'Township Patrol To Stay' — Sheriff

The Wayne County Sheriff's Department will continue to provide road patrol service to Northville Township — unless it is ordered to discontinue the service.

That was the crux of the information given by representatives of the sheriff's department to township trustees in a special meeting Thursday night.

Loren Pittman, Wayne County Undersheriff, told board members that "As long as Northville is a township, and I presume it will remain as such for a long time, we will continue to provide service to the township until the court or some other high body tells us not to."

Pittman admitted that some members of the law enforcement committee of the Wayne County Board of Commissioners "oppose this (patrol of townships which do not contract for the service) and maybe their word will prevail."

He noted that the problem is budgetary and "ultimately the board of commissioners has the say in approval of the budget, but I don't believe legally they can pull out the service."

Thursday's meeting was part of the continuing study by trustees of methods of providing police protection for the township.

Supervisor Gunnar Stromberg said the township has obtained cost estimates from the city police department (which as of yet have not been discussed) and from Township Police Chief Ron Nisun "in case the commissioners cut off our service."

Stromberg said the "township feels that with our force of two full-time men and 12 reserves and the Wayne County Sheriff's Department we could provide police protection."

The supervisor said the township was also "hopeful the Michigan State Police would move their post here from Redford Township and we have made arrangements to have our cars dispatched through the state police."

He said he feels it is a "political maneuver (on the part of the commissioners) to block relocation of the police post in Northville Township." Pittman nodded his head in agreement.

The undersheriff said it is "doubtful the two buildings (at the Wayne County Child Development Center) will eventually be turned over to the state police."

(The sheriff's department recently went on record as opposing leasing of the buildings to the state police.)

"I have been led to believe the board of commissioners is interested in getting as much financial mileage out of the buildings as possible," Pittman said, "and the state police is only one possibility and not the primary one."

Stromberg said that "We will find some place in the township for the police post" if the county denies the state

police request to lease the two buildings.

Trustee Leonard Klein asked Pittman that "because of budgetary controls, in what direction are you (sheriff's department) aiming your service?"

Pittman said his department is aiming towards "updated, modern, ethical and efficient law enforcement

service throughout the county.

"In our opinion there is too much fragmented law enforcement in the county," the undersheriff noted. "Our philosophy is to provide an 'umbrella' service. It has never been our philosophy to take over law enforcement in a community."

Pittman explained the

sheriff's department provides specialized services it is financially impossible for a community to sustain — homicide and narcotics squads, for example. That type of service is provided by the county tax dollars, he noted.

Regular patrol service "in

Northville's and the nation's servicemen who gave the supreme sacrifice for their country were honored here Monday in Memorial Day prayers at the Cady Street cemetery (top), at the bridge to Rural Hill Cemetery (middle) where a wreath was tossed into the stream below to salute those who died at sea, and at the veterans plot in Rural Hill Cemetery (bottom). The Reverend Lloyd Brasure, pastor of the First Presbyterian Church, offered the prayer at the Cady Street cemetery, while the Reverend Father John Wyskiel, assistant pastor at Our Lady of Victory, offered prayers at Rural Hill. Thousands of area residents turned out to watch the traditional parade and join in paying their respect to the war dead.

'Best in History'

Building Pace Climbs

That smile your friendly developer is wearing today isn't a forced one—it's reflection of the upturned housing construction industry.

"Oh, it's 100-percent better this spring than last," a spokesman for Greenspan, one of Northville Township's largest developers, beamed in reporting "it's full steam ahead."

Similarly, Township Supervisor Gunnar Stromberg is pleased. "It's way up," he said, noting that last year at this time revenue from building permits was far behind budgeted projections. Now those revenues are zooming upwards.

Northville Township's largest and newest developer, Levitt & Sons, reports "fantastic" sales in its new multi-million dollar townhouse development covering a big chunk of the northeast section of the township just east of the city limits.

Although construction didn't

get started until about six months ago, Levitt reports that it already has sold 180 townhouse units. Fifteen units are up now, and Levitt expresses certainty that "200 families will be living here this year."

As a matter of fact Levitt now says it will begin construction of "next year's" schedule by fall because sales are so brisk. Levitt's development, seen as a five-year building program, calls for 1300 townhouse units.

One-hundred and thirty-eight new Greenspan apartments are expected to be completed and occupied by July, with construction of 158 more single family homes to begin by early summer.

"About the only thing that can hurt our sales now," says Greenspan, is the effect, if any, of the building trades (contracted salary increments) increases this summer. Increased costs could soften the public's buying. "we just don't know"

The building upsurge, says Stromberg, is reflected in the estimated value of new construction. From January through April of 1970, 26 building permits representing \$529,592 in building value were issued. This year, through April, 65 permits were issued for a whopping \$5,683,723 building value.

The value, he explains, increased significantly more than the number of permits because some of the single permits represent apartment and townhouse buildings containing several units.

The Greenspan development calls for 260 homes (102 exist today) and

262 apartments. "We've just come out of the best six weeks in the company's history," says Thompson Brown. "Last month was probably the best month we've ever had in luxury home building."

Construction of a "model row" is expected to begin within 10 days in its Lexington Commons development on the north side of Eight Mile Road where some 100 lots are to be developed soon (adjacent to Cooke Junior High and on the opposite side of Taft Road).

Sales of homes on the south side of Eight Mile Road (also

NEWS BRIEFS

WAYNE DUNLAP, fine arts director and member of the Schoolcraft staff since 1964, has submitted his resignation effective August 20—after presiding over the summer music school at the college. Dunlap will become professor of music and head of the music department at Grand Valley State College, a fairly new four-year institution near Grand Rapids.

PUBLIC HEARING for the Schoolcraft College 1971-72 budget has been set for June 27 at 7 p.m. Meanwhile, the board of trustees are scheduled to review the budget proposals at a study session June 7 at 7 p.m.

PLANS are rapidly taking shape for the graduation night party — the traditional "gift" of Northville parents to their graduating seniors — scheduled to follow graduation exercises on Tuesday, June 15. Entertainment is to include Steve Hunter, a disc jockey, and the Cold Sweats band. Parents of graduates are asked to help finance the project with donations of \$5 or more. Checks should be sent to Mrs. Harold Wright, 19850 Westhill. She may be reached at 349-1276.

ABSENTEE BALLOTS for the June 14 school board election are now available and may be obtained at the Board of Education Office, 303 West Main Street. The office is open 8 a.m. until 5 p.m. daily. Ballots must be returned by 8 p.m. on June 14.

CHEERLEADERS WILL SCRUB cars in a car wash being held from 9 a.m. until 4 p.m. Saturday in the Northville First Presbyterian Church parking lot to raise funds to send next year's Northville High School Varsity Cheerleading Squad to Camp All-America.

Teacher Talks Move Slowly

Negotiating teams for the Northville Education Association (NEA) and the Northville School District are continuing contract talks this week as the end of the 1970-71 school year approaches.

Spokesmen for both sides have said that though none of the issues which have been opened for negotiation have been settled, they feel talks have been going well.

"We have made good progress in cutting out a lot of the nonsense in negotiations that doesn't mean anything," Al Jones, chief negotiator for

the NEA said "I would like to see the areas of the contract which are not financial settled soon"

Robert Benson, chief negotiator for the district, commented he has "clouded optimism that the contract will be settled before the end of school."

"The history of negotiations in Northville shows if the contract has not been settled by the end of school, it usually isn't settled until just prior to the opening of school," he said.

Benson said the salary schedule proposed by the NEA has a range from \$9,000 for the beginning teacher with a bachelor degree to \$17,200 after nine years for a teacher who holds a masters degree. No salary schedule has been proposed by the district, he noted.

Other areas opened by the NEA, Jones said, include —guaranteed insurance coverage for retired NEA members;

—clarification of language in the grievance procedure; —class size starting points which allow for expansion throughout the year;

—agency shop, —elementary preparation time,

—release time for association meetings; and —working out discrepancies in the steps on the salary schedule.

Items opened by the district include —tuition reimbursement for teachers;

—added work days for

Forum Set On Election

A "Meet Your Candidates Night" program is planned next Thursday night by the Northville PTA Area Council and the League of Women Voters of the Northville-Plymouth area.

The 8 p.m. program will be held in Cooke Junior High School.

Each of the four candidates for the two four-year terms and each of the three candidates for the single one-year term will be allowed five minutes to respond to the following questions:

"What do you feel are the strongest points of the Northville school system? Which are its weakest areas? What do you feel are the necessary steps that should be taken to rectify these areas?"

After the candidates have answered these questions, the program will be open to questions from the floor.

The candidates are:

For four year terms: Angelo Chinni, 39; Sylvia Gucken, 29; Richard Martin, 59, and Andrew Orphan, 51. The latter two are incumbents.

For the one-year term: David D. LaFond, 29; Duane LaMoreaux, 35; and Martin Rinehart, 33. The latter is an incumbent by appointment.

Program moderator will be Mrs. William McAninch.

Both of the sponsoring organizations maintain a non-partisan policy. Neither support or oppose any candidate or political party.

Engagements Told In Our Town

From Iowa comes the announcement of the engagement and approaching wedding of Kathleen Claire Adkins to R. Lawrence Angove, son of Mrs. Edward F. Angove, 308 Debra, and the late Mr. Angove.

Announcement is made by her parents, Mr. and Mrs. William C. Adkins of Gilman, Iowa. The bride-elect is a 1967 graduate of SEMCO High School, Gilman, and a May, 1971, graduate of Central College, Pella, Iowa, where she was affiliated with Sigma Phi Omega. She will be teaching in the Pella area in the fall.

Both are 1971 graduates of Western Michigan University. The bride-elect will be teaching elementary school in Plymouth next fall. Her fiancé will be attending medical school at The University of Michigan.

An August 14 wedding date has been set.

KATHLEEN ADKINS

Her fiancé is a 1964 graduate of Northville High School. He attended Michigan State University and will be a December, 1971, graduate of Central College. He was affiliated with Psi Upsilon at MSU.

The wedding is to be June 26 in Pella.

Mr. and Mrs. William C. Earns, 353 East Cady Street, announce the engagement of their daughter, Diane Lucille, to Thomas David LaPrise, son of Mrs. Lois Turner, 43767 Park Grove, and the late Mr. Andrew LaPrise.

DIANE EARNES

The bride-elect attended Northville High School. Her fiancé, who is employed by Novi Maintenance (Redford), is a 1968 Northville High School graduate.

Mr. and Mrs. John Newitt, 43705 Galway Drive, announce the engagement of their daughter, Judy Ellen, to Steven Carl Quay, son of Mr. and Mrs. LaGene Quay, former Northville residents now living in Sparta, Michigan.

Juniors Plot Ambitious Year

By JEAN DAY

"YOUNG AND ACTIVE" is an apt description of members of the Western Suburban Junior Women's Club which has just elected three Northville women as its top officers for the coming year.

Mrs. Dale Starr begins her second term as president of the 41-member group, assisted by Mrs. Donald Baxter, first vice-president and Mrs. James Clarke, second vice-president.

One of the club's prime projects—needs of Michigan Indians—will be discussed at its final meeting of the year June 14. In addition the club is

for the third time giving a grant-in-aid scholarship of \$300 to Schoolcraft College. A garage sale netted \$269 toward this project.

Now, plans are going forward for a project that will require substantial donations of time as well as funds. The club is sponsoring a Livonia well-baby clinic which members will staff from 1 to 3:30 p.m. They will keep books as well as assist professionals. It was decided to accept this major responsibility, Mrs. Starr commented as she announced plans, as it represents "involvement of time" while other projects primarily represent gifts of

materials and funds.

OUR LADY'S LEAGUE of Our Lady of Victory Church installed new officers at a special Mass Tuesday night in conjunction with the group's annual meeting and potluck dinner. Mrs. Robert Brueck succeeds Mrs. William Quigley as president.

Others on the new slate are Mrs. Raymond Mason, executive vice-president; Mrs. Robert Crane, first vice-president and membership chairman; Mrs. John Stuart, second vice-president and hospitality; Mrs. Edward Ross, third vice-president

and guild coordinator; Mrs. Andrew Peltó, recording secretary; Mrs. Robert Mohr, corresponding secretary; and Mrs. Richard Alspaugh, treasurer.

St. Nina's Guild was in charge of potluck arrangements under Mrs. Allen Cassidy, chairman. Mrs. Earl Egbert was in charge of the installation

TRAVEL and spring are synonymous every year. The trip east to Newport, Rhode Island, last week, however, had a purpose for Mrs. William R. Slattery, a member

A 'Favorite Valentine' Father Walks Again

When Cecil Rowe was nominated for "My Favorite Valentine" award of The Northville Record-Nowi News last February, his daughter, Mrs. Edith Forsyth, 19851 Fry Road, wrote that her 69-year-old father had had both legs amputated but was "anxiously looking forward to walking out of the hospital and going back to work."

That day, she now tells us, is about to come as her father has survived the amputation of his right leg a year ago in April and then his left last October and has mastered walking again on artificial limbs at McPherson Community Health Center in Howell.

He expects soon to be driving again in a specially fitted automobile. He has been a patient at the health center since April 27, 1970. He was admitted because he had stepped on a nail and suffered complications with efforts to stem the course of gangrene failing. He had suffered from

Diabetes mellitus since 1955. He had lived with his condition, regulating his diet, and staying active as a partner in a sign manufacturing business. Six months after the first amputation, however, an infection in the left foot also necessitated amputation of that limb below the knee. Confined to a wheelchair, he had treatments to heal and strengthen the limbs before they were fitted with

artificial legs.

"Although he had some bad days at first," Mrs. Forsyth wrote proudly of her father, "he is doing great now, and he is always trying to get the other patients to smile, telling them 'things can't be that bad'."

An article accompanying her letter this week bears out her earlier words. It relates how Cecil Rowe worked daily with the staff toward the day when he could walk without crutches. A member of the Northwest Detroit Optimist Club and a believer in "positive thinking," he is about to rejoin his wife, six children, 19 grandchildren and 2 great-grandchildren. All, Mrs. Forsyth adds, are "anxiously waiting."

"If you were to have nominations for our Favorite Father," she concludes, "I guess I would have to be in line again."

Without doubt, she has a winner.

Represent Rainbow Assembly

Thirteen girls of the Northville Rainbow Assembly No. 29 attended the 43rd Grand Assembly Session in Grand Rapids May 27 through 30.

Two Past Worthy Advisors of Northville Assembly, Miss Nancy Wainwright and Miss Lori Cook, were appointed Grand Representative to California and Grand Lecturer, respectively.

Three adults honored with appointments as State Officials of the Assembly were Mrs. Shona Baker, Miss Cathy Davies and Mrs. Betty Willing. Mrs. Baker and Miss Davies both are Past Grand Worthy Advisors of the Grand Assembly of Michigan and Mrs. Willing is a Past Mother Advisor of Northville Assembly.

Members of the Northville Assembly attending were Marchalle Barker, Debbie Clair, Alice Clarke, Lori Cook, Judy and Julie Fair, Kathy Jones, Kathy Larkins, Pat Mahoney, Margaret Penn, Janet Reilly, Marcia Salbey and Jill Young.

At this session Janet Reilly served as Grand Representative to North Dakota and Jill Young, as Grand Page Judy and Julie Fair and Kathy Jones participated in the State Grand Choir. Adult members assisting were Ron Davies, Herbert Famuliner and A. J. Maier as Grand Guards and Mrs. Frances Famuliner as Grand Guardian.

Other adults attending were Mrs. Janet Hood, Mother Advisor, and Ray Hood, Mrs. Jean Davies, Mr. and Mrs. Harold Penn, Mrs. Ann McCarthy, Mr. and Mrs. James Reilly, and the Misses Laura and Susan Famuliner, who are Past Worthy Advisors of Northville Assembly and assisted as chaperones for the girls.

Recital Set by Dance School

A three-part recital with the themes of "Circus," "Do You Remember" and "Variations from the Nutcracker Suite" will be presented by about 125 students of Miss Millie's School of the Dance at 7:30 p.m. Saturday, June 5, at Northville High School.

Miss Millie Turnbull whose studio is at 133 East Cady announces that the recital will include ballet, toe, jazz, baton, tap and also an interpretation of the dance by 25 four-year-old pupils.

Dance students are Susie Evans, Jeanne and Judy Schumacher, Arlene and Barry Grady, Tami Firebaugh, Lori Goschinski, Julie and Laurie Ziemann, Julie Clark, Cory and Cindy Westphal, Mary Stone, Teena McKenna, Pamela Mitchell, Paula Horst, Elaine Smith, Roberta Putrow, Jane FieldChristi Strang, Edith and Stacey Shuman, Tibi and Lynn Scheflow, Diane Kleckner, Keith, Kathy, Karen, Kristin and Kelly Assenmacher.

Others include Mary Martman, Kethy Benson, Kelly and Heidi Schulz, Brenda Mosher, Kim Reid, Nancy and Nickie Niedzieski, Janet, Diane and Karen Covault, Michele Brown, Maureen Anderson, Paula Dyke, Ann and Amy Fitzpatrick, Britt Price, Denise Hamilton, Jayne Winemaster, Sandi

WOMEN'S CLUB OFFICERS—The three top officers just elected by Western Suburban Junior Women's Club admire a future member, three-month-old Amy Baxter, as they confer on club plans. From left are Mrs. Dale Starr, president; Mrs. Donald Baxter, first vice-president; and Mrs. James Clarke, hostess and third vice-president. A well-baby clinic is the newest project of the group, which also provides a Schoolcraft scholarship and aids Michigan Indians. For the first time, all three top club officers are from Northville.

Carrow, Pam Saunders, Kim Agnello, Sandy O'Conner, Susan Cahill, Jill Williams, Barbara, Debbie Howley, Lisa Porter, Bobbie Wilkins, Cheryl Coates, Karen Susan Waldemayer, Kathy Phillippeau, Marie Cologie, Terry and Gwen McCandish, Jones, Cheryl Maday, Brenda Kerri Ireney, Kathy Burnstrum, Kathy Mullen, Laura Bridson, Julie Shock, Carol Schrot, Becky and Janet Robertson, Gene Hannon, Patricia Smith, Cheryl Rosenbrook, Sandy Stephens, Elizabeth Atwood, Karen Stasiuk, Dana Kitchen, Julie Merritt, Kim Ireland, Leslie Krause, Carrie, Abdo, Marcie Slabej, Lisa Nancy Doumanan, Dawn Hutchinon, Julie Hammon, Freeburn, Laurie Rosbury, Lori Winters, Sarah Green, Stephanie Powell, Jody Laurie Karath, Margie Ann Folino, Karen Birecki, Lisa Miller, Lisa and Cathy Sue Baumgartner, Paula Gailand, Marianne Baluha, Corbutt.

News Around Northville

An ice cream social will be combined with an outdoor art exhibit at Amerman School from 6 to 8:30 p.m. this Friday. Sponsored by the Amerman PTA, the event will be held on the grounds behind the school. In event of rain it will be moved to the

multpurpose room. Art work of students will be displayed for parents to view as they enjoy ice cream with cake or pie and coffee.

Newly elected officers of the PTA for 1971-72 are Mrs. David Longridge, president, succeeding Mrs. Lawrence Gucken; Mrs. Robert Darrow, vice-president; Mrs. Bonnie Martin, teacher vice-president; Mrs. Charles Meredith, secretary; and Thomas Schaal, treasurer

throughout the summer, a spokesman for the sponsoring PTA said.

If persons are unable to drop the papers off during the specified hours, pick-up times can be arranged by calling 349-4415 or 349-0933.

Proceeds from the paper drive will go to the PTO fund

Quay Honored At Western

Steven Carl Quay, son of Mr. and Mrs. LaGene Quay, former Northville residents now living in Sparta, Michigan, has been designated a Waldo-Sangren Scholar for the academic year 1971 by Western Michigan University.

His award-winning project is entitled "Development and Utilization of Membrane Vesicular Systems for Acetobacter and Pseudomonas in the Characterization of Hexas Transport in these Organisms." The project is under the supervision of Dr. Stephen Friedman and carries a stipend of \$750.

The Council on Adoptable Children will meet tomorrow, June 4, at 8 p.m. in St. Peter's Lutheran School, 1309 Pennman in Plymouth.

The film "What Are We Waiting For?" will be shown followed by an open discussion of the various adoption agencies, a spokesman for the group said.

The meeting is open to the public.

If finding a place to store papers until the next paper drive had been a problem, St. Paul's Lutheran School has found a solution.

Beginning Monday, June 7, the school will hold a paper drive every Monday from 6 p.m. to 8 p.m. at the Northville Record printing plant, 560 South Main Street. The drive will continue

Wright-Kunz Vows Read

In a 6 p.m. ceremony Friday, May 28, at Northville First United Methodist Church Mrs. Hazel Wright became the bride of Eugene Kunz. Mrs. Wright is the daughter of Mrs. C. Oscar Hammond and the late Mr. Hammond.

The Reverend Guenther C. Branstetter officiated at the ceremony. Attendants of the couple were the bride's sister and brother-in-law, the Russell Corbins of Rochester, Michigan. About 40 relatives and close friends were guests at a reception and buffet dinner following at the bride's home at 625 Grace.

Mrs. Kunz is secretary to Miss Florence Panatoni in the Northville Board of Education office. She and her husband will make their home at 625 Grace.

CREATIVE TEEN WINNER—Ann Kipfer, Northville High School senior and student artist, receives the gold medal award won for her transparent watercolor in the National Scholastic Art Awards competition in New York from Roy Pedersen, Northville High art teacher.

National Art Award Goes to Ann Kipfer

Ann Kipfer, a Northville High School senior, has been awarded a gold medal for her transparent watercolor in the 44th annual National Scholastic Art Awards competition in New York. She is one of 400 gifted student artists to receive the gold medals in the national competition after winning in regional competition sponsored by Scholastic Magazine and by Crowley's and The Detroit News locally. Her winning picture will be

on display in Union Carbide Exhibition Hall in New York City from June 6 through June 25. Northville High Art Teacher Roy Pedersen described it as "a rather realistic translucent of a salmon resting on flowers." Ann's medal is mounted in a walnut plaque. She was a winner also in the regional competition in which work of 4,000 students from the six-county area was entered. She had entered the Scholastic Art Award competition

previously in her sophomore and junior years, winning the regional gold key award in her sophomore year also. Ann, 17, will be in the June, 1971, Northville High graduating class. This semester she has been taking a drawing class at Schoolcraft College while completing her senior year here. She plans to enter Western Michigan University at Kalamazoo. She is the daughter of Mr. and Mrs. James Kipfer, 914 Ely Court.

NORTHVILLE-PLYMOUTH SENIORS—George Lockhart, right, president of the Northville Senior Citizens' Club, poses with Reinhold Kieper, president of the Plymouth Seniors, and Mrs. Kieper as he welcomes them to the joint dinner program of the two clubs hosted May 25 by the Northville club at the Presbyterian church.

Senior Citizens Host Plymouth at Potluck

Plymouth Senior Citizens were entertained by the Northville Senior Citizens Club at a dinner program May 25 at Northville First

Presbyterian Church with about 170 "over sixty" seniors from both clubs attending. Following a potluck dinner by the host club, the group was entertained with a selection of songs by 50 members of the Northville High School Choir under the direction of Miss Karen Lowe. Some were sung a cappella while others were accompanied by Miss Wendy Wheaton.

Kieper and Mrs. Kieper. Mrs. Mabel Cooley was hostess chairman, assisted by other club members. Mrs. Meta Schroeder was dinner arrangements chairman. Mrs. W. C. Wendover was in charge of program arrangements.

A color film on Hawaii supplied through Mrs. Rachel Hill of Travel Plans was shown with Jack Blackburn as projectionist. Guests were welcomed by Northville President George Lockhart, who introduced Plymouth President Reinhold

Northville Senior Citizens' Club will hold a business meeting at 7:30 p.m., Tuesday, June 8, at the scout recreation building.

Novi Teens List Plans For Summer

A Youth Assistance Program to provide dances and scheduled recreation during the summer for Novi High School students is the new project of the Novi Jaycees, who are enlisting the support of other civic groups in the undertaking.

The Jaycees are working with the high school students to support the recreation plan which first requires that 300 memberships at \$3 be sold to students in ninth through twelfth grades. If enough youngsters indicate interest by signing up by the end of the school year, the Jaycees report, they will supply the band for the first dance.

The school district has agreed to donate space in the high school commons for meeting on Wednesday and Friday nights, the Jaycees said. Sale of the student memberships will permit hiring a director, they add, for the Friday dances and the Wednesday sports program with activities like volleyball planned.

Student memberships are on sale at the high school with Brad Sjöholm, Chris McCaughlin and Dave Fear in charge of sales.

SANDRA THOMAS

STEPHEN LAWRENCE

Jaycees Install New Officers

Richard Rayborn was installed as the new Northville Jaycee president during a May 28 banquet at Gregar's Pickwick House.

He succeeds Peter Magnan, outgoing Jaycee president. Other newly installed officers, all of whom were elected at the chapter's April general membership meeting, are:

Dennis Dildy, external vice-president; Douglas Loomis, internal vice-president; Art Bakewell, treasurer; Don Campbell, secretary; Cecil Motin, internal director; Tom Barber, external director; William Broadus, external director; Paul Vandenburg, external director; and John Buckland, state director.

Northville Jaycees received state-wide recognition at the recent Jaycee State Convention in Grand Rapids when the chapter was awarded the highest honor that can be bestowed — the Henry Geissenber Memorial Award citing the Northville organization as the most outstanding chapter in its population division for the past year.

The coveted award was influenced by Northville's winning of four first place citations in various community involvement activities; maximum chapter involvement in helping the retarded and underprivileged, particularly the Plymouth State Home for retarded children; an extremely high degree of

chapter membership participation in individual development and organization activities as well as an active and involved auxiliary Jaycette organization that provided strong assistance on many projects.

The Geissenber Award is an exemplary tribute to the Jaycee creed that inspires young men to participate in the development and betterment of the community in which they live.

Area Grads Receive Collegiate Degrees

Two Northville area residents are slated to receive bachelor of arts degrees from Adrian College in Adrian Sunday during the commencement exercises at 3 p.m. in the Dawson Auditorium.

They are: Sandra Thomas, daughter of Mr. and Mrs. Daniel E. Thomas of 46133 Nine Mile Road, and Stephen Lawrence, son of Mr. and Mrs. Donald B. Lawrence of 47245 Battleford.

Miss Thomas, a 1967 graduate of Clarenceville High School, has majored in psychology, while Lawrence has majored in business administration.

Commencement speaker will be Dr. Harold E. Sponberg, president of Eastern Michigan University.

John C. Chen, son of Dr. and Mrs. Calvin H. Chen of 41001 Seven Mile Road, is among 253 Pacific Union College seniors and graduate students who will be graduated June 13.

Chen will be awarded a bachelor of arts degree in history.

Pacific Union College is a coeducational, liberal arts school operated by the Seventh-day Adventist Church. Students from 34 states and 23 foreign countries are enrolled in the 1900-member student body.

Paul S. Singer, son of Mr. and Mrs. John C. Singer, 18386 Jamestown Circle, was among the 246 seniors who graduated on May 23 from Hamline University in St. Paul, Minnesota. Singer received a B.A. in philosophy.

The graduation activities included baccalaureate services in the morning and commencement exercises that afternoon.

U.S. Supreme Court Associate Justice Harry A. Blackmun, a former Hamline trustee, delivered the commencement address.

Blackmun also received an honorary degree as did Dr. Paul H. Giddens, who served as Hamline president from 1953 to 1968, and Louise

Nevelson, sculptor. Following commencement the seniors, their parents and other guests were entertained by Hamline President Dr. Richard P. Bailey and Mrs. Bailey at a reception.

Honors Given

At Western

Several area students at Western Michigan University have won recognition as scholars by being named to the university's Dean's List for the recent winter semester.

They are: Prescilla Jean Belonga, 18821 Jamestown Circle; Julia Anne Brown, 45730 Fermanagh; Beverly Jean Foisyth, 19851 Fry Road; Nancy Lou Newit, 43705 Galway Drive; Greg Brian Baiko, 744 Horton, Carole Sue Terry, 43625 Nine Mile Road; Jean Anne Callan, 2519 Wixom Road; and Paulette Eleanor, 60501 Grand River.

To win the honor, students must have taken at least 14 hours of class work and maintained a grade point average of 3.5 out of a possible 4.0 (all A's). The group of 1,728 recognized for their academic work exceeds by more than 400, the total number of students so recognized for the fall semester (1,316).

Among the more than 450 seniors who completed requirements for graduation at Denison University's 130th annual commencement exercises in Granville, Ohio, Monday is William C. Slinger, son of Mr. and Mrs. William C. Slinger, 18439 Fermanagh Court.

Slinger earned the bachelor of arts degree with a major in economics.

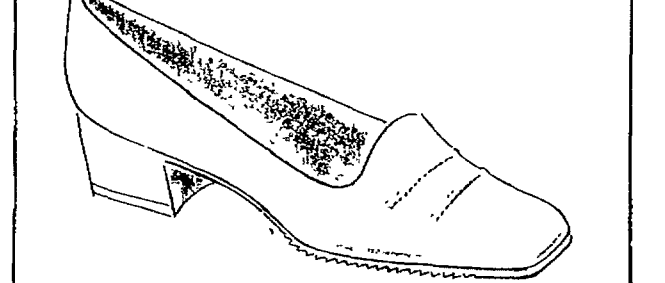

A graduate of Northville High School, Slinger was a member of Phi Gamma Delta fraternity at Denison.

Mrs. Beatrice Putnam, of Northville, is among the 757 members of the Class of 1921 of the University of Wisconsin at Madison who were recently inducted into Wisconsin's Half Century Club at one of the main events of the Wisconsin Alumni Association's annual Reunion Weekend program this spring.

The members of the class who received their degrees from the University 50 years ago became members of the Half Century Club at a luncheon in the Wisconsin Union.

Novi Names Top Students

Top honors have been awarded two Novi High School seniors who will participate in the school's third graduation exercises Tuesday.

Valedictorian Debbie Zarish of 46450 11 Mile Road, and salutatorian Tom VanWagner of 23710 Maude Lea, carrying 3.95 and 3.83 averages, respectively, throughout their high school careers will attend Michigan State University in East Lansing and Michigan Institute of Technology in Houghton next fall.

Miss Zarish is president of her senior class, and she was president of her junior class. She served as student council representative in her freshman and sophomore years, is a national honor society member, played this year on Novi's girl's softball team.

She intends to study pre-veterinary science at MSU and will be assisted by scholarships from the University and the State.

Salutatorian VanWagner will study forestry at

Michigan Institution of Technology with the help of the Richard Erwin scholarship awarded for excellence in academics and athletics at Novi High.

VanWagner is president of Novi's 'N' club, has served as captain of the school's football and baseball teams, earned varsity letters in those sports and in basketball, is also a member of the national honor society, and plays clarinet in the school band.

He intends eventually to go wildlife management.

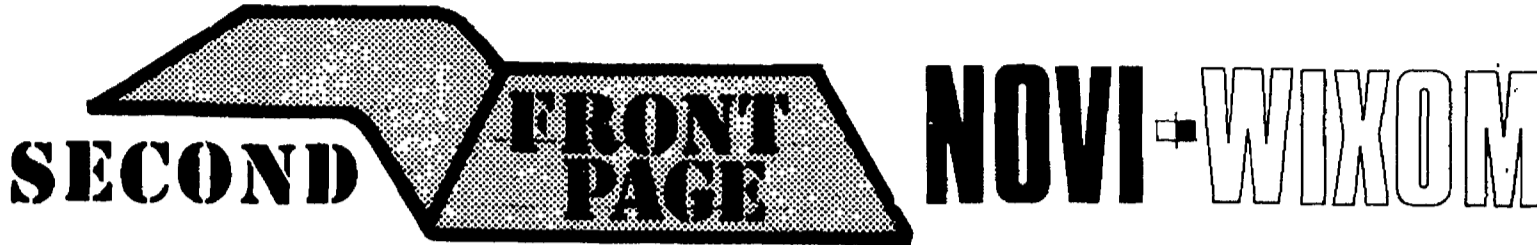

DEBBIE ZARISH

TOM VANWAGNER

RETIREES — Mrs. Fern Lewis, Mrs. Laura Jensen and Mrs. Katherine Penhale, (from left) are due to retire from their classrooms in Novi Elementary School in which they've taught for 12, 11, and 15 years, respectively. Flanking them here is school principal Roy Williams: "We'll miss them," he said, "but I don't think so much as the children will." The three teachers were cited for their long and dedicated service in a resolution adopted by the board of education.

Novi Budget OK'd Salaries Disputed

Novi councilmen approved the city manager's proposed budget of \$676,250 by split vote Tuesday night and moved to levy the maximum millage allotted by charter, 6.5 mills.

On the city's present assessed valuation of \$67,597,840, according to Mayor Joseph Crupi, the millage figure would yield \$439,385.

Dissent came from Councilmen Raymond Evans and Lou Campbell who disagreed with final proposals submitted for adoption.

"The salaries are unjust," said Campbell. "There are too many increases. All of our tax hikes went for salaries and there are a lot of other things this city needs."

"These are people," said Evans, "whose salary we didn't raise in proportion to those of whom we did. They deserved a bigger increase."

The adopted budget for 1971-72 calls for increases of \$83,620 over last year's allotted \$592,630.

Essential changes Tuesday night came in the salary due the city treasurer and that due the police clerk.

Councilmen, led by Campbell and Evans, padded the treasurer's salary with \$440 to bring it to a level with that of the city controller — \$9,560.

The expenditure was balanced with funds allotted part time help so that total expenditure remained the same.

At the recommendation of Police Chief Lee BeGole the hourly salary of that department's chief clerk was increased by 15 cents instead of the 10-cent proposal.

"Our clerk handles the dispatchers," said BeGole, "some of whom have been here five years while she's been here 13. In addition, she handles our complicated FBI reports and does extra filing. It's not fair that she should be raised 10-cents while some others who have been here a shorter time get 20-cents."

BeGole said that other police departments, particularly Southfield's, employed a sergeant in the post and that in his opinion the responsibilities the clerk's job carried ranked with those held by the assistant clerk in any other department.

Building official Earl Bailey was on hand to comment on the \$77,660 allotted his department. He was particularly upset over the \$10,600 set for the hiring of a fire marshal, saying that it wasn't enough.

"We need the experience," Bailey told councilmen. "We

need the 20 years in the field some men can bring to this city. We need someone who has the knowledge on the tip of his tongue and doesn't have to look through a book in an emergency.

"A man comes to be fire marshal for a city because he can't make it in the field. Either he's retired or he has

one eye, or he's disabled in some way, but that's no reason to cut his salary down to nothing."

The \$10,600 stood.

Superintendent of Public Works, Edward Kriwall, asked council for a \$500 increase in the salary due his administrative assistant secretary, a jump from \$7,500

to \$8,000.

Kriwall mentioned that the job carried with it responsibilities that fell outside the realm of the clerk classification, saying that the individual involved was able to supply valuable information as to water mains and sewer capacities to builders and that her special

knowledge made her invaluable to his department.

Council, and the \$7,500 figure, were unmoved.

"It's clear," said Mayor Crupi, "that we need a set of job classifications that set a salary for work involved. I don't know if this is possible, however, because of the double and triple duty so many of our employees are called upon to perform."

Although salaries to the police department are pending the outcome of the current negotiations between the Novi Police Officers Association and the city, the budget allotted \$186,500 for combined salaries for the chief, detective lieutenant, detective sergeant, and 12 patrolmen.

BeGole's budget request to city manager Athas called for an additional two men.

"I don't know where the money is coming from," said Campbell. "If you're going to give everybody those kind of increases, you're not going to be able to pave roads, build sewers or collect garbage. Some of these people are getting \$5,400 increases in two years."

Planners also turned down a request for commercial zoning on the northwest corner of Haggerty and 13 Mile roads.

The board, took the position that professional office usage, in accordance with Novi's master plan, would better suit the area.

In other business, planners set a public hearing for July 21 on a rezoning request from Harry Gilmore for light manufacturing on his property fronting Beck Road south of Grand River.

Planners also turned down a request for commercial zoning on the northwest corner of Haggerty and 13 Mile roads.

The board, took the position that professional office usage, in accordance with Novi's master plan, would better suit the area.

MEMORIAL DAY — Bands, both big and little, highlighted Memorial Day parade festivities that saw bicycles, mini-bikes, and an eight car train for those too young to walk. The bright colors and snappy march music ended with a

A Board Promise

By THOMAS DALE
Superintendent,
Novi Public Schools

The Novi Board of Education has adopted a resolution to submit a request to the electors for a millage increase. The resolution was adopted unanimously by the Board. The Board promised that "any millage which is not needed, will not be levied." They made this promise since they could not be sure of what the State Legislature would do to State Aid for schools and because it appears certain that State Funds would be greatly reduced while the number of students and the cost of operation went up.

The Board found that, during the current school year, now ending, funds were reduced by the Executive Order of the Governor by \$30,000 and that the amount of trailer park tax received would also be deducted from State Aid—\$8,000.

The need to furnish free text books and supplies will continue under the State Supreme Court order at an added cost of \$30,000 next year. The cost this year was \$25,000.

The Governor of Michigan, for the second time, has made proposals for changes which would reduce or eliminate our dependence on property taxes for school financing. He recently said: "Local school districts must continue to rely upon the property tax for one more year. I urge voters to bear this in mind when they are called upon by their local districts to support millage proposals for school operations in the 1971-1972 school year."

ANNUAL ELECTION INFORMATION
Date of Election—June 14, 1971
Polls Open—7:00 a.m. - 8:00 p.m.
Where to Vote—Novi Community Building—26350 Novi Road
Who May Vote—All Registered Voters in the Novi School District.

At the same election there will be elected two members of the Board of Education for 4 year terms. The following persons have been nominated: Claude Earl, Gilbert D. Henderson, John W. Summerlee, Wm G. Ziegler. Also, one member of the Board of Education for a 1 year term. The following persons have been nominated: Jacob L. Duhing, Sharon L. Pelchat. Tax Proposal as it will appear on the Ballot:

INCREASE IN OPERATING MILLAGE
Shall the limitation on the total amount of taxes which may be assessed each year against property in Novi Community School District, County of Oakland, State of Michigan, be increased as provided by the Constitution of the State of Michigan, for a period of (5) five years from 1971 to 1975 both inclusive, by 5.00 mills on each dollar of the assessed valuation as equalized (\$5.00 per \$1,000), for the purpose of defraying a part of the operating expenses of the school district?
YES.....NO

ADVISORY QUESTION
An advisory question will also be voted upon. After meeting with the Novi City Council, the Board of Education is asking the voters if they would favor dividing the school tax into two parts. This is for advice and the final decision would be by Novi City Council.

PREAMBLE
At present the entire local school tax for the Novi Community School District is billed and collected at the same time that the Oakland County Tax is billed and collected (due December 1st of each year; payable without penalty through February 14th of each year). In an effort to assist the School District in meeting its financial obligations without the

added expense heretofore incurred in borrowing against Anticipated Taxes, it has been proposed that in the future only one-half (1/2) of such local school tax be billed and collected with, or at the same time as, the County Tax, and that the other one-half (1/2) of such local school tax be billed and collected with, or at the same time as, the Novi City Tax (due July 1st of each year, payable without penalty through August 31st of each year). An advisory opinion of the electorate is desired on this question.

ADVISORY QUESTION
Do you favor the billing and collecting of one-half (1/2) of the local school tax with the Novi City Tax and one-half (1/2) with the Oakland County Tax?
YES.....NO

WHAT IS THE NOVI SCHOOL DISTRICT?
1. Presently Novi is one of Oakland Counties smaller, semi-rural districts. It was established as a K-12 district in 1969.
2. The enrollment is 1800 in grades K-12. It is presently growing by about 200 children per year.
3. The district transports 1500 students.
4. The districts employs: 86 Teachers, 4 Principals, and 43 other employees.
5. Fully chartered by Michigan State Department accredited by University of Michigan.

BUDGET FINANCES		
	1970-1971	1971-1972

Academy Taps Chief BeGole

Novi Police Chief Lee BeGole was elected to his third consecutive term as president of the Metropolitan Police Academy of Michigan at the organization's annual meeting last week Friday.

Vice-president is Port Huron Police Chief Carl Falk. The Academy's board of directors will be chiefs of police Herman Potts of Royal Oak, Charles Grosbeck of Warren, William Hanger of Pontiac, Milton Sackett of Southfield, and under sheriff Loren Pittman of Wayne County.

"The academy trains policemen for 88 communities in Michigan," explained BeGole. "We instruct men in the 256 hours mandatory police training that state law requires before any recruit may be sworn in as a law enforcement officer."

"Our last class," BeGole continued, "in March, graduated 96 men. The tuition involved is returned to participating cities under a federal grant."

solemn grave side appeal for unity, on behalf of those who had died under their country's colors, delivered by the Reverend Father Leslie Harding.

'MUFFY'S' OWNER—Mrs. Patrick Montagano holds one of the many slide pictures of her missing pet as she appeals for information about the nine-year-old terrier which needs medication for epilepsy.

Needs Medication

Couple Appeals For Lost Dog

What has happened to "Muffy"?

A pet missing more than two weeks may seem like a severe case of spring fever, but when it's a nine-year-old wire haired terrier that has been on daily medication for epilepsy the concern of its owners is magnified.

Since the white, tan and grey terrier left its Taft Colony neighborhood in Northville township May 18, owners Pat and Diane Montagano have searched the entire Northville area as well as South Lyon and Novi.

Advertising locally and in the metropolitan Detroit papers as well as in Ann Arbor has failed to produce the pet, which was wearing a well-tagged red collar.

Even a reward of \$200 posted by the owners and Mrs. Montagano's sister, who flew in from Chicago, has failed to bring results. School children at Amerman elementary and in Novi were given flyers advertising for the pet.

Mr. and Mrs. Montagano, who are childless, have had the terrier since it was a puppy. It has been treated for epilepsy since puppyhood, and last year also suffered severely from asthma.

Diana Montagano commented Saturday that this was the time of year "Muffy" suffered her

asthmatic attacks last year. Mrs. Montagano is an elementary teacher in the Plymouth school system and her husband is a coach at Livonia-Churchill.

Their pet customarily was let outdoors in the afternoon after school. Probably because it was spring, "Muffy" dashed off into unfamiliar territory Tuesday afternoon, May 18, and was seen in confusion on Eight Mile Road near Taft.

"Muffy" later was reported seen in the vicinity of Amerman school and Maplewood Avenue. In spite of the generous reward, reports now have dwindled.

Just in case, however, that "Muffy" has lost her collar and been taken in by someone in the area, or in the event anyone knows what has happened to the little terrier, her owner is appealing for information. She may be reached at 349-0827.

Legion Sons Wash Cars

A car wash, sponsored by the Sons of American Legion, Post 147, will be held Sunday from 9 a.m. to 1 p.m. in The Northville Record plant parking lot on Northville Road, just south of Seven Mile Road.

In Our Town

Continued from Page 2
 of the national council of the Woman's National Farm and Garden Association, who attended a council meeting there.

Mr. and Mrs. J. F. Keese and their daughter, Debbie, have returned to their home at 47270 West Main after a vacation in Spain. Even though they encountered rain as they toured Segovia, Madrid and other Spanish attractions, Mrs. Keese reports they "loved the country" and are going to go back.

From Bedford, England, comes news of a former Northville family, the Robert Cartwrights, who have bought an 18th century house nine miles from Cambridge where Mr. Cartwright is in business.

BASE LINE Chapter of Questers was entertained May 24 for its final meeting of the year at the home of Mrs. Robert Bretz on Nine Mile Road. Members arrived bearing antiques to donate to the "silent auction," annual fund-raising event which yielded \$44 for the group.

Mrs. Edwin Langtry has been elected president, succeeding Mrs. Bretz. Other new officers are Mrs. Fred Wagoner, first vice-president; Mrs. George Spencer, second vice-president; Mrs. C. O. Brosius, corresponding secretary; Mrs. E. V. Ellison, recording secretary; and Mrs. George Miller, treasurer.

DR. MALCOLM KATZ

DR. RAY KEHOE

Panel to Discuss 'Extended Year'

A panel of experts in the education field will discuss pros and cons of "The Extended School Year Concept" at 8 p.m. today in the Northville City Council chambers in the city hall under sponsorship of the Northville-Plymouth League of Women Voters.

Taking the "pro" side will be Dr. Robert Steinberg, State Department of Education, Bureau of Educational Services. The "con" side will be represented

by Dr. Ray Kehoe, University of Michigan Bureau of School Services. Moderator will be Dr. Malcolm Katz, superintendent of the East Lansing Public Schools.

Raymond Spear, Northville superintendent of schools, will bring the audience up-to-date on the study conducted by the Northville school system on Year-Round School. The LWV is sponsoring the meeting to which the community is invited as a public service.

Social Security Payments Rise

Social Security checks delivered this week to approximately 100,000 persons in Northwest Detroit, Livonia, Plymouth, and Northville will be higher than the monthly amounts they have been receiving.

Sam Test, Social Security manager at the Detroit Northwest office, said the checks covering benefit payments for the month of May will include the general 10 percent increase in benefits signed into law by President Nixon on March 17.

The payments are retroactive to January 1. Separate checks, scheduled to reach social security beneficiaries on June 22, will cover the amount of the increases for the retroactive months of January through April.

Test said that the increase raises the monthly benefit rate of social security payments in the Northwest Detroit area by nearly \$1,000,000—to a total of about \$10,000,000. Nationally, the new monthly benefit rate

totals \$2.9 billion, paid to 26.2 million beneficiaries.

The average monthly benefit for a retired worker goes up from \$114 to about \$126, for a retired couple, \$199 to about \$219. A widowed mother with two children will receive an average social security benefit of about \$324, up from \$295. For a disabled worker with a wife and one or more children, the new average monthly payment will be about \$296, increased from \$269. The special monthly payments that are made to certain individuals age 72 and over who are not insured for regular social security cash benefits will be increased by 5 percent, from \$46 to \$48.30 for an individual and from \$69 to \$72.50 for a couple.

Total retirement, survivors, and disability insurance benefits paid to social security beneficiaries in the Detroit Northwest area are expected to amount to about \$20 million in 1971, Test said.

Walter Koepke

Mustangs Get New Basketball Mentor

Walter Koepke, voted Coach of the Year in 1967 by Macomb County basketball mentors, will take the helm for Northville's varsity cagers next winter.

WALTER KOEPKE

Wayne where he earned a bachelor of science degree in both English and physical education and a masters degree in education.

Graduating from Wayne in 1959 he took with him three letters in basketball and two in baseball.

A veteran of nine years teaching experience, Koepke was attendance coordinator at Mt. Clemens.

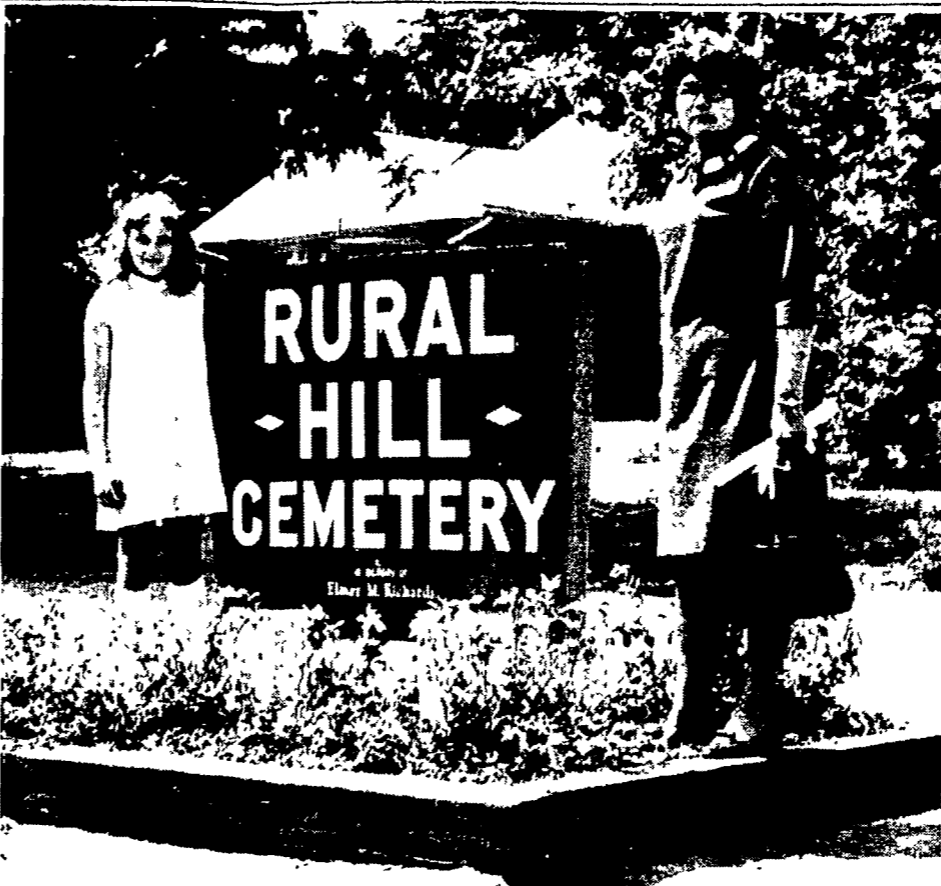

"I appreciate the opportunity that the Northville school administration has given me," Koepke said. "I hope I can find some young men who are willing to dedicate themselves to building a successful basketball program. This can only be done by practicing hard and practicing often."

With his new assignment Koepke, and the Mustangs, move into a new league—the Western six.

Walled Lake Western, Farmington Harrison, Waterford Mott, Plymouth Canton and Livonia Churchill will join the Mustangs as rivals with the opening of football season in September.

won one regional. As a coach, Koepke was never defeated in MHSAA district play, taking 18 straight victories.

Koepke's background includes service as assistant coach at Lakeview High School in St. Clair Shores, Grosse Pointe High School and at Wayne State University. He did both graduate and undergraduate work at

MEMORIAL MARKER—Mrs. Elmer M. Richards and her daughter Annette, 10, of 40045 Six Mile Road, inspect the memorial marker at the entrance to Rural Hill Cemetery given by Mrs. Richards in memory of her husband, who died in 1970. Not pictured are her sons, Ronnie, 14, and Clyde, 21. Mrs. Richards, who had the marker installed last Friday just before Memorial Day services, said she was inspired to make the gift because of her love of the community.

Out of THE PAST

TEN YEARS AGO ...

City and township officials in Northville are bracing for a big vote Monday. Candidates for justice of the peace include incumbent E. M. Bogart and Charles McDonald. Six candidates running for two seats including incumbent Ed Welch, Richard Ambler, William Bingley, Beatrice Carlson, Paul Folino and J. Bine Leavenworth. Mrs. C. E. Woodruff is challenging township supervisor George Clark and Edward Cassel is opposing incumbent Alex Lawrence for trustee. George Bennett is running against incumbent board of review member J. R. Gibson and member constable Chester Lipa is being challenged by Rockwood Gravelle.

four more than can presently be levied, by a 3-1 margin.

Councilmen Allen and Canterbury were appointed by Mayor Ely to investigate current taxi service in Northville to study the possibility of the city supporting two taxi companies.

Top spellers in Novi School's annual spelling bee are Sharon White, fifth grade; Larry Snow, sixth grade; Noel F'Geppert, seventh grade; and Sherry Davis, eighth grade.

Appointed to serve on Northville's Michigan Week committee are John F. Stubenvoll, Cy Frid, Harold Wagenschutz, Don Hamilton, Mrs. John Stenson and George Clark.

TWENTY-FIVE YEARS AGO ...

While a Northville police officer was preventing an intoxicated man from driving his car early Sunday morning, two other drunks stole the police car and made their escape into the country. The police car was found at 4 a.m. about a mile south of the city on Sheldon road.

The machinery for the building of the new cement road on west from Northrop's corners, has been brought out and work begun on the new highway on the U. S. Fish Hatchery road.

Northville's new jail, at the south end of the fire hall, has been completed.

The new pipe organ, a gift of Mr. and Mrs. W. B. Walker, Jr., was dedicated Sunday by Northville Methodists.

Remodeling of the Northville Drug Store is now about done and the rearrangement of the fountain and fixtures really makes a world of difference in the spaciousness of the store.

State officials announced purchase of 290 acres one mile east of Northville on Seven Mile Road for a mental hospital.

The Northville Foundry and Manufacturing Company has purchased the Stephenson Foundry in Northville and is now operating the plant.

An over-heated furnace is believed to have been the cause of a fire in the home of Leo Lawrence on the Fisher road Monday.

FIFTY YEARS AGO ...

The Northville flouring mill, which has been operated by members of the Yerkes family for 20 years or more, was closed for business Saturday and workmen have been busy this week removing the machinery which will be installed in a new and modern mill soon to be built by D. P. Yerkes, Sr. and D. P. Yerkes, Jr.

Northville school board trustees approved a tentative budget for the 1961-62 school year of \$899,000.

A rash of grass fires hit the area over the weekend as both Northville and Novi departments were called out six times from Saturday through Monday.

Northville city council and a small group of residents from the North Center Street area made history Monday night. Not only did they reach a decision on paying of the street, but they established a new policy for financing the improvement of streets within the city. While no official vote was taken it was evident that a council majority stands ready to approve a 20 percent assessment against abutting property for all future street improvements.

Only two contests are up for grabs in Monday's election in Novi. Running for one township trustee post are Emery Jacques, Jr., and Harvey Milford. Incumbent supervisor Frazer Staman is opposed by Herbert Koester.

Petitions asking for an amendment to the Wixom city charter limiting the city's assessing power to four mills instead of the present eight will be circulated among the voters "in a few days," according to the Wixom Civic Association.

Consolidation of the four Novi school districts moved a step closer to reality when William Medlyn, superintendent of Novi District Number 8 received written notification of the organization of a fourth class school district from the state superintendent of public instruction.

For the second time in less than two months, fire swept through a partially built house in Willowbrook subdivision and burned it to the ground. Cause of the fire is still under investigation.

The old general store on the corner of Grand River and Novi Road was torn down last weekend to make way for a used car lot.

Northville voters gave their support to the school board at a special election, approving a 10-mill tax levy,

County Sheriff can provide specialized services at the expense of (providing service to) the townships.

He said it was doubtful that any decision would be made by the commissioners on continuing road patrol service "until the Romulus contract is settled."

Pittman noted that his department would be willing to discuss cost factors of police protection with the township "at a later time."

Pittman said he had no basic quarrel with Stromberg's reasoning, noting that the same thing could be said if the sheriff's department moved out to the township.

Trustee Richard Mitchell asked that should the county limit the sheriff's department budget, would the sheriff limit the road patrol service?

Heideman said there is more common law history saying there should be a road patrol. I believe it is legally questionable if the Wayne

sheriff's department is already providing an "umbrella" service and I feel we are quite competent."

Stromberg said the reasons "why we wanted the state police here were because of the lab facilities, the cars in the area and to be near our dispatcher.

"The more cars in the area, the more secure we would feel around here," the supervisor explained. "The area would not be policed any differently than it is now."

Talks Move Slowly

Continued from Page One

contract and the school calendar

Jones stated he feels the "NEA was pressed into putting a negotiation package on the table but there have been no counter proposals from the district.

"I would like to see us get down and settle things and make some progress," he said "We (the NEA) are ready and willing to go as fast as they are but we can't settle

the contract until they (the district) present their part of the contract."

The next negotiating session is set for June 10.

In contract negotiations with the International Union of Operating Engineers Local 547, the first meeting has tentatively been scheduled for June 15.

The union represents bus drivers, custodians and maintenance personnel.

Swim Program Set

Schoolcraft Community Bulldog Aquatic Club summer competitive swimming and

diving program will start June 21 and run through August 13, 1971

practice from 12 to 1 p.m.

Building Pace Up

Continued from Page One

in the city) is running higher than last year when 24 homes were sold. "We're really starting to move here now."

It's the same story at Thompson Brown's township development (Northville Commons) on the south side of Six Mile Road, east of Bradner Road. "We sold 40 homes there last year and expect to sell more than that this year."

Both developments—the one in the city and the one in the township—are exceeding construction quotas, says Thompson Brown.

No appreciable increase has occurred in the city, reports City Manager Frank Ollendorff.

Youngsters from ages 6 through high school with previous experience in competitive swimming and diving will practice during the hours of 8 to 11 a.m., both indoors at Schoolcraft College and outdoors at Livonia Parks and Recreation pool.

Youngsters with Red Cross experience in swimming and diving, but who have limited competitive swimming, will

The program will be under the coaching direction of Keith Wright, Bulldog Club coach, Jim Millen, Schoolcraft swim coach, Mrs. Erma Raines, Bulldog Club coach, and Craig Auten, Schoolcraft's junior college all-American diver.

Persons interested in joining or wishing further information about the program should call Mrs. Raines at 422-9312.

In the Mail Monday

Computer Prints Schedules

Northville's year-round school study is nearing completion as mock vacation-attendance schedules will be mailed to parents Monday.

The mock schedules, determined by the recent preference poll conducted in the district, will show students' schedules for four years.

Superintendent Raymond Spear said the mock scheduling will complete the district's three and one-half year study and analysis of the extended school year concept.

The last two years of the study have been financed through grants from the state legislature, of which Northville was one of six communities to receive grants to study the concept.

Along with the mock schedules which all families of students who will be enrolled in the district between 1973 and 1977 will receive will be five questions.

Parents will be asked to check one or more of the following responses which apply to the mock schedule: the schedule is acceptable, unacceptable, favor year-round school implementation, favor the concept but opposed to mock schedule or opposed to the concept.

Responses must be returned by June 14, Spear explained, or the schedule will be recorded as "acceptable" for the family.

The superintendent said that it is important to concluding the study to have the mock scheduling responses returned.

"Without receiving the responses to the schedules, we could not report complete the findings as requested by the state," he noted, "therefore we had to make some provision for cards not returned."

Computer scheduling of students was done at facilities in Chicago, New York, Washington D.C. and Minneapolis Spear explained.

the key punching done in Detroit "with the information fed via telephone to available computers throughout the

United States"

In a letter which will accompany the mock schedules, Spear notes the

"year-round school study was undertaken solely and specifically to determine whether the concept offered

any assistance in meeting the future needs of our community and district either educationally, in facility usage, staff utilization or economically

"A review of the facts suggests that the concept does offer assistance in meeting the needs of our expanding community," he writes, "however, it also suggests that some of the problems to be resolved may be too large to overcome at this time."

The letter emphasizes the schedule is only "make believe and is in no way binding nor intended for implementation. This mock schedule will serve solely and specifically to measure level of acceptability of a four-quarter year-round school plan in Northville

"Should the community ultimately indicate its desire to implement an extended school year program, it will be necessary to identify an 'exact' school calendar and then register and schedule all children accordingly," the letter concludes

ATTEND LUNCHEON—Clarence Gleeson (left), New Hudson mason contractor, joins with Novi mason contractors James R. Snyder and Frank Soave to greet Thomas F. Murphy (3rd from left), Washington, D.C. president of the Bricklayers, Masons & Plasterers International Union of America (BM&PIU), during masonry industry luncheon meeting on May 21 at the Detroit Engineering Society. On hand was an assemblage of 40 mason contractors and bricklayer union representatives of the Metropolitan Detroit masonry industry to welcome officials of the Washington, D.C. based International Masonry Institute (IMI) along with prominent BM&PIU officers. High spot of the luncheon was the presentation of a \$10,000 check by the Masonry Institute of Michigan to the IMI to help support a nationwide masonry product and service promotion program.

Complaints Mounting

Police Seek Place For Mini-Bike Buffs

Mini-bike owners who are interested in finding a place to ride now have an opportunity to help establish an area where mini-bikes can legally be operated.

Northville City Police Corporal Phil Young this week said he is attempting to find an area where mini-bikes can be operated, "but I need the cooperation of the owners."

Corporal Young urged parents who have youngsters who ride mini-bikes to write to him, supporting the planned

project. "If there are enough people behind the project, I'm sure we can get permission to use an area," he said.

Letters should be addressed to Corporal Young and sent to the City Police Department, 215 West Main Street, Northville

He explained his interest in the project is "due to the mounting citizen complaints. We get an average of three complaints each day, ranging from noise and trespassing to kids who are riding the mini-bikes in the street."

Corporal Young noted that by law, mini-bikes can only be operated on private property with permission. They are not allowed on streets.

Operator's licenses can be obtained for mini-bikes if the diver completes a course in diver's education and makes application at a Secretary of State's office for a special license.

The special license permits mini-bikes under five horsepower to be operated with restrictions on streets if the bike has a license, headlights, tail lights and other special equipment. More information can be obtained from the Secretary of State's office in Farmington or Livonia.

Corporal Young said that "half the homes in Northville have a mini-bike. Up to now, no one has given permission for a place to operate mini-bikes and they are becoming a real problem."

He said the police department is impounding the bikes of violators. "The people know the law. They know mini-bikes can't be ridden on streets. Parents of juveniles are responsible if their son or daughter is issued a ticket while riding a mini-bike and can be brought before a judge," he said.

Corporal Young noted that just last week one youth was injured when he rode his mini-bike into the side of a car. "If parents are in support of the plan to find a place to legally operate the bikes, I will help establish an area," he added.

OBITUARIES

ORRIN K. SNYDER
Funeral services were held last Friday for Orrin K. Snyder, 49, of 19850 Beck Road, who died May 25 in Garden City Osteopathic Hospital after an illness of several months.

The Reverend Charles Boeger of St. Paul's Lutheran Church, Northville officiated at the service at Schrader Funeral Home in Plymouth. Interment was in Riverside Cemetery, Plymouth.

Mr. Snyder who moved to Northville 12 years ago from Plymouth, was an experimental mechanic with Ford Motor

Company. He was born January 18, 1922 in Detroit to Walter and Hazel (Johnson) Snyder, who survive.

He was married to Lily V. Weststrom Snyder, also surviving. Other survivors are a daughter, Marcia, of Northville, two brothers, Harvey of Howell and Ronald of Westland.

JAY ALLEN WESTOVER
Funeral services were held Sunday for Jay Allen Westover, 63, of 48225 West Seven Mile Road, who died May 26 at Martin Place Hospital in Madison Heights.

The Reverend Allen Manuefel of Ann Arbor Church of God officiated at the service at Casterline Funeral Home at 10 a.m. Interment was in Rural Hill Cemetery.

A blacksmith, Mr. Westover had been a resident of the community since 1940. He was working at the Hazel Park racetrack when he suffered a heart attack.

He was born March 16, 1908, in Youngstown, Pennsylvania, to Charles B. and Ada Pearl (Lung) Westover.

He leaves his wife, Grace, a son, Vernon F. of Wixom, a sister, Mrs. Olive Goodale of Farmington and two grandchildren.

FRANK ESHBERSHULTZ
Frank Eshbershultz, 61, a Northville resident for more than 20 years before he moved to Walled Lake 16 years ago died May 26 at the Allen Park Veterans' Hospital.

He died after an illness of five years. Officiating at the service Saturday at Casterline Funeral Home was the Reverend Robert T. Shade, Shepherd of the Lakes Lutheran Church, Walled Lake. Interment was in Glen Eden Cemetery.

Mr. Eshbershultz was a retired employee of the Northville Ford Valve Plant. He was born September 22, 1909 in Cincinnati, Ohio, to Joseph and Tillie (Evanshultz) Eshbershultz.

He leaves six sisters and brothers Mrs. John Ling of Northville, Mrs. David Martens of Walled Lake, Mrs. Luther Robinson of Livonia, Joseph of St. Clair Shores, Frank of Toledo and Peter of Brighton.

Novi Highlights

SCHOOL HOUSE GREENERY—Thanks to a contribution from the Metropolitan Detroit Landscaping Association, Novi Elementary fourth graders were able to decorate their school grounds last week with two mountain ash trees and a flowering crab. Fourth grade teachers Mrs. Marlene Aitken, Mrs. Sharon Marsh and Mrs. Patricia Newbold were on hand as horticultural supervisors as the three trees, two by donation and one by purchase by the children, were added to the schools landscape.

Wixom Newsbeat It's Fun But Tiring

By NANCY DINGELDEY
Camps and trailers were already on the road last Thursday with an early start for the first "warm weather" long holiday Roads were crowded with cars heading in all directions on the compass — and all occupants uttering little prayers to themselves that the weather warm up and be decent. I know, I was one of them!

It's hard enough to pack for a trip — no matter how short it is — but isn't it ridiculous when you have to play "games" with the weatherman too? For example, we took a long weekend trip to Chicago for a family reunion with the Dingeldey clan. My mother is there, too, so we "hit" all the relatives in one weekend. But, what to pack? Sweatshirts and long pants in case it's cold, sleeveless light things in case it's hot. And then, as in the case with the kids, an extra of everything — just in case. By the time the car was packed you'd think we were going for a month. The thought struck me — what if we were "going for a month" — oh horrors!

Even though the traffic was rather "thick", we had a great time — tiring, but fun. Cedar Point seemed to be a great favorite for several families around town. Others stayed home, watched the Memorial Day parade in Walled Lake, worked in their yards and enjoyed the three day weekend.

I failed to mention last week that the Michigan Week Committee presented Wixom Elementary School with a State flag Mayor Pro-tem, Mary Patu presented the flag to the school in ceremonies on May 21. The State flag has an interesting background and is beautifully designed. It was a great idea, Michigan Week Committee!

Last Tuesday the morning and afternoon children of Mrs. Moore's Kindergarten class had their annual field trip to the zoo. Many mothers helped escort the little ones around to all the exhibits. Unhappily, the day was not the greatest — overcast, damp and downright cold but the kids were so excited, they probably didn't notice. It's always a delight to visit the zoo this time of year because the children have the opportunity to see so many

very young animals. In fact, if we had been a few minutes faster, we could have witnessed the birth of a baby buffalo. Lots of ducklings, fawns, monkeys and a dailing polar bear cub delighted the children. And, as usual, the animals "hammed it up" for their attentive audiences.

It doesn't seem possible that school is almost out for the summer. Could be that the weather doesn't seem to coincide with vacation time. For you mothers who would enjoy that one last day out before the end of school, "Mother's Last Fling" — luncheon and card party is being held today at the VFW. There will be door prizes, card playing is optional, for those with pre-schoolers, baby sitting is available. It all starts at 12:30 and the donation is \$1.50. Try to make it.

Marsha Spencer, daughter of the George Spencer's of Pontiac Trail, will be spending an exciting summer under the sponsorship of the Youth for Understanding program. Marsha will spend two months living and learning with a family in the Philippines. Since Marsha will only be a Junior at Western next fall, it is a double honor. Usually, students are chosen to represent the program during the summer before their senior year.

Marsha will, no doubt, have some great experiences with her "new" family. I hope she will be in contact so I can pass them on to you. Sure wish I were back in high school — what a tremendous opportunity have a great time, Marsha!

Hopefully, we'll be hearing from several teenagers from the Wixom area as they spend the summer traveling. A group from the French Club will be in France studying. We could really get a cross section of ideas throughout the world — suddenly, an international column! Surely, the tales they tell would be interesting reading.

The week coming up is one for the Seniors at Western as they prepare to bring their high school days to a close. Between graduation rehearsals, exams and the Senior Prom on June 4, commencement on June 9 followed by the all night party, there will probably be many harried, worn out families in our town. To all our graduating seniors — our congratulations and much success in your future endeavors.

Coming up on June 11 and 12, the Inter-Lake Masquers production of "The Desk Set" at Western Auditorium. Keep the date in mind.

By Mrs. H. D. Henderson

Mr. and Mrs. Harold Miller of Rose City, formerly of West Grand River, Novi, are visiting their children and grandchildren. Mr. and Mrs. Stanley Orzechowski and sons, and Mr. and Mrs. William Miller.

Mrs. Dorothy Farah is ill and a patient in Providence Hospital, Nine Mile Road in Detroit.

After two weeks in Botsford Hospital Andy Burgess has returned to his home on Glamorgan Street.

Mr and Mrs. Lloyd Coleman and the members of their family, Mr. and Mrs. Gerald Coleman and daughter, Amy, and Mr. and Mrs. Ronald Slobor of Detroit planned a picnic on the property of Mr. and Mrs. Slobor at Armada on Memorial Day.

Mr. and Mrs. George Duden of Ripple Creek Road entertained their "Mr. and Mrs. Pinochle Club" of Royal Oak, Detroit and Berkley at a cook-out this past Sunday there were 18 present for the party.

On Sunday, May 30 Mr. and Mrs. Earl Hicks were hosts at a birthday dinner for their grand-daughter Laurie Hicks who was six years old. The 12 relatives present included Laurie's great grandparents, Mr and Mrs. Frank Petri of Detroit and Mr. and Mrs. Carl Wovacki and great uncles, Robert & Carl.

The Leo Gregorics of Pontiac Trail had a picnic for their relatives and friends on Memorial Day. They were Mr. and Mrs. Russell Taylor, Bob and Mary Taylor, and Mr. and Mrs. Andy Kozak of Northville.

Mr. and Mrs. Louis Tank had a birthday party for their grandson, Dennis Gok, to help him celebrate his 20th birthday on Sunday at the Tank home at Nine Mile and Beck roads.

Mr. and Mrs. John French spent a few days last week in Illinois visiting the latter's relatives. Those visited were Mr. Alva Walters, Mr and Mrs. Leo Schwartz, Mr. Lawrence Walters, all of Ashmore, Illinois; Mr. and Mrs. Burton Warner, Mr. and Mrs. Eugene Dallas and family all of Arcola, Illinois; Mrs. Sylvia Green of Tuscola, Illinois; Mr. and Mrs. Thomas Parker and family of Normal, Illinois and Mr. and Mrs. Willard Lindsey of Montezuma, Indiana. On the way home they visited Mrs. Fannie Stevens, Mr and Mrs. Ed Hatley and Mr. and Mrs. Paul Breedlove at Albion.

On Tuesday of last week Natalie Green celebrated her birthday at a party given for her by Mr. and Mrs. Dave Matthews.

Mr. and Mrs. Bernard Marchetti and family and Mr. and Mrs. Martin Willacker and family spent the Memorial weekend at the Willacker cottage at Interlocken.

Mrs. Cameron Cogsdill celebrated her birthday on Sunday at a party with several of her relatives at the Cogsdill home on Bernstein street.

UNITED METHODIST CHURCH

Greeters at the morning worship service this past Sunday were Mr. and Mrs. Harold Howison, and the acolyte was Brad McQuiston.

At church services on Sunday, June 6 the following church members will be honored: Barbara Auten, Evie Adama, Cathy Alexander, Tom Boyer, David Bumann, Kathleen Bell, Debbie Dale, Gary Gillett, Tim Lyles, Tom Mitchell, Dorothy Massengill, Marilyn Troesch, Richard Shank, Randy Shore, DeLynn Tobias, Tom Van Wagoner and Patricia Wilkins. A reception for the young people will follow the service.

FIRST BAPTIST CHURCH

The Faith Chorus provided special music in the morning worship service by singing "Blessed Redeemer". Sunday was the last day of the Sunday School "Baseball Contest." On June 6 prizes will be awarded to those having the most "home runs". There will be a program featuring the Smully Children Trio consisting of Laurie Age 16, Bill 13, and Sharon age 10. They will sing a trio then perform separately. Laurie will have her ventriloquist friend Corky and will play the organ. Bill will play the trumpet and do some magic Sharon will present what she calls two musical packages. Later on the losers of the contest will hold a Weiner roast for the winning team.

May 21, Mrs. Bernice Stewart, church organist and soloist, went to Normal, Illinois to sing at the Mother-Daughter Tea which was held at the church where Paul Baines is now Pastor.

On Friday a formal banquet was held to honor the graduating seniors of the church. They dined at the Emerald Room of the Metropolitan Airport Hotel. The theme was "Finished Yet Beginning" Roy Frink was the master of ceremonies and the speaker was George Mackey of the Wixom Baptist Church. The seniors honored were exchange students Mara Mattos of Brazil and Lianne Meyers of the Netherlands. Seniors honored from the church were: Jay Hansor, Mike Kahlor, Danny Munro, and Les Thomas.

REBEKAH LODGE

The Independent Rebekah Club will have their monthly meeting at the Rebekah Hall, June 7.

Shirley Carter and Ann Vuic had charge of the committee that served lunch after regular lodge meeting on Thursday.

The Odd Fellows and Rebekahs are sending, Dennis

and Donald Burnham to the Rebekah and I.O.O.F. Camp at Big Star Lake near Baldwin this summer.

Several Rebekah's attended visitation at Hamburg, Wednesday, June 20.

The Rebekahs served dinner to approximately 14 members of the Bush family after funeral services, at the hall this past Wednesday. The I.O.O.F. and Rebekahs placed flags on the graves of deceased members before Memorial Day.

BLUE STAR MOTHERS
Novi Chapter 47, Blue Star Mothers will have their June meeting today (Thursday) at the home of Helen Burnstrum on Grace Street in Northville. Bring own table service and sandwich. The hostesses will serve dessert, and tea and coffee.

NOVIST. CITIZENS CLUB
Novi Senior Citizens held their monthly business meeting at the hall on Tuesday evening. There were 20 present, including Mrs. Liddle, Oakland County Senior Citizens aide, who showed a very interesting film on Old Detroit and gave suggestions on things to do in the club.

Three new members joined the Senior Citizens Club at this last meeting. They are

Mr. and Mrs. Robert Devine and Mrs. Marie Tripp.

CUB SCOUT PACK 54
The theme for May was "Mother Nature". All the cubs participated in telling about their projects at the pack meeting which included animal and plant life.

The dens took nature hikes through the woods. Den 1 enjoyed a visit to the Detroit Zoo.

The following awards were given:
Den 1—Fred Madley, wolf badge; Glen Tomaszewski one gold, one silver arrow; Fred Smith, one gold and one silver arrow.
Den 5—Arthur Neil, silver arrow

Den 10—Donald Rose, silver arrow; Paul Wysocki, silver arrow; Rodney Derrick, silver arrow; Jeff Smith, silver arrow; Kenny Van Sickle, three silver arrows; Webloes—Danny Main, Citizens and engineer badge; Keith Swan, engineer badge; Donald Burnham engineer badge.

Two boys went into Webelos. They were Glen Thomeski and Arthur Neil. Webelo Greg Bingham went into Boy Scouts.
Sunday, June 6 a picnic is planned at Kensington Park. The pinewood derby will take place with awards for first, second, and third place winners. There also will be fun and games. All parents and scouts are asked to be present about 1 p.m. There will be notices of the location. Anyone not knowing can ask at the information booth in Kensington Park.

A committee meeting was held Tuesday at the Tom Rose home.

HOLY CROSS EPISCOPAL
Sunday, May 20, Holy Eucharist was celebrated at the 11:15 a.m. service.

Announcements:
Camp Chick-A-Gami for boys and camp Holiday for girls soon will be opened. Contact the vicar for information.

Men who wish to join the golf tournament, please sign up in the Narthex of the Church.
The E.C.W. executive meeting at the home of president, Mrs. Leslie Harding, on Wednesday at 8 p.m.

NEW MAN — Gerald Pastula, 36, of Milford joined Wixom's police patrol on official duty Friday. He is formerly of Detroit's 16th Precinct where he served for 12 years as a patrolman. His addition brings the Wixom force to eight men — six patrolmen, a sergeant, and the chief.

president, Mrs. Betty Greenlee, as planned.

On Friday, June 11 the Episcopal Diocese of Michigan will celebrate the 25th anniversary of the consecration of Richard S. Emrich at the Cathedral Church of St. Paul, 4800 Woodward Avenue, at 6 p.m. Anyone wishing to attend is asked to contact the vicar.

Church School will close for the summer Sunday, June 13 with a special service: Those who wish flowers on the altar are asked to contact Mrs. Tank at 349-0878.

'Tom Sawyer' Slated Friday

It's back to Mark Twain and the Mississippi River Friday night as Novi Elementary sixth graders present the operetta "Tom Sawyer," at 7:30 in the Novi Community Building.

In charge of the production, which will be offered free to the public, is Novi Elementary vocal music teacher Miss Cynthia Pryer, and sixth grade teacher Miss Paula Finnell.

Randy Stowell will play the lead as the barefoot youth, with David Smith as his sidekick, Huck Finn, Janice Patey as Aunt Polly, and Terry Bogues as Becky Thatcher.

(Or—How to Put a Thief Out of Business)

... Straight from Your
INDEPENDENT INSURANCE AGENT
... the PRO who displays
the Big "I" symbol

- Q.** WHAT'S THE STORY ON "OPERATION IDENTIFICATION"?
- A.** It's a program to discourage theft by identification of valuables and notifying potential thieves of this action.
- Q.** HOW DOES "OPERATION ID" WORK?
- A.** By inscribing your Michigan driver's license number, with a special electric pencil, on portable items of value.
- Q.** WHY DOES THIS DISCOURAGE THEFT?
- A.** A window sticker for your home serves notice that valuables are identified; and — if stolen — would be direct evidence to convict a thief if found in his possession.
- Q.** WHERE DO I GET THE WRITING TOOL AND WINDOW STICKER?
- A.** An electric pencil and the "Operation ID" window sticker are available — without cost or obligation — at our office.

Are You Interested in Putting a Thief Out of Business?

Then join "OPERATION IDENTIFICATION" with a visit to our office. We'll loan you the special electric pencil and give you a window sticker. There's no cost or obligation. Stop in. Join up. "OPERATION IDENTIFICATION" needs you.

Police Blotter

Thefts, Break-Ins Plague Area Communities

In Northville . . .

An 18-year-old Northville youth told police he was attacked and beaten about 10:30 last Wednesday evening outside Cloverdale Dairy on North Center Street.

Michael Prince of Dorisa Court reported four youths in a 1963 green Chevrolet knocked him to the ground and beat him. Prince said one of the youths had approached him inside Cloverdale's and asked to speak to him outside.

He was taken to St. Mary hospital and treated for facial lacerations. The case is still under investigation by city police.

Twenty-five rows of bricks were cracked and several bricks were knocked out at Marathon Service Station, 480 Seven Mile Road, after a car drove into the corner of the building near the garage entrance.

The accident occurred Thursday evening as the station attendant said he was attempting to direct the car into the garage.

The woman driver of the car was not injured and the car suffered minor damage, reports said.

An 11-year-old student at Main Street Elementary reported her bicycle was stolen from the school Thursday. The bike is a 24-inch blue and white girls' model with white handle grips and two metal baskets.

Fifty dollars in cash was stolen from Lonnie's Clark Station, 510 South Main Street, Monday.

According to police reports, the theft occurred between 10 a.m. and 2 p.m. The case is under investigation by Northville city police.

Officers recovered a stolen car in the parking lot of Northville Downs this week.

The car was found to have been stolen from Boone County, Kentucky, in September.

FIRE CALLS
May 31 - 9:26 a.m., 615 East Baseline, gas explosion

COURT NEWS
Two men were each fined \$129 after they pled guilty to reduced charges of driving while ability impaired. They are Wayne H. Stabenau of 19911 Woodhill and Kenneth J. Robinson of 25708 Jackson in Novi.

The action came May 25 before 35th District Court Judge Dunbar Davis.

Both men were arrested in early May by city police officers.

David J. Christlaw of Livonia was fined \$39 after he pled guilty to a charge of defective equipment - exhaust. He was arrested on a warrant by city police May 13.

Arrested May 15 by city police and charged with minor in possession of alcoholic beverages, John A. Marino of Livonia was placed on two days voluntary work detail and ordered to pay

In Township . . .

supervisory costs of \$24.

Julie A. Gwillim of Bloomfield Hills was fined \$19 after she pled guilty to a reduced charge of failing to stop for a stop sign. Miss Gwillim was arrested April 30 by township police.

In 35th District Court on May 22, a Walled Lake man, Samuel H. Phillips, was given an additional 18 months' probation after he was arrested by city police on a warrant for violation of probation.

Phillips was originally placed on probation in September, 1969, for fleeing traffic arrest.

In Township . . .

Four 17-year-old Livonia youths will be arraigned on charges of larceny in 35th District Court on June 8, stemming from the theft of two tires on May 26.

According to township police reports, the youths allegedly removed the tires from a Corvette at 15508 Northville Forest Drive.

Police said the vehicle also sustained excessive cracks to the body.

More than \$400 damage was done to the windshields of four trucks parked in the yard of LaFave Trucking in the township.

According to reports, the damage was done by small stones or a pellet gun on May 26.

Two propane tanks valued at \$165 were stolen from a construction site in the township. The theft was reported May 24.

A 20-inch girl's blue bicycle was stolen from the back patio at 18637 Jamestown Circle. The theft occurred about midnight May 23.

Township police recovered a 1970 Corvette on Haggerty Road just north of Five Mile shortly before midnight May 26.

The car had been reported stolen earlier from Southfield.

In Novi . . .

The Allan Baley residence, 50575 12 Mile, was broken into last week Wednesday.

sometime between 12:30 p.m. and 9:25 p.m., police report, and guns, ammunition, coins, personal papers and an AM-FM radio were stolen.

Thieves made off with seven rifles and shotguns, a 50-pound bow, an undetermined amount of ammunition, a coin collection dating back to 1890, two charge payment books and the radio.

Entry was made, according to police, through a side door opening on the garage.

Baley and his family had gone for the day, leaving the garage door standing open, police said.

"When burglars see a garage door open," cautioned Novi Detective Robert Starnes, "and no cars in it or in the driveway, it's like a broadcast invitation to rob the house."

A garage, some 25-yards behind the house of Lewis Triplett, 129 Pickford, was broken into recently and \$24 worth of oil was stolen.

Thieves broke a chain, which secured the garage door, while the Triplett family was away on a weekend vacation.

Recent traffic accidents resulted in minor injuries for four Livonia youths, in one instance, and a Plymouth man and two Highland men in a second.

Dennis Lawrence Novak, of Livonia lost control of his car on gravel on the corner of Novi Road and Lake Shore Drive, skidding into a concrete pillar and injuring himself and passengers William Lee Duke, David Paul LeBlanc and James Ray Nichols, all of Livonia.

No violations were issued.

Veron Anterus Raos, 38, of Plymouth was ticketed for failure to have his car under control recently when, after stopping for a flashing guard at the C & O railroad track on Novi Road, he stepped on the accelerator and drove into the rear of the car driven by Richard B. Reid, that was stopped.

Reid and his passenger, Edwin Dayton Buford, both of Highland, were taken to St.

Mary Hospital for treatment of minor cuts and bruises.

Marvin Lee Williams, 19, of Farmington, confessed Friday to the theft of 43 bricks from a construction site in Kaufman and Broad's Village Oaks subdivision, police said.

Police questioned Williams about the theft, occurring approximately 10:45 p.m. last week Wednesday, because of a license number and tire tracks obtained at the scene which reportedly identified a truck Williams had been using.

Williams was scheduled for arraignment last week.

According to Novi Detective Robert Starnes, narcotics violations in the city of Novi are "as numerous to date, and this is only early June, as during all of last year."

Starnes commented upon a report of the activities of the Novi Narcotics Bureau released by Novi Police last week.

"As of May 25, 1971," Starnes said, "we've recorded 45 narcotics complaints. There were 48 recorded during all of 1970."

Weekend break-ins cost two local residents an unknown value in antique and modern rifles and shotguns.

Casper Reinwand of 24750 Taft lost an undetermined amount of merchandise Saturday as thieves broke into his home through a rear window approximately 2:45 a.m. Authorities believe a television set and gun collection to have been stolen.

Leonard Schlehuber's residence at 27053 Wixom Road was entered between 7 a.m. on Friday and 4 a.m. on Saturday, according to police, and six rifles and shotguns taken. Also stolen was an electric adding machine.

A 1968 Supreme Court decision, which could possibly rule illegal a search of Hugh Leon Dean upon his April 28 arrest by Novi police for possession of marijuana, has been introduced by defense attorney D. Lawrence Kevelighan at Dean's preliminary examination before 52nd District Court Judge Martin Boyle.

The ruling, Terry vs the State of Ohio, according to Kevelighan, supports his contention that the arresting officer, Corporal Dale Gross, did not "go far enough in determining the nature of an object felt in Dean's pocket, before he entered that pocket."

"An officer of the law," Kevelighan said, "has the right to make a protective

search if he believes his life is in danger. But this search is limited to patting down the suspects outer garments.

It's our contention that the officer involved conducted an undue search, if indeed he made a search at all, in that he did not go to sufficient lengths to determine the true nature of an object he felt in the suspect's pocket."

At that time, Gross, in answering a suspicious

person call found Dean at the rear of the complainants property.

He conducted an on-site search of the suspect and feeling "a hard object," in Dean's pocket withdrew what proved to be a package of marijuana.

"If Gross could have determined that the object was not a gun or a dangerous weapon," Kevelighan said, "without going into Dean's

pocket, he had no right to do so."

Novi Detective Robert Starnes disagreed.

"When it gets to the point," Starnes said, "that our men have to determine the difference between what could be a gun a lethal weapon, and a package of marijuana, by standing there and feeling a suspects pocket—it's unduly dangerous"

Food's Great, Too 1970 NHS Grad Plugs Army Training

A 1970 graduate of Northville High School has become the first volunteer recruiter in this area under a new U. S. Army program instituted nationwide earlier this year.

He is PFC Ralph Carver, son of Mrs. Lewis Carver of 616 Oakland. Under the program which assigns qualified young soldiers to serve from two weeks to 30 days in a volunteer recruiting situation after receiving his basic and advanced army training, Carver has been assigned to the Livonia Recruiting Station. In this situation, explained Staff Sergeant Robert McAndrew, regular recruiter,

the Northville soldier will be speaking to organizations and area young men interested in hearing what army training is like today. "He will be dispelling some of the myths about basic and advanced training.

"It's just not like the old army so many of us have heard about," said Carver, explaining that inspections are almost non-existent, that the basic training trainee is "on his own" when the day ends about 5:30 p.m., that he is permitted to leave the post in the evening — without securing passes — and return the following morning, and KP (kitchen police) is a thing of the past. "Food's great, too," he said.

Carver took his eight weeks of basic training and eight weeks of advanced training at Ft. Knox, Kentucky, and at Ft. Dix, New Jersey after entering the army earlier this year.

He was picked for special voluntary recruiting upon completion of training and following an interview by his commanding officer. He was one of 12 soldiers out of the Fifth Brigade at Ft. Dix, that were selected.

"We think it's a great program," said McAndrew, "because who is better able to communicate with area young men than a resident of the community. Ralph knows Northville, and some of the young men know him. They can ask him what it's like and they'll get a straight answer."

Carver can be reached at the recruiting office in Livonia (261-7380) or at the Northville Post Office on Wednesday afternoon.

RECRUITERS — PFC Ralph Carver of Northville (left) discusses his assignment as a volunteer recruiter with the regular army recruiter for this area, Staff Sergeant Robert McAndrew.

On Appeals New Bylaws Set By Salem Board

In a public hearing before the Salem Township Board of Appeals Friday, a new set of by-laws was adopted and two requests — one for conditional use, the other for non-conforming use — were heard.

In a statement signed by the three board members — Floyd Taylor, Dean Hardesty and Russell Knight — the board officially adopted the following operating rules: "The Board... shall be governed by the statutes of the State of Michigan, Act 191 of the Public Acts of 1939, and the Salem Township Zoning Ordinance, and meetings conducted according to Robert's Rules of Parliamentary procedure. "Also the following by-laws

shall supplement our procedure:

"1. The regular meeting date shall be the fourth Friday of each month at 8 p.m. at the Salem Township Hall, providing application has been filed.

"2. Adjournment shall be not later than 10:30 p.m. except by unanimous decision of the Appeal Board.

"3. All applications received by the second Saturday of each month shall be heard on the fourth Friday of the same month. Any application received after the second Saturday of each month shall be heard on the fourth Friday of the following month.

"4. Applications shall be heard in the order received."

The two requests necessitating the hearing concerned a gravel mining request and a request to operate a small (gauge shop) industry in an agricultural district. Neither received a final decision at the meeting, but both decisions will be announced by the board when they are reached.

Whitaker and Gooding seek to remove sand and gravel from an 80-plus acre parcel on Curtis Road north of Washtenaw County Road Commission's Curtis and Five Mile gravel pit.

A couple who have purchased the former radar site on Dixboro north of North Territorial Road want to open a specialized shop on slightly more than one acre.

HOW TO ELIMINATE DOUBTS ABOUT YEAR-ROUND SCHOOL BEFORE 1972 Pd. Pol. Adv. CHINNI

ANNUAL SCHOOL ELECTION NOTICE OF ANNUAL ELECTION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN TO BE HELD JUNE 14, 1971 TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT: Please Take Notice that the Annual Election of the qualified electors of said School District will be held on Monday, June 14, 1971, in the Office of the Board of Education, 303 West Main Street, in the City of Northville. THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 8:00 O'CLOCK, P.M. At said Annual Election there will be elected two (2) members to the Board of Education of said District for full terms of four (4) years, ending in 1975, and one (1) member for an unexpired term of one (1) year, ending in 1972. THE FOLLOWING PERSONS HAVE BEEN NOMINATED TO FILL SUCH VACANCIES: FOUR YEAR TERMS: Angelo A. Chinni, Andrew G. Orphan, Sylvia O. Gucken, Richard Martin. ONE YEAR TERM: David D. LaFond, Duane R. LaMoreaux, Martin Rinehart. Only resident qualified school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election. The proposed Twenty-Sixth Constitutional Amendment to the United States Constitution reads in part as follows: "Section 1. The right of citizens of the United States, who are 18 years of age or older, to vote shall not be denied or abridged by the United States or by any state on account of age." Upon ratification of the proposed Constitutional Amendment by the 38th State, all residents of the school district who are registered with their respective city or township clerks and are 18 years of age or older shall be afforded the right to vote. This Notice is given by order of the Board of Education. S. Glenn E. Deibert Secretary, Board of Education

NOTICE OF ANNUAL ELECTION TO THE QUALIFIED ELECTORS OF NOVI COMMUNITY SCHOOL DISTRICT, OAKLAND COUNTY, MICHIGAN: NOTICE IS HEREBY GIVEN, that the annual election will be held in the Novi Community School District, Oakland County, Michigan, on: MONDAY, JUNE 14, 1971 and that the polls will be open from 7:00 o'clock A.M. to 8:00 o'clock P.M., Eastern Standard Time, and that the voting place will be at the Novi Community Building in the City of Novi. NOTICE IS FURTHER GIVEN, that at said election 2 members of the Board of Education will be elected for a term of four (4) years expiring June 30, 1975, for which position the following persons have been nominated: CLAUDE EARL, GILBERT D. HENDERSON, JOHN W. SUMMERLEE, WILLIAM G. ZIEGLER. NOTICE IS FURTHER GIVEN THAT at said election one (1) member for the Board of Education will be elected for a term of one (1) year expiring June 30, 1972, for which position the following persons have been nominated: JACOB L. DURLING, SHARON L. PELCHAT. NOTICE IS FURTHER GIVEN THAT the following proposition will be submitted at said election: INCREASE OPERATING MILLAGE Shall the limitation on the total amount of taxes which may be assessed each year against property in Novi Community School District, County of Oakland, State of Michigan, be increased as provided by the Constitution of the State of Michigan, for a period of (5) five years from 1971 to 1975 both inclusive, by 5.00 MILLS on each dollar of the assessed valuation as equalized (\$5.00 per \$1,000), for the purpose of defraying a part of the operating expenses of the school district? NOTICE IS FURTHER GIVEN, THAT THE FOLLOWING STATEMENT has been received from the Oakland County Treasurer as to previously voted increases in the constitutional tax rate limitation affecting taxable property in the school district: COUNTY TREASURER'S STATEMENT AS REQUIRED BY ACT 293 OF THE PUBLIC ACTS OF 1947 I, C. Hugh Dohany, County Treasurer of the County of Oakland, State of Michigan, do hereby certify that according to the records in my office, as of May 19, 1971, the total of all voted increases in the tax rate limitation above the 15 mills established by Section 6 of Article IX of the Michigan Constitution of 1963, affecting taxable property in the Novi Community School District in said county, is as follows: Local Unit Years Increase Effective Novi Community School Dist. 5.50 1968 to 1972 Incl. 1.50 1968 to 1972 Incl. 4.50 1971 to 1975 Incl. County School District of Oakland County .50 Unlimited .50 Unlimited .50 Unlimited Novi Township .50 1967 to 1974 Incl. Oakland Community College 1.00 Unlimited County of Oakland .25 1967 to 1971 Incl. .25 1972 to 1976 Incl. Dated: May 19, 1971 OAKLAND COUNTY TREASURER'S OFFICE C. HUGH DOHANY, TREASURER. NOTICE IS FURTHER GIVEN that the following ADVISORY QUESTION will be submitted at said election: PREAMBLE At present the entire local school tax for the Novi Community School District is billed and collected at the same time that the Oakland County Tax is billed and collected (due December 1st of each year; payable without penalty through February 14th of each year). In an effort to assist the School District in meeting its financial obligations without the added expense heretofore incurred in borrowing against Anticipated Taxes, it has been proposed that in the future only one-half (1/2) of such local school tax be billed and collected with, or at the same time as, the County Tax, and that the other one-half (1/2) of such local school tax be billed and collected with, or at the same time as, the Novi City Tax (due July 1st of each year; payable without penalty through August 31st of each year). An advisory opinion of the electorate is desired on this question. ADVISORY QUESTION Do you favor the billing and collecting of one-half (1/2) of the local school tax with the Novi City Tax and one-half (1/2) with the Oakland County Tax? THIS NOTICE IS GIVEN by order of the Board of Education of said school district Ray L. Warren Secretary, Novi Board of Education DATED: May 28, 1971

See Cuts If School Vote Fails

Preparing for the upcoming millage vote on June 14, officials of the Walled Lake School Board has issued a list of proposed cuts in the educational program should the ballot be defeated.

The same millage proposal was defeated on April 19 but at that time, it was presented as one proposition. Voters in the June 14 election will be able to vote on separate proposals — a 4-mill renewal and a 2-mill increase.

"Failure of either proposal will mean severe cut-backs in the education program that we have worked so hard to achieve," according to Assistant Superintendent Roland Langerman, "and the children are the ones who will suffer."

"The millage proposition is difficult to explain and even more difficult to understand," said Langerman, "particularly since we are speaking of lowering the debt levy and raising the operating levy."

Langerman added that most people seem to think they would increase their taxes by 6-mills if they voted in favor of the propositions. However, in essence, the mill increase to the taxpayer would amount to only one mill over what they now pay, or \$15 more per year on property assessed at \$15,000.

Basically, the School Board has decided the following cuts will take place should either proposition fail.

Class sizes in all levels would be increased.

Ninth grade athletic program would be eliminated as well as the senior high school swimming coaches.

A reduction in the adult and community education programs.

The elimination of playground supervisors for all periods other than lunch hours.

The reduction in purchasing of all library book and instructional supplies and the abolishment of library aides.

Elimination of outdoor education — the Proud Lake camping program.

Elimination of all concerts, musicals, plays and drama, debate and forensic programs at both the junior and senior high levels.

Custodial services curtailed as well as reducing expenditures for administrators, secretaries and bus drivers.

Reduction in physical education, art, vocal and instrumental music in the elementary grades. Total elimination of physical education in the sixth grades, art in the first, second and third grades and vocal music in the first and second grades.

The drug education program would be cut by 80 percent and all field trips by 50 percent.

Elimination of the girls' athletic program and skiing, golf, tennis, and cross country from the boys' athletic program in the senior high schools.

SPEAKING

for The Record

By BILL SLIGER

One of the oldest, and probably most sensitive, problems facing the council of the city of Northville is a matter of water service into the township.

It's not a question of expanding or providing new service to the neighboring area. The council's policy in this regard has been rigid for many years. Water is not sold outside the city limits.

But back in the days of Villagehood things were less formal. Adding a few feet of waterline across a field to a friend's house, or development of homes, wasn't any big deal.

The fact that the village borderlines stopped at the field didn't hamper digging operations. And after the line was installed, who knew or cared if a few "taps" were added and a lateral system extended to accommodate a couple more neighbors.

But after incorporation village borderlines became city limits and the old hit and miss good neighbor policy was replaced by a business policy.

One of the minor items overlooked by the good neighbor boys was the responsibility for maintaining waterlines outside the confines of the village (or city).

This has plagued the council for years. But it has been reluctant to do more than make patchwork repairs and hope for the best. The practice is unfair to all concerned: the users receive poor service; and the city taxpayer is subsidizing a loser, this despite the fact users are charged double rates.

Many of the lines are undersized, inferior and sieve-like. If proper pressure were applied to provide normal water service, the lines would burst. And this has happened more than once.

Like a 60-day period early this year when the cost of maintaining service to the area in question (along West Main Street into Bloomcrest subdivision, on Clement road south of West Main, and at Clement and Seven Mile road) reached \$2,120. This accounts for labor and equipment only. Water loss, fill dirt, supervisory expense are not included. Some 224-man hours were spent in maintenance.

The revenue, even at double rates, doesn't approach the cost of providing the service.

It's a matter of record that the Bloomcrest line was properly installed by agreement between the village and the developer. But despite the fact the lines are generally adequate, the system is not looped, therefore pressure is poor.

But in the Clement-Main-Seven Mile area the lines were apparently installed by mysterious means. They're undersized, and constant maintenance problems.

The present council has decided to face up to the issue and is currently studying a report that recommends:

1—Looping the Bloomcrest subdivision line by connecting to the new lines in the city-located Lexington Commons subdivision to the north, thereby bringing pressure up to standard and providing good service;

2—Abandoning the Clement area lines, if it is legally possible to do so, and providing sufficient notice so that users could establish other sources (wells).

The report acknowledges the city has a responsibility to the Bloomcrest area because of the contract. But it suggests that there must be a means of collecting the cost of improving the service.

And this isn't easy for a government to accomplish in an instance where the customers are not residents of that government.

There's the possibility of increasing the cost of service to the users to recoup the cost of improvements.

Or, the users could be billed for the improvements, the report notes, and the city could "hope to collect".

Or a meter could be installed at the city limits and water sold to the township, which in turn could collect from existing and new users, and the city could provide maintenance service under a contract with the township.

Or the area could be annexed and then the customers would be residents of the city and subject to an assessment.

The ramifications — both politically and from a public relations standpoint — are obvious. But the council is to be commended for finally facing up to its responsibility in this matter. It's unfair to city taxpayers to subsidize a water system outside the city. If it were a profitable, or break-even enterprise, it might be acceptable.

And Councilmen Wallace Nichols and Kenneth Rathert are to be commended for their report.

Understandably, township citizens facing loss of water service — despite its inadequacy — will protest the action. And those receiving bills for improvements may also have something to say.

But at least the issue is on the table where compromises are reached.

Certainly, the matter is one that should concern the township government, in behalf of its citizens, as well as the citizens themselves and the city council.

Top of The Deck

Supports 'Men, Children First' Where's The Help?

By JACK W. HOFFMAN

You've probably read about the cigarette-shaped Virginia Slim and her superiority to man. But did you see the dispatch from London the other day in which Lieutenant Commander Frank Golden of the Royal Navy's air medical school finally made spinach worth swallowing?

The good commander pointed out—quite eloquently I thought—that the extra layer of fatty tissue decorating a woman better equips her to survive in a cold sea and therefore, "technically speaking, the lifeboat drill should be 'men and children first'."

Now there's an officer worth his salt. He's probably hanging from his mate's clothesline about now but by golly he won't have to dress up in a woman's bra and skirt to avoid a dunking.

I took the commander home and plunked him down on the table. "There, that's why you carry out the garbage can," I declared. "You've got more fatty tissue than I."

"Either you've been drinking again or you fell off the couch onto your head," she replied. "There's only one reason that I carry out the garbage can and that's because you're too lazy to do it."

Women may have fatty tissue but men have thick hides. Her words hardly penetrated. "From now on," I said, "you'll mow the lawn."

What's new?"
"And you'll feed me properly."
Obviously, I'd struck a tender nerve because she disappeared without a word and then returned carrying the bathroom scales. "Climb aboard Bozo and let's see who has the fattest tissue and who

NO...

My opposition to legalized bingo does not take the form of a consuming rage against the forces of evil, but rather emerges as a thoughtful analysis of subtle innuendoes of unpleasantness which could overtake us before we realize they have crept in.

Every form of gambling eventually pays its share of "protection" to the organized crime syndicate, and I cannot believe that any of us would willingly subsidize organized crime. Could there ever be such stringent controls exercised over legalized bingo that this could be prevented? I think not.

Young people today seem to have more temptations confronting them, in a culture with fewer restrictions. It would not be a kindness to add this temptation to their path, which feeds on that "get something for nothing" lust of every human heart, and could lead to a love of more extensive gambling. Victims of all ages can squander money at bingo which might have been sorely needed for the necessities of life. As a parent then, I could not advocate this as a pastime, and thereby set a poor example for the child I would teach to avoid it.

And, finally, we have heard of (or witnessed) the poor soul whose entire lives seem to be devoted to attending every bingo game scheduled in their vicinity, where they sit in rapt concentration, eyes riveted to as many cards as they can afford, hardly able to sneeze for fear of missing a number. Could they possibly spend even more time at bingo if it were legalized? I am forced to conclude that there are more personally satisfying ways to spend leisure time and our God-given talents than this pursuit of an improbable windfall.

MRS. W. DEAN WARD
Northville Resident

Donald Slabaugh

YES...

Bingo should be legalized — with adequate controls — for the good it can do.

I feel bingo can help local school districts, local communities and local service organizations if it is properly administered.

Schools can be helped if the law legalizing bingo stipulates that a set portion of the proceeds from the operation go directly into the district's general fund. This may be one way of helping reduce the property tax burden.

Communities can be helped by the organizations conducting the bingo operations. A part of the proceeds will be turned back into community improvement projects and, in the case of the Veterans of Foreign Wars, we will use them to help foster our goals of community service, Americanism and patriotism.

Organizations can be aided by giving them a regularly scheduled profit-making operation enjoyed by millions if legalized. Bingo is an extremely popular pastime and a great way for the organization operating the activity to improve its facilities, raise money for programs and generally raise money from the community (those citizens who enjoy bingo) to turn back to the community for various civic betterment projects.

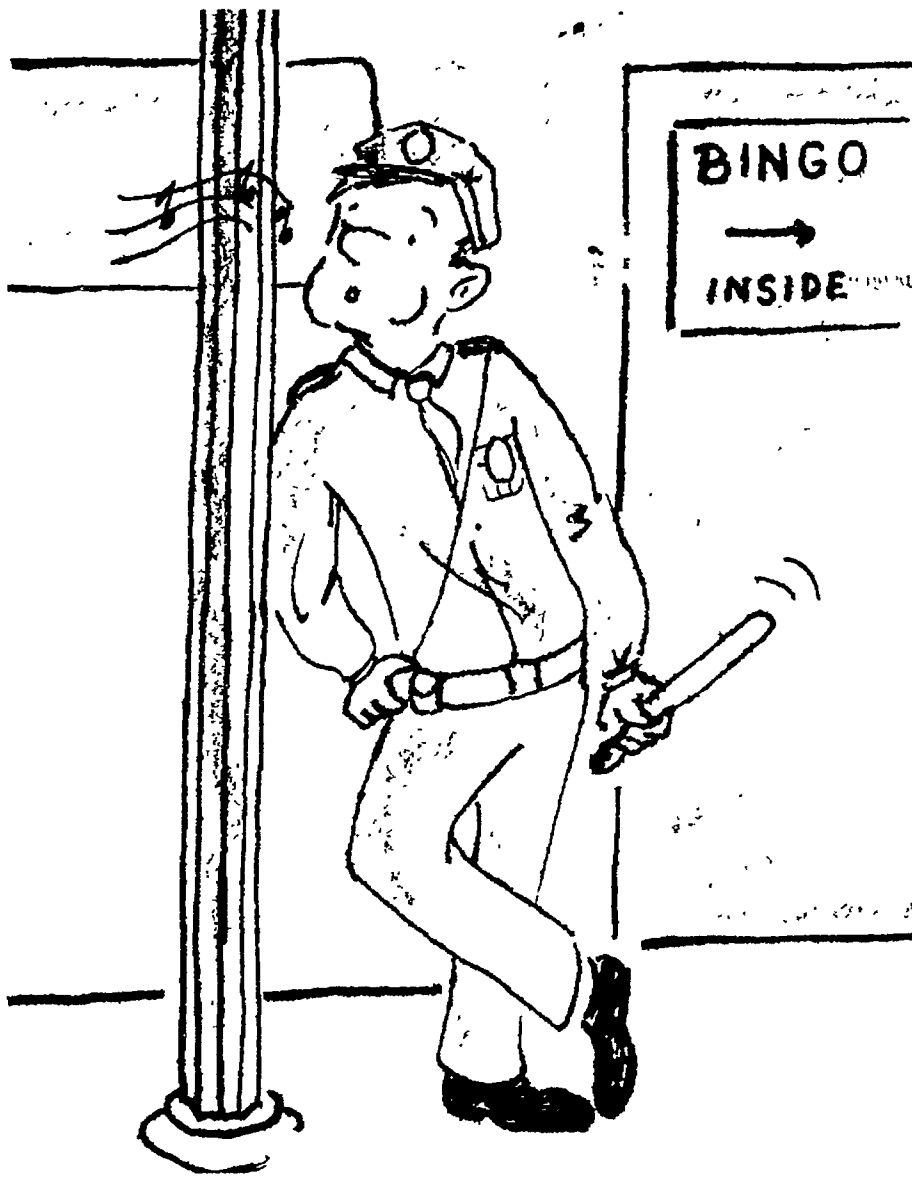

Yes, by all means, legalize bingo. Make sure proper controls are written into the law, but do make it legal.

DONALD SLABAUGH
Commander, South Lyon VFW Post

Mrs. W. Dean Ward

What Bingo?

Panic Issue Spoils Voting

To the Editor:

The time has come for some of us who so often remain silent to speak. It is becoming more apparent than ever that those who shout the loudest get the most recognition, but I hope people in our community will take a good look at who has been making the noise. If there has been dissension and near hysteria over the Year Round School Study, it is the result of being approached on your way to vote or buy groceries with a petition to sign. If you didn't sign, then

Family Finds A House

To the Editor:

Our prayers have been answered!

After searching for a home so long we'd almost given up hope. With some assistance we have been able to purchase a nice house in Romulus and we're excited about it even though we are sad to be leaving Northville.

We'd like to thank all the good people of Northville, especially Mrs. Margaret Zayti, John Carlo, Frank Ollendoff and the staff at The Record, for their kindness. Welfare Family of Seven

you heard the comment "Oh you're for Year Round School." And you were assured that there would be no chance to vote on the issue either.

I prefer to think that in the Northville community we can have reasonable, intelligent people running for office. There is no need for trying to create panic with unfounded "facts", and there is no need for name calling or insinuations aimed at one person with the intention of putting him down at public meetings.

Surely in this town there are people who want calm, intelligent, experienced persons on the school board who will not jump to conclusions, but give matters of importance thorough study and careful thought before making decisions. We also need people willing to try new ideas when necessary, someone looking into the future with a clear sense of responsibility.

Before we vote for any new board members, let us be sure the candidates are at least equal to the incumbents. I don't care to return to the "good old days" as suggested by one of the candidates. My children are getting a much better education than the good old days provided. Northville is full of antique shops and it would be unfortunate if our school system became another one.

Luanne McCurdy

chows down most of the weekly groceries."

"You misunderstand me, my dear. Fatty tissue is one thing, a bloated stomach another."

"How would you like some fatty tissue right under your eye?" she asked menacingly.

I've learned over a period of nearly 20 years that 115-pounds of fatty tissue, no matter how it's apportioned, is unbridled fury so I reined in and steered a more pacific course.

"Ah, my sweet petunia, I'm only kidding. If the ship were sinking I'd give you my seat in the lifeboat."

"You would, really?"
"Certainly. With all those women the good commander's gonna leave onboard you don't think I'd miss out on a Golden opportunity, do you?"

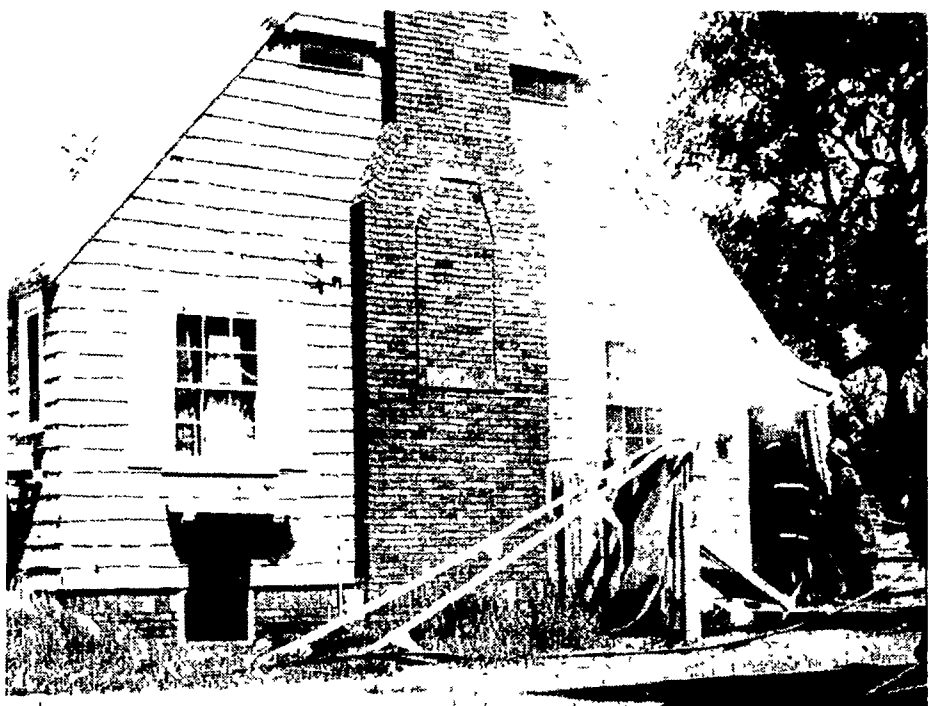

Where's The Help?

To the Editor:

On Saturday, May 29, the Junior class "supposedly" sponsored a car wash at the Presbyterian Church of Northville so as to raise money for future use. Of a class with an enrollment of approximately 250 students, only seven cared enough to devote some time for the benefit of the class (and only two of these male). We seven had to spend several hours at work without a break because of the apathy shown, by the other members of our Junior class. We would like to thank the sophomore boy who helped us out when we really needed it.

To our class officers and other members of the class of 1972 we wish to ask: Where were YOU on Saturday?

Sincerely,
Karen Duguid
Dale Griffith
Steven Sullivan
and 4 other Juniors

BLAST SITE—The Northville Lumber Company, 615 East Baseline, nearly came tumbling down Monday morning when a gas line was severed during an excavating operation. An explosion and fire blew off the back door and moved the back wall to a tilting position. The accident occurred about 9:30 a.m. Monday. The lumber company plans to enlarge its facilities and expand its parking area, thus the digging. Firemen and gas company servicemen were called to the scene and residents were evacuated from their homes in the immediate surrounding area. Although the top was blown off a container of highly flammable contact cement, and many cans of paint were stored near the burning basement area. Manager Walt Doan reported that the fire was brought under control before spreading to the storage area. He estimated damage at \$10,000.

Today at Northville State

Hospital Salutes Volunteers

Invitations have been mailed to 70 individual volunteers and 28 representatives of volunteer groups which have participated in the program and activities at Northville State Hospital during the past year.

Volunteer Day will be held this morning (Thursday) in the hospital's Activity Therapy Building.

"Our Changing Hospital" is the topic chosen by Richard D. Budd, M.D., medical superintendent and the speaker for the event.

Students of the Home Economics Department at Northville High School, under the supervision of their teacher, Miss Kathleen Miller, will serve the noon meal.

Then, in the afternoon, hospital employees who have served over five years in our State's Mental Health Department will receive recognition during Northville's First Annual Employee Day. The number receiving recognition are as follows:

Five year certificate, 136; ten year pin, 156; fifteen year pin, 117, twenty year pin, 9; over twenty five years, 1; and retirees, 6.

"I consider this emphasis by our Central Office of the State Department of Mental Health a very important one," said Dr. Budd "Members of my staff join me in expressing our thanks for valuable service rendered. Many of our employees who have been associated with the State Department of Mental Health, both in our facility and in others, indeed have witnessed important gains through improvements in care and

treatment methods."

Joseph J. Gill, the hospital's administrative officer, will receive the pin denoting service of over 25 years in February of 1936, he became an auditor for the State Welfare Department, now the State Department of Social Services, in the Copper Country. He also served as Welfare Department camp director before joining, in 1944, the central staff of the State Department of Mental Health in Lansing. Subsequently, he served as business executive of the Sault Ste. Marie State Hospital following its closing

in 1950, he was named to his present position in the about-to-be opened Northville State Hospital.

Dr. Budd will comment during his remarks upon the significance and value of the contributions by these employees. Ivan E. Estes, personnel director of the State Department of Mental Health, will present the awards

Those who provide parties and volunteers who share their skills on a one to one individual basis — these are among the many concerned citizens who are interested in the program and needs of our hospital. Included in the groups which are to receive recognition are the Northville Jayettes and the Northville State Hospital Auxiliary, which includes Northville residents

Viewpoints Differ On Coming Election

To the Editor:
After four years of involvement in school board committees studying year around schools, I have some personal conclusions:

1. In growing communities, year around schools are inevitable and the last valid objection — summer vacation — will become meaningless when population outstrips recreation facilities and employment availability.

2. Unless a school board wants to wait until a school crisis — half day sessions, program curtailments, etc — is upon us, introduction of the concept, would result in community reaction that might exceed the value of new facility cost reduction. Unfortunately crisis time is too late.

The intent of various boards in presenting the concept to the community before implementation of the program has been well publicized and with the recent poll results showing no great outpouring of sentiment, the matter may be academic for now.

What concerns me is the oft repeated request of the three board candidate faction to return state funds appropriated for the study to the state I see this as an attempt to interfere with a study of a concept that could save me tax dollars in educating my five children

I am concerned with the attitudes taken by a Michigan Education Association member involved in the Schoolcraft strike, and a teacher, at contract time. Until a pattern of General Motors inviting Leonard Woodcock to sit in on their pre-contract negotiations is established, we should assume a conflict of interest exists.

The one remaining concern is the fact that these people are running as a coalition. I suspect the present board, now divided as it should be on many issues, will unite to oppose a faction.

Dan Boland
20366 Lexington Blvd

To the Editor:
For the first time in three years, my daughter was old enough to appreciate and attend Northville's Memorial Day parade. It goes without saying that a young child is thoroughly delighted by such events, but such was not the case as far as I was concerned

I was amazed and disgusted when I saw three candidates

for the Northville school board leave reverence by the wayside and take advantage of the parade to promote their campaigns. Is it any wonder the youth of America is disenchanted with its government when politics takes precedence on a holiday honoring the nation's war dead? After the Northville parade, I wouldn't be surprised if I saw three cars with campaign posters bringing up the rear of every funeral in Northville through election day.

If these men are elected, I hope they display wisdom in the execution of their duties — more than they did on Memorial Day.

Howard Jones
519 Fairbrook
Northville

To the Editor:
The front page article in last week's Record indicated that Mr. Spear said in one breath that he didn't think the level of acceptability was high enough to implement year round schools, and then in the next breath indicated that final decision on whether to implement YRS or not would be made in 1972.

This means another year of fudging, mandates to continue, misinterpretations of elections and trying to manipulate this community to accept YRS.

R. Clegg
1113 Hillridge

To the Editor:
We moved to Northville a few years ago because it was a nice quiet community. Since then the School Board has constantly roared and been up on their high horse about year-round-school, book fees, open lunch, the dress code, and everything but the fact that their main concern is supposed to be the education of our children. I think it's time we replaced three of the present members with three thinking "mavericks" who will be concerned about us and our children

Robert A. Darrow
1139 Jeffrey Dr.
Northville, Mich.

To the Editor:
Mr. Spear has indicated that the decision on YRS will be made "before the bond issue goes to the voters".

After an advisory vote has indicated the community doesn't want it (518-422), and after the recent survey reinforced this decision (830-810), why must we be left hanging with this over our heads for another year?

If we can't impress these people that we don't want it,

perhaps we can elect someone who will listen!

Carol and Rudy Neutz

To the Editor:
People voted down Year-round school last year. They petitioned it to death this year. Year-round school was rejected again when mock scheduling was presented last month. But the concept lingers on in the mind of the superintendent, who plans on keeping the issue alive until 1972 (at least). Again it points out the fact that neither the superintendent nor the present board understands or cares for the desires of the people.

Carl J. Wheeler

To the Editor:
I was pleased to read the headline in last week's Record, until I read the article and discovered that the Year Round School issue will not be decided until 1972.

Must we be subjected to this indecision for another year? Is the School Board going to relentlessly bombard us with this question until we give up and do it their way?

Chuck Fialon
Northville Resident

To the Editor:
Does the school board think we're stupid? For over a year they have pushed YRS at us until we're sick of hearing YRS. Now two weeks before the election they announce that the YRS is doubtful — for how long? Until after the election?

Mr. and Mrs.
Jack P. Seranian —
43795 Parkgrove Ct.

To the Editor:
The people voted down Year-Round School last year. This was a clear sign that the people of Northville did not want Year-Round School. Why can't our superintendent and his followers on the school board get the message, or should I say, hear our plea — "summer is for kids!"

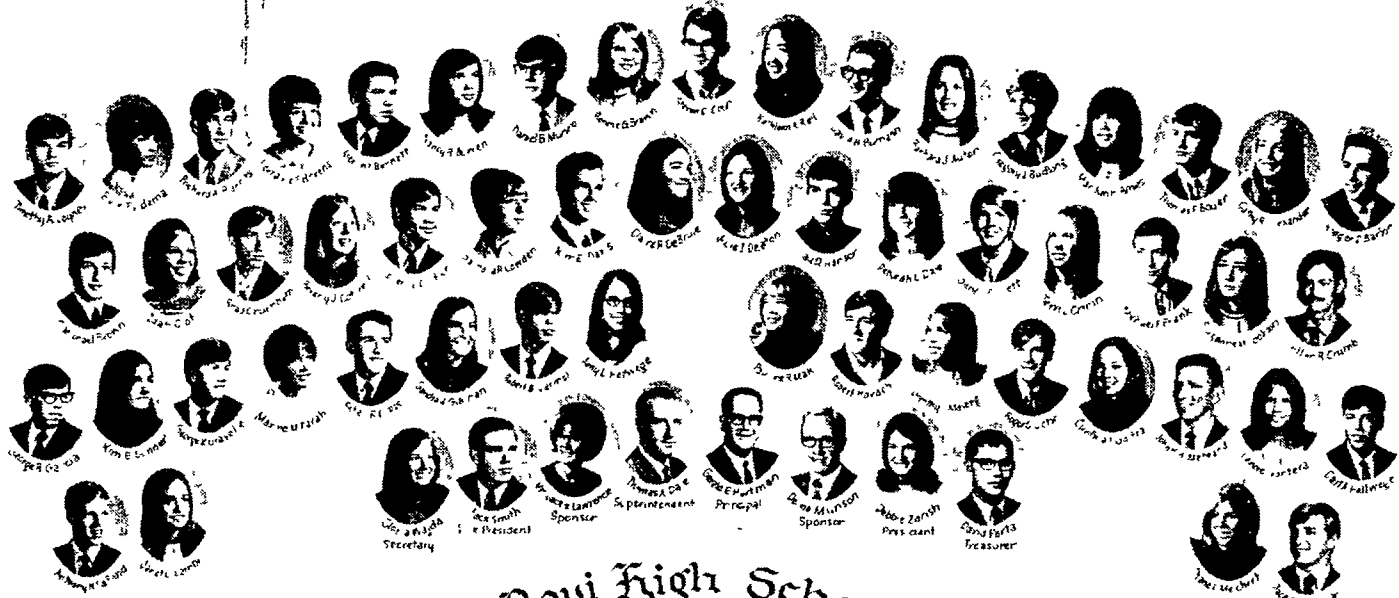

Ronald H. Myers

Congratulations, Grads THE FUTURE IS YOURS!

To our graduates, congratulations.

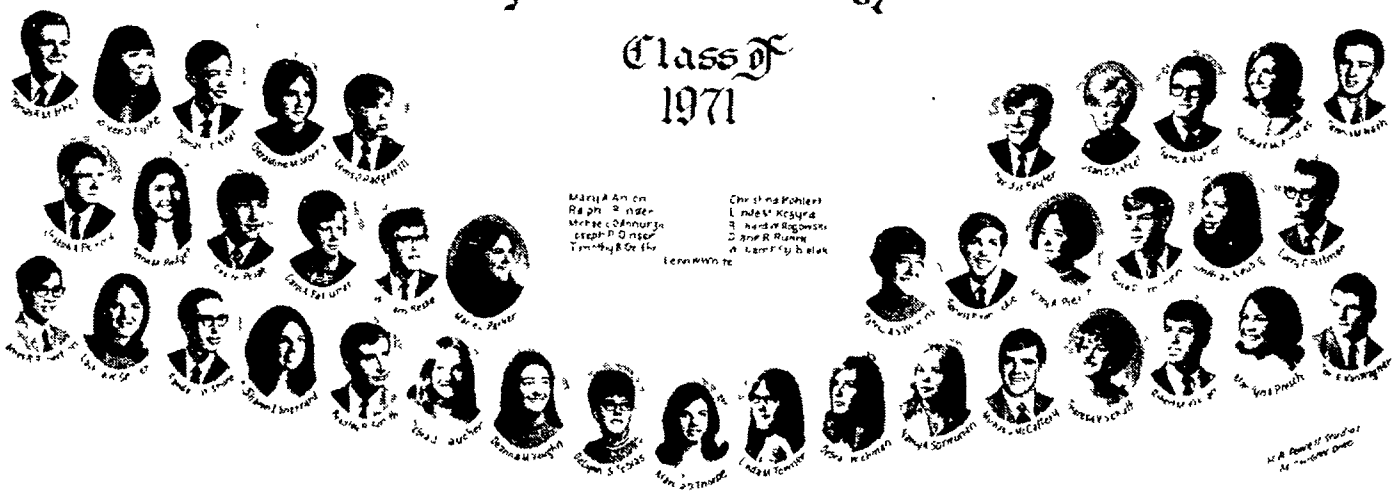

Now you're on your way. The world is heralding your achievements.

Northville in Semi Finals

Mustang District Bats Sizzle

Northville's Wayne-Oakland league champion Mustangs erupted for 14 hits and 13 runs to bury Dearborn Riverside 13-2 Saturday in the first round of district play in the MHSAA tournament.

By virtue of the victory Coach Chuck Shonta's squad will advance to the district semi-finals which will be held this Saturday morning at the Northville High School field. Actually, Bernie Bach alone would have been enough to defeat the Dearborn team. The sturdy senior batted in four runs on three hits and scored twice himself as he paced the Mustang hitting barrage.

What's more, when Bach wasn't clubbing the opposition with his bat, he was stifling them with his pitching as he yielded a scant two hits in picking up his ninth victory of the season as opposed to a single loss.

Bach had plenty of help from his teammates in the hitting department. Right fielder John Crane rapped out three hits and collected three RBI's, while first baseman Steve Utley also added three safeties to the attack. Bart Taylor had two hits and Kurt Suckow, Rick LaRue, and Scot Stuart each had one apiece.

As indicated quite accurately by the score, the Mustangs were by far the better team. Riverside came to the tournament with a young squad that had posted a

4-10 record during the regular season. Their relative inexperience was reflected in their lack of pitching and erratic defense.

In an attempt to confuse the Northville hitters, the Dearborn coach alternated his two pitchers throughout the game. The maneuver had little effect, however, as the Mustangs teed off on both pitchers.

The first inking that it was going to be a long afternoon for Riverside came in the first inning when the Mustangs scored twice without benefit of a hit. Suckow, leading off, reached base on an error and

Bach drew a walk. Two stolen bases later the two runners were perched on second and third. Stuart then hit an easy grounder to the shortstop who watched the ball skip through his legs and into leftfield as the two Mustangs sped across the plate.

Northville upped the lead to 3-0 in the second as John Crane singled cleanly to right to send Dale Griffith scampering home from second base.

In the third inning singles by Utley, Bach, Stuart, Taylor, and Crane, plus another error by the shortstop, produced two more tallies. Crane and Bach

collected the run producing hits.

Northville's biggest inning was the fourth in which they put the game out of reach with four runs, moving the score up to 9-0. The big blow in the inning was a two-out double off the bat of Crane, his third successive hit in the game.

Two runs in each of the fifth and sixth innings rounded out the Mustang's scoring. Utley and Bach drove in the two fifth inning runs, while Bach collected the credit for both sixth inning tallies with a line drive triple that rolled up the alley between the center and right fielder.

Riverside thwarted Bach's

bid for a shut out in the fourth inning. Milewski singled to open the frame. Segal then hit a looper behind first base that bounded off Utley's glove to put runners at first and second. A walk loaded the bases with nobody out. The first run came in on an infield out and the second was the result of a sacrifice fly off the bat of Leith.

Northville will meet Chelsea, conqueror of South Lyon, in the semi-finals Saturday morning at 10 at Northville High School field. The winner of that game will then move on to the finals, which will be played at 3:30 that afternoon.

OUT AT FIRST—Steve Utley (13) scoops up a low throw in time to retire a Riverside runner as the Mustangs battled their way into the district semi-finals slated here Saturday.

Andover Thinclads Win

Northville Takes 2nd

Bloomfield Hills Andover wrapped up its second consecutive Wayne-Oakland League championship by coming from behind in the last two events of the league meet while a light mist fell on the proceedings last week Wednesday night in Bloomfield Hills.

The come-from-behind victory brought to an end Northville's chances for its first track and field championship and brought down the curtains on one of the finest track teams in Northville's history.

Northville finished second in the meet with 51 points.

For Northville coach Ralph Redmond it was a year that could best be recounted with "ifs." If Jim Darnell had not suffered calcium deposits which kept him out for most of the season; if John Stuyvenberg had not come down with a case of strep throat that rendered him weak and at half-efficiency for the last month of the season; if sprinter Jamey

Carter had not hung up his spikes two weeks before the end of the season; and if the team had not lost a needless meet to Milford while key performers were recovering from the senior trip the season might have had a different outcome.

But as it was Northville entered the league meet in second place and in the position of having to take first place to earn a share of the title.

They made a noble effort. Stuyvenberg, Dave Mitchell, and David Wright swept to firsts in their respective events to establish themselves as individual league champions.

And Rick Pickren, Rich Ruland, Jim Darnell, Rick Bell, Guy Dixon, and the 880-yard relay team came through with the finest performances of their careers to take valuable runner-up points.

But it wasn't enough. Andover came sprinting up out of the mist to win the 220 and the mile relay and

overtake the Northville lead. "It was a great meet," said Redmond. "It was an exciting meet. Every one of our kids came through for us. They did heckuva job."

Stuyvenberg led the Mustangs. In the afternoon he won the long jump for the third consecutive year with a jump of 21'10 1/2" and he won both of his qualifying heats in the 100 and the 220-yard dashes.

In the finals in the evening he began by anchoring the 880-yard relay team of Mitchell, Darnell, and Brad Cole to second place in the meet and a Northville High School record of 1:33.1 seconds. He won the 100 yard dash with a 10.3 timing to become the meet's only double winner.

But the drain of the long day, of four previous races, and of an enforced lay off of three weeks without practice to recover from his strep throat took their toll in the 220 where Stuyvenberg was upset by Andover's sprinter and finished second in 23.0

seconds.

Redmond had nothing but praise for his weary champion. "John did a great job. He's just coming off his illness and we were concerned about whether he'd be able to run at all. He had five races tonight, and he won all but one of them. The doctor's wouldn't let him run at all for the last three weeks. Under the circumstances I'd say he had a great night."

In the most closely contested race of the entire meet, the 440-yard run, Dave Wright became Northville's second league champion. Holding a thin lead over Bowers of Andover and Carlson of Clarkston, Wright dived head first into the tape and fell sprawling to the ground in gaining the victory with a time of 51.5 seconds.

Wright also added a third place in the 880-yard run with a time of 2:02.5 and a fifth place in the mile relay as he anchored the team of Wayne Enders, Phil Guider, and Cole to a 3:36.3 clocking.

The upset of the meet was notched by Mitchell in the 180-yard low hurdles, as he defeated Andover's outstanding team of Kuzma and Murphy with a time of 20.1 seconds. Mitchell's time was a career best for him and was only .1 of a second off the school record held by Randy Simpson.

Mitchell also placed fourth in the 120-yard high hurdles and was a member of the school record setting 880-yard relay team.

Senior distance star and school record holder Rick Bell added a second place finish in the two-mile run to the Northville point tally. In what Redmond called "undoubtedly one of the best races of his life," Bell quickly fell in behind Clarkston's Gerald Baker, an old acquaintance from the cross country meets, and stayed behind him like a shadow for seven consecutive laps.

When the gun sounded for the last lap, Bell abandoned his role of shadow and outkicked his Clarkston foe through the final quarter mile to take second place with a 10:04.6 clocking.

Rick Pickren, Jim Darnell, and Rich Ruland all came up with their best performances ever in their respective events and each ended up in third place.

Pickren jumped 6'2" in the high jump, Darnell leaped 20'7" in the long jump, and Ruland put the shot 47'3 1/2".

A special Kiwanis ceremony will be held on the athletic field at 12 noon, with Past Governor Lauren White of the Michigan District Kiwanis International serving as master of ceremonies. "Mothers, fathers, uncles, aunts, neighbors—everyone is invited to attend," said Behm. "There's lots of room in the grandstands and there's no admission charge. Just come and have a good time and give the participants your moral support."

Northville lost its chance for a second consecutive victory in the Les Anders Tournament race last week Monday as the Mustangs suffered a 2-1 defeat at the hands of Livonia Churchill.

Bernie Bach, nicked for his second pitching loss of the season, accounted for Northville's lone extra-base hit—a double in the sixth inning.

The big right-hander gave up just three hits while dealing six walks.

Northville went zip against huiler Mike Keller for five innings while Churchill coasted along with a two-run edge picked up in the first stanza.

In the sixth, with one out, first baseman Steve Utley singled and then galloped to third on Bach's double.

Scott Stuart sacrificed,

State Home

Posts Wins

During the regional meet of the Michigan Special Olympics conducted at Walled Lake Western High School on Saturday, May 22nd, Plymouth State Home residents clinched victories in most of the events.

Fifty-three residents competed with other mentally retarded children and youth from Birmingham, Bloomfield Hills, Waterford, Walled Lake and Wayne County Child Development Center.

The wins recorded by the Plymouth residents served to emphasize the belief that sports and competitive athletics do assist the mentally retarded in developing a positive self-image and greater confidence in themselves.

In chalking up their wins in the various track and swimming events, the residents came home with thirty first place ribbons, twenty-six second place ribbons, and thirty-four third place ribbons.

Each ribbon won assured the recipient of a place in the state finals scheduled to be held at Adrian College the weekend of June 18, 19 and 20.

Both the Plymouth State Home and the Wayne County Child Development Center are located in Northville Township.

Banquet Set

Here Tonight

The annual awards banquet sponsored by the Northville High Boosters Club will be held tonight, Thursday, at 6:30 p.m. in the high school cafeteria.

Reservations can be made by calling 349-4158 or 349-2701.

The Boosters Club is also sponsoring a refreshment booth at the invitational baseball tournament to be held at the high school June 5 and June 12. Volunteers are needed to man the booth and are asked to call Mike Utley at 349-1806.

scoring Utley and accounting for Northville's lone tally.

Rick LaRue and Scot Stuart supplied singles in the fourth, along with Rick Asher bango in the fifth, to fill out the five-hit Mustang attack

The loss was the second handed the Mustangs by Churchill.

Earlier, Northville lost 8-7 to the Livonia nine that next year will be part of the newly formed Western Six League.

The Mustangs' northern neighbor, Walled Lake Western, also will be in that league along with Farmington, Harrison, Waterford Mott, Plymouth Canton, and, of course, Northville

Wildcats Drop Three; Finish in SE Cellar

"It's all over now," might have summed up the sentiments last week of Novi diamond coach Fred Gerhardt whose stickmen dropped their final three games of the season Tuesday, Thursday and Saturday to card a cellar bearded 3-11 league record.

A dispute between Novi and Ypsilanti Lincoln over who was to make who into the Southeastern Conference door mat was decided last week Tuesday as the Railsplitters broke a tie for last place by trouncing the local nine 4-1.

As if to add insult to injury, arch rival South Lyon collared Gerhardt's squad Thursday, 9-4, as the Wildcats visited in a traditional grudge match.

Saturday the local nine's lone shot at a slice of the regional-district pie was denied them as Farmington's Our Lady of Sorrows allowed only two runs for seven hits to claim a 9-2 victory.

Victories over Lincoln, Saline and Chelsea marked the high points of the diamond squads league record while Hartland fell to the Wildcats once and Whitmore Lake twice for a 6-17 seasonal tally.

In Saturdays game in Farmington, Sorrows rolled to an easy eight run lead in the first inning as six hits, two walks and four Novi errors put men on base and pushed them around.

The Wildcats collected one run in that first inning as Steve Bosak, on with a single, stole second and third and came home on a bunt single laid down by Joe LaFleche. Eric Hanser tripled in the second and Pat Ford blasted an rbi double for the local squads second tally.

Bosak and LaFleche shared mound duties letting four walks and nine hits between them as LaFleche fanned six men.

It was a brighter day Thursday against South Lyon but things could still have been better as the hosting lions bested the local nine by five runs, 9-4.

John Pantalone peppered his attack with six strike outs and one walk while dealing 12 hits to the rampaging Lions.

The Wildcats collected 11 hits themselves but fell victim to errors as they committed 10 to South Lyon's five.

South Lyon started off big,

piling up a 3-0 lead in the first inning but the Wildcats came back in the second as four singles passported Gary Colton, Dan Kardell and Mike Butler leaving Bosak on base. Colton rounded out the local tally as he scaped for home in the third under the protection of a booming triple laid out by Dan Kardell.

Ypsilanti Lincoln meant business Tuesday, meant at least, to stay out of the

Southeastern Conference cellar, as it visited Novi and went home the better, 4-1.

The Wildcats went zip through the first four innings as the Railsplitters collected a three run edge.

With two out in the fifth however, Eric Hansor singled and came around on a double blasted by Joe Barnes. A ground out retired the side and Barnes effort died on base.

Novi Jayvees Win Twice

Back-to-back victories over South Lyon Thursday (6-1) and Hartland (6-5) last week Wednesday sweetened the tail end of Novi JV diamond action for coach Robert Weinburger last week as the Wildcats finished a 8-5 season, four wins up from last years 4-7 record.

A sour note came in a Tuesday contest with Ypsilanti Lincoln who upset the local juniors 7-6 in a squeaker that wasn't decided until the seventh inning.

"We're a hustling team," Weinburger said. "We're fast, we work well together, our fielding is dependable, we've stolen 81 bases in seasonal play, our pitchers work well; we just click together as a ball team."

In earlier action two weeks ago, Weinburger's squad picked up a victory from Milan, 4-2, but dropped behind Dundee 7-3.

Thursday against South Lyon it was all Novi as Tom Ford kept a shut out moving into the seventh inning when the rival Lions nicked him one run.

Novi runs came in the third as Dave Brown doubled and came around on errors. Ron Frisbee and Roger Pelchat both waited out walks in that

inning and were passported by a single belted by Larry Taylor.

Brown laced a single in the third and sped for home on a similar rip from Frisbee for the fourth Novi tally.

Things were quiet until the fifth when a sacrifice by Kevin La Fleche and a single by Frisbee scored Kim Smith and Dave Ward.

A sophomore right hander, Ford gave up nine walks and dealt five strike outs to the Lions.

Gene Reske worked the mound against Hartland Wednesday as the Wildcats piled up six runs on six hits the strongest of which was an eighth inning double belted by Frisbee.

Things were not so bright Tuesday for the local juniors as they blew a one run lead in the sixth inning and then fell behind in the seventh to lose to the Lincoln Railsplitters 7-6.

Dave Brown's third inning double amounted to the only Wildcat extra-bagger as the local squad moved into a 6-6 tie with Lincoln in the sixth inning.

A squeeze play in the seventh forced in the winning run and the local nine retired in defeat with six runs on eight hits

Kiwanis 'Olympics' Set in Walled Lake

The ninth annual Junior Olympics, sponsored by the Walled Lake-Wixom-Novu Kiwanis Club, will be held Saturday, June 5 on the athletic field of Walled Lake Western High School, co-chairmen C. A. (Sonny) Behm and Bernie Stafford announced this past week.

Competing in the day-long series of field and track events will be boys and girls, in grades 5 through 9, from the following schools:

In Novi—Novi Elementary, Orchard Hills, and Novi Junior High, in Wixom—Wixom Elementary and Loom Lake Elementary; and from other areas—Walled Lake Elementary and junior high, Union Lake Elementary, Glangary Elementary, Twin Lake Elementary, Decker Elementary, Commerce

Elementary, Oakley Park Elementary, Dublin Elementary, Keith Elementary, Clifford Smart Junior High, St. Patrick Elementary and junior high, St. Williams Elementary and junior high, and St. Mathew's Elementary and junior high.

Boys and girls, grouped according to age, height and weight in classes A, B and C will compete in 50 and 100-yard dashes, low hurdles, relays, pole vault, running long jump, high jump, shot put and softball throw.

Among the awards, including 600 medals and ribbons, to be made at the conclusion of the Olympics, will be the "Henrietta Piltz Trophy" given to the six outstanding girl athletes, and the "Horace H. Hatfield Trophy" which will be

awarded to the six outstanding boy athletes.

Miss Piltz, Walled Lake physical education teacher for many years, and past lieutenant governor of the Michigan District Kiwanis International, are both being honored for their work and activities.

Four winning relay teams will be awarded the "Kiwanian Sonny Behm" traveling trophy. Behm is the originator of the Kiwanis Junior Olympics. His co-chairman of this year's event, Stafford, is the senior high school track coach at Walled Lake Western.

Among dignitaries invited to attend the Olympics are State Representative Clifford H. Smart, Michigan District Kiwanis Past Governor Frank O. Staiger, Michigan District

Lieutenant Governor (seventh division) Earle M. Davis, Michigan District Secretary-Treasurer Charles F. Fox, mayors and city managers of local communities, and school officials of the Novi and Walled Lake school districts.

A special Kiwanis ceremony will be held on the athletic field at 12 noon, with Past Governor Lauren White of the Michigan District Kiwanis International serving as master of ceremonies. "Mothers, fathers, uncles, aunts, neighbors—everyone is invited to attend," said Behm. "There's lots of room in the grandstands and there's no admission charge. Just come and have a good time and give the participants your moral support."

Circle Beats Novi

Softball action last week in Northville's Men's Slo-Pitch league took place on Tuesday and Wednesday when spring showers wiped out Monday's schedule.

On paper, action shaped up as follows:

TUESDAY, MAY 25
Winners Circle notched its fourth win in five starts over previously undefeated Novi Inn, 12-7, as short-stop Joe Humphries belted two of six circle homers.

Green Ridge Palace-Gambles nicked Exotic Plastics and Rubber for 10 hits to claim a 16-11 victory.

Ford Valve Plant upset the V.F.W. 17-5.

WEDNESDAY, MAY 26
Northville Drug-Casterline notched a 2-2 record by taking a 13-5 victory from Newcomer's Club with the help of two five-run innings. Hal Axtell smashed a Druggier homer in the fifth. Northville Downs racked up a 6-3 victory over Plymouth State Home with the help of a two-run homer by left fielder Bob Bartski in the bottom of the sixth.

Our Lady of Victory Men's Club upset St. Clair Advertising, 21-4.

Artificial Boundaries Split Communities

Where Does Your Allegiance Lie?

EDITOR'S NOTE: Following is the first in a series of articles dealing with the peculiarities of artificial boundaries and the problems they generate for public officials and citizens governing and living within these boundaries.

Elwood Grubb lives in the City of Wixom, his children attend South Lyon schools, he pays Walled Lake School District property taxes, and he has a Northville telephone number.

And Elwood Grubb is a Wixom city councilman and the Wixom postmaster. Where does his allegiance lie?

Joseph Crupi lives in the City of Novi, is in the Northville School District, and has a Northville mailing address and a Northville telephone number.

And Joseph Crupi is the mayor of Novi. Where does his allegiance lie?

Raymond Spear lives in Novi, has a Northville mailing address and a Northville telephone number, and his children attend Northville schools.

And Raymond Spear is the superintendent of Northville schools. Where does his allegiance lie?

Grubb is strongly oriented to Wixom, Crupi to Novi, and Spear to Northville.

Spear and Crupi live in the same Novi subdivision, Connemara.

All of which points up the peculiarities of artificial boundaries that particularly in this area often are confusing, exasperating and sometimes detrimental to the esprit-de-corp of a political subdivision.

Take the Novi School District, for example.

A young, rapidly growing school system with a K-through-12 program, it not only must contend with the financial and curricular problems that beset all school systems but it also must cope with the matter of developing a thing called self-image or pride.

Novi's citizens advisory committee, reporting last week on problems of school citizenship and discipline, touched on this matter of esprit-de-corp in recognizing that some of the district's problems may be directly or indirectly traced in part to the lack of a cohesive citizenry which may shop and seek entertainment in Northville or in other neighboring communities.

Lack of a central business district, or in other words a "downtown", forces residents to look elsewhere and in the process the ties with the Novi School district are strained.

Similarly, local school and municipal ties are strained because much of the area within the boundaries of the City of Novi are located in Northville and Walled Lake school districts.

Many residents of Mayor Crupi's subdivision consider themselves to be part of Northville. Many residents of the northern part of Novi around the southern portion of the lake area are oriented to the City of Walled Lake. The same is true on the southern edge of Northville Township where citizens are part of the Plymouth School District and are principally oriented to the Plymouth community.

Split allegiances makes governing all the more difficult. Mayor Crupi, for example, would be the first to admit that it would be far easier for a government official to lead his community if its boundaries also were the boundaries of the school district, of the mailing district, of the telephone exchange, and of the shopping area.

Though he has an affinity for the Novi School District because of its name, because all of the district is within the boundaries of the City of Novi, he nevertheless must temper his allegiance because many Novi citizens he represents live in other school districts.

These artificial boundaries also affect directly or indirectly organizations, business and citizens themselves.

This newspaper--The Northville Record-
Novi News--is an example of how it can affect a business. Now in its 102nd year, The Record in 1955 added a sister publication, The Novi News, which essentially is the same newspaper except for the front page. Financially, both publications are supported primarily by the advertising of Northville businesses. They are likely to remain combination-type publications until the advertising revenue in Novi and/or Wixom justifies the significantly greater expense of

operating separate and distinct publications.

A few years ago this newspaper began experiencing the situation in which many residents of the southern portion of Novi, located in the Northville School District, became subscribers of The Record because they are oriented to the Northville community. Yet, these same subscribers missed many important front-page stories about Novi municipal government and its citizens. Similarly, some of those living in the fringe areas between Northville and Novi, who subscribed to The News, missed those stories about the Northville School district and its citizens.

The situation last year gave rise to today's practice of carrying a second front page--that is the front page of the Novi News inside The Record, and the front page of The Record in the News.

Consider the newcomer moving into the area. It is not unusual for this newspaper to receive an inquiry from a citizen in Novi who actually believes he lives in Northville simply because he has a Northville mailing address and his children attend Northville schools.

Recently, a Novi citizen being fingerprinted by the Northville police department as part of an application for a federal job was so pleased with the service--the same kind of service he could have received in Novi--he offered to support the Northville police when the department's budget was considered by the council.

"But you live in Connemara and should support the Novi police department," he was told.

"No," he replied honestly, "I live in Northville."

Ecology Class Sets Collection

An ecological boost is in the offing Sunday when a Northville High School teacher and his science students stage a glass

collection project.

Glass collected between noon and 3 p.m., at the high school will be taken to Ann Arbor pick-up point and from there to a recycling plant.

New Books

New books at Northville Public Library this week include:

ADULT FICTION
"The Raj," Donald H. Robinson; The story of an English school teacher in India in the 1930's when Gandhi's fasts and terrorist activities were making British Imperial rule uneasy.

ADULT NON-FICTION
"Faith, Hope and Charity," Dick Van Dyke, Dick Van Dyke, a former Sunday school teacher, presents children's sayings about religion.

Students in the class of R. D. Meteyer are asking that anyone who has waste glass--whether it be in the form of non-returnable beverage bottles or appessauce jars--to bring the glass to the high school between noon and 3 p.m.

"It's our town and it's our ecology," said Meteyer. "It's also our trash. We're trying to help."

The students and their teacher will sort and transport the glass they collect.

SUMMERS ARE FOR KIDS!

Key to Organic Gardening

Compost Aids the Green Thumb

MSU PEPPER research is aimed at developing types that would put plenty of color, flavor and variety into Michigan gardens. This research has already resulted in two pepper varieties now available to gardeners: (1) Spartan Emerald (top row, far right) — a green type for salads and pickling, and (2) Spartan Garnet (third row from top, third from left) — a dwarf pimento pepper.

Compost is the key to organic gardening, but it can help any gardener get better results, says J. Lee Taylor, Michigan State University horticulturist.

Compost includes fermented or decayed materials such as grass clippings, leaves, sod, straw, vegetable refuse, manure, corn stalks, asparagus stems and weeds, notes Taylor.

It is used as a source of organic matter for soils (especially sandy soils), for making potting soils and generally improving the soil structure. Compost also makes an excellent mulch for flower beds, trees and shrubs.

"The compost pile site should be easy to get to but not conspicuous," says Taylor. "A side or corner of the back yard often meets these requirements."

"You can build a partial fence or structure to hold and conceal the pile. Walls of concrete blocks (not cemented together) on two or three sides, about four feet high, work fine. So do sections of fence. If the fence rails are far apart, you may have to line the inside with chicken wire or other fine mesh fencing."

To prepare compost:

1. Spread materials in a layer 6 to 8 inches thick.
2. Over this material sprinkle a small amount of complete commercial fertilizer such as 5-20-20, 6-12-12, 10-10-10, or mix in some animal manure.
3. Wet the layer, but not enough to wash away the fertilizer.
4. Add additional layers at any time.
5. Adding a small amount of fertile soil to each layer hastens bacterial action and decomposition.
6. Keep the pile moist.

You can speed decomposition by stirring the pile every two weeks, says Taylor. The time of decomposing varies from six weeks to six months or more.

Easily decomposable materials kept moderately moist will decompose in about

six weeks during warm weather, he explains. Compost piles made in the fall may not be decomposed until late spring.

Adding one to three pounds of ground dolomitic limestone to each 100 pounds of compost material counteracts

excessive acidity, resulting in conditions more favorable for decomposition.

"Don't use large amounts of garbage in composts because it may attract mice and rats," warns Taylor. "and do not use materials infected with diseases or insects."

Give Plants A Vacation

One of the best things you can do for your house plants is to give them a summer vacation.

J. Lee Taylor, horticulture specialist with the Cooperative Extension Service at Michigan State University, says that almost all house plants will thrive outside in the summer. Just remember to put them in the shade, he cautions.

And, as added incentive, Taylor emphasizes the easy care of outdoor-house plants.

If you have plants in clay pots, Taylor recommends that you bury the whole pot in the soil. Then in the fall you can dig the pot out, clean it off and take it right back into the house. If you take the plant out of the pot, you'll probably have more root growth than will fit the same pot in the fall. That means you'll have to trim the roots before repotting.

Taylor recommends moving house plants outside after Memorial Day and bringing them back indoors around Labor Day. "House plants can't stand a threat of frost," he says.

The only other threat to house plants in the outdoors is water. If you don't bury the pot, be sure to water the plant often. Most house plants have a great amount of leaf in proportion to the root system, Taylor explains. This means they use a lot of water.

Taylor recommends the outdoor vacation for

everything from cactus to begonias and philodendron. The notable exception is African violets. But any real African violet fan probably already has an efficient indoor setup, he adds.

"In some cases, like philodendron, it's just as wise to throw the whole plant out, and start fresh in the fall," Taylor comments. "You can get that sort of plant for 29 or 39 cents, which hardly makes it worth the fuss of moving the plant back inside."

Roses, Like Kids, Need Early Nourishment

Just like kids, roses need extra nourishment during early growth.

According to Dr. W. H. Carlson, Michigan State University horticulturist, May is probably the best time to fertilize roses because they are just getting a good start.

"A complete garden fertilizer—one with equal or

nearly equal parts of nitrogen, phosphorus and potassium—is best," says Carlson. "Fertilizer grades 5-10-5, 4-8-4, or 4-8-6 are satisfactory."

"A little fertilizer goes a long way," he says. "One heaping tablespoon will do the job for each plant. Or if you have a large rose bed, three

pounds of fertilizer for each 100 square feet.

"Spread the fertilizer evenly around the plants, scratch it into the soil surface and then water."

Second applications can be made later in the season if roses show signs of mineral shortages. Leaf yellowing means lack of nitrogen. Phosphorus shortage causes the leaves to turn grayish green. Browning of leaf margins means a lack of potassium.

Carlson cautions against late season fertilizer applications

Lawmaker Pushes Single House Legislature

LANSING—Amidst all the talk one hears now days about making government more efficient and more accountable, one member of the Legislature is pushing a proposal which he thinks could accomplish both things at the same time.

State Representative Joseph Swallow, R-Alpena, thinks Michigan ought to reduce the size of its Legislature by eliminating one of the houses and having a one house Legislature.

Though the idea is a strange one to most Michiganders, all 10 of the Canadian provinces function with only one house Legislature. In this country, the state of Nebraska has been operating with only one house since 1937 and its residents like it just fine.

UNDER SWALLOW'S proposal, Michigan would have a one house Legislature made up of four persons

from each of the state's Congressional districts. Since the state now has 19 Congressmen, the Legislature would have 76 members.

All 76 members would be elected at the same time as the Governor.

"This would permit the people, on one occasion, to take a look at their state government and make a decision whether the government is doing a good job or a bad job," he says. "Some people argue we should split it, with half elected every two years. But that further complicates the situation as far as the citizen is concerned."

SWALLOW says the main reason for switching to a one house setup is to make it easier for the citizen to watch what is going on in Lansing.

"Today, nobody has an opportunity to show what they can do or cannot do," he says. "If things don't work out, each party blames

the other, especially now that the two houses are controlled by different parties. The poor citizen is confused.

"I sense a real feeling among people that they're losing their faith in government," he says. "They're questioning the credibility and effectiveness of the Legislature. One house would give them a much better idea of what their government is doing."

THE CONSTITUTIONAL Convention considered a one house Legislature briefly in 1962 and then voted it down.

The main backer at Con Con was University of Detroit law professor Harold Norris. Norris also argued such a move would simplify government.

"Two house Legislatures are more confused than deliberative," he said during the debate on the subject.

"They frustrate rather than express the popular will. Two houses manipulate and render citizens impotent and apathetic rather than reflect, or responsibly influence, the consent of the governed."

SWALLOW is fighting an uphill battle and he knows it. He needs nearly 300,000 signatures on petitions to get the issue on the 1972 ballot, since the Legislature is not about to put on the ballot a proposal which would eliminate 72 of the seats which now exist.

Part of the difficulty in raising an organization is the fact that so many people who might help run a petition drive can't afford to offend the current members of the Legislature, since they are interested in pending legislation.

"I can't count the number of people who have told me, 'you know, I think you've got a good idea there.

But I can't help you because of that bill I'm interested in," Swallow says.

"Getting the momentum is the toughest part," Swallow says. "When we get 200,000 signatures, people will see it as a serious effort, and they'll be more willing to support it."

THE MICHIGAN Tourist Council thinks the state ought to be spending a lot more to promote tourism than it is.

The council recently released figures showing Michigan ranks 32nd among the nation's states in terms of the money it spends per capita to promote tourism. And it said if the current budget of \$1.1 million were doubled it would still only put the state 24th in the rankings.

Babson Report

Camping's Big Business!

WELLESLEY HILLS, Mass.—To more than 3 million American families, camping means vacationing in a recreational vehicle (with many, if not most, of the comforts and conveniences of home) at a prepared camp site probably just a few hundred feet from a busy highway.

Though the wilderness hiker may look down his nose at his comfort-loving brethren on wheels, the fact of the matter is that the recreational-vehicle industry is one of the nation's fastest-growing enterprises. By 1980, 8-10 million such campers are expected to be on the road, up from only 3.2 million in 1970.

PREDICTIONS of further healthy growth for recreational vehicles are supported by several important trends: (1) The work week continues to decline and vacation time to increase; (2) personal consumption expenditures are expected to climb about 50 percent over the next decade, as has been the case over the past decade; (3) the population will expand by 25 million people, or 1.1 percent annually over the next ten years; (4) the number of campers, risen from 10 million people in 1960 to 20 million in 1969, will advance further to 60 million by 1980; (5) more campers are using recreational vehicles; (6) the number of public and private campgrounds is multiplying rapidly; and (7) the rising costs of alternative leisure activities suggest further growth for recreational vehicles.

For example, in connection with this last issue of rising costs, a chart prepared by Mobile Life Magazine shows the expense for a family of five on a 2,000-mile, two-week trip using different methods of transportation. Costs are estimated at \$1,200 for a family traveling by air, \$725 if using an auto and staying at motels, and \$362 if going by recreational vehicle...which even includes amortization outlays for the recreational vehicle involved.

OF THE BASIC recreational-vehicle types, most popular is the travel trailer, a portable structure with wheels that is towed by a car or truck. Retail prices range from \$700 to \$17,000. Then there is the camping trailer, a folding canvas structure mounted on wheels and also designed to be towed. First-time buyers usually select this type, which ranges in price from \$300 to \$2,000, with the average near \$1,200.

The motor home is a self-powered portable dwelling built on a truck or bus chassis. This has been the industry's hottest line for the past two years and will likely be so again this year. Prices range from \$5,000 to over \$20,000. Truck campers and pickup covers are similar in that they are both portable structures made to be mounted on a pickup or truck chassis. Truck campers sell for \$1,000 to \$4,000, with \$1,900 the average; pickups range from \$300 to \$1,000.

ALTHOUGH there are 800 makers of recreational vehicles, only a handful of the leaders are publicly

held. Largest is Winnebago Industries, accounting for some 35 percent - 40 percent of the motor-home market. Major motor-home competitors include Travco (PRF Industries), Explorer Motor Homes (Anthony Industries), and Lifetime (Boise Cascade).

Many mobile home producers also turn out recreational vehicles — Champion, Fleetwood, and Skyline, among others. Outstanding R-V manufacturers are Beatrice Foods, Avco, Bangor Punta, Sheller Globe, Western Orbis, Kit Manufacturing, Open Road Industries, Camel Manufacturing, and Coachman Industries. Of the most significant companies involved in this steadily growing field, the Babson staff currently considers Boise Cascade in a satisfactory position for purchase by investors seeking longer-term appreciation.

Students to Identify Signs of Conflicts

How often does a group project or a family discussion end up in conflict and argument? How often does hostility keep us from reaching our goals?

Participants in Michigan State University's annual College Week for Women may choose to study the nature of conflict in a three-session short course, June 15-18. Maxine Ferris, communication consultant for the MSU New Horizons Program, will teach the course—one of 23 to be offered at College Week.

"The course views conflict in groups as normal, perhaps inevitable, and often desirable," Dr. Ferris says. "Through discussion, role playing, simulation and other group experiences it focuses on 1) identifying the signs of unrest leading to conflict; 2) diagnosing the causes and possibilities of unrest; 3) planning and following a workable course of action for meeting conflict."

The "students" will learn how groups are often disrupted by value differences and disagreement over priorities related to the expenditure of time and money. They will also learn to recognize a "hidden

agenda"—a buildup of hostility which, even though it may no longer be important, still interrupts group activities.

"Conflicts are often never resolved," according to Dr. Ferris. "Instead, they must be managed. When individuals develop a sense of 'community,' they learn to respect the opinions of others, even if they don't agree."

Other classes offered at College Week will include "Busy Woman's Guide to Power and Influence," "What's Happening to Eating?" "The Emerging Role of the Church Woman"

and "The Family—A Caring Unit."

The event is open to all Michigan women, whether they are college graduates or not. Participants will live in an MSU dormitory and attend three mini-classes of their choice. They will also tour the campus, attend special assemblies and meet other "coeds" in a college atmosphere.

The cost for the entire convention—including food, lodging and registration—is \$40. Commuters may register for \$7. And, for those women who can't attend for the full four days, Thursday, June 17 has been reserved as Visitor's Day. Women may attend Visitor's Day for \$4.

THE GNAT... a real fun buggy that you can assemble yourself and save while doing it!

from the Pastor's Study

Building on Spirit Of Past Sacrifices

Reverend Leslie Harding
Holy Cross Episcopal Church

Memorial Day is over for another year. The Indianapolis "500" came off with some spectacular crashes and only one serious injury to a driver.

And all for what? Do you remember when Moses came down from Mount Sinai with the tablets of the law God had given him and what he found? Do you remember his anger and what he did?

He found a people, whom God had saved from oppression, had guided through barren country, had fed, had given a promise of a new and beautiful land; a people who forgot all this and took it upon themselves to make their own God and live the way they pleased.

Have we remembered any better what has been done for us as exemplified by Memorial Day. Have we so soon forgotten the sacrifice of human life given to keep this

country the way our forefathers' envisioned it to be; the way we want it to be? Or have we forgotten all this and are looking to our own selfishness of what we now consider important? Are we carrying on the spirit of sacrifice to produce something better, or are we just interested in the now. If so, then Memorial Day is a sham.

True, we cannot lament the past, nor the dead, with a sense of frustration or hopelessness. If we do, then it has all been for nothing. What we must do is to take the spirit of the past and give it the hope and vitality needed to make all the dreams come true. This is the value of remembering. To take the strengths, recognize the weaknesses, and build upon them.

But this is built on remembering. "Lest we forget, lest we forget"

But this is built on remembering. "Lest we forget, lest we forget"

Here comes the winner! Can he hold that first-place position? Or will he fail? Victory is the most important thing in the world for these youngsters right now.

Enthusiasm is an important part of successful living. It can stimulate the imagination and inspire the mind. And it can be a contagious thing, too. It can affect your co-workers, your friends and your family.

One of the greatest institutions on earth, the Church, has inherited a rich spiritual enthusiasm which has been handed down through the centuries.

Plan now to attend church next Sunday. Become a part of this great fellowship of believers who can instill and impart enthusiasm into our lives, our community, our world.

1-Card of Thanks

MANY THANKS to all who sent the lovely get well cards, notes and letters during my hospital visit and recovery

To the friends in the Novi and Northville area, we wish to express our thank you for the warmth, love, understanding and kindness shown to us during our time of need. Bob, Jean and Ron Redtke.

MY HEARTFELT thanks to friends and neighbors for the many letters of sympathy, flowers and kind deeds shown us during the illness and death of my husband Mrs. Frances Sellars

TV Scores Big In Penguin City

By ROLLY PETERSON

My wife's an animal nut, so it's understandable why she watched "Penguin City" the second time around as intently as she had watched it the first.

It was a truly marvelous documentary made by CBS in cooperation with the National Science Foundation which had financed the study of these queer birds who are most vividly remembered for the metaphorical comparison with a man wearing a tuxedo.

The bird itself is a most unusual creature, weighing about 13 pounds and unable to fly, although it has flippers that qualify as wings.

Single House

Continued from Page 3-B

Council Chairman Aurey Strohpaal of Grand Rapids said the tourist budget last year generated \$1.36 billion in tourist spending, of which \$95 million was returned to the state treasury in taxes.

"That is a profit ratio of around \$90 returned for every one dollar invested," he says. "In private business that would be regarded as an incredible formula for instant success."

Michigan's \$1.1 million expenditure averages out to 12 cents per citizen. The leading state in spending per citizen in Hawaii, which spends \$2.63 for each resident.

Their flippers, combined with a fish-like tail, give them tremendous thrust in the water, so that they can virtually launch themselves into the air.

The inventor of the flying saucer which kids pull out every winter to slide down hill must have taken his cue from the penguin.

If this were all "Penguin City" was about then perhaps the same type of documentary could have been produced right at your local zoo, with special attention to antics to produce the appropriate laughs.

But there was a grimmer, fundamental aspect to "Penguin City"—the instinctual mating of the penguins and the elements which they annually ignore to produce these young.

The Antarctica itself provides enough hazards—sub-sub zero temperatures, winds that reach 140 miles per hour and leave a large number of the 300,000 penguins in Penguin City either dead or maimed, and, of course, the cutting snow.

The predators are another part of this grim existence. Leopard seals follow the penguins and prey on them when the penguins plunge into the water.

And like other wild beasts, the penguins can be their own worst enemy. They fight among themselves, especially when a female is involved; and shelter and security might also be provocation for a fight.

With productions like Penguin City, the tube can be rewarding.

SENATOR PURSELL

Senator Pursell

Named 'Little Hoover' VP

Senator Carl D. Pursell (R-Plymouth) Thursday was named vice-chairman of a new and all-powerful "Little Hoover Commission" type Senate committee whose far-reaching authority, including power of subpoena, will be focused on stemming ever-soaring costs of state government.

Governmental Efficiency Committee, the bipartisan four-member body will be headed by Senator Stanley F. Rozycki (D-Hamtramck), who pledged a hard look at "too many expensive people on the payrolls."

and good judgment on the Senate floor." He added that Pursell's wide experience in county government would prove to be "most beneficial to our new committee."

The new Senate committee is reminiscent of the Michigan Joint Legislative Committee on Reorganization of State Government which was formed in 1949 with Representative Robert M. Montgomery of Lansing as chairman.

Ironically, one of the 14 committee members at that time was Senator James T. Milliken of Traverse City, father of Governor William G. Milliken.

Other functions of the new Senate committee, Pursell said, will be the investigation of outmoded and unnecessary programs, inefficient and wasteful practices and the need for reorganization of executive departments and agencies.

Following our investigations, our findings will be reported to the Senate along with recommended legislation to correct these wrongs," he remarked.

Committee members were named Thursday afternoon by the Senate business committee upon the recommendation of Rozycki who was picked previously for the chairmanship.

Senate Resolution 75 which calls for creation of the new committee noted that no since adoption of the new Michigan Constitution in 1963, have the executive and legislative branches of Michigan state government determined "these departments and agencies of the executive branch are providing public services and conducting operations efficiently and economically."

Once organized, the Senate body will be empowered to subpoena witnesses, administer oaths and examine books and records of any person, partnership, association or corporation, public or private.

Out of Horse's Mouth

South Lyon Farm Hosts Show Sunday

Horse and Pony Show, Sunday, June 6. Woods and Waters Farm, Pontiac Trail and 9 Mile Rd., South Lyon. 40 Classes starting time 9:00 a.m. Halter classes for registered Shetlands, registered Hackneys, grade ponies, registered horses, Registered P. O. A. grade horses and registered Welsh ponies.

manner. Dry entire saddle with chamois. Take clean sponge, dampen slightly, and apply leather preservative or glycerine soap without suds to all parts of saddle.

Morgans at these levels. Entry fees are \$3.50 per class. Any type of riding attire and any type of English saddle will be acceptable.

Stars, Planets To Brighten Sky

A constellation with two names, a double star, and a pair of bright planets will highlight June's evening skies, notes University of Michigan astronomer Hazel M. Losh.

star marking the top of the Cross and the tail of the Swan. Other bright stars of June are Vega, rising before Deneb, Arcturus and Spica, both near the meridian around sunset, and Regulus, found in the southwest.

Jupiter and Mars will be the brightest planets of the month. Jupiter, formerly in the constellation Capricornus, has crossed the border into Libra, Professor Losh notes.

Moving through the constellation Capricornus, Mars will rise in the southeast around midnight. Four degrees south of the moon on June 13th, Mars will be easy to spot because of its brightness and solitude, Professor Losh says.

Venus will continue as the morning planet. But as it drops closer to the sun, it becomes more difficult to see, Professor Losh says.

continued next week Dressage Show, Saturday, July 24, 8:00 a.m. at Park Chapman Stables, Lenton, Michigan.

Classes offered will be Training Level Test I, First Level Test I, Second Level Test I, Dressage Equitation, Dressage Pleasure Horse, and "Simon Says" Class. Special classes will be offered at Training and First Levels for novice riders; special classes also for combined Arabs, Half-Arabs, and

Cygnus—the Swan—is a northern constellation rising in the northeast shortly after sundown: "Flying southward; the Swan's wings are spread wide, its neck is stretched out, and its feet are formed by fainter stars trailing behind in the Milky Way."

Once a week, wash with saddle soap or with castile soap and lightly apply leather dressing to all leather parts. Avoid excess oil, which will darken new leather and soil clothing.

The saddle—remove girth, clean well. Turn saddle upside down, wash panel (that part of saddle in contact with horse's back) and gullet (underside center) with sponge wetted in warm water and wrung out, apply saddle soap to leather, and rub to work up a stiff lather to remove sweat and dirt before it hardens.

He'll Tour Europe

John Weatherly of 6050 Brighton Road and member of the University of Michigan Men's Glee Club will be included with the group when they embark for a European tour on May 31.

This is the fifth tour to Europe for the Glee Club and in the six-week span, will perform in major Western and Eastern cities. In culminating the tour, they will compete in the International Musical Eisteddfod in Llangollen, Wales.
