

# NEWS BRIEFS

**POLICE** protection for Northville township was the subject for discussion Tuesday evening at a special meeting of the township board. City Manager Frank Ollendorff and City Police Chief Sam Elkins presented proposals designed to merge the two police units into one department, ideally a 21-man force under a single chief. Thursday morning (today) the township board is scheduled to meet with county officials to discuss costs of contracting for additional police service from the Wayne county sheriff. Details of both the city and county proposals will appear in next week's edition of The Record.

**CONGRESSMAN** Marvin Esch is scheduled to meet briefly Saturday from 8:30 to 9 a.m. at the Northville city hall with any local citizens who may wish to discuss legislation or other matters concerning government.

**NEGOTIATORS** for the Northville Education Association and the Northville School District are expected to meet Tuesday to discuss counter proposals offered last week by the district. As of yet none of the items of the contract have been resolved, but both sides report they are "optimistic" about reaching an early settlement.

**NORTHVILLE**, Livonia, Farmington and Plymouth will be the first communities in Northville to use an All Call Dialing system when it is started Sunday, July 11, Michigan Bell Telephone Company revealed this past week. With All Call Dialing, telephone customers—private and telephone booth—will be able to dial all long distance calls, Bell explained.

## Downtown Complex

### Planners Eye New Drawing

A special public meeting to review preliminary architectural sketches of the proposed Northville Square development, to be located between Main and Cady streets along Wing, has been set for June 29 by the Northville Planning Commission.

Also on the agenda of this meeting, to be held at 8 p.m. in the city hall, will be the final plans for the proposed apartment complex to be located along Novi Road just north of Eight Mile Road on the former city well site.

In setting the meeting date, Commission Chairman Thomas Wheaton explained that while a public hearing on these two matters is not required by law the commission believes they deserve airing at a special public meeting because of the interest shown by local citizens.

Concerning the Northville Square proposal, the developer, R. H. McManus, and a representative of the architectural firm of Louis D. Redstone Associates, Thursday introduced to the commission a revised drawing of its original suggestion that sparked considerable opposition by local citizens.

Only the architect's conception of the Wing Street side of the proposal was shown. It suggested, in place of a wide, single expanse of brick and windows, vertical lines together with a mixture of large curved and small vertical windows at two levels. It included modified mansard roof lines.

The revised drawing also suggested, because of the steep pitch of the land from a high point at Main to a low point at Cady, a second level balcony walkway.

In introducing the plan, the architect indicated he was "not too happy" with the drawing and he preferred the original. He opened his presentation by showing slides to back up his contention that a business district's chief advantage over the new shopping centers is its versatility — its combination of many different kinds of architectural lines.

These combinations from one building to the next, as in Birmingham, surprise and excite visitors while the

modern shopping centers offer only the one stereotype appearance, he said. Downtown business districts, he said, make an economic mistake by believing they can best compete by offering the same single appearance as the outside shopping center.

While not saying so, he was referring to local efforts to give the downtown area an early American or Colonial look.

Concerning the latter it was noted that old Northville is not Colonial nor Early American but rather its closest resemblance to any architectural era suggests Victorian.

Architecturally, Early American is really a combination of many kinds of design brought to the United States from throughout the world, the architect said.

The commission was not entirely convinced by the architect's argument regarding central business districts nor did it indicate total acceptance of the revised drawing. Members did indicate, however, that the revision was "getting closer" to what it felt the public would prefer. No drawing will be acceptable by

### Plat Approved, Models Started

Final plat of Thompson-Brown's Lexington Commons North subdivision was approved by the Northville City Council Monday night upon the recommendation of the planning commission.

Approval includes all of the single family housing development north of Eight Mile Road on either side of Taft Road but it excludes multiple housing units.

Construction of model homes in the subdivision has already begun.

In approving the plat, the council conditioned its action on replacement of fire hydrant heads already in place. The hydrant threads do not fit local fire department hoses.

# 'They're Off' Tonight at Downs

It will mark the 28th opening of a Northville Downs' harness racing season tonight (Thursday) when the announcer cries "they're off".

And Executive Manager John Carlo is predicting one of the best opening nights ever with betting topping \$400,000.

"Our track's in great shape and the weather should be good. Naturally, Saturday

should be a bigger, but Thursday will be a strong opening night", the veteran racing executive stated.

One of Carlo's reasons for being enthusiastic over the prospects of a strong summer meet in Northville is the field of horses.

"It's one of the best we've had in years", Carlo noted. All 710 of the Downs' stalls are

filled. There were 1,300 applications for accommodations.

Among the well-known drivers who will be competing for purses at the Downs are Don and Wally McIlmurray, Morrie McDonald and Shelly Goudreau of Ontario, Doug Ackerman, Tom and Jim Merriman, Merrit Dokey, Jim McGarty, Bud and Jake Foster,

Tom Wilburn, Don Hall, and the always powerful Saunders Mills stables.

Post time for the summer meet will be 8:30 p.m. with daily double windows closing at 8:25 p.m. The Big Quinella and Perfecta will again be featured attractions for betting fans.

The current season closes August 3.

# Novi-Northville Drain May Cost \$1.2 Million

More than two years of study appears close to becoming more than paper work as county officials prepare to order storm drainage improvements in Novi and Northville.

In a report to the Northville council Monday night, City Manager Frank Ollendorff disclosed that the intergovernmental agencies—Novi, Northville, and the drain commissions of Wayne and Oakland counties—have concluded engineering studies and are awaiting now municipal concurrence before beginning steps for implementation.

Specifically, the drainage area in question extends from a point in Novi near Nine Mile Road, between Taft and Beck, southeast to the corner of Eight Mile and Taft, across Eight and, following the stream, east across Center Street (in the vicinity of Northville Laundry) and Hutton and into the branch of the Rouge River.

Three alternative plans are under consideration, reported Ollendorff, ranging in cost from an estimated \$670,000 to \$1.2 million. The drain commissions favor the plan involving the lower figure, Ollendorff said, but have tabled the selection pending investigation by the Northville council.

The city manager said he asked for a delay, in behalf of the city, because he and City Engineer Harold Penn view the drain commission's preference and the reported cost with some misgiving.

City council members, along with Ollendorff, are to "walk" the drainage route this afternoon.

Basically, the three plans under consideration are: 1. Completely enclosing the drain as it now passes through the apartment complex at Eight Mile and Randolph, improving the channel to Center Street, and enclosing

the drain from Center east to the river. Cost is estimated at \$670,000.

2. One large retention basin, northwest of the Thompson-Brown development at Taft and Center, together with a smaller one in the same general area, and lesser drainage improvements inside the city of Northville. Cost estimated at \$1,060,000.

3. One large and one small retention basin northwest of the Thompson-Brown project, and no enclosed drains except a smaller one from Center Street east. Cost estimated at \$1,200,000.

While Ollendorff concurs that the plan costing the least probably should be picked, he finds it "difficult to believe" that creation of retention basins on vacant, swampy property would be more costly than extensive channel improvements and drain enclosures in Northville.

Cost of dredging for the retention basins, the city manager contends, has been over-estimated. The drainage commissions' engineers, Johnson and Anderson, see a necessity for purchasing upwards of 40 acres for these basins when, in Ollendorff's view, about 15 acres would suffice—provide the depth of the basins are increased from one-to-three feet, as recommended, to six-to-10 feet.

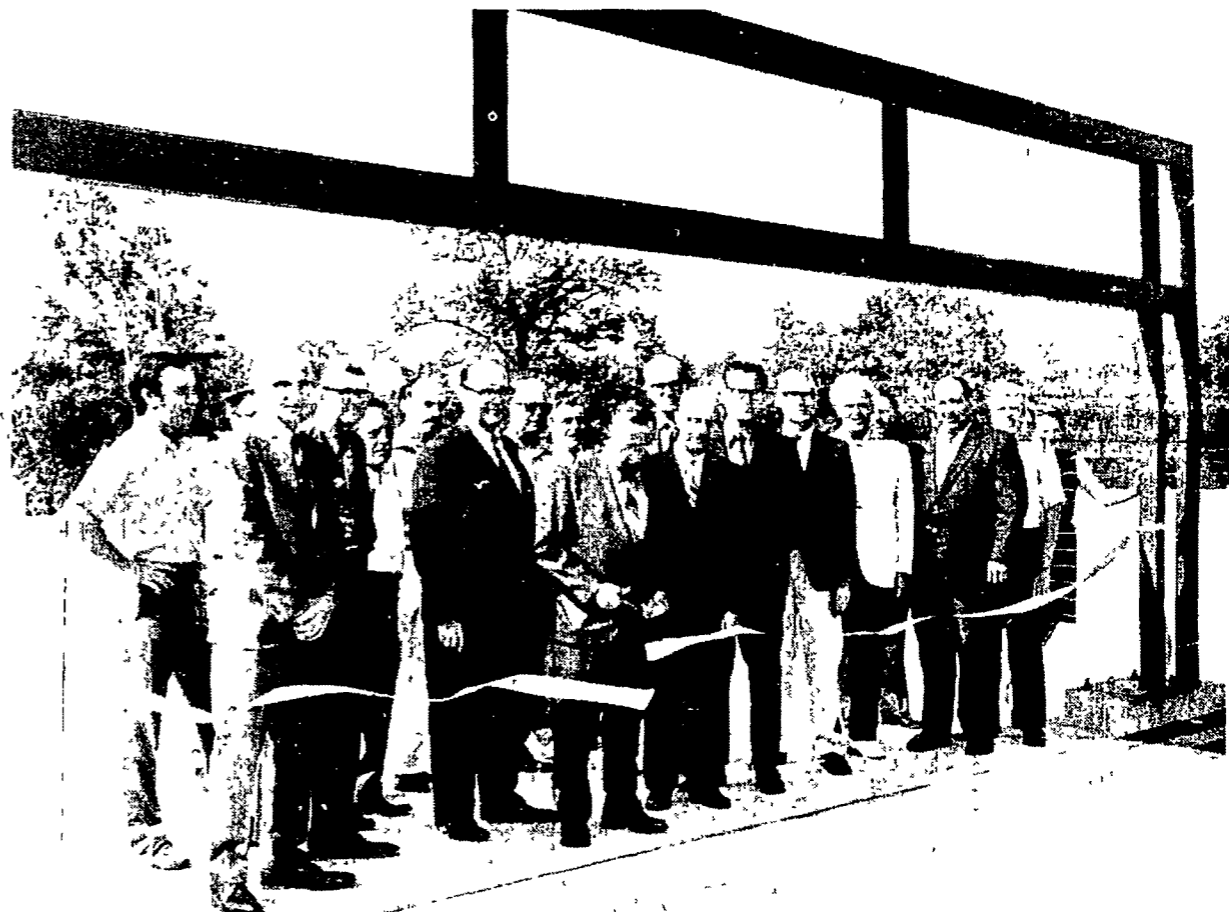

"My first thought is that creation of a lake would enhance the value of the swampy property," he said. The manager said it appears to him that "cost of the retention basins have been over-estimated." He noted that some of the enclosed drains envisioned by engineers are 8-feet by 13-feet in diameter.

Furthermore, Ollendorff said that by rerouting the enclosed drain along the west and south side of the apartment complex at Eight Mile and Randolph a considerable cost savings could be realized.

He emphasized that none of the plans under consideration would disturb the existing open stream enhancing the apartment complex or the neighborhood east of Center Street. The enclosed drains, he explained, would serve as overflow tunnels during storms, thus leaving a flow of water in the stream itself.

No decision has been made as to financing the drain improvements. Once the drain commissions have ordered the project and established a formula split of costs between the cities of Novi and Northville thus established, it is then up to the two municipalities to decide how they will pay their shares.

Presumably, in Northville's case the council could order the entire cost be paid out of the public improvement fund (race rack revenue) or assess the cost to benefiting property owners.

**DECK OPENS** — Northville Mayor A. M. Allen snips the ribbon, officially opening the new city parking deck on East Cady. He is flanked by Russell Amerman, chairman of the Building Authority (immediately left of the mayor), other city officials, and representatives of the

architectural and construction firms, Retail Merchants Association, and the Chamber of Commerce. Parking is free on the two-level deck, which has a top entrance (shown here) from the alley between Main and Cady streets and a lower entrance from Cady Street.

## New Hawthorn Director

# Dr. Wright Appointed

The appointment of Dr. Harold L. Wright, Jr., as director of Hawthorn Center has been announced by Dr. E. Gordon Yudashkin, director of the Michigan Department of Mental Health.

Dr. Wright, a Northville resident, has been serving in the capacity of acting director

since January 1 when Dr. Ralph D. Rabinovitch stepped down from the administrative post to restrict his activities to clinical research for the Center.

Dr. Yudashkin noted that Dr. Wright was one of 30 applicants screened by a search committee named to find a successor to the administrative directorship of the world famous psychiatric hospital and clinic for children. Hawthorn Center is located just south of Seven Mile on Haggerty Road adjoining the Northville State Hospital in Northville Township.

"Dr. Wright has done an excellent job during the six months he has been director of the Center", Dr. Yudashkin noted. "He was always in high contention during the search committee's deliberations".

The committee's conclusion was unanimous that Dr. Wright would continue the outstanding work of Dr. Rabinovitch in keeping Hawthorn Center in the forefront of the nation's psychiatric hospitals for children, Michigan's mental health director pointed out.

Members of the search committee, who reviewed applications, and conducted

interviews, were: Albert J. Silverman, M.D., chairman of the Department of Psychiatry and director of the Neuropsychiatric Institute of the University of Michigan; Jacques S. Gottlieb, M.D., chairman of the Department

of Psychiatry of Wayne State University and Director of Lafayette Clinic; Joseph Fischhoff, M.D., professor of psychiatry at Wayne State University, and Saul

## Citizens Reject 'Year-Round'

With 67 percent of the mock year-round school schedules returned, opposition to the concept continues to climb.

According to Superintendent Raymond Spear, since last week total community responses "have gained six per cent in those opposed to the concept, two per cent in favor of year-round school and dropped eight per cent in the number of families with no opinion."

Spear said that 543 cards have not been returned and plans are being made this week to contact the families by phone.

"We'll either get a response by phone how the families feel about the schedule or remind

them to get their cards in," Spear commented.

Though a letter accompanying the mock schedules noted that cards not returned would be recorded as acceptance of the schedule, Spear said he does not believe that all of the 543 families who have not returned their cards are in favor of the concept.

To date, 1,035 of the 1,578 cards have been returned. Of the cards returned, 73 percent find the schedule unacceptable or are opposed to the concept while 27 percent find the schedule acceptable or are in favor of

DR. HAROLD L. WRIGHT

# Plumbing to Transportation

## Fish Seeks Volunteers

Answering emergency calls for help-with anything from transportation to drug information-is the chief purpose of Fish. A local volunteer service group.

The group mans a private telephone number (349-4350) 24 hours a day providing confidential service to people in need. Of late Fish operations have been hindered, due to a lack of volunteer manpower.

"If we don't get more people soon Fish will probably fold," observed a spokesman for the group. "I would really hate to see that because so many people have been helped by our organization."

Specifically, Fish operates through a private answering service which relays all calls to a volunteer for the day. He in turn searches through volunteer lists to find someone who can help solve the problem.

"Our most frequent calls are for transportation," the spokesman reported. All kinds of assistance have been granted, however, including requests for free plumbing, legal services, food baskets, yard work, etc.

Fish also provides a referral service for professional help not available from Fish volunteers.

"For a while we were getting as many as three or four calls a day," the spokesman noted. "Lately the number has fallen to about three or four a week. I guess people are forgetting about us."

Due to the lack of manpower, too, several calls for aid have gone unanswered. "These were mostly calls for regular transportation, such as weekly trips to the doctor," the spokesman said.

Although more than 75 persons have volunteered to lend service, others are needed. Anyone, including young people, is eligible to

volunteer for small jobs like sewing, cooking and yard work. The only training involves a meeting at which a special Fish film is viewed.

"The more volunteers on the list, the less a person will be called," explained the spokesman. "Providing service does not mean taking up a lot of the volunteers' time. It can mean only an occasional call. The volunteers attend only an annual meeting to exchange ideas, hear progress reports and get recruitment."

Persons who may wish to lend assistance may call Fish, 349-4350, and indicate those areas in which they feel they can be of service.

Originally called Project Help, the group was organized over a year ago when a group of clergymen and laymen in the Northville- Novi area banded together. Their aim was to provide help to the sick, the poor, anyone living alone or one who has an emergency, whether it be for professional referrals or household assistance.

Fish operates on \$40 a month, donated by different churches in the area. Funds are used mostly to pay for the answering service, as stationery, food and appliances are usually donated.

Last February the group changed its name to Fish, because of its more widespread familiarity and good reputation.

The Fish name and symbol are almost as old as Christianity, being used in the early days of the Church for recognition and as a password, a spokesman explained. The first American Fish chapter was founded in West Springfield, Massachusetts in 1964. Since then the idea of people helping each other in an organized way has caught on across the country.

**NEW SENATORS**—Sophomore Student Senators at Schoolcraft College take their oath of office from Dr. C. Nelson Grote, the school's new president. The Senators are, from left, Mary Ellen Wiltzie (Livonia), Melody McClendon (Plymouth), Gary Schlachter (Detroit), Sue List, 21875 Novi Road, Jeanette Antonelli (Livonia), and Shirley Byler (Livonia). Ben Reuland (Livonia) was absent.

# Karrell - Webb Vows Exchanged Saturday

BARBARA CUPPETT

## Miss Cuppett Tours Europe

Barbara Cuppett, a recent graduate of Northville High School, is one of seven people from Michigan who have been selected to tour Europe this summer with the "Young Americans in Concert." She sings with the 425 voice choir, which is accompanied by a band and orchestra.

After auditioning Barb was accepted into the group last February, which is affiliated with the Universal Academy of Music in Princeton, N.J. Her previous musical experience includes membership in several state honor's choirs and parts in the two high school musicals, "Anything Goes" and "Mame."

After a performance at Carnegie Hall in New York and one in Washington D.C., the group will fly to London. Concerts will be given in London, Paris, Rome, Brussels, Zurich, Innsbruck, Venice, Genoa and Nice. They will also take part in various music festivals.

Following a month's tour Barb will return home in time to enter Eastern Michigan University this fall, where she plans to major in physical education. She is the daughter of Mr. and Mrs. Charles Cuppett, 18262 Arselot.

By improvising the traditional marriage ceremony Marianna Kristina Karell and Darryl John Webb added personal meaning to the wedding service in which they exchanged vows.

They were married in an evening ceremony Saturday at the Apostolic Lutheran Church in Southfield. The Reverend Elmer Liimatta officiated before an altar banked with white daisy mums and palm leaves.

Music was provided when soloist Alona Moon sang "Wedding Prayer" and two other selections. She was substituting for Carmen Cavallero of Wixom who was injured earlier this week.

During the ceremony the poem "Like Unto A Tree," a favorite selection of the bride, was read by the maid of honor. Pastor Liimatta performed the rites twice, once in English and once in the Finnish language.

The service concluded when the bride and bridegroom approached both sets of parents, kissed them and gave both mothers a long-stemmed pink carnation from the bridal bouquet. The bride is the daughter of Mr. and Mrs. Jack Karell of 2263 Nalone, Wixom, and his parents are Mr. and Mrs. John Webb of Farmington.

Given in marriage by her father, the bride wore a white crepe wedding gown which she made herself. The A-line dress featured an empire waist and long bishop sleeves. Venice lace was used to trim the scoop neckline and wide cuffs, also a slight train. She carried a cascade of white stephanotis and pink sweetheart roses.

Lisa Wischmeyer of Rochester, New York, college roommate of the bride, served as maid of honor. Bridesmaids were Joan Dinkel of Walled Lake, Jill Kahrnoff of Southfield and Marsha Webb, sister of the bridegroom.

They wore identical floor-length empire styled gowns of pastel flowered voile, fashioned by the bride. Each dress had short puffed sleeves with a scoop neckline, edged in soft ruffles. They wore Dior bows in their hair.

Serving as best man was

Richard Wait of Livonia. Ushers were Markku Karell, brother of the bride, Christopher Webb of Royal Oak, and Mark Webb of Farmington.

For the wedding Mrs. Karell, mother of the bride, wore an aqua knit ensemble and Mrs. Webb, mother of the bridegroom, wore pink chiffon over taffeta. Both wore corsages of pink carnations and white roses.

About 300 friends and relatives attended a reception in the American Legion Hall in Farmington following the service. Included among them was the Harri Karell family from Kymi, Finland. During the reception Mr. and Mrs. Jack Karell, parents of the bride, announced the engagement of their son Markku to Heidi Chris of Grand Rapids.

Following a wedding trip to the Sleeping Bear Dunes, the new couple will make their home in Waterford. Both attend Oakland University where Webb will receive a degree in December and the bride is entering her senior year.

## Anniversary Year's Success

# TH Grants Awards

Recipients of financial awards from the Northville Town Hall series were announced this week as Town Hall completed its successful 10th Anniversary season.

Total profits for the year were nearly \$3,500, compared to last year's all time high of \$2,600. Over the years Town Hall lecture series has netted a total of \$19,420 in profits.

Beneficiaries of this year's return were chosen earlier this spring by the awards committee, chaired by Mrs. H. Wagenschutz. Other members of the committee were Mrs. William Milne and Herman Moehman of Northville and representatives from Plymouth, Livonia and Farmington.

Charities which received grants on request were: King's Daughters, Plymouth Womens Club, Northville Historical Society, Livonia YMCA, St. John's Episcopal League, Northville State Hospital, Northville Jaycees and Cavern Teen Club.

Also, Huron Valley Girl Scouts, Livonia Youth Symphony Society, Inc., and Friends of the Northville Library.

In announcing this year's recipients Mrs. Francis Korte, publicity chairman, expressed concern that "A lot of people do not realize that Town Hall is a non-profit

organization. Over the last 10 years 27 different organizations have received grants from Town Hall."

The Northville series was formed 10 years ago, Mrs. Korte explained, at the suggestion of Mrs. Ann Rahaley, a member of Our

Lady's League of Our Lady of Victory Church. By sponsoring Town Hall the League would receive half of the proceeds, she suggested. The other half would be awarded to charities in the Farmington, Livonia, Northville and Novi areas.

# Urge Liberalized Child Care Aid

By the time she pays for babysitting or day care, clothes and transportation, a mother of three could find her job earnings chopped by 50 to 80 percent.

If her income places the family in a higher tax bracket, she could actually be costing them money by working.

Yet last year, 10.2 million women with children under 18 had re-entered the labor force and their ranks are increasing steadily. Government agencies and employers are overdue in giving the working mothers incentives and eliminating the impediments they now face, says Wilbur J. Cohen, dean of The University of Michigan School of Education.

As U.S. Secretary of Health, Education and Welfare (HEW) in 1968, Cohen urged the liberalized child care deductions that are included in the Social Security and Welfare Reform Bill now pending before the U.S. Congress. He testified in favor of an adjustment in March 1969 during the Congressional tax reform hearings.

"Present deductions range from \$600 for one child to a maximum of \$900, and are reduced sharply if a couple's income exceeds \$6,000," he said. "The bill would raise deductions to \$750 for one child, \$1,125 for two, and \$1,500 for three or more children, and apply to couples making up to \$12,000."

"The bill also calls for expenditures of \$800 million for federally funded day care centers, \$800 million for new public service jobs (including day care staffing) and \$500 million for the training of mothers on welfare.

"Priority should be given to carrying out these provisions," the former HEW secretary said. "I personally favor channeling more federal funds into day care centers for families of all income levels."

"Future day care or early learning experiences will probably be located at the office or factory where the mother works, rather than the community school. I predict that 10 years from now, the mother will be given two periods off during the day to visit the child, and that this will create a closer relationship between the mother and child than ever before."

"I also feel women should be given the option of a 30 hour work week," Cohen continued. "Hours from, say, 9 a.m. to 3 p.m., would allow her time to run the household and to be home when the children aren't in school."

Last year, working mothers included 49 per cent of all women with children aged 6 to 17; 37 percent of mothers of children aged three to five, and 26 percent of mothers with children aged two and under.

# Showers Fete Brides-to-be

Bridal showers honoring summer brides from Northville were held last week in the homes of different area residents.

Close friends and relatives of Mrs. Elaine Snow honored her at a personal bridal shower last Saturday, given by Mrs. Seth Whitmarsh of South Lyon. Included among the guests were many of the bride-to-be's former co-

workers from the Northville Record.

Mrs. Snow will exchange vows with Larry Samples on June 27 in the home of her sister Lathrup Village. Afterwards a reception will be held for family and close friends of the couple.

An afternoon tea, a linen shower, was given in honor of Linda Secord in the home of

Mrs. Robert Lang, 105 Linden last Thursday. Serving as co-hostesses were Mrs. Al Wistert, Mrs. George Zerbel and Mrs. Frank Pauli. Antique flower arrangements were also provided by Mrs. Paul Hughes.

About 15 friends and relatives attended including many friends of the bride's mother. Miss Secord will marry Bill Stevens of Detroit on July 10.

Sandra Schwendemann, a former resident of Northville, was honored at a miscellaneous shower luncheon last Friday given in the home of Mrs. George Murany, 46842 Gramere. About 15 guests attended including many friends of the bride's mother, Mrs. Donald Schwendemann of St. Clair Shores.

The bride-to-be moved from Northville two years ago after graduating from high school. She is currently majoring in business administration at Alma College. She will exchange vows with Jeffrey Barker, an Alma graduate from Greenville, Michigan, on July 10 in St. Clair Shores.

# Attend VFW Convention

Nine women will represent the VFW Auxiliary Post 4012 this week at the state convention in Kalamazoo. The convention opens today, Thursday, and continues through Sunday.

Attending from the local auxiliary are Mrs. Lawrence (Lee) McArthur who is past president of the auxiliary, Mrs. Walter (Eileen) Sousa,

Mrs. Everett (Helen) McCollum, Mrs. William (Irene) Durham, Mrs. Cloyce (Dorothy) Myers, Mrs. Clayton (Bebe) Myers, Mrs. Lloyd (Betty) Morgan, Mrs. Louis (Beverly) Lanning and Mrs. William (Dorothy) Widmaier.

Representing the national organization will be Mrs. John (Glenn) Grossman of

Chicago, National Americanism Director of the Ladies Auxiliary.

Presiding at the convention sessions will be Mrs. Louie (Gertrude) Tortorelli of Detroit, Department President.

Various department chairmen will report on the annual activities of the 310 auxiliaries in the state and awards will be made for outstanding accomplishments.

Auxiliary members annually give more than eight million dollars and over 14 million volunteer hours

# Six Local Girls Camp at Linden

Six Northville girls are attending the first session of Camp Linden, resident camp of the Huron Valley Girl Scout Council. The session began June 23 and will continue through July 7.

Local Junior Girl Scouts at the camp are: Leslie Ann Drawe, Lisa Fendt, Kathy Goodwin, Sarah Pixley, Susan Siebenaller, and Deborah Todd. During their two-week stay at the camp, they will live in tents pitched on wooden platforms and participate in a variety of activities including swimming, hiking, canoeing, nature study, and campcraft.

William Schlieff, of

Northville, resident site director of Camp Linden, will be the director of the resident camp. According to Schlieff the unique aspect of Girl Scout camping is that the program is entirely girl-planned. "Kids are asking for more responsibility in all aspects of their lives," he said. The staff at Camp Linden receives special training in helping the girls plan and carry out the activities they want to do so they have fun and learn at the same time."

Three additional camp sessions will be held this summer. According to Schlieff there are still openings for the last session, August 4 to 18.

BARBARA COWDEN

KAREN PORTER

DEBORAH LUCKETT

KRISTIE KILLEEN

# Announce Engagements

**BARBARA COWDEN**  
Mr. and Mrs. Ray Cowden of Farmington announce the engagement of their daughter, Barbara Rae, to George Vernon Gravelle. He is the son of George Gravelle of Farmington and Mrs. Shirley Strong of California. Both the bride-to-be and her fiancé are June graduates of Novi High School. He is currently employed at Beverly Manor nursing home. They will be married on October 16.

**KAREN KAYE PORTER**  
Mr. and Mrs. Harry W. Porter of Highland, Michigan, announce the engagement of their daughter, Karen Kaye, to Frank G. Oppeneer of Northville. His parents are Mr. and Mrs. Kenneth G. Oppeneer of 2371 Milford Road. The bride-elect is employed by the Michigan Seamless Tube Company. Her fiancé is employed at Freydl Men's Wear in Northville. No wedding date has been set.

**DEBORAH LYNN LUCKETT**  
The engagement and approaching marriage of Deborah Lynn Luckett and Thomas Raymond Slattery is announced by her parents, Dr. and Mrs. Ralph E. Luckett of 4404 Wyngate. He is the son of Mr. and Mrs. William R. Slattery of 46812 Dunsany. Miss Luckett graduated from Northville High School in 1970 and is presently attending Schoolcraft college. Her fiancé graduated from Northville High School in 1962, received a B.A. degree from the University of Michigan and an M.A. degree from Eastern Michigan University. An August 28 wedding is planned.

**KRISTIE LYNN KILLEEN**  
Mr. and Mrs. Alvin Killeen of 26399 Beck announce the engagement of their daughter, Kristie Lynn, to Bruce Thomas Taylor. He is the son of Mr. and Mrs. David G. Taylor of 360 Woodland Drive in South Lyon. The bride-elect is a 1970 graduate of Novi High School and is currently employed at Mobil Temp in Brighton. Her fiancé graduated from South Lyon High School in 1968 and is employed with Thermofil, Inc. in Ypsilanti. An August wedding is planned.

# Jaycettes To Help Patients

A new concept in therapy designed for less critical patients at Northville State Hospital has been initiated with the help of Northville's Jaycettes. "Rather than us coming in to them, the patients will be going out with us," explained Mrs. Lisa Buckland, spokesman for the Jaycettes. Outings will include such things as the trip to Whistle Stop miniature golf course, slated today, followed by a picnic in the park.

For more than two years Jaycette couples have been visiting patients on Friday nights for bingo games and refreshments. "It's very hard to find something which all the patients are interested in," Mrs. Buckland observed. "The Fieldbrook unit which we have been working with includes both men and women, some teenagers and some older people."

The new idea of taking patients for excursions was conceived during a meeting last month at the home of Mrs. William Broadbudd, 515 Reed. At that time 15 Jaycettes met with 15 patients and Ervin Johnson, director of the Fieldbrook unit, to discuss new projects. The suggestion of making little trips met with everyone's enthusiastic approval.

An added boost to today's pilot project came when Whistle Stop owners Buddy Spencer and Stephen Utley offered to donate their course to the patients. "We certainly didn't expect them to donate us," said Mrs. Buckland in expressing her appreciation. Similar excursions are slated later this summer under the direction of Mrs. Carol Swienkowski and Mrs. Nancy Dustin, Jaycette co-chairman. They will be financed through special projects, such as the traditional flag sale during the Fourth of July parade.

**GIFTS FOR SERVICE**—Service girls and safety boys of the year from Northville's elementary schools were honored with gifts in the closing days of school this summer. The girls received pearl bracelets from Mr. and Mrs. Jan Reef, Reef Manufacturing Co, and the boys were awarded plaques with their name inscribed by A. Russell Clarke, representing Manufacturers National Bank. Pictured from left to right are: front row, Lori Hopping, Amerman; Mark McDonald, Moraine; Kathy Carter, Moraine; Alan Wheatley, Main Street; back row, Earl Wuestnick, Amerman; Russ Clark; Pam Pylas, Main Street; Jan Reef.

# 52 Novi Seniors Continue Studies

Forty-nine percent of Novi's 1971 graduating class—52 out of 107 students—will continue their education in college or trade school next fall. The number is considerably less than last year, when 65 out of 103 or 63 percent of the graduating seniors were college bound.

"I would assume that the reason might be finances," suggested Mrs. Beverly Cook, secretary at the high school counseling department. "We had hoped to encourage more but we do feel that a lot of it is the financial situation of the nation. Kid's just can't find jobs and they can't afford to go on."

Quite a few more of the Novi graduates would like to go on if they could afford it, Mrs. Cook believes. But finances pose a problem. "I am surprised that we have as many going as there are," she said. "We've been trying to stress the vocational field as an alternative. In result one graduate is apprenticed to a plumber, another is working for a florist."

Further evidence of the financial squeeze is indicated in the choice of schools by the college-bound. With one exception each will attend an in-state school, compared to last year when five students or nine percent of the total journeyed outside Michigan.

New books at Northville Public Library this week include:  
**ADULT FICTION**  
"Bound to Violence", Yambo Oulouguem; Epic tale of the power struggles between French, Arabs and Africans in the mythical country of Nakem. "The Drifters", James

Michener; Set in Europe and concerned with the young politically alienated. **ADULT NON FICTION**  
"How to Travel Europe by Rail", Hank Stansbury "The Magic of Camellias", Norman J. Sparnon; Recounts the origins and lore of flowers with ideas for arrangements.

# Novi Questers Elect Officers

With organizational work finally completed, members of Questers new No. VI Station Chapter now anticipate concentrating on learning more about antiques. Final groundwork was laid at the last meeting of the year in the Novi home of Mrs. George S. Drake. At that time club by-laws were revised and plans made for the "first full

year of being organized". New officers were also elected for 1971-72. They are Mrs. Kenneth Pickl, named president for her second term; Mrs. Bernard Spafford, first vice-president; Mrs. G. G. Ruschs, second vice-president; Mrs. Joseph Pasang, recording secretary; Mrs. Joseph Bongiovanni, corresponding secretary; and Mrs. Albert Heath, treasurer.

# Cooke Assembly Honors Students

More than 200 students at Cooke Junior High were honored last Wednesday at a recognition assembly.

Awards were given to the top students in football, basketball, swimming, track, art, shop, band and home economics.

Also receiving awards were students who participated in GAL, choir, student council, newspaper, cheerleading and office girls. DAR, perfect attendance and scholarship honors were also awarded.

Paul Dyke received an award for earning all A's during eighth grade and also last year in seventh grade. Seventh grader Patty Adams

received top honors for earning all A's during the year.

Eighth graders who maintained a 3.5 (B-plus or better) average throughout junior high are Kurt Anderson, Jean Beurkens, Sandra Crishon, Tom Eis, Suzanne Evans, Pat Endress, Anne Fitzpatrick and Arthur Greenlee.

Others are Donna Guard, Rebecca Hooth, Janice Jackson, Scott Leu, Karen McDonald, John McIntire, Kim Millington, Diane Pitak, Ellen Steele, Cynthia, Warner and Eve Williams.

Seventh graders maintaining a 3.5 average are Mary Andrews, John Bedford, James Dales, James Echols, Sally Eisele, Susan Eisele, Tom Folino, Dana Fieldman, Laura Harbour, Jeffrey Johnson, Karen Kennedy and Denise MacDermaid.

Others are Betsy Mach, Peter Martinsen, Bronwyn Mills, Sandra Miron, Valli Muzzin, Barbara Ritchie, Val Romberg, Deborah Salmeto, Margaret Selfridge, Lora Sepp, Julie Smith, Carol Spear, Margaret Webber, Gary Winemaster and Denise Zabell.

We-Way-Co, Sweet Adelines, 8 p.m., Plymouth Central High School.

**JULY 1**  
Citizens for Environmental Action, 8 p.m.  
Novi Chamber of Commerce, 8 p.m., Rosewood Restaurant.  
Civilian Club, 8 p.m., Kings Mill Clubhouse.  
Spring Chapter, China Decorators, 10 a.m., Credit Union Hall, Plymouth.

# Nursery Sets Registration

Northville's Cooperative nursery is still accepting names for the 1971-72 sessions. Youngsters from the three-to-kindergarten bracket are eligible for either the Monday-Wednesday-Friday or the Tuesday-Thursday group.

Nursery sessions are held from 9-11:30 a.m. in the Scout Recreation Building, September - June. The monthly charge is \$10 for the Tuesday-Thursday group and \$14 for the Monday-Wednesday-Friday group. For applications or further information contact new membership chairman, Mrs. Julie Goodrich, at 349-2854.

# Mark Birthday, Anniversary

Tuesday, June 22 marked two special occasions at the home of Mr. and Mrs. Clifford Rollings of Park Grove Court.

On that day 33 years ago the Rollings were married. Tuesday also was the 89th birthday of Mrs. Rollings mother, Mrs. Edna Phillips. The three celebrated the day together.

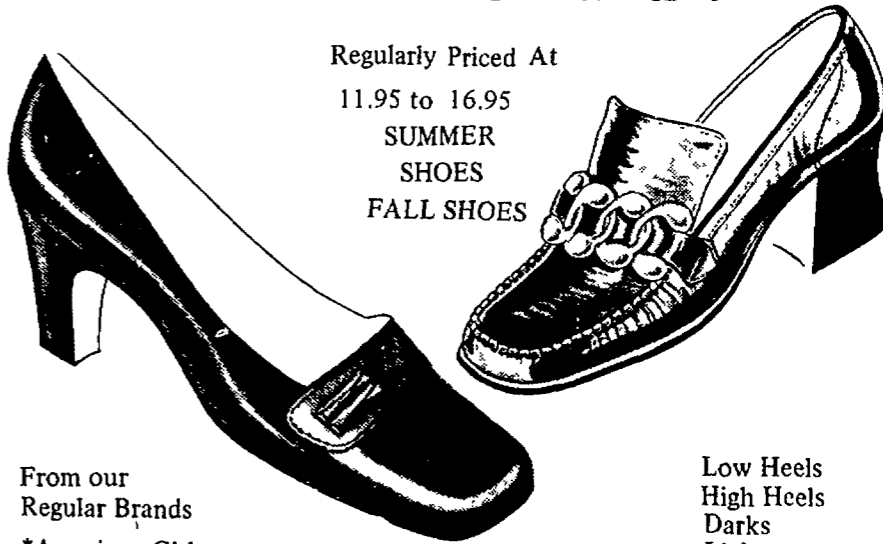

Mrs. Phillips will continue visiting with the Rollings for three weeks before returning to the Masonic home in Alma

**CLEAR WATER**—According to James Rothschild of the Oakland County Health Department, the beach at the Novi City Park, is the only area in all of Walled Lake tested safe for swimming. "Novi is the only land owner who has tested swimming water with us," said Rothschild, "and found it safe for swimming. There are people swimming in other areas of Walled Lake that may be unsafe because of pollution." The park has been a favorite hangout of area residents who have come to swim away summer heat during the last two weekends.

### Park's Okay

## Lake Water Not All Safe

The only part of Walled Lake tested safe for swimming is the area along the shore of the Novi City Park, James Rothschild, Oakland County Sanitarian, disclosed last week.

"There are people swimming in other areas, and they may not be safe," he declared.

Rothschild said that because one part of the lake is safe, others may not be. He attributed the difference to water flow.

"The current in that lake runs from north to south carrying water down the middle and then up each shore," he said.

"The pollution picked up from sewer problems along the shore is deposited in the northern parts and in the middle, and the water is mostly clean by the time it hits the southern shore."

"The water off the Novi park has come straight across the lake, but the water further north has come along the

shore some distance. "Also, there are not so many houses around the park and therefore not so much pollution, and the water is shallow so the sunlight kills more bacteria than in the rest of the lake."

According to Rothschild, the only party to test for pollution in Walled Lake besides the City of Novi, has been H.W. Bohannon, owner of the East Shore Beach.

"He found the water quite bad and closed his beach three weeks ago," Rothschild said.

The Oakland County Health Department will provide free analysis for water samples brought or mailed to their headquarters at 27725 Greenfield Road in Southfield.

"We'd like for residents to call us first to find out how to test their water," Rothschild said, "but they can very easily do it themselves."

He urged anyone with questions to call 557-1400.

## Police Collar Truck Thief

Wixom police, assisted by five area departments, gave chase last week Tuesday to William E. Knapp as he fled west on I-96 freeway in a C&O 'crew cab' allegedly stolen from the railroad's property near Manistee and Pontiac Trail in Wixom.

Knapp, a 20-year old Commerce Township resident, was apprehended one mile east of US-23 after a 14-mile chase in which officers were finally forced to shoot out two of the truck's tires.

Wixom patrolman Roger DeClercq pursued Knapp south on Wixom Road Tuesday night at 9:47 after he had been advised by an area resident that the railroad truck had been stolen.

DeClercq caught up with the youth south of West Road and ordered him to the curb. Knapp disregarded the direction, according to reports, and forced the police car into the concrete median. DeClercq ordered the suspect to stop a second time but Knapp suddenly applied his brakes, nearly causing a rear end collision, and turned

sharply ontowest-bound. I-96 While still on the entrance ramp, DeClercq tried a third time to stop the vehicle but was forced to the curb.

He chased the truck west on I-96 at speeds of 70 MPH until officers of the Oakland County Sheriff's Department, the Michigan State Police, the Milford and Walled Lake departments and the Kensington State Park Authority joined the chase at Milford Road.

Several attempts were made to stop the vehicle, all in vain, as officers were finally forced to shoot out two of its tires, bringing it eventually to a halt.

Knapp was charged with unlawfully driving away an automobile, breaking and entering, felonious assault and carrying a concealed weapon.

The youth failed to post an \$8,000 bond set by Judge Martin Boyle in the 52 District Court at his Wednesday arraignment and was remanded to the Oakland County Jail until his preliminary examination on all four charges, Monday.

# Councilmen Say 'No' To Double Annexation

A four-man Novi City council objected Monday night to a recent move by Novi Township officials to include the populous Brookland Farms in the city's annexation petition currently before the State Boundaries Commission.

The city's petition calls for the annexation of most of the township's land area — excepting only Brookland Farms — where population constitutes roughly 90 percent of the Township residents.

The population swell would drive the petition into a special election, something city officials are dead set against.

City Attorney Howard Bond said Tuesday that, in his opinion, "having the annexation of the other eight parcels dependent on the outcome of an election in Brookland Farms doesn't seem right."

Bond called the move an attempt to stop the city's effort at annexation and he insisted, in a resolution presented to councilmen Monday night, that should Brookland Farms residents wish to be annexed to the city, they should petition to do so in a separate motion.

Township Clerk Boyd Armstrong has charged that the city petition amounted to gerrymandering and was objected to by township petitions filed with the boundaries commission.

Armstrong admitted, however, that Commissioner Irving W. Rozian had verbally stated that the city was within its rights to annex one parcel or several.

Bond dismissed the charge of gerrymandering by citing the isolation of the several parcels from each other and said in his resolution that, according to "applicable law... a petitioner for annexation is entitled to choose the area desired to be annexed."

A public hearing is slated for July 7 in Lansing to give all parties a chance to express themselves.

A ruling from the boundaries commission is not expected until after the public hearing.

Council passed the motion without the aid of members Denis Berry, Edwin Presnell and Louis Campbell, all of whom were excused.

In other action Monday night, councilmen—

—Listened to a report by City Manager George Athas which placed the ground breaking on the proposed Grand River-Novi Road sewer lateral system in October.

Athas said completion of the facility should come by May, 1972.

—Directed City Engineers Johnson and Anderson to draw up final engineering plans for a water line from Eight to Nine Mile, along Meadowbrook Road, with arms east and west on Nine Mile and west on Eight Mile.

—Ordered the installation of a new phone system in city hall to connect the administrative offices with the police department and the DPW building.

According to Athas the telephone improvement would provide, through a switchboard, greater efficiency at a cheaper cost per month.

—Directed legal action to be undertaken against 13 property owners in Connemara Hills and Willowbrook subdivisions whose homes have not yet been connected to sewer facilities in those areas.

According to Athas each

property owner involved has received at least two and in some cases four notices by certified mail.

—Gave official status to the Novi Road Improvement Committee.

Members are: R.N. Stroud,

chairman; Edward Vahlbusch, vice-chairman; Carl Gowan, Carl Traynor, Tom Spero, Gary Roberts, Mirl Spencer, Paul Kemp, Roy Anchors, Handley Martin and Joseph Dunnabeck members.

The committee has divided itself into three study groups dealing with financial and legal matters, road priorities and construction and engineering.

It serves at the pleasure of the council without a budget.

## School Weighs Citizens Advice

Their work may have gone unnoticed by much of the community—but certainly not by the Novi Board of Education.

After receiving enthusiastically the final report on citizenship, vandalism, discipline and drug abuse from the Citizens' Advisory Committee recently the board immediately indicated that it would begin the task of formulating and implementing policies aimed at these four broad but inter-related areas.

To show it has no intention of filing it away, the board promised to formally report back to the committee in November the board's progress of implementation. By the time school opens in the fall, the committee was told, some programs already will have been implemented and, hopefully, others will be in the works.

The committee, made up of citizens, students and teachers, studied all facets of its charge by the school board in subcommittee and committee-of the whole meetings for nearly six months before completing its

investigation and making its final report late last month.

Board members echo Committee Chairman Dicon Tafraian's observation that "this was one of the hardest working, most enthusiastic groups I've had the privilege of working with."

Aside from identifying problem areas, the committees came up with some far reaching recommendations, ranging from an ungraded elementary system to establishment of an ombudsman organization at the senior high school level; from emphasis on identification of vandals to establishment of community campaigns against vandalism; from establishment and enforcement of rules to use of parents or other groups as classroom helpers; and from implementation of a drug program in the regular curriculum to a stepped up counseling program.

Here's a synopsis of findings and recommendations of the advisory committee as reported to the board in writing and through verbal elaboration before the board:

**CITIZENSHIP**  
One of the reasons for limited pride in the school system-community is seen as the absence of a "down-town" and-or community center area within the school district.

At the primary level, where problems of bad citizenship are formulated, it is essential that the school offer children a sympathetic and friendly teacher, a curriculum geared to the student's growth and needs, and trained personnel to help children and their families with problems.

Students in grades three, four and five must be told that each of them has a responsibility to not abuse their position as the older students in school, and be encouraged to serve as models for younger children.

Administration and building staff should be reminded of what the student should not do but concentrate

on those things a student may do. "It's the difference between telling pupils they can't leave their seats and asking them to remain in their seats."

Above all, the relationship of staff to pupils should be a positive one.

Provide help for young children who are already experiencing behavioral problems through an elementary counselor and more psychological help for testing and diagnosing; provide better communication between parents and teachers.

Eliminate the "A-B-C" grading system in grade school and replace it with the personal conference and essay report on the growth of the child in each year; encourage each school building to make rules and regulations pertinent to that particular building.

At the middle school level—grades six, seven and eight—students should be given the feeling of belonging to their own special group, separated from both lower and upper grades. They should have their own activities geared to their interests and level.

Attitude of children in the middle school should include the realization that they have a right to dissent but that they should know that peaceful methods are not to be used to achieve goals.

At the high school level, improved communications are recommended through the use of an "X-PO" or ombudsman format that permits each student to "do his own thing" where it does not adversely affect his fellow students. He should be able to constructively criticize the school administration with some degree of anonymity.

Faculty members should have the same privilege with the same stipulations, and a similar position should exist with regard to parents of students.

Continued on Page 9-A

### William Travis

## Willis Appoints Aide

William Travis, 25, a former Walled Lake business administration teacher, was unanimously accepted Tuesday night by Wixom councilmen as Mayor Gilbert Willis' appointment to the post of mayoral assistant.

The vote did not include Councilman Howard Coe, who is away on vacation this week.

Travis attended Michigan State University where he graduated in 1969 having completed a major in Business education and a minor in retail marketing.

A native of Pontiac, where he presently resides, Travis taught for two years at Walled Lake Central High School, in courses including commercial arts, systems and programming.

He is married and has one son.

A relative stranger to municipal affairs, Travis said Tuesday night that he looks on his tenure with Wixom as "a great opportunity."

"The way the education field stands today," he continued, "I don't see any profit in going into it."

The appointment was one of 11 made by Willis and accepted by the council.

Other appointments included: Lawrence Beamish Joanna Ware, Dale Jess and Gerald Heibert to the Planning Commission; Reece Lacey, Lillian Spencer and Rochelle Fair to the Board of Appeals; and Ed Ruggles, Thomas Riddle and Lois Green to the Parks and Recreation Commission.

Earlier in the meeting, councilmen listened as Oakland County Commissioner Lew Coy objected to a recent decision to pay, "as soon as possible," an outstanding, \$10,000, road improvement bill to Holloway Construction Company.

Coy charged that Councilman Coe was guilty of a "definite violation of financial interest," in that it was his motion to pay the bill "as soon as the funds are available from the 1971 taxes."

According to Coy, Sidney Blatt, representative of the Holloway company, had contributed \$150 to Coe's campaign fund when he ran for council.

Council vote on the motion to pay had been unanimous. Coy asked that the council rescind its motion, and when councilmen refused to do so,

admitted that any "violation of financial interest" on Coe's part had, in all probability, been an oversight.

City Attorney Gene Schnelz declined to admit that there was a violation, saying that he

## Fatal Crash Claims Pair

One man survived and two others were killed Thursday in Novi's second double-fatality traffic accident of the month.

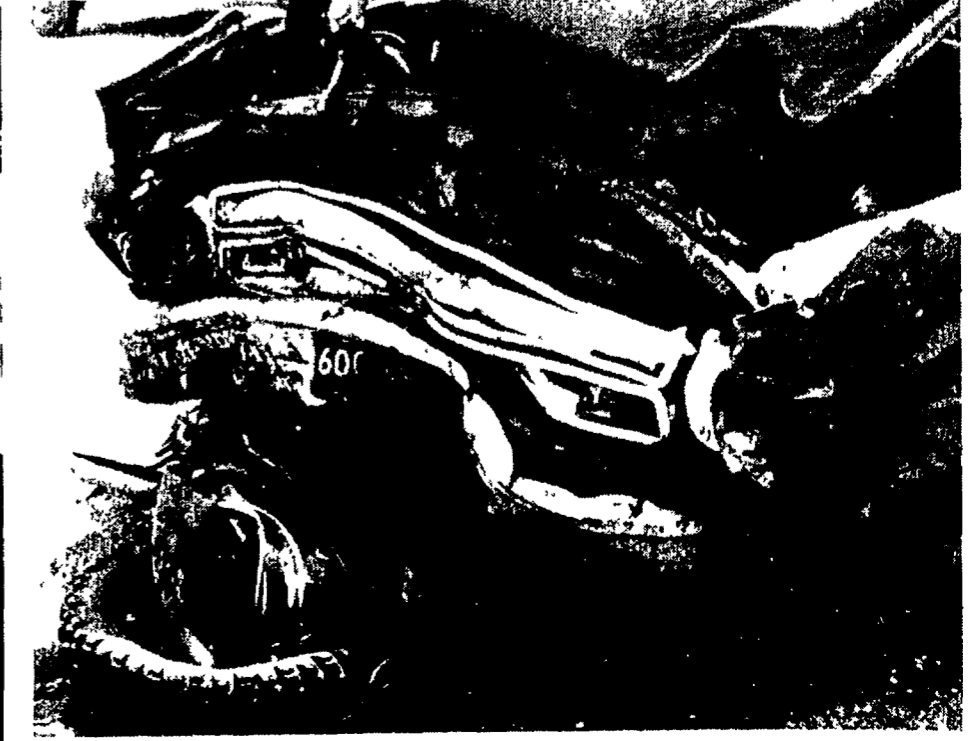

Daniel M. Liebergott of Huntington Woods, 18, and Dennis L. Davis of Milford, 20, were killed instantly in a car-motorcycle-truck crash at Grand River and Haggerty Road.

Surviving the crash but hospitalized at Pontiac's St Joseph Hospital with a dislocated right hip and a severe cut on his left arm was John J. Sikkila of Walled Lake, driver of a pick-up camper-truck

According to police, Davis, riding a motorcycle westbound on Grand River's three-lane straight-away just inside the Novi city limits, was attempting to pass Sikkila when his bike was struck "nearly head on" by Liebergott's car that suddenly weaved from the eastbound lane "directly into his path."

The impact drove the motorcycle backwards directly under the wheels of Sikkila's pickup. Sikkila struck Liebergott "almost immediately and drove both vehicles to the curb," police said.

Davis was thrown some 31-feet into a shallow ditch.

A DOUBLE FATALITY, NOVI'S SECOND THIS MONTH, HIT THURSDAY ON GRAND RIVER AT HAGGERTY ROAD

# Out of THE PAST

## ONE YEAR AGO...

A year long study on park and open space needs for the city urged the council to take immediate action to acquire additional sites for community and neighborhood parks, as well as a specific open space area.

Nearly four decades of continuous operation came to a halt for one of Northville's oldest businesses—Rathburn Chevrolet-Oldsmobile.

Water-blasting paint off the high school will cost an estimated \$400 reported Earl Busard, business manager for the schools. The school was damaged on June 13 when vandals spray painted obscene words on the exterior walls of the building.

A cornerstone ceremony was slated at the site of the new First United Methodist Church building at Eight Mile and Taft roads. The old cornerstone from the present church on Dumlap Street had been removed and set into place at the new site.

**FIVE YEARS AGO...**  
Appointment of Samuel Lee Elkins as chief of the Northville police department was announced by City Manager Frank Ollendorff.

Twenty Northville business firms were sponsoring a 10-week contest in which area families could win a weekend vacation. The contest was being conducted in cooperation with the coast-to-coast Albert Pick motel and hotel chain.

The summer construction season was launched in Northville with the announcement of the schedule for Randolph Street improvements. The city council also was opening bids for installation of a water line to connect the city of Detroit main to the city's water tower.

Concerns about future school financing and increasing pressures on school boards were expressed by Robert Shafer and William B. Crump as they retired at the end of the month after a total of 17 years' service on the board of education.

## Collection Set Saturday

Citizens for Environmental Action are sponsoring a glass and can drive on Saturday in the Board of Education parking lot, 303 West Main Street.

The collection will be held from 9 a.m. to 3 p.m.

Glass containers should be clean and cans should be flattened. All paper should be removed from both the glass and cans, spokesman Don Oswald said.

As many group members are on vacation, any volunteer assistants will be more than welcome, Oswald added. Any interested persons should contact him at 349-4456.

## Baptist Chapel Sets Class

The South Walled Lake Baptist Chapel will hold a week of vacation bible school Monday, June 28, through July 2.

The classes will be held daily from 9 a.m. to 11:30 a.m. and are open to pre-schoolers through ninth graders.

Helping to teach the classes will be two summer missionaries from Texas, a spokesman for the chapel said.

Students will be enrolled for the classes on Monday and there is no pre-registration required. The church bus will be operating throughout the week.

## TEN YEARS AGO...

Novi's first superintendent of the consolidated school district, Dr. William H. Medlyn, announced his resignation effective July 31.

Calvin H. Monfils, administrator of Community General Hospital in Northville since its organization two years earlier, resigned to accept a position as assistant administrator at Mr. Clemens General Hospital.

Charles Freydl, Jr., became president of Northville Exchange club when new board members and officers were installed at the Wednesday noon meeting of the local service organization.

Northville's new justice of the peace, Charles W. McDonald, was sworn into office by Wayne County Circuit Judge Joseph A. Moynihan, Jr., while council member, judges and attorneys from neighboring communities looked on.

**TWENTY FIVE YEARS AGO...**  
Kim Sigler, fighting aspirant for GOP nomination for Governor, carried a majority of Novi and Northville over all other opponents in the Michigan primary.

The Northville Recreation Committee opened a new activity for children. Swimming privileges were available at the Pickett Gravel Pit on West Seven Mile Road under the guidance of Don Bray, recreational director.

Irene Tesch, Elizabeth Housman, Elizabeth Mayer and Florence McCluskie received scholastic honors during High School commencement exercises.

Life magazine had purchased photographs taken by local serviceman Bill Rose, then serving in the US Army. The PICTURES WERE TAKEN IN June, 1945, when Rose was sent to Chicago for two weeks to cover a truck strike in that city.

Robert E. Taggart was elected president of The Presbyterian Men's Club at their meeting on Monday. Other new officers of the club were Dr. Mark Gardner, vice president; George B. Mellen, secretary; and E. S. Beard, treasurer.

Dr. L. W. Snow was re-elected trustee of the American Institute of Homeopathy for the seventh year during a Detroit Convention.

Arthur Heslip, father of eight sons, received a gift from Father Lorenzo Woods during the Fathers' day breakfast at the Our Lady of Victory Catholic Church.

## FIFTY YEARS AGO...

Plans for Northville's July Fourth celebration were being rounded into shape. From 10 a.m. until late at night something was planned to entertain and to amuse all who came.

Northville was represented at the 17th session of the Grand Court, Foresters of America held in Ann Arbor, June 21-23 by Lester D. Stage, G.C.O., and Frank Woodmansee, Charles S. Crase and Roy Cramer.

During one of the storms of the week the residence of E. K. Starkweather on Main street was struck by lightning. Fortunately, little damage was done.

William Roberts came near meeting with a very serious accident when a wagon loaded with ice broke down and toppled over on its side. He was caught in the wreck and was somewhat bruised.

**CAPITOL VISITORS**—George Lockhart of Northville and Frank Davis (right) of Novi attended the convention of the National Council of Senior Citizens in Washington, D.C., last week. Although he is president of the Northville Senior Citizens' group, Lockhart explained that their attendance at the convention was not as official delegates but rather out of personal curiosity as to "what the senior citizens' organization is doing and how it operates". Lockhart reports that there were 3,500 representatives from all 50 states at the convention. And he concluded that the nation's senior citizens have become "a powerful voice working for the benefit of its members in many different fields". The two are pictured above attending a regular morning "coffee club" in Northville just before departing for the convention. They were properly greeted by the club upon their return and ordered to report upon their activities in the nation's capitol.

## About Our Servicemen

Chief Donald R. Blackwell, United States Navy recruiter will be at the Northville Post Office on Tuesdays from 1 until 3:30 p.m. during the summer months. He will be available for any questions as well as furnishing the latest Navy literature.

**DARMSTADT, Germany**—U.S. Air Force Staff Sergeant John S. Shoupe, son of Mr. and Mrs. Howard Shoupe of South Bend, Indiana, has arrived for duty with an Air Force unit at Cambrai-Fritsch, Germany.

Sergeant Shoupe, a communications analysis specialist, is assigned to a unit of the U.S. Air Force Security Service. He previously served at Kadena AB, Okinawa.

A 1962 graduate of John Adams High School, the sergeant received his B.S. degree in 1967 from Purdue University, Lafayette, Indiana.

His wife, Marilyn, is the daughter of Mr. and Mrs. C. E. Wilson, 21181 Eastfarm Lane, Northville.

After completing construction mechanics school with the Sea Bees in Port Hueneme, California, and spending two weeks home on leave, CMCN John Kenneth Warren has been assigned to an amphibious construction battalion in Little Creek, Virginia.

Warren, a 1969 graduate of Novi High School, is the son of Mr. and Mrs. Ray Warren, 27629 Haggerty Road.

**Ft. Riley, Kansas**—Army Private Thomas F. McAvoy, 18, son of Mrs. Dorothy N. McAvoy, 46540 Pontiac Trail, recently was assigned to the 1st Infantry division here.

## Court to Hire Probation Help

Search for an additional chief probation officer is now underway, 35th District Court Judge Dunbar Davis announced this week.

Due to an increasing load in the 35th District probation department, Judge Davis has authorized the probation department director, Dennis R. Dildy of Northville, to hire a third chief probation officer.

The probation department presently includes two chief probation officers, one director, one probation clerk along with approximately 75 probation officers serving the entire area of Northville, Plymouth and Canton, which serves approximately the same number of cases as the City of Plymouth alone, he said.

Qualified persons who care to work with the court in this position, approximately 20

## From Colleges, Universities

# Students Win Degrees

Approximately 4000 students, including one from Northville, received academic degrees at the 320th Commencement of Harvard University held June 17. Of these, about 1500 were undergraduates at Harvard and Radcliffe Colleges.

Following the traditional ceremony of conferring degrees in Harvard Yard, each student received his or her degree individually from officials of the School or House with which he or she was associated at a series of small "commencements" in the Harvard and Radcliffe Houses and the Graduate Schools.

The local recipient is Glenn R. Deibert, son of Mr. and Mrs. Glenn Deibert of 9825 Napier Road. He received a bachelor of arts degree.

The graduate's father is a member of the Northville Board of Education.

Lawrence D. Clark of Northville was one of 1,891 students who received degrees and certificates at the Ferris State College commencement exercises June 13.

He received a B.S. degree in pharmacy.

U.S. Congressman Marvin L. Esch, who represents Northville Township, gave the commencement address,

praising the type of career-oriented education which Ferris offers and calling on national leaders to channel more money into vocational education programs.

John B. Williams, a May graduate of the University of Michigan medical school, is presently interning at the University of Texas Medical Center in Galveston.

Williams also completed four years of pre-medical training at U of M. He is the son of Mr. and Mrs. B. J. Williams of 18135 Jamestown Circle.

the Seventh-day Adventist Theological Seminary.

Marguerite Little is among the 121 graduates of Cleary College in Ypsilanti who received degrees in commencement exercises at the college on June 12.

Miss Little graduated with an associate degree in business administration and secretarial sciences and will be employed at the University of Michigan in Ann Arbor.

She is also a recipient of the Silkworth Award which is presented to one woman each

year who has been voted by the faculty as the outstanding young woman of her class.

A 1969 graduate of Novi High, she is the daughter of Mr. and Mrs. Basil E. Hiner, 26817 Beck Road.

Donna M. Tymenski, of 26020 Whipple, Novi, was among 1,222 graduates and degree candidates honored recently at the ninth annual commencement of Oakland University at Rochester. She received a bachelor of arts degree in biology.

# NOVI HIGHLIGHTS

## MRS. H. D. HENDERSON

Mr. and Mrs. Richard Lippert and Linda, Randy, Bobby, and Ricky had a Father's Day celebration at the home of Mrs. Lippert's parents, Mr. and Mrs. Ray Schauffe in Brown City.

Mr. and Mrs. Ted Slentz were hosts at a family picnic at Kent Lake. Out of town members of the family were Mr. and Mrs. Bill Trotter and children of Plymouth, Mr. and Mrs. George Lewis and family of Dearborn Heights, Mr. and Mrs. Fred Ashcraft of Livonia, and Mr. and Mrs. Paul Poirier of Taylor and their families.

Mrs. Bernice Stewart, who is a patient at Botsford Hospital, expects to be able to return home early this week.

Sunday dinner guests of Mr. and Mrs. Louis Tank were their daughter and son-in-law, Mr. and Mrs. Douglas Gok and the grandchildren of Detroit. Also guests of the Tanks were former neighbors from Detroit.

The Father's Day dinner guests of Mr. and Mrs. Robert Devine were the former's son and his wife, Mr. and Mrs. Robert Devine of Adrian.

On Tuesday of this week Mrs. Robert Devine attended her Pen Pals party at Kensington Park.

Mr. and Mrs. Russell Taylor entertained their children and grand children,

Mr. and Mrs. Russell Taylor Jr., and Patty and Timmy of Farmington, and Mr. and Mrs. Robert Taylor of Detroit on Father's Day.

Mrs. Virginia Burnham and children Dennis, Donald, and Denise and her brother, Alton Taylor, were Sunday dinner guests of their mother and grandmother, Mrs. Gertrude Taylor at Walled Lake.

Mr. and Mrs. Floyd Darling had a family gathering at their home on Taft Road to honor Mr. and Mrs. Ed Berhardt on Father's Day. The other guests were Mr. and Mrs. Bill Gray of Inlay City, Tom and Judy Darling of Independence Lake, and Mr. and Mrs. John Leavenworth of Wayne.

Mr. and Mrs. Leslie Mitchell and the latter's mother, Mrs. Hildred Hunt, and Mr. and Mrs. Paul Kemp had dinner at Schulers in Marshall this past Sunday.

Mr. and Mrs. Lawrence Boyd attended a graduation for the son of their friends in Livonia Saturday evening.

Sunday evening Mr. and Mrs. William Rackov attended a graduation party for the former's niece, Pamela, at the home of her parents, Mr. and Mrs. Ray Mason, Winston St., Detroit.

Among the other relatives present were Mr. and Mrs. Paul Rackov, Pamela, who plays the violin, will spend two months of the summer at Interlochen.

Mr. and Mrs. John Rackov and family of Brighton spent Father's Day with the former's parents, Mr. and Mrs. William Rackov on Fonda Street.

Recent house guests at the home of Mr. and Mrs. Orville Whittington were Mrs. Whittington's sister, Mrs. Alma Frey, and her niece and husband, Mr. and Mrs. Pappas of St. Louis, Missouri.

The spent one day at Greenfield Village, and last Sunday evening the Whittingtons and their guests were the dinner guests of Mr. and Mrs. William Rackov at the Headliner on Pontiac Trail.

The Martin Willackers had a combined graduation picnic at Kensington on Sunday. The following graduates were honored: Joe Dery of Ferndale, Allen Gardner of Battle Creek, Donald Willacker of Wixom, and Mrs. Veta Allen of Farmington.

The young adults group of the V.F.W. Wixom Post went on a canoe trip on the Au Sable River at Mio this past Sunday.

Mrs. Vera Hansor and Mrs. Mary Skeltis returned Sunday evening from Greyhound bus

trip to New York, Pennsylvania and Ohio. Among the many places visited were the Pennsylvania Dutch Poconos Mountains staying at Hilton Hotel, Pittsburg. They also visited Hershey's chocolate plant, Stroudsburg Amish people, and Memory Town, on the Delaware Gorge River. In New York they went through the Corning Glass factory, and Eastmans museum, staying at the Flagship Rochester Hotel. They came home by way of Niagara Falls.

Mark LaFond came all the way up from Florida to attend the wedding of his brother, Paul, Saturday evening.

Among other members of the family to attend Paul's wedding were his grandmother, Mrs. Marie LaFond, his Aunt Mrs. Patricia Schultz, and uncle, Kenneth Bassett and his cousins, Mr and Mrs. Mike Schultz.

Dinner guests at the home of Mrs. Marie LaFond last Friday were Mrs. Fred Ashby and Mrs. Callie Lang of Romulus.

Mr. and Mrs. Charles Klaserer of Morrow, Ohio, were visitors for a few days last week at the home of the former's brother and sister-in-law, Mr. and Mrs. John Klaserer.

United Methodist Church of Novi Sunday greeters were Mr. and Mrs. William Fox, and the Acolyte was Matthew Bumann.

Summer Worship schedule: Morning Worship and Church School will now be at 10:00 a.m. Youth and children will have the opportunity to attend Sunday School class during the main 10 a.m. worship hour. This schedule will continue until September.

Whitehall Service was held at 1:30 p.m. Vacation Bible School is held daily (June 21-25) this week from 9:30 - 12 noon.

Sunday ushers were Gilbert Henderson, William Fox, and Charles Hourson.

The W.S.C.S. salad picnic was held Monday evening. White elephants were brought for a silent auction. Next Sunday, June 27, morning worship sermon: "Two Types of Bread" John 6 (scripture).

First Baptist Church of Novi

There were nine visitors in last Sunday's worship service. The ladies chorus sang, "Spirit of God." Special music: was a duet by Linda and Loretta Cook. Isabel Perez, an exchange student from Brazil who has

been living with Pastor and Mrs. Cook, will return to her home in Brazil this week.

Novi church team won the softball game that was played with Walled Lake Methodist last Thursday.

Word has been received from the Reverend and Mrs. Roy Frink, who were recent interms here. Their new address is 28 Northampton Drive, Hampton, Virginia 23666.

The Men's Fellowship had a good turnout last week—thanks to those who make the cakes, to Mary Grimes and Ethel Cook who made the ice cream, and to Mrs. Norwood who provided the strawberries.

Vacation Bible School opened on Monday and continues through Friday. Children from age 3 through the sixth grade are encouraged to attend. The closing program is Friday evening at 7 p.m. all parents are invited.

The Church extends sympathy to two of its church families: Mr. Loren Sammes, whose brother in California passed away, and Mr. Ray Warren whose uncle in Indiana passed away.

Holy Cross Episcopal Church

Reminder to members of the parish: the dedication of the new wing of the church will take place on Wednesday, June 30 at 7:30 p.m. The Right Reverend Archie H. Crowley will be at Holy Cross to officiate. Everyone is invited. After dedication refreshments will be served.

No more E.C.W. meetings this summer. First meeting will be held on Tuesday, September 14.

This coming Sunday is paint-me day. Men are to wear their work clothes and the church women to bring a picnic lunch to the church. This is a family affair. Bring the children. Everything should be spic and span for the Dedication.

Blue Star Mothers Novi Chapter 47, Blue Star Mothers will have their annual picnic next week Tuesday, June 29, at the Veterans Hospital in Ann Arbor.

The menu planned is as follows: ham, macaroni salad, potato salad, spaghetti, baked beans, jelly, cup cakes, pickles, rolls, butter, watermelon, lemonade and coffee.

The next meeting will be held at the home of Mrs. John Klaserer on Beck Road. Jerry Kent will be the co-hostess on Thursday, July 1st.

Bring your own sandwich and table service.

Novi Rebekah Lodge On Monday the Rebekahs had a sewing day at the hall. Irene Wendland, president of the Wendland Rebekah Club, was the hostess.

Lodge meeting is scheduled tonight (Thursday) at the Hall. Visitation at Hazel Park lodge is also scheduled tonight.

The Past Noble Grands report they had a most enjoyable time at their picnic last Thursday evening at Kensington Park.

This coming Sunday several members of the I.O.O.F. and Rebekah Lodges will attend a memorial for deceased members of the I.O.O.F. and Rebekah home in Jackson.

Cub Scouts—Pack 239 The final meeting of Pack 239 was held on June 10 at the Community Building. The Webelos presented the opening ceremony and sang "America."

Awards were presented by Jim Russell.

Webelos: Richard Daidone, dinner stripe; Greg Cain, athletic; Steve Weber, athletic; Byron Wineka, athletic; Sean Porea; citizenship, Michael Aittams, webelo colors.

Cubs: Tom Petterson, assistant dinner silver arrow; Jim Payderski, dinner stripe; Tom Darling, 2 silver arrows; Paul Kirkland, silver arrow; Steve Discher, silver arrow; Bruce Russell, gold arrow; and James Baselon, Wolf badge, gold arrow, one silver arrow.

Membership cards were given to all boys and committee members.

Dens 1 and 2 had the Friendship Circle as the closing ceremony after which refreshments were served. Den mothers supplied the cup cakes; punch was donated by the Panderski's, and cup and napkins by the Dischers.

The second part of the program was the Pinewood Derby under the direction of Ron Pazderski. The winners are as follows: 10-year-olds—Bryan Weneka; 9-year-olds—Tom Darling; 8-year-olds—Bruce Russell.

Best Design: 10-year-olds, Sean Porea; 9-year-olds, James Basillon; 8-year-olds, and Jim Pazderski.

Grand winner: Tom

Darling. Ribbons were given to each boy who raced.

The Pack thanks all who made this and every pack meeting a success.

Cub Scout Pack 240 High Temperatures were matched by the high spirits of the Novi Cub Scout Pack 240. At the soap box derby held last Saturday at the High School grounds where 27 Scouts competed.

Winners of the finals in Class A was Craig Iseli, in class B, Andrew Gurka, and in class C, Brent Bourdeau.

Den trophies awarded to Den 1, David Blackburn; Den 2, Mike Berrardi, Den 3, Hugh Dye; Den 4, Jeff Adams; Den 5, Jim Woelkers, and the Jenson brothers competed against each other for the Den 6 trophy. Rick was the winner and Jeff the good sport.

Webelo winner: Gary Anthony.

Plans have been finalized for the Tiger-Yankee ball game, Thursday July 8. Contact your den mother for ticket information.

Novi Boy Scouts Novi Boy Scout Troop 54, numbering nine boys and four men, camped out at the Muskegon State Park over the weekend.

The boys who camped were: Steve Sensile, Mark Meyer, Tom Meyer, Butch Meyer, Peter Meyer, Tom Bell, Steve Bell, Dave Fletcher, and Rick Pazderski.

The adults were: Dave Harrison, scout master, Hank Meyer, Ben Fletcher, and Bill Fear. Since their bus was out of repair these four men took the provisions and went to the camp.

Two of the boys went on a special hike with the State Conservation officer. They were Mark Meyer and Rick Pazderski.

They all spent quite a big portion of their time swimming.

They made a side trip to Grand Haven where they were permitted to visit the Coast Guard and inspect the ship. They also enjoyed the musical fountain there.

At last Wednesday's meeting awards were received. Court of Honor later when more are present.

Special thanks to the adults who drove, their car to and from the camping site.

## Wixom Newsbeat

# Plan Summer Programs

By NANCY DINGELDEY The city was stunned by the news of the shooting of

Carmen Cavallero last Wednesday night in Detroit. An account of the incident

appears elsewhere in today's paper. Carmen required six pints of blood during and after his ordeal in surgery.

He remains in serious condition but can now have visitors since he has been moved from the intensive care section of the hospital. He is at Mt. Carmel Hospital, Room 384 - bed 4.

Also hospitalized at Pontiac Osteopathic is Ruth Counts who is recovering after surgery. She is in Room 248. We wish her God's speed.

Something else about Ruth. After 19 years with the Walled Lake School System, 17 of them at Wixom School as head cook, Ruth has retired. She is really going to be missed — not only because she was a great cook, but she really did turn out some good meals in the cafeteria — I sampled quite a few myself. A kind, efficient woman — good luck in all future plans.

Out of the hospital after what he describes as too long a stay is Art Cronin looking a few pounds thinner but on the mend. Art also wants to thank all the people who sent cards and remembered him during his long stay.

Also released from the VA Hospital at the same time as Art was Hank Gorman, former bank manager of the Birmingham - Bloom field Bank in Wixom. Hank was given a medical retirement and will be joining his family in the Houghton Lake area.

Visiting the Jack Karell's on Nalene is his brother Harri and family from Kymi, Finland. With his wife and eight-year-old Keijo and four-year-old Teppo, they will spend a month in Michigan. They arrived last Tuesday in time for the wedding of Aine and Jack's daughter Marianna to Darryl Webb of Farmington.

And with Elna and Paul Salo are Elna's folks, Mr. and Mrs. George Stroud from Tucson, Arizona. If their stay is long enough they could welcome a great-grandchild due this summer to Neil and Dominique Salo.

Appearing at the Finnish Camp this past weekend was the touring group of The Actors Guild of Finland. They presented Mika Waltari's comedy "The Delayed Wedding Night" performed completely in Finnish. The playwright Waltari is probably most noted for the novel, "The Egyptian", which was made into a movie here in the States. The group,

consisting of four actors, are all professionals who appear regularly on the stage, screen or TV in Finland. Helen Elde-Jurkka, Arto Tuominen, Sakari Jurkka and Rauha Rentola will be appearing in Ohio and New York before returning to Helsinki.

Ed and Carol Dunn, friends of the Paul Salo's from Redford who were missionaries in Finland for 20 years were the Salo's guests at the Sunday performance of the play. Although neither are Finn's, both speak the language fluently and enjoyed the play.

The Parks and Recreation Department, under the directorship of Bill Abrams, announced last week their plans for the summer recreation program for the youngsters of Wixom. The summer program will be directed by Tom Ridley. It includes arts and crafts from 9 until 12 and supervised games and other activities from one until three in the afternoon. There will be no supervision provided during the lunch hour so children will have to be picked up and then return for afternoon participation. There will be no fees charged for the entire program except for the small materials fee for arts and crafts. The program for youngsters from first through sixth grade will begin July 1.

Beginning July 7 and continuing each Wednesday until August 11 will be the Wixom Summer Library Program sponsored by the Wixom PTA. Mrs. Dorothy Thompson, the librarian at Wixom School, will again lead the story hour and children

may check out their books from 1 to 3 p.m. This is a program that has been held at Wixom School for the past several years and the children seem to enjoy it. So "Go places with books this summer" — bring your children to the library.

Condolences are extended to the Bruno Aro family of Fairbury on the death of his mother last week.

A confrontation with an aptly named cat — Sisu (that means intestinal fortitude or just plain old "guts" in Finn) and a dog who can do without cats took place Sunday night. Sisu chases dogs — no trees for her — she sent two of my dogs yelping across the yard just by taking two steps toward them. However, my big old Boxer stands her ground and when that cat came strolling down the road it just had to mean trouble.

What a sight — the hairs going up on the dog's back and the warning noises but Sisu kept coming. The charge and would that cat go up a tree — no! Old Shana skidded on her rear to escape the claws — we people onlookers tried to separate the animals — someone said "go home kitty" — "kitty," says I, "that's no kitty, that's a panther!"

Well, the cat was chased home (by people) and locked up, unscathed by the ordeal, as we tenderly bathed the drops of blood from the old dog's muzzle. Now that the 10 year old docile animal of ours knows there is a fighting cat for a neighbor it can mean nothing but more battles throughout the long hot summer. She's just aching for the next time.

## Cavallero Shot Stopping Crime

A Good Samaritan lies in serious condition at Mt. Carmel Hospital after attempting to thwart the armed robbery and stabbing of two women.

Carmen Cavallero, 24, of 2750 Hillcrest, Wixom suffered a no-exit gunshot wound in the lower left abdomen last week Wednesday. The blast severed the vascular vein and did other extensive damage in the stomach which required four hours of surgery to repair. He remained in critical condition in the intensive care unit of the hospital for three days. Surgeons have been unable to locate the bullet.

Cavallero was leaving an opera workshop in the Puritan-Marlowe area of Detroit. As he left the building

he saw four thugs attacking two women who had also been attending the workshop. He had taken but two steps toward the group when one of the youths fired the shot that felled him. A passing motorist saw what was happening and blew the car horn causing the youth to turn and fire two shots at the car before the group ran off.

The women, Mrs. Ailene Koemig of Southfield and Mrs. Bertha Merrigan of Orchard Lake, had their purses snatched and both were treated for stab wounds at the hospital but were released the same night. Mrs. Koemig's purse contained \$6 while Mrs. Merrigan had \$60 besides having a valuable ring pulled from a finger.

Police have no leads in the case.

## St. Paul's Holds Awards Program

Students at St. Paul's Lutheran School received letters and recognition certificates at an awards night program at the school on June 9.

Presenting the certificates in sports was Wayne Loontjer, director of athletics.

Students receiving awards in volleyball included Cindy Stone, Glenna Foster, Lynn Nichols, Debbie Germeroth, Sarah Pixley, Kathy Herald, Beth Baughman, Janise Lehl and Julie Adams.

Track awards went to Cindy Stone, Glenna Foster, Lynn Nichols, Sarah Pixley, Beth Baughman and Linda Shaughnessy.

Softball honors were given to Cindy Stone, Glenna Foster, Lynn Nichols, Debbie Germeroth, Sarah Pixley, Kathy Herald, Beth Baughman, Janise Lehl, Julie Adams and Carolyn Hilliard.

Boys receiving awards for flag football included Norman Boerger, Jim Lane, Fred Shipley, Brian Miller, Bill Shaughnessy, Shawn White, Mark Hunsinger, Ted Kehrer, Eric Nichols, Nathan Hay and Jeff Lane.

Basketball awards went to Norman Boerger, Jim Lane, Fred Shipley, Brian Miller, Bill Shaughnessy and Ted Kehrer.

Track certificates were given to Norman Boerger, Jim Lane, Fred Shipley, Bill Shaughnessy, Shawn White, Mark Hunsinger, Eric Nichols

and Jeff Lane.

Receiving softball awards were Norman Boerger, Jim Lane, Fred Shipley, Brian Miller, Bill Shaughnessy, Shawn White, Ted Kehrer, Nathan Hay and Jeff Lane.

Norman Boerger, son of the Reverend and Mrs. Charles Boerger, was chosen as the Boy Athlete of the Year, while Cindy Stone, daughter of Mrs. and Mrs. Quentin Hall, was selected as Girl Athlete of the year.

In academic honors, Fred Shipley was chosen as recipient of the social studies award given by the Daughters of the American Revolution.

Six eighth graders received diplomas on Sunday, June 13 at the 10:30 a.m. service at the church. Granting the diplomas was Ralph W. Wilham, chairman of St. Paul's board of education.

The students are Norman Boerger, Glenna Foster, Jim Lane, Brian Miller, Fred Shipley and Cindy Stone.

### Boy, Girl Join MYI On Tour

Richard Shank, son of Mr. and Mrs. Harvey Shank of 24630 Taft Road leaves Friday for a four-week European-Canadian tour with Musical Youth International, a group of 100 high school age musicians.

He will sing tenor in the 52-voice choir that will be appearing in Holland, Belgium, Denmark, Sweden, Poland, Germany and Canada. The program also involves a 50-piece concert band.

First overseas performance of the group is scheduled at Kapelle, Holland, sister-city of Zeeland, Michigan. Civic and international ceremonies are planned, including a reception given by the Queen's governor of Zeeland Province.

MYI will perform in schools, churches, concert halls and recreation centers in Amsterdam, Berlin, and Copenhagen. Directing the choir will be Raymond Voorhees, music coordinator of Fenton Public Schools. Band conductor is Edward Downing, band director at Huron High School in Ann Arbor.

Returning to Toronto on July 23, the young musicians will begin an eight-day bus tour with performances in Montreal, Washington and New York. Their final home concert will be in Whiting Auditorium, Flint, Michigan on August 1.

\*\*\*

Lynn Hansen, daughter of Mr. and Mrs. Clifford Hansen of Fairland Drive, South Lyon will make a return European trip with the MYI band. Lynn is an oboist and performed in 1970 on the MYI tour of the British Isles.

Miss Hansen graduated from South Lyon High School on June 11. She performed in May before a hometown audience when the combined MYI band and chorus presented a recital in the South Lyon High School cafeteria.

Lynn has performed for the past few years as the featured attraction of Frank Kochalko's outstanding high school bands which have repeatedly walked off with top honors in statewide competition. The talented young musician is expected to be able to choose from among several college scholarship offers when she returns from her trip and prepares to further her education this fall.

### Tax Exempt Forms Ready

Employees who expect to earn less than \$1,725 during 1971 are entitled to fill out a withholding exemption form and income tax will not be deducted from their paychecks.

The form, W-4E, is only available from Internal Revenue Service offices and employees should ask their employers to obtain the forms for them.

The W-4E form is designed especially for senior citizens who earn less than the amount allotted under social security regulations and students who will earn less than \$1,725 during the year.

Use of the form is limited to persons who did not have to pay Federal income tax last year.

Talking to this man could get you Life

It could get you excellent auto, home and health insurance, too.

Police Activity Climbing

City police activity continued to increase last month, staying with a trend set in January...

One person was arrested for disorderly conduct last month, compared with two arrests on the charge during May of 1970...

In crimes against persons, seven assaults were investigated, the same number as in May, 1970...

Police arrested nine juveniles, one for each of the following offenses: liquor violations, possession of stolen property and assault and battery.

Three of the cases were handled within the local department and six were referred to juvenile court.

Police arrested nine juveniles, one for each of the following offenses: liquor violations, possession of stolen property and assault and battery.

City Council Minutes

Northville City Council Minutes June 7, 1971 Mayor Allen called the regular meeting of the Northville City Council to order at 8 p.m. Monday, June 7, 1971 at the Northville City Hall...

ROLL CALL Present: Allen, Lapham, Rathert, and Nichols. Absent: Nichols (excused).

ACCEPTANCE OF MINUTES Minutes for the regular City Council Meeting of May 18 and Special Meeting of May 24, 1971, were approved as submitted.

APPROVAL OF BILLS Moved by Rathert, supported by Folino, to pay bills in the following amounts: GENERAL FUND DISBURSEMENT...

MOTOR-VEHICLE HIGHWAYS LOCAL STREETS Mrs. Payables \$1,838.56 Mr. Payables 951.71 June Payables 2,790.27 Total 5,580.54

MAJOR STREETS May Payables 1,061.87 June Payables 509.80 Total 1,571.67 OTHER GOVERNMENT FUND 3,308.24 PUBLIC IMPROVEMENT FUND May Payables 13,413.91 LOAN TO WATER FUNDS 2,200.00 June Payables 2,965.00 Total 16,378.91

survey may be introduced into court as testimony Mrs. Roof then asked if there were an ordinance that specifies what width a street should be. Mayor, City Mgr. and City Attorney explained that Wing Ct. was laid out many years and before zoning took effect...

BOARD & COMMISSION MINUTES Planning Commission Minutes of May 19, 1971 were placed on file. NORTHVILLE POLICE DEPT REPORT The Northville Police Dept. Report for May, 1971 was placed on file.

CONTRACT FOR ENGINEERING FOR HORTON STREET IMPROVEMENT City Mgr. reviewed the proposed contract for engineering of Horton Street improvement between Baseline and Hill Sts.

Council asked that under item 6 page 2, the following be inserted: "Council shall approve inspector." In answer to Mayor Allen's request, City Mgr. replied that rough estimate of this job would be \$60,000.

Mrs. Roof stated that she is not familiar with City Rules and ordinances but believed she knew what was necessary now in regard to her property and survey.

City Manager reviewed rough draft of minutes of Tuesday, June 8, 1971 meeting. City Manager then read the Agreement for Sale of Real Estate to accept agreement with changes as listed above and authorize execution of said agreement by Mayor and City Clerk.

Yeast, Allen, Folino, Lapham and Rathert Present: Allen, Folino, Lapham, and Rathert. Absent: Nichols (vacation).

Following matters were discussed in relation to this project: 1. How does City finance \$200,000 share? 2. How long and how much down? 3. Reverting to the city sale.

Development in substantial conformity with site plans, similar square footage. There being no further business, the meeting was adjourned.

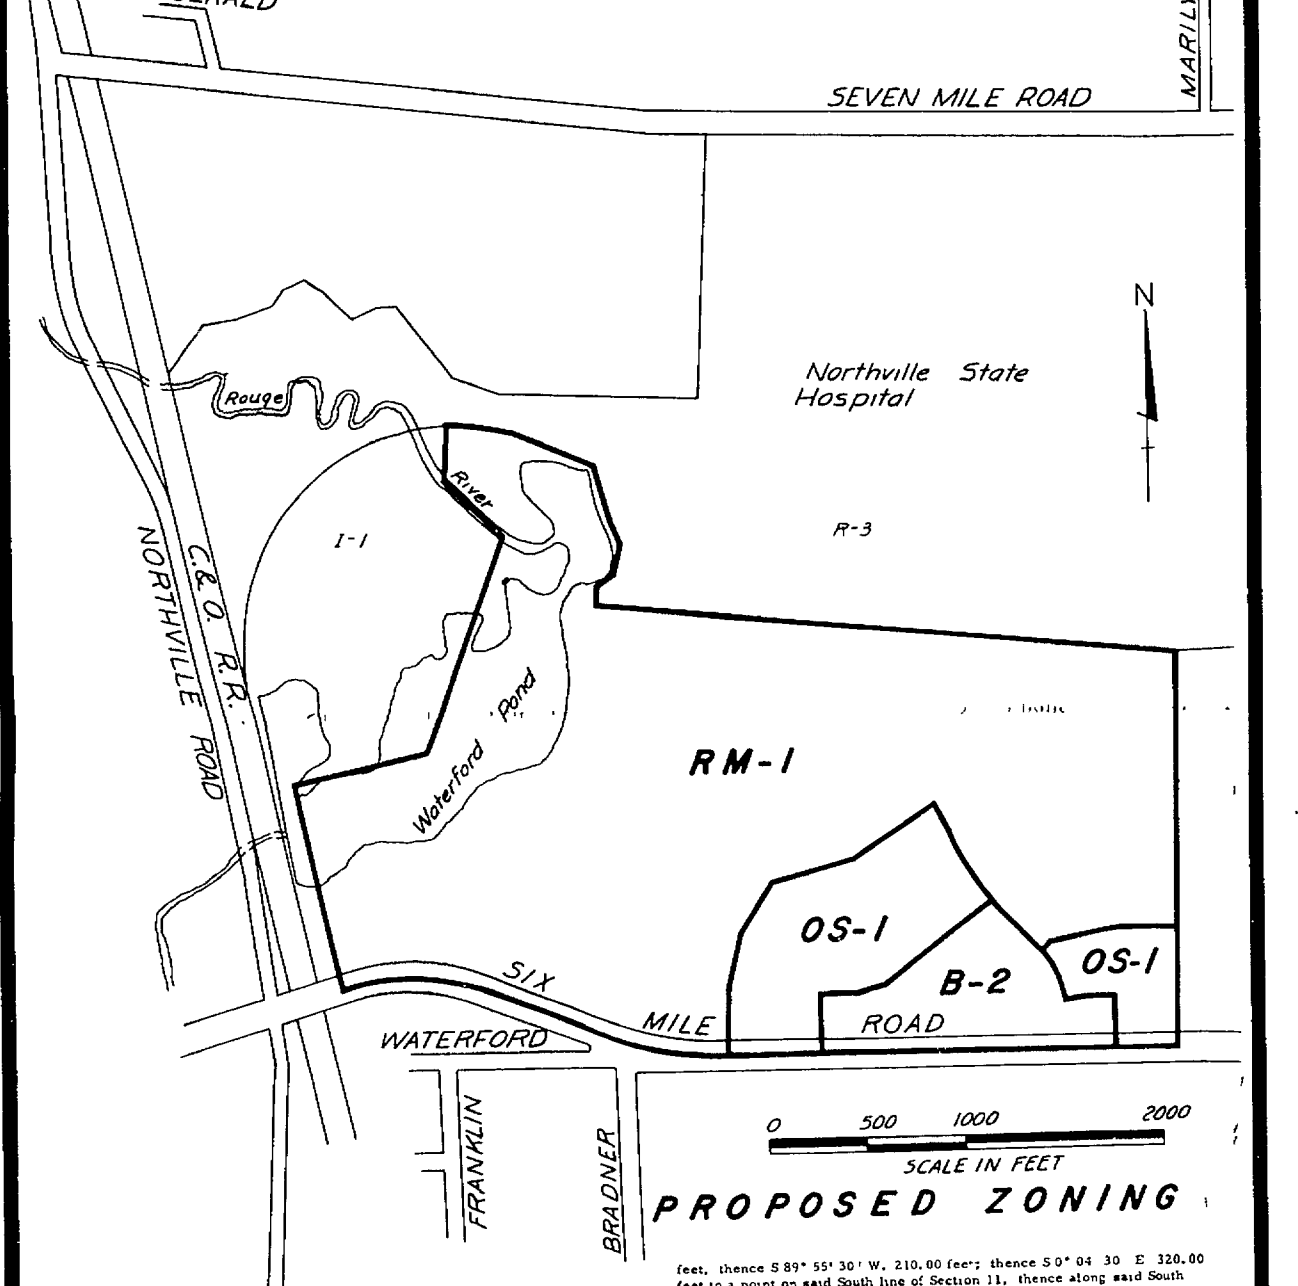

City Manager then read the Agreement for Sale of Real Estate to accept agreement with changes as listed above and authorize execution of said agreement by Mayor and City Clerk.

There being no further business, the meeting was adjourned at 9:05 p.m. Martha M. Milne City Clerk

There being no further business, the meeting was adjourned at 9:05 p.m. Martha M. Milne City Clerk

NOTICE OF PUBLIC HEARING TOWNSHIP OF NORTHVILLE PLANNING COMMISSION

At a meeting of the Northville Township Planning Commission to be held in the Northville Township Hall on July 27, a public hearing will be held at 8 p.m. to consider the following:

THE FOLLOWING PARCELS OF LAND, ALL LOCATED IN THE SOUTH ONE-HALF OF SECTION 11, T. 15. N. R. 8. E., NORTHVILLE TOWNSHIP, WAYNE COUNTY, MICHIGAN

PARCEL A - from R-3 to RM-1 (63.1 Acres of land more or less) Beginning at a point on the centerline of Six Mile Road located N 89° 55' 30" E. 335.91 feet and N 70° 25' 33" W. 369.59 feet and S 88° 46' 36" W. 50.00 feet...

I SOLD IT YOU CAN TOO! SIMPLY BY PLACING A FAST ACTING RECORD CLASSIFIED AD AD. CALL 349-1700 TODAY!

News Briefs BECAUSE of the July 5 holiday, the next regular meeting of the Northville City Council has been changed from Monday to Tuesday, July 6 at 8 p.m.

OFFICIAL APPROVAL of sale and purchase of properties involving D&D Floor Covering, Inc. and Northville Collision was granted by the city council this week.

NOTICE THE CITY OF NORTHVILLE PLAN COMMISSION WILL REVIEW THE ARCHITECTURE PROPOSED FOR NORTHVILLE SQUARE AT MAIN & WING STREETS, ON TUESDAY, JUNE 29, 1971, AT 8:00 P.M., NORTHVILLE CITY HALL. ALL INTERESTED CITIZENS ARE INVITED TO ATTEND THIS MEETING.

All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township Planning Commission before making its decision.

**THREE WINNERS**—Mrs. Fred Harper, art committee chairman for the First Presbyterian Church's upcoming home tour, bestowed honors recently on winners in the group's fifth annual poster contest. The boys submitted the three best of 40 poster entries illustrating the tour. They are, from left, Dan Meadows, John Jerome and Curt Saurer.

**LUCKY MAN**—When Bruce Greenshields (left) drove into Northville's new parking deck last weekend, the 18-year-old Northville youth never expected to win a portable television. But Bruce was the lucky one of 250 to receive the prize, presented above by Councilman Charles Lapham, in a drawing to celebrate the opening of the new city facility on Cady Street.

**FIRST PATRON** — Mayor A. M. Allen and City Manager Frank Ollendorff rode the first car onto Northville's new parking deck (top level) Friday morning, but it was Mrs. Virginia Bosak who became the first private citizen to use the new facility. As she drives through the entrance of the lower level of the deck she is greeted here by Tracey Snow, who gives her a gift certificate. Parking in the new public facility is free.

# Citizens Advise

Continued from Page One

**VANDALISM**  
Defined as four distinct kinds: intended malicious destruction, indicative destruction, random destruction, and unconscious destruction.

Every effort should be made by the school district to identify those responsible for vandalism. Identification should come voluntarily from staff, student, parent and the community.

Courses of action should include encouraging the student council to work against vandalism, community campaigns,

administrative instruction that identification of vandals is the responsibility of each employee, parental-board of education agreement on damage settlements, and board intent to file charges against the vandal and/or his parents.

**DISCIPLINE**  
The board must charge the administration and staff to "stick to and enforce" sensible rules as established in a student handbook

If a student is caught vandalizing, smoking, is a chronic disturbance, or breaks any of the school rules necessitating suspension, the administration may exclude the student from the school day for a determined length of time or, under parental consent, may be required to assist in the cleaning and upkeep of the school and school grounds during regular school hours.

The disciplined student should be offered some form of rehabilitation service upon his return to school.

Institute programs for improving the lines of communication between parents, students and

teachers such as talk-ins or newsletters

Elementary level bus safety rules should continue as is but the committee recommends that junior and senior high school students should lose their privilege to ride buses if they must be warned or reprimanded for violations more than one.

Recommend hiring of a full or part-time school nurse for the Novi District alone, whose duties in addition to health care of students would include checking attendance records of excessive absences and repeated skipping of classes.

Also recommended: more student activities at the school; an elementary school counselor coordinating testing and placement; individualized learning curriculum in all grades; and use of parents or others as classroom helpers at all grade levels.

**DRUG ABUSE**

Education, prime deterrent to drug abuse, must involve all areas of society—students, staff, clergy, business people, parents.

Recommend a positive approach in which the good and proper use of drugs for man's benefit are stressed. Drug program should be implemented in the regular classroom curriculum, not solely as specific drug program, in chemistry, health, history, economics, etc.

The school library should contain a section on drugs that contains books, pamphlets, and articles dealing with the subject in an honest and forthright manner.

Counseling or other needed facilities should be provided for the rehabilitation of those already using drugs (stepped up counseling program and involvement of outside help—psychiatric, social worker, medical, legal and spiritual).

Finally, "We strongly suggest that the Board of Education include in this area the dispensing of information to parents and other interested adults as the occasion permits"

## Montessori Has Openings

Registration for the Montessori pre-school program currently operating at Moraine Elementary will continue through tomorrow, Friday, and is open to all children age two and one half to five years old.

Children who are now enrolled in the program are from Northville, Novi, Plymouth, Farmington and Wayne, according to Dr. and Mrs. Willis B. Hunting, directors of the Montessori program.

Parents interested in enrolling their children may come to the school between the hours of 8:30 and 11:30 a.m. or call between 8 and 9 a.m. and 10:30 and 11:30 a.m. The new number of the Montessori program is 349-6868.

Fee for the class is \$70 for the four week session or \$17.50 paid in weekly installments. A health form, which can be obtained at registration, is required for all children participating in the program.

Assisting with the program is Karen Lambertson of Redford who is presently completing her training in Montessori education methods.

## SPEAKING

## for The Record

By BILL SLIGER

Chances are slim to zero Wayne county will permit Michigan State Police to use two vacant buildings on the Sheldon road Child Development Center grounds for post headquarters and crime lab facilities.

County commissioners have employed a series of stalls in delaying action on the request. Finally, a letter from Colonel John R. Plants, director of the state police, seeking a definite reply to the request has prompted committee response.

Tuesday the Child Development Center sub-committee, headed by Commissioner Joseph F. Young who openly opposes the proposal, tossed the question back to the Health, Education and Welfare committee without a recommendation.

John J. McCann, the Livonia attorney representing the Northville-Plymouth-Livonia area on the county board of commissioners, is chairman of this committee.

It's possible the HEW committee will support and send the question to the full board of commissioners for action at its July 1 meeting. But close observers predict that there's too much opposition to gain passage at the board level.

Meanwhile, a citizens' committee working with the Northville Area Economic Development Corporation has set out to secure a site and building, to be erected if necessary, to provide quarters for the 40-member post and crime laboratory.

There's a solid feeling on this committee that a state police post located in Northville township will serve as the best insurance available against the threat of mounting crime and vandalism.

"Just the presence of the blue cars is enough to discourage lawbreakers", one member commented.

So if the county does the expected and fails to cooperate with the state police, there's good reason to believe that private enterprise in the form of citizen involvement will take over.

State police officials are aware of this community interest and have promised to cooperate.

In my opinion, the chances of having a state police post and crime lab in Northville township are excellent—but not as a result of county assistance.

## Headache Rides in The Backseat

By JACK W. HOFFMAN

Can you believe it: I'm going to be the driver fighting the steamy, clogged highway and it's the dog ensconced in the backseat that has to have a tranquilizer?

We leave Saturday morning, my sons and I, on our annual safari into the woods and it's the headache in the backseat that worries the boys' mother most — not the dangers her brood will encounter.

"The poor animal can't ride that distance without something to calm her nerves," she explains telling us she'll feed the dog tranquilizers before we leave.

Dog — that's a misnomer. It's a puppy whose mother courted an elephant. Not much over a half-year old and almost three-quarters

Congratulations to Dr. Harold Wright on his appointment as administrative director of Hawthorn Center. His Northville acquaintances would agree, it couldn't happen to a nicer fellow.

Incidentally, it must be the year for good things to happen to the Wrights.

Son, Dave was the recipient of the Athlete-of-the-Year Award at Northville High School.

There's a little family joke that Dr. Wright, no athlete himself but an accomplished pianist, was so proud of his son's achievement that he placed the trophy on the highly-prized grand piano in the living room.

"But only for the week end", Dr. Wright hastened to note.

\*\*\*

Several weeks ago this column criticized the Northville board of education for its private sessions.

It was even suggested that one new face on the board would be a healthy thing.

But in their wisdom, the voters did not agree.

I have not changed my opinion that the school board and every other public elected body should refrain from holding closed-door sessions, except in rare instances.

Appointing a new member to the board to fill a vacancy is not one of those rare instances, for example.

It's ironic that I was given the information on this appointment before it became official so that it might appear in the newspaper a week early.

Agreement had been reached on the appointment and the press was informed. The press published the news, and criticized the procedure.

It would do so again given the same set of circumstances.

Despite this difference in philosophy, there should be no impression of mistrust.

As the Northville board ends another year and prepares to elect officers, community congratulations are due Dr. Orlo Robinson for his performance as board president.

He has been an articulate spokesman for the board as its president, and a conscientious, hard-working member.

Northville board members are unpaid and frequently criticized. It's true, they sought the job and should be willing to accept the consequences.

But we can be thankful that leadership of the type provided by Dr. Robinson exists in our community and is willingly donated. At the least, it deserves our thanks.

grown, she presses the scale at 117 pounds.

Purported to be of St. Bernard lineage, she was named Grizzly, they say, only because of her appearance. The boys dragged her home after their petite companion for years up and died on the front porch.

Now while its predecessor lies fertilizing the lilac bush, the replacement (it took something big to fill the void) gallops about fertilizing the remainder of our stockyard and scaring the dickens out of passersby.

When someone yells, "Grizzly's loose," in our neighborhood the street empties quicker than when TV screams tornado warnings. She's playing, of course. But try explaining that to the mailman

MISS PALMER

Speaking for Myself  
My Favorite  
Vacation Spot

MRS. BAKHAUS

## Exotic . . . .

My most exotic vacation? Maybe it was wandering around the ancient city of Angkor Thom and the beautiful temple of Angkor Vat, Cambodia,—in a monsoon.

I was supposed to have flown from Phnom Penh, the capital, to Siem Reap, but there was no plane so Americans from the Economic Mission took me by car to the ruins, a trip of about six hours on which the car dodged dozens of wild dogs and many water buffalo.

The temple is on a square site surrounded by a moat crossed by a 1,800 foot stone cause-way at the main gate. I sat down on the cause-way to change the film in my camera and almost immediately I was surrounded by little brown-eyed youngsters whom I tried to entertain with French songs and to whom I doled out hard candies, gum, and miniature toys. Across the bridge came a little girl driving the cows home. The orange-clad Buddhist monks passed by on their way to the Bayon temple, which stands in the middle of the city. The temple has 54 towers and the four sides of each tower are carved with huge faces.

The ruins of Angkor Thom were covered by tropical jungle until 1860 when the site was re-discovered. As I clambered, dripping wet over the fallen kapok trees and through the twisted mango bushes, admiring the magnificent sculptures, but keeping an eye out for venomous snakes, I knew I could never forget Angkor Thom!!

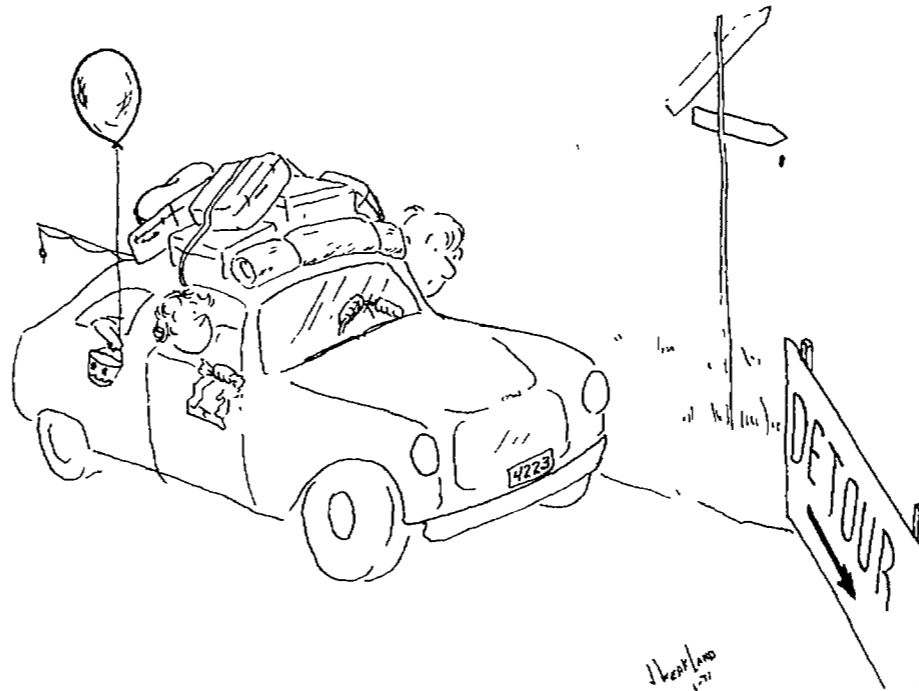

MISS IONE PALMER  
Northville Resident

## Family Oriented . . . .

What is our favorite vacation spot? That would be hard to say. It is always a thrilling moment to me when my amateur photographer husband insists on the first picture as we stand beside our car and camping trailer, which are packed for several weeks of travel. Then we are off once more to explore some far corner of our own country or Canada.

City Supports  
'Glass' Project

To the Editor:  
My students and I would like to thank you for your supporting article on our glass collection project, which appeared in "The Northville Record." I'm sure your article was instrumental in achieving the degree of success that was ours on June 6.

We began our efforts before noon and, due to the large amount of glass that Northville's citizens responded with, we found ourselves working well past 6:00 p.m. the amount of glass that was delivered to the High School was surprising, especially in light of the thunderstorm that hit just prior to the beginning of our drive. In all, about 4,000 pounds of glass was collected,

sorted, and transported to the recycling pick-up point at the Arborland Shopping Center at US-23 and M-17 in Ann Arbor. From there, the glass is transported to a recycling plant in Illinois. We would especially like to express our appreciation to Mr. William Van Buren of 44000 Nine Mile for his help in the transporting of the glass.

Several individuals had suggested that the people of Northville were not interested enough in such a project to make it worth our while. We felt differently, and now we can point to this supporting evidence as proof of Northville's concern.

Sincerely,  
Ron Meteyer  
Science Teacher,  
Northville High School

This Story Has  
A Happy Ending

To the Editor:  
This is a story with a HAPPY ending. Last November on Election night, after visiting our young son who was in a hospital in Detroit, we stopped at the Northville Drug Store to buy a "surprise" for our ten year-old daughter who was recuperating from a bout of the flu.

We were in a good frame of mind. We had voted, our son was not seriously ill, our daughter was getting better and, to tell the truth, we were feeling a little smug and quite content.

However, it was a murky night, and after leaving the drug store, my husband fell over the second little unseemly curb in the parking lot. From nowhere came three strong young men (high school age, I think) and helped my husband to his feet. Aside from a temporary loss of dignity, a ruined pair of trousers, some cuts and bruises and a sprained ankle, my husband survived. Although he still depends on a cane at times, he was able, after a few weeks, to return to work.

It was a long, hard winter, but with the help of a kind offer of transportation for me to visit my husband while he was awaiting surgery (not connected with the fall) from Operation Help, we are now in a position to join the ranks of Operation Help and maybe repay all the help they have

given us on numerous occasions this past winter.

Now—here comes the really happy ending. Being a woman and an omitted nag, I contacted Mr. Ollendorf (city manager) the morning after the election. He advised me the Edison Company was supposed to come out "sometime" and give the City their recommendations as to the needed light poles for the lot east of the drug store and for the new parking deck. I got his permission to call Edison myself and talked with a Mr. Gallagher who is in charge of street lighting for all of Wayne County.

He informed me there was at least a year's wait for new lighting installations. I kept nagging Mr. Gallagher, however, and I guess something worked right. Two weeks ago, Mr. Gallagher called me and informed me the lights would be installed this week! I feel like tying a large red ribbon around that light pole.

A much belated thanks to the young men who helped us Election night, Operation Help, Mr. Gallagher at Detroit Edison and the Cane which we were able to purchase at Northville Drugs. We are not tempting fate, however, and now vote by absentee ballot.

Sincerely,  
Mrs. R. Matthews  
605 Grace Street

NEW OFFICERS—A new slate of officers was elected last week by members of the Northville Police Officers' Association. They are, from left to right, Patrolman Robert Kramer, vice-president; Patrolman Bruce Deacon, president; and Dispatcher Alice Ritchie, secretary. Treasurer of the association, Patrolman Robert Pankow, was not present when the picture was taken.

### Readers Speak

# Losers Congratulate Board Winners

To the Editor:

My sincere congratulations are offered incumbents Martin, Orphan and Rinehart upon their re-election to the Northville Board of Education. I wish them well in carrying out their responsibilities in the coming

years. It is to be hoped in the future that the 1751 voters will continue their involvement with their trustees and their duties. I encourage increased community participation in P.T.A. and committees set-up by the administration and the

board of Education. A healthy home and school relationship leads to better educational programs for our children. In order to achieve this relationship, it is necessary that the Northville Public Schools have the active support of the community.

I encourage the trustees to actively seek the involvement of the community. I suggest publishing the agenda in this newspaper previous to each meeting; releasing minutes to local P.T.A.s and committee chairmen; and providing a publication whereby the community can be informed of curriculum improvements, financial needs, problems, etc.

concerns which may not receive the adequate and public attention which are appropriate in the process.

representative, democratic process. Sincerely, Angelo A. Chinni

## Returning Soldiers Remind Her of Poem

To the Editor:

With our soldiers returning from war, the following poem by the late Edgar A. Guest of Detroit seems especially appropriate. Perhaps you will share it with your readers.

Leona Parmalee  
46159 Sunset

A SOLDIER TALKS  
by Edgar A. Guest

You won't know what it means to be  
American and safe and free  
Until, day after day, you've stood  
In mud and slime and human blood;  
Have eaten food from tins, and then  
Gone back to sweat in filth again;  
Had insects on your body crawl;  
Washed in a pail, if washed at all;  
Trudged in the rain and slept in mire,

Lived under shell and rifle fire  
And dreamed and waited for the day  
When you could get back home to stay.

You'll never know how good they are,  
The radio, the motor car,  
The morning bath, the mother's meals,  
The dog that followed at your heels;  
The friends, the dances and the shows,  
Lawnmower and the garden hose  
Until from them you've been estranged  
And all you've had by war is changed.  
Then you'll exist—not live—I say,  
Solely for that one glorious day,  
That longed for, hoped for moment when  
You'll see your native land again.

+++

God's country! Bluntly let me state it.  
Believe me, you'll appreciate it!

### Elephant Marching Too

# Parade to Feature 50 Entries

Honorary Grand Marshal Errol Mann, famed kicker for the Detroit Lions, will lead more than 50 entries—including an elephant—in the annual Fourth of July parade here on Saturday, July 3.

Sponsored annually by the Northville Jaycees, the parade will get underway at 10 a.m.

Besides the largest parade in history, activities for the day, all sponsored by the Jaycees, will include a chicken barbecue along with an antique and arts and crafts sale, a fireworks finale at 9 p.m., and a drawing for the Jaycee-sponsored trip for two to the Bahamas.

The parade, which carries the theme this year of "Youth in Action", will step off from the Northville Downs at the Beal Street entrance, proceed east to South Main Street, north and then west on Main to Rogers, south on Rogers to Cady Street, east on Cady to Wing Street, south on Wing to Fairbrook Street, and east on Fairbrook back to the Downs.

The parade reviewing stand will be located in front of the Northville City Hall. Judges will include:

Mrs. Louise Cutler of Cutler

Realty, who also is active with the Farmington Players, Inc.; The Reverend Timothy Johnson, assistant pastor of the First Presbyterian Church of Northville and Jaycee designate as the Outstanding Young Man in the community during 1970; and Al Laux, owner of Northville Drug Company and himself a former Jaycee Parade Marshal.

First, second and third place trophies will be awarded in the categories of bands, musical groups, marching units, floats, and restored automobiles. First and second place trophies will go to winners of equestrian events and a special category.

Among local units entered in the parade are the Northville city and Northville township police departments, the Northville Fire Department, Northville Junior Miss Wendy Wheaton, Northville Boy Scout troops 721 and 755, color guards by the local VFW and American Legion posts; and floats entered by the American Legion post, Northville Junior Hockey Association, St. Paul's Lutheran Church Walther League, Manufacturers National Bank, the Jaycees,

and two neighborhood groups of children—Kirk Mack and Chris Miller, Copps Cadets and Skeanecrest Farms will represent local entries in the equestrian category.

Many groups will be participating in the parade for the first time. A few of these include the Detroit Fire Department Clown Team, a King Animal Land Elephant, Farmington Elks Motorcycle Drill Team, the VFW 4th District "Clownettes," the Amherstburg, Ontario Community Band, the Marauders Drum & Bugle Corps;

Redford Township Prancers, Majorette Corps, Marine Corp League Majorette Corps, the U.S. Navy Polaris Missile Float, Washtenaw County Sheriff's Mounted Division, Huron Valley Veteran Motor Car Club of America, and a float of the U.S.S. Detroit sponsored by Bentley High School along with their Navy Junior R.O.T.C. Color Guard and Drill team.

Plymouth State Home & Training School will provide a heartwarming addition to the parade as its Sullivan Hall Band, a group of blind retarded boys sing and play. The boys will be transported on a "Gazebo" float built by the Northville Jaycees.

A few of the returning groups include the Oakland County Locomotive "Madam Lucyle"; the Clan MacRae Pipe Band which took first place honors last year, the South Windsor Lions Band, Chemical Valley Fife & Drum Corps, and the Silver Chaparrals Fife & Drum Corps, both of Sarnia, Ontario; the Pace-Setters and Miracles Majorette Corps; and the Farmington Township Mounted Auxiliary Police.

The Model A Restorers Club and the Classics Car Club of America will represent entries in the restored automobile category. More than 10 floats will participate.

William Boraddus, Jaycee overall chairman of festivities, reminds children that they are invited to participate in the parade with their decorated bicycles but he emphasizes that they "must stay in the part of the parade line-up assigned to them."

Ribbons will be awarded the best decorated bicycle entries, at the Downs following the parade. "A real treat for kids will be the form of a 'community ride' throughout the downtown area by the Oakland county Locomotive, "Madam Lucyle," he said.

Jaycees are still looking for a sponsor for the elephant in the parade. Anybody interested in this unique form of advertising is asked to contact Doug Loomis at 349-1664.

A complete parade line-up will appear in next week's edition of The Record.

Post-parade activities will shift to the park behind the city hall for the Jaycee hosted chicken barbecue and to the parking lot between the city hall and board of education building for the antique and arts and crafts sale.

The barbecue spread includes baked beans, cole slaw, potato chips, rolls, soft drinks, and coffee. Cost for the meal is \$1.75 for adults and \$1.25 for children under 12, according to Barbecue Chairman Mike Janchick. Plans are to serve until 5 p.m. or until the food runs out.

Jaycee Art Bakewell is still taking reservations for the antique and arts and crafts sale. Interested persons should contact him at 349-4198.

Highlighting the event will be the fireworks display at the high school athletic field, beginning at 9 p.m. Lyn Bourne, chairman of this event, has arranged for "the

biggest fireworks display in Northville's history." In case of rain the fireworks will be rescheduled for Sunday, July 4 at 9 p.m.

Immediately following the fireworks display, a drawing will be made for the trip for two to the Bahamas. Tickets will be available during the parade, barbecue, and fireworks. They also may be obtained now from any member of the Jaycees, according to Chairman Paul Vandenberg.

## OBITUARIES

ACEL E. DAYTON  
Funeral services were held Monday for Acel E. Dayton of 317 Baseline Road who died Friday, June 18, at his home following a long illness. He was 69 years old.

A resident of Northville for the past 46 years, Mr. Dayton owned Northville Laundry until he sold the business in 1966.

Born June 14, 1902, in Linden he was the son of Caroline (DeBos) and Edward Dayton.

Surviving are his wife, Nellie May, a daughter, Mrs. Jack (Velma) Gray of Northville, three sons, Charles of Romulus, Harold of South Lyon, Robert of Woodstock, New York, and 12 grandchildren.

Services were held at the Casterline Funeral Home where the Reverend Guenther C. Branstner of the First Methodist Church officiated. Burial was in Oakland Hills Memorial Gardens, Novi. Pallbearers were Walter Stamann, Vern Benjamin, Dick Ritchie, Wesley Klocke, Robert White and William Martin.

MRS. AINOS SAASTAMONEN  
Funeral services were held Monday, June 21, for Mrs. Aino S. Saastamoinen of 2345 Fairbury in Wixom. She died on June 19 in Pontiac following an illness of two years.

Mrs. Saastamoinen was born on July 10, 1896 in Finland. She was 74 years old. Survivors include one son, Bruno Aro of Wixom. She had one sister and six grandchildren.

The Reverend Robert Shade officiated at the 11 a.m. services in the Richardson Bird funeral home in Walled Lake. The body was then cremated in White Chapel cemetery in Troy, Michigan.

MARY HENNING  
Funeral services for Mrs. Mary Agnes Henning of 649 South Harvey in Plymouth were held Monday, June 21, at Our Lady of Good Counsel Church. Mrs. Henning died last Friday in the Marlin Place West nursing home in Detroit following a short illness. She was 80 years old.

Born in Dearborn on February 6, 1891, Mrs. Henning was the daughter of John and Mary Kline Schoeb. She was married to George Henning who preceded her in death in 1968.

Moving to Plymouth from South Lyon in 1933, Mrs. Henning was a member of Our Lady of Good Counsel Church and the Kaiser-Frazer Retirement Club. She is survived by five daughters and three sons. They are Mrs. Fred Wick, Mrs. Robert Gardner and Mrs. Charles Bullmore of Northville, Mrs. Rex Bennett and Mrs. Gladys Dix of Plymouth, Everett Henning of Westland, Roy Henning of Livonia and William Henning of Plymouth.

She had 25 grandchildren, 61 great grandchildren and three great great grandchildren.

The Reverend Father Francis C. Byrne officiated at the 9 a.m. funeral services in Plymouth. Burial was in Holy Sepulchre cemetery.

I wish to express my appreciation to all those who supported my re-election.

Andrew Orphan

## She May Start Own Junk Yard

To the Editor:

I can't think of a more charming, genteel and prosperous place to live in than in Northville Township. It is really only in the past few months that I have become to really feel a part of it though. Housekeeping part that is. But as all housekeepers working outside the home expect to be paid, I feel it only fair that I deduct my services from the over \$2000 I pay in

property taxes a year.

After all, the time spent in making Six Mile Road passable not only for myself but others should be worth something. I don't mind stopping every time I go out on the road and pick up tires, pieces of wood with nails, pieces of pipe tree limbs and other pieces of trash that have fallen off a poorly loaded truck. I feel I am doing my part for ecology and pollution. Not only that, it saves the county and township valuable manpower to be spent on more constructive things. I'll throw in the driving experience I am getting avoiding the cat-holes for you couldn't find a better obstacle course than Six Mile Road.

Who knows, I may collect enough to start my own junk farm or better still I could dump all my collections on the front lawn of Mr. Stromberg and a few of the trustees and they might get the message that some of us are at the end of our patience with their ordinances and their ineffective police force.

## Class of '71 Says Thanks

To the Editor,

Unanimously, the members of the Northville High School class of 1971 extend their sincere appreciation for the parent sponsored Senior party. This well-planned party was highlighted by excellent music, dazzling decorations, and a delicious breakfast. Again, we would like to thank all of our parents who made this memorable experience possible.

Sincerely,  
The Class of 1971  
Constance M. Wilson

Police Blotter

# Nab Burglary Suspects

In Novi . . .

Two Detroit teenagers were arrested Monday shortly after noon as they emerged through the side window and rear door of an apartment—antique shop at 4304 Grand River in Novi.

John Borcozak, 18, and Orlando A. Campagnoni, 17, were ordered out of the apartment, located in the rear of the building, at 12:06 by Novi detectives who answered a complaint that the pair had been seen entering the residence.

Detective Sergeant Gordon Nelson stationed himself at the rear of the building as Detective Jack Grubb waited at the window.

The two youths were apprehended as they emerged from the building.

According to Grubb, Borcozak had in his possession various items of men's jewelry while a stereo set, speakers and rifles were found piled in the kitchen.

The two were arraigned Tuesday afternoon before 52nd Court Judge Gerald McNally in Clarkston on charges of entry without breaking and were remanded to Oakland County jail on a \$500 cash bond.

Preliminary examination was set for July 2 at 2 p.m.

Three persons were arrested Thursday morning and, in the opinion of Sergeant Dale Gross, a burglary was averted by Novi Police on "preventive patrol."

Millard Mays Jr., 19, of Detroit was charged with drunken driving and having no operator's license while Dennis Charles Chall, 20, and Michael Wayne Chall, 18 both of Detroit were turned over to Allen Park and Melvindale departments on outstanding warrants for possession of stolen property and disorderly conduct.

Mays was arrested when he exited Sandy's Mobil, at the intersection of Novi Road and the I-96 freeway, and drove "erratically across the bridge south on Novi Road at a high rate of speed," police said.

Gross and Patrolman Gerald Burham were

checking the premises of Carl's Shell, 26909 Novi Road, when Mays passed them. They pursued the suspect who pulled into Peramo's Texaco, 26666 Novi Road, jumped out of the car and fled, according to reports.

Gross chased him, found him to be without an operator's license, and arrested him.

The Chall brothers, Mays' companions, were still in the Mobil station lot when police returned to ask for identification.

"I feel sure they were casing out the Mobil station for a burglary," said Gross.

Nancy Murphy, 43687 Grand River, reported Friday that a garage behind her residence had been broken into and \$1,021 worth of power tools, including a lawn mower and a generator were stolen.

Police found a hasp used to secure the door had been broken off.

Estimates place the time of the crime between 7 a.m. on Thursday and 7 a.m. on Friday when Mrs. Murphy reported it.

Edward Burns, an

employee at the West Road construction site of Novi's new sewage disposal plant, reported Friday morning the theft of 300 feet of 1½" plastic hose.

The material is reportedly worth some \$300.

A Southfield man, James Clair Bikley, found his \$225 boat trailer gone when he returned Thursday to where he had left it while fishing on Walled Lake.

Bikley told police he believed he saw a car driving away with his trailer but he wasn't sure.

Michael Deaton, 2299 Austin, lost an \$80 eight-track cassette tape deck recently as thieves pried open his car's side vent while the automobile was parked in his driveway overnight police report.

A \$85 power lawn mower was stolen from Elmer Jones home at 23701 West LeBost recently. Jones kept the machine in an open carport beside his home.

Dr. Taisja Tworek of Pleasant Ridge, owner of the

Lazy Acres Farm, north of Nine Mile Road on Haggerty, reported recently the theft of nine spruce trees and three evergreens.

Total value, according to reports, is \$600.

Charles Frederick Birckelbaw of South Lyon was arrested last week for drunken driving.

Birckelbaw was stopped on Novi Road for erratic driving and was determined through test to be intoxicated, police said.

He was also issued a violation for driving on an expired operator's license.

### FIRE CALLS

Field Fire 1510 Paramount Thursday 7:45 p.m.

Car Fire 43382 Grand River Wednesday 1:27 p.m.

Car Fire Carl's Shell Thursday 6:57 p.m.

### In Northville . . .

A yellow and purple jog cart, worth \$375 when new, was stolen from the barn area of Northville Downs between 5 p.m. Wednesday and 7 a.m. Thursday.

Police are still investigating the case, according to reports.

### FIRE CALLS

June 17-7:11 p.m., Hines Drive south of city limits, car fire.

June 20-6:19 p.m., Six Mile between Beck and Ridge Road, grass fire.

### COURT NEWS

A Union Lake man, James W. Cox, pled guilty to a reduced charge of driving while ability impaired, was fined \$69, placed on one year probation and ordered to pay costs of \$60.

The action came June 15 before 35th District Court Judge Dunbar Davis. Cox was arrested April 30 by city police.

Richard J. Diamond of Detroit pled guilty to a reduced charge of careless driving and was fined \$49. He was arrested March 16 by township police.

A Livonia man, William W. Curtner, pled guilty to a reduced charge of speeding 65 in a 45 mph zone and was fined \$34. Curtner was arrested May 1 by township officers.

### In Township . . .

A 16-year youth from Detroit is in Juvenile Home on charges of minor in possession of alcoholic beverages and possession of burglary tools.

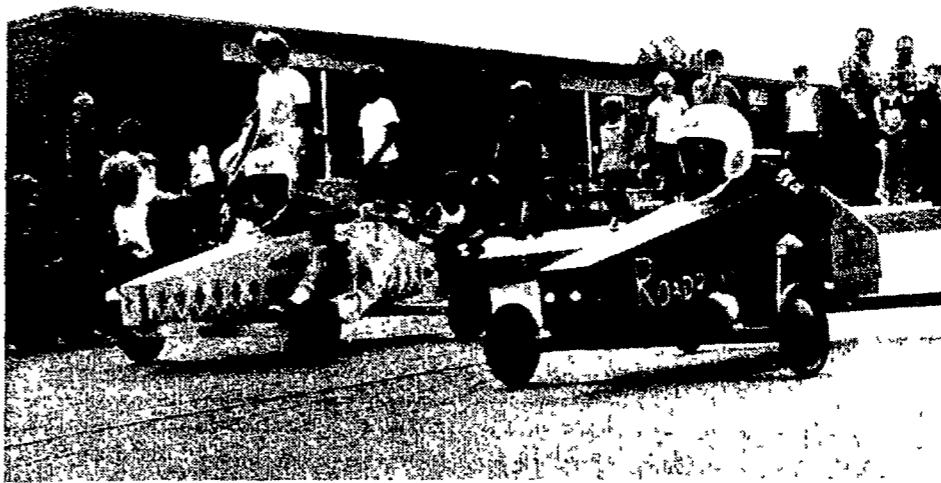

The youth was arrested at Maybury Sanatorium by township police early Sunday morning along with two 17-year-old companions after police received reports of a car attempting to enter the property.

The 17-year-olds, both from Detroit, will face charges of minor in possession of alcoholic beverages in 35th District Court on July 1. A 15-year-old girl from South Lyon who was with the boys was released to her parents.

Frederick Kraft of 15336 Northville Forest Drive reported to township police Thursday his car was damaged while parked in the apartment lot.

According to police, scratches and dents were found on the car and an attempt had been made to pry the steering column lock loose.

A strand of opera length pearls valued at \$125 was reported stolen on June 16 from 18821 Jamestown Circle. According to police, the theft occurred in May.

LOOK OUT—Saturday was derby day in Novi as Cub Scouts and Webloes from Pack 240 held their their second annual soapbox derby at Novi High School. For details and the winners see Novi Highlights, page 6-A.

## Wixom Hands 'Mug' Season's First Defeat

Copper Mug suffered its first defeat of the season last week but still clung to a first-place lead in the east division of the Walled Lake Softball League—thanks to a triumph over the west's leading club, the Walled Lake Oldtimers.

It was Wixom General Store, a game back of the Oldtimers, that marred Copper Mug's undefeated record. With Jim Burke leading the way at the plate with a homer and a pair of doubles, Wixom sailed to an easy 12-7 triumph.

Dave Byrd added a solo homer for the victors.

Earlier, Copper Mug dumped the Oldtimers, 9-8, as Danny Boros and George Drewno swung some hot bats that produced a pair of triples each. Boros also came up with a double.

Other action last week shaped up this way: Walled Lake Building Maintenance defeated Wixom General Store, 16-5, as Ray Koefling blasted a grand slam homer and accounted for two other runs batted in while Larry Friar scored three runs himself and batted in two others.

### WEDNESDAY JUNE 16

Bryant Computer Products came out of a sixth inning tie with Lake Optical to notch a 14-13 victory on the strength of an explosive, eight-run seventh inning rally.

Brandenberg Construction bombed Liberty Tool 10-1 as Jeff Brandenberg and Dennis Dahlman each uncorked home runs.

### Appoint Wixom Aide

Continued from Page One couldn't see how Coe stood to make any profit from the payment of the Holloway bill.

In other business Tuesday night, councilmen:

Listened to a presentation from planner James Lahde proposing that the city lease a 60 acre tract of Parks and recreation land to the north and west of Wixom from the Huron Clinton Metropolitan Park Authority and instructed planners to draft a letter stating such intent.

Listened to a report from Councilman Elwood Grubb that State Representative Philip D. Mastin was collecting testimony on property tax irregularities and anyone who felt he'd been unfairly handled could address complaints to Box 119, Lansing, Michigan.

Carpentry Engineering beat Rex Roto, 7-6.

Brandenberg Construction bombed Lake Optical, 21-1, with the help of a homer by Ron Thompson and a five-for-five effort by Rich Ward.

Dutch Brandenberg worked the mound for Construction. Liberty Tool defeated G.M. Carpet, 6-4, as Jim Pierce batted in three runs and Bob Samples blasted a homer.

Lawson's Manufacturing upended Michigan Building Components, 14-11.

### MONDAY, JUNE 14

Carpentry Engineering came back from a 10-0 deficit in the first inning to beat Walled Lake Oldtimers 14-12. Walled Lake Building Maintenance picked up an easy victory over Michigan Building Components, 7-2, with the help of Ray Koenig who went three-for-four with three runs batted in.

Lawson's Manufacturing and Rex Roto picked up easy 11-6 and 16-8, victories over Williams Research and Bryant Computer Products.

Standings, as of Thursday, looked like this:

EAST DIVISION	W	L
Copper Mug	15	1
Brandenberg	14	2
Construction	11	5
Lawson's Manufacturing	11	5
Liberty Tool	7	9
Carpentry Engineering	4	12
Rex Roto	4	12
Williams Research	2	14

WEST DIVISION	W	L
Walled Lake Oldtimers	10	6
Wixom General Store	9	7
Walled Lake Building Maintenance	9	7
Michigan Building Components	8	8
G.M. Carpet	7	9
Bryant Computer	4	12
Lake Optical	1	15

## Street Hockey Starts Friday

Canoeing, tennis and street hockey are some of the things planned by the Northville Recreation Department beginning this week and next, according to Director Robert Prom.

Swimming tests, Prom said, will be held Tuesday at the Northville High School pool at 9 a.m.

Potential paddlers will have to pass a test or present proof that they have had at least intermediate training.

The first day of instruction will be next Thursday. A bus will leave the scout recreation building at 8:15 a.m. and return at noon.

Charge will be \$1 per session.

Tuesday is the day that free tennis lessons begin at the high school courts, Prom said. Lessons for adult beginners will be held from 6:30 p.m.

Those interested should call the recreation office at 349-0203 between 8 a.m. and noon or 1 and 5 p.m.

Friday is the day that street hockey buffs come into their own as the recreation department sponsors weekly meetings at 1 p.m. in front of the Scout Recreation building.

## It's Two Straight For Reef

Northville's Reef Manufacturing kicked off its Connie Mack season Saturday with back-to-back victories over the Optimist Club, 3-2, and Red Holman Pontiac, 3-0.

Local batsmen collected three runs in the first inning of the morning game with the Optimists as Jeff Moon gave up four hits from the Northville mound.

Rod Crane kicked off that three-run rally with a single and Rick LaRue followed with a double.

Both came in on a single by Steve Utley who went three-for-four for the day.

Utley scored the third run on a single by Bart Taylor who was left stranded.

Moon held the Optimists scoreless until the sixth inning when he was nicked for two singles and a double that produced two runs.

In the afternoon game against Red Holman Pontiac, the Reef squad exploded with three runs in the seventh inning.

Joe Bishop gave up five hits to take the shut-out victory.

Once again Crane led off with a single and then tried to steal second. The cut-off throw went past the second baseman and Crane ended up at third with LaRue on second after having drawn a walk.

Crane's effort died as he was thrown out at the plate from Steve Utley's single. Bart Taylor laid down a squeeze bunt that scored LaRue from third and Dale Griffith batted in both Utley and Taylor to ice Reef's second victory.

This year everybody's introducing a new VW-sized economy car. So not to be outdone VW has done the same. Today it's the most developed car. It's the only one with a sealed steel bottom, magnesium-alloy engine and a free electric diagnostic system to spot problems early and actually help extend its life. Come in to learn how much this can mean to you. We'll take your old car, any make or model, in trade. \*Model 111 is the basic bug with cloth upholstery. Freight and dealer preparation are included. Sales tax and license are extra.

**BRING 'EM BACK ALIVE**—Livestock for the annual Northville Recreation turtle races, slated for mid-July, is the specialty of Bernie Bach, 20336 Woodhill. He's got 'em in all sizes—small, medium and large—at all prices. 50-cents, 75-cents, and \$1. Bach has been supplying the recreation department with racing turtles for four years now but department budget limits this season have forced him to sell instead directly to those youngsters desiring to enter the race. "I'll be selling them until July 10," he said, "but if there's a big enough demand I can still get more. He hunts and captures the turtles by canoe in the Huron River.

## 10-Run Third Inning Gives Reef 14-2 Victory

Northville's Reef Manufacturing had a batting field day at the expense of Garden City Sunday as the local Adray leaguers staged a 10-run third inning rally that iced a 14-2 victory. The win was Reef's second in four starts as hurler John Morrison, (2-1), fired nine strike-outs while giving up four hits and two walks. A two-run homer by Dan Boehm was the best of 15 Reef hits as walks and singles loaded the bases four times. On with a walk, Rick LaRue was pushed across on Boehm's homer for the first run in that big third inning. Catcher Jim Bears followed Boehm with a single, then stole second and went to third as Steve Utley and David Coe drew walks. All three scored on a wild pitch and a single by Dale Griffith. Griffith trotted to third on a single by Morrison and came

in on a double by Dan's brother Rick Boehm, while Morrison went to third. Adams walked, filling the bases. Two more walks, and a single by Bears capped the rally with four more runs. **Fires Ace At Brooklane** Marty Brady, 13, of Livonia, used 'Kids Day' at Brooklane Country Club to good advantage Friday as he fired his first hole-in-one on the 150-yard, par 3, ninth hole. Marty shot his ace over the straight-away, with traps protecting the green on the right and left, with a driver. Foursome partners were Tom Deacon, Dave Hostetter and Tom Brent also of Livonia.

Reef collected two earlier runs in the first as Rick Boehm and Adams scored on a sacrifice and a single by Dan Boehm and Bears. In the fifth inning Reef scored again as Utley singled in Dan Boehm and Griffith doubled in Bears. Earlier in the week, the local nine had tougher going as they dropped two straight to Hubert Realty, 4-2, on Friday and Westland, 4-0, last week Wednesday. Bernie Bach worked the mound in the Hubert game, giving up four runs on three hits for his first Adray effort of the season. Griffith powered the local nine with a two-run homer in the second and Rick LaRue picked up a pair of singles. In all, the Adray squad collected seven hits and committed two fielding errors. Against Westland, Reef collected five hits but was unable to capitalize on any of them. Morrison, on the mound for Northville, allowed six hits and three walks.

**NORTHVILLE GOLF TOURNAMENT**

## Deadline Nears For Golf Classic

Deadline for registration in the first Northville Men's Open and Women's Classic Golf Tournament is July 2, Recreation Director Robert Prom reminded area residents this week. Slated for Salem Hills July 16 and 23, the tournament will offer separate competition for both men and women with trophies awarded in five different categories. Any resident of the city, township or school district of Northville who is 19 or over is eligible, Prom said, and may pay the \$7.50 registration fee either in person or by mail before July 2.

## Rexall Rangers Top Major Race

Rexall Rangers held on to its slim first-place lead in Novi's Little League Majors last week by defeating second-place B-V Construction, 12-6. Construction's hurler John Bosco was nipped for 15 hits as the Rangers had a batting field day. Dave Beall, who shared pitching duties with Dennis Tuck, led the Ranger attack with a pair of doubles and a single. Rick Faulkner, Dennis Burnham and Craig Pelchat each posted double-single combinations. Mickey Wilson picked up a double and Chris Butler came up with two singles to lead Construction at the plate. Between them, Tuck and Beal gave up six hits and 10 walks while fanning nine men. Other action last week included:

**SATURDAY, JUNE 19**  
The Rangers beat Michigan Tractor, 15-9, on 14 hits and four walks. General Filters bombed Novi Party Store, 18-9, on a mere nine hits, the longest of which came off the bats of Mike Lutman, who socked a pair of doubles and a triple, and hurler Steve St. John who clubbed two doubles.

**FRIDAY, JUNE 18**  
Novi Police upset Michigan Tractor, 13-10, as hurler Randy Kelly dealt seven walks and three strike-outs to Tractor. Wrotten Brothers worked a 6-2 defeat over General Filters as Randy Wrotten powered the attack with a double, and a triple. Bruce Aitima went the distance for Wrotten, dealing eight walks and four strike-outs.

**THURSDAY, JUNE 17**  
Carl's X-Way Shell collected six runs on five hits to beat Novi Party Store, 6-2. Bob Bannatz, with a double, and Tim Putnam with a pair of singles, powered the attack while Marty Tornow led it from the mound with seven strike-outs and one walk.

**TUESDAY, JUNE 15**  
General Filters notched a 12-11 victory over Novi Police, by bouncing back from a fourth inning, 10-5 deficit. Mark Frere and Keith LaFleche handled the mound fanning eight men between them and giving up a combination of nine hits and seven walks.

Randy Kelly and Tim Hardecki worked the mound for the Police, giving up a total of 12 hits. Bill Miller collected a double and a pair of singles in the Police's losing effort. Wrotten Brothers posted an easy victory over Michigan Tractor, 14-7, as Randy Wrotten fired 11 strike-outs giving up two hits, both singles. Wrotten also blasted a pair of triples to lead the Brothers' 10-hit attack.

**MONDAY, JUNE 14**  
B-V Construction upended Novi Party Store, 3-1, as Steve Kerr and Kevin Ary split duties on the mound. The pair allowed only three walks and two hits between them while firing 11 strike-outs.

Carl's X-Way Shell edged the Rangers, 6-4, as Shell hurler John McMurray fired 13 strike-outs while giving up one walk and eight hits. Big gun for the Shell was Tom Goers who posted two of the seven Shell singles.

## Wow! Braves Win, 40-3

Casterline Braves notched 4-3 and 40-3 victories over Plymouth and Wayne County Child Development Center last week in the 'F' division of the Northville Little League. The Plymouth game, last week Tuesday, saw Dave Wilson fire 11 strike-outs while giving up two walks and three hits for the Braves as the local squad collected their four-run tally on a long, two run homer by Greg Mack and a pair of singles by Kevin Corcoran. The Braves worked the 40-3 disaster on WCCDC Thursday as hurler Jim LaPlante fanned nine batters. The local squad collected 36 hits as Paul Knapp, Dave Wilson, Kurt Mack, Greg Mack and Tom Eis all posted perfect batting records.

## League Dads Build Fences

"No fences, no little league ball" on four diamonds prepared near Beck Road and 11 Mile in Novi.

That's the word from Jerry Sherwood, vice-president of the Novi Little League, who this week is soliciting volunteers for "project fence" scheduled Saturday at 9 a.m. or, in case of a rain out, Sunday.

Land at the corner of Beck and 11 Mile, donated last spring by area contractor Paul Bosco, has been developed into four baseball diamonds and adequate parking.

According to little league officials, however, the job is not yet complete. The area must be fenced.

All Babe Ruth and Senior Division players are expected to help and Sherwood hoped early this week that many would bring their parents with them.

Sherwood asked any family unable to help, to send a donation to defray the costs of the new fields to Mel Linkley, treasurer of the little league, at 40601 Brenda Lane in Novi.

## Series Starts On Saturday

Jamaican Pools and Thomas Steel Forms held pole positions in 'A' and 'B' divisions of Novi Minor league play this week as teams prepared for the world series slated Saturday at Orchard Hills Elementary.

With at least 11 games under their belts, the teams lined up like this:

<b>Division 'A'</b>	<b>W. 1</b>
Jamaican Pools	9 2
Fend Transit	9 3
Poured Brickwall	5 6
Marcus Glass	4 8
Lynch Precision	1 10
<b>Division 'B'</b>	<b>W. 1</b>
Thomas Steel Forms	10 1
Herb's Standard	7 4
J. S. Trudeau	6 6
Harrison Well Drilling	4 7
Pepper Tree	2 9

## 8-0 Record

# Lumber Still Leads Slo-Pitch

Still boasting an unblemished record (8-0), Northville Lumber hung on to its first-place lead over second ranked Winner's Circle (7-1) in Northville's slo-pitch softball competition. The four-day, eight-game week went as follows:

**THURSDAY, JUNE 17**  
Winner's Circle was sparked by Joe Humphries and Ken Kajala as it hammered out an easy 13-4 victory over the Northville Jaycees.

Humphries belted a solo homer and collected a pair of doubles while Kajala blasted a pair of homers.

**WEDNESDAY, JUNE 16**  
Plymouth State Home had a batting field day over Exotic Rubber and Plastic, piling up

14 runs in the first inning for an easy 17-4 victory.

Ray Courter powered that inning rally with a home run and a double.

Ford Valve Plant exploded in the fifth inning for six runs and went on to win 9-5 over OLV Men's Club.

**TUESDAY, JUNE 15**  
South Lyon Jaycees dumped Novi Inn for its fourth straight loss, 19-4.

**MONDAY, JUNE 14**  
Northville Drug-Casterline hurler Jim Stevens worked a three-hit shut-out, 15-0, over St. Clair Advertising as his squad exploded for seven runs in the third inning.

Northville Lumber bombed

Newcomer's Club, 26-1, with the help of Jerry Wedge who went five-for-five with a pair of homers and three singles.

Northville Downspended VFW 4012, 11-7, pushing across five runs in the first inning and adding four more on a grand slam in the fifth by Russ Kelly.

Standings ended up like

Northville	8 0
Winner's Circle	7 1
South Lyon Jaycees	6 1
Northville Downs	5 3
Plymouth State Home	5 3
Novi Inn	5 3
Green Ridge Palace Gambles	4 3
Northville Drug-Casterline	4 3
O L V Men's Club	3 5
Northville Jaycees	2 5
V F W 4012	2 6
Ford Valve Plant	2 6
Newcomer's Club	1 6
Exotic Rubber and Plastic	1 6
St. Clair Advertising	0 8

## B-V Nips Harrison But Loses Upset

Novi's B-V Construction beat Farmington Harrison Saturday afternoon 4-3, but lost its spark in the evening as Hubert Realty pulled off upset by the same score leaving the local Connie Mack squad even in their first two starts.

In the first game John Pantalone gave up three hits and dealt six walks as the local nine battled back from a 3-0 deficit.

In the fifth inning, with Bob Pishal, and Bob Vivian on with a walk and a single, Phil McMillian slammed a double to score two runs.

In the seventh, Harrison hurler Mark Gaspar loaded the bases with three straight walks and then uncorked two wild pitches allowing Steve Lukkari and Dennis Fritz to

gallop home.

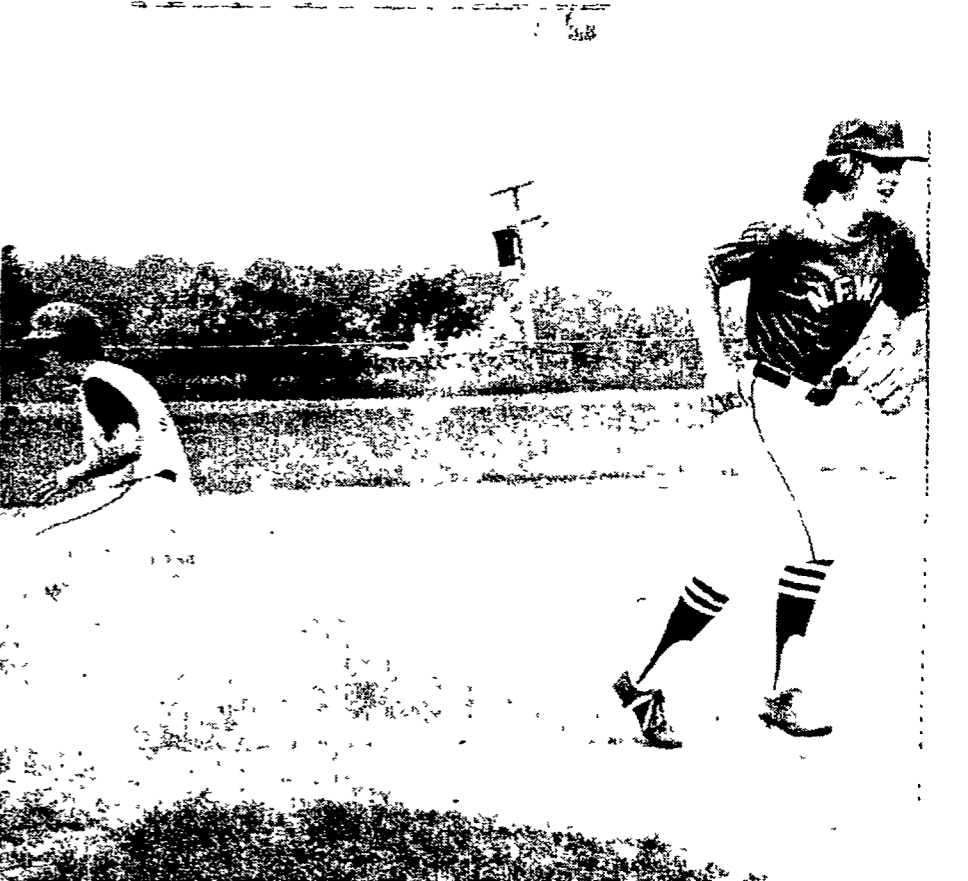

The second game of the day was the same story...almost. Construction collected six hits all singles - off Hubert hurler Dan Gregor. McMillian, on the mound for B-V, dealt five hits, eight walks and five strike-outs.

The local nine went zip against a one run Hubert lead until the fifth inning when Bob Vivian singled, stole second and made it to third on a ground out. Lukkari laid down a bunt, scoring Vivian. Hubert scored three runs in the sixth and Novi came back in the seventh with a single by Pantalone that scored Lukkari and Bosaak from second and third.

The effort died, however, as a center field fly ended the inning.

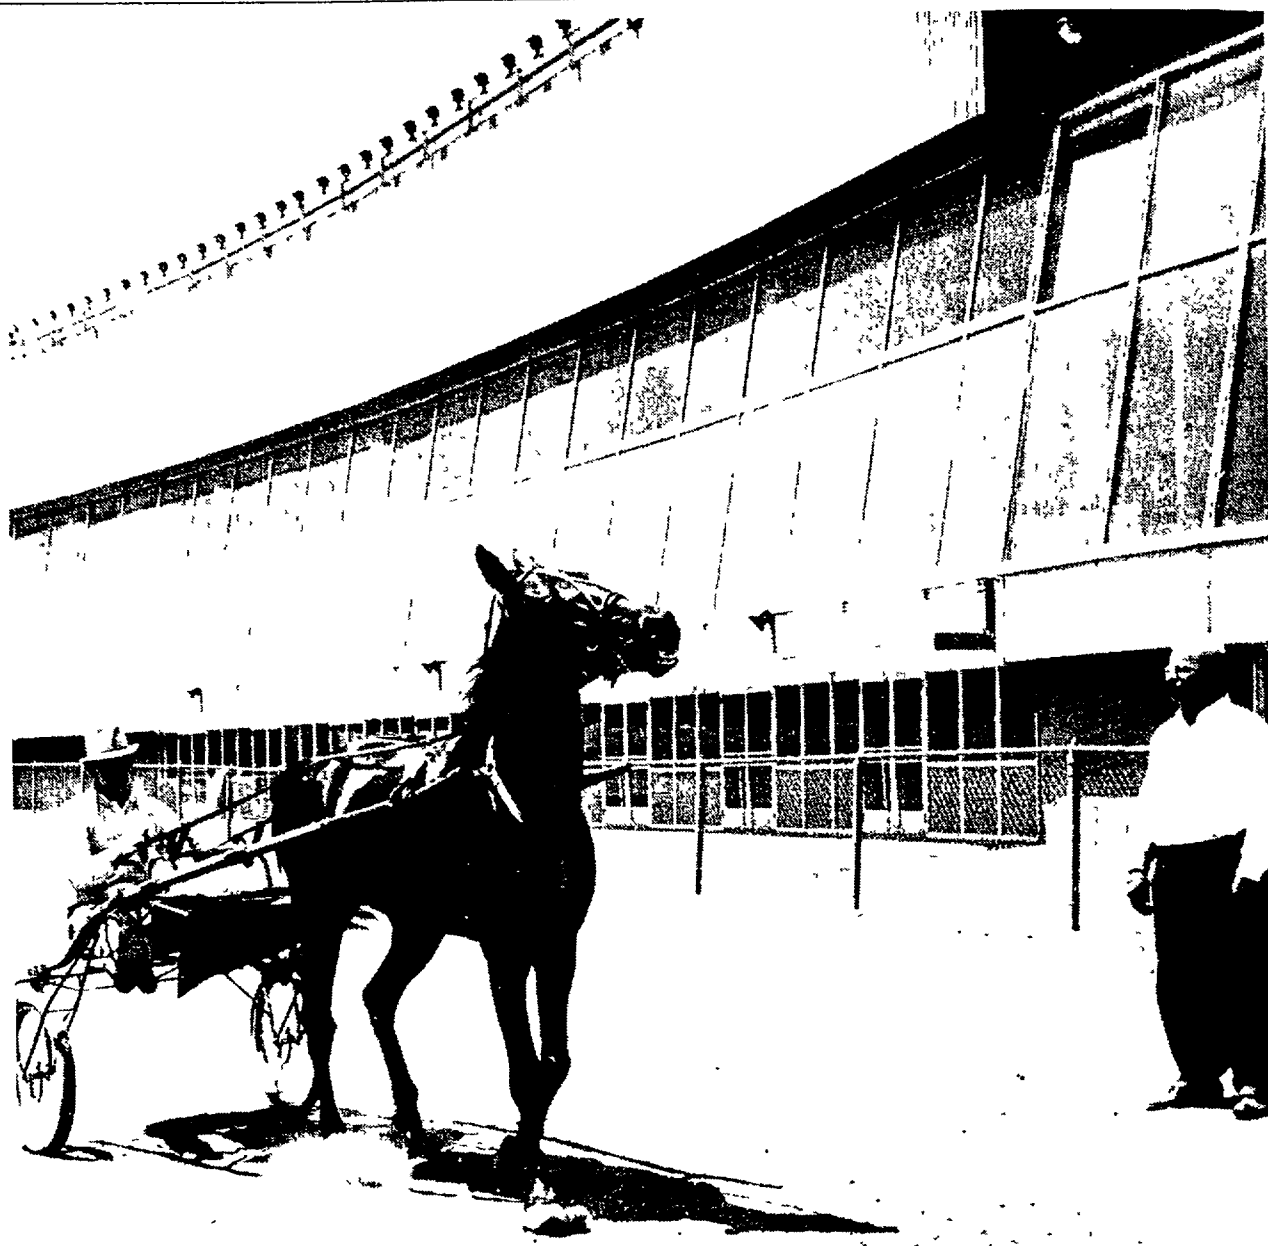

**FAST STAR**—Chuck Keegan of Northville has been named recipient of a varsity track award at Central Michigan University for his performances this past season in the dashes. Two Plymouth athletes also were honored. They are Dick Goepf, sprints and relays, and Dave Derr, hurdles.

**CLOUD OF DUST**—Bob Vivian's head first slide into third during the third inning of Novi's contest Saturday with Farmington, but the valiant effort got him nothing but a dirty face. The dust is still settling after the third out as third baseman Jim Potterfield heads back to the dugout. No matter though, Novi won the game 4-3.

TRACK'S READY--Northville Downs' Executive Manager John Carlo predicts the track will be in "A-1 shape...best in the state" when the Downs opens its 35-night summer meet

tonight. Carlo gets a firsthand look at the track surface as Clyde Snook gives "Speedway Jackie" a workout. Snook will drive "Speedway" in the ninth race Friday night.

### Dr. Wright Gets Top Post

Continued from Page 1  
Harrison, M.D., professor of psychiatry at the University of Michigan.

Dr. Wright has been a close associate of Dr. Rabinovitch since the opening of Hawthorn Center in 1958. Until his appointment as acting director Dr. Wright had been senior clinical psychiatrist and pediatrician on the Hawthorn staff.

A graduate of the University of Michigan Medical School in 1950, Dr. Wright completed training in pediatrics at the University Hospital in 1952. He then entered the field of psychiatry and completed his residency in adult psychiatry while serving in the U.S. Navy from 1952-54.

Dr. Wright's residency in child psychiatry started at University Hospital in 1955 and was completed at Hawthorn in 1957.

Dr. Wright is a diplomate of American Board of Pediatrics, and a diplomate in both psychiatry and child psychiatry of American Board of Psychiatry and Neurology.

He and his wife, Pat, and their three children, David, Lisa and Peter, reside at 19850 Westhill

Continued from Page 1

everyone, they conceded. McManus said he would continue his architectural exploration in hopes of coming up with something that was both aesthetically pleasing to most of the people and economically feasible for the developer.

### College Petitions Ready

Nominating petitions for candidates to the Schoolcraft College Board of Trustees, to be elected September 13, are now available at the local district Board of Education offices and at the president's office at the College.

Candidates will need to obtain a minimum of 50 qualified voter signatures. Filing deadline is at 4 p.m. on Tuesday, July 27.

Five new Trustees will be elected at-large from the college district which includes the local school districts of Clarenceville, Garden City, Livonia, Northville and Plymouth. They will join three current members who were previously elected at-large and who will continue to serve their elected terms: Dr. R. Robert Geake of Northville, John M. LaRue and Dr. George E. Martin.

The September 13 election, a date earlier set by the Board for a millage election, was ordered by Judge Roland L. Ozark of the Wayne County Circuit Court. Two candidates will be elected for two-year terms ending June 30, 1973, and three candidates will be elected for six-year terms ending June 30, 1977.

The current board will serve until October 4 of this year. It consists of the three at-large members, and one representative from each of the five constituent school districts. Because the districts vary greatly in size, the court ruled the board was in violation of the one-man one-vote principle - leading to the setting of the September election

### Schedules Opposed

Continued from Page 1

the concept.

Combined with the results of the survey of families in the district who do not have children in school, a total of 39 per cent or 1,131 families are opposed to the concept, 27 percent or 777 families are in favor of year-round school and 34 percent or 966 have no opinion.

Once all the mock schedules have been returned and tabulated, Phase III of Northville's year-round school study will be completed. Spear has indicated he believes "that's about as far as we'll go with year-round school."

Thursday is likely to be changed before introduction, along with others, at the public meeting later this month, it was explained.

Absence of a drawing showing the Main Street side of the development disturbed Commissioner Ray Jackson, who demanded that at the public meeting citizens be shown how the building will appear next to its neighboring buildings, Folino's State Farm building and the Winner's Circle bar-restaurant.

The hotel building, he argued, will spoil even the best development design and the public "should see" just what it will do. The development's esthetic value economic success will be impaired by the hotel building, he said.

Despite council-developer efforts to include the remainder of the block in development plans, Jackson took the position that the council would make a "big

mistake" by not including the hotel site in the development. McManus agreed but pointed out that purchase of the adjacent buildings was economically prohibitive.

City Manager Frank Ollendorff indicated that the council, too, was concerned but that attempts to secure the hotel building were stymied by cost. No concrete offer to sell by hotel owners has been extended, he said, and even if it is made the asking price would exceed \$200,000.

From the audience, Councilman Paul Folino, owner of the insurance agency building, said much of the cost of the hotel involves the "sale" of the liquor license. He suggested that if the council and/or developer purchased only the building and helped find a new location for the bar the cost would be considerably less.

Price of the liquor license, which was put at \$75,000, is ridiculous, said McManus, in

view of the fact that such a license can be obtained "free" just outside the city in the township.

(The number of liquor licenses available in a municipality are based on population. Northville's population will not permit another liquor license in the city by the state. Such licenses, while technically not saleable, nevertheless have a significant indirect effect on the value of a business. In purchasing an existing business, a new owner can request transfer of the license to his name.)

(Because of the limited number of available liquor licenses, value of liquor establishments is far greater than comparable business properties.)

McManus said he is willing to continue attempts to secure additional properties but that meanwhile he wants to get the initial development, Northville Square, underway.

# Cooking With Flair--for summer

Until the middle of the 17th century, chocolate was produced by hand—now modern machinery does it.

In bygone days it involved grinding of the cocoa beans, heating them, and regrinding before adding spices. Later the Dutch improved upon this technique with the use of windmills.

Today technological developments make it possible to enjoy a vast assortment of convenience dessert products flavored with chocolate.

Whipped dessert mix is just such a convenience product. It's the principal ingredient in a delicious treat for chocolate lovers, Spiced Chocolate Dessert Loaf. A hint of cinnamon complements the chocolate flavor whipped dessert mix; this mixture is layered in a loaf pan with ladyfingers which have been spread with orange marmalade. It takes but a few minutes to assemble, yet is elegant enough to serve on special occasions.

This versatile mix is equally delicious when made into Peanut Butter Dessert. In this case, crunchy peanut butter is simply blended into the prepared chocolate flavor whipped dessert.

## SPICED CHOCOLATE DESSERT LOAF

- 1/2 cup orange marmalade
- Water
- 12 ladyfingers, split
- 1 package chocolate flavor dessert mix
- 1/4 teaspoon cinnamon

Line an 8x4-inch loaf pan with wax paper. Stir marmalade to soften and blend in a small amount of water until of spreading consistency. Spread over ladyfinger halves. Arrange ladyfingers on bottom and sides of pan, reserving 5 halves. Combine dessert mix and cinnamon, then prepare as directed on package. Spoon half of the dessert mixture over ladyfingers in pan. Arrange reserved ladyfingers on top; add remaining dessert mixture. Chill 2 hours. To serve, unmold onto serving dish and remove wax paper. Garnish with prepared whipped topping and additional orange marmalade, if desired. Makes 6 to 8 servings.

Note: If desired, dessert mix may be prepared with 1 cup cold milk in place of the 1/2 cup cold milk and 1/2 cup cold water.

## WHIP 'N CHILL DESSERT

- 2 packages chocolate flavor whipped dessert mix
- 1 cup cold milk
- 1 cup cold water
- 1/2 cup chunky peanut butter

In small, deep, narrow bowl, thoroughly blend dessert mix with milk. Whip at highest speed of electric mixer 1 minute—mixture will be very thick. Blend in water. Whip at medium speed about 2 minutes. Blend in peanut butter. Chill 3 hours or more. Makes about 6 cups or 10 to 12 servings.

To use a rotary beater, add all liquid at once. Mix slowly until completely blended. Then beat rapidly 3 to 5 minutes.

Did you ever read the story about the Nanny who was periodically called in to mind the children when the parents were away?

The children thought no one could cook as well as mother, and were prepared to suffer the worst, but it wasn't long before they were won over by the wiles and ways of their stand-in.

To their amazement they were served all of their very favorite dishes night after night. This wise Nanny had gone through the mother's recipe file and selected the most well-worn cards for her menu planning, the

theory being that the most used recipes were the best loved.

A recipe that is sure to fall into the "most used, best loved" category in your home is Crunchy Custard Freeze. This ice cream-like custard treat is easily made with egg custard mix and is versatile enough for a family dinner or for company fare.

Scoop it into an attractive bowl with peppermint candies and chocolate sauce, or into commercial tart shells, and top with fresh or frozen fruit. For the children scoop some into an ice cream cone, or slice and place it sandwich-style between halves of frosted toaster food.

This is one recipe with many warm weather variables, so write it down and try it soon. You're sure to give the recipe card that well-worn look before long.

## CRUNCHY CUSTARD FREEZE

- 1 package (3 oz.) egg custard mix
- 1-1/2 cups milk
- 1 tablespoon sugar
- Dash of salt
- 2 cups prepared whipped topping+

- 1/2 cup Grape-Nuts Brand Cereal

Or use 1 cup (1/2 pt) heavy cream, whipped.

Blend custard mix with milk, sugar, and salt in saucepan. Bring quickly to a boil, stirring constantly. Pour into an 8-inch square pan. Refrigerate until cool. Thoroughly blend prepared whipped topping into cooled custard. Fold in cereal. Freeze 3 hours, or until firm. Makes about 3-1/2 cups or 6 or 7 servings.

Crunchy Custard Freeze Flavor Variations:

Custard Freeze—Prepare Crunchy Custard Freeze as directed, omitting the cereal.

Peppermint Candy Freeze—Prepare Crunchy Custard Freeze as directed, omitting the cereal and spooning 2 squares semi-sweet chocolate, melted, over the custard before freezing. Cut through once with spatula to give marbled effect; then freeze as directed.

## Serving Suggestions

Giant Sundae—Scoop any flavor freeze into balls and place in serving dish. Top with chopped peppermint candy and chocolate sauce.

Flavor Freeze Sandwich—For each serving, split a frosted toaster food with fruit filling in half. Top with slice of any flavor freeze and remaining half.

Flavor Freeze Cones—Scoop any flavor freeze into balls and serve in ice cream cones.

Flavor Freeze Tarts—Scoop any flavor freeze into packaged tart shells; top with thawed frozen mixed fruit.

No matter how much a busy housewife may rely on convenience foods, there's one area where the old traditions are still followed—and that's baking a batch of cookies "from scratch."

There's a lot of satisfaction in the making, just as there's a lot of good taste in the eating. And to see the happy smiles on the faces of the cookie eaters is a generous reward for the extra effort.

A good cookie recipe is often the start of a reputation as a good cook. And French Macaroons are the kind of cookie that could

Roses Are Great...

AS A FENCE DECORATION OR.....

Throughout the Season

Bloomin' Roses Need Lots of Care

Roses need lots of care to be at their best throughout their blooming season.

The following tips from Dr. William Carpenter, Michigan State University horticulturist, should help you have some of the prettiest rose bushes in the neighborhood.

CULTIVATING "When cultivating roses the most important thing is to use the tools very carefully," says Carpenter. "The roots of rose bushes grow close to the surface and can be injured easily."

Weed control is the main purpose of cultivation. Weeds can be pulled by hand or cut off close to the soil surface.

MULCHES

"Rose bushes gain three advantages from mulches," says Carpenter. "Mulch helps control weeds, conserves soil moisture and increases soil fertility."

Roses should be mulched about a month before the first blooms appear. Carpenter recommends that all weeds be removed and the soil lightly raked before the mulch is applied. "When ready, spread mulching material around the plants in a layer about two or three inches deep," he says.

Mulches can be kept on the soil throughout the year. As the mulch decays and settles, add new material. Recommended mulch materials include ground corn cobs, straw and leaf mold.

WATERING

Roses are thirsty plants. Even when there is lots of rain, an occasional watering can benefit them.

Thoroughly soak the soil around each bush to a depth of 8 or 10 inches. According to Carpenter, the best way is to direct a slow, small stream of water from a garden hose around the base of the plant.

A heavy stream of water is wasteful because most of the water runs off and doesn't penetrate the soil. It can also wash away the soil and expose the crown and roots of the plant.

DUSBUDDING

"Practice disbudding if you want single-stem roses or large roses for exhibition,"

says Carpenter.

When the buds are very small, remove all but the terminal bud (the one at the end of the stem) on each cane. When this is done the terminal

bud develops into a much larger flower.

Flower production on hybrid teas, certain florabunda roses, and others that have many flowers on

each stem, can be improved by disbudding. "Remove some buds from each stem," says Carpenter. "The more buds removed, the bigger the remaining flowers will be."

Here's Four Diseases That Plague Roses

Many diseases attack rose bushes, but there are four major ones that Michigan flower enthusiasts should be most concerned about.

According to Dr. William Carlson, the four diseases are black spot, powdery mildew, crown gall, and cankers. He offers the following information to help home gardeners identify and treat these diseases:

BLACK SPOT

The round, black spots appear on the leaves and are often surrounded by a yellow ring. Infected leaves turn yellow and fall off. When the disease is severe, the rose bush may be completely defoliated by midsummer.

Black spot weakens the plants and makes them

susceptible to winter injury and attacks from other diseases.

To control this disease, begin spraying or dusting when the leaves are half grown and continue on a weekly basis through the growing season. Best control is obtained with a sulfur-copper mixture containing 90 percent dusting sulfur and 10 percent fixed copper. Other effective materials include Captan, Ferbam, Phaltan, Maneb and Zineb.

POWDERY MILDEW

Powdery mildew gets its name from the white masses of

spores that appear on young leaves, shoots and buds. This disease can damage young stems and stunt leaf growth.

Best control is the sulfur-copper mixture used for black spot or just plain dusting sulfur.

CROWN GALL

Crown gall must be prevented because it is a rose disease that can't be cured. The galls begin as small swellings, usually at ground level, and slowly increase in size. Infected rose bushes become stunted and may die.

To prevent this disease,

What's Bugging Your Lawn, Garden, Trees?

To help you keep ahead of insect problems, Michigan State University entomologists offer these tips on lawn, garden and tree pests that appear this time of year:

Cut Food, Curb Moles

If moles took over your lawn as a combination home and playground last year, act now to prevent them from coming back this summer.

"The most effective method for controlling moles is to get rid of their food supply," says Dr. William Wallner, Michigan State University extension entomologist.

"Moles don't destroy many plants or bulbs by direct feeding. Their main damage is dislodging grass and plant roots when they burrow through the soil in search of grubs, earthworms and other insects."

Since the mole's major food source is grubs, the theory is kill the grubs and the moles will go elsewhere. Efforts to control moles with poison baits or traps have been relatively ineffective.

"Recommended treatment is applying chlordane in the granular form to the lawn," says Wallner. "Use a 5 or 10 percent granular and apply it according to the instructions on the label. Granular application with a fertilizer spreader is both more accurate and more effective than chemical sprays in reducing environmental contamination"

APHIDS

Aphids are small, soft-bodied insects of all sizes, shapes and colors. They don't often kill plants, but they do reduce plant vigor and cause damage by sucking juices from the foliage, twigs and small branches. They can also carry diseases.

Aphids can ruin the appearance of ornamentals by secreting a clear, sticky liquid that sticks to leaves and twigs. A sooty, mold fungus lives on the liquid that sticks to leaves and twigs. A sooty, mold fungus lives on the liquid and makes the plant appear blackened. This sticky liquid also adheres to cars parked beneath aphid infested trees, and many people mistakenly blame "plant juices" for these sticky globs on the family sedan's wax job.

Aphids appear in the spring and their population continues to grow until winter approaches. They are commonly a major problem when weather is cool and damp.

The control of aphids is a spray containing Malathion or Diazinon. When spraying make sure that all parts of the foliage are covered. Some trees, bushes and plants may need to be retreated if the aphids recolonize.

Dr. William Wallner, MSU extension entomologist, says, "While ladybird beetles can reduce aphid numbers, they often fail to limit aphid populations before serious damage occurs."

LECANIUM SCALES

Woody plants are the targets for these insect pests. The oval, mahogany colored insects suck the plant juices, reducing vigor and causing leaves to yellow and wilt. A heavy infestation of scale insects can kill small or immature plants.

For control in late spring or summer, use a spray containing Malathion, Seven or Diazinon. Make sure all plant parts are covered and repeat the spray 10 days later.

OYSTERSHELL SCALE

This pest is one of the most common and troublesome scale insects in Michigan. It attacks a wide range of woody plants, causing retarded growth and yellowing of leaves. Its presence is shown by grayish-brown scales—about 1/8 inch long—attached closely to the bark.

At about apple blossom time eggs hatch and the small "crawlers" come out from under the scale coverings. The crawlers then suck plant

juices throughout the summer.

Oystershell scale can be controlled with sprays of Malathion, Sevin or Diazinon.

# Not All Catholics Oppose Abortion Reform

LANSING — In the emotional, and often bitter, debate waged both in Michigan and elsewhere over reform of abortion laws, the impression has grown that the Roman Catholic Church and all its members solidly oppose any change in the law.

It is true that the hierarchy of the church has steadfastly opposed any relaxation of the strict legal prohibition against abortion except to save the life of the mother. But many members of the church disagree with that position — some of them quite openly.

The result in Michigan has been

the formation of a group which calls itself "Michigan Catholics for Abortion Law Reform." Chairman of the group is Dr. George LaCroix, chief of obstetrics at Detroit's Hutzel Hospital and associate professor of obstetrics and gynecology at Wayne State University.

A RECENT POSITION PAPER issued by the group put its position quite bluntly:

"As Catholic citizens of Michigan, we object to attempts by the Catholic hierarchy to impose its religious and moral beliefs upon the citizens of Michigan," the statement said.

"While abortion may or may not

be an acceptable solution to us as individuals, we respect the view of those who feel it justified in certain desperate personal or medical circumstances," the statement said.

"We respect the views of each religious group in Michigan and their right to follow their personal theology. We do not seek to impose our religious or moral beliefs upon others of differing faith, and we urge the Legislature to avoid adopting the stance of any single group.

STATISTICS TO POINT UP their belief that members of the Catholic Church are far from solid in their position on abortions are

advanced by the group.

Among the points: — an article in the March 24th issue of the Michigan Catholic which reported a survey taken in the archdiocese of Detroit showing that five out of every six persons questioned believed that "each abortion situation must be judged individually." About half the priest and members of religious orders polled also concurred.

— a report by the Michigan Clergy Counseling Service that 32 per cent of the Michigan women who have gone to New York to obtain legal abortions are Catholic. The total of Catholic women who have made the trip was estimated at between 30,000 and 45,000.

— a survey of Catholic physicians in New York showing that 31 per cent of them favor the present liberalized law there and another 8 per cent wanting only slight modifications in the law.

FIRMLY BEHIND ATTEMPTS now being made to reform Michigan's abortion law, the committee says the need for reform is "evident."

"This country has grown great and strong by respecting separation of Church and state, the statement said. "We urge our legislators to maintain this respect."

NO ONE PLANNED it that way, but State Highway Director Henrik E. Stafseth says his department is

being forced into a role as Michigan's chief garbage collector.

He says the new role is the result of a 1965 state law designed to upgrade town dumps. The law required regular sanitary landfills.

But, he says, since the law increased the cost of operating a town dump, many townships simply closed their dumps.

"This has resulted in a shifting of garbage and refuse from town dumps to roadside picnic and rest areas all over the state," he says.

THE PROBLEM is now so bad that some roadside picnic sites near major resort areas accumulate as much as four truckloads of garbage over a single weekend, he says.

To combat the problem, the department is asking the state for tougher enforcement of a 1963 law prohibiting the dumping of refuse, other than normal litter generated by travel, at roadside facilities maintained by the department.

As a start, the department has posted warning notices at most of the 1,200 freeway rest areas, roadside parks and picnic sites on the state highway system warning that it's illegal to dump garbage there.

The sign reminds motorists that violation of the law is punishable by 90 days in jail and-or a fine of \$100 — a price that would seem to make it uneconomical to dump the family garbage in a picnic area.

**Babson Report**

## Strike Hurts Fabricators

WELLESLEY HILLS, Mass. — Last year was packed with adverse factors which temporarily reversed the sales and earnings progress of the rubber fabricators.

Early in 1970, for example, Teamster strike indirectly hampered operations, resulting in higher freight costs.

Also, the United Rubber Workers staged an eight-week strike, bringing the employees large wage and fringe-benefit increases. Toward year's end a United Auto Workers strike against General Motors curtailed over half the normal domestic auto output, taking away the mainstay of life from the original-equipment tire market.

THE GM STRIKE not only reduced OE tire sales but also hurt the turnover of other products made by the rubber firms, such as plastics, moldings, and rubber used in car assemblies. A slowdown in consumer buying of replacement tires also occurred, presumably a reflection of the rising rate of unemployment, which was especially evident in the second half of 1970.

All these developments, along with a weak economic climate, diverted investor interest from rubber stocks.

With settlement of the auto strike came a surge of production, improving prospects for the rubber fabricators and substantially increasing most of their common stock prices. For the first months of

1971, production rates of the Detroit auto makers exceeded those of the previous year by 23 per cent. Sales of new autos outpaced the preceding year's showing by 9 per cent.

Although OE tires are not the largest contributor to profits, they are nonetheless very important in the general picture.

FURTHERMORE, scrappage of older vehicles, although on the increase in recent years, has still not exceeded the rate of new entrants into the marketplace via yearly domestic auto sales.

Another favorable omen of better things to come is the growing percentage of profits from sales abroad — foreign countries have a much lower ratio of cars to people than does the U.S. As this ratio increases overseas, the demand for tires and other items turned out by rubber companies should expand further. Leading U.S. rubber fabricators are strongly entrenched in foreign markets.

By and large, production of premium-priced tires (bias belted and radial) has been on the rise, and this trend will continue. The consumer has shown his preference for newer-type tires (especially belted), which now are estimated to outlast their predecessors by as much as 40 per cent. Longer tire life, however, does not necessarily mean lower profits for the producers.

BELTED TIRES usually sell for 20 per cent to 25 per cent more than conventional tires, yet cost only 15 per cent to 20 per cent more to make.

In addition, the stricter safety measures — both government and local — are likely to result in more frequent tire replacement by safety-conscious consumers.

There are many different components and a variety of applications involved in tire production. But no single

make sure that you purchase plants free of crown gall. Don't plant new bushes for at least two years in soil where infected plants grew.

CANKERS This disease commonly occurs in plants weakened by black spot, winter injury or low soil fertility. The cankers first appear as little reddish-brown spots on the stems that enlarge, eventually circle the stem, and cause the cane to die.

## Security Checks May Reflect Cut

Monthly social security checks for beneficiaries 65 and over who have signed up for Medicare's doctor bill insurance will be reduced by 30 cents in July, Samuel F. Test of Detroit-Northwest social security office, 17500 Lahser Road, revealed this week.

The checks scheduled for delivery on July 3 will have \$5.60 deducted for each beneficiary to pay the increased monthly voluntary medical insurance premium. The rate for the past year was \$5.30 for each beneficiary, Test said.

The increase was announced by the Department of Health, Education, and Welfare in December in accordance with a requirement in the Medicare law that makes an annual review of the cost of the medical insurance program mandatory. The law requires that the monthly premium rate be set at a point estimated to be sufficient to cover all expenses incurred during each premium period, with an allowance for contingencies.

Test added, "the medical insurance program supplements the basic

hospital insurance part of medicare by helping to pay doctor bills and a wide variety of other medical expenses in and out of the hospital. About 19.5 million people 65 and over have enrolled for the supplementary medical insurance protection. Their monthly premiums cover half the cost of their protection. The other half comes from general Federal revenues.

The 30 cent premium increase for each beneficiary is the net result of three items that are estimated to increase costs by 50 cents in the fiscal year beginning July 1, and then a decrease of 20 cents arising primarily because of a reduced margin for contingencies.

The reduced margin for contingencies is possible, Test pointed out, because last year, program costs for the medical insurance program were below estimates for the first time since the Medicare program started.

The items that make up the overall 50 cent increase include:

—31 cents to cover an estimated increase of 2-per cent in the fiscal year

## from the Pastor's Study

### Church: A Place To Hang A Hat?

Reverend Carl F. Welsch  
St. Paul's Lutheran  
Church, Hamburg

"Come to Him, to that living Stone, rejected by men, but in God's sight chosen and precious, and like living stones be yourselves built into a spiritual house..."

Can a church be more than a place for a clergyman to hang his hat? The wind is rising again against the extravagance and misplaced emphasis often lurking in church building programs. And the evidence seems all against the organized church.

The grim visage of poorly cared for "houses of God", the hollow shells of worship dotting the cityscape, abandoned in the waves of minority expansion, these generate the sort of argument which is at least emotionally persuasive, if not logical.

Moreover, Jesus himself attended the temple on occasion, but he nearly tore the place apart one day when he ripped off the concessionaries who were cluttering the house of prayer with their wares.

For the most part Jesus, and the early church as well, preferred the free and informal setting for teaching and preaching. Maybe the time has come again for the organized church to

dispose of all that ties it free and become once again the free and wandering realizer of human potential. But we take pause to realize the big gap between potential and actual.

A young couple once wandered hand-in-hand into our church building, looking for nothing in particular. Their conversation, stage-whispered and overheard, went like this: "He—it's pretty. She—Yeah. He—But I think I could worship God just as well in a log cabin. She—Yeah, me, too." End of conversation.

Passing judgment on their mini-discussion on the merits of church architecture, I would say: "Part One—Yeah, they could worship God just as well in a log cabin. Part Two—But they won't." End of judgment. Mankind seems incurably bound to the temple tradition, the "temple" being a place reserved for spiritual investment; a place to visit for spiritual involvement, a place to do religious things. This leaves a lot of room for idolatry. Certainly any church building becomes an idol when it substitutes for God, especially when the construction and maintenance of the building require

more effort than the performance of the ministry of the church itself.

To balance the argument, consider the idolatry of the man who claims the ability to worship better in the forest. Right on; he could do better. But more likely, he won't. Another claims more spiritual satisfaction from a Sunday morning spent on the golf course. We say, more potential, but not more actual. More worship in the family circle with a second call to breakfast and the Sunday paper in the comfort of your own home? It could happen. But then, why doesn't it?

A church building is admittedly a hazard to the genuine spiritual life of the church. At best, it is a tool, a shelter, a device within which we strive to achieve what St. Peter is striving for in the text, "...like living stones, be yourselves built into a spiritual house." The Church building is intended to offer you an uncomfortable place to sit while the Word of God drives out dark shadows with everlasting light and whisks away dust from unused corners of your mind with the whirlwind of His refreshing presence.

A church building is also a place for a preacher to hang his hat.

## Mother of the bride

*In a few minutes she will be walking down the aisle. Bruce will be at the altar to meet her, and when they walk out of the church, they will be man and wife.*

*Even though we have been planning the wedding for weeks, it is hard*

Bring 'em back ALIVE!

## July in Michigan

# 17 Festive Events on Tap

Seventeen special events will be exploding across Michigan in the first half of July with many of the celebrations scheduled during the Fourth of July holiday period.

There's something for the entire family on Automobile Club of Michigan's fifth in a series of 14 feature maps that show what to do and where to go this summer in the Wolverine State.

Approximately 250,000 persons are expected for the 11th annual Seaway Festival at Muskegon from July 2 to 11. A giant parade and concert by famed trumpeter Al Hirt headline activities July 3 with a fireworks display on the Fourth.

The National Strawberry Festival is set for

July 2-5 at Manistee with a carnival, floats, bands and the crowning of a strawberry queen expected to lure about 100,000 visitors to this West Michigan City. Chassell's Strawberry Festival is July 10-11.

Centennial celebrations will be observed by four communities in the state. Commemorative 100-year anniversary programs are slated for: Homer, July 3-5; Cheboygan and Coopersville, July 3-10; Grand Junction, June 30 to July 4.

Water events will be popular with three on the agenda: The 35th Port Huron Blue Water Festival runs July 10-18 with more than 100,000 spectators anticipated to view the

activities. Tawas City will hold its second Powder Puff Race for ladies July 4 while the White Cloud Water Festival is July 8-10.

Hastings will host a Civil War Musket and Cannon Shoot July 3-4 with prizes awarded to sharpshooters. A flea market, carnival, beauty pageant and parade highlight the Sugar Beet Festival at Sebewaing on July 9-11.

Haven (July 4), Dundee (July 10-11) and St. Joseph (July 11).

Greenfield Village in Dearborn has scheduled its Classic Car Meet for July 10 while the Jordan Valley Festival continues through July 5 in the Detroit and Windsor areas.

## In X-way Industrial Park

# Panasonic Building Starts

Ground has been broken for a new Panasonic office warehouse-distribution facility at Farmington Freeway Industrial Park, I-96 and 10 Mile Road.

Designed by Thelander-Nelson & Associates, architects, the building is being constructed on a 4-acre site by J. L. Williams & Company, general contractors. The one-story 55,000 sq. ft. structure, which includes 9,000 sq. ft. of air-conditioned office area, nearly triples the space provided in the original Detroit Metropolitan area Panasonic warehouse constructed just two years ago.

The Panasonic Distribution Center is scheduled for occupancy by early Fall, 1971 and allows for future expansion up to a total of approximately 95,000 square feet.

Project financing was arranged by Allan Koretz of I. J. Markin & Co., Chicago, and Al Curtis of Curtis, Marks & Katz, Chicago, served as the developer's attorney. Realtor Irv Rich of Irv Rich Associates, Southfield, working in conjunction with Charles T. Myers and William W. Bowman, S.R., Thompson-Brown Company served as brokers for the land acquisition.

Farmington Freeway Industrial Park, site of the

new Panasonic building, was launched in 1966 Teh 250-acre industrial park, named Michigan's first Class A Industrial Park in the State's classification system, is over 90-percent sold out.

Developed by Thompson-Brown Company, Farmington Freeway Industrial Park has its own helipad, service center, a five-story Holiday Inn scheduled to open this summer, and a second 5,500 sq. ft. restaurant also under construction.

## MSU Bulletin Aids Gardeners

Homeowners have three types of weed killer systems for lawn weed control—contact herbicides, systemic herbicides and soil sterilants.

These are among the modern lawn weed control methods listed in the new Michigan State University Extension Bulletin, E-653, "Lawn Weed Control." Single copies are free from county Cooperative Extension Service offices or by writing to: MSU Bulletin Office, P.O. Box 231, East Lansing, Mich. 48823.

The bulletin includes pictures of 15 common lawn weeds to help with identification, which is important for control.

Instructions cover herbicide formulations, calibration of sprayers and dry spreaders, and herbicide handling precautions.

MSU turf specialists emphasize good turf management to minimize weed problems. Herbicides will not grow grass, but supplement good turf management practices, they note.

WHEN MULCHING your rose bushes, the mulching material should be spread around the bush in a layer two to three inches deep, as shown here. According to Michigan State University scientists, a mulch controls weeds, saves soil moisture, and boosts soil fertility.

## Promote Program For 'Big Brothers'

Monthly workshops will be held in Livingston County to promote the Probate Court's newly established 'Big Brother-Big Sister' program.

The first workshop, held

recently at the Courthouse, will be repeated on the third Thursday of each month.

Volunteers and prospective volunteers are encouraged to attend, since there is need for additional volunteers, particularly in the outlying areas of the county.

Qualifications for the volunteer big brother or big sister are simple. The volunteer should be reasonably well adjusted to the realities of life, have the ability to communicate with young people, and be willing to spend an hour or two a week with a little brother or sister.

The volunteer acts like a big brother or sister who has grown up and left home and who has a friendly interest in the younger member of a family, but without being involved in family matters.

Additional foster homes are also needed throughout the county. Anyone interested should contact Pam Reese, social worker at Juvenile Court in the Annex Building in Howell.

Next Volunteer Big Brother-Big Sister meeting will be held Thursday, June 24th in the Juvenile Courtroom at 8 p.m.

## What's Bugging Plants?

Continued from Page 2-B

Spray the entire plant. Apply first sprays about the end of May.

### ROSE CHAFER

The rose chafar is especially fond of rose buds and leaves, but it can also do serious damage to grapes, cherries and a number of other plants.

This insect is about 1/2 inch long and has a reddish-brown head and body with a black underbelly. Its whole body is covered with short yellow hairs that give the beetle a fawn colored appearance.

For control, apply two sprays of Malathion or Sevin, 7 to 10 days apart, starting when the insects appear—usually in early June. Thoroughly cover the whole plant.

For more information on controlling insect pests that attack Michigan trees and shrubs contact your local county Cooperative Extension Office and ask for Extension Bulletin 534, Controlling Pests of Trees and Shrubs: A Guide for Home Gardeners. This bulletin may also be obtained by writing to: Michigan State University, Bulletin Office, Box 231, East Lansing, Michigan 48823. Single copies are available free to Michigan residents.

## Security Cut

Continued from Page 3-B

beginning in July; —10 cents to cover an estimated increase of 2-percent in the use of physicians' services;

—9 cents to cover the estimated increase of 15-percent in cost and utilization of institutional services covered by the program (for example, for hospital outpatient and independent clinic services).

# Recipes for Summer

Continued from Page 1-B

easily become a specialty of the house. The macaroons feature cinnamon flavor raisin bran, ground almonds, and a delicious combination of chopped citron, chopped candied orange peel, lemon rind, and other flavorings

These cookies are special enough to give with pride and make a friendly greeting for a shut-in, a birthday celebrant, or a hostess

## FRENCH MACAROONS

- 1 cup cinnamon flavor raisin bran
- 1-1/4 cups unsifted confectioners' sugar
- 1 cup blanched almonds, ground + 1 tablespoon chopped citron
- 1 tablespoon chopped candied orange peel
- 1-1/2 teaspoons lemon juice
- 1/2 teaspoon grated lemon rind
- 1/4 teaspoon vanilla
- Dash of salt
- 3 egg whites

Almonds may be finely ground in electric blender

In a large bowl, combine cereal, confectioners' sugar, ground almonds, citron, orange peel, lemon juice, lemon rind, vanilla, and salt; mix well Beat egg whites until soft, rounded peaks will form Fold in cereal mixture. Drop dough from tablespoon, shaping into mounds, onto greased and floured baking sheets. Bake at 375 degrees for 12 to 15 minutes or until golden brown. Remove from pan and cook on cake racks. Makes about 2 dozen cookies

Easy going refreshments can be the answer to carefree entertaining And if the entertaining is for teen-agers it is even more important to have the preparations as simple as possible For then the young people can be in complete charge

Pictured here are refreshments special enough for a celebration and easy enough for youngsters to prepare The Golden Glow Punch is a zesty combination of instant breakfast drink (good day and night), frozen concentrate for lemonade, water, frozen strawberries, and chilled club soda. The bright color and tangy flavor of the punch are particularly appealing to the younger set Adults, too, are strong in their approval since the instant breakfast drink contains more Vitamins C and A than citrus juices or tomato juice Could there by any better recommendation?

For a great tasting snack to satisfy those hearty teen appetites, serve the ever-popular "Hero" sandwich (or Grinder, Submarine, or Hoagie). Buy small individual Italian or French bread loaves and let the kids make their own combinations from an assortment of ham, roast beef, salami, cheese, lettuce, tomatoes, and peppers

## GOLDEN GLOW PUNCH

- 1/2 cup orange-flavored instant breakfast drink
  - 1 can (6 oz.) frozen concentrate for lemonade
  - 4 cups water
  - 1 package (10 oz.) frozen strawberries in quick thaw pouch, partially thawed
  - 2 bottles (7oz. each) club soda, chilled
  - Ice cubes
- Combine instant breakfast drink, lemonade, water, and strawberries. Stir until instant breakfast drink is dissolved and strawberries separated. Chill. Just before serving, stir in club soda and ice cubes. Serve in punch cups. Makes about 2 quarts or 16 servings

By ROLLY PETERSON

# Metro Beach Marks 20th Anniversary

This week Metropolitan Beach along Lake St. Clair near Mt. Clemens marks the 20th Anniversary since its official opening. This public bathing beach was dedicated on Saturday, June 23, 1951 to the citizens of Wayne, Macomb, Oakland, Washtenaw and Livingston Counties by Huron-Clinton Metropolitan Authority officials

contemporary design - one for administration, a temporary food bar with umbrellas, and huge bathhouse with dressing rooms, heated showers and lockers.

The rest of the park was undeveloped - just a huge pile of dirt shaped like a finger stretching into Lake St. Clair, with the beach on one side and the Black Creek on the other side, which separated a future residential area known as Huron Pointe.

present investment about 8.5 million dollars

Many state, county and local dignitaries were present for the dedication in 1951, including Kenneth L. Hallenbeck, HCMA Director from 1951 to his retirement in 1968 (who now resides in Dearborn), with the project started in 1942 under George W. McCordic, engineer director, who died in 1950

Today, area residents would find it difficult to visualize in 1951 what was then called "St. Clair Metropolitan Beach". More than 383,000 visitors came to this park that first summer when a single ribbon of concrete led from the highways to the toll gate. The 550-acre site had an egg-shaped parking lot yet unpaved, but ready for 6,000 cars.

But the most striking feature is still the 1 1/4 miles of sandy beach along Lake St. Clair. Then the only facilities included the central plaza area with three buildings of

Dedication Day did not happen overnight! Metropolitan Beach, even then, was the result of careful planning and engineering that started in the mid-1940's so that the swampy, submarginal land could be transformed into a new public bathing beach. The land cost \$131,898 and it took over \$500,000 for over 2 million cubic feet of sand dredged from the lake to fill and form the park and its crescent-shaped beach. Then park pathway project costs were 45 million dollars, with the

HCMA Director David O. Laidlaw pointed out that Metropolitan Beach has been developed amazingly close to the master plan prepared in the 1940's. Twenty-three members of the board of commissioners of the Huron-Clinton Metropolitan Authority (a regional agency serving the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne) and the park staff over 30 years have contributed time and talent to make Metropolitan Beach an outstanding attraction. This same agency administrates nearby Kensington park

# Horse's Mouth

## Prize Winners Told

Send your questions, comments and horse show news to "Horse's Mouth," care of South Lyon Herald, South Lyon, MI 48178. This column is open to news of all breeds of horses and ponies.

Several South Lyon area residents attended the annual Dearborn Exchange Club Quarter Horse Show held June 13 at Dearborn High School - here were 181 entries.

Lynn Prieskorn of Colonial Acres Farm placed fourth on her two year old stallion, Redeemer, Jr., and second with her three year old gelding, Refuel's St. Pat Jerry Tinkle took sixth place showing his one year old filly, Fresh and Fancy

The youngest participant was Richard Preppernau, 16 month old grandson of Dr. and Mrs. Richard J. Gross of Colonial Acres, who placed third in the lead-line class while riding Mr. Boo Sorrel His

mother, Lynne Preppernau, showed Mr. Boo Sorrel to a fourth place in the English Pleasure Class

Carol Morgan of Colonial Acres handed out the ribbons trophies for the show.

Dyna-Bid, quarter horse stallion standing at Colonial Acres Farm and owned by Dor and Char Gross, won the aged stallion class and was named Grand Champion Stallion at the Northgate Saddle Club Show at Goodells on June 20 Dyna-Bid is managed by Dallas Prieskorn.

Waterloo recreation area, site of "Murder Mountain" and many challenging trails - was chosen by members of the Double "N" Riders 4-H club for their spring trail ride on June 11, 12 and 13

Located approximately 40 miles from Northville, the scenic area offered new experiences to both riders and

their horses, which had to be tied to a picket line.

Present on the overnight ride were Novi members Robert, Richard and Gail Davidson and their parents. - From Northville were Bobby, Maria and Michael Lupini and their parents, Lorrie and Lisa Lefevre, Shelly Millard and Karen Twan.

Joining the group on Saturday were Carol and Mrs. Carol Bellner from Northville, Christine and Joan Schaeffer from Pontiac and Kelly and Mrs. Barbara Batton from South Lyon.

Continued from last week, correct position of riders hands and legs when showing in Stock Seat Equitation.

BASIC POSITION: The rider should sit the saddle with legs hanging straight and slightly forward to stirrups, or with knees slightly bent and weight directly over balls of feet.

In either position the stirrup should be just short enough to allow heels to be lower than toes. Body always should appear comfortable, relaxed and flexible. Feet should be placed in the stirrups with weight on ball of the foot. Consideration, however, should be given to the width of the stirrups, which vary on Western saddles. If stirrups are wide, the foot may have the appearance of being "home" when in reality the weight is being properly carried on the ball of the foot.

POSITION IN MOTION: Rider should sit to jog and not post. At the lope he should be close to saddle. All movements of horse should be governed by the use of imperceptible aids, and the SHIFTING OF RIDER'S WEIGHT IS NOT DESIRABLE.

The 4-H rules on this matter follow very closely that of the A H S A, with the illustrations showing the only arm bend, the one used for reining, the other hand relaxed and held on the rider's thigh.

Before you show in a Stock Seat Equitation class be sure and check as to which rules that show is being judged by and also what kind of person is doing the judging. A quarter horse judge may go under the quarter horse rules, whereas other judges will go along with the American Horse Show Association rules.

## Jaycees Set Track Meet

Area youths between the ages of eight and 18 are invited to participate in the Junior Champ Track Meet Saturday at 10 a.m. at the Northville High School track. Sponsored by the Northville Jaycees, boys and girls from Northville, Brighton, Novi and South Lyon are encouraged to participate in the track and field events.

First, second and third place medals will be awarded in each of the 55 events.

Winners in the 15-16 year old division will be invited to enter the State Junior Champ Track Meet on Saturday, July 17, in Grand Rapids.

Participants are urged to be at the Northville track by 9:45 a.m. Saturday. There is no registration fee.

The first time I heard it, I didn't pay particular attention. But one part of the advertisement stuck in my mind—sixteen months in Europe. A pleasure trip for the jet set? A discount junket for college students anxious to see Europe? A plush new flight and touring plan for the well-heeled?

Not on your life. This was your new United States Army advertising, on prime time television and radio no less, to send the youth of America to exotic places like Europe for 16 months.

And if you didn't listen closely you would have missed the point just like I did. What the Army was asking is that someone sign up three years, which would mean after 16 months in Europe and six weeks in basic training and perhaps advance training, you would have about one year to serve.

Where to then? The commercial didn't say, but with a war raging in Vietnam, you can quickly guess where any unsuspecting lad would probably end up, de-escalation or no de-escalation.

Now, some persons might cry 'foul' with respect to the Army's latest attempt to get more boys into the fold. But anyone who's been in the Army would assume, on the basis of his own experiences, that it's just the Army, modern perhaps, but the Army nevertheless.

The only thing that has changed is the use of TV and radio in a \$10 million plus campaign effort, rather than depending on the gratuities of those in the electronics media to find time for a good word about the Army.

My advice to those thinking of signing up is get it in writing, preferably from the President of the United States, or you'll probably end up pushing potatoes around a tub of water in Korea or Vietnam.

It happened to me, naive and fresh out of college and with a service obligation in front of me (conscientious objector was just a word in the dictionary then). Every guy wearing olive drab had his mind on Europe, those compliant girls from Germany or England, Italy or Spain and that good German beer.

After basic training you go to school and graduate tops in your class. Well, Japan will be a good second best, you think. Then, since you're pure fire in the classroom, they send you off to an advanced class, you and seven other classroom flashes.

with the rest of what you think is the Army's elite. Three more months of this tantalizing talk gets you in the right frame of mind.

And finally, the orders come down. You, your instructor informs you, are the cream of the crop. You've all done wonderfully well. And incidentally, you're all going to Korea for one wonderful year.

# Scouts Hold Open House

Members and friends of the Huron Valley Girl Scout Council, including Livingston, Washtenaw, Monroe and the western half of Wayne County, held an open house at Camp Linden in Northern Livingston County on Sunday, June 20 from 2 to 5 p.m.

The highlight of the event was the formal dedication of the new camp buildings constructed with the donations from the 1970 Camp Development Fund Drive. Total pledges to the drive amount to nearly \$450,000 with \$250,000 collected thus far and the remainder to be paid over the next two years. Buildings dedicated

included the Baird Boat House, three winterized troop houses, Ruth's House, Edith's House and Esther's House, in recognition of services of three women for their long service to the council. Ground breaking ceremonies were also held for the Laurin C Hunter Lodge and for the Allen Administration Building. Other new buildings which visitors saw during the open house, but were not formally dedicated on Sunday, were the caretakers' residence, workshop and garage and the cooks' cabin. The latter was a gift to the council from the Plymouth Kiwanis Club

# Strike Hurts

Continued from Page 3-B

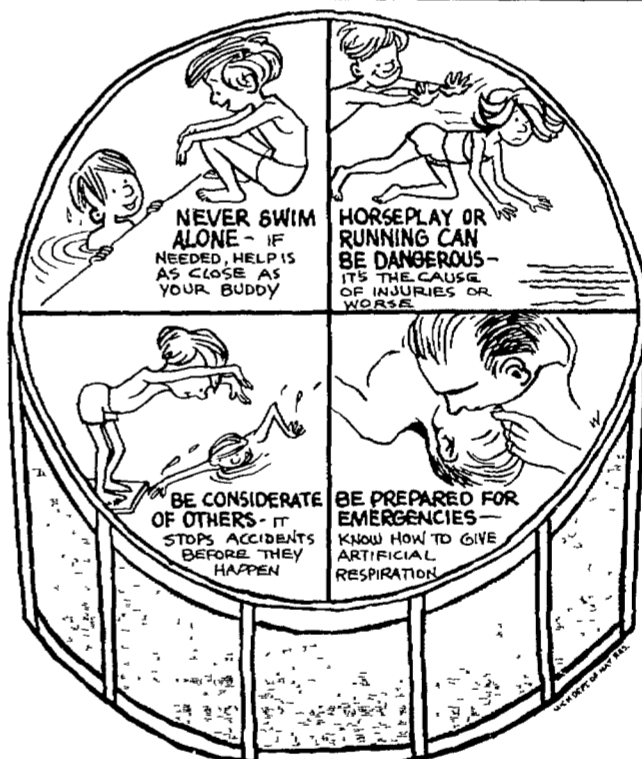

component or combination thereof has dominated the industry thus far. In the construction of tires, the bias belted method seems to be taking the lead. More recently, however, the radial type, so popular in Europe, has been introduced into the U.S. marketplace.

In 1970 the tire industry shipped some 167 million tires to the domestic market, of which about 37.5 million went to auto makers.

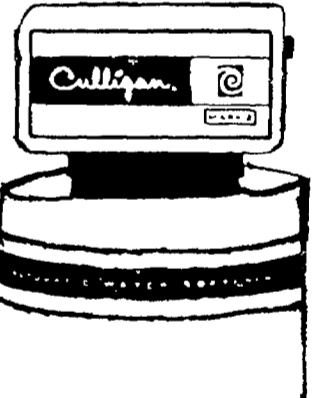

THIS YEAR shipments are expected to come close to 190 million

tires for domestic use, with 50 million going to the auto manufacturers. Thus, with a 14 percent increase in shipments, the leasing of machinery changover expenses, and anticipated labor peace, the Research Staff of Babson's Reports is very optimistic about 1971 sales and earnings prospects for the rubber fabricators.

Presently recommended for purchase is the common stock of Firestone Tire and Rubber and the convertible debenture 5 1/2's 1996 of Uniroyal Inc.

## New Permit Rule for Scuba Divers

Under a new feature of Michigan's long-standing Antiquities Act, scuba diving hobbyists must obtain free permits from the Department of Natural Resources before they explore the depths of the Great Lakes and Lake St. Clair. The new permit rule is not meant to take the adventurous enjoyment out of scuba diving, which has made a "splash" with an estimated 15,000 or more followers in this state. Instead, the measure is designed to protect and save historic artifacts on Michigan's Great Lakes bottomlands which have been disappearing at an alarming rate as a result of the current surge in underwater treasure-hunting. The permit rule does not cover Michigan's inland waters or the Detroit, St. Clair, and St. Marys rivers where bottomlands belong to riparian owners. Scuba diving permits may be obtained free from the DNR's Office of Planning Services in Lansing. They are also available at all DNR district headquarters, except the Rose Lake station, and at the Department's Detroit Information Office at 17800 Woodward Avenue. Other pick-up points for the permits are the DNR's Marquette regional office, its field station at Cheboygan, or Fort Wilkins, Bay City, and Sleeper state parks. -Michigan Department of Natural Resources
