Novi OK's Cityhood

Novi voters, turning out in record numbers for a special election, flashed the green signal for incorporation Monday with the passage of the controversial cityhood question 694 to 498

At the same time, they picked nine of 14 candidates for the charter commission which will draw up the charter for the proposed new City of Novi. The nine winners, in the order of their votes,

Raymond Evans, 569; Joseph Crupi, 561; William L. Duey, 533; Dennis M. Berry, 513; A. Russell Button, 507; William D. Brinker, 499; Edwin E. Presnell, 497; J. F. Buck, 479; and David S. Harrison, 476.

The losing candidates and their votes were: Leo Harrawood, 465; La-Verne M. DeWaard, 433; Dorothy A. Farah, 395; Jámes L. Cherfoli, 395; and Edward W, Vahlbusch, 388.

One of the winning candidates is a village councilman (Evans) and two others are former councilmen (Crupi and Button). Losing candidate Harrawood also is a village councilman.

If the "three strikes you're out" adage means anything, cityhood scored on the final turn at bat. Incorporation twice was previously defeated in Noviin March, 1962 (525-264) and in September, (766-175).

On both the previous occasions, the nine "elected" charter commissioners lost their posts even before taking them because of the failure of incorporation.

Passage of the city incorporation question, which very 'ikely will be challenged in the courts, came almost exactly a decade after Novi voters approved incorporation as a village, Village incorporation was passed in March, 1958 by a vote of 509 to 442.

Even with passage of the city incorporation question, and discounting. any move by township officials to contest Novi cityhood in court, Novi will not formally become a city until after the newly elected commission drafts a city charter, it is approved by Novi voters, and after the governor signs the incorporation order.

That cityhood still faces opposition in court is a pretty safe bet since townsnip officials, who will lose their jobs when Novi becomes a city, have repeatedly indicated incorporation of Novi is illegal under state law. And in its last pre-election move to block the election, township officials were told by the Michigan Appeals Court the election would proceed and that if incorporation failed the issue would be decided for them and if it passed they still had recourse in court.

Another reason for the township's opposition to incorporation (and numerous reasons have been cited), is the harm it may cause those parts of the township which are not now part of the village. A major portion of Brookland Farms subdivision, for example, is not part of the village and hence was not part of the area slated for incorporation as city. Because of this situation, this portion of the subdivision faces the almost impossible task of setting up its own tiny township government, assessing, collecting taxes and financing its own police and fire protection.

Should Novi in fact become a city, some state municipal officials believe Brookland Farms and other similar areas will by necessity have to petition for annexation to the new city.

As was expected by many Novi village officials, the greatest opposition to city incorporation came from the area north of Grand River-particularly in the lake area where citizens of the community are more closely fied socially and educationally to the city of Walled Lake.

The northern area - Precinct 2 opposed incorporation by a vote of 217 to 179. But the overwhelming favorable vote in Precinct 1 - 515 to 281, spelled the difference between passage and failure.

Absentee Ballots

Available Here Absentee ballots for the June 10 Northville school district election now are available at the board of education offices, Earl Busard, school business

manager, announced this week. They may be picked up until 2 p.m. Saturday, June 8, and must be filed by the end of the election day.

Bomb Hoax Causes Closing of Schools

A school bomb threat, first in memory of local officials, forced closure of Northville public schools, disrupted local telephone service, and created mass confusion Friday morn-

Described later as the work of a sick mind, the bomb hoax also interrupted classes at St. Paul's Lutheran School and Our Lady of Victory Catholic School.

Policewoman Alice Richie received the telephoned threat about 7:40 a.m. She described the voice as an adult male, who repeated, "there's a bomb in one of your schools, there's a bomb in one of your schools", and then hung up.

The department telephoned the

Spear met with police and administrators Friday afternoon to discuss a policy plan for implementation in event of a recurrence.

"You can say what you want," Spear declared in anticipating public opposition to his action. "Given the same set of circumstances, I would probably do the same thing. Had a bomb been discovered and had school been kept in session I would have been tarred and feathered-and deservedly

pleted until just before noon. Returning young students home, he said, "Is by far the toughest problem we face and the one we are most concerned with, primarily because some of the children are from homes where both parents are working. In these cases we made every effort to see that they were left to the care

of a neighbor or friend." Nevertheless, problems did arise, and, in at least one instance, a youngster turned up "missing" until nearly

The superintendent strongly recommended that working parents make arrangements with their neighbors or friends to care for their children for

just such an emergency. "Frankly, I expect we will get more of this kind of thing. Hopefully, we'll be better prepared to cope with it the next time," he said.

Among the specific problems encountered Friday were these, said

Spear: -In evacuating the high school,

students were improperly clothed. High school students "began drifting away" after waiting a few

minutes. -"We were not geared for a systematic search of the buildings-some-

thing we plan to correct." Some elementary pupils, particu-

larly at Amerman, waited in the cold on wet and muddy ground. Northville was not the only school district threatened by a bomb Friday.

A threat was made at Plymouth-where

dozens reportedly have been made in the past, in Pontiac, and elsewhere. According to a sheriff's department spokesman, schools elsewhere in the county seldom dismiss classes because of the regularity of bomb scares.

They've become so accustomed to them that they largely ignore them, he said. Spear said procedures of other school districts relative to such emergencies would be investigated by his

staff for possible implementation here.

COUNCIL BRIEFS

A Tuesday night council meeting, postponed from Monday because of the Michigan Week Mayor's Exchange activities, lasted until midnight.

Full details of the session will be published in next week's Record, which will come out one day early due to the Memorial Dav holiday.

-Authorized purchase of the fish hatchery property from the federal government for a half-price figure of \$16,375. Councilman Wallace Nichols voted "no", however, stating that he preferred purchase at the full price with "no federal strings".

-Started preliminary steps for the extension of Carpenter street and its development including paving, sidewalks and utilities. The action was taken upon petition of three property owners in the area, Ivan Berdan, Joseph Jendrisak and Stuart Thomson and will be financed by special assessment against abutting property owners.

Memorial Day Plans Outlined

Pat Foley, commander of the department of Michigan Veterans of Foreign Wars, will be guest speaker at the annual Northville Memorial Day ceremonies in Rural Hill cemetery next Thursday morning.

His address will be preceded by the traditional parade, which will assemble in the Kroger parking lot at 9 a.m. and begin at 9:30, Walter Sousa, who is in charge of arrange-

Township Retains Mill

Northville township has been notified unofficially that its one-mill tax levy for operating township government will be preserved again this year.

Supervisor Gunnar Stromberg presented a revised budget to the Wayne county allocation board last Thursday. Earlier the new supervisor had been granted a week's delay in meeting with the county body when it was suggested that the township budget didn't require the full one mill as normally awarded the township.

At a special meeting of the township board last week changes were made in the budget bringing total expenditures to \$145,099, compared to an original budget of \$125,490.

Supervisor Stromberg said increases were made in an escrow account for fire equipment and to provide for fringe benefits for township em-

Although final determination of millage allocations to township, county and school boards is not made until the end of May, Stromberg said that word had been received that the fownship request for one mill would be approved.

8.9 Mills to School

Superintendent of Schools Raymond Spear reported this week that the school district has also been notified that its share of the millage allocation will be

the same as last year, 8.9 mills. The school district had asked for a 1.75 increase in its slice of the total 15.97 mills divided between the county, school and township governmental

The parade will re-form after the ceremonies and march back to the American Legion home where youngsters will receive ice cream donated by the Northville Downs.

VFW Post 4012 will hold its memorial service at 11 a.m. this Sunday, May 26, at Northville Methodist church with the Reverend S. D. Kindepresenting the sermon.

Chamber **Dinner Monday**

The annual membership meeting of the Northville Community Chamber of Commerce will be held Monday at 7 p.m. at Thunderbird Inn.

Featured speaker at the dinner meeting will be Carl D. Pursell, president of the Plymouth Community Chamber of Commerce.

Pursell is serving his third term as head of the Plymouth chamber and has been active in area activities for several years. In 1966 he was named "Outstanding Young Man of the Year" in Plymouth. He has been a candidate for state senate, was founder of the Hillsdale Leadership Conference and

the Plymouth Businessmen's Forum. In a brief business session members will elect three directors from a field of six nominees. The nominees include Dempsey B. Ebert, John J. Carlo and Fred McLean, all incumbents; and David Biery, Charles Ely, Jr., and Arthur Jahn.

Dinner reservations may be made by calling 349-1010. Members are urged to attend and bring their wives and prospective Chamber members.

Larry L. Ellsworth of 119 Walnut street.

According to one of the federal agents who entered Ellsworth's home with three Northville officers, a large collection of guns were confiscated. They included: 50-caliber machine gun, two Thompson 45-caliber machine guns, 30-caliber M-2 carbine, German Spandau machine gun, Canadian 9millimeter Sten gun, and a British 9-millimeter Sten gun.

Two of the guns were registered, the agent said, but were not in the condition under which they were registered,

Ellsworth, who reportedly moved to Northville from New Hudson last fall, was reluctant to comment when contacted by The Record. He noted only that he is a gun collector and has been collecting guns since 'I was about 16." He is married.

Following the raid, Ellsworth was permitted to remain at home but was ordered to appear in federal court the following day.

The agent declined to say how agents or police learned of the guns. Nor would he elaborate on the charges facing Ellsworth. He did say, however, that Ellsworth also had a half-track vehicle (semi-tank) in his garage.

Newlyweds Make Home in Seattle

A wedding trip to Seattle, Washington, their temporary home, followed the marriage of Kip Robin Wilson and Peter Michael Karl, Jr., at 7:30 p.m. May 10 in Our Lady of Victory church.

The bride is the daughter of Mr. and Mrs. Ian Hamilton Wilson of Northville and Miami, Florida. The bridegroom is the son of Mr. and Mrs. Peter Karl, Sr., of Detroit.

The Reverend Father John Wittstock officiated at the ceremony which was followed by a reception at the Mayflower Meeting House in Plymouth.

Given in marriage by her father, the bride wore a floor-length wedding gown of white silk organza. The Empire bodice was fashioned with a scooped neckline and elbow-length sleeves. The appliques of Chantilly lace adorning the bodice neckline and sleeves were reembroidered with clusters of seed pearls and crystals.

Still Time for Flouride Treatments

Late registrations are being accepted in the Wayne county health department's fluoride treatment program now in progress in Northville, it was announced this week.

Parents who have children in kindergarten, second, fifth or eighth grades who did not receive or return registration blanks sent out from school earlier may call the child's school and enroll him for treatments at Main street school in June.

Fee for the series of four treatments is \$4. It was pointed out that in a newer process of administration an odorless and tasteless white liquid is used. Parents are advised that the

recent fluoridation of water here gives complete protection only to new babies and that it does not offer enough protection for older children,

Treatments are being completed this week at Cooke junior high and are slated to begin at Moraine school next week. The administering team will finish at Main street school. To date,

response has been poor to the program with only one-third of the eligible pupils in kindergarten, second or fifth grades at Moraine enrolled.

Last year it was thought that the response was less than average as the treatments were given after school was recessed for summer.

Paul Dawson was elected chairman of the reactivated Northville Human Relations council which met last week.

Also elected were Fred Gaili, assistant chairman; Mrs. Stan Schaefer, treasurer; Isabelle Partridge, secre-

The next meeting will be at 8 p.m. today at Our Lady of Victory church with everyone interested invited to attend. The council stated it is interested in having all age groups represented and hopes especially to attract young people of the community.

Thirty attended last week's meeting. The council, which is non-denominational, expects to meet in various locations and asks everyone interested to watch for announcements.

Moraine P-TA Meets Tonight

An achievement night program with music, gym and art demonstrations will be sponsored by the Moraine elementary PTA at 7:30 p.m. tonight at the school.

This will be the school's final PTA meeting of the year. New officers will be installed. They are: Mrs. Edward Kelly, pre-

sident; Mrs. David Pink, vice-president; Mrs. William Bates, secretary; and Mrs. James McCurdy, treasurer.

CHECK FOR EXTRAS— The sum of \$1200 is donated for supplementary materials for the Northville Mothers' club Monday. Prcsenting the check to Superintendent Raymond Spear is Mrs. Donald Hannabargar, club president for the past year, as Mrs. Robert Matthews, club school representative, watches. The superintendent reports the funds are being

used for supplementary reading books, extra art materials, listening posts and head sets, projector screens, master letter set and drafting lamp, tape recorder. film strips, model planetarium, model solar system, instrumental equipment for the elementary music program, a punching bag and boxing gloves.

20 Students Give Recital

Piano and organ pupils of Mrs. William G. Williams concluded their spring semester with a recital for each other Saturday at Northville First Presbyterian church.

Students are Mary Stephens, Sarah and Eric Horner, Patti Johnson, Allison Lamb, Cindy Mapes, Leslianne and Wayne Brasure, Jimmy and Tom Curl, Lisa and David Luehrs, Charles and Dick Sanford, Judy Zimmerman, Roberta and Laurie Day, Kathy and Kim Slotnick and Greg Freydl.

Jaycees Seek 'Fourth' Funds

With their plans well underway for the annual Fourth of July celebration here, Northville Jaycees have their fingers crossed in hopes of "a big turnout" for tomorrow night's project to raise money for the Fourth

The benefit project is a community Millionaire's Party, to be held at the VFW Hall from 8 p.m. to midnight. "It's our way of raising money for the Fourth of July celebration," explained project chirman Dennis Snow, 'but it's also a fun night for the com-

tives, using as an example the act of Jesus washing the feet of His dis-

ciples who themselves were too proud

to perform such duties. And he sug-

Cashless Society . Costs Plenty

One inconvenience of our cashless society is the difficulties that arise when a credit card is lost.

John C. Burkman, 535 Baseline, was made aware of this recently when he was billed by an oil company for four purchases that totaled \$60.27. On receipt of the bills, Burkman notified Northville police that he had returned his credit card to the oil company several weeks before the purchases were made.

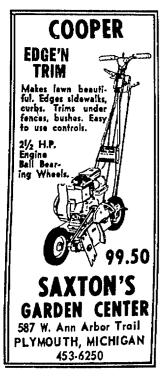

By tracing car license numbers recorded on the bills, police found the purchases-gas, oil, and a batterywere made by drivers of autos registered to owners in Detroit, Highland Park, and Taylor. The investigation is continuing.

Play Writer Recieves Award

Ralph Kelley of Plymouth, an English instructor at Schoolcraft college, was named third place winner in a state-wide contest sponsored by the Community Theater association of Michigan for original one-act plays by Michigan residents.

Winners are being announced this week in conjunction with the cultural activities of Michigan Week. Kelley's play was titled, "The Tender Grass."

Coincidentally, all winners were teachers in Michigan colleges, the first and second winners being instructors at Eastern Michigan and Northern Michigan universities.

Revue Planned

"Miss Hazel Presents," a dance revue by the 31 pupils of Mrs. Hazel Stambaugh's ballet classes will be given from 7:30 to 9 p.m. this Satur-day, May 25, in the Novi community

This is the first recital of the youngsters who have been studying since late fall Saturdays at the community hall classes. The girls are from Novi, Northville and the Walled Lake areas and range from kindergarten age to a young mother of three children.

Baby Ballerinas in the revue are Lisa Reny, Lori Thompson, Linda Mullins, Kathy Sova, Carla Willacker, Karen Cox, Melissa Faulkner, Gayle Davidson, Susan Beal, Kimberly Maxwell, Carol Haas.

Dance Cadettes are Mary E. Haas, Loretta Pickeral, Veronica Romanow, Spring Lamont, Diane Smith, Tamara Pittman, Lucine Tafralian, Patricia Temple, Suzanne Garcia, Sherry Lebutski, Shiela Mullins, Micheline Wysocki, Lee Ann Eastin.

The Sophisticates are Sally Sova, Kathy Schneider, Annette Willacker, Donalea Rock, Karen Scharf, Ingrid Scharf, Carrie Adams.

Each group will present stage numbers. In addition there will be a dancing duo number by Kathy Schneider and Donalea Rock and solos by Sally Sova and Donalea Rock,

At the conclusion attendance awards will be given to Shiela Mullins, Veronica Romanow, Annette Willacker, Ingrid Scharf, Karen Scharf and runnersup, Loretta Pickeral and Lucine Ta-

A ticket sales winner will be announced. There will be alimited number of tickets available at the door.

The show concludes Miss Hazel's classes for the season. They will resume in the fall under Mrs. Stambaugh's direction. She has studied dance for 21 years in this country and in Europe.

Lanes Lead Men's League

Northville Lanes picked up two more wins this past week to maintain its lead in the Men's Softball League here.

Lanes downed Pyles, 4-1, on Friday and then edged Perkins, 9-5 on Monday. Mary Fodor blasted a homer for Lanes against Pyles, Against Perkins, Lanes garnered 13 hits but the big hit of the game was a two-run fourbagger off the bat of Perkins' Dan Brown.

In its other game, Perkins powered past the Jaycees 10-2 last week Wednesday as Earl Handley came up with four hits in an equal number of times at bat, including two four-baggers. Brown also clubbed a round-tripper.

Del Burson came up with a threerun homer Monday to help the Jaycees slip past Lapham's, 7-6. Don Williams of Lapham's picked up a homer for his

ABC Plans Open House

Residents of the area are invited to an open house this Sunday at the new ABC Photo company facilities at Novi and Nine Mile roads.

Warren J. Coville, president, said demonstrations of all features of film processing and printing of photos, including color processing, will take place during the open house hours of 11 a.m. to 4:30 p.m.

Coville said his firm is "quite proud of our new facilities and equipment and hope area citizens will accept this invitation to see the area's new industry as well as to observe the latest techniques and equipment for processing film."

Municipal Court

Charges of rape against a 26-yearold Detroit man were dismissed during examination proceedings in Northville municipal court Monday. The 62-year-old complainant refused to testify, stated she did not wish to prosecute, and the arresting officer said he did not have personal knowledge of the assault alleged to have taken place in Rural Hill cemetery on May 12.

In trial Monday, Leonard Montgomery, South Lyon, was sentenced to \$70 fine, \$15 costs and two days in jail after being found guilty of violating the state financial responsibility law. Montgomery was placed on one year probation, with probation to be suspended if he is found guilty of driving or drinking violations.

A Detroit man pleaded guilty to a simple larceny charge-a charge resulting from the recent early morning theft of clothing from a downtown store.

William M. Ferrell stood mute when arraigned on a charge of larceny from a building but pleaded guilty to simple larceny. His sentence included two years probation to the Wayne County probation department. He also was sentenced to pay a \$30 fine and \$15 costs or serve seven days in jail. He failed to pay.

FORMAL WELCOME - Novi's Chamber of Commerce staged a formal welcome-to-Novi luncheon last week for officials of three firms occupying the ABC plant at Novi and Nine Mile roads. Warren Çoville, president of ABC (at the head of the table) responded by inviting residents of the community to attend the firm's open house this Sunday.

Thieves Steal School Tires

Thieves cut and squeezed their way through the fenced Northville bus compound over the weekend, broke into the trunks of four new drivers training cars, and stole spare tires and wheels from each.

According to Business Manager Earl Busard, the thieves also jacked up the rear end of one of the vehicles and removed the wheels.

'It's really a shame," he said, because John Mach Ford is good enough to lend us those cars for the education of our children and some-

one has to do something like this," The case is being investigated by Northville police.

Rape Suspect Arrested Here

A Northville man sought by Wayne county authorities on a warrant charging him with rape was arrested Monday morning by Northville police.

Dennis R. Carnes, 38 Woodland Place, was halted about 9:30 a.m. by Patrolman Robert Pankow, who saw Carnes driving on North Center near Walnut street. Carnes was turned over to Wayne County Sheriff department officers. Northville police issued a citation charging Carnes with driving after his license had been revoked.

Poisonous Snake Bite Kills Man

A poisonous snake bite with toxic venom officially was entered as the cause of the death of Clarence B. Carter, 9820 Five Mile road, Northville, by Wayne county medical examiners and Mt. Carmel Mercy hospital where he died May 16.

Mr. Carter, 71, who lived and farmed a small area near Salem, was taken to the hospital suffering what was at first thought to be a violent arthritic attack. Later it was noted there was a bruise on one leg that en closed two puncture marks with a white coloration in the center. He died five days after hospitalization.

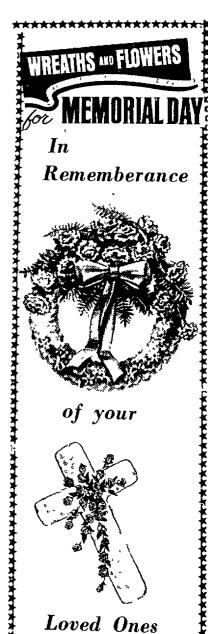

The state's only venomous snake, the tiny Massasauga rattlesnake, has been considered to small to kill. The post-mortem examination, however, showed the venom.

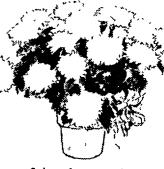

Mr. Carter was born September 24, 11 . 1896, at Wixom to George B. and Lucy Jane (Burch) Carter. He was a retired supervisor of Cadillac Motor division. Cadillac Motor company, where he had worked 43 years.

He leaves his wife, Frances B.; two sisters, Mrs. Vera M. Clair. Northville, and Mrs. Gertrude Van Dyke, St. Helen; two nieces, Mrs. Elaine Moran, Detroit, and Mrs. Lucy Wilson, Northville; a grandnephew, William Moran, Detroit; three grand-nieces, Elaine Ann, LucyJane and Deb-3 orah Wilson, all of Northville.

Funeral services were held Saturday at 2 p.m. with the Reverend) h of the Nazarene officiating at Casterline Funeral home. Interment was in Wixom cemetery.

IN THE HEART OF NORTHVILLE

Northville's Regional 'B' Track Champions

Northville Wins Regional Crown

Nearing completion of an already successful regular season, Northville's varsity thinclads came up with an extra special effort Saturday at Belleville in claiming the first regional "B" championship in the history of the school.

The superlative showing included one state "B" record and two Northville school records, and it catapulted 10 Mustangs into the state 'B" tournament slated Saturday at Michigan State university. The 10 will be competing in eight events.

Northville crushed 17 "B" schools in grabbing the coveted regional trophy. It's closest challenge came from powerful Willow Run which took 34 1/2 points to Northville's 45 1/3.

With first through third places qualifying for state competition, Northville will enter pole vault, mile relay, high jump, two-mile run, low hurdles, 880

relay, 880 run, and shot put.
Coach Ralph Redmond, who has had plenty of good comments about his athletes all season, was near speechless when his players walked off with the top trophy. 'They were great, just great," he beamed. "I can't say enough

about them." Highlighting the Mustangs' performance was the individual showing of Ron Gloetzner, a six-foot senior who flew over the pole vault bar at the state "B" record of 13' 9"-outdistancing even the Class"A" vaulters from 22 schools, took first place in the low hurdles, and a fourth-place in the high hurdles.

The highest vault of Class "A" athletes was 12' 6".

One other Mustang entry copped a first place. The mile relay squad zipped around the track at 3:32.8, putting it in an excellent position to pick up a state record at East Lansing Saturday. Members of the squad were Jim Peterson, Bill Harrison, Al Earehart, and Greg Marshall.

Second place marks included Peterson in the high jump at 6'2"; Bob Hicks in the shot put at 46' 10"; and the 880 relay team which set a school record at 1:33.1. Chuck Keegan, an

injury casualty earlier in the season, teamed up with Randy Simpson, Gregg Carr and Earehart in the relays.

Marshall, in only his second time out in the 880 run, zipped around the track in an excellent time of 2:02.4 -good for third place. Phil Kennedy also took third in the two mile run

Other point earning performances

Gloetzner, fourth, 15.6 in the high hurdles; Harrison, fifth, mile; John Pauli, fifth, two mile; Rick Lamp, fourth, mile; Bill MacDermaid, fifth, shot; Mike Ratliff, fifth, vault; and Barry Campbell, fourth, low hurdles.

Last week the Mustangs wrapped up their ninth regular season victory against one defeat, smashing Clarenceville 97-21. They were slated to compete in their final meet Tuesday against Milford.

In trouncing the Trojans, Northville picked up 10 first places against Clarenceville's four, But for over-exuberance, Northville would have won still another first place. Anxious to set a school record, a member of the 880 relay team stepped out of an exchange zone and the squad was disqualified.

Confident of victory, Coach Red-mond sent most of his freshmen and sophomores to the starting lines to give them some extra experience.

Northville slammed nine events (first, second and third places). These, together with the first place winner, included: long jump, John Stuyvenberg, 18' 10 1/2"; pole vault, Gloetzner, 13'; shot, Hicks, 45' 9 1/2"; high jump, Peterson, a new school record at 6' 2 1/2"; two-mile run, Kennedy, 10:38.8; mile run, Harrison, 4:47.2; high hurdles, Campbell, 16.5; 100 yard dash, Keegan, 10.6; and Ed Beller. low hurdles, 22.4.

The 10th first place was turned in by Earehart in the 220 yard dash

Clarenceville won first in the 880 relay, 880 run, 440 dash and the mile relay.

Novi Boosters Elect Officers

Formation of the Athletic Booster's club became a reality last week Wednesday with election of officers and a challenge by Principal Gerald Hartman and Athletic Director John Osborne.

Elected president of the new organization is Charles Boyer, whose sons are star athletes at the high school. Other newly elected officers are Robert Radtke, vice-president, and Mrs. Marsa Killeen, secretary-treasurer. Serving on the board of directors

are William Osborn, Gerald E. Pomeroy, Sid Adema, Elvin Prosch, Robert Flattery, Keith Branch, Les Ward and La Verne De Waard.

First major endeavor of the new organization will be a campaign to purchase a lighted scoreboard for the football field. A total of \$215 has already been contributed for this purpose.

Members of the organization, besides offering morale support for athletes and their coaches, members plan, among other things, to assist in the sale of season tickets, greeting visiting teams and coaches and assist with ticket-taking at the gate of an athletic

3rd Straight W-O Championship

Northville Nine Wins Title

Despite an unexpected loss to Brighton Saturday, Northville's varsity baseball team reigns today as the champion of the Wayne-Oakland League.

It's the third consecutive title for the Mustangs, who now will keep the coveted traveling trophy permanently because of the three championships.

Northville iced its title Monday by dumping second-place Clarkston, 6-2, but even before Saturday's 7-5 loss to Brighton the Mustangs sewed up the championship as Holly trimmed Milford.

The loss put Milford in a two-way tie for second with Clarkston, which dropped to third upon losing here Monday.

The Saturday loss came on the heels of a thrilling, tension-filled triumph over Bloomfield Hills the previous day on the Barons' diamond. Northville won the game, 4-3, in the eighth inning -just as it had done in its first encounter with the Barons.

Going into the top of the seventh, the Mustangs trailed 3-2. But Jeff Taylor, who relieved Bill Skelly in the inning, lifted a booming fly over the left field fence to tie the score. He

had to reach for the pitch, hitting the ball almost one-handed.

led off with a walk, went to second on an error. Stan Nirider tried to bunt and popped up. But when the Barons' pitcher tried to double off the base runner he threw wide and Donner reached second safely. Now, with one out and two strikes on Bob Hubbert. Coach Dick Willing signalled for a steal. Donner sped for third, the ball went wide of the mark, and he continued home for the winning run.

In its half of the eighth, Bloomfield Hills managed to get men on first and third, but Taylor came up with some superlative pitching in fanning the last batter.

"Keyed up and giving everything they had" against the Barons," explained the coach, the Mustangs came back with a "mental let-down" the following day to lose to the Bulldogs, a team they had beaten 10-3 earlier in the season.

Nirider scored Northville's first run in the second to put the Mustangs out-front. But the lead was short-lived as the Bulldogs came back with two in their half of the second and then piled up five more in the fourth.

Taylor was lifted late in the fourth, replaced by Fred Holdsworth. 'n the fifth, Northville threatened

to overtake Brighton, picking up four runs on two errors, a walk and a two-run triple off the bat of Dennis Primeau. Then in the big eighth, Joe Donner

They jumped off to an early two-run lead in the first and maintained their edge until the bottom of the fourth. In that inning, the Mustangs tied the score on three hits—by Nirider, Pat Cayley and Holdsworth, who was the winning hurler.

Northville scored another run in the fifth on three hits and added three in the sixth after two Mustangs had

fanned. ********

With the championship already wrapped up, Northville will travel to Clarenceville today in an effort to add frosting to the cake. The Mustangs will take on highly-praised Redford Union Saturday and then finish out the season here next Tuesday in a game with arch-rival Plymouth.

"We'll give Redford a real battle." promised Willing, who praised his players for their improved performance over last year's title-winning nine. "They've improved a lot, especially in defense. Their errors are way

Northville has an 11-2 mark in the W-O loop and is 12-2 overall.

Golfers Take 5th In Regional Meet

Foul weather and only fair shooting teamed Thursday up to prevent Northville from qualifying for state golf competition, but the Mustangs never-theless finished fifth in a field of 21 teams at the regional at Glen Oaks.

Northville finished just behind Bloomfield Hills Lasher (351) at 355. Detroit Benedictine took the regional crown, firing a 346. Actually, Benedictine finished in a tie with Monroe Catholic Central but won the meet in a playoff. Detroit Cathedral finished third with 350. "It was a miserable day", said

Coach Al Jones, "rainy, cold and windy. But even so, had the boys shot up to their potential we might have gone all the way." Kenny Neisch led for the Mustangs,

carding an 85. Tom Fagan followed with an 86, Dan Condon 90 and Billie Thomas 94.

Northville tuned up for today's W-O meet, edging both Milford and Livonia Franklin at Meadowbrook Monday. The Mustangs' team score was 172, just ahead of Milford's 173 and Livonia Franklin's 178.

Condon, who Jones calls his most consistant player, fired a 42. Thomas and Fagan finished with 43 and Neisch

"I'm a little disappointed with Tho-

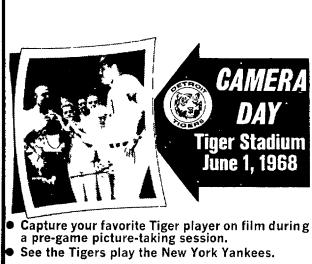

mas and Fagan," said the coach, "be-cause these boys are capable of better scores. They're shooting about the same as they were last year at this time." Sophomore Neisch, he added, is "probably our most improved player."

Looking ahead to today's league meet, Jones was undecided who would take the number five position. He said it's a toss-up between Jerry Asher, a senior, Jim Penrod, a sophomore, and John Eberhart, a junior.

"It looks like we'll probably finish third or fourth in the league meet (Northville now has an 8-4 record), but if things go well we could finish second." The favorites, in order, are Brighton, Bloomfield Hills and Milford, he said.

Last week at Brighton, the Mustangs finished second in a four-way meet. The Mustangs carded a 172, while Brighton claimed the victory with a 168. Third was Milfordat 174, and Fenton finished last at 178.

Tomorrow Northville will compete in the Pontiac Press golf tournament at the Pontiac Country club. They'll wind up the season later with a couple of meets with Plymouth and the annual teacher-student match.

Establishing new school records were John Davey, Don Maki, Gary Boyer and Mike Farah, 1:37.5 in the 880 yard relay; Mark Earl, 10:45.9 in the two-mile run; Lenny Beadle, 4:58.7, in the one-mile run; Van Wagner, 16.2, in the high hurdles; Tom Boyer, 2:07.9 in the 880 yard run; Rick Hill, 53.1 in the 440 yard dash; and Tom Boyer, Steve Pomeroy, Lenny Beadle and Rick

Hill, 3:42.2 in the mile relay.

The juggled lineup in this case was successful: Earl came through with the latest school record in the two-mile at Clarenceville.

Beadle, who posted his newest record in the mile at Clarenceville, had chopped his time to its lowest mark against Annapolis, too.

VanWagner copped three firsts, and Lev Tafralian, Davey and Osborn came up with one first each. VanWagner took first in the pole vault, high hurdles and low hurdles, Tafralian won the shot put event, Davey took the long jump, and Osborn took first in high

School Program 'Stands The Test'

EDITOR'S NOTE: Following is the second of four articles concerning the operational millage election slated for June 10 in Northville. It was written by Superintendent Raymond Spear.

The major function of the public school system is to provide an educational program for the children of our country. The types and quality of programs made available to boys and girls are as different as the communities in which they are found.

Northville's educational program, like Northville itself, is different than the programs of surrounding communities. Our program reflects a total budget smaller than many, yet a perpupil cost higher than most. Why?

School Board President Eugene Cook indicated in his article in the May 16, 1968 issue of the Northville Record the reasons why the Board of Education unanimously decided to request a two (2) mill increase in school taxes.

Our "Program of Excellence" stands as the most significant reason for our higher-than-average per pupil costs as well as our need for a two (2) mill increase in school taxes.

We believe our educational program stands the test of the label "Program of Excellence." The excellence of our program comes primarily through the desire and extra efforts of the people of this community to provide an educational program that "truly" meets the individual needs of all of its students.

One might ask, in what way do we meet all needs of our students? Certainly, one of the answers could be that we teach reading, writing and arithmetic. But is this all we should include in our curriculum? What about those students who have difficulty learning to read? Or those students who dislike arithmetic because they don't understand it? What about the students who excel in reading or arithmetic who need the freedom to go beyond that of a rigidly structured curriculum?

What of our children who, through no fault of their own, find themselves in the middle of a broken home and experience difficulty adjusting to school or society? Those who, again through no fault of their own, experience difficulty in "speaking" properly? Can we afford to ignore these and other

Are we meeting needs of the students, community and society when we provide instruction in music and art? Athletic activities outside the minimum that can be provided through our limited physical education program? Through debate activities and Future Teachers of America activities? These are only examples of the many things we are doing to assure ourselves that our children are properly prepared to meet the challenge of tomorrow's ever-changing world.

Did you have an opportunity to see "Bye, Bye, Birdie" last weekend at the High School? If not, I highly recommend that you see it Friday or Saturday this week. It is an outstanding example of the combining of all aspects of our "Program of Excellence." (Art, Vocal Music, Instrumental Music, Speech, Debate, English, Industrial Arts, Mathematics, etc.)

Have you heard that Northville athletes won the Regional Track Meetlast Saturday? Another example of our quality program.

I am extremely pleased and proud of our School System and the people who make it possible. If all communities exerted the "effort" that the taxpayer's of Northville do, I am sure that all education would be upgraded.

Northville enjoys a fine reputation for its educational offerings. Can we afford not to continue our present program? The two (2) mills requested by the Board of Education are necessary to continue to offer students what they want and are actively participating in.

It is the intention of the Board of Education to maintain a balanced budget for the 1968-69 school year. Your support is needed to meet this end.

A review of the 1957 and 1964 citizen study of Northville's curriculum indicates that we still have not reached the level of offerings which were recommended by these two citizen groups.

The greatest investment we can make in our own future is to invest in our children's education. It is your children and mine who will control the destiny of our nation in the years to come

we urge your support in assuring a sound future for the children of the Northville Public Schools School District.

Vote Monday, June 10, 1968, and support Northville's 'Program of Excellence."

Following is a history of Union Chapter No. 55, R.A.M. (1869-1968)—On October 3, 1867, a dispensation was granted to the following Companions to form a Chapter of Royal Arch Masons in the Village of North-ville; J. H. Smith, W. P. Hungerford, C. G. Harrington, C. P. Donaldson, J. E. Root, Henry W. Tuttle, D. B. Smith, Samuel Hungerford, D. B. Northrop, H. H. Jackson, Benjamin Gardner, A. C. Perrin, C. C. Yeomans and Lymon Pennigor. The Chapter was to be known as Union Chapter, U.D.

The first Convocation of Union Chapter, U.D. was held on October 17, 1867 in the lodge rooms of Northville Lodge No. 186 and appointed officers. During the short time the Chapter was under dispensation, the Chapter received twenty-six petitions and exalted nine Brothers to the sublime de-

gree of Royal Arch Mason

The by-laws of the Chapter were accepted on December 27, 1867. It is interesting to note that Article Two of the by-laws read as follows: The stated meetings of this Chapter shall be held on the Wednesday on or preceding the full of the moon of each month at 7:30 o'clock P.M., from the first of October to the first of April, and at 7:00 o'clock P.M., from the first of April to the first day of October. But as the Almanacs of that period did not always agree, much confusion resulted and this by-law was later changed to the second Wednesday of each month.

A Charter was issued to Union Chapter on January 8, 1868 and given the number 55. The following officers were elected on January 21, 1868 and installed on January 28, 1868 by Exc. Companion Mark Walters, the High Priest of Pontiac Chapter No. 5—

High Priest, John H. Smith; King, Ira J. Bracner; Scribe, Charles J. Harrington; Treas., Samuel Hungerford; Secretary, W. J. Clark; Capt. of Host, D. B. Smith; Principal Sojourner, C. M. Sly; Royal Arch Captain, W. P. Hungerford; Master of third Veil, Jas. P. Doraldson; Second Veil, H. H. Jackson; First Veil, H. W. Tuttle; Sentinel, G. E. Bradley.

The High Priest, John H. Smith, served the Chapter as High Priest for the next four years and again in 1875-1876-1877.

The first Companions to be Exalted in the new Chapter were Nelson H. Bell, James Covert and D. McGuire. These Companions received all of the degrees on February 12, 1868.

The history of Union Chapter No. 55 and Northville Lodge No. 186 shows the close relationship that existed between the two Masonic Bodies throughout the years. The Lodge and Chapter met in the rooms over W. P. Hungerfords store. This store stood on the present site of the Lapham Bank building and is now occupied by the Northville Record.

In 1880 Brother Barton A. Wheeler began the erection of a new store. The lodge entered into a contract with him, whereby they secured a nine year lease and constructed a second story later in the same year. The Chapter assumed half of this obligation, becoming joint owners with the Lodge. In this same year the Masonic Association was formed. The first Convocation of the chapter

was held in the new hall on July 6,

On June 4, 1891, Monroe Chapter No. 1 visited Union Chapter No. 55 and conferred the Royal Arch degree. On this occasion they presented Union Chapter with a silken Banner, with the name and number of the Chapter Imprinted upon it. This banner is still in the archives of Union Chapter.

In the years following, Union Chapter showed a slow but steady increase in membership.

In 1918 the Chapter celebrated their 50th anniversary with a dinner and program. A number of Grand Chapter officers were present.

The Chapter enjoyed its largest growth in membership in the early 1920's. In 1920 forty-five Companions were exalted; in 1921 the number was eighty-one; and in 1922 the number was ninety. In 1926 the Chapter reached its peak in membership, which was 459.

In 1922 the Masonic Association purchased the Chapman store for 5,500 dollars, of which the Chapter donated \$750.00.

In 1921 the Chapter sponsored a Chapter of De Molay for Boys. This Chapter was named Friendship Chapter.

In 1923, forty-nine members of Union Chapter signed a petition for a dispensation to form a Chapter of Royal Arch Masons in Redford, Michigan.

In the 1930's, the depression years took their toll of the membership of Union Chapter, as they did of many other Masonic Bodies through withdrawals and suspensions. In 1942, the membership had dropped to 160. The first gain in membership since 1930, was recorded in 1943, when the membership reached 174.

The membership of Union Chapter

is now 278, of which 42 Companions are Life members. Companion Joseph G. Hoffer is the only living 50 year member of Union Chapter.

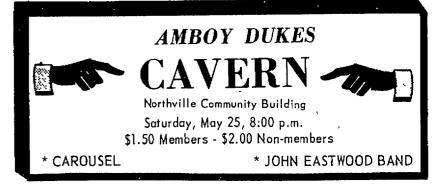

The history of Union Chapter would not be complete without paying a tribute to the Ladies Auxiliary of Union Chapter. The Auxiliary was organized on January 21, 1953, with the wives of the officers being the first members. It now has over 100 members. The idea for a ladies Auxiliary was sponsored by Ex. Companion Stewart H. Dodge, who was the High Priest of Union Chapter in 1953. It was brought before the members of Union Chapter, where it received unanimous support.

During the fifteen years of its existence, our Ladies Auxiliary has rendered invaluable assistance to the chapter. They have worked zealously on many money making projects. With this money they have presented Union Chapter with a complete set of robes for the Royal Arch degree, an Altar Bible, Altar cloth, Square and Compasses, a Cheribum, a complete set of officers aprons, an electric shower maker and a complete set of Banners for the Veils. In fact, the centennial souvenirs, which each one of you received this evening, were purchased by our Ladies Auxiliary at a cost of over \$600. Union Chapter owes a debt of gratitude to our Ladies Auxiliary that they can never repay. At this time I wish to thank our Exc. High Priest, Louis R. Tiffin and

Companion Harold Penn for their assistance in searching the records of Union Chapter for the material in this history of the Chapter.

I also wish to thank our very efficient Grand Secretary, P.G.H.P. Orlow J. Myers for his assistance in providing

Teachers Support 2-Mill Proposal

For the past three weeks the citizens of Northville have been repeatedly urged to support the millage increase proposed by the Board. The Northville Education association would like to echo those urgings by stating our complete support for the proposal.

Teachers—who are property owners and taxpayers also—are acutely aware of the cost of financing our schools. And as that cost has grown with the post-war baby boom, teachers have paid taxes and supported millage increases each time they were proposed. We do so again.

Perhaps it would be helpful to put Northville's school tax picture in perspective by looking at what other communities are paying for their children's education. The following figures are revealing: District 1967 In- Total

	Levy	creas	se
		1968	
Nankin Mills	38.80		38.80
Redford Union	37.90		37,90
Wayne	37,60	7*	44.60
West Bloomfield	33,20	3	36,20
Clarenceville	35.95		35.95
Northville	32,90	2*	34,90
South Lyon	26.10	8	34.10
Allen Park	34.00		34.00
Livonia	33,90		33,90
Inkster	32,90		32,90
Farmington	32,40		32.40
Bloomfield Hills	29.36		29.36
Plymouth	26.95	1.5	28.45
*proposed but not	voted.		•

These figures clearly indicate that the miliage request of our board is extremely modest. Moreover, the total miliage levied in the communities listed above will be about the same or greater than ours if we pass the increase. We would hope that these comparisons establish the reasonableness of the board's proposal.

All over Michigan, communities are wrestling with the growing cost of education because of increased school population, vastly improved and varied curricula, diversified extra-curricula programs, and improved salaries for administration, teachers, main-tenance and clerical staff. As a consequence of this, school finance has reached a critical point where it must be decided how to maintain and improve our schools. Several ideas have been discussed, among them federal aid. But in the last analysis, whether by federal aid and perhaps federal control or continued local and state support, the citizens of this nation pay to educate their children. There is no one else

to do it, only the choice to provide the best education available or not.

Lincoln held that the duty of the federal government was to do for people what they cannot or will not do for themselves. We hope that residents of communities like ours will continue to demonstrate that they can and will support and control their school systems. With this in mind, we urge you to vote "yes" on June 10th.

Rev. Roger Merrell First Methodist Church of South Lyon

O God, our Father, giver of every grace, clothe our lives with simple graces of everyday which will make life lovely.

Grant us the grace of courtesy, that we may live graciously as men, women, youth and children.

Grant us the grace of reliability, so that when we make a promise we may always keep it, so others will be able to depend on us. Help us to be ready to welcome people, even when we are busy, and help us never to make anyone who comes to see us feel a nuisance.

Give us the grace of generosity, and save us from giving so grudgingly, so condescendingly, so humiliatingly, that it would have been better not to give at

Help us always to be interested in other people, and so to be more ready to listen to them, and less eager to talk about "me".

Give us the grace of gratitude, that we may always speak the word of thanks which means so much to others.

Give us the appreciative spirit, that we may ever speak the word of praise and of congratulation, which makes

such a difference to others.

Help us to do faithfully the things we do not like doing, and to meet graciously the people we do not like meet-

Help us not to grow irritable even when we are tired, and not to grow impatient even when everything goes

Help us never to be angry at criticism, never to be indifferent to advice, never to be resentful at lack of appreciation.

Help us ever to remember the feelings of others, and ever to think less of our own.

Give us the grace of an even temper which can meet upsetting things with calm serenity.

O God, our Father, we know so well how very difficult these things can be. Help us to make some time each day to be with Jesus, that we may go out from Hispresence to meet the world with the strength and the peace and the beauty upon us which only He can give.

This we ask for Thylove's sake. Amen.

Christian Scientists To Dedicate Church

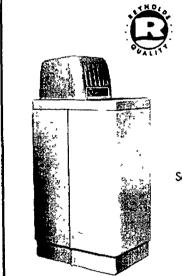

Christian Scientists of the Plymouth -Northville area will hold special services on Sunday, May 26, marking dedication of their church edifice at 1100 West Ann Arbor Trail.

Two services will be held, one at the regular hour of 10:30 a.m., and the other at 4:00 p.m. Sunday School will be held during the morning ser-vice only, but the Infants' Room will be open during both services.

First services in the present edifice were held on October 19, 1958. It is the denomination's second church

edifice in Plymouth. The first the steepled brown shingle church which was razed to make way for the City Hall - was the first building in Michigan to be erected as a Christian Science church. Its cornerstone was laid in July 1903, and dedication services, which may not be held until a Christian Science church is free of debt, were held October 3 of that year.

Invitations to attend the dedication services on May 26 have been issued to churches of all denominations, and the public is cordially welcome.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

who really taught me how to pray.

era, is really the beginning of a new tomorrow.

The Church is the greatest factor on earth for the building of character and good cilizenship. It is a storehouse of spiritual values 'Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) for his own sake. (2) for his children's sake. (3) for the sake of his community and nation. (4) for the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible doily.

Novi Policemen Still Organized

Patrolman Robert Starnes, acting president of the Novi Police Officers association informed The News that the police officers association has not disbanded as reported last week.

Starnes said that despite the resignation from the department of the association's former president, George Biggs, and withdrawal of the group's attorney, membership in the active association still includes all Novi police officers below the rank of chief.

Starnes said the association is selecting another attorney to represent the officers. The first attorney, Arnold Shifman, withdrew after Novi Village Attorney Howard Bond raised a point of conflict of interest about Shifman, an assistant Oakland county prosecuting attorney, representing the officers in dealing with a governmental unit in the county.

"We lost a fine attorney," Starnes said, "but not our main objective, which is to bring the Novi police department at least up to par wih neighboring communities in the areas of salaries, benefits, and department strength.

"As Chief Lee BeGole pointed out at the budget hearing, he has a need and duty assignments for more officers. Such officers must be paid salaries and receive tenefits similar to other departments in the area, or Novi will continue to lose experienced, career officers such as George Biggs."

News Around Schoolcraft

Plans for the 1968 School-craft college summer mu-sic school, which will offer four weeks of classes in chamber music and orchestral literature to advanced high school and early college students, have been announced by Wayne Dunlap, school director.

Enlarging on last summer's highly successful inaugural season, the school this year will offer an expanded faculty of professional, performing musicians covering every orchestral instrumental except percussions for the classes from July 2 to July

Dunlap also announced the second season for the Schoolcraft college summer music festival which this year will offer a series of three court concerts on Wednesday evenings, July 17, 24, and 31.

Mischa Mischakoff, longtime concertmaster with the Detroit Symphony, will be soloist on the July 17 program, and Pianist William Doppmann will return to the Festival for a performance at the July 24 concert. Dunlap said he hoped to engage the Kenneth Jewell Chorale again this year for the July 31 concert.

"A unique feature of the school again will be its concentration on small ensemble work," Dunlap said.
"The instructional approach will again provide a lot of individual attention, in addition to exposure to the type of music literature not normally offered to young musicians,

"An example of this instructional approach is the attention given to music theory for performers," Dunlap continued. "The emphasis here is development of performing style: what do the dotted notes mean in the music of Haydn; the style of bowing in Handel's music; how the brass plays in the style of Liszt, and so on."

"And of course, the stu-dent has an opportunity to play in the restival Orches-tra, as well as in the student orchestra."

Tuition for the four-week school is\$50. College credit is available for students who can qualify for admission to the college and on payment of the college matriculation fee and \$8,50 per credit hour, for district residents.

"Once again we are going to limit admission in instrumental areas to assure balance in the composition of the ensembles," Dunlap said.

Registration for the session is scheduled for July 1, from 9a.m. to noon in the Waterman campus center,

"But," said Dunlap, "students must indicate by June 15, their intent to enroll."

Official Minutes of the Northville Board of Education—

Minutes of the Regular Meeting-April 10, 1968.

In conformance with regulations of an 8:00 p.m. curfew imposed upon Wayne County by Proclamation of the Governor of the State of Michigan on the dates of April 8 and April 9, 1968, the Regular meeting of the Board of Education scheduled for April 8, 1968 was postponed and, upon lifting of the curfew, was held on April 10, 1968.

The meeting was called to order by President Eugene Cook at 7:37 p.m. in the Board of Education Offices at 405 West Main street, Northville, Michi-

The chair appointed Mr. Robert Froelich as Acting Secretary in the absence of Secretary Deibert.

Members Present: Mr. Eugene Cook, President; Mr. Robert Froelich, Trustee; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee. Mr. Earl Busard, Business Manager.

Absent: Mr. Stanley Johnston, Vice President; Mr. Glenn E. Deibert, Secretary; Mr. Richard Martin, Treasurer. Mr. Raymond Spear, Superin-

Administrators Present: Miss F. Panattoni, Curriculum Coordinator.

President Cook declared that a quorum was present and directed the board to proceed with the regular order of business.

Motion No. 68-195 by Mr. Froelich, supported by Mr. Orphan, that the agenda be adopted as presented. Motion

Motion No. 68-196 by Mr. Kipfer, supported by Mr. Orphan, that the Minutes of March 11, 1968 and March 25, 1968 be approved as published. Motion carried.

Acting Secretary Froelich noted communications:

Letter from Department of Education stating reasons for dis-allowing application for vocational education funds to purchase equipment this year, but offering assistance in terms of future applications for vocational funds.

Letter from Mr. Keith Berkeley, former Amerman School Principal, expressing appreciation for his experience in Northville and requesting release of obligation to the Northville Public Schools School District pursuant to leave of absence granted him in June of 1966.

Letter from Mr. Donald Brown, Counselor, requesting an educational leave of absence for the school year 1968-69 in order to pursue graduate studies in guidance and counseling at The University of Michigan.

. Letter from Mr. Dempsey Ebert, President, Northville Community Chamber of Commerce, regarding means of egress and ingress to the high school and a resolution passed by the Chamber of Commerce relative to this situation.

Letter from Mr. Thomas Dale, Superintendent of Novi Community Schools, extending gratitude to the Northville Board of Education for service rendered to the students of Novi School District during the years they attended Northville High school, Mr. Dale praised the quality of education provided students of the Northville High school.

Notice from Southeast Michigan Council of Governments announcing the program for their 17th Annual Regional Planning Conference in April.

Letter from Mrs. Clarence Patterson reiterating her views as expressed in a letter to the Editor of the Northville Record with respect to possible sale of the former Community building.

Motion No. 68-197 by Mr. Froelich, supported by Mr. Kipfer, that Mr. Keith Berkeley be released of any obligation to the Northville Public Schools School District, and that the Superintendent extend the best wishes of the board for his future endeavors. Motion carried.

Motion No. 68-198 by Mr. Froelich. supported by Mr. Kipfer, that Mr. Donald Brown be granted a leave of absence for the purpose of full-time study, effective at the completion of the 1967-68 school year, in accord with the provisions of the 1967-68 Master Contract. Motion carried.

Information received from the Superintendent indicated resignations effective the end of the 1967-68 school year have been received from the fol-

lowing certified personnel: Mrs. Judith Stouder - Junior high school (2 years).

Mrs. Rebecca Muller - High school (1/2 year)

Miss Sandra Finn - Moraine School (1 year) Mrs. Susan Sytsma - Junior High

School (2 years) Mrs. Betty Knapp - Junior High

School (1/2 year) Mrs. Kathryn LaPointe - Junior

High School (3 years)

Mr. Froelich suggested the Superintendent compile a record of reasons for termination of services by certified personnel for Board review. President Cook indicated intent to discuss terminal interview techniques with the Superintendent in the near future.

Motion No. 68-199 by Mr. Froelich, supported by Mr. Kipfer, that the contract for Mr. Charles Pheips Hines be approved for the remainder of the 1967-68 school year. Motion carried.

Motion No. 68-200 by Mr. Froelich, supported by Mr. Orphan, that contracts for Mr. Robert Chapel, Miss Coral Zalma and Miss Jean Findlay for the 1968-69 school year be approved.

Motion carried. Motion No. 68-201 by Mr. Froelich, supported by Mr. Kipfer, that Agenda Item #7, Board Policy - Principals -2210 be tabled. Motion carried.

Mr. Froelich indicated the desirability of review by the Board Subcommittee on Administrative Affairs relative to proposed revision of Board Policy 2210 prior to Board consideration for adoption of same.

Motion No. 68-202 by Mr. Froelich, supported by Mr. Kipfer, that the contract status for certified personnel of the Northville Public Schools School District for the 1968-69 school year be established in accord with the Superintendent's recommendations. Motion carried, (Appendix I to these min-

In a brief discussion of the resolution passed by the Northville Community Chamber of Commerce regarding means of egress and ingress to the High school, it was the consensus of the board that alternatives should be explored by the city and the school district. President Cook requested the Superintendent and/or business manager to arrange with the city manager for a joint meeting of the Northville city council for this purpose.

Inasmuch as noboard member could be selected at this meeting to attend the 17th Annual Regional Planning Conference of the Southeast Michigan Council of Governments scheduled for April 25, 1968 at Cobo Hall, President Cook deferred recommendation until board members in absentia could be contacted; relevant information to be relayed to the administration prior to registration deadline.

Motion No. 68-203 by Mr. Froelich supported by Mr. Orphan, that Bill Warrants and Payroll be approved as presented:

General Fund - \$428,867.35; Bookstore \$1520; Building and Site -- \$101,-293.51; Cafeteria Account \$11,137.43; Stadium Fund \$30.50; TOTAL: \$541,328.79. Motion carried

Business Manager Busard presented a Budget Report for March 1968 which, summarized, indicated 68.2% of total allocation expended; 97.2% of total allocation expended or encumbered; 2.8% of total allocation unencumbered; 91.2% of unexpended balance encumbered; 8.8% of unexpended balance unencumbered. In a brief dialogue with Mr. Froelich to clarify certain expenditures listed in the Report. Mr. Busard also noted the fact that providing gas and electricity at the Junior and Senior High Schools for construction purposes, as well as heating the swimming pool at the high school had created some inflated expenditures in these areas.

Motion No. 68-204 by Mr. Froelich, supported by Mr. Kipfer, that the Budget Report for March 1968 be accepted as presented. Motion carried.

Motion No. 68-205 by Mr. Kipfer, supported by Mr. Orphan, that a Resolution calling for the annual election of the school district for June 10, 1968, be adopted. Motion carried. (Appendix II to these minutes)

Preliminary discussion was opened by Mr. Busard concerning the recommendation for the purchase of two bus chassis equipped with automatic transmissions.

Motion No. 68-206 by Mr. Orphan that Agenda Item #14, Bus Bids, be tabled, Motion lost,

Discussion resumed with respect to the relative merits of the automatic transmission and the standard transmission, both performancewise and cost-wise. Business Manager Busard cited the Administration's evaluation of both current and potential transportation needs for anticipated enrichment curriculum activities and special education classes outside of Northville, The Business Manager requested prompt action on awarding of bus bids in order to facilitate an adequate transportation program, Mr. Busard further suggested certain advantages which could result from operating at least two buses equipped with automatic transmissions.

Motion No. 68-207 by Mr. Froelich, supported by Mr. Kipfer, that the bid for two (2) 66-passenger bus chassis equipped with automatic transmissions in the amount of \$4,474.10 per unit, and one (1)66-passenger bus chassis equipped with standard transmission in the amount of \$3,717.50, be awarded to John Mach Ford; and that the bid for one (1) 48-passenger chassis be awarded to John Mach Ford in the amount of \$3,170.50, and that the bodies for the four (4) chassis named be furnished by McFadden Corporation in accord with our Lease-Purchase Agreement of May 1967. Ayes: Mr. Froelich, Mr. Kipfer, Mr. Cook, Nay: Mr. Orphan.

There being less than a majority of the Elected members of the board of education present to support, the motion was declared lost.

President Cook pointed out the expected absence of the Superintendent from Northville until April 20, and suggested the possibility of cancellation of the regular special board meeting on April 22, 1968 in favor of a board work session. Other board members present concurred on the desirability of holding the regular special meeting as scheduled, followed by a work session

if the need for same is indicated. President Cook acknowledged a memorandum to the board from Member Orphan and called attentior to information provided by Business M ager Busard on "dates to watch" con-

cerning the June 10th election. There being no further business, the meeting adjourned at 9:00 p.m. Glenn E. Delbert, Secretary

Minutes of the Regular Special meeting - April 22, 1968.

The meeting was called to order by President Eugene Cook at 7:30 p.m. in the Board of Education Offices at 405 West Main street, Northville, Mich-

Members present: Mr. Eugene Cook, President; Mr. Glenn E. Delbert. Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. James Kipfer, Trustee. Mr. Raymond Spear, Superintendent; Mr. Earl

Busard, Business Manager. Absent: Mr. Stanley Johnston, Vice President; Mr. Andrew Orphan, Trus-

Administrators Present: Miss F. Panattoni, Curriculum Coordinator, Visitors Present: Mrs. Carol Forrer, Mr. Art Adams.

President Cook declared that a quorum was present and directed the board to proceed with the regular order of business. President Cook indicated two items

to be added to the agenda under Communications: d. Letter from Village of Novi; e. Letter from Schoolcraft College.

Motion No. 68-212 by Mr. Froelich, supported by Mr. Martin, that the agenda be adopted as amended. Motion carried.

Communications noted: Notice from Village of Novi of a Public Hearing on two proposed Amendments to the Zoning Ordinance of the Village of Novi, to be held on April 29,

Copy of letter to Novi Planning Commission from Westridge Corporation requesting hearing on Preliminary Unit Development Plan on their Nine Mile-Taft road development.

Notice from Michigan Labor Mediation Board regarding non-certified personnel bargaining unit findings, and direction for election.

Letter from Clerk of the Village of Novi indicating that the Village Council at its April 15th meeting passed the following motion: "That the Planning Board be requested to make it a part of their procedure to notify the affected school districts' board of all re-zoning hearings, and of all prepreliminary plat requests, so that the boards may attend the meetings and be in a position to plan and evaluate the effect of the same on the respective school district."

Letter from Schoolcraft College President, Dr. Eric Bradner, extending an invitation to various Boards of Education to meet with the College Board for discussion of the Secondary Area Vocational Study at a meeting called for May 1, 1968.

It was indicated that four or five Northville board members would at-

In a brief discussion of the Village of Novi Zoning Hearing scheduled for April 29, 1968, it was noted that Petition No. 1 of two proposed zoning amendments would affect the Northville school district in that the parcel involved (approximately 10 acres) is located at 8 1/2 Mile road and Beck road (west side).

It was further noted in a letter to Novi Planning Commission from Westridge Corporation, dated April 8, 1968, regarding that Corporation's request for review and approval of their Preliminary Unit Development Plan on the N/E 1/4. 9 Mile and Taft parcel (approximately 140 acres), that the letter stated in part, "We have committed the delivery of a 10 acre school site at no cost to the district..."

President Cook expressed commendation to the Administration and board members involved in Westridge's commitment of a 10-acre school site to the District.

President Cook requested attendance of Mr. Martin and Mr. Orphan at the Novi Zoning Hearing on April 29, 1968, with suggested presentation of the School Board's views on 60-foot lots in any proposed development.

Superintendent Spear and Business Manager Busard reported orally on a decision handed down by the Michigan Labor Mediation Board in the matter of Northville Public Schools, Employer, and International Union of Operating Engineers, AFL-CIO, Local #547, Petitioner. It was indicated that the proposed bargaining unit of bus drivers and custodian-maintenance only in the Union's Petition for Election is inappropriate for collective bargaining purposes, and that the bargaining unit appropriate for the purpose of collective bargaining, in this case, is: all noncertified employees of the Northville School System, including custodialmaintenance, cafeteria, bus drivers and mechanics, EXCLUDING head custodians, cafeteria manager, custodial maintenance supervisor, office-clerical employees and supervisors. The Labor Mediation board further directed that an election be held at the Northville High School on Thursday, May 9, 1968, 10:00 a.m. to 11:00 a.m. and 3:00 p.m. to 5:00 p.m. to determine the bargaining unit representative desired,

In a brief review of a Building and Site Fund Analysis submitted by the Administration, it was determined that a thorough evaluation of the previously established priorities relative to net unencumbered balance of Building and Site monies would be in order. President Cook directed that the Analysisbe referred to the original Board subcommittee involved, Mr. Froelich, Mr. Martin and Mr. Delbert for study and subsequent realignment of remaining priorities vet uncommitted. Mr. Froelich indicated a report on subcommittee findings would be presented at the

Mr. Art Adams, citizen, introduced a question to the board as to the district's proposed utilization of the new high school swimming pool upon completion. Mr. Adams' concern centered around the pool's limitation to swimteam coaching as opposed to general instruction for all eligible students, Assurances were given by the board and administration that the main purpose of the pool would be to provide general instruction, and Superintendent Spear emphasized that policies and regulations governing operation of the swimming pool would be forthcoming in the near future.

Superintendent Spear called attention to a program prepared and published under the direction of Miss Panattoni for Curriculum Day on, Saturday, April 27, 1968, in conjunction with the established teacher work day on that date. Mr. Spear also noted that the Curriculum Coordinator had developed a form to be distributed to the teaching staff for evaluating programs,

Northville Township Board Minutes

May 7, 1968 - Northville Township Hall. Meeting called to order at 8:10 p.m. by Acting Supervisor, Eleanor W. Hammond.

Present: Clerk Hammond, Treasurer Lawrence, Trustees: Armstrong. Baldwin, Stromberg, Tellam; Consultants: Attorney Ashton, Engineer Harry Mosher, Visitors: Wm. Sliger, Press, R. Russell of Thompson-Brown, and 14 area residents.

FIRST ORDER OF BUSINESS (elect temporary chairman to preside at meeting) Stromberg nominated Mr. Tellam as temporary chairman, seconded by Lawrence. Nominations were closed and Tellam unanimously elected and took the chair.

The Treasurer's report was approved as read by Mr. Lawrence.

The minutes of March 19th, 30th and April 2, 1968 were approved, with one correction to the April 2 minutes. The words "paragraph eight" were to be inserted on page three in paragraph two of section 7 after the words 'Bald win moved that resolution #66-13 ---". Armstrong moved to so correct the minutes and Baldwin supported. Ayes: All. Motion carried.

The township bills and the Water & Sewer Bills were presented, Stromberg moved that all current bills be paid, supported by Baldwin, Ayes: All. Motion carried.

The building department report was received and placed on file.

The Planning Commission minutes of April 30, the Appeal Board minutes of April 16, and the Library Commission minutes of April 4, 1968 were all accepted and filed.

Correspondence: 1. Beautification Council letter. Read and filed, on motion by Lawrence, seconded by Baldwin. Ayes: All. Motion

2. Mosher Associates letter. The letter and their new rate schedule were read. Baldwin moved, supported by Lawrence, that the Township Engineer's fees be increased as requested in their letter of May 3, 1968. The charge for attendance at Board meetings will continue to be \$25 and, for the time being, they will continue to supply construction inspection at the old rate of \$75 per crew day. Ayes: All. Motion carried.

3. Women for United Foundation. Letter read and filed on motion of Armstrong, seconded by Stromberg. Ayes: All. Motion carried.

4. Northwestern Child Guidance Clinic letter read and filed, after some discussion. Motion to file from Baldwin, seconded by Armstrong. Ayes: All. Motion carried.

5. Grandview Acres Association regarding Lawrence for Supervisor, with their endorsement. Letter received and deferred until New Business.

6. Letter from Wayne County Road Commission regarding tree planting in new subdivisions along roads, etc. The letter will be on file in the township hall for all to read. Badlwin moved that it be turned over to the Planning Commission also, seconded by Stromberg. Ayes: All. Motion carried.

7. Oakland County Planning Commission. Letter of invitation read and moved to be referred to the Planning Commission, by Baldwin, seconded by Lawrence. Ayes: All. Motion carried.

OLD BUSINESS 1. Bond issue resolution

Ashton stated that we were notified by letter, April 29, 1968 that the Bond Council had made an error on Resolution 5, for W3, in scheduling the due dates for the bonds, and they had apparently set up the date too early. They had to be set back a year. He recommended that we pass the amended resolution which was before the board now so it can be returned to their office for further action tomorrow. So moved by Armstrong, seconded by Lawrence, and further that the clerk be instructed to certify and sign the copies. Ayes: All, Motion carried

2. In the Detroit Edison Special Election held on April 29, 1968 only 51 votes were cast, all being yes votes. The election cost a little over \$700.

3. Group and Health Insurance. The clerk reported that many insurance companies were not interested inquoting us on Group and/or Health and Compensatory insurance because we have so few employees. However, the Michigan Townships Agency and also the Aetna Life have offered us plans. Baldwin suggested that the clerk made paid by other municipalities in the area. He moved that this be done and that then a special board meeting be called to discuss these personnel policies. Seconded by Lawrrnce, Ayes: All, Motion carried.

4. Bradner Rd. sewer leads. A bill for \$3500 for seven sewer leads across Bradner road was presented by Mosher Associates for Suburban Estates, Inc. The township will pay this bill and then be recompensed by the individual lot owners. Stromberg moved to pay this bill from Water and Sewer funds. Seconded by Lawrence. Ayes: All. Motion carried.

NEW BUSINESS:

1. Appointment of new Supervisor. Six names had been suggested to the Clerk as people who should be considered for Township Supervisor. They were: Mrs. Margaret Tegge, Ed Matatall, Charles Clarke, Jack Calaghan, Alex Lawrence, and Gunnar Stromberg. A letter favoring Mr. Lawrence's appointment was noted, from Grandview Acres Association.

Armstrong felt that the new supervisor should be selected from the board of trustees as he would have already served the township and have a knowledge of same.

Badlwin felt that there were probably people on the above list who were well qualified, but that they were not well known to the people or the board. Ashton pointed out that if a trustee were to be chosen, he would first have to give a written resignation as trustee, as no one can hold two offices. Armstrong said that he believes that the supervisor's is now a full time job, and also that he should have a general knowledge of what the township business has been in the past few years. He nominated Gunnar Stromberg.

Stromberg indicated that he would be willing to accept the nomination and tendered his written resignation from the board of trustees, from the Planning Commission and from the Appeal Board. Baldwin moved to accept the resignation and it was seconded by Armstrong. Ayes: All. Motion carried.

Baldwin moved that Gunnar Stromberg be appointed as Supervisor of Northville township to fill the unexpired term of our late Supervisor, R D. Merriam. Armstrong seconded. Ayes: Hammond, Baldwin, Armstrong. Nays: None. Abstain: Lawrence. Attorney Ashton commented that the Temporary Chairman could go on record with a vote, which Mr. Tellam then cast for Mr. Stromberg. Motion: Carried, and Mr. Stromberg was declared the new Supervisor.

Clerk Hammond administered the Oath of office to Mr. Stromberg at 9:50 p.m.

Supervisor Floyd Taylor, of Salem township arose and congratulated the board on its choice of a new supervisor.

Mr. Stromberg then took the chair, made a few remarks of acceptance, and thanks, and of his intentions "to do something for the township, even at the risk of making a few mistakes", and proceeded with the business of the meeting. 2. R. D. Merriam-Tellam present-

ed a resolution of commendation for Mr. Merriam. Baldwin moved that a letter of condolence be sent to Mrs. Merriam and that this resolution be incorporated in the letter. Seconded by Lawrence. Ayes: All. Motion car-

3. Jahn Landfill - Mr. Jahn was asked to come forward and then Mr. Ashton explained that on Oct. 4, 1966 this board had granted a landfill permit to Mr. Jahn under the ordinance. It had been brought to his attention that the landfill has not been carried on in accordance with the engineering specifications and permit as granted.

Mosher said that he had inspected it this week and that the fill is down into the flood plain.

Mr. Jahn protested that in his opinion the 2000 yds. of fill would not hurt anyone up or downstream and that the land could be used for a miniature

golf course which would benefit the tax structure of the community. Lawrence said that no flood plain can be raised without the approval of the Army Corps of Engineers.

Baldwin moved that the Supervisor. Engineer, and Building Inspector visit the landfill area and determine what needs to be done to bring the area back within the permit, and bring word back to the board how it is to be accomplished. Tellam seconded. Aves: All. Motion carried.

4. State Hospital Water line. A letter from Draugelis regarding the new contract with the State was read, and the letter and attachment (new contract) placed on file, after a motion from Baldwin, seconded by Lawrence. Ayes: All. Motion carried.

5. Thompson-Brown, release of funds. Letter was read requesting a release of funds amounting to \$101,520. to Suburban Estates, Inc. Moved by Tellam to release this money as it had been approved by the engineer, seconded by Baldwin.

Ayes: All. Motion carried.

APPOINTMENTS: 1. Mrs. Hammond nominated H. O. Evans for Recreation Commissioner to fill the unexpired term of R.D. Merriam. He has been contacted, and is receptive to the idea of serving. Baldwin moved that Mr. Evans be appointed to the Recreation Commission, sec-

onded by Tellam, Ayes: All, Motion carried. 2. Baldwin moved that Stromberg be appointed to represent the township board on the Water & Sewer Commission, to replace Mr. Merriam, seconded by Lawrence. Ayes: All. Motion

carried. OTHER business that may be prop-

erly brought before the board 1. Boam Co. - Moved by Baldwin, seconded by Tellam that the Boam Company be paid in the amount of \$10,895 on the approval of Mosher Associates. Ayes: All. Motion carried.

2. Letter of Credit renewal - Lawrence stated that Greenspan's letter of credit will expire before the next regular board meeting, and that he would take care of the extension before June 1,

3. Sewer Lift Station - Mr. Roy Russell spoke of the sewer lift station to be built by Greenspan and paid jointly by Greenspan and Thompson-Brown. He inquired how large a district it could serve. The township engineer will look into this and report to the supervisor this week.

4. Oasis sign - Armstrong read a letter that he had received from Mr. McNamara of Oasis Golf Club. Tellam moved that the letter be received and filed, seconded by Baldwin. Ayes: All. Motion carried.

5. Tellam spoke about reports of the constable patrolling the area. Baldwin moved that the Clerk make a resume of the constable's activities from reports in the office, for March and April, and have them ready for the nextboard meeting. Seconded by Tellam.

Bye Bye Birdie: All Agree, It's Terrific

"It was terriffic," "A really outstanding performance," "Very enjoy-able," "It's even better than I had imagined it would be."

These and numerous other comments were voiced last Saturday night in the high school auditorium at the conclusion of Northville high school's production of Bye Bye Birdie, a twoact Broadway musical-comedy under the direction and staging of NHS Choir Director Mr. Donald Valentine.

Bye Bye Birdie performances were held both Friday and Saturday night, the latter performance receiving an enthusiastic standing ovation, com-plete with four curtain calls and recognition of the stage crew, Mr. Valentine, and the orchestra and its director Mr. Robert Williams.

"It was a tremendous success," stated Mr. Valentine after the show amidst congratulations of impressed

"We had an outstanding stage crew there were no goofs tonight. Everything was solid, and the choreography was simply outstanding."

Mr. Valentine also pointed out that from the crowd reaction, "The two characters that the audience loved were Stacey Evans, Albert's mother Mae; and Bob Shafer, Mr. Macafee."

But you must give Jerry Williams a hand for his dive at Rosie," added Mr. Valentine, "he practically killed himself. He's going to do even better next weekend.

School Committee Reports Progress

The steering committee for Northville's year-round school study met May 14 to evaluate progress to date and determine future direction for study.

Committee members Eugene Cook, Mrs. H. O. Evans, Milton Jacobi, Dr. Paul Hunt, Kenneth Rathert, Earl Busard, Richard Rushee and Raymond Spear heard reports from separate sub-committees on the study, several of which have completed their findings.

It was announced that the concept and implementation committee, responsible for choosing the most desirable plan for Northville, will meet at 8 p.m. next Monday, May 27, in the senior high school instructional materials center (library) with all interested citizens invited to attend.

In attempting to determine the most desirable for Northville, this committee has identified three major concepts of schooling:

1. Ongoing program which suggests that the status quo is doing the job. 2. Expanded program which suggests effective operation but would only

expand present offerings to meet in-

creasing enrollment. 3. Extended program which "truly serves to extend curriculum offerings." This can be accomplished, the committee reports, by extending the

school year through the summer or by extending the school day. It could include a Head Start program, adult education or enrichment.

Other sub-committees reporting last week included the survey and publicity committee which has completed its survey in The Northville Record (It gleaned a very small response with only 58 people filling out and returning the questionnaire). The committee now is willing to assist other

The research committee reported it has collected all data necessary and is in process of abstracting all reports and will submit a final one to the steering committee of various kinds of year-round programs suggested.

The general feeling of this committee appeared to be that very few of the programs can be documented (i.e. It would be difficult to estimate their success here without trial).

The pupils, facility and staff committee stated it has completed its evaluation of cost projections based on the present method of operation. This subcommittee now awaits the suggested year-round school concept most desirable for the Northville area in order that a comparative cost analysis can

His Ordination Set Sunday

Edmund S. Borycz, 27 years old, the son of Mr. and Mrs. Edmund Borycz of Detroit, who is widely known for his work with the retarded, will be ordained a Roman Catholic priest Saturday, June 1.

Archbishop John F. Dearden will preside at the 10 a.m. ceremony in Blessed Sacrament Cathedral, 9844 Woodward avenue, Detroit.

Four years ago, during his initial year at St. John's Provincial Seminary here, he organized and set up an interfaith religion program at the Plymouth State Home and Training School in Northville. In 1967 he was placed in charge of renovating a building at the school as an inter-faith chapel

During the 1967 summer he served the home as chaplain. Just before his ordination he was sent as official representative of Michigan clergymen working with retardates to the Boston convention of the American Association of Mental Deficiency.

Two escapes from Detroit House of Correction, three disorderly person charges and five driving violations were among the cases in Northville municipal court last week,

Arraigned May 15 on charges of escaping from Detroit House of Correction were Talmadge Amaker and Gary Thompson, both of Detroit, who pleaded guilty. Each had 15 days added to his sentence.

Isaac Arden Kelly of Plymouth was charged May 16 with driving under the influence of alcohol and with no operator's license. He pleaded guilty to both counts, was fined \$100 or 20 days on the first and \$25 or 5 days on the second. He was confined to Detroit House of Correction Friday and his license was revoked for 90 days.

Arraigned May 15 on the charge of driving while his operator's license was revoked, Alexander Strachan, Jr., was revoked, Alexander Strachan, 51., 620 Horton, pleaded guilty and was fined \$70 and three days, or 12 days if the fine were not paid. He paid the fine and was committed to Detroit House of Correction. He also was placed on one year's probation.

Sheldon Widening Close

The widening program for Sheldon road south of Northville moved appreciably by the passage of House Bill 3740, introduced by State Representative Louis E. Schmidt.

The bill, when signed by the Governor, will authorize the State Administrative board's transfer of land along the Plymouth State Home and Training School property to the Wayne county road commission. The property will be conveyed without any monetary consideration on the basis that the road commission will bear the cost of construction.

According to Representative Schmidt he has discussed the potential problems with representatives of the county because of traffic patterns on Main and Center streets in Northville.

Studies are in process regarding the routing of traffic from the south, through the Northville area to I-96 and U.S. 16. A special Northville committee has also been studying alternate routes to divert traffic from Main and Center streets and has met with the County road commission as well as other groups in an effort to resolve the traffic bottleneck.

SPEAKING

for The Record

Irving J. Rubin is the director of an organization called TALUS (Detroit Regional Transportation and Land Use Study). He's probably best known for his past work as the executive assistant for eight years to the state highway commissioner.

Monday noon he was guest speaker at the annual Michigan Week Mayors' Exchange Day dinner hosted by the \Northville Rotary club and honoring visiting officials from Hastings.

I suspect most of us presumed Rubin would extol the glories of our state by listing its many achievements in the fields of industry, agriculture, education, etc. As a matter of fact, he did mention a few Michigan accomplishments.

But instead of inflating our egos, he pricked them ever-so-gently by reminding us of "the things we know we ought to do but can't find the time, money or guts to do".

Professionally, Rubin is a planner. Logically, his chief concern for the seven-county metropolitan area he represents should be to figure out how to provide such facilities as highways, airports, incinerators, housing, etc., for the booming urban population of the future.

It should be easy. Estimate the number of people, calculate the land area and divide it up so there's room for the people and their needs.

But Rubin complicates the problem.

Somewhere in the mass of statistics he has compiled, he uncovered the fact that the projects we undertake are the response to the needs of the middle and upper income whites.

As a planner, Rubin certainly places high priority on the need for elaborate highway systems, housing programs, airports. They're all necessary. But who benefits most from these pro-

What about education, he asks. How much is spent per pupil in the school systems where youngsters really need to be encouraged and stimulated to learn, compared to systems where there's already stimulation in the

To Rubin planning is more than a mathematical formula. There's social concern, too. What does it do to and for people, he asked.

He predicted that the inequities will broaden. There will be more jobs in the future for those with a higher education. There will be fewer "bluecollar" jobs. There will be more leisure, more time for recreation, and more money to spend. By 1990. he said, more than half of the families will have an income comparable to the buying power of \$15,000 annually today.

The leaders of the revolts are not revolutionaries, Rubin maintains. They are, instead, those who have learned and earned enough to recognize the sharp inequities and to believe that the words they read in our declaration of rights are hollow.

"Our problems in planning don't respect boundaries", Rubin insisted.

But whether we choose to solve the problem of this era of human resources-the problem of providing an opportunity for every man to fulfill himself-depends upon our willingness to assume social responsibility and exercise political courage.

"We have the money. And we even admit it should be done, sometime",

It's just that an expressway to the suburbs, a faster route to the airport, a modern school building in our own district have more appeal.

This article, taken from the Delta Democrat Times and reprinted in the Pontiac Press, has to warm the heart of every newspaperman who digs out his news the hard way.

A funny thing happened recently in Yuma, Colorado. The television station located about 60 miles from Yuma in Sterling, Colorado, (KTAS-TV) announced that a million-dollar motor hotel and recreation | mecca would be built in Yuma by Swen Laet-

Bewilderment and a rash of humorous incidents welled among Yuma citizens in the wake of the announce-

si, a Chicago business tycoon.

The Yuma Pioneer failed to mention the big enterprise in its next issue. People began to suspect a hoax.

The Yuma Pioneer finally broke down and confessed. Irritated because KTAS-TV consistently put out Yuma news which the newspaper said was "pirated" from its columns, the Pioneer had "planted" the story about the hotel in a single copy of the newspaper, placed a three-banner headline on it and sent the copy to the television station, a regular subscriber.

Obviously, the TV station read the story over the air without checking on its accuracy.

The Pioneer says this is habitual with the station - which does not give credit for its sources but allows the televiewer to believe that the station's news staff did the work.

In this case, the newspaper had the television station dead to rights. All the station had to do to expose the fraud was to call "millionaire Swen Laetsi in Chicago, or check his financial standing.

They could have figured out "Swen Laetsi," spelled backwards, is "I steal

It never pays to discuss shop at home; it's like mixing Brahms and Rock 'n Roll.

Awhile back Northville's city manager, Frank Ollendorff, unwrapped a knotty question for members of the planning commission. Basically, it was this: how far should the city go in prohibiting non-conforming "busi-

My unspoken initial reaction was: "Well, that's simple enough: If the law says it's unlawful then it shouldn't be permitted."

But simplicity often begets complexity as was the case when Frank cited some classic examples: Sale of antiques from a home; piano lessons in the home; and home-made hair styling. These are businesses, but should the city prohibit them?, he asked.

A number of answers were tossed out by planners, one of which included this ground-rule: if it's advertised then it's a business and should be prohibited. Wait a minute, I thought, now you're prohibiting sale of our old icebox because we've advertised it in The Record's classified section!

While the city manager and the planners wrestled with the problem, I took it home with me and tossed it on our communal table.

"That's typical," she declared. "the city spoils everything. Next thing you know they'll be prohibiting baby

"The city hasn't done anything yet," I replied. "They're just discussing the problem and trying to come up with a fair solution. You're overlooking the nuisance such businesses might create in a neighborhood."

"You mean to tell me they would even consider stopping a garage sale? That's ridiculous. Where would I ever

And tragically, the situation won't change when the new season opens in the fall. There'll be the usual bland

Presently, only a modicum of weighty shows are coming over the tube. and most of these productions are specials. There's the erstwhile Hallmark playhouse, and recently, CBS Playhouse.

The crying need for serious drama was underscored by this year's Emmy ceremonies. CBS Playhous dominated the drama category with such distinctive original plays as "Do Not Go Gentle into that Good Night" and "Dear Friends". Except for selected specials, no other programs deserved consideration in this important category.

The latest CBS Playhouse presentation was "Secrets," an original play written by Tad Mosel. For approximately two hours, uninterrupted by commercials, the story of a man's attempt to retain a smidgen of individuality in a prying world unfolded be-

In a way, the play was a mystery. Why did Bryan Gray, respected citizen, business and family man, refuse to serve on a jury chosen to consider a case involving an actress-mother's attack on her degenerate son?

To Gray's wife, Doris, her husband's refusal represented a threat to her marriage. After all, as she openly told her husband, 'I always know what you're thinking." For the first time in her married life, however, she realized her predictable husband was not an open book.

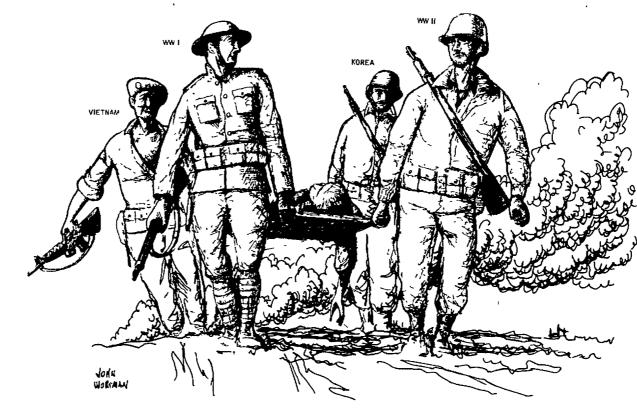

Mosel captured the minuitae and enput of married life, but it remained for Barbara Bel Geddes and Arthur Hills as the husband and wife to make a turgid drama of a brilliantly conceived and well-written script.

Although serious drama, whenever attempted on TV, gets commendatory reviews, nevertheless the prospect is that television will not upgrade its programming. For the simple truth is that dramas, according to the rating services, do not have widespread appeal.

And popularity dictates programing. What company, for instance, would be willing to underwrite the cost of a drama which claims only a small share of the viewing public? Hallmark is apparently the only company pre-ferring quality over quantity.

There is hope for television, however. This is indicated by private industry's growing participation in employment of the jobless, in supporting programs aimed at bouying up society,

State Adopted 'Belize' Seeks Investors

LANSING — Interest in the tiny country of British Honduras is increasing among Michigan businessmen and professionals. The emerging nation, to be called "Belize" when it attains independence from Great Britain in the near future, was "adopted" by Michigan two years ago.

Michigan is one of 34 states participating in the National Association of the Partners of the Alliance, formed for the purpose of developing Central and Latin America.

Belize, Michigan's "partner," is bounded on the north and west by Mexico and on the south and west by Guatemala. Its eastern boundaries face the Caribbean. Its total area is only 8,866 square miles, roughly the size of the "Thumb" of Michigan, and population totals only 110,000.

A DELEGATION from Michigan visited the country in February to discuss the most pressing problems and develop a program of assistance. According to Judd Arnett, DetroitFree Press columnist who accompanied the delegation, "It was 'investors' - rich Americans with money for speculation - that the Belize Partners, brass band and all, awaited at the airport that first Sunday in February. The Michigan delegation, many innocent of the roles expected of them, did not live up to advance billing."

"Intentions were honorable; goodwill was rampant; fellowship never fell into more concerned hands; but of money in large quantities there was a definite paucity. That was the status of the Michiganians as the Belize Times, owned by Premiere George Price and his political party, trumpeted

the opening of the conference - Investors Arrive,"

OPPORTUNITIES for investment appear in many areas, Arnett reports, but one enterprising man from California cautions that on-the -scene management is even more important than risk capital. The country is handicapped by lack of such basic necessities as roads, Many parts of Belize are accessible only by plane or pack animal, and those roads which do exist are "abominable," says Arnett.

This underdevelopment makes the Belize dream of becoming a tourist Mecca impractical in the foreseeable future. Investments in farming, cattle raising, light industry and commercial enterprises seem to offer more opportunity.

MANY FINE things have already been accomplished under the Alliance plan, notes Arnett. Doctors, educators, vocational experts, agriculture extension agents, business executives and specialists in many fields have been sent there at Partner expense, or have been moved southward. There is a place and a need for everything.

Sault Ste. Marie has "unofficially" adopted the Belize city of Orange Walk Town as its sister city.

A few Michigan businessmen are seriously considering investing in various enterprises. But for all of the activity, Arnett suggests that the state's assistance may be "too little and too late." He feels the country needs much more assistance than Michigan partners of the Alliance can give it. Leaders in the state who have given much time and resources to the project hope he is wrong.

THREE HUNDRED years ago this summer a French Jesuit missionary, Father Jacques Marquette, founded Sault Ste. Marie, the oldest city in the

Tricentennial celebrations will make Sault Ste. Marie especially attractive to tourists this year. Commemorative events began last New Year's Eve with a Tricentennial ball and fireworks display. An extensive winter sports program was held through the cold months and spring ushered in a new slate of attractions. Summer will bring more.

Many historical sites are being restored this year, and the restoration may continue for another decade. Father Marquette's original mission, Fort de Repentigny, built by the French in 1751, a water-power sawmill, the home of a prominent fur trader who married an Indian princess, restoration of Water Street, the main street of the Sault in 1820, plus other sites will be reconstructed.

THE SOO LOCKS are the city's most famous attraction. Four locks are operated by the U.S. Corps of Engineers; the fifth lock, on the Canadian side of the St. Mary's River, is controlled by the Canadian government. Three observation towers allow tourists to view ships as they are

raised or lowered 21 ft. into and out of Lake Superior. This year the new Poe Lock, four years in construction

and the largest on the Great Lakes, will be opened for shipping. Dedication ceremonies are set for June 15.

U.S. Foreign Aid Bill: \$286 Billion Since 1917

FOREIGN AID BABSON PARK, Massachusetts, As economists and financial experts wrangle over the pros and cons of a national financial crisis which certainly demands prompt and decisive remedial action, Uncle Sam's spending for foreign aid is being called more and more into question.

Foreign aid as we know it today had its beginnings nearly 23 years ago, shortly after World War II ended. But both the idea and the practice are much older than that, dating back a full half-century to World War I... with some \$25 billion still owed us from loans made then to European countries to keep them solvent and insure for ourselves a healthy postwar economy. Our grants to foreign nations during World War II amounted to \$49 billion, and since then we have made additional loans and grants totaling \$122 billion. Add to that some \$90 billion in U.S. private investment abroad, and you have the staggering sum of 26

sum of 286 billion in American dollars that have been used to bolster foreign economies since 1917-18.

During the past decade and a half the lion's share has been going to underdeveloped nations, principally in Asia, Africa, and Latin America. Consistently the idea has been to help make foreign economies more viable, more self-sustaining, so that world trade and our own prosperity and security might be enhanced.

THE DOLLAR cost of this massive aid has been staggering. Many Americans, noting Uncle Sam's lack of true allies among the world's nations (nearn ly all of whom have received our bounty), feel that most of these funds have gone down the drain. They contend

we've been duped and left holding the

To some extent these critics are right. Millions of dollars in foreign aid have been misspent. In too many instances, funds which could have been spent more advantageously have gone into armaments. Indeed, more than once we have armed rival neighbor nations when we might better have worked to remove the causes of their rivalries, helping them make fuller, economic use of their resources.

COSTLY as these mistakes have been, the broad goals of helping other nations to become more self-reliant. of providing for our own security, and of advancing our own prosperity have been attained through the multiple and complex foreign-aid programs we have pursued. To be sure, we have not succeeded in outlawing war, and we have not managed to open Asia, Africa, and Latin America to full participation in a prosperous world economy.

But we have brought some nations, in Europe particularly, to the point where they no longer need our assistance. In Asia, we helped Free China to build a dynamic economy on the island of Formosa with a standard of living for that region second only to industrially powerful Japan. From 1962 through 1966, the annual growth rates of the 12 countries receiving the major share of development assistance have averaged close to 5%. Such progress has been a mighty factor in boosting our own Gross National Product and in increasing the personal incomes of the American people.

TODAY—as we view with concern the weakness of our dollar, the imbalance of our international payments, and the multitude of tensions in a world that is still badly fragmented—the temptation to withdraw into our shell, to revert to isolationism, is great. But we learned to our sorrow in the 1930's that protectionism does not protect and that isolationism begets stagnation.

Cut federal government expenditures, we surely must. But acrossthe board cuts in foreign aid we would make at our peril. Far better to set up priorities, after reviewing needs and goals. Then we could excise the fat from foreign aid without endangering the free world economies and upsetting the precarious balance of international

By Tom Carr

Bennie was a little boy who had always lived in the city. But when he was six years old his dad was sent to Asia to be a medical missionary in the jungle and Bennie and his mother went along.

Bennie liked the jungle except he missed his dog that he had to leave with his grandmother. He always walked around the jungle looking for a pet but when he found a little animal he would like, it's mother would come along and growl at him.

One day he went for a walk and found a stick and picked it up to throw it and he found out it wasn't a stick, it was a baby snake. When he went home the snake followed him.

The next day when Bennie went out to play, the snake was waiting out in front. When it saw Bennie, the snake came sliding over to him and rubbed against his foot. Bennie thought, "Oh boy. At last

I found my pet."

He raced into the house to ask his mother if he could keep it. "A snake! In my house?" she said.

but after she saw how excited Bennie was she said, "well, you can ask your dad." When his dad got home, he said,

'I guess every boy should have a snake sometime. But if it causes any trouble you will have to get rid of it.' Bennie ran outside to get the snake and said, "Come on, I'll call you Claude and you can stay with us."

From then on Claude followed Bennie all over. At night Claude coiled up and slept at the foot of Bennie's

The only trouble was that Claude kept growing and growing and growing. One day one of his dad's friends came over to visit and Bennie asked him, "Do you want to see my baby snake?"

The friend took one look and said, "You don't have a baby snake anymore, you have a growing python."

Claude grew and grew until he was

'Man for All Seasons' Features Great Cast, **Outstanding Drama**

Paul Scofield won international acclaim as Thomas More, the man whom Henry the Eighth could destroy but could not conquer, in the prize-winning Robert Bolt drama originally presented in London, and then on Broadway. Now, Scofield has won the Academy Award as best actor of the year for his performance in Fred Zinnemann's multi-"Oscar" film version of "A Man For All Seasons" It is a Columbia Pictures release, produced and directed by Zinnemann and co-starring Wendy Hiller, Leo McKern, Robert Shaw. Orson Welles and Susannah York.

"A Man For All Seasons" has won the following Academy Awards:

- Best Picture of the Year.
- Best Actor, Paul Scofield.
- Best Director, Fred Zinnemann. • Best Screenplay from another
- medium, Robert Bolt. • Best Color Photography, Ted
- Moore, B.S.C. • Best Color Costume Design, Eliza-

One of the most prestigious of all British actors, Scofield had appeared in only three motion pictures before agreeing to re-create his Thomas More role for the screen. Tall and handsomely distinguished, he is rated with Sir Laurence Olivier and Richard Burton as one of the three outstanding actors working in the English language.

Olivier and Burton are more immediately glamorous but Scofield is more of a legend with an almost mystical aura surrounding his name. Since his arrival on the theatrical scene he has defended his privacy with passion.

Scofield first stepped onto a stage at the age of 13 in a boy's school production of "Romeo and Juliet." On graduation, he enrolled at the Croydon Repertory and, a year later, made his professional debut in John Drinkwater's "Abraham Lincoln." He appeared in repertory and, in time, for three seasons at Stratford-on-Avon where his performance as "Hamlet" was highly lauded. In 1960, Paul Scofield stepped onto the stage of London's Globe Theatre and into the role that

Paul Scofield as Thomas More, 16th Century philosopher and statesman, introduces his wife, Wendy Hiller, right, and daughter, Susannah York, to their King, Henry VIII, played by Robert Shaw in the Academy Award-winning best picture of the year, the highly-honored Fred Zinnemann film of "A Man For All Seasons." Also starred in the Columbia Pictures release based on Robert Bolt's prize play are Leo McKern and Orson Welles in color by Technicolor. Among the film's 6 "Oscars" also are Scofield's award as best actor of the year and Zinnemann's as best director.

Susannah's Smart...Vanessa Silent

When lovely Susannah York was named for the role of Margaret. Thomas More's scholarly daughter, a prominent British director commented, 'Susannah's much too pretty to play Margaret More." Answered his perceptive wife, "Susannah's too intelligent not to " Even then, there was no doubt that "A Man For All Seasons" would be a film for all time.

beauty but never heard.

Anne Boleyn, who lost her heart and then her head to Henry VIII, was Queen of England for a thousand days. Vanessa Redgrave, who plays the illfated lady in Fred Zinnemann's film production of Robert Bolt's prizewinning play, "A Man For All Seasons," was Queen for exactly one day. The character of Anne makes the briefest of appearances in the film, during a wild and wanton banquet scene. Miss Redgrave is seen in all her

Ven Marshall, experienced observer of the Detroit scene, has been added to the WXYZ-TV News staff. The expansion is designed to provide a greater proportion of local and state coverage in Channel Seven News, the state's first 90-minute TV news program, which moves to 6:00 PM today. His reports are also regular part of the Eleventh Hour News on Channel 7.

Marshall has spent half of his broadcasting career, which spans a quartercentury, in TV coverage of Detroit news. A native of Mississippi, Marshall spent his early broadcasting years in positions ranging from announcer to general manager at radio stations in Mississippi and New Orleans. He moved to WFDF Flint in 1953 and switched to television news twelve years ago at WWJ-TV. He has served as general assignment reporter, political reporter, anchorman and assistant news editor.

His coverage of the Swainson-Romnev campaign in 1960 earned him a first place award for general excellence of individual reporting from the Michigan Associated Press.

Marshall is a member of Sigma Delta Chi journalism fraternity, and the Detroit Press Club and Knights Templar. Ven and Betty Jean Marshall and their five children are residents of Dearborn Heights.

In Miss U.S.A. Contest

Pretty Virginia Reaches Semi-Finals

Novi's pretty Virginia Clift, who entered the Miss U.S.A. pageant in Miami last Saturday as Miss Michigan, became one of the 15 semi-finalists as the competition narrowed from the original 51 entrants who paraded in costumes symbolic of their state.

She lost out, however, when the contest narrowed to five beauties in the finals and Miss Washington became Miss U.S.A.

As a semi-finalist she was interviewed during the nationally televised show by Bob Barker. Wearing a racing jacket, whe admitted her love of sports cars, which her father drives.

At 18, the brown-eyed, brown-haired Novi high school student was one of the youngest in the competition. In the television interview she said her pageant roommate was Miss Texas, Jeanne Wilson, and that they had énjoyed a week of teen-age talk.

The semi-finalists also appeared to advantage in a swim suit review. June Lockhart, who narrated the TV show, gave the Novi candidates statistics as: 5-feet, 6 inches and 120 pounds. She is the daughter of the R. H. Clifts, 45285 Grand River avenue, Novi.

Welcoming the Novi beauty winner home at Metropolitan airport Monday night were classmates and fellow Novi high school varsity cheerleaders.

Virginia, who is junior classpresident as well as cheerleader, received classmates' congratulations later that evening as her father hosted an open house at the family's Novi home.

The Novi junior, who had been class vice-president, assumed class presidency at the death of Pat Haley.

The 18-year-old Miss Michigan may have been tired as she returned, but she still retained the poise that took her into the semi-finals in national competition. In the airport greeting she was taken for a ride on an airport mobile cart after she alighted from

the plane wearing her Miss Michigan banner — to the delight of friends and spectators.

She Wins \$1,000 Jackpot

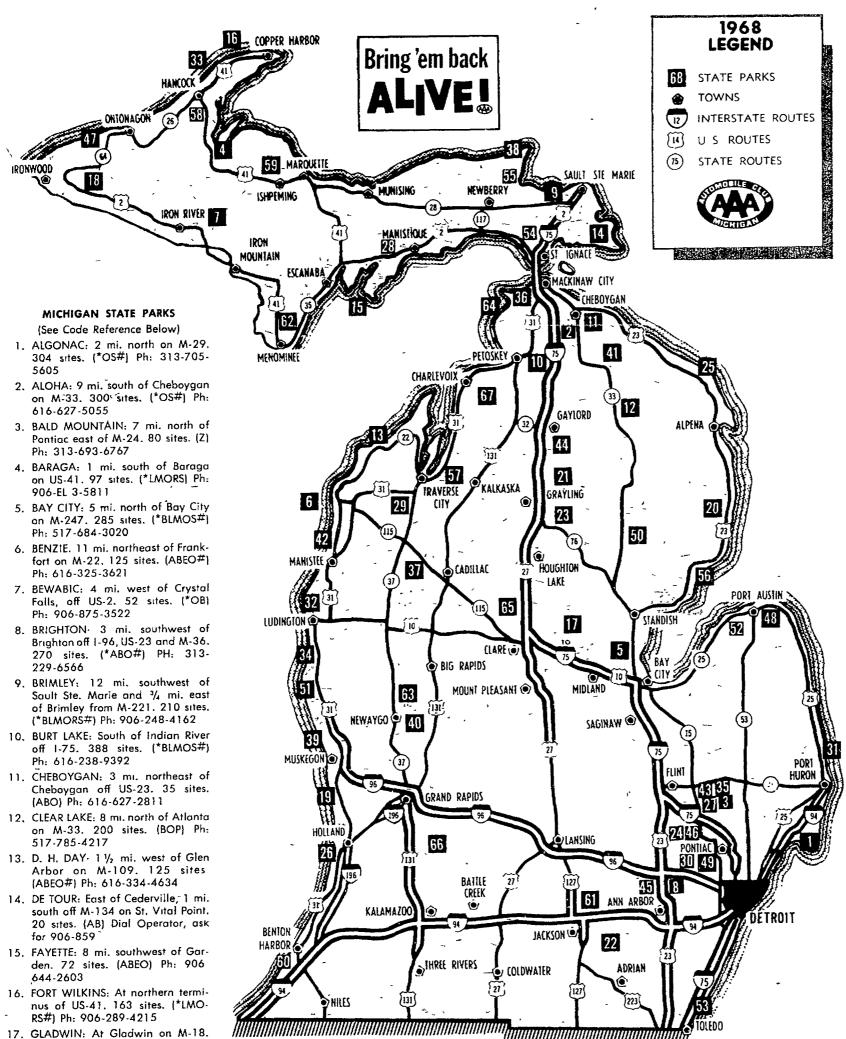

Mrs. Sharna DuFresne of Farmington, Michigan was the happy winner of the Dialing for Dollars jackpot of \$1,060, Monday, May 13.

The winner plans to reward her neighbor, Mrs. Jean MacKay, with part of the prize money for rushing nextdoor with the right answers—just in case.

Mrs. Dufresne was interviewed by Dialing for Dollars host Todd Purse on Wednesday's show. She appeared with her family—husband, Alfred, who works for Metal Awning Components in Clawson, and their children, David (6), Kathy (4) and Jeannine (2). David is an enthusiastic fan of Channel 50's cartoon shows.

Over \$11,000 has been awarded to Channel 50 viewers in the two-year history of Dialing for Dollars. The jackpot, starting again with \$50, is already rebuilding for the next winner. Dialing for Dollars is seen in color on WKBD-TV weekdays at 12:30.
