

## Richard Juday Services Today

Funeral services will be held today (Thursday) for a former Northville city councilman, Richard H. Juday, 48, who died of a heart attack near Bellaire in northern Michigan.

Services will be conducted from the Casterline Funeral Home at 2 p.m. The Rev. S. D. Kinde, pastor of the First Methodist Church, will officiate. Burial will be in Oakland Hills Memorial Park Cemetery, Novi.

Mr. Juday had suffered a heart attack in November 1965, but had recovered. However, in the past six months he had become ill and only recently had suffered a ruptured appendix.

At the time of his death, he was a salesman for the Do All company, working out of the firm's Grand Rapids

Richard Juday

office. He and his wife, Bernice, were in the process of making their permanent home at the cottage. Their home here is at 304 Lake street.

A councilman from 1959 to 1963, he became well known here upon moving to Northville from Geneva, Indiana in 1946 and purchasing a Standard Oil service station. Later, he operated a fuel oil distributing firm, finally selling out in November, 1965. He joined Do All in December of 1966.

Born January 4, 1919 in Jay county, Indiana, he was the son of Bert E. and Pearl (Hamilton) Juday. On October 12, 1938 he and Mrs. Juday were married.

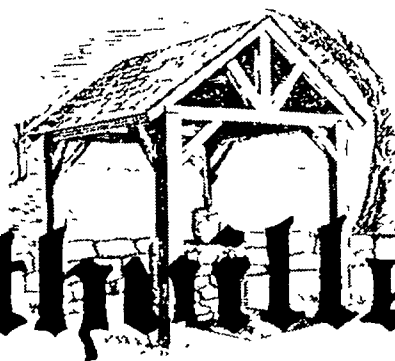

He was the father of three sons, all of whom have won fame as outstanding athletes in school. One of them, Steve of Northville, was an All-American quarterback at Michigan State university. Another, Bill of Livonia, was captain of the Vanderbilt eleven. Both were all-stars while in high school. The third son, Jim, is presently a member of the MSU squad.

Besides his sons and wife, he is survived by his father, who is living at Geneva, Indiana, and one grandson, Jeff.

He was a naval veteran of World War II, a member of Faith Evangelical Lutheran Church of Bryant, Indiana, Northville Lodge No. 186, F. & A.M., a 32nd degree Mason with the Ancient Accepted Scottish Rite, Fort Wayne Consistory, and he was a life member of the National Rifle Association of America.

A Masonic service was conducted Wednesday at 8 p.m. in his honor, under the auspices of Lodge No. 186.

## Negotiation Deadlock Perils School Opening

Plans for opening of Northville public schools appeared all but shattered Tuesday as teacher and board representatives met in a last-ditch effort to grind out a 1967-68 master contract.

Tuesday's meeting followed a Sunday afternoon and all-night bargaining session that ended in a stalemate. Monday evening 91 teachers met with their bargaining team to reaffirm an earlier decision not to

return to school without a contract.

Breakdown in weekend negotiations came shortly after 5 a.m. Monday with the board's presentation of its "best" and "final" offer, which according to

teacher representatives meant a "step backward" in many areas from the 1966-67 contract.

The session had begun at 1 p.m. Sunday, interrupted only by a dinner period and frequent caucuses of both sides.

About the only agreement to come out of the all-night bargaining was a decision by both sides to call for a state fact-finding investigation. Best estimate as to when a fact-finder might be available was September 15.

Negotiators broke up in the early morning hours without establishing date for resuming negotiations, but Tuesday afternoon both sides were back at the table.

Present, in addition to negotiators for the two sides, was a Michigan Education association representative, Richard Kroll, and a state mediator, Daniel Gallagher.

While salaries and fringe benefits were expected to represent the final hurdle in negotiations, disagreement over non-economic points, in the final analysis, appeared to be as crucial to settlement.

Salary-wise, the board's best offer, which according to the mediator who carried it to the teachers early Monday morning was the "final offer", put the BA range at \$6,150 to \$9,550 and the MA range at \$6,600 to \$10,950.

This proposal appeared "in the ballpark" for teachers in respect to

Continued on Page 10-A

\*\*\*\*\*

## New Hope?

A note of optimism prevailed as negotiators for teachers and the board of education huddled again Wednesday morning following a late Tuesday afternoon session. No word of settlement, however, was received prior to press time.

\*\*\*\*\*

## Agreement In Novi

Only board-teacher ratification remained this week as negotiators reached agreement on a 1967-68 master teaching contract in Novi.

The agreement was reached between the Novi board of education and the Novi Education association during a day-long session Monday.

Both sides had been negotiating since March.

Basically, the agreement calls for an increase in the beginning salary from \$5,500 to \$6,175 for the bachelor's degree and \$5,800 to \$6,575 for the master's degree. Top salaries would be reached in 10 steps. These were pegged at \$9,153 and \$9,760, respectively.

Annual sick leave was increased to 12 days per year to accumulate to 120 days in 10 years.

Longevity pay was approved at 2.5 percent of the salary at the 15th year. Superintendent Thomas Dale, representing the board, and Keith Rolston, band director, representing the association, led bargaining for the two sides. Dale was joined in June by members of the board of education.

A Michigan Education association representative appeared on behalf of the teachers, and at Monday's day-long bargaining session, Leonard Bennett of Northville, a state mediator, took part in negotiations that led to settlement.

TEACHERS HUDDLE—Ninety-one of Northville's 139 teachers met Monday evening at the fellowship hall of the First Presbyterian

Church to hear a report on negotiations and to reaffirm their position not to return to school this fall without a contract. The negotiat-

ing team is seated at the table as the chief negotiator, Miss Pat Bubel, addresses the group. New teachers also attended the meeting.

## In Old Building

## 'Split Schedule' Planned For Junior High Start

Northville junior high school will open with a split schedule of classes in the old Main street building for a period of approximately three weeks, Northville board of education decided Monday.

With sewer construction just begun and science and cafeteria equipment not delivered for the new junior high, Acting Superintendent Raymond Spear recommended the abbreviated classroom schedule as a temporary measure. Seventh and eighth grade students will attend from 8 to 11:57 a.m. and sixth graders will attend from noon to 3:57 p.m.

To open with a full classroom day in the old building, Spear pointed out, would result in disrupting classrooms in all elementary schools as eight additional rooms would be needed for the interim period. Junior High Principal Donald Van Ingen said he had talked with his staff and is working out a schedule with art, music and physical

education teachers who would be teaching in both shifts but would adjust by starting later in the morning and working into the afternoon session.

Board President Eugene Cook pinpointed the real delay in opening the new school on Taft road as the lag in sewer construction. Admitting that construction "really just started last week" he termed the delay on the part of both the architects and contractor "inexcusable." Spear concurred that the architects had been slow in getting construction authorizations from the county, the health department, etc.

The board now is scheduled to meet in the new junior high building with the contractors and architect September 7.

Concerned about the shortened school day, the board stressed that the arrangement would be for as short a period as possible, hopefully exactly the three weeks estimated for sewer completion.

In other action the board instructed its attorney to enter into a contract with Thompson-Brown for a 10-acre site option on a school site in the company's proposed Bradner road subdivision. For \$1 the district will have an option to purchase the 10 acres for \$50,000 until January 16, 1968. The option may be renewed for a year at a purchase price of \$51,000, and for a successive year at a price of \$52,000. The site will have sewers, water and paved streets.

In recommending the option, Business Manager Earl Busard reported that Thompson-Brown company anticipates having sewers, water and storm drains completed for the subdivision by spring 1968 and will install roads after June, 1968. Its timetable, he said, calls for six models to open September, 1968 with 50 homes to be occupied

by September, 1969 and 75 to 100 each year thereafter to a maximum of 345.

Busard stressed he felt the option was a "concession" on the firm's part. Not all board members agreed, with Stanley Johnston observing "We're giving them our name" — to mention the site is reserved for a school. Robert Froelich also opposed the action and so voted. The vote carried, 4 to 1, with James Kipper absent and Cook not voting.

During the meeting the board received notice of an unfair labor practices charge filed by the Northville teachers association August 14 regarding establishment of the school calendar. Its attorney's response denied the allegations and that this is a "proper" item to negotiate.

It received the annual auditor's report from James Stewart of the firm of Stewart and Beauvais, Port Huron, who has been re-employed for the current year. In accepting the report, Cook praised Stewart for the prompt accounting. Spear also credited the district's new business manager for the efficiency. The audit reflected an \$11,000 surplus.

The board allocated \$47,187, the amount in its proposed budget, for salaries for 15 bus drivers, one mechanic and a mechanic helper. It was decided to re-evaluate the revised bus schedule later in the fall when the district will be functioning on a normal schedule. A budget report for \$76,000 for July and August was approved.

Since Amerman school will have only walkers, the board voted to have no lunch program at the school at present unless sufficient demand arises later.

\*\*\*\*\*

## Ida B. Cooke JHS?

What's in a name? In the case of the new Northville Junior High school it may be an honor to a dedicated educator — or a geographic identification.

As the board of education received a petition from 200 area residents suggesting the new school be named after retired teacher Ida B. Cooke, it appeared that a previous board's ban on naming new schools after persons has growing public opposition.

The petitions were turned over to Andrew Orphan and Stanley Johnston,

who have been asked to recommend a name to the board. They said some growing public interest is evident as several names have been suggested.

A couple in the audience spoke in favor of the Ida B. Cooke name, pointing out that Mrs. Cooke still lives in retirement in the community and taught "people who are now 65 — and their children."

Some present-day students wonder if it won't remain just Northville Junior High.

## Rezoning, Housing On Council Agenda

Two public hearings will be held by the city council Tuesday night concerning matters holding strong citizen interest.

The first is a continuation of a hearing held August 7 involving a request to rezone a two-block area northwest of the Main-Rogers street intersection from R-2 (two-family residential) to R-1 (single family). Most of the residents of the area support the change, but opponents have threatened legal action if the rezoning is approved.

An ordinance establishing minimum standards for dwellings (housing code) will have its first public hearing before the council. It establishes standards for existing dwellings, permits inspection of premises and creates a five-member housing board of appeals to consider hardship cases.

The rezoning proposal was opposed at the initial hearing by a petition signed by Thomas Schwarze, Gerald Stone, Donald Ware and Lloyd Elmore. Schwarze and Stone have property to the rear of the homes facing Main and Rogers which they hope to develop into two-family units. Stone's application was made prior to the request for rezoning, so his project could proceed despite zoning. But R-1 zoning would halt Schwarze's plan.

The council is expected to render its decision with little more discussion Tuesday evening.

The proposed housing code has been under council study for several months. Its declared purpose is to "provide minimum standards for existing dwellings and dwelling units; to provide for the elimination of overcrowding; and to provide for a basis of enforcement of sanitary conditions in and around structures for human habitation; to effectively eliminate and prevent the development of slum conditions and to protect the healthy and safety of the people of the city of Northville."

The ordinance sets forth specific standards for equipment and facilities, such as kitchens, bathrooms, entrances and exits, lighting and ventilation, electrical wiring, as well as condition of walls, floors, roofs, windows, etc.

Space requirements and general cleanliness are also covered by the ordinance.

Procedure for giving notice of condemnation and the extent of penalties are also included in the proposed ordinance.

A summary of the ordinance is published on page 8-A. The text of the complete ordinance is available at city hall.

## Five Store Complex Set for Construction

Ground breaking for a service-type complex of five stores is scheduled to take place in Northville within the next 10 days.

It will be the first commercial development of its kind within the city limits but outside the central business district.

Located on northwest corner of Allen drive and Novi road, the facility will include a food market, laundry and dry cleaning service, beauty salon and probably a pharmacy and meat market.

Richard Hassett, general manager of Hassett Food Marts, Inc., of Detroit, said that the commercial center will be open for business within 90 days, definitely before Christmas.

The Hassett firm, which is headed by Robert Hassett, Sr., Richard's father, has the franchise in eastern Michigan for Convenient Food Mart, Inc., of Chicago. Convenient is the nation's largest franchised food mart corporation and has some 400 stores in 35 states

and Canada. The stores remain open every day until midnight. The Northville facility will be the first in Michigan, although Hassett said he is planning five more such installations this year.

The five-store unit will provide 10,800 square feet of shopping space with a 78-car parking lot in front (east) of the complex. Hassett explained that the Convenient complexes do not include restaurants, bars, and the like but feature fast turnover service-type businesses. He said that leases had been obtained for three of the five units, but that the pharmacy and meat market were still uncertain.

Entrance to the parking area will be from Novi road, while the stores themselves will receive service deliveries from a road at the rear of the complex. A greenbelt will separate the complex from the adjoining residential area, Hassett said.

The development will represent an investment of nearly \$200,000 Hassett stated.

A commercial service complex similar to this is planned on Novi road.

Mr. and Mrs. James Carter Chappell

## Wedding Ceremony Set In Greenville Church

Linda Race and Stephen Fisher exchanged wedding vows Saturday, August 19 at the Methodist Church of Greenville. The Reverend Charles G. Lynch performed the ceremony.

The altar was decorated with bou-

quets and baskets of white gladiolus and snowdrift pom poms. Bouquets of white snapdragons and snowdrift pom poms, and trailing ivy decorated the aisle.

Mrs. Dan Dibble, soloist, sang "Entreat Me Not to Leave Thee", "O Perfect Love" and "Wedding Prayer". Ray Brokema, the organist, played the wedding march. The processional was "Marche Romaine" by Charles Guonoc and "Trumpet Tune and Air" by Jeremiah Clark. Processional was "Trumpet Voluntary" by John Stanley.

The bride is the daughter of Mr. and Mrs. Russell Race of 44264 Twelve Mile road. Given in marriage by her father, she wore a narrow tent-styled, silk organza over silk peau gown with re-embroidered cotton lace appliques.

A chapel length train flowed from the sleeveless dress. Her veil was a cluster of organza roses with crystal and pearl trimmed alencon lace leaves and a bouffant veil of illusion. Her flowers were a cascade bouquet of white roses, stephanotis, baker fern and ivy.

Georgia Ann Schultz, maid of honor, was gowned in a white coin dot cage. The empire waist was accented with white daisies and green satin ribbon and streamers.

Her headpiece was a matching coin dot triangle tied with green ribbon. She carried a colonial bouquet of eucharis lilies, stephanotis and baker fern.

Bridesmaids, also gowned in white and green, were Linda Linstruth, Susan Garlinghouse, Carol Bukrey and Beverly Mallidine.

The bridegroom is the son of Mr. and Mrs. Maynard Fisher of Greenville. John Snyder served as his best man. Ushers were David Monson, the bridegroom's cousin, Thomas Oehmke, David Christoffersen and Robert Fisher, the bridegroom's brother.

The bride's mother was attired in a light green A-line organza cage high-lighted by multicolored cut velvet coin dots. The dress featured Dior sleeves and moss green velvet ribbons accenting the back closing.

Her headpiece was fashioned with moss green velvet ribbon, green leaves and dotted veiling. She wore matching accessories and a chartreuse cymbidium corsage.

Mrs. Fisher chose a moss green sheath of crepe de chine satin and a matching coat in ribbon embroidery. Her headpiece and accessories matched her ensemble. She had a yellow cymbidium corsage.

The wedding was attended by about 180 guests.

## BIRTHS

Mr. and Mrs. David Van Hine of 556 Langfield announce the birth of a daughter, Susan Elizabeth, born August 20 at Sinai Hospital, Detroit. She weighed 5 pounds, 12 ounces.

\*\*\*\*\*

Mr. and Mrs. Omar Harrison of Plymouth announce the birth of a girl, Christy Lynn born July 26 at St. Mary hospital. Christy Lynn weighed six pounds and one ounce. Mr. Harrison is a junior high teacher in Northville.

\*\*\*\*\*

A son, Brian Mathew, was born to Mr. and Mrs. Stanley Schief of Ypsilanti August 23 at University hospital in Ann Arbor. He weighed eight pounds, seven ounces. Grandparents of Brian Mathew are Mr. and Mrs. William Schief, 43540 West Six Mile road, and Mr. and Mrs. Louis Mallette, 301 South Ely drive.

Mr. and Mrs. Robert Louis Kapp

## Northville Girl Speaks Vows in Wayne Rites

Kathryn Ann Lee became the bride of Robert Louis Kapp Saturday, August 19 at the First Methodist Church of Wayne. The afternoon service was said by the Reverend R. E. Niemann.

Large bouquets of trillium daisies and white gladiolus, four candelabra and bows on the pews decorated the church. Gladwin Miller, the soloist, sang "Wedding Prayer and Benediction" and "O Lord Most Holy" by Cesar Franck.

The bride is the daughter of Mr. and Mrs. Leslie G. Lee of 607 Fairbrook,

while the bridegroom's parents are Mr. and Mrs. Myron H. Kapp of Tiffin, Ohio.

The bride, escorted down the aisle by her father, wore a floor length empire-styled gown of satin brocade with a shoulder train. Her bouquet was of white rosebuds with trailing English ivy.

Her shoulder length veil was held by a satin headpiece bordered with pearls.

The bride's sister, Mary Louise Lee, was maid of honor. She wore a frosted green, empire-styled brocade, street length gown and a fresh daisy headpiece. She carried a white daisy with maiden hair fern bouquet.

Bridesmaids were Cathy Hepfner, Terri Diesler, and Mrs. David Lee, the bride's sister-in-law. They wore ice-blue empire-styled brocade dresses and carried white daisy and maiden hair fern bouquets. They also had fresh daisy headpieces.

Flower girls were the bride's nieces, Leslie Lee and Melanie Lee, of St. Louis, Missouri. They wore yellow crepe empire-styled dresses and carried baskets of white daisies.

James Grant, the bridegroom's brother-in-law, was best man. Franklin, Wayne and Paul Kapp, the bridegroom's three brothers, served as ushers.

The bride's mother wore a light blue shantung suit with a matching hat. Mrs. Kapp chose a blue and white crepe dress and white accessories. Both mothers had white rosebud corsages.

A reception for 150 guests followed the wedding at the church's Fellowship Hall. The guests came from Ohio, Missouri, Arizona, Indiana and Michigan.

The bride's going away outfit was a raspberry linen suit with white accessories and a rosebud corsage.

They left for a honeymoon in San Francisco. When they return, they will make their home in Westland.

The bride is a graduate of Central Michigan University in Mt. Pleasant. The bridegroom graduated from Lewis College of Science and Technology in Lockport, Illinois.

## Engagement

Mr. and Mrs. Herbert Famuliner of 9684 Six Mile road announce the engagement of their daughter, Janet, to Raymond Hood, son of Mr. and Mrs. Norman Hood of 520 Grace street. A September 21 wedding is planned.

## Sonia Clark Weds

St. Peter's Lutheran church, Plymouth was the setting for the August 5 wedding of Sonia Ann Clark and James Carter Chappell. Pastor Norman Berg performed the evening ceremony.

Soloist at the wedding was Mrs. Leland Mills.

The bride is the daughter of Mrs. Sonia Clark of 42150 Seven Mile road. The bridegroom is the son of Mrs. Kenneth Chappell of Livonia and the late Mr. Chappell.

The bride, given in marriage by

her uncle, Jack Schafer, wore a peau de soie gown accented with chantilly lace. The gown featured a beaded bodice and skirt. Her bouquet was of white roses and carnations.

Kay Tyler of Northville was maid of honor in a turquoise chiffon gown. Also in turquoise chiffon were bridesmaids Kip Wilson of Miami, Florida and Barbara Landau of Northville.

Best man was Michael Myers. Ushers were Douglas Clark, the bride's brother, James Pearson, Robert Ebert, and Steve Juday.

For her daughter's wedding, Mrs. Clark wore a deep plum dress with deep pink chantilly lace coat and a purple orchid corsage. The bridegroom's mother chose a light beige sheath with lacy surface, and hat to match. Her corsage was of orange sweetheart roses.

A reception for 170 guests was held at Vladimiers in Detroit.

The bride wore an icy blue suit of peau de soie for her going away outfit. The couple honeymooned at Mackinac Island.

The bride is a graduate of Northville High school and attended Schoolcraft College and Eastern Michigan university. The bridegroom is a graduate of Clarenceville high school and Ferris State College.

They will reside in Northville until early next year when they leave for South America for the Detroit Edison company.

## Rolfe-Hamilton Speak Wedding Vows Saturday

The Inter-City Bible Church in Lansing was the setting Saturday, August 26, for the wedding of Diane Yvonne Rolfe and Douglas B. Hamilton. The Rev. Richard S. Burgess, pastor of the church and former pastor at Salem Bible church, performed the 7 p.m. double ring ceremony.

Vases of yellow and white gladioli and a large candelabra decorated the altar. Tapers surrounded with myrtle were at the windows.

The bride is the daughter of Mrs. Leslie D. Rolfe, of Charlotte. The groom's parents are Mr. and Mrs. Edwin M. Hamilton, 6350 Five Mile road, Northville.

Miss Rolfe was given in marriage by her brother, Dale O. Rolfe. She was gowning in white A-line avante, styled with an empire waist and a short train. Her elbow length veil fell from a rhinestone headpiece. Her flowers were a corsage arrangement of yellow sweetheart roses and white carnations.

Mrs. Doris Lee Walker was her sister's matron of honor. Bridesmaids were Mary L. Hamilton, sister of the groom, and Mrs. Dale O. Rolfe, sister-in-law of the bride. All of the attendants wore gowns of aqua cerrano with corsages of white carnations and yellow roses and mums.

David E. Hamilton served his brother as best man. Groomsman were James C. Hamilton, brother of the groom, and George Walker, brother-in-law of the bride.

Soloist was Mrs. Carol Davis of Lansing. She sang "I love Thee" and "The Lord's Prayer".

For her daughter's wedding, Mrs. Rolfe wore a mint green brocade dress. Mrs. Hamilton chose a beige brocade dress. Both mothers wore corsages of white carnations and yellow sweetheart roses.

A reception for 175 guests was held in the church parlors immediately following the ceremony.

The new Mrs. Hamilton chose an avocado brocade dress with matching accessories for their wedding trip to Eastern Canada, including Niagara Falls, Ottawa and Expo '67.

The bride is a 1962 graduate of Charlotte High school and attended the Lansing Business University. She is employed as an accountant at Guardian Oil corporation in Lansing. Her husband graduated from South Lyon High school in 1962 and from Moody Bible Institute in 1965. He is presently attending Michigan State University.

The couple will reside at 330 Merritt street, Charlotte.

Mrs. Douglas B. Hamilton

## For September 16 Flower Show

# Garden Club Announces Rules

All area residents are invited to enter exhibits in the 29th annual flower show, *Flowers Internationale*, to be held Saturday, September 16 in the First Presbyterian Church Fellowship Hall.

The show, sponsored by the Northville branch, Woman's National Farm and Garden Association, will be held from 2 to 6 p.m. There will be no admission charge.

The complete list of rules and the schedule for exhibits is presented this week. Mrs. Douglas Straith, chairman of the judges, advises entrants that "confirmation to schedule is a primary consideration in judging flower show entries, so it is important to study them thoroughly and faithfully carry them out."

### RULES FOR EXHIBITORS

1. Entries will be received Saturday, September 16 from 8 to 10 a.m. Late entries will be accepted for display only and will not be judged.
2. Advanced registration required in all design classes.
3. Exhibitors must register with the Entries Committee and secure a number and entry tag. All exhibits must be approved by the Classifications Chairman before being passed.
4. Judging will be on the merit system and the judges' decisions will be final.
5. All properties must be marked for identification. The flower show committee will protect exhibits in every way possible, but cannot be responsible for loss or damage.
6. The committee reserves the right to add additional classes.
7. All entries must be brought to the side entrance of the building to be registered.
8. All entries must be removed by 6:30 p.m.

### RULES FOR HORTICULTURE DIVISION

1. All specimens must have been grown by the exhibitor; potted plants to have been in her possession three months prior to show.
2. Specimens must have own foliage attached to stem, if stem is leaf bearing; and accompanied by own foliage if stem is a scape. Specimens must be clean and free from insect damage and spray residue.
3. Specimen containers are furnished.
4. Exhibitors may enter as many classes as desired, but are limited to one entry per class. All specimens must be named.
5. Entries placed under supervision of Placing Committee. Entries must be placed by 10 a.m.

### RULES FOR ARTISTIC DESIGN DIVISION

1. Plant materials used in arrangements need not be grown by exhibitor. Accessories allowed only where so stated.
2. Materials protected by conservation laws may NOT be used, except in conservation and education sections.
3. Artificial and painted materials prohibited. "Roses" such as corn, cone, artichoke, lichen, etc., if made of plant materials, and wood and coconut roses will not be considered artificial.
4. The number of entries in each class is limited and advance registration must be made through class consultants. Entrants must find a substitute if unable to exhibit.
5. Niches 17"-26" wide, 15" deep, 24" high.

### SCHEDULE OF EXHIBITS

DIVISION I. HORTICULTURE. Chairman, Mrs. C. W. Whittlessey, 349-

1825. SECTION A. ANNUALS. Consultant, Mrs. Joseph Denton, 349-2636.

Class 1. Asters - one bloom, stalk or spray.

Class 2. Celosia (Cockscomb). One stem or bloom, tall or dwarf.

Class 3. Dahlias - one bloom, decorative, cactus or pompon.

Class 4. Gladiolus - one stalk.

Class 5. Marigolds - one bloom or stalk.

Class 6. Petunias - one bloom or stalk.

Class 7. Salvia - one stem.

Class 8. Zinnias - one bloom.

Class 9. Tuberous rooted begonias, one bloom or stem.

Class 10. Any other annual not listed.

SECTION B. PERENNIALS. Consultant, Mrs. Marcella Douglas, 349-2040.

SECTION C. HOUSE PLANTS. Consultant, Mrs. Howard Fuller, 349-3423.

SECTION D. FRUITS AND VEGETABLES. Consultant, Mrs. Howard Whipple, 349-0785. Fruits—three specimens of one variety. Vegetables—Three specimens with one inch foliage.

DIVISION II. ARTISTIC DESIGN. Chairman, Mrs. Paul Hughes, 349-0461.

SECTION E. OLD COUNTRY

Class 1. Greek Classical. Consultant, Mrs. Arthur Hempe, 349-2038.

Arrangement with combination of fruit and/or vegetables with flowers following a symmetrical design.

Class 2. Dutch Flemish. Consultant, Mrs. Douglas Lorenz, 349-0591. Rich dark colors in massive alabaster urns, metal and stone jugs.

Class 3. French Rococo. Consultant, Mrs. B. W. Baldwin, 349-0209. Crescent-curve design using delicate pastel

colors in venetian glass, silver and crystal; accessories permitted.

Class 4. Irish Will. Consultant, Mrs. Gene Cushing, 349-0184. All green arrangements using fresh plant materials only. Container of your choice.

SECTION F. MODERN FLAIRS

Class 5. Spanish Romance. Consultant, Mrs. William Crump, 349-0128. Arrangement suitable for the kitchen. Bold color in metal, pottery or ironware container.

## about WOMEN

### News Around Northville

A series of showers have been given recently to honor Jean Downer, daughter of Mr. and Mrs. Gael Downer of Frederick road. Jean will become the bride of Michael Knauff of West Portsmouth, Ohio in the First Methodist church of Northville September 16.

Patti Burden, assisted by Mrs. Darwin Miur, the bride-elect's sister, gave a miscellaneous shower July 15 at the Burden home on Frederick. Guests were neighbors and friends.

On August 12 Sandy Parmenter and Carol Yabue, who will be the bridesmaids, gave a personal shower and luncheon at the Parmenter home on Thayer Blvd. Guests were high school friends of Jean's, her mother, and the maid of honor, Bonnie Carr of Sand Lake.

The third shower was a one o'clock luncheon on Tuesday, August 22 given by Jean's aunts, Mrs. George Snyder of Ovid and Mrs. Harold Jaroe of Dearborn. It was held at the home of Mrs. Robert Shackleton, Jean's cousin, in Okemos. Guests were from Ovid, Dearborn, Northville and East Lansing.

Mr. and Mrs. Glenn A. Messer and their son, Glenn A. II, have been visiting with her parents, Mr. and Mrs. Floyd J. Kupsy of 318 Yerkes avenue, this past week. The Messers live in Huntington, West Virginia.

Mrs. Messer (Margaret Ann) was named to the dean's list at Marshall University in Huntington for the first term of summer school. She received a 3.5 standing. She is a senior majoring in secondary art education.

Several Northville students left over the weekend to begin fall term at Western Michigan university, including freshmen Connie Bannon, Barbara Bogart, Douglas Guido, Steven Kehrre, Kurt Kinde, Patricia Moase and Colleen Thomas. A day of orientation was held Monday for freshmen, with classes starting Tuesday for all students.

Cadet Peter E. Cunningham

FT. RILEY, KANSAS (AHTNC) — Cadet Peter E. Cunningham, 24, son of Mr. and Mrs. James E. Cunningham, 7824 Pontiac Trail, is shown during bayonet training while attending Army Reserve Officers' Training Corps summer camp at Ft. Riley, Kansas. He is a student at the University of Michigan.

He received six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects.

Upon successful completion of summer camp and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

Cunningham, whose wife, Carole, lives at 1008 Island Drive Court, Ann Arbor, Mich., graduated in 1960 from Walled Lake high school.

\*\*\*\*\*  
Daniel Ralph McGarry, 42061 Nine Mile road, is among 553 high school students from Michigan and eight other states who completed three weeks of special study in Michigan State University's 22nd annual Youth Music Program, July 30-August 19.

The MSU program is the oldest and largest university-based musical encampment for high school students in the nation.

The young musicians received private and group instruction in voice, piano, harp, organ and a variety of other instruments from 58 University faculty members and other outstanding teachers. They studied music, music theory, music literature, conducting, accompanying and acoustics.

They rehearsed and performed publicly and on radio and television in a range of large and small orchestras, bands, choruses and ensembles under batons of renowned conductors.

The grand finale was a day of music in the University Auditorium, August 19. The young musicians performed in five 90-piece bands and orchestras and a 65-voice chorus.

\*\*\*\*\*  
Ft. Knox, Kentucky — Army Private William P. Marshall is assigned to Company E, 17 Battalion, 5 Brigade, here at the United States Army Training Center, Armor (USATCA).

He will spend the next two months learning the fundamental skills of the soldier in today's modern, action Army — firing live ammunition under simulated combat conditions, learning protective measures and first-aid for chemical, biological and radiological attacks, as well as being schooled in the use of modern arms.

Interspersed with constant emphasis on proper physical conditioning, diet, rest and health habits, will be ample opportunity to utilize USATCA's many and varied recreational and religious facilities.

Following the completion of basic training, PVT Marshall, who is the son of Mr. and Mrs. George A. Marshall, of 335 Linden street, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

\*\*\*\*\*  
FT. RUCKER, ALA. (AHTNC) — Lynn D. Baughman, 20, son of Mr. and Mrs. Edward Baughman, 52260 West Nine Mile road, graduated August 1 as an aviator from the Army Aviation school at Ft. Rucker, Alabama, and was appointed a warrant officer.

During the 20-week course, he was taught various fire techniques and tactical maneuvers for helicopters supporting ground troops in Vietnam. He also received instruction in helicopter maintenance and survival techniques.

## Foremans Win At State Fair

Several area residents were winners in competition this past week at the Michigan State Fair.

Ralph Foreman, Jr. of Northville was runner-up in the artistic fruit exhibit with a doctor's head formed out of bright red apples and eyes, nose and mouth of juicy purple plums.

Reflecting the well-known adage, "An Apple a Day Keeps the Doctor Away," the Foreman display won \$500 for second place.

Another Foreman display, "The King of the Land - Michigan Fruit," took the \$300 fourth prize. Featuring a picturesque spired and turreted castle of Michigan prunes and apples presided over by an animated, smiling red apple king, the exhibit was submitted by Narda S. Foreman.

In the highly prized horticultural crops and products class, the \$400 first prize went to W. A. Foreman of Northville for a taste-tempting array of fresh and canned fruits and vegetables ranging from beans to beets, red and yellow tomatoes to Onaway potatoes, peppers to plums and cabbage to cucumbers.

Other local area winners in this colorful category included Joyn O'Conner of Plymouth, \$350, and Narda S. Foreman, \$250.

Appetite whetting collections of grapes, apricots, apples, plums, cherries, pears, nectarines and peaches drew fairgoers to the educational exhibits class.

The \$225 first prize was awarded to Ralph Foreman, Jr., while Gary Foreman took second, \$200, Foreman Orchards, third, \$175, and Mrs. John O'Conner of Plymouth, fifth, \$125.

Local winners in the community arts department were:

Mrs. Fred Cobb, 21355 Beck road - 1st Canned cherries (sweet); 1st rabbit; 1st ground beef; 1st chicken;

1st pork; 1st (other meats); 1st veal; 1st Butter Frosting White Layer cake; 2nd Sausage; 2nd any other canned fruit; 2nd lamb; 2nd beef.

Fred W. Cobb - Canned Beets 2nd; Grape Jelly 2nd; 4th any other jelly.

## Church Leader To Speak Here

Dr. G. Merrill Lenox, executive director of the Metropolitan Detroit Council of Churches, will be a guest speaker at both worship services of the First Presbyterian Church of Northville on Sunday.

Services are at 9:30 a.m. and 11 a.m.

Son of a Baptist minister, Dr. Lenox was graduated from Bucknell university and Colgate Rochester Divinity School, and received a doctor of divinity degree from Alderson Broadus College in Philippi, West Virginia.

He served as pastor of Himrod Avenue Baptist Church of Youngstown, Ohio, 1928-31; Judson Memorial Baptist Church, Minneapolis, 1931-41; and as associate director of the Ministers and Missionaries Benefit Board of the American Baptist Convention, 1941-47.

Since 1947 he has occupied the position of executive director of the Metropolitan Detroit Council of Churches and, from 1953 to 1964, served both the Metropolitan Detroit and Michigan Councils of Churches with offices in both Detroit and Lansing.

Since 1964 he has served only the Metropolitan Detroit Council.

Aside from his numerous civic contributions in Detroit and Michigan, Dr. Lenox has carried his weekly radio news commentary, "Religion in Action," for nearly 20 years over Station WJR. He also broadcasts frequently on other radio and television programs.

## Our Legislators Report

### Esch...

Congressmen who, like myself, consider themselves to be fiscal conservatives have been placed on the horns of a real dilemma as the nation experiences one of its worst financial positions in recent years.

There are those of us who firmly believe that times of financial stress call for spending reductions and the development of expenditure priorities. But, the only answer we get is more taxes. There are those of us who firmly believe that our national debt has soared well into the danger zone and should be reduced. But, the only answer we get is more taxes.

In short, there are many who support these basic needs, but unfortunately not enough. We are faced by an Administration and a majority party who evidently have decided upon a tax increase as the only way out of our present position and who refuse to give more than lip service to other alternatives - mainly a reduction in non-essential spending.

I am one who believes that our first priority must be to cut spending, before we consider new taxes. I have acted accordingly whenever we have been given the opportunity on the floor of the House. In fact, so far our efforts in committee and on the floor have succeeded in reducing the President's budget requests by some \$3.8 billion. I am convinced that Congress could cut a total of \$6.3 billion which is what the President's surcharge proposal would raise this fiscal year. And I am also convinced that this can be done without materially curtailing our programs for the disadvantaged, for our troubled cities and for the support of our boys on the firing line in Vietnam.

At this point, in my continuing analysis of the national fiscal dilemma, I

tend to agree with House Republican Leader Gerald Ford who said that the President has yet to make a case for an income tax increase.

### McDonald...

Congressman Jack McDonald has introduced a bill which would defer policemen and firemen from the draft. Additionally, the legislation defers a wide range of law enforcement officials such as state highway patrolmen, sheriffs, deputy sheriffs, wardens and guards of State and Federal prisons, and jailkeepers.

Introducing the measure, McDonald indicated that according to the President's commission on law enforcement and administration of justice there will be 50,000 vacancies in police departments throughout the country this year along with similar shortages of firemen.

He said, "Intelligent, physically fit young men daily are being inducted into the Armed Forces from the ranks of the police and fire departments. A dangerous void is left that can not be neglected."

"It is just as important to protect the lives and property of American citizens at home as it is to preserve freedom in Vietnam. It is imperative that every city has adequate protection from those who seek to make our streets unsafe," McDonald said.

He added, "Exempting law enforcement officials and firemen from the draft and encouraging young men to pursue careers in public service is one answer to the urban warfare that persists today in the United States."

### Schmidt...

In the House of Representatives plans were being formulated to put into action a special committee on civil disturbances. Republican leadership in the House and Senate agreed on the committee makeup which will include 10 members representing Republican and Democratic leadership of both Houses.

The watchdog committee will be known officially as the "Joint Legislative Committee to Coordinate Studies of Civil Disturbances." It will be responsible for directing standing and special study committees in the Legislature who are looking into areas which may relate to the riots. Major areas of consideration will be housing, jobs, law enforcement, and education.

Chairmen of these committees will be required to submit study plans to the "super committee" for approval, to avoid duplication or overlapping of effort. The coordinating committee does not plan to do any investigation itself, but will work closely with all groups, private and public, dealing with riot-related investigations.

A report of preliminary studies by the House special committee on mental health Legislation for Criminal Cases was released last week. The committee recommended major revisions in the law dealing with criminal sexual psychopaths

including requirements for judicial controls on parole and release of these individuals. If adopted, the major recommendation of the committee would be to make parole and discharge from institutions for the criminal sexual psychopath fall under the same rules as now apply to the criminally insane.

Parole for those convicted of rape, murder or child molestation would come under the jurisdiction of the judge who convicted the offender. The Director of the State Mental Health Department

would make recommendations for parole and would have parole authority dealing with those convicted of more minor crimes.

Statewide hearings into the issue will be held by the study committee during the month of September. Only one hearing date has been released. That will be in Mount Clemens on September 12. The hearing will be held in the circuit court chambers of Judge Howard R. Carroll on the ninth floor of the Macomb County Building at 10:00 a.m.

## NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN THAT THE COUNCIL FOR THE CITY OF NORTHVILLE WILL HOLD A PUBLIC HEARING ON TUESDAY, SEPTEMBER 5, 1967, 8:00 P.M. at the NORTHVILLE CITY HALL ON

### City of Northville Housing Ordinance

A complete copy of this ordinance is on file with the City Clerk and will be provided at no charge upon request. The following is a summary of the proposed Ordinance:

#### TITLE: HOUSING

An Ordinance establishing minimum standards governing the condition and maintenance of dwellings; establishing minimum standards governing supplied utilities and facilities and other physical things and conditions essential to make dwellings safe, sanitary and fit for human habitation; establishing minimum standards governing the condition of dwellings offered for rent; fixing certain responsibilities and duties of owners and occupants of dwellings; authorizing the inspection of dwellings; and the condemnation of dwellings unfit for human habitation; and fixing penalties for such violations; to provide for a Board of Appeals and to fix compensation and provide for the powers of said Board of Appeals.

ARTICLE I - TITLE AND PURPOSE "Housing Ordinance" to provide minimum standards for existing dwellings.

ARTICLE II - TO WHOM IT SHALL APPLY.

Owners and managers of dwellings within the City of Northville.

ARTICLE III - DEFINITIONS. ARTICLES IV - INSPECTION OF DWELLINGS, DWELLING UNITS, ROOM UNITS AND PREMISES.

Authorizes Health Officer to make inspection to determine the condition of dwelling units and premises at all reasonable times and requires the owner or occupant to grant free access to said officer according to law.

ARTICLE V - SERVICE OF NOTICES AND ORDERS.

Directs Health Officer to give notice of alleged violations to responsible persons and provides specific procedure for content and serving of such notices. Also provides that notice must include statement of right to appeal unless emergency exists which requires immediate action to protect the public health.

ARTICLE VI - HOUSING BOARD OF APPEALS

Establishes 5-man Board of Appeals to be appointed by the Northville City Council to determine that unnecessary hardship will not result from the carrying out of the strict letter of this ordinance. Provides procedures for Board of Appeals to follow for such hearings.

ARTICLE VII - MINIMUM STANDARDS FOR BASIC EQUIPMENT AND FACILITIES.

No dwelling or dwelling unit may be occupied or let which does not comply with the following requirements:

Each unit must contain a kitchen sink and a private room equipped with a flush

water-closet, lavatory basin and a bath tub or shower. None of the above sanitary facilities may be shared by the occupants of more than two dwelling units. Every basin and bath tub or shower must be connected with adequate hot and cold water lines. Every dwelling unit shall have two (2) separate means of egress.

ARTICLE VIII - MINIMUM STANDARDS FOR LIGHT, VENTILATION AND HEATING.

No dwelling or unit may be occupied or let which does not comply with the following requirements:

Every habitable room shall have at least one (1) window or skylight equaling at least ten percent (10%) of floor area. Every habitable room must have adequate ventilation. Every bathroom which does not have a window or skylight must be equipped with adequate ventilation system. Every dwelling unit shall have properly installed and maintained heating facilities capable of heating all habitable rooms and bathrooms to a temperature of 70 degrees F. Every room shall contain at least two (2) separate electrical outlets except each room used for cooking purposes shall have at least three (3) separate outlets. Approved wiring methods shall be used in conformity with the National Electrical Code. Every public hall and stairway in multiple dwellings shall be adequately lighted. Every door opening directly from a dwelling unit to outdoor space shall be supplied with a screen door. Every window used for ventilation shall also be supplied with a screen during the period from June 1 to October 1 of each year. Basement windows used for ventilation shall have rodent-proof screens. Stairways should be equipped with a handrail.

ARTICLE IX - GENERAL REQUIREMENTS RELATING TO THE SAFE AND SANITARY MAINTENANCE OF PARTS OF DWELLINGS AND DWELLING UNITS.

No dwelling unit may be occupied or let which does not comply with the following requirements: All foundation floors, walls, ceilings, roofs, windows, exterior doors and basement hatchways shall be water-tight, rodent proof and kept in good repair. Stairs and porches should be kept in good condition. All plumbing fixtures should be maintained in good sanitary working condition. Bathroom and kitchen floor surfaces should be maintained in a sanitary condition. No owner, operator or occupant shall cause any utility to be removed or shut off except for temporary interruption for repairs.

ARTICLE X - MINIMUM SPACE, USE AND LOCATION REQUIREMENTS.

No dwelling unit may be occupied or let which does not comply with the following requirements:

Every dwelling unit shall contain at

least 150 square feet of floor space for the first occupant and at least 100 additional square feet of floor space for each additional occupant. In no case shall any private dwelling be occupied which does not contain 480 square feet of habitable room area. Every room occupied for sleeping purposes shall contain at least 80 square feet of floor space for the first occupant and an additional 30 square feet for each additional occupant. At least one-half (1/2) of floor area of every habitable room shall have a ceiling height of seven (7) feet. No cellar space should be used as a habitable room. No basement should be used as a habitable room unless the floors and walls are water-tight; window space equals ten percent (10%) of the floor area; required window area is located above the adjoining grade; adequate ventilation is provided; ceiling height is six (6) foot-eight (8) inches; is separated from heating equipment, incinerators or other hazardous equipment; access is provided without going through a furnace room; independent means of egress is provided from each dwelling unit. No kitchen or cooking accommodations shall be used jointly by the occupants of more than one dwelling unit.

ARTICLE XI - RESPONSIBILITIES OF OWNERS AND OCCUPANTS.

The owner of a dwelling containing more than two (2) dwelling units shall be responsible for maintaining in a clean and sanitary condition all shared or public areas of the dwelling. In all other cases it shall be the responsibility of the occupants. The occupant is responsible for placing his rubbish and garbage in approved containers and removal from the premises except that for all dwellings containing more than two (2) dwelling units it shall be the owner's responsibility to remove the rubbish and garbage once placed in the proper containers by the occupants. Every occupant of a single family dwelling shall be responsible for the extermination of rodents or pests. Every occupant of a dwelling unit in a multiple dwelling shall be responsible for such extermination when the dwelling unit is the only one infested, except that the owner is responsible for maintaining the dwelling in a rat-proof or reasonably insect-proof condition. Whenever infestation exists in two (2) or more of the dwelling units in any dwelling, extermination shall be the responsibility of the owner. Every occupant shall keep plumbing fixtures in a clean and sanitary condition and shall be responsible for the exercise of reasonable care in the operation thereof. If the occupant of a dwelling shall fail to comply with the provisions of this ordinance after due and proper notice from the Health Officer, such failure to comply shall be deemed sufficient cause for the summary eviction of such tenant by the owner and the cancellation of his lease.

ARTICLE XII - ROOMING HOUSES

No person shall operate a rooming house except in compliance with the provisions of every section of this ordinance except the provisions of Article VII and must meet the following requirements:

At least one (1) flush water closet, lavatory, basin and shower or bath tub shall be supplied for each four (4) persons residing within a rooming house. No such facilities shall be located within a basement. If the operator supplies bed linen and towels such shall be changed at least once a week. Every room occupied for sleeping purposes shall contain at least 80 square feet of floor space for the first occupant and 30 square feet for each additional occupant. Every rooming unit shall have two (2) separate means of egress. The operator of every rooming house shall be responsible for the sanitary maintenance thereof. These requirements apply also to hotels and motels.

ARTICLE XIII - DESIGNATION OF DWELLING UNFIT FOR HUMAN HABITATION AND LEGAL PROCEDURE FOR CONDEMNATION

Any dwelling or dwelling unit to which the following defects apply shall be deemed "unfit for human habitation":

a. Those which have been damaged by fire, wind or other causes so as to have become dangerous to life, safety, morals, or the general health and welfare of the occupants or the people of the City of Northville.

b. Those, which have become or are so dilapidated, decayed, unsafe, unsanitary or which so utterly fail to provide amenities essential to decent living or are likely to cause sickness or disease so as to work injury to the health, safety or general welfare of those living therein.

c. Those having light, air or sanitation facilities which are inadequate to protect the health, morals, safety or general welfare of human beings who live or may live therein.

d. Those having inadequate means of egress as required by Section 707 of this Ordinance.

e. Those which have parts thereof which are so attached that they may fall and injure members of the public or property.

f. Those, which because of their conditions, are unsafe, unsanitary or dangerous to the health, morals, safety or general welfare of the people of the City of Northville.

g. Those in which the owner or occupant fails to comply with orders of the Health Officer, based in the provisions of this ordinance or on rules and regulations adopted pursuant thereto.

This article establishes the procedure to be followed for giving notice of condemnation.

ARTICLE XIV - VIOLATIONS AND PENALTIES.

Provides a fine of not less than twenty-five dollars (\$25.00) and no more than one-hundred dollars (\$100.00) and/or imprisonment up to ninety (90) days for each day that a violation of this ordinance is permitted to exist.

ARTICLE XV - SEPARABILITY

A complete copy of this ordinance is on file with the City Clerk and will be provided at no charge upon request.

At least one (1) flush water closet, lavatory, basin and shower or bath tub shall be supplied for each four (4) persons residing within a rooming house. No such facilities shall be located within a basement. If the operator supplies bed linen and towels such shall be changed at least once a week. Every room occupied for sleeping purposes shall contain at least 80 square feet of floor space for the first occupant and 30 square feet for each additional occupant. Every rooming unit shall have two (2) separate means of egress. The operator of every rooming house shall be responsible for the sanitary maintenance thereof. These requirements apply also to hotels and motels.

ARTICLE XIII - DESIGNATION OF DWELLING UNFIT FOR HUMAN HABITATION AND LEGAL PROCEDURE FOR CONDEMNATION

Any dwelling or dwelling unit to which the following defects apply shall be deemed "unfit for human habitation":

a. Those which have been damaged by fire, wind or other causes so as to have become dangerous to life, safety, morals, or the general health and welfare of the occupants or the people of the City of Northville.

b. Those, which have become or are so dilapidated, decayed, unsafe, unsanitary or which so utterly fail to provide amenities essential to decent living or are likely to cause sickness or disease so as to work injury to the health, safety or general welfare of those living therein.

c. Those having light, air or sanitation facilities which are inadequate to protect the health, morals, safety or general welfare of human beings who live or may live therein.

d. Those having inadequate means of egress as required by Section 707 of this Ordinance.

e. Those which have parts thereof which are so attached that they may fall and injure members of the public or property.

f. Those, which because of their conditions, are unsafe, unsanitary or dangerous to the health, morals, safety or general welfare of the people of the City of Northville.

g. Those in which the owner or occupant fails to comply with orders of the Health Officer, based in the provisions of this ordinance or on rules and regulations adopted pursuant thereto.

This article establishes the procedure to be followed for giving notice of condemnation.

ARTICLE XIV - VIOLATIONS AND PENALTIES.

Provides a fine of not less than twenty-five dollars (\$25.00) and no more than one-hundred dollars (\$100.00) and/or imprisonment up to ninety (90) days for each day that a violation of this ordinance is permitted to exist.

ARTICLE XV - SEPARABILITY

A complete copy of this ordinance is on file with the City Clerk and will be provided at no charge upon request.

## NOTICE

The City of Wixom planning commission will consider the preliminary plat submitted by Douglas A. Colwell, Open Space Communities, Inc., at their regular meeting to be held September 11, 1967 at 8 o'clock p.m. at the Wixom City Hall. Mr. Colwell is seeking preliminary approval for a planned unit development involving 112.4 acres adjacent to the Finnish summer camp on Loon Lake road. A copy of the proposed plat is available for inspection at the City clerk's office.

Larry Beamish  
Secretary  
Wixom Planning Commission

### MEETING NOTICE

The regular meeting of the Northville City Council is changed from Monday, September 4, 1967 to Tuesday, September 5, 1967, 8:00 p.m. at the Northville City Hall.

Martha M. Milne  
City Clerk

**WE'VE GOT A WINNER** — With tongue in cheek, Northville administrators predicted a winning football team this fall in indicating they would conduct practices during the absence of coaches who are sticking to teachers' decision not to return to school without a contract. Here former head football coach, Ron Horwath, now assistant principal at the high school, had backs running funda-

mental maneuvers Tuesday afternoon as Athletic Director Dave Longridge (below) pushed linemen through some blocking drills. Junior High Principal Donald Vanlengen, former high school coach here, and High School Principal Fred Holdsworth, a former high school coach at Berkley, indicated they'll unloose some dormant skills, if need be, to ensure a winning season.

## After 2 Victories

# Vikings Face First League Tilt

With two pre-season victories under their belts, the Ypsilanti Vikings

## Wixom Hosts Playoff Tilt

With an eye at "knocking off the leaders," Wixom's men's softball squad will host Penny Manufacturing in the final game of post-season playoffs this evening (Thursday) beginning at 6 p.m.

The two squads were to clash yesterday in their first of a two-game schedule in the second round of playoffs.

In the opening two games, Wixom downed Brian Computer, 7-6 and 9-5. Penny defeated Mill's Products in its openers.

Penny finished first at the end of the season, while Wixom tied for third in the nine-team Walled Lake Industrial League.

## Area Girl Wins At 4-H Show

Marilou Kohler, 7901 Seven Mile road, Northville, won the Champion Equitation class for stock horses at the 4-H State Show at Michigan State University this past week.

Fourteen-year-old Marilou also took Reserve Champion in the Fitting and Showmanship class and third place in Pleasure in her age group.

She is the daughter of the John Kohlers and is a member of the Little Britches 4-H Club.

At each 4-H county fair, nine horses and one pony were chosen to represent the county at the stateshow. Marilou and her mount were chosen at the Oakland County Fair.

will host the Dayton Colts Saturday in their first official semi-professional football contest.

Game time is 7:30 p.m. at Willow Run High school.

Northville's all-American Steve Juday, whose father died early this week, was the sparkplug in the two pre-season wins and was expected to pilot the Vikings in their league debut Saturday.

A Vikings' spokesman, surprised by the death of his star's father, did not know if the quarterback would suit up for the game.

In the club's last victory on August 19, Juday had ignored rain-washed play and fired nine completions in 18 passes. His field generalship was "just short of stupendous," the spokesman said.

The former Michigan State university star tossed four touchdown passes in the two starts, one that produced a 28-13 win over the Pontiac Firebirds and the other a 25-0 triumph over the Colts, 25-0.

Steve's older brother, Bill, who captained the Vanderbilt Commodores during his senior year, had joined him in signing with the Vikings in the Midwest League. But employment commitments forced his resignation after the first game.

### VIKINGS SCHEDULE

September 2, Dayton Colts, Home  
September 9, Pontiac Firebirds, Away  
September 16, Lansing All Stars, Home  
Sept. 23, Detroit River Rouge, Home  
Sept. 30, Michigan Arrows, Away

Oct. 21, Dayton Colts, Away  
Oct. 28, Open  
Nov. 4, Michigan Arrows, Home  
Nov. 11, Detroit River Rouge, Away  
Nov. 18, Blue Devils, Away  
Nov. 25, Pontiac, Home

All home games start at 7:30 p.m. and are played at Willow Run high school.

## More Wanted

# 31 Hopefuls Report For Drills in Novi

Keeping to the philosophy that two slices of cake are better than one, Novi's head football coach is looking for more frosting.

Only 31 candidates reported for opening practice Monday morning — or about 15 short of the number anticipated.

Obviously disappointed, Coach John Osborne crossed his fingers and hoped for more hopefuls as the week progressed. "I sure hope we get some more," he said as his uniformed gridders turned in from a morning of workout.

Twice-a-day workouts are scheduled throughout this week, and those workouts, the coach explained, mean all-day sessions. Players report in the morning, break for sack lunches and an hour of relaxation at noon, and are back on the field for afternoon drills.

Initial drills were aimed at flattening bellies and strengthening muscles together with working on blocking and tackling skills. But by the afternoon of the opening day, Osborne and his assistant, Milan Obrenovich, had players running through plays.

"With a game coming up pretty quick we've got to get them started early," Osborne said.

First game for the Wildcats is an away contest with Boysville on September 15. The first home game is slated for September 22 with Whitmore Lake.

If more of the expected line candidates show up, Osborne sees about 20 returning lettermen who played a combination of junior varsity and varsity football last year making up the core of his 1967 grid machine.

Most of these, he said, are juniors who have been playing together since the seventh grade, thus giving the squad some of the experience necessary to win despite Novi's lack of a senior class. "Hopefully, we'll have a combination of both (defense and offense).

But our real problem will be lack of depth. We just don't have it."

None of the candidates have sewn up any positions, but the coach sees Joe Morrison, Levon Tafralian, Doug Keith, Dave Bingham and Doug Earl as battlers for starting positions in the line.

Jon VanWagner, Novi's leading ground gainer with 620 yards, Mike Farah, a fullback, and two quarterbacks, Gary Boyer and Doug Schott are expected to add plenty of excitement to the backfield.

As for the other squads in the league, Osborne indicates little real knowledge of what to expect. "I just can't predict their strength. About all I know is that Clinton has been tough and probably will be the powerhouse this season."

Novi will be battling for laurels in league competition for the first time. But the local squad will represent the only school in the Lakeland C Conference without a senior class. (Novi seniors will attend Northville High school).

## Wixom Slates 'Shoe Tourney

A championship horseshoe tournament, sponsored by the Wixom recreation department, is slated to get underway at 11 a.m. Sunday.

Open to all Wixom men and women, the tourney will continue until 6 p.m. with contestants receiving 32 shoes. Trophies will be awarded to top entries on the basis of total points.

# Sports

**OFF 'N RUNNING** — Novi football candidates were pushed through some rugged drills in the opening practice session Monday, running

sprints and longer distances to work out summer kinks and setting the stage for pre-game maneuvering for starting positions.

# MANUFACTURERS BANK

# unicheck

## New way to use money...yours and ours.

Unichек takes the most frequently used banking services... ties them into one handy package... and gives you more purchasing power than you ever thought possible. You start out with Full-Time Credit you can use any time... for any purpose. And you get a Unichек Identification Card to facilitate your day-to-day personal business.

Here's a rundown on Unichек. Think how many money problems it can solve for you.

- ☐ Full-Time Credit—When you need money "now," call on Unichек for a line-of-credit of \$300 or more. Simply write a check up to your unused line-of-credit and cash it anywhere.
- ☐ Identification Card—With Unichек you get a special Unichек Card that gives you positive identification at any office of Manufacturers Bank and other places where you may do business.
- ☐ Checking—You can write as many checks as you wish, free of service charges, as long as you maintain a minimum balance of \$200 (or an average monthly balance of \$500).
- ☐ Savings—Unichек helps you save money... simply, automatically. Just say the word and we'll transfer \$10 or more a month to savings where it will earn the highest interest rate allowed.
- ☐ Loan Payments—Repay your Manufacturers Full-Time Credit account and make mortgage and installment loan payments automatically each month through your Unichек account.

Unichек is the most complete banking service ever offered in this area. And the beauty is that you choose the services you want included in the account. Take advantage of this "one stop" banking right away. Just visit any one of the more than 60 Manufacturers Bank offices.

# Northville Seeks 2 More Teachers

With a week remaining before school is scheduled to open, Acting Superintendent Raymond Spear reported to the Northville board of education Monday, the district is short two teachers, one of whom is a junior high shop teacher, sought since last year.

The other is a fourth grade replacement for Mrs. Sandra Domine, fourth grade teacher at Amerman school, who notified the board in a letter Monday that she has accepted a position with the University of Michigan. Upon recommendation of the superintendent, the board did not act upon her request to be released from her contract as no replacement has been found. Spear commented that the lateness of several resignations has made recruitment more difficult.

Contracts for a new and a replacement teacher were approved with Richard Martin dissenting.

Miss Sarah Baldwin, Northville, was hired as a sixth grade teacher. She has a B.S. degree and an M.S. degree from Purdue and University of Arizona in homemaker and general science. Her salary will be \$8,035 with credit for six and a half years' experience.

Mrs. Ruth Hood of Ypsilanti was hired as new elementary librarian, a position authorized by the last school board.

She has a B.S. degree from Wisconsin State University in English, social studies and library science. She has taught 21 years, is married with four children. Her salary is \$7,080.

## Postmaster Issues Warning

Postmaster John Steimel issued a warning this week that it is a federal offense to falsely subscribe to services through the mails.

The Northville postmaster said that a number of people in Northville have reported receipt of gifts, books, records, magazines, Christmas cards, etc. to which they have not subscribed. Persons found guilty of submitting these subscriptions as a prank are subject to a fine and imprisonment on the grounds of using the mails to defraud, Steimel stated.

He said that postal inspectors have been notified and that investigation will soon get underway.

Steimel requests anyone receiving such unordered material to notify his office.

## Run-Away Car Hurts Woman

Mrs. Helen Fritz of 306 East Cady was admitted to St. Mary hospital late Monday afternoon with bruises and internal injuries after a run-away car struck her as she walked in front of the A & P Food Store.

The car, driven by John Bill Kohler of 7901 West Seven Mile, was parked in front of Joe's Little Bar before the accident, but Kohler left it in drive. The car rolled back down Main street and onto the sidewalk, running over Mrs. Fritz.

Witnesses said several people screamed a warning to her but she apparently didn't hear them. When police arrived, she was lying on the sidewalk with the car next to her.

She was rushed to St. Mary hospital, where she was reported doing well despite serious injuries Tuesday afternoon.

Kohler was driving a friend's car at the time of the accident. There was no damage to the car.

## Cavern Election

Northville's teenagers' club, The Cavern, is looking for potential officers.

Persons interested in holding offices are urged to contact Stacey Evans, chairman of the election committee, at 349-0474 today.

With the third annual election coming up September 7, club officials urge talented boys and girls, ages 14 and 21, to join with the group in filling all offices and department chairmanships at the election.

## VFW Bowlers Win \$1,125

Northville VFW Post 4012, biggest state winner in the VFW Michigan bowling tournament at Detroit, has copped the largest chunk of the \$7,350 prize money.

Representatives of the local post won a total of \$1,125 in competition with 158 VFW teams from throughout the United States.

One of the six Northville teams entered in competition took a first place with 3,164 points for a prize of \$500 and a large trophy recently presented to the post.

Frank Bongiovanni also grabbed first place money - \$150 - in the singles division with 699 points. The top local bowler also took second in the all-competition event with a 1,971 total, good for an \$80 prize.

Northville veterans chalked up 6 out of 56 doubles payoff positions, 5 out of 25 all-competition, 12 of the 124 singles, and post teams took first, 15th and 25th places.

## Split Schedule

Continued from Page 1

- Martin and Andrew Orphan, who have been meeting with township officials, agreed to represent the board at a meeting September 5 with the city planning commission.

- A letter was read from the Elementary Principals' Association announcing that Milton Jacobi, Moraine elementary principal, has been named president-elect of Region II of the association.

- Elementary textbook fees will remain the same as for last year with the board to study a report made by Harry Smith later.

- At the suggestion of Richard Martin the administration will investigate costs of paving the road on the south side of the high school. With no buses going to the high school, Principal Fred Holdsworth said he anticipates no parking problems this fall as teachers will be able to park in the turn-around area. Student drivers, he felt, were a smaller problem than parents who drive their children to school and have to return to the main streets.

- The board approved the bid of Gillis Electric company of \$14,000 for installation of new light fixtures in the Main Street elementary school.

- American Community Mutual Insurance company through Northville Insurance company was authorized to provide student policies for the 1967-8 school year for those who wish to purchase. Johnston abstained from voting.

- The board tabled the question of the district's obligation to pay an assessment on the Bradner road school site it now holds.

## Flower Show

## Municipal Court

A variety of cases was heard this week before Judge Philip Ogilvie in Northville Municipal Court this week. Two trials for violation of financial responsibility were heard Monday.

Kenneth Anthony Molitor of Highland Hills Trailer Court, Novi was found guilty of the charge and paid a \$100 fine. He had previously pleaded not guilty at arraignment August 18.

The same charge was dismissed in the trial of William Garner VanHorn of Westland, but he pleaded guilty to an added count of not having an operator's license in his immediate possession. He was fined \$50 plus \$50 costs.

Alexander Strachan Jr. of 620 Horton pleaded guilty at his arraignment August 28 to a charge of being a disorderly and drunken person August 27. He paid \$55 fine and costs.

A \$55 fine was paid by Bobby R. Newport of Whitmore Lake after pleading guilty at arraignment of being a minor in possession of beer at the Northville Community Building.

Nelson Mark Hyatt of 21482 Summerside was charged August 23 with the malicious destruction of property in the Northville Municipal Building lower lobby. He was arraigned August 23 and pleaded guilty. The fine and costs were \$55. He was also sentenced to a total of seven days in jail.

Hyatt was also charged August 23 with being a disorderly person and loitering by the Municipal Building. The charge was dismissed at his trial August 28.

For a charge of speeding 55 miles in a 35 zone, Thomas Marvin Mitzner of Livonia was charged \$25 after pleading guilty at arraignment August 29.

Allan Smith of Wayne and James Hamilton of Milford were charged August 4 by Lavern Zenner of Westland with felonious assault. They were arraigned August 7, at which time they pleaded not guilty.

At their trial August 28, the case against Hamilton was dismissed upon the motion of the prosecutor. Smith was bound over to the Wayne County Circuit court for trial.

William L. Goodwin was also bound over to the Wayne County Circuit Court after his trial for insufficient funds to cover checks paid to the Kroger's store, 133 East Dunlap June 10, 12 and 14. The checks totaled \$120.

At his arraignment July 24 he stood mute. During his trial Monday he appeared with counsel and waived examination. The case was then turned over to Circuit Court.

A charge of assault and battery was placed against Helen Wieckowski of Grosse Pointe Woods February 12 by Estelle Binder of Grosse Pointe Woods. The offense took place, it was charged, at Northville State hospital.

She pleaded not guilty at arraignment February 21. During her trial August 28 a verdict of not guilty was reached.

# Negotiations

Continued from Page 1

starting salaries but reportedly fell far short of demands for experienced teachers. The proposal, teachers said, discriminated against experienced teachers and carries "hooker" clauses that negate any gains.

Originally, teachers demanded a \$7,400 starting salary while the board countered by offering to maintain the present salary of \$5,600 with built-in increments. Subsequently, the two sides came up with new proposals, with the board's last one coming early Monday morning. Although the teachers' last official proposal puts their starting salary demand at \$6,800, they suggested a "bare minimum" schedule Monday morning to the state mediator that resulted in the board's newest proposal. The teachers' minimum schedule was not disclosed.

According to Acting Superintendent Raymond Spear, chief negotiator for the board, insistence by teachers to start bargaining on a complete new contract proposal instead of attempting to improve upon the existing one is responsible for the failure to produce an acceptable contract earlier.

"By putting a brand-new contract proposal on the table," he said, "teachers forced the board to prepare its own new proposal for negotiation purposes."

He contends the teachers' all-new proposal forced the two sides into a "cat and mouse" situation that has delayed settlement.

On the other hand, the teachers' chief negotiator, Miss Pat Bubel, argues that failure of the board to bargain in "good faith" and stubborn refusal to match teachers' periodic reduction of demands accounts for the present no-contract position.

"We have conceded in many areas of the contract while the other side, instead of moving forward, has chop-

ped away gains made by teachers in the 1966-67 contract."

She and her team charge that board negotiators, at the insistence of their attorney, have not only failed to match teacher concessions in current proposals but have insisted teachers accept a less desirable non-economic package than represented in the old contract.

Recent movement forward in the area of salary and fringe benefits by the board has been slow in coming, she says.

She points to these board proposals as examples of its unrealistic attitude: ---Insistence that additional time for extra-curricular activities be spelled out for the first time;

---Obligating teachers to six college credit hours every three years;

---Placing more restrictions in leave policies, formal procedures for securing substitute teachers, and on vacancy and transfer procedures;

---Requiring fewer deductions for credit union, etc.;

---Reducing preparation time for elementary teachers.

---Stepping up the teachers' responsibilities for reporting to school during inclement weather;

---Limiting the effectiveness of arbitration.

"We feel we have bent over backwards in trying to meet their concerns over the contract (1966-67) where it seemed unworkable," she argues. "But we don't see the reciprocity in their offers. They continue to maintain the hard line of no movement."

Anticipating possible public resentment, Miss Bubel said teachers are as anxious as anyone to return to school. However, they cannot compromise their professional position simply to curry public favor, she explains. "We have a professional level to maintain, and what the board proposes does not permit us to perform effectively."

Spear charges that teachers, by listening to an MEA representative, have involved themselves with a group that is engaged in a power struggle with AFT. Out of it, he says, has come an insistence by teachers that all injustices over the past 100 years be corrected at the bargaining table.

No longer, he says, do teachers accept the board's good intentions on faith. By insisting that everything be spelled out in a contract, they put the board in the position of doing the same.

Another major problem in current negotiations, he adds, has been the teachers' neglect in putting into writing its specific concerns over the present contract.

Board-teacher negotiations began in January and have brought the teams together at the table for more than 100 hours.

New teachers reported for orientation Tuesday and Wednesday, but according to Miss Bubel, neither new or returning teachers plan to report as scheduled today (Thursday) if contract agreement is not reached.

Classes are scheduled to begin Tuesday.

# The Northville Record And The Novi News

Section B Thursday, August 31, 1967 Page One

Despite poor jumping weather, skydivers made mincemeat of a three-inch bulls-eye Saturday and Sunday as they dived from an airplane high above Novi. Gale Day activities. In more than 50 jumps, the divers landed within 300 feet of the target in all but two cases—and both of those involved a less experienced female skydiver. Jerry Kelly, who topped first place and a trophy offered by Midwest Parachute Sales & Service of Novi, split the bulls-eye twice in six jumps. Norm Rust of Novi, who was a contender through two jumps, suffered a bruised heel and failed to make a third jump. His injury and a sprained ankle were the only injuries. None of the jumpers nor their close friends were involved in the tragedy over Lake Erie Sunday. Divers used this new multi-slot chute developed by the French for greater accuracy.

## from the PASTOR'S STUDY

Reverend Gib Clark, Pastor  
First Baptist Church of Novi

We are accustomed to thinking of books written a long time ago as being out of date and largely in error. So when we read the Word of God it is easy to fall into that habit of thinking. But the Bible authenticates itself generation after generation because of its fresh realistic, and profound approach to human problems. It carries an ineradicable persuasion concerning its inspiration and uniqueness, because it actually inspires and because it approaches the human situation as no other book or institution. It has stimulated stunted souls for almost 2,000 years.

In the New Testament for example, growth is the purpose of all of God's program for the Christian. Jesus said

to His followers, "Be ye therefore perfect (mature), even as your Father which is in heaven is perfect." This is a remarkable concept. Man is to rise to the heights of God. At least that is the stated goal. In the New Testament the emphasis is on maturity. We are "born again" that we may be conformed to the image of God's Son Jesus Christ. We must not dilute this teaching and still call it Christianity. We are not only to be reconciled to God through Christ, to sit at His feet, worship Him, but we are to reach His degree of maturity. "Let this mind be in you, which was also in Christ Jesus." (Philippians 2:25).

Be twice smart!

**Are you getting the whole story on dryer costs?**

Maybe you've heard an electric dryer costs more, per load, to operate than a gas dryer.

But, compare original dryer cost. Model for model, you pay \$20 to \$40 less for an electric dryer.

And you get **Free Installation** on newly purchased electric dryers, except venting, on Edison lines up to and including four-family flats.

And **No Charge Repair Service**. No charge on electric parts or labor. You can't get free protection on a gas dryer; if you have to replace the motor on one, it can wipe out whatever small per-load savings you may have accumulated.

So when you hear about the pennies per load you might save with a gas dryer, think about the dollars you save over the life of an electric dryer

## THE JOY OF LIVING

THE CHURCH FOR ALL FOR THE CHURCH  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a spiritual Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Ever notice how some people associate the joy of living with moments of care-free relaxation, while others seem to find equal happiness in both work and leisure?

Which seems most natural? Was man created with the capacity for finding happiness in his spare time only or was he endowed with a genius for reaping joy from both work and play?

Before anyone surrenders to the cynicism of the first theory, he owes it to himself, his neighbors and his God to give the second a real try.

For centuries the Church has been helping men to discover the deep and lasting joy of purposeful living. When your life has a purpose, linked to the Purpose of God... then every day reveals anew the joy of living!

## News Around Schoolcraft

Schoolcraft college will set its third straight fall-term enrollment record when more than 4,000 students start classes today as the college begins its fourth year of operation.

While official figures will not be available until September 7, top administrators last week were predicting a headcount enrollment of as high as 4,150 at the community college which opened its doors in August, 1964, with 2,018 students. The new enrollment peak will fill the college virtually to capacity, according to administrative reports to Dr. Eric J. Bradner, college president.

Dean of Academic Instruction Robert A. Stenger called the classroom situation "critical" on the basis of a pre-registration scheduling that indicated a 97 to 100 percent occupancy of classrooms during the day.

Fred Stefanski, director of the evening program, said a 100 percent use of classrooms had been scheduled for evening classes and plans were being drawn for expanding the Saturday morning program with additional classes to ease the housing pinch.

Meanwhile, a series of building and development projects on campus were being rushed to completion in time for the opening of school.

A new 1,300-car student parking lot at the south end of the campus will be completed, paved and lighted. A new greenhouse for use in the biology instruction program will be ready. Interiors of all campus buildings have been painted in a campus-wide project.

Expansion of the food preparation area in the cafeteria has been virtually completed and will permit the serving of regular meals during the dinner hour for evening program students. Remodeling of the Administration Building is being rushed to completion to provide office, and working space for additional faculty and staff.

Dean of Student Affairs Edward V. McNally, in his report to Dr. Bradner, offered a conservative enrollment estimate of "in excess of 4,000." Director of Admissions Barbara Gell was less conservative with a forecast of 4,150.

Miss Gell said her office had accepted 1,550 new students in the day program, and reported the possibility of 2,000 new students enrolled in both day and evening programs.

This estimate, she added, did not include apprentices entering the fast-growing Schoolcraft program for the first time.

The apprentice program has enrolled 400 students.

# NOVI HIGHLIGHTS

Mrs. H. D. Henderson  
FI-9-2428

Lester Monger Jr. son of Mr. and Mrs. Lester Monger Sr. of 43021 Eleven Mile road entered the service August 16 and is now at Fort Knox, Kentucky for basic training. Before Lester left home his parents had a party for him. Among the 50 friends and relatives were his grandparents, Mr. and Mrs. Arthur Cummins and Sgt. Ray Chamberlain of Mt. Clemens, the latter recently returned from Vietnam; also, Mr. and Mrs. Starr Heliker and family, Mr. and Mrs. Richard Shupe and son James, Mr. and Mrs. Ed Cummins, Mr. and Mrs. Charles Cummins, Mr. and Mrs. William Cummins and their families, Mrs. George Mairs and Sara Jane and Bill of Pinckney, Mr. and Mrs. Harold Van Sickle and other local area friends.

Mr. and Mrs. Lester Monger plan to visit their son, Lester at Fort Knox, Kentucky on the Labor Day weekend. Funeral services were held at Casterline Funeral Home in Northville Tuesday afternoon for Joseph Rackov. Mr. Rackov was the brother of William Rackov of Fonda Street.

Rev. and Mrs. Dean Parker of Dearborn Heights visited the latter's mother, Mrs. Hattie Carlisle one day last week.

Mr. and Mrs. Ray LaFond have returned from an extended vacation trip through the western states. They left from their Wildwood cottage near Petoskey and were gone over three weeks spending some time at Glacier National Park, Yellowstone Park and other places of interest. They traveled over 5000 miles.

Mr. and Mrs. John Klaserner Sr. and Mr. and Mrs. William Klaserner and family spent four days of last week at Sandusky, Ohio. While there they celebrated the birthdays of Mr. and Mrs. Klaserner Sr., William Klaserner and son Mark.

Last weekend Mr. and Mrs. Willis Miller and daughters Jane and Pamela camped out at Hayes Park in the Irish Hills. On Saturday they had a picnic and were joined by Mrs. Sheridan Hawk and children, Marguerite Miller and her fiancé Dewey Perry and Mr. and Mrs. Leslie Jensen and family.

Mrs. Sheridan Hawk entertained at a jewelry demonstration party last Thursday evening. Out of town guests came from Detroit and Dearborn.

The Harold Millers of West Grand River are entertaining this week. Mrs. Miller's sister, Mrs. Sidney Ross of Menlo Park, California. It was seven years ago when Mrs. Ross was last visiting relatives in Michigan.

Mr. and Mrs. Russ Race Sr. attended the annual Retired Policemen picnic at Utica Park this past Sunday.

Mr. and Mrs. Charles Klaserner from Cincinnati, Ohio are the house guests of the former's brother and sister-in-law, Mr. and Mrs. John Klaserner Sr. of Beck road for about a week.

Luncheon guests of Mrs. Betty Cotter last Wednesday were her nephew and his wife, Mr. and Mrs. Ernest Cotter of Leonard.

Mrs. Larry Snider of Taylor and her

grandmother, Mrs. Betty Cotter were the Sunday dinner guests of Mrs. Cotter's daughter, Mrs. Elizabeth Schrieber in Detroit. The occasion was to celebrate the birthday of Mrs. Schrieber.

Mr. and Mrs. Hugh Crawford and son, Douglas have returned from a two weeks visit with the latter's parents, Mr. and Mrs. James Cotter at Oakridge, Tennessee.

Mr. and Mrs. Ed Putnam and grandson Tim Putnam are spending this week at their cottage near Lewiston.

Mr. and Mrs. Howard LaFond celebrated their silver wedding anniversary Saturday evening at the home of the latter's brother and his wife, Mr. and Mrs. Robert Nichols, in Birmingham. Among relatives present were the mothers of the honored couple, Mrs. Margaret Nichols and Mrs. Marie LaFond and their daughter (Judy) and her husband, Mr. and Mrs. Robert Hardy. The 35 guests present came from Pinckney, Beverly Hills, Detroit and the local area. The Howard LaFonds were married September 29, 1942.

Last Tuesday evening Mrs. Howard LaFond hosted a fashion show of Queens Way clothing. There were 25 ladies present.

Mr. and Mrs. Louis Tank and Mr. and Mrs. Sam Lund attended a birthday dinner at Edgewood Country club honoring Mr. Tank's sister, Gertrude, given by her husband, Mr. Clarence Gehl.

Sunday afternoon visitors at the home of Mrs. Harold Henderson were her step-daughter and husband, Mr. and Mrs. Robert Colby of Ithaca.

Mr. and Mrs. E. Elston Poole have returned from a trip to Wheaton, Illinois where they visited their granddaughter and husband, Mr. and Mrs. George Gordon.

Mr. and Mrs. Kenneth Neubig attended their daughter Pamela's graduation from Siam Hospital, Chicago, Illinois this past weekend.

Mrs. William Rackov and grandson, Brian and Mr. and Mrs. Ray Mason attended the wedding of Mrs. Rackov's niece, Carol Chmura and John Allen Stelmach at St. Mark's Catholic Church in Warren Saturday evening.

There is much excitement and mixed emotions at the home of Mr. and Mrs. Orlo Johns on Carol Lane these days. Their oldest son Bill is leaving for Europe, today (Thursday) for extended travel and study at his base in Munich, Germany. The younger son, Bob who has been aboard the USS Guadalcanal since June will leave his ship in Panama in October then he will be home on leave for a few days, after which he will attend Construction Mechanic School in Rhode Island.

Mrs. Ralph Rivers (Pauline) is beginning her fourth week as a patient in the Garden City hospital.

Mrs. Brian Hare just recently returned from a three weeks visit with her parents, Mr. and Mrs. Noble Nelson and other relatives in Fullerton and Anaheim, California. Among places visited were Disneyland and Las Vegas.

Mr. and Mrs. Don Reuther were hosts at a going away party for Mr.

and Mrs. William Argeline who are moving to Detroit.

Mrs. Delores Olah entertained at an evening of bridge last week friends from Livonia and Willowbrook.

Miss Melinda Needham, daughter of Mr. and Mrs. Tom Needham returned last week from 3 weeks of vacation with her uncle and aunt, Dr. and Mrs. Sam Sappendal and their daughter, Pati at Rolla, Missouri. Melinda made the trip home by jet.

NOVI BOY SCOUTS

Novi Boy Scout Troop 54 will spend the Labor Day weekend canoeing on the Manistee River. Approximately 15 scouts plan to go, also Scoutmaster Harold Sigbee and five other adults.

NOVI METHODIST CHURCH

Promotion Day for the church school was a part of the service this past Sunday. The officers are as follows: Mrs. Doye Ward, superintendent; Mrs. Glen Schenimann, secretary-treasurer; Mrs. George Dingman, literature secretary; Mrs. Gordon Tornow, nursery-kindergarten; Mrs. Kenneth Faulkner, I & II; Mrs. Glen Schenimann, III & IV; Mr. Glen Schenimann, V - VI; Mrs. Arlene Gillett, Jr. Hi; Mrs. Gerald Young, Sr. Hi; Mr. Gerald Young, Mr. William Fox and Mr. Lawrence Boyd, discussion group leaders. Substitute teachers are Mrs. Celia Sharpe, Mrs. Orville Whittington and Mrs. Lawrence Boyd. The choir directors are Mr. Dick Groenewegen, Senior choir, Wednesday evening at 7:30 and Mrs. Russell Button, Wesley choir Sunday following Sunday school at 11:35 p.m. Church organist is Miss Linda Karl.

Monday evening teachers meeting at the church. Wednesday evening Sr. choir practice. Next Sunday evening after church services a group of Methodists will hold church services at the Whitehall convalescent home led by Rev. Mitchinson. The E.C.W. will meet at the church on Tuesday, September 5.

E.U.B. WILLOWBROOK COMMUNITY CHURCH

Next weekend a family campout will be held at Lakeside camp. Some of the church families will participate.

September 3 is the last Sunday for the summer schedule of worship and Sunday School Unified service at 10 a.m. September 10 the fall schedule will begin with Sunday school at 9:45 and worship service at 10 a.m. Youth Fellowship at 6:30 p.m.

The burger and corn roast has been re-scheduled to September 9 at the home of Harold and Norma Firebaugh at 7:30 in the evening.

The W.S.W.S. meeting will be held September 11 at 8 p.m. It was postponed because of Labor Day, September 4.

HOLY CROSS EPISCOPAL CHURCH

Prayers were said for Mrs. Mary Sturman and her daughter, Berta Nash. Flowers from the altar were taken to them to help speed their recovery.

Young men of the church from seven to 70 and their friends are invited to bring their lawnmowers or any other equipment to cut down the weeds around the church so that the ground can be made ready for fall seeding. The same group plus women who can paint are needed to paint the outside trim and the parish hall, call Mr. Bub Lahman, 437-2449 if you can join these workers.

Money is needed in the building fund for one big item for the church before church school opens again at 11 a.m. starting September 16. Another date for the adults of the church to mark on their calendars. See your church bulletin for particulars.

NOVI BAPTIST CHURCH

Several of the young people participated in a canoe trip down the Au Sable River. They were accompanied by the following adults: Pastor Clark, Mr. and Mrs. Diem, Mrs. Arbutus Bellefeville, Mr. and Mrs. Lawrence Smith and Mr. Ray Warren.

Canning for Southland continues this week on Thursday when the ladies will be canning carrots at 9:00 a.m. in the church kitchen. Anyone who wishes to help are urged to be there. Contact Mrs. Carl Evans if you have any produce especially fruit like peaches, pears, etc. to contribute to the canning project.

A Farewell Dessert Fellowship for all college students was held Sunday following a special evening service.

## CITY OF WIXOM ORDINANCE #31-A2

AN ORDINANCE TO AMEND THE TRAILER COACH PARK ORDINANCE NUMBER 31 BY DELETING SECTION 2.01.

THE CITY OF WIXOM ORDAINS:

Section 1. That Ordinance Number 31, known as the Trailer Coach Park Ordinance for the City of Wixom, be and the same is hereby amended as follows:

Delete Part II, Section 2.01, in its entirety.

Section 2. That all other parts of said Ordinance remain in full force and effect.

Section 3. This Ordinance is declared by the City Council to be an emergency ordinance requiring immediate passage. It shall become effective immediately upon passage and publication thereof.

Made and passed by the Wixom City Council at their Regular meeting held August 22, 1967. Publication August 31, 1967.

Wesley E. McAtee, Mayor  
Donna J. Thorsberg,  
Deputy City Clerk

Many of the adults signed up to be prayer partners of the young for the coming year. Some of those who are participating are: Mr. and Mrs. Warren, Mrs. Presnell, Mrs. Bellefeville, Mrs. Burton, Mr. and Mrs. Jude, Mrs. Evans, Mrs. Anglin and others.

Everyone is encouraged to register now for the Sunday school convention October 5, 1967 which will be held at Cobo Hall in Detroit.

The following is a list of Baptist young people who are attending college this fall: Gloria Bugni, D.B.C.; Sandy Baker, Spring Arbor; Joan Balite, D.B.C.; Judy Button, Eastern; Dave Clark, Moody; James Dickey, Central; Jerry Killeen, Schoolcraft; Rick Lorenz, Alma; Bob Lorenz, Hillsdale; Lynn MacDermid, Hillsdale; Mary MacDermid, Schoolcraft; Ruth Munro, Southland; Richard Pierce, Schoolcraft; Phil Presnell, Oakland Community; Rick Story, Mich. Tech; Alice Sinden, Covenant; Robert Taylor, Eastern; Donna Tait, Central; Sandy Thomas, D.B.C.; Sharon White, Schoolcraft; Mr. and Mrs. Jay Warren, MSU; Gilbert Van

Sickle, Schoolcraft; Ted Linstrom, Lawrence Tech.

NOVI REBEKAHS

Monday September 11 the Independent Rebekah club will have a potluck luncheon at the hall and a business meeting following.

First regular Rebekah meeting of the fall season will be held at the Rebekah Hall, September 14.

The first regular meeting of the IOOF will be held on Tuesday, September 12.

BLUE STAR MOTHERS

Novi Chapter 47, Blue Star Mothers report a successful day at Gala Days this past Saturday. They sold all of their baked goods and several stuffed animal toys. Mr. Jensen at the Butter-milk stand won the ceramic roosters.

Several mothers helped put on the picnic for the Veterans at Ann Arbor hospital last Tuesday. Those who helped were Eileen Webb, Helen Burnstrum, Myrza Ward, Hilda Little, Lucy Needham, Dolly Allegnani and Mr. and Mrs. Clyde Wyatt.

The September meeting will be held

on Thursday, the 7th at the home of Mrs. Dolly Allegnani, 41054 McMahon drive. Mrs. Lucy Needham will assist. GIRL SCOUT NEWS

Troops 913 and 713 have been accepted and will spend the Labor Day weekend at Camp Narrin. Approximately 40 girls plan to go and they will be accompanied by their leaders Joan Adams, 913 and Harriet Rice 713.

## With Our Servicemen

Ft. Knox, Kentucky, - Army Private Thomas A. Malik is assigned to Company C, 9 Battalion, 3 Brigade, here at the United States Army Training Center, Armor (USATCA).

He will spend the next two months learning the fundamental skills of the soldier in today's modern, action Army - firing live ammunition under simulated combat conditions, learning protective measures and first-aid for chemical, biological and radiological attacks, as well as being schooled in the use of modern arms.

Interspersed with constant emphasis on proper physical conditioning, diet, rest and health habits, will be ample opportunity to utilize USATCA's many and varied recreational and religious facilities.

Following the completion of basic training, PVT Malik, who is the son of Mr. and Mrs. Joseph A. Malik of

47873 West Seven Mile road, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

## WHAT'S BEST FOR DURABLE PRESS?

Home economists agree that durable press garments look best when dried in a clothes dryer. Housewives who already have a new gas dryer and durable press garments say they were made for each other!

The secret is in the even heat, gentle tumbling action and special cycles of the new gas dryer. Dried in the gas dryer, durable press fabrics bounce back to their original shape without wrinkles - creases are where they belong.

Why not see your gas appliance dealer today? Have him show you the automatic settings that eliminate ironing of the new durable press fabrics!

Copies of the Specifications may be obtained at the office of the Village Clerk.

The Village of Novi reserves the right to accept or reject any and/or all bids and to waive any irregularities.

Mabel Ash, Village Clerk

## For Novi Police

# July's Busy Month

Twenty-two more cases were handled by the Novi police department in July than in the same month last year.

According to the monthly police report, the department processed 416 cases as compared to 394 in 1966, 249 in 1965, and 159 in 1964.

Despite the increase in cases, the number of written violations decreased from a high of 304 last year to 159 in July of this year.

Total court costs and fines for July were put at \$1,785, with \$1,270 handed down in Judge Emery Jacques' court and \$535 in Judge Robert K. Anderson's Court.

Novi policemen, the report shows, worked a total of 1,401 hours and patrolled a total of 13,580 miles. Twenty-seven cars were assisted, 211 cars investigated, 4,012 property inspections were made, 17 liquor inspections, and 182 verbal warnings in lieu of traffic tickets were issued.

Defective vehicles led the list of violations with 39, followed by speeding with 21.

In the six major complaint classifications, only 30 of the 416 cases remain open. Of these 30, 10 involve simple larceny.

The monthly report also notes that 52 requests were made for checking homes while the occupants were away on vacation. Sixty two such checks were closed and 38 remain open.

According to Detective Sergeant Richard Faulkner, the department's detective bureau made 24 arrests during the month of July in which 39 complaints were handled.

The greatest number of complaints investigated concerned general non-criminal type cases. The breakdown: assault and battery, 1; breaking and entering, 3; check law violation, 1; contributing to delinquency, 4; dumping ordinance violation, embezzlement, indecent exposure and indecent liberties, one each; larceny, 5; liquor law violation, 2; U.D.A.A. (stolen car), 1; miscellaneous, 8; traffic and safety, 2; and general non-criminal, 8.

The police department's juvenile division investigated 40 cases, spent eight hours in court, worked 66 hours on juvenile matters; handled one neglected child case, and attended two meetings.

Juveniles contacted during the month included 25 local repeaters and four non-resident repeaters. Altogether, the division contacted 51 boys and 11 girls.

Forty-two unofficial hearings were held, three youngsters were referred to agencies, and petitions were filed in cases of three boys and two girls.

**PRECINCT CHAIRMEN** for the Republican Neighbor-to-Neighbor Finance Drive on September 16 in the Northville community are (l to r) Ben Kline, Rita Smith, Jean Arlen (Congressional district vice-chairman), and Robert Marshall.

## Republicans Plan For Fund Raising

Larry Baker, finance director of the Wayne County United Republican Fund, outlined fund raising details for some 20 Republican Party leaders who met August 23 at the Second Congressional District's Plymouth headquarters.

The fund drive, set for Saturday, September 16 in the Northville and Plymouth communities, will attempt to reach all identified Republicans in the area. The drive is a part of the statewide Republican Neighbor-to-Neighbor campaign under the state chairmanship of Paul Bagwell.

In addition to Baker, speaking at the planning meeting were Jerry Williams, district Neighbor-to-Neighbor cam-

paign chairman and E. O. Weber, district executive committee chairman. "A political contribution is like an investment," party leaders were told, "for once a person gives to the party of his choice, he or she will follow that investment to the polls."

Chairman for each of the 14 Northville township, Plymouth and Plymouth township precincts were appointed. Plans were made for recruitment of drive personnel and for the kick-off dinner. The dinner, which is open to the public, is set for September 6th, 7:00 a.m. at Lofy's Restaurant, Plymouth.

## Municipal Court

William E. Lancaster of 635 Horton pleaded guilty of being a minor in possession and was fined \$55 last week by Judge Philip Ogilvie.

At his arraignment on July 18 he had entered a plea of innocent on separate counts of being a minor in possession and for contributing to the delinquency of a minor. He changed his plea to guilty at the trial and the second charge was dismissed.

Richard L. Tarrow, 46320 West 10 Mile road, pleaded guilty of being drunk and disorderly on Taft road and was sentenced to five days in the Detroit House of Correction.

Robert W. Klavitter of Walled Lake, charged with the same offense on Ely Drive, was fined \$55.

Walter Wagner, Jr. of Detroit, charged July 31 with being drunk and disorderly on Center street, pleaded innocent upon arraignment August 8 but was found guilty and fined \$33 on August 22.

Rose A. Provencal of 46326 Sunset pleaded guilty of speeding 60 MPH in a 25-MPH zone on West Main street and was fined \$35.

Willard T. Pruett of 314 West Dun-

lap charged August 1 with transporting beer by a minor pleaded guilty upon arraignment and was fined \$55.

Found guilty of being drunk and disorderly on North Center street after pleading innocent upon arraignment was Ara Greenhoe 111 West Main street. He was fined \$27.50.

Also found guilty of being drunk and disorderly after pleading innocent was Robert Whitehair, 464 Grace street. He was fined \$22.

## Planners Tour College Here

A visit to the Oakland Community College Orchard Ridge Campus on Sunday, preceded the second annual conference of the Society for College and University Planners (SCUP).

The conference was held at the University of Michigan as part of UM's sesquicentennial celebration. Co-sponsor is the UM College of Architecture and Design.

The main purpose of the August 21-22 conference was to examine the current status of campus planning in the United States and Canada, Telfer said. A case study of the development of the OCC Orchard Ridge Campus was presented at the afternoon session of August 22 in the Rackham Building in Ann Arbor.

Orchard Ridge Provost Richard E. Wilson made that presentation assisted by William Brubaker of Perkins & Will and Gino Rossetti of Giffels & Rossetti, architects for the project.

## Realtors Plan Area Tour

To gain an overall perspective of real estate conditions in the fast-growing western Oakland county area, members of the United Northwestern Realty Association-Western Wayne-Oakland County Board of Realtors will take a bus tour on Thursday, September 7, of Southfield, Farmington, Wixom and Walled Lake.

Object of the tour, which will open

the fall season of events for the 1,700 member Realtor group, will be to visit the latest residential developments in the four communities and compare their current land values, home price changes, areas of fastest growth and the reasons for the development.

This information also will be related to the commercial and industrial development and expansion

FOR OUR CHILDREN'S SAKE  
**Drive Carefully**

## Army Corps To Launch Flood Study

The Army Corps of Engineers has announced its intention to initiate a flood plain information study for the Middle Branch of the River Rouge at Northville, according to Congressman Jack McDonald.

The study area stretches south from Novi road to Phoenix road just north of St. John Seminary. The Corps of Engineers, under the direction of Lt. Col. Henry K. Mattern, will coordinate their efforts with the Michigan Water Resources Division, local authorities, and appropriate Federal agencies.

"With the news of the Fairbanks flood in Alaska still fresh in my memory it is a comforting thought to know that the engineers are studying what can be done to prevent a similar catastrophe in our state," McDonald said.

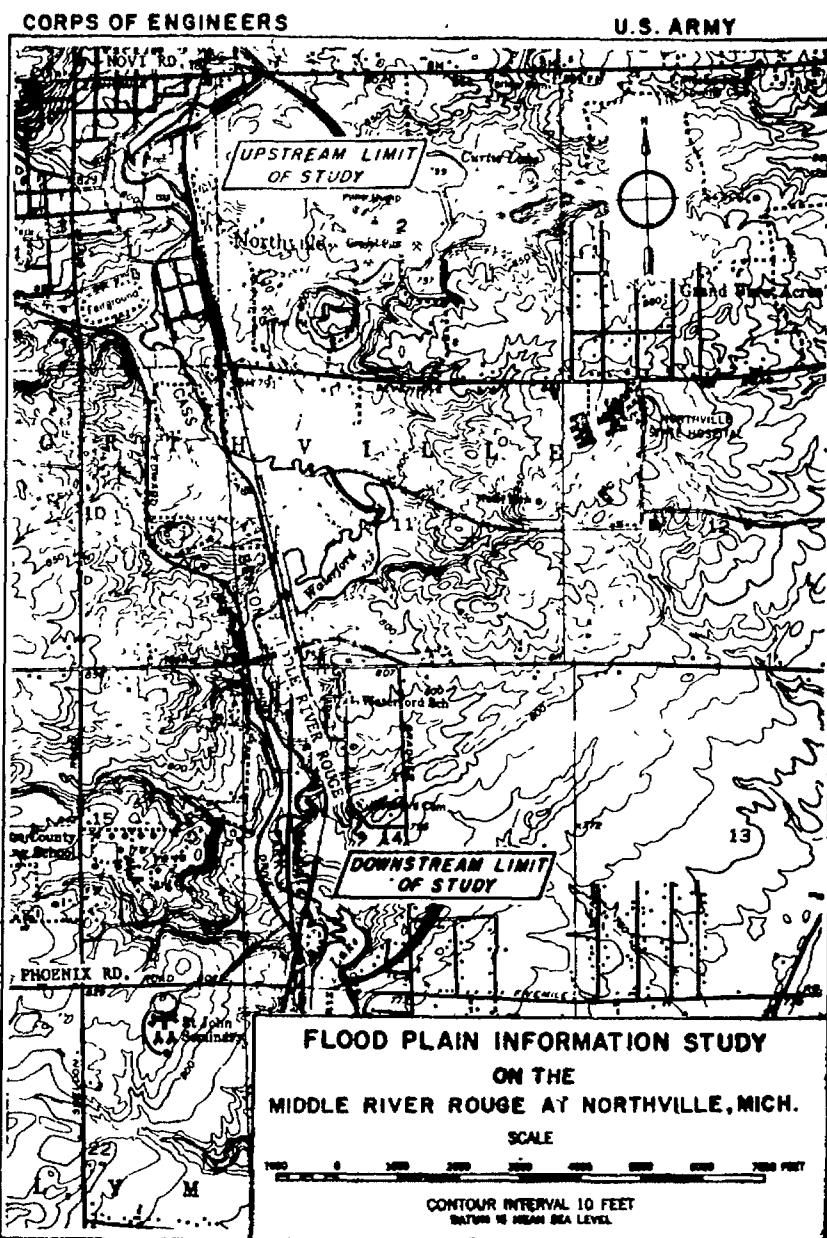

The study will be conducted under the authority provided in Section 206, Public Law 86-645 (Flood Control Act of 1960).

## Oakland Offers 260 Courses

Almost 260 courses are being offered by the Division of Continuing Education at Oakland university this fall. A majority of the classes will begin the week of September 25 and will be held evenings from Monday to Friday on the University campus.

In addition to traditional and well-established programs offered each term by the division, several new courses are being offered this fall. Included among them are "Cervantes in English Translation," a Creative Writing Workshop, and a course in the Appreciation and History of Japanese Art.

"American Foreign Policy since 1940," a cultural survey of South Asia, "The Psychology of Adolescence" and "Group Dynamics" are some of the other liberal arts courses in the catalog. "Ghetto Life," "The Proper Study of Mankind: Man," and "Biological Foundations of the Family" are other new courses.

Middle Rouge Flood Control Map

## New Collision Service Opens

Ken Beyer of 46090 Neeson, who for the past nine years has been employed at G. E. Miller's Sales and Service, has opened a new business in Northville.

Called Ken's Collision, the business is located at 128 West Main street.

## Local Man Gets Top School Post

Richard Dougherty

A Northville man, Richard Dougherty, has been named chief administrative assistant of the school system at Buchanan.

The appointment carries with it the stipulation that Dougherty will become superintendent upon the retirement of the present chief school leader on January 1.

Resident of Northville for the past two years, Dougherty was selected from a field of 34 candidates for the job. His appointment returns him to a school system where he served as assistant superintendent in December 31, 1963 when he resigned to take a position with Michigan State university.

Dougherty, his wife and seven children, expect to move from their home at 392 Welch road shortly.

Since joining the MSU faculty, he had opened a residence center for student teaching in the Detroit public schools for the university. In three and one-half years the center has grown from 30 to 250 students a year, seven staff members have been added and two new programs have been initiated.

In 1966, under the sponsorship of the Mott Institute for Community Improvement, a program to train teachers to work with the disadvantaged child was started. In 1967 the elementary internship program was added in conjunction with the Highland Park Community college.

Dougherty served in the Buchanan school system for 13 years, raising from teacher to assistant superintendent. He started there in 1951 as a junior high principal and in 1961 was elevated to the assistant superintendent's position.

## Northville Township Board Official Minutes

Northville Township board meeting August 1, 1967, at Northville Township hall. Meeting called to order at 8:02 p.m. Members present: Supervisor R. D. Merriam, Clerk Eleanor W. Hammond; Treasurer Alex M. Lawrence, Trustees: Thos. Armstrong, Bernard Baldwin, Gunnar Stromberg, James Tellam.

Consultants: Attorney John Ashton, Engineer William Mosher, Visitors: J. P. Lynch, Jack Hoffman, 2 constables Earle McIntosh, and 3 constituents.

Minutes of the July 5, 1967 meeting were approved as presented. Treasurer's report presented and approved as submitted.

Supervisor Merriam announced that in his absence, a Proclamation had been issued by Clerk Hammond announcing a curfew in Northville Township for the duration of the rioting in Detroit. Our constables patrolled the area nightly during this period of disorder.

Office Receipts for July, Township bills payable, and water & sewer department bills payable were reviewed. The clerk presented a quarterly budget report. Tellam moved to pay all current Township bills, supported by Stromberg. Ayes: All. Motion carried.

The Building Department report was accepted with no discussion.

The Water & Sewer Commission minutes for July 20, 1967, the Appeal Board minutes for July 10, 1967 and the Planning Commission minutes for July 12, 1967 were accepted.

Correspondence: 1. Letter from Representative Marvin Esch, relative to the progress on the acquiring of the Fish Hatchery acreage, by the City of Northville.

Old Business:

Unification Study - Two letters from Mr. Donald Oakes were read regarding his employment by the City and Township of Northville as a consultant for their unification study. His fee would be \$20 per hour, plus out-of-pocket expenses, and 10¢ per mile for travel costs. The City of Northville has agreed to pay half, and we would pay the other half. Baldwin, a member of the unification committee, estimated a total cost to the Township of about \$1500 to \$2500. He felt that it was timely now to make an intelligent survey of the possibilities, as no matter what the outcome, the information would be of value to the township. Stromberg moved that we accept Mr. Oake's application as outlined in his letter. Tellam supported the motion. Ayes: All. Motion carried.

Sign Bond - Mr. Ashton read an amendment to resolution #66-19, changing the hundred dollar bond required for maintenance and removal of signs to apply only to signs located off the actual business premises being advertised. Tellam moved that the resolution be adopted as prepared by the attorney, supported by Lawrence. Ayes: All. Motion carried.

Dog Fees - A lengthy discussion on dog fees, kennels, and dogs as a nuisance in the community was culminated by Mr. Ashton's being asked to prepare an amendment to the Dog Ordinance so that fees can be set by the Township Board by resolution, instead of by amendment to the Ordinance.

Grieger Report - Mr. Grieger has installed a new septic field, and it has been approved by the Wayne County Health Department.

New Business:

Water Petitions - Supervisor Merriam explained that residents in the Fry and Marilyn Road areas had presented petitions for water lines. There are sufficient names on the Fry road petition, and it has been sent to the Title Company for confirmation of ownership.

Street Lighting - The township has received requests for street lights at locations across from the State Hospital. The residents are unwilling to pay a special assessment to have these lights installed, but the Township cannot afford to put in lighting for the whole township, so it cannot be done for one area.

Terms of Office - The term of office for all township officials has been extended by the State Legislature to November 20, 1970, except for trustees with four-year terms, whose terms were extended until November 20, 1972. This abolishes "lame-duck" sessions, and four-year terms for trustees after 1972.

Jr. High Building as a possible office - The Northville School Board offered the township some space in the old Junior High building to use as offices. Mr. Merriam has looked at these rooms, but feels that they would be unsuitable for our purposes. Since the township owns 44% of the old library building, he felt that we should be able to use that building when it becomes available, if it is deemed adequate by the board. The trustees declared their intention of looking over the premises before the next meeting to determine its suitability.

Library Equipment - In the minutes of the last Library Commission meeting it was noted that there was a request for \$960 worth of equipment for the library. The City of Northville has only \$600 available and it was suggested that the township pay the rest. A long discussion followed as to the advisability of such a payment since the township pays a rental fee for the facility, based on the usage by township residents, and a percentage of the cost of operation. Mrs. Sliker, a member of the Library Committee, said that a typewriter was needed, 2 filing cabinets, and a card file. Tellam moved that the matter be tabled until the next meeting. Supported by Lawrence. Ayes: All. Motion carried.

Glen Meadows - A letter was read from surveyor W. W. Wakenhut certifying that the requirements for the Glen

Meadows Subdivision plat had been met. Engineer Mosher declared that a report from him on this plat would be an unnecessary expense to the township. Armstrong moved that the Supervisor authorize the return of the cash bond, to Mr. McIntosh, based on the certificate of Mr. Wynn Wakenhut, P.E. Supported by Stromberg. Ayes: All Motion carried.

Water And Sewer Commission - The Water & Sewer Commission recommended that a five dollar charge be made for water used prior to installation of a meter. When Baldwin questioned what charges were made in case of a multiple unit, the matter was referred back to the Water and Sewer Commission for further consideration.

The county presently is charging us an additional 10.8% for sewage disposal. The board talked it over and decided that our current sewer rates are sufficient and that no action is necessary on this matter at this time.

Township Vehicle - Lawrence stated that a radio system should be installed in the new township vehicle so that the constables could be contacted at any time. This radio would be installed by the Wayne County Sheriff's Department, Communications Division, at no charge to us. The matter was tabled until we can get an exact cost figure. Figures for an aluminum cage for the wagon will also be presented by Lawrence at the next meeting.

Gerald Avenue - Gerald Avenue is privately owned, by a family named Fons. People who own property have lived there so long that access cannot be denied, although there have been recent instances where the road was blocked, denying its use to the trucks of the Mergrat Co. If the road were 60 ft. wide, the county might take over the maintenance. However, it would have to be brought up to county standards, which would require that property owners on both sides of the road would have to dedicate five feet to the county, and petition the county. The advantage to the township would be the possible industrial use of the area and the resultant taxes. The matter of petitions was tabled so that Mr. Merriam could get some figures on the cost.

Main Street Paving - The county wishes to widen West Main street, west of Clement, and put in a curb at the corner because the shoulder keeps washing away. On a fifty-fifty basis, the cost to the township would be \$600. It was felt that the matter is one of maintenance, and should be the county's problem, alone.

No further business, the meeting was adjourned at 10:40 p.m.

Respectfully submitted, Eleanor W. Hammond Northville Township clerk

## Minutes of the Northville City Council

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, August 7, 1967, 8:10 p.m. at the Northville City hall.

Present: Allen, Black, Lapham and Nichols. Absent: Carlson (excused - vacation).

Correction in July 17 minutes: page 2, paragraph 3 - to "under easement on his property" and in July 24th minutes - page 1, paragraph 4 - to "and an approximate amount of \$5,000" - last sentence of following motion - to "In the estimated amount of \$2500", page 2, paragraph 1 - motion - to "to approve implementation of engineering plans to be made".

Moved by Lapham, support by Black to pay bills in the following amounts: General \$16,175.61 Water 7,486.80 Other Government 28,673.90 Unanimously carried.

Communications:

(1) A letter from Ray Spear, Acting Supt. of Northville Public Schools, inquiring as to possibility of establishing a dedication requirement in city's planning ordinance which would require all housing developers to consult with the school district relative to dedication of school sites, at no cost to the district. This letter was referred to the Planning Commission with City Manager being instructed to follow through on the matter.

(2) Letter from State Representative Louis Schmidt regarding action on legislative matters.

(3) Notice from Detroit Water Board regarding new proposed rates for all Detroit water users; Northville's rate to be approximately \$1.68 per M cubic feet.

(4) Letter from Mrs. Carlson, listing beautification needs around the city - city manager to follow through with this list.

Communications from Citizens:

Mr. Dennis Ferguson, 561 Carpenter street, inquired regarding problem he has with his driveway - he is concerned because of the No Parking ban which will be instituted in November. Mr. Ferguson will be contacted in the near future.

Receiving and opening of 1967-68 city of Northville Petroleum Bids:

At the mayor's request, the city attorney opened the 1967-68 petroleum bids. Through an oversight, these bid requests had not been advertised; the city attorney suggested that these bids be returned with the request that they could be re-submitted by bidding par-

ties and in the meantime advertise for bids in compliance with the charter; these bids to be received at the August 21, 1967 council meeting no later than 8:00 p.m. at the Northville City hall.

Junior Chamber Commerce Auxiliary program "Helping Hand".

Mrs. Lane Norton of Northville Jayettes explained that the state-wide project "Helping Hand" is sponsored by the Junior Chamber of Commerce Auxiliary and it is a cooperative movement between parents, school and church to make children aware of the signs and what they mean.

Moved by Black, support by Nichols to adopt Resolution #67-1 regarding Council's support of the "Helping Hand" program under the sponsorship of the Northville Junior Chamber of Commerce Auxiliary (Resolution on file at city hall). Unanimously carried. This resolution is to be published.

Public Hearing to Re-Zone lots 370 through 392 of Assessor's Northville Plat #5 from R-2 to R-1:

Clerk read the notice of re-zoning of lots 370 through 392 of Assessor's Northville Plat #5 from R-2 (2 family residential) to R-1 (1 family residential) as it appeared in the Northville Record.

City Manager outlined the area involved and reviewed the petition requesting the re-zoning as it was originally presented to the planning commission, approved and recommended by them for council action.

On August 3, 1967, a petition was received by the city from 4 property owners (T. Schwarz, G. Stone, D. A. Ware and Lloyd Elmore) protesting the above requested re-zoning. The city manager stated that their petition appeared to be invalid because of insufficient footage represented by the 4 property owners (20% of total footage necessary). Mr. Schwarz disputed this statement on the basis of easements constituting frontage.

The city attorney suggested noting opposition to re-zoning and leave determination for a future date and meanwhile discuss the main points of the matter. The fact that the Master Plan recommends R-1 for this area was mentioned. After considerable discussion, Mayor Allen adjourned the Public Hearing until Tuesday, September 5, 1967, 8:00 p.m. in order to take matter under advisement with city attorney and planning consultant for the Northville City Planning Commission.

Acceptance of Northville Police Officers' Association Contract:

City attorney stated he had reviewed

this contract; it is acceptable as to form and as to content - that is the council's decision.

City Manager explained that this contract is in effect until June 30, 1968; it is further extended to June 30, 1969 unless either party notifies desire to terminate.

Moved by Black, support by Nichols to approve the execution of this contract between the city of Northville and Northville Police Officers' Association. Unanimously carried.

Continue Public Hearing on Peddler's Ordinance amendment:

The Public Hearing on following amendments was re-opened from a previous council meeting.

The new definition of "peddler" was reviewed and explained by the city attorney (council having previously received copies of same).

Moved by Black, support by Lapham to amend Sec. 3-501 by amending 3-501 (1) new definition of peddler and amending Sec. 3-505(1) and (2) by increasing fees and adding Sec. 3-505(4) "Juvenile Exemptions." Unanimously carried.

Moved by Lapham, support by Nichols to adopt Section 3 "Peddlers" as amended. Unanimously carried.

Section 3-126 "Applicability, fees; schedule" was to be amended to list all increased fees.

Moved by Black, supported by Lapham to adopt Sec. 3-126 "Applicability, fees; schedule" as listed. Unanimously carried.

Resolution of necessity - Public Hearing for 1967 sidewalk program: City manager reported that in two of the properties, city trees have caused the deterioration and consequently the owner pays 1/2 and the city 1/2. The city has had verification from two of the property owners assenting to the work. There being no questions or communications relative to this matter, it was moved by Nichols, support by Black to adopt the Resolution of Necessity and confirming Roll #67-1 Sidewalks. Unanimously carried.

Set date for public hearing for city of Northville Housing Code:

Moved by Lapham, support by Black to set date of hearing for Housing Code for Tuesday September 5, 1967, 8:00 p.m. at the Northville City Hall, and to publish Summary of Housing Code and Notice of Public Hearing. Unanimously carried.

There being no further business, the meeting was adjourned at 11:25 p.m. Respectfully submitted, Martha M. Milne City clerk

# SPEAKING

## for The Record

By BILL SLIGER

Each week on Thursday morning several of us sit around the office discussing ideas for next week's edition.

A picture for the "cover page" is always one of the main hurdles to clear.

Just before our recent back-to-school edition our ever-brave editor, Jack Hoffman, suggested a shot of the new junior high school—taken from atop the water tower.

I vetoed the suggestion immediately. It brought back memories of the last time Hoffman had the same idea.

(It's just possible that Hoffman holds the distinction of being the only person to ever walk around on top of the tower. He insisted that it wasn't dangerous, that this time he wouldn't stand on top, but just stick his head and shoulders out of the opening and point the camera. I replied that it was the camera I was worried about — it cost about \$300).

It was July, 1960 to be exact.

The tower was brand new and had not yet been filled with water. So the then city manager, John Robertson, invited Hoffman, Ad Manager Rod Dahlager and myself to inspect the interior and climb to the top.

It had been our plan to take pictures INSIDE the tower. But after we arrived, Hoffman and Dahlager decided the view from the top would be great.

The following week this column carried the results of the "trip to the top of the tower".

Mostly because Sam Stephens, our advertising manager, is on vacation and I'm busy filling his slot, and partly because there might be a few readers who weren't aware of the great achievement, I'm repeating that July 7, 1960 column:

Friday morning I asked City Manager John Robertson if News Editor Jack Hoffman and myself could visit the new water tower and maybe take some pictures before they pour water inside.

Never having been inside one of these new spindly towers, I guess I imagined that the entire inside was filled with water.

It's not that way at all, of course. All the water will be in the cone at the top.

Anyway, Robertson said O.K. and Ad Manager Rod Dahlager decided he'd like to go along and take some pictures from the top with his own camera.

Armed with three cameras, we went inside the giant structure. There's an iron ladder from the ground level to the first platform about 50 feet high. The city manager, feigning some excuse, stayed on the ground. Hoffman, Dahlager and I climbed bravely to the first platform.

You crawl through a hole in the platform to reach this first level — then there's another ladder to the second level and a smaller platform.

I thought of an excuse at this level. (Somebody had to go back on the ground with a camera to take a picture of the others on top of the tower!)

Hoffman and Dahlager continued to

the second level, which looked to me to be about another 50 feet up.

They looked out a small trap door opening at this level, which is just below the cone of the tower.

The third level is the top. It's another 40 feet up a ladder which inside a tunnel going directly through the area in which the water will be held.

Dahlager thought of an excuse at this level (something about wanting to get back down).

But Hoffman continued on.

By this time I was safely down on the ground at the base of the tower. The manager suggested that we would have to drive over by the high school, some 300 yards away, if we expected to see anyone on top of the tower.

Well, we got to the school and when I looked back at the tower, my knees turned weak.

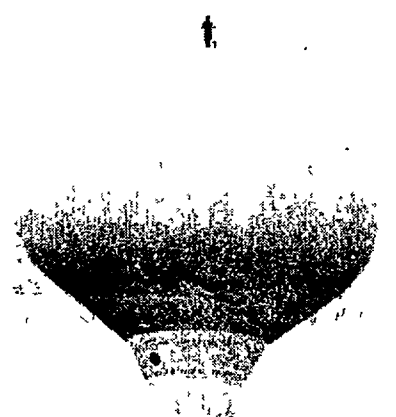

There was Hoffman, so high you couldn't recognize him, and waving like an excited kid watching a train go by.

He had his camera, too, and was busily taking pictures.

I yelled at him to get down, but he just kept on waving and snapping pictures.

The manager sat down. I think he was wondering about city liability in case — (I hate to even mention it).

Finally I remembered that I had a camera — so to prove this story is not just a figment of my imagination, see for yourself (below). That's Hoffman, King of the Tower!

## STRICTLY FRESH

Some garbage goes into rubbish cans and some into bookstores.

Safety experts urge "defensive driving." Pedestrians should practice "defensive walking."

If you need to economize, it helps to ask yourself, "Is this outrageous extravagance necessary?"

Even the wealthy father of an attractive daughter has to worry about keeping the wolf from the door.

## LOOSE LEAF

By ROLLY PETERSON

School, football and the World Series are usually associated with the fall. Rightly so. But autumn also signals the re-awakening of theatres on university campuses and the birth of a new, exciting drama season that will carry through the school year.

This year more and a wider variety of plays are being offered in the south-eastern Michigan area, within easy driving distance of Northville, Novi, Wixom and South Lyon. Surely, there's at least one play for each palate, from the ribald to the staid, from the ponderous to exhilarating, from the sad to happy.

What ever the emotional re-acton, plays are an experience, some times dreadful. But we come away the wiser for having seen a play. If we're lucky, perhaps we can gain unique insight that will make our lives better, if not happier.

This is what comes with submerging yourself in the drama, whether it's a young boy on the brink of suicide, a mother elated over her child's achievement, a wife deserted by her husband, a man perplexed by the assembly line, a teacher befuddled or bemused by her students or Everyman smarting under the aimlessness of life. Or perhaps the play has no message and is only a scratch on life's surface. Nonetheless, all are entertaining.

Universities not only offer a spectrum of plays, the prices are right, with neither the University of Michigan, Wayne State university, or Eastern Michigan university asking more than \$2 per seat. Some offer special rates for students.

The U of M's Professional Theatre Program, Oakland university's Meadowbrook Theatre and Wayne's Hilberry Classic theatre drama for amazingly modest prices (basically, \$4-5) that disgrace larger business theatres.

Below, for your convenience, is a schedule of plays, subject to revision. And of course, the PTP's playbill for play of the month series has not been released, nor is the second semester of the PTP's APA program complete.

Professional Theatre Program  
"APA Productions"  
Sept. 19-Oct. 1, "Pantagize," by Michael De Ghelderode, the French playwright

Oct. 10-15 and Oct. 31-Nov. 5, "The King Dies," by Eugene Ionesco

Oct. 3, 4 and 5, "You Can't Take It With You"

Oct. 6 and 7, "Right You Are"

Oct. 17-29, "The Showoff," by George Kelly

Dec. 4, the PTP New play project, "Amazing Grace," by Studs Terkel

Note: There is no Monday performance, and there are special matinees at \$1 for high school students.

The John Fernald Company Meadowbrook Theatre

Oct. 6-Nov. 5, "The Importance of Being Earnest," by Oscar Wilde

Nov. 10-Dec. 10, "John Gabriel Borkman," by Henrik Ibsen

Dec. 15-Jan. 14, "Charley's Aunt," by Brandon Thomas

Jan. 19-Feb. 18, "And People All Around," by George Sklar

Feb. 23-March 24, "King Lear," by William Shakespeare

March 29-April 28, "No Exit," by Jean-Paul Sartre and "The Firebugs," by Max Frisch

May 3-June 2, "The Sea Gull," by Anton Chekhov

The University of Michigan Players

Oct. 4-8, "King John," by William Shakespeare

Nov. 1-4, "Serjeant Musgrove's Dance," by John Arden

Nov. 29-Dec. 2, "The Would-be Gentleman," by Moliere

Feb. 7-10, "The Ghost's Sonata," by August Strindberg

March 13-16, "Jude," premiere production of a play written by Richard Reichman, a U of M graduate student

April 3-6, "Antigone," by Sophocles

Note: Prices are \$1.75 and \$1.25 on week days and \$2 and \$1.50 on Friday and Saturday nights. Season tickets are \$8 and \$5.50. "The Ghost's Sonata" and "Jude" will play at Lydia Mendelsohn theatre; all others will be at Trueblood auditorium.

Hilberry Classic Theatre Wayne State University

Listing of the Hilberry Classic theatre playbill is impossible in this column because plays, once initiated, are performed throughout the year. This year there are five new productions — three classics and two contemporary plays.

Hilberry's fifth year of repertory, which officially opens January 10, will be headed by two Shakespeare plays — "Hamlet" and "Twelfth Night." The other classic is Georges Feydeau's "A Flea in Her Ear." Contemporary works are John Whiting's "The Devils," and Jean Anouilh's "Becket."

The new season will open with "A Flea in Her Ear" (January 10), followed by "Twelfth Night" (January 11) and Hamlet (January 17). "The Devils" will be launched in February and "Becket" in March.

EMU Players Quirk Auditorium

Oct. 12-15, "Harvey," by Mary Chase

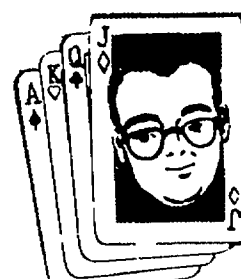

Jan. 10-14, "The Tragical History of Doctor Faustus," by Christopher Marlowe

March 13-17, "The Plough and the Stars," by Seane O'Casey

May 17, 18, 19, 22, 23, 24 and 25, "Brigadoon," by Lerner and Loewe

Nov. 18 and 19, "Alice in Wonderland," by Lewis Carroll

Note: Price is \$1.50 per seat or \$4 for season.

## Top of the Deck

by JACK W. HOFFMAN

Margaret Zayti, Northville Chamber of Commerce secretary, was on the line asking for information about the bell foundry company and the fire that apparently destroyed it more than a half-century ago.

Sure, I said, I'll do some checking.

A few minutes later I had the May 5, 1899 edition of The Record that described the blaze. The story was a beauty. The headline was a story in itself:

"Globe company's factory burned. Building was struck by lightning early Sunday morning. Factory and machinery was a mass of ruins in less than two hours. The gallant fight of Northville and Plymouth fire departments saved other buildings. Loss \$50,000; insurance \$26,500; — Employees lose their tools — Many men out of employment — will doubtless rebuild."

Wow!

With headlines like those, who needs a story? Yet, by actual measurement, the story ran on for 35 inches and was accompanied by a three-and-a-half-

taken by a Mr. Brown.

In the colorful style of the day, the opening sentence merely set the stage:

"Never did the clanging fire bell or the mad shriek of the factory whistle have a more dire-sounding sound than it did at 3 o'clock Sunday morning, nor could it have come at an hour when the people were less prepared to fight the destructive element."

Then, with the readers appetite whetted, the opening paragraph continued:

"Nestled away among the hills, the village lay sleeping like a child in its mother's arms. The night was exceedingly dark, as if the sable goddess had drawn her somber curtains still closer about her ebony throne to more jealously guard against the approaching dawn, while the stillness seemed by its intensity to brood of approaching danger."

Still in the same paragraph:

"Suddenly a terrific clap of thunder startled the slumberers from their rest, and the huge whistle from the Globe

engine, which upon many previous occasions had given similar warnings of danger to other property, began shrieking out its own doom. A moment later the fire bell was ringing out its dread warnings and where but a moment before was quiet now as life and commotion — that which Northville people had so often prayed against and most dreaded, was now upon them."

And then, finally, "The factory building of the Globe Furniture company had been struck by lightning and was on fire."

Concerning the fight waged by the Northville firemen, the report said:

"Members of the fire department and citizens by scores were early on the scene with the hose and together with that of the Globe company's which was already attached. The fluid entered the building near the engine room and owing to the inflammable material with which it was filled, it burned with a startling rapidity. Because of the early hour there was necessarily some delay in the fire department reaching the scene and by the time the water was poured on the

flames it seemed as if the building was on fire in a dozen or more places."

And about aid from Plymouth:

"An aid call was sent to Plymouth and Captain Chilson with one company boarded a special engine and made the run here in just four minutes while Harry Robinson hitched his team on a wagon and landed it at the fire in the remarkable time of 23 minutes."

About the building itself:

"The major part of the building was built of brick. The west side was frame and the east was brick veneer, and of this large structure scarcely more than the foundation is left standing and with the exception of the factory engine, and two boilers, which are not seriously injured, hardly a piece of iron of all the valuable machinery is of further use save for the scrap pile ...

"The plant of the Globe company, including all buildings and land on the north side of the river, was recently sold to the American School Furniture company. President (Francis R.) Beal

of the Globe company, who is also a vice president of the American company, is unable to say at present just what will be done by the American people relative to rebuilding..."

A week after this fire story, The Record carried a history of the Globe company.

It noted that in 1873 the Michigan School Furniture company was organized. "The factory was a small one, and this was burned to the ground in 1874 only about a year and a half after the beginning of operation. This was replaced by the building recently burned, which has been enlarged as the business increased."

"In 1874 the manufacture of church furniture was added, and the first job turned out was for the Baptist church at Redford..."

"In 1887 the surplus of the company had grown so large that a reorganization was effected ... and the name changed to the Globe Furniture company..."

"During the last decade the Refrig-

erator business in a separate factory which now employs upwards of 100 men, and the American Bell Foundry were added. An electric light plant was also established, which furnished lights for public and private use."

Following the history, on August 18 The Record carried a story concerning the rebuilding of a factory for the "curtain shade factory, the bell foundry and machine shop..."

"The new foundry will be organized as the American Bell & Foundry company."

And finally, on November 17, a story noted that the company has been organized and "has purchased the foundry buildings recently built by the Globe company together with the old bell patterns, good will, etc., and starts out under exceedingly auspicious circumstances. The capital stock of the company is \$16,000 and is offered as follows:

"F. S. Harmon, president; L. A. Beal, secretary; and E. H. Lapham, treasurer."

Michigan Mirror

# State Misses Boat for Overseas Market

MICHIGAN is losing \$100 million annually by not cultivating overseas markets for its products, estimates Sen. Gilbert E. Bursley (R-Ann Arbor), chairman of the International Commerce Committee, Michigan State Senate.

This potential increase over the state's current export total of \$1.5 billion would create up to 5,000 new jobs each year.

While other states, notably New York and California, have used imaginative and aggressive promotion to increase world markets for their products, Michigan has done little by comparison.

TWENTY-EIGHT states will have sponsored by the end of 1967 "hard-sell" trade missions abroad. Fourteen states have found such missions so profitable that they will have spon-

sored two such missions by the end of this year. Several states have already sponsored three or four. Michigan has sponsored none this year.

New York runs a consistent advertising program in foreign newspapers which promotes state products and guarantees that by clipping the enclosed coupon foreign importers will be contacted by New York firms within ten days.

The state makes good its promise, says Sen. Bursley. All inquiries are handled by computer systems. The first year this system was installed it handled some 50,000 product inquiries.

Michigan representation is poor at foreign trade shows and fairs. In 1966 sales for companies from other states, represented at 43 shows, totaled \$84.4

million; an increase of \$20 million over the year previous.

As overseas markets broaden, Michigan's manufacturers and producers should be reaping the rewards. But they are not.

Although Michigan now has the nation's "fourth seacoast," the St. Lawrence Seaway, it is still outdistanced by close-to-home competitors, such as Ohio.

In 1966 some 100 Michigan firms participated in trade fairs or trade-center shows. The number should have been at least five times as large, Sen. Bursley notes.

QUALITY PRODUCTS of Michigan are well known and would be welcome in foreign markets, according to the Senator.

Yet, in these fast-rising markets,

the state's proportionate share of sales seems to be declining. In 1954 Michigan was the second largest supplier of imports. By 1963, while other states such as New York had doubled their sales abroad, Michigan's increase was so slight as to drop the state to eighth place.

Some measures have been taken to increase foreign markets. A foreign trade zone has been approved at Bay City and an Institute for International Commerce has been established at the University of Michigan. The World Trade Program of the Michigan State Chamber of Commerce is increasing export promotion. Export conferences, sponsored by the World Trade Program, the International Commerce Committee, the Detroit World Trade Club, and some of the state's major

bands and universities have resulted in some awakening of foreign market potential.

MORE NEEDS to be done. Sen. Bursley recommends a five-point program. First, an International Commerce Division should be created. The international activities of the Department of Agriculture and the State Tourist Council should be expanded.

A World Trade Advisory Council should be created to advise the Governor, Legislature and affected state agencies on international trade activities of the state and help coordinate international trade programs.

A minimum of four industry-organized trade missions should be sponsored within the next fiscal year. At

least two all-Michigan-products shows, one in the Far East and one in Europe, should be staged at U.S. Trade Centers within the next fiscal year.

Michigan overseas offices, operating under Commerce Department direction, should be established for both Europe and the Far East.

Although costly, the benefits of an expanded program would be justified by creating new jobs, new profits, and a rise in living standards.

Vast, untapped sources of sales abroad will also lessen Michigan's economic dependency on the nation's fluctuating demand for automobiles. Michigan has the talent, the products, the industry and the seacoast. All it needs is the promotion.

Roger Babson

## Congress Weighs Surtax Plan

BABSON PARK, Mass. — Chairman Mills of the House Ways and Means Committee is now working day and night on President Johnson's proposed 10% surtax. Mr. Mills is a man of great intelligence, boundless energy, — and is a skilled parliamentarian. Prodding here, delving there, he probes witness after witness ... to satisfy his own mind and the minds of his Committee members. You can be sure there will be no tax jump unless Chairman Mills is convinced it is in the best interests of the United States.

Back in July we told you in this column that the great tax battle would soon begin. Then there was growing belief that both the President and the Congress were going to pass up a new tax. But Mr. Johnson was just waiting until his economic advisers told him that a business upturn was reasonably well assured. When they did, he fired off his 10%-tax-hike message forthwith.

Just as the long lull in taxation prior to August led many to think that there might be no Presidential insistence on higher levies ... so the din and smoke of battle in the Ways and Means Committee obscures the final outcome of the big tax set-to. Listening to the sharp questioning directed at top Presidential witnesses' one might conclude that the Administration is losing, that Congress would vote no tax. But the opposite may well be the case.

TWO MAJOR points are at issue:

(1) Is the federal budget deficit going to be big enough to require raising additional revenue? (2) Is the national economy strong enough to stand a tax boost without being thrown into a tailspin?

In grandpa's day, horse trading was

a necessary art. The first rule for success was: He who names his last price first is lost! There is a lot of horse trading in all politicians. That is why we feel that the President's first-named budget deficit of \$29 billion may not be

his last. But even if he comes down to \$24 or \$25 billion, an awful lot more tax revenue will be needed. We doubt if he or the Congress can slice it thinner. And, as for the health of the business patient, our staff is convinced that the worst of the 1966-1967 business slowdown is now over. The country should be able to take the surtax in stride.

WHAT, you ask, would happen if no surtax were voted? With hardly a shadow of doubt, your Uncle Sam would go on spending ... for war, for foreign aid, for farm support, for veterans, for anti-poverty, for slum clearance, etc. And, without new taxes, he would have to cover ALL the deficit by issuing additional bonds of U.S. bonds. These would have to be sold to either (a) investors and investing institutions, or (b) commercial banks.

With business picking up and selling bonds to raise funds, there is little room for heavy competition from U.S. bonds. So probably Uncle Sam would have to meet his deficit by selling his bonds to the commercial banks. History has proved this to be highly inflationary. Hence, if we fall to tax ourselves in this year of soaring war and welfare costs, we will surely run the risk of becoming swamped by surging prices. Better the yoke of a bigger tax load now than the danger of becoming bogged permanently in an inflationary morass.

WE ARE BETTING that Mr. Mills also will finally come to the conclusion that a tax increase is better than a rip-roaring inflation. Of course, he and the Administration may do a little horse trading too ... cut the personal levy to 8%, let the corporations pay 10%. When? The October date is touch and go. January 1, 1968 seems more certain. One thing looks sure: You will pay more taxes in 1968 than in 1967.

What can you do to soften the blow? Not much if you're on regular pay, but businessmen and professionals can get relief by postponing expenses to next year and moving all income possible forward to this year. Plan in advance. Consult your accountant now, before the year-end rush.

## A State Fair Enters The Home Stretch

The 1967 Michigan State Fair, passing the halfway mark of its 11-day run Wednesday, entered the home stretch today with Governor's Day at the Fair.

Entertainment, amusement rides, educational and agricultural exhibits and competitions — all the ingredients for fun for the entire family — will keep the Fair lively and gay through its closing Labor Day night.

A light note for Governor's Day will be a pie-eating contest for children at 10 a.m. Thursday in the Coliseum Grove. Friday is Family Day at the Fair, a tribute to the cornerstones of American society.

Dad and the boys will be interested in the sheep-shearing contests, especially if they have farm backgrounds, while mother and the girls may visit the homemaking exhibits and demonstrations in the Community Arts Building.

Saturday will be Michigan Mayors Day and will mark the debut of Diana Ross and the Supremes at the Music Shell. The three girls who made "The Detroit Sound" famous will be at the Music Shell through closing day, their shows free to Fair visitors.

International Day will be observed at the Fair on Sunday from noon to 2:30 p.m. at the Music Shell.

Like the rest of the nation, the Fair next Monday observes Labor Day, paying tribute to the workingman.

It will be the last day of the Fair, the final opportunity to savor the sights and sounds of Michigan's annual extravaganza.

### First Crash

According to records, the first auto accident occurred May 30, 1896, in New York City, when Henry Wells' auto collided with a lady cyclist Evelyn Thomas.

### PURINA HORSE CHOW CHECKERS COMPLETE!...NO HAY NEEDED!

Here's the product horse owners have been waiting for... Purina's revolutionary Horse Chow Checkers... with built-in hay.

It's tailor-made for folks where hay is a problem. Roughage is built right into the product—no extra hay is needed.

Because hay is built right in, extra hay feeding is eliminated. Horses like Purina Horse Chow Checkers almost as well as sugar, and it's economical.

If hay is no problem, ask for Purina Omolene, long-time favorite of horsemen the country over. But, if you don't want to bother with extra hay, feed Purina's new Horse Chow. Available now at our store in easy-to-handle 50-lb. bags.

## For Chamber of Commerce

# Old Bells Toll Northville Puzzle

Bells made in Northville more than a half-century ago apparently have out-lasted detailed historical information of the foundry that produced them.

At least that's the conclusion of Mrs. Margaret Zayti, secretary of the Northville Chamber of Commerce, who periodically receives inquiries concerning the history of the firm.

As a matter of fact, she's presently trying to reply to letters from Laurel, Maryland, Provo, Utah, Lewis, Colorado, Carbondale, Illinois and Hamburg and Muskegon, Michigan.

And recently The Record-News learned of a Northville bell that was shipped from the United States to Vietnam where a U.S. serviceman planned to use it in a schoolhouse there.

See related material concerning the bell foundry in Top of The Deck column on the editorial page.

"Our problem," she explained, "is that we are unable to provide adequate detailed information about the bell foundry. Our information is sketchy at best and does not include specific dates and names, nor does it explain the meaning of the numbers that apparently were

stamped on the bells.

"Would you ask your readers if they can help us find more information than might be in The Record files?"

Coincidentally, a native Northville woman, who with her husband, Mr. Allen Shaw, are visiting Northville during a furlough from the Baptist mission field, told The Record this past week of her surprise in discovering a Northville-made bell in Nigeria at the outset of her mission work in 1952.

The former Marguerite Coykendall and a 1943 Northville high school graduate, Mrs. Shaw said she made the discovery shortly after arriving in Minna, Nigeria. A little church there needed some repair work, she explained, and when the bell came down she discovered the name of her home town stamped on it.

Presently, the Shaws are guests of the Wilbur Berrymans of 15153 Northville road. They expect to return to Nigeria soon with their four sons. Mrs. Shaw, who is financed in her mission work by the First Baptist Church of Northville, met her husband in Nigeria. He is a native of New Brunswick, Canada.

**RINGING YET**—This bell, built in Northville years ago, hangs in St. Mark's a Negro church in Laurel, Maryland. It is but one of many that have prompted requests for historical information from the Northville Chamber of Commerce.

Anyone with detailed information concerning the bell foundry, especially how long it existed, is asked to contact The Record or Mrs. Margaret Zayti, Chamber secretary, FI-9-1000.

## Plymouth to Offer Evening High School

The Plymouth evening high school credit program will feature 24 different subjects and 28 different classes.

According to Herbert Woolweaver, director of adult education and recreation, registrations will be taken at the high school on September 6 and 7, from 9 a.m. to 5 p.m. and from 7 p.m. to 9 p.m. During the remainder of the week registrations will be accepted during the day only.

High school credit classes will meet on Monday and Tuesday and Thursday from 6:30 to 8:30 and 8:30 to 10:30 for a minimum of 60 hours for each course and one-half credit.

Tuition is free to all students if—  
—They are working for a diploma;  
—They are post-graduate students under 20; or  
—They are veterans of the armed forces.

All other students entering high school credit classes must pay a fee of \$25.

Among credit classes to be offered will be auto maintenance, American history, typing, drafting, geography, psychology, shorthand, basic math, English, Algebra, sociology and many others.

In addition to these credit classes, non-credit activities will include bas-

ketball, flower arrangements, firstaid, investments, swimming, symphony orchestra, theater guild, ballroom dancing, bridge, cake decorating, fencing, golf, men's gym, oil painting, sewing, Yoga, community band;

Badminton, mother and baby care, scuba diving, slim and trim (women), Spanish, water painting, creative writing, driver education, folk guitar, knitting, ballet, baton, great books, square dance and others.

Persons wishing specific information relative to any of these activities or classes are asked to call the Plymouth recreation office at 453-3100, Extension 4.

## Achievers Tap Area Students For Conference

Two area high school students have been appointed official delegates to the 24th National Junior Achievers Conference at Indiana University, Bloomington.

Albert J. Berdis, president of J.A. of S.E. Michigan, announced the following Achievers as representatives of the Redford J.A. Business Center:

John Hasley, 17, of 41010 Malott drive, and Perry Long, 16, of 440 Eaton drive.

Berdis, who is board chairman of Great Lakes Steel Corp., Ecorse, explained that the local young business tycoons will joint nearly 2,000 other Achievers for the six-day conference. Attendance will be drawn from J.A. areas throughout the United States, Canada, and other countries.

The conference agenda includes discussion groups and workshops on business problems; contests, and public relations training seminars. Officers for the 1968 conference will be elected; also a secretary to the National Association of Junior Achievers. Athletic and social activities will relieve the intensive, formal program.
