Novi-Northville Officials to Huddle

Randolph Drain Talk Set Tonight

For the first time in several years the city councils of Northville and Novi will meet in joint session tonight at the Northville city hall.

The catalyst for the get-together is the proposed \$600,000 Randolph drain.

In the planning stage for nearly two years the project is now nearing reality and there have been indications from Novi that some council members at least are reluctant to support the proposal.

Conversely, however, the Northville council is determined that the project is necessary if development is to take place in an 800-acre area northwest of Taft and Eight Mile roads.

At this point the Northville council takes the position that neither Northville or Novi can turn its back on the drain project. And Monday night Mayor A.M. Allen indicated that Northville should take legal action if Novi refuses to cooperate.

Specifically, the proposed Randolph drain project came about at the urging of the Northville city council, but in joint action taken with Novi.

The two councils petitioned for the formation of an inter-county drain commission to be established under the state public act providing for such authority.

The Randolph drain commission was thereby established with Stanley Quackenbush, state director of agriculture, as chairman of a three-member board also composed of the drain commissioners of Wayne and Oakland counties.

Sole authority for the project now rests in the hands of the three-man board. It has already retained engineering estimates to carry water draining from some 854 acres northwest of Northville through the city into the Rouge river.

Most reasonable of the three proposed plans calls for shallow retainer-ponds northwest of Taft and Eight Mile with enclosed culverts across Eight Mile road into the stream along Randolph beginning at Northville Laundry across North Center stream and finally to the open Rouge stream again flowing southeast out of the city.

Estimated cost of this proposal is \$600,000. Northville and Novi would share the cost based upon total acreage being drained in

the two communities. Engineering studies reveal that 472 acres are in Northville and 382 in Novi.

It would remain for the individual communities to decide how to raise the money, either through bonding retired by general fund improvement monies, or through special assessments, or a combination of both.

Some Novi councilmen have indicated that Northville development is responsible for the problem. But the Northville council is just as determined it will not build a drain to carry Novi water.

So at the suggestion of his council Novi Manager George Athas wrote to the Northville council proposing a joint meeting.

Northville accepted the idea and issued an invitation to Novi to meet at the Northville city hall tonight.

There's a feeling on the

Northville council that Novi has little choice but to go along with the project now that it has joined with Northville in calling for establishment of the inter-

county drain commission. Public hearings must be called by the three-member commission, but it is not customary for such projects to be dropped once a need for

drainage relief has been proven.

Monday night Northville Mayor Allen maintained that

In Township

Water Line Work Ready to Start

Construction of several miles of water lines in the southeastern portion of Northville Township is expected to begin in early August.

Contracts totaling nearly \$854,000 were awarded last week by the Wayne County Road Commissions. A total of 35 bids on the project were opened by the road commission on July 9, according to Township Engineer William Mosher.

Bonds, backed by the faith and credit of Wayne County, for construction of the water lines were to be sold yesterday (Wednesday).

Contracts were awarded to George A. Odien Company for \$365,924.30 to construct a 20-inch water main to Northville State Hospital and a 12-inch main along Eight Mile and Meadowbrook roads. Odien also received a \$335,658 contract to construct a 16-inch main along Six Mile Road.

Alana Construction Company was awarded a \$152,265 contract to construct 12-inch mains on Northville Road and Seven Mile Road.

In each case, contracts were awarded to the low bidders.

The new lines will create three loops in the existing system, thereby improving township water service, Supervisor Gunnar Stromberg explained.

The new lines will begin on Eight Mile Road on the western boundary of Meadowbrook Country Club where it will extend from the existing Detroit water main southward to Marilyn and Seven Mile Road.

It will then run west on Seven Mile past Northville State Hospital and then south across hospital property to Six Mile at Bradner roads where it will hook into an existing line.

The line will continue west on Six Mile to Sheldon, creating a second loop by connecting to the Detroit main service line which now runs through Northville south from Eight Mile along Sheldon to Plymouth.

Additional service lines will also be constructed, Stromberg said, along Eight Mile east to Meadowbrook Country Club; west on Seven Mile to Northville Road and then south to King's Mill where another loop will be formed by connecting the existing service at the townhouse development.

Uniquely, it will be possible for the township to install the new lines without immediately levying assessments against property owners along the water line route.

Assessments will be levied, Stromberg explained, but only when the property

owners choose to use the service

Northville State Hospital.

Normally, utility service installations are financed through assessments against abutting property owners even though they may not use the service for several years.

Northville Township expects to meet its immediate obligations to pay off the bond issue to finance the project through the sale of water to

When property owners decide to tap into the new water lines, an assessment of \$6 per foot (property frontage) not to exceed \$660 will be levied in addition to existing tap-in fees.

Property owners will also be required to pay the cost of extending lines from their homes to the service line, the supervisor noted.

NEWS BRIEFS

TOWNSHIP BOARD members will meet in special session tonight (Thursday) to take up business tabled from the July 13 meeting. Tonight's meeting begins at 8 p.m. in Township Hall.

SCHOOL OPENS Wednesday, September 8, for students in Northville Public Schools. That leaves only 48 days of summer vacation for the kids to enjoy. New teachers are scheduled to report for orientation on September 2 and 3, while the total teaching staff will begin work September 7.

PHASE III of Northville's Year-Round School study is expected to be completed by late August when the district submits its report to the state, but Superintendent Raymond Spear said the "level of unacceptability found during the study is too high to initiate implementation." The district is now compiling a list of reasons families cited for opposing the concept. Of the 1,589 families with children who were surveyed, all but 131 have returned the mock schedules or have been contacted by phone.

TAX NOTICES went out last week to some 1800 property owners in the city of Northville. They're payable immediately, and later than August 31 when a four per cent penalty is applied. The city receives approximately \$300,000 from its 10.3 mill levy against a total state equalized property valuation of \$29.8 million.

Old Boundaries Seldom Stay Put

EDITOR'S NOTE: Following is the fourth in a series of articles concerning the various artificial boundaries that affect people and officials living within the circulation area of this newspaper.

Boundaries change. What once was Plymouth is now Northville, what was Novi is Northville and Wixom, and what was Farmington is Novi. These changes are history...but the municipal boundaries that make up area communities are by no means permanently fixed; even today, in Novi, there's a move a foot to once again change the boundaries of that community.

(The City of Novi has petitioned the State Boundaries Commission to annex all but one section of Novi Township to the city).

But whereas the current movement in Novi is creating ripples of controversy, some of the past changes created waves of dissent, anger...and expensive court battles.

Time heals most wounds but battle scars disappear slowly.

Some older residents still resent annexations that snatched from Novi properties along its southern boundary and placed them in the jurisdiction of the City of Northville, or the incorporation that gobbled up a large section of Novi along the northeast boundary of Novi and turned it into a portion of what is today the City of Wixom.

Others are unaware and could care less, however, that Northville High School sits on property once located in Novi Township, or that the tax plum represented by the Ford Lincoln plant in Wixom is located on what was Novi property less than 15 years ago.

Less than 75 years ago all of what now is the Township of Northville and most of the City of Northville was part of Plymouth Township. In 1898, the natural rivalry between the villages (now the cities of Northville and Plymouth) and a good deal of political haggling led to the division of Plymouth Township—the southern half remaining as Plymouth and the northern half becoming Northville Township.

Thus, if one looks at a map of Michigan townships today, he finds that the townships of Plymouth and Northville are unique in that each is but half the size of other townships because of the boundary change that took place at the turn of the Century.

Going back further in history, one discovers that all of what is now Novi and Wixom and the northern part of the City of Northville (north of Base Line or Eight Mile Road) was under the jurisdiction of Farmington Township.

Still further back this same area was part of Bloomfield Township, as was the whole southern half of Oakland County.

Following the division of Plymouth Township in 1898, the next major boundary change in this area occurred 26 years later when the Oakwood subdivision area, located north of Base Line, east of Center in Novi Township, was annexed to the then Village of Northville in late 1924.

Little opposition to this move apparently arose...even in Novi.

Some 12 or more homes had been constructed in this 60-acre area the previous two years and Northville officials promoted the annexation because it would increase the tax base of the village by some \$100,000.

The annexation was approved overwhelmingly, 425 to 143, on a ballot that included, incidentally, the name of Calvin Coolidge running against Robert LaFollette, and two state propositions—one an anti-prohibition measure and another a state income tax question.

With that annexation, Northville for the first time included properties in both Wayne and Oakland Counties. And since village incorporation does not abolish township government, most of the village was governed by village and Northville township officials but part by village and Novi township officials.

This matter of a municipality located in two counties was later to be a temporary stumbling block to the incorporation of Northville as a city, requiring a ruling of the state attorney general.

Northville city incorporation, however, was not to be the next major boundary change move. That was to occur on the opposite side

In College Race

Only Three Filed

With less than a week before the filing deadline, only three persons have tossed their hats into the ring for the five at-large trustee seats at Schoolcraft Community College.

Deadline for filing is Tuesday at 4 p.m.

Candidates will seek five of the eight posts on the reorganized board of trustees in the special September 13 election.

Also on the September ballot will be two separate millage propositions—one asking for a half-mill increase for operation the other for a half-mill increase for capital improvement.

Those who had filed by early this week were: Rosina Raymond and Leroy Bennett of Livonia and Barry Sherman of Clarenceville. None had filed from Northville, Plymouth and

Garden City—the other three of the five constituent districts making up the Schoolcraft college district. However, board of education officials indicated several persons have taken out petitions.

For the first time in the history of the college district all candidates must run on an at-large basis. They no longer

time for learning through Northville Public Schools' Summer Program.

Conducted at Moraine Elementary School and directed by Miss Jerree Bachelor, the program emphasizes an individualized approach to teaching.

Students work with teachers on a one-to-one basis or in groups, the largest of which is seven students. The 36 children participating in the program are in grades one through seven.

Assisting Miss Bachelor with instructing the students are two teachers from Western Michigan, a parent who is presently enrolled in a child development course at Wayne State and a student aide. Western requires a teacher participate in a six-week summer program before granting a teaching certificate.

"The summer program is designed to meet the needs of all the children," Miss Bachelor said, "from those requiring remedial services to those requesting enrichment activities." At any one time, a variety of learning activities are taking place. Some children may be

building comprehension skills through the use of the Hoffman Reader, an audio-visual program used by performance contracting corporations.

Others work on language masters to perfect pronunciation of English while some students build mathematics and phonics skills using taped lessons. One student may be conducting science experiments while a fifth grader works on junior high mathematics.

All of the time these activities are in progress, teachers are working with individual students or small groups on special skills.

"Most delightful of all," Miss Bachelor commented, "is to hear the teachers' responses to the experience, they are gaining through the program. They think it's wonderful. They wish they could do the same type of activities all year in the schools," she said.

Working closely with the program are Milt Jacobi, principal of Moraine, and Miss Florence Panattoni, director of instruction. They make certain the necessary materials for the classes are available and contribute ideas for the summer program.

"A compliment to the staff," Miss Panattoni said, "that has been paid by the supervising teacher from Western Michigan is his suggestion that teachers involved in other summer programs visit Northville's program to see how it operates."

"The students are enthusiastic and the teachers are enjoying the experience," Miss Panattoni commented. "We think we have a great program going here."

The six week summer school ends next Friday.

Secord - Stevens Vows Spoken Here

Shades of lavender and purple sparked with yellow accents formed a color scheme for the July 10 wedding in which Linda Theone Secord and William Robert Stevens pledged their vows.

They were married in a double ring ceremony in Northville's First Presbyterian Church by the Reverend Timothy Johnson.

The bride is the daughter of Mr. and Mrs. B. William Secord of West Seven Mile in Northville. Parents of the bridegroom are Mr. and Mrs. D. Stevens of Lahser Road in Detroit.

Floral arrangements of lavender gladiolus, purple statice and daisy mums decorated the church rails and the altar. Lavender candles and bows adorned two candelabra, and a round white candle ringed in orchid daisy mums centered the communion table.

Music for the ceremony was provided by organist Mrs. William G. Williams and soloist Mike Roxberry of Eastern Michigan University. He sang "We've Only Just Begun" by Nichols while the bride and groom lit the candle on the communion table, kissed, and proceeded out of the church. "Jesu, Joy of Man's Desiring" by Bach was the processional and the "Allegro Deciso" by Boellmann was the recessional.

Given in marriage by her father, the bride wore ivory silk organza with a high duchess neckline. The gown was trimmed with Venise lace appliques featuring short lace sleeves and a lace panel on the front of a princess styled skirt. A full chapel train fell from a bow at the waist. Matching lace formed a camelot head piece and applique trimming on the full length veil.

The bride carried a nosegay of white phalaenopsis orchids, gladiolus and pom-pom mums entwined with variegated rhododendrum leaves and purple statice.

Acting as maid of honor was Nancy Elizabeth Secord, sister of the bride. She wore ivory chiffon over taffeta with a high neckline and long sleeves, which were bordered in beige lace interwoven with lavender ribbon. Matching lace was used to trim the front of the bodice and the natural waistline.

She, too, carried a nosegay bouquet of lavender and purple daisy mums, yellow carnations, purple statice and violets and baby's breath, gathered in lavender bows to match the ribbon of her gown.

Dressed identically to the maid of honor were bridesmaids Mrs. Steven Moore, Miss Kathy Patten, and Miss Beth Hosner, college friends of the bride, and Miss Linda Stevens, sister of the bridegroom.

Carrie Lynn Schulz served as flower girl carrying a basket of lavender and purple flowers. Her dress, which resembled the other bridesmaids', was made by the bride. Paul Schulz III was ring bearer, carrying an ivory satin pillow trimmed with shades of lavender and purple. Both Paul and Carrie are cousins of the bride.

Gary Neur of Detroit was best man, and ushers were Bill Cousins, Rich Clark, Steve Moore and Wally Novak all college friends of the bridegroom. They wore brown tuxedos with gold ruffle shirts and yellow carnations.

For her daughter's wedding Mrs. Secord wore a sleeveless powder blue crepe with a high neckline and matching bolero jacket. The dress was trimmed with silver lace and she carried silver accessories. Mrs. Stevens, mother of the bridegroom, wore a pink silk sleeveless dress trimmed with lace and pearl beading. Both mothers, along with grandmothers

Mrs. Paul Schulz of Northville

and Mrs. Adams and Mrs. Lawhon of Detroit, wore white phalaenopsis orchid corsages.

Following the ceremony an outdoor garden reception was held with dinner for over 150 at the Botsford Inn Coach

House. Strolling musicians wandered among tables adorned with lavender candles and flowers. Friends and relatives attended from Grand Rapids, Grosse Pointe, Owosso, Ann Arbor and Tennessee.

For a wedding trip to Pike's Peak in Colorado Springs, the bride changed into a white sleeveless pants suit with gold accessories. She is a graduate of Northville High School, Schoolcraft College and Eastern Michigan University.

The bridegroom also attended Schoolcraft College and will be a senior this fall at Western Michigan University. He is a member of the National Guard. The new couple will make their future home in Marshall, Michigan, while the bridegroom finishes his work at Western and co-ops with Hayes-Albion in Albion, Michigan.

about Women and the family

MRS. WILLIAM ROBERT STEVENS

Barbara Pilarz Becomes Bride

Barbara Ann Pilarz became the bride of Nicholas B. Link in an evening double ring ceremony June 25 in Our Lady of Victory Catholic Church.

Officiating before an altar decorated with white gladiolus was the Reverend Father John Wyskiel. Parents of the couple are

SUSAN LYN CRAWFORD

Engaged

The engagement and approaching marriage of Susan Lyn Crawford to Terry Lee Poster is announced by the parents of the bride-elect, Mr. and Mrs. Richard A. Crawford of 544 Langfield.

Her fiancé is the son of Mr. and Mrs. Al E. Poster of 22125 Napier Road.

The bride-elect is a 1971 graduate of Northville High and is employed as a nurses aide at Northville Convalescent Center.

Poster, a 1968 graduate of Northville High, is a machine operator with Armors in Romulus.

The couple plans a January 15 wedding.

Mr. and Mrs. Edward Pilarz of 21650 Chubb Road and Mrs. Nick Link of Southfield and the late Mr. Link.

Guests were seated to Beethoven's "Ode to Joy" and the entrance songs included Henry Purcell's "Trumpet Voluntary" and Mendelssohn's "Wedding March." Paul Laboda was the organist.

Given in marriage by her father, the bride wore an empire gown of silk organza over taffeta accented by reembody Alencon lace. She wore her sister's veil of seed pearls and crystal.

The bride carried a swirl of white carnations, sweetheart

roses and ferns.

Matron of honor was the sister of the bride, Mrs. Greg (Carol Wikaryasz). Bridesmaids were Mary Ann Pilarz, another sister of the bride, and Judith Bochenek.

They wore sleeveless colonial gowns of tuck beige voile accented with pink satin collars and matching pink picture hats. They carried colonial baskets of pink gladiolus and purple statice.

Bestman was George Spicer, brother-in-law of the bridegroom. Ushers were Gerald Zinger, another brother-in-law of the bridegroom, and Anthony

Pilarz, brother of the bride.

For her daughter's wedding, Mrs. Pilarz wore a pink sheath with lace sleeves and a matching sleeveless coat. The bridegroom's mother wore a coral sheath with matching accessories.

Following the ceremony, a reception was held at the VFW Hall in Plymouth for over 100 guests from Michigan, Ohio and Ontario, Canada.

Before departing for a wedding trip to northern Michigan, the bride changed to a green and white ensemble.

The newlyweds will make their home in Ann Arbor.

Couple Recites Vows

picture hats

Bestman was William C. Higgins III and ushers were Tom Higgins and Rob Cullen.

Following a garden reception and dinner at Botsford Inn, the couple left for a honeymoon to Canada.

They will make their new home in Portland, Oregon.

The bride is a graduate of Aquina College in Grand Rapids and he is a graduate of Yakima Valley College in Yakima, Washington. Both have been teaching this past year in Grand Rapids.

Announce Births

Mr. and Mrs. David Allen of 202 South Center street announce the birth of their first daughter, named Rebecca Lynne. The little miss was born on July 7 in Pontiac General Hospital weighing eight pounds and six ounces. She joins at home three brothers, Dan, James and Greg.

Mr. and Mrs. Richard Tomalty of 4408 Brookwood announce the birth of their

second daughter, Jill Elaine, born July 13 in Northwest Grace Hospital in Detroit.

Jill Elaine weighed seven pounds, 11 ounces, and joins a sister, Kristin, age five, at home.

Grandparents are Mrs. John Deitrick of Grove City, Pennsylvania, Thomas Taylor of Dearborn and Mr. and Mrs. Lyall Tomalty of Dunedin, Florida.

1971 Torch Drive

U - F Taps Jensen For Group Chairman

Northville resident Reuben R. Jensen is among three automotive vice presidents appointed group chairmen for the 1971 Torch Drive.

The newly named chairmen will serve in the campaign's automotive and suppliers unit, largest of six major Torch Drive chapter groups. Combined, the units traditionally raise more than 90 percent of the campaign total.

Jensen has been named a campaign group chairman representing General Motors Corp., where he is vice president and group executive in charge of the nonautomotive and defense group.

Other newly named group chairmen are Donald E. Petersen, vice president for car planning and research at Ford Motor Co., and Erwin H. Graham, vice president and general auditor, Chrysler.

Their appointments were announced by the automotive and suppliers unit chairman, Joseph F. Kerigan, vice president, stamping division, Chrysler Corp.

Kerigan, a group chairman in the unit last year, said:

"I am, indeed, pleased and grateful these able executives have accepted three most vitally important campaign assignments.

They possess recognized talent, experience and knowledge, and their commitment to this community is outstanding."

Jensen joined General Motors in 1946 as a machine

REUBEN R. JENSEN

tool and die engineer with the Detroit Transmission Division.

Before being named manager of the division in 1965, he held the posts of senior engineer, master mechanic and works manager.

He was appointed general manager of the Allison Division, Indianapolis, in October, a month prior to being elected a GM vice president. He continued in that capacity until he

received his present assignment in March, 1970. Jensen, a native of Ainsworth, Neb., studied mechanical engineering at the University of Nebraska.

While in Indianapolis, he served as the 1969-70 vice chairman of the United Fund.

He is a member of the executive committee of the Detroit Area Council of Boy Scouts of America, a Torch Drive agency.

He also holds membership in the American Management Association, Society of Automotive Engineers, American Ordnance Association, Association of the U.S. Army, American Institute of Aeronautics and Astronautics, Navy League of the U.S., Newcomen Society, and Zion Lodge No. 1, F & AM.

He is regent and member of the executive committee of General Motors Institute and is affiliated with Detroit Athletic Club and Meadowbrook Country Club.

The 23rd annual United Foundation campaign will be held Oct. 12 through Nov. 4. It will underwrite operating costs of 164 health and community agencies in the Wayne-Oakland-Macomb area.

Last year's Torch Drive raised \$30,409,675 of which \$17,969,635 was reported by the campaign's automotive and suppliers unit.

New Books at Northville Public Library this week include:

ADULT

"Vitamin C and the Common Cold," Linus Pauling, Controversial book about the therapeutic use of ascorbic acid.

"Gypsies, Wanderers of the World," Bart McDowell; An in depth study of the Gypsy, past and present.

"The Shining Mischief," Barbara Levy; Devoted to her family's vineyards and ancient estate, young Marie-Anne is determined to unravel the problems sabotaging this year's crop.

"The Tamarind Seed," Evelyn Anthony, An

JUVENILE

"Mapmakers of America," from the Age of Discovery to the Space Era; William Stenel. A look at the work of cartographers during the past four centuries, from the initial Spanish explorations in the New World to the opening of the space age.

"Picture Book of the Continental Soldier," Keith C. Wilbur; An illustrated account of life during the American Revolution with emphasis on the soldier, his weapons and way of living.

Planning A Wedding?

The Northville Record publishes wedding stories and pictures if they are received in the office within 15 days after the wedding date. After this deadline, only a brief story can be used without a picture.

No color pictures can be used — for wedding, engagement or anniversary news. Similarly, color photographs can be used only if the quality of prints is exceptional.

Wedding, engagement and anniversary forms are available at the newspaper office. Information must be typed or printed clearly. It cannot be accepted by telephone.

As has been the Sliger newspapers' past practice, no charge is made for publishing wedding, engagement, or anniversary stories or pictures, even though many papers do charge.

Hospital Closes Doors

ONE YEAR AGO...

Wasting no time in following the recommendations of the committee on parks, open space and recreation, the Northville City Council set machinery in motion to establish neighborhood parks. Negotiations for purchase of some of the necessary property had begun.

The State Supreme Court ruling that free education for public school students means free textbooks, free supplies and freedom from special course charges was expected to cost Northville School District \$50,000 to \$60,000 in 1970 alone, officials estimated.

In competition with other high schools from throughout the Midwest, Northville cheerleaders won ribbons for two pom-pom routines and a special cheer featuring boys.

Negotiating teams for the Northville Education Association (NEA) and the school district spent 13 hours in mediation Monday and both sides said the teaching contract would be settled soon.

Joseph Howard was appointed by a unanimous vote of the Novi City Council to the seat on the Board of Appeals vacated by Louis Campbell.

FIVE YEARS AGO...

Quick action by the fire department and employees of the Kwik Lock Form Company, 279 Park Place, saved the plant after a fire broke out Thursday.

Gerald M. Stone, manager of Stone's Gamble Store, was elected chairman of the merchants division of the Northville Chamber of Commerce. He succeeded R. Douglas Lorenz of Gunsell Drug Store.

Northville City Council ordered a halt to all occupancy permits for Northville Heights No. 2 subdivision until the sewer system serving the area was hooked into the new Oakland county interceptor on Novi Road.

Local merchants renewed their appeal for an alternate north-south route

through the city at a council meeting. Specifically, the merchants aimed their fire at Center Street truck traffic.

Tears were expected to outweigh the laughter when an army of 400 to 500 foreign exchange students were to converge in Northville just before bidding goodbye to their foster families and returning to their European homes.

Barbara Lewis, a Northville area girl who made a big splash in the musical entertainment world was appearing at the Fox Theatre in Detroit. Barbara has received two consecutive grammy awards for "Hello Stranger" and "Baby I'm Yours".

TEN YEARS AGO...

The miracle didn't happen—Northville's Community General Hospital closed its doors, coming to a complete standstill as the last of its patients were scheduled to be discharged.

Councilman John Canterbury, charged with the duty of compiling and answering applications for

Northville's city manager vacancy, reported that 10 inquiries had been received.

Novi police painted their old car pink after chief Lee Begole spotted the department's former car—with the police decal still on both doors—zooming down Novi Road. The department had sold the old car after the new 1961 model was delivered.

Ray Kehr, president of Oddfellows, announced that the club's annual flare sale went over like a lead balloon. The proceeds were to go for baskets of food, clothes and toys for needy children in the area.

A gardening program launched for girls at the Wayne County Training School proved a successful experiment in therapy. Organizers were members of the Northville branch of the Women's National Farm and Garden Association.

Northville's Steve Juday fulfilled the dream of every high school athlete when he

Teacher Attends Institute

Jane Crawford, a teacher at Northville High School, is attending a summer institute in psychology at Wisconsin State University-La Crosse. She is one of 32 high school teachers from 19 states attending the eight-week institute, lives at 724 Spring Drive.

Financial support for the institute is being provided by a National Science Foundation (NSF) grant of \$48,983, according to Dr. James Ryan, institute director. The institute is one of only two in psychology funded by NSF in 1971. NSF is providing a total of 423 grants totaling \$221 million for support of 434 high school teacher summer institutes in the US, Puerto Rico, and a number of foreign countries, Dr. Ryan noted.

Institute courses stress development of a strong background in experimental psychology, familiarity with contemporary laboratory techniques, and development of demonstrations, exercises, and related instructional aids conveying basic principles of experimental psychology.

Participants may earn eight graduate credits, which are applicable toward a master's degree in teaching-social science degree.

Participants will be teaching one or more senior high school psychology courses this coming school year. Social science supervisors or curriculum consultants in this subject area were also eligible for the institute.

Same As Novi Police

City Employees To Get Benefits

Novi Councilmen approved master medical and Blue Cross prescription rider benefits to all city employees Monday night by a 4-3 split vote.

The total package will cost the city \$2000 per year or \$6.50 per month per person.

Each person's coverage includes his or her immediate family.

Benefits are the same as those awarded to Novi policemen in their recent contract talks with the city.

"This was expected," said City Manager George Athas, "and money is allotted for it in the city budget."

Councilmen Denis Berry, Louie Campbell and Raymond Evans objected.

"I think we're setting a precedent here in granting to every employee what we grant to the police department," Campbell said.

"There'll come a day, and an issue, when we won't be able to do that."

Citizens in the audience felt that master medical with its Blue Cross prescription rider was a convenient, in some cases necessary, service provided by a man's employer, but some protested at the thought of paying for it as taxpayers.

The measure will include 26 city employees.

In an earlier public hearing concerning riparian rights around Walled Lake, councilmen delayed action until July 16 when councilman Edwin Presnell, working with Athas, could present a preliminary report on existing silt conditions, levels of water and results of other fill around the lake.

A. Korycki, owner of some 100 feet of lake front along South Lake Drive near Buffington, was on hand to complain that he couldn't get his boat or pontoon raft near the shore because of the swampy conditions of his beach.

"We can't even sit out there 'because of the smell,'" he told councilmen.

Forty Arrested

Police Raid Novi House

The Novi Detective and Narcotic Bureau, assisted by nine other police departments, raided 26445 Adell Boulevard Friday night, arresting 40 people on charges of possession of marihuana, disorderly conduct and resisting an officer.

Novi Planners Elect Officers

New officers were elected by Novi planners, last week Wednesday, during a regular study meeting.

Robert Bretz, Merle Jenkins and Jame Cherfoli were elected unanimously to the post of chairman, vice chairman and secretary of the advisory board, respectively. The term of secretary is Cherfoli's second.

Councilmen were concerned that unchecked filling of Walled Lake might even out edges until nothing was left, and they noted that the area should be studied along with legal opinions on the matter and covenants of the Lake Woods subdivision in order to come up with a satisfactory ordinance.

In other business Monday night, councilmen —

—Listened to Athas report that repair of Heatherbrea Streets was slated to begin

Wednesday and should be completed by August 20.

—Approved the hiring of two laborers by the DFW.

—Adopted the basic building code of the Building Officials and Code Administration (BOCA) and specified up to a \$500 fine and 90 days in jail for violating it.

According to Athas the code is a uniform set of specifications covering building and construction.

—Agreed to pay \$441 in escrow funds to a private contractor engaged by Buckingham Court homeowners, to pave sidewalks in front of their homes. The funds have been held in escrow, according to councilmen, for a number of years.

—Announced a July 29 meeting in the council chambers for those interested in hooking into the Walled Lake sewer. Meeting time was set at 8 p.m.

LaLonde Murder Goes Unsolved

What happened to Clyde LaLonde?

That's the question Novi Police, particularly Detectives Richard Faulkner and Robert Starnes, have been asking themselves since LaLonde's body was found, shot-gunned in the back, April 5 in a rural area of Novi near Meadowbrook Road and 12 Mile.

"We're positive that LaLonde dealt heavily in dope," Starnes said last week, "primarily marijuana and hashish, probably no heroin. It wasn't unusual, according to more than 50 people we've interviewed, for him to carry from \$12 to \$20,000 on his person."

Starnes said that despite \$2,000 posted in rewards, his department has not received one call concerning the killing.

"The strange thing," he continued, "is the nature of the case. In most investigations of this type you have hundreds of calls, both from cranks and legitimate tipsters, supplying you with hundreds of leads to run down. About LaLonde — there's been nothing."

"Everyone we talk to," Starnes said, "has told us what a beautiful person he was, that he would always do you a favor, that he'd lend you money, anything."

"Well obviously someone didn't think he was a beautiful person or they wouldn't have killed him."

"It's almost impossible," Starnes concluded, "for a murder to take place and have no one know about it. Somebody knows something and they're not talking, either because they're involved in the crime or they're afraid of the people who are."

LaLonde, a 24 year old

former teacher, had been living in Union Lake for some time, and reportedly had taken at least one trip to Jamaica before his body was found, partially clothed in a section of woods along Novi's Meadowbrook Road north of 12 Mile.

Starnes urged anyone who had any knowledge of LaLonde, his whereabouts before April 5, or his murder, to call the Novi Police at 349-2444.

Wixom Receives Assessment Roll

The Michigan State Tax board has returned Wixom's controversial tax roll to the city, Mayoral Assistant William Travis said Tuesday.

"The roll came in Monday," Travis said, "but as yet Oakland County has not assigned an equalization factor."

Travis was unable to quote a total assessed valuation for the city due to the fact that the

roll was totaled only by subdivisions and not for the entire area, he said.

"Oakland County has the document before them," Travis said, "and we don't know when they'll assign us a factor."

The city will not be able to send out tax bills until an equalization factor is determined, he explained.

MIDDLE SCHOOL — If you haven't looked lately, chances are the sprawling building taking shape near Taft and 11 Mile Road will be somewhat surprising. It's Novi's new middle school, located a little southwest of the high school. While construction appears to be rapidly

progressing, Novi officials nevertheless are concerned that it may not be ready for occupancy by the time students return to school. When it is opened and fully operational, it will house grades six through eight.

Dale May Recommend New Principal Monday

A recommendation by the superintendent of hiring of a new high school principal is expected to be made Monday.

Superintendent Thomas Dale told board of education members this week that he will be prepared to recommend his choice for principal Monday following a review of candidates this past Wednesday by a special board appointed committee.

Some 12 candidates for the post, formerly held by Gerald Hartman who was fired, have been interviewed over the past several weeks, Dale reported. Three of them appear favored by the committee — composed of board members, administrators and a teacher.

Names of the candidates have not yet been publicly

disclosed. Meanwhile, the board this week accepted the resignation of two high school teachers — Rick Stannard, instrumental music, and Fred Gerhardt, teacher-coach.

According to Dale, Stannard plans to return to graduate school, while Gerhardt was quoted as saying he no longer fits in the Novi school system.

The board went on official record in sustaining the decision of the Oakland County Tax Allocation Board in permitting school districts, such as Novi, to use that portion of the 15-mill levy not otherwise allocated.

Specifically, it involves locally the 1-mill formerly levied by the township before incorporation of the city.

According to the superintendent, this 1 mill produced some \$48,695 additional school revenue in the past.

The allocation board decision is currently being challenged by the City of Birmingham, which reportedly would like the additional mill for itself.

Adoption of a health education series, from kindergarten through ninth grade, was tabled pending review of the series, published by Laidlow Publishing Company, which has been recommended for purchase by the superintendent.

The complete series would cost \$4,233.

In moving to table, Trustee Vern DeWaard took the administration to task for failing to provide information on the series prior to

Monday's meeting. He said he was "sick and tired of getting things" on the night action is to be taken thus making it impossible for the board to adequately study the data.

Later DeWaard also lashed out at the Detroit Edison Company for its request that it be granted permission to use school buildings in cases of disasters in or near the community. He said he favored use of the buildings by Civil Defense — but not by Detroit Edison, which he said has been giving the board of education difficulties (i.e., rates, bills) for the past three years.

In other business, the board formally named the National Bank of Detroit as depository for school funds, and it voted to continue holding regular board meetings on the second and fourth Mondays of the month.

Board members also were informed of rebidding on tax anticipation notes because of failure to properly advertise for bids earlier. Opening of the bids has been set for Wednesday, July 28.

General fund bills of \$13,138.34, 1968 building and site fund bills of \$167.80, 1970 building and site fund bills of \$312,621.03, and lunch fund bills of \$1,224.70 were approved for payment.

Dale reminded board members that school districts have been requested to set their operational millage levies prior to August. The request means, therefore, that the board is likely to act on establishing the local levy at next Monday's meeting.

The superintendent, explained however, that while the state is requiring a levy figure by August 1 it will permit revision of the figure at a later date.

In clarification of a published report in this newspaper concerning the concept of a middle school, Trustee Robert Wilkins emphasized that as adopted locally the concept means the Novi Middle School will house sixth through eighth grades — not seventh through ninth as reported.

They're Free

Clinics Held Monthly

Kids didn't think too much of the idea but to parents in Wixom and surrounding areas, the Free Immunization Clinic held last Tuesday was a big step forward.

Through the auspices of the Oakland County Department of Health, the Walled Lake Jaycees and through volunteer services of area doctors, the free clinic will be held the first Tuesday of each month at the First Baptist Church of Walled Lake. Hours will be from 9 a.m. until noon. Parents are urged to contact family doctors for immunization records and take advantage of the service. If the need is shown for this type of clinic, it will continue with the hope of it growing into a "well baby clinic" offering services to those families with limited incomes, on welfare or ADC. All immunization shots are offered free of charge to infants, pre-schoolers and students up through college level. With the broad range of

innoculations required on entering school, a parent can save a goodly amount of money just by taking

advantage of the services offered to the community through the program, officials point out

Plan Dog Show For Gala Days

A children's dog show, sponsored by the Novi Heights Association, will be held during Novi's Gala Days celebration. The show is set for Sunday, August 22, at 2 p.m.

To be entered, dogs must be licensed, on a leash and handled by children. The show is not open to professionals. "We urge children to enter their family dog in the show," Mrs. Lloyd Huotari, spokesman for the association said. "The dogs do not have to be registered," she pointed out.

Classes will be divided into age groups of the handlers — six-years-old to nine, 10 to 12 and 13 to 16.

An entry fee of 25 cents for each entry of each dog will be charged the day of the show. Dogs will be judged according to cutest dog, costumes of dog and owner, best trick and best groomed by owner. A surprise category will be announced the day of the show.

An advanced obedience demonstration will also be presented that day, Mrs. Huotari said.

RAID—More than 30 officers participated in a narcotic raid Friday night, led by the Novi Detective and Narcotic Bureau, at 26445 Adell Boulevard near I-96 in Novi. Some 40 people were arrested, four on charges of possession of marihuana. Weapons and a quantity of other drugs were confiscated.

'Safety Town' Spells Safety in Small Town

RAPT AUDIENCE STUDIES VISUAL AID

A giant step toward the safety of children in our streets has been carried out this week by the South Lyon Jaycees.

A few years ago, the Flint Jaycees with the blessings and funds of the prestigious Mott Foundation, undertook a project they called "Safety Town". This permanent miniature city provides for detailed instruction in pedestrian, bicycle and other safety facts children should know and execute in order to safely travel within a city's limits.

In Flint the money available has made the scope of the venture something beyond the reach of small-town local Jaycee organizations. They cannot afford, for example, to pave all streets in their miniature Safety Towns and provide small cars for the children to use in actually travelling

those streets to learn safety concepts firsthand.

Local Jaycees can, however, do as the South Lyon organization has, and carry out almost as effective a program on a greatly reduced scale.

Nearly 100 South Lyon area youngsters took part on Monday, Tuesday and Wednesday of this week in the local Safety Town. First, they observed visual aids (hand puppets, signs, movies, etc.) operated by the skillful hands of Michigan State Police Inspector Charles Kenney.

After the visual aids portion of the program, one group would leave the South Lyon Fire Hall and another would replace them. At that time, the first group entered the small-scale, yet elaborate Safety Town erected by Jaycee labor from donations received from over a dozen organizations and business people in the community. Boy

Scouts, provided by Scout Leader Jack Esarey, rode bicycles on the streets of this town and obeyed all the signs posted within it. Included was an electric traffic light provided by Inspector Kenney for instructional purposes.

The efforts of the South Lyon Jaycees, under the leadership and direction of project Chairman Dan Saley and the talented hands and pure sweat of fellow Jaycees and Auxiliary members, could provide the impetus to other area Jaycees in beginning similar Safety Towns to aid local schools in providing children education in safety.

This will be a permanent city in that the Jaycees can quickly dismantle all buildings and store them until next year. At that time, based on the success of this year's venture, they hope to provide asphalt streets and a bigger and better town.

Township Airs Request For Multiples Tuesday

A request for rezoning to permit construction of 890 townhouse units on the north side of Six Mile Road near Waterford Lake will be aired at a public hearing of the township planning commission Tuesday, July 27.

The meeting will begin at 8 p.m. in the township hall.

Presented by Thompson-Brown Developers, the proposed 153-acre site is located directly north of Northville Commons Subdivision, also developed by Thompson-Brown.

Plans call for rezoning the land to RM-1 to permit

construction of two and three bedroom townhouse units. Presently the land is zoned single family, low and medium density multiple family.

Developers plan to construct 398 townhouse units and 492 quadruplex (four unit) dwellings. Also included will be approximately 20 acres of open space and a 17-acre buffer zone of office buildings between the residential and commercial areas.

Thompson-Brown spokesmen note the proposed complex is approximately 300 units more than planned when single family homes were included in development.

Density is estimated at 5.67 units per acre figured on all land to be rezoned, or 8.75 units per acre of actual land to be built upon.

Thompson-Brown currently has under option to buy 40 acres of land adjacent to and including part of Waterford Lake, west of the proposed development. The land is included in that up for rezoning. A spokesman for the company said that of the 40 additional acres, 36 are in water.

The developer explained that Thompson-Brown would own the Waterford dam if the additional land was

purchased and could maintain a water level in the lake and not allow the lake to dry up for the company, said they

Robert Fox, a spokesman are requesting the rezoning from single family units to multiples "because of what has happened to the housing market in the past two years."

"Construction costs have increased and the single family market is dimming."

He added that there have been 218 multiple dwellings built in Northville city and township this year compared to 80 single units.

City Council Minutes

NORTHVILLE CITY COUNCIL MINUTES

July 6, 1971

Mayor Allen called the regular Northville City Council Meeting to order on Tuesday, July 6, 1971, 8:10 p.m. in the Northville City Hall.

ROLL CALL:
Present: Allen, Folino, Lapham and Nichols. Absent: Rathert (excused).

ACCEPTANCE OF MINUTES:
Minutes of the regular meeting of June 21, 1971 were accepted as submitted.

APPROVAL OF BILLS:
Moved by Lapham, support by Folino, to approve bills in the following amounts:

General Fund	\$19,055.79
Debits	
Motor Vehicle Highway Fund	2,253.12
Local Street Debits	16,828.64
Public Improvement Fund	
Debits	2,374.81
Water Fund Debits	7,150.62
U.C.	

COMMUNICATIONS:

(a) Letter from Robert N. Foster, Northville Jaycees, requesting permission to use the park area in rear of City Hall on July 30 and 31, 1971 for an Auction. Mr. Foster was present to answer any questions concerning this request.

Moved by Folino, support by Nichols, to approve Northville Jaycees' use of City Park (rear of City Hall) on Friday, July 30 and 31, 1971 for an Auction, with the understanding they will have proper insurance and will clean the area when Auction is over.

U.C.

(b) A letter of thanks and acknowledgement to the Northville City Council for their contributions to the Water Kasser.

(c) A Resolution received from Wayne County Treasurer's Office.

Moved by Folino, support by Lapham, to approve the Resolution submitted by the Wayne County Treasurer requesting the Dept. of Conservation to withhold from Auction Sale the state-acquired properties in City of Northville and enable the owner of such to apply for a re-conveyance under the provision of 131C, Act 206, Public Acts of 1893, as amended.

U.C.

(d) City Mgr. reviewed the minutes of the Northville Twp. Board Meeting of June 22, 1971, calling Council's attention to the matter of possibility of Joint Police Service for City and Township of Northville.

(e) City Mgr. reviewed his Memo No. 7-7 relative to Costs Analysis of Green property for parking spaces.

(f) City Mgr. reviewed copy of letter sent to Council explaining the Police Grant from the State Highway Planning Dept. — \$30,000 this year, slightly less each year after that. This grant makes possible 2 men doing the traffic safety work and adding two new to the BOARD & COMMISSION MINUTES.

Housing Commission minutes for April 28th and May 8, 1971 were placed on file.

Zoning Board of Appeals' minutes for June 2, 1971, were placed on file.

Planning Commission minutes for June 17, 1971, were placed on file. City Mgr. reviewed part of the Public Informational Meeting on Northville Square sponsored by the Planning Commission on June 29th.

PARKING DECK IMPROVEMENTS.
City Mgr. explained that parking deck construction is finished. There is no fence around upper deck, east and west end. Door possibly should come off stairway — building storage space in rear of stairway. Building Authority members Amerman and Freydl were present for this discussion.

Mr. Amerman felt that it is important to keep the deck parking area tidy and clean. He suggested the following:

(1) Remove door at bottom of stairway — possibly other door.

(2) Storage area be installed at bottom of stairway.

(3) Clean up total area — place trash containers.

City Mgr. to send a letter to each merchant encouraging them to have their employees use the deck parking. Mr. Amerman felt a sign "Municipal Parking — Free" should be installed as soon as possible.

Moved by Lapham, support by Folino, to allow negotiations with Scouts or other organizations to charge for parking on lower level, encourage parking on lower level by merchants during daytime, 2-hr. time limit for upper deck parking if necessary, earmarked for parking — negotiate charges.

U.C.

Mayor Allen asked about a written agreement with owners of the Bowling Alley on S Center St. for ingress an egress on corner lot next to Deck parking — City Attorney to take care of this.

Councilman Folino inquired as to possibility of teen-agers painting the walls of lower level of deck parking with murals or some similar project.

PROJECT
City Engineer had prepared a list of streets that need joint sealing or slurry seal, the last page listed streets that need re-capping. If this list is done it

LEGALS
State of Michigan
The Probate Court for the County of Oakland

Estate of Mary E. Kay, Deceased
It is ordered that on September 14, 1971 at 9 a.m., in the Probate Courtroom Pontiac, Michigan a hearing be held at which all creditors of said estate are required to prove their claims and on or before such hearing file their claims, in writing and under oath, with this Court, and serve a copy upon Donald B. Severance, Administrator, 392 Fairbrook Ct., Northville, Michigan 48167.

Publication and service shall be made as provided by Statute and Court Rule Dated June 29, 1971.

617,976

ESTATE OF PETER STANKO, Deceased
IT IS ORDERED that on September 15, 1971 at 2 p.m. in the Probate Court room, 1310 Detroit, Michigan, a hearing be held at which all creditors of said deceased are required to prove their claims. Creditors must file sworn claims with the court and serve a copy on Ernie S. Stanko, administrator of said estate, 36518 Curtis, Livonia, Michigan prior to said hearing.

Publication and service shall be made as provided by statute and Court rule Dated July 7, 1971.

George N. Bashara, Jr.
Judge of Probate

Joseph A. Pettit
Attorney
18451 Joy Road
Detroit, Michigan 48228 10-11-72

would bring all streets in the City to a good level of maintenance, cost would be \$72,000. There is a possibility of assessing some of this work. Slurry seal would be done the first or second year.

Moved by Folino, support by Lapham, to waive bids in the best interests of the City for street joint-sealing program as listed.

U.C.

Moved by Lapham, support by Nichols to extend last year's contract for joint sealing to be done by Conco Midwest — this work to be \$11,081.

U.C.

As per City Mgr.'s recommendation, Council authorized City Mgr. to advertise for bids on asphalt patching repairs to City Streets as listed by Engineer.

REVIEW OF DRAINAGE ORDINANCE.
Council members to review this ordinance carefully — possibly it could be worked in with Subdivision Ordinance. Drainage District Board to check it. City Atty. to also check.

CENTER ST. NEW CURBS:
City Mgr. reported that estimated cost for new curbs on Center St. from Cady to Dunlap Sts. would be \$4500 to \$5500, with County doing work and City paying 50 percent or a maximum of \$2750.

DISTRICT COURT BUDGET.
City Mgr. reported that City owes just over \$6,000 and the amount due the City is \$3395.74.

Moved by Nichols, support by Folino to approve \$6237.21 for 1970 Court expense.

U.C.

Judge Davis sent a copy of the Audit concerning procedure of Court. Controls for probation were not what they should have been. This is to be watched very carefully in the next few weeks (3 months).

Moved by Nichols, support by Lapham, to authorize Mayor and City Clerk to execute an agreement between the City of Northville, City of Plymouth and Plymouth Twp. for pro-rating District Court expense, namely in the same proportion as the number of cases entered and commenced in the district control unit bears to the number of cases entered and commenced in the district; contingent upon assurance from Judge Davis or accountants that this matter in the audit has been corrected to the satisfaction of the City of Northville.

U.C.

City Mgr. reported that salary schedule for 1971-72 has been examined by himself, Mayor Allen and

Councilman Nichols. Other communities in the District Court are paying Court salaries retroactive to Jan. 1, 1971. Following discussion of alternatives, City Mgr. recommended that the 1971-72 Court budget be approved with pay increases effective July 1, 1971.

Moved by Folino, support by Nichols, to adopt District Court No. 35 budget for 1971-72 with pay increases effective July 1, 1971 (3rd quarter payment — \$3,189.44 less retroactive pay prior to July 1, 1971).

U.C.

BURGLAR ALARM SYSTEM:
City Mgr. reported that a number of requests have been received over a period of years for an alarm system. He reviewed the communication from AAA Security Alarm. Systems and recommended that this matter be referred to the City of Police and himself for a thorough study, including other companies.

APPOINTMENTS TO COMMISSIONS:
Moved by Folino, support by Lapham, to re-appoint following persons to Commissions, subject to their acceptance.

PLANNING COMMISSION (3-yr terms): Charles Freydl, Jr., John R. Jackson, Francis Gazlay.

BOARD OF APPEALS (3-yr terms): Sydney Frid, Ray Weisfall, Douglas Slessor.

BEAUTIFICATION COMMISSION (3-yr terms): Milo Hunt, Ed Welch, Mrs. John Brukman.

U.C.

MISCELLANEOUS:
(1) City Mgr. reported problems with pressure at the Water Tower the previous week. He is to contact Mr. Remus of the Detroit Water Board for an appointment to discuss this matter.

(2) City Mgr. and Engineer Penn discussed the alternate plans for the Randolph Drain District. City Mgr. explained possibilities of a recreation area in this vicinity. Further study of this and place on July 19th agenda.

(3) Sides of deck parking structure should be treated — Engineer Penn explained the process.

(4) Councilman Folino asked about streets and roads in Northville Estates; City Mgr. said some patching has been done and some is being planned.

There being no further business, the meeting was adjourned at 11:20 p.m.

Attends Camp

Scott L. Kresin, son of Mr. and Mrs. George L. Kresin, Jr., 38632 Southfarm Lane, is attending the second session of The Citadel Summer Camp for Boys at Charleston, South Carolina. This session opened July 11 and will end August 6.

While at The Citadel Summer Camp for Boys, campers participate in physical activities through the medium of sports. They live in barracks and have full supervised use of all facilities used by cadets during the regular school session.

Marksmanship, swimming, sailing, scuba diving, skeet shooting, tennis, and soccer are among the many popular sports offered by the camp. The camp program emphasizes basic principles of duty, patriotism, honor, and religion, although sports fill most of the day's routine.

The camp, which was founded in 1957, has been oversubscribed at practically every session. Approximately 220 11- to 15-year-old boys attended the first session and 230 are now participating in the activities of the camp's second session.

College Receives State Aid

State Representative Marvin R. Stempien reports that Schoolcraft College will receive its July state aid payment of \$181,000. Payments are made periodically throughout the year through the Department of Treasury.

"The state aid," Stempien said, "is an important source of income for Schoolcraft and other community colleges in the state. Although state funds are limited at the present time," he said, "I will do everything possible to see that Schoolcraft and other community colleges receive sufficient state aid for the coming fiscal year."

"The community college performs a vital educational service to the community. They make it possible for students who cannot afford to attend other colleges and universities to obtain advanced education. Schoolcraft has done an outstanding job for the community. It deserves and needs this state assistance to carry on its work."

According to Stempien, who is a member of the House Appropriations Committee, the Legislature is presently working on a bill which covers community college appropriations for fiscal 1971-72.

Dancers Perform At College

Festival dancers of Detroit's Jewish Community will be featured Sunday as part of the Summer Events Program at Oakland Community College. Appearing with them will be the Harbinger Resident Dance Company of the Detroit Community Music School.

Other activities scheduled this week include a rock concert by the Black Pomojas and the classic comedy film "Our Man in Havana" with Alec Guinness, Ernie Kovacs, Burl Ives and Maureen O'Hara.

Performances will begin at 8 p.m. at the Orchard Ridge Campus (1-696 and Orchard Lake Road). Admission for the general public is \$2 for all events except the film festival. Film tickets are 75 cents each.

Tickets for OCC students with I.D. cards are \$1. OCC students will be admitted to the film series free upon presentation of their college I.D. card. A special family plan is available on Sundays—an entire family will be admitted for \$4.

Included in this week's program are:
Thursday, July 22—films: "The Paleface" with Buster Keaton; "The Fireman" with Charlie Chaplin; "Two Tars" with Laurel and Hardy; "Pool Sharks" with W. C. Fields; "The Floorwalker" with Charlie Chaplin.

Friday, July 23—Three one-act plays: The Zoo Story, Sarah and the Sax, Interview, (starts at 8:30 p.m.)

Sunday, July 25—Two Dance Companies: "Festival Dancers of the Jewish Community Center" and "Harbinger Resident Dance Company of Detroit Community Music School".

Wednesday, July 28—Rock Band: Black Pomojas.

Thursday, July 29—film: "Our Man in Havana" with Alec Guinness, Ernie Kovacs, Burl Ives and Maureen O'Hara.

—NOVI HIGHLIGHTS—

By MRS. H. D. HENDERSON

Glen Salow Sr. has been a patient in Botsofrd Hospital for the past two weeks. He is in Room 505B.

Lt. Frank Steinberger has returned to his base in California after 10 days of vacation with his parents. Mr. and Mrs. Edwin Steinberger while here Frank and his father went on a fishing trip to the Temagami Reservation area in Northern Canada. The Lieutenant also visited his grandmother, Mrs. Foutty in West Virginia.

Mr. and Mrs. James Haas of West Grand River have been entertaining the former's parents, Mr. and Mrs. George Haas of Pompano Beach, Florida, for the past two and one-half weeks. Among other things they attended the wedding of Charles Haas, brother of James Haas, in Detroit.

Mrs. Genevieve Hazleton is ill and in the University Hospital in Ann Arbor.

Mr. and Mrs. Richard Sigbee and children and Art Sigbee and his friend spent the week end with their brother Dan and family at Clare.

Among the returning vacationers was the James Wilenius family who spent eight days touring through Kentucky and parts of Tennessee, which included the Mammoth Cave and the Falls.

Patricia Erwin, daughter of Mr. and Mrs. Edward Erwin, was one of two chosen from Michigan State Horticulture Department to attend

Longwood Garden Summer Laboratory at Pennsylvania Kenneth Square. Patricia will be there for ten weeks this summer. This fall she will return to Michigan State for her third year where she is majoring in Horticulture.

Kathy Erwin graduated from the University of Michigan, is attending summer school there working for her Masters. Kathy is also a daughter of the Edward Erwins.

Saturday evening Mrs. Hildred Hunt entertained several friends at two tables of pinocle and dessert lunch.

Leon Dochot spent last Thursday and Friday at East Tawas and the several surrounding towns.

Mrs. Lancy Henderson accompanied her son and daughter-in-law, Mr. and Mrs. Edward Rix, of Plymouth, on a trip to Paquette Camp near Chapeau in Ontario, Canada. The camp is owned by Mrs. Henderson's niece and her husband Mr. and Mrs. Leo Blocher. The Rixes went on a fishing trip with camp guide, Paul Paquette and were rewarded with seven big northern pike. The Rixes and their mother also drove for ten miles in the Game Reserve among wild animals observed was a moose.

Louis Tank, who has been a hospital patient in Redford Community Hospital for the past three weeks returned home this past week end. He is feeling much better.

Pastor and Mrs. Arnold Cook spent last week visiting the latter's parents Mr. and Mrs. Horace Kirk at Cedar Grove, Tennessee. Returning with Mr. and Mrs. Cook were a nephew, Wendell James

from Lexington and a niece, Karen Cook from Milan, Tenn.

Mrs. Hildred Hunt, Mrs. Dolly Alegiani, Mr. and Mrs. Russell Race and Mrs. Laney Henderson were the house guests of Mr. and Mrs. Harold Miller at Rose City for a couple of days last week. The Millers formerly lived on West Grand River, Novi.

Dianne Meyer, eight year old daughter of Mr. and Mrs. Hank Meyer spent several days last week in St. Marys Hospital, Livonia.

Mr. and Mrs. James Curvin of Novi Road announce the birth of a daughter, Lisa Marie born Saturday, July 17th at St. Marys Hospital. The Curvins also have another daughter, Dawn, three years old.

The maternal grandmother is Mrs. Pat Schultz and the paternal grandparents are Mr. and Mrs. Robert Curvin of Northville. The great-grand mother is Mrs. Marie LaFond of Twelve Mile Road.

Mrs. Albert Bramer of Flint was the over night guest of her grandmother, Mrs. Marie LaFond on Saturday. On Sunday Mrs. Bramer visited the Cecil La Fond's on Old Plank Road.

Novi's own Mrs. Midge Cova won the Women's Metropolitan Golf Association Tournament of the season, playing on the Bob-O-Link course owned by her husband in Novi.

This is the second time Mrs. Cova won the tournament. Mrs. Cova fired a 39-44-83 on the par 76 course to beat Mrs. George Schade, of Howell and Mrs. David Mortimer, of Birmingham who won the last six tournaments, by three strokes each.

Sunday dinner guests of Mr. and Mrs. Connie Konetsky were Mrs. Patricia Schultz, Mrs. Marie LaFond and little Dawn Curvin.

David Bumann, son of Mr. and Mrs. Orland Bumann, joined the U.S. Navy and left last week on Tuesday for basic training at Great Lakes.

Douglas Erwin, son of Mr. and Mrs. J. W. Erwin has returned from a month of vacation. He visited his Aunt Mrs. Lydia Upton in England, and he spent some time with exchange student, Fritz Zrooman, in the Netherlands, and he also visited in Wales.

Mr. and Mrs. James Erwin made a trip to Romney, New Hampshire to visit Mr. and Mrs. Milton Hanks, and Mrs. Edna Hill. Friends will be interested to know that Mrs. Hanks health remains about the same.

For five days last week Mr. and Mrs. Orland Bumann and son Matthew, and the latter's mother Mrs. Lucille Weeks visited Mrs. Arthur Rock at Hartford. Mrs. Rock is the sister of Mr. Bumann and the daughter of Mrs. Weeks.

NOVI GOODFELLOWS
The Novi Goodfellows are scheduled to meet tonight, Thursday, at the Rosewood. Topic for discussion will be about Gala Days in August.

UNITED METHODIST CHURCH OF NOVI
Continuing through the summer months church services and Sunday School at 10:00 a.m.

Mrs. Louis Larson was the greeter this past Sunday, and Craig Pelchat was the acolyte.

The M.Y.F. will meet at the church next Sunday, July 25th, from 3 to 6 p.m. Next

Sunday sermon is entitled "Our Shepherd" Text John 10-14-18.

All meetings, services, and activities will be announced weekly and posted on the bulletin board.

During the summer if unable to reach your minister call either Leon Blackburn at 474-8504 or William Fox at 349-2732.

HOLY CROSS EPISCOPAL CHURCH
On Sunday, Holy Eucharist at 7:00 a.m., and at 11:15 a.m. Prayer Service. These services will continue during the summer months.

Prayers were said for Louis Tank, Dorothy Farah, Mrs. Oberg and Leonard Calvert (Mrs. Harding grandfather).

Thursday July 22nd, The Feast Day of St. Magdalene will be celebrated with Holy Eucharist at 10:45 a.m.

Every Sunday night at 8:00 p.m. the A.A.A. will meet in St. Thomas Hall at the church.

NOVI SENIOR CITIZENS CLUB

The Senior Citizens will have a picnic at the Willows, Cass Benton Park, next Tuesday July 27th. Bring own dishes, a passing dish and beverage. All senior citizens in Novi are welcome to attend this picnic. Meet at 12 o'clock sharp.

BLUE STAR MOTHERS
Novi Chapter 47, Blue Star Mothers will meet on Thursday August 5th, with Betty Sigbee and Nancy French as hostesses. Place of meeting will be announced later.

The following Blue Star Mothers went shopping for the

Veterans on Thursday this week. Hazel Mandik, Debby Mandik, Alma Klasner, Helen Burnstrum, Jerry Kent Florence Lynes and Alice Ritter escort service.

BOY SCOUTS

Novi Boy Scout Troop 54, had a court of honor last Wednesday. The following boys received awards: Tenderfoot, David Lindley, George Haff, Rod Beers, Mark Meyer, Randy Lippert, Richard Rusche.

Second class—Dennis Burnham, Steve Sensoli, John Buck.

First class—Kerry Fear, Steve Bell and Randy Rice.

Life—Tom Wilkins. Merrit badge, First aid—Tim Macaluso, Steve Lindley, Peter Meyer, Heinrich Meyer. Tom Meyer, Tom Bell.

Swimming—Dave Bumann, Mark Bumann, Ron Buck, Jon Buck, Bob Brow, Heinrich Meyer, Dennis Burnham, Steve Bell, Kerry Fear, Randy Rice. Canoeing—David Fletcher, Personal Finance—Tom Meyer. Music—Steve Bell. Fishing—Tom Bell.

Citizenship and community, and citizenship in the nation. David Fletcher.

Novi Boy Scouts and their leaders are leaving for a ten day camping trip on Friday July 23 for ten days camping at Point Charles on Lake Huron.

FIRST BAPTIST CHURCH OF NOVI
Pastor and Mrs. Cook returned this week from the Annual Family Bible Conference held at Camp Nathanael, Emmalena,

Kentucky. While there Pastor Cook spoke on "Our Nation in the 70's" and showed pictures of the Holy Land Tours in the evenings. Plans are being made to encourage other church families to attend next year with their campers.

The following young people left for the 1971 Music Week at Camp Barakel—Denise Stipp, Judy Thomas, Vicki La Plante and Valerie Wilenius. They were accompanied by Flint, Michigan by Mrs. Dan Thomas and Mrs. James Wilenius where they met the camp bus.

The Men's Fellowship group sponsored a "Ladies Day" on July 17th and were hosted by Mr. and Mrs. Ray Warren aboard their boat "Warren's Retreat". About 20 guests went for a trip on Lake St. Clair and had a picnic lunch aboard ship at Metropolitan Beach. They left at 9:00 a.m. and returned late in the evening. As there was a limited number who could participate, all those interested in another similar day in the near future are asked to sign up with President, Chuck Stewart Ma4-4121.

Vera Vaughn Circle held their July meeting in the home of Mrs. Charles Stewart on 13 Mi Rd. Special guests were Mrs. Betty Moneyham from Farmington Baptist Church, Mrs. Judy Wakefield from Westland and Mrs. Lucile Martin from Northville Baptist. They shared their plans and projects from their ladies groups for the year.

Mrs. Ella Karschnick was presented with a shower of canned goods to take with her when she leaves with her

family for Appalachian Bible Institute. President Eve McCormick wedding anniversary was celebrated with a specially decorated cake and presented with a gift from the ladies.

Faith chorus sang "Above all Else" for the Sunday Morning service and other special music was presented by Girls Trio, Barb Bellefeville, Janet Warren and Carolyn Sannes who sang the Scottish version of "The Lords Prayer" in the evening service. Peg Stewart and Karen Clarke sang "Feed my Lambs".

Two new choirs are being formed this week by Linda and Loretta Cook. The girls choir involving girls 8th - 12th grade will meet on Sunday evening from 5 to 6 p.m. and Junior choir will meet on Friday morning from 10 a.m. to 11 a.m. and is for all boys and girls from 2nd - 7th grade. For additional information call 349-3477.

Young people of the Church returned Saturday evening from their annual canoe trip. Those attending from the church were Randy and Les Thomas, Wayne Lynn, Faye Qualls, Barb and Linda Bellefeville, Marsha Cook, Wendell James, Karen Chapman, Janet Warren, Jean Coble, Larry King, Mike Batt, Steve Roberts, Mike Kahler, Eric Karschnick, also exchange students Leanne Megens and Jose Vial from the Netherlands.

Everyone is reminded of the important business meeting on July 28, and items for the agenda must be in immediately. All groups are encouraged to have reports ready early.

Wixom Newsbeat

Wixoms Lunch at Ford

By NANCY DINGELDEY

The William Wixom's of Keokuk, Iowa spent a few more days with us last week before packing up their trailer and heading home. We hope they have taken with them a little of the spirit of our town and maybe they'll come back and visit again.

On Wednesday they had a tour of the Ford Plant and enjoyed a luncheon with Joe Tighe and Mark Pursell in the executive dining room. A pity... no samples of the luscious new Ford models were given out.

On Thursday, they joined Helen Tillman, daughter Kathy, my kids and with me as driver, headed to Greenfield Village and a tour of the museum. It was a shame it was raining because I think they would have enjoyed the Village. Or was it me that would have enjoyed the village... perhaps my kids are too young for museums. At the end of the day I was advocating year 'round school!

It appears that the recreation program being offered to the younger set is fast on its way to being a great success. Every morning I get calls from the youngsters in the neighborhood before my "bus" leaves... they're really anxious to participate and look forward to going. I think it's great and my thanks to the Parks and Recreation Commission for deciding to go ahead with the program.

The summer library program is drawing more children each week. It's a great opportunity for the kids to do a little "exploring" through books. Story hour begins at 1 p.m. each Wednesday with time for checking out books up until 3 p.m.

The fluoride program offered through the school system has drawn a great response from local parents. I got the impression from my two that the fluoride didn't taste too great... something like that Listerine commercial... I use it but I hate it. But, they surely were

proud of their shiny white teeth after it was all over. If you missed signing up for the program and are interested in more information, call 624-0202 (Curriculum) and they may be able to fit you into the program.

Mishaps over the weekend took their toll of local youngsters. John Burrows of Hopkins Drive slipped from the railing of the diving board at the Birch Park Beach and caused a lot of concern to the people who witnessed the accident. John, who was under doctor's care for a concussion, was rushed to the hospital but released shortly after an examination.

Saturday just must not have been a good day. Kevin Prevel, spending the summer at the Finn Camp, gashed his foot and had to be rushed to the hospital for some stitching. In the meantime, my oldest took a spill, or in the vernacular of the day, "wiped out" on his bicycle as he was coming down a hill. The mad dash to the hospital with him to close a gash in his leg... seven internal and twelve external stitches.

Judy Kimmel is home after a "glorious but too short a stay" at the Sheraton British Colonial Hotel in Nassau, the Bahamas. Our "favorite kindergarten teacher" Lois Moore took the jaunt with Judy and together they toured the shopping stalls besides taking the boat tour to Paradise Island. It's a fascinating, very colorful island and the time goes by all too swiftly.

Kevin and Craig stayed in Toledo after spending some time both in Indiana and with Judy's folks in Ohio.

Betty and George Baron of Hopkins Drive are home after four days in International Falls, Minnesota where they joined a family reunion of the Baron family.

The whole "crew" was there... collected from California, Montana, Illinois and the Dakota's. Must be great to have a huge family. Betty said that "most" of the family stayed at the new

Holiday Inn there and it sounded like one great big party for the whole four days.

On the way home they stopped at Mackinac Island bringing back niece Pamela Baron to spend some time with them here.

So far, she and Aunt Betty have gone to Greenfield Village, Cranbrook, Top of the Flame and hope to manage an evening at Meadowbrook. Betty's two daughters, Pamela and Denise are spending the summer with their grandparents in Bartow, Florida. They are expected back the first of August.

If parents hang around mail boxes long enough and send mental messages the kids are bound to come through with something. Letters from France are coming a little more regularly now, mostly complaining about the food. Chris Keljo wrote that she didn't eat dinner for two nights. I guess she decided to pass up squid and rabbit. What is it about dorm food?

She also said that they "push potatoes and bread" and that the lemonade bought in stores tastes like 7-Up. "French" laundry also seems to be somewhat of a problem and the iron needs help! It has no heat control and it just keeps getting hotter. Pulling the plug doesn't seem to do the trick.

The kids are being kept busy but reports are sketchy to say the least. One gal reported "they went on a picnic. (period). Mother says "Where?". Another, "We went to Heidelberg, Germany." (Period). Nothing about the City or that Heidelberg University is one of the oldest educational institutions in Europe. I guess we're supposed to know all that.

However, Switzerland was rated the most beautiful

country visited and while there the group took a midnight cruise "down a river".

"It's a wonderful country with lots of lakes and the people are so friendly."

They also saw Mt. Pilatus (and there's a story to that naming only it escapes me for the moment). Back in Strausburg — school is lots of fun and the teacher is great. The weather has been hot and humid, the streets are narrow and lined with old buildings and probably best of all "we're getting a lot of studying here". Fireworks and dancing in the street for two nights preceding Bastille Day brought gaiety and excitement to the City.

Next on the list of "things to do" is a party in honor of the AIF students which will be held in Luxemburg. The Western Group was chosen from among the 150 American students studying in France, most of which are from private schools, to attend the party.

Bertha and Frank Robison of Potter Road hosted a picnic on Saturday for 24 members of their "Square Club". It is made up of Ford Motor Company employees belonging to the Masons. It was a great afternoon of conversation a little pinocle and friendship.

Get well wishes go to Gwen Korthas who is recovering from pneumonia at Annapolis Hospital in Wayne. Hope to see your smiling face around town real soon, Gwen.

And congratulations to

Police Blotter

Accident Injures Two

In Northville . . .

Two women were injured Tuesday morning when the cars they were driving collided on Eight Mile Road just east of Taft at 10 a.m.

Diane L. Diedrick of Plymouth was taken to St. Mary hospital where she was treated for cuts and bruises and released.

Margaret Welby of Detroit was treated at Botsford Hospital for possible head injuries, cuts and bruises.

According to city police reports, Mrs. Diedrick had stopped at Randolph Street and Eight Mile and was proceeding to cross Eight Mile to make a right turn into the Boron Gas Station when the accident occurred.

Mrs. Diedrick told police she did not see Mrs. Welby, who was westbound on Eight Mile, and pulled in front of her. No tickets were issued.

A tape deck and FM converter were stolen Monday night when a car parked at Northville Downs was broken into.

Errol Berkley of Royal Oak told police unknown persons forced open one of the car windows to gain entrance to

the vehicle.

The theft occurred between 9 p.m. and 11:30 p.m.

A ring and watch valued at more than \$170 were taken from the Northville High pool office last Thursday.

According to reports, Bernie Bach told police the theft took place between 3 p.m. and 5 p.m.

City police investigated an attempted break-in at the Village Coin Laundry at 202 West Main Street. The break-in was discovered July 14 at 8 a.m.

Investigating officers reported a wood panel had been broken out of the front door and pry marks were found on the door. No entrance was gained, police said.

Two bicycles were reported stolen from 217 West Dunlap Street during the past week.

A boy's orange and black 20-inch stender with a chrome front fender and a girl's blue bike with a peddle missing were taken, police said.

Patrolman Ronald Kellerman was taken to Wayne County General Hospital shortly before 8 a.m.

Friday after he blacked out in the police station.

Patrolman Kellerman underwent tests at the hospital and was released Friday afternoon.

In Township . . .

Furniture valued at \$300 was stolen Sunday from Northville Commons sales office at 42026 Banbury Road.

Entrance to the office was gained through the garage, township police said. Missing are two black leather love seats and a matching occasional chair.

Township police recovered an escaped Northville State Hospital patient Sunday afternoon in Highland Lakes on Seven Mile Road.

The man was apprehended and turned over to hospital authorities, police said.

Fire Calls

July 14 — 11:58 a.m., 17975 Beck Road, grass fire.

July 19 — 8:32 p.m., Maxwell and Five Mile, field fire.

July 20 — 11:10 a.m., Seven Mile near Maybury Sanatorium entrance, car fire.

prosecution will proceed no further in the case.

Examination of Robert J. Barnes of Farmington Township on charges of larceny by conversion has been adjourned until September 9.

Barnes, who was arrested June 15 by city police on the charges, has been ordered to make restitution totaling \$1,028 before September 9.

Barnes allegedly sold vinyl telephone book covers to several businesses in Northville during February and never delivered the covers, police said.

In district court on July 13, four men pled guilty to charges of drunkenness. They are Gerard Aubin of Northville Downs who was fined \$50; Raymond L. Baker, Jackson, Arthur W. Beard, Jr., Pontiac, and Donald F. Earley, Grass Lake, who were each fined \$39.

Aubin, Baker and Earley were arrested July 2 by city police and Beard on June 30.

A Detroit man, Shane O'Neil, was found guilty of drunkenness and fined \$50. He was arrested June 25 by city police.

Following pre-sentence investigations, three cases were closed in district court July 13.

A Livonia youth, Michael J. McKenna, was placed on four days voluntary work detail and ordered to pay \$48 supervisory costs. He was arrested May 26 by township police on a reduced charge of simple larceny.

Two youths, arrested June 22 by city police for minor in possession of alcoholic beverages, were each placed on two days voluntary work detail and ordered to pay \$24 supervisory costs.

They are James L. Anderson of 19510 Clement Road and Peter G. Butterworth of 278 Sherrie Lane.

In Novi . . .

Thieves broke into the home of Irene Whitworth, 40261 13 Mile, Saturday, according to police, and made off with approximately \$1,614 in valuables and cash.

Items stolen included two televisions, a stereo set, a diamond wedding band, six credit cards, a coin collection, and \$300 in cash.

The entire house, consisting of some 10 rooms had been ransacked, reported Novi Detective Jack Grubb. An electric clock had been stopped at 3 p.m., "indicating that someone was in the house at that time," he said.

Mrs. Whitworth was away for the day visiting friends.

Police suspect entry may have been made through a broken rear window.

COURT NEWS

Dennis Gene McCulley of Detroit was arraigned Monday before 52nd District Court Judge Martin Boyle on charges of carrying a concealed weapon and driving with a revoked operator's license.

McCulley was released on \$2,500 personal bond pending preliminary examination July 30 on the weapons charge and on \$100 personal bond pending examination August 5 on the driving charge.

He had been stopped by police Sunday for erratic driving on Grand River, according to reports, and was found to have no license on his person.

Checks revealed that his license had been revoked and he was arrested. Upon searching the subject, officers said they found a switch-blade knife, with a five inch blade, in his right rear pocket.

James Lasley, 21, of Farmington, was bound over to circuit court Monday to appear in August before Judge William Ziem on charges of attempted larceny of an automobile.

Lasley was arraigned the same day on charges of larceny of a motorcycle before Judge Martin Boyle.

Both instances stem from events on the night of July 11 during which Lasley was allegedly seen attempting to steal Leslie Haworth's automobile from in front of his house on East Lake Drive.

The stolen motorcycle involved was reported missing by Franklin Cox of Union Lake from the Derby Bar located at Novi Road and 13 Mile.

Lasley was remanded to Oakland County jail on a combined \$7,500 cash bond for the two charges.

Novi Detectives arrested Lawrence Oliver Allen July 6 on a bench warrant issued when he failed to appear before Oakland County Circuit Court Judge William Ziem in June on charges of carrying a concealed weapon.

The warrant was the fifth issued on Allen, according to Novi police, who had recorded four earlier court dates at which he failed to appear.

A \$750 cash bond was assigned, Allen failed to post it and was lodged in Oakland County jail pending the setting of a court date.

EUGENE F. MALONEY

He's Promoted To Supervisor

Eugene F. Maloney of Northville has been promoted to the position of Detroit claims supervisor.

Maloney joined Citizens Mutual, a member of The America Group, in 1962 as adjuster in Detroit and was promoted to senior adjuster in the Howell Branch in 1969.

He attended the Insurance Institute of America in 1966. He was a graduate of Northville High and also took business administration courses at Cleary College. He and his wife Shirley, and their children Scott, Eric and Christopher, live at Northville.

Soubank Takes Honor Course

David W. Suobank, a former Novi High School student who now lives in Bentonville, Arkansas, is participating in a special summer honors program at the University of Arkansas main campus in Fayetteville.

Sponsored by the honors council of the College of Arts and Sciences, the program enables bright high school students who have completed their junior year to earn college credit as special university students.

Purpose of the program is to provide intellectual stimulation, to accelerate future college programs, and to orient the high school student to college life.

On Deans List

Allison Crump of 46735 Timberland Road was named to the dean's list with "highest honors" for the spring quarter at Miami University in Oxford, Ohio.

Receiving the highest honor means Miss Crump had a 4.0 or straight-A average.

For Novi Boys

League Moms Plan Banquet

Climaxing a summer of strike-outs and streaking homers will be the annual Novi Little League banquet, now being planned by Little League Moms.

"The banquet is mainly a good will activity finalizing the end of the season," explained Mrs. Frank (Susie) Korte, banquet publicity chairman. "The managers express their appreciation to the players, the children thank their fathers."

"Of course, if we should make a profit we can always use it," she added.

This year's banquet will be held at Roma Hall on Wednesday, October 20, announced banquet chairman Mrs. Edward (Delores) Olah. The annual affair will honor the 400 players who compose the minor, major, pony, Babe Ruth and Connie Mack teams and their parents.

A leading member of the Detroit Tigers is being lined up to speak at this event, Mrs. Olah reported. Little League members will be contacted in connection with ticket sales which begin on August 15.

Three committee chairmen are assisting Mrs. Olah with the banquet. They are Mrs. Patricia Chukley, decorating; Mrs. Korte, publicity and Mrs. Albert (Elizabeth) Sensoli, tickets.

These ladies are but a few of the many parents who have donated their time to Novi Little League. Mrs. Korte noted. Other mothers have volunteered to keep score, man the snack booths and organize fund-raising activities. Fathers donate their services as umpires, equipment managers and serving on the board of directors.

Apparently all share Mrs. Korte's enthusiasm for the little league program. "It develops good sportsmanship in the boys while teaching them obedience to rules and regulations," she noted. "There's no discrimination, every boy gets a chance to play ball. This is especially good for kids who are unable to play with their fathers at home."

Little league also offers the boys a chance to enlarge their circle of friends, Mrs. Korte said. "My son Tom, 10, attends a parochial school. Through baseball he has become acquainted with other boys in our neighborhood." Involvement in little league has helped to develop a good attitude in her son, Mrs. Korte feels. "Last year Tom's team

Editorials...

a page for expressions
...yours and ours

The State of Michigan is three weeks into its new fiscal year and still has not agreed upon a budget or a tax plan to support the budget.

And while there are many issues at stake, the major reason for the logjam at Lansing is a proposed departure from the old method of reliance upon property for tax revenues to new emphasis upon the income tax.

Last week Governor William Milliken and three of his top aides told their side of the story to a handful of newsmen in a four-hour afternoon session in his office.

Despite his boyish grin and amiable manner, Governor Milliken is no pushover for the legislature, where he is finding opposition from both parties to his new program for education and tax reform.

While the Governor recognizes there must be compromise to reach agreement, he left an impression here that his concessions will not include departure from the basic reform package that he sees as vital to the future of education in Michigan.

If the Governor has his way, taxpayers will receive an immediate one-mill hike in the state income tax (from 2.6 to 3.6 mills) to support proposals in the current fiscal year budget.

There's infighting on both sides of the political fence on this issue. Until this week Democratic leadership had proposed hikes of from 1.1 to 1.4 mills, with most of the additional revenue slated for support of the rapidly-increasing welfare burden.

Although the Governor now seems to have reached accord with the Democratic leadership on the one-mill hike, there's still opposition within both parties to the proposed increase.

You have to believe that agreement is near; the state can't continue operating without a budget.

But tied closely to the immediate problem of the current budget is the long-range plan for financing schools.

If Governor Milliken is successful in selling his program to the legislature, voters will act upon necessary constitutional changes in November and, if approved, the educational reform package would be initiated next January.

The Governor's proposal would do away entirely with property taxes for schools. They would be replaced by an additional income tax levy of 2.3 mills and a value-added tax (VAT) on corporations.

The average property tax for operation of schools throughout the state is 26 mills.

Property taxes would remain in Michigan to support local government, but the Governor has promised that steps will be taken "to etch assurances in stone in the constitution" that there will be no return of property taxes and that strict limits will be enforced on levies for local government.

If the only advantage to the switch from property to income taxes for support of schools were to eliminate the inequities that are inherent in the property tax, this would be sufficient to gain my vote for the income tax.

But there are many more plus-factors.

Both the income tax on individuals and the VAT on corporations are far more equitable in that they provide revenues based upon ability to pay. Further, the revenues are tied to the growth of economy and promise to produce funds adequate to give our state a strong educational program.

Consider these other factors:

—for the first time public education in Michigan would promise equal opportunity to each student despite his residence;

—local school boards and administrators could concentrate on educational programs, rather than financing;

—the state would by necessity assume the chief role in negotiating with teachers and other school employees for salary levels.

In addition the Governor's program promises greater emphasis on accountability and relevance of public education. Results of program would be tested; youngsters not interested in college would be given more vocational training so that at the conclusion of high school they would be prepared for specialized work.

In my opinion, the hope for the future of our nation lies in our ability to educate...not just in Northville or Novi...but in every district in our state and nation.

We are experiencing the costs of failure. It is far greater than the additional tax monies required to provide meaningful, equal opportunity for education to every child wherever he may reside or whatever his financial status.

It is hoped that our legislators and the voters will accept this challenge to enact reforms and get Michigan started on a program that promises equity for taxpayers as well as equality of opportunity for students.

Speaking for Myself

Jesus Christ Superstar?

PROFANE...

PROFANE!! Jesus Christ Super Star can only be described as profane and blasphemous by any Bible-believing Christian.

The Christ of the Bible is the sinless, holy, Son of God and Saviour of sinners. The Super Star Christ is none of these. Anyone who takes the trouble to listen to the words will discover that SS could not possibly be confused with the Christ of the Bible.

For examples: (1) SS had an affair with Mary ("I Don't Know How To Love Him" in stanza 2) (2) The most sacred hour in history was when Christ died on the cross and He never had any doubts as to why He had to die. The SS however said in Gethsemane that he was: "not sure he was inspired", "why should I die, show me the reason for you wanting me to die, your far to keen on where and how and not so hot on why, I am scared to finish what I started, and kill me before I change my mind."

(3) In "Judas Death" God is called a criminal and Jesus wanted Judas to betray Him and Judas was tricked into betraying Christ. (4) Through out the opera it states Jesus was damned, He did not know if he had a kingdom or where it was, was not God, made mistakes, did not understand the Cross, was inconsistent, came not of His own accord, let things get out of hand, was called a fool and a fraud and told not a king or God. In addition many other scriptures are violated or twisted. In all 54 direct violations of the word of God occurred.

Rev. Raymond Thomas, pastor
Hope Gospel Church of Detroit

PROFOUND...

There are two aspects of 'Jesus Christ, Superstar' which make it unique in musical experience. First of all, the format of sound is contemporary, lively and engaging, rather than the stolid presentation usually associated with sacred music.

The change in style is refreshing and takes the religious theme out of conventional forms and, hopefully, makes us listen and think about what we are hearing.

The second area is the restatement of biblical figures in terms that are readily understandable today. Historically, Magdalene has been shown as the prototypical prostitute, and yet something in her contact with Jesus changed her and we later find her moving within the Christian community.

The central figure, Christ, is perhaps the most disturbing in characterization. Today we have to think of Him symbolically, often forgetting the very humanness of his earthly existence. In Superstar we meet a man who has the same attributes and faults common to us all. He expresses doubts and fears, shows anger, and yet, in Gethsemane, gives his will and self over to God's plan, and to God Himself.

What could be more profound than a man, easily identifiable with those around us today, throwing over the traces of established existence and allowing himself to rely only on the love and help of God. Surely, if this message comes through to us and feeds our thoughts and actions, Superstar can't be at all bad.

Appeals for Firm Density

To the Editor:

There are two very serious concerns in The Northville Record about the proposed Northville Township at this

time. First, we read with concern in The Northville Record about the proposed site plan for the new Levitt

multiple development on Seven Mile Road which provides for 11 1/4 family dwelling units per acre. A tight squeak, indeed, as much of the developable land will be absorbed in roadways, parking lots, and fixtures of the like. Perhaps, the time has now arrived to reassess that portion of the zoning ordinance which allows density high enough to permit 11 dwelling units on a piece of land merely 200 feet square.

The more severe problem is Thompson-Brown who now feels the Township was insufficiently generous when it was agreed to rezone the preponderant portion of their property holdings north of Six Mile Road at Bradner Road for multiple use. They desire, apparently, to emulate the success of Levitt on the large tract north of Seven Mile Road by securing an almost entirely multiple dwelling classification for their land. This, after their exhortations and convincing presentations at the time of original petition that theirs was the "really solid proposal," an example of well-conceived unity of single and multiple uses. These arguments were successful as they secured a favorable rezoning for the property owner a few years ago.

Thompson-Brown is better known, presently, as a developer rather than builder. Therefore, we see reason to question who the builder will be and we have thoughts that it may become a continuation of large scale multiple development currently under

way in the Township. The new proposal, too, has the proverbial "carrot" attached to it as an area "carefully" planned for Township Hall, etc. Unfortunately, this may appeal to those less concerned with the direction of development in the Township.

At the public hearing on July 27th, there shall be discussion that single dwellings do not sell in Northville Township; that the land is hard to develop; no money available, et cetera, et cetera...Nuts!! Our township must at some point stand fast on the substance of the Master Plan. Without some sort of real care, it does not take much imagination to reveal what our Township will look like in

the not too distant future if the present trend continues. The prevailing image encourages all to vigorously attempt to gain concessions away from the adopted plan.

This geographic area is the most select area in Wayne County because of the clear historic uniqueness of this northwestern township and the topographic opportunities that exist. We now urge our policymakers to form some strong and steadfast direction to allow the favorable potential of this area to occur. We hope to see the many who also profess their concern to share their view on July 27th at the Planning Commission Public Hearing on the requested rezoning.

James L. Nowka

Ask About Recreation

To the Editor:

It is our understanding that there will not be a summer recreation program for the children of Novi, and we are sincerely interested in whether there may still be a planned program this year or in future years to come. It is our understanding that \$5,000 was previously set aside for the program this year and that it now no longer exists. The magic squares, partially financed by the State and planned for use in the future,

is a great idea but has nothing to do with what our children are receiving this summer. Questions brought up by our membership include the following:

1. What was the main reason for discontinuing summer recreation?
2. What has happened to the equipment purchased last year?
3. Was there any money left over from last year's

Top of the Deck

Chief Never Got His Big Case

By JACK W. HOFFMAN

Unfortunately, I didn't know him well.

He was rotund.

His weight was a mixture of Black Label and the fatty meats he brought home from a packing house where he worked his last years.

He seldom smiled.

A quiet man.

At least that's how I remember him. Maybe it was the sugar diabetes; maybe he knew his life was ebbing.

Whatever the reason, he will always be in my mind's eye sitting at the kitchen table, eating pork and drinking beer, and quietly contemplating the world around him.

But the man I knew was incomplete...just a shadow of the active, jovial person he had been. His bubbling sense of humor was gone.

A twin son in a Dutch family that produced a doctor and a college

professor, he was born and raised in the large two-story house where he later raised his own family and where he died.

While his brothers were attending college, he remained at home operating the family butcher shop. Later he became a policeman and eventually police chief of his home town of Zeeland where his grandparents had pioneered in the mid-19th Century.

As chief law enforcer of this small, western Michigan community, he found it amusing but not unnatural that the leading citizens, who prided themselves in not having a single tavern in their town, were among the most regular patrons of the taverns in neighboring Holland.

He came to resent this double standard when the same leading citizens complained whenever his officers joined him after duty for a beer at his house...and when they insisted he close up a small ice-

cream parlor because its proprietor, the lone Catholic in the all Protestant town, operated on Sunday.

The police chief's role in Zeeland was primarily as arbitrator in family arguments. It was discouraging for a man who hoped one day to get a "big case."

Once it almost happened.

Perhaps more to embarrass him than to make themselves rich, burglars broke into the Farm Bureau office across the street from the chief's house and later into the gasoline station next door.

Robberies such as these occurred so rarely that the city fathers finally convinced the chief that their quiet community had been invaded by a gang of Chicago professionals.

So a trap was set for the gang. An elaborate, automatic burglar alarm was strung up between the Farm Bureau and the chief's bedroom. And each night he crawled into bed, he draped his holstered

gun over the bedroom mirror and muttered a little prayer that this might be the night.

When finally the alarm sounded late one night he nearly broke his leg leaping off his porch to the sidewalk while still dressing and hitching up his belt and holster. But alas, it was a false alarm. The explosion of burglaries ended as quickly as they had started and he never got his big case.

His biggest arrest might have been that of his son-in-law.

And that, perhaps, was an act of evened the score.

Years earlier while directing traffic on a downtown street, a car screamed around the corner, running over his foot, peeling his shins, and sending him tumbling along the pavement. The driver was his daughter's boyfriend, hurrying to his house to pick her up for a date.

Unfortunately, I didn't know him well. He died shortly after I married his daughter.

'Thanks Alot For Nothing'

Dear Editor:
May I, please, use a small portion of your space today, as I would like to let the class of '73 know, exactly, how

much money they added to their coffer with the car-wash enterprise held today, Saturday, July 17? It's just not right to keep them in suspense.

Firemen Praised

To the Editor:
We would like to write a note of thanks to the Northville Fire Department for their quick response and help in battling the fire Tuesday morning (last week) at the Glen Angell farm. A large barn and three other buildings were destroyed.

Many thanks to the fire department for providing protection until late in the afternoon and the assistance of the bulldozer and the operator in pushing the burning debris away from the other buildings.

We also appreciate the help of the other fire departments in protection of the neighboring buildings.

Glen R. Angell

Ask About Recreation

Continued from Page 10-A
program—if so, how will it be used this year?

Since we helped support last years beginning program, we feel that answers to our questions would be a reasonable request. Very little has been said publicly about this matter and it just seems to us that our Novi youth are being overlooked.

The Novi Jaycees
Hugh Crawford—President

Therefore, a great big thanks goes to this active class. It is great knowing that you all care. This type of closeness is not often seen. You'll show the older generation a thing or two, yet, as they didn't know how to pull together. So, right-on, class, and hang in there, you have already got a good start.

Just one more paragraph, Editor, I promise. Do me a favor and tell Charlie Manos to save his gas, 'cause someone forgot to wind the rooster to tell those who did not show up what day it was. Y. A. W.. N..!

Very truly yours,
"A Yoke!"

COMMISSIONED — Eric G. Mettala (right), son of Mr. and Mrs. G. E. Mettala of 2752 Loon Lake Road, Wixom, received the gold bars of a second lieutenant in the U.S. Army during Reserve Officer Training Corps (ROTC) commissioning ceremonies recently at Michigan State University. Presentation was made by Colonel Jean P. Burner, professor of military science.

Thanks to Post Office

Blind Letter Finds Home

"You always hear people criticizing the post office," Mrs. Andrew Briggs commented, "but I think they deserve a good word for delivering this letter to me."

Mrs. Briggs, who lives on Seven Mile Road, received a letter last week from Detroit.

The unusual thing about the letter was the address. Run through an addressing machine, the address was printed across the bottom left hand corner of the envelope.

Only his last name, the last two digits of her street address, the street and the letters "ille" from Northville were visible.

With no return address on the envelope, the letter could easily have wound up in the "dead letter file," but the post office found the right party and delivered the letter.

Only Three Filed

Continued from Page 1-A
are elected in their local school districts as representatives on the board from those districts. Previously, three members were elected on an at-large basis while the others were elected as representatives of the five secondary school districts.

The change was ordered by the Wayne County Circuit Court following a suit charging that the representative type election was in violation of the one-man one-vote principle.

Only three of the present board members need not seek re-election to remain in their posts—that is because they were elected on an at large basis. These three are R. Robert Geake of Northville, John M. LaRue of Livonia, and George E. Martin, also of Livonia.

Those board members whose posts are expiring are: Board Chairman Mrs. Jane Moehle of Plymouth, L. Clarke Oldenburg of Garden City, Paul Mutnick of Clarenceville, James Boswell of Livonia, and B. William Secord of Northville.

Second, who had taken out petitions, decided over the weekend not to seek re-election. "I feel it's just too much for my health. My heart problem this past winter, and the emotions involved in the job prompted my decision."

The Schoolcraft trustee has served three years.

Honored

Sandra Thomas, a senior psychology major, daughter of Mr. and Mrs. Daniel E. Thomas of 46133 West 9 Mile Rd. has been named to the Dean's List for the second semester at Adrian College, Adrian, Michigan.

Twenty-four Detroit area students, including one from Novi, have been named to the Term Honors List for the spring term at Alma College.

The local honor student is Suzanne M. Gerou (3.66), a junior, daughter of Mr. and Mrs. Ira Gerou of 26900 Meadowbrook.

Police Study Cycle Crashes

Michigan police agencies beginning August 1 will participate in a special 90-day two-state study of accidents involving motorcycles for the National Highway Safety Administration, the State Police traffic division reported.

Michigan, which has a motorcycle helmet law, will be paired in the study with Illinois, which has no such law.

Forms for supplementary information on motorcycle and motor scooter involvement in accidents are being distributed to all law enforcement departments in the state.

Information sought includes description of injuries to operators and passengers, make and size of motorcycle, estimated speed at collision impact, helmet type and

condition, license and mileage data, and operator experience.

As of July 15 this year, Michigan motorcycle deaths total 63, a slight increase from 60 for the same period last year, while the state in 1971 is showing a 10 per cent decrease in all traffic accidents.

Motorcycle accident deaths in Michigan last year numbered 136.

BOSCO FIELD—An all-star game between Babe Ruth players from Novi and Walled Lake was the feature event Tuesday night as Little League

**CITY OF NOVI
NOTICE OF ENACTMENT
ORDINANCE NO. 71-24A
BUILDING CODE ORDINANCE**

THAT NOTICE that on the 19th day of July, 1971, at a Regular Meeting of the Council of the City of Novi, Oakland County, Michigan, enacted

AN ORDINANCE TO ADOPT BY REFERENCE THE 190 BOCA BASIC BUILDING CODE, 5th EDITION, AND AMENDMENTS AND SUPPLEMENTS, TO BE KNOWN AS THE BUILDING CODE OF THE CITY OF NOVI; AND TO PROVIDE PENALTIES FOR VIOLATION OF THIS ORDINANCE.

This Ordinance is hereby declared to be immediately necessary for the preservation of public peace, health and safety, and is hereby ordered to take effect immediately after posting and publication thereof in manner prescribed by City Charter.

Joseph Crupi, Mayor
Mabel Ash, Clerk,

7-22-71

officials dedicated the 11 Mile-Beck Road diamonds to Paul Bosco, who donated and developed the land, as Bosco Field, home of Novi Little League. Fred Buck, league president did the honors, as the local all-star nine capped things off by winning 8-4.

Singles Club Sets Two Social Events

In keeping with their goal of a well-rounded social calendar, the Northville Singles Club has organized two more social activities for the coming weeks.

On Saturday, July 24, an all day picnic will be held at the Lower Straits Lake Resort Club Beach games such as badminton and horse shoes will begin in the morning, climaxed by an old-fashioned sing-along and dancing

around an evening bon fire. Women should bring a passing dish - reports Mrs. Lois Turner, a spokesman for the group. Meat dishes of chicken and ham will be provided by the club. Men have been asked to furnish the drinks.

Another swim party and barbecue for singles is slated for Saturday, August 14. Details of this party will be discussed at the regular meeting on July 23.

Braves Behind By One

Northville's Casterline Braves remained one game out of first place this week — despite a recent victory and a forfeit — as they trailed Plymouth 1 with a 8-1 record in Class 'F' softball action.

That one loss came two weeks ago in a 9-0 landslide engineered by the first ranked Plymouth nine that broke a first place tie with the Braves.

In last week's action the Braves picked up a forfeit from Plymouth 4 on Tuesday and then scored three runs in the seventh to upset Plymouth 2, 5-4, on Thursday.

In that Thursday game Dave Wilson drove in Frankie Difina on an error, Tom Eis singled in Jim LaPlante, and in a bases loaded situation, Cris Sylvane drew a walk to force Wilson in with the winning tally.

Wilson pitched for the Braves and dealt three walks and 12 strike-outs. He also hit a homer in the third inning.

In other local action, the Northville F.O. Eagles defeated Bruce Craig Pontiac and DiPonio, both of Plymouth, 5-3 and 6-5.

Dennis Singleton and Earl Bingley took the mound against Bruce Craig while Stu Taylor and Harry Zion engineered the DiPonio victory.

As of Thursday, the league standings looked like this:

CLASS "F"	W	L	T
Plymouth 1	8	0	
Casterline Braves	8	1	
Clark Station	5	2	
Anger Manufacturing	4	4	1
Northville F.O. Eagles	3	4	
Plymouth 4	3	4	1
Plymouth 3	3	5	
Plymouth 2	2	7	
W C C D C.	0	9	

'F' All-Stars Detroit Beats

Northville's class 'F' little league all stars lost to the Mac-Mac all-stars, 10-5, Saturday as local little leaguers traveled to Detroit.

Dave Wilson and Doug Marzome drew walks in the second inning and then galloped home on a single by Eric Lampella.

Wilson drove in Don Funk in the third from a bases loaded situation and Jim LaPlante scored a fourth run on an error by the catcher.

In the fifth Stu Taylor capped Northville scoring on a single by LaPlante.

Russ Gans Pitches Colts to 3 Victories

The Northville Hardware Colts picked up three games in knothole softball action last week to take a firm grip on first place with a flawless 6-0 record.

Russ Gans engineered all three Colt victories: the Northville Township Pumas, 7-5, the Northville Drug Panthers, 7-3, and the Northville Optimist Bears, 5-1.

Tom Allen provided assistance against the Pumas, Dean Guard against the Panthers, and Rusty Carpenter against the Bears.

In that Puma game Friday, Dale Hawkie, Simon Ovacik, Guard, Allen and Gans sparked the Colt batting performance as batsmen collected 18 singles and a pair of doubles.

Allen Scarlet hit a homer for the Pumas.

Against the Panthers, last week Tuesday, it was Gans' home run blast that aided the Colts at the plate and his seven strike-outs from the

mound that ensured the victory.

In the Bear game last week Monday Gans banded out a triple and pitching partner, Carpenter, picked up three singles.

Second-place VFW Post 4012 Rams blanked the Northville Fire Department Blazers, 16-0, for its fourth victory in five starts.

Hurler Carl Kohs paced Ram batsmen with a triple-double-single combination while allowing four hits to the Blazer nine and firing 11 strike-outs.

Bob Darraw collected three Ram singles.

The Casterline Lions carded their third win of the season at the expense of the A&W Rootbeer Cougars, 8-6.

Choo-Choo Car Wash Chiefs collected two victories: 7-1 from the Panthers, last week Monday, and 11-7 from the Pumas last week Tuesday, for a 3-2 record and a fourth place split with the Lions.

In the Panther game Gary Beason pitched a one-hitter

and banded out two singles for the Chiefs while Bob Orban collected a double and a single.

Orban took the mound against the Pumas and dealt nine strike-outs while Dave McDonald blasted a grand slam homer for the Chiefs.

Northville Optimist Bears picked up 14-7 and 12-9 victories over the Northville Insurance Tigers and the Cougars.

Hurler Steve Antuna blasted a grand slam homer in the Tiger game and a double in the Cougar game, to pace Bear batsmen.

The remainder of the league looked like this as of Thursday:

KNOTHOLE SOFTBALL	W	L
Northville Hardware Colts	6	0
VFW Post 4012 Rams	4	1
Northville Township Pumas	4	2
Casterline Lions	3	2
Choo-Choo Car Wash Chiefs	3	2
Northville Optimist Bears	3	3
Northville Fire Dept Blazers	2	3
Northville Insurance Tigers	2	4
A & W Rootbeer Cougars	1	5
Northville Drug Panthers	0	6

Mets in First Place After Knothole Win

Thompson-Brown Mets squeezed past Del's Shoes Twins, 7-6, last week to stretch its winning streak to five games and grab first place in Northville knothole hardball league.

Tied last week with the Township Police Athletics, who also picked up a victory by blanking Casterline Indians 5-0, the Mets had a one-game lead this week over the Athletics who were in second.

In the Met-Twin contest Tag Harding cracked a home run and a double for the Twins.

John Wiggard of the Athletics fired 15 strike-outs last week Tuesday to nail

down his five run shutout against the Indians.

Other action saw the Asher '76' Angels blank the Northville Optimist Pirates 10-0 Thursday as Bob LaPlante took the Angel mound and Rick Rosselle homered.

In still other action Northville Record Dodgers bombed Thompson-Brown Orioles, sister team to the Mets, 10-1, last week Monday as Brian Holloman fired 15 strike-outs for the Dodgers.

Pete Martinsen sparked Dodger bats with a two run homer and Dave Goodwin

followed suit with a triple. Roland Tarrow hit a homer for the Orioles.

Novi Mackers Split

Novi's B-V Construction bombed Redford Tooling 13-3 Saturday and shut-out Plymouth Elks 3-0 Thursday to post a 6-5 record in Livonia's Connie Mack diamond action, following an earlier 1-0 loss to Hubert Realty.

John Pantalone took the B-V mound against Redford for his third win in five starts.

He gave up seven hits, three walks and fanned six men. Meanwhile, Reef batsmen

worked 15 hits off John Rehas and Kurt Armstrong who came in as relief in the second.

Eight of the local nine's 13-run tally came in the first and second innings. Phil McMillan sparked a rally in the first with a double.

Singles by Bob Pisha, Denny Diem, Pantalone and Dan Kardell followed, driving in four runs that inning.

In the second Bob Vivian led off with a single, advanced on

a single by McMillan and scored on a double by Pisha. With two men on, Diem punched a home run over the right field fence putting B-V in the lead, 8-0.

In the fourth Armstrong dealt walks to Pisha, Kardell and Steve Lukkari.

Gary Colton drove in Pisha with a fielder's choice. In the fifth three doubles by Pisha, Diem and Pantalone capped B-V scoring with five runs-batted-in.

Phil McMillan engineered the 3-0 shut-out against Plymouth as he gave up four hits and a walk while fanning four men.

B-V was scoreless until the fifth inning when Plymouth hurler Mike Willotto dealt walks to Kim Smith and Steve Bosak and was nipped for a single by McMillan.

Smith galloped home on the single and Bosak went to third, scoring on a sacrifice by Bob Pisha. McMillan was driven in by a single off the bat of Denny Diem.

Diem paced the local squad in the game with three singles in three trips to the plate.

It wasn't so rosy for McMillan or B-V in an earlier game, played two weeks ago, with Hubert Realty.

The Livonia squad won a 1-0 shut-out as hurler David Cady gave up only three hits—all singles, to Bosak Vivian and Pisha, in the fourth, fifth and seventh innings.

Lumber Wins 12th Straight

Wedge Fires 3-Hitter

Northville Lumber collected its 12th straight win last week Monday at the expense of second ranked Winner's Circle, 18-0, to beef up their slo-pitch lead by three games.

Hurler Jerry Wedge gave up just three hits to the beleaguered Circle as Jerry Inland ripped Lumber homers in his first two times at the plate.

Earlier, Winner's Circle seemed to have the only chance, with a 10-1 record, of catching the red-hot Lumbermen who were reading at 11-0. This week however, with the Lumber nine at 12-0, and the Circle at 11-2, and the closest competition coming from Northville Downs at 9-4, chances of someone catching the leaders grew dim.

Circle saved itself from another shellacking by turning the tables on O.L.V. Men's Club in the fifth inning last week Wednesday bounce back from a three-run defeat to win 18-4.

Brian Murphy and Ed Bray were the big guns in that game each blasting Circle homers.

Other action on local slo-pitch diamonds saw:

—St. Clair Advertising whip Nov 1 Inn 18-6 and Exotic Rubber and Plastic upset Northville Downs 15-14 last week Monday.

—Northville Drug Casterline beat Ford Motor Company 22-10 as Jim Betz exploded for a pair of Drug homers last week Tuesday.

—The South Lyon Jaycees bomb V.F.W. 4012, 16-1 and Newcomer's Club upset Northville Jaycees 7-6 last week Wednesday.

In the South Lyon game, hurler Barry Holmes dealt just three hits to the VFW squad.

—Plymouth State Home whip Green Ridge-Palace-Gambles 16-9.

The league shaped up, this week, as follows:

MEN'S SLO-PITCH STANDINGS

	W	L
Northville Lumber	12	0
Winner's Circle	11	2

Copper Mug Wins Two In Walled Lake Race

Copper Mug picked up two victories last week while Walled Lake Oldtimers dropped two, each retaining the top slot in their divisions of Walled Lake Industrial softball action.

In the east, Copper Mug defeated Walled Lake Building Maintenance 19-8 and Bryant Computer Products 12-8, while in the west the Oldtimers fell to Wixom General Store 4-3 and Walled Lake Building Maintenance 6-2.

In that Oldtimer-General Store game, Neil Salo smashed a homer with two outs in the bottom of the ninth to break a 3-3 tie and claim the victory for the General Store.

Other action last week went like this:

THURSDAY

Michigan Building Components bombed Wixom General Store 13-4 as Ken Koury went four-for-four, tallying his 13th consecutive hit.

Dick Hobson and Donny Freeman provided extra Builder power, each with three hits in four trips to the plate.

WEDNESDAY, JULY 14

Lake Optical upset Rex Roto 7-6 in the bottom of the seventh with a two-run rally. Liberty Tool bombed Williams Research 23-4, and Brandenburg Construction defeated G.M. Carpet 14-4.

TUESDAY, JULY 12

Brandenburg Construction blanked Williams Research 14-0 as Ron Thompson sparked Construction bats with a triple and a pair of homers. Pie Tuttle followed suit with a double and a homer for Construction.

Lawson's Manufacturing upset Carpentry Engineering 15-14.

MONDAY, JULY 12

Carpentry Engineering pulled out a narrow 21-20 victory over Bryant Computer Products in a seventh inning rally that netted nine runs.

Fred Loby paced Carpentry batsmen with four hits in five times at bat.

Michigan Building Components beat Lake Optical 12-7 as Ken Koury and Dick Hobson each posted four for four performances.

Lawson's Manufacturing bombed G.M. Carpet 14-4, and Liberty Tool destroyed Rex Roto 34-8.

Last Week, the league shaped up like this:

	W	L
EAST		
Copper Mug	22	2

Bryant Computer Products	6	18
Lake Optical	2	22

Bloomfield Nips Mackers

Northville Reef lost 5-4 to West Bloomfield, Thursday, then dropped a 6-2 contest to Churchill Saturday.

Thursday's game was all Northville until the sixth inning when West Bloomfield scored three runs on four singles and a fielder's choice to turn a 4-2 Reef lead into the 5-4 upset.

The local Connie Mack nine pushed across its first run in the first inning as Rod Crane raced home from second on a single by Rich LaRue.

In the third, Crane punched a double and came across on LaRue's home run blast to deep center field.

Steve Utley followed with a second homer to the same spot to cap Reef scoring.

Phillies, Vico Lead

Action on Northville's softball diamonds shaped up last week as follows for Class E and powder puff athletes:

POWDER PUFF

Del's Shoes Phillies	4	0
Northville Recreation Bombers	3	1
Casterline Ponies	1	3
The Green Giants	1	3
V.F.W. Post 4012	1	3

Beglinger-Massey	3	6	
Daly's Drive Inn	3	6	1
W.C.C.D.C.	1	8	
V.F.W.	0	9	

It was Evans' last appearance this season, according to Coach Jim LaRue, because of a hair-line ankle fracture. Evans sustained earlier this month.

"I'll be out for the last game," Evans said, "but I plan to go out for football in the fall and play in the first game."

Jeff Moon took the mound Saturday against Churchill. He walked none and fanned eight men but gave up eight hits in the process.

He was able to hold the opposing nine to two runs until the bottom of the sixth when, from a 2-2 tie, four hits and three costly Reef fielding errors allowed Churchill to climb to a 6-2 victory.

Reef's two runs came in the fourth inning as Ron Crane singled and was driven in on a home run blast off the bat of Rick LaRue.

Reef Adray Splits Two Over Weekend

Northville's Reef Manufacturing split two games in Adray action last week, picking up a 6-1 victory from North Farmington Friday and dropping a 3-2 contest Sunday to Westland.

Bernie Bach went to the mound in that Farmington game to claim his third win of the season.

He gave up seven hits and two walks before being

relieved in the fifth by Bob Hood, who was nicked for Farmington's lone run in the sixth inning.

Walks dealt Steve Utley and David Coe, and a run-away pitch that hit Bach, loaded the Reef bases in the first inning.

Utley was out in a force play at home on Rick Boehm's grounder to the third baseman. Coe and Bach came home on a single by Rich Adams.

A second ground ball, this one to second base, drove in Boehm from third.

In the top of the third, Reef batsmen loaded the bases a second time as an error, a single and a walk put Dennis Benedict, Jim Bearss and Coe on base.

Bach sacrificed to deep center field, driving in Benedict, and Bearss and Coe galloped for home on a single by Adams.

Adams paced Reef batters, collecting four singles in four trips to the plate.

Sunday against Westland, it was another story as Dennis Benedict blasted two-run homer in the third inning with Rick LaRue, on to account for all of Northville's scoring.

Two Compete At Metro

Two Northville youths competed in the 11th annual Michigan AAU Junior Olympic Long Course Swimming Championships held July 14 and 15 at Metropolitan Beach near Mt. Clemens.

They were Mark Jaynie, 44020 Cottisford Road, and Kevin Kelly, 44009 Lakewood. In the 200 meter medley relay for boys ages 13 and 14, their relay squad turned in a time of 2:17.6.

More than 2,000 boys and girls, ages 8 through 17, competed in the championships.

THOMPSON'S TRAVEL CENTER
42970 Grand River (Just East of Novi Road) 349-5450

GOLF CLASSIC — With 31 golfers competing for prizes in the first annual golf classic sponsored by the Northville Recreation Department Friday, Vern Lavassaur (above) led the pack with a 75 over the 18-hole layout at Salem Hills. He was followed by Jeff Taylor (bottom left) with a 77 and Paul Vandenberg (below left) who carded a third-place 78. William Pink unleashed a 250 yard-plus drive to win top honors in the longest drive category, followed by Taylor and Robert Cook (below right). Firing the closest iron shot from tee to hole was Frank Stanford, followed by Stan Johnston and Lavassaur. Lowest score on a given hole was won by Taylor, with Lavassaur and Johnston taking second and third. That's Keith Mueller (bottom right with putter), one of the runnersup.

Fires Second Ace

Michael Husting of Detroit shot a 135-yard hole-in-one on Brooklane Golf Course's 16th hole Monday — his second in two years.

He fired his first ace at Dun

Rovin last season. Husting used an eight-iron on the par three hole from an elevated tee Monday. He sweetened his performance for the day with a 38 on the remainder of the back nine.

Officials To Discuss Drainage

Continued from Page One

an injunction against building in the Novi area draining into Northville could be obtained if Novi refused to cooperate in the drainage plan.

The Northville council is convinced the project is necessary. It is now trying to decide whether to approve the lowest-cost proposal, or to propose deeper retention lakes northwest of Taft and Eight Mile that could double as recreation sites.

City Engineer Harold Penn and City Manager Frank Ollendorff believe the deeper lakes would add very little to the cost of the plan as proposed by commission engineers because less land would be needed for the retention lakes and smaller size culverts could be installed for underground drains.

But tonight the discussion will confine itself to the proposed Randolph drain, whether it is needed and how much responsibility lies in each community.

If extra cost is to be involved to make recreation lakes for Northville, it's certain that Novi will subtract that amount from the project expense.

Years Ago

Continued from Page 3-A

hit a home run into the left-field seats of Tiger Stadium.

FIFTEEN YEARS AGO... An electrical experiment designed to keep undesirable fish out of the hatchery water supplies was completed in Northville. Results were not yet completely available.

"No comment" was the only comment of Novi Township officials regarding the August 7 annexation election. The City of Northville was proposing to annex land between Eight and Eight and a half mile roads for a high school and subdivision.

Novi school superintendent Dr. William Medlyn issued a plea for consolidation of the various Novi school districts. "We must plan now for the population increase certain to come," he said.

Novi Moms Plan Banquet

Continued from Page 9-A

went into the world series, then they lost. Afterwards he told me, 'Well, mom, some of us have to win and some of us have to lose.'

"I think he got the right idea. That you do the best you can and if you lose, you still do your best," she said.

During the summer the boys play around 13 games, usually on Tuesday or Friday night, according to Mrs. Korte. Sometimes the boys practice on Saturday afternoon. The only cost to the players is a \$5 membership fee.

Although little league has been active in Novi for the past 14 years, it has taken its greatest spurt in the last five years. In that time it has grown from six major and one Babe Ruth teams to 10 minor, eight major, four pony, four Babe Ruth and one Connie Mack teams.

Little league has survived in Novi through the joint efforts of the local business firms who have sponsored the teams, volunteer fathers and mothers and the boys themselves in helping to raise funds, Mrs. Korte observed.

Newsbeat

Gayle and Gerry Heiber on the birth of their first daughter on July 18. Donna Gayle weighted in at 9 pounds 1 ounce. Waiting at home for their new little sister are brothers Mark and David. Grandparents are Florence and Lew Coy.

Sincerest sympathies to Thelma and Ralph McIntyre on the sudden death of their son and brother, Ray.

A group of well wishers gathered at City Hall with cake and coffee to wish Ruth Merrill a fond farewell last Wednesday. They also presented her with a small gift. Ruth said she really enjoyed working for the City and regretted having to leave. Our good wishes go with her.

JOANNE AUDETTE, STATE'S FIRST WOMAN PARK RANGER

Boundary Changes Don't Come Easily

Continued from Page One

of Novi in the Walled Lake area.

A movement to incorporate Walled Lake as a city involved all of the Novi area around the lake as well as part of Commerce Township in 1950. The vote carried in Commerce but failed in Novi.

When the state determined the incorporation had carried, Howard Bond, now city attorney of Novi, represented citizens of Novi in contesting the incorporation. His court action ended in victory and the "almost" incorporation was tossed out.

It wasn't until September of 1954 that Walled Lake finally became a city—after another election that did not include a section of Novi.

Meanwhile, however, the struggle to turn Northville into a city had begun and it wasn't

to be ended until after two heated campaigns and elections that generated more animosity perhaps than even the subsequent incorporations of Novi and Wixom.

Horton Hearing Set

An August 16 public hearing was set Monday night by the Northville city council to consider paving and drainage improvements on Horton street.

The council agreed to call the hearing for the full length of the street from Baseline to Hill, but indicated that the project may be limited to that portion of Horton between Baseline and Eight Mile Road.

Some 25 property owners will be notified of the hearing and the estimated cost on the basis of a 75 per cent assessment levied against front footage owned.

Six Foot Blonde

New Park Ranger Loses Nylons in Fire

Since June, Joanne Audette, 21, has worked almost unnoticed at the Island Lake Recreation area. This would not be so unusual except that Joanne is six feet tall, an attractive blond, and the first and only woman commissioned as a conservation officer in the state.

Being the first permanent female park ranger has its drawbacks...especially in the uniform department. The state has no uniforms for women.

"So far I've just been doing a lot of tailoring and patching together," she said. "The State furnishes the uniforms, but I do present a problem."

The advantages far outweigh any problems Joanne maintains.

"I love the outdoors," she said. "I'm not in Women's Lib, I just like this job and think I can do it. There's a lot of variety in it. I'm working close to nature all the time, but there's opportunity for a little carpentry and plumbing, as well as the opportunity to work with kids, and teach them about nature."

Joanne is expected to work right along with the men park rangers, and is not given preference because of her sex. She has her schedule along with the men in maintenance of the park, and nearly melted her nylons when she joined the men in fighting a brush fire recently.

"When I first started as a seasonal employee at Proud Lake there was no opposition," Joanne said. "They, (the men) just sat back to see what I could do. They assigned me all the jobs

they would a man, and it worked well, without any problems."

Joanne is in charge of Island Lake's Out Door Center, a year-round camp consisting of 14 sleeping cabins, dining hall and nature center.

"I check groups in and out, and counsel with group leaders. We're also trying to start a program where I'll be using films, hikes and exhibits to teach the youngsters about nature."

Joanne has attended Oakland Community College, and plans to finish her

education at MSU majoring in Park Management. She is presently commuting from her home in Farmington, but has been searching for a small home in Brighton since she came here in June.

"I'm sure there will be more women following me into service with the Department," Joanne said. "Right now there are several girls studying in the Park Ranger Trainee program at MSU. The benefits and pay are good, especially for a single girl. Many girls have gotten into the seasonal program, it's an ideal job for college girls."

There are some things feminine that Joanne has had to leave behind her.

"I have to take my turn at night patrol, so I can't be afraid of driving alone at night," she said. "And I can't be afraid of snakes...although I do have respect for our rattlers, and spiders, I really don't like."

Joanne believes there can be a real purpose in her work.

"It's not just another job," she said. "If I can get these kids as interested in nature as I am, then I'll feel I've really done something."

It's Organized Now

What, Oh What's Happened To Old Sandlot Ballgame?

By PHIL JEROME

Summertime baseball is a lot more complicated than it

used to be.

There was a time when you would call your friends when you wanted to play and everyone would meet down at the park. A block of wood, a paper bag with a rock on it to hold it down, and somebody's tee-shirt would serve as the bases.

Over the road on the fly was a home run, but if the ball went in the creek the batter was automatically out. Hitting the ball in the creek was never tolerated.

There were no umpires. All close plays gave the players a chance to develop their debating skills and, sometimes, their fighting skills. And almost all arguments ended up with the losing team shouting, "Let the babies have their bottle."

But that was before parents took over summertime baseball.

Now, when a troop of would-be major leaguers takes the field, the game has been planned for months in advance and the field is embellished with such formerly unheard of things as foul lines, real bases, two new white baseballs, and umpires.

But the most impressive addition of all, the most splendid of all new accouterments, is the uniforms. Some little league squads take the field in uniforms that would put Charlie Finley and the Oakland A's to shame.

Organized summer baseball for children is a national phenomenon, a sociological fact, a way of life for many people.

Some parents find that they have to arrange their entire summer around their children's baseball schedule. Taking a vacation during a key part of the season, although not an unpardonable breach of conduct, is looked upon dimly by many. Summer dinners are either an hour earlier or two hours later than usual.

In the case of away games the family station wagon must be home from work in time to transport ball teams to other cities.

Because most families have more than one little league-aged child in it, there are frequently ball games every night of the week, not to mention the morning games and Saturday practices.

There is little doubt that for parents with children between the ages of eight and 12 organized baseball has brought a new dimension to their summer months.

But in spite of the overwhelming popularity of organized baseball there are more than 100 teams and 1,500 players in the Brighton, Northville, South Lyon, Novi area alone - many educators have questioned the value of the program.

One argument frequently set forth is that little league is not a world made by the kids, but a world created for them by adults.

Adults set up the teams, make the schedules, coach the teams, and just generally take charge of everything connected with the operation except the actual playing of the games. It's almost as if the kids were incidental to the game, pawns, really, for the adults to manipulate to fulfill their images of what childhood should be like.

IT'S HARD TO TELL WHO ENJOYS THE GAME MOST—PLAYERS OR PARENTS

Another area in which little league comes in for criticism is that the adults often become over-involved. Many parents, it seems, take a vicarious role in the proceedings. The successes of their children are their successes, and, likewise, the failures of the children are felt personally.

As a result there is a great deal of pressure on the children to excel. A strike out or a missed pop fly at a crucial point in the game can bring disgrace to the whole family.

Mistakes can bring about a stern lecture at home and add even more pressure on the child to win and excel. But even if there is no parental reaction, the child is frequently left with the feeling that, somehow, he has disappointed and embarrassed his parents.

Another aspect of the heavy emphasis on winning and excelling is that baseball no longer is fun. It becomes work, not play - a deadly serious proposition in which the stakes are parental approval.

Games are no longer spontaneous. You play baseball because it's scheduled and not necessarily because you feel like it.

One of the interesting trends in organized baseball

SOME THINGS JUST HAVEN'T CHANGED

TODAY'S SUMMER BALLGAME IS SUPERVISED BY ADULTS

THERE'S STILL TIME TO RELAX....

...BUT SUMMER BALL'S HARD WORK, TOO

What's Happened To Sandlot Ball?

Continued from Page 1-B

is that every year the starting age seems to get younger and younger. Before, your baseball career began when you became interested in the game. But under today's highly organized programs, baseball begins at ages seven and eight, and whether the youngsters are called Mites, Mush ballers, or Tee-ballers, the fact remains that many kids are pushed into the game before they are really interested in it. Again the desire to win the affection and approval of the parent is an important factor in the number of children becoming involved in the program, but also involved is the parents fear that their children might somehow fall behind the neighbor's children if they do not get the early training.

Several interesting phenomenon take place in the summer baseball programs of every city across the country. First, there is a decided drop

off in attendance during the course of the season. Teams that opened the year with fifteen eager players are frequently hard pressed to field nine players in August.

When a Brighton little league coach was asked why he thought this happened he said that it was because the kids got tired of playing. "The teams that are winning," he said, never have any trouble. They have all kinds of players, even warming the bench. The kids would rather be on a winner than play the game."

A second interesting aspect of summer ball programs is that after the twelve year old level, there is a drastic drop off in the number of teams.

In Brighton, for example, 34 out of the 40 teams are for the twelve year old and under age bracket. Those figures are repeated in South Lyon and Northville. Twenty of the twenty-four teams in the

South Lyon little league are manned by the twelve and under brigade and in Northville the figures are 23 out of 29.

What happens to the ball players, not only during the course of getting older, but also during the course of a single season?

Is there too much emphasis on winning? Does the game stop being fun? Do the children, as they grow older, realize that there has been too much emphasis on the false value of excelling in a game? Perhaps they just get tired of seeing too many of the parents taking the whole thing too seriously?

To American youth a status symbol for their parents complete with too much aggressiveness, competitiveness, and emphasis on winning. One thing's for certain, baseball may be somewhat less popular, but it is a lot more organized.

Out of Horse's Mouth Dark Brown Hay Courts Disaster

Send your questions, comments and horse show news to "Horse's Mouth", care of The South Lyon Herald, South Lyon, MI 48178. This column is open to news of all breeds of horses and ponies.

From the Michigan State Cooperative Extension Service —

This is the time of the year that you have to be careful about losing your barn as a result of spontaneous combustion in the hay mow.

There is a direct relationship between the color of the hay and the highest temperature it reached in storage. If the hay, as it comes from the mow, has a normal green color it probably was dry enough when it was put in storage and did not heat above the thermal death point of the microorganisms in the hay. Hay that turns medium to dark brown has reached temperatures of over 150 degrees F. before cooling.

This hay has a caramelized odor pleasant to most people and the cattle usually relish the flavor. The loss in feeding value of such hay is not the main concern. Dark brown hay indicates a farmer may be courting disaster by poor judgment in storing hay at excessive moisture levels. Tobacco brown hay indicates the temperature reached 190 degrees. At this point the odor has changed to the acrid odor of creosote, or an odor normally associated with the burning of wet wood.

At temperatures of over 190 degrees, the hay loses its normal characteristics. Stems mat together as if lightly treated with asphalt. The stem is very brittle and when rubbed between the fingers, appears as pure carbon, much like charcoal. It is evidence of a very serious problem that fortunately did not result in fire.

Discovery of actual burned out pockets in a hay mow indicate that, due to a lack of oxygen, the fire went out before it broke through to the surface. However, finding hay that has reached tobacco brown or beyond indicates that it is just luck that the

barn is still there. The least little bit of difference could have made a barn fire.

How can you check hay that is overheating? One way is to stick your arm down between the bales. If the heat is uncomfortable, you had better restack your hay with air channels between the bales.

A better way is to take a piece of conduit with holes in the bottom end and stick this down into your hay stack. Lower a thermometer into the conduit. If temperature reaches 150 degrees, begin watching more closely and start moving bales. You can purchase a regular moisture-heat detector for checking bale temperature at agricultural supply houses.

You must remember that even if overheated hay does not burn your barn, it can ruin the quality of your hay.

COMING HORSE SHOWS

August 1 — Hillsdale. Lions Club charity horse show. At Hillsdale fairgrounds. Contact Jack Reamer, Hillsdale State Bank, 10 South Broad Street, Hillsdale, MI, 49242.

August 7 — Northville. Second annual Northville Fair horse show. 8 a.m. to 4 p.m.

August 1 — Lake Orion. Lake Orion show. Contact Carol Smith, 5981 Thomas Road, Oxford, MI 48051.

August 14-15 — Charlotte. Michigan Appaloosa Association State Appaloosa show, fairgrounds, Charlotte.

SHOW RESULTS

Michigan All-Morgan Show.

David Earehart of Northville was the winner of the Youth high point trophy. Grand champion stallion was Applevale Don Lee, owned and shown by J. Dunville of South Lyon.

Walter and Rheda Kane's "Green Mead's Adams" won the Get of Sire class for the South Lyon residents.

Dallas Priskorn of South Lyon won the Western pleasure championship riding "Driggs Night Hawk" which is owned by a Mason couple. J&D Majestic Farm show, Ann Arbor.

Five students of Fritz Weiss, South Lyon instructor, were prominent in the results of the J&D show of July 12.

Brooks Hinerman, riding her horse "Sindee," won a ride off to earn Reserve High Point Champion honors. Miss Hinerman was also winner in junior equitation, owner's road hack and knock down and out.

Myrel Fried rode "Ruby Tuesday" to win in the private horse section.

Other Weiss pupils winning at the show included Linda Griffith, Sally Kleinschmidt and Barbara Garn.

Results of the MICHIGAN PONY CLUB SHOW

JULY 11 S.V.R. Poppin' Addition, owned by the C.A. Krauter's of South Lyon was third place, Model Stallion; first place, Amateur Stallion and third place, Shetland Open Roadster.

High Point's Maharajah, owned by Doris Krauter, won fifth place P.O.A. Geldings at Halter.

Lori Clements of South Lyon showed High Point's Maharajah to third place in P.O.A. showmanship and first place P.O.A. English Pleasure.

Donna Smith of South Lyon won second place with Fernwood's Prince Melody in Ladies Shetland Fine Harness.

Tack thieves have been reported in operation in this area recently. Be sure to keep a close watch of all tack especially if you plan to be away from home for any length of time.

Women's Lib Gets Boost By Two Legislative Bills

LANSING — Though most of the publicity in "women's liberation" has gone to the demonstrators, the more vocal proponents of "women's lib" as well as some quieter advocates of the cause, both male and female, have been working for some practical advances on the legislative scene in Lansing.

In the current session, two pieces of legislation focus attention on areas where women traditionally have faced obstacles not placed in front of men.

The first is the bill sponsored by Representative Dennis Cawthorne, R—Manistee, to require that women be paid equal salaries with men when they do the same work as men. It is designed to correct the situation found in many places where men and women working side by side at the same job, are paid different wage rates based solely on their sex.

THE SECOND is the bill sponsored by Senator William S. Ballenger, R—Ovid, and would guarantee any Michigan woman a leave of absence if she becomes pregnant and would guarantee her her old job back after she has the baby if she wants the job back.

Again, many industries and

businesses do not allow women to come back to their old job after they have been off work to have a baby. The worst example Ballenger cited involves a woman who had worked for a firm 17 years and 11 months before leaving work to have a baby. The woman's company would not let her go back to work after the baby was born.

Neither Cawthorne nor Ballenger have been overly vocal in pursuing their respective bills. But that doesn't mean they haven't been working hard on them. In a legislative body, the legislators who make the most speeches often are the least influential. While they are speaking, the quieter, more effective, lawmakers are going around rounding up support on a one by one basis for their legislation—the way most bills are passed.

THE MICHIGAN STATE POLICE and the Michigan Association of Broadcasters are cooperating once again this year in a program designed to notify vacationers if someone back home is trying to reach them with an emergency message.

The plan is simple but effective. If someone needs to contact a relative traveling in Michigan with an emergency message, he can first contact the State Police. The State

Police determine what area of the state where the person is probably traveling and contacts radio stations there.

The radio stations then broadcast, between noon and 1 p.m., the names of persons for whom emergency messages are waiting at State Police posts and instruct them where to call to receive the message.

HUNDREDS OF MESSAGES of this nature are delivered, says State Police Director John R. Plants, particularly during the tourist and hunting seasons. But many times it is quite difficult, if not impossible, to complete their delivery.

Emergency messages are delivered only to persons when regular facilities such as telephone or telegram cannot be used.

Plants says while the system of using radio stations does not totally replace hand delivery of messages, it reaches many persons not otherwise located and reduces hours spent on hand delivered messages. So far as is known, no other state has a similar system.

MICHIGAN WORKERS injured on the job have included an increasing number of shooting victims in recent years, according to the Michigan Department of Labor.

Though it has no specific statistics available on shootings, it says 23 per cent of the people who are injured on the job are struck by objects, and an increasing number of those objects are bullets.

A number of the employees shot are shot either during holdups or because of accidents which would not happen if there were proper training and supervision of employees who handles weapons, the department says.

But there are always the exceptions to any generality and that's true in this case, too. One of the shootings involved a slaughterhouse worker who shot himself in the hand when his aim was ruined by an uncooperative pig.

Babson Report

Pipeline Stocks Still Attractive

BABSON'S REPORTS, Inc.,—Despite some recent firming, prices of many of the leading natural gas transmission stocks are still at levels that are attractive for investors who are in need of a reasonable current income from their investments and also seek some appreciation of their capital by way of a defensive type of commitment. This group of stocks is associated with the capital industries which are especially sensitive to high costs of borrowed capital. As a result, natural gas pipeline stocks have been on the defensive for most of the 1971 first half. Moreover, interest in this sector of the stock market has been dampened by somewhat disappointing profits, publicity regarding the possible tightening of safety regulations covering the industry, and a continuing net reduction in reserves of natural gas.

For many years the natural gas pipeline industry has been forced to wage protracted battles to secure an adequate return on invested capital. Company profit margins have suffered from the limiting of rate structures to levels well below those desired. Income has also been squeezed by the process of applying for upward rate adjustments, which is a costly matter. Even after long and tedious hearings, often spanning a number of years, final decrees have permitted new rates considerably below those sought.

Fortunately, the industry does have the advantage of a relatively low labor cost factor. Nevertheless, the inflationary trend of wages and fringe benefits throughout the entire economy has been powerful enough to have some impact on the gas transmission companies. Even more important, the rising tide of prices for construction, materials, equipment, and purchased gas has prevented profits from chalking up advances commensurate with the growth of revenues.

A PRIME selling point for natural gas is its cleanliness in comparison

with oil and coal. The concern over air pollution has resulted in a greater demand for natural gas from industrial and residential fuel consumers. At the same time, the resultant fillip in demand for gas has not been free of problems. The accelerated rate of expansion of transmission facilities has come at a time when long-term money rates are high, and the increase in demand for natural gas has far outpaced uncommitted reserves of this fuel.

In addition, companies are faced with the high costs of exploring for and developing new sources of natural gas, particularly in relation to the same process in prolific production areas in other parts of the world. The low prices for gas at the wellhead on sales involving interstate operations have made the supply-demand imbalance for the industry even more acute.

The key to the problem of inadequate natural gas reserves is more equitable pricing at the wellhead. This would spur exploration. It is encouraging to note that the Federal Power Commission has been more realistic in rate setting and readier to speed up the process.

Net result should be beneficial to the natural gas pipeline firms, many of which have their own reserves. As additional sources become available, these companies can speed up expansion of the gas market. In the meantime, the industry is trying to narrow the supply deficiency by importing liquefied natural gas.

The research staff of Babson's Reports now favors the common stock of companies such as Tenneco, Northern Natural Gas, Panhandle Eastern Pipe Line, and Colorado Interstate for a combination of income and potential capital appreciation. The low-yield common stock of Florida Gas is suited for growth-oriented investment portfolios.

Top Secret

Rev. Ivan E. Speight
Salem Bible Church

In (top secret) USA at (top secret) Air Force Base, I asked Captain (top secret) how many (top secret) bombers they had on "alert." The Captain replied that the information was "classified." He was not permitted to tell "But," he said, "there's nothing in the world to keep you from looking down the flight line and counting the planes."

That was very interesting. I counted 18 supersonic bombers. The information was "classified," but available to anyone who would make the effort to find it.

But on another occasion at the same USAF base, I discovered something a little closer to the "top secret" classification. I witnessed a practice ALERT. Within minutes after the sound of the alert horn the two mile long runway was lined with planes taxiing down and back, totaling four miles of aircraft in procession. (That was back in the days when USA wasn't worried about being a second-rate power.) The original alert group had doubled in size. The KC-135 jet tankers followed. The "top secret" was that planes on the flight line that appeared to be unserviceable were all of a

sudden ready for take-off. More was revealed than what the eye first saw.

God's "top secrets" are much the same. Moses declared, "The secret things belong unto the Lord our God; but those things which are revealed belong unto us and to our children forever, that we may do all the words of this law." (Deut. 29:29). God lets his secrets out to those who want to know. Jesus said that if we are willing to do His will, we shall know the doctrine. "He that hath ears to hear, let him hear." The way of salvation and heaven is kept a "top secret" from sinful men until someone who knows will tell, publish, or shout the news that Christ died for our sins according to the Scriptures. The Bible is like "classified" information until you desire to know Jesus Christ as your personal Saviour. There is exceedingly abundantly more than we could ask or think in procession taxiing down God's runways of mercy and grace ready to supply for the defense of our souls when the trumpet-horn of God's Word sounds forth the ALERT for all those who will hear and call upon Jesus Christ to be their Saviour.

Taking a chance

That's a high fence for a young man to walk, but take a good look at his face, and you'll see that he's not only determined to do it, but confident that he can.

Chances are, with this attitude, he won't slip. At least, he'll have far less chance of slipping than if he approached "fence-walking" plagued by self-doubt.

So many of us approach tasks, challenges, opportunities, with a nagging conviction of our own failure, even before we begin. We need more faith in ourselves. Self-faith comes only from a far greater faith: Faith in God.

Face up to your own "fence-walking." In the course of life, we all have to do quite a bit of it. Find the courage to start by listening to what your church has to say to you.

1-Card of Thanks

To our friends in Northville we wish to express our thank you for the warmth, love, understanding and kindness shown to us during our time of need.

Doris Donna,
Debbie, Denise and Ray II
Pacquin

The family of Joe Malik wishes to express their deepest and most sincere thanks to our very dear friends for their many kindnesses, personal support and always being in the right place, at the right time. A special thanks to our friends, The Castelines. Our appreciation to Rev. Branstner and the Methodist Church.

We wish to express our sincere thanks to our friends, neighbors, and relatives for their kindness and expressions of sympathy in the loss of our loved one, Barbara Ann Cluckey. Special thanks to our fraternal friends in O.E.S., Rainbow and White Shrine. To Reverend Henry Reinwald and the Swarthout Lamb Funeral Home for all their thoughtfulness and kindness at this time of our bereavement.

Mr. Carl E. Cluckey & David
Mrs. Orville Carter
Mrs. Douglas Robertson
Mrs. Helen Miller

We wish to express our sincere thanks to our friends, neighbors, and relatives for their kindness and expressions of sympathy in the loss of our loved one, Barbara Ann Cluckey. A special thanks to the administration, faculty, secretaries, cafeteria custodian, and students of the South Lyon High School and to Rev. Henry Reinwald and the Swarthout Lamb Funeral Home for all their thoughtfulness and kindness at this time of our bereavement.

Mr. Carl E. Cluckey & David
Mrs. Orville Carter
Mrs. Douglas Robertson
Mrs. Helen Miller

I wish to thank my friends for their cards, flowers and gifts and all other remembrances extended to me while convalescing after my fall.

Dorothy Mennell

2-In Memoriam

In Memory of my husband Ervin T. Morris who passed away July 19th, 1970

I hold you in my dreams at night I call you in the dawn

And yet I have to tell myself that you are really gone

That you are gone beyond recall forever and a day

And there is nothing I can do and nothing I can say

You were so wonderful to me So gentle, sweet and kind

It seemed that I was always in your heart and in your mind

No there is nothing I can say except a loving prayer that God will bless you, dearest one.

And keep you in His Care And in my silent sorrow there is nothing I can do.

Except to live a better life in memory of you

Sadly missed by your wife, Velma Morris

Trade Council Proposed in State

Legislation to create a Michigan International Trade Authority has been introduced in the Michigan House of Representatives. The bill is the result of an extensive study conducted by the House Economic Development Committee. It was introduced by Representative E. D. O'Brien (D-Detroit), chairman of the committee.

"We believe that the creation of this Authority will help us increase our export markets for products manufactured in Michigan. The Authority will centralize existing state agencies for this purpose," O'Brien said.

One feature of the proposal would establish foreign trade offices in Montreal, Brussels and Tokyo. These offices would be known as Michigan Trade Development Consulates and be controlled from Lansing.

O'Brien said that the trade consulates could be opened at a minimal cost. Each office would have four people; one person in charge of the Consulate, two assistants and one clerical.

Development Consulates are located. The volunteers would be known as Michigan Trade Development Consuls.

"There are many former Michigan businessmen, living in retirement outside of the United States, that would like to be active in such a program. This program would give these retired people that opportunity," O'Brien said.

After being screened and authorized by the Executive Director of the Authority, the volunteers would work without pay. They would be reimbursed for necessary expenses authorized by rules established by the Authority. The prime purpose of such volunteers would be to contact foreign business wanting to import Michigan made products.

Several states, including New York, Illinois and Ohio have established foreign trade offices. None are using the volunteer "Foreign Trade Consul" concept developed by the House Economic Development Committee.

The authority would be headed by an executive director appointed by the Governor. Funds to operate the authority would be annually appropriated by the State Legislature.

O'Brien said the existing International Trade Division of the Michigan Department of Commerce would be upgraded to administer this program. Parts of other state

agencies would then be incorporated into the new Authority to provide for the centralization and coordination desired by the Committee.

The new authority would be advised by an Advisory Trade Council, made up of Michigan businessmen. Its purpose would be to assist the Authority in generating export products manufactured in Michigan and locating foreign markets for those products.

Members of the advisory council would receive no pay for this effort. They would be reimbursed for necessary costs as determined by the Authority.

The advisory council, consisting of 11 members, would be appointed by the governor. They would first be appointed for staggered terms until by rotation each member would be appointed for a 4-year term.

The governor would also appoint the chairman of the advisory council and the council would annually report its activities to the governor and the legislature.

Risk High For Cancer In Cities

Women living in urban areas apparently run a much higher risk of developing uterine cancer than their suburban counterparts.

United Foundation findings from two spring Healthoramas suggest the incidence of the disease is twice as high among inner city women as those living elsewhere.

Of 11 positive diagnoses of cancer resulting from Healthorama Pap tests, nine live in Detroit. Two are Macomb County residents.

Their ages range from 35 to 66 years. Two are in their 30's; three in their 40's; one in her 50's, and four in the 60's.

Eight of the positives were found at the Healthorama in Olympia Stadium, which was donated for the four-day May event that attracted a predominately urban group. All eight were Detroit residents.

Three women, including one Detroit, were diagnosed as a result of an April Healthorama in Mt. Clemens where the great majority of those screened were suburbanites.

Both the Macomb and Olympia screenings yielded a higher incidence of uterine cancer than the overall two-per-thousand average reported by the Michigan Cancer Foundation (MCF).

MCF, a Torch Drive agency administering Pap tests year-round as well as at Healthoramas, tested 884 women for a yield of three positives in Macomb. A total of 924 were tested at Olympia with eight positives resulting.

Pap smears for eight additional women tested at Olympia were reported "suspicious," a label indicating the presence of abnormal cells. Tests for two suburban women checked in Mt. Clemens also were suspicious.

Because suspicious cells may be malignant, the women's reports were sent immediately to their physicians for follow-up. Twenty-nine women whose Pap smears were atypical are being retested as recommended by the cytologist who read them.

This group includes 20 Detroiters. They are among 364 individuals invited to return to Olympia this week for the first large-scale retesting program to follow a UF Healthorama.

Some 21,000 Wayne, Oakland and Macomb residents have undergone free health screening tests offered by the UF since it launched a series of annual Healthoramas in 1968.

The events are made possible through Torch Drive funds and the cooperation of both voluntary and public health agencies.

Wayne Master Plan Outlines Jail Needs

Wayne County's Board of Commissioners has adopted a comprehensive jail master plan which includes an 18-month target date for the start of construction of a new jail facility.

The plan, approved at a July 15 meeting of the board, outlines both short-term and long-range plans to improve the county jail.

The key long-range goals call for a complete, federally-financed study of the criminal justice system in Wayne County and the start of construction on a new jail or jail annex on a basis of the study results, by about April, 1972.

The board of commissioners adopted the master plan to meet a directive by a panel of three Circuit Court judges. The judges ordered that a comprehensive jail improvement plan be submitted to them by July 26.

The panel consists of judges Victor J. Baum, Richard M. Maher and John D. O'Hair.

The judges ordered a plan submitted for their review, after a lawsuit was filed against the commissioners and jail officials on behalf of a group of inmates. Originally the judges ordered the plan completed last month, but granted an extension to July 26.

The adopted plan provides for a project director who will monitor its progress and furnish monthly reports to the board of commissioners. Progress reports would also come from the county board of auditors and the sheriff's department.

The plan describes short-term improvements to be put into immediate effect while various studies are carried out to determine a location, administrative needs, and a method of financing a new jail.

Some of the improvements were instituted by the board of commissioners before the court judgment was declared.

These include \$1.5 million already appropriated for renovation of the plumbing, electrical, and ventilation systems in the present jail. The entire project is expected to be completed within 18 months.

Another aspect of the plan already underway is renovation of two barracks at the Detroit House of Correction. The two buildings will house 150 prisoners while the jail is repaired, starting about Aug. 1.

A concerted effort to reduce the jail overcrowding is another phase of the plan already in effect. The prisoner population has been reduced to about 1,000, well below the 1,240 level specified by the judges to be achieved within 90 days. The master

plan calls for the jail population of 813 by February, 1972.

A program for identifying and treating potential suicides is another part of the plan already begun. As of June 7, 1971, two psychiatrists have evaluated 158 inmates. Under provisions of the plan, these services will be expanded.

Among other programs in the short-term phase of the plan is a drug treatment program for addicts undergoing withdrawal as well as those being treated.

For this program, in conjunction with the suicide prevention program, the plan asks for additional nurses, social workers, and psychiatric social workers.

Chambers Invited

If you belong to a Chamber of Commerce in Southeast Michigan, you are invited to attend harness racing at Northville Downs on Wednesday, July 28—Chamber of Commerce Night.

The invitation to be a guest of the Downs is extended by the Northville Community Chamber of Commerce.

Mrs. Margaret Zayti, corresponding secretary of the Northville Chamber, said that local chamber members interested in attending should contact their president or secretary for free tickets.

For additional information, Mrs. Zayti may be reached by telephone at 1-349-7640.

Novi Man To Compete

The National Rifle Association of America announces that Norman E. Goelzer of Novi will compete in the 1971 National High-Power Rifle Championships to be held August 16-24. The National Championships are conducted by the NRA staff and volunteer assistance from the one million plus membership

Several Complete Nature Workshop

Several area residents completed the 13th annual nature interpretation workshop which concluded Friday, July 9 at Kensington Metropolitan Park's nature center near New Hudson.

The course was taught this year by Miss Suzanne Stephens, a summer instructor at Eastern Michigan University.

Local participants were: Mrs. Agnes J. Hoshal, 8675 Winans Lake Road, and Mrs.

Bernice W. Stevenson, 11349 Culver Road, Brighton; Mrs. Alice L. Masson, 977 Novi Street, Northville; Mrs. Kay G. Colman, 10854 Tutthill, South Lyon, and Mr. and Mrs. Richard Gretzinger, 11484 East Shore Drive, Whitmore Lake.

Mrs. Hoshal teaches at Hawkins Elementary School, Mrs. Masson at Keeler Elementary, and Mrs. Colman at Hawkins Elementary.

For School Districts

Early Aid Payments Sought

State Representative Marvin R. Stempien (D-Livonia-Northville) has renewed his efforts to take financial pressure off local school districts by giving them the greatest share of their yearly state school aid payments during the first half of the school year.

Presently, the school districts receive six equal state aid payments spaced through the school year.

"This has not worked out well," Stempien said, "because the schools must meet their greatest expenses at the first part of the school year."

"They have more need for state aid money in the first half of the year than they do in the second half. Often, school districts will run short of money early in the fall of the year and have to borrow against their anticipated state aid payments. They have to pay money for interest on these loans. This, I feel, is an unnecessary expense for the schools and an unnecessary burden for local taxpayers."

Stempien introduced a similar bill in the last session of the Legislature. It was overwhelmingly approved in the House, only to die in the Senate Appropriations Committee. The bill, which Stempien is re-introducing, would give local public school districts a total of one-half of their annual state aid allotment in their September and November payments. The other half would be spaced over the other four payments. Presently, schools receive payments on August 1,

October 1, December 1, February 1, April 1 and June 1. Under the Stempien bill, the payments would be advanced to the first days of July, September, November, January, March and May. This, he points out, would benefit the schools because they would have earlier use of the state aid money.

Stempien has been working to revise the state aid payment schedule for three years. He pledged to continue

his efforts.

"This is a change in the law that should have been made years ago," he said. "It would correct a serious and costly inequity I will do all that I can to see that this bill gets through the Legislature as soon as possible so that schools can start to obtain these benefits."

The Stempien bill has been endorsed by the Northville Public Schools, Clarencville School District, Wayne

Community School District and the Metropolitan Association for Improved School Legislation.

"H.B. 4791, if enacted into law, would mean substantial savings to the Livonia, Northville and Clarencville School Districts as well as to countless other school districts in the state," Stempien said. "It would save the Livonia School District alone approximately \$100,000 a year in interest payments

This money could be much better spent for education than for interest on what I consider unneeded loans caused by the present state aid allotment formula."

He noted that the financial need of the public schools is tied to their revenue collection systems. Most local districts receive no local tax funds until January. Thus, state aid is often the only resource they have for financing the first six months of operation.

Watch Out for Slow Movers

The State Safety Commission warns city weekenders and vacationers to keep a sharp lookout for a bright orange centered triangle identifying a slow moving vehicle.

Little over 14 inches per side in dimension, sometimes battered and muddy, or peeking coyly from beneath an overhanging wad of hay, the device is the escutcheon of a vehicle waddling along the highway at 25 miles an hour or less. Sometimes a good deal less.

Required by state law, the sign usually distinguishes farm tractors hauling agricultural machinery, but may be used for road machinery or slow moving wagons with loads of hay or other produce.

The important thing to remember—the commission says—is that 25 miles or less per hour is tremendously slower than the 50 to 65 M.P.H. passenger cars, light trucks, and other commercial vehicles usually travel. It may seem sheerly stupid to crash into the vehicle in front,

but this is the common cause of more than half the accidents in the state and of one in five of the fatal accidents according to State Police records.

Zooming along at what we hope is a legal rate, Mr. Driver may casually note a harvester or load of produce ahead, but fail to estimate its snail's pace. Even at a moderate 50 miles per hour the effect of a rear end contact could equal hitting a stone wall at 25 to 35 miles per hour.

Since the red-orange triangle was made mandatory by the state legislature in 1967, farm equipment accidents on the highways have declined 46 percent according to Dr. Richard Pfister of the agricultural engineering department at Michigan State University. Dr. Pfister points out that the use of the emblem does not include bicycles or vehicles whose normal road speed would be in excess of 25 miles per hour. Night lighting and side reflectors indicating width are still required.

Dr. Pfister urges farmers

and others to keep the SMV emblem clearly visible on every piece of equipment eligible for its use. Transferring emblems from one job to another wastes time and is easily forgotten. An occasional brightening up with a squirt of water or an oily rag is needed to clean off splashes of mud, chemical sprays or swatches of hay or corn fodder.

renewed with fresh reflectorized material. Many implement dealers make signs or replacements available. Standard dimensions and colors must be adhered to. Specifications may be secured from Michigan State University, Agricultural Engineering Department.

President Richard Nixon has proclaimed National Farm Safety Week for July 25 through 31. An appropriate way to participate would be to use and to watch for the Slow Moving Vehicle triangle.

July Events Scheduled

Whatever you enjoy most—fishing, sailboating or canoeing, a rodeo, showboat, centennial celebration or forestry exposition—there's certain to be something to your liking at one of Michigan's 13 special events from July 22-31.

Automobile Club of Michigan's seventh in a series of 14 feature maps this summer lists a large variety of fulfilled family activities for Michigamans who will be on the go this month.

A total of 210 boats are anticipated for the 47th annual Port Huron to Mackinac Island Sailboat Race. Trophies and plaques will be awarded those leading their classes in the 235-mile trip. The event is sponsored by the Detroit Bayview Yacht Club.

The World Championship AuSable Canoe Race from

Grayling to Oscoda is set for July 30-31. Forty canoes will participate in the 240-mile race, which takes approximately 14 hours to complete.

The Lowell Showboat docks in this West Michigan community July 22-24 and 29-31 with a ship load of special attractions. Headlining the first weekend will be the Everly Brothers while singer Ray Stevens will perform the second weekend.

Anglers will have an opportunity to display their talents in Baldwin's Troutarama, July 29-31. Fishermen with the largest catches in various categories will be awarded prizes. A giant parade is planned for the final day.

About 60,000 visitors are expected for Fremont's 21st annual Old Fashioned Days. Featured are a parade,

bargain shopping, free stage shows, pie eating contest and special programs for youngsters.

The City of Munger will commemorate its potato harvest July 29-August 1 with its 17th annual Potato Festival. A carnival and fireworks display highlights the Venetian Festival at Charlevoix, July 23-25.

Mio's Great Lakes Forestry Exposition is slated July 22-24 with the Rogers City Centennial July 30 to August 8. Allegan has an Art Festival July 24.

Art on the Rocks is scheduled July 21-August 1 at Marquette. The U.P. Championship Rodeo at Iron River is July 31-August 1 and the Hastings Steam Rodeo runs July 30 to August 1.
