

Armed Auxiliary Triggers Township Tempest

Does Supervisor Gunnar Stromberg have a "tiger by the tail?"

There are signs that the Northville township chief executive officer may be having some second thoughts about the rush to expand fire and police protection services into the township. It's really not that the supervisor is

opposed to providing the services; it's simply a matter of method and extent.

Staying on a middle-of-the-road course has become extremely difficult, if not impossible, for Stromberg who, like Clerk Eleanor Hammond, Treasurer Alex Lawrence, and Trustees William Smith and Joseph Straub, face

an election this fall.

It's considered a certainty that all will seek re-election, and it's also a cinch that one of the campaign issues will be how the township copes with the growing need for services under the pressure of opposing a tax hike.

Like all townships, Northville operates under a one mill levy against state equalized valuations. So far, because its services to citizens have been minimal, money has not been a source of concern to the township. It has managed to build up a tidy \$200,000, most of which has been invested in interest-bearing certificates and earmarked for future development projects.

But if the township is to jump full-force and on its own into the

police and fire protection business, \$200,000 would cause but a small ripple in a bucket requiring fire engines, squad cars, fire stations, municipal offices.

And a one mill levy wouldn't approach the millage needed to provide operating funds for salaries to pay the people to direct and keep records for such an operation.

Supervisor Stromberg would appear to be caught between viewpoints that seem to stand at extremes for him. On the one hand there's Trustee Bernard Baldwin, pleading almost alone for caution in the adoption of a police ordinance and authorization for part-time auxiliary officers to carry guns.

(See 'Speaking for The Record', page 8-A).

On the other hand, Trustee Richard Mitchell, a former township constable, has taken a course that strikes the supervisor as being "too gung ho". Mitchell frequently came under fire from previous township boards (and legal advisors) for his enthusiasm in law enforcement as a constable for Northville township. He has worked as an officer with Township Police Chief Ron Nisun, has confidence in his ability, and has been the leader in the campaign to form a Northville township police department.

He has strong support from Treasurer Lawrence and Trustee Smith. Generally, this trio is considered to be opposed to any cooperative service arrangements with the city for fear it

PARK TALK—Frank Bennet (left), director of planning for Wayne County, and County Commissioner Carl Pursell (center) joined Northville City Manager Frank Ollendorff this past week in touring Maybury-Sanatorium property as a possible site for a county or regional park. The county has requested \$1½ million in state recreational monies for acquisition of 700 acres of the 1000-acre site, while the City of Northville hopes to acquire some 220 acres for a city park. According to Pursell, the county request is now being considered by the state. He and others see the 700-acre park being operated by the Huron-Clinton Metropolitan Authority—the same tax-supported authority that operates Kensington park. Maybury is owned by the City of Detroit, which hopes to sell the property yet this year.

NEWS BRIEFS

GIRL SCOUT cookies — 852 cases containing 10,224 boxes — are being delivered now in Northville. Unlike Plymouth and Ann Arbor, Northville scouts were fortunate enough to receive their shipment before the truckers' strike. Mrs. David Biery's Troop 361 sold the largest number of boxes this year.

MAY 17 is the date set for the dedication of the new sanctuary of Northville Presbyterian Church, Reverend Lloyd Brasure announces. An open house and reception will follow the ceremonies. Stained glass windows for the new sanctuary were installed last week.

ACTION TO CONFIRM B. J. Williams, 18135 Jamestown Circle, as parttime paid executive secretary of the Northville Chamber of Commerce and the Northville Economic Development Committee is expected to take place at a meeting of the Chamber late this month. Last week the Economic Development Committee voted to name Williams to the post, a dual-role position.

ELECTION OF OFFICERS was to highlight a meeting of the Northville Jaycees — rated the top Jaycee chapter in Michigan. Peter Magnan was slated to move up to the presidency, replacing outgoing president David VanHine.

A REQUEST by Our Lady of Victory Catholic School that Northville public schools provide release time for religious instruction together with a review of preliminary findings of the Year-Round School study and the year-round advisory vote scheduled in June will highlight a meeting of the school system's VIP Committee on Thursday, May 7 in the board of education offices.

SUNDAY afternoon and later evening hours are being requested by the Northville Library Commission for the local public library. Commission Chairman Mrs. Roy Mattison said the city council and township board would be asked to approve an additional hour (until 9 p.m.) on Monday through Thursday and from 1 until 5 p.m. Sundays.

"OLIVER" AWARDS for professionalism, given after the final performance of "Anything Goes" Saturday at Northville High School went to Debbie Guido, a sophomore, who was the bouncy Bonnie in the musical, and to James McNeice, a senior, who was Billy. Jim became a two-time winner as he earlier has received the coveted trophy for his performance in "The Crucible."

Township Planners to Hear Levitt, Shopping Requests

Public hearings on requests for rezoning on the proposed Levitt & Sons subdivision and on two different regional shopping center proposals will be held next week before the Northville Township Planning Commission.

The Levitt request will be heard Tuesday, while the shopping center requests will be heard next week Thursday.

Levitt is seeking rezoning for that portion of its 400-acre Highland Lakes subdivision where it originally proposed to build single family homes. The area is located near Eight Mile Road, east of the city on part of what is now part of a gravel pit operation.

Should the firm be granted the rezoning, it would mean the entire 400-acre subdivision would consist of townhouses and apartment buildings.

Originally, Levitt proposed 350 single family homes, 914 townhouse units and 400 apartment units. It already has

the necessary zoning for these units. Their latest request, however, would substitute 500 townhouse units for the 350 single family homes, thus resulting in a development of 1,414 townhouse units and 400 apartments.

Chief reason for this proposed change, spokesmen for Levitt have explained, is that cost of developing the gravel pit for the single family homes is exceeding original estimates and that the homes themselves, in today's economy and in view of neighboring development, would be difficult to sell.

Rezoning for proposed regional shopping centers involves nearly 57 acres of land, owned by Nate Shapero, at the southwest corner of Eight Mile and Haggerty roads, and a 65-acre parcel, owned by Leonard Brooks, at the northwest corner of Seven Mile and Haggerty roads.

Centers on the order of the Livonia Mall are proposed.

Record Wins Bell For School News

The Northville Record was one of 23 newspapers, radio and television stations in Michigan to receive the coveted MEA School Bell Award for "outstanding contributions to community understanding of education" at Lansing Friday.

Accepting the 1970 award on behalf of The Record at a special luncheon during the Michigan Education Association's Representative Assembly was Sally Burke, Record news editor.

The assembly was held at the Lansing Civic Center, with more than 400 educators, news media personnel and their guests on hand for the awards presentation.

The Record was entered in MEA's annual journalism contest by the Northville Education Association. Judging was based on content of editions of The Record during the past year and compiled and submitted by the Northville organization.

Of the awards, four went to daily newspapers and 15 to weekly newspapers which were cited for "strong comprehensive year-around coverage of public education" and/or "outstanding features and editorials"

on specific school problems, trends in education, and other school related items.

The award is the second major one received by The Record within the past year. It was judged best weekly in the 1969 Michigan Press contest.

FREDRICK W. HOLDSWORTH

PATRICIA ANN LONG

Northville High Names Top Grads

Fredrick W. Holdsworth has been named valedictorian and Patricia Ann Long salutatorian of the 1970 Northville High graduating class.

The two scholars will lead their class of 216 in Northville's 101st graduation ceremonies June 9.

Fred has earned an overall average of 4.142, while Pat's average is 4.083. Both students, members of the National Honor Society, have attained above a 4-point average through Northville High's honors program.

The son of Northville High Principal and Mrs. Frederick A. Holdsworth, 46778 Grasmere, Fred plans to attend University of Michigan where he will major in secondary education, physical education and mathematics.

In 1968, Diane Holdsworth, Fred's sister, was salutatorian of her graduation class.

Pat, the daughter of Mr. and Mrs. Edward C. Long, 48385 West Eight Mile Road, will also attend the University of Michigan where she plans to major in nursing.

Fred has been active in football, basketball and baseball throughout his high school career. He has served on the Student Council, was vice-president of his class during his junior year and served as secretary-treasurer for "N" Club.

Pat was chosen student director of the musical "Anything Goes," is vice-president of National Honor Society, is active in Pep Club, G.A.L., Drama Club, the yearbook staff, Student Council and was secretary of her class during her Junior year.

Baccalaureate services are planned for Sunday, June 7, with commencement the following Tuesday evening.

Local Valuations Hiked

City and township officials have received the (bad) news from county tax authorities. Local assessments will be boosted this year. In the township the factor is 1.11, or an 11 per cent hike. Last year the township's total state equalized property valuation was \$30,078,020. This year it's \$35,735,910. City assessments will be multiplied by a factor of 1.32 in Wayne county and 1.37 in Oakland county. Last year the city factors were 1.23 and 1.25 in Wayne and Oakland

counties, respectively. Total state equalized valuation of the city this year is \$26,528,014, compared to \$23,929,362 last year. The Oakland county portion of the city was \$8,000,212 last year and stands at \$8,838,878 this year; in Wayne county the valuation has increased from \$15,929,150 to \$17,689,135.

Richardson, Mrs. Troy Milligan and Mrs. George Widmaier while Mrs. Joe F. Keese, a co-hostess, serves coffee. Mrs. Richardson and her husband and daughter Jennifer moved to Fonner Road a month ago while Mrs. Milligan of West Main Street and Mrs. Widmaier of Ridge Court and their families are new during the past year. Mrs. Kenneth Rosselot also was a party hostess.

Weddings Announced

Mr. and Mrs. Andy McNichol of Dearborn Heights announce the marriage of their niece, Marlene E. Pope, to Robert B. Hamilton, Jr., son of Mr. and Mrs. Robert Hamilton, Sr.,

of 48881 West Seven Mile Road, Northville.

The Rev. Robert Beddingfield performed the 2:30 p.m. ceremony Friday, April 17, at the First Baptist Church in South Lyon. A family reception was held at the home of the bridegroom's parents following the wedding.

The couple is residing at Island Lake near Brighton.

Mr. and Mrs. William Bailey, 118 East Cady Street, announce the marriage of their daughter, Racena, to Alan Fitzgerald on February 14 in Monterey, California.

The newlyweds visited the bride's parents in March and now are making their home in Manhattan Beach, California. The bridegroom is employed by TWA in Los Angeles.

Two Area Home Tours Slated

HOME TOURS—Northville's fourth and South Lyon's first—are in the news this week.

Five homes have been announced for the tour sponsored by the Women's Association of Northville Presbyterian Church to be held Thursday, September 24.

A blend of old and new, they include the vintage homes of the E.V. Ellisons and the John R. VanTines, Jr. (Mrs. VanTine's shop, the Owl and the Wheel, is part of the home.) Others are the country homes of the John H. Begles and Dr. and Mrs. Charles B. Smith. The latter home was built by former Amerman principal Richard Kay and his wife and later enlarged by the Frank W. Angles.

An appealing feature of the Begle home will be the family room filled with Mary Begle's dried flowers. In the fall the room is hung with flowers being readied for her flower pictures and arrangements.

Fifth home on the tour is a new Mediterranean contemporary with cathedral windows built by Mr. and Mrs. Frank Bauss.

Mrs. Charles Fountain, tour chairman, who announced the homes to be open, adds that many contain antique collections. Assisting Mrs. Fountain is Mrs. Theodore Heckler and a large committee.

SEVEN HOUSES will be open next Thursday, April 30, from 9 a.m. to 3 p.m. on South Lyon's first home tour. Tickets and maps at \$1.50 will be sold the day of the tour at South Lyon Presbyterian Church, Lake and Wells Streets. Luncheon at \$1.25 will be served at St. Joseph Catholic Church from 11 a.m. until 1 p.m. Proceeds from both are to benefit the expansion program of the South Lyon Friends of the Library.

Collections of amber, milk and cut glass as well as family inheritances of Victorian furniture, paintings and books, are highlights in several homes.

One of the oldest homes on the tour is the handsome red brick Victorian home of the Harry Lykes, which is lavished with gingerbread trim. It and the reproduction New England home of the James N. Erwins are furnished with antiques. The home of Dr. and Mrs. Ross Griswold, built to a featured plan of Better Homes and Gardens, has a fieldstone fireplace of stones collected throughout the United States.

Others are the homes of the Harry Sommers, Jr., showing effective improvement of an older home; Donald Scheels, tri-level; James Tapps, two-story modern; and the David Williams' with curving staircase.

The committee would like to have advance luncheon reservations, especially for groups. They are being taken now by Mrs. William Emery, 437-9621. Tickets are required for everyone taking the tour, regardless of age.

STATE DAR second place essay-contest winner Donna Guard, a seventh grade student at Cooke Junior High, and her mother, Mrs. Robert Guard, will be special guests at the April meeting of Sarah Ann Cochran Chapter, DAR, at 7:30 p.m. Monday at the home of Mrs. David Christensen, 18216 Shadbrook. Other guests will be Mrs. O.F. Reng, Mrs. Marcella Douglas and Mrs. Claude Waterman, who judged the contest locally. Miss Florence Keith was chairman of the local contest in which students wrote on a theme based on the Declaration of Independence. They were judged by grade levels. Donna is to read her essay, "Are All Men Created Equal?" at the meeting. The program also will include slides of Northville. The Reverend Miss Elizabeth Etz is dessert hostess chairman.

(The Robert Guards' other daughter, Debbie, today is one of three winners of the district forensic competition from Northville competing in the regional competition in Ypsilanti. She placed second in declamation in the district.)

A **FASHION SHOW** with 30 models displaying styles for

children, teens, mothers and grandmothers is being sponsored by the Women's Association of Northville Presbyterian Church at 7:30 p.m. Wednesday, May 13, in the fellowship hall.

Title of the show, "S(e)wing into Spring," is a play on words by the clever committee to describe the fact that all outfits are being made by members.

Mrs. George Weiss is narrator. Mrs. H.O. Evans is in charge of music arrangements and Mrs. George Jerome will sing. Mrs. George White and Mrs. Timothy Johnson are show co-chairmen.

Tickets, which include a dessert, now are on sale at the church office 349-0911 at \$1 for adults and 25 cents for children under 13. As seating in fellowship hall is limited, the committee does not plan to sell tickets at the door.

Since the show is an update of traditional Mother's Day events, several fashion sequences with mothers-and-daughters are included.

NEARLY-NEW sale of Northville Mothers' Club is set for May 2 from 9 a.m. to 4 p.m. in the gymnasium of the board of education building on Main street.

Mrs. James Tellam, chairman, reports that in addition to clothes of "really wearable caliber" there will be antiques and other fine objects which the club is taking on consignment to sell. Anyone

DONNA GUARD

in the community wishing to place such items in the sale or with clothes to donate (proceeds go to the schools) is invited to call Mrs. Tellam, 349-2441.

TICKETS are on sale today at Northville's three public elementaries and at Our Lady of Victory and St. Paul's schools for the marionette show, "Pulling Strings," to be given at 1:30 and 3 p.m. this Saturday at Cooke Junior High under sponsorship of the Northville Jayettes. They are 50 cents and will be sold at the door, if still available.

U-M Stipend Goes To Mary Freydl

MRS. MARY FREYDL

Mrs. Mary Freydl, who a month ago was honored at a banquet of Alpha Chapter, Phi Beta Kappa, as she was named to membership in the prestigious society, now is one of six women to receive first awards in the unique scholarship program for adult women returning to college by the University of Michigan Center for Continuing Education of Women.

The wife of Charles M. Freydl, Jr., 221 North Rogers, Mrs. Freydl earned her BA from the University of Michigan in speech education after transferring from Schoolcraft Community College.

In addition to membership in Phi Beta Kappa, Mrs. Freydl has been named to her departmental honorary scholastic society.

The Continuing Education for Women scholarship is for \$1,500 and may be used for part-time study as well as for full-time work. In announcing the new scholarships, the University pointed out that the awards are being made during the 100th anniversary of the first enrollment of women at U of M.

Award recipients have been chosen on the basis of motivation, academic record and promise, goal and commitment. Money for the scholarship fund was donated to the University by individual women donors.

Mrs. Freydl received the award at a program and reception, called "Milestone 1970," last Tuesday at the Rackham building.

In accepting the award Mary Freydl expressed the hope that she could teach at Schoolcraft College after completing her degree work. As the mother of three boys, she felt that having a community college near made it possible for her to begin her college work.

Joanne Cook To Get Degree

Mrs. Joanne Cook, 118 South Ely Drive, will be graduated from Madonna College in commencement ceremonies at 2 p.m. Sunday at the college. An English major, she will receive a BA degree and teacher's certificate.

Mrs. Cook, whose husband, Eugene, is secretary of the Northville Board of Education, began her college education six years ago, completing the four year requirements in six years. She juggled household and scholastic duties to receive her college diploma the same year as daughter Peggy is being graduated from Northville High School.

Other children in the education-oriented family are two sons, Chuck, a sophomore at Northville High, and Tommy, an eighth grader.

NEW OFFICERS — Taking time out from their advisory petition drive, new officers of the Northville-Plymouth League of Women Voters are, left to right, Mrs. Edward Hancock, first vice-president; Mrs. William McAninch, president;

Mrs. Dumont Hixson, secretary; and Mrs. Harold Wright, treasurer. League members circulated petitions during the past week to urge Congress to allow citizens of Washington D.C. representation in the Senate and House.

Voters Gain League Status; Elect Officers at Annual Meet

As its first official action following recognition as a full-fledged league, the Northville-Plymouth chapter of the League of Women Voters adopted a local program and elected officers at its first annual meeting. The action came last week when the group met at the Mayflower Hotel in Plymouth.

"Community Planning in the Northville-Plymouth Area" was adopted by the league as its local study area for 1970-71.

According to league members, the

study will include methods of coordination and cooperation between the units of government in the two areas, with particular attention to land use, zoning, recreational facilities, public protection and other aspects of long-range planning for orderly growth of both communities.

Mel Ravitz, president of the Detroit City Council and chairman of the Southeast Michigan Council of Governments, spoke at the meeting.

Elected to a one-year term as

league president was Mrs. William McAninch of Plymouth, who had been serving in that capacity during the last months of the league's provisional period.

Mrs. Edward Hancock of Northville was elected first vice-president. Serving on the board of directors will be Mrs. Dumont Hixson, secretary; Mrs. Harold Wright, treasurer; and Mrs. Elden Biery, Miss Linda Kate Edgerton, Mrs. George Gougoun, Mrs. Harry Odle and Mrs. John Federspill, directors.

Mrs. William McNamara, Plymouth, was elected second vice-president. Directors from Plymouth are Mrs. William Kleckner, Mrs. Robert Soriso, Mrs. Donald Stacy, Mrs. Paul Cargo and Mrs. Richard Blodgett.

Representatives from local governments attending the league's annual meeting were Martha Milne, Northville city clerk, and Carl Pursell, Northville-Plymouth representative for the Wayne County Board of Commissioners.

Membership in the non-partisan League of Women Voters is open to all women citizens in the area. Additional information may be obtained by calling Mrs. Milton Holstein, 349-4909.

Legion Plans Potluck

A joint pot-luck dinner will be held Saturday at 6:30 p.m. in the American Legion Hall, Post 147. Members are asked to bring a passing dish and your table service.

Mrs. Dorothy Hall, a long-time social service worker, will be the speaker. She has held the post of child case worker for the Child Welfare Committee of the American Legion in Michigan for a number of years.

The child welfare program was launched in 1925 and up until June, 1969 reports show some \$300,000,000 had been spent.

Annual Blood Bank Planned; New Donors Needed in May

The annual community blood bank will be held at the First Presbyterian Church of Northville May 1 to 5, officials announced this week.

John Boychuck, Red Cross director of the Northwest Area and Mrs. Bea Carlson, Red Cross representative, made arrangements for the place and times.

Mrs. C.C. Winter, Northville Blood Bank chairman, will be contacting regular donors by telephone but others who wish to contribute are asked to call her at 349-2361 or 349-1330 for appointment.

"The Red Cross is grateful to the Methodist Church for providing their fellowship hall for the annual blood banks for so many years," Mrs. Carlson said. "Conflicting dates and the knowledge that the old church will be vacated in the not too distant future caused the change, and we are pleased to secure a place so centrally located with plenty of parking space."

There is an urgent need for new

donors, according to Mrs. Winter. "Many of our regular donors who have given generously through the years can no longer give for various reasons. If you do not work in an industry where there is a blood bank, or you are not connected with an organization that has a blood bank, your community bank would, no doubt, be your life saver and we urge you to contribute to the community bank for the protection of yourself and family."

When there is a need Northville city and township residents may call

Mrs. Winter or Mrs. Carlson and blood will be released immediately.

The local bank is a community service. There is no charge for this blood although the person requesting blood is asked to secure donors when the blood mobile unit comes to Northville to replace the amount received.

"Won't you sign up and contribute a life saving gift and help keep a sufficient supply of blood in the community bank to cover any emergency?" asked Mrs. Winter.

Senior Girl Wins Award

Patricia Champine, a senior at Ladywood High School, has been awarded a scholarship under the state scholarship and tuition grants program.

The announcement was made by Representative Marvin R. Stempien.

Patricia was among the more than 38,000 students who took part in

competitive examinations for the awards.

The daughter of Mr. and Mrs. Earl M. Champine, 18137 Jamestown Circle, she plans to attend Detroit College of Business after her graduation from Ladywood.

The State Competitive Scholarship Program was begun in 1964, with more than 40,000 Michigan students granted awards totaling \$36.5 million to assist them in their studies in higher education.

SAFETY WITH A SMILE — Moraine Elementary students honored their bus drivers with corsages Monday during National School Bus Safety Week. Fifth grader Jamie Martin pins a corsage on Mrs. Robert Richardson in appreciation for safely transporting the students to school and home.

Senior Party Theme Picked

A timely theme, "The Age of Aquarius," has been picked for all-night graduation party June 9.

Held in honor of the 215 members of Northville's class of 1970, the party is scheduled from 11 p.m. to 4:30 a.m., closing with a breakfast.

General chairman for the evening will be Mrs. Crispin Hammond, who asks that any men willing to help on the clean up crew contact her at 349-1600.

Committee chairmen are now working to finalize plans for the evening and urge parents to send in their checks as soon as possible. Chairmen have asked that \$5 be donated for each senior planning to attend the all-night party.

Checks should be made payable to the Northville High School Senior Class Party Fund and mailed to Crispin M. Hammond, treasurer, at 47100 Timberlane Road, Northville, 48167.

Camp Donations Top \$276,000

Drive Nears Half-Way Mark

Huron Valley Girl Scouts have received donations of \$276,000 to date for their current \$600,000 Camp Development Fund Drive, George Zerbel, Northville area division chairman, announced after a first local report session last Thursday.

The sum includes donations and pledges of \$909 reported last Thursday from the Northville Scout Parent Division by Mrs. Kenneth Dodds and \$3,030 reported by Zerbel from the Area Division.

"A gift last week of \$150,000 from the Earhart family of Ann Arbor really got the total campaign off to a great start," said Zerbel as he explained the gift has been designated for

construction and equipment of the dining hall and lodge at Camp Linden, largest of the 15 structures included in the \$600,000 goal.

Approximately \$50,000 of the \$276,000 reported is from the Huron Valley Council Board of Directors, board committees and the council staff.

While the Northville Scout Parent Division has almost completed its solicitation of families who have Girl Scouts in local troops, Zerbel said, the area division which includes businesses, industries and some individuals, has just begun.

"I'm quite pleased with the

response of Northville residents and businessmen thus far in this important project," Zerbel added, saying "I think it's an indication of the concern we all have for wanting our young girls to grow up with the right kind of attitudes and values."

The Camp Development Fund Drive of the Huron Valley Girl Scout Council is being carried out in the total area served by the organization—Western Wayne County and Northern Monroe County and all of Washtenaw and Livingston counties. The funds raised will be used to develop Camp Linden, the council's year-round camping facility in northern Livingston County.

BRADLEY W. BEHRMAN

Northville Man Gets U of M Fellowship

A Northville man has been awarded a fellowship for graduate study in Environmental and Water Resources Engineering at the University of Michigan and has won second place in the Cooley Essay Contest.

Bradley W. Behrman, son of Mr. and Mrs. Howard H. Behrman, 18275 Jamestown Circle, was awarded the fellowship carrying a stipend of \$2,500 plus tuition. The announcement was made by Walter J. Weber, Jr., professor of Civil and Water Resources Engineering and chairman of the Water Resources Committee at the University of Michigan.

Behrman, a senior at Michigan, was also named second place winner in the essay contest sponsored by the College of Engineering. His winning essay was entitled "Engineering and Environment."

He received a cash award of \$500. Two years ago he tied for second place in the essay contest.

Majoring in geology and civil engineering, Behrman will graduate from Michigan on May 2.

OES Banquet Set for May 1

A mother-daughter banquet is planned by Orient Chapter No. 77, O.E.S., for 6:30 p.m. Friday, May 1, at the Northville Masonic Temple.

Entertainment is to follow the dinner. Reservations should be made with Mrs. Martha Hawes; 349-3438, by April 29.

The chapter will hold a business meeting at 7:30 p.m. May 15.

Police Arrest Four in Theft

Just four days after the car was involved in an accident and while the owner was recovering in Botsford Hospital, vandals stripped an auto owned by John V. Stepp, Whitmore Lake.

Police placed the time of the theft between April 14 and 9 a.m. April 15.

On April 19 police apprehended four youths who allegedly were involved in stripping the car. Arraigned April 20 before 35th District Court Judge Dunbar Davis on charges of larceny from a motor vehicle were Alan B. Abrams, 19260 Clement; Daniel

Humble, 440 Dubuar; Jeffrey L. Mills, 376 East Main Street; and Randal B. Burnett, 219 Ely Drive South.

All stood mute and have been set for examination on April 30.

According to police reports, five tires and rims, the jack, instrument meters, one rear spoiler, 18 chrome lug nuts, a breather cap and one pair of hockey skates were taken from the car while it was parked in the DPW lot.

John Mach Ford Sales, 550 Seven Mile, reported a wheel and tire were removed from an auto and the trunk lock broken. Value of the missing items is \$65. The theft occurred between April 17 and 20.

An aluminum door and power drill were taken from the Northville Downs, police reported April 16. Value of the items is in excess of \$300.

Seven dollars in bills and a bottle of cologne were taken from 21219 East Chigwidden when the home was broken into April 15, police reports said.

Reports indicated drawers in the home had been rifled, though nothing else was reported missing.

A bowling ball valued at \$25 was removed from a locker at Northville Lanes. Police reported the theft took place April 18 between 11 a.m. and 1:30 p.m.

FIRE CALLS

April 18 - 1:12 p.m., Church and Beal streets, house fire.

April 18 - 5:24 p.m., 46900 Stratford Court, grass fire.

April 18 - 6:55 p.m., West Cady Street Cemetery, grass fire.

COURT NEWS

A Brighton man, Ralph P. Viola, was fined \$128 on a reduced charge of driving while ability impaired. The action came April 14 in Judge Dunbar Davis's 35th District Court.

On April 15, Phillip R. Coats, Livonia, arrested on a bench warrant, was fined \$53 for driving with a revoked operator's license.

James Kilgore, 24-year-old Detroit resident who was arrested last September on charges of breaking and entering a Novi house, was sentenced to from 2 to 2½ years in prison Friday by Oakland County Circuit Court Judge Robert Templin.

Novi police arrested Kilgore, on September 10 following a B&E at the Lawrence Balay residence, 50575 12 Mile Road. He plead guilty to a second charge of entering without breaking.

News Around Northville

Friends of Travel Plans' Ray Hill were mailed post cards from Kotzebue, a spot north of Nome, Alaska, and north of the Arctic Circle near the

Bering Straits, recently. On her Alaskan jaunt Mrs. Hill even was game for a dog sled ride.

Fred Casterline was expected to be released from St. Mary Hospital Wednesday after an 18-day stay following complications in an appendectomy.

Northville Senior Citizens will meet at 6 p.m. Tuesday in the fellowship hall of Northville Presbyterian Church for a cooperative dinner and social hour.

At Recognition Night Center Honors Volunteers

Wayne County Child Development Center honored 37 individual volunteers and 15 community organizations for outstanding volunteer service at its Second Volunteer Recognition Night program, last week.

Many of the individual volunteers are students from the University of Michigan, Eastern Michigan University, University of Detroit, and Wayne State University. Among the community organizations, which were recognized for service are 12 churches from Northville, Plymouth, Livonia, Westland, and Detroit, the Plymouth Jaycee Auxiliary, and the two Kiwanis Clubs of Plymouth.

Dr. Thomas R. Traynor, president of the Center's administrative board, presented certificates to the volunteers and representatives of the various organizations. The medical superintendent, Dr. Pasquale Buonicontino, praised all of the volunteers for their valuable contributions of time and talent to the Center's 350 mentally handicapped children.

Guest speaker for the evening was Mrs. Stanton Schaefer of Northville, a

volunteer worker in the "Operation Understanding" program in Detroit's inner-city.

Major goal of the Center's Volunteer Services effort is to develop programs whereby every child will benefit from the companionship, content, and communication of the volunteer and his service. Volunteers, seventeen years of age and older, serve in a variety of ways, which includes art

and crafts, church-related programs, cottage social activities, field trips, recreational activities, and remedial school work. Every effort is made to place the volunteer in an assignment suited to his abilities and interest.

The Volunteer Services program at the Center has experienced an exciting growth in recent years, according to Fred G. Lapham, volunteer services coordinator.

Seniors Plan 'Day in May'

Concerned with the threat of pollution, a group of Northville seniors have launched an environmental clean up campaign.

Calling the project a "Day in May", the campaign is set for Saturday, May 9.

"We want to do something to stress the problem of pollution," Chairman Sue Deisley said. "We hope to demonstrate our concern about the pollution threat and make the general public think about it."

The "Day in May" in Northville will include cleaning up streets, tree boxes, Northville Road area and Ford Field, Sue said.

The local activities are part of a statewide program organized by State Representative David M. Serotkin of Mount Clemens.

More than 160 Michigan communities will be participating. Persons or organizations interested in helping with the project in Northville should contact Sue at 349-4059 or committee members Linda Wilson, 349-1733; or Deniece Bidwell, 349-0534.

Sewer Extension Plan Near; Disposal Plant Underway

With construction of sewer lines and a sewage disposal plant in the Walled Lake area "moving along entirely satisfactorily," Oakland County's department of public works is concentrating its efforts on the project to extend the sewer interceptor from southern Novi to just north of the I-96 expressway.

"We hope to have our plans (for the interceptor extension) completed within two or three weeks for presentation to the Novi City Council," Oakland DPW Director R. J. Alexander said Monday.

Preliminary plans are already being reviewed by the Michigan Water Resources Commission, Alexander said.

Only delay in presentation of the plan to the city has been the matter of establishing cost, he explained, since extension will require the acquisition of rights of way.

"We should have an idea of what it's going to cost within two weeks," he said.

Under current plans, the existing sewer interceptor which now runs from Wayne County north to the 10 Mile Road area will be extended to just north of I-96 primarily to alleviate a

pollution problem in the Grand River—Novi Road area for which the state has cited Novi.

The plan, he explained, does not involve the acquisition of additional sewer capacity beyond the 4 cubic feet per second capacity already owned by Novi. By utilizing holding tanks which can be regulated to release a steady flow of sewage over a 24-hour period rather than overloading the sewer line during peak periods, the county is confident the existing capacity will be sufficient.

Earlier, efforts to acquire additional sewage capacity from Wayne County and the Wayne County communities using the system reached an impasse so Oakland County decided to study the "holding tank" solution instead. Had Oakland County been able to acquire the additional capacity, it would have considered the extension of the interceptor to the Walled Lake area, thus eliminating the need for the sewage disposal tank now under construction on a 12-acre site east of West Road.

The fact that the Water Resources Commission has been pressuring Novi to immediately correct the Grand River area pollution problem also prompted Oakland to seek an alternative to pursuing the on-again, off-again acquisition of additional sewage capacity.

Construction of the sewer lines and the disposal plant in northern Novi is to serve the Walled Lake area only. This project is expected to be completed by February or March of 1971.

DISPOSAL PLANT — Construction of the sewage disposal plant, which will serve the city of Walled Lake that homes in the Novi area of Walled Lake, is underway on a large site off West Road.

Wixom Chief Resigns Post

Wixom Police Chief Tom McGuire, center of controversy almost from the outset of his taking the post, has resigned effective immediately, Mayor Gilbert Willis revealed Monday.

Although Willis had been critical of actions of the chief and had recommended an investigation of the police department prior to taking office, McGuire's resignation was voluntary, the mayor said, and he had not been given an ultimatum of either resigning or being fired.

Applications for a successor will be taken immediately, said the newly elected mayor. Applicants may come from within or outside the Wixom police department, he said.

McGuire, who succeeded D'Arcy Young, had told this newspaper earlier he would not resign voluntarily but would resign if requested by Willis.

An Invitation

On April 13, 1970 a letter of invitation was mailed to senior citizens in Wixom concerning the Michigan Week Heritage Day Program. Due to the rush in preparing this mailing, some senior citizens did not receive this letter.

If you did not receive a letter please contact Mr. E. Grubb at the Wixom Post Office, Phone MA-4-3023. Heritage Day is set for May 19, 1970.

He could not be reached for comment following Willis' announcement.

McGuire joined the force in August. His critics complained of a number of things, the most controversial of which was a 100-MPH test run McGuire ordered last October during school hours. While McGuire issued an apology and an explanation, the dispute laid the foundation for conflicts within the department.

To Write Wixom Column

Mrs. Byrd Joins Staff

A weekly column about Wixom, its clubs and organizations and its citizens will debut in The Novi News next Thursday under the byline of Mrs. Raymond J. Byrd, 1865 Charms Road.

Resident of Wixom for the past 29 years, Mrs. Byrd is the mother of four children — three grown sons and a junior high school age daughter. They are David, who is married and lives in nearby Milford, Gerald and James, and 14-year-old Peggy, who lives at home.

Mrs. Byrd's husband is a process engineer for the Ford Motor Company.

A native of Salem Township where her 95-year-old father, Frank Bowers, still resides, Mrs. Byrd is a graduate of Northville High School. She is the daughter-in-law of Mrs. Jesse Byrd, city clerk of Wixom under the community's

first mayor, the late Joseph Stadnik. The Wixom columnist labels gardening and league bowling as her favorite hobbies.

In announcing her appointment, Jack Hoffman, assistant to the publisher, said Mrs. Byrd will write primarily about the activities of Wixom clubs and organizations and Wixom schools. She also will include important social news in her column, he said.

A Novi News reporter will continue to cover city council meetings and other municipal activities.

Citizens with announcements of engagements, weddings and births are asked to supply this information either to Mrs. Byrd or to the Novi News so that they can appear on the women's pages. Similarly, news of deaths of Wixom residents will appear in the

newspaper's obituary column. Information on these kinds of stories may be given to Mrs. Byrd, who has standard engagement-wedding forms available, or directly to the newspaper office, 101 North Center Street, Northville.

While the Novi News publishes engagements and weddings stories together with pictures without charge, Woman's Editor Mrs. Jean Day emphasizes that only black and white photographs are acceptable. Wedding information and pictures should be submitted before or not later than two weeks after the wedding.

Mrs. Byrd can be reached at 624-1714 and The Novi News at 349-1700. Deadline for news telephoned or mailed to Mrs. Byrd is Monday.

Council Boosts Rates For Novi Sewer Usage

A Novi sewer rate increase of 10-cents — raising the rate from 15.6 cents to 25.6 cents per 1,000 gallons — has been approved by the city council but the effective date of the new rate has not yet been established.

Decision on when to put the new rate into effect was tabled Monday

night pending a review of the billing periods and a study of the unmetered rate schedule.

The council voted 5-1 to raise the sewer rate to city users, with Councilman Edwin Presnell casting the lone dissenting vote. Presnell had wanted to postpone a decision pending further study, particularly about the unmetered rate, but a motion to postpone died in a 3-3 vote.

Action to raise the sewer rates was prompted by the fact that the sewer system has been "operating at a substantial loss." The loss results, it was explained; because part of the water purchased is not sold, and because the existing rates are too low to absorb any depreciation.

It was noted that sewage cost billed the city by the county increased 46-percent on January 1.

Sewer cost billed the city is based upon the amount of water purchased. Thus, when water is lost through leakage or when unmetered water is used locally, the city does not recover such losses even though it is charged for all of the water sent into the city by the county.

Presnell's concern over the unmetered rate is that if this rate is too low it may encourage homeowners to sink their own wells.

In other action, the council, upon the recommendation of board, approved zoning to permit use of a home at the southwest corner of Nine

Mile and Haggerty roads as clubhouse by the Furniture Club of Detroit. The club is an organization of businessmen involved in the furniture trade in the

Hearing Set On Kuhn Bill

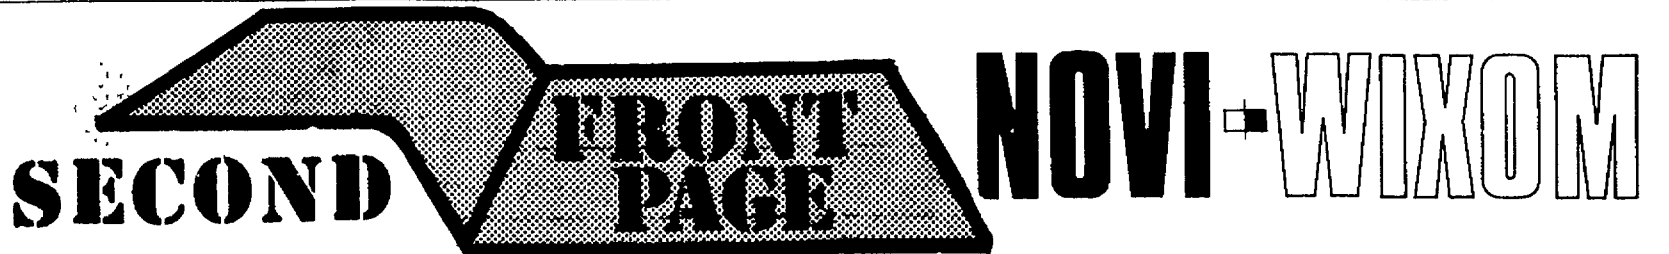

Public hearing on a bill introduced by Senator George W. Kuhn as a result of a pollution controversy in Wixom will be held next Wednesday (April 29) at the State Capitol.

The hearing will get underway at 4 p.m.

The bill (Senate Bill No. 1150) would require prior approval from the State Health Department and the Department of Natural Resources before a storm sewer emptying into a lake could be constructed.

Any person or homeowner's association is welcome to testify before the Senate Agriculture Committee on the bill and may do so by contacting Kuhn's office in Lansing.

Meanwhile, a pre-trial hearing on a complaint of citizens of the Loon Lake area was to be held this week — although Attorney Gene Schnelz indicated that the hearing might be delayed pending a review of the entire pollution by Wixom's new mayor and its newly elected councilmen.

Police Negotiations Break Down

Requested state mediation of Novi police demands was temporarily postponed Saturday following a break-down in negotiations earlier in the week.

The policemen's bargaining team, which had requested state mediation, agreed to postpone such mediation pending receipt of a counter offer from the city, according to Police Association President Gordon Nelson.

"We don't want state involvement any more than does the city," said Nelson. "But the city wasn't bargaining in good faith and we didn't see any other way out."

However, meeting informally with city councilmen Saturday the policemen agreed to postpone involvement of state mediation for two weeks, he explained, to give the city an opportunity to come up with an acceptable counter offer.

Nelson said his association was upset over the way negotiations were going because the city's negotiator, Dallas Zonkers, had indicated he had no authority to make any concessions.

Concerning rumors that the police department might be hit with "blue flu", Nelson said there is no likelihood of this happening, although he emphasized that policemen are "really discouraged" with the way negotiations have gone.

Monday night, the city council named Councilmen Donald Young, Jr. and Raymond Evans to join Zonkers at the negotiation table.

According to Nelson, "the only thing the city has offered is a \$300 increase across the board along with a retirement package."

The association's initial salary demand for top pay of \$13,200 for patrolmen after four years had been cut to \$12,500, Nelson said. Presently, the top pay is \$9,000.

Other demands of the association, which is represented by Attorney Harvey Wax, include:

- Raising of the starting salary from \$7,500 to \$10,000.
- Three weeks vacation after five years (presently, policemen receive two weeks).
- Cost of living (new).
- Longevity bonus (new).
- Increasing of clothing allowance of patrolmen from \$125 to \$250 per month; and increasing non-uniformed officers' clothing allowance from \$150 to \$300.
- 15 additional patrolmen and one police woman.
- Time and a half for any holidays worked. (City has agreed to this demand).

Jaycee Sunday

April 12th was observed as Jaycee Sunday at Epiphany Church-LCA.

Members of local Jaycee chapters and their families worshipped with the congregation. John Miller, president of the Plymouth Jaycees and member of the congregation's governing board, read the scripture lessons for the day. Carl Zeese, also of the Plymouth unit, spoke on a part of the Jaycee creed, "Service to humanity is our best work."

William Broadus and John Buckland, members of the Northville Jaycees, are members of the local congregation and were in attendance at this special observance.

The Reverend Frederick Prezioso, pastor at Epiphany, said the observance "...is one way we are trying to bridge the gap between church and community. ... both a vehicle for recognizing the fine work done by our Jaycee units, and for underscoring the church's concern for the welfare of the larger community."

Epiphany is located at 41390 Five Mile Road in Northville Township.

for rezoning by Sheldon Gordon to permit development of a mobile homes park on some 60 acres of land on the west side of West Road, north of the new sewage treatment plant now under construction.

The matter was tabled to give the applicant an opportunity to study a suggested plan of Councilmen Denis Berry and Presnell that suggests a 300-foot wide green belt on the southern edge of the property and a narrow belt of multiple housing along the West Road frontage of the property

and along the northern edge of the property.

The councilmen's plan is aimed at providing a buffer between the proposed mobile homes park and adjacent properties.

In commenting on the plan upon first inspection Monday, Gordon expressed concern that the long narrow area suggested for multiple housing appeared to be insufficient by large to provide a good multiples development and that it left too little land for a good mobile home development.

Gordon has plans for a mobile homes development for 360 units on the property, similar to his mobile homes park in Canton Township, which councilmen have visited and found to be attractive and efficiently operated.

Students' Walk Turns to Litter

What started out as an observance of National Library Week ended as a prelude to Earth Day.

Twenty-eight Amerman second graders in Mrs. Sue Karschnick's class took a trip to Northville's Public Library, April 15, and on the way back collected two grocery bags of litter.

"The children were amazed at what they found," Mrs. Karschnick said. "They collected everything from a returnable pop bottle to an old telephone book."

More aware of the litter and pollution problem, the students were busy writing letters, making posters and writing skits in observance of Earth Day yesterday.

SPEAKING

for The Record

BY BILL SLIGER

Officials in both the city and township of Northville, as well as the cities of Novi and Wixom, should pause to consider a recent Huron township happening that has resulted in manslaughter charges against a part-time police officer.

The charge was brought by Wayne County Prosecutor William L. Cahalan. He reported at a press conference that his investigation revealed that two Huron township officers allegedly saw a youth inside a gas station prying open a vending machine. The officers approached the station and the accused officer yelled to the youth to "hold it". The prosecutor reported that when the youth turned the officer fired his 16-gauge shotgun inflicting a mortal wound.

The dead 17-year-old was holding a screwdriver.

At his press conference the prosecutor said the case illustrates the problems of small communities which claim they cannot afford full-time policemen. The accused officer is regularly employed as a truck driver and has worked part-time as a township policeman since 1968.

The prosecutor suggested that small communities should pool funds to form "metropolitan" police forces to serve several areas with full-time, adequately trained officers.

"We, as a society, give awesome responsibility and power to police officers. It is time that we, as a society, recognize that a police officer should be a fully trained professional and adequately compensated", Cahalan said.

Carl Parsell, president of the Police Officers Association of Michigan, also expressed concern and blasted Michigan lawmakers for failing to pass a mandatory training bill.

"It is a sad indictment of our system to know that a barber has to have 2,000 training hours before people will allow him to cut their hair and his only tools are clippers and scissors."

"Yet, lawmakers, prosecutors and public officials allow a person to go into a community acting as a police officer armed with a gun without one minute of training".

The unfortunate incident holds special meaning in Northville for two reasons.

First, the city employs the use of a number of auxiliary (or reserve) officers particularly during harness racing meets. And it has been noted by some qualified observers that raw recruits have become instant officers, complete with handguns.

Meanwhile, in Northville township at least one elected official has expressed serious concern over the fact that a new township reserve force is armed.

The township chief has always had a hand gun, as well as a shotgun in the patrol car. In addition, two of the five new reserve officers have their own handguns and the township has purchased another handgun for use by a reserve on duty.

The township board has also decided that its one-man fulltime force and five reserves should have the authority to enforce all state statutes, not just local ordinances and traffic codes.

Thus new responsibilities involving more serious criminal acts fall upon the shoulders of the new force.

In the final analysis, the political leaders of our communities are responsible for the safety and welfare of the citizenry. This responsibility applies to the individual officer, as well as the citizen. It therefore behooves elected officials to make certain that armed police officers are carefully selected, competent and well trained.

In defense of Township Police Chief Ron Nisun, it should be pointed out that he has, and is, conducting professional training courses for his new reserve officers.

To date they have had 40 hours of training through the resources of the state police and Novi Police Chief Lee BeGole, who is president of the Metropolitan Police Academy of Michigan and a recognized expert in training.

Nisun points out that he needs help and that his reserves are used for special assignment only. This might include enforcement of the littering ordinance, or it could involve an emergency.

But the point is that these men—the reserves on both the city and township forces—are not professional in their part-time service.

They are willing volunteers. And frequently their service finds them alone, and armed. Our community officials owe it to these volunteers—as well as the citizens they seek to protect—to make every effort to avoid a "Huron township incident" in this area.

If we are not willing to take the time and spend the money to properly train our police officers, we would be better advised to rely on a smaller, more professional force.

A life lost, another ravaged by the thought of taking a life are high prices to pay for the sake of a false security represented by uniformed guntoters.

YES...

Mobile home PARKS do, and always have, paid their "fair share" of taxes. The park itself is assessed just like any other improved real estate and pays local millage on the assessed value. It should be noted here that the park developer installs and maintains roads, curbs, sidewalks, sewer systems, water systems, street lighting and other items that are normally a community expense. In addition, the park owner is assessed on these improvements and pays real estate tax on them. Of course, the mobile home owner, indirectly through his rent, pays all these costs.

We often hear "mobile homes only pay \$36 per year." This is really only one of THREE taxes these people pay. In addition to extra taxes paid through their rent, these owners pay 4% sales tax on the full value of their home (real estate is on materials only, and only when the home is built). With a sales turn-over of three years (latest national studies indicate 30 to 36 months) a person with a \$4,000 unit is effectively paying a little over \$53 per year. This makes a total tax of \$89 per year compared to \$72 if the unit were taxed as real or personal property. People living in \$4,000 homes should not pay the same taxes as someone living in a \$20,000 home.

A mobile home park is a self-contained community. Parks usually require few services from the local government. The ones they do require, for example, if connected to public sewer and water, are paid for at the same rates and in the same way as anyone else pays.

Normally, the biggest objection heard concerns school children and costs. The Macomb County Planning Commission recently studied this situation with regard to every park in the county. This included one of the best parks

in the state as well as some rather poor ones. The commission concluded that mobile home owners contribute MORE tax dollars per school child in parks than did single family residences. Certainly, there were less dollars per household, but they found only one school child for each FOUR mobile homes with one and one-fourth school children in all households — FIVE TIMES THE MOBILE HOME RATIO.

NO...

We have just completed a study of mobile home parks and mobile home subdivisions in Livingston County. The consultants like everyone else seems to lay stress on the number of school age children in a mobile home park and the amount of money collected per park pro-rated back to determine the total tax per child.

To me this is not the all important issue. The important fact is that under the present system of taxing trailers in licensed parks, they simply do not carry their full share of the tax burden. A mobile home costing \$8,000.00 should have a state-equalized value of one-half that amount and be so taxed.

If mobile homes were on the tax rolls like any other piece of real estate there would be less reluctance to accept them into the community. A bill now in the State Legislature seeks to iron out this inequity.

Citizens Oppose Levitt Rezoning

To the Editor:

The Levitt gang is coming back to wage another assault on Northville Township. They want to appeal their neatly-won zoning to eliminate the few single-family units in favor of all multiples.

Isn't that interesting. Last year, we were told by this same Levitt gang that their proposed housing development was, in their words, "An exciting new use of land for residential development." Levitt's plan grossly inflates multiple units from 1,040 specified as maximum in the master plan to more than 2,000. Now they want more.

Levitt brought reams of charts showing how schooling, shopping and vehicle densities would, in their opinion, fit in the Northville community. Now they want all multiple dwelling zoning because they tell us they can't sell single family dwellings.

That's tough. Levitt is selling single dwellings in Troy. And at handsome profits, too.

Levitt's only concern is profit. They want to come to Northville, sell us a bill of goods about how great their development will be, skim off the cream of profits and leave the school problems to us.

We should all review our school superintendent's projections for the next five years. Mr. Spear has detailed how many students we will get from King's Mill, Thompson Brown and other developments, many as yet unbuilt. I believe Ray Spear long before I believe Levitt.

This Levitt proposal is too much. I think it's high time to tell our Northville Township planning commission exactly how we feel about this impending overcrowding of Northville. The Township will hold a

public hearing on Tuesday, April 28 at 8 p.m.

I think what bothers me most is that this super-accelerated growth is always held up as some sort of "progress".

Rubbish. It is also the right of a community NOT to overstuff itself with people, if it desires. And I think

that most of the people in Northville Township don't want this preposterous overcrowding.

I'm going to be at that meeting. Levitt's development has grossly inflated the number of multiples in our Township. Let's put an end to this nonsense.

Sincerely,
Richard A. Wolf

... More of Same

To the Editor:

On April 28, the Northville Township Planning Commission will hold a public hearing concerning a proposal by the Levitt and Sons group to rezone all of the land now designated single dwelling residential in

their project to replace it with a multiple residential zoning. If this should possibly occur, their entire project in Northville Township would be of multiple housing. We are hopeful that those who are now aroused by the trends of development in Northville Township will attend this meeting to suitably express themselves.

We are opposed to this rezoning as our concern is the super-saturation of multiple housing developments taking place in our township and also the areas adjoining. Our viewpoint is drawn from the rather startling revelation that:

Northville Township has now rezoned or approved for multiple developments nearly FIVE times the number of multiple dwelling units contained in familiar King's Mill.

The following are only a few of the abundant reasons why this proposition should be summarily denied:

1. There is no substantial reason why the land cannot be developed into single dwelling residential.

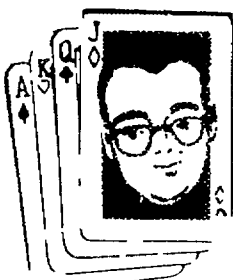

2. It is a spot zoning request. We have been led to believe that the original development was an example of Planned Unit Development and the approval of the original request was on that basis. Therefore, if the plan is to be revised, it would appear that the whole zoning question here should be subject to re-assessment.

3. There will be an increase in school population. Despite the pronouncements, statistics, and professed expertise to the contrary, we view that this is a forthcoming problem. It appears that the developer feels this same threat since three and four bedroom townhouses are to be included in the development.

4. The credibility of the Master Plan is at stake. Finally, and possibly most importantly, the proposition is in conflict with the Northville Township Master Plan. If this carefully drawn plan is capriciously modified, it could be rendered ineffectual.

Attendance at the Public Hearing should be sufficient to reflect the interest of and to sample the mood of the people.

James L. Nowka

Top of the Deck

by JACK W. HOFFMAN

My ears were still tingling from the kind words of others when my fishing companion from South Lyon, Frank Kochalko, rang me up.

Like the others, he was madder than a steelhead fighting at the end of a 12-pound test line. "You big oaf, you," he barked, "what's the idea of writing that bunk about polluting fishermen?"

Frank was referring, of course, to a few paragraphs I had written last week about sports and commercial fishermen. Boiled down, I had suggested that the fisherman, quite naturally angered by the poisoning of our lakes and streams by industry, is himself a major polluter and that he should practice a little of what he preaches.

The first caller, a Novi housewife who occasionally slaps lakes and streams with flylines, noted that this newspaper isn't even a good garbage wrapper. "I've tried you on slop and you're even a drip there," she said.

Another angler indignantly invited me on an inspection tour, maintaining that the garbage along streams and lakes are the work of campers and hikers and

picnickers, not fishermen.

But the call my wife liked best was from the guy who suggested I stick my head in Wyandotte Chemical's sewer outlet.

Sweet plaudits such as these are easily digested. Why, even the remarks of Spiro and the telephone calls from Mrs. Mitchell don't worry most hardboiled newspapermen. But it's a little tough to grapple with the bouquets of a friend. From such you expect a little respect if not kindness. Not so in Frank's case.

He invited me over for a mercury highball.

Then he asked, "Doesn't it bother you that they're pouring raw poison into our lakes? Do you know what you're doing? I'll tell you what you're doing. You're taking the heat off industry when you should be in there screaming with the rest of us."

"Sure it bothers me — but the fisherman who tosses his beer can into the lake bothers me, too," I answered.

"Come off it. We're not talking about little things like tincans. We're talking about

hundreds of pounds of poison. I've never heard of a lake being closed because of tincans."

"No," I admitted, "I haven't heard of one either. But that's not a bad idea. Maybe if the government closed a few of the lakes we've filled with beer cans and garbage we'd be a little more careful."

Then our conversation degenerated to one of those children's games called, "Your Pound of Mercury is Worse Than My Ton of Beer Cans."

That's when he suggested I visit the neighborhood brain repairer and hung up.

"You and Frank going fishing?" asked my wife.

"Nope," I said, explaining that Frank had joined the ranks of my other well-wishers.

"Well, I don't blame him," she said. "You're wrong again. (Sometimes, I think Jackie Gleason has the right idea: 'Pow! Right to the moon.') You deserve those calls."

"Oh, is that so. And when did you get your doctorate in chemistry?" I asked.

"The same time you got your's in pollution," she snapped.

Urges Protest Of Abortion

To the Editor:

It has been said, "Some people do not regard abortion as killing and everyone has a right to his own opinion and to make his own decision. Yes, each of us should have this right. However, in matters which decide the life or death of certain human beings, one should be very careful in forming his opinion and making his decisions; and no one deserves the right to decide to take another's life."

We all know what it is to be alive since our Mothers did not murder us while we were under their protection. There can be no life at three months and one day in the womb if there is no life begun at the conception and continued during the first three months. There can be no life after approximately nine months in the womb, when the baby leaves the Mother's body, if there is no life begun at the conception and continued during the first three months.

Someone has said that since the Earth is becoming overcrowded, population must be decreased, with abortion being considered as one means of doing this. I cannot believe that Science and Technology are not able to devise a way to use all the vast, presently unusable lands on our Earth in order to feed an increasing population or that they (with the cooperation of unselfish citizens) cannot find a way to eliminate the present causes of pollution. Let us choose life for ALL rather than needless luxury for some. If they cannot and someday a child must die so that I can live, I would prefer that I be the one who is killed.

To those many who agree that abortion is murder — an unspeakable crime against humanity, I beg you, let your voices be heard. Senator Kuhn has asked for your opinion in his questionnaire. Please, let him and others know how you feel.

Sincerely,
 Frances Caughey

JOHNNY WETS HIS BED...JOHNNY WETS HIS BED...JOHNNY WETS HIS BED...JOHNNY

When children discover a playmate wets the bed—the result can be merciless teasing. And serious psychological problems.

Even the entire family can be affected. The cost and work of taking care of a bed-wetting child can cause friction and irritability among parents. Walter C. Alvarez, M.D., Prof. Emeritus, Mayo Clinic, says: "Bedwetting... is hard on the unhappy child and on the mother... even if his parents do not scold him, he cannot help feeling that he is a terrible nuisance and a disgrace to the family."

But now bedwetting, when not caused by organic defect or disease, can be ended. Safely. Permanently. Pacific International has ended bedwetting for tens of thousands of children and adults from ages 4 to 57 in the past two decades. Available are a limited number of valuable 16-page brochures. Official Minutes of The Northville City Council

NORTHVILLE CITY
COUNCIL MINUTES
April 6, 1970

The regular meeting of the Northville City Council was called to order by Mayor Allen at 8 p.m. on Monday, April 6, 1970, at the Northville City Hall.

Present: Allen, Nichols, Rathert, Lapham (late), Folino (late).

Absent: None
Also present - about 50 interested residents.

Minutes of the last regular meeting of March 16, 1970 were approved as submitted.

Moved by Rathert, supported by Nichols, to approve bills in the following amounts:

General Fund \$19,558.51	
Street Fund	3,218.26
Public Improvement Fund	51,198.99
Debt Service Acct. Fund	2,181.50
Water Fund	13,785.93

(Allen, Nichols and Rathert)
(Councilmen Lapham and Folino entered meeting at 8:10 p.m.)

COMMUNICATIONS:

City Mgr. announced a meeting on Thursday, April 30, 1970, 11:00 a.m. at the City Hall, concerning the Northville-Novd Drain matter, at which time officials of the State Dept. of Agriculture will be present.

City Mgr. summarized the letter from State Rep. Clifford Smart, concerning City Mgr.'s letter regarding the "Spencer-Ryan" proposal in the legislature. City Mgr. also reported a verbal reply from State Senator George Kuhn on this matter.

Clerk read the request from the Plymouth Lions' Club to conduct a White Cane Sale on downtown business streets of Northville on Saturday, April 25, 1970, 8:00 a.m. until 6:00 p.m.

Moved by Folino, supported by Rathert, to approve White Cane Sale on downtown business streets of Northville on Saturday, April 25, 1970, 8:00 a.m. to 6:00 p.m.

PUBLIC HEARING - 1970 PROGRAM FOR SIDEWALKS:

City Mgr. reviewed the background on the 1970 Sidewalk Program. He then read letters from 5 property owners and the Northville School Board protesting installation of sidewalks.

Comments from approximately 30 property owners ranged from: sidewalks not needed because of few walkers; drainage problems if sidewalks installed; proposed 5-yr. payment not long enough; financial problem for some; did not favor 100% assessment; some places children would not use proposed sidewalks; sidewalk would create need for retainer wall or affect present driveways; one area is across from Twp. property where there is no sidewalk. Mr. Spear, School Supt., agreed that improvement is needed at the southwest corner of school property (Main St. Elementary) and submitted a letter to the Clerk to explain the School's reasons for not wanting the sidewalks.

It was suggested that Council look at proposed sidewalks.

Moved by Folino, supported by Rathert to adjourn the Public Hearing on 1970 Sidewalk Program to May 4th Council Meeting, 8:00 p.m. at the Northville City Hall.

Mayor recessed the Meeting at 9:45 p.m. and reconvened at 10:00 p.m.

KROGER CO. APPLICATION FOR NEW SDM LICENSE:

Application was reviewed and Clerk reported that Chief of Police had approved same.

Moved by Lapham, supported by Rathert, to recommend approval of application for new SDM License at 133 E. Dunlap for Kroger Co.

APPLICATION FOR TRANSFER OF SDD-SDM LICENSE OWNERSHIP

Clerk read the application for transfer of ownership of SDD-SDM license at 567 Seven Mile and reported Chief of Police had approved same.

Moved the Folino, support by Lapham, to recommend approval of transfer of SDD-SDM license ownership at 567 Seven Mile Rd., from Charles Altman to James M. Roth and David Harris.

REFUND FROM WAYNE COUNTY MIDDLE ROUGE PKWY. DRAIN:

City Mgr. explained the agreement between Wayne County Drain Commission

and the City of Northville (sent by Wayne County Drain Commission) to allow the City of Northville a \$4492.81 refund.

Moved by Folino, support by Lapham, to approve agreement and instruct Mayor and Clerk to execute the agreement between the City of Northville and Middle Rouge Parkway Interceptor Drainage District, County of Wayne, with respect to a refund in the amount of \$4492.81 of pro-rata surplus Bond and Interest and Construction Funds on the Middle Rouge Parkway Interceptor Drain.

CITY ATTY.'S REPORT ON POST OFFICE GREEN BELT:

City Mgr. reported that City Atty. is ill and that this report will be made at the next regular meeting.

Mr. Ed. Welch, 222 S. Wing, owner and resident of the property adjacent to the P.O. was present to discuss this matter. There was considerable discussion concerning the zoning of Post Office property and the type of hedge recommended by Greenridge Nursery in their proposed plan.

This discussion will be continued on April 20th.

ATTY.'S REPORT ON CARPENTER ST. IMPROVEMENT:

This report will be made at the April 20th meeting.

CITY MGR.'S REPORT ON MAIN & ROGERS' INTERSECTION:

City Mgr. reported no accidents since 4-way stop was installed; speed checks show no change. Councilman Folino suggested periodic checks and reports. Mr. Joe Petrock, W. Main St., supported Mr. Folino's request. ALLEN DRIVE - NOVI RD. CONTRACT: This held over until April 20th meeting.

REVIEW GRISWOLD ST. PLANS:

City Mgr. reviewed that plans (of 8 years ago) and no major changes have been made but there are several decisions to be made - considered. It was decided to have a work session concerning this on Thursday, April 9, 1970, 8:00 p.m. at the City Hall (also Beal St. widening).

REVIEW FISH HATCHERY PLANS:

City Mgr. reviewed the plans for the Fish Hatchery improvement; he reported that

Northville Twp., at this time, has not indicated joining the City in sharing cost of improvement. Mr. Ollendorff mentioned the following in his review:

Facilities for Scout camping and family camping; pond on northeast end to be "cleaned" - floating dock installed - fishing and boating for youngsters, 2 baseball diamonds (1 soft ball and 1 hard ball), football and soccer; parking lot for 80 cars; 5 lighted tennis courts (this to be used for skating area in winter); miniature golf course. This will mean a maximum expenditure of about \$90,000 over the next 2 to 3 years. City Mgr. asked Council to study proposed plan of terms of agreement with Northville Twp. in regard to the improvement of this property.

(Council asked for copy of plan and drilling test report)

HOUSING COMMISSION ORDINANCE:

This held over until April 20th meeting. Moved by Rathert, support by Folino, to hold a Special Meeting of Council on Monday, April 13, 1970, 8:00 p.m. at the Northville City Hall to discuss:

1. Fish Hatchery Improvement Plan
2. Cady St. Parking Garage Plans
3. Carpenter St. Improvement

U.C.

TAXI CAB DRIVERS' AGE ORDINANCE AMENDMENT:

City Mgr. read the report from Sam Elkins, Chief of Police, regarding the request from Star Cab Co. to lower the age limit of cab driver within the City of Northville. He listed four reasons why the Northville Police Dept. did not feel that the age limit for Cab Drivers should be lowered from 21 to 18 yrs.

City Mgr. reported on termination of Northville Coach Line - Senator Kuhn called a meeting of representatives of affected communities and institutions and has talked with Public Service Commission.

MISCELLANEOUS:

Councilman Folino asked that a letter be sent to Thompson Brown regarding cleaning streets in Lexington Commons of mud and refuse. Mayor Allen stated this was an administrative matter to be discussed with City Mgr. rather than Council.

There being no further business, the meeting was adjourned at 12:10 a.m.

NORTHVILLE CITY
COUNCIL MINUTES
(Special Meeting)
April 13, 1970

Present: Lapham, Nichols and Rathert
Absent: Allen (excused), Folino
Also present: Del Black, Attorney Ogilvie, Wm. Sliger

Mayor Pro-tem Nichols called the meeting to order at 8:15 p.m. at the Northville City Hall.

City Mgr. distributed plans for improvement of Fish Hatchery and reviewed same. He explained that this more closely resembles a neighborhood park than a large community park.

Councilman Nichols commented that one or two local groups had volunteered their help for this project; City Mgr. replied these groups would be used later on, but that present there isn't much they could do.

Moved by Rathert, support by Lapham, to approve the plans for improving Fish Hatchery property, as presented at this Special Meeting.

U.C.

City Mgr. reported that Senator Kuhn had called earlier in the day and reported that an experienced company is negotiating and hopes to have an agreement completed on Wednesday of this week. City Mgr. also talked to the Attorney working on this case and gave him facts that had been made known concerning the need for bus service - parochial schools and Northville State hospital particularly.

APPROVAL OF GRISWOLD STREET PLANS:

City Mgr. stated that preliminary plans for Griswold St. extension had already been presented (sketch in no up-to-date) and explained necessary steps to proceed with this project.

Moved by Rathert, support by Lapham, to approve plan to extend Griswold St. from Main St. to Beal St., increasing the radii at intersection of Griswold and Beal Sts.

U.C.

BEAL ST. ENGINEERING CONTRACT:

City Mgr. stated that total amount for design engineering is \$4068.00, exclusive of survey work and inspection. Rates for this are quoted in agreement.

Moved by Lapham, support by Rathert, to approve engineering agreement for improvement of Beal St. between Harold W. Penn and the City of Northville, reserving the right to terminate project upon completion of preliminary plans by paying 45% of contract. (This to be added to present agreement)

U.C.

BUSINESS PARKING SPECIAL ASSESSMENT:

City Mgr. stated that next step in the Special Assessment procedure for building the deck parking on E. Cady St. is the same as for street improvement assessments. Property owners within 500 feet of the project have been listed. The basis of assessing has been listed in the City Mgr.'s report for this assessment.

Moved by Lapham, support by Rathert, to accept City Mgr.'s Report for Special Assessment No. 32 - "Northville City Parking Lot Improvement" and set date for Public Hearing for Monday, April 27, 1970, U.C.

REQUEST FOR PERMISSION FOR PARADE:

City Clerk reviewed the request of Mary Ann Beltz, 362 Welch Rd., Northville, to approve a parade to "Recognize Earth Day" on Wednesday, April 22, 1970 at 4 p.m. A waiver is to be signed by all Council members, both absent and present, to place this matter on the Special Meeting Agenda for April 13, 1970.

Moved by Rathert, support by Lapham, to approve application for Parade "Recognize Earth Day" on Wednesday, April 22, 1970, 4:00 p.m. with request for parade to be earlier in the day than 4 p.m. and subject to the approval or recommendations of the Chief of Police.

U.C.

There being no further business, the meeting adjourned at 10:10 p.m.

ON PROPOSED AMENDMENTS TO
ZONING ORDINANCE NO. 18

OF
CITY OF NOVI

OAKLAND COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN, that a public hearing to consider several amendments to Zoning Ordinance No. 18 of the City of Novi will be held on Monday, May 11, 1970, at 8:00 p.m. EST. at the Novi Community Hall, 26350 Novi Road, Novi, Michigan.

The proposed amendments are as follows:

1) That ARTICLE IX, R-1 ONE FAMILY RESIDENTIAL DISTRICT, Section 9.01 (d), be amended in its entirety to read as follows:

(d) In new subdivision developments, a residence may be used as a model and for temporary sales facilities, with one (1) non-flashing illuminated or non-illuminated roof or ground sign, not exceeding fifty (50) square feet in area, during the period of development and selling the homes, not to exceed the period of one (1) year.

2) That ARTICLE XXVII - CHANGES AND AMENDMENTS, be amended by adding Sections 27.02, 27.03, 27.04 and 27.05, as follows:

Section 27.02. Referendum may be had on an ordinance enacted by the City Council amending, supplementing, changing or repealing this Zoning Ordinance No. 18 of the City of Novi, or any part or provision thereof, by petition as provided in Section 7.11 of the Charter of the City of Novi.

Section 27.03. An Ordinance, proposed to amend, supplement, change or repeal this Zoning Ordinance No. 18 of the City of Novi, or any part or provision thereof, may be initiated by initiative petition as provided in Section 7.11 of the Charter of the City of Novi.

Section 27.04. Such initiative or referendum petition shall be filed and shall be acted upon, and shall in all manner follow the procedure as set forth in said Section 7.11 of the Charter of the City of Novi.

Section 27.05. Upon receiving an initiative or referendum petition from the Clerk of the City the Council shall act in the same manner and follow the same procedures as set forth in Section 7.12 of the Charter of the City of Novi, and shall be submitted to the electors as provided in Section 7.13 of the Charter of the City of Novi. In the meantime the Ordinance shall be suspended and shall not be amended or repealed, as provided in Section 7.14 of the said City Charter.

3) That ARTICLE V, R-1-F SMALL FARM DISTRICTS, be amended by adding sub-paragraph (e) to Section 5.02, and

That ARTICLE VI, R-1-E COUNTRY ESTATES DISTRICT, be amended by adding sub-paragraph (1) to Section 6.02, and

That ARTICLE VIII, R-1-S SUBURBAN RESIDENTIAL DISTRICTS, be amended by adding sub-paragraph (f) to Section 8.02, and

That ARTICLE IX, R-L ONE FAMILY RESIDENTIAL DISTRICT be amended by adding sub-paragraph (f) to Section 9.01, and

That ARTICLE X, R-2 TWO FAMILY RESIDENTIAL DISTRICTS, be amended by adding sub-paragraph (d) to Section 10.02, and

That ARTICLE X-A, R-2-A MULTIPLE FAMILY RESIDENTIAL DISTRICTS, be amended by adding sub-paragraph (c) to Section 10A.01, as follows:

Agricultural uses or purposes if the property is presently being used for a bonafide agricultural use, or has within a period of two years prior to the property being placed in this zoning classification, been used for a bona-fide agricultural use. Such use may be extended or expanded if within the strict meaning of an agricultural use.

NOTICE IS FURTHER GIVEN that a complete copy of the proposed amendments are on file at the office of the City Clerk and may be examined at her office at the City Hall, 25850 Novi Road, during regular office hours.

Official Minutes Northville Township Annual Meeting

NORTHVILLE TOWNSHIP
ANNUAL MEETING
SATURDAY, APRIL 4, 1970
303 WEST MAIN

Meeting opened at 1:00 P.M. by Supervisor Stromberg.

Present: The full board was present as well as Commissioner Pursell, Senator Kuhn, City Manager Ollendorff, Attorney Ashton, Sliger from the Northville Record and 42 township residents and guests.

Clerk Hammond read the minutes of the annual meeting of April 5, 1969. Mrs. Martin Cayley moved that they be accepted. Seconded by Straub, Ayes: All.

"The treasurer" read his report of the township monies as held in the various funds and accounts. Mr. Blakeslee moved to accept the treasurer's report, seconded by Mr. Leon Bonner. Ayes: All.

The supervisor extended greetings to the faithful few in attendance at this annual meeting and also welcomed Commissioner Pursell and Senator Kuhn. He went on to say that there had been some pleasant and some unpleasant happenings in the township during the past year. Building has been down but the prospect for this year appears to be somewhat better according to two of the developers in our area who have large subdivisions already under way.

Supervisor Stromberg spoke of the very long hours that our police officer has put in - with no overtime pay - in taking care of the various problems that have arisen. One of the more frustrating is the promiscuous dumping of trash on various vacant lands all over our community. At a recent township board meeting Mr. Nisun was given the title of Chief of Police. The department in March accepted its first class of reserves, five in number.

Several shopping centers, both large and small, have recently been promised for the township. Two convenience centers have been approved for the Seven Mile - Northville Road area, while two larger centers in the Haggerty Road vicinity are coming up for public hearings this month.

A water line was installed to service the Plymouth State Home & Training School and is going into operation this week, thereby bringing in revenue to the township water and sewer department. Engineer Mosher is in the process of drawing up specifications for the water line to the Northville State Hospital and we hope to get a bond issue soon to commence building this line.

One other thing - next year we are to have an equalization factor again. I feel that our taxes are high enough now and I am writing to the governor, senator and others in Lansing.

Last week the Northville Coach Line ceased operations as it has been running at a financial loss for some time past. Senator Kuhn has been working with city and township officials this week in an all out effort to have service restored. It has been difficult for workers and patients at the state hospital to be without any transportation, as well as for day workers in Northville, students at Schoolcraft College, etc.

If any of you have any questions or suggestions please feel free to speak; today anyone may make a motion, not just board members.

SENATOR KUHN. The supervisor introduced State Senator George Kuhn who spoke briefly to the meeting about the bus situation. He also stated that he is opposing a bill presently before the legislature that would take away the income tax monies that are related to all municipalities.

REQUIRED BUSINESS

1. STATED TOWNSHIP MEETING DATES, Resolution 70-15

Under provisions of law and statute provided, the following resolution is hereby adopted by the Northville Township Board, Wayne County, Michigan, in meeting assembled this 4th day of April, 1970 at the Northville Township Hall, 207 South Wing, Northville, Michigan:

RESOLVED, that the township board of the Township of Northville, County of Wayne, Michigan, does hereby establish that there will be twelve regular monthly meetings held by the township board as follows:

1. All regular meetings will be held at the

township hall, 107 South Wing, Northville, Michigan.

2. Meetings will be held on the second Tuesday of each month and will commence promptly at 8:00 p.m.

3. Dates of the meetings mentioned in paragraph two above will be held as follows:

April 14, 1970
June 11, 1970 (Thursday)
July 14, 1970
August 11, 1970
September 8, 1970
November 10, 1970
December 8, 1970
January 12, 1971
February 9, 1971
March 9, 1971

4. Special meetings shall be called and held at the discretion of the Northville Township Board, with due and proper notice of such special meetings.

Moved by Mitchell, seconded by R. Blakeslee. Motion carried.

2. TOWNSHIP BANK DEPOSITORY FOR 1970-71. Resolution 70-16.

RESOLVED, that the Manufacturers National Bank, Northville branch, be designated as the depository for the Township of Northville funds for the township's fiscal year 1970-71.

Moved by Dr. Geake, seconded by M. Mitchell. Motion carried.

3. BUDGET AND ONE MILL, TAX. Resolution 70-17.

Various questions on budget items were asked and satisfactorily answered by the supervisor or clerk. Then Mr. Fiorilli questioned the salary of the treasurer and moved that he be given an increase so that his pay would be higher than that of the deputy clerk. Attorney Ashton stated that this amendment-to-the-budget resolution be made more specific. After much discussion and figuring, Mr. Fiorilli moved that as treasurer's pay be altered so that it would be \$6,58

Andover Trips Thinclads, But Trojans Lose in 'Shuffle'

Northville thinclads breezed past Clarenceville 69-49 in an experimental shuffle but lost out to Bloomfield Hills Andover 62-56 in a close one right to the wire last week.

Host Andover proved too tough for the Mustangs in the middle distance events and then won the final event of the afternoon, the mile relay, to ice the victory.

Against the Trojans, however, the Mustangs were unbeatable, giving Coach Ralph Redmond plenty of breathing room to experiment with some of his athletes in events they

normally would not enter.

A similar shuffle is expected to take place here this afternoon when relatively weak Brighton takes on Northville.

John Stuyvenberg, who continues to burn up the track, entered the high jump last week against Clarenceville — the first time in league competition that he's tried the crossbars — and promptly took a first with a jump of 5' 10".

Redmond plans to use Stuyvenberg again this afternoon, matching him up with the league high

West Bloomfield, Franklin Win

Mustang Nine Drops 3 Straight

Livonia Franklin took advantage of a couple costly fielding errors here Saturday in winning both ends of a twin bill from the Mustangs, who saw their two-game winning streak snapped last Thursday at West Bloomfield.

Northville lost to the Lakers in a heart-breaking 3-2 decision, then

dropped both games to Franklin, 5-2 and 6-5.

Monday's game with Brighton was rained out but there was a possibility that it would be rescheduled Tuesday or Wednesday.

Bruce Griggs was nixed for the losses to West Bloomfield and one of the Franklin games, while Bernie Bach took it on the chin in the other defeat. Neither hurler, however, performed badly. Altogether, the opponents managed to pick up 15 hits through the three games, while the Mustangs managed 13.

The Lakers pushed across a run in the bottom of the second inning and then added two more in the third after the Mustangs inched ahead in the top of the third 2-1. All five hits came off starting pitcher Griggs who was lifted in the third to make room for Fred Holdsworth, winner of the first two Mustang games.

Northville left eight runners on base.

Franklin took a one-run lead in the first inning of the first game on two big blows and thereafter was never seriously threatened as it added insurance runs in the third and fifth innings. Northville scored its only two runs in the first inning on two hits. The Mustangs stranded six.

Bach, who went the distance, gave up five hits, struck out six and walked six.

In the second game, Griggs had a no-hitter going until the fifth inning when Franklin cracked out two hits, adding three more in the sixth, 6-3.

The Mustangs threatened in the seventh, however, pushing across two runs on two singles and a walk.

Griggs gave up five hits, struck out six and walked three.

Northville, which had committed just two errors in the first two games, were charged with a total of seven in the next three.

Big blow by a Mustang in the three-game stand was a homer off the bat of Bach in the first inning of the first game with Franklin. His four-bagger came with a man on. In that same game, Franklin came up with two home runs, back-to-back blasts in the first.

Through the first five games, three Mustangs are batting over the .300 mark. Terry Mills is leading at .375, followed by Rick LaRue at .333, and Holdsworth at .308.

The team is batting at a .233 clip, having 32 hits in 137 trips to the plate. It has produced 40 runs — more than half of them coming in the opening 24-0 win over South Lyon.

Chelsea Power Too Much for Novi

Novi's superlative opening season triumph over Brighton of the Wayne-Oakland conference became a short-lived success story as the Wildcats dropped the next two games to their Southeastern conference opponents, Dexter and Chelsea.

Dexter edged the Novi nine 10-7 April 14, while Chelsea claimed a 6-2 victory last Thursday.

"We just made too many mental mistakes," explained Coach Fred Gerhardt, who was nevertheless pleased by the first-time-out pitching performance of Sophomore Joe LaFleche.

LaFleche hurled an eight-hitter as the Wildcats lost to Chelsea. He gave up three walks and fanned six in going the route.

Chelsea's hurler, Ron Sweeny, set down the Wildcats in order until the local nine came up with three hits and scored a run in the fourth. Credited with the victory, Sweeny was nicked

for five hits, struck out five and walked none.

The Bulldogs scored a run in the first and five in the third. Besides the single tally in the fourth, Novi picked up its only other run in the sixth.

Chelsea scored a run in the first and five in the third. Four hits and four errors accounted for five unearned runs in the third. Besides the single tally in the fourth, Novi picked up a lone run in the sixth.

Novi was out-front, 7-4, going into the top of the sixth when the Dreadnaughts pushed across six runs on two hits, five walks and an error. Reliever Bob Pisha, who pitched only one inning, was nicked for the loss. Jim Aseltine, who moved in from first base to replace Dexter's starting pitcher Greg Lanni early in the game, was credited with the victory.

Pish gave up one hit, four walks and struck out one; Steve Bosak, who hurled the first five innings, gave up six hits, walked seven and fanned three.

Wildcat Streak Comes to Halt, Too

Defending champion Chelsea demonstrated Thursday that it's got the power to repeat its Southeastern Conference track title this year. The Bulldogs romped to an easy dual meet victory over host Novi, which faces a season of rebuilding, to the tune of 92-26.

Coach Fred Hannert wasn't surprised by his squad's showing nor was he disappointed. "We've got a young team, probably two-thirds of them are freshman or sophomores. Really, they did a better job than I had expected."

The Wildcats took two firsts—John Davey in the long jump and veteran two-miler Mark Earl—and a couple of youngsters with no previous experience showed "plenty of promise."

Mark Earl, who is still nursing a sore foot that delayed his spring workout, is not yet running up to his standard. Nevertheless, he took first with a time of 11:27.

Davey came up with a good opening meet jump in taking first place with a long jump of 19' 11 1/2".

Freshman Kirk Rosey surprised Coach Hannert with his 4:56.3 third-place time in the mile. "I was pleased," said the coach, "just as I was pleased with (Mel) Stephens' performance in the 880 yard run. Stephens, another freshman, crossed the finish line in 2:17.8.

Wildcats Lose Golfing Debut

"Okay tee to green but problems on and around the green."

That's how Coach John Osborne summed up Novi's golf team debut in two different matches last week.

Novi lost out to Saline but defeated South Lyon in a double dual contest at Salem Hills Tuesday, then fell to Milan at Godwin Glenn Friday afternoon, 183-209.

In Tuesday's opener, the Wildcats defeated South Lyon 196-213 but were edged out by Saline, 193-196. The split "pleasantly surprised" Osborne, who hadn't expected this, the first golf team in Novi's history, to do as well.

Dave Branch, medalist for the afternoon, carded a 43 while brother Les Branch came in with a 45. Dennis Fritz came up with 50, Dennis MacDermaid 58 and Roger Johr 59.

Against Milan, Les Branch led the Wildcats with a 46, followed by Dave Branch at 49, Fritz at 56, and Johr at 58 and John Mogridge at 66.

Armed Part-Time Police: An Analysis

Continued from Record, Page One

might lead to ultimate city-township unification.

Normally, this trio has gained its majority strength from a coalition with Trustee Straub. But the conservative, cost-alert Straub voted against immediate adoption of a township police ordinance that will permit the one-man department and its part-time officers to enforce all state statutes, as well as local ordinances and traffic regulations. The new ordinance will also permit the police department to hire without board review or approval.

Just as it appeared at last week's township board meeting that Baldwin and Straub (assisted by a legal opinion from the township attorney) had convinced Mitchell to postpone his motion for adoption of the police ordinance until more time could be given for drafting specifics, a "whisper" from an unexpected source (just loud enough for a reporter to overhear) lamented "oh, Richy, you've worked so hard on the ordinance."

Reinforced with the support of

Youngster Hurt In Accident

Four-year-old Mark Knoth, son of Mr. and Mrs. Karl Knoth, 857 Novi Street, was injured Monday when he apparently ran in front of a car, police said.

He was taken to St. Mary Hospital, Livonia, where he was treated for a broken arm and released.

Witnesses told police the accident occurred at 3:30 p.m. in front of 936 Novi Street. Skid marks were found at the scene, police said. The driver of the car, Juanita L. Jahn, Farmington, was ticketed for failure to stop in assured distance.

Clerk Hammond, Trustee Mitchell made the motion and a 4-3 vote has given Northville township a full-fledged police department with armed officers who can combat crime.

At this writing there's some question as to whether criminals or law-abiding citizens are more worried by the prospect.

Supervisor Stromberg admits he's concerned. He would have liked more time to reconsider the entire matter with the township attorney.

But many Stromberg critics proclaim that he has only himself to blame.

It was the supervisor who assured Chief Nisun that he could quit his Livonia constable's job and work 40 hours a week in Northville at a salary of \$9,500. Up until then Nisun had been employed on a part-time basis to enforce local ordinances, chiefly littering, no hunting, stray dogs, etc.

After some static at the board table, which included the abrupt resignation of a trustee, the supervisor gained retroactive support for his action.

Then the enforcement of traffic ordinances were added to Nisun's assignment, additional radio equipment was procured, a new police car ordered.

Finally, unbeknown to some board members, an auxiliary force was trained and a gun purchased so that when a part-time officer is on duty with Chief Nisun, both can be armed.

Last week the township attorney informed the board that an auxiliary force could not operate without the approval of the board.

But the force had already been sworn-in by the supervisor and the

ceremony recorded with a picture in the newspaper.

Trustee Baldwin was visibly upset by the fact that part-time auxiliary officers were armed. He also questioned the purchase of the pistol (\$98) and the pistol range training expenditure (\$39) without board approval.

But by a vote of 5-2 the armed auxiliary force was made legal.

Expectedly, Baldwin cast one of the negative votes. But surprisingly, Supervisor Stromberg cast the other dissenting vote, giving rise to the theory that the supervisor is having second thoughts.

With the passage of the police ordinance, however, it will no longer be necessary to go through such after-the-fact motions. While the board still controls the purse strings, it cannot tell the police department who or how many to hire, or whether they should be armed or not.

As far as the future is concerned, all board members agree that if fire and police facilities are to be expanded, more money will be needed.

It is known that several board members (perhaps the majority) would favor the construction of a township hall-fire station in the Bradner road area. No one questions that the township's rapidly-growing southeastern portion needs more fire protection.

Clerk Hammond has made it apparent that she would favor charter township status. This would provide additional tax monies—five mills instead of one. Except for the additional tax revenue and the authority to hire a professional manager, charter township

City Eyes Apartment Fire Walls

An amendment to the building code aimed at improving the fire safety of apartment buildings drew favorable reaction from the Northville city council Monday night.

It's certain to arouse protests from builders, however.

Specifically, the amendment would require a firewall extending 30-inches above the roof line separating every four dwelling units in an apartment complex.

Other provisions of the amendment include other fire protective materials in construction of walls, ceilings and floors.

Building Inspector Glenn Salow proposed the amendment to the council, but asked that the fire wall, which would be constructed of masonry not less than eight inches thick, extend to, but not through, the roof.

Councilmen Paul Folino and Kenneth Rathert, both insurance men by profession, quickly pointed out that a wall that did not extend above the

roof was not a true fire wall and would not sufficiently curtail the spread of flames.

Salow said he favored the true fire wall but realized that it would be both costly and unattractive architecturally. Councilman Folino replied that the cities of Detroit and Southfield called for true firewalls in apartment dwellings. In most building codes, including Northville's, there is no masonry wall requirement between units. A fire wall dividing each four units would reduce the possibility of an extensive blaze, it was noted.

The council instructed the city attorney to draft an amendment for consideration at the next meeting. Hope was that the amendment might be adopted in time to apply this spring. It was also predicted that several builders would appear to oppose the amendment.

Another question posed by the building inspector was the council's attitude towards accessory buildings, the type now sold ready assembled for lawn and garden tool equipment storage. Salow noted that he had received some complaints about the unsightliness of the structures and further pointed out that many were being used without proper footings and ratwall protection.

The council decided to give

consideration to this problem at its next meeting.

In other business the council accepted an offer by the Northville Garden Club introduced by Mrs. George Kohs to construct a planter box, or two, on the city's central Main street parking lot. Restoration of the drinking fountain near the location of a planter box was also promised.

The resignation of William Bingley from the planning commission was accepted; Police Dispatcher Alice Ritchie and Cadet James Marks were given permission to join the Northville Police Officers Association; the manager informed the council that a request for federal funds to relocate a house for the extension of Griswold street had been declined because the program has expired; the council agreed to ask Oakland county to construct additional turning lanes on Eight Mile road at Sheldon in its 1971 construction program on a 50-50 cost-sharing basis; Councilman Wallace Nichols proposed and the council adopted a suggestion to the planning commission that a committee composed of two planners, two appeals board members and a citizen as chairman be formed to draft a new sign ordinance; the city attorney reported that letters had been sent to the post office department and the owner of the local post office building informing them that a greenbelt is required along the southern boundary of the property.

tax officials as well as State Representative Marvin Stempien and Governor William Milliken. Supervisor Stromberg does not agree that township property values have increased by 11 per cent. Last year the township local assessments were not equalized.

Local property owners can determine what value taxing authorities place on their homes and lots by multiplying their local assessments times their respective factors (either 1.11, 1.32 or 1.37). The assessment times the factor is supposed to equal 50 per cent of the market value.

TYPICAL PARK OCCUPANTS

INDUSTRIAL PARK, on 250 acres northwest of Detroit, is in Farmington Township, which is eager for the tax ratables brought by industry. Thompson-Brown broke the site into three parcels (right) for development in stages, but sales came so fast that the whole park was developed almost simultaneously. Sales prices have ranged from \$32,000 to \$43,000 an acre, about double those of nearby industrial sites not in planned parks. In the park's typical factories (left) the ratio of manufacturing space to more expensive office space is about nine to one. Several plants have been built on speculation by investors and leased to manufacturers (in Detroit the average annual rental for such space is \$1.55 a sq. ft.). And Thompson-Brown's recently organized general contracting division is now offering to bid on plant construction. Park upkeep is handled through an organization similar to a homeowners' association.

Action, Not Talk Produces Industrial Park

A lot of suburban communities do a lot of talking about encouraging controlled industrial development but few, if any, in Michigan can match the success of Farmington Township and its association with the Thompson-Brown Company.

Planning that began a decade ago has produced the Farmington Industrial Park, considered one of the finest developments of its kind in Michigan and perhaps one of the finest in the nation.

Located in Farmington Township on the eastern border of Novi at 10 Mile Road and Grand River, the attractive Thompson-Brown development recently became the first in Michigan to receive a Class "A" industrial park rating by the state.

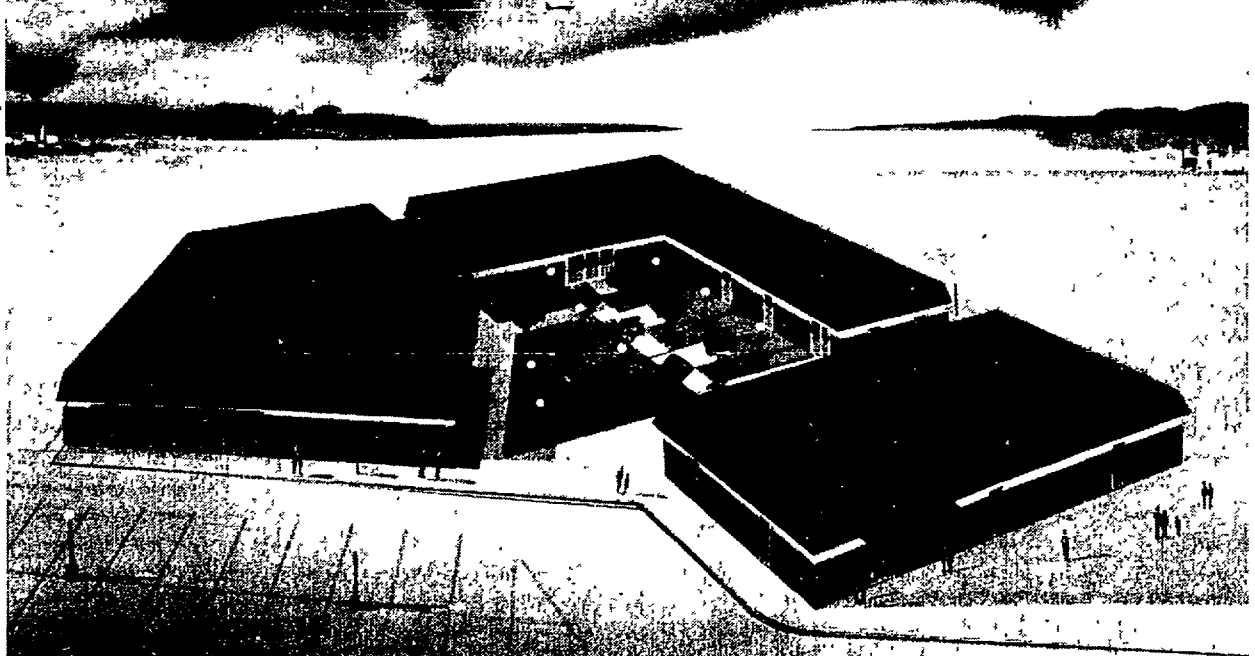

Last Thursday formal

ground-breaking ceremonies marked the official construction start of a \$1,500,000 service center — another significant step towards completion of the 250-acre development.

Although initial planning began a decade ago development of the project didn't get underway until 1966. Today, four years later, some 85 percent of the park sites have been sold and numerous industrial facilities are already in operation on sites ranging in size from one acre to 10 acres.

Among the firms already operating in the park, which has been developed in much the same fashion as Thompson-Brown developers residential subdivisions, are: Nor-Cal Engineering, Inc.; Ace Controls; Lorne Company, Inc.; Magnetic Video; Exotic Rubber & Plastics; 3M Company; William R. Dewey Company; LaVanway Sign Company; Monroe Engineering Corporation; T. H. Brehm Co.; Siewek Tool Company, Inc.; Moldex Rubber Company; McInerney's Old Mill Products Co.; Electromac; Selastomer; Carter, McCormick & Peirce, Inc.; Jensen Inc.; Bama Corporation; DSC Sales; Thompson-Brown Construction Company; H.M.L. Industries; Controlled Power Inc.; and Whitlock, Inc.

Still other firms which own sites on which they plan to build are: Parish Service Corp.; Honeywell Inc.; the Traub Co.; Weingarden Corporation; Dow Furnace; H. M. White Inc.; Sevakis Tool Engineering Co.; Whaling Tool Co.; Noman Building Corp.; Champion Tool Co.; Consumers Power Co.; M & H Tool Co.; and the Bank of the Commonwealth.

CONSTRUCTION OF SERVICE CENTER NOW UNDERWAY

Initial tenants of the new service center now under construction will include Grimes Cleaners; the Bon Ton Shoppe, gifts and decorative accessories; the Bronze Clipper, Men's Hair Stylists; Be Lynn Coiffures, Beauty Shop; and a party store yet to be named.

In addition, negotiations presently are underway with a major Detroit restaurateur to lease and operate a 5,500 square foot restaurant with a coffee shop, formal dining room, and private dining-meeting rooms. Carry-out and catering services also are to be provided.

The initial three-building complex will center about a landscaped, bench-lined park area. Walkways will connect the center with the five-story Holiday Inn now under construction at the industrial park.

Completion of the first two service buildings is slated for early summer, while the restaurant building is expected to be ready for occupancy by fall of this year. The center will be owned by the Novi Holding Company.

The Farmington Industrial Park is not the result of chance. About six years ago, William W. Bowman, executive vice-president of the Farmington based Thompson-Brown

company, became chairman of the township's industrial development committee.

The committee, like many similar suburban organizations, was interested in attracting industry to build up the communities tax base in the face of an expanding school population.

The area zoned for industrial use did not have sewer or water available so the committee proposed and obtained a vote of millage tax on the entire township to provide a sewer to this industrial area.

Matching federal funds of \$370,000 were made available, and the Detroit Water Board was convinced that sufficient industrial users would be

attracted to warrant extension of water lines to the area.

Agreement by Diamond Automation Company to build a plant of some 77,000 square feet got the program started.

"I asked the municipal officials to allow me to work up a commercial profit-oriented sales program whereby our development company would purchase some land and develop it into industrial parcels," Bowman explained.

"The officials agreed and we obtained 106 acres of industrially zoned land and subsequently another 120 acres adjacent to it."

Thompson-Brown does not construct the buildings on the site but rather develops and sells the land.

Leads and contacts with potential customers have been obtained in a variety of ways, according to Bowman. "Many have come from local officials anxious to assist in bringing new industry into the community. Other good sources are local banking institutions, the local board of commerce and the Michigan Economic Expansion Department, which was directly responsible for our getting the lead to the Telegrams Corp., now operating in our park."

Fabricators of pre-engineered buildings are another important source, said Bowman. "A tie-in with them can

be very helpful. Another potential source is attorneys for large corporations. Newspaper advertising and publicity does play a part. Most important are other industrial real-estate brokers. Almost 50-percent of our sales have been made through, or in co-operation with, other brokers.

"But there is no substitute for a good sales staff of hard working people who will get out and make personal contact with manufacturers through clubs and service organizations."

1-Card of Thanks

To the many kind people from far and near - our good neighbors, the Brighton Fire Dept., the Kensington Park Dept., who worked so hard and diligently to save our home and other buildings from the fire ravages on April 9. Our sincere appreciation and very many thanks to each and everyone.

Duncan McDonnell
And Sisters

I wish to extend my sincere thanks to the South Lyon Methodist Church, the Oddfellow and Rebekah Lodges, the South Lyon Fire Department and all my friends for the many cards, gifts, fruit and flowers I received during my recent illness. Also, the many calls and visits were greatly appreciated. Thanks again.

Homer Herald

The family of George Scheffer extends their thanks and appreciation for the many acts of kindness during the loss of their father and grandfather. Special thanks to Phillips Funeral Home, VFW, Ladies Auxiliary, and the Rev. Kincaid.

I would like to take this opportunity to express my thanks and appreciation to my many wonderful neighbors, friends, and relatives for the many beautiful flowers, cards, and other gifts and many visits and also I wish to thank the Rev. Charles Boerger for his visits and prayers while I was a patient in St. Mary's Hospital. I do thank you one and all.

Mrs. Ella Musolf

2-In Memoriam

In loving memory of our son and brother, Barnet Dale, who died tragically one year ago, April 20. Gone but not forgotten. Sadly missed by his mother, sisters and brothers.

In loving memory of Mike Allen who left this world to be with God April 24, 1969. Sadly missed by his family.

COMEDY CORNER

"Any free samples?"

"I couldn't get used to Junior being away at college again!"

"You think I gulp my food? Just watch Uncle Bob lap it up!"

People who have a place for everything spend an awful lot on cupboards.

The flower children have been around long enough for quite a few of them to be obviously going to seed.

The fellow who knows all the answers seldom pays heed to the questions.

It's laudable to bury the hatchet, but most of us make maps of its location, for future use.

One of the hardest words for most of us to manage is "apologize."

Religious Census In U.S. Misleading

Rev. Charles F. Boerger
St. Paul's Lutheran, Northville

Figures released by the United States Census Bureau reveal that 96 per cent of Americans claim a religion — either Protestant, Catholic, or Jewish. That would be an impressive record, if it were completely true. The sad fact is that these figures give us a distorted picture. There is a vast difference between claiming a religion and having one. For the number of people claiming to be church members was approximately twenty million higher than the number officially claimed by

the Protestant, Catholic, and Jewish church bodies!

We shall not presume to look into the hearts of these twenty million. Whether or not some of them were consciously lying, or whether their answers were based on an honest misunderstanding of what it means to "have a religion," we don't know.

But let's get straight right now on what it means to "have" the Christian religion. It means to repent of your sins

and to believe in Jesus Christ as your Savior who died for your sins. It means to be baptized according to Christ's instructions. It means to be regular in the study of His Word, regular in prayers, regular in church attendance, regular in partaking of the Lord's Supper, regular in active work for the church, regular and generous in your financial support of its program. No matter what you may tell others, what would you tell God if He asked: "Do you 'have' the Christian religion?"

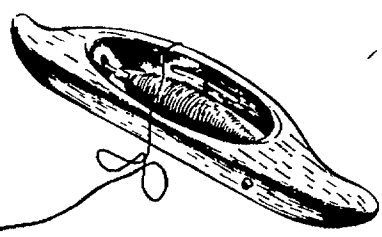

Magnificent tapestries, sometimes taking years to complete, decorated the walls of many homes and churches in the Middle Ages. Woven with richly colored strands of silk and wool, they often pictured scenes from the Bible. To create a beautiful tapestry required patience... skill... devotion.

Today each of us weaves a tapestry — the fabric of our lives. We sit at a loom, wondering whether the pattern of our lives will be of bright rose, green or golden threads, or whether the events will show as somber, dark colors.

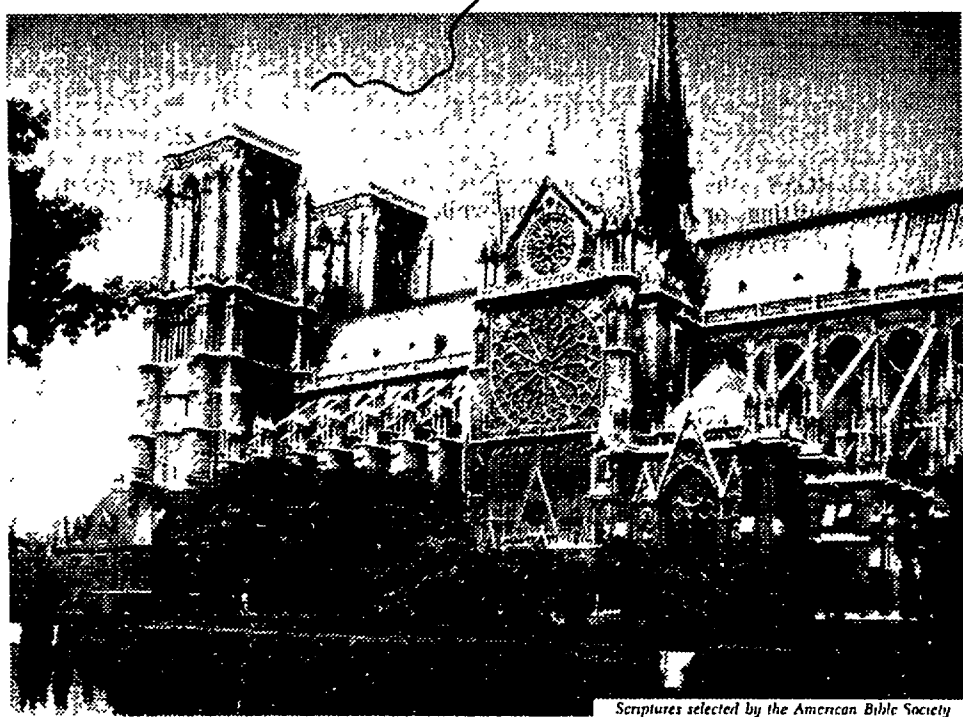

A weaver in the Middle Ages worked on the reverse side of his tapestry. By looking up at a mirror, he could see how the entire design looked on the right side.

When we look up to God in worship, we can see with clarity the pattern of our lives. Attend the church of your choice for perspective on your life's tapestry.

Out of the Horse's Mouth

Send your questions and comments to "Horse's Mouth", care of South Lyon Herald, South Lyon, MI 48178.

A letter has been received requesting information concerning the various types of English saddles and their correct usage in the show ring.

Q: Can a forward seat saddle be used only for jumping and hunt seat riding?

A: A forward seat saddle is used primarily in jumping, but can be used in an open English Pleasure class, providing the rider is dressed in hunting attire. (This being breeches and high boots). The forward seat saddle CAN NOT be used in a Saddle-Seat Equitation class.

Q: Can a cutback show saddle be used just for saddle seat riding?

A: Yes, correct attire for rider using the above saddle would be Kentucky jodphurs (not breeches), with ankle high jodphur boots.

Q: Is a dressage saddle an all-purpose saddle, or is it mainly for Hunt-seat riding?

A: The dressage saddle comes with or without a cutback cantle and can be used with either Hunt or Saddle-seat attire. This is an extremely comfortable saddle for trail riding, training, jumping or for what ever purpose you desire to use it. The dressage saddle has a concealed knee roll, which aids in keeping the rider's legs in the correct position.

Q: What is the difference between Hunt-seat and Saddle-seat riding?

A: The position of the rider's body should be the same for both types of riding; straight back and sitting deep in the saddle. The location of the rider's hands should always be in a straight line from the rider's elbow to the horse's mouth. The height of the hands from the horse's withers is determined by the head carriage of the horse.

The Hunt-seat rider may choose to ride with a slightly shorter stirrup, especially when jumping. The rider's leg is in correct position when the stirrup leather hangs perfectly vertical with the foot in the stirrup. You should raise or lower the stirrups until the straps do remain vertical.

The basic difference between the two types of riding are the appointments on the horse and rider. (Such as bits, saddle, riding habit, boots and hat.) And the type of horse involved.

Roamin' Riders 4-H Club will hold a demonstration on "Horse Showing" from 10 a.m. to 3 p.m. Saturday, April 25, at Sen-Col Farms, 9590 West Ann Arbor Road, Plymouth.

The program will cover the do's and don'ts of horse showing and will give instruction in all phases of competition. Members of the Roamin' Riders are boys and girls from the Northville-Plymouth areas. Those interested in learning more about 4-H activities and horse showing are invited to watch the demonstration.

A newcomer to South Lyon, 13-year-old Kim Radnothy, took two seconds in Open Three Gaited and Open Five Gaited classes at the Dixie Saddle Club Show at Lake Wood Farm Sunday, April 19.

Kim's equitation mount "Chessy" took the first red ribbon in a class of 11. "Torchlight", the new gaited horse at Ravenwood, took his junior rider to a strong win in the gaited class.

Kim, daughter of Dr. and Mrs. Lou Radnothy of Ravenwood Farm on West Eight Mile Road, and her teacher, Harry Williams, are available to give lessons in English riding.
