Fire Destroys Meadowbrook Pro Shop

Fireworks Explode Injuring 2 Firemen

Flames, which triggered explosions injuring two firemen, destroyed the pro shop at Meadowbrook Country Club at noon Friday.

Loss of the building and contents was pegged at between \$40,000 and \$50,000 by the club business manager, James Cornelius.

Injured in the blaze were two Plymouth Township firemen, who were assisting Northville fire fighters along with those from Novi, but they suffered only minor injuries. One of them Charles Simpson, was rushed unconscious to St. Mary Hospital, where he was treated and released a short while later. The other continued fighting the blaze.

Cause of the blaze has not been officially determined, although Cornelius suspects a defective gas burner may be responsible.

Workmen had been painting the interior of the building, he said, "so the fumes together with the dry wood" made it a likely target for a fire with any defect that might have been in the burner, he said.

Fireworks bombs, used by the club in starting tournament play on the course, were stored inside the building, Cornelius said, "and there's no doubt they caused the explosion."

Fortunately, the "bombs" in exploding lost much of their impact in punching through the walls of the burning building. The injured firemen were outside the building when the explosions occurred.

High winds and the explosions hampered firemen as they waged a losing battle with the blaze that was already out of control by the time first firemen arrived.

Much of the equipment normally stored inside the shop during the golfing season had been stored in the main clubhouse during the winter. Loss inside was confined mostly to saleable golf clothing, owned by the club pro, Paul Shepherd.

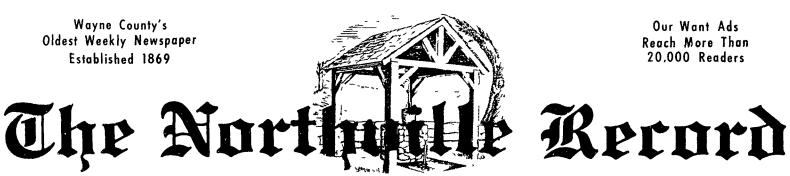

Although firemen were unable to save the building, constructed in 1946 for the then club pro, Chick Harbert, an adjacent building housing valuable golf carts was not-damaged:

work in refurbishing the building had just gotten underway. The exterior of the building was to have aluminum siding and workmen had begun painting the interior. Fifteen to 20 gallons of paint were inside the building when the fire broke out.

The 48 x 55-foot building

contained two main rooms with several small cubicles. It is located just south of Eight Mile Road, north of the clubbouse.

Twenty-five firemen answered the call from the three departments. Plymouth and Novi responded with two tankers, while Northville pressed most of its fire equipment into action. They were at the scene for more than two hours.

School Offered Cash In Development Plan

Recent land donation proposals took a new twist Monday night as the Northville Board of Education got a sneak preview of a new townhouse development plan to be introduced to the Northville Township Planning Commission later this month.

Instead of land, Bert L. Smokler & Company proposes to contribute up to \$46,000 to the school district — provided it wins approval of planners for a 265-unit townhouse development at the southwest corner of Franklin and Bradner Roads.

To be located on 44.47 acres of land, the proposed development would require a zoning change to permit construction of multiple housing units. Principal landowner is Alex Gordon.

Smokler, which will complete its giant King's Mill development off Seven Mile later this year, estimates the new project cost at \$8,745,000. Townhouse units in this new development, the company said, would be larger and more expensive than those at King's Mill. Average new unit cost was pegged at \$33,000.

The company's proposal of a "cash contribution" was, according to the developer, prompted by school officials concern that often new homes or apartments are occupied and sending children to schools before the units are placed on the tax rolls.

In a letter to Superintendent Raymond Spear, Smokler's vice-president, Eugene Zeimet said, "We would be willing to contribute (in the form of a gift) the amount of money it costs the school board to educate a child before its townhouse is placed on the tax roll (exclusive of state aid).

"As we understand the amount of the gift would be based on the estimated 1970 cost of \$476 to educate a child (exclusive of state aid). Since each townhouse living unit will average .6 school age children (K through 12), a full year would cost \$285 per unit. Our gift would be the portion of \$285 per unit represented by the percentage of the school year the unit was occupied, but not on the tax roll"

According to Spear, the maximum amount that the developer's "gift" could take, based on its preliminary

building plans, would be \$46,000.

While school officials expressed delight with the gift proposal, Smokler's townhouse development may find tougher sledding at the township level where planners are already knee deep in multiple housing zoning requests.

Some view proposals, such as land donations to the school district by such firms as Thompson-Brown and Levitt, as pressure moves to win rezoning approvals. Thompson-Brown, which already has acquired the necessary

zoning for its Six Mile Road development, has already agreed to donate six or seven acres of the property to the district for a school site. Levitt, while attempting to win approval for its development between Seven and Eight Mile Roads east of the city, has made a similar offer.

Negotiations for a similar school site north of Nine Mile Road, between Taft and Center, are continuing with still another developer.

A representative of Smokler was present at the recent public hearing on the Levitt proposal and heard school officials stress the lag-in-taxes problem it faces in providing education for children coming from new developments.

According to Smokler, its proposed new townhouse development would generate fewer school children than would the 142 homes that could be built on the property. It estimates

the townhouses will generate 186 school age children, while a development of homes on the same property would generate 213 children.

Furthermore, according to Smokler, the assessed valuation of the townhouses would be greater than the homes - \$4,372,500 to \$2,485,000.

The townhouses, said the firm,

The townhouses, said the firm, would produce about \$705 per child in taxes whereas a development of homes of the property would approximate \$350 per child.

Board reaction to the contribution proposal was favorable. Trustee Glenn Deibert was particularly pleased, noting that "It's one of the healthiest things that can happen to our (school) district."

Said Superintendent Spear: "Let's face it: they want some rezoning — but it's (the contribution plan) a recognition that they have some liability in schools, too."

Voters to Receive Millage Fact Sheet

A facts and figures brochure was to be mailed to residents of the Northville School district this week in anticipation of the Saturday, March 22 school millage election.

Compiled by Northville school officials, the brochure answers some of the basic questions asked by district residents while presenting comparison of tax rates and teacher salary schedules in the metropolitan area together with an explanation of why the proposed 3-mill increase is needed.

School board members, who received copies of the brochure Monday night, decided to scrap the "Hot Line" informational center

because of poor public response. In more than 18 hours of operation, only four questions were phoned to officials who waited at the informational center in the administrative offices.

Administrators and school board members took turns in awaiting questions telephoned to them over a special line on matters related to the election or the proposed school budget.

According to Superintendent

Raymond Spear, residents who may have questions but who forgot to call the special Hot Line number may still receive answers by calling school board members at their homes or by calling the administrative offices (349-3400) during the day.

At Schoolcraft

Student Ranks Split

Growing student resentment of dissidents among their ranks may be responsible for repeated postponement of a scheduled teach-in at Schoolcraft College.

At least that's the word of one college spokesman, who noted that students fed up by the actions of those supporting the use of "dirty words" on campus have themselves been signing numerous petitions in defense of the board of trustees and administration.

Dissident students originally planned "teacher sit-in" or "teach-in" — explained as a meeting of teachers and students to discuss the controversial subject — last Thursday.

It was postponed until the following day, and then again until yesterday.

Meanwhile, the Schoolcraft College Faculty Forum has decided again to take no action against two instructors involved in signing a document containing an obscene four-letter word.

Concerning the teach-in, Forum President Grover Niergarth said his group takes a "wait and see attitude."

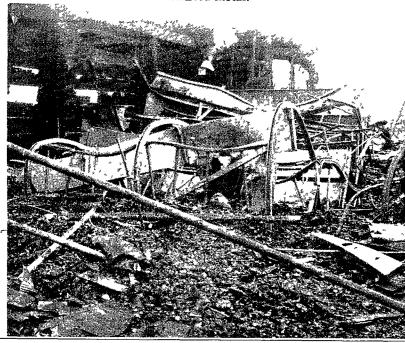

The board of trustees has taken action to not renew contracts of two probationary instructors, Mrs. Carolyn Dodge and Arthur Lindenberg. A third instructor, Evan Garrett has been placed on another year probation.

Council Hear's Rezoning Bid

Decision Monday on Pure

The city council and an audience of nearly 50 citizens heard representatives of the Pure Oil Company Monday night outline their plans for enlarging and modernizing the existing service station facility on the northeast corner of Main and Wing streets.

Specifically, the company is requesting a change in zoning for the corner parcel and two additional lots along Main street from C-2 to C-1, a commercial zoning classification permitting service stations.

Mayor A.M. Allen announced that the council would render its decision at Monday night's regular meeting.

If the council should rule in favor of the rezoning, a pending court case would be averted. The oil company brought suit against the city after being denied a public hearing on the petition for rezoning by the planning commission. In the past the council has not heard appeals denied by the planning commission. But on the advice of City Attorney Philip Ogilvie, the company was granted a council hearing. The city attorney said there was a good chance the court would order a council-level hearing if it were

not conducted prior to the legal airing.
In addition to its attorney, the petitioning oil company had two company representatives and a planning consultant make presentations in behalf of the request.

Several citizens also spoke up, all in favor of granting the rezoning.

One of the main points emphasized by company representatives was that the station, now inadequate and unattractive, will continue to operate if the zoning is denied, at least until it becomes an unprofitable operation.

With rezoning, the company spokesmen stressed, a modern facility would be erected and a building (on Main street) that "has outlived its usefulness" would be removed. They said the \$45,000 facility would provide an increased tax base.

The planning consultant retained by the company defended the location of the station and indicated that the theory of removing sevice stations from the central business district was "the thinking for larger centers, like Detroit and Lansing".

He said it would be many years before Northville could support a central business district and he described the business area as a "good community service center". He indicated that the city's commercial district would serve only surrounding neighborhoods within the city that the growing surrounding population would be served by regional shopping centers that would evolve near the proposed expressway along Haggerty road.

The consultant said he viewed the city's master plan for the central business district "as a major urban renewal project" calling for removal of nearly all existing buildings.

His testimony drew some questions from Councilman Wallace Nichols and city Manager Frank

Candidates To Speak Up Next Week

Biographies and statements of the five candidates for the Northville City Council will appear in next week's edition of The Record.

The March 20 edition will be mailed to all homes in the area — whether occupants are subscribers or not — as Northville merchants disclose their special Easter sales.

Candidates for the two council seats include Incumbent Delbert Black, William Bingley, Paul Folino, Kenneth Rathert and Paul Vernon. Councilwoman Mrs. Beatrice Carlson, whose term is expiring, is not seeking

The planning consultant retained the company defended the location the station and indicated that the Ollendorff particularly as to his population statistics and the need for retail space within the existing business

The company spokesmen displayed drawings of the proposed facility indicating side entry features as well as surrounding landscaping.

Mayor Allen asked the company representatives if they had considered acquisition of the property north of the station on Wing street, instead of east on Main street. It is known that the council has considered acquisition of the Main street building east of the service station and that it might consider a compromise if the oil company would change its plan by expanding to the north.

There was no indication that the property to the north could be acquired. In answer to another question from the mayor the company replied that it had no intention of adding an auto appliance type facility to the station.

Several members of the audience spoke out. Sid Frid accused the council of "going all out to let Ford build within three feet of the street...you'd give Ford your shirt. I hope these fellows take you to court, they'll hang you to the wall".

The mayor reminded Frid that the council hadn't denied the request and that it was still under consideration

that it was still under consideration.
"I'm just making an assumption",
replied Frid.

Edmund Yerkes said the city ought to welcome the station "with open arms". He said a station was currently being built in a similar downtown location in Plymouth.

In answer to another question from the audience the city manager said the planning commission had rejected the rezoning proposal because it was contrary to the provisions of the master plan which sets forth the need for more parking and retail floor space within the four-block central business

D. Hill, local attorney and world traveler.

To his personal concept of basic Americanism Dr. McFarland has given the label of "progressive conservatism." He wants "to conserve constitutional government, to conserve free competitive enterprise and to conserve individual freedom under both."

Dr. McFarland's speeches reflect the breadth and depth of his experience and education. For more than two decades he has criss-crossed America and has developed a deep appreciation of what it means to be an all-around American citizen. Reviewers point out that "he has come to know and admire the peculiar strengths of each section of the United States and is at home in all."

A nation-wide survey showed that Dr. McFarland is literally America's foremost public speaker. He was rated first in each general section of the country as well as amassing the highest total score.

He received his bachelor's degree from Pittsburgh State Teacher's College, Kansas; his master's degree at Columbia University, New York; and his doctorate at Stanford University. Palo Alto, California.

He is guest lecturer for General Motors Corporation, and he serves in similar capacity for the American Trucking Association, Washington, D. C. The demand for Dr. McFarland as a guest speaker has caused him to be designated as America's Number One Air Passenger; he was presented with a special flying award by Captain Eddie Rickenbacker for flying more than any other American on this country's domestic airlines.

Dr. McFarland declares that American is the land that "literally dumps the horn of plenty on the common man," but he goes on to point out that "the system is fool-proof; it is not self-operating." Dr. McFarland says it must be operated intelligently by people who understand it and have faith in it. He describes the kind of people who are qualified to run the free enterprise vehicle and shows how these qualifications make the individual

successful under the system. Dr. McFarland will answer questions from the celebrity luncheon audience afterward at the Mayflower meeting house. Deadline for luncheon reservations is Friday with reservations and checks for \$4 to be mailed to Northville Town Hall, Box 93.

Birthdays Total 177 Years

Family celebrations this Sunday will mark the birthdays of two lifelong area residents who will be celebrating a combined total of 177 years.

Mrs. Pearl Miller of 113 West Street actually will become 90 years old on St. Patrick's Day but will be honored at an open house from 2 to 4 p.m. given Sunday by her three grandchildren.

Charles Lute of 19250 Newburgh Road, Livonia, will be 87 years old Sunday and is to celebrate with seven of his nine children and their families.

Mr. Lute, whose family feels he is "remarkably alert," indicated he did not intend to slow down as he applied for the renewal of his driver's license this week. His daughter, Mrs. Othal Baggett, says that with approval from his own eye specialist, a limited license for daytime driving is expected to be

Helping with the celebration Sunday at his home will be Mr. Lute's sons, Homer, William and Donald, all of Livonia, and Thomas, of Plymouth, and their families. Another son, Wilbur, lives in Tampa, Florida.

Three daughters will be on hand also with their families, Mrs. George Van Helemont and Mrs. Othal Baggett, both of Northville, and Mrs. Wesley Sanders of Livonia. Another daughter. Mrs. Frank Caldwell, lives in Idaho. There also are 20 grandchildren and 2 great-grandchildren.

Mrs. Pearl Miller will be greeted by 30 to 40 close friends at an open house being given by her two grandsons, Ernest E. and Harry J. Miller, both of Livonia, and her granddaughter, Mrs. William Stirton of Plymouth, and their families, at her home.

They are children of her late son, Wendell S. Miller, whose widow is a resident of Plymouth. She is returning from a vacation in Hawaii in time for the party.

Also attending will be Mrs. Miller's 11 great-grandchildren.

Celebrants-Enjoy Hawaii

Mr. and Mrs. Andrew Orphan of Northville are celebrating their 25th wedding anniversary on March 11 with a vacation holiday in Hawaii.

Married on March 11, 1944 in the First Methodist Church of Northville, the Orphans spent two days in San Francisco before flying on to the islands for their first trip to the 50th State.

Their two sons, Dale, a junior at Northville High School, and David,a inior at the University of Michigan, remained behind.

The Reverend Leslie Williams, pastor at the church 25 years ago, performed the wedding ceremony.

Orphan, employed by the Bell Telephone Company, is the treasurer of the Northville Board of Education. He is past president of the South Lyon Kiwanis Club.

Our Town By JEAN DAY

A MID-DAY open air flea market is being planned by Our Lady's League of Our Lady of Victory Church. Booths will be set up in the church yard for the market to be held from 10 a.m. to 6 p.m. Saturday, May 17.

While the new-moon date should insure fair skies, the committee has set a rain date for the following Saturday, May 24 -"just in case." Refreshments and baby sitting services will be available.

Everyone in the community - dealers, clubs and individuals is invited to set up a booth - at the market. Rental is \$5 with arrangements to be made with Mrs. Jean Conley, 349-2368, or Mrs. Marilynn Ehrenerich, 349-4996.

Major events are being planned by the active League of OLV for March, April and May. League President Mrs. W. P. McDermott and her committees have scneduled the annual spring dance for April 19 at Roma Hall.

"Vogue Caprice," a spring showing of fashions by Harvi's Suburban Casuals, spring coiffures by Réne and spring make-up by Fashion Two-Twenty, will be presented by the League at 7:30 p.m. next Tuesday at the church.

A steady demand for tickets, the committee felt Tuesday, almost insures a capacity crowd of 500. Co-chairman with Mrs. Denis Schwarz, who has just returned from a Florida visit, is Mrs. Jim Bishop.

OVERTURE to Opera also is among next week's special events. Northville's Detroit Grand Opera Association committee, which is sponsoring Overture in Northville for the second season; next and hope that the world will have Saturday, March 22, at 8 p.m. in the high school auditorium, reports that ticket sales have been steady - both for Overture and the Afterglow to follow at Meadowbrook Country Club.

Committee Member Mrs. Harold Wright received a note this week from Mrs. Ernest A. board of McManus, John and Adams advertising agency.)

Mrs. Wright emphasizes that anyone attending the Overture presentation also is invited to purchase a ticket for the Afterglow. Tickets are \$3 for Overture (\$1.50 for students) and \$5 for Afterglow.

Mrs. Ernest Shave, local committee chairman, has just received word that a few tickets still are available for each of the seven operas to be presented by the Metropolitan Opera Company May 26-31 in the Masonic Temple. Anyone interested is asked to call her, 349-0606.

TOWN HALL Speaker Dr. Kenneth McFarland tells how to "Sell America" next Thursday at 11 a.m. in the high school auditorium. His hostesses at the celebrity luncheon to follow in the Mayflower Meeting House, Plymouth, will be chairmen of the Town Hall committees, headed by Mrs. Robert Coolman.

HAPPY BIRTHDAY - Hundreds of Northville Girl Scouts turned out Saturday at the Community Building for the annual birthday celebration - marking the 57th anniversary of Girl Scouting. After an afternoon of skits and songs, the Colors were retired (above) and girls quickly lined up for refreshments (below).

Tour Climaxes Scout Program

A tour of Lansing next Tuesday and Wednesday will culminate the Girl Scout Heritage Program which Northville's Senior Girl Scout Troop 222 has been working on for several

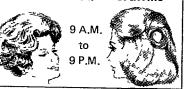

On the tour of the state capital the Girl Scouts plan to "sit in" on a legislative session and meet area representatives. They also plan to take a walking tour of the Michigan State University campus and visit a sorority

The trip will be made by train with the girls staying at a hotel in downtown

Prior to this trip the troop has taken a walking tour of Northville and its surrounding areas and has done research on the community's past. The Scouts also took a bus trip to downtown Detroit for a walking tour there. Last November several troop members flew to Boston and toured its historic landmarks.

2-In Memoriam

In loving memory of our dad and husband Louis A. Lanning who passed away four years ago this

month.
Those whom we love go out of sight,
But never out of mind.
They are cherished in the hearts of those they leave behind.
Loving and kind in all his ways,
Upright and just to the end of his days

days. Sincere and true in heart and mind, Beautiful memories he left Sadly missed by his wife, two sons and four daughters.

Four Boys Compete In Optimist Finals First, second and third place

Four Northville High School boys will be competing in local finals of the 1969 boys' oratorical contest sponsored by the Northville Optimist Club at a dinner meeting at 6:45 p.m. Wednesday, March 19, at Thunderbird

"Respect for Law - Cornerstone of Citizenship" is the theme for this year's contest. Open to boys at the high school under 16 years old, the contest presently is being conducted at the high school. Four finalists will be selected by Miss Florence Panattoni and Miss Marilyn McCarty.

trophies and certificates will be awarded to winners at the dinner meeting. Top winner in the local contest will compete against boys in other schools within the district. Those winners will view in preliminary contests to be held during the annual Optimist International Convention to be held in Miami Beach June 22-26. International winner will receive a \$2,000 college scholarship with four runners-up each receiving \$1,000.

Last year, John Steimel of the local club points out, 40,000 boys in Canada and the United States competed in local contests.

MA Recital Set Sunday

Carol Klopfenstein, a Northville graduate student in the University of Michigan school of music, will present her master's recital on the French horn at 8.30 p.m. Sunday, March 16, in the school of music recital hall on the North Campus of the university.

She is the daughter of Dr. and Mrs. Morris Klopfenstein of Beck Road.

She received her BA degree in music from U of M in 1968, is a member of the University Symphony Band and a pupil of Louis Stout.

Her recital Sunday will include solo pieces, group selections with other French horns and with other instrumentalists. Friends and the public are invited to attend.

Concert Slated

Livonia Youth Symphony Society will present its Spring Concert at 4 p.m. Sunday at Franklin High School and a recital night program at 8 p.m. March 18 at Schoolcraft College.

Joan Whitmyer, a tenth grade student at Northville High School, is a violinist with the Livonia Youth Symphony.

Mustangs' Late Start Spells District Disaster

Northville's varsity quintet waited too long to shift gears here Thursday night and as a result found itself on the losing end of a race to the wire that smashed its district tournament hopes.

Taking advantage of the Mustangs' late start, the Trojans of Clarenceville managed to clinch a two-point, 57-55 victory over the Mustangs before losing to Riverside in the district finale Friday

Riverside wrapped up the district crown by defeating Churchill 99-67 Tuesday, edging Lutheran West 75-71 Thursday, and then streaking past Clarenceville Friday, 65-54.

Northville tuned up its motor with an 80-74 triumph over Annapolis in the district opener but just failed to open the throttle against the Trojans. The Mustangs scored fewer points in the first two-quarters than they scored in one quarter in the league finale at

Clarenceville led 15-13 at the end of the first quarter, stretched its lead to 29-22 at the intermission, and then coasted in the final two quarters to barely win in the closing minutes.

Down by nine points in the third quarter, Northville battled frantically to overtake Clarenceville, hacking away at its opponent's lead until the score was finally tied, 51-51 with 1:27 to play in the final stanza.

Twenty-seven seconds later, Clarenceville's Bob Ridling fired a two-point to recapture the lead only to lost it again when Stan Nirider stole the ball and flipped in a two-pointer. Then with the score knotted at 53 and 12 seconds to play, Ron LaMontagne went to the free throw line and methodically flipped in both shots.

With time running out, Northville took momentary control before losing it on a fumble and committing a foul in the process. Kerry Rifkin potted both

In the final analysis, Clarenceville copped its victory at the free throw line. The Trojans coverted 15 of their 23 shots, while the Mustangs potted 13 of 19. And the big edge at the charity line came in the first quarter when Clarenceville picked up seven of its 15 points on free throws.

Both teams flipped in a like number of field goals -21.

High-point scorer for Northville was Jeff Taylor, who fired 19 points. Ron Hubbard and Stan Nirider tied at 8 apiece, and big Kerry Cushion, moved up from the junior varsity ranks, played three quarters of ball and scored seven points.

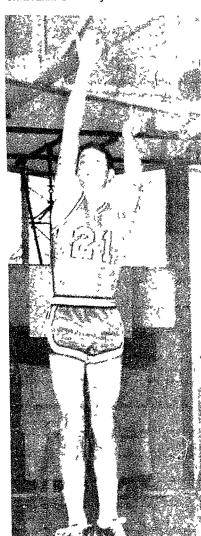

Ridling took game scoring laurels with 21 points.

In its opening round against Annapolis of Dearborn Heights, Northville led 22-19 at the end of the first quarter, slipped behind, 37-36 at the half, and came back to lead 57-49 at the three-quarter mark.

Annapolis outscored the Mustangs at the free throw line, picking up 26 points in 39 attempts while Northville went 12 for 24. In field goals, the Mustangs had the edge, 34 to 29.

Taylor was the leading scorer with 24, followed by Hubbard with 22.

Clarenceville and Lutheran West drew byes in the first round, thus automatically advanced to the semi-finals Thursday.

Brad Conklin Places Fourth

Sophomore Brad Conklin was a pleasant surprise in Lansing last weekend.

After finishing second in the district and fourth in the regional (both at Chelsea, and both the last qualifying spot available), Conklin was Northville's sole representative in the state wrestling meet.

Conklin drew the second-seeded 175-pounder in the state in his first match Friday and won handily. He then won again Friday night, but suffered his first loss on Saturday. In the afternoon he won his first consolation match, but finished fourth when he lost to the first-seeded boy in his weight class in his final contest.

Coach Jack Townsley was quite pleased with Conklin's performance and stated that it bore out his contention that "Brad could go as far as he wanted to" and added that no other sophomore in the entire tournament fared as well.

At this point, Stone's is 12-0. Last week in clinching the league championship by defeating the Wolverines (10-2), balanced scoring was the key. Cap Pethers was the high-point scorer with 18, and Bill Yahne and Steve Evans each potted 12.

In the opening round of the state tournament Sunday, Pethers again led the squad in scoring with 18. Evans and Yahne each came up with 10 points.

Seven of the players for Stone's are former Northville High School lettermen, three are Northville principals.

Captained by Dave Biery, a letterman, the other former high school stars are: Pethers, Yahne, Mark Cushing, Lance Hahn, Steve Juday and Steve Evans. The three principals are Dick Norton, Ron Horwath and Dave Longridge, Ross Totten, a newcomer to Northville, is the 11th player.

That's St. Patrick's Day, of course. Last year, the Detroit Race Course was the scene of a blustering blizzard on opening night (March 22). By the second day, the entire State was covered with more than eight inches of snow and the wind continued to blow. The races went on, however, but with the expected result that attendance and wagering were way down.

So Orlow G. Owen of Northville, from CountyArmagh in Ireland, is reported already to be wearing the green and otherwise courting the Luck Of The Irish with such positive talk as:

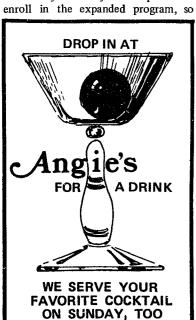

"Sure'n begorra, it'll be very fine weather on opening night".

Swimming Gets Scout Boost

Response was so great for the second series of Saturday morning Girl Scout swimming lessons at the Northville High School pool, which began March 1, that the program has been divided into two one-hour sessions, Mrs. Claude Boring, chairman, announced last Saturday.

Beginning this Saturday intermediate Girl Scout swimmers will swim from 10 to 11 a.m. Beginners and advanced swimmers will meet from 11 a.m. to noon. No more enrollments for the series can be taken, Mrs. Boring said, as almost 80 girls are participating, half in each session. The double session has been arranged, she said, to provide adequate individual instruction.

There will be no Saturday swimming April 5 or 12, due to spring vacation, but 10 lessons will be provided, concluding May 17.

TOURNEY ACTION - Plenty of action highlighted Novi's attempt to upset host Dundee in the district tournament game Thursday, but the efforts of players and cheerleaders alike were thwarted as the Vikings rambled to an impressive victory which they promptly followed up on Saturday by defeating Ida to go on into regional play this week.

Dundee Vikings Dump Wildcats In District, 85-59

Novi Class "C" tournament basketball hopes were dashed early Thursday night at Dundee.

Dundee's Vikings, the host club, scored early and often in ending the Wildcats' season. Novi finished at 8-10, which is certainly not a bad showing for a school which is boosting its first senior class ever.

Dundee did not miss a free throw until the second period and dominated the ball game. The Vikings poured through the Wildcat defense like water through a sieve as they racked up 23 first quarter points to just 13 for Novi.

The remainder of the game went the same way as the hosts outscored the Cats in every period. Dundee led 48-30 at the half, 63-43 at the three-quarter mark, and ended the game at 85-59.

Dave Bingham opened the scoring with one of two free throw attempts, but Bill Busch, Delbert Gregory, Mike Curley and Greg Motylinski all scored before Novi could find the range

Gregory, the big, smooth center, led all scorers with 19 points, but the Vikings presented a balanced attack. Motylinski hit 14 points, Curley and Larry Davis added 12 each, Busch had seven, and two subs, John Craig and Don DeSmith added eight each.

Jon Van Wagner led Novi as was so often the case this year. He canned 13 points, while Bingham and Lee Snow who both fouled out - had 11 each. Ken Osborn came off the bench in the final stanza to pump in nine points and Gary Boyer added seven.

Lack of defense and hustle spelled doom for Novi.

Seniors Dominate Novi Cage Stats

Several seniors dominated Novi's basketball statistics just as they dominated playing time in the school's first year with a graduating class.

Six of the squad's top eight scorers including the first five - were seniors. Only non-senior representatives in the top eight were Sophomore Tom Boyer with 57 points and Junior Rick Dale with 44.

Scoring was topped by Jon VanWagner with 105 field goals and 85 of 136 free throw attempts for 295 points. He closes his three-year varsity stay with 737 points to far outdistance his nearest scoring competitor, Lee Snow, who contributed 471 points. Gary Boyer was third in the three-year

Snow was second high for the season with 182 field goals and 41 of 60 free throws (his 68 per cent was second to Don Maki's 42 of 61 for 69 per cent in this area) for a total of 179 points.

Gary Boyer had 49 field goals to 46 for Dave Bingham, but Dave was second in total free throws with 58 to finish third in scoring at 150 points. Gary had 146. The remaining regular, Makı, scored 96 points, while Ken Osborn rounded out the top eight scorers with 46.

Top three rebounders for the Wildcats were VanWagner with 106 (second to Bingham on offense 39-38 and to Snow on defense 72-68), Snow with 103 and Bingham with 90.

Gary Boyer was team leader in steals and interceptions with 16 of each, but he also led in bad passes with 41. In other negative departments, Bingham led in violations, personal fouls and held balls, while VanWagner led in fumbles.

Novi's first senior class included eight basketball players who saw final action in the district loss at Dundee. These included Van Wagner, Snow, Bingham, Gary Boyer, Maki, Osborn,

Arrest Caps Wild Chase Of Driver

A wild chase involving four area police departments and a stolen car Sunday night ended with the capture of a 22-year old Milford man.

Novi Corporal Gordon Nelson was on the road at Ten Mile and Novi Road when he received a call from Walled Lake police that they were chasing a youth in a stolen car south on East Lake Drive. Nelson headed for the area in an attempt to block Willard Spencer's escape route.

Spencer then veered north on West Road and ran a roadblock set by Wixom and Wolverine Lake police at Pontiac Trail, turned south on Beck and ran another roadblock at Beck and 12 Mile where Nelson tried to cut him off. Spencer forced Nelson off the road and sped toward I-96. The Novi officer fired a shot at the

fleeing car and gave chase. He pulled alongside Spencer on the freeway at speeds of 90 MPH and had to avoid being driven off the road again.

As the pair approached South Hill Road, Nelson pulled in front of Spencer and forced him to slow to a

Father Fricke said members of his parish, disturbed by the actions of the two Detroit priests, had kept his telephone buzzing Tuesday morning after a Detroit daily newspaper disclosed the anti-war actions of the two priests.

"The Bishop of the Episcopal Diocese of Michigan totally disapproves of the action of the Rector of St. Joseph Episcopal Church (Detroit). The Diocese has no control over such action. It is at this point up to the vestry of St. Joseph Church to carry out any further actions."

Two Motorists Hurt In Separate Crashes

Two motorists were injured last week in separate area accidents.

The more serious accident occurred early Saturday morning (about 4 a.m.) on East Lake Drive in Novi when Rodger K. Eversole, 21, of Milford apparently fell asleep at the wheel and failed to negotiate a curve.

Eversole's car hit the mailbox at 1175 East Lake, sliced a utility pole in half and knocked out about four feet of stone fence at 1185 East Lake.

Officer Jack Grubb of Novi had to pry him from the vehicle.

Eversole, suffering from visible cuts and bleeding from his nose and mouth, was taken by ambulance to Botsford Hospital from which he was transferred the same day to Wayne County General.

Wayne County General lists the man as in satisfactory condition and suffering from multiple trauma.

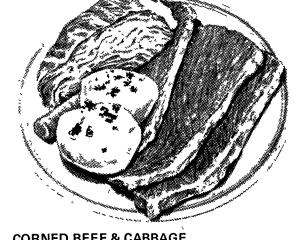

In a three-car accident in Northville Township one man was treated at St. Mary Hospital after Northville Police administered first aid.

Zane G. McClain of Walled Lake was northbound on Northville Road when his Volkswagen was struck by a car driven by Carl Sorber of Livonia as the 83-year old man was attempting a left turn onto Seven Mile Road. The impact threw the two vehicles into a car westbound on Seven Mile driven by Mrs. Maude Enders of 18334 Jamestown Circle.

McClain was bandaged by the Northville police for cuts of the forehead and chin. He was treated and released by St. Mary Hospital.

Rev. Wittstock to Receive Award for Youth Work

The Reverend Father John J. Wittstock, pastor of Our Lady of Victory Church, will take the spotlight in Detroit Sunday when he is honored for his contribution to the welfare of youth in Wayne County.

The Northville priest will receive the Monsignor Markey Award medal during an awards dinner program of the Catholic Youth Organization of the Archdiocese of Detroit. The program will get underway at 5 p.m. in the Mercy College Student Center Building.

Making the award presentation will be the Archbishop Dearden.

Two other awards are to be presented, including the Joseph Glaser Award given to a CYO board member who has contributed his time and talents to the CYO program for years, and the Ed Crowe Award given to

Father Wittstock will receive his award for contributions from 1936 to

In 1936 Father Wittstock became a CYO chaplain, and two years later he founded the Big Brother Organization within the Catholic Church. The men who were the nucleus of the movement were third order members of Duns Scotus. From this nucleus of about seven men, the Big Brothers flourished to about 80 volunteers in the space of a few years.

The professional staff consisted of a full time priest director, an assistant part-time chaplain, a full time assistant' director and a full time secretary.

Attempts were made in 1936 and 1937 to organize a Big Brother Movement but they failed to

problem. He interviewed and counselled boys every day in the juvenile Detention Home and is credited for saving hundreds of youngsters from getting a court record by having their cases referred to the Big Brothers for follow-up.

Hundreds of boys were spared from being sent to the state reformatory when Father Wittstock made possible their admission into a Catholic Boarding institution such as Boystown in Nebraska, Gibault School in Indiana, Mt. Alverno School in Cincinnati, Philadelphia Protectory in Norristown, Pennsylvania.

Father Wittstock also became the first Catholic chaplain for Girl Scouts and Camp Fire Girls in the Archdiocese. He helped organize the first board of Catholic Women in Girl Scouting and Camp Fire Girls. During his chaplaincy in these two organizations there was a fantastic growth in the number of volunteer leaders as well as troops of girls.

In less than 15 years the number of troops jumped from 47 to 450 troops under Catholic auspices.

In 1943, Father Wittstock and Ed Crowe, secretary of the CYO collaborated in organizing the Pre-Cana marrage program in the Archdiocese. Father Wittstock organized the seven other priests who conducted the classes of the Courtship and Marriage Course given to 1,850 youths 18 years of age and over in eight different centers of the Archdiocese to prepare them for either proximate or remote marriage.

Each year for several years this course was given to hundreds of youths until such time as the Family Bureau of the Archdiocese sponsored the

I-75 Named

Northville Post Commander Howard Wright revealed this week that the Michigan State Legislature has officially named I-75, from the Ohio border to St. Ste. Marie, American Legion Memorial Highway.

The name is the lawmaker's salute the world's largest veterans organization, this year celebrating its Golden Anniversary. It is hoped other state's through which the interstate highway passes through in its route into Florida will take similar action.

Meeting Slated

All parents of seniors at Northville High School who will be in the 1969 graduating class are asked to attend a planning meeting at 7:30 p.m. next Tuesday in the high school cafeteria.

Plans are to be made for the annual graduation dance, the breakfast following and other graduation become an integral part of Northville, and the local American Legion organization (s) a civic asset; now

THEREFORE, I, A. Malcolm Allen, Mayor of the City, Northville of Michigan, do hereby proclaim the month of March, 1969, as AMERICAN LEGION FIFTIETH ANNIVERSARY MONTH, and do call upon all citizens, business houses, and organizations to join with me in commending the good works of this organization as expression of our appreciation of both the wartime and peacetime services of our Legionnaires.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the official seal of the City of Northville of Michigan on this day of March, 1969.

Vandals Hit Northville

Destruction of property highlighted Northville police cases this past week.

BB gun destruction of five automobile windshields at G.E. Miller Sales and Service, 127 Hutton street, resulted in over \$500 damage.

The vandalism occurred sometime between 4 p.m. March 1 and 9 a.m. March 3 (over the weekend) and is under investigation. Cars damaged were all sitting in the front line of used cars facing Hutton and East Dunlap Streets. A window was broken at Eastlawn

Convalescent Home by a group of marauding youths Friday evening.

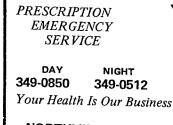

Other damage occurred at the Downs where a car owned by Nelson M. Hyatt and later reported by him to have been stolen at about the time of occurrence, bent a rail, a supporting post and a light pole in a wild gambol about the track.

Hyatt, of 21482 Summerside Lane, reported he had parked his car at Cal's Gulf with the keys in it at about 10:30 p.m. Thursday and found it missing when he returned for it at about midnight. When he went to Northville police to report it missing, it was sitting in the police lot where it had been taken following the escapade at the Downs. The case is under investigation.

Two men paid fines in District Court after being arrested by other departments who learned of open warrants for the men held by Northville police.

One of the men, Daniel J. Pence of Fremont, was picked up Thursday by Novi police and released to Northville. Appearing Friday before Judge Dunbar Davis, Pence pleaded guilty to the defective equipment violation and paid \$38 in fine and fee.

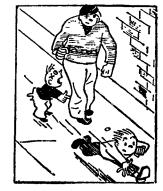

Morris J. Steshetz, 19, of Belleville was picked up by the Wayne County Sheriff's Patrol and was brought before Judge Davis Saturday. He was found guilty of improper plates and no registration on his person and on two Michigan State Police tickets and paid a total of \$92 in fines and judgment fees in heu of five days in jail.

WAS JESUS A HIPPIE?

Was Tesus a Hippie? Not a chance! Jesus Christ never had the sinful human nature that is expressing itself in the hippies. Jesus was God in the flesh. He never sinned, nor could He sin. He was far from being a degenerate hippie. There just was not anything in the nature of Jesus Christ to make Him so morally low as some of our modern human race both in and out of the Hippie movement. "Let no man say when he is tempted, I am tempted to God; for God cannot be tempted with evil, neither tempteth he any man." James 1:13.

Rev. Ivan E. Speight, Pastor Salem Federated Church

The pad, the pot, and the perversion are all part of the Hippie movement. God instituted. the home... not the pad! He provided the Holy Spirit for filling, guiding, instructing, and comforting... not the pot! Jesus provided real love, real peace, real brotherhood, real meaning in life... not a perversion!

Christ did not rebel against society. Society rebelled against Him. He was sinless. Society was corrupt. But Christ did not corrupt Himself to prove that existing society was corrupt. Instead, He gave Himself to save decaying society. In fact, He took every sinners place of judgment when He died on the cross. He placed Himself before the wrath of God against society. "For he (God) hath made him (Jesus), who knew no sin, to be sin for us, that we might be made the righteousness of God in him." II Cor. 5:21.

There is nothing in the Hippie movement to save a lost world. But there is everything in Christ to save a lost hippie, and make him a Christian.

Campaign Begins To Wipe Out Debt

A "Three Year Mortgage Burning Campaign" is underway at the First United Presbyterian Church in South Lyon this week.

Dr. and Mrs. W. D. Millen from the National Mission Board of the United Presbyterian Church are providing the leadership for this second financial campaign of the South Lyon Church.

Completed in the spring of 1967, the new Christian education addition at the Presbyterian Church includes 12 classrooms, a pastor's study, library, crib room and bathroom facilities. It was constructed at a total cost of \$172,000.

Three years ago the South Lyon Presbyterians conducted a very successful fund raising drive with \$84,000 received in cash and pledges. They are now striving for another approximately \$90,000 in order to hold a mortgage burning in April, 1972.

Dr. Millen the present leader has traveled widely in America during the past several years assisting "churches with financial campaigns. He has recently been chosen to head the Financial Campaign Department of the National Mission Board.

"The new unit has proven most useful and attractive and a real addition to our church, both physically and spiritually," commented the Rev. N. A. Riedesel, pastor of the church.

Robert Brigham is the local chairman for the campaign. Members of the campaign committee are: Peter Hansen, Lloyd Stephens, Clifford Page, Charlie Martin, Carroll Tietz, Mrs. Charlotte Thorne and Mrs. Barbara Clark.

Telephone captains are: Marilyn Birckelbaw, Marguerite Curtis, Barbara Doane, Ava Goff, Linda Hansen, Dorothy Tennant, Gaylon Clark, Joe Augustine, and Calvin Kern.

Many other people are assisting in the fund drive, according to Brigham. He said 43 persons will make calls from 2 to 5:30 p.m. Sunday, March 16, asking for pledges for the "mortgage burning" campaign.

Flint's \$ Squeeze Answer-Houses for Classrooms

The one-room schoolhouse of vesteryear has reappeared on the Michigan scene as a 20th century solution to school building costs. With ranch-house type architecture and a variety of colors ranging from slate blue or tan to traditional red the schoolhouses have become a part of primary-level education for many districts.

Located in the midst of homes in residential communities they have been used most extensively in Flint.

Unlikely as it seems at first, the one-room teaching facilities for kindergarten through third grade classes are a welcome cost-cutting to the system. So popular has the "ranch home solution" for growing subdivisions become since it was tried in 1953-54 in Flint, it has been adopted for all elementary schools in that city. There now are 140 neighborhood "primary units," as the structures are known, in the school system ... built at one-fourth the cost of a conventional classroom in an elementary building.

Because a standard interior plan has been strictly adhered to, costs have been kept to an average \$10,991 per unit, plus land.

School engineer Charles Towar admits the "primary plan" was a happy accident as the first three such units were conceived as a temporary solution to growth problems. They were so well received, however, and boasted the educational advantage of giving younger children a home-like atmosphere while keeping them closer to their own neighborhood, that they became a part of the school district's growth program.

School administrators in Flint became interested in the units after studying the success of similar ones in El Paso, Texas. Since Flint's success

was published in the Michigan Association of School Boards Journal in 1955, the Flint plans have been requested by many other Michigan school districts. (Flint makes them available for \$25 - and donates the sum to the local Red Feather.)

Average size for a unit is 1,120 square feet, with each containing one classroom, a lavatory (with tub plumbing roughed in), a utility room and a kitchen-style sink and counter.

It is easy to visualize the resale of the units for homes when they no longer are needed for classrooms in a community that later has more secondary-age children. To date, however, the Flint district has not sold any. About 10 that are not needed as classrooms are presently being used for office and storage space.

Since the units are located on building sites purchased in residential districts, their conversion to homes is not anticipated as a problem. Even if they are sold for less than their original costs, Towar speculated, they have cost the district little after 10 years of use.

Because Flint has believed in a sound fiscal system, Robert Donovan, public relations director, explains, the unit plan was instituted to provide elementary instruction at the lower grade levels in subdivisions just beginning to grow. As soon as a growth area had 30-40 new students, lots were purchased from the developer or where possible in a neighborhood and the units begun.

Then, when justified by growth of the area, a school was built, but the units retained and fewer classrooms needed for the building. The units have teachers reporting to the school principal and are served by such education specialists as science and art teachers from the central school.

Whenever possible, Towar added,

or four units could be constructed adjacent to each other. Their use also gave the district time for planning permanent buildings where they were most needed.

Seven primary units, for example, are part of Cummings Community School, with four being built - two on one street and two on the next, with backyards joining. In this case, the units were a "buffer" for the neighborhood with commercial property on Ballenger Highway. They also make it unnecessary for most of the very young children to cross the major artery.

Mrs. Jean Easter, a first grade teacher in the Cummings unit, used the same words as Towar when asked to evaluate the units as teaching stations: "The advantages far outweigh the disadvantages."

A teacher with 10 years' experience, Mrs. Easter said that she teaches in the unit by choice and actually feels "less confined" than in a conventional school building. Donovan points out that the district does prefer to use experienced teachers in the

When Mrs, Easter's class was visited last week, it was having a science lesson with a science teacher who had come over from the "parent"

Main disadvantage listed by Mrs. Easter was the problem in getting books and special materials on the spur of the moment. She usually plans her book needs and picks them up at Cummings school before coming to her unit classroom. The material resources center for the district delivers materials, but has to have advance

Her class, she adds, regularly visits the Cummings school library, with youngsters enjoying the short walk.

Difficulties mentioned by Towar were higher custodial care costs, although cluster grouping cut this down, and a httle more vandalism which he attributed to the exposure in the neighborhood. Older children in the areas, he said, like to toss debris on the roof and break windows.

Mrs. Easter, too, feels it is older children rather than those using the units who commit vandalism.

"I think we're saturated with elementaries now," commented Towar in explaining that the units are not now being constructed. Studies of future local needs bear out national school surveys, he pointed out, showing the growth area now is in secondary schools. Certain areas have had temporary growth, he said, as a result of urban renewal relocations. These are being taken care of with temporary trailer-type rooms placed on existing

The district has constructed one double unit and has varied exteriors with porches, siding and paint, Donovan added as he pointed out eight units constructed in 1967. Subdivision builders occasionally have asked for brick trim that would blend with their home construction and most requests have been complied with at nominal additional cost.

Later schools were constructed with electric panel-board heat which proved clean and efficient, but more

Next step in "The Flint Story" now may be the conversion of one of the green, blue or red schoolhouses into a two-bedroom home ... with the district recouping its building costs.

FIVE YEARS AGO...

...Superintendent of Schools Russell H. Amerman announced his retirement. Serving in the capacity since the death of Theo J. Knapp in 1933. Mr. Amerman announced his intentions at an early date to enable the school board to find a successor.

...Groundbreaking ceremonies took place for the Christian Education addition to the First Presbyterian

...All three incumbents were re-elected to the Novi Council. Philip Anderson was top vote-getter, followed by Joseph Crupi and Dean Lenheiser. Receiving the largest vote amont the defeated candidates was Miss Eugenie Choquet, followed by Herbert Koester and Frank Mobarak.

... Northville School Board hoped to establish a planning committee composed of both school officials and citizens to work out immediate and long-range plans and needs for the system. ...Inadequate police protection was

discussed by Northville Township and the possibility of establishing police service was to be studied. ...Dedication of Novi's newly

enlarged public library was scheduled to coincide with National Library ...Humor columnist Art Buchwald

was scheduled to speak in Northville's Town Hall series. TEN YEARS AGO ...

.Novi's new \$612,000 Orchard Hills Elementary School was dedicated in special ceremonies.

...A "protest meeting" was scheduled in Wixom by more than 100 taxpayers incensed at the re-evaluation of their property.

...Plans were announced for a \$40 million development in the Grand River-Wixom Road area. The Thompson-Brown plan for a Lincoln Village was considered very

comprehensive for its day, ...While citizens' groups were contesting evaluation in Wixom, similar groups were demanding paved streets in Northville. City Council and Mayor A. Malcolm Allen greet the proposal "with open arms" as they explained that this was "the first time" that they had received public support of what they felt was a highly essential development.

...Mrs. L. M. Eaton, 365 Eaton Drive, was named chairman for the 1959 Northville Cancer Crusade.

...March of Dimes figures for the annual event reached \$2,207.06, General Chairman Fred Stefanski announced. Largest single contributor to the campaign was the Mothers' March, under the chairmanship of Mrs. Albert Leedham, which netted \$1,073.03.

...Chairman L. C. Sullivan announced that the first week of the Easter Seal drive had netted 24 per cent of the \$1,000 quota set for Northville for the four-week campaign.

.. Northville's Lloyd H. Green Post 147 of the American Legion announced an open house to commemorate the legion's fortieth anniversary.

FIFTEEN YEARS AGO...

...Two new village commissioners were elected in Northville as 46 per cent of the electorate turned out. New faces belonged to Ed C. Welch and Earl L. Reed who joined incumbent A. Malcolm Allen in four-year commission seats. The remainder of the slate ran unopposed as Claude N. Elv was elected president; Mary Alexander, clerk; A. Russell Clarke, treasurer; E. M. Bogart, assessor; and John Stubenvoll won the two-year commission seat.

...The recent heavy snowstorm produced at least one casualty as Bud Hartner, Superintendent of Public Works, broke a wrist while trying to crank up the village road scraper.

...Al Porritt announced that he had lined up an "all-star" cast of local and imported talent for the Novi Minstrel Show. Evelyn Woods, accompanist for the entire program, was to be featured in a piano solo, and an outside singing group plus a local group and all-local

"blackface" highlighted the program.

...Novi's expected growth was causing planning headaches for both the school boards of the five Novi Township districts and for the Northville system and a meeting was planned to try to iron out plans for the future which might include the building of a high school in Novi.

...Chief Joseph Denton announced that the Northville police department had collected \$645 in fines and had answered 68 calls in February.

...Northville wound up a 13-4 season with a district final loss to Walled Lake, 64-55. TWENTY YEARS AGO ...

.. Northville clinched the Class "B" district title at Walled Lake with two close victories, 36-35 over Milford and 40-38 in double overtime against Fenton to move on to the regionals in

... Valedictorian for the Class of 1949 was Evelyn Westerfield of Nine Mile Road, Principal E. C. Mollema said. Named to the runner-up (salutatorian) honor was Corine Clark of High Street. Other top students in the class were Lawrence Walker, Alice Woodruff, William Stanford, Louise Lee and Ruth Simons.

...Red Cross quota for Northville was set at \$950, according to Chairman George Locke. Solicitation was under the direction of Mrs. W. E. Forney and Mrs. Ernest Wood.

...Eight-year old Wayne Nash of 20900 Taft Road found some Eastern seals and sold them house to house. He then turned in the \$1.06 he collected to drive chairman Nelson Schrader, who forwarded it to Detroit headquarters.

...Over 200 fathers and sons were honored at the Presbyterian Church father and son banquet.

...Novi Boy Scout leader Bob Skellenger appointed Fred Loynes, William Rachov, Ray LaFond, Superintendent Bjorklund and James D. Mitchell as a committee to assit with the scout program.

TWNETY-FIVE YEARS AGO ...

...Northville finished the basketball season at 10-7 as they beat Ann Arbor University High 21-19 and Brighton 29-23, before falling in the Ypsilanti Class "C" district final to Ypsilanti Lincoln, 32-26.

... Northville Boy Scouts held a parents night at the high school gym to show what they accomplished in their

... Novi's Cheskamay Campfire Girls announced temporary leaders and officers. Leaders named were Misses D. Wilson and Loree Trickey, while officers were president: Joan Bidwell, secretary: Patsy Putnam, corresponding secretary: Dorothy Hunt, treasurer: Lois Mitchell and scribe: Karen Larsen.

...Mrs. Arthur Schultz and Mrs. Frank Rodocker were in charge of the program as the cub scouts received merit awards and performed stunts at the scout building. Gerald Wines was the Cubmaster.

... Meadowbrook Country Club President Con Langfield announced that plans for the club's spring opening

were underway. ... Northville's schools led the way in the community Red Cross drive, with some rooms donating 100 per

cent. FIFTY YEARS AGO ...

...Universal Women's Suffrage was due to receive its first local trial as election day neared.

...Wixom Lady Maccabees met at the home of Mrs. W. M. Chambers for a pot-luck dinner.

...Wixom Chruch Men's Banquet was well attended.

...Rev. D. W. Cronkhite of Flint was scheduled for a series of evangelistic services at Novi Baptist

...An organ, a clock and drapes were furnished the school room as a result of the cap social held in the Laughlin home in Novi. Miss Mary Pearsall was the teacher.
...Mrs. Emma Knapp agreed to

having her name placed on the ballot for the office of township treasurer.

One Room Wash-Oak

Officials Ponder Fate of School

Tall grass and weeds have overgrown the property. The white paint on the fence alongside Currie road is fading away, a victim of changing weather and neglect.

The windows are boarded up, except for one near the front. It is broken, and inside, the place is a mess: the blackboard is shattered, and window glass splinters and debris cover the floor.

This is the Wash-Oak School, one of the last one-room schoolhouses to be used in this area. Now the South Lyon Community School Board is pondering the fate of the archaic structure.

It was decided Monday night that School Board Trustee Sam Bailo and President Wilford Heidt will examine the building and make a recommendation to the board: either to tear it down and sell the acreage, or to sell the school along with the land to the highest bidder.

Only three years ago the 96-year-old school building was alive with cries of 19 children, the last to attend the one-room school house. The grounds were neat and trim then, the building and fence were glaze white.

Children from grades one through eight learned, as they had since 1873 when the building was first occupied, their three R's, sang in communal style to the accompaniment of an upright piano, and played on the manicured lawn and circular driveway.

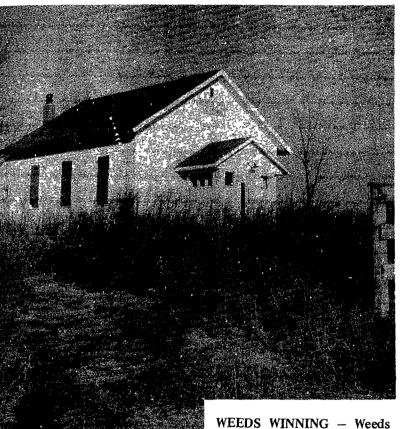

The 19 children left the one-room schoolhouse on May 22, 1966 to begin another summer vacation, unaware that the school would never open again.

Fifteen days later, residents of what was then known as the Wash-Oak school district, voted to annex to the South Lyon school system. And the building was abandoned as a school.

The Wash-Oak school wasn't the first one on the Currie road site. The

original one-room schoolhouse burned to the ground in 1871.

The original school, students wroter 25 years ago, was called the "Deake" school and "sometimes" the "Nahlor" school, after early residents

and vandalism are winning the battle with one of the area's last used one-room schoolhouses in Salem Township. The 96-year-old building now may be razed by the South Lyon school system.

of the area. Later, the school's name was changed to Wash-Oak because part of the district was in Washtenaw County and part in Oakland County.

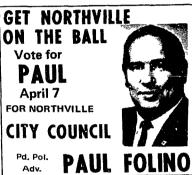

In 1873, the school contained 35 pupils, from ages 3 to 12. The school year included three terms, fall, winter and spring. During spring and fall terms a male teacher was required because, explains the history, someone was needed to "take care" of the older boys who were not in school during the other two terms because they were needed at home for farm chores.

Recitation seats or benches were along three sides of the schoolroom and the teacher's desk sat in the front of the room on a raised platform facing a "box stove" in the middle of the

Children tended the stove and hauled water to school from a farm a half-mile away. Kerosene lamps lighted the classroom. On the north side was a church that was later hauled away and used as a horse barn.

When the Wash-Oak School closed, much had changed. The desks were not new but of modern vintage. Electric lights replaced the kerosene lamps and a modern space heater replaced the

Now, the building is vacant, cold and dilapidated. Soon, it may be only a memory.

ORDINANCE NO. 28

FIRE HYDRANT AND WATER VALVE ORDINANCE

AN ORDINANCE PROHIBITING UNAUTHORIZED OPERATION OF VALVES IN THE NORTHVILLE TOWNSHIP WATER SYSTEM AND PROHIBITING UNAUTHORIZED USE OF FIRE HYDRANTS IN THE NORTHVILLE TOWNSHIP WATER SYSTEM AND WITHDRAWAL OF WATER THEREFROM, INCLUDING THE ISSUANCE OF PERMITS AND TO PROVIDE PENALTIES FOR THE VIOLATION HEREOF.

THE TOWNSHIP OF NORTHVILLE ORDAINS:

Section 1: No person other than employees and agents of the Township of Northville shall open or close or in any manner interfere with or operate any valve in the Northville Township Water System.

Section 2: No person other than employees and agents of the Township of Northville and authorized personnel of the Northville Fire Department in pursuance of their duties shall open or operate any fire hydrant without first procuring a permit from the Township and paying such charges as may be required therefor.

Section 3: Operation of any fire hydrant and withdrawal of water therefrom shall be confined to the hydrant or hydrants specified in the permit and to the purposes stated in the permit.

Section 4: No person shall use any wrench or tool in opening any hydrant other than a regulation fire department wrench. No persons shall place anything or any object within 15 feet of any fire hydrant or otherwise obstruct any hydrant so as to interfere with its proper use. Section 5: PENALTIES. Any person, persons, firm, partnership,

association or corporation, or anyone acting in behalf of said person, persons, firm, partnership, association or corporation, violating any of the provisions of this Ordinance shall, upon conviction thereof, be subject to a fine or not more than \$100.00, or imprisonment for a period of not more than 90 days, or to both such fine and imprisonment in the discretion of the Court. Each day that the violation of this Ordinance is continued or permitted to exist without compliance, shall constitute a separate offense punishable upon conviction in the same manner prescribed in this Section.

Section 6: REPEAL. All previous Ordinances, or parts of Ordinances in conflict herewith are repealed.

Section 7: EFFECTIVE DATE. This Ordinance shall take effect thirty days from and after its first publication.

I, ELEANOR W. HAMMOND, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Northville Township Board at a regular meeting thereof, duly called and held on the 4th day of March, A.D. 1969, and was ordered to be given publication in the manner prescribed by law.

Drought Sparks Fire Ban

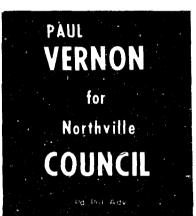

Novi police this week joined other area enforcement agencies in requesting people to stop burning out-of-doors until the present drought runs its course.

Novi has had to combat several field fires in the last few days — all of which were started by the careless burning of trash. Similar fires have been reported in Northville.

Even though permits are not being issued in this dry weather, the police remind residents that they cannot burn without one. The only exception to this in the Novi ordinance is that burning is permitted in an approved mesh-topped receptacle — and if you have any doubts as to whether yours is approved or acceptable, you had better get the fire marshal to check it out, before you use it.

Two tickets were issued last week Tuesday by Officer Gerald Burnham due to fires carelessly caused. Burnham reminds all that the possible fine for the offense is \$100, 90 days in jail, or both.

"If anything," Burnham adds, "the sentence is too small when you consider that it costs about \$150 per hour for the city to put men and equipment on the road to fight carelessness."

SPEAKING

for The Record

I've decided, at least in my case, that there's really not a "generation gap", but a "half-gap".

I can't stand the long hair and beard bit that have become popular with the young men of today.

My son, who wears his hair longer than I'd like him to, tells me I'm just jealous. He always glances at my spacious forehead as he hurls the charge.

There might be a particle of truth in what he says, but the real fact of the matter is that I wish I did like the long-hair look.

Then there wouldn't be this nagging feeling that maybe there is a generation gap, that I can't "think young" anymore.

And just when I begin to believe that maybe I am falling a little bit behind the times, that a new generation is about to knock the World War II crowd into retirement, I look at my daughter.

Funny, but suddenly I feel young again. Those short skirts aren't repulsive at all. As a matter of fact, they might be called attractive. Seems to me I remember a similar fad back in the late forties.

I'm more certain than ever that long hair and beards are impractical. With all that hair in your face how can a guy behold the beauty that is about him?

Which brings me to the subject of beards and some members of the staff of The Record.

Even when grown for good reason, such as the one-hundredth anniversary of The Record, beards look raunchy to me.

Take a look at the trio below. Managing Editor Jack Hoffman, Reporter Ernie Brown and Charley Gross, our publications production boss, could be mistaken for the Smith Brothers.

Every time I find myself out in public with these guys I start apologizing by explaining, "it's our centennial year... they're growing beards... it's a contest.

Really, that's why I'm writing about them this week. I just wanted our readers to know. Our Centennial plans won't be announced until next week and our special edition won't be ... published until July.

Can you imagine what this trio will look like by then?

They keep needling me to join the beard race, but I'm holding out for our 200th birthday.

Meanwhile, I propose a contest to be judged by the readers of this column... which should keep it easy to tally. 3-16.3

We'll run the pictures of the same trio again in the June 26th edition. Then we'll ask readers to vote for the best beard.

Their reward for loyalty and recognition of The Record's longevity will be as follows:

First Prize - An electric shaver; Second Prize - A safety

razor; Third Prize - A can of shaving cream. For all three, dinner and a show with their corsage-adorned wives, who must be wondering what's so important about a

newspaper's birthday. We'll announce the winners the same week we celebrate our

obviously wrong with that. It It was to be an easy job -- just a simple, quickly written letter to the President of the United States. Get right to the point, I decided even before unlimbering the keys. Make it short and direct. But how do you get right to

the point when you can't even get past the salutation?

Attacking the letter vigorously, I think I got hung-up on the inside address: "The White House." It so unnerved me I couldn't find the proper greeting. Those words at the top of the page, awesome and overpowering, reached out and said, "Mister, you can't go any higher; you're directing this missive to the home of Washington and Lincoln."

Even the typewriter was speechless; the keys worked incoherently.

"Dear President," I began. There was something

didn't seem formal enough. "Dear President Nixon" seemed improper, and "Dear Dick" was even worse, particularly since he hadn't received my vote in November. (Frankly, however, I like the ring of "Dear Dick" better than "Dear Hubert"). "Dear Richard" was no better, and "Dear Mr. Nixon" missed the mark.

Anything with "My Dear" was terrible. It's either condescending or sickeningly

Something more formal, then. "Dear Honorable President" came to mind and was quickly scrapped as was "Honorable President." Anyone who inhabits the White House - even the cook - in my book is honorable, but this title of distinction seems more appropriate for guys in black

"Your Highness" or "Dear Excellency" or "Your Excellency" were equally inappropriate. Maybe for kings but not the President. Besides, the few times I've heard the words used they rubbed me the wrong way. I dislike grovelers; they remind me of PR men.

"Dear Sir" like "Dear Sirs" are used by lazy writers who don't take the time to look up the name of the person they're writing to. They're variations of "To Whom

It May Concern."
"Greetings." Now there's a word that says just what a salutation is. But, unfortunately, the draft board has given it a bad meaning; it's become a portentous greeting.

I was rapidly running out of words and paper and patience.

Something formal but not too pretentious; something that sort of summed up my feeling for the

office of the President. Finally, right or wrong, I settled for "Dear Mr. President" after determing that "Dear Mr. President" was neither correct nor nice sounding.

Then I whipped off the body of the letter and came to the equally exasperating complimentary close. "Yours truly, Very truly yours, Yours very truly, Sincerely yours, Yours sincerely, Cordially yours, Love and kisses. All came to mind but none seemed appropriate.

I took my problem to one of my daughters and, God bless her, she suggested that if I were writing something nasty "like you write about mother you oughta tear up the letter. He's everybody's President, you know, so you oughta say nice things."

"Thank you, honey, I think I know what you mean," I said as the typewriter clacked out, "Respectfully yours."

He's only been in our nation's capital for about two years, but the insight that fairly pops out of his analytical remarks makes him the ostensible superior of many men his senior who have covered the Washington beat for years.

The man is Saul Friedman, The Detroit Free Press' Washington correspondent, whose profile in-depth of Michigan Senator Philip Hart reads like high political intrigue.

Admittedly, Hart is the focal point in Friedman's portrait that appeared last Sunday. But it is Friedman's telltale knowledge of the inner workings of the Senate and the men who work in it that make the story fascinating.

Hart's initial meeting with then Senate majority leader, Lyndon B. Johnson, serves as the story's launching pad. The occasion that prompted the visit from Johnson was Hart's 'no' vote on adjournment during his first roll-call meeting of the Senate.

In essence, Johnson, quoting Sam Rayburn, told the then new senator from Michigan that he must either bow to majority will or foresake any thought of an effective role in Congress. Shaken and somewhat befuddled, Hart is quoted as replying, "Don't count

Eventually, Friedman points out, Hart learned the Rayburn dictum, "You got to go along before you can get along," and rose to his present influential and authoritative position as chairman of the Judiciary subcommittee on anti-trusts and monopoly, the position formerly held by Estes Kefauver.

It didn't come easily to Hart, however. Though quiet and patient, Hart was hardly the man in 1958 to compromise his liberal ideals. He hadn't compromised them in Bloomfield Hills, where he and his wife, Jane, were probably the only two Democrats in a conservative stronghold.

He hadn't compromised them as Soapy Williams right-hand man, either. That included positions as Corporation and Securities Commissioner, as a U. S. District Attorney, and as lieutenant governor.

He was reluctant to compromise those liberal ideals when he joined with other freshman senators at the courage to say what he thinks.

that we, the present taxpayers, must

pay for the education of these new

students because there is a lag of a year

Washington home of Senator Vance Hartke. There the senators one by one 'yes'ed and 'no'ed Mr. Leader LBJ over the telephone, like puppets on a string.

Friedman quoted Jane Hart here: "One by one, like little boys, they trooped to the phone to say 'Yes, Mr. Leader, No Mr. Leader, Of course, Mr. Leader.' It was disgusting. I kept hoping that Phil wouldn't go to the phone. But he did and I chewed him out all the way home."

"All I can say in my defense," Hart is quoted as saying, "is that I was the last to go to the phone."

Change came painfully after Hart realized that Liberals he had admired were largely ineffective because of their inability "to put aside their fervent and often dogmatic idealism, and work with and within the system of the Senate..." Hart did it, and as a result, Friedman says he is one of the most effective senators and one of the most respected.

It's not a pretty picture that Friedman sketches in detail of the "great national council" High ideals are sacrificed on the chopping block of compromise. National politicians do not emerge as lily white. At best some are curdled cream.

One of them is LBJ, perhaps the man Friedman knows best, for it was as a reporter for the Houston Chronicle for 12 years that he got to know Johnson. In the Hart profile, the Washington correspondent refers to Johnson as "the imperious Democratic leader."

Of Hartke, Friedman says, "too tight, too openly ambitious." Of Eugene McCarthy, "too laconic and indifferent," a man who "did little work" as a senator. Of Senator Paul Douglas and Hubert H. Humphrey, "over the hill."

Friedman also dispells the 'destiny theory" of politicians. "The truth is that politicians, like most men, simply find themselves surrounded by circumstance and become its victim or its beneficiary, depending on their luck, their support, their opponent, and their ability to make the most of opportunity.'

Friedman, in no uncertain terms, calls the shots as he sees them. Some may dispute what he says, but none can dispute his

Rips School Tax Lag Explanation

To the Editor:

On February 20, 1969 I was privileged to attend a Board of Education monologue explaining why school revenues must be increased for the 1969-1970 year. One thing that has come through loud and clear each time the School Board has asked for a tax increase is that we will have more students to educate in the future and

or two before the new homes in which' they will live are placed on the tax

Somewhere I seem to have missed something in the explanation of this point. There seems to be something inconsistant in this line of reasoning. It would appear that we who have been supporting the Northville School system for many years are still paying the cost of educating the entire student body increase during those past years. Surely, few of the new homes have ever been added to the tax rolls because we certainly would have had a millage reduction when the new families began to pay taxes and support the school system as we do. This would indicate that the solution to the problem is to see to it that all of the new homes in the school district are added to the tax rolls immediately, and then we will have no need for a millage increase to pay for additional students either now or in the future. We may even be due for a millage decrease this year.

On the other hand, if all new housing is already on the tax rolls, perhaps the Board of Education will explain what has happened to the revenue from the increased tax base. If it has been diverted to other uses, then the annual excuse of an increasing number of students is not quite correct and the school system is asking for additional taxes under false pretenses. If new construction has regularly been added to the tax rolls, the school board already has the funds for student body increases and again there is no need for a tax increase at this time.

In summary, we have in the past provided millage for the increasing student body. From that point on, new property additions to the tax rolls each year will provide funds for the student increase of the next year. This is no longer a valid annual reason for a tax increase and serves only to conceal the real facts.

As for additional taxes to restore the cuts made last year, I thought that point was settled last year when the voters said NO three times. It takes a lot of guts to come back this year and ask again. My personal answer is still no. We must always compromise what we want with what we can afford. I feel that we have reached the maximum overall tax burden that we can carry. If we need more school support perhaps we should encourage our state and national representatives to reduce wasteful government spending - to plug some of the great rat holes like the presidential yacht that President Eisenhower tried in vain to dispose of during his term in office. Only by reducing wasteful government spending will adequate funds be available for our real needs. Donald C. Young Jr.

Pace Quickens as Lawmakers Field Bills

LANSING - Slow-footed, That was the adjective used most frequently to describe early activity of the 1969 Michigan Legislature. No more. The pace has quickened considerably as lawmakers strive to adjourn by mid or late summer.

Scores of new bills ranging in subject matter from fish disease to horseback riding to abortion to riot control have been introduced. Committee hearings on major legislation are well under way.

"We just might surprise everyone and get out of here by July 4 yet," said one optimistic legislator. "But I'm not taking odds on that."

Small wonder, the lawmakers still must grapple with school, tax, labor, crime, welfare and election reform

IF THE LEGISLATURE didn't have enough things to fret about on the fiscal front, it got some more recently. The 19 state departments and 11 tax-supported institutions of higher education proposed a \$1.5 billion,

problems, to name only a few. Ahead

lies some rough, multi-million dollar

five-year building program that, if approved, would require taxpayers to dig deeper into their pocketbooks than ever before to pay for brick-and-mortar improvements.

The vast financial blueprint asks the legislature to appropriate \$300.7 million this year, \$338.9 million next year, \$316.9 million in 1971, \$271.8 million in 1972 and \$232 million in

The sum includes \$498.5 million in restricted funds, and \$961.9 million from the state general fund, financed principally from income and sales tax receipts.

The restricted funds would be spent for highway, waterway and airway improvements. Money would come from user fees such as gasoline and registration taxes.

GENERAL FUND expenditures would go for a variety of projects, including these major items:

- \$58.2 million for a new state Capitol and remodeling work on the old Capitol. Another \$20.5 million is proposed for state office building improvements in Lansing, Grand Rapids and Escanaba.
- health facilities in Detroit, Flint. Grand Rapids and Calhoun-Jackson counties. Only \$900,000 of this is
- sought during fiscal 1969-70. • \$18.5 million for correctional facilities, including erection of two new medium security prisons.
- \$10.6 million for State Police projects, with \$5.5 million going for construction of a civil defense emergency operating center and \$3.3 million for a training academy.
- \$6.7 million for improvements at the boys and girls training schools, including construction of swimming pools, basketball courts and related facilities.

NEARLY HALF, or \$680.2 million, of the total \$1.5 billion outlay would go to instutitions of higher education, with Michigan State, Wayne and Michigan Universities getting the lion's share.

The State Mental Health Department asked for \$87.9 million, the Governor's office, \$84.9 million, the Department of Corrections, \$31 million and the education department, \$20.5 million.

DEMOCRATS WERE Heartened when conservative GOP John P. (Joe) Smeekens won an election for a seat in the House of Representatives. Picture Taking's Fun Hobby, But Big U.S. Business, Too

WELLESLEY HILLS; Massachusetts - Taking pictures is not only a pleasurable hobby - it's also a big and still growing business. In the period 1961 through 1966 the photography industry in this country grew at an average annual rate of about 15% - or twice the annual rate of the Gross National Product. In 1967 the value of photographic merchandise shipments advanced to about \$3 billion, and last year it was even higher.

Aided by more leisure time, the increase in the teenage population, higher disposable income, new product developments, the emphasis on color, more extensive traveling by the public,

and wider use of photography education, business, and the sciences, the photographic industry could sustain a growth rate of 10% to 15% per annum during the coming decade. Amateur photography, which consumes nearly 40% of photo merchandise produced in the U.S., is booming. More expensive color photography has been expanding at an extremely rapid - pace. Nearly 75% of all amateur still pictures are now in

color.
The rapid increase in picture taking over the past decade has come about largely because of simplified instant loading cameras, instant print cameras, an affluent consuming public, and the dynamic "youth" market. The overseas sector has also been an area of strong growth, and in the future may outstrip the domestic advance.

THE THREE dominant companies in this industry are Eastman Kodak, Polaroid, and Bell & Howell. But there are other large firms that have an important stake in photography. For example, about 10% of Minnesota Mining and Manufacturing's sales come from photographic products. GAF Corp. derives nearly 25% of its sales from photo products. Berkey Photo fast-growing film producer, distributor, and processor, had sales last year of over \$125 million, while Technicolor's 1968 revenues exceeded \$116 million.

There are also numerous smaller companies with important interests in some area of the industry. A few such as Ehrenreich Photo-Optical, Perfect Film & Chemical, Pako Corp., Fox Stanley, Viewlex, Argus, AIC Photo, Fotochrome,

EASTMAN KODAK is far and away the industry's leader. About 80% of its 1968 sales of over \$2.6 billion came from photographic equipment and supplies, which included the Instamatic still and Super 8 movie camera lines, film projectors, and color processing services. Kodak also produces synthetic textile fibers, chemicals, and plastics.

This company has one of the finest growth records of any industrial firm, reflecting astute management, aggressive policies, well-accepted product line, and new product developments. Kodak's future growth should be

augmented by its overseas business. Hence the Babson's Reports staff feels that Eastman Kodak may be purchased for growth.

POLAROID has compiled a tremendously inpressive growth record largely because of its frequent introduction of new products. Research and development have been the company's strong points. Polaroid plans to introduce an entirely new product line of cameras, including a low-cost color model which will be priced under \$30.

Aided by the new line, plus its probable entry into other fields such as slides and copiers at some later date, Polaroid's growth prospects remain good. Polaroid traditionally sells at a high multiple of earnings and is very volatile, but it is a good long-term

BELL & HOWELL's common stock is now priced well below its former high due largely to a temporary flattening in the company's earnings. In the future, Babson's Reports expects a recovery in earnings as B & H benefits from some of its late developments. These include a new method of adding sound to home motion pictures; a new fully instamatic focusing system for home movie cameras; and a new electro-static copier.

Youngsters Try Hand at Writing

Students in Northville's three elementary schools are participating this month in the annual Young Authors' Contest sponsored by Oakland University.

'Anything original and creative poetry, fiction or autobiography - is being encouraged," according to Mrs. Ann Chizmar, reading consultant at Amerman school, who is in charge of that elementary's participation.

Mrs. Betty Sellers and Mrs. Marion Petrock are reading consultants in charge of the contest at Main and Moraine schools, respectively.

Entries must be completed by the end of this month to be submitted to Oakland University by April 8. A Young Author's Day will be held at the university Aprıl 25.

Each school may submit a maximum of six entries with authors and sponsors then invited to attend the program April 25.

Amerman youngsters were to hear noted children's author, Mrs. Mary Church of Ann Arbor, Tuesday morning. An elementary teacher and lifelong Michigan resident, Mrs. Church was invited to open the contest at

REPLACEMENT LIKELY - With preliminary approval by the

township already in the bag, Northville Fire Chief Herman Hartner

will present his request for a new \$30,000 high pressure-volume fire

truck to the city soon in hopes of retiring the 1942 Ford-John Bean

truck (above), jointly owned by the city and township. The new

vehicle, says Hartner, will look something like the department's 1962

Ford-Bean(below). Last week, the township board, upon indicating

its willingness to appropriate its share of the \$30,000 purchase, also approved the purchase of a monitor system - agreeing to pay up to

\$2,500 as its share of 20 or more monitor radios. The radios will

permit the dispatcher to direct evening fire calls directly to homes of volunteer firemen who can then go directly to the scene of the fire.

Earlier, the township agreed to share with the city several thousands

of dollars for the cost of other fire department equipment. Aside from the '42 Ford and the 62-Ford, the department has an old International step-van it uses as an equipment carrier, a 1948 GMC

3,000-gallon tanker, an old Dodge 250-gallon power-wagon for

fighting grass fires only and a 1956 American LaFrance Pumper.

Amerman, Mrs. Chizmar said, as an inspiration to the would-be authors. She will be introduced by Miss Linda Edgerton, elementary librarian.

Amerman students' work will be judged March 27 by Miss Florence Panattoni, Northville schools curriculum consultant, Mrs. S. G. Glenn, librarian, and Mrs. Douglas Day. Amerman art classes also are participating in the project. PTA mothers are assisting in typing.

In preparation for the contest, Mrs. Sellers said, Main street elementary youngsters in second through fifth grades have been having weekly classes in creative writing.

Interest groups have been working for four weeks on creative writing and newspaper writing, she added. Main street entries will be selected by a poll of youngsters.

Children in each class at Moraine are writing for the competition, according to Mrs. Petrock. With only six entries permitted, she said, the program at Moraine especially is directed at third through fifth grades. Judging will be by three teachers and three students.

Baptists Schedule **Special Services** At the regular 7:30 service, Rev.

The First Baptist Church of Northville, located at North Wing and Randolph Streets, will present a cross-section of world evangelism through several missionary speakers on Sunday, March 16 and 23.

On Sunday, March 16, Rev. John Jesberg, a representative of the Pocket Testament League, and for 15 years a missionary to France, will speak at both the 9:45 Sunday School hour and also the 11 a.m. service. Mr. Jesberg has travelled extensively in Europe, and participated in a number of campaigns conducted in Germany, France, Holland, Spain and Italy.

He has played a vital role in the outreach which was made in Vienna during the World Youth Festival in 1959. In 1962 he laid the ground-work and preparations for the VII World Festival which took place in Helsinki, Finland when thousands of youth were reached by the P.T.L. In that Festival attended by some 17,000 youth, many from behind the "Iron Curtain" were reached through personal evangelism and special meetings in the open air. Recently, Mr. Jesberg participated with the Olympic Christian Action during the Olympic Games (Winter) in Grenoble. The Pocket Testament League provided 60,000 Gospels for that occasion.

Mr. Jesberg has been largely responsible for getting at least 15,000 Gospels of John from France to the Russian people through the mail.

On Sunday evening at 6:45, the clorful missionary film, CARNIVAL MONDAY, also will be shown. This film was filmed in Trinidad and appeals to all ages.

ANNUAL HARBINGER - If those kites, marble games and grass fires around the area are not enough to convince you that spring's just around the corner, how about that sure sign of the season blooming crocuses? Charles Freydl, Sr., who has seen a good many springs come and go, shows off some early bloomers at his home, 455 Eaton Drive. The pretty flowers first appeared on Sunday, March 2.
