## Named City Attorney Again

# Ogilvie Gets Old Post

To the surprise of no one Philip R. Ogilvie was named by the Northville city council Monday night to succeed Marvin Stempien as city attorney.

Stempien becomes a state legislator representing Northville and Livonia on January 1. Ogilvie will bow out as municipal judge on the same date when the new district court system comes into being.

From the time of city incorporation in 1955 until July 1, 1967 Ogilvie served as Northville's city attorney. At that time the council appointed Ogilvie to the municipal judgeship which had been vacated by Charles McDonald.

Stempien, a Livonia attorney who had lost his seat in the house of representatives to Republican Louis Schmidt, was named to succeed Ogilvie.

Now the procedure is reversed. Stempien defeated Schmidt in a rematch and is Lansing bound. Officially, Ogilvie will take over for Stempien on January 1.

For two years prior to city incorporation Ogilvie served as village attorney for Northville. He moved to the community in 1950 following graduation from the Detroit College of Law in 1949. Ogilvie maintains law offices at 162 East Main Street.

During his 18-month term as municipal judge Ogilvie established a probation department that is destined to serve as a model for the new district court area of Northville-Plymouth-Canton.

In naming Ogilvie the council approved an increase to \$6,000 per year for the position.

Stempien brings Ogilvie up to date on city's legal matters.

## Winter Tax Bill Nearly \$2 Million

Don't panic but one of those letters you received this week or last was a winter tax bill requiring a bigger than ever share of your pocketbook.

Altogether, city and township property owners will pay winter taxes totalling \$1,949,902.

Biggest chunk of the 1968 winter taxes is for schools, with the remainder going for township, county and Schoolcraft College.

Total taxes for Northville schools is up \$228,292, from \$1,416,178 in 1967 to \$1,644,470 this year. Of the 1968 total, \$1,294,581 (or 25.9 mills) is for operation and \$349,889 (or 7 mills) is for debt.

The school increase results from a larger equalized valuation of the district, which is up \$6,828,966 from \$43,044,944 in 1967 to \$49,873,910 this year.

In the city of Northville where nearly 2,000 tax bills were mailed out, the total collectable tax dollar is \$828,110 based upon a total assessed valuation of \$19,855,310. Of this total valuation, \$13,654,690 represents real and personal value in the Wayne County portion of the city, \$6,200,620 in the Oakland County portion.

The total 1968 assessed valuation of the city is up from \$18,909,810 last year.

None of these winter tax dollars is paid into city coffers, however, since city taxes are levied in the summer. The city merely acts as the collection agency for school, county, and Schoolcraft taxes for the winter levy.

Close to 2,000 bills also are being mailed in Northville Township, but Wayne County officials had not yet released official taxing figures Monday, according to Township Treasurer Alex Lawrence.

Pending receipt of the official figures, Lawrence released the following unofficial data:

Total assessed valuations of township property in the Northville and Plymouth school districts is \$23,423,020 and \$2,667,300, respectively, or \$26,090,320 combined — up significantly from the 1967 figure of \$20,326,520.

The total collectable taxes in the Northville School District portion of the township is \$1,011,340 and in the Plymouth School District portion, \$110,452.

Millage rates in the township are:

Township, 1.01 mill; county, 7.17; schools 33.23 (Northville) and 31.41 (Plymouth); and Schoolcraft Community College, 1.78.

In the city they are:

(Wayne County portion) — county, 7.17; schools, 33.21; and Schoolcraft, 1.78.

(Oakland County portion) — county, 5.72 schools, 33.21; and Schoolcraft, 1.78.

The above figures include an excess of roll factor, thus accounting for the difference in school millage within the district.

Since neither the city nor the township has an equalization factor this year, a taxpayer need only multiply his local assessments times the various millage rates to double check his tax bill.

Taxes are payable, without penalty, through February 14 — so happy Valentine's Day!

## For Northville-Plymouth

# Women Plan Voter League

Plans for formation of a Northville-Plymouth League of Women Voters were disclosed this week by two Northville women who are active in Leagues in other communities.

A meeting for interested area women has been scheduled for 7:30 p.m. Monday at the Plymouth home of Mrs. William McAninch, 539 South Sheldon Road.

Conducting the meeting will be several LWV members now living in Plymouth and Northville. Guest speaker for the occasion will be Mrs. Robert Rottman, field service director for the LWV of Michigan.

Mrs. Rottman will outline the requirements for starting a local League and discuss the voters' service activities which a local League can provide the community. These include preparation of voters guides, conducting candidates' meetings, and sponsoring forums on various local issues.

Announcing plans for the joint community organization and the Monday meeting were Mrs. John Federspill and Mrs. Joel Rowley, both of Northville. Mrs. Federspill is past president and still member of the Livonia League, and Mrs. Rowley is a member of the board of directors with the Birmingham-Bloomfield League and was instrumental in organizing the Benton Harbor-St. Joseph League.

An unsuccessful attempt was made two years ago by Mrs. Earle McIntosh to start a League in Northville, but women were "over-committed" at the time and the organization never got off the ground.

The League of Women Voters is a national, non-partisan organization devoted to promoting citizen participation in government, the two women explained.

"Presently, there are 39 local Leagues in Michigan, all of which schedule regular meetings for their

memberships on such topics as the electoral college, water resources, U.S. relations with China, Michigan courts and a variety of local governmental problems and issues," they said.

Activities of the League are divided into two distinct categories: voter service, involving questioning of candidates, sponsorship of public forums, and distribution of a voters guide; and the study of vital issues followed by recommendations based upon the consensus of the membership's opinions.

The League does not support candidates, but rather publicizes their qualifications and answers to specific questions. It does, however, take stands on national, state and local issues.

First order of business at Monday's meeting probably will be the appointment of a temporary chairman and the drawing up of a slate of candidates for League office. Voting will take place at a future meeting, and "incidentally," the women pointed out, "future meetings also will be held in Northville."

First project of any new League is a "Know Your Town" study by members, who then publish their findings about the makeup of the community and its government and make it available to citizens — especially newcomers to the community.

Membership in the proposed League is open to all women citizens of Northville and Plymouth (Novi women also are invited to participate), 21 years of age or older. A roster of 45 paid members is necessary for organization. Dues are a minimum of \$7.50 per person annually.

Arrangements for transportation to Monday's meeting are being handled by the two Northville women, who may be contacted at 349-2220 (Mrs. Federspill) or 349-5614 (Mrs. Rowley).

**HAPPINESS IS SANTA**—Jennifer Reagan beams happily but shyly as she tells Santa what to bring her for Christmas. Jennifer lives at 47787 Eight Mile Road and Santa resides in the trailer in the Main Street parking lot across from P&A Theatre when he is not at the North Pole. Santa (Dale North) is available to talk to boys and girls from 10 a.m. to 1 p.m. and 3 p.m. to 9 p.m. Fridays and 10 a.m. to 9 p.m. Saturdays until December 15 after which he will be welcoming his little visitors from 10 a.m. to 4 p.m. and 6 p.m. to 9 p.m. every day until Christmas.

## Lost by 50 Votes

# Lahti Calls For Recount

An "error" that sliced his losing margin to 50 votes has prompted R. W. Lahti of Wixom, unsuccessful candidate for Oakland County District 27 supervisor in the November 5 election, to petition for a recount.

Results of the recount is expected to be known within two or three weeks.

Democrat Lahti, a veteran Wixom councilman, had been informed earlier that he had lost out to Lew L. Coy, a Wixom Republican, by the unofficial count of 150 votes — 5,451 to 5,601. Two weeks ago, however, he learned that the Oakland County Board of Canvassers had discovered a 100-vote error in tabulation of the totals from each of the 12 precincts in the district, which reduced the margin to 5,551-5,601.

Precincts in Northville, Novi, Wixom, Lyon and South Lyon are among the 12 in the district.

A spokesman in the county clerk's office told this newspaper that the "error didn't happen in any of the precincts but when the votes were transmitted to the county. Actually, the official vote was correct."

The recount, the county spokesman said, must await a decision at the state level on whether or not a recount also will be requested on the daylight savings proposition that appeared on the November ballot.

Recounting usually involves both checking of machines at the precinct level and retabulation of absentee ballots.

In petitioning for a recount, the candidate must express in writing that he either feels an error could have occurred or that he believes fraud is involved.

"In my case," said Lahti, "I've denied any allegation of fraud. I just think that in the confusion of the election, what with the new office, new district, and the new counting device

used in some places that an error could have occurred."

Lahti said he "learned indirectly from a politically active person" about the 100-vote error turned up by the board of canvassers and was "urged by friends" to seek the recount because of the closeness of the vote.

Specifically, Lahti has petitioned for a recount in those precincts in which he lost — including Northville, Precinct 1 of Novi, Lyon Township, and South Lyon.

These six and their vote tallies include: Northville No. 3, 391-538; Novi No. 1, 579-756; Lyon Township, 553-665; South Lyon, 357-403; Commerce No. 5, 524-538; and Commerce No. 6, 75-104.

Those six in which he won and their vote totals were:

Commerce No. 2, 634-529; Commerce No. 3, 460-386; Commerce No. 4, 417-378 (Commerce No. 1 is not located within the 27th supervisor district); Novi No. 2, 558-527; Walled Lake, 622-484; and Wixom, 381-293.

Northville Precinct 3, is located in the Oakland County portion of the city — north of Base Line, and Novi Precinct 2 is roughly located north of Grand River.

## City Plans Project Tour

Something new is being added to the annual routine of the Northville city council.

It's called "city facilities and project tour".

The first tour will be conducted Sunday afternoon, December 15. City Manager Frank Ollendorff, DPW Director Bud Hartner and Engineer Harold Penn will be the hosts. Guests will be the city council and a selected list of community leaders.

Purpose of the tour will be to point out firsthand to the council and other officials what has been

accomplished during the past year, and what's underway or planned for the future.

Among the projects slated for visiting will be the fish hatchery and other proposed recreation sites, the CBD area, the dump and public works' garage, sewer installations, street improvements, bridges, cemeteries and subdivision projects underway.

"We think the tour will give the council and other interested board and commission members a better idea of what's underway and what is planned," explained Manager Ollendorff.

## Board, VIP Committee Get Acquainted

Boomeranging was the name of the game as members of the Northville Board of Education squared off with its new VIP Committee for the first time Monday night.

Living up to the ground rules, citizens composing the new committee fired questions at the board, requested financial data, and tossed in a few salty complaints about the board to boot.

But board members were delighted.

Their purpose in naming some 40 representative citizens to the committee was to establish a sounding board of public opinion against which they can weigh their own future decisions.

And that's what they got Monday, although initial interaction between the two sides was guarded.

Most of this first meeting was spent discussing the ground rules and, although committee members themselves were not in accord on how future meetings should proceed, it was a general consensus that the committee should examine school problems and

express their opinions candidly as a committee of the whole and not as subcommittees studying specific

problems.

Second meeting between the board and the committee was set for January

21 at which time discussion is expected to zero in on financial problems and their causes.

FIRST SESSION—School board and citizens committee talk about problems.

# Northville Woman Earns Doctorate

Carol Lynne Geake, 48525 West Eight Mile, will receive the Doctor of

MRS. CAROL GEAKE

Veterinary Medicine degree at Michigan State University this week.

A 1959 graduate of Ottawa Hills (Grand Rapids) High School, where she was co-winner of Grand Rapids' first science fair, she also holds B.S. and M.S. degrees in zoology from the University of Michigan.

Mrs. Geake completed the entire 11 terms of classwork and field experience by commuting daily to East Lansing from Northville. At home, she found time for studying in addition to keeping house and serving as foster mother for a succession of children referred by social agencies for temporary home care.

One of only five women in a graduating class of 47, Mrs. Geake maintained a B average and was elected to Phi Zeta, national professional honorary society.

After graduation she will be associated with Dr. Marion K. Weberlein at the Plymouth Veterinary Hospital. She is the daughter of Mr. and Mrs. J. Edward Rens of Grand Rapids, and the wife of Northville psychologist Dr. Robert Geake.

## Novi Girl Gets Scholarship

Twenty students, including one from Novi, have been awarded Hillsdale Student Federation Scholarships for the present semester. The scholarships are supplied by the Student Federation, the student governing body, and are awarded on the basis of academic achievement, participation in co-curricular activities and campus citizenship.

Awardees include Lynn A. MacDermid, the daughter of Mr. and Mrs. William MacDermid of 44050 Stassen Street. She is a graduate of Northville High School.

IRENE ENGEL

Mr. and Mrs. Harvey Engel, 55245 West Eight Mile Road, announce the engagement of their daughter, Irene Elizabeth, to Lee Alan Minehart, son of Mr. and Mrs. Ralph Minehart of Plymouth.

The bride-elect is a 1963 graduate of Northville High School and a 1964 graduate of Alexandra School of Cosmetology. Her fiancé is a 1963 graduate of Plymouth High School and served in Vietnam with the U.S. Army. Both are employed presently at Western Electric in Plymouth.

A March 1 wedding is planned.

## Northern Lites Plan Potluck

Northern Lites Family Living Study Group will meet for a potluck dinner and Christmas party at 6:30 p.m. Monday at the home of Mrs. William Brown, 200 Rayson Street.

In addition to their own table service members are reminded to bring a handmade gift for an exchange.

PATRICIA VITELLO

## Announce Engagements

From Arlington, Massachusetts, comes the announcement of the engagement of Patricia Christine Vitello to William Michael Davis, made by her parents, Mr. and Mrs. Joseph Vitello, Jr. Her fiancé is the son of Mr. and Mrs. William E. Davis, 719 West Main Street.

The bride-elect was graduated from Medford (Massachusetts) High School in 1966 and attended Boston University for two years as a liberal arts student. She now is working toward an art degree at BU night school.

Her fiancé was graduated from Phillips Academy, Andover, in 1966, and attended Repton School, Repton, England, as an English Speaking Union scholar. He now is a sophomore at Wesleyan University in Middletown, Connecticut, where he is majoring in religious studies.

The couple plans a January 19 wedding and will live in Middletown.

## BIRTHS

Mr. and Mrs. Gary Green of Springfield, Massachusetts, announce the Thanksgiving Day birth of their first child — a son, Clifton Geoffrey.

Grandparents are Dr. and Mrs. Douglas Green of Burlington, Vermont, and Mrs. Beatrice Plamondon of 973 Allen Drive.

Mr. and Mrs. Larry W. Morse of Westland announce the birth of their second son, Curt Allen, November 19 at Garden City Osteopathic Hospital. The baby weighed eight pounds, fifteen ounces at birth.

He joins a four-year-old brother, Larry Wayne, at home. Grandparents are Mr. and Mrs. George Morse of Westland and Mr. and Mrs. Lloyd H. Moore, Sr., 660 Horton.

Novi Police Corporal and Mrs. Gordon Nelson announce the birth of a daughter, Mia Lynn, November 23. She weighed nine pounds, one ounce at birth.

The baby joins four other Nelson children at home.

# In Our Town

By JEAN DAY

**CHRISTMAS CHALK TALKS** will be given for members of the Northville Branch, Woman's National Farm and Garden Association, by Arthur Sinclair at a holiday dessert-tea meeting at 12:30 p.m. Monday at the home of Mrs. George Kohs, 473 West Cady Street.

The Detroit artist — famous for the imaginative chalk talks he has presented for 30 seasons — studied at the Chicago Institute of Arts and has worked in various fields. He edited an outstanding industrial magazine.

The greens will be up in Mrs. Kohs' large, white Victorian home that lends itself so well to old-fashioned decorations in traditional reds and greens. This year, Mrs. Kohs confides, she plans to add deep pink decorations to contrast with the wine red velvet draperies that are on order, hopefully to be delivered in time for the meeting — and at the latest by Christmas.

Mrs. Orson Atchinson is hostess chairman for the day, assisted by Mrs. Charles Ely, Mrs. Howard Whipple and Mrs. Warner Krause.

**NORTHVILLE MOTHERS' Club** will hold its annual Christmas potluck at 6:30 p.m. Monday at the home of Mrs. H. O. Evans, 20311 Woodhill Road. The club continues its tradition of honoring life members at this meeting, and Mrs. Cass Hoffman, president, is issuing a special invitation to all lifetime members in town to attend. When many come, she said, it adds to the nostalgia of the evening.

Mrs. William Davis is potluck chairman, assisted by Mrs. George Zerbel, Mrs. Stuart Campbell and Mrs. Glenn Deibert.

"WHAT IS FASHION?" — the talk by the J. L. Hudson Company's fashion coordinator, Miss Virginia Papson, before Northville Woman's Club members and guests at 1:30 p.m. Friday in the fellowship hall of the Presbyterian church — promises to give one of the first glimpses of what's ahead for spring.

For this reason alone it is certain to bring out the club

membership. Also, it is one of the very few such programs presented by Hudson's, one of the country's foremost department stores and a Detroit institution.

Miss Papson, who works with Miss Madelyn Coe, Hudson's fashion director, also will bring slides of holiday fashions as well as fabric and color sample projections for spring. She came to Detroit a year ago from Cleveland.

Her Northville appearance is the result of the happy fact that a club member, Mrs. William Davis, has been serving with Mrs. Gordon Forrer on Hudson's Westland Advisory Committee.

The committee of 10 women from Plymouth, Ann Arbor, Garden City, Wayne and Northville was formed two years ago by Westland manager, Joseph McHugh. At monthly meetings over lunch the committee, says McHugh, "helps us do a better job in community relations, shops the store and tells us if we have the right stock."

He praised the contributions of Mrs. Davis and Mrs. Forrer. Recently, he explained, committee members have been filling out questionnaires for the store. At last month's meeting, attended by Margie Davis, the committee toured the store's warehouse operations and viewed the candy kitchen after lunching at Meadowbrook Country Club.

The Westland committee was formed of heads of representative clubs in the areas included, McHugh explains. Both Mrs. Davis and Mrs. Forrer are Northville Mothers' Club representatives.

**BASE LINE QUESTERS** fashioned wreaths of brown pine cones of a dozen different sizes at their annual holiday workshop (the November meeting) a week ago Monday at the Nine Mile Road home of Mrs. Robert Bretz.

Mrs. Leonard Klein, chairman of the project, brought quantities of the assorted pine cones from Northern Michigan and instructed members on wiring them into wreaths. Popularity of this hand craft (which does necessitate sore fingers) is so great that the meeting had almost a 100 per cent attendance.

## 'Fun' Talent Joins Seven Area Teens

Seven young area girls who have been baton twirling from one to three years will have tangible evidence of their proficiency shortly when their blue velvet uniforms arrive.

Their teacher, Shirley Ann Thomas of Plymouth, a freshman at Schoolcraft College, had promised the girls the uniforms would be ordered when they mastered two complete routines — which they have. Some also already have entered twirling competitions in Michigan and Ohio and have participated in parades.

Performing as "Shirley's Sophisticats" are Diane Pitak, Paula Caracciolo, Sue Bergin, Mary Jo Doheny, Kay Doheny, Cindy Chisholm and Judy Bell.

The girls have weekly lessons with their teacher, a champion twirler. They won an honorable mention in the Novi Fourth of July parade.

Sue Bergin won second place

awards in twirling and strutting in Ohio competition and in Michigan competition in Ida, won first place awards in both. In two 1967 competitions she was recipient of the trophy for "most outstanding twirler." In summer competitions this year Paula Caracciolo was first runner-up for outstanding majorette. Both have been twirling for a year and a half.

Cindy Chisholm has been named a majorette for the South Lyon junior high school band for the coming year. Judy Bell, Diane Pitak and Paula Caracciolo all plan to enter talent competitions with their batons next year.

Mary Jo and Kay Doheny each won a medal in talent shows this past year.

They also have entertained at area convalescent homes in Christmas programs.

Definitely a "fun" talent, the young twirlers comment that they "love baton twirling" and encourage young teens to join them.

# Wedding Bells Ring for Two Couples

## Casola-McCarthy

Leah Rose McCarthy, daughter of Mr. and Mrs. Lawrence McCarthy, 19450 Clement Road, exchanged marriage vows with Alfredo Casola in a nuptial High Mass November 16 at Our Lady of Victory Church.

The bridegroom is the son of Mrs. Lelio Casola of Lansing. Their home formerly was in Havana, Cuba.

The bride's long-sleeved peau de soie gown was fashioned in a simple A-line without adornment. Her Spanish lace mantilla was patterned with floral medallions and extended into a full train.

A colonial bouquet of roses and carnations topped her paternal great-grandmother's prayerbook of deep purple velvet, which she carried as she was given in marriage by her father at the altar decorated with white gladioli and ferns. The Reverend Father Eduardo Lorenzo officiated.

Miss Frances Tucker of Livonia was honor maid. Bridesmaids were Mrs. Joseph Slowik of Plymouth and Paula Mezynski of Lansing. They wore long-sleeved, floor-length dresses of

soft pink silk linen and shoulder-length pink lace mantillas.

Best man was Louis Felix Hernandez. Seating the 150 wedding guests from West Virginia, Lansing, Kalamazoo, Birmingham, Detroit, Mt Clemens, Novi and Northville were Manuel Arce, Raoul Iribaren and Richard McCarthy.

A reception at Botsford Inn followed the late afternoon ceremony. The bride's mother greeted guests in a champagne silk suit ensemble. The bridegroom's mother wore an avocado green chiffon-and-satin gown.

The bride changed to an emerald green satin ensemble for her wedding trip to Canada.

The newlyweds now are making their home in White Hall Manor apartments, Okemos, Michigan, while the bridegroom is completing his senior year at Michigan State University where he is majoring in social science education. The new Mrs. Casola is a social science graduate of MSU and is employed on the social work staff at the Plymouth State Home.

## Tripp-Cogsdill

A wedding trip to the Smoky Mountains and Gatlinburg, Tennessee, followed the fall marriage of Christy Lee Cogsdill, daughter of Mr. and Mrs. Glen Cogsdill, 47238 Chigwidden Drive, and John Erwin Tripp, Jr. He is the son of Mr. and Mrs. John Tripp, Sr., of Plymouth.

The couple exchanged vows in a double ring ceremony September 28 at the Livonia Church of Jesus Christ of the Latter Day Saints.

The bride's gown of peau de soie was fashioned with bodice and sleeves of chantilly lace. Her chapel train also was chantilly lace. A beaded floral headpiece held her veil of illusion. Her bouquet of white carnations was centered with yellow roses.

Mrs. Cameron Cogsdill was matron of honor, and Linda and Paula Tripp were bridesmaid and junior bridesmaid respectively. Their floor-length gowns of yellow embossed taffeta were square necked and sleeveless with full back-panels. They carried yellow roses

and white carnations. Terri Knope as flower girl wore a floor-length mint-green dress with white lace trim. She carried a basket of flowers.

Kevin Tolman was best man. Ushers were Steve Cook and Cameron Cogsdill. Matthew Tripp was ring bearer.

Carolyn Tripp was organist at the afternoon ceremony, and Jane Weaver was soloist.

For the wedding and reception following in the cultural hall of the church the bride's mother wore a pink lace dress with deeper pink corsage. The bridegroom's mother chose a peacock blue lace dress with white rose corsage. The 300 guests attended from Cleveland, Detroit, Royal Oak, Pontiac, Plymouth and Northville.

For the trip south the new Mrs. Tripp changed to a three-piece toast wool suit with matching accessories.

The bridegroom was graduated from Plymouth High School and attends Schoolcraft College.

MR. AND MRS. JOHN ERWIN TRIPP, JR.

MR. AND MRS. ALFREDO CASOLA

## Kings Mill News

A fashion showing of "Furs and Coiffures" is to be presented at King's Mill Townhouses at 8 p.m. Saturday. Marchande Furs of Ann Arbor and Salon Rene are to feature dawn-to-dusk furs and hair fashions.

Five King's Mill residents will be among the models. They are Mrs. Richard Ashworth, Mrs. Alfred Craig,

Mrs. Joseph Carpinelli, Mrs. Ralph Elliott and Mrs. Robert Endres. "Santa" husbands are invited as well as women residents.

A tea will follow the show.

The bazaar sponsored by King's Mill Woman's Club last Saturday was termed "a successful first" by the committee, which reported the event was attended by many Northville and Plymouth residents.

## News Around Northville

Edward Zywiec, president of the Northville Swim Club, has announced that three board posts will be open at the annual meeting and election. Any club member interested in serving on the board is asked to call him at 349-2679.

A special meeting will be called for the election of officers of the Northville branch, Woman's National Farm and Garden Association, following the club's dessert meeting Monday afternoon at the home of Mrs. George Kohs, 473 West Cady Street.

## Senior Citizens Meet Tuesday

Northville Senior Citizens Club will meet only once this month because the second regular meeting falls on Christmas Eve.

The meeting will be at 6:30 p.m. Tuesday in the Presbyterian church fellowship hall. It will feature a cooperative dinner followed by a program of Christmas music.

Through the generosity of the Northville Recreation Commission, 91 members of the Senior Citizens' Club enjoyed a turkey dinner at the November 26 meeting.

# Five Northville Students Eye Singing Japan Trip

Five Northville High School seniors will be among 100 high school juniors and seniors from the Great Lakes region making their musical way through Japan giving concerts with Musical Youth International next summer.

Stacey Evans, Pat Jones, Jeanice Dagher, Bob Shafer, Jr., and Doug Waldren were selected to participate in the program by MYI director, Dr. Lester McCoy, after October auditions. They began weekly practice with him in Saline in November and will

continue each Saturday until they leave for Japan June 25.

The band-choir group will give approximately a concert a day of formal, informal or sacred music in cities throughout Japan. These will include such major centers as Tokyo, Osaka and Kyoto. There also is a possibility the itinerary will include Hawaii.

The students will be staying with Japanese families whenever possible. People-to-People, a national program founded by President Eisenhower to help create international goodwill, assists with arrangements.

Youngsters selected for the band or choir must have musical (vocal or instrumental) talents but also must be able to perform as American ambassadors, typifying "the best of American youth." They come primarily from Michigan and Ohio, and sometimes Canada, as they must be near enough to attend the weekly practice.

Northville students have participated in the program every year since it was organized by Dr. McCoy, but the 1969 tour group of five is the largest to be selected from here.

Mrs. W. C. Becker, who has had three children participating in the program, lauds not only the travel experience but the musical, saying, "It's fantastic how their voices improve with the hours and hours of performances."

Christie Becker was in the MYI group touring Mexico last summer. Gary and Margaret Becker made European tours previously.

Dr. McCoy also is director of the 350-voice University of Michigan Choral Union which will be giving three performances of the Messiah with the Interlochen Arts Academy orchestra in Ann Arbor this weekend. (Mrs. George Jerome of Northville is a member of this group.) He also prepares the Choral Union for its May Festival concerts.

Dr. McCoy, his wife and a volunteer staff, usually composed of U of M students, travel with the high school students. The students each pay \$800 for the six-week tour. Many earn their money themselves.

Pat Jones, a member of the 1968 group touring Mexico, stresses the value of the friendships made and the greater understanding of other cultures gained. The friendships are renewed as "alums" of the band and choir groups return each December for an alumni concert program.

## Church Plans Tree Sale

For the second year, members of the St. Luke United Methodist Men's Club will be selling selected Scotch pine trees to support projects of the club.

All 300 trees to be sold at the church lot, on the southeast corner of Five Mile and Haggerty roads, beginning Saturday, have been individually selected from the Cadillac area, according to Dick Wolf, chairman of the sale.

"They're beautifully shaped and look as if they've been run through a giant pencil sharpener," he stated, adding that the trees range in size from five to eight feet and are priced from \$4 to \$7.

The lot will be open from 6 to 9 p.m. Monday through Friday until December 22 and from 10 a.m. until 9 p.m. Saturdays and 1 to 9 p.m. Sundays.

St. Luke's is a mission church of the Ann Arbor district headed by the Reverend Ernest L. Otter. It has 41 member families.

## Meadowbrook Elects Officers

Joseph T. DeNies has been elected president of the Meadowbrook Country Club at the club's recent annual meeting.

DeNies succeeds James E. Littell of Northville, who still serves on the board of directors with George M. Rice and Lee Belanger. New elected directors include L. E. Allen, Wyndham Mills, and George Torgerson.

Other elected officers include:

James A. Phelan, vice-president; Robert L. Hallam, secretary; and George R. Torgerson, treasurer.

# Counselor Attends GM Conference

Thirty-four secondary school guidance counselors from eight states, including a Northville counselor, are participating in the 18th annual General Motors conference on careers in the automobile industry December 3 to 6.

The Northville counselor and co-op coordinator participating in the conference is John P. Hyde of 112 East Dunlap.

Sponsored by the Educational Relations Section of General Motors Public Relations Staff, the conference is being held at Northland Inn. Included in the program were visits to General Motors Institute, Flint; Fisher Body Division and GM Technical Center, Warren; and Cadillac Motor Car Division, Detroit.

During the four-day activities, the counselors will receive a comprehensive analysis of General Motors employment opportunities on the corporate, divisional and retail levels, plus a review of the Corporation's educational grants and scholarship program. The latter included a special segment on GM's cooperation with inner-city schools.

A highlight of the conference will be a student panel discussion concerning the qualifications, interests and experiences of GMI students. The counselors also will hear a second panel discussion with recently employed high school graduates representing GM Central Office staffs and an automobile dealership.

## Willie the Wildcat Goes to Novi Freshmen

The Freshmen won Willie the Wildcat this time.

That's the word from Novi Student Council Christmas project chairman Carol Bruce, who stated that the class which wins the school mascot holds it until the next student council project at which time they or some other class takes over.

Victory was sweet as the students collected far in excess of the goal established for them by the Novi Jaycees, through whom the collection of food for servicemen overseas was set up.

Miss Bruce said so much food was collected that the Jaycees will be giving the additional amounts to needy Novi

area families to make their Christmas brighter.

## Dems Elect James Haas

A Novi man, James M. Haas, 44911 Grand River, has been elected to the Oakland County Democratic Executive Committee, it is announced this week.

Haas, an 11-year resident of Novi, was elected at the November 25 Democratic County Convention. The district includes Milford, Novi, Lyon, South Lyon and Northville.

# Two Novi Women To Appear on TV

Mrs. Kent Mathes and Mrs. Clifford Kirkland, both Novi residents, are members of the well-known Madrigal Club of Detroit and will be

performing with the singing group in several Christmas concerts.

They will be seen on television on The Morning Show, channel 7, from 7 to 8:30 a.m. next Wednesday. They also will tape a television show to be shown on that channel on Christmas Day.

The Madrigal Club's Christmas concert will be presented at 8:30 p.m. Friday, December 13, in the Detroit Art Institute lecture hall. August Maekelberghe is the conductor of the women's choir. The program is to include some familiar and some classical works: Highlight will be "The Ceremony of the Carol" by Benjamin Britten.

The concert is open to the public with tickets available at the door at \$2 for adults and 50 cents for students.

## She Pledges At Adrian

Susan McSevery, daughter of Mr. and Mrs. Samuel McSevery of 20148 Whipple, has pledged Alpha Phi Fraternity for women at Adrian College.

Alpha Phi, one of the oldest social sororities for women, was founded in 1872 at Syracuse University, Syracuse, N.Y. It has installed more than 90 chapters and initiated more than 40,000 members.

Cardiac aid is the Alpha Phi philanthropy, and the Alpha Phi Foundation its newest project. The Foundation's primary purpose is to provide financial help for students' higher education and to institutions of higher education.

Miss McSevery, a freshman, was graduated from Northville High School.

# Wixom Pupils Plan Christmas Program

A program entitled, "A World's Christmas Party" is being planned by Mrs. Ila Henry's fourth grade students and Mrs. Joyce MacIsaac's fifth graders to be presented to the Wixom Elementary School parents and guests at 7:30 p.m. next Tuesday.

According to Wixom PTA Publicity Chairman Jean Lentz, the students will depict some of the Christmas customs of other countries of the world through dialogue, songs and dances.

Mrs. Carol Johnson, vocal music teacher, will provide the piano accompaniment for the evening program.

The instrumental music students, under the direction of Miss Meribeth Metevia, will play a couple of musical numbers to open the program.

There will be no PTA business meeting that evening.

Refreshments will be served and babysitting (3 to 8 year olds only) will be provided.

## Girl Scout News Bake Sale Set Saturday

Senior Girl Scouts of Northville Troop 222 will hold a bake sale from 10 a.m. to 4 p.m. Saturday at 149 East Main Street. They also will have a bazaar arrangement of Christmas items for sale.

The troop plans to sing carols for residents of Whitehall convalescent home during the Christmas season. The Senior Scouts also are making tray favors for tuberculosis patients in veterans' hospital.

The Northville Girl Scout swimming program begins at the high school pool at 1 p.m. this Saturday. Swimmers are requested to bring their own suits, caps and towels. Two Senior Girl Scouts, Sally Schlieff and Denise Sterner, are donating their time to assist in this program.

Junior Troop 336 is making toys of yarn and felt in doll, clown and Santa patterns for children at the Plymouth State Home and for a Methodist orphanage.

Junior Troop 562 members will be performing for their families in a program at the Scout-Recreation building December 17. They will have an investiture and rededication ceremony.

This troop now has four patrols and each will have an individual part in

the program, dramatizing the Spirit of Christmas, explaining the meaning of the symbols of Christmas, the foreign traditions of Christmas and presenting a puppet show.

Junior Troop 331 made bookmarks in the form of pilgrims and presented them to residents of Eastlawn convalescent home prior to Thanksgiving Day.

## Park Braces For Winter

With ice and snow just around the corner, preparations are underway for another big winter sports program at Kensington Metropolitan Park.

Kensington, located north of New Hudson, is one of the most popular areas in southeastern Michigan and has facilities for tobogganing, skating, sledding, ice fishing, hiking and picture taking.

Catches of bluegills and crappies are taken by the many fishermen who enjoy ice fishing on Kent Lake. Skating is provided on Kent Lake in front of the Boat Rental Building from 10 a.m. to 10 p.m. daily. This building has a heated lounge with a fireplace, restrooms, and vending machines. It is open from 10 a.m. to 10 p.m. Food service is available on Saturday and Sunday from 10 a.m. to 10 p.m. and Monday through Friday from 2 p.m. to 10 p.m.

Ideal for sledding and tobogganing are the hilly slopes at the winter sports area which has an enclosed warming shelter with a fireplace and tables. There are five toboggan tracks and a separate area for sledding. The area is open daily from 8 a.m. to 10:30 p.m. weather conditions permitting.

Persons wishing ice and snow conditions — when they arrive — are asked to call Milford, 685-1561.

At a meeting held in the Teachers' Conference Room at the Board of Education Office, elementary teachers watched Miss Lukens demonstrate some of the methods that can be used to meet the individual needs of children with special learning problems.

## For Motorists

# Darkness Spells Double Trouble

Darkness doubles traffic troubles, motorists were warned today by local police departments.

"Visibility on the road is reduced by longer hours of darkness, accumulation of frost on car windows and windshields, occasional fog, and the beautiful-but-threatening snow and sleet," officers declared.

"Smart motorists compensate for these dangers by making certain their lights are functioning properly and aimed correctly, by using a brush or scraper to clear their windows and windshields of encrusted snow, and by maintaining unceasing vigilance behind the wheel as they move along in both street and highway traffic," they said.

"Now and then you see a 'peephole' artist with his nose against the windshield straining to view what's

transpiring around him, but he's headed for trouble.

"Before starting out on a cold day, especially at night, start the engine a few minutes ahead of time, and turn on the heater and defroster," they advised. "Give it time to be sure the inside air is warm enough to prevent condensation on the glass."

Police pointed out that streaking windshield wiper blades should be replaced with new blades or refills, thus assuring the driver that his windshield can be cleared effectively in rain, sleet or snow, and minimizing the glare from approaching headlights. Taking the trouble to make certain that the windshield is free from dirt is better than using the same amount of energy to dodge around, squinting through tiny clear spots.

# City to Seek Bidders On 5-Acre Well Site

The city of Northville proposes to sell a no-longer-used well site on Novi Road to the bidder with the best plan for development of the parcel.

Specifically, the five-acre parcel is located just west of Novi Road near Allen drive and contains a well and pumping station used for city water supply prior to converting to Detroit water.

Under a unique plan introduced Monday night the council proposes offering the site at a specific price (to be determined by appraisals) to anyone willing to make a deposit of \$1,000 and submit a definite plan for use of the land.

Presently, it is zoned for multiple dwellings (apartments), but other uses of the property would not be ruled out providing rezoning could be approved.

Actually, that's one of the hitches in the project. Some councilmen expressed concern that residents of neighboring Village Green subdivision might oppose certain types of development. In fact, the subdivision's civic association has already asked the council to reserve two acres of the site, west of the Rouge river and nearest the subdivision, as a park area. Apartments could be built on the other three acres, the civic association recommended.

Councilman Charles Lapham would like to look at almost any idea for the site, possibly even light manufacturing. Councilman Wallace Nichols warned that no plan should be considered until the council discussed the whole idea with the planning commission and the civic association.

It was finally decided to send the proposal to both the planners and the civic association. Councilmen agreed that planners must determine what limits they'd put on the land's use before offering it to any developer.

Under the bidding plan certain criteria will be set forth informing all bidders what an evaluation committee will consider most in making its selection of the best bid.

These would include compatibility with the neighboring residential development, suitability to existing terrain, consideration of the traffic situation and potential tax base.

Bidders would be expected to submit architectural renderings, specifications of the proposed project, financing, development timetable, etc.

At least three developers have already expressed interest in the site, Manager Frank Ollendorff revealed.

In other business Monday night the council approved a pay-back agreement with Thompson-Brown company for installation of water line in the Taft Road-Eight Mile area. The developers are planning to install a 10-inch water main to serve Lexington Square subdivision, currently under development. The city has asked that the line be increased to 16-inch size so that eventually it could serve an area from Seven to 8 1/2-Mile and west to Beck Road. The difference in cost

amounts to \$18,600. The city will pay the company for this additional expense through future tap fees. For the next 12 months \$150 of the \$325 tap fee for each new house in the area will be paid the company. At the end of the year the city will pay the cash difference.

Seven bids were received for installation of a storm drain in the Maplewood-Nowi Street area (see Speaking for The Record, page 6-B).

The lowest was \$68,783.41 and the highest \$109,000.

The council is expected to award the bid at a special meeting Monday evening.

# 2 Men Cited for Arson In Salem Barn Blaze

WIPED OUT—Henry Clark, whose 28 cattle were wiped out in Sunday's fire, points to rubble that once was a barn as a state arson expert (left) looks

on and listens intently. The silo, located some 220 feet from the farm house, was scorched by wind-whipped flames.

## \$40,000 Fire Kills 28 Cows

Two South Lyon men were arraigned Monday in Ypsilanti in connection with a raging fire that gutted a Salem Township barn Sunday night and killed 28 head of cattle. Rough estimates placed damage at upwards of \$40,000.

Jimmy Ray Duncan, 18, of 57945 10 Mile Road and Wendell Jones, 27, of 302 West Lake Street, South Lyon, stood mute at their arraignment before Ypsilanti Municipal Judge Edward D. Deake.

The two men were remanded to the Washtenaw County jail upon failure to post bond of \$10,000. Attorneys were appointed for the two suspects and preliminary examination was set for December 12 in Judge Deake's courtroom.

State Police Detective Paul Palmer said the case was still under investigation, but declined further comment for fear of jeopardizing the case. A state arson expert is assisting in the investigation.

The fire broke out between 7:30 and 8 p.m. Sunday night at the Henry Clark farm at 10650 West Seven Mile road. Salem Township volunteer firemen, with an assist from the Northville fire department, battled the blaze until about 3:30 a.m. Monday.

Clark, who was renting the farm from Floyd Kehrl of Northville, estimated his loss — pending an insurance adjustor's report — at over \$20,000. Twenty-eight cattle which were trapped in the barn perished in the inferno. About 9,000 bales of hay also went up in flames.

Clark said that an adjustor placed the barn loss at \$20,000.

The Salem dairy farmer said he had just begun Sunday dinner when his wife looked out the window and reported a light burning in the milk house. "Light, hell, the whole barn's on fire," Clark shouted and immediately phoned for fire fighting help.

"I tried to get into the barn through the North end," Clark stated, "but the smoke, heat and fire were too intense. I went to the south side and pulled a door open."

Fourteen milk cows fled to safety. Clark said, however, that because of burns, seven had to be sent to the Detroit stockyard to be slaughtered. The Clarks have 28 head of cattle left.

"They were our life, really," Mrs. Clark said of their registered cattle. For Henry Clark, the loss came as a jolt which may permanently put him out of the dairy farming business.

He expressed mixed emotions about beginning again. "I don't want to go into debt," he said. "I'm 50 and it'd be too rough. But I would like to find a way to do it." Then he added, "I'd like to find a good job and stick with it."

## NOTICE OF PUBLIC HEARING 1969 Motor Vehicle Highway Fund Budget

DOWN BOY—Lion Center Ed Canfield attempts to block a shot by Northville Guard Fred Holdsworth in the opening game for both squads Tuesday night.

# Mustangs Clutch As Lions Clinch '68 Basketball Opener Early

Northville's Mustangs clutched when they lost the lead in the late stages of the first quarter and South Lyon's Lions took advantage to clinch an 81-64 victory in the season opener for both cage squads.

Played in South Lyon's old gym as they await the necessary bleachers for their new one, the contest started on a nearly even keel with both teams a little cold from the floor.

Terry Mills scored the first bucket of the game and the Mustangs built a 12-9 lead. However, Ed Canfield went high to tip in a missed second free throw attempt to knot the count at 12 all and Dave Brandon followed up to put the Lions in the lead for the first time in the game. They never relinquished their advantage and led 19-15 at the quarter.

Brandon showed a hot hand in the second quarter, canning seven field goals and both free throw attempts to shoot the halftime advantage to 45-32 as superior experience and far better rebounding strength made the difference.

Northville also suffered from inability to break the South Lyon defense and threw away scoring opportunities on ball control errors and shots from too far out.

Leading scorers in the contest were Brandon with 35, Ron Hubbard (N) with 19, Canfield with 14, and Stan Nirider (N), Jeff Taylor (N) and Glenn Wiseman (SL) with 11. Nirider and Taylor both fouled out in the fourth quarter.

The third period score was South Lyon 63, Northville 55.

The win marked South Lyon's first victory over the Mustangs in the

current series spanning three years.

Coach William Thomas' Lions were just too tall and smooth for Coach Bob Kucher's cagers. Once they gained the

lead, they were able to stay in their zone defense and force Northville to play their game.

Both clubs open league seasons Friday night as South Lyon opposes Lincoln and Northville hosts Clarenceville.

**HUNGRY WILDCATS**—Hungry for Eagles is this squad of Novi Wildcats who will open the season Saturday for Coach Jim Ladd at home against the Hartland cagers that handed them one of only two football losses this fall. The Wildcats (left to right

in their home white uniforms with green numerals) are: Tom Boyer, Gary Boyer, Ken Osborn, Dave Bingham, Greg Sonnanstine, Lee Snow, Jim Poole, Jon VanWagner, Rick Hill, Phil McMillan, Rick Dale and Don Maki.

## Friday, Saturday

## Cagers Eye Home Debuts

The Mustangs and Wildcats will both make their home debuts for the season this weekend.

For the Mustangs, it will be the second game of the season (they traveled to South Lyon Tuesday night) and their Wayne-Oakland liftdifter as they meet the Trojans of Clarenceville

tomorrow night.

Novi will play its season opening contest as it hosts the Hartland Eagles Saturday night.

Clarenceville will throw a tall, deep and somewhat experienced team against the smaller, faster and greener Northville squad. Coach Ralph

Weddle's biggest loss was scoring ace Bob Duman, but he has captain and team leader Dave Brandemihl back along with two other top guard candidates, Bob Ridling and Mike Duman (Bob's brother).

Up front, the Trojans will rotate 6'4" Paul Putz and Ron LaMontagne at center and forward with 6'3" Steve Scholes and plan to use even six-footer Terry Rifkin a lot at another forward slot. Weddle feels that the improved size and great depth will lead to a vastly improved season.

Jack McManus' Hartland Eagles had a dismal 3-14 record last year, but he predicts much better results this time around. He says the boys' greatest asset is the fact they have played together as a team for quite a while.

The Eagles are not tall or fast, but work as a unit. Top scorers back from last year's team include Mike Boyes, Al Cone and Larry Cook. Rebounding is expected from Gary Wesley, Cook, Steve Morgan and Roger Anderson. Others who should see plenty of action are Doug Dalton, Chip McGoron and Mike Banfield.

## CROSSED FINGERS

**BOB KUCHER**  
His Home Debut

Bob Kucher and Jim Ladd, varsity basketball coaches at Northville and Novi, respectively, have their fingers crossed as their squads prepare for home openers this weekend. For Kucher it will mark his debut here as head coach, and for Ladd his first crack at the 1968-69 season.

**JIM LADD**  
His First Game

## NOTICE OF PUBLIC HEARING Monday, December 16, 1968 8 P.M. Northville City Hall

The Northville City Council will consider the following amendment to the Northville City Code of Ordinances:

### TITLE 8 CHAPTER I

THE CITY OF NORTHVILLE ORDAINS:

That Title 8, Chapter I shall be amended as follows:

Section 8.101 Disorderly Conduct:

a. As used in this section:

Public place shall mean any street, alley, park, public building, or any place of business, grounds, parking lot, area or assembly in the city, which is open to or frequented by the public.

Public view shall mean within the plain view of persons who are in or upon any public place.

b. No person shall

- (1) Violate statutes.
  - (2) Drunkenness.
  - (3) Indecent, insulting conduct.
  - (4) Assault.
  - (5) Fireworks.
  - (6) Throwing missiles at vehicles.
  - (7) Prowling.
  - (8) Window peeping.
  - (9) Begging.
  - (10) Nude swimming.
  - (11) Indecent language.
  - (12) Fortunetelling.
  - (13) Indecent exposure.
  - (14) Obscene literature.
  - (15) Damaging property.
  - (16) Annoyances.
  - (17) Disturbances and fighting.
  - (18) Unlawful assemblies.
  - (19) Rough crowding.
  - (20) Loitering, obstructing passage.
  - (21) Leaving children unattended.
  - (22) Frequenting illegal places.
  - (23) Soliciting.
  - (24) Transporting for illegal, immoral purposes.
  - (25) Keeping gambling place or device.
  - (26) Disturbing the peace.
  - (27) Keeping disorderly place.
  - (28) Obstructing, resisting officer.
  - (29) Vagrancy.
  - (30) Non support.
  - (31) Spitting.
  - (32) Disturbances.
  - (33) Dumping, littering.
  - (34) Burning; combustible accumulations.
  - (35) Illegal occupation or scheme.
  - (36) Contributing to neglect or delinquency of children.
  - (37) Unlawful standing, congregating.
  - (38) Permitting minors to entertain in establishments where alcoholic beverages are sold.
  - (39) Falsely represent age to buy alcoholic beverages.
- c. The doing of any act prohibited by this article shall constitute disorderly conduct. Any person who engages in or does any of the acts so prohibited shall be deemed to be a disorderly person and shall be guilty of a misdemeanor. In all prosecutions under this Section, a wife may testify against her husband without his consent.
- Section 8.120 Repeal: Sections 8.102, 8.104, 8.106, 8.107, 8.109, 8.111 and 8.112 are hereby repealed.

## Northville Wrestlers Face Farmington Here Tonight

The defending league champions will be green but they won't be pushovers.

This was the word from Mustang's mat coach Jack Townsley as he readies his boys for their opener tonight against visiting North Farmington.

Townsley says the boys are overweight and out of condition but he feels he can have them in a contending role by the first of the year.

Graduation losses are his other major concern.

Graduated were Heavyweight Dan Conklin and 127 pound Marty Richardson, both of whom finished third in the state tournament last March. Also gone are two league champions who finished second in the regional. Bob Bavert (112) graduated and John Tam moved from the area. Another graduation loss was Don Sassen.

Coach Townsley feels he is working with a squad that has little experience but some outstanding prospects. He told the Record that the

Junior High program of two years ago has really helped him, but that its discontinuance will result in poorer showings in the future unless it is reinstated. He has his assistant, Norm Jacobs, working with junior high kids as much as possible.

Among the finer prospects on this year's squad are the captain, Curt Olewnik, who his coach says is one of the finest wrestlers in the state; outstanding prospects Brian Jones and Mark Griffin and Brad Conklin who has fine potential.

**READY FOR OPENER** — Coach Jack Townsley's Mustangs are ready for their first mat contest tonight. The squad, a state power last year, is less experienced, but promises a good season with some fine returnees and promising newcomers. Sitting next to Townsley (left to right) are: Chris Jones (95 pound novice), Steve Hazlett (95-N), Gerry Newby (95-N), John Fialon (103-N), Mark Mathews (112-N), Rick Moore (103-N), Doug Boor (127-N), David Zima (112-N) and Vince Parent (120). The second row, kneeling left to right, includes Jim Keegan (154-N), Jeff Forth (103), Bill Kris (112), Mark Griffin (112-Jr. and returning league champion), Rick Ordning (120), Jim Armstrong (127), Ed Beller (133), Captain Curt Olewnik (133-Sr. and returning league champion), Brian Jones (145) and Mike Petteys (133). Standing from left to right are Carmen Jackson (127-N), Ron Newby (127), David Griffin (120-N), Randy Marburger (154), Steve Bagdon (165), Brad Conklin (165-sophomore and returning novice champion), Fred Hicks (Heavyweight-Sr. Novice), Richard Ruland (165-N), Malcolm Petteys (145) and Manager Jim Curl. Missing from the picture were Heavyweight Kim Marburger and 145 pound Bill Gregory.

## Tie Games Mark Final Grid Contest

In the final football contest of the 1968 season, Ted Marzonie of 47005 Dunsany Road this past week won the first place money.

Ted missed only two of the 16 listed games — both of them only because they involved ties. All contestants missed these two games: the 17-17 upset tie between Mississippi and Mississippi State, and the 21-21 upset tie between Notre Dame and Southern California.

Winning second and third place, respectively, were Terry Hoffman of 42350 Hammill, Plymouth, and Joseph Szabo of 20841 Metroview, Farmington. Both missed three games,

but Terry edged Joseph by virtue of his more accurate guess of the score between Minnesota and Los Angeles.

Nearly everyone, including the oddsmakers had the deposited national leaders, the Trojans, beating the Fighting Irish.

Aside for the tie games, contestants had most difficulty predicting Arizona's 30-17 triumph over Arizona State, San Jose's narrow, 25-21 victory over Brigham Young, and Florida A&M's 20-7 win over Texas Southern.

The majority of contestants correctly predicted the Los Angeles Rams' victory over the Minnesota Vikings.

### Recreation Report

## Plan Ski Club For Teenagers

Several recreation programs were announced this week by Northville Recreation Director Robert Prom. They include:

A ski club for high school age students. Lessons, skiing and rental equipment will be at Alpine Valley Club on a group discount basis. First meeting will be at the Scout-Recreation building Monday at 7 p.m.

The Junior Rifle Club starts its second beginning B-B gun course next Wednesday for boys and girls ten years of age or older. Class size is restricted to 12 students and it will meet from 7-8:30 p.m.

Training course in .22 caliber rifles will be offered to boys and girls 12 and older from 7-8:30 p.m. next Thursday with classes restricted to eight students. A prerequisite to this course is a beginning B-B or comparable course.

Registration for both courses is in advance by calling Prom at 349-2287. More adult help also is needed.

Adults interested in working with the Senior Citizen Group should contact Prom for employment.

High school gym Saturday recreation schedule is as follows:

K to second grade — 8:30 to 10 a.m.

Third to fifth grade — 10 to 11:30 a.m.

Sixth to eighth grade — 1 to 2:30 p.m.

High School and young adults — 2:30 to 4:15 p.m.

Saturday recreation will include free play, basketball, floor hockey, cheerleading and wrestling.

## College Wins Opening Game

Schoolcraft College opened its 1968-69 cage season on a successful note in Windsor, Ontario.

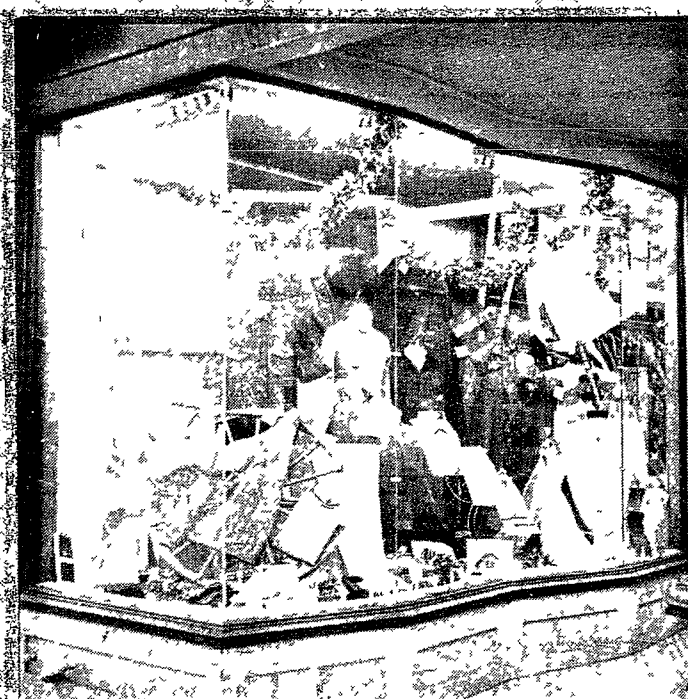

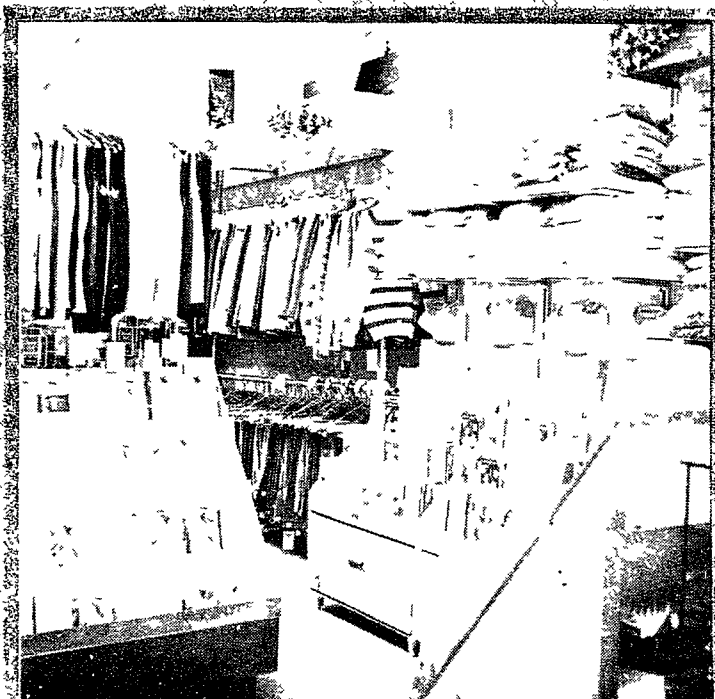

The Northville squad raced to a 94-75 decision, more than doubling the 45-36 halftime margin over St. Clair of Windsor.

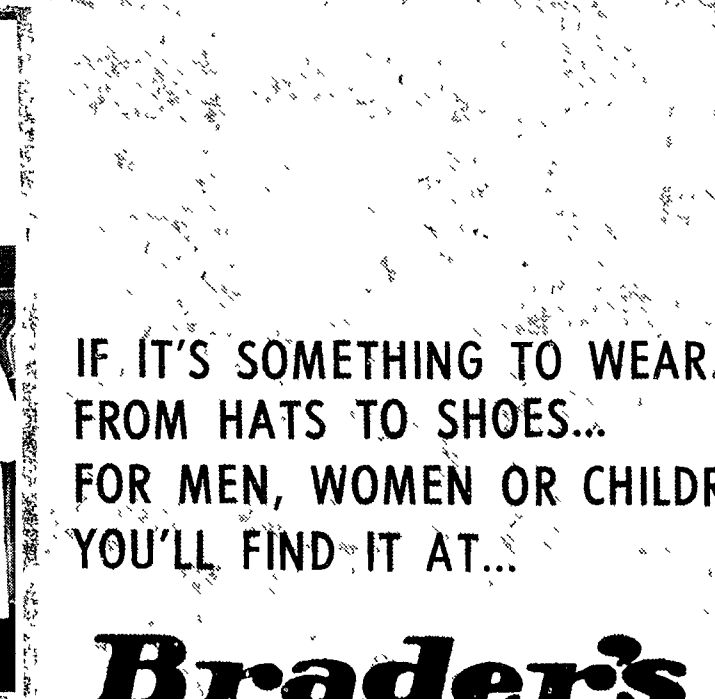

Marvin Lane led Schoolcraft scorers with 33 points. Others in double figures were Nate Luibrand with 21, Frank Fisher with 14 and Greg Coleman with 11 points.

Schoolcraft's home opener was last night against Macomb Community College at the Northville Community Center.

**Hic! Wow!**

## Drunk Driver Sets New State Record

A Farmington police department drunk-testing apparatus nearly blew a gasket recently when a Northville motorist started blowing.

Arrested by Northville police while driving on Main Street, the motorist put a breathalyzer to a real test and may have established a new state record in the process.

According to police officers, the man registered .36 on his first go-round with the instrument at Farmington and then tapered off to .32 on a second test.

A check with area police departments and state police posts revealed that the highest known previous test in the state was a .35 registered at Cadillac.

Informed while still at Farmington that his test might be a state record, the motorist reportedly was as elated as he was high.

The breathalyzer measures the content of alcohol in a person's blood stream by sampling his breath. Presently, in Michigan anyone registering .15 of blood alcohol is considered drunk. The new federal standard is substantially lower — .10.

Supposedly, anyone with a reading of .50 would be dead.

Although Northville police said the motorist was unable to stand when arrested, he insisted he had drunk "only a couple of beers."

## Community Calendar

To list your meetings call 349-1700.

**Thursday, December 5**  
"Diary of Anne Frank," 8 p.m., Northville High.  
Orchard Hills Booster program, 8 p.m., at school.  
Northville Retail Merchants' Association.  
Novi Board of Commerce.

Moraine Music Program, 7:30 p.m.  
Northville Optimists, 6:30 p.m., Thunderbird.

**Thursday, December 12**  
Northville Junior Football, 8 p.m., Presbyterian Church.  
Northville Chamber of Commerce, 8 p.m., Northville Downs.  
Northville Girl Scout Ass'n, 9 a.m., Scout-Recreation.

## Extended Year Report

# Quadrimester Seen As Possible Solution to School's Problems

**EDITOR'S NOTE — Following is the first of a series of articles by the Northville extended-year school school study committee on the group's extended year preference — quadrimester.**

"School Closing Threatens All Major Cities" was a headline in last week's national news coverage. Youngstown, Ohio schools closed and nobody is sure when they will open again.

The same situation is threatening many school districts, small and large, throughout the nation. Why? The answer is that, under present conditions, individual school systems cannot meet the challenge of education in today's complex society. So costs of a modern educational program steadily increase. With this in mind, it seems wise to thoroughly investigate all means possible of keeping schools open with maximum utilization at the lowest possible cost.

Purpose of these articles on the extended year program is to inform the public of the characteristics of the quadrimester plan as they relate to Northville, to stimulate discussion, and to show the need for pursuing the feasibility of converting to an extended year plan.

A proposed calendar for a quadrimester plan might help clarify the plan. As one possibility, the following schedule could be adopted using the year 1969-1970 as an example. However, any number of possible calendars could be considered.

1st quarter — August 1 — October 24.

2nd quarter — October 27 — January 30.

3rd quarter — February 2 — April 24.

## Election Committee Established in Novi

Establishment of an election committee was the final act of the Novi Charter Commission last week.

The committee, which will take nominating petitions for elective city offices to be established by the charter,

## Susan Hartman Gains Honor

Susan Hartman, daughter of Novi Principal and Mrs. Gerald Hartman of South Lyon, has been named to Who's Who Among Students in American Universities and Colleges for 1968-69.

Candidates at Central Michigan University elected for the award were chosen for their scholarship (B plus average), leadership in educational and extra-curricular activities, citizenship and promise of usefulness.

Susan, a senior English major at CMU in Mt. Pleasant, now becomes eligible for a job placement service by the compilers of the national Who's Who Among Students directory for this year.

She is a 1965 graduate of South Lyon High School where her father was principal for many years.

## OBITUARY

**JOHN JAMES PENNA**  
Funeral services were held Tuesday for John James Penna, of 590 South Main Street, 78, who died suddenly November 27 at St. Mary Hospital. Members of his family came from England, his native land, to attend the funeral at Casterline Funeral Home. The Reverend Guenther Branstner of Northville First United Methodist Church officiated. Burial was in Rural Hill Cemetery.

Mr. Penna, who was retired from Farm Crest Farms, came to the community in 1912. He was born May 1, 1891, in Hendra Vossan-Rose, Perranporth, Cornwall, England, to William H. and Caroline Penna.

He leaves his wife in Cornwall; three daughters, Mrs. Esta Doreen Humphrey, Miss Chrissie Evelyn Penna, Mrs. Virginia Ley; two sons, Leonard and Cecil John; a sister, Winnifred Wakeham; five brothers, Thomas, Leonard, Simeon, Frank and Edward; and seven grandchildren; all in England.

**NORTHVILLE LODGE NO. 186 F. & A.M.**

Regular Meeting Second Monday

Herbert Famuliner, W.M.  
R. F. Coolman, Sec.

4th quarter — April 27 — July 17.

Under such a schedule each student would be required to attend three terms and would be in school 180 days, a number equal to his attendance days at present. A Thanksgiving and Christmas vacation would be included. In addition, all students and teachers would be on vacation two weeks in the month of July.

Since one fourth of the student body would not be in attendance in each of the four terms, two obvious

needs that could be met would be classroom space and high quality instruction. A serious school deficiency that exists in practically every city is classroom space. With no need to house one-quarter of the students during each term, fewer building programs would be necessary. With one-quarter less staff to hire, it would seem that the teaching could be made a full-fledged year-around profession attracting highly qualified personnel.

Of course, what happens to

children in their schools is the key issue. How their education affects them is the beginning of a growth that will affect the future both locally and nationally. Internationally, for that matter. That's really the strength of educational influence.

And so, the steering committee for the extended year program will follow this article with all available information on the quadrimester plan, and this information will, hopefully, lead to a complete understanding of the plan.

## On Sheldon Road

# Paving's Still Years Away

Extension of new paving on Sheldon Road from Five Mile north to Seven Mile is still several years away, a Wayne County Road planning spokesman said this week.

"We're presently planning for the acquisition of property for right of way," The Record was told, "and actual purchase may take two or three years to complete. I just don't think the paving could be completed in much less than five years."

Since much of the property along Sheldon is already county owned (Wayne County Child Development Center) no purchase will be required there — "it's just a matter of trade," he said. But elsewhere, because of the hilly terrain, "we'll have to acquire more land than is needed for the right of way itself because of the deep cuts that must be made."

Time table for the Sheldon Road project, he said, have not been nor will

it be affected by longer range plans for Beck Road or the proposed I-275 near Haggerty. "Sheldon will be improved no matter how fast the others materialize," he said.

However, exploratory studies by Northville officials and by the county for a possible new route through the city may be shelved or scrapped entirely. "It stands to reason after Beck Road becomes a main north-south

highway as planned and I-275 is put in, north-south traffic through Northville will be depreciated. The need for a new route through Northville wouldn't be there."

He declined to predict the number of lanes to be built on Sheldon north of Five. "It all depends on the traffic count," he said. Four regular lanes were constructed last year from Five Mile south to the new Ford plant.

## Four Teens Hurt In Novi Road Crash

Four teenagers escaped serious injury in a spectacular two-car collision on Novi Road in front of the Convenient Food Mart Friday night.

All four were treated and released at Wayne County General Hospital. Personnel at the hospital said injuries involved only cuts and bruises.

According to police, Charles W. Munn, 17, of 46150 Neeson drove out of the Convenient parking lot, intending to cross Novi Road to Guernsey Dairy, and into the path of a south-bound car driven by Gary A. Pierce, 18, of 43931 12½ Mile Road.

Two passengers in the Pierce car, Donna Rutherford, 16, and Dann Lipke, 17, of 170 Erma, suffered cuts and bruises and an arm injury, respectively. The drivers were treated for face cuts.

Both cars were heavily damaged. Novi police, who were joined at the scene by Northville officers, ticketed Munn for failure to yield the right of way.

Roger J. Beukema, Northville police officer, was injured on Wednesday of last week while driving

his pickup truck while off duty.

His truck was struck in the rear by a car driven by Andrew G. Cusson of 48905 West Nine Mile Road, while Beukema was stopped on Eight Mile Road near Taft due to a construction barricade in his path.

Beukema suffered back and head injuries in the collision. Cusson was ticketed for failure to stop in an assured clear distance.

NORTHVILLE

Winter's first, thin blanket of snow has fallen in this water color sketch of the little visited two-acre city park just north of the Northville Spring. Painted by Mrs. Catherine Hartley of Hartley-Powers Gallery, it is another in a series of local landmarks painted expressly for this newspaper. The park, until 1962 just a jungle of fallen limbs and weeds, was the work of the Northville Jaycees, who, besides building the 41-foot bridge, lined the river bank with 250 tons of rock, built a retaining wall with 40 tons of crushed concrete, hauled in 30 tons of pea gravel for park walks, removed fallen timber and rotting roots, and sowed the entire area with grass seed. Yet only a few take advantage of this beauty-spot and relatively few even know that it exists.

## from the Pastor's Study

Reverend Rex L. Dye  
Salem Baptist Church

**THE LORD'S MERCIES**  
"This I recall to my mind, therefore have I hope. It is of the Lord's mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness. The Lord is my portion, saith my soul; therefore will I hope in him." Lamentations 3:21-24

These blessed words were penned by a man who was heartbroken and deeply concerned for the judgment that was to fall upon his country because of its

sin. Jeremiah is called the "weeping prophet." He was a man filled with the Holy Spirit of Lord Jesus and had the compassion of the Lord. What a blessing these words have been to the human race down through the ages of time. How grateful we should be for God's Word — the Bible.

We see in the Word, God's mercies keep us "we are not consumed." When one stops to think of the many ways of danger they have been surrounded by since birth he must conclude it is only by God's mercies "we are not consumed." We are told in I Peter 1:3 that God's mercies are "abundant", they will meet every need in all situations.

Then, we see God's mercies are perpetual "new every morning". Our Heavenly Father has mercifully given us our life one day at a time and each day He gives us "new mercies". God tells us in II Corinthians 4:16 of this wonderful provision, "but though our outward man perish, yet the inward man is renewed day by day." He tells us in Hebrews 4:16 how we may obtain His mercies, "Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need."

Because of God's mercies we have hope "therefore will I hope in him". The song writer has penned the precious words, "My hope is built on nothing less than

Jesus Christ and righteousness." In Lord Jesus we see God's mercies brought down to mankind. Because Christ was born, died and rose from the grave there is hope for the last sinner who will trust Him as Saviour. "For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13. Have your sins been forgiven? Do you have the hope of heaven?

God's mercies established us. "The Lord is good unto them that wait for Him." Many people today are running to and fro, unsettled, they have no hope of any kind. When a person accepts God's mercies that person is then able to wait upon the Lord, Gods will becomes his will, God's way becomes his way. His life becomes established in the Life of Lord Jesus Christ. Paul put it this way "for me to live is Christ". Phillipians 1:21. The person who has not accepted God's mercies in Christ is not living, he is merely existing. What of you, just now have you received Lord Jesus as your personal Saviour? If not, you may just now. Bow your head, ask God to forgive your sin and come into your life. If you are trusting Christ as your Saviour and are living a defeated life just bow your head and ask the Lord to grant you mercy to meet your present need, He will do it. May God's richest blessing be yours.

"You Should See The Other Guy!"

As a boy it was so easy to justify a fight. Publicly you gloated over your opponent's bloody nose (and privately you wished that his had been the black eye with its more-lasting embarrassment). But, somehow, the victory alone excused the battle.

As an adult how do you view the matter? Would the possibility of bloody victory be sufficient justification for attempting to beat the tar out of some irritating neighbor? You might be arrested for disturbing the peace . . . assault and battery!

But that is not the real reason we control brutal impulses. The real reason lies deep in our Christian heritage:  
—a sense of human dignity . . .  
—respect for fairness and justice regardless of might . . .  
—the belief that peace can be a blessing for weak and strong alike . . .  
—that patient understanding can enrich life.

Rooted in the same Christian faith are other great principles of life which challenge men's hearts and minds. We seek to understand and apply them as we worship God in our churches. They are essential in a world still threatened with a return to the black eye and bloody nose . . . or something worse.

## Out of THE PAST

### FIVE YEARS AGO...

...The Northville Township Board voted 4-1 to grant a landfill operation to Sheldon Hayes and then tackled the problem of providing a water supply to the drywell area near Bradner and Five Mile where homes were experiencing water shortages.

...City Attorney Philip Ogilvie took the initial steps necessary to establishing a municipal court for Northville.

...Dr. Kenneth MacLeod, assistant superintendent of Northville Public Schools, expressed deep concern about the unusual increase in school enrollment.

...Dr. Gordon Forrer, Northville's representative on the Schoolcraft College Board, told the Northville School Board that they were very impressed with the people and progress connected with the college.

...Major Pedro Diaz Lanz, Fidel Castro's first commanding chief of armed forces and the first high-ranking Cuban to denounce the Castro regime, was the substitute speaker at Town Hall for Alexander Rorke, Jr., an American journalist who had been imprisoned by Castro and who was now reported missing.

...Building activity in Northville was setting records. In the first ten months of 1963, it had more than doubled the activity of the entire 1962 year.

...Northville Township officials were delaying an answer to the public schools on the use of the library building as temporary quarters for administrative offices of the schools.

...Northville's Mustangs, who had tied Clarkston for the Wayne-Oakland championship with a 5-1-1 record, placed five members on the all-conference team. Named were Fullback Ron Rice, Guard Dave Jerome and Center Dave Kerr to the first team, and Halfback Dave Cummings and Tackle Bob Tuck to the second.

...Northville Community Building was filled with folk music as the Jaycees, with the cooperation of high school band director Bob Williams, presented a "hootenanny".

### TEN YEARS AGO...

...Northville Downs' new Sheldon Road barns, previously restricted to use 15 days before and until 15 days after the racing season, were opened to year-around use by the planning commission. The action to lift the restriction still needed city council approval.

...Frazer Staman was named treasurer and assessor for the Village of Novi. He was to carry out these duties in addition to his office of township supervisor.

...Northville Public Schools began selling \$50,000 in tax anticipation notes in order to meet November school payroll payments. School Superintendent Russell H. Amerman announced the measure due to the tardiness of the quarterly state aid reimbursement.

...City Council was finding it hard to live within its budget. It was finding the increasing necessity to cut corners forced upon it.

...Northville City Council approved A & P's planned supermarket, welcoming the company to the planned Cady Street site.

...Councilmen were looking forward to hearing the long awaited report on the city's water system. James Pollock was to report on the financial situation, while City Engineer Harold Penn and City Manager John Robertson would report on the needs of the present system.

...Rehearsals for Northville's 24th presentation of Handel's "Messiah" were underway under the direction of Northville High School Choir Director Leslie G. Lee.

### FIFTEEN YEARS AGO...

...Bob Burgess, Arland Lovett and Ed Nash scored touchdowns as the Mustangs beat Brighton 20-6. The victory set up a showdown clash with Keego Harbor for the Wayne-Oakland County League championship. Northville was 6-2 overall and both squads were 4-1 in league action going into the game.

...Success of the Northville Retail Merchants parking lot fund drive appeared assured as \$10,500 of the needed \$16,000 had been either received or promised, according to fund chairman, Nelson C. Schrader.

...Bruce Turnbull of Northville Electric performed a feat of chivalry at the corner of Main and Center Streets. It seemed Mrs. Mary Donovan had locked her keys inside the Record office, and Turnbull entered the building via a ladder to the second floor to open the door for her from the inside.

...Northville's "Harvest of Gold" weekend proved to be one of the most successful merchandising events in the Village's history.

...The Lloyd H. Green Post No. 147 of the American Legion held its annual Feather Party at the Veterans' Memorial Hall.

...To kick off National Education Week, Superintendent Russell H. Amerman answered questions pertaining to the local school system. He stressed the need for more classrooms and teachers.

...The Northville Mother's Club was asking contributions to its fund to supply milk for elementary school children to continue the annual project.

...The Village Commission was to decide whether to contract for a comprehensive survey of the Northville water system. One expected result of such a survey was felt to be a demand for a boost in the rates.

### TWENTY YEARS AGO...

...For the first time in 13 years the Mustangs beat the Plymouth Rocks in football. Jack Stoval scored two touchdowns and Don Tiffin another as Northville racked up a 20-7 victory. The Mustangs completed a 6-2 season card with this game.

...Novi's Perry Kenner Post No. 76 of the AMVETS selected Charles Trickey as its commander.

...Harriet Harwood of the J. L. Hudson Company was scheduled to speak on the topic "Books for Young Readers" before the Northville Woman's Club.

...The Northville High School football team were guests of the Exchange Club in the annual football banquet at the Methodist Church house. Cliff Hill was toastmaster.

...Michigan Bell Telephone Company proposed to offer a number of municipalities, including the Village of Northville, better types of services at attractive rates.

...Joseph Alessi of Royal Recreation announced that he would be featuring afternoon bowling for children.

...The Junior High Fellowship of the Presbyterian and Methodist Churches reported a very successful Halloween round-up of shoes and felt hats for overseas aid.

...The Northville Recreation Committee engaged James Berkhart of the Detroit House of Plastics to teach a course in plastics in the shop in the grade school building.

...Northville Recreation Committee director Wilson Funk also announced that local members in the Huron Valley Kennel Club sponsored an obedience class for dogs to be taught by Northville's own Arnold Schwartz.

...Postmaster Fred Van Atta asked that city delivery patrons replace worn-out mailboxes.

## Edison Promotes Kenneth I. Sewell

The Detroit Edison Company has announced the appointment of Kenneth I. Sewell, of Northville as director of the project and cost control department. He has served as project control engineer for that department since last March and has been responsible for the coordination of the physical aspects of all production projects at the Edison Company.

Sewell also serves as a deputy director of Defense Electric Power Administration.

A veteran of World War II with service in the U.S. Army Signal Corps, Sewell is a native of Detroit and a graduate of Cooley High School. He earned his bachelor of science degree in electrical engineering at Lawrence Institute of Technology in 1942.

Sewell began his Edison career in the electrical apparatus division in 1945. He transferred to the general engineering department, planning division, in 1949 and has continued involvement in various phases of planning and development ever since. After a series of promotions, he was named chief of the project coordination division in 1963. He

KENNETH I. SEWELL

### COMMENTS & RECOMMENDATIONS

The school board is an American invention. It is practically unknown overseas and where it does exist it is powerless to act.

In Michigan your Board of Education plays an important role in providing the community with better education. As a nation of "equal opportunity" we have not yet fulfilled the promise of our founding fathers. There is a great need to extend truly adequate financing to all school districts so that the quality of the educational programs can be assured.

But financial support alone is not enough!

We must also have:

1. A school board composed of intelligent, honest, devoted citizens who understand their function.
2. Excellent leadership in all schools.
3. Quality teachers — teachers who are experts in their own field.
4. A community that places education high on their list of needs and places proper emphasis on all phases of the school system.

With our continued rapid growth in the Novi District we must look to the future and:

1. Obtain adequate sites for future school buildings.
2. Plan and construct — 1 Middle School and 1 — Elementary School within the next three or four years.
3. Continue study and evaluation of the curriculum and make changes that may be necessary to bring the system up to date.
4. Obtain adequate financial support to provide staff specialists in needed areas.
5. Improve classroom instruction.
6. Continue the orderly expansion of the Novi Community School District.

# NOVI HIGHLIGHTS

**MRS. H. D. HENDERSON**  
349-2428

Mrs. Harold Tuck and sons, Pat and Mike returned last Saturday, November 23 from a week of vacation spent with an uncle and aunt, Mr. and Mrs. Secunda at Daytona Beach, Florida.

On Thanksgiving Day the Harold Tuck family had dinner with Mrs. Tuck's mother, Mrs. Odell Nichols in Farmington.

Mr. and Mrs. Gerald LaFleche of Novi Road are the new proprietors of the Novi Party Store on Grand River Road.

Mr. and Mrs. Donald Tuck and family were the Thanksgiving Day guests of the latter's parents, Mr. and Mrs. James Sikkila at a family gathering at the Sikkila home in Walled Lake.

Mrs. Glen Salow Sr. and several members of her family, Mr. and Mrs. Paul Proffitt and family of Walled Lake, Mr. and Mrs. Jack Voskuhl of Novi, and Mr. and Mrs. Eldon Horton and family of South Lyon, returned Saturday from a trip by Dodge Home Mobil Bus to Lancaster, Kentucky where they spent four days with Mrs. Salow's son and his wife, Mr. and Mrs. Homer Proffitt. There were eleven members in the family who made this bus trip.

Mr. and Mrs. Ted Slentz entertained their grandchildren, Mike & Betty Slentz, children of Mr. and Mrs. Robert Slentz of Milford over the weekend.

The N.W. Club held their annual Christmas potluck dinner at the home of Mrs. H. D. Henderson on Novi Road this past Sunday. The guests were Mrs. Ruth Starkweather, Mrs. Marie Nutter and Miss Helen Watkins of Northville and Mrs. Lottie Race of 12 Mile Road and Mrs. Gertie Lee of Duana Street, Walled Lake.

Miss Deanna Bellinger, who is attending Western Michigan University, spent the Thanksgiving weekend with her parents, Mr. and Mrs. Owen Bellinger and the family. Correction from last week — Mr. and Mrs. Willard Bellinger are not attending the university.

Bride elect, Sharon Marchetti, was surprised at a linen shower Thursday, November 21. The shower was given by Mrs. Mary Robison and Mrs. Linda Parrino. The guests were friends from Walled Lake, Novi, Northville and Milford.

Sharon is the daughter of Mr. and Mrs. Bernard Marchetti, and her fiance is Neil Josephson of Union Lake who is presently in service with the Marines. The wedding date is set for December 27.

Mr. and Mrs. Bernard Marchetti and family and the latter's mother, Mrs. Lucile Wheeler, attended Thanksgiving dinner at the home of their sister and daughter, Mrs. Harold Shpice in Farmington.

Mr. and Mrs. Louis Tank were the honored guests at the Star of the Nile Chapter, Order of the Eastern Star at Toronto, Canada on Monday, November 25. Thanksgiving Day guests of Mr. and Mrs. Louis Tank were their daughter and her husband, Mr. and Mrs. Douglas Goik and family and former's mother, Mrs. Henry Goik Sr.

Rev. and Mrs. Gib Clark and family had Thanksgiving dinner with their son, Dave at Moody Bible Institute in Chicago. In the afternoon they visited friends in Wheaton, Illinois.

Mr. and Mrs. Rex LaPante and children were the Thanksgiving Day dinner guests of their daughter's family, Mr. and Mrs. James Wilenius.

Mr. and Mrs. Ted LeButzki and daughter, Cherri and son, Douglas spent from Friday to Sunday visiting Mr. and Mrs. (Ron & Norma) Fisher in Chicago. The Fishers just recently moved to Chicago.

Mrs. Laurence Smith made a trip to Coldwater Sunday afternoon to bring back her aunt, Miss Corinne Story who will visit the Smiths for a couple of weeks.

On Thanksgiving Day, Mr. and Mrs. Harold Miller entertained their children and grandchildren, Mr. and Mrs. William Miller and Mr. and Mrs. Stanley Orzechowski and sons.

Mrs. George Atkinson and her guests, Mrs. Jennie Champion and Mrs. Frances Denton returned Sunday from several days of vacation at the Atkinson Cottage near Lewiston. Thanksgiving Day guests were Mr. and Mrs. Hadley Bachert and Mr. and Mrs. James Frisbie, who came up on Wednesday. Mr. and Mrs. Glen C. Salow, who were at their cottage, also came over for Thanksgiving dinner at the Atkinson cottage.

Mrs. Harold Henderson had Thanksgiving Day dinner with her son and daughter-in-law Mr. and Mrs. Edward Rix in Plymouth. Several of Mrs. Rixes relatives were also present.

Mr. and Mrs. Harold Sigbee had their dinner on Thanksgiving at the Hillside Inn in Plymouth.

Richard Sigbee had the misfortune to be injured in an

automobile accident Sunday evening. The hospital is checking on the injury to his knee.

Don't forget the pancake supper in the Novi Community Building Saturday evening December 7. The supper is sponsored by the IOOF and will be served from 5 to 7 p.m.

**WILLOWBROOK NEWS**

Mr. and Mrs. Richard Lippert and family spent Sunday at Brown City where they visited Mrs. Lippert's parents, Mr. and Mrs. Ray Schaufele.

On Thanksgiving Day, Mr. and Mrs. Duane Branch entertained the latter's parents, Mr. and Mrs. Herbert Knowles of Westland and grandmother, Mrs. Raymond Lowry and son, Donnie of Plymouth.

Guests at the home of Mr. and Mrs. John Pantalone on Thanksgiving were the latter's brother and his wife, Mr. and Mrs. Robert Gotro of Plymouth and daughter and son-in-law, Rickie and Duayne Miller of Walled Lake.

Orchard Hills Booster Club will present a program, "Christmas Around the World in Eighty Minutes," at 8 p.m. today in the Orchard Hills School.

In addition to club announcements, seasonal music and student performances are planned. There also will be foreign food taste treats.

**WILLOWBROOK UNITED METHODIST CHURCH**

Friday, December 6 boys and girls in grades 3-6 will meet at the church for Jr. Fellowship at 3:30 p.m. They will begin practicing Christmas music.

Sunday, December 8 the morning worship at 10 a.m. with Sunday School classes at the same hour for children through grade six.

Sunday evening at 6:30 p.m. the young people will meet at the church for the hanging of the greens. All adults are asked to meet with the young people and help decorate the church for the Christmas Season. Refreshments will be served.

Monday, December 9th local conference will be held at the church at 8 p.m.

Wednesday, December 11th adult choir rehearsal at 8 p.m. at the church.

Preparations are being made for the Sunday School Christmas program which will be held Sunday, December 22 at 7 p.m. followed at 8 p.m. by Christmas caroling with the young people. All Sunday School children are urged to take an active part during Sunday School hours during the coming weeks as we prepare for the birthday of the Saviour.

**NOVI UNITED METHODIST CHURCH**

Sunday the UMYF met at the church for potluck at 3 p.m., at 7 p.m. they attended the United Methodist Church in South Lyon to hear a program on race.

The evening WSCS group met with the Willowbrook WSCS group at the Willowbrook Church. Tuesday at 6:30 first Christmas program rehearsal. Wednesday regular choir rehearsal.

Friday evening the adult study fellowship group will meet at 7 p.m. with the Garland Killeens on Marston Street. They will all visit the Jewish Synagog then back to the Killeen home for fellowship.

Next Sunday services will be held at Whitehall at 1:30. At 2 p.m. Christmas program rehearsal.

December 8 at 2:45 p.m. Dedication of the Boulevard Methodist Home with Bishop Loder speaking.

Annual Christmas program and party will be held Sunday, December 15 at 5:30 p.m.

Ushers Sunday were Clyde Wyatt and Edwin Steinberger. Next Sunday Jeff Crawford and Dean Binaard will usher.

**HOLY CROSS EPISCOPAL CHURCH MISSION**

Sunday, December 1, Corporate Communion and breakfast for men and boys was a huge success. There were 41 in attendance including guests. The men were good cooks and dish washers. Chief BeGole accompanied by Corp. Gross and Officer Johnson gave a very interesting talk about community affairs. Two women assisted the cooks by remote control, Mrs. Ira Lehman and Mrs. Louis Tank.

On Monday no Adult Inquirers Class. Tuesday, December 3, regular meeting of the ECW at 8 p.m. in St. Thomas Hall with all reports in on the bazaar.

Wednesday, choir rehearsal for Juniors at 7 p.m. Adult rehearsal at 7:30 p.m. also confirmation class for juniors at 7:30.

Sunday, December 8 second Sunday in Advent at 11 o'clock morning prayer and service. At 4 p.m. confirmation services with Bishop Crowley officiating. This will be the largest class in recent years. All members of the church family are asked to be present. Please note service schedule on calendar on Stardusters Board in the Narthex. Please come forward and volunteer to sing in the choir, much needed for the Christmas

**NOVI GIRL SCOUT NEWS**  
**ORCHARD HILLS SCHOOL**

Brownie Troop No. 161 — worked on Thanksgiving cards. Ann Marie MacKay brought treats to celebrate her birthday.

Junior Troop No. 713 — brought turkey and fruit and collected canned goods for a needy family in Novi Thanksgiving dinner. They sold all their Girl Scout calendars, talked about Christmas gifts for their mothers. A new girl, Cindy Berardi has joined the troop.

Junior Troop No. 913 — Attended and participated in swearing in ceremonies for new citizens of the United States at Pontiac, Oakland County Building. The judge was Judge Moore, swearing in officer was Mr. Freed, Marcie Brooks and Beth Branch read the "Duties of a new citizen" and "Rights and privileges of new citizens." All Girl Scouts wore their full dress uniforms and led new citizens in the Pledge of Allegiance. Thirty-one girls attended this most impressive ceremony. We wish to thank all the mothers who were kind enough to drive — Mrs. Bonnie Kuick, Mrs. Eleanor Hillard, Mrs. Barbara Carmickle, Mrs. Bev Adams, Mrs. Joan Adams, and Mrs. Barbara Branch.

Mrs. Eileen Campbell is forming a new Brownie Troop at Novi School. She needs a co-leader. Anyone interested in this interesting experience please call Mrs. Campbell at 261-0751.

**NOVI SCHOOL GIRL SCOUTS NEWS**

Brownie Troop No. 351 made Thanksgiving tray favors for Whitehall Convalescent Home. They listened to the Brownie story on record. Kristina Deeric brought treats.

Junior Troop No. 165 — made plans for Christmas gifts and party favors for convalescent home. Received a thank you note from one of the boys in Vietnam who received their gift of candy.

Junior Troop 1027 — are working on their toy maker badge. They are starting their Christmas projects.

**NOVI SCHOOL MENU FOR NEXT WEEK**

Monday — LaSagna, bread, butter, orange juice, apple sauce cake, and milk.

Tuesday — Oven baked chicken, rice pilaf, gravy, bread, butter, buttered vegetable, chilled peaches and milk.

Wednesday — Meat pasties, gravy, bread, butter, carrot strips, fruited jello and milk.

Thursday — Hot dogs, buttered buns, potato chips, relishes, fruit salad, buttered vegetable, brownies and milk.

Friday — Potatoes Au gratin, tuna salad sandwiches, hot buttered peas and carrots, fruit cobbler and milk.

In the three Novi Schools, 998 were served Thanksgiving dinner at the school lunch hour.

## News Around Schoolcraft

The Kenneth Jewell Chorale of Detroit will be featured in the third concert Sunday of the Plymouth Symphony Orchestra.

Under the direction of Wayne Dunlap, conductor, the concert will be held in the Plymouth High School beginning at 4 p.m. It is free. Baby sitting service, at no charge, will be provided for children two years to six years.

Included on the program will be Sheep May Safely Graze by Bach-Cailliet; Gloria for Soprano, chorus and orchestra, by Poulenc; and Messiah, Christmas portion, by Handel.

The Kenneth Jewell Chorale, guest artists under the direction of Kenneth Jewell, is Detroit's only professional sing group. It continues to receive widespread recognition and today is considered one of the outstanding musical organizations in the Midwest.

This virtuoso ensemble of 40 highly trained vocal artists achieves an artistic excellence in performing that is unforgettable.

Their director, Kenneth Jewell, is currently personnel director at the Interlochen Arts Academy, Interlochen, Michigan from which he commutes every Friday evening for Chorale rehearsals, a distance of 600 miles.

Jewell has established a national reputation as adjudicator - clinician - conductor of choral festivals. He holds a B.S. degree from Eastern Michigan University and an M.M. from the University of Michigan.

From 1949 to 1964 he was conductor of choirs at the National Music Camp, Interlochen, and for 14 years he was associate director of Rackham Symphony Choir.

## Lockard Shows Art At College

An exhibit featuring the works of Jon Onye Lockard will be featured December 1-4 in the Learning Resources Center of nearby Oakland Community College's Orchard Ridge Campus.

A renowned black artist, Lockard's works have been exhibited at shows including the Seattle World's Fair, University of Wisconsin, and New York City. The LRC was recently dedicated the Martin Luther King, Jr. Learning Resources Center and Lockard's portrait of the late Dr. King is displayed in the library.

A reception in his honor with a discussion to follow will be held 2-4 p.m., Sunday, December 8, at the LRC. The public is invited to attend the exhibition and the reception. There is no admission charge.

Orchard Ridge Campus is located south of I-696 between Farmington and Orchard Lake Roads, Farmington Township.

For specific information, contact Mary White at the campus, 476-9400, extension 227.

### SPEAKING

## for The Record

By BILL SLIGER

One of the biggest problems facing all communities where development is taking place is what to do with ground water.

As rooftops, patios, driveways and streets replace porous Mother Earth, water races cross-country in rivers where it once soaked gently into the ground.

Thus expensive networks of drains must be constructed to direct storm water into natural streams.

Sometimes, however, storm water finds its way into the sanitary sewer system.

And sometimes the storm drains just won't handle the volume of water pouring into its catchbasins.

In the latter instances engineers will tell you that the drains flooded because of "unusual 100-year rains".

Last summer, for example, we had about three "100-year-rains".

When storm water infiltrates the sanitary sewer system, flooded basements can result.

When storm drains can't handle the water, yards, and sometimes homes, are flooded.

Northville has had a brush with this problem. The council has faced angry citizens; and the manager and engineer have felt the wrath of the council.

One of the worst areas in the city has been the extreme northern section — Northville Heights number two — and consequently, the downhill area southeast which must catch the brunt of the overflow. A few basements and several yards were turned into pools during the past summer.

An engineering study showed that most of the water causing the flooding problem was finding its way into Northville from higher ground in neighboring Novi. Fortunately, the two communities were able to agree on a drain system that will carry the water southeastward through the Maplewood, Horton, Novi street area to the Rouge River.

They would split the cost — with Novi agreeing to pay up to \$26,000 of the estimated \$52,000 project. The drain will help development in Novi as well as Northville.

Unfortunately, there's another problem associated with modern times. It's called rising costs.

Even before bids were sought on the project the engineer's estimates had jumped to \$62,000. But the best bid came in at just under \$70,000, and the average at \$85,000.

Now the Northville council is pondering its next step — which is probably to ask the Novi council to kick up its ante another \$10,000.

But if the latter says "No... \$26,000 is the limit," chances are Northville will pick up the additional tab anyway.

You can't stop "old man river" and what councilman wants to face an angry audience of drenched citizens again.

Besides, 1969 is a council election year.

\*\*\*\*\*

One of the best projects currently underway in Northville is the skating facilities being planned at the city-owned fish hatchery site.

It's a joint-effort venture with the city getting assists from the Rotary Club and Northville Downs.

Two of the ponds will be flooded. The ex-hatchery service building is being converted into a center for skaters to change and warm-up. The city will provide electricity, toilet facilities and generally remodel the building. Rotarians will do the painting and Northville Downs is providing the heating unit.

In two weeks, promises City Manager Frank Ollendorff, the skating center will be ready for public use.

It's a great recreation treat for the whole family and should get plenty of use during the holidays ... providing the weatherman cooperates.

\*\*\*\*\*

A year or so ago The Record conducted a "scrambled word" contest.

Last week was the deadline for another contest — "name Nixon's cabinet". We thought it was a terrific idea... a challenge to teachers and students of government... fun for the average citizen interested in current events.

The prize for the scrambled-word contest was two tickets to the P & A Theatre. For the Nixon cabinet contest we offered two beautiful volumes of The American Heritage Pictorial History of The Presidents of the United States.

Scrambled-word entries topped the cabinet contest more than 10-1.

## Curtain Rings Down on A Senior's Joy

To the Editor:

A stage production requires work. It feeds upon the energy of a group of people who are living in a chimerical world; a group of people who learn how to react and feel like other human beings. As a member of the cast of "A Man Called Peter," I felt that emotional education.

Work on the play began about two months ago. The cast was chosen, and the first of many rehearsals was conducted. It was then that we began to feel the responsibility we had asked for. Mistakes could be costly. We had to memorize and practice until we could live our parts.

Those two months melted very fast. The play was no longer a "long ways off," the final week of rehearsals had arrived. We experimented with makeup and tried on our costumes until we were sure to create the character we wished to portray. And we still had our fun. Our final dress rehearsal was a regular laugh-in.

When the night of performance arrived, the entire cast was swept with a special tension. But it was not complete nervousness, it was a solemn feeling of effort, of accomplishment. We were about ready to unfold the work of two months for an audience that would witness two hours of our work. It was a warm feeling. Then, the curtain separated, and we tried to show the audience just what the play meant to us.

I tried out for the play because I wanted to work with my friends to create something that might bring enjoyment to other people. To say the least, it was a challenge.

If I wanted to mention those

### NPSD Gets A Bouquet

To the Editor:

The Northville High School Student Council would like to take this opportunity to thank all those on the Northville Public Schools Donation Committee for your enthusiastic help in re-establishing our extra-curricular activities. We realize that without your supervision, your support, and your interest in the students of the Northville Public Schools, we would never have succeeded in reaching the goal — That is, a full system of education for all students.

Sincerely,  
Northville High School  
Student Council

members of the cast whom I felt did an exceptional job, I would have to make a list of all performers, except for me. And the guidance of Mr. Schmucker was the factor that unified us all. He sacrificed an unimaginable amount of time to the production, and indeed, he deserves a standing ovation, if not a raise in salary.

Before curtain time on Friday night, I went up on the stage and sat by myself. A great many thoughts

Behind our home in a little rock garden, sharing a place with granite and limestone, is a large chunk of coal. A sign of our changing world, it is a conversation piece among the youngsters in our neighborhood and it is, perhaps, the only piece of this mysterious "black rock" that our children have seen.

That single, shiny hunk of carbon is a reminder, too, that age is a creeping, unmolested dragon that devours present tense and secretes past tense. It is almost as shattering as when the Jaycees, the young men's organization, dropped you from their prospective membership list, or as staggering as the sudden realization that the chilling feeling that you've been there before is not a psychic phenomenon but really a second visit.

Just as our parents used to fascinate us with their stories of that era when horses and buggies were the main mode of land transportation, so we now can tell our children of the era of coal.

West Virginia notwithstanding, we necessarily must talk of coal in the past tense. How many of us, for example, stoked a stove last night before climbing into bed? Or when was the last time you carted out an ash can?

Our kids will never know the thrill of watching a coal truck back up to a basement window — chipping another piece of the foundation in the process — and seeing the dirty-faced driver shovel a ton of coal into a basement bin. Nor will they experience that big day when the truck arrived and the driver unfurled one of those long, ultra modern chutes that beat target shooting with a shovel.

By ROLLY PETERSON

"Out here, nothing's impossible," said the swarthy faced man whose benign look immediately stamped him as the 'good guy'. And in the movie "Shalako" virtually nothing is, from bizarre circumstance to run-of-the-mill story.

What else could be expected with none other than Brigitte Bardot and Sean Connery heading the cast of name players, including Stephen Boyd, Jack Hawkins, Peter Van Eyck, Honor Blackman, Woody Strode and Valerie French.

The circumstances, in this movie, were quite peculiar to begin with. Big game hunters from Europe were in the movie. Where? In the United States, no less, in the wild west sometime shortly after the Civil War.

It was the most unlikely of hunting parties, blue blooded royalty from Europe headed by Countess Brigitte Bardot and Baron Peter Van Eyck. It was the 19th Century jet set, in reverse, and dressed more for tea in their European finery than for a roaring showdown in the wild west.

Nothing in the way of comfort was overlooked. A valet accompanied the hunting group, along with an English carriage, the best wines, fine foods, jewelry, et cetera. This, clearly, was a decadent group headed for trouble.

But Sean, of Goldfinger fame, dressed in deerskin and sporting long sideburns, came to the rescue, like Lash Larue, Tom Mix, Hoppy, and Wild Bill. Sean, the undaunted, saves those worth saving in the party and of course, rides off with the countess.

He rescued the group from ferocious Apaches who became inflamed when the baron and his entourage invaded their reservation in violation of the latest treaty. So what began as a bizarre but amusing story, took the inevitable turn of most westerns.

Connery may have shed his modern dress for a more primitive outfit, but he brought with him, nevertheless, the trappings of violence. A woman who deserts the hunting party for life with bandits meets her comeuppance at the hands of the Apaches. She chokes to death when the Indians force her to swallow a diamond necklace which she valued above all else.

One of the guides — a renegade — is placed on the end of a spear. Slowly, the weight of his body forces the spear through him in a brilliant gush of blood. Others are dispatched with similar flamboyance, several with slugs through the forehead.

For all its violence in technicolor and the sex appeal of Brigitte, "Shalako" barely rises above the level of spectacle. The acting is poor, the story sodden. But you sit there, waiting in disbelief as one cornball scene after another rolls by.

occurred to me during those few moments. There were many times when I had wished that the play was over; that the burden of rehearsals was past, and I could once again get some sleep at night. Then, I thought of something else, and it made me quite sad. I suddenly realized that there will be no play for me next year. In fact, there will be no Novi High School for me next year. It hurts me to consider that I will never relive the wonderful

moments of the past two months. Never. So, I thank Mr. Schmucker, and the cast of "A Man Called Peter," for giving me the chance to do something for Novi. And I'm sorry if I disappointed anyone. But, if only one person in the audience found some joy in what we were doing, then, it was worth it for me.

Thom Holmes  
Senior  
Novi High School

## Top of the Deck

by JACK W. HOFFMAN

They'll never hear those chunks of coal bang against wooden walls in the basement, shovel coal into the mouth of a basement furnace, see a can of coal sitting ready next to an upstairs stove, crank the grates, and haul heavy baskets of ashes to the curb or empty them into the pit behind the barn.

Nor will they see huge columns of smoke trailing after trains and get cinders in their eyes standing next to the tracks. They won't play tag on the metal covers above underground school coal bins, sprinkle ashes on the icy sidewalks and driveway, and, thank goodness, they won't have to go hunting daily for a few precious pieces of coal just to keep the house warm for another night as so many thousands were forced to do during the early 1930's.

\*\*\*\*\*

All of which brings to mind an interesting pastime of my friend, Fran Gazlay, over on Rogers Street. Puzzled why plants grew so small on a long, narrow portion of the yard next to his home, Fran began digging and quickly discovered the burial place for the ashes discarded by the families that once occupied the house.

For some, the discovery would have been upsetting. But not for Fran. He was ecstatic. Now, once each day, he digs up a few shovelful, carefully sifting the ashes for such treasures as old bottles, spoons, and even license plates. By jealously guarding his ash pile against the encroachments of friends and by limiting himself to only a few shovels daily, he figures he can savor his hobby for years.

"It's great sport," he chortles, "just find yourself and old pile of ashes and start digging."

## Michigan Mirror

# State Pay Hike of 6.9 Percent Authorized

LANSING — The Michigan Civil Service Commission has settled on an average 6.9 per cent salary hike for the state's 43,000 classified employees. The package will cost taxpayers \$24.1 million.

Included in the new pay plan is \$2.67 million in additional fringe benefits. This encompasses liberal overtime compensation provisions.

Last year the commission authorized an average raise of 6.3 per cent, costing \$19 million overall. It was widely accepted by the employees — but considered short of their goal.

The new proposals can be amended or rejected by the 1969 Michigan Legislature. There are indications that support is building for a reduction of the increase.

Commission officials said the new pay plan dollar spread includes:

About 23,000 state employees in the five lowest grades, who would get \$9.85 million.

An additional 1,074 employees in the six highest grades, who would get \$1.43 million.

Another 18,407 employees in seven middle grades, who would get \$12.89 million.

COMMISSION Chairman Richard L. Milliman said, "Wage comparisons with public and private employers, recent negotiated labor settlements, the cost of living, and requests of departments and employee groups were weighed against public resistance to increasing public payrolls" in setting the wage rate increase.

"We don't expect everybody to be satisfied, but we think this package realistically approaches the public need for a reasonable level and quality of

service in a tight labor market and an expanding economy," he added.

The commission report said above average increases were recommended in employment groups where there was continued large demand and short supply, or where there was high turnover. These groups included trade classes, teachers, physicians, psychiatrists and some unskilled and semi-skilled institution service classes.

MORE THAN 600 teachers, including those in special education and rehabilitation trades, received increase recommendations for institution service workers (Grade 1), 9.7 per cent, and for nurse (Grade 3), 7.3 per cent.

Regular clerical and administrative adjustments range from 5.2 to 7.1 per cent; labor and trade classes from 6.9 to 8.2 per cent; social welfare classes

from 6.9 to 7.7 per cent, and physicians, psychiatrists and dentists from 6 to 8 per cent.

PUBLIC financing of private industry for vocational-technical training in Michigan is under study by the State Board of Education.

The survey was prompted by board member Charles E. Morton of Detroit, who believes private industry is better equipped than most government agencies to handle vocational education.

Dr. Ira Polley, state superintendent of public instruction, called it a "brilliant" idea and said it should be included in future budget requests.

STATE POLICE warn against the dangers of carbon monoxide poisoning in cars and homes this winter. Several deaths have been attributed to this gas already. Drowsiness is one of the first

symptoms of carbon monoxide poisoning. This is accompanied by nausea and vomiting.

Officers suggested the following precautions in guarding cars and home heating systems against carbon monoxide leaks:

Have car exhaust systems thoroughly checked for winter driving and inspect for leaks into the passenger

compartment.

Properly ventilate the car at all times, whether driving or parked, and avoid running the engine when sitting in the car for any length of time.

Do not run the car engine in a closed garage.

Have flame-type heating appliances properly inspected.

## Roger Babson

# Explores Utility Stock Investments

WELLESLEY HILLS, Massachusetts — Up until the election, utility issues lagged noticeably behind the industrials and rails in the stock market. In spite of the federal surtax, interest rates did not drop sharply enough to benefit the heavy-borrowing utilities. At the same time, the surtax served to restrain earnings of most of the companies to near 1967 levels. These conditions still prevail... the advance in prices of utility stocks since November 5 is thought to be due to

buying of this long-ignored group by mutual funds and large block holders rather than to prospects for immediate interest-rate relief.

However, even after a strong post-election advance, this may be the time to take a good hard look at the utility sector to note some of the varied advantages offered investors with differing investment requirements. By reason of their location, accounting practices, and general make-up, utility stocks do differ in what they have to offer. Following are several important aspects:

IN THIS GROUP there are many high-grade situations in common stocks offering yields of 5% or more, such as Consolidated Edison of N.Y., General Public Utilities, Allegheny Power, and Niagara Mohawk Power. These are all well-established companies that have been operating for many years and will be around for years to come. Most utilities also offer high-quality bonds and preferred stocks which yield even more than the common issues.

A second attraction in the utilities group are those companies offering partially tax-free dividends. Because of their financial accounting structure, some companies pay dividends which are considered a partial return of

capital. Portions of these dividends are exempt from ordinary federal income taxes and could be especially attractive to persons in high tax brackets. (Exempt portion of dividends reduces the cost basis of shares held... tax is paid after shares are sold — at capital-gains rates.) While the exempt portion may vary from year to year, examination of a company's past record should produce a predictable pattern. Notable in this group is, again, Consolidated Edison — whose 1967 dividend payment was considered 96% nontaxable as income. Orange & Rockland Utilities is another electric utility having a substantial exemption provision, approximately 64% in 1967.

CERTAIN sections of the country are today growing at a faster pace than are some of the more settled regions. Growth may be measured in terms of population, economic development, personal income, and other indices. Utilities operating in growth areas of the country may be expected themselves to

grow (in terms of revenues, earnings, and dividends) at a rate faster than for the rest of the industry. Companies that appear favorably situated in this respect are Carolina Power & Light, Houston Lighting & Power, Middle South Utilities, and Florida Power.

A company that should be highly resistant to economic change by reason of its diversity of product and its areas of operation is Citizens Utilities. This company operates in eleven states from Vermont to Hawaii and derives well-balanced revenues from telephone, electric, gas, and water services. "Products" supplement each other, and an economic slowdown in one sector will be supported by company's other services. Presently, the principal operating area for Citizens Utilities is California-Arizona. Retirement developments, commercial and industrial activity, and tourism serve to make this a particularly attractive growth area.

Citizens Utilities offers two classes of nearly identical common stock: Series A — dividends in additional stock only; Series B — dividends in cash only. Series A is exchangeable for Series B at any time. Hence... a uniquely flexible arrangement for varied investment requirements.

## Send Soldiers Voice of Home

It's time again for families of servicemen overseas or hospitalized or stationed in the United States who cannot get home for Christmas — to make recordings to send to their loved one. "Voices From Home" a project of the American Red Cross may be made at the Washtenaw County Chapter, 2729 Packard Road, and other locations throughout Washtenaw County.

Persons wishing to make a recording may make an appointment by calling 971-5300. The deadline for recording — in order that each serviceman will receive his own "Voices From Home" by Christmas — is December 16.

One of the many hats of Consumers Power

**WIFE-SAVER**

Many a housewife is happier today because of this lady from Consumers Power. She's a home service adviser. She's a wizard with appliances. A whiz at the range. A fount of know-how on work-saving, time-saving, wife-saving ways to run a home.

An expert in home economics, she puts on demonstrations for women's groups in the Consumers Power kitchens, explains the newest cooking and cleaning tricks, instructs on home safety. She visits schools to tell girls how to care for home appliances.

The services of our home service adviser are free. We look at it this way. If our experts can save you time and effort, if they can help you become a more effective homemaker, you'll

continue to think of us (we hope) as a helpful neighbor, whose energy lightens housework and gives you more free hours for other things.

Customer-minded people. That's what we try to be at Consumers Power.

Presenting Mrs. Watson with a plaque is Kiwanian Frazer Staman, who played a key role in securing the postal appointment of Mrs. Watson 17 years ago.

### Child Center Gains

## Wayne Supervisors OK Record Budget

Improved services at Wayne County General Hospital, measures to bolster crime prevention and better child care are among the major features of the new Wayne County budget which took effect this week.

The county began its 1968-69 fiscal year December 1 with a record budget of \$142.4-million, which is about \$15-million above last year's outlays.

There was no increase in the county property tax. The larger budget will be financed by increased revenues from grants and fees, from new construction and rising land values, and

from more State income tax revenue.

"The County's public service programs have been improved and expanded as much as possible, within the means available, to meet the needs of our growing population more adequately," said John L. Canfield, chairman of the County Board of Supervisors.

The budget of Wayne County General Hospital, the largest single county facility, was increased from \$27.3-million to \$30-million. A total of 158 new positions were added at the hospital. Waits of more than an hour for out-patient treatment have been reported as a result of staff shortages.

The Board of Supervisors earmarked \$125,000 to start on improvements at the County Jail, as recommended in a recent study of the jail by the Citizens Research Council at Michigan and the National Council on Crime and Delinquency.

In addition, 15 positions were added to the force of Sheriff's deputies at the jail and nine new jobs were established at the Sheriff's Road Patrol, where programs such as adult safety classes had to be abandoned due to a lack of officers.

Thirteen additional juvenile group leaders and four more probation officers were provided for Wayne County Juvenile Court and the Youth Home to combat juvenile delinquency more effectively.

Ten additional probation officers were approved for Wayne County Circuit Court.

The Wayne County Child Development Center, the only county-operated residential school for mentally retarded children in the nation, was granted 23 more child care positions. Various recent studies of the center had cited personnel shortages.

Many of the new positions at various county agencies will not be filled immediately due to shortages of funds, but most are expected to be filled sometime during the fiscal year.

The new budget also included wage adjustments for the county's employees in order to bring county wage rates more nearly into line with those in the general community.

# \$69-Million Bond Issue OK'd For Wayne County Improvements

Airport expansion, renewed support of county home rule and completion of pay adjustments for Wayne County employees were the major items acted upon by the County Board of Supervisors at its latest meeting.

The supervisors approved a \$69-million revenue bond issue for improvements at Detroit Metropolitan Wayne County Airport, which is operated by the County Road Commission. The improvements, to be financed by airport revenues, not by tax money, are designed to keep pace with the increasing air traffic.

Major items in the bond issue are \$16,800,000 for terminal expansion and additional passenger gates, \$10-million for an additional 10,000-foot runway to accommodate big jets, \$10-million for land acquisition for the runway, \$6,400,000 for a 2,000-car expansion of the parking garage, and \$5-million for storm water drainage facilities.

The Board of Supervisors also endorsed a proposal by Grosse Ile Township Supervisor Merle Solomon that the township acquire the Grosse Ile Naval Air Station after the Navy moves out, and operate it as a civilian airport. The Naval Air Station is scheduled to be closed within a year.

The County Road Commission recommended endorsement of the Grosse Ile proposal as a move to meet a serious need for an airport for private and business aircraft and to alleviate the crowded conditions at Metropolitan Airport.

In other action, the Board of Supervisors reaffirmed its support of county home rule without a dissenting vote.

The board's resolution stated that the new directly-elected Board of Supervisors, which will take office Jan. 1, is "strongly urged to place the home rule question on the ballot at any special election which might be held prior to the next county-wide primary or general election." There is talk of a special community college election being held next June.

A proposal to establish a charter

commission to write a county home rule charter was defeated in the November 5 election, as was the community college proposal.

The Board of Supervisors also approved labor contracts and special pay adjustments covering about 2,500 county employees who were not included in the contracts which became effective last April 1.

### Salary Study Launched

## What to Pay Supervisors?

A blue-ribbon bipartisan citizens' committee will recommend salaries for members of the newly-reapportioned Oakland County Board of Supervisors. Democratic board members, who

hold a 15-12 majority on the board, have proposed the plan to resolve the salary problem, a major campaign issue. Restructuring of the board on a "one-man, one-vote" basis and its

Among the wage adjustments are increases which raised the pay of patrolmen in the sheriff's department to match that of Detroit patrolmen. The new scale for deputies will start at \$7,500 and go to \$10,300 in four years, compared with an old range of \$7,424 to \$8,335.

County officials said the increases were necessary to enable the county to

compete with other jurisdictions in the hiring of qualified officers.

The wage adjustments exceeded the \$2.8-million included in the new county budget for that purpose by \$747,000. Ways to trim other appropriations by that amount will be considered at a meeting of the Supervisors Ways and Means Committee in mid-December.

## Lawmaker Slaps 'Gimme' Tactics

Representative Louis E. Schmidt, a Republican who lost out to Marvin Stempien in the November election, this week slapped the "gimme" tactics of the Detroit School District.

Detroit, charged Schmidt, is taking the "cup-in-hand" position just as it did two years ago when "a Democratic controlled legislature 'bailed' out the school district of Detroit with a \$9 million appropriation."

In that year, said Schmidt, Detroit received about 50-percent of the money while other districts received but \$2.50 more per enrolled pupil.

No one denies that the state has a responsibility — but this responsibility should result in help to all school districts, he said. "What about Livonia, Northville and Clarenceville school district taxpayers?"

"The 1968-69 property tax for schools is \$35.97 in Livonia, \$32.90 in Northville and \$37.90 in Clarenceville. What is Detroit's? It's \$22.504."

Schmidt went on to explain that an amendment he proposed in 1967 to

the state aid formula would have allowed for local effort. But pressure to put money in other categories, lack of interest of legislators, and because the "haves" were not interested in helping others led to the proposed amendment's death.

"Should our area taxpayers, who are paying top school taxes, be forced again to assist those who pay about 37-percent less school tax than Livonia, 22-percent less than Northville, and 42-percent less than Clarenceville," Schmidt asked.

"Isn't it about time that there be more property tax relief (which I endeavored to obtain in the income tax)? Why should school districts with per pupil valuations higher than our area expect to get help?"

"Let's be realistic. Let's change the property tax procedure. Let's help schools on the basis of need and programs needed for children."

reduction from 87 to 27 members is expected to raise other questions in the areas of jurisdiction and function as well.

Currently, supervisors receive a stipend of \$20-per-diem.

Supervisor Philip O. Mastin Jr. of Hazel Park, Democratic caucus chairman, indicated he hopes for bipartisan support on the proposal.

"We are sure that all responsible supervisors-elect of each party will enthusiastically support this plan," Mastin commented.

## Oakland Lawmen Elect President

Howard Whaley, chief investigator for the Oakland County Medical Examiner's office, was named Tuesday night of last week as the Oakland County Law Enforcement Association's 1969 president.

Novi hosted the association at Saratoga Farms Restaurant where the slate of officers was named and where the lawmen heard the county prosecutor-elect, Thomas Plunkett, air his views.

The other officers selected were Robert Philips of Sylvan Lake as first vice-president, Ted Bly of the parole

board as second vice-president, Secretary Robert Parsons of the Maccabees, Treasurer Dave Putnam of Waterford, and Robert Avritt of Milford as Sergeant at arms.

Directors chosen for the coming year included the following: Harry Jones (Oakland County Sheriff's Dept.), Merlin Holmquist (Birmingham), L. Marsh (White Lake), Lee BeGole (Novi), Prosecutor-elect Plunkett, Clayton Randolph (City of Pontiac), Herman Schwarze (Pontiac Motor), Carl Carter (National Bank of Detroit), Leon Dochet (Novi) and Don Woodward, the Post Office inspector.

### Did you know that...

There is no such thing as a completely fireproof building i.e., one which will not suffer some damage by fire. Express your support for driver education to your state officials, your law-makers, and your local school board. Jim: "Did your wife lose much weight on her diet of coconuts and bananas?" John: "Only a couple of pounds. But you should see her climb a tree!" An individual who computes premium rates and loss reserves on a scientific basis is called an "Actuary." # Drinking by Minors Boosts Arrests

Minors in possession of alcoholic beverage resulted in the most number of arrests by the Northville Police Department during the month of October.

In its monthly police report, the department files showed that a total of 11 youths were arrested for possession

of alcohol.

Next highest arrest category was for motorists driving under the influence of alcohol. Eight persons were arrested for this offense. Six persons were arrested for being disorderly-drunk.

During the month, the department

received 568 calls — up 97 from the same month a year ago. Of these 568 calls, all but 58 township calls originated from within the city. Police activity included 29 animal complaints, 23 open doors and 17 escapees.

Larceny of \$90 or less was involved in 10 cases as opposed to five for the same month in 1967. Other offenses included five assault and battery, 13 vandalism, seven uttering and publishing, 21 traffic, and 29 impounded vehicle cases.

There were no major crimes such as murder, manslaughter, felonious assault, rape, armed and unarmed robberies or burglaries last month. There have been, however, four felonious assaults, one aggravated assault, 36 cases of assault and battery, one accosting, two indecent liberties cases, three rapes, 11 burglaries, 13 larceny cases involving \$100 or more, and 10 auto thefts since the beginning of the year.

Among the crimes that have increased significantly this year as compared to the same period a year ago are assault and battery, up 23 from 13 to 36, larceny of under \$90 up 35 from 61 to 95, vandalism up 20 from 61 to 81, and minors in possession up 34 from 37 to 71.

There were no narcotic violations in Northville in October, but this offense is up to four for the year from the single case investigated for the same period in 1967.

Moving and parking violations have increased significantly. A total of 213 moving violations were recorded in October compared to 111 in October of 1967. Parking violations increased from 146 to 305. For the year moving violations are up from 1,039 to 1,359, but parking violations are down from 3,613 to 2,912.

A total of 21 accidents occurred in October — the same number recorded in October, 1967.

## State Approves Bonds For Taft Road Paving

Special assessment bonds for the completed Taft Road paving project have been approved by the Michigan Municipal Finance Commission.

Attorney General Frank J. Kelley, chairman of the commission, announced approval of \$89,000 in bonds last week and advertisement of their sale by the city began this week.

Proceeds will be used to defray part of the cost of the improvement.

Special assessment bonds are payable from special assessments due in nine annual installments with the full faith and credit of the city pledged to meet principal and interest should the installments be slow in coming in.

**JUST ACTING**—Mr. Dussel (Metin Denirsar) uses force to restrain Peter (Phil Kennedy) as Mr. Frank (Bob Shafer) and Mr. Kraler (Gus Wedemeyer) look on in a scene from the Northville All School Play, "The Diary of Anne Frank", being presented today, tomorrow and Saturday in the high school auditorium.

## Northville Play Starts 3-Day Run

Ticket sales are lagging, folks.

That's the word from Northville All-School play director Robert Chapel as "The Diary of Anne Frank" was readied for the first curtain raiser tonight in the high school auditorium.

Chapel, whose young performers plan two evening performances at 8 p.m. tonight and Saturday night and a matinee at 3 p.m. tomorrow, said that ticket sales just haven't been up to his expectations and hopes.

"The kids have really worked their hearts out to make this a really outstanding production," Chapel said, "and I would hate to see their efforts greeted by sparse attendance."

The play stars Chris Becker as Anne, whose diary was found after World War II in Amsterdam, where she and her sister Margot (Mickey Donahue) and parents (Bob Shafer and Lauri Dagher) were cooped up in a building with other Jewish people who were trying to escape Nazi persecution.

Anne Frank actually died in a Nazi concentration camp before her diary

came to light. She lived as normal and moving a life as possible under the circumstances and used her diary to tell the world the joys and pleasures as well as the sorrows persecuted people underwent.

Anne had a boyfriend, Peter (Phil Kennedy), and neighbors, Mr. and Mrs. Van Daan (M. Emerson Gazlay and Jeannette Gensley). Others in the cast are Mr. Dussel, portrayed by Metin Denirsar, Mr. Kraler (Gus Wedemeyer) and Miep (Lynn Macri).

Chapel was assisted by Jeanice Dagher as student assistant and three faculty members. In charge of costumes was Patricia Dorian, with Roy Pedersen handling sets and Donald Valentine taking care of publicity.

You may purchase a ticket for \$1.25 yet today, but at tonight's performance you will pay \$1.50, as you would at the Friday matinee or Saturday night. Chapel urges everyone to get out, save 25 cents by buying early, and support efforts of these fine high school students.

## Renee Westphall Sings in 'Messiah'

Five students from the Detroit area, including Renee A. Westphall of Northville sang with the Bob Jones University Oratorio Society and Chamber Orchestra in Handel's "Messiah" at the university in Greenville, South Carolina, on November 30 and December 1.

The daughter of Mr. and Mrs.

Raymond Westphall of 227 North Roger, Miss Westphall is a soprano and a music education major.

The two presentations were part of the gala Thanksgiving weekend events scheduled at BJU. The University Classic Players also staged two performances of PROLOGUE, a stirring drama on the life and death of Jon Hus, reformer, on November 28 and 29.

Bob Jones University, known as the "World's Most Unusual University," is a liberal arts, coeducational, Christian institution.

## Cadet Cited At Roosevelt

Cadet Michael Pressly, who is a student in the Roosevelt Military Academy Aledo, Illinois, was cited for excellence at special ceremonies honoring award winners for the first quarter of the school year. Cadet Pressly is the son of Mrs. Patricia Pressly, 413 Ely Drive South.

Cadet Pressly was presented an award for excellence in: Academics, Military, Conduct and Crack Squad.

# Official Proceedings of Northville Township Board

Minutes of November 6, 1968  
Meeting called to order at 8:35 p.m. by Supervisor Stromberg.  
Present: Armstrong, Baldwin, Hammond, Lawrence, Straub, Stromberg, Consultants: Ashton and Mosher; Five township residents.

Absent: Tellam.  
Minutes of the meetings of October 1 and 24, 1968 were approved as submitted.

Treasurer's report was approved. Bills Payable for General Township and Water & Sewer Department were moved paid for the current month, by Baldwin, seconded by Armstrong. Ayes: All.

Hammond moved that the Building Reports for September and October be accepted and filed, seconded by Straub. Ayes: All.

Clerk's quarterly budget report was discussed and then moved accepted for filing by Lawrence, seconded by Baldwin. Ayes: All.

Baldwin moved that the Planning Commission minutes for October 29, 1968 be accepted and filed, seconded by Straub. Ayes: All.

Armstrong moved that the Appeal Board minutes for October 28th, 1968 be accepted and filed, seconded by Baldwin. Ayes: All.

Water & Sewer Commission minutes for October 22, 1968 moved to be accepted and filed, by Hammond, seconded by Straub. Ayes: All.

## CORRESPONDENCE

1. Oakes. Straub moved that Mr. Oakes letter of October 4, 1968 be filed, seconded by Lawrence. Ayes: All.

2. Wayne County Public Works. Baldwin moved that the Board could not agree to allowing Oakland County use of capacity in the Rouge Valley Interceptor until such a time as our Township has decided upon the additional sewage capacity needed in the foreseeable future by the Township. Seconded by Armstrong.

Ayes: All.

3. City of Taylor. (Astrodome stadium) Baldwin moved that this letter be filed, seconded by Straub. Ayes: All.

4. Lapham case. A letter from Draugelis & Ashton stated that the time allowed to appeal the Lapham case has elapsed with no action being taken. Lawrence moved that the letter be filed, seconded by Baldwin. Ayes: All.

5. Hospital Water contract. This contract has been received, signed and is in the safe in the Township Hall. The engineers are beginning work on the project.

6. Library request. The Library has requested funds for additional equipment. Our use of the Library is one third, but last year we were billed for one half of the purchased equipment. This has been discussed with the City and they will apply the overpayment on this year's bill for equipment if we approve the request. The amount this year is \$1,050. Hammond moved that the Township grant the request for equipment on a 1/3-2/3 basis and that we ask for a credit of the overpayment of last year. Second by Lawrence. Ayes: All.

7. State of Michigan - Cemeteries. Straub moved that the letter be filed, seconded by Lawrence. Ayes: All.

8. SEMCOG. Baldwin moved that the letter be filed and that the questionnaire regarding purchasing be filled out and returned to Semcog. Second by Hammond. Ayes: All.

9. Greenspan. Since we have a letter from our engineer indicating that the sewers and water mains have been approved, Straub moved that the Township send a letter to Greenspan stating that these sewers and mains in Northville Colony Estates have been satisfactorily installed and approved by the Township; approval limited to sanitary sewers and water mains. Second by Baldwin. Ayes: All.

10. City of Detroit. This letter concerned use of water lines from Dehoco to Our Lady of Providence School. This request was granted by the City of Detroit. Armstrong moved to file this letter, seconded by Lawrence. Ayes: All.

## OLD BUSINESS

1. Dump. Stromberg detailed a plan whereby large containers would be placed at the present City dump site, on a cement slab. It would be used for disposal of rubbish by Township owners, with a separate container being used similarly by City residents. When filled, these containers would be hauled away to a nearby landfill at a cost of \$16.50 per container. It is estimated that at one container per week, our costs for a year would be approximately \$2,678.00. The concrete foundation would cost about \$240.00. Commercial and industrial firms would have to dispose of their own rubbish. This plan has been discussed with the City and meets with their approval, the total costs to be divided. The cost of supervision of the area would add about 250 dollars additional to the yearly costs. Hammond moved that the Township join with the City in establishing a rubbish system along the lines mentioned. Second by Lawrence. Ayes: All.

2. Cemetery plaque. Mr. Sliger of the Northville Record presented a plastic plaque which shows the history of Waterford Cemetery. He suggested that a metal backing plate could be obtained from a printer who still uses this process. Mr. Stromberg will try to contact the two men mentioned. Armstrong moved that the Board thank Mr. Sliger for his generosity and that we table the matter for further information, seconded by Baldwin. Ayes: All.

3. The Clerk announced that she had written in response to a letter from the O.E.O. "opting out" of their

proposed program in the area.

4. Armstrong gave a brief summary of matters discussed at an MTA meeting on October 10, 1968 which was attended by four members of the Board.

5. Storm drains. Attorney Ashton read his draft of a resolution establishing Township control over installation of storm drains. It had been presented to the Township in a letter from him on October 8, 1968. Baldwin moved the adoption of the resolution as read, seconded by Straub. Ayes: All.

## NEW BUSINESS

1. Election returns. The Clerk reported that Stromberg has been elected Supervisor until November 1970. Straub was elected Trustee for the same period, and M. R. Mitchell and B. Baldwin were both elected to the four year term, until 1972. Of the registered voters in the Township, 86% voted in the Town. 5 election.

2. Air conditioning and plumbing code changes. Baldwin moved that these code adoptions and changes be tabled until the next meeting, in order that the new Building Inspector could be present to explain them. Seconded by Lawrence. Ayes: All.

3. Private road maintenance. The residents of Norton St. have requested that the County maintain their private street. The County will not handle this unless the Township authorizes it. The Township would then have to collect the cost of said maintenance from the residents. Mr. Stromberg is to set up a meeting of the residents with Mr. LaGosh from the Wayne County Road Comm.

4. Announcement was made of a special study meeting for the Township Board and the Planning Commission for Monday, November 11, 1968.

5. Water and Sewer Commission recommendations... from meeting of Oct. 22, 1968.

(On the recommendation of the Water & Sewer Commission, the 7 following recommendations were adopted as resolutions.)

a. Resolutions. Armstrong moved that John S. Kaiser (Township Building Official) be appointed as Manager of the Water & Sewer Department at an annual salary of \$2,160.00. He will read meters, inspect pressure regulator valves and maintain charge of the meters and materials of the department. Second by Baldwin. Ayes: All.

b. Sewer size. Lawrence moved that the minimum size of sanitary sewers acceptable in the Township system be increased from 8" to 10". Second by Armstrong. Ayes: All.

c. Water service connections. Lawrence moved that the Township adopt a rule that no unions be permitted in any copper water service connection pipe of 1" or less diameter and up to 100' in length, nor in any copper water service pipe of 1 1/2" diameter and up to 60' in length; also that where allowable, all unions in copper service pipes shall be approved copper to copper lapped water tube couplings. Also, that preparation of specifications to govern materials and installation of service connections be authorized. Seconded by Straub. Ayes: All.

d. Charges - water service connections. Lawrence moved that the charge for installation of water service connections for apartments be the actual cost of labor and material plus 30% to cover incidental and overhead expense; also, that the charge for installation of a 1" water service in a 60' street be set at \$175.00 and that in streets wider than 60' this charge be increased by the amount of \$2.00 per foot of width in excess of 60'. Seconded by Armstrong. Ayes: All.

e. Edenderry fire hydrants. Lawrence moved that since cost of

installation of fire hydrants in Edenderry Sub (by the City of Plymouth) originally quoted at \$500.00 each has now been estimated to be \$750.00, the Township Water & Sewer Department should assume the cost in excess of the \$500.00 quoted former-owners in Edenderry and Shadbrook Subdivisions and billed to them by the Water and Sewer Department. Seconded by Baldwin. Ayes: All.

f. Meter installation charge. Baldwin moved that the inadequate charge of \$10.00 for installation of 3/4, 1" and 1 1/2" water meters be increased to \$15.00. Supported by Armstrong. Ayes: All. g. Use of fire hydrants, charges. Baldwin moved that the Township adopt a system of permits for use of fire hydrants for construction water and that with each permit the Township furnish a standard hydrant wrench and a hydrant adapter of suitable size; also that a deposit of \$50.00 be required for each permit, of which \$25.00 shall be retained by the Township to cover costs of issuing permits, supervising hydrant use and inspecting hydrants after use, and \$25.00 shall be refunded on return of hydrant wrench and adapter and inspection finding the hydrant in satisfactory condition. If hydrant is not found in satisfactory condition, all expenses incurred in its repair shall be paid by the user. It was also recommended that the charge for water used in pavement construction shall be computed at one cent per square yard of pavement. Seconded by Straub. Ayes: All.

6. Request from Planning Commission... October 31, 1968. In a communication from the Planning Commission the Board was requested to give its opinion on the current land use and zoning, particularly as to density. They would like to know if any changes are necessary at this time. Armstrong moved that the Township adhere to its Master Plan as proposed by Lippican, Leman and Associates, and supported by the Planning

Commission, as closely as possible to density requirements. Second by Lawrence. Ayes: All.

7. An announcement by Stromberg detailed the new Enterprise telephone numbers for the Wayne County Sheriff and Michigan State Police to be used by area residents.

8. Don Thomson. Lawrence moved that Mr. Thomson's request for a lot split under Section 600 of Ordinance No. 25 and Sec. 1100 of the same ordinance providing for a variance for hardship, be allowed and that he be permitted to take 18 feet from Lot 11 and add it to his lot; and that the Supervisor be allowed to approve said lot split. Seconded by Armstrong. Ayes: All.

9. Tax penalty waiver. Upon recommendation of the Treasurer, Mrs. Hammond moved that the tax penalty of 1% on taxes paid between February 15th and March 1st be waived. Second by Baldwin. Ayes: All.

10. The matter of purchase of a "gopher" for the W & S Department was tabled until the next meeting, so that more information could be secured.

## APPOINTMENTS

1. Planning Commission. Lawrence moved that both Mr. Boor and Mr. Bowlby be re-appointed to the Planning Commission, for a three year term, beginning in November, 1968. Seconded by Straub. Ayes: All.

2. Board of Review. Mrs. Hammond moved that Mr. Burton Williams be re-appointed to the Board of Review for a two year term, beginning January 1, 1969. Second by Lawrence. Ayes: All.

## OTHER BUSINESS

Mr. Baldwin expressed his pleasure over the speed of response of the fire department and the method of fighting the recent fire in his home on Meadowbrook Road. He stated that he felt it had been handled very professionally and that there had been plenty of equipment on hand.

Meeting adjourned at 12:10 a.m.  
Eleanor W. Hammond, Clerk

## Northville City Council Minutes

November 18, 1968  
Mayor Allen called to order the regular meeting of the Northville City Council on Monday, November 18, 1968, 8:10 p.m. at the Northville City Hall.

Present: Allen, Black (late), Carlson, Lapham (late) and Nichols.

Absent: None

Minutes of the regular Council Meeting of November 4, 1968 were approved as submitted.

Moved by Carlson, support by Nichols, to pay bills in the following amounts.

General Fund	\$23,363.03
Public Imp. Fund	3,338.41
Water Fund	2,077.21
Street Fund	1,705.05
Other Government	52.00

Unanimously carried.

(a) Letter from Arthur Loub, Executive Director, American Cancer Society, Michigan Division, asking for re-consideration of request to solicit door-to-door for funds in City of Northville during April, 1969.

(Councilman Black entered meeting at 8:20 p.m.) Mrs. Rose Hamilton, 48881 W. Seven Mile Rd., Northville Branch Chapter, was present. City Mgr. suggested that no action be taken on the request but a recommendation be made by the City Attorney regarding the present policy or an ordinance change. (CC: to Mrs. Rose Hamilton)

(b) Copy of a letter from Dennis Dildy, to Judge-elect Dunbar Davis, tendering his resignation as Chief Probation Officer of the Northville Municipal Court.

(c) Letter from Salvation Army of Plymouth, asking permission to solicit in Northville the week of November 9th. As this date is passed, City Manager will write, giving usual permission to have "Christmas Kettle" in Business District.

(d) Excerpt from November 6, 1968 Northville Township Minutes; Bernie Baldwin commending Northville Fire Department on its quick and efficient fire-fighting at his home on Meadowbrook Rd. recently.

(e) Letter from Paul Fackler, D. C., requesting action on parcel of land on Novi Rd., City Mgr. recommended a Work Session on this matter.

The October report from Northville Police Dept. was placed on file.

(a) October 3, 1968, Northville Library Advisory Committee minutes accepted.

(b) Minutes of the November 5, 1968, Planning Commission meeting were placed on file. City Mgr. reviewed the three matters of business on Planning Commission Agenda:

1. Request for expansion of Presbyterian Church sanctuary

2. Store front renovation of Hugh Jarvis Gift Shop

3. Northville Laundry application for site plan and approval.

(c) Minutes of Joint Meeting of

Northville City Planning Commission and Northville Township Planning Board of November 12, 1968, were filed.

Clerk read communication from Michigan State Liquor Commission regarding the dropping of name of Anna Altman from license at 567 Seven Mile as requested by Dunbar Davis, attorney for Anna Altman estate.

Moved by Black, support by Carlson, to approve application recommending dropping of name of Anna Altman from liquor license (Charles Altman, Jr.) at 567 Seven Mile as requested by Dunbar Davis, attorney for Anna Altman Estate. Unanimously carried.

City Mgr. reviewed the background of the Municipal Parking Authority's request to have 29 parcels of property appraised. Moved by Carlson, support by Nichols, to approve City Mgr.'s recommendation that 12 key properties be appraised - fee for said appraisal not to exceed \$1320.00. Unanimously carried.

City Mgr. explained the resolution giving City Mgr. authority to proceed and report to Northville City Council on results of bids in which City of Northville may participate as cooperative buyers. City Attorney suggested amendment to resolution in line with charter requirement. Moved by Nichols, support by Carlson, to adopt Resolution 68-16, as amended. Unanimously carried.

Moved by Nichols, support by Carlson, to pay \$25.00 annual membership fee in Wayne County Public Purchasing Ass'n. Unanimously carried.

City Mgr. reported there are 3 dead-end streets or cul-de-sacs in Northville Estates. Both Northville Estates Ass'n. and Northville Police Dept. recommend closing of these. This matter to be held over for action at December 2nd meeting.

City Mgr. reviewed equalization factors and related matter for the City of Northville and announced tentative factors as follows: Oakland County - 1.25; Wayne County - 1.17.

The appointment to Northville City Board of Canvassers to fill unexpired term of W. E. McCarthy (to Dec. 1, 1971) was postponed until December 2nd meeting.

City Mgr. explained that tree in question had been mentioned to City, as needing trimming, prior to damage, insurance company claims this as "An Act of God" but agreed to pay one-half \$40.08.

(Councilman Lapham entered meeting at 9:35 p.m.) City Mgr. authorized to pay above amount.

Meeting recessed at 10:10 p.m.

Meeting reconvened at 11:25 p.m.

City Mgr. explained the various transfer appropriations as listed on Resolution 68-15.

Moved by Black, support by Lapham, to adopt Resolution 68-15

"Transfer of Appropriations". Unanimously carried.

There being no further business, the meeting adjourned at 11:45 p.m.

Martha M. Milne  
City Clerk

## SPECIAL MEETING

Special Meeting of the Northville City Council was called on Monday, November 25, 1968, for the purpose of approving the liquor license transfer from John Asimacopoulos to Vernon D. Huntton, Jr. and Charles Janssen - for 111-113 W. Main St., Northville, Michigan.

Mayor Allen called the Special Meeting to order at 10:45 p.m. at the Northville City Hall.

Present: Allen, Black, Lapham and Nichols

Absent: Carlson (signed waiver)

Moved by Allen, support by Black, to call Special Meeting for purpose of considering transfer of ownership of 1968 Class C and SDM licensed business, located at 111-113 W. Main St., Northville, Michigan, from John Asimacopoulos to Vernon L. Huntton, Jr. and Charles Janssen. Unanimously carried.

Moved by Black, support by Lapham, to approve transfer of ownership of 1968 Class C and SDM licensed business, located at 111-113 W. Main St., Northville, Michigan, from John Asimacopoulos to Vernon L. Huntton, Jr. and Charles Janssen. Unanimously carried.

There being no further business, the meeting was adjourned at 10:50 p.m.

Frank Ollendorff  
Acting Clerk

## OFFICIAL NOTICE OF SALE \$89,000.00

CITY OF NORTHVILLE  
COUNTIES OF WAYNE AND OAKLAND, MICHIGAN  
1968 SPECIAL ASSESSMENT STREET IMPROVEMENT BONDS  
(District No. 68-2)

Sealed bids for the purchase of the above bonds will be received by the undersigned at her office in the City Hall, 215 W. Main, in the City of Northville, on Monday, the 16th day of December, 1968, until 8:00 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read.

Said bonds shall be dated December 1, 1968, shall consist of four (4) bonds of the denomination of \$1,000.00 each and seventeen (17) bonds of the denomination of \$5,000.00 each, numbered consecutively in direct order of maturity from 1 to 21, both inclusive, and will mature serially without option of prior redemption as follows:

\$9,000.00 October 1, 1969;  
\$10,000.00 October 1st of each of the years from 1970 to 1977, inclusive.

Said bonds shall be coupon bonds and shall bear interest from their date at a rate or rates not exceeding five and forty one-hundredths per cent (5.40%) per annum, expressed in multiples of 1/8 or 1/20 of 1%, or both. Said interest shall be payable on October 1, 1969, and semi-annually thereafter on April 1st and October 1st of each year. The interest rate for each coupon period on any one bond shall be at one rate only and shall be evidenced by one coupon only. The interest rate on any one bond shall be at one rate only and no bond of this issue shall bear interest at a rate which is less than 50% of the rate borne by any other bond of this issue. Both principal and interest shall be payable at a bank or trust company to be designated by the original purchaser of the bonds, said paying agent to be qualified as such under Michigan or Federal statutes. The designation of the paying agent shall be subject to the approval by the City. Accrued interest to the date of delivery of such bonds shall be paid by the purchaser at the time of delivery.

Said 1968 Special Assessment Street Improvement Bonds are issued in anticipation of the collection of an equal amount of

the unpaid and future due installments of special assessments on Special Assessment Roll No. 68-2. In addition to the special assessments, said bonds pledge the full faith, credit and resources of the City of Northville for their payment. These bonds are being issued for the purpose of defraying part of the cost of street improvements in Special Assessment District No. 68-2, in the City of Northville.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all interest on the bonds from January 1, 1969 to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the City. No interest will be allowed on the good faith checks and checks of the unsuccessful bidders will be returned to each bidder's representative present or by registered mail.

A certified or cashier's check in the sum of \$1,780.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the City of Northville, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks and checks of the unsuccessful bidders will be returned to each bidder's representative present or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, approving the legality of the bonds, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof. The City shall pay the cost of printing the bonds. The bonds will be delivered at Detroit, Michigan, or at such other place as may be agreed upon with the purchaser.

The right is reserved to reject any or all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

APPROVED: Nov. 26, 1968  
STATE OF MICHIGAN  
MUNICIPAL FINANCE COMMISSION

**JUST A REMINDER** — Mrs. Rose Hamilton, 4881 Seven Mile Road, branch general chairman for the American Cancer Society in Northville, reminds area residents of the services of the society. She offers educational films and life-saving literature, reminding residents that dressings and other patients services are available. Also, Christmas Cards that help cancer research can be obtained by calling 273-7060, she says. Persons wishing to volunteer their help or to request a program or literature are asked to call Mrs. Hamilton at 349-1606.

## Builds on Ideas

# Flexibility's Key To Levitt Success

The proposal to build a community of homes and townhouses in a Northville Township gravel pit may seem peculiar to some — but certainly not to William J. Levitt, president of the world-famous Levitt & Sons development corporation which has options on 400-acres of the gravel mining site between Seven and Eight Mile roads.

Levitt has been turning odd ideas into financial successes ever since he built the first Levittown 20 years ago on Long Island, New York.

His company's secret to success has been described as the result of flexibility — the uncanny ability to change concepts in "mid-stream" to keep in tune with market demand.

Just seven years ago, Levitt made one of its major switches. It had cashed in on the postwar housing boom by pioneering construction of big contract developments outside large cities and by employing assembly-line methods to build houses. But the old formula of putting up sprawling, community-sized "Levittowns" — three were built (in Long Island, Pennsylvania, and New Jersey) had become outmoded. People were rebelling against the look-alike houses that were a Levitt trademark.

So the company switched tactics. It no longer concentrated on one massive development at a time — which made it vulnerable to swings in local economies. Instead, it began to branch out geographically. It decentralized operations, simultaneously building widely scattered and smaller-size projects.

While Levitt concentrated on housing developments of smaller size — usually a subdivision of homes grouped around a club, a lake, a golf course, or recreation area — Levitt himself kept

his fingers in bigger projects such as entire planned villages that combine businesses and industry with homes.

New tactics produced phenomenal sales growth — up 20-percent annually. But even so, as big as Levitt is (it's now a subsidiary of International Telephone & Telegraph), the company represents only a fraction of the homebuilding industry's output. This factor seems to drive it to new heights.

Continually expanding throughout the United States, Levitt has moved into Puerto Rico and Paris and has its feelers out in numerous other countries.

Both Paris and Puerto Rico were immediate successes. A community of 652 homes southwest of Paris sold out in three weeks after the exhibit homes were opened, and Levittown de Puerto Rico, where 2,500 homes were built, made Levitt the largest builder in that country.

Controlling this sprawling network of developments is the sophisticated computerized department in Levitt's International Headquarters at Lake Success, New York. A score of men using electronic data processing equipment, including data plotters and computer tapes, manage to keep warehousing inventory at a minimum thus insuring precise control of the flow of products and materials from productions to the job site.

Meanwhile, another Levitt team is continually on the move ("two men spend 30-percent of their time in airplanes") searching for new sites.

The proposed Northville development, if it becomes a reality, will mark the firm's first entry into the metropolitan Detroit area.

While Levitt homes, now being sold nationally, average about \$32,000, Irwin M. Adler, regional general manager for the firm, has stated that the homes proposed for Northville would run higher in price. Specifics about styles and sizes have not been disclosed, however, since the proposal is a Levitt "idea" still to be formalized with Northville Township officials.

Even if the project becomes more than a land option, Levitt's force of 1,300 specialists will not be building the homes and townhouses. It never does. Levitt is, in the true sense, a developer with ideas — having a huge staff of planners, architects, attorneys and engineers who see that others turn those ideas into wood and mortar.

## Sorry About That Chief

# 'Get Smart' Crew Invades U.S. Carrier

Long Beach, California — Would you believe that Maxwell Smart, super-sleuth, agent-86, and master of the old "Sorry about that Chief" routine has joined the U.S. Naval Reserve?

Not only has Max joined-up, but he took the "chief" and "99" with him. All of this was much to the amusement of Seaman Apprentice Norbert C. Parent Jr., USN, 19, son of Mr. and Mrs. Norbert C. Parent Sr. of 334 Yerkes Avenue, aboard the anti-submarine warfare support aircraft carrier USS Yorktown in the Pacific.

The entire NBC-TV "Get Smart" crew was aboard the carrier for a two-day filming session. Scheduled to be "aired" in early December, the story centers around the two-week active

duty tours of the "chief" and "86". During the episode, "Out of CONTROL," many Yorktown crewmen are seen at their jobs.

# An Important Notice To All Property Owners Of The City Of Northville

# Here's How To Determine Your 1969 Property Assessment AND What To Do If You Think It's TOO HIGH!

THE CITY COUNCIL wishes to make all City of Northville property owners aware that next year's assessments will be raised in both the Wayne and Oakland county portions of the city.

This is being done because county authorities have determined that the city's assessments are not up to the lawful level of 50 per cent of market value.

Therefore, both counties have informed the city that present assessments

will be increased by an equalization factor.

In Wayne county the factor is expected to be approximately 1.17.

In Oakland county the factor is expected to be approximately 1.25.

(Neither factor is certain until officially established by the counties in May, 1969).

Your property after equalization should not be assessed at more than 50 per cent of market value.

## You can determine the present assessed valuation of your property by checking your December 1968 tax bill.

(Or, you can check property assessments on the property rolls at City Hall).

To Compute Your 1969 Assessment, Simply Multiply Your 1968 Assessment by the Wayne (1.17) or Oakland (1.25) County Factors.

EXAMPLE: A house and lot in the Wayne county portion of the city with an assessment of \$10,000 in 1968 will have a 1969 assessment of

\$11,700. In Oakland county a \$10,000 assessment will become \$12,500.

If any questions arise please contact the City Assessor, Harold Penn, or the City Manager, Frank Ollendorff, at City Hall — 349-1300.

If you are not satisfied that your property has been appraised fairly and equitably, make your appeal to the Board of Review March 11th and 25th, 1969. Watch this newspaper for announcement of exact times.

No appeals can be made after March, 1969 on assessed values for that year. The values fixed at that time apply to tax bills to be sent July 1, and December 1, 1969.

The exact amount of taxes to be paid will depend on the tax rates set by the various governmental units. The City Tax rate is set in May of each year. The County, School, and other jurisdictions must set their rates by September of each year.

We urge you to take advantage of your right to review assessments. Our goal is for each property owner to pay his fair share, but no more.

The foregoing notice applies only to City of Northville property owners.

# Northville Municipal Court

Four \$100 fines for offenses of driving while ability was impaired (by liquor) and a \$50 fine for a 30-month old speeding violation were among the 16 sentences handed down by Northville Municipal Judge Philip Ogilvie last Wednesday, November 27.

John K. Agnew, Plymouth, was picked up by state police on a bench warrant issued May 23, 1966, after he did not appear in a speeding violation — driving 60 miles per hour in a 40 mile zone on Northville Road May 3, 1966.

He pleaded guilty and was fined \$50 and \$15 costs.

Richard R. Riffenburg, 45 Woodland Place, ticketed October 18 for driving under the influence of liquor on Eight Mile Road, stood mute and a plea of innocent was entered when he was arraigned. At the trial November 27, on motion of the city attorney and concurred in by the arresting officer, the count of driving while his ability was impaired was entered. He pleaded guilty and was fined \$100.

Clewell R. Thomason, 42800 West Seven Mile, appeared before Judge Ogilvie on two counts. To the charge of driving under the influence of liquor he pleaded guilty and paid a \$100 fine. He was placed under a year's probation with the 60 day jail sentence suspended unless the probation is violated.

He also pleaded guilty to the charge of being drunk and disorderly at the Bel-Nor restaurant November 16. He was fined \$30 and \$3 costs.

Orville Edward VanSickle, 24595 Wixom Road was ticketed November 10 on the charge of driving under the influence of liquor on Eight Mile and Novi roads. He stood mute and an innocent plea was entered on arraignment.

At the trial November 27 he pleaded guilty to driving while ability was impaired (entered on motion of the city attorney and concurred in by the arresting officer). He was fined \$100 and 30 days, the jail sentence being suspended and the defendant placed on one year's probation with the fine to be paid in installments by January 1, 1969, or 20 additional days' jail sentence added.

Junior N. Horrall, Pontiac, arrested on Novi road October 11 on the charge of driving under the influence of liquor, pleaded guilty and was fined

\$100 and 30 days.

The jail sentence was suspended and the defendant placed on one year's probation under the condition that he enroll in the Pontiac AA program. Failure to continue in the program will be deemed to be violation, added Judge Ogilvie.

\*\*\*\*\*

Other cases included three escapees from Detroit House of Correction, and violations of financial responsibility law and traffic violations.

John J. Becker, Jr., Detroit, was ticketed June 19, 1968, for not having proof of insurance when stopped on Northville Road. He pleaded guilty, fine was suspended and he paid costs of \$15.

Roland E. Duff, Livonia, ticketed for violation of the financial responsibility law, pleaded guilty and was fined \$40 and \$20 costs.

Dean F. Daves, Wayne, entered an innocent plea when arraigned November 7 on the charge of following too closely on Eight Mile Road. He was

found guilty at trial November 27 and paid a \$15 fine and \$5 costs.

Richard W. Suttle, 512 Randolph, pleaded guilty to having improper license plates and was fined \$10. Herbert C. Burley, Plymouth, pleaded guilty to the count of allowing an unlicensed driver to drive and paid a fine of \$15.

Ralph Garrett, 111 South Wing, received two tickets when stopped by police in September. On the charge of having no operator's license (never having acquired one), he stood mute when arraigned, September 19. At trial he pleaded guilty to the count of having no operator's license on his person and was fined \$30.

To the violation of driving left of the center line, a plea of guilty was entered at the trial and he was fined \$10.

Three escapees from Detroit House of Correction had days added to their sentences. Randall G. O'Leary, Livonia, received five days; William Muddiman, Detroit, nine days; and Alexander Hunter, Detroit, 20 days.

## Novi Justice Court

Justice of Peace Emery Jacques fined a number of miscreants as his justice court moved into its final month of existence.

Karen L. Marshall of Farmington received the stiffest fine, \$30 for speeding 60 MPH in a 40 MPH zone.

Fined \$20 was Donald H. Hewitt of Walled Lake for speeding 65 MPH in a 50 MPH zone.

Defective lights cost Robert C. Smith of Detroit \$15.

Richard N. Howell of Southfield paid \$10 for driving on an expired operator's license.

Also assessed \$10 was Kendra E. Shaw of Denton for defective exhaust.

Northville resident Alex H. Johnson of 404 Dubuar was guilty of speeding 60 MPH in a 50 MPH zone and paid \$10.

Three others were also assessed \$10 for going 60 in a 50 MPH zone. They were:

Daniel R. O'Connell of Walled Lake, Laura N. Clift of 41151 Ten Mile

Road and Frank E. Willets of Union Lake.

Paying \$15 for careless driving was Alfred C. Szot of Plymouth.

Taking an uncovered load to the dump cost Detroit's Calvin Lawrence \$10.

Nicholas B. Loeffler of Detroit was fined \$10 for improper passing.

Defective equipment cost three people \$10. They were:

Cecil B. Gates of Union Lake, Edmund C. Mogford of Detroit and David F. Templeton of Wayne (no muffler).

## Local Home Ransacked

The home of Leslie G. Lee, retired Northville band director, was ransacked a week ago Sunday but the only known missing item is a \$125 flute.

Returning to their home at 10:25 p.m., Mr. and Mrs. Lee discovered a broken window and missing storm window on the front of the house, at 607 Fairbrook Street, and immediately contacted police.

The telephone cord had been cut and the interior of the home completely ransacked. Investigation by police showed that entrance was gained through the window, with exit through a rear door.

## Policemen End Accident Course

Two Northville policemen recently completed the Oakland County Accident Investigation Course.

Sergeant Charles Martin and Officer Howard Reeves were successful graduates of the week-long course in November. It was designed to improve the officers' investigative knowledge and ability when covering accidents.

## WHEN IT'S TIME TO ACT

## Think of CHARLES CARRINGTON

Believe it or not, your kindergarten youngster will be of college age one day. Come in this week and talk about an Insurance Policy that will provide money for his college education when he's ready to go.

## Northville Teachers Hear Talk

Dr. Mace Mathews of Merrill Palmer Institute last week addressed the Main Street Elementary staff and guests from the staffs of the Moraine and Amerman elementary schools.

The workshop, arranged by Donald VanNgen, principal of Main Street, and Miss Florence Panattoni, curriculum coordinator, is a federally funded pilot project.

Milton Jacobi, principal of Moraine, introduced the speaker.

Dr. Mathews opened his address with the provocative question, "How much have you perceived what's inside your children?" He followed this by pointing out that three characteristics of a classroom will determine the amount of learning that will take place in a classroom — climate, potential for problem solving, and experience.

"A good, positive warm climate in a well structured situation, not too limited and not too free, insures a desire to learn," he said.

"Using fear as a motivating means," he said, "will build hate, hostility and non-acceptance of others which will grow and become more apparent in the child's later years of learning."

He emphasized the importance of using materials with at least two possible solutions and the recognition of the child's selected solution. "The main job of a teacher," he explained, is not to pound facts into a child's head but rather to teach him to think."

The third characteristic stressed was encouragement of the child to experience activities through means of all the senses. Too many children think that if they try and fail that they've failed entirely, he said. If they don't try at all, they can always say they could have done it but just didn't want to, he added.

Dr. Mathews' advice to the teachers was, "Don't permit him a way out, rather help him as long as he needs you and then be ready to let him go on his own."

Another workshop on Learning Disabilities was to be held this week under the direction of Jean Lukens, Oakland Intermediate School district consultant.

## Bathey Company Sells 90% Interest

Douglas Bathey, president of Bathey Manufacturing Company in Plymouth, and a resident of Northville, has announced that HITCO, a California corporation, has acquired more than 90 percent interest in the company for an undisclosed amount of cash.

Under the terms of the agreement with HITCO, the company will be operated as a subsidiary under its present management, with Bathey as president.

Bathey is a leading manufacturer of material handling products and of automotive stampings and assemblies. Its 1968 sales are estimated to be in excess of 14 million dollars. According to Bathey, a newly created plastics division at the Plymouth location should add additional sales in 1969. This division will produce especially designed plastic dunnage materials, he said.

HITCO, listed on the New York and Pacific Coast Stock Exchanges, is a broadly based developer and

manufacturer of advanced material composite structures, precision material components, and special products for aircraft, industrial, commercial, and aerospace markets. HITCO has 18 plants in nine states.

## Robert Slight Completes Study

Robert V. Slight, 46380 West Main Street, fire claim superintendent for State Farm Insurance Companies, has returned home after completing three weeks of technical study on fire insurance at the firm's home office at Bloomington, Illinois.

Slight is employed at the firm's claim service office, 19141 Greenfield, in Detroit.

State Farm maintains the school on a year-round basis so claim representatives may be informed of the latest policy contracts, methods and procedures in claim servicing. This year some 75 claims employees will attend classes there.

## Slate Booth On 'Security'

Sam F. Test, Manager of the Detroit Northwest Social Security office, 18500 Grand River, Detroit, has announced that the fourth annual "Social Security Days" will be held at the Livonia Mall Shopping Center on Thursday and Friday evenings, December 5 and 6 and on Saturday afternoon and evening, December 7, 1968.
