

BUILDINGS DESTROYED — As Ivan Ely, Jr. watches (foreground), flames destroy two empty Ely coal yard buildings off Railroad street, east of the C & O Tracks, Saturday afternoon. Because the fire, started by unidentified vandals, had consumed much of the buildings by the time firemen arrived it was decided to let them burn to the ground.

Retiring Dr. Eric Bradner

College Salutes Prexy

A community salute to retiring Schoolcraft Community College President Dr. Eric J. Bradner will take place at 6 p.m. Saturday at Waterman Campus Center as some 300 friends and community leaders gather for a dinner program in his honor.

Dr. Bradner, the college's first president, officially ends his 10-year tenure June 30. His

position is being filled by C. Nelson Grote, whose appointment was announced earlier.

Instrumental in the early development plans of the college, he has seen the institution grow from 2,018 students at its opening in 1964 to its present enrollment of nearly 6,000.

With his retirement from the college post, Dr. Bradner ends 38 years in the educational field beginning as a teacher in 1933 to dean of Bay City Junior College in 1949 to advisor to the then proposed Northwest Wayne County Community College (Schoolcraft) in 1959.

Schoolcraft College district is composed of the public

school districts of Clarenceville, Garden City, Livonia, Northville, and Plymouth, embracing 126 square miles and more than 315,000 population.

The college was named for Henry Rowe Schoolcraft, a 19th century scholar, explorer and regent of the University of Michigan.

Northville Township Man Held

Did He Commit Five Murders?

Michigan Week Activities Set

Local emphasis during Michigan Week 1971 will be on youth programs and beautification, Mrs. Donald Ware, Northville chairman, announced as she outlined plans for the annual celebration which opens next Saturday, May 15, and runs through May 22.

Mayor Exchange Day, Monday, May 17, will see Northville officials exchanging visits with Sparta, Michigan. Sparta representatives will be welcomed officially in

ceremonies at Northville City Hall and will be guests at the Rotary luncheon at Northville Presbyterian Church.

Plans are being made to include a boy and girl student and school representative in the exchange.

A new feature in this year's mayor exchange will be the meeting of Northville officials who visit Sparta, Sparta officials who come here, and their respective official hosts in Lansing Monday evening.

First day of Michigan Week, traditionally Community

Pride Day, will begin with Northville firemen washing the downtown streets. As they have done in other years, Northville Girl Scouts will wash the trash containers in town.

In cooperation with Northville Beautification Commission, Northville Branch, Woman's National Farm and Garden Association will refurbish the hanging baskets, which this year will be hung in cluster arrangements in the downtown area. The garden club also will plant petunias in downtown planters.

Mrs. Ware added that local merchants will be contacted and requested to "spruce up" their tree tubs.

"Buy a tree, plant a tree" will be the theme of Community Pride Day, she said, announcing that arrangements have been made for the garden club to sell crab trees—the official tree of Northville—in the Main Street municipal parking lot next to Northville Drug Store from 10 a.m. until 3 p.m. next Saturday.

All trees to be sold are potted so they will have a good start, Mrs. Ware stressed. Trees bought at civic sales in past years, she added, are in bloom now, and should offer encouragement to residents "to make Northville a crab tree center."

CHARLES FULLWOOD

Photo by Detroit News

Blood Bank Set Friday

A Northville community blood bank will be held tomorrow at the First Presbyterian Church from noon until 8 p.m.

Residents are urged to call Mrs. C. C. Winter, blood bank chairman, at 349-2361 for appointment. However, "should someone forget, come anyway. We need all the blood we can get."

Under a new Red Cross plan, if any member of a family contributes one or more pints of blood each year, coverage is provided for all members of the donor's immediate family.

A Northville Township convict is in Wayne County Jail this week facing two murder charges while police investigate his possible connection with at least three other slayings.

Charles M. Fullwood, 37, of 49469 Six Mile Road, was arrested Friday afternoon and arraigned Saturday for the murder of Frederick Bodnar, 22-year-old former township resident who had been living in Plymouth. He was arraigned again on Tuesday afternoon for the murder of Mrs. Joyce Ann Tuggle, 37-year-old Dearborn Heights barmaid.

He is being held without bond. Meanwhile, police are investigating the possibility he may have murdered John Keyes, 19, of Northville late last January, kidnapped and killed Keyes' girlfriend, 17-year-old Kathy Radtke of Novi, and had something to do with the unexplained death of a Walled Lake area man Herbert Watson, whose body was found last year on Newburgh Road in Westland near a dump.

Bodnar, whose parents live in Northville Township not far from Fullwood's frame home at the corner of Six and Ridge roads, was found dead in his burning car near Beaubien and the Fisher Freeway in Detroit March 26.

Mrs. Tuggle's partly burned body was discovered in a Middle Rouge Parkway gully in Livonia on Thursday. Both victims had been shot with a .38-caliber weapon. State Police crime lab technicians report that ballistics indicate both were killed by the .38-caliber revolver found hidden in Fullwood's car.

Keyes was killed by a 22-caliber weapon. His body was discovered in his car just off a lover's lane near Five Mile and Napier, less than a mile from Fullwood's home. Kathy, last seen riding with Keyes the day before his body was found, is still missing.

Police are again checking the landfill, located on the opposite side of Napier road from the lane, for Kathy's body. Fullwood reportedly had stated after her disappearance, that had her body been dumped there it would be unnoticed and quickly covered by earthmoving equipment.

Until a few months ago the landfill had been used by residents of the city and township of Northville.

One of the most important clues found in the lover's lane area following discovery of Keyes' body inside his car was the tracks of a four-wheel vehicle — the only tracks other than those of the Keyes car.

According to police, shortly after the murder a 1962 pickup truck, owned by Fullwood, was sold. Police have found it in a Plymouth junkyard.

Bullet holes, presumably resulting from target practicing, and believed made by a 22-caliber weapon, were found on the walls of Fullwood's garage.

Although police initially believed Watson's death was

accidental or a suicide, they

are reinvestigating the case following an unconfirmed report that Fullwood had once threatened his life during a fight last year in the Winners Circle Bar in Northville.

(Watson is not the young man whose body was found recently in Novi. That was Clyde LaLonde of Union Lake. His murder remains unsolved).

It was the search by police of an abandoned house trailer on Ridge, one-half mile south of Six, that triggered Fullwood's arrest Friday, although he had been a prime suspect since April 22 — before Mrs. Tuggle was murdered — when a tip linked him with the Bodnar killing and alleged two captive females in the trailer.

While searching the trailer, Fullwood drove up in his car and asked police why they were on his property (it isn't his). Informed that police had a search warrant, Fullwood drove off. Police followed him to his home and arrested him.

Fullwood's station wagon was towed to the State Police Crime Lab in Plymouth where it was searched by Sergeants Gene Nichols and Gene Wiler. They found the revolver hidden under the dash and bloodstains on the interior of the car. The blood matches that of Mrs. Tuggle, it was disclosed.

Livonia police obtained a warrant and searched Fullwood's house and grounds, assisted by State Police, and police officers from Dearborn Heights, Northville Township, and Novi. A silencer for a .38-caliber weapon and registrations for two vehicles were found.

A woman's handbag dug up behind Fullwood's house is not that of the missing Novi girl. "We also found several clues which may or may not relate to the Radtke case," said Novi detectives, "but we are not at liberty to release them until they are checked out."

Police began investigating Fullwood when a witness identified him as being in the Fisher Freeway-Baubien area shortly after Bodnar's body was found.

The same witness reportedly heard him say, "I've killed a man there."

Fair Meeting Wednesday

Initial steps will be taken Wednesday evening, May 12 to involve local non-profit organizations in the second annual Northville Fair scheduled for August 6-8.

Gerald Stone, Fair manager for the sponsoring Northville Community Chamber of Commerce, has issued an invitation to all community groups to send representatives to next Wednesday's meeting, which will be held at 7 p.m. at the city hall.

Stone believes that the Fair can become the single, major money-raiser for all organizations if a cooperative effort is exerted.

police said.

Bodnar and Fullwood reportedly frequented the same bars in Northville and the Plymouth areas as well as Third Street bars in Detroit. Police assume the men knew each other and that Bodnar had cashed a \$260

paycheck on the day he was killed. When found Bodnar had only \$14.

An unemployed construction worker, Fullwood, according to police, had accumulated racing

NEWS BRIEFS

CONCERT-IN-PARK is scheduled by the Northville High School band under the direction of Robert Williams for 8 p.m. Friday. The community is invited. If weather does not permit the concert to be held in City Hall Park, it will be moved to the high school.

ELEVEN DAYS remain for candidates to file for the three seats up in the June 14 school board election. Candidates who have filed for the two four-year terms include Incumbent Trustee Richard Martin and Angelo Chinni, while R. Duane LaMoreaux has filed for the one-year vacancy created by the resignation of Eugene Cook. Petitions are also being circulated by Martin Rinehart, currently filling Cook's seat, Incumbent Trustee Andrew Orphan, Mrs. Sylvia Gucken and one unnamed person. Deadline for filing is 4 p.m. Monday, May 17. Voter registration closes at 5 p.m. Friday, May 14.

PUBLIC HEARING on the city's 1971-72 budget has been set for Tuesday, May 18. Calling for a total outlay of \$770,850, the budget suggests a millage increase of from 10.3 to 10.6, says City Manager Frank Ollendorff, who doubts that the council will be able to make any significant reductions between now and the hearing to prevent the .3 increase. Nevertheless, councilmen will meet again Monday to continue their budget review — specifically to take a hard look at salary projections.

SENIORS, reminds General Chairman Bernie Bach, have just a few days left to purchase their tickets for the upcoming senior prom slated for next week Thursday at the Raleigh House in Southfield. The big senior dinner-dance carries the theme, "Reflections."

IN TRIBUTE to retiring Schoolcraft College President Eric J. Bradner, the board of trustees has named the college library in his honor and has established a perpetual \$1000 Eric J. Bradner Scholarship Fund.

TV FUNNY MAN Pat Paulsen, who may have something to say about his presidential campaign, will be in the spotlight Saturday night when he makes a guest appearance at Schoolcraft College. Ticket information may be secured by calling the Student Activities Office, 591-6400, extension 355.

Team Battles Drug Abuse

As the first step toward the goal of reducing or eliminating drug abuse locally, a group of representatives of the Northville schools, students and the community met Monday with members of the DARTE (Drug Abuse Reduction Through Education) team to work toward developing a Northville program.

The group of almost 40 heard about the workshop attended by the DARTE team from its chairman, Mrs. Julia Crowthers, a Northville visiting teacher at the secondary level.

Those attending represented community organizations. They made suggestions for local programs and indicated whether they felt Northville should participate at all, or in part, with a program under way in Plymouth where a "hot line" telephone service is in operation and plans are being made for an "Our House" facility to help drug users.

Ideas submitted will be studied by a steering committee from the group which is to meet next Tuesday at 7:30 p.m. at the board of education offices with Miss Florence Panattoni, curriculum coordinator. The group will meet as a whole again June 7 to hear the steering committee recommendations.

First step toward a joint school-community program, Miss Panattoni said, will be the identification of Northville's needs. She added that response to the first meeting had been excellent with almost 100 per cent of the community invited attending or calling.

The DARTE workshop program was sponsored by the Wayne County Intermediate School District through a federal grant under the Education Professions Development Act and the

Northville Board of Education. As a result of the workshop, the local program will take form.

Participating teachers have been Mrs. Judy Higbee, Mrs. Barbara Holmes, Mrs. Carol Pasco, David Graff with Northville High counselor Jack Wickens. DARTE students are Diane Getzen, John Forrer, Ann Price, Michele Rody, Reese Lenheiser and Nancy Ninder.

Miss Panattoni stressed that the local program is to involve students from various grade levels as well as teachers and the community.

ALL ABOARD! — Twenty-three kindergartners from Main Street school along with their teacher, Mrs. Marilyn Kaestner, and chaperones board one of the last trains to take a ride to Detroit. The students made the trip last Thursday morning and returned home by bus. The ride will be the last for students since passenger service from Plymouth was discontinued Saturday.

Town Hall Next Season: Bishop Sheen to Speak

Leading off Northville Town Hall's 1971-72 program on October 14 will be Archbishop Fulton J. Sheen, who is to speak to the 11th annual Town Hall audience of "Life Is Worth Living."

Other speakers for the upcoming season announced by Mrs. Nelson Hyatt at the final program of the current season last month are Author-Comedian Irene Kampen, November 11; Dr. J. Clayton Lafferty of Northville, March 9, and Singing Star Patrice Munsel, April 20.

Lectures again will be held at 11 a.m. in Northville High School auditorium with tickets, still \$10 for the series, on sale now. Celebrity luncheons will follow the lectures and are to be held in Lofy's Pavilion Room. They will be \$3.50 for the buffet.

In announcing the appearance of Archbishop Sheen, Mrs. Hyatt pointed out that "it will be a talk for all faiths" as Bishop Sheen is familiar to Americans throughout the country who have seen and heard him on television and read his nationally syndicated newspaper columns.

"Life Is Worth Living" also was the title of his television series which ran from 1951-57. It won an Emmy Award and the Look magazine television award for three successive years. Two subsequent series were followed by the appearance in 1966 of "The Bishop Sheen Program" in color.

The Prelate who has inspired millions and converted people in all walks of life continues to be actively engaged in writing and lecturing, having been appointed by Pope Paul VI as Archbishop of the Titular See of Newport (Wales). This titular appointment enables

BISHOP FULTON J. SHEEN

IRENE KAMPEN

PATRICE MUNSEL

the Archbishop to continue to perform his priestly functions here in his retirement.

Born in Illinois in 1895 to a farming family of Irish ancestry (his uncle was a law partner of Robert G. Ingersoll, the famous agnostic, and served as representative in the State Congress), Fulton J. Sheen rose to international eminence, serving as Papal Chamberlain and in 1951 being consecrated Bishop in the Church of Saints John and Paul in Rome.

Irene Kampen, author of "Due to Lack of Interest Tomorrow" Has Been Canceled," describes herself as she returned to the University of Wisconsin as a 45-year-old undergraduate in her book. She is to relate her experiences as a student and a widow November 11. In her personal appearances, her audiences report, she is "even funnier in person than in her books."

"I felt like a combination of Betty Coed and Mother Machree," she says as she describes how she returned for the seven credits she needed for her journalism degree.

She tells about her "education" in extracurricular activities and her attempts to keep up with the demonstration generation. Title of her book, "Due to Lack of Interest Tomorrow Has Been Canceled," was taken from some student

graffiti she found scrawled on what formerly were hallowed halls of ivy. This already has been optioned by a major network for a TV comedy series.

The tribulations of having to cope as a widow with raising kids singlehanded was turned into a book, "Life Without George," which TV viewers have enjoyed for seven years as The Lucy Show with Lucille Ball and Vivian Vance. In addition to six other books, she has written for McCall's, Ladies Home Journal, Woman's Day, Good Housekeeping and others.

Dr. J. Clayton Lafferty, a Northville resident, is president of Human Synergistics, a firm specializing in human development within organizations. A certified consulting psychologist under the Michigan psychology Registration Act, he also is a partner in the management consulting firm of Adams, Lafferty, Madden and Moody, Incorporated.

Dr. Lafferty explains the term "synergistics" means "two or more to achieve an effect of which each is incapable."

Prior to establishing his private practice in psychology, Dr. Lafferty held teaching assignments at the University of Michigan, Michigan State University and Wayne State University. He has served as consultant to Wyoming Public Schools, to the Blue Cross Organization, Chicago, and to more than 200 public and private school systems.

One of the most glamorous stars of the entertainment world, Patrice Munsel, who has been an outstanding performer in opera, concert, musical theatre, recordings and television will appear here as the final Town Hall

program April 20, 1972.

For her program, "From Grand Opera to Baroque Rock," she will have an assisting artist at the piano.

A star in the glamour tradition, Miss Munsel includes a love of fashion as one of her interests and has appeared twice on the Best Dressed list.

Audiences around the country have acclaimed her as one of today's brightest singing stars. She claims to have fallen in love with audiences when she played to her first one at the age of 12 in her home town, Spokane, Washington.

Years of work and training made the love affair mutual, and the first step in that direction came when, at 17, Miss Munsel in bobbysocks and saddle shoes walked across the stage for the Metropolitan Opera Auditions of the Air—with her school books tucked under her arm—and began to sing the "Mad Scene" from L'uc di Lammermoor. An ovation followed and minutes later she was offered and signed a contract with the Metropolitan Opera.

She stepped onstage of the Met several months later as the youngest singer ever to debut at the Met to sing "Lucia in 'Mignon'."

When she entered the field of musical theatre, all box office records were broken as she appeared in "The Merry Widow" at the State Theatre in Lincoln Center, New York. She since appeared in "Kiss Me Kate," "Can Can," "South Pacific," "The King and I," "Song of Norway," "Sound of Music," "Hello Dolly," "My Fair Lady," "Mame" and "I Do, I Do."

As she concluded the 10th year of Town Hall, Mrs. Hyatt paid tribute to its founder, Mrs. Robert Rahaley, who had come from her home in Detroit for the program. At the luncheon following, Mrs. Rahaley told how she "became tired of arranging fund-raising suppers at Our Lady of Victory Church and conceived the idea of a Town Hall for Northville."

"I remembered that my mother in the depression years still allowed herself the Fisher Theatre Town Hall—which supported the whole family of its organizer," she said, adding that she felt it could raise money for OLV here on that basis.

The original group of 15 planning the program involved women of the community as well as of the church. Their very first speaker was John Mason Brown, followed later by Bennett Cerf.

The first-year program would cost \$6,000—and they had "not one dime in the bank," recalled Mrs. Rahaley. However, Town Hall was a success from the very beginning, gaining cooperation from merchants who advertised, from OLV school which released eighth graders to baby sit, and from a ticket-buying community.

TEAS MARK MILESTONES—Lutheran and Methodist churchwomen of Northville last week celebrated festively at spring teas. Above left, the 75th anniversary of St. Paul's Lutheran Church was marked at a tea given for all women of the community Thursday. Mrs. Neil Nichols, Mrs. Charles Boerger wife of the pastor, and Mrs. Warner Krause, left to right, enjoy a teatime chat. "Spring Fling," below, was the name chosen by the Northville United Methodist WSCS for its first tea in the new building on Eight Mile Road. Mrs. Walter Stamann, seated, Mrs. Myles Kennedy, tea chairman, right, and Mrs. Warren Fittery admire the yellow-and-orchid decorations.

'Country Fair' Theme

Dance Recital Slated

"Country Fair U.S.A." is the theme of the dance recital to be given by pupils of Pamela Krause Stopper at 7:30 p.m. this Saturday in Northville High School auditorium.

A capacity audience is expected as Mrs. Stopper's pupils open with a "Vendors" scene featuring Pam Leith and Shawn Lovett. Carrying out the theme will be such numbers as "Cotton Candy," "Pink Lemonade" and a large group feature, "Singing in the Rain."

After "Surrey with the Fringe on Top," "Take Me Out to the Ball Game" and "Lolly Pops," there will be intermission with special features following. One popular one is "Oye Coma Ba." As pupils dance to "Battle Hymn of the Republic" Mrs. Stopper's father, Harold Krause, will narrate the Gettysburg Address. Music will be a recording by the Morman Tabernacle Choir.

Northville-Novl area pupils

Demonstrations Set For China Painters

Northville Spring Chapter of the Michigan Federation of China Painters is inviting interested area women to attend the second state biannual china show and sale to be held in St. John's Episcopal Church, Woodward at Eleven Mile, in Royal Oak May 14 and 15.

Nine hour-long demonstrations by teachers are scheduled during the two days. Hand painted china as well as china painting supplies will be sold. Admission is \$1. The show will run from 10 a.m. until 9 p.m. Friday, May 14. Teachers who will demonstrate throughout the day are: Betty Poellet,

snowberries, Evelyn Schriber, lilacs, 11 a.m.; Mary Patusky, double violets, Margaret Geib, agate etching, 12:30 p.m.; Jean Learned, puppies, Elsie Reichman, bisque, 2 p.m.; Mary Zenas, blueberries, Mae Perkins, gold roses, 3:30 p.m.; Winnie Richards, mums, Leola Fadden, pansies, 6 p.m. Saturday the show will be open from 10 a.m. through 5 p.m. Demonstrations are scheduled by Bill Garrison, pine cones, Grace Biggs, daisies, 11 a.m.; Mary Patusky, wild roses, Pat Carlson, bisque roses, 12:30 p.m.; Gladys Galloway, cut-out scenes, Goldie Latchford, pansies, 2 p.m.; Dorothy Hudgens, small scenes, Wava Warner, forget-me-nots, 3:30 p.m.

A BENEFIT "bargain" is in the offing this week end as Northville Mothers' Club holds its Nearly New Sale from 9 a.m. to 4 p.m. Saturday in the Northville Board of Education offices at 303 West Main Street.

Since all proceeds go to the Northville schools, money is well spent. Traditionally, the sale offers many bargains, especially in children's clothing. Mrs. Charles Wheatley, chairman, plans to have a large staff on hand at opening hour—the best time to find good buys at any sale.

To date this year the club has donated \$1,250 to the Northville schools' humanities enrichment program. This is an increase over last year's \$1,000 donation. Any extra monies earned now will go for school requests which have not been fulfilled.

Another club project, the March election tournament, also is drawing to a close. Mrs. E. E. Mueller, chairman, announces that cut-off date for play is June 15 and asks that all groups have games played and scores in so that prizes may be awarded. First prize in each league is \$50; second is \$20 and third, \$10.

Mrs. Blake Couse will be hostess for a business meeting of Northville Mothers' Club at 8 p.m. Monday at her home at 18240 Laraugh.

NORTHVILLE Branch, Woman's National Farm and Garden Association, was well represented at the 11th Wright-Kay sponsored exhibition of table settings and centerpieces last week end. For the first time the show, in which all branches of the Michigan Division may participate, was held at the company's Birmingham store. This year's theme was "What Is Spring?"

Featured in the store's Woodward window was "Ruby Patches," the work of Mrs. Gene Cushing of Northville who used showy anthurium as the central flower. She was one of 66 exhibitors and also is a previous exhibitor.

Mrs. William Switzer, branch president, and Mrs. Warner Krause were official hostesses at the exhibit last Thursday morning. Among the first visitors they greeted were Mrs. John Begle, Mrs. Paul Hughes, Mrs. Roger Pyett, Mrs. Jack Scantlin and Mrs. James VanBuren, a new Northville member who previously was a WNFA member in Dearborn.

The Northville branch will hear a talk on "Brass Rubbings" by Mrs. Paul Hughes at its annual meeting and program at 12:30 p.m. Monday at the home of Mrs. Paul Schulz, 46675 West Seven Mile Road.

Mrs. Hughes, a branch member, will exhibit several of the rubbings she did in English churches while she and her husband were living near London last year.

FREE-LANCE writer Barbara Scantlin, a Shadbrook resident, counts antiquing as well as gardening among her hobbies. She has a feature article appearing in the March, 1971, issue of National Antiques Review.

Her story covers the Our Lady of Victory-sponsored fair held last year at the Northville Downs track. She stressed the variety of old tinware offered, and pictures she took illustrate the article.

A FORMER resident, Mrs. Glenn R. Jordan, who has moved to Yardley, Pennsylvania, with her family, also is a free-lance writer in print. While Mrs. Hughes has been collecting brass rubbings as a hobby, Patricia Jordan became fascinated with gravestone rubbing.

When the family moved to Bucks County, she began searching old cemetery grounds for early stones. In an article, "Gravestone Rubbing in Bucks County," appearing in the January, 1971, Bucks County Panorama magazine, she points out that gravestone rubbing is not just a form of art but also is done to preserve information.

DARLEAN MURPHY

Engaged

Mr. and Mrs. Walter R. Murphy, 576 Reed Avenue, announce the engagement of their daughter, Darlean, to Gary M. Francis, son of Mr. and Mrs. Donald G. Francis of Grosse Pointe.

The bride-elect is a 1969 graduate of Northville High School and currently is attending Eastern Michigan University where she is an art major. Her fiance also is at EMU in the field of broadcasting.

No wedding date has been set.

At Mens Club Dinner

Ravitz to Speak Here

Detroit Common Council President Mel Ravitz will present a progress report on plans for the purchase of the Maybury property as Wayne

MEL RAVITZ

County's first state park at a dinner meeting of Northville Presbyterian Men's Club at 6:45 p.m. next Thursday, May 13, in the church fellowship hall.

Ravitz' talk also is to cover such aspects of the possible purchase as, "How would the Maybury State Park plan affect the Northville Community?" and ways citizens can assist the project.

He plans to discuss Detroit-suburban community relations and will answer questions at the conclusion.

The meeting is open to all interested men of the Northville area. Admission charge of \$2.25 includes dinner. Those planning to attend are asked to telephone reservations to the church, 349-0911, by next Wednesday. Ravitz, 47, was elected

president of Detroit Common Council in 1969. In 1970 he was elected Chairman of the Southeast Michigan Council of Governments. He first was elected to Detroit Common Council in 1961 for a four-year term; he was re-elected in 1965 and again in 1969.

The proposal to develop the Maybury property west of Beck road between Seven and Eight Mile roads as a park, rather than selling it to housing developers, has had Ravitz' endorsement from the beginning of discussions concerning its disposition.

The need for the City of Detroit to sell it for the possible price tag of \$3 million put the 865-acre site up for bids earlier. Ravitz, who from the beginning declared his interest in developing the property for recreational use, a week ago asked his colleagues on the council to delay opening bids indefinitely.

News Around Northville

It's "Take Me Out to the Ballgame" for Northville Senior Citizens this Saturday. A bus is to leave from the scout-recreation building at 11:30 a.m. for Tiger Stadium. No reservations are needed.

A sing-along program is planned for the meeting of Northville Senior Citizens' Club at 7:30 p.m. Tuesday, May 11, in the scout-recreation building. It will follow the business session with a club member, Richard Sharon, playing his guitar for the community sing. Refreshments will conclude the evening.

Plans will be made at the business session to entertain the Plymouth Senior Citizens' Club May 25.

Among the first tent campers of the year were Northville High seniors Debbie Cook, Karen Dyke, Martha Gazlay and Sharon VanBuren. The four spent three days at Holland, on the shores of Lake Michigan, last weekend cooking out and taking a tour of the Hope College campus Monday with Jim Armstrong and Rich Ording, both students there.

A \$100 gift, earmarked for the Father Wojcik Fund, has been accepted by the

Schoolcraft Board of Trustees from Dr. and Mrs. John H. Romanik of Northville.

A spring exhibit of work of members of Three Cities Art Club opened Sunday in the Schoolcraft College library and will continue through May 23. The show, which is open to the public, includes sculpture, ceramics and macrame as well as paintings. Many of the exhibits will be for sale and represent members' best work.

May meeting of the club is to be at 8 p.m. Wednesday, May 12, at the home of Mary Ann Beltz, 362 Welch. She will discuss and demonstrate the art of weaving tapestries and wall hangings.

Volunteer Aids UF

While Women for the United Foundation (WUF) of Metropolitan Detroit has 11,000 members, it's doubtful if any travel farther to volunteer than did Northville-area worker Mrs. Victor Miller of 24778 Glenda.

To assist with the first of two annual WUF-sponsored Health-O-Ramas held April 21-24 she drove all the way to Mount Clemens. Hearing of the need for volunteer workers for the project Mrs. Miller and Mrs. Edward Syperksi of Farmington decided to help. They assisted with individual test registrations in the program which gave tests to 500 adults each day.

Mrs. Miller became involved with the United Foundation as a division chairman for Novi-Walled Lake in its fund-raising campaign Mrs. Syperksi was Mrs. Miller's regional chairman during the Torch Drive.

Mrs. Miller, who is the mother of a son, 9, and a daughter, 4, will be going to the Kellogg Center in Lansing May 19-20 United Foundation budget committee review board. At the overnight session, she explains, requests of Metropolitan area groups requesting UF funds are reviewed.

Births

Mr. and Mrs. Robert Parsons of Plymouth are parents of a daughter, Heather Lynne, born April 18. Mrs. Parsons is the former Karen Myers.

Grandparents are Mr. and Mrs. C.W. Myers and Mr. and Mrs. Carl Parsons, all of Plymouth. The baby is a fourth generation new arrival in her mother's family, Mrs. Gladys Johnson being her great-grandmother.

Mr. and Mrs. Richard O'Hare, 46099 Neeson, announce the birth of a daughter, Kelli Lyn, April 27 at St. Joseph Hospital, Ann Arbor. She weighed seven pounds, fourteen ounces at birth.

Kelli joins a brother, Steve, 5, at home. Grandparents are Mr. and Mrs. Steve D'Arcy and Mrs. Dorothy O'Hare, all of Northville.

LWV Slate Politicos

Northville chapter of the League of Women Voters will hear Robert Dwyer, former Second Congressional District Democratic Chairman, and Gene Stermer, Wayne County Second District Republican Chairman, at its May general meeting at 8 p.m. Thursday, May 13, at Epiphany Lutheran Church, 41390 Five Mile Road.

In keeping with the LWV purpose of promoting informed and active participation of citizens in government, the chapter invited both to discuss the questions: "How do you become politically involved?" and "To what extent can you become effective in creating change?"

All women interested in politics at the "grassroots" level are encouraged to

Mrs. Crawford Head Of Jaycee Auxiliary

Mrs. Hugh (Kathy) Crawford was elected president of the Novi Jaycee Auxiliary last week.

Other newly elected officers include: Mrs. Ernie (Elaine) Kramer, vice-president; Mrs.

Seek Homes For Students

Northville residents who would like to take a foreign student into their home in August to live with the family for a year are invited to contact Mrs. Glenn Deibert, 349-0285, area representative of the Youth For Understanding exchange program.

Mrs. Deibert now has applications from students from the Scandinavian countries who would like to come to this country this fall. She also is able to get applications of students from other European countries for families with other preferences from the Ann Arbor-based program.

She points out the advantage of planning to take a youngster well before the student's arrival in August is great as it gives time to "get acquainted" through letters before his or her arrival.

Youth For Understanding also has an exchange program with South America which brings students here in January for a six month stay. Interested families may place their names on this list by calling Mrs. Deibert.

attend. At the national level, the League of Women Voters has recommended that the United States drop its opposition to the seating of the People's Republic of China in the United Nations and permit entry by a simple majority vote of the General Assembly, instead of calling for a two-thirds vote.

The decision was approved by the League's board of directors in Washington, D. C., which also underscored the need for U.S. initiatives and policies designed to improve commercial travel, cultural and diplomatic relations with mainland China.

"Since the Government of the Republic of China and the PRC both claim to be the government of China, it is unlikely that a UN decision on representation would finally resolve their differences on

this question," the League says.

However, the League states it believes that the U.S. can contribute to a solution to the problem of Taiwan's political identity and political future. It urges that the U.S. "Adopt a stance which would permit and encourage long-range peaceful resolution of the differences between the People's Republic and the government of the Republic of China."

At the present time, three resolutions have been introduced in Congress on relations with China and Taiwan. The sense-of-the-Senate ones have been introduced by Senators Jacob Javits of New York, Mike Gravel of Alaska and George McGovern of South Dakota.

The League announces it also has sent a letter to President Nixon applauding his recent announced intention to relax restrictions on trade with China and pledging its support of diplomatic measures designed to normalize relations with mainland China.

Court Clerk Retires After 16 Years

After serving as court clerk in Northville and Plymouth for the past 16 years, Mrs. Maryon Bridgman retired Friday.

Mrs. Bridgman, who began working in Plymouth's municipal court in 1955, first served under the late Judge Joseph Perlongo. She was transferred to the Northville branch of the 35th District Court in August, 1969, where

she worked for Judge Dunbar Davis. "After 16 years," she said, "I'm looking forward to retiring and spending more time with my daughter and son and their families." A bit of traveling is also included in her plans.

Currently a resident of Northville Township, Mrs. Bridgman said she will be moving to Mt. Clemens

OPEN DAILY 'TIL 6.00 MONDAY AND FRIDAY 'til 9.00 p.m.

New GM Named At Paragon

One of the originators of the Paragon steel fabricating plant, located in Novi and now a division of Portec, Inc., officially retired Monday and another member of the Portec organization moved in to fill his post as general manager.

Retired was Gilbert T. Innes, 58, and taking his place is Lynne L. White, 44, formerly general manager of Portec's Shipping Systems Division.

Innes will now devote his full time to his other business activities, including assisting his two sons — John of Plymouth and William of Livonia — with the operation of three carry-out restaurants. It was in 1947 when Innes joined with the DePodesta brothers to form Paragon — initially engaged in the general contracting business. He was secretary of the corporation at that time.

Gradually, Paragon phased out its general contracting operation and turned to the steel fabricating business. Rapid growth forced the firm to move in 1955 from its small plant on Eight Mile Road in Southfield to new and larger quarters in Novi, located west of Novi Road at Grand River and the C & O railroad.

Innes became executive vice-president and secretary the same year the firm moved to Novi. Following the death of the late Frank DePodesta, Innes in 1964 became president of Paragon. The following year another Paragon plant was built in Ashley, Michigan. Then in 1968, Paragon was sold to Portec, the old corporation was dissolved, and it became a division of the parent organization. In the reorganization, Innes was named general manager — the position he held until retirement Monday.

A native of Toronto, Canada, Innes moved to Detroit at the age of 16 and was graduated from Cooley High School. During the Depression years, he worked at a series of jobs ranging from a coal truck driver to being a sailor aboard Great Lakes freighters.

He joined Darin & Armstrong, Inc., general contractor, in 1937, climbing to the position of field office manager before leaving in 1944 to join the former Cunningham Limp Company of Detroit. He was with Limp

GILBERT T. INNES

LYNNE L. WHITE

until the formation of Paragon

A resident of Detroit, Innes has, besides his sons, two daughters and three grandchildren.

With his retirement, only one of the original members of the Paragon organization remains. He is Arthur Depodesta, manufacturing manager at Paragon.

White, a native of Hammond, Indiana, is a graduate (1948) of Dartmouth College. He has two children.

Following graduation from college, he joined the Mars Signal Light Company as a service engineer, later becoming sales engineer, sales manager and from 1952 to 1954 general manager. In 1954 he joined Brandon Equipment Company, now the Shipping Systems Division of PORTEC, as manager of the paper specialties. In succeeding years he became general manager, then vice-president, and then from 1962-1967 president.

When Brandon became a division of Portec, White was named general manager.

The Shipping Systems Division, located in Chicago and maker of securement equipment for railroad cars, is one of 10 Portec divisions in the United States (including Paragon) and two subsidiary manufacturing plants abroad — in Great Britain and Australia — and one in Canada.

Portec itself is a new name for an old company. Formerly called Poor & Company, it was initially a major supplier of railroad track equipment, steel forgings and castings. Founded in 1898 and a member of the New York Stock Exchange since 1928, the firm's name was changed in 1968 to reflect expansion into road building, electric power and materials handling equipment and automotive transportation products.

Portec is headquartered in Oak Brook, Illinois.

Paragon, once a major supplier of steel bridgework, today is concentrated in structural steel weldments, parts racks to rail car auto carriers, and a variety of other fabricated products. Its chief product, however, is automobile racks (piggy-backs) for railroad cars.

In Wixom Bank Sale Near

Reports early this week of the sale of Fidelity Bank of Michigan, Wixom branch, to the Community National Bank of Pontiac, were termed "premature" Tuesday afternoon by Robert Mason, Fidelity vice-president.

Mason did not deny the reports, however. "There is a gentleman's agreement in the matter," he said, "We've shaken hands but as yet details have not been firmed up."

Mason said terms of any agreement between the two banks would be withheld until the "day of signing."

In addition to the sale of its Wixom branch, Fidelity intends to close two of its Birmingham branches it was

announced Monday. The Fidelity Bank was formed during the week of February 15 by the Detroit family of Edward Rose whose development company, Edward Rose and Sons, is currently involved in an estimated \$10 million multiple housing development in the Beck Road - Pontiac Trail area of Wixom.

The Rose family bought out the remains of the defunct Birmingham Bloomfield Bank after its collapse sparked a sudden state-wide search for capital to take over the institution's responsibilities.

Mason said Fidelity had lost \$201,000 in its first six weeks of operation but explained that this was in interest revenues and had been anticipated.

hire additional personnel to do it. It means an extra expense.

A representative of the Community National Bank of Pontiac declined to comment. When asked for a firm date when matters would be settled, Mason was evasive saying it could be anywhere from four to ten days, to three or four weeks.

"There are presumably no problems along the line," Mason said, "but we are awaiting word from state and federal agencies."

He quoted total assets of the Birmingham institution as being \$57,981,141 as of March 31 saying that there were no substantial increases or decreases in that figure to date.

When Fidelity incorporated, according to Mason, it had a total asset of \$57 million.

Mason ripped rumors that the Wixom branch was in financial trouble, saying that in the eyes of Community National it can be operated on a sound financial basis. He predicted Community National would find it more economical to operate Fidelity's Wixom branch because of the proximity of its Walled Lake branch to Wixom.

"Wixom's nearly 20 miles from our home office," Mason said, "We have to take our materials that distance and

Pending Legal Opinion

Councilman Hired To Spread Roll

Novi councilmen voted Monday night to hire member Edwin Presnell, pending legal opinion, to spread the special assessment roll for the proposed Grand River-Novi Road sewer expansion project.

Though the move was unanimous (with Presnell abstaining), Councilman William O'Brien insisted the city attorney make a ruling on hiring Presnell.

"I have no doubt that he (Presnell) is a qualified man," O'Brien said, "but without legal opinion, it smacks of pork barrelling."

Councilmen noted that Presnell, who prepared the roll, has "knowledge of it and of the community as well which will be of invaluable assistance."

Novi citizen Russell Button asked what qualifications Presnell had. City Manager George Athas said the councilman had completed a one year course in assessing, with a "B" average, and that he would be under constant supervision.

According to Athas, Presnell would be paid at the hourly rate of the city assessor, \$6.10. "This is if he gets the contract, which he hasn't yet," Athas said. "We have to have clarification from Bond."

So far, according to Athas, the lowest bid the city has for the job is \$15 per hour.

The job, which involves assigning a tax amount to each parcel of property to be assessed, will take some 40 hours, according to Athas.

fish a child out of one of them"

Novi Mayor Joseph Crupi directed Athas to contact subdivision developer Kaufman and Board and "make them prove that those ditches conform to grade."

In other business Monday, councilmen

—agreed with a DPW recommendation to put a sewage metering device in the trunk sewer which serves ABC Photo for "Three to four weeks", in an effort to get an idea of the plant's tap consumption,

—announced sewer connection fees in the Walled Lake extension at a \$600 collection charge, plus an \$88 debt service charge if laterals are being used, or a \$64 debt service charge if the home is without laterals,

—announced the first budget work session will be a closed meeting held on Thursday at 8 p.m.,

—received a letter from the United States Department of Treasury commending work by Novi Corporal Robert Starnes which resulted in a recent arrest of narcotics law violators and seizure of two ounces of heroin.

ELBOW TO ELBOW—Hundreds of Novi residents flocked Friday night to the Novi Orchard Hills Elementary School fair. An annual event sponsored by the Orchard Hills Booster Club, the fair offered a dinner, talent show, raffle, puppet show, African shooting gallery and dozens of other attractions for both the eye and taste bud.

Police Salaries Top Contract Demands

Paramount issue was salary on the Novi Police Officers Association list of demands read to the Novi City Council at its meeting Monday by City Manager George Athas.

The demands, which would increase a patrolman's starting salary by more than \$3,000, have been submitted as a basis for upcoming police contract negotiations. Preliminary meetings are slated to begin this week or early next.

The NPOA demands ask for a starting salary of \$11,450 for patrolmen. Current salary is \$8,400. Following is a breakdown of the salary hikes as outlined by Athas:

After six months, \$11,750 (currently \$8,800); after one year \$12,050 (currently \$9,200); after two years

\$12,550 (currently \$9,850); after three years \$13,250 (currently \$10,800).

A corporal would make \$12,350, a detective \$14,050, a sergeant \$14,250 and a detective sergeant \$14,750. Currently salaries are \$10,800 for a corporal and \$10,900 for a detective corporal with no further distinction.

Compensation for a canine officer, over base pay, remained at \$400.

Vacation times mentioned were 10 days with one year

service, 15 days with four years, and 20 days with five years.

Other items included 12 sick days yearly figured on an accumulative basis; time and one-half for half an hour should a policeman miss his lunch time because of duty assignments, a day's pay during 10 annual holidays; time and one-half for any work in excess of eight hours a day or five days out of any seven; double time if an officer should be called back to duty,

and a shift differential of \$10 per hour on afternoons and \$15 per hour on midnights.

The city's bargaining team composed of Athas, councilman Denis Berry and Farmington Township Supervisor Earl Teeples (himself a former detective sergeant) will meet with the NPOA bargaining team composed of President Ralph Fluhart, Secretary Frank Barabas and Vice President Jack Grubb "in the near future," Athas said.

On Apartment Rezoning Novi Hearings Set

Public hearings were set on a 204-unit apartment-townhouse complex and rezoning of two parcels of land to permit an additional entrance to an apartment complex on the northeast side of Walled Lake. The action was taken by Novi planners last Wednesday.

A hearing on the site plan, currently before planners, will be held May 19. The developer, Practical Home Builders, proposes the apartment-townhouse complex on a 25-acre site across from Meadowbrook Glens on Ten Mile, east of Novi Road.

According to planners, problems have arisen concerning a retention basin (which would otherwise go into Meadowbrook Lake) and the streets which may connect the complex with Orchard Hills subdivision.

A rezoning request from Gil Development will come up for public hearing on May 26. Gil is seeking to rezone two

parcels of land from single family to multiple. The land is located between the petitioner's apartment development and East Lake Drive.

The parcels are needed to

provide an entrance to the development from East Lake Drive as well as a sewer easement and additional buildable land. Presently the only entrance is from 14 Mile Road.

Ask Lower Speed On Grand River

Novi Police Chief Lee BeGole has recommended the speed limit on Grand River be lowered to 50 miles per hour, day and night. Present speed limit on the road is 65 mph days and 55 mph nights.

BeGole said his recommendation to the Michigan State Highway Department was based on a study taken at five different points along Grand River. The study revealed the majority of drivers were traveling "substantially under the speed limit."

"Between Beck and 12 Mile roads, where the limit is a posted 65 mph, the average speed of 169 cars tested was 42 mph," BeGole said.

One-half mile east and west of Novi Road, where the speed is a posted 40 mph, the average speed of the cars tested was 37.8 mph, the chief noted. No change in the speed limit was recommended for this area.

The Novi department was assisted in its study by the Michigan State Police and the Oakland County traffic engineer.

HOSTS—Hosting a quintet from Plymouth High School gave the Novi High School band a chance to perform its spring concert last week Wednesday. Band director Richard Stannard awarded clarinetist Pat Wilkins with the John Philip Sousa Award for outstanding contribution from a senior.

LOYALTY MARCH — It was a short parade Saturday but those VFW members and others who participated and watched found it the perfect way to salute Loyalty Day in Northville. The parade was sponsored by the VFW Post here.

SAFETY PATROL — Chosen recently by classmates as safety patrol boys and girls for the month of March are (standing from left) Leif Romberg and Eva Erdos (Moraine Elementary), Tina McKenna and Marc Hooth (Amerman), and Terri Myers and Paul Hibbeln (Main Street); kneeling (from left), Amerman Lieutenant Francine Chinni, Moraine Captain Cheryl Bourne, Amerman Captain David Laux and Moraine Lieutenant George McCann.

Did He Commit Five Murders?

Continued from Page 1

gambling debts but that most had been paid off late in March.

Married, with three children — 12, 2, and 10-months, Fullwood was arrested numerous times in recent years. Convicted of armed robbery of a party store in Inkster in 1958, while living in Detroit, he served two years and was paroled.

Northville police arrested him six times last year — for drunkenness, malicious destruction of city property, obscene language, drunk and reckless driving, and for burning a car near the

Winner's Circle Bar.

He also has been arrested on similar charges in Detroit, Plymouth, Dearborn Heights, and Ann Arbor.

Fullwood's arrest for the bizzare murders and the investigations surrounding him represent the first major break-through on the Keyes murder case and the disappearance of Kathy, according to police.

Coincidental, perhaps, Keyes' brother, Christopher, was struck by a man who jumped from a red car April 12 at Main and Center streets. Fullwood's 1963 Falcon station wagon is red.

Musician to Speak To Baptists Sunday

Jerry Franks, inspirational musician, will be appearing at the First Baptist Church in Northville Sunday at the 11 a.m. service and again in the evening service at 7:30. He will be playing his trumpet at both of these services.

In addition to these two services, he will also be speaking to the combined youth groups and their parents at 6:30 in the church auditorium. Franks is a member of a Congressional committee that is studying the effects of Rock 'n Roll music on American young people. He will be giving some live demonstrations with the assistance of electronic equipment.

The public is invited to attend

JERRY FRANKS

Study School Concept

"There is now a nationwide wave of interest being shown in the extended school year as a way to help solve educational and economic woes of the education system," Raymond Spear, superintendent of Northville schools, said this week.

"Educators, legislators and citizens recognize the need to overhaul school operation and are looking for a workable way to do it. Year-round school may provide the answer," he stated.

Spear cited Valley View School District in Will County, Illinois, where a kindergarten through eighth grade extended school year is now in operation. "The district reports the plan is educationally sound, financially desirable and legally possible," he said.

Michigan is only one of the state departments of education now studying extended school year operation. Others include New York, Ohio, Georgia, New Jersey, Maryland and Washington. "The third national seminar on year-round education held in March attracted 360 participants from 30 states," Spear reported.

"Many people question the economics of closing schools during the summer," Spear said, "and of depriving our youth of formal educational opportunities for so many months of the year."

Added to these concerns, he said, is the rapid growth of many school districts. "Spiraling school populations soon outgrow existing school facilities, which then means huge building programs. Or, if the community so chooses, half-day sessions, cut-backs in staff and services and other

measures that shortchange students."

As part of its study, the school district is currently surveying all Northville school families, now through May 15. Parents with school

age children will be asked to state their vacation quarter preferences under a theoretical four-quarter, extended school year plan. Those without children will be given an opportunity to express their support or rejection of the concept.

'Michigan' Events Set

Continued from Page 1

Garden club representatives will be on hand at the sale, she said, to answer questions about planting—or about any gardening problems.

Local ministers are asked to mark Spiritual Foundations Day Sunday, May 16, in their churches.

Monday, Government Day, begins with the Northville High School band marching from the high school at 9:30 a.m. to the city hall. With their Sparta guests, officials will begin ceremonies with a flag ceremony at 10 a.m.

Other special days to be marked are Heritage Day, Tuesday; Livelihood Day, Wednesday; Education Day, Thursday; Hospitality Day, Friday; and Youth Day, Saturday.

OBITUARIES

JOHN E. ROBERTS

Funeral services were held Monday for John E. Roberts of Detroit who died Thursday, April 29, in Wayne County General Hospital at the age of 69.

Officiating at the services held at the Casterline Funeral Home was the Reverend Ivan Speight of the Salem Bible Church. Burial was in Woodlawn Cemetery in Detroit.

Born November 4, 1901, in Detroit, Mr. Roberts was the son of Mr. and Mrs. Alexander Roberts.

Surviving are six sons, John of Salem, James of Berkeley, California, Roy of Belleville, David of Westland, Gale of New Boston, Douglas of Alma, a daughter, Mrs. Ellen Raymond of Belleville, a brother, Alex, of Detroit, three sisters, Mrs. Nellie Petraitis, Mrs. Janet Schockly, Mrs. Isabelle Pirren all of Detroit, and 24 grandchildren.

MARION L. OYD TINNEY

Services for Marion Lloyd Tinney of Livonia were held Saturday, May 1, at the Casterline Funeral Home. Mr. Tinney died April 28 at St. Mary hospital at the age of 53.

Officiating at the services was the Reverend Elsie Johns of the Clarenceville Methodist Church. Burial was in Parkview Cemetery in Livonia. Mr. Tinney was born January 25, 1918 in Chicago, Illinois, the son of Mr. and Mrs. Marion Francis Tinney. He was employed at Western Electric in Plymouth.

Surviving are daughters Mrs. Ellen Schenken and Mrs. Pamela Boyd both of Detroit, Nancy, Susan, Marion, David, Warren, Michael all at home, a sister, Mrs. Frances L. Buck of Alberta, Canada, a brother Jean W. of Livonia, and six grandchildren.

HARRY HUEGEL

Services were held Thursday, April 29 for Harry Huegel of Phoenix, Arizona, who died April 25 in Phoenix after a long illness. He was 78.

Officiating at the services held at Casterline Funeral Home was the Reverend Cedric Whitcomb of the First Baptist Church of Northville. Burial was in Livonia Cemetery.

Born April 12, 1893 in Graefthal, Germany, he was the son of Sophie (Brucker) and Henry Huegel. Mr.

Huegel moved to Phoenix from Dexter in 1943. His wife, Bessie, preceded him in death in 1962.

Surviving is his mother of South Lyon, two daughters, Mrs. Lillian Anderlie, Mrs. Dorothy Patrick, grandchildren Patti and James, all of Phoenix, two sisters, Mrs. Lena Molto of Sun City, Arizona, Mrs. Dorothy Patrick, grandchildren Patti and James, all of Phoenix, two sisters, Mrs. Lena Molto of Sun City, Arizona, Mrs. Sophie Saner of Farwell, Michigan, a brother Albert of Plymouth and several nieces and nephews.

NOVI HIGHLIGHTS

By MRS. H. D. HENDERSON
349-2428

For the next two weeks give your news items to Mrs. Jeannie Clarke. Her telephone number is 624-0173. Address 42486 Thirteen Mile Rd., Walled Lake, call after 2:30 p.m.

Saturday evening Mr. & Mrs. Van Nielson, Mr. & Mrs.

Russell Race, Mrs. Anna Ortwin, Mrs. Dolly Alegnani, and Mrs. Lanny Henderson were the guests of Mrs. Hildred Hunt on Eleven Mile Rd., for two tables of pinochle and a late supper.

Mrs. John French was confined to her home for several days last week due to illness.

Last Tuesday Mr. Carl Green celebrated his birthday, and on Wednesday Mrs. Fannie Stevens, mother of John French celebrated her birthday with a family get-together.

On Sunday, April 25 several local fishermen returned from a fishing trip. Due to three inches of snow in the Upper

Penninsula their catch was limited. The fishing group included Robert and Russell Ortwin, John French, Marvin Tobel, Ken Cookson, Bud Sprenger and Gordon Nelson. Visitors at the home of Mrs. Marie LaFond last Saturday were Mrs. Lucy Lapham and Mrs. Loraine Cogsdill from Northville.

On Sunday Mrs. Cecil LaFond and her mother-in-law, Mrs. Marie LaFond were the luncheon guests of the former Aunt, Mrs. Edna Sweitzer, on Orchard Lake Road.

The Russell Buttons and their daughter, Rose and son, Russell Jr., recently returned from two and a half weeks of vacation in Florida. They visited Mrs. Buttons mother, Mrs. Wirt Lee, and her sister Mrs. M. J. Perkins at Winter Park. They visited many places of interest including Cypress Gardens, lobby tours at Disneyland, and two days at Daytona Beach, they also spent some time at old St. Augustine.

Mr. & Mrs. Richard Sigsbee announce the birth of a son, Richard Wayne Jr., born May 1st at St. Marys Hospital in Livonia. Richard weighed 9 pounds and 7 ounces. And he has a sister at home, Rechell, who is eighteen months old. The grandparents are Mr. & Mrs. Harold Sigsbee.

Mrs. Harold Henderson was the guest of her daughter-in-law Mrs. Edward Rix at a mother-daughter banquet at the United Methodist Church in Plymouth last Friday evening.

Mr. & Mrs. Ed Callan spent this past weekend at Watertown Wisconsin where they attended "College Days" at the Maranatha Baptist College where their sons, Patrick and Harold are enrolled, and attended the play, "Hamlet," in which both sons played a part.

Mr. & Mrs. Lawrence Boyd Sr. attended commencement exercises in which their son, Larry Hugh Jr., received his Doctorate in Political Science from the University of Michigan in Ann Arbor Saturday, May 1st, at 10:00 a.m. The exercises were held at the Chrysler Arena also in Ann Arbor.

Other members of the family who were present were Lawrence Boyd Jr., eleven year old son, Wesley, and his wife, Gail and her parents, Mr. & Mrs. Marv Harnden.

After the exercises they all had a dinner party at the home of Mr. & Mrs. Boyd Jr.

Mr. & Mrs. Anthony Skeltes and family plan to take their camp trailer and go trout fishing at Mikado this coming weekend.

Mr. & Mrs. Ted Slentz and Mr. & Mrs. Robert Slentz and family were among the relatives who will attend a Mother's Day and birthday celebration at the home of Mrs. Slentz's niece, Mrs. Fred Ashcraft and family on Mothers Day. Birthdays celebrated will be Mrs. Ted Slentz, Mike, grandson of the Slentz's, and Karen Ashcraft who is 17 years old. Other guests were present from Farmington, Milford, Plymouth, Taylor, Dearborn Heights and Novi.

UNITED METHODIST CHURCH OF NOVI

The M.Y.F. had a discussion about their summer program, looking at camping opportunities, and the possibility of starting a community coffee house, at their meeting Sunday evening.

The greeters were Mr. & Mrs. Dean McQuiston; the Acolyte, Craig Pelchat. The altar flowers were a gift of Mr. Charles Trickey, in loving memory of his wife, Lillian, on their 50 wedding anniversary, May 5th.

Friday, May 7th at 6:00

Wixom Newsbeat

By NANCY DINGELDEY

A jammed-packed fun day is planned for Wixom on May 22 designated Youth Day during Michigan Week. Pray for sun and wear comfortable clothing because the day begins at 10 a.m. with the Annual Youth Day parade.

Floats, bands, old cars and Civil War Units plus the kids on their decorated bikes will march down the road on their way to City Hall. The PTA School Fair that got "snowed out" will be set-up on City Hall grounds and that will begin at noon. Free hot dogs and cokes, compliments of The Holloway Company, plus pony rides and a multitude of other events will be lined up and waiting for all fun-loving people.

Probably the two main events will be the popular magician, "Mr. Houdini," from TV Channel 9 giving a magic show and a "pet show" to be held later in the afternoon. Senator Carl Pursell and Representative Clifford Smart have agreed to lend their sharp eyes to the judging of all those various "critters" that show up. Classifications and entry blanks for those animals and their owners will be available shortly. And, to all those kiddies that enter their pets, whatever they be, a drawing will be made for a real, live Shetland Pony.

So, here's to sunny skies and lots of happy people for one of the grandest days planned for Wixom.

Mentioning "Mr. Houdini" and his Magic Show — it is hoped that there will be no admittance charge to anyone. A drive is underway to collect money to offset his cost. So far, the patrons for "Bring Houdini Free" are: Lillian and Howard Coe, Florence and Lew Coy, Nancy and Bob Dingeldey, Hickory Hill Civic Ass'n., Gerry and Bus Marshall, Vi and Gunnar Mettala, Carolyn and Fred Morehead, C. M. Smith on behalf of the Wixom Chamber of Commerce and Sylvia and Val Vangieson. The committee isn't home "free" yet and any donation, no matter what size is appreciated. Call the Dingeldeys at 624-3950, the Vangiesons at 624-2232 or the Moreheads at 624-4387 if you'd care to join the list of patrons.

The Senior Citizen's trip on Heritage Day during Michigan Week is planned for Hidden Lake Gardens in the

Irish Hills. Luncheon will be at Bauer Manor. Invitations are mailed and the "elder statesman" should receive them by this Saturday. If by chance a senior citizen does not receive a card, please notify Nancy Liddle at 349-2219. The group would hate to miss you on their special day.

And don't forget the Goodfellows and their Annual Dance. That day is creeping up — May 15. Remember, these fellows depend on all of us to stuff those welcome Goodfellow "baskets" at Christmas time and their dance really is their major fund-making project. So come "dance away" and help a less fortunate person at the same time. Bob Trombley is one of those smiling "goodfellows" and he'd love to sell you some tickets.

Speaking of Bob Trombley. A passing remark to his son, Rob, brought together a good group of "finefellows" who spent their time during spring vacation cleaning up other people's litter on Pontiac Trail and Wixom Road. We owe a fine roll of applause and a big thanks on a job well done to Jeff Weborg, Dennis Sikkila, Chuck Rollo, Rob Trombley, Dave and Steve Kataja and John Docksey.

Babies made news this week while the new Mom's and Dad's stock up on disposable diapers. Welcome new citizens of Wixom — Julie Ann Craig, born April 24 to Sue and Bill Craig; the newest "stockboy" at the Wixom General Store, Eric Jason born April 29 to Julie and Tony Bobak; Tammy Sue, born on April 30 to Marian and Hoot Gibson; and, sharing April 30, a little fella in blue booties but unnamed as of this writing to Nancy and Terry Croft.

Probably the happiest set of grandparents in Wixom are Loraine and John Miner of Hopkins Drive. Their son Bill, wife Sandy and three-year-old Michele and one-and-a-half Yvonne are spending a month's leave from the Air Force here in Michigan. The little girls were both born in Frankfurt, Germany and the family is now stationed in Athens, Greece where Bill is a technical sergeant with AF Security. This is the first time the Miners have seen their grandchildren and happiness reigns.

Banquet tickets for the annual Government Day dinner on May 17 are on sale at City Hall. The catering is

being done by Jarvis. Time is drawing near — call June Buck and make your reservations.

"David and Lisa" is this year's presentation of the Performing Arts Department at Walled Lake Western. Laura Ridley and Terry McIntosh have the leads in the drama centered around a mental institution. The play, at Ayres Auditorium, is scheduled for May 14 and 15 and begins at 8 p.m. Tickets are \$1 and available at the box office. The kids do an unusually fine job in all their productions and this should prove no exception. Try to make it.

David Nicolay had a pretty close call last Saturday, but fortunately two badly burned hands and a smashed patio door are all that was suffered in what could have been a terrible accident. Dave was laying tile in the basement of his home on Maple Road and using a space heater for warmth. It was while he was using some gasoline to wipe the glue off the tiles that the explosion occurred. Two sore hands and a hole in the wall remind all of us to take extreme care at all times.

Elna and Paul Salo had an open house Sunday afternoon to help both Paul and daughter Anne celebrate their dual achievements — each is receiving a master's degree.

Pearl and Gib Willis spent last weekend in Traverse City attending the Michigan Pearl Harbor Survivors Association annual meeting. They also visited Gib's sister and family, the John Youngs, former Wixom residents. Scott Young, who many young people in Wixom will remember, has the lead in his high school's presentation of "George M."

Friday night was the scene of "Through the Years in Bridal Fashions" staged by the Pioneer Girls and Girl Guides at the Wixom Baptist Church. Gowns dating back to 1917 were on parade at the annual Pal-Gal Tea. Special guests of the evening were Mrs. Edith Porter, who gave devotions, and Mrs. Charlotte Banfield, who loaned the gown of the oldest gown. The "bride of the future," Val McAtee, was the hit of the evening dressed in white hot pants, lacy blouse, white lace-up boots and a lace apache band veil. Helen Tillman, who spent hours dreaming up the descriptions of the various dresses, acted as "mothers" of the bride.

Grand prize loser of the tenth annual pinochle tournament in Hickory Hills just had to be my husband — and that dubious title gives him the honor of staging next year's event. Real winner of the evening was George Tuorin who now has his name in gold on the "little brown jug." I came in third — who says you can't talk and play cards at the same time!

And the winners in this week's Centennial Raffle with Tony Bobak doing the drawing. \$50 to Brenda Clements of Highland who happened into Korex to buy some soap and bought a raffle ticket, \$35 to Jim Prentice of Detroit and \$15 to Harvey Volkens of Grand Rapids who also has the distinction of being the furthest away in miles.

Novi Senior Citizens will meet next Wednesday, May 12 at the Social Hall in the United Methodist Church in Willowbrook. Hildred Hunt and Dolly Aignani will act as hostesses. Bring own sandwich and table service. Tea, coffee and dessert will be served. A program will follow.

ORCHARD HILLS BOOSTER CLUB

The Booster Club of Orchard Hills Elementary School, Steering Committee of the School Fair, wish to thank all the teachers staff and parents for their co-operation in making the school fair such a big success this year.

NOVI REBEKAH LODGE

The Independent Rebekah Club met at the hall for their regular monthly meeting on Monday of this week. They continued with their present project, making rain-hats. There were 12 present with Hildred Hunt acting hostess. The next regular lodge meeting is the second Thursday, May 13th.

I.O.O.F.

The I.O.O.F. will meet on Tuesday, May 11th. Roy Marshall is Noble Grand and

of officers.

Wednesday, May 5 at 7:30 p.m. the Sacrament of Confirmation was administered by Rt. Rev. Archie H. Crowley, Suffragan Bishop of Michigan from the Cathedral of St. Paul at the church of Holy Cross. Members of the St. Stephens Church of Hamburg a members of Holy Cross attended the Services and the reception following. Please keep in mind Monday, May 10th Bishops committee will be held at Holy Cross at 8:00 p.m.

Members were happy to have Jon Steimel at the organ on Sunday.

Congratulations are due to various members of the church. Mr. George Athas who is now City Manager. Mrs. Isabel Anderson as president of the Sr. Citizens Club of South Lyon. Mrs. Lillian Kopp who along with Mrs. Nancy Liddle who are Sr. Citizens Aides for Oakland County. Mrs. Liddle has also been appointed to take charge of the Sr. Citizens at Wixom during Michigan Week.

Last Sunday the flowers on the altar were placed there by Mr. & Mrs. George Athas in memory of Mr. Athas father. Church members are glad to see that Rev. Leslie Harding and his wife Judy are rested after a short stay in Florida. Mrs. Anderson is asking for material which need not be white to make pads for the Lutheran Home in South Lyon. Bring to the church old table clothes, sheets skirts etc.

Stacy Simpson is home, under the doctors care recovering from the mumps, and hoping for a quick recovery.

Novi Boy Scouts are planning to go camping at Lost Lake the weekend of May 15. They will be present for the dedication of the new council camp grounds near Clare, Michigan. All boys between the age of 11-16 who wish to join the Boy Scouts and be eligible to go on this camping trip call your Scout Master, Mr. Harrison 349-0466.

At the last meeting the following officers were elected. Navaho Patrol-Kerry fear patrol leader, and Dave Laverty assistant leader; Panther Patrol-Duane Kortess patrol leader, and Jon Buck assistant patrol leader; Shawnee Patrol-Tom Meyer leader and Ron Buck assistant; Senior Patrol continued with patrol leader Ron Frisbee and Buck Meyer assistant.

NOVI HEIGHTS SUBDIVISION

Novi Heights had their annual clean up day in the Subdivision last Saturday. After a job well done they all had a picnic at the home of Mr. & Mrs. Jack Morris.

SCOUTS

Brownies from Troop 711 will have a cookout at the home of their leader, Mrs. Pat Grey, this week. The girls will first have a short woodland hike and then return for their first lesson in campfire building. Girl Scout "Some-mores" will top the menu.

Junior Troop 713 is busy making Mother's Day gifts. The exact nature of the project is being kept a secret though until next Sunday.

Camping plans for Camp Narrin occupy the thoughts and time of Troops 913 and 149.

NOVI SCHOOL MENU

MONDAY—Chili con-carne, crackers, bread, butter, finger salad, fruit and milk.

TUESDAY—Meat pasties, sweet potatoes, bread butter, citrus fruit cup and milk.

WEDNESDAY—Cook's Surprise.

THURSDAY—Hamburger on buns, potato chips, toss salad, fruited dessert, and milk.

FRIDAY—Doggie in a blanket, buttered vegetable, pumpkin pie, and milk.

Man Charged in Patient's Death

In Township . . .

Michigan State Police arrested 26-year-old James L. Gray, a patient at Northville State Hospital, on a charge of first degree murder. Gray pled not guilty when he was arraigned on the charge Tuesday afternoon before 35th District Court Judge Dunbar Davis.

According to State Police detectives, Gray allegedly attacked and beat 52-year-old Denzel D. Dernier at 2:45 p.m. April 26. Dernier, also a patient at the hospital, died at 3 p.m. the same day. Cause of death was from injuries suffered during the beating, according to a report issued by the Wayne County Coroner. Examination has been set for May 10. Gray is being held without bond in Wayne County Jail. A psychiatric examination has been ordered, police said.

In Northville . . .

A 33-year-old Mt. Clemens man was taken to Botsford Hospital with back injuries after the tractor-trailer he was driving overturned on Eight Mile Road near Horton Street.

The accident took place shortly after 6 p.m. Friday. According to police, Ernest Jackson, Jr., driver of the vehicle, lost control when the cabin holding a back hoe on his truck broke, causing the rear of the tractor to lift off the ground.

He was treated for the injuries and released, police said.

Vandals broke into Northville Swim Club, scattered papers over the building and set fire to papers and telephone wires, police said.

According to reports the damage was done between 5 p.m. April 28 and 9 a.m. Saturday.

A spare tire and wheel valued at more than \$100 were stolen between 8 p.m. and 11:30 p.m. Friday from a vehicle owned by Dean Lenheiser of Mayo Court.

Reports stated the truck lock had been forced open while the car was parked on West Street.

Vandals caused more than \$100 damage to Northville Camera Shop on South Main Street when a window in the store was broken. The damage was reported to police on April 28.

Investigating officers said - broken glass was found 12 feet from the window. No merchandise was reported missing, reports stated. It is unknown what type of object

was used to break the window, police said.

FIRE CALLS

May 1 - 12:18 p.m., grass fire near DPW yard.
May 1 - 2:19 p.m., building on fire, Ely Coal yard.
May 1 - 4:49 p.m., grass fire, behind Moraine School.
May 2 - 4:14 p.m., grass fire, behind Moraine School.
May 3 - 6:42 p.m., grass fire, near A&W Drive-In.
May 4 - 1:33 p.m., grass fire, behind Moraine School.

COURTNEWS

Mergraf Oil Company was fined \$79 on each of three charges of violation of the city ordinance covering obnoxious odors. The company was found guilty of the violations, which occurred during 1969 and 1970, April 27 before 35th District Court Judge Dunbar Davis.

Another violation, which occurred February 3, was nolle prosequi, meaning the prosecution will proceed no further in the case.

Two men pled guilty to reduced charges of driving while ability impaired and were each fined \$69, placed on one year probation and ordered to pay costs of \$60.

They are John E. Callahan of Detroit and James E. Williams of 336 East Cady Street.

Dennis J. Carstensen of Detroit was fined \$19 (suspended) for no operators license on person and \$44 for speeding, 75 mph in a 50 mph zone.

Five men arrested by township police for speeding were fined a total of \$230. They are Frederick L. Sharpe of Livonia, fined \$74 for speeding 90 mph in a 50 mph zone; Johnnie S. Glaze, Jr., of Detroit \$54 80 mph, 50 mph; Mark G. Joes of Livonia, 65 mph, 45 mph; Richard T. Sechler, 45 mph, 25 mph; and Daniel B. Stoddard of Plymouth, 60 mph, 40 mph, all fined \$34 each.

Leslie H. Thompson of Sidney, Ohio, was fined \$9 for no operators license on person.

Littering resulted in a \$9 (suspended) fine for Ernest Brown of Detroit.

Three drivers, who received tickets after they were involved in property damage

accidents, appeared in court April 27. Ralph L. Hay, Jr., of 383 North Rogers was fined \$39 for failing to stop in assured clear distance. Richard R. Stocker of Lakeland was fined \$39 (suspended) for failing to yield right of way and Janice F. Zayti of 10868 West Seven Mile was fined \$29 for following too closely.

On April 29, Paul J. Morgan of 366 Welch stood mute when he was arraigned before Judge Davis on charges of disorderly person, resisting arrest and fleeing arrest. A plea of "not guilty" was entered by the court on his behalf.

Morgan was arrested by township police on April 25 after an incident at A & W Drive-In.

On April 20, a Plymouth man, William A. Sklaroff, was fined \$44 for speeding 60 mph in a 35 mph zone.

In Novi . . .

Hugh Leon Dean, 22, of Southfield was arraigned in 52nd District Court last week Wednesday on charges of possession of marihuana.

He was released on \$1,000 personal bond by Judge Martin Boyle and ordered to appear for preliminary exam at 9:30 a.m. Friday.

Charges grew out of an incident Wednesday afternoon in which police were called to investigate a suspicious person.

Upon arrival at 210 Buffington, police observed Dean sitting in "a junk car" in the back yard of the residence. He was searched and found to have on his person a small baggie of marihuana, police said.

Two motorcyclists, Sonja and Randy Birkelbaw of Plymouth, were not seriously injured recently as they slid into each other to avoid a motorist at Novi Road and the I-96 freeway interchange.

Eighteen-year old Marsha Binder, of Oak Park, reportedly exited the freeway, and stopped in the north-bound lane of Novi Road in the path of the two cyclists.

The two were sent to Botsford General Hospital after they fell from their bikes in an attempt to stop.

Answering a call complaining of vandalism last week Tuesday, police found the \$150 plate glass side window at Lillian's Grocery 1320 East Lake Drive, broken.

Reports indicate that a chrome lug nut was thrown through the window in the early morning. The store is also the home of owners Lillian and Edward Domeraski.

Corporal Robert Starnes delivered two programs on "Drugs and Drug Abuse," featuring displays, discussion and question and answer periods, at Novi Elementary Thursday and at the Lake

Orion Elementary School a week ago.

Chris Owsley pled guilty Monday before Judge Boyle on a charge of assault and battery against Daniel Duquet on February 28 at the Novi Inn. He was sentenced to five days in the Oakland County jail and fined \$25.

A 23-year-old man, Stanley Sobka, arrested by Novi police on March 1 for possession of marihuana, was arraigned Tuesday and ordered to appear for preliminary examination May 10.

Travelers checks in the amount of \$1,800 were found and returned to William F. Gould of Union Lake, by Mrs. Shirley Vincent of 24880 Novi Road.

She found the checks Monday morning in her front yard opposite the Michigan Tractor Company. Police contacted Gould through Michigan Tractor where an auction had been on Friday and where he had dropped his checks.

Three men, Larry Harolson, 20, of Flint, Fred Jackson, 26, of California, and John Currie, 20, of Wisconsin, were arrested Monday afternoon for soliciting without a permit.

The three were attempting to peddle magazines in the Taft Road and Willowbrook areas of the city, police report. According to the men, they were employed by the Continental Sales Company. The three were advised that

sales permits were free of charge from the city and were released on \$10 bond pending appearance before Judge Martin Boyle of the 52 District Court, May 13.

Police Hear Governor Speak

Members of the Novi Police Officers Association attended a dinner with police and legislative representatives last week Wednesday in the Lansing Civic Center.

President Ralph Fluhart, Vice President Jack Grubb, Secretary Frank Barabas and Sergeant-at-Arms Gordon Nelson attended with officers William Brown and John Johnson.

Main speaker was Governor William Milliken who chose as his topic "more and better cooperation between government, citizens and law enforcement agencies."

WILLIAM HOUSEMAN, Editor

April 19, 1971

Mr. Russell C. Youngdahl
Senior Vice President
Consumers Power Company
212 West Michigan Avenue
Jackson, Michigan 49201

Dear Mr. Youngdahl:

I am pleased this Earth Week to advise you that the Consumers Power Company has been cited by The Environment Monthly "for making environmental excellence a basic condition in the pursuit of corporate goals."

The enclosed citation reflects the judgment of a panel of four distinguished environmentalists. They are: Dr. Spencer M. Smith, Jr., Secretary of the Citizens' Committee on Natural Resources; Dr. Aaron J. Teller, President of Teller Environmental Systems, Inc.; Bill N. Lacy, Vice President of Omniplan and Chairman of the American Institute of Architects Committee on Research; and Dorwin Teague, industrial designer and member of the Panel on Recreation of the Ocean Science and Technology Advisory Committee.

In the 4/71 issue of The Environment Monthly, Consumers will be officially recognized and a description of your specific environmental achievements will appear. I am sending you a copy under separate cover.

I wish I could personally present your citation to you, Mr. Youngdahl, but be assured that we are delighted to recognize Consumers Power Company for its environmental statesmanship, and we hope and trust that your performance will inspire other companies to emulate you.

Sincerely,

William Houseman
William Houseman

Encl.

The goal is still ahead

Consumers Power Company is proud of this national recognition of its efforts to preserve and improve the natural resources of Michigan; particularly, the restoration and careful management of more than 750 miles of riverlands on the Au Sable, Manistee, and Muskegon.

Consumers Power has pursued this goal of environmental excellence for more than 50 years. It intends to continue its efforts to make Michigan a better place to live in every way. After all, we live here, too.

NOTICE OF ENACTMENT

A Public Hearing was held by the Northville City Council on the following Ordinance Amendment and said Ordinance was duly adopted by a unanimous vote of the Northville City Council on Monday, April 19, 1971.

REGULATION OF SALE OF PHOSPHATE COMPOUNDS AND DETERGENTS

Summarized as follows:

Title IV—Chapter 11

Sec. 4.1101—Sale of certain phosphate detergents declared unlawful.

4.1102—Definition of terms "synthetic detergent," "detergent," "polyphosphate builder," "phosphorus," "recommended use level," "machine dishwasher," "dairy equipment," "beverage equipment," "food processing equipment," "industrial cleaning equipment."

4.1103—Labelling with respect to polyphosphate builder or phosphorus ingredient is required.

b. Filing of chemical analysis by manufacturer, distributor or producer of any product regulated hereunder is required.

A complete copy of the proposed ordinance is available in the Office of the City Clerk.

NOTICE OF PUBLIC HEARING CITY OF NOVI OAKLAND COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hearing will be held to consider the Site Plan submitted by Practical Homes, Inc., to develop a 25 acre site for Multiple Dwellings.

The property is located on the south side of Ten Mile Road between Meadowbrook Road and the C & O Railroad.

NOTICE IS FURTHER GIVEN that this hearing will be held at the Novi City Hall, 25850 Novi Road, Novi, Michigan, 48050, on Wednesday, May 19, 1971, at 8:00 P.M., EST.

A copy of the proposed site plan may be examined at the City Offices during regular office hours.

Mabel Ash, Clerk

ORDINANCE NO. 70-26.1

AN ORDINANCE TO AMEND SECTION 1.01 OF ORDINANCE NO. 70-26 OF THE CITY OF NOVI, KNOWN AS THE FIRE PREVENTION CODE OF THE CITY OF NOVI.

THE CITY OF NOVI ORDAINS:
PART 1. That Section 1.01 of Ordinance No. 70-26 of the City of Novi, known as the Fire Prevention Code of the City of Novi, is hereby amended to read as follows:

Section 1.01. That the 1970 Abbreviated Edition of the Fire Prevention Code prepared by the American Insurance Association, successor to the National Board of Fire Underwriters, is hereby adopted by reference as the Fire Prevention Code of the City of Novi.

PART II. Effective Date. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of public peace, health and safety, and are hereby ordered to take effect immediately after posting and publication thereof in manner prescribed by the City Charter.

Made and passed by the City Council of the City of Novi, this 26th day of April, A. D. 1971.

Joseph Crupi, Mayor
Mabel Ash, City Clerk

NOTICE OF SPECIAL ASSESSMENT HEARING

City of Novi
County of Oakland,
Michigan

TAKE NOTICE that the City Council of the City of Novi, Oakland County, Michigan, has determined it to be necessary to make the following described sewer public improvements in the City of Novi:

Sewers and Sewer Laterals to serve the properties described below, located in portions of Sections 14, 15, 22 and 23, being the Novi Road—Grand River area in the City of Novi, Oakland County, Michigan.

The City Council has determined that a part of the cost of the above described sewer public improvements shall be assessed against the following described property abutting the above described improvements:

Lots 1 thru 14, inclusive, Cherry Grove Subdivision

Lots 1 thru 9, Railroad Subdivision

Lots 1 thru 6, inclusive and splits thereof, Novi Manor Subdivision

Lots 1 thru 10 and Lots 36 & 38 thru 42, inclusive, Novi Gardens Subdivision

Lots 1 thru 17, inclusive and splits thereof, Supervisors Plat No. 3

Lots 1 thru 11, inclusive and splits thereof, Supervisors Plat No. 4 and Certain acreage parcels as follows:

Section 14: MN247A, MN247B, MN247D, MN246F, MN246D, MN246E, MN246A-2, MN245A, MN245B, MN246G, MN246C, MN246B, MN246A-1, MN244, MN243, MN242, MN241, MN240, MN239, MN238, MN237, MN235-6, MN233-4, MN231-2, MN230, MN229, MN228C-D, MN228B, MN228A, MN227A, MN227B, MN224A, MN224D, MN224C, MN224E, MN224F, MN226A, MN226B, MN224B, MN225A, MN225B.

Section 15: MN293C-1, MN293C-2, MN293C-3, MN293C-4, MN290.

Section 23: MN422, MN423, MN426A, MN433B, MN424, MN425, MN426B, MN427A, MN432, MN433B, MN413, MN427B, MN428, MN429, MN430, MN431, MN416A, MN416B, MN417, MN418, MN415C-1, MN415C-2, MN415C-3, MN415B, MN415A, MN419A, MN419B, MN419C-1, MN419C-2, MN420A, MN420B, MN420C, MN421 and any and all Splits thereof, all in the City of Novi, Oakland County, Michigan.

TAKE FURTHER NOTICE that the City Council has caused reports concerning said public improvements to be prepared, which reports include necessary plans, profiles, specifications and estimates of cost of such public improvements a description of the assessment district and other pertinent information and these reports are on file in the office of the City Clerk and are available for public examination.

TAKE FURTHER NOTICE that the City Council will meet on May 24, 1971, at 8 p.m. o'clock, Eastern Standard Time, at the Community Building in the City of Novi, for the purpose of hearing objections to the making of such sewer public improvements.

THIS NOTICE is given by order of the City Council of the City of Novi, Oakland County, Michigan

NOVI COMMUNITY SCHOOL DISTRICT NOTICE OF LAST DAY OF REGISTRATION

OAKLAND COUNTY, MICHIGAN

The Annual Election having been called to be held in said School District on June 14, 1971;

THEREFORE, NOTICE IS HEREBY GIVEN, that

FRIDAY, MAY 14, 1971

up to 5:00 o'clock P.M., Eastern Standard Time, is the last day on which unregistered persons may register in order to be eligible to vote at said Annual Election.

Application for registration should be made to the City Clerk at the Novi City Hall. Applications will be received during regular office hours.

Persons already registered upon the registration books of the City Clerk need not re-register.

RAY WARREN, SECRETARY

NOVI BOARD OF EDUCATION

Dated: April 26, 1971

LAST DAY OF REGISTRATION SCHOOL ELECTION

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Annual Election of said School District will be held on Monday, June 14, 1971.

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS, IN ORDER TO BE ELIGIBLE TO VOTE AT THE ANNUAL SCHOOL ELECTION CALLED TO BE HELD ON MONDAY, JUNE 14, 1971, IS

FRIDAY, MAY 14, 1971

PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M., ON THE SAID FRIDAY, MAY 14, 1971, ARE NOT ELIGIBLE TO VOTE AT SAID ANNUAL SCHOOL ELECTION.

Persons planning to register with the respective city or township clerks must ascertain the days and hours on which the clerks' offices are open for registration.

The proposed Twenty-Sixth Constitutional Amendment to the United States Constitution reads in part as follows:

"Section 1. The right of citizens of the United States, who are 18 years of age or older, to vote shall not be denied or abridged by the United States or by any state on account of age."

Upon ratification of the proposed Constitutional Amendment by the 38th State, all residents of the school district who are registered with their respective city or township clerks and are 18 years of age or older shall be afforded the right to vote.

This Notice is given by order of the Board of Education.

S. Glenn E. Deibert
Secretary, Board of Education

NOTICE OF PUBLIC HEARING

SPEAKING for The Record

By BILL SLIGER

Although attendance was poor, both the idea and the program conducted last week by the Northville Civic Association were excellent.

Just as the name implies, the Northville Civic Association is devoted to promoting community involvement. Its membership is composed of residents of the Village Green area in the city's northeast section.

Association President Don Sherman chaired a panel of community officials numbering nearly as many as the audience. Each spoke briefly on matters of the past, present and future involving their specific area of authority.

It was a capsule lesson in history and current events.

Serving on the panel were City Manager Frank Ollendorff, Superintendent of Schools Ray Spear, City Planning Commission Chairman Tom Wheaton and Paul Vernon, a member of the board of appeals but who directed his remarks towards the community beautification efforts.

At the conclusion of the introductory remarks the audience was permitted to question the panelists.

Following are a few excerpts from the men charged with the responsibility of administering your schools and city government:

City Manager Ollendorff — "it's possible that within 18 months the city will be able to provide public housing for senior citizens or others on limited income of under \$3,600 per year";

—"government boundaries are not being given the attention they need. Better solutions to community problems could be provided through united effort... if we had a community government."

—"the proposed Northville Square shopping development would nearly double the existing commercial floor space in the central business district and would increase the city's tax base by 10 percent."

Superintendent Spear — "based upon the latest State Equalized Valuation figures, it now appears that 1.5 mills additional will be needed for operating expenses instead of 2.5 as previously estimated";

—"our present school facilities (buildings) are adequate for the next two years";

—"minimum classroom needs for 1973-74 will be a new elementary and middle school; maximum would be two elementaries, two middle schools and a high school";

—"major purpose of the year-round school study is to determine if such a program would be

meaningful to the community in meeting future needs of schools"; there's nothing magic about the four-quarter plan under study, there are other possible approaches to the extended year program, but the study is focused on the four-quarter plan now."

Planning Chairman Wheaton — "it is anticipated that the city's population will double by 1980;"

—"we can't stop growth, but we can try to control it in an orderly fashion... the trouble is all of us would like to keep things as they are... that's why we moved here... it always seems that the last person moving to town wants to 'cut it off' (the growth) now."

Vernon emphasized the importance of continuing beautification program, particularly in the face of growth estimates. He cited what had been announced that 71 projects were already underway.

Hopefully, the Northville Civic Association will repeat and expand this forum on current community affairs.

Maybe next time a larger audience can be attracted.

At any rate the Association officers are to be commended for the idea and the format of the program as carried out by President Sherman.

★ ★ ★

Elsewhere in this edition there's a story about the newly-formed DARTE program involving teachers, parents and students concerned with drug abuse.

A. DARTE team of teachers recently conducted a survey in the form of a questionnaire given to the teaching staff at the high school and junior high school.

In part it revealed the following attitudes from teachers: (figures represent "agreement," "disagreement," "not sure")

An important motive for drug use is a need to belong to a clique which happens to be engaged in drug use — (33-8-6);

One important motive for drug abuse is the tendency of persons with psychological problems to seek easy solutions with chemicals — (35-5-4);

Children often abuse drugs as a means of attacking their parents — (30-10-6);

The single most important factor in drug use by young people is permissiveness of parents and teachers — (5-36-5);

The level of drug use in Northville does not warrant the time or finance involved in a drug program — (8-35-3).

All eight teachers agreeing with the final statement were from the junior high school, the survey noted.

where those big ones hang out."

He had our word.

"Remember years ago when the amusement park was operating and they ran that speedboat dock on the south shore? Remember the night... I think it was the late Forties... when the drunk drove his car out on the dock and right off into the water? It was an old clunker, one of those pre-war jobs, and in pretty deep water so they just left it there. Not worth the expense of hauling it out."

Oldtimers remembered.

"I was fishin' for bass a few weeks ago... hoping nobody would notice 'cause it was out of season. Anyway, somethin' grabbed my line and I figured it had snagged... maybe on that old clunker. I was trying to jerk it loose when that line started peelin' off the reel and then it stopped. I tried horkin' the bugger in but he was down in the weeds and I was afraid I'd snap my 15-pound test."

Naturally, that 15-pound test stuff raised some doubts, but he quickly made believers of us when he added, "I figured I had one of those old carp. You know the kind. A guy never can tell, though, and it hurts like blazes not knowing just what you've got."

"Anyway I was about ready to pull it loose

FARID SEFA

Speaking for Myself

Should Off-Track Betting Be Legalized?

Yes . . .

Frankly when the possibility of off-track betting was first proposed in Michigan, I had my doubts, for as a horse owner and follower of the sport I wondered what impact off-track betting would have upon attendance at race tracks throughout the state.

Saturday's Kentucky Derby has done much to dispel this fear of mine. Despite expressed fears that off-track betting in New York would reduce the gate, the largest crowd in the Derby's long history — 123,000 persons — turned out.

Of course this was off-track betting in another state, but the same would probably hold true if the off-track betting were permitted in Kentucky. People will continue to turn out because they like the excitement of horse races.

There is no doubt in my mind that off-track betting would be good for the state as a whole. Where bookies now profit from illegal operation, legalizing off-track betting under supervision of the state would produce much-needed tax money for a state that is now squeezed financially.

If, then, the tracks will not suffer at the gate and the state would reap the tax benefits, why not have off-track betting?

Farid Sefa
Brighton Businessman

No . . .

Among legislators it appears that their only object is to raise money for the state, without making a complete investigation of the cost of the equipment and manpower involved and required. Moreover, there should be a complete analysis of the population distribution within the state. It appears that 50 percent of the betting public is located within 50 miles of the City of Detroit. It would not effect illegal gambling because much of the illegal gambling is on other forms of sports and many bettors of horse racing would not reveal the fact they are wagering, especially a large wager. Many gamblers require immediate information on a previous wager before making another bet. A great deal depends on the previous result.

If off track betting, in the Detroit area, affected the attendance and handle at the race tracks — it would be more detrimental than good. O.T.B. wagering must be tied into the race tracks, otherwise, O.T.B. would be making its own pool, therefore, a different payoff. This would cause some confusion. The policing of these operations would also be costly, particularly in large cities.

In New York City, they are having a great deal of difficulty in getting the required apparatus synchronized with the equipment in use at the various tracks — which are not uniform. The O.T.B. at Roosevelt Raceway amounted to only 6.25 percent of the total on track wagering which is far out of proportion to the expected wagering. It appears that O.T.B. would not be feasible or profitable in the State of Michigan.

'Year-Round' Draws Fire

To the Editor:

Some time ago a two-pronged question was placed before the people of the Northville Public School District, to wit—"If it can be shown that a year-round school program would be more economical and improve education, would you cooperate in such a program?"

A majority of the voters casting votes in that election clearly indicated their disfavor of a year-round school plan.

The superintendent of schools and the board of education, have however, continued to pursue the matter on the basis that "the election indicated the desire of the people to know more about the year-round school program." (How Mr. Spear or the Board could arrive at that interpretation let's not even try to unravel). So the matter has been pursued. It is necessary to note that the administrative staff, particularly the higher echelons have worked very hard, put in many hours on this "researching" of the year-round concept. This has meant time and energy taken away from dealing with the present school calendar problems and procedures. What is bothersome about this is that no one of the basic questions about this proposed year-round school program have been adequately answered:

1. What is the precise nature of savings to be realized and when? Several new school buildings are in the planning stage now. Existing buildings will require modification (that means dollar outlay) immediately. As Mr. Spear indicates "Using schools on a year-round basis rather than as present just has to reduce building costs"—so does year-round schools mean operating costs must go up right now. Also a building that is used continuously is going to suffer more ravages of use and repairs; ordinary maintenance costs have to rise. These questions have not been dealt with by the superintendent.

2. How can the year-round education program, per se, result in improved education? Statements have been made that such a program will result in:

a) better vocational training. How precisely? What is there about shorter semesters that is going to allow improvements that cannot be made, if they are necessary, in the present program?

b) wider range of subjects in English. If the student is spending the same number of days in school as before what prevents such flexibility in the present set-up—plus, is this—an increase in offerings, of itself—an increase in quality of education? How?

3. Supposedly a year-round program will reduce the drop-out rate. What is the objective

basis of this claim?

4. And here's possibly the biggest unanswered question about the administration of the proposed year-round school program—would a child, or family of children, have to remain on the same schedule throughout contact with the program?

If so, this would seem patently unjust if it would be a schedule, unacceptable, to children and (or) parent taxpayers.

If not, if schedules can be shifted each year, just what basis is to be used? This could result in two vacation periods, three vacation periods in a row, or attending school four semesters or more in a row, in order to affect this changeover from one schedule to another. This could very well develop into a nightmare for students' education and for parents and taxpayers.

A full, detailed discussion of these questions with factual answers should be demanded by every parent and taxpayer before considering details such as scheduling. The major question is—Do we want a year-round school program—to answer that we need some hard-facts, justification for considering any change from the present school program.

'Ford Money Aids Leftists'

To the Editor:

We are enjoying the Northville Record so very much.

A recent letter in your "Readers Speak" column prompted this subscriber to write to you.

Mr. Richard Magat, of New York City, came quite a distance to discount Jill E. Hall's assertion that the Ford Foundation helps to finance a great many left wing and revolutionary activities. She is correct.

True, the Ford Grants are set up legally, are tax-exempt and are directed to the Social Sciences, National Fellowships, Adult Cultural Freedom and others, all legitimate and seemingly innocent enough, but a great many of these are run or handled by extreme leftists with proven Communist affiliations.

Mr. Magat seems to not be aware of what is being done with this money, and I'm not sure that the Ford Grandsons know either, of the extent to which these dangerous activities have gone.

In the name of all that is right and good, and in the Sight of God, for the good of our beloved country, will Mr. Magat please take another long and hard look at his handiwork?

With great concern for our country, I am

Mrs. Urbin R. Sutfin

Oldtimer Goes Fishin' for Believer

By JACK W. HOFFMAN

Duane Bell of Novi for years has tried unsuccessfully to convince me of the record size pike in Walled Lake—larger than even the log-size carp that most fishermen, like myself, have seen plowing up the shoreline of this large Oakland County lake in the springtime.

Occasionally, I've seen some of the lunker bass and pike taken from Walled Lake but while they were large even by my standard they fell short of Duane's description of the giants he has seen while prowling the lake for over a quarter of a century.

Let me say right off I owe Duane an apology for doubting.

Last week while ensconced in Chuck Dunn's barber chair, a knarled old veteran of Walled Lake reported a documented catch that lends credence to even the most fantastic tales that have circulated hereabouts.

As often happens in Chuck's shop, the conversation had drifted to adventures of fishing when the subject of this scenario began his story—reluctantly, quite naturally, because like most anglers he feared it might trigger a run on his secret fishing hole. Fortunately, for those of us listening a jigger or two of Jack Daniel had softened his guard.

"If you guys keep it under your hat," he began. "I'll tell you of a place on the lake

when I saw a couple of scuba divers sloshing up out of the water towards shore. I hollered over and asked if they'd mind going down to see what I had. They weren't interested but finally one of 'em gave in and swam out for a look-see.

"He went down, following my line and was gone maybe three or four minutes and then comes up grabbing the side of my boat."

"Well?"

"Mister, you ain't never gonna get that fish. Biggest pike I every saw."

"Hung up on weeds?"

"Naw, he's caught inside a rusty old car down there. Funny thing about that. I've been diving all-around here and never saw it before. Wonder how it got there?"

"Never mind the car," our fisherman friend said. "What about the fish? Sure it ain't a carp?"

"It's a pike alright. He's got your line pulled right inside the car. Just laying there...so big and mean lookin' it scared me just to get near him. You might just as well cut your line," he added swimming away.

"Well, I don't mind telling you I was about to wet my pants with excitement. I could just see that big devil down there and I wasn't going to get him. I begged the guy to come

and try to scare the pike loose."

There followed a pause in his story while his listeners bit their fingernails, trying in their minds eye to picture the car's location and the Walled Lake pike housed therein.

"Did he try?" we asked.

"Yeah, but he was a stubborn guy and I doubt if he'd have gone down again if I hadn't been just about ready to cry."

Another pause.

"Well?"

"He was down about five minutes this time. I could see his bubbles and ever once in a while I could feel a tug on my line so I knew he was working on him."

"Then he come up."

"With the pike?"

"No. He just says he's sorry and can't do any good. Pike's just too big and smart he says. I figured he wanted to save the fish for himself, so I asked why he couldn't scare it out of one of the car's windows."

"Yes, and?"

"Well, he just swims off and hollers back over his shoulder, 'Ain't gonna do any good. Ever time I get close to him that pike just rolls up the window.'"

SCHOOL BELL AWARD — Record news editor Sally Burke accepts the 1971 School Bell award from Michigan Education Association President John Ort. Ort, a resident of Plymouth, is a teacher in the Livonia school system.

Second Consecutive Year

Record Wins School Bell

The Northville Record was one of 29 newspapers, radio and television stations in Michigan to receive the coveted Michigan Education Association School Bell Award for "outstanding contributions to community understanding of education." in Muskegon April 23.

Accepting the 1971 award on behalf of The Record at a special luncheon during the MEA's Representative Assembly was Sally Burke, Record news editor. This is the second consecutive year The Record has been awarded the School Bell.

The assembly was held at Walker Arena in Muskegon, with more than 400 educators, news media personnel and

their guests on hand for the awards presentation.

Of the awards, eight went to weekly newspapers and six to daily newspapers which were cited for "strong and comprehensive year-around coverage of public education" and (or) "outstanding features and editorials" on specific school problems, trends in education and other school related items.

A special award also went to television personality Art Linkletter for the program "Youth Talks With Linkletter," which was aired in Detroit. The program dealt with drugs, their use and abuse, and featured Linkletter in conversation with several Detroit high school students.

May Hold July Election

Millage Hike Delayed

School board trustees are expected to delay a request for additional operating millage until July, according to Superintendent Raymond Spear.

Board members had originally picked Monday night's meeting to make a decision on whether or not additional millage (over the 17-mills renewed by voters in March) would be needed for the 1971-72 school year.

Spear said the board "hopes the district can avoid asking for more millage. We would like another month to study the situation and so we can get more of an indication from Lansing as to what is going to happen to state aid next year."

Latest figures released by the administration show the preliminary budget will be

\$150,000 short, or about 1.5 mills. The budget for the 1971-72 school year is estimated at \$3.3 million.

The superintendent noted that "the longer the board

wants to make its decision on the millage, the better idea the district will have as to state equalized valuation, state aid and the number of students to be enrolled next year."

Novi Residents Open Iron Kettle Antiques

A new two-story, 3,000-square foot antique shop called the Iron Kettle was opened recently in Novi at 45225 Grand River near Taft Road.

Owned and operated by Fred and Ceil Pennis, the shop is an addition to their home. The couple have been residents of Novi for four years.

Specializing in antiques and fine furniture, the shop also carries arts and crafts of local area residents, silverware and toys.

Mrs. Pennis is a retired decorator and has capitalized on this background to give the shop a homey atmosphere rather than a commercial motif.

BEAUTIFICATION — A tradition started several years ago was extended this past week as members of the Tumble Weeds camping and hiking club lent their hand to Northville's spring beautification program by picking up debris along Northville Road. Some 30 members, including some from neighboring Novi and Walled Lake, and their children participated.

Stempien Joins Suit

State Representative Marvin Stempien Friday filed a motion to intervene as a plaintiff in the lawsuit challenging the election system used for Schoolcraft College trustees.

Meanwhile, a resolution adopted last week by the college board of trustees, endorsing the redistricting plan of State Senator Carl Pursell, is expected to be presented to Wayne County Circuit Court Judge Roland L. Ozark late this week or early next.

Introduced by Trustee Robert Geake of Northville, the resolution in effect represents the board's answer to Judge Ozark's earlier order that the board present by June 1 a plan for redistricting of the college district.

The plan is essentially that contained in Senate Bill 509, recently introduced by Senator Pursell.

Representative Stempien, who is sponsoring a House bill

calling for election by equally populated districts (Pursell's bill asks that the election be on an at-large basis), is scheduled to appear before Ozark tomorrow on his petition.

"Just how the board of trustees is elected is of vital concern not only to myself but to all residents and taxpayers in the Schoolcraft District because they levy and spend tax dollars," Stempien said. "In my own case, I feel that my interests are not being represented by the existing parties in the case pending in circuit court. For this reason I am asking the court add me as a plaintiff in the case."

Although Judge Ozark has ordered the board to develop a reapportionment plan by June 1, a statute passed by the legislature would take preference over any plan prepared locally by the trustees, said Stempien, who is battling to push his bill through the legislature in opposition to Pursell's similar efforts.

Stempien proposes a seven-man board for Schoolcraft with each elected from one of seven equal population districts. He recommends that the same five-member special commission carry out the reapportionment for Schoolcraft as will reapportion the Wayne County Board of Commissioners later this year.

The resolution backing Pursell's bill, on the other hand, calls for the three at-large trustees currently on the board to complete their elected terms; for the remaining members to continue to serve until October 4; and for a special election to be held September 13 to elect six members at-large — two for two-year terms, one for a four-year term, and three for six-year terms.

Masons Set Dinner Meet

Union Chapter 55 of the Royal Arch Masons will hold a dinner Wednesday, May 12, beginning at 7 p.m. in the Masonic Temple.

Speaker for the York Rite Masonic night will be the Reverend Henry L. Reinwald, grand chaplain of the Royal Arch Masons of Michigan.

The spaghetti dinner will be prepared by Gus Canike and companions are asked to bring a brother or a friend who is not a Royal Arch Mason. Cost will be \$1 each.

Reservations for the evening, which is for men only, should be made by Monday, May 10, with Harold W. Penn, H. P., at 349-1714, or with Bud Miller, secretary, at 257-0450.

"That's my charge card"

Manufacturers Bank now offers Master Charge, America's most versatile charge card. It's backed by our full resources, personalized with your picture, welcomed around the world. Whether you presently bank with us or not, it's more reason than ever to say "Manufacturers, that's my bank. Master Charge, that's my charge card."

IT'S A PORTABLE BUDGET

For a reason—able service charge, Manufacturers Master Charge lets you take up to 20 months to pay. A good point to keep in mind when planning your next vacation.

IT'S PERSONALIZED WITH YOUR PHOTOGRAPH Order it with or without photo identification to protect you in event of loss or theft. If married, a duplicate card is available with a photo of your wife or husband. Both free.

IT'S EASY TO TRANSFER, EASY TO APPLY It's easy to change existing Master Charge Card balances to a Manufacturers Master Charge Card or apply for a new one. Just pick up an informative brochure with attached application at any Manufacturers Bank office, phone 222-7990 to have one mailed to you, or mail the coupon below.

"That's the charge card for me."

Please rush further information and a Manufacturers Master Charge application to

MANUFACTURERS BANK
P.O. Box 2000A
Detroit, Michigan 48232

IT'S FREE

A complete charge card service with no membership fees. No application charges. No dues for as long as you keep it. And you don't even have to bank with us to get one. You can even order photographic identification and a duplicate card absolutely free.

IT MEANS ONE CARD

Even if you need a charge card only to meet emergency purchases, Manufacturers Master Charge is now the one card to carry. It's good for almost everything—from aprons to airplane tickets. Just show it when you shop. You'll have your own personal card. And if you're married, another for your spouse.

IT MEANS ONE BILL

That's all you receive each month. A single, clear and precise bill. A complete record of all your purchases.

IT MEANS ONE CHECK

Just one check a month for everything you charge. It eliminates the bother of paperwork at home and the inconvenience of writing numerous checks or paying by cash all over town (or the world, if that's your style).

IT MEANS INSTANT LOANS

Borrow up to your credit line in multiples of \$50 at any of 70 Manufacturers Bank locations or any other bank throughout the world honoring Master Charge. No application to fill out. Just sign a receipt and get your money on the spot. It's like having a loan department in your wallet.

IT HELPS YOU CASH IN ON BARGAINS

Lets you take advantage of limited-time bargains when you see them. Even if you're a little short of cash at the moment. Whatever the sale item, Manufacturers Master Charge lets you budget out the payments for your convenience.

IT'S GOOD AT MORE THAN 800,000 PLACES

Accepted at stores and service establishments of all kinds. Throughout metropolitan and suburban Detroit, in Michigan, the U.S.A., and countries worldwide. Wherever you see the "Master Charge" sticker, you'll have charge privileges.

the insurance company that continually develops better ways of rewarding the GOOD DRIVER.

NORTHVILLE AGENCY, INC.
160 E. Main 349-1122

ON HIS WAY—Half-way through a diving plunge at home is Wildcat Joe LaFleche. He started from third on a error but Lincoln catcher Bob Barta recovered the ball too quickly for him to turn back. It was a close race but LaFleche made it, scoring one of the runs that gave Novi its first diamond victory Thursday.

After Loss to Milford Nine

Mustangs Bounce Back

Northville's varisty nine bounced back from a 3-2 Thursday loss to Milford to take both ends of a double header with Clarenceville Saturday followed by a 5-4 triumph over Andover on Monday.

The Mustangs defeated the Trojans 5-2 in the opener Saturday and grabbed a 6-0 shutout in the nightcap.

In Thursday's upset loss to Milford, the Mustangs' stellar pitcher Bernie Bach suffered his first loss of the season. With the loss, he joins hurlers Jeff Moon and Scott Evans with one game in the red. Moon lost the opening contest

with Plymouth, while Evans was on the mound when South Lyon turned in an upset victory.

Bach gained credit for the win over Andover—his third victory of the season—giving up three hits and three walks while fanning eight. Losing hurler Bob Reid was nipped for dozen hits and five walks.

The Mustangs led 3-0 until the fourth inning when Andover centerfielder Rich Levine unleashed a three-run homer.

Northville tied it up in the sixth as Kurt Suckow singled and came around on a sacrifice, a wild pitch and another single off the bat of Steve Utley then Bach passedported Utley home with a single.

Evans and Moon split duties against Clarenceville and each picked up a win for their efforts—Moon going 2-1 and Evans 3-1.

The highlight of the afternoon for the Mustangs was a soaring homer by Rick LaRue that scored Suckow in the fifth inning of the second game.

Other power in that game came off the bat of Bach, who

smashed a triple in the first inning to bring in Steve Utley who was on with a walk. Bach galloped home on a fly to deep center by Scot Stuart.

Other runs in that game were scored in the first inning by Suckow and in the sixth by Rick Asher.

Jeff Moon hurled most of the first game, then was lifted in the sixth with two outs and two runs across, and replaced by Bach.

Novi Thinclads Notch First Win

It may have been a cold, windy day for most but Thursday the sun was shining for the Novi thinclads as they broke a five-event losing streak by dumping host Milan, 64-53.

The welcomed triumph came on the heels of a lopsided losing effort against Country Day and Lutheran East last week Tuesday, with the Wildcats trailing winning Country Day 75-38.

Sandwiched in between in the triangular event was Lutheran East, which picked up 46 points.

Said Novi Coach Del Musen of the victory over Milan: "We finally ran into a school somewhat our own size. Even though they are a 'B' school, they're (Milan) about our stature and we found we could take them."

The Wildcats took top or second-place berths in all but the shotput as Pat Boyer racked up firsts in the long jump (20'7"), the 120-yard high hurdles (18.35), the 180-yard lows (23.1), and a second in the high jump (5'8").

Jim VanWagner notched a 57.2 in the 440-yard dash to bring down first place and then captured second in the long jump (19'7") and assisted in the first-place mile relay (3:55.3) and the second place 880-yard relay (1:40.9).

That first place mile was led off by Bob Clift, Duane Miller and Tom Karch followed and VanWagner ran the anchor leg.

Other firsts were posted by

Steve Coon, who cleared the 10' bar for honors in the pole vault; Kirk Rosey, who ripped through the mile in 5:14; and Dave St. John, who raced to a 24.7 in the 220-yard dash.

Dave Miller cornered second place in both the two-mile run (11:34) and the 880-yard run (2:17.8), while St. John worked second place in the 100-yard dash (11.1).

Randy Woodward, Steve Lukkari, VanWagner and St. John turned in a second place 880-yard relay time of 1:40.9.

Lukkari and Boyer were Wildcat point men against Country Day and Lutheran East last week as Lukkari went 10'6" to win the pole vault and Boyer carded a 5'6" high jump and a 19'4" long jump, both good for a number one slot.

Lincoln, Hartland Fall

Wildcats Win Two

Who was that talking about late bloomers?

It might have been Novi baseball coach Fred Gerhardt who led his Wildcats into two late but nonetheless welcome victory campaigns last week against Lincoln and Hartland.

The two wins—Lincoln 7-5 on Thursday and a split double header with Hartland 11-3 Saturday, brightened otherwise dismal (2-7), nearly half over Novi season.

The Wildcats' golden hour had its cloud, however, as they dropped one half of the Hartland double header by a slim 3-2 margin and fell behind Dundee 10-4 last week Tuesday.

In earlier action, the Dundee game Tuesday saw Pantalone go 0-3 allowing 10 runs on 10 hits and seven walks. He struck out eight.

Power in the game came from catcher VanWagner who clubbed a double and a triple.

Novi's battery came up with nine hits in 29 times at the

plate as Bob Pisha and Joe LaFleche scored one run apiece and Pantalone crossed the plate twice.

It was closer for the Wildcats in the opening game of the Hartland double header but not close enough as one run kept the game out of extra innings.

Pisha took the loss as Bosak split mound tasks with him.

The two hurlers gave Hartland three runs on three hits with six walks and five strike outs.

The Wildcats were slated into a big week with a return match today against Dexter.

JV Nines Win Three In Five Recent Games

Five recent games on area jaycee diamonds produced three local victories as Novi defeated Dexter 4-1 and Northville downed Clarenceville (7-2) and Andover (3-2).

Wildcat coach Robert Wineburger recruited varsity hurler John Pantalone for Monday's Dexter game and to gain his club's first victory of the season. Novi's JV premiere showing against Brighton was had news, however, as the Wildcats lost 4-2.

Tom Ford led off the junior squad's tally in the third inning as he went around a walk, two errors and a passed ball.

Gene Reske followed with a double in the fourth that scored Ford a second time and Kim Smith.

Smith got on again in the sixth with a single, stole second and went to third on a wild pitch and galloped home when hurler Jim Wentzel threw the ball away trying to throw him out.

The Wildcats nipped Wentzel for three hits and eight walks.

Northville split four games: losing in extra innings Thursday to Milford, 1-0 and Saturday (in the first game of a double header) to Clarenceville, 6-5.

The Mustangs came back in the second edition of Saturday's action to avenge

themselves against Clarenceville, 7-2, and then edged Andover on Monday in a 3-2 squeaker.

Monday's game against Andover saw Joe Bishop on the mound for the Mustangs.

The junior Mustangs came from behind in the fifth inning to make up two runs as Ted Marzonie and Jon Sherman

scored on a series of walks dealt by hurler Phil Binkley in a bases loaded situation.

The Clarenceville split came in the second game as the Northville juniors piled up one run in the first, two in the fourth and four in the fifth innings on four walks and six hits dealt by pitcher Bruce McCammon.

11 Games Mark Softball Opening

Season opening action in the Walled Lake Men's Industrial softball league saw 11 games last week Monday, Tuesday and Wednesday.

On paper the action shaped up as follows:

went three-for-three with two singles and a double for Construction.

Lawson Manufacturing bombed Rex Roto, 25-7 with the help of homers by Dick Nowak, Al Olech, Doug Stait and Bob Tuck.

Lake Optical came out ahead in a squeaker with Walled Lake Building Maintenance 9-8.

MONDAY, APRIL 26

Copper Mug upset Liberty Tool, 4-2, with the help of a third inning homer by George Drewno with nobody on.

Carpentry Engineering shut-out Williams Research, 10-0, while Walled Lake Oldtimers rescued a close one from G.M. Carpet 13-11.

Michigan Building Components had an easy time with Bryant Computer Products, winning 7-3.

G.M. Carpet defeated Carpentry Engineering 9-5 despite a home run effort by Terry Maddox of the carpenters.

WEDNESDAY, APRIL 28

Copper Mug made it 2-0 by handing Brandenberg a 12-11 defeat after bouncing back from a six run deficit. That scoring drive was sparked by homers from muggers George Drewno, Frank Fink and Bob Faught.

TUESDAY, APRIL 27

Brandenberg Construction defeated the defending league champion, Wixom General Store, 5-2, as Buddy Williams

Novi Win Shortlived As Golfers Fall Twice

A grace period was short lived last week as Novi inksters came back from a win and a tie to bottom out in two triangular matches.

The Wildcats finished behind Dundee (match champion at 187) and Dexter (188) with a slow moving 222 last week Tuesday at Dexter's home Ann Arbor Country Club. Things got worse on Thursday as Chelsea (175) and Ypsilanti Lincoln (211) tore up Novi's home course Godwin Glen to dump the Wildcats who carded 212.

Godwin's course was kind to the Wildcats two weeks ago when South Lyon and Saline came visiting. Novi took that match easily with a 204 to South Lyon's 207 and Saline's 212. The victory preceded a 191 tie with Milan on foreign turf and the Wildcats went into last week's action feeling better than they had all season.

Les Branch's 49 was the only bright spot Tuesday, according to coach John Osborne, who termed scores turned in by Tom Boyer, Roger Johr, Brad Shoholm and Craig Hesse as "terrible."

"Ann Arbor is a 36 par for nine holes," said Osborne

With one away Dave Brown walked and stole second. A pop fly made it two out and Pat Ford walked.

Brown came around on a fly ball single that put Tom Shillito on first and saddled the Hartland center fielder with an error.

Ford galloped home from third on a passed ball while Shillito was safe at second. Rick Ray singled in Shillito and went to second on another passed ball. Bosak knocked in Shillito then stole second and third and raced home on a wild pitch.

John Pantalone, who walked, stole second and made it to third on a wild pitch, followed Bosak home as hurler Larry Johnson threw the ball away.

Novi was retired with two on as a fly ball to center ended the inning.

"They've got one par five, 515-yarder and the rest of the course is very narrow but we should have done better than we did."

"It's hard to play golf in bitterly cold weather," the coach continued, "and it was cold but there were four or five men who played under Branch."

Dundee ace Vince Goff fired a low 45 to cop medalist honors for the day.

Thursday's meet with Chelsea and Lincoln (Novi 212) prompted the coach to think about some changes in his line-up.

"I have a lot of jayveers who want to play," said Osborne last week, "and if the regulars can stand off the competition they can keep playing, but if they can't, they won't."

Branch again carded a team low of 42 but it wasn't low enough to take the medalist honors that went instead to Chelsea's Jim Wojcicki with 39.

Godwin Glen is a 36 par course where the longest hole runs 545 yards in a dog-leg to the left. That sixth hole carries a par five.

"We didn't have any particular trouble with anything," said Osborne. "We just weren't shooting well."

Behind Branch for the Wildcats, were Boyer (52), Johr (55), and Shoholm (63).

Craig Hesse finished just outside of the four-man tally with a 64.

As yet untapped talent could come from freshmen John Withers, Don Jackson, Glenn Garner and Ken Beers, as well as sophomore Pete Kohlert.

"They shoot pretty consistently in the 50's," Osborne said, "right around 55. We'll see what happens."

The coach planned to play the two squads off — the senior and the junior — last week or early this week.

Big Track Trio Paces Mustang Wins

The Big Three of the Northville track team—John Stuyvenberg, Dave Mitchell, and David Wright—personally accounted for six and one half first places and formed the nucleus of the two victorious relay teams as the Mustangs powered their way over previously undefeated Waterford Kettering in half of a double-dual meet last Tuesday in Clarenceville.

The meet narrowed down to a show between Northville's

first place strength and the second and third place finishers of Kettering. In spite of the fact that Coach Ralph Redmond's squad won 10½ of the meet's 14 events, the final margin was a relatively close 65-52.

"It was a good meet," said Redmond. "Kettering's a big, physical, tough team. They might have been a bit overconfident against us and we also got some lucky breaks."

One of the lucky breaks that Redmond was talking about came in the pole vault where Kettering's Pillow snapped his pole in practice, was unable to adjust to a new one, jumped two feet less than he was capable of, and left the event open for Northville's Bill Witke to cop first place with a vault of 10 feet.

There were no lucky breaks involved in the victories of Stuyvenberg, Mitchell, and Wright, however, and it's a certainty that no Wayne-Oakland league coach will be guilty of over-confidence when faced with the aspect of meeting the three stellar senior performers.

Stuyvenberg took the long jump (20'11½"), the 100 yard dash (10.2), and finished in a dead heat with Kettering's Foltz in the 220 (23.6).

Wright turned in another strong 880 as he took first place with a time of 2:02.1 and then came back to win the 440 in 52.2 seconds.

Mitchell's winning time of 15.4 seconds in the 120 yard high hurdles tied the school record set by Ron Gloetner in 1968. In addition Mitchell won the 180 yard low hurdles with a timing of 21.2.

The efforts of Stuyvenberg, Wright, and Mitchell were not limited to the individual events, however, as all three were instrumental in Northville's victories in the two relays.

Brad Cole and Jamie Carter joined Mitchell and

Stuyvenberg in the 880 yard relay to post a time of 1:35.2. In the mile relay Wright anchored a team of Carter, Wayne Enders, and Stuart Allum to a 3:38.2 timing.

Northville's final victory came in the two mile run when Rick Bell shaved 10 seconds off his best previous time of the season as he crossed the tape a scant .2 of a second ahead of Kettering's Villereal. Bell's time of 10:09.0 was only two seconds off his own school record.

POLE VAULT: Witke, N. 10'0", Fredericksen, WK. 9'6", Pillow, WK. 9'0".

DRUSSEL, WK. 24.5.
MILE RELAY: Northville (Carter, Enders, Allum, Wright), 3:38.2.

In the other half of the double-dual meet, Clarenceville got clobbered. While the undefeated Northville and Waterford squads battled to stay that way, the thin ranks of the Trojans were the innocent victims of their mutual attacks.

"We just wouldn't have done that to them in a double meet," said Redmond. "But we had to go all out to beat Kettering and as a result the score ran up pretty high against Clarenceville."

To be exact, the final score against the Trojans was Northville 108, Clarenceville 9.

LONG JUMP: Stuyvenberg, N. 20'11½", Mitchell, N. 17'0", Carter, N. 16'10".

MILE RELAY: Northville (Carter, Enders, Allum, Wright), 3:38.2.

FOR NORTHVILLE — Phil Guider, (foreground), and David Newitt (background) were first and third in the 880 yard run Thursday against South Lyon and Dexter.

Redmond Uncovers Still More Winners

Northville track coach Ralph Redmond rested most of his front line performers to give some of the younger members of his squad some meet experience when the Mustangs took on South Lyon and undefeated Dexter in a non-league double-dual meet last Thursday.

The results were the same as usual for the power-laden Mustangs, however, as they defeated both schools to advance their season's record to seven victories and two defeats.

With John Stuyvenberg and David Wright each participating in only one event and Bob Barger, Jamie Carter, and Todd Hannert being left out of the meet entirely, Northville seemed to be vulnerable.

Such was not the case, however, as the second line thinclads came through in fine style, taking nine first places against each team to secure the victories.

It was the strength of the Mustangs in the mile and two mile runs that sealed the fate of Dexter in the first half of the double-dual meet, 69-51.

Rick Bell led the Northville sweep in the mile as he led Steve Hazlett and Tim Taggart across the tape in a time of 4:51.4. In the two mile run Guy Dixon led the Northville sweep of Dave Johnson and Jeff Menyhart with a 10:36.5 timing.

Phil Guider was the only double winner against Dexter with his victories in the 880 (2:10.8) and the 440 (54.3). Hurdler Brad Cole, competing

in the sprints against Dexter, copped first place in the 100 yard dash in 11.1 seconds.

The team of Cole, David Wright, Stuart Allum, and Paul Szarnowski won the 880 yard relay in 1:38.7 seconds.

In the field events Northville gained three more firsts. Bill Witke made it two straight wins in the pole vault for him as the rapidly improving sophomore vaulted 10'3". John Stuyvenberg's 21'2½" took the honors in the long jump, and John Coleman took the shot put with a toss of 45'1¼".

LONG JUMP: Stuyvenberg, N. 21'2½", Snyder, D. 20'3", Enders, N. 17'0".
HIGH JUMP: Aeschelman, D. 5'10", Pickren, N. 5'6", Cole, N. 5'6".
POLE VAULT: Witke, N. 10'3", Gillespie, D. 10', Earhart, N. 10'.
SHOT PUT: Coleman, N. 45'1¼", McCullough, D. 43'10¼", O'Daugherty, D. 40'11½".

880 YARD RELAY: Northville, 1:38.7.
880 YARD RUN: Guider, N. 2:10.8; Klein, D. 2:10.9; Newitt, N. 2:11.1.
120 YARD HIGH HURDLES: Snyder, D. 15.0; Mitchell, N. 15.8; Taylor, D. 18.7.
MILE RUN: Bell, N. 4:51.4; Hazlett, N. 5:05.4; Taggart, N. 5:05.5.
100 YARD DASH: Cole, N. 11.1; O'Daugherty, D. 11.2; Davis, D. 11.4.
440 YARD RUN: Guider, N. 54.3; Klein, D. 55.5; Halverson, D. 56.8.
180 YARD LOW HURDLES: Snyder, D. 20.9; Cole, N. 22.0; Aeschelman, D. 23.7.
TWO MILE RUN: Dixon, N. 10:36.5; Johnson, N. 10:57.6; Menyhart, J. 11:07.
220 YARD DASH: O'Daugherty, D. 24.6; Davis, D. 25.2; Kohn, N. 25.9.
MILE RELAY: Dexter, 3:40.2.

The story was much the same against South Lyon in the other part of the double-dual meet.

The Mustangs added a sweep of the 880 to their mile and two mile sweeps and

grabbed all four first places in the field events to dump South Lyon 82-36.

It was Rick Pickren's winning jump of 5'6" in the high jump that coupled with the victories of Stuyvenberg (long jump), Witke (pole vault), and Coleman (shot put) provided the Mustangs with their four triumphs in the field events.

The 440 and 880 victories of Guider against Dexter were also good enough to take the honors against South Lyon, and the two Northville sweeps in the mile and two mile also stood up against the Lions.

The sprints also were the possession of the Northville thinclads as Mike Kohn took the 220 in 25.9 to complete the monopoly of the dashes started by Cole in the 100.

LONG JUMP: Stuyvenberg, N. 21'2½", Berz, SL. 18', Rickard, SL. 17'6½".
HIGH JUMP: Pickren, N. 5'6", Cole, N. and Patro, SL. 5'6" (tied for 2nd & 3rd).
POLE VAULT: Witke, N. 10'3", Earhart, N. 10', Gates, SL. 9'0".
SHOT PUT: Coleman, N. 45'1¼", Maynard, SL. 40'5¼", Givens, SL. 36'10".

880 YARD RELAY: Northville, 1:38.7.
880 YARD RUN: Guider, N. 2:10.8; Newitt, N. 2:11.1; Firman, N. 2:16.
120 YARD HIGH HURDLES: Riordan, SL. 14.9; Mitchell, N. 15.8; Griggs, N. 19.5.
MILE RUN: Bell, N. 4:51.4; Hazlett, N. 5:05.4; Taggart, N. 5:05.5.
100 YARD DASH: Cole, N. 11.1; Dale, SL. 11.8; Pacific, N. 11.9.
440 YARD RUN: Guider, N. 54.3; Lasher, SL. 54.4; Allum, N. 57.2.
180 YARD LOW HURDLES: Riordan, SL. 21.5; Cole, N. 22.0; Patro, SL. 23.8.
TWO MILE RUN: Dixon, N. 10:36.5; Johnson, N. 10:57.6; Menyhart, N. 11:07.
220 YARD DASH: Kohn, N. 25.9; Dale, SL. 26.0; Pacific, N. 26.4.
MILE RELAY: South Lyon 3:52.1.

Tennis Coach Turns To Untried Players

There's a youth movement underway on the Northville tennis team as Coach Bob Simpson turned to his freshmen and sophomores in matches played last week.

Clarkston and West Bloomfield, were in charge of the initiation and they made it a rough one as they took advantage of the inexperienced Northville netters to deal the Mustangs two consecutive setbacks.

With the high school courts still unfinished, Simpson's young squad hosted West Bloomfield on the Cass Benton

courts last Friday.

Facing the Barons was a new Northville line-up. Freshman Bob Wright was in the number one singles slot, and two sophomores, Tom Millington and Chris Johnson, were playing number one in the doubles competition.

West Bloomfield remained completely unruffled by the change in format, however, and they stroked their way to a decisive 5-0 sweep of the young Northville team.

Only sophomore John Jerome forced his match into a third set as he took the

second set 6 games to 3 after having dropped the first set 6-4 and before succumbing in the third set by the same 6-4 score.

Things got better on Monday when Northville traveled to Clarkston to meet the Wolves, but not much better, as Clarkston won 4 matches to one.

Simpson used the same line-up of Wright, Steve Penrod, and Jerome in the singles matches and Millington-Johnson and Curt Saurer-Bob Norton in the doubles competition.

It was the doubles team of Saurer and Norton that took the lone Northville victory, defeating their opponents in straight sets 7-5, 6-4.

In spite of the pair of losses, Simpson expressed pleasure with the play of his freshman and sophomores. "A lot of our young kids are getting a lot of good playing experience," he said. "They have a lot of enthusiasm for the game and that's going to help them develop into better players."

In addition to Wright, Jerome, Millington, and Johnson, Simpson also cited the play of sophomore Mark Robinson and Freshman Wendell Wegeng as important parts of the underclassmen contingent.

Sports Calendar

THURSDAY MAY 6: Baseball Northville vs Kettering, here, 4 p.m. JV away, 4 p.m. Novi vs Dexter, away, 4 p.m. JV here, 4 p.m. Golf Northville vs Andover, away, 3 p.m. Novi vs Chelsea, here, 3 p.m. Track Novi vs Lincoln, away, 4 p.m.

WEDNESDAY MAY 12: Tennis Northville vs Churchill, away, 3 p.m.

Jones Pleased Despite Losses

In spite of three consecutive losses last week Northville golf coach Al Jones just couldn't get himself to feel all that bad.

"I was pleased, very, very pleased," said Jones.

The source of Jones' pleasure was the performance of his young golfers at the Dearborn Tournament held at the Dearborn Country Club last Monday.

Competing against 26 other teams, the Mustangs shot a 4 man, 18 hole total of 338 to take seventh place just 12 strokes behind the winning foursome from Plymouth.

"When we went up there, we set a goal of finishing in the top 10," said Jones. "We were probably the youngest team there. There wasn't another freshman on the course, and we had two of them, as well as a sophomore and a junior."

Bob Simmons, one of the two Northville freshmen, toured the course in 83 strokes to take medalist honors for the Mustangs. Junior Mark Krause, sophomore John Hlohenic, and freshman Brian Mills all carded 85s to bring the Northville total to 338.

In league matches against Waterford Kettering and West Bloomfield, the Mustangs didn't fare as well as they dropped both meets.

Pontiac Country Club was

the site of last Wednesday's encounter with Kettering and in spite of the fact that his team lost by a single stroke, 171-172, Jones was not pleased with their performance.

"We should have won," he said. "I sort of let them know that I wasn't happy with the way they played and their whole attitude toward the match. I think it did some good, because they really played well against West Bloomfield on Friday and in the Dearborn Tournament."

Northville hosted West Bloomfield on Friday at Brae Burn. The Barons, defending Wayne-Oakland champions and a perennial golfing power, were easily the best team.

"We slowed them down, but we couldn't beat them," said Jones. "We took them out on the back nine at Brae Burn to see if that 625 yard, double dogleg, 'monster' could get to them, but they handled it pretty well."

Once again Simmons was medalist as he had a 40, but he shared the honors with Mills who also carded a 40. Chuck Cook's 43 and Chris Thomas' 44 brought the Northville total to 211. West Bloomfield came out of the match with its honor against the Mustangs and the "monster" unscathed, taking only 196 strokes to win the match.

Council Tables Street Lights

A street-lighting proposal for Northville Heights No. 2 subdivision was tabled for two weeks Monday night when the city council learned that at least nine property owners preferred no lights at all.

It appears now that the council may order street lights for only intersections in the subdivision.

Until Monday the council had been planning to scale down a proposal of the Detroit Edison Company calling for street lights at 120-foot intervals throughout the subdivision. The scaled down version would provide lights at 180 to 200-foot intervals at a cost to the city of \$150 per month instead of the \$253 cost represented by Edison's proposal.

However, Thomas Schaal of 319 Sherrie Lane introduced a petition containing signatures of nine Sherry homeowners who asked that no lights be erected. William C. Hartmann, 950 Jeffrey Drive, and James Simpson, 410 Larry Drive, who also were present, offered no objections to street lighting although they were concerned that lighting include underground wiring and they indicated, as did Cherail later, that intersection lighting may be sufficient and acceptable.

Underground wiring is proposed officials noted, and the plan calls for curved metal poles, 20-foot high, with mercury vapor lights.

Another citizen, John VanTine, 371 East Main Street, complained of trucks spilling gravel as they turned the corner at Main and

Griswold, and he urged enactment of a city ordinance requiring gravel trucks to be covered.

Some communities, VanTine pointed out, require trucks to be cleaned of gravel and dirt prior to leaving a job site.

Officials sympathized with VanTine's concern, and City Manager Frank Ollendorff promised to check existing ordinances to see if they are applicable and, if so, to enforce them as a first step in eliminating the nuisance.

In answer to a question of VanTine, it was explained that no immediate plans are contemplated for changing the route or altering the roadway of Griswold north of Main. Ollendorff noted, however, that the city master plan does call for the eventual plan to tie Griswold to Novi Road. One of the plans that has been considered, but shelved because of huge costs, is a north-south route that would parallel the C&O railroad.

Upon complaint of Charles Toussaint, 528 Horton Street, City Attorney Philip Ogilvie was authorized to formally notify board of appeals members that they should disqualify themselves from voting on all issues affecting themselves.

Toussaint noted that recently member Francis Gazlay, upon the urging of fellow members, cast an affirmative vote on a matter concerning his own property because of an otherwise insufficient number of members present to make a decision. Affirmative votes of

two-thirds of the nine member body (six votes) are required to effect passage of any appeal.

At least, said Toussaint, Gazlay excused himself from discussion and was reluctant to vote. But had another issue affecting member Charles Buttermore not been tabled, Buttermore, too, was prepared to vote on a matter affecting himself, he added. Furthermore, Toussaint questioned the accuracy of the side-lot figure reported in the Buttermore case and he took the building inspector, Glenn Salow, to task for saying that checking of the accuracy of such measurements was not his duty.

Concerning the latter, Ollendorff said he personally had seen the deed which verified the measurement and he added that the building inspector had himself measured and verified the lot sideyard following his discussion with Toussaint.

Several weeks ago the appeals board itself had requested a change in voting requirements because of the difficulty of making decisions when two or three members are absent. The two-thirds affirmative vote requirement, reported Ogilvie, is a state requirement. However, he is still trying to get an attorney general's ruling on a suggestion that three alternate members be added to the board so that in the event of absences they could sit in judgment and vote.

Meanwhile, the council has directed the city manager to prepare a record of abstention on the board of appeals.

Child Center to Fete Volunteers Tonight

Wayne County Child Development Center will hold its third annual service recognition program honoring volunteers and financial contributors today, at 7:30 P.M. in the Center's auditorium.

The ceremony will be held in recognition of volunteers who have contributed full-time

personal services during the past summer, and those who have donated money or material goods valued above \$20.00.

During the past year, volunteers have contributed approximately 1,500 hours and financial contributors have donated more than \$6,500. Several individual donations exceeded \$1,000 according to officials of the center, which is located in Northville Township.

Mrs. A. J. Roof, 254 Wing Court, requested a change in council minutes to show that she was not the lone resident on Wing Court to object to the banning of parking, and that one of the cars owned by a member of her family had not been parked on jacks on the street for weeks as a neighbor alleged but rather for two days.

Upset by recent council action banning parking because of the narrowness of the deadend street, she suggested that if the council is so interested in fire safety it should make sure the fire hydrant is not covered by snow when the street is plowed.

In other business Monday, the council approved the rezoning of part of a lot on Silver Spring Drive (Gerald Avenue area near the city dump property) from M-1 (manufacturing) to C-3 (manufacturing and limited commercial). No objections were raised to the rezoning, which was requested by the city to permit erection of a bump shop on the property.

In still other business, the council agreed to accept a compromise payment of \$1,600 to the county in lieu of six-year contested bill of \$5,000 for the care of indigents.

ECOLOGY ACTION — Thanks to students at Amerman Elementary, 90 spruce trees have been planted in the school's courtyard. Tamping the ground around the newly planted trees are, from left to right, third graders Mike Petro, Ginny Callaway and Mike VanHine. Amerman students contributed money towards the purchase of the trees which will later be transplanted.

In Montessori Education Course Offered Here

A six-weeks Montessori Education Study Course is to be offered in Northville beginning May 16 and extending through June 20, Dr. and Mrs. Willis B. Hunting have announced.

Classes are to be held each Sunday afternoon at 3 p.m. at the First Presbyterian Church of Northville.

The parental study course will be limited to 60 families, with priority given to parents with children under four years of age who are interested in enrolling their children in a six-weeks summer Montessori orientation program, explained Dr. Hunting.

The course will be family centered, stressing the theme, "What Montessori Education Can Do for Your Child and Your Family's Future." Films, discussions, book reviews, materials demonstrations, visiting lecturers, and observation of a Montessori classroom with

children at work are planned. It will cover all aspects of the Montessori approach to early childhood education.

"Observation of a classroom of 'normalized' children," he said, "is a prerequisite to understanding the potential in young children of self-initiative, concentration and self-discipline."

Dr. and Mrs. Hunting, teachers for the past three years at the Wayne County Child Development Center on Sheldon Road, both have completed their Montessori Teaching Training and are planning to open a Montessori

school in the Northville area next fall.

The six weeks summer orientation program that will follow the Montessori study is designed to prepare children for entry into the full-year Montessori program next fall. The orientation program is to begin Monday morning, June 21 and end Friday, July 30.

A pre-paid \$20 for the study course is to be charged. Persons wishing to enroll should contact Dr. Hunting immediately at 42865 Seven Mile Road, Northville. Registration deadline is May 12.

About Our Servicemen

Great Lakes, Illinois—Navy Seaman Apprentice David F. Wicke, son of Mr. August Wicke of 120 Fairbrook, was graduated from recruit training at the Naval Training Center, Great Lakes, Illinois. He is a 1969 graduate of Northville High School, and attended Schoolcraft College.

Ft. Knox, Kentucky, Army Private Timothy A. Bowman, 18, son of Mr. and Mrs. Christain C. Bowman Jr., 23058 Gilbar, Novi, recently completed eight weeks of basic training at the U. S. Army Training Center, Armor, Ft. Knox, Kentucky. He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

The private is a 1970 graduate of Novi High School.

Kitzingen, Germany, Army Private First Class James J. Sutter, 21, son of Mr. and Mrs. James A. Sutter, 1140 Glengary, was recently assigned as a tracked-vehicle driver in Company A, 1st Battalion of the 3D Infantry Divisions 14th Infantry near Kitzingen, Germany.

Pvt. Sutter is a 1969 graduate of Walled Lake High School.

Novi Chamber Meets Tuesday

Election of officers will highlight a meeting tonight (Thursday) of the Novi Chamber of Commerce.

The program will be held at the Rosewood Restaurant on Grand River between Beck and Taft roads, beginning with dinner at 7 p.m. and followed at 8 p.m. with a business meeting.

Arab to Speak

Abdeen Jabara, one of the attorneys for Sirhan B. Sirhan, will speak in the Schoolcraft liberal arts theater at 1 p.m. Tuesday.

SPRING TRIM — With orchard blossoms just 10 days to two weeks away, fruit farmers are busy grooming trees — one of the many activities that keep 'em active all year long. Here, an automatic hedger — one of the most recent innovations of this industry — slices the tops of apples trees in the century-old Simmons Orchard on 10 Mile Road in Novi. The long cutting arm, which can slice through three and four-inch limbs, will be readjusted to groom the tree sideburns as well. Besides saving farmers the literally back-breaking chore of climbing and cutting by hand, the new device keeps orchard rows neat and open so the sunshine can get to the fruit and give it color. Good care, says owner Bruce Simmons, enhances the crop and extends the life of trees. Some of the trees in his orchard were planted before World War I.

It's Festival Time in State

Michigan's festival season is underway with eight special events listed between now and the end of May, highlighted by Michigan Week (May 15-22).

"Land of Hospitality" is the theme for the 18th statewide observance of Michigan Week. This event annually dramatizes the advantages of living, working and vacationing in this water-winter paradise. Sturgis has been named as the official kickoff city with Governor Miliken to give the keynote speech.

Spectators and participants alike will find plenty of fun and excitement during the last

These Crab Apple Trees Will Beautify Your Lawn

Crab apple trees are among the most versatile landscape plants available to large and small homeowners, says a Michigan State University landscape architect.

According to Joseph T. Cox,

the varied shapes, colors, and flowering characteristics of the many crab apple varieties are responsible for the popularity of these trees.

For homeowners considering the addition of a

crab apple to their yard or garden, Cox offers a list of varieties adapted to Michigan growing conditions. The list may not be complete and homeowners, especially in northern Michigan should choose planting sites with care.

"Even the hardiest crab apple varieties will do poorly if planted in locations exposed to cold winter winds," Cox says.

MEDIUM TREES (25 to 40 feet tall):

Manchurian Crab Apple — rounded shape, red or yellow fruit, pink to white flowers in April, useful to wildlife, adapted to all of Michigan.

Hopa Crab Apple — rounded shape, orange-red fruit, rose colored flowers in May, useful to wildlife, adapted to all of Michigan.

Japanese Flowering Crab Apple — rounded shape, yellow and red fruit, red buds and white flowers in May, known for consistent beauty, adapted to Lower Peninsula.

Bechtel Crab Apple — rounded shape, green fruit, pink flowers in May, flowers resemble small rambler roses, adapted to all of Michigan.

Dolgo Crab Apple — irregular shape, red fruit, white flowers, useful to wildlife, deep red autumn color, colorful fruit is also edible, adapted to all of Michigan.

Charlotte Crab Apple — pyramidal shape, green fruit, pink flowers in May, has

double flowers, adapted to all of Michigan.

Columnar Siberian Crab Apple — upright shape, red fruit, white flowers in May, autumn color is yellow, susceptible to blight, adapted to all of Michigan.

SMALL TREES (up to 25 feet tall):

Arnold Crab Apple — shrubby shape, yellow fruit, pink flowers in May, useful to wildlife, blooms profusely, adapted to all of Michigan.

Carmine Crab Apple — shrubby shape, red fruit, rose colored flowers in May, useful to wildlife, fruits not ornamental, good foliage, adapted to all of Michigan.

Dorthea Crab Apple — shrubby shape, yellow fruit, rose colored flowers in May, useful to wildlife, flowers and fruits annually, adapted to all of Michigan.

Flame Crab Apple — shrubby shape, red fruit, pink to white flowers in May, useful to wildlife, hardy in exposed places, adapted to all of Michigan.

Sargent Crab Apple — shrubby shape, red fruit, white flowers in May, useful to wildlife, smallest of all crab apples, adapted to Lower Peninsula.

Echtermeyer Weeping Crab Apple — weeping shape, red to purple fruit, purple-red flowers in May, sometimes called "pink weeper," adapted to all of Michigan.

Aldenhay Purple Crab Apple — rounded shape, red to purple fruit, purplish red flowers in May, often blooms second or third time during year, adapted to Lower Peninsula.

Schiedecker Crab Apple — rounded shape, yellow to orange fruit, pale pink flowers in May, autumn color is orange, profuse bloomer, adapted to Lower Peninsula.

Tea Crab Apple — upright shape, yellow to red fruit, pink to white flowers in May, flowers cover entire length of branches, adapted to Lower Peninsula.

Midget Crab Apple — upright shape, red fruit, pink flowers in May, usually blooms in alternate years, adapted to Lower Peninsula.

Katherine Crab Apple — irregular shape, dull red fruit, pink to white flowers in May, double flowers, usually blooms in alternate years.

Aid Transplants

Starter solutions get transplants off to a fast, healthy start, says J. Lee Taylor, Michigan State University horticulturist.

"A starter solution is a mixture of a water and a water soluble fertilizer," he explains. "The starter solution supplies transplants with nitrogen, phosphorus and potassium in a readily available form."

After applying the starter solution, Taylor advises covering the wetted area with soil.

Farmers Are Gardeners, Too

While homeowners prepare flower beds and groom their lawns, area farmers are also gardening but on a much larger scale. Typical is Albert Read who plants oats (in picture) on his family's centennial farm at 10084 Rushton Road in Green Oak Township. He's already made five passes over the rolling field in preparing the soil for seeds.

Although on the decline, farming is still a major industry in Livingston County. But in northwestern Wayne and southwestern Oakland County this once flourishing occupation for many families is fast disappearing before encroachment of urbanization.

DeGnat a real fun buggy that you can assemble yourself and save while doing it!

It's Festival Time in State

Continued from Page 1-B

half of May beginning with the Holland Tulip Time Festival May 12-15

Approximately 500,000 visitors are expected to converge on the Tulip Capital of the world as this West Michigan community founded by Dutch in 1847 is transformed into a kaleidoscope of color Holland's Tulip Time runs from May 12 through 15.

Greenfield Village in Dearborn will host a Country Fair of Yesteryear, including bands, children's midway, farm animals and early crafts. The event is scheduled May 20-22.

Highlighting the fifth annual Highland Festival at Alma May 22 will be the U.S. Open Pipe Band competition with the Clan MacFarlane Pipe Band of Canada seeking its third consecutive trophy.

The Father Marquette Pilgrimage at Ludington on May 18 and the Marquette-Joliet Journey Reenactment May 24-28 at St. Ignace will honor famous Michigan historical figures.

Three days of festivities are set for Mackinaw City May 29-31 at the Fort Michilimackinac Pageant which features the reenactment of one of the most dramatic spectacles in Michigan history — the Fort Michilimackinac massacre in 1763.

Hastings will celebrate its centennial from May 30 through June 5.

from the Pastor's Study

Legalism Tossed To Hell's Inferno

JAMES F. ANDREWS
FULL SALVATION UNION

God accepts all, the world over, who keep the "spirit of the law," but legalists do not. They demand absolute adherence to their legalistic requirements.

Therefore God binds up all legalists into religious bundles (denominations) that they might be burned until all of their legalistic spirit is destroyed. That is the reason He allows so much confusion and difference of opinion as to what the Bible teaches to burn on and on and on.

The law of the spirit of life in Christ Jesus makes us free from the law of sin and death.

A legalist believes in following to the letter his understanding as to what the

Bible teaches, which to him is following the Word of God.

A "spirit of obedience" frees you from a legalistic effort to be in obedience to your own understanding as to what it means to be obedient.

Our only hope of every being made One is for each of us to pray that we might be filled with the Holy Spirit; which Christ said our Heavenly Father was more willing to give to us than parents are to give good gifts unto their children.

When we are permanently filled with God's Holy Spirit as Christ was, then there will be no divisions among us for Christ is not divided.

Oh, God, hasten the day when we shall all be perfectly joined together in the same mind and in the same judgment and all be speaking the same thing with no divisions among us.

Let everyone say, Amen!

In the Bible the consequences or results of sin and error are made known. Such pronouncements should never be considered as authoritarian declarations of arbitrary punishment.

God wants all of His children to be happy! He will not let the death of any and points out to us the dangers and consequences of sin and wrong doing so that we can avoid going in that

direction. He is always ready and anxious to receive any one the moment he will change his course. He is never vindictive.

The Hell of the Bible is simple the expression of the result of refusing to change. It is "everlasting" only in the sense that truth is always the same and can never be changed into a lie. All anyone needs to do in order to get out of the hell of correction is to change.

Thank God for His goodness to the children of men and His determination to make us holy even as He is holy so that we can enjoy the blessedness of such a state of being.

"Look at the red kite up there! See how high it's flying!"
The little boy follows her finger, and she is warmed and gratified by his smile of appreciation.

It seems as if mothers are eternally anxious to make sure that their children get all there is to get out of life—that they miss nothing.

Mothers would, if they could, show their children all that there is to see and give them everything—time for fun, time for play—new clothes, new toys, a television to watch cartoons, endless red kites and bright yellow balloons and, later, skis and sports cars.

Yet, in this eagerness to show and to give, aren't they in danger of overlooking some of the most important things of all? What of beauty, of serenity, of joy—the knowledge of God's goodness, His love, and familiarity with His house on earth—the Church?

1-Card of Thanks

Deepest thanks to all our dear friends and neighbors for your many thoughtful & kind acts shown me during the bereavement of my dear husband Robert L. Schmitt. I shall always remember you.

Gratefully
Mrs. Robert L. Schmitt

OUR HEARTFELT thanks to the West Hickory Haven Nursing Home for the care given our dearest mother, Mrs. Lula Powell, in her last years, also to Phillips Funeral Home, Rev. Beddingfield, ladies of the Baptist Church for the lovely dinner and to everyone for the beautiful flowers.

Mr. and Mrs. David Webster
Mr. and Mrs. Sterling Powell
Mr. and Mrs. Eugene Powell
and families
H 18

WORDS SIMPLY can't express my sincere thanks and gratitude for the cards, flowers and personal visits I received during my recent stay in the hospital. Special thanks to those who helped my wife by taking her shopping and providing her with transportation to Ann Arbor to visit me. It has been said that a man's wealth can be measured by his friends, if this is true, then I indeed feel very rich.

Thank you
Sincerely
Herman P. Kudke

Staffs May Solve Court Logjam

LANSING — In the current clamor for judicial reform, the chief justice of Michigan's Court of Appeals is telling all listeners that the answer to clogged up court dockets isn't necessarily more judges.

And some people are listening. Among those who listened and acted on Chief Justice T. John Lesinski's recommendations are the members of the Judicial Council of California.

"Gentlemen," Lesinski told a workshop of the council in 1970, "in today's judicial world, the answer to the battle of the backlog is not the proliferation of courts and judges." "It's the streamlining and centralization of your operation and the use of research talent as a supporting staff for the judges."

LESINSKI SAID the Michigan Appeals Court under his direction has established a central research staff which works for all justices in the court.

The staff goes through every appeal filed with the court. It verifies all the facts of the case and

determines what the disputed areas of fact are in each case. It also verifies each legal reference made in the briefs to other decisions handed down by the courts in other cases which might pertain to the case at hand.

After thoroughly analyzing the case, the staff then makes a recommendation of a decision and sends a report to the judge assigned to the case. It is up to the judge to make a decision on the case and write the opinion.

END RESULT of this setup, Lesinski reported, was a dramatic increase in the productivity of each justice.

The establishment of the central staff increased the number of cases each judge could handle by one third.

The council was so impressed by Lesinski's report that it recommended to the California legislature that the Michigan system be adopted in California also. The legislature agreed and the money to implement the change was

appropriated for the current fiscal year.

OTHER STATES are now jumping on the bandwagon.

During 1970, the Court of Appeals of Louisiana and the second department of the Appellate Division of the Supreme Court of New York began experimenting with the procedures developed in the Michigan Court of Appeals.

Justices from both courts have indicated the Michigan system, with modifications appropriate to their respective states, will most likely be adopted by those courts.

THE STATE HIGHWAY DEPARTMENT says it detects a slight increase in the speed at which Michigan motorists drive.

Tests run in January showed the average car speed on the state's freeway system had increased from 63.9 miles per hour during January, 1967, to 64.5 miles per hour. At the same time, the average speed for trucks increased 4.4 miles per hour from 50.7 miles per hour to 55.1 miles per hour.

The department also says its

engineers have found most motorists travel at a speed they consider reasonable and safe, regardless of the posted speed.

They say an arbitrary enforcement of posted speeds along most roads would merely increase the number of violators and diminish motorist respect for speed zones generally and have little effect on the speeds driven along that stretch of road.

AMONG THE SIGNS of spring in Michigan are the resumption of the Motor Vehicle Check Lane program of the State Police.

Twenty-five State Police inspection teams will be operating around the state this year, augmented by local police departments in 12 Michigan cities.

During the winter, the State Police teams traveled around the state inspecting school buses. Director John R. Plants says 10,181 school buses were inspected and that several of them were discovered to have serious defects, which were corrected.

Horse's Mouth

Send your questions, comments, and horse show news to "Horse's Mouth," care of South Lyon Herald, South Lyon, Mi. 48178. This column is open to news of all breeds of horses and ponies.

May 8, Wolverine Pinto Horse Association, Inc. of Michigan invites you to the second annual Pinto, Arabian, and Half-Arabian horse show at the Washtenaw Farm Council grounds, Saline. Starting time 8:30 a.m. — Rain or shine. Judge: George Dunham E. Longmeadow, Massachusetts. All horses shown must be registered Pinto, Arabian or Half-Arabian.

Shiawassee County 4-H Horse Leader's Benefit Horse Show, Sunday, May 16, time: 9:00 a.m. Rain or shine to be held at 1537 West Grand River Road, Owosso. Show Secretary — Muriel Haak, 5711 N. Chipman, Owosso, 48867. All classes — Trophy and six ribbons; Judge Bryce McGinnis.

May 16, Horse Show at Wagon Wheel Farms, 52373 West Eight Mile Road, Northville. Classes begin at 9:30 — rain date May 23. Phone 349-6415, there will be pony classes, plus speed & action, musical stunts, flag race, cloverleaf, key hole, halter, western pleasure, reining, and jumping.

Several months ago I wrote an article on the Wild Mustangs and how the National Mustang Association, Inc. has been formed to protect these animals. One of our readers P. H. Mac Bride, Brighton sent this association a donation and received a letter which we would like to share with you.

Hody Parnier, Nevada receive many questions concerning the

future of the wild mustangs on the open range. After years of work, trying to make the public aware of the mustang's plight, we are beginning to get our message across.

In the past, the N.M.A. here in Nevada has been the workhorse of the organization.

We've removed unwanted horses and burros from overpopulated areas and found good homes for them. We have met with ranchers, the Dept. of the Interior, State and Federal Officials on the mustang problem. After years of hard work, and the fact that the public is starting to wake up, we are now making progress.

While the Caliente Refuge is still in the primitive stages, we intend to start work on power, sanitation, building, etc., as soon as possible. We have asked the Dept. of the Interior for an addition to the present mustang refuge in Southern Nevada (near Tonopah Nevada), so that the large population of mustangs there can be seen by the public. At present, the refuge is located inside the Nellis Air Force Base Gunnery Range and is not open to the public.

Most of our members are working class people who donate their weekends to our cause. Our work in the fields consists of developing water holes, making range checks, looking after sick animals, and in general, helping whenever we can.

As a non-profit organization, we cannot lobby, but we can lend our support to people like Mrs. Velma ("Wild Horse Annie") Johnston who is a good friend of the N.M.A. here in Nevada. As we have been severely handicapped for funds since our incorporation, we have not been able to provide film, books, or the proper brochures for the public. Bills will soon be presented, so help us and the mustangs by supporting them.

Babson Report

Industrial Uplift Aids Economy

WELLESLEY HILLS, MASS. — There can now be no doubt that the nation's

economy has shown improvement since the General Motors facilities

resumed production last fall after the labor tie-up. Actually, had it not been for the auto strike, industrial production might well have bottomed out in the summer of 1970. But labor disputes do have a critical impact on general activity, and in this instance it was of sufficient force to postpone the absolute low point until November.

After a protracted shutdown such as that which hit the auto industry's largest manufacturer, catch-up output inevitably gives a substantial uplift to industrial production as a whole. This is what happened during the final weeks of the fall season and into the waning weeks of the winter of 1971. Without this pent-up production, it would be difficult to gauge accurately how much vitality the economy would have enjoyed during this period.

THE UNCERTAINTY as to the degree of inherent recovery is further heightened by the fact that the post-strike auto catch-up has been accompanied by substantial

strike-hedge inventory accumulation of steel in preparation for possible labor troubles in that key industry this summer. There is also copper stockpiling in anticipation of potential

disruptions in this industry as well.

Whatever the cause, it must be recognized that the net effect has been a good boost for business in general. Residential building, too, has

finally responded favorably, in this instance to the increased availability of mortgage credit. From the money-starved low of a little over one million units in January 1970 — on a seasonally adjusted annual-rate basis — new housing starts climbed gradually upward and closed out the 1970 calendar year with a bulge that boosted the annual-rate mark to a shade over two million units.

This unexpectedly large increase in new housing starts last December was followed by a setback in the ensuing two months. But the underlying trend was still clearly upward and March saw another surge of sufficient scope to hike the seasonally adjusted annual rate back close to the two-million mark.

A synodic month is the period of the moon's revolution around the earth from one new moon to the next, or 29 days, 12 hours, 44 minutes and 28 seconds.

Dynasties went out with the 19th century, historians will tell you. The Hapsburgs and the Hohenzollerns, if they're still around, are just names in history books to titillate the minds of the curious.

Dynasties have all but disappeared in sports, too. Witness the fall of the New York Yankees whose domination of the American League spanned a 30-year period. Or the decline of the Boston Celtics, who, led by big Bill Russell with those spindly legs, captured NBA title after NBA title.

No team will dominate a sport again, scribes have said, as the Yankees or Celtics have done. Teams are too evenly balanced with each sprouting its own talent.

Then, along came the Milwaukee Bucks. Enter Lew Alcindour, the 7'2" or 7'3" (nobody really seems to know how tall he is) sensation who led UCLA to three consecutive NCAA titles. Lew was learning last year and his supporting cast was as green as he was.

Acquire a playmaker, like Oscar Robertson, the 32-year-old war horse from the Cincinnati Royals to steady the youngsters. The Buck dynasty is here to stay, as Milwaukee proved by unceremoniously dumping the Baltimore Bullets in a 4-0 whitewash.

Who is going to dump the Bucks? No one in view of this writer. That would be tantamount to stopping the inevitable, a tidal wave or a hurricane that is lashing the Florida coast.

Alcindour, of course, is the key to the Bucks' success and the success they will have in years to come. How good is he? Right now he is better than Russell or Wilt Chamberlain ever were.

On defense, he intimidates as well as, if not better than, Russell. On offense he has no peer among big men. With an amazing touch, he can hook or drive with equal finesse. And despite his seemingly slight frame, he can rebound with anyone in the league.

That's not all he can do. At seven-foot plus he has shown he can dribble as well as men 6'5". And if he's fenced out by a collage of defenders, he can hit the open man with snappy passes right on the mark.

No, nobody's going to stop Lew and his Bucks, not now after they have momentum going for them and another year of experience.

And by the time Robertson, the playmaker is ready to retire, the rest of the Buck supporting cast, which is young and talented, will have gained the experience to stymie any opposition.

Press Club Slates Panel

Two prominent government officials, two newspaper editors and an authority on newspaper law will participate in Wayne State University Press Club's 34th Newspaper Workshop, Friday, May 14, at McGregor Memorial Conference Center on the WSU campus.

Ways to promote better coverage of government, how to effect closer cooperation between newspapers and public officials, and newspapers' rights under recent court decisions are among subjects to be considered.

A morning panel of four will consider the question: "Government, Press and

Public — Foes or Partners?" James H. Brickley, Michigan's Lieutenant Governor, and Mel J. Ravitz, Detroit Common Council President, will speak for government. Paul A. Poorman, managing editor of the Detroit News, and Herbert Spendlove, editor of the Jackson Citizen Patriot, will be newspaper representatives.

Principal luncheon speaker will be Dr. Fred S. Siebert, research professor of communications at Michigan State University, and author of many books and monographs on newspaper law. His subject: "Where Are We Now in Newspaper Law?"

Rally FUNMAKER Organ

It's un-believable... un-heard of... un-complicated... un-derful... un-of-a-kind!

It's the fabulous new organ that lets you play and have fun — even if you're un-used to playing.

- ★ With one finger play the melody — un-hurriedly.
- ★ With another finger push a button and play rich chords in whatever rhythm pattern you've set — un-dauntedly.
- ★ Add bass drum, cymbal, snare drum, wood block and brush automatically with Swingin' Rhythm® — un-limited fun!

It's the new, easy way to play.
And it's un-der \$1050⁰⁰

Let us show you how un-usually easy it is.

Local artist, Bob Cowan, will be at our store to demonstrate this fabulous instrument.

WED., MAY 5 thru MAY 12 3 p.m. to 8 p.m.
