the son of Mr. and Mrs. L. R. Turf II of Birmingham. The bride, given in marriage by her father, wore a peau de soie, floor length gown trimmed with applique seed pearls and lace.

Her train was of nylon net with peau de soie border, and held by an alencon

lace medallion center.

Gail Luchtman was maid of honor. She wore a green shantung gown featuring small bell sleeves. The skirt was trimmed with a large border of lace.

Bridesmaids were Janis Butler, Joan Brevik, Denise Turf, the bridegroom's sister, and Amy Robinson, the bride's sister. Their pink gowns were styled like the maid of honor's.

Kurt Neuman served as best man. Ushers were Ralph Robinson, Alan Turf, Richard Giroux and John Patterson.

The bride's mother chose a pale lemon silk dress with matching accessories. Mrs. Turf wore an off-white dress with beige accessories. Both mothers had cymbidium orchid corsages.

A reception followed the wedding at Meadowbrook Country Club.

The newlyweds will make their home in Ann Arbor until the fall when they will be moving to Boulder, Colorado where the bridegroom will attend graduate school at the University of Colorado.

The bridegroom will be an August graduate of the University of Michigan, where he is a member of Delta Tau Delta fraternity. The bride attends the University of Michigan.

Mrs. Louis Robert Turf III

Announce Engagements

Corinne Johnson

Former residents of Northville, Mr. and Mrs. Melvin Johnson, announce the forthcoming marriage of their daughter, Corinne Given of Ypsilanti, to Mr. Dennis Miller of Lakeland, Michigan. A September 23 wedding is planned.

Kathy McNeice

Mr. and Mrs. James McNeice of 20145 Woodhill drive announce the engagement of their daughter, Kathy Diane, to Daniel Collins, son of Mrs. Lila Collins of 1425 Sheldon.

A fall wedding is planned, but no date has been set.

News Around Northville

Mr. and Mrs. Joseph Gregory of Jamaica are visiting Mr. and Mrs. Arthur Hempe of 46246 Fonner Court. Mr. Gregory is the western area manager of the "Daily Gleaner" newspaper publications in Jamaica. During his stay here he visited the Northville Record composition shop, as well as press facilities at Inter-City Press in Novi.

Mr. and Mrs. Lewis Crusoe of 44000 West Nine Mile road celebrated their 45th wedding anniversary Saturday.

Sharon Thomas, a former Northville girl now living in Plymouth, won first place honors in the 13-14-year old division of the Dream Girl 1967 Major-ette twirling competition in Fayette, Ohio. She received first place in modeling, fancy and military strutting and flag twirling to win the gold medal.

Tom Lepper, son of Mr. and Mrs. E. W. Lepper of 946 Novi street, and Bob Gribble, son of Mr. and Mrs. Robert Gribble of 45229 Galway, left Sunday to serve as volunteer attendants at the Muscular Dystrophy Camp at the

Island Lake recreation area. They will be gone 10 days, returning home August 2.

Robin and Peter Couse, children of the Blake Couses of 45386 Nine Mile road, both celebrated birthdays last week. Robin was 13 years old and Peter was 7.

The Northville high school band will hold its last concert of the summer season next Wednesday, August 2 behind the high school. There is no admission charge for the outdoor concert, which will begin at 7 p.m.

Six Northville girls are leaving Saturday for two weeks at the CYO camp on Lake Huron near Fort Sanalac. They are Mary Jo Pauli, Jennie Owen, Mary and Debbi McIsaac, Judy Keegan and Jan Zayti.

The Senior Citizens Club met Tuesday night for their last meeting this summer, a cooperative dinner and social hour in the community building. Meetings will resume September 12.

A reminder that the Greater Northville Republican Club will hold its annual potluck dinner tonight at 6 p.m. at the home of the Crispin Hammonds, 47100 Timberlane. Those attending are asked to bring a passing dish and table service.

Stuart Jay Schliefs To Reside in Okemos

Roberta Joyce Adams became the bride of Stuart Jay Schliefs in a double ring ceremony at the First Presbyterian church of Northville Saturday afternoon. The Reverend Timothy Johnson performed the ceremony.

The bride is the daughter of Mr. and Mrs. Thomas O. Adams of Gary, Indiana. Mr. and Mrs. William Schliefs of 43540 Six Mile road are the bridegroom's parents.

The bride's coat style gown of organza and lace had a long, full train. She carried a bouquet of carnations and orchids.

Bonnie Foote of Williamston, a former classmate of the bride, was maid of honor. Susan and Sally Schliefs, sis-

ters of the bridegroom, were bridesmaids. Sharon Schliefs, also the bridegroom's sister, was a junior bridesmaid.

Stanley Schliefs of Ypsilanti served as best man for his brother. Ushers were Lee Klopfenstein of Saginaw and Danny Bunch of Northville. Junior usher was Bradley Schliefs of Belleville, the bridegroom's cousin.

The bride is a graduate of Michigan State University. The bridegroom attended both Eastern Michigan and Michigan State universities.

Following a short honeymoon the couple will make their home in Okemos, where both will continue their careers in retail merchandising.

F'Geppert-Gregory Rites at St. Paul's

Noel Louise F'Geppert and Leo Gregory were married June 17 at St. Paul's Lutheran church. The Reverend C. F. Boerger performed the evening ceremony.

Gladolus and mums decorated the altar. "Trumpet Voluntary" was played for the processional and recessional. "Wedding Prayer" and "The Lord's Prayer" were sung.

The bride's parents are Mr. and Mrs. Erwin F'Geppert of 26339 Novi road, Novi. The bridegroom is the son of Mrs. Verna Gregory of Morehead, Kentucky.

The bride wore a nylon chiffon over satin empire sheath with a lace jacket featuring Kabuki sleeves. Her chapel length train was made of chiffon over satin. The gown was handmade by Mrs. Daniel MacGillivray.

She carried a cascade bouquet of white gladiolus and glamelias centered with a white orchid.

The bride's sister, SueAnn F'Geppert, was maid of honor. She wore a pale pink, empire A-line gown with Kabuki sleeves.

Her gown and those of the bridesmaids' were also handmade by Mrs. MacGillivray.

Her cascade bouquet was made of rosy pink gladiolus and lavender mums.

Bridesmaids were Sharry Gregory and Barbara Gregory. Their gowns were styled like the maid of honor's but were in a deeper pink. They carried cascade bouquets of deep rose gladiolus.

Lonzo Gregory was best man, with Robert Taylor and Gary Gregory serving as ushers.

The bride's mother chose a dusty rose chiffon sheath. Mrs. Gregory wore a pale blue floral print sheath. They both had cymbidium orchid and sweet-heart rose corsages.

A reception was held in the Novi Community Building, which was decorated in pink and white. The 100 guests were from Detroit, Livonia, Oregon, Florida, Grosse Pointe, Farmington and Plymouth.

The bride's going away outfit was a beige linen sheath with empire style pink print linen coat and red accessories.

The couple honeymooned in Kentucky. Their home will be in Walled Lake.

The bride teaches at the Lutheran School for the Deaf in East Detroit.

Mr. and Mrs. Leo Gregory

The club is working with the Northville Beautification Commission.

Board Keeps Legal Door Open, But Millage Election Unlikely

After hiring four teachers and approving the spending of \$364,248 of building and site funds, Northville board of education, pressed by a 9 p.m. curfew, Monday night delayed until its next meeting, set for August 7, some items of business, including consideration of whether to call a special millage election in August.

When it was requested the special election be placed on the August 7 agenda, Acting Superintendent Raymond Spear indicated it seems the election will not be necessary in view of expected increase in state aid. The district, however, still is carrying out the legal requirements for calling a special election with notices for the final deadline for registration, July 28—this Friday — being posted and advertised in this week's Northville Record.

On Spear's recommendation the board approved hiring Peter Johnson of Menominee, Michigan, a secondary mathematics teacher with a B.A. degree from Northern Michigan university and two years' experience to replace Miss Andrea Sewell, whose resignation was accepted.

It approved Mrs. Irene Taylor of Plymouth, a 1967 graduate of Central Michigan university with a B.S. degree to replace Mrs. Charlene Lang, junior high music teacher, whose resignation was accepted.

Miss Barbara Fenzl of Ann Arbor, a 1967 graduate of University of Wisconsin, was hired to teach junior high social studies and English as a replacement for Richard Norton who will be part-time assistant junior high principal.

Mrs. Mariann Zander of Plymouth, a 1967 graduate of Eastern Michigan uni-

versity, was hired as a new elementary art teacher. The board also received but did not act upon a letter of resignation from Mrs. Joyce Paradine, Board Treasurer. Richard Martin abstained from voting on the teacher hirings.

A salary schedule for the post of assistant junior high principal was approved. It ranged from \$10,000 to \$12,000. It was pointed out that the schedule was approved to establish the half-time salary for Richard Norton, who will receive \$5,000 for his work in the administrative post and half of his regular teaching salary. Board member Robert Froelich stipulated that this post is to be reviewed when a board committee studies administration salaries.

The board voted to refer to a study committee to be named by Board President Eugene Cook at the next meeting the request of the acting superintendent for a Director of Instruction as a central office replacement.

It approved \$5,097 for junior high cafeteria items, including dishes, silverware, pots and pans. "A First Course in German" was adopted as basic text for the newly established German I high school course.

A salary of \$1,200 for the position of athletic director was adopted on a one-year basis for David Longridge who also receives his teaching salary, and remuneration for basketball coaching and driver education.

The board concurred in and endorsed a resolution from the Wayne county association of school boards outlining procedures as set by law in event of teacher strikes. Glenn Deibert registered a dissenting vote, feeling the board should establish its own policy first and separately.

Next meeting was set for August 7, the first Monday of the month instead of the customary second, to enable the acting superintendent to be present; he will be on vacation later in the month.

Left from the Monday night agenda for this meeting will be a letter from Timothy Johnson requesting the Cameron's use of the junior high boys' gymnasium. The board also planned to consider the remainder of the study report on disbursement of building and site funds.

Volunteers Honored For Hospital Work

A Northville woman and two Northville groups were awarded certificates of recognition from the Community Relations Department of the Northville State Hospital for outstanding volunteer work during the 1966-67 year.

Mrs. Mildred Cunningham of 46125 Bloomcrest was cited for serving more than 190 volunteer hours at the hospital. She is a member of the Red Cross hospital Volunteers.

The Northville high school volunteer organization and the Northville State Hospital Auxiliary were the groups receiving certificates. The awards were presented to Mrs. Bobi Schueder, coordinator of the high school group, and Mrs. Ann Lang, past president of the Auxiliary.

A total of 26 area groups and 10 volunteers were awarded certificates for their combined 15,457 hours of service.

"This indeed represents a significant contribution of service to our patients," commented E. G. Yudashkin, Medical Superintendent at the State Hospital. "Volunteers participate in many ways in the daily life of our hospital."

Many groups provide monthly ward parties. Others monitor our apparel shop, our lobby gift shop or the cart service. Yet others are in the hospital areas such as our laboratory, our activity therapy department or our beauty shops, working shoulder to shoulder with employees in providing important patient care."

Swim Party For Teens

A swimming and hot dog party for teenagers is being sponsored by the Northville Swim Club Tuesday, August 1 from 6-10 p.m. All members and their guests, ages 13-19, are invited to attend.

Admission charge will be \$1. Money raised will go toward the club's swimming team.

A similar party for the younger age group was held last week to earn money for the team.

Chairmen of the party are Mr. and Mrs. Harry Weiser. Helping them are Mrs. Irvin Marburger, Mrs. Donald Kushmaul, Mrs. Donald Karr and Mrs. E. W. Lepper.

Honor Students

Two area students were among those who achieved all-A records during the spring term at Michigan State university.

Names of the students are to be placed on an honor role that offers "recognition of the highest attainment in scholarship."

The students will be guests at a dinner in their honor during fall term by Dr. John A. Hannah, MSU president. Local top students were William P. Weidner, 627 Fairbrook, a senior in the school of hotel and business management, and Dianne M. Stelner, 425 West Walled Lake Drive, a senior in elementary education.

In Wixom

Mrs. Charles Ware
MA 4-1601

Mrs. Chris Nissen is in Pontiac General hospital having had surgery.

On Sunday Mrs. Lottie Chambers drove to Temperance, Michigan to attend the silver wedding of her sister and husband, Mr. and Mrs. Evelyn Bohs. There were 26 guests. Included in the party were Mrs. Bohs' three brothers and two sisters.

Mrs. Farby Dennis daughter of Mrs. Bohs was hostess at the anniversary party.

Mr. and Mrs. Lee Harrison have returned from a one week trip to Olney, Illinois where they attended a family reunion of Mrs. Harrison's relatives.

Mr. and Mrs. Herb Abrams spent one week at Fyfe Lake.

The young people of Wixom Baptist church spent Thursday, Friday and Saturday on Mackinaw Island. Miss Shelby Gibby sponsored the young people. Miss Gibby is studying at Pitts-bury college.

Mrs. Edith Barnett a missionary in Texas will be speaker at the 7:30 meeting Wednesday at the Baptist church.

Mr. and Mrs. Reginald Craigle hosted a family reunion on Sunday. There were about fifty guests from Minneapolis, Minnesota and Black Lake, Onaway, Livonia, Garden City and Dearborn.

Mr. and Mrs. Walter Woodworth have returned from a two week trip to Albany, Kentucky to visit Mrs. Woodworth's parents.

Mr. and Mrs. Ray Burke spent one week at Lewiston but found the weather very inclement.

Wins Scholarship

Awarding of scholarships to 33 students, including one from Northville, for the fall and winter semesters of the 1967-68 academic year has been announced by Schoolcraft college Dean of Student Affairs Edward V. McNally. The awards include 11 made available for the first time this year through the Hayes Foundation Scholarship, using funds given to the college by Sheldon Hayes of Northville.

The Northville recipient is Cass Kershaw, 330 North Center street.

1-Card of Thanks

The family of Hugh G. Richardson wish to express their very deep appreciation to Rev. Kinde, Dr. Atchison, nurses at Northville Home, Castles, Mrs. Skene and helpers, friends and neighbors for their kind and comforting assistance during the loss of their loved one.

Mrs. Hugh Richardson
Dorothy & Don Bray
June & Jack Stephan
Grandsons: Hugh, Jay & Todd

I wish to thank all my friends and neighbors for the flowers, cards, gifts, visits, calls and inquiries during my stay in the hospital.

Edward Huebner

11-Miscellany Wanted

WANTED
Old pictures-the older the better-of historic Northville buildings, places, and personalities for use in a special Centennial edition of The Record to be published in 1969. Pictures will be returned to the owner, along with an extra print of each. The Record, oldest weekly newspaper in Wayne county, was established in 1869 by Samuel Little. Please bring or send the pictures, along with identifications, to The Record office, 101 N. Center Street, in care of Jack W. Hoffman.

How Disaster Affected Area Shorthanded Institutions Get Help from Volunteers

Continued from Page One

procure food for operation. Work on the special rehabilitation building on Sanatorium grounds came to a standstill, Dr. Howard said, when 40 to 50 apprentice carpenters renovating the building did not show up Monday.

Stories of hardship and terror likewise came from Sanatorium employees, who blamed Detroit's civil unrest on "irresponsible gang action that got out of hand." "We have folks who lost their homes," Dr. Howard said, "Others were up all night in the furor, terrified."

"An interesting thing happened," the superintendent said Tuesday. A man approached one Maybury employee and offered to sell him a large color television set for \$25. Whiskey was being sold on Detroit streets for 25 cents a fifth.

Mrs. Hazel Priest, personnel director, reported no serious absentee prob-

lems at the Wayne County Child Development Center. Primarily, she said, workers do not live in the city of Detroit.

There was no manpower shortage at the Detroit House of Correction, but Deputy Superintendent William Johnson said "we had some unrest last night (Monday night)." He declined to elaborate.

Fire of unknown origin gutted the furniture repair shop at DeHoCo Monday night. Inmates and a local fire department extinguished the fire, but Johnson said the Detroit arson squad will investigate. "Whether it had any connection with downtown," he said, "I can't say."

Virtually no absenteeism was reported at DeHoCo. In fact, Johnson said, additional employees were on hand to guard against an outbreak. "Any time there's trouble in another prison or city, prisoners get jumpy.

They're worried about families in Detroit. They're irritable. Then there are the hoodlums who might like to kick something up," the deputy superintendent said.

DeHoCo was asked to house persons apprehended in the Detroit riot, but Johnson said the number that could be accommodated was negligible and so none were sent to the institution located in Northville township.

Food Gifts Taken Here

Two Northville churches report that collection and distribution of foodstuffs for victims of the rioting in Detroit is being made locally.

At Our Lady of Victory church Seminaryman Jim Levine is in charge of the project. The food is taken directly to the 12th street area in answer to personal appeals from persons there. Contributions may be brought directly to the church social hall on Orchard drive. For more information call 349-2621.

The First Presbyterian is taking its collections to the Inter-Faith Emergency Agency on Woodward for distribution. For information call Reverend Timothy Johnson, 349-0911.

School Board

Continued from Page One

C -- Complementary instructional needs, such as items which are significantly important to the maintaining of a well rounded curriculum.

D -- General site and building needs, or items significant to general district operation, but of lesser importance than instructional needs.

E -- Required but may be deferred items that are worthy of consideration but may be delayed due to lack of funds and/or insufficient information at this time.

The classifications included: Instructional equipment, vehicle compound, Main Street elementary decorating and remodeling, Amerman school remodeling for partitions, administrative offices, present site improvements or requirements, site planning and improvements, and reserves.

In view of the committee's contention that emphasis should be placed on the instructional process, all instructional equipment was given a "B" rating. The report included only two "E" ratings -- paving of the roadway parallel to Eight Mile road and the athletic field, and regrading and seeding of the athletic field adjacent to the football field.

Total allocations by ratings were: A, \$87,248; B, \$277,000; C, \$37,000; D, \$89,552; E, \$16,000; and reserve, \$25,000.

Total allocations by classification were: instructional equipment, \$172,000; vehicle compound, \$25,552; Main street elementary, \$87,000; Amerman elementary, \$10,000; administrative offices, \$27,000; present site improvements or requirements, \$126,948; site planning and improvements, \$58,300; and reserves, \$25,000.

Besides instructional equipment receiving "B" ratings, the following also received similar ratings and are to be considered next: remodeling of Main Street elementary, \$60,000; Main Street classroom equipment, \$8,000; Amerman partition remodeling, \$10,000; remodeling of the high school art room, cafeteria and shop, \$27,000; and additional pool requirements, \$10,000.

Those given a "C" rating were: Communication equipment (telephone system, etc.), \$10,000; remodeling and equipment for administrative offices if located in the present junior high school, \$17,000, and a central receiving station if developed at the present junior high school, \$10,000.

"D" items included: Fencing, electrical service and lights, control center, stoning, and radiator heaters for the vehicle compound, \$15,552; landscaping of the new junior high school and Moraine, \$15,000; Moraine lighting (parking lot), \$4,000; purchase of new sites, \$50,000; and appraisals and legal fees, \$5,000.

Total allocated monies -- \$531,800 -- exceeded the available \$503,655 by \$28,145. However, board members generally agree that cost estimates within the report were on the "high side" and that actual costs will fall within the total figure available.

Municipal Court

Drunk and disorderly cases were the order of business in Northville Municipal court of Judge Philip Ogilvie.

Jackie L. Elwell of Ypsilanti, John B. Jones of Ferndale, William L. Blake of Lincoln Park and James W. DeRuydt of Detroit were each fined \$55. Loren Hanes of Keego Harbor and

Crowds not wanted--so racing's off at Downs.

Community Reacts to Threat

Continued from Page One

Treasurer Alex Lawrence joined Constables Richard Mitchell and Joseph Siprak and Ron Nisun, deputy constable, in the township patrol car.

Two men and a car were dispatched from Northville Monday night to River Rouge where they joined some 180 police officers in convincing gathering crowds to return to their homes. The joint action, planned to provide for area safety at the afternoon meeting in Wayne, proved highly effective.

Wixom and Novi police officers and two deputized officers responded to the call for help from Detroit and Pontiac, and remained on a standby basis Tuesday night in case of further emergencies.

While bars were closed down and stores handling alcoholic beverages had to stop sales, hardware and sports' shops selling guns and ammunition were also ordered to curtail such sales.

The order came through shortly before closing time Monday. During the day both Northville Hardware and Stone's Gamble Store reported unusually high sales in ammunition.

"I even had a call for 10-gauge shells, which are almost out of existence," said Essie Nirider, owner of Northville Hardware. He said sales of ammunition was as high as "the day before hunting season."

Jerry Stone, owner of Gamble's, said about "99% of the purchases were made by local people."

The stores turned over all their ammunition to Northville police.

While area institutions, relying heavily on help from Detroit residents, found themselves short-handed (see story, this page), most industries and businesses were able to get by. At Wixom an official reported that the work force at Ford "is down anyway because of model change-over," but that absenteeism Monday was two or three times above normal. Ford's valve plant in Northville operated normally with "only a few asking to go home to check on the safety of their families," reported Joseph Bujak, plant superintendent.

David Waterloo, Paragon Bridge & Steel personnel director in Novi, said that 75 employees were absent, more than twice the number for an average Monday.

Because the main office was closed in Detroit, all branches of Manufacturers National Bank were closed Monday. They reopened Tuesday.

Area residents with family and friends in and near the outbreaks opened their doors to provide a safe retreat. The Herbert Farah family of Novi, for instance, housed nine friends and relatives from the embattled areas, despite the fact that the Farahs have 11 children of their own.

Bloodmobile Sites

Due to the civil strife in Detroit, Red Cross blood mobiles in the city had to be cancelled this week, Mrs. Judy Gunther, field representative for the Northwest service office of the Red Cross, announced.

She further stated that because the Red Cross is the principal donor of blood to more than 100 hospitals in the five-county area, alternate sites have been chosen to collect blood outside the city limits.

The Red Cross issued an urgent plea for all eligible donors to support the bloodmobile which will be set up at the Northwest service office, 31228 Five Mile at Merriman in Livonia today (Thursday) from 10 a.m.-4 p.m.

On patrol in township--Constable Richard Mitchell and Treasurer Alex Lawrence.

OBITUARIES

ARTHUR C. CARLSON

Arthur C. Carlson, 60, died suddenly Friday en route to University hospital, Ann Arbor. He lived at 1775 Ridge road.

Born January 18, 1907 at Newberry, he was the son of Oscar and Mary (Hill) Carlson. He was married October 26, 1933, and his wife, Elsie, survives him.

Surviving him also are two daughters, Mrs. Jack (Jean) Meyers of Mt. Clemens and Mrs. Roger (Joanne) Janowski of Daleville, Alabama; a sister, Mrs. Esther Benson of Toledo, Ohio; a brother, Herman Carlson of Newberry, and two grandchildren.

Employed in the maintenance department at the Hawthorne Center, Mr. Carlson has lived in the community for the past 10 years.

Services were held 5 p.m. Saturday at the Casterline Funeral home, with the Reverend Fred Trachsel of Orchard Hills Baptist church, Novi, officiating.

The body was then flown to Newberry, where funeral services were held at 1:30 p.m. Monday at the Beaulieu Funeral home, with the Reverend Lloyd Hubert officiating.

Burial was at the Newberry cemetery.

PFC ROBERT ALLEN STRANGE

Funeral services for PFC Robert Allen Strange, the first Northville servicemen to be killed in battle in Vietnam, were held 10 a.m. Monday at Our Lady of Victory church, Northville, He was 20.

Officiating was the Reverend Father John Wittstock, pastor of Our Lady of Victory church. Prayers were said at 8 p.m. Sunday at the Casterline Funeral home.

Burial was at Holy Sepulchre cemetery, Southfield.

PFC Strange was killed in action on July 12 near Pleiku, Vietnam, while on patrol. He was a member of Company B, First Battalion, 12th Infantry of the Fourth U.S. Army division.

Born November 15, 1946, in Detroit, he was the son of Mr. and Mrs. George H. Strange of 422 Dubur street.

A resident of Northville for the past six years, he was a member of Our Lady of Victory church.

CHARLOTTE MARY DUCOMMUN

Mrs. Charlotte Mary Ducommun, 83, who lived in this area for 35 years, died last Thursday at her home at 3066 St. Mary Court, Pinckney. She had been ailing for the past three months.

Born February 23, 1884 in Canada, she is survived by her husband, Albert. Surviving her also is a daughter, Mrs. Lucille Grissom of Walled Lake, two grandchildren and several great grandchildren.

Mrs. Ducommun lived in this area until two years ago.

Funeral services were held at 3 p.m. Saturday at the Casterline Funeral

home, with the Reverend S. D. Kinde, pastor of the First Methodist church of Northville, officiating.

Burial was at the South Lyon cemetery.

HUGH G. RICHARDSON

Hugh G. Richardson, 745 Spring drive, died July 19 at the Northville Convalescent Center. He was 72.

Born September 5, 1894, in Warkworth, Ontario, he was the son of James T. and Emily (Wright) Richardson. His wife, Serena, survives him.

Other survivors are two daughters, Mrs. Donald (Dorothy) Bray and Mrs. Jack (June) Stephan, both of Royal Oak; one sister, Mrs. Roy Thomas of Canada, and three grandchildren.

A member of the First Methodist church of Northville, Mr. Richardson came to the community in 1927 and was a retired superintendent of the Manning Locklin Gravel company of Northville.

Funeral services were held at 1 p.m. Saturday at the Casterline Funeral home, with the Reverend S. D. Kinde, pastor of the First Methodist church, officiating.

Burial was at Rural Hill cemetery.

HOWARD W. GREER

Howard W. Greer, a Novi resident for over 50 years, died Monday at the Whitehall Convalescent home after a seven-month illness. He was 76.

Born September 18, 1890, in Dublin, he lived at 46871 Grand River. His wife, Hanna, passed away in 1960.

Surviving him is a daughter, Mrs. Betty Sarver of Northville, one granddaughter and one great granddaughter.

Mr. Greer, who moved to the community from Birmingham about 50 years ago, was a retired farmer and a member of the First Methodist church of Northville.

Funeral services were held at 1 p.m. Wednesday at the Casterline Funeral home, with the Reverend S. D. Kinde, pastor of the First Methodist church, presiding.

Entombment was at the Rural Hill Mausoleum.

ALBERT L. BUCKS

Albert L. Bucks, 49000 West Nine Mile road, died Saturday at Ford hospital, Detroit, after a one week illness.

Born in Mulberry, Indiana, he was the son of Dennis and Amanda Bucks.

Mr. Bucks, who came to Novi in 1948, was a retired attorney for Chrysler corporation. He was a member of the Michigan Bar association and Phi Delta Phi fraternity of Indiana university, where he graduated with a bachelor of arts degree and an LL.B. He also was a member of Mulberry Lodge #618 F&AM.

His body, which lay in state Sunday at the Casterline Funeral home, was shipped to Mulberry, Indiana, where funeral services were held Tuesday.

HELPFUL STUDENTS--Al Whitmyer (center) Cris Becker and Bob Williams, Jr., pitch in at the Northville State hospital kitchen.

All bars were ordered closed.

Ammunition from stores was taken to Northville police station.

Marvin Gans Gets Schoolcraft Nod

Dodgers, Cubs Hold onto Leads

Marvin Gans has been named director of physical education and athletics at Schoolcraft college to fill a recently created administrative position approved by the college board of trustees.

Announcement of Gans' promotion was made jointly by Dean of Student Affairs Edward V. McNally and Dean of Academic Instruction Robert A. Stenger.

Gans, 35, came to Schoolcraft in 1964 as a full time instructor in physical

Mini-Bike Drivers Need License, Too

Dick Faulkner, Novi detective sergeant and juvenile officer, cautioned parents this week that drivers, as well as mini-bikes, motor scooters and go-carts must be licensed.

Otherwise, parents can be prosecuted in traffic court for allowing unlicensed drivers to operate a motor vehicle on public streets. Maximum penalty is a \$100 fine or 90 days in jail.

Juveniles (16 years and below) can be prosecuted in juvenile court. Young violators 17 and older are tried as adults.

education. He was appointed chairman of the physical education department and has been in charge of the college athletic program.

Before joining the Schoolcraft faculty, Gans was a physical education instructor at Franklin High in 1963-64, and was on the physical education staff at Whitman Junior High, Livonia, from 1956 to 1963.

He coached the Franklin wrestling team from 1962 to 1964 and was reserve baseball coach at the high school in 1964. At Whitman he coached football and track and field.

A native of New York City, Gans received his bachelors degree from Hunter college in 1955, and a masters degree from the University of Michigan in 1956. He received the Ed. S. degree in physical education and athletic administration from the University of Michigan in 1964. In 1960-61, Gans taught physical education in an English country day school on the Isle of Wight as a Fulbright exchange teacher.

He is vice-president of the general division of the Michigan association of health, physical education and recreation, vice-president of the Michigan chapter of the association of overseas educators, a member of the national college physical education association for men, and the American association for health, physical education and recreation, and is a life member of the National Education association.

The Dodgers moved to the head of the Knott baseball league last week with a helping hand from the Angels.

In their only game, the Dodgers beat the Athletics, 7-3, as Rick Rushlow got credit for the victory. The victors scored two runs in each of the first

Standings

Knott Baseball	
Dodgers	5-2-0
Clippers	4-2-0
Angels	4-2-1
Yankees	3-3-1
Athletics	3-4-0
Indians	2-5-0
Giants	2-5-0

KNOTHOLE SOFTBALL	
Cubs	6-0-1
Panthers	5-1-1
Tigers	4-3-0
Rams	3-3-1
Cougars	2-4-1
Lions	1-5-0
Colts	1-6-0

three innings and the Athletics simply never caught up.

Meanwhile, the Angels pinned a 4-1 loss on the Clippers, the team that led the league at the end of the previous week's play.

Four consecutive singles produced three runs in the first inning and that spelled defeat for the Clippers. Robbie Clark, with two hits, led the Angels' attack, as Pitchers Scott Cummings held the Clippers at bay.

Rebounding from that defeat, the Clippers then clubbed the Giants 11-0 to stay on the Dodgers' heels. Pitcher Jerry Van Hellmont limited the Giants to one hit and walked only three.

Actually, walks won the game. The giants walked in 11 runs in the first inning, but Cary Eaker came on and didn't allow a Clipper to advance past second in the four innings he pitched.

Athletic Pitcher John Marshall then hurled a no-hitter against the Indians for a 7-2 victory as the Athletics continued to show improvement.

An error in the third inning ended

Marshall's bid for a shutout.

Rick Norton led the winners with three singles, while Todd Owens and Dave Mayer each scored three times.

Earlier, the Athletics pasted the tumbling Yankees, 11-0, sending them down to their third consecutive defeat. Once again, Marshall shined on the mound as he limited the Yankees to just one hit.

In the other game, the Indians beat the Giants, 8-3, behind the fine pitching of Bob Wright. The Indians scored four runs in the second and third innings on hit batsmen and walks.

With Pitcher Don Funk picking up both wins, the Cubs maintained their first-place edge in the Knott softball league last week.

But the Panthers stayed right on the Cubs' tails.

Funk first hurled an 11-0 shutout over the fading Tigers, giving up but two hits, both to Gary Mapes. Eric Lampela and Kurt Stevens both got

two hits for the Cubs, who scored six times in the first inning to win with ease.

Funk duplicated his previous effort by shutting out the Colts, 11-0. In addition, Funk spearheaded the Cubs' attack with two singles that drove in two runs.

Leading the Panthers to a 10-2 victory over the Cougars was Dave Heckerl, who had three for three at the plate. Keith Nolte scored both Cougar runs.

The Rams moved into contention with the Tigers for third place by winning two games.

They beat the Colts, 6-2, as Ken Chio gained the pitching victory and Jim Egbert had a double and three walks in four trips. Five runs in the third inning clinched the victory for the Rams.

Chio also sparked the Rams' 3-1 upset of the Tigers. He not only knocked in the winning run on a hit, he also held the Tigers to two hits.

Sports

T-Birds Win, But...

Although the Spagy T-Birds won both their games, as did league leading Phil's Pure, the Birds still lost ground in the Western Wayne county class F league.

This unique situation came about through a misunderstanding that would have wiped out the Birds' loss to Ministrelli. But Ministrelli did not have a 16-year-old playing for it as previously thought, which would have forfeited the victory.

cancelled. The clash between the T-Birds and Phil's has been tentatively re-scheduled for tomorrow at 6:30 p.m. at Northville high school.

Oil's Well In Class F

The Ely Oilers took over sole possession of second place in the Western Wayne county class F league by winning two games, while Bill's Market was beating the Casterline Braves.

That gave the Oilers an 8-2 record, compared to the Braves' 6-3 mark and Bill's 9-0 record.

Ken Lach, the Oilers' mound mainstay, struck out 10 and led the hitters with four in a 16-1 victory over University Litho.

Other top hitters for the Oilers were Jeff Jones, who had two triples, and Joe Corcoran, who stretched a single into a home run. Randy Hall and John Fialon also had hits.

It was an all-Northville show Saturday. The Oilers beat the Orioles 10-4 in 90 degree weather as Corcoran led the attack with three hits.

Lach, who relieved Jones on the mound after five strong innings, had two hits. Others were Rich Asher, Steve Mohr, Glenn Strange, Don Heffner and Brad McAllister, each with one hit.

Norm Guild led the Orioles. He had a long double with two men aboard and scored one run. Mark Grigg had a hit, scored a run and made several fine catches on long strokes into center field.

The Orioles didn't go without a win, however. They beat DiPonio 13-6.

Pitcher Scott Evans clubbed a triple and scored three runs.

Games scheduled for play last week Tuesday were rained out and will be re-scheduled.

The Oilers will play Bill's today in a showdown battle.

LARGE (1st Heat) — first, Dean Robinson; second, Steve Secchler; third, Carl Schwarze.

LARGE (2nd Heat) — First, Kathy Secchler; second Elizabeth Scharze; **MEDIUM (1st Heat)** — First, Pam Hove; second, Jeannine Long; third, Peter Wright

MEDIUM (2nd Heat) — First, Peter Wright; second, Susan Gensley; third, Cynthia Warner

SMALL (1st Heat) — First, Bob Schubert; second, Craig Suckow; third, Leslie Warner

SMALL (2nd Heat) — First, Jimmy Wilson; second, Bryn Hartshorne; third, Kevin Hartshorne

ALL EVENTS (1st Heat) — First, Lisa Wright; second, Sherry Bongiovanni; third, D. Honecker

ALL EVENTS (2nd Heat) — First, Judy Mullen; second, David Pelt; third, Jeanne Wilson.

Downs Features Trot, Pace

The trotters step into the limelight Friday and the pacers Saturday as Northville Downs swings into the final weekend of its 54-night summer meeting which continues through Wednesday, August 2.

Friday's preferred trot, with a purse of \$3,000, attracted all of the best trotters. The starters include such standouts as: Speedy R, winner of three at the meeting; Highleys Joan, the Sturgis flash who won 17 in a row a year ago; the Tom Winn entry of Grand Grady and True Valley; El Darno, and Good Pal's Billy.

Saturday's preferred pace will be headed by Poplar Sonny, the 10-year-old with earnings of more than \$100,000 who is making a spectacular comeback after being idled a year by a leg injury; Karen's Filly, winner of four in a row earlier in the meeting; Dick Dorwood, who has taken his only two starts at the track; Eddies Jet, Russet Chip and Biggs.

They're Winners

Playing on championship teams is becoming a way of life for two Northville high school youths now playing in the Detroit Baseball Federation.

They're Stan Nirider, Joe Donner and Jeff Taylor. Their team, West Seven, just won the class E championship and is playing in an elimination tournament. Nirider batted .333 and Donner, .395. Taylor is a pitcher.

They were also members of this year's championship Northville high school squad and will be back next year.

Juday Brothers Reunited On Ypsi Semi-Pro Eleven

For Coach Jug Girard

The brothers Juday, Steve and Bill, who went their separate ways in college, will be re-united on the same football field this fall.

Both have signed to play with the Ypsilanti Vikings in the Midwest league, a six-team semi-professional circuit. Director of Player Personnel Tom Jeffre announced this week.

When the Vikings open their season on August 12 against Pontiac at Rochester, it will mark the first time since 1959 at Northville high school that the sons of Mr. and Mrs. Richard Juday have played together.

That's the year Bill gained all-state honors as a senior guard and Steve was a sophomore quarterback. Bill then went to Vanderbilt university and captained the Commodores during his senior year.

Like Bill, Steve finished his Northville football career in a blaze of glory, including all-state recognition as a quarterback. At Michigan State university, Steve became co-captain in his senior year and piloted the Spartans to an undefeated season and a Rose Bowl trip, gaining All-American recognition in the process.

The brothers will be joining out-

standing collegiate stars on the Vikings, including Tom Cecchini, former linebacker and co-captain at the University of Michigan, Craig Kerby, former U of M end, and Lonnie Head, ex Eastern Michigan university star.

Coaching the Vikings is Jug Girard, who was an All-American at the University of Wisconsin and a professional punting star with the Detroit Lions. Other teams in the league that serves as a training ground for many

professional prospects are Flint, Lansing, River Rouge, Pontiac and Dayton, Ohio.

The league's best known graduate is Carl Sweetan, now tabbed as the Lions' starting quarterback. He played with Pontiac.

Any gridders interested in playing for the Vikings are urged to call Jeffre at 582-7507. "We're short on offensive and defensive linemen," he said.

Jayhawks Chase Flynn

The Mobarak Jayhawks picked up three wins during the past week to close ground on first place Flynn Modernization in the Novi Little League.

With the exception of one game, however, the margin of victory did not provide room for complacency.

First, the Paragon Steelers gave the Jayhawks a scare by scoring seven runs in the sixth inning. Final score: 12-11.

Jim Van Wagner, Mark Buman and Joe LaFleche had doubles to pace the Jayhawk attack, while Tom Shillito had a double for the Steelers. Keven LaFeche picked up the win.

Then, Novi Party Store tallied three runs in the final frame — after two men were out — but the Jayhawks held on for

a 4-3 victory.

Joe LaFleche got credit for the victory. John Pantalone, with two doubles and LaFleche with a triple led the Jayhawk batsmen. Chuck Foley and Larry Taylor each had doubles for Party Store.

Saturday the story was completely different. The Jayhawks romped over Party Store, 10-3, on the strength of an 11-hit attack and John Pantalone's three-hit pitching.

Pantalone also doubled and tripled to help his own cause. Other Jayhawkers bagging extra-base hits were David Ward, a triple, Joe LaFeche, two doubles, and Ron Frisbee and Van Wagner, a double apiece.

Party Store's hits, all singles, were garnered by Ron Buck, Larry Taylor and Bill Pierce.

Flynn won its only game of the week to remain one game up in the loss column on the Jayhawks. Five runs in the first inning and three in the second handed Flynn a 9-6 win over B-V Construction.

School Board Goes 'All Out' For Instructional Equipment

In an all-out effort to enrich Northville's instructional program, the board of education Monday night earmarked \$170,000 of building and site surplus monies for instructional equipment.

The allocation represents an investment of nearly 15 times that normally appropriated for this kind of equipment each year.

It also represents the board's long-term objective to "provide the instructional materials necessary to assist the

pupil learning process."

Admittedly, the board recognizes that previous capital outlay for instructional equipment has fallen far short of pupil-teacher needs. Monday's action is an attempt to "catch up" and maintain an adequate supply of tools to "meet both the individual pupil needs and future responsibilities expected by our society."

The problem in past years, it was explained during a working session last Thursday, is that when shortages in the budget developed, the instructional equipment allocation was tapped to offset shortages elsewhere.

Thus, many teacher requests for teaching tools were repeatedly postponed until teachers became discouraged and, in some cases, gave up "trying to get something they never received."

Some of this discouragement was voiced by teachers at a joint meeting of the teachers' negotiating team and the full board prior to the beginning of formal bargaining talks.

A built-in protection clause, recommended to the board by the three-member committee that developed the comprehensive building and site fund analysis, prevents this \$170,000 from being used for anything other than instructional equipment, board members emphasize.

Administrators, under this clause, may add monies to the instructional equipment category from other building and site outlays but they cannot take any monies from it.

Within the instructional equipment category, however, the board has allowed a "20-percent" leeway to administrators. Specific allocations for any one of these items may be decreased by up to 20-percent and this amount added to another instructional equipment item. In other words, allocations for each item under instructional equipment are guaranteed at least 80-percent of the money specified.

For example, \$19,000 has been allocated for audio-visual equipment. This figure could be reduced by up to 20-percent, but the 20-percent must be used to increase one or more of the seven other items under instructional equipment.

The other items, as outlined by the committee and approved by the board, are:

Language lab, \$18,000; science equipment, etc., \$18,000; business education equipment, \$27,500; additional shop equipment, \$25,000; library expansion, \$25,000; library console, additional equipment, \$17,500; band program, \$9,000; various instructional equipment aids, \$5,000, and equipment for Main Street elementary school, \$8,000.

Officials note that the \$170,000 represents the total expenditure to be made by the school for instructional equipment in 1967-68. The proposed operational budget now under consideration reportedly will not include capital outlay funds for this category.

Local Trio Makes WMU Dean's List

Three local students were included on the spring session dean's list at Western Michigan university, officials revealed this week.

They are: James G. Brueck, 47129 Dunsany, Martha Leslie Lane, 20172 Whipple drive, and Susan Lynne Smith, 40161 Buckingham court.

Because the spring session at WMU is only 7 1/2 weeks under the school's new year-round operating schedule, an intensified classroom work load minimum of seven hours is required for inclusion on the dean's list. A minimum of 14 hours is needed for the 15-week fall and winter semester lists.

Hey!—It's The Monkees

Northville Coach Lines has been contracted to transport the famous quartet, The Monkees, in their upcoming engagement in Detroit.

The local bus company will transport the teenagers' idols from Metropolitan Airport to their Detroit hotel and remain on a stand-by basis for any touring the group may wish to make.

A spokesman for the bus company declined to give the times of transporting The Monkees, pointing out that the group is so popular with young American fans they probably would be mobbed upon their arrival.

The bus company has made similar arrangements with musical groups in the past — including England's famous quartet, The Beatles. Northville Coach Lines is headquartered on Seven Mile road, across from Northville State Hospital.

Krause Honored

Maccabees Mutual Life Insurance Company honored its outstanding agents and general agents at its 1967 international sales conference held at the Broadmoor Hotel, Colorado Springs, Colorado.

Among those honored was Scott Krause, general agent, Northville, who, in the space of only six months not only qualified to attend the conference, but also built his agency to thirteenth place in company standings, officials said.

The four-day conference brought together over ninety of Maccabees Mutual's outstanding general agents and agents from the United States and Canada, who met the company's convention qualification requirements for attendance.

Mr. and Mrs. Krause and two of their children — Mark, 12; and Stephen, 10, continued on from the convention to tour Colorado and visited several of the national parks, including Grand Canyon, Sequoia and Yosemite.

Wheel Rolled

A spare tire and wheel were stolen from an automobile parked at the rear of 334 Yerkes street last week.

Norbert C. Parent told police that he parked his car in the back yard of his house at 12:10 a.m. on July 19. At 9:45 a.m. he discovered the theft and called Northville police.

Damage was done to the car, caused by thieves prying open the trunk lid. Replacement cost of the wheel and tire was \$40.

LAST DAY OF REGISTRATION SCHOOL ELECTION

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT: Please Take Notice that the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, has called a special election to be held in said School District, on Monday, August 28, 1967.

Section 532 of the School Code of 1955 provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides..."

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS, IN ORDER TO BE ELIGIBLE TO VOTE AT SAID ANNUAL SCHOOL ELECTION CALLED TO BE HELD ON MONDAY, AUGUST 28, 1967, IS

FRIDAY, JULY 28, 1967

PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M., EASTERN DAYLIGHT SAVINGS TIME, ON THE SAID FRIDAY, JULY 28, 1967, ARE NOT ELIGIBLE TO VOTE AT SAID SPECIAL SCHOOL ELECTION.

Under the provisions of the School Code of 1955, registrations will not be taken by school officials and only persons who have registered as general electors with the city or township clerk of the city or township in which they reside are registered school electors. Persons planning to register with the respective clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This Notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

Glenn L. Deibert
Secretary, Board of Education

Night Watch in Northville

Like every other Wayne county community, Northville imposed a 9 p.m. curfew Monday. Strict precautions were taken to prevent spreading of the violence that gripped Detroit. Orders were issued shortly before 6 p.m. by Mayor A. M. Allen in the city and Clerk Eleanor W. Hammond, acting for the supervisor in the township,

invoking the 9 p.m.-5:30 a.m. curfew and prohibiting the sale of alcoholic beverages, fire arms, ammunition or inflammable liquids in containers. Police patrolled the area warning all motorists and pedestrians to return to their homes. The abandoned streets, closed stores and presence of officers armed with riot guns created a

scene that was made even more eerie by the fact that all street lights in and around the business district were off. City work crews had cut a Detroit Edison power cable Monday morning and repairs were not made until after 1 a.m. Tuesday. See page one for more details on how rioting in Detroit affected the area.

Priced Right and Fully Guaranteed

from the PASTOR'S STUDY

Ray Pippins, Minister
Church of Christ, South Lyon

Walter Dill Scott said, "Mental attitude is more important in a man's success or failure than his mental capacity." Long before Walter Scott, the wise man Solomon said, "As a man thinketh in his heart so is he" (Prov. 23:7). The apostle Paul said, "Fix your mind on things that are true, and honorable, and just, and pure, and lovely, and praise worthy." Jesus in the great Sermon on the Mount said, "Blessed are those that hunger and thirst after righteousness for they shall be filled" (Matt. 5:6). The man, woman, boy or girl that hungers and thirsts after righteousness has the proper attitude toward God.

Jesus also spoke of the good soil in the parable of the sower, who was the man with the good and honest heart, one that had the right attitude toward the word. (Matt. 13:23) Paul told the Thessalonians that God would send a working of error to those that did not have a love for the truth in order for them to believe a lie and be damned. (II Thess. 2:10-12).

Jesus said, "You shall know the truth and the truth shall make you free." (John 8:32) "Blessed are the poor in spirit for theirs is the Kingdom of heaven" (Matt. 5:3). Again he says, "Blessed are the pure in heart for they shall see God." (Matt. 5:8) Jesus placed paramount importance on the attitude of the heart of man. So it is not only important what we do religiously, but why we do it. Jesus one day made some spittle, put it on a blind man's eyes, and told him to go wash in the pool of Salome. The blind man did as Jesus said and came seeing. Friends, this blind man could have washed in that pool all day and never have had his eye sight had he not been obeying Christ.

Many today are doing many things religious but are not obeying Christ. It is possible for us to do some of the things Christ commands, but we are not obeying Christ because this is not why we do them. Do we do what we do because Christ commanded it, or because this is what the church says? Do we do it because we think it is the best thing to do. Are we honest because we

think honesty is the best policy, or because we are following Christ? Do we obey the laws of the land just to stay out of jail, or because it's our duty as followers of Christ? Do we attend church services because we like the preacher, like the singing, and it makes us feel good because the people are friendly? Friends, these and many other reasons are not good enough reasons to please God. We must worship because God wants us to and we want to do that which pleases him.

Jesus has commanded that every man, woman, boy or girl that would be saved must believe in him (John 8:24). Repent of (turn away from) sins (Luke 13:3 Acts 17:30). Confess him before men (Matt. 10:32 Romans 10:9-10 Acts 8:37) and be baptized for remission of sins (Mk. 16:16 Acts 2:38). How many are there who read this that will have the right attitude toward it? Will you accept it and obey it because it is the word of the Lord. Say with Samuel, "Speak Lord thy servant heareth, command and I will obey."

Church School Announced

Vacation Church school at the New Hudson Methodist church will begin Monday, July 31, and continue each week day through August 11. Classes will be from kindergarten through junior high age and will run from 9 to 11:30 a.m.

Co-directors Betty Cash and Marion Green have issued an invitation to all community youngsters to attend. Play clothes will be the accepted dress for fun and studies.

Kindergarten teachers are Alice Underhill and Jo Ann Penn; first and second grades, Phyllis Esarey and Mary White; third and fourth, Ruby Templeton and Sally Cash; fifth and sixth, Edith Potts and Ann Wurster; seventh and eighth, Shirley Mitchinson, Mrs. Green will be in charge of music; Pat Simek, refreshments; and Cindy Karl, recreation.

PLYMOUTH ASSEMBLY OF GOD

42021 Ann Arbor Trail

Pictures are made by fools like me. But it took an architect-friend to help me appreciate this one.

"I'm always impressed," he said, "when someone puts beauty and meaning where otherwise there would have been nothing. That's what God did when he made this tree!"

Photographers like to pretend they're philosophers. So I titled my picture *Where There Was Nothing...*

Next Sunday my architect-friend invited me to church. A bit overwhelmed by this sudden solicitude for my long-neglected spiritual welfare, I went. And there a remarkable discovery awaited me!

It is a drab expanse of broad, flat years which I call my life. And only God seems able to put beauty and meaning where otherwise there was nothing. Every Sunday a new truth grips me. Every Sunday I discover a new tree!

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

WORSHIP WITH YOUR FAMILY
AT THE CHURCH OF YOUR CHOICE

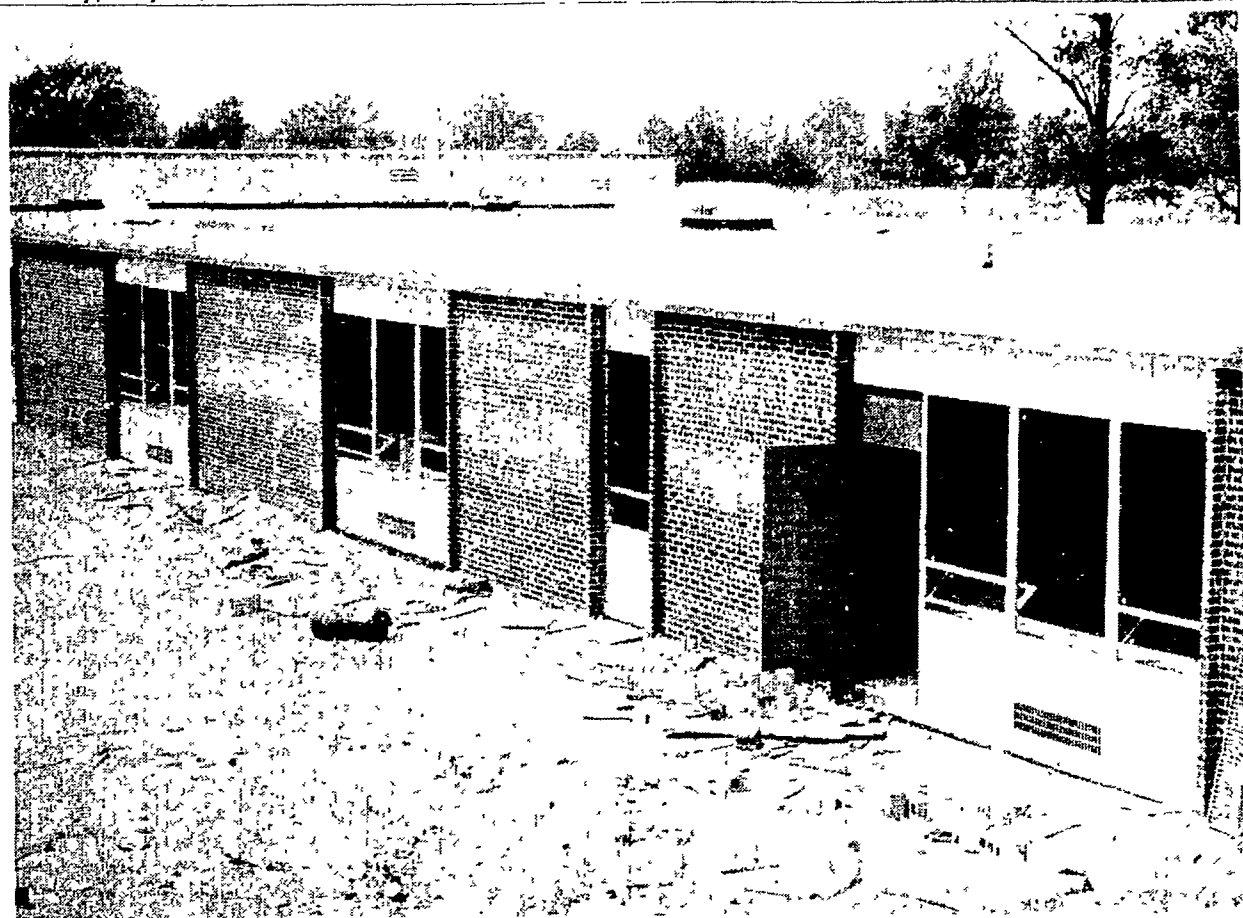

We'd like your next
water heater to be electric.
So we'll pay
installation costs.

We're so sure you'll like a new electric water heater, we'll pay for wiring and plumbing connections. And give you a year's money-back guarantee, besides.

As for cost, a 50-gallon electric water heater, big enough for most families, operates for only about \$3.30 a month in normal use. Call your plumber, appliance dealer or Edison office. As long as your new, approved electric water heater is installed on Edison lines, in any residence up to and including a four-family flat, installation is free.

We offer the same free installation on newly purchased electric dryers, (except venting) and newly purchased electric ranges.

Edison lowers the cost of all-electric living

Plymouth Sets Plans For Annual Fall Festival

The 1967 Plymouth Fall Festival will be held September 7-10 inclusive. Held every year the week following Labor Day, this year's festival will also be part of Plymouth's year-long centennial celebration.

Incorporated in 1867, Plymouth has planned a year of activities to celebrate its 100th birthday.

One of the highlights of this celebration will be the Fall Festival. During past years, this four-day event has drawn approximately 50,000 people to this city of 10,000. It is anticipated this year's festival will, because of the centennial celebration, be the largest ever held.

As always, this year's festival will stress wholesome, family entertainment of the type found in the early 1900's.

Opening Thursday night, September 7, will be a German night featuring a dinner of knockwurst and sauerkraut,

put on by the Business & Professional Woman's club.

Friday will feature the Lion's club old fashioned melon and ice cream social.

Saturday, September 8, the Kiwanis' club will serve pancakes all day with a rib-dinner featured in the evening, served by the Jaycees.

The festival will close Sunday, June 10, with the Plymouth Rotary Clubs' famous barbeque chicken dinner.

Throughout the festival, there will be an antique show, sponsored by the Plymouth Symphony League. This show has attained the reputation of being one of Michigan's outstanding antique shows.

In Uniform

San Diego, California—Hospitalman Apprentice Ronald J. Williams, USN son of Mr. and Mrs. Morris E. Williams of 57934 Travis road, Wixom has completed the basic Hospital Corps School at the U.S. Naval Hospital in San Diego, California.

The four-month course teaches hospital corpsmen and corps WAVES to assist in the applying of bandages and dressings, taking of temperatures and care of ward patients.

With further on-the-job training, he will be able to assist in physical examinations, perform first aid and be trained in operating room, laboratory and X-ray room procedures.

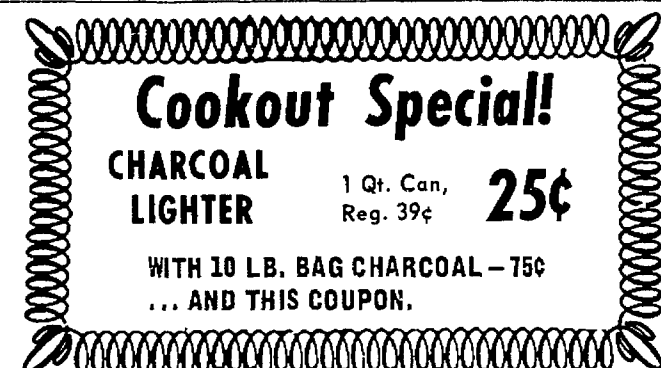

USS Vesole — Seaman James F. Byrd, USN, son of Mr. and Mrs. Raymond J. Byrd of 1865 Charms road, Wixom visited Expo '67 at Montreal, Canada while serving aboard the destroyer USS Vesole.

The destroyer was designated as part of the United States Pavilion and held open house for all visitors to the pavilion.

On their way to the exposition, the crew of the destroyer conducted exercises to improve their ship's combat readiness. These exercises included touch-and-go landings of radio-controlled helicopters, gunnery practice, and tactical maneuvers southwest of Newfoundland.

TOUCH AND GO — Uncertainty hangs over completion of the new Northville junior high school and the additions to the Novi high school, both on Taft road, in time for fall opening. Possible wringer in Northville is installation of the sewer line under Eight Mile road. According to Earl Brouard, a sewer bid will be awarded soon and hopefully, construction will be completed within four to six weeks. Otherwise, class room areas are expected to be completed on schedule. In Novi, the picture is less grim. Superintendent Thomas Dale said that since priority has been given to completion of the library, typing, drafting and chemistry rooms and art annex, they will be ready.

A recent used car survey shows:

HERE'S WHAT USED CAR BUYERS LOOK FOR WHEN BUYING...

WHAT THINGS WERE IMPORTANT TO YOU IN DETERMINING THE NEED FOR A USED CAR?

1. Amount I could afford to pay
2. Previous car was worn out
3. Son/daughter/wife needed a car

WHAT DID YOU FEEL WAS IMPORTANT TO YOU WHEN YOU WERE LOOKING FOR A USED CAR?

1. Good mechanical condition
2. Good overall condition
3. A price I could afford
4. Reliable, dependable transportation

WHAT MADE YOU DECIDE TO BUY FROM THE DEALER YOU DID?

1. Price was right/a good deal
2. He had the car I was looking for
3. I've been satisfied in previous dealings with him

BEFORE YOU BOUGHT YOUR USED CAR FROM US, DID YOU SHOP AT ANY COMPETITIVE-MAKE DEALERS?

- Yes—88%
No—12%

HOW DID YOU DECIDE TO BUY THE MAKE OF CAR YOU DID?

1. Previous satisfaction with that make
2. The price was right
3. I like those products

WHAT WAS THE GREATEST HELP TO YOU IN BUYING YOUR USED CAR?

1. The Ford Dealer
2. Past experience with the make I bought
3. The newspapers

When you're looking for a used car you can afford... a used car you can trust... look for the **A-1** Used Car sign! See

NOVI HIGHLIGHTS

Mrs. H. D. Henderson
FI-9-2428

Mr. and Mrs. Homer Kent are entertaining this week the latter's relatives Mr. and Mrs. Robert Mathias and sons, Mike and Bobby Jr. from Penn Grove, New Jersey. On Sunday they took a trip to the Irish Hills and on Monday they visited Greenfield Village.

Mr. and Mrs. Anthony Skeltis and Diane, Jim, Tim and Penny returned last Saturday from two weeks of vacation in the upper peninsula. They traveled through to Sault Ste. Marie then followed the shore line of Lake Superior and the border line between the UP and Minnesota and Wisconsin to Iron Mountain after which they spent four days at Indian Lake. They traveled approximately 2000 miles.

The Mel Ott Little League of St. Matthews Lutheran church of Walled Lake of which Ronald Rice is a team member, won a trophy for their division, also the runnerup trophy for the second division. The leaguers were guests of the Detroit Tigers during the Tiger-New York Yankee game in Detroit last Friday. At the festivities after the game Micky Mantle of the New York team presented the trophies to the Mel Ott Little Leaguers.

Among the returning vacationers last week were Mr. and Mrs. Willis Miller and family. They toured as far as the locks then spent the nights all at different places of interest throughout northern Michigan. On the way home they visited friends at Evert and Mr. and Mrs. Wendall Brooks at West Branch.

Before going on their vacation the Willis Millers entertained the latter's uncle and aunt, Mr. and Mrs. William Grunwald of Riverside, Illinois. After leaving the Millers the Grunwalds visited their daughter and family in Grosse Ile.

Mr. and Mrs. George Webb spent Sunday with their daughter and son-in-law, Mr. and Mrs. Philip Hazlett in Milan. The Hazletts are getting ready to move into their new home.

Mr. and Mrs. Louis Tank had several dinner guests on Sunday. They were their cousins, Mr. and Mrs. Peter Gillies of Berkley, Mrs. Tank's sister and husband, Mr. and Mrs. George Glosser of Detroit and Mr. and Mrs. Clarence Gehl of Commerce. Mr. Albert Buck of Nine Mile road passed away very suddenly Saturday night.

Mrs. Lydia Upton from Sedgley, England is visiting her niece, Mrs. J. W. Erwin for a while this summer. More parents are welcome to ask

company their youngsters as chaperones on Tuesday and Thursday afternoon when they go to Maple Beach at Kensington Park as a part of their summer recreation program.

The committee will have a cityhood meeting at Marquette Realty, Grand River and Novi roads on Saturday at 2 p.m.

Mrs. Marie LaFond was among the

relatives who helped to celebrate the birthday of Cameron Cogsdill in Milford Sunday evening.

Congratulations are in order for Mr. and Mrs. William MacDermald who celebrated their 25th wedding anniversary on Sunday July 23 at their home on Stasson street. Open house was held from 2 p.m. to early evening. Among the 50 guests present from out

of town were Mrs. MacDermald's sister and her husband, Mr. and Mrs. Norman Gebert and Mr. MacDermald's sister and brother-in-law, Mr. and Mrs. William Krusiewicz from Utica. The MacDermald's wedding date was July 22, 1942.

Mr. Howard Greer, a resident of Novi for many years, died at the Whitehall Convalescent home early Monday

morning. Funeral services were held at Casterlines Funeral Home Wednesday at 2 p.m.

Mrs. William Rackov and grandson, Brian and Mrs. Orville Whittington spent a few days at the Rackov cottage in Northern Michigan.

Recently returned vacationers are Mrs. Hildred Hunt and Mrs. Jennie Champion. They spent two weeks traveling through the western states. They visited the Rushmore Memorial in the Black Hills, Denver, Colorado, Rapid City and many other interesting places.

Mr. and Mrs. Royal Snow are back home again after a week of vacation at Arbutus Lake near Traverse City. WILLOWBROOK NEWS

Rev. and Mrs. Arthur Norris had guests this past weekend. They were Mrs. Norris' parents, Mr. and Mrs. Howard Ness and son, Philip and daughter, Susan of Marion, Ohio. Susan will spend a few weeks with her sister and family.

Sunday dinner guests of Rev. and Mrs. Norris were Mr. and Mrs. Edward Laughlin and daughters Ruth, Carol and Alicia from Sturgis.

Mr. and Mrs. L. C. Richardson made a weekend trip to Milwaukee, Wisconsin where they visited the latter's parents Mr. and Mrs. Albert Schultz.

Larry Smith, son of the Russell Smiths is spending a week of vacation as the guest of Mr. and Mrs. Gordon Merritt at their Carroll Lake cottage. E.U.B. WILLOWBROOK CHURCH

The assembly program is being held at the Lakeside camp near Brighton all of this week and will conclude Sunday, July 30.

Next Sunday morning July 30 there will be an outdoor service at the church at 10 a.m. followed by a family picnic at noon. In case of rain the picnic will be held inside. Each family to bring a passing dish and own cold beverage. A free will offering will be taken to cover the expense of the hot dogs, rolls and coffee. Everyone is invited to join in the fun and fellowship.

HOLY CROSS EPISCOPAL MISSION

Rev. John J. Fricke II is back from his vacation and had charge of the Sunday morning service.

Mr. and Mrs. Robert Garbin in spite of their busy summer, have had time to refinish and antique the baptismal font. They are congratulated on a job well done.

News about ill members: Mr. E. Elston Poole came home from New Grace hospital last Friday but was rushed back on Saturday as an emergency patient. On Sunday his condition was reported good.

Mrs. Sturman's daughter is still a patient in Old Grace Hospital. Jimmy Ruland is recovering rapidly at home and is gaining weight.

Until Mr. Poole is better, please

contact Mrs. Louis Tank FI 9-0878 if you have garden flowers for the altar. These flowers are greatly appreciated by the church congregation.

NOVI METHODIST CHURCH

Dr. LaVern Finch of Ann Arbor, former District Superintendent, was the guest speaker this past Sunday. Vacation church school will be held August 14 through August 18.

The all church picnic will be held August 13 beginning at 12:30 p.m. on the church park grounds.

There was a good attendance of Methodists for the services at Whitehall Convalescent home on Ten Mile road Sunday afternoon.

NOVI BAPTIST CHURCH

The Vera Vaughn Circle has started the fall canning for Southland Bible Institute. Needed is a chairman to coordinate the activity. Anyone wishing to contribute produce or wishing to can at home call Mrs. Jackie Wilenius, president of the circle.

Next Sunday evening the Senior Hi will be sponsoring youth night with Jay Warren bringing the message. Jay recently graduated from Moody Bible college and will be attending school in East Lansing. Youth choir practice will be at 5:00 p.m. and during youth program they will be playing Bible Baseball. All young people should study Acts, Chapter 1-9.

All young people planning to go to Camp Hiawatha are urged to contact the church office if they have transportation or financial problems, so something can be worked out. Some of the young people need to earn money for camp and are desirous of finding work such as baby sitting, ironing, cleaning, etc. Contact the church office at FI 9-3477 if you need help with anything.

Sunday school picnic scheduled for July 29 has been postponed until August 26. More details at the next Workers Conference scheduled tentatively for August 8.

The Novi church baseball team played Commerce Methodist at Wixom elementary school on Tuesday at 6:30, this was the second game of the playoff. The last possible game will be Thursday with a banquet planned.

The Senior Hi Youth group will be calling Wednesday night with the regular scheduled calling program. This group also is sponsoring a project of tract racks for the church building. NOVI FARM BUREAU

The Novi Farm Bureau had their annual picnic at the Willows in Cass Benton Park Tuesday evening.

BLUE STAR MOTHERS

Novi Chapter 47, Blue Star Mothers will meet at the home of Mrs. Hazel Mandlik on West street next Thursday August 3. They will meet in the morning and work on things for the bazaar. Bring own sandwich and dishes, the hostess will serve a dessert luncheon.

FROM OUT OF THE PAST

Five Years Ago...

The petition of Echo Valley subdivision residents for annexation to the Northville school district was denied in joint meeting of the Wayne, Oakland and Washtenaw boards of education. The decision will be appealed.

The Northville city council decided to pursue its inquiry into the sale of sewer capacity in Wayne county's Middle Rouge system to Oakland county and specifically, Novi. Councilmen question whether there is sufficient capacity to the Plymouth-Northville line.

Northville bid good-bye to its four exchange students, Manfred Bartelt of Lubbeck, Germany, Klaus Borkmann of West Berlin, Germany, Amelie Segfridson of Lanoskrona, Sweden, and Tony van der Meer of The Hague, Holland.

Dr. Joseph G. Molner, county health commissioner, urged Northville residents to "make it a family affair" at the county's polio clinic to be held July 23 in Northville.

The Wash-Oak school board will not act upon the petition asking for the resignation of Louis Wallenmaier, school board president. Instead, the board will await action by the Washtenaw county board of education.

Ten Years Ago...

A milestone in Northville township progress was reached when construction began on the first sewer line designed specifically to serve a township subdivision. The subdivision itself - a 370-home development southwest of Bradner and Franklin roads - will be the first complete commercially-built project in Northville township. The sewer line extended eastward for 1,800 feet from the Middle Rouge Interceptor to the site.

Superintendent of schools R. H. Amerman was improving under treatment at the Mayo clinic for what doctors found to be a bone injury.

and Philip Ogilvie, city attorney, was in the University of Michigan hospital for a back ailment.

Approval was given by the Northville board of education for hiring a former college instructor and holder of a doctorate degree as an administrative assistant in the local school system. He was Dr. Kenneth McLeod.

The decision of six mentally disturbed teenagers to gang-up on the attendant and escape from the Northville State Hospital threw the Seven Mile road institution into the center of a hot political controversy.

Wixom officials, elected just a week earlier, lost no time in setting as one of their first goals the incorporation of the new village into a fourth-class city.

A dozen residents of Beck road who were fed up with dust, chuck holes and heavy traffic, sought relief from Novi township and the village of Wixom, the municipal bodies with jurisdiction over the roadway.

Joseph Stadnik barely edged out Wesley McAtee in the Wixom village race for mayor. Stadnik polled 169 votes to McAtee's 166. Everett Pearsall finished with 89.

Elected to the council were Gerald Abrams, Robert Wagnitz, Jesse R. Birchard, Walter Tuck, Mrs. Lottie, and Chambers, and Gunnar Mettala.

Twenty Years Ago...

The Northville Downs night racing harness season, which was to continue through September 13, was launched on a record-breaking scale with a crowd of 9,247 spectators - biggest opening crowd in the track's four year history.

Northville school buildings were being renovated preparatory to opening of school. Caretakers Frank Cochran, Alfred Sorg, Ernest Bampton, Floyd Ellison, William Lemmon and Barton Connors, were doing most of the repair work.

Northville Township Board Official Minutes

Meeting of July 5, 1967, Northville Township Hall. Meeting called to order at 8:00 p.m. Members present: Supervisor R. D. Merriam, Clerk Eleanor W. Hammond, Treasurer Alex M. Lawrence, Trustees: Thos. Armstrong, Bernard Baldwin, Gunnar Stromberg, James Tellam.

Consultants: Attorney John Ashton, Engineer William Mosher. Visitors: J. P. Lynch, Jack Hoffman, James Littell, K. Rathert, two constables and eleven area residents.

Minutes of the June 6, 1967 meeting were approved as presented.

Treasurer's report presented and approved as submitted.

Office Receipts for June, Township Bills Payable, and Water & Sewer Dept. Bills Payable were reviewed. Armstrong moved to pay all current Township bills, seconded by Baldwin. Ayes: All. Motion carried.

Building Department report was reviewed. It was explained why a permit is necessary when a house is to be moved or demolished.

Planning Commission Minutes for June 27, 1967 were accepted.

Correspondence:

1. A letter to Dr. Yudashkin of Northville State Hospital, together with his reply, concerning patients who are allowed to leave the hospital premises.

2. Letter from the Plymouth Kiwanis asking permission to erect a privy, according to established Wayne County Health Department standards, on the grounds of the Plymouth State Home, for special group outdoor affairs. Mr. Ashton suggested that they apply for a building permit, and if it is not approved, they could then take the matter to the Appeal Board.

3. Letter from Mr. Ashton, explaining the suit filed by Lapham in the Wayne County Circuit Court, before Judge George Martin. It will be some time before any action will be taken on this suit.

Old Business:

Bradner Road Paving - The Road Commission felt that there had been too great a time lapse since the presentation of the petition for the paving of Bradner road, and suggested that new petitions be presented. They are now considering paving only half the regulation width of the road. Merriam expressed his concern against any such "half a road".

Northwestern Child Guidance Clinic - Attorney Ashton gave his opinion that the Township could legally give financial support to this agency, and that it now becomes a matter of the policy of the board. After discussion as to the use of the clinic by area residents, the matter was tabled for further information and study, on a motion from Stromberg, seconded by Lawrence.

Ayes: All. Motion carried.

Vacation of Elk Road - This road was originally dedicated as a half road. If it is vacated, the entire 30 feet would be returned to the adjoining property owners. The Planning Commission has considered, and approved, the vacation. Armstrong moved that the Supervisor sign the proxy indicating to the Road Commission that the Board has no objections. Baldwin seconded. Ayes: All. Motion carried.

\$100.00 Sign Bond - Merriam asked that this matter be put over to the next meeting because he wished to look into it further, and a new resolution would need to be drafted before any final move is made. No objections.

Dog Fees - Mrs. Hammond's study shows that our dog licensing fees are not out of line with other areas, but that boarding fees and fines for violating the dog ordinance are low. Her cost study indicates that the township fell into the "red" for over six hundred dollars last year, for dog control. On the recommendation of the Clerk, Stromberg moved that the boarding fee be raised to four dollars a day, and the violation fine be made \$3.00 for the first offense, and \$5.00 for each offense thereafter. Lawrence seconded. Ayes: All. Motion carried.

Thompson-Brown Plat - The conditions for approval of this plat have not yet been met. Matter tabled pending further action from the Thompson-Brown Company.

Cusumano Property - Merriam reported that he had sent a letter to the Cusumano Brothers suggesting that the portions of their building that are not up to code be removed.

Hillgas - The required sewer tap to the special line on Northville road has been made and the sewer is now in service.

Bradner-Five Mile Road Rezoning - Mr. Jerry Helmer has requested that this property be re-zoned to B-1. Attorney James Littell spoke on his behalf, declaring in summation that the present residential zoning on this property has created dead land without residential value and is of a confiscatory nature. Residents of adjoining property were permitted to state their reasons for objecting to the rezoning. Baldwin, Stromberg, Lawrence and Armstrong said that they had visited the area in question to observe at first hand what the problems might be. Armstrong moved that the request for rezoning be denied on the basis of the Planning Commission's findings. Tellam seconded. Ayes: Armstrong, Baldwin, Stromberg, Tellam. Nays: Hammond, Abstain: Lawrence. Motion: Carried.

Unification - Merriam announced that the next meeting on City and Township Unification study would be held on Tuesday, July 11, 1967 at the City hall, to be attended by Baldwin and Stromberg.

Workmen's Compensation - Mr. Rathert, of the Northville Insurance Agency, spoke to the Board explaining Workmen's compensation. The Michigan State Accident Fund rate, for our township, is \$604.32 per year, covering eleven full time or part time employees. This amount is adjusted at the end of the year, depending on actual payroll expenditures. Two identical bids were presented. Stromberg moved that the insurance be purchased from Mr. Rathert's agency, seconded by Lawrence. Ayes: All. Motion carried.

SEMOG - Merriam reported on the most recent meeting of the Southeast Michigan Council of Governments. He said he is not completely satisfied with the organization so far. Progress is very slow on adoption of the By-Laws. Another reason is that in the event we would ever wish to apply for any Federal Funds, we could apply only through the Council. He will reserve further judgment until he has attended another meeting or two.

NEW BUSINESS

Swim Pool Inspection Fee - It is recommended by the Building Department that the township make a five dollar annual charge for the inspection of swimming pools, as such an inspection is required under the Swim Pool Ordinance. The inspection would include fencing and safety equipment, but not the water itself. Tellam moved to adopt this fee. Seconded by Stromberg. Ayes: All. Motion carried.

Film Showing - Because of a recent incident in the Township, Mr. Wolf asked permission to use the township hall some evening in August, to show a free film called "The Molester". He would see that the showing was advertised as it would require an attendance of at least 25 people in order to secure the film. Merriam promised to check on the matter.

In further business Mr. William Smith presented a complaint against motorcyclists who are using the Greenspan property for racing and gatherings, saying that over 100 cycles could be found there at one time, even as late as 3:00 a.m. Mr. Merriam will call and get a letter from Mr. Greenspan, to take to the Wayne County Sheriff's Department, to aid them in attempting to remove this source of trouble and noise.

Meeting adjourned at 10:55 p.m.

Eleanor W. Hammond, Clerk

One of the many hats of Consumers Power

Careful Planning

Consumers Power "Careful Planning" makes natural gas service a continuing bargain in your family budget. It helps to cook, clean, wash, dry; it cools and heats today's modern home - all with astonishing economy. Although the total cost of living nearly doubled in the past 20 years, Consumers Power customers are paying only pennies more per unit today than they did in 1946.

Where "continuing progress" is more than just a slogan

News Around Schoolcraft

Student leaders and college officials at Schoolcraft college have set in motion a plan aimed at giving students a greater voice in developing and enforcing student regulations on campus.

At an exploratory meeting at the college recently, officers of the Student Senate, official student governing body, and top administrators agreed, among other things, to establish ground rules for regular conferences on a monthly basis, and discussed a suggestion calling for weekly open meetings of the entire student body.

Topping the agenda at the initial meeting were recognition of fraternities and sororities, student dress regulations, and establishment of a Schoolcraft College Alumni association.

Official recognition by the college of Greek social groups has been a matter of interest and concern among some students for some time. Although several such groups exist at the college, they have until now operated on a sub-rosa level.

Senate representatives reported that a canvass of 19 other two-year colleges in Michigan showed that six institutions have Greek organizations on campus, five of the institutions recognize the Greeks, and one campus has a chapter of a nationally affiliated group.

Administrators asked the Senate leaders to develop a set of ground rules for the operation of fraternities and sororities, to include academic standards, financing and relationships with both the Senate and the administration of the college.

The proposals will be presented at the August meeting. Final decision on college recognition of fraternities and sororities rests with the Board of Trustees.

The Senate was also asked to present a set of revised regulations covering student dress on campus. Present rules explicitly prohibit the wearing of slacks or shorts by women students and shorts by men students. These rules are normally relaxed during final exam periods and at other times during the school year.

The student leaders also volunteered to undertake organization of a college alumni association.

Another result of the meeting was reaffirmation of existing college policy that recognizes the Senate as the official voice of the student body. Administrators and student leaders were agreed on the Senate's role in assisting in the shaping of policy decisions affecting student activities on campus.

SAFETY-MINDED HOMEOWNERS...

make sure that heating systems are in good condition and that electrical circuits are not overloaded. They practice good housekeeping too, so that fires can't find a place to start.

SAVINGS-MINDED HOMEOWNERS...

recognize the value of a State Farm Homeowners Policy... the low-cost, package policy that provides all the protection most homeowners will ever need for home and belongings... plus protection for themselves in case of lawsuits. If you're savings-minded, but need big protection too, ask me about a State Farm Homeowners Policy.

SPEAKING for The Record

By BILL SLIGER

At least 90 per cent of the news articles appearing in The Record and Novi News are written locally, either by regular staff members or community correspondents.

Exceptions are the Roger Babson and Michigan Mirror columns. The latter is written by Elmer White, executive secretary of the Michigan Press Association.

I mention the fact because of the "Mirror" column appearing this week on page 7-B. Except for its expertness, I am sure there are many who might suspect that it had come off the "Speaking" typewriter.

Elmer outdoes himself in touching exactly upon the excuses for, and pitfalls of, holding "secret or executive" sessions by public officials.

Because his office serves as a clearing house for matters concerning nearly every weekly and daily newspaper in the state of Michigan, Elmer has his hand on the pulse of public affairs. Therefore, it's worthwhile noting that he points to school boards as the chief offenders when it comes to closed sessions.

We've found the same condition locally, and have said so frequently. But private sessions aren't confined to boards of education—the elected bodies of city, village and township governments also find it a handy device for smoothing out rough edges so that all members have a "clear understanding" before meeting in public. It's a device for eliminating unpleasant controversy while, incidentally, stifling minority opinion that could attract public support.

Fortunately, such sessions appear to be losing, rather than gaining popularity in Northville. Oh, a few of the members on certain appointive and elective bodies still like to "get together informally" to coordinate their thinking. But in the main, Northville school, city and township officials conduct their meetings in an open, give-and-take atmosphere and have shown complete willingness to cooperate with the press.

In Novi, however, the school board has shown signs of falling into the same category as described in the "Mirror"

column. For "convenience" they have met with little or no public notice.

Ironically, private sessions—though completely innocent and free of wrongdoing—usually lead to suspicion and greater public attendance at regularly scheduled meetings.

There are times when executive sessions are necessary. But they are few. And, in my opinion, the mark of an able public body is one that has done its homework so well that it is strong enough to speak up loudly and clearly in front of a roomful of constituents and have no fear of defending its action.

Secretary of State James Hare points out that there's a place for humor even in the deadly serious business of trying to prevent traffic accidents.

For proof his office submits some samples of slogans for traffic signs developed by inmates at Southern Michigan Prison in a driver's education television reading course conducted at the prison by the Department of Corrections—

Brooklyn, N.Y.: ... "So STOP awready!"

In Beverly Hills, Calif.: ... "Welcome to Beverly Hills, dahling! How mahvelous of you to come! 150 M.P.H. speed limit but watch out for girls."

Quakertown, Pa.: ... "Thou shalt not U turn. This means thee."

Goldwater Highway in Phoenix, Arizona: ... "Keep to the (extreme) right."

West Point, N.Y.: ... "Halt ... two ... three."

New Orleans, La.: ... "Don't be in dat number when the saints go marchin' in."

Greenwich Village, N.Y., traffic light: "Cut out (green) and cool it (red)."

Washington, D.C.: ... "There is a dip ahead according to a reliable source."

Las Vegas, Nevada: ... "There's a bridge out ahead. Odds are 4 to 1."

Top of the Deck by JACK W. HOFFMAN

So when this friend says to my wife, "My, isn't that nice," the kind lady in our home replies with tongue-in-cheek, "Oh, yes, just lovely...I simply can't wait."

But wait she does each year, counting the hours and minutes like a guy waiting for the executioner to ring down the curtain. And then it's here, finally, the moment of truth and she's forced to reveal her true sentiments:

"Must we really go again this year? Can't we just stay home and relax?"

It's at times like these that the juices of my persuasive genius start working. Look, I ask her, would you deprive five beautiful children of the opportunity to commune with nature, to exercise their bodies, and sup at the brink of loveliness?

"Certainly not, but why must we live in a tent? It stinks...I mean it smells like...like a tent. Why not a little motel or lodge on the edge of a little lake someplace?"

Ah, my dear, you fail to grasp the point of my argument. How can you appreciate nature from the interior of a wooden frame, created by the hands of those who are com-

mercially oriented? To live under the stars with but a thin shelter for your head is to enjoy the outdoors at its best.

"But the tent leaks."

Into each life some rain must fall, my dear.

"True, but with our patio washing away in those last rainstorms we've already had our quota of water. Besides, the dog doesn't like the tent."

That is only because she appreciates the outdoors and desires an even closer communication with nature.

"Yes, but who takes her when she wants communication? Me. That's who. You don't have to cook the meals on that burner that never works, or chase after the kids, or wash their clothes, or cook those smelly fish you bring home. You should but you don't. It's you and the kids who get the vacation. For me it's housekeeping all over, without the conveniences we have at home. Take that and smoke it."

No need to get violent, my dear. Don't I put up the tent? Don't I keep a tight ship? Don't I get the ice? Don't I put my life in jeopardy by boating

out into the lake to catch fish for the table? Don't I? Well, don't I?

"Yes, Mr. Daniel Boone, I guess you do. But what happens to that bravado when a snake sneaks into the tent? Why, you even panic at the sight of a blood-splattered mosquito."

Wait a minute...wait a minute. I'm trying to keep this discussion on a high level. But I'm not going to permit my good name to be dragged through the mud. That snake was dangerous and I was simply making sure the tent flap was up so everyone could get out quickly. As for the mosquito, how was I to know someone squashed him on my arm and it wasn't a snake bite?

"Ha, that's a laugh."

Don't get smart-alecky, now. I'm the bread-winner of this household and don't forget it.

"And I'm a nobody? The household runs itself? The children just popped up by themselves?"

Not at all. It just so happens that the other day I was telling the kids that you were doing entirely too much work around the house and their unanimous decision was, "Let's take mother camping."

And I said to the kids, "You know, I think you're right. Your mother is always the prettiest when she's camping. The outdoors emphasizes her loveliness."

"You did? You said that?"

Of course I did. And what's more, it's true.

"It is?"

Certainly.

"That's sweet."

Where do you think we should camp this year?

"Oh, it doesn't matter. Anywhere you and the children would like to go is alright, I guess."

And to the kids, "Mother wants us to choose a camping site this year. Isn't that nice?"

So there you have it. The annual debate. Someday we're going to let mother win...but not this year, maybe next.

A LOOSE LEAF

By ROLLY PETERSON

Among other things, New England is generally recognized as having given birth to America's summer theatre, where acting veterans share makeup with promising young actors and actresses, typically in a rustic setting. Many still look to the Atlantic seaboard as having a corner on summer theatres.

Such is not the case. Although New England spearheaded the movement and has a healthy number of theatres, the upper midwest is barely less prolific. And Michigan is one of the leaders with 20, as indicated by the Michigan Tourist Council's latest compilation.

Until the recent revitalizing role of campus-based theatre companies, summer theatre could boast as the sole proving ground, both for untried actors and plays. Experimentation was its hallmark, the renovated barn, its symbol and the countryside, its retreat.

The pay was negligible. And not all the actors were diehard professionals, nor aspiring fledglings. Many amateurs, like you or me, volunteered for duty, through love of theatre and the experience it provided.

Despite the gravitation of theatre toward the college campus, despite the demise of legendary summer theatres, despite the inevitable changes that time brings, summer theatres, while they may not always thrive, continue to survive. Some die, others spring up—for the summer theatre is a living American institution.

Following is a list of summer theatres in Michigan and pertinent information that you may find interesting, even valuable:

ALPENA: Thunder Bay Theatre. Season opens June 28; closes August 13. Performances Wednesday through Sunday. Curtain time 8 p.m. \$2.50 all seats.

AUGUSTA: Barn Theatre. Converted barn. Season opens June 13; closes September 2. Performances Tuesday through Sunday. Curtain time 8:30 p.m.; Saturday 6 p.m. and 9 p.m.; Sunday 5 p.m. Min. \$2.50; Max. \$4.25.

CALUMET: Keweenaw Playhouse. Converted theatre building. Season opens July 4; closes August 27. Performances Tuesday through Sunday. Curtain time 8:30 p.m.; Sunday 7:30 p.m. Min. \$1.50; Max. \$3.50.

CLARK LAKE: Clark Lake Playhouse. Arena; converted building. Season opens June 22; closes September 8. Performances Thursday through Saturday. Curtain time 8:30 p.m. Min. \$2.25; Max. \$2.75.

CLIO: Musical Tent. Tent theatre. Season opens June 22; closes September 3. Performances Tuesday through Sunday. Curtain time 8:30 p.m.; Sunday 7:30 p.m. Min. \$1.95; Max. \$3.95.

COLDWATER: Tibbits Summer Theatre. Tibbits Opera House. Season opens June 28; closes September 2. Performances Wednesday through Saturday. Curtain time 8:30 p.m. Matinee Saturday 2 p.m. Min. \$2.50; Max. \$3.50.

DEARBORN: Henry Ford Museum Theatre. Henry Ford Museum. Season opens July 7; closes September 15. Performances Monday through Saturday. Curtain time 8:30 p.m. Adults \$1.50; under 16 years 75 cents, all seats.

DETROIT: Detroit Summer Theatre. Art Institute. Season opens July 4; closes August 13. Performances Tuesday through Friday. Curtain time 8:30 p.m.; Sunday 7:30 p.m. Matinee Friday 2 p.m., Sunday 2:30 p.m. Min. \$1.95; Max. \$4.25; matinee 95 cents-\$2.75.

EAST TAWAS: Tawas Summer Playhouse. Tent theatre. Season opens July 3; closes August 26. Performances Tuesday through Saturday. Curtain time 8:30 p.m. \$2 adults; \$1 students, all seats.

FLINT: F. A. Bower Theatre. Season opens June 30; closes August 19. Performances Wednesday through Saturday. Curtain time 8:30 p.m. \$2, all seats.

GRAND LEDGE: Ledges Playhouse. Converted meeting house. Season opens June 19; closes September 9. Performances Monday through Saturday. Curtain time 8:30 p.m. Min. \$2; Max. \$2.50; musicals \$2.50-\$3.

GRAND RAPIDS: Circle In the Park. John Ball Park Pavilion. Season opens June 21; closes August 26. Performances Wednesday through Saturday. Curtain time 8:30 p.m. Min. \$2.50; Max. \$3.

HOUGHTON LAKE: Houghton Lake Playhouse. Arena; converted building. Season opens July 4; closes September 3. Performances Tuesday through Sunday. Curtain time 8:30 p.m.; Sunday 7:30 p.m. Matinee Thursday 2:30 p.m. Min. \$2.75; Max. \$3.50.

JACKSON: Stone Village Theatre. New theatre. Season opens May 18; closes September 15. Performances Thursday through Saturday 3 p.m. \$2.50, all seats; children's theatre \$1.

OKEMOS: Community Circle Players. Barn theatre. Season opens June 19; closes August 12. Performances Friday, Saturday and alternating Thursdays. Curtain time 8:30 p.m. \$2, all seats, students \$1.

SAUGATUCK: Red Barn Theatre. Season opens June 24; closes September 3. Performances Monday through Saturday. Curtain time 8:30 p.m. Matinee Wednesday 2:30 p.m. Min. \$1.70; Max. \$3.15; Saturday \$3.90.

SISTER LAKES: Sister Lakes Playhouse. Barn theatre. Season opens June 28; closes September 3. Performances Wednesday through Sunday. Curtain time 8:30 p.m.; Saturday 7 p.m. and 9:45 p.m.; Sunday 7:30 p.m. Min. \$2.35; Max. \$2.95.

SOUTH HAVEN: Sleepy Hollow Village Theatre. Barn theatre. Season opens June 25; closes September 3. Performances Friday through Sunday. Curtain time 9 p.m. Features foreign films, concerts, opera and other musical presentations. Min. \$1.25; Max. \$2.50.

TRAVERSE CITY: Cherry County Playhouse. Dome theatre. Season opens July 4; closes September 3. Performances Tuesday through Sunday. Curtain time 8:30 p.m.; Saturday 6 p.m. and 9:30 p.m.; Sunday 7:30 p.m. Matinee Thursday 2 p.m. Min. \$2; Max. \$3.25.

WAKEFIELD: Indianhead Mountain Summer Theatre. Tent theatre. Season opens July 1; closes August 19. Performances Thursday and Saturday. Curtain time 8:30 p.m. \$1.80 all seats.

STRICTLY FRESH

Maybe a lot of problem youngsters would improve if parents would thrash out the problems

A whispered rumor often travels farther and faster than a shouted truth.

There's nothing complicated about financial problems. It's just lack of money.

Dietitians and accountants are in trouble if they don't keep their figures straight.

Friendship, like a kiss, must be shared to be enjoyed.

Readers Speak

We Should Fight to Win

To the Editor:

The recent death of a Northville boy in Vietnam has brought the war close to home. How many more will die before this no-win policy of war brings us to the conference table?

Rather than continuing to sacrifice thousands of American lives and billions of dollars in the hopes that Hanoi will agree within a few years to meet at a conference table, why don't we fight to win, NOW?

Rather than continuing to aid and trade with the Communist bloc countries who are supplying North Vietnam with 80% of the war material used by the Viet Cong, why don't we put a stop to all such trade?

If we stop financing both sides of the war and fight to win, he will not have died in vain.

Sincerely,
Richard C. Heslip

Self Analysis Quiz

Are You Considerate of Your Wife?

By Jane Sherrod Singer

A successful marriage implies mutual consideration and thoughtfulness. Use this as a check list to see if you are letting your marriage go stale through your own thoughtlessness

- | | YES | NO |
|--|-----|-----|
| 1. Are you usually on time for meals? (Or notify your wife if you will be delayed?) | () | () |
| 2. Do you refrain from making fun of her or saying disparaging things about her to others? | () | () |
| 3. If she is not feeling well, are you especially kind and thoughtful? | () | () |
| 4. Do you take care of your own belongings, clothing, shaving equipment, etc., rather than expecting your wife to pick up for you? | () | () |

5. Do you occasionally surprise your wife with some little gift? () ()
6. Are your manners as good now as they were when you were courting her? () ()

ANSWERS: All should be YES

SCORING: 6 correct answers: You are a jewel of a husband. If your wife doesn't realize it, show her this quiz.
4 to 5 correct answers: Since you care enough to take this quiz, why don't you take the time to improve on the points you missed?
0 to 3 correct answers: You are not treating your mate like a wife. Who says the days of slavery are over???

(This list of questions is based on a survey made among wives in which they mentioned the things that irritated them most about their husbands)

Michigan Mirror

'Advantages' of Closed Meetings

LANSING — A new rash of efforts to conduct public business in private seems to be developing. It is especially apparent among school boards.

The law states that school boards, and most other public bodies, must hold their meetings in public but does allow for executive sessions. It stipulates that no formal action can be taken except at a public meeting.

Numerous "advantages" are listed for holding closed meetings. These include efficiency, expediency, the need with personnel problems, and property purchases. Another "advantage" not heard so often but nonetheless pertinent is that board members need not worry about looking foolish in their deliberations in the absence of an audience.

It might be more efficient and more expedient for a board to meet in private. But American government is built upon the basis that the individual has a responsibility in making logical, government decisions at the polls. He has a right to know how his elected representatives deal with public problems.

NEWSPAPERS lead the fight to keep meetings open and always win when

people in the community back them. Without solid, local support officials are inclined to do as they please. It is the old story of people getting the kind of government they demand.

Some boards make too frequent use of the executive session as a means of conducting public business in private. There are records of boards which meet in private to decide what will be "decided" later in formal session. This has the effect of creating a very dull, cut-and-dried meeting.

Another way to avoid the spirit of public meetings is for the board to call a special meeting. State law does not require much in the way of public notice. So a special meeting can be called following a regular meeting or at any time board members want to act officially without being subjected to the public eye.

Irresponsible or unconcerned citizens can expect that their governmental units will move towards more secrecy and more private decisions. After all, it is easier, quicker and more efficient. But it leads to poorer and poorer gov-

ernment with the rights of more and more people endangered. It means government by the few for the many who don't care enough about their collective business to be concerned until it is too late.

VAST AMOUNTS of information are available to citizens of Michigan from state agencies. Six times a year the Michigan State Library in Lansing publishes a list of "Michigan Documents," a compilation of latest Michigan governmental publications.

Some are classified "for official use" and are not available for general distribution. Most, however, can be obtained by residents writing to either the State Library or the issuing office. Topics vary from specialized concern, such as "Potato Field Crop Report," to such general information as, "Welcome to Michigan's capital as a guest of your legislator."

Homeowners may be interested in such publications as plant pest control; suggested reading for children; recreation in various regions of the state; directories of private trade schools,

business schools, institutes, nursing homes or homes for the aged; the outlook for deer season; Michigan guide to summer theatres.

Scholars might need information on Michigan's birth rate; Attorney General opinions; Michigan Medal of Honor winners in the Civil War; the motor vehicle of the future; or county statistics.

Those involved in local school problems can obtain data on special education, general school laws, higher education assistance, educational films, accounting instructions for intermediate school district.

Farm bulletins are numerous. Topics include agricultural prices on different commodities, general farm statistics, field crop reporting, livestock and cattle feed, chick hatchery, fruit trees.

Other publications include departmental year-end reports, general bulletins and directories of statistical research data.

GOP Names W.B. Heffner

William B. Heffner, Jr., of Northville, has been appointed to the newly-created position of area coordinator for the 60th Legislative District of the Republican Party.

Heffner, whose appointment was announced by County Republican Chairman Joseph R. Farnham and John Cartwright, 19th congressional district chairman, will assume responsibility for Republican organization in Lyon and Novi townships and the cities of Northville, South Lyon and Wixom.

"Because the 60th district covers such a large area, we believe the Republican organization can be most efficient if it is handled on an area basis," Cartwright said. "We have divided the district into three areas, each to be handled by a coordinator who lives in and is familiar with the specific area." The coordinators will work with Wendell Peterson, 60th legislative district director.

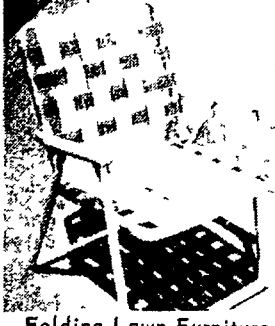

A graduate of Newark college of engineering, Newark, New Jersey, Heffner is employed as a production manager by Western Electric. He is a member of the Greater Northville Republican club and an elected Republican precinct delegate.

Married and the father of four, Heffner and his wife Marjorie live at 21000 East Chigvidden drive.

Goodwill Pickup

The next visit of Goodwill Industries pickup trucks to Northville is scheduled for Monday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, ask the operator for toll-free Enterprise 7002.

Borrowing from Tomorrow

BABSON PARK, Mass. — Last month Congress voted to increase the federal debt limit to the staggering total of \$365 billion. This gives Uncle Sam a green light to borrow even more and could well lead to additional hefty expansion of non-federal public debt and of private debt.

It may be assumed that avoidance of fiscal crisis was the big motivating factor in the Administration's request for authority to create additional debt; but the size of the increase and the relative ease with which it passed Congress points up the fact that deficit financing is certainly in no immediate danger of losing favor in Washington. Time was when no federal debt could be created without a specific enabling act of Congress, identifying and limiting the purpose or program which the debt was to finance. Now — and for many years past — the Secretary of the Treasury has blanket authority to borrow, subject only to an over-all limitation by Congress which we call the "federal debt limit."

DEFICIT financing has been an easy

road for Washington to follow. As a result, our federal debt—which amounted to \$54 billion in 1940—is now seven times that amount. On a per-capita basis it has expanded from \$400 to \$1,880, despite the fact that since 1940 our population has increased by about 65 million.

State and local governments, too, have been finding it convenient to "borrow from tomorrow" in financing a wide variety of projects and programs. As a result, total public debt in the U.S. has been rising at a fairly rapid pace during the past quarter century. In the decade from 1956 to 1966, these debts of all governments in our nation rose from \$348.5 billion to \$475.8 billion, — an advance of 37%.

However, those who defend this rapid rise remind us that in the same 10-year period the Gross National Product jumped 76.4%. Because of this unprecedented economic upthrust, public debt relative to GNP stood at 64% last year, compared with 83% in 1956.

BUT PRIVATE debt—consisting of the unpaid financial obligations of both

corporations and individuals—has taken the biggest jump of all. In 1956, private debt stood at \$482.6 billion. By last year, it had climbed 120% to \$1,063.4 billion.

When we add all the debt — public and private — it comes to the back-breaking total of \$1.5 trillion, — up 85% from 10 years ago. This is about double our entire Gross National Product.

Are our debts approaching a dangerous level? Unquestionably they are. The increase alone in the amount of these debts should give cause for concern; in addition, the ratio of the debts to assets is itself unfavorable. But, obviously we are still some distance from a breaking point because the real burden of any debt depends on the productivity behind it, and several times in the past our total debt relative to the GNP measure has been higher than it is today.

HOWEVER, unless the rise in debt is curbed, we will be in peril if we should have a serious economic downturn. It is difficult and costly, but we are still able — on balance — to make repayments on our debts, whether they be long-term federal borrowings, state bond issues, corporate obligations, or installment obligations. It all boils down to this: "Borrowing from tomorrow" is popular and can be justified ... up to a point. But is always foolhardy to borrow without carefully considering one's ability to repay and without allowing a good margin for contingencies that may arise to gravely reduce one's capacity to repay. Debt itself should not frighten us, but over-indebtedness should be avoided like the plague.

Underwater Breath-Holding Dangerous

The danger of drowning from extended breath-holding underwater was emphasized by Mark Smith, water safety chairman, Oakland chapter of the Southeastern Michigan region of the Red Cross.

Smith said his warning was addressed to children and teenagers who compete with each other to see who can stay underwater the longest.

"Youngsters who play this game are simply asking for trouble—and possible tragedy," Smith said.

"Hyperventilating — taking several deep breaths before going underwater — is a dangerous practice. This is what happens physiologically," he continued.

"Before going underwater an individual takes several deep breaths in order to build up as much oxygen in the lungs as possible. This deep breathing, called hyperventilation, does increase the oxygen, but it lowers the carbon dioxide in the system.

"After a period underwater, because the carbon dioxide does not build up fast enough to trigger the breathing urge, the swimmer tends to stay under too long and may black out. Then, unless help is at hand to get him to the surface quickly, drowning will result."

He urged that parents make these facts known to their children and in-

struct them not to play the "holding-the-breath" game.

The same principles apply to swimming underwater for long distances.

Rinaldi Promoted

Roger Rinaldi has been named manager of quality assurance for National Seal Division, Federal-Mogul Corp., according to Walter C. Camp, vice president and general manager.

A graduate of Duke University with a BS degree in engineering, Rinaldi also holds an MBA degree from Northern Illinois University. Before joining National, he was plant manager for Atwood-Bowen Division of Atwood Vacuum Machine Corporation.

The quality assurance position is a new one for National and represents the Division's continuing concern with the importance of consistent product quality. Many of the programs Rinaldi will be implementing include techniques developed in the aerospace industry, and are new to oil seal manufacturing, Camp said.

Rinaldi, his wife Margaret, and their three children live at 1076 Grace court in Northville.

ATHLETIC FIELD—This is the scene at the Novi high school athletic field where workmen are busily grading, laying out the track which will encircle the football field and putting in drain tile and spectator bleachers. Hopefully, all construction will be completed by fall when the Novi gridders will begin competition in the Lakeland C Conference. The Novi school board was expected to make a decision on the purchase of sod for the field at last night's meeting of the Novi board of education. Apparently, that's the only item threatening to spoil the fall opening deadline.

Our Legislators Report...

McDonald...

Congressman Jack McDonald introduced legislation designed to enforce stricter standards of safety in the design, construction, maintenance of the off-road portion of highways built with federal funds. He was joined by 16 Congressmen from both sides of the aisle.

Responding to testimony currently being presented before the Special Subcommittee on the Federal-Aid Highway Program, Congressman McDonald noted that "experts have testified that some 16,000 lives could be saved each year if the off-road portion of the highway were constructed as safely as the paved portion."

"For years we have blamed the driver as the sole cause of accidents, and recently we have discovered that the automobile itself can provide a greater degree of safety," the Congressman noted.

"Now, attention is being focused on the third contributor to fatalities on our highways — the off-road portion," McDonald went on.

"The evidence presented to the Congress suggests that highway design engineers have paid little attention to placement of culverts, headwalls, bridge abutments, sign posts, and the like, with the result that those who leave the highway — whether through neglect or by accident — face disaster."

"My legislation would direct the Secretary of Transportation to deny funds for any federal-aid highway project which failed to comply with the latest safety standards for the construction and maintenance of the off-road areas of our nation's highways," he added.

Schmidt...

According to State Representative Louis E. Schmidt of Northville, a public hearing will be held in Lansing on several proposed constitutional amendments which are sure to stir some fiery discussion. The topics to be covered deal with judicial appointments and ballot designations, lotteries and sweepstakes, and the state income tax.

State Representative J. Harold Stevens (R-Detroit), Chairman of the House Committee on Revision and Amendment of the Constitution, has expanded the committee's July 31 public hearing on several proposed constitutional amendments.

Representative Stevens said that Senate Joint Resolution C, proposing a 5% ceiling on the state individual income tax, has been added to the agenda for the morning session of the hearing.

The Senate recently passed the resolution, and, if approved by a 2/3 vote in the House, the tax limit would be put to a popular vote.

The all day hearing, to be held in the State Supreme Court Chamber in the Capitol Building, will deal with arguments on suggested constitutional amendments to allow gubernatorial appointment to judicial vacancies, prohibit incumbency designations for judges, and legalize lotteries and sweepstakes.

A morning session on the judicial and income tax ceiling proposals will begin at 10:00 a.m. The afternoon session, scheduled for 2:00 p.m., will deal with the lottery and sweepstakes proposals.

Smart...

State Representative Clifford H. Smart, chairman of the House education committee, has been appointed to a joint House-Senate committee to make a special study of the Intermediate school district in Michigan's total education picture.

Esch...

Congressman Marvin L. Esch has announced the mailing of some 130,000 "Your Opinion, Please" questionnaires to residents of Michigan's Second Congressional District.

According to Esch the questionnaire contains 15 queries on national issues with several options to most of the general topic areas.

Issues covered on the questionnaire include the war in Vietnam, the draft law, civil rights, income tax amendments, federal spending and social security benefits. "Certainly it does not include all of the issues on which I must vote, nor does it spell out the complexities of each problem."

Two columns labeled "his" and "hers" are included so that both husband and wife may answer separately and respondents are invited to attach a separate sheet if they wish to expand their views.

Esch said that the mailing is scheduled to be delivered to every home in the Second Congressional District, but that if persons fail to receive it they should write him for a copy c/o the House Office Building, Washington, D.C. Plans also call for distribution at county fairs and other public gatherings.

Congressman Esch revealed that U.S. exports of agricultural products brought some \$18 million into Michigan's Second Congressional District in the last year.

Esch said that figures recently released from the Department of Agriculture show the Second District leading other Michigan districts except the Third District where exports totaled some \$19 million.

The figures also show that feed grains accounted for \$5 million of the Second District exports. Soybeans accounted for \$4 million and wheat for \$3.9 million. Other leading exports were animal products, vegetables, dairy products and fruit.

BITE WITH IKE—19th District Congressman Jack McDonald (left) enjoys a chat with former President Dwight Eisenhower at the General's farm in Gettysburg when members of the 90th Club (freshmen Republicans) visited Ike and discussed

various legislative proposals pending in Congress. That's House Minority Leader Gerald Ford looking on. Also in attendance was Representative Marvin L. Esch, area congressman from the 2nd district.
