NEA Talks Go On But No Strike Seen

Contract negotiations between the school district and the Northville Education Association remain unsettled this week, one week before the scheduled opening of Northville schools.

Though a fact finder has been assigned to aid local talks, as of Wednesday no meeting date had been established.

Acting as fact finder will be Dr. David H. Kruger from Michigan State University's school of labor and industrial relations. He was named this week by the State Labor Relations Commission.

Cy Nichols, president of NEA, said that if the contract was not settled before next Thursday, teachers would "probably go back to work with last year's contract."

"Both the Michigan Education Association and the National Education Association are asking teachers to return to work under last year's contract if a new contract has not been settled," Nichols added.

While the teams have been awaiting fact finding meetings were held last week between the NEA and the school district.

As Jones, chief negotiator for NEA, said the school district "gave us a salary offer last week and we accepted the offer with one minor change. Then they changed the whole thing."

Jones said he does not see the "need to go to fact finding when we are that close" in salary schedules.

He believes the "teachers are going to be upset with fact finding taking place after school opens. The condition will reflect in the teaching and the way the system operates."

"I don't see how the slight difference in the salary schedule (proposed by NEA) can affect the school district's budget," Jones said. "And any settlement we reach will be minus two months pay increase because of the freeze."

Though Jones said he does not believe fact finding is needed to settle the contract, the teachers "have nothing to lose through fact finding."

"We're not getting anything now. We stand to gain and fact finding is to our advantage,"

but I don't like to see the whole school system upset. It won't be a healthy situation," Jones commented.

Superintendent Raymond Spear said he felt the salary schedule both teams discussed last week "was pretty good. The district felt comfortable with it, even though we had pumped a bit

more money into it than we had expected."

"We were so close to settlement," Spear noted, "but they (the NEA) wanted us to accept their changes without accepting ours."

Though salaries seem to be the major roadblock to settlement, four areas of the

contract are still under discussion:

- salary schedule and longevity steps;
- duration of the contract;
- class size; and
- school calendar.

These are the same four items with which the teams entered mediation late in

July. Fact finding was called for by the school district August 6. Negotiations began in early April.

Nichols said he does not believe it will take long for the fact finder to reach a decision but "his report is not binding. Whether or not both sides will accept the report, I can't say."

Township Delays Rezoning

Big Boy Plan Tabled

Township planners delayed action on a rezoning request from Thompson-Brown to permit construction of multiple units and table approval of a site plan request for a Big Boy restaurant.

Both requests, tabled Tuesday night, will come up for discussion at the planners' September 28 meeting.

The rezoning sought by Thompson-Brown involves a total of 201 acres of land on the north side of Six Mile Road near Bradner. Thompson-Brown is requesting 161.2

acres of the land be rezoned to permit construction of 890 multiple family units.

A public hearing was held on the petition in July.

George Vilcan, township planning consultant, told planning commission members his biggest concern

on granting rezoning was the potential gross density of 1,175 units which could be built under the township's zoning ordinance.

Allowable density is 106 units per acre, Vilcan noted, although Thompson-Brown plans only 632 units per acre, figured on the actual land to be built upon. Part of the land to be rezoned is included in Waterford Pond.

Township planners set a closed study meeting for September 9 to discuss the proposed rezoning.

In other action Tuesday, planners tabled approval of a site plan submitted by Elias Brothers restaurant chain. Elias Brothers plans to build a Big Boy restaurant on Seven Mile Road, adjacent to the railroad tracks, in the proposed Steward Oldford

shopping center.

Planners noted the site was "landlocked" without provisions for access to Seven Mile. They requested the plan be redrawn and submitted September 28, along with road easements.

Spokesmen for Big Boy said they plan to build a family restaurant with seating capacity for 121 persons. No drive-in facilities will be included.

A request from Mrs. Nancy Beaupre to rezone .6 acre of land on Eight Mile Road between Beck and Napier was set for a public hearing October 26.

Mrs. Beaupre plans to operate a child day care center for approximately 30 students in an old schoolhouse currently on the property. She is requesting rezoning from residential to multiple use.

Stirs Protest

College Board Fills Vacancy

A pre-election controversy was triggered last week at Schoolcraft Community College when the board of trustees appointed Erwin S. Brown to fill a board vacancy.

Voting against the appointment was Trustee James Boswell, who has himself attended few board meetings because of his contention the present board is illegally constituted. He left the Wednesday meeting following the vote.

Meanwhile, spokesmen for the New Democratic Coalition of Livonia, whose court action contesting the composition of the board of trustees resulted in the September 13 special board election, has blasted the appointment, urged the board to rescind its action, and asked Brown to resign.

NDCL argues that in lieu of a special election to fill the vacant seat of Dr. George E. Martin, the present board should have deferred action and left the appointment up to the reorganized board following the September 13 election.

"The board has pre-empted the opportunity for the newly elected board to make an appointment reflecting the voters' wishes, the NDCL said, calling the appointment a lame duck action that smacks of traditional 'court house politics'."

The board, on the other hand, has indicated that it had no other choice under the law but to appoint a replacement for Dr. Martin. The board's legal counsel indicated the appointment was "appropriate and reasonable" action.

With his appointment, Brown will serve out the remaining two years of Dr. Martin's term (until June, 1973). The only two other board members whose terms are not expiring September 13 are Robert Geake of Northville and John LaRue of Livonia.

Brown, a veteran member of the Livonia Board of Education until stepping down a year ago when he left the country on an assignment to Brazil for the Ford Motor Company, also is a former member of the Schoolcraft board.

He served from 1962-65 as a college board-appointed replacement for the late A. Ward McCain who died while serving in office.

Brown, 56, is a cost analyst for Ford Motor. A 17-year resident of Livonia, he has three grown children, two of whom attended Schoolcraft. Although Northville

representative on the board, B. William Secord, has emphatically declared that the resignation of Dr. Martin was not engineered by the board to take place just before the September election and after the September ballot was closed, charges that the timing of the resignation was pre-arranged persist.

One of the candidates for the September election told this newspaper that he regretted the board appointment because it may prove injurious to the millage questions that also will appear on the September 13 ballot.

Candidates' Forum Slated

A special "Meet Your Candidates" program will be held next week Tuesday night at Schoolcraft Community College.

Sponsored by the Livonia Jaycees, the Livonia League of Women Voters, and the Northville-Plymouth League of Women Voters, the forum will be held in the Liberal Arts Auditorium of the College beginning at 8 p.m.

"Because none of the 17 candidates for the college board of trustees are from Northville and hence relatively unknown, we believe this forum should be especially valuable for Northville voters in trying to decide who to support," said Jaycee Chairman Kenneth Kelsey.

Kelsey and Mrs. Margaret Thomas of the League of Women Voters will moderate the program.

The format for the program, according to Kelsey, will be as follows:

Candidates for the two-year terms will be invited to the stage first, and each will be given two minutes to answer this question: "What prompted you to run for the Schoolcraft Board of Trustees?"

Following the candidates' answers, a question and answer period will be conducted in which members of the audience may ask questions.

When the latter ends, explained Kelsey, the six-year term candidates will be invited to the stage and they will be given two minutes to answer this question: "What particularly qualifies you as a

candidate for the Schoolcraft College Board of Trustees?" Again, a question and answer period will be conducted after the six-year candidates have answered their two-minute question.

Edison Office Closing Here

For the first time in more than half-a-century Detroit Edison Company will not have a customer office in Northville.

The end of an era will take place Friday, September 10 when Edison offices at 200 North Center street will be open for business for the final day.

The company announcement, made by G.S.

Zilly, Detroit-Wayne Division Manager of Marketing, pointed out that electric service bills may still be paid in person locally at Gamble's, 117 East Main street.

"In addition to paying bills, Edison customers can also exchange light bulbs, detachable appliance cords of standard design and leave small appliances for electric repair at Gamble's," Zilly stated.

The sturdily-constructed Edison building, typical of company structures erected in the twenties, is actually owned by Detroit Federal Savings and Loan Association. In 1961 the savings and loan firm acquired the building from Edison and has shared the main floor office space since that time.

The second floor of the building is leased to Edison's street-lighting division which uses the area for planning and designing.

The original Edison offices were opened in Northville in about 1915 and were located at 134 North Center street, now the home of Cloverdale Farms Dairy.

Construction of the Center and Dunlap street building took place in 1928 and the company moved into its new offices in 1929.

Edison's decision to close its local office is a reflection of the times as well as an economy move.

Changing customer habits have resulted in paying bills by mail, making inquiries by phone. And where the company previously emphasized electrical appliance sales at its local offices, it no longer competes strenuously with

NEWS BRIEFS

EARLY COPY deadline for both news and advertising is scheduled for next week's edition of The Northville Record-Novi News because of the Labor Day weekend. The newspaper office will be closed Monday. Deadline for classified advertising (want ads) is noon Saturday. Classified ads may be placed by calling 349-1700 or by visiting the newspaper's editorial-advertising office, Main and Center streets. All news and retail display advertising must be received by 10 a.m. Tuesday. Persons are urged, however, to submit news and advertising copy by Friday or Saturday if possible. The newspaper will be published on Wednesday afternoon as usual.

MILK PRICES have been rolled back in Northville Public Schools due to the reinstatement of the federal government's subsidy last Thursday. Superintendent Raymond Spear said milk prices will remain the same as last year, 15 cents per week. Last week the school board took action to raise prices to 40 cents per week because the federal subsidy had expired.

NORTHVILLE TEACHERS will meet Tuesday, September 7, at 8 a.m. in the Presbyterian Church to discuss the progress of contract negotiations. Cy Nichols, president of the Northville Teachers Association, urged all teachers in the district to attend the meeting.

APPROVAL was handed down this past week by the Municipal Finance Commission for \$610,000 of tax anticipation notes for operational purposes during the current fiscal year of the Northville Public Schools. The school district is borrowing the money, at a maximum interest rate of 6-percent, and using as "collateral" anticipated tax collected monies.

August Wedding Bells Ring for Six Couples

Bosak-Stine

Chapman-Lobbestael

Cusson-Patterson

Elkins - Deal

A bit of family tradition graced the August 28 wedding in which Susan Marie Bosak became the bride of Glen R. Stine. They were married at 2 p.m. in the Alumni Memorial Chapel at Michigan State University, East Lansing.

For the ceremony the bride wore her mother's wedding gown of white duchess satin. It featured puffed sleeves, a princess neckline and a wide satin waistband. She carried her grandmother's prayerbook with a bouquet of assorted flowers.

The Reverend Father John Wyskiel of Our Lady of Victory Church performed the single-ring ceremony.

The bride is the daughter of Mr. and Mrs. Frank H. Bosak of 43000 Nine Mile, and his parents are Dr. and Mrs. Leo

C. Stine of Kalamazoo.

Serving as maid of honor was Miss Virginia Bosak, sister of the bride. Another sister, Nancy Bosak, served as bridesmaid and Anne M. Herrmann, the bride's niece, was the flower girl.

Best man was Timothy Null and ushers were Alan Stine, brother of the bridegroom and Robert Bosak, brother of the bride.

Following the wedding a reception was held at the Starboard Tack in East Lansing.

The bride is a 1967 graduate of Northville High School and has received a B.A. degree from Michigan State University. This summer she was employed as women's editor of the Asheboro North Carolina Courier Tribune, and this fall she will work for a Cleveland area newspaper.

The bridegroom also graduated from Michigan State and has been working on a master of public administration degree at the University of North Carolina, Chapel Hill. He will work for the Cleveland Foundation, Cleveland, Ohio.

Shrine of the Little Flower in Royal Oak was the setting for the morning ceremony in which Suzanne Marie Chapman and Michael Lobbestael were married. The bride's parents were also married there.

She is the daughter of Mr. and Mrs. Robert Chapman of 846 Grace Street, and the bridegroom's parents are Mr. and Mrs. Felix Lobbestael of Mt. Clemens.

The couple were married on August 14 at 10.30 a.m. by the Reverend Richard Peffetto. White pom-pom chrysanthemums and white satin bows provided church decoration for the ceremony.

Popular music by the bride's cousins Mary Jo and Jimmy Best set a contemporary tone to the wedding. While Jim played the guitar they sang "There is Love" by Paul Stookey for the processional, "Amazing Grace" during the offertory, "I Love" by John Lennon during communion and "A Song of Joy" for the recessional.

Given in marriage by her mother and father, the bride wore a white organza gown with a high waistline. Venice lace intertwined with satin ribbon bordered the waist-

band, hemline ruffle and chapel train.

She wore a small cap trimmed in lace and pearls with a short veil. Her bouquet was an arrangement of lavender lily of the Nile surrounded by white and pink butterfly orchids.

Burdette Chapman served her sister as maid of honor, wearing a voile flowered print in lavender and pink on a white background. The gown had a high waist, puffed sleeves and a scooped neckline edged in lace. She carried a bouquet of pale pink rosebuds surrounded by lavender status and deep purple carnations.

Bridesmaids were Julie Kern and Michelle and Adrienne Chapman, sisters of the bride. They wore outfits similar to the maid of honor's. Another sister, Aimee Chapman, was flower girl in a lavender floor-length dress. She carried tiny pink roses and lavender status.

Richard Lobbestael, the bridegroom's brother, was best man. Ushers were James Toth, Don Maxwell and David Lobbestael, also brother to the bridegroom. Brian Thomas served as ring bearer.

For her daughter's wedding Mrs. Chapman wore a long lavender gown with a high fitted bodice, ribbon laced neckline, lace ducky and ruffle collar. The bridegroom's mother wore a long pink high-waisted dress with fitted bodice, accented with tiny covered buttons. Both mothers had an orchid corsage.

Following the wedding about 200 guests attended a reception held at Vladimir's in Farmington. Friends and relatives attended from Wisconsin and cities throughout Michigan. Then the new couple left on a motor trip to Sarnia and Toronto, Canada.

The bride is a 1968 graduate of Northville High School now entering her senior year at Western Michigan University. Mr. Lobbestael graduated from Western in 1971, has completed his ROTC basic training and is now studying for his master's degree.

A wedding trip in the Virgin Islands followed the August 14 marriage of Vivian Marie Cusson and Richard Russell Patterson. They were married at 1 p.m. in the Our Lady of Victory church by the Reverend Father John Troester.

The bride is the daughter of Mr. and Mrs. Andrew Cusson of 48905 West Nine Mile. Parents of the bridegroom are Mr. and Mrs. Ralph Patterson of 813 East Lake Drive in Walled Lake.

Altar vases of gladiolus and mums provided church decorations for the ceremony, along with a spray of mums.

Shower Fetes Recent Bride

About 22 friends and relatives of Kristen Wistert Neeser attended a belated bridal shower in her honor on August 24. The miscellaneous shower was held at the home of Mrs. Gordon Forrer, 46995 West Main, co-hosted by Mrs. Richard Kay of Grosse Pointe.

Floral bouquets fresh from the garden of Mrs. Forrer and Mrs. Harold Wright were used to decorate the living room, also the dining room table where dessert was served.

The bride, a 1969 graduate of Northville High School, is the daughter of Mr. and Mrs. Alvin Wistert, 10250 West Seven Mile. Last December she married Thomas Edward Neeser of Spokane, Washington, where the new couple is now living. Both plan to attend Spokane Falls College this fall, where Neeser is majoring in journalism.

Circle Meets

Mizpah Circle, King's Daughters will meet Tuesday, September 7 at 2 p.m. in the home of Mrs. Richard Somers, 18900 Valencia Road. All members are asked to attend this first business meeting of the season.

In the coming year, Mizpah Circle will meet on the first Tuesday of every month in members' homes.

Duncan Hartley Takes Bride

Duncan Hartley claimed Adrienne Ashley as his bride in an evening wedding on August 19. The Rabbi Sherwin Wine officiated at the ceremony, held in the home of the bride's parents.

She is the daughter of Mr. and Mrs. Edward M. Ashley of Farmington. The bridegroom is the son of the late Mr. and Mrs. Harold Hartley of Northville.

Given in marriage by her father the bride wore an ivory dress bordered in aztec tapestry. Mrs. George

Russell, sister of the bride, was the honor attendant.

Charles Gross of Northville, friend of the bridegroom, served as best man.

Following the wedding a reception dinner was held at the Sussex house in Southfield. The new couple then left for a wedding trip to Stratford and Toronto, Canada.

The bride attended Wayne State and Oakland University. Hartley graduated from Northville High School, attended the University of Michigan and recently received his Ph.D. in English from Wayne State University. Their new home will be in Morristown, New Jersey.

Victoria Elkins and Barry Deal pledge their wedding vows in an August 14 ceremony at the First Church of the Nazarene in Detroit. The Reverend A. Eugene Hudgens performed the double ring ceremony at 4 p.m., before an altar banked with white mums and carnations.

The bride is the daughter of Mr. and Mrs. Clifford Elkins of 371 Welch, and the bridegroom's parents are Mr. and Mrs. Dayton Deal of 20116 Springwood Drive.

Soloist Shelia Lacy sang "Walk Hand in Hand" and "The Lord's Prayer" during the ceremony.

When the bride was escorted to the altar by her father, she wore embroidered silk organza over satin. The gown featured a rolled collar and full bishop sleeves, with deep cuffs. A fingertip illusion veil fell from a Dior Bow and she carried a bouquet of white phalaenopsis and stephanotis.

The bride's sister, Mrs. Lynn Leach, served as matron of honor, and bridesmaids were Debbie Potbury, Nancy Fair, Pat Schrock, Joyce Poe and Sheryl Elias.

All wore matching outfits of blue sarrano with short sleeves, a round neckline and

white rick-rack trim. Gathered waistlines were encircled by white macramé belts, made by the bride.

They wore white picture hats trimmed in blue velvet ribbon and carried colonial bouquets of red roses, blue carnations and yellow daisy mums entwined with long blue streamers.

Richard Juday, nephew of the bridegroom, served as ring bearer and flower girl was Shawna Beach, cousin of the bride.

Wade Deal served his brother as best man and ushers were Fred Hicks, Craig McDermid, Grant Gillespy, Stan Nirider and Tom Hotchkins.

The bride's mother wore a pink silk shantung with short sleeves and a rolled collar, and the mother of the bridegroom chose a sleeveless A-Line blue shantung.

Following the wedding, a reception for 275 guests was held in the church Fellowship Hall.

Both the bride and bridegroom are 1969 graduates of Northville High School. The bride attended Olivet Nazarene College and he attended Western Michigan University. Deal is now serving in the US Air Force, stationed in Big Spring, Texas.

Gibson-Beerbower

From Dayton, Ohio, comes news of the August 28 wedding of Cynthia Gibson and John Edwin Beerbower. They were married in a double ring ceremony at the Westminster Presbyterian Church, with the Reverend Thomas C. Davies officiating.

A former resident of Northville, the bridegroom is the son of Mr. and Mrs. Robert Edwin Beerbower, 1345 Devereux Drive in Dayton. His bride is the daughter of Mr. and Mrs. Charles Augustus Gibson of Fairborn, Ohio.

Given in marriage by her father, the bride wore a formal gown of antique ivory silk satin, the bodice featured a pearl and crystal beaded Victorian collar and long fitted sleeves. Bands of beading adorned the front of the bodice and encircled the waistline. A deep inverted pleat and soft gathers gave fullness to the A-line skirt which swept to a chapel length train.

Her silk illusion veil was caught to a medieval bonnet of satin accented by a band of beading. She carried a bouquet of white phalaenopsis orchids entwined with white and purple stephanotis and cascades of ivy.

Serving as maid of honor was Miss Shelley Lynn Gibson, sister of the bride. Bridesmaids were Jo Ellen and Joyce Beerbower, sisters of the bridegroom from Dayton.

The attendants wore floor-length gowns of royal purple crepe designed with a fitted bodice and jewel neckline. Old embroidery in a wheat motif accented the narrow belt and banded the ruffled cuff of the full bishop sleeve. They carried bouquets of dark purple asters, white carnations and baby's breath with cascades of ivy.

James Norton Beerbower served his brother as best man. Ushers were Michael Taylor of New York City, New York, and Bruce Benton of Washington, D.C.

Following a reception in the French Room of the Wright Patterson Officers' Club, the couple left for a wedding trip in Bar Harbor, Maine. They will arrive on September 5 at their new home, 47 Irving Street, Cambridge, Massachusetts.

The bride is a magna cum laude graduate of Mount Holyoke College where she was named a Mary Lyon Scholar. She spent her junior year at Smith College as an urban affairs student and was listed as a Dean's Scholar. She will be a first year law student at Boston University Law school in September.

The bridegroom is a summa cum laude graduate of Amherst College where he was the recipient of the Akers Prize in economics. He is a member of Phi Beta Kappa and is a second-year law student at the Harvard Law School.

News Around Northville

Mrs. Helen Rieger of 610 Novi Avenue returned Monday from a three week tour of Europe. Mrs. Rieger

traveled to England, the Netherlands, Belgium, Germany, Monaco, France, Italy and Liechtenstein.

"You know it was just perfectly lovely," she stated upon her return. "People ask you to describe it but I just can't put it into words."

An end of the summer morning brunch for friends who had not seen each other in several months was held last Thursday at the home of Mrs. Paul Hughes, 39915 Harbert Co-hostess for the affair was Mrs. Robert Lang.

Approximately 30 women gathered to enjoy German and Danish pastries, scrambled eggs with mushrooms and fresh watermelon. While the visitors also admired several oil paintings which the Hughes purchased while living in Europe. They returned to Northville last fall after living in England for several years.

Honored dinner guests Sunday at the home of Mr. and Mrs. Manuel Perez, 19321 Gerald, were Mr. and Mrs. William Hazlewood. He is the past grand worthy chaplain of the fraternal order of Eagles. Both couples belong to the Motor City Eagle area No. 2265.

Northville Newcomers and prospective Newcomer members are invited to attend the annual fall coffee on Wednesday, September 8.

This first event of the 1971-72 season will be held from 12:30 to 2:30 p.m. in the King's Mill Clubhouse announced Mrs. John Crotteau, a spokesman for the group. "Everyone is welcome to join our get together, sign up for an interest group and discuss plans for the coming year," she said.

Our Lady's League of Our Lady of Victory Parish will hold its regular meeting and a potluck supper on Tuesday, September 14.

Each member is asked to bring a passing dish for the supper, which will be followed immediately by mass.

Honored guests at this meeting will be faculty members of Our Lady of Victory Parish. "The Skin Of Our Teeth", the first of the Kenneth Clark Civilization film series, will be shown at 9 p.m.

"All new parish members are invited to join us and be members of Lady's League," invites Mrs. Elizabeth Edwards, a group spokesman.

MR. AND MRS. CLARENCE SPARLING

Sparlings Mark 50th Anniversary

More than 100 friends and relatives joined Mr. and Mrs. Clarence Sparling on Sunday, August 22 to help celebrate their 50th wedding anniversary. Guests strolled indoors and out during the afternoon open house, held in their home at 43753 Galway Drive.

The party was given for them by their children, Mrs. Helen Tupening of Ohio and Robert Sparling of Plymouth. In addition, the Sparlings received over a hundred cards from friends across the country who were unable to

attend the celebration.

Mr. and Mrs. Sparling were married in Spear Fish, South Dakota on August 17, 1921. Shortly thereafter they moved out to Wyoming where both taught on an Arapahoe Indian reservation. Sparling also served as a preacher at the Ft. Washakie Episcopal Mission.

In 1925 they moved to Michigan where following World War II Sparling started a chrome plating business in Plymouth. He retired in 1965 and moved to Northville from Detroit last October.

WORKSHOP—The 1971 Torch Drive poster captured the attention of Northville resident Mrs. Robert A. Yanover (right) of 43243 Eight Mile Road, and Detroit Mrs. Harold L. Frank at a workshop for top leaders of the campaign's west residential unit. The meeting was held in Vista Maria School, a Torch Drive agency at 20651 West Warren providing academic and vocational training for teen-age girls with behavior problems. Mrs. Yanover is serving as division chairman for the residential canvass in Northville.

Fiesta Climaxes Summer

A Mexican Fiesta climaxed the summer for Novi Newcomers on August 21 at the home of Mr. and Mrs. Randy Woodward of 40905 Mooringside. About 15 couples enjoyed the Mexican food, prepared by Mrs. Woodward and Mrs. John Lapham.

Both women donned Spanish garb to serve their menu, which consisted of chicken and beef enchiladas, spanish rice, refried beans, tossed salad, guacamole dip with tortillas and banana nut cake with coffee. Sombreros

and ponchos were decorations and Latin mood music was played to accent the Mexican theme.

"Although we had planned several games, it was such a pleasant evening just sitting outdoors, enjoying the food and the music that we never got to them," laughed Mrs. George Podolski, a spokesman for the group.

The newcomer interest group for bridge players has been set up to begin in September, she added. For information about daytime bridge or couple's bridge,

played the first Friday evening of every month, call Mrs. John McPherson, 476-7853.

EXCHANGE STUDENT—French visitor Christine Zwiygart, 20 says she particularly enjoys living with the W. P. Reagan family because she loves animals, and they have several pets on their country home.

Announce Births

Announcing the birth of a new son, named Robert Mark, are Mr. and Mrs. Denis Roux of 211130 East Chigwiddden He was born on August 23 in St. Joseph's hospital in Ann Arbor, weighing seven pounds, 12 ounces.

He joins at home three brothers, Jerry, 6, Jeff, 5, and Tim, 3. Grandparents are Nathe Roux of Northville and Mr. and Mrs. James Thornton of Farmington

A daughter named Kimberly Ann has been born to Mr. and Mrs. Stanley Ramsey of St. Helen, Michigan. She was born on August 19 in Mercy Hospital, Grayling, weighing seven pounds Four brothers and one sister awaited her arrival home

Grandparents are Mr. and Mrs. William Caudle of West Six Mile, Mrs. George Gardner of Wixom and Arthur Ramsey of Vanderbilt.

Baptists Host Vocal Recital

Vocal selections from Handel, Haydn and Mendelssohn, among others, were performed Sunday afternoon by Miss Joann Kitzman in the First Baptist Church.

Miss Kitzman who lives in Livonia with her parents Mr. and Mrs. Albert Kitzman, has been a member of the Northville Baptist church for many years and is well known to church members. A graduate of Wheaton College, she has been employed for the last two years teaching third and fourth grade at Perrinville School.

For the last year she has been taking voice lessons under Leon Anderson, music director at Detroit Bible College. At her recital Sunday she was accompanied by Mrs. Leon Anderson with recitations by Evelyn Hay, a college roommate from Wheaton.

Included among Sunday's selected readings was a poem "In His Hands" written by Albert Kitzman

From Iowa City, Iowa, Dr. and Mrs. Dennis Assenmacher announce the birth of their third son, named Jeffrey David. He was born on August 14, joining at home brothers Joey, two, and Jamie, 15 months

Mrs. Assenmacher is the former Mary Kay Jendrisak of Northville Her husband is now in his second year residency in orthopedic surgery at Iowa University Hospital.

Grandparents are Mr. and Mrs. Joseph Jendrisak of 986 Grace Street and Mr. and Mrs. Alphonse Assenmacher of Monroe

Mr. and Mrs. John A. Samuli of Calumet, Michigan, announce the birth of a daughter, named Leah Marie. The little girl was born at Calumet Memorial Hospital on August 8, 1971.

Her father is a graduate of Northville High School and the Michigan Technological University of Houghton. His wife is the former Kathleen Sauvola of Chassell, Michigan

Mr. and Mrs. Robert K. Thomas of Southfarm Lane announce the birth of a son, Jeffrey Ryan, on August 19 at St. Mary Hospital. Jeffrey, whose birth weight was six pounds seven ounces, joins a sister Jennifer, seven, and a brother Jonathan, three, at home.

Grandparents are Mrs. Arthur Schulte of Northville and Mrs. Donald L. Smith of Southfield

Attends Schoolcraft

French Girl Here As Exchange Student

There's a new French exchange student living in Northville this year. She is Christine Zwiygart, 20, a freshman at Schoolcraft College.

Miss Zwiygart arrived Sunday, August 22 for a year's visit with Dr. and Mrs. W. Paul Reagan, 21633 Beck. Her visit had been planned for nearly a year since she met the Reagans who were camping in Europe last summer.

"I have always wanted to come to America, I have read much of it's history and I love the American people," she explained Wednesday. "But it took so long to arrange for a visa and everything. Oh, I thought I would never get here."

In the year's time it took to finalize her plans, Miss Zwiygart worked in an old people's home near her home in Chaumont, France. She lives there with her mother and younger brother, who is a sailor in the French Navy.

"It is a little difficult for me to speak English, I have not used it since I received my baccalaureate last year," she said with little difficulty. In particular she was concerned about the secretarial classes which she is taking at Schoolcraft this semester.

Although preparing for a secretarial career, she would prefer to work in film productions as a script assistant, she confides.

Following the regulations of her U.S. student visa, she has enrolled as a full-time student carrying 12 semester hours. Hopefully, she can complete her studies in two semesters, leaving the spring semester free for travel, she explained.

"I would particularly like to travel out west, to see the horse ranches and miles of wilderness," she said. "In France it is more densely populated. People live in smaller apartments, closer together."

"I am also very fond of horses I hope some day to have one of my own. My father, who was a riding instructor, taught me to ride when I was very young."

She enjoys living at the Reagan country home, which is big enough for a swimming pool and five horses. The Reagans have five children aged seven through 15, and Dr. Reagan is employed in tuberculosis control for Detroit and the Wayne County area.

Besides visiting a Western Ranch, Miss Zwiygart said she would like to see Disneyland and Houston, Texas, because she admires the astronauts. Actually she would welcome the opportunity to travel anywhere and see as much of

America as she possibly can. This fall she will be traveling to and from Schoolcraft on a motorcycle as many students do in France. When winter comes she hopes to arrange transportation with fellow Schoolcraft students.

Engagements Told

SUSAN CAPORALE

KATHY WINNER

The engagement of Susan Elaine Caporale and John Miller III is announced by her parents, Mr. and Mrs. Dominic Caporale of Dearborn Heights. He is the son of Mr. and Mrs. John Miller, 8660 Napier

The bride elect graduated from Fordson High School in 1970 and is now entering her second year at Henry Ford Community College. Her fiancé is a 1969 graduate of North Marine High School in California and is now employed by W.E. Shultz in Northville.

They plan to marry in August, 1972.

Mr. and Mrs. Gilbert Winner of 23622 Heartwood announce the engagement of their daughter, Kathy Jeanette, to Michael Petty III. He is the son of Mr. and Mrs. Michael Petty Jr. of Warren. The bride-to-be is a 1969 graduate of Novi High School, currently employed by the General American Life Insurance Co. Her fiancé graduated from Michigan State University in 1970 and is an accountant for Ernst and Ernst Accounting Firm. A December 4 wedding is planned.

I WANT THAT CLASS — Pandemonium was controlled last week, in fact it was fairly subdued at Novi High School as students began to register for the fall semester, but secretaries McMillan, left, and Cook, felt the usual rush of student scheduling problems, after all, everybody can't have the same lunch hour.

New Schools May Have Short Classes

Shortened initial classes at both the new middle school and Village Oaks Elementary appeared a possibility late Tuesday as Novi administrators assessed progress of construction and testing of water.

Following a thorough review Tuesday, Superintendent Thomas Dale, and his assistant, T. Richard Hendrickson, announced that classes at both schools may have to be shortened for up to three days unless developments change between now and the opening date of schools on September 8.

Unaffected are the high school, and the two other elementary schools—Novi, and Orchard Hills.

Novi's bus schedule, published elsewhere in this edition, also is unaffected.

It appears, Hendrickson told this newspaper, that seventh and eighth grades at the new middle school will operate on a reduced schedule on Wednesday, Thursday and Friday (September 8, 9, and 10).

That reduced schedule, he explained, would mean students would be bused to the middle school as scheduled, meet five to 10 minutes with each of their teachers, and then be returned home on each of the three days.

Day-long classes would begin the following Monday, barring unforeseen construction difficulties.

Officials are hopeful that initial classes may include a full-schedule at Village Oaks, but they admit that limited sessions are possible and hence they are reluctant to make any firm commitment.

"We're still anticipating regular sessions at Village Oaks but at this time we cannot rule out the possibility that they, too, may be shortened," said Hendrickson.

Of the two schools, the least likely to start with shortened sessions is Village Oaks, he said.

The assistant superintendent said boiler leaks, incomplete egress and ingress for buses, and sewerage line problems were the three major reasons for possible curtailment at the new middle school.

The only major problem at Village Oaks is the time element involved in chlorinating, flushing, and testing of the water lines—a procedure that can take several days. Because of the upcoming long Labor Day weekend, testing personnel will not be working, thus pushing completion of this procedure "right down to the wire," he explained.

"Hopefully, we'll make it." Furniture is in place in three of the classrooms at Village Oaks, and furniture for five other rooms is in the school but had not yet been unboxed and positioned by this past Tuesday, he said.

Most other essential cupboards and supply cabinets are in place, he said.

Concerning the middle school, Hendrickson said testing of the sewerage line, from the Novi interceptor to the school, was scheduled yesterday (Wednesday).

While officials wrestle with the opening school problems, teachers are scheduled to meet tonight to decide what course of action to take in lieu of a new contract.

Milan Obrenovich, chief negotiator for the Novi Education Association, told this newspaper he will recommend that the teachers start school under last year's contract "We'll see if they are willing to work under last year's contract for a month or two, or for the duration of the President's wage freeze," he said.

Although he envisioned no problems in respect to teachers, he was less optimistic about the board's "going along" with last year's contract. If the board refuses to honor even last year's contract, he declared, "you can bet teachers will be fighting mad."

"We're willing to accept the wage freeze but we are not willing to work for less than we had last year," he said. Obrenovich said he is discouraged by the progress of contract negotiations,

which have been underway since June. Mediation has been requested, he said, and the mediator, Gordon Lee, may arrive here before school opens or possibly a day or two later.

Biggest hangup, said Obrenovich, is over salaries and other economic matters. "We think our offers are reasonable, and we've

In Wixom

Old Homes Tell Stories

By NANCY DINGELDEY They're old. The architecture ranges from the stately classic Greek revival to "add a room as needed" American farm

functional circa early U.S.A. — early Wixom.

Some are dilapidated, looking as if a good wind might blow them down; some lovingly cared for, mellowed by the hands of time, some with new coats of paint sitting amidst neat and colorful gardens.

All have stories — a bit of nostalgia, a bit of history all set within a rapidly modernizing scene. All could be torn down but with them would go a little bit of yesterday.

A tour of the old homes of Wixom

The house is reported to be 160-years old, built at a time when Michigan did not exist and Oakland County was yet a reality. The area, was a territory and Pontiac Trail was just that — a trail used by the Indians who stopped by now and then for food.

The original 14" hand-hewn beams with big wooden pegs can still be seen in the living room of the Charles Ware home at 50770 West Pontiac Trail. Graced with a field-stone fireplace, it is a visit into the past.

The first frame home built between Pontiac and Ann Arbor way back when, it was built during an era of house and barn raising. Neighbors came from miles around to help with the work and have a party to boot. The house was constructed on the ground and then all hands pitched in to raise it up — hence the name.

Through the years, additions have been built and changes made within, but a part of the original old house still stands and is still used — a sort of tribute to the skills of less "modern" man.

One of the oldest abstracts in Oakland County is held by Mr. and Mrs. Fredrick Parton on their home at 48755 Pontiac Trail. Also known as the "VanAmberg" home, the abstract is dated on September 13, 1833. At that time, 118 acres were bought from the United States Government by Olive Wixom and the house that belies its age was built.

According to the abstract, Olive married Horace Garlick and then the house was passed on to a Robert Wixom who lived in it for several years subsequently passing it back to Olive.

The Garlicks, in turn, sold the house to Ahijah Wixom. During the period of time that

he and his wife Lucy lived in the house it became known as the "Wixom Hotel".

During the period preceding the purchase by Ahijah and his wife, the town was known as Sibleyville. Some people several years back still referred to Wixom Road as Sibley Road.

Sibley and Wixom had teamed together in several business activities and it was not until after Sibley moved to Pontiac and the partnership dissolved that Ahijah Wixom had the surrounding countryside platted and the town officially became known as Wixom.

Chase Ends

In Arrests

A 100-mph chase Thursday by Novi police netted four Detroit youths who were charged with B&E of an auto and receiving and concealing stolen property.

Chris Albert Bishop, 19, and Gregory Alan Lee, 17, were arrested by officers of the Kensington Metropolitan Park Authority and arraigned before Judge Martin Boyle in the 52nd District Court on charges of the B&E.

Both are suspects in a rash of recent automobile B&Es at the park. The pair was confined to the Oakland County jail after failing to post a \$1,000 cash bond.

Two juveniles, aged 15 and 16, who were in the company of Bishop and Lee, were charged with receiving and concealing stolen property and turned over to the juvenile court.

The chase began as Novi officers in an unmarked car observed a car passing under Novi Road on I-696 that answered the description of a broadcast from Kensington.

The officers pursued the car, at speeds in excess of 100 mph, until the vehicle was finally halted 10 miles later with the assistance of the South field Police.

Council Hires Assessor in Novi

Novi hired a new assessor at \$14,000 per year Monday night over the objection of Councilman Denis Berry.

Councilman Edwin Presnell, one of six applicants for the job, abstained.

Currently assessor in Osgo, Michigan, John Merrifield was the unanimous recommendation of the three-man committee charged by councilmen to select an

assessor to fill the post vacated by Dallas Zonkers last April.

He holds his second degree certification, according to committee chairman Louie Campbell, and is working on his third.

Novi, totaling over \$50 million in state equalized valuation, must have a level three assessor before January 1, 1972, or turn its assessing

department over to Oakland County.

Objections to the move were raised by Berry, who said the council should have been notified in private before making public announcement of the committee's recommendation, and by Presnell who charged defamation of his character. He said councilmen were making a serious mistake paying Merrifield \$14,000 instead of the budgeted \$12,500.

Presnell was angered when qualifications for the post were read by Campbell in Monday's public meeting.

Criteria demanded that the appointee be at or near a level three certification and have several years of on the job experience in an area containing mixed classifications of property.

"We asked for someone who would not be subject to general permissiveness for any individuals or groups within the community," Campbell told councilmen, "someone who is capable of handling administrative chores, and who has experience with data storing equipment."

According to Campbell, Presnell could not meet the level three requirement, had not in fact reached the second level of certification.

Presnell denied this, pointing out that he was at level two and was currently working on his level three.

Berry objected to the method of presentation, without formerly alerting the council.

"It bothers me," he said, "that this council didn't meet and discuss the matter ahead of time. It seems a little sneaky."

"It was for exactly that reason," said Councilman Raymond Evans, secretary of the committee, "that we decided to do it this way. Our third member, Councilman William O'Brien, was on vacation and we couldn't get together until tonight, and we wanted to avoid the question of discussing it in a secret meeting."

"We've made our recommendation," Evans continued. "It's now a matter of public record and council can vote how it sees fit."

Mayor Joseph Crupi suggested that the council study the recommendation until the next council meeting and vote on it then. Evans and Campbell both protested that the man had several job offers, one from a neighboring community, and that he probably would not be available next week.

"This man comes specifically recommended by the Secretary of the Michigan

Continued on Page 14-A

Ask to Quit Drain District

Novi hopes to withdraw from the Randolph drainage district and instead work with Northville's assistance toward the establishment of a retention basin in the Taft-Beck Road area south of Nine Mile if legally possible.

The decision came at the end of long discussion Monday night which centered around the complaint that Novi citizens would "get nothing for their money" after having paid a share of a proposed drainage improvement to run from Eight Mile and Taft, south through Northville.

Average expense to the landowner in Novi was estimated at some \$800.

"The main reason I want to back out," said Councilman Raymond Evans, "is that we're paying for a lot of fancy bric-a-brac and culverting in Northville that we are not responsible for."

Councilman William O'Brien agreed, but pointed out that the water which would flow through those culverts started at the head of

the drain—in southern Novi.

It was suggested by Evans that a letter be sent to the drainage commission spelling out the council's position on the matter and guaranteeing that at no time would Novi dump any more water into the Northville system than it is doing at present, "just to see what they do."

City Attorney Howard Bond was absent from the meeting but at an earlier one when the question of withdrawing from the district had been brought up, he was uncertain as to whether or not Novi could legally withdraw.

Tuesday afternoon Bond was investigating the matter to determine a proper course of action.

Northville City Manager Frank Ollendorff was non-committal.

"We're not ruling out any proposal," he said Tuesday. "All we're after is a guarantee that there's no flooding once Novi and Northville are fully developed."

LINK Seeks Volunteer Aid

Anyone who is a good listener and interested in helping other people now has an opportunity to put it all together. L.I.N.K. officials emphasized this week.

"Listeners In Novi Care" is the name chosen for Novi's new community rap-line, designed to aid young people in a crisis situation. The L.I.N.K. line is being set up through auspices of the local drug abuse committee.

"We will be the link between a troubled person and whoever can best help him or her with their problem," explained a spokesman for the group. "In other words

we're going to be good listeners, anonymous listeners.

"Right now we need interested people 16 or older who really care about helping others to volunteer as listeners. They will begin training next week and L.I.N.K. will become operative by November 1."

Applications are available from the front counter of the Novi City Hall, offices of Novi High School and from local merchants.

They should be sent to P.O. Box 151, Novi, Michigan, care of Drug Abuse Committee by September 13.

ORIGINAL — The Charles Ware home, 50770 West Pontiac Trail still sports the original 14" hand-hewn beams with which it was built 160 years ago. No nails here either, beams are held together by wooden pegs.

Kindergarten Times Slated

Schedule of classes for Novi kindergarten youngsters were announced this week.

By school they are: Novi Elementary—9 a.m. to 11:30 a.m. for all kindergartners living west of Novi Road and south of Grand River; and from 1 p.m. to 3:30 p.m. for all kindergartners living north of Grand River.

Orchard Hills Elementary—9 a.m. to 11:30 a.m., Willowbrook Sub No. 1, Willowbrook Sub No. 2, Meadowbrook Lakes, Eight and Nine Mile roads, and Novi Road between Eight and 10 Mile roads; and from 1 p.m. to 3:30 p.m., Meadowbrook Glens.

Village Oaks—9 a.m. to 11:30 a.m., Village Oaks, Willowbrook Sub No. 3, Buckingham Court, Old Orchard, Burton Drive, and Squire Drive. No afternoon class is planned.

Parents of kindergartners are asked to check with the bus schedule published on Page 12-A.

Double Treat in Store At This Local Home

By PRUDENCE HARTT

A double treat awaits tour guests who will visit the Russell Atchison home next month. Besides viewing the elegant furnishings inside, they will be visiting a home with historical significance in the Northville area.

The stately bungalow was the original farmhouse that stood in the orchards that once dotted what is now Orchard Heights subdivision. "A man named Sadler built this house around 1907," Mrs. Atchison explained. "Levi Eaton's family purchased the farm in 1916. Three years later they sold the orchards for development."

Well known in Northville, the Eatons moved from here to Ohio earlier this month.

Since they acquired the house in 1945 both Dr. and Mrs. Atchison have taken an active interest in its furnishings. Now others will view their efforts during the Presbyterian homes tour on September 23.

Externally the tall stone house reflects the comfort and elegance found inside. Set back from the road the house is shaded by huge old trees, also younger golden rain trees. "In September the golden pods break open and make a fluttering sound like rain," Mrs. Atchison said.

A long screened-in veranda borders the front side of the house. Inside the porch is furnished with a glass top table and black wrought iron chairs upholstered in a blue and green print. "We eat most of our meals out here in the summer," Mrs. Atchison stated.

Entering the front door tour guests will first turn right into the music room. Here camel carpeting and beige and white walls contrast nicely with oaken panels and woodwork found throughout the house. The room contains a concert

Ticket Sale Plans Told

Tour tickets for the Presbyterian Homes Tour will not be sold until September 23, the day of the tour. Mrs. Timothy Eise, co-chairman of the project, has announced.

Visitors may purchase a \$2 ticket then in the church Fellowship Hall, where women from the Methodist Church will sponsor a bake sale.

At the same time tickets costing \$1.50 will be sold for a luncheon on that day, sponsored by St. Paul's Lutheran Church. Luncheon chairman is Mrs. Arthur Witzke.

organ—one of the first Hammond Organs—which Mrs. Atchison says both she and Dr. Atchison play frequently.

Also in the music room, clustered around the fireplace, is a goldmine of antiques. "My husband refinished some of them," Mrs. Atchison revealed. "Others have been in the family for several generations."

Included among the family pieces is a carved baby cradle and a black wrought iron soup ladle. "My father remembered his mother stirring soup over a fireplace with this dipper," she recalled. Her father, the Reverend Richard T. Baldwin, was editor and publisher of the Northville Record during the 1930's.

Other antiques on display are a Dresden china clock and an ornately carved wooden spinning wheel which Dr. Atchison refinished himself. A flint lock rifle over the fireplace may have been used by the British during the Revolutionary war, they believe.

The pale golds and beiges are repeated in the living room, accented with apricot and olive green. Furnishings include two olive colored love seats and a round glass end table with gold trim. Of special interest here is an

antique pewter tray with decorative etchings, pillows made from Indian saris and a flowered landscape in oils, done by the Atchison's daughter Rhonda.

Also on display is a family Bible owned by Mrs. Atchison's grandfather, the Reverend Charles Baldwin. "I come from a long line of Methodist ministers," Mrs. Atchison laughed.

Many more antiques outfit the dining room, done in the same tones of camel, olive and apricot. A rosewood trestle table from India seats 10 comfortably in ladder back chairs of darker woods. The tea stand, located under a stained glass window, was made from an antique sewing machine.

The knick-knack cabinet on one wall was made in an old door way, Mrs. Atchison explained. Special knick-knacks on display include a pair of dark red Bohemian vases and an ornate silver sugar shaker. Civil War period.

In both the living room and the dining room leaded glass windows combine with golden oak woodwork to form a comfortable, natural setting for antiques. For instance a collection of antique plates borders the dining room, mounted upon the oaken plate rail. Old fashioned chandeliers in these rooms came with the house, according to Mrs. Atchison.

From there enter the kitchen which the Atchisons have almost completely remodeled themselves. Here goldenrod paneling blends the blue cabinet colors with the green carpeting. Since moving in the Atchisons have lowered the high cubbards and added a built-in bread board, with drawers underneath.

Stepping into the hallway tour guests will see a large display of family photographs. The Atchisons have four children, now grown. Son Richard is an Air Force career officer living with his family in Thailand. Rusty is a coast to coast truck driver, living at home between trips.

Rhonda Atchison is now Mrs. Roger Schlack of East Detroit, and Roxanne Atchison is Mrs. Ray Casterline of Northville.

Opening from the hallway is an entrance to the basement, which has been remodeled into a recreation area and workroom. This will not be open to the public.

Further along is the master bedroom done in Victorian red wall paper with white curtains. Special furnishings here are a four poster bed of solid walnut and a cane seat occasional chair.

The poem "In Flanders Field" is displayed on one wall, written in the original hand of the author, Mr. John McCrae. "He was a distant relative of my husband," Mrs. Atchison observed. Another wall contains several love letters written by Mrs. Atchison's mother's great uncle. They were written in 1797.

From there walk past the bathroom (black and white tiled) to the den, papered in green and gold. Besides a television and a comfortable sofa, the room contains an antique table fashioned from mald butternut wood. Other antiques are an old chest and a kerosene angle lamp, dating back to the early 1800's.

Battle scenes from the Spanish American war are pictured on the wallpaper of Rusty Atchison's upstairs bedroom. The room is done in the same tones of olive and apricot, and it contains a four

Continued on Page 7-A

DINING ROOM HIGHLIGHT—A polished rosewood trestle table is a one-of-a-kind piece in the Atchison dining room. The Dresden China dish on top was a gift from the late Helene Christian.

Student Test Scores Show Improvement

Northville's fourth and seventh graders ranked in the top 10-percent on academic skills when compared with students in other districts in the state.

The results were obtained through the Michigan Assessment Program, a test given to all fourth and seventh graders in Michigan last school year.

Miss Florence Panattoni, director of instruction, said the students tested last year scored higher than those tested in 1969-70.

"There are several factors to account for this," she explained. "The test has been changed and is a better test, and the testing was done on a different group of students."

She noted that all the elementary schools scored "within one point of each other on academic skills. There is real competition among the three buildings."

Compared with other districts in the state, Northville's fourth graders ranked in the 93rd percentile (99th percentile is highest score possible) while last year the fourth graders were in the 90th percentile.

In individual academic skills, the fourth graders scored 91 in vocabulary, up from 90 last year, reading, 93, up from 85, English expression, 93, up from 90; and math, 91, up from 90.

Compared with districts in towns of the same size as Northville, the fourth graders ranked in the 92nd percentile, while last year they were in the 90th percentile.

In skills, fourth graders scored 97 in vocabulary, up from 80 last year; reading, 90, up from 80, English expression, 92, up from 90; and math, 90, up from 88.

State-wide, Northville ranks in the 99th percentile in socio-economic status; fourth graders were in the 85th percentile in the importance of school achievement, self perception, 95, and attitude towards school, 85.

Compared with districts in towns of the same size as Northville, fourth graders were in the 77th percentile in the importance of school

achievement; self perception, 70, and attitude towards school, 66.

Seventh graders, when compared to other districts in the state, achieved a composite score on academic skills in the 93rd percentile, up from 85th percentile last year.

In the individual skills, seventh graders ranked 91 in vocabulary, up from 80 last year, reading, 93, up from 85, English expression, 93, up from 90, and math, 91, up from 80.

Compared with districts in towns the same size as Northville, seventh graders achieved a composite score of 94 on academic, up from 85 last year, vocabulary, 91, up from 85, reading, 94, up from 85, English expression, 93, up from 90, and math, 89, up from 80.

Compared with districts in towns similar to Northville, seventh graders ranked in the 93rd percentile in the importance of school; self perception, 98; and attitude towards school, 87.

Seventh graders showed a jump of nearly 50 points over last year's group in importance of school achievement and an increase

of 80 points in attitude towards school.

Miss Panattoni said she feels one of the reasons for the difference is "the seventh graders tested this year were the first group of students to be housed in the Junior High Annex. It must have made a change for the better in their views of school."

Northville Plans Set For Frosh

Orientation programs for new students are planned during the next week at Northville High, Cooke Junior High and Cooke Annex.

All freshmen and new high school students are urged to attend an orientation program tomorrow, Friday, at 10 a.m. in the high school auditorium. Parents also are welcome to attend the program, according to Fred Holdsworth, principal.

An orientation program for sixth graders and their parents will be held Wednesday, September 8, at Cooke Junior High Annex on Main Street. The program begins at 9:30 a.m. in the gymnasium. A tour of the building is also planned.

A seventh graders, new eighth graders and their parents have been invited to attend an orientation program at Cooke Junior High on Taft Road. The program begins at 1 p.m. Wednesday, September 8, in the cafeteria, followed by a tour of the building.

Junior High Principal Ronald Horwath explained orientation programs would replace class meetings held on the first day of school in past years.

On the first day of classes, September 9, junior high students should report directly to their homerooms where they will receive textbooks, schedules, and supplies.

Homeroom assignments will be posted in the buildings, Horwath said.

Novi Highlights

STORM HANDIWORK—Jessie Washington of Detroit, driver of the truck above lost control of his vehicle during the torrential rains Thursday at 10 Mile and Novi roads. The truck, hauling industrial waste, jackknifed and slammed into a utility pole on the corner. And while Novi motorists were battling rain-slick pavements, drivers in Northville along Main Street just west of Center, found themselves (below) trying to negotiate a lake of rain water.

See Last Fling Before School

By NANCY DINGELDEY
Well, it's here...the first day of school. Down deep, I really think the kids look forward to going back to school... even if it's only to wear the new duds and tote the new lunchbox. If it has been a long summer for mothers, it has been equally long for the kids. They seem to need the routine and brain-building of school.

Even with the early opening of school, there still are a lot of Wixomites who are going to take advantage of the one last long weekend for a finale of camping and that one last fling before the long cold winter.

As long as I have been shopping, it seems I still can't get used to the idea of buying fall things in summer, winter things in fall and so on. By the time I think I'm ready to purchase, for example, fall items, they're all gone and what's on the racks... why, winter things of course. Boys don't seem to present as much a problem as girls. One of these years I'm just going to have to get in tune with store buyers. One thing for certain, you take your life into your hands if you do any school shopping now. No matter what the President may say about money, people sure do spend it getting their kids ready for school.

A peek into the schools the day before the doors open is another thing. The floors are polished to a high sheen, the rooms neat and tidy. New bulletin boards are up welcoming the children back for another school year. The books and school supplies all new — no chewed erasers or stubs of pencils, the crayons with points and all in one piece. The teachers tanned and well rested, all in readiness. And here comes the school bus.

A good time of year to have family reunions and several of our neighbors have travelled many miles this past week joining in on the fun. There is a good connotation to a family reunion — seeing lots of people, eating lots of food, gaiety and enjoyment.

Bob and Dolores Sutherland and their family made the trek to Copper Harbor for a Sutherland family reunion. On the way, they stopped in Houghton for the wedding of a godchild. Then on the rest of the way to visit the folks.

The weather, for the most part, was cool and they did lots of berry picking—the season up there being much later than ours. They also noticed that the trees had started to turn in some areas. It seems early to be reporting that.

One of the most fun things

they did was to take an old steam engine train ride from Calumet to Lake Linden, taking in all the beauty of the Huron Mountain range during the two hour ride. Dolores said it was really pretty and they really enjoyed it.

From the reaches of the UP, they then journeyed to Upland, Indiana and got daughter Connie settled for her first year at Taylor University and then back home to get the rest of the kids ready for school.

And another group of Wixomites journeyed to Oblong, Illinois. Finally got that little place pinpointed "sort of near" Peoria, Illinois.

Judy and John Randall with their children, Sue and Bill Craig and their family and "mom and dad" Hazel and Ray York made the trip to the Lansbury family reunion. They had four days of fun with their whole family including an uncle who journeyed in from Colorado and who presented the group with a family history.

Judy and John returned via the scenic route through Indiana, and the "covered bridge colony". There happen to be many streams and creeks in one particular part of the state near Terre Haute and covered bridges from all the country have been brought and reconstructed along the route. They also saw

Kristina Kortez, daughter of Mr. and Mrs. Richard Kortez, was baptised on Sunday, September 29 at Our Lady of Victory Church in Northville by The Reverend Father Wittstock. After the ceremony a buffet open house was held at the Kortez home on Ten Mile Road.

The Godmother is Mr. Kortez' sister, Pat Schlitz of Detroit, and the Godfather is Norm Raymond of Detroit. Others present at the open house were the grandparents, Mr. and Mrs. Clarence Kortez of Detroit, and grandmother Mrs. Helen Morris of Warren. Also present were friends from Union Lake, Plymouth, Warren and the Novi Area.

Mr. and Mrs. Hadley Bachert and Mrs. George Atkinson attended a picnic at the home of Mr. Baehert's sister, Mrs. Leitha Collins at Union Lake this past Sunday.

Mr. and Mrs. Gordon Blakslee of Ann Arbor were the Sunday guests of the latter's brother and sister-in-law, Mr. and Mrs. Russell Button. While they were together the coming wedding of the Blakslee's son, Rick, some time in September, was discussed.

For a few days last week Mr. and Mrs. Tank visited their cousins, Mr. and Mrs. Arnold Fische, in Lexington, Michigan.

Last Sunday Mr. and Mrs. Kenneth Cook attended the 25th anniversary of their cousins, Mr. and Mrs. John Radick at Woodville, Ohio.

David and Kathy Cook attended their Fifth Class Reunion at Cass Benton Park this past Saturday.

Mr. and Mrs. Jack Anglin flew to Sunbury, Pennsylvania, where they attended their class Reunion over the weekend.

The Russell Races visited their son and his wife, Mr. and Mrs. Russell Race Jr., in Ada, on Sunday. On the return trip they stopped off in Owosso to visit some friends.

Edwin Steinberger is back

home again after major surgery. It will be several weeks before he is able to return to work.

Mr. James Gibson of Gainesville, Georgia, spent some time with the Edwin Steinbergers while he was here to attend funeral services for Miss Helene Christian in Northville.

Mrs. Virginia Burnham and children Dennis, Donny, and Denise have returned from three weeks of vacation in the north. They spent two weeks at the cottage of Mrs. Burnham's mother (Mrs. Ralph Taylor) at Onaway where they went fishing and swimming.

The third week they were in the Upper Peninsula. They went to Sault Ste. Marie, then took the river boat and trolley trip to Tahquamenon Falls. They also visited the Porcupine Mountains and Mt. Miquina in Wisconsin and as far north as Copper Harbor and the Huron Mountains. They also took the steam engine railroad trip in the Keweenaw Peninsula and attended the State Fair at Escanaba.

Mr. and Mrs. George Duden and son, George K., spent this past weekend in Chicago.

Last week the Duden's son, Gary and his wife, who were home on a 10-day leave, returned to the base at Meridian, Mississippi. They also spent some time with Mrs. Gary Duden's parents, Mr. and Mrs. Floyd Reed in Troy.

On Tuesday of this week Mrs. Robert Devine's brothers and their wives, Mr. and Mrs. Chris Muelrath and Mr. and Mrs. John Muelrath, flew from California for a visit with the Robert Divines.

Mr. and Mrs. Thomas Needham and daughters Harriet and Melinda, and Mr. and Mrs. Don Needham and Jim Needham and the grandchildren spent several days at the home of Mrs. Harry Needham, mother of Thomas Needham, at Escanaba, in the Upper Peninsula. Other relatives

were present from California and Florida, as were relatives from the Escanaba area. They helped celebrate the 25th anniversary of Mr. and Mrs. Thomas Needham. The Thomas Needhams were there for nine days, while others left earlier.

FIRST BAPTIST CHURCH OF NOVI

The Faith Chorus sang "Fully Surrendered" in the A.M. Worship Service August 29. For the Evening Service, The Lakeland Gospel Singers provided special music.

Mrs. Charles Steward, director of the Faith chorus, has returned from her vacation in Florida, and will resume practice with the choir. During her absence, Pastor Cook directed the group in their rehearsals.

Plans are now underway to hold a special teachers training program with teachers from Child Evangelism Fellowship as instructors. Mr. and Mrs. Jim Heigh of Lansing, candidates for Missionary work in Austria, will participate.

A special meeting of the Board of Deacons will convene on Wednesday, September 1 with a representative from Magni—Sound, to discuss plans for updating the public address system of the church.

Pastor Cook announced plans for his fifth tour of the Holy Land to depart February 28, 1972. Anyone desiring information concerning the tour is invited to contact Pastor Cook at First Baptist Church, and a brochure will be sent.

The Men's Fellowship is planning another corn roast for all the church family. Complete plans will be announced at a later date.

The pastor is presently giving an exposition on the Book of Revelation in the Sunday evening services. The

interest in this book of prophecy is increasing in light of the present world problems, he reports.

HOLY CROSS EPISCOPAL CHURCH

Holy Eucharist was celebrated Sunday, August 29 with Glen Kundrick and Randy Huber assisting as Acolytes.

The Ushers were Dick Rumble and Larry Fleming. The Congregation is sorry to learn that Jon Steimel, organist this past summer, is leaving for college after this past Sunday. The good wishes of the Holy Cross people go with him for his music was much enjoyed.

The new organist will be Mrs. Ruth Timmer, who hopes to have a choir started soon.

Registration for Sunday School starts Sunday, September 12. Mrs. Kundrick is to announce a full quota of Sunday School teachers and new curriculum plans for the coming year.

Betty Hajjar, director, will be studying with the year long Confirmation Class.

The vicar announced that any boy who is confirmed and who wishes to be an Acolyte may contact him or Mrs. Robert Huber.

First meeting of the E.C.W. will be held Tuesday, September 14 at 8 p.m. in the Parish Hall. All women of the Church are invited to attend. The Congregation is sorry to learn of the sudden death of Mary Bailey while on vacation. The funeral service was held at the Church, Saturday, August 28.

Prayers were said for Frank Cousin Jr. who is ill and for Sandy Bowen recovering from surgery at home. Happy to welcome back Grace Oberg recovering from surgery.

The pictorial address books are now ready as are copies of "The Cross and Crown".

UNITED METHODIST CHURCH OF NOVI

The Reverend and Mrs. Philip Seymour have returned from two weeks of vacation in Isle Royale.

Mr. Seymour's service was titled "The Kingdom Comes" from Chronicles I 29: 10-18. The Acolyte was Scott Faulkner. Scott's parents, Mr. and Mrs. Kenneth Faulkner of Eleven Mile Road, are moving to Grand Rapids.

Chris Faulkner and Robert Brown were the ushers.

On September 12 the fall and winter schedule will begin. Church school at 9:30 and services at 11 a.m.

Also on September 12 a charge conference will be held at 3 p.m. and immediately following the conference an administrative board meeting will be held. The regular administrative meeting will be held September 14 at 8 p.m. There will be a special speaker at this meeting.

NOVI BOY SCOUTS

Novi Boy Scouts Troop 54 will leave on Friday for the Cadillac area where they will have a canoe trip on the Pine River. They will spend two days on the River and several adults will accompany them.

A committee meeting will be held the Tuesday.

NOVI REBEKAH LODGE

The first meeting of the Rebekah after the summer vacation will be held at the Hall Thursday, September 9.

NOVI JAYCEE AUXILIARY
The next meeting of the Novi Jaycee Auxiliary will be held at the home of Sryta Goscinski in Orchard Hills at 9:30 a.m.

Plans for the second annual rummage to be held early in October.

The Auxiliary will also host the District Presidents meeting September 2 (today) at 8 p.m.

ORDINANCE NO. 18.163

AMENDMENT
TO
ZONING ORDINANCE
OF
CITY OF NOVI

THE CITY OF NOVI, ILLINOIS, is hereby amended by the amending of the Zoning Map as indicated on Zoning Map No. 163 attached hereto and made a part of this ordinance.

PART I. That Ordinance No. 18, known as the Zoning Ordinance of the City of Novi, is hereby amended by the amending of the Zoning Map as indicated on Zoning Map No. 163 attached hereto and made a part of this ordinance.

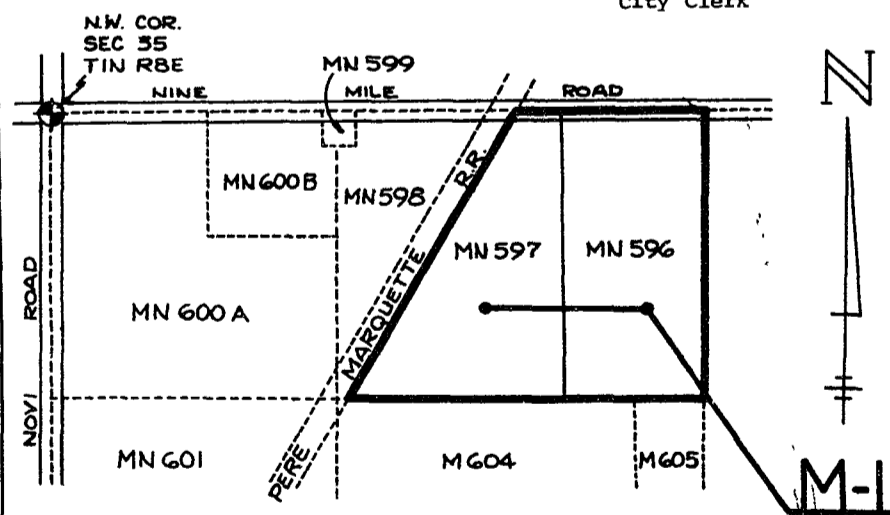

PART II. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of any ordinance in conflict with any of the provisions of this ordinance are hereby repealed.

PART III. WHEN EFFECTIVE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect then (10) days after final enactment and publication.

Made and Passed by the City Council of the City of Novi, Michigan, this 25th day of August, 1971.

one of the most dedicated men I know, and you can be sure he will be a hard-working member.

The reorganization board election was ordered by the court because the present board fails to fulfill the "one man, one vote" principle since some of its members were elected by individual representative secondary school districts and not on an at-large basis.

Those elected September 13 will be elevated to the board on the basis of the combined votes cast throughout all five secondary school districts making up the Schoolcraft District — Northville, Plymouth, Livonia, Garden City, and Clarenceville.

Police Blotter

In Township...

A Northville girl sustained a whiplash injury Thursday night when the car in which she was a passenger collided with another vehicle on Eight Mile Road near Napier. The accident took place at 11:30 p.m.

Northville Township police said Sharon Serwatowski of 20531 Clement Road was taken to St. Mary hospital where she was treated for cuts, bruises and whiplash injuries and released.

She was a passenger in a car driven by Richard Womack of Inkster.

Police said Womack was making a right turn onto eastbound Eight Mile from Napier when he pulled into the path of a car driven by Charles Weathered of 47175 Dunsany. Weathered also was eastbound on Eight Mile.

The impact of the collision ruptured the gas tank on one of the cars and Northville firemen were called to wash down the accident scene.

No tickets were issued to either driver, police said.

Township police arrested 21 adults and four juveniles and charged them with trespassing August 22.

According to police, the adults, most of them aged 17 to 20, were on the dredge in the gravel pit on Griswold Road near Eight Mile. They will be arraigned on the charges September 7.

Five other youths were arrested on trespassing charges August 14 at the gravel pit. They were arraigned on the charges Tuesday and will stand trial September 14.

Township police are investigating a break-in at 730 Baseline on Sunday in which a

portable sewing machine and portable radio were taken. Value of the missing items is \$325, police said.

In Northville...

Three shotguns were reported stolen from a home at 282 Hutton Street.

Investigating officers said they could find no signs of forced entry to the home. The theft took place late Friday or early Saturday, police reports said.

A rash of vandalism hit Northville Estates late last Tuesday night and early Wednesday morning.

Two persons on Summerside Lane reported to police roadside mailbox posts were broken off, while one resident reported a post holding a basketball net was broken.

A resident on Holmsbury told police a window in his home had been shattered with a rock the same evening.

Two 13-year-old Northville youths, who police said were allegedly changing counterfeit bills, made restitution Thursday to owners of the Village Coin Laundry on West Main.

According to police reports, the youths had placed five counterfeit bills in a bill changer, receiving change amounting to \$5.

The youths were released to their parents, police said.

FIRE CALLS

August 24 - 11:29 p.m., grass fire on Stanstead in Northville Estates.

August 25 - 2:18 p.m., 45849 Fermanagh, house fire.

August 27 - 11:53 p.m., Eight Mile and Napier Road, wash-down following accident.

August 28 - 3:03 a.m., 46287 Pickford, smoke in house.

August 29 - 5:25 p.m., 175 Railroad, oil fire.

COURTNEWS

Four persons arrested this week on warrants held by city and township police appeared before 35th District Court Judge Dunbar Davis.

On August 23, Charles Hibbard of 131 Rayson was given a \$29 suspended fine after he pled guilty to a charge of improper left turn, no signal.

On August 24, Robert L. McBride of Grosse Pointe was fined \$14 after he pled guilty to charges of speeding 35 mph in a 25 mph zone.

The same day, Bruce R. Parmenter of 42990 Grand River, pled guilty to a charge of failing to stop and identify himself at an accident scene. A \$29 fine was suspended on the charge.

Gene M. Henry, also arrested on a warrant, was sentenced to seven days in jail after he pled guilty to driving with an expired license. He appeared in court Friday.

Following a pre-sentence investigation, John N. Trennepohl of Westland was placed on two days voluntary work detail.

Trennepohl was arrested by city police July 16 on charges of minor in possession of alcoholic beverages.

In Wixom...

Warrants were requested against Gene McMullen of Flamingo street this week on charges of assault and battery and malicious destruction of property.

Charges grew out of an incident at the Birch Park Hunt Club Sunday night in which Michael Shannon, 23, an entertainer playing in a band that evening, was allegedly hit with a beer bottle.

Shannon was treated for a one-half inch cut on the nose, according to police.

A camper trailer, owned by Douglas Gabbard of Berkley, was broken into as it was parked in front of the Continental Bar, 4910 Grand River, Sunday night and a 165-pound portable generator stolen.

A Novi man, Robert E. Slentz, of 24070 Clark Road, was arrested in front of the Red Oaks Bar Saturday and charged with being drunk and disorderly.

He was released from the Wixom police department on \$100 personal bond. No court date has been set.

In Novi...

James R. Newton, 41099 Mallott, suffered minor injuries recently when his motorcycle collided with a car, driven by Marilyn Ann Norton, who was waiting to make a left turn from Grand River west of Novi Road. No tickets were issued.

State Police Seek Recruits

Recruiting of trooper candidates for young Michigan men interested in State Police careers has reopened in accordance with a new Civil Service announcement, Col. John R. Plants, department director, reports.

Eligible to apply are men 21 to 30 years of age, inclusive, who are U.S. citizens and who have been residents of Michigan for at least a year prior to application.

They must have a high school education or the equivalent.

Plants emphasizes that the State Police Department is an equal opportunity employer and urges young men of all races to apply.

CHATHAM OPENS — Mayor A.M. Allen hadn't yet cut the ribbon (top), signalling the opening of the Chatham supermarket here, when the crowd of shoppers began lining up (center). And when the doors finally opened last week Wednesday morning, it was a brisk shopping pace throughout much of the day (bottom) as area residents crowded the aisles looking over the features in this 31st store operated by Chatham in the Detroit metropolitan area. Flanked by the store manager, Mort W. Weinger (left, top) and City Manager Frank Ollendorff, is the mayor and Harvey C. Weisberg, executive vice president of Chatham.

Double Treat

Continued from Page 5-A
poster bed like the one downstairs. A currier and Ives print adorns one wall, a river landscape another. Recently they have been wondering if the latter was done by a Hudson River artist.

By remodeling a part of the attic, the Atchisons have enlarged the upstairs bathroom and created a private study for him. The study walls are lined with books, also pictures of old cars. "My husband has two special hobbies—old cars and the civil war," Mrs. Atchison noted.

A deep black easy chair and a high table for studying X-rays provide furnishings for this room, done in gold, brown and white.

Old fashioned furniture antiqued white outfits the guest room, done in white and pink with pale aqua carpeting. Of special interest here is an antique love seat which Mrs. Atchison found in a Howell antique shop. She "renovated and refinished" this piece in pink and gold brocade.

The final bedroom is done in pink and white check wall paper, matching a pink and white cross stitch quilt which Mrs. Atchison made herself. A floral print material is used for curtains and to cover one chair.

"I suppose some day we will move to a townhouse," Mrs. Atchison admitted, "but I

can't bear the thought of leaving our home." Considering the hours which both she and her husband must have spent planning, remodeling and refitting for their home, and the successful results, one can easily understand why.

We would like to thank the people of Novi School District for their support. We shall do everything in our power to deserve confidence in the school district and we are hopeful that the coming school year will be highly successful.

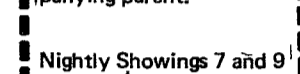

Free movies have been announced by Schoolcraft's Community Services Department for children in the 9-13 year age group. They will be shown on the

campus the Saturdays of September 11, October 9, and November 13. Show times are 11, 1, and 3 in the Liberal Arts Theatre.

SPEAKING for The Record

By BILL SLIGER

Depending upon which report you read, Michigan motorists will drive between 619 and 705 million miles over the 78-hour Labor Day weekend.

Whichever total is right, most experts agree that the state's highways will be more crowded than they were last year at the same time. And in addition to bumper-to-bumper traffic, lodging space and campsites will be scarce.

"So, if you're planning a family trip as a farewell to summer, remember to drive carefully and make sure you have reservations.

Also traffic experts suggest that travel will be easier and less hazardous if motorists avoid these peak traffic hours:

Northbound — 2 to 10 p.m. Friday, 9 a.m. to 2 p.m. Saturday and from 4 to 9 p.m. Saturday;

Southbound — 2 to 9 p.m. Monday.

One of the big attractions that will add to the weekend traffic is the salmon fishing. Tens of thousands of anglers are predicted as the summer catch on Lakes Michigan and Huron may reach one million coho and chinook for the first time.

The Auto Club concludes its annual warning to motorists by noting that "Michigan was one of the safest states for travel in the nation during the last Fourth of July and Memorial Day holidays. To continue this enviable record, motorists should avoid alcohol, a factor in at least 50 percent of all fatal accidents in the state."

★★★★

Ever had your gas, electric or telephone service interrupted because excavators accidentally severed a line?

Apparently it's happened enough times that the utility companies and three counties in the metropolitan area have decided to do something about it.

They've established a single telephone number — 647-7344 — for contractors, excavators and home owners to call before they start digging.

The digits spell out "MISS DIG" on the telephone dial.

The utilities and the counties of Wayne, Oakland and Macomb want people to ring up "MISS DIG" before they begin digging, whether it's for a major building or a backyard swimming pool.

Because of the hazards to life and

health, inconveniences to customers and the costs of repairing the damages, the utilities and counties and cities have become increasingly concerned over the higher numbers of cables and pipes being cut in construction projects. They're hoping "MISS DIG" will help solve the problems.

It may be just a coincidence, or maybe it's a gag, but the announcement introducing the new service to this area quotes Consumers Power Company and Michigan Bell representatives as saying that early results in Oakland and Macomb counties, where "MISS DIG" has been utilized for some time, have been very good.

The company representatives assigned to the project are listed as Michael "Digon" and "Pic" Wagner!

★★★★

Most of Novi is elated over the prospects of a major shopping center near its I-96 expressway and Novi road.

Not only are shopping facilities badly needed, but rapidly-growing Novi can use the tax revenue and jobs that will result from the modern complex.

Novi officials deserve to be congratulated for their prized acquisition.

But at the same time, Police Chief Lee BeGole knows that such a facility is not all cream and sugar.

New responsibilities in traffic, crime and fire control are obvious and he's not waiting for the center to be constructed to prepare his department for the assignment.

He's already checked the operations at Eastland Shopping Center, which he believes will compare to the Novi operation. He notes that security forces handle most of the problems at the center, but that local departments have new problems with bad checks and traffic.

Centers can also become hangouts for teenagers with nothing else to do, Chief BeGole points out, which may serve as a challenge to the community's recreation program and facilities.

"I'm all in favor of the center. It will create new jobs and provide added tax base," notes the chief. "But we'll have to increase our police and fire departments so that we can handle the center and still provide the community with the same level of service it now has," he added.

CARL D. PURSELL

Speaking for Myself Unicameral Legislature?

PAT SHERIDAN

NO...

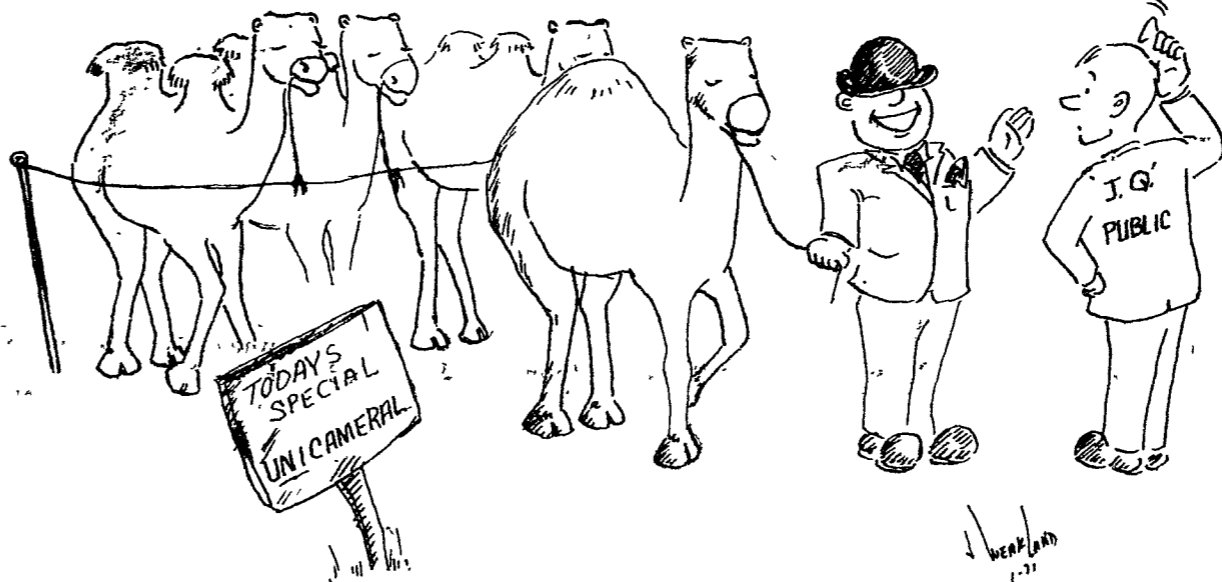

I feel we should support the bicameral form of government for many reasons, the most important being the concept of each house acting as a check and balance on the other. This procedure provides the general public with the greatest protection possible in regard to individual rights and liberties.

Also, the time between passage of a bill in one house and its passage in the second permits the deliberation needed by the second house and the oftentimes necessary indication of public opinion.

The present situation in Lansing affords the best example of the advantages of the two-house legislature. I maintain that it is GOOD GOVERNMENT when immediate agreement is not reached on important and vital issues. This weighing of issues by one house tends to guarantee legislation approved in the best interests of state residents.

In this vein, it is almost a certainty that such contested legislation would long ago have been passed by a one-chamber legislature, with citizens having to bear the brunt of ill-advised and inadequate laws and statutes.

Bicameralism can meet the challenge of economy as easily as its one-body counterpart. The Michigan Legislature can be streamlined both as to number of members in each house and in procedures quite simply and still retain the check and balance concept as an added bonus. It is no accident that 49 of our 50 states still employ bicameralism in their state governments after having had the opportunity of watching Nebraska's venture into unicameralism for 34 years.

State Senator Carl Pursell
14th Senatorial District

"This model is a lot faster and more responsive."

Missing Rat Tragedy

By JACK W. HOFFMAN

In a household of kids there seems to be no varying degree of tragedy — just a steady, unending flow of it.

For example, a misplaced three-year-old's blanket, an unironed teen's blouse, or a hand-touched-a-toad are equally great calamities guaranteed to trigger a fountain of tears.

But the latest one at our place has the makings of something special and it's got me worried.

Whiskers is missing. Mysteriously, over the past two weeks, one by one the rats (they are called gerbils by connoisseurs) have disappeared from my oldest son's menagerie.

Initially, we were unconcerned because as is the habit of these critters they occasionally escape their cage, explore the house for a few days, and then return looking for food.

Naturally it took awhile for his mother to grow accustomed to seeing a rat streak across the floor but like all mothers with sons who harbor animals she learned to expect the unexpected.

Anyway, the rats began disappearing.

All except Whiskers. . . the multi-great grandfather of a family spread all the way from Northville to South Lyon and back.

Whiskers took up residence at our place four years ago and had produced offspring about as regularly as the sun moves from east to west. Our son, taking ad-

vantage of this prolific characteristic, had managed to raise a fair-size bank account.

As his pets gradually diminished in numbers he grew increasingly worried. . . and suspicious. He clamped great weights over the cage and cast suspicious eyes at everyone and everything that came close to his room. Dog, cat, kittens, snakes, turtles, sisters and brother — even parents — couldn't be trusted.

He turned the house upside down in a futile search.

No one could flush the toilet until he had made an inspection.

By last week all were gone but Whiskers. Then on Friday it happened.

Mother and daughters were debating who would wash or dry and I was trying awkwardly to explain to my youngest son, freshly home from football practice where he'd been issued his very first uniform, the purpose of and the correct way to wear a supporter.

"He's gone!" screamed Jim.

Tears flowed and the hunt began anew, and for Jim, with flashlight, it was an all-night safari. By morning he was reduced to red eyes and a lingering hope his pets would yet return.

For a coffee or two it appeared we were in for a spell of normality.

Then Jim's mother sat down opposite me and I spotted a whisper of a tear. Figuring it was just a leftover from the previous day when she had confided that our youngest son

Refutes Business Criticism

To the Editor:
The publisher, Bill Sliger, deserves sincere respect and thanks from his subscribers for taking his personal and public editorial time in presenting the other side of the Northville Lumber tree-topping controversy.

The editorial seemed based on first hand facts, rather than like the lumberyard's critics apparent second-hand 'facts'. Also, the editorial side of the incident, seemed more than fair and kind to Mr. Paul Vernon and friends, for his rather unkind and unfair public castigation of this Northville firm. Mr. Vernon comments smacked of 'yellow journalism' to say the least. Mr. Vernon's remarks cannot be tolerated in the style in which they were made. Hence:

AS I CONTINUE TO PATRONIZE the Northville Lumber Co., I will remember that they have remodeled their business to make my shopping more pleasant, versatile and to bring a higher tax base to the Northville area, in the quaint style to which I am accustomed.

AS I CONTINUE TO PATRONIZE the Northville Lumber Co., I will recall that this firm was one which made possible for the last four years, the ability of the Northville Jaycees to build beautiful Fourth of July Floats, such as the 'Gazebo' this year, which later was sold by the Jaycees for a fund donation to retarded kids. I will also remember that this firm plans to hold a benefit for retarded kids through their local sponsorship of a fine winning baseball club.

AND AS I ENCOURAGE MY FRIENDS TO CONTINUE PATRONIZING the Northville Lumber Company, I will keep in mind that topped trees allow new vegetation growth in the next seven years, of a lower sort that would not have been possible otherwise; that the City of Northville and-or Wayne County are the real culprits responsible for destroying the 'beautiful' entrance to our City on the east side of old Eight Mile Road by failing to repair the pot-holed road, and fixing the wrecked guard rails, as well as trimming back the shoulder weeds.

Finally, I wonder about the methods of an appeals board member criticizing in this

Vo-Tech Plans OK'd

Preliminary plans for a 24,864 square foot addition to the vocational-technical building gained approval of the Schoolcraft Board of Trustees last week Wednesday.

OLV Plans Film Series

A colorfilm series on the cultural development of Western man, entitled "Civilization," will be shown free at Our Lady of Victory parish hall, 770 Thayer Boulevard, beginning Tuesday, September 14.

The series will continue for 13 consecutive Tuesdays.

"This series," according to an OLV spokesman, "has been characterized as the 'most effective use of motion pictures for educational purposes ever seen. It has been made available under a special grant from the National Endowment of the Humanities and the Xerox Corporation."

"The films take you on an exquisitely illustrated guided tour of the ideas and events which have forged Western Civilization. These films were created, written and narrated by famed British art historian Kenneth Clark."

The series will be held at 9 p.m.

Obituaries

MRS. BETTY KREGER

Mrs. Betty Kreger, formerly of Northville died suddenly Thursday, August 26, at her home in Loveland, Colorado. She was 42 years old and the daughter of Mr. and Mrs. Mido Dugan, also former residents of Northville. Besides her parents, she is survived by four daughters: Martha 19, Susan, 17, Nancy, 15, and Judy 11. In lieu of flowers, contributions for the minor children are being accepted by Mr. and Mrs. Walter Kane of Pontiac Trail, South Lyon. Funeral services were held Tuesday, August 31, in Loveland, Colorado at the Hunter Funeral Home.

MARY BAILEY
Mrs. Mary Bailey, 43699 Westridge Lane who died Thursday, August 26, while vacationing at Higgins Lake. She was 40 years old. Born October 19, 1930, in Detroit, she was the daughter of Rose and Carl Alla. Mrs. Bailey lived in Northville for the past 10 years and was a waitress at the Palace Restaurant. She was a member of the Holy Cross Episcopal Church in Novi. Surviving are her husband, Everett E., a daughter, Gloria Jean, a son, William Earl both at home, a sister Mrs. Rose Cesaro of San Diego, California and two brothers, James of San Diego and Michael of Novi. Officiating at the services held at Holy Cross was the Reverend Leslie F. Harding pastor of the church. Burial was in Rural Hill Cemetery. Arrangements were made through the Casterline Funeral Home.

AGNES M. McKAY

A retired teacher, Miss Agnes M. McKay of Plymouth died in St. Mary Hospital last Tuesday. Miss McKay, 91, had been ill for a month. She was born May 30, 1880, in Embro, Ontario to Angus and Annie McKay. For 10 years she served as a teacher at the Girls Training School in Adrian. Miss McKay was a member of the First Presbyterian Church of Flint. Survivors include two sisters and a brother. They are Mrs. Earl Proctor of Plymouth, Mrs. Thomas Bob of Grand Rapids and Bruce McKay of Orlando, Florida. Funeral services will be held today, September 2 at 1 p.m. in the Casterline Funeral Home. The Reverend Lloyd Brasure of the First Presbyterian Church of Northville will officiate. Burial will be in White Chapel Cemetery in Troy.

The addition is a priority building project, a college spokesman said, and will provide housing for automotive, occupational therapy, electro-medical, civil technology and business.

Cost of the addition, which is to be located just north of the present technical building, has been pegged at \$860,000 or just under \$30 per square foot.

In related action, the board approved \$68,500 to bring adequate water supplies to the campus. Current water service is limited to the extent that the fire marshal had recommended the college be granted no new building permits until the situation was corrected, explained Public Relations Director David Heinzman.

The board authorized the administration to prepare an appropriate contract with the county or the state for the relocation of the drain north of Seven Mile Road at the expense of the college. The contract is to be presented at the next regular meeting of the board for approval.

The board also appropriated an additional \$42,000 to complete college land acquisition. This has been on-going since 1962, explained Heinzman, and will, when finalized, provide a 200-acre total college site extending from Seven Mile to Six Mile Road, and from Haggerty east to the new north-south freeway now under construction.

After a lengthy discussion, the board also approved an expenditure of \$1,500 to rent academic regalia for the inaugural ceremony slated October 2. The board voted against a proposed purchase of regalia, indicating it wants to study further its practice of providing such costumes at college expense.

A recognition dinner for persons who helped create the college district 10 years ago has been set for Saturday, October 23, and a budget of

\$2,500 has been established for this purpose. Due to seating limitations, the event will be limited to approximately 400 persons, Heinzman said.

The board accepted the final report of the Occupational Education Advisory Committee of the Wayne County Intermediate Advisory Committee, agreed to promote the plan contained in the report, and recommended a June 1972 millage referendum to support occupational education.

(Northville Board of

Education earlier accepted the report 6-1 and it also recommended, from among alternatives, the June 1972 referendum).

If the report recommendations are realized, four centers are to be constructed initially, accommodating 10,500 high school students who would attend their local schools for academic studies and the area centers for occupational education. The center would be of the same kind that Oakland County will open this fall in Walled Lake.

Novi Details School Plans

Pertinent information for all parents and students regarding the opening day of school Wednesday, September 8, was announced Tuesday by Novi High School Principal H. J. Seymour.

All students who have obtained their programs will report directly to their first hour class or study hall, the principal said. Students who have not received their program will obtain the program between 8:00 a.m. and 8:15 a.m. in the commons and then report to their first period assignment.

No class changes will be made on the opening day of school, Seymour said. Changes which are absolutely necessary will be made on Thursday and Friday during the student's study hall period. Students are to follow their program schedules as distributed.

The hot lunch program will be in operation on Wednesday, September 8. Hot lunch will again cost 45 cents. Students who bring their lunch may purchase milk in the cafeteria.

No students are to be in the parking lot during any lunch

period, the principal said. Skill center, co-op, and work permit students will leave the parking area at the program designated time. All skill center students are to be bused to the Skill Center at 11:05 a.m. and returned by bus at 2:25 p.m.

The principal announced parking procedures for the recently paved student and faculty parking lot. These will be explained to student drivers and faculty the first day of school. All skill center, co-op, and work permit (parent-school approved) students are to park in the row nearest the high school. All seniors not on the programs are to park in the middle two rows of the parking lot. Juniors are to park in the row nearest Taft Road. The faculty will park in the area immediately south of the student parking area.

"Various assemblies are scheduled during the first week of school to assist in a smooth opening for students in this the first year as a separate high school," he said. Books will be issued during the first day of school to most students.

ORIGINAL OFFICE — Remodeled and now the quarters of Cloverdale Farms Dairy at 134 North Center Street, this building was the original Detroit Edison office about 1915. This picture shows how the building looked 50 years ago.

BUILT IN 1928 — An era comes to an end Friday when Detroit Edison offices in this building, at Center and Dunlap streets, are closed. Detroit Federal Savings and Loan Association, which owns the building, will continue to occupy it.

EARLY INTERIOR — It was a Depression year when this picture was taken of the interior of the Edison offices at the northeast corner of Center and Dunlap streets. Notice the range on display at the left.

Edison Closing Office Here

Continued from Page One
the numerous independent appliance retailers.

Zilly expressed a desire to assure the business community and citizens of Northville of Edison's continuing interest. "The company has a sizable investment locally and is eager to see the area develop further", he concluded.

The first electric lights were turned on in Northville on November 16, 1889. The electric system was then owned and operated by the Globe Furniture Company. Samuel W. Wilkinson was chief engineer for the operation. Later he became the Northville agent for Edison.

The village of Northville took over the system in 1900, erecting a new plant on the

north side of Beal avenue just west of the Rouge River. Edison leased, then later purchased, this plant from the village in 1914. From 1908 until Edison took over in 1915 Washenaw Light and Power Company served Northville.

The first Edison District Agent in Northville was Angus D. McLay, who later became a company vice president. He was succeeded by William Fitzgerald, Robert R. Brown, Wilkinson, Robert Steininger and Harry Wagenschutz. Edwin W. Kivela is presently manager of Edison's Northville and Plymouth offices.

Detroit Federal Savings' President Samuel Sherer said his company has made no decision as yet on what use will be made of the Edison portion of the main floor space.

manner, a firm, who, this appeals member was the only one to vote against the firm's original remodeling plans in the first place. Could this critic of Northville Lumber have only concern for conservation at heart? If so why is he not also criticizing Ford Motor Co. and other firms

around Northville, who also have accumulations of trash in the back of their firms that is unsightly, and they are not even remodeling?

I and my friends, find no fault with Northville Lumber and its generous manager, Mr. Walt Dean. I shall continue to patronize them!

Sincerely,
Dennis R. Dildy

was wearing his supporter around his stomach, I ignored it.

"Okay, that's it," she said after a moment's silence. "All of them go!"

"All of what?" I asked.

"The animals."

"Why?"

"Because there," she cried, gingerly unwrapping a towel to reveal a gerbil's tail. "The cat or the dog or..." and then she bawled.

"Animals are nothing but heart-aches," she said slamming the bedroom door.

So they are. But so are the kids and we love them all

CLOSING

EDISON'S NORTHVILLE OFFICE

Most of you now use the mail and telephone to transact much of your business with Edison. So, Edison's Northville office will be closed at the end of the day

FRIDAY, SEPTEMBER 10, 1971.

Edison, as it has for many years, will continue to maintain its interest in the community, and help wherever it can.

Electric bills may be paid; light bulbs and standard appliance cords exchanged; small appliances left for electrical repairs at:

Gamble's Hardware
117 E. Main Street
Northville

To telephone, you may continue to use the Edison numbers given in the local directory.

3,350 Students Expected

Schools Open Here September 9

Northville Public Schools will open their doors Thursday, September 9, to a record 3,350 students.

The expected enrollment represents an increase of nearly 120 students over that of last year, Superintendent Raymond Spear noted.

"The biggest increase in students is at the elementary level," he said, "and we expect to gain 150 to 200 elementary age children throughout the year."

A total of 1,400 students will be enrolled at the three elementary schools—Amerman, 543 students; Morain, 434; and Main Street, 423.

Cooke Junior High Annex expects 269 sixth graders, while 551 students will be at Cooke Junior High.

Enrollment at Northville High is expected to total 1,130.

school they will attend to complete registration, administrators said.

Free textbooks and minimal supplies will again be provided to all students in Northville schools. Books and supplies will be distributed the first day of classes.

No damage deposit will be required this year, however, charges will be made for loss of books or damage beyond normal use. Parents will be billed for damage at the end of the school year or semester, which ever is most appropriate, administrators said.

Attendance hours for the 1971-72 school year have been changed from previous years, with classes at the elementary schools beginning at 9 a.m. and ending at 3:30 p.m. Classes at the junior high, annex and high school begin at 8 a.m. The annex dismisses at 2:30 p.m.; junior high, 2:35 p.m.; and high school, 2:40 p.m.

Lunch hours at the junior high and high school have been extended due to the continuation of the open lunch policy allowing students to leave campus for lunch. No open lunch will operate at the junior high annex, administrators said.

Rotary Sponsors Stream Cleanup

Northville's waterways are scheduled for a clean-up on Saturday morning, September 18.

Sponsored by the Northville Rotary Club, the project will concentrate on clearing debris from streams and creeks in the city and township.

Phil Young, chairman of the Rotary project, said he needs "volunteers with power equipment, especially those who have power saws. There are a lot of dead tree limbs to be cleared out of the streams, and we can't do anything without power saws."

Volunteers who have equipment can contact Young at the Northville City Police Department.

Young said he will be contacting organizations next week, asking for volunteers and the organizations' support of the Rotary project. The clean-up campaign has been endorsed by the Northville Police Officers Association, he said.

The time and place the clean-up will begin will be announced soon,

RIVER ROAD NURSERY

Put your child in our care. Enroll now for full program starting September 7. River Road Children's Nursery, 4349 Grand River, Novi. Hours 7 a.m. to 6 p.m., ages 2½ to 7 yrs. SPORTS

THE NORTHVILLE RECORD-NOVI NEWS

Thursday, September 2, 1971

Page 13-A

CIVIC DONATION—With the turning of the first shovelful of dirt Friday morning, construction of a new softball diamond was begun. Leased space for and construction of the diamond is being donated to the Northville Recreation Department by Mrs. Arthur Thomson on behalf of the Thomson family in memory of the late Mr. Thomson. The site, located off Six Mile Road near Beck, will house a lighted diamond with ample parking space. On hand for ceremonies Friday were (l to r) Recreation Director Robert Prom; Alta and Cathy Sorenson, daughter and granddaughter of Mrs. Thomson; Northville Township Supervisor Gunnar Stromberg; Mrs. Thomson; Northville Mayor A.M. Allen; Billy Horan, Mrs. Thomson's grandson, and her son, Don Thomson.

Northville Harriers Keep Fingers Crossed

Take a cross country squad whose predecessor notched a 9-2 record in the rough Wayne-Oakland league last year, season it with two returnees from that stellar troop, mix it with a whole new league containing four tough class 'A' schools, and what have you got?

That's the problem faced this week by Northville Coach Ralph Redmond who directed initial Mustang drills Monday.

But Redmond's not worried. "We've got Guy Dixon, who was running number two behind Rick Bell last year, and David Newitt, who has improved over the summer, back in our top slots. They're both seniors; they've both been running all summer, and they both look like they're going to do a fine job."

Despite the fact that practice officially opened this

week, Redmond has been working his thinclads through drills along Edward Hines parkway, loop courses in Kensington Park and in scrimmages with Schoolcraft College squads for the last few weeks.

"Up until now we've been building up the distance," he said.

"Some of the boys have been doing anywhere from 35 to 56 miles per week."

Juniors on Redmonds squad include Jeff Menyhart, a recent transfer from Redford St. Mary's where he had some cross country background.

"He ran some good times at St. Mary's," said Redmond. "He has experience and he's gathering strength."

Other juniors are Tim Taggart and Steve Zima both with track backgrounds in the Mustang ranks.

Drills Start For Pucksters

Local skaters began preparation this week for action in the Northville Junior Hockey Association with warm up drills held in advance of regularly scheduled October practices.

Under the eye of association coaches, young hopefuls will take advantage of two weeks of two-hour-per-day drills held in Livonia on conditioning, stick-handling and other basic fundamentals.

"Other than this," said association president, Harry Schaefer, "the kids won't have another chance to skate until October, unless they do it on their own."

Schaefer announced a registration night, scheduled at Northville Presbyterian Church on September 14, and he urged all boys, ages 8 to 14, who want to play hockey this winter to attend.

In Northville's New League

Stiff Competition Seen

Financial storm clouds that threatened last week to wash Farmington Harrison out of the Western Six League disappeared Sunday, and football for that school was assured as private citizens pledged financial support for a program of extra-curricular activity that was in doubt due to a recent millage failure.

Farmington joins Walled Lake Western, Livonia Churchill, Waterford Mott and Northville, in the newly established Western Six League.

More accurately termed the Western Five, the league is short one member until Plymouth Canton joins next year.

For Northville, the leap from the Wayne-Oakland league, may be as dangerous as jumping from the frying pan into the fire.

Last year the Mustangs paired with Brighton as runts of the Wayne-Oakland League battling against class 'A' schools that averaged 1,348 students. This year local gridders still will be facing class 'A' competition but the average enrollment of participating schools will be 1,676 as compared to Northville's 1,130 head count.

Stiff competition doesn't seem to worry Coach Chuck Shonta, although he admits it could be a problem.

"It's definitely a tougher league," Northville's new football coach said. "We'll be a small school in the midst of big ones."

Northville's sole victory last year was over Brighton, enrollment 888. This year, however, the Mustangs will face schools the size of Churchill, 2,450, and Western, 1,820.

"Cut-off point for class 'A' schools is 1,200," explained Northville Athletic Director Robert Kucher. "We're not that big now, but we will be sometime during the year."

Meanwhile, it's a brand new ball game for the Mustangs with only Clarenceville (home game on September 24) and Milford (away game on November 5) to remind them of last year's 1-7 disaster.

Both schools dealt Northville shutouts last year — Clarenceville 14-0 and Milford 50-0 — so it's a cinch Mustang

gridders, spurred on by Shonta's fresh approach, will be headhunting when next they meet.

George Perry's Waterford Mott squad suffered only one loss last year — a 13-8 defeat at the hands of Flint Northern.

With a 1,400 enrollment, Perry has 71 gridders out for football this year between the varsity and the JV squads.

Head coach at Livonia Churchill, Ken Kaestner, predicts Mott for a fourth

place slot behind Churchill and John Herrington's Harrison with Leo Folsom's Walled Lake Western taking the lead.

"Harrison's lost a fine quarterback in Rich Hughes," said Kaestner, "and Walled Lake kids hit like a ton, but it's hard to tell."

Kaestner has 12 lettermen among 15 returning seniors in addition to 32 juniors coming back all with junior varsity experience.

"There's no saying we can't

take the lead," he said. "Right now, it's just early to tell."

Farmington's Coach Herrington, who wound up in second place last year, going 4-4 with a tie to Churchill, boasts a line and back-field composed almost entirely of returning lettermen.

Of 27 returnees, the coach said, 14 of them are seniors.

"Sure we miss Hughes," Herrington said, "but he wasn't that hot a quarterback any way. He made all league

as a defensive back. We've got some talent that may fill in for him."

Also bothered by money troubles is Western mentor Leo Folsom who lost his ninth grade program to a millage failure early this month.

"Ninth graders can participate on the varsity level if they can make," said Walled Lake Athletic Director Tom Evans. "The millage failure isn't hurting us right now, but it will soon if we don't get an increase."

Two State Losses Drop Lumbermen to Third

So near, yet so far Northville Lumber dropped two straight contests Sunday, along with their one shot at the Men's Slo-pitch state championship title.

They fell last to Southfield, 6-0, and to Monroe, 3-2, to settle for third place in the final standings.

That Monroe loss turned the tables on the Lumbermen who had dealt Monroe a 10-7 defeat in the opening game Saturday.

Monroe and Southfield went at it in the close of the Allen Park tournament Sunday, with Southfield coming out on top to win, 6-4, and claim the state championship.

"It was an excellent tournament defensively," said Lumber coach Bob Kucher. "We hit some good balls, but they were right at somebody. We'd been averaging 15 to 16 runs per game but we were shut out 13 consecutive innings during those last two games we played, we just went flat."

Going into the state tournament, Northville Lumber had piled up an impressive 25-3 record and had pocketed the local league and district championships.

The opening win over Monroe broke a 7-7 tie in the last of the ninth Saturday as Jerry Wedge ripped a double, driving in Don Vaningen and sending Kucher to third.

Kucher sped home as Steve Juday sacrificed to center, and Wedge scored the third run on Don Thomson's rbi hit. Wedge was the big bat for the day as he collected three hits in five trips to the plate. Other batting power was supplied by Don Thomson, Juday and Kucher, each of

whom posted two for five.

The only Lumber homer in the tournament was turned in later Saturday afternoon, against Allen Park, by Jerry Wedge who drove ahold of it for two runs in two runs with his long clout.

Sunday against championship-bent Southfield, the

local squad failed to score a run.

"We only had one decent hit all day," Kucher said, "and that was a line shot that resulted in a force at second. They were just good defensive teams, playing fast and with a lot of skill."

FIRST AND THIRD — Two Northville area golfers led a field of the state's finest in the 52nd annual Michigan Open at Bedford Valley Country Club in Battle Creek last week. Ted Kondratko (left), assistant professional at the Five Mile Road Brae Burn Golf Club, copped first place honors with a 286 total, while Jim St. Germain, Meadowbrook Country Club assistant pro from Northville, finished two strokes back in third place. The tournament went down to the wire with Kondratko, St. Germain and Amateur John Grace playing in the final threesome. Going into the 16th hole, St. Germain held the lead, but the two-time state high school champion didn't know it. Going for the green he hit his second shot on the par-five 16th into the water and took a bogey, while Kondratko birdied the hole. Both parred the 17th where Grace fell out of contention with double bogey. On the 18th St. Germain faced a 15-foot downhill putt to tie Kondratko, who had a six-footer for his birdie. The Northville professional was bold and rolled five foot past the hole. He missed coming back, costing him a tie for second place with Professional Dick Horgan. "When St. Germain missed his birdie, I knew I just had to get my six-footer close," said Kondratko. That's what he did and he picked up a \$1,500 check for his efforts. St. Germain won \$700. Both plan to play in the Florida winter tour and both would like to qualify for the regular PGA tour. Kondratko just turned professional in May and was playing in his second tournament as a professional.

STILL CHAMPION — Candy Johns of Farmington copped her fourth straight title recently in the annual Ladies Club Championship of Meadowbrook Country Club. She shot 89, 81, and 81 for 54 holes of medalist play. The occasion marked the first time in the tournament's 57 years that honors have been awarded to the same person four times running.

Aces Hole At Brooklane

Ralph Howard, 55, of St. Jene, Quebec, undoubtedly will take home from his American visit a healthy endorsement of Michigan golfing.

He ached Brooklane's par three, sixth hole Monday with a line shot that had to undercut low-hanging trees some 30 feet off the tee and soar 140 yards against the wind to the pin.

UP IN SMOKE—It looked like the entire city of Northville was going up in smoke Sunday afternoon when an oil slick at Mergraf Oil Company, 175 Railroad, caught fire. Police are investigating the possibility of arson, noting several youths were seen in the area shortly before the fire started at 5:25 p.m.

Novi Hires Assessor

Continued from Page One

State Tax Commission, John LaRose," said Campbell. "Level three assessors are scarce in this state and this particular one has work known for quality."

"He does not have his level three but if we hire him we can require that he get it or a conditional certificate before December 31," Campbell continued.

"He has experience in communities with all different types of zoning and he understands data processing which is something I think the Novi assessing department will have to get into soon," concluded Campbell.

Presnell stuck to his objection over salary saying it was silly to advertise in the Michigan Municipal Review

for an assessor at \$12,500, which the council has done, and then turn around and hire one for \$14,000.

City Manager George Athas pointed out that councilmen were within charter limitations so long as they did

Short Classes

Continued from Page One

stepped down from our original requests, but the board doesn't seem to want \$6 budge," he said.

Nevertheless, he is hopeful that an agreement can be reached before the end of the wage freeze. "One thing's for sure...we don't plan to delay settlement until the freeze ends I hope the board feels the same way."

not surpass the total expenditures allotted to any one department.

Novi's budget earmarks \$20,525 for the assessing department.

Over Berry's objection, and Presnell's abstention, the motion to hire Merrifield passed 5-1.

In other business Monday night, councilmen—

—Decided to take bids on a new truck for the DPW.

—Directed Athas to write the City of Romulus concerning the price and manufacturer of their council chairs.

—Directed Berry, Presnell and Councilman Donald Young to serve on a committee to determine the pleasure of Whipple Street citizens in regard to the dedication of their road.

Homes Tell Stories

Continued from Page One

After Ahijah's death, the house and acreage passed to Willard C. Wixom. Through the course of time, the acreage was divided and sold and the house passed through many hands eventually to the VanAmbergs. Mrs. Parton spent her childhood in the home and remembers few changes being made to the home.

Hidden from view from the road is a large barn with "gingerbread" at the eaves and still structurally sound. The Parton's house their horses in the barn that probably has as many tales to tell as the "ghosts of the past" that are only a part of fading memories within the house.

Adding a bit of nostalgic charm to the front porch are benches from an old Southern church and wheels from covered wagons that are more than 100 years old.

Not looking out of place is a glass enclosed family room

with sliding doors added a few years ago to the rear of the house.

The big old farm home is painted a sparkling white surrounded by trees and

shrubs and is alive with the sounds of children and activity. You might say it is a lucky house — lucky because someone cares to preserve it for perhaps another 138 years.

Tests Improve

Continued from Page 5-A

Only sixth graders are housed in the annex in a program which eases the transition from elementary school to junior high.

Figures rating the school district as a whole, when compared to districts of the same size throughout the state, Northville ranks in the 10th percentile in average years of teaching experience, six years; and in the 77th percentile of teachers with masters degrees, 29-percent.

The district ranks in the 81st percentile in state equalized valuation per pupil, \$19,472; 91st percentile in local revenue raised per pupil, \$604; and in the 16th percentile in state aid per pupil, \$260.

Northville is in the 90th percentile in instructional expense per pupil in grades kindergarten through 12, \$578; and in the 89th percentile in the total per pupil operating expense, \$801.

The dropout rate is in the 40th percentile "which indicates a low dropout rate (4.2-percent) when compared with other districts," Miss Panattoni said, "but also an increasing one for Northville."

Michigan Honors Three

Outstanding Michigan high school graduates who will be freshmen at the University of Michigan have been designated as Regents-Alumni Scholars, the University announced.

Students from this area are Gary Randall Glenn, 39840 Sunbury, Thelma Quiogue, 42248 Sunnydale, and James David Schoutz, 426 East Street.

The honor recognizes the scholar's superior academic achievement and their potential contribution to the scholarly community of the U-M. Finalists are selected from among applicants for freshman admission and are referred to local U-M alumni for interviews and recommendations.

Regents-Alumni Scholars receive a certificate and a \$50 honorarium, officials announced. Financial need is not a consideration in the selection.

NORTHVILLE
Lodge No. 186
F & AM
REGULAR MEETING
SECOND MONDAY

Extra Hours Set For Registrations

Northville city clerk's office will be open for three nights in September to accommodate voter registrations, Clerk Martha Milne announced this week. The office will remain open until 8 p.m. on September 15, 22, and 29, she said.

To qualify a registrant must have been a resident of the city for 30 days, of the state for six months, be a United States citizen, and be 18-years-old or older. Registration deadline for the upcoming election is October 2.

A city election, in which the post of mayor and two councilmen are to be filled and in which several revisions to the city charter are to be approved or disapproved, is scheduled for November 2.

Although several nominating petitions for the elective posts have been picked up no one has yet announced candidacy. Those officials whose terms are

expiring are Mayor A.M. Allen, and Councilmen Wallace Nichols and Charles Lapham.

Nominating petitions may be secured from the city clerk's office.

A LOOSE LEAF

By ROLLY PETERSON

As a parent, and a none-too-intelligent one, I must admit I'm forever foundering whenever it comes to handling a delicate situation between our two sons, ages three and one. So I'm always on the lookout for sage advice that will help me to avoid botching confrontations that even boys this young age invariably get involved in.

That's why I read with avidity columns giving advice to chagrined parents. Such gifted wisdom and restraint. Confrontations melt in the face of such advice, children immediately feel like loved individuals and parents float through a life of peace and harmony and gratification.

The columnist doesn't simply give out advice. First he gives an example, quoting exactly what is said by the kids and what the parent says and does in handling the dispute.

For instance, One 'brother asserts he plays in a better Little League and that he's a better player. The other brother, angry, disputes the point and asserts he's the better player. In comes mom.

She immediately settles the dispute.

She tells each boy the same thing. "I can see you feel that you are a better player than your brother. I accept that," she tells each one in turn. By not engaging in polemics, by acknowledging each child his perception, she has given each boy the feeling he is understood by affirming their feelings.

Perfect, I say. Perhaps I'll try the same sort of tact when my sons have a little difference of feeling.

Gregory has one of David's people, one of those little people produced by one of the major toy companies. There are others on the ground, but Greg likes the one he is holding.

Enter David. He spies Gregory with his (David's) people. A squeal of anguish comes from David's mouth as he ambles up to Greg, drops the cars he is carrying and swoops down to pick up his people on the ground.

David's not content with the five people he's now holding. He especially wants the one Greg is not too adroitly mousing. But does David grab the wooden little girl? Not on your life. He grabs a nearby stone.

"Here, Greg," he says. "Here's a stone" — and drops the two pound rock in front of Greg, two inches from his toe, then swoops down and plucks the wooden little girl from Greg's grasp.

Greg, of course, momentarily distracted by the rock, had weakened his grip on the wooden girl. And he doesn't cry when his three-year-old brother takes the girl. But shortly thereafter, Greg wails like a man deprived of his very soul.

The father full of wisdom approaches "You wanted to play with that girl, didn't you David?" I say. "Uh-huh," replies David. "Greg has stone to play with," he reminds me. Puzzled, I go back to my lawn chair.

Sip and enjoy the vintage, home-made wine at the Phillip Fisher home and you can thank your lucky stars that the "pigs got tired of all those grapes."

It was a bumper crop of grapes that forced the Fishers, back in 1959, to look for some new use for this fruit on their little Currie Road farm in Lyon Township.

"I'd canned gallons and gallons of preserves and then we started feeding the grapes to the pigs...but they got tired of all those grapes after awhile," laughs Mrs. Fisher.

"Well, I didn't want to throw them away. Then one day I asked a friend what I could do with them. 'Wine, make wine,' she said."

And with that advice the Fishers launched a fruitful adventure that soon produced gallons and gallons of wines that could very well surpass in taste and quality the commercial brands sold in this area.

But Mogen David need not worry.

That's because the wines made by the Fishers cannot be sold or given away. It can't leave the premises except in the belly of a lip-smacking friend, relative, or inquisitive reporter.

It wasn't always that way, however, admits Mrs. Fisher with a blush. Like untold thousands of other uninformed homemakers around the country, the Fishers figured that wine-making was a perfectly legal extra-curricular activity—not any different than putting up a jar of jelly.

Not so.

It's legal, alright, provided the little ol' winemaker has a permit from the Alcohol, Tobacco, and Firearms Division of the United States Department of Treasury. You know the agency as the same one that sneaks around hillsides looking for curly copper pipes and vats of corn liquor.

Anyway, for a couple of years the Fishers gave away bottles of their best as gifts to friends. Then one day one of those friends spotted a news article about the illegality of wine-making and, in jest, "threatened" to pin it on the bulletin board at the Presbyterian Church in Northville where the Fishers are members and where their wine skills were common knowledge.

Well, now, Fisher, the sort of a former missionary in China, couldn't have that. So he and his wife promptly wrote away to the government for information...and a permit.

They've been legal ever since.

Permits are free but there are restrictions, explain the Fishers. For example, only heads of households can make wine. And that means bachelors and unmarried women, no matter how old, can't make it...an interesting little fact that apparently has escaped the eye of the Civil Rights Libs.

Holders of permits, according to the Fishers, may produce up to 200-gallons of wine in a single year. A permit runs from July 1 to the following June 30.

Continued on Page 3-B

People like to visit the home of Mr. and Mrs. Phillip Fisher...and who wouldn't after tasting the wine made on their little Lyon Township farm. They've been making wine for years, and they're doing it legally with the blessing of the United States Treasury Department.

Free Heart Transplant Available to All

Rev. Jim Wheeler
Pastor,
Tri-County Baptist Church
Salem

Text: Ezekiel 36:26-27 "A new heart also will I give you, and a new spirit will I put within you. And I will take away the stony heart out of your flesh, and I will give you a heart of flesh.

And I will put my spirit within you and cause you to walk in my statutes, and ye shall keep my judgments and do them."

Although this passage refers to Israel it can be readily used to pertain to this day we live in. The Bible says in Romans 3:22 "Even the righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe for there is no difference". And then in Romans 10:12 "For there is no difference between the Jew and the Greek for the same Lord over all is rich unto all that call upon him".

The news today talks much about new heart transplants, and how lives are salvaged for a few days or months. This is good news and great strides are being made in medical history. "Praise God" for this.

I would like to take this opportunity to remind you that God has been in the business of giving new hearts ever since man fell victim to sin and death in the Garden of Eden, and is still in the business today.

The problem facing medical doctors is not the new hearts as much as it is the rejection of the body. The body rejects the new heart and soon dies. How sad it is.

A new heart, perfect and capable of pumping life into the body, and the body that it is trying to save rejects the heart's efforts and dies, actually committing suicide.

The problem God has is much the same as the physicians have. Like the heart, God is not willing for any to perish. II Peter 3:9 "But because God is rejected men perish". Rev. 3:20 Jesus says "Behold I stand at the door and knock. If any man hear my voice and open the door I will come in to him".

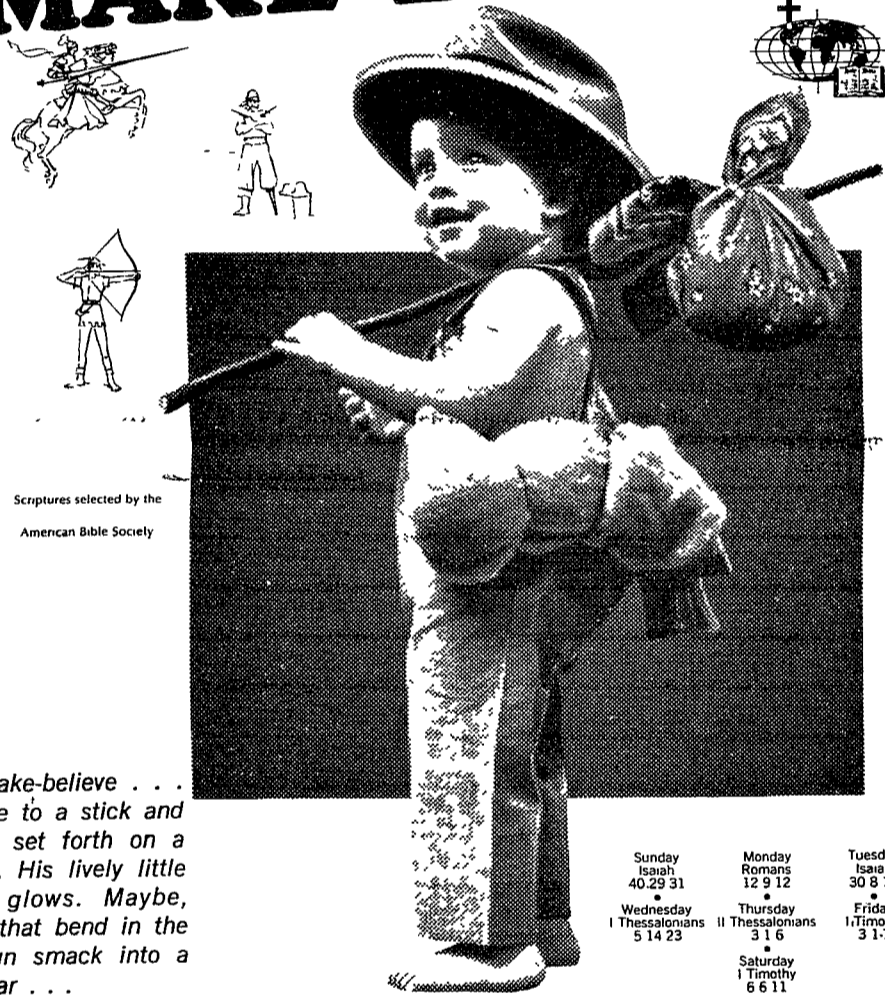

God is knocking on your door. Won't you open up and let Him in.

This new heart God wants you to have is a perfect heart, given to you free by a perfect donor, put into operation by a perfect physician. Your spirit is willing, it is only your carnal flesh that is rejecting.

Why not overcome your flesh and accept the greatest gift of all mankind?

This new heart means new life for all eternity with Jesus Christ, our Lord and savior. There is no cost to you for God's heart transplant, because Christ paid for it at Calvary. All you need to do is to accept. Rom. 10:13 "For whosoever shall call upon the name of the Lord shall be saved." Whosoever means you! Why not accept Jesus and receive this new heart and enjoy new life, new hope, new peace, new joy with a savior who has promised in his holy word never to leave nor forsake you. Heb. 13:5.

MAKE-BELIEVE

Scriptures selected by the
American Bible Society

This is make-believe . . . tying a bundle to a stick and pretending to set forth on a great journey. His lively little imagination glows. Maybe, right around that bend in the road, he'll run smack into a big brown bear . . .

That's a "scary" idea. So he takes off his hat, puts down his bundle, and plays at home. Yes . . . it's fun to make-believe.

Home, just now, is his place. In it, he feels a wonderful sense of security, basking in his parents' love, knowing by instinct that they are there to help and guide him.

At night when he kneels to say his prayers, his mother tells him the story of Christ. She is preparing him for the day when he will become a more active part of the Church. She knows that, during his life, when he makes real journeys, the Church will be his home, and that it will help protect and guide him when she cannot.

Consumer Protection's Nothing New

LANSING—Though many persons may have the impression the consumer protection sentiment now prevailing in many areas is a new concept, it really is not.

Actually, it's been 100 years since state government first entered the field of consumer protection. Back in 1871 the Legislature established an Insurance Department in state government to regulate about 100 insurance companies which were doing business in the state worth \$75 million annually.

Today, that department is part of the State Commerce Department and keeps tabs on more than 1,000 insurance companies which now do nearly \$3 billion worth of business in the state.

MICHIGAN voters were first presented with the idea of consumer protection back in 1870, when a constitutional amendment was placed before them giving the Legislature authority to "pass laws establishing reasonable maximum rates" for passengers and freight on railroads in the state.

The proposal was adopted by the voters and the state's first railroad commissioner, Stephen S. Cobb, took office on April 23, 1873.

Today, seven of the nine bureaus and commission of the Michigan Commerce Department are responsible for enforcement of hundreds of consumer protection laws which the Legislature has passed since it set up an Insurance Department 100 years ago.

ONE OF THESE seven - the Public Service Commission - is a direct descendant of the office of railroad commission. It is responsible for policing all the public utilities in the state.

Four other agencies have their duties spelled out clearly in their names. They are the Cemetery Commission, the Financial Institutions Bureau, the Securities Bureau and Liquor Control Commission. The seventh agency-the Aeronautics commission-has some regulatory powers but is principally considered a "developmental" agency.

THE FINANCIAL Institutions Bureau would be the oldest agency in the Department of Commerce were it not for the fact that nearly every bank in Michigan folded soon after it became a state.

Michigan's first state Legislature established the office of Bank

Commissioner in 1835 but abolished it in 1840 after most banks had failed in the panic of 1837. Nearly half a century went by before the office of Bank Commissioner was re-established in 1889.

SMALL COMPUTERS, no larger than a window air conditioner, are now at work providing an accurate, up-to-the-minute picture of traffic on urban highways in Michigan.

Three of the computers already are operating on highway installations in Detroit, Ann Arbor and Saginaw. Nine more will be installed over the next two years in major cities of southern Michigan where traffic is heaviest.

Statistics gathered by the computers, which are being paid for with federal highway planning and research funds, are used by the State Highway Department to plan and design highways, determine locations for traffic controls and estimate future highway usage.

THE COMPUTERS monitor traffic flow by picking up signals from loops of wire buried beneath each lane of a highway. These loops also serve for traffic signal control purposes.

The vehicle count is stored in the

computer's memory and is periodically transmitted by a telephone line to a central computer at department headquarters in Lansing. Traffic engineers can obtain the latest traffic counts merely by dialing a number.

Each computer can be connected with up to 16 different highway locations and will scan them simultaneously, thus making the system less expensive to operate than counters which must be at-

tended individually by a person.

TEMPTED TO HEDGE a little on your income tax return? Remember this statistic: During fiscal 1970, the U.S. Justice Department's Tax Division secured convictions in 95 per cent of the tax cases it filed charges on.

Sentences for the more than 600 persons who were convicted during the year totaled 251 years in jail, 349 suspended years and 838 probation years. Fines totaled \$1,652,043.

Babson Report

Major Industry Seen in Recycling

WELLESLEY HILLS, Mass. — Unlike conventional waste disposal, recycling is for the most part a nonpolluting method.

It involves such procedures as the extraction of reusable materials (from old cars, refrigerators, etc.), the conversion of garbage and sludge into fertilizers, and the breaking down of wastes by bacteria or chemicals.

Recycling is expected to become a major industry during the coming decade. The cost of getting rid of solid waste—including recycling—will rise from the current level of \$4.5 billion to more than \$7 billion by 1980, according to a private survey.

Expenditures for plant and equipment alone are slated to advance from \$432 million to over \$760 million by then. Thus, overall, the market could about double in the ten-year period.

It was estimated that last year 46 percent of solid wastes (some 4.4

billion tons are produced annually in the U.S.) was disposed of by open burning, 16 percent by incineration, and 38 percent by landfill or dumping in the sea.

Burning solid wastes is alleged to add some 11 million tons of pollutants to the atmosphere every year. Land dumping can create a further health hazard by contaminating ground water used for drinking, as well as by breeding rats and other pests.

Uppermost problem in urban areas is the growing scarcity of landfill space. There is, too, the ever-increasing cost of conventional methods—open dumping, incineration, and composting. Moreover, about 75 percent of the refuse-burning incinerators maintained by the cities have no pollution controls, while 94 percent of the country's landfill areas have been declared unsanitary by the U.S. Health Service.

Winemakers Play It Straight

Continued from Page 1-B

"It's just not true, as many people wrongly believe, that you can make 'up to 200-gallons' without getting permission. Even if you make just one bottle it's illegal unless you have a permit," they emphasize.

And it can't be given away, they add. Not even to the closest relative or to the church for Communion.

Permits indicate that, under special circumstances, the government may make an exception. But Mrs. Fisher tried getting permission once to give a bottle to a friend dying of cancer. She was turned down.

Although the Fishers are proud of their wines, quality has not always been a trademark, especially that first year.

"We ended up with five gallons of the best vinegar you've ever tasted," they recall of their first attempt. Problem was, they learned later, that it is a mistake to make wine in a crock or container that previously has been used for putting up pickles or making vinegar.

Another mistake is trying to

make wine in a metal container.

"Had we been a little more observant we would have noticed that even the Bible warns against bad containers."

Recipes for making wine are as varied as recipes for making cakes. "Ask, an Italian or a Frenchman or a Spaniard to taste our wine they'd think it was terrible. Everyone has their own tastes and their own ways of making it."

The Fishers aren't fond of dry wines, so they usually make sweet wines. Their wines require about a cup of sugar to a pond of grapes—or whatever other fruit is used.

Normally, they fill a crock about three-quarters full of unwashed crushed grapes—"leaving room for the grapes to work." The crock is covered, sometimes wrapped in a blanket, and kept at a pretty even temperature of from 55 to 70 degrees. Cool basements, they've found, are poor places to make wine but excellent for storing it after it's made.

Unlike wines made from other fruits, grape wine

requires no yeast to start the "working" or fermentation process. That's because unwashed grapes have a natural film of mold on the skins, they explain. Mrs. Fisher made the mistake of washing her first batch of grapes because she wanted to remove chemical spray. "I should have waited until the rain washed it off and the grapes had dried," she says.

Once each day, the Fishers inspect their "working" wine. "That's the best part of making wine," she laughs. "You get to taste it each day

to see if it's sweet enough. For about three weeks you can add sugar to suit your taste. After that additional sugar may ruin the wine."

The fermentation process normally takes about six weeks.

By then the pulp has settled to the bottom and the wine above is ready for bottling. Good, sterilized glass containers are required. Container caps or corks shouldn't be secured tightly.

"A bottle of wine may still be fermenting and if the cap is too tight it can explode.

That's why we always use corks," they explain.

Quality of the wine is dependent upon a host of variables. The quality of the grape (they use Michigan Concord), which varies with the kind of growing season, the length of the fermentation process, and even the location of wine within the crock, will affect the taste and appearance.

"The cream of wine is always at the top of the crock," they explain.

Of course, grapes aren't the only things that produce wine. Not by any means. Wines are made from everything imaginable, from grapes to apples, from dandelions to flowers, from rhubarb to carrots.

Each has its own recipe or the makers own imagination and preferences.

Grapes are the basic ingredient of the Fishers winery. But they've experimented with carrots, raspberries, and elderberries with, according to a newspaper photographer, excellent results.

Horse's Mouth

Send your questions, comments, and horse show news to "Horse's Mouth," care of South Lyon Herald, South Lyon, MI 48178. This column is open to news of all breeds of horses and ponies.

A new saddlery in Farmington, "Apache Mike's" at 29220 Orchard Lake Road, Farmington (Roman Plaza at 13 Mile and Orchard Lake Road) is now open and handling both Western and English saddles. Tack and Western wear.

The statistics in the 1970 annual report reflect the rapid growth of the horse racing sport and industry in the State of Michigan. The pari-mutual horse racing revenue to the State during 1970 totals \$21,171,098, which is an increase of \$1,255,633 of 6.3 percent over the revenue produced in 1969, during which the total revenue was \$19,915,465. The total amount of money wagered by the patrons at the Michigan tracks was \$285,056,702, which is an increase of \$24,703,481

over the amount wagered in 1969, when the total was \$260,353,221.

The attendance at the Michigan pari-mutuel tracks in 1970 was 3,456,422. During 1970 there were 180 days of thoroughbred racing, and 245 nights of harness racing, for a total of 425 days and nights of pari-mutuel horse racing.

The increase in racing days and nights granted by the State of Michigan to the racing associations for 1971 is a decided departure from the schedule of previous years. The two extra spring and fall thoroughbred meets of 30 days each, and the additional 78 nights of harness racing should facilitate the rapidly growing thoroughbred and standardbred breeding, racing, agricultural and other related businesses and industries in Michigan.

It could be an incentive for new people to enter this growing sport and industry. The new program will help remedy the former seasonal employment characteristics of racing and the related unemployment problems experienced in the past by race track employees and officials. These facts were taken from the 1970 annual report of the Michigan Racing Commission.

Horse Shows:

Sunday, September 19 - Eager Beavers-H Club, open Horse Show, Wayne County 4-H Fairgrounds, Belleville, 8:30 a.m. Judge: Darrell Brown. How to make a lot of cents for a couple of bucks!

One of the ways your neighbors are doing it is by having a garage sale. It's not hard. Gather up the things you no longer need. Then phone one of the numbers listed below (the one in your area). A friendly Ad Visor will help you word it just right. The only thing left to do then is get ready for the crowd.

PLACE YOUR FAST-ACTING WANT-AD BY CALLING YOUR AREA OFFICE.....

NEW CAREER OPPORTUNITY!

LEARN BASIC OR ADVANCED INCOME TAX PREPARATION

Thousands are earning good money in the fast-growing field of professional income tax service. The work is interesting and satisfying. And the demand for trained consultants is increasing each year.

Now, H & R Block—America's Largest Income Tax Service—will teach you their exclusive method of preparing income tax returns, in two special income tax tuition courses . . . basic and advanced. Supervision by experienced Block instructors.

Course covers current tax laws, theory, and application as practiced in H & R Block offices from coast to coast.

Features include:

- Choice of days and class times
- Diploma awarded upon graduation
- Employment opportunities for qualified graduates

ENROLL NOW! For Complete Details Write or Call

H & R BLOCK
901 E. Grand River, Howell 546-4780

• Please send me free information about the H&R Block Income Tax Course. This is a request for information only and places me under no obligation to enroll.
