# The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Vol. 99, No. 6, 30 Pages, Three Sections • Northville, Michigan — Thursday, June 20, 1968 • 10¢ Per Copy, \$4 Per Year In Advance

★ ★ ★  
**WON'T SOMEONE HELP, PLEASE**—Somehow, sometime early Thursday morning this mother pushed her head through a five-inch hole in a tire and then struggled unsuccessfully for several hours to free herself. Her owner, Truman Howard, 19265 Gerald Avenue, apparently tried to free her, gave up and left the dog to fend for herself behind his trailer home, according to Wayne County Deputy Sheriff Lawrence Allcorn. A neighbor called for help. Hours later the exhausted dog, her neck worn raw, and struggling weakly as she cried for help while one of her young whined helplessly, was freed by two Record staffers. Editors Jack Hoffman and Roland Peterson saturated the dog's head with a quart of motor oil and finally pried its head loose. A cruelty to an animal charge will be brought against the owner, the sheriff's deputy said.

## School to Try Again July 29

# New Election Set

A special millage election for the Northville school district to be held July 29 was voted unanimously by the Northville board of education at a special meeting Monday night.

The action reaffirmed the board's intention to seek additional operating millage from the voters who turned down a two-mill request June '60. At the meeting immediately following the election the motion was made to ask voters again but was delayed until Monday when a full board could be present.

The motion was made by Treasurer Richard Martin and supported by Trustee Andrew Orphan.

The board discussed but did not make official the millage to be sought next month as it has until July 8 to decide. Eugene Cook, board president, who was successful in his bid for re-election, speculated that if it appeared income would be greater than anticipated (which is not considered likely) the board might ask for less.

Most of the board members disagreed, with newly-elected Trustee Dr. Orlo Robinson summing up opinion that "the board should not seek more or less than before."

Dr. Robinson and Cook were sworn in by Stanley Johnston, board vice-president. Officially Dr. Robinson was sworn in for the 13-day interim appointment until he legally takes office July 1. This was done as retiring member James Kipfer resigned June 11 to enable the new board member to participate immediately.

Both Cook and Dr. Robinson were elected to four-year terms although it appeared possible that all members on the board could have their terms extended to six years as Superintendent Raymond Spear pointed out that at its next study session June 24 the board would have to consider changes possible as Northville became a third class school district in the June 10 election.

As a third class district, he said, terms could be four or six years with the board to decide. He added that the board also officially could change the school district name. Other matters to be considered at the upcoming study session include a swimming pool policy, a contract for the curriculum coordinator, salaries, hours and policies for the administrative staff.

A budget session also is to be held June 24 with the board considering possible cuts that Spear said he and Earl Busard, business manager, had reviewed in the proposed budget which might save about \$138,000.

Trustee Robert Froelich objected when Spear offered to spell out possible cuts at the meeting, declaring he felt if a budget review were to be made, it must be done completely.

Three teachers, all high school

replacements, were approved for hiring upon recommendation of the superintendent.

In making plans to return to the voters for millage Dr. Robinson stressed that he hoped the board could work to get people out, saying he felt the 20 per cent voting June 10 was too small a percentage, that 50 to 60 per cent would be the response he would like to have.

Trustee Andrew Orphan agreed that the election was close but pointed

out that the board has no indication that it "might not be just as close next time." He suggested that the board take a "realistic look and see if there are areas that can be cut."

President Cook urged the board to "be a leader" in the millage request saying, "I don't think we have to apologize for asking for two mills again... apparently we didn't do a good enough selling job before."

The board recessed for secret meeting.

## It's 75 Per Cent City Adopts New Assessment Rate

The first step in the special assessment procedure for paving of Taft road was passed by the Northville city council Monday night despite protests from several property owners.

The council also revealed for the first time that it was adopting a new policy on assessments. Henceforth, all street improvements will be assessed against abutting property owners at the rate of 75 per cent per front foot.

In the past the council has had a dual set of standards: streets in the original city limits were assessed at the rate of 25 per cent; streets in newly annexed areas of the city at 100 per cent.

The dual rate system had become a source of trouble to the council, especially where a street served as a

border between new and old sections of the city and thereby resulted in across-the-street neighbors being subject to different assessments for the same improvement.

It also brought strong criticism from new city residents who accused the council of treating them as "second class citizens."

While Taft road lies in the "new city" area, property owners facing the assessment were not impressed by the reduction from 100 per cent to 75 per cent. Instead they insisted that the improvement was needed for the school (Jda Cooke junior high school) and the Thompson-Brown Company, which plans a development of homes in

Continued on Page 12-A

## Stempien Challenges Schmidt

Northville City Attorney Marvin Stempien, Democrat, has pitched his hat in the political ring in an effort to regain a seat in the 35th State Representative District, which included Northville.

Stempien, a resident of Livonia, was one of two Democrats and two Republicans, including Republican Incumbent Louis Schmidt, to file their candidacy for the August primary by Tuesday's 4 p.m. deadline at the Wayne County elections office. Schmidt defeated Stempien, the then incumbent, two years ago.

The other Democrat is John T. McDonald of Livonia. Bidding against Schmidt for the Republican nomination is Neil C. Hall of Livonia.

Filing before the same deadline at Lansing for the 60th Representative District were Clifford Smart of Walled Lake, incumbent, and N. Paul Forsberg of Holly, Republicans; and Earl S. St. Aubin of Milford and William E. Todd of Holly, Democrats.

Neither Congressman Jack McDonald (19th Congressional District) nor Marvin Esch (2nd Congressional District) will face

Republican competition in the primary. But bidding for the Democratic nomination will be Gary R. Frink of Pontiac and Ron Mardiros of Livonia for the 19th District, and A. Jerome DuPont of Ann Arbor, John H. McDermott, Sr. of Howell, and former

Congressman Weston Vivian of Ann Arbor for the 2nd District.

With the Congressional and Representative deadline now history, the next big filing deadline—for district court and the new county supervisor districts—is July 2.

## Township Strictly GOP

Six candidates including three incumbents filed petitions before Tuesday's deadline for the four trustee posts on the Northville township board.

The three incumbent officers—supervisor, clerk and treasurer—also filed and were unopposed.

All candidates are Republicans.

They are: for trustee—Incumbents Thomas Armstrong, Bernard Baldwin, James Tellam, and Allan Maltby, M. Richard Mitchell and Joseph Straub.

Maltby lives at 15930 Marilyn and filed his petitions several weeks ago. Mitchell, 19355 Fry road, is a township constable, and Straub, 39875 Six Mile

road, is a member of the board of appeals.

There's still some question whether it was necessary for Supervisor Gunnar Stromberg, Clerk Eleanor Hammond, Treasurer Alex Lawrence and Trustees Armstrong and Baldwin to file for the August primary. A supreme court ruling is still awaited on the matter for all state township officials.

But there's definitely two trustee posts open on the board, one the term of Tellam, which ends in November, and the second the seat held by Stromberg before he was named supervisor succeeding the late R. D. Merriam.

# Unified City-Township Tax Rate Set at 7 Mills

It's something like a marriage: man and woman accrue certain benefits but it's hard to measure the concrete advantages.

This simile spilled into Thursday's discussion over the six subcommittee reports as the Northville Unification Steering Committee prepared to face the all-important question, "should the city and township of Northville be united?"

The question may be answered this evening when the steering committee meets to hammer together the recommendation it will make to the city council and the township board.

On the basis of last week's discussion and review of the reports, the advantages may not be rock hard but they're certain to weigh heavily on the steering committee's recommendation. And no matter what the recommendation is, it would appear — prior to tonight's decisions — that city and township citizens will be asked in the near future to make the final determination.

While Donald M. Oakes, professional consultant to the steering committee, cautioned against premature weighing of individual advantages against disadvantages and urged rather that the matter "be treated as a whole", he and Steering Committee Chairman Delbert Black hinted the matter should indeed be put to the voters.

Oakes indicated he is prepared to assist in the

unification process should unification be the recommendation of the committee.

And Black, when urged by Finance Subcommittee Chairman Wilson Tyler not to delay the recommendation, said his committee would bring the matter to a rapid conclusion. To give credence to the statement, he immediately called for the steering committee to meet this evening in an effort to come up with its recommendation.

Summarizing the six subcommittee reports, City Manager Frank Ollendorff said they showed virtually no major disadvantages of unification, that timing of unification is no major problem, and that a number of advantages concerning services—particularly in police protection and finance—are evident.

Two subcommittees, he reported, saw some slight advantages in unification, another saw an immediate need for it, and the remainder saw advantages and disadvantages "that balance themselves out."

Briefly, here are some of the specific subcommittee conclusions as summarized by Ollendorff while subcommittee members listened:

1. Planning and Administration — Some advantages would result, but these are not sufficient to justify calling for unification without other compelling reasons.

2. Public Works (Maintenance) — Feasible

within two years or less; no adverse affect upon service or cost — with some slight cost savings evident; advantage in some increased local control.

3. Public Improvements (Streets)—Some advantages and disadvantages, which when balanced out are not sufficient to support or reject unification; unification should be determined on other issues; the only subcommittee to find some important disadvantages.

4. Public Safety (Police and Fire Departments)—Not only feasible, but a necessity; unification of police department would result in better service with a savings of money; city-township fire protection at this time is "barely" adequate; unification should become a reality as soon as possible.

5. Water and Sanitary Sewer Service — Timing of unification is not and will not be significantly affected by programs for sewer and water systems; unification will not adversely or advantageously change existing systems.

6. Finance — Feasibility of unification easily apparent; dollar savings apparent; cost to township to be greater; 7-mill tax as projected by the committee seen as easily sufficient to maintain or improve existing city services and to provide the same services for the township; duplication of the city's present police protection, alone, by the township would cost more than 6 mills or almost

as much as the total cost of all combined city services.

In discussing the finance report, Tyler emphasized that the proposed 7-mill budget is on the "high side" and not a conservative one. Elimination of duplication, such as in administrative areas, plus increases in revenue, such as road and income tax reimbursements, account for the relatively low millage that would be necessary to operate the combined city area, it was explained.

Ollendorff concluded the proposed 7-mill budget prepared by the finance subcommittee and reviewed by himself would provide equal services to the township without diluting services now existent in the city. Furthermore, he emphasized that the finance subcommittee's proposed budget may provide more services than the new city council deems necessary.

A 7-mill levy together with other revenue, it was noted, would provide more than \$170,000 more for services than the city and township together are spending today. However, such a millage levy would necessarily mean an increase in taxes in the township, a decrease in the city.

Township residents now pay a one-mill tax for local governmental services, while city residents pay a 13-mill tax.

# Wedding Gown Worn Third Time

MRS. WESLEY WILLIAM BARA

Margaret Susan Jones became the bride of Wesley William Bara in a 2 p.m. ceremony Saturday at the Northville Presbyterian Church. The Reverend George P. Jerome performed the ceremony which was held amidst baskets of gladioli, stock, and chrysanthemums. Baskets of flowers stood on each side of the altar with similar flowers in a long arrangement on reredos. White candles completed the decorations.

The bride is the daughter of Mr. and Mrs. Albert E. Jones of 43550 Six Mile Road. The bridegroom's parents are Mr. and Mrs. Joseph Bara of Bloomfield Hills.

Mr. and Mrs. William G. Williams provided the music, with Mrs. Williams accompanying her husband on the organ. The songs chosen were a Wedding Benediction and Handel's "Wedding Hymn" from Ptolemy.

The bride was given in marriage by her father. She wore her mother's gown of candlelight satin which was previously worn by her sister Carol. The gown has a sweetheart neckline with long pointed sleeves and tiny buttons down the back. It featured a long floor length train.

She wore a fingertip veil held in place by a petal headpiece. The flower was fashioned from tulle and seed pearls. She carried a cascade bouquet of red roses and ivy.

Carol Jones Joannise, sister of the bride, served as matron of honor. Bridesmaids were Allyn Coenan and Karen Patnode, friends of the bride. All three attendants wore the same long dresses of pale pink starcholnet over deeper pink sheaths. They were trimmed by a border of white daisies with pink centers around the short sleeves, yoke, and bottom of the skirt. They wore headpieces of ivy circlets caught in back by bows which matched the ribbons of their corsages. The flowers were large nosegays of deep pink daisies.

Donald Bara, on leave from the U.S. Navy, served as best man. Ushers included the bride's brother, Jack Jones, her brother-in-law, Richard Joannise, and David Coenan of Armada.

For her daughter's wedding, Mrs. Jones chose dawn grey chiffon over a pink crepe gown with a ruffled neckline and long sleeves. She wore a pink ruffle hat and grey shoes to match her bag. The bridegroom's mother wore a champagne sheath trimmed in sequins, with matching accessories. They both wore corsages of cymbidium orchids.

Following the ceremony a reception was held in fellowship hall, with 130 guests attending from as far away as Pennsylvania, Florida, Ohio, and Illinois.

Earlier, the bridal party was

entertained at a pre-rehearsal dinner at the Hillside Inn by the bridegroom's parents.

The new Mrs. Bara is a recent graduate of Michigan State University and her husband is still attending the same school. Following a short trip the couple plan to make their home at 1101 Dakin Street in Lansing.

## Gets Top Girl Scout Post

Mrs. Leonard L. Klein, of 18450 Fermanagh court, has been appointed coordinator of Senior Girl Scout Service Aide training, for the Huron Valley Girl Scout Council.

Through the Service Aide programs, Senior Scouts—the teen-age members of the Girl Scout organization—explore vocations by receiving extensive training in one of fifteen areas and then give a minimum of fifty hours of service in that area, under adult supervision. The Senior Girl Scouts can choose animal care aide, handicapped persons aide, library aide, museum aide, teacher aide, hospital aide, and nine other fields that might lead to careers for them.

As coordinator, Mrs. Klein will be responsible for setting up training courses for Senior Scouts from throughout western Wayne, Washtenaw, and Livingston Counties.

MR. and MRS. TUNCAY YAZAR

## U-M Graduates Wed Here

At a small family ceremony held in the bride's home, Susan Elizabeth Greiger became the bride of Tuncay Yazar on June 8. Susan is the daughter of Lieutenant Colonel and Mrs. Allen J. Greiger of 16080 Northville Road. Parents of the groom are Mr. and Mrs. Suleyman Yazar of Gaziantep, Turkey. The wedding was performed by the

Reverend Timothy C. Johnson, assistant pastor of the Northville Presbyterian Church.

The bride, given in marriage by her father, wore a floor-length gown of crepe chiffon. Chiffon covered an A-line skirt of slipper satin which was embroidered with rose appliques. The veil was fingertip and fashioned from

bridal illusion. For a bouquet the bride carried a wreath of white carnations and red sweetheart roses.

Serving as maid of honor was Nancy Lynn Greiger, sister of the bride. She wore an A-line dress of sky blue lace over satin and a white cymbidium orchid corsage. Another sister, Janet Greiger, and Brigitte Seinderer assisted at the reception. Rainer Teichert, a friend of the bride groom, served as best man.

Following the wedding, a buffet supper was held in the Greiger home. A three-tier wedding cake was made by Mrs. Rollin Woodward.

For a wedding trip to St. Louis, Missouri, the new Mrs. Yazar chose a black and white, voile dress. It was worn with a red faille coat and black patent accessories.

The bride is a graduate of the University of Michigan and American College in Paris. Her husband has graduated from the University of Istanbul and is now majoring in geophysics at the St. Louis University graduate school.

## Reunion Marks 55th Wedding Anniversary

Mr. and Mrs. William B. Walker, Jr., of 39900, East Eight Mile Road celebrated their 55th wedding anniversary yesterday with a family dinner at Meadowbrook Country Club.

In inviting their three children, their grandchildren and their families for the celebration Mr. Walker continued his custom of marking special milestones with a reunion.

There were to be 28 at the dinner which was climaxed with a cake with 55 candles.

Included were the Walkers' children and their husbands or wives: Mr. and Mrs. Paul Beard, Mr. and Mrs. William Lee Walker and Dr. and Mrs. Louis Eaton of Howell.

Three married grandchildren with their spouses planned to be present. They were Mr. and Mrs. Don Arthurs, Mr. and Mrs. James Pardy and Mr. and Mrs. William Lee Walker, Jr. Also attending were Sherry Marie and Melody Jane Walker.

Also planning to attend were David, Patrick, John and Mary Eaton. Mary's guest was to be Rick Hyckman. Katy and Mike Beard, with El Jon Kaake a guest of Katy, also were to be present.

Two other married grandchildren of the Paul Beard family were out-of-town and unable to attend, Mrs. Dean Smith (Nancy Beard) and Edward Beard.

Another family member, Mrs. Ida Cunningham, was present.

Mr. and Mrs. Walker were married June 19, 1913, in a home ceremony on LeMay Avenue in Detroit.

# about Women and the family

IVAL ANN COX

CAROLYN COCKIN

## Announce Engagements

Mr. and Mrs. Clarence J. Cox of 50165 West Eight Mile announce the engagement of their daughter, Ival Ann, to Steve Pierce. Mr. Pierce is the son of Mr. and Mrs. Joseph Bowne of Plymouth. An October 26 wedding is planned.

\*\*\*\*\*

The engagement of Lonna Dee Pelton to Michael Bloom of Panama, is announced by her parents, the Orville Peltons of Clark Street, Novi.

The bride-elect, a 1961 graduate of Northville High School, is an alumnus of Antioch and Goddard Colleges, and the Merrill Palmer Institute of Detroit. After completing three years of Peace Corps service in South America, she is currently in Honors College at Michigan State University.

Her fiancée, the son of Mr. and Mrs. Morton Bloom of Toms-River, New Jersey, is a graduate of Dartmouth and is presently serving as a U.S. director on the Peace Corp staff in Panama.

A September wedding is planned.

\*\*\*\*\*

Mr. and Mrs. Kenneth A. Cockin of 376 First Street announce the

engagement of their daughter, Carolyn Lee, to Reino William Wantin. He is a graduate of Huntington College in Indiana who has been doing graduate work at Eastern Michigan University and is currently employed by the Ford Motor Company. Reino is the son of Ray Ilmari Wantin and Mrs. Michael Kurti of Detroit.

Carol is majoring in art education at Eastern Michigan University and will graduate in June of 1969.

A December 21 wedding is planned.

## Jaycettes Name 10 Junior Miss Hopefuls

Names of the 10 entries in the Little Miss contest, to be held as part of the annual Fourth of July festivities, were announced this week by the Northville Jaycee Auxiliary.

The winning Miss and her court will ride on the Jaycee float in the big Fourth parade.

According to the contest chairman, Mrs. Russell Anger, the contestants who qualified by the June 17 deadline were:

Kathleen Alkire, 3½, of 316 South Wing; Kristine Baggett, 4, of 20516 Westview Drive; Kristie Bell, 3, of

18977 Beck; Sheri Bongiovanni, 5, of 232 South Center; Debra Chisholm, 5, of 768 Grace; Carol DeBoutte, 3, of 117 South Rogers; Pamela Erwin, 5, of 20930 Chigwidden; Rhonda Kocian, 4, of 625 Griswold; Ann Marie Visnyak, 5, of 50855 West Nine Mile; and Kristie Walker, 3, of 40000 West Eight Mile.

The Little Miss will be crowned prior to the parade. Her selection will be determined by penny votes cast in canisters to be located in several downtown business places.

Canisters, each showing a picture of the contestant, will be in these stores on these dates:

Little People Shoppe, Friday and Saturday, June 21 and 22; Convenient Food Mart, Sunday, June 23 and 30; D&C Store, Monday and Tuesday, June 24 and 25; Northville Drug, Wednesday and Thursday, June 26 and 27; Kroger, Friday and Saturday, June 28 and 29; Del's Shoes, Monday and Tuesday, July 1 and 2.

There is no limit on the number of times a resident may cast penny votes for their favorite Little Miss contestant, according to Mrs. Anger.

Besides riding on the Jaycee float, the Little Miss winner will receive a \$10 gift certificate.

## Legion Women Elect Officers

The annual election of officers of the Lloyd H. Green Unit No. 174 of the American Legion Auxiliary was held on June 12. Those taking over the offices in September are:

Mrs. Charles Denune, president; Mrs. Robert Miller, first vice-president; Mrs. George Whitesell, second vice-president; Mrs. Lisle Alexander, secretary; Mrs. C. Oscar Hammond, treasurer; Mrs. Howard Wright, historian; Mrs. Harold Hatchett, chaplain; and Mrs. Robert Pohlman, sergeant at arms.

Mrs. Robert Sieting, Mrs. Alfred Leonard, and Mrs. Leonard Leudtke were chosen as executive board members.

Mrs. Charles Denune and Mrs. Howard Wright will attend the state convention in Lansing as delegates in July. Later, in August, the installation of the newly elected officers will be held jointly with the Post.

## 'Chapel' Dinner Raises \$360

In a drive to raise money for the chapel fund at the Northville State Hospital, residents of Shadbrook Subdivision held their annual progressive dinner on Saturday June 8. As a result of the dinner a donation of \$360 was made to the chapel, a small non-denominational sanctuary to be built within the hospital.

Approximately 30 couples took part in the dinner, which began with cocktails at the James Campbell home. Following this was a salad course at the home of Mr. and Mrs. Meredith Shields.

For the main course participants divided into two groups, with some going to the Eino Keral home and some going to the Vernon Linds home. Dr. and Mrs. Richard Cooper hosted guests for dessert, thus completing the meal.

The event was planned by Mrs. Douglas Knapp, president of the subdivision, who was helped by a large committee.

## Borings Celebrate 50th Anniversary

Mr. and Mrs. Matthew Boring of 48855 W. Seven Mile celebrated their fiftieth wedding anniversary last Sunday. In keeping with the joyous occasion, the Borings had dinner at the Frankenmuth Inn at Frankenmuth.

## News Around Northville

"A Night at The Races" will headline the Saturday outing, of the Northville Newcomers Club.

Couples will meet from 6 to 7:30 p.m. for cocktails at the home of Mr. and Mrs. Frank Ollendorff prior to leaving for The Northville Downs by post time.

Following the outing, a party is planned at the Fred Zillich home.

sophomore, son of Mrs. Patricia M. Pressly of 413 Ely Drive South; John McIntosh, a freshman, son of Mr. and Mrs. Clifton McIntosh of 511 Base Line Road; Patrick Sissém, junior, son of Mr. and Mrs. Clarence Sissém of 319 Ely Drive South; and Linwood Snow, a freshman, son of Mrs. Elaine Snow of 130 West Cady.

David Kenger, a sophomore at Northville High School, was elected president of the Methodist Youth Fellowship. He was installed on June 2 along with other officers. They are Leanne Steeper, vice president; John Steimel, treasurer; and Chris Becker, secretary.

Currently, the new officers are planning a fund-raising trip to the Detroit Zoo. They hope somehow, to raise enough money to send five persons instead of four on the annual peace seminar to be held early next year in the east.

Mrs. Ancil Felker of 113 Randolph returned last week from a vacation in Spain and Portugal. Mrs. Felker, who is employed at the Northville State Hospital, made the pleasure trip with several other state employees including Mrs. Martha Tregear of Plymouth.

The Northville Senior Citizen's Club will meet at 6:30 p.m. Tuesday in the Presbyterian fellowship hall for a co-operative dinner and social hour.

On Tuesday, June 27, club members will travel to Hidden Lake near the Irish Hills, for a sightseeing trip through the experimental gardens of Michigan State University which covers several acres in that vicinity.

Four local students attending Roosevelt Military Academy at Alledo, Illinois recently were cited for excellence at special ceremonies honoring award winners for the fourth quarter of the school year.

They are Michael Pressly, a

## Births

Mr. and Mrs. Gerald A. Schnute of Livonia announce the birth of a 6½ pound daughter, Karen Kay, on June 15 at Sinai Hospital. Karen joins two brothers, Scott four and Steven two.

Grandparents are Mr. and Mrs. John VanTil of Detroit and Mrs. Arthur Schnute of Northville. Great-grandfather is Mr. Henry Schnute.

\*\*\*\*\*

Mr. and Mrs. Daniel Jack Bowen of 313 Ely Drive announce the birth of a son, Daniel John on June 2. Danny, who was born at St. Mary Hospital, has four older brothers aged 14, 13, 11, and 8.

\*\*\*\*\*

Mr. and Mrs. Brian Mellen of 179 Springpark, Walled Lake, announce the birth of a daughter on June 6, at Botsford General Hospital.

Named Victoria Lynn, the baby weighed four pounds and three ounces. She has one older sister, Christine, who is 16 months old.

Grandparents are Mr. and Mrs. George Mellen of 205 East Baseline, and Mr. and Mrs. John Prechesky of South Lyon.

## Teens On The Go

Whether they are touring Asia or merely climbing up to the Swim Club, there can be little doubt that Northville's young people will cram as much activity as possible into these next few summer months. This vitality can be seen everywhere, from the Tavern, to the race track, to McCarthy for president headquarters in downtown Detroit. Northville students have always exploited their summer freedom, and it is all ready evident that this summer will be no exception.

On Saturday morning Bill Davis, 719 West Main Street arrived home for a weeks visit with his family. He brought with him a house guest, Patty Vitello, who also is attending Wesleyan College in New York. At the end of the week Bill returns to his summer job in Cambridge, Massachusetts, where he is employed by a credit card manufacturer. Gary, Bill's older brother, also has a friend visiting this week. She is Tricia Lewis from Dayton who arrived Tuesday to stay for a few days. Tricia is a junior at Wooster, where Gary has studied for the last two years.

Four Northville girls traveled to New York last week to visit Sally Winner, who is now employed as an air-line stewardess by American Airlines. Linda Bolton, Sandy Parmenter, Sherry Myer and Gail Nirider left Wednesday for a four-day reunion with their old friend. All four of the girls graduated from Northville High School in 1966.

Quite a few students are going to Europe this summer, but few are traveling on a program as interesting as Linda Secord, a sophomore at Schoolcraft. Linda is part of a class of 24 students from Wayne State and Schoolcraft who are going abroad on a geography field trip. The students are leaving June 25 for a seven week tour of western Europe. They'll arrive in Amsterdam and then tour Germany, Austria, Italy, Switzerland, France and England. While traveling they will try to combine anthropology with botany and upon returning, they will work their observations into a paper. This paper will complete the requirements of the course.

Linda, who has worked two years for this trip, is understandably excited. She is also anticipating college this fall, for she is transferring to Eastern Michigan and plans to work for a degree in elementary education.

Finally, Margaret Godley of 438 Eaton is leaving next Thursday for a summer job in Mackinaw City. She will be working with other college students, at Jan's Restaurant, part of a local

summer resort. Margaret has landed a job at the cash register where she expects to remain until late August, when she returns home for school.

As an added note, the Girls Incorporated and the Necessary Rhythms will be playing at the Plymouth High School Wednesday, June 26. All Northville teens are invited to attend.

## Get 'em While They're Hot

Because sales are high during summer months, officials of the Northville Town Hall Lecture Series urge interested persons to purchase their tickets now before they become scarce.

Season tickets for the five-lecture series are \$10 and are payable by check to Town Hall, Box 92.

The series will open October 17 with Bess Meyerson speaking on "The Distaff Side."

Celebrity luncheons for the 1968-69 season will be held at the Mayflower Meeting House in Plymouth.

# DAR to Donate Bridge Receipts

There'll be some mighty appreciative underprivileged children soon thanks to an annual project of the Sarah Ann Cochran Chapter of the Daughters of the American Revolution.

In naming winners of its annual round-robin bridge marathon this past week, the chapter revealed that \$360 had been raised for underprivileged school children as a result of the bridge marathon played from September through May.

Money raised—after expenses and prizes—goes to one of several schools supported by the DAR for the underprivileged. Monies first go to the state and then the national organizations for allotment to one or more of the schools.

Among the schools are the Kate Duncan Smith DAR school located in Marshall county, Alabama, named in honor of the president general, and the Tamasee DAR school at Tamasee, South Carolina.

In addition to supporting these and under K through 12 grade schools, the DAR also assists students through college. One of its projects includes nursing scholarships for Indian girls.

Prizes were presented to winners of big scores in this year's marathon at a luncheon program last week Tuesday at Meadowbrook Country Club.

High scores for group one were posted by Mrs. Claude Cruse and Mrs. Leonard Howard, first; Mrs. Sterling Eaton and Mrs. Harold Bloom, second. In group two it was Mrs. Theodore Kampf and Mrs. Robert Coolman, first; and Mrs. Harold Stark and Mrs. Norman Saunders of Plymouth.

Women wishing to participate in next season's marathon are urged to contact either Mrs. William Bake at 349-1815 or Mrs. James Sample, 476-1786. Participants need not be members of the DAR.

"Everyone's welcome," Mrs. Sample emphasized.

## State CAR Meet Here

Michigan Society of Children of the American Revolution met for a board meeting and an all-day picnic at the home of Mrs. George Merwin, 43461 Cottisford, on Saturday.

About 50 members from throughout the state gathered for swimming and a potluck luncheon. The event was sponsored by the local Plymouth Corners Society.

Another potluck luncheon was held at the Merwin home on Monday.

## Betty Klein Gets Second TAR Term

For the second time in two years, Betty Klein has been elected president of the Teen Age Republican club in Northville. Betty 17, is the daughter of Mr. and Mrs. Leonard Klein of 18450 Fernmanagh Court.

Other new officers were also chosen in the annual elections held earlier this spring. They are: David Kenger, first vice president; Rick Suckler, second vice president; Barb Cuppett, secretary, and Sally Sliger, treasurer.

The first big project facing the new officers will be the Republican camp which is to be held later this summer in Fenton. TAR'S from all over the state will meet at Camp Capeconic from August 29 to September 2 in order to study the political arrangement of the Republican party. The campers will have lectures and work sessions climaxed by a mock political rally in which Doug Waldren of Northville, is running for governor.

Also attending from Northville will be Lynn Rathert, John Stopper, Dave Kenger, and Betty Klein.

Other TAR plans this summer include door-to-door canvassing and council meetings with various congressional representatives. Several fund raising projects are in the offing and plans for bake sale and an airplane wash are now being investigated.

In the future TAR'S are hoping to organize a swimming party and perhaps a fall trip to Washington, D.C., but arrangements for these activities have not yet been completed.

## Legion Elects Commander

With one of the largest turnouts of the year on hand, new officers of Lloyd H. Green Post 147 of the American Legion were elected last week.

Outgoing Commander Dave Bell, who turned the gavel over to Howard Wright, received special commendation for an exceptionally fine tenure. Under his leadership, the post membership drive surpassed the 200 mark.

Taking over post leadership with Wright are:

Robert Pohlman, senior vice-commander; Al Leonard, junior vice-commander; Walter Hammond, finance officer; Ruth Knapp, historian; Richard Bargett, sergeant at arms.

Delegates to the Department Convention and the 17th District meetings are Bell, Wright, Pohlman, Dave McDougall, and George Whitesell. Alternate delegates are Huston Butler, Leonard, Bargett, Robert Seiting, and Tom Moxie.

Elected to the board of trustees for three-year terms were Wright and Bell; to two-year terms, Dave McLaughlin and Don Severance; and to one-year terms, Charles Denune and Pohlman.

Officers of the board are Severance, president; McLaughlin, vice-president; Wright, secretary; Denune, treasurer; Bell, trustee; and Pohlman, trustee.

# OBITUARIES

## VIOLA BURGESS

Mrs. Viola Burgess, 74, of 355 East Main Street, died June 17 at University Convalescent Home in Livonia following an illness of seven years.

Born September 14, 1893 in Kalamata, Greece, she was the daughter of Peter and Constance Bakis. Her husband, Christ, died in 1958.

A resident of Northville since 1920, she was a member of the Lloyd H. Green Post 147 of the American Legion Auxiliary.

Mrs. Burgess is survived by two daughters, Mrs. Constance Ellen Wahlberg of Plymouth and Mary Ellen Hosier of Westland; one grandchild, Jeffrey Hosier of Westland; a sister, Mrs. Georgia Balalas of Detroit; and a brother who is living in Greece.

Funeral services will be held today at Casterline Funeral Home beginning at 10 a.m. Officiating will be Rev. David T. Davies of St. John's Episcopal Church of Plymouth. Burial will be in Rural Hill Cemetery.

## CLARK M. HOLDSWORTH

Arrangements were made by Casterline Funeral Home for graveside services Saturday morning for Clark M. Holdsworth, age four, at Rural Hill cemetery in Northville. Clark was struck by an automobile on June 12 and died at Hinsdale hospital in Hinsdale, Illinois.

He was the son of Mr. and Mrs. William M. (Elenore Helmbold) Holdsworth, Jr., of 4921 Whiffen Place, Downers Grove, Illinois, and was born November 29, 1963 at Park Forest, Illinois.

Clark is survived by his parents and a brother and sister, Arthur and Dawn; and grandparents, Mr. and Mrs. William Holdsworth, Sr., of Bloomfield Hills, and Mr. and Mrs. Robert Helmbold of Pittsburgh, Pa.; and a great grandmother, Mrs. Arthur Litsenberger of Northville.

Officiating at the graveside services in Northville was the Reverend Paul Fredricks of Bloomfield Hills.

## KENNETH J. MOOMEY

Kenneth J. Moomey, a resident of 8077 Chubb road in Salem, died Saturday at the age of 51 in the Veterans Administration hospital in Ann Arbor. He had been ill for several months.

Born July 15, 1916 in Moline, Michigan to Jacob and Luella Raab Moomey, he is survived by his wife, Angeline, and four children. Sons Dan and Tom reside at home, while Kenneth, Jr., is in the armed services and daughter Sandra Lee Nalley resides in Muskegon. Also surviving is the father, Jacob, of Grand Rapids and a brother, Lloyd of Salem, and three grandchildren.

Funeral services were held Tuesday at 1 p.m. at the Casterline funeral home with the Reverend Rex Dye of the Salem Baptist church officiating. Interment was at Salem-Walker cemetery, Salem.

## FLORENCE M. DENTON

Funeral services were held last Friday at Casterline Funeral Home for Mrs. Joseph Denton, 503 Randolph street. Mrs. Denton died suddenly at St. Joseph Hospital in Ann Arbor Wednesday, June 12. She had returned from the hospital a week previous and

was recuperating at home when stricken and rushed back to the hospital.

A resident of Northville for 47 years, Mrs. Denton is survived by her husband, Joseph, retired Northville police chief; one daughter, Mrs. Carl (Pearl) Stephens of Northville; and two sons, Carl of Pottstown, Pennsylvania, and Raymond of Southfield, Michigan; and four grandchildren and one great grandchild.

Mrs. Denton was born March 4, 1888 in St. Ives, Huntingdonshire, England to James and Emma Walton Stocker. She was a member of the First Presbyterian church, Orient Chapter No. 77 of the Eastern Star, life member of the Northville Garden Club, and Kings Daughters of Northville.

The Reverend Timothy Johnson officiated at services. Burial was at Rural Hill Cemetery.

## FRED C. HEIDT

Funeral services were held

Wednesday afternoon at the St. Paul's Lutheran church in Northville for Fred C. Heidt, 82, who died Sunday. A resident of 435 West Lake street, South Lyon, Mr. Heidt has been in ill health for three years and resided at Northville Convalescent Home at the time of his death.

Mr. Heidt was born August 31, 1885 in Detroit to Julius F. and Anna Marie Most Heidt. His wife, Mathilda, died in 1966. He is survived by one daughter, Barbara Heidt of South Lyon; and four sons, Darold of Dexter, Wilford and Raymond of South Lyon, and Fredrick and Arnold of Plymouth; and 14 grandchildren and 18 great grandchildren. A retired farmer, Mr. Heidt had been a resident of the South Lyon community for 43 years. He was a member of St. Paul's Lutheran church.

Funeral arrangements were made by Casterline Funeral Home and the Reverend Charles F. Boerger officiated at the church services. Interment was at Glen Eden Cemetery in Livonia.

**DRAWING**—With Northville Judge Philip Ogilvie doing the honors as Proprietor Claude Smith looks on, the 15 winners of the Northville Hardware Grand Opening drawing were picked this week. Top prize—a push-button Wonder Reel went to Gary Beason of 18740 Valencia.

## Announces Winners

Gary Beason of 18740 Valencia is the top winner of the drawing conducted this week at the Northville Hardware as part of the firm's grand opening celebration. The top winner will receive a push-button Wonder Reel.

Other winners and their prizes are: Joan Ashby, 765 Grace street, electric drill; James Fowkes, 103 Ely Drive, buckskin gloves; Mrs. Penny Mackay, 21366 Stanstead, steam and dry iron; John Ellis, 1565 Naylor, Union Lake, electric can opener, Jean Cornille, 623 University, Grosse

Pointe, alarm clock; C. Luchtman, 557 Orchard Drive, Joan M. Angle, 118 Linden; Harold W. Schmidt, 20117 Woodhill; Carol Neutz, 18231 Jamestown Circle, and A. Kobierzinski, 43575 West Six Mile Road, each won color antiquing kits;

Carl Schick, 164 East Cady street, archery set; John Jerome, 743 Horton, jet plane; and Arthur Hall, 23254 Inkster, New Boston, flying moon craft and space game; and Mrs. Ray Schuchard, 9060 Napier Road, buckskin gloves.

## Corliss Hugg Graduates From Lutheran Seminary

CORLISS HUGG

Miss Corliss Hugg, daughter of Mr. and Mrs. Francis Hugg, of 8637 Horton Road, has graduated from a private college-preparatory high school in Saginaw, the Michigan Lutheran Seminary.

Her extra-curricular activities included: three years on the twirling team, four years in intramurals (among them as captain), two years of Forensics (progressed to finals in the regional competition in original oratory class), two years as school representative on the Saginaw Valley Youth Council, and also member of the staff of the school newspaper, the "Red and White".

Miss Hugg will continue her education at Schoolcraft College.

## NOTICE OF PUBLIC HEARING

MONDAY, JULY 1, 1968

8:00 P.M.

Northville City Hall

The Northville City Council, on the recommendation of the Northville City Planning Commission, will consider the rezoning of the northerly 350 feet of Lot #636, Northville Assessor's Plat #6 from an R-2 (Two Family Residential District) to R-3 (Multiple Dwelling District). Said lot is located west of High and Randolph Streets. Please take notice that a Public Hearing will be held on the above described proposed zoning change at the time and place specified.

## Lessons Start Monday

# All Swim Club Pools Open

All three pools at the Northville Swim Club, including the spray pool for little tots, are in operation this week, according to John Phene, new pool manager.

Lessons will start Monday for beginning, intermediate and advanced swimmers as well as junior and senior lifesaving classes. Adult swimming instruction also will be offered, Phene said, if enough sign up. Diving instruction also will be given.

The pool is open daily from 10 a.m. to 10 p.m. The club swim team

for interested youngsters up to and including 16 years old practices from 8 to 9 a.m. Lessons are given from 9 to 10 a.m.

Phene is a physical education major at the University of Michigan and commutes from Ann Arbor. He previously attended Henry Ford Community College and University of South Carolina on swimming scholarships. He also attended Fork Union Military Academy in Virginia.

His assistant this year is Gary Davis, son of Mr. and Mrs. William Davis of West Main Street. He is a

student at Worcester College in Ohio and served as a guard at the club last season. He will be teaching the lifesaving classes.

Returning also this season will be Stacey Evans, a guard and beginners' swimming instructor. Others on the staff are Bob Foley, who plans to attend Cornell University this fall and who will be assistant swim coach; Kyle Stubenvoll, who returns as desk clerk; Liz Kerr of Novi; Ed Woods, a Redford Union graduate who plans to attend Schoolcraft; Abie Curry, of Florida Junior College; Cindy Hayward, a Northville senior who will teach diving Monday, Wednesday and Friday mornings at 9 a.m. One more guard still to be hired will complete his staff, Phene said.

The kiddie pool for children eight and under is open whenever there are children accompanied by adults who wish it. Children eight and over who pass swim tests given by the guards may use the large pool or the diving pool unaccompanied. All youngsters under 14 must be accompanied by an adult after 6 p.m.

## Finds Little Conflict

# New Principal Mixes Roles

It's not everyday you find a principal who serves on a board of education—but that's the distinction held by Northville's newest principal.

Named principal of Amerman Elementary School last week, William Craft serves as vice-president of the Livonia Board of Education. He's been a member for the past five years.

Craft finds little conflict between his position as board member and his role as educator in another school system. "If anything," he admits, "I'm more often accused by teachers of

leaning too far in the opposite direction."

The new Amerman principal comes to Northville after three and a half years as assistant principal of Vetala Elementary School in Detroit. Previously, he had almost 15 years of experience as an elementary teacher in the Detroit school system.

Married, he has three children aged 16, 12, and 9.

After military service he received a bachelor of science degree from Wayne State University in 1951. Three years later he received his master's degree

from the University of Michigan, and he has done more graduate work since

Craft, a patron of the Livonia Youth Symphony Orchestra, was born, raised, and educated in Detroit. He comes to Northville with recommendations ranging from very good to excellent.

The new principal is replacing Ronald Horvath who is moving to Cooke Junior High School. Donald Van Ingen, past principal of the junior high is replacing Harry Smith, the newly retired principal of Main Street Elementary School.

WILLIAM CRAFT

## Northville City Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen at 8 p.m., Monday, June 3, 1968, at the Northville City Hall.

Present: Allen, Black, Carlson and Lapham

Excused: Nichols, joined meeting at 8:55 p.m.

Minutes of the May 21, 1968, were approved printed, with three minor typographical errors.

Moved by Lapham, support by Carlson, that bills in the following amounts be paid:

General Fund.....\$39,177.41  
Water Fund.....5,933.94  
Street Fund.....932.51

Unanimously carried.

Robert Isom, 624 Reed, spoke regarding the possible closing on June 1, 1968, of the Convenient Food Mart. The City Manager and the City Attorney are meeting Tuesday, June 4 regarding the method of dealing with specific items not achieved by the June 1st deadline.

The Planning Commission Minutes of May 21 and 28, 1968 were placed on file.

The City Attorney briefed the proposed Ordinance by reading various sections, as it was published in the Northville Record; the referendum portion was explained in detail.

Paul Dawson, Northville Estates, had a question regarding one section on discrimination, which the attorney answered.

Arthur Adams, Allen Drive, asked why the necessity of a local ordinance as it is almost certain that a State ordinance will be passed. The City Attorney explained that the State bill has not been signed as yet; also it is more satisfactory for a municipality to have their own ordinance.

Moved by Black, support by Lapham, to adopt Ordinance No. 143 (Open Housing and Civil Rights), effective upon adoption; and this ordinance to be re-printed in summary form in the Northville Record. Unanimously carried.

After the Public Hearing on the above ordinance, the meeting recessed from 9:30 to 9:35 p.m.

Moved by Black, support by Carlson, to have Public Hearing on Lot 560, Assessor's Northville Plat No. 6, to consider re-zoning from C-2 (General Commercial) to C-1 (Local Business) on Monday, June 17, 1968, 8:00 p.m. at the Northville City Hall. Unanimously carried.

Moved by Lapham, support by Carlson, to consider re-zoning for Lots 10 and 11 of Assessor's Northville Plat No. 1 from C-2 (General Commercial) to C-1 (Local Business) on Monday, June 17, 1968, 8:00 p.m., at the

Northville City Hall. Unanimously carried.

The matter of reviewing Northville Police Department regulations was unanimously postponed until June 17th meeting.

The matter of a Public Hearing for the Refrigeration Code was postponed until June 17th meeting. City Attorney is to report on the proposed code.

Moved by Carlson, support by Lapham, to adopt the Initiatory Resolution for 1968 City of Northville Sidewalk Program in the amount of \$5500.00. Unanimously carried. Mr. Nichols joined the Council meeting at 8:55 p.m.

City Manager reviewed the "Carpenter Street opening" to date. Unanimously decided to accept the City Manager's recommendation of inviting residents in surrounding area to an informal informational meeting with Council on Monday, June 10, 1968, 8 p.m. at the Northville City Hall.

City Manager explained the assessment for this property—water and sewer tap. Moved by Black, support by Carlson, to approve the contract-assessment for International Diamond Tool in the amount of \$2536.15, payable over a 5-year period at 6% interest, due July 1, 1968. Unanimously carried.

City Manager reported that all requirements on assessment procedure for paving of Taft road had been met, to date, and recommended setting a date for a Public Hearing.

Moved by Carlson, support by Black, to adopt the Resolution accepting the City Manager's report and setting the date for the first Public Hearing on the Taft Road Improvement for Monday, June 17, 1968, 8:00 p.m. at the Northville City Hall. Unanimously carried.

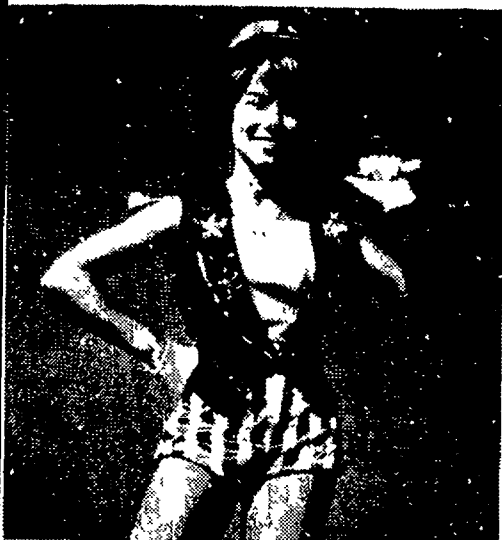

Councilwoman Carlson reported on the result of the Northville Flag and Motto Contest: Tom Hutcherson and Julie Brown for flags; Dan Stoddard and Connie Mohr for mottos. After some discussion on the dates which appeared on the students' flags, it was moved by Black, support by Carlson, to adopt the Northville Flag, as presented to Council by Councilwoman Carlson, amending the date as "1827 founded and Village incorporated in 1867". Unanimously carried.

The City Clerk reported on her attendance at the International Municipal Clerks' Convention in Miami Beach, Florida, May 20, 21 and 22, 1968, and thanked Council for allowing her to attend and also for paying Registration fee.

There being no further business, the Council meeting adjourned at 9:40 p.m., to go into Work Session.

Martha M. Milne  
City Clerk

### 1-Card of Thanks

Dr. Hugo Hernandez and family  
would like to thank everyone for  
their thoughtfulness and  
sympathy during our recent  
bereavement. A special thanks to  
my friends and associates at  
Northville State Hospital.

The Denton Family, through the  
medium of this column, wish to  
thank the Women's Association of  
the Presbyterian Church, The  
Mizpah Circle, of Kings  
Eastern Star, The Northville  
Police Dept. for their courtesy,  
and the Caterline family for their  
help and condolence and to the  
many friends for their kindness.

Thank you, Mr. Walter Lewis, for  
spraying mosquitoes during the  
dance. It helped it to be more  
enjoyable.

Thank you, CVC  
H25p

Many thanks to friends and  
family for cards and flowers  
during my recent stay in the  
hospital.

Glenn Hoots, Jr.  
H25p

We would like to give public  
recognition for superior  
workmanship rendered by the  
Weinburger Construction Com-  
pany in the building of our home.

Mr. & Mrs. Robert Crawford  
H25p

We would like to thank Mr.  
Shawman and all our friends  
who made it possible for our  
Mothers and us to go to New  
York.

Sara Gates & Sheila Wiseman

MODEL OF NEW MINIATURE HEARING AID GIVEN A most unique free offer of special interest to those who hear but do not understand words has just been announced by CLEARSTONE. A true-life, actual size replica of the smallest CLEARSTONE ever made will be given absolutely free in addition to a free hearing test to anyone answering this advertisement. Wear—test it without cost or obligation of any kind. It's yours to keep, free. The size of this CLEARSTONE is only one of its many features. It weighs less than a third of an ounce and it's all at ear level, in one unit. No wires lead from body to head. Here is truly a new hope for the hard of hearing. These models are free while the limited supply lasts, so we suggest you write for yours now. Again, we repeat there is no cost and no obligation. Write to: BETTER HEARING SERVICE, INC. Box 33B c/o South Lyon Herald South Lyon, Mich. 48178

# REGISTRATION NOTICE

FOR

## General Primary Election

Tuesday, August 6, 1968

### TO THE QUALIFIED ELECTORS OF THE TOWNSHIP OF NOVI, COUNTY OF OAKLAND, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration.

NOTICE IS HEREBY GIVEN THAT REGISTRATIONS WILL BE ACCEPTED ON MONDAY THRU FRIDAY AT NOVI TOWNSHIP HALL, 25850 NOVI RD. FROM 9 A.M. TO 5 P.M.

## FRIDAY, JULY 5, 1968 - LAST DAY

FROM 8 O'CLOCK A.M. UNTIL 8 O'CLOCK P.M., THE FIFTH FRIDAY PRECEDING SAID ELECTION AND ON SATURDAY, JUNE 29, 1968-8 A.M. TO 5 P.M. AS PROVIDED BY SECTION 498, ACT NO. 116, PUBLIC ACTS OF 1954 AS AMENDED.

For the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE AS SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

The township office will be open all day the Saturday prior to close of registrations.

### ELECTOR UNABLE TO MAKE PERSONAL APPLICATION, PROCEDURE

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence duplicate registration cards, and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths, and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

### UNREGISTERED PERSONS NOT ENTITLED TO VOTE

SEC. 491. The inspectors of election at any election

## 7 Attend Girl Scout Camp

Seven Northville Girl Scouts are now attending the opening session at Camp Linden, resident camp for the Huron Valley Girl Scout Council.

Kathy Hixon, 512 West Dunlap and Ann Lockwood, 201 North Rogers are enrolled in general program units at the camp and will take part in a variety of activities including swimming, boating, hiking, outdoor cooking, nature study, and dramatics.

Melinda and Sherry Ellison, 552 West Dunlap, Kathy Lockwood, 201 North Rogers, and Kathy Sechler, 43600 Six Mile are enrolled in the Spartans unit at the camp, an advanced unit for older Scouts that features hiking, back-packing, and primitive camping. With other Scouts from the four county area the council serves, they will practice camping skills as a prelude to planning and taking a back-pack trip or setting up a primitive campsite away from the main area of the camp.

All of these girls arrived at camp

yesterday and will remain there until July 3.

In addition, Sally Schlieff, 43540 West Six Mile, a Senior Girl Scout from Northville, is enrolled in the Counselor-in-Training program at the camp and will be there until July 17 studying leadership techniques and reviewing camping skills as she learns to be a camp counselor.

Camp Linden, which operates four

two-week general sessions and two four-week Counselor-in-Training sessions during the summer, is located near Linden in northern Livingston County. It contains almost 400 acres of wooded land, lakes, streams and marsh areas. While there are still a few vacancies in the camp in July and August for older girls, the camp is filled almost to capacity for the rest of the summer.

## Boy Scouts Conquer Bug Infested Swamps

It was a battle of bug infested swamps, but members of Scout Troop 731 triumphed last weekend in a campout at Bruin Lake Scout Camp near Pinckney.

Twenty Scouts and three adult leaders spent all day Saturday

negotiating the swampy Potawatomi Trail to earn the coveted 15-mile hike patch. Nine hours later, they returned triumphant to the camp for a dip in Bruin Lake and a late supper.

When asked if they would like to do it again, the Scouts responded with a resounding "No!"

Leaders in charge were George Whitesell, George Brown, Howard Wright and Andy Pelto. Providing transportation were Whitesell, Wright, Pelto, Richard Alspaugh, Pete Brown and Harry Hartshorne. Meals were procured and prepared by the Scouts.

The Scouts express their "thanks and appreciation to Reverend S. D. Kinde, "out-going pastor of the First Methodist Church, sponsor of the troop. "We wish him well and God's blessing on his new appointment as pastor of Bethany Methodist Church in Clio."

They also extended best wishes to his successor, Rev. Gunther C. Brandstner and his family, and hoped his two Scout-age sons will join the troop.

## Nomads Name New Staffers

At the Nomads membership meeting held on Tuesday, June 18, President Joe Benich announced the appointment of two new staff members. Ray Munde of Walled Lake was appointed as club secretary and Mrs. Lottie Kukielka of Warren, director of public relations.

Nomads, a private air travel club, has its office located at 2300 North Woodward Avenue in Royal Oak. Its board chairman is Art Chadwick of Northville.

## Municipal Court

Fifteen of the 22 persons appearing in municipal court last week were involved in charges related to alcohol. All were examined by Municipal Judge Philip Ogilvie who determined their sentences.

William A. Blenman of Livonia pleaded guilty to driving while his ability was impaired along Main Street. He was sentenced to pay \$80 or serve 16 days in jail.

Ralph Powell of Northville stood mute upon arraignment and then changed his plea to guilty when an added count of driving while his ability is impaired was made. Initially accused of poor driving along River Street at Johnson, Powell was fined \$80 or 16 days.

Leroy Dunham of Livonia was charged with being drunk and disorderly at Seven Mile and Center. He pleaded guilty and was sentenced to pay \$40 or seven days.

Ioannis Glykis of Detroit was charged with being drunk and disorderly. He entered a plea of guilty and was sentenced to pay a cost of \$40 or eight days in jail.

Drunk and disorderly charges were brought against Dexter R. Savage of Detroit. He pleaded guilty and was fined \$40 and \$4 cost or eight days.

George F. Fell of Southfield was charged with being a minor in possession of liquor. He pleaded guilty and was sentenced to pay \$20 or four days.

Willard L. Gillespie of River Rouge was charged with being drunk and disorderly. He pleaded guilty upon arraignment and was sentenced to pay \$40 and \$4 cost or eight days.

From Lincoln Park, Junita Pruitt was charged with being drunk and disorderly and she too pleaded guilty and was fined \$40 or 8 days.

A plea of innocent was entered by John H. Wagner of Detroit on charges of being drunk and disorderly, but he changed his plea to guilty and was sentenced to pay \$49 and \$4 cost.

Osby N. Shepard of Warren, charged with being drunk and disorderly, entered a plea of guilty and was sentenced to pay \$40 and \$4 cost or eight days.

Anthony Bielski of Plymouth pleaded innocent upon arraignment, but changed his plea to guilty to a charge of driving while his ability was impaired and was fined \$60 or 12 days.

Earl Marcoe of South Lyon stood mute upon arraignment when charged with drunken driving along Eight Mile and Taft. He then pleaded guilty to a lesser count of driving while his ability was impaired and drew a \$100 fine or 20 days.

Lowell E. Fulkerson of Birmingham pleaded guilty to a charge of being drunk and disorderly and was sentenced to pay a fine of \$40 or serve seven days in jail.

Sol L. Smith Jr. of Detroit, charged with being disorderly and drunk, entered a plea of guilty and was sentenced to \$40 or seven days.

Finally, Melvin L. Killian of Westland was charged with being drunk

and disorderly, and, like others, he pleaded guilty and was sentenced to pay \$40 or seven days.

Beatrice Sissen of South Lyon pleaded guilty to being a disorderly person creating a disturbance on Eight Mile. She was fined \$25 and \$2.50 cost.

Donald N. Matewicz of 15 Hillcrest Estates pleaded guilty of driving 45 MPH in a 40 MPH zone on East Eight Mile. He paid a \$5 fine.

Upon arraignment Max Mates of Westland pleaded innocent of violating his financial responsibility. However, at the trial he changed his plea to guilty

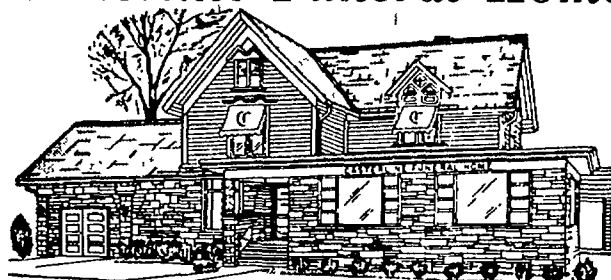

and 18 days in jail were credited to him pending his trial.

Charges of a failure to transfer license plates were brought against Gordon J. Hillard of Novi. He entered a plea of guilty and was fined \$10 or two days.

Leroy Smith of Detroit, charged with loitering and disorderly person in the Northville police station, pleaded guilty and drew a fine of \$30 plus cost or five days.

Dennis Carnes of Northville pleaded guilty when charged with driving with defective equipment. He was fined \$10 or two days.

## ADVERTISEMENT FOR BIDS

The Village of Novi will accept bids for one (1) Industrial Tractor Mower on or before 5:00 P.M., Eastern Daylight Time, July 15, 1968. The Bids should be submitted to the Village Clerk, 25850 Novi Road, Novi, Michigan, 48050, with the envelopes plainly marked TRACTOR MOWER BID. The bids will be publicly opened and read at the Council meeting which will convene at 8:00 P.M., July 15, 1968.

A copy of the specifications may be obtained by contacting the office of the Village Clerk.

The Village of Novi reserves the right to accept or reject any and all bids and to waive irregularities.

Harold N. Ackley, Village Manager

# LAST DAY OF REGISTRATION SCHOOL ELECTION

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan, has called a special election to be held in said School District on Monday, July 29, 1968.

Section 532 of the School Code of 1955 provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides..."

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS, IN ORDER TO BE ELIGIBLE TO VOTE AT THE SPECIAL ELECTION CALLED TO BE HELD ON MONDAY, JULY 29, 1968, IS

## FRIDAY, JUNE 28, 1968

PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M., ON THE SAID FRIDAY, JUNE 28, 1968, ARE NOT ELIGIBLE TO VOTE AT SAID SPECIAL SCHOOL ELECTION.

Under the provisions of the School Code of 1955, registrations will not be taken by school officials and only persons who have registered as general electors with the city or township clerk of the city or township in which they reside are registered school electors. Persons planning to register with the respective clerks must ascertain the days and hours on which the clerks' offices are open for registration.

Act 146, Public Acts of Michigan, 1967, requires each city and township clerk to be at his office between the hours of 8:00 o'clock a.m., and 5:00 o'clock, p.m., on the first Saturday preceding the close of registration that is not a legal holiday. For this election this day is Saturday, June 22, 1968.

This Notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

s/ Glenn E. Delbert  
Secretary, Board of Education

# NORTHVILLE TOWNSHIP REGISTRATION NOTICE

## VILLAGE OF NOVI NOTICE OF PUBLIC HEARING

ON PROPOSED AMENDMENT TO THE ZONING MAP OF THE ZONING ORDINANCE OF THE VILLAGE OF NOVI, OAKLAND COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed amendment to the Zoning Map of the Zoning Ordinance No. 18, of the Village of Novi to include the following change:

On petition of Gene Hirs, the Board has been requested to rezone item MN 480, being described as follows:  
"The West 1/2 of the West 1/2 of the SE 1/4 of Section 26, and that part of the East 1/2 of the SW 1/4 of Section 26 lying East of the Chesapeake and Ohio Railroad, T. 1N., R. 8E., Village of Novi, Oakland County, Michigan" from M-3 General Manufacturing District to M-1 Light Manufacturing District.

This Hearing will be held at 8:00 P.M., Eastern Daylight Time, at the Novi Village Hall, 25850 Novi Road, Novi, Michigan, Monday, July 8, 1968.

NOTICE IS FURTHER GIVEN that the proposed amendment to the Zoning Map may be examined at the office of the Village Clerk, at the Village Hall during regular office hours, until the date of the hearing.

VILLAGE OF NOVI PLANNING BOARD  
Willis Miller, Secretary  
VILLAGE OF NOVI COUNCIL  
Mabel Ash, Clerk

## Report Thefts To Novi Police

Two thefts, a breaking and entering, and a car fire were among cases handled by the Novi Police Department last week.

Theft of a brief case was reported by Mrs. Dennis Berry, 41163 McMahon, on Thursday. The case was in a car parked in the driveway of the Berry home.

Frank Green of Detroit reported the theft of electric wire conduit from the construction site of the Meadowbrook Convalescent Home, corner of Meadowbrook and 10 Mile Roads, on Wednesday.

Early last Thursday morning someone broke into the Timberlane Lumber Company, located on 10 Mile Road near the C&O Railroad, but apparently nothing was taken. Entry was gained by breaking a door window. The B&E was reported by Dale Albright.

Fire, believed caused by a burning cigarette, damaged a car at 23830 Meadowbrook Road Friday evening. The fire was extinguished before Novi firemen arrived.

# SPORTS

**BIG MOMENT**—Northville's former, high school pitcher and most recently a star hurler with the University of Michigan signs a contract with the National League's St. Louis Cardinals as (left to right) Cardinal Supervisory Scout Mo Mozzali, H. O. Evans Steve's father, and Northville Athletic Director, Robert Kucher, look on. Kucher, who coached the Mustangs' championship teams when Steve played here, also is a scout for the Cardinals.

## Athletic Director Bob Kucher

# He Gets Coaching Post, Too

Thirty-year-old Robert Kucher carries eight years of high school athletic coaching experience into his new position as Northville athletic

director.

Named to the post, upon the recommendation of Superintendent Raymond Spear, by the Northville

## Riders Eye Trotter Demise Saddens Winn

Success spelled additional fun for members of the Double N Riders recently.

The group's camping-trail riding trip to Waterloo Recreation Area May 30 to June 1 was so successful, that another similar trip is planned for the fall.

Boys and girls with their nine horses and ponies, together with members of the Shiawassee Saddle Club, were guided over the wild and beautiful trails by Cliff Balch of Pleasant Lake and Bud McLeod of Brighton.

Double N participants included Gail, Rick and Rob Davidson, Gail and George Jones, Janeen Miller, Diane Rossetto, Pat Heerman and Carol Bellenir.

Mr. and Mrs. Robert Davidson of Novi, leaders of the group and planners of the trip, were assisted at the campsite by Mrs. Kenneth Bellenir, Ernie Jones and Doug Jones. The group extended special thanks to parents who provided camping equipment and horse transportation.

\*\*\*\*\*  
Despite a steady rain, the Wayne County 4-H Leaders Horse Show held May 26 was a big success.

Club officials, in revealing the show's success, extended thanks to Northville-Novl area merchants who supported the club with their advertisements. They included Del's Shoes, Freydl Cleaners, Gussell Drug Store, Richard Zabell, painting contractor, and Trickey's Hunting and Fishing.

## U-M to Lose Key Hurler

# Cardinals Sign Steve Evans

Northville may be a small community but it's fast becoming a big one in the eyes of major league baseball teams.

Twenty-year-old Steve Evans signed a contract with the National League's front-running ball club, the St. Louis Cardinals, on Thursday and left this past weekend for two-weeks of preliminary drills at Sarasota, Florida.

He is the second Northville graduate to be signed by a major league club in the past year. Doug Swiss, a catcher, was signed by the Detroit Tigers a year ago.

Just a week ago Dennis Primeau, Northville's slugging shortstop this season turned down a contract offer by the Tigers. And several years ago Ken Rowe joined the majors.

Evans, a star hurler for the University of Michigan, signed a contract with the Cardinals calling for a "substantial bonus", payment of his final two years of education at U-M, and an assignment to a Class "A" Cardinal farm club.

In addition, he has a guarantee that he'll miss no classes at U-M either at the beginning or at the end of the

school year, and he'll earn the maximum \$500 per month playing summers with a Class "A" farm club.

Son of Mr. and Mrs. H. O. Evans of 20311 Woodhill, he probably will be assigned to Modesta—the Cardinal's top farm club in California following drills and orientation at St. Petersburg, according to Cardinal Supervisory Scout Mo Mozzali of Louisville, Kentucky, and Robert Kucher, Evans' high school coach who also scouts for the Cardinals.

If he goes to Modesta, he'll become teammate of Ken Simmons, a former catcher with Southfield—the high school squad that defeated Northville in the Pontiac Press championship game two years ago.

The 6'4", 200-pound Evans, who hurls a mean fast ball, was a top pick of the Cardinals in the nation this year. He was drafted, said Mozzali, "because of his size, strong arm, and most of all because of his fine attitude toward the game."

"Records alone don't make the player," added Kucher, "and in Steve's case I think his attitude and determination played a big part in winning the attention of the Cardinals. He put a lot of work up there on the hill (high school)."

The contract means the Wolverines will lose its big righthander during his final two years at U-M, where is is studying towards a teaching degree. This past season, in his first varsity year at U-M, Evans wound up with a 4-4 record for a second-place finish among the pitching staff.

Graduated from Northville High School in 1966, Evans is given a

"better than average chance of reaching the top." The Cardinal system is full of good left-hand pitchers but is short of right-handers. That plus the fact expansion of the National League into Montreal and San Diego next year will put pitchers at a premium, said Kucher, makes him especially valuable.

"We consider Steve to be a very fine prospect," said Mozzali, "and we're confident he has the stuff to make it in the major leagues."

Interestingly, Evans and Swiss, teammates at Northville may be members of the two major league systems, that, at this early date, seem bent on tangling in the World Series.

\*\*\*

## Swiss to Play Double 'A' Ball

Doug Swiss, farm-club catcher for the Detroit Tigers, left Florida drills Friday for Montgomery, Alabama where this summer he will play in the Double "A" circuit.

Montgomery is just one step away from the Tigers' number one farm club—Toledo, which plays in a Triple "A" league.

Signed by the Tigers, Swiss played with Erie in a New York "A" circuit. He was expected to return to the same circuit, playing with Batavia, but after less than a week of drills under the eye of top Tiger managers in Florida he was picked for Montgomery.

The manager of the Montgomery nine is Frank Carswell.

Next fall, Swiss, a hard swinging catcher, will return to the University of Michigan as a sophomore. His contract calls for four years of fully paid school at U-M.

\*\*\*

## Primeau Nixes Tiger Contract

Dennis Primeau, Northville's star shortstop this past year, has turned down the initial contract offer of the Detroit Tigers.

However, there's still a chance the Tigers may offer him another contract before he enters Port Huron Junior College in the fall. Furthermore, the new rule prohibiting contract signings with students in four-year colleges does not affect students attending junior colleges.

Primeau turned down the contract because it was considered inadequate.

Primeau is the son of Mr. and Mrs. Primeau who recently moved to 9045 Lionel, Livonia, from Novi.

## Lanes Grabs 46 Hits, Runs

A 26-hit barrage netted 20 runs as the men's softball league leader, Northville Lanes, clobbered Ford Friday, 20-6. Ken Kujala and Joe Humphries each collected homers for the winners.

In another game Friday, Lapham's bombed Perkins, 16 to 1, in collecting a total of 19 hits. Jerry Imsland picked up three hits in four turns at the plate, including a homer, triple and a single. Hurler Orson Atchinson came up with three for three, and Bob Kucher hit three for five.

Perkins came back Monday to defeat the Jaycees, 11 to 4, collecting 11 hits in the process. Earl Handley led the hitting attack with a three for four clip, and Bob Oaks came up with a four-bagger.

## BV Inches Closer To Novi Party Store

B-V Earthmovers inched a little closer to Novi Party Store in the Red Division of Novi Little League competition last week by edging the leaders 8-4.

The victory puts B-V in second place with a record of seven victories against five defeats—just behind the Party Store which has a 7-3 record.

Meanwhile, Rexall Drugs continued to lead the Blue Division, chalking up its ninth, 10th and 11th wins without a loss. Closest challenger is the Jayhawks, camped in second with a 7-5 record.

Dale Smith hurled a six hitter June 10 as B-V shot down the high-flying Party Store, 8 to 4. B-V collected an even dozen hits, including a double by Tom Wilkins and a double and triple by Steward Taylor.

Four Party Store players clubbed doubles as well. They are Chuck Foley, Larry Taylor, Courtney Lytle, and Ron Buck.

BV also downed the Wroten Brothers on June 14, 18 to 10, behind the six hit pitching of Glen Kunderick. BV collected eight hits. Extra base hits were turned in by Stewart Taylor of BV and Brian Wroten of Wroten Brothers—both of which were doubles.

Party Store may have taken it on the chin earlier in the week but when it met Paragon on June 13 things were different. The league leaders bombed Paragon, 23 to 4 as Larry Taylor limited the losers to just four hits.

Party Store's Mike Alexander, Jerry Fulcher, and John Henson collected a single each, Ron Buck banged out three doubles, and Taylor added his pitching performance by clouting a triple. John Woloszyn picked up two doubles for the losers.

In other action, the Jayhawks downed Carls Shell, 12 to 10. The winning pitcher, Chris Polak fired a five hitter while his teammates were collecting 11 hits. John Anderson and Kevin Tobel doubled for Carls, while Kevin LaFleche picked up three doubles for the Jayhawks.

On June 12, Rexall panted Michigan Tractor, 8 to 1 as Dave Brown hurled a no-hitter. Roger Pelchot collected two doubles, Brown a triple.

Wroten Brothers outit Paragon 11 to 7 on June 12, but Paragon came up with more runs to win the game, 11 to 10. Mark Schoof was credited with the victory.

Wroten Brothers' Glen Gault, Chuck Manilla and Gary Canfield each doubled while Mike Munro tripled. John Woloszyn of Paragon also doubled.

Michigan Tractor was able to collect only two hits but still managed to beat the Jayhawks on June 13, 7 to 5. The Jayhawks picked up six hits in their losing cause—including a double off the bat of Ron Frisbee. Roger Provo was credited with the victory.

A 20-run barrage was more than sufficient for Rexall to defeat Carls Shell, limited to three runs on five hits, on June 14. Mike Holroyde and Terry Butter each doubled for the winners and Joe Greene was the victor on the mound.

Rexall came back with its third triumph of the week on June 15, downing Paragon, 14 to 2 as Eric Hansor hurled a two hitter—both singles off the bat of Paul Lukkari. Hansor helped his own cause by blasting a homer, while teammates Jeff Pelchot and Joe Greene doubled and tripled, respectively.

Board of Education last week Kucher also assumes the head basketball coaching position.

A native of Detroit where he was graduated from Denby High School, Kucher earned his degree at the University of Michigan where he played varsity baseball.

From the University he went to Brighton where he was head baseball coach for four years, two years as assistant and two years as head basketball coach, and two years as assistant football coach.

Upon joining Northville where he teaches geography, he coached varsity baseball for three years, one year freshmen and three years junior varsity basketball, and one year as assistant football coach.

He was coach of two Northville championship baseball teams.

Kucher also is a scout for the St. Louis Cardinals.

Married, he and his wife, Marge, have two children, Gary 5 and Leslie 3. They live at 43796 Park Grove.

He assumes the position previously held by David Longridge, who will serve full-time as assistant high school principal following a period this past school year when he held down both posts.

## Officials to Air New Court Plans

Officials of the cities of Northville and Plymouth and the townships of Northville, Plymouth and Canton will meet Monday evening to discuss procedures in the formation of the newly organized district court.

The meeting will be held in the council chambers of the Plymouth city hall and State Representative Richard Young, one of the members of conference committee that helped get district court measure out of the House and Senate, will be on hand to answer questions posed by the officials.

The five governmental units compose District 35, a third class district of the new state-wide court system.

Under the provisions of the district court act each of the governmental units shall contribute to the expenses of the court in proportion to population and to the number of cases entered.

District judges will be elected in November to serve four-year terms beginning January 1, when all justice of the peace courts will be eliminated. Candidates for the judgeships must be licensed attorneys and registered voters of the district in which they are running. The state provides for payment of a salary of \$18,000, but additions up to \$26,000 may be paid by any of the political subdivisions

where the court sits.

Under the act the court must sit in cities having a population of 3,250 and townships of 12,000 at the 1960 census. Thus in the local district the judge must hold court in the cities of Northville and Plymouth. He may also hold court in the townships of Northville, Plymouth and Canton, but they must provide court facilities and also a clerk. It is unlikely that the townships would insist upon a court within their own communities, both because of the expense and because the facilities in Northville and Plymouth cities would be available for their use.

Candidates for district judge have until July 2 to file petitions for the August 6 primary. But an easier way to get on the ballot is to file a \$100 fee in Lansing. This method is being provided because the secretary of state's office has not had time to figure out how many signatures are required within each of the newly formed districts to qualify.

Northville and Plymouth city council members were scheduled to meet Wednesday evening in Northville to discuss the matter of supplementary pay for the local district judge. Admittedly, the matter of salary is causing most candidates to wait before filing.

## Swimming Pool Included

# Schoolcraft Plans Giant Gym

Students at Schoolcraft College soon will have one of the finest physical educational facilities in Wayne County.

Eberle M. Smith Associates, Inc., Architects and Engineers, have designed a complete, flexible and vigorous physical education complex to serve the needs of the college whose projected student enrollment through 1970 is 5,000.

Programs and uses of the four-level facility include physical education,

class instruction, intramural sports, extra-mural sports, varsity sports, professional courses, non-organized informal sports participation, student and faculty recreation.

Schoolcraft College, in northwest Wayne County, is on a 140-acre site on Haggerty Road between Six Mile and Seven Mile Roads. The physical education facility is the sixth building designed by the Smith firm for this site.

Physical education programs will include swimming, basketball, tennis and golf practice, gymnastics and tumbling, wrestling, handball, paddle ball, volleyball, squash, badminton, and dance.

In addition to the main gymnasium, there will be a gymnastics and apparatus room, wrestling and corrective exercises room, swimming pool, six handball and squash courts and an auxiliary gymnasium. Two classrooms and an office area are included.

Team rooms for home and visiting teams, staff locker areas, training rooms and associated areas are provided in conjunction with the main locker rooms.

Seats for 2,500 spectators will be provided in the main gymnasium while spectator seating for 400 will be provided for swimming activities.

All major activity areas are directly

connected to a central main corridor to permit free circulation to the variety of activities housed.

The design, contour and location of the physical education building on the campus permits access on three levels at natural grade.

The pool deck, locker areas and major athletic areas are all located on the same level, together with spectator areas for the gym and handball courts. The pool spectator area and the wrestling and corrective exercise area are at the upper level; office areas are located at an intermediate level.

Brick walls, aluminum entrances and pitched metal roof with standing seams will match the exterior materials used on other buildings on the campus.

## Eight Injured In Novi Crashes

Eight persons were injured in two Novi automobile accidents last week.

Two adults and four children were injured in a single car at 6:09 p.m. Thursday when it collided with another car at Beck Road and Grand River.

Injured were: Domenic Maviglia of Farmington, driver, his mother Mrs. Rosina Maviglia, three of his children, Cheryl 13, Cindy 11, and Kevin 7, and a friend of the family, Betty Herbert 10, also of Farmington.

Maviglia, who suffered a broken wrist and arm, underwent surgery at Botsford Hospital on Friday. The others were treated for cuts and bruises and released.

The driver of the other car, Robert H. Davidson of 46876 11 Mile Road, was uninjured.

According to Patrolman Da. Gross, Davidson was north-bound on Beck when he pulled to a stop at the intersection, then proceeded across into the path of the other vehicle. His vision, Gross said, was partially obscured by buildings at the southeast corner.

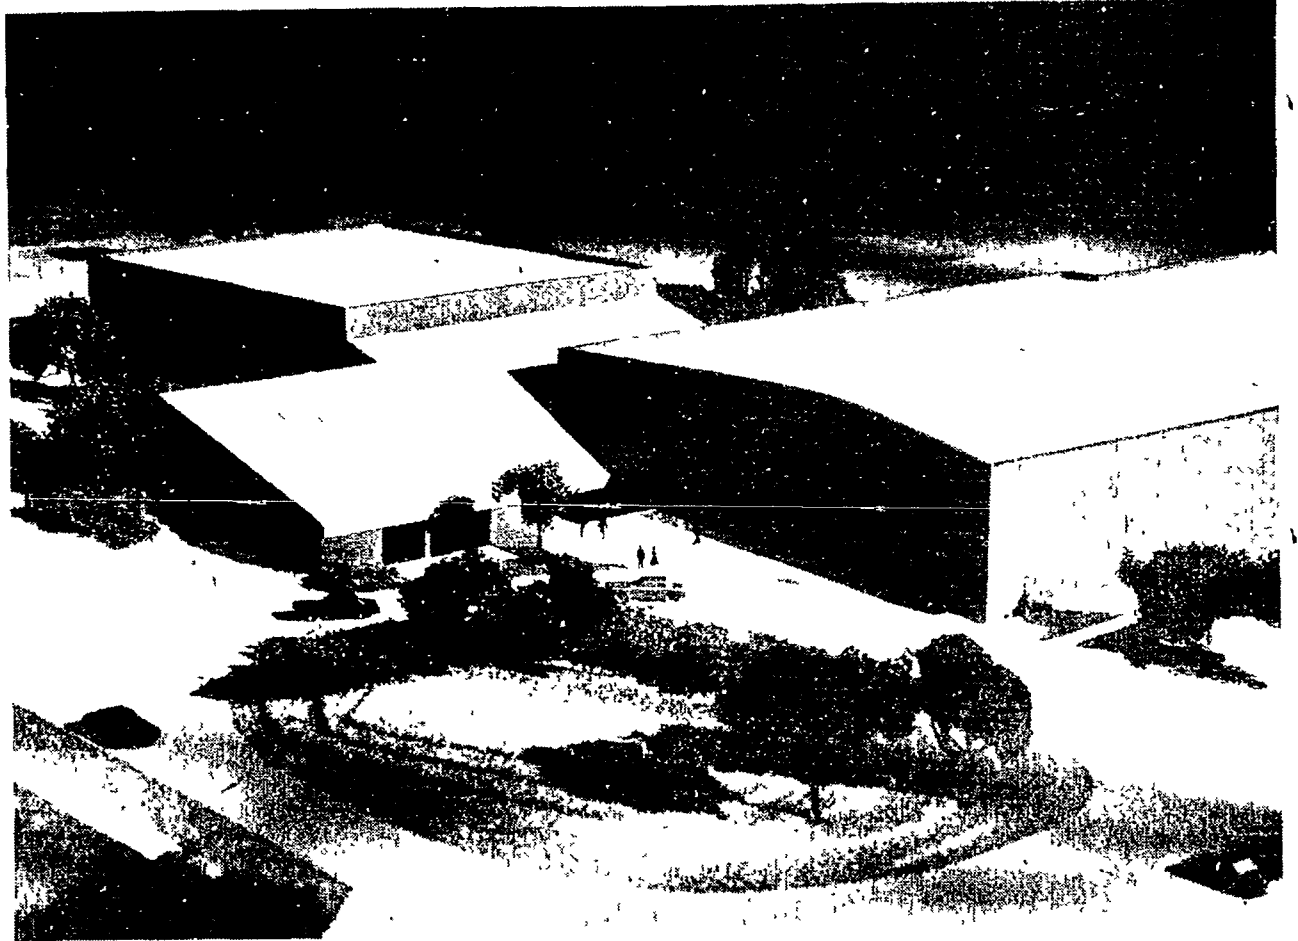

Maviglia's car was traveling about 45 miles per hour when the collision occurred. Skid marks left by his car were measured at 72 feet.

On Wednesday of last week at 9:30 p.m., Cheryl L. Hirsch, 17 of Troy suffered a leg injury collided with another vehicle, driven by Vernon Wilson of 2309 Indiana, Walled Lake, at 12½ Mile and Novi Roads. She was treated at Botsford Hospital.

Wilson, who complained of a side pain, declined treatment.

A passenger in the Hirsch car, Cindy Davis, 17 of Union Lake, was uninjured.

Novi police said Miss Hirsch failed to stop at the intersection and was struck by the other vehicle. She was ticketed for failure to stop, although police reported she had been drinking.

NEW PHYSICAL EDUCATION COMPLEX TO INCLUDE POOL, SQUASH COURT

## Gene Schnelz May Seek Court Post

Justices of the peace throughout the state of Michigan will become a thing of the past January 1 as a result of legislation signed into existence Monday by Governor George Romney.

Taking the place of Emery Jacques, Novi justice of the peace, Mrs. Florence Renwick, South Lyon justice of the peace, and the seat vacated in Wixom by Elwood Grubb will be a district judge.

And there's a possibility that Gene Schnelz, Wixom city attorney and Walled Lake municipal judge, will seek election as district judge in the state's 52nd district of the first judicial division.

"I'm doing some playful thinking," Schnelz said. "I'll make a decision this week."

Martin Boyle of Milford, a lawyer and justice of the peace in Milford township, is reportedly seeking the new post.

To qualify, petitioners must be judges and petitions must be filed in Lansing with the appropriate authority by July 2. According to Schnelz, the race will be non-partisan, but candidates must run in the August 6 primary. The two top picks would then vie in the November 5 general election.

Asked where the district court seat logically would be located, Schnelz said, "The Judge will have to travel. I

wouldn't hesitate to."

He explained that whether or not a judge should hold court in various communities within his district is not spelled out in the signed bill. The decision, Schnelz said, would probably be made by the chief district judge who, in Oakland county, will be elected by the county's nine district judges.

"It would be ridiculous," Schnelz said, "to have police and witnesses traveling great distances to court." In other words, he would hold court on specific days in South Lyon, Wixom and Novi.

Besides the cities of Wixom, South Lyon and Novi and the Lyon township, the 52nd district includes the City of Walled Lake, and Milford, Highland, Rose and Commerce townships. That amounts to about 30,000, the number of persons each judge represents.

## City Sets New Assessment Rate

Continued from Page 1

the Eight Mile-Taft road area.

Lining up against the assessment, but not the need for the improvement, were Fred and Richard Robinson, Mark C. Larkins and Mr. and Mrs. Nicholas Zander.

They argued that the school would be the chief beneficiary of the improvement and therefore the entire community should be assessed the biggest share of the improvement.

At the outset of the hearing City Manager Frank Ollendorff

recommended a 100 per cent assessment against all property owners abutting the road for the length of the improvement—from Eight Mile to the city limits (a distance of one-half mile). He made reference to the city's intention of paving all streets, the difficulty of maintaining the road in its present condition and of the planned development in the area of the road that has resulted in assigning a higher priority to Taft road on the city's paving list.

Mayor A. M. Allen reviewed the city's past policy of assessing and revealed that the council had agreed to adopt a new plan that would treat all residents alike. He said street paving assessment of 75 per cent in all areas of the city would be used for the improvement of unpaved streets. The only exception to this rule is the development of new subdivisions,

where paved streets are required at the outset.

He also called for a motion approving the 75 per cent levy against individual property owners, providing the school district and Thompson-Brown company would agree to a contract calling for 100 per cent payment of their frontage.

Estimated cost of the paving, which calls for eight-inch concrete and a street of 24-foot width, is \$106,000. The front-foot cost is estimated at \$20, or \$15 on the basis of a 75 per cent assessment.

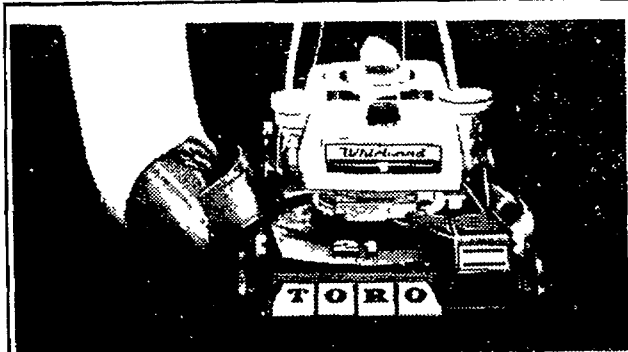

A second hearing was set for July 1 at which time specific assessments will be reviewed before advertising for bids on the project.

In other business the council approved rezoning of South Main street property owned by Cyril and Sydney Frid from C-2 to C-1 so that one of two apartment houses on the property may be sold to the Gulf Oil company for construction of a new service station facility. The Frids dedicated a 20-foot strip some 228 feet long to the city behind the Main street property to the city to provide for alley access.

Rezoning from C-2 to C-1 was also passed for expansion of the Northville Laundry on North Center street.

## Where's Teachers' Votes?

An ironic afterthought to the defeated request of the Northville school district for additional millage in the election of June 10 was revealed to school board members informally Monday night by Superintendent Raymond Spear.

In the midst of negotiations for salary increases, Spear said, enough

teachers and school personnel failed to vote to make a difference between success and failure in the election.

A check of voting records, he said, indicated that 17 registered teachers and about the same number of other personnel failed to vote. The check, he added, also showed many teachers not registered.

Things hide better with Rev-Satin Latex Wall Paint... things such as wallpaper designs, faded, dingy walls, smudges, etc.

Rev-Satin flows on smoothly to give you a beautiful, washable, fast-drying surface, too. It leaves no "painty" odor, which means you can use the newly-painted room the same day.

And, after the job is all through, tools and equipment clean up quickly and easily in soap and water. So, if you have something to "hide", try Rev-Satin Latex Wall Paint...

### *They're Thrilled, But What About Mother?*

"Oh, boy! It's all over," was a familiar shout throughout the Northville-Novı area last week as schools dismissed for the three month summer vacation. But while students may be jubilant over the long-awaited rest from studies, mothers everywhere aren't quite as elated as they take up the often trying task of keeping a lid on children brimming with renewed vitality. That vitality, together with fun and adventure, is written in the eyes of these Main Street Elementary students as they bounce down the steps into summer.

## from the Pastor's Study

Pastor Norman A. Riedesel  
First United Presbyterian  
Church, South Lyon

When this article appears in the South Lyon Herald my wife and I will probably be in Europe. I am exchanging pastorates with a minister in Ireland this summer. During July and August he will fill my pulpit in South Lyon and I will work in his church in Larne, North Ireland. Prior to going to Ireland by means of a Bural Pass we plan to travel in thirteen different European countries. We anticipate having a tremendous experience.

Sooner or later everyone of my readers is also going on a journey. It too can be a tremendous experience to the Great Beyond. It can be into the

realm of "many mansions" Jesus told about (John 14:2), to the "city which has foundations, whose Builder and Maker is God" (Hebrews 11:10)! If it isn't it will be to a realm of darkness and gloom and everlasting death!

Mrs. Riedesel and I didn't have to visit Europe. It was our own free choice. But this other journey is not optional. All of us will eventually go. We cannot do otherwise.

For many weeks Mrs. Riedesel and I were busy preparing for our journey. There was much to be done. We had to be vaccinated for small pox. Passports had to be obtained. Plane reservations had to be made. Railroad time tables, maps, and books about Europe had to be consulted. You too should be busy getting ready for your journey. You do that by now believing in and following Jesus Christ. If you now refuse to serve Christ, your trip will be a terrible experience.

Mrs. Riedesel and I were allowed to take with us by plane 40 pounds of baggage per person. It took careful thinking to decide just what to take. The only thing you can take with you on your journey is the good you have done in this world.

Two years ago I didn't dream that I could ever visit Europe. I felt I could not afford it. But we have found the expense negligible. None of us can afford nor deserves to inherit Heaven. Left to ourselves we are lost sinners. But in His magnificent love, God has made it available. If we will believe in and follow Christ, He will give us a free

pass.

Visiting Europe will be a great pleasure. We expect to enjoy every minute, the Emerald Isle, London, Paris, the Berlin Wall, travel on the Rhine River, The Alpine heights, Mount Vesuvius, getting to mingle with and know people of many lands, are just a few of the superb experiences. Yet nothing in Europe can compare with the grandeur of Eternity—glory such as "no eye has seen, nor ear heard, nor the heart of man conceived, what God has prepared for those who love Him." (1 Cor 2:9)

"A sea of glass mingled with fire" means an end to fearful, frightening ocean storms, or any other storms for that matter, and a life filled with beauty. The playing of "harps" bespeaks endless harmony. "Golden streets" tells of a life where the hardships and poverty of this world are no more. (Rev. 15:2, 21:21)

"Behold a great multitude which no man could number, from every nation, from all tribes and peoples, and tongues, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying with a loud voice, 'Salvation belongs to our God Who sits upon the throne and to the Lamb...'"

"For the Lamb in the midst of the throne will be their Shepherd, and He will guide them to springs of living water; and God will wipe away every tear from their eyes." (Rev. 7:9, 10, 17)

One of these days you are going on a journey! Are you ready?

## EVERY JOURNEY...

### THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Four-week session

Fee: \$40

Grades 9 thru 12

\*To be offered at Ferndale only

## Northville OKs 11 New Teachers

The following teachers were approved last week for replacement positions in the Northville school system:

Robert Heldt of Pleasant Ridge, a 1966 graduate of Eastern Michigan University, 2½ years experience, married with no children, junior high school shop.

Mrs. Linda VanDyke of Northville, 1964 graduate of Wayne State University, 4 years experience, married with no children, junior high school art.

Mrs. Jacalyn Byerly of Grand Forks, North Dakota, 1968 graduate of the University of North Dakota, student teaching experience only, married with no children, elementary.

Mrs. Carolyn Sunderman, of Ann Arbor, received her bachelor's degree from Bowling Green State University in 1964, will receive her master's degree from the University of Michigan this August, married with no children, three years experience, elementary music.

Nancy Krupp of Detroit, 1968 graduate of the University of Michigan, single, student teaching only, high school English.

Joann Brookmeyer of Logansport, Indiana, 1968 graduate of DePauw University, single, student teaching only, high school French.

Bette Kolbe of Egg Harbor, New Jersey, received her bachelor's degree from Gettysburg College in 1965, her master's degree from Michigan State University this year, single, one year experience, elementary music.

David Schopp, of Plymouth, 1968 graduate of Michigan State University, student teaching only, single, junior high school science.

Mrs. Betty Ferry, of Livonia, 1967 graduate of Eastern Michigan University, married with three children, one year experience, speech correctionist.

Mrs. Carol Martin, of Northville, 1967 graduate of the University of

Michigan, married with no children, one year experience, elementary.

The fourth of four additional teachers recommended for hiring by Superintendent Raymond Spear was approved in a "replacement" capacity. She is Kren Turner of Jackson, a graduate of Eastern Michigan University this year who will teach girls' swimming. She is single.

Under an agreement between Superintendent Spear and the Northville Board of Education, Miss Turner's swimming instruction post is to be considered a replacement should Northville voters disapprove another millage increase proposition. In that case, some current physical education teacher will either be transferred to teach an academic class or some still vacated post will not be filled, thus not increasing the total teaching staff.

**GRADUATION PARTY**—"They conducted themselves in a manner that would make any adult proud of them," parent sponsors of Northville's graduation party last week reported. Built around a Hawaiian theme, the party was held in the high school following graduation

exercises until early in the morning when it broke up with a big, tasty breakfast. Highlights included dancing to live music (top left) and outdoor relaxation (above) together with those last school conversations with friends who now will go their separate ways (left). All of it was cast in a setting of tropical splendor that included flashing, colored lights, palms, miniature volcanoes, and fascinating statues.

## TROGLODYTES Plan Benefit

by Daryl Holloman

With this opening line, the forthcoming Fall freshmen class of '72 is hereby invited to flock to The Cavern every Friday night during the summer, beginning this Friday night when The Cavern hosts an ALSAC Benefit Dance featuring The Pack and The Fybb. By doing so you will become a Troglodyte, meaning "One who is a frequent habitant of The Cavern."

In regard to the benefit dance, the entire profit taken in at the door will be turned over to ALSAC: The Aid to Leukemia Stricken American Children (The Teenage March of Dimes).

Leukemia, a world-wide progressive and fatal disease, was known in the late 1950's to account for more than 11,000 deaths in the United States annually—nearly 2,000 of these victims being children under the age of 15.

There is no known cure for leukemia, but it may be retarded by certain forms of therapy.

With this in mind, The Cavern has put aside its own interests to help children live longer; children who will never enjoy a function such as The Cavern in the same manner as those fortunate enough to have no contact with this disease.

By coming to The Cavern you will not only be enjoying yourselves, but you'll be giving hope to countless thousands in need.

As I mentioned earlier, this benefit dance Friday night features The Pack and The Fybb.

The Pack, a Detroit Area group formerly known as Terry Knight and the Pack, is currently on Capital Records as The Pack. In other words, The Cavern is headlining Terry Knight and the Pack—with the exception of Terry Knight.

The Pack has had several hit records, and has a new release titled "Without a Woman"/"Next to Your Fire."

As for The Fybb, the five-man group from Farmington-North Farmington will be making its fourth appearance by popular demand.

Admission for the ALSAC Benefit Bash has been set at \$1 for members, \$1.50 for non-members.

Delving into the past, last week I mentioned that I'd run into Albie Curry, a friend of mine from Miami. He hadn't been to The Cavern since last August, so I engaged him in an informal interview concerning the changes The Cavern has undergone.

The following is Albie's impression of The Cavern Club Room as well as the entertainment The Cavern features each month:

"For the amount of time The Cavern's been open it's really nice. It has an ale house atmosphere, and 'The Cavern' woodcarvings really add to this atmosphere."

"Last summer they had the old cafeteria tables, but now there's a lot more color with the new tables and chairs."

"I go to The Image and The World in Miami which have super lights and fluorescent lights. With a few more lights The Cavern could be really good."

"I have a subscription to The Northville Record, and from what I've read The Cavern has a lot of top name bands — so that's why I stopped by tonight."

"The Cavern may have a limited supply to pick from compared to the giant discoteques, but for the bands they can get they're doing pretty good — such as The Blues Magoos and The Amboy Dukes."

"As a closing I'd like to say that if The Cavern could get bands like Jimi Hendrix or The Chambers Brothers, it would be one of the best dance places in the Detroit area."

Commenting on Albie's closing statement, there's been quite a few Northville teens who have voiced their interest in having The Chambers Brothers perform at The Cavern.

Returning to the present, I'd like to remind you that if things went as planned, all Cavern members should have received a Cavern newsletter for the month of June earlier this week.

In it you'll notice that Tuesday evenings The Cavern Clubroom is open for the exclusive use (free of charge) to members, and that it is to be converted into a Coffee House Monday nights, also free of charge to members, but a cover charge of 50-cents is to be levied on non-members.

The Coffee House will feature folk-singers and a Boutique located at the refreshment stand. The scoop on the Boutique is that it will allow any teen to display and possibly sell his or her artwork, posters, beads, love-locks, weird clothes, etc.

Chess, pool, and table tennis will be available as entertainment only when the folk-singers are not performing on stage — this is to be done out of pure courtesy to the performers.

In closing, I'd like to comment on last Friday's Cavern regarding the Canadian group from Windsor known as Nirvana. Nirvana puts forth a Vanilla Fudge sound brought about by really working at their music.

MAKES THE DIFFERENCE

Chevelle Malibu Sport Coupe

## Chevelle prices not only start a full \$100 less than other mid-size cars—it's more car.

We've thought of things for Chevelle that other mid-size cars would like you to forget.

For instance, that taut-lined package above gives you a ride that rivals bigger higher priced cars. (That's because we thought to give it Full Coil suspension. And a separate frame with a computer-refined mounting system cushioning its Body by Fisher.)

The choice of engines and transmissions you have is the greatest in Chevelle's field. And if you're a performance buff, you'll find we did some thinking on your wave length: black-grilled SS 396's with Turbo-Jet V8 power you can order up to 350 horses strong.

You also get more ways of putting your personal stamp on a Chevelle than any other mid-size car offers. Take wheel covers alone. You can order simulated wire ones. Or mag-style. Or mag-spoke. Or rally-type.

Even so, Chevelle prices start a full \$100 under any competitive mid-size cars.

How's that for a parting thought!

### '68 savings explo

It's like no other savings event your Chevrolet dealer

has ever held. To you it means extra buying power—an explosion of savings on Chevilles and Chevrolets. Take a look at these bonus savings plans. Then see your Chevrolet dealer.

#### Bonus Savings Plans.

1. Any Chevelle or Chevrolet

with 200-hp Turbo-Fire V8, Powerglide and whitewalls.

2. Any Chevelle or Chevrolet with 250-hp Turbo-Fire V8, Powerglide and whitewalls.

3. Any big Chevrolet with 250-hp Turbo-Fire V8, Turbo Hydro-Matic and whitewalls.

4. Now, for the first time ever, big savings on power

disc brakes and power steering when you buy any Chevelle or Chevrolet with V8 engine.

5. Buy any Chevelle or Chevrolet V8 two- or four-door hardtop model and save on vinyl top, electric clock, wheel covers and appearance guard items.

Happening now at your Chevrolet dealer's: a tremendous explosion of extra buying power. Only the leader could make it happen.

# NOVI HIGHLIGHTS

**Mrs. H. D. Henderson - FI-9-2428**  
Methodist Church

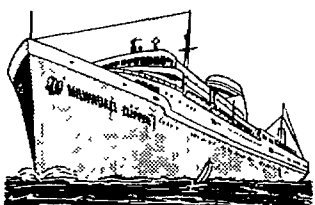

On Tuesday the ladies from the WSCS attended a Spring Breakfast at South Lyon Methodist Church and on Wednesday they had a potluck picnic at the Rotary Park on the church grounds at noon.

Wednesday evening the Commission on Education attended a meeting at Willowbrook United Methodist Church to plan for Vacation Church School to be held on August 14-23.

There will be no Sunday School during the summer months until September. Regular morning worship service will continue at 9:30 each Sunday morning, and this coming Sunday, June 23, during the morning

Novi Township Supervisor

## Grill with GAS by Gaslight

Gas lamps and gas-fired grills extend outdoor living hours. Placed in your backyard or patio, they combine to set the stage for relaxed dining ... after dark. Under the soft radiance of gas-lighting you can produce, on the gas grill, an almost endless variety of barbecue-flavored foods ... without the fuss and muss of kindling, charcoal and starter fluid. Order your "patio pair" today, so that the party you start outdoors can stay there!

GAS LAMPS AND GRILLS ADD A  
PLEASANT GLOW TO PATIO LIVING

SEE YOUR GAS APPLIANCE DEALER

worship service, the Sacrament of Baptism will be observed. In the afternoon, several members of the church will be visiting the Whitehall Convalescent Home on Ten Mile Road.

Holy Cross Episcopal Church  
Special promotion for all children in the Sunday School was held and all Sunday School teachers and assistants were thanked.

Flowers on the altar were given for Father's Day and special remembrance of her wedding anniversary by Mrs. Mary Bailey Sr.

Two marriage services were performed on June 15 at the Church. These included one at 2 p.m. for Mr. and Mrs. Sean Whalen, formerly Susan Smith and at 7 p.m. one for Mr. and Mrs. Dennis Kantz, formerly Dawn McCollum. Prayers were said at the altar on Sunday for blessings for these marriages.

There is a need for an additional circulating fan. All those who wish to contribute may see the minister.

The church has prepared its first newsletter, entitled 'Holy Smoke', and copies may be picked up in the Narthex of the church by any who have not received their copy. Services will continue throughout the summer at 11.00 a.m.

The church family is happy to hear that Jimmy Ruland is recovering nicely after surgery. Also Mrs. Grace R. Russell who is visiting her sister, one of our church members, Mrs. Ann Sauvage, would appreciate receiving cards as she has been confined to Room 532 St. Joseph Mercy Hospital in Ann Arbor since the third day of her arrival. She is recovering nicely and is expected home shortly.

### Novi Baptist News

The Junior High Youth Group had a Youth Retreat this past Friday and Saturday with the Maranatha Baptist youth from Lansing as their guests. The theme for the two days was "Witnessing for Christ". Pastor Clark had several discussions with the group and they saw the film "Silent Witness." For entertainment they went to the Detroit Zoo and played softball games. Sunday night after the evening service a dessert fellowship was held in honor of our senior high school graduates.

Monday evening a baby shower was given for Mrs. Janice Stader, sponsored by the Vera Vaughn Circle

with Mrs. Clarence Stipp, Mrs. Carl Evans and Mrs. Joe Whyte in charge.

Tuesday and Thursday of this week the softball team will be playing at 6:30 p.m. at the Wixom Field and the Walled Lake field.

Wednesday calling starts at 7 p.m. followed by our Bible study and prayer time. After the mid-week service the Christian Education Committee will meet.

Sunday, June 23 is Missionary Sunday. Dr. Roland Stephens from Rhodesia will be with us for the day. At 9:45 a.m. during the Sunday school opening assembly he will talk and show slides of the hospital ministry. He also will take part in the 11:00 a.m. worship service. His wife, Cathy, will speak at the primary and junior childrens church service. At the 7:00 p.m. service he will again speak and show slides of the work.

Daily Vacation Bible School starts June 24-28 at 9:00 a.m. each morning. The theme is "Venture With God." Mrs. Dan Thomas is the director this year. Nursery superintendent is Mrs. Allen Burton; primary, Mrs. James Wilenius; beginner, Mrs. Brent Munro; and junior, Mrs. Gib Clark. Ages for the Day school: 3 years old to 6th graders. The Youth A Venture will be held each night at 7:30 p.m. for grades 7th through college age. Pastor Clark and Dave have a fine program planned for the youth. Also helping will be the sponsors, Mr. and Mrs. Dan Thomas and Mr. and Mrs. Leo Jude.

The closing program will be held Sunday evening June 30 with all departments taking part.

Mr. and Mrs. Robert Borton from Lansing were guests of Pastor and Mrs. Clark during the Youth retreat this past weekend.

Mr. and Mrs. John Maxwell (Novi Baptist Missionary Interns) are the proud parents of a baby boy, Jeffrey Scott, born at St. Mary Hospital on June 11.

Mr. and Mrs. James Haas and family attended the 60th Wedding Anniversary of Mrs. Haas' mother and father, Mr. and Mrs. Anthony Petersmark on Sunday. They were honored at a breakfast at Carl's in Detroit at which 43 children and grandchildren were present. Later in the day, Open House was held at their home in Detroit when guests were present from the area as well as from California, Ohio and Denver, Colorado.

Miss Lydia Bachert, sister of Mr. Hadley Bachert, Novi Township Supervisor passed away last Tuesday and funeral services were held on Friday in Royal Oak.

Mr. and Mrs. Salvatore Paolucci had open house at their home on Ponda Street for their daughter Kathy on Sunday. They served a buffet smorgasbord on their lawn and guests were present from the neighborhood as well as from Detroit, Clawson and surrounding area.

Mrs. Hattie Garlick spent the weekend visiting at the home of friends, Mr. and Mrs. Ralph Pickard of Union Lake.

Mr. and Mrs. Russ Button and family attended the Commencement exercises at Michigan State University Stadium for Richard Gordon Blakeslee last Sunday. Following graduation, Rick has accepted a position in Canton, Ohio. Open house was held for him at

the home of his uncle Leonard Blakeslee in East Lansing.

Rose Button entertained her friend Marcia Thorpe over night on Friday of this past week.

Mr. and Mrs. Jack Anglin and Mr. and Mrs. Fred Shaver went to the Halfway House in Owosso for dinner on Sunday afternoon.

Tom Bailey who is in the service will be expected home the last of July, and then will be stationed at Idaho Falls where he will be an instructor in the Nuclear Power Division. Tom has been serving on the Enterprise in the Vietnam area.

Fathers Day guests for dinner at the home of Mr. and Mrs. Kirt Bailey were Mrs. Derek Somerville and her children Joey and Brian, their daughter, the former Jackie Bailey.

Mr. Ford Brooks formerly of Novi who is now 93 years old is in Pontiac Hospital with pneumonia.

Special Father's Day dinner was held at the home of Mr. and Mrs. Edward Behrendt on Meadowbrook, guests included Mr. and Mrs. Leavenworth of Wayne, Mr. and Mrs. Bill Grey and their daughter Deanna from Milford, Mr. and Mrs. Tom Darling and son Tommy Jr., and Mr. and Mrs. Floyd Darling.

### Scout News

Brownie Troop 519, leader Carol Mason had a barbeque with Fly Up. They also had a surprise Star party for all girls who had been in troop for a year.

Junior Troop 165, Jackie Wilenius leader, had planned an overnight in the backyard of Violet Totten, however, it has been postponed until later in the summer.

Junior Troop 1027, leader Mrs. Joan Ward went camping at Kensington.

Cadette Troop 149 had an overnight and cookout in backyard of Mrs. Willis Miller on the 11th and planned for campout sometime in July at Bishop Lake.

### Youth Protective

Next Tuesday on June 25, at the Novi Township Hall new Chairman Mrs. Dorothy Farah will be installed with the other new officers. Plans are being made for Novi Summer Recreation Program using facilities of the school sites. Additional plans will be made by the newly created Recreation Committee; serving on this are at the present time, representing the Village Council, Mr. Ray Evans, School Board; Elwood Coburn, Novi Township Board; Charles Comito, and two members at large, Robert Wilkins and Dr. R. Stiles.

### Goodfellows

The next Goodfellow meeting will be June 26 at 7:30 at the home of Mrs. Herbert Harbin. Interested people are urged to attend as new members are badly needed in this worthy cause. At

present the Goodfellows are continuing to sell candy and can be obtained by calling MA 41248. They are also planning to sell flares for July 4th which can be used for celebration purposes as well as kept for emergencies. Leon Dochot is chairman of this project. They are also making plans for Gala Days with Mrs. Harbin as chairman of this project which will be in the form of a French Restaurant.

### Walnut Hill Association

Everyone is reminded of the Semi annual meeting this coming Saturday June 22 at 8 p.m. of the Salow Walnut Hill Association at the Novi Community Hall. Refreshments will be served following the meeting. Anyone wishing additional information may call any of the officers, President, Gerald Fulcher, Vice President Bill Gross and Secretary-Treasurer Mrs. Paul Kemp at 349-4184.

Mr. and Mrs. Anthony Skeltis and family, also Mr. and Mrs. John Tymensky and family, were among 89 families who participated in a campout at McNeelys Camp grounds near Pontiac. This was sponsored by the Ford Wagon Train which is made of camping families.

Mr. Herb Farah was contacted by Channel 7 to participate in a special Father's Day program because of his work as a Foster Father. The Farahs and their children were visited at their home on Grand River and pictures were shown that evening on television of their homelife.

Father's Day at the Harold Millers on Grand River was celebrated with a dinner attended by their children, Mr. and Mrs. Bill Miller, also Mr. and Mrs. Stanley Orzechowski and family.

Mr. and Mrs. Will Rackov will be spending their vacation at Marion, Michigan next week with their grandchildren, Brian Rackov, Susie and Deanna Wagner accompanying them.

Mrs. Herb Farah and Mrs. Florence

De Felice attended the annual luncheon meeting of the Merry Martha Circle at Topinkas on Monday, June 18.

Mr. and Mrs. Willis Miller had Father's Day dinner at home of their daughter and husband, Mr. and Mrs. Dewey Perry. At this time they also celebrated Dewey's birthday.

Mr. and Mrs. Harold Miller attended a graduation buffet lawn party on Saturday evening at the home of Mrs. Miller's sister, Mr. and Mrs. Russell Main of Detroit. This was in honor of Mr. and Mrs. Raymond Main, both of whom graduated from Michigan State University.

Mr. and Mrs. Otto Natzel attended the retirement party at the Capistrano in Detroit for Mr. Dave Spencer, who is celebrating 45th year with the Kroger company on Saturday evening.

Mr. and Mrs. J. W. Roeder, 25600 Clark street, Novi, will join over 100 other sales representatives and their wives at the annual sales meeting of the West Bend Company's Housewares Division to be held at the Paradise Island Hotel in Nassau, Bahamas, June 20-26.

## U-F Names

### Mrs. Rusche

A Novi housewife whose husband teaches in Northville, Mrs. Richard A. Rusche, of 22809 Balcombe, has been named a division chairman in the United Foundation Recruitment Corps for the 1968 Torch Drive.

She will be responsible for enlisting women to work in the house-to-house residential campaign during the UF's twentieth annual campaign scheduled October 15 through November 7.

Mrs. Rusche will contact women's organizations and church groups in her efforts to interest others in campaign work.

She has volunteered in previous drives as a district and area chairman for the residential campaigns.

A member of the American Association of University Women, Mrs. Rusche received a bachelor of arts degree in history from Michigan State University.

She and her husband, who is employed by the Northville school system, have three children: Richard, 8; Susan, 5; and Daniel, 3.

This year's Torch Drive will provide operating funds for nearly 200 health and community services in Oakland, Wayne and Macomb Counties.

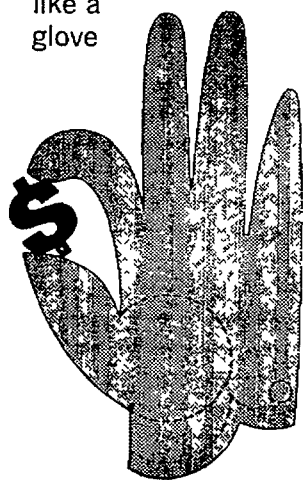

## Ferris Honors Northville Man

The Society of Golden Eagles will add 159 members, including one from Northville and another from South Lyon, during alumni reunion activities at Ferris State College this weekend.

Members are those Ferris alumni who attended the college at least 50 years ago. The new members will be officially inducted during alumni meetings held in connection with commencement exercises. Eligible persons not able to attend the ceremonies will receive their certificates by mail.

New members of the Society of Golden Eagles include Northville's Lawrence Arthur Masselink, who lives at 47230 Seven Mile Road, and Christina M. Pollock Bradley of 311 Lake Street, South Lyon.

# Official Minutes of the Northville Board of Education

Northville Public Schools  
School District  
Board of Education  
Minutes of the Regular Meeting  
May 13, 1968

The meeting was called to order by President Eugene Cook at 7:30 P.M. in the Board of Education Offices at 405 West Main Street, Northville, Michigan.

Members Present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President; Mr. Glenn E. Deibert, Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee (arrived 7:40 P.M.); Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager.

Administrators Present: Miss F. Panattoni, Mr. F. Holdsworth. Visitors Present: Mr. Reginald Holloman, Miss L. K. Edgerton, Miss Diana Lance, Mr. Wayne Saunders.

President Cook declared that a quorum was present and directed the Board to proceed with the regular order of business.

Motion No. 68-222 by Mr. Froelich, supported by Mr. Martin, that the agenda be adopted as presented. Motion carried.

Motion No. 68-223 by Mr. Johnston, supported by Mr. Froelich, that the Minutes of April 10, 1968, Regular Meeting; Minutes of April 22, 1968, Regular Special Meeting, and Minutes of May 6, 1968, Special Meeting, be approved as published. Motion carried.

Communications noted: Letter from Automobile Club of America relative to the selection of an Amerman School Safety Patrol student to attend the 32nd National School Safety Patrol Assembly in Arlington, Virginia, on May 10 and 11, 1968. It was noted that Rick Norton had been chosen to attend, with Dan Black the alternate.

Notice from Michigan Association of School Boards relative to suggestions for M.A.S.B. Directors pertaining to nominations, resolutions and bylaws changes.

Letter from Superintendent of Public Instruction certifying that the official 1967 census of children between the ages of five and twenty in the Northville Public Schools District was 3,272. Superintendent Spear indicated the certification had been requested in connection with proposed reclassification of the School district from Fourth to Third Class District.

Notes of appreciation from families of the late Lawrence Rogers and the late R. D. Merriam.

Notice of a meeting of Southeast Michigan Council of Governments, 9:30 A.M., Saturday, May 18, 1968 at the Rackham Building in Detroit.

Letter from North Central Association of Colleges and Secondary Schools relative to placement of Northville High School on the list of approved schools for 1967-68.

Superintendent Spear noted that North Central accreditation assures the School District of maintaining basic requirements and is of some advantage to students in terms of entrance to colleges and universities.

Letter from Mrs. Sherilyn Johnston requesting maternity leave of absence, effective June 1968.

President Cook pointed out deadlines for submitting suggestions for Michigan Association of School Boards' Directors in accord with the format provided in the previously mentioned M.A.S.B. communication.

President Cook requested a School Board volunteer to attend the Southeast Michigan Council of Governments meeting scheduled for May 18, 1968, to report the Northville Board's role in this organization. No appointment was made. Mr. Cook indicated subsequent consideration of this matter prior to the meeting date.

Motion No. 68-224 by Mr. Deibert, supported by Mr. Martin, that Mrs. Sherilyn Johnston be granted a maternity leave of absence, effective at the end of the school year, in accord with the provisions of the 1967-68 Master Agreement. Motion carried.

Motion No. 68-225 by Mr. Kipfer, supported by Mr. Johnston, that contracts for the following new teachers be approved for the 1968-69 school year:

Mr. Ben Lauber, Men's Swimming; Mr. Charles Shonta, Boys' Physical Education; Miss Linda Sharp, Elementary; Miss Sherrin Kimble, Elementary; Mr. Norman Jacobs, Math/Physical Education; Miss Merry Evans, English; Miss Marilyn McCarthy, Speech; Miss Diane Taylor, English; Mr. Cyril Nichols, Social Studies.

Motion carried, with Mr. Deibert registering a "no" vote and Mr. Martin abstaining.

Mr. Deibert asked that the record show his objection to the preceding board action was directed to two newly established teaching positions represented in the named contracts submitted for Board approval.

Additional teaching vacancies were noted, due to resignations or other reasons, for the following certified personnel:

Mr. C. P. Hines, Miss E. Richardson, Mrs. M. Waterloo, Mrs. P. Flanagan, Mr. L. Rogers, Mrs. J. McGlone, Mr. L. Greenway, Mrs. C. Pringle, Mr. S. Markavitch, Mrs. M. Brown, Mr. D. Burson, Mr. R. Rusche, Mrs. B. Marion.

President Cook read an analysis of reasons for teacher resignations prepared by Superintendent Spear. The most significant aspect was the fact that 21 of the 25 resignations considered were from teachers with three years or less of employment with the Northville Public Schools. The Superintendent indicated intended distribution of an 18-point questionnaire to terminating teachers, to assist the Board and Administration in a better evaluation of the School System.

Superintendent Spear called Board attention to an evaluative report prepared at his request by School Psychologist Dr. Pratt, which cites the desirability of discontinuing the Type A Program in Northville due to reduction of this class from six to three children in 1968-69. The Superintendent recommended discontinuation of this program based on high operational cost factors and minimal number of students involved. Mr. Kipfer expressed commendation for the quality of Northville's Type A

Program provided over the past five and a half years which has led to the integration of most of these students into the regular classroom program.

Motion No. 68-226 by Mr. Kipfer, supported by Mr. Johnston, that the Special Education Program (Type A) be discontinued effective at the end of the 1967-68 school year until such time as there are an adequate number of children needing this program to justify its re-establishment. Motion carried.

Motion No. 68-227 by Mr. Froelich, supported by Mr. Deibert, that the textbooks recommended by the Administration in Reference No. 18 be adopted as presented. Motion carried. (Appendix I to these Minutes)

Mr. Froelich, Chairman, Board Subcommittee on Administrative Affairs, indicated that revised Board Policy 2210, referred to committee for review and evaluation on April 22, 1968, had been examined to this subcommittee's satisfaction with recommendation that it be adopted as presented.

Motion No. 68-228 by Mr. Froelich, supported by Mr. Orphan, that Policy 2210, "Duties and Responsibilities of Principal," be adopted as revised. Motion carried. (Appendix II to these Minutes)

Following action to adopt Policy 2210 as revised, Superintendent Spear informed the Board that 60-plus candidates had expressed interest in the Elementary Principalship vacancy. Of these sixty, 37 had submitted completed applications and credentials which the screening committee has narrowed to nine. Letters to the nine will be forwarded by the Superintendent on May 14, 1968, indicating interview appointments scheduled for May 22, 23 and 24, 1968. Twenty-three candidates did not submit formal applications, thus eliminating themselves.

Business Manager Busard informed the Board that the Administration has filed for an N.D.E.A. reimbursement on \$34,150.87 in expenditures for equipment during the current school year. If sufficient funds are available, the District may receive a 48.7% reimbursement of these expenditures, but not less than \$8000.00.

The Business Manager pointed out that proposed Federal legislation could result in a 90% cut nationwide in N.D.E.A. funds, with little likelihood of any N.D.E.A. assistance for Northville in the coming school year.

Mr. Busard reported that the election for determination of a bargaining unit representative for certain non-certified personnel of the Northville School System, including custodial-maintenance, cafeteria, bus drivers and mechanics, excluding head custodians, cafeteria manager, custodial maintenance supervisor, office-clerical employees and supervisors, had been certified on May 14 by the Labor Mediation Board. Fifty employees voted, of which there were 33 affirmative votes, 16 negative votes and one challenged ballot. It was indicated that this employees' bargaining unit will be represented by International

Union of Operating Engineers, Local 547, with their demands expected on the table in the near future.

Superintendent Spear reported on his and Mr. Busard's attendance at the Wayne County Allocation Board Hearing held on May 10, 1968. Mr. Spear recounted statements presented by the Superintendent at this hearing in behalf of the Northville School District, to the effect that:

—Proposed Budget calls for needed funds of 1 1/4 mills above present levy and does not provide funds for negotiating a contract with teachers and other employees.

—It is the intention of the Northville Board of Education to remain fiscally sound and solvent.

—We respectfully request that the Allocation Board authorize an increase in allocated millage to the Northville Public Schools.

Mr. Martin gave a brief oral report on his, Mr. Spear's and Mr. Busard's attendance at a hearing of the Novi Planning Commission relative to consideration of a Preliminary Unit Development Plan by Westridge Corporation on the N/E 1/4, 9 Mile and Taft Parcel, (approximately 140 acres), containing a 10-acre school site committed to the Northville School District. It was indicated that Westridge's proposed development plan encountered unfavorable reaction from both the Planning Commission and the citizenry of Novi. Mr. Spear indicated he would maintain liaison between Westridge Corporation and the Board of Education as to any future hearings on proposed development plans.

Superintendent Spear reported that there is a willingness on the part of the Northville city council to meet with the Board of Education for consideration of mutual problems. President Cook directed the Superintendent to invite the City Council to participate in the Regular Special Meeting of the board of Education scheduled for May 27, 1968, and to prepare an agenda in collaboration with the City Manager to include items of joint concern for discussion and/or action.

The Board briefly reviewed and informally approved a proposed plaque for the High School swimming pool.

Mr. Froelich, Chairman of Building and Site Fund Utilization Committee, reported a review of the 1965 Building and Site Fund by this committee on the evening of May 7, 1968. The necessity of further information was indicated before submission of a formal report. The Superintendent was

requested to establish supplementary data and call a committee meeting upon completion of same, following which a formal report will be presented to the Board. President Cook directed placement of this item on the agenda for the regular June Board meeting.

Superintendent Spear provided Board members with copies of the proposed Constitution for the new Athletic League under consideration by the Northville School District. Board members were requested to indicate suggestions or concerns brought to mind.

The Superintendent cited Mr. Holdsworth and Mr. Longridge, who attended a meeting of the proposed league on May 7, 1968, to the effect that decision as to formation of this league will be withheld until construction programs of two proposed members indicate their ability to participate. October appears to be the earliest date for such a decision.

President Cook called attention to a final report submitted by the Citizens' Committee established to determine the feasibility of establishing a Vocational Center with the Schoolcraft Community College School Districts, with recommendation of

Board perusal and study of the proposed program. Superintendent Spear expressed intention to keep the Board informed as to a timetable for action relative to approval and support of the proposed Area Vocational Center.

Motion No. 68-229 by Mr. Orphan, supported by Mr. Johnston, that the proposed E.S.E.A. Title I Educational Program be adopted as presented. Motion carried. (Appendix III to these Minutes)

Following action to adopt the Title I Program, the Board discussed relative merits of the E.S.E.A. Title I Program approved by the State Department of Education for operation during the summer of 1968. It was the consensus of the Board and Administration that the program offers potential benefits to both teachers and children. According to Superintendent Spear, the Title I Program, originally diagnostic in nature, is being continued in an effort to help children involved. The Superintendent indicated restrictions on this program would be increased next year, but noted its value if the District can qualify for even one year. Mr. Martin and Mr. Orphan suggested the desirability of continuing

Continued on Page 7-B

## NOTICE TO BIDDERS

The city council of the City of Wixom is now accepting bids on the following equipment:

Ford 2000 Farm Tractor with gasoline engine.

Ford 100 Riding Mower Tractor. This item should be bid with allowance for a 6 H.P. Springfield riding tractor as trade-in.

All bids must be received by the city council of the City of Wixom not later than 8:00 p.m. o'clock June 25, 1968 at the Wixom City Hall, 49045 Pontiac Trail, Wixom, Michigan. Complete specifications are available to all bidders at the Wixom City Hall. The Wixom city council reserves the right to accept or reject any bid.

Robert Trombley, Director of Public Works

# Free installation to end!

ELECTRIC RANGES • DRYERS • WATER HEATERS

YOU STILL HAVE a few days left to get your order in for a new electric range, dryer or water heater and still get it installed free.

On purchases made not later than June 29th, Edison pays for installation. So you save by buying now.

Of course, the installation must be on Edison lines... in an existing home... in a residence up to and including a 4-family flat. Dryer venting not included.

## CITY OF WIXOM REGISTRATION NOTICE AUGUST PRIMARY

Notice is hereby given that in conformity with the Michigan Election Laws, the final date for registration in order to vote in the Primary Election to be held on August 6, 1968 is:

FRIDAY, JULY 5, 1968 - 8:00 A.M. TO 8:00 P.M.

Notice is further given that any qualified elector who is not already registered in said City may register at the office of the City Clerk, City Hall, 49045 Pontiac Trail, during the regular office hours, Monday through Friday, 9:00 A.M. to 5:30 P.M., and on July 5, 1968 from 8:00 A.M. to 8:00 P.M.

In addition to the hours listed above, the Clerk's office will be open for the purpose of receiving registrations during the following hours:

SATURDAY, JUNE 29, 1968 - 8:00 A.M. TO 5:00 P.M.

Those persons who have already registered in the City of Wixom under the permanent registration system and have voted within the last two years do not have to reregister.

Donna J. Thorsberg  
Deputy City Clerk  
City of Wixom

# Minutes of the Northville Board of Education

this type of program regardless of Federal subsidy. The Board directed the Administration to survey and evaluate the District's previous Title I Program and produce a follow-up study one year from now to assist in determining Board direction regarding future programs of this nature.

Motion No. 68-230 by Mr. Martin, supported by Mr. Johnston, that Bill Warrants and Payroll be approved as presented: General Fund \$225,527.08 Bookstore—\$319.19

Building and Site	207,254.68
Cafeteria	8,331.17
Stadium Fund	13.82
<b>TOTAL:</b>	<b>\$441,126.75</b>

Motion carried.

Budget Report presented for April 1968 indicated the following:

76.03% of Total Allocation Expended

98.18% of Total Allocation Expended or Encumbered

1.82% of Total Allocation Unencumbered

92.41% of Unexpended Balance Encumbered

7.59% of Unexpended Balance Unencumbered

Business Manager Busard reported seven candidates had filed required nominating petitions for placement of their names on the ballot at the Annual School Election, June 10, 1968, for two Board member vacancies for the four-year term, July 1, 1968-June 30, 1972. Superintendent Spear indicated letters of acknowledgment would be forwarded to these candidates immediately.

There being no further business, the meeting adjourned at 9:46 P.M.

Glenn E. Deibert  
Secretary

\*\*\*\*\*

Minutes of the Regular Special Meeting, May 27, 1968. The meeting was called to order by President Eugene Cook at 7:40 p.m. in the Board of Education Offices at 405 West Main Street, Northville, Michigan.

Board Members Present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President (arrived 8:43 p.m.); Mr. Glenn E. Deibert, Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. James Kipper, Trustee; Mr. Andrew Orphan, Trustee. Mr. Raymond Spear, Superintendent, Mr. Earl Busard, Business Manager.

City Council members present: Mayor A. Malcolm Allen; Mr. Charles Lapham; Mr. Wallace Nichols; Mr. Frank Ollendorff, City Manager. Members absent: Mrs. Beatrice Carlson, Mr. Delbert Black.

Visitors Present: 11 (See register.)

President Cook declared that a quorum was present and directed the board to proceed with the regular order of business.

Motion No. 68-231 by Mr. Martin, supported by Mr. Orphan, that the agenda be adopted as presented. Motion carried.

Mayor Allen and City Manager Ollendorff reported that preliminary study and cost estimates submitted by the City Engineer last Monday established the cost of paving Taft Road at approximately \$94,000; this amount to include cost for complete drainage system as well as 10% contingency cost allowance for uncertainties. It was indicated that the timetable still calls for completion prior to the opening of school in the fall.

President Cook cited a previous cost estimate of \$86,000 submitted to the Board of Education, with resulting Board action to participate in a special assessment for paving of Taft Road in an amount not to exceed \$7800.00.

Following suggestion by the Mayor that the Board of Education participate to the extent of a prorated share of actual cost for paving rather than a fixed sum, Superintendent Spear quoted Board action from Board Meeting Minutes of March 11, 1968, wherein it was resolved that "upon the drawing of the assessment rolls, if the District's share shall exceed this monetary limitation, the said Board of Education reserves the right to review any additional amounts before final acceptance of the assessment."

An oral report by the City Council regarding progress on installation of a traffic light at 8 Mile Road and Center Street indicated approval for same by the Board of Supervisors as well as agreement on cost involved (one-fourth to be paid by Wayne County; three-fourths to be shared by City and Board of Education; Oakland County will not participate). The delay surrounding installation of aforesaid traffic light was attributed to its low priority on the Board of Wayne County Road Commissioners' (Traffic Division) list and the fact that the Traffic Division is several months behind in its schedule.

Mayor Allen asserted this item appears regularly on Council meeting agendas, and that pursuit of this matter will continue, with the hope that installation of a traffic light at 8 Mile Road and Center Street will be

completed prior to the opening of school in the fall of 1968.

In light of incomplete data thus far received by the Unification Committee relative to unification of City and Township of Northville, Mayor Allen indicated the desirability of bypassing a report on this study based on professional advice. Recommendations from the steering committee are expected at the next Council meeting, and Mayor Allen recommended that the School Board and City Council meet to discuss unification in detail, to establish guidelines, when all reports are in. Anticipated completion of the final study is approximately one month away.

It was the consensus of both the Board and City Council that preliminary discussion of effects of unification on the District, particularly as related to annexation of the Moraine School site, would be inadvisable at this point and should be deferred until more information is available. Superintendent Spear suggested that approval of unification would resolve the annexation problem; if not approved, then annexation of the Moraine site becomes a separate problem.

President Cook in referring to the Board's prior letter of request for annexation of the Moraine site, thanked the City Council for its invitation to Board participation in review of a unification proposal. Superintendent Spear and City Manager Ollendorff were requested to arrange a meeting of the governmental bodies involved.

President Cook introduced discussion of utilization of the former Community Building by presenting current thinking of the Board and Administration relative to this facility:

— There was an obvious need for utilization of the Community for classroom purposes for several years; such is not now the case.

— Some elementary programs are now held in the facility, but no long-range plan is needed in this capacity.

— Despite rumors, the Board has no definite plans for immediate disposal: Gym is leased to Schoolcraft College for one year, with certain dates reserved and continuing for other dates needed; lunchroom leased to Cavern as a clubroom-type facility until June, 1969.

— District has only two tenants by lease, but dates are reserved for Cavern dances and certain known dates for elementary activities, thus not generally available to public.

— The board is willing to explore ideas of the City Council relative to future utilization of and/or their interest in the former Community Building.

Business Manager Busard pointed to only 66 needed community uses of this building out of 591 community uses of School District facilities this year, indicating that school building facilities are adequate to handle potential community-sponsored events.

In response to a request by Board Members Froelich and Deibert, Mayor Allen recited a history of the Community Building from the time the then-Village Council utilized certain monies received from Northville Downs and set aside for this purpose, combined with an appropriation from the taxpayers to purchase property and construct the Northville Community Building.

Subsequent realization by the Council that support of this building solely for community purposes was impossible, plus the need of the School District for additional facilities, led to lease of the Community Building to the School Board. Two Council members and two Board members were delegated to establish rules and regulations for public use. A favorable vote of the taxpayers at a later date resulted in sale of the building to the School District, with some reservations that its use for community purposes be continued.

President Cook, Board Members Kipper and Froelich, and Councilman Lapham concurred that since support of the former Community Building is not now justifiable for public use, sale of same might be desirable with return to tax rolls and the money therefrom allocated for expansion of school facilities in view of potential housing developments within the District.

Superintendent Spear questioned whether the City sees a need to maintain this building for public use, since the School Board cannot justify maintaining this facility exclusively for leasing and for public usage.

Mayor Allen, other Councilmen and Board members advanced the theory that unification and/or reorganization of the Courts could have a bearing on the City's need for this facility. It was suggested that a committee composed of representatives from the School Board, the Planning Commission, the City Council and the general public be established for the

purpose of studying ways and means for utilization of the former Community Building with a view to serving the most people in the best way. The Board would reserve the right to final decision on the building's disposal.

President Cook directed that this topic be held in abeyance until September. Superintendent Spear will prepare a presentation for the first Board meeting in September to establish charge and structure of committee to study potential future and community use of the former Community Building.

A recess was called at 9:10 p.m. by President Cook with the meeting reconvening at 9:25 p.m.

City Manager Ollendorff presented information relative to acceptance by the Federal Government of the City's proposal for development and use of the Fish Hatchery property for a sum equal to 50% of the appraised market value, or a 50% ownership by the city. The city manager indicated there is a definite opinion among council members to develop a program to meet broad recreational needs with included educational uses, such as outdoor biological studies. The proposal includes control over the property as long as steady progress as a park and recreational area is shown. If not suitable to recreation purposes in the future, outright ownership and control may be obtained by payment of the remaining 50% of the appraised market value.

According to Mr. Ollendorff, the next step is to involve School Board and Township discussion to determine extent of their willingness to participate in the proposed Fish Hatchery property development.

Superintendent Spear referred to his letter to the City Manager, dated October 25, 1967, wherein he presented preliminary thinking expressed at the October 23, 1967 Board meeting relative to acquisition and participation in proposed development of the Fish Hatchery property. Mr. Spear pointed out that this was in line with Mr. Ollendorff's recommendation for establishment of a joint committee of City, School Board and Township representatives to study timetable, potential costs and extent of participation of the respective parties.

President Cook suggested that the Administration, through the Superintendent, determine potential educational value and desirable participation by the School Board in proposed Fish Hatchery property development and submit resulting recommendations to the Board for consideration.

Mayor Allen cited his personal feeling as favoring outright purchase of the Fish Hatchery property for various reasons, including the financial aspect. Secretary Deibert suggested Board consideration of assuming payment of the 50% balance to enable unrestricted use to the City of Northville but without Board commitment to operational expenditures.

Vice President Johnston indicated the idea of public subscription as a means to payment of the Fish Hatchery property development had been introduced at a recent Recreation Committee meeting.

President Cook pointed out that in pursuing the Fish Hatchery proposal, the School District needs to know sources of money, thus suggested that the Superintendent and the City Manager give joint consideration to a timetable and recommendations on the present proposal, or some other angle

as regards timetable, costs, etc.

Vice President Johnston, Board representative to the Recreation Committee, reported that this committee has discussed the merits of administering the Recreation Program through the School Board. Mr. Johnston indicated that the Board has had too many commitments to thoroughly consider responsibility for this program at the present time. Other factors involved included possible City-Township incorporation, Fish Hatchery property development, new swimming pool, etc. Mr. Johnston pointed out that the inheritance of participation due to expanding facilities would create budget problems. He further indicated that in theory, income from expanded facilities pays for the program, but in practice, no. Mr. Johnston cited experiences within a neighboring school district which supported the premise that monies expended for operating school facilities designated for recreational use are seldom recouped.

Superintendent Spear expressed the thought that School Board administration of the total Recreation Program would be the ideal method, since it would then be available to all citizens of the Northville Public Schools School District. Mr. Spear noted, however, that it would entail the employment of one person to head the total program, with the possibility of expansion for beyond its present capacity, thus an added budget item with significant impact on instructional line items. Mr. Johnston questioned whether, in this situation, there would be increased participation from the City and Township to help meet rising costs.

The City Council and Board of Education agreed on the necessity for a concrete plan from the Recreation Committee for turning over the program to the School Board prior to further consideration in this respect.

President Cook requested that the Recreation Committee address themselves to a program plan, with timetable for plan to be generated and acceptable means for its implementation, for presentation at the first Board meeting in September.

Superintendent Spear noted the presence of Mr. Dempsey Ebert, President of the Northville Community Chamber of Commerce, and other members of that body, who had been invited to this Board meeting in light of anticipated discussion of the High School traffic pattern by the board and

City Council.

In a brief dialog with President Cook, Mr. Ebert reiterated his concern for the means of egress and ingress to the High School, as stated in a letter to the board on behalf of the Chamber of Commerce which requested joint consideration of this problem by the School Board and the City Council. Mr. Ebert volunteered assistance in exploring means of alleviating the traffic congestion at the High School, and encouraged the two governmental bodies to seek a speedy solution in view of the expanding development projects with the School District.

Mr. Ebert was informed of elimination of school bus traffic from the High School drive during critical hours in an effort by the Board and Administration to relieve the congestion in this area. It was pointed out, however, that continued parent use of the drive in transporting students to and from the High School is contributing to the problem.

Superintendent Spear displayed plans for several High School traffic pattern alternatives which were developed along with the 1966 Bond Issue, but which were not acted upon by the Board.

Opinions were expressed as to what other means might be considered, including a request to Mayor Allen to investigate the legalities of a City ordinance for traffic control at the High School.

Following discussion of various alternatives, the consensus was that first consideration be given to improvement of Base Line Road

leading to the back of the High School, to allow for a one-way traffic pattern out of the parking lot. City Manager Ollendorff was directed to develop a proposal, together with cost estimates, for improvement or paving of Base Line Road as suggested.

At the conclusion of the agenda, Superintendent Spear called attention to a "Know Your Candidates" night, originated, planned and scheduled by the joint P.T.A.'s for June 4, 1968, at 8:00 p.m. in the Board Meeting Room at 405 West Main Street; this in conjunction with the Annual School Election to be held on June 10, 1968.

The Superintendent further noted that the next meeting of the Board of Education, scheduled for June 10, 1968, falls on the date of Commencement exercises and the Annual School Election, with recommendation that said Board meeting be rescheduled accordingly.

Motion No. 68-232 by Mr. Johnston, supported Mr. Orphan, that the next Regular meeting of the Board of Education scheduled for June 10, 1968, be rescheduled for June 11, 1968. Motion carried.

In response to a query from Mr. Art Adams, citizen, as to benefits accruing to the School District in the event of approval by the electorate of reclassification from a Fourth to a Third Class District, Mr. Adams was supplied with a "Comparative Analysis" of such benefits prepared by Board attorneys.

There being no further business, the meeting adjourned at 11:15 p.m.

## SPEAKING for The Record

By BILL SLIGER

A plan to provide adequate, improved off-street parking in the four-block business district area of Northville has been proposed to the city council by its Parking Authority.

It is the first plan we've seen on paper that offers hope of a workable solution to a problem that is certain to become more complicated in the future.

Moreover, the proposal recognizes a dual responsibility for providing the parking equally shared by the city government and retail businesses within the four-block district.

Admittedly, the plan is now in a rough-draft form and still remains to be studied by the council. But it requests that the council allocate some \$3,000 for detailed study of the plan to obtain legal opinion on the feasibility of the approach and to acquire expert appraisals on properties needed to be acquired for future customer parking.

Recognizing that offstreet parking that is convenient, adequate and free is the foundation for a healthy business district in the future, the council should give the matter its priority consideration.

Assuming the study proves the plan to be feasible, at least three years would be required for consummation of the project.

In outlining the need for customer parking in the business district the Parking Authority's study assumes a ratio of three square feet of parking space for every one square foot of retail floor space.

It notes that the amount of off-street parking space now open to the public totals 190,000 square feet, while the total useable retail floor space is estimated at 115,000 square feet. This means that another 155,000 square feet is needed to meet the three to one ratio.

The study reveals that there is 142,000 square feet of residential property, 64,000 square feet of non-conforming uses and 36,800 square feet of replaceable conforming uses. Acquisition of the residential property alone would nearly meet the existing need for off-street parking.

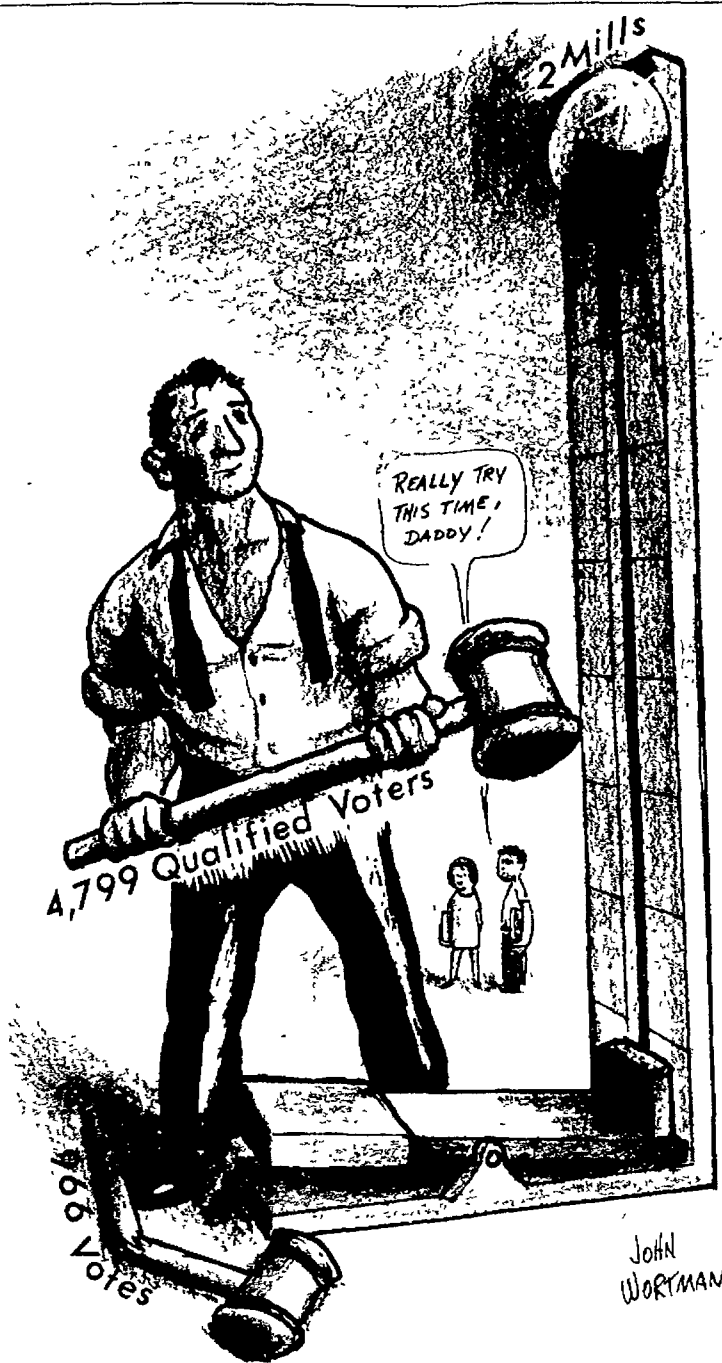

Using estimates the report concludes that some \$350,000 would be needed to acquire and improve the property for parking purposes. It then proposes a 50-per-cent assessment plan with the city and the property owners within the four-block area each picking up \$175,000 of the total cost.

Under a 10-year financing plan the cost to the average business district property owner (there are 50) would be an annual assessment of \$500.

The proposal also notes that some property owners have sufficient vacant land which could be donated for public parking in lieu of the assessment payment. It further notes that existing parking lots may be sold for new business sites, but that the money from such sales would immediately be used to provide an equivalent amount of new parking in addition to that provided for the new business.

I like the plan. I think it is workable and completely legal. It recognizes business responsibility in providing parking to promote more sales; and it assumes benefit to the city through an improvement in tax base thereby justifying general fund participation in the cost.

I would hope that forward-looking businessmen as well as our governmental leaders would join hands in backing this plan for the future improvement of our business community.

## Readers Speak Grad Party's A Hit

To The Editor:

"ALOHA-68" was without a doubt one of the most outstanding programs for decorations, music, and attendance.

The conduct of all the graduates was that of well-behaved ladies and gentlemen and the many "thank you's" for the nice evening, believe me, were graciously received.

In reporting to the parents of the graduates who attended the party, let me say it was held at the high school on June 10 from 11:30 p.m. 'til 4:30 a.m. Festivities took place in the northeast corner of the building (cafeteria, old library, and patio)—all appropriately named for the evening, "Rainbow Room", "Royal Room" and "Lanai".

Two-hundred and six seniors attended, the decorations were beautiful (Hawaiian theme), and everyone was furnished a "Lei" upon entering and at the departure they were presented with "Koa Seed" leis flown in directly from the Hawaiian Islands for our party.

The master of ceremonies was Jim Edwards, disc jockey from Radio Station CKLW, who provided the

entertainment. The band—the Uniroyals—did an outstanding performance and the gang really had a "blast". Chico Holiday was a special guest and was well received. Dancing was in both the Royal Room and the Lanai Room. Snacks, consisting of shrimp, cheese, ham, olives, pickles, etc and Kabobs, was available throughout the evening as were soft drinks. Door prizes were given out at various intervals.

A special thanks to the United Airlines and Frank's Nurseries for their splendid assistance in making the surroundings authentic for the occasion.

To sum it all up, "a special thank you" to all the grads and parents who helped make "Aloha-68" an event to remember.

Sincerely,  
Edith & Edw. Vahlbusch  
Co-Chairman

## Has Only One Freedom Left

To The Editor:

I have dislikes which may seem meaningless to the Record reader, but in my opinion my freedom to think is the only freedom I have left.

I dislike college students who unlawfully take over a college. It frightens me to think that some day they may be our leaders.

I dislike the weakness in all our leaders who will not stand up to the law breakers. A government who makes excuses for them and condones their actions.

I dislike television programs featuring murder and violence.

I dislike the idea of inter-racial marriages which seems to be getting the full promotional treatment.

I dislike forced housing legislation which can force a transaction on the owners without their consent.

I dislike educated people who claim no prejudices but feel superior to the working classes, which generally included their parents who sacrificed sending them through school.

I am sure some people dislike me but that is OK; they too have a right to dislike.

James Watt

## Citizens Boost Clean-up Campaign

To The Editor:

The spring clean-up campaign has been exceptionally successful, and the Northville Beautification Commission wishes to say an extra big thank you to all those who participated in any way.

Because of your generous contributions of time, effort and gifts, Northville is a better place in which to live. We wish you a happy and safe summer.

Cordially,  
Beautification Commission

## A LOOSE LEAF

By ROLLY PETERSON

In baseball, as in any other sport, injuries play an important part. Managers and coaches shudder at the thought of a star suffering injury and being sidelined for any length of time.

Not so this year, not as far as the Detroit Tigers are concerned. They're making a shambles of the American League pennant race, despite the fact that two of their stars—Al Kaline and Earl Wilson—were indisposed for two to four weeks because of injury.

As of Monday, the Tigers held an unbelievable 7½-game lead over second-place Baltimore, having won 41 of 63 games. There's a long way to go—99 games at this writing. A lot could happen, especially now that Jim Lonburg is healthy and Boston, the defending American League champ, is surging.

But Mayo Smith's not worrying. He has something going for him. That something is a bargain which recalls vividly Dr. Faustus' bargain with Mephistopheles, and it goes something like this:

The 1967 season had come to a close and Smith, crestfallen because his Tigers folded on the closing two days was walking by chance down Peach street. Suddenly, as if by some great design, rain began to fall and the Tiger manager sought refuge in a nearby store.

As the store door closed behind him, a sweet, acrid smell greeted Smith's nostrils, awakening him from his dreamy retreat. Two lamps, suspended from the walls and a squat burning candle, cast an eerie glow over the place as Smith peered toward the back of the store.

"Hey Man, whatcha want," said a hunched figure, sitting on a stool in the rear of the store. "Nothing," said Smith, "I just wanted to get out of the rain. Hope you don't mind if I wait until this rain stops."

"This ain't no flop house," the man rejoined, "but I don't mind. Come on back here where we can talk." Smith walked forward and stopped, uncertain in front of his host. He sat barefooted on the stool, hair disheveled and hanging down to his shoulders, blood shot eyes staring at the Tiger manager and smoke curling from a cigarette that looked like hemp.

"I'm Mayo Smith," the Tiger manager blurted out, hoping to strike a convivial conversation to ease the strain of silence. "I know," said the man, still fixing his gaze on Smith.

"Oh, you've seen my picture," Smith retorted.

"Nope," the man said. "Never seen your picture. Haven't been to Tiger stadium since 1945. But I know you. You've been having your problems. That's why I'm here. To help you."

"Help me? How can you help me. The season's over and we lost the pennant. You don't mean you play baseball," the Tiger manager said, incredulously staring at the limpid, frail man on the stool.

"I play a different game. Just what would you give to win a pennant?"

"Anything," the anxious manager said. "Anything?" the hairy figure repeated.

"Anything," Smith retorted.

"The Tigers will have their share if injuries a couple of late-season lapses, but they'll win the pennant if you give me a season pass and World Series tickets."

"Gladly," the manager said. "But I don't understand? Who are you. How do I have any assurance giving you what you want will make any difference?"

"Care to take a chance?" the sallow figure said. "Dick Williams didn't this year, nor did Hank Bauer the year before."

"No, I'll have them for you," Smith said. "Who do I send the tickets to?"

"Just send them to Hippie Go Lucky," the gaunt figure said, "care of Peach street. I'll get them."

## Top of the Deck

by JACK W. HOFFMAN

He chewed on the straw, twisting it with the movement of his mouth as he spoke.

"It's a job. All I know. One good meal a day in the restaurant. A little extra now and then for a good sock o' juice."

The big black horse banged his hip against the stall.

"Good looking animal."

"Yah, guess so."

"Ever bet on him?"

"Who, me? No siree. Ain't no horse gonna beat me outta my juice. They's full o' tricks. Turn yore back, soonas take a junk outta yore hide."

"But if you don't like horses why do you work around them?"

"It's a job, man, like I told ya. Can't ya see? Guy's gotta make his keep. You and me, we both gotta live."

"Ever do anything else?"

"Shore. Been in the factories. They's worse'n this. Horse, he don't stomp on ya less'n ya get too close. Factories, they's awful."

"Have you got a family?"

"Shore, what ya take me for, freak or somethin'?"

"Sorry, I just wondered."

The big black horse pushed his head out of the stall door, rubbing his neck against the nibbled wood. He was big and handsome and powerful looking.

The kind of horse you'd expect to win races. "Really, yours is kind of an exciting job. Probably isn't a boy around who hasn't read about

or seen movies about jobs like yours and wished he could have your job."

"I ain't no boy."

"I know. But just the same it's an exciting life."

"Guess so."

"No one could know a horse like you."

"Yes siree, that's plumb right."

"You'd know when a horse is feeling good, when he's ripe. Only someone like you could know that. It takes someone with a real knowledge of horses. Someone like you."

"Mister, they's not a man hereabouts who knows as much about horses as me."

"You feed him, rub him, doctor him. You probably know every muscle."

"Man, yes. I knows 'em inside out."

The big black horse looked in our direction. His eyes were big and sparkling and full of the determination that marks a winner.

"He's sure a good looking horse."

"Yah, guess so."

"Someone like you'd know if a horse like that is ripe. Only someone like you."

"Like I said, they don't come no better."

"That horse?"

"No, me."

"Yes, I know, but is that horse ripe? Is he going to win tonight?"

"How'd I know. This ain't my barn, yet."

"But..."

"They canned me next door and I'm waitin' to see if they'll take me here."

## Michigan Mirror

# Tuition: Public Pays Lions Share

SOME STUDENTS do not realize or are unappreciative of the public investment in higher education. Many seem to feel that student tuition pays the entire cost of operating a state university. Statistics show that for every dollar the student pays in tuition, an average of three dollars is contributed from public funds.

During the 1967-68 school year, citizens of Michigan paid \$204.6 million to help finance 15 state-supported schools. Tuition amounted to \$79.2 million.

State support varies between schools, but averaged \$1,202 per student for the school year just completed. This represented a range of \$714 per student at Central Michigan University to \$1,817 at newly-established Saginaw Valley State College. Although enrollment increased over the 1966-67 school year, total state appropriations declined about \$8 million.

Indications are that it will increase substantially next year.

The public owns the state education institutions. The student pays part of the cost of operation. He receives an education which permits him to appreciate life more fully and earn a better salary.

University campus. This is six weeks later in the year than previously. The change represents the first time in more than 50 years that farmers will not meet early in February for their many meetings, demonstrations, displays and fellowship.

Two biggest factors bringing about the change are the weather and their space needs.

Snow and ice have plagued the farmers in recent years. In 1966 most Farmers Week events had to be canceled because of the blizzard which dropped 36 inches of snow a few days before.

MSU enrollment and student needs have made it increasingly difficult to provide facilities the university would like for the large groups of farmers. The current date falls between terms at MSU, so the number of students is reduced sharply and much more display space is available.

In setting the March date, Thomas K. Cowden, Dean of the College of Agriculture and Natural Resources,

expressed the hope it will permit more farmers to visit the campus under more pleasant circumstances.

THREE BRIGHT, attractive young ladies create nation-wide publicity for Michigan agricultural products each year during Michigan Week. For 15 years Michigan's Apple, Cherry and Bean Queens have toured coast-to-coast and appeared on practically every network variety show in existence. Each girl represents an agricultural product of which Michigan is either a national leader in production or is near the top.

The tour lasts 7-10 days and requires public appearances from morning 'till night. This year's trip began at Lansing and covered Chicago, Kansas City, New Orleans, Washington, D.C., and New York City. Travel is by both rail and airplane.

In past years, tours have covered even greater distances. One trip took the girls 8,000 miles in eight days; stops were made at Nashville, Tenn., Tucson, Ariz., Hollywood, Calif., and

the Seattle Fair. Another year, the girls were guests of the U.S. Navy aboard a Michigan-manufactured destroyer.

Queens are chosen each year at special festivities sponsored by the commodity groups they represent. This year's Apple Queen, Brenda Sanford, 18, Shelby, was selected at the winter Michigan State Horticultural Show in Grand Rapids; Cherry Queen Linda Kaye Christie, 19, whose parents now live in Toledo, Ohio was picked at the Cherry Festival in Traverse City. Sheila Westall, 19, was chosen Bean Queen last Labor Day during the Bean Festival in Fairgrove.

Girls are accompanied by Joe E. Wells, Information Division, Michigan Department of Agriculture, and his wife, Marjorie Wells, who prepares the trip itinerary each year, notes that each girl is thoroughly familiar with the product she represents and is taught many facts about Michigan before leaving on tour. At each stop the girls present samples of the three commodities.

## Credit Law Protects Buyers

FARMERS—Your "Week" is changed. Farmers Week, 1969, will be held March 17-21 on the Michigan State

BABSON PARK, Massachusetts, President Johnson has signed the Consumer Credit Protection Act, a measure designed — among other things — to give buyers detailed information on the finance charges they pay for loans and credit purchases.

Except in the case of installment purchases costing \$25 or less (or \$25 to \$75 if finance charges are below \$5, or more than \$75 if such charges are not above \$7.50), the law requires finance companies, banks and other lenders, and retailers to make full disclosure of credit charges in writing. Beginning July 1, 1969, credit customers and borrowers must be informed of these charges in terms of annual percentage rates on the declining balance of their obligations... and of the dollars-and-cents cost of financing loans and purchases.

The housewife who buys at a department store on her revolving charge account must be told in writing how much she will pay in interest and carrying charges over the course of a year, above and beyond the purchase price of what she buys. No longer will it be lawful for a finance company or auto dealer to advertise simply that you can buy Item X for, say, \$10 down and \$30 a month. Dollar payment totals and full annual charges must be spelled out.

COMMENCING July 1, 1970 — a year after the truth-in-lending provisions take effect—consumers who borrow will be afforded additional protection. When unable to make scheduled payments, they will not be punished by unreasonable garnishment of salary. The law exempts 75% of the

borrower's pay from garnishment and forbids his employer to dismiss him the first time his salary is garnished.

Of course, the intent is to curb shyster lenders who overextend credit and then promptly seek their pound of flesh via the garnishment route, thus miring delinquent borrowers in financial quicksand. But this section could boomerang by deterring low-income wage earners from buying much of anything on credit, thereby hurting legitimate and reputable retailers dependent on this business.

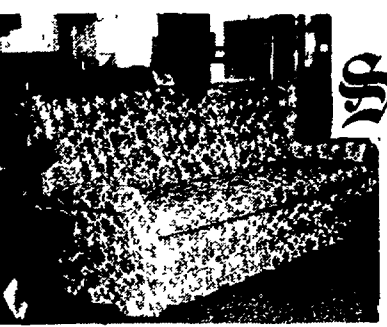

Most lenders will find compliance with the truth-in-lending provisions annoying and time-consuming. But the new rules are sensible in the main, and retailers who extend credit, as well as other lenders, should not find it too hard to live with them and still prosper. It is only the shoddy operators who have reason to fear. Lenders will be screening credit applications more closely; and after midyear 1970, some may find it necessary to refuse credit to very-low-income applicants because of the garnishment provisions.

Retailing and money-lending are highly competitive fields. Both make extensive use of advertising in seeking customers. The new law requires that such advertising be much more explicit as to interest and other charges than is now the case. Gimmicks will be out and, with money costs likely to continue high well into the future, it will be interesting to see what advertising pitches will be used once the law goes into effect.

OPPOSITION to this law stemmed largely from concern that full disclosure of charges for credit and

loans would cripple credit sales, upon which so many businesses heavily depend. It was feared that once consumers became aware of the true total cost of borrowing they would have second thoughts. But no such setback occurred in Massachusetts — first state to pass a truth-in-lending law.

We see no reason to believe that the national experience will be much different from that observed in the Bay State. Ours is now a decidedly credit-oriented society. Consumers are well trained in the art of "borrowing from tomorrow". Each year more and more Americans are attaining security of income; and this security promises to encourage a still broader use of credit as buying decisions become more widely determined by expectations of future income than by limitations of current income.

He has been assigned to the Air Force Technical Training Center at Keesler AFB, Mississippi, for specialized schooling as an air traffic specialist. Airman Hummel, a graduate of Northville High School, studied at Schoolcraft College.

## Chickvara Joins Novi Sash Company

Joseph G. Chickvara has joined American Enclosures Company, 40200 Grand River, Novi, as its director, marketing and sales, according to Donald H. Hug, president.

In his new position, Chickvara will be responsible for the implementation and execution of the firm's marketing programs as well as supervise national sales activities. He was formerly

associated with Libbey Products, Owens-Illinois, Inc. in Toledo as marketing and sales director.

American Enclosures produces several lines of aluminum storm sashes, screens, bathtub/shower enclosures, and adhesives. Its products are marketed under the "Window Wares" and "Shower Mate" trade names.

A native of Cleveland, Chickvara was awarded a bachelor of science degree in marketing by Miami University in 1954. He is a member of the Sigma Chi social fraternity.

After a two-year U.S. Army tenure, he joined Libbey glassware as a salesman in its Chicago branch. He was named Libbey's St. Paul branch manager in 1958 and, in 1962, midwestern regional sales manager. Chickvara was promoted to his most previous Libbey position in 1967.

Chickvara, his wife, Mary, and four children currently reside at 4817 Skelly Road in Toledo. The family plans to move to the Greater Detroit area in the near future.

# School Board Awards Contracts

Contracts for milk, fleet insurance, and fuel oil were approved by the Northville Board of Education last week.

The milk contract went to Ira Wilson & Sons Dairy for the period July 1, 1968 through June 30, 1969 at a price of .053 cents per one-half pint of white milk and .059 cents for chocolate milk. The contract also includes straws and coolers at no additional cost.

Sate Farm Mutual Insurance Company won the fleet insurance contract, covering all school owned and operated vehicles and equipment at a cost of \$3,081.63 for the period July 1, 1968 through June 30, 1969.

Awarded the fuel oil contracts were awarded to Gulf Oil Corporation

for Number 2 oil at a firm rate of .1075 cents per gallon and to Enterprise Oil and Gas Company for Number 4 oil at the firm rate of .0893 cents per gallon.

The board also approved a preliminary loan application for some \$55,000 under Michigan's School Bond Loan Fund, which represents the amount of difference between the district's 7-mill levy and the total cost of its bonded indebtedness.

Approved again this year was the arrangement with the Northville Recreation Department for use of school facilities, buses, etc. for the summer.

Board members also approved the appointment of Bonnie Rorabacher, Jeffrey Lightfoot, and James Honey as

elementary intern teachers for the 1968-69 school year under an arrangement with Schoolcraft College and Michigan State University.

In other business last week, the board approved the final draft of a plaque at the high school swimming pool now nearing completion, adopted special resolutions extending recognition and commendation to Charles Yahne, Frank Cochran, and Harry Smith for their many years of service with the Northville school system, and authorized the administration to proceed in establishing an agreement with Thompson-Brown Company and the school system for a school site on the firm's subdivision property on the south side of Six Mile Road.

Concerning the pool, latest estimates of the contractor calls for completion by July 15, Spear reported.

A review of the school site plan for the Thompson-Brown property showed that the school is to receive—free of cost—a five-acre site with an easement

for permission to use as a playground for three adjoining acres in what the company calls one of its open space areas within the subdivision.

The proposed site is located in the southeastern section of the subdivision property.

## Novi Man Receives Degree at Evangel

Charles Wetter, Jr., son of Mr. and Mrs. Charles Wetter, Sr., Highland Hills Estates, Novi, is one of 135 members of the 1968 graduating class at Evangel College, Springfield, Missouri.

WENDELL LENT, well known Plymouth haberdasher, has now officially taken over the former Carl Caplin Clothes business in the Mayflower hotel in Plymouth renaming it "Lent's Custom Clothing". He has announced that his son, James will be associated with him in the business and that Mrs. Mary Agnew, formerly with Caplin for 13 years, will remain.

## Gas Company Promotion Told

Willard E. Carlson, of Jackson, has been named marketing superintendent in Consumers Power Company's West Wayne division, headquartered at Livonia. He had been assistant general residential sales supervisor in the company's general office.

James P. Thomas, division manager for the company, made the announcement.

Carlson succeeds Thomas F. Devereaux, who recently became marketing superintendent in the company's Saginaw division.

Carlson started with Consumers Power as an electric distribution lineman in 1945 at Flint. He had been employed at various times in Flint, Owosso and Lansing in sales positions before his transfer to Jackson in 1960.

*Cadillac* 

Cadillac Motor Car Division

## Make a date to enjoy a "Command Performance."

Right now, your Cadillac dealer is inviting you to discover the most exciting motoring you've ever known—a "Command Performance" test drive of the 1968 Cadillac.

The excitement starts with the smooth, quiet, spirited response of Cadillac's 472 V-8 engine—the largest V-8 engine in any production passenger car. In the stop-and-go of city traffic or in cruising the open road, you experience an agility totally unexpected from a car of Cadillac's stature.

But Cadillac's performance encompasses much more than the liveliness of a great new

engine. Its many power conveniences, variable-ratio power steering, and remarkable balance and stability make driving a Cadillac sheer pleasure every mile of the way.

And when you consider that a Cadillac returns a greater percentage of its original cost at trade than any other car built in the land, you'll see why your Cadillac dealer is so proud of the car he represents.

Why not call him and make a date for your personal "Command Performance" test drive before the week is out?

He's ready to talk business—in your favor.

Ask your dealer for a "Command Performance" test drive soon.

11:30 p.m. (2)—CARENS ARE FLYING, story of a young couple's romance problems.

11:30 p.m. (9)—ENCORE, a 1952 movie starring Nigel Patrick and Glynis Johns.

## WEDNESDAY

JUNE 26

8:30 a.m. (7)—TELL IT TO THE JUDGE, a 1949 movie starring Rosalind Russell and Robert Cummings.

12:30 p.m. (9)—MR. SMITH GOES TO WASHINGTON, starring James Stewart and Jean Arthur, a naive man becomes a Senator and gets into deep trouble with a sharp politician.

4:30 p.m. (7)—SEA DEVILS (C) a 1953 movie starring Rock Hudson and Yvonne DeCarlo.

7 p.m. (9)—OH, SUSANNA, with Rod Cameron and Adrian Booth, feud between an envious U.S. Army officer and a West Point trained subordinate.

9 p.m. (7)—THE CONDEMNED OF ALTONA, Sophia Loren, Maximilian Schell, Fredric March, Robert Wagner star in suspense drama set in present-day Germany.

11:30 p.m. (2)—RISE AND FALL OF LEGS DIAMOND, account of the career of a hoodlum who rose to national infamy, starring Ray Danton.

**COUNTRY GIRL**—Surrounded by guitarist Buddy Merrill (left), Johnny Klein on drums and accordionist Myron Floren (right) pretty Lynn Anderson has joined the Champagne Music Makers on Channel 7 THE LAWRENCE WELK SHOW, in color, Saturdays (8:30-9:30 p.m.). Lynn was the first country-western vocalist to become a regular member of the Music Makers.

# Julie London Stars In Summer Special

Julie London, one of America's most glamorous entertainers, stars in her own hour-long television special on Monday, June 24. The first of six WWJ-TV summer specials, "The Julie London Show" will be televised 9:00 to 10:00 PM.

Other stars who will be seen on this special series of prime-time programs are: Jane Morgan (July 1; Polly Bergan (July 8); Ella Fitzgerald

Julie London

and Duke Ellington (July 15); Noel Harrison and Shirley Bassie (July 29); and Gordon MacRae with Barbara McNair (August 12).

Julie London, whose recording of "Cry Me a River" catapulted her into music fame, makes one of her infrequent television appearances as the star of the first program in this Channel 4 series. Yet Julie definitely is a girl who should be seen as well as heard.

On hand to help make "The Julie London Show" a real swinging hour of entertainment will be Chad & Jeremy, extremely popular recording duo from England; Fred & Mickie Finn, husband-wife, piano-banjo team whose NBC television series made "Roaring 20's" music a national craze; and The Dappers, a group that rates high with the "now" crowd.

Julie London achieved an impressive number of acting credits before she ever sang for her supper. Her first starring role was opposite Jose Ferrer in "The Great Man," which Julie still considers her best picture.

But movie fans found her performances equally admirable in "Man of the West," with Gary Cooper; "Wonderful Country," with Robert Mitchum; "Saddle the Wind," co-starring Robert Taylor; and "Voice in the Mirror," with Richard Egan.

However, when the sultry-voiced actress recorded her first album, it was an instant success and Julie London suddenly had a new career.

## Wild Kingdom's TV Host Started as Zoo Sweeper

Marlin Perkins, host of "Mutual of Omaha's Wild Kingdom" color series on Channel 4 on Sundays is acknowledged as one of the world's leading naturalists and brings to his television role a wealth of experience about the ways of the wild kingdom.

Perkins has guided the fortunes of several of America's major zoological gardens and, since October, 1962, has been director of the St. Louis Zoo in Missouri.

His position at the St. Louis Zoo constitutes a rather dramatic return. In 1926, after completing his education at the University of Missouri, Perkins was

hired for an \$18-a-week laborer's job at the St. Louis Zoo, sweeping the walks and trimming hedges on the zoo grounds. From that job he advanced to the zoo's curator of reptiles. In 1938 he became curator of the Buffalo (N.Y.) zoological gardens, and in 1944 was appointed director of the Lincoln Park Zoo in Chicago, where he established an international reputation during the next 18 years.

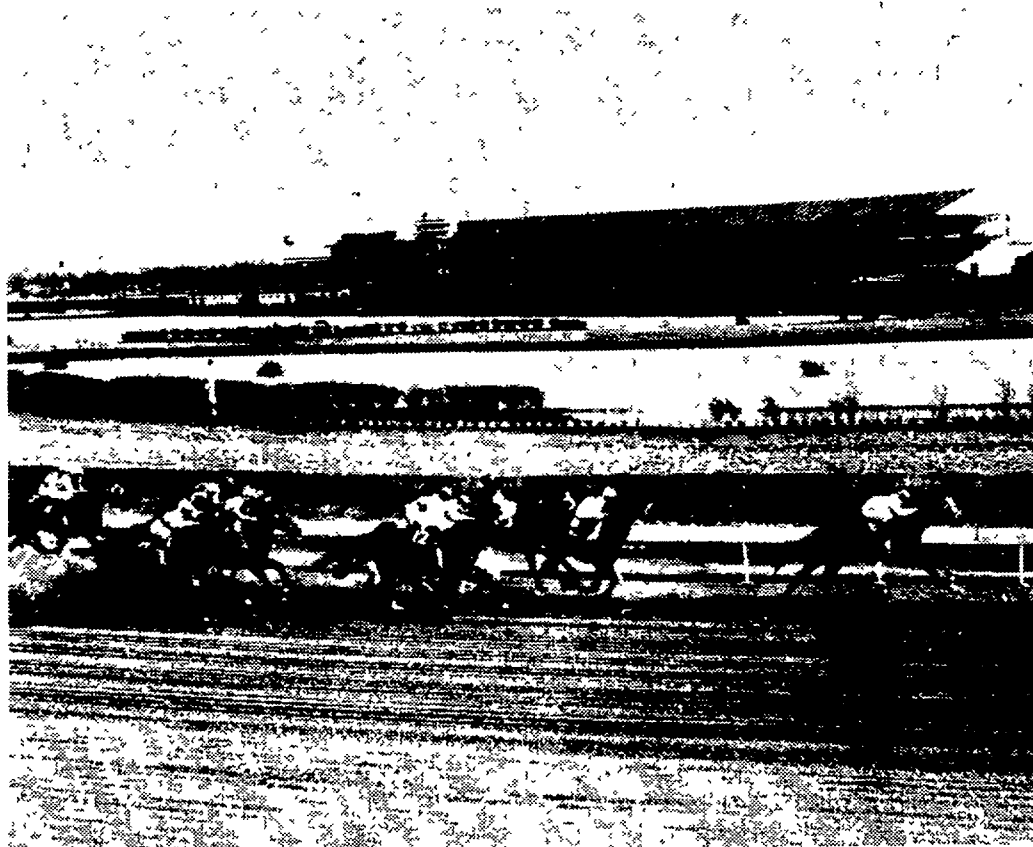

In 1945, Perkins made his television debut when he brought several zoo animals to a Chicago TV studio. With an estimated 300 sets in operation in the area at the time, it was a relaxing experience. Perkins recalls that after the first show, he got frequent calls to bring some animals down to the studio and "we'd just stay on the air until we or the animals had had enough."

That casual TV start led to the award-winning "Zoo Parade" series with Perkins as host. It began on WNBQ (now WMAQ-TV), NBC Owned Station in Chicago, in the Spring of 1949, "live" from Lincoln Park. A year later, it premiered on the NBC-TV Network and quickly became a national favorite.

The famous naturalist accepted directorship of the St. Louis Zoo October 1, 1962, upon the retirement of George Vierheller, who had hired Perkins as a laborer there in 1926. Perkins returned to TV for the debut of "Mutual of Omaha's Wild Kingdom" color series on NBC January 6, 1963.

MARLIN PERKINS

THE QUEEN'S PLATE, Canada's premier horse race will be carried live and in color on the CBC network Saturday, June 22. Channel 2 will interrupt coverage of the Canadian Open to bring the race which has as early contenders Big Blunder, Rouletabille, Phelodie and Bow Shannon. Daryl Wells will call the race from Woodbine race track, Toronto.

BILL LANGSTROTH returns as host and folksinger on Singalong Jubilee Monday on Channel 9 at 10:30 p.m. on the CBC-TV network. Langstroth, who also plays a five-string banjo, will be joined by Catherine McKinnon, Freddie McKenna, Michael Stanbury, Anne Murray, Jim Bennet, and others. Manny Pittson is the producer of Singalong Jubilee, a Halifax production.

# FOCUS ON SPORTS

## THURSDAY, JUNE 20

1 a.m. (4) — BEAT THE CHAMP, three outstanding Detroit-area bowlers compete in one-game, sudden death matches, with commentator Don Kremer.

## FRIDAY, JUNE 21

1 a.m. (4) — BEAT THE CHAMP.

## SATURDAY, JUNE 22

12 Noon (9) — AUDUBON.

12:30 p.m. (4) — BEAT THE CHAMP.

1 p.m. (9) — CBC SPORTS.

1:30 p.m. (2) — NFL ACTION (C).

1:30 p.m. (4) — RED JONES SHOW, humorous stories and anecdotes about baseball with former American League Umpire Red Jones and Sportscaster Al Ackerman.

2 p.m. (2) — TIGER WARMUP (C).

2 p.m. (4) — NBC MAJOR LEAGUE BASEBALL (C).

2:15 p.m. (2) — TIGER BASEBALL (C), Detroit at Cleveland.

3:25 p.m. (7) — WONDERFUL WORLD OF SPORTS (C).

4 p.m. (9) — WRESTLING.

4:30 p.m. (7) — CELEBRITY BILLIARDS (C), Host Minnesota Fats with special guests: The Smothers Brothers.

4:50 p.m. (2) — BASEBALL SCOREBOARD (C).

4:55 p.m. (4) — SHELL'S WONDERFUL WORLD OF SPORTS (C).

5 p.m. (2) — CANADIAN OPEN GOLF TOURNEY (C), joined in progress.

5 p.m. (4) — CAR AND TRACK (C).

5 p.m. (7) — WIDE WORLD OF SPORTS (C), National AAU Track and Field Championships at Sacramento, California, with Jim McKay as host.

6:30 p.m. (7) — THE MICHIGAN SPORTSMAN (C), Canada Canoe Trip, Jerry Chiappetta and Gene Little take Michigan Sportsman director Mason Weaver and Video Editor Lou Dumon on a wilderness canoe trip and fishing adventure in Ontario.

7 p.m. (4) — MICHIGAN OUTDOORS (C), a look at Michigan wildlife and interesting sporting events with Mort Neff.

1:45 a.m. (4) — BEAT THE CHAMP, last week's Beat the Champ winners roll off against each other for a chance to challenge a leading professional bowler on Sunday.

## SUNDAY, JUNE 23

12 Noon (7) — CHAMPIONSHIP BOWLING (C), Jim St. John versus Dave Soutar.

12:45 p.m. (2) — TIGER WARMUP (C).

1 p.m. (2) — TIGER BASEBALL (C), Detroit at Cleveland.

1:30 p.m. (4) — AT THE ZOO (C), Sonny Eliot visits interesting and unusual animals at the Detroit Zoological Park.

2:30 p.m. (4) — ANIMAL KINGDOM (C).

3 p.m. (4) — THE PROFESSIONALS (C), golf.

3:50 p.m. (2) — BASEBALL SCOREBOARD (C).

3:55 p.m. (7) — WONDERFUL WORLD OF SPORTS (C).

4 p.m. (2) — CANADIAN OPEN GOLF TOURNEY (C).

11:30 p.m. (4) — BEAT THE CHAMP, a top bowling pro is challenged by the past week's winning amateur kegler.

2 a.m. (7) — WONDERFUL WORLD OF SPORTS (C).

## MONDAY, JUNE 24

1 a.m. (4) — BEAT THE CHAMP.

Tuesday, June 25

8:30 p.m. (7) — THE UNDERSEA WORLD OF JACQUES COUSTEAU (C), an undersea adventure revealing the mystery, beauty and terror of the coral reefs.

1 a.m. (4) — BEAT THE CHAMP.

Wednesday, June 26

8 p.m. (2) — TIGER BASEBALL (C), Detroit at New York.

1 a.m. (4) — BEAT THE CHAMP.

## WSU Girl To Debut Tomorrow

Ruth Sisson, a junior at Wayne State University in Detroit, will make her national television signing debut on Friday, June 21, on the widely-syndicated "Woody Woodbury Show" originating in California.

Miss Sisson was selected by the University to appear on the Woodbury show and narrate a film publicizing Wayne State's Centennial anniversary. "The Woody Woodbury Show," which has gained great popularity recently with the college and young adult crowd, is seen each weekday in Detroit on Channel 4 from 4:00 to 5:30 PM.

While giving Woody background material for her appearance on his show, she revealed that she was about to embark on a professional singing career in Detroit. Woody, who delights in discovering new talent, asked if he could hear her perform.

Woody was so impressed with her voice he insisted she sing on his show, in addition to promoting Wayne State's Centennial. It was the kind of "discovery" that supposedly happens only in Hollywood fiction.

Other guests who will appear with Ruth Sisson on the June 21 "Woody Woodbury Show" are: one-time child star Jon Provost, vocalist Helen O'Connell, comedian Fred Smoot and blues singer Brenton Wood.

## This Week's Highlights FROM WKBD-TV CHANNEL 50

### THURSDAY, JUNE 20

12:30 p.m.—MOVIE, My Love Come Back, a millionaire, fond of a pretty violinist, helps her career and helps her find a husband, starring Olivia deHavilland, Jeffrey Lynn, and Jane Wyman.

10 p.m.—LES CRANE, guest General James M. Gaven, who has spent the major portion of his life in the United States Army, discusses his disillusionment with the U.S. Government foreign policy and military commitments. He predicts that the war in Vietnam could easily require that within a year an additional one million troops be sent there.

### FRIDAY, JUNE 21

10 p.m.—LES CRANE, guest Marcel Marceau, the world's most famous pantomimist. With Crane, he articulates his reasons for becoming a "mime" and demonstrates the subtleties of making rich the language of silence.

11 p.m.—JOE PYNE, first guest will be John Quattrone, head of a computer matchmaking organization called "Date Mate." The second guest, Lawrence G. Kersta, is the inventor of the "voiceprint"—a controversial new method of identification.

### SATURDAY, JUNE 22

12 Noon —MOVIE, To the Victor, with Dennis Morgan and Viveca Lindfors, about collaborators who must stand trial after the war for their crimes against France.

10 p.m.—LOU GORDON PROGRAM, guest is a Roman Catholic priest, Father Maurice Geary of Detroit, who believes churches and church-owned businesses should be taxed because they represent an unfair business advantage to small enterprise. He discusses the multi-million dollar business organizations owned by various religious groups.

### SUNDAY, JUNE 23

2:30 p.m.—MOVIE, Spirit of West Point, a story of Glenn Davis and "Doc" Blanchard's All-American football days at West Point, starring Doc and Davis.

7 p.m.—SPECIAL OF WEEK, Two weeks aboard the USS Franklin D. Roosevelt uncovers the rigorous and often hazardous life of the flight deck crews—an engrossing revelation.

### MONDAY, JUNE 24

10 p.m.—LES CRANE, with special guest Rod Steiger, recent Academy Award winner.

11:30 p.m.—MOVIE GREATS, Finger Man, a hijacker turns informer and helps Internal Revenue men trap the gang leader of an illicit whiskey syndicate, starring Frank Lovejoy, Forrest Tucker, and Peggie Castle.

### TUESDAY, JUNE 25

2:30 p.m.—DANNY THOMAS, when Jimmy Durante says he doesn't have the polish to attend a college banquet honoring his niece Carla, Danny offers to teach him all he'll need to know.

10 p.m.—LES CRANE, Guests Ralph Schoenman, personal aide to Lord Bertrand Russell and secretary general of the War Crimes Tribunal held in Stockholm last year, and Dr. Robert Scheutinger, professor of International Law at Catholic University in Washington, D.C., discuss the necessity for imperialistic, capitalistic government systems to prevent small countries from determining their own futures and possibly choosing a communistic or socialistic form of government.

### WEDNESDAY, JUNE 26

8:30 p.m.—HONEYMOONERS, Alice tries to surprise Ralph with a redecorated apartment. Starring Jackie Gleason, Art Carney, Audrey Meadows, and Joyce Randolph.

10 p.m.—LES CRANE, guests Khigh Dhiagh, well-known character actor and authority on the mysteries of the Chinese Book of Changes, The I Ching, Chester Anderson, Art Wadsworth, and Peter Bergman join in a discussion of this mystical eye of the future.

11:30 p.m.—MOVIE, Nightmare, an ex-gambler stumbles onto a murder, a pretty widow and sabotage, starring Diana Barrymore and Brian Donlevy.

# What's the younger generation coming to? You.

Give a kid a job this summer.

There are thousands of kids all over the Metropolitan Detroit area who are ready and willing to work. But they need someone willing to give them a start. Someone like you.

You've probably got a place in your business that used to go to a bright young college kid with nothing else to do. But for the kids we're talking about, there's nothing to do, period.

So give a needy kid a job this summer. A real job. Not just to cut the grass every Friday or to clean out your stockroom on week-ends. But a job that'll start him off right in the world. A job that'll give him an idea of what business is all about. And a job that'll give you some pretty good help in the bargain.

Give the younger generation something good to come to. Give a kid a job this summer.

If you can use ten, a hundred,  
or just one good worker...

the National Alliance of Businessmen  
asks you to call  
Job Central at 874-4090.

THE SOUTH LYON HERALD

Wed.-Thurs., June 24-25, 1970

Page 1-B

By ROLLY PETERSON

It was a drink from the cup of Zeus, it was a miracle at Lourdes, a bottle of champagne on New Years, Christmas 365 days of the year, a bunny girl in every basket and a million dollars in the bank.

In reality it was Thursday, June 19th, a day to remember, just as 1948 was a year to remember. The occasion won't soon be forgotten by this writer, especially with the August primary and the November general election just around the corner and a duffle bag full of presidential elections coming up in my lifetime.

What happened last week was exquisite ecstasy. Edward Heath, the British conservative who wasn't given a Leper's chance in Hell of reaching the heavenly realm of victory, upset the dopsters, the Gallups and Harries, to climb into the prime minister's chair.

Not that I give a hoot about Heath, or the conservative or liberal sides of the issues in

Britain. Like most Americans, I barely knew the British were voting last week. Only the Christian Science Monitor, of the newspapers I read, had any advance poop on the election and that newspaper talked in weighty terms of favorable balance of trade.

Then the local dailies had it in the headlines on Friday, big and bold. "British Tories Win." Upset was the key word in story after story. The Conservatives had done it, despite the fact that most polls had predicted a landslide victory for incumbent Laborite Harold Wilson.

"The Tory victory both confounds and disgraces all of us who have reported the election campaign," the AP quoted George Gale as writing in the London Evening Standard. "We have all been the dupes of the polls. No political journalist will ever again allow himself to be bamboozled by pollsters."

The Harris and Gallup poll takers discredited! Hurrah. "Lovers of scientific data, believers at the shrine of pollsters, eat crow!" the headlines should have barked.

Perhaps the pollsters will walk a little quieter and speak a little softer from now on. But whatever they do, no election will be a certainty, not as long as people can change their minds and act unpredictably.

No longer will I watch election returns with the belief that the great gods COMPUTER and VALID SAMPLE are right. There's a distinct chance that they might be wrong. Hail to the Heaths, the Trumans and the human element.

## U.S. Senate

State Senator Robert J. Huber concedes he doesn't gain many votes in his race for the Republican nomination for U.S. Senator by attending State Senate sessions regularly.

"But," he told 15th Congressional district precinct delegates, "my first obligation is to the job I now have, serving the interests of Oakland County voters I represent in Lansing. As I work in the Senate, I console myself that I am accumulating more of the very governmental experience that my opponent, Mrs. George Romney, lacks completely."

Senator Philip Hart reports that his constituents are voicing disappointment, frustration and subdued outrage over two dissimilar matters this month—the expanded war in Indo-China and inflated auto repair bills.

"But that's not surprising," said Hart. "Both stacks (of mail) are the products of long-standing American impatience with wasted resources...."

"In the language of the used car lot, we have been 'lot balled' into this war. We cut a deal only to find that the final contract carried a much higher price than any previously mentioned."

## U.S. Congress

In filing nominating petitions, Congressman Marvin Esch said, "We live in a day of constant change and crises that threatens the very existence of our nation."

"This country desperately needs a restoration of faith in leaders who can establish a society of order, who encourage individual dignity, who put a strong emphasis on freedom with responsibility," said the GOP candidate from the Second District.

"Our citizens have long become bone weary with tired politicians who promise more than they can deliver and of mass appeals to special interest groups. They seek people who will be responsible in public office, who will be analytical, innovative and aggressive in tackling the problems that sometimes appear to engulf us."

"Congress, which should be a vital, coequal branch of federal government, has failed to meet the grave challenges we face. Progress has been impeded in many areas because Congress is dominated by inept leadership, outmoded procedure and a Southern Democratic stronghold on key committee chairmanships. Since my first days in Congress I have fought to correct this inherent weakness."

## Governor

"The present leadership of the Republican Party is correct when they conclude," said James C. Turner of Howell, GOP candidate for governor, "that our people are being driven to a near revolution. It will indeed take a police state to oppress us if we are submitted to another four years of such insincere and corrupt political and legal misrepresentation."

"I have today filed my campaign income and expenses. I shall make a complete disclosure each two weeks hereafter. I challenge Milktoast Milliken to disclose where his \$500,000 campaign fund came from. Who are these people that are willing to pay so much, in order to control party and government?"

His candidacy, said Turner "will truly lead to the Republican Party becoming truly a part of the people, rather than one controlled by special-vested interest group. The leadership of both major political parties have so violated their public trust that there is little faith or hope left in the minds of men."

SENATOR GEORGE KUHN

## State Senate

In announcing his candidacy for re-election, Republican Senator George Kuhn of the 14th Senatorial District, said the major reason for his decision to seek re-election is that many areas of legislative activities that he has been engaged in over the past four years require follow through.

These include: "Holding the line on state and local income taxes, watch-dogging excessive state spending, fighting organized and violent street crimes, and stimulating economic growth and development of the state."

Kuhn also indicated he "is deeply concerned about the problems associated with water and air pollution, as well as unrest and disorders on the university and college campuses."

Cited as an indication of his competence in office is the fact that he was recently elected by his Senate colleagues as the Senate Majority Whip, one of the top leadership posts of the State Senate.

In noting his support of abortion reform legislation such as was offered by State Senator Gilbert Bursley, Democrat Candidate Paul Kadish for the 14th Senatorial District questioned the motives of incumbent Senator George Kuhn on this subject.

"Kuhn voted yes on the bill's first roll call, which failed to receive a majority," Kadish said. "He then

switched and voted no on a move to reconsider. I strongly question Mr. Kuhn's apparent duplicity as indicated by a comparison of this recent vote with his written statements of support sent back to backers of reform in our district."

"It appears that Mr. Kuhn knew abortion reform would fail its first vote, and thus hoped to achieve two ends: apparent support by his first vote while helping to doom it by his second."

Also on the abortion question, Republican Candidate Al Smith for the 14th District Senate seat said "today women should have the right to make the decision on what they want to do concerning abortion. But before this right is granted the abortion reform bill should be looked at very carefully."

He said the abortion bill is another struggle for women's rights and that he is sure Kuhn did not vote down the bill unless it was for women's reasons."

County Commissioner Carl D. Pursell has attacked a proposal to set up county crime labs as a needless duplication of expense that could actually hurt the fight against crime by wasting tax funds which could be better spent on other anti-crime projects.

"The Michigan State Police have two fine, modern crime labs already set up to serve county law enforcement agencies and they are planning to set up more," Pursell said. "It is a waste of tax dollars for county sheriffs' offices to set up their own labs to do the same thing the State Police are doing."

"Wayne County's sheriff's department has asked for an initial appropriation of \$153,000. Obviously that would be just a beginning, and the costs will soar once the lab goes into operation," Pursell commented.

Pursell, who is running for the 14th District State Senate seat in the Republican primary, wants the county sheriffs' departments to get together with State Police officials on the matter of crime labs. He contends there has been little or no effort on the county level to find out what the plans for additional State Police crime labs are.

LARRY VANDERMOLEN  
County Commission

Larry D. VanderMolen, 30, of Northville, a political science instructor at Schoolcraft College in Livonia, announced recently that he will seek the Democratic nomination for the office of Wayne County Commissioner in the 26th District.

The District includes Northville, Northville Township, Livonia, Plymouth, and Canton Township.

VanderMolen is a campaign manager for Ron Hecker, Democratic candidate for Congress in the 19th District, and is a staff member of the Kadish for State Senate Committee. He is a member of the New Democratic Coalition of Livonia and a candidate for the Democratic Party precinct delegate in Northville Township.

VanderMolen is a co-chairman of the Schoolcraft College Faculty Forum Negotiating Team and is a member of the Michigan Education Association. He is the vice-president of the Michigan Association of Political Scientists, and a member of the Pi Gamma Mu, the National Social Science Honor Society.

He resides at 18595 Jamestown Circle with his wife, Lynallice, Kristen, 3, Scott, 2, and Ann, 1.

Harvey W. Moelke, candidate for the County Board of Commissioners

## 1-Card of Thanks

The family of Katharine Morgan would like to express their deep appreciation and thanks to friends for their sympathy and many kindnesses shown us during our recent bereavement. Also to the nursing service and doctors at McPherson Hospital and Keen Funeral Home.

Robert L. Morgan &amp; Family

We would like to express our appreciation to all of the people who were helpful when our horse Dutchess was fatally injured at the horse show on June 14. Thanks so much.

Mr. & Mrs. Larry Michaels  
Mr. & Mrs. Walt Browne & Wally H-26

## NORTHVILLE AND THE AREA

Looking for a 4 bedroom home - 2 baths - full dining room - nice lot - 1 1/2 car garage - close to all conveniences - fully carpeted and all good sized rooms? If you are see us at once as owner must sell-reduced to \$24,500.00.

1/2 acre lot just west of Northville - The land is ideal for walk-out type basement home - It is a good buy at \$4,500.00.

37 acres on one of the areas finest parcels of ground. Builders should look this one over as the potential of this site is great.

Here is a 2 acre piece close to South Lyon on main road with Septic Tank already in. Let us show you this at \$7,200.00.

Here is a stunning 4 bedroom brick Dutch Colonial - 2 car garage attached - on 2 acre site that could not be duplicated at the price of \$45,000.00. You can buy 8 more adjacent acres if you want them. Land Contract Terms and move in at once.

You can look a long time before you can buy all that this home has to offer. We think it to be one of the area's best in this price range of \$62,500.00. Call for an appointment to see this lovely home.

## Vacation the year 'round!

## THE LEISURE HOME

Here is the perfect setting for gracious living. These leisure homes invite relaxation. It's like a year 'round vacation. American Timber uses durable, solid white Cedar to make these homes virtually maintenance-free. We'll erect them in the mountains, in the woods, along your favorite lake or stream, out in the countryside or on the beach. Enjoy the fun life. Discover the art of elegant living. And it can be yours NOW.

This newspaper will arrange for you to receive full information. Write Box 402 in care of The Northville Record, Northville, Michigan 48167, or phone 349-1700 and ask for details to be mailed to you.

Lawmaker Blasts Opponents

Disaster Seen in School Aid Hangup

Efforts to block aid to non-public schools could, according to State Representative George Montgomery, result in a substantial loss of local school aid.

Montgomery charges that opponents' contention that "no bill" is better than a bill including non-public aid is self-defeating.

"The public should be made fully aware of the great danger of this 'no bill' position," declared Montgomery, "and the unbearable financial consequences for local school districts which could result from it."

On the basis of Montgomery's figures and estimated enrollments in local school districts for next fall, Northville could lose nearly \$49,000,

Novi nearly \$31,000, and Walled Lake more than \$127,000.

Montgomery, majority floor leader of the House, submitted an analysis in comparing the probable impact of adopting the Governor's proposal, the Senate approved plan, the House approved plan, or acquiescing to the 'no bill' position.

"Not one single public school district could possibly benefit if we adopt no bill for 1970-71," Montgomery said, "every school district will lose money on a per-pupil basis."

Local school boards, while not publicly advocating 'no bill', nevertheless have gone on record as being opposed to aid to non-public

schools.

Here's Montgomery's comparisons locally:

**NORTHVILLE** - 1969-70 actual state aid per pupil, \$232.30; governor's recommendation, \$237.87 (\$5.57 increase); Senate plan, \$243.32 (\$11.02 increase); House plan, \$295.53 (\$63.23 increase); no bill, \$216.99 (\$15.31 decrease).

**PLYMOUTH** - 1969-70, \$210.19; Governor, \$200.56 (\$9.63 decrease); Senate, \$211.34 (\$1.15 increase); House, \$242.23 (\$32.04 increase); no bill, \$193 (\$17.19 decrease).

**NOVI** - 1969-70, \$221.81; Governor, \$220.06 (\$1.75 decrease); Senate, \$228.06 (\$6.25 increase); House, \$270.09 (\$48.28 increase); and

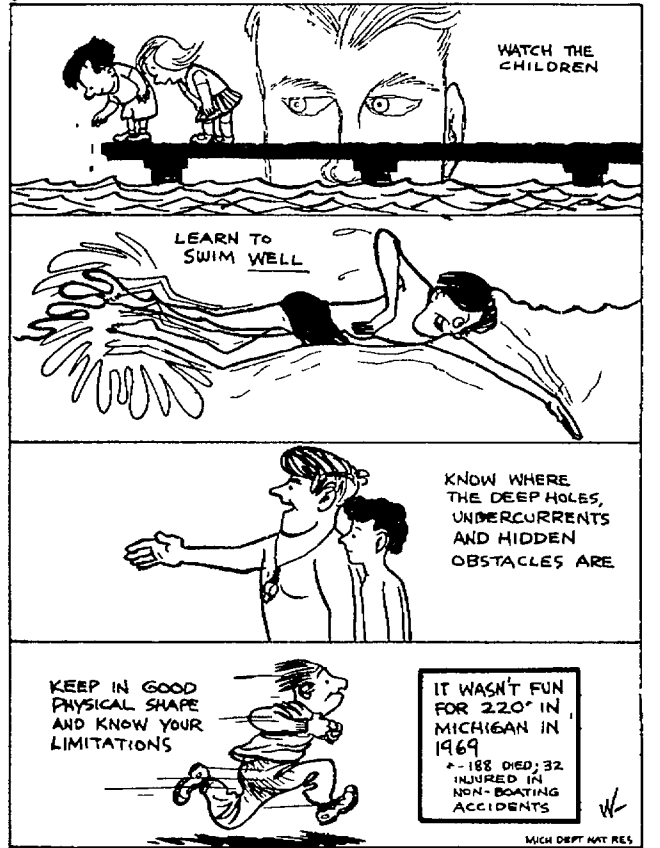

no bill, \$205.54 (\$16.27 decrease).

**SOUTH LYON** - 1969-70, \$268.71; Governor, \$299.50 (\$30.79 increase); Senate, \$296.14 (\$27.43 increase); House, \$383.57 (\$114.86 increase); no bill, \$256.61 (\$12.10 decrease).

**WALLED LAKE** - 1969-70, \$271.22; Governor, \$303.74 (\$32.52 increase); Senate, \$299.78 (\$28.56 increase); House, \$89.63 (\$118.41 increase); no bill, \$259.33 (\$11.89 decrease).

"It is a popular myth that failure to enact a school aid bill this year will leave each local school district with the same amount of state aid per pupil next year as was received during the current school year," Montgomery said. "(But) a casual examination of the net decreases ... will disclose that the adoption of 'no bill' will impose serious financial hardships on most local school districts."

Water Can Be Fun If You---

Keydel Named Chairman

Park Authority Elects Officers

New officers for 1970-71 have been elected by the Board of Commissioners of the Huron-Clinton Metropolitan Authority, a regional park agency serving the citizens of the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne.

The election was held at the monthly meeting of the Board of Commissioners which was held at Lower Huron Metropolitan Park near Belleville on Thursday, June 11.

The HCMA Officers are elected for one year and they are:

Kurt R. Keydel, who represents the district-at-large, is Chairman. He has served on the HCMA Board since July of 1964, when he was appointed by then Governor George Romney Keydel is a managing partner in the Keydel Company of Detroit, and is also on the Wayne State University Board of Governors; he is president of Abend Post, Michigan's only German-language newspaper. He is a member of the Detroit Boat Club, Detroit River Yachting Association and Detroit Harmonie Club. Keydel resides at 2940 Seminole Street, Detroit.

Keydel succeeds James Clarkson, HCMA Chairman for the past two years. Clarkson represents Oakland County and resides in Drayton Plains. Eugene J. Ellison, is

Vice-Chairman. Ellison also represents the district-at-large, and has served on the board since May of 1965. In May of 1969, he was reappointed to the HCMA Board by Governor William G. Milliken. Ellison is Vice-President with SOS Consolidated, Inc., with corporate headquarters in Birmingham. He is a former Mayor of the City of St. Clair Shores and has also served on its council. He is a member of the Detroit Athletic Club, Detroit Yacht Club and Michigan United Conservation Club. Ellison resides at 23040 Ardmore Park, St. Clair Shores.

Ellison succeeds Kurt R. Keydel, HCMA Vice-Chairman for over two years.

William E. Kreger is Treasurer. Kreger has represented Wayne County on the HCMA Board since 1954. He is Vice-President of Coca-Cola Bottling Company of Wyandotte and publisher of the News-Herald Newspapers, which serves Wyandotte and several other downriver communities. Kreger is also a member of the Wayne County Road Commission. He is a member of the American Legion, Wyandotte Rotary Club, Wyandotte Boat Club and on the Executive Board of the National Soft Drink Association.

Kreger resides at 1562 13th Street, Wyandotte. He succeeds Eugene J. Ellison, who previously served as Treasurer.

The Authority is composed of seven members, with five representatives, each appointed to a six-year term by the County Board of Commissioners to represent the county they serve and in which they reside (covering the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne); and two commissioners who represent the district-at-large, each appointed to a four-year term by the Governor of Michigan.

Other Commissioners include: Livingston County - Charles H. Sutton, of Howell; Macomb - Thomas

S. Welsh, of St. Clair Shores; and Washtenaw - Vacant and awaiting an appointment to replace the late Herbert L. Frisinger, of Ann Arbor, who died in March of this year.

It's Official:

Summer's Here

Summer officially began on Father's Day (June 21) this year, giving fathers the most daylight hours of any day in the year to enjoy themselves.

At 2:43 p.m. Michigan time (3:43 p.m. EDT) on Sunday the sun will reach summer solstice, its most northerly point and most direct position over the northern hemisphere, notes University of Michigan astronomer Hazel M. Losh.

The event was marked by a 15-hour day and 9-hour night, the longest day and shortest night of the year.

"We also received the most solar heat in any 24-hour period of the year on Sunday," Professor Losh said. But, she adds, "we probably won't get our hottest day for another month or more. This is because the earth will continue to receive more solar heat than it gives off at night until about August 1, when intake and output become equal."

In the meantime, the earth's atmosphere will act like a blanket for the heat. Temperatures should keep soaring until the end of July.

Professor Losh noted that the earth is about 3 million miles farther from the sun during our summers than during the winters. This makes our seasons a bit milder than those in the southern hemisphere. And, because the earth moves a little slower in its orbit around the sun during our summers, we enjoy slightly longer summers than winters.

Seek State Aid Earlier in Year

Michigan House of Representatives has approved a bill sponsored by State Representative Marvin R. Stempien (D-Livonia-Northville) to give all public school districts the greatest share of their state aid payments in the first half of the school year when they need it most.

The Stempien bill passed on June 9, 1970 by a 72 to 21 vote and was sent to the Senate where favorable action is expected.

Presently, local schools receive their annual state aid allotment in six equal parts on August 1, October 1, December 1, February 1, April 1 and June 1.

"Unfortunately," Stempien pointed out, "the expenses of the local schools are front-ended. Public schools have a greater need for money in the first half of the school year than they do in the second half. Often, the school district will run short of money early in the fall of the year and have to borrow against their anticipated school aid payments."

Camera Repair Offered in Salem

This area finally has a place to go if you have a camera in need of repair.

John Wolding, an April graduate with highest honors from National Camera Repair School in Englewood, Colorado, has opened just such a shop in his basement. The "Photographic Shutter Shop" is located at 5178 Seven Mile Road, just a mile west of Pontiac Trail in Salem Township.

Wolding, who says he is, as a photo-technologist, trained to repair some 1,500 brands and lines of cameras and projectors, has been accepting repair work through Spencers Drug Store in South Lyon. He may be called for an appointment at 437-2890.

Currently employed by Ford Motor Company, Wolding says he hopes to devote increasing amounts of time to photographic equipment repair as he increases his clientele.

# from the Pastor's Study

## To Be Or Not to Be

James F. Andrews  
General Pastor  
Full Salvation Union-Northville

What is the difference between "personal convictions" and truth which must be universally accepted by all those who would be saved (from error)? How can God's elect tell the difference when they hear the different views and ideas advocated by various religious groups or individuals?

Who is truly trusting God? Is it the person who is constantly insisting that his views must be accepted in order to be saved, or is it the person who depends on God to build the house and who recognizes that no scripture is of any private interpretation.

For example: those who are constantly advocating "victory in Vietnam." Do they desire God's understanding of victory or their own understanding as to what they THINK God's understanding of victory in Vietnam is?

The man who truly trusts in God is the one who is willing to lay down his life for his brother. This means he is willing to lay down his own personal

conviction of truth in that type of sacrifice that the understanding of God may be born in a many-membered Body of Christ made literally manifest in this earth.

Who will come up to the help of God against the mighty in this regard? Who is able to be baptized with the same baptism that Christ was baptized with, to the end that the body be born? No wonder that Jesus, upon seeing this reality, said, "Nevertheless when the Son of Man cometh in His Kingdom today shall He find faith on the earth?" Will he find anyone who will surrender to God without a mental reservation?

"To be or not to be—that is the question?"

God's elect know that in order to save their lives in the Body of Christ they must lose it in the realm of their own personal convictions of truth.

In this process, we have the law that brings us to Christ. Without law we would be in utter confusion and anarchy until we come to "The

Christ", until "The Christ" is made manifest in the earth as a literal fact.

All efforts to substitute your law (your personal convictions) for the other man's law (his personal convictions) only adds to the confusion that already exists and builds against the things we destroy.

There is room for dissent and for counsel within the orderly, established process of law in this great country. We should thank God that such is true and urge all our citizens to truly trust in God rather than in their own understanding as to what it means to trust in God.

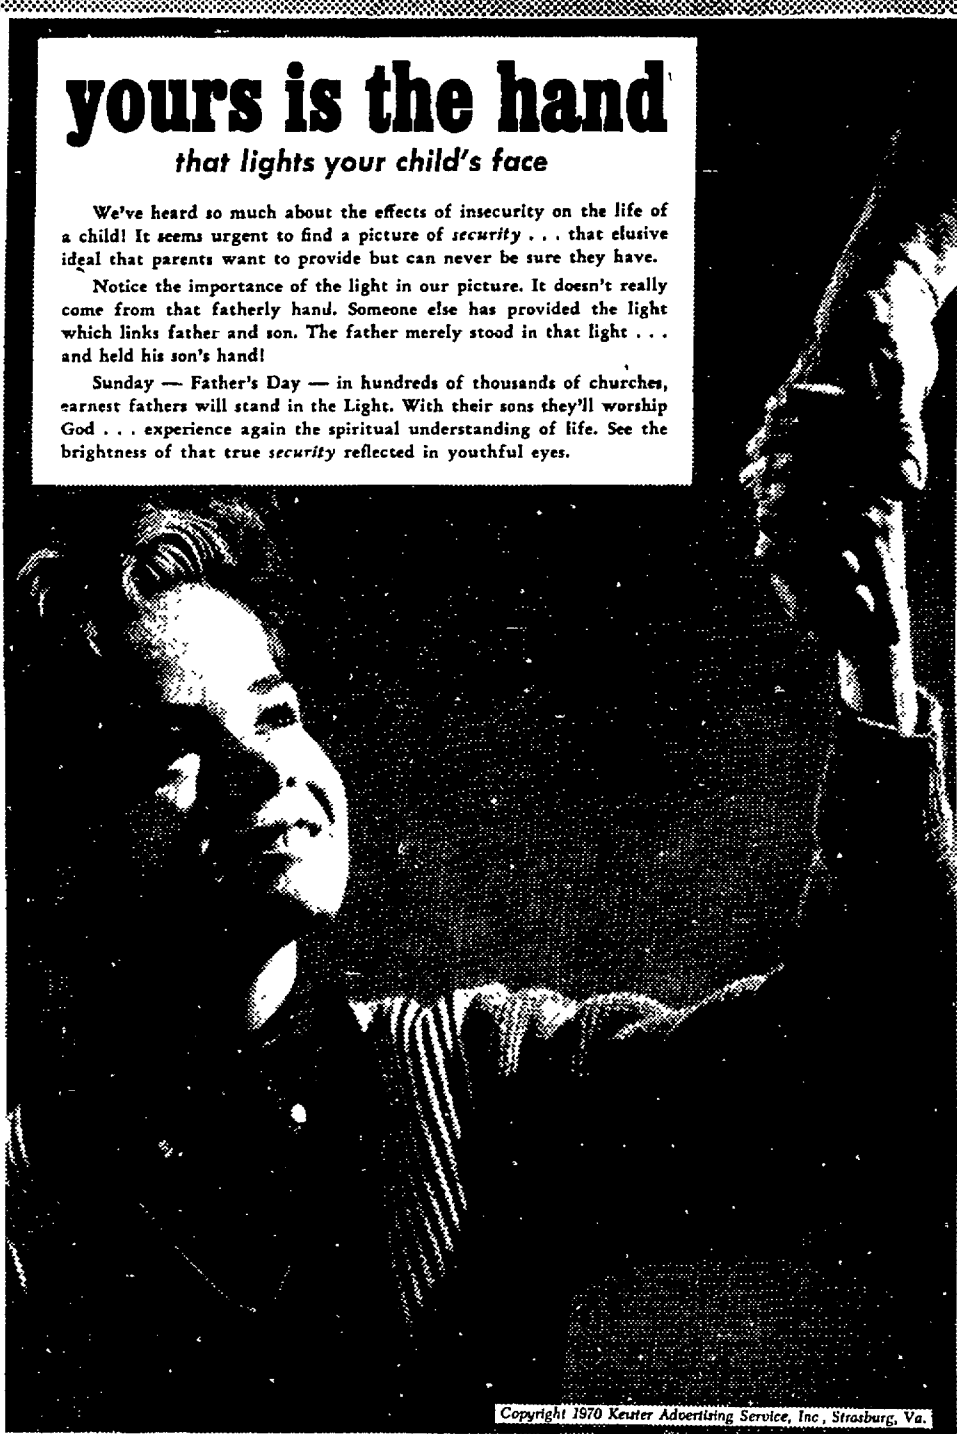

Right shall prevail as we are willing to follow Christ's example and lay down our own life for the Brethren. Only in this spirit can we go forward today. In the past God has winked at our ignorance and allowed kingdoms of men to divide our political and religious world, but now He commands all men everywhere to repent that the Kingdom of God may come and His will be done in earth as it is in Heaven.

## yours is the hand that lights your child's face

We've heard so much about the effects of insecurity on the life of a child! It seems urgent to find a picture of security... that elusive ideal that parents want to provide but can never be sure they have.

Notice the importance of the light in our picture. It doesn't really come from that fatherly hand. Someone else has provided the light which links father and son. The father merely stood in that light... and held his son's hand!

Sunday — Father's Day — in hundreds of thousands of churches, earnest fathers will stand in the Light. With their sons they'll worship God... experience again the spiritual understanding of life. See the brightness of that true security reflected in youthful eyes.

## Babson Report

### Fortune May Smile on Utility

BABSON'S REPORTS INC., Wellesley Hills, Mass. — This year could well see a change in the fortunes of the profits-starved electric utility industry, with consequent renewal of investor confidence in the group. A more liberal attitude on electric rates on the part of the regulatory agencies and a possible easing of inflationary pressures could result in a resumption of the historically favorable pattern of earnings growth for the industry. There is no question as to demand for electric power; the yardstick of doubling sales each decade should again be easily reached in the 1970's. Greater use of electrical appliances is certain, and the market for home heating is still virtually untapped.

AS SALES of electricity increase, generating capacity obviously must also increase. Utilities normally operate with a margin of capacity available for peak loads. On the hottest summer day, for instance, when thousands of air conditioners are operating, the overload could easily result in power brownouts or blackouts if sufficient capacity is not available. Over the years this safety margin of capacity has shrunk so that the electric companies are, so to speak, running faster and faster just to hold their place on the treadmill.

One solution to providing a large reserve capacity would be nuclear generating stations. But the lead time for construction of these giant units is steadily widening, and many utilities have

been forced to abandon nuclear plans in favor of the more quickly built coal — or oil — fired stations. Lately, therefore, the number of planned starts for nuclear power stations has actually been on the decrease.

ANOTHER problem in which utilities have a large share is anti-pollution. Power generation involves burning fuels that produce air pollutants, mainly sulphur dioxide. Use of low-sulphur-content fuels is now, or soon will be, mandatory in much of the country. Yet to convert plants to the more costly low-sulphur fuels is an expensive proposition, as are precipitators to remove particles from the air.

Thermal pollution of water is another factor to which utilities are sensitive. To a large degree this question often controls plant location. Utilities also find that today they are faced with a not-so-silent majority of citizens concerned with the environment and its aesthetic quality. A high voltage transmission line is admittedly far from a thing of beauty; but again, the alternative is "undergrounding" the line at prohibitive cost. Environmental concern is making plant location a community decision rather than a corporate matter, meaning a great deal more time consumed in the process.

AS FOR COAL, this country has reserves enough for many years to come, but low-sulphur coal is in short supply and is relatively expensive. And the coal mining industry is under pressure from several directions. When nuclear generation of power seemed assured, few new coal mines were developed and coal mining itself lost much appeal as

## Michigan Mirror

### Anti-Measles Campaign's A Success

LANSING — STATE HEALTH OFFICIALS say the massive measles vaccination campaign they carried out last winter and spring was successful

in stamping out a threatening measles epidemic in Michigan.

An estimated 600,000 kindergarten through third grade school children, normally key spreaders of the disease, were immunized during the campaign.

State Health Director Maurice S. Reizen said as a result "the rubella epidemic has been aborted in Michigan."

"The stage is set for our continuing rebella vaccination program aimed at ensuring that rubella will never occur in epidemic form again," he said.

SUCCESS OF THE IMMUNIZATION program has saved "many Michigan babies" from severe crippling birth defects which can occur when rubella hits a mother in the early months of pregnancy, says Reizen.

For many years rubella, also known as German Measles, was regarded as a mild disease. But in the 1940's research revealed it as a major cause of birth defects.

In the past, rubella epidemics have swept the nation every six to nine years. The last U.S. epidemic resulted in killing or crippling an estimated 50,000 unborn babies

whose mothers contracted the disease.

Reizen said Michigan "is among a handful of states in the vanguard of the attack on the disease."

APPROXIMATELY 50 Michigan families have husbands, sons or brothers who are believed to be prisoners of war in North Vietnam.

They are part of a total of some 1,500 or more men who apparently are prisoners of the North Vietnamese.

The word apparently is used because virtually nothing is known about the condition of these men or even whether they are alive.

To focus attention on the plight of these men and their families, Gov. William G. Milliken

recently proclaimed a "prisoner of war week" in Michigan.

THE PROCLAMATION was the result of the efforts of a Mount Clemens woman whose husband is a prisoner of war in North Vietnam.

Major Donald Odell was shot down over North Vietnam in October of 1967. His wife, Shirley, did not know his fate for more than 14 months.

Finally, just before Christmas last year, she received a very brief letter from him which told her he was at least alive.

Her experience, Milliken said, "is tragically typical of the situation."

"CAN YOU IMAGINE having some relative or friend who has disappeared some place in the jungles of Vietnam and is missing?" Milliken asked.

"He may be dead or seriously wounded. He may be a prisoner of war of the North Vietnamese. But the terrible burden of not knowing whether he was in pain or being mistreated or dead would be an enormous emotional burden for someone to bear 24 hours of every day.

"One of the primary causes for concern is that so little is known about loved ones who may be extremely ill or seriously wounded."

MILLIKEN urged all Michigan residents to write to the North Vietnamese government to urge that it treat prisoners humanely and allow the prisoners to correspond with their families.

"It might help the situation if the people of Michigan all expressed concern that those prisoners be given decent treatment and that their families be notified about their condition," he said.

"I feel this might be accomplished if enough people notify the Hanoi government in North Vietnam of their deep desire for improved treatment," he said. "We ask that people in Michigan, alone or in community groups, express their concern for the men missing and captive."

## Out of the Horse's Mouth

Send your comments, questions, and horse show news to "Horse's Mouth", care of South Lyon Herald, South Lyon, Michigan 48178.

Dear Sally Saddle:  
I have noticed some bumps along the jaw bone of my four-year old mare and I wondered if this could have anything to do with her teeth? Also do horses lose their teeth and at what age does this occur?

Yes, horses have two sets of teeth. The first set is referred to by the names "baby", "milk", "temporary", or "deciduous". These are replaced during the period of growth by the second set known as the permanent teeth.

Classification of teeth is based on their form and position. The front teeth are called middle incisors. These erupt at birth or from the first week to ten days. At about two and one half years of age these are replaced by the permanent middle incisors.

The next pair — lateral to the middle incisors — are called the intermediates. They first erupt between four and eight weeks and are replaced with permanent teeth at three and a half years.

The third and outside pair are called the corner incisors, they erupt between six and nine months and are replaced with the permanent teeth at four and one half years.

As to your noticing bumps on a four year old's jaw bone. They are teeth; that's right, they're the permanent incisors moving into position and the lump on the jaw bone should disappear by the time the horse reaches its fifth birthday, when the tooth moves up into position.

The permanent incisors will be full grown six months after eruption; hence at five years of age a horse should have a full mouth.

The canine teeth, also referred to as tusches or tusks, are located in the interdental space between the incisors

and molars. Usually these canine teeth erupt around four to five years of age. Mares may or may not have these teeth or sometimes they may get them only on one jaw rather than both.

The molars or the large back teeth are sometimes called grinders. The horse has 12 molars. Since these molars do not wear down evenly but become very sharp on the edges, it is very important that at least once a year a horse's mouth, especially the molars, be checked by a veterinarian.

If he should find sharp caps on the teeth the "vet" will then float the teeth. "Floating" the teeth is the name given for the process of filing away the sharp points.

The number of teeth in the upper jaw may be increased by the presence of so-called "wolf" teeth. Such teeth are much-reduced vestiges of teeth, situated just in front of the first well-developed premolar. There is one on each side of the upper jaw. Often

these teeth are not more than half or three quarters of an inch in length. They may erupt during the first six months and be shed about the same time as the milk teeth behind them. They may remain, however, indefinitely. Veterinarians sometimes advise pulling "wolf" teeth, especially in the case of a driving horse when an over-check bit will be used.

A green mouth is any mouth which features all or some "temporary" incisors.

A full mouth is one which features all permanent incisors.

A smooth mouth is the term applied when horses are ten years old or older.

## Campaign Trail

Continued from Page 1-B

for the 26th District, who entered the race at the urging of State Senator Kuhn and "Republican leaders," said.

"The county government receives a substantial portion of the local property taxes. I feel that it is of vital importance to have an individual who is very experienced in county government represent our district and that is the primary reason why I am running for this office."

\*\*\*\*\*

In seeking the Oakland County commissioner post in District 27, Democrat William T. Roberts charged that the incumbent commissioner, Lew Coy, "has not been responsive to the needs of his constituency or the county. We must establish new priorities, placing road, crime prevention and drug abuse, above airport development, etc... He has not kept liaison with his constituents."

"If elected I will commit myself to work for the establishment of the priorities and to create local county offices in Southwest Oakland County that will be available and responsive to my district."

Hi...

I'm Reese Lamb, Michigan's Truck Driver of the Year.

I'd like to ask you a favor.

Keep your cool driving on the hot Fourth of July.

The highways will be crowded...traffic may move like a snail...and tempers may flare.

Don't let a hot temper cause you to blow your stack.

When your stack blows...your patience goes...And you may be heading for trouble.

This is how accident statistics are made.

You don't have to be one if you keep your cool. So keep your cool on the hot Fourth of July.

If more people do...fewer will die.

ADV.
