

# Teacher Contract Talks Here at Standstill

Contract talks between the Northville Education Association (NEA) and the school district are at an apparent standstill with no agreement reached on any of the items under consideration

Robert Benson, chief negotiator for the school district, said that "no progress" has been made on settling any of the 26 items being negotiated. Another session at the bargaining table tentatively

was set for later this week. Chief negotiator for the NEA, Al Jones, said he "thought we had reached some agreement, but then they (the school district) withdrew the items at our last meeting (July 1)

"The pattern in Northville seems to be that no matter how hard the teams try, nothing gets settled until August," Jones commented. "We can't even settle the non-money related items." Jones noted that a number of districts in the state have already signed contracts and "Northville should be in the middle of those settlements. We aren't the poorest or the richest district in the state and our settlement should fall

between the high and low contracts." Jones said the only salary that has been placed on the table by the district "is a lump sum of money. There was no schedule. They (the school district) said we could split it as we liked, including the increments." Benson said the district proposed a sum of \$1.7 million or five percent over the amount of money expended for an identical number of

teachers during 1970-71 as will be employed during the 1971-72 school year. NEA submitted for negotiation a salary schedule ranging from \$9,000 for the beginning teacher with a bachelors degree to \$17,200 after nine years for a teacher who holds a masters degree. Last year's contract included a range from \$8,000 to \$15,750 after 11 years. Jones said the NEA wishes to reduce the 11 salary steps

to nine, "even though most districts have only eight steps." He said he does not believe the NEA is being unreasonable in its demands. "The average of all settlements in the country last year for all professions and trades was between nine and 10 percent increase." "We also have proposed making the raises between

# OK Maybury Sale; Park Excites State

Wayne County's first state park—located on the nearly 900-acre Maybury Sanatorium property in Northville Township—will soon become a reality. Acting upon the

recommendation of its Surplus Property Division, the Detroit Common Council Tuesday approved the sale of the property to the Michigan Department of Natural Resources for \$3 million, thus ending possibility that the land might be sold to a private developer.

Sale is contingent, however, upon the state receiving \$1.5 million or half of the total purchase monies from the federal government under a matching funds program. The Michigan legislature has already approved appropriation of the other half of the purchase monies.

DNR Deputy Director Samuel Milstein told The Record this week that the federal government is expected to act favorably upon the state's matching funds request within 30 to 60 days.

Assuming the purchase is consummated, Milstein predicted development of the park could begin within 24 months. Meanwhile, the state may make part of the land available for outside type activities—picnics, snowmobiling, etc.—until development is completed, he said.

Development, which is expected to cost \$7 million, will be financed over a five to seven-year period—provided monies are appropriated by the state legislature for this purpose, Milstein said. He said the 1971-72 DNR budget, already submitted to the legislature, probably will be revised to include some monies for development of Maybury.

"We hope to get some development monies under federal matching funds programs from time to time," he added.

Besides formal requests for development funds, DNR commission approval of development plans has yet to

be made. Plans, as submitted to the federal government along with the matching funds request for purchase monies, "are just preliminary suggestions," Milstein explained. "The commission must still approve final plans."

As presently envisioned, the Maybury park would be the first of its kind in Michigan—perhaps in the United States. For several years DNR has been attempting to locate a suitable state park site in Wayne County, said Milstein, that would "emphasize

human resources instead of natural resources."

It's a completely new concept and we're very excited about it."

Specifically, the park would, unlike the 76 other state parks in Michigan, provide day and night time activities for the general citizenry as well as the underprivileged and handicapped of Wayne County—especially those in Detroit's inner city.

It is this latter emphasis that may have, in the final analysis, prompted the Detroit Common Council's decision to sell the property to the state for \$3 million.

Although sale of the property had previously been pegged at \$3 million, Detroit officials had hoped to receive more.

Had it sold the property to private developers, as originally planned, Detroit might have realized more money.

"We see it primarily as an urban park, with indoor and outdoor type activities 18 hours a day, seven days a week, 365 days a year," said Milstein. "We don't want it ever to become idle. To my knowledge there is no such state facility in the nation that has the same kind of real intensive use that we envision."

## State Aid Needed

# School Fears Cutback

Northville School District is bracing itself for a possible cutback in the 1971-72 budget in the event the grandfather

clause (guaranteeing a district no less state aid per pupil than the previous year) is dropped by state

legislators. Trustees said Monday night that \$200,000 in revenue is needed to balance the budget, or a like amount of expenditures would have to be cut.

Superintendent Raymond Spear explained the \$200,000 represents \$75,000 in less revenue from property taxes than anticipated and \$125,000 lost in state aid "if the grandfather clause is completely cut."

Spear said that teaching contracts "signed after a certain date were written with a contingency that should the district find it necessary to cut the staff beyond all else the district must cut, those teachers would be released."

"It's only a way to protect the district should it come to cutting staff," Spear explained.

The superintendent said he did not feel the district would have to resort to such a measure.

Of the eight teaching contracts approved Monday night by the board (see story elsewhere in The Record), three included the contingencies and all interns are hired with a similar provision, Spear said.

He noted teaching positions must still be filled for the fall and all include the contingency. Contingency contracts represent a total expenditure of approximately \$140,000.

Trustee Stanley Johnston said he "thought the cuts would come from non-academic areas and not in the teaching staff. I hope we will not need to cut teachers."

Spear said the "latest word in Lansing does not show there will be an equal amount of revenue to meet expenditures."

He commented that board had thought of limiting the class load of students at the high school to five subjects, "but the schedules have already been set up with six subjects and it would cost more to change them."

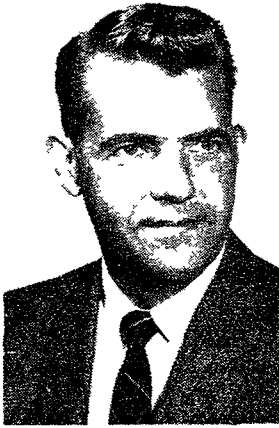

Trustee Richard Martin labeled the contingency contracts "an excellent business move."

Johnston said that with possible cuts in other than academic areas plus the \$140,000 in contingency contracts "we are in pretty good shape unless the bottom

drops out of everything in Lansing."

In other business Monday night, trustees set a special election September 13 for Schoolcraft College to elect

Continued on Page 9-A

DR. ORLO J. ROBINSON

## Robinson Re-elected President

Dr. Orlo J. Robinson was unanimously re-elected to a second term as president of the Northville Board of Education on Monday night by fellow trustees.

Elected to the office of vice-president was Richard Martin, while Martin Rinehart was named secretary and Glenn Deibert was elected treasurer.

The slate of officers was elected by unanimous ballot and faced no opposition.

Dr. Robinson gave fellow board members his "personal thanks for your confidence in re-electing me to the office of president."

Trustee Stanley Johnston, past vice-president of the board, said in nominating Dr. Robinson for a second term that though it is traditional in the district that vice-president assume the office of president, "I do not aspire to the position."

Johnston, who had served as board president in 1968-69, said his business would not permit him to devote the time required to the office.

Board members also named Manufacturers National Bank as depository for school funds and adopted the second and fourth Mondays of each month as meeting dates.

## Sale-ing

Mid-summer's here! You can tell by the clearance sale signs.

About a dozen Northville merchants are staging their annual July Clearance Sales beginning this week.

The climax to the summer sale event will be the crowd-drawing Sidewalk Sale slated for Saturday, July 31.

Whatever's left over from the July Clearance Sale is hauled out onto the sidewalks throughout the business district and prices are slashed to the barest.

So July's really a month for saving in Northville with still plenty of time to get lots of summer wear and use out of the merchandise you select.

A reminder to all businesses and organizations wishing to take part in this year's Sidewalk Sale from Chairman Charles Lapham:

Make your sidewalk space reservations now. The deadline for having your name, sidewalk location and items for sale listed in a Sidewalk Sale promotion advertisement is Friday, July 23. Call Lapham at 349-5175.

## Northville Businessman

# Ivan Ely Dies

Ivan Ely, 59, a partner in one of Northville's oldest businesses, died suddenly of a heart attack Sunday at St. Mary Hospital.

Mr. Ely had worked earlier in the day at the C.R. Ely & Sons Garden Center on North Center Street—an offshoot of the business started by his

father, the late Carl Ely, in 1919—and had returned home at 416 East Street where he suffered the attack.

Three years ago, Ivan Ely and his brother, Charles, turned over their fuel oil business to their sons—Ivan, Jr. (Chips) and Charles, Jr. (Clancey)—but continued to operate the garden center of the business.

Mr. Ely was just a youngster when his father gave up his Ford agency in Farmington and moved to Northville where he purchased an ice business. That first business was located in a building on Center Street just south of where Schrader's furniture store is now located.

In 1924 the business was moved across the street where additional space was provided for installation of a new automatic ice machine.

The two sons worked evenings, weekends and summers in their father's business making and delivering ice. About 1931, the business stopped making its own ice blocks and instead constructed an ice shed for buying and selling at the

Continued on Page 9-A

**FAMILY-BUSINESS LOSS**—C. R. Ely & Sons of Northville suffered a major loss Sunday when Ivan Ely (third from left) died of a heart attack. This photograph from The Record files was taken in 1968 when Ivan and his brother, Charles, (right), turned over the ownership of the fuel oil portion of their business to their sons, Charles, Jr. (left) and Ivan, Jr. They're standing in front of a portrait of their father and grandfather, Carl R. Ely, founder of the business in 1919.

# Adkins - Angove Vows Spoken

Kathleen Claire Adkins and R Lawrence Angove pledged their wedding vows on Saturday, June 26, in the Second Reformed Church in Pella, Iowa.

The Reverend Armand Henskers performed the double ring ceremony at 2 p.m., before two altar bouquets of mixed flowers. Triad candelabra were also used to decorate the church. She is the daughter of Mr. and Mrs. William C. Adkins of Gilman, Iowa. Angove is the

son of Mrs. E. F. Angove and the late Mr. Angove of 308 Debra Lane in Northville.

Music for the ceremony was provided by soloist Joel Cagwin, cousin of the bride. He sang "The Lord's

Prayer", and "For All We Know."

The bride was given in marriage by her father. Her gown was of candlelight ivory crepe, trimmed with bands of Venetian lace. The dress featured an empire waist and tri-puffed sleeves. She wore a cathedral length mantilla veil.

Mrs. Joyce Arment of Montour, Iowa, served her sister as matron of honor. Bridesmaids were Pat Adkins, Linda Nummerdor, Mary Embling, and Lynn Angove, sister of the bridegroom.

They wore gowns of lime green fantasia print accented by satin ribbons at the empire waist. Satin ribbons also adorned their white garden hats. Each carried a basket of flowers.

Kim Wall served as flower girl and Tom Schipper was the ringbearer.

Groomsmen were Dave Jerome, Gerry Nimetz, Larry Embling and Paul Bray, with Ron Angove serving his brother as best man. Donald and Daniel Adkins, brothers of the bride, served as ushers.

Following the ceremony, about 150 guests attended a reception in the church.

Friends and relatives were present from Michigan, Missouri, Wisconsin and Iowa.

For a wedding trip to Glen Arbor, Michigan, the bride changed into a pastel green linen dress. They will remain in Glen Arbor for the rest of the summer, then move to 505 1/2 First Street in Pella, Iowa. The bride will be teaching at Twin Cedars High School in Bossey, Iowa, in the fall.

She is a 1967 graduate of Semco High School and a 1971 graduate of Central College in Pella, where she was a member of Sigma Phi Omega sorority.

The bridegroom, who graduated from Northville High in 1964, will graduate in December from Central College. Formerly he attended Michigan State University where he was affiliated with Psi Upsilon fraternity.

MR. AND MRS. R. LAWRENCE ANGOVE

# Patricia Ling Wed In Afternoon Rites

Patricia Ling carried her great-grandmother's Bible from the Holy Land when she became the bride of Reuben Schrock on Saturday, June 26. They were married in an afternoon ceremony in the First Church of the Nazarene in Detroit.

The Reverend A Eugene Hudgens performed the ceremony before an altar decorated with fireside baskets of daisies and gladiolus. Soloist Iona Baker sang "One Hand, One Heart" and "The Wedding Prayer"

The bride is the daughter of Mr and Mrs Ernest Ling of 41380 West Eight Mile. Parents of the bridegroom are Mr and Mrs Alvin Schrock of Eureka, Illinois. Given away by her father,

the bride wore a traditional long white wedding gown. The dress was fashioned from eyelet organdy and featured a rounded train. With her grandmother's Bible she carried a bouquet of daisies and sweet-heart roses.

The bride's sister, Karen Ling, was maid of honor and bridesmaids were Diane Hawks, Vicki Elkins, Pam Baker and Sharon Lunn. Their identical dresses were made of pink and white checked gingham and trimmed with eyelet lace boleros. They wore matching hats and carried baskets of daisies and mums.

Lauri McDonald served as flower girl in an outfit similar to those of the bridesmaids. Eric McDonald was the ringbearer.

Best man was Dana Schrock, and ushers were Ken Richardson, Lyn Shelby, Paul Rowe and Dave Vasey.

The bride's mother wore mint green crepe trimmed in lace with a matching lace coat. The bridegroom's mother wore a navy jacket dress.

Following the wedding a reception was held for about 300 guests in the church fellowship hall. The bride then changed into a beige and brown print going away outfit with beige accessories.

The couple will make their new home in Kankakee, Illinois where both are attending Olivet Nazarene College. The bride graduated from Novi High School in 1969.

# Couple Makes Germany Home

Making a new home in Germany will be Mr. and Mrs. Erik G. Mettala who were married on July 3. The bride is the former Natalie Anne Ochenski, daughter of Mr. and Mrs. George Ochenski of East Detroit.

The bridegroom currently is serving as a commissioned lieutenant in the U.S. Army. He will complete training at Fort Benning, Georgia, and Fort Sill, Oklahoma, then transfer to Germany for two years. He is the son of Mr. and

Mrs. Gunnar Mettala, 2752 Loon Lake Road in Wixom.

Bouquets of white mums and gladiolus were used to decorate Saint Basil Church in East Detroit where the couple exchanged vows. The Reverend Father Arthur Baranowski performed the double ring ceremony.

Music for the service included the traditional wedding march and the theme from "Exodus", which was played during communion.

The bride was given in marriage by her father. She wore a traditionally designed wedding dress of lace over satin with a full skirt and long sleeves. The gown featured a high scalloped collar and matching scalloped cuffs. Her fingertip veil fell from a beaded lace crown, and she carried a cascade of white roses and baby's breath with a rosary entwined.

Mary Mueller, the bride's roommate from Michigan State University, served as maid of honor wearing a pant dress of blue floral print over blue satin. A cowl neckline and long sleeves highlighted the outfit.

Bridesmaids were Pam Trantham, Denise Williams, Frieda Pasque and Cathy Ochenski, sister of the bride. Their outfits in yellow floral print resembled the maid of honor's and they wore matching ribbons entwined through curls in their hair. All carried colonial bouquets of mums and roses in yellow and blue with butterflies perched on the flowers.

Serving as best man was John Love, and ushers were Alan Bennett, Paul Love, Mark Toner and John Germain, brother-in-law of the bridegroom.

Mrs. Mettala wore a pink linen shift of simple design with pink accessories for her son's wedding. The mother of the bride chose a white brocade shift with silver accessories. Each had a white cymbidium orchid corsage.

About 250 guests attended a reception following the ceremony in the Imperial Hall "Golden Room" in Fraser. Friends and relatives from throughout Michigan were present as were Mr. and Mrs. John Germain from Erie, Pennsylvania.

For a wedding trip to Lewiston, Michigan the bride changed into a white knit ensemble with a white orchid corsage. She is a graduate of East Detroit High School and has attended Michigan State University for one year.

The bridegroom is a graduate of Walled Lake Central High School and has received a BA degree in marketing from Michigan State.

MRS. ERIK G. METTALA

# Family Picnic Plans Told by Newcomers

Novi Newcomers are planning a family picnic on Saturday, July 24 at the summer cottage of Mr. and Mrs. Richard Williams. Slated to begin at noon, the picnic will provide an afternoon of games for newcomers and their invited guests.

will hold regular membership meeting on the second Monday of each month, reports Mrs. Connie Podolski, a spokesman for the group.

Beginning August 9 monthly meetings will be held in members' homes.

Anyone wishing further information is asked to call Mrs. Henrietta Jones at 477-3889.

From now on Newcomers

# Births

Mr. and Mrs. Gerald Nothnagel of 40611 Rockhill Lane are parents of a new son, James Richard, born on June 30 at Oakwood Hospital.

A son, named Eric Kyle, was born to Mr. and Mrs. Raymond Krall of Wayne on July 1. Mrs. Krall is the former Rosemarie Tetzlaff, foster daughter of Mrs. Elsie Shafer, now living in Eau Gallie, Florida, and the late Floyd Shafer.

The Krall's have one other child, a daughter named Danielle, two years old. Both Mr. and Mrs. Krall are currently employed as teachers.

**GARDEN PICNIC** — The annual summer picnic of the Women's National Farm and Garden Association, Northville branch, was held Monday at the William Walker home, 39900 West Eight Mile. Following a potluck luncheon the ladies heard Mrs. E. O. Whittington speak on flower arranging. Pictured here is chairman of the day Mrs. Joseph Keese and her committee. Standing from left to right they are Mrs. Earl Egbert, Mrs. Keese, Mrs. E. W. Konrad and Mrs. Orson Atchinson. Seated are Mrs. William Weidner and Mrs. Walker, hostess.

## Mackinac Conference Draws Local Teachers

Four teachers in the Northville school system have just returned from a week-long leadership conference held at the Grand Hotel on Mackinac Island.

Miss Ada Fritz, Miss Ione Palmer, Miss Florence Keith and Miss Grace Pollock were among the more than 900 women who assembled for the Northeast Regional Leadership Development Conference of Delta Kappa Gamma teaching society, July 6-11.

During their stay the women donned old ball gowns to join in celebrating the 84th anniversary of the Grand Hotel, Miss Palmer reports. Tiny Miss Pollock was specially acclaimed when she appeared wearing her mother's old hand-made wedding dress.

Other members from the Michigan area had arranged to borrow pioneer style gowns from the historical museum in Dearborn, she said.

Miss Palmer is president of Northville's Alpha Nu chapter of Delta Kappa Gamma. Miss Fritz is state recording secretary and Alpha Nu professional affairs chairman, Miss Keith is past president of Alpha Nu, and Miss Pollock is chairman of the membership committee.

On another occasion the women dressed in granny gowns and served with other state members on the hospitality committee for festivities celebrating Michigan Night at the convention.

"There were bonnets and aprons, laces and ruffles, prints galore and patchwork skirts," Miss Palmer said. "We also wore clusters of artificial cherries to signify that Michigan is the largest cherry producing state in the world."

Presiding over the "Michigan Night" activities was Mrs. Katherine Keeling, immediate past state president of Michigan and sister of Mrs. Mabel Cooley of Northville. Musical entertainment rounded out the evening set to the tunes of Lona Miste, who produced the playing record and book entitled "I Sing of Michigan."

Special ethnic entertainment in the form of dances, instrumental and vocal music was performed for members by the Gogebic Range Tambunitzans. Representing three generations of Yugoslavian families, the Tambunitzans hail from Hunley, Wisconsin and Ironwood, Michigan. Mike Pavlovich is the chairman of this talented group.

The program brochure for "Michigan Night" was designed and printed by Gwen Frostic, honorary member of

PATRICIA KAMPMANN MARY FITTERTY

## Engagements Told

**PATRICIA IRENE KAMPMANN**  
Mr. and Mrs. Eugene A. Kampmann of 47100 Stratford Court announce the engagement and approaching marriage of their daughter, Patricia Irene, to Ralph Anthony Karkoski, Jr. He is the son of Mr. and Mrs. Ralph Anthony Karkoski, Sr., of Allen Park.

The bride-to-be is a 1969 graduate of St. John the Baptist High School in Ypsilanti. After graduating from Mercy School of Nursing in Detroit she will work in pediatrics as an R.N. at William Beaumont Hospital in Royal Oak.

The future bridegroom is a 1967 graduate of St. Francis Cabrine school in Allen Park. Currently he is employed as an apprentice electrician with The Triangle Electric Company in Madison Heights. They plan to marry on October 1.

**MARY JANE FITTERTY**  
Mr. and Mrs. Warren E. Fittery of 19203 Clement Road announce the engagement of their daughter, Mary Jane, to Rex L. Cobb of Romulus.

The bride-to-be is a 1971 graduate of Northville High School. The future bridegroom is now employed as a barber at Arborland in Ann Arbor. Both will be attending Southeastern Michigan Baptist Bible Institute near Ypsilanti this fall.

They plan to marry August 28.

## Library Friends Set Book Collection Sale

The Friends of the Northville Public Library are collecting used books to be sold at their booth at the Sidewalk Sale on Saturday, July 31.

Adult, children's, fiction and non-fiction books either hard cover or paperback are needed for the sale and should be dropped off at the library.

During the summer, library hours are Monday through Thursday, noon to 8 p.m., and Friday from 10 a.m. to 5 p.m.

Proceeds from the sale will be used to buy furniture and equipment for the library, a spokesman for the group said.

## Montessori Hosts Open House Today

Parents of pre-school age children are invited to visit the Montessori Learning Center program today (Thursday) and Friday.

The open house and tea will begin at 12:30 p.m. in the kindergarten room at Moraine Elementary, 46811 West Eight Mile Road.

Mrs. Edward Hancock, vice-president of the local Montessori program and chairman of the membership committee, is in charge of the open house. She will be assisted by Mrs. Timothy Johnson, member of the site committee, and volunteer parents.

An informal slide presentation of Montessori classroom activities and a discussion of the program's principles and practices will be given by Dr. and Mrs. Willis B. Hunting, co-directors of the Northville Montessori Learning Center. A question and answer session will follow.

Parents will be able to register their children for the fall program which is scheduled to begin the second week in September. Preference will be given to new students between the ages of two and one-half and four, Dr. Hunting said.

## Singles Announce Summer Plans

Swim parties, a night at the races and a trip to hear Mitch Miller at Meadowbrook are among the summer activities scheduled by the Northville Singles Club.

Formed earlier this summer the club plans entertainment for single men and women over 30. They meet Friday nights at 8:30 p.m. in the Scout-Recreation Building.

Coming up this Friday is an evening at Northville Downs, preceded by a buffet dinner. Members should meet at 6:30 p.m. at the Scout Hall. There will be a charge of \$6 per person.

On Sunday the group journeys to Meadowbrook Theater to hear Mitch Miller direct the Detroit Symphony Orchestra at 6:30 p.m. Buses will leave from the Scout Hall at 3 p.m.

Two Swim parties are also slated later this summer. Members should check at the regular club meeting on July 23 for details.

Anyone wishing more information about the new group is asked to call Lois Turner, 349-9969 after 6 p.m.

**TOO HIGH**—"Taxes and school millage are too high" says Novi resident Herb Koester, who this week launched a one man drive picketing the Novi City Hall. "I'm getting all they want to give me," he said. "I'm just paying too much for it." Pretty Trudy Siewert, of Plymouth, shown here talking to Koester, agreed but for a different reason. "Too much of our taxes go to that war," she said referring to the Southeast Asian conflict, "I just won't agree to that."

# Allocated Sewer Taps Exceed Novi's Limit

A good business in Novi might be selling sewer taps—that is if you could deliver the merchandise

taps that are committed that we have promised to people and are required by law to give

"We've sold over our total capacity," he said, "but at the present time we're actually using less than 35-percent of that capacity

At present, according to City Manager George Athas, the city has sold, or committed, 181 taps that it doesn't have

"We've already sold, either outright for cash or on a contract, 3,615 of them.

"There are taps we've committed," Athas added, "which won't actually be in the ground for some time, but what the difficulty and what worries the council, is that someday Novi may wake up and find that everyone wants to use their taps at once"

"We have a total capacity of 5,200 taps," Athas said Tuesday "This comes out of Wayne County as a four cubic feet per second, (CFS) allotment into their system

The manager explained that the picture was not as "black and white" as the figures indicated

Discussion on the matter came before councilmen in a study meeting Monday night during which they also considered

"We have a total of 1,766

The Randolph Drain Councilmen were reluctant to share with Northville the price of construction and maintenance of the county facility which, if built as proposed, would draw assessments from residents southeast of a point along Beck Road and on-half mile North of Eight Mile

Councilmen Raymond Evans and Donald Young contended that recent and unwise building in Northville had caused a flooding problem which the Randolph Drain was expected to handle for Northville citizens only

According to Young, "Novi is still dumping as much water as it did 10 to 20 years ago"

Athas was directed to set up a meeting with Northville officials to discuss the matter

Riparian Rights along Walled Lake Herbert Farah, local citizen and fireman, informed councilmen that there were three types of laws governing fill of shore line and that before an ordinance was drafted or procedure set up, they should familiarize themselves with each

The matter came up with two petitions to fill along the shore line

Council ordered a legal opinion on the city's position from City Attorney Howard Bond

## October Decision Set on Petition

A controversial annexation petition submitted to the state boundaries commission by the City of Novi isn't expected to be decided until October.

James S. Hyde, executive secretary of the commission, said as much last week Wednesday during the preliminary public hearing at Lansing. According to the state official, the decision is to follow a public hearing here in Novi in October.

At last week's hearing attorney and representatives of both the city, which seeks to annex a large portion of Novi Township, and the township presented their cases. Specifically, eight of the nine parcels of township land—all but that part of Brookland Farms subdivision located in the township—are sought by the city.

Township Attorney Emery Jacques and Township Clerk Boyd Armstrong represented the township last week, arguing that those township lands included in the annexation petition now are adequately protected by fire

and policemen. Novi city firemen currently answer fire calls in the township, at \$200 per call, under a contract with the city. Furthermore, township citizens are protected by the Michigan State Police, and Oakland County Sheriffs, who can answer a call in a "few minutes", township officials said.

City officials contend that this police protection is overlapped by city police patrols as part of city policemen's regular beats—even though the city is not presently paid for this township service

Township argument that its zoning is being made compatible with adjacent city property is refuted by the city.

George Athas, chairman of the city's planning board for two years and now the Novi city manager, insisted last week that he has never observed any "evidence that township planners have made such an attempt."

## Wixom Appraisal Due; Cost Set at \$16,450

Wixom will be reappraised by United Appraisal Company, of Cleveland, Ohio at a cost of \$16,450

Wixom councilmen Tuesday night unanimously accepted the recommendation of Mayor Gilbert Willis to contract with the firm

In taking the action, Councilman Gunnar Mettala mentioned that, of the two companies selected from 10 originally interviewed, United seemed to be the most dependable because it used manual computation instead of a computer method.

"There's a possibility of a foul-up," Mettala said, "and Wixom can't afford another mistake."

Willis mentioned that United's men would probably be in the city within 30 days and that citizens would have ample time to review and re-review, if necessary, their appraisals

Willis appointed Wynn Berry, Commerce assessor, as a temporary part time employee to assist United.

Councilmen received a letter of resignation from Deputy Treasurer Ruth Merrill, who had been serving the city as deputy assessor

Mrs Merrill gave as reason for her resignation the transfer of her husband to Illinois

In her place, Willis appointed his assistant, William Travis, a former school teacher in the business arts

Travis admitted that he had

## Missing A Bike?

Novi Detective Lieutenant Richard Faulkner has a problem

He has eight bicycles, both boys and girls models, that he believes were stolen from Novi residents, but he has no idea who they were stolen from.

"Our department doesn't have any complaints from people who have had bicycles stolen. I know they've been stolen. . . people just haven't reported it."

Unless citizens come forward and can identify stolen merchandise, before August 1, the Novi Police Department will have to destroy the two wheelers, he said.

Faulkner urged citizens, if they've had a bicycle stolen, to call 349-2444 for information.

no experience as a treasurer. Concerning Wixom's current tax roll, Willis said that as yet he had not heard from the State Tax Commission about the city's late tax bills but that commissioners were due to meet Wednesday.

In a related matter, councilmen decided to hire their planning consultants, Vilcan and Leman, to "assist the city" in reviewing zoning standards for an improved, or re-worked, zoning ordinance. Cost was set at \$9,000 to be paid in four quarterly installments

Councilman Elwood Grubb, and Councilwoman Mary Parvu objected.

"I think our planners know what they're doing," Grubb said "I think we've got a good board and we ought to give them a crack at this project"

The measure passed after Councilman Mettala pointed out that the suggestion to enlist Vilcan and Leman had come from the planning commission.

In other business Tuesday night councilmen rezoned, in a public hearing, a parcel of land

owned by Jack Lakner, at 47000 West Road between Beck and the C&O railroad track, from single family residential to light manufacturing

Councilmen were unanimous and there was no discussion by the public

Granted \$2,500 to Walled Lake's Alcohol and Drug Education program, (ADE) Originally from Southfield the ADE program has been working in Walled Lake for eight months. Its main function, according to representatives who appeared before councilmen, is counseling and giving advice to current and potential drug users

The program lists among its other contributors, Walled Lake and Wolverine, each for \$2,500 and Commerce for \$5,000. The group may get additional funding from Oakland County, according to Willis.

—Adopted a bid of \$1,885 for the construction of additional office space in the police department from Paul Profit Construction of Walled Lake

Two other bids submitted

ran between \$3,900 and \$4,500 —Listened to Willis as he announced that the city and the police department had reached an impasse in their contract talks and that a compulsive arbitrator would probably be requested.

Main point of contention, Willis said, was the departments request for \$11,400 top salary. The city's offer Willis said had been \$10,600

—Supported opposition from the City of Berkeley to Oakland County's proposed construction of a new sports stadium

"A much as I'm for sports," said Councilman Robert Dingeldey, "I don't think the county should be spending that kind of money."

—Combined the duties of the health officer and the building official

"Many times," Willis said, "one has to approve the others activities"

—Appointed Councilman Dingeldey as representative to the annual meeting of the Michigan Municipal League on Mackinac Island September 2-4

## Four of Seven Absent

# Lack Quorum, School Resets Board Meeting

The regularly scheduled Novi Board of Education meeting this past Monday was postponed until next Monday because of the absence of four of the seven members.

Three members are vacationing and a fourth newly elected William Ziegler, reportedly had a minor "setback" in recuperating from a heart attack suffered several weeks ago. He was slated to enter the hospital Tuesday for a brief period, fellow members learned

Vacationing are Board President Gilbert Henderson, and trustees LaVerne DeWaard and Robert Wilkins

While remaining members were unable to transact any business this week because of the lack of a quorum, they nevertheless heard a report from Superintendent Thomas Dale on the school census and housing construction

According to Dale, the recently completed census shows a total of 2,084 school age children living in the school district. School age is defined as anyone ages 5 to 19.

Thus, according to the superintendent, it includes

children who may not in fact be in school because they may have quit, graduated, etc. He estimates that of the 2,084 children, 1,927 will be enrolled in the fall.

In figuring the 1971-72 budget, school officials had estimated a total fall enrollment of 1,942-15 more than the census now indicates.

The census also showed a total of 636 children through the age of 4 in the school district. This compares to 612 in 1970 and 502 in 1969.

In the 5-19 bracket, the 1970 census showed 1,956 in the district (there were 1,809 in school), and the 1969 census showed 1,772.

## Ray Warren's Elected

It was erroneously reported in this newspaper last week that Robert Wilkins had been elected secretary of the Novi Board of Education.

Actually, it was Ray Warren who was elected to the post in a 4-3 secret ballot over Wilkins at the board's

A census of housing construction, Dale said, showed the following:

Partially completed—84 this year, 62 last year, newly completed, 32 this year and 32 last year; old, not inhabited, 36 this year and 31 last year; basements in only, 81 this year. No similar census on basements was taken last year, Dale explained.

Among business to come before the board next Monday will be:

Setting of the operational millage levy, resignation of the instrumental music teacher, perhaps bid specifications on the high school parking lot resurfacing, and establishment of the regular meeting nights of the board.

organizational meeting July 2.

Others elected include Gilbert Henderson, president, by a 4-3 vote over LaVerne DeWaard; Bruce Simmons, vice-president, by a 4-3 vote over Wilkins; and Mrs. Sharon Pelchat, treasurer, by a unanimous vote.

**KEYS TO TRUCK** -- A 2,000 gallon water carrier was the recent gift of the Gulf Oil Company to the Novi Fire Department. Here, at a ceremony at Gulf's Grand River plant, M. E. Gilin and R. E.

Barger, from left, present the keys to Fire Chief Fred Loynes, while M. E. Rogoff, Lieutenant Marv Tobel and R. Glick look on.

### Northville Signs New Teachers

Eight teaching contracts for the 1971-72 school year were approved Monday night by the Northville school board.

At the elementary level, contracts were given to Mrs. Karen Moilanen, a 1971 graduate of Michigan State University (MSU) with a bachelor of arts degree in science and mathematics. Mrs. Moilanen, who has one year of intern teaching experience, will teach third grade at Main Street Elementary.

New teachers at Amerman Elementary include Mrs. Marjorie Sliger, a 1965 graduate of Eastern Michigan with a masters degree in speech. Mrs. Sliger has nine years of experience in the Northville school district and will teach third grade Raymond S. Balutowicz, a 1971 graduate of Wayne State with a bachelor of arts degree in social studies, will teach fifth grade.

Teaching mathematics at Northville High will be Charles Apap and Mrs. Sharon Snodgrass. Apap, a 1970 graduate of Michigan Technological University with a bachelor of science degree in mathematics, has a half year experience. Mrs. Snodgrass, a 1969 graduate of MSU with a bachelor of science degree in mathematics, has taught for two and one-half years.

Three elementary intern teachers who will be employed in the fall are Patricia Martin who will teach second grade at Amerman; Judith Breitmeyer, third grade at Moraine; and Mrs. Patricia West, third grade at Main Street.

**Fashion Cellar is now open**

CALL 349-6050 FOR NICK LAYOW AN APPOINTMENT - OR COME ON IN - 102 W. MAIN STREET JOSEPH AGOSTA (IN THE RECORD OFFICE BLDG.)

IN MINIATURE—Replicas of the Northville flag, motto by Julea Anne Brown, design by Tom Hutcherson, (pictured here on either side of the life size model) are awarded by Northville Beautification chairman, Bea Carlson, and Ed Welch. Welch originally proposed that Northville have a flag back in 1966. The miniatures are available from the Historical Society and the Rotary Club.

### Jaycees Seek Bike Winners

Northville Jaycees are looking for three "lost winners of the decorated bicycle section of the Fourth of July parade.

"Numbers 24, 33, and 112 have yet to claim their prizes for winning the category," parade chairman William Broaddus said.

Broaddus explained that with the number of bicycles entered in the parade, the Jaycees "have no way of knowing who the kids are and we would like to award them their prizes."

Owners of numbers 24, 33, and 112 may contact Broaddus at 349-6042 to claim their prizes.

VEGAS BOUND—Mr. and Mrs. James G. Stragea are shown departing from Metropolitan Airport for a three-day vacation in Las Vegas, as winners of a Fram Corporation vacation contest for Marathon Oil Company dealers. Stragea operates the Marathon service station at 26475 Novi road in Novi.

# NOVI HIGHLIGHTS

By MRS. H. D. HENDERSON

Mr. & Mrs. Harold Sigsbee celebrated their daughter Sharon's birthday on the Fourth of July at a cook-out. Other present at the party were Art Sigsbee, Mr. & Mrs. Richard Sigsbee and children, little Richard and Rechell. Mr. and Mrs. Robert Starr of Southfield, Uncle Ed Coleman, cousin Westley Coleman of Detroit, and Mike Frank.

Mr. and Mrs. Clark Race of Milford were Friday visitors at the home of former's brother and sister-in-law, Mr. and Mrs. Russell Race on Twelve Mile Road. They all had luncheon at the new Holiday Inn after which they called on the Charles Races in Royal Oak.

Recently returned vacationers were Mr. and Mrs. R. H. Kirkwood who spent one week at the Lawrence Boyd cabin near Bruce Mines in Ontario.

Mr. and Mrs. Anthony Palizzi and sons, Michael and Nicholas, have moved to Sterling Heights where Mr. Palizzi is now employed.

House guest at the home of Mr. and Mrs. R. H. Kirkwood is Mrs. Kirkwood's sister, Mrs. Raymond McGlynn of San Diego, California. Mrs. McGlynn will be with her sister's family and others in the area for several weeks.

Mrs. Virginia Burnham and Mrs. Marilyn Kreger left their

sons, Dennis and Donald Burnham, and Paul Kreger, at the Big Star Lake Camp near Baldwin last Monday and then went with their daughters, Denise Rhoda and Birdie, to the Taylor cabin near Atlanta for five days of vacation.

Russell Taylor, who is a patient in the Pontiac Osteopathic Hospital, will soon be at Botsford Hospital in Farmington.

Kristie Killeen spent the Fourth of July visiting friends in Alpena.

Dennis Killeen and daughter, Shannon of Las Cruces, New Mexico, are spending some time with relatives and friends in Michigan.

Recently, Laurie Killeen spent a few days in Grand Rapids, and she also visited Cheryl Halstead (former Cheryl Harris) in Grand Haven.

After returning home, Laurie and her friend, Alice Psenka, toured California for 10 days where they spent time at Lake Tahoe and Disneyland and toured along the California coast line.

This past weekend Laurie flew to Cincinnati, Ohio to attend the wedding of her college friend, Glori Cattelani.

Mr. and Mrs. Roger Pelchat and family attended a family reunion at the home of the latter's aunt and uncle, Mr. and Mrs. Clifton Lewis, in Lapeer July 4th.

Mrs. Herbert Farah, who has been a patient in Providence Hospital for several weeks, is now back at her home on West Grand River.

Cathy Paolucci, Steve Bell, Marie Perrone, Anna Perrone and Marie Nausedas all had a day at the Sand Dunes in Western Michigan this past Saturday.

Mr. and Mrs. Richard Ritter and daughter, Kathy, and Debby Loynes, spent one week of vacation at Virginia State Park, Virginia Beach, returning last Saturday.

Luncheon guests at the newly opened Holiday Inn on Ten Mile Road this past Wednesday were Mrs. H. D. Henderson, Mrs. Russell Race Mrs. Van Nielsen, Mrs. Dolly Alegnani, Mrs. Wilma Wagonis and Mrs. Hildred Hunt.

Vern Grimes is a patient at Mt. Carmel Hospital in Detroit. Ronnie White, son of Mr. and Mrs. David White of Novi Road, entered St. Mary Hospital in Livonia on Sunday for surgery.

Mr. and Mrs. Frank Barbaras announce the birth of a son, Scott Richard, born July 2. He weighed 7 pounds and 13 ounces. Mr. Barbaras is employed by the Novi Police Department.

Church services and Sunday school at 10 a.m. each Sunday during the summer months.

Eleven members of the

surgery at the University Hospital in Ann Arbor.

Mrs. Errol Myers and granddaughter Robin Luce returned to the Myers home in Willowbrook early this week after spending two and one half weeks at the Myers cabin at Paradise in the Upper Peninsula.

Mr. and Mrs. Robert Wilkins took their daughter Pat to Central Michigan for orientation this week. After which they spent a couple of days with the Garland Killeens at Bellaire.

Christine Wilkins and Susan Burton are on a four-day canoe trip from Grayling on the Manistee River. The trip was sponsored by the United Methodist Church Camp Commission.

Monday evening, July 5, Mrs. Dolly Alegnani and her sister, Mrs. Wilma Wagonis, entertained a group of friends at six o'clock supper and an evening of pinocchle.

Mr. and Mrs. Howard David LaFond and sons Tony and Matthew moved last week into their newly remodeled home at 4141 West Grand River, Howell. For the past several years they have lived on Novi Road in Novi.

Tony LaFond spent a few days with his friend, Jack Morris, this past week. Charles Trickey is back at his home again after having

M.Y.F. attended the ball game at Tiger Stadium on Thursday of this week. Adults who also attended the game were the minister and his wife, Mr. and Mrs. Harvey Shank, and Mr. and Mrs. Hugh Crawford.

Members of the M.Y.F. had a swimming party at the home of Cindy Culham in Farmington Sunday afternoon.

All meetings, services, and activities will be announced weekly and posted on the bulletin board.

During the summer if unable to reach your minister call either Leon Blackburn at 474-8504 or William Fox at 349-2732.

**HOLY CROSS EPISCOPAL CHURCH**

Sunday at 7 a.m. Holy Eucharist, at 11:15 a.m.

**CYCLIST INJURED**—Michigan State Police Troopers treat John C. Pauli of 508 Gardner who was injured Wednesday morning when the motorcycle he was driving collided with a car driven by Marjaret J. Dawson of 21219 Chigwidden. The accident took place at the intersection of Northville Road and Seven Mile. Police said Pauli was northbound on Northville Road when Mrs. Dawson, made a left turn onto Seven Mile. Pauli's cycle struck the passenger door of the Dawson vehicle. He was taken to St. Mary Hospital for treatment of injuries.

## Wixom Newsbeat

# European Travelers Write

By NANCY DINGELDEY

Some rather astounding facts and figures came to my attention not long ago compliments of Michigan State University Extension Service and I thought I'd pass them on to you. I think they're rather fascinating—especially when you think of all the research that was done to come up with the following:

In every eight seconds a new American is born. And in the 65 to 70 years he may live, he will demand 56 million gallons of water, 21,000 gallons of gasoline, 10,150 pounds of meat, 28,000 pounds of milk, 9,000 pounds of wheat, \$5,000 to \$8,000 in school building materials; \$6,300 worth of clothing and \$7,000 worth of furniture.

The whole article dealt with pollution and over-population which, of course seems to be of the highest priority these days. It ended with the following, "By the time each of us is laid to rest, we've used up an awesome share of the earth's natural resources and contributed to the defacing what is left." It just made me stop and think.

A little news is coming from our wandering teen-agers but I hope in the weeks to come I'll be able to pass on more of their adventures. From Sue Vangieson in Strasbourg, France, a large but very beautiful city although they are quartered quite a distance from the University. They are making their way via bicycles.

The group had a day off from their studies because of a holiday (she didn't say if it was a local event or countrywide). It was called "vin d'honneur aveau" and in my limited French I would translate that to mean "wine

of new honor." Sounds like a great holiday! To keep all her thoughts intact, Sue is writing a journal and that should make great reading when she gets home.

Also, I think she was busily peering at everyone eating because she reports that Frenchmen eats salads with cold meats and huge plates of french fries. That's what we need—balanced diets! Other than being "ooh-la-la'd-at" and meeting lots of interesting people, we'll just have to wait until the next letters from the group.

Marsha Spencer wrote a quickie note to her folks saying they had a stop-over in San Francisco, Hawaii and Guam all lasting one hour at each place but because it was dark they didn't see a thing. We expect to hear more from her soon.

In the meantime, Pat Spencer said they are expecting her foreign exchange student in August who will be spending her senior year at Walled Lake Western and living with the Spencers. She is Ingrid Gantaf of Malma, Sweden which is located in the southernmost portion of that country.

Sixty people crept in on Ken Lehmen of Evona Street last Sunday for a surprise retirement party. Friends and relatives presented a speechless Ken with a beautiful bright red three speed Schwinn Surburban bicycle—a rather unique retirement gift you must admit. The guests all gathered "garden party style" under the Lehmen's towering shade trees for an afternoon of lively conversation with Ken and

Marian. She has also recently returned as a cook for the Walled Lake School System.

Ken retired after almost 44 years with Fisher Body—Pontiac. Asked what he plans to do with his new found spare time, Ken said he'd just keep busy with his hands and when he got tired of that, they'd do some traveling.

Well-wishers included Mr. and Mrs. Ben Derben of Canoga Park, California and son Marc. Ben is an NBC camera technician who also is quite a golfer so it was "right up his alley" when he covered the recently played "Pebble Beach Classic."

Just home from a week-long camping trip are Elna and Paul Salo. They journeyed to Kaleva, Manistee and points north, spending most of their time at Healy Lake. A night at Interlochen enjoying the opera plus a canoe trip down the Platt River, through "the other Loon Lake" and ending at Lake Michigan along with some golfing for good measure completed the relaxing, beautiful trip.

Also back from a camping trip are Gerry and Bus Marshall of Pontiac Trail. There was a little different from Salo's camping. However, things don't always work out as planned. Destination was the Chain O' Lakes at the Michigan-Wisconsin border. The idea was a weeks' survival camping—packs, canoe, tent, the whole works with not a restaurant, motel or grocery

store at hand.

The Marshalls spent a great deal of time before hand gathering equipment and planning menus to be stuffed in back packs for a whole week. Number one thing to go wrong was the fact that there weren't any canoes available at the starting point when they got there so they had to resort to a row boat. Just that fact would turn me back but not them. You just can't row a boat that far! Not all was in vain—they found themselves a nice spot about two days "in", pitched their tent, enjoyed the great out of doors and survived. It was a good try! (And sounds like something I'd like to do...someday).

Tim Tillman is sporting a clavical brace after suffering a broken collar bone. He inadvertently drove into a mound of soft dirt with his motor bike and was thrown off. Better luck next time!

More tiny new faces in and around Wixom. Born to Cindy and Mike Canazzaro of Arbor Lane, a girl Amy on June 21. And to Connie and Jack Robinson, a little boy as yet unnamed weighing in at 7 lbs. 11oz. on July 10.

Congratulations to Grandpa and Grandma Counts (Ruth and Sidney) on their new little granddaughter Betsy, born to Kay and Gray Counts last Thursday.

Fond farewells and all good wishes to Ruth Merrill as she leaves Wixom to join her husband in Northbrook, Illinois (and another new house). God speed.

all of the comforts of home!

### 'No Work No Welfare' Suggested

Refusal of a physically able person to work at a job in which he is able to engage would result in his being cut from the state's welfare rolls under an amendment to the Michigan Social Welfare Act introduced recently by Senator Carl D. Pursell (R-14th District).

However, its sponsor pointed out, "This bill does not apply to those individuals who are blind, disabled or handicapped. No one will argue that they need our support."

Senate Bill 853 also stipulates that welfare assistance would be dropped if an "employable" person has not registered with the Michigan Employment Security Commission.

Pursell warned: "If legislative measures are not undertaken soon to stem the ever-increasing tide of expenditures for welfare assistance, this state will face a financial dilemma of such magnitude that the heretofore used avenue of appropriations cannot in good conscience be voted for in support of its continuance."

"Employable" as defined in the amendment is a person under 65 years of age, whose health would not prevent working and who is not engaged full-time in attending school (in case of a minor), participating in an approved vocational or rehabilitation program, wholly caring for incapacitated household members or caring for children when such services are not available, Pursell explained.

Also included in the amendment as tantamount to job refusal, the senator said, are:

- 1) Failure to obtain and file a new certificate with the county department of social services at least once every two weeks from the Employment Security Commission stating it has no order for an opening in part-time, full-time, temporary or permanent employment in which the applicant is able to engage, or
- 2) Willfully fails to report for an employment interview when requested to do by the commission, or
- 3) Willfully fails to report to the commission on the result of an employment referral, or
- 4) Willfully fails to report for employment.

Pursell said he had been assured by the chairman of the Senate Health, Social Services and Retirement Committee that Senate Bill 853 would be given an early hearing.

### Senator Set For TV Show

Senator Carl D. Pursell (R-14th District) will take part in a three-man panel discussion of the two-party political system on "Honey's People" which will be telecast at 2 p.m. Saturday, July 17, 1971 on Channel 7, Station WXYZ.

Also appearing in the color telecast will be ex-Senator Robert Huber and Zolton Ferency, unsuccessful candidate for governor in last year's election.

Part of the discussion will center on splinter parties which have broken away from the mainstream of the philosophy of the two major parties.

Police Blotter

Thefts Top Reports

In Northville...

Police arrested seven youths between the ages of 17 and 20 for minor in possession of alcoholic beverages in the city Friday and Saturday nights.

shoes from his car. The theft occurred between 8 a.m. and midnight Saturday while Moors' car was parked at Northville Downs.

Investigating officers said the vent window had been pried open to gain entrance to the car.

A 13-year-old boy reported the theft of a blue Schwinn bicycle from Northville Lanes on Monday.

The youth told police the bike, valued at \$75, was taken between 5:40 p.m. and 6 p.m.

In Township...

Township police are investigating three prowler complaints received Thursday night, July 8.

An Ypsilanti man, Thomas O. Moors, reported the theft of golfing equipment and golf

residents on Whipple, Ridge and Stratford reported seeing a man peering in their windows. Two reports stated the man had cut window screens before he was scared off.

The complaints took place between 9:45 p.m. and 10:45 p.m.

FIRE CALLS

July 11-12:24 p.m., Griswold at the railroad tracks, grass fire.

July 11-1:44 p.m., Eight Mile and Lexington, grass fire.

July 12-5:08 p.m., Six Mile and Sheldon, grass fire, unfounded.

July 12-6:48 p.m., Six Mile between Sheldon and Beck, grass fire.

July 12-7:34 p.m., Northville Downs Barn area near race track, barn fire.

July 13-10:25 a.m., Seven Mile and Napier, barn fire.

July 13-11:11 a.m., Seven Mile and Ridge, barn fire.

COURTNEWS

Two Northville men who pled guilty to reduced charges of accosting and soliciting a minor for immoral purposes were sentenced on July 7 by 35th District Court Judge Dunbar Davis.

John H. Britton of 224 Linden Street and Dale H. Wolfrom of 758 Grace Street were each ordered to pay \$104 costs, placed on two years probation and ordered to pay probation costs of \$10 per month.

The court action followed a pre-sentence investigation conducted by the Oakland County Probation Department.

Both men were arrested in February by Northville city police on the charges which stemmed from incidents which occurred in November of 1970.

In Wayne County Circuit Court on June 30, Paul J. Morgan of 366 Welch was fined \$50 after he was found guilty of a reduced charge of disorderly person. The charge was incorrectly reported last week as resisting arrest.

In district court on July 6, Larry C. Foust of Traverse City was fined \$79 and sentenced to spend two days in the city jail after he pled guilty to driving with a revoked license.

Foust was arrested by the city police in March and picked up July 1 on a bench warrant for failing to appear in court on the charge.

Two men pled guilty to charges of drunkenness and were each fined \$54. They are George W. Fokken of Madison Heights and Samuel J. Hale of Detroit.

Fokken was arrested June 25 by city police and Hale on July 2.

On July 8, Jack F. Moffitt of 341 East Main Street was given a suspended \$39 fine and sentenced to 60 days in the Detroit House of Correction.

after he pled guilty to drunkenness.

In Novi...

Carl Bentley of 23656 East LeBost reported the theft Sunday of \$420 worth of power tools from his van as it was parked in his driveway.

According to police, the theft occurred sometime Sunday afternoon or evening.

Thieves broke into a model on the sales plaza of Kaufman and Broad's Village Oaks subdivision early last week and made off with \$418 worth of furniture.

Zoner's Fruit Market, 42409 Grand River, was the scene sometime Friday or early Saturday of a \$150 theft.

Richard Zoner reported \$100 in loose change and \$50 missing gone from his cash register when he opened the store at 6:30 Saturday morning.

A Farmington man, James Lasley, was arraigned Monday before Judge Martin Boyle of the 52nd District Court on charges of attempted auto theft and was awaiting this week a preliminary examination set for Monday.

Lasley was arrested early Sunday at the residence of Leslie Haworth, 1807 East Lake Drive, where he allegedly tried to steal a car.

Novi police recovered approximately \$75 worth of lawn sprinklers, some with hoses attached, which detectives believe were taken from the Meadowbrook Lakes area sometime around the first of the month.

LEGALS

STATE OF MICHIGAN PROBATE COURT FOR THE COUNTY OF WAYNE

ESTATE OF SAM ROMAN, Deceased. It is ordered that on October 6, 1971 at 2:30 p.m. in the Probate Court room, 1221 Detroit, Michigan, a hearing be held at which all creditors of said deceased are required to prove their claims.

Publication and service shall be made as provided by statute and Court rule. Dated July 6, 1971. Ira G. Kaufman, Judge of Probate.

Raymond P. Heyman, Attorney, 24202 Grand River, Detroit, Michigan 48228. 10-11-12.

STATE OF MICHIGAN PROBATE COURT FOR THE COUNTY OF WAYNE

ESTATE OF PETER STANKO, Deceased. IT IS ORDERED that on September 15, 1971 at 2 p.m. in the Probate Court room, 1319 Detroit, Michigan, a hearing be held at which all creditors of said deceased are required to prove their claims.

Publication and service shall be made as provided by statute and Court rule. Dated July 7, 1971. George N. Bashara, Jr., Judge of Probate.

Joseph A. Pettit, Attorney, 18451 Joy Road, Detroit, Michigan 48228. 10-11-12.

ADVERTISEMENT FOR ASPHALT STREET REPAIR FOR THE CITY OF NORTHVILLE

Sealed proposals will be received by the City of Northville, Michigan, up to 11:00 A.M. Eastern Standard time on July 23, 1971 and promptly thereafter the proposals will be publicly opened and read aloud.

The work to be performed consists of the following approximate quantities: 22,500 S.F. of No. 4.11 modified asphalt repair to various streets.

No bidder may withdraw his bid within 45 days after the day set for the opening thereof.

Each proposal must be accompanied by a certified check, money order or bid bond by a recognized Surety Company in the amount of at least 5 percent of the amount of the total bid payable to the City of Northville, Michigan, by the accepted bidder, which will be forfeited upon failure to enter into a contract with the City of Northville within 15 days after the award of the contract to him.

The successful bidder will be required to furnish 100 per cent performance and 100 percent labor and material bonds.

The contract documents, plans and specifications will be on file and open to public inspection at the Office of the City Clerk, 215 West Main Street, Northville, Michigan.

A deposit in the amount of \$10.00 is required for each set of plans and specifications and will be refunded upon return of the plans and specifications in good condition within 10 days after the opening of the bids.

The right is reserved by the City of Northville to accept the lowest qualified bid, to reject any or all bids, or to waive informalities in bidding in the best interests of the city.

City of Northville, Michigan. Martha M. Milne, City Clerk.

ADVERTISEMENT FOR BIDS

City of Novi, Oakland County, Michigan. Sealed proposals will be received at the office of Johnson & Anderson, Inc. 2300 Dixie Hwy., Pontiac, Michigan until 2:00 p.m. of August 2, 1971, at which time the bids will be publicly opened and read aloud and the different items noted, for the construction of sanitary sewers and appurtenances located generally around the intersection of Grand River Ave. & Novi Road.

The quantities involved in this work consist principally of the following:

- 2672 Lineal feet of 15" sewer
30 Lineal feet of 12" sewer
1333 Lineal feet of 10" sewer
9480 Lineal feet of 8" sewer
5055 Lineal feet of 6" house lead
6 3 Manholes

The plans and specifications are on file and may be examined on and after July 14, 1971 at the office of Johnson & Anderson, Inc. 2300 Dixie Hwy. Pontiac, Michigan.

Copies thereof may be obtained on and after July 14, 1971, at the office of Johnson & Anderson, Inc., 2300 Dixie Highway, Pontiac, Michigan (mailing address: P.O. Box 1066, Pontiac, Michigan 48056). A check payable to Johnson & Anderson, Inc., in the amount of Fifteen Dollars (\$15.00) must be deposited for each set of documents obtained. \$15.00 will be refunded if all documents are returned in good condition within fifteen (15) days after opening of bids.

The purchaser must supply the phone number and street address of the individual or firm to whom addenda (if any) can be directed.

A certified check or bank draft payable without condition to City of Novi or a satisfactory bid bond executed by the bidder and a surety company in an amount not less than five per cent (5 percent) of the bid shall be submitted with each bid, as a guarantee of good faith and the same to be subject to the conditions stipulated in the instruction to Bidders.

The right to accept any proposal, to reject any or all proposals and to waive defects in proposals is reserved by the City of Novi. By Order of Mabel Ash, Clerk City of Novi 25850 Novi Road Novi, Michigan

Oakland Offers Jazz Concert

Jazz musician Jack Brokensha appearing with pianist Bess Bonnier and Singer Ursula Walker will highlight the coming week's activities in the Summer Events Program at Oakland Community College.

Other activities scheduled this week include a rock concert and a classic comedy film festival, featuring Charlie Chaplin, Buster Keaton and W.C. Fields.

Performances will begin at 8 p.m. at the Orchard Ridge Campus (I-696 and Orchard Lake Road). Admission for the general public is \$2 for all events except the film festival. Film tickets are 75 cents each.

Tickets for OCC students with I.D. cards are \$1. OCC students will be admitted to the film series free upon presentation of their college I.D. card. A special family plan is available on Sundays - an entire family will be

admitted for \$4. Included in this week's program is:

Thursday, July 15 - films: "The Dot & the Line" and "The Great Chase" with Buster Keaton, Douglas Fairbanks and Lillian Gish.

Friday, July 16 - three one-act plays: "The Zoo Story," "Sarah & The Sax," "Interview" (starts at 8:30 p.m.).

Sunday, July 18 - Jack Brokensha with pianist Bess Bonnier and singer Ursula Walker.

Wednesday, July 21 - two rock bands: Julia, The Broken Crow.

Thursday, July 22 - films: "The Paleface", with Buster Keaton; "The Fireman", with Charlie Chaplin; "Two Tars", with Laurel and Hardy; "Pool Sharks", with W.C. Fields; "The Floorwalker" with Charlie Chaplin.

For further information call 476-9400, extension - 421.

## Charge 'Gobbledegook'

# Township Board Rips County Stand on Police

After meeting for nearly three and one-half hours Tuesday night, Northville Township trustees tabled action on half of a rather lengthy agenda and tentatively scheduled a special meeting for next Tuesday to discuss the remaining items.

Reviewing a copy of a letter sent to the Michigan State Police from the Wayne County Board of Commissioners, trustees expressed their dissatisfaction with the county's decision to tell the state police to "look elsewhere" for a site to relocate the Detroit Post.

State police officials had requested leasing two of seven vacant buildings at the Wayne County Child Development Center and Commissioners turned down the request earlier this month.

"That letter is filled with bureaucratic gobbledegook," Trustee Bernard Baldwin commented.

"They (the county) don't

know what they are going to do with the buildings so they want to go out and get Federal funds to see if they can't find a use for the buildings," Baldwin said in paraphrasing the letter.

Supervisor Gunnar Stromberg told board members the Northville Economic Development Committee is attempting to find land for the state police in the township and "will develop buildings for the state police and lease them to them if necessary."

Stromberg noted that one of the sites under consideration is excess land owned by the Northville State Hospital on Seven Mile Road.

Trustee Charles Schaeffer said that if "Maybury is to become a state park (see story on Page 1 of the Record) it is all that more important that state police be located in the area since they will be patrolling the park."

Trustees voted 6-0 (Trustee Leonard Klein absent) to direct Stromberg to respond to the Board of Commissioners informing them the township "is not satisfied with the answer given to the state police."

Treasurer Joseph Straub noted that the location of the state police post in the township is "one of the most vital things to come before this board in a long time."

In a related matter, Stromberg said he met Monday with township supervisors of Western Wayne County and that they "intend to fight the sheriff on having to pay for road patrol service."

Stromberg said the supervisors will be contacting their respective county commissioners "to put pressure on them to fight for what we're trying to do."

Baldwin said he found it ironic the county "does not have enough money to provide police protection without charging the townships, but yet they have enough money to let two buildings at the Child Development Center stand vacant."

In other business Tuesday

**\$100 Reward...**

... offered for the arrest and conviction of person or persons who stole a 25-horsepower motor, model 25R, 69D, Serial No. E 3161535, from the premises of Miss Eugenie Choquet at 727 South Lake Drive, Walled Lake, on Tuesday, July 13.

In lieu of this information, a \$50 cash reward will be made to anyone — with no questions asked — for the motor's return.

# Ivan Ely Dies

Continued from Page One

present location on North Center.

Also built was a new office and additional parking.

Four years later the Elys expanded to include the coal business. The business was incorporated in 1947.

Eventually, the ice selling business was discontinued ((in 1956—four years before the death of Carl Ely)). Similarly, sale of coal eventually was discontinued and the business then concentrated on sale and delivery of fuel oil.

More than a decade ago the old ice house and office were razed, and a new facility was erected that included a garden center. Subsequently, the senior Elys purchased two homes and lots adjacent to their business and the Kroger store, remodeled and enlarged the sales and parking facilities.

Born June 25, 1912 in Farmington, Mr. Ely was a 1931 graduate of Northville High School. He attended Michigan State University until 1933—a depression year—

when he returned to assist his father.

A radio and radar veteran, he served in the Navy during World War II aboard the USS Chenango aircraft carrier in the South Pacific.

He was secretary and treasurer of C.R. Ely & Sons, and a member of the First Presbyterian Church of Northville, Northville Lodge 186 F&M, and VFW Post 4012 of Northville.

His parents, Carl R. and Una Roberts Ely, preceded him in death.

Besides his wife, Erna, other survivors include three daughters, Mrs. Jacqueline Towne of Clayton, Michigan, Mrs. Susan Schreiber of Flint, Mrs. Sara Sugrue of Ft. Lauderdale, Florida; son Chips; a sister, Mrs. Ada Bloom of Northville; a brother, Charles; and 11 grandchildren.

Funeral services were conducted yesterday, (Wednesday) afternoon from the Casterline Funeral Home, with the Reverend Timothy Johnson of the First Presbyterian Church officiating

# School Fears Budget Cuts

Continued from Page One

five trustees to the college board. A one mill hike in the millage is also on the ballot.

Business Director Earl Busard explained that the school district is required to hold the election and will be reimbursed by the college.

Trustees Martin, Glenn Deibert and Andrew Orphan expressed objection to the recent circuit ruling requiring all members of the college to "serve at large."

Deibert noted he has "great objection to the method since, hands down, the larger districts could wipe the smaller ones out and elect all five posts."

Orphan said that when "Northville School District ceases to have a vote on the college board, then we should withdraw our support of the college if we legally can."

The superintendent was directed to look into the legality of the district withdrawing its support of the college in the event it had no voice on the board.

Trustees also went into a half hour "executive session" during Monday night's meeting at the request of the district's attorney to discuss progress to date on suing the contractors for the sinking gym floor at Cooke Junior High.

Following the session, board president Dr. Orlo

# OBITUARIES

**WILLIAM H. SYLVESTER**  
 A retired farmer, Mr. William H. Sylvester of 116 Randolph, died on June 30 in Saint Mary hospital. He was 80 years old.

The son of Frederick and Anna Thel Sylvester was born on August 26, 1890. During his life he worked as a farmer and also on a hospital maintenance crew. Mr. Sylvester never married.

Survivors include one sister, Mrs. Emma Eckerl, and one brother, John Sylvester of Dearborn.

Funeral services were held on July 2 at 2 p.m. in the Howe-Peterson Funeral Home in Dearborn. The Reverend Norman C. Schellhase of Saint Paul's American Lutheran Church in Dearborn officiated. Interment was in Northview Cemetery in Dearborn.

Funeral services were held Monday, July 12, in the Ross B. Northrop and Son Funeral home. The Reverend Arnold H. Jahn of the Ascension Lutheran Church officiated. Burial was in Glen Eden Cemetery in Livonia.

**FREDA ANN KRESIN**  
 Funeral services will be held today, Thursday, for Freda Ann Kresin of 28000 Dixon Road in Novi who died Monday, July 12, in Ford Hospital at the age of 89. She had been ill for the past two years.

Services will begin at 11 a.m. in the Casterline Funeral Home where the Reverend Timothy Johnson of the First Presbyterian Church will officiate. Burial will be in Grand Lawn Cemetery, Detroit.

Born July 15, 1881, in Toledo, Ohio, Mrs. Kresin was the daughter of Andrew and Louise (Kimerlin) Maurer. A resident of Novi for the past seven years, she was a member of Calvary Presbyterian Church in Detroit.

Her husband, William A. Kresin, preceded her in death.

Surviving are two daughters, Mrs. Gertrude Race of Novi, Mrs. Mildred Gallagher of Detroit, 12 grandchildren and 15 great grandchildren.

**DON E. HEICHMAN**  
 Don E. Heichman of 14246 Blackborn in Livonia died suddenly on July 8 in Wayne County General Hospital. He was 59 years old.

Although he had lived for many years in Livonia, Mr. Heichman was well known to Northville residents for having worked here in his father, Elmer Heichman's sand and gravel business.

He was born on July 25, 1920, in Detroit to Elmer and Irene Beardsley Heichman. Heichman was general manager of the Hayball Trucking Company. An active member of the community, he was a member of the Farmington Lodge, Plymouth Elks Club and the Aggregate Carrier Association, of which he was past vice president.

Survivors include his wife, Marian, and three children, Greg, Cheryl, and Jeffrey. He had two sisters, Mrs. Thomas Houghton and Mrs. George Eberle.

**ILA O. BAGGETT**  
 A former Northville resident, Mrs. Ila Osborne Baggett of Springfield, Tennessee, died on July 6 at the Jesse Holman Jones Hospital in Springfield. She was 79 years old.

A native of Robertson County, Mrs. Baggett was the daughter of Ollie and Lula Hudson Osborne. She was a member of the Bethlehem Baptist Church.

Mrs. Baggett was the widow of the late Mr. V. E. Baggett who died 16 years ago. Survivors include three sons, Oliver L., Delbert E. and Othel (Bim) Baggett of Northville. She had one daughter, Mrs. Bob Dowlen of Springfield, Tennessee. Other survivors are two sisters, Mrs. Carlton Jones of White House and Mrs. Travis Jones of Hendersonville, Tennessee. She had 13 grandchildren and four great-grandchildren.

Funeral arrangements were made by the Associated Funeral Home in Springfield, and burial was at Bethlehem Baptist Church Cemetery.

# State Police Arrest 31,173

Michigan State Police officers made 31,173 arrests in May, 27,876 for traffic and motor vehicle offenses and 3,297 on criminal offenses, according to the department's monthly activity report.

In addition, 988 juvenile traffic offenders were arrested and 1,023 delinquent minors apprehended.

Troopers assisted 5,903 motorists, investigated 11,719 cars, issued 45,912 oral warnings to drivers, and made 22,057 property and 2,510 liquor inspections.

Department vehicles traveled 2,300,741 miles, of which 1,173,901 were on traffic patrol and the remainder of 1,126,840 to investigate criminal and other complaints.

In accordance with the implied consent law, breath tests for suspected drunk driving were administered by state county and local officers to 2,105 drivers. There were 1,727 ratings of intoxication, 283 of impaired driving, and 95 indicating little or no intoxicant effect.

There were 473 test refusals.

The identification section received 20,658 sets of fingerprints, of which 12,740 were criminal and 7,918 noncriminal. One wanted person was identified.

Of 2,192 applicants for permits to carry concealed weapons, 155 were identified with criminal records through their fingerprints.

 The Probate Court for the County of Oakland  
 Estate of Mary E. Kay, Deceased  
 It is ordered that on September 14, 1971 at 9 a.m. in the Probate Courtroom Pontiac, Michigan a hearing be held at which all creditors of said estate are required to prove their claims and on or before such hearing file their claims, in writing and under oath, with this Court and serve a copy upon Donald B. Severance, Administrator, 392 Fairbrook Ct., Northville, Michigan 48167.

Publishing and service shall be made as provided by Statute and Court Rule Dated June 29, 1971

Donald E. Adams  
 Judge of Probate  
 Donald B. Severance

CERTIFICATION  
 I William M. Travis, Register of the said Probate Court, do hereby Certify that I have compared the foregoing copy with the original record thereof, now remaining in this office, and have found the same to be a correct transcript thereof, and the whole of such original record.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the Seal of the Probate Court at Pontiac, this 30th day of June A. D. 1971.

William M. Travis  
 Register of Probate Court  
 Oakland County, Michigan

# Scientists Study Corn

Efforts to improve Michigan's corn crop are under way, according to Duane Girbach, Livingston County extension director.

Girbach said that Michigan State scientists are in a mad race against time to come up with varieties resistant to southern corn leaf blight (SCLB).

MSU corn breeders have found good sources for resistance to yellow leaf blight which looks almost the same as SCLB, Girbach said.

The University of Michigan and MSU are teaming up to fight blight by using remote sensing—like infrared aerial photography, reports Girbach.

Turtle Streaks Across Finish Line

### Turtle Style

# It's Big Day for Racing

The thing to have in Northville Tuesday was a turtle—a fast one, or the smallest one, or the best decorated or the most originally decorated one.

It was the day of the annual recreation department turtle races and speedsters in classes small, medium and large competed to the vocal encouragement of their youthful owners.

Michelle Busch, Gretchen Johnson, Paul Rigby, Thayer McMullen, Jeff Klaserner and Patrick Clegg were winning owners while Theresa Folino, and Scott Harrington were winners in a run-off race.

The largest and second largest turtle belonged to Patrick Clegg while third place entry was Kevin Busch's.

Smallest turtles belonged to Jim and Jeff Klaserner and Brian Prom.

John Starcevic, Theresa Folino, Bart Orban and George Rigby owned the best decorated entry while the most original honor went to Jeff Klaserner with brother Jim, Don and Rick Lancaster, and Lesley Koenig the runners-up.

YOUNGSTERS MOVE IN CLOSE FOR LOOK AT THE ENTRIES

## In Slo-Pitch Tourney

# Redford Takes Title

Copper Mug, eastern division leader in the Walled Lake Industrial Men's Softball league, finished third last weekend in slo-pitch tournament competition sponsored by the Walled Lake Community Schools.

The tournament, first of an annual affair, according to Walled Lake officials, hosted more than 30 teams from an area surrounded by Milford, Pontiac, Ferndale and Redford Township.

Redford's Seven-Up took first place while Rinaldo's, also from Redford, came in second.

The Muggers finished off Winner's Circle Hotel of Northville, 12-6, in their first game then waded through Pontiac's Jerome Cadillac, 9-

## Pairings Set For Golf Classic

Twenty-seven Northville area golfers will match strokes at Salem Hills Friday morning in the first annual Northville Recreation Department Men's Open.

A ladies' tourney, originally scheduled a week later, was cancelled due to lack of entries.

Recreation Director Bob Prom points out that all golfers, regardless of skill, will have an opportunity to win one of the many prizes.

In addition to low gross score, "figured" without "atty"

handicap, there will also be prizes for best net scores as determined by the Callaway handicap system.

Several added attractions on the course will provide more opportunities for prizes, such as a closest-to-the-pin contest, longest drive, and fewest strokes on two or three selected holes.

Starting times reserved at Salem Hills for the Northville tourney run from 9:33 a.m. through 10:15.

Times and pairings are as follows:

9:33	9:40
Brian Ehrle	Vern Lavassar
Lane Ritter	Phelps Hines
Paul Mack	John E Long
Joe Rajajul	Al Jones
9:47	9:54
Ben Dugud	Dayton Deal
Robert Honecker	Donald Van Ingen
Bill Sliger	Jack Murtha
Jack Hoffman	William Pink
10:01	10:08
Keith D Mueller	Paul Vandenberg
Robert Cook	Ross Totten
James Penrod	Robert E Prom
Carl Stephens	
10:15	
Stanley Johnston	Douglas Edwards
Wallace Nichols	Orson S Atchinson

PRODDING A SLOW STARTER

## Lose Grip on First

# Bad Day for Braves

Northville's Casterline Braves had a bad day last week Tuesday.

They lost their grip on a first place tie and a flawless record all in one ill-fated, 9-0, shut-out at the hands of Plymouth One in Class "F" Little League competition.

and Jim LaPlante paced the Braves.

## Novi Offers 'Gala' Space

Game booths and display space for Novi's Gala Days slated for August 20-22 can now be rented from Novi Jaycees.

"Game booths and display areas will be constructed by the Jaycees and will be ready for organizations and businessmen to come in and run them," Tom Marcus, game booth chairman, said.

To reserve a booth for Gala Days, groups should contact Marcus at 474-2122 or 349-7540.

and Dave Wilson who sparked the Braves as LaPlante gave up only three hits from the mound and shared a back-to-back double combination with Wilson.

The remainder of the league shaped up like this:

CLASS "F"	W	L
Plymouth One	7	0
Casterline Braves	6	1
Clark Station	4	2
Anger Manufacturing	3	3
Northville F.O. Eagles	2	3
Plymouth Four	2	3
Plymouth 3	2	4
Plymouth Two	2	5
W.C.C.D.C.	0	7

## Tennis Winners Receive Trophies

Winners in the July 4th adult tennis tournament received trophies Sunday, following play-offs in Cass Benton Park. The play-offs had been rescheduled from July 5 due to rain.

Donna Boshoven, tournament organizer, presented trophies to the winning teams. They are June Ehrle and Lennis Horst, women's doubles; Lennis Horst and Bob Koessler, mixed doubles; and Cliff Bunker and Bob Boshoven, men's doubles.

Final game in the men's

0, but were stopped, 22-2, by Rinaldo's.

A second game with Winner's Circle saw the Mug on top 9-6, Mug then defeated Oxbow Lake's Reel-Inn, 8-3, but dropped a second contest with Rinaldo's to drop, into third place.

Besides its two losses to Copper Mug, the second one of which knocked it out of the running, Winners Circle picked up victories from O'Neil Realty of Waterford, 2-1, Southfield Police, 14-4, and the Milford Merchants, 17-11.

Northville Lumber, undefeated in local action, was knocked out of the running after dropping two straight to Reel-Inn, 8-4, and Waterford's Hall mark Reality, 13-9.

Another local squad that fell in the first two contests was the Walled Lake Oldtimers, Clark Station, leaders in the western division of the Walled Lake Industrial Men's league.

The Oldtimers lost to Seven-Up, 7-6, and Jerome Cadillac, 9-0.

doubles, which saw Boshoven and Bunker pitted against Hal Axtell and Tom Fisher, was forfeited when Fisher broke his ankle.

Response to the tournament was so successful that another is slated later this summer, tentatively on Labor Day, according to Mrs. Halton Axtell, a spokesman for the group. Organizers hope to include both singles and double in the next tournament.

## Fast Pace At Downs

Northville Downs continues to enjoy its best season ever both in attendance and mutual handle.

The record betting isn't hurting the city of Northville's tax coffers, either.

Through last Saturday, the 15th night of the 35-night summer season, 85,190 fans had wagered \$6,211,499.

That's an average nightly handle of \$414,099, up 8.3 percent over last summer's \$382,221 pace.

Attendance is up a whopping 9.4 percent over last year when 77,903 fans attended the first 15 nights of the season.

The big betting at the Downs is good news to the city, too. It receives 20 percent of the state's share of the mutual handle in tax rebates. To the city this amounts to one percent of the total mutual handle plus half the breakage (the odd pennies collected in bet pay-offs.).

At the current rate the city of Northville is collecting some \$4,400 nightly, or a total of \$154,000 for the 35-night meet.

## 196 Drown In Michigan

Michigan has had a reported 196 water accidents in the first half of this year which killed 88 persons and injured 96 others, State Police provisional figures showed.

Compared with the same period last year, deaths were down by 21, accidents by 33 while injuries were up by 16.

## Car Wash Set Here Saturday

Members of Northville's junior class will hold a car wash Saturday, July 17, in the Presbyterian Church parking lot, 200 East Main Street.

The juniors will wash cars between 10 a.m. and 5 p.m. Proceeds will go toward class projects. Cost of a car wash is \$1.

## Rec Sets Zoo Trip for Kids

Hey kids! Want to go to the zoo?

If so, you'd better hurry according to Northville Recreation Director Robert Prom, who said this week that the deadline for registration in the department's last zoo trip is coming up.

"Our final trip to the Detroit Zoological Park will be Wednesday, July 28," Prom said. "A \$50 fee will be charged for the chimpanzee show and a train ride."

Prom also noted that the last nature hike of the summer is scheduled for Wednesday, July 21. "Supervised group hikes will be held in Kensington Park," he said.

Prom urged that those interested in either of these events to call 349-0203 or come to the Scout Recreation Building on Cady Street to register. "Residents should hurry," Prom said, "as both

activities are limited."

In other recreation news, Prom reported that Northville's junior track and field program, held Monday and Wednesday from 6:30 to 8:30 p.m. and on Saturday mornings from 9 to 11 a.m., needs more participants.

"We need runners, choppers, jumpers and softball throwers," said Prom, "and if we don't get them, we'll never qualify for the Metropolitan Junior Olympics coming up in August."

Prom also noted that Tadpole swimming lessons (for ages four to seven) have been filled with no foreseeable rescheduling.

Dear friends,

When is a funeral well conducted? We would say that when those in attendance are not conscious that it is being conducted at all. When the details of direction are unnoticed, when the program moves quietly and smoothly. We try always to make our own presence as inconspicuous as possible.

Respectfully,

*Charles Ebert*

### Still Leads Slo-Pitch League

# It's Northville Lumber, 27-2!

## Sports

CLOSE—You win some and some you lose as Novi Detectives Richard Faulkner (below crossing first base) and Jack Grubb (above trying for an out at third) can no doubt testify. The occasion Friday night was the first annual softball game between the Novi police and fire departments. The firemen won, thanks partly to the fielding of first baseman Dave Bumann (below) and the running-bating ability of Gil Van Sickle (above) but the policemen aren't admitting the score. Firemen say it was 11-6, Policemen say it wasn't that had nobody really seems to remember.

Northville Lumber was unflinching last week as it bombed Novi Inn 27-2 to remain undefeated at the top of Northville's Men's Slo-pitch action.

MEN'S SLO-PITCH SOFTBALL

STANDINGS	
Northville Lumber	11 0
Wanner's Circle	10 1
Northville Downs	9 3
Plymouth State Home	7 3
Northville Drug-Casterline	7 3
South Lyon Jaycees	7 2
Greenridge-Palace-Gamble's	6 4
Novi Inn	6 6
V.F.W. Post 4012	4 7
O.L.V. Men's Club	3 7
Exotic Rubber & Plastics	3 8
Northville Jaycees	2 8
Ford Valve Plant	2 8
New comer's Club	2 9
St. Clair Advertising	1 10

Other action came Tuesday, Wednesday and Thursday of last week. It shaped up as follows:

**THURSDAY, JULY 8, 1971**  
Sixth ranked Green Ridge-Palace-Gambles took advantage of costly South Lyon Jaycee fielding errors in working a 12-6 defeat over the fifth ranked nine.

Green Ridge hurler Joe Kluesner erupted for a triple, a pair of doubles and a pair of singles.

Northville Down shortstop, Mike Zayti, blasted a homer in the first inning of a 16-6 victory over Ford Valve Plant.

Downs batsmen had a field day scoring runs in every inning.

**WEDNESDAY, JULY 7, 1971**  
Exotic Rubber and Plastic whipped St. Clair Advertising 16-4 as Joe Corcoran blasted a pair of homers and hurler Brad Cole blasted a homer and a pair of singles.

Bob Boshoven, Hal Axtell and Vern Brown paced Northville Drug Casterline as it dumped Northville Jaycees 17-10.

**TUESDAY, JULY 6, 1971**  
VFW 4012 exploded in the eighth inning for three runs and a 9-6 victory over Newcomers Club.

Last week, with a month left to play, the league looked like this:

## Walled Lake Leaders Bomb Rex Roto Twice

Copper Mug and Walled Lake Oldtimers retained a two-game lead on the Eastern and Western divisions of Walled Lake Industrial Men's Softball action last week, each bombing Rex Roto, 16-0, and 12-4, while the Oldtimers picked up a second game from Liberty Tool, 9-8.

Bill Denny went four-for-four as Walled Lake Building Maintenance bombed Bryant Computer Products, 11-1.

Bob slammed a homer, scored three runs himself and drove in three others while brother Ted also belted a homer, scored four runs and drove in six.

As of Friday, the league looked like this:

Wixom General Store upset Lake Optical, 22-21, and Michigan Building Components shut-out Williams Research, 7-0.

**TUESDAY, JULY 6**  
Lawson's Manufacturing upset Copper Mug in a 9-8, 10-inning squeaker.

Ken Koury and Al Olsen paced Michigan Building Components in a 17-13 rout of G.M. Carpet at Koury went five-for-five with a pair of doubles and Olsen went four-for-four.

EAST DIVISION		W	L
Copper Mug		20	2
Brandenberg Construction		19	3
Liberty Tool		14	8
Lawson's Manufacturing		14	8
Carpentry Engineering		10	12
Rex Roto		4	18
Williams Research		2	20

Oldtimer Dave Burt sparked the first Roto defeat as he blasted three doubles, picking up four hits in four trips to the plate last week Tuesday.

Liberty Toolmen Bob and Ted Sample supplied all but one run, in a 17-0 shut-out over Lake Optical.

Wixom General Store shut-out Williams Research, 7-0, while Carpentry Engineering upset Brandenberg Construction, 7-5.

WEST DIVISION		W	L
Walled Lake Building Oldtimers		15	7
Walled Lake Building Maintenance		13	9
Michigan Building Components		12	10
Wixom General Store		11	11
G.M. Carpet		6	16
Bryant Computer Products		6	16
Lake Optical		1	21

The Oldtimer nine picked up its second win of the week by squeaking past Liberty Tool 9-8 Wednesday. A second Burt, Barry this time, doubled in the bottom of the seventh to drive in the winning run.

That same day it was Copper Mug that handed Roto its second disaster, 16-0. Mugger Bob Faught banged out a pair of homers and six RBIs in a four-for-five tally that paced the victory.

The local squad finished its first round 3-3 and is 9-3 overall going into the third round this week.

John Morrison went to the mound against Redford Sunday and dealt nine strikeouts, holding Redford to one run, three hits and two walks.

**THURSDAY, JULY 8**  
Walled Lake Building Maintenance outdistanced Carpentry Engineering, 8-3, as Paul Snapp and Harold Wood each ripped three run homers in the seventh inning.

**WEDNESDAY, JULY 7**  
Brandenberg Construction whipped Lawson's Manufacturing, 8-4, as Rich Ward clouted a homer for Brandenberg.

Redford tied it up in the next inning when Morrison gave up a walk, a single, and allowed a stolen base.

In the seventh Rick LaRue stroked a single and moved to third on Steve Utley's single.

Reef picked up a one run in the second as Dale Griffith scored from second on a single by Asher.

In the fifth Utley singled, driving in Moon and Evans in a bases loaded situation.

Three runs came across in the sixth to cap Reef scoring.

Bart Taylor and Asher scored in a bases loaded situation as the right fielder dropped Evan's fly ball.

Later Moon scored from third on a wild pitch.

Against Redford Friday Jeff Moon and Bernie Bach took the mound, each pitching three innings.

Moon took over with two on and one out in the fourth.

A double-play from Adams collected his ace last year on the 163-yard 15th hole at Fox Hills playing with the same group.

**THURSDAY, JULY 8**  
Walled Lake Building Maintenance outdistanced Carpentry Engineering, 8-3, as Paul Snapp and Harold Wood each ripped three run homers in the seventh inning.

Moon took over with two on and one out in the fourth.

A double-play from Adams collected his ace last year on the 163-yard 15th hole at Fox Hills playing with the same group.

## Blazers Fall, 10-7 To Pumas

Northville Township Pumas sweetened a perfect record (four victories) last week as they defeated Fire Department Blazers, 10-7, to maintain a one-game lead in Northville's Knothole Softball League.

The Pumas worked 14 hits off Blazer hurler Don Horst as they came from behind in the fifth inning with a five run rally that iced the victory.

In other action last week: The Northville Hardware Colts picked up two victories, and second place with a 3-0 record.

Russel Gans went to the mound for the Colts and worked a shut-out over the A&W Root Beer Cougars, 18-0, and a squeaker over the Casterline Lions, 4-3.

Gans gave up three hits in the Cougar game while his squad collected an even dozen.

The Lion squad nipped him for six hits while Colt bats pounded out 12.

Mike and Dave Ward paced the ill-fated Lion attack Mike with a pair of singles and Dave with a single-double-triple combination.

The third placed V.F.W Rams bombed Northville Drug Panthers, 15-5, collecting 21 hits to the Panthers seven.

Sixth ranked Northville Insurance Tigers worked a 17-5 upset over the fourth placed Blazers with the help of a three-run homer by Greg Barron.

Russ Horts belted a homer to pace the Blazers.

Northville Optimist Bears worked their way into a three-way tie for fifth by upsetting Choo-Choo Car Wash Chiefs, 5-4.

A&W Root Beer Cougars notched their first win in four starts over the Insurance Tigers, 10-2, to edge their way into a tie for sixth place.

The Northville Drug Panthers remained in the cellar, still looking for a win after three losses.

★★★

Action on Northville's softball diamonds shaped up like this for powder puff and class 'E' leagues last week:

CLASS "E"	
Vico	7 0
Bidwell Masonry	6 1
Phil's Pure	6 1
Bill's Market	5 1
A & W Rootbeer	4 3
Clark Station	4 4
Thunderford Inn	2 4
Daly's Drive Inn	3 6
Beglinger-Massey	1 6
W.C.C.D.	0 7
V.F.W.	0 7
POWDER PUFF	
Del's Shoes Phillies	3 0
Northville Recreation Bombers	3 1
Casterline Pirates	1 2
The Green Giants	1 2
V.F.W. Post No. 4012 Cobras	0 3

## Upset Pontiac, 4-3 Mackerers Win Three Games

Northville's Connie Mack nine notched three victories last week upsetting Red Holman Pontiac, 4-3, and defeating Bentley's Optimist Club, 3-2, and Garden City, 6-3.

## Mets, Athletics Tied for First

Thompson-Brown Mets and Township Police Athletics shared first place this week in Northville's Knothole Hardball action following the single victories in last week's competition.

The Athletics bombed cellar dwelling Northville Realty Astros in a 14-0 shut-out while the Mets blanked the John Mach Ford Yankees, 4-0.

John Wizzard took the mound for the Athletics in that Astro defeat while Carl Pawlowski claimed the Yankee victory for the Mets.

The Mets' Mark Hooth stroked a home run in the sixth inning of that contest.

The Casterline Indians exploded for two victories, over the Hyatt Construction Wolverines and the Optimist Pirates to grab a share of a four-way tie for third place with the Wolverines, Del's Shoes Twins and the B.F.W. Giants all with two victories for one loss.

Gary Collins and Randy Castile each laced a pair of singles to pace the Indians in that Wolverine game but bat muscle wasn't needed against the Pirates who dealt 14 walks to the Indian nine.

Despite their loss to the Indians, the Wolverines remained in the running for

## Exhibition's On Saturday

An exhibition double-header between Northville Lumber, leader of Northville's Slo Pitch League, and the 1970 Birmingham champions, Birmingham Orchard Lanes, is scheduled here Saturday evening at Ford Field.

"It should be an interesting brand of ball...one the fans will enjoy," said Lumber's coach, Bob Kucher, in announcing the exhibition.

"Birmingham won its title in 1970 and is currently leading its league this season."

Free to the public, the games will be played at 6:30 p.m. and 8 p.m.

In that Holman game, local bats drove in four runs in a first inning rally but were silent the rest of the evening.

Rod Crane led off the first inning with a double. Rick LaRue was safe at first on an attempted fielder's choice, and Steve Utley drove in Crane with another double.

Dale Griffith singled in LaRue and Utley and sped home himself as a grounder off the bat of Rick Asher was lost in shallow left field.

Holman bounced back, scoring one in the second and two in the third as Joe Bishop, Scott Evans and Jeff Moon worked the Reef mound.

Bishop started, allowed the two third-inning runs, and was replaced by Evans who twisted an ankle in the fifth and was lifted for Moon.

In the Optimist game last week Tuesday, the local nine loaded the bases in the third inning on two walks dealt to Tom Singer and Asher and a single by Moon.

A second single by David Coe drove in Singer.

Moon and Coe turned in back-to-back doubles in the fifth, Coe's driving home Moon.

Coe went to third on a wild pitch and came home on a squeeze bunt laid down by Rod Crane.

Evans went the distance Thursday against Garden City giving up three runs on six hits and firing nine strikeouts.

## for The Record

By BILL SLIGER

For a change of pace this week, bits and pieces gathered here and there.

But patchy as this column may appear, at least it's new...not a rerun like summertime TV, or "Top of the Deck", for example.

A glance at Jack W. Hoffman's effort elsewhere on this page will reveal that for the third straight week "T-O-T-D" is a reprint of an earlier offering.

His excuse for a three-week column break is a two-week vacation.

Which makes about as much sense as most of Hoffman's declarations.

For example, he could have written about his week in the Porcupine mountains in the Upper Peninsula with his sons, Jim and Joe.

Especially the start. How his wife had to call Hoffman's mother in Flint, where the trio stopped enroute north, to remind him he had forgotten the week's food supply.

And how he returned that day to Northville and stomped into the house without a word, grabbed the food, and stomped out again.

Or how he had to appeal to his sons, ages 13 and 10, to stop and rest on the three-mile trek from the car to the isolated cabin. And how he decided to leave all the food and excess baggage in the cabin rather than carry it back to the car at the week's end.

Or even how his youngsters caught all the big fish.

Or perhaps the reason he finally became disenchanted with roughing it and decided to pull out. It seems that "Grizzly", the monstrous family dog, wasn't accustomed to cabin life. Curious bears made it impossible to leave the dog outdoors overnight. Naturally, "Grizzly" found the confinement taxing to his "intestinal fortitude".

Anyway, upon his return Hoffman announced to wife, Joan, "next time you can come along".

"See, he missed you", I told her.

Her reply will go unreported. Smart girl, Joan.

\*\*\*

Paul Bosco of B-V Construction will be recognized for his contribution to Novi recreation July 20 when the ball fields at Beck and Eleven Mile roads officially become

the "Paul Bosco Field" at special dedication ceremonies.

Bosco donated the use of the land for recreation purposes to the community.

\*\*\*

Novi officials will huddle this week with representatives of Shopping Centers, Inc., over the future development of land at Novi and Twelve Mile roads.

SCI, which has owned the land for several years, develops shopping centers for Hudson's.

\*\*\*

One of the toughest assignments for any citizen volunteering services to the community is the board of appeals.

The body is established solely to hear requests for variances to ordinances. By its design the board of appeals serves a public that has a grievance and is seeking relief.

If the letter of the law were always to prevail, there would be no board of appeals.

Conversely, if laws are not to be enforced, why have laws?

These two attitudes are evident at board of appeals' hearings.

Board of appeals' members and petitioners come together on a "middle ground" where the former attempts to hold fast to the ordinances created to protect the public at large, and the latter sets out to prove that an unnecessary hardship has been created in a specific instance and that granting a variance will correct the situation and not harm the public.

The ground rules are tough on the petitioner. He must gain six of nine votes in the city of Northville, for example, to win variance approval.

Only seven members were present at a recent hearing and the petitioner lost despite a 5-2 favorable vote.

The incident caused one board member to grumble that he was "ready to quit if attendance doesn't improve".

By their very nature board of appeals' hearings are argumentative; they are born of disagreement.

Nevertheless, petitioners are entitled to expect board members to be attentive, objective and polite.

They should also understand that they are seeking an exception to the rule...and the odds are against them.

William Steele

### Bonafide

We cannot deny the existence of the following phenomena—seeing into the future, reading another's thought, objects propelling themselves through space. People experience telepathy, clairvoyance, and psychokinesis. Arthur Godfrey tells about the dream of his father calling him at the precise moment his father died. He cannot explain, but only verify the phenomena. Doctors Rhine and Esterbrook, Jess Stearn and Kreskin are only a few people on the endless list of respected professionals in this field.

I believe all people have the potential of being extra sensitive. Daily, I help them develop greater sensitivity and awareness of others. They learn to tune into the thoughts of others. This sensitivity is common between husband and wife who often have the same dreams or thoughts at the same time.

Can E S P be tested? Yes, there are professionally reliable, scientific methods to evaluate your E S P powers. Can you develop these powers? Yes, extra sensitivity can be developed and for some, conditions can be created for intensive psychic power. The mind's power is beyond amazement. You can do far more than you think possible. Whatever one man can dream of doing, another man can do it.

William Steele  
Certified Instructor  
Mind Power, Incorporated.

### Speaking for Myself

## Extra Sensory Perception?

### Baloney

A pinch of imagination, a handful of gullibility, a shaker of the mystical, a ton of good hindsight and what do you have?

Right on. Extra sensory perception.

Jane gets a phone call. Her best friend slipped on a discarded bottle cap, landed on her clavicle and now she has to take it easy for two weeks.

"You're not going to believe this," says Jane, "but I had a dream last night about Ethel and in the dream she tripped on a discarded bottle cap. These things are sure eerie."

Paul the Prognosticator, soothsayer and know-it-all is in town. Onto the stage he comes and guesses the name, age and measurements of the little lass in the back row, with his eyes blindfolded no less.

Peter Hurkos. Now you explain what he's accomplished. He can put his hands on things to get "the feel" and tell you what's inside an envelope—most of the time. Maybe 50 percent of the time.

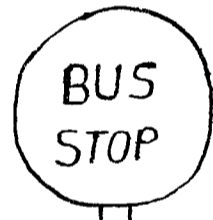

Extra Sensory perception? You bet.

Phil Jerome  
Northville Resident

Phil Jerome

## Extra Sen-Sorry!

### Readers Speak

## Asks Path For Bikes

To the Editor:

As a concerned citizen of our town, I am writing this letter to motorists of Northville who lose their cool over kids on bikes.

I'm an avid biker myself and I wonder...where are we to ride our bikes safely? If we ride on sidewalks, we run down pedestrians; and if we ride in the streets, we get run down by people in cars (complete with the usual horn-honking and fist-shaking)!

True, some of us bicycle riders occasionally don't watch where we're going. But I think motorists should consider our plight and be a little more patient with us.

Since most road shoulders are rough and narrow, and since some roads here don't even have shoulders, I think this is what Northville really needs—bike-walks, which are paved paths designed only for bikes. Then all bikers would be safer and could enjoy the pleasures of good exercise, as well as doing a favor for our polluted air.

So motorists, next time you see bikers like myself (and my parents, of course) riding in the streets, think about what I've said. Don't give a confused kid a rough time.

Thanks  
Paula Dyke  
14-year-old biker

## Youth Explains Theme of Float

To the Editor:

St. Paul's Lutheran Church Walther League is pleased and thankful for having the opportunity to enter our float in the J.C.'s July 4th parade, and we would like to explain what our float, "Blessed to Serve," symbolizes.

The orb, sphere with mounted cross, is the symbol which represents the whole Christian Church. To this we added St. Paul's symbol, sword with mounted bible, to denote our church in the world, we chose Saint Paul's symbol not only because of our church's

name, but also because of his importance to the Christian Church. Saint Paul felt especially blessed in serving God, and so we put his symbol with the orb to represent our willingness to serve God in the world as he did.

Our first place finish in the parade was a pleasant surprise to help us celebrate our 75th anniversary year.

Yours truly,  
Laura J. Kriss  
President  
St. Paul's Lutheran Church  
Walther League

### Top of the Deck

## Kids Take 'College Prep Course' At Home

NOTE—Following is a reprint of a column by the writer published in March, 1969.

By JACK W. HOFFMAN

Someone once said we live in a broken world—and I've a hunch the guy who made that astute observation had just toured our house.

Where else could he have seen the wreck of the Hesperus, the Roman fiddler, the Detroit riot, and the devastation of Hiroshima all within the confines of four walls.

And certainly nowhere could he find so many battlefield alibies, excuses and "I didn't do it's."

Despite my wife's holier than

thou attitude, I'm convinced our kids are training for the day when they invade some college campus. They know more about tearing up things than the collegians in Toronto. Unfortunately, their special college-prep course is making a shambles of our house.

All of this wouldn't be so bad if our kids' father were a peacemaker or a fixiteer. But he no sooner botches up one repair job when something else turns up wounded.

The leg of our rocker has been severed so many times it's got a 45-degree list on calm days. I'd pitch it out but it's the only chair we own that puts the occupant on the same angle as the television set. Without it, Hoss Cartright insists on riding

uphill.

Anything with hinges hasn't got a chance. Our kids long ago discovered the ancient physics axiom that, with a liberal amount of pressure and an adequate fulcrum, doors can be made to open inward and outward. The doors on our antique commode are so shell-shocked they fall flat when the door bell rings.

Mirrors have been shattered so often the whole family's been hexed, and even our grandchildren can look forward to a lifetime of bad luck.

And our kids are continually experimenting with new methods of property torture. Two weeks ago I found a pencil impaled in the plastic cover of our thermostat control

switch. Now, winter or summer, we can expect a constant temperature—a balmy 95 degrees.

I grilled them about that pencil but failed to come up with the spearman. "Maybe a burglar did it," suggested our next to youngest. "How about the dog?" another innocent asked.

Poor dog—she's been accused of everything from punching holes in my fishing waders to sawing off a table leg. I'm the only father around who dusts for finger AND paw prints.

There's no sense appealing to their mother; she's a brilliant defense counsel—so persuasive she can make a burned pot roast taste

like a bloody steak. When it comes to defending her children she can find more loopholes than Houdini at the height of his career.

Her most effective argument is, "You weren't so innocent when you were a kid." By the time she's finished I'm confessing to crimes committed while I was in diapers. My own mother has heard so many admissions in recent years she's thinking of setting up a pay-as-you-enter confessional in her living room.

So there you have it. The "broken world" may be only a figure of speech but give my kids a saw, a hammer and a couple of minutes and they'll show you how to unwrinkle the Rockies.

## Out of THE PAST

**ONE YEAR AGO . . .**  
As the Northville Board of Education began the new fiscal year, books being audited for 1969-70 showed a two to three per cent surplus. An unexpended \$6,000 will allow balancing the carryover deficit of about \$6,000.

Highest priority was placed on the acquisition of some 240 acres of Maybury Sanatorium property by the council-appointed committee on parks, open space and recreation. Although no action was taken the council praised the study and the committee headed up by John Canterbury for its work.

An Anti-Year Round school committee has been formed in Northville and is urging other citizens to join. A new business featuring a full line of fresh fruit and Michigan garden produce opened at Ely Garden Center. Operated by Steve Carey from Miami, Florida, the market specialized in sweet corn "picked the morning we sell it."

Voting in secret ballot Monday night, the Novi City Council unanimously elected Louis Campbell to fill the seventh council seat left vacant when William Duey resigned to run unsuccessfully for Mayor.

**FIVE YEARS AGO . . .**  
In an effort to spark greater esprit de corps and stimulate fresh educational ideas within the school district, Board President Wilfred Becker challenged the board with the idea of a 12 month school system. He also urged changes in curriculum and scheduling for more individual instruction.

David Longridge, Northville high school coach for the past five years, was appointed athletic director this week by the superintendent of schools.

The city's program to improve Randolph street was delayed by a laborers strike. And failure to negotiate purchase of property at the west end of Randolph left the improved street with a sharper curve than had been originally designed.

Building activity jumped by nearly \$1 million in the city and township of Northville during the first six months of this year, officials reported.

Arthur Heslip was elected president of the Novi board of education. He succeeded William MacDermaid, who remained as trustee. Other new officers of the five member board included Russell Taylor, secretary, and newly elected Trustee Bruce Simmons, treasurer.

**TEN YEARS AGO . . .**  
A rezoning request to permit construction of a shopping center just outside Northville's city limits was denied by the Novi village council by a 3-2 vote.

The planning board had approved commercial zoning for the 24-acre site on Novi road near Eight Mile road at a June 30 hearing.

Sale of Johnson's Jewelry and Gift Shop, 124 East Main Street, to Robert Stewart of Livonia was announced.

Northville's high school concert band, under the direction of Robert Williams, presented the first of a series of four weekly "concerts in the park."

The two-year struggle of Northville's Community General hospital to survive a seemingly endless series of setbacks was lost.

Directors admitted that the hospital was on the brink of bankruptcy. Unless emergency funds were immediately forthcoming - in the form of outright donations - a motion to stop admitting patients and begin bankruptcy proceedings was to be presented at the next meeting of the board of directors.

**FIFTEEN YEARS AGO . . .**  
If all goes well, Northville will have a city manager by October 1. This was what a study committee informed the city council, commenting that a city manager form of government was desirable.

The city council authorized two councilmen to negotiate for the purchase of two pieces of property for an alley and a municipal parking lot. The properties are located on East Dunlap street behind the A&P store and just south of the Methodist Church.

Frazer Staman, Novi township supervisor, announced at the board meeting that discussions with engineers were held recently on the feasibility of a \$500,000 sewage disposal plant to serve an estimated 15,000 people in the township. Although no action was taken, long range plans in the area are now being considered.

The Reverend John Wittstock assumed pastor duties June 22 at the Our Lady of Victory parish, replacing the Reverend Anthony J. Heraty who is going to Hazel Park.

June report of the Northville police department showed a decline in almost every category of crime. Total collections for the first six months were \$724, which was \$24 less than a year ago at the same time.

**TWENTY FIVE YEARS AGO**  
Some 2,000 fans witnessed the greatest golf they had seen for a while. Byron Nelson shot a sizzling 34-29-63, eight under par, at Meadowbrook in the Detroit District competition.

Arthur J. Maleske, D.D.S., resumed his practice on Main street after two years in the Navy.

JAYCEE GAZEBO FOR SALE

## St. Paul Paper Drive Gets Good Support

Community response has been better than expected in Auction Set By Jaycees

To raise money for community drug programs the Northville Jaycees will hold a house-hold auction on Saturday, July 31—the same day as Northville's sidewalk sales.

The auction will be held in the city park behind the police station, with Jaycees acting as auctioneers. Proceeds will be given to DARTE (Drug Abuse Reduction Through Education) and other local drug agencies. Anyone with items to donate to the auction is asked to leave them at 355 Orchard Drive. Call 349-4170 for pick-up.

the summer newspaper drive, sponsored by St. Paul's Lutheran School. "We're getting more and more support from the community at large - outside the church," officials report.

The drive is held every Monday from 6-8 p.m. at 560 South Main, at the Northville Record Printing office. Proceeds will be used by the Parent-Teacher League to purchase new equipment for the school.

The drive will continue throughout the summer.

**WORTH A MILLION?**

This suit was less, but a lawsuit might not be. It could easily be \$10-\$20,000 over your insurance limits . . . and this could be costly. Unless you have Aetna's SCOPE, the million dollar, peace of mind, policy.

## Jaycees Offer Float Gazebo on the Block

Anybody looking for a gazebo? That's right, a gazebo. The Northville Jaycees have one—the third place winning float in the Fourth of July parade—and they plan to sell it to raise money for the Plymouth State Home & Training School.

The gazebo, replica of the once popular garden and lawn shelters of years past, was built by the Jaycees especially for the parade and used to carry the Plymouth State Home Band, a group of blind patients, as a float.

Now the Jaycees are putting it up for sale, with all proceeds going to the State Home for the benefit of patients there.

In cooperation with Plymouth State Home

through Peter Schweitzer, the institution's community relations director, the Jaycees are taking bids now on the gazebo. Sealed bids, which may be sent to Dennis Dildy, Jaycee float chairman, at 355 Orchard Drive, will be opened on the first day of the upcoming sidewalk sale here on July 30.

Bids are starting at \$175. The gazebo will be used by the Jaycees as its sidewalk sale auction headquarters and

then delivered to the high bidder—provided it's within a 15 mile radius of Northville. Northville Lumber donated lumber for the gazebo and D & D Floor Covering donated the indoor-outdoor covering. Eight Jaycees spent nearly 25 hours constructing it.

The Jaycees' 1969 replica of the Northville historic well is serving as a backyard picnic shelter, and their 1970 replica of a steam boat is a backyard children's playboat.

## Teachers

Continued from Page One  
the steps more equal." Jones explained the difference in salary between a second and third year teacher might be \$400 while the difference between a fifth and sixth year teacher might be \$750.

"There may be justification for a higher increase when a teacher goes on tenure," Jones said, "but any one year of experience shouldn't be more important than another."

The NEA negotiator said he feels "four or five days of hard negotiations could get some things settled and we can't go into mediation until we have made some progress."

Mechanics who service recent production cars must be familiar with emission control systems in order that clean air standards can be maintained.

In an effort to provide service personnel with a working knowledge of the latest smog reduction devices, a six-hour Auto Emission Control training session will be conducted at Schoolcraft College.

The program will present information about emission control equipment including purpose, maintenance, repair and diagnostic procedures for older cars as well as current production models. Each participant will receive a 1971 Reference Manual.

This workshop is provided as a community service to all interested automobile mechanics at no cost to the

individual.

The workshop will be held during the first three weeks in August, any Monday or Wednesday, Tuesday or Thursday during the same week from 7-10 p.m., in the Technical-Vocational Building. For further information, call 591-6400, extension 347- or 255. Deadline date for registration is July 16.

## Class to Battle Smog

# Important reminder for Michigan Bell Customers in Plymouth, Farmington, Northville and Livonia\*

Now you can dial person-to-person, collect, credit-card and bill-to-third-number long distance calls as easily as you dial other calls.

At 12:01 a.m. on Sunday, the 11th, Michigan Bell's most modern long distance service went on the line for you. So you can dial all kinds of long distance calls. Even from coin telephones.

### How to do it.

For person-to-person, collect, credit-card and bill-to-third-number long distance calls within your own 313 Area: Dial 0 plus the phone number you want to reach. Outside your 313 Area: Dial 0 plus the Area Code and the phone number.

In either case, an operator (assisted by high-speed computer) will intercept your call and ask, "May I help you?"

On a person-to-person call, simply tell the operator the name of the person you're calling.

For a collect call, just answer, "Collect . . ." and tell her your name.

On a credit-card call, give the operator your credit-card number.

For a bill-to-third-number call, all you do is say, "Bill to . . ." and tell her the Area Code and telephone number. While you're giving the operator the necessary information, your call is automatically being routed through. By the time you've done your part, the phone at the other end will already be ringing.

No change in the way you direct dial station-to-station. Within your 313 Area: Continue to Dial 1 plus the phone number you wish to reach. Outside your 313 Area: Dial 1, then the Area Code and the phone number.

No change in making emergency and assistance calls. Do as you've always done. Dial 0.

We're happy to bring you this fast, more convenient long distance service. If you have any questions about it, please call your local Michigan Bell Business Office. \*Except prefix 937.

# Blaze Destroys Barn, Grain Field

Firemen from three departments battled a wind-whipped blaze Tuesday morning which destroyed a barn and wheat field in Northville Township.

The fire, which was reported at 10:25 a.m., broke out in a barn used to store hay on the Glen Angell farm on Seven Mile near Napier Road.

Firemen speculate internal combustion caused the blaze.

Fire fighting teams from Northville, Salem Township and Plymouth Township were at the scene for more than two hours attempting to keep the fire from spreading to nearby fields and barns.

One barn on the Angell farm was saved and two barns on the Orlo G. Owen property west of the Angell farm were saved, though one was partially burned.

Neighbors rescued a pony that was grazing in the Angell's field when the fire started and it escaped with only a minor burn on its back.

Smoke from the fire could be seen for several miles and the fire department received dozens of calls reporting the fire, some as far away as Five Mile and Ridge Road.

Sparks blown by high winds started another fire in a barn on Ridge Road and Seven Mile, one mile east of the original blaze, on the Adelbert Schmitz, Jr. property. The fire was reported at 11:10 a.m. and extinguished by Northville firemen.

Firemen remained at the scene until shortly after noon to prevent the blaze from starting up again.

Seven Mile Road from Ridge to Napier was jammed with fire fighting equipment, spectators and refuse haulers returning from the dump at Six Mile and Napier Road. State police troopers were at the scene re-routing traffic around the fire.

No damage estimate from the fire was available and no injuries were reported.

Neighbors rescued a pony that was grazing in the Angell's field when the fire started and it escaped with only a minor burn on its back.

No damage estimate from the fire was available and no injuries were reported.

## Salem Man Arrested On Bribery

Angelo DiPonio of Salem Township, head of one of the nation's largest contracting firms, was arrested early this week on two counts of bribery and one of conspiracy to bribe.

The arrest grew out of a grand jury probe of alleged irregularities in the operation of the Oakland County Drain Commission.

Arraigned before Oakland County Circuit Court Judge Clark J. Adams, DiPonio, who lives on North Territorial Road, stood mute and was released on \$1,000 personal bond. No court date was set.

Previously arrested on charges of bribery and conflict of interest were Oakland's drain commissioner, Daniel Barry, and James Nichols, Barry's former chief aide.

Specifically, DiPonio, whose Greenfield Construction Company is centered in Livonia, is charged with giving Barry and Nichols interest free loans to purchase automobiles. These loans allegedly were made to "influence acts, decisions and judgements" involving the Hamlin Drain construction in Oakland County.

Bribery conviction carry maximum penalties of 10 years in prison and a \$5,000 fine.

FLAMES ENGULF FARM BUILDINGS

FIRE SPREADS TO WHEAT FIELD LOST IN BLAZE

## More Fires

Several fires have been reported in the South Lyon area the past week.

A train started several grass fires along the C&O tracks from Eight Mile Road to Silver Lake Road on Sunday. No major damage was done.

Children playing with matches started a grass fire in back of the South Lyon Methodist Church on Monday.

Tuesday a garage on University Street caught on fire probably due to electric wiring.

Crime Tops Priority List

Residents within the circulation area of the Northville Record-Novi News cited crime, education and pollution, in that order, as domestic priorities needing attention by Congress, according to the results of Congressman Jack McDonald's fifth annual questionnaire.

Novi and Northville residents also supported abolition of the draft, and the President's Vietnamization and withdrawal program in Southeast Asia.

Results of the entire 19th Congressional District were to be mailed to each family the first week in July.

Nearly one-third of the Northville Record-Novi News circulation area residents approved the current withdrawal program in Southeast Asia. Twenty-five percent favored a date certain for withdrawal, 24.5 percent favored immediate withdrawal, and 18.5 percent called for a military victory. On the draft question, 54 percent favored its abolition and the establishment of an all-volunteer army.

There was some opposition to the question of a pollution tax to aid in cleaning up the environment, with 59 percent of the people voting "no." The 18-21 age group supported the tax by 70 percent, the Congressman noted.

Most of the comments on this particular question alluded to making the polluters pay extra taxes. In the effort to clean up the air and water pollution there has not been enough publicity on the fact that solid waste

treatment in many cities and municipalities is inadequate, and therefore a major problem.

"My feeling on the matter is that if we are to improve our environment, everyone is going to have to get involved," McDonald said.

"Up to one-third of our pollution is caused by the generation of electric power, sewers and sewage treatment, garbage and trash disposal, and home heating," he explained.

"As the technology is developed and implemented to correct the debilitating effect of municipal pollution costs for each of the services will increase to pay for the improved facilities," he said. "The burden of cleaning the environment belongs to us all."

On the other portions of the questionnaire the residents:

-Supported the concept of a Consumer Protection Agency (81 per cent).

-Favored a National Health Program (53.5 per cent).

-Approved of McDonald's bill to halt all economic and military aid to foreign countries which fail to take appropriate steps to prevent narcotics from being produced or processed and shipped to the United States unlawfully (92 per cent).

-Supported the concept of a Federal sharing plan whereby Federal tax dollars would be returned to communities for use as they see fit (67 per cent).

-And favored reform of the present welfare system, emphasizing work incentives (99.5 per cent).

Give 'em Three Cheers!

THIRD PLACE -- Bringing a third place all-around team trophy, and a third place individual trophy back to Northville from camp All-American in Hartland's Walden Woods recently were Nancy Nirider (top) and (from left) Karen Glenn, individual winner Laurie Diebert, Robin Fox, Debbie Pickren and Lisa Armstrong.

Accident Victim Dies

Villegas Family Aided in Salem

With the death of Sylvester Villegas as a result of injuries suffered in a two-car collision in June, two Salem stores have established donation funds to aid his still hospitalized wife, Nora, and their two children.

Nagy's Market (Gotfredson and North Territorial Roads) and Edith's Market (Territorial at Pontiac Trail) have established the funds, it was announced at last week Tuesday's Salem Township Board meeting.

Nora Villegas is reported in satisfactory condition at Wayne County General Hospital. Sylvester, 35, died about two weeks ago. Sons Stanley (12) and Sidney (five) are out of the hospital and living with a grandfather. Dr. Paul J. Benson, driver of the other car in the June 14 North Territorial Road smashup, was killed in the collision. The St. Joseph Mercy Hospital staff physician was reportedly passing a slow-moving truck on a hill when his auto struck that of the Villegas family head on.

The board has ordered a second chloride application on township roads at a cost of about \$5,000. The first 1971 application was completed about six weeks ago.

A Mrs Harris requested that School Street be renamed Lewis Street in honor of the long and noteworthy history of the Lewis family in Salem. The board agreed unanimously to notify Washtenaw County to make this change.

Four signs have been ordered from the county road department to aid in enforcing a township ordinance requiring all trash hauling vehicles to be covered. Three signs will be posted at entrances to the township and the other will be situated within the landfill.

Louis Wallenmaier of Eight Mile Road (Lyon Township) requested the board to enforce a State Act requiring noxious weed destruction (provisions of the act are printed elsewhere in this issue). The board turned the matter over to its attorney, Ralph Cole, for study and recommendations.

Clerk Mrs Laura Verran requested that the supplies for the township and fire halls be purchased in quantity to save on the number of checks written for such items.

Fred Verran, township inspector, reported that the township landfill has "some shortcomings" which he is attempting to work out with them and that the storage shed on the old landfill site (Chubb Road) will be burned down. He said that work in completing the required leveling of the old site is progressing very slowly.

Mrs Wilfred Hammond questioned the status of the

Rogers property, asked about the Holloway purchase of a quarter section between Salem and Curtis Roads and the alley or easement status of a platted (100 years ago) alley behind the store along Six Mile Road angling back (northwest) to Dickerson

Another citizen request was for enforcement of the dog licensing law (reportedly there are over 600 unlicensed dogs in the township)

Traveling Youths Lauded Abroad

Richard Shank of 24620 Taft was among the 100 excited members of Musical Youth International who took part in the traditional July 6th memorial parade in Fredericia, Denmark. After the parade the young musicians gave a concert in the city park which was televised throughout Denmark.

Major Eric Anderson, Civil Defense officer from Hadersier, Denmark told the youngsters they were the best possible ambassadors of their country. The audience loved their music talent as evidenced by the requests for encore.

Major Anderson also commented on the favorable impressions the boys and girls were leaving with their hosts as a result of their home stays.

chorus and band had to repeat their closing number, Battle Hymn of the Republic, twice. The concert master told Mrs McCoy, executive director, that MYI could return any time

Visits to see Viking relics in northern Denmark, followed by an evening concert in the famous Tivoli Garden in Copenhagen, are next on the lists of events for MYI

Shank is touring with Musical Youth International. After returning to Canada, and appearing in Montreal, at the site of Expo '67, the youth will head for New York City and Washington, D.C. Their homecoming concert will be at Whiting Auditorium in Flint, August 1, 2 30 o.m.

Extend Grand Jury

The Honorable William J. Beer, Presiding Circuit Judge, announced today that the nine judges of the Oakland Circuit Bench have granted the petition of Thomas G. Plunkett, Prosecuting Attorney of Oakland County, by ordering a six month extension of the Oakland County Citizens Grand Jury.

Plunkett's petition had the support of State Police Director Colonel John R. Plants and local chiefs of police.

"I am gratified that the circuit bench has granted my petition for a continuation of the Grand Jury. We in law enforcement in Oakland County have been satisfied by our new experience with a Citizens Grand Jury that, when properly utilized, it can be and has been an effective institution in our efforts to uncover criminal activities of many kinds."

He added, "The Grand Jury has operated effectively in the areas of organized crime, public corruption, illegal drug traffic, and organized street

crime. The Grand Jury stands as a threat to all those in the County of Oakland who would attempt to hide their criminal conduct."

Plunkett concluded his statement by saying, "For those reasons, we are indebted to Judge Beer, to Judge Robert L. Templin who has presided over the Grand Jury, and to the other judges for their cooperation and their assistance to the law enforcement community in their continuation of the Grand Jury."

Issue Warning On Medicare

Robert A Kehoe, District Manager of the Social Security Office in Ann Arbor, has issued a warning to all beneficiaries, especially those over 65, that a pair of confidence men have been operating in the Ann Arbor-Ypsilanti area. At least two instances have been reported where the pair of men presented themselves at the door and identified themselves as Federal employees representing

Medicare. They told their victims that they had reviewed their files and that their Medicare coverage would lapse unless they paid amounts ranging from \$30 to \$100 on the spot.

If any other area residents have been called on by these confidence artists, or if anyone representing Medicare does call at your door, please report it to the Social Security Office promptly.

Summer Music Festival Features Three Groups

The second week of concerts of the Schoolcraft College Summer Music Festival features three outstanding visiting groups.

On Monday evening, July 19, clarinetist Gerard Errante and pianist Althea Waites will present a program of recent music in the Little Theatre of the Liberal Arts Building.

Dr. Errante is principal clarinetist of the Norfolk Symphony, professor of music at Norfolk State College and

clarinetist with the Norfolk Chamber Consort

Mrs Waites is professor of piano and theory at Norfolk State and also a member of the Norfolk Chamber Consort as well as conventional pieces for clarinet and piano, their recital will include electronic music and theatre pieces.

The second chamber recital of the series will be presented on Friday evening, July 23, by the nationally famous Tipton Trio. Albert Tipton, former principal flutist of the Detroit Symphony, Marry Norris, pianist, and Detroit Symphony cellist Mario DiFiore comprise this outstanding professional ensemble. Tipton and Norris will be coming from the Aspen Summer Festival Music

School where they both teach. DiFiore is on the faculty of the Schoolcraft Summer Music School. Their recital will comprise works of American composers, as well as by Rameau, Bach and Martinu.

The Kenneth Jewell Chorale will perform on the Festival's Court Series on Tuesday, July 20 in the Waterman Campus Center. Under the direction of Associate Conductor Eric Freudigman they will perform a festival of American choral music, concluding their program with Pinkham's Christmas Cantata for chorus and double brass choir.

Admission to all three concerts, which start at 8:30 p.m., is \$2 for adults and \$1 for students. The College is located on Haggerty Road between Six and Seven Mile Roads. Because of road construction, approach from the Seven Mile side is strongly advised.

U-M Cites Top Grads

Three area residents recently graduated with distinction from the University of Michigan.

The honor students are Mark Hesse, son of Mr. and Mrs. Claude Hesse of Nine Mile, Susan Yoder Hesse, daughter of Dr. and Mrs. Robert R. Yoder of 20189 East Whipple, and Kathy Erwin, daughter of Mr. and Mrs. Edward Erwin, formerly of Novi.

Alexander Robertus Todd, internationally known British scientist and winner of the 1957 Nobel Prize in chemistry, was the commencement speaker.

### State Park Nears Reality

# Approve Maybury Sale

Continued from Page One  
 "It's really a utopian concept."  
 If present preliminary plans are approved, the park would include the following:

- A large activities building in which meetings and games

space would be provided for senior citizens and others. This building also might include an indoor swimming pool, and it would provide supervised arts and crafts activities.

- A small "par 3 type golf

course" utilizing some 75 acres of the land in the southeast corner of the park. This course, said Milstein, would be for instructions on how to play golf.

- A "put and take" fishing pond, primarily for teaching youngsters how to fish. "It means we would be putting the fish into the pond and they would be taking them out," explained Milstein.

- Hiking and biking trails
- A "braille trail" for the blind

- A farm that would include common farm animals that many urban children seldom if ever see.

- Picnic areas
- Tennis and shuffle board courts
- A daycamp area.

- Possibly an overnight camping area—primarily, however, on an instructional basis to teach youngsters and their parents on how to camp.

Plans also suggest the bussing of children from Detroit's inner city to the park site. "But we don't see the

state as becoming involved with bussing but rather as encouraging it by organizations or the city—something like is now being done at Kensington (the intergovernmental county park near New Hudson).

Milstein said DNR planners have been meeting with road department agencies to "talk about" access routes to the park. The park site is bounded by Seven and Eight Mile roads, and by Beck and Napier roads on the east and west.

According to the DNR, the Maybury park size is "ideal." "Today our criterion is a minimum of 500 acres so you see Maybury fits right in."

Of the 76 other state parks, none is located in Wayne County—heaviest populated county in Michigan. Oakland County, however, has eight parks—the most concentrated in the state, said Milstein. Closest other state park is located in Livingston County's Green Oak Township, south of Kensington Park.

### Ray C. Paquin

# Former VFW Commander Dies

Ray Charles Paquin, 48-year-old past commander of Northville VFW Post 4012, died suddenly Wednesday,

RAY C. PAQUIN

July 7 at the University of Michigan Hospital.

Mr. Paquin, a resident of Livonia at 19378 Fitzgerald who served as commander of the Northville post for two years (1965-67), was hospitalized three weeks ago when a piece of food became lodged in his throat. Following surgery, infection set in causing his death.

As commander, he earned laurels for himself and the Northville post by winning All State honors for two straight years—an unusual accomplishment since most commanders serve but one year.

Following his tenure as commander, Mr. Paquin was named All American Commander—a distinguished status reserved for only top commanders of the more than 10,000 posts throughout the nation.

While serving here as commander, he was active in numerous post, district, state and national committees. Under his direction, the Northville post and several of its members also won

national plaudits for work with Cub Scouts, veterans benefit programs, and organizational projects.

Since serving as commander he was active in numerous post, district, state and national VFW committees. During the past year he served as chairman of the District Packages for Vietnam Committee, co-chairman of the District Pool League, quarter master of the State Pool League, and a member of the National Committee to Promote Life Membership.

He served on many post committees, including being captain of the Northville Post Pool Team which was runner-up to the state champions in both 1970 and 1971. He had just been elected to a term as quartermaster of his post, and he was a long-time member of the Building Committee.

Mr. Paquin, a plumber for the William McIver Plumbing & Heating Company of Southfield, also was a member of the Lloyd H. Green American Legion Post 147, and the Fraternal Order of Eagles Aerie 2504 of Northville.

Born February 10, 1923 in Belle Prairie, Minnesota, he was the son of Joseph and Cora Paquin. His wife, Doris, survives him.

Other survivors include four children, Mrs. William (Donna Rae) Geiermann of Livonia, Debbie, Denise and Ray at home; three sisters, Mrs. Leo (Iris) Bellefeuille of Little Falls, Minnesota, Mrs. Morris (Delphine) Dugas of Minneapolis, Minnesota, Mrs. Myron (Priscella) Wolford of Alexandria, Virginia; four brothers, Sherman of Detroit, Philip of Highland, Darrell of Tillamook, Oregon, Neal of Los Angeles, California; a half sister, Mrs. Irene Bisson of Little Falls, Minnesota; and two grandchildren.

Funeral services were conducted at the Casterline Funeral Home on Saturday, July 10, with the Reverend Fr. John Wyskiel of Our Lady of Victory Catholic Church officiating.

A memorial service was held the previous night at Casterline under the auspices of VFW Post 4012.

Burial was in the Veterans Section of Rural Hill Cemetery here.

EVANGELIST JIM SHAFFER WELCOMES VISITORS

# Tent Revival Exudes That Old-Time Religion

Give me that old-time religion, Give me that old-time religion, Give me that old-time religion; it's good enough for me.

It was good for our fathers, It was good for our fathers; It was good enough for me.

"We're going to have a good time with the Lord tonight," proclaimed Orville Johnston, as the old-fashioned tent revival got underway Sunday at McHattie Park in South Lyon.

It was the first night of a 14-night evangelistic stand in the rolling park, just off Pontiac Trail. Thirty people, young and old alike, sat expectantly on the portable wooden pews, grasping their song pamphlets.

Some wore long dresses in keeping with the theme, "That Old-Time Religion." There was a seven-piece band, an organ and a piano under the dimly-lit tent.

Mr. Johnston, assistant to Assembly of God Evangelist James V. Shaffer, began the revival with the song, "His Name is Wonderful," followed by "That Old-Time Religion," one of American's most popular revivalist spirituals.

As he launched into song and resonant tones came from the organ, the people responded with cries of Amen, Hallelujah, Jesus, Glory to Him and Praise be to God and rhythmic hand clapping.

Furtive glances and devotional expectation had given way to the glad response in the Glory of the Lord. The tent revival was clearly underway and it would reach an emotional and spiritual pitch before the night was out and the revival had ended about 160 minutes later.

It was good for our mothers, It was good for our mothers; It was good enough for me.

Mrs. Donald Zwiernikowski of South Lyon said she was a Catholic about three and one-half years ago. Now she is a member of the budding Assembly of God Church in South Lyon.

Why the change? According to Mrs. Zwiernikowski, she was unhappy with the materialistic ways other churches approached life. She wanted a church with a "more spiritual appeal" and a religion that "adhered closely to the Bible."

"How close you walk with the Lord," she said, "is the individual's choice" in her new-found religion. "Only through salvation can we be saved from sin on earth and spend eternity with the Lord in what we call Heaven."

"We're trying to build up faith," Mrs. Zwiernikowski stated, "rather than the church."

Quoting liberally from the Bible to substantiate her assertions, she said, "The Bible is what we go by. No matter what man says, the Bible is the word, the truth and the life."

To her, as to other fundamentalists, the Bible is the word of God. Miracles, such as Noah and his ark and Jonah and the whale, are not merely symbolic, they are demonstrations of God's power, real miracles brought about by God's omnipotence.

"We feel that music is a special talent given from the Lord," she explained. "It's part of our worship to the Lord." And she followed with scriptural quotes to illustrate the role of song in religion.

"Our faith is a happy religion, for the Bible says 'His yoke is easy, his burden light.'"

Asked whether it was the evangelist who heals, she countered with, "We look to the

Lord for our salvation, not to preachers or evangelists."

"If you don't accept the Lord as your saviour, you will be damned," she declared. A person who wishes to be saved has "to admit within himself he is a sinner."

It was good for Paul and Silas, It was good for Paul and Silas; It was good enough for me.

He had discarded his black, top hat. Yet the Reverend James V. Shaffer, the evangelist, who likes to be compared to Billy Graham, was dressed for the occasion.

He wore a pin-stripe, double-breasted suit, a white shirt striped with red and a rose tie with a jeweled pin.

As Brother Johnston, who was dressed similarly, opened the revival meeting and led the singing, Reverend Shaffer, with his black wavy hair and a ready smile, joined in the musical salute to God.

Testimonials to the healing power of the Lord were recited; an offering was taken; Brother Foot, caretaker at the Faholo Park, a church camp near Grass Lake, praised God for the constancy he provided in a troubled, changing world.

The Invaders Quartet, comprised of four young people, sang "I Found the Happy Side of Life" in the best upbeat style of Rogers and Hammerstein, the Reverend Shaffer's young son played a trombone solo and another young man, with a rock beat, played the piano and sang a song in tribute to God.

It makes you love ev'rybody, It makes you love ev'rybody; It makes you love ev'rybody; It's good enough for me.

The preliminaries over, Mr. Johnston then announced the impending talk of Reverend Shaffer with the pronouncement, "God works through this man."

Then came the evangelist and his lively sermon, "What Meaning is There in A Name?" And the man he was talking about was Jesus Christ. "That name means to me He's my saviour," said the preacher, "salvation in the name of Jesus Christ."

In stentorian tones, he praised the name of Jee-sus and proclaimed the power in the name. "Some one may come along and mock us," Reverend Shaffer shouted, "because we believe in the old-fashioned way. But there's power in the name of Jeeesus."

He laced his fervent sermon with anecdotes, drawing on them to make Jesus' power clear.

He told how God had revealed sinners to him during a revival meeting in Canada, how God had given him the word at one revival meeting that a young man was a thief.

The young man attended every revival meeting, yet every time the call to the altar was issued so sinners could be saved, the young man left the tent. It happened on the final night of the revival, but the young man returned the same night before the meeting was over.

The evangelist said he went down the aisle to the young man, saw in the young man's eyes that he was "demon-possessed". Suddenly, the young man put his arms around the evangelist, admitted he was a thief, accepted the Lord as his saviour and never resorted to thievery again, the reverend shouted.

Another woman, demon possessed, was saved, the reverend declared, when the power of God hit her during an altar call. She was hit so hard, he said, "she was literally running backwards."

"They call us fanatical people," said Reverend Shaffer. "I don't care what they call us, because it's real."

It makes you love the Bible, It makes you love the Bible; It makes you love the Bible; It's good enough for me.

An admitted alcoholic at age 27, Evangelist Shaffer says his commitment to Christ came when he was in an alcoholic ward in 1959. "Where is my life heading?" he asked himself.

"A tremendous force came down and took hold of me," he recalled. He accepted Jesus as his saviour and received salvation. "It was a washing and regeneration, a born-again experience," he stated.

Through devotion to Christ, he explained, he gripped life anew and brought his family together again.

Four months later, he said, he received the baptism in the Holy Spirit, for he began speaking in another tongue, just as in the Bible. Water baptism followed in 1960 and complete involvement with the Lord.

He explained that speaking in other tongues was a spiritual phenomena in which the person baptised in the Holy Spirit begins talking another tongue, one which he has never heard before, but which is spoken on earth, perhaps in the inner recesses of Africa.

"It is the spirit speaking," he continued. "It is a rebirth, man is leaving the flesh. The person doesn't understand what he's speaking, but it's evidence of baptism in the Holy Spirit."

The power to heal rests with the evangelist, but Reverend Shaffer says it comes from the Lord. As a preacher for the Assembly of God he also ascribes to the tenants of eternal damnation for sinners, the second coming of Christ, the Millenium when God will rule in complete harmony over the believers, and the ultimate destruction of this world as we know it.

An ordained pentecostal minister,

Northville's Second Annual

Rodeo, Hell Drivers Included in Fair Plans

Less than a month away, the second annual Northville Fair is shaping up as another gigantic fun-filled adventure for the thousands of spectators expected to attend.

game; Masonic Temple, concession wagon; Civitan Club, game; Novi Police Officers Wives, games; Cavern Teen Club, game; St. Paul's Lutheran School, game; Rainbow Girls, game; Mothers Club, game; League of Women Voters, game, Northville Spring Chapter of China Painters, product or service booth; Business and Professional Women's Club, game; and Northville Fire Department, corn-on-the-cob booth.

Openings for sponsorship of concession stands in the grandstand on Saturday and Sunday are still available. Organizations wishing to sponsor such a stand or sponsor some other activity should contact one of the fair committeemen immediately.

Visitors Jam Most Metropolitan Parks

Park attendance on July 4 was the second highest at most Huron-Clinton Metropolitan Authority parks, with total visitors at 259,622 for the three-day holiday.

3-day totals: 1970 - 268,640; 1969 - 205,810; and four-day total - 1968 - 347,060.

gigantic fireworks attracted about 26,000 persons with an armada of cruisers stretching along the shoreline on Lake St. Clair for several miles just to watch the fireworks.

Policeman 'Picks on You' At The Public's Expense

EDITOR'S NOTE—The following story was written by staffer Paul Fetters following a night of riding with and observing a Novi policeman on patrol.

\*\*\*

By PAUL FETTERS A policeman is a badge. Day or night, on duty or off, it's his job to arrest those who break the law and bring them into court, supplying prosecuting attorneys with the right kind of information so that a defense attorney won't be able to "work his client off the hook."

His badge, his salary, his equipment, his medical expenses, all come out of the public pocket.

Yet the public is the one he picks on.

He goes after hard working family supporters, who after putting in 18 hours, put a dozen drinks under their belts trying to relax and then get on the road trying to drive.

He's tough on the well meaning father who when challenged by his son, "My buddy's car goes faster than yours," gets out on a public highway at 79 in a 40 just to prove who is right.

It's only because he has nothing else to do that he pounds on your door at 4 a.m. telling you your neighbors can't sleep because of your blaring record player.

He's the embodiment of the law: representing it to a mass of people who believe they'll never be caught, think they're doing nothing wrong, or think they're not hurting anyone by speeding, driving home drunk, or blaring their record player.

He's one of 15 for 10,000 residents in Novi, six for 2,500 in South Lyon, eight for 9,500 in Green Oak and four for 2,500 in Brighton.

On a quiet night, working the afternoon shift, he might, stop two or three traffic violators, handle a property damage accident, see that a drunk gets home, warn some kids that they can't ride minibikes in the street, or report a grass fire.

If it's a busy night, he might stop a burglary, arrest a stabber, break up a bar fight, chase a thief, clean up a fatality accident, or police a murder.

But those are the things that make the headlines, the "major crimes," and they are not what take up most of his time.

He may arrest a man for drunk driving.

The man registers 2.5 on a breathalyzer, a machine which registers intoxication.

It takes .15 to be drunk. The individual is ordered to appear in court on such-and-such a day on charges of driving while under the influence of intoxicating liquor, DUIL.

On that day, he, his attorney, the policeman and a prosecuting attorney appear in court for preliminary examination.

The policeman says: "I was eastbound on Grand River and observed Mr. Smith driving at a high rate of speed on the shoulder of the road. I stopped him, he reeked of alcohol and was unable to stand. On a breathalyzer he registered 2.5 and was arrested for DUIL."

Mr. Smith's attorney says he's innocent and a trial is ordered during which the policeman must also be present.

At the trial, Smith's attorney tells the jury that his client works two jobs: 18 hours a day. He has a lame son whose medical expenses are sky-rocketing. His wife is in the hospital with cancer of the throat.

He was only out shooting pool with his brother-in-law, trying to relax after a miserable day.

He was on his way home (after drinking 12 beers) when arrested. If he's convicted for DUIL, he'll lose his license, won't be able to drive to work, his wife and son will suffer.

The jury agrees with the defense attorney. Smith is innocent...He wasn't driving while under the influence of intoxicating liquor...he was driving while his ability was

Whatever happens, the public has paid the officer for two court appearances and at least an hour writing reports, most of this at time and one half.

The machinery of the court, which includes the defense attorney, if he's court appointed, whose job it is to prove that Smith was innocent in the first place, is also at the public expense.

And Smith is still on the road.

On a quiet night, a policeman may do nothing at all except be a cop.

In the course of such duty he will be sworn at, sneered at and thanked for being around.

He may be shot in the face by a man he's stopped for speeding.

In the course of a 40 hour

work week, he may spend 12 writing reports. He may be on duty six days straight, maybe 16 hours at a crack. And he must always be alert for the law breaker.

He must always watch himself for over-reaction, for police brutality. He will admit, in most cases, that there are cops who over-react, but he's thinking all the time of the maniac who carries a loaded revolver on his front seat, looking for

patrol cars. He's got a job and he does it well and poorly.

He's a husband, a father and an individual. He speeds himself, plays his record player late and fights with his family.

But 8 to 4, 4 to 12, and 12 to 8 he reminds the guy who pays his salary that it's his job to enforce the law, and that speeding, disturbing the peace, and assault and battery are all crimes.

# Parochial Battle Wounds Appear Healed

LANSING — It hardly seems possible, but it's less than a year since the issue of parochialism was finally settled in Michigan.

The subject which split both parties down the middle in both houses of the Legislature last year didn't even get a mention this year.

And the seemingly unreasonable antagonisms which built up in the fight over the whole question of state aid to parochial schools are nowhere to be seen.

"It's just a matter of practicality," explains one lawmaker. "That constitutional amendment just eliminated parochialism as an issue. And with all the other problems we've got to cope with, we can't afford to fight over dead issues."

HE REFERRED to the constitutional amendment passed by the voters last fall which banned parochialism in the state.

The situation is just another reminder of the way issues grow great then diminish in Lansing. It's only been a few years, but it seems long ago that the battle of open housing or the question of a state income tax were fought tooth and nail on the floor of both chambers.

And a year from now, people will probably be saying, "Gosh, it seems like it's been a lot longer than a year since they were fighting over that income tax increase."

THE BEST transportation methods for Michigan people should be identified following a new study by a California company. At least

that is the goal of experts engaged to study mass transit problems here.

The firm, TRW System Group of Redondo Beach, CA, will be paid \$54,000 for the study, which is to be completed by the middle of September. The contract calls for TRW to evaluate and compare many new urban transportation concepts, and to recommend what it feels would be the most efficient system or systems with the highest potential for early operation.

It's been told the key factors to look for are cost of both the equipment and its operation, technology, and such considerations as its effect on the environment.

Among the transportation methods being studied are light weight, rubber tired vehicles that operate on elevated guideways and

monorail systems which are already in use in some parts of the world.

A special message was sent by Gov. William G. Milliken to the Legislature last February saying that a well balanced public transportation system is "essential" to the economic health of Michigan and "offers opportunities to alleviate school and environmental problems."

The Legislature is expected to go to work on his proposals for mass transit this fall. The most difficult part of the proposals will be to allocate half a cent of the state gasoline tax to rapid transit systems, rather than reserving the entire gas tax for highway construction as in the past.

The highway lobby is already hard at work trying to kill the idea before it gets any momentum, saying drivers of cars shouldn't pay taxes to set up transportation not using a car.

THE INCREASED caseload which plagues the nation's courts increases the work of the Michigan Supreme Court as well.

Last year, the seven-member tribunal disposed of 1,235 matters by court order or opinion. That was a full 13 percent more than the year before, when 940 cases were handled.

Chief Justice Thomas M. Kavanagh says, however, that the total matters pending when this year started were down to 243, compared to 353 pending matters at the start of 1970.

The caseload continues to increase, he says.

Applications for appeal and related motions have risen 67 percent so far this year.

A COMPLETELY different basis for taxing people is proposed by this writer. Individuals should be taxed according to height: perhaps a dollar per year for each inch over five feet six inches. If this does not bring enough revenue, a new dimension could be added: a dollar for each inch of waist measurement in excess of 32 inches. It is unlikely bust or hip measurements would fit into this overall recommendation.

Logic and advantage are easy to see: bigger people take up more space; use more air; are responsible for larger seats in movies, buses and airplanes, stadiums, etc. It is time they paid their way instead of getting a subsidy from the smaller citizens.

If a person wanted to diet, he could reduce his waistline and probably improve his health while he saved tax and food money.

It is fair to mention that the advocate of this plan is five feet, seven inches tall with a 35 inch waist.

## Babson Report

# Nation's Economy Recovering

BABSON'S REPORTS—In spite of occasional expressions of doubt, it does look as though the bottom of the 1969-1970 recession was established during the final quarter of 1970, with an upturn effected during the first half of this year. The recovery process, however, has been considerably less vibrant than was earlier anticipated. This is particularly true in "real" terms, without regard for the artificial stimuli brought about by post-strike recovery and the upward pressures of inflation.

Nevertheless, even without such unnatural energizers, the economy has displayed an increasing number of signs of recovery. Outstanding among these at the present time are improved activity in residential building and a pickup in consumer spending.

There are still some soft spots in the economic fabric which are preventing faster and more widespread progress. Business expenditures for new plant and equipment have, for example, been rather severely curtailed for several quarterly periods. While dollar

outlays have recently been running slightly ahead of a year ago, this gain is largely due to inflation. In other words, buying of capital equipment in terms of physical units is probably already trailing last year, reflecting a substantial excess in productive capacity.

Unemployment and price inflation remain vexing problems. Odds are that both will remain extremely sensitive areas over the near term. The Administration may, in fact, be forced to resort to additional pump-priming measures, while simultaneously trying to curb inflation.

UNLIKE THE first two quarters of 1971, the current three-month span is destined to suffer from the constraints brought about by largescale strikes. Industrial production, retail trade, employment, and personal income will all be seriously affected if the strikes are long-drawn-out in copper, West Coast shipping, and steel. Even if the copper and steel industries are subjected only to token walkouts, they will still have to work off heavy strike-hedge

inventory stockpiles. Regardless of what actually happens in this labor-relations field, the business recovery will almost certainly proceed at a slower pace than was the case during the first half of 1971.

It does not, however, seem likely that the economy's upturn will actually be reversed. An encouraging degree of support should continue to stem from residential building and, at least to some extent, from consumer buying. It should also be remembered that government spending—at all levels—will score increases in this quarter.

IF LABOR problems do not prove too restrictive, Gross National Product should still be able to chalk up a mild gain, in both current and constant (deflated) dollars. All in all, industrial production will do well to post a modest advance. The value of capital spending on the part of business is expected to show little

change, while the physical volume is likely to dip below that of a year ago.

Corporate profits, ex prolonged labor tie-ups, should be able to top the results of the first two quarters of 1971, although not by much. Total employment should shade higher in this quarter, but—again—not to any appreciable extent. There is not likely to be an equivalent drop in the jobless ranks, since the labor force is growing faster than industry can absorb new employees into its ranks.

A key question today is what tack the nation's consumers will take. Barring prolonged work stoppages, personal income could well trend materially higher during this quarter. Replacement demand is sharply on the increase, and consumers have a good backlog of savings on hand. Thus, some appreciable advance may lie ahead for retail trade, provided strikes are not overly severe.

## Horse's Mouth

# Novi Girl Rides to First Place

Send your questions, comments, and horse show news to "Horse's Mouth," care of South Lyon Herald, South Lyon, MI 48178. This column is open to news of all breeds of horses and ponies.

### Show Results:

Laingsburg, Mich.  
Miss Sue Boyer, Novi, riding her Morgan mare "Kane's Endora", won first place in both the English Equitation and the English Pleasure classes.

Carol Bellenir of Northville, riding "Tawny", won the mares at halter, was second in fitting & showing and third in English equitation.

Sue Ray, riding Mr. Bandebar, placed second in the 3-foot and over category, while her sister Robin, riding Po Keono, also placed second in 2-foot and under in competition at Wagon Wheel Farm on Sunday.

the worming of foals can pay dividends for the animal and the owner. This is particularly important if foals are out on pasture with mares. Many owners want to wait for evidence of parasitism to appear before worming. With foals, don't wait until you see worms before taking action.

Large ascarids may be present for several weeks before egg laying begins. Michigan State University recommends that worming of foals begin at four-six weeks of age, and repeated monthly for the first five-six months of age. Then they should be wormed three additional times during the remainder of the first year.

Large strongyles and ascarids are the most damaging to the foal.

Most veterinarians prefer the stomach tube for administering anthelmintics at least until after weaning.

veterinarian and discuss a good worming program for you to follow.

ASK FOR TOM SHANER

# How much will the proposed new rates really affect your monthly phone bill?

New rates would apply almost exclusively to your basic monthly service charge. Don't be confused by numbers. You may have heard that Michigan Bell has proposed a rate increase of 20%, and you were understandably perplexed if you thought the 20% (more accurately 19.54%) applied to all charges on your total monthly phone bill. That, for example, if you made a lot of extra toll calls last month and your bill was as high as \$20, it would increase another 20% to \$24 after the increase. Not so.

The 20% increase would apply only to your basic monthly service charges and to special non-recurring services, such as installing an extension or other equipment. Any interzone or long distance calls made in addition to your basic monthly service charge would cost no more after the proposed new rates than before.

For more detailed information about your telephone service, please contact your Michigan Bell Business Office. We want to help.

# from the Pastor's Study

## Who Are The Delinquents?

By Rev. T. D. Bowditch  
Pastor  
Brighton Wesleyan Church

Much has been written, and more said, about the problem of juvenile delinquency. There is no sensible way to deny the fact that a great many teenagers have become victims of drug addiction, many have police records, still others have adopted a code of morals that defies description. Reliable statistics clearly indicate that crime among teenagers is definitely on the increase.

It becomes very easy to point an accusing finger at our youth in an attempt to resolve the matter by saying they are lawless, they are

irresponsible, they are immoral. But the problem is not quite that easily resolved.

It has been observed that when one points an accusing finger at another, there are three fingers point back toward the accuser. Whenever a person becomes ill, it is the business of the medical profession and technicians to conduct a series of tests to discover the cause of that illness and then treat it accordingly. Perhaps parents and community leaders would be smart to do likewise. It just might be discovered that the "illness"

among juveniles today reflects the lack of proper training at the home base. Further investigation might reveal that parents have not been careful in demonstrating proper moral standards before their children.

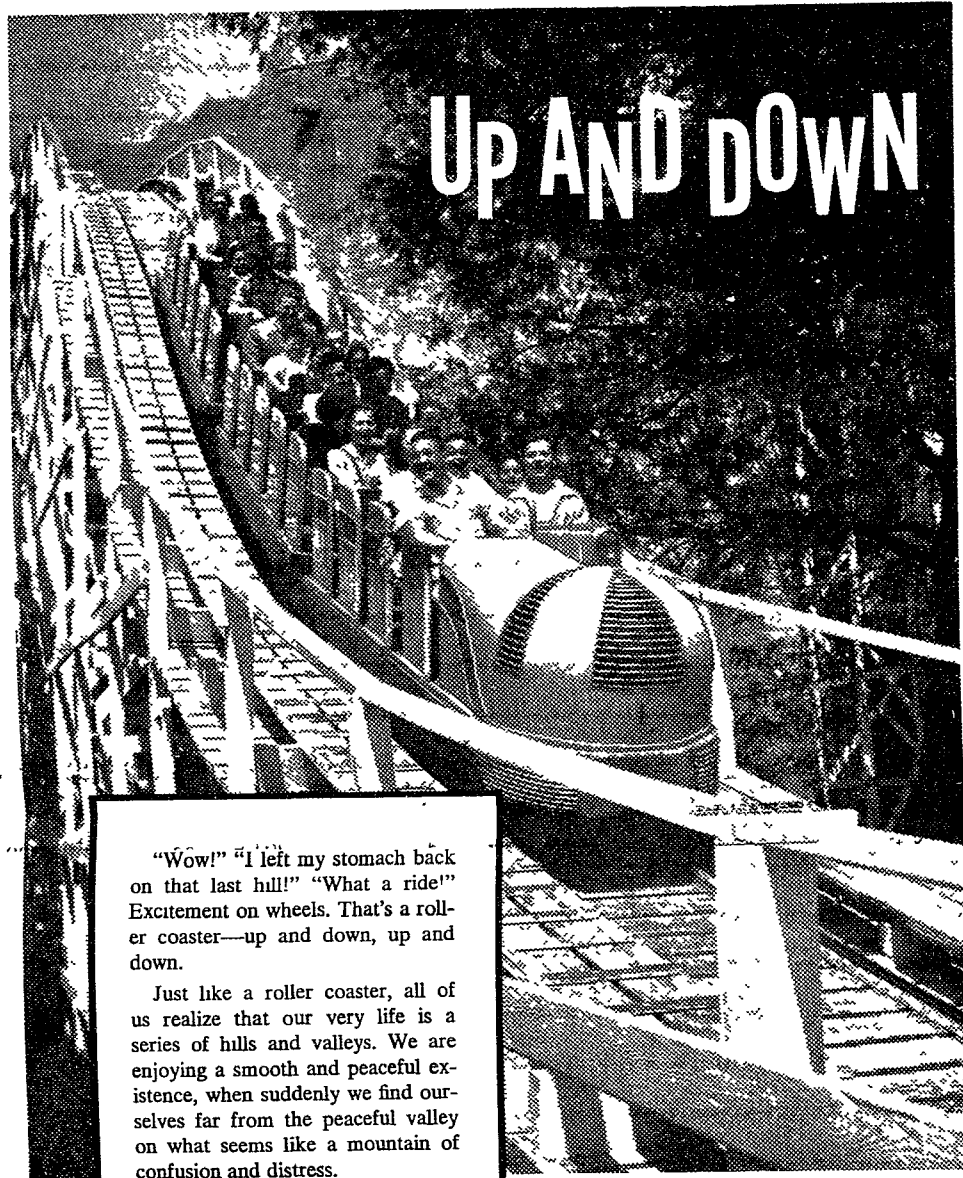

Perhaps we have forgotten that in years past there was such a thing as love and understanding between parents and teenagers. The teenager is indeed fortunate who can go to a parent for guidance, and for counsel, and for prayer.

Those who have done extensive research in this

area have made the discovery, that for the most part, teenagers who go wrong have been deprived of parents who believed that prayer in the home is an effective tool in directing the lives of youth. When spiritual values are neglected, moral values degenerate.

J. Edgar Hoover said: "The moral values of a community are fixed by the people who constitute that community. I believe that the attitude toward authority is reflected in the attitudes of juveniles."

At whom does the accusing finger point?

# UP AND DOWN

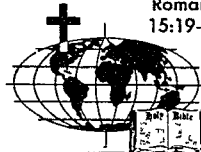

"Wow!" "I left my stomach back on that last hill!" "What a ride!" Excitement on wheels. That's a roller coaster—up and down, up and down.

Just like a roller coaster, all of us realize that our very life is a series of hills and valleys. We are enjoying a smooth and peaceful existence, when suddenly we find ourselves far from the peaceful valley on what seems like a mountain of confusion and distress.

At such crucial times we need to remember there is a nearby fortress of stability. It is that place of power that stands ever ready to provide the necessary faith and courage to face tomorrow with enthusiasm. Discover the inner peace that comes from divine love. Worship in church this Sunday.

Renovated year-round home in immaculate condition on beautiful Lake Chemung Five bedroom Colonial style. Circular lake frontage. \$38,500.

COZY LODGE IN-THE-WOODS Outdoorman? Here's a lodge you'll love! They're designed for the wilderness. Rustic. Rugged. Durable solid white Cedar. You never have to putter around these lodges. Weathering improves them. Virtually no maintenance. Pick your spot. In hunting country. Or where the fishing is best. We'll erect it in a hurry. And you can forget it except to enjoy yourself in your great out-of-doors retreat. ATH lodges are for sportsmen. This newspaper will arrange for you to receive full information. Write Box 402 in care of The Northville Record, Northville, Michigan 48167, or phone 349-1700 and ask for details to be mailed to you.

**COMMUNITY GARAGE SALE**  
Hundreds of Items  
Heading the list—A 1968 Mercury Cougar, clean  
and in excellent condition. 1969 Plymouth Wagon  
with air and full power excellent condition. Also 2  
B.S.A. 650 cc motorcycles; a pontoon paddle boat  
built for two; a Johnson Skeet Horse snowmobile  
with sled; and many other sports items, including 5  
bicycles.

For the house—A G.E. washer and a Leonard  
dryer, both 1970 models; an electric stove and  
refrigerator; automatic dehumidifier; Ironrite  
ironer, 3 televisions (2 portable and 1 console); a  
portable stereo record player. Also we have 2  
sectional sofas; 2 table and chair sets; a beautiful  
colonial maple dinette set; 5 chests of drawers; a  
modern hutch; miscellaneous tables; 2 dressing  
tables; twin bed with inner spring mattress, box  
spring, bolsters and cover. There is also a wide  
selection of household and decorator items.

We also have an electric organ; Singer Zig-Zag  
sewing machine console; theater chairs for the  
den; an antique Singer sewing machine circa 1846;  
a pot bellied stove; and other antiques. A student  
violin; baby furniture; hundreds of books.

There is a wide selection of garden tools  
including a riding mower; a porch glider; and  
miscellaneous tools and hardware. There are just  
too many things to list them all.

Sale runs from Wednesday thru Sunday, July 18.  
Hours are from 9:00 to 9:00. Come to 3324 Moraine  
Drive, Brighton. We are in the Lake Moraine  
Subdivision just west of Pleasant Valley Road, 1/2  
mile north of Jacoby Road in Brighton Twp. (West  
of the GM Proving Grounds—across from Beach  
Lake.) Just follow the "Garage Sale" signs.

From Young Man

Fair Youth Program Gets Brand New Face

An energetic young man is transfixing the 1971 Michigan State Fair with a new and exciting Youth Program.

Richard Byrum, 23, of Onondaga, Youth Activities Supervisor, has developed new features for the 17-day fair, August 27 through September 12.

The programs have been designed to involve more young people throughout Michigan. "The Michigan State Fair, as a state wide organization

with a central base, is in the best position to offer comprehensive, competitive youth activities in all area," Byrum said.

The first five days of the fair will be devoted almost exclusively to youth activities. The Junior Horse Show will include showmanship, horsemanship, equitation and pleasure classes and a special

feature will be the junior horse judging contest. The Junior Livestock Show, August 27 through 31, will have a sweepstakes showmanship contest for livestock, dairy and horses.

Judging contests are open to any eligible juniors. The Junior Garden Show exhibits will have a new look this year, featuring miniature gardens along with bulk produce. They will be on exhibit August 27 through 31.

The all-new Art Show will be divided into two divisions: Students from grades 4 through 8; and grades 9 through 12. Numerous classes in both divisions include watercolors, oils, drawings and sculpture. First place winners in each class will receive \$25.

Loose Leaf

A Human Being

In business, it's normal to have a certain turnover of employees. They move away, they change their minds about goals in life, they retire, maybe they don't like the boss. So one would hardly think the impending departure of an employee is occasion for singing his praises.

There are some, however, who are a little different, call them characters if you will, who behind them leave a clear "sense of loss".

One such employee who will be leaving The Brighton Argus is Mary Ann Belyea, the plump editor with the bright smile and the sincere devotion to her job. Her husband, George, has taken a job in Arkansas and Mary Ann, dutiful wife that she is, will be following on the same road the first of next month.

There's only one Mary Ann. When she joined the Argus staff some two and one-half years ago, she sufficiently forwarned me. "I was fired three times as a filing clerk," she said. Only after working with her awhile did I come to realize why. She isn't the most organized of individuals.

"What happened to the roll of film, Mary Ann?" I'd ask. "I know I sent it over," she'd say, but she would dig into her purse

nevertheless in a frantic search for the missing film. Chances were that was where the film was.

She's the same Mary Ann whom Joe Ellis, county clerk, warmly tells the tale about. She was on her way to Howell one day, but she took the Mary Ann route — through Hartland. Why? Because that's Mary Ann.

The same zaniness that produces such laughable mix-ups stems from a character that's hard to size up and even harder to put in print.

Let it be said that Mary Ann is a good human being.

She takes sincere interest in people, whether they've got \$1 or \$1 million. To her, it doesn't matter whether people are pink, purple or black, as long as they are good human beings.

Her humanity shows in her work, in treatment of people she comes in contact with. People confide in her because she is sincerely interested.

We'll miss Mary Ann in the Brighton office. The number of good things she has done are too numerous to count. But one thing is for sure. She'll continue doing them where ever she goes.

May life be good to her.

July is the month of the Milky Way, says University of Michigan astronomer Hazel M. Losh.

Rising almost parallel to the eastern horizon at sunset, the Milky Way stretches across the summer sky like a giant white arch. Professor Losh notes that this glowing arch is composed of star clouds, nebulae and dark dust clouds.

The Milky Way is only a narrow belt around the celestial sphere because of the way our galaxy is shaped, the U-M astronomer explains. Our galaxy is believed to be about one hundred billion stars arranged in a flattened disk. The earth is roughly two-thirds of the way out from the

galaxy's center. In summer, the disk of our galaxy looks brighter because we are looking toward the center and far edge.

Three stars of three different constellations form the huge "Summer Triangle," a great navigational aid throughout the centuries. Rising in the East is the bright star Altair, part of the constellation Aquila. Altair is at the apex of the triangle. The stars Vega in Lyra and Deneb in the Northern Cross mark the other corners.

Professor Losh notes that Mars will rise in the southeast around 10 p.m. Because its distance from the earth is steadily decreasing during the month of July, Mars will glow a brighter and brighter

red Jupiter will continue as an evening planet. It is located near the meridian at sunset and will shine in the southwest sky until midnight.

Aphelion—the earth's greatest distance from the

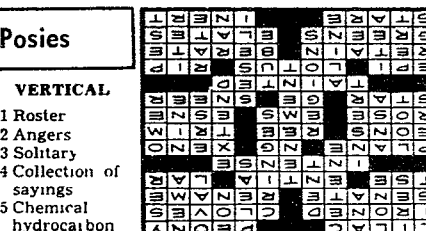

sun—also occurs in July. Professor Losh points out that the extra distance of a million and a half miles will not do much to "cool things off." In astronomical terms, she says, a million miles just isn't very much.

RHYTHMIC CLAPPING, HAPPY FACES

# Tent Revival Exudes Old Time Religion

Continued from Page 1-B

Reverend Shaffer attended the Detroit Bible College, a non-denominational school, and the Detroit campus of the Central Bible College. In 1961 he received his Exhorter's license, in 1964 he became a licensed preacher and in 1966 was admitted to the Assembly ministry

those before the altar—clasping their heads and calling for the Lord to "heal him", or to enlighten the penitent—Mr. Johnston led the congregation in song as the organ piped in the background

Soon, the whole congregation joined with those before the altar to sing the Lord's praises. The ultimate goal had been reached

Later, Reverend Shaffer said one girl had received the Birth in the Holy Spirit and she had spoken in the language of tongues.

It will do when you are dying, It will do when you are dying, It will do when you are dying; It's good enough for me.

The emotion of the revival meeting kept mounting through Reverend Shaffer's fiery sermon, until he called for those with physical afflictions and those who sought salvation to answer the call to Christ and come to the altar.

It will take us all to heaven, It will take us all to heaven, It will take us all to heaven; It's good enough for me.

Approximately 13 persons, with heads bowed in fervent prayer, raised their hands when the reverend asked if they wished to be saved or whether they wished to be healed. They then came forward to receive his blessings

Unusual? Perhaps. But Reverend Shaffer is convinced the world soon will see "one of the greatest outpourings of God's Holy Spirit than ever before"

Witness the Jesus movement, he says. To him, the pentecostal movement will gain wider and wider acceptance because only God, through it, can "satisfy the Hunger in Hearts"

While Evangelist Shaffer administered to

## Parks

Continued from Page 2-B

38,600 visitors this past week-end compared to 40,720 in 1970, with a high of 52,100 for a four-day holiday in 1968. July 4 attendance was as follows: 1971-16,700; 1970-17,300, 1969-12,200, and 1968-23,500. Willow Metropolitan Park, a new site under development between New Boston and Village of Willow, had 2,142 visitors for the three days in 1971.

The three Huron-Clinton Metropolitan Authority parks in Washtenaw County had a total of 14,230 visitors over the week-end, compared to 12,120 in 1970 and 9,350 in 1969. Comparative totals for July 4 for all 3 parks was 7,039 in 1971; 4,710 in 1970 and 2,500 in 1969, each covering Delhi, Dexter-Huron and Hudson Mills Metropolitan Parks.
