

Our Top Students — Charles Keegan and Diane Holdsworth

## Valedictorian Eyes A Dental Career

A potential dentist and a teacher share the top academic rolls of Northville's graduation class, school officials revealed this week.

Named valedictorian and salutatorian, respectively, are Charles Keegan, son of Mr. and Mrs. Edwin Keegan of 18725 Valencia, and Diane Holdsworth, daughter of Principal and Mrs. Fred Holdsworth of 46778 Grasmere.

Charles, 17, who attended Our Lady of Victory elementary school before entering the high school here, earned a grade point average of 4.121, which is an A plus average. He was able to earn the exceptionally high average through the high school's accelerated course program.

Diane, 18, who attended Mott high school in Warren before entering Northville high school as a junior, earned a grade point average of 4.00—a straight A average.

Charles plans to enter Central Michigan university where he will study either to become a dentist or a teacher, and Diane will enroll at the University of Michigan next fall to become an elementary teacher.

Both seniors are active in school organizations. Charles is a sprint star in track, was active three years in wrestling, and is a member of the National Honor Society, the student council, and the Varsity club. Diane is treasurer of the Library club, National Honors Society, Future Teachers association, and participated in Spring Forensic and in debate.

During the summer, Diane works with the Northville Recreation department and Charles is employed by Dr. Thomas Heslip, veterinarian.

Charles has two younger brothers and two younger sisters, and Diane has two younger brothers and one sister.

## City Defends Rates For Detroit Water

Broad accusations by the Detroit Water board that some suburban communities are using water revenues to finance non-water and sewer department services have brought denials from Northville officials.

City Manager Frank Ollendorff, with authorization by the council, has suggested that local citizens inspect the city's financial records to satisfy themselves that the accusations do not fit Northville.

The manager said he will be in his office on Thursday evening, April 25, at 7 p.m. for the specific purpose of opening city records to the public and to answer any questions citizens may have about water rates here.

The Detroit Water board, in arguing against proposed state legislation regulating its water rates, recently charged that it is the suburban communities which use its water that should be regulated since they overcharge their customers to finance other community projects.

According to Ollendorff, the water and sewer department is currently "running in the red", that last year it ended with a deficit, and that water and sewer department revenues here are used only for expenditures within that department.

The water and sewer department currently "owes" the general fund some \$20,000 that was transferred to meet expenses, the manager noted. Hopefully, the department will close the current fiscal year with a balanced budget, he said.

Of the total water department budget of \$95,210, some \$55,000 is paid to Detroit for its water and the remainder is used to bring water into houses, maintain 17 miles of pipe, read 1,640 meters four times a year, send out more than 5,800 first and second billings per year, pay department employees, make payment on the water tower debt, and repair and purchase meters, purchase pipe, etc.

## During Michigan Week

### Industrial Exhibit Planned

A display of products manufactured or grown in Northville will be held here in conjunction with a four-day Michigan Week exhibit, officials of the Northville Jaycees revealed this week.

Scheduled for Monday, May 20 through Thursday, May 23 at the community building, the exhibit also will feature displays by most of the clubs and organizations within the community.

"In addition to these," said James McCarthy, project chairman for the Jaycees who are assisting Michigan Week Chairman Jack Hoffman, "we're inviting residents of our community who manage or own companies elsewhere to display their products as well. Typical of these will be a major aero-space exhibit by the Bendix corporation."

Display of locally made or grown products is being arranged by the Northville Chamber of Commerce and its president, Dempsey Ebert. The Jaycees are coordinating those displays involving clubs and organizations and those involving firms outside the community where local residents hold key

positions. "Our purpose in sponsoring this exhibit," explained McCarthy, "is twofold: We want to focus the state's attention on Northville as a community for economic opportunity; and we want our own citizens to know of the important roles that our industries, businesses and our citizens are playing in the economy of the community, state and nation."

Plans call for special day-time tours of the exhibit—by appointment—involving Northville's public and parochial school students. Conducting the tours will be members of the Jaycees. Teachers wishing to take their classes are asked to begin making arrangements now.

The exhibit will be open during the evening hours for adults.

Among the clubs, organizations and institutions which have already indicated they will sponsor displays are:

Base Line Chapter of the Quakers Antique Society, Girl Scouts, Boy Scouts, King's Daughters, Northville Branch of the Michigan Farm and

## R. D. Merriam Suffers Stroke

### Curfew, Legal Snag Snarls Bus Purchase

Northville Township Supervisor R. D. Merriam was reported in "very critical" condition at St. Mary Hospital following a stroke early Wednesday morning.

The township's chief executive was rushed to the hospital at about 6 a.m. Officials at the hospital said his family was present at the hospital.

According to the supervisor's physician, Merriam suffered a "massive stroke," Doctor Roger Ajluni reported at noon Wednesday that Merriam has been unconscious and "totally unresponsive."

Merriam, 70, is serving his third term as the Republican supervisor of the township. He was last re-elected in November of 1966.

Previously, he was employed by the Wayne County Road Commission for 40 years and was engineer in charge of bridges, structures and expressways when he retired in 1963.

He lives with his wife at 18910 Beck road. They have three married daughters, who live in Michigan, Ohio and Florida.

## Novi Village Missile Site Still Possible

The Army's search for a nuclear antiballistic missile base in this area apparently is not dead.

Unofficial "feelers" by the Boeing Aircraft company, prime contractor for the Army, recently were extended to both the Lyon township and Novi communities.

Novi Village Manager Harold Ackley told this newspaper that the matter has been cloaked in secrecy since November and that he has been given little information relative to the site selection process.

The village was questioned recently, he said, about the availability of sewer and water in the area north of 10 Mile road between Taft and Novi roads. "That's all I've heard about it" since the army disclosed late last year that Novi and New Hudson (Lyon township) were two of six sites in the metropolitan area being considered for the missile base, he said.

Northville's school business manager said he has "heard unofficially" that a five-acre site north of 10 Mile road is being considered. It does not include the area opposite Conemaug subdivision where Northville's board of education is contemplating site acquisition for a future school, he said. Part of the area north of 10 Mile road is located in the Northville school district.

General Melville Coburn, in announcing the Army's plans last November, said the manpower involved in manning the proposed missile base would be sufficient to mean about \$2 million a year to the economy of the area where it is housed.

Specifically, the missiles involved in the system are the Spartan, which will intercept targets outside the earth's atmosphere at a range of several hundred miles, and the Spring, which will intercept those inside the atmosphere at ranges of 15 to 25 miles. Both are armed with nuclear warheads.

Among the other communities ringing Detroit which are reportedly being considered for the proposed missile base are Dearborn, Grosse Ile, Springfield township and Waldenburg.

Curfew restrictions and a legal snag entangled the Northville board of education last week as it tackled a relatively short agenda.

Originally scheduled for last week Monday, the meeting was postponed because of the curfew until Wednesday evening at which time a technical irregularity forced the board to meet briefly again Friday evening.

The Friday meeting resulted because action Wednesday to purchase-lease three new school buses was found to be illegal. With several members missing Wednesday, the board voted 3-1 to purchase the buses. Trustee Andrew Orphan, who suggested the action be delayed and who cast the dissenting vote, later advised the board that the action required an affirmative vote of a majority of the seven board members—not a majority of those present.

Meeting again Friday, and with more members present, the board voted 4-2 in favor of the purchase, thus legalizing the action. Orphan was joined by Secretary Glenn Delbert this time in voting against the measure.

Neither Orphan or Delbert opposed purchase of the buses, but rather they opposed the inclusion of automatic transmissions for two of them at a total additional cost of some \$1,500.

Those taking an affirmative stand joined with Business Manager Earl Busard, who recommended the automatic transmissions for safety, convenience, morale of drivers, and for development of an "experience factor" within the district. He noted that the conventional transmissions of 12 of the school's 14 buses have had to be replaced.

Busard pointed out that since most drivers are women, automatic transmissions would make their jobs easier and encourage other women to become drivers who might not otherwise be inclined to do so.

Orphan and Delbert took the position that automatic transmissions will increase the school's operational and maintenance cost and perhaps create friction among drivers who drive conventional buses, and that automatic transmissions represent an unnecessary luxury at a time when the district faces a financial problem.

Cost of purchasing-leasing the bus chassis, in connection with the district's lease-purchase agreement with the McFadden Corporation, is \$8,948.20 for the two 66-passenger buses with automatic transmissions and \$3,170.50 for a 48-passenger bus with a conventional transmission. The chassis contract was awarded to John Mach Ford, low bidder of five companies. Bodies

for the buses are furnished by McFadden.

The 48-passenger bus is to replace the bus that last week was damaged in a freak accident at the high school. Although the damage was first reported as minor, closer inspection revealed a seam split along the top of the body. Initial estimated cost of repair to the body alone was put at \$1,250.

The board also unanimously approved the purchase of two stake trucks from Mach at a cost of \$2,159.55 each. Mach was the low bidder of three Northville automotive agencies.

Other action by the board included:

--Release of Keith Berkeley, former Amerman principal, from his leave of absence obligation;

--Granting a leave of absence to high school counselor Donald Brown for the purpose of full-time study;

--Acceptance of resignations, effective in June, from Mrs. Judith Stouder, Mrs. Betty Knapp, Mrs. Kathryn LaPointe, and Mrs. Susan Sytsma, all of the junior high school staff, Mrs. Rebecca Muller of the high school, and Miss Sandra Finn of Moraine.

## Rotarians Bubble

### Driller Strikes Water at Spring

The rhythmic clang of metal against metal signalled the sinking of a new well at Northville's historic spring Monday and by Tuesday afternoon the tune switched to even prettier music—bubbling water.

"We hit water—lots of cold, good water," chorused Jan Reef and Carl Johnson, co-chairman of the Northville Rotary club's committee on restoration of the spring.

## Easter Seal Goal Topped

Northville's Easter Seal 1968 campaign contributions topped the community's goal of \$1,200 by more than \$200, campaign officials of the sponsoring Northville Rotary club announced this week.

Contributions of \$673.41 in the recent street sale of miniature lilies did the trick. Those contributions, together with \$425 in general mail receipts and \$347 from special solicitation produced a total of \$1,445.41.

Selling the lilies on downtown streets were Rotarians and members of the high school N-club.

Funds help support the activities of the county crippled children's center.

SPRING BOOSTERS—On hand as the driller, Wayne McBride, started his search for water, Mayor A. M. Allen joined with Rotarians in an informal 'let's have water'

ceremony. They are (l to r) Carl Johnson, Mayor Allen, Richard Lyon, Jan Reef, Rev. S. D. Kinde, and Kenneth Rathert.

# about Women and the family

## Elementary Pupils Ready for College

Eleven young students from Northville's three elementary schools, all winners in their own school's creative writing projects, will participate in the Young Authors' conference to be held at Oakland university April 22.

Under the direction of Mrs. Ann

Chizmar, Mrs. Marian Petrock and Mrs. Betty Sellers, reading consultants at Amerman, Main and Moraine schools, respectively, students in second through fifth grades last month wrote original compositions in each class with the children themselves selecting the best.

Final contestants from each school then were selected to attend the workshop conference.

Amerman school winners were Lynn Spencer and Tom Carr, both third graders; Patricia Brown, fourth; and Cindy Carr, fifth. Runners-up were David White, second; Kim Curtner, Cynthia Slessor and Kurt Stevens, third; Susan Elsele, fourth; Janice Nyquist and Paula Caracolo, fifth.

A student from each grade was selected at Moraine to attend the conference with Miss Carol Arnold. They are Jack Stabenau, second; Jeanette Kalota, third; Mary Joyce Marburger, fourth; and Susie Evans, fifth.

Winners from Main street elementary who will attend the conference with Mrs. Sellers are Barbara Kindberg, third grade; Nancy Anderson and Bill Bloomhuff, fourth graders.

Main street youngsters attending the conference will share their experiences with the many other "young authors" at Main street school afterward, Mrs. Sellers reported. "Recognition ribbons" will be presented to authors of the many outstanding stories and poems written this year.

## Kings Mill

An Easter egg hunt last Saturday afternoon was a weekend highlight for the under-12 residents of Kings Mill Townhouses.

Last Wednesday the youngsters had an egg-coloring party. Prizes Saturday were awarded to those finding the brightly colored eggs.

At present called the Tweeners but considering a name change, the under-12 group has activities planned by the Kings Mill Mothers' club. Mrs. Spencer Rush is president of the mothers' group. Yesterday the mothers were scheduled to have their first social activity, a luncheon at Hillside Inn in Plymouth.

Townhouse residents will have their first bridge and pinocle card party at 7 p.m. Sunday, April 21, at the clubhouse, Miss Betty Palm, social director, announced this week.

TINY WICKER BASKETS filled with bright flowers will decorate the tables at the King's Daughters benefit luncheon-bazaar April 25 at Northville First Methodist church. Arranging them are, from left, Mrs. Harold Marks, co-chairman, Mrs. Oscar Hammond, leader-elect, and Mrs. Douglas Bolton, co-chairman. Groups with limited

lunch hours will receive special consideration, Mrs. Douglas Bolton, general chairman, announced, if they make advance reservations. Tickets are available for the KD's largest money-raising event of the year from Mrs. W. H. Cansfield or Mrs. C. Harold Bloom, or any member.

ARBOR WEEK—As Mrs. L. M. Eaton of Northville's Beautification commission looks on, Mayor A. M. Allen signs the proclamation officially designating next week as Arbor Week in Northville. Mrs.

Eaton joined with the mayor in urging that citizens of the community beautify their community, neighborhoods and homes by planting trees. They remind citizens that Northville's official tree is the flowering crab.

## In Our Town

By JEAN DAY

SEVEN ORCHIDS replying in Northville refrigerators last week were reminders that the best laid schemes of mice and men "gang aft a-gley." And the initial plans made by Mrs. Donald Ware and her committee for the debut of Overture to Opera in Northville were among the "best laid." However, even before the emergency curfew ended, efficient Mary Ware and her co-workers had rescheduled the event for Saturday, May 4, at the high school.

Ticketholders for Overture and the afterglow are asked to keep their tickets as they will be used for the rescheduled events. Now, however, the champagne buffet afterglow will be in the main ballroom of the Mayflower hotel in Plymouth.

"MADE OF energy" is the way one committee worker admiringly described Mary Ware who, after she completes her Town Hall hosting duties today, will be checking arrangements for the King's Daughters luncheon-bazaar for which she is luncheon chairwoman next Thursday, April 25, at the First Methodist church.

TOWN HALL officers for next season are being announced today by Mrs. Robert Brueck. As composer-lyricist Richard Adler brings to an end another successful TH season under sponsorship of Our Lady's League of Our Lady of Victory church, Mrs. Brueck will be turning its chairmanship over to another Ann—Mrs. Robert Lang. Working with Mrs. Lang on arrangements for the 1968-69 season will be Mrs. Nelson Hyatt, vice-chairman; Mrs. Duane Butler, treasurer; Mrs. Donald Hannabarger, recording secretary; Mrs. Claude Crusoe, corresponding secretary; and Mrs. Brueck and M's. William R. Slattery, advisory board.

Chairmen for next season's TH committees are Mrs. Philip Wegeng, advertising and program book; Mrs. Eugene Karrer, printing; Mrs. Fred Luck and Mrs. Orson Atchinson, luncheon and theatre hostesses; Mrs. Claire Ronk and Mrs. Donald Ware, luncheon reservations; Mrs. William Tucker, tickets; Mrs. Robert Coolman, publicity; Mrs. C. Harold Bloom and Miss Ruth Knapp, mailing; Mrs. Roy Mattison, historian; Mrs. Butler, Mrs. Tucker and Mrs. Mattison, finance.

WOMAN'S CLUB president, Mrs. Blake Couse, already is spending hours making plans for the club's 76th year—even though the first meeting is almost six months' distant.

As a second generation member of Northville Woman's club, Carol Couse feels a strong responsibility to the club which was founded in an era when a member had to be brave enough to walk miles to a meeting at which she would discuss events beyond the home.

Mrs. Couse's mother and mother-in-law both were Woman's club members with Mrs. Walter Couse serving as president in the 1940's. Committee chairmen named by Mrs.

Couse are Mrs. C. H. Bryon, civic improvement and federation; Mrs. H. A. Boyden, membership; Mrs. C. Harold Bloom, nominating; Mrs. W. L. Howard, scholarship; Mrs. E. O. Weber, house; Mrs. Donald Schwendemann, reservation and transportation; Mrs. Richard Huston, social; Mrs. C. C. Teasel, flowers; Mrs. H. O. Evans, music; Mrs. John Stuyvenberg, press; Mrs. E. M. Starkweather, custodian and historian.

NORTHVILLE MOTHERS' club also had to cancel a guest night meeting and speaker when the curfew extended to April 8. Plans to hear Robert Forman, director of alumni activities at the University of Michigan, were cancelled for this season as too few meetings remain to reschedule.

The club will hold a business session at 8 p.m. Monday, April 22, at the home of Mrs. Walter Gall, 16441 Homer, Plymouth. Co-hostesses will be Mrs. Glenn Deibert and Mrs. Kalin Johnson. Plans are to be completed for the barn sale May 4.

STAY-AT-HOME members of Meadowbrook country club this week can pretend Saturday evening that they are spending "April in Paris"—that's the theme of the spring dinner-dance April 20. Dave Farley's orchestra will play.

WHILE Easter school recess is taking many, many Northville residents out-of-town, others already are returning with tans to prove they've been to sunny climes.

Back from the Spanish Costa del Sol on the sunny Mediterranean are Mr. and Mrs. Douglas Straith, now of Echo Valley apartments, and Mr. and Mrs. Laurence Hill, former Valley road residents now living in Plymouth.

The quartet landed in Malaga, Spain, and went on to Torrelmelinos. They were joined by the Straiths' son, PFC Russell Straith, who is attached to the Seventh Army in Baumholden, Germany. He has been overseas since

## Girl Scouts Cheer Soldiers

Northville Girl Scout troops, with the cooperation of VFW Post 4012, are bringing a little cheer to servicemen in Vietnam.

With the VFW post financing the project, the scouts are bargain-hunting for gifts which they then pack in boxes and mail to Vietnam.

Servicemen who receive the packages are from Northville and adjoining communities. Not all of them are members of the post.

According to Bill Durham, junior vice commander of the post's youth activities and community service committee, explains that the girls work from a list of names and addresses supplied to them.

"They are still adding to the list," he points out, "as they receive additional names. Currently, they are working on the second batch of packages to be mailed."

Participating are junior, senior and cadette scouts.

## Announce Engagements

Pamela Jean Burznski and Roland E. Muirhead are engaged as announced by her parents, Mr. and Mrs. Chester Burznski of Wyandotte. His parents are Mr. and Mrs. Roland J. Muirhead, 7250 Angle road, Salem.

The bride-elect is a 1966 graduate of Roosevelt high school. Her fiancé is a 1966 graduate of South Lyon High school. Both are attending classes at Ann Arbor Practical Nurse Education center.

No wedding date has been set.

Mr. and Mrs. Richard Myron Stone of 1351 Linden, Plymouth announce the engagement of their daughter, Cathy Elizabeth, to Timothy Mark McIntosh, son of Mr. and Mrs. Earle Walter McIntosh.

Miss Stone is a student at Central Michigan university as is Mr. McIntosh. He is affiliated with Phi Sigma Epsilon national fraternity.

The wedding will take place on August 31.

## What's Cooking

At Northville High School

Following is the Northville high school menu for the week of April 22 through April 26:

Monday—Hot pork sandwich, mashed potatoes, buttered corn, apple muffin and butter, peaches and milk.

Tuesday—Doggie in blanket, potato chips, relishes, orange pudding cake, milk.

Wednesday—Meat pie, cherry molded salad, biscuit and butter, lazy daisy whip, milk.

Thursday—Meatloaf and gravy, mashed potatoes, buttered green beans, rolls and butter, pears, and milk.

Friday—Toasted cheese sandwich, tomato soup, cabbage, apple, salad, hot ginger bread and whip cream, and milk.

Featured in the soup line will be chicken noodle on Monday, beef vegetable on Tuesday, bean on Wednesday, split pea on Thursday, and mushroom on Friday.

**APPOINTED**—Mrs. Donald Schlack has been appointed regional chairman of the United Foundation Recruitment Corps, including the communities of Novi, South Lyon, Commerce and Farmington. She was appointed to the post by the Oakland County Chairman, Mrs. Webster J. Owen.

## News Around Northville

To celebrate Easter vacation Misses Cathy and Ann Lockwood of 201 North Rogers entertained twelve guests from the neighborhood at a luncheon Tuesday. They are the daughters of Mr. and Mrs. J. Bruce Lockwood.

Librarians of Northville and Novi remind citizens of the two communities that next week is Library Week. "If you are not already a regular patron of your library, Library Week is a good time to get started." Both community libraries are well stocked with books for both adults and children. Theme for Library Week is: "Be All You CAN Be."

Cub Scouts of Den three, Pack 721 decorated Easter eggs for two patients in St. Mary Hospital. And at a recent pack meeting, the cubs surprised their den mother, Mrs. William Nuotilla with gifts for a new baby—a cub scout, they hope.

Base Line chapter, Quarters antiquities society, will meet at 1 p.m. Monday at the home of Mrs. Ernest

H. Wood, 41849 Eight Mile road. Mrs. George Miller will present a paper on Godey's ladies book—the first woman's magazine in the United States.

Walter Hammond, 511 North Center is recuperating at home following a weeks stay at Ridgewood hospital for surgery.

Senior Citizens will meet Tuesday evening, April 23 at 6:30 in the Presbyterian Church hall for a cooperative dinner and social hour.

## BIRTHS

The Herman Moehlman's two excited sons were presented with a baby sister last week as their mother (Barbara) gave birth to a tiny, 5 pound, 10 1/2 ounce baby on Monday, April 8 at Sinai Hospital.

Named Cheryl Lynn, the baby's happy brothers are Philip Mark and Steven Edward. Their father is an attorney in the Northville law office of Clifton Hill.

## Cancer Foundation Sponsors 2 Films

Films on breast cancer will be shown Tuesday, April 30 at the Penn Theatre in Plymouth as part of be-informed publicity campaign conducted throughout the month by the Michigan Cancer Foundation.

April is Cancer Control month. Free of charge, the films will be

## Our Town

Continued from Page 2-A  
the first of the year.

Before returning, the senior Straiths and the Hills spent two days in Tangles, where they visited the old native Kasbah section.

Easter Sunday the Straiths were dinner hosts to their other sons and their families, the Ronald and Alan Straiths.

Mr. and Mrs. H. O. Evans and Mr. and Mrs. William Davis vacationed last month in Arizona and California. On a sixteen-day holiday, they flew first to San Francisco, then going to Yuma to visit Mrs. Davis' mother. They also vacationed in Phoenix and Tucson where they saw the Evans' son, Steve, who was in Arizona with the University of Michigan varsity basketball team on spring training. On his return, Steve was tapped by Sphinx, campus honorary society for athletes.

The E. O. Webers returned last weekend from a few days' sightseeing in Philadelphia. Mrs. Weber, Carol and Karl flew there Thursday to join Mr. Weber, who was in the East on business.

Mrs. Charles Ely and Mrs. George E. Miller are just back from a quick trip to Florida. They flew south to visit Mrs. Ely's mother, Mrs. Paul Tank in Venice Gardens. She returned with them and now is visiting the Elys.

Since early spring Mrs. Richard T. Martin has been on-the-go. Rhoda and Dick Martin and Miss Betty LeMaster flew to Hawaii where they visited Honolulu and island-hopped, returning to spend several days in San Francisco.

Then Mrs. Martin and son Frank made a quick trip to Ithaca, New York. Frank, a student at Cranbrook, and his brother, Rick, who is at Bradley in Peoria, Illinois, both were home for the Easter weekend.

presented at 1:30 p.m. for women throughout the Plymouth, Northville, South Lyon area, under the direction of branch chairman Mrs. Lewis Dely of Plymouth, Mrs. E. C. Kelly of Northville, and Mrs. James Lee of South Lyon.

The films are Breath of Fresh Air and A Habit for Life.

Importance of the films is obvious, the chairmen point out, because of the fact that more than 28,000 persons in American will die of breast cancer, 14,000 of cancer of the uterus.

"Cancer deaths continue to rise, in spite of the progress being made in research laboratories and education of the public in the importance of early detection," they point out. "One note of optimism, however, is in the fact that the death toll due to cancer of the uterus has been reduced more than 50 percent over the past 25 years due, physicians believe, to the fact that American women have been made aware of the Pap Smear test and that doctors have made it practically a routine procedure in every female physical examination."

According to Dr. Robert J. Hornbeck, Cancer Crusade chairman for Western Wayne county, "we can do much to reduce this staggering toll in human life by stressing the importance of early detection and impressing on the people of this community the need for regular physical check-ups."

Mrs. Robert Hudson, public education Crusade chairman for Wayne county, will be introduced during this program. Also on hand will be a local physician.

## Garden Clubs Plan Luncheon

The annual spring luncheon of the Northville, Plymouth and Rosedale branches of the Michigan Farm and Garden association will be held on Tuesday, April 23 at Lofy's restaurant in Plymouth.

Guest speaker for this 30th annual tri-club luncheon will be Umberto H. Formichella, director of the international headquarters, Transworld Florists.

Hosting this year's luncheon is the Rosedale Garden Club.

Members of the Northville Garden club may obtain tickets by calling Mrs. Douglas Straith, 477-8549.

### 1-Card of Thanks

I wish to express my thanks to everyone who remembered me with cards, gifts, and visits during my convalescence after my accident. I especially wish to thank Rev. Morrell for his cheering visits; the Masonic Lodge #319, and the Good Will Class of the Methodist Church.

James M. Walker H16p

We wish to take this opportunity to thank all the people in the area for their patronage during the past 3 years. We have made many new friends and it was a pleasure to serve you.

Jackie and Bill Carey H16p

## Jailed Man Sent To State Hospital

A Northville man who damaged a jail cell at the Northville Police station Sunday was committed to Northville State Hospital under 48-hour court commitment provisions after Officer Lawrence Towne found the man making a noose in a rope. The rope was braided from narrow strips torn from a blanket.

Taken into custody last Sunday forenoon, after reportedly threatening the proprietor of a Northville bar with a knife, Benjamin R. McLain of 157 East Main street may face other charges stemming from incidents in the downtown area.

McLain first came to the attention

of police about 10 a.m. Sunday when Towne responded to a call that a man had taken an ax from the C. R. Ely & Sons hardware department.

The officer later observed an ax resting against the entrance of a bar on Main street. Learning that the proprietor had given McLain a few hours work to earn money for food, Towne took the ax to check its identity. He returned to the bar in response to a call that the proprietor was under threat of assault with a knife.

According to the police report, McLain was taken into custody at the rear of the building during an altercation in which he was threatening the life of the bar's proprietor.

Jailed at the police station, McLain was later committed to the hospital after he damaged furnishings in his cell and was found with the braided rope fitted with a noose.

Damage to the cell included a bed torn from its mounting bolts, which were anchored in the concrete floor, a metal ventilator torn into several strips, a metal grating covering a floor drain reduced to fragments, and the rope braided of narrow strips torn from a blanket.

## Mum's Word On Reserves

Mums the word out of Livonia's 424th Personnel Services company of the United States Army Reserves, which has been alerted for possible active duty on May 13.

Company officials declined this week to disclose any information about President Johnson's mobilization order which reportedly affects only the 424th in Michigan. They declined, too, to disclose names of soldiers in the 424th who might live in the Northville-Novl area.

An estimated 150 men are involved. According to one source, the alert "only means that our training will be stepped up under the selective reserve forces program - from 72 paid drills a year to 96 paid drills."

The unit was already receiving more training than the normal 48 drills for a reserve outfit.

Captain Edwin Duda is the commanding officer.

## VFW Honors Local Men

Northville VFW Post 4012 has the distinction of having two members who recently were honored with national appointments.

Ray Paquin, post commander, made the presentation of National Aide-de-Camp to Bill Durham, junior vice commander. This was a special appointment made on the recommendation of the department commander of Michigan.

Subsequently, Paquin also made a presentation of National Aide-de-Camp Recruiting Class to Bill Widmer, senior vice commander. He was tapped for the honor for having recruited 50 new or re-instated members for the post.

Both appointments are honor offices. They were conferred by National Commander-in-Chief Joseph A. Scerra, who will be the special guest of the post on Saturday at a breakfast given in his honor by post members and the auxiliary.

**SPRING FOOTBALL?** Not at all. It's just one of the flashy maneuvers played by a few of the many youngsters who turned out Saturday morning for the annual Easter Egg hunt sponsored by the Northville Jaycees.

## Youths Await Sentencing

Sentencing of two young men involved in a theft at the Clark gas station, 510 South Main street, last November has been set for May 28 in Wayne county circuit court.

Pleading guilty of reduced charges of attempted larceny before Circuit Court Judge Nathan Kaufman on Thursday were Scott A. Anderson, 20 and Michael K. Mills, 18, both of South Lyon. Charges against a third youth, James F. Burnett of Livonia were dismissed.

The youths originally were charged with unarmed robbery.

Apprehended minutes after theft from the station by Northville Township Constable Melvin R. Mitchell and Officer Ronald Nisun, who heard an alert broadcast by the Wayne county sheriff's department and city police, the youths reportedly beat the station attendant, Theodore Mills, and removed some \$35 to \$40 from his pockets and the coin changer.

## Teens Pinched For Theft Rash

A number of recent car thefts and cases of breaking and entering have been cleared up and a 14-year-old Northville girl and a 16-year-old Plymouth boy are in custody of juvenile authorities in connection with the crimes.

Northville Police Chief Samuel Elkins reported that disposition of the boy's case involves agencies of several nearby counties and it appears that he will be sent to the Boys State Training Home from another county's jurisdiction. Disposition of the girl's case is not yet complete.

Elkins said that the developments have closed case reports on a number of car thefts from local residents as well as several breaking and enterings.

## Thief Admits Novi B & E

A breaking and entering at the Condeco company's plant at 44455 Grand River was solved a few hours after it occurred when a Birmingham man surrendered to police Sunday and admitted the theft of electrician's tools valued at about \$2,000.

According to Novi police, the plant was entered through a rear door shortly after midnight Sunday. Larry Rogers, a supervisor at the plant, discovered the entry about 7:30 a.m. Monday. Tools and toolboxes belonging to workers were missing.

Later Monday morning, John R. Francois, 24, Birmingham, surrendered to Farmington police, who notified Novi police. Francois was arraigned before Justice Emery Jacques on a larceny charge Monday forenoon. He pleaded guilty and was released on \$500 personal bond.

Most of the tools removed from the plant were recovered.

## Fire Sparks Investigation

Northville police and firemen are continuing their investigation of a fire Friday at 226 Linden street which destroyed a bed and caused minor damage to an upstairs bedroom. A possibility of arson is evident, police said.

Defeats South Lyon, Holly

# Mustang Nine Eyes Third Straight Win

With two games and two wins behind them Mustang Baseball Coach Dick Willing and his team will try to make it three straight when they go to West Bloomfield this afternoon for a contest that could bear heavily in determining the league champion.

Willing, in his first season as varsity baseball coach, is making it known that he and his boys are out to give the league's big traveling trophy a per-

manent home by putting the Mustang name on it as champions for the third time.

In the season opener at South Lyon last Wednesday, the Mustangs came home with a 2-0 win after a sixth-inning surge broke up a fine pitchers' battle between Northville's Bill Skelly and the Lion's Larry Roper. Skelly set the Lion's down with one hit.

At home Monday, Willing found an

answer to one of his questions about prospects for this season when Sophomore Pitcher Fred Holdsworth, making his first start, went the distance as Northville took Holly 6-4 to gain their first league win.

The question the coach faced was whether he could keep Dennis Primeau at shortstop for the fielding and hitting strength Primeau could supply there, or would he need him on the mound, where Primeau won recognition last year.

After watching Skelly and Holdsworth go the route with winning performances, Willing said he feels he has the pitching strength in Skelly, and Holdsworth, with perhaps some service from Primeau to stand the rigors of a season that shortly will see the Mustangs playing three games a week.

Willing remains confident that better things lie ahead in the hitting department than the first hit total production for the first two games.

"In both games we faced slow stuff," the coach said. "The timing was a little off; we were out in front of the ball a bit, getting several hard-hit foul balls. But this should solve itself as we play more games."

The Mustangs have had good run production from the hits. In the South Lyon game, two of the Mustangs three hits came in succession in the sixth inning to provide the winning two-run margin. With Skelly on second after a two-base outfield error, Centerfielder Terry Mills came through with a triple, to drive in the first run of the season. Doug Anglin followed with a clean

single through the box to score Mills. In Monday's game with Holly, two of the Mustang's five hits were home runs and one a triple with each coming with a man on base.

Primeau hit the first home run of the new season, a third-inning drive over the left-field fence that scored Anglin who gained first base via an

error. In the fourth, Anglin greeted a Holly relief pitcher with a homerun over the fence in right center, scoring Terry Mills from second.

Joe Donner accounted for run number five with a three-base drive down the right field line in the fourth that scored Primeau, who had walked to first.

The sixth and final run came in the sixth inning. Randy Pohlman walked, stole second and third, and crossed the plate on a sacrifice fly from Donner.

In the fielding department, the Mustangs have committed five miscues in the two games. "We'll be working, working, working on this," Willing said.

The coach expects his hitters to face one of the league's strong pitchers against West Bloomfield today. In early season rating polls, the Mustangs have been getting notice. "They'll all be saving their best to throw against us," Willing said.

## Gary's Booming Car Show Again

Northville's Gary W. Kohs, the young man who boomed his way to the top of the show world with several sports car spectaculars, is back in the thick of things this year as he gets set for the Fifth Sports Car Spectacular opening April 20 at Cobo Hall.

Kohs, managing director of the show, told The Record-News that a Dutch police car has been shipped 4,000 miles for showing here by Porsche.

The five-speed Targa 911 convertible, which comes with a built-in chrome steel roll-bar as standard equipment, has all authentic police markings and equipment, complete to revolving blinker light, siren and loud-speaker.

It's just one of the many exciting cars that will be on exhibit.

## It's Donkey Basketball

There'll be plenty of wild excitement and hilarity here Monday night when the Northville high school senior class sponsors a Buckeye Donkey Basketball show.

The show will pit senior boys against the faculty.

Game time for the "craziest show on earth" is 8 p.m. in the high school gymnasium. Tickets will be available at the door—\$1 for adults, 75-cents for students.

## Area Links Open

# It's Time to Dig Out Sticks

It's going to cost a bit more this year but with the season well into its fourth week at most area courses, it looks very much like a golfing year. Most managers report greens and fairways in good shape and golfers already out in sufficient numbers to make scheduling maintenance and improvement work a tricky operation.

Fees are up slightly. In most cases, it will cost at least two-bits more per round than last year. As for layouts, golfers will find little change in the topography of area courses from last year, which saw major changes in the layouts of several.

Many of the pros and managers report that the light snow cover last winter resulted in a deep frost, 30-40 inches, that has served the greens and fairways well as the slow thawing maintained moisture in the soil through the dry spring.

### HILLTOP

Chris Burghardt, pro-manager at this 2,862 yard, par 34 course, says the fairways are in fine shape. "As good as I have ever seen them at this time of year."

No physical change has been made at Hilltop, located near Plymouth at the corner of Powell and Ann Arbor Trail. Greens fees are \$2 for nine holes on weekdays, \$2.50 on weekends and holi-

days, and \$3.75 for 18 holes on Saturdays, Sundays, and holidays.

### HICKORY HILLS

Located in Wixom, on Orion road off Loon Lake road, with a clubroom featuring lunches and banquet space, the layout of this 2,865 yard, par 35 course is the same as last year. Manager George Catto reports that several new tees may be ready in three or four weeks. Catto, who spent the winter golfing in Arizona, says fees will be the same as last year.

Fees are \$1.75 for nine holes and \$2.50 for 18 on weekdays; and \$2.25 for nine and \$3.50 on weekends and holidays.

The club handles a limited line of equipment and supplies.

### BROOKLANE

Russ Northrop reports that the 5,000 yard, par-60 course came through the winter in fine shape as the season enters its fourth week. There will be some expansion of the front nine and golfers will be encountering a few additional trees to challenge them.

Northrop, again attended the PGA sponsored school for course managers in Florida, reports there will be an expanded line of equipment, supplies, and services this year at Brooklane.

Brooklane, located at the corner of Sheldon road and Six Mile, features watered fairways. Light lunches are available.

### DUN ROVIN

Earl Myers starts his fourth year as pro at Dun Rovin, located between Five and Six Mile roads, off Haggerty. He reports golfers will face the same distance this year on this 6,800 yard, par 72 layout.

Myers said that the greenskeeper worked through the winter and that the course is in fine condition. Carts and clubs are available for rental. A complete pro shop provides club re-

pair, including one-day regripping service.

A fee increase makes it \$2.50 for nine and \$4.00 for 18 holes on weekdays. Weekend rates are \$5.00 for 18 holes until 2:00 p.m. when the rate drops to \$3.50.

Dining and banquet facilities are available for golfing outings.

### BOB-O-LINK

Major changes being made on the eight and nine holes of the south course of this 18-hole layout will make it a 36-36, par 72, course. Work expected to be completed early in June includes installation of two lakes and placement of trees to make the present par-four eight and nine holes a pair of challenging par fives.

Pro-Manager Midge Cova says that while play started late last month, last weekend was the official opening during which full rates went into effect. Rates are up this year to \$3.50 for 18 during the week, \$4.50 on weekends and holidays on the south course. Eighteen holes on the north course will be \$3.50, with no increase on weekends.

Rate for play for all days on the small nine of the north course will be \$1.50 and \$2.50 for nine holes on the larger nine.

Bob-O-Link is equipped with bar and dining facilities. Banquet room service can be provided for up to 400 in one party with provisions for arranging private space for smaller groups.

### SALEM HILLS

One of the longest golf courses in the metropolitan Detroit area—7,074 yards—Salem Hills Golf Club is located on Six Mile road just west of the Village of Salem.

Bob Szillogyi, club manager and pro, said 36 new trees have been planted for strategic placement to bother long ball hitters, for esthetic pleasure and background.

Both 36 pars, the front and back Continued on Page 9-A

## Novi Nine Wins First

The Novi baseball team won its first varsity baseball contest with 5-0 win over Grass Lake, a Lakeland C conference opponent. The game was played Monday night at Grass Lake.

Phil McMillan pitched six innings to get credit for shut-out win. Coach John Osborne's Wildcats scored single runs in two early innings, then piled on three more in the final frame. The Wildcats play their first home game today, meeting Manchester on the Novi field at 4 p.m.

## Clobber South Lyon, Brighton

# Northville Thinclads Sweep Meet

Northville swept its first regular season track meet here Thursday afternoon, clobbering both South Lyon and Brighton by taking first places in 11 of the 14 events.

The Mustangs' team score in the triangular was 93, followed by the Lions at 37 and the Bulldogs at 18.

Only one school mark fell as the Northville thinclads continued to blaze an eye-catching trail through the infant season of running and jumping. Phil Kennedy did the honors with a time of 10:41 in the two-mile run.

With everyone waiting to see Northville's 13-foot pole vaulter, Ron Gloetznier, the flying bomb purposely kept his winning jump low because of the hard impact area beneath the bar. He won the event at an even 10-foot.

Coach Ralph Redmond, obviously disturbed because of the absence of foam rubber in the pit, said it would be fool-hearty to ask Gloetznier to risk injury in the harder sawdust just to thrill fans.

Gloetznier, who normally doesn't begin vaulting until the bar is at about 11-feet, "doesn't land on his feet when he comes down, but right on his back," the coach explained. "A vaulter like that needs a soft cushion."

Gloetznier barely missed a record, however, in the high hurdles, racing 15.8 for first place. The school mark of 15.5 was set in 1961 by Dick Bathey. "It looks like (Jim) Peterson, (Randy) Simpson, and Gloetznier are all aiming for that record this year."

Redmond complimented two of his younger athletes, Rick Bell and Ed Beller, for their determined bid in the two-mile race and the low hurdles, respectively. "Neither scored any points, but both showed fans that they're on the way to earning some school laurels for us."

Among the other first places posted by Northville were:

Long jump, John Stuyvenberg, who scratched on his first three attempts before picking up first on his fourth

and last try, 19' 4 3/4"; Peterson, tied for first in the high jump at 6'; 880 yard relay, Al Earehart, Simpson, Glen Heffner, and Gregg Carr, 1:35.5; 880 run, George D'Haene, 2:10.7; 440 yard dash, Greg Marshall, 53.7;

Low hurdles, Gloetznier, 20.8; 220 yard dash, Carr, 23.7; mile relay, Marshall, Peterson, Daryl Holloman, and Earehart.

Northville won seconds in these events:

Mile race (one of the best races of the day), Ron Batchlor of Brighton set the pace at 4:50.4, followed by

Northville's Rick Lamp 4:51 and Chris Kline 4:54.6; high hurdles, Peterson, 16.1; half-mile, Paul Bedford, 2:10.9; 100 yard dash, Carr (10.7), Stuyvenberg (10.8) and Don Beller (10.9); shot, Bill MacDermid, 45' 2"; two-mile relay, Don Pauli (10:45), Dale North (10:47), which together with Kennedy's win gave Northville a sweep.

The Mustangs will have a layoff until April 25 when they travel to Livonia to do battle with Livonia Stevenson at 4 p.m. They are also aiming for the next regional relay, slated for April 27, at Howell.

John Stuyvenberg's Final and Winning Long Jump

## Golf Courses Open

Continued from Page 8-A

nines each have three tough holes, according to Szilogyi. "That's the consensus of opinion," he said.

On the front nine, number three hole is a wooded, 215-yard par three; number four, one of the two longest holes, is a 490-yard par five, with a narrow T; and number seven is a par four, 460-yard hole that "seems to be in the wind no matter which direction the wind is blowing and has good trap placements."

On the back nine, number 11 is a tree-lined, dog leg right with tricky winds; number 13 has hazards galore, with water on two sides of the green and a sand trap on the other, and number 18, Szilogyi said, is a 471-yard,

four par, "and a monster from the back T."

Rates at Salem Hills, a daily-fee golf course, are \$2.50 for nine holes and \$3.75 for 18 during week days, \$5 on Sundays and holidays until 3 p.m., reverting to week day rates after 3 p.m., and \$2.25 for twilight play, beginning at 6 p.m.

"We're talking about moving a couple traps," Szilogyi said.

### KENSINGTON

A public course established by the Huron-Clinton Metropolitan Authority, Kensington is a trapless, 6,380 yard course located off I-96 expressway between New Hudson and Brighton.

"The course is in very fine shape," said Richard Yeager, manager. "We don't have any problem with water."

The ninth hole poses the biggest challenge, Yeager said, on the 71-par (36-35), 18-hole course.

Rates are 50 cents more this year, Yeager reported. They're \$2 for nine holes and \$3 for 18 on week days, and \$2.50 and \$4 on weekends and holidays. Yeager can be reached at 685-1408 (Milford exchange).

### WOODLAND

Woodland, semi-public, is a nine-hole course, spreading over 2,764 yards at 7635 West Grand River in Brighton.

Plans are underway to re-construct the club house razed last year by fire, George Holmer, Jr. said. He's the son of George Holmer, club pro. Presently, Holmer, Jr., said the club is operating out of an auxiliary building.

Described as being in "pretty good shape," Woodland has three challenging holes — 2, 4 and 7. Number two, is a long par three; number four, another par three, has water on the left and it's out of bounds on the right; number seven, 370 yards, has a narrow green.

The longest hole, however, is number three, 495 yards and a par five.

Rates are \$1.50 for nine holes and \$2.50 for 18 during week days, \$2 and \$3.50 for weekends and holidays and \$1.25 for twilight play after 5:30 p.m.

## Wildcats Nearly Upset 1967 Track Powerhouse

In its first meet of the season, Novi's track team came within a silver Thursday of upsetting Lakeland C's 1967 powerhouse which last year ground out a second place in state competition.

The Wildcats held a comfortable lead through the field events, but slipped behind in the racing as Ann Arbor's University high school returned home with a 65-53 victory.

"I'm especially pleased," beamed Coach Fred Hanert, "because the boys showed early that they can take points against some tough opponents. Their times Thursday would have held up pretty good in league competition last year."

In nine of the 14 events, records at Novi were broken, which indicates the boys are showing marked improvement early in the season, he said.

As expected, Novi's big gun was Jon VanWagner, holder of the 1967 state high jump title. He fell short of

his state mark of 6' 1" Thursday but nevertheless came in with a first place at 5' 8". He and his coach are aiming at 6' 4" yet this season. Such a jump would break the existing class "C" record.

Van Wagner also took first in pole vaulting with a jump of 10' 4", copped second in high hurdles with a mark of 17.2, and shared Novi's first-place in the mile relay.

Other members of the mile relay team that turned in the first-place time of 3:58.5 were Tom Boyer, Brad Burnham, and Lenny Beadle.

Tom Boyer, who drew the praise of the coach for his performance as a freshman, also took first in the 880 yard run with a time of 2:12.8.

Levon Traftan bettered his 1967 school shot put mark with a heave of 39' 10", good for another first-place.

Others who bettered their 1967 marks were Beadle in the mile, Mark Earl in the two-mile run, Rick Hill

in the 220 yard dash. All four finished second in these events.

In scoring, Novi edged Ann Arbor 6 to 3 in the shot, 6 to 3 in high jump, 6 to 3 in pole vault, 5 to 4 in the 880 yard run, and 5 to 0 in the mile relay.

Ann Arbor won 5 to 4 in the long jump, 5 to 4 in the two-mile run, 5 to 0 in the 880 relay, 6 to 3 in the mile run, 5 to 4 in high hurdles, 8 to 1 in the 440 yard dash, 5 to 4 in the 100 yard dash, and 5 to 4 in the 220 yard dash.

Job Corps Bound Youth Takes Oath

## Northville Youth Joins Job Corps

A 16-year-old Northville township boy spoke the oath of allegiance to the United States Monday afternoon and thus became the first youth in the community to join the job corps.

Repeating the oath before Township Clerk Mrs. Crispin Hammond was George Tomsha, son of Mr. and Mrs. George Tomsha of 41012 Five Mile road.

He left Tuesday for the job corps center at Cadillac where he will be training for the next 180 days or more, depending upon the type of job training he will receive following a series of tests.

Accompanying the youth to the township hall was Mrs. Marian Norris of the Michigan Employment office in Plymouth where the youth was enrolled in the job corps program.

## Don't Forget Kindergarten Registration

Registration for all children who will be entering Northville kindergarten classes next September is scheduled for 7:30 p.m., Monday, April 29, in the high school cafeteria.

Two weeks following registration there will be school visitation for the future kindergartners and their parents.

Letters to parents of known youngsters who are to enter kindergarten have been sent out; however, anyone missed still is asked to attend the registration meeting. Parents attending are asked to bring birth certificates of their children.

The program will include a slide presentation explaining the local kindergarten program and giving suggestions on how to prepare youngsters for their first year in school.

The Northville screening program for youngsters becoming five years old between September 1 and December 1 to determine their readiness for the school experience will be explained. The screening program itself is conducted in August.

## Talk Contest Re-scheduled

Cancelled last week because of the curfew in Wayne county the Optimist's oratorical contest has been rescheduled for Monday, April 29.

The new contest program date will replace the regular May 1 meeting of the Northville Optimist club.

Next week Wednesday, the Optimists will host Harold Putnam, who will present a series of slides concerning the state of Michigan.

## Obituaries

# Mrs. Anna Fry, 92, Dies Sunday

**ANNA FRY**  
One of Northville's oldest citizens, Mrs. Anna Fry, died Sunday, April 14 at the Chelsea Methodist Home where she had lived for the past four years.

The 92-year-old woman, who had vivid recollections of Northville's past when horses and buggies traveled over mud covered streets, was born on April 4, 1876 to William and Marie (Gillett) Blair.

Her husband, Fred, whom she married on August 9, 1899, preceded her in death in 1964.

A member of the First Methodist church of Northville for 66 years, she is survived by two sons, Duncan of Plymouth, and Cecil of Milford. Another son, James, preceded her in death.

Funeral services were conducted Tuesday by the Burghardt Funeral Home of Chelsea from the Methodist Home Chapel. Officiating was the Rev. John Fall.

Graveside services were conducted later in the afternoon at Rural Hill Cemetery where she was buried.

**DAISY M. LEMON**  
Daisy M. Lemon, 87 of 9563 West Seven Mile road, retired sales manager for the Singer Sewing Machine company where she worked for a half-century, died Sunday, April 14 at Whitehall Convalescent Home. She had been ill for the past five years.

Born May 24, 1880 in West Branch, she was the daughter of William C. and Amelia (Waters) Cunningham. Her husband, Harry, preceded her in death in 1905.

Mrs. Lemon, a resident of the community for 40 years, was a member of the Salem Bible Church. She is survived by a son, William E. Lemon of Northville, three grandchildren and seven great grandchildren.

Funeral services were conducted Wednesday, April 17 from the Casterline Funeral Home, with the Rev. Ivan Speight of the Salem Bible Church officiating.

Burial was in Salem-Walker Cemetery.

**LEWIS HERMAN SCHROEDER**  
A well-known South Lyon businessman and lifetime resident of the area, Lewis Schroeder, 54, of 218 East Liberty street died Saturday, April 13, at St. Joseph's hospital, Ann Arbor. He had been hospitalized for a month prior to his death.

The son of Herman and Lizzie Musolf Schroeder, he was born August 6, 1913 in South Lyon. Mr. Schroeder attended Northville and Plymouth schools. He and June King were married August 14, 1937 in Salem.

A carpenter by trade, Schroeder was also the former owner of Schroeder's Variety store. He was a member of

the First United Presbyterian church, the Oddfellows Lodge, the Target-Busters, Multi-Lakes club, and the Grayling Sportsmen.

Besides his wife, June, he is survived by three daughters, Mrs. Gaylon (Barbara) Clark, Mrs. Terry (Dorothy) Tennant, Mrs. Michael (Corliss) Davis, all of South Lyon; five grandchildren; and one sister, Mrs. George (Marion) Beasley of Wayne.

Funeral services were held April 17, at 2 p.m. at Phillips Funeral Home with the Rev. Norman Riedesel of the United Presbyterian church and the Rev. Marion Sherrill, former pastor of the First Baptist church officiating. Burial was in the South Lyon cemetery.

**GEORGE O. WAITE**  
Funeral services were held Friday, April 12 for George O. Waite, 82, of 46300 West 11 Mile road, who died suddenly April 9 at the Botsford General hospital.

Mr. Waite was born May 8, 1885

in Hancock. He had lived the past 80 years in Novi and was a retired farmer. He was a member of the Novi Lodge I.O.O.F.

The only survivors were three nephews, Howard W. Thayer, Farmington, John H. and John W. Thayer of Livonia. His wife preceded him in death three years ago.

Funeral services were conducted at the Thayer funeral home, Farmington with Dr. W. Leslie Williams of the Farmington Methodist church officiating. Burial was at the Oakland Hills cemetery, Novi.

**JOHANNA V. FUNKE**  
Mrs. Johanna V. Funke of 31 Brookside died April 9 at Wayne County General Hospital after an illness of one week.

Born May 18, 1901 in Detroit, the 66-year-old Northville resident was the daughter of John and Cecilia (Ladzinski) Kurkowski. Her husband, Alexander, died October 28, 1967.

A resident of the community since

1931, she was a member of Our Lady of Victory Church, VFW Auxiliary 4012, and Daughters of American Revolution.

Survivors include two daughters, Mrs. Marcella Herter of Plymouth, Mrs. Lorraine DeBoutie of Northville; three sons, James of Detroit, Alexander of Northville, and George of Plymouth; two sisters, Mrs. Marie Skiba of Warren, Mrs. Eleanor Trawczynski of Warren; two brothers, Anthony Kurkowski of Warren and Harry Kurkowski of Detroit; and 23 grandchildren.

Rosary was recited Sunday afternoon at Casterline Funeral Home, and funeral services were conducted at Our Lady of Victory Church on Monday, April 15, with the Rev. John Wittstock officiating. Burial was in Rural Hill cemetery.

**BEATRICE L. WARE**  
Beatrice L. Ware, 61 of 49209 West Seven Mile road died April 13 at Garden City Osteopathic Hospital. She had been ill for three months.

A teacher in the Detroit public school system, Miss Ware was born November 6, 1906 in Rose City. A resident here for 26 years, she was a member of the Northville Business and Professional Women's club.

Survivors include two sisters, Miss Florence Ware of Glendale, California and Mrs. Evelyn Shekel of Northville, and a brother, Ralph Ware of Pontiac.

Funeral services were conducted April 16 from Casterline Funeral Home, with Miss Elizabeth Etz officiating. Burial was in Thayer Cemetery.

## Municipal Court

A Westland man charged with violation of curfew and firearms provisions of the Governor's proclamation last week was among defendants appearing before Judge Philip Ogilvie in Northville municipal court last week.

Odin F. White pleaded guilty to being in possession of a firearm and ammunition and being on the streets at night in violation of curfew. He was sentenced to a \$30 fine or six days and \$3 costs on the firearms charge and a \$20 fine or 10 days and \$2 costs on the curfew violation. The court reserved judgment on a question of returning a 12-gauge shotgun that was impounded by Northville police Saturday night, April 6.

Frankie J. Slate, 516 North Center street, pleaded guilty to a charge of having no operators license and was sentenced to a \$50 fine or three days. It was established that Slate, 21, had never acquired a driver's license.

Richard H. Kinnell, Plymouth, charged with being a disorderly person, drunk, on March 26, pleaded guilty when arraigned. He drew a \$30 fine or six days and \$3 costs.

James M. Fairchild, Detroit, charged with escaping from the Detroit House of Correction last December, pleaded guilty and drew a five-day sentence.

Earl W. Lancaster, Jr., Plymouth, pleaded guilty to driving while under the influence of liquor. He was sentenced to a \$100 fine, \$15 costs, or 20 days. His license was revoked for 90 days.

Terence A. Frader, 929 Jeffrey, Northville, pleaded guilty to speeding 55 in a 25 mph zone and being a minor in possession on March 17, 1968 when arraigned March 27. Released on \$100 personal bond, he was sentenced last Wednesday to a \$50 fine or 10 days on the speeding violation and \$20 plus \$5 costs or four days and \$2 costs on the MIP charge.

David V. Hamm, Highland, faced the

court last Wednesday on charges of reckless driving and being a minor in possession on March 30. Pleading guilty to both charges, Hamm was sentenced to \$50 fine or 10 days on the driving charge and a \$20 fine plus \$5 costs or five days and \$2 costs on the MIP charge.

Darrell B. Bratton, Dearborn, pleaded guilty to having no valid operators license on his person. He was sentenced to a \$20 fine and \$5 costs or five days and \$2 costs.

Roger G. Henderson, Detroit, charged with reckless driving on a complaint dated March 31, pleaded guilty and was sentenced to a \$100 fine and \$15 costs or 20 days. Henderson also pleaded guilty to failing to change his address on his license and drew a \$10 fine.

David A. Curtis, 132 Randolph, pleaded guilty to a traffic signal violation at Eight Mile and North Center on March 23. Fine and costs were suspended.

John Delisio, 516 North Center, pleaded guilty to permitting an unlicensed driver to operate a vehicle. He was sentenced to a \$10 fine or two days.

Linda J. Coyle, Royal Oak, pleaded guilty to a careless driving charge and drew a sentence of a \$60 fine or 10 days.

Richard P. Eisele, Plymouth, stood mute to a drunk driving charge at his arraignment last January 18. A not guilty plea was entered for him. At his trial last Wednesday, Eisele pleaded guilty to an added count of driving while ability was impaired by alcohol. His sentence was a \$100 fine or 20 days.

Gerald Shettleroe, 624 Carpenter, pleaded guilty to a charge of having no operators license on his person. His sentence was a \$10 fine or two days.

Donald Campbell, 411 Horton street, pleaded guilty to a disorderly person (drunk) charge. His sentence included a \$50 fine, \$5 costs and six months probation.

## Double-bill Slated

An educational double-header is on the planning boards at Northville high school for juniors and seniors and their parents.

They include a College Planning Night on April 23 and a Career Opportunity Night on May 13.

At the former, William Jones, associate director of admissions at Oakland university, and Miss Barbara Geil, admissions director at Schoolcraft college, will present information and answer questions relative to selecting and applying to a college, admission requirements, financial aids, etc.

For the May 13 program, representatives of Schoolcraft and other technical and training programs will present

information concerning requirements and training. One and two-year apprenticeship programs will be explained, and an opportunity to attend sessions concerning specific occupations will be provided.

Chairman for College Opportunity Night is John Hyde, while Alto Olson is chairman of the College Planning Night. Both will be held from 7:30 to 9:30 p.m. in the high school cafeteria. Assisting are Violet Bradford and Donald Brown.

Parents of juniors and seniors in Northville high school are particularly urged to attend these programs "to get information with which you can help your son or daughter plan for their future."

## Justice Court

Dennis R. Vanstee, Harper, was sentenced to a \$75 fine and three days in jail after pleading guilty to driving after a drivers license was denied.

Martin M. Edwards, Wayne, cited last May for operating a vehicle with a defective exhaust, pleaded guilty to the charge April 12 and was fined \$20.

Clyde Hallon, 921 Dunreath, Walled Lake, cited for driving a defective and improperly registered vehicle, paid \$20 in fines and \$10 in costs on the charges.

Harold Hanson, 41580 Grand River, Novi, pleaded guilty to violating Village Ordinance No. 35 (burning without a permit), and was fined \$10.

Joseph E. Major, New Hudson, charged with speeding 70 in an area zoned for 55 mph, pleaded guilty and was fined \$20.

William R. Schumacher, Detroit, pleaded guilty to two citations issued last July. He received a \$15 fine for operating a vehicle with defective exhaust and a \$10 fine for improper display of license plates.

James D. Hamilton, Milford, pleaded guilty last Thursday to a defective exhaust citation dated October 10, 1962. He was fined \$20.

Donald G. Mott, 435 Leon, Walled Lake, pleaded guilty to a speeding ticket issued January 1, 1966 and a defective vehicle violation issued May 16, 1966. He was sentenced to a \$30 fine on the speeding charge and a \$20 fine on the second charge.

Adrian R. Mulligan, 26162 Novi road, drew a 10-day jail sentence after pleading guilty to a complaint charging him with being disorderly on March 29.

## Anyone for A Dip?

Barring a construction strike in May, Northville high school's new \$500,000 swimming pool is expected to be opened for summer recreation at the close of school. Preparation of board policy governing public use of the pool is under way in anticipation of the opening. Only major construction remaining is completion of the ceiling and tiling. Testing for leaks has already been completed and flaws have been corrected. The five-lane pool, which holds 140,000

gallons of water, is designed in an "L" shape, with the diving area (above), adjacent to the racing lanes. Because the pool has but five lanes instead of six, regional or state competition will not be possible. League competition is not affected. The pool facility includes two locker rooms, two shower rooms, and two instructors' offices. Estimated annual operation cost has been pegged at \$50,000.

# Area Church Directory

## from the Pastor's Study

John J. Fricke, Vicar  
Holy Cross Episcopal Mission, Novi

To the really convinced Christian, Easter is the day of days. No human voice can fashion a worthy praise for so great a day and so great a victory. And the strange paradox is that this day was born in an ancient graveyard the Lord of Glory. Perhaps never since that day have we needed Easter more than now. Let us never forget in this uncertain age that it was precisely at the world's darkest moment that the great Light burst upon the souls of men. And if Easter could dispel the darkness of that day, it can dispel the darkness of our world as well. In a few short days you and I will celebrate the Christian answer to the great despair of the world. "Now is Christ risen from the dead and become the first fruits of them that slept."

O how we need this message of victory! Consider the transitoriness of life. When we were young life seemed like an unbroken road of opportunity, but as we grow older we awake to the insecurity of our mortal life. We have our ups and our downs, Nations rise and fall. Saints are raised up; then stilled. Men live and dream and love under the sun, and then they die and are heard no more. Someday even the earth itself will grow cold. Is there nothing that lasts? If there isn't (isn't), then as William James suggests, our existence is like a silly motion picture which may as well be run backward as forward, because in either case it is meaningless. Easter comes to such a question with its ringing answer of Hope and Victory. Life does make sense ... and Good Friday is not the end.

Even natural man, apart from revelation, has his intimations of immortality. We have, within our being, the desire for a perfection we can never realize in this world. "We are all amateurs; we never live long enough to be anything else," said Chaplain; yet we search and question. And within our souls there are intimations of another

world, vaster, more wonderful, eternal. Then love itself brings its intimations ... especially when one we love passes to that other world. There is always the moral necessity that justice shall be satisfied and that the universe shall make sense. Isn't it strange then, that our universe which is so careful about its matter should be so careless about its souls? All these intimations are only guesses apart from Easter.

It is Christ, the wounded warrior of God, who bursts the bonds of death to prove to us that evil can never win in the end. Without Easter Jesus Christ vanishes in the dust of that ancient tomb. Joan of Arc evaporates in the flames of bigotry, Martin Luther King is swept away by a bullet of prejudice, and Truth crushed to earth remains crushed and defeated. The Cross raises questions but the Resurrection answers them. Easter enables us to share the faith of Job, but with a deeper assurance, and to say his words with gallant hearts: "I know that my Redeemer liveth and that at the latter day He shall stand upon the earth and stride my grave. And though this body be destroyed, yet shall I see God: whom I shall see for myself and mine eyes shall behold, and not as a stranger." He is Risen! The Lord is risen indeed!

## Men's Club Plans

### Rummage Sale

The men's club of the First Methodist Church will hold a "masculine" rummage sale at the church, 109 West Dunlap street Friday, May 3 from 6 to 9 and Saturday, May 4 from 9 to 12. ARNOLD PALMER DISCOVERED THE DIFFERENCE

## Bolens Husky tractors work the way you want them to!

Before each Bolens Husky was designed, two key questions had to be answered: "What should this unit be able to do?" "What will Bolens owners want it to do?" Answering these questions honestly and accurately has given Bolens Huskys an enviable reputation for leadership in compact tractor performance.

Only a Bolens Husky gives you all the help you want and need to power you through outdoor chores fast! From the rugged engine, to the live PTO that delivers positive, constant power to attachments ... to the exclusive Fast-Switch Power-Lock Hitch that makes attachment-changing a snap ... to the fingertip-convenience control panel, you get extra-performance features you don't pay extra to get! So whether you choose a Bolens Husky with standard or with "hydrostatic" (automatic) transmission, you get champion operating efficiency, maintenance economy and unparalleled ease of handling, year round. Ask your dealer for a test ride. You'll discover the Bolens Husky is a compact tractor you'll be proud to own!

Difference designed...with performance

## SOUTH LYON ELEVATOR

SOUTH LYON (437-1751) MICH.

You know how it is when you're a child, you are sure you are going to "live happily ever after" somewhere, sometime.

As you grow older, the story may change a little. The fairy tale princess turns out to be the girl next door; your castle in the air, a white house on Orchard Street. But the goal remains the same, the happy ending on the far side of the rainbow.

But life doesn't always happen like that. Sometimes storybook marriages end in divorce, a promising job becomes a dead end, or a sure-fire investment turns out to be a total loss. Misfortune or your own weaknesses make your days seem futile and empty. What then of childhood expectations? Where do you look for joy and hope and bright tomorrows?

God's love is the only way to find real and lasting happiness. Comfort, strength, and purpose are yours for the asking. Why not attend your church today and find new inspiration for your life?

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Out of THE PAST

### 5 YEARS AGO...

...A 68-year-old Novi man, John W. Quin, was killed near Northville State hospital when his car was forced off the pavement and into a tree. Police said the deceased's car was struck by a car passing a gravel truck.

...A race against time developed for advocates of Northville's entrance into the Northwest Wayne county community college district. The obstacle which had blocked a possible local vote on the issue was scheduled to be removed by passage of special legislation in the state senate.

...Terms of W. C. Becker, board secretary and Edward F. Angove were to expire in June. Neither had indicated whether or not he would seek reelection.

...Contributions totaling \$13,527.25 were reported by A. R. Clarke, treasurer for the Northville Scout-Recreation building fund campaign.

...Northville township's "water-less" subdivisions in the southeastern area near Phoenix Lake and along Five Mile road had little hope of immediate relief despite an all-out effort by township officials.

...Midge Cova, owner and pro at Novi's Bob O'Link golf course proved he knows his course well by firing a 120-yard ace on the 16th hole.

### 10 YEARS AGO...

...Thirteen candidates — three for mayor, two for justice of the peace, and eight for council — filed petitions for Wixom's city incorporation election slated for May 19.

...Marie J. Seeley, 25640 Seeley road, a resident of Novi for 50 years, died.

...All Northville mourned the loss of its number one citizen, Claude N. "Pete" Ely, the city's only mayor, died suddenly. A life-long resident of Northville, he was half-way through his term as the mayor of the city. He had served as the last village mayor and was a village council member for 10 years from 1942 to 1952.

...A misjudged flyball broke up an 11-inning pitcher's battle and gave the Northville Mustangs a hard-earned 2-1 win over Clarkston in their first league game of the year. Pitcher Jeff Goodrich went the entire route for Northville, giving up only three hits, and striking out 12.

...Novi's civil defense program was in a mild crisis after a request for the township board to supply CD volunteers with police auxiliary badges failed to go through. Director Leon Dochot told the board his group would not work with Novi's regular police on special duty unless the badges were provided.

### 15 YEARS AGO...

...The green light was given Northville's proposed community building when the village commission approved a tentative drawing submitted by Wilson Funk, chairman of the community building committee. The commission's approval to go ahead with the building climaxed a fight for it which had lasted since 1947. Original plans were abandoned when the Commission at that time would not agree to bonding the village for the approximately \$150,000 necessary to construct the building.

## GOP Plans Meet Tonight

The Greater Northville Republican Club will meet tonight (Thursday) at 8 p.m. at the Detroit Federal Savings and Loan meeting room.

The speaker will be Henry Sladek, chairman of the Wayne County Republican committee. His subject will be "Wayne County Political Situation in 1968."

## Youth Hostels Sponsor Film

The American Youth Hostels will present its sixth annual sail film on Friday and Saturday, April 19 and 20, at the Ford Auditorium in Detroit, according to Miss Lucile Heavner of Novi, member of the fund-raising sail lecture committee.

Presented by John Biddle, yachting photographer-lecturer, the film is his newest, "Sail America First". It features the 1967 America's Cup Race, which is essentially a yacht race between rival sailors of two nations.

The 90-minute action and humor filled color film also will have scenes from a 5.5 Meter Olympic Class Regatta, the 1967 Annapolis-Newport Race and catamaran surfing in the Pacific.

Tickets are available from the sponsoring American Youth Hostels, 14335 West McNichols, Detroit and the Ford Auditorium. Additional information can be obtained by calling the hostel office at 273-8560.

...An out-of-control gravel truck demolished the Shell gasoline station at Novi road and Grand River in a chain-reaction accident involving two other trucks and an automobile. Miraculously, no one was killed.

...Two modern new shopping centers — both within less than 30 minutes drive of Northville — posed both a threat and a promise to residents of this area. Most important was the proposed 70-store Northland Regional Shopping Center of the J. L. Hudson company. The other was the Major Shopping Center underway at Farmington and Plymouth roads.

### 20 YEARS AGO...

...Workmen were busy wrecking parts of the old Cattermole building on North Center street, preparatory to a modernization program now in blueprint stage. The building, erected by W. H. Cattermole in 1901, first housed the implement and harness business of Cattermole, and the blacksmithing partnership of Cattermole and John Sheer. It was said that the building housed the first garage and automobile agency in the village. Ward Pettibone had the garage and Reo agency. Northville's first bowling alley was on the second floor of the building. In more recent years the building had been owned by Sam Pickard, Nelson Schrader and James Spagnuolo, and was occupied by a number of businesses including a restaurant, recreation parlor, shoe repair and furniture store.

...The American Society for Piano Technicians appointed George Lockhart of Northville to represent the organization and to give an address at the Music Educators national conference at Detroit.

...The following Boy Scouts were given awards: James Lapham, senior patrol leader insignia; Robert Huff, Robert Dayton and Alfred Lee, patrol leader insignias; Robert Huff and James Lapham, attendance pins; and Robert Huff and James Lapham, service stars. Lawrence Parmenter was the scout troop leader.

### 25 YEARS AGO...

...Listed as American Heroes in The Record were these three servicemen: Ray E. Allen, Albert G. Payne and Ludwig Klades.

...Eddie Lanning, who with Donna Jean Schute represented Northville at the district contest at Plymouth, won the championship.

...Northville members of the Civilian Air Patrol, Squadron 634-5 who flew over Detroit distributing leaflets publicizing the new Victory Loan Drive were Mr. and Mrs. Peter Perkins, Kendall Willis, Elden Biery and Del Campbell.

...The Northville village council reviewed and accepted the budget totaling \$71,500, passed a dog ordinance, planned future consideration of a petition for a vote on the zoning ordinance, and paid the bills.

...Members of the Northville high school baseball team, under the direction of Coach Pink, were: Captain Lloyd Wendt, pitcher; Don Butler, pitcher; Harold Hansor, pitcher; Gene Nitzel, catcher; Harry German, first base; Robert MacDonald, third base; Earl Croll, shortstop; and Joe Bongiovanni, Raymond Bullman, Louis Lanning, Edsel Rutenbar, Bill Asher, Robert Stolano and Steve Folino, outfielders.

...First prize in the pet parade went to Dick Coolman and his coach dog, second to a cocker spaniel of Dick Gussell, and third to Bud Canstfield's "Punkie", a class dog.

### 65 YEARS AGO...

...Early Wednesday morning it was discovered that the Warner-Richardson factory had been robbed of 12 cheeses worth about \$75.

It was easily ascertained that the robber had entered the factory through the opening used for putting in coal, and had carried out his booty through the large doors, after which he secured them as before.

He was traced to Detroit and had sold out his stolen cheeses and started to return when he was met by Mr. Richardson and Deputy Sheriff Perrin, who were on their way to the city on the electric car, having secured enough information to enable them to recognize their man as Dutch Charley, a notorious Detroit crook. They at once got off the car and gave chase, hiring a passing automobile for the purpose.

They captured Dutch Charley and brought him to Northville where he was committed to Detroit for trial. Mr. Richardson and Deputy Perrin took the prisoner back to Detroit, but after the car had entered the city Dutch Charley made a break for liberty by suddenly springing to the door of the rapidly moving car and jumping off. Mr. Perrin gave chase as soon as the car could be halted, firing two shots after the fleeing prisoner, but the latter finally succeeded in getting away by dodging into a wood and coal yard.

The Detroit police were notified and the officers were at once assigned to look out for the fellow, who will doubtless be recaptured sooner or later.

## Pass 1,000 Mark

# Northville Police Calls Climb

Northville Police activity continued its upward climb during the month of February, boosting the total number of police calls for the first two months of the year to above the 1,000 mark.

According to the activity report of the department introduced to the city council Monday, calls totaled 1,063 through February compared to 924 last year during the same period. A total of 500 calls were received in

February compared to 372 in February of 1967.

Of the calls in February, 54 concerned township matters, the remainder inside the city.

Although few major crimes were investigated in February, an increase was noted. Assault and battery cases increased from zero (1967) to seven and rape from none to one. Breaking and entering cases were cut to zero from three reported last year.

Attempted breaking and enterings were up from none to two; larceny of \$100 or more up from two to three; larceny under \$100 up from eight to nine; vandalism up from six to eight; and bad checks, up from none to five.

Cases of disorderly conduct were up from zero to four, disorderly drunk from five to nine, minors in possession of alcoholic beverages from one to 12, other liquor law violations from none to four, family trouble from none to

five, juvenile arrest from none to one, impounded vehicles from none to 15, miscellaneous traffic cases from none to six, and arrests for other departments from none to five.

Missing and recovered persons cases were up from none to one, animal complaints up from 20 to 33, and dog and cat bites up from none to three.

A total of 17 fire calls — six from the city and 11 from the township — were received in February compared to none in the city last year and two in the township.

Accidents, according to the report, were down in February as compared to the same month last year — from 21 to 10. Five injury accidents occurred last year in February compared to two this year.

Conversely, the number of moving traffic violations were up. Only 39 were handled last year, while 113 were handled this year. Parking violations were down from 635 to 302.

Altogether, the police department made 53 arrests in February — and leading the way in the types of offense were minors in possession cases (16). The next two greatest offenses leading to arrests were disorderly person-drunk (8) and miscellaneous traffic (7).

Of the 15 impounded cars, eight of them resulted because of minors in possession cases. Two were abandoned.

## Collegians Vote Against War

Schoolcraft college students have changed their minds about the Vietnam war and want to see a gradual withdrawal of American forces from the conflict.

In an opinion poll taken last week (April 2) during the spring Student Senate elections, students reversed their stand of last October when a majority approved escalation of the war effort. The students voted better than 2-to-1 in favor of withdrawal.

In the presidential races, New York Senator Robert Kennedy again was the student favorite, but Wisconsin Sen. Eugene McCarthy polled strongly among four Democratic candidates on the straw ballot, including Pres. John-

son and former Alabama Gov. George Wallace.

Among Republicans on the ballot, students favored Richard Nixon by a slight margin over New York Gov. Nelson Rockefeller.

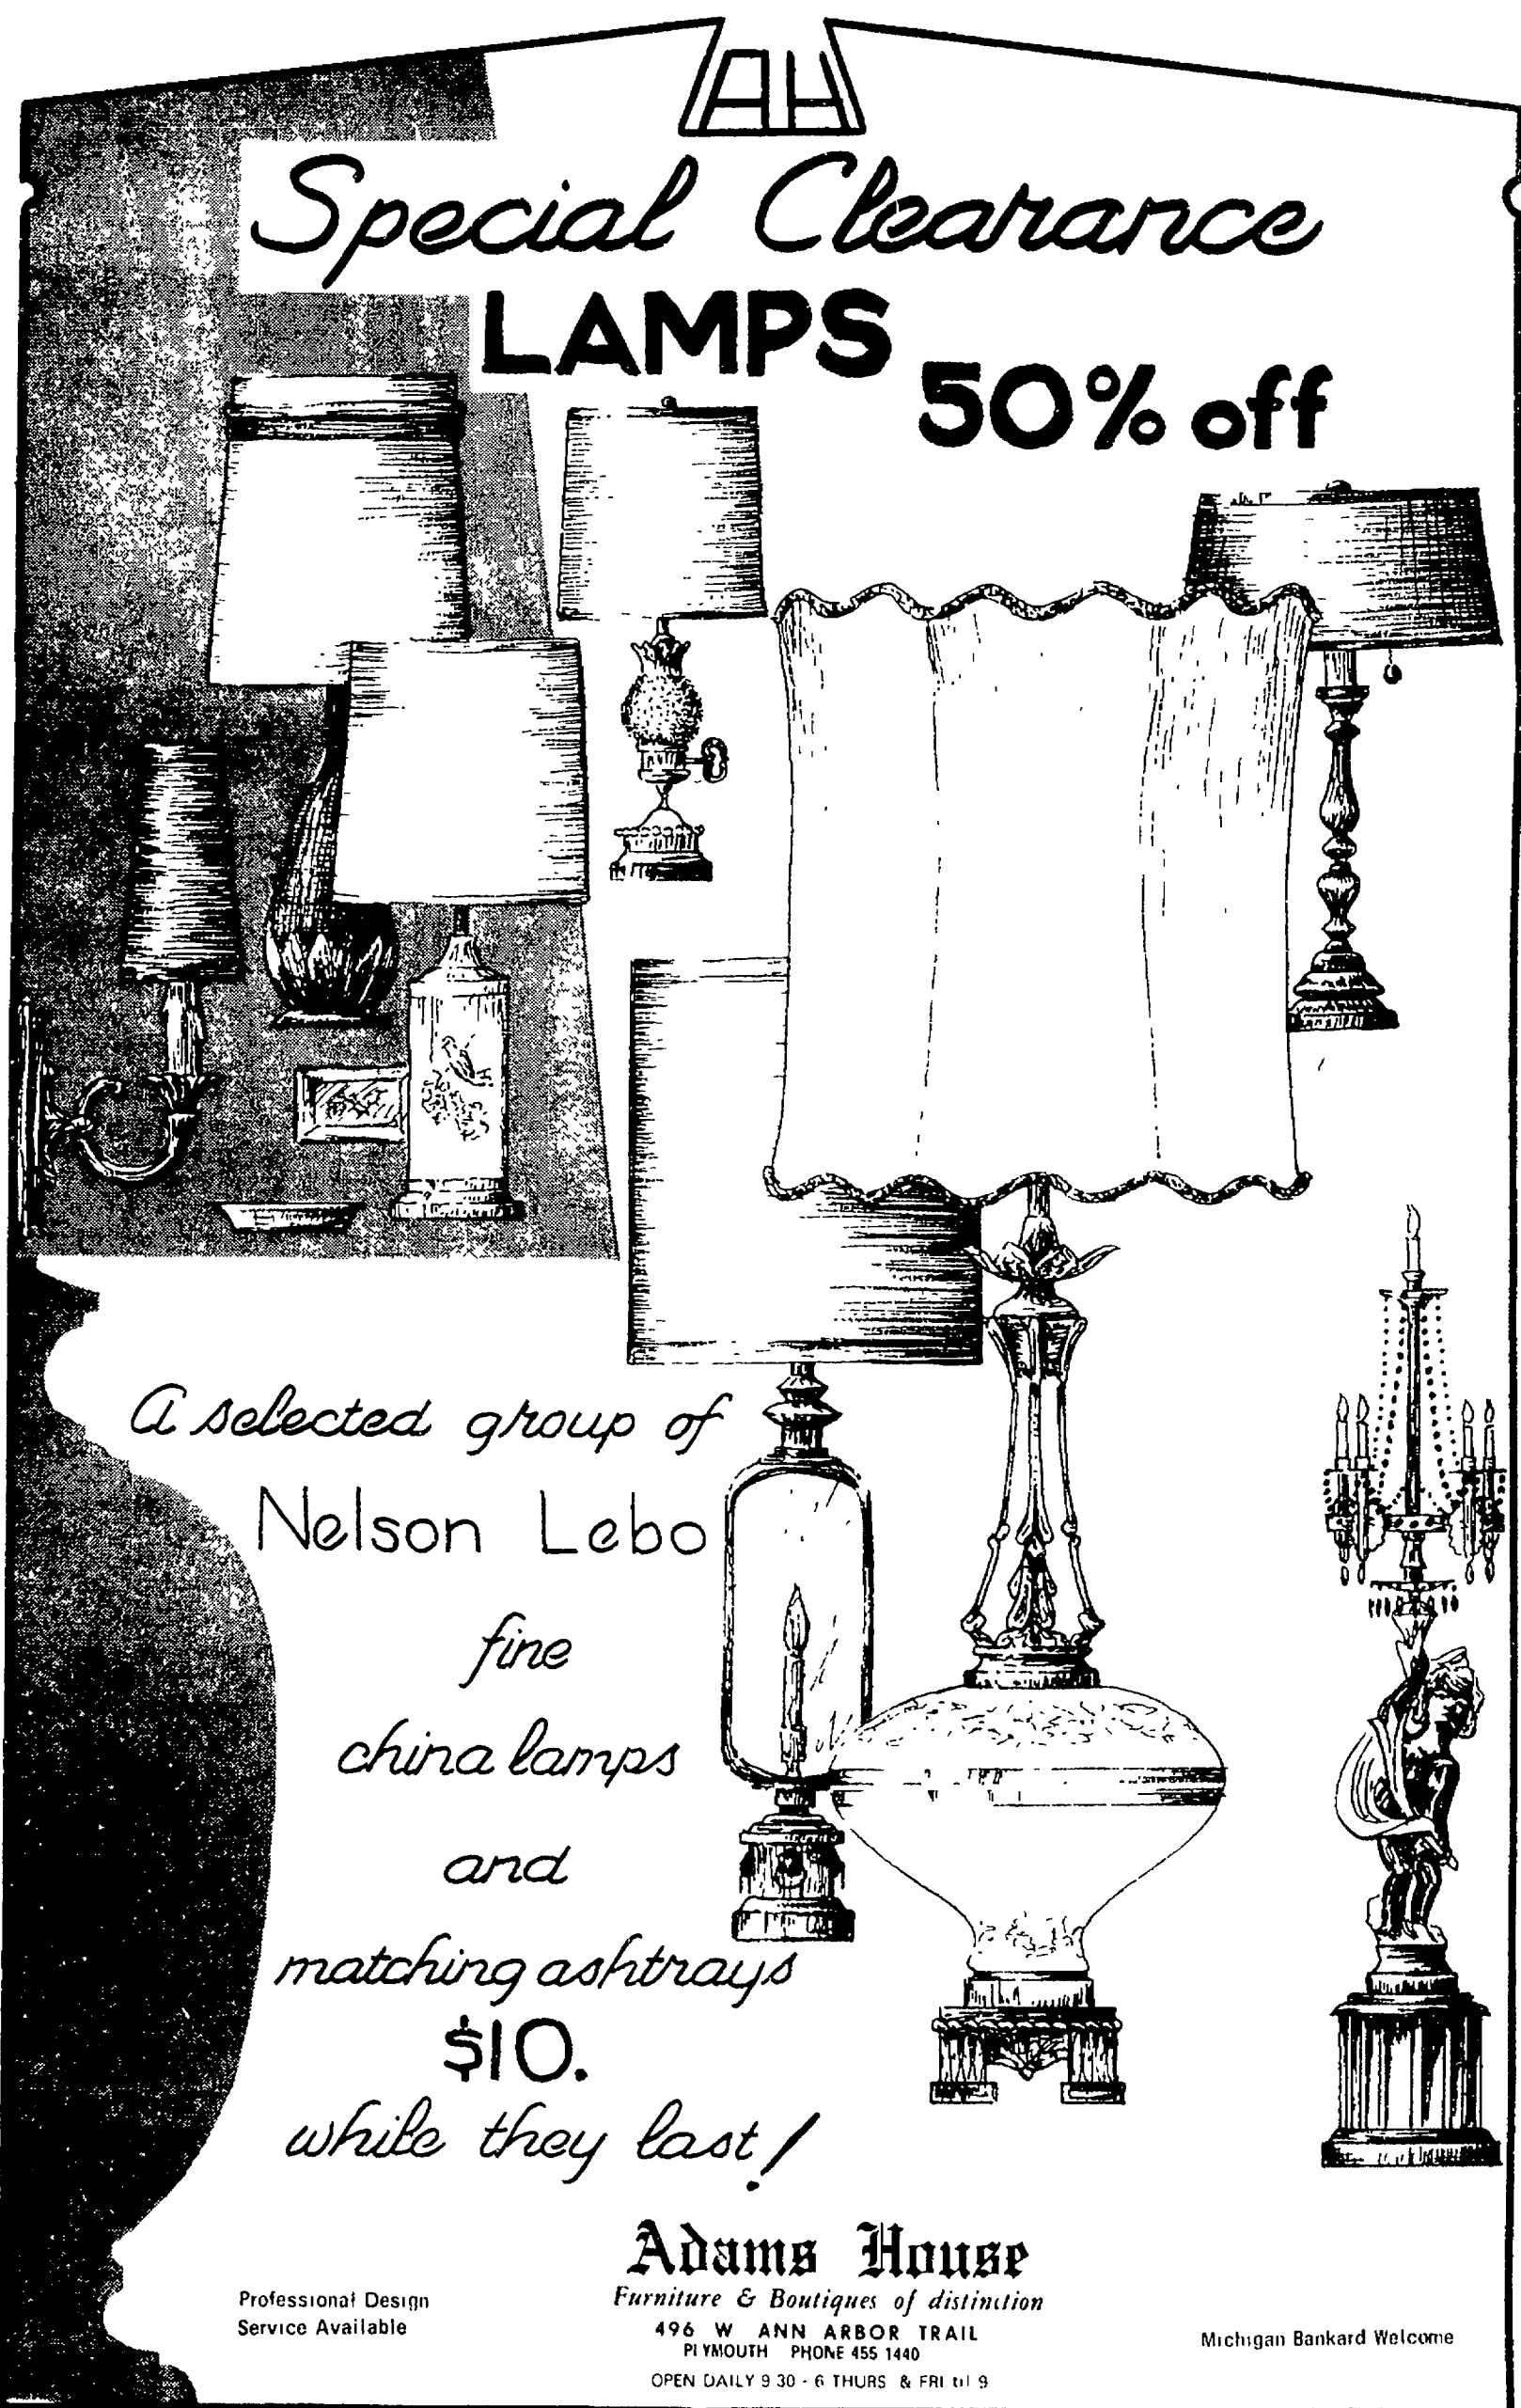

On campus issues, the students left no question of their desire for the college to field a football team, approving the idea of a varsity grid squad by a five to one margin, 324 to 60.

The vote on the Vietnam question was 226 in favor of gradual withdrawal (in October 20 students voted for de-escalation and 63 voted for complete withdrawal), 111 in favor of escalation of the war effort (124 wanted to step-up

the fighting last October) and 46 in favor of maintaining the present policy (65 approved a stand-pat position last fall).

The four Democratic candidates on the straw ballot polled 298 votes against 128 votes for three Republicans, reflecting a shift away from the GOP side of the ballot since October when Governor Romney was a prospective candidate.

The tally: Kennedy 142; McCarthy 85; Johnson 31; and Wallace 40, among the Democrats; and Nixon 66, Rockefeller 59 and California Gov. Ronald Reagan 3, among Republicans. In October, Reagan and Nixon polled 45 votes each.

Tuesday at 7 p.m. the finance committee met at the church at the same time the membership committee also met. Official board meeting at 8 p.m.

The WSCS met at the church on Wednesday. The hostesses were Mesdames McCollum, Hines and Lees. At 6:30 several Novi Methodists were guests at the New Hudson church for a potluck supper. Rev. Lewis Redmond from Cass Ave. Community Center was the speaker. Choir rehearsals are held on Wednesday at 7:30 at the church. Sunday a Singing Service will be held at the South Lyon Presbyterian church at 7:30 p.m.

HOLY CROSS EPISCOPAL CHURCH MISSION

On a beautiful Easter Sunday morning, Holy Cross church was filled with regular parishioners and out of town guests. Happy to have John McMillan Jr. and his wife, Marcy who are home on furlough in the congregation.

Four Acolytes serving Rev. Frickie at the altar were Charles and Thomas Lehman of South Lyon, John Little of Walled Lake and David Morrison of Novi. A full vested choir sang under the direction of Mrs. Marge Martin. A duet "Open the Gates of the Temple" was sung by Jim Simpson and his daughter Linda.

Prayers were said at the altar for Mrs. Agnes Hurr, who is critically ill in Mt. Clemens Hospital. It was announced that Mr. and Mrs. Al Pritchard donated flowers for the altar as well as those listed in the bulletin.

The Bishop's Committee meeting was held on Monday April 15. The previous meeting canceled due to the curfew. Holy Eucharist Monday April 15 and Tuesday April 16 - All Novi school teachers and acolytes met at the

church April 16.

April 22 the Grand River Convocation of Episcopal church women meet at the Trinity church in Farmington. Holy Eucharist at 10 a.m. Rev. John Frickie as Dean of this group will give the message. Luncheon will be served by Trinity church women.

Friday, May 3 the Holy Cross church is sponsoring a square dance for adults at Novi Community hall at 8 p.m. Posters are going up in Novi, Northville and South Lyon. Watch for them.

It isn't too late to join the choir. Contact Marge Martin.

NOVI REBEKAH LODGE

The Past Noble Grands meet tonight, Thursday. Hostesses are Rowena Salow and Mae Atkinson.

The Rebekahs are planning a rummage sale for May 3. Start sorting out your rummage while you clean house. Bring your rummage to the hall.

The next regular Lodge meeting will be held April 25 at the hall. NOVI GIRL SCOUT NEWS

Mrs. Robert Brooks, Brownie leader wishes to announce that anyone who is looking for a used uniform for her daughter please contact her as she is in charge of uniform distribution (used).

Brownie Troop #161 with Mrs. Brooks leader is being assisted by Mrs. Henderson. Mrs. Pat Clark will be back at the post after April. Two new girls were taken into this troop; transferred from Wheaton, Illinois are Kim and Renee Beer. The girls celebrated two birthdays Marty DeWard and Bridgett York. Cupcakes and kool aid were served. The troops also made Easter baskets, using cottage cheese cartons and card board handles, purple Easter straw, styrofoam eggs covered with gumdrops held by toothpicks.

Brownie Troop #351 visited the Jones florist.

Brownie Troop #519 finished Easter projects. Fanny Pittman brought treats.

Junior Troop #713 sang songs, played games as badge work. Badges that were acted out were: Geraldine Laub and Peggy Turpin, Magic Carpet badge; Beth Branch and Kim Brimes, songster badge; Tina Wilkins, Kathy Price, Debbie Turpin, Denise Koenig, Karen St. John, Janet Cook and Marcia Brooks writer badge. The troop also presented a play, had flag ceremony and patrol leader cards were given to Kathy Quinn and Marcia Brooks.

Junior Troop #913 Mrs. Dietrich conducted the meeting and helped the girls to make Easter greeting cards for Ward A7N at Northville hospital. Mrs. Monitz delivered the cards to the hospital. While the girls were with Mrs. Dietrich, Mrs. Adams held a mother's meeting during which future plans were discussed. Some of the activities discussed were: bike hike and cook out, horseback riding, camping for Memorial Day weekend. While the mothers were meeting with leader Mrs.

## John Abrams Receives Honor

John R. Abrams of 49361 Wainstock, Wixom was one of 951 students at Ferris State college honored for academic excellence in the winter term. Named to the Dean's Honor List, Abrams maintained at least a B average while carrying a full academic load in the field of general education. Vice-President Dr. Robert L. Huxol made the announcement of Abrams' accomplishment.

Adams and the girls with leader Mrs. Dietrich, a nursery was provided and Cadettes Renee Landerville and Janeen Miller were in charge. They occupied the children with inside and outside recreational activities. A special thank you to the Cadettes.

Junior Troop #165 put on health and safety skits.

Junior Troop 1027 made Easter baskets for the convalescent home.

Cadet troop 149 has not been having their regular meetings because of the First Aid course they are taking. However, they did hold a special meeting Tuesday April 9 at the home of Janeen Miller to make future plans as soon as the course is completed. Among the plans are a tea for mothers, a trip to Lansing, camping, plans to take lessons to prepare themselves for horseback riding.

The parade committee met at the home of Mrs. Clarence Rice. Plans were made for the Memorial Day parade. Those attending this meeting were Mrs. Harriet Rice, Mrs. Raymond (Carol) Mason, Mrs. Robert (Shirley) Brooks, Mrs. Duane (Barbara) Branch, and Mrs. W. R. (Edna) Miller.

## The Informer

...MAKES YOU A BETTER COOK!

Here's an "Informer" that not only gives you the facts but does something about it! How does it work? Simple. Into the center of the meat you put a thermostatic probe, one end of which is plugged into the oven wall. Slide the roast into the oven and turn the indicator to the exact degree of doneness you want. When the meat probe gets the right "inside" information, it signals you—then automatically and instantly shuts the oven off. Takes all the anxious guesswork out of roasting.

What other magical things can a 1968 Gas range do? Everything from starting dinner while you're gone to keeping a complete meal deliciously ready-to-serve when you're late.

Outstanding 1968 Features...Same Wonderful Flame...See Your Gas Range Dealer, Today!

# Northville City Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen at 8 p.m. Monday, April 1, 1968 at the Northville City Hall.

Present: Allen, Black, Carlson, Lapham and Nichols. Absent: None.

Minutes of the regular meeting of March 18, 1968 were approved as submitted. Moved by Lapham, supported by Black, to pay bills in the following amounts:

General—\$14,253.61; Water—\$7,813.48. Unanimously carried.

**Communications:**

Letter received from Northville Community Chamber of Commerce, regarding means of ingress and egress to Northville High school — recommending High and East streets should be connected to Base Line road which should be paved and extended to school parking lot. City manager commented on bad condition of the road and suggested that council schedule a meeting with the Northville School Board at their office — agenda to be prepared 4 to 6 weeks ahead of time. The time for this meeting to be set at April 8th Work Session.

City Manager reported on the following —

Dog Racing Bill #3482, City Attorney commented he felt Council should still oppose this bill.

A request has been made from Standard Oil Station on Church and E. Main street to have "No Parking" ban lifted — this is to be left at present status.

Board and Commission Minutes: City manager outlined matters of

business in Planning Commission minutes of March 19, 1968.

City Manager also outlined business in Zoning Board of Appeals minutes for March 13, 1968.

Appointment to Wayne County Board of Supervisors:

Moved by Black, support by Carlson, to re-appoint A. M. Allen to represent the city of Northville on the Wayne County Board of Supervisors. Unanimously carried.

Opening Bids for Tax Anticipation Warrants for 1968:

City clerk read official notice of sale \$45,000 of Tax Anticipation Notes, as it appeared in the Northville Record and the Michigan Investor. City Attorney opened the only bid received; this from Manufacturer's National Bank of Detroit accompanied by \$900 check as specified — interest to be 3.75%.

City manager recommended that this bid be accepted.

Moved by Black, support by Nichols, to accept bid of Manufacturer's National Bank of Detroit for \$45,000 of Tax Anticipation notes for 1968; April 1, 1968 with maturity on September 1, 1968 at 3.75%; and instructed Treasurer and City Clerk to execute necessary papers for this sale. Unanimously carried.

Approval of residential Unit Development for Lexington Commons:

City manager explained the procedure up to present time for Residential Unit Development Plan by the Planning Commission. Representatives from Thompson-Brown Company present — Roy Russell, Roland Gadowell, Joseph Wastie and Engineer Herb Munzel. Mr. Wastie explained statistics on potential school enrollment under this plan as compared to ordinary subdivision development.

After considerable discussion, moved by Black, support by Nichols, to approve Residential Unit Development Plan for Lexington Commons within City of Northville. Unanimously carried.

Consideration of Lexington Commons #1 Preliminary Plat:

City Manager reviewed the Subdivision Ordinance for tentative approval of a preliminary plat — after some discussion, it was moved by Nichols, support by Black, to approve Lexington Commons #1 Preliminary Plat as submitted. Unanimously carried.

Public Hearing for Subdivision Ordinance Amendment.

City Attorney explained the proposed partition of division of lots into not more than 4 parts.

Moved by Carlson, support by Lapham, to adopt corrected amendment of Subdivision Ordinance — publish same — to be effective April 10, 1968. Unanimously carried.

Novi Well Site Progress Report: City Manager reported that the Citizens and Property Owners' group promised to meet within two weeks regarding this matter.

Oakland County Sanitary Sewer Agreement:

City attorney explained the agreement as presented by Oakland County. Moved by Black, support by Carlson, to approve the Oakland County Sanitary Sewer Trunk Line agreement. Unanimously carried.

Resolution for Fencing Public Property:

City Manager explained the matter of fencing as requested by owner Paul Steencken as reviewed in March 13, 1968 Zoning Board of Appeals minutes. Moved by Carlson, support by Lapham to adopt Resolution #68-17.

Resolved — That Paul Steencken, 562 Randolph, be granted permission to tie in a 4-foot chain link fence from his property line to the Randolph Street Bridge on public property, contingent on compliance with fencing ordinance and approval of the Zoning Board of Appeals; with permission contingent on the withdrawal of resolution at anytime. Unanimously carried.

Consideration of Over-night Parking Ban:

City manager reminded Council the overnight parking should apply for a total year but that he was bringing this to their attention for an interim review.

Moved by Black, support by Lapham, to remove parking ban for on-street parking in the City of Northville until November 1, 1968. Ayes: Lapham, Black, Nays: Nichols, Allen and Carlson. Motion denied.

Miscellaneous:

City attorney reported on the new Subdivision Control Act at the request of the city manager.

City attorney read a letter he had just received from Senator Kuhn regarding House Bill #3482 on Dog Racing in which he reported he does not intend to support this bill and will not work for it.

Councilman Lapham brought up the question of the all-night street parking ban being continued through the summer. Mayor Allen recommended that City Manager, DPW Supt. and Councilman Lapham review the situation and report in 2 weeks.

Councilman Black asked regarding progress of water line construction on Grace street — city manager said completion should be in about 2 weeks.

Councilwoman Carlson reported the gift of the floral baskets to be installed throughout the business district — donated by the Retail Merchants' Ass'n.

Mayor Allen reported meeting with Oakland County and Wayne County Drain Commission and Michigan Agricultural Dept. referee regarding Drainage problem in northwest area of the city and north and west in Novi township; a meeting is to be held with Novi Township on Monday, April 8.

There being no further business, the meeting was adjourned at 11:05 p.m. to go into Work Session on the 1968 budget.

Martha M. Milne  
City Clerk

**SAFETY AWARDS**—For outstanding service as student patrol boys and safety girls, six Northville elementary students were named safety award winners of the month. Five of them were able to meet with Police Chief Samuel Elkins this past week to receive his con-

gratulations. They were (l to r) Paula Caracciolo, Amerman; Janet Miller, Main Street; Barry Gall, Moraine; Dan Black, Amerman; and Charles Wheatley, Main Street. Unable to be present was Candy McCurdy of Moraine.

## Plan Evangelism Workshop

A personal evangelism workshop will be conducted at the Orchard Hills Baptist church April 21-27. Rev. Coy Sims, director of Personal Evangelism association, will be directing this clinic.

The special workshop has several objectives. Among these will be the learning of new concepts, methods and techniques in soul winning. To learn this revolutionary new method in witnessing is to be able to witness without fear or worry, according to the Reverend Fred Trachsel.

Much time will be devoted to Bible marking of essential Scriptures, class demonstrations and laboratory work in the field. Before the week is over the class will actually go through this presentation in seven different ways in order to be more skillfully trained.

Director Coy Sims will be speaking at the church Sunday on April 21 at both 6 and 7 p.m.

The special workshop classes will be led by Rev. Sims every evening at

7 p.m. Monday through Friday at the church, located on Novi road north of Nine Mile. The last evening a dramatic film will be viewed entitled, "No Time to Wait!"

Anyone interested in attending the workshop is cordially invited. There will be no registration or tuition fees charged.

For further information please call the church, 349-9904 or 349-5665.

Rev. Coy Sims

## Felix Lorenz Eyes Seminar

A Northville resident will attend the special accreditation seminar for members of the Public Relations Society of America at the Ohio State university, Columbus, Ohio, May 9, 10 and 11.

He is Felix A. Lorenz, Jr. The seminar is the first of its kind to be held anywhere in the country and will feature a panel of nationally-known public relations experts. It is being sponsored by the Society's Central Ohio Chapter, Columbus.

# Official Minutes of the Northville Board of Education

Minutes of the Regular meeting March 11, 1968 — The meeting was called to order by Vice President Johnston at 7:32 p.m. in the Board of Education offices at 405 West Main street, Northville, Michigan.

Members Present: Mr. Stanley Johnston, Vice President; Mr. Glenn E. Deibert, Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee; Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business manager.

Members absent: Mr. Eugene Cook, President, Administrators Present: Miss F. Panattoni, Mr. F. Holdsworth, Mr. D. Longridge.

Visitors Present: 6 (See register). Vice President Johnston declared that a quorum was present and directed the board to proceed with the regular order of business.

Motion No. 68-182 by Mr. Martin, supported by Mr. Froelich, that the agenda be adopted as presented, Motion carried.

Motion No. 68-183 by Mr. Kipfer, supported by Mr. Froelich, that the Minutes of February 12, 1968 be approved as published, Motion carried.

Secretary Deibert noted communications:

Audit Report from the Wayne County Intermediate School District dated December 19, 1967, indicating the official membership as reported by the Northville Public Schools school district to be 2690.

Letter from the Michigan Labor Mediation Board to the effect that charges filed by the Northville Education Association against the Northville Board of Education in Case No. C67 H-77 have been withdrawn and the case closed.

Bulletin from the Wayne County Board of Education announcing the date of June 10, 1968 for the election of seven members to the Wayne County Community College Board of Trustees, (Northville is not a part of this college district.)

Letter from the Wayne County Sheriff regarding legislation requiring the teaching of boat safety.

Memorandum from Southeast Michigan Council of Governments requesting assistance from member governmental units in developing programs which meet the desires and needs of their respective jurisdiction.

Superintendent Spear indicated the availability of forms for Board Members to use in submitting such suggestions to SEMCOG.

Letter from Mrs. Joyce Peterson requesting release of contract from her teaching assignment at the Junior High School due to health reasons.

Letter from City Manager Ollen-dorff indicating approval by the City for engineering relative to paving of Taft Road, and requesting clarification of the School Board's resolution concerning payment of a share of the costs.

Motion No. 68-184 by Mr. Froelich, supported by Mr. Orphan, that Mrs. Joyce Peterson be released of contract effective February 16, 1968, on the recommendation of the Superintendent, Motion carried.

Superintendent Spear informed the board that resignations effective the end of the 1967-68 school year have been received from Mr. Edward Motlema, High School, Mr. Charles Yahne, High School, Mrs. Molly Shoup, Junior High School, and Mrs. Judith Weldy, Junior High School.

Superintendent Spear presented the board with a detailed analysis of Professional Staff Needs for the 1968-69 school year, which included a recommendation for seven additional teach-

ers: three at the High School, two at the Junior High, and two at the Elementary level. (Appendix I to these minutes)

Motion No. 68-185 by Mr. Deibert, supported by Mr. Kipfer, that action to authorize the employment of additional teachers be postponed until the next Board meeting, and that the Superintendent be requested to schedule a Board Work Session for discussion of same in the interim. Motion carried.

Superintendent Spear suggested March 19, 1968, 7:30 p.m. as a date and time for the desired Board Work Session, to be held in the Board Conference Room. Board members agreed to Mr. Spear's suggestion.

Superintendent Spear reviewed circumstances relative to requested Board action to send a member of the teaching staff to the National Science Teachers Association Convention in Washington, D.C. Mr. Froelich questioned the necessity for Board action in matters of this kind and expressed the opinion that the board should anticipate honorariums, awards, or attendance of staff at out-of-town functions, and allow the Administration latitude to effect these within the realm of good judgment. Mr. Kipfer pointed out that the current policy requiring board action in these matters is a holdover from days when the District was smaller. He concurred that under present conditions, the Administration is better qualified to judge these kinds of things. The Superintendent indicated assent to the aforementioned suggestions and expressed willingness to rewrite policy governing the subject under discussion, to submit for board approval.

Motion No. 68-186 by Mr. Kipfer, supported by Mr. Froelich, that the Superintendent be authorized to send a member of the teaching staff to the National Science Teachers Association Convention in Washington, D.C., on March 29 - April 2, 1968. Motion carried.

In an oral report to the board, Superintendent Spear commented that relative to the board's selection of a school site within the confines of the Thompson-Brown plat south of Six Mile road near Bradner road, development of relocation of the site had not progressed sufficiently to present to the board at the March 11 meeting, but would be ready for the March 25, 1968 board meeting.

Superintendent Spear opened discussion of a proposed development project by Marc Alan, Inc. north of Nine Mile road, east of Taft road, which would contain 140 acres with potentially 317 single dwellings and 240 multiple dwellings, producing anticipated student population of 200-plus elementary-age children. Mr. Spear cited the advisability of seeking two school sites from the developer; one tentatively identified and the other to be established pending further progress with the proposed development in that area.

Member Orphan registered initial dissent with the Superintendent's proposal to negotiate for two sites, but withdrew objection when it was emphasized that no commitment to location of a second site would be involved at this time, only negotiation for two 10-acre sites along the lines pursued with Thompson-Brown in the Six Mile road development. Mr. Johnston encouraged the administration to enlist the support of the Novi Planning Commission in prevailing upon the developer to assist the Northville School district as much as possible in this matter.

Motion No. 68-187 by Mr. Kipfer, supported by Mr. Deibert, that the Superintendent be authorized to enter into negotiations for two school sites

within the proposed housing development areas north of Nine Mile road, east and west of Taft road, Motion carried.

Miss Panattoni, Curriculum Coordinator, briefly reviewed a Boat Safety Program established as the result of a letter (referred to earlier in this meeting) from the Wayne county Sheriff, indicating that state legislation passed in 1967 makes it mandatory for persons aged 12 through 15 years (inclusive) to attend and pass a State certified course in safe boating prior to operation of a motor boat in excess of six horsepower, except when accompanied by a person 16 years of age or older. Miss Panattoni informed the board that classes in safe boating are slated to begin in April at the Cooke Junior High School, after school hours. It was indicated that a bulletin of specifics, together with enrollment procedure, would be sent home with children of the appropriate age group this week.

At the request of the superintendent, Miss Panattoni submitted a written report to the board concerning a "Basic Education" program established at the high school this past year, in order to provide the board an insight into the happenings resulting from a reorganized curriculum. An analysis of the program indicated its origin in the English Department under Miss Panattoni's direction. With other interested teachers, the program evolved to include basic courses in social studies and mathematics as well as English. Miss Panattoni attributed much credit for the success of this program to Mr. Jim Hudson, High school teacher, for his leadership; to the commitment of teachers, and to the administration and Board of Education for their support in the way of instructional materials and equipment. (Appendix II to these minutes).

In answer to a query by Mr. Kipfer, Miss Panattoni affirmed that the "Basic Education" program could reflect in a lowered "dropout" rate. It was noted that the holding power at Northville is 97% according to child accounting records.

Additional curriculum-related materials provided for the board were noted in a Course Selection Chart for grades 9-10, and a booklet containing a description of course offerings at the high school for 1968-69.

Board members briefly reviewed their thinking and action of February 12, 1968, regarding their participation in the paving of Taft Road. In answer to Mr. Orphan's question as to method of payment should the District participate, Business Manager Busard suggested three alternatives: 1) Total payment from Building and Site Fund; 2) Total payment from general site monies; same assessment plan as other taxpayers, with interest.

Motion No. 68-188 by Mr. Deibert, supported by Mr. Martin, that the following Resolution be adopted:

With the understanding that the City of Northville has authorized the engineering for the paving of Taft Road from Eight Mile road north to the City Limits, with the full intention of completing paving of same this year:

BE IT RESOLVED, that the Board of Education of the Northville Public Schools School District record its intention to participate in the assessment of the frontage owned by the District in an amount not to exceed \$7800.00;

BE IT FURTHER RESOLVED, that upon the drawing of the assessment rolls, if the District's share shall exceed this monetary limitation, the said Board of Education reserves the right to review any additional amounts before final acceptance of the assessment.

This Resolution to supersede Motion 68-174 of the Official Minutes of the Board of Education meeting of February 12, 1968. Motion carried.

Motion No. 68-189 by Mr. Martin, supported by Mr. Orphan, that Bill Warrants and Payroll be approved as presented:

General Fund — \$742,988.36  
Bookstore — \$328.86  
Building and Site — \$232,645.22  
Cafeteria Account — \$10,705.86  
Stadium Fund — \$586.32  
TOTAL: — \$986,925.76  
Motion carried.

Business Manager Busard presented a Budget Report for February 1968 which indicated that 55.6% of the total allocation is expended; 94.1% of the total allocation is expended or encumbered; 5.9% of the total allocation is unencumbered; 86.8% of the unexpended balance is encumbered; 13.2% of the unexpended balance is unencumbered. Mr. Busard further indicated receipt of 54.8% of tax collection monies due the District.

Superintendent Spear called attention to his recommendation that the Northville Public Schools School District be reclassified from a Fourth Class District to a Third Class District. A "Comparative Analysis" of Fourth Class District to Third Class District, prepared by Attorneys Miller, Canfield, Paddock and Stone, was reviewed relative to benefits accruing to a Third Class District as opposed to a Fourth Class District. (Appendix III to these minutes). Mr. Spear sought board approval for inclusion of District reclassification on the ballot for the June election.

Motion No. 68-190 by Mr. Froelich, supported by Mr. Martin, that the District ask the electorate to reclassify the Northville Public Schools School District from a Fourth Class to a Third Class District and properly announce to the public the "Comparative Analysis" thereof, Motion carried.

Superintendent Spear reviewed his memorandum to the board in which he reiterated the fact that serious consideration has been given to the reorganization of the Athletic League (Wayne-Oakland League), of which Northville has been a member for several years. The intention if to form a new, more centrally located league consisting of Waterford Mott, Walled Lake Western, Livonia Churchill, Plymouth, Farmington Harrison and Northville. Mr. Spear indicated the presence of Mr. Holdsworth, High School Principal, and Mr. Longridge, Assistant High School Principal and Athletic Director, to answer board questions relative to the proposed withdrawal from the Wayne-Oakland League.

It was pointed out that major factors involved in the decision to form a new league had been discussed at the December 11, 1967 board meeting, but emphasis was again placed on the reduced transportation factor which would occur as a result of the formation of a more centrally located league. Assurances were given the board that dissolution of the present Wayne-Oakland League would be by mutual consent of school districts involved.

Vice President Johnston registered personal support of the change on the basis of evidence presented for the desirability of forming a new league. Mr. Longridge indicated completion in the near future of Constitution and bylaws for the proposed league, for administration and board review.

Motion No. 68-191 by Mr. Froelich, supported by Mr. Orphan, that the administration be granted permission to submit proper withdrawal from the Wayne-Oakland League and that permission be granted to pursue establishment of a new league and attendant requirements thereof. Motion carried.

In reference to the Federal Grant Program under Title I Elementary-Secondary Act, Business Manager Busard revealed that in the summer of 1966 it was mistakenly assumed that Northville did not qualify for Title I monies, however, subsequent State approval was indicated in the amount of \$13,122. Mr. Busard reported March 15, 1968 is the deadline for submission of preliminary application for the grant, and May 1, 1968 the deadline for submission of a Pilot Project for State approval of a summer program, June 14 to August 28, 1968. Miss Panattoni will assist in preparing the Pilot Study in conjunction with application for the grant.

Motion No. 68-192 by Mr. Kipfer, supported by Mr. Orphan, that the Northville Board of Education accept the Federal Grant of \$13,122.00 under Title I Elementary-Secondary Education Act, and that the administration be directed to prepare and submit for state approval an Experimental Educational Pilot Project for the summer of 1968. Motion carried.

Mr. Busard reported on continued utilization of the former Community Building. The business manager emphasized the decreasing need of this facility for educational purposes, athletic and community uses, and cited depreciation factors, tax recovery, and dollar-value of building and premises as valid reasons for board consideration of possible sale of same. It was recommended by the Administration that the Cavern Club and Schoolcraft College be granted one-year extensions on their respective leases for use of the former Community building.

Motion No. 68-193 by Mr. Orphan, supported by Mr. Martin, that the administration be authorized to negotiate a one-year extension of the Cavern Club's lease subject to board approval; be authorized to negotiate an expanded one-year agreement with Schoolcraft College, reserving only those dates necessary and known to us, subject to board approval; be authorized

to explore and report to the board of education any feelers or suggested purchasers of the former Community Building and site. Motion carried.

Superintendent Spear summarized progress of negotiations to date, as follows:

--Guidelines have been established at the bargaining table.

--First meeting, teachers requested reopening of 13 clauses, plus 3 additional clauses: 16 items to be negotiated.

--Latest meeting, Mr. Spear reopened 7 clauses, plus 7 new clauses, making 14.

--A total of 30 areas to be resolved; 17 less than on August 27, 1967. Negotiations appear to have progressed further on March 11 this year than on August 27 last year.

--A memo received today could mean two or three additional items to be considered.

--The March 14 negotiation meeting has been rescheduled for March 21, 1968.

Superintendent Spear reported to the board of a hearing before the House Education Committee in Lansing on March 7, 1968, to consider a petition (prepared by Mr. Busard at Mr. Spear's request) to the State Legislature for financial relief to the Northville Public Schools School District in the form of an exemption from deductible millage in an amount equal to the non-taxable State Equalized Valuation of institutional property within the District, in order to provide Northville with an equitable share of State Aid. (Appendix IV to these minutes).

Mr. Spear expressed no optimism that the State would act to alleviate this situation at this time.

The Superintendent suggested a future course of action would be to solicit school districts in the same predicament, then organize and go to Lansing to aid in formulation of bills to effect the desired financial relief. The Superintendent indicated more effort by the administration would be expended in this direction next year.

The board commended Mr. Spear and Mr. Busard for their pursuit of this means of obtaining additional revenue for the School District.

Business Manager Busard informed the board that the administration and the Northville Junior Football Association have arrived at mutually agreeable terms for use of the Football Stadium by the Junior Football Association on specified Sundays. It was indicated that the Junior Football Association is amenable to meeting all Stadium Bond requirements as well as providing proper maintenance and clean-up of the field, provisions for vehicular traffic control, and indemnifying insurance to the School District.

Motion No. 68-194 by Mr. Kipfer, supported by Mr. Martin, that the Northville Public Schools School District enter into an agreement with the Northville Junior Football Association for use of the Football Stadium in accordance with the terms thereof as approved by the Board of Education. Motion carried. (Appendix V to these minutes).

Mr. Kipfer and Vice President Johnston pointed out some areas in need of attention which they had observed at various School sites. Washouts, soil erosion and the like were specifically noted at the Junior High School; a need

for repair and resurfacing of the track at the high school appears urgent, and the public address system at the high school is malfunctioning.

There being no further business, the meeting adjourned at 10:55 p.m.

\*\*\*\*\*

Minutes of the Regular special meeting, March 25, 1968 — The meeting was called to order by President Eugene Cook at 7:35 p.m. in the Board of Education Offices at 405 West Main street, Northville, Michigan.

Members present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President; Mr. Glenn E. Deibert Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee; Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager.

Administrators Present: Mr. D. Longridge. Visitors Present: Mr. Thomas Schimpf, Miss L. K. Edgerton.

President Cook declared that a quorum was present and directed the board to proceed with the regular order of business.

Secretary Deibert welcomed Thomas Schimpf of Detroit, student at the University of Detroit, as a visitor to the Board of Education meeting, pursuant to his studies at U. of D.

President Cook indicated that no business requiring board action was scheduled for this meeting and therefore directed that the meeting be adjourned and that the board move into a work session for informal discussion of five items: 1) staff needs; 2) enrollment, staff and facilities projections for the next several school years; 3) high school seniors and senior prom; 4) Main Street school remodeling; 5) National School Boards Association Convention in Detroit next week. Mr. Cook indicated that the work session following adjournment would be open to the public.

There being no further business, the meeting adjourned at 7:40 p.m.

Robert Froelich,  
Acting Secretary

## NOTICE OF PUBLIC HEARING

TUESDAY, MAY 7, 1968

8:00 P.M.

## NORTHVILLE CITY HALL

The Planning Commission, on petition of the Eastlawn Convalescent Home, Inc., will consider the rezoning of lot 636 of Assessors' Northville Plat No. 6 from an R-2, Two Family Residential District, to an R-3, Multiple Dwelling District.

Said lot is located west of High Street and north of Randolph Street.

The Planning Commission on their own motion will consider the amending of Article VI of the Zoning Ordinance by the addition of the following Section:

Section 6.12 SITE PLAN AND ARCHITECTURAL APPROVAL. Site Plan and architectural approval are required of all uses, permitted under Paragraphs B, C, D, E, F, G and I of Section 6.01 of of Article VI.

Please take notice that a Public Hearing will be held on the above described proposed zoning changes at the time and place specified above.

This notice is given in pursuant to the provisions of Section 4, Act 207 of Public Acts of Michigan for 1921, as amended.

## News Around Schoolcraft

Eighteen Schoolcraft college students, including one from Northville, who have been selected for inclusion in "Who's Who Among Students in American Junior Colleges," were honored at ceremonies and a reception at the Lois L. Waterman Campus Center on Sunday.

The students were nominated through the Student Senate on the basis of their academic records and participation in campus activities. The Northville student is Cass J. Kershaw, 330 North Center street.

\*\*\*\*\*

Industrial apprentices who will enter the related instruction program at Schoolcraft college in May attended a special orientation session at the college on Friday evening, April 5.

Topics covered during the session include an explanation of apprenticeship and how it functions, classification of trades, and types of programs offered in the Schoolcraft related instruction program.

The session covered also such subjects as how to become an apprentice, college referral service, draft deferment information, veterans administration benefits, and class scheduling suggestions.

Trade information literature was distributed and a guided tour of the technical-vocational building is planned, Montefette said.

Assisting Montefette at the session was an official of one of the area industrial plants participating in the Schoolcraft R.I. program; a representative of the U.S. Department of Labor bureau of apprenticeship and training; Jon P. Adams, dean of technical-vocational instruction at the college; an apprentice now enrolled in the R.I. program; and Leonard Chester, instructor in manufacturing technology at the college.

The orientation program is planned in advance of the start of the May trimester, for which classes start on May 7. According to Montefette, the Schoolcraft R.I. program is open to E.I.T. trainees, waiting list personnel, apprentices now employed by area firms or who live in the college district and work for companies outside the district, tradesmen, journeymen and supervisors, and all tradesmen interested in upgrading job skills through the R.I. program.

Company officials or prospective program enrollees can get additional details about the program by calling or writing Montefette at the college.

## SPEAKING for The Record

By BILL SLIGER

**EDITOR'S NOTE:** The following guest editorial was written by Frank Ollendorff, city manager of Northville.

★ ★ ★

"Northville - City of History and Progress" is one of the many fine entries in the current contest for an official Northville slogan. Does this statement by one of our young students tell the true story or is it merely wishful thinking?

To preserve our history and make possible our continued progress will require a good deal more than has been done to date. Action has been discussed, but only small parts of our total program have been accomplished.

Several groups are working to preserve our historical heritage. The Rotary Club is currently restoring a natural water supply to the old Silver Spring. The Northville Record is preparing a historical perspective of the community. Various groups and individuals, with the help of the city government, are contributing to the maintenance and conservation of our trees and green spaces.

Still, we have neglected to take any important and coordinated action to maintain even minimum standards in several of our older neighborhoods. In a number of cases older homes have deteriorated through circumstances beyond the control or financial ability of the owners. Overcrowding does exist in Northville, and lack of sanitary facilities, hot water, electricity, heat, and infestation by insects are problems not always overcome through ordinance enforcement. Either citizen groups or local government will have to prepare neighborhood improvement programs before entire blocks are down-graded and "historic Northville" given over to urban renewal or other costly programs. To date, only a very small number of citizens, usually neighboring owners, have voiced any concern over the lack of action in these areas.

In preparing for progress, much has been discussed. Plans for maintaining a healthy business district have been reviewed. Recreational facility needs have been listed. Street improvement programs have been set forth. Water distribution master planning has been done. New traffic arteries have

been suggested. Major new zoning protections have been planned. Parking needs have been analyzed. Of course, not all citizens would pin the label "progress" on the above items. Each has, however, been requested by one or more segments of the community.

While few if any important areas have been excluded from the city's blue-printing for future physical development, there has been little action to bring about the improvements. There has been only sporadic interest shown by those directly concerned, the citizens. The almost complete lack of citizen involvement in the setting of community action goals raises several questions:

Do we, as elected and/or appointed government leaders, misunderstand the needs and desires of the community? Do citizens, as taxpayers, realize the costs involved in meeting these needs?

The plans for the future listed above would cost well in excess of five million dollars if all were to be implemented. Adjoining residents will face major assessments for streets, water, sewer, sidewalk. Merchants and building owners will be asked to pay a significant portion of the cost in increased parking needs. Taxpayers of jurisdictions participating in the recreation program must pay their fair share for acquisition of facilities. Property owners will have to cooperate in updating neighborhood zoning standards. All residents will be paying for widely used improvements.

Preserving our past heritage and bringing about further progress will entail the making of firm decisions in the very near future—decisions which will be costly and far-reaching. I will continue to recommend the carrying out of the many programs I believe to be necessary. Your City Council will continue to take action when it believes such action to be in the City's best interest.

"Northville - City of History and Progress" could be a fine slogan. Right now it remains a question; a question open to community discussion of goals, methods, and priorities. The answers will be given by the elected City Council. The answers will more likely be right if each citizen would make his views known now.

## 'Denied Legal Right to Vote'

To the Editor:

(Copy of letter mailed to former Novi Village President Philip Anderson by George R. Simmons, with an added note to the editor by his son, Bruce E. Simmons).

"We were certainly shocked and disappointed to hear that you lost out in the election by one vote, especially so because Noraine and I would both most certainly have voted for you had we received the absentee voters' ballots in time.

"As we told you over the phone, we received the ballots on Tuesday, March 12, at approximately 1:45 p.m. They came special delivery, air mail. Enclosed were two more applications for ballots, together with the two ballots. Of course, there was nothing we could do about it then, as the election was held the day before, March 11.

### Stop Tootin', Start Pickin'

To the Editor:

Is there a man so blinded by riches he can afford to ignore the trash in his ditches?

Is there a home so tailored and trim, the man cannot see the junk left for him?

Aren't we yet ready in these throw away days to gather it in when it comes our ways?

As it has been going, we're a long ways from stopping the year-round growth of this roadside cropping?

So let's make up our minds, it's a way of life, and it won't go away, just tooting our fife?

B. Endover

For those of us who are not familiar with the naming of our nearby community college, Schoolcraft, an article in the March issue of The Education Digest is both informative and entertaining.

Written originally for the Junior College Journal by Patrick Butler, head librarian at Schoolcraft, the article kicks off with the premise that naming a college "is not a job to be

taken lightly" and then races for the goal line in a zig-zag play on humor.

"The girl at the switchboard," writes Butler, "found it difficult to repeat 'Northwest Wayne County Community College' brightly at three-minute intervals without losing her cool by coffee break time. And there were more serious problems, if you grant that there can be more serious problems than a babbling switchboard girl. Unfortunately you cannot get 'Northwest Wayne County Community College' in a headline and still have much room for a story. The only abbreviation devised, No. Wa. Co. Co. Co., flopped. It tended to remind readers, particularly when read aloud, of the sound track from an old Tarzan film."

Because there was no one who had "scattered a few million dollars over the campus," the idea of naming the college for a benefactor never blossomed. Instead, a "Name the College Contest" was launched "and 200,000 brains were put to work on the problem."

Hundreds of entries were received, says Butler, but they succeeded only in taxing the patience of the judges. "My own favorite," he says, "came rudely scrawled on a postcard: Taxpayer's Tech. It never had a chance.

"Eventually, the contest ended. The board mumbled something about not making any hasty decisions and went into executive session.

"Immediately the college staff—a skeleton crew of administrators was on hand planning curriculums and buildings—began casting about frantically for a Michigan personage whose accomplishments were worth honoring. They came up with several, all tarnished."

Finally, says the author, someone stumbled upon Henry Rowe Schoolcraft.

"Now here was a Michigander of Renaissance proportions: explorer, ethnologist, scholar, Indian agent, geologist. He was even a hobnobber with literary lions: Longfellow learned the Hlawaatha tale at Schoolcraft's knee. And an integrationist: His first wife was part Chippewa. Here was a man of action and a man of learning and a man who never made a dime from liquor even with all those Indians around."

All the trustees but one were impressed.

"Hell's bells," he said, "that name is longer than the first one. Thirty seven letters in it, only 36 in the one we got now." He was not an unkind trustee but he had a mathematical mind. Having dropped his bomb, he proposed a way out. "Let's just call the place Schoolcraft College," he said, "and we'll be in business."

So there you have it. Naming of Schoolcraft as the college's head librarian saw it. But he concludes his piece with two disturbing paragraphs:

"The other day the president of the board of trustees received a letter from a citizen complaining that while Schoolcraft College appeared to be an excellent institution of reasonably higher learning, the name bothered her. Sounded like a trade school, the lady said. Had the board, she inquired, ever considered changing the college's name?"

"I have no record of the president's reply."

George R. Simmons

Bruce E. Simmons

## Theft Sparks Reward

To the Editor:

### What Force Intimidates?

To the Editor:

After reading your April 11th issue I have this to remark: Jack Hoffman wrote his most significant column to date. Mr. Alfred P. Galil, a Student, and Mr. Richard Van Ee wrote significant letters to the editor.

Why is it necessary to consider these most significant messages "Acts of Courage" in Northville, and what is the intimidating force that compel the front page of a local newspaper to be void of the obvious?

Dr. Martin Luther King, Jr. was murdered last week and most of the world experienced sadness and shame because of it. The New York Times told me so.

Those who didn't get this message never will.

Yours sincerely,  
Edward C. Kelly, Jr.  
44009 Brookwood Drive

Donald A. Ware

By ROLLY PETERSON

Once upon a time, the University of Michigan had a football team and it won football games. That was when Fielding H. Yost called the shots on the football field. Like the man, his feats are legendary.

But even in 1906, Michigan had its problems. A campus magazine, "The Wolverine," told of the need for a new attitude. Here's what was said, I quote:

"The six points scored on the Varsity by our hoodoo, Case School of Cleveland, will probably be an eye sore to Yost, his men, and the students at large, for quite a while. But this will undoubtedly have markedly better results than a 50-0 game would have had.

"The students had begun to think of 50-0 as the lowest possible score and in the course of the game felt incensed if, at any time, any man on the team failed to make his ten or fifteen yards. Such are the results of a 550-0 team, but now the students ought to get out and root for 20-0, 15-0, 10-0, any old score so long as we win, and to remember, moreover, that the 1 and 2-yard gains may look small but they are the gains that win the big games."

"The first half ended with the score 30-6, but the second did not produce as many scores on either side, Case being content with her first-half score and Michigan getting only 18 additional points." (Michigan won the game, 48-6.)

Next, Michigan played Michigan Agricultural college. Here's how "The Wolverine" reported that game:

"The game Wednesday with Michigan Agricultural college was very much on the order of a farce. The whole game seemed to consist of a system like this: Kickoff, scrimmage, round the end for a touchdown and repeat ad infinitum. Yost, who had refused to make any predictions as to the outcome, walked along the sidelines with that happy smile of his while his men saluted first around the right end then around the left.

As an end running game it was exemplary and if Yost intended, as he undoubtedly must have, to have the

men get a great deal of practice in formations on the kickoff and on end runs he was very successful.

"You cannot satisfy the general public, however, and when the score got above 50 the crowd clamored for 100. When it reached that very high figure, they were satisfied but again clamored, this time for 150. Considering the ordinary football scores, this score (150) seems outrageous. Think of it, 25 touchdowns in 40 minutes! That surely is the limit! This game surely has counteracted the 6 points scored against us by Case."

Quoting again from "The Wolverine":

"Michigan's goal-line was crossed last Saturday for the first time in two seasons. 'Sporting extras' have strung out columns of 'stuff' over Davidson's achievement, and the average student looks horror-stricken and exclaims breathlessly, 'How did it happen!'

"It was very simple when you come to think of it. A good man wriggled around the Michigan line and found an open field, save for one man, whom he successfully eluded. A touchdown resulted. Such a play might occur repeatedly in a single game, and then again, it might not happen once through-out an entire season.

"That Case scored on Michigan is the fault of no one man, and The Wolverine is confident in the belief that the student body makes no such accusation. In the first place the game started out badly. Fumbles and poor kick-offs were in evidence. There seemed to be a lack of determination on both sides.

"Then came the surprise, and the game at once developed into one of the fiercest battles ever witnessed here. Herrstein's playing was a revelation of what one man can do when the spirit of 'do or die' takes possession of him. Every man got into the game and the team became a well-ordered machine. The score of 48-6 tells the story of what our boys are capable of doing when they make the effort."

Oh, that Bump Elliott had the same problems.

# Michigan Mirror

## Health Quacks Bilk Public of \$100 Million

LANSING — "Death, Fraud, Theft." These are prices Americans pay to health quacks, reports the Michigan State Medical Society. In terms of death, it is estimated that more Americans lose their lives each year to quackery than to all crimes of violence put together. In terms of dollars, the "take" approaches \$3 billion a year, more than \$100 million in Michigan alone.

MSMS notes that quackery exists in many forms. Most promise benefits for real or imagined problems. Their first targets are quacks who play upon the "incurable" patient. No only is the patient "milked" financially, but he can be killed in the process of treatment. At the very least, the medics maintain, he will prolong visiting a competent doctor, hoping the quack will effect a miracle.

"Cures" the quack might advance involve drugs and medicines, mechanical devices, special foods, and psychic treatments.

RED ANT serum and cricket legs may sound phony to many people, but to a chronic arthritic patient this

"cure" may be the only hope left. Elimination of quackery involves many problems. A legal definition of a "quack" may be the most difficult.

Where does one draw the line between "quackery" and the sale of vitamins, patent medicines, cosmetics and health foods? Is the definition of "quack" limited to that of a charlatan or should the careless physician whose poor judgment causes the death of patients be considered a quack?

Prosecution of quacks is often difficult because victims do not sign complaints. Some are too embarrassed; some are dead.

Another difficulty arises when patients are "cured" through quackery. Many illnesses are psychologically oriented. The patient can be convinced his "cure" is due to some miraculous result which has no scientific relationship.

LEGISLATION in California makes "quackery" a felony, punishable by imprisonment for up to 10 years. The law, passed last year, has yet to prove its effectiveness. There is divided opinion among attorneys whether a similar law would be helpful in Michigan. Some think that present statutes provide ample protection and that the problem lies with enforcement.

Attorney General Frank Kelley feels

that new legislation will not solve the problem. He says, "If given a choice, I would rather have more investigative and enforcement personnel than a wholesale batch of new laws." But Kelley points out that laws are "only a part of the public's arsenal against quackery." Education and publicity are paramount in the battle, he says. Governmental agencies and practitioners of the healing arts should work diligently in these areas, Kelley concludes.

THE QUACKERY problem was undertaken at an MSMS workshop which included representatives from the Legislature, law enforcement, media, health organizations, the legal and medical professions.

Two suggestions resulted from the effort. It was generally agreed that a better method of handling complaints from victims is needed. Although details were not defined, the need to protect anonymity of victims and depict the magnitude of the problem were emphasized.

A better job of education was stressed, including a program for schools and civic organizations.

The responsibility of the medical profession in allowing quackery to thrive in this "enlightened" age was probably best expressed by a doctor. He pointed out that medical organizations are quick to promote the accomplishments and progress of modern medicine. Perhaps some of this effort should be spent on its shortcomings.

### Roger Babson

## Public-Lawmaker Dialog Insufficient

BABSON PARK, Massachusetts — Our founding fathers intended that Congress should be a bulwark against centralism in government. They expected its acts to be an authoritative reflection of the collective will of the people.

If Congress is to reflect the true will of the people, that will must be expressed continually, frankly, and constructively. As almost any Congressman will confirm, the will of the people is being expressed only partially and imperfectly today. To be sure, incoming mail to Capitol Hill is impressively large, while communications from Senators and Representatives to the folks back home are flowing in record volume. But real dialog between members of Congress and the people still leaves much to be desired.

Few indeed are the suggestions sent to Congress which deal convincingly and objectively with today's problems. But in this era of swift communications, expanding industrialization, and multiplying government functions and programs, Congress is showered with criticism ... much of it not constructive.

CERTAIN it is that Congress is slowed, and sometimes bogged down, because of the rigidity of its dedication to tradition. If you really want to plead your views personally on a bill before a congressional committee, you'll find it relatively easy to get the nod to present yourself. But be prepared for delays, and possibly postponements, in your appearance date and time; for committees meet mostly about mid-morning and adjourn by noon when the Senate and the House convene. Sessions are short, hurried, often superficial.

For lack of time, informed and well-meaning citizens are rushed through. Some get the impression they are being brushed off; feelings bruised, these people become discouraged. Often they never again return to Capitol Hill,

leaving the committee hearings to the professional lobbyists who survive and thrive because they are Johnny-on-the-spot and persistent in their pleadings.

GONE — perhaps forever — are the really strong Speakers of the House who almost single-handedly make a good deal of the congressional history of yesteryear. But Congress is still blessed with numerous men of stature — capable, articulate, and often highly individualistic. The colorful flavor of bygone years may or may not be recaptured, but the dynamism should be retrievable.

Some claim the ills of Congress stem mostly from the so-called seniority system which provides that committee assignments, chairmanships, and influence generally depend on length of service. This assumes that the incompetents in Congress manage to be re-elected "ad infinitum". Criticism of the seniority system also suggests that Congress is "old and tired". Not so. The median age of all

members of Congress is 55 (Senators 59, Representatives 52).

SEN. RUSSELL B. Long of Louisiana has proposed that the Senate establish a dial-a-vote system that would permit absent members to record themselves by telephone when important rollcalls are being taken. Hidebound as Senators are to tradition, there is no early hope that they will adopt such a precedent-shattering idea. But Sen. Long's proposal does focus attention on the fact that Congress clings to voting procedures and members' courtesies that are archaic and time-consuming. Unlike so many state legislatures, Congress so far has failed to use electronic voting devices which could speed its work.

Congress' most dismal failure lies in its seemingly superficial handling of its chief responsibility — the enactment of laws. Under present rigid procedures and limitations of funds and staff, neither existing nor proposed programs are being studied as carefully or as fully as they should be relative to national goals.

### Farm Bureau Women Meet

Nearly 100 women members of the Farm Bureau are meeting today (Thursday) at the South Lyon Methodist church for an all-day District assembly.

The Oakland county chapter, headed by chairman Mrs. Edward Bourns, is acting as host to five other counties, Washtenaw, Livingston, Monroe, Wayne and Macomb. Mary Edith Anders of Fowlerville, district chairman, is Chairman for the Day (April 18).

Salvation Army Brigadier Robert McMahon, Administrator of the Eventide Rest Home in Detroit, will speak on the topic "Growing Old Gracefully." "P.E.P." (Political Education Program) will be the title of the talk by the second speaker, Dale Sherwin of Lansing. Mr. Sherwin is legislative counsel for the State Farm Bureau.

**ELECTRONICS**  
Electronics is one of the fastest growing fields in Michigan. Well trained men are very scarce. You don't have to be an Engineer to make good money, but you do have to know Electronics. With C.I.E.'s auto-programmed lessons, learning is easy, inexpensive & includes job placement service.

**ACCEPT AWARDS**—Mr. and Mrs. George Strange of 422 Dubuar, accepted post-humous awards of the Bronze Star for Valor, the Purple Heart and the Vietnamese Military Merit Medal and Gallantry Cross with Palm for their son, Army PFC (E3) Robert Allen

Strange, who was killed last July in Vietnam. Major General Shelton E. Lollis, Commanding General of the U.S. Army Tank-Automotive Command (ATAC), Warren, is shown making the award presentations.

## About Our Servicemen

# Vietnam Victim's Parents Accept His Battle Awards

Army PFC (E3) Robert Allen Strange of Northville, killed in the Vietnam fighting last July, has been posthumously awarded the Bronze Star Medal for Valor, the Purple Heart, and the Vietnamese Military Merit Medal and Gallantry Cross with palm.

The awards were accepted by the soldier's parents, Mr. and Mrs. George Strange of 422 Dubuar. The presentation was made by Major General Shelton E. Lollis, commanding general of the U.S. Army Tank-Automotive Command (ATAC), Warren, at a ceremony in the general's headquarters office. The Bronze Star Citation read: "For heroism in connection with military operations against an armed hostile force in the Republic of Vietnam. On 21 July, 1967 Private First Class Strange distinguished himself while serving as a Machine Gunner in Company B, 1st Battalion, 12th Infantry.

"Joining the unit in December 1966, Private First Class Strange faced the hardships and adversities of combat operations with a willing spirit and unflinching determination. His skill as a machine gunner and his knowledge of weapons and tactics was outstanding. His prowess in battle clearly marked him as a soldier of the highest caliber and contributed significantly to the performance of his unit in combat.

"On 12 July 1967 Private First Class Strange's platoon was moving to the assistance of another unit when it made contact with a major North Vietnamese Army force and was separated from the rest of the company. "Holding their ground despite ex-

treme odds, he and his comrades fought heroically for an extended period. He was mortally wounded in the action. Private First Class Strange's heroism and devotion to duty are in keeping with the highest traditions of the military service and reflect great credit on himself, his unit and the United States Army."

The 20 year old soldier attended Northville high school. He entered the service on May 31, 1966.

Seoul, Korea — Army Sergeant First Class Robert M. Tomsett, son of Mason Tomsett, Mt. Morris, received a Certificate of Achievement during ceremonies near Seoul, Korea, March 21. His wife, Claudia, lives at 1714 Bolton.

Sergeant Tomsett received the award for outstanding service during his last assignment in Ann Arbor, from September 1966 to February 1968.

The sergeant is now noncommissioned officer in charge of radio and cables with Eighth U.S. Army Headquarters. He entered the Army in 1953, completed basic training at Ft. Knox, Kentucky, and arrived in Korea in February of this year.

He graduated in 1953 from New York (N.Y.) Central high school.

U.S. ARMY, Vietnam — Army Private First Class James R. Honsinger, 20, son of Mr. and Mrs. Dean R. Honsinger, 9884 Currie road, Northville, was assigned to the 199th Infantry Brigade in Vietnam, March 23.

## On Oakland Budget

# Homeowners Fight For Open Hearing

A fight to get the Oakland county's 1969 tentative budget out in the open has been taken to the floor of the Oakland County Board of Supervisors.

The Oakland County Homeowners and Taxpayers association has demanded that their request for a public hearing be presented to the entire Board of Supervisors for a roll call vote. "In this way," said Glenn Swindler, president of the group, "the taxpayers can find out which supervisors are against a public hearing."

The association takes the position that the State Constitution provides for a public hearing on both the tentative and final budgets. The county, however, has responded that no money is appropriated on the tentative budget and therefore no public hearing is necessary at this time.

Swindler retorted that "no money

is appropriated on the budget in October, either," which is the date set by the county for a public hearing.

The reason the association is calling for a public hearing now on the tentative budget is obvious, according to Swindler. "We want some questions answered by the budget makers before the budget goes to the tax allocation board and the tax rate is set for next year."

They ask "what harm can there be in giving the taxpayer one evening to cross-examine the financial wizards who make up the county budget?"

The county's tentative budget has been set at \$26,202,955 — up about \$4.3 million over last year. This would require a .76 mill tax increase, or 76¢ for every thousand dollars of assessed valuation for every taxpayer in the county.

The supervisors also are considering a county-wide election to seek approximately 1 mill additional tax increase for the Oakland county road commission. This would add another dollar of taxes to every thousand-dollar assessment for every taxpayer in the county.

Swindler said there is no reason why a transfer of funds cannot be made from primary to local roads, as is done in Macomb and other counties to take care of road problems.

The organization spokesman also said that money being paid into the general fund from the new state income tax and from increased property taxes could be allocated to roads and schools so that additional millage requests would not be necessary.

"Instead," said Swindler, "they're spending our money on airports and morgues and air-conditioned jails and office buildings while the poor taxpayer is expected to dig deeper into his pockets."

The homeowners association has scheduled a meeting for Monday at 7:30 p.m. at Seaholm high school in Birmingham. Novi-Wixom area residents and those in the Oakland county portion of Northville are urged to attend.

Jerome L. Burns

Jerome L. Burns, 20-year-old son of Mr. and Mrs. Harold Burns, recently was promoted to the rank of sergeant in Vietnam.

A 1965 graduate of Northville high school, he recently "bumped into" a high school classmate, Howard Ambinder, in Vietnam. And, coincidentally, Howard a 1964 graduate, also had been promoted to the rank of sergeant.

Addresses of the two servicemen are: Sergeant Jerome L. Burns, RA 1692389, 101st Admin. Co. (MR), 101st Airborne Division, APO 96383, San Francisco.

Sergeant Howard Ambinder, RA 16877443, HHC 506, Field Depot, APO 96243 San Francisco.

The address of Private Michael Myers: 2451256, Platoon 161, "C" Company, 1st R.T. Bn., M.C.R.D., San Diego, California. 92140.

## School OKs 4 Contracts

Contracts for three new teachers were approved by the board of education for the 1968-69 school year.

In addition, the board approved the contract of Charles Hines for teaching junior high school shop for the remainder of the school year.

All four teachers are for replacement positions.

The new teachers are: Robert Chapel of Detroit, who will receive his master's degree from the University of Michigan in August, will teach high school English (\$6,650).

Miss Jean Findlay of Northville, a 1968 graduate of Michigan State university, will teach at the elementary level (\$6,425).

Miss Coral Zalma of Northville, also a 1968 graduate of Michigan State university, will teach at the elementary level (\$6,425).

Hines was graduated from the University of Michigan in 1946, is married and has five children. He will be paid \$1,589.92 for the remainder of the school year.

# Edison Appoints Kenneth Sewell

Northville resident Kenneth I. Sewell has been appointed project control engineer in the project and cost control department of The Detroit Edison company.

The appointment was included in an announcement of the establishment of the new department, project and cost control, under the directorship of Myron C. Beekman, assistant to the executive vice president for production, Harvey A. Wagner.

Sewell will report directly to Beekman and will be responsible for the coordination of the physical aspects of all production projects at the Edison company.

A native Detroit and graduate of Cooley high school, Sewell earned his bachelor of science degree in electrical engineering at Lawrence Institute of Technology in 1942.

Sewell began his Edison career, immediately after a three-year tour of duty during World War II with the U.S. Army Signal Corps, with the company's electrical apparatus division. He transferred to the planning division of the general engineering department in 1949 and has continued involvement in various phases of planning and development ever since.

He is a member of the Institute of Electrical and Electronics Engineers. Sewell and his wife, Dorothy, have

made their home at 18320 Laraugh Drive since 1965. They are the parents of three children.

## State Passes

# 'Sheldon' Bill

The Wayne county road commission is another step closer to the widening of Sheldon road south of the city of Northville as a result of the passage in the House of Representatives of a bill introduced by Representative Louis Schmidt.

By a 94 to 1 vote, the House of Representatives approved the bill which would authorize the State Administrative Board to transfer certain Plymouth State Home and Training School property to the Wayne County Board of county road commissioners.

The bill now goes to the Senate where there appears to be little if any opposition.

# Announcing Chevrolet's new Torque-Drive.

Nobody else offers anything like it at the price.

Torque-Drive does away with the clutch pedal. Most of the shifting, too. And for the most economy, it's available exclusively on all Camaro sixes and Chevy II

Nova 4- and 6 cylinder models.

Look how simple it is: You accelerate in 1st, then shift to Hi for cruising. That's all. If you like, you can even start in Hi. And accelerate from standstill to cruising speed. It's just a little slower that way.

The shift lever is conveniently located on the steering column, and there's a selector quadrant with easy-to-read indications. Park-RN Hi-1st. Only your Chevrolet dealer has it—clutchless driving at only \$68.65.

**The first  
no clutch  
one shift**

**\$68.65\***

**transmission**

Only Chevrolet has it.

\*Manufacturer's suggested retail price including Federal Excise Tax. State and local taxes additional.

9 p.m. (4) — WINCHESTER 73 (C).

10:30 p.m. (7) — THE HARDER THEY FALL, a 1956 movie featuring Humphrey Bogart and Rod Steiger.

11:15 p.m. (9) — STRANGER AT MY DOOR, MacDonald Carey and Patricia Medina in movie about a preacher who tries to redeem an outlaw's soul, and consequently puts his wife and son in mortal danger.

11:30 p.m. (2) — AMBUSH, Robert Taylor as scout is assigned to rescue a white girl captured by a renegade Apache.

1:30 a.m. (2) — THE LAWLESS EIGHTIES with Buster Crabbe in a story about a gunman who saves a young circuit rider from the masked men who have been mistreating the Indians.

2:00 a.m. (7) — THE SCAR, a 1948 movie with Paul Henreid and Joan Bennett.

### SUNDAY

APRIL 21

11:30 a.m. (9) — THE ATOMIC SUBMARINE, starring Joi Lansing and Brett Halsey, atomic sub sent to investigate the disappearance of atomic subs at the Pole, locates flying saucer under water — which starts to escape to outer space.

12 Noon (2) — BEAU BRUMMEL (C), starring Elizabeth Taylor and Stewart Granger in an adventure involving one of the most colorful and controversial figures of 18th Century England.

1 p.m. (9) — MAD DOG COLL, Telly Savalas and John Chandler in this movie which traces Coll's activities from early childhood to his violent death at age 23.

3:30 p.m. (9) — THE OLD DARK HORSE, an American car salesman in London delivers car to purchaser who resides in spooky secluded mansion

and becomes embroiled in series of fatal mishaps, with Tom Poston and Robert Morley.

5:30 p.m. (7) — VENGEANCE VALLEY (C), starring Burt Lancaster and Joanne Dru.

6:30 p.m. (9) — OLIVER TWIST, Dicken's immortal story of workhouse orphan forced into criminal company, starring Robert Newton, Anthony Newley and Alec Guinness.

9 p.m. (7) — A GIRL NAMED TAMIKO (C), Laurence Harvey, France Nuyten and Martha Hyer star in a romantic drama played against the exciting and exotic background of the Orient.

11:15 p.m. (7) — ALL THAT HEAVEN ALLOWS (C), with Rock Hudson and Jane Wyman.

11:15 p.m. (9) — A RUN FOR YOUR MONEY, Alec Guinness and Donald Houston play two Welch miners who win a newspaper contest and come to London.

11:30 p.m. (2) — LATIN LOVERS (C), starring Lana Turner as a rich girl arriving in Brazil for a rest and ends up being chased by a dashing rancher.

### MONDAY

APRIL 22

8:30 a.m. (7) — THE HAPPY TIME, with Charles Boyer and Marsha Hunt.

12:30 p.m. (9) — MONKEY BUSINESS, starring Cary Grant, Ginger Rogers, Marilyn Monroe in a movie about a sober, retiring, slightly absent-minded research chemist who stumbles on reversion-to-youth chemical formula and the laugh begins.

6 p.m. (7) — TANK FORCE, featuring Victor Mature and Luciana Paluzzi.

7 p.m. (9) — STOP ME BEFORE I KILL, a mentally disturbed bridegroom attempts to get reacquainted with his bride following an auto accident and a psychiatrist's infatuation for her almost breaks his sanity, with Claude Dauphin and Diane Cilento.

11:30 p.m. (2) — CONQUERER OF THE DESERT (C), Pedro Armendariz stars as a battling commander who leads his legions against gun runners and rebel tribes.

11:30 p.m. (9) — WATERFRONT, an exciting and suspenseful drama on the Liverpool waterfront starring Richard Burton and Robert Newton.

## Her Grandson Stars on TV

The Sunday night color telecast of Preview had special significance for Mrs. H. D. Henderson of Novi, longtime correspondent for the Novi News-Northville Record.

Featured on the program over Channel 9 was her grandson, Leon Rix, a professional New York musician who sings with the popular new group called "The Group Image".

A graduate of the University of Indiana, he served two years with the Indianapolis Symphony, one year with Fred Waring, has worked with Henry Mancini, and has done a live concert with Andy Williams.

His parents, Mr. and Mrs. Victor Rix, live in Falls Church, Virginia.

### TUESDAY

APRIL 24

8:30 a.m. (7) — WOMEN'S PRISON, with Ida Lupino and Jan Sterling.

12:30 p.m. (9) — THE RED PONY, Myrna Loy and Robert Mitchum in a story about a sensitive boy who, amid tangled family relationship, finds joy in his red pony and grief at its death.

6 p.m. (7) — TWO GLADIATORS, with Richard Harrison and Moira Orfel.

7 p.m. (9) — BADMAN'S TERRITORY, Randolph Scott and Gabby Hayes in a 1946 movie about notorious outlaws of frontier history 1850-99 when part of the west was not federally controlled.

9 p.m. (4) — THAT FUNNY FEELING (C).

11:30 p.m. (2) — THE LONG SHADOW, John Crawford in story about Communists who attempt to use the son of a Hungarian leader as bait to capture his father.

11:30 p.m. (9) — THE WOODEN HORSE, a suspense filled drama involving British prisoners of war who dig tunnel beneath a wooden gym horse to escape Nazi prison camp, leading to their successful escape and return to England, featuring Leo Genn and Anthony Steel.

### WEDNESDAY

APRIL 23

8:30 a.m. (7) — SPRINGTIME IN THE ROCKIES, a 1942 movie with Betty Grable and John Payne

12:30 p.m. (9) — RUN FOR COVER, James Cagney, John Derek and Ernest Borgnine star in this movie about an ex-criminal, alone and proud, who teaches a woman the ways of love and the boy the art of courage in the old days of the West.

6 p.m. (7) — BATTLE OF THE SEXES, with Peter Sellers and Constance Cummings.

7 p.m. (9) — CROSSWINDS, John Pay and Rhonda Fleming star in this 1951 movie about an adventurous schooner captain who faces murderous derelicts and head hunters in a successful attempt to regain his ship and girl.

9 p.m. (7) — WHERE LOVE HAS GONE (C), a searing drama of modern society involving a wealthy sculptress whose lover is killed by her teenage daughter, starring Susan Hayward and Bette Davis and co-starring Joey Heatherton and Michael Connors.

11:30 p.m. (2) — UNHOLY INTRUDERS, a first-run movie about an ex-convict, finding family living in slums, moves them into an unoccupied cloister.

# 'Best Actor' Stars In 'Best Movie'

Rod Steiger, whose hard-hitting characterization brought him the Academy Award-Best Actor last week, and the "best picture" in which he starred will open at the Penn Theatre in Plymouth on Wednesday, April 24.

"In the Heat of the Night," an unusual crime drama, casts Steiger as a Mississippi police chief who finds he must work with a northern Negro detective he can barely tolerate. It is a change of pace from Steiger's recent characterizations in "Dr. Zhivago," "The Loved One" and "The Pawnbroker."

Steiger developed his acting skill

at the New York Theatre Wing, the Dramatic Workshop and finally Elia Kazan's Actors Studio. His first professional role was a bit in the national company of "The Trial of Mary Dugan." Then came his Broadway bow in ANTA's revival of Clifford Odets' "Night Music." Steiger, then in his twenties, was praised by the New York drama critics for his portrayal of the 55-year-old detective.

Although his first film was "Teresa," it was the next, "On The Waterfront," which earned him an Academy Award nomination as best supporting actor.

Sharing the spotlight with Steiger in this award winner, shot in Color by DeLuxe, is Sidney Poitier, the versatile, universally popular Negro actor who once was such a bad actor that he flunked an audition for lessons.

"In The Heat of The Night" puts Poitier in a role far different from his Academy Award winning performance in "Lilies of The Field." In this crime drama, he plays a Philadelphia detective reluctantly assigned to a murder in the South.

Born in the South and raised in Nassau, Poitier worked at a rugged diversity of jobs including ditch digger, construction worker, pin-boy, trucker and longshoreman before accepting a position as janitor at The American Negro Theatre in exchange for badly needed acting lessons.

His natural ability developed and he played bit parts until a Broadway role led him to important roles in "Lysistrata," "Freight," and "Anna Lucastax." In 1949 he made his film bow in "No Way Out." His excellent acting led to the widely acclaimed performance in "Cry, The Beloved Country".

Lee Grant, an actress of exceptional style and versatility, who shares top billing in "In The Heat of The Night", first made her stage debut at the age of four when she danced with the American Ballet. Her first big break came when she won the pathetic part of a shoplifter in the play, "Detective Story."

Rod Steiger - 'Best Actor'

## She Dresses To Save Money

Wardrobe charges can take a healthy chunk out of a film's budget — especially for the gals, whose costumes sometimes cost thousands of dollars. But for Quentin Dean's film debut in the Mirisch Corporation presentation "In the Heat of the Night," costs for design and creation of her gowns came to exactly nothing.

She appears nude in her first scene — and wears her own clothes in the rest. This picture is suggested for mature audiences.

Sidney Poitier Plays Detective

## 'Valley of Dolls' Upcoming at P&A

For more than a year, "Valley of the Dolls" — Jacqueline Susann's best-selling novel — has been the talk of the country.

Now, under the skilled aegis of Director Mark Robson and Producer David Weisbart, this frank and fascinating contemporary entertainment has come to screen life. Twentieth Century-Fox is releasing this Panavision, DeLuxe Color attraction on Wednesday, April 24 at the P&A Theatre.

Cast as "the dolls" are: Barbara Parkins, star of TV's popular "Peyton Place" series for three years, playing Anne Welles, the well-bred New Englander who arrives in New York with bright-eyed innocence. Patty Duke, Oscar winner for "The Miracle Worker" and star of her own TV show, in her first adult part — the irrepressibly talented singer, Neely O'Hara. Sharon Tate, lovely, blonde star-to-be with three as yet unreleased

major films, portraying Jennifer North, the body beautiful and the girl vulnerable. And Susan Hayward, five-times-nominated Oscar winner back for her first made-in-Hollywood film in four years, starring as long-time Broadway star Helen Lawson.

Also starring are four handsome leading men who provide the romantic interest, and problems, for the "dolls": Paul Burke, Martin Milner, Charles Drake and talented newcomer, Tony Scotti.

Essentially, the story focuses on four women caught up in the heady world of show business and follows their lives as the tensions and disappointments increase, and some of them turn to pills and stimulants for "escape."

For all its realism, the Robson-Weisbart production is lavishly mounted as befits its background.

## 'Quick Lakes' Risky Business

"Only nature can build a true lake", warns Jerry Chiappetta, host of "The Michigan Sportsman", in a feature on man-made lakes. It will be shown Saturday April 20 at 6:30 p.m. on WXYZ-TV, Channel 7 in Detroit.

Chiappetta points out that it takes centuries for nature to build up the organic life that makes a lake a living thing. Many man-made lakes are a worthwhile investment, but often they are developed by the fast-buck operator who creates them to get the high dollar for lake-front lands.

These may be risky investments for the purchaser of resort property because they can degenerate rapidly if the operator does not maintain the dam and other features of the lake.

Authorities on the subject will appear to give warning of what to look for in such a purchase and tips to families already "stuck" on an artificial lake. Authorities have stepped in to regulate new developments. The Conservation Department must now approve plans for new lakes. Chiappetta's expose' is designed to protect the viewer against those developments in existence before passage of the new regulation.

Late news of all Michigan outdoor activity is always included in "The Michigan Sportsman".

## This Week's Highlights

FROM WKBD-TV

CHANNEL

## THURSDAY, APRIL 18

10 p.m. — LES CRANE — Guests: Dr. Marvin Ziporyn, author of "Born To Raise Hell"; Dr. Frederick Hacker, Chief of Staff, Hacker Clinic; Leon Mayer, trial lawyer and Chris Gugas, criminologist. Discussion about the Richard Speck case. (Color)

11 p.m. — MOVIE GREATS "The Capture" (dra. '51) Man in Mexico is falsely accused of robbery; the attempt to clear his name. Stars: Lew Ayres, Teresa Wright, Victor Jory. (Color)

FRIDAY, APRIL 19  
10 p.m. — LES CRANE — Guests: Dr. Morris Wilburne, Cardiologist; Dr. Jerome Kay, Heart Surgeon; and Dr. Albert Fields, Vascular Surgeon. Discussion about heart surgery, with demonstration of new devices and techniques for performing heart surgery. (Color).

11 p.m. — JOE PYNE — Dr. Joel Fort, San Francisco public health specialist, claims marijuana is not harmful and present laws should be changed. Dr. Roy Allan Anderson, ordained minister and author of a booklet called "Secrets of the Spirit World". WEDNESDAY, APRIL 24  
10 p.m. — LES CRANE — Michael McClure, author of the controversial play "The Beard". Rip Torn, director of the New York production. James Whetmore, senator, and Carley V. Porter, state assemblyman. A discussion of censorship related to this play and whether obscenity should be underwritten by tax payers (Color)

11 p.m. — MOVIE GREATS — "Nancy Steele is Missing" (Mys. '39) After twenty years in prison, a kidnapper plots to palm off a young girl as the baby he had kidnapped. Stars: Victor McLaglin, Walter Connolly, Peter Lorre.

# Channel 7 Buys 88 New Movies

Channel 7 has expanded its movie library by 293 titles in one of the largest single purchases of movie film ever made by a Detroit television station.

Of eight new film packages, seven were included in a transaction with Warner Brothers-Seven Arts, Inc., and another group was purchased simultaneously from American International.

Eighty-eight of the films have never been shown in Detroit. Fifty more have not been run locally, although seen on network television. They are scheduled to begin this fall on Channel 7's "Saturday Night Movie", "Award Movie" on Sunday, and the weekday "Six O'Clock Movie" and "Prize Movie".

In announcing the purchase, WXYZ-TV Program Director Lawrence Einhorn listed the following as examples of the quality motion pictures included:

How to be Very, Very Popular, Dear Brigitte, Do Not Disturb, High Wind in Jamaica, Hush, Hush Sweet Charlotte, John Goldfarb, Please Come Home, The Pleasure Seekers, Call Me Mister, Carmen Jones, The Leopard, Sodom & Gomorrah, Voyage to the Bottom of the Sea, Why Bother to Knock, Critic's Choice, Days of Wine & Roses, Island of Love, The Marriage-Go-Round, Palm Springs Weekend, PT-109, The Second Time Around, The Sins of Rachel Cade, Spencer's Mountain, A Summer Place, Ulysses, What a Way To Go, Act One, Gypsy, Sex & The Single Girl, Splendor in the Grass.

Einhorn noted that the American International package of 32 all-color features was selected for its youth appeal, evidenced by such titles as "Amazing Dr. Goldfinger", "Beach Party", "Ski Party", and "How to Stuff a Wild Bikini".

To illustrate the importance of this purchase to Channel 7's movie scheduling plans, Film Director Ken Sims pointed out that the 293 films would stretch more than a million feet — or from downtown Detroit past Muskegon and into Lake Michigan.

If played continuously, 24 hours a day, it would take more than three weeks to run through all of the new films only once.

## Author Recalls Painful Story

David Melton, father of a mentally retarded son, has written a book on his personal experiences with this problem. He talks about the painful realization that his son was retarded on The Mike Douglas Show, Thursday, April 18, at 4:30 p.m. in color on WJBK-TV2.

The book entitled, "Todd", the name of Melton's retarded son, relates how his wife sensed from the very beginning that something was definitely wrong with Todd, and of her attempt to convince the doctors. Melton tells how he first became aware of the Institutes for the Achievement of Human Potential and then discusses the involved and demanding therapy program. Several still photographs are shown of Todd in the therapy program. Glen Doman, Director of the Institute, appears on the show and discusses his patterning program.

Also appearing on this Mike Douglas Show are this week's co-host Michael Landon, the Mills Brothers, stuntman Bobby Miles and Brenda Lee.

## Collegians Rate ABC Shows Tops

A recent poll by Tech News, the student newspaper of Lawrence Institute of Technology, rates Mission Impossible at the top in TV entertainment among the student body.

Surveying a broad sample of 203 students and 5 faculty members, the paper's poll placed three ABC network shows in the top five against one each for CBS and NBC. The top five were:

1. Mission Impossible (CBS)
2. The F.B.I. (ABC)
3. Saturday Night Movie (NBC)
4. It Takes a Thief (ABC)

### 5. The Newlywed Game (ABC)

About seventy percent of the students polled were single, and three-quarters held jobs, reflecting heavier TV viewing on weekends. Their viewing on an average weekend was nearly three hours, as against one hour on an average weekday. Although their favorite magazine by far was Playboy, their next choices evidence a serious interest in current events: Reader's Digest, Time, National Geographic, Life, Esquire, Newsweek and U.S. News and World-Report.

NORTHVILLE

*A Thompson-Brown community  
created just for the joy of living*

Now you can enjoy the charming and delightful atmosphere of a lakefront community in an outstanding and convenient suburban location. This new dimension in living is available to you in Meadowbrook Lake, located just south of the I-96 Freeway in Novi, west of Farmington.

You and your family will enjoy nearby riding stables, harness racing at Northville Downs, sailboating, fishing, swimming and skating on Meadowbrook Lake

and at the many lakes that are close by. Golfing is available at several adjacent public courses. Residents have exclusive use of two community parks and a private beach area.

In addition to all of these opportunities, you'll find many lovely homes from which to choose, lake-front lots, paved streets, Detroit water and sewer system, and much, much more! Isn't it about time you visited Meadowbrook Lake? Drive out this weekend for sure!
