

Church Services to Celebrate Christmas

Christmas Lights Glow at City Hall

Local churches will recall the miracle of the first Christmas in special holiday services and programs this weekend and on Christmas Day. Most churches will celebrate the Nativity Sunday on Christmas Eve, but some have also planned Christmas Day Services.

And a few have already announced plans for their New Year's services. The First Methodist Church of Northville will hold 8:30 and 11 a.m. services Sunday featuring Christmas carols sung by the congregation. The traditional Christmas Eve service will be held from 7 to 8. The Christmas Story will be presented in readings, music and drama.

A New Year's Eve service has also been planned. Since New Year's Eve falls on Sunday, there will be only one worship service at 11, instead

of the usual two Sunday services.

It will be "Student Recognition Sunday". High school students will fill the choir loft and the service will be led by college students.

A reception for all students, their friends and the congregation will follow at 12 in the Fellowship Hall. Refreshments will be served by the Woman's Society of Christian Service. Mrs. Essie Nirider is chairman of the program.

Our Lady of Victory church will have a con-Celebrant midnight Christmas Eve mass Sunday. Father Tom McGuire will be the main celebrant, assisted by Father John Wittstock and Father Francis Wojcik.

Preceding the mass at 11:30, school children will sing carols. They will also sing during the mass.

On Christmas Day, masses will be said at 8:30, 10:30 and 12:15.

Regular services will be held Sunday at 11 a.m. and 7:30 p.m. at the First Baptist Church of Northville.

Last evening, Wednesday, the Sunday school held its Christmas program at 7:30. Mrs. William Sauber directed it.

Each department participated. Afterwards, each student received a gift and a Christmas treat from the church.

The annual Watch Night program has also been announced at the church. The service will be held during the regular Sunday night service, instead of at midnight as usual.

Refreshments and fellowship will follow the service in the church parlor.

The First Presbyterian Church of Northville will hold a Christmas Eve service from 11 to 12. Music will be provided by the choir, under the direction of William Williams.

St. Paul's Evangelical Lutheran church will have regular services at 8 and 10:30 Sunday. A Christmas Eve candlelight service will be held at 7:30 p.m. with the junior and senior choirs participating.

Festival services will be held at 10:30 Christmas Day.

The Evangelical Lutheran Church of the Epiphany, 41650 Five Mile, will have regular 9 and 11 a.m. services Sunday, and a Christmas Eve service

To Curb Minors in Possession

City OK's Car Impounding

The council took some of the teeth, but not all of the bite, out of its new local ordinance covering the crime of "minors in possession of alcoholic beverages".

Monday night the council decided to impound the car in which any minor is found in possession, and to locate and inform the owner immediately. Release of the vehicle will be permitted the following day. Earlier the council had considered a longer impounding period from the time of arrest. But the council switched from this position when Municipal Judge Philip Ogilvie recited state law that indicated impounding of vehicles in such cases should be undertaken only after guilt has been proven, and then under certain conditions.

Tuesday City Manager Frank Ollendorff established the following procedure in all arrests for a minor in possession in an automotive vehicle:

1. The automobile shall be impounded by towing to the area adjacent to the police station.
2. The impounded vehicle shall be released only on showing of proper proof of ownership to the Chief of Police between 9 and 10:00 a.m., E.S.T., Monday through Friday, and upon payment of costs as listed below.
3. Immediately upon impounding, every effort shall be made to locate and inform the owner. (In the event the arrested person is the owner, the vehicle will be released to his or her parent or guardian.)
4. Costs shall include the amount charged by the towing party, as well as \$5.00 to reimburse the City for administrative expenses, plus \$1.00 per 24 hours for storage fees.

Under the above procedure a car impounded Friday evening would remain

at the police station until Monday morning.

The local ordinance governing minors in possession was one of seven adopted Monday night. Previously, offenders have been prosecuted under state rather than local laws. The new local ordinances approved include: careless or negligent driving, driving with impaired ability, a general penalty clause, vehicle starting from a parked position, checks without sufficient funds and drawing check upon bank without a bank account.

Opinion was split both on the council and in the audience over the matter of impounding the vehicle in which a minor is caught in possession.

Councilmen Charles Lapham and Del Black both favored a minimum of seven days. Manager Ollendorff also supported a stiff penalty. Judge Ogilvie and City Attorney Marvin Stempien cautioned against invoking a penalty before determining guilt of the charge. Stempien also said he favored leaving the authority for sentencing in the hands of the judicial.

Audience reaction was mixed. Arthur Adams, a teacher, called the council "to take the lead and get rid of the drinking problem in Northville". He said it was his belief that "50 per cent of the kids in Northville high school drink" and that the percentage was as high as 85 in the community where he teaches.

Another citizen objected to "taking a thing", such as the automobile.

Finally, the council agreed that impounding the car immediately, informing the parent and holding the car until the next day and leaving the balance of the penalty to the judge if the arrested minor was proven guilty was the best procedure.

'Meaningful Penalties'

Council Approves Probation System

Provisional approval was given Monday night by the city council to the establishment of a probation department as proposed by Municipal Judge Philip Ogilvie.

The council recommended that exact details of the department structure be formulated for the January 3 meeting and unanimously indicated that official adoption of the proposal would be passed.

Judge Ogilvie had asked the council at its December 4 meeting to consider the plan. It calls for appointment of a paid, part-time chief probation officer and a staff of volunteers who would assist the court in making corrective sentences.

The judge had told the council that ideally probation would deter defendants from repeating violations and could save them from prison records.

"I do believe such a department is needed and that probation can provide a more meaningful penalty", Judge Ogilvie stated.

He asked the council to approve an appropriation of \$1,000 for the final six months of the current fiscal year. He said he expected to employ a probation officer for \$100 a month.

It was noted that punishment could include fines as well as probation and the department would not be a financial burden to the city.

The department can legally handle only persons 17 years of age and older, not juveniles. The judge noted that the work of the department would not be confined to local residents, but to anyone who commits a criminal act here and who can, in the judgement of the court, be helped by the department. He pointed to such violations as minors in possession, malicious destruction and disorderly conduct, as typical of those where the probation department can be called upon for help.

Mayor A. M. Allen cited the plan "as one step we can take to help solve the problem of crime, especially with minors".

Scotch Aged Too Long

A seven-year wait for a Christmas tree proved one day too long for Marvin Partridge of 54433 West Eight Mile road.

After waiting seven long years for his prize Scotch Pine to mature, Partridge cast a proud glance at the 12-foot giant Thursday night and figured it was finally ripe for cutting.

Seven years of pruning, he thought, was worthwhile. It would make a beautiful Christmas tree inside his home.

But he left the cutting for the following day.

By morning, he was anxious to get started. "But when I got out there," he laments, "it was gone. Cut off sick as a whistle right at the ground. A thief got there first."

A seven-year dream smashed overnight. Partridge still possesses a little holiday spirit: "I hope the guy has a merry Christmas."

Bogus Bill Passers Arrested in Taylor

A man and a woman, believed to be the pair who passed bogus \$10 bills in Northville and elsewhere, were arrested in Taylor township late last week by United States Treasury agents.

Arraigned in Federal court, Detroit, were Albert Stoponi, 48, and his companion, Joanne Beckman, 21. Bond was set at \$10,000 for Stoponi and \$2,500 for the woman.

According to Northville Police Chief Samuel Elkins, the pair were arrested at a Taylor home — thanks to detailed description, a partial license plate number, a partial finger print, and a mug shot from the Detroit police department files.

A number of counterfeit bills were found at the home.

A half dozen police agencies cooperated with the Treasury agents in tracking down the pair. While the pair reportedly passed only bogus \$10 bills here, they are suspected of passing counterfeit \$20 bills in a number of other communities. Besides Northville, bills were passed in Walled Lake, Garden City, Wayne, Dearborn Heights, and Taylor.

It has not been determined how many bills were passed in these communities, Elkins said, and it may be a long time before it is accurately deter-

mined because some bills are probably still in circulation.

Elkins said agents suspect the pair obtained the bills from out of state.

Record Views Plan

Township Hearing to Air New Development Concept

For the past year representatives of the Northville board of education have been frequent visitors at planning commission meetings, both in the city and township.

Their objective has been to attempt to stay ahead of development by seeking out school sites at pre-, rather than post-development costs.

At one point a school board letter to city and township planners suggested that developers should be encouraged to set aside, at nominal cost, school sites within proposed developments.

While planning consultants have questioned the legality of such a practice, a new concept in "planned unit development" now comes before the Northville township planning commission that suggests reserving a school site and a site for township administrative offices.

The developer, Thompson-Brown company, proposes giving the sites without cost, but not entirely free.

The plan will come up next Thursday evening at the Northville township hall when a preliminary plat involving some 161 acres of the Farm Crest Farms

property on north side of Six Mile road at Bradner is presented for rezoning.

The total development includes 911 dwelling units and covers some 336 acres both north and south of Six Mile road.

"Speaking For The Record" reveals on page 8-A how land can be "given away" and comments on details of the new concept.

"Speaking For The Record" believes the technique will come both as a surprise and a challenge to township planners.

Homeowners Protest

Barn Rezoning Runs into Snag

The Northville city council decided to do two things before making a decision on a rezoning request by Northville Downs to permit construction of a duplicate barn on River street.

Action was delayed until January 3 at Monday night's public hearing after River street residents opposed the rezoning.

Councilman Del Black said he first wanted to check claims of the protesting residents that their property values had been depressed by expansion of the track.

The council also called upon John Carlo, executive manager of the Downs, to establish an escrow account to provide for a greenbelt along the track's fence-line on River street. It was noted that this should have been done when an existing barn was constructed along River street, but the city had delayed the project because of proposed street improvements.

The council learned quickly Monday night that residents on River street between Beal and Johnson opposed the new barn. They were represented by Attorney Donald Severance. He charged that residential property values had been depressed by the track and that the property owners "oppose the rezoning unless these damages are paid for" and other promises, both by the city and track are fulfilled.

Carlo expressed surprise at the objections stating "I thought we were in accord". In answer to a question concerning what he would pay for the houses across from the track on River street Carlo replied, "I'll give them three times the assessments right now. That's fifty per cent more than the appraised value".

Mrs. Donald Starr, 323 River, said "we're willing to sell at a reasonable price, not yours". She asked the council if the rezoning could be held up until

negotiations for sale could be reached between the residents and the track.

The residents and their attorney took the position that rezoning to permit another barn would further depress property values and that the homeowners would be forced to sell to the track at reduced prices.

Councilman Black said he was unaware of the objections and would not vote until he could check River street property assessments.

A list of complaints from residents was read, some against the city for road repairs and traffic control, and others against the track for noise, odors and unsightliness.

Mayor A. M. Allen noted that the track had made many improvements in the area and that present barns were far superior to previous conditions in the area. Councilman Wallace Nichols said he was confused by the objections stating that first the residents wanted certain improvements guaranteed before rezoning, later to negotiate the sale of their homes, and now complete opposition to the rezoning (a position taken by Attorney Severance).

Councilman Charles Lapham moved that action be delayed until an escrow account was established for the greenbelt and the motion was approved.

In other business in the five-hour-long session the council: approved a fencing ordinance; changed the date of its regular first meeting in January to the third; decided to consider sale by bid of the 4.91 acre well site area on Novi road after first discussing sale of a portion of the site to abutting property owners; scheduled a decision for January 3 on the closing of the driver's license bureau in the police station; and approved preliminary application for sale of \$50,000 in tax anticipation notes in case the money is needed.

Business Windows Hit

Perhaps it was the result of too many TV westerns, perhaps too much of the cup that cheers, or a simple case of overzealousness, but some person or persons shot up the town early Tuesday A.M.

There were no human casualties, only a large number of big glass windows and glass door areas penetrated by objects about the size of a .22-caliber bullet.

Nine different business places served as targets. Most of the damaged windows were noted by Northville police between 3:58 and 4:25 A.M. Tuesday.

These establishments all received damage: Northville Camera, 200 Main; Old Mill Restaurant, 130 Main; Northville Hardware, 109 Center; Cutler Realty, 310 Center; Northville Collision, 106 Dunlap; Ely and Sons, 316 Center; Rathbun Chevrolet and Olds-

mobile Service, 560 Main; Detroit Edison, 208 Center; Ramsey's Bar, 105 Center.

No estimate of damage is available, but most of the targets were large windows and doors. An investigation is being carried out by the Northville police.

One of Nine

Child Gift Needs Told

Want to make a child happy at the Wayne County Child Development Center?

If so, Medical Superintendent Pasquale Buoniconti suggests a gift will do the trick. Certain Center needs, he explains exceed budgeted revenue, so "we have established a list of items which we could utilize for the care of our children" at the Center.

He lists several categories in which articles are especially needed. These include:

Educational supplies — books, vocational equipment, slide projectors, pens, maps, globes, etc.

Musical instruction — Any new or used musical instruments.

Play equipment — A wide variety of equipment is needed, ranging from hula hoops, table games, puzzles, sleds, to muscle strengthening equipment.

Hobbies — Clay, mosaic tile, model kits, electronic gadgetry, carpentry tools, etc.

Residential needs — dressers, foot lockers, radios, records, mirrors, rugs, cosmetics, tie clips, purses, jewelry, etc.

Volunteers — "We are in the process of establishing a community volunteer program to allow any interested member of the community an opportunity of making their services available to our children at Wayne Center."

SEVEN CHRISTMAS CHERUBS, all from the second grade of Amerman school, sing yuletide selections for the Northville Woman's

club at the Christmas tea Friday in Northville Presbyterian church. From left to right are Diane Klech-

ner, David Laux, Kim Zillich, Janet Eiselle, Gary Balko, Jayne Winemaster and Julia McDaniel. They were directed by Miss Phyllis Hinkel, Amerman music teacher.

In Our Town

By JEAN DAY

THIS IS A Silver Christmas Year for Doris and Lloyd Brasure, who chose the day after Christmas for their wartime wedding 25 years ago in Oconto, Wisconsin.

The Reverend and Mrs. Brasure were honored by the congregation of Northville First Presbyterian church at a surprise reception following the 11 o'clock service last Sunday. The church session sponsored the reception for the pastor and his wife and presented them with a pair of silver candelabra.

For Mrs. Brasure, the former Doris Winecuff, the event was a complete surprise. The couple's four children were present with Diane coming from Traverse City where she is teaching and Neal from Alma college. Completing the family circle are Leslie and Wayne, both at home. This week Diane will be visiting in New York until Christmas.

Silver-and-white reception table decorations included a topiary Tree of Happiness and a double wedding ring cake.

Washington, the cathedral while Episcopalian is non-denominational with tourists and many groups worshipping there. Mrs. George Merwin, who introduced the speakers, mentioned that the Children of the American Revolution have a memorial service there every April.

The cathedral, the speakers said, perhaps is most famous for its needle-point kneelers and altar carpets. They are the work of a thousand women, including the British queen mother. Also noteworthy are the nine altars, 300 angelic figures in the town, done by grandsons of famous Italian carvers, and the children's chapel with Noah's arc animal seats.

A CHRISTMAS coffee "thank you" was given Monday morning by Mrs. Howard Meyer, Jr., at her home on Maplewood for the Presbyterian Women's association board and home tour workers.

SENIOR CITIZENS club of Northville will have its monthly cooperative supper December 26 at 6:30 p.m. in the old junior high school building on West Main street with a social hour following.

Thursday, December 28, the group has made plans for a holiday outing to view the seasonal decorations in downtown Detroit and in the Birmingham area.

About 80 senior citizen club members of Northville and Plymouth will board buses at 4 p.m. at the Northville scout-recreation building for the tour. They will stop for supper en route.

CALENDAR

Dec. 22—Northville schools recess at noon.
Dec. 23—Cavern Children's Party.

Showers Fete Bride Elect

Cynthia Eaton, daughter of Mrs. Sterling Eaton and the late Mr. Eaton of Plymouth, has been honored at three bridal showers since September. Mrs. T. N. Kampf and Mrs. Harry Wagenschutz were hostesses for a shower at the Kampfs' home on 21600 Haggerty back in September.

Within the past two weeks she has been honored twice. Mrs. Ernest Shave and Mrs. R. Blake Northrop gave a luncheon in her honor at the Northrop home on Six Mile road. Mrs. W. L. Howard and Mrs. Harold Bloom were hostesses for a miscellaneous shower and luncheon.

Guests attended the showers from Plymouth, Farmington, Northville and the area.

Cynthia will marry Edward J. Johanson at St. John's Episcopal Church, Plymouth on December 30. The couple plans to live in New York.

News Around Northville

Mr. and Mrs. Joseph Pollock celebrated their 54th wedding anniversary December 17. Former residents of Milford, they now live at Northville Convalescent Home, 520 West Main.

College-age young people of the First Presbyterian Church of Northville will have a reunion on Thursday evening, December 28 at the home of the Reverend Tim Johnson and his wife, Ann, on 313 Sherrie Lane. It will begin at 8 o'clock.

Bob Hallam, son of the Robert Hallams of Summerside Lane, is home for the holidays after completing basic training with the U.S. Navy at Pensacola, Florida.

Meadowbrook Country Club, gally decorated for Christmas, had a New England clam bake buffet dinner last Friday night. A children's Christmas party was held Sunday.

Plans for celebrating the New Year are in the final stages. A dinner dance for teens and college students will be held Thursday, December 28. Members may bring guests. Marc Avery of WJBK Radio will be at the dance. Reservations must be made by Saturday, December 23.

Adults will have their annual New Year's dinner dance Saturday, December 30 with Eddie Schick and his orchestra providing dance music.

Mr. and Mrs. J. E. Straus of 23893 Beck road entertained the Kounty-Korners Farm Bureau at its annual Christmas party on Tuesday, December 12. Twenty-four members attended.

Births

Mr. and Mrs. William Schwartz on 11727 Russell, Plymouth announce the birth of a daughter, Beth Ann, born November 24 in Sedalia, Missouri. Grandparents are Mr. and Mrs. Bernard Schwartz and Mr. and Mrs.

OVERTURE COMMITTEE—Making plans for the first Overture to Opera presentation in Northville with Chairman Mrs. Donald Ware, seated right, are from left Mrs. Harold Wright, Mrs. Stan Schaefer,

Mrs. Charles Wheatley, Mrs. Paul Hughes, Mrs. Ernest Shave and Mrs. Ben A. Zayti. Mrs. Shave has served as Northville area Grand Opera committee member

ever since the Metropolitan opera began its spring appearances in Detroit. She and Mrs. Ware secured the April 6, 1968, performance here of the Overture series.

At Only Half the Cost

This Couple Joins Jet Set

Who says you have to be a member of the Jet Set to get around?

Not according to Betty and Art Chadwick, new residents of Northville, who have just returned from a weekend at the King's Inn on Grand Bahama Island with the Nomads Flying club of Detroit.

Both the Chadwicks are pilots who have their own airplane but have gone

on weekend and longer trips with the Nomads to Bermuda, Mexico, Banff, Expo '67, Hawaii and who knows — where next?

Single membership in the Nomads is \$100 and a family membership is \$150. The cost of each trip is shared among members so that it runs about half the cost of a commercial flight

— besides — its your own plane — a DC-7B!

Art, who is assistant to the personnel manager in the marketing department has been with Michigan Bell for 27 years. He has recently been elected to chairman of the board of directors of Nomads, Inc., which they joined prior to the first flight. The couple lives at 18121 Jamestown Circle.

Celebrating the third anniversary of their inaugural flight, Nomads will again be winging their way south to sunny Fort Lauderdale over the long New Year's weekend.

The Nomads schedule 25 weekend trips and several longer trips of one to two weeks annually.

From the beginning, the Nomads agreed that their flying clubhouse would be as safe as any scheduled aircraft with the most rigid inspection and maintenance.

The plane is operated by professional flight and ground crews with many years of airline experience. The harmonious group of travellers is comprised of doctors, lawyers, secretaries, executives, students, retired persons — anyone with a yearn to travel.

OUTSTANDING YOUNG WOMAN award of the Northville Jaycettes is presented to Mrs. Richard Norton, center, by Mrs. Beatrice Carlson, Northville councilwoman and contest judge, right, as Mrs. Omar Harrison, awards committee chairman, looks on. Mrs. Norton was selected by an outside panel of three judges to be the recipient of the Jaycettes second annual award for her work as Jaycette president in keeping the organization in existence last March and stimulating its growth to the present membership of 11.

Try One of These Recipes

Want Lip Smackin' Holiday?

During the holiday season many local cooks have been turning to the 1967 cook book published by Women's society of Northville First Methodist church for special recipes.

Mrs. Warren Flittery, Women's Society for Christian Service president, reports she baked her Christmas cookies early and had them in the freezer. For anyone wishing to bake between the holidays, however, here is her recipe for drop sand tarts:

DROP SAND TARTS

2 c. sugar
1/4 lb. butter
2 beaten eggs
3 scant c. flour
1/2 tsp. salt

Cream sugar and butter. Add beaten eggs, flour, salt. Drop 1/2 teaspoon (for small tart) on cookie sheet. Press flat with small glass, each time dipping glass in container of colored sugar. Garnish with nut in center. Bake 350 degrees until brown.

For parties Mrs. Fay Waldren contributes this punch recipe:

HOT CRANBERRY PUNCH

1/4 c. brown sugar
1 c. water
1/4 tsp. salt
1/4 tsp. nutmeg
3 c. water
1/2 tsp. cinnamon
1/2 tsp. allspice
1/4 tsp. ground cloves
2 cans jellied cranberry sauce
1 qt. unsweetened pineapple juice

Bring sugar to boil in 1 c. water with salt and spices. In another pan, crush cranberry sauce with rotary beater or fork. Add 3 c. water. Blend until smooth. Add juice and syrup. Serve hot. Makes 2 1/2 quarts.

This is Mrs. Richard Ambler's party punch:

PARTY PUNCH

1 pt. cranberry juice
1/4 c. sugar
1/2 c. boiling water
1 c. orange juice
1/4 c. lemon juice
Add 2 c. gingerale before serving.

For turkey (or chicken or veal) left-overs Mrs. W. E. McCarthy contributes:

SWEET POTATO PIE

3 c. cooked turkey, chicken or veal
3 c. well-seasoned, cooked mashed sweet potatoes. Add 1 beaten egg to potatoes.
12 small, cooked onions or the equivalent of celery

Take 2 large c. broth, 4 tbsp. flour to

make gravy. Line a 1 1/2 qt. casserole with half of the sweet potato mixture. Arrange the meat over this. Pour gravy over this before spreading on second layer of sweet potatoes. Bake about 45 min. in 425 degree oven.

Mrs. L. H. Robertson contributed her cherry muffin recipe to the Methodist cook book:

CRUNCHY CHERRY MUFFINS

2 c. sifted all purpose flour
3 tsp. baking powder
1/4 tsp. salt
1/4 c. shortening
1/4 c. sugar
1 egg
1 c. milk
1/4 tsp. almond extract
1 c. drained sour pitted cherries (chopped)
1/2 tsp. cinnamon
1/3 c. brown sugar
1/3 c. chopped nuts
Sift flour, baking powder, salt together. Cream shortening and grad-

ually add sugar and continue creaming. Add egg and beat well; stir in milk and extract. Stir in cherries to which a few drops of red coloring have been added, if desired. Add flour mixture. Fill greased muffin pans 2/3 full. Sprinkle top of batter with topping.

Bake 400 degrees for 20 min.

1-Card of Thanks

Due to our error the name of Mr. and Mrs. Fred Russell was omitted. The family of the late Edwin M. Fisher wish to thank our friends and neighbors for their kindness and sympathy during our time of sorrow. We especially wish to thank Rev. Kinde for his comforting words, also Fred Casteline of the Casteline Funeral Home and Louis J. Mon of Jones-Mon Funeral Home. Our thanks also to Masone #186, F & M, and Orient Chapter of Eastern Star, -77.

Mrs. Helen Flaherty
Mr. & Mrs. Fred Russell
Mr. & Mrs. Robert Parmenter
Mr. & Mrs. Elton Knapp
Mr. & Mrs. John Flaherty

2-In Memoriam

In memory of Robert Colter who passed away two years ago, December 20, 1965, is sadly missed by his wife, Betty Colter and family.

In loving memory of Shirley Ann Husted. Passed away December 20, 1967.

The depths of sorrow we cannot tell, of the loss of one we loved so well, and while she sleeps a peaceful sleep, her memory we shall always keep. Mother, Father and Sisters Carol, Marilyn and Gloria.

CHRISTMAS PRAYER...

On this day. Mend a quarrel. Search out a forgotten friend. Dismiss suspicion, and replace it with trust! Write a love letter. Share some treasure! Give a soft answer. Encourage youth. Manifest your loyalty in a word or deed.

Keep a promise. Find the time. Forego a grudge. Forgive an enemy. Listen. Apologize if you were wrong. Try to understand. Flout envy. Examine your demands on others. Think first of someone else. Appreciate, be kind, be gentle. Laugh a little more.

Deserve confidence. Take up arms against malice. Decry Complacency. Express your gratitude. Worship your God. Gladden the heart of a child. Take pleasure in the beauty and wonder of the earth. Speak with love. Speak it again. Speak it again. Speak it still once more.

From the folks at...

It's Holiday Vacation Time

College Students Head for Home

College students have been arriving by train, plane, bus, car—or, all other means falling, by foot—to spend the holidays at home in Northville. Here's a quick survey of some of the students who are home or on their way....

LINDA LEMON, a sophomore at Michigan State, who lives in South Wonders Hall on campus. Her roommate is another Northville high graduate, Nancy Atherton, who now lives in Farmington....

CAROL YAHNE, a junior at the University of Michigan....DIANE WESTPHALL, a senior at Bob Jones University....and SHIRLEY LAMP, who is a freshman at Bob Jones....

DOUGLAS GUIDO, in his freshman year at Western Michigan....THOMAS WRIGHT, attending Northwood Institute, Midland campus....

JANET FUNK, a sophomore English major at Michigan State. She lives in Holden Hall, the newest dorm on campus....a freshman at Central Michigan, DONNA TYMENSKY....

EMILY CANTERBURY, now in her senior year at Albion....and CONNIE CRUMP, a junior at Albion....

DAVE KARRER, who just finished his first term at Michigan State....DIANE HAYNES, a senior in elementary education at State....

DIANE RATHERT, a junior at Valparaiso, who is active with the music department and band....and her brother, KENNETH RATHERT, a sophomore at Valparaiso....

MARY HOUCK, a freshman at Eastern Michigan....RICHARD COMITO, attending Northern Michigan....ROBYN MOON, a freshman at Ferris State College....

JILL ROCKAFELLOW, a junior at Western. She transferred to Western from Schoolcraft College this fall....MIKE TURNBULL, a sophomore at Michigan State, who played on the varsity football team this fall....

LYNN TILIKKA, a freshman at Central Michigan....KEITH MUELLER, a freshman at Albion....BOB STEEPER, in his junior year at Western....

SUSAN MURANY, a freshman at the University of Michigan....SUE YODER, also in her freshman year at Michigan....JAN BUTLER, a junior at Western....

TOM BOGART, now in his junior year at Eastern Michigan....DENNIS ANCHORS, a junior at Michigan State....KRIS DEIBERT, a junior at the University of Michigan majoring in special education....

SUSAN WISNER, a freshman at Adrian....BONNIE RORABACHER, a junior in the intern teaching program sponsored by Michigan State. She will be student teaching next term....

SUSAN HILL, a sophomore at the University of Michigan....GLORIA

PACIFIC, a junior at Western....

CHARLES ANNETT, a senior at State....JOHN REMINGTON, in his sophomore year at State....STEVE LAWRENCE, a freshman at Adrian who is working at Freydl's over vacation....

BARBARA BOGART, a freshman at Western....BILL DAVIS, attending Wesleyan University....REVA ANN NORTHROP, a sophomore at Stephens College in Columbia, Missouri....

JEAN DOWNER KNAUFF, who attends Michigan State along with her husband, Michael. She arrived at her parent's, Mr. and Mrs. Gael Downer, for a visit last weekend. Jean is now a senior in elementary education and

her husband is working toward a master's degree in secondary education....

PRUDENCE HARTT, in her first year at Hanover College....NICK MILNE, a junior at Michigan State....PATRICIA WACHTEL, a freshman at Central....

JO HILDEBRANT, now a senior at Albion....MARILYN PUBANZ and JOYCE STUCKEY, freshmen at State....JOHN BUNN, a freshman at the University of Michigan....CHERYL HUBBARD, in her junior year at Eastern....SUE REED, a junior at State majoring in humanities and active in musical programs....

Cub Scouts Get Awards At Pack 721 Meeting Here

Weblo Scouts of Northville Cub Pack 721 were given awards in a ceremony at the VFW Post Monday evening.

These included:

Science activity — Mark Suddendorf, Steve Gurney, Cory Collins, Donald Fountain, Scott Lapham, Barry Gall, Scott Knapp, Chris Rotta, Bill Bates, Wally Armstrong, Mitch Viber, Brian Steimel, Ray Green, John Neisch, Kevin Busch and Barry Prom.

Naturalist and sportsman — Barry Gall.

Engineer and geologist — Scott Lapham.

Travelers — Chris Rotta.

Athletic — Kevin Busch.

Wolf Badge — Craig Kohn and David Iverson.

One year pins — Brian Holloman, Ted Kehrer, Bill Bates, Chris Sylvain, Mark Lobdell, Steve Bell, Gary Wine-master, Bruce Turner, John Dugan, Scott Boyd, Joey Patterson, Jim Craft, Craig Kohn, Kevin Busch, Tom Lovette, Dennis Clark, John Neisch, and Dirk D'Haene.

Two year pin — Cory Collins.

Monday's program included a visit by Santa Claus, who passed out candy canes to more than 200 children. Refreshments were served following the pack meeting.

Their 50th Anniversary Falls on Christmas Day

This Christmas Day will be doubly special for Mr. and Mrs. Ralph Wilson of 10489 West Seven Mile as they celebrate their fiftieth wedding anniversary along with the yuletide holiday.

The Wilsons, Ralph and Luella, were married December 25, 1917 and have lived in Northville all their married lives. They have two married sons,

Wilford and Willard, and seven grandchildren.

The entire family lives in Northville.

Their sons are honoring them at an open house Sunday, January 7 from 2 to 5 at the Salem Town Hall. They invite all their parents' friends in the area to attend.

Mr. and Mrs. Ralph Wilson

SPEAKING

for The Record

By BILL SLIGER

Next Thursday evening the Thompson-Brown company will appear before the Northville township planning commission and the public to explain a rather unique development proposal.

In my opinion, it needs explaining.

On this point the capable young president of Thompson-Brown (Irish Bob Carey) and I do not agree.

He steadfastly maintains that the planners are expertly informed on all details of the plan. And he bristles slightly when "laymen" get into the act and fail to comprehend the concept.

I will not argue with the company's sincerity and its efforts to inform. I do suggest, however, that somewhere the lines of communication have broken down.

Bob Carey and his consultants and engineers understand the concept; I think that it has sunk into the semiporous press. But the planners (either professional or amateur) have not yet had the advantage of the full course of detailed explanation.

The proposed development of the 336-acre Farm Crest Farms area first caught my attention when I learned that it included a 10-acre site for a "township administration development".

It was explained by the township supervisor that this parcel was being made available — without charge — because it could not be easily incorporated into the proposed community development. And, coincidentally, it is located almost precisely where the township master plan sets forth the location of future administrative offices.

The proposal left questions. First, is it advisable to provide "free sites" within a proposed plat conditioned upon the acceptance of the plat and passing of the requested rezoning?

Secondly, if 10 acres are available to the township without charge, why should the school district pay \$5,000 an acre for 10 acres within the same development for the purpose of providing classrooms for the children the development will attract?

I sought the answers from the developer. And I learned what I believe to be facts that are not known, or at least not understood, by township planners and officials.

First of all, the land is not "free".

Secondly, under similar conditions, the school district may also find itself entitled to a 10-acre site within the proposed development without paying \$50,000, or even one dollar.

What the developer requests in return for the land gifts is "density credit" within the residentially-zoned sections of the development.

This residential "density credit" also applies to the 14.4-acre commercial zone requested, as well as the 5.6-acre professional office zone.

In other words, the developer is asking to use the land twice — once for business, offices, township buildings or schools, and once for residential density credit.

Neither the township supervisor, planning commission chairman or the township's hired planning consultant, when contacted this week, was aware

that residential density credits were anticipated by the developer for the areas set aside for business, school or public administrative use.

To the reader who has followed to this point it may appear that the press holds serious objections to the Thompson-Brown proposal.

This is not true. To the best of our ability to comprehend, and without full knowledge of possible legal technicalities, we approve of the general concept.

We still hold, however, that sticky consequences could result from proposals promising land gifts to governmental units charged with the responsibility of approving the proposals.

This is basic. It is not intended as a suggestion of any wrong-doing.

But we are in accord with the general idea, as proposed for the Six Mile-Bradner area, of total zoning for the number of permissible dwelling units.

In other words, Thompson-Brown is asking to construct 911 dwelling units on a 336-acre area that would permit a total of 911 dwelling units under present R-3 and R-4 (single family residential) zoning.

Instead of constructing all single family units, however, the community plan calls for 477 apartment units and 434 single family homes. None of the lot sizes will be reduced. As a matter of fact, only 343 homes will be constructed on the south side of Six Mile road where 562 single family units would be permitted under existing zoning. In addition to lots exceeding minimum requirements, the development south of Six Mile provides 25 acres of park area plus a proposed school site.

On the north side of Six Mile only 91 single family homes are proposed. The additional dwelling unit capacity is reached through construction of 477 one, two and three-bedroom apartments. In addition a commercial and office area is proposed to provide neighborhood services.

It can be proven that the population density of such a development will be less than if the entire area were subdivided into single family homes. The 477 apartment units, for example, will contain fewer people (and school children) than the same number of single family dwellings.

The concept offers obvious advantages to the developer. Commercial and office portions, as well as the multiple dwellings, afford higher profits and quicker turn-over on investment.

But these same economic advantages make it possible to upgrade and plan a community of dwelling units employing a plan of open spaces... and (possibly) even "free" school and public administrative sites.

It is not just another rezoning request that will come before Northville township planners next Thursday evening.

It is a proposal that measures zoning by density and dwelling units within a given area and includes those acres set aside for uses other than residential as a credit to the density count.

the

Deck

by JACK W. HOFFMAN

Amateur historical buffs like myself occasionally take liberties with little known facts, unfortunately, twisting them to fit a particular occasion.

This past summer, for example, I told my youngsters upon "discovering" an out-of-the-way Indian grave site in the Upper Peninsula that we were probably the first white people to walk that hallowed ground.

The excitement and interest my observation raised was momentarily worth the unfounded supposition. But one thing led to another until I was telling those bug-eyed kids that Hiawatha was probably resting in one of the ground-level coffins.

All was fine until one of the kids poked her nose into a rotting, partially open coffin and asked: "Daddy, did Indians drink beer?"

"Certainly not," I said, tossing out another unfounded historical tidbit. "Why on earth would you ask something like that?"

"Because," she replied innocently,

"there's an empty beer bottle in that box. And a cigarette package, too."

It was impossible to dig my way out of that hole. Which is probably why I'm delighted to ensure that another "historian" of even greater imagination joins me.

One of our readers, knowing of the community's current interest in the turn-of-the-century Northville firm that manufactured world renowned bells, recently brought in a lengthy California newspaper article concerning the "fabulous" historical discovery by a Chula Vista businessman.

The businessman's "discovery" makes my Upper Peninsula find look like a peanut.

President of an insurance agency, this self-trained historian, tells of a 175-year-old bell, manufactured in Northville, Michigan by the American Bell and Foundry company. So delighted was he with the discovery that he designed his new business place with a Spanish tile roof line to show off the bell.

That Michigan was little more than an Indian inhabited wilderness and Northville not yet a dream 175 years ago when George Washington was still president apparently did not occur to him. At any rate, once he had given the bell its age, other even more interesting historical evidence flowed like water.

"She was called 'Big Number 12,'" he explained to the reporter while perched precariously atop his agency's new building.

"Our bell visited most of California's big cities in her youth during the Gold Rush. She watched men sweat and heard them swear as they tolled in the soil.

"Finally a young Imperial Valley teacher rescued her from the back of an itinerant drummer's wagon and perched her proudly in the school belfry. There, for more than 75 years, she called children to school in the daytime and neighbors to town meetings at night.

"Once or twice she got so excited

warning about Indian attacks, she almost fell out of the belfry!"

The California historian, who boasted a bachelor's degree "and all but four credits towards his master's from Seton Hall university", said the bell saw hordes of her children become heads of their own families and later take their grandchildren to the little school's potbelly stove-warmed classroom.

"Like many other good things, the old schoolhouse had to go," he told the reporter, "and when it was replaced with a modern facility, its bell went up on the auction block."

The historical genius of this Chula Vista insurance agency president was so moving that it inspired the reporter to end her piece thusly:

"Must make Big No. 12 want to clang her clapper with congratulatory clangor. After all, if Chula Vista is going to have a new business, isn't it great that it's a great bell-ringer and has a heart?"

Readers Speak

Says God Asks Her to Obey Laws

To the Editor:

As a Christian the fact that Christ entered this world makes the difference between life and death for me.

As a Christian the Life of Christ is God in flesh revealing His personality, will and most of all His Love for His Creations. As I observe Christ I see I miss the mark in living the life God expects of me. I myself can never "make it", but Christmas means Christ made it for me.

As a citizen God calls me to obey my country's laws and to respect those in power. I don't always agree with all our country's policies and feel we have many double standards and as a Nation we don't trust God as we declare on our money.

I wish we would follow through on standards we profess and realize that money does not buy friendship and that our nation's morals are a reproach.

I am grateful for obedient men, who make sacrifices to stem the tide of world domination by Godless communism. For communism is not passive or mellowing but very aggressive with methods and purposes that are both hypocritical and fiendish beyond our imagination.

As yet, "fire" isn't descending from Heaven, but the Bible states soon it will. When it comes it will be frightening only to those who have rejected Jesus Christ and God's plan of Salvation.

Signed
Gloria Mayer

Wants More Information On Bus Camping History

To the Editor:

In regard to the letter you published some time ago re: Bus service from Northville to Detroit want to add, according to this article by Mr. Biddle this bus service began around 1932. I lived on Seven Mile road from 1921 to 1925 and at that time there were touring cars running several times a day from Northville to Detroit.

If I remember correctly one of the drivers was named Bert Crouch or Couch.

I let my son read this article

and we had a friendly argument as he said he remembered when these buses started running, and I was thinking of the former transportation in 1920's.

He was only 2 years old when we moved on Seven Mile road so I was sure he could not have remembered those days.

If you have any data on this I would be glad if you would publish it, as I'm sure many of the older residents will remember this.

Me and My Shadow

By ROLLY PETERSON

Newsweek magazine first aroused my interest. "On a recent road trip, fifteen Boston players went to afternoon showing in Chicago of the blood-and-guts movie 'Bonnie and Clyde.' That night they clobbered the Black Hawks, 7-1. Next day, in Detroit, they searched out a theater that was showing the same movie and watched it again. They won that night, too."

Now that's an accolade for any movie. It has the power to mold the Boston Bruins hockey team into a fierce band of winning skaters, along with trades for more ferocious players. "Bonnie and Clyde" must be an exceptional movie.

And it is. What exactly stimulated the Bruins to their blood curdling best, however, has this writer non-plused. More than being a "blood-and-guts" movie — which it is "Bonnie and Clyde" is a unique melodrama tinged with pathos and leavened with humor.

The movie is actually based on the real-life adventures of Bonnie Parker and Clyde Barrow, who, in the early 30's, rampaged through the southwestern and lower midwestern states looting banks and killing with abandon. Their exploits parallel those of John Dillinger for daring.

But Warren Beatty and Faye Dunaway make more than ruthless killers out of Clyde and Bonnie. They put flesh on the legendary characters, and although our sympathies may not always be with them, nevertheless they take on human proportions.

Clyde is the derelict soul with a nebulous past. He's a drifter when we first see him, surely not committed to a life of crime. He's more a kid enchanted with romantic visions of the criminal, the big shot, without any real notion of the consequences.

turned in by Michael J. Pollard in the supporting role of C. W. Moss. A mechanic by trade, C. W. is short on brains and long on loyalty to Bonnie and Clyde.

He brings, along with Bonnie and Clyde, a certain innocence and pathos to the screen that makes for a memorable movie.

Blood-and-guts there is — and much, much more.

Along comes Bonnie, a southern girl, bored with being a waitress in a honky-tonk town. As it turns out, Clyde's dashing character promises something more exciting, a means of escaping her listless life.

Together, they indulge their infantile notions, robbing banks and stealing cars at will, while leaving behind them a mounting list of bloody murders. Throughout they retain a child-like attitude, but their guilt is never questionable.

The story is handled with an artistic flare. Director Arthur Penn has recreated life in the reckless 1930's, primarily through an assemblage of perfectly preserved automobiles and classic costumes, folksy banjo music and imaginative use of old-time pictures (like the ones of mom and dad dressed in their Sunday best and invariably taken in front of a new roadster).

Penn captures the nightmarish life — and the tranquil moments — of the two lovers. Blood spurts across the screen in brilliant red, as if the whole human race were bleeding to death from the head. Contrasted with this are the quiet moments and the humorous scenes, during which Bonnie and Clyde discover themselves. In other words, Penn establishes a unique balance.

Perhaps the best performance is

Self Analysis Quiz

Do You Have A Mania For New Words?

by Jane Sherrod Singer

With the growth of interest in psychology, there has developed a new and impressive vocabulary. See how many of the following words you can match with their correct meanings. (Hint: a mania is an intense desire to do something or have something. A phobia is a fear of something.)

- | | |
|--------------------|--|
| 1. sophomania | a. excessive desire to eat sweets |
| 2. gerontophobia | b. fear of closed places |
| 3. doraphobia | c. fear of the sun |
| 4. photomania | d. fear of fresh air |
| 5. dipsophobia | e. delusion of being exceptionally intelligent |
| 6. acrophobia | f. compulsive desire to wash |
| 7. opsomania | g. fear of great heights |
| 8. heliophobia | h. intense displeasure in toughening skin or fur |
| 9. pyromania | i. abnormal desire for light |
| 10. logomania | j. intense fear of drinking |
| 11. sitomania | k. desire to set fires |
| 12. ablutomania | l. compulsive talker |
| 13. aerophobia | m. excessive craving for food |
| 14. claustrophobia | n. excessive fear of sound or the spoken word |
| 15. phonophobia | o. obsession of growing old |

ANSWERS: 1 - e; 2 - o; 3 - h; 4 - i; 5 - j; 6 - g; 7 - a; 8 - c; 9 - k; 10 - l; 11 - m; 12 - f; 13 - d; 14 - b; 15 - n.

SCORING: With 11 or more correct answers, you know your psychology without a question.

5 to 10, very good.

1 to 4, you didn't guess very well.

In Wixom

Miss Alexis Smith
48656 Pontiac Trail
MA-4-1908

Sunday, December 10, a Christmas party was held at the Veterans of Foreign Wars building in Wixom. It was sponsored by the Spur organization, and members of the Future Teachers association of Walled Lake senior high school helped serve and entertain.

Mrs. George Drayton of 49141 Pontiac Trail was pleasantly surprised by her brothers and sisters with a birthday party Sunday afternoon.

On December 15 the Order of the Eastern Star held its Christmas party for Past Matrons at the home of Mrs. Cree Wheat. Attending from Wixom were Mrs. John C. Chambers of 49085 Pontiac Trail and Mrs. Jesse Byrd of 1815 Charms road.

The Sunshine Social service group held its annual Christmas party at 12 noon, Wednesday at the Canopy in Brighton. Later members returned to the home of Mrs. John Nichols of 3384 Theodore to exchange gifts.

Mr. and Mrs. Everett Pearsall of 49600 Pontiac Trail shared their birthdays with Mr. Robert Applefing of Grand Blank on Sunday.

Mayor and Mrs. Wesley McAtee of 3031 West Maple and Mr. and Mrs. Don Nisson of 3886 West Maple attended the Rotary Christmas party in Plymouth on Thursday.

On Saturday night, December 23, the youth group of the First Baptist church of Wixom will be caroling under the direction of Mr. Robert Harmon.

Mr. and Mrs. Ralph Docksey will leave December 23 for Fort Meyers, Florida where they will spend the winter.

Mrs. John Finlayson of 48733 Pontiac Trail is resting at home with a broken wrist after falling in her home.

The students at Wixom Elementary school held their Christmas parties today. There were gifts to exchange and the room mothers furnished refreshments.

On December 12 the kindergarten and first grades of Wixom Elementary school presented "Our Land Long Ago". The kindergarten pupils played the parts of the Indians and the first grade were the Pilgrims.

Mr. Vernon Spencer of 51225 Pontiac Trail is in Saint Joseph Mercy hospital, Ann Arbor, room number 370. He is recovering from an automobile accident.

Theresa Jean Burgin, granddaughter of Mr. and Mrs. Howard Payne, 48578 Pontiac Trail, spent Saturday night with her grandparents.

Tonight the annual Christmas concert will be held at the Walled Lake senior high school at 8:00 p.m. The concert band and orchestra are under the direction of Mr. Helmut Holland-moritz.

NEW PATROL CAR—What may be the first Ambassador police patrol car in Michigan was delivered to the Novi police department this week by Rose Rambler of Union

Lake. Detective Sergeant Richard Faulkner, acting chief in absence of Chief Lee BeGale, accepted the new four-door vehicle.

Parents Disappear

2 Girls Left Homeless

Information resulting from an investigation by Northville police of a case involving two teenage girls whose parents have not been heard from since October 15 has been turned over to juvenile authorities of the Oakland County Probate Court.

The girls, ages 14 and 15, were placed in the care of the Northville woman last August while the parents were to be on two-weeks vacation. The parents paid the woman \$30 at the time. The woman, a widow with children of her own, heard nothing from the parents until October 15, when she received \$15 by mail. It was the last communi-

cation. On December 13, the woman notified Northville police of the children's plight, with information that she was financially unable to provide the girls with clothing and other necessities for school.

Whereabouts of the parents remains unknown. The investigation revealed that the parents' landlord did come to the girls' aid by breaking into his rental property and giving the girls possession of their clothes.

School officials and other local agencies, have responded with aid to keep the girls in school.

• OBITUARIES •

SAMUEL P. BONGIOVANNI

Samuel P. Bongiovanni, 47 of 131 Walnut street, died December 18 at St. Mary hospital in Livonia following an illness of six months.

Born December 30, 1919 in Pittsford, New York, he was the son of Frank and Mary (Solda) Bongiovanni. His mother, Mary, and his wife, Bessie B., survive him.

Mr. Bongiovanni was a resident of Northville for 45 years. He worked at Burroughs Adding Machine company, was a member of Our Lady of Victory Church and the VFW Post No. 4012 Northville.

Survivors include two sons, Houston of Northville and Bruce of Plymouth; a daughter, Elaine Phalen of Cadillac; four sisters, Emma Krause of Livonia, Louise Chappell of Detroit, Helen Chambers of Warren, and Ethel Simmons of Southgate, California; and three brothers: Paul of Northville, Henry of Los Angeles, and Archie of Port Huron, and 10 grandchildren.

The body was in state at Casterline Funeral Home, and the funeral service was held December 19 at St. Paul's Lutheran church, with the Rev. Charles F. Boerger, pastor, officiating.

Burial was in Glen Eden Memorial Park Cemetery.

IDA H. BUTLER

Ida H. Butler, 65, formerly of 46040 Neeson street, died December 16 at the Cambridge Nursing Home in Detroit. She had been ill since May.

Born August 8, 1902 in Detroit, she was the daughter of August and Augusta (Koch) Reitzke. Her husband, Obie, preceded her in death in 1964.

A resident of Northville for 36 years, Mrs. Butler formerly worked at Maybury Sanatorium and she retired from Northville State Hospital one year ago.

She was a member of St. Paul's Lutheran Church, the Lutheran Ladies Guild, and the Northville Senior Citizens club.

Survivors include two sons, Houston of Northville and Bruce of Plymouth; a daughter, Elaine Phalen of Cadillac; four sisters, Emma Krause of Livonia, Louise Chappell of Detroit, Helen Chambers of Warren, and Ethel Simmons of Southgate, California; and three brothers: Paul of Northville, Henry of Los Angeles, and Archie of Port Huron, and 10 grandchildren.

The body was in state at Casterline Funeral Home, and the funeral service was held December 19 at St. Paul's Lutheran church, with the Rev. Charles F. Boerger, pastor, officiating.

Burial was in Glen Eden Memorial Park Cemetery.

JESSIE L. THOMASSON

Jessie L. Thomasson, 59 of 9660 West Six Mile road, Salem died December 14 at Beyer Memorial Hospital in Ypsilanti. She had been ill for the past year.

Born May 27, 1908 in Summit Hill, Pennsylvania, she was the daughter of John H. and Jessie (Smith) Griswold. Her husband, John, preceded her in death in 1962.

Formerly a Northville resident for 16 years, Mrs. Thomasson had lived in Salem for 11 years.

Survivors include a daughter, Mrs. Beryl (Claire) Hines of Salem, two brothers, Ward Griswold of Plymouth and Frank Griswold of South Lyon, and two grandchildren.

Funeral services were conducted December 18 from Casterline Funeral

Home, with the Rev. Gary L. Herne, pastor of the Christian Congregational Church of Salem, officiating.

Burial was in Oakland Hills Memorial Cemetery, Novi.

News Briefs

Blizzard Rocks West

Rocked by a pre-winter blizzard, the Southwest was the scene of rescue operations early this week as authorities sought to locate stranded residents and motorists. Meanwhile, gale warnings were posted along the West Coast and in the upper Great Lakes region.

State Senator Sander M. Levin was unanimously elected Democratic state chairman Monday, replacing Zolton A. Ferency who resigned after indicating his disfavor with President Johnson's Vietnam policy. Levin, a 36-year-old Berkeley attorney, supports the administration's position.

President Johnson made plans early this week to fly to Australia following the death of that country's Prime Minister

Harold E. Holt, who apparently drowned while swimming in the Australian surf.

Governor George Romney arrived in Moscow Monday where he was to meet with Premier Alexei Kosygin and discuss the Soviet viewpoint on Vietnam and other international issues. Romney entered Russia carrying only American money and was forced to "borrow" money while an exchange of currency was settled.

Two small boys were killed Sunday as their father fought to save them from an attacking pack of German Shepherd dogs at Madison Heights, Virginia. Authorities said Eugene H. Goodman, sobbing, told them that when he reached the snarling pack near his home he beat at the frenzied animals with a rake, his shoes and anything else he could find to turn them away from his bloodied sons. The boys were 3 and 4 years old.

Three jets were downed early this week as American planes continued their raids on North Vietnam's heartland. The loss brought the U.S. warplane loss to 765 in North Vietnam.

The State Agriculture Department predicted Michigan Christmas tree growers will market about four million trees this year, with sales as far away as Colorado and Arizona. Biggest share of the crop—about 90 percent—is made up of Scotch pines, with firs and spruces comprising the remaining.

Divers and crane men continued to scour the depths of the Ohio River this week in search for more victims of the collapse of the "silver bridge" connecting Ohio and West Virginia cities. The collapse was called the worst disaster in West Virginia's history. Sixteen bodies had been recovered by early Monday and authorities said the death toll could exceed 80. The 100-foot suspension bridge, loaded with Christmas shopping traffic, collapsed at dusk on Friday.

Republican State Senator Harold Vokema of Holland died Sunday of a heart attack. Death of the 37-year-old

Senator leaves Republicans with a silver thin majority in the Upper Chamber.

The Supreme Court clamped strict curbs on police eavesdropping by tossing out the gambling conviction of a Los Angeles man because government agents listened through a microphone to his conversations in a public telephone booth. The High Court decision was by a 7-1 majority.

For 4th W-O Win

Mustang Five Edges Trojans

It was a battle all the way, but Northville's varsity basketball team came up with its fourth W-O league victory of the season here Tuesday night in defeating fired-up Clarenceville, 58-52.

The victory was the second this season over the Trojans, who upset Clarkston last Friday in a 65-64 thriller that wasn't decided until the final seconds.

In its second game of the season, the Mustangs swept past the Trojans, 49-41, in a slow contest purposely kept to a snail's pace by Clarenceville in an attempt to upset Northville's shooting attack.

Other Friday games in the Wayne-Oakland league circuit included West Bloomfield's easy 62-47 win over Milford, and Bloomfield Hills' 66-53 victory over Holly.

Whew! Trophy Hangs by Pin In Final Round

There's a new trophy in the case at Northville high school today, placed there after a hard-won, first-place finish in a quadrangular wrestling meet held at Dexter last Saturday.

Northville's two-point margin over host team Dexter came during the last few seconds of the last match, when heavyweight Dan Conklin pinned a tough and aggressive Saline heavyweight to end what had been a fast and furious crowd-pleasing battle.

Northville finished with 95 points to Dexter's 93. Saline placed third with 53, followed by Clinton with 52.

The four team meet was strictly a Northville-Dexter affair after the first round. Northville had nine men going into the final round, Dexter had eight and a one point lead in team scoring. Northville fell further behind as Dexter came on strong in the lighter weights.

John Tam, who had a first-round bye, got things underway for Northville, pinning his 127 pound opponent from Saline.

After a decision win over a Saline man at 133, Northville's smooth-working Marty Richardson went to the mat with Dexter's Sam Bouillon in the match that many of the spectators had looked forward to since the event was scheduled. Both men rank near the top in the state's Class B high schools. They treated the crowd with six minutes of fine wrestling that is unusual to see this early in the season. Richardson, still wrestling above his best weight, dropped an 8-0 decision.

Curt Olewnik, at 138 pounds, got an important win for the Mustangs with a decision win over his Dexter opponent. It was a close, hot battle all the way.

After Rick Suckow, at 154 pounds lost a one-point decision in the few seconds of his final round match with a Dexter man, Greg Wikarya 180, put Northville within reach of a trophy by pinning his Dexter opponent That put the pressure on Conklin, who was wrestling for the first time since losing a bout with the flu bug last week.

Conklin used his weight and experience and his head-while under continuous attack from the hustling Saline man, who faltered slightly in the third round, got caught in a Conklin crac and was upended for the pin just as the meet expired.

"Conditioning did it," Coach Jack Townsley said, pointing out that excellent conditioning was a key factor in the final round matches at 180 a, heavyweight that let Northville take the meet.

Townsley judged the meet a success not only because of the win and the hardware for the trophy case but also for the early-season opportunity provided his squad to gain competitive experience while working their way down to their best wrestling weight.

The win at Dexter brought a happy conclusion to a busy week. Northville flu-weakened team lost a dual meet to Grosse Ile last Thursday, 24-2 Behind 11 points after losing the first three weight classes, Northville got wins from Bill Krist (120), John Ta (127), Marty Richardson (133), Curt Olewnik, (138), Don Sasse (145), and Rick Suckow (154), to take a nine-point lead before losing the last three matches to give Grosse Ile a four-point margin.

The next mat action was scheduled for Wednesday night against visiting Farmington in a dual meet.

Sing out in happiness with the carolers and spread the Yuletide spirit!

Another Diplomat Downed by A Powerful Teacher Attack

In Rib Cage Tickler

Diplomats Edge Puffin' Teachers

Northville teachers may not be the world's greatest athletes, but they gave it that ol' college try here Saturday

night in battling the Harlem diplomats in a rib-tickling basketball game.

The score? "Well, that's not really important," insist the huffin' and puffin' teachers. "What's important is that the game was a big success for the Northville Boosters' club."

Boosters sponsored the game featuring the professional giants, who represent Canada's version of the Globe Trotters, as a means of raising money for a planned all-sports high school banquet in the spring.

Using a two platoon system - five guys recuperating on the bench while five others let off steam on the floor - the teachers swept back and forth across the court "just toying" with the pros and tossing in an occasional basket.

Their only difficulty, however, was that the Diplomats tossed in more baskets in using an offensive and defensive attack that ranged from baseball tactics to dribbling the ball off the teachers' heads.

It didn't matter much to the fans who won anyway. Their chief concern was that it was almost impossible to turn off the laughter. At any rate they gave both sides a rousing ovation, easily assuring a rematch next year.

Possum Invasion Puzzle Biologists

The Virginia Opossum, that venerable marsupial (carrying its young in a pouch) of the North American continent, now has firmly established generations of relatives in Michigan - and in particularly the Northville-South Lyon area.

Something is attracting him to stay, though Professor William Prychodko of the Wayne State University biology department says biologists can't figure why he started to expand his range some time ago.

Brer Possum fares best south of the Great Lakes region in the range from eastern Nebraska to New York.

Dr. Prychodko says the expansion of the opossum's geographic range is similar to the advance north from Texas of the armadillo to Oklahoma and other states.

New generations of opossums are chewing their way from the Southern states through Farmer Brown's garden, and through practically anything else, animal and vegetable, including corn, until they have spread throughout the southern half of the Lower Peninsula of Michigan. Somehow, around 1950, they

even managed to establish residence in Ontario, Canada.

Southerners find the opossum a fin ingredient for the succulent southern dish of possum and sweet potatoes

Gift Wrap 69-53 Trojan Win

Wildcats Drop First Home Game

Like those Christmas packages beneath your tree, Novi gift wrapped a Whitmore Lake victory Friday night and tied it with a big bow of "ifs".

The Wildcats lost the first home contest, 69-53, but the game was closer than the score might indicate.

If Novi had been able to hit the net in the first half of the game as well as it did in the second, the Wildcats might be looking ahead to their next contest on January 5 against Grass Lake with a 1-2 record.

As it is they'll be hosting the Warriors in an all-out attempt to come up with their first triumph in Lakeland "C" competition.

Despite Friday's defeat, however, there were plenty of reasons for Coach Jim Ladd and Novi fans to find promise in the young squad's showing.

Whitmore Lake came into the game still bubbling with its amazing upset victory over the Lakeland "C" powerhouse, Clinton. The Trojans floored

a squad with considerably more height and experience than Novi's all-junior squad. And finally, Whitmore Lake grabbed a good share of its points by taking advantage of Novi errors and not by virtue of superior floor play.

That is not to say the Trojans couldn't shoot. Far from it. They poured in buckets from all areas of the floor, including several superlative twisting shots from beneath the basket that any player would be proud to call his specialty.

Whitmore Lake outscored the Wildcats in every quarter. But for a period early in the final quarter it looked like the local quintet might cop an upset. Working a full court press to near perfection, the Wildcats chopped Whitmore's comfortable lead to a crowd pleasing half-dozen points before falling apart.

With the game out of reach in the waning minutes, Coach Ladd brought in his substitutes to finish the game.

In that second half, the Wildcats scored 33 points—13 more than they were able to muster in the first half, while Whitmore scored 32 in the first half and 37 in the second.

Guard Mark Gilbert led Novi's shooting attack with 20 points followed by Forward Lee Snow with 15.

At the free throw line, Novi had the edge, sinking 13 of 21 shots. Whitmore Lake converted 13 of its 22 shots.

Fans are still buzzing over the Wildcats' one-point loss to Ypsilanti Roosevelt last week Tuesday.

Novi had the game all but wrapped up in the closing minutes of play only to turn cold under the basket as Ypsi took advantage of the poor shooting to squeeze out the victory.

Tied 13-13 going into the second quarter, Northville fell behind by a point at the mid-way point, 25-24, and pushed its way into the lead, 37-34 going into the final quarter. The final score was 44-43.

Three Novi players hit double figures in the game. Gilbert came up with 13 points, Jon VanWagner netted 12, and Gary Boyer hit for 10.

Trojan Fires a Two-Pointer

School Board Eyes Grid Lights At Novi High

A decision was expected to be made yesterday by the Novi board of education relative to possible purchase of lights for the high school football field.

Athletic Director John Osborn appeared before the board at its regular meeting last week explaining the necessity for lights in scheduling football games next season.

Osborn noted that because the Lakeland "C" league in which Novi is participating will be dissolved at the close of the current school year he is in the process of scheduling games with non-league schools.

In doing so, he said it would be far easier to schedule four remaining, unfilled home games if Novi's football field were lighted. Another scheduling problem, he said, was contracting for officials. It would be unfair, he explained, to contract for officials to work day games next year and then reschedule them as night games later or vice-versa.

For this reason, he explained, he needed board direction.

In urging lights, he said night games would attract more parents to games who might not otherwise be able to attend because of their employment and because more fans and students from competing schools would be able to attend.

Board members concurred with Superintendent Thomas Dale that field lights are important but they were reluctant to give them the "green light" without first obtaining cost estimates and reviewing funds remaining in the high school addition bonding issue.

Dale, who outlined 14 different items that need to be purchased, explained that he was confident that the estimated \$80,000 remaining in the fund would be adequate to meet all the needs. However, if funds are inadequate, he was expected to list these needs by priority at yesterday's meeting.

Among the equipment listed as being needed were:

Additional gymnasium bleachers, field lights, scoreboard, additional parking, concession stand, additional fencing, audio visual equipment, classroom drapes, physics equipment, history and government equipment, shades, class cabinets, about two rooms of furniture and lockers.

Concerning athletic needs, representatives of the Willowbrook Community association suggested that perhaps it and other Novi organizations could raise money for purchase of a scoreboard, which Trustee William MacDermaid insisted is a necessity whether games are played during the day or at night.

In Uniform

Great Lakes, Illinois—Seaman Recruit David A. Wilder, USN, 18, son of Mr. and Mrs. Edgar D. Wilder of 615 Grace street has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

NOVI ACTION—Height, experience and mistakes teamed up with Whitmore Lake Friday night to hand Novi a defeat in its first home game of the season. Nevertheless, the Wildcats, who won't see action again until they clash with Grass Lake here January 5, battled to the wire and picked up steam along the way. Novi's Gary Boyer (20) flies higher than the Trojan cager in the jump ball situation (top picture), while below players from both sides battle for a rebound.

CHRISTMASTIME GREETINGS

Our warmest thanks to you, with the wish that this merry season will bring with it a sleigh-full of joys and bright Christmas Cheer.

Orchard Hills Baptist Church has its regular 10 a.m. Sunday school and 11 a.m. worship service planned for Christmas Eve Sunday. Then, at 6 p.m. an evening training union will be held at 7 p.m. a special Christmas program featuring drama and singing will be presented.

A Watch Night service is planned for New Year's Eve.

In Novi, the Holy Cross Episcopal Mission has a carol service planned for 6:30 p.m. Christmas Eve. Eucharist and a sermon will be given at 7 p.m.

Last Sunday, a children's Christmas program and carol service were presented.

Willowbrook Community Church will hold an 11 a.m. Christmas Eve worship service Sunday. At 8 p.m. the Youth Fellowship and the Juniors will be Christmas carolling. They will return to the church at 10 for refreshments.

At 11 p.m. a candlelight service will be held. The junior high and senior high fellowships will be in charge of most of the program.

The Novi Methodist Church will have a holiday service Sunday at 9:30 a.m. and an 8:30 p.m. candlelight service with Holy Communion.

Young people of the church went carolling Tuesday night, taking boxes and gifts to shut-ins in the community.

The church has also decorated a Christmas tree with mittens and socks for needy children.

St. John's American Lutheran Church will begin its holiday programs with the annual Sunday school Christmas program Friday at 7:30. On Sunday, *****

In Uniform

Ft. Benning, Georgia — Army Private William R. Alex, 17, son of John A. Alex, 2248 Haggerty road, received a Parachutist Badge Dec. 1 upon completion of the Infantry School's three-week airborne course at Ft. Benning, Georgia.

His training, which included five jumps from a C-130 airplane.

regular services will be held at 8:30 and 11 a.m. and a family candlelight Christmas Eve service will be held at 7:30 p.m.

On Christmas Day, a worship service with Holy Communion is planned for 11 a.m.

The First Baptist Church of Novi will have regular services Sunday morning, 9:45 Sunday school and 11 a.m. worship service. Reverend Clark's message will be "God Loves You".

The children's choir will sing "There Is A Song in the Air" and "No Room for the Saviour", and the adult choir will sing, "Night of Miracles."

At 7 p.m. the young people of the church will present a Christmas play entitled "Tax Day in Bethlehem." The Reverend Gib Clark will present the message, "We Have Come to Worship Him."

Christmas Eve services will be held Sunday at the First Baptist Church of Wixom. The choir will sing at the 11 a.m. service. The Reverend Robert Warren will deliver the message, "Why Was He Born?"

That evening a baptismal service will be held at 7 p.m. Twelve people

will be baptized. A Christmas film, entitled "Inhale the Incense", will be shown.

On New Year's Eve a service will be held from 9 to Midnight. Special music will be provided by the Ladies Sextet.

A testimony service will also be held and refreshments served in the auditorium upstairs. Two color films, "Youth in the Church" and "Flight Plans" will be shown.

The service will conclude at midnight by observing the Lord's Supper.

The Salem Baptist Church will have 11 a.m. and 7:30 p.m. services Sunday.

Salem Bible Church will have services Sunday at 10 a.m. and 7:30 p.m. with special Christmas music performed by groups in the church.

On New Year's Eve a film will be shown at 7:30 p.m. A special program and refreshments are planned until 11:30. A Watch Night service will be held at 11.

St. William's Catholic Church in Walled Lake will celebrate a midnight mass Christmas Eve and 7:30, 9, 11 and 12:30 masses Christmas morning.

CARDS ANYONE? "We'll have a couple baskets of them before Christmas is over," said Northville Postmaster John Steimel this week, referring to incoming and outgoing Christmas cards that

either are improperly addressed or do not carry sufficient postage. To alert patrons to the problem, postal employees have pinned "dead" cards on the wall in the lobby of the post office.

from the Pastor's Study

Rev. R. A. Mitchinson
New Hudson Methodist Church

Every year Christmas appears to cause a rebirth of faith which spreads an atmosphere of hope and joy into every area of life. We feel it in our homes, on the street, in places of business. Everywhere the Christmas spirit takes over and there are few places unaffected.

Certainly, it is the responsibility of the faithful to keep sounding the message of the angels, "Glory to God in the highest and on earth peace, good will among men." They proclaimed the birth of Jesus Christ born in a manger in Bethlehem. This was the greatest event that has ever taken place in human history. It was the point at which God entered into the struggles of mankind. Surprisingly enough, God agonizes with you and me in our many struggles and temptations as he does with men everywhere. Some people will say:

"How can this be: Look at the conditions in our world—why, even in our own country we see brutal killing caused by riots in the streets. Furthermore, what about the war in Vietnam? And look at the heartache brought on children, wives and husbands because of lack of moral responsibility. Where does God enter into this? Where is the peace on earth, the good will among men?"

Near the end of the Civil War in 1863, Henry Wadsworth Longfellow heard the church bells ring on Christmas Day. They seemed to him to be saying, "Peace on earth, good will to men." "How can that be?" he thought, in light of the war. He came to the conclusion that the message of the bells would prevail and his thoughts are to be found in this poem: "I heard the bells on Christmas Day, Their old familiar carols play, And wild and sweet the words repeat

Of peace on earth, good will to men. I thought how, as the day had come, The belfries of all Christendom Had rolled along the unbroken song Of peace on earth, good will to men. And in despair I bowed my head; 'There is no peace on earth,' I said, 'For hate is strong, and mocks the song Of peace on earth, good will to men.' Then pealed the bells more loud and deep;

'God is not dead, nor doth He sleep; The wrong shall fall, the right prevail, With peace on earth, good will to men!' 'Til, ringing, singing on its way The world revolved from night to day, A voice, a chime, a chant sublime, Of peace on earth, good will to men!"

So the message is still the same. As men recognize and acknowledge the glory and goodness of God and respond in faith, peace and good will shall reign. It is ever our responsibility to proclaim the message of Good News. Even with the turmoil and unrest in our world, we must conclude that "In Him was life, and the life was the light of men. The light shines in the darkness, and the darkness has not overcome it." (John 1:4-5) At Christmas we see what life can really be when one allows the Spirit of God in Christ to reign. Kindness and compassion beam more brightly, love seems to be found loving even the unlovable. May God grant us the courage to dare to live in the Spirit of Christmas always.

Happy Birthday, JESUS!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The lights of Christmas shine in children's eyes
As they uncover each well-kept surprise,
And we remember, as we share their joy,
That Jesus too was once a little boy.

He must have laughed and shouted at His play
Just as the youngest ones will do today.
And surely Mary watched with pride and love . . .
Thinking of shepherds, and a star above.

This day is blessed by children's happy voices.
The bells ring out; the Christian world rejoices.
With all the gladness grateful hearts can bring,
We celebrate the birthday of a King

IS YOUR HOME REALLY COMFORTABLE?

We put the control in its place . . .

And its place is in the living area. That's where average living conditions exist. This means more accurate, uniform control. This means more customer convenience (the humidistat is readily accessible for the frequent changing required by varying outdoor conditions).

N-Club Tests The Patience Of Initiates

"What can I say but -- great!" stated Don Beller, vice-president of the Northville high school Varsity N-Club, regarding the outcome of the recent initiation of new members into the N-club.

Members voted on new prospects who had lettered in one of the eight sports offered at NHS; then letters were sent to desired prospects inviting them to a Wednesday night pizza party.

The initiates didn't get any pizza. As soon as the pizza was consumed by club members, they began bidding for each initiate -- who became a slave to the highest bidder under the \$3 limit.

The following day the initiates were compelled to wear burlap under weird clothes during the entire day. They also

entertained the student body with their antics before school, between classes, and during the lunch hour.

Friday, the initiates dressed in the opposite extreme by wearing burlap under suits and ties.

At the Milford game, they ushered women to their seats. Don Sasse was the seventh varsity cheerleader. The first half he wasn't too good, (he was disciplined by eating chalk at half-time), but he shaped up during the second half.

Saturday morning, the initiates washed city vehicles at the fire station as a community service.

"I think it went very good... it was one of the better ones," commented Mr. Richard Willing, N-club advisor, as to the way the initiation was handled.

New members and former initiates are Scott Butler, Barry Campbell, Pat Caylay, George D'haene, Joe Donner, Richard Fisher, Chuck Frogner, Mark Gazlay, Bruce Gryslowitz, Bob Hicks, Phil Kennedy, Chris Kline, Richard Lamp, Craig MacDermald, John Main, Kim Marburger, Greg Marshall, Terry Mills, Stan Nirider, Dale North, Chuck Olewnik, Curt Olewnik, John Pauli, Dave Poppe, Don Sasse, Phil Serwatowski, Chuck Skene, Jeff Taylor, and Russ Weston.

A \$100 scholarship will be granted to a senior boy by the N-club to help finance his college education. Members must apply for this scholarship by submitting a letter to the counseling department.

"We have to have a little bit of scholarship in the club," stated Mr. Willing, "besides, it will help keep someone in the club who wouldn't be interested otherwise."

John A. Spencer Gets MSU Degree

A Northville resident was among Western Michigan university students who received degrees at the Saturday, December 16 commencement.

He is John Robert Spencer, 45835 Fermanagh, who received a bachelor of business administration degree.

Friday marked the first time in the Mustanger's, (the Northville high school newspaper), four-year history that school news coverage and sales were extended beyond the confines of the high school.

Four pages of the Mustanger's eight page Christmas issue were devoted to Amerman elementary school, Ida B. Cooke junior high school, Main Street elementary school, and Moraine elementary school.

Bob Collacott, a first year journalism student, entertained the idea to advisor Ralph Redmond and the Mustanger staff which heartily approved.

Eight first year students covered the four schools in groups of two. Cindy Baldwin and Kris Wistert covered Amerman, Hope Hahn and Julia Williams covered Cooke junior high, Linda Williams and Marge Wojciechowski covered Main Street and Karen Baber and Claudia Nieber covered Moraine.

Dan Stoddard, another first year student, made sketches of each of the four schools which were incorporated in each respective nameplate.

Amerman school coverage included the art class being a creative source for its students; the first sale of the "handy dandy bookstore"; Amerman's December 21 Christmas program titled "Sketches of Christmas Through Song"; and a human interest article on newly elected Service Girl Captain Sandy Crishon.

Cooke junior high coverage included capsule comments from students on the question "what if Santa Claus were

real?; plans of the cheerleaders to improve themselves and their cheers; progress of the student council; and the various Christmas activities of the home economics classes.

Main Street school coverage included the music programs to be put on by the Main Street choir; answers to various Christmas questions; various "Christmas Seasoning" projects being conducted in different classes; and letters to Santa from Gary Creekmore, Shelly Millard and Steven Sweany.

Moraine school coverage included the physical education program and its Tarzan and Super-Tarzan club members Susie Evans and Eddie Loukas; capsule comments on Santa Claus from various Moraine students; art awards each week to various art students; and the "Christmas in Other Lands" music program.

Opinions from each of the four school principals regarding the Mustanger devoting four of its eight Christmas issue pages to the secondary schools are as follows:

Mr. Robert Stafford, Amerman principal -- "It's a fine and excellent idea. I thought it was worthwhile, as did teachers and parents who saw it."

Mrs. Leona Harrison, Amerman secretary -- "I think it's a nice-looking paper."

Mr. Donald Van Ingen, Cooke junior high principal -- "The students in Cooke junior high were anxious to obtain a copy of the Mustanger. Most students like to see their name in print and our students are no exception. Perhaps this

idea could be extended to having news from the various schools a couple of times during the course of a school year. Our students like it, but many were unhappy because the supply of papers was so limited."

Mr. Harry B. Smith, Main Street principal -- "They did a real fine job on it. It was an excellent idea because the more things we can do to make us conscientious of the fact that we're one school system is a highly desirable thing since we tend to splinter into separate schools. This is a step in the right direction. As for Main Street's page, the composition was good, part of which was the use of that nameplate which impressed me right away."

Mr. Milton R. Jacobi, Moraine principal -- "It was a real good idea. For our page, the choice of pictures were very good, the articles were well done, and the captions were well chosen. The two girls, (Karen Baber and Claudia Nieber), did a nice job. They were well organized, asked good questions, handled themselves real well, and were prompt in coming out. I was real pleased the way folks, (the Mustanger staff), carried through on this project."

A similar school system coverage is planned for next year's Christmas issue of the Mustanger ... again hoping to both bring to light secondary school activities and informing parents as to the quality of the Mustanger publications.

Debaters Man Candy Stand

The Northville high school debaters recently opened the concession stand for after school candy, gum, and potato chip sales to help finance debate emblems and debate tournament expenses.

"Every year Miss 'Pan' devotes much time, money, and effort to the debate and forensic cause unflinchingly. This year we're trying to do our share," commented debater Bill Christensen.

Phil Kennedy, the assistant advertising manager, stated that, "We have made much progress since we have started -- Mrs. Zayti pointed out that we wouldn't last for more than a few days; however, we are now making profits."

Debater Virginia Round echoed Kennedy's sentiments by pointing out that they "have made \$31 in the first three days."

Patrons of the concession stand seem to think it's a wise idea to sell goodies after school, as evidenced in the following four comments:

Glenn Heffner -- "It's a great idea. I think it should be open during lunch hour too."

Linda Liacos -- "I like it because you get hungry after school."

Jenny Lindley -- "It's really a good idea because it keeps our students full of energy ... besides, we don't want run down students."

Cindy Ware -- "I want pop after school because I'm thirsty ... besides, pop tastes better than water."

Scott Bergo, business manager, and Bruce Mach, assistant business manager, pointed out that if the student body is responsible enough to keep the school free of litter, pop may be sold in the future.

One of the many hats of Consumers Power

Careful
Planning

Consumers Power "Careful Planning" makes natural gas service a continuing bargain in your family budget. It helps to cook, clean, wash, dry; it cools and heats today's modern home -- all with astonishing economy. Although the total cost of living nearly doubled in the past 20 years, Consumers Power customers are paying only pennies more per unit today than they did in 1946.

"Careful Planning!" One of the many hats of Consumers Power Company.

Official Minutes of the Northville City Council

The regular meeting of the Northville City Council was called to order by Mayor Allen at 8:15 p.m. on Monday, December 4, 1967 at the Northville City Hall.

Present: Allen, Black, Carlson, Lapham and Nichols. Absent: None. Minutes of the previous regular meeting of November 20, 1967 and the Special meeting of November 27, 1967 were approved as submitted. Moved by Carlson, support by Lapham, to pay bills in the following amounts: General - \$10,382.29 Water - \$2,277.60 Other Government - \$12,510.78 Unanimously carried.

Communications: (1) Thank you note from Mrs. Alice Eaton, wife of Levi Eaton.

(2) Letter of resignation from James Dingwall, effective Jan. 1, 1968, from Planning Commission. Thank you letter and acceptance of resignation to be sent to Mr. Dingwall.

(3) Letter from Michigan Bell Telephone in reply to Council's letter of November 24 relative to proposed conduit construction on Center street. Moved by Nichols, support by Lapham, to give preliminary approval to Michigan Bell Telephone Company's conduit construction on Center St. from

Dunlap street, Hines Drive subject to examination of final drawings and approval of same by Northville City Council. Unanimously carried.

(4) Michigan Municipal League's announcement of January 25th meeting at Highland Park - detailed program to be received later.

(5) Letter from Marvin Esch, Congressional Representative from 2nd District, enclosing copy of his letter to Edward Crofts, Director of U.S. Dept. of Interior, Bureau of Outdoor Recreation wherein he supports the application for purchase of the Fish Hatchery property by the City of Northville.

(6) City Mgr. reviewed the 7 page report from the Southeastern Michigan Council of Governments.

Minutes of Boards and Commissions:

Minutes of November 21 Planning Commission were placed on file. Councilman Lapham requested information as to procedure which should be observed for suspension of a Board or Commission member.

Police Dept. Report for October, 1967:

Councilman Black urged better policing of parking lots. Councilman Lapham asked how and when car tires are marked in parking lots. Mayor Allen

mentioned number of dogs running loose. Council expressed feeling that Police report showed good performance on part of that department. Report placed on file.

Approval of snow removal agreement between City of Northville and Northville Public School system:

Moved by Carlson, support by Nichols, to approve the Snow Removal Agreement between city of Northville and Northville Public School system. Unanimously carried.

Consideration of Amendment to Housing Code:

Moved by Black, support by Lapham, to set the date for Public Hearing on Monday, December 18, 1967, 8:00 p.m. at the Northville city hall for amendment to Housing Code:

Section 702: delete (except as otherwise permitted under Section 703 of this article). Section 703: delete. Unanimously carried.

Extend Final Date for Payment of 1967 Oakland County Taxes from January 19, 1968 through February 14, 1968:

Moved by Black, support by Nichols, to extend final date of payment for 1967 Oakland County taxes from January 19, 1968 through February 14, 1968. Unanimously carried.

Approval of Northville-Now Drain-

age agreement:

Mayor Allen reported on the meeting between Nov and City of Northville regarding the drainage agreement. City Attorney explained that this will allow both attorneys to draft an agreement to be executed by Mayor and City Clerk for the City of Northville in relation to drainage problems in Northville Heights Sub. 1 and 2 and Yerkes Sub. 5 and 6.

Moved by Black, support by Carlson to adopt Resolution #87-13 approving Northville-Now Drainage Agreement. Unanimously carried.

Approval of Novi Water Line:

City manager explained the contract with Novi - there is one question still to be resolved.

Moved by Lapham, support by Black, to approve water line and construction under conditions outlined by City Manager and approved by City Attorney. Unanimously carried.

Consideration of Novi Well Site:

Disposal:

Consideration of Novi Well Site was held over until December 18th Council meeting.

Discussion of a probation department for Northville Municipal Court; Judge Ogilvie outlined the possibilities of a Probation Department to work with the Northville Municipal Court,

based on a part-time Probation officer - Basic cost to \$1,000 to \$2,000. He asked council if they would consider the matter on their December 18th agenda.

Communication from Citizens:

Mr. George Craft and Mr. Loudy of Jeffrey Drive were present to discuss the matter of hidden springs and water seepage on their property. He reports as a result of this condition there is a build-up of ice on Antuna's property on Jeffrey drive and 6 other places. Mr. Loudy's concern is sidewalks and intermediate school children's welfare where they use this route.

Mr. Craft stated he was aware in March, 1967, that there was water on his property but was told by the builder it was a normal condition.

Mr. Loudy and Mr. Craft requested a table put between their houses to enable this water to flow into the sewer.

Mayor asked that pictures be taken of this property from time to time. A letter is to be sent to Michigan State Dept. of Licensing and Regulations asking what the holdup is and what can be done.

Fencing Ordinance:

Moved by Black, support by Nichols, to approve publication of the Fencing Ordinance and set Monday, December 18, 1967, 8:00 p.m. at the Northville city hall for Public Hearing. Unanimously carried.

Consider Resolution for Bonding

Northville city Treasurer for collection of 1967 Oakland County taxes:

Moved by Black, support by Nich-

ols, to adopt resolution bonding Northville city treasurer for collection of 1967 Oakland County Taxes. Unanimously carried.

Councilman Nichols inquired about progress of Ambulance study.

City Manager reported that the Drivers' License Bureau will be closed the last two weeks of December due to the examiner being on vacation. Council asked that this notice be posted at the Police Dept. on December 5 and such notice be printed in the paper.

There being no further business, the meeting was adjourned at 11:25 p.m.

Minutes of the Northville Board of Education

Minutes of the regular meeting November 13, 1967. The meeting was called to order by President Eugene Cook at 7:30 p.m. in the Board of Education Offices at 405 West Main street, Northville, Michigan.

Members present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President; Mr. Glenn E. Deibert, Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. Andrew Orphan, Trustee.

Members absent: Mr. James Kipper, Trustee.

Others present: Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager. Other Administrators present: Mr. Milton Jacoby, Mr. Donald Van Ingen. Visitors present: 6 (See register).

President Cook declared that a quorum was present and directed the board to proceed with the regular order of business.

Motion No. 124 by Mr. Deibert, supported by Mr. Orphan, that the agenda be adopted as amended. Motion carried.

Motion No. 125 by Mr. Orphan, supported by Mr. Johnston, that the Minutes of October 2, October 9, and October 23, 1967, be approved as published. Motion carried.

Secretary Deibert summarized a letter from Miss B. Ione Palmer, Junior High School Librarian, indicating her intention to resign from the Northville Public schools after 35 years of service to the district. Miss Palmer attributed her decision to resign to physical reasons.

The board was provided a copy of a letter addressed to Mr. Milton Jacoby, Moraine School Principal, in which William Shuck, Wayne County Intermediate School District Superintendent, expressed appreciation for Mr. Jacoby's acceptance of an invitation to serve on an Advisory Group dedicated to improving school practices in Wayne County.

Secretary Deibert noted a letter from the Michigan Association of School Boards, accompanying Certificate and M.A.S.B. Membership Cards for Superintendent Spear and individual members of the Northville School board, which were delivered to Board members at this meeting.

Secretary Deibert read a letter from Soine A. Torma, director, Northwestern Child Guidance Clinic, expressing acknowledgment and appreciation for receipt of the sum of \$533.00 contributed by the Northville School District to the Northwestern Child Guidance Clinic's program of services to children, parents and school personnel.

Secretary Deibert paraphrased a letter from the Wayne County Clerk's office indicating the necessity to appoint two members, one a Democrat and one a Republican, for a 4-year term to Northville's Board of Canvassers due to the expiration of terms on December 31, 1967, of two members now serving on the Canvassing Board. Samples of an application and affidavit to be completed by applicants were enclosed. The deadline for appointing members from applications on file is December 1, 1967.

Secretary Deibert noted a letter from the Michigan Department of Treasury, Municipal Finance Commission, regarding the Commission's approval of \$300,000.00 Tax Anticipation Notes-Operating Current Fiscal Year, with directions for the notice of sale and receiving and accepting of bids.

Motion No. 126 by Mr. Deibert, supported by Mr. Johnston, that the resignation of Miss B. Ione Palmer be accepted effective November 17, 1967, and that an appropriate resolution be adopted in recognition of her 35 years of service to the Northville Public Schools School District. Motion carried. (Resolution - Appendix I to these Minutes).

A Substitute Teacher Policy developed by Superintendent Spear and submitted to the Board for consideration was discussed briefly prior to action by

the board. Superintendent Spear clarified sections of the policy relative to State certification, rates of pay and fringe benefits. In answer to questions raised by Members Johnston and Deibert.

Motion No. 127 by Mr. Johnston, supported by Mr. Orphan, that Board Policy 4122 dealing with Substitute Teachers be adopted as presented. Motion carried. (Appendix II to these minutes).

President Cook opened a discussion revolving around a request from Schoolcraft College for support from the five member school boards in a study to determine the feasibility of establishing an Area Vocational Center on the Schoolcraft College campus.

Superintendent Spear pointed out that Board minutes of June 26, 1967, show the district is already committed to participation in a Wayne County study of the need for vocational-technical education in Wayne County. Mr. Spear indicated, however, that pursuant to a review of this board action with Mr. William Shuck, Wayne County Superintendent, as well as a review of Schoolcraft's proposal with other superintendents of the Schoolcraft districts, he would recommend that Northville withdraw its June 26, 1967, commitment to the Wayne County Intermediate school district and go on record as supporting Schoolcraft's desire to proceed with a study to determine the feasibility of establishing an Area Vocational Center at Schoolcraft Community college.

Present at this meeting to answer questions relative to the proposed study were Mr. Joseph Borgen of Schoolcraft college, and Mr. William Secord, Schoolcraft Board Trustee from Northville. When questioned as to whether Schoolcraft college would proceed with the study as indicated in the event Northville acted to support it, regardless of decisions by other member districts to support or not support such a study, Mr. Borgen and Mr. Secord reiterated, in effect, that the "establishment and development of an Area Vocational Center cannot be a unilateral action on the part of the college. It is essential that this study be a joint effort of the five local districts and Schoolcraft college."

Further discussion revealed mixed feelings on the part of Northville School Board members as to the advisability of officially withdrawing from the Wayne County study of vocational-technical education in Wayne County despite County Superintendent Shuck's consent to such action. Mr. Spear indicated that, assuming favorable action by the board to support the Schoolcraft study, he would like direction to carry to the first meeting of the study's Executive Committee scheduled for November 29, 1967. Mr. Spear pointed out that membership of a Citizens Advisory Committee to the study would consist of 7 members from and representing each of the five districts as follows: Board member, principal, businessman, industrialist, professional (not educational), Labor Official, Vocational Director. President Cook directed that between now and November 22, 1967, suggested names of Northville citizens for membership on the Schoolcraft Citizens' Advisory Committee be submitted to the Superintendent.

Motion No. 128 by Mr. Froelich, supported by Mr. Deibert, that the Northville Public Schools School District honor its commitment to the Wayne County Vocational-Technical Education study as identified in the board minutes of June 26, 1967, as well as participate in the desired Survey and Study of the Feasibility of Establishing an Area Vocational Center at Schoolcraft college as requested by Schoolcraft college. Motion carried.

Motion No. 129 by Mr. Johnston, supported by Mr. Froelich, that the maximum student tuition rate for the 1967-68 school year be established as \$431.73 for elementary students and \$457.66 for secondary students. Motion carried.

Comments by the Board and Administration brought out the fact that there is an approximate differential of 25% in the per capita cost per pupil and the tuition rate, resulting from the fact that tuition rates are based on last year's per capita cost and this year's State Aid per pupil; further, that \$3,000,000 expended on new construction, renovations, etc. since 1965 is not reflected in the tuition rate, and that capital outlay can never be recovered through tuition income.

Motion No. 130 by Mr. Deibert, supported by Mr. Martin, that the Bid for fencing of the bus compound be awarded to Wayne Fence and Supply in an amount not to exceed \$2827.33. Motion carried.

Motion No. 131 by Mr. Martin, supported by Mr. Johnston, that the Administration be authorized to contract the services of Gillis Electric Company to provide electrical service to the bus compound in the estimated amount of \$2590; and further, that The Detroit Edison Company be authorized to install necessary additional lighting for the compound on a rental basis, this being an addition to our present High School parking lot lighting procedures. Motion carried.

Motion No. 132 by Mr. Martin, supported by Mr. Deibert, that the Administration be authorized to enter into an agreement with The Detroit Edison Company for installation of lighting on a rental basis for the Junior High School parking lot and south walkway. Motion carried.

Motion No. 133 by Mr. Orphan, supported by Mr. Deibert, that the Administration be authorized to explore possible lighting of the Moraine School parking lot through means provided by The Detroit Edison Company or, if unsuccessful in this direction, to proceed with the procurement of bids from independent contractors for this purpose. Motion carried.

Prior to action by the board on awarding a contract for providing specified science and social studies materials for the Cooke Junior High school, Mr. Orphan questioned whether the contract would be awarded without competitive bidding. Superintendent Spear and Business Manager Busard pointed out that: 1) the program provided under the rec-

Minutes of the Northville Board of Education

Continued from Page 7-C

commended contract with Nystrom Corporation was the one acceptable to the Junior High School Principal, and 2) this program best fitted the needs in the areas of science and social studies at the Junior High School.

Mr. Spear reasoned that parts of this program, such as maps, globes, charts, models and transparencies, are so interrelated that to attempt to let separate bids for individual items would break up the relationship sequence. The administration emphasized that in accord with past purchasing procedures, the recommended program had been compared to others with similar offerings; the conclusion being that Nystrom's was better, both as to quality and price as well as instructional features. The mobility of various units of the recommended program was also pointed out as one of the potential benefits to all of the District's school buildings.

Superintendent Spear and Mr. Busard informed the board that an expenditure of \$7,325.28 for the stipulated equipment has been approved under NDEA Title III, with approximately 48% of this amount reimbursable.

Motion No. 134 by Mr. Froelich, supported by Mr. Martin, that the Nystrom Corporation of Chicago be awarded the contract to provide the specified science and social studies material for the new Junior High school for a net sum not to exceed \$7,325.28. Motion carried, with Mr. Orphan abstaining.

A discussion of Life Insurance bids received by the administration revealed that information furnished the bidding companies had been inadequate to form the basis for true premium quotations. Age information supplied was calculated on male/female age groups rather than individual ages, and the administration therefore recommended rejection of all bids in possession and the readvertising of same based on more specific data.

Motion No. 135 by Mr. Johnston, supported by Mr. Delbert, that present Life Insurance bids be rejected and that bids for life insurance be readvertised with the individual ages of all employees included in the specifications. Motion carried.

Following action by the board to reject general Life Insurance bids, Superintendent Spear indicated he would proceed with the renewing of a 30-day Binder Policy now in force.

Motion No. 136 by Mr. Orphan, supported by Mr. Martin, that a Special Board Meeting be scheduled for 7:30 p.m. on November 22, 1967, at 107 South Wing street, Northville, for the purpose of opening bids and awarding the sale of Notes on Anticipated Tax Collections to the lowest bidder and to appoint members to the Northville Board of Canvassers. Motion carried. (Appendix III to these minutes).

Motion No. 137 by Mr. Johnston, supported by Mr. Delbert, that the Administration enter into an agreement with the City of Northville for the removal of snow, and necessary salting on school sites as specified, at a rate of \$15 per hour for salting service and \$12 per hour for plowing service. Motion carried. (Appendix IV to these minutes).

Prior to action by the board relative to nominations of candidates to the Northville Board of Canvassers, Secretary Delbert registered an opinion as to the desirability of appointing Canvassing Board members on a non-partisan basis rather than one member each from the two major political parties as required.

Motion No. 138 by Mr. Martin, supported by Mr. Orphan, that the administration be authorized to accept applications and/or nominations of candidates for appointment to the Northville Board of Canvassers, said applications to be received not later than 4:00 p.m. November 22, 1967, with appointments to be made by the Board of Education in Special Call meeting scheduled for November 22, 1967. Motion carried, with Mr. Delbert registering a "no" vote.

In presenting Bill Warrants and Payroll for approval, Superintendent Spear pointed out an item in the amount of \$27.50 to Jones Floral Co. Improperly charged to the Stadium Fund. The board was requested to deduct this figure from Stadium Fund expenditures and add it to the General Fund expenditures submitted.

Motion No. 139 by Mr. Martin, supported by Mr. Orphan, that Bill Warrants and Payroll be approved as follows:

General fund \$158,657.17; Bookstore \$753.12; Building and Site \$752.85; Cafeteria Account \$14,362.50; Stadium Fund \$482.01; TOTAL: \$326,359.82. Motion carried.

In presenting the Budget Report for October 1967, the Business Manager pointed out the absence of credits from this Budget Report and indicated that the District is about two weeks away from a completely encumbered budget, with an anticipated report on same for the next Board meeting. Mr. Busard also indicated a budget review will be scheduled for some time in early January of 1968.

The board was informed of a weather-watch system established by Mr. Busard for the purpose of informing parents regarding weather conditions adversely affecting transportation, as well as a planned program of announcements when the closing of school may be necessary due to weather conditions. President Cook and Vice President Johnston recommended that radio station WJR be added to the two stations indicated (WKMR and WXYZ) as those selected to carry Northville Public Schools' announcements for the weather-watch system.

Part of the plan presented involves fan-out lists for each of the individual schools to employ when inclement weather or other unforeseen elements disrupt the transportation system. Mr. Cook encouraged strong publicity on the weather-watch setup throughout the schools. Superintendent Spear commended Mr. Busard for his development of these emergency communication procedures.

Superintendent Spear informed the Board of the times when the Central Office would be closed during the approaching holidays:

Offices closed: November 23 and 24, 1967; December 25 and Noon December 29, 1967; January 1, 1968.

In a report to the Board on the status of non-certified personnel representation, Mr. Busard indicated that board attorney Schwarze has filed a brief for the Northville Public Schools with the State Labor Mediation Board. A decision is expected from the Labor Board within the next week as to the bargaining unit and if we will be required to conduct an election. Mr. Busard was optimistic that a Labor Board ruling would be favorable to the district's position in the matter of Union recognition or the holding of an election.

Mr. Spear presented figures to show that since the tuition reimbursement program was established during the 1965-66 school year, teachers have continued to strengthen their professional background through study. The Superintendent presented data pointing to the professional growth of the Northville teaching staff in the past two years. For example, in the summer of 1965, fourteen teachers earned a total of 64 credits within the reimbursement program, while during the summer of 1967, thirty-three teachers earned a total of 201 credits.

Mr. Busard informed the board that a supplemental request of \$1702 had been allowed under NDEA, of which approximately \$850 is reimbursable. Mr. Busard attributed approval of this additional allowance to the efforts of Mr. Frostic of the Michigan State Department of Education.

The board briefly reviewed a memorandum from Mr. Busard to Mr. Spear in which the Business Manager outlined for the Superintendent a mutual agreement between Manufacturers National Bank - Northville Branch and the Northville School District on procedure for investments of less than 30 days' duration. This new investment procedure is expected to produce additional revenue for the district. President Cook commended Mr. Busard for working out such a beneficial arrangement with the bank.

In accord with the Superintendent's suggestion and in view of the Special Call meeting scheduled for November 22, 1967, it was determined unnecessary to hold a regular special meeting of the board of education on November 27, 1967.

Motion No. 140 by Mr. Johnston, supported by Mr. Martin, that the regular special meeting of the board of education scheduled for November 27, 1967, be cancelled. Motion carried.

At Superintendent Spear's request, the following items were added to the agenda: Communication - Wayne County Intermediate School District; Communication - Bradner Road Sewer; Communication - Northville Township Planning Commission.

Secretary Delbert reviewed a letter from School Lunch Consultant Shirley McCoy of the Wayne County Intermediate School district, in which she expressed appreciation to Superintendent Spear and the Northville Public Schools school district for their hospitality at a lunch in the Northville high school on November 2, 1967. Mrs. McCoy praised Mrs. Knapp, Northville's Lunch Program Supervisor, and her staff, as well as the maintenance staff, for their courtesy and efficiency.

President Cook directed the Superintendent to write a letter of appreciation to the cafeteria and maintenance staffs for their part in the November 2 lunch-baking demonstration and lunch.

Secretary Delbert read a letter from Northville Township Supervisor R. D. Merriam informing the board of education of action taken by the Township Board on November 7, 1967, which would reserve sufficient sewer taps to serve the proposed 10-acre Bradner Road site if and when the school district elects to utilize this as a school site. This was done pursuant to Mr. Busard's request on behalf of the board of education, dated October 3, 1967.

Secretary Delbert read a notice from the Northville Township Planning Commission indicating that a proposed plat for a housing development would be on the Planning Commission's agenda for their meeting scheduled to be held on November 28, 1967. This information relates to a pattern of liaison between Planning Commissions and the Northville Public Schools School District with regard to its projected needs for school sites in future housing developments within the district.

President Cook requested Mr. Martin and/or Mr. Orphan to represent the board of education at the November 28 Planning Commission meeting.

There being no further business, the meeting adjourned at 10:05 p.m.

Sec., Glenn E. Delbert

November 22

Minutes of the Special Call meeting November 22, 1967.

The meeting was called to order by President Eugene Cook at 7:30 p.m. at 107 South Wing street, Northville, Michigan.

Members present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President; Mr. Richard Martin, Treasurer; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee.

Others present: Mr. Earl Busard, Business manager. Members absent: Mr. Glenn E. Delbert, Secretary; Mr. Robert Froelich, Others absent: Mr. Raymond Spear, Superintendent.

There being a quorum present, the board proceeded with the order of business.

Motion No. 141 by Mr. Johnston, supported by Mr. Martin, that due to the absence of Mr. Glenn E. Delbert, elected secretary, that Mr. Andrew Orphan be appointed Acting Secretary for the Northville Board of Education, and further that Mr. Orphan be and is hereby authorized and directed to carry out the duties of the Secretary in regards to acceptance of bids for Tax Anticipation Notes, signing same and any other legal requirements necessary to issue said Tax Anticipation Notes. President Cook called for a roll call vote: Mr. Cook, yes; Mr. Johnston, yes; Mr. Martin, yes; Mr. Kipfer, yes; Mr. Orphan, yes. Yes - 5, Nays - None. Motion carried by unanimous vote.

Mr. Busard presented the present status of members of the School District's Board of Canvassers as follows:

Term ending December 31, 1969) One Republican - Joan Angle; One Democrat - Joseph Florilli.

Term ending December 31, 1967) One Republican - Mrs. Robert Arlen, One Democrat - Mrs. Dorothy Guido.

In accord with state requirements, it is necessary to appoint two members, one Republican and one Democrat, to the Board of Canvassers by December 1, 1967, to replace the two whose terms expire on December 31, 1967.

Motion No. 142 by Mr. Johnston, supported by Mr. Kipfer, that the following two persons be appointed to the Board of Canvassers for the term ending December 31, 1971:

Mrs. Robert Arlen, 44560 Country Lane, Northville, Michigan, Republican.

Mrs. Dorothy Guido, 20390 Westview drive, Northville, Michigan, Democrat.

Motion carried.

President Cook ordered the meeting to proceed with the opening of bids for the purchase of \$300,000.00 Tax Anticipation Notes of the District, at 8:00 p.m.

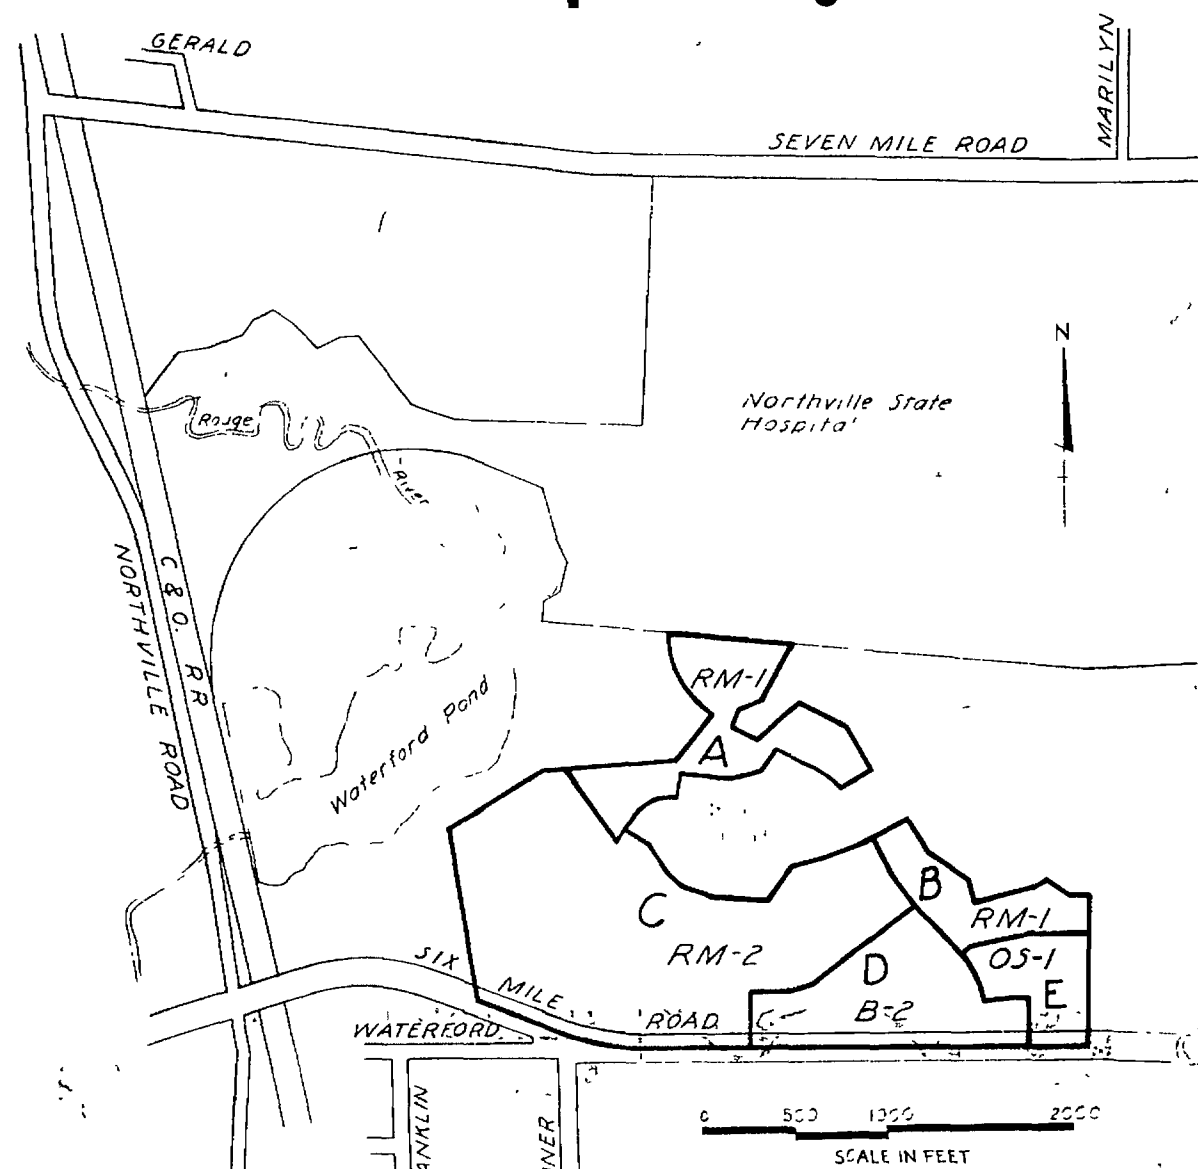

Motion No. 143 by Mr. Kipfer, supported by Mr. Johnston, that the bid of Manufacturers National Bank for the purchase of \$300,000.00 Tax Anticipation Notes of the school district against the 1967 operating tax, authorized by the board of education at a meeting held on October 2, 1967, be accepted, and that the secretary be authorized to return the certified checks of all unsuccessful bidders as promptly as possible. Motion carried unanimously. (Appendix to these minutes).

There being no further business, the meeting adjourned at 8:05 p.m.

Andrew G. Orphan, Acting Secretary

THE NORTHVILLE TOWNSHIP PLANNING COMMISSION MEETING SCHEDULED FOR DECEMBER 26, 1967 WILL BE HELD ON DECEMBER 28, 1967

Notice of Public Hearing Northville Township Planning Commission

At a meeting of the Northville Township Planning Commission to be held in the Northville Township Hall on December 28, 1967, a public hearing will be held at 8:00 p.m. to consider the following:

TO REZONE THE FOLLOWING PARCELS OF LAND, ALL LOCATED IN THE SOUTH ONE-HALF OF SECTION 11, T.1S., R.8E., NORTHVILLE TOWNSHIP, WAYNE COUNTY, MICHIGAN, NORTH SIDE OF SIX MILE ROAD BETWEEN NORTHVILLE ROAD AND HAGGERTY ROAD.

PARCEL A - from R-3 to RM-1 (13.6 Acres more or less) - Beginning at a point on the E. & W. 1/4 line of Sec. 11, located S. 84 degrees 52' 11" E. 440.0' along said line from the N. & S. 1/4 Line of Sec. 11; thence along said E. & W. 1/4 Line S. 84 degrees 52' 11" E. 678.13'; thence S. 28 degrees 22' 04" W. 328.99'; thence S. 69 degrees 07' 47" W. 135.0'; thence S. 26 degrees 42' 40" W. 103.0'; thence S. 63 degrees 17' 20" E. 165.0'; thence N. 48 degrees 24' 10" E. 300.1'; thence S. 59 degrees 23' 07" E. 285.0'; thence S. 30 degrees 56' 58" E. 245.0'; thence S. 59 degrees 03' 02" W. 145.0'; thence S. 45 degrees 58' 28" W. 43.0'; thence along a curve to the left having radius 620.0', chord bearing N. 53 degrees 39' 26" W. and chord length 207.47', a distance of 208.45'; thence N. 63 degrees 17' 20" W. 208.53'; thence S. 35 degrees 15' 52" W. 128.79'; thence S. 61 degrees 04' 03" W. 77.78'; thence S. 82 degrees 24' 44" W. 77.78'; thence N. 86 degrees 34' 35" W. 96.43'; thence N. 83 degrees 21' 52" W. 200.0'; thence S. 06 degrees 38' 08" W. 150.0'; thence N. 83 degrees 21' 52" W. 20.0'; thence along a curve to the left having radius 230.0', chord bearing S. 66 degrees 17' 35" W. and chord length 232.38', a distance of 243.61'; thence S. 35 degrees 57" 02" W. 165.0'; thence N. 32 degrees 31' 27" W. 524.05'; thence S. 89 degrees 39' 33" E. 610.0'; thence N. 39 degrees 31' 24" E. 302.0'; thence along a curve to the right having radius 500.0', chord bearing N. 28 degrees 54' 56" W. and chord length 496.82', a distance of 519.93' to the point of beginning.

PARCEL B - from R-3 to RM-1 (7.7 Acres more or less) - Commencing at the S. 1/4 Corner of Sec. 11; thence along the S. Line of Sec. 11, N. 89 degrees 55' 30" E. 2759.69'; thence N. 00 degrees 24' 15" E. 625.02' to a POINT OF BEGINNING; thence S. 89 degrees 55' 30" W. 320.0'; thence S. 77 degrees 06' 20" W. 370.6'; thence S. 47 degrees 50' 11" W. 43.0'; thence

CITY OF WIXOM - ORDINANCE NUMBER 34-A27
AN AMENDMENT TO ZONING ORDINANCE NO. 34 ADDING A NEW PARAGRAPH 10 TO ARTICLE XV, SECTION 1500 REGULATING RESIDENTIAL YARD FENCES.

THE CITY OF WIXOM ORDAINS:

Section 1. That Ordinance Number 34, known as the Zoning Ordinance for the City of Wixom be and the same is hereby amended as follows:

Add to Article XV, Section 1500 a new paragraph 10 as follows:

10. Residential Yard Fences: Fences or walls of not more than five (5) feet in height may be constructed in residential districts within a rear or side yard along the property line. Fences of not more than 3 1/2 feet in height may be constructed in residential districts within a front yard along the property line. However, such front

yard fences must be completely non-obscuring to vision.

Section 2. That all other parts of said Ordinance remain in full force and effect.

Section 3. That this Ordinance become effective upon passage and publication.

Made and passed by the Wixom City Council at the Regular Council meeting held December 14, 1967 with publication in the Novi News on December 21, 1967.

Wesley E. McAtee, Mayor
Donna J. Thorsberg,
Dep. City Clerk

New Facility To Open in April

Restaurant Building Starts

Construction of a 35 x 70 foot restaurant on Novi road, just north of Guernsey Dairy, has begun, with completion slated for April 1.

Owner and manager of the new facility, which together with the property and equipment is valued at \$140,000, is Robert Ronk of Echo Valley subdivision in Novi.

The restaurant will be similar to the Malabu Restaurant, near Eight Mile and Grand River, which Ronk owned and managed for five years. He is a former owner of the Driftwood Lounge, also located in the Grand River-Eight Mile area.

To be called Pepper Tree Restaurant, it will have a seating capacity of approximately 70 persons and a blacktopped parking lot for about 100 cars.

The front of the building will face north, with the central entrance on that side. Featuring a grey brick exterior, it will have a counter area adjacent to the kitchen, a floor level dining area, and a raised, carpeted dining room on the west end of the building.

The interior will feature all dark walnut-like paneling and special, large ceiling lamps. One section of the dining area will contain long settees to accommodate groups.

Located on a 250 x 350 foot site, the property is large enough for any future expansion that may take place, Ronk said. The restaurant is expected to employ about 20 persons and operate

initially on a 24-hour basis.

The owner has been a resident of Novi for nearly 12 years. He is married and has three children.

MILKY, THE CLOWN

At Children's Party

Jaycees to Aid The Cavern

Northville Jaycees have agreed to assist The Cavern Teen club in sponsoring a Christmas party for children on Saturday afternoon.

According to the Cavern representatives, the Jaycees will help control the crowds.

The party will be held from 3:30 to 5:30 p.m. in the community building. Cost is 25-cents per child. Children under five must be accompanied by an adult or teen.

Feature attraction of the party will be Milky the Clown.

Also on hand will be Gloria Peebles and her Busy B's. Hank Kress will perform on the organ, and Santa Claus "just might" attend the party for part of the afternoon.

Cavern officials also have announced plans for a big New Year's dance on December 30. One of the featured bands will be the "Munx" of Ohio. They're returning after a popular earlier appearance here.

'Open' Policy

Consistent with requirements of Title VI, Whitehall Convalescent Homes has reaffirmed its policy followed for the past 16 years in Oakland county.

"This policy is and has always been that we admit patients to the Whitehall Convalescent Home on the basis of nursing care need only, and we accept all patients regardless of race, creed or national origin," the director, Lloyd Johnson said.

At this season of joy and happiness, we wish you a Merry Christmas. May your gladness be everlasting!

Roger Babson

The True Joy of Christmas Comes in Loving God's Free Gift

BABSON PARK, Mass. — As the season of the birth of Christ returns, we gather new strength from the angelic chant: "... there is born to you this day in the city of David a Savior

who is Christ the Lord ... Glory to God in the highest..."

Jesus brought about a complete social revolution. That is why the idea of His Kingdom was rejected so promptly

and so forcefully by the leaders of the Romans and of the Jews. In every way, Jesus tried to show that all men are equal before God. He went further and promised that the meek would possess the land. Reflect, if you will, on the ways in which His birth was announced, marking the contrast between the angelic greeting to the shepherds and the indirect sign to the three wise kings.

The kings, far away in the east, saw only the star. Had the shepherds seen such a star, probably they would have gazed in awe and then forgotten. Even had they sensed its meaning, they would have been unable to follow it, for they had neither the means nor the leisure to do so. The indirect announcement to

the kings may have been a tribute to their wisdom. More likely it was meant to indicate that their wealth and learning had its responsibilities, because for them the way to the manger was neither easy nor safe. And when they got there they found the shepherds had already made their adoration. The lesson is this: No matter what our station or condition in life, our color or creed, we are all God's creatures and equal and responsible as individuals in His sight.

LIFE is so mysterious and often so apparently wayward in its vagaries that if we try to take a detached view of it for a moment, we stand agape at the spectacle. There is in it, however, one element that admits of no misunderstanding. It is the role that children play in the general scheme of things. Like a medal, a child has two sides. On the one side, it is helpless, or so we think. On the other, it possesses the only quality or at least one of the principal resources, that lends warmth and strength to its elders. What matter if the world be split between rival factions, if national and international disorders abound? The children of the world are forever lighting lamps in the human heart that pierce the fog of our adult futility and restore our confidence in God and in ourselves.

It was no accident that Jesus came as a child. To the extent that we are successful in recapturing something of the innocence and unselfishness and faith of our own lost childhood will we find true joy this Christmas. For the way to the fulfillment of our desires must lead us — from our own visit to the manger — into paths of kindness, thoughtfulness, hopefulness, and helpfulness.

CHRISTMAS is a time of gift-giving ... and rightly so. But the true joy of Christmas is the free gift provided for us by the graciousness and love of God, and offered to all who will receive it as little children. It should matter not at all how costly or showy the presents we exchange, so long as with each gift we give something of ourselves.

Our nation has been the greatest benefactor in the history of the world. Yet we have received scant credit for the sacrifices we have made, and are making to feed the hungry, educate the young, and help build up the economies of underdeveloped countries. In only one program have we made rapid, and what promises to be good, over-all progress, — the Peace Corps. Could it be that the instant success of this particular program derives from the fact that through it we have made more of a personal effort to teach, to serve, to lift? This gift of ourselves to God and to each other is the essence of the Christmas Spirit, the best guarantee of our own tranquility of mind, and the way of prosperity and peace in our troubled world.

Water Pollution Down, But State's Problem Still Serious

LANSING — Clean water is usually taken for granted when we turn on the faucet, and few of us give thought to what happens to water as it funnels down the drain.

In most Michigan communities, "used" water flows into a sewage plant where it is treated and dumped back into our rivers, lakes and streams. This "treated water" still contains an over-enrichment of phosphates and nitrogen, nutrients which promote excess growth of weeds and other aquatic plants. The resulting effect is foul

smells, dirty appearance and a depletion of oxygen in the water, ruining it for game fish and recreational purposes.

PESTICIDES and herbicides in the state's water supply is also causing concern. Bald eagles, disappearing in Michigan, feed on dead and live fish. Tremendous buildups of pesticides are found in the eagles' brains.

Sea gulls and even the newly-introduced Coho salmon have shown evidence of DDT. The sea gull population is already declining. If amounts of pesticides increase in salmon eggs, scientists fear

the Coho reproductive capacity will be inhibited.

Pollutants come from agricultural and urban land run-off, from municipal wastes and industrial sources. Increases in population with accompanying shortage of public shoreline seriously affect the state's recreational and wildlife facilities. Water pollution further depletes wildlife and renders many public beaches useless.

Pollution is less of a problem than it was 10 years ago and most state officials are aware of what remains to be done. Waste oil in the Detroit River has been reduced by 90%, and in the next 10 years the remaining 10% should be reduced by 90%.

NEW STANDARDS for municipal and industrial sewage systems will be set next year by the Water Resources Commission. In most instances, this will mean upgrading present systems, adding considerable cost. As Dr. Niles R. Ke-vern, assistant director of MSU's Institute of Water Research, states, "The sewage treatment plant, as it exists and is operated here today, just isn't the method that is going to clean up our water."

Pollution is not as dramatic a problem as it once was except when there is an occasional large fish or wildlife kill. "The Water Resources Commission is pretty well aware of the major polluters. It is the everyday, gradual

pollution that is the problem," Dr. Ke-vern emphasizes.

"TERRIFYING COSTS." This is how one member of the Michigan Conservation Commission characterized the reluctance of some legislators to face the task of eliminating pollution problems.

Dr. Kern supports the cost factor by adding, "The technology needed to halt water pollution is already available, but it will be costly. This the public will have to recognize."

Major authorities note that few, if any, of Michigan's lakes and streams are hopelessly beyond at least partial "repair," but failure to act immediately will compound the seriousness of the problem at a very rapid rate.

ANOTHER STUDY by the Automobile Club of Michigan points out that the average Michigan driver is improving steadily, while the driver with a bad record is causing more than his share of accidents.

The 45-page study released in November covers traffic conditions for 1967 and includes an in depth study of the 48 traffic deaths and injuries on Labor Day weekend.

Compared to 1966, injury accidents are down 11% and fatalities are down 13.4%. Of the 57 drivers involved in fatal accidents over the Labor Day weekend, the worst 10 averaged 24.8 points on driving records, most of which covered only the last six years. One had 40 points.

The study notes that nearly 45 percent of all drivers involved in Labor Day fatalities had more than the so-called lifetime average of four points; nearly 19 percent had been called in by the Secretary of State or were subject to some administrative action during their driving careers. Yet this group represents only about 2 percent of the driving public.

ALCOHOL, darkness, speeding, driver error or improper action were noted as most common factors in fatal accidents. Most accidents occurred in familiar territory, within 25 miles of home.

Sixty-percent of the automobiles involved in fatal accidents did not have seat belts, but of those automobiles which did have them 81.5 percent of the drivers and passengers had not "buckled up."

Greetings

Happily, we welcome the opportunity to come into your homes at this joyous time, with our thanks for your patronage, our greetings and wishes that you may enjoy the very best the holidays can hold.

Joy and Peace at Christmas

Around us, the wonder of Christmas spreads its joy and warmth. The radiance of a Star shines into our hearts, as once it shone above a sacred manger, heralding the miracle of the Holy Birth.

As you observe Christmas with those near and dear to you, may you rejoice anew at the true, deep meaning of this most glorious time. And may the peace and joy of the season be an ever present blessing, to light the way for all men, everywhere.
