

# The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Vol. 98, No. 44, 28 Pages, Three Sections • Northville, Michigan - Thursday, March 14, 1968 • 10¢ Per Copy, \$4 Per Year In Advance

THIS WEEK

**UNSAFE**—This entrance bridge to Rural Hill cemetery has been declared "unsafe" by the Wayne county road commission. Although the cemetery is in the township, the bridge is in the city. The

council has been notified of the possible danger. Pictures of the bridge structure, along with further comments, appear in Speaking for The Record, page 8-B.

## Third Class Status Sought for School

Northville school district voters will be asked to approve or disapprove "promotion" of the district from fourth class to third class status in June.

The board of education accepted the recommendation of Superintendent Raymond Spear and voted Monday to place the matter on the June 10 regular school election ballot.

Main differences in the status include the possibility of six-year board terms instead of four and biennial elections instead of annual elections. In both of these cases, under third-class status, the decision rests with the board of education.

Should the board elect to vote biennially, such an election may be held in conjunction with a city election, thus saving some election costs, Spear explained.

According to the superintendent, districts with a student population of 2,400 or not more than 30,000 may

elect to change from fourth class to third class status. Northville's current population is 2,741. The district passed the 2,400 mark in 1964.

Still other differences between third and fourth districts include:

--The secretary and treasurer of a third-class district may be non-board members who are paid salaries fixed by the board.

--Special elections petitioned by electors requires 10-percent of the registered school voters as opposed to five-percent under fourth-class status.

--Term of the superintendent may be extended to five years instead of the three-year maximum under fourth-class status.

--A third class district may establish museums and libraries separately operated by boards of commissioners.

## City, School In Accord On Paving

A bottleneck relative to the proposed paving of Taft road apparently has been jointly resolved by the Northville city council and the board of education.

Acting upon the council's decision to go ahead with paving yet this year, the board of education Monday night rescinded an earlier indecisive resolution and substituted another which pledges the school to share part of the paving cost.

Specifically, the newest resolution says the board of education intends "to participate in the assessment of the frontage owned by the district in an amount not to exceed \$7,800." It further states that the board reserves the right to review any additional costs before final acceptance of the assessment.

In plainer language, the board decision means the school may pay up to 100-percent assessment. The \$7,800 figure is based upon preliminary estimates that approach the 100-percent.

One big reason for the board's reluctance to act similarly at its earlier meeting was that action on its part might be interpreted by affected Taft road property owners that the school board was initiating the paving project. This position was further complicated by the fact that Secretary Glenn Deibert questioned the city's proposed 100-percent assessment of Taft road property owners.

The city's decision to go ahead with the project — along with a suggestion to the board that it reconsider its earlier resolution qualifying school participation — apparently satisfied board members and the new resolution was adopted without dissent.

Deibert, although still not satisfied with the city's assessing formula, supported the resolution, pointing out that his arguments had been sufficiently aired to establish his position.

## School Seeks 2 Sites In Nine Mile-Taft Area

Northville's school administration received board authorization Monday night to begin negotiations for acquisition of two future school sites in the Nine Mile-Taft road area.

Under consideration are two parcels of land either owned or held by Marc Alan developers on the north side of Nine Mile road on either side of Taft.

Alan, according to Superintendent of Schools Raymond Spear, has indicated plans for development of two large housing developments in both locations which are to get underway within the next two years.

Spear was directed by the board to attempt to negotiate a land donation from Alan. Vice-president Stanley Johnston emphasized that the district should first attempt "to get free land", and, failing this, to "pay as little as possible if anything at all."

The district has already received a promise of 10 or more acres of free property from the Thompson-Brown company off Six Mile road. (It purchased the Ida B. Cooke junior high site from Thompson-Brown).

The superintendent said Alan plans to develop 140 acres directly across Nine Mile road from Connemara subdivision. Initial proposals call for 317 single-dwelling units and 240 multiple units. This number of units, he said, would produce some 200 elementary students. He pinpointed a potential 10-acre school site on this land in a location between the Christensen and the McElroy properties.

The second Alan proposed development is to be located west of Taft and north of Nine Mile road. It would adjoin or nearly adjoin the Ten Mile-Taft roads development proposed by Max Sheldon. This project of Alan is expected to be of a similar size. Spear indicated that a site midway between Nine and 10 Mile roads would be most advantageous.

The school that might eventually be built on the latter site would serve Alan's second development and the development of Max Sheldon. The other proposed school would serve Alan's first development, Connemara subdivision — where construction has been stepped up with the installation of sewers, and the giant Slatkin development to be located on both sides of Center street south of Nine Mile road. Slatkin's development is to begin yet this year.

Both proposed schools, Spear indicated, would be attended by students who could walk to school.

A motion by Trustee Andrew Orphan to amend the motion authorizing negotiation, limiting it to just one site (across from Connemara), was withdrawn after board discussion.

Concerning development in Novi within the Northville school district, board members repeated earlier warnings that unless Novi village officials discourage "small lot" development they will be placing a heavy tax burden upon the Northville school district, which extends to beyond 10 Mile road in some places.

Some day, they warned, the irregular school district lines may be

"squared off" — perhaps at Nine Mile road, leaving all developments north to the Novi school district and thus handling the small-lot problem to Novi.

Board members also authorized the administration to begin negotiating for possible future sale of the community

building. But before giving its authorization, the board voted to permit expansion of the building's use by Schoolcraft college and renewal of The Cavern's lease of the cafeteria side of the building.

Sale of the building is being considered, it was explained, because it is no

longer used locally for educational purposes, leasing fees do not cover depreciation, because an un-named private enterprise has inquired about it, and because its sale would place the building on the assessment rolls thus gaining the district and the city additional tax dollars.

## Tax-Free Land Relief Bid Gets Hearing, Little More

In the process of whittling state aid proposals down to palatable sizes, the education committee of the State House of Representatives took but seven minutes at Lansing Thursday afternoon to hear Northville's unique appeal for local tax relief.

It was pretty obvious that committee members, anxious to hammer together the long-delayed state aid bill so that it could be moved to the appropriations committee this week, held out little hope for Northville's proposal to win credit for some 3,000 acres of non-taxable state, county and Detroit property in the township.

That Superintendent Raymond Spear and Business Manager Earl Busard were placed on the agenda at all appeared to be a matter of courtesy since Representatives Clifford Smart and Louis Schmidt, chairman and member of the committee, respectively, represent the Northville area.

In fact Smart, in opening the committee meeting, made it plain that the Northville representatives would be absolutely the last persons to be heard before the committee got down to the task of approving sections of the bill.

"Our chances don't look very good," admitted Spear later. "But that doesn't mean we're giving up. I hope our citizens will write to their legislators and tell them that we want something done — and that we want it now."

Spear presented a six-page proposal to the committee, together with several maps showing the areas within the school district which house tax free institutions.

Specifically, the committee was asked to give the Northville school district financial relief in the form of "an exemption from deductible millage in an amount equal to the non-taxable state equalized valuation of institutional property within our district."

The proposal notes that of some 6,005 acres of developed land within Northville township, some 49.5 percent is developed by governmental institutions not subject to taxation, "thereby placing an untenable burden upon the persons owning property and paying taxes in our district."

"It is estimated that even though the Northville's ... taxable state equalized valuation will total approximately \$48,044,944 in 1968-69, the actual true state equalized value of property in our district (if institutional property is included) is approximately \$78,000,000.

"The deletion from our taxable base of some 30 million dollars state equalized valuation has caused and will continue to cause a financial hardship upon our school district, by demanding that in order to maintain an adequate educational standard for our resident students of our district, we must demand of the taxpayers in our district an ever increasing school tax, a tax far out of proportion to what it could and should be."

Spear emphasized that the proposal covers only developed non-taxable property within the school district. He pointed to the Northville State Hospital, the Wayne County Children's Development Center, Plymouth Home and Training School, Detroit House of Correction, and Maybury Sanatorium. It excludes recreational land, land owned by local governmental agencies and schools and recognized religious organizations.

The suggested amendment to the state aid bill would be limited to those districts whose non-taxable SEV exceeds 10-percent of the total dis-

trict's valuation.

Representative William L. Jowett of Port Huron, vice-chairman of the educational committee, took the posi-

## Review Boards Hear Protests

Board of review hearings were completed Tuesday night in the township, while in the city one more session is scheduled for Tuesday, March 26.

Because the township underwent re-assessment this year, there was considerably more activity at township hall meetings than at city hall. The city reassessed all property last year.

Up until Tuesday evening's hearing the township had received 110 inquiries. Of those 96 property owners filed protests seeking reductions in assessments.

To date the city has had 46 inquiries. About a third filed protests, another third were reduced and the remainder left unchanged.

The city's final hearing will be conducted from 9 a.m. until noon and from 1 p.m. until 4 p.m. on the 26th.

## By One Vote

# Village President Upset in Novi

Two new Novi council members were elected Monday in a surprising upset that saw Novi's veteran official, Philip Anderson, losing his post by a single vote.

Anderson is a charter member of the village council and was reigning president.

Elected were Raymond H. Evans, who had been serving as a council appointee since the resignation of Joseph Crupi, Donald C. Young, Jr., a former councilman, and William L. Ducey, a newcomer to elective office.

By polling the most votes, Evans (274) and Young (272) won themselves four-year posts, while Ducey (242) picked up the two-year term.

Ducey barely edged out Anderson, 242 to 241, thus ending the retired

farmers' political career that began with the village incorporation of Novi a decade ago. Anderson had served on the council since incorporation — the only member remaining from that original body — and during much of this time had served as the village president.

Running a close fifth in the election which included 13 candidates — largest in the history of the village — was former councilwoman Miss Eugenie Choquet. She garnered 239 votes, just three away from winning a council seat.

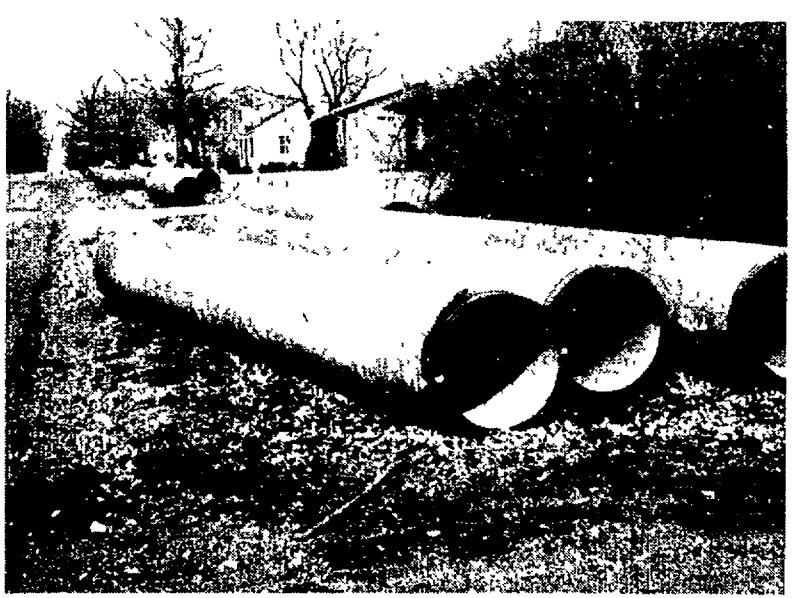

Other candidates and their vote totals were: Gilbert Henderson 158; Edwin Presnell 146; Robert Ollis and Dave Pink each 113; Olen Green and Richard Ratcliffe, each 109; James Cherfoli 103; and Charles Smith 68.

**Spring Redecorating?**

That time of year is here when a householder's thoughts turn to getting rid of unneeded furnishings. Take Mrs. R. S. of Northville. She advertised several pieces of furniture in the Northville Record-Nowi News-South Lyon Herald Want Ads and sold it all, almost quicker than you can say, 'Spring Redecorating'.

You can do the same! Only 90¢ with cash discount — for a wonder-working 12-word ad that reaches more than 20,000 readers.

CALL 349-1700 or 437-2011 and place your ad now!

**WATER TO NOVI** — Work began Monday at Baseline road and Grace street in Northville for extension of Detroit water lines into Novi. The line will extend along Grace to Maplewood, then west on

Maplewood to Center and finally north on Center to the village of Novi at Connemara subdivision. The project is expected to require four-to-six weeks for completion.

**Answers Wanted**

## What's Your Position On Year-Round School?

A questionnaire concerning the Year-Round school concept subject of a series of articles published by this newspaper over the past several years, appears on Page 8-A of this edition.

Parents are asked to fill it out and mail or bring it to The Northville Record, 101 North Center street, Northville 48167, no later than Thursday, March 21.

Results of this survey will be tabulated and published in this newspaper on March 28. The results also will be turned over to the Northville citizens' committee currently studying the Year-Round school concept. It also will be presented to the school districts of Novi, Walled Lake, and South Lyon for their information — even though neither is studying the Year-Round concept at this time.

It should be noted that this newspaper's series of articles on the Year-Round school was not a part of the current study in Northville. It is also noted that Northville's study is exploratory only and does not imply that the board of education has plans to implement it.

# Announce Engagements

Gloria Jean Bugni

Mr. and Mrs. Florian A. Bugni, Sr., of Harlan drive, Farmington, announce the engagement of their daughter, Gloria Jean, to Norman F. Brower, minister of Pilgrim Congregational church in Metamora, Michigan. He is the son of Mr. and Mrs. Harold Brower of Ortonville.

The bride-elect has attended the Detroit Bible College and Covenant college in Lookout Mountain, Tennessee. Her fiancé has received his bachelor degree from Detroit Bible College and his master's from Eastern Michigan university. He has attended Westminster Theological seminary of Philadelphia and Gordon Divinity of Wenhams, Massachusetts.

A June wedding is being planned.

Susan Jo Petz

Mr. and Mrs. Wilbert J. Petz of Phoenix, Arizona, formerly of Northville, announce the betrothal of their daughter Susan Jo to Captain James W. Nye.

The bride-elect is a sophomore at Arizona State university. A graduate of the University of Michigan, the prospective bridegroom is a Captain in the U.S. Air Force and is now doing graduate work at the University of New Hampshire. He is the son of Mr. and Mrs. Harry Nye of Fennville, Michigan.

No date has been set for the wedding.

# Choir Previews Overture Here

A preview of "La Boheme" and "The Medium," which will be presented in the Northville Overture-to-Opera program April 6 at the high school auditorium, was to be given by members of the high school choir Wednesday by Mrs. Chris Kontos.

A former music teacher in the Northville schools, Mrs. Kontos is serving as a volunteer with the Northville Overture committee headed by Mrs. Donald Ware.

Northville, for the first time, is having one of five evening Overture programs in the Metropolitan Detroit area. The programs are sponsored jointly by the Detroit Grand Opera association and Oakland university and are produced by Dr. David DiChiera of Oakland university. The Overture cast has been recruited from leading operatic voices in this section of the country.

As part of its goal to aid in the appreciation of opera, the Overture program here is being offered students at a special rate of \$2. Adult tickets,

available from Mrs. Ware, Mrs. Ben Zayti, or any committee member, are \$3.

With the cooperation of Donald Valentine, Northville high school choir director, Mrs. Kontos planned to translate and interpret the French of "La Boheme" and explain the composer's techniques in both operas so that students will have a better understanding of the stories and "know what they should listen for."

## Cooke P-TA Explains Tests

An explanation of various tests conducted in school will have a meeting of the Ida B. Cooke junior high school P-TA meeting tonight (Thursday) in the school's cafeteria.

Following the explanation, parents will be invited to ask questions concerning the tests.

# In Our Town

By JEAN DAY

CINDY ADAMS - Only woman lecturer of the 1967-8 Northville Town Hall series - will be introduced next Thursday morning (11 a.m. March 21) at the P & A theatre by Town Hall Chairman, Mrs. Robert Brueck.

While the vivacious Mrs. Adams from first-hand background as a world tourist speaks on "Woman's Role, East and West," it's certain the former actress and model will hold eye-appeal for TH's fashion-conscious audience.

Theatre hostesses will be Mrs. Donald Boor, Mrs. Leonard Howard, Mrs. Donald Ware and Mrs. Alfred Millington. Supplying the speaker's transportation will be Mrs. Bernard Baldwin and Mrs. Philip Wegeng.

Luncheon hostesses at the Mayflower meeting house in Plymouth will be Mrs. Donald Hannabarger, Mrs. Wilson Tyler, Mrs. John Canterbury, Mrs. Donald Lawrence and Mrs. C. A. Hoffman.

SPEAKERS for the 1968-9 Town Hall series will be announced at next Thursday's program. It also is very much to the credit of Mrs. Brueck and her TH committee that she will be able to add that for the upcoming eighth season Town Hall will be able to continue to bring the same top-caliber artists for the same season ticket price of \$10 for five lectures, the price established for the first Town Hall season of 1961-2.

To maintain the \$10 season ticket price in the face of rising prices everywhere the committee has checked all costs. The price also is possible because Town Hall has the support of the Northville community. For the last several years, it has been a virtual sell-out. Seats are available only on a seasonal basis - next season's sale begins next week.

WHEN A CLUBWOMAN takes on a major post, such as that of Town Hall chairman, she usually clears her year's calendar of all other volunteer work to devote time necessary to heading a time-consuming work.

In most areas this probably was true for Mrs. Robert Brueck, who is completing her second year as TH chairman. There was one other volunteer service, however, that she did not discontinue: She, with Mrs. F. S. Jennings, has continued to lead a very special Girl Scout troop of 10 girls from the Plymouth State Home and Training school. In addition to setting aside each Tuesday afternoon for the troop meeting, Mrs. Brueck offered her home as the meeting place for a change of atmosphere for the 14-to-17-year old girls.

A TUREEN LUNCHEON at 12:30 p.m. Friday, as is traditional, will conclude the year for Northville Woman's club. It also marks the end of the club's year-75th anniversary celebration. Held in the Northville Presbyterian church meeting room, the luncheon will be followed by an original skit presented by new members of the club. This is under the chairmanship of Mrs. F. A. Waggoner.

During the business meeting Mrs. Elroy Ellison will complete her two years as president, presenting the gavel officially to Mrs. Blake Couse.

This year's original skit, adapted

by Mrs. Waggoner from several Japanese fairy tales, relates the experiences of the newly married daughter of a wealthy Japanese family.

Mrs. Alex Johnson has contributed costumes for the skit.

New members taking part are Mrs. Herbert Weston, narrator; Mrs. Donald Keith Wright, the Japanese bride; Mrs. William Hefner, her warrior husband; Mrs. Johnson and Mrs. E. C. Hopper, dual roles as servants and fairies; Mrs. Leroy Ordling, fairy. Mrs. J. Hardee Bethea is stagehand.

SCHOOLCRAFT FACULTY Wives have chosen the first day of spring for the fashion show to be held at 8 p.m. March 20 in the college's Waterman center cafeteria. Fashions will be represented by Jeann's in Livonia.

Tickets, a \$1 donation, are being sold by all faculty wives and also will be available at the door. Refreshments will be served. Further information is available from Mrs. Barbara Feenstra, 421-0362, or Mrs. Marsha Mansfield, 534-0895.

FROM THE JOY ROAD studio of Marion Sober in Plymouth comes an invitation to her Northville friends - and all art-interested residents - for next Sunday.

She writes there will be a "blossoming of art" from 3 to 5 p.m. on St. Patrick's Day as her oil painting class presents an unusual exhibit, ranging from Pop Art - Peanuts, Dick Tracy and Little Orphan Annie portraits - to paintings of flowers and fruit. Op art paintings of blinding colors and tricky perspective, she adds, will hang side by side with flowers-in-a-vase in the Old Master style. All are for sale.

Marion (Mrs. Donald Sober) is a former Northville resident who now has her studio at 48234 Joy road between Beck and Ridge roads. Among her exhibitors will be Shirley Bednar of Northville. Others are Fern Urso, Maria Trapani, Jerry Kraft, Jewell Neely, Martha Cross, Lee Shollenberger, Rita Maly and Barbara Saunders.

WEIGHT-WATCHING seems as much a part of spring as the first crocus sprouts.

A new weight-conscious group now is forming in Northville. Weight Watchers organization in conjunction with the Northville recreation association is planning a chapter here. An organizational meeting will be held at 9:30 a.m. Tuesday, March 19, at the scout-recreation building on Cady street.

Members are scheduled to "weigh-in" at 9:30 a.m. with the meeting to begin at 10 a.m. Mrs. Charles Fountain and Mrs. Richard Cooper will be assisting the leader, who is to come from the Detroit office. Anyone wishing additional information about the group, which stresses sensible eating and will power, may call the WW office, 342-2844.

NORTHERN LITES home study group also has chosen weight-control as the topic for its March meeting to be held at 7:30 p.m. Monday at the home of Mrs. Harold Marks, 9545 Napier road. Mrs. Robert Horner is to be co-hostess. Mrs. Marks and Mrs. Harold Seden will present the lesson - with all the interest in reducing this must be the start of a "Slim-for-Easter" campaign!

## News Around Northville

Dr. Ferris Lewis of Dearborn will speak on the history of the upper part of Michigan's lower peninsula at the March meeting of the Northville Historical society at 8 p.m., Tuesday, March 19, at the home of Mrs. Kate Edgerton and her daughter, Linda, 571 Randolph.

Dr. Lewis, a former professor of history and geography at Henry Ford

college, has presented programs to the society twice on two earlier occasions.

At Tuesday's meeting he will give a picture presentation that includes the lumbering operations and lake boat activity.

Sergeant and Mrs. Duane Butler, Jr., with their children, two-and-a-half year old Duane III and eleven-month old Theresa, arrived from Kaiser-Slautern, Germany, March 1 to visit his parents, Mr. and Mrs. Duane Butler, 21405 Summerside lane. At the end of a month's leave Sergeant Butler will be stationed at Fort Hood, Texas.

The Butlers' daughter, Jan, was among the students from Western Michigan university home last week for a mid-term break. Others from WMU were Jim Brueck, Jane Tyler, Kurt Kinde, Doug Guido, Penny Scantlin and Terry Winner.

Orient chapter, Past Matrons' club, will meet at 12:30 p.m. Wednesday, March 20, at the Dunlap street home of Mrs. John Litsenberger. Mrs. Edward Mollma will assist the hostess.

# about Women and the family

BENEFIT LUNCHEON FLOWER-MAKERS - Members of the Northville Methodist WSCS are creating tissue flowers as decorations for the luncheon-fashion show at the church at noon next Wednesday - the first day of spring. Fashioning blooms are, from left, Mrs. Frank Bongiovanni, Mrs. William L. Brown, Mrs. Warren Fittery, WSCS president, and Mrs. Charles Skene. All women of the community are invited with proceeds to benefit the Northville State Hospital chapel fund. Tickets are available from the church.

# Doors to Open at OLV Sunday

Our Lady of Victory Catholic school, 133 Orchard drive, Northville, will participate in a first open house program planned from 2 to 5 p.m. Sunday, March 17, in which all of the 355 Catholic schools in the eight-county Archdiocese of Detroit will welcome visitors, both adults and children.

A special invitation to all residents of the area to attend is extended by Emery E. Jacques, Jr., local chairman. Other committee members are Mrs. Eugene Kampmann, Mrs. Thomas Macaluso, Mrs. Richard James, Mrs. Russell Saputo, Mrs. Donald Reuther and Stephen Cowley.

"We will be pleased if every single one of the 4.5 million persons living in the Archdiocese area comes to see what we do and how we operate in 1968," said the Reverend Father John B. Zwiers, superintendent of Catholic schools for the Archdiocese. Of the 4.5 million within the Archdiocese boundaries approx-

imately 1.5 million are Catholics. Father Zwiers said the idea for "the largest open house welcome ever planned for Michigan" was copied from St. Louis, Missouri, where Catholic schools have had open-house days for three years.

"We believe," he added, "the community will benefit generally by comparing our schools with the public schools in the area."

Visitors to the schools will be invited to meet the faculty, trade ideas with them, tour the school building, examine a display of textbooks and students' work and observe demonstration classes.

"Everyone without exception is welcome," said Father Zwiers.

The Archdiocese of Detroit includes the counties of Wayne, Oakland, Macomb, Washtenaw, Monroe, Lenawee, St. Clair, and Lapeer. There are 98

Catholic elementary schools and 40 high schools in Detroit; 103 elementary schools and 37 high schools in suburbs of Detroit, and 59 other elementary and 18 other high schools outside the Detroit metropolitan area.

In the 260 elementary and 95 high schools there are 185,000 students. Of these approximately 142,000 attend ele-

mentary schools and 43,000 high schools.

Members of religious orders outnumber lay teachers only slightly, there being 2,137 Sisters, Brothers and Priests and 1,943 lay teachers in the elementary schools. In high schools there are 1,302 members of religious orders and 855 lay teachers.

FLAGS, GIRL SCOUT uniforms and native costumes of other lands set the theme of the annual Northville Girl Scout birthday party attended by area Girl Scouts Saturday. Emphasizing the international friendship theme is a Mexican skit presented by Junior Troop 336, above, with guitar accompaniment by Mrs. Bonnie Carter.

The Swiss chalet, a model of one of the Girl Scout international headquarters buildings at Adelboden, Switzerland, is the work of Junior Troop 562, led by Mrs. Daniel Crishon and Mrs. Bruce Griggs, Jr.

## Teen Dance to Aid Chapel

Continuing their efforts to raise \$30,000 to provide an Inter-faith Chapel for patients at Northville State Hospital, the group of volunteers backing the venture announced that the Y would sponsor a Teen Dance at Roma Hall on Sunday, March 17 at 7 p.m.

Emceed by WKNR's popular disc jockey, Don Harper, the dance will feature Bob Seeger and several other teenage bands.

"The dance will be adequately chaperoned by adults," according to Chapel Committee member Mrs. Robert Fox. She adds that Livonia and Redford auxiliary police will be on duty that evening; too.

Tickets may be purchased at the door - for a donation of \$1.50. For more information call Mrs. Fox at GR 4-1372, or Mrs. Louis Liblang KE 3-1548.

The Inter-faith Chapel at Northville State hospital moved still closer to reality this week as volunteers reported they have collected \$17,000 in cash toward their goal of \$30,000. Another \$5,000 has been pledged.

When the need for a permanent chapel for the use of patients at the

hospital become apparent to the hospital auxiliary about three years ago they investigated ways of achieving it. Dr. E. G. Yudashkin, medical superintendent at the hospital, said that when the hospital was built 15 years ago there were no facilities for religious services.

The Chaplains have conducted regular services in the teaching auditorium. This, however, has been inadequate. In addition to lacking the traditional appointments for a chapel, the space was available only at the

time of services. Patients have no chapel to which they may go during the week for meditation. Dr. Yudashkin points out that there is therapeutic value to having this chapel available to patients.

As plans developed, the Chapel Committee found that although State funds could not be made available for such a project, there was space in the hospital, originally intended for office space, that could be remodeled as a chapel. They have provided three separate chapels: a Jewish Synagogue seating 30, a Catholic and Protestant Chapel seating 50 each. The nave of the Catholic and Protestant Chapels can be opened to allow the seating of 100 for a separate service. Three offices will house the three chaplains, plus a conference room and storage room.

## Newcomers Set Mod Musicale

A "Mad, Mod Musicale" party is being planned by the Northville Newcomers club for 8:30 p.m. Saturday, March 23, at the home of the Halton Axtells, 19600 Beck road.

Mrs. Axtell, Newcomers president, explains that this is to be a "strictly for fun" evening with members bringing their musical instruments for skits and songs.

On the committee for the evening are the Walter Carters, Robert Goodwins and the Macy Prices. Reservations are to be made with Mrs. Axtell, 349-5959.

## Births

Mr. and Mrs. George Brueck of Inkster announce the birth and baptism of their son, Kristan Scott, born January 21 at Mt. Carmel hospital. He was christened in Inkster February 18. He joins a three-year-old brother, Kraig, at home.

Grandparents are Mr. and Mrs. Robert Brueck of Northville and Mr. and Mrs. Paul Albrecht of Dearborn. The baby's mother is the former Paula Albrecht of Dearborn.

From Lansing comes news of the birth of a son, Michael Dennis Meyer, to Mr. and Mrs. T. Patrick Meyer. The baby, their first child, was born March 7 at Sparrow hospital in that city. He weighed 8 pounds, 12 ounces at birth.

Paternal grandparents are Mr. and Mrs. H. F. Meyer, Sr., 48120 West Eight Mile road. The baby's mother is the former Charlotte Kirchmair of Kirchbichl, Austria.

## Calendar

- March 13 - Rotary travogue, "Appalachia," 8 p.m., high school.
- March 14-15 - Moraine, Main conferences, no school.
- March 15 - Woman's club 75th year Tureen luncheon, 12:30 p.m., Presbyterian church.
- March 19 - Northville Historical Society, 8 p.m., 571 Randolph.

Optimist Don Brown and Evelyn Budlong

## Evelyn Budlong Named Student of Month Here

Evelyn Marie Budlong, 17-year-old daughter of Mr. and Mrs. Robert W. Budlong, 41880 Quince drive, Novi, has been named student-of-the-month by the Northville Optimist club.

The Northville high school senior is the second student in the new program of Optimists honoring students of exceptional standing in their school and community.

Evelyn, a B-plus student who earned all-A grades last semester, is a member of the National Honor society, the school choir, president of the Future Teachers club, and a cadet teacher four days each week at Amerman elementary school.

She was a contestant in the recent Junior Miss Pageant sponsored by the Northville Jaycees, and she works part-time as receptionist in the Novi office of Dr. Lyle Fettig. She plans to attend

either Adrian College or Oakland university next fall under an academic scholarship.

### 1-Card of Thanks

Thanks to all of you who visited me in the hospital, sent cards, plants, flowers, and gifts, and for other acts of kindness while I was in the hospital and since returning home.

Marge Berz H11cx

Thanks to all who helped extinguish the grass fire on my farm due to C & O railroad.

Roy H. Lockwood H11p

A warm thank you to the Community for the cards, donations and many other kindnesses extended to me and my family during my stay in the hospital. Another thank you to Mr. and Mrs. Ed Fitzsimmons and to Rev. Mitchinson. For each remembrance, I am deeply grateful.

Melbourne Cash H11cx

Our heartfelt thanks to all of our friends and neighbors for the many acts of kindness extended during our recent bereavement. Special thanks to Dick Phillips for the many courtesies and to Reverend Ruedesel for his comforting words.

# 5 Children Die in Detroit Fire

Facing critical lawmakers early this week, Secretary of State Dean Rusk offered to stop the bombing of North Vietnam to get war settlement talks going. In order to bring about the talks "we are willing to meet their principal condition - stopping of the bombing," he said.

Conservative Republicans in Michigan met at Grand Rapids over the weekend and served notice on the GOP that they intend to gain a greater voice in party affairs and to increase their share of votes in the Republican delegation at the national convention next summer.

shocking, 71-70, upset win over Iowa, to stagger Iowa's hopes of playing in the NCAA tournament, Michigan State's five closed its Big Ten season on a winning note by edging Illinois, 62-59.

The University of Michigan's new president, Roben W. Fleming, struck out at the state legislature for its attempt to curtail out-of-state enrollment in his inaugural address Monday.

More than a score of top Republicans, meeting with Governor Nelson A. Rockefeller, strongly urged the governor to announce his candidacy for the Republican presidential nomination.

Whitmore Lake's high school wrestling team, which has had its ups and downs, copped fourth place in the state Class C-D wrestling tournament at Lansing over the weekend.

## GOP to Hear Senator Kuhn

A joint meeting of the Greater Northville Republican club and the Plymouth Republican club will be held at 7:45 p.m. Tuesday, March 21, at Plymouth Junior High West at Sheldon road and Ann Arbor Trail.

Speakers will be State Senator George Kuhn, who will discuss the new penal code, and Plymouth Police Chief Robert A. Corrington, who will discuss "Crime in the Area" and how the new proposed penal code will affect police work.

## Death Blamed On Bronchitis

An autopsy report showed that Pat Haley, the 16-year-old sports star and honor student who died while practicing basketball at Novi high school early last week, died of acute bronchitis, Novi police have revealed.

Apparently, the boy was ill but remained active in school, Chief Lee BeGoie said. Pat collapsed on the gymnasium floor and efforts by the coach, principal, and Novi police and firemen failed to revive him and he was pronounced dead at the scene.

## Center Honors Retiree Here

Let Our Want Ads Be Your Salesman

Miss Mildred Young, 270 South Center street, was one of three recently retired employes of the Wayne County Child Development center on Sheldon road with more than 15 years' service, was honored at the February 23 meeting of the Child Development Center administrative board at the city-county building in Detroit.

For the first time service award certificates bearing a replica of the county seal and commending the employee's contributions were presented to those retiring during the past year. Miss Young, who retired during the past year, had been a dietician at the school for 22 years. Henry McCusker, president of the center's administrative board, presented the certificates to her and to Mrs. Juanita Puckett of Plymouth, retired housekeeping supervisor, and Mrs. Audrey Morris, retired social worker of Detroit. Certificates also will go to Willard Lickfeldt and Celestine Ash of Plymouth.

## Northville Girl Eyes Field Trip

349-1700 or 437-2011

Mandy Northrop, daughter of Mr. and Mrs. Ross B. Northrop, Jr., 43911 West Six Mile road, will participate in a science field trip to St. John Island, Virgin, Is., April 4-17 sponsored by the science division of Stephens College, Columbia, Missouri.

The purpose of the trip is to explore the Coral Reef off St. John Island and the tropical rain forest on the island. The students, all of whom have passed tests of their swimming and skin diving ability, will investigate underwater areas around the island, and some will take underwater photographs. Field trips on water and land will be arranged by the National Park Service.

The 35 students and their faculty sponsors will camp on a large beach near Cruz Bay, St. John.

**Novi Thief Jailed**

**Getaway Halted At State Line**

The power of alert observation as practiced by a Novi service station operator extended down U.S. 23, almost to the Ohio border and landed two long distance truck drivers in jail.

When a large moving van truck stopped at John Kennedy's service station at Novi road and I-96, Monday afternoon, one of the two men with the truck went inside the station while Kennedy was pumping gas.

While the two were re-entering the truck, Kennedy noted that one man's rear pocket bulged. Familiar with the truck driving way of life, Kennedy grew suspicious from the knowledge that no truck driver was apt to ride long hours on a lump in his rear pocket.

Returning to his work inside, Kennedy noticed that a set of miniature socket wrenches in a wallet-sized metal case was missing. He called Novi police.

Patrolman John Johnson took the complaint. Knowing only that it was a large moving van truck with an Ohio license headed west on I-96, Johnson alerted the state police at Brighton, who also notified the Erie post near the Michigan Ohio line.

Troopers from the Erie post halted the truck on U.S. 23. The driver was held at Erie, on charges of possessing an unregistered gun found in the glove compartment of his truck. The other man, William R. Wade of Knoxville, Tennessee, was returned to Novi, along with Kennedy's set of miniature sockets.

Arraigned before Justice Emery Jacques Monday night, Wade pleaded guilty to a larceny charge and was sentenced to pay a \$35 fine plus \$15 costs or 15 days. He was removed to Oakland county jail.

**'Hot Car' Suspects Placed in Cooler**

Hot cars and young men were the objects of considerable activity for Novi police during the past week.

In one case, Novi police action led to a Redford township resident being informed that his car, which he thought was being repaired at a Redford garage, had been hot wired and was being used in Novi by two Redford youths.

When Officers George Biggs and John Johnson stopped the car for speeding on Grand River, near Haggerty, at 2:30 a.m. last Sunday, the driver, Dwayne Morrison and Paul Mashon, both 17, could produce no identification and no registration for the vehicle.

Finding evidence that the ignition wiring had been tampered with further investigation by the officers traced the vehicle to its owner.

Charges of being minors in possession of alcohol were lodged against both Morrison and Mashon. Morrison also was charged with driving without a license. Both were jailed after pleading guilty to the charges before Justice Emery Jacques, with information on the stolen vehicle turned over to Redford authorities.

In another case, while investigating

a complaint of attempted auto theft, Officer Biggs apprehended a juvenile from Detroit who eventually admitted having stolen "12 or 15" cars.

The 15-year-old boy was apprehended after Charles Evans, manager of Jerry's Mobil station on Novi road, stopped him as he was walking near the station about 2 a.m. Monday. About to leave after working late, Evans was alerted when he saw the interior lights go on and off in a customer's car that had been left overnight for service.

In still another case, Stanley Domino of Union Lake and another Union Lake youngster found themselves in difficulty when they made a mistake about 3:43 a.m. and drove to the rear of the Novi Auto Parts at 43131 Grand River. Informing Novi officers who were attracted to their car, stopped with up-raised hood at the rear of the building, that they had mistakenly thought the driveway was a through street, Domino, 19, and his young companion could produce no identification and no registration for the car.

Domino was jailed and later released on cash bond after being charged with having no operator's license.

**He Missed Talk But Not Fine**

If Austin Kent of Inkster had attended the Novi Village council meeting last week he might have saved himself time, money and considerable inconvenience.

One topic of the heated discussion about the Munn Landfill operation on West Eight Mile road was aimed at trucks hauling uncovered loads of trash which litter the roadway and property enroute to the landfill.

Last Thursday Novi police halted Kent's truck at Grand River and Novi, impounded the vehicle and cited the Inkster man for hauling an uncovered load.

After pleading guilty before Justice Emery Jacques, Kent was assessed a \$35 fine and \$15 costs. He also was forced to have canvas covers brought from Inkster and placed over his load before gaining release of his truck.

**None Oppose Phone Switch**

No one testified against the proposed transfer of a number of Wixom telephones from the General Telephone company to service by Michigan Bell at a public hearing before the state public service commission last week Wednesday.

Acting on a joint application from the General Telephone company and Michigan Bell to transfer all phones serviced by Bell within Wixom city limits, the commission scheduled the hearing to take testimony for and against the proposed transfer.

Mayor Wesley McAtee and nine Wixom residents attended the hearing to urge the transfer. McAtee and Robert Sutherland testified. They were accompanied by Mr. and Mrs. Garry Trevena, Elsie Carlson, Mrs. Charles W. Curtis, Mrs. Kathryn Miner, Mrs. Virginia Palmer, and Mrs. Grace Cunningham.

**Fill It Out!**

**School Survey**

Following is a questionnaire concerning the Year-Round school concept which has been the subject of a series of articles carried by this newspaper over the past several weeks. It is also a subject of study by a citizens committee recently established by the Northville board of education. Please fill it out and mail or bring your completed questionnaire to The Northville Record, 101 North Center Street, Northville 48167, no later than Thursday, March 21.

1. Do you live in the Northville \_\_\_\_\_, Novi \_\_\_\_\_, Walled Lake \_\_\_\_\_, South Lyon \_\_\_\_\_ school District?
2. What is your occupation \_\_\_\_\_, your spouse's occupation \_\_\_\_\_?
3. How many children in elementary school \_\_\_\_\_, junior high school \_\_\_\_\_, high school \_\_\_\_\_?
4. Do you feel exploration of the Year-Round School concept is warranted? Yes \_\_\_\_\_, No \_\_\_\_\_.
5. What do you know about the Year-Round concept? Nothing \_\_\_\_\_, Little \_\_\_\_\_, Considerable \_\_\_\_\_.
6. Have you discussed Year-Round School with anyone? Yes \_\_\_\_\_, No \_\_\_\_\_.
7. Is it your understanding that Year-Round means your child will attend classes 12 months \_\_\_\_\_; 11 months \_\_\_\_\_; 9 months \_\_\_\_\_?
8. If you had a choice would you choose to have all your children attend school and vacation at the same time? Yes \_\_\_\_\_, No \_\_\_\_\_.
9. If you had a choice would you prefer to take your vacation in the Fall \_\_\_\_\_, Winter \_\_\_\_\_, Spring \_\_\_\_\_ Summer \_\_\_\_\_ No preference \_\_\_\_\_?
10. If you had children attending school during the summer, how would it affect your family life? Very much \_\_\_\_\_, Slightly \_\_\_\_\_, Not at all \_\_\_\_\_.
11. How many of your children work during the summer \_\_\_\_\_?
12. Would Year-Round School create job problems for your child? Yes \_\_\_\_\_, No \_\_\_\_\_.
13. What is the youngest age at which your child should graduate \_\_\_\_\_?
14. Do you feel your school facilities should be used more? Yes \_\_\_\_\_, No \_\_\_\_\_.
15. Do you think a Year-Round program would save tax dollars Yes \_\_\_\_\_, No \_\_\_\_\_.
16. If Year-Round school would save tax dollars would you favor it? Yes \_\_\_\_\_, No \_\_\_\_\_.
17. If Year-Round school would improve quality of education would you favor it? Yes \_\_\_\_\_, No \_\_\_\_\_.
18. Would you favor Year-Round school if it improved quality of education but would not save dollars? Yes \_\_\_\_\_, No \_\_\_\_\_.
19. Would you favor Year-Round school if it would save tax dollars but not improve the quality of education? Yes \_\_\_\_\_, No \_\_\_\_\_.
20. Should teachers work year-round? Yes \_\_\_\_\_, No \_\_\_\_\_.

**For 1968-69 Year**

**7 New Teachers Requested Here**

Northville school board action on a recommendation that seven additional teachers be hired for the 1968-69 school year was delayed Monday for two weeks.

Board members decided to delay their action pending a work session slated for 7:30 p.m. Tuesday, March 19.

The recommendation of Superintendent Raymond Spear calls for three additional high school teachers (two for swimming instruction), two junior high teachers, and three elementary school teachers.

Except for the two swimming instructors, which according to Spear are necessary to operate the still unfinished high school swimming pool, the teacher increase recommendation is aimed at maintaining a favorable teacher-pupil ratio throughout the school system.

"Taking a general look at our staff situation as it relates to the number of pupils in our district for 1967-68," explained Spear, "we find ourselves with a total professional staff, exclusive of administrators, of 140. If we divide the 140 professional people into our total enrollment of 2,741, we find that we have a total professional staff-pupil ratio of 19.5."

However, this 19.5 ratio, he emphasized, is based upon both classroom teachers as well as special services teachers. Counting only teachers who actually are working in the classroom with students on a full-day's basis, the ratio is really 26.4 to one.

Anticipating a student enrollment of 2,790 (it is 2,741 now), the seven additional teachers (counting only those

teachers in the classroom for a full day), the ratio next year would represent 25.5, he added. Counting all teachers, it would be 19.9.

Current average ratio at the elementary level, he said, is 23.3 students for each classroom teacher (ranging from a high of 26.7 and a low of 18). At the junior high level it is 27 to 1 and at the senior high level 29.4 to 1.

**Vandals Steal Tombstones**

Vandals caused several hundred dollars damage to monuments in the private Yerkes Cemetery on Eight Mile at Meadowbrook roads last Friday night.

According to Richard Smith, 15 monuments were broken and two were stolen. The vandalism was reported to the Wayne county sheriff's department and the Novi police department.

Several empty beer cans were found at the scene.

Smith said that if the persons involved will return the two stolen head stones "no questions will be asked and no charges made. Our only concern is to get them back." Information as to their whereabouts may be telephoned to Smith at FI 9-3168.

Yerkes cemetery is one of the oldest in the area.

Last year vandals wrecked monuments in the old Waterford cemetery near the former Northville township hall.

Riverside shot with facial expression while Jim Peterson (34) tries unsuccessfully to block it.

## Mustangs Lose In 'Flat' Effort

What was predicted as fairly easy competition turned out to be plenty stiff Friday as Northville's varsity quintet lost to Riverside in the District B tournament semi-finals at Clarenceville Thursday.

"Our boys were flat. It's as simple as that," said Coach Dave Longridge in commenting on his squad's 72-65 defeat at the hands of the Rebels, who went on to defeat Lutheran West for the district championship.

Northville trailed throughout the game although the Mustangs cut two points from the Riverside lead in the final quarter and matched their opponent's point output in the second stanza. Riverside grabbed a 15-10 first quarter lead, hung on to a five-point, 33-28 edge at the intermission and then staged a blitz in the third quarter in outscoring the Mustangs, 23 to 19. In the final quarter, the Mustangs outscored their opponent, 18 to 16.

The Rebels had little difficulty in defeating Lutheran West the following night for the championship, 92-60. Earlier in the week, Lutheran West defeat-

ed Annapolis and Riverside swept past Clarenceville.

The only Wayne-Oakland league squad to win a district crown elsewhere was Brighton, which defeated Stockbridge in overtime Saturday night, 59-49.

West Bloomfield, champions of the W-O just in front of runner-up Northville, lost to Romeo, 73-68, Friday night; Pontiac Northern waltzed past Clarkston in a first-round Class A tournament, 91-68; Flint Atherton topped Holly, 80-64, in a first-round game; and Monroe rolled past Milford in first-round competition.

Northville's leading scorer against Riverside last week was Jim Peterson with 16 points, followed by Randy Pohlman with 15 and Ken Boerger with 14.

An 18-point output by Riverside's Paul Cooke gave him top scoring honors for either team. Alex Jablonowski took runner-up spot with 16 points.

Northville had the edge at the charity line, tossing in 17 points to Riverside's 14, but in the all-important field goal category the Rebels flipped in 29 two-pointers compared to Northville's

## 2 Place Third in Tourney

# Local Wrestlers Win at State

Dan Conklin and Marty Richardson picked up third place medals at the Class B state wrestling tournament last weekend to give Coach Jack Townsley's Mustangs a fair measure of success in the grueling two-day wrestling war at Wyoming.

Both Conklin and Richardson lost by decisions in the crucial second round, Richardson almost made it into the championship flight, losing 8-6 to a Flint Bentley wrestler who went on to win the 127 pound state championship. Richardson was ahead on points until late in the match.

Dropping into the consolation bracket,

Richardson scored three straight wins to nail down third place in the meet. He defeated his opponents of Willow Run 6-3, Alma 9-6, and Chelsea 9-2.

Conklin had some interesting problems to deal with in the heavyweight class. In one bracket was Chris Taylor of Dowagiac, a 385 pound school boy who won the state title last year. In the other bracket was a smaller boy, 345 pound Owen O'Neil of Jackson's Western high school. Conklin had the unique privilege of going to the mat with both.

Conklin and Taylor both won by pins over first round opponents Friday afternoon, setting them up for a match

Friday night.

Conklin lost a 4-0 decision to the big boy, but a gritty performance won the crowd's admiration. Conklin looked far better than most heavyweights his size appeared against Taylor. He was on the offensive at the whistle, shooting for the takedown. But the big fellow dropped his 395 pounds on Dan and the effort to raise the weight time and again eventually took its toll.

Conklin's match with Taylor also brought what was, up to that point, the most unpopular referee's decision in the tournament. Late in the third round, after Conklin had already supported the 395 pounds longer than any other wrestler to meet the big boy, the referee called stalling on Conklin.

After that ordeal, Conklin dropped into the consolation bracket and won three straight matches to finish third. After pinning Roger Hunt of Harper Creek in 2:00, Conklin defeated a Harper Springs heavyweight 8-2, which set him up for the Saturday night consolation final match with the 345 pound O'Neil.

Relying on speed and strength applied with a good sense of timing, Conklin stayed out from under the great weight and took a 5-3 decision from the big fellow from Jackson.

Bob Baber, the Mustangs' state qualifier at 112 also won his first-round match, by a 2-1 decision. Baber then lost by a narrow two-point margin to a Sturgis wrestler who later lost the championship match on a referee's decision. Dropping into the consolation round Baber picked up a 5-2 win before being eliminated by a 7-5 loss in his fourth match of the tournament.

John Tam, the Mustangs' entry in the 120-pound class lost his first-round match to a strong wrestler from Holt, 5-2.

The Mustangs tied for seventh place in team point standings. The tournament thus reflected the growing numbers of schools having varsity wrestling as a varsity sport. No one team dominated the tournament, and the point spread in team points was extremely close.

## New League OK A Month Away

Formal approval of Northville's withdrawal from the Wayne-Oakland League and its participating in a yet-un-named league is expected within a month.

The board of education Monday delayed formal approval pending some official statement from participants of the new league that all activities carried on within the W-O will be provided in the new conference.

According to Athletic Director David Longridge and Principal Fred Holdsworth, formation of the new league awaits only formal approval of the boards of education involved. If approved the league would be launched in the 1969-70 school year.

The proposed new league includes these schools: Waterford Mott, Walled Lake Western (under construction), Livonia Churchill, Plymouth (old school), Farmington Harrison and Northville.

Although apparently nothing in writing had been secured by Monday night, both administrators emphasized that all existing intra-league activities would be continued in the new organization. In fact, several additional activities such as swimming, are promised, they said.

The new conference is strongly favored by both men because of the closer proximity of the participating schools, because a six-team league is generally favored over an eight-team setup—as exists in W-O, and because of the similarity of sizes of the participating schools.

Longridge, who noted that sports competition may be stiffer in the new conference, said that with fewer teams in the league Northville will have more opportunity to compete against non-league schools.

Holdsworth, commenting on a concern of Curriculum Coordinator Miss Florence Panattoni that non-sports competition, such as debate, become an integral part of the organization, emphasized that these activities definitely will be continued.

Board Secretary Glenn Deibert expressed hope that plans to enter a newer league was not sparked by a desire to place the school in a better competitive situation. Furthermore, he wondered aloud if travel to distant schools might not represent a good experience factor for students.

## Boat Safety Classes Set

The first series of classes in an educational program on boat safety and operation will be held from 3 to 5 p.m. on three successive Monday afternoons, beginning March 25, in rooms 15 and 16 of Cooke junior high school, Northville.

The three-week classes have been set up in accordance with the boat safety law passed in 1967 which requires all young people between the ages of 12 and 16 who have occasion to operate a boat with six-horsepower or more to participate in the educational program.

Applications for enrollment have been distributed at the junior and senior high schools and still are available. A second series of classes will be set up if needed.

Vice-president Stanley Johnston said he approved the proposed new organization, pointing out that the Wayne-Oakland league in 20 or more years of existence has become "a little stale" and that during this period some animosities have arisen.

Concerning Wayne-Oakland, Longridge and Holdsworth pointed out that Holly has already approved withdrawal and will be replaced by the larger Waterford-Kettering high school. Brighton and Clarenceville also are considering withdrawal, they said.

BIG MOMENT—Taking their positions in receiving third-place medals in the Class B state tournament at Wyoming are Dan Conklin (top) and Marty Richardson (below), two key Northville wrestlers. Conklin's heavyweight class was

just that. He defeated the 345-pound fourth-place man (far left), but lost a decision to the 385-pound wrestler (second from right). Champion Ben Lewis of Fenton is at far right.

## Novi's 'Best' Game Narrowly Misses

"It was their best showing of the year. They really played their hearts out."

That's how Coach Jim Ladd described his varsity Novi basketball players who Friday lost by two points in their quarter-final bid for the Class C championship at Eastern Michigan university.

Ypsilanti Roosevelt, which posted two regular season triumphs over the Wildcats, gained a 58-56 victory in the final three minutes of play but lost out to St. Thomas in the finals the following night, 61-41.

Actually, the Wildcats had a one-point edge through the first and second quarters before closing the third locked in a tie with Roosevelt.

Playing a superlative defensive game, the Novi cagers managed to steal the ball several times. But where they might have turned this edge into some important points, the Wildcats choked up and missed a couple of easy layups.

The quarter scores were: 13-12, 25-24, 42-42.

Both teams turned in 22 field goals, although the Wildcats had the edge in percentage of shots. Novi attempted 59 shots for a 37.3 percent clip, while Roosevelt came up with 64 shots for 34.4 percent.

The slim difference came at the free throw line where Roosevelt converted on 14 of its 25 attempts. Novi flipped in 12 of its 21 shots, for a slightly better average — 57-percent to 56-percent.

The Wildcats' defensive attack showed up in the rebounding category where Novi picked 43 shots off the backboards while Roosevelt came up with 38.

Novi was tagged for 19 fouls, Roosevelt 17.

High point scorer for the Wildcats was Mark Gilbert, who pitched in seven field goals. Second high was Jon Van-Wagner with 13 points, followed by Lee Snow with 11 and Gary Boyer with 8. Sandy Yliso came up with 23 points to lead Roosevelt in scoring, followed by Vic Swanson with 17.

In other games Friday, champion St. Thomas downed Ypsilanti St. John to win its berth in the finals. Last week Wednesday Roosevelt beat Wayne St. Mary and St. John defeated Hartland.

## Adult Softball Meet Planned

Despite snow early this week, there's talk of softball in the air.

Recreation Director Robert Prom announced that a meeting will be held on Tuesday, March 19 for all representatives of the men's softball league.

Organization of the spring and summer softball program will be discussed at the Scout-Recreation building beginning at 7:30 p.m.

\*\*\*\*\* Prom also announced that boys and girls, 10 years old and older, who are interested in Northville's junior rifle beginners' class, may sign up at the Scout-Recreation building this and succeeding Saturdays between 8:30 a.m. and noon.

Purpose of the class, he explained, is to teach children safe handling of guns and use of them for shooting competition and/or hunting.

### OBITUARY

#### HARRY CLARK

A lifetime area resident, Harry Clark, 78, 204 West Liberty street, South Lyon, died March 5, in Carmel, California.

The son of James and Edith Lewis Clark, he was born October 9, 1889 in Washtenaw county. He and Vera Olivia Dennis were married in Northville April 18, 1914.

Mr. Clark had lived in the City of South Lyon for 15 years. His last occupation was operating a farm on Eight Mile road.

Survivors are: four daughters, Mrs. L. J. (Edith) Johnson of San Jose, California; Mrs. Walter (Betty) Holman of South Lyon; Mrs. Vern (Mary) Lavassaur of Northville; and Mrs. Edward (Jeanette) Shrake of Carmel, California; two sons, Henry Clark of Northville and Dr. H. Dennis Clark of Beloit, Wisconsin; 18 grandchildren; 9 great grandchildren; two sisters, Mrs. Bessie Bulmon of South Lyon and Mrs. A. A. (Dawn) Holcomb of Northville; and two brothers, Jay and Lewis Clark of Northville.

Funeral services were held Saturday, March 9, at 1 p.m. at Phillips Funeral Home with Gary L. Herne, pastor of the Salem Congregational Christian church, officiating. Burial was at Oakland Hills Memorial Gardens.

### Easter Seal Collections Hit \$93 Here

First tally in the current Easter Seal society campaign in Western Wayne county indicates that Northville citizens have contributed \$93 in the general mail campaign. The campaign will continue until April 14. Easter Sunday.

Programs financed with contributions made during the campaign provide services to both children and adults crippled from any cause, according to Mrs. Jane Devereaux, executive secretary of the society.

Persons with physical handicaps who need medical care and therapy treatment in Western Wayne county may receive information about how to secure the services needed from the society center in Inkster near Middlebelt and Michigan. The society, an affiliate of the National Society for Crippled Children and Adults, offers loan equipment prescribed by a physician, assistance with speech therapy costs for preschool children, year-round classes and clubs for handicapped teenagers and adults and a day camp for crippled children.

### Nearly Doubled in Novi

## 'Dimes' Collections Top 1967 Mark

Northville has completed its 1968 March of Dimes campaign with a total of \$1,905.96 being sent into the Wayne county Detroit office this week by Chairman John Steimel.

The Northville postmaster reports he is well pleased with the collection which topped last year's figures for the same events. He added he already has volunteered to chairman the campaign next year.

The collection included \$1,269.34 from the Mothers' March, a donation of \$500 from the Cavern (netted at a benefit dance), \$49.87 from a junior high

faculty basketball game, and \$86.75 from the jazz concert.

\*\*\*\*\*

Novi area returns still are being received in the Oakland county office with the total already well past last year's collection of \$325.88. The Novi Mothers' March yielded \$543.72 with an additional \$75 having been received in citizen donations for a total of \$618.72.

Returns from Commerce township, in which Wixom and Walled Lake participate, also exceeded last year's collection with \$1,135.28 collected in the Mothers' March and other donations of \$203 bringing the total to \$1,338.28.

## Top '68 Product Sought in Contest

Search is on for Michigan's product of the year, and counties have until April 13 to pick their winners for entry in regional competition, state Michigan Week awards chairman John Calkins, formerly of South Lyon, announced this week.

Regional contests will be completed April 26. The state winner will be chosen during Michigan Week May 19-25 at Northland Center, Detroit. This will be the 15th Michigan Week

### School Accepts 5 Resignations

Resignations of five teachers, one effective February 16 and the others at the conclusion of the school year, were accepted by the Northville board of education Monday night.

Mrs. Joyce Peterson's February resignation was a closed personnel matter.

Two high school teachers, Edward Mollera and Charles Yahne, indicated their plans to retire after more than 40 combined years of teaching, and Mrs. Molly Shoup and Mrs. Judith Weldy of the junior high school will leave the system in June for reasons related to their families.

and the 10th in which the state has picked a product of the year.

Any consumer product manufactured in Michigan is eligible so long as it is relatively new, possesses demonstrated sales potential and shows promise of bringing economic gain to its section of the state.

State Chairman Calkins, who is chief deputy director of the Michigan Department of Agriculture, urges manufacturers and others to contact local Michigan Week chairmen immediately about possible entries. There are no entry forms to be filled out. Each county Michigan Week organization beats the bushes for entries and conducts a contest to pick the county's product of the year. The search for entries and the contest arrangements are usually in the hands of a county awards chairman. He is appointed by the county Michigan Week chairman and works closely with the regional awards chairman.

Counties and regions are expected to see that their winning products and companies receive recognition in numerous ways.

The state committee asks counties to keep their contests open for entries until Monday, April 8 and to finish their judging by Saturday, April 13.

Regional contests must remain open for entries until Monday April 22 and finish their judging by the following Saturday, the 26th. Each of the 16 Michigan Week regions enters the state contest by submitting a scrapbook on its winner by Thursday May 2 to the state committee at the office of the Greater Michigan Foundation, 809 Center street, Lansing.

A panel of judges will choose the state winner entirely through examination of the scrapbooks.

Regions will be invited to display their winning products at Northland Center during Michigan Week. The exhibit will include most of the past state winners.

Michigan's 1967 product of the year was the portable schoolroom Add-a-Class, manufactured by Divco-Wayne Industries at Marlette.

### Phi Kappa Taps Steve Jordan

Steven P. Jordan, 215 Hill street was among the 71 students at the University of Wisconsin who were recently pledged to the Wisconsin chapters of 23 different fraternities on the University's campus in Madison.

There are a total of 93 social and professional sororities and fraternities which have chapters on the Wisconsin campus, whose programs include social and professional activities of interest to their members in their various fields of educational training. Of the total social and professional organizations on the campus, 55 are fraternities and 38 are sororities.

Steven pledged Phi Kappa Theta social fraternity.

### In Uniform

Sp/4 Jerry E. Lyke

Specialist Four Jerry E. Lyke, after a year with the 43rd Army Signal Battalion near AnKhe, Vietnam, spent a 30-day furlough with his parents, the Russell C. Lykes of 21550 Napier road.

His address is now: H.H.B., 4th Battalion, 62nd Artillery, Fort Bliss, Texas. The soldier is a 1965 graduate of Northville high school.

\*\*\*\*\*

Forrest L. Pretzer, son of Mrs. Therese Kohler of Northville received the bachelor of aerospace engineering degree at graduation exercises on March 14, at Auburn university, Auburn, Alabama.

Pretzer, after leaving high school before graduation, enlisted in the Air Force 11 years ago. After obtaining his high school diploma at night he began his college work at San Antonio junior college while stationed there with the Air Force.

He was selected for the Air Force Institute program at Auburn and has since distinguished himself by being elected to Sigma Gamma Tau and being nominated for the outstanding graduate for the school of engineering.

After graduation he will attend officers training school at Lackland, AFB, Texas, and upon completion of the program be commissioned a Second Lieutenant in the Air Force.

\*\*\*\*\*

Upon returning from his two-year tour of duty with the United States Army veterinary corp, Dr. Joseph Svoboda, Jr. has now begun his veterinary practice, limiting his practice to horses. His office is located at 41267 Crestwood drive in Plymouth.

Dr. Svoboda is a native of Plymouth and a 1965 graduate of Michigan State university.

Dr. Svoboda and his wife, Jane, are residing at 41267 Crestwood drive.

### In Northville Township

## Detroit Edison Vote Coming Up April 29

Northville township voters will have their first opportunity to try out the new polling places Monday, April 29 when a rare "franchise election" will be held by the Detroit Edison company.

Both township precincts are now located in the old junior high school gymnasium.

The Detroit Edison election date was approved by the township board last week. The company operates under a 30-year franchise provision which gives it authority to run electrical power lines over property within the township.

The first franchise was granted locally in 1908 and the last such election was held in 1938.

In other business at its regular March meeting the board approved sale of some \$135,000 in special assessment bonds to provide water lines for residents of the Marilyn, Maxwell, Fry and Park Lane area on Five Mile road.

A water and sewer department recommendation was adopted raising charges for water use during construction periods from \$3 for single family units to \$10 and to \$6 per unit for mul-

multiple family dwellings. A standard fee for rezoning requests of \$150 plus \$5 per acre or fraction thereof was also adopted by the board. It was noted that the fee would be refunded if a public hearing was not granted, but the fee is retained by the township whether or not the rezoning is approved.

A check of \$26,810.58 was deposited by Thompson-Brown company for inspection fees for its Northville Commons subdivisions one and two on Bradner road at Six Mile. The firm was granted permission to start installation of sewer and water mains before final plat approval, providing easements were granted the township.

"Settlement Day", when the board puts its final touches on its new budget, was set for March 19 at 8 p.m. and the annual meeting for Saturday, March 30 at 1 p.m. Both meetings will be held at the township hall.

Clerk Eleanor Hammond announced that a joint city-township dog clinic will be held at the city hall fire department on May 11. Dog licenses and vaccinations may be obtained at the clinic.

## 8 Youths Arrested For Liquor Violations

The lamb-like March weather, a popular band for the Cavern dance, and a crowd of youngsters reported in the neighborhood of 900 combined to produce increased business for the Northville police last weekend.

Reports for the weekend show eight youngsters from Detroit, Livonia, Inkster, and Belleville were booked for being minors in possession of alcohol, one Inkster man charged with contributing to the delinquency of a minor, two Redford township youngsters charged with curfew violations, and another youth facing arraignment on charges of being a disorderly person for fighting.

In another incident, a Northville youth was taken to the police station following apprehension for driving without having a driver's license.

The police report notes that the boy's father leveled charges that the police were "picking on" his son, after being called to the station to pick up the boy. The youngster was taken into custody after being approached by officers supervising traffic in the parking lot near the community building. The report says the youth left from the vehicle

and denied he was driving it.

Because his car is equipped with an electric fuel pump, and an auto thief could get only as far as the street with it, Charles Harrison, found his 1960 model auto intact Tuesday morning.

Sometime Monday night, after Harrison left the car in his drive at 373 Linden, a would-be thief was able to turn the ignition on but did not operate a separate switch to turn on an electric fuel pump. Harrison found the car in the street nearby Tuesday morning.

Sergeant Jack O. Boyd of the Wayne county sheriff's department had a different experience when his car was selected as a target for theft the same night.

Boyd, who lives at 531 Linden court, noted that his 1964 model compact was missing when he left in another car early Tuesday morning. Returning home about 7:00 a.m., Boyd saw his car parked on Randolph street.

Boyd's car suffered front-end damage, a broken accelerator, and records and materials the officer uses in teaching water safety classes were missing.

Northville police are investigating the cases.

## Amerman P-TA Slates Early Afternoon Meeting

Moraine elementary school's next P-TA meeting will be an afternoon session beginning at 1:30 p.m., Thursday, March 28, in the multi-purpose room.

It is to be a discussion of modern math presented by Mrs. Patti Flanagan, Moraine staff member.

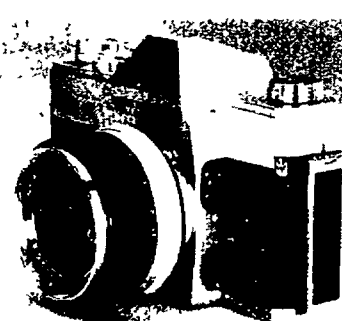

A slate of P-TA officers for next year will be presented. Voting is to follow in approximately 30 days at the next open meeting.

Child care services will be available at the school during the meeting for children three years or more older.

### LATEST REPORTS FROM THE PHOTO WORLD

#### One camera: two meter systems

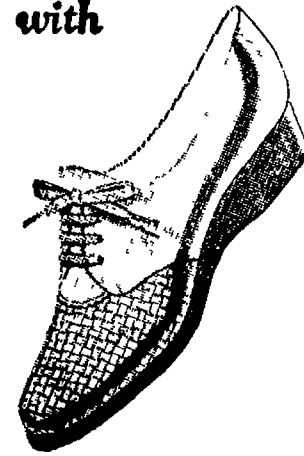

LOS ANGELES—A first: the 1000 DTL; Mamiya/Sekor designers claim to have "resolved" conflict between averaging and spot-metering advocates by offering a 35-mm SLR with both features. Users of new 1000 DTL flips a switch to take either full-field, or six-degree area reading; a pointer inside finder indicates whether camera is set for averaging or spot measurement (latter's field is delineated). Present look-alike model 1000TL takes ten-degree area reading only. New DTL employs two photo-cells, bordering its pentaprism, for full-field; and single, independent photocell back of its reflex mirror for spot readings.

Both metering systems are cross-coupled to camera shutter speeds and diaphragm mechanism for all automatic lenses with Praktica-Mamiya/Sekor mounts. Film-advance lever switches metering system on. Lever is pushed back flush with housing when camera is not in use, its electrical circuit interrupted to save drain on silver-oxide battery (Eveready S-76). Finder has micro-diaphragm center spot, surrounded by groundglass, with fresnel outer field. Shutter speeds range from 1 to 1/1,000 sec; self-timer offers a variable delay.

## 'Knuckles Down' Shot: A Lost Art

Moms everywhere know spring's just around the corner when their youngsters start arriving home with muddy shoes and baggy pants.

But nowadays you can't always blame it on a game of marbles.

Today's generation seldom kneel in the dirt with knuckles down to smack marbles out of a ring. That's old stuff. Today they stand to shoot (something like the old game of chase).

That's one reason for Ron Cates' facial expression as he tries the unfamiliar "knuckles down" shot just to satisfy the photographer's curiosity. Watching the action is Ken Weiser.

## from the Pastor's Study

Father Edmund Battersby, Pastor  
St. Joseph's Church, South Lyon

Lent enables us to begin a new way of life. It's new even though we have gone through it before. No Lent is ever the same, because we are not the same. At the end of Lent we are either closer to Christ or we are further from him.

There is no neutrality. Lent offers us a new way of life because we are aiming at making Christ's inner sacrifices our own. This involves being converted, obeying Christ's demand to us "Return to Me with your whole heart, with fasting and weeping and mourning; rend your hearts not your garments, and return to the Lord your God."

This is a demand that few of us like. We prefer our old life. We like what

we like. Yet we know in our hearts that the old life is unsatisfactory. We are filled with self-disgust at our indulgence, our lack of charity, our lack of generosity, our pride, our suspicion.

So we pray: "Have pity on me, O God; have pity on me, for in you I take refuge."

Christ reminds us "He who shall meditate day and night on the law of the Lord, shall yield his fruit in due season." Jesus will speak to us during Lent in a very special way. He wants us to respond to him, to feed on the words of his heart and make them our own.

This is the program that will bring forth fruit - the fruit of union with Christ and our brethren, the fruit of the Risen Christ in us.

## Evangelist Speaks At Baptist Church

Rev. Ken Ouellette will continue evangelistic meetings at the First Baptist church, 217 North Wing street, Northville, each night this week at 7:30.

He will speak at 11:00 a.m. and 7-9 p.m. on Sunday, March 17. Nursery facilities are provided.

Mr. Ouellette was director of the Detroit City Rescue Mission for nine years until January 31 this year, when he began a ministry of full-time evangelism in local churches.

The public is invited to attend these meetings.

Rev. Ken Ouellette

## Jaycees Seek Donations For Tom Dooley Foundation

Northville Jaycees have joined with Jaycees elsewhere in seeking financial support for the Thomas A. Dooley Foundation. Richard Kernozek, announced this week.

Funds contributed, he said, will be used to buy and equip a medical houseboat as well as operate and maintain it for one year.

Dr. Tom Dooley was the young Naval doctor who assisted Vietnamese people in their evacuation to South Vietnam in 1954 and 1955.

"After his return to civilian life, he made a decision to devote his life to

bringing a little medicine, a little education and some happiness and laughter to the people of Southeast Asia."

Since his death, the Thomas A. Dooley Foundation has continued his work and his ideas, Kernozek said.

Contributions may be mailed directly to the Foundation (P.O. Box 607, Mt. Clemens, Michigan 48043). Local organizations which may desire a program about the foundation are asked to contact Daniel J. McCafferty at 371-9321 in Detroit.

## THE CHURCH FOR ALL . . .

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church:

- (1) For his own sake
- (2) For his children's sake
- (3) For the sake of his community and nation
- (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Kathy and Kevin celebrate St. Patrick's Day . . . Kathy wears her green plaid dress, and Kevin his sweater with the emerald stripe. The hats are those we brought home from last night's party!

They don't really know what the day is all about. But they heard Dan singing in the shower, "the wearin' o' the green," and saw the color of the tie he placed on the door knob.

They don't miss a thing! That old saying that actions speak louder than words is certainly true around our children. They are regular little copycats.

That's why Dan and I make it a habit to go to church every Sunday with them. We want God and His Church to be a real part of their lives, not just something they have heard about.

Give your children a chance to know God. Go to church and take them with you.

## CHECK-R-BOARD ANNOUNCES NEW STORE HOURS FOR YOUR CONVENIENCE

8 A.M. - 5 P.M. MONDAY THRU FRIDAY  
8 A.M. - 1 P.M. EVERY SATURDAY

Let's take a look at OMOLENE, probably the most popular ration with top horsemen everywhere. OMOLENE is a "coarse" ration. That is, it's not pelleted. It can be fed with good hay or pasture, and is formulated to adequately supply the nutritional needs of normal horses.

OMOLENE has a high energy level, which is most important. The more a horse works, the more energy he requires. OMOLENE is always Micro-Mixed with the very best ingredients available. This exclusive mixing process makes for one of the most perfect blends of ingredients to be found anywhere. OMOLENE is meant to be fed right from the bag, so there's no need to throw off its researched nutritional balance by adding oats or other grains.

# Municipal Court

Three separate charges were levied against one traffic violator, who was among the 12 to appear before Judge Phillip Ogilvie in Northville municipal court last week.

Garnet R. Kotajarvi of Plymouth pleaded guilty of speeding 60 miles an hour in a 40-mile zone on Novi road between the curve and city limits Monday. He also pleaded guilty of violating the state financial responsibility law and of driving with expired 1967 license plates. He paid fines of \$30, \$75 and \$15 costs, and \$10, respectively, for the three offenses.

James A. Zureck of Detroit was arraigned February 26 on the charge of making an unsafe start with squealing tires at South Main street and Seven Mile road. He pleaded not guilty but was found guilty last Wednesday by Judge Ogilvie and was fined \$5, which he paid.

Five cases of minors in possession of alcoholic beverages were heard with three being dismissed.

Kenneth J. Stamper of Garden City pleaded guilty of being in possession February 24 on West Seven Mile road. He was arraigned and pleaded guilty Wednesday; he was fined \$30, \$3 costs or six days. He paid the fine. Lawrence W. Sharer of Berkley, stopped on Eight Mile road February 23, pleaded guilty of being a minor in possession and was fined \$25, \$2.50 costs or five days; he paid the fine.

Keith T. Egeland of Oak Park pleaded guilty of contributing to the delinquency of a minor on a ticket issued February 23 on Eight Mile at Novi road and was fined \$35, \$3.50 costs or seven days. He paid the fine.

Charles E. Willnow of Plymouth stood mute on arraignment February 21 to the charge of being drunk and disorderly at Seven Mile and Center street February 17. He appeared March 6 and voluntarily changed his plea to guilty. He was fined \$70 and \$7 costs or 14 days.

David N. Rogowski of Detroit, who was ticketed February 25 for allowing an unlicensed driver to operate a vehicle at Randolph and Eight Mile road, pleaded guilty March 6 and was fined \$30 or six days. He paid.

James H. Goodale, Jr., of Flint, pleaded guilty of passing a check with insufficient funds upon complaint of William Boyd. He pleaded guilty March 6. The fine was suspended and \$20 costs assessed. Francis Yee, 53963 Nine Mile road, Northville, pleaded guilty to the charge of altering a driver's license. The fine was suspended by Judge Ogilvie.

# Wolverine Track Opens March 22

Michigan's earliest racing season in history opens on Friday, March 22 when Wolverine Harness Raceway opens its doors for the first of 58-night programs.

Wolverine operates its meeting at the Detroit Race Course, Middlebelt and Schoolcraft roads, in the north-west Detroit suburb of Livonia.

For an entire month, Wolverine will be the only race track—harness or runners—operating in Michigan. The Wolverine meet continues through May 29 nightly except Good Friday, April 12 and Sundays.

The two other harness programs

in the Detroit area include: Northville Downs, Thursday, May 30 to Wednesday, July 31 (54 nights); and Hazel Park, Thursday, August 1 through Saturday, October 5 (57 nights).

## GOP Elects Miss Choquet

Miss Eugenie Choquet, a former Novi councilwoman, was installed as president of the Novi Republican Women's club at the annual meeting of the Oakland County Council of Republican Women's clubs held last month at Northwood Inn in Berkley.

Following the Hazel Park campaign, the trotters and pacers move outstate to Jackson for 54 nights starting Monday, October 7 and concluding on Saturday, December 7.

The two thoroughbred tracks, Hazel Park and the Detroit Race Course, have been allotted 84 days each with the former opening on Monday, April 22 and closing on Saturday, July 27. The DRC will begin Monday, July 29 and end on Saturday, November 2.

# NOVI HIGHLIGHTS

Mrs. H. D. Henderson - FI-9-2428

### NOVI MOTHERS CLUB

Mothers who are interested in their children and their education come and hear Mr. Kent Leach, director of School Services for the University of Michigan next Monday evening March 18 at the Novi High school.

Mr. Leach will speak on Novi High school accreditation for next year, he will also speak on points of interest that concern elementary school courses, with improved teaching methods and teaching requirements.

This should be a very interesting evening for everyone concerned. The present officers are: Joan Ward, president; Gladys Earl, vice president and Joan Faulkner, secretary.

Mr. and Mrs. Brent Munro and Mr. and Mrs. Clarence Morgan of Silver Lake attended a banquet, sponsored by the Mineralogy Society of Michigan in Ypsilanti, one day last week. The meeting was held at Huron Motor Inn with approximately 70 present. Mr. and Mrs. Munro represented the Lansing Society, Mrs. Ceil Duluk showed slides on fossil hunting in the mid-west.

Mr. and Mrs. Tom Darling are the parents of a son, Thomas Sidney, II born at Beyer Memorial Hospital in Ypsilanti on Monday, March 11. The paternal grandparents are Mr. and Mrs. Floyd Darling and the maternal grandparents are Mr. and Mrs. Richard Ritter, Sr.

Sunday company at the home of Mrs. Marie LaFond on Twelve Mile road was her old friend, Mrs. Joe Bokor of Livonia.

Mr. and Mrs. Earl Marr of Redford were Friday visitors at the home of

Mrs. H. D. Henderson. On Sunday Mrs. Henderson had dinner with the Edward Rixes in Plymouth.

Rick White arrived at the home of his parents, Mr. and Mrs. David White Saturday night for a 30 day furlough. For the past year Rick has been with the First Infantry in Vietnam. At the completion of his furlough he will be stationed at Fort Benning, Georgia.

Mrs. Charles Trickey Sr. who has twice been a patient in the hospital is now back at her home in Dunedin, Florida, recuperating.

Sunday visitors at the home of Mr. and Mrs. Harold Sigsbee were the latter's brother-in-law and sister, Mr. and Mrs. Robert A. Starr of Southfield, their brother, Edward Coleman of Detroit.

Several Novi folk have returned from a short visit to Florida. Among them Mrs. George Atkinson, Mrs. Hadley Bachert and Mrs. Hildred Hunt also Mrs. Frances Denton of Redford.

### WILLOWBROOK NEWS

Mr. and Mrs. J. F. Buck and family made a trip to Fairfield, Iowa, last week to take Mrs. Buck's mother, Mrs. W. F. Johnston back home after spending the winter months at the Buck home in Willowbrook. After reaching Fairfield Mr. and Mrs. Buck moved their mother into an apartment at Fort Dodge to be near her son there.

Mr. and Mrs. Ralph Rivers attended funeral services for the latter's father, Mr. George Swengel on Saturday at the U.H.F. Funeral home in Wayne. During the funeral services word was received of the death of Mr. Swengel's sister, Mrs. Margaret Elwood at Gas City, Indiana.

Mrs. Virginia Nowling of Scottsburg, Indiana came up from Indiana to be with her sister, Mrs. Ralph Rivers.

Rev. and Mrs. Arthur Norris had surprise visitors on Sunday. They were Rev. Norris' parents, Mr. and Mrs. Kenneth Norris from Ida, Michigan, also Miss Marie Shelly of Millstream Lane, E.U.B. Willowbrook Community Church.

Friday evening March 15 the Junior Fellowship will meet at 4 p.m. at the church. At 6:30 p.m. Lenten fellowship supper. Each family to bring salad, vegetable or dessert, meat and beverage will be provided. Guest speaker will be Rev. Jim Thompson from the Hillcrest E.U.B. Church in Detroit. Catechism class Saturday at 10 a.m. with Rev. Norris. Also on Saturday the Youth Fellowship will go bowling from 1:30 to 3:30. They are to meet at the church at one o'clock.

Sunday the Youth Fellowship will

again meet with the Novi Methodist church young people in the Novi church. They will meet at the church and go in a group to Novi.

Wednesday, March 20 choir rehearsal at 8 p.m. in the church.

### NOVI METHODIST CHURCH NEWS

Sunday, March 10, Girl Scout Sunday was observed at the morning service.

On Tuesday several Novi Methodists will have a joint potluck supper with the Northville Methodists at the Northville church. The guest speaker will be Mr. Morse Saito, Japanese American at 7:30.

Wednesday evening Lenten service will be held at 7:30. Coffee hour will follow. Next Wednesday evening at 6:30 there will be a potluck supper followed by Lenten service. Choir rehearsal will be held after the Lenten service.

Membership class will be held on Saturday at 10 a.m. Next Sunday at 1:30 services will be held at the Whitehall home.

The MYF will meet Sunday evening at 6:30 with the Willowbrook Youth as guests.

The WSCS will meet March 20 at 11:30 with Bess Boyd and Viola Gronenberg as hostesses.

Wednesday 27th at 11 a.m. the WSCS is invited to the Brighton church for a brunch, followed by a program. The program speaker will be Mrs. June Schairer, past president of the Ann Arbor District WSCS.

### HOLY CROSS EPISCOPAL CHURCH MISSION

Sunday morning there was a baptismal service. Lisa Ann Merritt, daughter of Mr. and Mrs. Gordon Merritt was baptized.

Out of town guests at the church on Sunday came from Norfolk, Virginia, Plymouth, Benton Harbor, Dowagiac and Gaylord, Michigan.

The regular monthly Bishops committee will meet on Monday.

Tuesday the regular weekly Sunday school teachers meeting will be held at the Millie Doan home in the evening. Barbara Gregory has joined the Sunday school teaching staff.

Wednesday at 10:30 a.m. Holy Eucharist and at 7:30 p.m. the regular Lenten service will be followed by Bible study on the life of St. Paul.

The men and boys quiet hour will be held on Friday at the St. Paul Memorial church, Grand River and Hubbell in Detroit. The quiet hour will be preceded by a dinner. Father William Grayson from the Diocese of the Huron Evangelical church of Canada will be the retreat leader of the quiet hour.

Anyone in the church who would like to give memorial flowers for Easter sign the flower card in the Narthex or call Mrs. Poole GR 4-6842.

### FIRST BAPTIST CHURCH

The Bowling league will meet at Farmington Lanes Saturday at 5:30 p.m. for their night of recreation and fellowship.

A delegation will be attending the Billy Walker Rally 7:30 p.m. at Southgate High auditorium. Featured on the program: "The Harold Smith Majestic choir, Clayton Erb, Roseann Brandenstein and Al Tedrick.

Bible school will again be in session at 9:45 a.m. Sunday March 17th. Followed by the morning service at 11 a.m. Pastor Clark will speak on the subject "How Much of God." The Christian Education committee will meet at 5 p.m. and at 6 p.m. the Adult Training union and the youth work will be in session. The Jet Cadets topic will be "Tales of Triumph." The Youth will be in charge of the 7 p.m. evening service, and the message will be given by Gerald Reimer former missionary intern of the church. He and his wife Mavis and their two children will be leaving New York March 21 for missionary work in Austria under the General Europe Mission Board. While

here in Novi they will be staying with the Jack Anglins, Sunday School Workers Conference March 19 at 7:30 p.m. All teachers and workers of the Sunday school are invited to attend.

Mid-Week Service Wednesday March 20 at 7 p.m. Pastor Clark will continue the study in the Book of James. Followed by prayer. Choir practice will start at 8 p.m.

Registrations for Camp Hiawatha and Camp Barakel are being received at the church office, for further information please call the church. Both camps are asking for early registrations this year.

### NOVI GIRL SCOUT NEWS

Brownie Troop 161 learned a new game, played games and sang songs.

Brownie Troop 351 made situpons, Paula Burton brought treats. They discussed Day Camp and party for Girl Scouts and invited the first grade girls so they could see how much fun Brownies are having.

Brownie Troop 519 had square dancing program for their mothers. There were 15 mothers present and they were served punch and cookies.

Junior Troop 165 took a trip to Mary Grimes to see her paintings for their drawing and painting badge. Mrs. Fisher and Mrs. Totton were the drivers.

Junior Troop 713 received camping pamphlets. Two cadettes visited the troop, Nancy Alexander and Karen Mitchell came by invitation. Marcia Brooks, cadette taught a game song and gave a demonstration on first aid.

Junior Troop 913 planned a party for Girl Scout week, collected cookie money. Bring cookie money in soon to Mrs. Turner, cookie chairman.

Cadettes 149 tried out a new plan with special meeting at the home of Mrs. Farah. Girls attending were Nancy Alexander, Sandy Carter, Debbie Free, Sue Morris, Donna Robertson, Diane Skeltis, Lauri Turowski, Brenda Tymensky and Janeen Miller. The cadettes wish to thank Mrs. Farah for letting them use her home for their meeting.

Troop Junior 1027 practiced entertainment for Girl Scout week.

The Farmington-Nowi first area association meeting under the new structure was held on Wednesday, March 6 with 125 in attendance. Area chairman is Mrs. Leonard Stidwell of Farmington. Area nominating committee is Mrs. W. R. Miller. Area council delegates, Mrs. Robert Sale and Mrs. Steve Adams, Novi troop service director is Mrs. Bernard Adams, Novi elementary scouter Mrs. Willard Miller for Orchard Hills and high school.

Present from Novi were Mrs. Les-

lie Clarke, Mrs. Duane Branch, Mrs. Richard Mitchell, Mrs. Fred Dietrich, Mrs. Clarence Rlke, Mrs. Bernard Adams and Mr. and Mrs. Willis Miller.

Mrs. Adams had her first T.S.D. meeting. Those attending - Joanne Ward Barbara Parta, Jackie Wilentus, Beverly Dietrich. They discussed the new leader manual, new structure and training courses.

Mrs. W. Miller also had her first T.S.D. meeting, attending were Pearl Mason, Shirley Brooks, Harriet Rice and Barbara Branch. They discussed the new structure, plans for the Memorial Day Parade, flying up of Brownies to Juniors, Junior and Brownie leaders are needed. Discussed the importance of training and sponsor for the troop.

### NOVI CUB SCOUTS

Among those who visited the Diamond automation shop last week were the following whose names were left out last week: Mrs. Lindley's Den No. 6, the Webeleos with leader, Mr. Gale Stowell, awards chairman, Mr. Mel Lindley.

### NOVI REBEKAH NEWS

Approximately 40 were present at the Rebekah and IOOF party Saturday night. Good time had by all. The next Rebekah meeting will be held tonight, March 14.

Saturday March 30 the annual District No. 6 meeting will be held in South Lyon. Please get reservations in for the evening dinner.

### NOVI SCHOOL MENU

One of the many hats of Consumers Power

**CUSTOMER-MINDED PEOPLE**

**WIFE-SAVER**

Many a housewife is happier today because of this lady from Consumers Power. She's a home service consultant. She's a wizard with appliances. A whiz at the range. A fount of know-how on work-saving, time-saving, wife-saving ways to run a home.

you'll continue to think of us (we hope) as a helpful neighbor, whose energy lightens housework and gives you more free hours for other things

Customer-minded people That's what we try to be at Consumers Power.

An expert in home economics, she puts on demonstrations for women's groups in the Consumers Power kitchens, explains the newest cooking and cleaning tricks, instructs on home safety. She visits schools to tell girls how to care for home appliances. She'll even visit your home to advise you on how to plan an efficient new kitchen.

The services of our home service consultants are free. We look at it this way. If our experts can save you time and effort, if they can help you become a more effective homemaker,

Varsity letters were awarded to nine basketball players and nine swimmers at the annual winter sports awards banquet at Schoolcraft college March 5.

Basketball Coach Tom Roncoli presented letters to Bill Evans, Plymouth; Karl Gulbronsen, Livonia; Al Jose, Livonia; Mike Kenyon, Detroit; Nate Lubbrand Plymouth; Mike McCauley, Livonia; Steve Moore, Farmington; Fred Neil, Livonia; and Duane Storm, Livonia.

Swimming Coach Jack Washka presented letters to Larry Barrs, Livonia; Roy Cartwright Jr., Westland; Walt Cockfield, Detroit; Les Ferguson, Livonia; Don Goerlitz, Ypsilanti; Dane Trembath, Livonia; Jim Veselenak, Detroit; Bob Wellman, Plymouth; and Roger Zygnowicz, Garden City.

Moore, who led the Schoolcraft scorers on the basketball court during the 1967-68 season, was elected team captain and named most valuable player by his teammates. The former Farmington High player scored 347 points during the year, to bring his two-season total to 668 points. His individual high was 34 points.

The Blue and Gold eagers finished the season with a 3-18 record.

Jack Washka's swimmers were more successful, posting a 9-3 mark for the year and finishing in sixth place in the Michigan Junior College Athletic Conference meet. The swimmers placed 10th in the National Junior College Athletic Assn. meet, winning seven individual medals and taking a fifth place in the 400-yard medley relay.

Athletic Director Marvin Gans was principal speaker at the awards banquet.

**Jan Moorhead  
Stars on TV**

Jan Moorhead, a 1967 Northville high school graduate and currently an honors freshman at Michigan State university, is first trombonist with the Michigan State Jazz Ensemble, which was featured recently on channel 56 TV in a half-hour program, Rockwell's "People in Jazz."

The interview with George West, ensemble director, explored the recognition concert jazz has received in academic circles. Termed the only original American form of music, it is becoming a part of musical programs at all major universities, he explained. The group of 18 MSU musicians, considered one of the best of its kind in the country, appeared last weekend at Notre Dame university.

# Official Minutes of the Northville Board of Education

Minutes of the Regular meeting February 12, 1968.

The meeting was called to order by President Eugene Cook at 7:30 p.m. in the Board of Education offices at 405 West Main street, Northville, Michigan.

Members Present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President; Mr. Glenn E. Deibert, Secretary; Mr. Robert Froelich, Trustee; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee; Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business manager. Members absent: Mr. Richard Martin, Treasurer.

Administrators present: Miss F. Panattoni, Mr. F. Holdsworth, Mr. M. Jacobi.

Visitors present: 9 (See register). President Cook declared that a quorum of the board was present and directed the board to proceed with the regular order of business.

President Cook indicated the addition of one item to the agenda to become Item 5f under Communications, letter from Our Lady of Victory School Board President.

Motion No. 168-171 by Mr. Johnston, supported by Mr. Kipfer, that the agenda be adopted as amended. Motion carried.

Motion No. 68-172 by Mr. Kipfer, supported by Mr. Froelich, that the minutes of January 8, 1968, Regular meeting, January 22, 1968, Regular special meeting, and January 22, 1968, Special meeting, be approved as published. Motion carried.

Secretary Deibert reviewed a memorandum from County Superintendent William Shuck with information relative to a Budget Hearing to be held at 8:00 p.m. Thursday, February 29, 1968, at Lovett Hall, Greenfield Village, Dearborn, Michigan.

Secretary Deibert noted a letter from City Manager Ollendorff requesting the Northville School Board's agreement to participate in a special assessment against school property for the paving of Taft road.

Secretary Deibert paraphrased a letter from the State Board of Education indicating approval of the Northville School District for various loans from the Michigan School Bond Loan Fund in the 1968 Debt Retirement Year

on the following dates: May 1, 1968; July 1, 1968; November 1, 1968; January 1, 1969.

Secretary Deibert summarized a letter from Mr. Richard Bloomhuff, President, Northville Junior Football Association, requesting permission to use the High School Athletic Field for home games between their organization and other units of the Western Suburban Junior Football League.

Secretary Deibert noted a letter of information from the Wayne County Intermediate School District, with accompanying materials, relating to the Wayne County Community College District and progress of the Wayne County Community College movement.

Secretary Deibert read a letter from Mr. Emery Jacques, President of Our Lady of Victory School Board, inviting members of the Northville Board of Education to an informal meeting with the school boards of Our Lady of Victory School and St. Paul's Lutheran School to be held at 8:00 p.m. on February 13, 1968, at the parish rectory located at 770 Thayer, Northville, Michigan; this meeting scheduled to discuss common problems of the non-public schools. Superintendent Spear and five board members indicated intent to attend.

Superintendent Spear briefly reviewed the preliminary plat of the proposed Thompson-Brown housing development south of Six Mile road, east of Bradner road. Mr. Spear pointed out that the Thompson-Brown offer of one of two locations would be followed through by Thompson-Brown upon receipt of the Board's decision on a site preference. The Superintendent emphasized that in a conference with Mr. Robert Carey, President of Thompson-Brown, prior to the board meeting, assurances were given that if the central site were chosen, Thompson-Brown would proceed to draw a new plat of that particular parcel for the board.

President Cook pre-empted the board by directing the Superintendent to have Mr. Carey proceed with a proposal on the interior site relative to redistribution of lots and other pertinent data, to be further pursued at the March 11, 1968, board meeting. President Cook polled board mem-

bers as to their availability to attend a budget hearing scheduled for February 29, 1968, for determination of maximum amount of the Wayne County Intermediate School District Budget for the Fiscal Year 1968-69. Since representatives from the 43 boards of education of the Wayne County Intermediate School District will pass upon the maximum amount of the Budget, the Northville Board was requested to select a representative and/or an alternate to attend the hearing. President Cook concluded by appointing himself as representative of the Northville Board of Education to the Budget hearing.

Discussion of the City Manager's request for participation by the Northville School Board in a special assessment for paving Taft road from Eight Mile road north to the city limits, led to various viewpoints by Board members on the advisability of board action to share the assessment. It was pointed out by President Cook that the need for this improvement is imperative in light of its relation to Cooke Junior High school. He indicated a county type road was planned; i.e. shoulders, with no curbs or gutters. President Cook, along with members Johnston and Kipfer, stressed the fact that Thompson-Brown as the principal owner of frontage would absorb the "lion's share" of the assessment. Mr. Johnston urged prompt participation in order to insure completion of the project prior to opening of school in the fall of 1968.

Members Froelich, Deibert and Orphan expressed reluctance to grant approval for financial commitment by the board in view of a possible 100% assessment to the district for its frontage on Taft road. Superintendent Spear indicated belief that the city is looking for evidence from the board whether it is agreeable to a paving assessment before proceeding with construction. Mr. Spear also indicated that Thompson-Brown had verbally agreed, and favorable board action would lend impetus to the project.

Motion No. 68-173 by Mr. Johnston, supported by Mr. Kipfer, that the Northville Public Schools School District express intent to participate in a special assessment for paving of Taft road based on the understanding that Thompson-Brown will participate as the prime property owner involved. Ayes: Mr. Johnston, Mr. Kipfer. Nay: Mr. Deibert. Abstentions: Mr. Froelich, Mr. Orphan. Motion declared lost.

President Cook indicated concern for the need to improve Taft road and encouraged the board to reconsider its position regarding special assessment participation. Mr. Froelich suggested more definitive action than that expressed in the foregoing defeated motion. Mr. Cook asked that a new motion be introduced to satisfy this suggestion.

Motion No. 68-174 by Mr. Froelich, supported by Mr. Johnston, that the Northville Public Schools School District is willing to participate in the paving of Taft road based upon the tentative specifications submitted by the City of Northville, subject to change of position regarding method of assessment. Ayes: Mr. Kipfer, Mr. Johnston, Mr. Froelich, Mr. Cook. Nay: Mr. Deibert. Abstention: Mr. Orphan. Motion carried.

Prior to action by the Board on a School Bond Loan Application, Business Manager Busard pointed out that delay in receiving tax monies due the district would necessitate filing of a final application for loan from the Michigan School Bond Loan Fund for the period May 1, 1968, to assist the district in meeting its obligations.

Motion No. 68-175 by Mr. Kipfer, supported by Mr. Orphan, that a resolution be adopted authorizing the Secretary and Treasurer of the Board of Education to submit Final Loan Application to the Superintendent of Public Instruction for approximately \$60,000 from the Michigan School Bond Loan Fund, to assist the District in meeting the payment of principal and/or interest on the unlimited qualified bonds of the district, in accordance with provisions as set forth in the Certificate of Application. Motion carried.

Superintendent Spear directed the board's attention to a request by Mr. Richard Bloomhuff, president of the Northville Junior Football Association, for use by that organization of the High School Athletic field on several Sundays during the coming football season. The Superintendent cited Board Policy 1330 which places restrictions on the use of school facilities on Sundays, as well as regulations governing the use of the football stadium as it relates to the provisions of the Revenue Bond.

Mr. Spear pointed out the presence of Mr. Bloomhuff in the audience for the purpose of answering board members' questions relative to requested usage of the football stadium. Comments by Superintendent Spear and Mr. Bloomhuff revealed his organization's willingness to observe Stadium Fund regulations with respect to admission charges and, further, to provide for proper maintenance of the field after usage by the Junior Football Association.

Pursuant to consideration of current policy restrictions on use of school facilities, the board concurred that with the completion of the High School Swimming Pool and the advent of a swimming program, Board Policy on Sunday use may have to be rewritten. Mr. Froelich indicated for the record that use of school facilities should be extended.

Motion No. 68-176 by Mr. Orphan, supported by Mr. Johnston, that the board support the administration in appropriate arrangements for providing the Northville Junior Football Association with use of the High School Athletic field on specified Sunday afternoons in accord with Revenue Bond regulations. Motion carried.

Motion No. 68-177 by Mr. Froelich, supported by Mr. Kipfer, that the administration take steps to review and update policies related to use of school facilities. Motion carried.

Motion 68-178 by Mr. Orphan, supported by Mr. Froelich, that teaching contracts for Mrs. Rebecca Muller and Mr. Charles Shonta be approved. Motion carried.

Following board action to approve contracts for Mrs. Muller and Mr. Shonta, Superintendent Spear noted that Mrs. Muller replaces Miss Panattoni at the high school, with Miss Panattoni now devoting full time to the position of Curriculum Coordinator. Mr. Shonta is assigned to boys' physical education at Cooke Junior High school.

Motion No. 68-179 by Mr. Orphan, supported by Mr. Kipfer, that Bill Warrants and Payroll be approved as presented.

General fund \$349,838.23  
Bookstore 685.48  
Building & Site 242,500.34  
Cafeteria Account 10,510.95  
Stadium Fund 558.71  
TOTAL: \$603,498.23  
Motion carried.

In connection with the Budget Report for January, 1968, Mr. Busard pointed out that 47% of the total budget has been expended with collections amounting to 39.8%. Board member Orphan and President Cook raised the question of the possibility of school tax being collected in the summer to bridge the gap between collections and expenditures. The business manager cited advantages if State Aid were paid by July 1 and adjusted later, based on last year's enrollment. President Cook suggested the administration explore

possibilities for obtaining tax monies and State Aid earlier in the year.

Mr. Kipfer, chairman of the board subcommittee on enrichment curriculum activities, gave a brief progress report on the committee's findings to date. This committee, which is composed of three board members, Miss Panattoni, Mr. Longridge, and Miss Babel, has held several meetings besides conducting an all-school survey of in-school and out-of-school enrichment activities now participated in by students. Discussions by the committee, as well as faculty members, have led to certain conclusions:

--The need to expand the enrichment curriculum program at all levels.

--There is a decrease in interest in physical type activities after 10th grade and an increase in curriculum oriented pursuits.

--Enrichment interests at the Elementary and Junior High Schools are largely an extension of the regular curriculum, with a little less at the junior high. The high school appears to be recreation oriented in the enrichment area.

--There is frequent concern over lack of carry-over sports, such as golf, and tennis, rather than varsity type activities.

--The need to expand Junior High offerings in enrichment curriculum activities (little participation in school sponsored activities).

Mr. Kipfer reported that the initial survey revealed 286 high school students and 172 Junior High school students do not participate in school sponsored activities. In light of these figures, the committee resurveyed to determine what obstacles prevented participation, in that a significant segment was not being reached. A reevaluation of non-participants in school-sponsored activities, grades 7-12, was made.

In a general discussion which followed Mr. Kipfer's report, Miss Panattoni, Curriculum Coordinator, pointed out the importance of moving in the direction of action to satisfy both students and faculty. It was the consensus of the board that, in view of the foregoing considerations, the board can and should extend curriculum activities in the district, but with due concern for costs, facilities, transportation, manpower and related problems. President Cook directed the Enrichment Curriculum Subcommittee to proceed with an investigation of costs for implementing an expanded enrichment curriculum program. Mr. Kipfer indicated definite recommendations would be forthcoming following one or two more committee meetings.

Superintendent Spear brought the board of education up to date on the status of a Study Committee for the Year-Round School. Mr. Spear indicated that of 38 citizens invited to participate, 25 have accepted, six declined, and seven did not respond. Twelve teachers have expressed willingness to participate. The superintendent recommended that the board set a date for a total committee meeting to enable the board to make its formal charge to the committee, establish the steering committee and organize the various subcommittees. Mr. Spear suggested that February 26, 1968, be established as the kick-off date for the Year-Round School Study committee meeting if the board acts to cancel the Regular Special meeting scheduled for that date.

President Cook opened discussion of the Old Waterford School building by noting that Mr. Busard had received one response to requests for bids for demolition for salvage or removal from site, as advertised in the Northville Record. Due to the nature of the one bid received, it was recommended by the Business manager that said bid be rejected.

Motion No. 68-180 by Mr. Kipfer, supported by Mr. Johnston, that the bid of Mr. Bruce Parmenter of Bruce's Nursery and Landscaping of Bruce's, Novi, relative to the Old Waterford School building be rejected, and that the administration be authorized to advertise for new bids on same. Motion carried.

In view of the desirability of calling a meeting of the Year-Round school study committee and the impending absence of the Superintendent immediately prior to that date, it was recommended by the superintendent that the February 26, 1968, meeting of the board be cancelled in favor of a board work session with citizens and staff members involved in the Year-Round school Study Committee at 8:00 p.m. in the Board Room on that date.

Motion No. 68-181 by Mr. Kipfer, supported by Mr. Froelich, that the Regular special meeting of the board of education scheduled for February 26, 1968, be cancelled. Motion carried.

Superintendent Spear requested an executive session with the board immediately following adjournment, to culminate investigation of school site acquisition.

There being no further business, the meeting adjourned at 9:25 p.m. Glenn E. Deibert, Sec.

Superintendent Spear brought the board of education up to date on the status of a Study Committee for the Year-Round School. Mr. Spear indicated that of 38 citizens invited to participate, 25 have accepted, six declined, and seven did not respond. Twelve teachers have expressed willingness to participate. The superintendent recommended that the board set a date for a total committee meeting to enable the board to make its formal charge to the committee, establish the steering committee and organize the various subcommittees. Mr. Spear suggested that February 26, 1968, be established as the kick-off date for the Year-Round School Study committee meeting if the board acts to cancel the Regular Special meeting scheduled for that date.

President Cook opened discussion of the Old Waterford School building by noting that Mr. Busard had received one response to requests for bids for demolition for salvage or removal from site, as advertised in the Northville Record. Due to the nature of the one bid received, it was recommended by the Business manager that said bid be rejected.

Motion No. 68-180 by Mr. Kipfer, supported by Mr. Johnston, that the bid of Mr. Bruce Parmenter of Bruce's Nursery and Landscaping of Bruce's, Novi, relative to the Old Waterford School building be rejected, and that the administration be authorized to advertise for new bids on same. Motion carried.

In view of the desirability of calling a meeting of the Year-Round school study committee and the impending absence of the Superintendent immediately prior to that date, it was recommended by the superintendent that the February 26, 1968, meeting of the board be cancelled in favor of a board work session with citizens and staff members involved in the Year-Round school Study Committee at 8:00 p.m. in the Board Room on that date.

Motion No. 68-181 by Mr. Kipfer, supported by Mr. Froelich, that the Regular special meeting of the board of education scheduled for February 26, 1968, be cancelled. Motion carried.

Superintendent Spear requested an executive session with the board immediately following adjournment, to culminate investigation of school site acquisition.

There being no further business, the meeting adjourned at 9:25 p.m. Glenn E. Deibert, Sec.

## TOWNSHIP OF NORTHVILLE

### COUNTY OF WAYNE

#### THE TOWNSHIP OF NORTHVILLE ORDAINS:

**SECTION 1**—Permission is hereby granted to THE DETROIT EDISON COMPANY, incorporated under the laws of the States of Michigan and New York, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the Township of Northville, Wayne County, Michigan, all needful and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, and to transact a local electric business within said Township, subject, however, to all conditions and restrictions hereinafter contained.

**SECTION 2**—The conditions of the foregoing grant are as follows: A — The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.

B — The Township may, in its discretion, grant permission for the trimming of trees when necessary to make the lines safe and accessible, such trimming to be done under its supervision.

C — The construction of the said lines shall be in accordance with the rules and regulations of the Michigan Public Service Commission or its successor.

D — The said grantee, before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any poles, mains, wires, pipes, conduits, or other apparatus, shall in writing notify the Township or its representatives of the proposed construction, and shall, if the Township so requires, file with them a sufficient plan and specification, showing the nature and extent of the proposed erection and construction.

E — No street, highway, alley or public place shall be allowed to remain open or encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the grantee shall at all times conform to all ordinances of the Township, now or hereafter in force, relative to the fencing and lighting of obstructions and excavations.

F — The grantee shall save the Township harmless from any judgment that may be recovered against the Township by reason of the wrongdoing or negligence of the said grantee in the erection and maintenance of said poles, mains, wires and other apparatus and construction.

G — Said grantee shall make due provision upon forty-eight hours' notice in writing by raising its wires or otherwise, for the passage of barn, building or other structure on or over any street, highway, or public place occupied by the mains wires, poles and apparatus of said grantee.

**SECTION 3**—In consideration of the granting of this franchise, grantee agrees that its rates and charges for electric service in the Township of Northville shall not exceed its rates and charges for like service elsewhere in its service area, evidenced by its uniform rate schedules at the time on file with and approved by the Michigan Public Service Commission. It is understood that the grantee is subject to regulation by the Michigan Public Service Commission. It is understood that the grantee is subject to regulation by the Michigan Public Service Commission and that any order, rule, or regulation by that Commission, or its successor, will prevail over any regulation herein contained or provided for in case of conflict.

**SECTION 4**—This grant shall take effect if said grantee shall, within fifteen days from the date of the passage of this ordinance, file with the Township Clerk its written acceptance of the terms of the same, and upon the confirmation of this grant, by the affirmative vote of a majority of the electors of said Township, voting thereon at a special election to be held on Monday, the 29th day of April, 1968, as provided for by the Statutes and the State Constitution.

If not confirmed by the electors voting at said election, this ordinance shall be null and void.

**SECTION 5**—This Franchise and Ordinance shall be and remain in force for thirty (30) years from and after the date of its confirmation by the electors of the TOWNSHIP OF NORTHVILLE, Wayne County, Michigan.

**SECTION 6**—Nothing in and to any street, highway, alley or public place or any portion thereof, neither shall anything herein be construed in any manner as a surrender by the TOWNSHIP OF NORTHVILLE of its legislative power with respect to the subject matter hereof, or with respect to any other matter whatsoever; nor as in any manner limiting the right of the said TOWNSHIP OF NORTHVILLE to regulate the use of any street, avenue, highway or public place within its jurisdiction.

Dated this 5th day of March, 1968.

R. D. Merriam, Supervisor  
Eleanor W. Hammond, Clerk  
Gunnar D. Stromberg, Trustee  
Thomas D. Armstrong, Trustee  
Bernard W. Baldwin, Trustee

March 5th, 1968

Moved by Gunnar D. Stromberg  
Seconded by Thomas D. Armstrong

The following Resolution was adopted by a vote of Yeas 5, Nays 0. Absent 2.

**RESOLVED**, that the proposition and franchise of THE DETROIT EDISON COMPANY, as read, be adopted, subject, however, to confirmation by a vote of the electors of the TOWNSHIP OF NORTHVILLE, Wayne County, Michigan.

March 5th, 1968

I hereby certify that the above and foregoing is a true and correct copy of a franchise granted to THE DETROIT EDISON COMPANY at a regular meeting of the Township Board of the TOWNSHIP OF NORTHVILLE, Wayne County, Michigan, held on Tuesday, the 5th day of March, 1968, said franchise to be subject to the conditions of Section 4 of said franchise in accordance with the law governing same.

Eleanor W. Hammond  
Township Clerk

# ELECTION NOTICE

## TO THE ELECTORS OF THE TOWNSHIP OF NORTHVILLE

WAYNE COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN, that a special election to be held at

PRECINCT NO. 1 — Old Junior High Building, 405 W. Main Street

PRECINCT NO. 2 — Old Junior High Building, 405 W. Main Street

in said Township of Northville, on

# Monday, April 29, 1968

the following question will be submitted to you:

Do you favor the granting of a franchise to THE DETROIT EDISON COMPANY, granting permission to erect, construct, lay, operate and maintain, within the TOWNSHIP OF NORTHVILLE, all needful and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, subject, however, to all conditions and restrictions of said franchise, as passed at a session of the Township Board of said Township held on Tuesday, the 5th day of March, 1968.

A copy of said franchise is on file with the Township Clerk, and it is open to the inspection of the electors of said Township.

At said election the form of ballot will be as follows:

Confirmit grant of franchise to THE DETROIT EDISON COMPANY, for the purpose of the erection, construction and maintenance of towers, poles, mains, wires, pipes, conduits, apparatus, etc., requisite for the transmission, transforming and distribution of electricity for public and private use.

YES ( )

NO ( )

The polls of said special election will be opened at 7 o'clock a.m. and will remain open until 8 o'clock p.m. on said day of election.

# REGISTRATION NOTICE

The Township Clerk will be at the TOWNSHIP HALL, on FRIDAY the 29th day of March, 1968, from 8 o'clock in the forenoon until 8 o'clock in the evening for the purpose of completing the registration of the electors of said Township.

The Township Clerk will be at the TOWNSHIP HALL, on SATURDAY, the 23rd day of March, 1968, from 8 o'clock in the forenoon until 5 o'clock in the evening, for the registration of electors of said Township. Dated this 5th day of March, 1968.

Eleanor W. Hammond  
Township Clerk

I hereby certify that the foregoing is a true copy of resolutions adopted by the Township Board of Northville Township, Wayne County, Michigan at a regular meeting held on Tuesday, the 5th day of March, 1968.

## Novi Justice Court

Proceedings of Novi Justice Emery Jacques were interrupted last Thursday as Novi police forcibly removed a young man from the lobby just outside the courtroom and hustled him downstairs where he was manacled to await transfer to Oakland county jail.

Curtis Slusser, of 25612 Adams, in the Seeley road trailer park, had just been sentenced by Justice Jacques on three counts. Slusser appeared without an attorney to face charges of assault and battery and nonsupport, brought by his wife, and a traffic violation for defective lights.

Sentenced to a 30-day jail sentence, one year probation, and ordered to pay \$20 weekly support money for his infant child, Slusser also drew a \$50 fine or 90 days on the assault charge and a \$10 fine or 10 days on the traffic violation.

The disturbance erupted during proceedings of the following case, while Slusser waited just outside the courtroom in the company of Chief Lee BeGole, and Sergeant Richard Faulkner. Rising voices followed by sounds of a struggle brought Jacques and spectators from the courtroom, where BeGole and Faulkner were removing the resisting man down the stairway.

BeGole said later that Slusser refused to cooperate after several admonishments to remain silent, repeatedly stating his intentions to "see the judge", even though his trial was over.

A Northville man charged with resisting an officer and a number of

young men charged with being minors in possession were among other cases heard last week.

Andrew H. Rochon, 729 Horton, Northville, pleaded guilty to driving on a suspended license and resisting an officer on complaints brought by Novi Patrolman Ron Arbour.

Rochon was sentenced to a \$75 fine and three days in jail or 30 days on the driving charges and a \$75 fine or 30 days on the charge of resisting an officer. The three-day sentence on the first charge was suspended.

In one group of minors charged with being in possession of beer on Penton Rise court, John W. Sevakis, Farmington, and James R. Jenneman and Jimmy L. Mangrum, Livonia, all pleaded guilty. Sevakis drew a \$25 fine plus \$10 costs or 10 days, Jenneman was fined \$35 and \$15 costs or 30 days, and Mangrum, \$25 fine plus \$10 costs or 10 days.

Three other young men from Detroit also entered guilty pleas to being minors in possession of beer. Ronald D. Bentley was sentenced to a \$25 fine and \$10 costs or 10 days. The same sentence was handed down to Curtis B. Denny and Garry R. Dawson.

Roderick Fletcher, 28835 Summit street, was sentenced to a fine of \$35 and \$15 costs or 10 days in jail after being found guilty on a reckless driving charge.

Dennis E. Spicknell, 284 Angola, Walled Lake, received a \$30 fine for speeding 60 in a 40 mph zone.

## Bullet Traced To Bird Hunter

A youngster who shot at a bird on the Maybury Sanatorium grounds was the source of a stray bullet that found its way through the window in the home of Novi Village President Phillip Anderson at 50040 West Eight Mile road.

Novi police chief Lee BeGole and Cpl. Nelson investigated the incident with Michigan State Police when Anderson reported the bullet entered his home about 5 p.m. March 3.

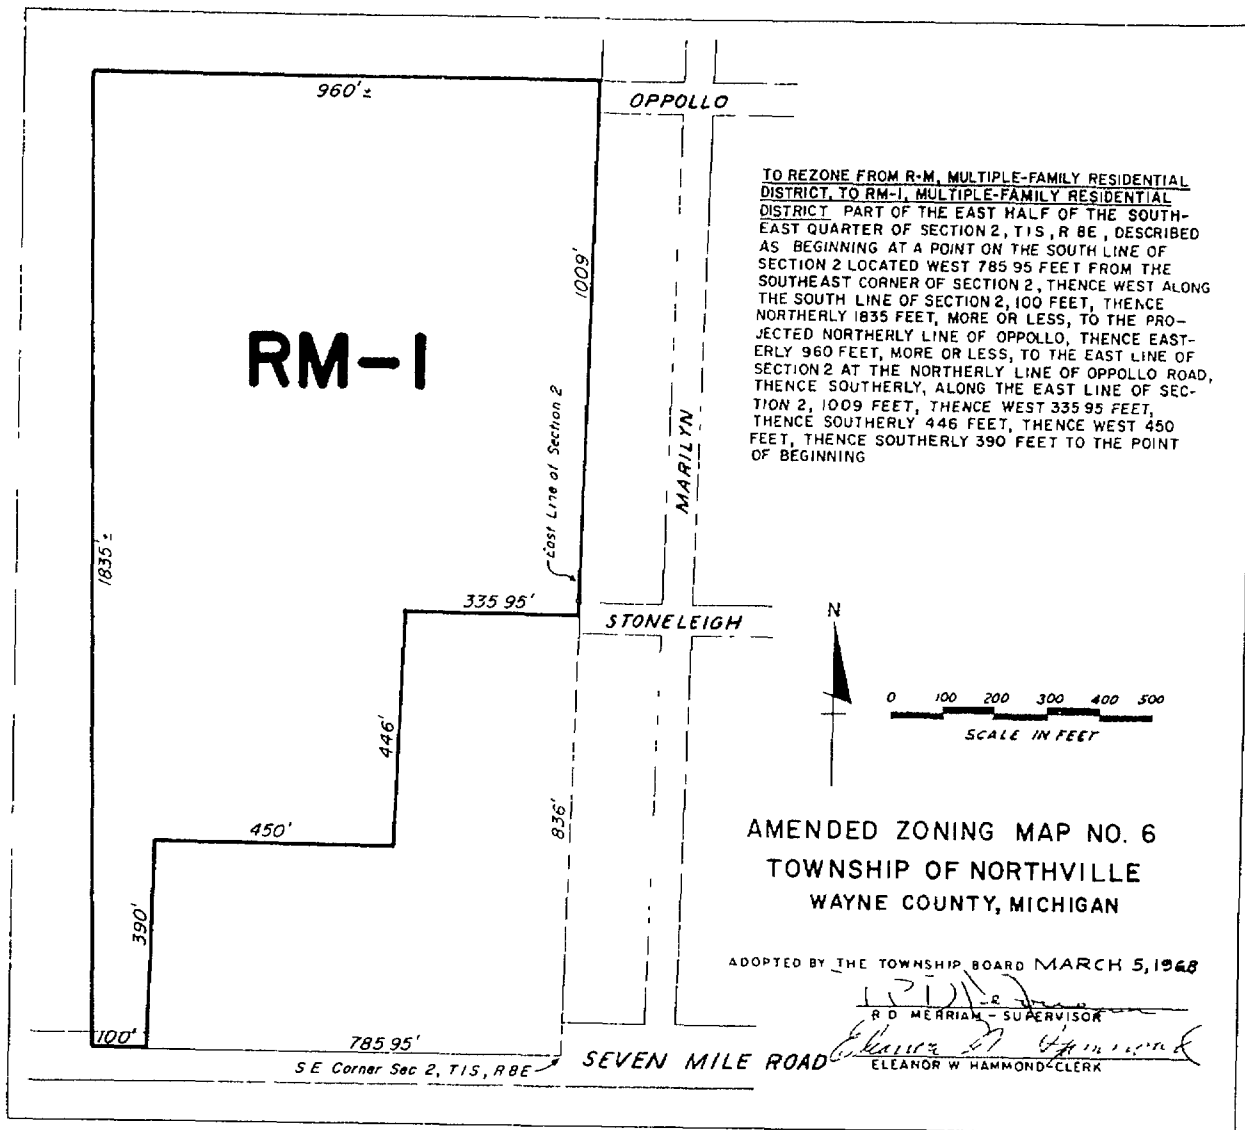

Police reported that Anderson heard the bullet strike but thought at first it was the sound of icicles falling from the roof. A few minutes later when he reached to pick up a magazine, he found the magazine covered with glass with the slug amidst the fragments.

The juvenile was located after police established the path of the bullet. The youngster admitted shooting at a bird in flight in direction of the Anderson residence. He was released with a warning.

## Two Awarded MSU Degrees

Two area students - from Northville and South Lyon - were among the 1,172 students awarded degrees from Michigan State university in winter term commencement exercises Sunday, March 10.

Leah R. McCarthy, 19450 Clement, Northville, received a BA degree in social science. John L. Thurman, 57950 Ten Mile road, South Lyon, received a BS degree in packaging.

## Novi Police Solve Breaking & Entering

One of several breaking and enterings under investigation by Novi police was resolved when two brothers pleaded guilty to malicious destruction of property and larceny in Novi justice court Monday.

Donald Chapman, 17, of Troy, and his brother Thomas Chapman, Detroit, were bound over for trial in Oakland county circuit court and released on bond after pleading guilty to damaging a truck and larceny from the Hydromation company construction site at 42300 Nine Mile road.

The case came under investigation by Novi police Monday, March 4. A van truck suffered a smashed windshield, jimmied door locks, and other damage and a number of tool boxes at the scene

had been broken into and looted.

Other breaking and enterings occurring in the area recently also involved theft and damage to property. At the Initial Tool company at 27200 Beck road, only small change and cigarettes were taken but office files were dumped and strewn about the building. The entry was reported shortly after midnight March 5.

In another case, still under investigation, a dictaphone valued at \$400, \$59 in cash, and fishing equipment valued at \$300 were taken from the Thomas Steel Forms property at 46035 Grand River. The building was also ransacked during the burglary, which occurred sometime in the early morning hours Wednesday, March 6.

# NOTICE OF SPECIAL ELECTION

TO THE QUALIFIED ELECTORS OF  
**NOVI COMMUNITY SCHOOL DISTRICT**  
OAKLAND COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN, that a special election will be held in Novi Community School District, County of Oakland, and State of Michigan, on Monday,

## APRIL 1, 1968

to vote upon the following proposition:

Shall the Novi Community School District, Oakland County, Michigan, borrow the sum of not to exceed Four Hundred Eighty Thousand Dollars (\$480,000) and issue its bonds therefore, for the purpose of defraying the cost of erecting, furnishing and equipping an addition to the Orchard Hills Elementary School building, remodeling school buildings and improving the sites thereof (including sewer connection), and acquiring a site for future school construction?

NOTICE IS FURTHER GIVEN, that the polls for said election will be open from 7:00 o'clock A.M., to 8:00 o'clock P.M., Eastern Standard Time, and that the voting place will be at the Novi Community Building in the Village of Novi, in said school district.

NOTICE IS FURTHER GIVEN, that the Board of Education of said school district has estimated that Four Hundred Eighty Thousand Dollars (\$480,000) is the amount of money necessary to be borrowed for the project for which said bonds are proposed to be issued.

NOTICE IS FURTHER GIVEN, that in order to vote on the above proposition, school electors shall possess the following qualifications:

1. Shall be a registered elector of the Township of Novi and of the School District of Novi Community Schools.
2. Shall be the owner of property assessed for ad valorem taxes or be the husband or wife of an elector of the School District who has property so assessed.

This notice is given by order of the Board of Education of said school district.

G. Russell Taylor  
Secretary of the Board of Education

Dated: March 11, 1968

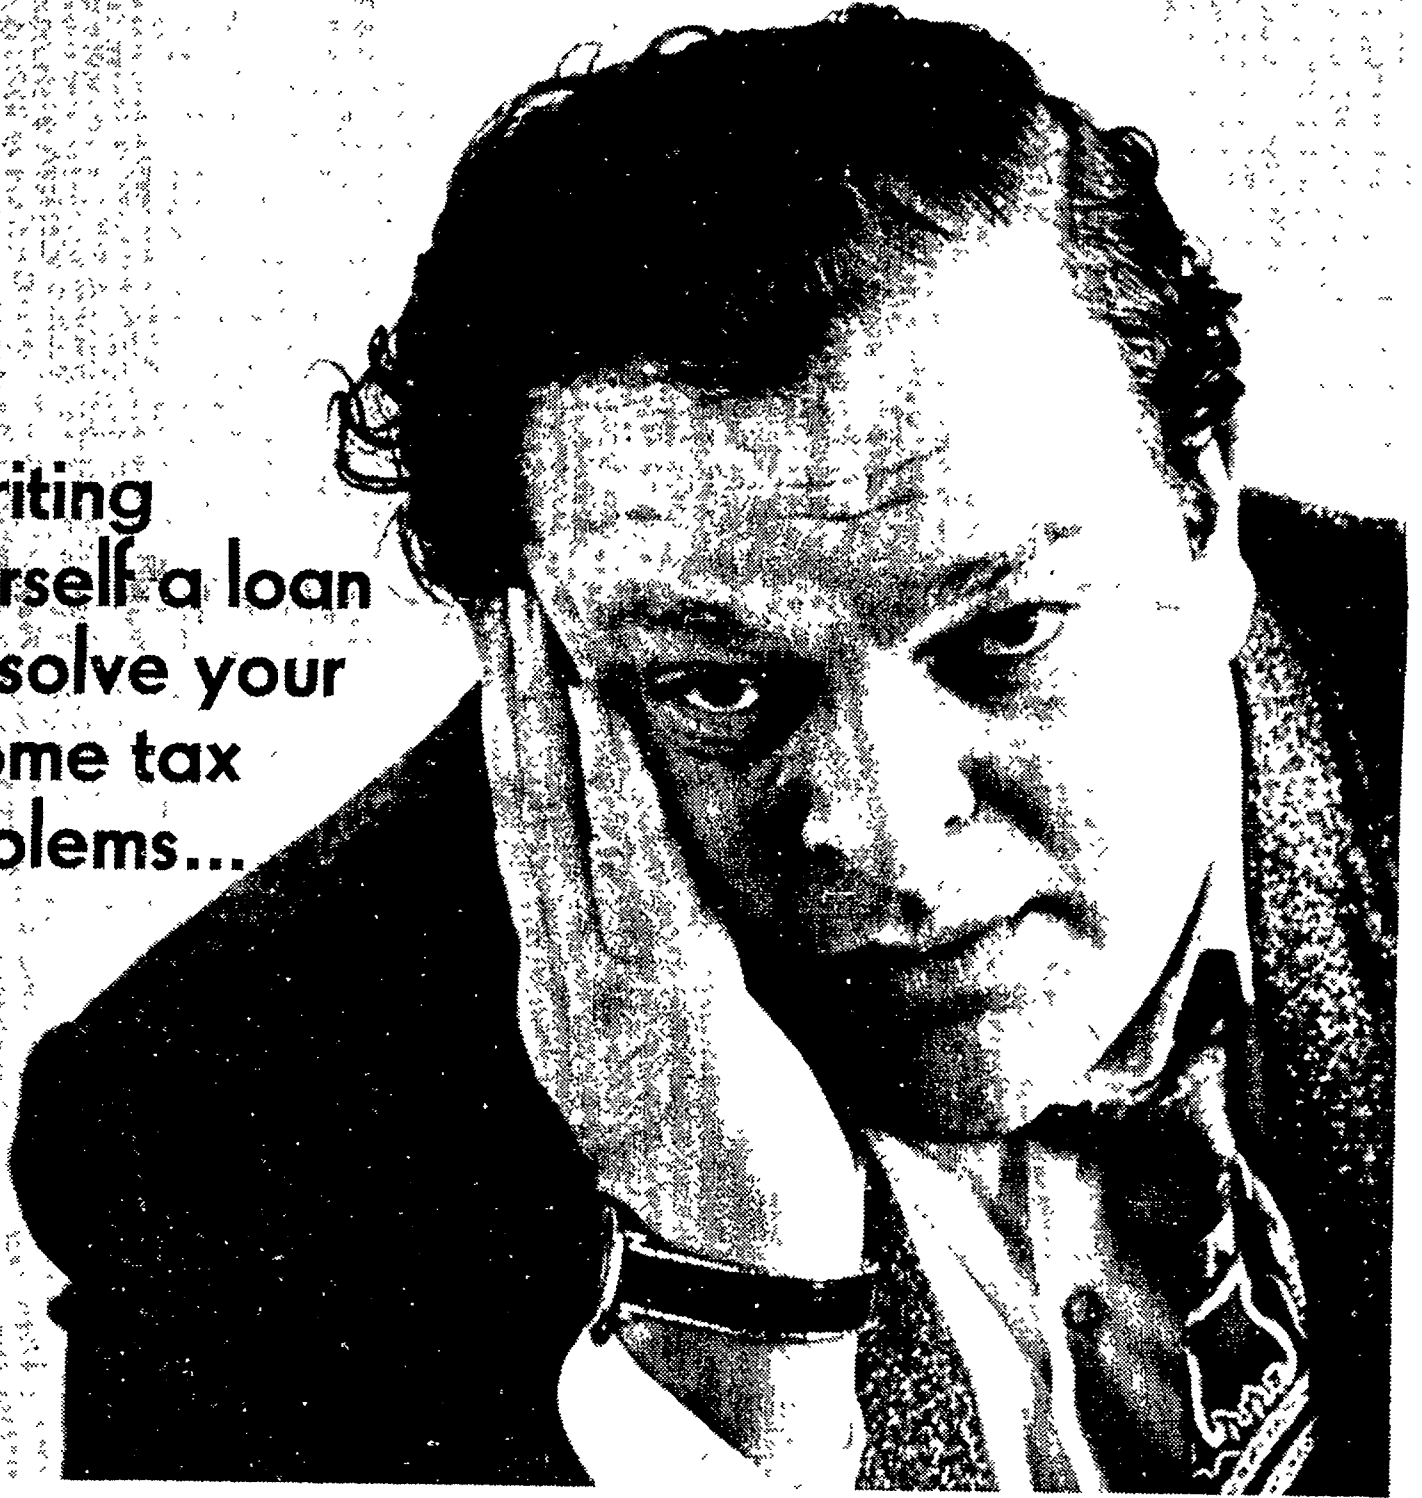

If writing yourself a loan will solve your income tax problems...

# IT'S GOOD TO KNOW WE'RE IN YOUR CORNER

No matter how well you plan it, you may still wind up owing Uncle Sam more than you can spare. But this year, Manufacturers Bank has a ready solution. Unichек... the complete banking service.  A Unichек account offers you Full-Time Credit of \$300, \$1000, \$2000 and up. To put it to work, just write a check. You'll actually be writing yourself a loan. But only you and the bank will know. And using your credit and repaying in convenient payments will take the sting out of any tax bite.  Manufacturers Unichек account also offers No-Service-Charge Checking, automatic savings, automatic loan payments and a special Unichек identification card. It's a great way to simplify all your banking business.  So why wait for an emergency money situation to catch you by surprise. Open a Unichек account now at your nearby office of Manufacturers Bank. When it comes to turning a money problem into "no problem," Manufacturers is in your corner.

**SPEAKING**

**for The Record**

By BILL SLIGER

The average American, the common-sense guy... the white, the Negro, the city dweller, the suburbanite... faces a challenge.

It's been leveled by the extremists in their midst.

And the latter waits for the predictable ... the loss of cool, the hysteria, the reversal to form ... the animal instinct, the urge to kill.

The trap has been set with an irresistible bait: a call to protect family and property.

And while in the performance of this completely justifiable and honorable act of responsibility, some look forward to a further reward: that of killing themselves a nigger.

This will, of course, complete the victory for the extremists ... those whites and blacks who wait in the wings for their rumors to bear fruit.

They're betting that Mr. Average American won't take time to sit down and think out this situation. They know that prejudices are seeded too deeply for calm appraisal to interfere.

Unfortunately, officialdom is lending a hand to the extremists.

The police department in neighboring Livonia is "patting itself on the back" for successfully completing its first gun school classes last week. Twenty-five men and women attend one two-hour session and police describe the course as "absolutely adequate" in teaching the safe handling of small arms.

Some 200 more men and women, some housewives who have never touched a gun, will be given the course in evening classes during the next three weeks.

Munitions' salesmen are having a heyday: as police departments suddenly find the wraps taken off budgets that once limited their buying. Weapons of war are being stockpiled in city after city across the nation. Detroit's metropolitan area cities are well up among the leaders in the weapon race.

Rifles, carbines, shotguns, armored trucks, army half-tracks, tear-gas grenades, gas masks and thousands of rounds of ammunition are being purchased.

Auxiliary units are being expanded and trained.

Civilian forces are being recruited for possible riot control duty.

Despite attempts by some authorities to "play down" the preparation

parade, the average citizen is in no mood to be soothed into complacency. He knows there were riots last summer; he knows police departments are undergoing riot training; he knows that he is suddenly being offered courses in gun handling; and in thousands of instances, he is either dusting off the old shotgun, or buying a firearm for the protection of his family.

He is not convinced that the experts, his police officers, can handle the situation. He's going to give them a hand.

Instead of assuming the role that is crying to be filled, he falls prey to the trap set by the extremists.

Thus he creates the real crisis: the armed camp atmosphere that most certainly will lead to killings, the result of accidents caused by tension rather than civil uprising.

Rather than following this course, consider if you will these suggestions:

--leave the protection of your family and community to the hired professionals who have always been charged with this duty, your police departments;

--encourage and support your elected community officials in their efforts to exercise practical judgment, aided by countless expert sources, in reaching sound programs hopefully balanced by reason, not exaggerated by extremism;

--face up to the challenge of attitudinal change and social concern that must be accomplished if we are to cure the true causes of crisis and rebellion;

--recognize that the ills of the inner-city require our attention; that even if we have no stomach, no compassion for the problem, it will forever burden us financially until it is solved;

--and finally, ask yourself: do you really believe there are human beings plotting to march upon your community and destroy your homes?

I do not.

Wayne county has notified the city of Northville that the bridge leading to Rural Hill cemetery is unsafe.

Below are two pictures taken from the underside of the steel-supported concrete structure.

It is hoped that the city council will not procrastinate, as public bodies are often wont to do, on this matter.

A warning has been received; the bridge is unsafe. Action should be taken before a tragedy occurs.

...yours and ours**

By ROLLY PETERSON

It's commonly referred to as "March Madness," but any way you look at the Michigan state high school basketball tournament, it's exciting, the time when a team, almost winless, can pull the scraps of a dismal season together for one last-ditch bid for glory.

Unless there's a team clearly superior, anything can happen. Upsets are the rule, rather than the exception, as over 600 of Michigan's schools vie for the class A, B, C and D State championships.

It's a romantic vision, this fact that a team can rise virtually out of no where to claim a championship. While the state title is every team's goal, there are bouquets along the way—the district and regional titles, which are no small measure of accomplishment.

While it's emphatically true that the American dream of rising from the bottom to the top is more myth than fact in most pursuits, it still holds true on the basketball court. A team, working smoothly and with a few breaks, can go a long way.

What happens, however, when a team loses? Life goes on as usual, the adage, "Wait til next year" is invoked, and the eyes of the defeated are rivoted on surviving teams as they battle onward. There is a sadness, too, for defeat is never palatable.

For the senior, there will be no tomorrow. For him, there are quite painful memories of a wayward pass, an unnecessary foul, a missed basket in the closing seconds of a tight ball game. There is, or should be, the gnawing thought that a little extra effort would have meant victory instead of defeat.

This is the lot of area teams. Northville, South Lyon and Novi all went down to defeat, the first two teams in class B and Novi in class C.

**Readers Speak**

**Say Kids Show Disrespect**

To the Editor:

Too many children of our community have little respect for the property of others. Late last week they demonstrated their disrespect again. They shot water at younger children, tossed water from chlorine bottles at older ones. Don't they know that someone could lose an eye? They damaged cars in the downtown area, splattered eggs against windows and broke oth-

ers. All of this forces up insurance rates.

Just what kind of kink do they get out of this stupidity? Don't parents care about where their children are and what they're doing anymore? When your child goes downtown don't you wonder what he does there? Is he the "nice" youngster you know at home? Please let us know.

JJS

By JACK W. HOFFMAN

"Yes sir, gentlemen, it's the most amazing new lure to come on the market in a quarter-century of research. And it's only a dollar. Imagine! Just two-half dollars for the best fishing in the world."

His melon-shaped head with its flapping ears bobbed and weaved methodically as the crowd bored in for a closer look.

"Fish can't resist it. It makes them mad; it makes them fighting hungry. Just try it and see if it doesn't catch you a trophy."

O! Melon Head had waved that lure in front of my nose for four years running and I'd chomped on it every time. It's the worst fish catcher in the world, but, lordy, it's the best sucker device invented by man.

"Wife, this year I'm just looking—not buying," I had insisted upon departing Sunday for the Sportsmen's Show over at Eight Mile and Woodward.

She rolled on the floor and laughed.

And then the kids laughed.

Their ridiculous show of confidence failed to win any appreciation from me and I left all the more determined to look and not buy.

I knew things would go badly as soon as Frank and I entered the auditorium. A shiver went up my back and my ears kinda shifted around to scoop familiar sounds. "Frank, let's look at the camping equipment first," I said, hoping to avoid the runway inhabited by hawkers of fishing equipment.

"Okay with me. But I don't want to miss seeing the new Shakespeare rods," he said.

I shouldered my way through the crowd, keeping my back towards a suspicious knot of people over near the water tank. "Wonder what they're doing back there?" I asked, nodding my head backwards while fixing my eyes on a new camper.

"Where do you mean?"

"Back there by the tank."

"Say, Jack, do you have a stiff neck?"

"Naw, it's just a little sore. It'll go away. Boy, there's sure plenty of room in that tent isn't there," I said changing the subject.

So we took in all the camping equipment, nibbled on popcorn, sashayed past the tourist section, watched the water show and then came, finally, to The Runway. There, as usual, were the rows of sparkling equipment that makes fishermen drool. We zipped through the aisle in remarkably good time, however, exiting without dropping a dime.

"Guess he's not here this year," I said to my friend.

"Who do you mean?"

"The guy with the round head... the one with those crazy lures."

"Yah, he's here. Didn't you see

him. Got him in a different place, though. Over there."

I shouldn't have asked because my eyes cartwheeled around automatically and there, just barely visible in a thick-et of people, was Melon Head.

Mesmerized, I watched it bob and weave and pushed myself in its direction.

"Why, hello there," he said, catching a glimpse of me. "Ladies and gentlemen here's a man who knows the value of a good lure. He's probably got the biggest trophy room around."

I smiled.

"He's here to get one to replace the one that a tiger ripped from his line last summer, I'll bet. How many do you want this year?"

"None."

"Caught all the big ones you want, eh?"

"Nope."

"Lose any of your lures last year?"

"Yep."

"Well, then, let's replace 'em with this beauty."

"Don't want any."

"Aha! You think I've got last year's lure here, eh? Not a chance! Look at this fellow. See how it works in the water. It wiggles. It jerks. It floats. Three different colors. One for breakfast, dinner and supper. They can't resist it."

Bang! I was hooked again.

Frank dropped me off at the house and I purposely forgot the lure, leaving it on the dash. Better that I pick it up later, I thought.

All went well until the phone rang an hour or so later. As luck would have it my wife answered it. "He did? Well, why don't you keep it Frank. I'm sure he really bought it for you."

Sixtieth Representative District (including city of Northville in Oakland county, Wixom and Novi): Clifford Smart, 555 West Walled Lake drive, Walled Lake, 624-2486.

Michigan Mirror

Daylight Savings Time Target: April 28

LANSING — A \$40 million new state Capitol building may become a reality in four or five years if legislators set the wheels in motion during this session.

sent capitol or getting along with present facilities.

Legislators cite overcrowded conditions, shortage of facilities, inadequate utilities and serious fire hazards as some justification for a new building.

the 90-year old structure to correct shortcomings.

Additional space needs would necessitate stripping the building to the walls and rebuilding from the inside, in addition to adding wings.

PROPOSED facilities and disposition of the old Capitol were also discussed by many of the lawmakers.

future Legislature decide the question.

Committee chairman, Sen. Garland Lane (D-Flint) noted, "It is possible that many of us won't be here by then"

year and will be in effect until the last Sunday in October, the 27th, when Michigan returns to Eastern Standard Time.

The issue will be decided at the polls this November. Voters will be asked whether they wish to continue Daylight Savings Time during the summer months on remain on EST all year.

Revenue from state and local taxes increased 96% over the decade 1957-67, the Michigan Department of Revenue reports.

Tax dollars collected from local property taxes increased 82%, but local income taxes levied by six Michigan cities pushed the figure to 92% over 1957 tax revenues.

State taxes show an even greater increase: 99% more revenue is flowing into Lansing from state-levied taxes than 10 years ago.

Each tax dollar is now divided into 79.29¢ for the Federal government, 11.52¢ for the state and 9.19¢ for local governments.

No matter how one views the figures, the conclusion is the same: taxes are taking a larger percentage from personal income every year.

Yet, unless demands for government services decrease, it is doubtful that the trend to higher taxes will reverse itself.

Roger Babson

World Ties Hurt by Language Barriers

BABSON PARK, Massachusetts — Communications and transportation developments continue to make our world smaller and to knit the whole human family into closer patterns.

munist China where many millions neither speak, nor understand, the official Mandarin but converse in other tongues such as Wu, Min, Hakka, and Cantonese.

In France, German is the dominant language in a number of the border towns, some of which, down through the centuries, have at times been under German rule.

contrast, Italy is fairly free of serious language troubles, Romans often have a time making themselves understood in places like Bologna and Naples.

DURING MUCH of this century, the English-speaking majority and the French-speaking minority in Canada have squabbled over language and its use in business, in schools, in parliament, and in courts of law.

with importing French culture into Flanders!

NOTHING so jars a tourist from the United States, proud of the title "American", as the term "North American" with which he is constantly greeted in Central and South America.

"Every language," wrote Oliver Wendell Holmes, "is a temple in which the soul of those who speak it is enshrined."

ALL OF THIS points up the fact that a second language, at least, is a must for American students of today.

But even if your children never do go to foreign lands knowledge of, and facility in, a second language will broaden their horizons and make them better and more useful Americans.

# Out of THE PAST

## 5 YEARS AGO...

...The city council set about preparing itself for "the big move" from the present Northville city hall to temporary quarters on Wing street while a new building was being built.

...A new dialing procedure to safeguard telephone users from accidentally misdialing long distance calls went into effect for Michigan Bell Telephone company. Under the new procedure, callers were asked to first dial the numeral '1'.

...The flow in Northville's historic well was down to a mere trickle, prompting Mayor A. M. Allen to instruct the city engineer to check the drastic reduction.

...Area municipalities adopted resolutions supporting Detroit's bid for the 1968 Olympics.

...The nervous teams plunged and reared through the first game of the district tournament as the Northville Mustangs nosed out spirited Howell, 46-42.

...A proposal to classify some 500 acres of Detroit-owned Maybury sanatorium property as 'surplus' and offer it for public sale was revealed by the Detroit planning commission.

## 10 YEARS AGO...

...The 13 candidates for the Novi village charter revealed why each was seeking election in the village election slated for March 17. The candidates were Philip Anderson, Hadley Bachert, Mrs. Guy Boatman, Russel Butten, Robert H. Davey, David M. Frid, Dirk Groenenberg, Herbert Koester, Bram LeButt, Archie L. Marsh, Dieron Tarrallian, Walter Tuck and Harry Watson.

...Novi was threatened by another court suit - this time over a proposed new drive-in theater near the northwestern shore of Walled Lake. Led by Robert Buffmeyer, owner of the Lakeside Packing House and of considerable property near the drive-in site, the delegation of opponents charged that the theater would lower property values, cause traffic congestion and be a poor business risk.

...Wixom's cub scout Pack 118 was declared the winners of the window display competition in the Ottawa District.

...Becky Coolman, Jim Hammond, Lillian Zinnecker and Charles Hix participated in the "Quiz 'em on the Air" show, finishing second to Fitzgerald high school. The four Northville students brought home a television set for their efforts.

## 15 YEARS AGO...

...The Northville city incorporation committee got a cold shoulder from the village commission when Dr. L. W. Snow, chairman, rendered his committee's formal report and asked for endorsement of its efforts to make Northville a city. Not only did Commissioner John F. Stubenvoll's resolution of endorsement fail to find a supporter among the other commissioners present, but his later "watered down" motion that commission except the city incorporation committee's report "with favor" also met with a similar fate.

...Gay Duerson of 21400 Meadowbrook road took top honors in the prose narrative division in the University of Michigan's annual Hopwood contest. Her "Two Short Stories" won a \$50 award in creative writing.

...Two Detroit men were arraigned by Justice of the Peace E. M. Bogart on robbery armed charges rising out of the attack and severe beating which they were charged with giving Peter Wall of Northville.

## 20 YEARS AGO...

...Northville residents prepared for the upcoming election in which Village President Forrest Doren was to battle challenger Conrad E. Langfield for the top post.

...Mrs. Russell Atchison accepted the chairmanship of the campaign against cancer. Assistant chairman was Mrs. Walter Couse.

## November 5?

# 'Home Rule' Vote Asked in Wayne

The question of whether to move toward home rule county government in Wayne county may be before the voters in the general election next November 5.

A policy advisory body of the county board of supervisors, the committee of chairmen of standing committees, recommended March 6 that the board of supervisors put the question on the fall ballot.

It is expected to take until some time in May to complete the technical studies which must be made before the board of supervisors acts.

The voters would ballot on whether to establish a charter commission to draft a proposed county charter. A partisan primary election would be held at the same time to select nominees from 25 to 35 districts for seats on the charter commission.

If the voters approved establishment of a charter commission, a final election to select its members would be held within two months. The charter commission would have six months to prepare a charter for submission to the voters.

A citizens committee, the Committee of 99, completed a year-long

study of the home rule question last month and recommended that the board of supervisors give the voters the opportunity to vote on the question "as soon as practicable."

The committee concluded that home rule would make possible "significant improvement" in the structure and functions of Wayne county government.

## School Loses Money

# Trailer Park Value Questioned in Novi

Trailer parks are not good school tax producers - at least that's the conclusion of Novi school officials who recently were given an analysis of two Novi mobile home parks by Superintendent Thomas Dale.

According to Dale's analysis, which was to be presented to the village council because some of its members have contended the two parks represent a large tax base in the community, the Novi school system actually lost tax dollars because of the two parks. Specifically, Dale contends that in one year the district lost \$22,730.71 in support of schools because of two parks, one located on Seeley road and the other on Haggerty road.

The Seeley road court reportedly has 40 Novi elementary pupils, 27 Novi high school students, and one Northville high school student, while the Haggerty road student population is seven Novi elementary, two Novi high school, two Northville high school and two Lutheran school students.

The tax loss, described by Dale, is based upon the following computations:

In the area of school operation - Cost for the park students for transportation (\$37.08 x 81) is \$3,003.48; for tuition (Northville's tuition rate of \$457.66 x 5), \$2,288.30; and per capital cost (Novi \$507.25 x 76), \$38,551. These costs total \$43,842.78. Less state aid

per child (\$199.50), the cost is \$28,680.78.

Property taxes from the parks, based upon the 18.63 total operational millage levy and the two parks' combined valuation of \$410,600, is \$5,337.49 for the Seeley and \$2,311.98 for the Haggerty. In addition to this income, the district receives \$3,953 from Seeley and \$981 from Haggerty through taxes on individual trailers.

Thus, concludes the analysis, the two parks produce \$12,583.47 in tax support for operation of the school, but because of the \$28,680.78 cost involved with school children of the parks, a net loss of \$16,097.31 is incurred.

In the area of debt retirement (payment for school buildings and property) - annual cost per child is \$125.10 and the total annual cost for 76 park children, \$9,507.60. Debt retirement income from the two parks, based upon the district's 7-mill levy and the park valuations, was put at \$2,005.50 from Seeley and \$868.70 from Haggerty for a total income of \$2,874.20.

Thus, cost exceeds debt retirement income by \$6,633.40, the analysis shows.

Total net loss for one year (\$16,097.31 in operation and \$6,633.40 for debt retirement) was put at \$22,730.71.

## With Our Servicemen

With U.S. Combat Air Forces, Vietnam - Staff Sergeant Burton D. Shoebright, son of Mrs. Helen M. Shoebright of 9751 Six Mile road is on duty at Cam Ranh Bay AB, Vietnam.

Sergeant Shoebright, an aircraft electrician, is a member of the Pacific Air Forces.

Before his arrival in Vietnam, he was assigned to Travis AFB, California. The sergeant attended Northville high school.

His wife, Joyce, is the daughter of Mrs. J. D. Everett of 49506 Oak street, Plymouth.

lived under simulated Vietnam conditions for five days, fighting off night attacks and conducting raids on "enemy" villages. He was taught methods of removing booby traps, setting ambushes and avoiding enemy ambushes.

Other specialized training included small unit tactics, map reading, land mine warfare, communications, and firing the M-14 rifle, M-60 machine gun and the 3.5-inch rocket launcher.

ARRIVING IN MOBILE...Northville's Pamela Smith was welcomed to Mobile, Alabama at a parade inaugurating the 11th America's Junior Miss Pageant. As Michigan's representative to the national pageant, Pam is one of 50 candidates, one from each state, competing for the honor of being selected the outstanding high school senior girl of 1968. Some \$46,500 in scholarships will be awarded to the top finalists including a \$10,000 scholarship to the new America's Junior Miss. Pam won statewide honors in competition sponsored by the Jaycees. The finals will be telecast in color over NBC (channel 4) from 10 to 11 p.m. Friday (See page 3).

## TV Focus on Movies

# Baby Jane's Coming Sunday

### THURSDAY

# State Basketball Finals Get Television Coverage

Television coverage of the state high school basketball tournament won't be as extensive as it was two years ago, but take heart. It won't be as bad as last year, either, when there was no coverage.

Coverage will be confined to a portion of the March 23 finals.

Channel 50 (WKBD) completed arrangements Friday afternoon for telecast of the afternoon finals at East Lansing - classes C and D. That's the word from Bruce Mayer, WKBD sales manager.

And channel 2 (WJBK) will televise the class A final in a three-hour delayed telecast. The game can be seen at 11:30 p.m. on March 23.

There will be no local coverage of the class B final, which is played Saturday morning.

Sam Nover of Channel 50 said no other high school tournament games have been lined up, as of Friday. Prospects are that no games, other than the two finals, will be shown over channel 50, he predicted.

If you have an extra-large directional antenna or an overwhelming yen to take a car ride, you can see all the games over WZZM, Grand Rapids.

Of course, there's always the chance of seeing the game live in Jennison Field House, that is, if you already have tickets. Officially, the finals were sold out long ago.

\*\*\*\*\*

## NCAA Finals Still Looking For Sponsor

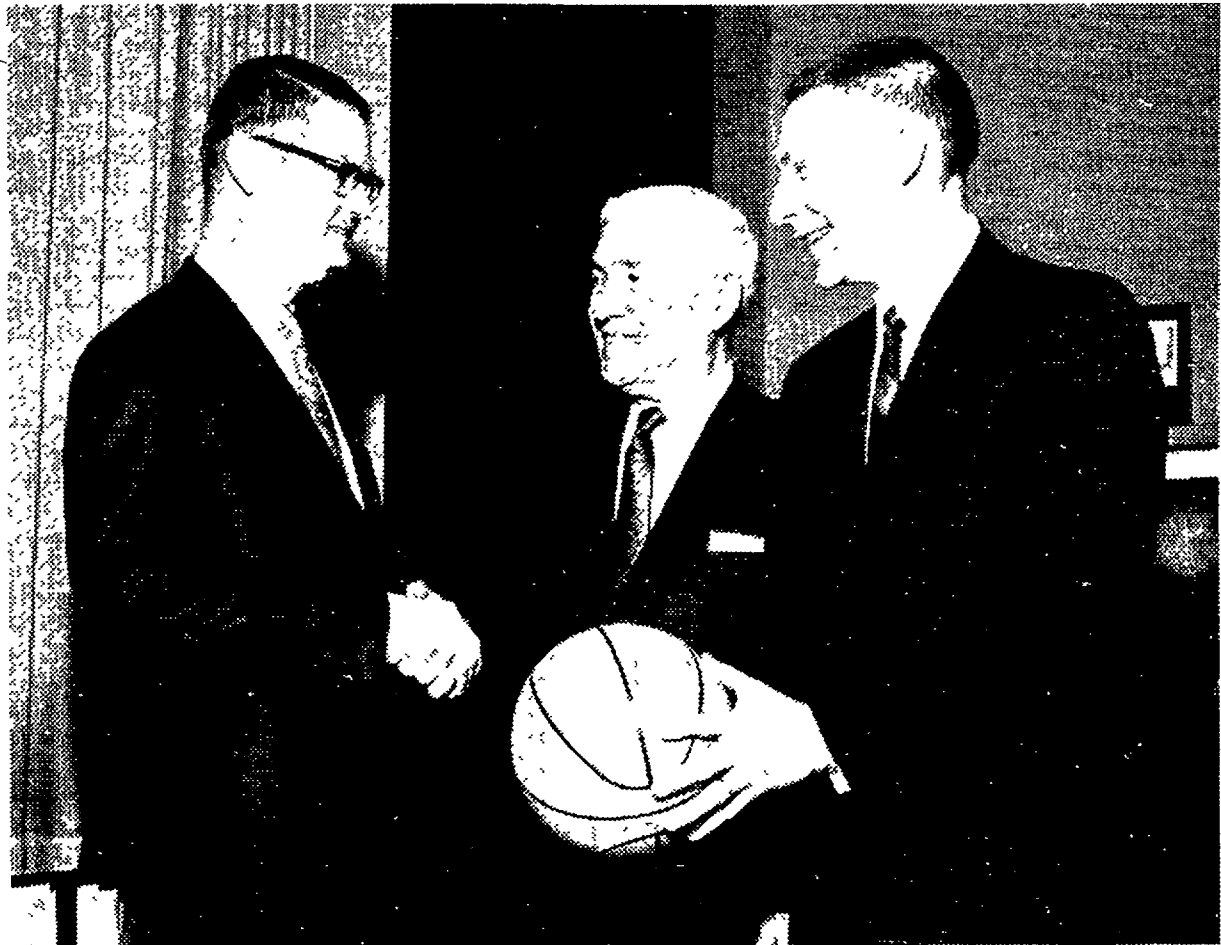

As of Friday, no arrangements had been made by any television station to carry the National Collegiate Athletic Association (NCAA) finals, although it has been carried in previous years.

There's always the possibility that the game will be picked up.

The National Invitation Tournament (NIT) finals can be seen over Channel 2 (WJBK), beginning at 2 p.m. on March 23, the same Saturday the state high school games can be seen over channel 50.

## Don't Bother Me

When someone is "too busy" to answer your question, it's almost a sure bet he doesn't know the answer.

Pictured sealing the pact for television sponsorship of the 1968 Michigan High School Athletic Association Class A final game are E. D. Fisher, vice president and publicity director of The J. L. Hudson Company, left; and Charles Forsythe, Michigan High School Athletic Association State director; and Assistant director Allen W. Bush. The Class A final will be played at the Jenison Fieldhouse in East Lansing, March 23. The game will receive state-wide television coverage.

## Operation: Entertainment

# It's OK With GI's

"Playing to an audience of servicemen is something you have to experience to believe," said Eileen O'Neill, one of the girls on ABC's "Operation: Entertainment," which airs from 8:30 to 9:30 p.m. on Fridays.

And most of the performers who have appeared on the traveling variety show agree with her. Comedian Norm Crosby was overwhelmed by audience enthusiasm on the aircraft carrier USS Constellation during the taping of the show which will be presented March 22.

"They are the greatest," Crosby said. "They make an entertainer feel 10 feet tall."

\*\*\*

Eileen, who was in "Burke's Law" for two years, has been with "O-E" since the Jan. 5 opener at Camp Pendleton Marine Base in Oceanside, Calif. She and the show have since played to airmen in Lackland Air Force Base, Tex., to GIs at Fort Hood, Tex., and to Navy personnel at San Diego and Coronado Island, Calif.

"When we arrive we look like a circus coming to town with all our gear," she said. "Most of the servicemen have never known anyone in show business. Even though there's nothing entertaining

about rehearsals, we always have an audience for these. All they see is some-

one singing a few bars and people milling about on the stage, but this doesn't discourage them. They all come back for the show and would stay all night if we kept going."

TWO SHOWS are taped at each stop. One is aired within a few weeks and the second is held for a later date.

Eileen O'Neill is a lovely part of 'Operation: Entertainment' seen Fridays at 8:30 p.m. on Channel 7.

**New Dimensions  
in Living for you**

# MEADOWBROOK LAKE

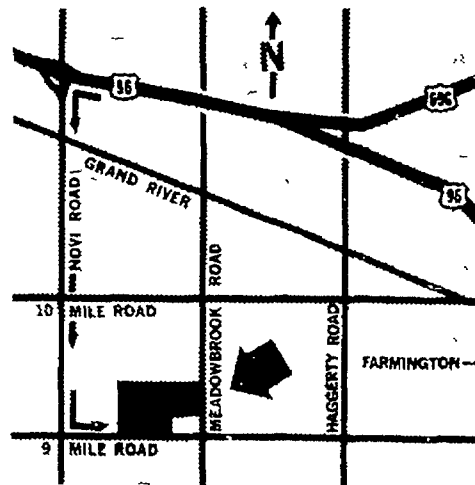

*A Thompson-Brown community  
created just for the joy of living*

Now you can enjoy the charming and delightful atmosphere of a lakefront community in an outstanding and convenient suburban location. This new dimension in living is available to you in Meadowbrook Lake, located just south of the I-96 Freeway in Novi, west of Farmington.

You and your family will enjoy nearby riding stables, harness racing at Northville Downs, sailboating, fishing, swimming and skating on Meadowbrook Lake

and at the many lakes that are close by. Golfing is available at several adjacent public courses. Residents have exclusive use of two community parks and a private beach area.

In addition to all of these opportunities, you'll find many lovely homes from which to choose, lake-front lots, paved streets, Detroit water and sewer system, and much, much more! Isn't it about time you visited Meadowbrook Lake? Drive out this weekend for sure!
