

'Superstar' Selections Set

Churches Celebrate Easter

Holy Week in area churches will climax Easter Sunday with special services and music, including selections from the rock-opera "Jesus Christ Superstar" planned to commemorate the resurrection of Christ.

The First Presbyterian Church will hold a reception for the youth communicant class in Fellowship Hall beginning at 7:30 p.m. Maundy Thursday. At 8 p.m. a Congregational Communion Service will be held in the sanctuary.

Good Friday union services for the community will begin at 1:30 p.m. in the Presbyterian Church. Held jointly with the United Methodist Church, the

Reverend G. C. Branstner will speak. Traditionally sponsored by the Mizpah Circle of King's Daughters, the collection will be used to help the less fortunate in the community.

On Easter Sunday the youth of the church will present selections from "Jesus Christ Superstar" at the 7 a.m. Sunrise service. The presentation, under the direction of Mrs. John MacDonald, David Sprunk and Robert Shafer, will also be given April 18 at 7:30 p.m. and is open to the community.

A breakfast sponsored by the junior-high youth fellowship will begin at 8 a.m. Regular services Easter morning are planned for 9:30 a.m. and 11 a.m. with a coffee hour following both services.

The United Methodist Church will hold Communion services between 7 p.m. and 9 p.m. Maundy Thursday.

On Easter Sunday at 7 a.m., there will be a youth production of the last scenes of the Oberammergau Passion Play which was attended by Jon Steimel and Miss Jackie Webb last summer.

An Easter breakfast is planned for 7:30 a.m. Church and church school services will be held at 9:30 a.m. and the second service begins at 11 a.m.

There will be no youth groups meeting on Easter evening.

Our Lady of Victory Catholic Church will begin the Easter Triduum on Thursday at 7:30 p.m. with a presen-

tation of a Seder or Passover meal. Mass will follow immediately. Following the reading of Sacred Scripture and a short homily, the priest will re-enact the gesture of love and humility displayed by Christ at the Last Supper by washing the feet of 12 men of the parish.

Good Friday services are scheduled to begin at 1:30 p.m. The first Mass of Easter begins at 11:30 p.m. Holy Saturday. The Liturgy will begin outside where the new fire will be lit and blessed with the Easter candle carried into the church.

Masses Easter Sunday will be at 7

Kids to Hunt Eggs Saturday

Several hundred elementary grade youngsters from the city and township of Northville are expected to turn out Saturday morning for the annual Easter Egg Hunt sponsored by the Northville Jaycees.

Like last year's event, Saturday's fun adventure will be held in the Northville athletic area of Edward Hines Parkway (between Seven Mile Road and Kings Mill subdivision) beginning at 10 a.m.

The hunt will be divided into four age groups: pre-school and kindergarten; first and second graders; third and fourth graders; and fifth and sixth graders. In addition to the eggs, prizes for the best "hunters" will be awarded to the youngest children.

Jaycee chairman of this year's event is Donald Campbell.

Larger Quarters Asked for Library

Northville Public Library is already cramped for space and a critical need for larger quarters in the immediate future is evident, according to a detailed report prepared by the Northville Library Advisory Commission and the Wayne County Library System.

The report was submitted to the Northville City Council and the Northville Township board this past week.

A meeting of city and township officials, together with members of the library commission, is expected to be scheduled soon to review the report in depth, according to City Manager Frank Ollendorff.

Commission officials noted that no ideally situated building or property for a new library appears to be available, although they indicated that the former community building, now owned and occupied by the school system, would

more than satisfy projected needs of the library.

"Since the commission feels that the community building offers the best solution in dealing with the present and future library needs of Northville, inquiry into the acquisition of the entire community building has the commission's endorsement, and we urge that the council and the (township) board look into its possible purchase or lease," the commission stated.

"At the present time, 60-percent of the former gym area is available, used occasionally as a gym," the report continued. "This present unused space is adequate for our library needs for up to five years and the entire building would provide excellently manageable quarters of a size something in excess of the study's recommended 1980 requirements. The area formerly used for spectator seats could be double-decked for future stack requirements beyond 1980.

"The commission knows of no piece of land or building that would offer facilities so near our requirements. Furthermore, it is ideally situated. Thus if the city were to assume ownership of the entire facility, the library could move into the available space and permit the school system to remain on a schedule meeting the growth needs of the library. The library could begin building the book stock immediately and yet not have more space than is required."

In considering the possibility of a new building, the commission noted that "if" a site were available, the cost of such a project would "require a major selling job, consequently requiring a long period of time and we have an im-

Board to Weigh Millage Increase

Northville school board trustees will meet Monday night to discuss whether or not to ask for more millage this year to make up an estimated \$200,000 deficit in the preliminary 1971-72 school year budget. The estimated budget is pegged at \$3.3 million.

According to Superintendent Raymond Spear, the \$200,000 represents approximately 2.2 mills. "Previously we estimated we might need an additional 2.5 mills," Spear said, "but because of an increase in the estimated state equalized valuation of the district, the amount of additional millage needed has decreased."

Speaking to members of the schools' VIP Committee last week, Spear said the district would not need the additional millage "if we did not have to plan on more students enrolling in the district

and if we did not have to hire teachers and buy materials for the increased number of students. But the students are going to come."

Spear said the board "has been looking at alternatives to asking voters for more millage in June or at a special election."

Among the alternatives are, according to the superintendent: — cutting extra-curricular activities or revamping the program to a "paid" program, \$85,000 savings. "But," Spear noted, "we tried that a few years ago and the residents of the district proved to us they want the extra-curricular program in the schools."

— closing the schools for one month in winter from approximately the middle

Story Never Grows Old

The story of Christ's death and resurrection, which will be retold throughout the Christian world this weekend, never grows old — even for those like 87-year-old Mrs. Sophie Audulewicz of Eastlawn Convalescent Home who finds special meaning and solace in hearing again the words, "He is risen."

Township-Fire Hall

Trustees Like Plans

Township planners approved the general concept of a plan for a combined township-fire hall in a special meeting of the board Tuesday night. Cost of the complex, tentatively located on Six Mile near Winchester Road in Northville Commons 2, was pegged at about \$391,700 for the 10,200 square foot building.

Included in the building will be township offices, police and fire stations. The building will be constructed of permanent materials with flexible inner walls. Earlier plans called for the building to be constructed of prefabricated modules.

The architectural plan utilizes two clusters joined by a central lobby.

Spear Shuts Teen Club

The Cavern Teen Club was closed by school officials last week "until such time as the Cavern board can show cause why their contract should not be terminated," according to Superintendent Raymond Spear.

Spear said he closed the club, which had been located in the basement of the Cooke Junior High Annex, on March 29. The action came after custodians at the school found empty beer cans and wine bottles around the school and a barrel full of empty cans and bottles inside the school on the morning of March 28.

"The contract prohibits the sale or use of alcoholic beverages in or on the premises of the Cavern," Spear stated, "and I feel the contract has been violated."

Township officials indicated they will hold a public hearing on the plans for the complex in the near future.

The plan is the third seen by trustees and, though it contains less space and costs are estimated at approximately \$98,000 less than the first plan, the latest design seemed to win general support from board members. No decision has been made on the exterior design of the building, though trustees indicated it will be "architecturally in harmony" with surrounding structures.

Supervisor Gunnar Stromberg told trustees he is investigating the possibility of obtaining federal funds through SEMCOG and HUD for financing at least part of the building costs.

Trustee Bernard Baldwin noted though there "is no question about it but we will have to go to the people to get money to build, operate and maintain the building."

In other action Tuesday night, trustees instructed Stromberg to request permission from the State Tax Commission to put Maybury Sanatorium, Detroit House of Correction and Wayne County Child Development Center surplus property back on the township tax rolls.

Trustee Richard Mitchell, in pressing to have the Development Center vacant buildings put on the tax rolls, cited the Wayne County Commissioners' decision to study the proposal to allow the State Police to move into the buildings as "nothing but a stall tactic. First it's 60 days, then 30 and then 90 days. It's only a stall," Mitchell charged.

He suggested the township authorize Police Chief Ron Nisun to obtain bids on equipment to dispatch calls through the

Kathy Omar

Vicki Elkins

Susan Bosak

Marge Bremer

Spring Engagements Announced

Kathy Omar

Mr. and Mrs. Arnold H. Omar of Livonia announce the engagement of their daughter, Kathy Lorraine, to Ronald E. White, son of Mr. and Mrs. Klement E. White of Plymouth.

The bride-elect is a 1969 graduate of Stevenson High School. Her fiancé was graduated from Plymouth High School in 1965 and is a student at Schoolcraft Community College. He has served four years in the U.S. Air Force. Both are employed by Western Electric Company.

A September 18 wedding is planned.

Vicki Elkins

Mr. and Mrs. Clifford Elkins, 371 Welch, announce the engagement of their daughter, Vicki Lou, to Barry

Deal, son of Mr. and Mrs. Dayton Deal, 20116 Springwood Drive.

Both are 1969 graduates of Northville High School. The bride-elect is employed at the National Bank of Detroit in Plymouth. Her fiancé is in the United States Air Force at San Antonio, Texas.

No wedding date has been set.

Susan Bosak

Announcement of the engagement of Susan M. Bosak to Glen R. Stine of Kalamazoo is made by her parents, Mr. and Mrs. Frank E. Bosak, 43000 Nine Mile Road, Northville. He is the son of Mr. and Mrs. Leo C. Stine of Kalamazoo.

The bride-to-be is a 1967 Northville High School graduate. She is to receive her B.A. degree in social science from Michigan State University in June 1971. Her fiancé received his B.S. degree in urban studies from MSU in 1970 and presently is working on his masters degree in public administration at University of North Carolina at Chapel Hill. Both are members of Pi Gamma Mu national social science honorary scholastic society.

An August 28, 1971, wedding date is set.

Marge Bremer

Mr. and Mrs. Herbert Bremer of Fairfield, Montana, announce the engagement of their daughter, Marge, to David A. Boerger, son of the Reverend and Mrs. Charles F. Boerger, 220 Elm Street.

Both are 1970 graduates of Concordia Teachers College of Seward, Nebraska,

and hold B.S. degrees in education. The bride-to-be presently is teaching in Landover Hills, Maryland, and her future bridegroom, a 1966 Northville High School graduate, is teaching at Bethlehem Lutheran School in Richmond, Virginia.

A July 3 wedding is planned with the bridegroom's father to officiate at the ceremony in Fairfield. The couple will live in Richmond.

Joyce Lindley

Mr. and Mrs. Damon P. Lindley, 220

North Wing Street, announce the engagement and approaching marriage of their daughter, Joyce Anne, to David H. Purdy, son of Mrs. Fred J. Purdy of Caro, Michigan, and the late Mr. Purdy.

The bride-elect attended Michigan State University and presently is an airline stewardess with United Airlines based in Chicago.

Her fiancé is a graduate of Michigan State University and now is employed by Marc Roll Leaf Company and is living in Troy.

A July wedding is planned.

Local Volunteers Aid TV-56 Auction

A live pony, a hayride for 20 and a humidifier are just three items on a growing list that five Northville volunteers are gathering for the annual Channel 56 auction that covers a third of the non-profit public television station's budget.

After watching last year's auction with mounting enthusiasm, Marilyn (Mrs. Donald) Kuzilla of 18103 Jamestown Circle decided that in 1971 she would become a "helper" and volunteered to captain a team to solicit in the Northville-Nowi areas.

"We hope to put Northville on the TV map at the auction," she explains enthusiastically as she outlines plans to contact local businesses for donations for the auction to be held May 16-22 from 2:30 p.m. until 12:30 a.m. each day.

It's also good advertising, she points out, as almost a million people watched the program last year. Gifts, which are tax deductible, should have a minimum

retail value of \$25 to be mentioned twice on the program. Smaller ones are accepted but do not get this exposure.

Working with Mrs. Kuzilla are Mrs. David Kellar, 349-7833, Mrs. Richard Johnson, 349-4342, Mrs. Neil Wasserman, 349-7078, and Mrs. Phil Fredericks, 349-5192. They or Mrs. Kuzilla, 349-0498, may be contacted by anyone wishing to make a donation or who is willing to help round up gifts.

Mrs. Kuzilla recalls that she first became excited about helping last year when she heard that a gift had been called in by Northville Lumber, Schrader's Home Furnishings, also donated last year.

As examples of gifts, Mrs. Kuzilla cites the donation of \$25 and a supply of film by Guardian Photo. (The hayride and pony are being given by Green Acres in South Lyon.)

Theme of the auction is "With a Little Help From Our Friends—"

In Our Town

by JEAN DAY

A NEWCOMER to Northville, Mrs. Herbert C. Path of 18711 Jamestown Circle, is one of four co-chairmen for the "Gay Nineties Spring Fete" to be held Wednesday, April 28, by the Women's Association of Goodwill Industries in the Goodwill building on Brush at East Grand Boulevard in Detroit.

As well as serving as a general chairman for the day-long fete, Mrs. Path is booth chairman for "Mother Hubbard's Cupboard" of baked goods which is part of an old-fashioned bazaar.

Mrs. Path, who moved to King's Mill a year ago last August, is a long-time member of the Goodwill Women's Association. She points out that she is not the only member from Northville as Miss Ruth Knapp also belongs.

She encourages area women to go into Detroit for the Gay Nineties benefit — funds go toward a recreational facility for handicapped employees in the Goodwill Building. There is free parking at the northwest corner of Brush and Milwaukee.

Other booth titles are Apple Tree, Dry Goods, Greenhouse, Music Box, Pinafors, Rainy Day, Sweet Shoppe and Variety Shoppe. The bazaar fete is open to the public from 10:30 a.m. to 3:30 p.m. There is no admission charge.

At 12:30 p.m. there will be a dessert luncheon, card party and program by Mrs. Clayton Ildza, president of the Detroit Story League, in the third floor dining room. Tickets at \$1.50 will be sold at the door.

WESTERN Suburban Junior-Women's Club will hear Miss Esther Bain, director of Loch Rio Girlstown in Belleville, at its April meeting at 8 p.m. next Monday at Sword of the Spirit Lutheran Church in Livonia.

Miss Bain will show slides and tell about the girls at Loch Rio, a major project of the club. Groundbreaking ceremonies were held last November for a new, contemporary residential facility on a site overlooking Edison Lake in Belleville.

Michigan Federation of Women's Clubs, in which Western Suburban is an active member, works to create an atmosphere of warmth and friendliness for the girls at the home.

Nine members of the club are planning to attend the annual spring convention of the Michigan State Federation April 13-15 at the Detroit Hilton.

Unlike many women's organizations, Western Suburban still has openings on its membership roll because it is relatively new. Its president is Mrs. Dale Starr of Thornapple Lane. Anyone interested in attending the April meeting is invited to call Mrs. Ronald Rupert, membership chairman, 455-1076.

SILVER SPRINGS Chapter of Quarters Antiques Society will study old pewter at its meeting at 12:30 p.m. Wednesday, April 21, at the home of Mrs. Daniel Swayne, 18321 Larchmont. She is to present a study paper on pewter.

Members will be meeting the Swaynes' new daughter, Beth Ellen, who was born February 13 at Mt. Carmel Mercy Hospital. She is their fourth child and second daughter and weighed nine pounds at birth.

Last month the Quarter members

welcomed the new baby with the gift of an initialed pewter porringer... with the wish that this might begin her "collecting" as a future Quester.

A slate of officers for next year will be presented by the nominating committee of Mrs. Bruce Turnbull, chairman, Mrs. Grant Allen and Mrs. Dale Starr. It will be voted upon at the meeting.

WEIGHT-WATCHERS is forming a second Northville group with the first meeting set for 10 a.m. Friday, April 16, at Northville First Presbyterian Church. Mrs. Ruth Krammer of Farmington who leads the Thursday evening group at the church also will head the morning group, which is being formed for housewives and others who would prefer a daytime session.

"Weigh-In" will be at 9:30 a.m. Mrs. Krammer adds that the evening group is so enthusiastic about its losses that members keep arriving earlier and earlier to have losses recorded. There is a "maintenance" program at the evening session now for those who have reached their goal and wish to stay at it.

FIFTEEN reservations have been made by Northville branch members, Woman's National Farm and Garden Association, for the annual Tri-Club luncheon to be hosted this year by the Rosedale Gardens branch at Rosedale Presbyterian Church, Hubbard and West Chicago, at noon next Tuesday. Joining them will be Plymouth branch members.

A color slide presentation on Switzerland will highlight the program.

MIMI Merwin, daughter of Mr. and Mrs. George Merwin, 43461 Cottisford, presided at the 38th annual Michigan State Conference of the Children of the American Revolution April 2-3 at Holiday Inn West in Ann Arbor.

Informal entertainment Friday preceded Saturday's meeting at which those attending were welcomed officially by Mimi's sister, Jacki, Plymouth Corners Society president and state registrar. Weldon Petz of Farmington spoke on Abraham Lincoln and his heritage at the Saturday luncheon.

Among the 85 attending were eight other members from Plymouth Corners — Susie, Barbara and Katherine Willoughby of St. Clair Shores, Emily Hopp of Ypsilanti, Patty and Mike Stuart of Hudson and Dawn and Collette Hurlburt of Brighton. Mrs. Robert Willoughby of Plymouth, Mrs. Richard Stuart, Mrs. Richard Hurlburt and Mrs. Merwin were the seniors.

Mimi was presented with a silver charm with the C.A.R. insignia by her senior, Mrs. David Dupree, Jr. Later this month the Merwins and Willoughbys will be attending the national C.A.R. convention in Washington, D.C.

EASTER BUNNY—Little Karen Birecki of 22483 Ennshore got a chance Saturday morning, along with 450 other Novi "kids", to tell the Easter Bunny a secret. The Jaycee Auxiliary sponsored the Novi lunch for boys and girls during a pre-Easter fun hour that saw appearances from Skip-It The Clown, the Bishop Hillbillies, as well as Mr. Bunny.

News Around Northville

Expected home this week from Florida is Mrs. Howard Meyer, Sr., of 48120 West Eight Mile Road. With Miss Madeline Hay of Detroit she drove south last month to meet former Northville resident Mrs. Richard G. Nelson, who now lives in Scottsdale, Arizona. They met in New Orleans and drove to Cocoa Beach, Florida. During their stay they made day trips to Silver Springs and other areas.

Luther C. Sheridan of Jamestown Circle in Kings Mill has qualified as a new life member of the Life Insurance Leaders of Michigan, a state-wide organization affiliated with the Michigan State Association of Life Underwriters.

Mr. and Mrs. Clarence Luchtman of Orchard Drive are attending the National Cherry Blossom Festival in Washington, D.C. this week. The "Jills" from Bloomfield Hills, directed by Luchtman and recent performers at Kings Mill have been invited to perform at the Grand Presentation Ball in the Sheraton-Park Hotel by Congressman

Save Cans And Glass

Citizens for Environmental Action are sponsoring another collection for recycling from 9 a.m. until 3 p.m. Saturday, April 24, in the parking lot next to the Northville Board of Education office on West Main Street.

Properly prepared glass containers and cans will be collected. Citizens bringing glass containers are asked to be sure they are free of metal and reasonably clean. Cans, which are collected separately from the glass, must have the tops and bottoms removed and be flattened. The Continental Can Company will be recycling cans collected.

Next meeting for the group will be at 8 p.m. April 15 at the home of Mr. and Mrs. Mark Pingston, 1874 Payson, Walled Lake. Plans for a film-taking canoe trip on the Rouge River April 22 will be discussed. Another canoe is needed. Anyone can provide one, or anyone wishing additional information about the environmental activities of the group is asked to call Don Oswell, 349-4456.

124 E. Main
Northville
349-1050

William S. Broomfield and by invitation and arrangements made by Senator Robert Griffin to appear in Concert at the Rotunda of the Senate. A V.I.P. tour of the White House plus a reception by the Michigan delegation of Congress is on the agenda for the week.

The Northville - area Woman's Golf League, The Swingers, still has four or five openings for women who wish to play during the upcoming season. The group will tee off between 9 and 10 a.m. May 4 at Godwin Glen Golf Club on Eleven Mile Road in South Lyon.

Deadline for registration has been extended to April 20 with an orientation meeting set for April 27 at the golf club with Dean Clement, assistant golf pro, giving free instruction. Interested women golfers may call Mrs. Robert Barger, 455-9494, or Mrs. Thomas Schwarze, 349-5645.

Northville Senior Citizens will meet at 7:30 p.m. Tuesday, April 13, in the scout-recreation building. Following the monthly business meeting a program of games is planned with each member attending to bring a "white elephant" prize. Refreshments will conclude the evening.

Jaymie Schrot, a seventh grader at Our Lady of Victory School, was awarded a blue ribbon recently at the science and engineering fair of metropolitan Detroit. He built and entered a radio in the fair.

He is the son of Mr. and Mrs. James Schrot of 47900 West Seven Mile Road.

Members of Three Cities Art Club discussed the work of Andrew Wyeth following presentation of a film on the artist, entitled "Wyeth Phenomenon," at their April meeting Tuesday at Schoolcraft College.

AAUW Book Sale To Open April 29

Members of the Plymouth branch of the American Association of University Women are searching the Northville area this month for good used books for their 17th annual book sale, to be held April 29-May 1 at Westland Center.

According to sale chairman, Mrs. John Lodge, good books, paperbacks, magazines, sheet music and records in useable condition are needed. Large collection boxes have been placed in the following area stores: Kroger's in Northville; the Schoolcraft College Library; Great Scott, Stop 'n Shop, A & P, and Dunning-Hough Library in Plymouth.

Anyone wishing to have books picked up, may contact Mrs. Lodge at 427-1067 in Livonia, Mrs. Albert Phelps at 349-4739 or Mrs. John Culotta at 453-5771.

AAUW members have been collecting, sorting, and marking used books since early last fall and now have nearly 10,000 books ready for their three-day sale.

Proceeds from the sale will be donated by the Plymouth branch to the National AAUW Fellowship Fund, which awards stipends, scholarships, and fellowship grants to outstanding American and foreign women for doctoral study and post-doctoral research.

Trips Top NHS Plans

Several class trips and a meeting of the high school education specifications committee are on the schedule at Northville High School.

The April Parents-Principal meeting is set for 7:30 p.m. Wednesday, April 21, in the materials resource center.

The education specifications committee, composed of about 20 teachers, board members, parents and students, will meet at 7:30 p.m. tonight, April 8, in the materials center.

Science teacher Ronald Meteyer is taking his classes to Cranbrook Institute on an all-day tour today.

Also on tap is a trip to Dow Chemical Company in Midland for Robert Trombley's chemistry classes.

During Easter vacation Mrs. Joann Lininger is taking students in her French III and IV classes on a trip to Montreal, April 12-17, so that they may try their language ability.

The high school will dismiss at 11 a.m. on Good Friday for Easter vacation with classes to resume Monday, April 19.

Alpha Nu Plans Saturday Brunch

A Saturday brunch to be held at 10 a.m. April 24 at the home of Mrs. John Hobart, 42131 Brampton Court, Plymouth, will replace the regular April meeting of Alpha Nu Chapter, Delta Kappa Gamma.

The meeting originally scheduled for April 12 has been canceled as it falls during spring vacation in area school districts.

BIRTHS

Mr. and Mrs. Frank Laurette, 127 South Rogers, announce the birth of their third son, Stephen Douglas, March 29 at St. Mary Hospital. The baby weighed seven pounds, five ounces at birth.

He joins his brothers, Philip, 4, and Michael, 17 months, at home. Grandparents are Mr. and Mrs. John T. Laurette and Mr. and Mrs. Harold Brigham, all of Saginaw.

Announcement of the birth of a son, Michael Timothy, is made by Mr. and Mrs. Peter Wharton, 45801 West Seven Mile Road. The baby was born March 28 at St. Mary Hospital and weighed eight pounds, ten ounces.

He joins a little sister, Kelly, 2, at home. Grandparents are Mr. and Mrs. William F. O'Brien of Northville and Mr. and Mrs. James Wharton of Novi.

OUTSTANDING EDUCATOR—Member Ron Cowden (left) hands the Novi Jaycee's Outstanding Educator Award to Novi High School's Calvin Schmucker. Chairman of the English department, Schmucker is 28 and lives in Plymouth with his wife. He holds a BA in speech and dramatic arts from Eastern Michigan University and teaches speech, drama and English.

Case Quits; Blasts Croft

Wixom assessor Robert Case admitted before a special meeting of the Wixom Council and a near capacity audience last week Wednesday that he had done a "sloppy job on the assessment role."

Case apologized and submitted his resignation effective April 5.

Case also warned that should the city revert to the 1970 assessment figures, some of which reportedly have not been changed since 1960, the move would suit "vested interests" of Board of Review Chairman Lloyd Croft.

"If you roll back to 1970 figures," Case said, "you'll be assessing some property in the area that has sold for \$17,000 at \$1,500 or 10 to 15-percent of what it should be."

Case charged that some landowners by Croft, bordering the Ford assembly plant, would be assessed at an unfair rate compared to the true value of the land if the proposed roll-back were

carried out.

"You'll have your pockets picked of dollars," he told the audience, "and I can't abide that as your assessor."

Croft admitted that his land would not be assessed equitably but he claimed that the Wixom assessment roll — Case's assessment roll — was in such a "mess" that the entire city was in a similar situation.

The whole role is wrong," Croft declared later in the week. "We've been promised a new assessment roll for three years and on the ninth of March it was not ready for our board of review hearing. He (Case) didn't walk any of the property. It was the 17th before any notices were sent out. We just didn't have time to even look at it."

Case said last week that if the board of review would make 100 decisions the result would be "an equitable, fair uniform roll, but if the city goes back to the 1970 figures there will be more inequity and unfairness than in my roll."

Wixom Mayor Gilbert Willis — who in previous meetings defended Case, calling him a "qualified assessor" — laid the blame at his door Wednesday night saying "the resignation of the assessor indicates where the fault lies."

As a body, the Wixom city council has nothing to say about the board decision to roll back to 1970 figures.

Case predicted last week that the "disproportionate share" of the coming tax blow would lie on the shoulders of residential home-owners in subdivisions.

It's not structures which are the determining factors here," Case said. "It's large. Those people who have more land — large tracts of acreage — will pay less over the long run, while those whose lots are smaller, as in platted subdivisions, will pay more."

"The role has been completed," Mayor Gilbert Willis said Tuesday, and forwarded to the county with the 1970 assessment figures."

Egg Hunt Coming Up

A fun event for Novi youngsters through age 12 will be the order of the day Saturday when the Novi Goodfellows sponsor an Easter Egg Hunt at the city park.

The Egg Hunt is open to all Novi children — and it will be held promptly at 11 a.m., according to Miss Eugenie Choquet, Goodfellow chairman of the project, who advises parents to bring their children early so they don't miss the fun.

Novi's city park, formerly the township park, is located west of Novi Road on the south side of South Lake Drive, adjacent to Walled Lake.

Aaron W. Oliver

A Little Still Left . . . At 90

by PAUL FETTERS
Violin player, philosopher, writer of poetry.

Aaron W. Oliver ... 40840 11 Mile Road ... birthday-boy 90 times ... Novi area resident since 1906.

"Grand River was a toll road then," Oliver will tell you, "used to be a stagecoach run ... John Blessed and Sons owned a grocery store at Grand River and Woodward ... ran a coach to Grand Rapids and Lansing. The road was gravel from here to Eight Mile, then planks to Livernois."

With a steady eye and a clear voice that takes its time Oliver will tell you about how his great grandfather, Samuel Milford, bought 80 acres of farmland from the United States government for \$1.25 an acre in 1829; he'll tell you how the land stayed in his family until he bought 14 acres of it with a house in 1906; he'll tell you how he saved as a 25-year-old man to get the \$650 needed.

He'll say how he stayed on the farm

with his first wife, while two brothers left for Texas; how there were only two stores, both of them selling groceries and sundries, where the Novi Inn and Dave's Hamburgers are now located, how you couldn't buy gunpowder at either one of them after dark because you needed light to see, and the merchant wouldn't light a candle; how a snow storm could stop one of the few "horseless milk trucks" so bad you couldn't get to it for four days.

He'll talk about the fact that he was never inside a school until he was eight; about how "taxpayers didn't take care of people's babies in those days ... there were no kindergartens."

"We've got people believing," he'll complain, "that it takes a man with a college education to teach a kid his A B C's. People leave their kids in school all day long these days, it wasn't that way in my day. We have a juvenile problem today that we never used to have."

He'll talk about violence: "I'm sorry," he'll say, "that there are so

many people today trying to kill police. You'd think we'd grow more civilized but we seem to be growing the other way."

He'll tell you about after he was born in Troy Township in 1881, his family moved to Ann Arbor where his father Charles attended the University of Michigan Law School; how they moved to Pontiac where his father practiced law for two years and then to a Bloomfield Township farm where he stayed until he was 21. He'll talk about how he and his first wife, who died in the '20's, went to Rochester where he worked for a couple of years and then moved to what is now the 11 Mile address where he farmed "on the good beech and maple land" until 1962.

He'll tell you how when he stopped farming at 81 he took up the violin because it carries such soft music, and he'll ask to play for you.

He'll read you three or four selections from a red notebook full of poetry that he's been writing for the last 10 years.

He'll say again that he only has an eighth grade education, and quip that in his day you had to pass an examination given by a county examiner who didn't necessarily care whether you passed or not.

He'll peer over his glasses and inform you that you have to be educated in order to understand poetry and he'll ask if you can name the bones of the cranium.

You're quiet because you can't and, because you can't, you hesitate to call his bluff.

He'll tell you how he doesn't read much fiction because "I'm afraid if I mixed in fiction with nonfiction I might not be able to sort out the reality from the fantasy."

He'll tell you how he met the current Mrs. Oliver in April of 1929 in a Detroit friendship club, and how they were married in August of that year.

He'll tell you a lot of other things. And before you leave, he'll get up, shake your hand, and walk you to the door.

THE NORTHVILLE RECORD-NOVI NEWS

Thursday, April 8, 1971

Slain Man Identified As 'Lakes' Resident

Police were investigating early Wednesday the circumstances surrounding the death of 24-year-old Clyde LaLonde of Union Lake.

Found at 9:10 Monday morning by a teenage couple, LaLonde's body lay face down in a clump of weeds some 40 feet from the edge of Meadowbrook Road, one-quarter mile south of 13 Mile in Novi.

He had been shot in the back by a shotgun at close range.

The area has been shocked three times in recent months by two killings and a disappearance.

In February, John Keyes of Northville was found shot to death in a Northville Township lover's lane. His girlfriend 17-year-old Katherine Radtke, with whom he was last seen, has not been heard from since.

Two weeks ago, a young Plymouth man, Frederick Bodner, was found shot to death in a burning car in Detroit's inner city.

LaLonde's body, according to police, had been laying in the wooded grove for some two to seven days.

State and local police were close lipped Tuesday afternoon about any possible connection between the crimes, saying only that "the case was under investigation."

The body was found by Darrell Nelson of Keego Harbor and Ann Mekus of West Bloomfield, aged 16 and 14.

LaLonde had long shoulder length blond hair and a full beard in which police found bobby pins. When found, the

body was clothed in blue jeans and tee shirt.

The two teenagers were riding horses in the area when they spotted the body through the underbrush. They contacted police immediately.

Upon arrival, Novi Police Chief Lee BeGole secured the area for State Police Crime Lab technicians who investigated the scene completely. They have been working with Novi officials since.

LaLonde had graduated with a degree in education from Western Michigan University in 1968. During the time he was in school he worked with emotionally disturbed youngsters. Upon graduation he taught in the Grand Rapids school system until the fall of 1970.

While in school he engaged in numerous extra-curricular activities and was at one time president of his student council.

BODY FOUND—A teenage couple, horseback riding early Monday morning, stumbled on the frozen body of Clyde LaLonde of Union Lake. The body was laying face down some 40 feet from Meadowbrook Road near 13 Mile in the clump of weeds above.

In K & B Subdivision

Council Ok's Plats

By split votes Monday night the Novi Council granted preliminary plat approvals to Kaufman and Broad's Heathergreene and Heatherwyke subdivisions in Village Oaks.

The subdivisions include some 153 lots.

Dissent came from Councilmen Edwin Presnell and Louie Campbell, who complained about wording on the plat drawing because of the existence of a "private easement" through some front yards in the subdivision.

Barry Stulberg, vice president for the developing company, explained that the private easements were for public use and that the owner of the home could not erect any permanent structures over them.

City Attorney Howard Bond ruled that in the case of such an easement repair work done to the property that might result in the destruction of grass, shrubbery or other lawn decoration or structure was not the responsibility of the city but rather that of the homeowner.

Stulberg said he would change the wording on the plat covenants as well as on the drawings to indicate that the easements were for public facilities.

In other business Monday night councilmen listened to a report from the newly created library board.

Chairman Philip Cozadd led discussion which centered around the question of who held the board's purse strings.

By ordinance, according to Mayor Joseph Crupi the library board is an autonomous body, dependent on the council only for the appointment of its members and a signature on account warrants.

"The council must approve the board's expenditures," said Crupi, "and if we don't like them we have the option of appointing replacements to the board."

The library board, as a operating budget has available ½ mill of earmarked taxes according to the ordinance.

In still other business councilmen—Resolved to continue the pay of former City Manager — Assessor Dallas Zonkers until April 30. Zonkers resigned last week, effective April 16 at the end of a two-week paid vacation.

Councilmen Denis Berry and Louie Campbell cast the only dissenting votes. "Two days notice is not enough," said Berry. Campbell agreed: "He left in the

most important part of our year."

There were reports early last week, from council sources, that both men were ready, to fire Zonkers, at last Monday's meeting but that he resigned prior to their action.

—Heard City Treasurer Gerry Stipp explain that the city's assessment roll was nearly prepared for county examination.

—Granted a city dump truck to a Novi High School clean up project directed at the southeast portion of the city.

Student body representative David Fear was on hand Monday night to request the truck, and explain the program.

In connection with Earth Week, Novi High School students will clean up a portion of Nine Mile between Haggerty and Novi Road and Meadowbrook between Grand River and 11 Mile.

Opened and passed to Councilman Ray Evans for study with Fire Chief Fred Lloynes the bids on a new fire truck and ten monitor radios.

90 YEARS OLD—"It's not a poetic age, it's a mechanical age" says Aaron Oliver, 90, who plays the violin for relaxation.

Wixom Newsbeat

'Town Crier' Board Plans Announced

by NANCY DINGELDEY

At least the sun was shining and the skies clear for the beginning of the Holiest week of the Christian world. Traditional services were held in all the area churches and in many cases, the symbolic palm frond was passed to the parishioners.

Easter to children, of course, means the furry, long-eared friend with bobbed tail, candy, baskets and colored eggs. It's a time for new suits, coats and beautiful hats, decorated cakes and a succulent leg-of-lamb or glazed ham. A feast day.

But, under all those "trimmings", a very blessed and holy day—a day rich in thought. So, to all our friends, near and wide, our family wishes a very happy Easter, with all the joys and blessings that are Easter.

A note received from old Wixom friends, Anne and Ray Wietala who have settled in Green Valley, Arizona. Things must be bad all over. They report the "winter" weather this year was the worst it's been in 20 years! It's shaping up though—spring is coming, (and spring in the desert is really a thing of beauty), the "wintering" birds have left and Anne's out in the garden planting flowers.

The fourth, fifth and sixth graders at Wixom Elementary School really turned out some great pieces of art work for the P.T.A. sponsored poster contest for the upcoming school fair on April 24.

Helen Tillman, Sally Zielinski and I really had a job judging the posters—the kids did a great job.

Young Buys UP Camp

New owner and director of Pioneer Camp at Manistique, Michigan, is G. Gordon Young, a Thurston High School counselor in Redford Township and Northville resident who with his wife, Jane, at 855 Scott.

Young, who is planning a "very flexible" program for boys and girls in the 8-16 age group, says he "will be walking the 45 acre-camp surrounded by an acre-and-a-half of water long before last traces of snow disappear from the heart of the Hiawatha National Forest in the Upper Peninsula."

An assistant camp director for the past three summers, Young says he does not plan to run a traditional, scheduled camp but will encourage special interests of the campers and will plan an overnight trip each week. The camp has 13 camper units and a main lodge among its 22 buildings and has tennis and basketball courts.

Two three-and-a-half week sessions or a seven-week session are planned with staff members having at least two years of college.

Young has his BS degree from Michigan State University. His wife, also a Thurston teacher, has a background of camping experiences.

The following winners will receive tickets for the various booths at the fair: Sixth Grade: first prize—Brenda Whaley, second prize—John DuFresne, Third prize—a tie, Jim Aro and Judy Spencer.

Fifth Grade: first prize—Lori Lahde, second prize—Linda Brown, third prize—a tie, Dorie Evans and Laurie Evans.

Fourth Grade: first prize—a tie, David Pastula and Steve Posey, second prize—a tie, Mary Gainer and Kevin Goodwin, third place—a tie, Cher-el Fawcett and Susan Allred.

The Loon Lake Coffee Bowling League had its annual bowling banquet last Saturday planned this year by Wes and Bette McAtee and Vi and Gunnar Mettala. The traditional cocktail hour was hosted by the McAtees at which time the banquet destination was announced. This year an evening of dining and dancing was enjoyed at the Thunderbird and the top team of Barb Armstrong, Elna Sale, George Tourin and Louis Weeks was honored.

What is hoped to be a service helpful to the whole community will be installed shortly at both the General Store and Post Office. A "Town Crier", in effect a bulletin board, where pertinent information can be posted so that more people can be informed of certain happenings within Wixom. A perfect example would be a death where the funeral occurs before publication of the newspaper—in so many instances, people have said "if only I had known". Births will also be listed as will any special meetings of the City Council, The "board" will not be used to post any other organizational meetings or items of that nature at this time.

To make this work, however, information must be received quickly so as to make the board timely. You may call either Elwood Grubb at the Post Office or myself (624-3950) and we will see to it that the "word" is posted. Remember, deaths, births and only special Council meetings.

Fred Waara was the man who dipped into the box to draw the winners of this week's Wixom Centennial raffle. Ida Ramsey was the smiling holder of the \$50 first prize and Carolyn Morehead held the lucky-second prize ticket good for \$35. And Store Manager of the "Good Ole" General Store, Guy DuFresne collected his \$15 third prize winnings.

And congratulations to the happy kids (and no doubt, their parents, too) who made the honor roll at Walled Lake Junior High for the past marking period. From Wixom they are: (Eighth grade) Ken Aubrey, Sharinn Barry, Lynn Case, Barbara Eastland, Kari Kujala, Cynthia Lentz, Patrick McCormick, Kevin Nissen, Teresa Spencer, Melinda Weber and Martin Wisneski.

Seventh graders taking honors are: Terri Aiken, Heidi Buttenmiller, Sandra Davies, Edward Johnson, Sue Partee, Robert Pastula, Robin Peyer, Steve Preuss, Steve Preuss, Nancy Jo Tillman, Phyllis Turner, Jean Walsh and Cindy Zachos.

An "All Points Bulletin"—word comes from the Birch Park Improvement Association that they are in need of empty fuel oil tanks to use as buoys for their rafts this summer. For those of you reading this who are disposing a fuel oil tank, the Association would appreciate a call and they will gladly remove it for you. Contact Marie Walsh at 624-4280.

Wixom golfers will not be at a loss this summer for league competition, according to Parks and Recreation Commission member Pat Spencer.

Hickory Hill Golf Club will host league play for men and women under the sponsorship of the commission.

All those interested are asked to sign up at the city hall at 8 p.m.—on April 19 for the men and April 26 for the gals.

ROBERT BROUWER

New books at Northville Public Library this week are:

FICTION

"The Passions of the Mind," Irving Stone; Compelling portrait of the Viennese neurologist focuses on the intense agonized years of research

Slate Set By Nursery

New officers for next fall were elected by the Novi Cooperative Nursery at its meeting April 1. Mrs. Zoe Ann Price is president.

Serving with her will be Mrs. Mildred Parker, vice-president; Mrs. Sheryl Hayes, secretary; and Mrs. Irene Goebel, treasurer.

A visitors' night program and a fund-raising project were planned. Interested area parents of youngsters who will be three by October 31 are invited to attend the Visitors' Night program at 8 p.m. April 29 at Living Lord Lutheran Church on West Ten Mile Road. Slides taken of children participating in nursery activities will be shown and the nursery program will be explained.

The nursery is divided into two sessions, meeting on Monday-Wednesday-Friday and on Tuesday-Thursday. Total enrollment is 40 children. The mothers report the recent fathers' night program was most successful.

Plans were made for a rummage sale to be held from 5 to 9 p.m. Friday, April 23, and from 9 a.m. to 3 p.m. Saturday, April 24, in Novi Community Building. Proceeds will be used for equipment and supplies.

College Board Hearings Begin

Arguments on the one-man, one-vote suit concerning Schoolcraft Community College are expected to begin today (Thursday) before Wayne County Circuit Court Judge Rolland L. Olzart.

This is the case in which the New Democratic Coalition of Livonia is demanding that the make-up of the college board of trustees be based on the one-man, one-vote principle.

Specifically, NDCL contends that Livonia, which has the greatest population within the communities making up the college district, should be entitled to the greatest number of representatives on the board.

With Rotary Travelogue

Visit Pacific Shore

Robert Brouwer, whose unique film presentation utilization three screens and four projectors has been widely acclaimed here and elsewhere in the past, will highlight a travel adventure program Thursday, April 15.

Sponsored by the Northville Rotary Club, the program is titled "Our Pacific Shorelands." It will be given in the Northville High School auditorium beginning at 8 p.m.

Tickets—\$1 for students, \$2 for adults—are available from any Rotarian, or may be obtained at the Northville Insurance Agency, Harold Bloom Insurance Agency, Northville Drug, Manufacturers National Bank or the Northville Camera Shop.

A resident of Grand Rapids, started his

hobby of photography many years ago. His first slides were enjoyed by friends and neighbors, who encouraged him to produce a finished slide program.

His first program utilized a single screen and projector. Later, he used two screens and two projectors. Now, he has developed a revolutionary technique in which he used three screens and four projectors. He also incorporates hi-fidelity stereophonic equipment and music and sound effects recorded on-the-spot.

He was commissioned by interest groups and the national tourist agency

of Holland to produce a similar travelogue on The Netherlands—an unprecedented arrangement in the travelogue field.

Next week's program will take viewers for a trip along the "El Camino Real" highway, now California Highway 101, taking in early Spanish missions. Near Santa Barbara, the seed growing farms will present an eye-thrilling mosaic of blossoms.

Beyond, the viewers will climb giant Mt. Rainier and explore rare ice caves. They'll comb Oregon's treasure-stewn beaches and shop in Portland's fabulous Lloyd Center.

Students Give Panel

A panel discussion and a fashion show of traditional costumes highlighted the unit of Africa recently studied by fourth graders in Miss Kathleen Fulton's Main Street class.

Those on the panel were Kevin Schugar who served as moderator; Bill Quigley, Ivory Coast; Robert Chapman, Egypt; Jeff Prodder, Nigeria; Holly Kent, Libya; and Mary Wheatley, Kenya.

Wearing traditional costumes of the countries were Paul Ivey, Audrey Warner, Debbie McMullen, Mary Durham, Linda Danol and Debbie Collins.

Attending the presentation were parents of the students, Donald Van Ingen, principal of Main Street, and Richard Norton, principal of Cooke Junior High Annex.

Parents Set Party Plans

The parents of Northville's 235 seniors have announced plans for the all-night graduation party to be held following graduation exercises on June 15. Entertainment will begin at 10:30 p.m. with dancing, swimming and a buffet followed by a breakfast. The festivities will close at 4 a.m.

"Up - Up - and Away," the theme of the senior's homecoming float, has been selected as the party theme with the cafeteria, hall and patio decorated using the idea, a committee spokesman said.

Committee chairmen have been named and parents are asked to contact the general chairman or the chairman of the committee on which they wish to work.

General chairman is Mrs. William Sliger, 349-0581; entertainment, John Steimel, 349-1682; decorations, Mrs. William McDermott, 349-1344; buffet, Mrs. Glenn Deibert, 349-0285; breakfast, Mrs. E. O. Weber, 349-9971; electricity, Mike Mahaney, 349-0027; telephone, Mrs. Bernard Bach, 349-2306 security, Bram LeButt, 349-2089; clean-up, Mrs. Ralph Luckett, 349-1046; publicity, Mrs. Robert Mohr, 349-2651; secretary, Mrs. J. M. McCurdy, 349-5191; and treasurer, Mrs. Harold Wright, 349-1276.

Committee members have estimated the cost of the party will be about \$1,300 and have asked parents of graduates for a \$5 or more donation. Checks may be made payable to Northville High School Senior Class of 1971 and mailed to Mrs. Wright, 19850 Westhill, Northville, 48167.

Police Blotter

Explosion, Thefts Top Area Police Reports

In Northville . . .

A Northville man was injured Tuesday morning in an explosion at Foundry Flask and Equipment Company, 456 East Cady Street.

Foster Ashby of 19476 Maxwell was treated for stomach and leg bruises sustained when the hose of the air

hammer with which he was working ruptured. The explosion took place at 8:48 a.m.

According to police reports, Ashby mistakenly connected the air hose to the oxygen unit, causing the hose to explode when the air hammer was turned on.

Police said the hose ripped through 3 layers of Ashby's clothing, injuring

him. Ashby drove himself to a local doctor's office.

Windows in the building were blown out and the hose and pipeline were damaged but no fire broke out.

A 15-year-old youth received minor injuries when he was hit by a car while running across Main Street. The ac-

cident occurred shortly after noon Saturday just east of Center Street.

According to police reports, David Goss, 8882 Napier Road, was taken to St. Mary hospital where he was treated for cuts and bruises.

Witnesses told police Goss was crossing Main Street against the traffic light when he was hit by a car driven by

Kenneth M. Hinkel, 43534 Cottisford Drive. Hinkel was eastbound on Main Street when the accident occurred. According to police no tickets were issued.

Police investigated the break-in of the Marathon Service Station at 480 West Seven Mile Road in which \$53 cash was stolen.

According to police reports, entry to the building was gained by breaking a window out of an overhead door.

Investigating officers placed the time of entry between 11 p.m. March 30 and 12:30 a.m. March 31. The money was taken from the cash register, police said.

City Police Corporal Ed Filkins submitted a letter of resignation to the department on Monday to be effective April 16. Reportedly he is seeking a position with another police force.

COURT NEWS

Marc E. Jenesel of 931 Carrington Dr. waived examination on charges of possession of marihuana and dispensing of marihuana and was bound over to Wayne County Circuit Court.

The action came Thursday, April 1, before 35th District Court Judge Dunbar Davis. Jenesel will be arraigned on information April 19 before Circuit Court Judge Horace Gilmore.

Jenesel was arrested on the charges by Northville City Police on March 13. He is free on \$4,000 bond on each charge.

In 35th District on March 30, Carl J. Bell of Detroit pleaded guilty to a reduced charge of driving while ability impaired and was fined \$129.

Bell was arrested by city police on March 20.

Ronald L. Shegos of Clio pleaded guilty to a charge of disorderly person conduct - profanity in a public place and was fined \$54. He was arrested by city police March 19.

A Battle Creek man, Clifford F. Kent, charged October 17, 1970 with disorderly person conduct - profanity in a public place was found guilty of the charge and fined \$39.

Arrested March 12 for drunkenness, Jack R. Brooks of Walled Lake was fined \$54.

Two Westland men, Kenneth P. Szostak and Kenneth A. Kessler, were fined \$24 each for permitting an unlicensed driver to operate a motor vehicle. Both men were arrested by Northville Township police.

In District Court on March 26, a Highland Park youth, Terry D. Davis, was fined \$29 and (suspended) and given a three-day jail sentence (suspended) on a charge of no operator's license - never acquired.

Davis was arrested on the charge by city police March 26 on the charge.

FIRE CALLS

April 5 - 4:41 p.m., Gerald Street near DPW yard, grass fire.

April 6 - 8:48 a.m., Foundry Flask, explosion.

April 6 - 9:49 a.m., Beck Road between Main Street and Seven Mile, two brush fires.

In Township . . .

Township police are investigating a break-in at Meadowbrook Country Club in which \$50 was stolen.

According to reports, the break-in was discovered Tuesday morning. Police said a window was broken in the office area and entry had been attempted through a door.

Time of the break-in is put between Monday morning and early Tuesday, police said.

Township Police Chief Ron Nisun issued a warning this week to owners of mini-bikes.

"It is against the law to operate the bikes on public property and streets," he said. "We are no longer giving warnings but rather are issuing tickets to children."

"We have a problem with mini-bikes every spring and it's getting worse," Nisun noted.

In Novi . . .

Novi patrolmen William Brown chased and apprehended 22-year-old Brian Daniel Schauburger of Melvindale last week when the latter drove away in a tow-truck belonging to Sandy's Mobil, 26950 Novi Road.

Backed up by Officers Dale Gross and Jerry Pratt, Brown pursued the truck west on I-96 to Beck Road, and then along the Freeway service drive to Wixom Road where the vehicle was finally stopped.

Everett Stomper, an employee at the Mobil station, told police that Schauburger said his car had run out of gas and he asked for a lift. The two were about to leave, according to reports, when Stomper discovered he'd forgotten a gas can and returned to get one.

Schauburger, according to police, then fled with the truck.

Area citizens reported the loss of \$170 worth of tires recently in two separate thefts.

Both individuals lost two tires from their garage while they were at home, police reports indicate.

Mrs. Charles Smith, 23233 Balcombe, valued her tires at \$80 and Ronald Spielman, 22517 Chestnut Tree Way, valued his at \$90.

Police report \$650 worth of tools plus a disc grinder stolen from Thomas Steel Forms last week Wednesday.

Dick Wollberg, employee of the firm, told police that he locked the building at 5 p.m. the previous day and that nothing was amiss at that time.

Entry was gained, police believe, through a previously broken window that had been covered with aluminium.

In Wixom . . .

An 18 horsepower outboard motor was stolen from a boat and trailer at 47900 Pontiac Trail where it had been chained in winter storage, police report.

Charles E. Hassell, of Milford reported his motor stolen last week Tuesday. Loss was set at \$200.

Harold Frank Boxondale of Milford who lost control of his car last week Wednesday on the I-96 freeway west of Wixom Road and it rolled over, was arrested for being drunk and disorderly after refusing a breath test.

Insulation protects the temperature inside a thermal jug . . . think what it could do for the temperature inside your home! Acting as a barrier to resist the flow of heat in any direction, it would keep the heat inside for more comfortable warmth in winter and keep the heat outside for more comfortable coolness in summer. Insulation would save you money, too. By cutting your fuel consumption, it would reduce your fuel costs (in many cases as much as one-third). And the insulation that reduces your heating costs also reduces your costs of air conditioning for summer comfort.

Insulation makes good sense for a picnic jug, why not for your home? No matter how you heat or cool your house, we think insulation is one of the best ways for you to improve your personal comfort and save money. Get the complete story.

MAIL THE ATTACHED COUPON AND WE'LL SEND YOU OUR FREE GAS HEATING INSULATION FACTS BULLETIN.

'Red' Budget Goes to County

The 1971-72 school budget, showing a deficit of \$475,000, received tentative approval of the Novi Board of Education Monday night.

It is this preliminary projection of need that is submitted to the Oakland County Allocation Board. Deadline for receipt of the budget by the county board is April 19.

Showing a total outlay of 1,715,000, the budget, according to Superintendent Thomas Dale, makes no provision for expansion of the current program. It does, however, anticipate the opening of the district's two new schools — Novi Middle School and Village Oaks Elementary — together with the hiring of additional teachers.

The budget also projects a nominal increase in salaries and it reflects rising costs of materials.

It is on these projections that the allocation board bases its ultimate decision on how much of the total 15-mill county allocation is to be awarded to the local school district. Last year Novi

received 9.63 mills, with the remainder going to the county and townships.

If the proposed budget is to be balanced (school districts cannot operate deficit budgets) it will require the levying of 26.13 mills. Of this, only seven mills are assured. A voted seven mill levy has not yet expired. The remainder would include the same county allocated share (9.63), plus the 9½ mills that will be put to voters on April 19.

The latter includes a proposal to renew 4½ mills for a five year period, and a proposal for an additional 5 mills, also for a five year period.

In other business Monday, the board—

—Opened bids on furnishing of the Village Oaks Elementary library. Six bids were received, ranging from a low of \$3,182 to a high of \$5,512, and referred to the superintendent for review and recommendation.

—Awarded contracts for furnishing of Village Oaks (excepting the library) to McFadden Corporation at a cost of \$3,858.00 and to Michigan School Service at a cost of \$15,966.50. Bids on this furniture, including desks, chairs, tables, cabinets and storage facilities were received earlier.

—Received the preliminary report of the citizens committee chairman, Dicon Tafrahan, on matters pertaining to student discipline, citizenship, drug abuse and vandalism. The report was referred to board members for study.

—Received a letter from the City of Novi, in which the city council questioned the advisability of collecting part of the school taxes in the summer as suggested by the school board as a means of correcting the lag between the time bills are due and the time tax money is received.

School officials hope to meet soon with city council members to "iron out" any differences the two groups may have on this matter.

KIM BRINES
'Callow' Spells
'Bee' Winner

A Novi Junior High eighth grader, Kim Brines, won the Detroit News District Spelling Bee held at the South Lyon Junior High March 31. Kim correctly spelled "callow" after runner-up Russ Erickson of Apollo Elementary in Highland had faltered.

Kim runner-up in last year's district contest, will represent the area in the final spelling bee at the Detroit News Building on May 5.

Ten representatives from schools in South Lyon, Milford, Union Lake, Highland, and Duck Lake participated in Wednesday's contest.

Novi Slates Vision Tests

A free vision testing service, sponsored by Delta Gamma Sorority under the direction of the Oakland County Health Department, will be held in South Lyon on April 21 for Novi and South Lyon youngsters.

According to Mrs. Lorraine Anderson, public health nurse at Orchard Hills Elementary School in Novi, all children entering kindergarten in a Michigan school in September, 1971, will be required to have their vision tested before school entrance.

The free testing service is being provided to make compliance with the law easier.

The April 21 screening will be held at the First Presbyterian Church, corner of Lake (10 Mile Road) and Wells streets in South Lyon from 9 to 11 a.m. and from 1 to 3 p.m.

Persons with questions about the program are asked to call Mrs. Anderson, 349-2110, or Mrs. Mary Masini, public health nurse at South Lyon, 437-1631, or the South Oakland Health Department, 358-1400.

For Winning Essayists

Civitan Prize Told

Attendance at an expense paid youth seminar at Albion College is in store for four Northville High School students who win an essay contest sponsored by the Northville-Kings Mill Civitan Club.

Rules for the contest were announced this week by the club's project chairman, Bill Hopping. Deadline is April 26.

Any 10th, 11th, or 12th grader is eligible to participate. The essay, which may be on any current issue facing the nation such as environment, pollution, education, conservation, population control, civil rights, drugs, and urban affairs, should be typewritten and contain a maximum of 500 words.

Entries, according to Hopping, will be judged on knowledge of subject, clarity of thought and presentation, and creative approach to the solution of problems.

Entries should be mailed to the Northville-Kings Mill Civitan Club, P. O. Box 143, Northville, Michigan no later than

April 26. Each contestant should attach a cover sheet with his essay, giving his name, address and telephone number. Winners will be notified by May 1.

The Civitan Youth Seminar will be held at Albion August 17-21. It will feature such speakers as U.S. Senator Robert Griffin; Robert M. Teeter, deputy director of the U.S. Environmental Protection Agency; Dr. Nicholas Nyaradi, director of the school of international studies at Bradley University and former minister of finance for Hungary; Jerry D. Roe, executive director of the Michigan Republican Party; and Orville P. Brink, president of Civitan International.

Objectives of the seminar are threefold:

1. To present expert testimony relative to current issues facing the nation, such as pollution, racial discrimination;
2. To permit a thorough interchange of ideas relative to each presentation

made—discussion groups, question and answer periods.

3. To provide an atmosphere conducive to easy listening, fruitful discussion, quiet reflection, and enjoyable recreation.

Contest winners at Albion will receive four nights of lodging, 11 meals, insurance coverage, and be provided complete recreational facilities.

The three local winners will stay at an entirely new dormitory.

Presentations will be made at the brand new science hall, featuring the latest in sophisticated audio-visual equipment, seating and ultra-modern sunken lecture area. Facilities for tennis, swimming, canoeing and other recreational activities abound on the 90-acre campus.

Montessori Workshop Scheduled in Detroit

The Annual Michigan Montessori Society Workshop Conference will take place at Mercy College, 8200 West Outer Drive, Detroit, on Saturday, April 24, Dr. Willis B. Hunting of Northville announced this week.

The conference will feature a morning lecture by R.C. Orem, a well-known educational consultant and author, prominent in Montessori circles for his numerous books, including "Montessori and the Special Child" and "Montessori for the Disadvantaged."

The afternoon conference will offer numerous workshops specially designed for Head Start; the child with learning disabilities; language and numeration; creativity; socialization; discipline; and motor-sensory development for the preschooler.

These workshops will offer practical ideas and workable techniques recommended for parents and teachers, Dr. Hunting, official Conference host,

said.

Mrs. Effi Weinberg, who has planned the conference, says "This is exactly what makes Montessori a very unique way of educating young children. There is a concrete link between the philosophy and its practical applications."

Persons wishing additional information are asked to write the Michigan Montessori Society, 2490 Airport Road, Drayton Plains, 48020.

OBITUARIES

MRS. MARY E. BARNES

Funeral services for Mrs. Mary E. Barnes of Gladwin were held there Wednesday morning at Mathews Funeral Home. Mrs. Barnes was the sister of Mrs. Margaret Hollis and Mrs. Alice Taggart of South Lyon and the sister-in-law of Mrs. Myrtle Manzel of Novi.

Mrs. Barnes, 71, died April 4 in Punta Gorda, Florida, after an illness of 10 days. She was a registered nurse and a former resident of Byron where she owned the Byron Nursing Home for 10 years. She was a nurse at St. Joseph Hospital in Flint for 21 years.

A graveside service was being held in Byron Wednesday afternoon.

Mrs. Barnes was married to Oscar Barnes September 30, 1945, in Salem. She was born November 22, 1899, in Scarborough, England. She was a member of the O.E.S. and St. Paul's Episcopal Church in Gladwin where she had lived since 1963.

In addition to her husband and sisters, she leaves three sons, Harold and Howard Boilat of Swartz Creek, Elmer of Howell; a daughter, Mrs. Shirley Beach of Fenton; two brothers, William Pickard of Fenton, Ralph Pickard of Union Lake; 25 grandchildren and 21 great-grandchildren.

MRS. MARGARET C. MAHONEY
Funeral services for Mrs. Margaret C. Mahoney, 87, of 33075 Grand River, Farmington, were held last Friday from

Casterline Funeral Home with the Reverend Lloyd Brasure of Northville First Presbyterian Church officiating. Mrs. Mahoney died March 30 at St. Mary Hospital after an illness of six months. Interment was in Evergreen Cemetery, Detroit.

Mrs. Mahoney had lived in Farmington for 20 years. She was a member of the Blue Star Mothers of Farmington. She was born February 27, 1884, in King Garden, Ontario, Canada, to John and Mary (Campbell) Chalmers. She was preceded in death by her husband, James D. Mahoney.

She leaves a son, James D., of Northville, eight grandchildren and four great-grandchildren.

Guest Editorial

Abortion Law No Certainty

The proposal to sweepingly revise Michigan's abortion laws will without much question be the most controversial, emotional issue of the 1971 Legislature. The Senate, after three years of effort, has passed an abortion reform bill. It has now begun its slow process through the House. Speaker William A. Ryan has announced his opposition to it.

Although it narrowly squeezed through the Senate, Senate Republican leader Robert Vanderlann (R-Grand Rapids) admitted, "The pressure from all sides is terrific." He and other senators acknowledged they would like to get it out of the way, which they did.

Since the bill was reported out of committee, senators said they were besieged by thousands of "emotional" telephone calls, letters, telegrams and personal visits.

"Everything that can possibly be said about the issue has been said," commented Senator Alvin DeGrow (R-Pigeon).

Speaker Ryan doesn't agree. The Senate, he said, may have pushed the bill through without too much thought. He has, therefore, resisted all attempts to bring it to an immediate vote in the House and referred it to the House Social Services and Corrections Committee which has pledged itself to a series of statewide public hearings.

The bill that sailed through the Senate this year is basically the same as the one that flopped there last year. It allows a woman who is a Michigan resident to obtain an abortion within the first 90 days of pregnancy with the permission of her husband or parent.

The bill already has drawn some side bills. Senator Garland Lane (D-Flint) has introduced one to repeal a little-known law which provides a manslaughter penalty for persons who aid a pregnant woman to obtain an abortion. He points out that it is meaningless to discuss abortion reform until this law is repealed.

Representative Warren N. Goemaere (D-Roseville) has brought out another bill which would eliminate abortions from regular health insurance policies. He proposes that abortions would have to be handled under a special rider on the insurance policies. "I can't see someone's hospitalization insurance rates going up to cover the costs of someone else's abortion," Goemaere says.

★ ★ ★

A group of House members have proposed legislation which would allow wives of prisoners to spend time with their spouses in prison. Sponsors Nelis J. Saunders (D-Detroit), Daisy Elliott (D-Detroit), Alma Stallworth (D-Detroit) and William M. Brodhead (D-Detroit) ask that inmates or patients in state institutions be allowed regular conjugal visits from their spouses.

The bills would require the state's Mental Health and Corrections Departments to establish and supervise a program of regular marital visits for patients and inmates.

★ ★ ★

Every bottle or can you toss away would cost you a dime under legislation introduced by Representative Thomas J. Anderson (D-Southgate). He has introduced a bill which would place a 10-cent deposit on all bottles and cans.

The Anderson proposal is a new approach to the many-times proposed ban on throwaway containers in Michigan. Anderson doesn't feel the ban on throwaways would do the job. "Banning bottles," he says, "will only make the can manufacturers happy."

Why the 10-cent deposit? Anderson said he arrived at that figure because "anything less won't give people enough motivation to return their empties."

He puts it this way: "We want the consumer to bring the bottle or can to a location and get his money back, instead of throwing it out of the car window or onto the solid waste pile. Then we want industry to figure out a way to put that container back into the system, so it can be reused in some way."

★ ★ ★

Michigan voters will in the 1972 general election decide once more whether they want Day-light Savings Time for the state. This is alright, says Representative Hal W. Ziegler (R-Jackson), but we may be getting too much in the deal.

Ziegler has introduced a House resolution asking Congress to shorten DST from the last Sunday in April to the last Sunday in October to from Memorial Day to Labor Day which, he figures, makes it more in keeping with the summer months.

GOOD...

Much as the modern term "legislative agent" has a positive connotation compared to "lobbyist" it better describes the work of the men and women engaged in influencing legislation.

Gone for the most part, is the evil little creature lurking the shadowy halls of the Capitol for clandestine meetings with susceptible Legislators whose arms can be twisted or whose palms can be greased all in opposition to what is best for the people.

Today's legislative agent is a professional representative of an organization or group who handles its interests in legislation. Many are specialists in complex areas such as insurance, labor relations or mental health. More than 30 represent education; others bring the thinking of businessmen, trade associations, social groups, manufacturers and labor unions to the Legislature. Even our local governmental bodies — city councils, township boards and county boards — have legislative agents.

Is this bad? Are these agents undermining our representative system of government by steering our decision makers from a proper course?

My answer is "no". I personally have received much valuable information, indication of attitudes, and just plain good ideas from legislative agents. They are helping taxpayers and public servants communicate with lawmakers, and this is bound to be good for the people.

If he keeps in mind that a legislative agent does have a special viewpoint toward pending legislation, a Representative can gain much from listening to him along with the rest of his constituency.

Representative Clifford Smart
60th Representative District

BAD...

In every state capitol and in Washington are large numbers of men and women not connected with these respective governments in any official capacity and whose task is to influence legislation in behalf of special interest groups. Some work without pay, but the vast majority are very handsomely compensated. Many of these special interest representatives, or lobbyists, are former legislators or congressmen who are hired because they know their way around the state houses and Congress.

Lobbyists must accomplish the enactment of laws desired by their employers, and the defeat of undesired proposals. Fair means of producing results are always preferred, but are not used exclusively. So successful have lobbyists been in their efforts that they have been frequently called the "third house" of the legislative branch of government.

Lobbyists' methods are often subtle and very effective. Included may be friendly gestures of every type that can be made without giving offense such as the publications of editorials and slanted news in friendly or controlled newspapers. Lobbyists have also not infrequently generously contributed to the campaign coffers of "friendly" lawmakers.

There can be no doubt that tougher and more effective legislation regulating lobbying activities is urgently needed on both the state and national levels. This must be done if the public interest is to be protected against the often inordinately powerful forces of narrow private interests.

Voices of Persuasion

Top of the Deck

Window Shopping for Excuse?

by JACK W. HOFFMAN

Maybe it's because of some bad past experiences... then again maybe it's because the woman who toils in our kitchen is a patsy.

Whatever the reason I leave the grocery shopping to my wife and, believe it or not, she relishes this chore. As a matter of fact the Friday or Saturday trek to the supermarket is the highlight of her week.

And by playing your cards right you, too, can build up an immunity to grocery shopping. Better yet you can divest yourself of that painful task of having to tag along with a woman who flies through a half-dozen stores before making up her mind on what pair of shoestrings to buy.

Of course, it requires early conditioning. Any guy in his fifth year of marriage who is still lugging around chops and toilet paper has already passed the point of no return; his stooped shoulders and flat feet are here to stay. Generally, he is the guy who got carried away with that honeymoon stuff. He had the mistaken notion that holding hands in the produce aisle was new love; but the time he realized his mistake he was left holding an old bag.

A good first step — but by no means the only play — is to fake some kind of allergy. Tell her you get athlete's foot by getting near the asparagus. If that doesn't work try mixing meat and hives.

Once you've established a good excuse, play the hero by volunteering to go despite the

terrible affliction it is likely to produce. Before you know it she'll be begging you to stay at home while she goes shopping.

If she resists and stubbornly insists you accompany her, try faking a dizzy spell, holding in reserve a good old fashion faint. And if you must use the latter make sure you collapse against a pyramid of soup cans. If your condition doesn't affect her the embarrassing noise may.

I don't recommend it but some desperate men have succeeded by carrying this technique one step further. I knew a guy who ran over himself with the grocery cart. Another stuck his finger in the banana stalks until he was lucky enough to run into a hungry spider. He was able to nurse the wound for a whole year of his wife's shopping.

Once you've conditioned her for super-marketing you can begin adding little errands for her now-and-then, like picking up a six-pack, shaving cream, or even spark plugs. It must be done gradually, of course, and the really successful man is the one who can make these jaunts exciting for her.

Give her six kids with lots of friends who would rather visit your house than anyplace in the neighborhood, toss in a few small animals (a single snake will do nicely), present her with a big dog that gets its kicks out of fertilizing the floor, and believe me come Friday or Saturday she'll beg for the privilege of shopping.

Police Post Plan Backed

EDITOR'S NOTE: The following letter was sent to Wayne County Commissioner John McCann with a copy To the Editor.

To the Editor:

For some months now the over-taxed and under-protected citizens here in western end of Wayne County in Northville Township thought they saw the light at the end of the tunnel when the Michigan State Police sought to locate their post here as more central to their operations.

Local citizens viewed the entry of this highly professional organization to the neighborhood as a partial solution to their security problems. They regarded the visible presence of the Michigan State police in the area as a persuasive deterrent in the same way a scout car on

the street causes drivers to ease up on the gas.

The problem of location seemed suddenly solved when the police themselves found the vacant buildings on Training school property which seemed ideally suited as a temporary stop-gap until permanent quarters could be found. All this at no expense to the taxpayers.

Suddenly road-blocks appeared out of nowhere, the most formidable of which were thrown up by the commissioners themselves who suddenly developed an interest in the buildings.

Please be sure Commissioner McCann no one is mad at the commissioners for their legitimate concern for the wards of the state. No one I know of is objecting to the use of their buildings for their state purpose; our only objection is for their NON-USE.

Let's look at another objection; "locating The State Police here would result in its expansion to the detriment of the Sheriff's department." We don't care to be placed in the middle of a jurisdictional dispute. We merely say when a man is drowning it is unimportant who throws the rope, but please throw the rope.

Here in Northville Township we have one patrol car to a township; the State Police has 30. A banner headline in the Northville Record of March 26 reads: February Police Calls Doubled. We don't like to advertise our crime problems, but perhaps one example based on personal experience will suffice. Last summer we had a breaking and entering, many irreplaceable things taken. The brazen way in which this was done illustrated the complete contempt of the criminal for the establishment. Deadlocks were pulled out by the roots, together with door jam and mouldings. The operator seemed to carry a message: "Locks and local police are for the birds."

We respect the legitimate concern for rehabilitation for wards of the State, but I suggest Commissioner that the real problem in Wayne County is the safety and security of the citizens themselves including the children. Interestingly one of the reasons given by the crime lab for seeking joint quarters with the police was PROTECTION.

If it is true that children are afraid of their police-protectors the situation is worse than we thought.

I suggest then that rehabilitation of the children should begin with a HUMAN RELATIONS LAB with the police themselves the instructors. If children because of their backgrounds

New Complex Shows 'Life'

To the Editor:

I just finished reading the letter from Mrs. Iversen, referring to the poor design of the new proposed complex. I'm appalled that one should compare Northville's poor features to those "good" features of Plymouth. Sure, Northville Rd. might not look so great—but Ann Arbor Road and Mill Street in Plymouth are far worse, just look!

If one were to shop in Plymouth they must pay to park, which is not always so here. The City Hall and Library in Plymouth are signs of stagnant repetition—the look of death. Downtown Plymouth has suffered for years, with no new buildings to replace those that have either burned or fallen down. Shopping centers are getting the business Plymouth once had.

Thus I strongly support the great men of Northville who are trying to bring in large new buildings, designed with bold new ideas and capable of attracting more businesses to our town. Let's be

Police Post Plan Backed

Continued from Page 8-A

have some twisted fear of their Protectors their re-education along these lines is urgent. These fear-ridden youngsters should be gently and firmly led out of their fantasy land into a world of reality where fear is replaced by respect that comes from trust and understanding.

We have heard it said around town that "Politics" not need will be the deciding factor. But perhaps "politics" has its good side too. I note that even the President of the United States has made crime a political issue of his Administration requiring political answers.

On that basis, Commissioner McCann, we hope that public, health, safety and general welfare is good "politics" too when applied equally both to the taxed and the untaxed.

Please be sure of our complete cooperation to that end.

Sincerely yours
Harold B. Putnam

young vibrant leaders, not spiritless followers.

With all sincerity, J.L.

POA Show Applauded

To the Editor,

I would like to thank the Novi Police Officers Association for providing young people an opportunity to share their talents with other young people in a show. It was a lot of fun and a fine experience for all of the participants. I hope that next year's contest is as successful as this year's.

Thank-you,
Debbie Duey

Old Church Gets New Use

The First Baptist Church of Northville will begin Sunday using the educational facilities of the old Methodist Church on West Dunlap Street. The trustees of First Baptist Church have worked out a weekly rental agreement with the trustees of the Methodist Church.

The Baptist Church will move its junior Sunday School department to the new location. In explaining the move, The Reverend Cedric Whitcomb, pastor of the church, cited a rapidly growing Sunday School that is outgrowing its facilities in the present Baptist Church building located at North Wing and Randolph.

The use of the Methodist property is the fourth outside facility being utilized by the Baptist Church. The church presently rents the Cooke Junior High gym on Wednesday nights for its Boys Brigade program, the recreation room at the Detroit Federal Savings for its Junior High Sunday School department on Sunday mornings and the College and Career department of the Sunday School use the family room of the parsonage as their meeting place.

The Baptist Church is anticipating a building program in the near future but in the meantime is utilizing available space in the neighborhood.

Spear Gives Year-Round Talk Here

Superintendent Raymond Spear was quizzed this week by a resident of Kings Mill seeking answers to questions asked about year-round school in this newspaper last week.

Spear said the school district would be surveying the residents rather than putting year-round school to a vote "because only a small percentage of the electorate turns out for elections. We want to reach 100 percent of the people in the district to get their feelings on the concept and feel this can only be done through surveying."

He noted the district will begin mock scheduling for year-round school in early May. Workshops will be held in April explaining the concept and what will be happening in Phase III of the study currently in progress.

"Elections are required by law for millages, bonding issues and election of trustees," Spear said, "but even then very few voters turn up at the polls."

He said a referendum could not legally be sought to put year-round school on the ballot "since it is a question of establishing the school calendar and that decision is up to the board of education."

Concerning the financial aspects of an extended school year, the superintendent said the state board of education "reached no conclusion on whether or not the concept could save money. Individual school districts studying the concept found from zero to 11 percent increase in costs," he explained.

"The state noted no objective data could be obtained until a program was put in operation," he said.

"We have found that approximately \$7.5 million could be saved in construction costs in the next five years," he said. "By operating year-round, a district will need fewer schools at a slower pace. Year-round school delays the need for building new schools."

"When a community is fully built up, there will be fewer schools to construct, staff and maintain," he added, "therefore, it stands to reason the costs will not be as high."

Spear explained yearly savings to each taxpayer are unknown because of not being able to anticipate what will happen to the state equalized valuation of the district, school bond loan program and state aid.

Novi Head Details School Needs Vote Sets 'Quality'

Editor's note: Novi School Superintendent Thomas Dale offers the following material as explanation of the millage issues upcoming in Novi and as a means of garnering public support for those issues.

The Novi Board of Education has passed a resolution to hold a Special Election on April 19, 1971. The polls will be opened from 7 a.m. to 8 p.m. All registered voters of the School District are eligible to vote on the two questions. The board wishes to determine the quality of education desired by the community.

The questions on the ballot are:
1. Millage Renewal of 4.5 mills which would bring in \$225,000 in funds for operation. This millage expired in 1970. The renewal would allow the continued levy of 4.5 mills for the years 1971-1975 inclusive.

2. Millage Increase of 5 Mills which would bring in \$250,000 during the first year. The levy would be for 5 years, 1971-1975 inclusive.

Why has the board decided to ask for this added local support?

1. State aid has been gradually reduced.

a. Last year \$221 per child was received from State Aid.

b. This year they promised the same but then reduced it in March to \$210 per child.

c. Next year is uncertain but it appears to be \$170 per child, under Senate Bill 107.

The Novi School District has suffered the following serious financial setbacks during the current school year:

1. The Michigan Supreme Court ruled that districts would be required to furnish all supplies which were required of students. Cost estimated at \$30,000.

2. By action of the Governor our state aid was reduced by \$29,468.

3. Loss of trailer park tax as a deduction from state aid \$7,797.

4. The rate of local tax collection has declined from 92 percent to 85 percent—a loss of \$88,790.

The above listed losses or cost increases will eliminate our fund equity by June 30, 1971. Our cash balance of June 30, 1970, was \$87,000. In order for us to open school last fall we received an advance in state aid of \$81,500 and borrowed \$300,000, upon which we will pay \$9,161.67 in interest.

This coming school year the total finances look even worse. We would

open the year with a low cash balance and would be required to borrow as much as \$450,000 and pay interest for this money. The state aid to our district will be reduced from \$221 per child to \$170 per child, a total reduction of \$99,042. This represents 2 mills of added tax.

In order to open our schools next fall we will require an increase in staff. We will open part of two new buildings.

The plan for staffing the buildings follows:

BUILDING	No. Teachers 70-71	No. Teachers 71-72	Difference	Teacher Salaries
Novi H.S.	40½	30½	-10	\$322,653
Middle Sch.	0	14½	+14½	146,503
Novi Elem.	18	17	-1	197,943
Orchard Hills	22	22	0	242,921
Village Oaks	0	6	+6	66,730
Spec. Ed.	3	3	0	32,265
Art, Music, Phy. Educ.	3	3	0	38,563
	86½	96	9½	\$1,037,578

The new buildings will require custodians, secretarial help, heat, lights, phone, cleaning supplies, etc. It is estimated that this cost is equal to approximately \$100,000—opening the buildings plus professional and non-

College Sets Music Dates

WAYNE DUNLAP, director of fine arts, has announced the dates for the fifth annual summer music school will be July 6 through 30.

Open to advanced young musicians through successful audition, auditions have been scheduled for April 24 and May 8. Enrollment is limited to 100.

Faculty members are musicians from the Schoolcraft staff and the Detroit Symphony Ensemble playing including full orchestra, wind ensemble and chamber music classes will be offered, as will a school for pianists and a class for composers.

Enrollment information is available from Mr. Dunlap at 591-6400, Extension 312.

professional staff. This is another two mills.

The loss of the "Grandfather Clause," which was a part of this year's State Aid Bill will further reduce the amount of State Aid by \$90,000—this is almost two mills.

The above are budgetary problems which can only be solved by a successful increase in the local taxes.

What taxes are the surrounding districts paying for the operation of their schools?

A. Our millage places us 27 of 28 school districts in Oakland County and below all of Wayne County.

B. Clarenceville, 31.90 mills; Farmington, 29.93 mills; Walled Lake, 28.23 mills; South Lyon, 26.13 mills; Northville, 28.90 mills; and Novi, 21.13 mills.

C. If the requested renewal of 4.5 mills is passed and the added 5.0 mills is passed our millage for operation would be 26.1.

Tell your school board what you want by your vote. A failure in this election could jeopardize our accreditation and cause drastic cuts in services from which it would be difficult to recover.

Why more people finance their homes at NBD than at any other bank.

This year, as in the past, more Detroit area people will come to see NBD about a home mortgage than will go to any other bank. We think their reasons will tell you a lot about our ways of putting families into the homes they want.

It isn't just the fact that we have more than 100 offices, although it's certainly convenient to do business right in your own neighborhood. And it isn't because we have more money to lend, although the fact that we're Michigan's largest bank let us keep right on making mortgages while certain other lenders were backing away from the business.

The real reason is that the NBD mortgage lending officer you talk with will put himself in your position. He has as much regard as you have for saving money through a single, low "flat fee" for closing as opposed to a percentage of the amount of the mortgage. He knows you won't want to incur a stiff penalty if you should someday need to prepay. He can help you weigh the pros and cons of low monthly payments versus the rate at which you build your equity.

At your nearby NBD office, you'll find a mortgage expert who'll be happy to sit down with you and talk over your needs. And you can pick up a copy of our new booklet, "Buying and Financing Your Home"—20 pages of facts and figures that every home buyer can use to advantage. Pay us a visit; we're here to help. The bank to see is NBD. National Bank of Detroit.

NOVI HIGHLIGHTS

MRS. H. D. HENDERSON

Mrs. Lillian Dale and daughters Aleta, Arlene, Allison, and Alberta of Fort Lauderdale, Florida, are the house guests of Mrs. Dale's brother-in-law and sister, Mr. and Mrs. Herbert Farah.

The Dales came up to Michigan to attend the golden wedding anniversary of Mrs. Dale's and Mrs. Farah's parents, Mr. and Mrs. Max Dyell. The celebration took place in Detroit and a reception was held for 150 people at Diamond Lodge.

Among the guests were Mrs. Dyell brothers, Ernest and Victor Durfin, from Atakoken, Ontario, two sisters from Sudbury, Ontario, and the Dale and Herbert Farah families.

Last Friday Mrs. Erwin F. Geppert spent the day with her daughter Noel Gregory at the Lutheran School for the Deaf in Detroit where Noel is a teacher.

Mr. and Mrs. Jack Anglin attended the graduation of Doreen Daniel from the Deaconess Hospital School of Nursing in Wadsworth, Ohio last week Thursday. Doreen, who is the daughter of Mr. and Mrs. Gerald Daniel of Wadsworth, will become the bride of Jack Anglin, Jr. later this month of April.

Sunday evening Lori Fox, daughter of Mr. and Mrs. William Fox celebrated her 13th birthday with the family at a birthday dinner.

Mr. and Mrs. William Fox will be entertaining on Easter Sunday friends they have known for over 30 years. They are: Mr. and Mrs. Werner Clause and family of Grand Rapids, Mr. and Mrs. John Moore and family of Livonia, and Mr. and Mrs. Robert Gresehover and family of Farmington.

Last week Wednesday Mr. and Mrs. Louis and attended the confirmation of their grandson, Gerald Goik, at St. Martin's Church in Detroit. Bishop Crowley officiated. After the service there was a family get together.

Mr. and Mrs. Russell D. Smith of Lynwood Dr. attended the wedding of their niece, Dianna Lynn Smith, at Albion last Thursday evening.

Mr. and Mrs. John French celebrated their 14th wedding anniversary on Tuesday. They celebrated by dining at the Shangrila Restaurant Saturday night with friends.

Mr. and Mrs. William MacDermaid attended the hockey game between the Northville Midgets and the hockey team from Parma, Ohio in Flint on Sunday. Dennis, son of the MacDermaids, plays with the Northville Midgets.

Among the guests at the prenuptial shower for Miss Nancy Brewer of Maudlen Avenue was Miss Eugenie Choquet, last Thursday evening.

On Saturday evening Mrs. Choquet attended the wedding of Miss Elaine Wilt and Mr. Roy Rule Jr. at the Baptist Church in Walled Lake. Miss Choquet was also present at the reception following the wedding at the Veterans of Foreign Wars Hall on Loon Lake Road in Wixom.

Mr. and Mrs. Ernest Schuler who moved from Novi to Versailles, Kentucky are back in Novi again and are living at 725 South Lake Drive.

Thursday evening at 6 o'clock the executive meeting of the Oakland County Law Enforcement Association was held at the Red Pagoda in Pontiac. Leon Dochat is a member of this board and was present at the meeting.

Mr. and Mrs. Charles Trickey Jr. and April and Keven of Tecumseh, and Mr. Charles Trickey Sr. of New Hudson will be the dinner guests of the Duane Bells on Fonda Street on Easter Sunday.

FIRST BAPTIST CHURCH OF NOVI

Last Sunday's message was titled "The Crucifixion," scripture John 19: 1-30. Special music was a duet by Alice Sannes and Bernice Stewart who sang, "Willing to Take the Cross". The Lord's Observance followed the morning worship service.

Thanks to Mr. and Mrs. Charles Stewart for their gift, which enabled the Banner Light to burn again last Sunday. Also a gift from the sixth grade Sunday School girls class, which desired to contribute their party fund to the Church

for some particular area of need.

The mens Fellowship met Tuesday evening for their first meeting to plan the course for an interesting summer's fellowship. All men and young men are invited to participate in this fellowship group.

The Faith Chorus, consisting of the women of the church, met Sunday evening for their first choir rehearsal. It's not too late to join this group.

Mrs. Barbara Sircely, chairman of the Mother-Daughter banquet, would like to borrow pastel candles for the evening of the banquet. Also needed is checkered gingham. Scraps are acceptable.

April 21 is the date of the regularly scheduled quarterly business meeting of the Church.

The past two circle meetings have shown record attendance. April 13 is the next scheduled meeting. The time and place will be announced in next Sunday's service. Plan now to attend. Let's make it 30 at this meeting.

Next Sunday there will be an Easter Sunrise breakfast at the church. A brief service will be held upstairs with a message by Roy Frink, some testimonies and music. At 7:30 a breakfast will be served down stairs. All church folk are invited. Let the pastor know if you plan to attend so the meal may be planned.

The following is the worship service nursery worker's schedule for April and May: April 4, Carolyn Sanner, Valerie Wilemus, April 11, Audrey Lynn, Tina Munro, April 18, Veral Chisholm, Judy Thomas; April 25, Wanda Lange, Gale Sexton; May 2, Iris White, M. Chisholm, E. Stepp; May 9, Ethel Cook, Barbara Hall; May 16, Barbara Sircely, Jane Batt; May 23, Carolyn Sannes, Vicki La Plante; and May 30, Veral Chisholm, Sheila Head.

Check the church bulletin for the details of the Sunday school baseball contest now in action.

Visitors in last Sunday morning service were Mr. and Mrs. Elwood Coburn and family, former members of Novi Baptist.

UNITED METHODIST CHURCH OF NOVI

Palm Sunday: The Altar flowers were a gift of Pat Wilkins given to the Glory of God and the beauty of His sanctuary. The greeters were Mr. and Mrs. Orlando Bumann, and the acolytes were Leon Blackburn, Jr. and Matthew Bumann. Amy Katherine Crawford, infant daughter of Mr. and Mrs. Hugh Crawford, was baptised in the morning service.

At the M.Y.F. meeting Sunday evening Corporal Bob Sarnes talked about narcotics and showed samples.

Maundy Thursday: At 6:15 Lenten dinner. Bring passing dish and table service. At 7 p.m. the Sacrament of the Lord's Supper will be celebrated around the same tables used for Lenten Fellowship meals.

Next Sunday April 13 is Easter Sunday. At 7 a.m. Easter Breakfast will be sponsored by the Youth Fellowship. Informal worship service is scheduled at 8:30 a.m. — Let's Celebrate.

No evening Youth Fellowship is planned on Easter Sunday.

A fund has been started in memory of Lillian Trickey. If you wish to contribute, put your contribution in an envelope marked, "In memory of Lillian Trickey" and then put it in the offering plate, give it to the minister, or send it to the Church by mail.

the celebration of Holy Eucharist. The acolytes were Glen Kundrick and Randy Huber.

For those of you who have not attended church lately you have missed outstanding sermons by Rev. Harding, especially on Palm Sunday.

Congratulations to Mrs. W. H. Clark, organist for her fine music. It is hoped there will be an active choir soon.

The young people's group the Roaring Seventy met at 7 p.m. at the Church Sunday evening.

Monday, April 5 Holy Eucharist was celebrated, and the Bishop's Committee meeting was held.

Thursday, April 6 Holy Eucharist was celebrated, and the Episcopal Church women met in St. Thomas Hall.

Wednesday, April 7 Holy Eucharist was celebrated.

Thursday, April 8 (today) Holy Eucharist will be celebrated at 7 p.m. Good Friday, April 9 Meditation is planned beginning at 12 noon.

Saturday, April 10 at 7 p.m. there will be a lighting of the Paschal Candle.

Easter Sunday at 7 a.m. Holy Eucharist will be celebrated and again at the 11:15 service.

Please note there will be no Junior Confirmation classes April 10 or April 17. Classes will resume April 24.

April 19 the Grand River Convocation of the E.C.W. will be held at 10 a.m. followed by a luncheon. Chairmen are Mrs. Lou Campbell and Mrs. Judy Harding. All women of the Church are invited to attend these meetings. If in need of transportation contact the president, Mrs. Oscar Hooser.

NOVI GOODFELLOWS

The Novi Goodfellows are sponsoring an Easter egg hunt for all the children of Novi up to the age of twelve. The egg hunt will be held at the Novi City Park, South Lake Drive on Saturday at 11 a.m.

NOVI SENIOR CITIZENS CLUB

The next meeting of the Novi Senior Citizens will be held Wednesday, April 14 in the Fellowship Hall of the United Methodist Church of Novi in Willowbrook. Bring own sandwich and table service.

Mary Skeltis will act as hostesses for the day.

BLUE STAR MOTHERS

Novi Chapter 47, Blue Star Mothers met at the United Methodist Church in Willowbrook on Thursday with 12 members present. Several members volunteered to go to the Veterans Hospital in Ann Arbor for shopping during the day and to put on a party in the evening tonight.

The mothers also made plans for the card party scheduled for May 19 in the Novi Community Hall. The May meeting will be held May 5 at the home of Frances Neilson, with Laney Henderson serving as co-hostess.

NOVI NEWCOMERS CLUB

The Novi Newcomers Club has planned an informal outing for April 17 at Bimbo's Restaurant in Ann Arbor. This will be a social get together for cocktails and dancing. Any interested couples with three years or less residency in Novi are welcome.

Newcomers and potential newcomers will meet at 7 p.m. at the Willowbrook Market Parking lot at 10 Mile and Meadowbrook roads. Please R.S.V.P. via telephone by April 9th to Mrs. Henrietta Jones 477-3889.

NOVI REBEKAH LODGE

The official visitor at the lodge this Thursday evening is Zeta Timpon, treasurer of the Assembly who will present a School of Instruction.

Dinner will be served at Marcos promptly at 6 o'clock.

Approximately 90 Rebekahs were present for the Initiation last Thursday night. There were four candidates from Belleville, one from Milford and two from Novi, Frances Nielson and Evelyn Nagele. Carol Johnson was reinstated in the Novi Lodge. Other visitors came from Brighton and Berkley.

The Independent Club met at the hall on Monday with Ev Behrendt serving as hostess and Anna Ortwin assisting.

NOVI GIRL SCOUTS

Troop No. 713 was enthused with their guided tour of the Northville Record last Thursday afternoon. Mr. Jack Hoffman explained several steps in the layout and printing of the newspaper, how photographs were reproduced for use, and the meaning of off-set printing.

This week the girls are putting on original skits using hand puppets they have made. These skits will show what our community would be like both with and without services such as police, schools, libraries and hospitals.

Besides looking for the Easter rabbit, the Brownie troops of Orchard Hills are busy working to be ready for the Mother-Daughter Banquet to be held later this month. They are helping to support the school fair, "Expo 71", on April 30 by making craft items to be sold in the shops there.

The Cadets and sixth grade Scouts from Junior Troops 713-913 enjoyed a "bridging" activity together last Friday. This was a roller skating party at the Lakeside Rink in Walled Lake.

Junior Troop 1027 visited the Police Department and the Fire Hall April 23. They were shown fingerprinting and use of oxygen masks and also the different phases of detective work. The troop saw some confiscated narcotics. They also were shown the use of the police car radio and sirens, and they saw the fire wagons.

Last week they changed patrols and elected a new scribe and treasurer. Troop 1027 is planning a trip to Greenfield Village April 15.

Mothers are needed to drive and accompany the scouts on this trip to Greenfield.

They are working on tray favors for a Convalescent home and candy dishes for the girls for Easter.

The Brownies from Troops 161 and 519 are helping make craft items for the Orchard Hills School Fair April 30. These include yarn dolls and bead necklaces. Troop 161 is also busy starting their table decorations to be used at the Mother-Daughter banquet on April 27.

NOVI CUB SCOUTS

A committee meeting was held at the home of Don Rose, committee chairman. Nine committee members attended. Commissioner Warren Smith was also present. The charter was signed and Mr. Smith gave many in-

teresting ideas concerning Cub Scouts.

Cub Scout Pack No. 54 will have its pack meeting on Friday, April 15 at 7:30 in the Novi Community Building.

The new Cubmaster, Bill Milan, and the new committee chairman, Don Rose, and all the leaders, assistant leaders and committee people, including Janet Madley, secretary and publicity chairman, will be formally introduced at the Pack meeting. Entertainment and refreshments will follow.

We hope to make pack 54 just as successful an organization as it has been this past year.

Ray Warren, Novi School Board member, will give an informal discussion on city and school needs at the Baptist Church on April 21 following the evening service. The talk will compare the present millage with the requested millage and relate them to those of the surrounding communities. The public is invited.

John Richter suffered a heart attack Monday and is in intensive care at Botsford General Hospital.

ORCHARD HILLS BOOSTER CLUB

Don't forget the School Fair is coming soon — April 30.

There is still a need for small bottles and all kinds of pastry. Helpers are also needed.

Dinner will be served consisting of sloppy Jo's, baked beans, cold slaw, potato chips, milk and coffee.

There will be a presale of tickets to visit the various booths, which will be 11 for \$1, on April 20.

For information call Ginger Gillick at 349-9967, Elaine Kramer at 349-0895, or Sharon Pelchot at 349-3096.

ONE OF THREE—Owned by the Novi Fireman's Association and leased to the city for a nominal rate, this new rescue unit forms one of a fleet of three emergency vehicles which fall in the same category. "We bought it with money we earned at Gala Days and by performing services around the community," said fireman Marv Tobel.

Legion Spotlights Month for Youth

Lloyd H. Green Post 147 is marking the second annual American Legion observance of April is Children and Youth Month.

According to Norbert J. Schollett, the observance dates back to the 1938 National Convention of the Legion.

"During the 45-year history of its endeavors for children and youth, the American Legion has made many significant contributions to the health and well-being of our nation's young people, establishing it as a national leader and advocate for children," he pointed out.

Locally and nationally, the Legion has backed legislative efforts establishing programs for financial aid to needy children, providing protective services for children, establishing public child health programs, and creating services for the handicapped, he said.

More recently the Legion has backed a war on obscenity, pornography and drug abuse.

With the aid of local posts such as Lloyd H. Green, the Legion has spent in excess of \$300 million during the history of its children and youth program. In 1970 alone more than \$10 million was spent for this purpose.

"Where does money come from? The annual sale of poppies each May is the major source," explained Schollett. "Monies collected from this sale can be used only for the rehabilitation of the veteran, his widow and orphans and the children and youth."

"Please consider what an important job you can help accomplish during the sale of poppies; wear it proudly knowing you are helping someone badly in need."

College Gets State Aid

State Representative Marvin R. Stempien has announced that Schoolcraft College will receive an April state aid payment of \$191,771. It is the seventh largest of the April state payments made to the 20 public community colleges in Michigan.

The state assistance is made possible by an act passed last year by the legislature. Representative Stempien is credited with saving the community college appropriations in July of 1970 after it had been twice defeated in the House, by working out a compromise with the opposing factions, to allow passage of a record community college state aid bill.

At a meeting of the Northville Township Planning Commission to be held in the Township Hall on April 27, 1971, a public hearing will be held at 8 p.m. to consider the following:

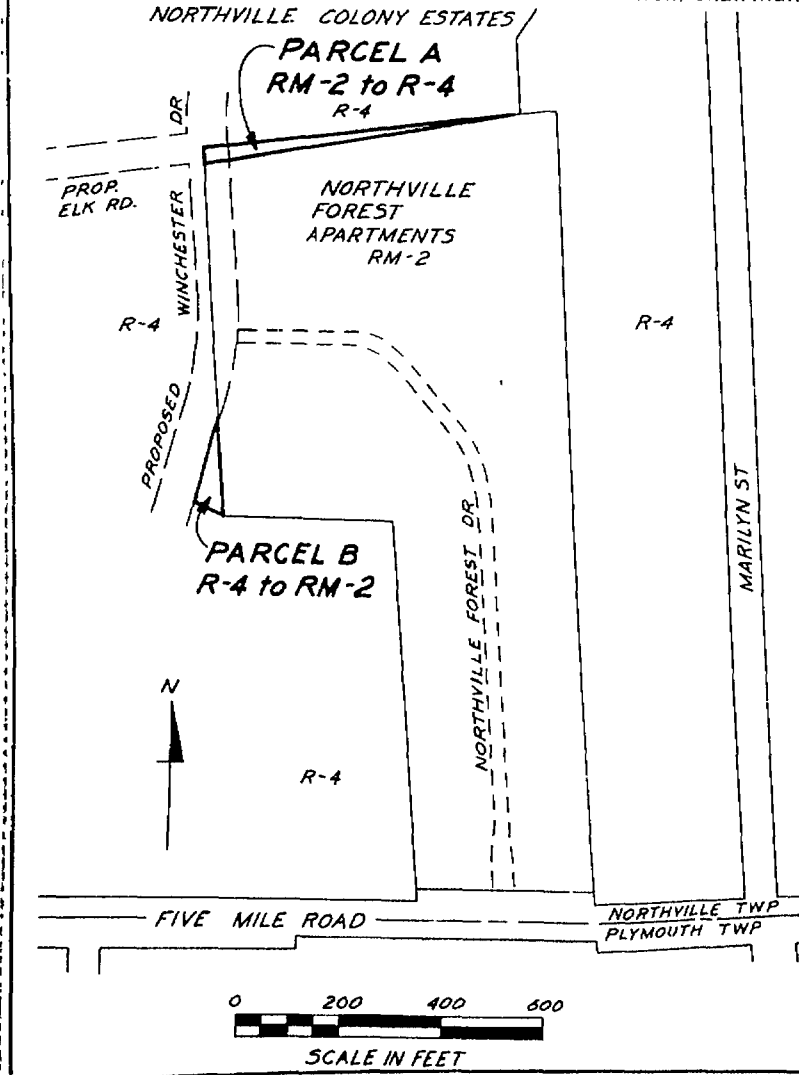

TO REZONE FROM RM-2 (MULTIPLE FAMILY) TO R-4 (RESIDENTIAL) PARCEL A.)
Commencing at the Southeast corner of Section 14, T.1.S., R.8.E., Northville Township, Wayne County, Michigan, and proceeding thence along the east line of said Section 14, N. deg. 54' 45" W., 1590.65 feet; thence S degrees 82' 49' 40" W., 66.19 ft. to a point of beginning; thence S degrees 80' 16' 33" W., 627.14 feet; thence along a line parallel to and 690 feet from the east line of said section 14, N. 3 degrees 54' 45" W., 27.97 feet; thence N degrees 82' 49' 40" E., 624.93 feet to the point of beginning. Containing 0.200 acres of land.

TO — REZONE FROM R-4 (RESIDENTIAL) to RM-2 (MULTIPLE FAMILY) — PARCEL B.)
Commencing at the southeast corner of Section 14, T. 1. s. R.8.E., Northville Township, Wayne County, Michigan and proceeding thence along the south line of said Section 14, due west, 357.24 feet; thence N 4 degrees 23' 00" W., 784.74 feet; thence due west, 327.91 feet to the point of beginning, continuing thence due west 6.16 feet; thence N dgrees 68 36' 37" W., 73.45 feet; thence N. 21 degrees 23' 23" E., 164.31 feet; thence 5.50 feet along the arc of a circular curve concave to the west with a radius of 543.00 feet, through a central angle of 0 degrees 34' 50", subtended by a chord bearing N 21 degrees 05' 59" W., 5.50 feet; thence along a line parallel to and 690 feet from the east line of said Section 14, S degrees 3 54' 45" E., 185.35 feet to the point of beginning, containing 0.156 acres of land.

All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township Planning Commission before making its decision.

A copy of the item scheduled for hearing is on file in the office of the Township Clerk during regular office hours for public examination.

NORTHVILLE TOWNSHIP PLANNING COMMISSION
Kenneth Sewell, Chairman

ROADWAY PATH—First of the houses that eventually will be removed to make way for the extension of Griswold Street came down this week. The house, formerly owned by the late

Ray VanValkenburg, was located directly opposite the present southern terminus of Griswold, on the south side of Main Street.

Elys' Florida Business

Puts Town on Map

When Willard and Genevieve Ely moved from their home at 225 Church Street to Florida 25 years ago, they didn't envision themselves as pioneers as they left to get away from the bitter cold and a routine of working for Ford Motor Company.

But they were the founders of a new business that has put the little Florida town of Dania on the map of southern antique-seekers.

They had taken their antique furnishings with them when they left Northville to settle in a white frame house on Federal Highway where the front porch and living room now serve

as a shop.

An article in the Miami Herald features the town of Dania as "Center of Antiques" and relates how, in the late 1950's, it looked as though the town wasn't going to survive financially. Then the Elys began to organize annual antique dealers' shows.

They were a spark that now has brought 35 antique dealers to the community.

The 1971 souvenir issue of the Herald quotes Mrs. Ely:

"Antiques are lucrative, very lucrative," says the 67-year old.

"It's a good living," the article continues, quoting her husband who noted that "we've put a son through college on it." (The couple have one son.)

Mrs. Ely is the daughter of Mrs. Maude Parmenter Bray of West Cady Street and the sister of Mrs. Ned Junod of West Main Street. Her husband's brother was the late Claude Ely, who served as Northville mayor.

The article was sent north by other former Northville residents, Mr. and Mrs. Gerald Woodworth, who now live in Riviera Beach, Florida.

It adds that today Mrs. Ely buys and sells most of their stock while her husband specializes in electrifying old lamps. They specialize in lamps — such as 1870 glass lamps from France, rare Cornish lamps dating about 1830 and English heat lamps.

"Competition is in the buying, not the selling," Mrs. Ely is quoted as saying. Dealers from the north come through with station wagons filled with antiques to sell to Florida dealers.

Quality is good, it is reported, but prices are high compared to those in some other areas of the country.

Even so, Mrs. Ely added, she could name more than 100 young marrieds who are "furnishing homes a piece at a time" as they realize the value of old things — as the Elys and their town have.

Council Rejects Plea

Park Ban Stands

A plea by a resident of Wing Court that the upcoming ban on parking on the street be set aside fell on deaf ears Monday as the city council stuck by its earlier decision.

The ban takes effect April 15.

Mrs. A. J. Roof, 254 Wing Court, asked that the measure be set aside to permit herself and other property owners on the dead-end street to park in front of their homes.

She was the lone resident to make such a request; others apparently welcome the ban.

With three cars in her family, Mrs. Roof explained that the ban would create a hardship.

City councilmen, on the other hand, pointed out that Mrs. Roof, like other residents on the 18-foot wide street, have property on the south side of the street that can and should be used for parking of their cars. For years, they emphasized, use of the vacant property for this purpose has been urged.

Taking the position that parking on the street constitutes a hazard because fire trucks would have difficulty getting down the street, councilmen reminded

her that other property owners in the city must provide their own parking. (Property located on the south side of the street is owned by the residents on the street).

Mrs. Roof replied that use of the vacant property would require expensive fill.

Another resident on the street pointed out that one of the Roof cars has been on jacks and inoperable for several weeks — a condition that City Attorney Philip Ogilvie called illegal.

In other business Monday, the council authorized installation of 17 street lights in the new Lexington Commons (south) subdivision — nine less than suggested in the updated recommendation of the Detroit Edison Company. Edison had suggested a light pole and light approximately every 120 feet.

The lights will be mercury vapor on 24-foot curved metal poles.

'Trouble Shooters' Aim for 'Indy' Trip

The 1971 Plymouth Trouble Shooting Contest, America's premier competition for auto mechanics students, will be held April 30 on downtown Detroit's Kern block to determine the State championship.

Schools throughout the area, including Northville, are now selecting their top mechanical students — those who excel both in the classroom and in actual mechanical work — for their teams.

The contest will be one of about 100 scheduled throughout the United States this spring. Winners in regional meets receive trips to the National Trouble Shooting Finals in Indianapolis June 14, 15 and 16 at the famed "500" Speedway. There they will compete for more than \$125,000 worth of college scholarships and other awards.

The extra emphasis on the scholastic side of the contest this year was stressed by both Plymouth executives and school officials, according to the Plymouth Regional Service Manager.

This year, some teams will be eliminated following the written examination as a further inducement for students to master their classroom work.

A team consists of two students, and those who survive the written examination will then be assigned a deliberately sabotaged car to be put in running condition. All of the cars will be identical and will have a series of identical malfunctions installed beneath the hood — more problems than would occur in the average car's lifetime. Teams will race the clock and each other to restore the cars to normal running condition.

The contest is sponsored by Plymouth dealers in the area as a means of encouraging students to complete their education and to seek careers in the automobile mechanics field. Many dealers employ Trouble Shooters as apprentice mechanics.

Stempien's Bill Aimed at Signs

Representative Marvin R. Stempien (D-Livonia-Northville) has introduced a bill to place greater restrictions on "roadside signs" and "billboards."

The State Representative from Livonia stated that the bill, which has the full support of Attorney General Frank Kelley and his staff, is intended to place tight limitations on the construction of unsightly billboards along the state's roadways that obstruct roadside scenery.

"Enactment of the 1965 Highway Beautification Act by Congress is commendable," said Stempien, "but visual 'pollution' is still with us, both in Michigan and across the nation."

According to recent information from the Michigan Highway Department, between 80 and 90 percent of the billboards on the state's interstate and primary highway systems are illegal. In 1966 a departmental survey revealed 37,950 signs along Michigan highways, and many more have been added since that time.

The Livonia Democrat went on to say that, "although Michigan's Public Act 333 of 1966 which the Legislature passed was intended to place the State of Michigan in compliance with the 1965 federal law, the actual enforcement of these regulations has proven difficult for several reasons."

"The State of Michigan must take the lead in this area of highway beautification, and the only way to do this is to pass legislation that will expand and strengthen the 1966 law to meet the federal requirements."

The billboards bill is patterned after a recently passed act in the State of Vermont. Prepared by Attorney General Frank Kelley, with Stempien as sponsor, it contains the following key provisions:

— Billboards would have to be put back 1,000 feet from the edge of a freeway or primary highway.

— All sign owners would be required to get an annual permit for a

billboard, post a \$50 bond guaranteeing they will comply with the state law and put a metal tag on every billboard giving the name and address of the sign owner. Violations of the new law would be a misdemeanor punishable by \$500 and 90 days in jail.

— The bill would make all existing signs come under the new provision. The old act exempted 30,000 billboards put up before it passed.

— The bill provides for a system for taking down signs and compensating owners where the state demands immediate removal.

— Cities, villages and townships no longer would be permitted to write their own sign laws affecting interstate and primary highways unless they exceed the standards set by the state.

"This bill represents a very positive, logical approach to the regulation of outdoor scenic beautification in this state and demonstrates concern for the right of all citizens to an environment free of visual pollution and eye sores," concluded Stempien.

Official Northville City Council Minutes

March 15, 1971
Mayor Allen called the regular meeting of the Northville City Council to order on Monday, March 15, 1971, 8 p.m. at the Northville City Hall.

ROLL CALL: Present: Allen, Folino, Lapham, Nichols and Rathert
Absent: None.

ACCEPTANCE OF MINUTES: Minutes of the last regular Council Meeting of March 1, 1971, were approved as submitted.

APPROVAL OF BILLS: City Mgr. to prepare a breakdown of various projects relative to engineering, etc. — Local Street check No. 393.

Moved by Nichols, support by Folino, to approve bills in the following amounts:

Debt Service Account	\$1,909.00
General Fund Disbursements	
March 1st Additional	60.00
March 1st Additional	32,464.45
March 15th	32,524.45

Motor Vehicle Highway Fund
Local Street Disb. 1,669.28
Major Street Disb. 1,121.50
March 1st—Check No. 000389
Other Gov't Fund 2,237.15
Public Improvement Fund Disb.
March 1st Additional 23,200.00
March 15th 1,487.35
Water Fund Disb. 13,434.64
U.C.

COMMUNICATIONS: (a) Letter requesting "No Parking" between signs signed by Gladys M. Grinnell, Walter Knapp, Dalton Ave. City Mgr. stated that he and Chief of Police found that there is one family on Wing Ct., not in favor of such signing.

Moved by Folino, support by Nichols, that parking on Wing Court be banned, from Wing St. west to end of Wing Court on both sides, effective April 15, 1971.

U.C.
Written notices should be sent to affected property owners.

(b) Northville Jaycees request for use of Council Room for their monthly meeting on the 4th Wednesday. Council asked that building use policy be checked and action taken at April 5th meeting.

(c) Notice of Public Hearing on proposed Library Services' Resolution of 1971. City Mgr. explained that this Resolution would necessitate that all communities pay their "fair share". The adoption of this Resolution would not change City Library's responsibilities.

(d) City Clerk reviewed details of request from Religious Assistance and Protective Service, Inc. too solicit by mail, personal calls, etc. from March 15 to April 23, 1971.

No action on this request.

(e) City Mgr. had a communication District No. 35 Probation Meeting, inviting Council to attend their Wednesday, March 24, 1971, meeting when Keith J. Leanhouts, former District Court Judge, will speak.

(f) Letter from Richard D. Rayborn, Northville Jaycees, requesting permission to conduct a survey in the City of Northville. This survey will aid them in their long-range planning for their program. Moved by Folino, support by Rathert, to allow the Northville Jaycees to interview householders during the

period of April 1 to May 15, 1971.
U.C.

MINUTES OF BOARDS & COMMISSIONS: Northville Library Commission Meeting Minutes of February 24th; Housing Commission Minutes of February 9; Planning Commission Meeting Minutes of February 16 and March 2 were placed on file.

NORTHVILLE POLICE REPORT—Feb., 1971: Report of the Northville Police Dept. for February, 1971, was placed on file.

PUBLIC HEARING — PLUMBING ORDINANCE AMENDMENT: City Attorney read the notice of Public Hearing as published in the Northville Record. Representatives of manufacturer of both PVC and ABS was present to comment on qualifications of both for plumbing. Moved by Rathert, support by Lapham, to adopt amendment to Plumbing Code to allow use of ABS plastic pipe for drain, vent and waste.
U.C.

McMANUS DEVELOPMENT NORTHVILLE SQUARE: Mr. McManus, Mr. Colton, Mr. and Mrs. Alder and Mr. George Mellen were present for the presentation relative to Northville Square Development. Mr. McManus referred to the original agreement concerning this development which terminates March 19, 1971. He requested a Letter of Intent — showing intent to carry out existing contract subject following conditions being met: amount of parking and by whom provided.

Moved by Lapham, support by Nichols, instruct City Attorney to draft a Letter of Intent from the City of Northville to R. H. McManus subject to 3C of the original agreement of above two parties.
U.C.

There will be a Joint Meeting of the Northville City Council and the Planning Commission — possibly Monday, March 22, 1971, 8 p.m. at the Northville City Hall.

NORTHVILLE DOWNS' PROPERTY EXCHANGE AGREEMENT: City Mgr. reviewed the engineering plans that have been submitted by the City Engineer. Legal description included in the proposed agreement covers all three plans.

Moved by Nichols, support by Lapham, to approve the agreement as presented by City Attorney for the exchange of property between the City of Northville and Northville Downs.

Considerable discussion ensued; Councilman Rathert moved the question.

Ayes: Allen, Lapham, Nichols and Rathert; Nays: Folino; Motion prevailed.

NORTHVILLE DOWN WATER METER: City Mgr. reported that several weeks ago a price of \$15,200.00 had been quoted; since then 2 others have responded with prices of \$29,000 and \$30,000. City Mgr. recommended waiving of bids for this job. Decided that City Mgr. will present contract for this water meter work at the next meeting.

APPROVAL OF PURCHASE OF JENDRISAK PROPERTY: Moved by Folino, support by Nichols, to approve purchase agreement between the City of Northville and Joseph E. Jendrisak for Lot 122 and S. 29.5 ft. of Lot 123, S. 28.47 ft. of Lot 86 and Lot 87 of Oakwood Subdivision for \$13,625; \$2,000 down and remainder payable on or before September 1, 1971.
U.C.

LEXINGTON COMMONS NORTH DRAINAGE: This matter tabled until April 5, 1971 meeting.

LEXINGTON COMMONS SOUTH & OTHER STREET LIGHTS: This matter tabled until April 5, 1971 meeting.

PHOSPHATE ORDINANCE: City Mgr. explained the ordinance (Council had previously received copies) banning

phosphates as adopted by the City of Detroit.

Moved by Rathert, support by Lapham, to set date of Public Hearing for ordinance amendment, banning sale of phosphates in detergents, for Monday, April 19, 1971, 8 p.m. at the Northville City Hall.

SCOUT HALL LEASE: Tabled until April 5, 1971 meeting.

PARKING ASSESSMENT CONTRACTS: City Mgr. explained that all property owners affected by Parking Assessments were given the opportunity of contracting for extra parking, within a reasonable amount of time. Stated that time limit had expired and 4 agreements were ready to be considered.

Moved by Rathert, support by Folino, to approve Parking Assessment Contracts between the City of Northville and Delbert & Ilan Black, Robert and June Freydl, Charles & Velma Freydl (2) as drafted by the City Attorney.
U.C.

SIGN ORDINANCE REVISION: Tabled for future meeting.
APPROVAL OF RESOLUTION FOR ADDITIONAL APPROPRIATION:

Moved by Nichols, support by Lapham, to adopt Resolution approving Additional Appropriation in the amount of \$5,500.00; from Public Improvement Funds to Local Street Fund for Street Paving.
U.C.

MISCELLANEOUS: At Mayor Allen's request, City Mgr. will obtain figures for possible electric heating for parking deck.

Councilman Lapham questioned possibility of exploring building over parking deck — leasing air rights. Consensus was to proceed to study and negotiate at \$1.00.

City Mgr. Reported receiving appraisal on building occupied by Northville Glass.

Moved by Rathert, support by Folino, to authorize City Mgr., Councilman Lapham and Mayor Allen to negotiate for above property.

Council approved payment of \$113.31 for payment of back water, bill for welfare client.

There being no further business, the meeting adjourned at 11:10 p.m.

Martha M. Milne
City Clerk

NOTICE OF SPECIAL ELECTION

TO THE QUALIFIED ELECTORS OF

NOVI COMMUNITY SCHOOL DISTRICT,

OAKLAND COUNTY, MICHIGAN:

NOTICE IS HEREBY GIVEN, that a Special Election will be held in the Novi Community School District, Oakland County, Michigan, on:

MONDAY, APRIL 19, 1971

and that the polls will be open from 7:00 o'clock A.M. to 8:00 o'clock P.M., Eastern Standard Time, and that the voting place will be at the Novi Community Building in the City of Novi.

NOTICE IS FURTHER GIVEN, that the following proposition will be submitted at said election:

OPERATING MILLAGE RENEWAL

Shall the limitation on the total amount of taxes which may be assessed each year against property in Novi Community School District, County of Oakland, State of Michigan be increased as provided by the Constitution of the State of Michigan, for a period of (5) five years from 1971 to 1975 both inclusive, by 4.5 mills on each dollar of the assessed valuation as equalized (\$4.50 per \$1,000); for the purpose of defraying a part of the operating expenses of the school district, such increase to be a renewal of the 4.5 mill increase which expired in 1970?

NOTICE IS FURTHER GIVEN, that the following proposition will be submitted at said election:

INCREASE IN OPERATING MILLAGE

Shall the limitation on the total amount of taxes which may be assessed each year against property in Novi Community School District, County of Oakland, State of Michigan be increased as provided by the Constitution of the State of Michigan, for a period of (5) five years from 1971 to 1975 both inclusive, by 5.00 mills on each dollar of the assessed valuation as equalized (\$5.00 per \$1,000), for the purpose of defraying a part of the operating expenses of the school district?

NOTICE IS FURTHER GIVEN, that the following statement has been received from the Oakland County Treasurer as to previously voted increases in the constitutional tax rate limitation affecting taxable property in the school district:

COUNTY TREASURER'S STATEMENT AS REQUIRED BY ACT 293 OF THE PUBLIC ACTS OF 1947

I, C. Hugh Dohany, County Treasurer of the County of Oakland, State of Michigan, do hereby certify that according to the records in my office, as of March 19, 1971, the total of all voted increases in the tax rate limitation above the 15 mills established by Section 6 of Article IX of the Michigan Constitution of 1963, affecting taxable property in the Novi Community School District in said County, is as follows:

Local Unit		YEARS INCREASE EFFECTIVE
Novi Community School District	5.50	1968 to 1972 Incl.
	1.50	1968 to 1972 Incl.
County School District of Oakland County	.50	Unlimited
	.50	Unlimited
	.50	Unlimited
Novi Township	.50	1967 to 1974 Incl.
Oakland Community College	1.00	Unlimited
County of Oakland	.25	1967 to 1971 Incl.
	.25	1967 to 1974 Incl.

OAKLAND COUNTY TREASURER'S OFFICE
DATED: March 19, 1971
C. HUGH DOHANY, TREASURER

This notice is given by order of the Board of Education of said school district.

Ray Warren
Secretary of the Board of Education

Dated: April 1, 1971

Fourth at MSU

Redman Lauds Track Team

Dave Mitchell turned in what Coach Ralph Redmond called the "best performance ever by a Northville hurdler." John Stuyvenberg came through with yet another outstanding effort. And the Northville High School track team posted its highest finish in the history of its participation in the Spartan Relays as it copped fourth place in competition with some 60 Class B schools last Friday in East Lansing.

Mitchell and Stuyvenberg were easily the meet's outstanding performers as far as the Mustangs were concerned, as they personally accounted for Northville's entire output of 11 points.

Novi Faces Dexter Here

The Wildcats will face their first contest under a new coach today as the Dreadnaughts from Dexter invade Novi for the track opener.

Taking a serious attitude as he enters his first season as coach, Del Munsen expects a tight contest with Dexter's Lee Knapp.

"He may or may not be ready," said Munsen early this week, "and we could probably use some more practice ourselves, but I'm confident to go with what we've got. The competition will do the kids good."

Jim VanWagner, a sophomore, shows "a real strong threat in the 440 relay," said Munsen. "He's good because he wants to run it," he added.

Munsen declined to disclose VanWagner's preseason times but he indicated the sophomore is "strong through 300 yards."

"Dave Miller is a strong two-miler," the cinder chief said. "He'll probably be a contender in the league and region, given development. We look for him to do well against Dexter."

Munsen expected Monday to load high jump responsibilities on sophomore Pat Boyer. The lanky six-footer will have a year of freshman running to back him up and Munsen looks for "some strong performances out of him."

Dave St. John, Tom Karch, Randy Woodworth, Greg Sidel and Don Green head up Munsen's speed department with which he hopes to excel in the sprint category.

"They're all decent," he said. "We'll just have to wait and see what they do."

Returning seniors make up Dexter's main strength, according to Dreadnaught coach Lee Knapp who readily admits that Thursday's contest will be with "less than a full crew."

Knapp's returning senior strength will come in the mile, hurdles, high jump and sprints.

Tom Snyder, in the hurdles, and Scott Aeschliman in the high jump placed in the conference meet last year.

"We're coming over there with a lot of our kids on vacation," said Knapp, "we'll be missing an 880 man, a two-miler, a one-miler and a compliment of sprinters."

Mitchell placed second in the 70-yard low hurdles, while Stuyvenberg took a second in the long jump and a third in the 60-yard dash.

Holly, fresh from a victory in the Huron Relays last week, made it two major relays victories in succession as they gained team honors with a total of 23 points.

Redmond was particularly impressed with the performance of Mitchell, a fine senior sprinter. "We weren't surprised to see Dave doing well, but we were surprised to see him having such a great day so early in the season," Redmond said.

By the time the meet was over Mitchell had run seven different races and done well in every single one of them. He had to run in three different heats of the 70 yard low hurdles before earning second place honors with a time of 8.4 seconds and two different heats of the 70 yard high hurdles, as he took sixth place in that event with a 9.3 timing. In addition, Mitchell anchored the shuttle hurdle relay team and ran a leg on the 880 yard relay team.

Perhaps the most exciting event at the meet was the personal duel in the long jump between Stuyvenberg and Mt. Morris' Roy Young. The lead saw-sawed back and forth with first Stuyvenberg holding the lead and then Young leaping to a new mark. Young finally won the event with a jump of 22'7", while Stuyvenberg's best was 22'4," good for second place.

Stuyvenberg also placed third in the 60-yard dash to round out Northville's scoring. His time for the event was 6.6 seconds.

Redmond was also enthused about the performance of his relay teams. The shuttle hurdle relay team, composed of Jamie Carter, Brad Cole, Stuyvenberg, and Mitchell, recorded a time of 30.5 seconds as they barely missed adding to Northville's point tally with a sixth place finish.

It was the same story in the 880-yard relay as the Mustangs once again narrowly missed the top five, finishing sixth. Nevertheless, the team of David Wright, Carter, Stuyvenberg, and Mitchell had a clocking of 1:37.3, the best time ever recorded by a Northville team on an indoor track.

The mile relay team of Wright, Cole, Rich Ruland, and Wayne Enders took seventh place with a time of 3:42.3, a full six seconds better than the 3:48.7 they posted the previous week in Ypsilanti.

Redmond also cited shot putters Bob Stoddard and Rich Ruland for their performances. "Although neither one of them took any points," Redmond said, "they both were throwing the shot between 46 and 47 feet."

"We're still a long way from our peak performances," Redmond said in summing up his team's performance. "But this is a team with a lot of depth, and it's the depth that really pays off in the big relays. We're finding that we've got three and four good men where other teams have only one good performer. There are some outdoors relays coming up and think we'll be doing even better."

LIBRARY GREEN—Inclement weather fails to spoil Novi golfers as they get in pre-season putting practice in the high school library.

Vacations Worry Novi Golf Coach

"They've got a lot to learn," was the most encouraging thing Novi golf coach John Osborne could say this week about his linksters who open Monday against Dexter.

The Wildcats will travel to Dundee for the opening match with "something

less" than a full crew according to the coach, who will be short-handed due to spring vacations and the senior trip.

The senior junket to the Bahamas will rob Osborne of Roger John and Tom Boyer, both returning talent and both heavily counted on by the primarily green team.

Greg Budlong, relatively new to golf, also will be in the Caribbean when Novi meets Dexter.

The other positive absence, said Osborne, is Dennis McDermid, who has a job in the co-op program. McDermid, John and Boyer make up three quarters of the four-handed power house squad that's expected to give his team depth. The last of the four, defending Southeastern Champion Less Branch, is counted on to carry a he-man's load in order to offset the inexperience of Osborne's freshmen.

About those freshmen, Osborne was less than enthusiastic last week.

"They can learn," he said, "and they'll have to. They'll be working in the practice areas until they can show me that they can play the game and use the golf course properly."

Osborne noted that his squad has had trouble getting close to the pin, getting distance on the ball, and picking out a shot.

"The trouble is, they are new players," the coach said. "We could have a charging golf team in a couple of years if some of these guys stick at it. But that's not the question. The question is whether we can have one now."

Seek Help For Boosters

Without more community support, according to the president of the Novi Athletic Booster (N.A.B.) Lester Ward, the organization might be forced to disband.

"I hate to see this happen because I think the organization is a good one," said Ward, "but it's the same few people doing all the work."

"We have a lot of members, but only six active families participate. We need more people in the group, some young blood. If we don't get it I don't know what we can do."

Ward noted that N.A.B.'s election of officers had been postponed until June in the hopes that more volunteers could be recruited.

N.A.B.'s annual banquet will be held May 10 in the high school commons, said Ward, with a raffle offering prizes of \$100, \$60 and \$40. Tickets are \$1.

The \$275 contributed by 435 people attending the Boosters' annual pancake supper Friday night will go along with funds contributed by the high school 'N' Club to pay off a weight machine purchased for the athletic department, according to Ward.

"I just wish people would come out to our meetings," said Ward. "They're held the first Monday of every month at the high school commons at 8 p.m."

Bowls 290!

A Novi man, Robert Davidson, rolled a 290 game bowling in league competition Monday with Redford Township's American Legion League. An avid bowler, Davidson's average is 165

At Northville

Mustang Nine Opens Tuesday

Northville baseball Coach Chuck Shonta is a man with stars in his eyes.

Last season his Mustangs carved up a piece of the W-O championship with Milford, then garnered the Les Anders Tournament and Southeastern Michigan Tournament crowns.

Last season, however, Shonta had a powerhouse led off by pitcher Fred Holdsworth, all-league catcher Terry Mills, and Wayne-Oakland league shortstop Rich Adams, to help him out in any pinches. It's a different story this season.

This year the all important triangle between pitcher, catcher and short stop will be filled, by any of a combination of three pitchers, two catchers, and one shortstop.

Bernie Bach, who served cager coach Omar Harrison well during the waning months of the basketball season and knocked out a strong .322 average at the plate last year, will take the mound for a second season.

When Bach is not hurling he can man left-field, where he also has a healthy reputation. Scott Evans or Jeff Moon, both former jayveers, also will pitch, according to Shonta.

Kurt Suckow and Rick Asher will perform in the catcher's slot while Scott Stuart will work the short-stop position.

Shonta was vague early this week about Tuesday's opening with Western and declined to name either his starting pitcher and catcher.

Veterans Steve Utley, Kenny Lach and Rick LaRue will handle the infield at first, second and third base.

John Crane and Dale Griffith will hold

down right and center field.

"We have a good chance," Shonta said Monday, "although its still the beginning of the season. We have as good a chance, if not better than anybody."

Batting first in the non-league opener will be Scot Stuart, followed by Rick LaRue, John Crane, Bernie Bach, Steve Utley, Rich Asher or Kurt Suckow (whoever catches) Dale Griffith, Kenny Lach, Scott Evans and Jeff Moon.

Opener Set For Tennis

Northville tennis players beefed up their practice this past week as Coach Bob Simpson readied his squad for today's non league clash with Walled Lake Western.

Playing four sets of singles in non-league competition and three sets of doubles, Simpson is forced to present a deeper field than in league play where five matches are played instead of seven.

Net veteran Bill Pink will star in the singles competition playing in the first match with a strong right handed serve that could mean multiple scoring possibilities for Northville.

Curt Saurer, co-captain along with Pink, will share the doubles load with Gary Allen, a junior.

According to Simpson, Allen's reliability, combined with Saurer's left handed serve gives good possibilities of a strong finish.

Senior Bill Puckett and sophomore Carl Webber will play second and third singles, while another senior, Steve Penrod, will wind up the Mustang attack in the fourth place notch.

The doubles squad will be Bob Norton and Bob Beukens in their second season of action together.

Sophomores Mark Robinson and John Jerome will wind out the doubles squad in the third place slot.

Walled Lake Coach Noah Gregory is sporting a squad with first and second singles and first doubles returning from last year.

"I lost four seniors to graduation," said Gregory who carded an 11-5 record last season, "but my first and second singles have varsity experience."

Paul Deimling and Dave Yankees played third and fourth positions for Gregory last spring.

MANUFACTURERS BANK

"That's my bank"

SALUTE TO BLOOM—About 20 business associates surprised C. Harold Bloom last Thursday noon at a Hillside Inn lunch. The longtime Northville insurance man announced recently that he was turning the reins of his insurance business over to his son-in-law and partner, Richard Lyon. "But I'm not going to

retire", hastened Bloom, whose been selling insurance in Northville since 1932. So in recognition of his "semi-retirement" a group of businessmen headed up by Realtor Stanley Johnston presented Bloom with a set of luggage. Pictured above (l. to r.) are: George Lockhart, Johnston, Bloom, and Lyon.

Easter Services Set

Continued from Record, Page 1

a.m., 9 a.m., 10:30 a.m. and 12:15 p.m. There will be no evening Mass Holy Saturday

The First Baptist Church of Northville will hold its annual Good Friday evening service at 7:30 p.m. There will be congregational singing, special music and a Bible message by the Reverend Cedric Whitcomb. The Communion service held monthly will also be observed at the Good Friday service.

On Easter Sunday the regular Bible School will be held at 9:45 a.m. with classes for everyone two years of age and up. On Sunday evening at 7:30 the church choir and musicians will present an evening of Easter music.

The public is invited to attend all the services and the nursery will be open during all services.

St. Paul's Lutheran Church will hold Vesper services with Holy Communion on Maundy Thursday at 7 p.m. the theme of the sermon will be "He Remembered Us" and the choir anthem will be "Lord Jesus Christ Thou Hast Prepared," sung by the adult choir.

On Good Friday two services will be held. Afternoon services begin at 1 p.m. with the sermon topic "And He Died" and the school chorus singing "For God So Loved the World." Tenebrae services begin at 7 p.m. "The Seven Words" will be the theme of the sermon and the adult choir will sing "Drop, Drop, Slow Tears."

On Easter Sunday a sunrise service is planned for 7 a.m. with contemporary Communion service at 8:45 a.m. and the traditional Communion service at 10:30 a.m. The sermon for all services will be "The Risen Savior Speaks to Us" and the combined choirs will sing "Sing Praise to Christ."

An Easter breakfast will be served in the Parish Hall from 8 a.m. to 10 a.m.

Novi United Methodist Church will hold a community covered dish supper tonight, Maundy Thursday, at 6:15 p.m. At 7 p.m. the Lord's Supper will be celebrated around the tables used for the community supper.

On Easter Sunday a breakfast sponsored by the youth fellowship begins at 7 a.m. An informal worship service is set for 8:30 a.m. with the traditional worship service at 10 a.m. The Reverend Philip Seymour, pastor of the church, will speak on the theme "Let's Celebrate."

Epiphany Lutheran Church will hold a Communion service at 8 p.m. today, Thursday and a confession and meditation service at 8 p.m. on Good Friday.

On Easter Sunday, Communion services will be held at 8 a.m. and 10 a.m. with nursery care facilities available at both times. Special choral music is planned for both services.

The First Baptist Church of Wixom will hold services on Good Friday from 1 p.m. to 2 p.m. Special music and slides of the Holy Land will be shown and the Reverend Robert Warren will deliver a special message.

On Easter Sunday a breakfast is planned for 7:30 a.m. sponsored by the teens. The early service will begin at 8:30 a.m. with George Mackey, youth pastor, and the teens in charge of the service. At 9:45 a.m. Sunday School for all ages will be held and the morning worship service begins at 11 a.m.

At 7 p.m. a Baptismal service and observance of the Lord's Supper is planned.

The church will hold services at 8:30 a.m. and 11 a.m. every Sunday, Mr. Warren announced.

St. William's Catholic Church in Walled Lake will observe the Last Supper Liturgy on Holy Thursday at 8 p.m. Good Friday services will be held from 1 p.m. to 3 p.m.

On Holy Saturday the Easter Vigil begins at 8 p.m. A Folk Mass presented by the choir will be held at 9 a.m. Easter Sunday.

The Salem Bible Church will hold Good Friday services from 1 p.m. to 2 p.m. and the topic of the sermon will be "Were You There?"

On Easter Sunday the Sunrise service begins at 6:30 a.m. with the Reverend Ivan Speight speaking on "They Found Not the Body." A worship service will be held at 10 a.m. with the sermon topic "Defeat of the Grave." At 7 p.m. the adult choir will present the cantata "Were You There?"

The South Walled Lake Baptist Church will hold a Sunrise service Easter morning beginning at 6 a.m. The sermon will be delivered by the Reverend Joe Miller, pastor of the church.

Millage Increase

Continued from Record, Page 1

of December to the middle of January, saving about \$25,000 in heat, electrical

Library Needs Larger Quarters

Continued from Record, Page 1

mediate need for more space."

In view of that immediate need, the commission proposed that temporary relief could be had by using the balcony area above the library. This, it said, would mean additional shelving, tables, chairs, etc. However, the commission emphasized that this move would be only a temporary solution "since the workshop space which cannot be enlarged is already cramped. Room for book growth will be very limited due to the fact the balcony must be used for reading space as well as a book storage."

The library, formerly located in what now is the township hall, has been housed in the city hall since its completion seven years ago.

Costs of the library are shared by the city and township on the basis of patronage by city and township residents. In 1969, 55.18-percent of this use was by city residents and 44.82-percent by township residents.

and sickness costs. Spear said if the plan was used school would begin earlier in fall and go later into June;

— starting school one hour later in the

morning during winter months, saving \$16,000. He said the extra hour would eliminate the time where the most heat and electricity is used;

— cutting planned additional maintenance personnel, saving \$8,000;

— not hiring mid-year teachers to meet the expanded enrollment, about a \$40,000 cost;

— limiting high school students to taking five subjects in a six hour day rather than allowing them to take six subjects, saving \$60,000;

— operating a minimal transportation program, saving \$40,000; and

— eliminating art, music and physical education in grades one through five, about \$60,000 savings.

Spear explained the board feels some of the alternatives are undesirable and he said he will recommend the board ask for millage to make up the anticipated \$200,000 deficit in the 1971-72 budget "But," he added, we will not levy the additional millage if we do not need it."

On Year-Round School

Plan Slide Programs

A slide presentation outlining the phases of Northville's year-round school study is being scheduled for showing throughout the community, Superintendent of Schools Raymond Spear said today.

"These presentations are part of our continued effort to inform citizens about the year-round school concept, and to prepare them for the completion of

Phase III of the study," he said.

Phase III concerns itself with the question "year-round school... is it acceptable?" To shed light on administrative, instructional and vacation schedule questions, Phase III will theoretically divide all students into four groups and schedule them for a four-year period on a staggered basis.

Northville Parents who have or will

have children enrolled in school in 1973 through 1976 will be asked to indicate family vacation-attendance preferences to cover this four-year span.

The fifteen minute slide presentation reviews survey and opinion sampling results obtained during last year's feasibility study and details the steps necessary to accomplish Phase III.

The presentation is available to all groups, clubs and neighborhood associations. Showings can be scheduled in the morning, afternoon or evening, either in private homes or in meeting halls. School officials will narrate the showing and will be on hand to answer questions covering the extended school year concept.

Arrangements to have the slide program shown can be made by calling the superintendent's office, 349-3400.

"This is another opportunity for all citizens to consider the problems facing education in Northville, and to keep informed in terms of what is best for our children," Spear said. "We encourage wide community use of the information contained in this presentation."

Plan Transfer Of Prisoners

Some 150 prisoners will be transferred from the overcrowded Wayne County jail to the Detroit House of Correction (DeHoCo) under a plan approved by the County Board of Commissioners.

The commissioners, meeting April 1, gave final approval to the leasing of two barracks at DeHoCo located in Plymouth and Northville townships.

The transfer is expected to take place about August 1. This will clear enough space in the jail to permit extensive renovation of the 42-year-old building.

The Board of Commissioners earmarked \$1.5 million in last year's budget for overhaul of the electrical and ventilating systems at the jail, but the work has been stalled by the overcrowded conditions. The jail has had as many as 1,550 prisoners in space designed for 1,200 in recent years.

Various programs aimed at reducing the jail population have lowered the average daily prisoner count to about 1,350 lately.

Transfer of prisoners to DeHoCo will not take place until mid-summer because time is needed to erect fencing around the two barracks and to recruit and train the 47 additional Sheriff's deputies needed to guard the compound and transport prisoners between

Use of DeHoCo is viewed as temporary while the Board of Commissioners continues its search for longer-range solutions to the jail problem. The board has instructed county attorneys to draft a ballot proposition asking the voters to approve millage for construction of a new jail. The proposal is intended for the next county-wide special election or next year's general election.

In other actions, the Board of Commissioners:

— Appropriated \$10,000 to be used for clearing debris from the Rouge River this summer. The county drain commissioner will work with the citizens' "Rescue the Rouge" Committee which mustered 1,400 volunteers to clear log jams and other junk from the river a year ago. The funds will enable the county to provide heavy equipment and personnel for this year's effort.

The drain commissioner told the board's public works committee that he will use student labor for the project and

Township Likes New Complex

Continued from Record, Page 1

Baldwin, citing the fact the township police receive little if any information on what action the sheriff takes in the township, said he sees "no reason why they cannot duplicate copies of their reports for us."

Trustees also approved renewal of township attorney John Ashton's retainer agreement. Fees were again established at \$100 per month for retaining his services at meetings and \$30 per hour for additional work required by the township.

attempt to clear debris from a 20-mile stretch of the river, starting at about Michigan avenue and working north to the county line at Eight Mile Road. Additional funds may be needed to complete the project, he said.

After lengthy debate, released \$87,0500 previously earmarked for the Southeastern Michigan Transportation Authority (SEMTA). Only three commissioners voted against the move, but several more were also critical of SEMTA's intention to make the "Woodward corridor" from downtown Detroit to Pontiac its first priority for rapid transit planning.

Critics charged that rapid transit in that direction would encourage the flight to the suburbs. They argued that first priority should be given to the corridor that takes in Metropolitan Airport, Wayne County General Hospital, Willow Run Airport and the communities of western Wayne county.

Those approving reluctantly said they were doing so in order to not impede development of mass transportation or jeopardize federal matching funds for SEMTA.

The next meeting of the full Board of Commissioners is set for 1 p.m. Tuesday, April 13, rather than the usual third Thursday of the month. A state statute requires that the first meeting of the board's Equalization (Spring) Session be held on the first Tuesday following the second Monday of April.

MANUFACTURERS BANK

"That's my bank"

What's It All About?

What is a Guaranteed Performance Contract?

A formal agreement between a local school board and a private company or teachers in which the board is given a "money-back" guarantee that the company or teachers will raise academic performance of each child?

How many companies offer such contracts?

There are dozens of them large and small. Among these are Westinghouse Learning Corporation, Combined Motivation Education Systems (CO-MES), Learning Foundations, Inc., Behavioral Research Laboratories, etc.

Do any schools in Michigan have such contracts?

Yes, but on an experimental basis only. These include, among others, Grand Rapids, Flint and Wayne. They are financed in part by local taxes, by special states funds, and by the federal government through the Office of Economic Opportunity

What are some of the major elements of such programs?

Generally speaking, they include testing, diagnosis, individual "prescription", self-learning techniques utilizing (in some cases) mechanical-technical tools like television, audio machines and even computers, de-emphasis of standard instruction by classroom teachers and emphasis of programmed learning, utilization of teachers from within the school system along with para-professionals (non-certified adults), and they encourage children to learn by offering rewards ranging from free time to money.

Is it offered for remedial purposes only?

No, say the companies. However, in Michigan and in other places it is being used primarily for culturally deprived, slow-learners, and those who might otherwise become dropouts.

Offer 'Money-Back' Guarantees

Businesses Seek Teaching Contracts

SENATOR PURSELL VIEWS 'CONTRACT' CLASSROOM

EDITOR'S NOTE: Following is the first in a series of articles, prepared and written by this newspaper, about the relatively new and highly controversial concept of Guaranteed Performance Contracting in some American schools. Purpose of the series is to inform readers — not to influence support or opposition.

"Give us a contract to teach and we guarantee to improve the academic performance of your kids or we won't accept any money."

That in a nutshell is the boast a growing number of companies are making as they branch out from the corporate limits of nuts and bolts to the classroom of kids and minds.

Having turned a profit in the marketplace by producing saleable hardware, some of these companies simply have retrofitted to manufacture learning. Others are brand new businesses that have put together a bank of brains and machines for the same purpose.

All of them are anxious to snag a piece of the fat public educational dollar that heretofore has been the private pasture of the professional educator.

Reaction to this new role for big business ranges from charges of fraud to skepticism to enthusiasm. These divergent views come from teachers, administrators, college professors, lawmakers and, of course, from the people who pay the bills — the taxpayers.

None of these groups has only a single viewpoint.

"I could refer you to a staff member who sees it as the worst possible thing that could happen and I could give you one who finds it exciting," this

newspaper was told by Lowell Beach, assistant dean of instruction at the University of Michigan's School of Education

Similarly, those few parents who are familiar with "Contract Learning" or

weed; for them to wait is to risk self-destruction.

The American Federation of Teachers, whose president has labeled performance contracting "hucksterism," warns in an ad-

'...if one can teach a pigeon to play a piano, surely a magnificent corporation can teach dumb kids how to read.'

"Guaranteed Performance Contracting" are both advocates and super-critics.

Most laymen, generally speaking, and for that matter many persons within the teaching profession itself, simply are not informed enough about this "money-back" innovation to either comment or pass judgment.

And even in those school districts here in Michigan where it is being tried experimentally people in and out of teaching "would rather wait and see the results" before taking sides.

Senator Carl Pursell, who with other state officials, educational lobbyists, and a representative of this newspaper inspected the contractual program at Grand Rapids last week, came away impressed by some of the things he saw but he reserved judgment until the "facts are in." Nevertheless, he, like many other lawmakers and officials, including President Richard Nixon, is convinced that schools should be held accountable for their productivity.

In other words, there is a growing feeling among officials and especially among taxpayers that if Johnnie isn't learning someone in the school system should be put on the firing line. It is no longer defensible, at least in the minds of some, to argue that "Maybe Johnnie isn't learning but the majority of the other students are."

Given this new climate of accountability, performance contracting has sprung up like spring daffodils. But is it The answer or An answer? Is it an attractive flower here today and gone tomorrow? Is it, like the dandelion, the refreshing change after a long hard winter that may in the long run be a menace?

These are the kinds of questions observers are asking.

Not all observers are completely objective, however. Some of these are teacher and administrative associations running scared.

They prefer to eradicate today what might tomorrow become a flower OR a

Dale V. Alam, associate professor of education at Michigan State University, suggests that professional educators can hasten self-destruction by supporting performance contracting. He gives this biting explanation of the relatively new concept: "Performance contracting is simply a training model based on the notion that if one can teach a pigeon to play a piano, surely a magnificent corporation can teach dumb kids how to read."

Another analogy is given by Emanuel Kafka, president of the New York State Teachers Association:

"I shudder to think of a giant like General Motors producing 400,000 defective minds some year and then, perhaps, going to court to fight an order to recall those children and retool their minds."

An accountability advocate, however, might reply: We shudder, too, because last year 800,000 students dropped out of high school — an increase of 100,000 over the previous year — and because 7,000,000 American children are deficient in reading and many more than that lagging in mathematics.

Planting Roses Isn't Difficult

The proper planting of roses requires neither skill nor experience. Simply follow the easy procedure outlined below by All-America Rose Selections, the national rose testing organization. Essentials for successful roses are: healthy plants of good varieties, well prepared beds with good drainage and a minimum of at least a half a day of sunshine in the area in which the roses are planted.

3. Work in soil around roots to eliminate any air pockets. Firm soil about roots and add more soil until hole is three-fourths full, then firm with foot or tamper, using care not to injure roots.

1. Well prepared, deeply spaded bed in well-drained area. Dig each hole 15" to 18" wide and as deep. Add a quart of peat moss or compost and mix well with the soil. Firm blunt cone of the mixture in planting hole.

4. Fill remainder of hole with water and allow it all to soak in, then refill. After water drains, see that bud union remains at proper level and fill remainder of hole with soil and tamp. Head comes back to about eight inches, making cuts one-fourth inch above an outside bud.

2. Prune all rose canes to 12" and remove any broken or injured roots. Position rose on soil cone so that bud union (swelling at base of stem) is just above the ground level after the ground settles in mild climates and about 2" below the surface in climates where winter temperature falls below freezing. Spread roots out in a natural manner down slope of mound.

5. Mound soil around and over plant to height of eight to ten inches. This protects the rose canes from drying out. When buds break, gradually remove mound of soil—probably within a week or ten days. Loosen name tag so that it does not constrict cane. When vigorous growth starts, apply plant food according to manufacturer's specifications.

REDGOLD—Floribunda

COMMAND PERFORMANCE—Hybrid Tea

AQUARIUS—Grandiflora

1971 Selections

Three Outstanding Roses Win All-America Honors

Beauty is the hallmark of the three winners of the 1971 All-American Rose Selections announced recently. Garnering the coveted All-America awards were the Redgold, Aquarius and Command Performance.

For the rose fanciers here is what the winners offer:

AQUARIUS

A tall and vigorous new grandiflora rose bearing great qualities of shapely, mildly fragrant blooms throughout the spring, summer and fall.

The practically always perfect buds are urn shaped, rather long in proportion to their width, and are produced both on long single stems and in clusters of two and four. The light to medium pink petals, usually 30 to 35, are tastefully brushed with deep pink at the margins, giving a picotee effect. The flowers, medium in size, ranging from 3 1/2 to 4 1/2 inches in diameter, are of a fine, durable substance with a lasting quality of seven to nine days.

The large, erect, truly grandiflora type plants are clothed from top to bottom with heavy, semi-glossy foliage, having average resistance to mildew and black spot. With its profusion of long

stemmed, well proportioned roses, this variety should provide excellent show material and most attractive blossoms for table arrangements as well.

Aquarius was originated by Dr. David Armstrong using (Charlotte Armstrong x Contrast) x (Fandango x World's Fair x Floradora) as parents. With such outstanding forebears, this new award winner most certainly had the background quality that should, and did, produce a winner.

COMMAND PERFORMANCE

The only hybrid tea to win an AARS 1971 award, and one of the outstanding orange roses of all times, the lovely, sweetly scented blooms fulfill the demand for a larger flower in this brilliant color and, because of the heavy texture of the petals, hold their beauty throughout the flowering season, even in the hot days of summer.

Command Performance consistently produces its regal buds, opening into exquisite fluorescent orange-red, high-centered, star shaped flowers, some four to five inches across. The blooms are present on long, strong stems, lending themselves gracefully to artistic bouquets whose attractiveness is enhanced by the delightful "old rose" fragrance that fills the air about them. The plant is vigorous, rather tall growing, well-branched, shapely, and abundantly clothed with dark green foliage.

The uses of Command Performance will be many. Its brilliant coloring, tall plant and strong stems will make it valuable for edgings, walk ways and drive borders, blooming rose hedges, plantings fronting taller foundations, as well as beds of striking color in the rose garden. This rose should capture many rose show trophies, according to the AARS judges.

REDGOLD

Fresh from winning a Certificate of Merit of the Royal National Rose Society of Australia, Redgold crossed the broad Atlantic from its home in Ireland to win an All-American award in the floribunda class for 1971.

This fiery bi-color begins as small, pointed, chrome-yellow bloom with brick red edges widen and darken and the blooms take on a glowing orange-gold hue with the petal edges becoming hot magenta. The clustered two-inch

flowers are made up of 20 to 25 petals and hold both form and color for well over a week when cut and a week on the bush.

The bush of Redgold, in true floribunda fashion, is very compact and shapely. Two to two and a half feet high and as broad, and well covered with medium green, rounded leaflets, making it an excellent subject for landscape purposes. With its masses of

fiery blooms on eight-inch stems, singly or in clusters, it will light up any spot in the garden. An extra bonus is the pleasant, light fragrance of its long-lasting blossoms.

Redgold began in 1958 as a cross between Karl Herbst and Masquerade. As the breeding progressed, Faust and Picadilly were used, bringing in as ancestors such famous roses as Peace, Golden Rapture, Holiday and Golden Scepter.

Iron Deficiencies Can Hurt Oak Tree

If there is an oak tree in your yard be on the lookout for signs of iron deficiency.

According to Dr. Harold Davidson, horticultural specialist at Michigan State University, iron deficient oak trees react with a yellowing of the leaves—called chlorosis. "Chlorosis is primarily a problem of oak trees—especially pin oaks," says Davidson, "however, it can show up in other hardwoods, rhododendrons, and broadleaf evergreens."

Fences Fill Many Roles

Fences—once strictly utilitarian—have taken on new forms and functions and more glamorous designs.

New fences of western wood can play a dozen different roles, but there's no reason they have to look the same as fences of bygone years.

A low fence can enclose a yard, mark boundary lines, and add new interest and beauty to a home. Height can be added where privacy is needed.

A fresh idea in fences is the screen, usually shorter in length but higher than standard fences. It's designed for such jobs as shielding windows from the street, creating areas of privacy or hiding unattractive areas from sight.

Screens may be built in a variety of patterns, and may be combined with large movable planter boxes changeable with the seasons, or in combination with sun shades for outdoor living areas.

Screens also allow better air circulation for planted areas, and may be louvered to slow down too-brisk breezes.

Homeowners who had chlorosis problems last year should take action right now. Treatment consists of applying iron chelate into the soil so that it comes in contact with the tree roots. "Spring is the best time of year for this treatment, because the trees are just beginning to grow again after being dormant through the winter," says Davidson.

Iron chelate can be obtained at most garden stores. Davidson cautions homeowners to closely follow package directions because several different concentrations of the material are on the market.

Davidson advises homeowners who have oaks on their lawns to be extra alert for signs of chlorosis. "Heavy watering can in some cases make the soil alkaline. Under these conditions the iron in the soil isn't available to the trees," Davidson says.

Here's Tip to Aid Next Year's Tulips

If you have tulips blooming this spring and want them to do well next year, don't cut the stems and leaves off after the flower is gone.

William Carlson, Michigan State University horticulturist, says that stems and leaves are food sources for the flower next year. If you want color in your garden after the tulips bloom, he recommends planting annual flowers between the tulips.

You'll only have to dig the tulip bulbs when they begin to show inferior flowers—or no flowers at all.

You can plant tulip bulbs any time from September to early December. Just be sure the weather is consistently cool enough so the bulbs won't start growing immediately.

If you feel that the tulips don't last long enough in the spring, Carlson suggests planting several different varieties. By choosing some early, midseason and late bloomers, you can stretch the blooming period to six or eight weeks. A good garden supplier should be able to recommend varieties.

Tulips are suitable in shaded or sunny areas, but plant them far enough from the house so that the warmth of the building won't make the bulbs start growing earlier than normal, Carlson cautions.

Out of the Horse's

Send your questions, comments, and horse show news to "Horse's Mouth," South Lyon Herald, South Lyon, Michigan 48178.

The annual Kiwanis sponsored horse show will be held April 17 and 18 at Kane's Woods and Water Farm, Nine Mile and Pontiac Trail in South Lyon.

There will be an open horse show Saturday presided over by the Little Britches 4-H Clubs of Oakland and Washtenaw Counties. Sunday, the Triangle K quarter horse show will be featured. Ted Smith will serve as ringmaster both days. Floyd Kline will judge the open show and well-known quarter horse judge Tommy Manion will judge Sunday performances. Jim Viviano, 313-437-6874, secretary.

An added feature to the plans this year will be an interdenominational religious service on the grounds from 10 to 11 a.m. It will be sponsored by the Unity Church group of South Lyon with music by a choir from the Presbyterian Church.

Longhorn World Championship Rodeo - State Fair Coliseum, April 15 through April 18. Starting time 8 p.m. For tickets, contact Longhorn Rodeo, Michigan State Fairgrounds, Detroit, Mich. 48203.

Family Bargain Nite Thursday, April 15 - all seats \$1.75.

Plymouth 4-H Horse Club will be visiting the U.S. Equestrian team camp at Gladstone, New Jersey April 15-18.

On Saturday, April 17, at 8 a.m. sharp, rain or shine, the Shiawassee Saddle Club will present its 14th Annual Horse Show at the Salty Badger Farm, 7425 Bergin Road, Howell, located 2 miles west of 23 and 1 mile south of M-59. This year the club is sponsoring a Michigan Quarter Horse, American Quarter Horse and Buckskin Horse Association Approved show. Many outstanding horses will be shown from Michigan and out of state.

The show will be judged by Bill Pittenger of Muncie, Indiana. Classes will include halter, performance and youth activities. Trophy and 6 ribbons will be presented in the halter and youth activities classes. Performance classes will have 6 ribbons and payback \$20-\$15-\$10-\$5 in classes of 12 or more or jackpot 80 percent in classes with less.

Refreshments are available. Children under 12 admitted free.

Local members of the club are the Don Roberts family.

Salty Saddle

Doors of all kinds work better with lubrication. Use light oil on hinges. You'll do a better job if you remove the hinge pin, wipe it clean of dust and dirt and then lubricate both pin and hinge.

A whistling noise that occurs whenever a faucet is turned on indicates trouble within the faucet. This generally is followed by a vibrating noise.

Often there is nothing more to repair than a worn or loose washer. Take the spindle out and inspect it. Replace the washer with a new one. Tighten the screw that holds the washer in place. If the screw is badly worn, replace it before re-assembling.

Gutter's and downspouts jammed with ice can cause water to back up under the roof shingles as thawing occurs later on. Electric heating cables installed ahead of time avoid this problem. Meanwhile, use chemicals to thaw the ice or lay a heating cable over the ice. Start with the downspout, so the water will have some place to go. If you use chemicals, be sure to flush them out later to avoid corrosion.

Property Tax Relief Still Only Talk

LANSING — There's been much noise about property tax relief in recent years from both the owners who pay and the politicians who collect property taxes.

But that noise hasn't translated into much action when one looks at the latest figures on property tax collections in the state.

During 1970, all units of local government in Michigan levied a total of \$1.874 billion in property taxes. This is an increase of \$213 million over the previous year alone.

The \$213 million represented an increase of 12.85 percent.

AT THE SAME TIME, the average tax rate on all taxes levied was \$48.62 per \$1,000 of assessed valuation.

That represented an increase of \$1.30 per \$1,000 of assessed

valuation over the 1969 average.

Averages are compiled each year by the State Board of Assessors, who must find the average so it can decide what to levy against public utilities whose property taxes go to the state. Last year's average is the rate which will be levied this year.

WHILE THEY show that property tax relief certainly hasn't arrived, these figures also show how difficult it is to make a substantial cut in property tax collections if the cut must be made up of other taxes.

Governor William G. Milliken has already proposed raising the personal income tax in Michigan from 2.6 per cent to 3.6 percent with corresponding increases in the corporate income tax and the financial in-

stitutions tax.

When he made the recommendation, he estimated the package increase would yield \$130.5 million in its first six months of operation. Though there would be a few minor increases over a year period, that is roughly \$260 million per year for what is known as a "unit" of income tax—1 per cent personal, 2.2 per cent corporate and 3 per cent financial institutions.

IN ORDER to wipe out the property tax in Michigan, more than seven "units" of the income tax would have to be enacted.

Assuming the Governor's proposals are enacted, since they are needed to keep the state solvent, adding another seven units would push the personal income tax in Michigan to 10.6 per cent, the

corporate income tax to 23.2 per cent and the financial institutions tax to 31 per cent.

If you think the screams are loud now, imagine what they'd be if that were tried! So any discussion of property tax relief really boils down to a decision of how much, if any, income tax increase people would accept to get property taxes lowered.

Real "property tax relief," then, appears to be down the road.

SINCE THE JAPANESE took so completely to the Michigan game of baseball, the Michigan Department of Agriculture has decided to see what they think of cherry pie.

The department is helping line up Michigan exhibitors for the Mid-America Food Show, to be held in Tokyo next week (April

12-17). Four Michigan firms decided to demonstrate their wares.

The displays will range from hams, bacon and luncheon meats to fruit concentrates, plums and, of course, red tart cherries.

THIS VERY important opportunity permits exhibitors to get their product in front of Japanese buyers, since about 2,000 food buyers from throughout that nation will be at the event.

"Markets abroad are essential to Michigan if our agricultural industry is to operate on an economically sound basis," explains state agriculture director B. Dale Ball.

"By developing overseas trade, Michigan growers and processors can contribute significantly to the state's economic growth. Today, the whole world is our market place."

Babson Report

Recovery Seen For Business On the Horizon

WELLESLEY HILLS, Mass. — Although unemployment is still a sticky problem and there are some other clouds on the horizon, we are emerging from a period of business setback and -however hesitant the recovery may prove to be over nearby weeks — the potential for regaining significant economic movement is noteworthy.

For today, despite the pockets of poverty and a higher incidence of joblessness than we've seen in several years, more Americans are better fed, better dressed, better educated, and better off economically than ever before.

FEDERAL RESERVE Board estimates place the total assets of Americans at \$2,554.6 billion — or more than two and a half trillion dollars. Nearly two-thirds of this amount consists of current assets, including investment in corporate stocks and bonds. Remainder consists of fixed assets, of which nearly \$700 billion represents investments in home ownership.

On the debit side, the total liabilities of Americans are estimated to be \$419.1 billion. These include current liabilities of \$165.4 billion and fixed liabilities (mortgage and other long-term debt) of \$253.7 billion. Subtracting these total liabilities from total assets leaves an impressive \$2,135.5 billion. This is the net worth of American consumers.

growth that has occurred in the economy. There has been tremendous expansion in the number of persons employed as well as in the total of salaries and wages. But there's also been a good-sized overall increase in interest and dividend payments and, of course, a big boost in government payments for pensions, veterans' aid, social security benefits, and medicare.

ON THE WHOLE, the asset-to-debt position of consumers is favorable, even encouraging. This is despite the fact that installment credit outstanding is at record levels. But there's also evidence a plenty that the economy expanded too fast in the '60s, exerting the demand-pull pressures that helped create the cost-push situation which is still a problem today.

Business is improving and the prospects are good, but ours is now a very high-cost economy and break-even points for both business and individuals are edging higher. The drift toward socialism in government is accelerating and younger Americans have an inclination to overspend, often to go deeply into debt. These are trends we cannot reverse, but we can protect ourselves against them.

If you are below the age of 50, you should have adequate life insurance. If you do not, this type of investment is a must. Next step is to build up your savings account and keep it at a healthy level. Make the most of your own personal (educational and occupational) resources, developing yourself so as to attain a degree of financial independence.

Not until you've laid this proper basis — and learned to be wary of going into debt — are you really ready to invest intelligently in securities. At such time, concentrate on sound, growing industries and companies for these will fare best as the economy expands over the longer term.

The rise in income mirrors the

LOOSE LEAF

By ROLLY PETERSON

Pete is a quiet individual, a law student at the University of Michigan who is specializing in environmental law. Even when he spoke about the Calley case his words were soft and carefully chosen, despite the fact that emotion is riding high about Calley's sentence.

What made Pete's comments so interesting is the fact that he is a graduate of West Point and served in both Vietnam and Korea.

To Pete, the present cries for anything from clemency to a reduction in sentence are the reaction of a people frustrated by the Vietnam War, frustration largely brought about through failure to assert in any obvious manner the fighting superiority of Americans.

When the Gulf of Tonkin resolution was passed by Congress, Pete, like most of us, hailed it as the right thing to do. Americans should get into the war and help to settle it quickly as they did in Korea.

But Pete, again like most of us, was to learn that Vietnam was a decidedly different can of worms. Our action in Vietnam was unilateral; Vietnam is part of a continent not to be closed off easily like the Korean peninsula; the Vietnam conflict which we entered was a civil war, unlike the Korean war.

Pete agrees with the court-martial jury. Lt. William L. Calley, Jr. is guilty of murder. As a military man — and Pete's careful to point out that all officers receive the same training — he was taught not to kill unresisting enemy, let alone old men, women and children.

To let Lt. Calley off, Pete says, is tantamount to condoning murder. No matter that Calley was perhaps under battle duress, for the military man is taught despite the pressures of combat, which are his constant companions, that his actions must stop short of killing innocents.

Is Calley the only one responsible? Probably not, says Pete. His immediate superiors,

up to the battalion commander, should have been in a position to know what Calley was doing in the field.

His immediate superiors were Captain Medina and the battalion colonel, who was killed in Vietnam combat. Already one general has been reprimanded for trying to conceal facts about the My Lai massacre, which means that the general will probably never be promoted.

Blaming the President of the United States for Calley's action is pure folly to Pete. That's stretching the point. If he can be legally implicated, where do you stop? Then all Americans should be, for they elected the President and until the Calley case have not had a resounding outpouring of sentiment.

How could a My Lai happen? Pete believes racial attitudes played a large part. There is a widespread tendency among American fighting men in Vietnam to treat Asians as sub-humans, as inferiors whose lives are not enough to become concerned about.

Knit Boom Reflects Changing Demands

The "knit boom" fashion story reflects changing needs and demands of modern consumers, says Bernetta Kahabka, clothing and textiles specialist for the Michigan State University Cooperative Extension Service.

Knits are a good bet, she says, to meet the demands for wrinkle resistance, washability, comfort and beauty. And, she adds, knits are highly adaptable to changes in clothing styles. Some clothing designers predict an exciting future for man-made, fiber knits, feeling that animals which supply wool, fur and leather will become so rare that they must be protected. They further speculate that much apparel will be made entirely of inexpensive and disposable synthetic knits.

However, Miss Kahabka advises shoppers to be aware of the drawbacks of knitted fabrics and ready-to-wear

At least six lives and some \$3.5 million have been lost over the past 175 years in futile attempts to reach a supposed fortune at the bottom of mysterious tunnels dug centuries ago beneath Oak Island, Nova Scotia.

Fortune hunters on the small Atlantic, despite repeated attempts, never have been able to reach the bottom of the 200-foot deep main shaft, principally because it was designed to be kept flooded by ingeniously constructed side tunnels which feed in sea water. So they have not been able to confirm suspicions that the money pit contains up to \$30 million worth of treasure, variously believed to be pirate loot or possibly French, Inca, or Spanish gold or silver.

Ross J. Wilhelm, a business economist at the University of Michigan, could have saved the diggers a lot of grief and labor, to say nothing of death. Drawing upon wartime experience as an Army cryptographer and code resources available to 16th century authorities, he apparently has unlocked the secret key to opening the flooded treasure tunnel.

His account of how the "lost" key was deciphered, published in a new monograph by the Bureau of Business

clothing. Knits bag more easily than any woven fabric. Elbow and knee areas are especially susceptible if they are too narrow. Shrinkage may range from one percent in T-shirts to eight percent in novelty knits, so it's a good idea to buy for an easy, rather than snug, fit.

"Crocking," another problem, means that the dye rubs off a fabric. This is caused either by insufficient dye penetration, improper dyes or methods, or insufficient washing and treatment after dyeing. Crocking is least likely, the specialist says, in solution dyed fabrics — where color is applied in solution before filaments or yarns are formed.

Certain colors and dyes may fade to atmospheric pollutants and to the effects of gas dryers, she warns.

Nova Scotia Treasure Debunked

Economist Suggests Corn To Solve Tunnel Mystery

Research of the U-M Graduate School of Business Administration, sets forth two major conclusions:

1. The mysterious tunnel was built by agents of the Spanish crown as a continuous-use treasure vault in the 16th century. It was used by returning Spanish ships that had to put in for repairs, for example. The flooding mechanism was designed to protect the tunnel contents much as a time-lock protects a bank vault.

2. It is unlikely that any treasure was left behind in the tunnel when it was abandoned, particularly since the Spanish crown in the reign of Philip II was near bankruptcy and desperate for funds.

Perhaps the most fascinating aspect of Wilhelm's solution to the tunnel riddle is its utter simplicity.

He emerges with the decoded instruction: "At eighty (you) guide maize or millet (into the) estuary or fifth drain. F."

The final letter apparently is a signature for Felipe or Philip II. The instruction is for stopping the flood of seawater in the tunnel.

"The plaintext message," Wilhelm writes, "is striking for it does indicate a means never before suggested, which seems likely to stop the flow of water into the shaft on the island... The water tunnel and the box drains in Mahone Bay were filled with stones. If maize (corn) or millet were poured into such drains at low tide, when the tide turned the grain would be carried into the box drains."

"Grain such as maize or millet swells

after soaking in water. If a substantial quantity of such swollen grain were in the drains, it seems likely it would fill the interstices between the stones and stop the inflow of water. If the drains were so plugged, water remaining in the water tunnel could have been easily bailed or pumped out of the shaft on the island.

"An indispensable advantage of such a plug in the input drains would be automatic unplugging in a short period as the grain rotted, was eaten by small sea animals, and was worked loose by tidal action. Thus over time the water would again be admitted to guard the treasure vault."

Wilhelm suggests that the treasure vault could thus be used repeatedly, and would be guarded by the sea when left unattended. The Porta Cipher Disk, a code device he used in decoding the message, was published during the reign of Philip II and thus was available to the Spanish authorities, he adds.

It seems doubtful, he adds, that any group or nation prior to 1795 would have needed such a treasure vault in Nova Scotia except for the Spanish in the 16th and 17th centuries.

Why the Spanish? "First, and most likely," he writes, "is the hypothesis that an Oak Island

BOUND FOR BOCA RATON!

Donald W. Smith

During 1970, this Woodmen Accident and Life District Manager qualified for attendance at the Company's annual LEADING PRODUCERS' SEMINAR which will be held in beautiful Boca Raton, Florida.

Attendance at this important event is limited to the select group of District Managers who have exceeded a specific goal in the sale of life, health and group insurance protection.

Through advanced instruction, the Seminar will enable those who attend to increase their sales and service capabilities — thus providing a wider scope of financial security for many individuals, families and businesses.

The effort this District Manager put forth to qualify for the Leading Producers' Seminar deserves a special tribute, so won't you join us in congratulating

Truck Driver Training Scholarships Available

Michigan's trucking industry is currently offering seven \$305 tuition scholarships to enroll in the nationally recognized Truck Driver Training School at Lansing Community College.

The scholarships are open to any eligible person in Michigan, with members of minority groups being given preference.

Deadline for applying for the scholarships is May 1.

For an application, U. S. Department of Transportation physical examination form, or further information, write to:

The Michigan Trucking Association
501 S. Capitol Avenue
Lansing, Michigan 48933

To be eligible, a person must: 1. Be a Michigan resident. 2. Be at least 21 years old. 3. Have a valid Michigan operator's license and an acceptable driving record. 4. Possess high moral character. 5. Read, write and speak the English language. 6. Not be addicted to drugs and excessive use of alcohol. 7. Be able to appear for approximately 160 hours of instruction in four weeks. 8. Be recommended by a Michigan Trucking Association firm or by some reliable person of stature in your community, such as a former high school teacher, a minister, city official or present or former employer.

The Michigan trucking industry is an equal opportunity employer.

Dr. & Mrs. Oscar Sorenson, Rochester, Talk About Electric Heat . . . and how it protects antique furniture in their Wedgwood Museum.

What's Your Hang-up?

William Nottenhamper
Salem Congregational Christian
Salem

What's your hang-up? Don't pass that off. Answer it. What's your hang-up? We all have them — the things that keep us from being happy, those things that rob us, that take us on a ride to nowhere.

There are thousands right now who are fighting the haunts of a meaningless and purposeless life. "Don't ask me what I'm doing here. I don't know why I'm in this world. Beats me why I'm working eight hours a day (or whatever have you). I don't know why I'm eating three meals a day or even why I get out of bed in the morning. I don't understand it, don't know what it's all about and where it's leading. Really, I don't even care any more. Caught in the rat race of daily routines and I can't seem to get out." Do you feel that way at times? Is there an answer to this fumbling in the darkness?

This is the age of inner vacuum. Many are plagued by inner emptiness. We drive ourselves into constant activity and any form of external stimulation that seems to offer some semblance of happiness and excitement. For some reason or another, when man is placed alone with his thoughts he blows his mind in anxiety. He's anxious, miserable, and bored. He feels the

aching void and constantly tries to satisfy it. But, alas all the external props fail. Nothing on the outside satisfies. Satisfaction that lasts comes from the inside. Can he find real lasting satisfaction?

Something else to which all evidence points as a possession we all want is inner peace. A doctor on the West Coast took an informal three-year poll of his patients. He asked what one wish they would make if they were assured it would be answered. 87 percent replied that they wanted peace of heart, mind, and soul. The phenomenal rise in interest in gurus and transcendental meditation gives evidence of this craving for inner peace. Man is no fool, and he knows that material possessions, prestige, status, fame, or power will eventually pass to dust and ashes. Man wants something lasting — not a cheat fraud. Can this, as well, be possible?

Yes, an uncategorical yes to each of these hang-ups. Two thousand years ago a unique man entered the human scene. He was unique in that He was not like other men. He didn't come to be served or to live for himself, but He came for other people. Jesus Christ entered this space-time scene in order that He might,

so to speak, unhook us and to once again put us in proper perspective — complete and total communion and knowledge with God — experiencing all He has for us to experience. Purposelessness settled: "I am the light of the world; he who follows me will not walk in darkness, but will have the light of life." John 8:12. When we follow Christ we find purpose and direction in our lives because we are in the Creator's pattern for life. That inner emptiness goes too: Jesus said in John 6:35, "I am the bread of life, he who comes to me shall not hunger, and he who believes in me shall never thirst."

Christ comes to live on the inside of us in the person of the Holy Spirit. We don't have to depend on externals any more but on a living person within us. He is the "thing" that you are longing for; He fills to overflowing.

That desire for inner peace becomes a satisfied reality. It's real and lasting. In John 14:27 Christ said, "Peace I leave with you; my peace I give to you; not as the world gives do I give to you. Let not your heart be troubled." He gives a peace that is not shaken by the turmoil of this world. His peace is lasting, deep, and eternal.

Diary of Our Destiny

Scritures selected by the American Bible Society

Thus begins the most amazing account of human experience ever written. And so simply, with just a notation of time: the hour, the day, the very moment!

But like a church bell sounding its call to worship, that simple notation of time has become the clarion of a New Life.

So deeply has it penetrated our preoccupation with the routine of every-day existence that millions gather at sunrise to greet the dawn of each Easter Day.

What has given such meaning to our moment in time?

Its PROMISE: Christ is risen. The One Who said, because I live, ye shall live also—He lives!

This tremendous moment, for all who worship Him in faith, became the first entry in the Diary of our Destiny.

BECK ROAD

BETWEEN 8 AND 9 MILE ROADS
17 ACRES WITH FLOWING SPRING...
BELOW VALUE

"If you're short of green stuff,
See Old Uncle Frank on the q.t."

FRANK L. DAVIS, owner
45300 10 Mile Road

NORTHVILLE

Here is a true four bedroom country colonial on two wooded acres, located at 13585 Sheldon Road between Six and Seven Mile Roads. Partial basement. First floor laundry. Living room with large expanse of windows overlooking the side yard. Formal dining room. Large walk-in pantry with walk-in pantry. Rec. room off kitchen. Den with fireplace. Entrance parlor with fireplace. First floor master bedroom. Two full baths and two half baths. Genuine tongue and groove panelling throughout. \$55,000. Land Contract terms.

Five bedroom house, ideal for large family, located at 47850 Seven Mile Road between Beck and Ridge Roads. Three and a half acres of rolling land. Full basement. Large front living room and formal dining room. Carpeted kitchen that overlooks the rear yard. 1 1/2 baths. Two car garage. Horses allowed. \$39,900.

Charming colonial on 2 1/2 acres of rolling countryside. Full basement. Large living room with wood burning fireplace. Galley kitchen with luminous ceiling and counter space galore! Formal dining room has sliding door leading to a covered flagstone terrace. Family room on lower level with a Swedish fireplace. Breezeway was planned so that it could easily be made into a large master bedroom. 1 1/2 baths. Carpeting in all major living areas. Three car attached garage. Panoramic view. Many mature trees and a spring fed pond. \$57,500.

Want a small house on a lot of land? We have a two bedroom house on five acres, located at 8908 Napier Road just south of Seven Mile. Fireplace in living room and in basement. Large enclosed rear porch. Two car attached garage. Free gas heat! (Imagine never having to pay another heat bill!) Mineral rights included. \$34,900. Land contract terms.

Large residential building site on Marilyn Street, just north of Seven Mile and west of Haggerty. 264 feet of road frontage. Hundreds of trees! Almost an acre. \$6,500. Land contract terms with \$1,500 down.

SOUTH LYON

Vacant property 175'x160' zoned Industrial. Sewer and water available. Cor. Reese and Abel \$8900.

Silver Lake: Three bedroom summer cottage on beautiful Silver Lake. Exterior of house is cut stone. Also cut stone fireplace in living room. Most furniture is included. Lake lot is 50' x 300'. \$32,000. Land contract terms.

TEMPLE VILLAGE

Business opportunity! General Grocery Store located in Temple Village. Excellent building with 1500 sq. feet of floor space and full basement. All fixtures and stock included in sale. Also small home. This is a great buy at \$25,000 with \$5,000 down.

ALMA

19 Acres on main road. Excellent investment. Share crop income \$400 per year. 1/4 mile from new golf course. \$13,900 cash.

Knit Boom Reflects Changing Demands

Continued from Page 5-B

The use of knits is expanding to men's clothes, but manufacturers are uncertain about the styling approach to take, she says. There is a "discreet school" which copies woven fabrics in traditional styles. And there is the "bold school" which aims to develop and market men's knit outer apparel with unique fabric construction and innovative styling.

The specialist predicts that the textiles industry will develop knits for men's wear that are lighter and keep their shape better than currently popular fabrics for women. The new fabrics won't have a "lingerie feeling" and will be less susceptible to snagging.

The men's tailoring trade, she says, will need to find new linings and interfacing. These fabrics must give stability without detracting from the knit characteristics. They also will require careful handling by pressers — especially thermo-set fabrics with a permanent crease.

The amount of stretch put into men's knit outer wear will depend on the end use — whether for active occupational or sports wear, or for tailored clothes.

Another development in knits, says Miss Kahabka, is a major effort toward greater variety in fabrics. Presently, 85 percent of the knits sold are of 150 denier yarns resulting in a

somewhat "uniform" look in much clothing. She predicts more experimentation with lighter yarns and heather type yarns.

Varying the shape of synthetic yarns used in knits will give fabrics a new look. Textured yarns provide more "loft" (bulk without weight), more stretch, and a "dry" rather than "slick" feel. They can make fabrics more absorbent and spill resistant.

Trail-ers Club Schedule Campout

Faulkwood Shores, a campground near Howell, was the setting for the March 19-21 outing of the Shiawassee Trail-ers Club. Camping out were: the John Glagolas, the Troy Lewises, the Doc Beatys, the Ray Hoppers, the John Nagys and guests, Mr. and Mrs. Ray Hood and son Greg. The Joseph Leroys and the Odeas Duncans drove over to attend the Saturday night meeting, campfire and dessert, potluck style.

The highlight of the weekend was a white elephant sale with Lorne Hopper doing a "fine" job as auctioneer.

Anyone wishing to join the Trail-ers Club is urged to call 437-1491. The next campout is at Dodge Park No. 5 the weekend of April 16-18.

Treasure Debunked

Continued from Page 5-B

vault was needed to provide temporary security for cargoes of ships in the silver fleets which were damaged in the North Atlantic after the turn eastward and prior to reaching the area of the Azores. The second hypothesis is that in trading with the natives of the Nova Scotia area, Spanish fishermen learned of the presence of gold in the area and the Crown built the installation in the expectation of the recovery of large quantities of the metal."

Wilhelm explains that the bulk of gold and silver shipped by the Spanish to Europe from the New World was moved in guarded convoys of ships from Mexico, Panama, and Colombia. On their projected "great circle course," vessels struck by storms from the south would be driven north toward Nova Scotia and Newfoundland. Prohibited from sailing alone, they would sometimes be required to await new escort and to make repairs. Like the Spanish colony maintained in Florida, the installation on Nova Scotia would be a haven for treasure vessels.

Wilhelm maintains that analysis "based upon long chains of reasoning and conjecture" supports the hypothesis that the Spanish crown built a continuous-use treasure vault on Oak Island in the 16th century."

He suggests further that "the evidence is sufficiently strong to warrant further research in Spanish records of the 16th century.

It's Tornado Season! What Would You Do?

The tornado season has begun (approximately March through September), and the Greater Detroit Safety Council urges everyone to review standard safety precautions so that when a tornado warning is given over radio or television, immediate action can be taken to save lives.

A tornado "watch" differs from a "warning," a "watch" referring to the possibility of tornadoes occurring between certain hours in given areas, and a "warning" stating that a tornado has actually been spotted or detected. The "warning" will state the tornado's location, the area that could be affected, and the approximate length of time the tornado will be active in that area. Persons who could be in danger should then calmly proceed with the proper safety precautions, so as to be in the most protective area available if and when a tornado should strike.

Strong winds and changes in air pressure cause the greatest amount of destruction by tornadoes. Therefore, flying objects and exploding windows or walls are dangers to beware of when finding shelter.

"You can help equalize the dangerous variations in air pressure in homes and buildings by opening windows and doors on the side of the structure away from the tornado," the GDSC explains.

"Get underground if possible, preferably in a storm cellar, basement, cave, or (in the city, away from home) an underground parking lot or other area. At home, the corner of the basement closest to the tornado will provide protection, allowing most objects to fall away from you rather than on top of you. If you don't have a basement, get to the center of the house away from outside walls and windows. Lie on the floor against a strong inside wall and under a sturdy piece of fur-

niture. Cover yourself with a rug. Do not go outdoors and do not get into a motor vehicle. Keep a battery-powered radio with you to listen to weather information."

Schools and office buildings may have designated shelters. If not, people are advised to go to interior hallways, in the basement if possible, and away from windows. Avoid gymnasiums, auditoriums, or other structures with wide, free-span roofs.

"For protection when walking in the city or in shopping areas, get to a reinforced office building, following proper safety procedures once inside. In stores, lie on the floor next to a heavy, non-glass counter, keeping clear of large glass windows. Refrain from seeking shelter in or near parked cars.

"Cars are easy targets for tornadoes. If you're traveling in a car in open country and time permits, you can drive away from the tornado's path at a right angle to it; or, it might be best to vacate the car and find a ground depression to lie in.

"Persons on foot in open country should follow suit, lying in a roadside ditch, excavation area, or natural hollow. If no depressions or shelters are available, a car can be a better protection than nothing at all. But remember to keep car windows open enough to allow for pressure differences."

Beans Are Number One

Right after the Civil War, a skeptical farmer from nearby Washtenaw County pocketed a handful of beans on his cousin's New York farm, saying: "I don't know if they'll grow in Michigan but I'll take 'em along and give it a try."

Today 10,000 farmers grow the

navy beans, the state's Number One agricultural product. The Michigan Bean Industry growers and processors again are offering their 38-page recipe booklet, singly or in quantity. It can be obtained by sending a dime in coin with name, address and zip to BEANS, 1004 East Jefferson, Detroit, 48207.
