

We Must Give Community Youth 'Education in Trouble Areas'

EDITOR'S NOTE - Following is the first of a series of articles on young people and the law. The series will explore behavior patterns of young people, violations, and the thinking and planning of

law enforcement personnel in the Northville-Novl area on topics of prevention, control and how young people and communities can best be served while living as a part of a sprawling urban complex.

★ ★ ★
"I felt like some kind of a dirty dog rather than a grown man and police officer. Placing a 10-year-old boy in confinement at the juvenile detention facility in Detroit—which is no place for any youngster—is the kind of experience in this job that really shakes you up."

★ ★ ★
Those words express something of the attitude and depth of concern for youngsters that Northville's youth officer, Patrolman Phillip Young, brings to his work. In his day-to-day work he sees in stark reality more of the bad side of youth, the misbehaviors and indiscretions youngsters commit as

they grow towards an adult identity, than most adults would encounter in a lifetime of TV or movie watching.

Despite this extreme exposure to the mistakes and missteps on the part of local youngsters, Young has a generally high regard for the youngsters growing up in Northville today. But he is concerned—concerned enough to state firmly that the community must begin now to pay close attention to meeting the needs of youngsters in a changing scene.

"Boys and girls today are way ahead of where most of today's adults were at the same age—ahead in the amounts of information they've gained in academic subjects. They're far better educated in that sense. But as far as being educated about the things that cause trouble for themselves and the community, that bring shame, humiliation, financial loss, and physical pain and injury there is a great lot that needs to be done."

It is education that needs to be provided, as Young sees it. Education about drinking, about driving, about drugs and narcotics, firearms, and vandalism, including malicious destruction of property and egg throwing.

He describes the need for education in these trouble areas of young life as the most promising solution to the major problem of youngsters he encounters in his police duties: A lack of communication between the youngsters and their parents and other adults in the community.

Young states a firm conviction that this lack of communication is the major cause of youngsters encountering him as a law enforcement officer and an equally firm conviction that it can be resolved. He can describe instances of how he has established communication with youngsters in trouble and helped them to gain a little better understanding and control of themselves

Officer Young Interviews A Juvenile

COFFEE, PLEASE—It was still snowing Sunday when this fellow popped up at the window of Paul's

Restaurant—probably looking for a hot cup of coffee. An 8-inch snow fall was reported.

Snow Fools School, Tires Work Crews

Drifting snow and a 50-percent drop in attendance forced closure of Northville schools Monday afternoon.

"It was simply a case of the wrong decisions that at the time seemed right," admitted Superintendent Raymond Spear, who received a battery of parental complaints.

Pre-dawn check of roads in the district, he said, indicated that all but a few were passable. Because of late buses, difficulty encountered by parents transporting their children, and snags in the telephone fan-out system, a heavy student absenteeism occurred.

By noon, reports were received that drifting was occurring on major thoroughfares that could endanger bus transportation later in the afternoon. On the basis of these reports and the absenteeism, it was decided to close schools after the lunch period, he explained. "Naturally, as soon as this decision was made the sun came out and

the snow started melting," Spear lamented.

Although student attendance was off by 50-percent, Spear said few teachers were absent because of the snow.

A five-man city department of public works crew worked overnight Saturday to remove snow from every street in the city—but by the following night, fresh snowfall forced a repeat performance.

The second night, six men worked around the clock to again plow all the streets—some twice, sidewalks adjacent to city property, and all but two parking lots.

Snow removal work continued through the week.

According to Herman Hartner, director of the department of public works, snow removal of streets during the weekend was far more efficient because of the city's recent all-night parking ban.

Amerman Principal To Quit at Semester

Robert Stafford, 40-year-old principal of Amerman elementary school for the past year and a half, will leave his post Friday, January 26—the end of the semester.

The written resignation, already in the hands of the administration and the board of education, is expected to be approved at Monday's board meeting. No action was taken this past Monday because it was not a regularly scheduled meeting.

According to Superintendent Raymond Spear, a staff member probably will be appointed temporarily to fill the vacancy.

Stafford, who lives with his wife and two children in Ann Arbor, said he probably will become a staff development specialist for the Wayne County Intermediate School District. However, he is weighing two other non-principal job offers, one in New York and another near the Michigan-Ohio border.

As a specialist for Wayne county, he would be working with principals and teachers in developing self-concepts in pupils.

A native of Watertown, New York, Stafford was director of instructional material for Westchester township schools prior to accepting his first principalship here.

He was appointed here to replace

Keith Berkley, who received a two-year leave of absence to take a temporary teaching position at Wayne State university while working for his doctorate. Berkley was named principal in February of 1966 to take the place of Spear, who became assistant superintendent.

Stafford still has a year and a half remaining of his two-year contract, which this year calls for an annual salary of \$13,300.

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Vol. 98, No. 36, 22 Pages, Two Sections • Northville, Michigan — Thursday, January 18, 1968 • 10¢ Per Copy, \$4 Per Year In Advance

School to Trim Budget

Some \$20,000 will be sliced from the 1967-68 Northville school budget Monday night when members of the board of education attempt to bring expenditures in line with revenue.

Decision to cut the budget was reached this past Monday as board members met to review past expenditures and income and to re-evaluate the money available to finish out the school year.

Originally, the budget called for a total outlay of \$1,913,406, but because revenue is running behind earlier estimates, it is to be reduced by \$20,093 to balance it at \$1,893,313.

Biggest cuts will come in the area of instruction and capital outlay, where officials believe, on the basis of money already expended, they can trim a total of \$28,240 without endangering the school program.

Four other areas of the budget will be boosted above original estimates.

Specifically, the proposed revised budget calls for reductions of \$18,240 in instruction, \$10,000 in capital outlay, \$1,200 in administration, \$1,500 in fixed charges, and \$200 in student services.

It also proposes to increase maintenance of the plant by \$4,500, operation of the plant by \$3,200, transportation by \$1,800, expenditures to other school districts by \$1,247, and health service by \$300.

In the area of instruction, cuts are proposed in teacher salaries, teaching supplies, library books, and periodicals. The salary cut, according to Superintendent Raymond Spear, is possible because two teaching positions remained open for several months before they were filled.

Less than anticipated state aid accounts for the new estimate of income. For example, per pupil state support is down some \$32,000 because of a smaller student enrollment than officials had predicted. Anticipated aid for state-supported special services fell far short because school district requests in Michigan exceeded state estimates, necessitating a reduction in the support percentage.

Offsetting part of state aid reductions are increases in tuition, rentals, and vocational education support.

In addition to revising the budget, board members expect to change outlays for building and site purchases Monday.

Or Pay a Fine!

Clean those Sidewalks

Fair warning, city citizens...better get those sidewalks shoveled off.

Monday night the city council directed Manager Frank Ollendorff to enforce the city's ordinance pertaining to cleaning of sidewalks.

The ordinance provides that walks must be cleaned within 24 hours after a snowfall. Failure to comply carries a penalty up to a \$100 fine and 90 days in jail.

Councilwoman Beatrice Carlson was reluctant to endorse enforcement. "There are many older residents that can't clean their walks and can't find anyone to do it. Maybe they should go to jail for 90 days. By the time they're

out, the snow will have melted," she remarked.

The ordinance also provides that the city may clean the walks and charge the property owner for the service. It isn't likely, however, that this procedure will be followed. The city dumped its sidewalk cleaning service last year after a series of complaints.

The matter came in for council discussion when Sidney Frid, 865 Grace, complained that it was impossible to walk on most sidewalks leading to town because they were snow covered. He

urged the city to clean walks on Main streets leading to the business district.

The council balked at this. But all members, except Mrs. Carlson, took the position that cleaning sidewalks was a homeowner's responsibility, that the ordinance was "on the books" and should be enforced.

Manager Ollendorff said he agreed, but added that he wanted council support before enforcing an ordinance that formerly had been ignored.

He said that strict enforcement would begin February 1.

Catholics, Protestants To Join in Prayer

In observance of the Week of Prayer for Christian Unity, Northville will have a religious "first" in its history as prayer services are scheduled in both the First Methodist and the First Presbyterian churches with Our Lady of Victory Catholic church.

Reverend Father John Wittstock of Our Lady of Victory church, in announcing the meetings, said that in addition to being a Northville first they also probably are a first for many parts of Michigan.

Opening the Week of Prayer for Christian Unity, January 18-25, will be the service at the Presbyterian church from 7:30 to 8 p.m. tonight. Reverend Lloyd Brasure, pastor of the Presbyterian church, said it is to be an evening devotional of scripture and prayer. The

congregation has been invited to attend, he said, as well as members of the church session.

Eighth graders and their parents from Our Lady of Victory church are to attend the Presbyterian meeting.

Seventh graders and their parents are to attend the meeting at the Methodist church, which will be held at 7:30 p.m. Monday, January 22.

Reverend S. D. Kinde will welcome the visitors, he said, and has invited his congregation to attend. Father Wittstock is to conduct the prayer service.

In scheduling the services the churches are acting upon the recommendation of the National Council of Churches, department of Faith and Order, and the Bishop's Commission for Ecumenical and Interreligious Affairs.

Well Water to Flow Again in Old Spring

The "Old Spring" will soon have a new well.

More than a year ago the Northville Rotary club decided it would undertake to restore well water to the historic spring on South Main street after it ran dry.

Meanwhile, the spring has been tapped into city water lines and visitors who fill containers have been carrying Detroit water.

Monday night Rotarians Jan Reef and Philip Ogilvie told the council they had finally received clearance from the C & O Railroad to lease a small plot of land at the well site so that drilling can take place.

They asked the city to sign the lease with the C & O, but noted that Rotary would assume all expenses, including

the \$20 per year lease fee, taxes, drilling costs and maintenance of the Old Spring.

All that remains before drilling is approval of the state health department, Ogilvie stated.

"We'll drill the well as deep as necessary to get good water," Reef commented.

Mayor A. M. Allen commended Rotary club and Reef, who has served as chairman of the project, and urged the council to approve the lease.

As chairman of the beautification commission, Councilwoman Beatrice Carlson asked permission to make the motion for approval of the well restoration.

"We'll get a picture of you when it's done," she promised.

about Women and the family

Overture Tickets Available Now

Tickets for the first Overture-to-Opera program to be held in Northville went on sale this week and are available from all seven members of the Overture committee.

The first act of "La Boheme" by Puccini and a contemporary opera, "The Medium" by Gian-Carlo Menotti, will be presented April 6 in the Overture program in Northville high school auditorium.

Tickets for the 8:30 p.m. performance will be \$3 for adults and \$2 for students, including those in area colleges. Tickets also are available now for the champagne buffet afterglow at Meadowbrook at \$5. Everyone who attends the Overture performance is invited to participate in the Saturday night gala afterglow, according to the planning committee.

For the first time since the Overture series began in 1962, Northville is among the 20 Metropolitan Detroit and suburban communities to have an Overture performance. Overture began with one performance and has grown to 20. It is under the direction of Dr. David Dichiera of Oakland university and the

Detroit Grand Opera association.

The Overture programs originally were conceived to increase interest in the spring appearances of the Metropolitan Opera in Detroit.

This year's presentation couples a well-known operatic work with a newer opera, "The Medium," first performed in 1946. Of this opera, composer Menotti says, "Despite the eerie story, it is a play of ideas ... of a woman caught between two worlds." He conceived the idea for the opera in 1936 when he attended a seance in Salzburg, Austria.

Tickets are available now from any member of the Northville committee for Overture which is under the chairmanship of Mrs. Donald Ware, 349-2232. Others are Mrs. Ernest J. Shave, who long has served as Northville area committee member with the Detroit Grand Opera association, 349-0606; Mrs. Charles Wheatley, 349-0748; Mrs. Harold Wright, 349-1276; Mrs. Stan Schaefer, 349-1236; Mrs. Paul Hughes, 349-0461; and Mrs. Ben A. Zayti, 349-3234.

THE FIRST TICKET to the Overture-to-Opera performance at Northville high school auditorium April 6 is sold to Charles Lapham, Northville merchant and city council member, Monday by Mrs. Charles Wheatley, member of the Northville Overture committee. She was assisted in the sale by sons Glen, 3, and Eric (the baby).

Announce Engagements

Sharon Helene O'Brien

Mr. and Mrs. William F. O'Brien, 18831 Beck road, announce the engagement of their daughter, Sharon Helene, to Peter Michael Wharton, son of Mr. and Mrs. James E. Wharton, 24283 Coral Lane, Novi.

Both are 1965 graduates of Northville high school.

The bride elect is employed at the University of Michigan. Her fiancé is attending Schoolcraft college and the University of Detroit.

Mr. and Mrs. E. L. Howell of Winans drive, Brighton, announce the engagement of their daughter, Karen Lynn, to Milan Obrenovich, son of Mr. and Mrs. Mike Obrenovich of South Lyon. The couple plans a spring wedding. The bridegroom-to-be is a biology teacher and coach at Novi high school. His fiancée is employed at Michigan Seamless Tube company.

Pamela Marie Kehr

Pamela Marie Kehr, daughter of Mr. and Mrs. Ray J. Kehr, 41821 Quince drive, Novi, and Charles Harrison, son of Mrs. Jean Bingley, 373 Linden, announce they have set their wedding date for April 15.

Mr. and Mrs. Andrew H. Cain, former Northville residents who moved to Dearborn last August, announce the engagement of their daughter, Andrea Lois, to Max Agge, son of Mr. and Mrs. William Agge of Westland.

The bride-elect was a 1966 Northville high school graduate.

No wedding date has been set.

Andrea Lois Cain

In Our Town

By JEAN DAY

BASE LINE CHAPTER of the Questers antique study society will entertain husbands at the group's first evening meeting at 8 p.m. Monday, January 22. In a change of plans Mrs. Howard F. Meyer, Jr., will be hostess at her home at 279 Maplewood.

Edmund P. Yerkes will speak and show slides of "Old Northville." A local attorney with lifetime family ties in the community, he has collected, assembled and preserved historical information about our town for many years. He is to be introduced by Mrs. Paul Beard, Base Line chapter president.

Co-hostesses for the dessert meeting will be Mrs. Thomas Lovett, Mrs. Orin Hove and Mrs. J. C. Burkman.

It was just about this time three years ago that the Questers group was forming, with the first meeting held on a windy, snowy day with six charter members present at the home of Mrs. Burkman on Base Line road (now more commonly called Eight Mile).

It was from the meeting locale that the chapter name was selected. (And it was from attorney-historian Yerkes that we learned that Michigan's Base Line dates from the Northwest Ordinance and extends from Lake St. Clair across the state to Lake Michigan with all measures north and south extending from it.)

"THE BENEFITS of Doering" will be discussed by Elmer A. Dooe, trust department vice-president of the City National Bank of Detroit, at the 2 p.m. meeting of the Northville Woman's club in the fellowship hall of Northville Presbyterian church.

His talk is to include a discussion of wills. He also has indicated he will answer questions from his audience, Mrs. E. O. Weber, program chairman of the day, reports.

This will be a guest day meeting with tea following the program.

Four members of Northville Woman's club accepted a special invitation to tour the British art exhibit, Masters of the Romantic period, 1760-1860, now at the Detroit Institute of Arts, last Thursday. Mrs. J. Hardee Bathea, Mrs. Charles Yahne, Mrs. William Crump and Mrs. Charles Willcox, accompanied by Mrs. Halton Atwell, a guest, were taken on a guided tour after gathering with other Federation club members in the new Founders quarters.

They returned enthusiastic about the "lovely Gainsboroughs" and other Britishers' works. The exhibit, with public tours daily, continues through February 18, according to Mrs. Bathea, a founders' society member and worker on its rental committee.

ALPHA MU members of the Delta Kappa Gamma professional society of teachers made plans at their January dinner meeting at Hillside Inn last week

Births

Mr. and Mrs. Gerald LaRoque, 131 North Wing street, announce the birth of a daughter, Danielle, January 15 at St. Mary hospital. The baby weighed 6 pounds, 10 ounces at birth.

Mrs. LaRoque is the former Fran Gilmer.

Grandparents are Mr. and Mrs. Harry Gilmer of St. Louis, Missouri, and Mr. and Mrs. George LaRoque, 257 Hutton.

The birth of their first child, a son, Douglas Elon Champe, on December 27 at St. Mary's hospital is announced by Mr. and Mrs. David Champe of Inkster. Mrs. Champe is the former Rosemary Slok. The baby weighed 6 pounds, 12 ounces at birth. Grandparents are Mr. and Mrs. John Slok of Northville and Mr. and Mrs. Robert E. Champe of Livonia.

Mr. and Mrs. Rodney Fitzwater, 43125 Waterford road, are parents of a daughter, Eileen Mary, born January 11 at Garden City Osteopathic hospital. The baby weighed seven pounds at birth.

Grandparents are Mr. and Mrs. Fay Ery of Ottawa Lake and Mrs. Mary Fitzwater of Plymouth.

to attend the birthday luncheon being arranged by the Metropolitan council for February 10 at Dearborn Inn.

As a result of a talk given by an exchange student from Uruguay who presently is studying at Clarenceville high school, the chapter is trying to make arrangements for the young man to be able to take IBM programming courses.

These, and such "additional" as personal typing, he told the teachers, are not available to high school students in his homeland.

He discussed cultural values in Uruguay and expressed the feeling that young people of his own country are given responsibilities at an earlier age.

Mrs. Blenda Lee and Mrs. Violet Bradford were meeting hostesses.

REPUBLICAN WOMEN from the Northville-Plymouth area will hear one of Michigan's most eloquent Republican women next Friday, January 26, at the Northville-Plymouth Republican Women's Federation luncheon meeting at noon in the Mayflower Meeting House.

Mrs. Elly Peterson, chairman of the Michigan Republican party, is to be guest speaker. She also will officiate at the installation ceremonies in which the new officers of the state Republican Women's Federation will take office at the luncheon. Mrs. Charles Haynes of Farmington will be installed as state president.

The luncheon coincides with the two-day convention of the Republican State Central committee being held in Plymouth. This is the first political conference of this type to be held there. Top state Republican leaders are expected to attend.

Members and friends (men also) of the club are invited to attend the Federation luncheon. Tickets are available from Mrs. Robert Arlen, 349-9725.

NEW OFFICERS for the Northville branch of the Michigan Farm and Garden association were elected at the club's January meeting last week and are to be installed and take over at the May meeting when the club will begin its 34th year.

Mrs. C. W. Whittlesey, now first vice-president, will move up to presidency. Mrs. William Switzer will be first vice-president, and Mrs. Paul Hughes, second vice-president.

Mrs. Frank Whitmyer was re-elected recording secretary and Mrs. William Wiley was named treasurer. Miss Betty LeMaster was re-elected corresponding secretary.

Carrying out an international theme the club learned about Greece from one of its own members, Mrs. Chris Contos. She displayed native handwork and told of her travel experiences in visiting her "mother's" village near Athens in 1966.

Holy Cross Plans Dinner

Annual parish dinner at Holy Cross church will be held Sunday, January 21 after church services. A meeting is to follow.

Those planning to attend are asked to call Mrs. James Simpson, 349-1009, and Mrs. Robert Garbin, 474-4139, about what to bring.

A general convocation meeting was to be held at Holy Redeemer church in Southfield January 17. Reverend John J. Fricke conducted services at Hamburg January 14. Laurel Wilkinson was lay reader at Holy Cross in his place.

Dr. Isaacson Speaks Tonight

The January meeting of the Plymouth Branch of the American Association of University Women will be held at Junior High West, 44401 West Ann Arbor Trail, Plymouth on Thursday January 18 at 7:30 p.m.

Guests for this meeting will be Mrs. George Purcell and Mrs. William Striton.

The speaker this month will be Dr. Joel Isaacson, Assistant Professor of Art History at the University of Michigan. His topic will be "Is Social Change Reflected in the Arts?"

Dr. Isaacson received his training at Brooklyn College, Oberlin college and the University of California. During the University of Michigan's sesquicentennial program last spring Dr. Isaacson lectured on social change and the arts.

'Give A Hand' Urge Jaycettes

Three more mothers volunteered last week in the Northville Helping Hand program being sponsored by the Northville Jaycettes, but double the present total of about 100 participating mothers still are needed, the sponsors estimate.

To be effective, the Helping Hand sign should be displayed twice in every city and township block, Mrs. Joseph Kluesner, chairman, states. The sign indicates immediate help is available to any child. Mothers who will be home at the hours school convenes and dismisses are needed. They are asked to call Mrs. Kluesner, 349-5019.

DAR SPEAKER Lee Smits scans a Northville map with Mrs. George Merwin, Sarah Ann Cochrane program chairman for the chapter's annual luncheon, held Monday at

Hillside Inn. The speaker, who is a student of Detroit and Michigan history, told Early Detroit tales and outlined Detroit river battles of 200 years ago.

Lee Smits Entertains

DAR Celebrates Birthday

Members and guests of the Sarah Ann Cochrane chapter, DAR, celebrated the chapter's 42nd birthday Monday at a luncheon at Hillside Inn by looking back 200 years to early Detroit history.

"Forgotten Heroes" was the title of the talk given by Lee Smits, a weekly columnist for the Northwoods Call and special sales representative for the Michigan Consolidated Gas company. He formerly was a WXYZ news commentator and outdoor editor of the Detroit Times.

The speaker took his all-feminine audience back in history to 1763 when "Detroit was a central point in the development of the west with a fort on the river bend near where the Ford auditorium and Veterans' Memorial building now stand."

He told how hostile Indians had wiped out a family on Belle Isle and already had taken one schooner when the supply schooner, the Huron, arrived. The captain and five men of the 12 on board were killed by the Indians who numbered 340.

The speaker then paused to observe that history has shown that when the Indians captured a white child or man he almost always was assimilated into the Indian way of life, but that the captured Indian never adapted to white man's ways.

In the group of attacking Indians who were about to board the little ship, Smits continued, was a white man named Brown who had become part of the tribe. It was he who heard the mate of the remaining crew of six issue the order to ignite the gunpowder as the Indians boarded and blow up the supplies, the ship, themselves and the Indians.

He called the Indians to halt, giving soldiers from the fort time to come to the aid of the ship. With its supplies, and food sold them by the French, the settlers were able to last through the winter. The British held the fort until 1812 when the Americans came. (Brownstone county later was named for the

Brown of his story, Smits added.) In ensuing history, Smits continued, the Indian, who has contributed foods and names to our Michigan culture, has been neglected and misunderstood.

The speaker was introduced by Mrs. George Merwin. Another Northville member of the Northville-Plymouth area chapter, the Reverend Miss Elizabeth Etz gave the invocation.

News Around Northville

Mr. and Mrs. Ellwood Manning and their daughter, Catherine Ann, of Belleville, Illinois, have been visitors here for 10 days with Mrs. Manning's parents, Mr. and Mrs. Guy Coykendall, 47150 Seven Mile road.

The Coykendalls hosted an open house Sunday afternoon to mark their granddaughter's baptism.

Diane Ambler, daughter of Mr. and Mrs. Richard W. Ambler of 47033 Timberlane, has been elected recording secretary of Alpha Chi Omega at Central Michigan university.

A sophomore at Central, Miss Ambler will assume the new post in the spring.

Salow's Walnut Hill association will elect officers for the coming year at a semi-annual meeting at 8 p.m. Saturday, January 27 in the Novi community hall.

Refreshments will be served.

Members of the American elementary school staff will honor American Principal Robert Stafford at a farewell luncheon at 11:30 a.m. Thursday, January 25, at Hillside Inn. Stafford announced his resignation from the Northville school system Monday. It will take effect at the end of the semester.

Louise Kirk, who works with Cutler Realty in Northville, has a supporting role in the upcoming production, "Anastasia," of the Farmington Players. She also is serving as membership chairman for the group, one of the oldest and most successful in the

area with its own barn on Twelve Mile near Orchard Lake road.

The play about the woman who may be a survivor of the Bolshevik slaughter of the Russian royal family will open February 2 for a three-week run. Tickets are available for February 2, 3, 9 and 11 with a special half-price ticket for high school students on opening night only.

Pam Smith Eyes Junior Miss Title

Forty-seven of Michigan's most outstanding high school seniors, including one from Northville, will be at Pontiac Northern high school on January 27 and 28 for the 10th annual Michigan's Junior Miss Pageant sponsored by the Pontiac Jaycees.

A \$1,000 Coca-Cola Bottlers of Michigan scholarship, \$100 scholarship from Community National Bank, \$500 Savings bond from Chevrolet Division, General Motors corporation, \$25 Savings bond from Pontiac State Bank, the honor of being Michigan's Junior Miss, and an all expense paid trip to the national finals in March in Mobile, Alabama, await the winner.

A total of \$5,300 in scholarships and awards will be presented during the pageant. The winner will be crowned by Kathie Floss, 1967 Michigan's Junior Miss.

OBITUARIES

Death Claims Lifelong Residents

CLAYTON JORDAN
Clayton Jordan, 74-year-old World War I veteran who lived at 570 Carpenter street, died Thursday, January 11 at the Veterans Hospital in Dearborn. He had been ill for the past year.

Born in Northville, he was the son of John C. and Matilda (Martin) Jordan. His wife preceded him in death.

A life-long resident of the community, Mr. Jordan was a retired employee of the Northville Sand & Gravel company. He was a past member of the

Lloyd H. Green American Legion Post No. 147.

Survivors include a daughter, Mrs. Lucille Goldbach of Westland; three sons, Harold of Detroit, Alvin of Dearborn, and Freddie of Ypsilanti; three brothers, Percy of Plymouth, William of Northville, and Linnon of Detroit; and 17 grandchildren.

Funeral services were conducted Monday, January 15 from Casterline Funeral Home, with the Rev. S. D. Kinde, pastor of the First Methodist Church, officiating.

Burial was in Rural Hill Cemetery.

MRS. ROBERT BULMON
Mrs. Ruth Winkle Bulmon, a lifetime resident of the South Lyon-Salem area, died Thursday, January 10, at St. Joseph's Mercy hospital, Ann Arbor. She had been in failing health for the past two years.

Born June 16, 1895 in South Lyon, she was the daughter of William and Mae Holmes Gyde. She and Robert P. Bulmon were married in Salem township on January 20, 1916. They celebrated their 50th anniversary with an open house on January 23, 1966. The Bulmons had lived for the past 46 years at their farm home, 7324 Pontiac Trail.

Mrs. Bulmon was a member of the First Methodist church of South Lyon, the WSCS and the Salem Farmers club. She is survived by her husband Robert, and two children, Mrs. Beatrice Hanna of Fremont, California, and Raymond D. of Plymouth; sisters, Mrs. Helen Hicks of Whitmore Lake, Mrs. Dorothy Smith of Detroit; brothers, Edgar Gyde of Whitmore Lake, Merle Gyde of Pinckney, William Gyde of South Lyon and Kenneth Gyde of Plymouth; six grandchildren and three great grandchildren. Three sisters preceded her in death.

The Rev. Roger Merrell, of the South Lyon Methodist church, officiated at funeral services Saturday, January 13 at 1 p.m. at Casterline Funeral Home in Northville. Burial was in the Thayer cemetery at Six Mile and Napier roads.

MAUDE ELIZABETH BENNETT
Mrs. Maude Elizabeth Bennett, who for 85 years was a resident of Northville, died Friday, January 12 at St. Joseph Hospital, Ann Arbor.

A resident at 116 High street, 93-year-old Mrs. Bennett was born May 23, 1874 in Holly, the daughter of Thomas Glenn and Jennie (Whittaker) Richardson. Her husband, Claude, preceded her in death.

Mrs. Bennett was a member of Orient Chapter No. 77, Eastern Star.

Survivors include a sister, Mrs. Lida F. Murphy of St. Petersburg, Florida; one granddaughter, Mrs. Maxine R. Wolf of Detroit; and three great grandchildren. A daughter, Thelma R., preceded her in death.

Funeral services were conducted Monday, January 15 from Casterline Funeral Home, with the Rev. S. D. Kinde, pastor of the First Methodist church, officiating.

Burial was in Rural Hill Cemetery.

ALVINA C. WIRTH
Alvina C. Wirth, 89 of 46850 Timberlane, died Saturday, January 13 at Whitehall Convalescent Home in Novi. She had been ill for the past three months.

Born April 13, 1878 in Richville, Michigan, she was the daughter of Frederick and Minnie (Buetow) Wirth. For the past seven years she had been a resident of this community, previously having lived in Detroit.

Survivors include a son, Carl Pubanz of Northville, and two grandchildren, Marilyn and Richard Pubanz of Northville.

Funeral services were conducted Tuesday, January 16 from the Casterline Funeral Home, with the Rev. S. D. Kinde, pastor of the First Methodist church, officiating.

Burial was in Roseland Park Cemetery, Royal Oak.

BETTY COTTER
Mrs. Betty Cotter, 70, of 43220 Eleven Mile road, died Friday, January 12 at St. Joseph Hospital, Ann Arbor. She had been ill for about three weeks.

Born September 17, 1897 in Dixon county, Tennessee, she was the daughter of G. L. and Elizabeth (Johnson) Tatum. Her husband, Robert, preceded her in death in December, 1965.

Mrs. Cotter, a resident of Novi for 28 years, was a member of the Novi Methodist church, Rebekah Lodge No. 482 of Novi, Park Corinthian Chapter No. 401 O.E.S. of Highland Park, and the Daughters of American Victory Council No. 20 of Detroit.

Survivors include a daughter, Elizabeth Schrieber of Novi; a son, J.T. Cotter of Oak Ridge, Tennessee; a sister, Mrs. T. P. Powers of Paris, Tennessee; six grandchildren and eight great grandchildren.

Funeral services were conducted Monday, January 15 from the Casterline Funeral Home, with the Rev. Robert A. Mitchison, pastor of the First Methodist Church of Novi, officiating.

Burial was in Oakland Hills Memorial Park Cemetery, Novi.

Schoolcraft Choir Seeks More Voices

Formation of the Schoolcraft College Winter 1968 Evening Choir has been announced by Wayne Dunlap, chairman of the humanities division.

The choir, under the direction of Keith Sturdevant, will be composed of 35 voices selected through individual auditions.

Sturdevant, who is supervisor of vocal music and director of high school and college choirs in Highland Park, said the choir will rehearse on a regular schedule starting this month from 7:30 to 9:30 p.m. Tuesdays at the college.

Persons interested in joining the choir may make an audition appointment by calling the Schoolcraft Music department, at 591-6400, extension 317, during the day.

Membership in the choir will be based on voice quality and expressiveness, tonal memory, harmonic and melodic intonation, choral experience, sight-reading ability, and general musicianship.

A repertoire of outstanding choral music by Mozart, Pachelbel, Beethoven, Pinkham, and Poulenc has been selected for a performance by the choir in a pre-Easter concert on campus. Members of the college orchestra will accompany the choir.

Optimist Club Fetes Youth

A "Youth of the Month" award was to have been presented yesterday (Wednesday) at the weekly meeting of the Northville Optimist club at the Thunderbird Inn.

Featured speaker for the meeting was Mrs. Violet Mote, a Detroit police sergeant from Redford, who discussed juvenile delinquency matters. Wives of members attended the meeting.

Wixom News

Miss Alexis Smith—48656 Pontiac Trail—MA-4-1908

The Walled Lake Consolidated schools will be closed on Thursday and Friday, January 25 and 26 for the end of the semester recess. Classes will resume on Monday, January 29.

The Hickory Hills Coffee League bowled at the Fairgrounds Bowling Alley at Milford Saturday night. Mr. and Mrs. Paul Salo served afterwards.

The Wixom Elementary school gym is open every Tuesday night from 6:30 p.m.-8:30 p.m. for boys in the fourth grade and up. On Thursday night the gym is available for the girls in the fourth grade and older. The time for girls also is from 6:30 p.m. til 8:30 p.m.

Nearly every weekend, depending on weather and availability, Mr. Fred W. W. of 1429 Nightengale has been setting up tows for skiing at Proud Lake recreation area. There are also tobogganing and sledding areas. Wixom residents are urged to take advantage of this winter fun. The only requirement is that participants have a Michigan State Park sticker to be admitted to the park.

The youth group of the First Baptist church of Wixom went to the Masonic Temple in Detroit Saturday night to see "Without Onions".

Mr. Vernon Spencer of 51225 Pontiac Trail has returned from Saint Joseph's Mercy hospital in Ann Arbor.

Mr. and Mrs. Frank Robinson of 2540 Potter road, Mrs. Fred Dumka of 2800 Renton, and Mrs. John Chambers of 49085 Pontiac Trail attended a progressive dinner at the homes of members of the Crossroads Presbyterian church of Walled Lake.

Again this year the ice skating and hockey rinks, located at the Wixom City Hall, are reported to be in good condition. All residents of Wixom are welcome.

Mr. Alfred Gaedt of 3404 West Maple road is home from Saint Joseph's hospital, Pontiac. Mrs. Gaedt also has been sick but both are feeling much better now.

Mr. Fred Dumka of 2800 Renton street has been in the Oakland County sanitarium for over four years. The address is 1200 North Telegraph in Pontiac. Cards would be welcomed.

Mrs. Lucetta Ruggles of 49335 Wainstock street entertained Mr. and Mrs. George Morris of 205 North Wixom road, Mr. and Mrs. John Ruggles of 49309 Wainstock street, and Mrs. Glen Lent and children of Livonia on Thursday evening.

Democrats to Sponsor Issues Seminar Saturday

Northville Democrats, together with other party members from the 19th District, will conduct an Issues Seminar to be held at Schoolcraft college on Saturday, January 20.

The day-long program will get underway at 9 a.m. with registration and close at 4 p.m. with an evaluation of the seminar by Chairman Sander M. Levin.

From 10 a.m. to 12 noon a discussion of foreign policy will take place.

The luncheon program will feature Paul Winter, radio personality, as the guest speaker.

From 2 p.m. until 4 p.m., three different sessions are planned. These include discussions of civil liberties, crime and juvenile delinquency, and revised criminal code.

Police Solve Burglary

A breaking and entering that involved the theft of stereo sound equipment valued at approximately \$350 to \$400 from a home in Northville Estates was resolved Tuesday when Northville police recovered the equipment from two Northville boys.

Patrolmen Lawrence Towne and Ron Wankowicz recovered the equipment from the youngsters, ages 15 and 16. The case has been under investigation since January 7. The equipment, intact and seemingly in good order, eventually will be returned to its owner, police said.

Northville police have turned the

case against the juveniles over to the Oakland county juvenile authorities.

Police Evidence Points Up Drinking Problem

Youth Officer Speaks

Continued from Page 1
and the life situation they face.
The case with the 10-year-old boy mentioned earlier is one example.
Young's contact began when the boy was seven and extended for a period covering more than two years. Early incidents of playing in vacant houses, some which were damaged by fire, grew to a long list of breaking and enterings, serious assault on another youngster, and theft of a 38 caliber revolver. The child seemed totally without good relationships with adults.
"He would sit in that chair during my sessions with him. He was a skinny, dirty kid. And suspicious. He couldn't sit still and his eyes were never fixed on anything for an instant, always shifting and darting around. Finally, the Wayne County juvenile authorities began to believe me, that I had a youngster of these few years capable of these serious acts and in desperate need of help."
The boy was placed in a nearby

institution where he could receive psychiatric treatment, schooling, and the care and attention from adults most youngsters get from home and parents.
"I saw him not too long ago," Young said. "He seems to be doing fine. He's fat—chubby—clean, and for the first time I can remember he had a pleasant expression on his face. He seemed like any other happy pre-teenage kid. I think he's got a real good chance to grow up and be a good citizen."
To illustrate the lack of communication in its basic form, Young describes a situation that occurs with some frequency.
"Late at night we'll call a boy's home to inform the parents that we have their son at the police station and that the boy is drunk. The parents refuse to believe it's their son, insist that we must be mistaken, that their son has never and would never do such a thing.
"When they do arrive at the office,

see their son intoxicated — see him physically ill and vomiting from drinking — it delivers quite a shock to the disbelieving parent.

"It seems that parents who are sincerely unable to believe that their child is capable of drinking—drinking to the point of intoxication — have lost communication with youngsters somewhere along the way."

Drinking is the most frequently occurring misbehavior that brings youngsters in confrontation with police, Young says. The recovered property room at police headquarters holds a large and varied supply of alcoholic beverages that has been confiscated from young people over the past few months.

When asked to relate drinking of youngsters with his opinions about breakdown in communication and need for education about such matters, Young gave this response:

"A great many young people see their parents and other adults drinking, yet they usually get a strong and simple 'No. No. Don't you do it' from adults. This is not communication, not when the youngsters get a simple order not to drink and a different example of behavior from parents and other adults they might respect."

There is very little done in the way of thoughtful, gradual presentation of information about the use of alcohol to help the naturally curious and experimenting youngsters avoid the unpleasant results of experimenting without being aware of possible results.

In the matters of drinking, drugs and narcotics, cars and firearms, Young says that there is a considerable and growing supply of films and other educational tools available that make it possible for a community to meet this need.

Young has given a great deal of thought to his job and youth and Northville now and the future. He says that as of now there is no extremely serious condition facing the community in regards to its youth and their behavior. He does feel that Northville is in a time and situation during which it must give thought and action in a preventive sense.

In supporting his position on need for a preventive program Young points to specific acts by Northville and other area youths that bring them in conflict with laws and law enforcement agencies of the community.

The behaviors lend themselves to a grouping for boys and girls in their early teens and those below their teens. After the age of 17, young persons are regarded as adults by police and the courts.

Young believes that a preventive program directed at the specific behaviors that cause trouble today can do a great deal to avoid more serious difficulty in the community in the years ahead.

Municipal Court

Two minor-in-possession cases were heard in a special session of Northville municipal court last Friday.

Norman Arthur Bearer, 19, and Linda Ann Richards, 20, both of Farmington, were charged with being minors in possession after they were found by police at South Center and Cady streets. Both pleaded guilty and were fined \$30 and \$3 state costs each by Judge Philip Ogilvie.

In a special session of Northville municipal court Monday, James Malcolm Taulbee, now of Chicago, Illinois, but formerly of the area, was arraigned before Municipal Judge Philip Ogilvie on the charge of driving with no operator's license. He was picked up by police at Novi avenue and Base Line road Monday.

Oakland College Gets Federal Loan

Oakland community college's Orchard Ridge campus in Farmington has been awarded a \$500,000 federal housing loan.

Announcement of the grant, for the purposes of constructing a student union, was announced Thursday in a wire to The Record by Senator Philip Hart.

He entered a plea of guilty and was fined \$50 or 10 days. He was committed to Detroit House of Correction Monday.

Beginning this week, Northville Municipal court's regularly scheduled session has been changed from Tuesday to Wednesday mornings.

College Players Plan Double Billing

Schoolcraft College Masque Players will present "Ethan Frome," on the first of two play bills scheduled for the winter semester.

Performances are scheduled for Wednesday through Saturday nights, Feb. 7-10, in the lower level of the Lois L. Waterman Campus Center. Curtain time for all performances is 8 p.m.

Featured in the Owen Davis-Donald Davis dramatization of the Edith Wharton novel will be Patrick Jones, Northville, in the title role; Linda Rasmussen, Livonia; and Noel Little, Detroit.

The second attraction on the theater series — scheduled for early April — will present a pair of original works, a one-act play written by students, and a one-act musical written by Kelley and Dr. Hans Kolbe, evening college faculty member.

A cast of 35 students, with Camillo DeLabbio of Livonia, and Diane Ruffing of Northville, in the leading roles, is being assembled.

Senior Citizens Meet Tuesday

Northville Senior Citizens will meet at 6:30 p.m. Tuesday for a cooperative dinner and social evening. This and all subsequent dinner meetings, which are held on the fourth Tuesday of each month, will be in the fellowship hall of the Northville Presbyterian church.

Dinner meetings, which formerly were held in the old community build-

ing, had been held in the basement of the old junior high. Through the courtesy of the church, the Senior Citizens board announced, they will hold all dinners at the church.

Initially the group began meeting in the scout-recreation building, but soon grew too large to hold dinner meetings there. Regular business sessions and programs on the second Tuesday of the month will continue to be held at the scout-recreation building.

First Time in Six Years Wrestlers Trip Sorrows, 28-12

The Northville wrestling team overwhelmed Farmington's Our Lady of Sorrows last Thursday night by a 28-12 team score. The Mustangs lost only four individual matches to provide their Coach, Jack Townsley, with a measure of satisfaction slightly beyond what usually goes with a solid win.

In six years of coaching in this area, it was the first time Townsley led a team to win over a Dan Potter coached team. Potter and his Lady of Sorrows wrestling teams are highly regarded in the sport.

While heavyweight Dan Conklin lost his first match of the season, the Mustangs came on strong in the lighter and middle weights to put the meet out of reach of their opponents when Rick Suckow at 154 came out of a tough match with a 9-5 decision win.

Conklin's loss came at the hands of a real fine heavyweight, who wrestled his way to the finals in the Class C state meet last year.

Mark Griffin (95) got the Mustangs started right with a 7-2 decision win. Northville lost at 103, then Bob Baber (112) earned five team points with a second round pin to put the Mustangs ahead. John Tam (120) had a real battle for six minutes and won 3-0. Marty Richardson (127) contributed three team points with 6-0 decision.

Curt Olewnik (138) got the Mustang's second pin in the third round of his match. Then Don Sass (138) gave his team a big lift with a 4-0 win over a strong wrestler that really hurt the Farmington team. His win made the team score 22-3.

Brian Jones, giving away weight at 145, lost by a decision, before Suckow's win made the meet safe.

Northville's promising freshman, Dan Conklin (165) lost by a pin after fighting from his back for 45 seconds to keep his shoulders from the mat.

Greg Wikaryasz (180) won his match 9-2 to record the last win of the night for the Mustangs.

In keeping with Townsley's belief that his wrestlers improve with wrestling stiff competition, the Mustangs travel to Fenton this Saturday for a tournament that includes last year's state championship teams from both B and C tournaments.

Shots Aplenty, But Baskets Escape Novi

"We got plenty of shots—just didn't make enough of them."

Jim Ladd, Novi's varsity basketball coach who is still looking for his first victory of the season managed a smile despite his squad's 69-48 loss to Columbia Central at Brooklyn Friday night.

The fact that his players were able to launch 86 shots—18 more than the Eagles—against a far more experienced quintet is pretty significant proof that the Wildcats are improving, despite the painful losing streak in this the first and last season of competition in the Lakeland C League.

It takes time to manufacture a winning team. So each week Ladd stokes the furnace, crosses his fingers, and looks for those signs that mean Novi's younger, less experienced players have come of age.

The Wildcats are moving the ball well, now, but they're still unable to find their shooting mark early enough to turn defeat into victory.

Against the Eagles, Novi led 7-6 with six minutes gone in the first quarter. But the attack died early and by the end of that stanza Columbia had grabbed 12 points while the Wildcats were still clinging to 7.

At the intermission, the Eagles had built a comfortable 34-18 lead, and at the three-quarter mark they were out front by 20 points, 50-30.

Dennis Wahr, a substitute forward playing only his second varsity game for Columbia, led the opponent's attack with a 25-point blitz. He hit six straight

shots from the corner in the second half as Novi's newly installed zone defense forced the long shots.

Lee Snow was high-point scorer for Novi with six field goals and a single charity shot.

The Wildcats picked up 21 field goals and six of their 14 free shots, while the Eagles soared to 32 field goals and five of their 13 free shots.

Novi Cagers Face Clinton

Still feeling the sting of last week's loss to Columbia Central, Novi's cagers will tangle with the other half of the Lakeland "C" powerhouse here tomorrow night.

Invading the Wildcats court will be the Clinton quintet, currently tied with Columbia for the first-place position in the Lakeland circuit.

Despite the greater depth and experience boasted by Clinton, Novi will be out to snatch an upset victory in hopes of ending its five-game losing streak.

In other league action Friday, Grass Lake edged Manchester, 73-70, and Whitmore Lake raced past Ypsilanti Roosevelt, 50-55. Clinton, which beat Columbia earlier by three points, did not play Friday.

Tom Boyer Tops JV Scoring

Tom Boyer fired eight field goals and four free shots from the Novi junior varsity cagers' Friday night, but his efforts were futile as Columbia Central breezed to an easy 83-45 triumph.

Although its offensive attack didn't damage Columbia in the first half, Novi nevertheless scored well, coming up with 17 points in the first quarter and 15 in the second stanza.

It was a different story in the second half. The little Eagles stormed back with 21 points in the third quarter while limited Novi to just four points. In the final quarter, Novi added nine more points to their score—nine fewer than turned in by Columbia.

In that third quarter, Boyer was unable to score a single point as Columbia clamped a lid on Novi's basket.

Altogether, only six of Coach Milan Obrenovich's players were able to score—and only Boyer in double figures. On the other hand, 12 Columbia players notched two or more points.

The North 650.0 ft. of the East 5.00 acres of that part of the N.W. 1/4 of Sec. 11 described as beginning at a point on the N. line of said section distant N. 85 deg. 26' W. 714.40 ft. from the N. 1/4 cor. of Sec. 11 and proceeding thence S. 0 deg. 04' 45" W. 1438.28 ft.; thence N. 84 deg. 14' W. 67.50 ft.; thence N. 69 deg. 59' W. 189.0 ft.; thence N. 38 deg. 14' W. 105.50 ft.; thence N. 0 deg. 04' E. 1309.22 ft. to the N. line of Sec. 11; thence S. 85 deg. 26' E. along said line, 311.75 ft. to the point of beginning. 2.30 acres.

11D2
The East 5.0 acres except the North 650.0 ft. thereof of that part of the N.W. 1/4 of Sec. 11 described as beginning at a point on the N. line of said section distant N. 85 deg. 26' W. 714.40 ft. from the N. 1/4 cor. of Sec. 11 and proceeding thence S. 0 deg. 04' 45" W. 1438.28 ft.; thence N. 84 deg. 14' W. 67.50 ft.; thence N. 69 deg. 59' W. 189.0 ft.; thence N. 38 deg. 14' W. 105.50 ft.; thence N. 0 deg. 04' E. 1309.22 ft. to the N. line of Sec. 11; thence S. 85 deg. 26' E. along said line, 311.75 ft. to the point of beginning. 2.70 acres.

Item No. 11E
The east 2.50 acres of the West 4.99 acres of that part of the N. W. 1/4 corner of Sec. 11 described as beginning at a point on the N. line of said Section distant N. 85 deg. 26' W. 714.40 ft. from the N. 1/4 corner of Section 11 and proceeding thence S. 0 deg. 04' 45" W. 1438.28 ft.; thence N. 84 deg. 14' W. 67.50 ft.; thence N. 69 deg. 59' W. 189.0 ft.; thence N. 38 deg. 14' W. 105.50 ft.; thence N. 0 deg. 04' E. 1309.22 ft. to the N. line of Section 11; thence S. 85 deg. 26' E. along said line, 311.75 ft. to the point of beginning. 2.50 acres.

Item No. 11F
The west 2.49 acres of that part of the N. W. 1/4 of Sec. 11 described as beginning at a point on the N. line of said Section Distant N. 85 deg. 26' W. 714.40 ft. from the N. 1/4 corner of Section 11 and proceeding thence S. 0 deg. 04' 45" W. 1438.28 ft.; thence N. 84 deg. 14' W. 67.50 ft.; thence N. 69 deg. 59' W. 189.0 ft.; thence N. 38 deg. 14' W. 105.50 ft.; thence N. 0 deg. 04' E. 1309.22 ft. to the N. line of Section 11; thence S. 85 deg. 26' E. along said line, 311.75 ft. to the Point of beginning. 2.49 acres.

All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township Planning Commission before making its decision.

A copy of the item scheduled for hearing is on file in the office of the Township Clerk during regular office hours for public examination.

Gunnar Stromberg, Chairman
NORTHVILLE TOWNSHIP PLANNING COMMISSION

Frosh Win Two, Then Drop Four

After winning their first two games Coach Omar Harrison's freshman basketball team dropped four in a row for a 2-6 record as the mid-season mark approaches.

The freshmen lost 48-42 to Marshall junior high of Redford December 14, 49-38 at the hands of Plymouth East on January 4, 46-36 to Pearson Rouge January 11, and 47-37 to River Rouge January 12.

Bernie Bach and Kerry Cushing have been leading the offense. In the game against River Rouge, Bach had 14 and Cushing 10 points. The Northville freshmen held a four-point lead over Rouge at halftime. Several costly turnovers in the second half saw the lead evaporate.

Bach scored 18 and Cushing 17 in the six-point loss to Marshall.

The freshmen go against Farmington in an away game tonight.

Notice to Residents of The City of Northville

Please take note that the following SIDEWALK SNOW REMOVAL ordinance will be strictly enforced:

Sec. 7-135 Sidewalks; snow, ice; removal required.—
No person shall permit any snow or ice to remain on the sidewalks in the front, rear or sides of any house, premises, building or lot owned, occupied or controlled by him, longer than 24 hours after the same has fallen or formed; and where either has fallen or formed on any such sidewalk; such owner, occupant or his agent as above provided shall within 24 hours after the same has fallen or formed, remove said snow or ice, or cause a sufficient quantity of salt, sand or ashes to be strewn thereon in such a manner as to render the same safe for persons walking thereon.

Sec. 7-136 Definitions.—For purposes of this article, the phrase 'sidewalks in the front, rear or sides of any house, premises, lot or building' shall be construed to mean that sidewalk or walks forming a part of the public highway.

Sec. 7-137 Penalty.—Any person who shall neglect or refuse to comply with the provisions of section 7-135 shall, upon conviction, be subject to a fine of not more than \$100.00 or to imprisonment for a period not to exceed 90 days, plus court costs, or to both such fine or imprisonment in the discretion of the court.

Frank Ollendorff
City Manager
City of Northville

Mustangs Upset Lakers, Take W-O Lead

Clamping a lid on the opponent's basket, Northville scrambled to the top rung on the Wayne-Oakland league ladder here Friday night, upsetting

previously unbeaten West Bloomfield, 60-48. The W-O victory was the sixth in a row for the Mustangs—one full game

better than the Lakers' 5-1 record. Three days earlier Northville had slipped past Brighton, 57-54, to set the stage for Friday's contest.

Defensive rebounding and ball snatching beneath the Lakers' basket in the second half of the do-or-die battle was a key factor in the Mustangs' triumph.

"It was hard to tell who would 'cool off' first," beamed Coach Dave Longridge as he congratulated his charges in a wild locker room setting following the game. "Fortunately we hung on longer."

The Mustangs potted 20 of their 31 shots from the floor for a sizzling 65-percent performance. But even more important was their ball hawking, particularly in the second and third quarters.

Northville hauled down 33 rebounds—more than half of them were picked off by the lanky right forward, Jim Peterson. He snagged 18 rebounds. Most of them came under the Lakers' basket.

"It took all of our guys to win it," said Longridge. "It was a great team effort."

Turning point in the game, commented the coach, came with the switch from the zone to a man-to-man defense. "We started with the zone, trying to keep the pressure on them...to force them to make their shots from far out."

Down 26-20 late in the second quarter, the Mustangs switched to the man-to-man defense. A turnover, a basket that didn't count and a defensive foul against West Bloomfield stunned the Lakers. From that point on Northville chipped away at the opponent's lead until the half-time buzzer stopped the action with the Lakers out front by only two points, 29-27.

Northville returned to the court following the intermission to quickly knot the score and then take the lead. By the three-quarter mark, the Mus-

tangs led by eight points, 44-36.

With less than three minutes to play in the final quarter, Northville had increased its lead to 13 points, 53-40.

Still another important factor in Northville's win was the amazing performance at the free throw line. The Mustangs missed only five of their 25 shots for an 80-percent mark, while the Lakers managed to net eight of their 16 shots.

Floor leader Joe Andrews led the victors with 19 points, followed by Peterson with 13 and Ken Boerger with an even dozen.

Steve Westjohn, Laker forward, was high point man for his squad with six field goals and two charity shots. West Bloomfield made only 20 of its 53 shots from the floor.

As often happens in a game with Brighton, the high-riding Mustangs faced some tough competition in turning back the Bulldogs, 57-54.

Northville had the short end of a 30-29 score going into the third quarter. But by late in that stanza, the Mustangs appeared to have broken into the open. Yet, three times the Bulldogs rallied although never completely catching the visitors.

In reversing the first-half deficit, Northville had to take the edge in field goal shots. While the Bulldogs were notching eight free shots in the second half, the Mustangs found themselves at

Clarkston	1	5

the charity line only twice in the final quarter and not once in the third. Altogether, Northville came up with just over half of its free shots—7 for 12, while the Bulldogs grabbed 16 for 21.

Forward Randy Pohlman almost

duplicated his 21-point output turned in a week earlier against Bloomfield Hills by notching nine field goals and two free shots. His 20 points were easily high for the Mustangs.

Thirteen points by Tim Bowditch were high for the Bulldogs.

★ ★ ★

Next up: Holly

Holly may be near the bottom of the Wayne-Oakland League cellar, but Northville Coach Dave Longridge sees little reason to expect a snap win tomorrow when the Mustangs tangle with the Bronchos at Holly.

"We're taking each game one at a time," he said. "When you're on top everyone's out to beat you."

Holly is the only remaining squad in the W-O circuit that Northville has not yet met this season. So there's little to go on, Longridge explains.

A relatively inexperienced team, the Bronchos have "fair" height, a balanced

club with apparently no single outstanding scorer. They'll carry a sixth-place, 2-4 record into the game.

Longridge reminded fans that the January 23 game with Clarenceville has been postponed until Thursday, February 29 because of conflicts with exams.

In other W-O action last Friday, Bloomfield Hills bounced back after its loss to Northville to clip Brighton, 53-42; Milford, winless in six games, nipped Clarkston, 69-67; and Clarenceville defeated Holly, 66-59.

SPORTS

Jim Peterson Snags Another Rebound

Colts Drop Two Cage Squeakers

The Northville JV basketball team lost two close games last week, losing 59-58 in overtime at Brighton Tuesday night and trailing West Bloomfield 53-50 in a rough and rugged contest at home Thursday night.

At Brighton, JV coach Bob Kucher again had the experience of watching Ron Hubbard take a jump shot as the last few seconds fled the clock. But this time Hubbard's shot rimmed the basket and two desperate tip-in attempts by the Mustangs failed to save the game.

It was second time in less than a week that the Colts called time out with seconds left to set up a play. The previous Friday Hubbard hit a long jump shot to pull the game away from Bloomfield Hills.

Kucher had praise for Fred Holdsworth's play in the Brighton game. "Fred gave a good account in all departments, defense on the floor, rebounding, and moving the ball."

Holdsworth put Northville in the lead 58-57 with 10 seconds left after stealing the ball.

After the basket, Brighton called time out to set up a play. It didn't work. Brighton dribbled into a trap and lost the ball on a Northville steal. A foul was called and Brighton hit twice on a one-and-one, which set up the last-chance shot that failed for Northville.

Kucher described the JV's play against West Bloomfield as being the best team effort this season. "They were working together in a fine style of team play."

JAYCEE WEEK—Northville Mayor A. M. Allen signs a proclamation designating January 21-27 as Jaycee Week—an annual observance pointing up the civic contributions of the young men's organization. Present were Jaycee president Richard Norton (left) and Jim Belz.

In Oakwood Area

Should City Buy Land for Park?

A four-member committee was named by Mayor A. M. Allen Monday night to recommend to the council whether it should permit house building on a three-acre parcel in the northern portion of the city, or whether it should be purchased by the city as a recreation site.

The area lies north of Hill and between Grace and Novi streets. It is a wooded section that was platted many years ago, but is undeveloped and has no roads or utilities.

The matter came to the council's attention Monday evening when one of the six owners of the 13 platted lots, Ivan Berdan, requested information on special assessment procedures for bringing water and sanitary sewer service to the area.

Manager Frank Ollendorff explained that the services could be provided, but that all improvements, including streets, would have to meet city standards and be assessed against benefitting property owners.

Councilman Del Black, the council's representative on the recreation commission, reminded fellow councilmen that it had been their position in the past that the area should be reserved for park or recreation facilities.

"I'd like you to poll each councilmember on this matter," Black told the mayor. "We must answer this request and I'd rather take the position that the site is more desirable for recreation."

Mayor Allen said many questions remained to be answered. "Can we afford to buy it? How much will it cost? What kind of a recreation area would we propose?"

The mayor then suggested that Black, the city manager, Recreation Director Robert Prom and a member of the planning commission take a look at the parcel, decide whether they want it for recreation and then make a recommendation for action to the council.

In other business Monday night the council appointed Hiram Pacific to the board of review; approved sale of a strip of land at the curve on the west end of Randolph for \$1,000 to the adjacent lot-owners, then rezoned the parcel R-2A (multiple dwelling) with the stipulation in the deed that it could be used as for entrance and exit but not building purposes; accepted the resignation of Charles Altman, Jr., from the parking authority; adopted amendments to local ordinances covering trespassing, larceny and severability; set a filing fee of \$25 for residential unit plans and a \$300 fee for preliminary plans; and declined to make any payment to a motorist involved in an accident with a city vehicle because both were determined to be equally at fault and the insurance company said there was no legal liability.

Finally, the manager was instructed to meet with the Thompson-Brown company, the school district and other property owners along Taft road to discuss special assessment procedures for paving of Taft.

W. L. Mainland Heads SEMCOG

The Southeast Michigan Council of Governments (SEMCOG) Saturday was organized to continue "cooperation and cohesion" introduced in Detroit region inter-governmental affairs by the Detroit Metropolitan Area Regional Planning commission.

The first formal session of the General Assembly of SEMCOG was held in the auditorium of the Ford Motor company headquarters building in Dearborn.

William L. Mainland, Supervisor of Milford township in Oakland county was elected chairman and Detroit Councilman Mel Ravitz, chairman of the Wayne county board of supervisors was elected vice-chairman.

Mainland said:

"Our meeting in this general assembly may prove to be one of the most significant events in government in Southeast Michigan in the last half of this century.

"Working together, we can build for a great tomorrow. The Council of Governments will be a means of accomplishing this."

R. J. Alexander, chairman of former Detroit Metropolitan Area Regional Planning commission now replaced by SEMCOG, told the assemblymen:

"The future bodes both great promise and great challenge.

"The effectiveness of our regional planning effort has depended upon our ability to ascertain facts, to relate them, and to trust in the people to believe and to judge on the basis of these facts.

"By utilizing facts and figures, the Regional Planning commission introduced cooperation and cohesion in the inter-governmental affairs of the Detroit region.

"In this Council of Governments, we have a group with no more power, no more authority, than the Regional

NEWS BRIEFS

Killer Quake Slashes Sicily

A catastrophic wave of killer earthquakes smashed across the western tip of Sicily Monday killing 250 persons. Police said most victims died when a hospital at Montevag collapsed and buried 200 persons. The quake was the worst natural disaster to hit Sicily since an earthquake destroyed Messina in 1908 with a loss of 75,000 lives.

The Royal Laotian government claimed four North Vietnamese Antonov fighter bombers attacked the town of Muong Yut in northeastern Laos Friday in the first known use of Hanoi's planes against ground positions.

The trespass conviction of 28 University of Michigan students and faculty members who conducted an anti-Vietnam war protest sit-in at selective service headquarters was let stand by the Supreme Court Monday.

In other action by the Supreme Court, the proposed giant merger between the Pennsylvania and the New York Central Railroads was approved, thus clearing the way for the combination by February 1. The two railroads were given a go-ahead almost six years after they had asked the government to allow what will be the biggest merger in United States Business.

At least 16 persons were killed and hundreds were injured as houses collapsed early this week under the force of hurricane winds in the British Isles. Glasgow, streets were littered with houses blown off their foundations. North of Glasgow, in the Clydebank shipyards, two new vessels were blown off their moorings. A Clydebank church collapsed.

Mike Kasperak, his transplanted heart still functioning well, remained in critical condition early this week after removal of his gall bladder Sunday in an emergency operation at Stanford University Medical Center. In Johannesburg, South Africa, Philip Blalberg got out of bed Sunday night for the first time since his heart transplant operation on January 2. His condition was reported very satisfactory.

As a prestige project, the Communist government in East Berlin is erecting a broadcast tower which will have a panoramic restaurant at the 800-foot level, overlooking West Berlin. The tower itself is to be 1,170 feet high. It will send out both television and radio signals. Completion is slated for 1971.

Heating problems in the television

camera aboard Surveyor 7 forced scientists to pace picture-taking operations Monday as the lunar moon approached and temperatures rose on the moon's surface. Officials said the camera was shut down and allowed to cool for 40 minutes between the half-hour photographic sessions. Surveyor 7 has transmitted more than 9,000 pictures of the Tycho Crater region since it landed on the moon January 9.

Pope Paul VI has named Francis Cardinal Brennan to head the Roman Curia's Congregation of Sacraments, the highest Vatican post ever given to an American.

Senate Democratic Leader Mike Mansfield is urging halting of United States bombing of North Vietnam, claiming Hanoi may have given the "one small indication" President Johnson has publicly sought that peace talks might result. He referred to a New Year's weekend statement by Nguyen Duy Trinh, North Vietnam foreign minister, that Hanoi "will hold peace talks with the United States" if U.S. bombing and other "acts of war" against the North are stopped.

An ex-convict has been charged with first-degree murder in the rape-slaying of a young Lincoln Park mother of

four who was found beaten to death under an overpass bridge in Huron township.

Hundreds of area residents in the Plymouth-Salem area, who attended the public hearing on the proposed M-14 freeway route from Detroit to Ann Arbor, learned that State Highway Department officials are confident that the proposed route is the most economical one possible. An alternate route, they were told, would cost \$9 million more than the one proposed.

Nearly 60 Michigan school districts may end the fiscal year with a deficit, Dr. Ira Polley, state superintendent of public education, told the state board of education. He said the closing of the Inkster schools for lack of funds would be "unthinkable." His remark came on the heels of threats by Inkster officials that unless the state bails it out of its financial dilemma they will be forced to close the schools.

Voters of the city of Walled Lake and the Village of Wolverine Lake went to the polls yesterday to decide an annexation question calling for annexation of some 10 square miles of Commerce township and part of Wolverine Lake to Walled Lake. A majority vote by all areas involved was needed to carry the issue.

Does one customer make an extra special year?

At Manufacturers Bank we think he does. And in 1967 we made additional efforts to better serve each of our present customers and to attract new ones. Manufacturers' traditional friendly service was emphasized. New banking services were initiated. Like Unichex, the first complete bank account. And a new personal checking account that

did away with service charges. And a data transmission service designed to help businessmen speed up their cash flow. The result was a rise in total resources from \$1,631,232,609 to \$1,817,549,224. But it really came as no surprise. Because long ago we learned that personal attention to each individual customer is the best way for a bank to grow and prosper.

Rev. Ivan E. Speight, Pastor
Salem Federated Church

So many people make resolutions, and never keep them. Resolutions made at New Years are usually broken and forgotten before the year is hardly begun. Once the resolution is broken, no more attempts are made to do what has been resolved. The spirit is willing, but the flesh is weak.

Most resolutions are made like resolutions at national conventions. "We are resolved" ... and that's it! People are resolving themselves, but not committing themselves. They are like the cigarette smokers who are resolved to quit smoking, but not committing themselves to smoke their very last cigarette. When you make a total commitment to Jesus Christ, you are more than resolved. You are regenerated when you put your faith in Jesus Christ. The "keeping power" is then in His strength,

not your own. The Apostle Paul was able to say, "For I know whom I have believed, and am persuaded that He is able to keep that which I have committed unto Him against that day." (II Timothy 1:12) You do not have to be an Apostle of old to have the same experience. All you have to be is a born-again believer who is willing to let go of self, and let God work in you to will and have His good pleasure.

You sincerely would like to keep a good resolution? Then turn your life over to "Him that is able to keep you from falling." Don't just be resolved to Christ. Be committed to Christ. This is why so many resolutions are never kept. So many are not committing themselves to Christ. Are you committed to Christ?

Cancel Meetings

Jehovah's Witnesses of the South Lyon Congregation have cancelled all congregational meetings this week. They will be attending a three-day conference at Tecumseh.

The gathering will be 6:45 p.m. Friday at the Tecumseh High school, as District Supervisor of Jehovah's Witnesses, Marvin L. Holien, speaks on the assembly theme: "Walking Orderly by Spirit." There will also be speakers from five nearby communities on Friday.

Dedication to God and baptism will be discussed Saturday afternoon, after

which those qualifying will be baptized. In the evening, the program will center on the achievements of the congregations represented during the past six months.

The highlight of the assembly will be the public address Sunday at 3 p.m. by Mr. Holien on the subject, "Will God Intervene in Men's Affairs."

Victor Szalma, presiding minister of the South Lyon Congregation, has extended an invitation to all interested persons to attend any part of the three-day meeting, particularly the public discourse by Mr. Holien.

IS YOUR HOME REALLY COMFORTABLE?

The drain prevents problems

Mineral deposits cause problems—and with ordinary humidifiers you can't escape them. And they all add up to frequent service, frequent maintenance, inferior operation. Not with the Aprilaire Humidifier—It traps them... or they're discharged down the drain.

Aprilaire HUMIDIFIER

IN THE OLD DAYS

In Aunt Miranda's day there was no question about whether you went to church on Sunday. You didn't stay home because it was raining or snowing, or because you had a slight headache. You went—by horse-drawn wagons or carriages—a much harder trek than it is today.

Maybe because it was harder, people appreciated it more. Maybe in that era of pre-modern conveniences people had a better sense of values. They seemed to know, at any rate, what was really important.

Of course, the church is just as necessary today as it was in Aunt Miranda's day. Certainly the complexities of our present generation make life's problems seem increasingly abundant. Hadn't we better go to church next Sunday—and see for ourselves?

Out of THE PAST

FIVE YEARS AGO...

...Mrs. Clement C. Yerkes, member of a pioneer Northville family, died a few days before her 87th birthday. Born January 20, 1876 of Eleanor Starkweather Thompson and Edwin B. Thompson, she was the mother of Edmund P. Yerkes.

...The first robin sighting of the year was reported by the James Telam family.

...Preliminary plans for a \$1.3 million junior-senior high school on Taft road were presented to the Novi board of education.

...Police Chief Lee BeGole was elected president of the Oakland County Law Enforcement association.

TEN YEARS AGO...

...Bids were being sought for construction of Novi's new elementary school to be built near Willowbrook subdivision. Superintendent William Medlyn said the target date for the first eight-room unit had been set for August 1.

...Mrs. Chris Hammond, Northville P-TA program chairman, and Wayne State university's Dr. Chester McCormick were making plans for his appearance before the P-TA.

...Motorists in the habit of parking their cars on city streets overnight had to change their habits as the new city ordinance banning parking between the hours of 2 a.m. and 6 a.m. went into effect.

...Northville's Chick Harbert picked up some of Bing Crosby's money, \$975 worth to be exact.

FIFTEEN YEARS AGO...

...Robert A. Nemi of 48540 Northview was named plant manager of all the Burroughs Adding Machine company plants in Plymouth.

...D. J. Stark was the new president of the Northville Exchange club, receiving the gavel from the outgoing president, Bruce Turnbull.

...The Northville school system was temporarily out of debt but only for two or three weeks. It got out of the red when Township Treasurer Roy Terrill turned over enough money from tax collections to pay off three notes, each for \$9,999 which the school board had borrowed in November and December to meet its bills.

...William W. Stanford was named to the 1952-53 edition of "Who's Who Among Students in American Universities and Colleges." He attended Ferris Institute at Big Rapids.

TWENTY YEARS AGO...

...It's a long time, agreed Agnes Drews, Pauline Stamann and Martha Morgan on the occasion of completing their 25th year at the Phoenix plant.

...Retiring officers of the Perry Kenner Post 76 AMVETS were William McDermid, post commander; Don Rowley, first vice-commander; William Rackov, second vice-commander; Ray Harrison, post adjutant; and Ed Balyo, post finance officer.

The AMVETS decided to petition the postmaster general for a rural route out of Novi.

...Elected president of the Depositors State Bank was John Boyce. The vice-president was E. S. Beard.

...Coach Russell's Mustangs came back strong after a three game slump by defeating the Holly Bronchos at the local gym, packed with spectators, by the score of 45-25.

TWENTY-FIVE YEARS AGO...

...Pictures of C. William Heard, William A. Hansor, and Louis Bouchard were published in The Record under the heading, "Northville Servicemen—American Heroes."

...Purchase of defense stamps and bonds by Northville school boys and girls brought the total to \$4,132.85.

...Gasoline Rationing Stamp No. 4 in the basic A booklets was to become valid for use January 22, the rationing board announced.

...January 15 marked the opening of Ankner Beauty Shop at the corner of Main and Center streets.

...Dorothy Orr, daughter of Mr. and Mrs. J. W. Orr, 3165 Seven Mile road, was chosen to receive the annual DAR award for good citizenship.

...Alton F. Peters, commander of the Lloyd Green Post, American Legion announced that the Legion was sponsoring a drive to collect hunting knives for use of soldiers in hand-to-hand combat.

...Walter R. Cook, chairman of the county farm transportation committee, stated plans were being made to have someone at Wixom to assist farmers in making appeals for truck gasoline.

Of Record-Novi News Reporter, Cartoonist Join Staff

A former magazine editor and a Ford Motor company artist have joined The Northville Record-Novi News editorial staff.

Burley Hendricks, who for six years was managing editor of School Shop magazine and associate editor of Lakeland Boating magazine, assumes the reporting post formerly held by Rolland Peterson, now editor of The South Lyon Herald.

Joining the staff as cartoonist is John Wortman, a Northville resident who works as a body engineer illus-

trator for Ford. His cartoons, concerning local topics, will appear weekly on the editorial page.

Presently a part-time shop teacher in the South Lyon school district, Hendricks has had a wide journalistic background since graduating in 1960 from the University of Michigan where he majored in journalism and education.

In addition to his magazine positions, he has worked part-time for a number of weekly newspapers and has written a number of free-lance stories for dailies.

Hendricks is a graduate of Gobles high school. During World War II he served as a mechanic with a B-29 squadron in the South Pacific.

He lives with his wife and son in Chelsea. He plans to move to this area upon his son's graduation from Chelsea high school in June.

As a reporter here, he will cover both the Northville and the Novi-Wixom areas.

Wortman has been a resident of Northville for more than 17 years. He has been an illustrator for Ford since 1953. For two years Wortman

operated a hardware business in the building now occupied by this newspaper.

A 1936 graduate of Michigan State university, he has been an artist and amateur cartoonist for much of his life. In addition to painting with oils, water colors, and acrylics, he is an amateur motion picture buff.

He lives with his wife and son, a senior at Northville high school, at 231 Wing street. His daughter is the wife of Al Laux, owner of Northville Drug, and another son lives in Mt. Clemens.

Old Wives' Tales Can Spoil Driving

"Old wives' tales passed along by drivers can cause winter driving trouble," Northville Police Chief Samuel Elkins warned this week.

Among the old sayings that are "pure hogwash," he said, is the belief that a 100-pound bag of sand or other weight in the car trunk will give better traction for driving on snow or ice.

He pointed out that because most of the trunk space is behind the rear axle the added weight actually decreases the load on the front wheels and thereby reduces steering control.

The question of whether adding weight increases pulling power has been tested by the National Safety Council's Committee on Winter Driving Hazards, the official explained.

"The engineers found that decreasing the load on the front wheels reduces steering control and under slippery conditions this is a serious situation," the chief said. "They found that traction was improved only slightly and it isn't worth the risk of cutting down on steering control."

He said another piece of fiction that keeps making the rounds is that by reducing tire pressure you get better traction on ice or snow.

"The National Safety Council made tests of this theory and found it false," the official said. "The engineers found that letting air out of tires does no measurable good, and running on a mushy tire increases tire wear. The loss of rigidity can promote skidding and instability."

The chief said instead of experimenting with theories passed on to him by his neighbor the motorist should follow the recommendations of the National Safety Council and International Association of Chiefs of Police in driving on ice and snow.

"First thing to do," he said, "is to get the 'feel' of the road, try your brakes, see how much acceleration it takes to cause wheel spin."

He said another important safety "must" is to increase following distance because it takes much longer to stop on ice or snow.

"When you stop," he said, "you must pump your brakes rapidly. This lets the wheels roll naturally between brake applications. You can't control the direction of a locked wheel."

The official warned drivers that they must have good tire treads to drive safely on ice or snow. He recommended that drivers use snow tires or studded snow tires for greater traction and control.

"And it is very important to carry reinforced tire chains in the trunk for severe snow and ice conditions," he said. "Chains give you 50 percent more stopping power on glare ice than regular tires."

He reminded drivers that they must keep their windshield and car windows clean.

NOVI HIGHLIGHTS

Mrs. H. D. Henderson — FI-9-2428

A pre-nuptial shower was held at the Novi Community Hall Sunday afternoon in honor of Kathy Lamont, daughter of Mr. and Mrs. Albert Lamont of Whipple street. The shower was given by Kathy's aunts, Mrs. Kay Debransky and Mrs. Nancy Hawes of Detroit, assisted by Mrs. Lamont. There were 35 friends and relatives present.

This week on Friday Mrs. Glen Schenimann will honor Miss Lamont at a miscellaneous shower. The guests will be neighbors of the Lamont family. A personal shower will be given for the bride elect by her aunts in Detroit some evening next week.

Kathy Lamont will become the bride of Richard Michael McFall, son of Mr. and Mrs. Richard McFall, Sr. of Plymouth Saturday evening January 27 at four p.m. in the Novi Methodist church.

Friends of Tom Bailey will be interested to know that for the third time he left on the Enterprise for Vietnam. The Enterprise is the largest nuclear aircraft carrier in the world. Tom is ranked as Chief Machinist Operator, B.T.-1. He received several Christmas gifts from organizations in Novi for which he is most grateful.

Last Thursday the following Blue Star Mothers went to the Veterans hospital in Ann Arbor. For shopping during the day - Lucy Needham, Dolly Alegmani, Florence Wyatt and Lillian Miller. For the evening bingo party -

What's Cooking

At Northville High School

Lunch will be served in the Northville Junior and senior high school cafeteria only three days next week as school will be recessed Thursday and Friday for semester change.

The menu for January 22-24 is as follows:

Monday - chili, meat sandwich or bread and butter, relishes, hot fudge pudding, milk; or chicken noodle soup as main course alternate.

Tuesday - hamburger and gravy over mashed potatoes, corn, rolls and butter, cherry shortbread dessert, milk; or vegetable beef soup, meat sandwich alternate.

Wednesday - sloppy-joe on bun; brownie potatoes, cheese wedge, relishes, peaches, milk; or split pea soup, meat sandwich alternate.

At the high school only an alternate main course choice daily will be hamburger on bun and French fries.

Hazel Mandilk, Alma Klaserner, Hilda Little and Betty Sigsbee. They served doughnuts, coffee and ice cream and gave canteen books for prizes.

Mr. and Mrs. Rex Smith spent this past weekend with their daughter Judy's family, Mr. and Mrs. Lewis Perry and children in Williamston.

Mr. and Mrs. Tom Macaluso entertained for a week the forepart of this month, the latter's sister and family, Mr. and Mrs. Edward Meyers and daughter, Cheryl from Bay Shore, New York.

Tom Macaluso left on Sunday for Helena, Montana with a truck load of jeeps for the Army base there.

Mr. Mike Choquet suffered a third degree burn on his hand several weeks ago and has since had to go to his doctor every other day.

Miss Eugenie Choquet attended a civil defense council at Alvario's in Oak Park last Monday. Next Monday, Miss Choquet will start a new First Aid class.

Leon Dochot is now home from the hospital where he underwent major surgery recently. He is recuperating at home.

Sunday visitors at the home of Mr. and Mrs. Lloyd Coleman were their son-in-law and daughter, Mr. and Mrs. Ronald Slober and their infant son, John of Detroit.

Friday Mr. and Mrs. James Haas made a trip to Redford to see the latter's grandmother, Mrs. Anthony Petersmark who had just arrived back home after major surgery in Mt. Carmel hospital.

Mrs. George Schwarz of Detroit was the weekend guest of her sister-in-law, Mrs. Harold Henderson.

Mr. and Mrs. Mike Michaels and Steven and Lisa have returned from a three weeks vacation at Pompano Beach, Florida. They were there during the holidays.

After a week of vacation at Clearwater and Hollywood in Florida, Mr. and Mrs. William Beadle and son, Leonard and daughter Laura are back home again.

Mr. and Mrs. Noble Nelson of Fullerton, California are in Michigan for two weeks to visit their son-in-law and daughter, Mr. and Mrs. Brian Hare and other relatives. Mrs. Hare's brother Richard Nelson of the U.S. Navy is now on leave and visiting at the Hare home. His brother, Michael has just been discharged from the Seabees.

Among the Florida vacationers were Mr. and Mrs. Kent Mathes who spent two weeks in Pompano Beach.

Willowbrook Community Association had a board meeting at the home of Gwynne and Jim Chevold January 8th. Another meeting is scheduled for January 23. The present officers are: president, Kent Mathes; vice president - vacant at present; secretary - Gwynne Chevold; treasurer - Vern DeWaard. The members of the board of directors are: Subdivision one: Bill Brinker and Duane Smith. Subdivision two: Fred Goerlitz, Bob Radtke and Bob Sale. Subdivision three: Jim Cheroff and Gary Price. If there are any questions, contact these members.

NOVI METHODIST CHURCH NEWS

The WSCS and the Novi Rebekahs served dinner to the relatives after funeral services for Betty Cotter Monday afternoon.

Tuesday evening at 7 o'clock the Finance Committee and Membership and Evangelism committee met. At 8 o'clock the official board had a meeting followed by a meeting of the nominating committee.

Wednesday choir rehearsal at 7:30 p.m. Last Friday evening the MYF had a toboggan party with refreshments afterwards.

Saturday at 10 a.m. a membership class will be held at the church.

Sunday at 1:30 several of the church members will have services at the Whitehall Convalescent Home.

MYF meeting at 6:30 Sunday evening District Conference on Evangelism will be held in Ann Arbor Westside Methodist church from 2:30 to 8:30 p.m.

January 28.

The Discussion group will have a social evening at the home of the Edwin Steinbergers Friday evening.

They will have a study period and refreshments will be served. They plan to meet in one of homes once a month.

HOLY CROSS EPISCOPAL CHURCH MISSION

Sunday January 14 Rev. John Fricke conducted services at St. Stephens church in Hamburg and Laurel Wilkins was the lay reader for Novi Holy Cross.

The annual parish dinner will be held after services Sunday, January 21. A covered dish dinner will be served.

Contact Mrs. James Simpson, 349-1009 or Mrs. Robert Garbin 474-4139 to tell them what you plan to bring for the dinner. Flowers are needed for the altar. Contact Mrs. Elston Poole.

A general convocation meeting will be held at Redeemer church in Southfield Wednesday, January 17.

Please keep your Betty Crocker coupons and stamps coming in.

E.U.B. WILLOWBROOK COMMUNITY CHURCH

Saturday, January 20, Junior Catechism class at 9:45 a.m. and Junior Hi class at 11 a.m.

Sunday, January 21 will be the beginning of the Four-C mission, a preaching and study program for the Church Conference wide program in which a guest

speaker will be in each of the E.U.B. churches in the conference. The guest missionary will be Rev. Garfield Kellerman Jr., conference superintendent for the West District. He will speak in the 11 a.m. service Sunday morning, January 21. He will then meet with the congregation at 7:30 Sunday, Monday, Wednesday and Thursday evenings with discussion groups.

The Youth Fellowship will have a sloppy joe supper at 6 p.m. Sunday evening with Rev. Kellerman as special guest. The congregation is invited.

Fifteen Detroit area ministers wives had a luncheon at the home of Mrs. Arthur Norris last week on Tuesday. NOVI REBEKAH LODGE

The next meeting of the Novi Rebekah Lodge will be held on Thursday, January 25, with the new officers presiding. The Past Noble Grands will meet on Thursday (tonight) January 25, potluck at the hall with Thelma Cheeseman and Dorothy Snow as hostesses.

The new officers of the Novi Rebekah Lodge who were installed on Saturday, January 13 at the Novi Community building are: Noble Grand, Shirley Carter; Vice-Grand Mae Atkinson, Recording Secretary Flossie Eno, Financial Secretary Anne Ortwine, Treasurer Jennie Champion, Chaplain Grace Frisbie, Inside Guardian Laney Henderson, Outside Guardian Hildred Hunt, Right

Supporter to the Noble Grand Sue Watson, Left Supporter to the Noble Grand Irene Staman, Left Supporter to the vice-grand Nellie Rackov and Right Supporter to the Vice-Grand Kathryn Bachert. Officers of Clyde Lodge were installed with the Novi Officers. There will be a practice of the new officers on Monday, January 22 at 7 o'clock.

The next meeting of the Odd Fellows will be held on Tuesday, January 23.

Two Novi Rebekahs were taken by death this past weekend. They were Sister Marvella Fletcher and Sister Betty Cotter.

Next regular meeting of the Rebekah Lodge is scheduled for January 25.

NOVI BOY SCOUTS

Novi Boy Scout Troop #54 is being reorganized. Gerald Wachtel chairman of the Scout committee is retiring as chairman and taking over his duties at secretary. They had a special meeting at the Rosewood last Thursday called by Institutional Representative, Duane Bell. A voluntary election was held and the following officers elected:

Institutional representative - Duane Bell; chairman - Fred Goerlitz; secretary - Gerald Wachtel; treasurer - Tony Skeltis; advancement chairman - John Tymensky; property chairman - Harold Sigsbee; outdoors man - Bob Wilkins; moral chairman - Jim Wil-

entus; transportation chairman - Henry Meyer. Advisor to Sr. Patrol - Bob Robertson; scout master - William O'Brien first assistant scout master - Jerry Laub; second assistant scout master - Bill Baliko. All present at the meeting signed the 1968 charter. Monday evening a special meeting was held at the home of the secretary, Gerald Wachtel, to finish their plans for the coming year.

One day stand, Polar Bear at Proud Lake recreation area, January 20.

NOVI BAND BOOSTERS

The Band Boosters held the second of their three scheduled meetings on January 9 at Novi high school.

The Band Boosters wish to thank all who participated in the making of the Novi Community calendar.

Money received from the refreshment stand and the variety show will go towards the purchase of future uniforms.

Also discussed at the meeting was a pancake supper, March 29 from 5:30 to 7:30 and the spring concert coffee hour April 25 at 8 p.m. Both will be held at Novi High school. Scholarship to the summer camp for the band members was also discussed.

Next year there will be two high school bands according to their abilities. The Boosters would like to see more parents at the next meeting May 14 at 7:30 at Novi High at which time there will be election of officers.

CITY OF NORTHVILLE ORDINANCE AMENDMENTS

TITLE 5 - CHAPTER 1

Section 5.96 - Careless or negligent driving: -- Any person who operates a vehicle upon a highway or a frozen public lake, stream or pond or other place open to the general public including any area designated for the parking of vehicles in a careless or negligent manner likely to endanger any person or property, but without wantonness or recklessness, shall be guilty of a misdemeanor punishable by imprisonment in the County Jail or Detroit House of Correction for not more than 90 days or a fine of not more than \$500.00, or both.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

THE CITY OF NORTHVILLE ORDAINS:

That the Uniform Traffic Code for Cities, Townships & Villages, adopted October 5, 1959, shall be amended by adding the following:

Section 5.97 - Driving with Impaired Ability; penalty:

(a) It is unlawful and punishable as provided in this section for any person to operate a vehicle upon any highway or any other place open to the general public, including any area designated for the parking of motor vehicles, within this city when, due to consumption of intoxicating liquor, narcotic drugs, barbitol or any derivative of barbitol, his ability to operate the vehicle is visibly impaired. Where a person is charged with violating section 5.15, a finding of guilty shall be permissible under this section.

(b) Any person convicted of a violation of this section may be imprisoned in the county jail for not more than 90 days or fined not more than \$500.00, or both, together with costs of the prosecution.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

THE CITY OF NORTHVILLE ORDAINS:

That the Uniform Traffic Code for Cities, Townships & Villages, adopted October 5, 1959, shall be amended as follows:

Section 8.6 - Vehicle Starting from Parked Position:

The driver of any vehicle upon a highway or other place open to the general public before starting, stopping or turning from a direct line shall first see that such movement can be made in safety and shall give a signal as required by Michigan State Law.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

THE CITY OF NORTHVILLE ORDAINS:

That the Uniform Traffic Code for Cities, Townships & Villages, adopted October 5, 1959, shall be amended by adding the following:

Section 9.3 - Penalties -- Unless another penalty is expressly provided by the ordinances of this governmental unit, every person convicted of a violation of any provision of this ordinance shall be punished by a fine of not more than \$500.00 or by imprisonment for not more than 90 days or by both such fine and imprisonment.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

TITLE 7 -- CHAPTER 3 -- ARTICLE 1

THE CITY OF NORTHVILLE ORDAINS:

The following amendments shall be made to the Code of Ordinances of the City of Northville:

Section 7-308 - Use on One Connection, Limitation -- In all cases where water service is intended to supply more than one but not more than three (3) dwelling units, shops, stores, buildings or combinations thereof, it shall be the duty of the person making such service connection, or causing the same to be made, to install a separate branch with a stopcock for each such unit.

In all cases where water service is intended to supply more than three (3) dwelling units, shops, stores, buildings or combinations thereof, it shall be the duty of the person making such service connection, or causing the same to be made, to install a separate branch with a stopcock for each such unit, except that this requirement may be waived by the City Manager upon recommendation of the Water Superintendent in any case where compliance with this requirement serves no useful purpose, creates a hardship, and does not contribute to the public health, safety or welfare.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

TITLE 7 -- CHAPTER 3

THE CITY OF NORTHVILLE ORDAINS:

Section 7-318c Water Rates - Readiness to Serve Charge -- (addition) The above charge shall be paid before approval of building permit.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

TITLE 7 - CHAPTER 3 - ARTICLE 2

THE CITY OF NORTHVILLE ORDAINS:

Section 7-323 Water Rates - Readiness to Serve Charge -- (addition) The above charge shall be paid before approval of building permit.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

TITLE 8 - CHAPTER 1

THE CITY OF NORTHVILLE ORDAINS:

Title 8, Chapter 1

Section 8.114 - Liquor, purchase, possession, transportation or under control of person under 21 years in motor vehicle prohibited:

No person under the age of 21 years shall purchase or knowingly possess, transport or have under his control in any motor vehicle any alcoholic liquor, unless said person is employed by a licensee under Michigan State Law and is possessing, transporting or having such alcoholic liquor in a motor vehicle under his control during regular working hours and in the course of his employment. The motor vehicle which is used in a violation of this section shall be impounded until claimed in person by the parent or legal guardian of the person violating this section, if said person is the owner, or owner of said vehicle if said person is not, and may be further impounded following conviction for a period of not more than 30 days.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

TITLE 8 - CHAPTER 1

THE CITY OF NORTHVILLE ORDAINS:

Title 8, Chapter 1, shall be amended as follows by adding the following:

Section 8.115 - Checks Without Sufficient Funds:

A. It shall be unlawful for any person with intent to defraud to make or draw or utter or deliver any check, draft or order for the payment of money, to apply on account or otherwise, upon any bank or other depository, knowing at the time of such making, drawing, uttering or delivering, that the maker, or drawer, has not sufficient funds in or credit with such bank or other depository, for the payment of such check, draft, or order, in full, upon its presentation.

B. As against the maker or drawer thereof, the making, drawing, uttering or delivering of a check, draft or order, payment of which is refused by the drawee, when presented in the usual course of business, shall be prima facie evidence of intent to defraud and of knowledge of insufficient funds in or credit with such bank or other depository, provided such maker or drawer shall not have paid the drawee thereof the amount due thereon, together with all costs and protest fees, within five days after receiving notice that such check, draft or order has not been paid by the drawee.

This amendment shall take effect December 28, 1967.

Martha M. Milne, City Clerk

TITLE 8 - CHAPTER 1

The City of Northville Ordains:

Title 8, Chapter 1, shall be amended as follows by adding the following: Section 8.116 - Drawing check upon bank without any bank account: -- It shall be unlawful for any person, with the intent to defraud to make or draw or utter any check, draft or order for the payment of money to apply on an account or otherwise upon any bank or other depository who at the time of making, drawing, uttering or delivering such check, draft or order has no account in or credit with such bank or other depository for the payment of such check, draft or order upon presentation.

This amendment shall take effect December 28, 1967.

Martha M. Milne, City Clerk

ORDINANCE # 139 -- FENCING ORDINANCE

TITLE: An Ordinance to regulate and provide for the construction, erection, rebuilding and maintenance of all fences within the City of Northville

THE CITY OF NORTHVILLE ORDAINS:

Section 1. Title and Purpose: -- This ordinance shall be known and cited as the "Fence Ordinance". Its purpose is to promote and protect the public health, safety and welfare.

Section 2. Permits: -- No fence shall hereafter be erected or altered without first obtaining a permit therefor from the City Building Inspector. The permit fee shall be \$5.00 for each installation. Application shall include a sketch of the property showing location of proposed fence and a description of the type and height of said fence, as well as all other information which may be required by the Building Inspector in order that he may determine whether the construction of such fence complies with City ordinances and restrictions.

Section 3. Protective Measures Fence: -- Fences designed for protection of the property enclosed may be constructed, erected, rebuilt or maintained upon approval by the City Manager or his designee for such approval following the showing of need therefor in any commercial, industrial, or track zoning district as defined by the Zoning Ordinance, provided the following requirements are met:

a. Height: Not more than ten (10) feet including barbed wire or other protective device. Barbed wire or other protective device must not be less than six (6) feet above ground level.

b. Location: Not less than 25 feet from any street intersection.

c. Public Utility Fences: Notwithstanding anything to the contrary herein contained; barbed wire cradles may be placed on top of fences enclosing public utility installation in any zoning use district, which fences shall be constructed to a height of not more than eight (8) feet nor less than six (6) feet.

Section 4. Residential Fence: Fences, including plantings or hedges designed to serve as a barrier, may be erected, constructed, rebuilt or maintained in districts zoned residential as defined by the Zoning Ordinance, provided the following requirements are met:

a. Height: No fence may be constructed to a height of more than four (4) feet except that any fence located in the rear of the rear building line may be six (6) feet in height. No fence may be less than three (3) feet in height.

b. Location: No fence shall extend beyond the street setback line as defined in the Zoning Ordinance. Fences which divide residential lots or properties shall be constructed on the dividing lot lines where the abutting property owners contribute to its cost or mutually agree to such location. Where one property owner builds a fence entirely at his own expense the fence shall be constructed wholly on the builder's property. In all other cases, fences shall be constructed entirely on the property of the holder of the permit. In every case, the provisions of the Zoning Ordinance of the City of Northville, as amended, shall be observed in the location of fences.

c. Construction: For post and wire fence or wood fence, supporting posts must be sunk in the soil to a depth of no less than 6 inches for every 12 inches height above ground. For solid construction fences, footings must be placed to a depth required by the circumstances, as determined by the Building Inspector.

d. Protective Measures Fences: The use of barbed wire, spikes, nails or other pointed instruments protruding from any residential fence is prohibited except by specific permission by resolution of the City Council. Such permission shall be granted only after demonstration of clear need for such protection. In no case shall electrification be used in fence construction.

Section 5. Maintenance: All owners of lots upon which a fence is erected shall hereafter be responsible for the care and maintenance of said fence.

Section 6. Appeals: Any person, firm or corporation adversely affected may petition the Board of Appeals for relief from the provisions of this ordinance other than Section 4 (d) in accordance with the procedure and rules of the Board. The Board of Appeals may reduce or remit the requirements of this ordinance where it is found that to do so would not adversely affect the Public health, safety or welfare.

Section 7. Penalty: Any violation of the compulsory provisions of this ordinance shall constitute a misdemeanor and upon conviction thereof shall be punishable by a fine of Five Hundred and no/100 (\$500.00) Dollars or ninety (90) days imprisonment, or both such fine and imprisonment.

This amendment effective December 28, 1967.

Martha M. Milne, City Clerk

NOTICE TO THE TOWNSHIP OF NORTHVILLE TAXPAYERS

PAYMENT OF THE 1967

REAL AND PERSONAL TAXES

MAY BE MADE NOW,
BY CHECK OR MONEY ORDER,
MAILED TO:

THE TOWNSHIP OFFICE

107 S. WING ST., NORTHVILLE

or paid in person to the Treasurer at the Manufacturers National Bank, Northville, Tuesday and Friday of each week, during banking hours.

You may, also, make Tax Payments to the Manufacturers National Bank, Northville, Monday thru Friday of each week at the Teller Windows.

Thank you,
ALEX M. LAWRENCE, TREASURER

Schoolcraft

A citizens advisory committee appointed by district school officials to assist in a feasibility study for an area vocational school broke ground on its assignment at an organizational meeting at Schoolcraft College on January 4.

Thirty-two members of the committee, representing educational, industrial and commercial, and general community interests in Livonia, Plymouth, Garden City and Northville, attended the organizational meeting. Committee members had been appointed by school superintendents of the Clarenceville, Livonia, Garden City, Plymouth and Northville public school districts, which comprise the Schoolcraft College district.

The citizens group is one of two committees organized to investigate the possibility of an area vocational center. The other being an executive, or steering, committee.

Elected as co-chairmen of the advisory group — which will provide much of the leg-work and data-gathering tasks involved in the study — were Carvel M. Bentley, principal of Plymouth High, and Russell Millar, school board member from Garden City.

The advisory committee's assignment is to obtain and review data on the need and feasibility of an area vocational center. As the study progresses, the group will also formulate recommendations, based on data collected, to the executive committee.

To tackle the assignment, committee members elected three subcommittee chairmen and staffed up each of the subcommittees. In this phase of the organization:

Dr. Donald E. Friedrichs, director of secondary education for the Livonia schools, was elected chairman of the subcommittee on population and enrollment. Serving with him will be Fred Turner, from the Clarenceville district; Stanley Glamp, Garden City; and Glenn E. Delbert and James Hayward, both of Northville.

James R. Laatsch, manager of the industrial relations department at the Ford Transmission Plant, Livonia, was elected chairman of the subcommittee on occupational demands. Serving with him will be Elbert Hartom and Leo Hasley of the Clarenceville district; John Parry, Raymond Kenyon, Dr. Richard Mallow and Richard Lechel of Garden City; Mrs. Phyllis Patterson of Livonia; Carl Stephens and John Hyde of Northville; and Joe West, Clarence Moore, Dr. Gary Hall and Jerry Greer, of the Plymouth district.

Official Minutes of the Northville Board of Education

Northville Public Schools
School District
Board of Education
Minutes of the Regular Meeting
December 11, 1967

The meeting was called to order by President Eugene Cook at 7:35 P.M. in the Board of Education Offices at 405 West Main Street, Northville, Michigan.

Members Present: Mr. Eugene Cook, President; Mr. Glenn E. Delbert, Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee (arrived 8:00 P.M.); Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee.

Members Absent: Mr. Stanley Johnson, Vice President.

Others Present: Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager.

Other Administrators Present: Mr. Fred Holdsworth.

Visitors Present: 5 (See Register.)

Motion No. 67-144 by Mr. Delbert, supported by Mr. Martin, that the agenda be adopted as presented. Motion carried.

President Eugene Cook directed that Item No. 17 on the agenda, Year-Round School Concept, be made Item No. 15 on the agenda, with remaining items following in consecutive order.

Motion No. 67-145 by Mr. Martin, supported by Mr. Orphan, that the Minutes of November 13, 1967 and November 22, 1967 be approved as published. Motion carried.

Secretary Delbert noted a letter to the Superintendent from Mrs. Irene Taylor, Junior High Vocal Music Teacher, expressing her wish to terminate her contract with the Northville Public Schools at the end of the first semester 1967-68, for personal reasons. Mr. Delbert also noted Superintendent Spear's acknowledgment of Mrs. Taylor's request for release of contract.

Secretary Delbert noted a letter from Mr. W. A. Stoddard, Boy Scout Representative, in behalf of Troop 755, sponsored by the First Presbyterian Church of Northville, requesting consideration of their use of the High School swimming pool on a regular basis to implement their program. Superintendent Spear replied to Mr. Stoddard's request.

Secretary Delbert read a letter from the Northville Teachers Association expressing appreciation for the Board's efforts in establishing the 1967-68 Contract with the Association and indicating a desire to reopen items of concern in the 1967-68 Contract for renegotiation when negotiations commence for a 1968-69 Contract.

Secretary Delbert noted a letter from the Michigan Association of School Boards relative to their Annual Convention, March 30, 1968 through April 2, 1968 at Cobo Hall in Detroit.

Secretary Delbert noted a memorandum from Mr. Holdsworth, High School Principal, regarding the status of consideration of a new Athletic League affiliation.

Secretary Delbert summarized a letter from Dr. Russell Wilson of The University of Michigan Bureau of School Services, in which he responded to a letter of inquiry from Superintendent Spear regarding the desirability of city-school joint development programs of School Park Sites. Dr. Wilson, in effect, urged participation on the part of the Northville School Board in the Fish Hatchery project for the "perpetual benefits of the children of Northville."

Prior to action by the Board on Mrs. Taylor's request for release of contract, Mr. Spear recommended the release be granted effective only upon the employment of a qualified replacement. Superintendent Spear indicated that a 30-minute conference with Mrs. Taylor had convinced him it would not be desirable for her to complete her contract; however, he expressed the hope that she would fulfill her contract should a qualified replacement not be available.

Motion No. 67-146 by Mr. Martin, supported by Mr. Kipfer, that Mrs. Irene Taylor be released of contract effective upon the employment of a qualified replacement. Motion carried.

Prefacing discussion of the possibility of a new Athletic League affiliation among Northville High School and neighboring high schools, Superintendent Spear pointed out that meetings are held by athletic directors and principals in inter-school programs and that no changes are made in League affiliations without prior knowledge of the Superintendent of Schools and the Board of Education. Mr. Spear recommended public knowledge of contemplated changes in the Athletic League and indicated Mr. Holdsworth's presence in the audience to answer any questions the Board might raise in this respect, in order that Mr. Holdsworth and Athletic Director Longridge might present Board thinking at subsequent League meetings.

Information offered by Mr. Holdsworth, both verbally and via memorandum, indicated a strong possibility that the following schools will be a part of an Athletic League beginning with the 1969-70 seasons: 1) old Plymouth; 2) new Walled Lake; 3) Northville; 4) Waterford Mott; 5) new Farmington; 6) Novi or Livonia Churchill. Mr. Holdsworth further pointed out the advantages of this League in view of its expected affiliation with other activities which we now have with Wayne-Oakland, such as vocal music, instrumental

music, debate, girls' athletic programs, etc., as well as most of the participating schools being in close proximity to Northville with the related effects of reduced travel expenses, increased income through better game attendance, and the membership of schools of relatively equal size.

Prior to Board action on approval of Bill Warrants and Payroll, Mr. Martin, Treasurer, and Business Manager Busard called attention to charts prepared by Mr. Busard at Mr. Martin's request for the purpose of establishing a graphic comparison of percentages in receipts and expenditures of the District. The Administration pointed out that of the \$1,913,000.00 Budget, 13.7 % represented receipts and 30.2 % represented expenditures, with the difference between these two percentages almost identical with the amount borrowed by the District to meet expenses.

Motion No. 67-147 by Mr. Martin, supported by Mr. Orphan, that Bill Warrants and Payroll be approved as presented.

General Fund	\$349,720.45
Bookstore	\$5,123.32
Building and Site	558,603.72
Cafeteria Account	9,775.33
Stadium Fund	241.68
TOTAL	\$918,341.18

Motion carried.

A review of the Budget Report for November, 1967, featured a commentary by Business Manager Busard which in summary indicated that as of December 15, 1967, of the total allocated Budget, 30.19 % had been expended and 86.73 % had been encumbered; of the unexpended balance, 80.99 % is encumbered, and 19.01 % is unencumbered. President Cook reminded the Administration that a review of line items and program plans is slated for January.

Superintendent Spear suggested January 15, 1968 as a date for this review. Mr. Cook directed the Board and Administration to mark January 15, 1968 as the date for a Board work session for the purpose of a Budget review.

Superintendent Spear presented background information relative to the desirability of purchasing a starter unit for a closed circuit T.V. system for the District, which would include: Videotape Recorder; Camera; Videotapes; Zoom Lens; T.V. Set.

A memorandum from Miss Panattoni, of the High School English Department, listed various academic uses of such a T.V. system and its potential value to many departments and areas of the total instructional program.

At this point in the meeting, President Cook pointed out the presence of Mr. Froelich, who had arrived at 8:00 P.M.

Mr. Martin, member on the Board subcommittee for determining Building and Site Fund priorities earlier in the year, urged expenditure of a portion

of funds allocated to Priority II, Items B, to obtain the videotape equipment. Mr. Froelich questioned whether items identified with these categories in committee should come to the Board. Mr. Spear indicated that videotape equipment was not specifically discussed in committee but that adequate funds are available.

Mr. Froelich encouraged the purchase of software as well as hardware equipment from Building and Site funds available.

Motion No. 67-148 by Mr. Froelich, supported by Mr. Martin, that the Administration draft specifications for a Starter Closed-Circuit T.V. System and that they be authorized to obtain appropriate bids. Motion carried.

The Northville Athletic Department Football Report for 1967, submitted by Athletic Director Dave Longridge, was reviewed by the Board. The Report in connection with this Report, Superintendent Spear was directed by President Cook to check into a gate receipts agreement purportedly existing between Plymouth and Northville school systems.

For the Board's information, a Mechanical Punch List, prepared by Architects O'Dell, Hewlett & Luckenbach, Inc., for the Cooke Junior High School, supplied a list of general and specific items needing attention at the new Junior High School. Superintendent Spear injected a positive aspect by requesting Mr. Hoffman of the NORTHVILLE RECORD to publicize the fact that lockers at Cooke Junior High School, as well as outdoor lighting at the Junior High and Moraine School sites, would be completed in the near future.

Business Manager Busard informed the Board that the sale of Bus No. 1 (1960 Ford) had been completed in accordance with Board Policy 3260. One bid was received, and this from Dr. Hall in the amount of \$561.00. The bus was released to Dr. Hall for the sum of \$561.00.

Mr. Orphan reported orally on his attendance at the Northville Township Planning Commission meeting held on November 28, 1967. At this meeting

not in unplatted areas. This amendment to the Zoning Ordinance is to be known as 22 H. Tellam moved to adopt this amendment as recommended by the Planning Commission, seconded by Armstrong. This ordinance will be publicized as soon as possible, but becomes immediately effective. Ayes: All. Motion carried.

3. Telephone service - Merriam announced that the Township Office will continue to have extended area service in the new office building.

4. Oasis sign - Armstrong has set up a meeting for January, with the Wil-O-Mac company to look into their offer of a sign on Five Mile road, for the township. Mrs. Hammond suggested that it might be well to have it contain the new address of the township hall.

5. Mr. Sliger stated that he is doing a story for his paper about the two Township offices as he feels it has historical significance. A picture of the last Township Board meeting being held in the old school house was taken.

New Business:

1. Thompson-Brown rezoning - The Planning Commission had recommended that Thompson-Brown be granted a change in the zoning of their subdivision north of Six Mile road. Mr. Carey, of Thompson-Brown was at the meeting to speak to the matter and answer any questions. A colored diagram of the area was displayed and explained. As presently set up, none of the area north of Six Mile can be developed until that south of Six Mile is completed. Work on building south of Six Mile is expected to start as soon as an easement problem is solved having to do with drainage. Tellam moved that the board adopt the amendment to the zoning map in reference to Thompson-Brown, as recommended by the Planning Commission in their meeting on December 28, 1967. Seconded by Armstrong. Ayes: All. Motion carried.

Appointment - There is a vacancy on the Library Commission. Armstrong will approach a community resident whom he feels is well qualified to sit on this committee.

Meeting adjourned at 9:50 p.m. Respectfully submitted, Eleanor W. Hammond, Clerk

Thompson-Brown Company reviewed their preliminary plat for the development of Northville Commons No. 3 on Six Mile Road, representing an additional 568 residential units to the District and bringing to an approximate total of 911 the number of planned new housing units in the District.

Mr. Orphan indicated that questioning of Mr. Carey of Thompson-Brown as to the impact of their construction schedule on the School System revealed that both single and multiple dwellings will be constructed north of Six Mile Road, with a variance of students to be expected. It was noted that Thompson-Brown have engaged a consultant to study their construction schedule relative to the estimated population increase in the School District. With the first models scheduled for completion by spring of 1968-69, the impact would be minimal for that school year; the full impact expected in 1969-70.

According to Mr. Orphan, this Planning Commission meeting disclosed the proximity of other future housing developments within the District, also.

In a reprise of the situation, President Cook noted that the District could expect a development of over 900 dwellings north and south of Six Mile Road and, eventually, an ultimate potential of 1500 to 2000 new housing units within the District.

Mr. Orphan suggested two courses open to the School District would be: 1) a building program with resulting assessed millage, or 2) the implementation of the year-round school to accommodate additional students in existing structures.

Mr. Martin suggested that thought be

given to potential Greenspan development prior to receipt of the Thompson-Brown study.

Superintendent Spear inquired as to whether Thompson-Brown had offered suggestions as to a school site on the north side of Six Mile Road, and received a negative reply.

President Cook suggested that the Superintendent draft a letter to Thompson-Brown Company to the effect that the Board of Education at its official Regular Meeting on December 11, 1967 took specific cognizance of the proposed development on Six Mile Road and the pending rezoning, and therefore requests a meeting be arranged to discuss school sites before Thompson-Brown proceeds further. President Cook directed attendance by Mr. Orphan and/or Mr. Martin at upcoming Planning Commission meetings.

A lengthy discussion of the Year-Round School Concept was opened by Mr. Froelich's reading of a Resolution prepared for Board consideration by Superintendent Spear. The consensus of the Board and Administration was that there are various definitions of the Year-Round School with varying approaches, philosophies and resulting implications. It was suggested that Northville could capitalize on experiences and techniques of other school districts relative to the Year-Round School.

As a prelude to the Northville Public Schools School District's pursuit of an investigation of the Year-Round School Concept, the Board favored action on the Superintendent's proposed Resolution.

Motion No. 67-149 by Mr. Orphan,

supported by Mr. Froelich, that the following Resolution be adopted:

WHEREAS: The Northville Board of Education wishes to provide the best possible educational program for the children of the District; and,

WHEREAS: The Northville Board of Education wishes to provide a program which is most effective, efficient and economical; and,

WHEREAS: The Northville Public Schools School District is sitting on the fringe of a potential large expansion program; and,

WHEREAS: The Northville Board of Education wishes to be prepared to meet the District's present and future needs; and,

WHEREAS: The "Year-Round-School" approach to the organization of a school district may provide a sound approach to meeting district needs; and,

WHEREAS: Both parents and teachers are interested in assisting the Board of Education in establishing and providing a sound Instructional Program;

NOW THEREFORE BE IT RESOLVED: That the Northville Board of Education, in cooperation with the Administration and the Teaching Staff and Citizens of this Community, undertake a thorough study of the feasibility of adopting the Year-Round School Program;

FURTHER: That this study encompass a thorough evaluation of all available information and research on the Year-Round School, the areas of the present Instructional Program which would be affected by a change to the

Continued on Page 8-B

Northville City Council Minutes

January 3, 1968 - The regular meeting of the Northville City Council was called to order by Mayor Pro-Tem Black (in the absence of Mayor Allen) at 8:02 p.m., Wednesday, January 3, 1968 at the Northville City Hall.

Present: Black, Carlson, Lapham and Nichols. Absent: Allen (excused)

Minutes of the previous meeting of December 18, 1967, were approved as submitted. Moved by Nichols, support by Black, to pay bills in the following amounts: General - \$10,413.31; Water - \$6,526.42. Unanimously carried.

Continuation of Public Hearing for Rezoning of Lots 188, 189, 190 and 191, Assessor's Northville Plat #2 from T-1-P to T-1.

City Manager reviewed the Public Hearing on December 18, 1967. Reported he had contacted Green Ridge Nurseries and they have made a planting plan for the west side of River street from Beal street to existing Green-belt. An estimate has been made as to the length of said Green-belt. City manager recommended that the escrow account be set at \$2500 and any unused portion or balance be refunded to Mr. Carlo. Councilman Nichols stated that the resolution establishing this account for a green-belt was an outgrowth of the stipulation made at the time of the 1965 rezoning on River street.

Moved by Lapham, support by Carlson, to have an escrow account established in the amount of \$2500 to install a green-belt on the west side of River street from Beal street to existing green-belt; any surplus to be returned to Mr. Carlo. Unanimously carried.

After considerable discussion regarding continuous use of paddock, proximity of race track operation to River street residents, it was moved by Black, support by Nichols, to rezone Lots 188, 189, 190 and 191 of Assessor's Northville Plat #2, from T-1-P (Commercial Parking) to T-1 (Fairgrounds, Exhibition and Race Track). Unanimously carried.

Drivers' License Bureau: City manager explained the two alternatives concerning the Northville Drivers' License Bureau: (1) Continue present operation and add to personnel and transfer present location. (2) Discontinue present Bureau as recommended.

City manager recommended closing the Bureau.

Moved by Nichols, support by Lapham, that Drivers' License Examining Bureau be closed no later than February 15, 1968. Unanimously carried.

Adoption of Resolution Creating a Probation Department for Northville Municipal Court: City manager stated he felt the Probation Dept. should be under the city manager relative to Personnel Rules.

Moved by Nichols, support by Carlson, that Resolution #16 "Establishment of a Probation Department" be amended by adding "said Probation Officer is fully subject to Personnel Rules and Regulations and other applicable sections of the Charter and Ordinances" to paragraph 3 and adopt same. Unanimously carried.

North Center St. Special Assessment: City manager described need for improvement on N. Center street and stated petition had been filed requesting improvement; 80% of this engineering has been completed. City manager favors deep-strength asphalt with concrete curb. City manager was asked to determine future plans for Nine Mile road adjoining N. Center street.

Moved by Lapham, support by Black, to adopt Initiatory Resolution requesting City Mgr.'s Report on benefited

properties and their assessed valuations. Unanimously carried.

Type of paving, etc. for above is to be discussed on the Jan. 8th Work Session.

Moved by Lapham, support by Carlson, to direct City Manager to have engineering for improvement of North Center street completed by engineer. Unanimously carried.

Grandview and Spring streets Special Assessment: City Manager stated that petition for above improvement had been received and requested adoption of Resolution requesting city manager's report on same. This matter tabled until January 8th Work Session.

Purchase of Randolph Street Right-of-Way: City Manager explained the reason for purchase of 90 feet of a 10 foot strip of Lot 442, Assessor's Northville Plat #5 (also previous City manager had discussed and recommended same). After some discussion, moved by Lapham, support by Carlson, to purchase N. 10' of W. 90' of Lot 442. Unanimously carried.

Report from City Attorney on Division of Nicholas Zander Property: City stated it was not necessary to have approval on splitting property - he had checked with Attorney General's office but he will ask for a confirmation on this.

Agreement for purchase of capacity in Novi Sanitary Sewer Trunk line: After discussion of the agreement for purchase of future capacity in Novi Sanitary Sewer Line, it was agreed to have this on January 8th Special meeting agenda.

Set date of January 8th, 1968, as special meeting for opening insurance bids: Moved by Carlson, support by Nichols, to have a special meeting on January 8, 1968 to receive and open Institutional Policy Insurance Bids. Unanimously carried.

Resolution Naming City Manager as Street Administrator for City of Northville: Moved by Carlson, support by Lapham, to name City Manager, Frank Ollendorff as Street Administrator for City of Northville for 1968. Unanimously carried.

Authorize city manager to negotiate sale of Lot 443, Assessor's Northville Plat #5: City manager reviewed offer to buy Lot 443, Assessor's Northville Plat #5, and necessity to rezone same from R-2 to R-2A. Moved by Lapham, support by Nichols, to direct the city manager to negotiate sale of Lot 443, Assessor's Northville Plat #5. Unanimously carried.

Set Public Hearing for Rezoning Lot #443, Assessor's Northville Plat #5: Moved by Nichols, support by Carlson, to set Public Hearing for Monday, January 22, 1968, 8:00 p.m. at the Northville City Hall to rezone Lot 443, Assessor's Northville Plat #5, from R-2 (Two Family Residential) to R-2A (Restricted Multiple Dwelling). (Contingent on sale of property prior to Public Hearing) Unanimously carried.

Discussion of Northwest Area Drainage Survey: City manager reminded council that a survey of the northwest area of the city has never been made. A discussion on drainage for this area must be reached within the next two months. This to be on the January 8th Work Session agenda.

Discuss Preliminary Plat Filing Fee: City Manager reviewed Section 6-429 "Filing Fees" of the City's Subdivision Ordinance and reported his recommendations for this fee. Council requested further discussion on this at January 8th Work Session.

Discussion of Taft Road Improvement: City manager told Council he would like to work on the Special Assessment for improvement of Taft road - type of improvement needed, etc. This also to be on January 8th Work Session agenda.

Miscellaneous: City attorney brought up matter of his 6 month's salary adjustment - January 8th Work Session. There being no further business, the meeting adjourned at 11:55 p.m.

Respectfully submitted
Martha M. Milne
City Clerk

Special meeting - January 8, 1968 -

The special meeting of the Northville City Council was called to order by Mayor Allen, Monday, January 8, 1968, 8:03 p.m. at the Northville City Hall.

Present: Allen, Carlson, Lapham and Nichols. Absent: Black (excused)

Public Liability and Property Damage Insurance Bids: Notice and list of firms picking up bids for Institutional Insurance was read by Clerk. City Manager explained the Policy and in the absence of the City Attorney opened the two bids received:

Home Insurance Company, Harold Bloom (agent) \$2565.00 (\$855 annual payment) 108 W. Main St.

United States Fire Insurance Company, Northville Insurance Agency (agent) \$3165.00 (\$1108 annual payment) 160 E. Main street.

City Manager will look these over during the course of the meeting and make a recommendation before the meeting closes.

Oakland County Sanitary Sewer: City Manager explained that Oakland County was giving the City of Northville two choices as per their contract. Council felt that if the second choice is designated, expense should be borne by Oakland County.

Moved by Carlson, support by Nichols, that the resolution, as submitted by Oakland County and agreement as amended by the City of Northville Attorney, (page 4, paragraph 7 - 4th line) should read by inserting "at their expense" after county, be adopted. Unanimously carried.

Resolution Establishing City of Northville Street Fund: City Mgr. explained that certain systems and accounting procedures must be set up for street maintenance and improvements.

Moved by Lapham, support by Carlson, to adopt resolution establishing new commercial account for City of Northville Street Fund - 2 of 3 signatures - Treasurer, Clerk and Bookkeeper required. Unanimously carried.

Adopt Resolution for City of Northville Safe Deposit Box: City Manager reported changing of size of Safe Deposit Box requiring new Resolutions. Moved by Carlson, support by Lapham, to adopt resolution for City of Northville to acquire new Safe Deposit Box and cancelling previous Safe Deposit Box - this to require 2 of 3 signatures - Treasurer, City Clerk and Bookkeeper. Unanimously carried.

City Manager reported checking bids for Institutional Insurance policies and recommended awarding bid to Home Insurance Company. Moved by Lapham, support by Carlson to award bid for Institutional Insurance policy to Home Insurance Company, Harold Bloom Agency, 108 W. Main street, Northville in the amount of \$2565.00, \$855.00 annually. Unanimously carried.

Meeting was adjourned at 9:20 p.m. - to go into Work Session.

Respectfully submitted
Martha M. Milne
City Clerk

Northville Township Board Minutes

Northville Township Board meeting, Northville Township Hall, January 2, 1968 (last meeting at 16860 Franklin road). Meeting called to order at 8:00 p.m.

Present: Supervisor Merriam, Clerk Hammond, Treasurer Lawrence; Trustees: Armstrong, Baldwin, Stromberg, Tellam. Consultants: Attorney Ashton, Engineer Mosher; Visitors: M. R. Mitchell, E. Guido, 1 resident, 2 Detroit Edison representatives, 2 Thompson-Brown representatives.

Minutes of Township Board meetings of December 5, 7, and 11, 1967 were approved.

Treasurer's report for December, 1967 read and accepted.

Office Receipts and Bills Payable for the Township and for the Water & Sewer Department for December, 1967 were reviewed. Questions that were raised about several items were answered satisfactorily and Stromberg moved that all current bills be paid, supported by Baldwin. Ayes: All. Motion carried.

Building Department report was approved.

Library Commission minutes and Appeal Board minutes for December 7, 1967 were received.

No correspondence.

Old Business:

1. Detroit Edison Franchise Election. A representative from the Detroit Edison company explained the procedures that are necessary in order to hold a special election to approve its 30-year franchise. Because the township offices are being moved, elections must be held in a different locality. Change of Precinct notices must be sent out to all registered voters before the franchise can be passed. A special meeting was set up by Supervisor Merriam for Feb. 13, 1968 to pass on the franchise election date. Meanwhile, the date is tentatively set for April 9, 1968, the second Tuesday in April.

2. Trash Ordinance - A recommendation was received from the Planning Commission that a Trash and Junk Car Ordinance Amendment be adopted by the Township Board. The restrictions as to boats, trailers, old cars, etc. would apply only in subdivisions and

not in unplatted areas. This amendment to the Zoning Ordinance is to be known as 22 H. Tellam moved to adopt this amendment as recommended by the Planning Commission, seconded by Armstrong. This ordinance will be publicized as soon as possible, but becomes immediately effective. Ayes: All. Motion carried.

3. Telephone service - Merriam announced that the Township Office will continue to have extended area service in the new office building.

4. Oasis sign - Armstrong has set up a meeting for January, with the Wil-O-Mac company to look into their offer of a sign on Five Mile road, for the township. Mrs. Hammond suggested that it might be well to have it contain the new address of the township hall.

5. Mr. Sliger stated that he is doing a story for his paper about the two Township offices as he feels it has historical significance. A picture of the last Township Board meeting being held in the old school house was taken.

New Business:

1. Thompson-Brown rezoning - The Planning Commission had recommended that Thompson-Brown be granted a change in the zoning of their subdivision north of Six Mile road. Mr. Carey, of Thompson-Brown was at the meeting to speak to the matter and answer any questions. A colored diagram of the area was displayed and explained. As presently set up, none of the area north of Six Mile can be developed until that south of Six Mile is completed. Work on building south of Six Mile is expected to start as soon as an easement problem is solved having to do with drainage. Tellam moved that the board adopt the amendment to the zoning map in reference to Thompson-Brown, as recommended by the Planning Commission in their meeting on December 28, 1967. Seconded by Armstrong. Ayes: All. Motion carried.

Appointment - There is a vacancy on the Library Commission. Armstrong will approach a community resident whom he feels is well qualified to sit on this committee.

Meeting adjourned at 9:50 p.m. Respectfully submitted, Eleanor W. Hammond, Clerk

Social Security Benefits Climb

The changes in the social security law signed by President Johnson on January 2nd will mean a benefit increase of at least 13 percent in the social security checks of about 64,000 men, women, and children in the Northville-Novi-Wixom area.

Social Security high speed electronic computers are figuring the increases for all 23,700,000 social security beneficiaries around the country and will finish the task in time to include the increases in the checks delivered early in March, according to District Manager Sam F. Test.

Beneficiaries need not take any action to get the increase. It will be sent to them automatically.

Residents of this area can expect the first increased check on March 3.

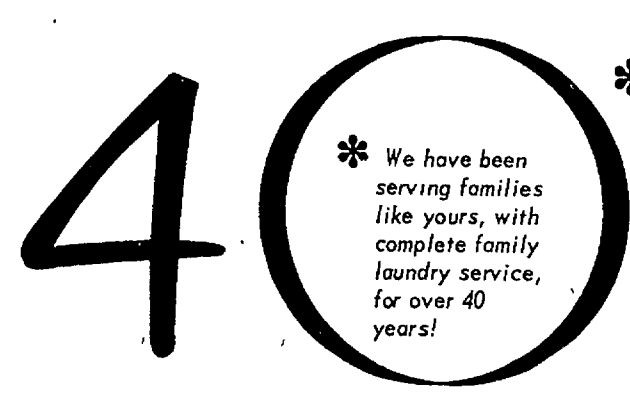

Some social security beneficiaries will receive more than a 13 percent

increase. The minimum benefit for workers retiring at 65 is increased from \$44 to \$55.

The average benefit payable to a retired worker, about \$86, will be raised to \$98, an increase of \$12 a month. The average couple's benefit, now \$145, will go up to \$165; and the average aged widow's benefit will rise \$11, from the current average of \$75 to \$86.

About three out of every 10 beneficiaries receiving an increased check in March will be someone under 65, many of them the children of working fathers who have died.

Under the amended law, maximum payments to families now on the social security benefit rolls will go up from the currently payable maximum of \$309.20 a month to \$322.40. In the future, the maximum payable monthly to any one family can be as high as \$434.40.

King's Mill Joins Parade of Homes

Twenty-six homes and apartment units, including the King's Mill Townhouses of Northville township, opened January 5 for the parade of homes sponsored annually by the 800-member Builders' association of metropolitan Detroit.

An educational "show window" event, the exhibition is intended to give families in all age and income brackets a look-study opportunity to find out for themselves what the housing dollar will buy in 1968.

The Parade of Idea Homes and Apartments is a co-operative effort of established firms who have been building in the Detroit area for a half-century and longer.

Tied into the Idea Home and Apartment Parade is the show's grand prize, a \$20,000 give-away, to be decided upon following the close of the Cobo Hall Home, Furniture and Flower Show on February 25. The show will open February 17.

The person having the closest estimate to the number of nails in a small plastic model house, to be unveiled in a few days, will get the prize as a full or

down payment on one of the homes or \$20,000 cash.

Prior to the show, the model will be on display at the First Federal Building at Michigan and Woodward, Detroit.

Aside from King's Mill apartments, located on Northville road just south of Seven Mile road, a project of the Smokier company, other area developments include:

Burton Hollow West, 36039 West Six Mile road, Livonia; Golf View Meadows, 16810 Wayne road, Livonia; Farm Meadows, a Thompson-Brown development in Farmington, north of 11 Mile road and east of Middlebelt; Denmar Estates, 17334 Westbrook drive, Livonia; Burton Hollow No. 6, 16326 Edgewood drive, Livonia; and Independence Green Apartments, Grand River at Halstead road, Farmington.

Winter Term Classes Set

Registrations are now being accepted for the winter term of Plymouth adult education and recreation activities, Director Herbert Woolweaver announced.

Deadline for registering is January 26.

High school credit classes are available to Northville residents free of cost — if the enrollee is working towards his diploma, he is a post-graduate under 20 years of age, or is a veteran of the armed services.

All other students must pay a registration of \$25 for the credit classes. Among the many classes offered are: Auto maintenance, American history, business machines, shorthand, welding, art, basic math, English, biology, sociology, and geography.

Persons wishing additional information are asked to call Woolweaver or his office at GL 3-3100.

Board of Education Minutes

Continued from Page 6-B

Year-Round School approach, the development of the necessary steps to be taken in a transition to this program, and a thorough cost analysis of the operation of a Year-Round School versus that of our program, both present and future.

Motion carried.

Following action by the Board to adopt the preceding Resolution, President Cook requested names of interested citizens to participate in the Year-Round School study. Miss Edgerton, Elementary Librarian, offered a suggestion from the floor that past members of the Citizens Advisory Committee might be potential participants. Superintendent Spear cited the desirability of investigating the possibility of soliciting participation from past Advisory Committee members. In connection with this, Mr. Kipfer suggested establishment of a steering committee, effectively utilizing the services of both faculty members and the community.

President Cook directed the Board to consider persons they might propose for membership on the committee along with volunteers. Mr. Cook requested that the agenda for the January 8, 1967 Board meeting include the establishment of committee, with both timetable and structure lined up.

Motion No. 67-150 by Mr. Kipfer, supported by Mr. Delbert, that the Superintendent be authorized to send an administrator to each of the following out-of-state conferences:

American Association of School Administrators, Feb. 17-21, Atlantic City, New Jersey.

National Association of Secondary School Principals, Feb. 9-14, Atlantic City, New Jersey.

National Department of Elementary School Principals - March 30-April 3, Houston, Texas.

North Central Association - Chicago, Illinois, March 24-28.

Motion carried.

Motion No. 67-151 by Mr. Kipfer, supported by Mr. Martin, that the Group Life Insurance Program, covering each District employee with a \$1,000 Life Insurance Policy and an Accidental Death Benefit Rider, be awarded to the Aetna Life Insurance Company, Northville Insurance Company, agent, for a period of not less than one year. Motion carried.

Superintendent Spear informed the board that the Northville Teachers Association had requested that consideration be given to closing of school at noon on Friday, December 22, 1967. Instead of at the end of the regular school day, Mr. Spear reviewed the events leading to the establishment of December 22 as a day of attendance in the Master Agreement School Calendar. He pointed out that there is no dismissal on December 22, the Association has agreed to use for Curriculum Work Sessions the two Saturdays established on the Calendar as teacher work days, thus eliminating the need to use four half-days (one each month) for four months during this school year for curriculum study purposes.

Motion No. 67-152 by Mr. Martin, supported by Mr. Kipfer, that the Superintendent be authorized to close school at noon on Friday, December 22, 1967 in accordance with his recommendation. Motion carried, with Mr. Delbert abstaining.

In an oral report to the Board, Superintendent Spear reviewed Board action of November 13, 1967 and No-

vember 22, 1967 relative to the Schoolcraft Area Vocational Center Study. Mr. Spear indicated that the following citizens had been appointed to the Citizens' Advisory Committee:

Mr. Glenn E. Delbert, representing the Board of Education; Mr. Frederick Holdsworth, representing the High School; Mr. George Clark, representing Business; Mr. James Hayward, representing Industry; Dr. Werner Grunheid, representing the Professions; Mr. Carl Stephens, representing Labor; Mr. John Hyde, representing Vocational Education.

Superintendent Spear reported that the evening of January 4, 1968 has been scheduled as a tentative date for the first meeting of the Citizens Advisory Committee; the first meeting of the Executive Committee, composed of the five District Superintendents, Schoolcraft College President Dr. Eric Bradner, and two other Schoolcraft officers, is scheduled for December 19, 1967.

Superintendent Spear reported that student lockers were on the Cooke Junior High site as of December 11, 1967, and that it was anticipated the lockers would be installed and in use by the end of the week.

Because Christmas Day falls on the normal meeting date of the Regular Special Board meeting for December, it was the recommendation of the Superintendent that the Regular Special meeting for December, 1967, be cancelled, with the next official meeting of the Board of Education scheduled for January 8, 1968.

Motion No. 67-153 by Mr. Martin, supported by Mr. Delbert, that the Regular Special meeting of the Board of Education scheduled for December 25, 1967, be cancelled. Motion carried.

Items of information which were noted were a Statement of Accrued Interest (1967-68) on General Fund and Building and Site Fund Investments, and a statement of receipts and breakdown of expenditures for the Cafeteria and Bookstore accounts.

In addition, mention was made by the Administration of the desirability of purchasing certain printing equipment for the instructional program. Mr. Spear indicated that recommendations relative to these items would be made at the next scheduled Board meeting.

Board members expressed public appreciation and commendation for the new board table which was constructed and assembled by Mr. Paul Rebitzke and others of the maintenance staff at a minimal cost to the district.

Further commendation was expressed by Mr. Kipfer to Superintendent Spear for the recently published 1968-69 recruitment brochure. Mr. Kipfer suggested widespread distribution of the brochure within the community.

There being no further business, the meeting adjourned at 9:45 p.m.

Secretary, Glenn E. Delbert

CITY OF WIXOM

ORDINANCE NO. 34-A28

AN ORDINANCE TO AMEND ZONING ORDINANCE NO. 34 BY CHANGING THE ZONING OF LOT 40A AND LOT 41 OF SUPERVISOR'S PLAT #10 FROM RA-2 TO O-1.

THE CITY OF WIXOM ORDAINS: Section 1. That Ordinance Number 34, known as the Zoning Ordinance for the City of Wixom be and the same is hereby amended as follows:

To rezone from RA-2 (Single Family Residential) to O-1 (Office) Lots 40A and Lot 41 of Supervisor's Plat #10.

Section 3. That this Ordinance become effective ten days from the date of its final passage by the Wixom City Council and after publication in the Novi News.

Made and passed by the Wixom City Council at their Regular Meeting held January 9, 1968.

Wesley E. McAtee, Mayor
Donna J. Thorsberg, Deputy City Clerk

Keith Kraus Writes Textbook

High school and college students throughout the country are using a recent book written by a former Northville high school teacher, W. Keith Kraus.

Kraus, who taught in Northville from 1958 to 1962, is the author of a literature study guide to Charles Dickens's David Copperfield. The guide, one of the relatively new Book Notes series, has been found to aid in understanding and appreciating the original work, according to reports received by the publisher, Barnes & Noble, of New York.

Kraus is currently working on the Ph.D. degree in American Literature at Southern Illinois university. He is on academic leave from Shippensburg State college in Pennsylvania, where he is an

assistant professor of English; he plans to return to Shippensburg when he has completed the course work for his doctorate.

Last summer, Kraus worked on the Illinois Test in the Teaching of English, under a grant from the Illinois Curriculum committee.

IT'S A FACT...

A BTU--WORLD-WIDE STANDARD OF HEAT MEASUREMENT, IS ABOUT THE AMOUNT OF HEAT PRODUCED BY COMPLETELY BURNING ONE WOODEN MATCH.

IN PRACTICAL USE, A THERM OF NATURAL GAS (100,000 BTU) WILL RAISE THE TEMPERATURE OF 105 GALLONS OF WATER FROM 60 TO 140 DEGREES F.

YOU WOULD HAVE TO BURN 1,000 TO 1,200 WOODEN MATCHES TO PRODUCE THE SAME AMOUNT OF HEAT PRODUCED BY ONE CUBIC FOOT OF NATURAL GAS.

In The Good Ol' Days

Community Lived for Next Circle N Game

They called 'em the Circle N club, a collection of baseball fanatics who fired the enthusiasm of Northville fans back before the U-boat sinking of the Lusitania captured their attention.

"Northville had some great teams in those days...playing Plymouth, Holly and other nearby communities," recalls recently retired Donald P. Yerkes, Jr., descendant of one of Northville's earliest settlers and son of a man who hurled a fast ball as rapidly as he zipped about his flour and grain mills.

"Frankly, I really didn't know my father was so baseball oriented until later in life," says Yerkes.

Donald P., Sr. played for the old Michigan State Agricultural college while taking a short business course lasting a couple of years. He earned his stripes by pitching the first two victories the old agricultural college notched over the University of Michigan.

About this time he also was a fast ball pitcher for the professional state league team out of Lansing.

"I have little recollection of my father's playing days, only a little of what people told me later. He was wrapped up in operating several mills in the area, including the one in Northville and one in Milford, so I don't see how he ever had the time."

Although his father played baseball locally, his son doubts that he ever played for the famed Circle N teams, which probably came along later.

Years later, his father and Harry German, an amazing Northville athlete who was still pitching at the ripe age of 70, use to meet at the former's Base Line mill, compare baseball notes and argue over which was the better pitcher, laughs Donald P., Jr.

Community baseball in those days, he says, was the lifeblood of Northville. Rivalry between Northville and the surrounding communities "was terrific. Folks would drive their horses and buggies for miles to watch a game...played over at the old fairground where the Downs is now located."

The Circle N club was an exclusive group, attracting players from Northville and other communities. While it had no professional status, its players had their own clubhouse—the location

of which Yerkes does not recall. His father coached one of the teams briefly, and the younger Yerkes later played on a team that wore the old Circle N uniforms.

Some of the players on these teams are still living. (Horace Boyden, 230 First street, a player with the Circle N club, believes the clubhouse was located in the old opera house. "When we played on a Saturday afternoon, the stores would practically close up. Some 600 to 800 people would turn out to watch." Most players were just out of high school or were still in high school but out during the summer vacation, he explains. Competition was about the caliber of what today is called Triple A ball).

Donald P., Sr., who died in 1947 at the age of 81, took over the operation of the old Northville mill from his brothers, William and Robert, in 1894. In 1889, it had operated under the name, Simonds & (William) Yerkes, manufacturing the then popular "Gold Lace" family flour.

Located on the west side of Griswold, north of where the Ford parking lot is now situated, the mill, started in 1845, is believed to have been in the same general vicinity of Northville's first mill operated by John Miller, reputed to be the first settler in the community prior to 1830.

Upon acquiring the business, Donald P., Sr. immediately placed his father-in-law, L. E. McRobert, in charge of the operation here and moved to Milford to operate the community's mill.

On March 15, 1920, Henry Ford purchased the Yerkes mill, then operated by father and son, to acquire its water power source. He also purchased, about this time, Charles Dubuar's lumber office, about where the Ford parking lot is now located, and the James Dubuar manufacturing plant, on the site of the Ford Valve plant.

The mill, recalls Yerkes, Jr., "was a typical three-story type structure. It faced Griswold—and the old inter-urban tracks. Water came down out of the mill pond from the north, along a narrow mill race, dropped some 15 feet to a "modern" turbine-type water wheel that drove the grinding machinery, and

then swept past the building along a tall race and into the creek.

Ford tore the building down, and Yerkes and his father kept only a few pieces of the equipment, such as the grain cleaner, when they built a mill and lumber building on Base Line

adjacent to the C&O railroad. Ford, whom Yerkes, Jr., met several times during the sale transaction, salvaged the mill's old Corliss steam engine, now displayed at the Henry Ford museum in Dearborn.

In 1836 the company stopped making

flour, discontinued the feed and grain business in the early 1950s, and finally, last fall, Yerkes, who lives with his wife at 319 Hill street, sold the lumber business, thus ending the last link to one of Northville's first and perhaps most historically famous mills.

CIRCLE "N" BANQUET—Closely associated with the early Circle "N" club was Robert R. McKahn, Dr. T. H. Turner, and Dr. Tom Henry, shown here with players at an outdoor banquet. Identified,

left to right, are: Milton Brown (umpire), Reid Stimpson, Bill Todd, Ray Johnson, Earl Stimpson, unidentified, Roy Ambler, unidentified, Horace Boyden, McKahn, Dr. Turner, Dr. Henry,

Harold Turner, Don Ball, Greg Taft, Bud Palmer, Harry Taft, Roy Cray, Carl Stimpson, Howard West and Lynn Northrup.

Defective Cars Draw Violations

Operating autos with defective equipment on Northville streets led to additional difficulty for several drivers and their passengers last week.

After stopping a car for defective tail lights, Northville police issued a violation notice for operating a vehicle with improper license plates to the driver Andy Lee Porter, and towed the vehicle to storage at the department of public works yard. The auto reportedly belonged to a passenger, Cecil Fuson, Detroit.

Driving with no tail lights also brought difficulty concerning registration for driver James Curtis, Belvidere, Illinois. Police report that license plates on the vehicle were registered for a different car owned by a Walled Lake resident. Police were holding the car pending clearing up the registration.

After being stopped for speeding on South Main street early Thursday morning, Lawrence Edward Werner, Livonia, was cited for speeding and for driving on an expired driver's license. Ypsilanti police, who were holding a warrant for Werner on another traffic violation, were notified.

Police towed away a tractor equipped with snow plow and bucket on complaints that the vehicle had been sitting on Maplewood more than a week. Failure to move the vehicle after 48 hour notice had been given brought a citation for abandoning a vehicle against Robert E. Findling, 47245 Battleford.

Knights to Host Commander Kirby

Northville Commandery No. 39, Knights Templar will host the Right Eminent Grand Commander, Sir Knight Frederick G. Kirby of Grand Commandery, Knights Templar of Michigan and his staff of officers Saturday at the Northville Masonic Temple.

Highlighting the event, which will begin at 3:30 p.m. will be the knighting of a large class of candidates to be known as the "Red Wood" Class, in honor and fond memory of Sir Knight Alexander "Red" Wood, past commander of Northville Commandery.

Six companions of Union Chapter No. 34, R.A.M. of Northville, Harold W. Penn, C. Thomas Rogers, David H. Brown, Clyde E. Jack, James B. Mer-

cer and Gardie H. VanPool; two companions of Colonial Chapter No. 187, R.A.M. of Plymouth, Ervin J. Bricker and Donald C. Frigon and three companions of Wayne Chapter No. 182, R.A.M., Frank C. Stark, Charles S. Jones and Thomas Weir will make up the class.

Following the reception of Grand Officers will be a dinner, set for 6:30 p.m., to which the ladies are invited. Special entertainment is also planned for the ladies during the degree work. Eminent Commander Herman A. Wedemeyer of Northville Commandery invites all Knights Templar and their ladies to attend this event.

Schoolcraft Awards 56 Diplomas

Diplomas and certificates have been awarded to 56 Schoolcraft College students who completed graduation requirements during the fall semester which ended December 31, according to an announcement by Registrar Norman E. Dunn.

Of the graduates, 45 earned the Associate degree and 11 earned the Certificate of Program completion.

The associate degree in arts was awarded to 30 students, six others earned the A.D. in technology, and two students each earned the A.D. in engineering, the A.D. in science, and the A.D. in general studies. The A.D. in business studies was awarded to three students.

Of those earning certificates, five received them in liberal arts, two in business administration; and one each in secondary education, electronic technology, general secretarial studies and elementary education.

The list of local graduates includes:

Associate degree in arts—Jean A. Miller, elementary education; Cathleen A. Utley, liberal arts; Irja Wuestnick, elementary education, all three of Northville.

Associate degree in technology—Gary F. Williams, electronics technology, Northville.

Associate degree in business studies—Judith A. Snelgrove, general secretary, Northville.

Associate degree in engineering—Richard J. VanEe, engineering.

SPEAKING for The Record

By BILL SLIGER

I'm not sure whether Jack Hoffman is pulling my leg, or not. But he swears it's the gospel when he reports reading an article on "head transplants" in a national magazine recently.

If it's true, I can see trouble with a capital T, and that rhymes with P and that stands for Problems!

I found it difficult to believe that medics were sewing severed arms and legs back on, and they were growing.

Even more miraculous is the replacement of worn-out kidneys and hearts with used, but good-as-new models.

But a new head? Somebody's got to be kidding.

According to Hoffman, the latest medical miracle is the transplanting of a head from one person to another. Presumably, patient 'A' is doomed to die from an ailment that has afflicted the brain, while patient 'B' has a perfectly good body, but brain or head injury that is beyond repair.

Trouble, Trouble, Trouble!

"Not at all, it's simple," insisted Hoffman. "You've got to read the article. It's terrific."

"Don't want to," I replied. "It just can't be done. Too many Problems!"

For example: Patient A and patient B enter the hospital. A couple of weeks later, patient A (the body) walks out wearing patient B's head.

Now, where does he go? If the body walks to patient A's house and says "hi, honey, what's for dinner?", and gives her a big kiss with patient B's head, what's going to happen?

Trouble.

If we start switching heads and bodies, which one of the guys is still living and who stands the expense of a funeral?

"It's simple," insists Hoffman, "the one who was doomed to die first is the one that's dead!"

I can't buy that. They'd both be dead if it weren't for the other. So in a sense, both live and both die.

"Let me give you another example," I told Hoffman, getting "deadly" serious.

Patient A (the body) is "Frank" and patient B (the head) is "Joe". After the transplant everybody would be calling Frank, Joe. Now Joe may have been a center on the New York Celtics basketball team. He goes back to work and everybody recognizes him when he's sitting down, but when he stands up, instead of being 6'7", he's only 5'9".

Is that Joe? Of course not; he's not the center for the Celtics; that's Frank, a short-order chef.

But what would sports fans think if they saw their sports' idol, Joe, dishing up hamburgers and French fries?

Besides, think of the wives of Frank and Joe, fighting over which was entitled to insurance benefits.

No. It just can't be done. Not with heads.

Hoffman insists the technique is being developed and has great potential. Come to think of it, that's what he

said when he brought the subject up in the first place.

He looked at me and casually asked if I'd heard that it's possible to get a new head.

The following is "lifted" from Bob Silbar's Fenton Independent editorial page. He calls it "Fiddle Faddle!"

Ice fishing on nearby lakes is just getting under way, which reminded us of the farmer who was accused of illegal fishing in spearing fish through holes in the ice. At his trial one of his friends was a reluctant witness. The smart young attorney from the county prosecutor's office was grilling him. "Didn't those holes in the ice look fresh to you?" the attorney demanded. The reluctant witness thought a minute, then said, "I dunno. I couldn't tell for sure if they were this year's holes or last year's."

They tell of John Jacob Astor, one of the nation's richest men, that once a committee called on him for a donation for some worthy charity. The old man checked the subscription list carefully, to see who had contributed. Then he wrote the committee a check for \$50. Disappointed, one of the committee members said, "We actually were hoping for more, Mr. Astor. Your son gave us \$100." "Ah," old Mr. Astor replied, "William has a rich father. Mine was very poor."

The Bob Fergusons, we note in the telephone book, have separate telephones for their children. We know of a dad who gave his daughter her own phone for her birthday but soon found she was still using his. Asked why, she replied, "I didn't want to tie up my line."

Readers Speak

Urges End of 'False Well'

To the Editor:

Since moving into the Northville City last spring, I have been very pleased to note the active interest and pride in their community that Northville residents have. Indeed, Northville citizens have made as progressive city to base their pride upon.

However, there is one "false front," which, as a new citizen of Northville, I find very disturbing. I have read in the Detroit papers a number of times that the old Northville well is now supplied, for at least tradition's sake, by Detroit City water when it dried up some three years ago. And yet people for miles around, travel a great distance to procure what they still believe to be fresh well water. Indeed if the well did give forth well water for public consumption, it would be required that a county or state sign certifying that it is safe water. Since the city well does not have such a sign, they can not be

EDITOR'S NOTE: This newspaper welcomes letters to the editor. We ask that they be received at this office by Monday noon for publication the same week and that they be limited to 500 words. All letters must contain the signatures of the writer, but names will be withheld on request. This newspaper reserves the right to edit letters for brevity and to avoid profanity or libelous statements.

"Boy! I can't wait until I'm big enough to drive a real car," exclaimed one of the kids that inhabit our house. He was plowing a toy car through a company of plastic soldiers, scattering them about the living room battlefield. "How old will I be?" he asked.

Young man, I said inspecting the damage he'd inflicted on one of my ruffled, if I have my way you'll be married and out of the house before you plunk yourself down behind the steering wheel. One menace in the house is sufficient, I added, nodding silently in the direction of his mother.

It was a mistake because later, after returning the soldiers to the cardboard barracks, he asked his mother, "What's a menace?"

"It's someone or something that causes a lot of trouble," she replied.

"How long have you been a menace?"

Later, after putting the kids to bed, she turned on me, snarling, "That was a nasty thing to say to one of your children. If anyone can't drive in our house, it's you. How many parking tickets did you get last week?"

"But parking tickets don't count," I said defensively.

"Okay, okay, but don't you call for help when they lock you up someday. Just tell the judge they don't count."

Whereupon the debate degenerated to a stormy free-for-all, climaxed by a silly comparison of automobile scratches, nicks and dents. And as usually happens, I was declared the winner with a scratch or two more.

Frankly, I dread the day when our kids will ask for the car because of my own early experiences with motorized vehicles.

The first was a short-lived trip aboard a monstrous tractor — one of those early kind with two giant steel wheels that had long teeth called tugs. I leaped the yard in a few jerky spurts, rounded the barn and promptly gashed the corn crib, razed a fence and terrorized a few dozen sheep.

The trip ended abruptly when one of the wheels decided to climb up over the edge of a water trough. The wounded machine flipped over onto its side and spun around in a crazy circle on one of its metal wheels, the other clutching helplessly at the air.

Two years later I graduated to a racy, stick-shift '36 Chevy. It was a beauty — spoke wheels, bucket seats, and air conditioned by a little metal fan mounted on the dash.

I was demoted to the bicycle a week or two later after ditching the car in

front of the house. Ironically, I wasn't behind the steering wheel when it happened.

Returning home after midnight — a violation of the greatest magnitude in our house, I realized those six cylinders would signal my arrival and raise an angry father from his bed. Rather than disturb his sleep, I decided to stop the car a few hundred feet from the drive and push it the remainder of the distance.

The car was too heavy to push from the side and steer at the same time, so I pointed the car towards home and put my shoulder to the trunk. I was nearly to the drive when the car turned from the humpback roadway and rolled, despite futile efforts to dig my heels into the gravel, to the bottom of a six foot deep ditch.

Fortunately, the noise failed to penetrate the bedroom. So, sneaking into the house, I rang up my buddy whom I'd dropped off earlier and whispered, "Buff, I'm in the ditch. Bring your jeep. Be quiet."

"Be right over," he said.

He roared past me as I tried to flag him down before he got to the house, spun into the driveway, backed out in a cloud of dust and shot back to the car as the lights in the bedroom popped to life.

"Had some trouble, eh? Don't worry, I'll have you out in a minute," the jeep driver snapped.

True to his word, Buff had me out in a minute. But the trip inside the house was even quicker — riding the breeze whipped up by the pulsating willow that followed menacingly.

Which brings me back to a concluding remark of the woman who claimed fewer scratches than I:

"When your kids start driving, just remember that a long time ago you were probably young yourself."

Precisely.

"MAN, THIS NORTHVILLE SPRING WATER IS THE GREATEST!"

By ROLLY PETERSON

which is surely as wrong ethically as commission.

Sincerely,
Dennis R. Dildy
429 Lake Street
Northville, Mich.

EDITOR'S NOTE—Northville Rotary club this past week negotiated a lease from the C & O Railroad for property adjacent to the spring. The club plans to sink a new, deep well, possibly yet this winter, on railroad property and connect it to the historic pump so citizens can enjoy real Northville spring water. The project is being financed by Rotarians.

Sees License Bureau Need

To the Editor:

If it is the aim of Northville merchants to entice people to come to Northville to shop they would do well to ask the Council to reconsider the closing of the Drivers License Bureau.

The council's figures show that 13 of 14 people served there come to Northville from out of town. If these 13 people have to go to Five Mile and Middlebelt they might as well stop at Livonia Mall to shop. They will never have a reason to come to Northville.

But, when these 13 people from out of town must come to Northville for their drivers licenses Northville has a chance to show 13 potential customers what it can offer in friendly, personal service. They will see the merchants' displays, stop for a cup of coffee, browse in the shops, pick up a few groceries and go home feeling it has been a profitable day.

Northville businessmen do offer good merchandise and personal attention to shoppers but out of town shoppers won't know this if they don't come to town. Is it the aim of the merchants of Northville to allow the Council to do away with the License Bureau, thus stopping these potential customers and money from reaching the counters of this community?

Linda Kate Edgerton

Mothers Slap School Closing

To the Editor:

When you're a working mother and your children are picked up by bus for school, you assume they are to be in school for the day. It is an unfortunate situation — when the weather is IMPROVING — to find that the youngsters have been dismissed just after noon to find their own way home.

Distraught working mothers

Bouquet Goes To Firemen

To the Editor:

So much is said so often about the "inefficiency" of our civic employees. We would like the people of Northville to know what excellent fire and police protection we have within this area.

The response to our recent fire alarm was quick, effective, and most helpful. Many, many thanks to the members of Northville's fine fire department.

Dr. & Mrs. R. M. Atchison

Ford may have a better idea. Chrysler may have its Rebellion girl. But VW. Ah. It has them beat. Because of the advertising. Which is simple. Like the VW.

No blaring on TV. No odd camera angles to set your head aswim. No curvaceous girls. Just simplicity. In fact, the advertising is so simple, it's disarming. Like a dove. And just about as feathery, using comparison and emphasis and poetic techniques.

You've seen it, the TV advertisement that compares two identical home owners living next door to each other. Identical? Not quite. They both have the same amount of money. But one purchases a high priced, big car. Period. Our man purchases a Volkswagen, a refrigerator and many other furnishings with the same money.

Clever? You bet. VW advertisers toy with the epigram, a device Alexander Pope made popular, away back when.

Let's try one: "We put our engine in back. So you get extra traction. And we cool it with air. So you won't freeze up or boil over. If you've ever boiled over in a water-cooled car, you'll like riding on air."

Throw in, for good measure, a poetic technique E. E. Cummings popularized. It's a special concept. Words are placed in particular places on the page. For emphasis. Again, let's sample a sample:

"Economy is the biggest reason people everywhere buy Volkswagens.

"Start with the VW's purchase price.

"It's lower than most other cars'. So it can usually save you more than most other cars'.

"In fact, compared to the prices of some cars, a new VW can save you enough to also buy a good used VW. And give you two cars for the price of one.

"Running a VW can save you money, too.

"It gets up to 27 mpg. On regular gas.

"And takes only 5 pints of oil. Not quarts.

"4 spark plugs. Not 6 or 8."

Get

the

idea?

The bug. The American car in reverse, you might say. Because VW does everything backwards and gets away with it. Engine in the rear is but one feature they play up that gets them down to earth.

But where VW scooped them all — in advertising — is their emphasis on body design. Who, in his right mind and in this wide, ever-changing world would have thought of pulling for the status quo? And made it work? VW. That's who.

While American car designers are putting the latest fashion in the show case, VW has been holding to the same body style. Insane? Not at all. Ever since 1949, when the first VW visited the United States, VW has been gaining in sales.

Furthermore, Volkswagens never die. They don't even fade away. Go to a junk yard. Look for a bug. You won't find many. Probably none, because a Volkswagen bought in 1949 is still in fashion. Like the girl you married in the same year. Same chassis, with a few nicks and new wrinkles, but the same reliable girl, older but still attractive.

It's irritating, in a way.

Ever ride down the expressway, cruising about 70 miles per hour and a Volkswagen passes you by, in your spanking new, sleek, power-packed American car? You tromp on the gas, pass the Volkswagen and look back, through your rearview mirror, in disdain.

You're laughing. But he catches you when you stop for a stop light, or when you stop for gas. Downright irritating.

What's my pitch, you ask? Another contented and somewhat egotistical VW owner, you assume. Not at all. I don't even own one.

Flying Ambulances Tested for Highways

LANSING — Many an injured soldier in Vietnam owes his life to a helicopter air lift. Such prompt medical attention may soon be available to those injured on Michigan highways. Superior Ambulance Service, Wyandotte, purchased a Bell Ranger 47-J helicopter and is providing airborne emergency transportation to hospitals within a 100-mile radius of its home base in Westland.

Service is on a trial basis, but Superior president Walter A. Gutkowski feels that the helicopter rescue unit will bring about a rapid increase in demand for the service. In its initial test the 'copter made a pickup in Garden City and delivered the patient at University Hospital, Ann Arbor, 25 minutes after it was called.

TRAFFIC-CLOGGED expressways which hinder ambulance runs present

little problem for the vertical travel of a helicopter. Rural roads, rendered impassable by snow or mud, offer no obstacles to the agile "whirlybird."

Rates for the service are comparable to land vehicles: \$30 plus \$1.50 per mile. Conventional ambulance rates in the area run \$25 plus \$1 per mile, but Gutkowski smilingly notes that the shorter "crowflight" route may make the higher mileage rate of the helicopter more a bargain than land ambulances.

According to Gutkowski, the helicopter can carry two injured persons and cruises at 90 miles per hour. Its top speed is 105. With its night-flying equipment the 'copter can fly in almost any weather, except for heavy sleet.

UNIVERSITY HOSPITAL plans to blacktop, fence and light a landing pad 70 feet in diameter and only 100

yards from its emergency entrance. Plans also call for two-way radio communication between the hospital and the helicopter.

Several University hospital physicians have studied helicopter use in combat zones and are confident that the new service will prove its value in emergency cases. The director of the hospital also cites helicopter service as a faster way to transport difficult cases referred from other institutions, notably those suffering head injuries, severe burns and spinal injuries.

It seems likely that future hospital plans may call for helicopter landing pads as standard equipment.

DEATH CAN BE REDUCED substantially on the highways any time the people of the state want to be hard-boiled about it. When citizens of Mich-

igan want to face up to the fact that drinking (not necessarily drunken) drivers are the cause of or involved in a very high percentage of serious accidents and are willing to do something about it, a change can occur overnight.

The trouble is that facing up to the facts can be painful. What is needed is new and stiffer laws which mean that drivers who drink really do go to jail, lose the right to drive, or are fined heavily. What is needed is for a high percentage of individuals in our population to support police who arrest drivers who have been drinking and judges who sentence them.

Unfortunately, that reaction from the public has been not very apparent. EXPERIENCE in London could motivate action. A new stiff law there met much resistance, but permitted police to give a "breathalyzer" test to anyone driving. If the test showed only a trace of alcohol, the driver received a stiff penalty. Apparently people paid attention to the law. Figures from this year's Christmas weekend show there were 50% fewer arrests for drunkenness than last year and 40% fewer accidents.

Michigan's new "consent law" went into effect November 2. The full effect of the law is not yet felt, but the number arrested for drunken driving has doubled. The law requires that suspects take a test or forfeit their licenses.

Officials are concerned that the law has loopholes which will permit some to escape it. This remains to be seen.

A PERSON refusing a test in Michigan is entitled to a hearing before a board. Attorney General Frank Kelley has ruled that this hearing needs the full treatment of court procedures. This, in turn, means that government expense could become tremendous. Costs of keeping records and paying expenses of witnesses would be substantial.

James M. Hare, Secretary of State, must deal with these hearings. His office is studying cases of 50 drivers who refused to take the breathalyzer test. The results of this study will help lawmakers determine whether further changes in the law are necessary to protect the public.

Roger Babson

How to Hold Your Job, Save Business in 1968

BABSON PARK, Mass., January 18. Most observers of the political, economic, and sociological scene are convinced that 1968 will be a year of recurring crises for our nation. What are the difficulties most likely to be encountered and how best can you preserve — or extend — your prosperity this year?

THE FEDERAL Reserve still has not really tightened up on money yet. With cash supplies still large by most past criteria, with continued heavy government spending for both defense and non-defense items and programs, and with the prospect of expanding activity in the automobile industry over coming months, business should be on the rise through much if not all of the first half. But, on the whole, it will be a very high-cost boom. In other words,

profits will not be commensurate with the increase in volume turnover.

Chances are the economy will start to "overheat" ... after which you may expect the Federal Reserve, the President, and Congress to take bolder measures to cool it off. When the flood of money is at length dammed ... when the President imposes selected domestic economic controls ... when the Congress cuts budget deficits and perhaps enacts higher taxes ... how will you and your business fare? Will you be in a position to take what comes ... to ride through the ups and downs that lie ahead?

WHETHER YOU are an employer or an employee, developments in manpower and labor will have some effect on your economic situation this year. At least in the forefront of the year, skilled labor will continue to be in good

demand ... while the need will intensify for scientists and specialists. However, there is no shortage of unskilled labor.

Look for a further spiraling of wages during the first six months of 1968 ... spurred by the recent handsome settlements in the auto industry, expanding living costs, and next month's boost in the minimum wage. All in all, the pressure of wages on over-all costs in manufacturing and service businesses will be keenly felt.

COST-CONTROL will be more important than ever to you as an employer this year. You may have only limited success in bucking the higher price tags on borrowing capital funds. You can't buck the mandatory boost in the minimum wage. But you can exercise a tighter control over your operations with a view to cutting unit costs and to increasing the productivity of your employees ... for your benefit and theirs.

And if you are working for someone else (and this goes double if you are an unskilled worker!), you ought to remember that your employer has a considerable investment in you and that he pays out a good deal more for you than the wages you receive in your pay envelope. Look about for ways to improve your performance so as to make your work more meaningful and more profitable to you and your employer. Mend your fences, or you may be among those laid off when labor cut-backs become necessary.

NO MATTER whether you own your business, work for someone else, are a student, or are retired, hold something in reserve for a rainy day. As other costs rise, so too will the cost of credit. Borrowing from tomorrow to pay for what you feel you must have today has become fashionable under the "new economics." But it can be very risky business if you don't exercise a measure of self-control. In any event, it's costly ... and you ought not to be paying heavy interest charges if you can possibly avoid them.

If — aside from your reserve for a rainy day — you do have funds to invest, be selective, be cautious, and be patient. Don't jump at any opportunity without investigating its prospects. And remember that if the economy does turn down later this year, cash may well be your best friend.

NOTICE OF PUBLIC HEARING

SALEM TOWNSHIP

A public hearing will be held before the Salem Township Zoning Board of Appeals

FEBRUARY 1, 1968

8:00 P.M.

at the

SALEM TOWN HALL

to hear a request by Mr. and Mrs.

James I. Berger for a conditional use permit to construct and operate a Dog Kennel for boarding, grooming, training and selling, located between Seven and Eight Mile Roads, on Dixboro, known as the Durance Farm, being part of Section 6 N-10 Acres of the S 21 Acres.

R. J. Knight, Secretary
Salem Township Board of Appeals

About Our Servicemen

Ft. Knox, Kentucky—Ronald L. Deaton, 19, son of Mr. and Mrs. Ollie J. Deaton, 25325 West Wixom road, was promoted to Army private pay grade E-2 upon completion of basic combat training at Ft. Knox, Kentucky.

The promotions were awarded two months earlier than is customary under an Army policy providing incentive for outstanding trainees.

As many as half the trainees in each training cycle are eligible for the early promotion, based on scores attained during range firing, high score on the physical combat proficiency test, military bearing and leadership potential.

Ft. Knox, Ky.—James K. Barker, 20, son of Mr. and Mrs. James D. Barker, 11509 Hall Rd., Whitmore Lake, was promoted to Army private pay grade E-2 upon completion of basic combat training at Ft. Knox, Ky., November 3.

As many as half the trainees in each training cycle are eligible for the early promotion, based on scores attained during range firing, high score on the physical combat proficiency test, military bearing and leadership potential.

The promotion was awarded two months earlier than is customary under an Army policy providing incentive for outstanding trainees.

Long Binh, Vietnam—William W. Rinesmith, 20, son of Mrs. Eram Davy, 260 Glenmore avenue, Whitmore Lake, was promoted to Army specialist four December 13 while serving as an ammunition storage specialist in the 60th Ordnance Company near Long Binh, Vietnam, December 13.

Private First Class Paul M. Suobank, who entered the service on August

10, received his basic training at Ft. Knox, Kentucky.

He is presently stationed at Ft. Rucker, Alabama, where he is being trained for helicopters. He is the son of Walter Suobank, 23837 West LeBost, Novi.

Eighteen-year-old Michael D. Utley, son of Mr. and Mrs. M. L. Utley, 777 Grace street, left this past week for the naval air training station at Jacksonville, Florida following a 10-day furlough.

Utley entered a special six-months Marine Corps program shortly before Thanksgiving. He recently completed boot training at Parris Island, South Carolina.

Following his active enlistment, he will enroll in a police administration course, beginning at Schoolcraft and finishing probably at Michigan State university.

Ft. Knox, Kentucky—Army Private Michael J. Nagle, son of Mr. and Mrs. George R. Nagle, 5615 Carlburt avenue was his company's high scorer on the physical proficiency test held at the end of his basic training cycle at Ft. Knox, Kentucky, December 15.

The rigid test, based on skills that require coordination and endurance, is designed to evaluate a soldier's physical capabilities and to determine whether he has the stamina needed in battle.

Northville Observes JA Week

A proclamation has been signed by Northville Mayor A. M. Allen designating January 22 to February 2 as Junior Achievement Week.

The proclamation reads in part: "Junior Achievement movement is dedicated to giving youth a working knowledge of the values, freedoms, and responsibilities of the American free enterprise system; its objective is accomplished through laboratory training in corporate business operations at centers established and maintained by said Junior Achievement....

"Through the efforts of this organization and nearly 1,000 business advisers, more than 8,000 high school students in southeastern Michigan each year are taught the merits of initiative, ambition, and our economic philosophy....

"Junior Achievement trains the leaders of tomorrow in this community, as throughout the United States, Canada and other countries, by motivating young men and women to strive for responsible citizenship."

Mayor Allen urged citizens of Northville to support and encourage the Junior Achievers and their volunteer counselors from business.

Michael J. Nagle

Draft Board's Back in Business

Plymouth Local Board No. 102, whose office was destroyed by fire last week, has resumed operations from temporary quarters located in the Post Office Building at 860 Penniman avenue in Plymouth, it has been announced by Colonel Arthur A. Holmes, state director of Selective Service.

The office staff headed by Mrs. Lucia M. Fedell, chief clerk, is on the job to accept registrations and transact other essential draft board business. The board office may be reached at the same telephone number as previously—GL 3-0232.

All men who registered at the old local board office during the month of December 1967 are requested to return to complete their registrations as soon as possible. These registrants can then be issued their registration certificates which they are required by law to have in their possession.

All men becoming 18 years of age since December 31, including the week

before the fire, are also requested to report to the local board to complete their current registration and arrange to receive their registration certificates.

The Selective Service Act requires all young men to register on their 18th birthday or within five days thereafter. Thus all males becoming 18 will report to a draft board on a continuing basis to be registered.

Records of Local Board No. 102 are now being reconstructed based on duplicate copies at the state headquarters in Lansing. As Selective Service files are reconstructed in the future, registrants will be advised by letter of any additional records required.

Members of Local Board No. 102, who will review all classification actions as the records are reconstructed, are Judge John L. Mokorsky of Inkster, chairman; Leonard Broquet of Northville, secretary; and Verner Bodker of Detroit, Joseph S. Grebik of Livonia and George P. Manoleas of Northville.

Northville Enters 'Cleanest' Contest

Northville has entered the 1967 National Clean Up Contest. Its entry has been received at Contest headquarters in Washington, D.C.

The National Clean Up Contest, which is the oldest and largest competition of its kind in the United States, is sponsored by the National Clean Up-Paint Up-Fix Up Bureau.

"The progressive, civic-minded people of this community are to be congratulated for their accomplishments," said Bureau Director R. H. Hackendahl. "The results they achieved show that these citizens have accepted the challenge to work in partnership with organizations and departments of city government to attack the problem areas of their community."

The contest entry, in scrapbook

form, will be judged with entries from other cities and towns of the same size throughout the country. All entries are judged in one of the three following population categories: Under 25,000 people; between 25,000 and 250,000 people; and Over 250,000 people. Judging will take place in late January, and the results will be announced then. Those communities receiving an engraved trophy, a distinguished achievement award, or a certificate of honorable mention will accept their awards at the National Cleanest Town Conference, February 18-20, in Washington, D.C. The highest possible award, the Triggs Trophy, will go to one city, regardless of size, which the judges decide best exemplifies the principles of the Bureau's nation-wide community improvement program.

Film Series Set At Salem Church

Called the "most detailed depiction of the life of Christ ever filmed," the Living Christ film series is to be presented in 12 full-color episodes of 30 minutes each by the Salem Congregational Christian church beginning at 7 p.m. January 28.

They will be shown consecutively at each Sunday evening service through Easter Sunday evening, April 14. The

subject of each sermon at the 10 a.m. Sunday service will correspond to the film of the evening.

Photographed in full color, the Living Christ series has a cast with more than 200 speaking parts. The film covers the political, economic and religious background of the times.

The public is invited to attend the film showings in the Salem church auditorium.
