## Won't Restore Program, Officials Admit

# School Seeks 3 Mills In March 22 Election

A 3-mill operational increase that provides fewer educational benefits than was enjoyed by the Northville School District a year ago will go to the voters in a Saturday, March 22 election.

Decision to place the five year proposition on the special election ballot was by unanimous vote of the board of education (Trustee Richard Martin was absent) Monday night.

It represents, according to the board, the "very minimal" amount of additional tax dollars needed to sustain an already weakened school program.

To provide the same services as enjoyed last year and to return to a program of enrichment would require 7 additional mills, Superintendent Raymond Spear emphasized. In view of last year's three-straight millage failures, however, the 7-mill proposal was scrapped in budget sessions as was a 4.5-mill increase proposal.

If approved the 3 mills are expected to produce an estimated \$174,000 additional tax dollars based upon a projected state equalized value of \$58,000,000. And these additional tax dollars, together with other local, state and federal income, will provide

—For contractual salary increases already negotiated in the current two-year teacher contract.

—For increased pupil enrollment that is expected to climb by 700 students to 3,500 by the close of the 1969-70 school year.

—For reinstatement of services and equipment trimmed from the current budget.

Based upon the projected pupil increase, the school district will have to hire a net increase of 15 additional classroom teachers prior to or during the next school year, according to Spear.

While the 3-mill proposition provides monies for these additional classroom teachers, said Spear, it falls short of maintaining all of the present special services teaching positions. Therefore, even with the 3-mill levy, six teaching posts must be eliminated, he said. It means, too, that the 25-1 pupil-teacher ratio formula used as a guideline in this school year's program will have to be boosted to 30-1 next school year, Spear noted.

Teaching positions to be

eliminated include one elementary art teacher, one elementary music teacher, two elementary librarians, one elementary remedial reading teacher and a psychologist.

The cuts leave a single art teacher, one music teacher, one librarian, and two remedial reading teachers for all three elementary schools.

During the 1967-68 school year, the system had one art, one music, one library and one remedial reading teacher for each of the three schools.

While the district's tentative budget is not expected to be adopted until the next meeting of the board, officials anticipate a total expenditure of \$2,551,542 in 1969-70 for an increase of \$474,979 over the current budget.

Negotiated salary increases, student enrollment increase requiring additional classroom teachers, and reinstatement of budget cuts from the

current budget were cited as the three major reasons for the anticipated expenditure increase.

An estimated \$65,200 will be required to reinstate items cut from the current budget. These include extra-curricular activities, clerical services, teaching supplies, audio-visual, travel, printing and publishing, professional memberships, transportation (into subdivisions), operation, maintenance, capital outlay, and student services.

Reinstatement, however, does not include the four special service teaching positions eliminated this year.

Normal increases, including negotiated salaries, are pegged at \$239,125. Increased costs because of anticipated student enrollment are put at \$201,396.

Without the 3-mills, the budget would have to be trimmed by \$174,000, according to the board.

## ★ ★ ★ Millage Forum Thursday

A public informational meeting, sponsored by the five Northville parent-teacher association, will zero in on school millage needs next week Thursday.

The meeting, to which all taxpayers of the community are urged to attend, will be held at the high school beginning at 8 p.m.

Fielding questions of the public over the school's financial problems and specifically about the proposed 3-mill increase in taxes will be members of the Northville Board of Education.

Moderating a panel discussion will be Superintendent Raymond Spear.

P-TA official emphasize that citizens who complain about not getting enough information about school financial questions "have no excuse this time. The information will be there for the asking."

In anticipation of the special forum, members of the school's VIP (Value in Participation) Committee will meet with the board of education Tuesday evening to discuss both population projections and the millage question.

Members of the citizens group will be on hand for Thursday's P-TA sponsored forum.

Three compete for Mayor of Novi

## Novi Votes on City Charter Tuesday

Novi voters will go to the polls Tuesday to approve or disapprove a city charter and to elect six city councilmen and a mayor.

Incorporation of Novi as a city, approved by the voters early last year, does not become a reality until a city charter is approved.

A village — the largest in Michigan — for the past decade, Novi is governed by both village and township governments. All of the village is also part of the township, and all of the township but five parcels of property is part of the village.

With cityhood, both governments would be dissolved and the residents of the five would be left to govern themselves — a situation that state officials have stated would be an impossibility since they are unconnected. Among these areas are part of Brookland Farms Subdivision and the Chase property located northeast of Novi and Eight Mile Roads.

Fewer than 100 persons reside on the five properties, officials have stated. The areas were either not part of the original village incorporation or they petitioned for and won disconnection from the village following that incorporation.

Competing for the mayor's post are two former village presidents, Philip Anderson and Joseph Crupi, and a

current village councilman, Leo Harrawood.

Unopposed for the six council seats are Denis Berry, William Duey, David Harrison, William O'Brien, Edwin Presnell, and Donald Young. The three candidates receiving the highest number of votes will be elected to an initial 38-month term, while the three others will serve for 14 months. In subsequent elections, all council members will serve four-year terms.

If the charter fails to pass Tuesday, election of the councilmen and the

mayor will be nullified.

As does the present village charter, the proposed city charter of Novi provides for a manager-council form of government. Unlike the present village charter, however, the mayor is to be elected by the voters. Presently the village president is chosen by the five member council from its own ranks.

The proposed charter also establishes a maximum millage levy of 6.5 mills — 1.5 more than under the village charter. In addition, the charter provides that up to 1 mill may be levied for a public library. Currently, the Novi library is financed by one-half mill.

Although the millage limitation has been increased it is diminished by the fact that the township, which now levies nearly 1 mill, will be dissolved. Functions of the township, including the supervising of county, state and national elections and the keeping of assessments rolls, will be turned over to the new city.

Biggest factor in the move to change Novi from a village to a city has been the fear of annexation by surrounding municipalities such as Northville. Backers of city incorporation point to properties already annexed by Northville as examples. All of the land north of Base Line once was part of Novi — including what is now Northville Heights, Northville Estates and Village Green subdivisions, and the high school and

Amerman school properties. On the north, a good share of the present city of Wixom was once part of Novi.

Another factor has been constant disagreements between officials of the village and township over financing of police and fire protections, assessing, and dual registration.

## Folino Files For Council In Northville

Only three petitions have been taken out for the three open seats on the Northville city council.

Incumbent Mayor A. M. Allen and Incumbent Councilman Del Black are both declared candidates for re-election.

Paul Folino, a local insurance agent, filed petitions this week for council.

Councilwoman Beatrice Carlson has announced she will not seek re-election.

Council terms are for four years, while the mayor is elected for two years.

Candidates may obtain petitions at the office of the city clerk. Deadline for filing is February 28.

Date of the election is April 7.

**TRIAL SPLASH** — Fun in Northville High School's new swimming pool, presently limited to intramural and physical education classes, will make a bigger splash next week with the opening of a trial family night program. See Sports Page 11-A for details.

## Langfield Donates \$15,000 to Band

The memory of one of Northville's distinguished citizens was enriched this week as philanthropist Conrad E. Langfield established a \$15,000 band foundation in tribute to his late father's pioneering efforts on behalf of budding musicians.

Announcement of the unprecedented \$15,000 donation was made by the Northville Board of Education Monday night as it adopted a resolution earmarking the funds for continued support of the high school band.

The fund provides that only a portion of the monies can be used annually. Intended solely for the promotion and enrichment of the band program, it does not supplant the district's obligation in financing a standard band program. It also provides for one \$100 scholarship annually for a Northville graduate who enrolls in a college instrumental music course of study.

Langfield, a retired Northville businessman who divides his residence between Northville, Florida and other parts of the world, has long carried on the band-boosting tradition set by his father, Conrad, prior to his death in 1934.

It was the elder Langfield who, impressed by the performance of another community's band at a Rotary convention, returned home vowing that Northville would have a school band of its own.

He personally spearheaded a drive to form a band here, contributing the necessary funds to get it started. Besides whipping up enthusiasm among citizens of the community, he boosted efforts at the school board level where he served as secretary.

Following his father's death, Langfield dedicated himself to the same cause. Over the years he has contributed thousands of dollars to the support of the band. His latest contribution represents the largest single donation.

Langfield, who this week flew from Florida to Hawaii for an extended vacation, also has financially assisted

in numerous other community projects. He was instrumental, for example, in establishment of the American Legion post in the former Neal home at the corner of Center and Dunlap streets, was a key figure in the construction of the community building now owned by the school system.

President of the village for six years, he and Ray VanValkenburg, then a councilman, encouraged the village to purchase the old Lapham home at Wing and Center streets which then become the village hall. It has since been replaced by a new city hall.

Now in his 76th year, Langfield is a past active Rotarian, past president of the Exchange Club, life member of the Optimist Club, member of the American Legion, honorary member of the VFW, 50-year life member of the Masonic Lodge, member of the Detroit Athletic Club, and past president of the Meadowbrook Country Club.

Langfield Street in Village Green subdivision was named in his honor.

He is the former owner of the Northville Laboratories.

C. E. LANGFIELD

## Marihuana Charge Brings Prison Term

A 17-year-old Northville youth was sentenced to from 1½ to 10 years in prison Thursday for possession of marihuana.

William W. Curtner of 101 Baseline Road, one of five youths arrested two months ago for either sale or possession of marihuana, was sentenced to Southern Michigan Prison at Jackson by Oakland County Circuit Court Judge James S. Thornburn following pre-sentencing investigation by the county probation department.

The youth pleaded guilty to the reduced charge in circuit court two weeks ago. He originally was charged with both sale of marihuana and possession of a concealed weapon (knife).

Conviction of sale carries a mandatory 20-year sentence.

One of the other five youths arrested — a 16-year-old girl — received a six months-probation sentence in Oakland County probate court earlier.

Court cases of the other three are still pending.

# Florida Trip Caps Northville Wedding

A wedding trip to Miami followed the candlelight marriage of Sandra Kay Parmenter, daughter of Mr. and Mrs. Alfred C. Parmenter, 727 Thayer Boulevard, and Arthur Ernest Forth II, son of Mr. and Mrs. Arthur Forth, Sr., 21718 Kilrush.

The Reverend Lloyd Brasure officiated at the January 25 ceremony at Northville First Presbyterian Church at the altar decorated with palms and glads.

Given in marriage by her father, the bride wore a floor-length white satin gown, fashioned with an Empire bodice with pearl and crystal beading on the alencon lace trim. Its Victorian collar was of lace and the long, satin sleeves tapered to a point over the hands. An A-line detachable Watteau train fell from her shoulders. Borrowed from her sister, Mrs. James (Pam) Correll of Utica, was her double illusion veil attached to a pearl and crystal crown.

Under her bouquet of roses, stephanotis and ivy, the bride added a personal touch of sentiment. She carried the Bible of her grandfather, Ralph B. Willis, which she had covered with white satin and lace.

Mrs. Correll was her sister's matron of honor. Bridesmaids were Diane Ambler, Gail Nirider, Carol Owen (sister of the bridegroom), all of Northville, and Judy Freeman of Grand Rapids.

Their olive-green velvet gowns were floor-length, styled with satin

stand-up collars. They carried white muffs which matched the white fur pillboxes that held their olive-green veils. Deep red roses were pinned to Mrs. Correll's muff while those of the bridesmaids had light pink roses.

Rick Milne was best man. Ushers were Jim Correll, Utica; Dennis Riley, St. Clair Shores; John Jamison and Larry Forth, Northville.

For the wedding and reception at Livonia Roma Hall for 240 guests from New York, Louisiana, Chicago, Grand Rapids, Detroit and Northville the bride's mother wore a blue crepe, floor-length gown with a jewel neckline. The bridegroom's mother chose mint green.

Mrs. Edwin Langtry was organist for the wedding. William Williams was the singer. Fraternity brothers of the bridegroom (Delta Sigma Phi) attending the reception serenaded the couple by singing the Sweetheart and fraternity song.

Both the bride and her husband are 1965 graduates of Northville high school. The bride, who took a two-year secretarial course at Central Michigan University is affiliated with Alpha Chi Omega Sorority. Her husband, now a senior at CMU, expects to be graduated in June.

For her plane trip south the bride made her green dress and navy coat ensemble which she accessorized with navy. The newlyweds now are making their home in the CMU married housing facilities at Mt. Pleasant.

MR. and MRS. ARTHUR E. FORTH II

## League to Discuss Chemical Warfare

Marking the 100th birthday of the founder of the Women's International League for Peace and Freedom will be a program at 8 p.m. Monday by the Northville-Plymouth branch at the home of Mr. and Mrs. Vernon Kuhns, 47530 West Ann Arbor Road, Plymouth.

Dr. Alice Hamilton, the league's founder, now is living in Massachusetts. A co-worker of the late Jane Addams, Dr. Hamilton formerly was a professor in the Harvard School of Public Health.

A pioneer in industrial medicine, she wrote about industrial health hazards in her autobiography, "Exploring the Dangerous Trades."

She also was a leader in the fight to outlaw war with its weapons of mass

destruction. She was one of the American women meeting with Jane Addams at the Hague in 1915 to discuss ways that women could help to end World War I. They founded the league at this time.

Monday's program, therefore, is to be on "Weapons of Mass Destruction," including chemical and biological weapons. These are pollutants, the league states, whose "extreme hazards are being increasingly exposed."

The league's new pamphlet, "Danger to Mankind: Chemical and Biological Warfare," will be available at the meeting. Anyone not attending who would like a copy may write the discussion leader, Mrs. Alice Woodruff, 20145 Beck Road

## 1969 Citizenship Award Goes to Pam Witzke

Pam Witzke, a Northville high school senior, has been named recipient of the 1969 Daughters of the American Revolution Good Citizen Award from

PAM WITZKE

Northville, the local Sarah Ann Cochran Chapter announces this week.

Pam, daughter of the Arthur E. Witzkes, 45731 Fermanagh Drive, will be honored at a DAR Good Citizen luncheon at noon Monday with six other area recipients at the home of Mrs. Theodore Benson, 38620 Morningstar. Judy Allen is the Plymouth honoree.

The award annually is presented to the senior high school girl selected by her teachers as representative of the best type of young citizen. She must be active in her school, with all round interests and a good student, the DAR states.

The luncheon will be followed by the chapter's general meeting for February. K. D. Streiff from the University of Michigan will speak on student loans.

## News Around Northville

First meeting of a new special interest group of the Northville Newcomers Club, a music group for

couples, will be held at 8 p.m. this Friday at the home of Mr. and Mrs. Thomas Handy, 40123 Stoneleigh.

Any couples interested in attending are asked to call Mrs. Handy, 349-4237. Informal meetings in members' homes with members performing for each other are planned. Listeners, too, will be welcome.

Other special interest groups are in the process of being formed and will be announced soon.

Mrs. Warren (June) Atchison is visiting in Hawaii for two weeks with her daughter, Jean. Both are former residents of Northville and both worked at Bel-Nor Restaurant.

Orient Chapter of Past Matrons Club will meet at 7:30 p.m. Wednesday, February 19, at the Detroit home of Mrs. Charles Wilson.

## In Our Town

By JEAN DAY

"HOW SWEET it is" for chairman of special events this winter. It seems that dinners, benefits, talks and most programs are getting record attendances — the third annual area Republican Lincoln Day Dinner drawing a capacity crowd February 5 and the Northville Woman's Club seating almost 200 at its men's night program last Friday.

The trend to increased participation has been apparent in everything from the newly organized League of Women Voters meetings to PTA and Rotary Travelogue series (fourth is tonight.)

One reason suggested is that area residents are looking for "evenings out" nearer home, rather than venturing into Detroit... and, of course, we're growing. (It was energetic newcomers who made the LWV a going thing.)

At any rate, it's bringing top-rate events to Our Town.

A SPAGHETTI dinner to be served at the high school cafeteria before the Northville-West Bloomfield final home basketball game of the season Friday, February 21, is for the entire community. Sponsoring Mothers' Club members will serve from 5 to 8 p.m.

Mrs. George Murany is chairman. Proceeds will go for school and youth projects of the club.

Mrs. John Walker, ticket chairman, announces that tickets will be sold at the door at \$1.50 for adults and \$1 for students through high school. Assisting her are Mrs. H. O. Evans, Mrs. A. L. Wistert, Mrs. Harold Wright and Mrs. James Tellam.

TOWN HALL is presenting John Peer Nugent, expert on African affairs, in the third lecture of the current series at 11 a.m. next Thursday, February 20, in Northville High School auditorium.

(From its inception Town Hall has brought first-rate lectures to town — on a par with Detroit's original Town Hall in the Fisher Theater.)

At this lecture and the luncheon following in the Plymouth Mayflower Meeting House Town Hall will honor its sponsor, Our Ladies League of Our Lady of Victory Church. At the luncheon speakers' table will be Father John Wittstock and Mrs. William McDermott, who heads our Ladies League. Mrs. Jack Scantlin and Mrs. William Tucker will be hostesses.

Nugent is to be introduced by Fred Holdsworth, Northville High School principal.

Mrs. Robert Lang, TH chairman, reports that the 1969-70 program will be announced a month earlier, in March, this year. Price for the series, she adds, will remain the same, \$10. Members are reminded that Friday is the deadline for luncheon reservations.

THE REPUBLICAN dinner sponsored by the Wayne II Congressional District Republican Statutory Committee and the Plymouth Area Republican Women's Club last week Wednesday at Mayflower Meeting House was a "sell-out" days before the event, drawing more than 350.

The increase of 150 over last year's dinner undoubtedly was due in part to the dinner speaker of the evening: Governor William G. Milliken. His appearance in the area was one of the first since he had assumed the governorship.

Obviously eager to lead the state, Governor Milliken listed priority problems and gave number one position to urban ones. He emphasized that he does not intend to be a "caretaker" governor. William McLaughlin, state Republican committee vice chairman, also spoke.

Later the new governor met and shook hands with almost every guest as he stood at the door. He left with a special memento from his hostesses, a ceramic owl created by Roy Peterson, Northville High School art teacher.

THE MEN'S Night program and dinner of Northville Women's Club last Friday at the Presbyterian church drew a capacity 200. Robert White, Detroit CPA, humorously created the old "green eyeshade" image of his profession while personally characterizing the actual one. He urged the parents interest their sons in the certified public accounting field, pointing out that Donner of GM, Townsend of Chrysler and Breech of Ford all began their careers as CPAs.

ANTIQUES will be the topic of the next Women's Club meeting at 1:30 p.m. February 21 at Northville Presbyterian Church. Mrs. Charles Yahné, program chairman for the day, invites all members to plan to bring their "cherished antiques" to display at the program.

Five-minute talks will be presented on Oriental rugs, Limoges china, Pennsylvania Dutch-type fractur art, Canton and Staffordshire china.

Among collections to be displayed will be the little pitchers loaned by Mrs. T. J. Knapp, club honorary member. Since she is unable to attend, Mrs. L. G. Lee will display them.

THE ROTARY Club travelogue, "The Canadian Far West," to be shown by Don Cooper at 8 p.m. today in Northville High School auditorium will intertwine history with travel as the lecturer-adventurer follows the route of Alexander Mackenzie to the Pacific from the Western prairies.

In November Rotarians and their ticketholders also found an extra dimension in the tour of Switzerland as the speaker followed Mark Twain, providing an outstanding evening's entertainment.

Travelogue tickets are available at the door with special student rates.

## Lites to Meet

Northern Lites Family Living Study Group will meet at the home of Mrs. Fay Waldren, 231 Ely Drive, at 7:30 p.m. Monday.

# Announce Engagements

**GRETCHEN VAHLBUSCH**

The engagement of Gretchen Ann Vahlbusch to James Michael Simmons is announced by her parents, Mr. and Mrs. Edward W. Vahlbusch, 48025 Rushwood Lane. Her fiancé is the son of Mrs. Josephine Simmons of Sacramento, California.

The bride-elect is a 1966 Northville High School graduate and is attending Schoolcraft College in the evenings. She is employed by Michigan Tractor. Her fiancé is a 1963 graduate of Erie High School and is a U.S. Army veteran. A fall wedding is planned.

\*\*\*\*\*

**JUDITH SHONER**

Mr. and Mrs. Eugene Shoner, 317 Randolph, announce the engagement of their daughter, Judith Gale of Washington, D. C., to Russ Nichols, son of Mrs. Letha Nichols of Plymouth.

The bride-elect, a graduate of Schoolcraft Community College, is working presently in Washington, D. C., for the American Association of University Professors. Her fiancé, who recently completed four years' service in the U.S. Air Force, is attending Schoolcraft Community College. Both are 1964 Northville High School graduates.

They plan to make their home in Ann Arbor after a March wedding. The ceremony is to be in Washington.

**BARBARA FRANKLIN**

The engagement of Barbara June Franklin, daughter of Mrs. Thomas J. Franklin of Redford and the late Mr. Franklin, to Bruce Morris Dingwall, son of Mr. and Mrs. James Dingwall, 225 Ely Drive, is announced by her mother.

The bridegroom-to-be is Quartermaster 3/C. in the United States Navy serving in the Mediterranean area.

A May wedding date is set.

**BARBARA BALLASH**

Mr. and Mrs. Robert Frederick Ballash, 18332 Laraugh, announce the engagement of their daughter, Barbara Lucille, to Dr. Dale Howard Rice, son of the Charles Rices of Harrisburg, Pennsylvania.

The bride-elect attended Northern Michigan University. Her fiancé attended Western Reserve University and was graduated from the University of Michigan Medical School.

An April 19 wedding is planned.

## Heads Korean Radio Network

# Women to Hear Missionary

The Reverend E. Otto DeCamp of Seoul, Korea, will be guest speaker at the luncheon meeting of the Presbyterian Women's Association at 12:30 p.m. Wednesday at the church.

He will be introduced by the Reverend Lloyd Brasure, church pastor, a friend from school days.

Reverend DeCamp, who is on a year's sabbatical leave, is to be in the Detroit area for five days. In order to hear him the church women delayed their February meeting a week.

Reverend DeCamp was appointed in 1937 by the former Board of Foreign Missions of the Presbyterian Church in the U.S.A. and assigned to Korea where he, the son of Presbyterian missionaries, was born.

He is director of the Christian radio network, HIKY, which now has a new short wave transmitter linking five stations in the system. The network is operated by the radio committee of the Korea National Christian Council in which the leading denominations and missions in Korea cooperate.

The station's programs of classical and Christian music, English lessons, news, dramas and sermons and its

Christian message reach deep into Communist North Korea. This program is largely the result of the Reverend DeCamp's efforts as he began a number of years ago to investigate possibilities in Seoul. Buildings were completed and the station went on the air in 1954.

The speaker was graduated in 1933 from Wheaton College and in 1936

from Princeton Theological Seminary. In 1940 he married Elizabeth Woods, a trained nurse serving under the Southern Presbyterian Church. During World War II the family spent several years in the United States with the minister serving as an Army chaplain. He and his family returned to Korea in 1948.

**SCOUT PRIZE TONIGHT**—Colleen Deibert, right, chairman of the Girl Scout card party being given by troop 222 from 7 to 11 p.m. tonight at Our Lady of Victory church hall, inspects the afghan which will be a door prize with Denise Sterner, chairman of the afghan-making project. Last summer the Girl Scouts made the strawberry freezer jam which will be table prizes at the party to raise funds for troop trips. Anyone is invited to come any time during the evening with tickets at \$1.25 being sold at the door. The Scouts will serve dessert and coffee.

# Overture to Star Soprano

Overture to Opera 1969 announcements are being addressed by members of the local Overture committee headed by Mrs. Ernest Shave. They include the program for Overture's second appearance in Northville at 8 p.m. March 22 in Northville High School auditorium.

It is to be one of 12 performances in southeastern Michigan being given between February 9 and March 22. "Der Jasager" (The Choice), written by Jurt Weill in Berlin in 1930 in collaboration with Bertolt Brecht, and Il Campanello (The Night Bell) by

Donizetti will be presented by the Metropolitan Opera Association of Detroit in partnership with Oakland University.

Appearing in "Der Jasager" will be Elsie Inselman, 1969 winner, announced January 27, of the Elizabeth Hodges Donovan \$1,000 scholarship award created by the

Detroit opera association this year in memory of the late Mrs. Frank Donovan, wife of the association board chairman. From St. Clair Shores, she is a soprano and will sing the role of the mother.

Emily Derr, of Lansing, won the \$2,500 Grinnell Foundation of Music award at auditions following the Detroit Grand Opera Association annual luncheon.

## Auxiliary Eyes 11th Birthday

Northville State Hospital Auxiliary will celebrate its 11th year of service to the state mental hospital at a birthday luncheon at 12:30 p.m. next Tuesday at the hospital.

Members will meet the hospital's new medical superintendent, Dr. Richard Budd.

Accomplishments of the past year will be reviewed at the luncheon. Mrs. L. M. Eaton, auxiliary president, points out that the organization's main purpose is to contribute funds to benefit patients.

She urges members to make reservations with Mrs. C. E. Ratliff or Mrs. James Sugrue.

Last year's Grinnell Foundation winner, Philip Zaugg, also will be appearing in the Overture presentation, taking the role of the young man, Enrico, in Il Campanello.

The Overture program, which will be mailed to last year's patrons, also lists Detroit appearances of the Metropolitan Opera.

Mrs. Harold Wright, of the Overture committee, points out that the brochure also is a distinctive art poster, with themes of the two Overture presentations being depicted within two symbolic profiles.

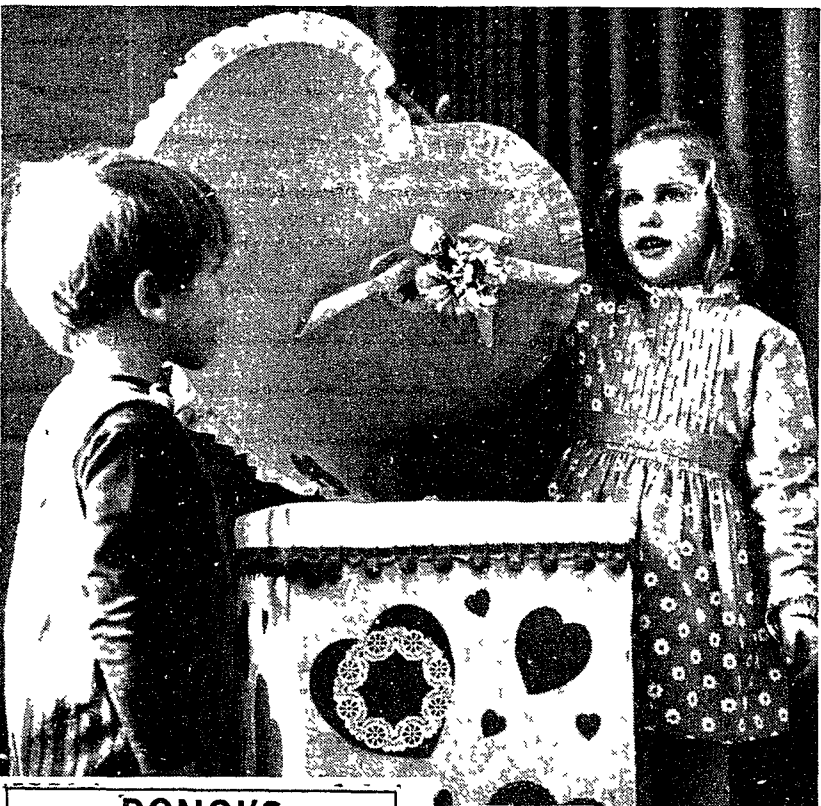

**SOLOIST ELSIE INSELMAN**

## Births

Mr. and Mrs. Richard G. Schadel, Jr., of Brooklyn, Michigan, announce the birth of a daughter, Marcey Rochelle, February 3 at Foote Hospital, Jackson. The baby weighed seven pounds, eight ounces at birth.

Mrs. Schadel is the former Karen L. Hill, daughter of Mrs. George Hill of King's Mill and the late Mr. Hill. Paternal grandparents are Mr. and Mrs. Richard Schadel, Sr., of Lapeer.

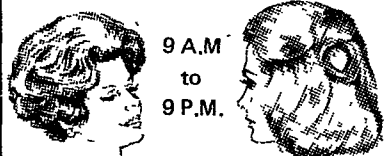

The baby also has two sisters, Kelly and Stacey, and a great-grandmother, Mrs. H. E. Everetts.

## Can't Exceed 15-Mill Without Vote, Kelley Rules

State Attorney General Frank Kelley has ruled that a county has no authority to levy millage above the 15-mill limit for building projects not approved by a majority of the qualified electors.

The opinion was rendered upon the request of State Representative Clifford Smart.

Specifically, the question arose as the result of protests by Oakland county taxpayers because the 15-mill limit is being exceeded by 11-100ths of a mill to pay off bonding obligations for an east wing addition to the court house and certain drain installations.

One of the most vehement objectors has been Sidney Frid of Northville, a former member of the Oakland county board of supervisors. He paid his county taxes under protest and urged others to do so.

Kelley's opinion declared that "long-term" lease contracts could not

be entered into beyond the millage authority, but that subsequent to issuance of bonds, rental payments may be supported by taxes imposed without limitation as to rate "where temporarily necessary".

In an accompanying opinion Kelley clarified the question of school districts extending into more than one county and their ability to impose a property tax above the 15-mill limit without a vote.

He stated: 1 - With respect to the county in which the greatest part of the area of the district is located, the 15 mill tax limitation controls. The mere fact that the district extends beyond the county line does not justify such intermediate district in exceeding the limitation;

2 - As to the county, or counties, into which the intermediate district extends, but which counties do not contain the greater part of the district, taxes must be imposed at the highest

rate available in the county containing the greater part of the area of the district, even though such rate exceeds the 15-mill limitation in the county or counties containing the subordinate fraction or fractions of the district.

The Northville school district is an example of the condition outlined by Attorney General Kelley.

The major portion of the district lies in Wayne county. The Northville school district may therefore levy in Oakland and Washtenaw counties whatever millage granted under the 15-mill limit in Wayne county - even though this millage might boost the levy above 15 mills in the minority-area counties.

Conversely, Kelley's ruling would prohibit the Northville school district from using an Oakland or Washtenaw county millage levy simply because it exceeded the Wayne county allocation and applying this higher levy to the total district.

## Teachers Hold Workshop

A four-objective teacher workshop at the elementary level was conducted in Northville last week Tuesday following dismissal of school.

Conducting the special program were June Emerson, visiting teacher; Mrs. Betty Sellers, reading specialist; and Mrs. Marjorie Sliger, third grade teacher.

Objectives included:

-To alert local teachers of techniques used by teachers in neighboring school districts in meeting learning disability problems.

-To help teachers recognize children who have specific learning problems.

-To present means of determining specific problems.

-To show teachers ways of meeting the child's needs.

Mrs. Sliger, who was one of the team of teachers who visited schools with perceptual, auditory and spatial learning programs, reported on workshops conducted by the Oakland Intermediate School District and the Clarenceville District.

Currently, Clarenceville has three learning disability rooms and is in the process of organizing a center, she reported. The three rooms differ from regular classrooms in that carrels are used to prevent distractibility, equipment is abundant, and the teacher-pupil ratio is 7 or 8 to 1. Children are able to move into regular classrooms within two years.

Mrs. Sellers, then, reviewed various learning disabilities and present the nomenclature used in education today for specific problems. She pointed out that these problems have always

existed but that educators simply did not have the "know how" to cope with them. Children with perceptual, auditory or spatial problems who are now being helped, she noted, are average or better in intelligence.

Using specially prepared transparencies, Mrs. Emerson explained

the Frostig materials and other simple techniques she has devised for recognizing a learning disability in a child. She illustrated these techniques with examples from local classrooms.

Home-made and purchased equipment were demonstrated by both Mrs. Emerson and Mrs. Sellers.

## Historical Society To Hear Author

A retired college professor and author will speak to members and friends of the Northville Historical Society here Tuesday evening at the home of Mrs. William Cansfield, 404 West Dunlap Street.

Dr. Ferris Lewis of Dearborn, a frequent speaker here, has entitled his 8 p.m. informal address, "Headlines Out of The Past." His talk, illustrated by a large collection of newspaper headlines, is geared to involve audience participation, he said.

"Older people especially are reminded of past when I show the

headlines," Dr. Lewis said.

A retired history professor at Henry Ford Community College, Dr. Lewis has written several Michigan history texts for elementary, high school and college levels.

One of his favorite hobbies has been tracing trails used by Michigan explorers and then actually traveling them to get first-hand information about the state's colorful history.

Tuesday's meeting is open to the public. Students are especially urged to attend.

## Jack Climbs Tomorrow

Area parents are reminded that the American Association of University Womens' children's play, "Jack in the Beanstalk" will be given Friday evening, February 14 at 7:00 and Saturday, February 15 at 9:30-11:00 a.m. and 1:00 and 2:30 p.m. in the Plymouth High School auditorium.

Past performances have been very

well received by the local children, therefore there usually are very few tickets available at the door, officials said. Melody House in Plymouth will have tickets on sale February 10 through 12th at 50 cents each. For further information interested persons may contact Mrs. Douglas Whitaker in Northville, 349-5714, or Mrs. Price Watts in Plymouth, 453-0217.

**NEW CENTER FIELDER?** — If the player strike major leaguers are threatening becomes a reality, what will superstars like Willie Mays do while they await contract settlement? Willie, never one to dally about an important decision, is shown conferring with Chris Holman about playing for Lapham's softball team. Actually Chris, in Chicago with Chuck Lapham and Chuck Parton of Lapham's on a buying and learning trip the first three days of last week, met Willie at the Petrocelli Room in the Palmer House and posed for this autograph picture with the San Francisco Giant great.

## PROCLAMATION

CITY OF NORTHVILLE  
Office of the Mayor  
BOY SCOUT WEEK FEBRUARY 7-13, 1969

### WHEREAS,

The Boy Scouts of America, the Nation's largest youth organization, was founded February 8, 1910, and chartered by the Congress in 1916 for the purpose of promoting "the ability of boys to do things for themselves and others, to train them in Scoutcraft, to teach them patriotism, courage, self-reliance, and kindred virtues";

### WHEREAS,

Since its founding 59 years ago, the Boy Scouts of America has given over 44 million boys unique training which has provided them with an appreciation of nature, conservation, and outdoor life, while instilling in them the principles of good citizenship so ably expressed in the Scout Oath and the Scout Law;

### WHEREAS,

This year, the 6-million adult and boy members of the Boy Scouts of America have launched a dynamic, long-range expansion plan known as BOYPOWER '76 that will extend to 1976, the 200th anniversary of the Declaration of Independence. Using as its theme "America's manpower begins with BOYPOWER," the Boy Scouts expects to reach out to serve one out of three boys and make Scouting more relevant to the needs and concerns of today's youth;

NOW, THEREFORE, I, A. Malcolm Allen, mayor of the City of Northville, in recognition of its past achievements and its promise for the future of our youth, do hereby declare and proclaim the period of February 7-13 as Boy Scout Week in this city. All organizations and citizens are urged to conduct meaningful and appropriate observations in recognition of the material contributions of the Boy Scouts of America to the Nation and this community.

Done at the city of Northville this 3rd day of February 1969.

(Signed)  
A. M. Allen

## Jaycee VP Speaks Here

Jaycee State Vice President Lee Taylor of Livonia will speak at a membership meeting of the Northville Jaycees at 7:30 p.m. February 26 in the Detroit Federal Savings and Loan Building.

A film of the National Jaycee convention held in Phoenix, Arizona, last summer will be shown. The Northville Jaycees also will present their local program to all young men in the community, ages 21-35, who are interested in learning more about this civic organization.

Questions should be directed to John Buckland, 349-0773.

## Strings Top Sunday Concert

A string quintet from the University of Michigan will perform Dvorak's Double Bass Quintet in G Major B 49 Opus at the Livonia Youth Symphony Society's concert at 4 p.m. Sunday at Riverside High School in Dearborn Heights.

Also featured on the program will be the Livonia String Orchestra, Albert Larson conducting, and the Junior Livonia Orchestra, Robert Randall conducting.

The Livonia Youth Symphony also has a senior youth orchestra in which Joan Whitmyer of Northville plays.

Additional information about Sunday's concert may be obtained by calling 261-7179.

## County Plans Boating Class

Plans for several free boating courses for youngsters between the ages of 12 and 16 are in the works, Sergeant Fred Reiman of the Wayne County Sheriff's marine division revealed this week.

The courses, he explained, will be offered at several public schools in Wayne County. "All school superintendents have been requested to determine the number of students interested in attending one of the safe boating classes," Sergeant Reiman said.

Where school authorities are unable to furnish information regarding these classes, students are asked to contact the county's marine division at 721-1300.

Under a new state law, Sergeant Reiman explained, it is now necessary for children between the ages of 12 and 16 to have a boating certificate in order to operate a motorboat in excess of six horsepower. And the sheriff's department is charged with the responsibility of teaching boat safety to youngsters.

## OBITUARIES

### ALICE D. GARDEN

Alice D. (Mrs. Lawrence S.) Garden, 75, died suddenly at her home Friday at 18119 Jamestown Circle.

In addition to her husband, the 36-year resident of Northville is survived by two daughters, Mrs. Margaret St. Clair of Bloomfield Hills and Marjorie M. Turner of California and a brother John Chitty in England. The daughter of James and Caroline (Hook) Chitty, Mrs. Garden was born in England on January 7, 1894. She also is survived by five grandchildren and one great-grandchild.

Mrs. Garden was a member of Our Lady of Victory Church.

Holy Rosary was said at Casterline Funeral Home Monday night. Rev. John Wittstock officiated at the funeral at Our Lady of Victory Tuesday morning.

Burial was in Holy Sepulchre Cemetery in Southfield.

\*\*\*\*\*

### MARIETTE C. GROSS

Funeral services were held last Thursday, February 6, for Mrs. Mariette C. Gross, 44, who died February 2 at Pontiac Osteopathic Hospital after an illness of four months. She was the wife of Robert Gross, 48380 Pontiac Trail, Wixom, and the mother of eight children, seven of whom still are at home.

They are Leon, Willie, Michell, Mary Lou, Robin, Michael, Ricky. Another son, Emile, lives in Walled Lake.

Pastor Robert Warren officiated at the service at Wixom Baptist Church. Interment was in Wixom Cemetery.

Mrs. Gross was born March 22, 1924, in Belgium to Emile and Mara (Kowings) Defresne, who still are living in Liege, Belgium. She also leaves two brothers, Emile and Charles, in Belgium and two grandchildren here.

She had been a Wixom resident for 16 years, coming from Kentucky. She was a member of the Missionary Baptist Church of Kentucky.

### HENRY HILLS

Word was received here Tuesday of the death in Florida Sunday of a retired Ypsilanti-area fruit grower who was born in Northville.

Henry Hills, 79, of Seminole, Florida, died in a hospital there following a brief illness. He and his wife, Myrtle, who survives him, moved to Florida from Ypsilanti three years ago.

Born in Northville on July 10, 1889 to George and Louise (Lerchen) Hills, he is survived only by two nephews and a niece in addition to his wife.

A Christian Scientist, Hills' funeral was conducted by Mr. Carl K. Hickman from the Chapel of the C. E. Prevatt Funeral Home in Pinellas Park Wednesday with burial following in Memorial Park Cemetery in St. Petersburg.

### GEORGE W. EBERLE

Long-time Northville resident George W. Eberle, 60, of 365 Orchard Drive died Thursday of last week in West Palm Beach, Florida following a lengthy illness.

Eberle, who is survived by his wife and eight brothers and sisters, was born to Michael and Mollie (Robison) Eberle on February 22, 1908. Brothers who survive him include Harvey of Ypsilanti, Harold of Tecumseh, Roscoe of Romeo and Oakley of Rochester. Surviving sisters are Mrs. Hazel Wanke and Mrs. Olga Horton of West Palm

Beach, Mrs. Clarabelle Rundell of Detroit and Mrs. Julia Gordon of Saline. The couple had no children.

Eberle was the retired owner of Atlas Thread Gauge Company of Detroit and was formerly affiliated with Walter Hagen Golf Manufacturing. A veteran of World War II, he was a member of Farmington Lodge No. 151, F & AM and of Farmington Elks.

The funeral was held Monday at Ross B. Northup and Son Funeral Home in Redford with Rev. Paul D. Bersche of Northwest Christian Missionary Alliance of Farmington officiating.

Burial was at Grand Lawn Cemetery.

### WILLIAM R. McQUEEN

William R. McQueen, 51, of 40995 Grand River died Tuesday of injuries suffered when he was struck by a car six days earlier. His death occurred in Mt. Carmel Hospital, Detroit.

Born March 7, 1917 in Knox County, Kentucky to William and Leona McQueen, he is survived by his mother, Mrs. Leona Jones of Tuttle, Kentucky; his wife, Beatrice; eight children, Mrs. Norris (Imogene) Campbell, Murrell, Mrs. John (Violet S.) Fisher, Samuel B., Linda R. and Sharon K. of Novi, Lonnie of Union Lake and James E. of Northville; in addition to eight grandchildren, two brothers (Sam of Detroit and James of Farmington) and four sisters (Pearl Barnett and Nancy Sheppard of Detroit and Kay Quattlebaum and Edith of Farmington).

The maintenance supervisor for Whitehall Convalescent Home, McQueen moved to Novi 15 years ago. He was a member of the First Baptist Church of Novi.

The body lies in state at Casterline Funeral Home until 11 a.m. tomorrow. The funeral will be held in the Novi First Baptist at 1 p.m. with Rev. Gib Clark officiating.

Burial will be in Oakland Hills Memorial Park.

## Novi Resident Quits TALUS

Paul McVey, 22, 1307 West Lake Drive, has left TALUS (Detroit Regional Transportation and Land Use Study) to begin systems analysis work with the information services division of RCA.

McVey has been with TALUS since December, 1967, doing research in government finance.

He will return to the Detroit regional offices of RCA for a year of on-the-job training.

## Charter Examined

**EDITOR'S NOTE**—Following is the final in a series of questions and answers concerning the proposed city charter of Novi. Sponsored by the Novi Jaycees as a public service, the series questions asked by Jaycees and answered by charter commissioners.

1. It has been charged that the charter commission spent an abnormal amount of time and money writing a charter that would be just like our present village charter. Is this true.

A—The charter commission took approximately six months (or 5,000 man hours) to write the charter that would best serve the new city of Novi today and, more important, the Novi of 10 years from now. The commission took the time and steps necessary to correct many inadequacies in the present village charter. As a result, the language used in the new city charter makes it easier for everyone to read and understand.

The charter commission spent approximately \$5,000 to write and publish the charter. This represents several thousand dollars less than any other locally written charter.

The charter resembles very much the present village charter—but it is by

no means a carbon copy.

2. After the new charter is accepted by vote, what will become of the Township of Novi that remains? Specifically, the township park, the fire equipment, voting booths, etc.?

A—The value of all property and assets of the township will be divided between the new city of Novi and the residents remaining in the township. The original provisions under which the park was established allows for it to go directly to the control of the new city.

3. Original reasons given for supporting city incorporation included (1) boundary protection, (2) tax base protection, and (3) simplified form of government. Will we achieve these ends with a "yes" vote on February 18?

A—The answer is yes to all three parts of the question. (1) The boundaries cannot be encroached upon by any surrounding community; (2) tax base protection will be guaranteed since no other communities can annex industrial portions of the community as did Wixom in obtaining the major tax producing Ford plant; (3) We will have simplified government in that the need for a township clerk, township treasurer and township assessor will be eliminated.

## Driver Hurt At Crossing

Kenneth Butt, 38, of Farmington lost an argument with the C&O crossing on Ten Mile Road Sunday afternoon.

Eastbound on Ten Mile, Butt lost control of his 1967 Ford, skidded 120 feet, crossed the tracks and knocked out a guard light before his car came to rest.

Still conscious when Novi police arrived, Butt lapsed into a coma before Casterline ambulance could remove him from his car and rush him to Botsford Hospital. The impact pinned his legs in the car, and he suffered multiple head injuries.

## Lou Gordon To Speak Here

Well known Detroit television commentator, Lou Gordon, will speak in Northville on "Law and Order" on March 20.

The program is being arranged by the Northville Optimist club. President Dave Biery announced that tickets will soon go on public sale. The program will be held at the high school auditorium.

## Novi Musicians Take Firsts

Three first division awards were captured by two Novi high school musicians in a senior high solo and ensemble festival held last Saturday at Berkley High School.

Keith R. Rolston, Novi bands director, announced that Marjorie Marquie won a First Division award for her French horn solo while Debby Kuick captured two "firsts" for flute and bassoon solos. In the annual high school festival this first division represents "the best conceivable performance of the event being judged and worthy of the distinction of being recognized as a first-place winner." First division winners will participate in the State Festival in March.

Second division awards went to Pat Wilkins, clarinet solo, and Gary Gillett, trombone solo. A third place solo award went to Barbara Auten, French horn.

Ensemble Division II awards were won by Greg Sonnanstine, Jan Harbin, J. A. Perkins, Sue Presnell (timpani), cornet trio and timpani; J. A. Perkins, Greg Sonnanstine, Gary Gillett, David Bumann, brass quartet; Pat Wilkins, Eileen Davis Rene Evans, Julie Deaton, clarinet quartet; and Beth Newbegin

and Denise Ward, flute duet.

Division II awards represent "an unusual performance in many aspects but not worthy of the highest rating because of minor defects in performance. A performance of

distinctive quality." Division III show accomplishment and marked promise.

Several Novi junior high students will be playing this Saturday at the Junior High Festival in Berkley, Rolston announced.

**LADIES NIGHT**—A capacity audience was treated to a fascinating tour of New Zealand Saturday night as the Novi Chamber of Commerce held its annual Ladies' Night at Novi Community Hall (below). Flanking Kenneth Richter, who presented the travelogue, are Chamber President Ray Warren (left) and Vice-president Richard Bur in the above picture.

## For Mayor's Post

# Novi City Candidates Speak Up

**EDITOR'S NOTE** — The three candidates for the office of mayor in Novi were invited to submit statements of not more than 500 words to this newspaper, with the suggestion that they pinpoint challenges facing the community and tell how they will cope with them.

### PHILIP ANDERSON

As a former president and councilman of the village, my experience and proven dedication to this community should be of valuable assistance in assuming the role of mayor of the city.

But looking specifically at matters of prime importance in our community, I will do my utmost as the mayor to seek improvement of our roads. I believe these much-needed improvements can be accomplished through general obligation bonds.

I am aware, too, that Novi must provide salaries for its employees that will put it in a good competitive position with other communities. In addition to seeking adequate salaries for employees, I will strive to obtain some kind of pension plan for them.

Another of the challenges facing Novi and a challenge I, as mayor, would face up to is the need for more industry within our community. I will work actively to invite and promote good, healthy industry to Novi because, in the final analysis, industry provides a tax base for a community that helps provide municipal improvements that citizens cannot afford alone.

The new mayor and the city council must also face up to the necessity of providing adequate housing for its department of public works, and they will have to attract competent people to fill the positions of city assessor and city treasurers — jobs that are now, through necessity, being assumed by the clerk and the manager.

### JOSEPH CRUPI

Rather than write on the challenges and my solutions as requested by the editor, I believe that it would be more important in this election to discuss the adoption of the Charter. Without adoption, our views will go for naught. Novi will face loss of valuable boundaries and industrial tax base through annexation by adjacent communities.

In passing, however, I view the challenges as primarily relating to planning for continuing orderly growth not only in the physical make up of the community, but also in the services rendered to the citizens. The latter, of course, is one of economics and very importantly related to annexation loss of tax base.

Whatever the challenges and problems that will arise, I believe that I am as qualified, if not more than my opponents, to exercise intelligent and judicious reasoning objectively for the

good of the community.

You may have heard conflicting opinions about the proposed Charter. It, however, is essentially the same as the present Village Charter. Two changes, the tax millage and Office of Mayor, probably are of most concern to you since the other changes merely relate to Charter improvements that experience has proved necessary.

There is a "possible" tax increase up to 1.5 mills (\$1.50 per thousand of assessed valuation or about \$10-\$20 per year for most home owners). It will be probably needed to meet the rising costs of present community services. Nevertheless, our tax rate would still be lower than other communities.

Because Novi is not yet sufficiently large to warrant a strong or independent mayor-council government (which I favored), the Charter Commission settled for a Council-Manager form in which one of the councilmen would have the title of Mayor who would preside over the council but without veto power.

The Mayor's duties are essentially the same as the Council President's duties under the present Village Charter; but the offices differ in one important aspect. The "Mayor" is not selected by the council as at present, but by you, the voter. This gives you an added "in" or "voice" to the council.

Some will say the difference is one without distinction or substance. Let me point out from experience that a chairman can exert considerable influence on his board because he has control of the meeting and committee appointments. While he may not prevail because his vote has the same value as those of his fellow councilmen, he can present your views or his views on items before other possibly less

considered opinions may be formulated or expressed by other council members.

Futher, the Mayor is subject to your change of opinion every two years while other councilmen hold office for four years. Therefore, you may select the leader of your council along with three new councilmen (a majority) who might best represent you every two years. This, I feel, is important.

As a candidate for Mayor, as a Charter Commissioner and as a past Village Council President for seven years, I strongly urge the adoption of the proposed City Charter for the best future interest of Novi. I would be pleased to serve as your first Mayor.

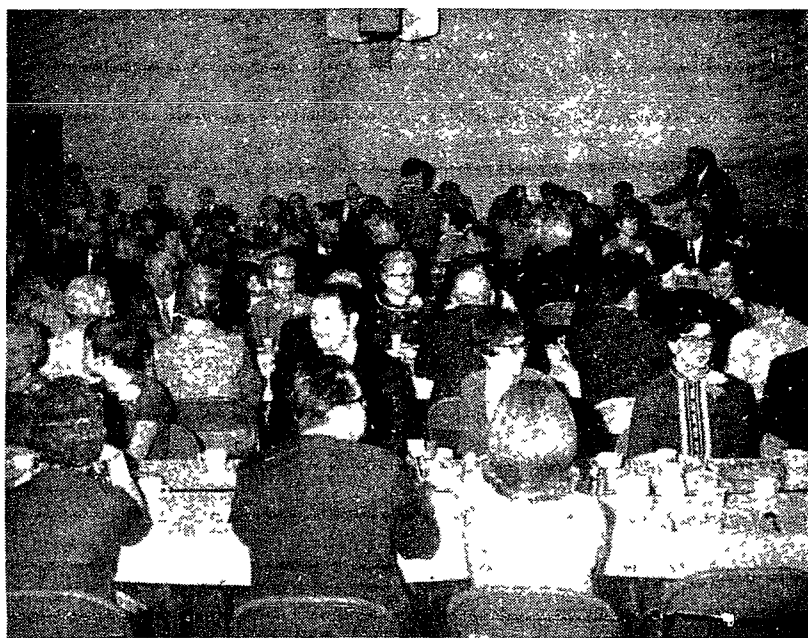

### LEO HARRAWOOD

I have a deep feeling about Novi because I've been in business here for over 24 years and active in community, civic and school affairs. I feel that based on my experience on a broad scale — that is, being in business here and involved in civic affairs — that I am best suited to cope with the growing

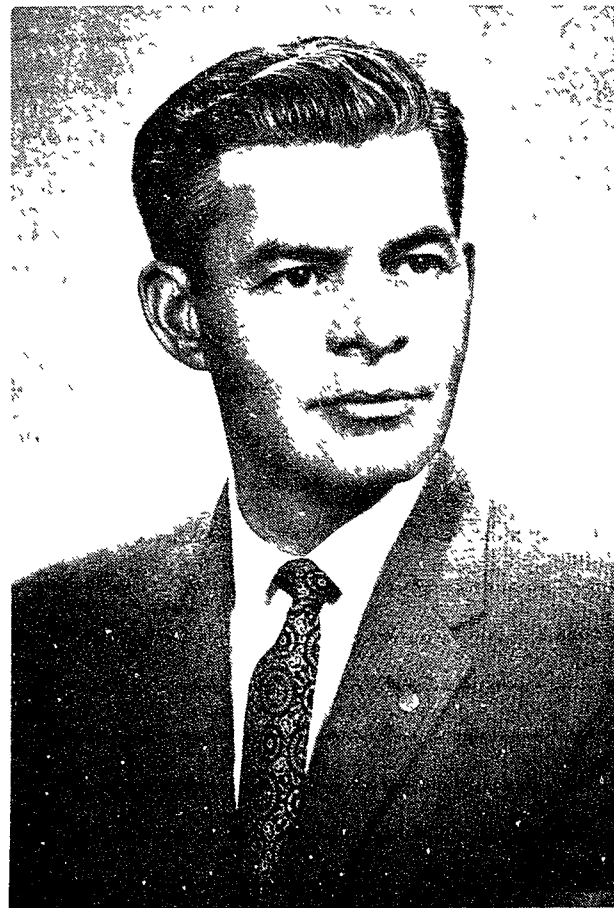

population and business problems as well as the social unrest which we in Novi catch from the "wake" of surrounding communities.

I believe there are two key issues in the Mayoral job — How to deal with the present social unrest and the proper development of expanding Novi community.

We're right in the path of a tremendous growth in population and business in Novi. Any mistakes made now could be costly for our children in terms of parks, beautification and education. We must plan today for the next ten years. And what is more — we must be right in terms of judgment — or face serious growth problems. We need a plan. I feel that I am best suited to deal with these opportunities because of knowledge and involvement in Novi for 24 years.

## JOSEPH CRUPI--Proven Administrator

We citizens and voters in the Village of Novi urge you to join us in voting for the proposed City Charter and in supporting

AIRBORNE RON HUBBARD (21) LAUNCHES A TWO-POINTER

# Take Third Place Slot

## Mustangs Tame Bulldogs, 68-64

BRIGHTON—Demonstrating an excellent team performance, the Mustangs nipped a fighting Bulldog quintet in an exciting, a down-to-the wire 68-64 contest here Friday night.

Like last week's game against Milford, Friday's contest was fun watching; both teams played well although the Mustangs' brand of ball was more polished.

For Coach 'Bob' Kucher, Northville's last two outings saved the wounds of the Mustangs' poor showing at Clarenceville two weeks ago. The two-in-a-row victories boosted the Mustangs into an uncontested third place position in the Wayne-Oakland League with a mark of six wins against four defeats.

Clarkston	4	6
Brighton	3	7
Clarenceville	3	7
Waterford Kettering	2	8

Scores of area games:

Friday:

Clarkston 42, Clarenceville 35  
West Bloomfield 63, Milford 54  
Andover 62, Kettering 37  
Stevenson 68, Walled Lake 58  
Dexter 62, South Lyon 60  
Redford Union 64, Plymouth 59  
Bloomfield Lahser 50, Mott 41  
Ypsi Roosevelt 77, Whitmore Lake 55

Saturday:

Bloomfield Andover 53, Clarkston 50

Meanwhile, West Bloomfield maintained its front-running position Friday by defeating Milford, which slipped to fourth place, and Bloomfield Andover continued to hold down second spot by swamping Waterford cellar-dwelling Waterford.

Field goal shooting, free shots, rebounding or just plain good team play — you name it — Northville had it in edging the Bulldogs, who managed to slice through the Mustangs' full-court press but not their finely executed offense.

Even so, the Bulldogs refused to roll over. They came from behind to a lead 15-14 at the end of the first quarter and then overcame a 32-31 half-time deficit to go out front 52-51 going into the final stanza.

But with two minutes of the last quarter gone, Northville jumped into the lead, 55-54, and then maintained a slim edge that increased in the closing minutes. With four minutes to play the Mustangs led by only one point, 59-58, but at 1:22 they were out front by six, 68-62.

After shooting at a 40-percent clip in the first half, the Mustangs came back with a tremendous 82-percent effort. And at the free-throw line, Northville converted 22 of its 27 tosses for an 82-percent average compared to Brighton's 52-percent on 12 of 23 attempts.

Forward Ron Hubbard, who hit 42-percent of his shots in the first half and who went two-for-two in the second half, took top scoring honors for both teams with a total of 18 points. And Center Craig Turnbull, with an 82-percent first half effort, pulled up second best with 17 points. Third was forward Jeff Taylor with 13.

Taylor turned in the best performance on the boards, picking off an even dozen rebounds.

Best shooting effort for Brighton was turned in by Bob Musch, who netted 17 points.

\*\*\*

## Colts Ignore Jinx; Cop Number '13'

Thirteen may be an unlucky number for some — but certainly not for Northville's junior varsity basketball squad.

The Colts rolled to their 13th straight win of the season in dumping Brighton Friday night, 71-56, after the two squads finished the first half locked in a 27-27 tie.

Northville held a one-point, 14-13, lead at the end of the first quarter, left the floor at intermission with the tie, but came back strong to take a commanding 52-43 lead at the end of

three quarters.

Brighton, which attempted a zone defense to start of the second half, was forced to abandon it when Bernie Bach, Northville's high scorer, quickly hit four of five shots.

Before the game ended, Bach had potted a total of 29 points sandwiched between 15 rebounds.

Steve Utley, who also picked up 15 rebounds, was the second high Northville scorer with 15 points. He was followed by Kerry Cushing with 13 points and 10 rebounds.

## Schoolcraft Splashes Past Port Huron

Schoolcraft tuned up for the big conference swim meet coming up Friday and Saturday at Kellogg Community College in Battle Creek by winning a dual meet Friday and finishing second in a triangular on Saturday.

Coach Jack Washka's swimmers trimmed St. Clair of Port Huron 68-26 Friday night as they recorded nine first

places.

Saturday they came up against rugged Grand Rapids Junior College and four-year Calvin College in a triangular in Grand Rapids which was won by the host JC with 83 points. Schoolcraft claimed second with 60 points, while Calvin registered 41.

Three firsts were recorded by Schoolcraft, all in 200 yard events.

\*\*\*

### Jim Carron Paces Cagers

A strong second half comeback fell short of its mark at Ann Arbor Saturday night and Schoolcraft dropped another basketball game.

Trailing Concordia Junior College 44-33 at the half, Schoolcraft resorted to a full-court man-to-man defense following the intermission and managed to close the gap to the final

80-74 score.

Jim Carron again paced the Schoolcraft cagers, netting 34 points. Adding 17 was Mike Kenyon, the only other local player in double figures.

Schoolcraft let a close one slip from their grasp Tuesday when they lost a 60-55 decision to Monroe Community College here.

# LAST DAY OF REGISTRATION

## SCHOOL ELECTION

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan, has called a special election to be held in said School District on Saturday, March 22, 1969.

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS, IN ORDER TO BE ELIGIBLE TO VOTE AT THE SPECIAL ELECTION CALLED TO BE HELD ON SATURDAY, MARCH 22, 1969, IS

**FRIDAY, FEBRUARY 21, 1969**

PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M., ON THE SAID FRIDAY, FEBRUARY 21, 1969, ARE NOT ELIGIBLE TO VOTE AT SAID SPECIAL SCHOOL ELECTION.

Persons planning to register with the respective city or township clerks must ascertain the days and hours on which the clerks' offices are open for registration.

Each city and township clerk also will be at his office between the hours of 8:00 o'clock, a.m. and 5:00 o'clock, p.m., on Saturday, February 15, 1969.

This Notice is given by order of the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan.

O. J. Robinson, M.D.  
Secretary, Board of Education

## Wrestlers Tie Despite Forfeits

A great football coach once said "A tie is like kissing your sister."

Coach Jack Townsley's mat squad tied Thursday night against Milford's Redskins (24-24), and didn't feel that way at all.

The Mustangs probably could have done better than to tie, if they hadn't been missing David D'Haene, Curt Olewnik, Brian Jones and Pat Cayley, but with forfeits accounting for half of Milford's points, they really didn't feel so bad about the tie.

Northville could have won if Heavyweight Fred Hicks had drawn with or beaten a tough, 30-pound heavier, widely praised foe. He lost a 26-18 decision after giving the match all he had, however, and the tie resulted.

Winning for Northville were John

Fialon (95 pounds), Mark Griffin (103), Bill Kris (112), Ron Newby (120), Bill Gregory (145) and Randy Marburger (154). Losing in addition to Hicks were Jim Armstrong (127) and Mike (133) and Malcolm (138) Petteys. Forfeits came at 165 and 175 pounds.

Helping the Mustangs overcome the forfeits were three pins, good for 18 points. These were registered by Fialon ("an impressive and improving freshman," says Townsley), Newby (also showing improvement) and Marburger, who may have been spurred on to greater heights by his quadrangular win last Saturday, Townsley feels.

Tuesday night Northville traveled to Clarenceville for their last dual meet of the season before hosting the Wayne Oakland tournament Saturday.

## W-O Conference Battle Upcoming

Wayne-Oakland conference members often get an opportunity to butt heads in dual competition, but they rarely get the chance in a group meeting.

This opportunity presents itself Saturday in the big seven team conference wrestling meet which will

be hosted by Northville this time around. Only one of the eight conference schools — West Bloomfield — will not participate in this major event which begins at noon.

The preliminaries will run most of the afternoon, with two mats being utilized, so consolation finals are not expected to get underway until 6:30 p.m. with the finals (reduced to one mat) scheduled for 7:30.

Adult tickets run \$1 for each session, while students ducats sell for \$.50 per session.

## Stone's Wins 6th Straight

Stone's Hardware kept its unbeaten streak in tack Thursday, defeating the Detroit House of Correction, 63-42, in the Plymouth basketball league.

The victory was the sixth straight for Stone's.

Yesterday (Wednesday) the local five's unbeaten record was to have received its toughest test of the season. Stone's was slated to tangle with the Plymouth Wolverines, who also boasted a 6-0 record.

In last week's battle with DeHoCo, Cap Peters and Steve Evans took scoring honors for Stone's with 20 and 19 points, respectively.

In addition to the trophy awarded the team (and league) champion, there will be medals for first place in each weight class and ribbons will be awarded for second, third and fourth place contestants.

Persons wishing more information on the meet, are asked to call Richard Willing, the tournament manager, either at school (349-3400) or at home (349-3516).

Northville Mustang winners from this event will earn a chance to compete in the district tournament in Chelsea on February 27.

## Sports Schedule

## Swamp Cougars, 70-57 Wildcats Avenge Early Loss

In January the green and white could do nothing right.

Friday the same Novi cagers did everything right.

A visit to Dearborn Heights Annapolis early last month proved catastrophic as the Cougars ran the Wildcats off the floor.

Novi put everything together Friday, however, and the Wildcats gave the visiting Cougars a catfight they were unable to handle.

Gary Boyer scored the first point on a free throw and, although the game remained close until Novi pulled away at the end, the Wildcats never trailed. Leading 16-10 at the quarter and 35-33 at the half, the only time the local club was even tied was at the three-quarter mark at 50-50.

Novi showed it was out to win following Sophomore star Jeff Korte's tying bucket near the end of the third stanza. The Wildcats pulled ahead by four early in the fourth quarter and shut out all the Cougars but Korte who tallied all seven of their final period points. Novi meshed 20 counters to

Jon Van Wagner hit seven of his 10 field goals in the second and third stanzas — when they were needed the most. Dave Bingham meshed six of his eight in the telling fourth quarter. Lee Snow supplied rebounding strength and key buckets. Gary Boyer timely baskets and deft ball thefts and Don Maki was tough on defense and scored when needed. Van Wagner led the squad with 21 points. Bingham followed with his season high of 20, while Boyer tossed in 11. Snow added 10 and Maki six to the attack.

The Cougars, representing a large class "B" school, was paced by Korte with 22 points. Ron Telep, the center, was the only other Cougar in double figures with 12.

Novi's little Wildcats also avenged an earlier loss to the Cougars and made it a perfect evening for the local fans when they edged the tough Annapolis foe, 63-58.

in the win, paced by Doug Osborn with 18 points. Bob Vivian helped with 12, while Tom Boyer meshed 11.

Leading the little Cougars with a fine 25-point performance was Royce Adkins. Wayne Green hit 10 to aid the losing cause.

Three Cats' JV's hit double figures

★★★★

## Novi Boosters To Meet Tonight

Novi Athletic Boosters (NAB) have scheduled an important projects meeting for 8 p.m. tonight at the high school.

The meeting has been called to discuss paying for the scoreboard (NAB thanks those who have contributed to present total of \$1,400 — now only \$1,100 more is needed to complete the payment) Five projects are also to be considered. These are:

Establishing a scholarship fund.

Sponsoring after school activities for athletes.

Forming a greeting committee for visiting sports teams.

Purchasing equipment not normally furnished by tax dollars.

Encouraging increased membership.

If you want to help Novi have the finest athletic program in the area, your presence tonight is urgently requested.

NORTHVILLE'S VARSITY CHEERLEADERS FIRE THE CROWD'S ENTHUSIASM IN FRIDAY'S EXCITING WIN OVER BRIGHTON

## Trial Swim Program Set In Northville

A six weeks trial family swimming program at the Northville High School pool will get underway next Wednesday, Business Manager Earl Busard announced this week.

If sufficient numbers of people participate in the swimming program to ensure that it is entirely self paying the program may be continued, he said.

Family swimming will be held each Wednesday evening from 7 to 9 p.m. Admission has been set at 75-cents for adults and 25-cents for students.

## NBC to See U-M Action

Northville Boosters Club announces that it is switching its meeting tonight (Thursday) from the high school to the junior high.

Film highlights of the University of Michigan's exciting 1968 football season will be shown at the 8 p.m. meeting, with a member of the Wolverines' staff present to discuss the film. Also present will be Northville's Jerry Imsland, Wolverine split end last season.

The program is open to the public — not just to NBC members.

Officers will be elected for the coming year.

## Pikers Score

When two Novi High School youths fish for pike in Walled Lake, they don't fool around.

Rick Rossetto, 15, and Homer Payton, 17, have hauled seven pike up through the ice this winter and one of the last two was a real whopper.

Weighing 10 pounds, the predator measured 30 inches in length and was caught on a tip-up with a chub. The boys also speared a 21 inch in the same outing Sunday.

## NOTICE OF PUBLIC HEARING

NORTHVILLE CITY COUNCIL  
CITY OF NORTHVILLE

**Wednesday, March 5, 1969**  
8:00 P.M.  
at  
NORTHVILLE CITY HALL

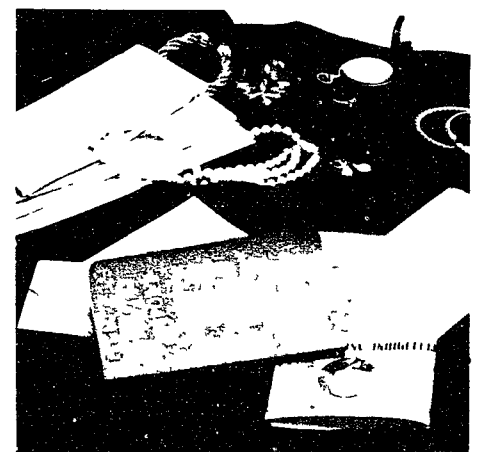

Notice is hereby given that a Public Hearing will be held on the above date and place to consider a Zoning Ordinance amendment on petition of the Pure Oil Company to re-zone the following described lots:

Friday—9 a.m.-6 p.m.

# Police Kidnapper Pleads Guilty

Trial of two South Lyon men charged with the kidnapping and assault of a Novi police officer took an unexpected turn Tuesday afternoon when the defense entered a guilty plea for one of the two defendants.

Oakland County Circuit Court Judge William J. Beer accepted a guilty plea on the count of kidnapping for Giles Carl Askins, 19, and set February 26 as the date for sentencing.

Askins and Floyd Kirkendall, in jail since last summer, were charged

with the kidnapping and the assault on July 30 of Officer Robert Starnes.

Trial for the two men got underway last week and the prosecution had just concluded its questioning of 17 witnesses Tuesday when the defense attorney, James Lafferty, made his surprise move.

Assistant Prosecutor Michael Friedman has not yet decided what steps he might take regarding a second charge — that of assault with intent to kill — against Askins.

The trial was slated to resume today with witnesses expected to take the stand on behalf of Kirkendall who, besides the kidnapping, is being tried for assault less than intent to kill.

Tuesday's surprising move by the defense counsel caps a series of unusual trial delays. Latest of the delays occurred when one of the defense attorneys excused because he was needed as an Arabian language interpreter in the Sirhan Sirhan assassination trial in California.

Another of the five South Lyon youths, William J. Jobe, involved in the July kidnapping will be sentenced by Judge Beer on February 19. Jobe pleaded guilty on January 13 to a reduced charge of felonious assault.

Two minors involved were originally placed on probation. One, however, escaped from a juvenile home and subsequently was arrested and is now lodged in the maximum security unit at the Whitmore Lake Boys' Training School.

## Judge to Talk On Probation

Royal Oak's distinguished District Judge Keith J. Lennhouts will be a guest speaker tonight at Plymouth for a campaign meeting to interest volunteers for probationary work.

Judge Lennhouts gained national recognition and has become a much sought after advisor-speaker because of the exceptional probationary program he established in Royal Oak.

Numerous community probation departments across the nation, including the one here, are patterned after the Royal Oak department.

According to the local district judge, Dunbar Davis, the meeting will be held at 8 p.m. in the courtroom at the Plymouth City Hall.

All area residents interested in training to become voluntary probation counselors are urged to attend the meeting.

## In Court

Only two cases were heard last week in the Northville division of Plymouth District Court with one other Northville case conducted in Plymouth.

Paul Riley of 19010 Balden Street had a charge of contributing to the delinquency of minors dismissed against him but pleaded guilty to the added charge of open beer in an auto and paid a fine of \$35 and the \$3 judgment fee.

Found guilty of speeding 45 MPH in a 35 MPH zone was James O. Fagen of Detroit. He paid a \$10 fine in addition to the judgment fee.

In the case heard in Plymouth, attorney for Robert A. Haass Jr. of 42142 West Six Mile, appeared for Haass and stated that his client could not appear at this time as he is in Europe.

Haass was charged with the breaking and entering of Ramsay's Bar on January 18 from which two cases of beer were stolen.

## Voters Group To See Film

Mrs. Elton McNeil, electoral college chairman for the Michigan League of Women Voters, will speak at the February general meeting of the new provisional League of Women Voters chapter for the Northville-Plymouth area at 8 p.m. Monday in the Waterman Campus Center, Room 260, Schoolcraft College.

A film, "The Beat Majority," also dealing with the electoral college is to be shown.

Guests are welcome at the meeting. Anyone interested may call Mrs. Donald Birkmeier, 453-2681, membership chairman.

# Commerce, Wolverine Lake Locked in Cityhood Battle

Walled Lake is a city, Wixom is a city, how about the land which lies between them?

That, too, is destined to become a city. The question is, will it be — the City of Wolverine Lake or a portion of the City of Commerce?

Commerce, says Oakland County Supervisor Robert Long of Commerce. Wolverine Lake, says village manager Clifford Cottrell of the oldest incorporated village in Oakland County (1954).

After blocking Walled Lake's attempts to annex a third of the two square mile village, Wolverine Lake petitioned the county board of supervisors for a city election last May (under the old statute, a new statute passed later that month would have made it necessary to petition a state board instead.)

A village with an \$8.5 million assessed evaluation, no debts, a minimal 8½ mill tax, sufficient operating funds and the major population center of the township (excluding the two cities of Walled Lake and Wixom), Wolverine refused to give up without a fight.

Commerce Township countered by moving to block Wolverine Lake's action by incorporating itself into a city to include all of the previously unincorporated portions of the township (excluding a 30-acre non-contiguous parcel at 14 Mile and Decker Roads) and Wolverine Lake.

Commerce also moved to disallow the Wolverine Lake petition on grounds that it did not contain a sufficient number of valid signatures. Specifically, the township argued that the petition was invalid because it contained the signature of a woman who, with her husband, was buying a home on a land contract.

Cottrell, on the other hand, contends the signature is a valid one and that the township therefore has no legal grounds on which to stand.

Oakland County Corporation Counsel Robert Allen asked Commerce

in November to present its arguments to Wolverine Lake so that the village could formally reply to them, thus setting the stage for a decision by the boundaries committee of the Oakland County Board of Supervisors.

But since Commerce has not responded, the committee has not yet attempted to resolve the dispute. Meanwhile, without county approval an incorporation election cannot be held for either the township or Wolverine Lake.

Incorporation of Wolverine Lake in any form is distasteful to Commerce but it's particularly irritating because Wolverine Lake not only wants to

incorporate the present village but extend the city boundaries outward to encompass 2.5 square miles of township land.

The present 2-square mile village would be enlarged to include area south along the Walled Lake western limits and the Wixom eastern limits to the Novi limits at Pontiac Trail, and northwest to the Proud Lake Recreation area.

Among new properties that would be snatched from the township to the north are Commerce Lakes Estates Subdivision and Lakeland Shores Subdivision.

## Dog Clinic Slated in Novi By County

Area citizens were reminded this week of the Oakland County Dog Clinic slated here Sunday afternoon.

The clinic, sponsored by the County Animal Shelter, will be held at the township hall, 25850 Novi Road, from 1 to 4 p.m. Owners of dogs may obtain shots and licenses for their pets — and save some money in doing so.

Licenses for male or unsexed dogs are one dollar, with female licenses costing two dollars. After March 1, the cost for these same licenses will increase to \$5 and \$7.50, respectively.

Vaccinations against rabies will cost \$2 at the clinic.

All citizens of Oakland County, — except those residing in communities governed by specific dog ordinances — may take advantage of the clinic.

## School Hires 3 Teachers

Three replacement teachers were hired by the Northville Board of Education Monday night.

The teachers, their education, salaries and assignments are:

Mrs. Betty Ann Wolford of Farmington, a 1958 graduate of Eastern Michigan University, \$1,945, high school business education (half-time).

Miss Carol Grill of Plymouth, a 1961 graduate of Mercy College, \$4,468, junior high school.

Mrs. Virginia Taylor of Northville, 1950 graduate of Michigan State University, \$1,644, junior high school (half-time).

## College Dean to Speak At NHS Career Night

Dr. Paul Hunt of Northville, dean of occupational studies at Washtenaw Community College, will be a guest speaker at the Northville High School "Career Night" program this evening (Thursday).

He will speak on career planning and the changing occupational trends.

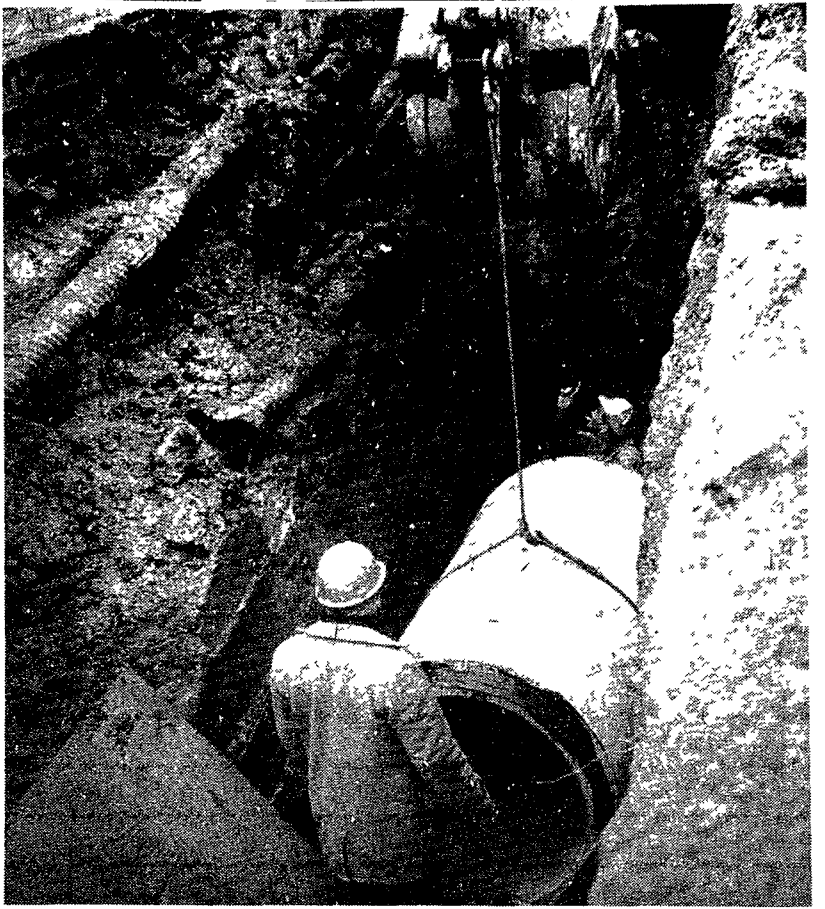

Sponsored by the high school counseling and the cooperative vocational education departments, Career Night is open to sophomores, juniors, seniors and their parents. Others interested are invited to attend as well.

An estimated 20 persons representing more than 200 occupations will be on hand to answer questions about specific occupational

fields and training programs. These include one and two-year terminal college programs, apprenticeships, cooperative vocational training, and a few four-year programs.

Career Night will get underway at 7:30 p.m. and conclude about 9:30 p.m. in the high school cafeteria.

### Park Attendance Up

A near record attendance was recorded at Kensington Metropolitan Park during the month of January.

The park near New Hudson had over 117,000 visitors this year in January compared to 80,000 for the same month of 1968. The highest record for January is over 119,000 set in January of 1966.

## Six Candidates Unopposed For Novi City Council

Six candidates are seeking the six city council seats in Tuesday's city charter election in Novi. Although all six are assured a post, they are competing for terms of office. Those three candidates garnering the highest number of votes will be elected to longer terms. In addition to the election for council, three candidates are seeking the post of city mayor. They are Philip Anderson, Joseph Crupi and Leo Harrawood. Anderson and Crupi are former village presidents and Harrawood is a present village councilman.

★ ★ ★

### DENIS M. BERRY

30, native of White Lake, has been a resident of Novi two years, is a member of the Novi City Charter Commission, still attends college and nearing degree, has attended Highland Park Junior College and Henry Ford Community College specializing in political science and psychology, is employed in industrial sales, was an unsuccessful candidate for the Democratic nomination for State Representative losing out to Arthur J. Law of Pontiac, active in Novi Little League, member of the Novi Jaycees, was formerly associated with the Big Brother organization, lives with his wife and daughter at 41163 McMahon Circle.

### WILLIAM L. DUEY

CARDS and  
CANDY

## Value Showdown:

Match these features against what competition gives you for the same kind of money, and you'll have a better idea why more people are buying Chevrolets again this year.

### Built-in "guard rails"

There's a strong steel beam built into every door of every 1969 Caprice, Impala, Bel Air, Biscayne, Kingswood Estate Wagon, Kingswood, Townsman and Brookwood.

We call it a side guard beam, and it looks like one of those guard rails you see along the freeway.

That's what it's there for: To guard you. To strengthen the door and put a more solid wall between you and the outside world.

Not a glamorous feature. But you'll have to admit worthwhile.

### Computer-selected springs

Maybe you'll order your new Chevy equipped to the hilt. Or maybe you'll order it with hardly anything on it.

Either way, you're going to get your full measure of our renowned ride.

Because we go to the trouble of programming each car's equipment load into an electronic computer.

The computer then tells us exactly which springs to use, depending on the car's weight and the way it's distributed.

Chevrolet, the only car in its field with computer-selected springs.

### Fenders inside fenders

We could have skipped this. (The other cars in our field do.) But we're as anxious as you

are to keep your beautiful new Chevy looking beautiful and new.

So:

Up inside the regular fenders we've placed a second set.

They do all the in-fighting. Catch all the splashed-up rain, slush and road salt. Stop the kicked-up stones.

While your "outers" just sit there looking pretty.

### Astro Ventilation

The other two cars in our field give you air intakes down by the floor.

So do we.

We also give you two up on the instrument panel.

And all four of them are adjustable so you can regulate the flow of air just the way you like it.

Even with all the windows closed, you'll be comfortable inside. You get air without wind.

Without noise.

Astro Ventilation is standard, now, on all the big Chevrolets.

### The theft-thwarter

On the steering column there's a lock.

Only Chevrolet has it, in Chevrolet's field.

You turn the key and it locks three things:

Your ignition.  
Your steering wheel.  
Your shift lever.

When you own a car this tempting, you don't dare take chances.

### Biggest standard V8 in our field

Ask any car enthusiast, he'll tell you:

Chevrolet builds great engines. Especially V8s.

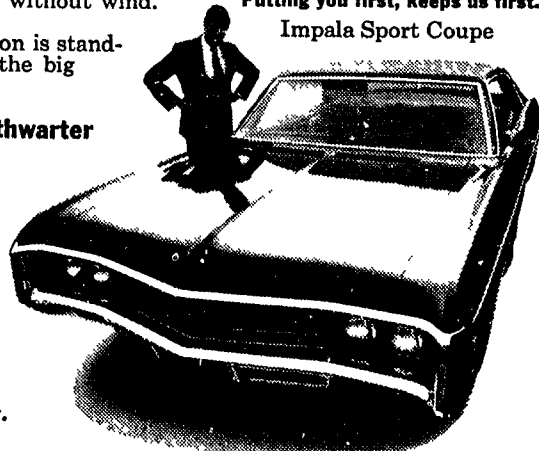

And this year there are six great V8s available for the big Chevrolet. Standard: Our 235-hp 327-cubic-inch Turbo-Fire.

Another thing: We've lowered the price of several of our bigger V8s along with our automatic transmissions and power disc brakes. Which makes it possible for you to buy a '69 Chevrolet for even less money than you could last year.

Show up for our Showdown. You can't lose.

Putting you first, keeps us first.

## from the Pastor's Study

Rev. R. A. Mitchinson  
New Hudson Methodist Church

Surrounded by material needs, man is extremely lonely. What we desire more than anything else is meaning for life, whether we recognize this or not. Reuel Howe in his book "Man's Need and God's Action" writes "The deepest desire of all is the desire to be at one with someone, to have someone who can be at one with us, and through whom we can find a oneness with all."

We might dare to suggest then that God, God revealed in Jesus of Nazareth, is the answer to our needs. Jesus, aware of the love of His Heavenly Father, set out to

enter into the activities and everyday struggles of people and share that love. Jesus followed through on his own invitation. "If any man would come after me, let him deny himself and take up his cross and follow me." (Mark 8:34).

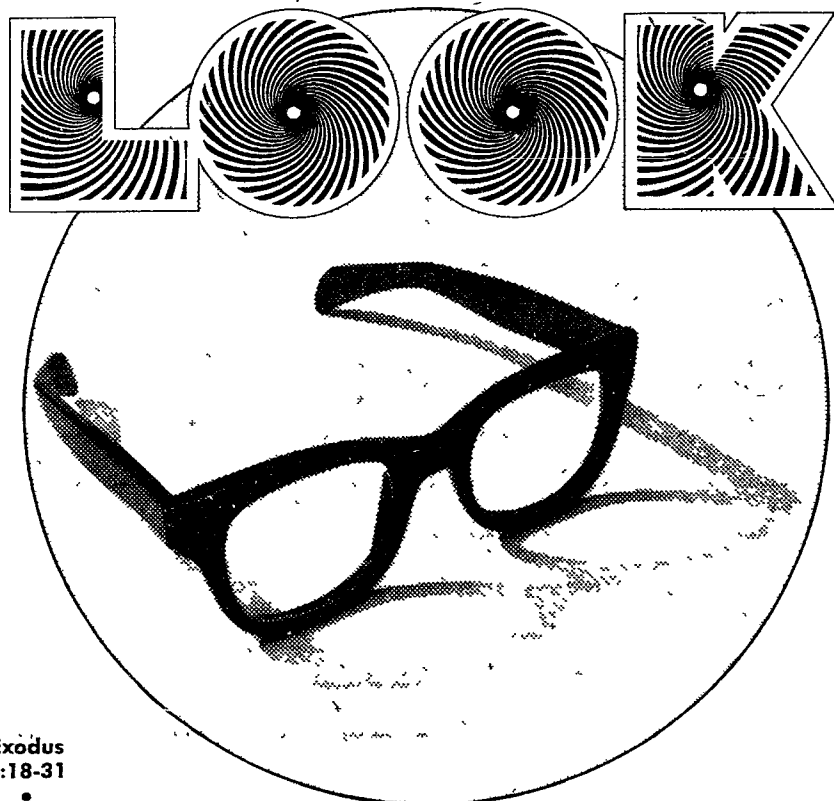

Sacrificial sharing is a quality many persons need to experience. Yet, because of our selfish preoccupations with ourselves, we do not seek out others. We fail to experience what this sharing can do to our understanding of God and His love. David Woodyard illustrates this fact when he writes "The person who keeps himself to himself soon loses himself; he evaporates before his own inward stare."

God created man to live in relationship to other men, and a vital love relationship is necessary for mere survival. The hurt and anxiety of people hangs over us now like a dark cloud. Homes are

shattered by divorce, young people are confused about the real values in life. In short, utter loneliness seems to have engulfed us. Reuel Howe makes this so real when he reminds us that many thousands of men and women fill mental hospitals to overflowing. "Many of them are there because somebody did not take them in and give them a place in a warm and hospitable relationship. Somebody stiff-armed them emotionally; not intentionally probably, but with such effect that they have run away from the cold ordeal of living with their fellowmen." And he relates that these experiences do not apply only to mental patients. We all suffer the ill effects of exclusion. We all exclude and hurt others.

The veil of darkness can be lifted from our lives as we turn to God and each other. God's love becomes real as persons dare to share their fear, their joy, and their love with one another.

### Here's the Answer

## 'Prayer Day' Services Set

"Growing Together in Christ" is the theme for this year's World Day of Prayer service.

The St. Joseph Catholic Church of South Lyon will be hosting the program this year on Friday, March 7, at 1:30 p.m. Five local churches will be represented.

Mrs. Joseph Leroy is the chairman for the Catholic Church. Mrs. Blair Race will represent the First United Presbyterian Church; Mrs. C. R. Bradley, the First United Methodist Church; Miss Esther Lee, the New Hudson United Methodist Church; and Mrs. Carson Tank, the Holy Cross Episcopal Church.

# \$7.9 Million Issue OK'd by College

A \$7.9 million bond issue, as part of a long-range building program totaling \$17.6 million, has been approved by the Oakland Community College Board of Trustees, OCC President Joseph E. Hill announced this week.

## Area Youth Named Theta

William E. Dehnbostel, son of the Ralph L. Dehnbostels of 7800 Chubb Road, has been elected to the office of Theta of the Beta Delta Chapter of Phi Kappa Sigma (Skulls) Fraternity at Michigan State University at East Lansing.

Theta is chapter house manager and sergeant-of-arms. Bill is a sophomore at MSU and is majoring in Electrical Engineering. Phi Kappa Sigma is the 11th oldest national fraternity.

The building schedule calls for the construction of nine buildings for which the \$7.9 million bond issue would be used along with state grants of \$5.3 million, federal grants of \$4 million and a combined state and federal grant of \$350,000 making up the total of \$17.6 million for the nine projects.

The buildings, in priority order along with their total estimated costs, are as follows: Vocational-Technical Building, Auburn Hills, \$3.5 million; Maintenance Building, Orchard Ridge, \$160,000; Business Building, Auburn Hills, \$1.3 million; Library Building, Auburn Hills, \$4.4 million; Math Building, Auburn Hills, \$1.7 million; and Horticulture Building, Auburn Hills, \$119,700.

The last three buildings may have their priority changed upon submission of justification for requesting the change by the Trustees to the State Municipal Finance Commission, according to W. H. Nikkel, OCC chief business officer.

**DONOR PAYS VISIT**—Ivan Ludington, who operates the Ludington News Company, Inc., was at the Northville Child Development Center library Thursday to survey the use of his company's donations of some 350 magazines per month and about 500 paper back books to the institution. Shown inspecting the facility are (left to right): Dr. Pasquale Buoniconto, medical supervisor; Ludington; John Tishuck, educational director; and Rev. Fred Lapham, community relations coordinator.

# Schoolcraft College To Host Dr. Spock

Dr. Benjamin Spock, world-famed pediatrician who has in recent years been identified with anti-Vietnam War activism, will make two speaking appearances at Schoolcraft College on Thursday, April 10.

Dr. Spock will speak at 3 p.m. and 8 p.m. in the Lois L. Waterman Campus Center, according to Dr. Ralph Atchley, chairman of the Schoolcraft Humanities Series committee.

Free on bond pending his appeal of a conviction in a federal court for counseling young men to evade the draft, Dr. Spock will speak here under the auspices of the Civil Liberties Legal Defense Fund, Inc. The organization seeks to raise funds for the legal defense of students and other citizens who feel their civil rights have been violated.

At his afternoon appearance, Dr. Spock will speak on "What's Happening to America: The War and Domestic Reality." Topic for his evening appearance will be "Dissent

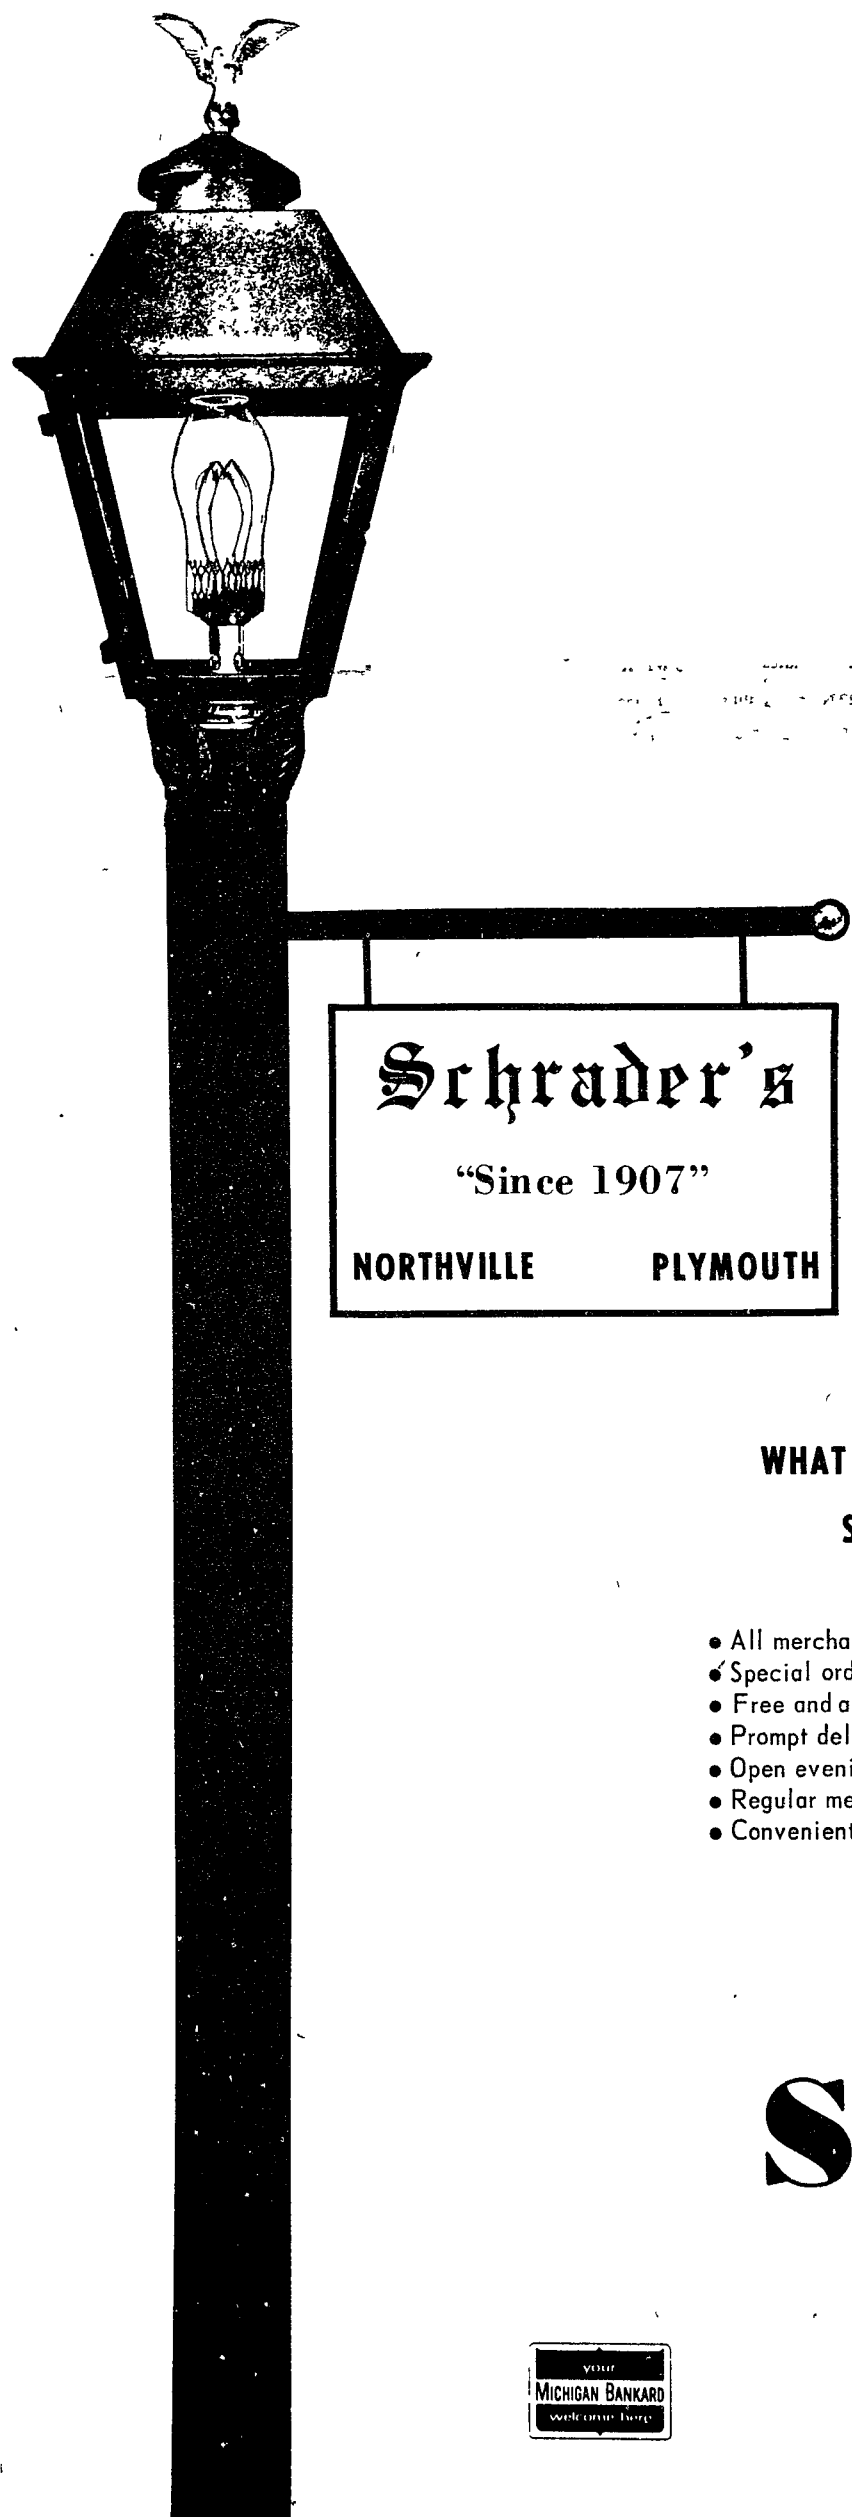

and the Need for a New Politics."

On Friday night, April 11, Dr. Spock is scheduled to speak in Detroit on babies, a subject which first brought him international fame. His appearance in Detroit will be sponsored by the Institute of Adult Education, directed by Dr. Seymour Riklin on behalf of Eastern Michigan University, the University of Michigan, and Wayne State University.

## Layman Takes Pulpit

Layman's Sunday will be observed at the Salem Congregational Christian Church on February 16, at both the morning and evening services.

Pastor Gary Herne has announced that the sermon at the 10 a.m. service will be delivered by Joseph Revitzer. Harry C. Richards will speak at the 7 p.m. service. Various other laymen of the congregation will also take part in both services.

# NOVI HIGHLIGHTS

## MRS. H. D. HENDERSON

349-2428

Tom and Steve Bell spent the weekend fishing with their uncle Henry Menche of St. Clair Shores. They had very good luck fishing in Mitchell's Bay in Canada.

After being hospitalized for a couple of weeks, Mrs. Ella Curtis came home from St. Joseph's Hospital in Pontiac on Tuesday of this week.

Mr. and Mrs. John Leavenworth of Wayne were Sunday visitors at the home of the former parents, Mr. and Mrs. Ed Behrendt.

Vern Tremper returned home last Wednesday. He had been a patient in the Osteopathic Hospital in Pontiac for approximately two weeks.

The Novi Goodfellows will have their next meeting February 20th at the Rosewood. They will formulate money making plans for the coming year.

Mr. and Mrs. James Haas spent last weekend at the Democratic Convention in Cobo Hall. They elected their State Chairman, James McNeely.

Ronald Deaton, who has been home on furlough with his parents, Mr. and Mrs. Ollie Deaton for the past month, left last Monday for duty in Vietnam.

Before Ronald left a going away party was held in his honor, given by his friend Gerald Terrell, at the home of Gerald's mother, Mrs. Warren Shipley on Ten Mile. There were 36 friends in attendance.

Mr. and Mrs. Ollie Deaton also honored their son, Ronald, at a dinner party on Sunday. The guests were Mr. and Mrs. Gerald Terrell, Rickey White, Debby and Bonnie Brown and Miss Margo Kapke of Walled Lake.

Mrs. Marie LaFond had a birthday dinner for her son-in-law, Cournie Konetschny and his wife, Prudy this past Saturday evening. Other guests were Mr. and Mrs. Cameron Cogsdill and Mrs. LaFond's houseguest, her cousin, Mrs. Frances Washbrook of Windsor, Canada. Mrs. Washbrook left for her home in Windsor on Sunday.

Saturday evening the Herbert Farhahs were the guests of Mr. and Mrs. Duncan McLead of Windsor for dinner at Gams in Windsor.

Mr. and Mrs. Herbert Farah celebrated their wedding anniversary as guests of Mr. and Mrs. Harbin at dinner at Carl's Chop House in Detroit, February 1st.

Mr. and Mrs. Anthony Skeltis and family and Mr. and Mrs. John Tymensky and daughter, Brenda and Reed Harpster spent last weekend at Gaylord and Houghton Lake, ice fishing.

Youth Protective Services meeting will start February 25th and will continue for four consecutive Tuesdays.

Mrs. Harold Miller is recovering from a bout with the flu.

WILLOWBROOK NEWS

Mr. and Mrs. Robert Wilkins and family spent this past weekend skiing at Cadillac. They stayed at the Arnold Bell cottage.

Sally Auten, daughter of Mr. and Mrs. Ralph Auten of Ripple Creek, is back home again after undergoing a tonsilectomy in the hospital.

NOVI SCHOOL MOTHERS CLUB

The Novi Mothers Club cordially invites new members as well as old members to come to the February 17th meeting next Monday. The meeting will be held at the Junior-Senior High School. Special entertainment will be

provided by the Senior High Concert Band. Anyone needing transportation call Mrs. James Patterson — 349-0053.

## WILLOWBROOK UNITED METHODIST CHURCH

Friday, February 14, Junior Fellowship at the church at 3:30 p.m.

Saturday morning, February 15th a Catechism class will be held in the Fellowship Hall of the church at 10 o'clock. The pastor will conduct the class. This class has been meeting for one week and there is still opportunity for others to take part.

Sunday, February 16th, a special youth class will meet at 10 a.m. This is for Junior and Senior High students.

At 11 a.m. Morning Worship Service. At 7:30 Sunday evening the Pastor-Parish Relations Committee will meet with the Conference Superintendent, Rev. G. H. Kellermann, followed at 8 p.m. with a Special Charge Conference. All members of the Local Conference are members of the Charge Conference and are expected to be present.

Tuesday, February 18, Rev. Norris will attend a meeting of the Board of Education at the Pontiac Central United Methodist Church.

Wednesday, February 19, Choir practice at the church at 8:00 p.m.

## UNITED METHODIST CHURCH OF NOVI

Tuesday evening at 7 o'clock Social Concerns Committee and Worship Commission met at the church at 8 o'clock. The Merger Study Group also met at the church.

Wednesday evening at 7:30 choir rehearsals.

Next Sunday the Sacrament of Baptism Service at the 9:30 Worship Service. At 1:30 services will be held at the Whitehall Convalescent Home.

The U.M.Y.F. will meet at 6:30 with their sponsors at the church.

Tuesday evening, February 18, at 7:30 the All Church Conference will be held in the Novi Church. Dr. Joseph Edwards District Superintendent will be in charge.

Wednesday, February 19th, the W.S.C.S. will meet at the church. Mrs. Raymond Schairer, former president of the Ann Arbor District W.S.C.S. and now Chairman of Michigan Education will be the speaker. A group of students from the Novi High will entertain with their singing. Each member of the W.S.C.S. is asked to bring 2 dozen sandwiches and their table service.

## HOLY CROSS EPISCOPAL CHURCH MISSION

The Acolytes this past Sunday were Kevin Lentz, Charles Lehman and Randy Huber.

Prayers were said for Berta Nash who is in Old Grace Hospital, John R. Street, Detroit. Berta is Mary Sturman's daughter. Cards would be appreciated.

Monday Bishop's Committee meeting was held in the Vicars office.

Wednesday at 7:00 p.m. Junior choir practice and at 7:45 adult choir practice.

Beginning Wednesday, February 19th, Adult Bible Study Class will begin at 7:00 p.m. immediately after Eucharist. The Bible Study will continue through Lent. Everyone is welcome.

The Stardusters Millionaires party will be held Saturday, February 15th at the Novi Community Hall. This will be a fun evening so everyone should get their tickets from the committee, at the church or at the door the evening of the party.

Coffee hour on Sunday was under the direction of Mrs. Sandy Scott and Mrs. Betty Johns.

Please notice that on the bulletin board there is a paper for you to sign up for coffee hour duty.

Also needed are couples to take charge of cleaning the church. Won't you sign up for these duties?

## FIRST BAPTIST CHURCH OF NOVI

Last Sunday the guest speaker for the day was Rev. Oscar Gloninger from Missionary Internship, Farmington.

The mid-week service will be held Wednesday at 7:30 p.m. Pastor Clark will bring the Bible study.

Saturday, February 15, 7:30 p.m. the young people will be attending the Billy Walker Rally at the Southgate

High School auditorium. Featured on the program will be Johnny Ambrose, a former night club performer, who since his salvation he has proclaimed the gospel in song in 68 nations of the world. The Smith sisters, Jackie, Lora and Cheryl, have been heard often on radio and in churches across the state. Johnny Skev, also on the program, is no stranger to those rallies; his trumpet artistry is appreciated by scholars and sacred musicians alike. There will also be an added feature, The Remnant Choir, under the direction of Miss Joan Francisco; the vibrant voices of over fifty teenagers, with exciting accompaniment and capable leadership promises a delightful package of musical inspiration. Everyone is invited to attend this fine musical program. The program is a ministry of the Billy Walker Evangelistic Association.

Sunday, February 16th, Sunday School starts at 9:45 a.m. attend this Sunday with the whole family. Help us reach new goals in our Sunday School Contest. Pastor Clark will be bringing the messages at the 11 a.m. and 7 p.m. services. The young people will be taking charge of the evening service with testimony and song. The Senior High, Junior High, Jet Cadets and the Whirleybirds all meet at the 6 p.m. hour for their youth meetings. Capable sponsors meet with each group.

The Sunday School Workers will meet Tuesday, February 18th, at 7:30 p.m. for their monthly meeting.

## FIRST BAPTIST CHURCH OF WIXOM

Saturday evening the teens and sponsors joined the First Baptist Church of Farmington teens for a swim at Oakland University pool. Later, Farmington hosted Wixom for devotions and refreshments.

Sunday morning Worship Service, Pastor Warren brought a very thought provoking message entitled, "Some Sick Saints," using I Cor. — 1 as his text.

The 80 minute color film, "Riding the Pulpit" was shown during the evening service. This is a true story of Pastor Jess Moody, whose persistence, courage and sense of humor are combined with a deep love for God. The film was lined with excitement, humor and adventure. It provided a delightful challenge to both young and old and a daring challenge to answer God's call.

NEW: Beginning this week at 7:00 p.m. on Wednesday, FAMILY NIGHT, Our Boy's Brigade will begin for all boys in the community 12 years and over. Also at 7:00 Rev. Warren will continue the Visitation training session including Bible Study and Prayer. Adult choir meets at 8:00 p.m.

February 15th, Saturday, all teens are especially invited to go to the Billy Walker Rally at Southgate. Bus leaving at 6:00 p.m.

Sunday, February 16th, at 9:45 you are invited to come and hear the "Rio Grande Family Radio Fellowship" group from Texas. They will be providing music and slides.

February 23 — Detroit College Choir Concert. March 2nd begins the "March to Sunday School. IN MARCH" contest. Who is Astro X???

NEWS ITEM—Friday evening the Gordon Rohoff family from Detroit were dinner guests at the Larry Smith home.

## NOVI REBEKAH LODGE NEWS

The Novi Rebekahs served a roast beef dinner to the Board of Commerce Ladies Night banquet, Saturday evening. Flossie Eno and Blanche Clutz had charge of the kitchen and Jennie Champion was chairman of the dining room.

Wednesday, February 12th, Birmingham Lodge Visitation at Berkeley.

Regular Lodge night tonight, Thursday, at the Hall.

Noble Grand Mary Ann Atkinson, Vice Grand Jennie Champion and Deputy Marshall Kathryn Bachert will attend a luncheon and a Deputy Study meeting at the Y.W.C.A. in Detroit on Friday.

The Past Noble Grands will have a pot luck supper at the hall next Thursday, February 20th.

## NOVI GIRL SCOUTS

Brownie Troop No. 161 made valentines-cards and played a game.

Junior Troop No. 713 made valentines and collected cookie order sheets.

Junior Troop No. 913 went on a skating party at the home of Angela Sinicola on Nine Mile Road. They were given their camping equipment. Cookie order sheets were collected.

## NOVI BOY SCOUTS

Novi Community Hall was the scene of the 1969 Boy Scout pot luck dinner at 2:00 p.m. on February 9th, Boy Scout Sunday. A committee of Scout Mothers planned a delicious menu of ham, potato salads, other salads etc. A hearty thanks to them who were headed by Mrs. J. Laub, Mrs. O. Bumann, Mrs. H. Meyer, Mrs. R. Wilkins, Mrs. F. Goerlitz and Mrs. F. Buck. Decorations by Mrs. Fred Goerlitz.

The Rotary Club of Novi, the sponsoring group were represented by Rev. Jack Fricke, Herbert Harbin, Institutional Representative, George McCollum, Bruce Parmentier and Bruce Simmons, also Mr. Fred Goerlitz, Committee Chairman, who gave out badges to the following scouts: Tim Bell — 5 year pin and Junior Leader Patch: George Gombasy — 5 year pin and Junior Leader Patch: Dave Bumann — 4 year pin and Junior Leader Patch: Bob Collins — 6 year pin and Junior Leader Patch: Robert Brown — 2 year pin and Senior Patrol Patch: Tom Wilkins — 2 year pin and assistant Senior Patrol Patch: Butch Meyer — 2 year pin and Patrol Leader Patch: Tom Meyer — 1 year pin; Steve Lukkari — 2 year pin; Mark Bumann — 2 year pin; Tom Bell — 5 year pin; Steve Bell — 1 year pin; Duane Bell Assistant Scout Master Badge.

A film was shown on the 1968 Scout Jamboree (World) at Farragut, Idaho was presented after the dinner. A total of 94 adults, scouts and children attended the pot luck dinner.

## NOVI SCHOOL MENU

Monday—Goulash, bread, butter, carrot strips, fruit cookies and milk.

Tuesday—Escalloped potatoes and ham, hot biscuits and butter, vegetable, jello and milk.

Ash Wednesday—Mashed potatoes, hamburger gravy, or tuna fish sandwiches, bread, butter, cheese wedges, raisin cookies and milk.

Thursday—Hot dogs, buttered buns, potato chips, baked beans, sweet potato pie with whipped topping.

Friday—Individual chicken pies, gravy, peanut butter sandwiches, fruit cobbler and milk.

## Northville Township Board Minutes

MINUTES OF FEBRUARY 4, 1969

Meeting called to order at 8:05 p.m.  
Present: Stromberg, Hammond, Lawrence, Armstrong, Baldwin, Mitchell, Straub, Also Attorney Ashton, Press, J. S. Kaiser and E. Guido.

Baldwin moved that the minutes be accepted with the following correction: in item five, delete the last sentence and substitute "Mr. Stromberg is to discuss the matter of trucking zones with the Northville Area Economic Development Corporation to see if they are interested in investigating it. If they feel a need, the Board could then contact Rep. Stempfen." Second by Armstrong. Ayes: All.

Baldwin moved that the Treasurer's report for January 1969 be accepted as submitted, supported by Mitchell. Ayes: All.

Armstrong moved that the current bills payable for General Township and Water & Sewer Department be paid. Second by Baldwin. Ayes: All.

Armstrong moved that the receipts for January be accepted. Second by Straub. Ayes: All.

Baldwin moved that the Clerk's Quarterly Budget Report be tabled for future review, seconded by Straub. Ayes: All.

Baldwin moved that the Building Department Report for January be accepted and filed. Supported by Straub. Ayes: All.

Armstrong moved that the Library Commission minutes for December 5, 1968 be accepted. Second by Baldwin. Ayes: All.

Straub moved that the Planning Commission minutes for January 28, 1969 be accepted. Second by Lawrence. Ayes: All.

CORRESPONDENCE

1. County Road Commission. Baldwin moved that the Supervisor be empowered to sign a contract with the Wayne County Road Commission for three applications of liquid calcium chloride in 1969. Lawrence seconded. Ayes: All.

2. SEMCOG. Baldwin moved that the Township renew its membership in SEMCOG for another year (\$200.00). Second by Lawrence. Ayes: All.

3. City of Northville, Fire Equipment. Baldwin moved that the Township pay 50% of the cost of the items in Paragraph No. 1 of the January 21st letter from Mr. Ollendorff. Second by Mitchell. Ayes: All. Mitchell moved that the Supervisor be authorized to purchase a tractor from Civil Defense to pull the Township Fire Tanker, using up to \$1,000 of the fire fund money. Lawrence seconded. Ayes: All.

4. Draugelis & Ashton, Manning Locklin. Mr. Ashton read a letter dated January 17, 1969 from the Hayes Land Co. regarding non-conforming use of land upon change of ownership. The Clerk read the reply from Draugelis & Ashton. Mitchell moved to accept and file the letters, seconded by Straub. Ayes: All.

5. Burnham & Flower Agency. Lawrence moved to accept and file the insurance letter, supported by Straub. The Clerk was asked to search the minutes for a reference to Trustees in regard to pensions.

6. Wayne County Board of Health. Act 269. Letter of January 24, 1969. Ashton stated that no action was necessary by the Board as the County will police this Act for the Township as there is no local ordinance covering it. Hammond moved to accept and Straub seconded. Ayes: All.

7. Michigan State Department of Treasury. Fees for District Courts. Baldwin moved to accept the letter, seconded by Lawrence. Ayes: All.

8. Resolutions. Increase benefits for Senior Citizens and Veterans (Tax relief). Mitchell moved to accept and file the

resolutions from the cities of Grosse Pte., Woodhaven and Lincoln Park, and Twps. of Van Buren and Plymouth. Second by Straub. Ayes: All. Mitchell then moved that a similar resolution be drawn up by our Board and sent to State Senators and Representatives. Second by Lawrence. Much discussion, and then, the motion was defeated. Ayes: Mitchell, Lawrence, & Straub. Nays: Hammond, Baldwin and Armstrong. Tie vote broken by Supervisor.

9. Wayne County Drain Commission. Letter of January 30, 1969. Baldwin moved to refer this letter and resolution to the Township engineer for determination of the drainage district, portion in Northville Township, in consultation with drain officials. Second by Straub. Ayes: All.

OLD BUSINESS

1. Addition to Refrigeration Code. Straub moved that the attorney be instructed to draft the necessary revision in the schedule of fees concerning journeymen. He will bring this resolution to the next meeting. Second by Lawrence. Ayes: All.

2. Cemetery plaque. Mr. Slinger, of the Northville Record, stated that he would be happy to present a new plaque yearly like the one that is presently erected at the Waterford cemetery. No action on a bronze or stone plaque will be taken until after the winter when weathering effects on the one we have can be studied.

## NEW BUSINESS

1. Plumbing and Heating Inspector's wages. Mr. Stromberg stated that the Board had decided to bring the wages of all inspectors into conformity by changing them from a fee basis to an annual salary. He had discussed the matter with Mr. Sterner and he had agreed to do the work for \$6500.00 a year plus mileage. Baldwin moved that the position of heating and plumbing inspector for Northville Township receive a salary of \$6500.00 and mileage at 10 cents a mile, effective February 1, 1969. Second by Armstrong. Ayes: Armstrong, Baldwin, Hammond, Mitchell, Straub. Nays: Lawrence. Motion carried.

2. Announcements. (a). The Clerk gave a short report on the annual MTA meeting in Grand Rapids which was attended by the Supervisor, Clerk, Attorney and Trustee Mitchell. (b). The Supervisor announced a Public Hearing to be held by the Planning Commission in regard to the Levitt request, on February 25, 1969 at 8:00 p.m. in the Township Hall. If crowded, the meeting will move to 405 W. Main Street. (c). There will be a study meeting for the Township Board to be held on February 18, 1969 at 8:00 p.m. in the Township Hall.

3. Tax free land study. Mitchell moved to have the attorney look into the tax free land in the Township that is not presently being used by the governing bodies who own it, to see if that portion of the land could be taxed by us. Second by Baldwin. Ayes: All.

4. Parisi. January 31, 1969. It was decided to invite Mr. Parisi here to speak to the Township on March 11th or 18th, 1969 on the subject "The role of Township Government in a rapidly urbanizing community, or alternatives."

5. Letter from Thompson-Brown, January 29, 1969. Baldwin moved to accept and file, seconded by Straub. Ayes: All.

6. Mitchell stated that he has taken a leave-of-absence while awaiting the Attorney General's opinion, asked for through Representative Stempfen. Meeting adjourned at 11:25 p.m.

Respectfully submitted,  
Eleanor W. Hammond  
(These minutes published subject to approval by the Board at the next meeting.)

## Timely Income Tax Filing Tips

**EDITOR'S NOTE:** This is the fifth and final article in a series prepared by the Michigan Association of CPAs on money-saving tax "tips" in the preparation of the 1040 Federal Individual Income Tax Return.

Did you work for more than one employer in 1968? If so, it is possible that more than \$343.20 in social security (FICA) tax was withheld from your wages, and you are entitled to deduct the excess from any income tax you may owe or ask for a refund.

There are other deductions and exclusions which individual taxpayers frequently overlook in figuring their tax. Here, according to C. A. Norton, president of the Michigan Association of CPAs, are some of the more common ones:

**Dividends** — You can deduct up to \$100 in dividends received in 1968 on stocks owned in most domestic companies and corporations. If you file a joint return, you and your wife can each deduct up to \$100 for a total \$200 deduction. Neither of you can claim any portion of the deduction not used by the other, however. If you received \$180 in dividends and your wife \$60, you can deduct only \$160.

**Capital Gains** — Short-term capital gains (profit on sale of stocks and other property) are fully taxed, just as ordinary income. However, only 50 percent of net long-term gains are taxed.

The stock or other property must have been held for more than six calendar months for the profit to be treated as a long-term capital gain. Don't count the day of purchase but include the day of sale in determining whether it was held for more than six calendar months.

Profit on a stock bought on April 30, 1968 and sold on October 31, is a short-term capital gain. It is a long-term capital gain, however if the selling date was November 1.

**Sick Pay** (during absences from work due to illness or injury) — If your employer paid 75 percent or less of your weekly salary, and you were hospitalized for at least one day during the period of absence, up to \$75 of each weekly payment during the first thirty days of absence is excludable from your total income in figuring your tax. If you weren't hospitalized, the exclusion starts with the second week's payment.

Payments during the first thirty days amounting to more than 75 percent of your regular weekly salary cannot be excluded. Payments during absences lasting longer than thirty days are excludable up to \$100 a week after the first thirty days, regardless of whether the 75 percent of less rule has been met.

# Out of the PAST

## FIVE YEARS AGO...

...Congresswoman Martha Griffiths notified Mayor A. M. Allen that the city of Northville has been awarded a federal grant of \$15,578 for its comprehensive planning program.

...Members of Northville Lanes' bowling leagues contributed \$675 toward the March of Dimes in 100 per cent participation, Angie Gadioli announced.

...Charles Parton, over-all chairman, and Mothers' March chairman Mrs. H. L. Dyer announced that the drive had netted \$1,423.65 or better than \$100 more than the previous year's march.

...De-watering was necessary due to the high water table in the ground through which the Novi sewer trunkline was to be laid. This expensive process had to be carried out so trenches for the pipe could be dug.

...Wixom Mayor Wesley McAtee was upset by the lack of a provision in the city charter concerning candidacy for other offices while a person was holding an elective office. The problem of what to do if Mrs. Lottie Chambers should be elected mayor while she was still a member of council caused McAtee to ask council to present an amendment demanding that such candidates resign from office before standing for election to another post.

...Northville's Mayor Allen asked the city to train a stand-by fire department in the face of possible mass resignation of the present one due to apparent inability to iron out differences between the city and the department.

## TEN YEARS AGO...

...Northville posted its second Wayne-Oakland cage win of the season, but dropped a non-league decision to Willow Run. The freshman squad notched its eighth straight win.

...A chairman and 10 captains led their Mothers' Marchers in the March of Dimes drive. Chairman was Mrs. Albert Needham, while the captains were the Mesdames, Edward Angove, Paul Beard, Brian Conklin, B. G. Elliott, Marshall Huff, Sidney Junod, Gordon McKinney, Frank Pauli, Donald Robinson and William St. Lawrence.

...Northville High School was rapidly nearing realization with completion expected within two months.

...Northville Mayor A. M. Allen was named secretary of Region III of Michigan Municipal League.

...Nearly 60 Novi Goodfellows were honored for their special contributions to the organization's success as President Charles Wallace presented them certificates.

...Donald E. Brooks was named to fill the unexpired term of Wixom Councilman Walter Tuck, who resigned the previous week in a surprise move.

...A public meeting was scheduled in an effort to sell the bond issue for Northville's proposed \$300,000 water improvement program.

...All-night parking on Northville's city streets was outlawed to enable city crews to clear streets during night hours.

...Northville City Council was considering returning some money to taxpayers. The rebate would come in the form of returning tax penalty charges for late payment of taxes.

## FIFTEEN YEARS AGO...

...After the W. C. Taggart Company of Big Rapids had brought in an oil well rated at 5,000 barrels per day, speculation was rampant as drilling began on a second one on the Glenn Angell farm on Seven Mile Road near Napier. The first had been drilled on the LeMaster farm on Napier between Seven and Eight.

...A win over Keego Harbor brought the Mustangs into a first place tie for the Wayne-Oakland basketball lead with Milford.

...The entire student body of Northville Elementary School was slated to attend the Shrine Circus in Detroit, courtesy of local Shriners who provided tickets and the Board of

Education who furnished transportation.

...Obstetrician and gynecologist Dr. John T. Rogers, who studied under Dr. George Papanicolaou (originator of the Pap smear test for vaginal cancer), joined Drs. Russell M. Atchison, Robert G. Wetterstrom and Orlo J. Robinson in practice here.

...Eberle Smith and Associates of Detroit were hired as architects for the new elementary school in Northville.

...All-League (Wayne-Oakland) band concert was scheduled for Northville High School. Northville had 25 of the members on the band represented by six of the seven league schools.

...St. Mary Hospital building fund committee announced that minimum gift it would accept was \$72, as it felt "nickels and dimes" would not go far toward construction of such a facility.

...Novi Township Fire Chief Glen Salow announced that he had a volunteer squad of 13 who each received \$3 per completed run.

## TWENTY YEARS AGO...

...Representative George A. Dondoro, minority leader of the Public Works Committee of the House, asked that study be instituted in the control of air pollution by industries and ships. He said that it was believed that the "Detroit-Windsor area was the only one in the United States" so affected, but that the problem, he felt, was of sufficient magnitude to warrant congressional study.

...After losing to Farmington, the Mustangs were preparing for basketball rematches with Keego Harbor and South Lyon. Northville's cagers, had posted one of their few victories of the season in the first meeting with the Lions.

...Former Northville Principal George V. Harrison was appointed to serve on the North Central Association of Colleges and Secondary Schools, the regional accrediting body.

...Northville Downs received notification of a 54-day racing season for the coming summer.

...Michigan parents were being warned to have their children inoculated against the diphtheria epidemic which was sweeping the state.

...Northville Township Clerk Fred Lyke was announcing registration deadlines for the impending township election only a few weeks away.

## TWENTY-FIVE YEARS AGO...

...Three Northville High Seniors graduated at the end of the first semester in order to enter armed services sooner. They were Class President Robert MacDonald, Honor Student Gerald Miller and Walter Falconer, Jr.

...Quota set for Northville in the 4th War Bond drive was \$28,000.

...Northville beat Plymouth 40-35 in basketball, as the pupils were topping the Rocks' students in per capita sales of war bonds as well.

...Northville contributed nearly two tons of tin cans in the salvage drive.

...Mrs. Wesson Seyburn, chairman of the County Branches, and Miss Margaret Ayers, director of County Branches and field representative, presented citations to local women for sewing and knitting done for Red Cross.

## Revisits London After 60 Years

In the company of his son, a United States representative at meetings of the International Standards Organization (ISO), George Lockhart of Northville returned to his native England recently after an absence of 60 years.

His son, Dr. Hugh Lockhart, assistant professor of packaging at Michigan State University, headed up the United States delegation while in England.

"My son's trip there gave me an opportunity to revisit my birthplace in England," said Lockhart. "I hadn't been in there since leaving London at the age of 16. Remarkably, the section of London I remembered had not been hit by bombs and it was much the same as when I left."

While in England, Lockhart was a guest of his son at one of the social gatherings of the ISO where France, Germany, Netherlands, Poland, Czechoslovakia, Norway, Sweden, Denmark, Italy and the United Kingdom were represented.

Also while in England, Lockhart, former president of the national piano tuners organization, was a guest speaker at a meeting of blind English piano tuners.

Purpose of the ISO meetings, which will continue over a period of 18 to 24 months, is to prepare international standards by which packaged goods may be tested to insure their safe arrival at any destination in the world.

At the present time, the ISO is preparing schedules of tests which will simulate the shipping and handling stresses experienced by packaged goods along various international shipping routes.

Standard tests and standardized test schedules are becoming more important to the United States as it engages in more and more competitive world trade.

Dr. Lockhart lives at 2021 Jefferson in Holt. His father lives here at 618 Orchard Drive.

# Wayne County Hearing Set On Soil Conservation District

Second step in a procedure to establish a soil conservation district in Wayne County will take place Monday with a hearing in the Ford Motor auditorium, Dearborn, beginning at 8 p.m.

First step in the process of establishing the district was the circulation of petitions requesting it.

If sufficient interest is voiced at Monday's meeting the proposition will be put up to property owners of three or more acres in Wayne County.

Wayne County is but one of two counties in Michigan without a soil conservation district, according to County Extension Agricultural Agent Donald D. Juchartz, and therefore receives no federal aid for soil conservation planning and construction.

Establishment of a district means the federal government would establish an office in Wayne County and staff it with federal employees to assist property owners, municipalities and school districts with advice and monies for soil conservation and flood control work, Juchartz explained.

One of the first projects that could be undertaken once a district is established, Juchartz said, might be a soil survey in the county. The last survey in the county was taken some 30 years ago.

Soil conservation is not an agriculturally oriented program, he emphasized. High on the list of projects undertaken by soil conservation personnel is flood control. "And we've got plenty of flood problems in Wayne — particularly along the Rouge River," he added.

Because Wayne County is not now a district, "it is really subsidizing soil conservation and flood control work in other counties." He said thousands of dollars are allotted Michigan annually by the government but because Wayne has no district it cannot share these monies.

Steps to correct problems existing in Wayne are urgently needed, he said. "Urbanized developments often change

the entire character of surface water movement necessitating new and extensive water controls. Extensive constructions are also resulting in damaging erosion when raw, unprotected soil is left to the elements for long periods."

In addition to property owners, he said, those persons controlling or occupying three-acres or more of land would be eligible to vote should the matter come to a referendum.

If few people show up at Tuesday meetings — and Juchartz emphasized this includes county, city and school district representatives — to express an interest the matter will be dropped.

Conducting the Tuesday hearing will be officials of the State Soil Conservation committee.

Persons desiring additional information about the Tuesday meeting or about a soil conservation district and its roll are asked to contact Juchartz at 721-6550.

## Marine Corps Openings Told

Several new openings for two-year Marine Corps enlistments were announced this week by Sergeant Desmond Napier, local area recruiter.

Napier said in addition to the special enlistments regular three and four-year enlistments are being offered.

Persons wishing additional information on any of the enlistment programs are urged to contact the recruiter at 15950 Grand River, Monday through Friday, 8 a.m. to 5 p.m., Saturday from 9 a.m. to 1 p.m., or by calling 272-3493.

## John Hyde Resigns

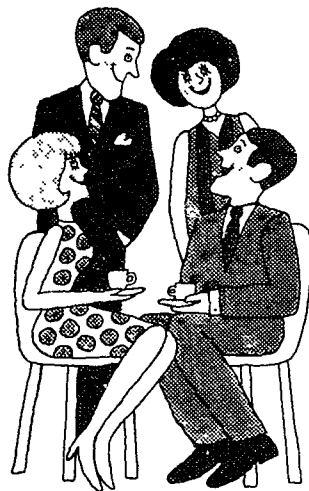

John Hyde, a 10-year teacher with the Northville school system, has resigned to take supervisory position with a privately endowed public service agency.

His appointment as coordinator of the newly formed Michigan Health Council is effective immediately. The council was

established with a grant from the Kellogg Foundation.

As the coordinator, Hyde, whose school title here was vocational counselor and co-op coordinator, will visit secondary schools and junior colleges throughout Michigan recruiting students for health-training occupations.

## House warming.

## Cool reception.

## How come? Gas makes the big difference.

Guests always get a warm welcome when you heat with gas. No delivery problems. Even in a blizzard gas is right there. And gas heat saves you money. Lots of it.

## SAVE 20% DURING FEBRUARY

### BRING IN THOSE

- DRAPES
- BLANKETS
- SLIP COVERS
- QUILTS

During the month of February, Tait's are offering a 20% discount on household cleaning — draperies, slip covers, and blankets.

In March and April, our plant operates at its highest level of volume. A large percentage of the volume is household. If you will send now, in our slower period, we will bill you at regular price less 20% discount.

We'll benefit by leveling our peak volume into the slower months — you'll get a substantial savings — plus the benefit of having your order handled with extra care since we have more than adequate time now.

At Tait's, your draperies are always carefully measured, gently cleaned by the Sanitone process, and returned to their original measurements. All draperies receive decorator folding for perfect hanging.

# THIS IS PHILIP ANDERSON

*He Asks That You Approve the City Charter for The City of Novi*

And In Doing So To Cast Your Ballot For

## Philip Anderson for MAYOR

- PHILIP ANDERSON can offer the citizens of Novi his vast, and long experience for the office of mayor for city of Novi.
- PHILIP ANDERSON was one of the original charter members on the village charter when Novi became a village.
- PHILIP ANDERSON has served for 8 long and fruitful years on the village council.
- PHILIP ANDERSON has served as village president for two years.
- PHILIP ANDERSON is a member of the Novi Board of Commerce.
- PHILIP ANDERSON is a member of the Rotary Club.
- PHILIP ANDERSON is a long standing member of the Presbyterian Church.
- PHILIP ANDERSON belongs to the Masonic Lodge Number 186.
- PHILIP ANDERSON is chairman of the Farm Bureau of Novi.
- PHILIP ANDERSON can offer maturity, stability and integrity in the office of mayor.
- PHILIP ANDERSON has been a resident of Novi since 1910.
- PHILIP ANDERSON says cast your vote for him, for mayor and vote yes on approval of the city charter.

But regardless of how you vote, go to the polls and cast your ballot.

### SPEAKING

## for The Record

By BILL SLIGER

It was with considerable interest that I read the comments of Detroit's mayor directed to a college student body recently.

His honor lamented the patchwork of governments that are woven over the metropolitan area, the exodus from the inner-city to the suburbs, the lack of concern for big city problems.

The best oarsmen have abandoned ship.

Not entirely, however, it's just the responsibility of citizen participation in the big city that they have shed. Like wandering sons, they still expect to find a clean bed, good meal and friendly atmosphere when they stop home for a visit.

The mayor points to his problems and singles out their cause. He expects Mr. Suburbanite and Mr. State Legislator to understand, to actually consider diverting some of his tax dollars... from Suburbia, mind you... to Big City.

Can't His Honor understand?

All we want from Detroit is excellent cultural centers to visit, freedom from fear of crime on the streets, fast routes into the downtown area, good theatres and plush dining spots with first-rate entertainment. And, oh yes, winning sports' teams and maybe a new domed stadium.

And it's much more pleasant if the streets are clean and parking is convenient.

Don't bother us with dwindling taxbase problems, a scarcity of concerned leaders, deteriorating residential areas and people left behind because they can't move or schools that cannot win the financial support necessary to provide an adequate education.

We've got problems of our own.

And, like I said, all we want from Detroit is...

\*\*\*\*\*

And speaking of patchwork governments brings us to Tuesday's election in Novi.

Everything is relative and one can hardly compare Novi's problems with Detroit's. But teamwork and singleness of effort do not now prevail in Novi. And they have not for many years.

There is not a single constructive function performed by the township that couldn't be performed by a single entity. And the blanket of village government simply serves as a cover encouraging duplication and competition without border protection against annexation.

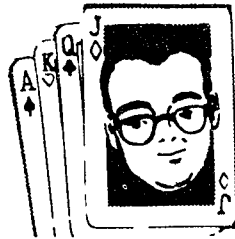

Both should be shed in favor of cityhood.

I hope the citizens of Novi vote "YES" Tuesday and establish a single team of leadership.

\*\*\*\*\*

So far only two candidates for city council and one for mayor have taken out petitions for Northville's April election.

That's just enough to fill the vacancies. Why not a little competition? Petitions are now available at city hall. They must be filed by February 28.

**Top**
**of**
**the**
**Deck**
**by JACK W. HOFFMAN**

Normally, even before the dying days of January, friend Frank Kochalko of South Lyon coops himself up in his kitchen workshop to repair fishing tackle in anticipation of spring and those battles with the underwater creatures that inhabit the lakes hereabouts. Just the sight of a reel touches off an excitement more furious than a January snowstorm. By February he's ecstatic, phoning every other day to ask if I've noticed any thawing of ice.

But 1969 has been different. The fisherman-band director has called the house but twice all winter and then only to remind me that South Lyon defeated Northville in the opening basketball game and to ask if I finally had broken down and bought my son a cornet.

Not a word about a new plug or a single remark about the new rod he religiously manufactures every winter.

The woman who inhabits my house and I

were discussing Frank the other day when I commented on his strange behavior. "Well," she said, "I can't say as I blame him after the way you treated him the last time he called. You're always so rude. Why must you always bring it up and then make fun of him?"

"Bring what up?"

"Oh, you know, flying saucers and things. You know how sensitive he is about it."

She's usually way off target — like the way she misjudged the Zak affair a week ago — but this time she threw a straight pass. Next to fishing, you see, Frank's favorite hobby is keeping tabs on unidentified flying objects (UFO's). He's a nut on it. Sure, Frank will vehemently deny he's a believer, but just mention the word and he's off flying on another adventure, describing in detail every recent spotting.

A couple of years ago when some mysterious lights were seen flitting around Washtenaw County I thought he'd have a hernia. It was like striking

gold in your own back yard. And then when some professor explained them away by claiming it was just swamp gas Frank wanted to burn down the university.

Anyway, the last time he rang up the house I needed him pretty good about two recent developments. First, our astronauts hadn't spotted a single saucer on their journey to the moon and back. And then there was that astrophysicist who, after an 18-month study for the Air Force, concluded that UFO's are products of imagination and earthy phenomena.

The scientist report disturbed him the most. As a matter of fact, he was enraged. "Dr. Condon (that's the scientist's name) is a stooge for the Air Force," he declared. "Can you imagine the government spending \$500,000 for a crackpot report like that! Why for \$500,000 I could build them a UFO and people it with green men!"

"Careful, Frank, you're talking about MY

### Crupi's Best for Mayor

# Novi Charter Deserves Support

Having already taken the important step of approving city incorporation for Novi, voters next Tuesday will be asked to decide the merit of a proposed city charter that will guide the new city they desire.

We endorsed and strongly urged city incorporation of Novi a year ago, and we now are equally convinced voters should approve the charter and bring city status to fruition.

While we question the wisdom of the 6.5 millage limitation contained in the charter — especially in view of financial difficulties already experienced by the village council working with a 5-mill charter limitation, we nevertheless believe the charter is an excellent one and certainly deserving of voter approval.

Arguments that charter commissioners spent too much time (six months) and too much money (\$5,000) in debating and resolving conflicting views while drawing up the charter are, in our opinion, groundless. The time and money spent — less than expended for similar work in other municipalities — are well worth the resulting document.

True, commissioners did disagree and argue major and minor issues in open debate for all to see and hear. But we found this public debate healthy and productive. And, in the final analysis, the charter

was approved in its entirety by all nine members.

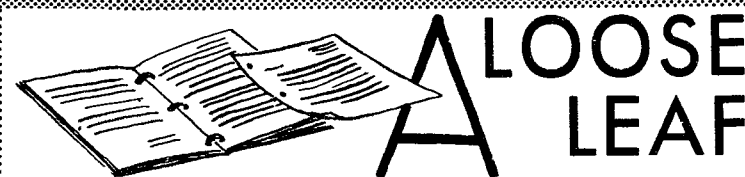

\*\*\*\*\*

We find all six of the unopposed candidates for the city council competent and qualified for office.

As for the three public-spirited candidates for the office of mayor, our choice is Joseph Crupi, who we believe is best qualified to represent all citizens in all sections of the new city of Novi as their chief executive and their key spokesman at the council table.

A past village councilman and president, he has demonstrated leadership ability; he is understanding of public opinion but firm in decision; he spots sham easily and deals with it with dispatch; he is intelligent, perceptive, and logical; and he is capable of keeping council deliberations on target, not permitting wandering, undisciplined conduct that has so often been characteristic of Novi council meetings.

But for all his fine assets, Joseph Crupi possesses a personality trait that bears guarding. A fighter, he too often has permitted a hot temper to cloud his good logic and sound argument. So in asking voters to support him at the polls, we also ask Mr. Crupi to "cool it" if elected.

By ROLLY PETERSON

"The Subject was Roses" may or may not come as a jolt to those who decry the ways of the present youthful generation and often, in warm nostalgic moments, refer to their childhoods as uncontested examples of what adolescence should be like.

It all depends on the honesty of those who see the movie, their willingness to admit that their teen-age and young adult lives, while they may be pleasant in retrospect, nevertheless were far from flawless. That the aches and pains plaguing today's young people are not completely foreign.

"The Subject was Roses", Frank D. Gilroy's award winning play in 1964 and now a movie, serves as a poignant reminder that the generation gap is timeless because the story takes place immediately following WW II — a time when mom and dad were on the threshold, or just entering, adulthood.

Timmy Cleary (Martin Sheen) returns home after three years in the Army. His mother, Nettie (Patricia Neal), hopes to resume her former relationship with her son — that of mother-lover in alliance against her husband. Timmy's father, John (Jack Albertson), hopes his son has become a man capable of being his father's pal.

Timmy frustrates both expectations. He is no longer his mother's boy, weak and dependent, but neither is he his father's pal free from family ties and especially his mother's influence. He is a man who loves both his mother and father but is perplexed by their mutual animosity.

The gap between parents and offspring, which stems from some very real needs, is closed. A middle ground is found. But not without a visceral confrontation between parents, not without shaking the Cleary family to its roots.

The Cleary family problem is an isolated case, to be sure. Without too much difficulty, however, one can find kinship to all family problems: that they arise from basic human failings, sometimes in spite of ourselves.

"Roses" hails the return of Miss Neal to the screen after a heroic battle with a paralyzing stroke. And if anything, she is a better actress. As Nettie, the middle-aged wife betrayed by her husband and spurned by time, she rises to new dramatic heights, which may well earn her another academy award.

If Miss Neal is nominated as best actress, then Albertson and Sheen deserve nomination as best supporting actors, if not as best actors. In the transition from Broadway to Hollywood, they have lost none of the zest for their parts.

It is their compelling performances that make "The Subject was Roses" a viable drama which hurdles the years and pricks our conscience.

# King's Mill Praises Area Fire Fighters

More Letters on Page 10-B

To the Editor:

In times of emergencies, many deeds of valor are performed and never publicly recognized. Sure, this is their job, but we here at King's Mill would appreciate your letting all of your readers know how grateful we are for the efforts of the city of Northville, the

township of Northville, the city of Plymouth and the township of Plymouth, the Salem township and the Garden City fire depts., as well as the warden and the 20 volunteer inmates of DeHoCo for their gallant efforts in averting the annihilation of King's Mill Coop in last weeks Tuesday night's fire.

Also thanks to City Manager Frank Ollendorff for his on the spot help and

the Novi Fire Department who came down to Northville, just in case.

One more item should be noted. Lots of words have been said about our teenagers — But from here on, let it all be praise for their tremendous efforts on the night of the fire. They proved that in times of need they are what we have all hoped they would be, dependable, thoughtful and brave.

They saw what had to be done and did it, as evidenced by Mark Murtha, who was injured by a falling timber, as he was helping the early arrivals of the fire departments.

It's nice to know that we are residing in such a cooperative atmosphere.

The Advisory Board  
Kings Mill Coop

## Michigan Mirror

# Capitol Plans Could Spark Major Battle

LANSING—Plans to build a new state Capitol could touch off a bigger political battle than the debate 122 years ago over moving the seat of government from Detroit to Lansing.

Legislators on both sides are taking firm stands, and as the plan unfolds it seems certain that others who want to retain the present Capitol, or are against a \$50 million expense for a new one, will be drawn in.

After two years of closed-door huddling over the design, the joint legislative capital outlay committee recently unveiled the new Capitol plan.

Designed by the Detroit architectural firm of Smith, Hinchman and Grylls Associates, it contemplates a seven-level, four-building structure covering the equivalent of four city blocks.

Legislative, judicial and executive buildings would form a "trio" atop a massive all-purpose office structure four blocks west of the present Capitol. Total space would be 850,000 square feet.

There would be no traditional dome but a 185-foot tower with a glass-enclosed observation deck at the top would jut from a plaza area.

"We rejected the historical, traditional concept of placing the functions of government under a classical dome as outmoded and not suited to our times," said Sigmund F. Blum, one of the designers.

"Michigan is a progressive, dynamic state. The people richly deserve a Capitol which expresses those qualities."

THE LEGISLATIVE building, with House and Senate chambers akin to the United Nations General Assembly Room, would be a large, shoe-box shaped structure, with cylindrical spires breaking a smooth outside design at the four corners.

The judicial and executive buildings would be smaller adaptations of this basic design with the all-purpose building spreading under all the structures like a massive underground control center.

Massive steps on each side of the project, described by the architects as "monumental stairs," would raise from the basic plaza level, crossing the interior courtyard to reach an upper plaza on which the separate structures for the Legislature, executive office and Supreme Court would stand.

The upper levels would include: Senate and House chambers and galleries; legislative committee rooms; caucus rooms and service facilities; and an individual office suite for each legislator.

A courtroom for the Supreme Court, office suites for each justice, and offices and other facilities for court personnel.

The Governor's private office and ceremonial reception room, and offices and other work space for the entire executive office staff, including the Bureau of the Budget and other units of the Governor's office.

The buildings would be framed in reinforced concrete with an exterior of polished granite. There would be no windows in the upper structures.

Director A. N. Langius of the State Building Division estimated it would take up to five years to construct the complex. He said the buildings would contain the most up-to-date heating, lighting, ventilating, air-conditioning and communications systems, including closed-circuit television. The all-purpose building would include a large auditorium and cafeteria and 20 elevators for easy access to the upper level.

The first Michigan Capitol was located at Griswold, State and Shelby Streets in Detroit. In 1847 state government was moved to Lansing following a stormy legislative session. The present Capitol was opened in 1878.

OPPOSITION is expected from forces who want to preserve the 91-year-old Capitol for historical purposes.

Sen. Thomas L. Brown, R-Lansing, is expected to lead the fight against construction of the proposed plan. He said the present building could be rebuilt and enlarged for half the money needed for a new structure.

One thing that everybody agrees on is the deteriorating condition of the present statehouse. Jumbled wiring, rickety elevators and dingy corridors abound.

A section of the fourth floor has been condemned by the State Fire Marshall, yet it is crisscrossed with legislative offices from which escape would be difficult.

## Roger Babson

# Personal Income Hits Biggest Gain in 17 Years

WELLESLEY HILLS, Massachusetts. Personal income increased by 9 percent in 1968, substantially exceeding the 7 percent rise of 1967. This was the largest relative gain in 17 years.

The persistent climb of personal income has been one of the most consistently strong aspects of the long uptrend in business. The Babson's Reports staff has noted in the past few years. Latest figures show December's rise greater than November's, but less than September's.

There have been some slowdowns in this barometer in recent years, but most of them have been due to labor strikes, or other factors such as the riots that occurred last spring. Even the 1967 mini-recession failed to stem the advance in personal income.

Primary factor in its sustained rise has been the strength in salaries and wages. This is the most important component of the personal income index. The uptrend in salaries and wages has accounted for about 70 percent of the advance.

The extended business boom, which has kept employment high and the average factory work week over the 40-hour mark since January 1962, has contributed to the increase in wages and salaries. Another important factor has been the steady round of new wage hikes. In the past year, wage boosts averaged more than 18 cents an hour.

NON-FARM proprietors, including unincorporated businesses and professional groups (doctors, lawyers, and dentists), have also received higher incomes during this prosperous period. This reflects the steady inflation of the costs of services and the increasing importance and growth of the personal services sector of our economy.

The lesser components of personal income have also contributed to the climb of this index. Interest rates have been skyrocketing and, on a percentage basis, have made the advance in interest income the greatest of any component in the index. This rise has made investments in bonds more lucrative and has forced the upward trend of interest paid on savings accounts.

Rental incomes have increased steadily, but dividend income shows an irregular advance.

The December-over-November rise in personal income can be related to the same factors which resulted in the growth for the year. Factory payroll increases were fairly evenly distributed over durable and non-durable lines. The advance in employment and higher wages contributed equally, while the

## Highway Funds Distributed

LANSING — The State Highway Commission has started the distribution of fourth quarter Motor Vehicle Highway Fund collections to Michigan counties and incorporated cities and villages.

Henrik E. Stafseth, state highway director, said net highway fund receipts during October, November and December totaled \$86 million, an increase of 29.5 percent compared to the same period of 1967.

The increase is attributed, for the most part, to the cent-a-gallon increase in the state gasoline tax which took effect January 1, 1968, and the vehicle weight tax increase which took effect several months ago when the 1969 license plates went on sale.

Under this formula, the Highway Department will receive \$39,579,589; the counties \$29,254,479, and the cities and villages \$17,208,517.

Wayne county's share totaled \$5,408,804; Oakland county, \$1,911,924; the city of Northville, \$12,313; Novi village, \$25,122; South Lyon, \$5,193; and Wixom, \$7,521.

average factory work week held steady.

A large increase in government payrolls was due primarily to the end of the teachers' strike in New York City and their return to work. The distributive industries (wholesale and retail trade), transportation, communications, and public utilities, however, posted smaller gains in December than in November. Farm income was stable. The non-wage components were up or stable, with dividends and rental income rising somewhat. Personal interest income and transfer payments (such as Social Security benefits) continued to trend higher.

THE NIXON Administration has moved to dampen inflation pressures. This should have a like effect on personal income. The projected personal income figure for 1969 calls for a 6% rise, which is substantially less than the 9% of 1968. In slowing down the inflationary economy the Administration may tolerate a moderate increase in unemployment. The "breadwinner" should not be greatly affected by this, but Babson's Reports looks for the teenager and the housewife out supplementing family income to feel the pinch. Overtime may be reduced, and there could be some reduction in the number of days worked.

Plant shutdowns predicted for the auto industry are an example of this slowdown. Also, labor unions may be restrained, to a degree, from obtaining really big hikes in wages at the bargaining table. Thus, while personal income should continue upward in 1969, Babson staff opinion is that it should be at a slower pace.

## Newcomers Strike 'Gold'

To the Editor:

At a recent Newcomer's Coffee it occurred to me that, even tho' I've been in Northville only a month, I didn't feel like a "newcomer"!

This is quite an accomplishment considering the fact that, until this move to Michigan, my husband and I had never moved from our home state, Maryland.

I feel my neighbors are responsible for my feeling "at home" and I'd like to thank them by name for being so thoughtful. They are: Isabelle Todd, Rene Hahn, Jean Lanphar, Jean Malone, June Fair, Ginny Orban, Joan Wanamaker, Joan Nylund and Jane Weigand. This is nothing more than a statement of happiness!

Perhaps it's just Welch Road but I have a feeling my husband and I "struck gold" when we found Northville.

Thank you,  
Susannah Holstein

people in this town know that we the Northville School Bus Drivers are human like the rest of you, and a little

praise the boys for their efforts in exposing the usage of drugs in the Northville Schools and to also thank her for presenting a challenge to those of us who are fortunate enough to be parents.

During these days when the use of drugs, lawlessness and immorality are increasing at an alarming rate, the best way for us to set examples for our kids is to expose them to the teachings and life of God's beloved Son who said "I am the way, the truth and the life; I am the light of the world; I am the Bread of Life; and I am come that they might have life and that they might have it more abundantly."

As Mrs. Loy pointed out so well the basic needs of our children can not be satisfied with material things. The real Bread of Life is found written in the Greatest Book in the World.

I believe that we who are parents have a responsibility before God and our fellow citizens, to teach our kids right from wrong. We have an opportunity of doing this in our free land by teaching them what is in the Book of Books both at our churches and in our homes.

Sincerely yours,  
Jim Yoder  
314 Sherrie Lane

appreciation from someone other than our boss and people we work with once in a while would really go a long way with all of us. You know that having 100 children four hours a day is more responsibility than the majority of you would want in a life time. We have this job because we love our work, and kids are the greatest. We naturally have a few that try their best to get at us, but when they find out when they are on the bus we are the boss, they are fine and we have no trouble after.

The last couple of ice storms we had, your children got home safe and sound. There are times that we really wonder about getting there safe because of some nutty driver who thinks "those darn busses they are so

darn slow and take up all the room" well those darn busses have your kids on them and you had better respect them if you want your children home safe. We got a beautiful letter from Mr. Busard and Mr. Spear thanking us for a lovely job well done, are these the only people who realize it was a tough job? But no one else seems to appreciate us, hows come, aren't we doing the job you expect out of us? If not we are sorry because we do make mistakes, but you can bet we try to correct them the best we know how.

We aren't asking for thanks, as this is our job, and we know it. All we really want is a little consideration.

Northville School Bus Driver

## Asks Busing Equality

To the Editor:

On page 4-A of the Record (January 30), there is a picture of Northville High School students boarding public school buses for a skiing trip to Alpine Valley.

At the October meeting of the Amerman PTA the parents were told that school buses could not be used for field trips by the students because of the failure to approve the millage. Even though the parents were willing to pay for the use of the buses, Mr. Craft read a State Law that prohibits the use of public school buses on a hire basis for field trips. It stated that public school buses could be used ONLY for the transporting of students to and from school.

I wonder if the parents of the children in the Amerman second and third grades who went to the Art

Institute on January 16 and the high school students who went to Ann Arbor to see "Fiddler on the Roof" on January 28, know that their children were denied the use of school buses while the Northville Recreation Department seems to be able to use them every week. There may be other trips by students of which I am not aware, but I do know of these two trips.

I have no objection to any group in this school district using the buses but I do think all groups should be treated equally and if the State Law is enforced for some it should be enforced for all.

If this is a sample of the way this school system is run, I, as a newcomer to Northville understand why there was so much hard feeling about the last millage election.

Beryll Clegg

## Thanks News Media

To the Editor:

I would like to take this opportunity to congratulate the news media for the outstanding job they have done by keeping the taxpayers of Wayne County informed as to the unconscionable acts of a few Wayne County Supervisors in regards to their salaries.

It is a fine example of how very powerful public opinion is and will continue to be if the news media will keep the public informed in the area of state, county and local government, and how our elective officials conduct themselves in office.

I hope the Wayne County residents will support the Jaycees and the young Dems in their efforts to recall these men who are so irresponsible in their actions and who tried to promote this outrage on the taxpayers of Wayne.

It always amuses me to observe a politician conduct a campaign for an elective office. He spends great sums of money, promises you the moon, and will stop at nothing to get elected. The minute he is elected he starts to oil the machinery to raise his salary, knowing full well what the job paid before he filed for the office.

Where is the public spirited citizen who felt that it was an honor and a privilege to be elected to serve in a public office? The new breed of politician has changed this image. His

actions now paint an image of greed, graft and a complete disregard of public trust.

In closing I hope the Oakland County Board of Supervisors will try and be a responsible elective body, and set their salaries in line with their duties. A day's pay for a day's work.

A citizen and taxpayer  
Mrs. Lillian Spencer

**DRAMATIC APPROACH** — One good way of making use of paperback textbooks is demonstrated by Miss Diane Evans' Eighth Grade (fourth hour) English class at Cooke Junior High as they are shown performing a scene from Robert E. Sherwood's Pulitzer prize winning play, "Abe Lincoln in Illinois" which was found in the paperback "Plays to Remember". This scene shows Mary Todd's sister Elizabeth and Elizabeth's husband Ninian discussing Mary's dating Abe Lincoln. Elizabeth was played by Vicky Ashby and Ninian by John Regenhart, while Mary (not shown) and Abe (also not shown) were played by Rebecca Kaake and Gary Stockhouse.

**The cars for people who believe that style never goes out of style.**

When the conversation turns to cars, a Cadillac owner is seldom asked the model and year of the one he drives. The fact that he drives the car of cars is sufficient. For a Cadillac, regardless of its year, is the most universally desired of all motor cars.

This is because the beauty, craftsmanship, luxury and performance inherent in a Cadillac never go out of style. A case in point is the 1966 model shown above. Its Turbo Hydra-matic trans-

mission variable-ratio power steering and other refinements have only recently become available on some lesser cars.

A great many late-model, previously-owned Cadillacs also have a Tilt and Telescope steering wheel and Automatic Climate Control. For a richly rewarding investment in motoring pleasure see your authorized Cadillac dealer's attractive selection of new and previously-owned Cadillacs today.

Cadillac Motor Car Division

**1,000 POUND DOOR PRIZE** — When the photo above was taken in December, "Montgomery", standing in the foreground, was a 1,000-pound reserve champion steer from the Michigan Restaurant Association trade show at Cobo Hall. But on Tuesday night Montgomery was distributed among eight lucky people as U.S.D.A. prime blue ribbon beef. The occasion was a dinner-dance sponsored by the Michigan Council for Hospitality Education at Glen Oaks Country Club. Proceeds from the affair will help endow the MCHE Scholarship Fund. After his prize-winning appearance at Cobo Hall last fall, Montgomery was presented to the Schoolcraft College culinary arts department for safekeeping — and then processing — prior to the dinner dance. Shown with him above are Richard H. Benson, center rear, instructor in the college's culinary arts program, and four students, left to right: William G. Halvangis, Inkster; Edward A. Rice, Livonia; Harry E. Miner, 47153 Dunsany; and Frederick W. Silver, Detroit.
