

# 500 Cheer Protests of Anti-Busing Leaders

An anti-busing campaign picked up steam here last week as some 500 area citizens met in Plymouth.

Angered by the recent ruling of Federal Court Judge Stephen Roth, citizens from Novi, Northville, South Lyon, Plymouth and several other communities applauded promises of several anti-busing leaders to wage a vigorous battle against busing.

Although busing was the chief subject of the meeting, two speakers rapped other proposals ranging from the income tax to the "right of

free association," and suggested that their organizations offered the best vehicles for protest.

Featured speaker was Mrs. Irene McCabe of Pontiac, head of the National Action Group (NAG) who had just returned from a conference of busing opponents in Washington, D.C.

Other speakers included former state senator Robert Huber, Philip Lee of Warren's Save Our Children (SOC) program, and Brooks Patterson, NAG attorney.

Lone local area official to speak was Novi Councilman

Denis Berry, who was joined on the platform by fellow Councilman Edwin Presnell. Presnell did not speak, however.

Carl Helwig of Novi, who is heading up a new chapter of NAG in that community, was the moderator.

Mrs. McCabe, Huber, Lee and Patterson urged citizens to support specific legislation or movements, while Berry challenged citizens to stop watching television and to get involved.

Disappointed because it was the first meeting she had attended as speaker in which

a capacity crowd did not turn out, Mrs. McCabe expressed doubt that NAG would win its anti-busing court battles but she exuded confidence that it and sympathetic citizens can and will pressure the United States Congress to take action against busing.

Specifically, she said the "main thrust" of NAG's campaign is to battle for a U.S. Constitutional amendment. It can be done, she asserted, if citizens prod congressmen sufficiently.

Don't ask but rather demand that they (congressmen) sign a

"discharge petition" that would force a proposed anti-busing amendment (HB 620) out of committee and onto the floor of the House of Representatives, she said.

To discharge the proposal from committee, she explained, requires the signature of 218 congressmen. In the first two days 43 congressmen had signed, she said.

"Your letters count," she emphasized, explaining that congressmen are particularly sensitive to pressure from their constituency with the 1972 election just around the

corner

Her attorney exempted Congressman Jack McDonald and Senator Robert Griffin as letter-writing targets because he said, they are already on the side of NAG.

In a question and answer period that followed her short address, the Pontiac housewife was challenged by several students in the all-white audience, who noted discriminatory education results of property tax and asked for her alternatives to forced busing.

"What does property tax have to do with education?"

she responded.

Pressed for a definitive answer, Mrs. McCabe said inferior black schools should be upgraded, and then drew applause when she put down the students with the question, "Are you young men taxpayers?"

Later, however, her attorney indicated the students' question deserved an answer and offered these three alternatives:

- A voluntary busing plan
- Redrawing of school district lines (those lines within a school district that indicate what schools children

must attend) if indeed they are purposely discriminatory.

By insisting upon integrated neighborhoods.

The latter, he admitted, would not be welcomed by many in the audience but nevertheless is the root cause of today's problem.

Both the attorney and Mrs. McCabe emphasized that their organization is not racial in nature, including both blacks and whites who see busing as detrimental to the education of their children.

While they attended the

**N.A.G. PETITIONERS**—Reaction to the possibility of busing suburban school children has come quickly. One of the first steps taken by the recently organized Novi chapter of the National Action Group (N.A.G.) was to place booths in local supermarkets where shoppers can sign anti-busing petitions. Sandy Polisano and Del Helwig watch as Deanna Varilone adds her name to the list. On one location Monday 318 people registered their opposition to busing.

## Speaking for the Record

# State Would Like To Expand Park

By BILL SLIGER

A new concept in state parks will be introduced when the 885-acre Maybury Sanatorium property is taken over by the Michigan Department of Natural Resources.

Stated to become a major recreational facility for southeastern Michigan, the park could expand to 1,280 acres.

Even if present plans are not enlarged, the facility will represent an expenditure of more than \$10 million for acquisition and development.

A close look at what Northville area residents can expect to see happen to the old city-of-Detroit-owned sanatorium property bounded by Seven and Eight Mile and Beck and Napier roads was given members of the Northville Rotary

Club Tuesday noon.

The speaker was Alfred Masini, district parks supervisor for the Department of Natural Resources (DNR).

He enthusiastically described the proposed Northville park as a new concept in recreational facilities for the State of Michigan.

Specifically, Masini pointed to the development of recreational activities for the aged, the young and the disadvantaged, as well as for the average adult looking for spare-time or vacation pleasure.

He said plans for the site call for development of some 515 acres and approximately 350 left in its natural state.

What's more, the DNR spokesman said the state is "very interested" in

## School Balks at Ultimatum

# Search for New Site

Smarting under an ultimatum issued two weeks ago by Levitt and Sons, Northville school board trustees Monday night expressed a desire to "look elsewhere for an acceptable school site."

Board President Dr. Orlo J. Robinson told board members he thought the district should take a "serious look at additional school sites before we make a decision" whether or

not to pay the \$60,000 site development cost Levitt and Sons is asking for the 10-acre "free" school site in Highland Lakes.

Appearing before the board two weeks ago, Irwin Adler, vice-president for Levitt and Sons, told trustees they had four weeks to give his firm a decision on accepting the \$60,000 site development costs or the "site will be developed for our own use."

When Levitt and Sons first proposed the housing complex at Highland Lakes, a free elementary school site was promised to the Northville School District. However,

according to school officials, no mention was made at that time about any site development costs that would have to be paid by the school district.

School officials have explained they felt the site was

free, with no strings attached.

Trustee Martin Rinehart commented that he is "sure Levitt read the same articles we did in the paper about the school site. If we and the community were under a misconception the site was free by an error of omission (of site development costs) they should have mentioned it and not let us believe it was a

## But Freezes Expenditures

# School Board OKs \$3.2 Million Budget

School board trustees approved a record \$3,248,105 balanced budget for the 1971-72 school year and immediately clamped a freeze on all unencumbered items Monday night.

The freeze, which amounts to about \$18,000 or .8 of one percent of the total budget, will remain in effect at least until December 1 but no longer than January 1, school officials note.

Unencumbered items include materials, supplies and so forth which as of yet have not been ordered or paid for. Noting the budget has "no flexibility and it will be a rough financial year," Earl Busard, business director, told board members a "budget usually is a guideline and has flexibility."

"If there is one unsuspected mishap, we haven't got a prayer," he commented.

Superintendent Raymond Spear said the final budget is \$79,700 less than what was proposed in August when the board decided not to seek extra millage. The amount is the same as that being withheld from the school district in the state aid contingency fund.

"There are no provisions for hiring mid-year teachers to meet the increase in

student enrollment," Spear said, "and I'm sure we're going to need them."

Spear said the district's "only hope is that we and other school districts can join together to get legislation to remove the contingency on state aid."

"The state puts everyone else in the red so they can be in the black," the superintendent emphasized. "It's unfair and unreasonable for the state to adopt a state aid formula and then take part of it away."

Largest portion of the 1971-72 budget has been allotted for instruction, with \$2,392,227 or 73.65 percent of the budget earmarked for that category.

Allotted for administration is \$114,376 or 3.53 percent of the budget, attendance service, \$600 or .01 percent; health service, \$2,500 or .07 percent; transportation, \$123,200 or 3.79 percent; plant operation, \$331,702 or 10.22 percent; plant maintenance \$109,100 or 3.36 percent; fixed charges, \$137,000 or 4.25 percent; capital outlay, none; student services, \$26,500 or .82 percent; and expenditures to other districts, \$10,000 or .3 percent.

Busard pointed out that with nothing budgeted for capital outlay, "we cannot buy anything new, such as projectors or desks."

For each student enrolled in the district, the budget calls for an expenditure of \$941.47, up from the \$908.87 spent per student last year.

Broken down by category, the district will spend \$683.40 per pupil for instruction; administration, \$33.15; attendance, 17 cents; health service, 73 cents; transportation, \$35.71; plant operation, \$96.15; plant maintenance, \$31.61; fixed charges, \$39.97; capital outlay, none; student services, \$7.68; expenditures to other districts, \$2.90.

Anticipated revenue generated by local sources includes taxes, with a millage rate of 28.9, \$2,385,178; tuition, \$2,000; book fees, none; fuel tax, \$3,500; rentals, \$25,000; miscellaneous, \$9,000; interest on investments, \$25,000; reimbursement of administrative services, \$1,000; and pool fees, \$2,000.

Revenue from state and federal sources includes state aid, \$712,927, other aid, \$3,000; driver education, \$7,000; vocational education, \$2,500; special services, \$23,000; transportation, \$54,000; National Defense Education Act, \$1,500; special education transportation reimbursement, \$7,000; and special education tuition reimbursement, \$7,000.

On a per pupil basis, local revenue raised is \$704.40 while state revenue is \$237.07.

## Panel Aims Protection

Northville city and township officials will discuss police and fire protection at a panel meeting of the League of Women Voters at 8 p.m. Tuesday in the home of Mrs. William Dayton, 42085 Banbury in Northville Commons.

Northville City Manager Frank Ollendorff, Northville Police Chief Sam Elkins, Township Police Chief Ronald Nisun and Northville Township Trustee Bernard Baldwin will compose the panel which will discuss the present situation and future plans of the police and fire departments.

As part of its community planning study, the LWV is interested also in possible areas of cooperation and coordination between these city and township departments.

## NEWS BRIEFS

**HAND GUNS** must be registered, city and township police chiefs remind area residents, noting the Wayne County Prosecutor's gun registration drive also applies to the suburbs. Hand guns may be registered at no charge with the police department covering the area in which the owner lives. Since the drive began, the two departments have registered only six guns.

**DOOR BELLE** volunteers for the United Foundation Torch Drive began Tuesday to collect door-to-door in the residential campaign that will continue through October 22. Mrs. Robert Yanover, Northville city and township residential chairman, reports that this year's response already looks good.

**BUS STOP** for Northville Commons will remain at Bradner and Norham roads following a unanimous decision Monday night by school board trustees to deny a request to change the stop. School officials noted that when the Northville Commons stop is placed in order with other bus stops, it is not unsafe and that traffic on Bradner Road is minimal.

**DRUG EDUCATION** program development for grades kindergarten through 12 is named as one of last year's major accomplishments of the school district in the superintendent's annual report. For full details, see Page 10-A.

**HALLOWEEN** will be one day early this year. Although the holiday officially falls on Sunday, October 31, city councils in Northville, Novi, and Plymouth have already or will soon pass resolutions declaring Saturday, October 30, from 4:30 p.m. to 7:30 p.m. as the official time for "trick or treating." The decision came in response to numerous requests from area parents.

**ALL YOU CAN EAT** is promised as the Presbyterian Men's Club makes preparations for its annual pancake supper to be held Friday, October 22 from 5 to 7 p.m. in the church social hall.

## In Our Town

# Audiences Applaud Designers' Fashions

**WAITING MODELS** — Wearing Dollie Cole originals are, from left, Mrs. John Shepanek, Mrs. Neil Nichols, both in gaucho styles; Mrs. John Starcevic, in a vest costume; Mrs. Rahsan Anisoglu, in brown washable satin; and Mrs. Mickey Stanley, wife of the Tiger ball player in white crepe.

**MRS. SHELTON McELROY**  
In Washable Brocade

**MRS. KEITH WRIGHT**  
Red with Black Fake Fur

By JEAN DAY

FASHION, which for a while seemed to be all "kid stuff", once again is claiming the interest of area women. More than 400 attended the Northville Woman's Club showing of Dollie Cole fashions and the Newcomer show of Ragman Shop styles during the past few days.

Styles for fall and winter were noteworthy for their variety and wearability—with ankle-length looks for evening drawing applause. Both Mrs. Cole's and Bud Shelton's Ragman fashions often boasted an ability to be tossed in the washing machine.

"We've washed this dress almost 200 times and are trying to see how long it will be before it disintegrates," commented Mrs. Cole as Woman's Club member Mrs. Keith Wright modeled a yellow multi-French-floral pattern dress. Mrs. Cole added that she designed this fashion for the singing Jills of Bloomfield when her daughter was a member.

Candid, enthusiastic and completely casual, Mrs. Cole commented her own show last Friday after she was introduced at the opening Northville Woman's Club luncheon at Meadowbrook Country Club by Mrs. William Quigley, program chairman for the day.

Mrs. Quigley pointed out that as the wife of Edward Cole, president of General Motors Corporation, the designer was one of the "most written about, most photographed women of the Detroit area" whose activities are broad with "probably no local charity not touched by her."

Friday's show was an ingathering of good, used clothes for children at Franklin School in Detroit where Mrs. Cole teaches one day a week.

(At the luncheon the designer who does not pretend to fit the stereotype of an executive's wife, confided that she shares the concerns of all mothers regarding busing to achieve integration.

Stressing that from her firsthand contact with Franklin School she does not believe in this solution to integration, Mrs. Cole declared she would be among those keeping her child at home if it becomes a reality.)

As Mrs. John Starcevic modeled a long dress and coat trimmed with sable, Dollie Cole mentioned that the fashion was from her own wardrobe and was the one worn by her to the inauguration of President Nixon. The coat was sleeveless with the long, fur-edged sleeves belonging to the matching French brocade dress beneath.

"I bought the fur 15 years ago in Japan," she added, advising women with out-of-date fur pieces to have the fur made into banding for dresses and coats.

Mrs. Cole wore a washable black watch plaid dress for luncheon, which later was modeled in a Swiss embroidered fabric and in a plain one to show "you can do a pattern many ways."

For the show she changed to a two-piece turquoise dress with both sides slit from hip to floor. The midriff look was repeated often, but Mrs. Cole pointed out, "We cut the tops long" so the top and skirt almost meet.

Other Cole trademarks: feather trims that untie on a pink lounging pant outfit; covered buttons, often fastened with "spaghetti looping"; blanket fabrics for after-ski clothes; oriental frog closings; wide elastic belts to cinch waistlines; wide "Irene" sleeves; lined hot pants, often under skirts; and linings that always match the costume.

PEACOCK-hued sequins gleamed on the detachable bib of a white polyester long sheath which was part of the after-dark fashions

by Bud shown at the Newcomer fashion show Monday night at the Round Table Club.

The dress was washable. It also featured matching earrings to shine with the bib. Other evening fashions at both shows included one-piece jump suits. Several boasted detachable skirts.

A new daytime look was worn by Mrs. William Broadbuss. It was a fitted coat with brown-and-white knit check top, closely fitted. The skirt was pretend matching tan fur, as was the round collar. Completing the look was a matching hat.

Bud Shelton, who designs and manufactures his fashions at his shop on Center Street, displayed styles in the range of \$15 to \$70.

THIRTEEN club members were honored at the Woman's club meeting immediately before the show. Mrs. C. H. Bryan, who had come from her home in Bloomfield Hills, was welcomed as the club's newest 50-year member. She was wearing the gold pin symboling her service from the club.

Past presidents honored were Mrs. Waldo Johnson, Mrs. E. M. Starkweather, Mrs. W. B. Chase, Mrs. William Cansfield, Mrs. R. M. Atchison, Mrs. E. A. Chapman, Mrs. C. E. Woodruff, Mrs. G. W. Kohs, Mrs. O. F. Reng, Mrs. William Crump, Mrs. E. V. Ellison and Mrs. Blake Couse. Mrs. Atchison responded on behalf of the group.

The Chapmans had returned from an Aegean cruise and vacation in Greece and Italy only a few days before the meeting.

## Party Honors Couple

Nine of the original 13 attendants of Mr. and Mrs. Edward J. Fornwald were among the 140 friends and relatives who gathered last Saturday evening to help them celebrate their silver wedding anniversary at the Northville American Legion Hall.

The Fornwalds, who live at 19524 Fry, were married 25 years ago at Our Lady of Victory Church in an all-white wedding. They have lived in

Northville ever since.

For the anniversary celebration Mrs. Fornwald, who was Catherine Elizabeth Miskerk, wore a mint green dress with full-length matching coat. She had a corsage of cymbidium orchids and sweetheart roses.

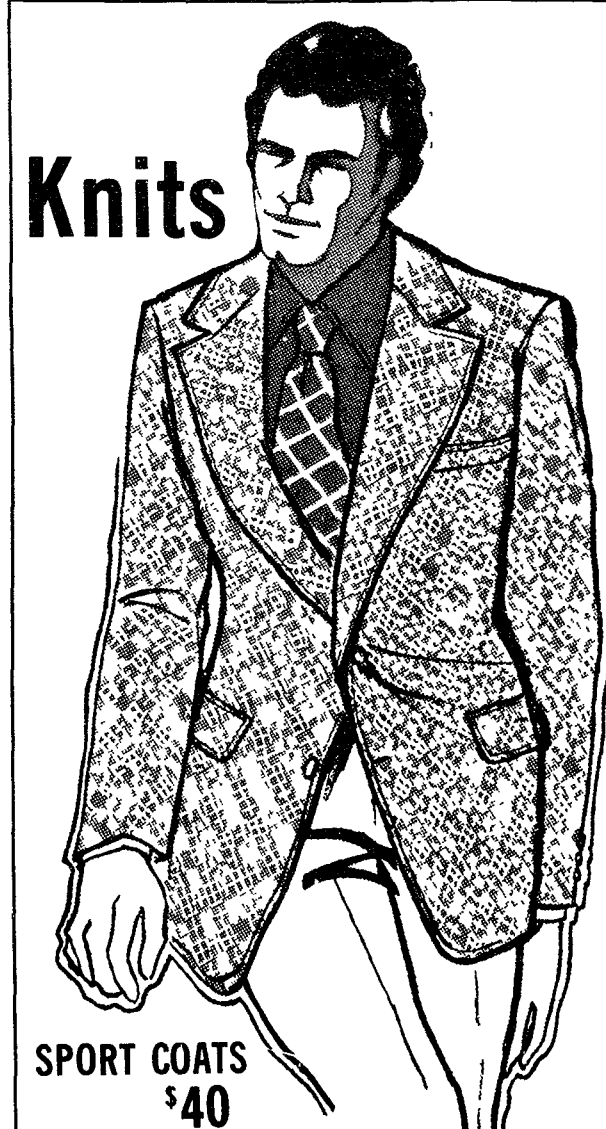

A highlight of the hot buffet served during the evening was a five-tier wedding cake decorated in pink and white and topped with two white doves holding silver rings in

their beaks. It was made by Mrs. Fornwald's sister, Mrs. Marie Knapp.

Dancing to the music of Artie Fletcher's Merri-Men Combo followed. The couple received many gifts. Guests attended from Lansing, Battle Creek, Mount Clemens, Ovid, Swartz Creek, Flushing, Oakley, Carleton, Ann Arbor and near-by communities as well as from Riverside, Illinois, and Northville.

MARGARET GODLEY

## Engaged

Mr and Mrs Morley B. Godley, 438 Eaton Drive, announce the engagement of their daughter, Margaret Elizabeth, to Walter Fredrich Coponen, son of Mr. and Mrs. Wesley Coponen, of Westland.

The bride-elect is a 1967 graduate of Northville High School. She also was graduated from Schoolcraft College in 1969, and from the University of Michigan in 1971. She is employed at South Lyon State Savings Bank and lives at 359 North Roger Street.

Her fiancé was graduated from Franklin High School in Etovnia in 1966, and from Schoolcraft College in 1969. He is a U. S. Army veteran and is employed with Progressive Architects, Associated.

A November 27 wedding date has been set.

# News Around Northville

Two local residents have accepted bids to a social fraternity on the Central Michigan University campus. They are among the 130 men who signed bids with 12 campus fraternities.

They are: Randy Pender, a freshman who is bidding for Sigma Psi Epsilon. He is the son of Mr. and Mrs. Lawrence Pender of 21215 Woodfarm.

Fred Samples, a freshman who is bidding for Pi Kappa Phi. He is the son of Mr. and Mrs. Fred Samples of 41698 Chattman Drive.

Mrs. Jim Spagnuolo, 113 East Main, was called to Chatham, Ontario, last Friday. Her sister, Mrs. C. C. Lemieux, is in St. Joseph Hospital in that city.

Sarah Ann Cochran Chapter, Daughters of the American Revolution, will hear Clarence Moore, an active member of the Plymouth Planning Commission and Historical Society as well as a past president of Kiwanis Club, at its luncheon meeting at noon Monday at the home of Mrs. Albert Heindryckx, 46000 Ann Arbor Trail, Plymouth.

Members and their guests will hear such historical interest items from the speaker as the existence of a sheep farm in Plymouth city limits.

Northville Historical Society has been invited to hold its October meeting at the home of Mr. and Mrs. Jack Burkman, 535 Baseline, at 8 p.m., Thursday, October 28.

Mrs. Stewart Oldford is to display and discuss her mother's collection of early American pressed glass.

Main Street PTA will hold its annual boot and bake sale Saturday, October 16, from 9 a.m. to noon in the Main Street gymnasium.

Boots and sporting equipment will be sold at bargain prices, PTA spokesmen promise.

Items for sale will include ice skates, skis, ski boots, hockey sticks, track shoes, boots, coats and rain wear.

Orient Chapter, Past Matrons' Club, will hold its annual meeting and election of officers at 7:30 p.m. Wednesday, October 20, at the Plymouth home of Mrs. N. K. Pattison. Dessert will follow.

"Cut Glass" will be the topic for the meeting of Silver Springs Chapter of Questers at 12:30 p.m., Wednesday, October 20, at the home of Mrs. John Armstrong, 1684 Gloucester, Plymouth. The hostess will present the study paper.

Mrs. Helen Rieger of Northville, who entered Mt. Carmel Hospital Thursday, has been transferred from intensive care to Room 422.

A special feature of the October meeting of the Dearborn-Plymouth Christian Women's Club meeting Wednesday was styling tips on wigs and hairpieces by Rene of Salon Rene in Northville. Members, who now are meeting on the second Wednesday of the month at Mayflower Meeting House, also heard David Schuh, a Washington, D. C., businessman and recording artist.

Music was by Rosemary Jackson, vocal soloist and teacher. Members and any interested area women may make reservations for the monthly meetings with Mrs. J. B. DeRusha, 349-5178.

George Douglas Edwards of 719 West Main Street is among the more than 19,000 students enrolled for fall semester classes at Memphis State University. These young men and women represent practically all of the 50 states as well as more than 40 foreign countries.

MR. AND MRS. RICHARD L. MYERS

## Miss Griffith Speaks Vows

Sandra L. Griffith, daughter of Mr. and Mrs. Paul Griffith, 16441 Homer, exchanged marriage vows and rings with Richard L. Myers in a candlelight ceremony September 18 at Northville First Presbyterian Church.

The bridegroom is the son of Mr. and Mrs. C. A. Myers, 18143 Jamestown Circle. His father served as best man.

The Reverend Lloyd Brasure officiated at the altar decorated with white gladioli and mums. His daughter, Diane Brasure, was organist, playing "A Time for Us" and "Try to Remember," selected by the couple.

The bride's traditional gown was fashioned with long, lace sleeves. Layers of matching lace decorated the skirt front. She carried a cascade arrangement of

sweetheart roses, carnations and stephanotis centered with an orchid, which she wore later when she changed to a short-sleeved blue dress that she had made for the occasion.

The bridegroom's sister, Debbie Myers, was maid of honor. She wore a turquoise gown and carried a cascade of white carnations with pink sweetheart roses.

Bridesmaids were Pat Murray of Romulus, Kathy Buttery of Northville and Barb Volpe, a junior bridesmaid of Madison Heights. All wore turquoise gowns and carried cascade arrangements of carnations and pink mums.

Ushers were the bride's brothers, Dale and Steve, with Dave Myers serving as his brother's junior usher.

Among the 150 guests at the ceremony and reception at the Wyld Country Club were the bride's aunt and uncle from Massachusetts.

The bride's mother wore a blue dress with matching jacket while the bridegroom's mother chose pastel green with matching coat.

The bride and bridegroom both are Northville High School graduates. After a wedding trip to Niagara Falls, they are making their home in Plymouth.

## Six Attend Methodist Meeting

A delegation of six members of the Women's Society of Northville United Methodist Church plans to hear Mrs. Solomon Graydon Cramer, vice-president of the North Central Jurisdiction Society-Guild of the United Methodist Church in Ypsilanti October 20.

Mrs. Cramer is to be chief speaker at the annual meeting of the Ann Arbor District Women's Society of Christian Service at the Ypsilanti United Methodist Church in Ypsilanti next Wednesday. The district comprises 82 societies from area churches, with most being represented at the meeting.

Planning to attend from Northville are Mrs. Adelbert Heath, Mrs. Warren Fittery, Mrs. Robert Frost, Mrs. Richard West, Mrs. Robert Gots and Mrs. Paul Beard.

The speaker's responsibilities for the jurisdiction, a nine-state area, include the evaluation of leadership growth and program cultivation, as well as the recommendation of new plans for promotion and program emphases to the Women's Division of the United Methodist Church.

Prior to 1968 Mrs. Cramer was a member of the Women's Council of the Evangelical United Brethren Church and served on the executive committee of the board of missions of that church. For four years she chaired the committee on Christian social relations for the Women's Society of Christian Service. She also served as a conference president of the WSCS in the Evangelical United Brethren Church.

FASHIONS BY BUD — Mrs. James LaPlante models a floor-length white crepe gown that's washable with detachable sequin bib while Mrs. William Broadus displays the fitted coat-look for the Northville Newcomers fashion show-dinner Monday night at the Round Table. (See In Our Town.)

## Fair Features Antique Piece

At the conclusion of the Northville Historical Society's second Tivoli Fair November 12-13, some lucky antique-lover will take home an elegant Victorian gentleman's shaving stand.

It is one of the prizes in a raffle sale, which, like all historical society projects, aids the society's aims to preserve and restore area buildings.

The stand, a hand-made afghan donated by Mrs. E. M. Starkweather, a society founder, will be given at the conclusion of the arts and crafts fair to be held in the new Northville United Methodist Church.

The stand is mahogany in Sheraton style. It originally stood in "Happy Acres," the Eight Mile Road home of Mrs. William B. Walker, who donated it to the Northville Historical Society in 1969. When it was purchased, Mrs. Walker says, it was described as being of Victorian vintage and an English piece.

It will cost the raffle winner \$1. Tickets are available from society members, who also have tickets for the afghan, priced at three for \$1. Mrs. Elmer Schubert, fair chairman, 349-2556, also may

be contacted. Booths at the fair will feature a wide variety of items, including imports. There also will be many demonstrations of artists and craftsmen.

## Delta Gammas Set Meeting

Farmington Alumnae Association of Delta Gamma will be guests of the Birmingham Chapter of Delta Gamma at its October meeting.

The meeting will be held on Tuesday, October 19, at 1 p.m., at the Bloomfield Township Library, 1099 Lone Pine Rd., Bloomfield Hills.

Dessert will be followed by a lecture by Mrs. Jo Lohmiller on Cooking and Crafts with Herbs. All Delta Gammas in the Northville-Novi area are invited to attend. New Delta Gammas in the area may call Mr. Samuel Scott (477-5722) for further information.

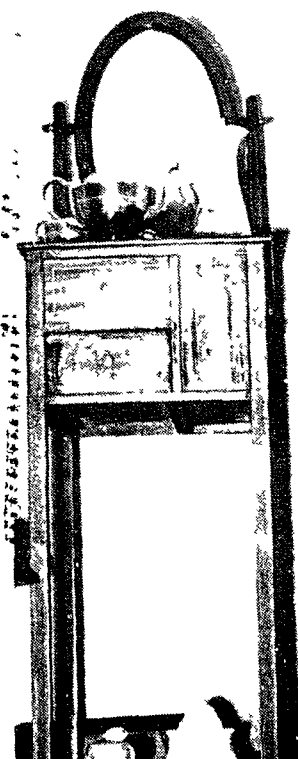

## Couple Weds In West Branch

Judith A. Kirwan became the bride of Ronald J. Kellerman in a 2 p.m. ceremony October 1 in West Branch, Michigan, with Judge Lynne Smith of the 82nd District Court officiating.

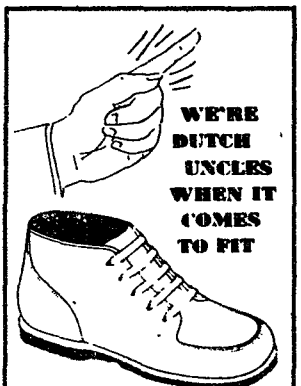

The bride, who is employed by the 35th District Court in Northville, is a 1969 graduate of Franklin High School in Livonia. Her husband is a member of the Northville City Police Department. He is a 1965 graduate of Robichaud High School in Inkster and is the son of Mr. and Mrs. Howard Kellerman of Inkster. Best man was Donald Lancaster, a member of the

Northville Police Department. His wife was matron of honor. Also present at the ceremony were the bride's parents, Mr. and Mrs. John E. Kirwan of Livonia, and her three brothers, John, Jimmy and Patrick. The newlyweds are making their home in Inkster.

## Boundary Hearing Slated Wednesday

Novi's citizens will have an opportunity to register their opinions on two important matters affecting the future of the city as both items are slated for public hearings next week.

Up for discussion at Monday night's council meeting will be the proposed articles of incorporation for a public building authority. If passed into being, the authority will be used for the construction of a new municipal complex.

Wednesday night the State Boundaries Commission will conduct a public hearing on the city's petition to annex all present township property with the exception of Brookland Farms subdivision.

First steps toward the formation of a public building authority were taken at the council's September 20 meeting with the adoption of a resolution for the formation of such an authority.

Approval of the articles of incorporation necessary before the authority can come into being were delayed at that time, however, due to the objections of councilmen Raymond Evans and Edwin Presnell, who expressed their opinions that the public should have an opportunity to discuss the matter before the council.

Evans and Presnell both made it known that their request for the delay in no way indicated their opposition to the formation of the authority.

Basically, the building authority will allow the city to raise money for public building projects without having to go to a vote of the people.

Continued on Page 16-A

## Drain Plan Lacks Support from Novi

Novi wants nothing to do with the present plan for improving the Randolph Street Drain.

The city council made that abundantly clear at their Monday night meeting, as they directed City Manager George Athas to report their opposition to the Intercounty Drain Commission.

At the same time City Engineer Charles Finsky reported on the feasibility of establishing a storm water detention system within the boundaries of Novi. This detention system is proposed by Novi as an alternative to the Randolph Drain improvements.

Discussion about the Randolph County Drain has been taking place between officials of the City of Northville and Novi for the past several months.

The Randolph Drain originates in the Novi area of Nine Mile, west of Taft, and passes through Northville into the Rouge River branch.

The Drain has previously been able to handle the storm run-off adequately. Recently, however, due to what Athas termed "some unwise building policy," in allowing Thompson and Brown's Lexington Commons to be developed in the flood plain, the system has been overworked and serious flooding problems have developed.

Although Novi officials are aware of the problem, they are not certain that it is their responsibility.

Said councilman Raymond Evans, "Northville is obligated to handle our present run-off, and they're apparently having problems with it. But they are the ones that caused the problems with their development. What they're trying to do is get us to participate in curing their problems that they've created."

Primary among Novi's objections to the proposed improvements to the Randolph Drain are the cost and the fact that Novi will have nothing to show for their outlay of money as all work is slated to be done in Northville.

Three proposals were made by the Intercounty Drain Commission for solving the Randolph Drain problem with costs ranging from \$670,000 to well over \$1 million for the drainage district encompassing some 472 acres in Northville and 382 in Novi.

Under the plan proposed for financing the Randolph Drain improvements, Novi residents in the drainage area would be assessed \$800 per acre, an amount termed "exorbitant" by Mayor Joseph Crupi in light of the benefits received.

Councilmen were much more agreeable to the alternate suggestion of the establishment of a storm water detention system, which would conceivably exist as a small lake on the boundaries of Northville and Novi.

Proposed are a four to five acre pond, approximately four feet deep, and two acres of collection channels. Cost of the project would include some type of controlled outlet, a small dam, by which run-off flow into the Randolph Drain can be regulated.

Preliminary estimated cost of the project is \$195,000, excluding the cost of land.

A meeting between Novi and Northville engineers and city officials has been scheduled for tomorrow (Friday) at 11 a.m. to further discuss the drainage problem.

In other business at Monday's meeting, the council

heard a report from city engineer Charles Finsky concerning the feasibility of extending a water line east down Grand River from the current eight inch main supplying Olde Orchard subdivision.

Action was postponed, however, when the council learned that the proposed extension would meet only ordinary water needs and would not adequately cover fire protection needs.

Finsky was advised to study an alternate plan and report his findings at a future meeting.

Other council business centered around the acceptance of bids.

The bid of Central Heating Company for installation of a furnace in the city hall was accepted.

The bid of Regal Janitorial Service for cleaning the city hall, the city hall annex, and the library was accepted.

The Bid of Doubleday Brothers for 11 council chairs was accepted.

The bid of John Mach Ford for two new police cars was accepted.

The bid of Timber Trust Buildings of Howell for construction of a steel pole fire station was accepted.

The council also authorized Mayor Crupi and Clerk Mabel Ash to sign a leasing agreement for a mobile home for the detective's bureau.

## Legal Help

## City Hires Fried

Disbarment proceedings being launched against City of Novi Attorney Howard Bond led to a special unannounced meeting of the city council Saturday morning.

Immediate action of the council was to hire Attorney David Fried, who is to give Bond assistance in all legal matters concerning the city. Fried, a former Novi resident who lived in Willowbrook subdivision, once served on the Novi Board of Education.

The special meeting was called to air proceedings being conducted by the State Bar Grievance Board concerning a disbarment action against Bond in a non- Novi connected case. It accuses him of making false accounting of the handling of a client's funds to the Oakland County Probate Court.

The council's Saturday meeting was called to discuss three things: the advisability of attaining an additional legal counselor; the possibility of a change in legal counsel; and to consider a means of solving the immediate backlog of legal work and legal problems facing the city.

See Speaking for The Record, Page 12-A.

Bond denies charges against him and is confident he will be vindicated. However, he has indicated a willingness to resign as city attorney rather than cause

Novi any undue embarrassment.

Although unable to attend the meeting, Mayor Joseph Crupi told The Novi News Monday that the council will not attempt to pre-judge Attorney Bond on the basis of a report of the hearing that appeared in a metropolitan newspaper.

Other councilmen stated their belief that Bond's personal legal problems may be causing a burden on the city. Specifically, the comment referred to a recent decision against Novi in a suit filed by Mobile Home Parks of America. Although the decision will be appealed, Novi lost by default as Bond had failed to file a brief

**GIANT MUSHROOMS**—They're found in the woods alongside Novi Road and can measure up to 35 and 40 inches in diameter. Called "puff" mushrooms, they're completely edible. Here three Novi boys, Steve Hellwege, Peter Meyer, and Randy Satterfield (kneeling) display three specimens of the giant mushrooms they found behind their homes. The test as to whether they can be eaten is the color. If they're a snowy white on the inside, cut them into strips, soak overnight in salt water, roll in flour and salt, fry, and put them on your steak or pizza.

## Subdivision Service Asked

## Protest Busing Policy

Local busing—not the court-related bus ruling now centered in Detroit—remains a nagging problem for Novi school officials.

Having adopted a new busing policy last week, the board of education Monday was confronted with its first citizen protest.

Steven Adams, president of the Meadowbrook Manor Association, representing the subdivision off Eight Mile Road, voiced objection to the discontinuance of buses traveling in the subdivision, emphasizing that the objection is based on the safety of children.

Pointing out that children boarding buses on Eight Mile Road are put into a dangerous situation because of the heavy traffic on Eight Mile Road, Adams wondered aloud why after several years the board (or administration) should suddenly change its position in permitting buses to enter the subdivision.

When the board advised

Adams that the newly adopted policy also created a special committee (consisting of two board members and Superintendent Thomas Dale) to hear appeals, Adams assured the board such an appeal would be forthcoming from his association.

During the busing discussion, a citizen advised the board that it would be far safer to have buses enter one road in Echo Valley subdivision (located on the western end of 10 Mile Road in Novi) and leave by another subdivision than to require boarding of buses on 10 Mile.

Similarly, Meadowbrook Manor representatives indicated that a "turn-around" is available in that subdivision as well.

Trustee William Ziegler, upon learning that turn-arounds do exist, expressed a personal belief that in such cases bus pickups inside subdivisions would be preferable. However, he was quickly reminded by fellow

members that decisions of this kind are to be made by the administration and, in the event citizens are not satisfied with rulings at this level, they should appeal as outlined in the busing policy.

Whereupon, a citizen reminded the board of rumors that recall petitions may be circulated. With all the flak aimed at the board recently, she expressed a hope that a "little more cooperation" could be generated.

Board President Gilbert Henderson, acknowledging that the board has been under fire, indicated that because the Novi school system is a growing one it is not likely to "get any easier."

Treasurer Mrs. Sharon Pelchat, in defense of the board, reminded citizens that school officials are going through a particular trying time in getting two new schools completed and occupied. In the face of these kinds of problems, she said "we are trying to do the best we can."

Henderson took the position that the "flak" may be caused by one or more of three different reasons:

Either the board is incompetent, the administration is incompetent, or schools are being made the battleground for the country's ills.

Later in the meeting, Henderson reminded citizens that under the present situation in which outside controls (state and federal) of school monies, local school boards in reality have very little room in which to maneuver. Their deliberations and actions, he added, are restricted and controlled in great extent by state regulations.

Specifically, he referred to the fact that the board has not yet adopted its 1971-72 budget, even though the fiscal year is already well underway because much of that budget is dependent upon monies received from the state.

Student Dieron Tafrahan spoke in defense of the board, pointing out that much of the recent criticism of the board has been generated by groups

or citizens more interested in their own children than in the interest of children throughout the district. The board, on the other hand, must do those things it feels are good for the total school system, he added.

Concerning other matters Monday, the board—  
—Redirected the administration to prepare a cost analysis of busing versus a crossing guard on 10 Mile Road at Meadowbrook Glens subdivision.

—Heard reports that a competent crossing guard, Lawrence Boyd, Sr., has been hired and began work Monday, and it complemented Police Chief Lee BeGole and his department for their assistance in training Boyd.

—Heard Dale comment that since it is apparent now that Meadowbrook Glens children will walk to school, permanent-like surfacing of the pathway along which they walk will be started, and that the school is awaiting response from the Oakland County Road Commission concerning the school's request for flashing signs near the Meadowbrook Glens crossing on 10 Mile Road.

—Approved bills but

Continued on Page 9-A

## It's 1,953 Students

Enrollment in Novi schools was officially pegged at 1,953 on the membership count day, Superintendent Thomas Dale announced this week.

The total enrollment represents an increase of 144 over last year's enrollment. Here's the breakdown by schools:

Orchard Hills Elementary, 499; Novi Elementary, 403; Village Oaks Elementary, 186. Total elementary enrollment is 1,088.

Seventh and Eighth grades (middle school students), 311; and high school, 554.

Of the 1,088 elementary students, 22 are special education pupils and 15 title I students.

## Delay School Opening Again

The on-again, off-again opening of the new middle school is likely to be off for one more week, Superintendent Thomas Dale reported this week.

Parents were notified of the delay in opening by written communication Friday, Dale said, and similar notification is planned when the opening is rescheduled.

Greenfield Construction, reported Dale, has completed construction of the 11 Mile Road sewer arm but air testing, which has detected a number of leaks, delayed use of the arm as a holding tank.

Temporary plans call for sewage from the school to be emptied into the sewer arm where it is to be held and later pumped out pending completion of the interceptor into which the sewer arm empties.

Should the sewer arm be cleared early this week, he said, it would be possible to occupy the building Wednesday, Thursday or Friday of this week. However, he noted that the board has indicated it prefers that parents be notified of the opening a week in advance.

The superintendent also revealed that paving in front of the new middle school had not yet begun as of Monday, even though it was scheduled to get underway last week. While the school could be occupied without this work being completed, Dale indicated that its completion prior to opening is desirable.

Meanwhile, the school district has received permission of the state fire

## Anti-Busing Meeting Draws 700 Citizens

By NANCY DINGELDEY

Apparently disgruntled by a lack of direction and a lengthy talk, many of the estimated 700 persons attending an anti-busing meeting at Walled Lake Western High School last week walked out before the program ended.

Sponsored by the Walled Lake Home Owners Civic Association, the Thursday program was promoted by Attorney Robert Lord as an "informative talk."

Present, in addition to Lord, were Henry Dodge, chairman of the Greater Detroit

Homeowners Council, State Senator Carl Pursell, former state senator Robert Huber of Troy, and Novi City Councilman Louie Campbell.

A handful of petitions were passed out at the door to those who would accept and circulate them. Literature included a handbill put out by the Walled Lake association urging opposition to property taxes.

The audience, for the most part, was calm throughout the evening although it was apparent that many attending were prepared to become vocal in the opposition to the

busing issue triggered by recent court rulings.

It was during a lengthy talk by Lord that most of the crowd began leaving, grumbling that "it wasn't what we came for."

Early in the evening, Dodge received enthusiastic applause for his observation, "the people who belong to our group don't want our kids bused out here any more than you want your's bused to the city (Detroit)."

Dodge also urged support for a "Freedom Amendment" which he said goes "way beyond the one offered by U.S. Senator Robert Griffin."

Griffin has proposed a constitutional amendment that would ban busing for racial purposes.

Councilman Campbell read a resolution he planned to introduce to the council. In part, it was a statement of policy that opposed busing. Campbell advised the audience that he believes the battle with the courts can be won.

Attacking the issue from another side was Senator Pursell. He expressed a belief that the courts are becoming too powerful, that local governments are losing status, and that lawmaking as a whole is being usurped by the courts.

Pursell said Detroit is suffering from a variety of ills, with education at the bottom of a long list of priorities. "We have the situation of a stadium versus education," he said. "Detroit has the facilities and the personnel for a fine standard of education. The teachers are among the highest paid in the

Continued on Page 16-A

## Helwig Heads NAG Chapter

Carl Helwig, of 22871 Penton Rise Court, Novi, will head up the newly formed Novi-Northville chapter of the National Action Group, popularly known as NAG.

Helwig has been active in NAG's activities in Pontiac for the past month and a half and was moderator of the NAG rally last week in Plymouth.

"Our major aim," said Helwig, "is to stop cross-busing of school children. It's time to stop using children as pawns of the federal government."

Primary thrust of the local chapter will be to solicit area support through booths located in various supermarkets.

Shoppers will be asked to sign anti-busing petitions and form letters that will be sent to state and national officials. In addition, N.A.G. bumper stickers will be sold to help finance the campaign.

On the national level, NAG's legal efforts will be centered on attaining the passage of an amendment to the constitution which would prohibit cross-busing.

Known as "House Joint Resolution 620," or the "Griffin Amendment," the legislation states that "no public school student shall, because of his race, creed or color, be assigned to, or required to attend, a particular school."

# Highland Man Held

## Poster Sparks Arrest Of Murder Suspect

A flyer posted at a Detroit industry led to the arrest Friday of a 24 year old Highland man who is charged with the first degree murder of Wendy Ann Braddon, the 17 year old Brighton girl who was fatally stabbed last August 11.

A plea of not guilty was entered for Byron Lee Hoffmeister, who was arraigned at 5 p.m. Monday before Judge Bert Hensick in Livingston County District Court.

Hoffmeister is currently being held without bond at the Livingston County jail. Preliminary examination is tentatively set for October 20.

Four men from the Michigan State Police, including Detective Vince Demsky from the Brighton Post, made the arrest at 1 p.m. Friday at a Royal Oak gas station where Hoffmeister was working.

Detective Joseph McGee of the Brighton Post said Hoffmeister offered no resistance when he was taken into custody.

The flyer that led to Hoffmeister, according to Detective Demsky, was printed by Singer Press of Brighton. Miss Braddon, a former Brighton High honor student, was employed at Singer Press and in fact left there at 5 p.m. the day she was murdered.

The flyer was circulated at a recent assembly of ALSAC volunteers at Olympia Stadium. Miss Braddon, the evening she was murdered,

was returning from a trip to Farmington where she was to have picked up ALSAC materials. She was the Brighton area chairman for the national, charitable organization for leukemia stricken children.

Included on the flyer was a description of her suspected assailant, the fact that he was suspected of driving a small general information about the murder circumstances.

One of the children attending the convention brought the flyer home and a father then took it to work in Detroit and posted it. An employee saw the poster and then tipped state police about Hoffmeister, Demsky said.

The informant, the detective continued, was out of town at the time of the murder and had no previous knowledge of it. Demsky was assigned to check out the tip, which came in last week.

Hoffmeister, married and the father of one child, lives in Highland, which is just north of Milford. Highland is about 14 miles northeast of the spot where Miss Braddon was murdered.

She was fatally stabbed and viciously slashed between 7:15 and 7:30 p.m. near the Pleasant Valley exit ramp from expressway I-96. Miss Braddon was driving home from Farmington in her light blue Volkswagen when the assault occurred.

A flood of tips were received by Michigan State Police, here numbering about 270 last

week, before the apprehension of Hoffmeister.

One of the obvious clues that tend to tie Hoffmeister in with the murder is the fact that he generally fits the description given by witnesses, namely a man of about 20, of medium build, having blond or light brown long hair.

Hoffmeister also drives a silver grey Pontiac Firebird. Witnesses reported that the car on the exit ramp next to Miss Braddon's was a small light grey sports car.

The car was impounded by State Police Friday and the driver's side, including side paneling, seat, steering wheel and floor shift, was stripped for scrutiny by the Michigan State Police Crime Laboratory in Plymouth.

Detective McGee, who has been feverishly working on the investigation for two months with other state police, said more than Hoffmeister's appearance and his car connected him with Miss

Braddon's murder.

McGee was unwilling, however, to disclose the nature of the additional evidence, noting that disclosure would come when the case goes to trial, probably in Livingston County Circuit Court.

Although McGee was mum on the point, it is known that State Police at the beginning of their investigation were convinced the murderer's finger prints would surely have to be on the car Miss Braddon was driving.

McGee did note that the pattern followed in this arrest was similar to the arrest of John Norman Collins who was convicted for the murder of Karen Sue Beineman, an Eastern Michigan coed.

In that case, like the Braddon case, McGee said, the police amassed a welter of evidence, but not until a prime suspect was pinpointed did the evidence converge to incriminate one individual.

Detective Joseph McGee and Suspect's Silver Grey Automobile

## Girl Feted At VIP Fair

Cindy Balko, 52730 West Eight Mile Road, was among those honored October 5 during the annual McDonald Fair VIP Day in Flint.

Cindy was one of 35 4-H Dairy and Science and Dairy Demonstration award winners at the event.

During the day she toured the McDonald ice cream and milk plants, WJRT-TV and Longway Planetarium.

## Colonial Acres

### 52-Acre Development Underway Near Park

A peaceful area in the rolling hills of Southwest Oakland County is beckoning to retirees who want to get away from the bustle and noise of city life, and the maintenance cares of lawn mowing, snow shoveling, etc.

Colonial Acres, a 52-acre community located a mile north of South Lyon, and five miles south of Kensington Park, is being developed as a cooperative apartment community, with one-bedroom and two-bedroom apartments available for purchase from \$16,900.

Located at Pontiac Trail and Eleven Mile Road, 4.7 miles south of I-96, Colonial Acres is just east of the famous Colonial Acres Riding Stables, where owners' riding horses are cared for in a modern facility. Because the area is excellent for horseback riding, there will be bridle paths winding through the trees and woods of the apartment development.

A community house is planned, and there will also be

tennis courts and shuffleboard courts on the property. A shopping center is planned across the street from Colonial Acres.

Already nearing completion is Colonial Acres' first unit, consisting of 4 one-bedroom apartments and 4 two-bedroom townhouses. A model one-bedroom apartment is completed and fully furnished, for the inspection of prospective buyers.

Included in each apartment and townhouse are a full independent basement. A Hotpoint stove, refrigerator and dishwasher and a garbage grinder are kitchen features. A thru-wall Hotpoint air conditioner is installed in each living room.

Colonial Acres apartments and townhouses are available on conventional terms. A generous discount for cash is offered. The model is open Saturday and Sunday from noon until 7 p.m., and on Monday through Friday from noon to 4 p.m. Centaur Construction Company, South

Lyon, is the builder of the community, which is expected to total 600 units upon completion.

The approximate monthly maintenance cost, which includes hot water baseboard heat, exterior maintenance, taxes, and insurance, is expected to be \$79 for the one-bedroom apartments, and \$89 for the two-bedroom townhouses.

## MURDER

On August 11, 1971, WENDY ANN BRADDON, white female, age 17 years, was murdered on Westwood Road in Livingston County, Brighton Township. The victim was stabbed and slashed with a knife that had a 6 to 8 inch blade, about 1 to 1 1/2 inches wide and very sharp. The suspect is believed to be driving a 1970 or 1971 Silver Grey Camaro, or other sports car similar to a Camaro. It is silver color, with possibly a black racing solid color, with the center of the hood, mag stripe down the center of the hood, post type wheels, with wide oval tires on the front and white lettering on the tires. The vehicle might possibly have an air scoop on the hood, back near the windshield.

# —NOVI HIGHLIGHTS—

By MRS. H. D. HENDERSON

Most happy to be back home again, after 16 days in St. Mary Hospital in Livonia, as your Novi Highlights news gatherer. So please continue to send me your news items, and thank you very much.

Mr. and Mrs. Martin Willacker Jr. were honored guests at a surprise silver anniversary celebration late in September. The affair was planned by their children, and it was held at the home of the Vernon Willackers in Wixom.

The 60 guests present for the occasion were from Mt. Morris, Manton, Battle Creek, Morley, Detroit, Howell, and the local area. Needless to say a good time was had by all.

Last Friday Mrs. Hildred Hunt and Mr. Marvin Macomber of Howell spent the day at Parsheville where they had luncheon and spent quite some time looking at the antiques that were on exhibit.

Mrs. Dolly Alegnani is spending a few days with her grandchildren while her son, Dr. William Alegnani and his wife, are attending a convention at Boyne Falls in Northern Michigan.

Mr. and Mrs. Milford Kurtz of Lansing were the week-end guests of their children and grandchildren, the Eugene McHales.

Recently, Mrs. Marge MacGillivray attended the wedding of friends in Livonia. She also attended the reception following the wedding service at Taylor.

Saturday, October 23, Mrs. Marge MacGillivray will attend a dinner-dance at the Thunderbird Inn in Plymouth as a member of the Dukes and Duchess Club of Northville.

On October 30 Mrs. MacGillivray will attend a Halloween party at the Eagles Club in Northville of which she is now a new member.

Mrs. Laura Comer left this week to visit her daughter and son-in-law, Mr. and Mrs. Jack Cahoon and family, at Cape Coral, Florida. Mrs. Comer expects to stay until Thanksgiving time.

Lieutenant Frank Steinberger spent from Friday until Monday with his parents, Mr. and Mrs. Edwin Steinberger. For the next six weeks Lieutenant Steinberger will be stationed in the Philippines.

Last weekend the Anthony Skeltis family camped at a private club—the Ford Wagontrain Chipper Club—near Durant.

Weekend visitors at the home of Mr. and Mrs. Floyd Darling were their children and grandchildren: on Sunday Tom and Judy and children, Tommy and Terry, and for the weekend, Mr. and Mrs. Bill Gray and Kelly and Deanna from Imlay City.

Sunday company at Marie LaFonds were her son and his wife, Mr. and Mrs. Donald LaFond and son Dougie, Mrs. Prudy Konetshny and Mrs.

Pat Schultz.

Mrs. Louis Tank is attending the State Convention of the Eastern Stars in Grand Rapids from Monday until Friday of this week. Mrs. Tank represents her own chapter No 136 of Wayne.

Mr. and Mrs. Gerald Race had a most enjoyable time with a group of old friends at Franklin Village, where they had a buffet dinner and spent much time reminiscing about their old Church group there.

Among the neighbors and friends who called on Mrs. Henderson since her return from the hospital were Mr. and Mrs. Earl Marr of Detroit.

Mr. and Mrs. John Tymensky spent this past week on a color tour at Traverse City. They also enjoyed the cohos on Platte River.

## FIRST BAPTIST CHURCH

Special music in the morning worship service was presented by the Girls Trio. Because of several attending the ladies retreat, those substituting in their place were Fay Qualls, Nell Childress, Sam Button, Marie Travis, Sylvia Ridenour, Chuck Stewart, Jeanne Evans, Iris White, Carol Roeder, Gerry Thomas, Judy Thomas, Florence Booth and Alice Sannes.

The Men's Fellowship met

on Monday night for a work session.

The Vera Vaughn Circle met on Tuesday night at the home of the president, Mrs. Evelyn McCormick, for a "come as you are" meeting. The women who attended the retreat gave enthusiastic reports.

The young people had a roller skating party Tuesday evening. On Saturday they will leave the church at 6 p.m. to attend the Billy Walker Rally.

The Circle needs the names and addresses of all the servicemen in order to include them in the Christmas package program. Also names and addresses of the college young people are needed.

The teacher of the week is Mike Kahler, new teacher of the first grade class. Mike became a Christian about four years ago, and has been a member of First Baptist since then. A 1971 graduate of Northville High School, Mike currently is employed at Barricini Candy at the Livonia Mall. He has served as vice-president of the junior-senior high youth group and as president of the senior high group for two years. In the future Mike plans to attend the Detroit Bible College.

The annual Harvest Supper is November 10 at 6:45 p.m. at the church.

On November 11, 12, and 13

the Sunday School Convention will be held at Cobo Hall.

October 18-23 there will be a program geared especially as a teaching aid for Sunday School teachers.

Each evening from 7-9 p.m.: Jim and Liz Weigh, candidates under child evangelism fellowship, will be giving instruction in the making of and the use of Flannel-graph lessons in working with boys and girls. Everyone is invited to share in this program.

Highlight of the past week for 2400 women was the Women's Retreat in Battle Creek. Women attending from this area were Jackie Wilenius, Dorothy MacDermid, Charlene French, Barbara Warren, Sharon White, Cathy Burton, Vera Brough, Gaye Jude of Livonia, Lucille Martin, Pat Allen of Northville; Jeanne Clarke, Mary Thomas, Arbutus Bellefeville, Bernice Stewart, Gerry Stipp, Mary MacDermid all of Walled Lake, Irene Scott, Salem; and Marty Maxwell, Farmington.

It is difficult to pinpoint the high point of the retreat, the women report, because the music, speakers, and fellowship were just grand.

Thanks is due those who filled the gaps for the women in the church during their absence. Also to those providing transportation and those who distributed literature.

## HOLY CROSS EPISCOPAL

Holy Eucharist was celebrated at the 7 a.m. service Sunday, a morning prayer at the 11:15 a.m. service. Glen Kundrick was acolyte.

Flowers were presented by Mr. and Mrs. R. Rumble in memory of Jean's brother, Robert Jarvis, and prayers were said for Sandra Bowen.

The Roaring '70's—a young people's organization—met at St. Thomas Hall at Holy Cross early Sunday evening, and at 8 p.m. the Bible Study Group met at the home of Mr. and Mrs. L. Fleming.

On Monday evening the Bishop's Committee met at the church, and Tuesday evening both the Drug Abuse Committee and the AA group met at the church.

Tonight (Thursday) Robert Huber and the Reverend Leslie Harding will attend the Diocesan Convention at the Cathedral of St. Paul in Detroit.

Announcement has been made that the E.C.W. will hold a fashion show on Tuesday, October 26, in St. Thomas Parish Hall at 7:30 p.m. No admission is to be charged, and refreshments are to be served. Members and their friends are encouraged to attend.

Father Harding has announced that members of the church are needed to take care of the grounds because weeds are getting too high. Maintenance of the church interior, the Altar Guild,

coffee hours, and altar flowers also need attention of volunteers.

Persons wishing to volunteer their time and services are asked to sign their names on the bulletin board in the narthex of the church.

## CUBSCOUT PACK 239 VILLAGE OAKS SCHOOL

The first potato chip sale of cub scout pack 239 was a great success thanks to the Novi residents. The scouts sold 530 bags of chips and received numerous donations in addition.

The sale was followed by a weiner roast and a dip-in at the Pazderski pool.

The activity for the month of October is the father and son hike and football game at Kensington. All participants should meet at the Village Oaks School Saturday, October 23, at 9 a.m. with a sack lunch and walking shoes.

Ron Pazderski is the official new cub master. He will be assisted by Pete Basilon. Norm Graf has accepted the position of treasurer, and Sarah Everett is the assistant den mother for Den 2.

Thirteen new boys were registered at the fall round-up making a total of 28 boys, 20 cub, and eight Webelos. Pete Peterson and Cliff Kirkland will be calling on the parents of all new boys, seeking two new den mothers. The boys will be assigned to dens once the new den mothers have been selected.

Committee meetings will be held the first Thursday of every month and pack meetings will be held on the last Thursday of the month. Under the leadership of John Weber, the Webelos will meet at the Living Lord Lutheran Church Wednesday evenings at 6:30 p.m.

Next Pack meeting is scheduled for Thursday, October 28. New scouts may wear their uniforms when they're inducted into the pack at the meeting.

## UNITED METHODIST CHURCH

The sermon this past Sunday was entitled "Friendship as Love". Flowers were given by Errol and Vi Myers in memory of his mother, Mrs. Otis Myers.

The greeters were Chuck and Skip Boyer, and the acolyte was Russell Button, Jr.

The first monthly meeting of the Adult Study Class met Thursday evening at the home of Pastor Seymour. They talked over new ideas for discussion and enjoyed an evening of fellowship. The next meeting will be held at the home of the Robert Kirkwoods, 28820 Summit Drive, on Friday, October 29. Everyone is invited to attend.

The church directory has been compiled and will be printed and mailed out this month. It is hoped it will prove to be useful to all.

There are still many Sundays available for those who wish to donate flowers for the Sunday Worship Service. Persons wishing to donate

flowers are asked to sign their names on the bulletin board and specify if they wish them as a memorial. The cost per Sunday is \$4. Participants should place their money in an envelope and mark it "Flower Fund".

Join the contest for the Newsletter name, officials urge. "Can't you think of some catchy name? Please respond soon."

The next W.S.C.S. will be held on Monday, October 18 at 8 p.m. All ladies are invited. Joan Culham will be the guest speaker and the topic will be "The United Methodist Children Village."

Chancel choir rehearsal: 8 p.m. every Wednesday. Whitehall Service: 2:30 p.m. Sunday.

Youth fellowship: 6:30 Sunday evenings.

## NOVI REBEKAH LODGE

Members of the Independent Rebekah Club report they had a very successful roast beef dinner and bazaar this year.

The next regular Rebekah Lodge meeting is scheduled tonight (October 14) at the hall.

## BLUE STAR MOTHERS

Five Blue Star Mothers from Chapter 47, Novi, attended the annual meeting and school of instruction at Crosswell last week. They were: Mrs. John Klaserner, Mrs. Homer Kent, Mrs. Hazel Mandik, Mrs. Nancy French and Mrs. Fred Loynes. Mrs. Loynes brought back a very interesting report of the meeting.

National Past President and Department of Michigan Past President, Nellie Leonhardt, now deceased, was honored when an organ was installed in the Iron Mountain Veterans Hospital in the Upper Peninsula by the Michigan Chapters of the Blue Star Mothers of America Inc.

The 28th annual anniversary of the Novi Chapter will be celebrated at some near by restaurant on November 4. Bring a 50 cent gift for the games.

Novi Blue Star Mothers will have a bingo party for the Veterans in Ann Arbor Hospital October 14. Several of the mothers will do shopping for the Veterans the same day, and potted plants will be taken over for the veterans.

Big annual event coming up next Wednesday, October 20, in the Novi Community Hall. Doors will be open at 11 a.m. and at the various booths you will find baked goods, toys, novelties, pillow slips, towels, many articles for Christmas gifts, aprons, etc.

A complete ham luncheon, with home made pies, will be served.

A quilt made by Mrs. Barton and Mrs. Williams, and a ceramic clock made by Mrs. Lee, will be raffled off. The price of the luncheon will be \$1.50.

NOVI GIRL SCOUTS  
Novi Brownie Troop No. 351 met for its first meeting at Novi School. The following new girls attended the meeting:

Sheila Albers, Vicky Albers, Lynn Conway, Julie Lawrence, Heather Neil, Tanya Wittenmyer, Laura Morandy, Cheryl Shankil, Lisa Parey, and Carrie Todd. The girls learned the Brownie Smile song, and received information regarding dues, etc. They also made decorations with Indian Corn.

Mrs. Robert Brooks of Cadet Troop 149 was honored recently upon being chosen Volunteer of the Month in Southern Oakland Girl Scout Council. In the last five years she has led Brownie, Junior and Cadette troops. In the summer of 1970 she directed her first day camp and last summer expanded and became the site coordinator of Arapaho camps as well as directing Arapaho II.

The Novi Girls Scout organization is very proud that one of its local people was given this honor and extended congratulations to her. This troop meets every Monday night at the United Methodist Church from 7-9 p.m. Mrs. Gerald Laub is co-leader. Willowbrook Area:

Any girl who is interested in joining a troop at Orchard Hills or Village Oaks is asked to contact Mrs. Mary Platt at 349-4735. Still needed are two adults to serve as assistant brownie leaders in this area.

The troop leaders are as follows:

Brownie Troop 161, Mrs. Steven Davey and Mrs. Lynn McNamara.

Brownie Troop 711, Mrs. George Gray and Mrs. Janet Anthony.

Brownie Troop 519, Mrs. Robert Kessler and Mrs. Donald Shonk.

Junior Troop 913, Mrs. David Folsom and Mrs. Ralph McKay. (Tuesday, Orchard Hills Elementary gym, 3:30-5:00 p.m.).

Junior Troop 713, Mrs. James Reynolds, 349-2163 and Mrs. Kenneth Beers.

## VILLAGE OAKS SCHOOL

New Junior Troop, Mrs. George Kelly, Mrs. Joan Daley and Mrs. Joan Griffin. Cadet Troop 149, Mrs. Robert Brooks and Mrs. Gerald Laub (Monday night, Methodist Church, 7-9 p.m.).

## NOVI AREA

Mrs. Jacque Wilenius 349-2056.

Brownie Troop, Mrs. Faulkner and Mrs. Derrick. Brownie Troop, Mrs. Clarke.

Junior Troop 165, Mrs. Tuck and Mrs. Garcia.

Junior Troop 1027, Mrs. Smithson and Mrs. King.

Call Mrs. Wilenius if you wish to work in the capacity of being a leader or assistant leader. Troops were organized in Novi at the first scheduled meeting on September 28.

## Wixom Newsbeat

# Haunted House on Tap

By NANCY DINGELDEY

All of you, no doubt, will remember the delightful Haunted House put on by the Walled Lake area Jaycettes last year. It will be back again this year at the same old dilapidated house at 310 North Wixom Road, right across the street from the Elementary

Last year's house was such fun but this year it is supposed to be even better. The cost is still 25 cents a person and worth every penny. The dates for the house "tours" are October 22, 23 and 24 and then again from October 27 thru 30. Hours are from 5 until 10 p.m.

Something new this year will be the opportunity for group reservations. Boy Scouts, Girl Scouts and Church groups can take good advantage of this. If you should like to go in a group, call 624-3808 or 624-3571 by October 20, if possible, to make arrangements.

Last year there was usually quite a crowd waiting to go through the house so to make the waiting even more enjoyable, pop corn, pop, hot dogs and the like will be available.

The Jaycettes also sponsored a poster contest in conjunction with the Haunted House at all the schools in the district. The winning posters can be seen parading ghosties and goblins in all area stores. The Jaycettes awarded complimentary tickets to the winners.

The young artists who were winners from Wixom School were Terry Fair in the fifth grade and Kathy Southerland and Lori Lahde in the sixth grade.

Join the crowd at the Haunted House—plan to put one of the evenings aside. Just pure great fun for everyone! Another date to put aside is October 24 from 3 until 9 p.m. The Wixom Police Department will be having an open house on that day, refreshments will be served and it is a chance for everyone to see their newly remodeled quarters at city hall.

All are welcome and it is

great chance to become acquainted with the men on the force.

And still another date—that's this Saturday, October 16. Garage and basement clean-out time and those big trucks just waiting for the chance to pick-up all your unwanted discards. The G-men (the G is for garbage) walks around early so best put your junk out on Friday night.

Wixom has lost one of its old neighbors with the sudden passing of Ralph Napier last Friday. There are many people who will remember Ralph with fondness. His barn was used by the local kids for parties and they were always welcome. He loved animals and to him, they were his family. His Church played a great part in his life. He was a supporter—even to the extent of borrowing a hard hat, flying to Washington, D.C. and joining a Peace march.

As Pastor Warren so aptly put it, "we've lost a real friend who was down to earth and totally genuine in all he did."

Also from Pastor Warren comes word of the contemplation by the church of a Christian Education Day School. He indicated a desire to know whether or not people in Wixom and surrounding communities were interested in the formulation of this type of school. Just like the "TV 2 Editorial"—he would like to know "what do you think?" A phone call or letter to the First Baptist Church of Wixom is all that is needed.

Through the years of being dog owners and lovers, we have been adopted, from time to time, by all manner and breed of canine creature.

But "Hersh" takes the cake. He more or less draped his frame across our doorstep and has done his share of scaring people out of their

wits—my husband included.

He's well over one hundred pounds and I would suspect about two years old—towers over our four year old daughter and thank God, has a mild disposition.

"Hey you" didn't fit his hulk so I dubbed him "Hershel" (it sort of fit his personality) during his stay with us...which I hope, is short.

My husband always wanted a Saint and after a few days with Hershel, he's changed his mind. At the risk of incurring the wrath of extra-large dog owners, I have to say they're great...in someone else's back yard!

How do you move a beast who weighs well over your own 110 pounds? Or who insists on standing on your feet or who sounds like a plugged-up drain when he drinks? Not to mention the pond he develops on the floor, while making the attempt.

Or who attacks his food with such vigor that should you make the mistake of talking to him, while eating, he looks up with a stainless steel muzzle...

Or when he gallomps across the yard in puppy play with

turf flying at every step, ears and jowls flopping in the breeze and then curls up in your very favorite clump of mums.

Or when you say those few soothing words that make him think YOUR lap is where he'd like to be...

Or when he buries his face in your mid-section and leaves you breathless and slobbery.

Or his overly ambitious amorous advances to our two spayed females who don't care a hoot for the overgrown galoot.

But worst of all, the bear hug...when he rears up and grabs your shoulders with his two gigantic paws...Fortunately, the house has always been handy to back me up.

When he opens his dainty mouth I get a flashback of a hippo at the zoo and the sounds that come from deep within... "oi vei!"

It's not often that you can try a full-grown animal "on for size"—we've had our chance. Somebody, somewhere loves the mutt...if he's yours, will you PLEASE come get him!

## For High School

# Novi Sets Student Rules

Novi High School Principal Hal J. Seymour today issued a review of building regulations previously distributed to students and parents in the form of a handbook.

In issuing the review, Seymour stated that such a review would be helpful to re-emphasize current policies regarding absences, tardiness, smoking, and leaving the school building.

The school policy regarding absences includes the following points:

--It is the responsibility of both the parent and the student under Michigan State

Law to see that attendance is regular. All pupils are expected to be in attendance daily and on time.

--Two types of absent admission slips are used. A blue slip signifies an excused absence and entitles the student to make up missed work. A pink slip is issued for unexcused absences, work may not be made up. Excused absences are given for personal illness, death in the family, or such emergency occurrences deemed unavoidable by school authorities.

--Unexcused admits will be

given for absences which the school sees as unnecessary, such as baby sitting, shopping, hair cuts, etc. Seymour stressed that reasonable consideration will be given.

--Work missed during an excused absence should be made up according to the teacher's requirements. Work not made up will result in the same loss of credit as though the hours were unexcused. It is the responsibility of the student to arrange for the make-up work.

--An absence is defined as not being present in a class or classes during the school day.

Any absence total of five or more days in any one grading period may result in a failing grade or an incomplete for that period. Teachers may consider extenuating circumstances and adjust the grade accordingly. A persisting illness would be considered an extenuating circumstance.

--All absentee and tardy cases are required to obtain an admit to class from the office. Parents of absentees may call the absence in or the student must bring a parental note when returning to school.

School policy regarding leaving the building states that no student is to leave the building without prior approval of the office. This policy includes student drivers.

No smoking is allowed in the school building or anywhere on the grounds. This policy extends to all extra-curricular activities.

No student is to carry smoking materials into the school building. All such materials will be confiscated.

The following regulations apply to tardiness: --Tardy students are not admitted to class without a tardy permit. Parents of excessively tardy students will be contacted. Teachers are authorized to use detention as a preventive measure if necessary. Excessive tardiness will be judged as a disciplinary problem and be referred to the principal.

--Frequent tardiness to school or an individual class is a poor habit and interrupts the smooth performance of instruction. Emergencies will be taken into consideration. Punctuality indicates effort, responsibility interest, and preparation.

--Three unexcused occasions of tardiness will be regarded as one day's unexcused absence.

## Series Aims to Close Parent - Student Gap

"Inside Adolescence," a series aimed at exploring the world of the teenager, will begin Thursday, October 28, at 7:45 p.m.

The series, which will be held in the Ida B. Cooke Cafeteria, is sponsored by the DART Committee, Drug Abuse Reduction Through Education. The committee is composed of students, teachers and community leaders.

The first program in the series will include a panel discussion between parents

and teenagers. Six parents and six students will confront each other with ideas which often produce tension in family relationships, Miss Florence Panattoni, committee member, said.

Areas of concern will be attitudes, values, use of authority, personal behavior, goals, emphasis on achievement and credibility.

Following the panel presentation, the audience will be asked to participate in the "confrontation."

Three other meetings are planned in the series, exploring in depth the world of the adolescent. Thursday, November 11, a workshop will be held on the development and personality of the teenager, seeking to give understanding on what adolescence is about.

Tuesday, November 23, and Tuesday, December 7, workshops will focus on values which often bring parents and their children into conflict. Workshops will be led by professionals in

adolescent psychology. All meetings in the series begin at 7:45 p.m. in the Cooke Cafeteria.

"Inside Adolescence" is open to all adults and youths in the community, DART spokesmen said.

## Calendar

October 14 - Junior Varsity Football - Novi vs. Chelsea, 7:00 p.m., at Chelsea.  
October 15 - Varsity Football - Chelsea vs. Novi, 7:30 p.m., Home.  
October 15 - Soccer - Student Council Post Game Dance, 9:30 p.m. to 11:00 p.m.

**SCHOLARSHIP WINNER**—Schoolcraft College co-ed Susan Miller (center) has received this year's Western Suburban Junior Women's Club scholarship. Making the presentation are Mrs. Lawrence Szuhly (left) of Northville and Mrs. Charles Milet of Plymouth, the club's education chairman and past-chairman, respectively. Susan is a sophomore at Schoolcraft where she is studying medical records technology. Her home is Garden City. She is the third winner of this annual scholarship.

**NURSERY NAVIGATORS**—"Captain" Jerod Swallow, 4, is at the wheel as he and Jason Rutter, 3, play in the new tugboat built by parents of the Northville Cooperative Nursery. The boat is docked temporarily in the front yard of the John Swallow home at 19680 Clement Road to announce the nursery's second bazaar and sale to be held from 10 a.m. until 4 p.m. this Saturday at the Swallow home. Funds from last year's sale were used to build the boat, which will be used at the cooperative nursery in the scout-recreation building. Children's toys, baked and canned goods, antiques and handcrafts will be sold.

New books at Northville Public Library include:

**ADULT**  
"On Growing Up Tough," Taylor Caldwell, Author describes her own life and early years in England and America and criticizes current American social customs and conditions.

"The Medicine Man," Shirley Seifert; Historical novel based on the life of Antoine Saugrain, the "wizard doctor of early St. Louis."

"The Life of a Useless Man," Maxim Gorki; Yevsey Klimkov, a frail young Russian orphan, is caught up in the Russian revolution of 1905 when his employer and the police coerce him into spying for the military in support of the Czar.

"Addie Pray," Joe David Brown; An 11-year-old con girl and her companion travel through the South seeking non-existent cotton until they meet Major Carter E. Lee who teaches them a thing or two.

"Red Power: The American Indian's Fight for Freedom," Alvin M. Josephy; Excerpts from articles, documents and speeches chronicle the American Indian's struggle over the last decade to gain equality and freedom.

"The Earl," Cecelia Holland; Fulk de Bruyere, Earl of Stafford, is a voice of reason as Stephen and Henry Plantagenet disrupt and ravage the countryside.

because of their claims to the throne.

"The Gift Horse: Report on a Life," Hildegard Knef; The German actress tells of her childhood and schooling in Berlin, her middle-class family, her early determination to be an actress, her career during the last few months of the Third Reich and her subsequent fame on the stage and in films in Europe and America.

"Message from Malaga," Helen MacInnes; A reunion with a trusted friend results in murder and the hunted become the hunter.

**MYSTERY**  
"The Chandler Policy," Doris Miles Disney; Hilda Nielsen becomes involved in a bizarre murder when she agrees to help Earl Shepler escape his assailants.

## 'Hope' Slates Rock Concert

HOPE - five modern young religionists with a current flair will present their message and rock music at Schoolcraft College on October 15.

The group is being sponsored by the Student Activities Board. Their performance is scheduled for 8 p.m. in the upper level of the Waterman Campus Center. Group rates are available for the performance through Linda Trujillo who may be called at 591-6549. General admission is \$1 and 50 cents for Schoolcraft students.

## Environmentalists Plan Glass Drive

Citizens for Environmental Action will hold a glass collection Saturday, October 23, from 9 a.m. until 3 p.m. in the board of education parking lot, 303 West Main Street.

Volunteers from the community-based group remind citizens to bring glass that is reasonably clean (food and paper removed) and to remove metal rings from bottles.

Petitions for the support of State House Bill 4685, which would require a 10 cent deposit on any beverage container sold, will be at the

glass collection for signature by interested citizens.

# Northville Township Minutes

## NORTHVILLE TOWNSHIP BOARD MINUTES OF TUESDAY OCTOBER 5, 1971

Meeting convened at 8:07 by the supervisor  
Present: Stromberg, Hammond, Straub, Baldwin, Mitchell, Schaeffer  
Also present: Consultants Ashton and Mosher, the press, and 16 visitors  
Absent: Klein

Regarding the minutes of September 21st, Baldwin moved to officially adjourn that meeting, supported by Straub. Ayes All.  
Schaeffer moved to adopt the minutes of September 14 and 21, 1971, seconded by Mitchell. Ayes All.  
The treasurer's report was unanimously approved.  
Schaeffer moved that all current bills be paid and the monthly receipts ap-

proved, seconded by Straub. Ayes All.  
The Clerk's quarterly budget report was accepted, with one by Straub.  
Water and Sewer Department accounts, Planning Commission minutes of September 22, 1971, and Appeal Board minutes of September 20, 1971 were all accepted as presented by a unanimous vote.

**CORRESPONDENCE**  
1 SEMCOG, SEPTEMBER 27, 1971  
Hammond moved to accept and file, seconded by Mitchell. Ayes All.

2 STATE BOUNDARY COMMISSION, SEPTEMBER 20, 1971  
This letter regarding an annexation election in Novi was accepted and filed on motion by Schaeffer and seconded by Straub. Ayes All.

3 BOARD OF EDUCATION, R. E. SPEAR, SEPTEMBER 30, 1971  
Library committee meeting. The letter requested a meeting soon between representatives from the school board and the city and township of Northville, to discuss a new building, (costs, architecture, etc.). Schaeffer and Hammond, as committeemen, asked some direction from the board regarding this matter. After much discussion, Hammond moved that the board authorize the committee to spend up to \$2,000.00 for this library study, seconded by Schaeffer. Aye. Hammond. Nays: Baldwin, Mitchell, Schaeffer, Straub and Stromberg. Motion defeated.

4 S. DIBBLE, OCTOBER 3, 1971  
Letter of commendation for our police

department, accepted and filed on motion by Straub, seconded by Schaeffer. Ayes All.  
5 OASIS LIQUOR LICENSE  
Straub moved, seconded by Baldwin, that a new Full Class "C" liquor license be granted to Robert Osborn, Oasis Golf Course, at 39500 Five Mile Road. Ayes All.

Baldwin moved that item No. 3 under New Business be taken out of order, seconded by Straub. Ayes All.  
NEW BUSINESS NO. 3 THOMPSON-BROWN REZONING NORTH OF SIX MILE ROAD

Mr. Roy Russell introduced Mr. Carey, who made a presentation with maps and pictures of the proposed rezoning and answered questions from the board. He had originally asked for 890 multiple units, but under the revision there would be 709 with a density overall of about 7.3 units per acre, based on 2 bedroom units. Hammond moved to table decision on this until November meeting, seconded by Schaeffer. Ayes All.  
Straub moved that item No. 3 under Old Business be taken out of order, seconded by Baldwin. Ayes All.  
OLD BUSINESS NO. 3 LEVITT REBATE  
Mosher explained that the Grand View Acres Subdivision has shown a strong interest in obtaining a sewer which would discharge into the Levitt sewer to their west, which sewer was designed large enough to cover just such a contingency. However, Levitt is not far enough along in their building

program as yet to have extended the sewer east for this subdivision to hook into Mosher felt that he could not really say that the time was right to start a sewer program by the township, although so far all the intended commitments by Levitt have been fully met. Baldwin moved to refer this matter back to the water and sewer commission and have them update the resolution in view of existing conditions and also to have them formulate a new position predicated on the assumption and intention of the previous resolution with regard to the Levitt sewer tap rebate. Supported by Hammond. Ayes All.

**OLD BUSINESS**  
1 COMPENSATION INSURANCE POLICY  
Hammond moved to table this until after November 15, 1971, seconded by Straub. Ayes All.  
2 PRE-FABS  
Mitchell moved to table this request by the Building Official until the Regular November meeting, seconded by Baldwin. Ayes All.

4 PLYMOUTH WATER LINES  
Straub moved to table this until next meeting, seconded by Schaeffer. Ayes All.

5 Township Hall-Fire Hall  
Baldwin showed sketches of the new facility. He reported that the committee has authorized the architect to prepare his final report. Baldwin feels that this new site is really better as to approach and appearance although perhaps a more difficult site to develop. The estimate of total cost, including building, site preparation, driveway, sidewalk, steps and retaining wall was \$446,340.00. Hammond moved that the supervisor request the attorney to study the statutes and discover what provisions have been made for financing of a Township Hall, either with or without a vote of the people. Baldwin supported. Ayes All.

6 STATE POLICE REPORT BY STROMBERG  
The supervisor seems to feel that things are going along well and that we will eventually acquire a post in our area.

7 HIRING OF PATROLMAN  
Baldwin moved to table this matter until such a time as the police protection questionnaire has been completed, returned and tabulated. Seconded by Straub. Ayes Baldwin, Straub, Stromberg, Nays: Hammond, Mitchell and Schaeffer. Tie vote.

8 FISH HATCHERY  
No report. Straub moved to table until November, seconded by Schaeffer. Ayes All.  
**NEW BUSINESS**  
1 POLICE QUESTIONNAIRE  
Baldwin moved that the board send an

advisory questionnaire to all registered voters of Northville township regarding police protection in Northville Township. It is to be mailed, enclosing self-addressed envelopes for return. Extra copies to be available in the township office. The tabulation is to be handled by impartial election inspectors who will be paid their usual rate. Straub seconded. Ayes All. Baldwin moved to have the clerk type up the tentative questionnaire and send it to the board with an agenda for an executive meeting on Wednesday, October 13 wherein the questionnaire could be finalized. Seconded by Mitchell. Ayes All.

2 WATER & SEWER SINKING FUND  
Baldwin moved to table this report until November, seconded by Straub. Ayes All.

4 GREENSPAN-FINAL PLAT.  
Straub moved to table this until sufficient information is received in order to proceed, seconded by Baldwin. Ayes All.

5 BORON OIL COMPANY, LETTER OF OCTOBER 4  
Ashton read the letter and explained the proposed consent judgment. Baldwin, seconded by Hammond, moved that the attorney be authorized to proceed to draft a proposed consent judgment to bring back for our approval at the next regular meeting along the lines we had discussed with the dismissal of the pending law suit concerning the Five Mile and Haggerty Road operation with prejudice and rezoning of Six Mile and Haggerty Road from B-1 to B-2. Ayes All.

**APPOINTMENTS**  
1 Straub moved that Baldwin be re-appointed to the Planning Commission as the member representing the Township Board for a term of three years, seconded by Hammond. Ayes All.

2 Mitchell moved that Mr. Neil Winters be appointed to a three year term on the Water and Sewer Commission beginning immediately, and that Mr. Ralph Raymond be appointed to a two year term providing that they accept. Seconded by Schaeffer. Ayes All.

**OTHER BUSINESS**  
Mr. Paler asked if a budget plan for payment of water bills had ever been considered by the board. He was advised to go to the water and sewer commission meeting the following evening.  
Schaeffer moved for adjournment at 11:25, seconded by Mitchell. Ayes All.  
Respectfully submitted,  
Eleanor W. Hammond, Clerk

## PROCLAMATION CITY OF NOVI will observe HALLOWEEN saturday, OCTOBER 30th, 1971.

Mabel Ash, City Clerk

### CITY OF NOVI NOTICE OF ENTERING INTO A CONTRACT TO LEASE

TAKE NOTICE that on the 11th day of October, 1971, at a Regular Meeting, the Council of the City of Novi, Oakland County, Michigan, authorized and directed the Mayor and the City Clerk to enter into a contract with Country Cousin Mobile Home Sales for the leasing of one 1972 Model Sylvan Mobile Home No. ST 4132, for use by the Detective Bureau as offices.

Mabel Ash  
City Clerk

10-14

Martha M. Milne  
City Clerk

## ORDINANCE NO. 71-47

AN ORDINANCE TO PROVIDE FOR THE ISSUANCE OF SPECIAL ASSESSMENT BONDS TO DEFRAY PART OF THE COST OF STREET IMPROVEMENTS IN SPECIAL ASSESSMENT DISTRICT NO. 16, AND PROVIDING FOR OTHER MATTERS RELATIVE TO SAID BONDS AND THE SECURITY THEREOF.

### PREAMBLE

WHEREAS, a Special Assessment Roll No. 16 for the purpose of certain street improvements has been prepared, reviewed and confirmed by the City Council, and  
WHEREAS, said special assessment roll has been divided into fifteen (15) equal annual installments; and

WHEREAS, the City Council deems it necessary to borrow the sum of One Hundred Thirty-Two thousand (\$132,000.00) Dollars, in anticipation of the collection of the fourteen uncollected installments on said Special Assessment Roll No. 16.

THE CITY OF NOVI, COUNTY OF OAKLAND, STATE OF MICHIGAN, HEREBY ORDAINS:

Section 1. The estimated period of usefulness of said special assessment street improvement is not less than fifteen (15) years.

Section 2. Special Assessment Bonds be issued in the amount of \$132,000.00, in anticipation of the collection of the fourteen uncollected installments of Special Assessment Roll No. 16.

In addition to the special assessments pledged primarily as aforesaid, the full faith, credit and resources of the City of Novi shall be pledged secondarily for the prompt payment of the principal and interest on said bonds as the same become due. Said bonds shall be designated SPECIAL ASSESSMENT BONDS (District No. 16), and shall consist of twenty-eight (28) bonds, two (2) bonds of the denomination of \$1,000.00 each, and twenty-six (26) bonds of the denomination of \$5,000.00 each, numbered consecutively in direct order of maturity from 1 upwards, dated September 1, 1971, and payable serially, without option of prior redemption, as follows:

\$2,000.00 September 1, 1972;

\$10,000.00 September 1st of each year from 1973 to 1985, inclusive.

Section 3. Said bonds shall bear interest at a rate or rates to be determined at public sale but not exceeding eight per cent (8 per cent) per annum, payable September 1, 1972, and semi-annually thereafter on the first day of March and September of each year. Both principal and interest shall be payable at a bank or trust company qualified to act as paying agent, to be designated by the original purchaser of the bonds.

Section 4. Said bonds shall be signed in the name of said City by its Mayor and countersigned by its City Clerk, and shall bear the City seal, and the interest coupons annexed thereto shall bear the facsimile signatures of said Mayor and City Clerk, and said bonds, when executed, shall be delivered to the City Treasurer and be delivered by her to the purchaser thereof upon payment of the purchase price thereof, in accordance with the bid therefor, when accepted.

Section 5. All collections of principal and interest on the aforesaid special assessment roll shall be accounted for separately on the books of the City and shall be held, together with any premium and the accrued interest thereon paid on date of delivery thereof, for the sole purpose of retiring, when due, the principal of and interest on said special assessment bonds. In addition, the City shall levy annually, without limitation as to rate or amount, as a part of its general ad valorem taxes, such sums as may be necessary to retire, when due, the principal of and interest on said special assessment bonds, should collections of the special assessments pledged for that purpose prove insufficient. All debt service funds shall be accounted for as provided in Act 202, Public Acts of Michigan, 1943, as amended.

Section 6. Said bonds and the attached coupons shall be in substantially the following form.

UNITED STATES OF AMERICA  
STATE OF MICHIGAN  
COUNTY OF OAKLAND  
CITY OF NOVI  
SPECIAL ASSESSMENT BOND  
(District No. 16)

No. .... \$.....  
KNOW ALL MEN BY THESE PRESENTS that the CITY OF NOVI, County of Oakland, State of Michigan, acknowledges itself to owe and, for value received, hereby promises to pay to bearer the sum of

..... THOUSAND DOLLARS

lawful money of the United States of America, on the first day of September, A.D., 19...., with interest thereon from the date hereof until paid at the rate of ..... per cent (..... percent) per annum, payable on September 1, 1972, and semi-annually thereafter on the first day of March and September of each year, on presentation and surrender of the annexed interest coupons as they severally become due. Both principal of and interest on this bond are payable at ..... and for the prompt payment of this bond, both principal and interest, the full faith and credit of the City of Novi are hereby irrevocably pledged.

This bond is one of a series of twenty-eight (28) bonds of even date and like tenor, except as to denomination and date of maturity, ..... non-callable prior to maturity, aggregating the principal sum of \$132,000.00, issued to finance a part of the cost of paving improvements in Special Assessment District No. 16 in the City of Novi, and is issued in accordance with a resolution duly adopted by the City Council of the City of Novi on ..... 1971.

This bond is payable out of special assessments to be collected on the aforesaid special assessment roll. In case of insufficiency of said special assessment collections, this bond is payable out of the general funds of the City, and it is hereby certified and recited that all acts, conditions and things required by law, precedent to and in the issuance of this bond, and the series of bonds of which this is one, have been done, exist and have happened in regular and due time and form as required by law, and that the total indebtedness of said City, including this bond, does not exceed any constitutional, statutory or charter debt limitation.

IN WITNESS WHEREOF, the CITY OF NOVI, County of Oakland, State of Michigan, by its City Council, has caused this bond to be signed in the name of said City by its Mayor and to be countersigned by its City Clerk and its corporate seal to be hereunto affixed, and has caused the annexed interest coupons to be executed with the facsimile signatures of said Mayor and City Clerk, all as of the first day of September, A.D., 1971.

CITY OF NOVI  
Mayor

(Seal)  
Countersigned:  
City Clerk

(Form of Coupon)  
No. .... \$.....  
On the first day of ....., A.D., 19...., the CITY OF NOVI, County of Oakland, State of Michigan, will pay to bearer hereof the sum shown hereon at ....., being the interest due that date on its Special Assessment Bond (District No. 16), dated September 1, 1971, No  
..... City Clerk  
..... Mayor

Section 7. The City Clerk shall make application to the Municipal Finance Commission for an order granting permission for the issuance of said bond and approval of the form of notice of sale, and upon receipt of such approval, the City Clerk shall cause notice of sale of said bonds to be published in the Michigan Investor, Detroit, Michigan, and in The Northville Record, a legal newspaper circulated in the City of Novi, at least seven (7) full days before the date fixed for sale of the bonds.

Section 8. Said notice of sale shall be in substantially the following form:

OFFICIAL NOTICE OF SALE  
\$132,000.00  
CITY OF NOVI  
COUNTY OF OAKLAND, MICHIGAN  
SPECIAL ASSESSMENT BONDS  
(District No. 16)

Sealed bids for purchase of the above bonds will be received by the undersigned at the Community Building, 25850 Novi Road, Novi, Michigan 48050, until ..... o'clock p.m., Eastern Standard Time, on ....., the ..... day of ....., 1971, at which time and place said bids will be publicly opened and read.

Said bonds will be coupon bonds consisting of twenty-eight (28) bonds, two (2) bonds of the denomination of \$1,000.00 each, and twenty-six (26) bonds of the denomination of \$5,000.00 each, numbered consecutively in direct order of maturity from 1 upwards, will be dated September 1, 1971, and will mature serially, without option of prior redemption, as follows:

\$2,000.00 September 1, 1972;

\$10,000.00 September 1st of each year from 1973 to 1985, inclusive.

Said bonds will bear interest from their date at a rate or rates not exceeding eight per cent (8 per cent) per annum, expressed in multiples of one-eighth or one-twentieth of one per cent, or any combination thereof. Said interest will be payable on September 1, 1972, and semi-annually thereafter on March 1st and September 1st of each year. The interest rate on any one bond shall be at one rate only and all bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. Both principal and interest will be payable at a bank or trust company qualified to act as paying agent, to be designated by the original purchaser of the bonds. Accrued interest to date of delivery of such bonds must be paid by the purchaser at the time of delivery. No bond of this issue may bear interest at a rate which is less than 50 per cent of the rate borne by any other bond of this issue.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from (here insert the first day of the month next following the date of receiving bids or the date of the bonds, whichever is later) to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the City. No proposal for the purchase of less than all of the bonds herein offered, or at a price less than their par value, will be considered.

The bonds are issued in anticipation of the collection of deferred installments of special assessments on Special Assessment Roll No. 16 of the City, and in addition to the special assessments, will pledge the full faith and credit of the City for their payment. The bonds are to be issued to defray part of the cost of street improvements in the City of Novi.

A certified or cashier's check in the amount of \$2,640.00, drawn upon an incorporated bank or trust company, payable to the order of the City Treasurer of the City of Novi, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, approving the legality of the bonds, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof and will be printed on each bond. There will also be furnished the usual closing certificates, dated as of the date of delivery of and payment for the bonds, including a statement that there is no litigation pending or, to the knowledge of the signers thereof, threatened, affecting the validity of the bonds. The City shall furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at Detroit, Michigan, or such other place as may be agreed upon with the purchaser.

The right is reserved to reject any or all bids.  
Said bonds will be delivered within forty-five (45) days from the date of sale and if said bonds are not delivered by twelve o'clock noon, Eastern Standard Time, on the forty-fifth day from the date of sale, the successful bidder may withdraw his proposal by serving notice of cancellation in writing on the undersigned in which event the good faith check shall be promptly returned.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

APPROVED:  
STATE OF MICHIGAN  
MUNICIPAL FINANCE COMMISSION

Section 9. All ordinances, resolutions or orders or parts thereof in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

Section 10. Should any section, clause or provision of this Ordinance be declared by any court of competent jurisdiction to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

Section 11. This Ordinance shall be published, in full, promptly after final enactment and shall take effect immediately upon such publication and shall be recorded as provided by the City Charter.

ORDINANCE DECLARED ADOPTED.

JOSEPH CRUPI, MAYOR  
MABEL ASH, CLERK

## ELECTION NOTICE

To the qualified electors of the City of Northville, Counties of Wayne and Oakland:

Notice is hereby given that a Regular Municipal Election will be held in the City of Northville in the Counties of Wayne and Oakland, State of Michigan

ON

## TUESDAY, NOV. 2, 1971

from 7:00 A.M. until 8:00 P.M. EST for the purpose of electing candidates for the following offices:

**MAYOR (2 year term) 1 to be elected.**

**COUNCILMAN (4 year term) 2 to be elected.**

and to vote on the following charter amendments: -  
**Proposal A - ELECTIVE OFFICERS AND TERMS OF OFFICE.**

Shall Section 3.5 of Chapter 3 of the City Charter be amended to eliminate the direct election of Mayor by the voters, and to provide for the manner of Election of the District Judge. The Elective Officers shall be five Councilmen, two to be elected at each Regular City Election for a term of four years and one to be elected for a term of two years, and the District Judge, a State officer, to be elected pursuant to the provisions of the applicable state statute.

**Proposal B - ELECTION OF MAYOR AND MAYOR PRO TEM**

Shall Section 4.4 of Chapter 4 of the City Charter be amended to provide for the election of a Mayor and Mayor Pro Tem by the Council at its first regular meeting following each City Election. The terms of these offices to commence on the Monday next following the date of canvassing of such Election.

**Proposal C - ADMINISTRATIVE SERVICE**

Shall Section 4.6 of Chapter 4 of the City Charter be amended to:

(1) Establish the Office of City Manager, together with the Powers, Duties and Responsibilities of same.

**Proposal D - TAXATION**

Shall Section 9.16 of the City Charter be amended to provide that at the time City taxes become delinquent that there shall be added thereto a collection fee of 2 percent and that interest on said delinquent taxes shall be charged by the City at the rate of one-half of one per cent per month from date of delinquency until payment or the turning over of the tax roll to the county for collection.

**Proposal E - BORROWING POWER**

Grant of Authority to Borrow:

Shall Section 10.1, sub-paragraph (E) and (F) of Chapter 10 of the City Charter be amended to provide that interest to be paid by the City on mortgage and other bonds shall not be greater than that permitted under state statutes dealing with the maximum interest rate that Cities may pay on these obligations.

**Proposal F - SPECIAL ASSESSMENT**

Shall Chapter 11 of the Charter of the City of Northville dealing with Special Assessments be amended to provide a revised Chapter 11 continuing the power of the City Council to levy special assessments and providing that the City Council is required to prescribe by ordinance the complete special assessment procedure, including the preparing of plans and specifications, estimated costs, preparation and hearing and correction of the special assessment roll, collection of said special assessment, the assessment of single lots, or parcels and any other matters concerning the making of special assessments permitted under state statute.

**Proposal G - JUDICIAL SYSTEM (Chapter 15)**

Shall Chapter 15 of the Charter of the City of Northville be amended by the substitution thereof of a new Chapter 16 acknowledging that the City's judicial system is a part of the 35th Judicial District Court and reserving to the City the right to establish its own district court, or other judicial system as would be permitted by subsequent state legislation?

Martha M. Milne  
Northville City Clerk

October 9, 1971

## Accident Rate Up In City

Eleven persons were injured in 19 accidents during September in the City of Northville. During the same month in 1970, four persons were injured in 12 accidents.

The figures were recently released in the City Police Department's monthly report.

To date, police have investigated 115 accidents in which 50 persons have been hurt, compared to last year when 154 accidents occurred through September, injuring 68 persons.

Police issued 237 traffic and 360 parking tickets last month, compared to 129 traffic and 108 parking violations written in September, 1970.

Last month city police received 464 calls, bringing the total calls to 4,444 for the first nine months of the year. In 1970, 439 calls were received in September, bringing the total to 3,689.

Four assault and battery cases and one assault with intent to maim were investigated last month. In the same month the previous year, one assault and battery was reported.

In crimes against property, police investigated one attempted auto theft last month, one case of taking an auto without permission but without intent to steal and one break-in of an occupied dwelling.

During September, 1970, one case of car theft was investigated and 11 break-ins were reported.

Two thefts from buildings were reported last month, down from three in September, 1970, thefts from motor vehicles four cases, up from three; vandalism, 11 cases, up from 10, and bicycle thefts, three reports during each month.

Police arrested two persons for disorderly conduct last month, compared to one arrest on the same charge in September, 1970; drunkenness, three compared to five; minors in possession of alcohol, eight compared to one; and drunken driving, five compared to three.

City police also investigated two family trouble complaints last month, treated two injured persons, investigated three complaints of suspicious persons, arrested eight persons on warrants held by other police departments and arrested seven persons on warrants issued by the local force.

Police investigated 15 cases involving juveniles last month and made 18 arrests. During September, 1970, seven cases involving juveniles were reported.

Six arrests were made for traffic offenses while 12 juveniles were charged with non-traffic offenses. Arrests included arson, three youths; possession of stolen property, one; disorderly conduct, two; vandalism, one; weapons, three; curfew violation, one; and runaway, one.

Nine cases were handled within the department and nine youths were referred to juvenile authorities.

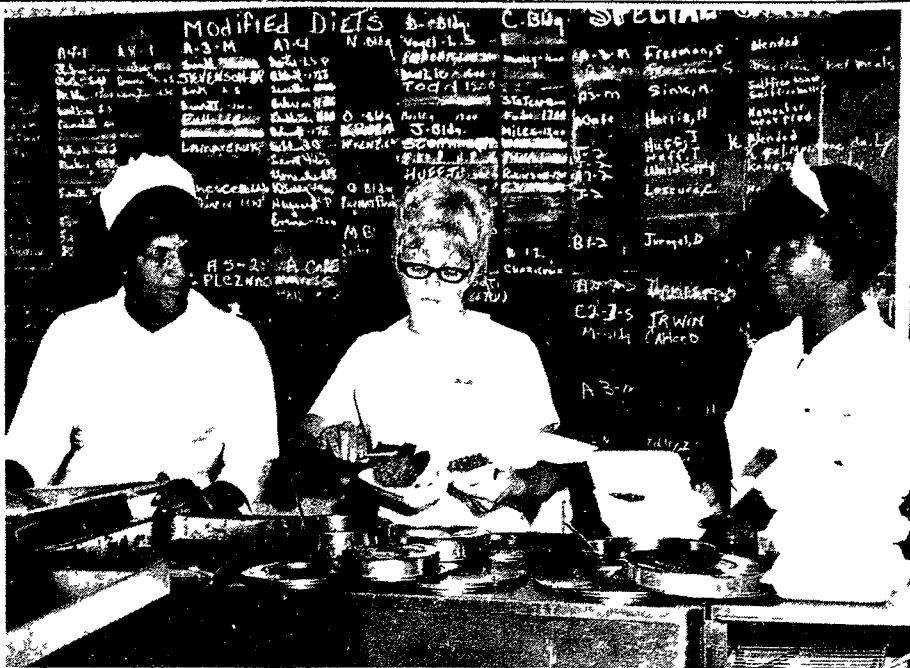

A total of 14 fires were fought during September, up from nine reported in September, 1970. To date, 153 fires have been reported during the first nine months of the year, up from the 123 reported through September last year.

## Legal Notice

STATE OF MICHIGAN  
PROBATE COURT FOR THE  
COUNTY OF WAYNE

Estate of ADALINE SPALDING KNAPP, Deceased.  
It is ordered that on October 27, 1971 at 10 a.m. in the Probate Court room, 1211 Detroit, Michigan a hearing be held on the petition of Donald B. Severance, executor, for allowance of his first and final account, for fees and for assignment of residue.  
Publication and service shall be made as provided by statute and Court rule.  
Dated September 28, 1971  
FRANK S. SZYMANSKI  
Judge of Probate

Donald B. Severance  
Attorney for Estate  
392 Fairbrook Ct.  
Northville, Michigan 48167  
10-7, 14, 21

**VOLUNTEER HELP**—Mrs. Jean Bachelder, volunteer service director at Northville State Hospital (center), gets in some first-hand experience on the cafeteria line. The volunteer program at the hospital provides on-the-job training for the volunteer while providing valuable assistance to the hospital and its patients. Persons interested in the program are invited to call the hospital at 349-1800.

## Youth Drama Salutes Church Anniversary

A chancel drama, "Time Between the Times," with a contemporary Holy Communion folk liturgy, will be presented by members of St. Paul's youth groups at the 8 and 10:30 a.m. worship services on Sunday, October 17. The services mark the third festival Sunday in the month-long series of festivals commemorating the founding of St. Paul's Lutheran Church in Northville 75 years ago.

The drama's underlying

theme is "Blessed to Serve," the theme the church has chosen as its 75th Anniversary theme.

Approximately 12 members from the St. Paul youth groups will present the drama which replaces the sermon address, the Reverend Charles Boerger, pastor, explained.

"The liturgy setting is very 20th Century, featuring contemporary words to all segments of the high service set to popular folk tunes and

involves active participation of the congregation," Mr. Boerger said. The hymns will also be contemporary.

Liturgists for the Youth Sunday services will be Mr. Boerger and Wayne Loontjer, youth director of St. Paul's. Assisting Loontjer and the congregation will be a combo of four guitars and drums from St. Paul's Lutheran Church in Farmington, under the direction of Roger Mailand.

## Protest Busing Policy

Continued from Page 1  
The Novi News

authorized the superintendent to withhold payments to the firms of Evans, Osgood, and Gold Star, as well as the district's architect. The latter concerns work in planning for a bus garage, which board members believe may represent an overpayment. The other payment withholdings were authorized because of late or incomplete construction work.

—Received word that the district's Title I program, taught by Gloria Crawford, has been approved in the amount of \$12,169.

—Tabled approval of a contract with district secretaries pending review by the school district's attorney, Frederick Knauer.

—Heard Dale, responding to a student's question, report that a home and family living textbook, in use for the past three years, was withdrawn at his request "because I know (it) would not satisfy the board of education." No reasons for its withdrawal were given, however, and Dale was asked to make a report later to the board.

—Approved the retention of Janz and Knight for auditing the budget and of Attorney Knauer as the district's legal advisor. Knauer is to be paid \$3,000 annually plus expenses.

—Directed the architect (President Henderson voted no because he felt the action might delay completion) to proceed with work specifying installation of Futuristic Roofing on the middle school gymnasium as per the contract.

—Heard student comments relative to proposals for an established Earth Day program each spring and concerning a board suggestion that a junior board of education be formed.

—Directed the superintendent to look into the residency requirements, tuition, etc. as they pertain to 18-year-olds who now have, under newly enacted law, adult status. Specifically, Henderson voice concern that

"kick-out" students from other districts might take up

residency in Novi and demand admission to the school system.

## Piano Workshop Set at College

Schoolcraft College will conduct a piano workshop for teachers of the area featuring Mrs. Marian Stickles, education consultant for the Frances Clark Library for Piano Teachers.

The workshop will consist of six "seminars for progressive piano teachers" to be held on six Monday mornings from 9 to 12 beginning October 18. Mrs. Stickles is a certified teacher with the Michigan Music Teachers Association. She has studied with Frances Clark and has been personally selected by her to serve as educational consultant for this area.

Highlight of the seminars will be action-packed teaching films made at the new school for music study at

Princeton. They show a class of young beginners progressing through the first year of piano study and demonstrate an approach to piano education that builds complete musicianship from the start. Also included will be films of intermediate and advanced students so that teachers can hear and see the long-range benefits of this program of total musical growth.

The cost for the seminar is \$35 and registration will be held from 8:30 to 9 a.m., October 18 in the Liberal Arts Little Theatre on the Schoolcraft campus. Additional information is available from Donald Morelock of the Schoolcraft Music Department, 591-6400, extension 312.

## \$75,000 Pledged In Church Drive

Over \$75,000 has been pledged in the Northville United Methodist Building Fund campaign which began Sunday.

The fund, a three-year campaign covering 1972-75, involves 75 workers and is set up to meet the mortgage requirements of the new church for the next three years, the Reverend G. C. Branstner explained.

The campaign will continue through the next 10 days. Combined with the building fund program is the 1972 budget for the general use of

the church locally and abroad, Mr. Branstner said. Nearly \$25,000 of the \$55,000 needed has been pledged.

"Campaign workers are enthusiastic about the generous and sacrificial giving of many of the members and friends of the church. As one remarked, 'There seems to be no freeze on giving,'" Mr. Branstner commented.

## Out of the Past

# OLV Breaks Ground

Five Years Ago...

...A unique development including a retirement village with housing for the elderly in conjunction with a nursing home, doctor's clinic, laboratory and professional offices was the latest proposal by Dr. Waldemar E. Gizynski for a 58-acre site on Seven Mile Road at Marilyn in Northville Township.

...Detroit water was released to city lines, thus ending Northville's long history of providing its own water.

...Northville kicked up its heels to win a 9-7 victory over Holly.

...School administrators in Northville prepared to pinpoint one or two possible school site locations southeast of Bradner and Six Mile roads.

...Wixom's application for federal funds to help finance proposed sewer construction, long bogged down in red tape, neared a decision stage as federal officials prepared to decide whether or not the request deserved further study.

...Fresh from sampling preliminary sewer cost figures, Novi village officials planned to join Walled Lake and the county department of public works in wrestling with the federal government for federal aid.

...Novi's name was scratched from a list of seven communities under fire by the State Water Resources Commission for pollution. Village Manager Harold Ackley expressed a hope that Novi was "scratched" because "they know we're doing all we can to correct the situation."

15 Years Ago...

...The City of Northville took separate steps against two separation legal actions brought by Novi Township in hopes of keeping part of its territory from annexing to the city.

...Jack Taggart, 30, was injured critically when his car smashed into a tree at the corner of Northville and Six Mile roads.

...The newly-formed Northville Junior Chamber of Commerce (Jaycees) were scheduled to hold another organizational meeting and to elect temporary officers.

...Ground was broken for a new school for retarded girls, to be known as St. Mary of Providence, on Beck Road between Phoenix and Six Mile roads.

The Novi Township Zoning Board prepared to consider a zoning change that would permit the establishment of a multi-million dollar race track and sports plaza on a tract of land north of Grand River between Meadowbrook and Seelye roads.

...Petitions for paving a number of Willowbrook Village streets were found incomplete by Supervisor Frazer Staman in Novi.

Named new minister at the Novi and Brighton Methodist churches was the Reverend George Nevin.

...A new 4-H club, to be known as Ivon Novi, was formed in Novi and Launa Darnell was elected its first president.

...Another lane was added to the new Brighton-Farmington expressway (I-96). Both lanes then reached from Farmington to Novi Road where bridge construction was going ahead steadily.

20 Years Ago...

...It was house moving day in Northville for Mr. and Mrs. Jack Blackburn and family of East Main Street as their 73-year old two story house was moved from its foundation to 456 Orchard Drive. Four generations of the Blackburn

family had lived in the home since it was erected next door to the Presbyterian Church.

...Wide new vistas were in store for David Lee, 17, as he prepared to leave for Europe on a trip sponsored by the Northville Rotary Club.

...Hinman School District prepared to vote on the question of annexing to the Northville School District. Meanwhile, final approval of the annexation of the Waterford and DeKay districts hinged on the vote of citizens of the Northville District.

...For the second time in nearly two weeks, a truck driver narrowly escaped death when a Chesapeake and Ohio locomotive struck the rear end of the trailer on Novi Road.

...Taxpayers of Wayne County prepared to vote in a special election on two propositions dealing with acquiring and constructing additions and improvements to the Detroit Wayne Major airport.

...Ground breaking ceremonies were held at Our Lady of Victory for a new parish school. Principals in the groundbreaking ceremonies were Northville Mayor Conrad E. Langfield, Father Lorenzo E. Woods and Architect Charles Hanna.

...Kroger store in Northville was offering a Dollar Days special of smoked ham for 53-cents a pound.

30 Years Ago...

...Meadowbrook Country Club's pro, Ernie Shave, teamed up with club president, Roy T. Mitchell, in the pro-president tournament.

...The Warren Products company of Warren purchased the former condensery property on Base Line near the P.M. railroad crossing. It was formerly occupied by the Tomdon company. R. T. Martin was president of the new firm, and his brother, Frank J. Martin, was to be in charge.

...Contrary to its name, Ye Olde Meat Market, formerly Hills Market, the business boasted modern equipment and choice cuts for thrifty homemakers. George E. Hills and A. C. Balen were co-proprietors of the market, oldest meat house in the village.

...Among the blue ribbon prize winners at the Northville Wayne County Fair were:

...Dorothy Perry, Mrs. Henry Hills, Fred Foreman, W. A. Foreman, Lewis Foreman, Roy E. Horton, C. D. Finkbuner, J. M. Eager, Bruce Alber, George Schafer, Jack VanGreson, C. B. Longley, Dudley Scott, Wilbur

Vander Kolk, James Brocklehurst, Ivan Campbell, and Gordon Vetal.

...Wolf's Market in Northville was offering fresh ground beef at 17-cents a pound, sliced bacon at 10-cents a pound, coffee at 27-cents a pound, and Kool-Aid at three packages for 10-cents.

...Petz Brothers was offering the new 1942 Studebakers featuring the sensational Turbo-matic Drive.

40 Years Ago...

...Frank P. Raineri, Novi restaurant man, was struck and killed by lightning in the backyard of the restaurant owned by his sons at 115 Grand River.

...The Reverend William Richards, pastor of the Northville Methodist Church for nine years, was reassigned to Belleville. His replacement was the Reverend Frank Miner, who previously was pastor at Belleville.

...Russell Atchison, son of Dr. and Mrs. R. E. Atchison, completed his four-year literary course at the University of Michigan in

three years and was preparing to begin his medical training.

...The Globe Furniture and Manufacturing Company, one of Northville's widely known businesses, closed its doors and a petition for voluntary bankruptcy was filed. The company had its origin in 1873 in the small general foundry of Charles G. Harrington, who manufactured buzz saws, horse collars, etc.

An order for school desks for the Northville Union School gave F. R. Beal, hardware merchant, the idea that the small foundry could be made into a furniture factory and he interested several businessmen in persuading Harrington to organize the Michigan School Furniture Company. Eventually it was enlarged to fill orders for church furniture.

In 1898 a deal was made for the sale of the business to the American Furniture Company and the refrigerator plant was taken by the Globe Furniture Company, Ltd., which Robert Yerkes formed.

## College Offers Geology Class

"The environmental problems of today are so complicated that a mere awareness is no longer a guarantee of their solution."

The speaker is geologist Charles Miller, a part-time instructor at Schoolcraft College and the teacher of a new class in environmental geology starting at the College today (Thursday).

A community services short course, the class is open to all who are interested in studying the relationship of geology to

the many environmental problems facing us today. It will meet from 7-9 p.m. Thursday evenings.

According to Miller, an attempt will be made to examine environmental problems as unemotionally and objectively as possible.

Total cost for the course which will meet nine times is \$10. Registration can be completed by calling the director of community services at 591-6400, extension 264.

## Mall Plans Celebration

Livonia Mall will celebrate its seventh anniversary Thursday, Friday and Saturday with a variety of entertainment for visitors to the Seven Mile-Middlebelt shopping center.

Included in the wide variety of acts for persons of all ages will be: an astrologist reading horoscopes and performing hypnosis, ESP and mind-reading daily from noon until 9 p.m., palm-reading, a ventriloquist, a magician, a Dixie jazz band, an organist, a honky tonk combo featuring a banjo player, dune buggies, a caricaturist and a potter.

## Chamber Elects 4

The Northville Community Chamber of Commerce was scheduled to meet Wednesday noon (October 13) to elect officers for the coming year following the organization's annual meeting at Thunderbird Inn last week.

As part of its annual meeting agenda the Chamber membership elected the following board members: three year terms—David Biery, Arthur Jahn and Les Bowden; one year term—William Slinger.

A review of activities of the current session of the state legislature was presented by State Senator Carl Pursell at the Chamber's annual dinner meeting with particular emphasis on the problem of the loss of industry throughout the area.

President Arthur Jahn presided at the session with reports being made by Treasurer John Carlo and Secretary Margaret Zayt.

# Police Blotter

## In Northville

An 18-year-old Northville youth told police his car was shot at early Saturday morning at Seven Mile and South Center Street.

According to reports, the youth said a car approached him about 2 a.m. while he was waiting for a green light. He said he saw a rifle sticking out of the vehicle and heard a shot fired.

Forty-five minutes later Plymouth police stopped a car matching the youth's description of the vehicle he saw. Investigating officers from Northville and Plymouth checked the car but reported no shells were found and there were no traces of gun powder.

Police said the windshield of the youth's car had a small crack in it which could have been made by bullets.

City police have filed charges in Wayne County Probate Court against two 16-year-old boys from Detroit. The youths have been charged with breaking and entering an occupied dwelling.

According to police reports, the two allegedly broke into a home at 121 North Wing Street on September 13. Missing from the home are power tools and a color television. A 17-year-old Detroit youth will face examination on charges stemming from the same break-in today (Thursday) before 35th District Court Judge Dunbar Davis.

Northville Marathon service station reported a plate glass window was damaged by pellets from a BB gun. Cost of the damage, which occurred between October 3 and 4, is estimated at \$200.

Donald A. Lancaster has been hired as a patrolman by the city police department. A resident of Northville, Lancaster has been on the auxiliary force since 1970.

**FIRE CALLS**  
October 10 — 7:36 p.m., 215 Hill Street, shack burning

**COURT NEWS**  
A Saginaw man, Robert C. Schulz, has been placed on

two years' probation and ordered to pay \$330 costs. Schulz, arrested July 3 by township police, pled guilty to a charge of possession of narcotics.

He was sentenced last Thursday before Wayne County Circuit Court Judge Charles Kaufmann.

In 35th District Court on October 5, two men pled guilty to added charges of driving while ability impaired and were each fined \$104 and placed on one year probation.

They are John O. Duncan of Detroit, arrested September 17 by city police, and Merle A. Anderson of 614 Baseline, arrested September 9 by city police.

Charges of driving under the influence of alcohol were dismissed against the two after they pled guilty to the added charges. Both appeared before Judge Dunbar Davis.

Contributing to a minor (beer) resulted in a \$104 fine and two years' probation for James G. Anderson of Westland.

Anderson, who pled guilty to the charge, was arrested September 14 by city police.

A Milford man, Charles K. Smith, was sentenced to 20 days in Detroit House of Correction after he pled guilty to charges of drunkenness. Smith was arrested October 4 by city police.

Fergus D. Costello of Detroit was fined \$49 for violating a stop sign. He was ticketed September 22 by city police following an accident.

Excessive noise resulted in a \$39 fine for Peter G. Butterworth of 278 Sherrie Lane. Butterworth, who pled guilty to the charge, was ticketed September 7 by city police.

A Detroit man, Guy J. Robinson, found guilty of careless use of firearms, was fined \$24. Robinson was arrested September 2 by township police.

Audie T. Sanderson of Westland was placed on two

days' voluntary work detail after he pled guilty to minor in possession of alcoholic beverages.

Following pre-sentence investigations, cases against three youths for minor in possession of alcoholic beverages were closed.

Michael L. Schuler of Swartz Creek was placed on six months' voluntary probation while Michael Marinelli of Walled Lake and James E. Stewart of Detroit were each placed on two days' voluntary work detail.

Schuler was arrested by city police July 30 while Marinelli and Stewart were arrested August 14.

## In Township

An Ypsilanti girl, Linda J. Hartman, was taken to St. Mary hospital for x-rays following an accident October 6 on Northville Road just north of Five Mile.

According to police, Miss Hartman's northbound vehicle crossed the center line and struck a car driven by Robert A. Harrison of 18280 Shadbrook. The accident occurred at 10:50 p.m.

Township police are continuing to investigate a break-in at 41827 Banbury in which a man's ring, flight bag and coin collection were taken. The break-in occurred the evening of September 30.

Township Police Chief Ron Nisun reminds persons who have explosives in their possession that permits to keep explosives may be obtained from the police department. Permits are available for \$1 and may be obtained weekdays between 9 a.m. and 5 p.m.

## In Novi

Police reported three cases of run-aways in Novi during the past week. Involved were two 15 year old girls and a 14 year old boy.

According to police reports, none of the run-aways was connected with the other, but in each case narcotics, ranging from marijuana to heroin, were known to be used by the run-away.

A snowmobile stolen from Robert Browning of West Bloomfield Township was recovered by Novi Police last week.

Responding to an anonymous tip, police went to the home of a Novi man to question him about his snowmobile.

According to the man, he had purchased the machine from a man in a bar at the corner of Middlebelt and Twelve Mile Road.

A check of the registration numbers revealed that the machine was the one stolen from Browning. Police confiscated the snowmobile and notified Browning of its recovery.

**FINNISH CENTER AWARDS**—Setting a serious mood, these three young Northville residents (l to r, Mark Mannisto, Verna Erickson, and Elisa Mannisto), are among hundreds of other members of the Finnish Center Association who are making preparations for an awards and scholarship program this month. Selection of candidates is to be based on merit and need, with the first awards to be presented at a scholarship dinner at the Dearborn Inn on October 22 following a 7 p.m. dinner. The program will feature, in addition to the awards presentation, the Finlandia Strings, Scandinavian Symphony Ensemble, and a humorous talk by Alan Olsen. Dinner ticket reservations may be made through Sanfrid Dixon of Northville, 349-5441.

## Wixom VFW Plans Dance

Plans have been completed for the annual Halloween Dance put on by the Wixom V.F.W.

This year's festivities will be held on Saturday, October 23, from 9 p.m. to 1 a.m. at the Post Home at 2652 Loon Lake Road in Wixom.

Music for dancing will be provided by John Pomann and his orchestra. Dance chairman Art Cronin has announced that prizes will be given for best costumes, but added that people do not need to be costumed to attend.

All refreshments are included in the admission price of \$12 per couple.

## Ford Names

### Winemaster

William D. Winemaster, of 916 Novi Avenue, has been appointed general sales manager of Ford Motor Company's Industrial Engine and Turbine Operations. Mr. Winemaster was previously new account development manager.

The appointment was announced by Henry G. Bleeker, general sales and marketing manager for Industrial Engine and Turbine Operations.

## In Uniform

Ft. Knox, Ky.—Army Private George D. Visnofsky, 18, son of Mr. and Mrs. George Visnofsky, 1200 E. Lake Drive, recently completed eight weeks of basic training at the U. S. Army Training Center, Armor, Ft. Knox, Kentucky.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and tradition.

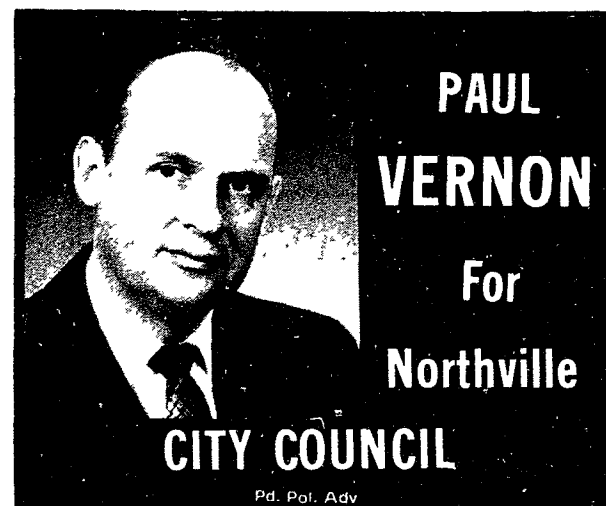

Ft. Sill, Okla.—Army Private First Class John R. Bowen, 18, son of Mr. and Mrs. Robert L. Bowen, 340 S. Rogers Street, recently was promoted to his present rank upon completion of the eight-week basic field artillery (cannoneer) course at the U. S. Army Field Artillery Training Center, Ft. Sill, Oklahoma.

During the course, he learned the duties of a Howitzer or gun section crewman.

PFC Bowen entered the army in May 1971 and completed basic training at Ft. Knox, Kentucky.

## WANTED: MOTHERS, HOUSEWIVES,

## Jaycees Prepare Haunted Houses

Northville's Jaycees are planning a haunted house.

Featuring creaking doors, coffins, bats, and other remembrances of Halloween, the house will be located on Nine Mile Road east of Novi Road.

The house will be open from October 22 to 30. Hours from Monday through Friday will be 6 p.m. to 9 p.m. On Saturday and Sunday, the house will be open from noon until 9 p.m.

Novi's Jaycees are preparing a special "Haunted House" for Halloween this year.

Located on Novi Road between Nine and Ten Mile Roads, the house will be open October 23-24 and 27-31. Admission is 25 cents.

On Saturdays (October 23 and 30) the house will be open from 1 p.m. to 8 p.m. Sunday, October 24, it will be open from 4 p.m. to 8 p.m.

Wednesday, Thursday, and Friday, October 27-29, the house will open at 6 p.m. and close at 8:30 p.m. On Halloween Day itself, Sunday, October 31, the house will open at 1 p.m. and close at 5 p.m.

Ghosts and goblins galore. That's what you'll find at the Walled Lake area Jaycette's

## Haunted House this year.

Located at 310 Wixom Road in Wixom, across from the Elementary School, the house will be open October 22-24 and 27-30 from 5 p.m. until 10 p.m.

Admission is 25 cents. Group tours will be given October 27 from 6 p.m. to 10 p.m. Reservations for group tours may be made by calling 624-3838 or 624-3571 before October 20.

*News from the Castle*  
(across from the Palace, that is...)

Ma & Pa McAllister take pleasure in announcing new hours for your interior decorating projects. Dawn & Diann (the red heads, that is) will be on deck Thursday 9:30 — 5:30 and evenings by appointment.

They will cheerfully arouse your curiosity with fresh, unique McAllister ideas.

They can charm you with the most unique selection of wallpapers and fabrics in the area.

They can schedule a trip for you to Grand Rapids and view furniture show places and accessories like you have never seen before! These gals know — they are McAllister trained, "and you sees what you get baby"

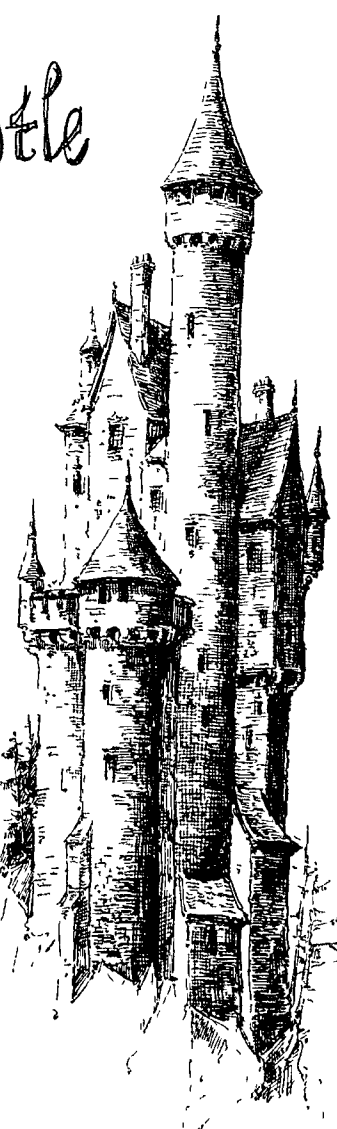

Dawn received her award from Chicago and was previously associated with Tyndes of Ypsilanti.

Diann has been associated with Ma and Pa for 2 years now and there are times she even tells us what to do!

So if you are about to "Flip" over a decorating project — "Don't be a dead-head — Consult and decorate with a red head!"

Studio Hours: 9:30 — 5:30 Mon. thru Fri.  
9:30 — 2:30 Sat.; Evenings by appointment

## SPEAKING for The Record

By BILL SLIGER

Continued from Northville Page One

acquiring any other property within the confines of the two-square-mile area bounded by the highways. There are approximately 400 acres of privately-owned property within the Seven Mile-Eight Mile-Beck-Napier block in addition to the Maybury site.

In his address before the service club Masini noted that the DNR had enjoyed support from many local organizations and individuals in its bid to purchase Maybury from the city of Detroit for park purposes. He estimated that the property may have brought more than \$3 million paid by the state if it had been sold for private housing development.

He pointed to the fact that some 3,000 acres of open space are being developed each hour in this nation's quest to provide housing, commercial and industrial sites.

While emphasizing the importance of preserving natural areas such as Maybury, Masini also recognized the fears harbored by many in conjunction with park activities.

"No minority group will take over a state park facility. We won't tolerate it," Masini declared. He admitted that the state had experienced some problems with "hoodlums and drugs," but he declared that such situations had been brought under strict control.

While timetables have not yet been developed for the Northville park, Masini said that the DNR take-over of the property would be completed very soon. He said one of the first items of business will be the security of the property, which will include total fencing and on-the-site guards.

Next will come the total demolition of all buildings, excluding houses which will be used for staff homes.

He estimated the cost of demolition at \$500,000. Total cost of development was set at \$7 million.

These other statements by Masini reveal the magnitude of the Northville state park:

— There will be at least 100 employees including naturalists, physical education instructors, maintenance and security personnel;

— The park will be a "year-around" facility;

— a major fieldhouse will cover some four acres and cost \$5 million;

— there will be 30 acres of picnic area, a 75-acre par-three golf course, camping grounds, winter sports facilities, a day camp, a living farm, walking, biking and nature trails, an ice rink, swimming and diving pool, work shops, basketball court, tennis, baseball and softball facilities.

Entrance and exit to the park will be located on Eight Mile road.

Masini was especially enthusiastic about the proposed programs for the aged and handicapped, and the "living farm" where youngsters can see and touch farm animals and observe crop and garden procedures firsthand.

In closing Masini promised DNR cooperation with the community and he called for its help and understanding in return.

Alfred Masini is either a super-salesman or a man who sees in Northville state park a lifelong

dream about to come true.

The latter appears most likely. And a good prediction would be that Masini is going to stick around to see the site that once treated those afflicted with TB restored to a rehabilitation center for those who need a prescription for fun, fresh air, activity and a visit with nature.

★ ★ ★

Action taken Saturday by the Novi city council cannot escape without editorial comment.

Our concern is not with the trouble plaguing the city attorney (see story on Novi page one). Yet, we hasten to point out that the long, capable service provided Novi by its attorney deserves recognition until a lawful determination has been reached.

It is the calling of an unannounced meeting at which official action was taken that concerned us most.

Clearly, this violates State Act 261, adopted in 1968, and dealing with public notices of all meetings of official, elected governmental bodies.

The act states that in the case of special meetings notice must be posted in a public place at least 12 hours prior to the special meeting.

Novi officials have acknowledged that this procedure was not followed.

Legally, therefore, action taken Saturday is not official.

We do not suggest that the Novi council was attempting to hide anything. But we do suggest that in the future that all meetings will be properly posted and announced so that the public and press may attend.

Even though we believe the council should repeat its action to make it all legal, we do heartily commend the council on its choice of an attorney to assist the community.

David Fried has proven his ability as a past member of the Novi board of education and his return to the community in an official capacity should be welcomed by all who remember him.

## Top of The Deck

# 'Honorable' Discharges?

By JACK W. HOFFMAN

Oh, some Pentagon heads are gonna roll and I'm not so certain they shouldn't.

Those of us who have done time in the "old" army like to think that we were a rugged brand of soldier who endured all kinds of torture while the "softies" of the other service branches were wine and dined.

That this wasn't really the case makes no difference. With the passage of time, the rigors of the "old army" become increasingly more rigorous and the soft life of the other branches increasingly softer.

Lately, however, what with the "new army" permitting long hair, mustaches, beer in the barracks, etc., we've been taking quite a beating.

But now the Air Force has done something that gives us some new ammunition.

It's a spanking new regulation that Air Force officials are giving

little public or in-service airing. And for good reason. It very likely could generate some Congressional investigation and put General John D. Ryan, chief of staff, on the hot seat.

A military friend passed along the information, asking that he not be involved for obvious reasons.

Basically, the new regulation is this: Hereafter, Air Force officers and airmen who act up to the point of embarrassing the Air Force may be gently and quietly kicked out of the service and still receive an "honorable" discharge.

In other words, the officer or airman who keeps his nose clean must remain in the service throughout his enlistment to receive an honorable discharge while the bad guy can get the same "honorable" title — and an early release to boot.

And the bad guy can get both without resorting to an offense that might otherwise result in stockade time. Presumably, passing out

## Speaking for Myself

# Study Now, Pay Later?

RONALD JURSA

The issue of so-called "income contingency" or study now, pay later in life types of loans to insure college educations for youth from all walks of life are being discussed widely today. MSU President Wharton speaks as a representative of the Michigan Association of University Presidents in opposing the concept.

## YES...

In evaluating educational loan programs it is important to distinguish between long-term income contingency plans which for the most part are only proposals at this point in time and shorter term loans, such as the National Defense Students Loan Program and the State Guaranteed Loan Program, which have provided supplementary aid to many thousands of students during the past decade.

While several types of income contingency plans have been suggested, the basic concept in each case has been to permit students to borrow sufficient funds to meet all or part of the cost of their education. Repayment would be made over a long period of time.

Supporters of these proposals are convinced that these large scale "loan banks" would not only make it possible for larger number of students to attend college, but they would increase the total resources available for higher education.

As a result, colleges would be in a better position to set their own priorities and students would better be able to select institutions on the basis of academic considerations rather than economic constraints.

The merits of income contingency loans will be debated for some time, but in the meantime, increasing numbers of college students will avail themselves of existing student loan programs. Present day educational loans are not structured to meet student's full costs, but are intended to supplement the students own resources including any scholarships or grants available to him.

Until such time as there is free higher education for all students, loans will continue to meet an important need.

Ronald Jursa, Director  
Student Financial Assistance Services  
of Michigan Department of Education.

## NO...

Among the various panaceas currently being proposed to cure the financial problems of higher education is a plan best described generically as the "income contingency loan." Several versions have been discussed and advocated, all of which provide that a student receive a loan covering the cost of his education that would be repaid later on the basis of some fixed percentage of his annual income.

I find such schemes mischievous and the reasoning behind them seductive, first because they fly in the face of this country's long-standing tradition of public support for education and secondly because instead of offering new hope for the poor, they actually discriminate against those who are just beginning to gain access to higher education for the first time.

Everyone agrees that a student should pay a fair share of the costs of his education, and that various types of student loans are a viable means of meeting these costs. What is objectionable about the income contingency plans, however, is that they represent a continuing shift from public to greater private support for education. If the greatest number are to be served and served effectively by our higher education systems, and in turn benefit society in the years ahead, we cannot and must not withdraw from this nation's historic public commitment to support public education.

Clifton R. Wharton, Jr.  
President, Michigan State University

## PTA Council Meets Tonight

Drug abuse, local school control, desegregation and how it affects the suburbs will be among the items discussed tonight (Thursday) at the Northville PTA Coordinating Council's kick-off conference.

The conference, which is open to PTA members and local civic groups, begins at 7:30 p.m. at Amerman Elementary.

Parental education, student unrest and drug abuse will be discussed by Dr. Charles Wells, Jr., assistant superintendent of Detroit Public Schools.

Dr. Wells is a member of the Institute for Economic Education, State Board Advisory Committee on Drug Abuse Education, Advisory Committee to the Michigan Department of Education on Needs for Higher Education in Southeastern Michigan and the Drug Abuse Advisory Council of the Michigan Department of Education.

Mrs. Jane Tate, 1970-71

president of the Michigan PTA Council, will speak on resolutions from the state group.

Currently she is a member of the State Superintendent's Education Council, Governor's Advisory Committee on Educational Reform, Citizens' Advisory Committee for the University of Michigan, Board of Narcotics Addiction Rehabilitation Coordinating Organization and Interorganization Opposing Parochialism.

Local control of schools and tax reform discussions will be headed by Mrs. Sarah Foley and Mrs. Elizabeth Kummer, co-chairmen of legislation for the state council and Mrs. Steven Orban, president of the Northville-Plymouth League of Women Voters.

Workshops set for tonight will also cover special parent and school projects, publicity, membership, program planning and fund raising for PTA groups.

## Delay School

Continued from Page 1  
The Novi News

marshal to occupy the portion of the middle school that is completed.

However, fire officials specified that all construction equipment must be removed from the area to be occupied and that a barrier must be installed between the occupied area and the area still under construction.

In a related matter, Dale reported that drives and the parking area has been installed at the new Village Oaks Elementary School and that the contractor has vacated the building.

Green Ridge Nursery also has begun finish site work, he added. The firm has indicated, he said, that seeding at the middle school cannot be accomplished yet this year.

The superintendent came under fire as Treasurer Mrs. Sharon Pelchat and Trustee LaVerne DeWaard pressed for a speed-up in the employment of a temporary principal at Village Oaks.

When Dale explained that

applications are being received from people not employed here as well as those from within the system, DeWaard criticized the superintendent's delay in hiring a principal, emphasizing that the position was neither to be full-time nor permanent.

Dale replied that he saw no objection to hiring someone on a temporary basis as long as the person hired is made aware that the position is a temporary one. He said he was prepared to recommend an applicant immediately but preferred not to do so because the person in question had not yet been notified.

The discussion ended when the board voted to direct the superintendent to move as quickly as possible in securing an acting principal for the remainder of the school year. The motion included an amendment by DeWaard that Dale recommend a candidate, leaving the formal appointment in the hands of the board.

## Top of The Deck

Continued from Page 12-A

officers who recognize their own shortcomings can even volunteer for the "quick out."

Apparently, it did not occur to the author that the regulation is discriminatory and a real inducement to draft-age men to take the four-year Air Force enlistment rather than the army's two-year hitch. Even an ex-dogface like myself can see the advantage of thumbing my nose at the army, enlisting in the Air Force and then taking a "quick out" — maybe even before completing basic training.

It's no secret that already a hefty number of Air Force enlistments result because young men prefer, as would I, a four-year hitch in the Air Force to a two-year term in the army where they risk a

possible tour of duty in Vietnam.

Thanks to the generosity of the Pentagon Air Force enlistments should now enjoy a healthy new influx of enlistees.

And draft dodgers no longer need move to Canada; they can do their dodging in the Air Force.

### Chamber Sets Wixom Goals

To the Editor:

Wixom Chamber of Commerce is really getting in the groove of action and results by work as a team of citizens who want to be a definite part of developing Wixom in an orderly manner to be an area that we will be proud of and also be proud of the fact each one has been a part of the team developing Wixom.

The first project is development of a Central Business District and real steps have been taken to accomplish this very important project. The Chamber suggested a 10 acre parcel on Wixom Road directly opposite the Post Office to the Planning Commission which approved rezoning and will be acted on by the city council.

Plans are in progress to develop this parcel to have a drug store and large feed store with several others to meet the needs of Wixom. Plans are for a business district of beauty and dignity

and we will be pleased to have any suggestions. The Chamber is very interested in the development of a Senior Citizens Complex and will meet with interested citizens to meet their needs and have their cooperation. This group is really busy and needs the help of many more to accomplish their objectives. You are invited to become an active member and will be welcomed with open arms.

# Wildcats Take Fourth Win; Chelsea Next in Title Bid

If Novi fans seem excited, can you blame them?

The rejuvenated Wildcats, winners of their first four games this season — as many as they were able to win in the past two years combined — host defending champion Chelsea tomorrow in what is being billed as the Southeastern Conference "game of the year."

Tied with the Bulldogs for the SE lead, Novi opened the season as a darkhorse and has since stamped itself as a powerhouse contender, winning its non-league debut with neighboring Northville and then sweeping past three Southeastern opponents.

Door mat of the conference last season, its first in the rugged loop, Novi goes into tomorrow's contest as the underdog despite its 14-0 shutout over Dexter last Friday night.

Chelsea downed Novi last year, 14-6.

While Novi was rolling up its third SE victory last week, Chelsea was doing the same by knocking off a stubborn Ypsilanti Lincoln eleven, 31-24.

Friday's shutout triumph,

which was far from easy, was especially sweet for the

## SE Conference Standings

NOVI	3	0	0
Chelsea	3	0	0
Ypsilanti Lincoln	2	1	0
Milan	2	1	0
Saline	1	2	0
South Lyon	0	2	1
Dundee	0	2	1
Dexter	0	3	0

Just two teams, Novi and defending champion Chelsea, are left on top of the Southeastern Conference standings after last week's games. Ypsilanti Lincoln was knocked from the ranks of the undefeated by Chelsea in a key game. The score was 31-24. James Patterson continued his attack on opponent's defenses, shredding Dundee for 183 yards and three touchdowns in leading Milan to a 36-6 victory. South Lyon held an 18-7 second quarter lead over Saline, but still managed to lose as Saline rallied for 30 second half points and a 44-18 triumph.

Wildcats in view of Dexter's 35-0 win last year. For Dexter it was painful because it was homecoming night.

Through the first two

quarters of play in an on-and-off drizzle, there was plenty of reason to believe Novi's victory streak might end. At the intermission neither team had scored, although both teams had missed opportunities.

When the Wildcats stormed back on the field, however, there was a hint of better things to come. One of the

players turned to a sideline reporter and barked, "Get your pencil ready; we're going to win this one."

Minutes later Novi pushed to the 1½ yard line, in a drive that started at Dexter's 31 yard line, and workhorse Pat Boyer smashed over center for the touchdown. Steve Bosak kicked the extra point. Pushed back deep inside its

territory with less than two minutes to play in the fourth quarter, Dexter came up with four desperation pass plays. The first never got off the ground as Novi's charging line smothered the passer for a five-yard loss, and the second and third passes went incomplete.

On the fourth pass, Novi's Kevin Schingekick intercepted at the 18 and scooted in for the second TD that iced the victory. Again Bosak added the extra point.

Dexter came back with another passing attack following a short on-side Novi kick, fired two aerials — one went incomplete and another connected but netted only a yard and then Novi's John Pantalone picked off a third pass to end the Dreadnaughts' last hope to score.

Early in the third stanza, the Wildcats worked the ball to the Dexter 18 before losing possession on a third-down fumble — just two yards short of another first down.

On the first play of the second quarter, in a first down situation, Novi lost a fumble at the Dexter 35, and then later in the same period the Wildcats lost the ball on their own 45 yard line.

Dexter's biggest threat came late in the first quarter. Driving to the Novi 11, picking up two first downs along the way, Dexter tried a fieldgoal that fell short.

## Soccer Kicker Paces Jayvees

Novi's jayvee football team rolled to its fourth straight victory, scoring 27 points in the first half and then battling on even terms during the second half to take a 27-0 decision over Dexter Thursday.

Almost as important as the victory was the fact that the young Wildcats have solved their extra point problems.

Through the first three games the Novi jayvees had piled up a total of 12 touchdowns, but had failed to score a single extra point.

Then, in practice last week Coach Milan Obrenovich discovered that he had quite a placekicker in the person of first string halfback Bill Ross.

Ross, who comes from St. Louis, soccer capital of the

United States, is a soccer style kicker. Against Dexter last week, Ross missed his first extra point attempt, but converted the next three, booting the ball high and straight through the uprights.

Ross' contributions to the victory over Dexter were far greater than three extra points, however.

On the opening kick-off, he gathered in the ball on his own 30 yard line and took off on a 70 yard touchdown jaunt.

Before the first half was over, Ross had added two more touchdowns to his total, scoring on 10 and nine yard bursts. The other Novi score came on a 55 yard pass play from Gary Ford to Roger Pelchat.

Obrenovich, although pleased with the victory, was upset about the loss of split end Sean O'Brien, who suffered a fractured arm in the contest.

"Sean's done a real fine job for us," said the Novi coach. "Losing him is going to hurt a lot."

The jayvees will try to up their record to 5-0 Thursday when they journey to Chelsea in what could well be their sternest test of the season.

## Women's Volleyball Plans Set

Northville's Recreation Department will sponsor a women's volleyball league, it was announced Monday by Director Robert Prom.

The league will meet every Monday at Cooke Junior High School from 8 p.m. to 10 p.m., starting October 18 and running 10 weeks to the Monday before Christmas.

There will be a charge of \$6 per person.

All women interested in participating should contact Prom at 349-2287 between 3 p.m. and 5 p.m.

## replay

with  
COACH JOHN OSBORNE

"It just wasn't a good night for our type of offense," explained Novi Coach John Osborne.

"We like to handle the ball a lot. We do a lot of faking and throwing the ball around on pitchouts, and that rain didn't help us at all. It just wasn't a good night for hanging onto the ball."

Playing a Dexter team that has yet to notch a league victory, Osborne's usually offensively explosive Wildcats had been held to a 0-0 tie at half time, and had only managed a single touchdown in the second half until guard Kevin Schingekick picked off a pass with 40 seconds left in the game and carried it 18 yards into the end zone to insure the victory.

"We made a lot of mental mistakes in the first half and we had a lot of penalties. They kept us in the hole the entire first half. I thought we moved the ball fairly well, but we just couldn't overcome those mistakes," Osborne stated.

"We managed to put together one good drive," he continued, "but then somebody missed a blocking assignment and they sacked Lukkari for a 10 yard loss and we weren't able to pick it back up."

If the penalties and mental lapses were to blame for the Wildcats' scoreless first half, fumbles almost did them in during the second half.

On the first drive after the second half kick-off, Novi marched steadily down-field to the 25 yard line. But there

they fumbled and Dexter recovered to end the threat.

The same thing almost happened on their next possession of the ball. This time they moved the ball to the 10 yard line, where Jim VanWagner fumbled into the end zone. The junior halfback managed to cover the ball, but the play was called back due to a five yard Novi procedure penalty.

Later, Pat Boyer climaxed the drive by going over from the two yard line for the first Novi points.

Penalties, mental mistakes, fumbles, and the weather all took their toll on the Novi performance, but Osborne introduced another factor.

"I think," he said, "that the boys might have been looking ahead a little bit."

Tomorrow (Friday) the Wildcats must face the powerful Chelsea squad in a game that could well prove to be the decisive one in the race for the Southeastern Conference crown.

Both teams are undefeated, but whereas contending for championship is a unique experience for Novi, the Chelsea team has been through it many times before, as they are a perennial league powerhouse.

Needless to say Chelsea will have a great deal more going for them than a winning tradition, however.

Wayne Welton is a junior quarterback with a strong arm and the backfield is comprised of three very fast ball carriers in Mark Collins, Jeff Hughes, and Tom Lixley. "They'll be hard to beat," said Osborne. "They're good, but I think we can do it."

## "Top Cat"

First lineman to cop Wildcat of the Week honors is center Kevin Schingekick. "He played a strong game both offensively and defensively," said Coach John Osborne in announcing the selection. Schingekick also clinched the Novi victory by swiping a Dexter pass in the closing seconds and returning it 18 yards for a touchdown.

DEFENSIVE PROWESS—Novi's defense held off Dexter until their offense got untracked. Here a Wildcat defender bats down a Dexter pass.

# NORTHVILLE RECORD - NOVI NEWS

# FOOTBALL CONTEST

Enter Today! You May Be A Winner!

## HERE ARE THE RULES

Take a plain piece of paper and number down the left hand side from 1 to 16.

You will notice that each square below is also numbered from 1 to 16 and each contains a football game to be staged this coming weekend. To complete your entry you must do the following:

(1) after each number on your paper write the name of the sponsor of the corresponding square.

(2) following the sponsor's name — write the name of the winning team.

(3) in addition you must pick a score on the outcome of the game in square 16. This will be used in the case of a tie and then the contestant whose score is closest to the actual score will be declared the winner.

Be sure to write your name, address and phone number plainly on your piece of paper (your entry).

Enter just once a week, but may enter as many weeks as you wish. In case of tie, prize money will be split.

Copies of the contest will be posted at the Northville Record office each week.

Entries should be addressed "Football Contest" and must be postmarked or brought to our office no later than 5 p.m. each Friday.

Employees of The Northville Record—Novi News or sponsoring merchants are not eligible.

Entry forms available without charge in our office. Winners announced in paper and posted in office.

**RUN FOR DAYLIGHT**—Picking his way through a field of Livonia Churchill tacklers is Mustang halfback Dale Griffith. Griffith picked

his openings so well that when the night was over he had dented the Churchill defense for more than 120 yards rushing.

## Mistakes Prove Costly

# Mustangs Lose Again

Nobody expected it. Nobody expected Northville to do as well as they did Friday night.

After all, only six days previously they had suffered a disastrous 63-0 drubbing at the hands of the Walled Lake Western Warriors, and now they were pitted against a Livonia Churchill squad far superior to that Western team.

What's more, the Northville team that took the field against Churchill was a far different one than opened the season just three weeks ago. Paper-thin to begin with, the Mustangs have received more than their share of injuries and were forced to play with a make-shift line-up.

And yet, when the game was over that make-shift line-up of juniors and sophomores, a line-up in which inexperienced players were playing positions they had never played before, had performed surprisingly well.

Churchill went home with an easy 33-7 victory, but 33 points is a far cry from 63, and the patched-up Mustangs also managed to push across a touchdown late in the fourth quarter - their first points since their opening game against Novi.

Even more importantly, the Mustangs played with a spirit they have not exhibited all season.

Their touchdown came with just 44 seconds left in the game and on the ensuing kick-off, Russ Mills recovered Jeff Moon's on-side kick to give the Mustangs the ball on the Churchill 48 yard line and one more shot at another score.

But, as might be expected with a young and inexperienced team, the Mustangs were prone to mistakes, and, in the final analysis, it was their own errors that led to their defeat.

On just the third play of the game, Northville's sophomore quarterback Bill McDonald fired a pass at junior flanker Bart Taylor.

But Taylor wasn't looking, and the ball hit his shoulder pads, bounced high in the air, and was intercepted by Rich Barker, who ran it down to the Northville 14 yard line.

## Western Six Standings

Farmington Harrison	100
Waterford Mott	100
Livonia Churchill	110
Walled Lake Western	110
Northville	020

Farmington Harrison and Waterford Mott are deadlocked for first place in the Western Six Conference after the second week of play. Each team has played only one league game, however, while Churchill, Western and Northville have each played twice. In last week's games Tim Simon scored a pair of touchdowns to give Waterford Mott a 14-0 come-from-behind victory over Walled Lake. In a non-league contest Harrison was dumped 21-0 by a tough Alpena squad.

Jim Porterfield stopped the first Churchill play for no gain, and Steve Serkaian smacked into quarterback Bob Blaies for a half yard loss on the next play. But on the third down, Blaies swept around his own left end, through the territory usually filled by injured Mustang co-

captain Chuck Cook and Churchill had a 6-0 lead with 9:19 remaining in the first quarter.

After the teams exchanged punts, Northville marched all the way to the Churchill 14 yard line before the drive stalled.

Their fourth down field goal attempt, however, led to the second break of the game. Moon's kick was blocked, and Churchill's Greg Smith grabbed the ball in mid-air and returned it all the way to the Mustang 31 yard line.

Three plays later Churchill was in the Northville end zone to take a 13-0 lead. Phil Skender carried the ball on all three plays, going two yards for the six points.

Already victimized twice by their own mistakes, Northville promptly made two more.

On the very next kick-off,

Russ Mills and Bart Taylor left the ball lying on their own 21 yard line and Livonia covered the ball. This time it took Churchill six plays to score with Blaies tallying his second touchdown of the game on a one yard sweep.

Northville's fourth major mistake came on their next series of downs. McDonald was hit while trying to pass, Churchill recovered on the 40 yard line, and advanced their lead to 26-0 on a 15 yard touchdown pass from Blaies to Gary Corte five plays later.

The substantial 26-0 lead was particularly frustrating for Northville, as each of the Churchill points was a result of a Mustang error - an interception, a blocked punt, a fumble, and an uncovered kick-off.

In that first half Northville had seven first downs, while Churchill had six. Never-

theless, it was Churchill that took a commanding lead into the dressing room.

Churchill's lone legitimate touchdown of the evening came at the start of the second half. Chuck Ducher returned the opening kick-off to his own 40 yard line and from there Churchill went to work.

Mike Crom gained 10 yards, Skender gained five to the Northville 45, and then Crom, Blaies, and Skender moved the ball to the 37. From there Crom broke through the Northville defense and went all the way into the end zone to give his team a 33-0 lead.

Northville's next drive was ended by a Crom interception but the Mustangs' Steve Griggs evened the score by picking off a Blaies aerial in the end zone on Churchill's drive.

The drive which resulted in the Northville touchdown got underway with a little less than five minutes left in the game. Taking over on the Churchill 41 yard line, Northville, or, more correctly, Dale Griffith, went to work.

On five consecutive plays Griffith carried the ball into the Livonia defensive line, moving the ball across the mid-field stripe to the 44 yard line.

After an incomplete pass, Griffith went to work again. This time the speedy senior halfback carried on eight successive plays, taking the ball all the way to the seven.

McDonald hit Jeff Moon with a six yard pass to the one and Griffith blasted over on the next play.

Moon's conversion attempt was good and the Mustangs had their first points in 14 quarters of play.

Northville recovered the on-side kick-off with 40 seconds left on the clock, but time ran out and Churchill had a 33-7 victory.

The game produced several bright spots for Northville Coach Chuck Shonta.

Griffith had his finest night of the season, rambling for 125 yards on 31 carries, and senior end Jeff Moon hauled in four passes, recovered two fumbles and posted a 38 yard punting average.

Next on Northville's schedule is Farmington Harrison. Harrison is currently in first place in the Western-Six Conference, having beaten Churchill 12-7 two weeks ago. The game will be played in Farmington at 2 p.m.

## Mustang Golfers Take Aim At Class B Championship

Farmington Harrison, the only team in the Western Six Conference not to fall before the talented Northville High School golf team, finally joined the ranks of the other league schools, as they suffered a 204-217 loss Monday at Meadowbrook.

The victory gave Northville Coach Al Jones good reason to be optimistic about his team's chances to cop top honors in the first Western Six league golf meet scheduled to be played Monday.

A league championship is not the only title that the Northville team is shooting for, however.

This Saturday the team will travel to the Grand Blanc Golf Course to play in the Class B regionals with 27 other schools. The top three finishers in the regionals will then qualify for the finals, which will be played the following Saturday, October 23, at the Burroughs Course in Brighton.

The Mustang golfers will go into the regionals as a heavy favorite to advance to the finals, and once they get to Burroughs, they will again be a favorite to cop the state crown.

But while his young squad dreams of the championship, Jones is worried about just getting through the regionals.

"We can't think too far ahead," he said, "or we're

just likely to end up being spectators at the finals."

Last Sunday Jones took his four top players to Grand

Blanc to let them get in a practice round on the course.

"We shot 18 holes," Jones reported, "and it's a tough

## Winners Post Perfect Scores

It rarely happens but two contestants came up with perfect scores in last week's football contest, correctly guessing the winners of all 16 games.

The perfect entries were turned in by Michael Leu, 18129 Pinebrook, Northville, and by Brad Goyt, 41118 McMahon Circle, Novi.

Unlike the majority of contestants, these two winners were not fooled by Oklahoma's 49-27 win over Texas nor by Stanford's 17-6 victory over Washington.

And they picked underdog St. Louis to down Atlanta (26-9).

But there can be only one top winner and Mike is it because of his predicted score in the Michigan-Michigan State game. He picked Michigan to win 30-14. Brad, on the other hand, also picked Michigan to win but by a wider margin, 34-10. The Wolverines actually won the game, 24-13.

Winning third place with just one mistake was Bart Leu, of the same address.

Fred B. Schwarze, 44700 Thornapple, also made just one mistake but he was 13 points off the actual Michigan-Michigan State game while Bart was nine points off.

Fifteen contestants turned in entries containing just two mistakes, while a host of others made three mistakes.

Those making two mistakes were: Robert Engel, Guy Cole, Brad Cole, William Ferguson, Joe Pettit, Joey Szabo, K. E. Goyt, John Bunn, E. I. Ely, Jr., Dean H. Lenheiser, Doosie Cole, Scott Leu, Anne White, Cindy McRannolds, and John J. Holman.

Two other games causing problems for contestants were: Tennessee's 10-6 squeaker over Georgia Tech and Kansas' 29-13 triumph over Kansas State.

Few contestants saw the Spartans and the Northville Mustangs winning. Nearly everyone, however, picked Novi to knock off Dexter.

## Runners Sweep Brighton; But Fail in Invitational

Ralph Redmond is just going to have to wait one more year.

Taking over the reins of the Northville cross-country team for the first time this fall, Redmond had his sights set on achieving something no Northville team had ever been able to accomplish before, namely, winning a major invitational meet.

Perhaps betrayed by their own desire to win the meet, the Northville runners finished fourth in the thirteen team field.

"I think we could have finished second," said a disappointed Redmond, "but some of our boys were trying too hard. They went out too fast and burned themselves out before the end of the race in trying to turn in a good time."

Best example of what Redmond was pointing out was the performance of Guy Dixon. Already established as one of the area's premier distance runners, the hard-

working senior led the 80 man field through the first two miles of the course. But then the fast pace took its toll and Dixon was passed up at the end by several other runners.

Nevertheless, Dixon finished a highly respectable fifth in the meet with a time of 13:34.

His best time ever on the course is a 13:24, which would have been good for second

place in Saturday's meet.

Northville's fine sophomore runner, Guy Cole, posted the best time of his career, 13:42, in taking eighth place.

In a dual meet against Brighton Tuesday, Redmond's team advanced their season's record to 8-1 with a 15-0 sweep over the Bulldogs. Led by Dixon and Cole, the Mustangs grabbed the top seven places before the first Brighton runner crossed the finish line.

One of the season's brightest discoveries for the Northville coach is freshman Robbie Foust.

"This kid really gives it all he's got," Redmond expounded. "He works so hard that he's been a source of inspiration for the rest of the team." Redmond points out that the first time Foust ran the course he finished in 16:46 and every time since then he has improved his time until the point that he is now at the 14:56 mark.

"He has to set new goals for himself almost every week," says Redmond. "Already he's been able to get his time into the 14 minute range and that is excellent running for a freshman."

GUY COLE

## Softball Meeting Slated

First organizational meeting for the 1972 Northville Recreation Men's Slow Pitch Softball season will be held Thursday, October 21, at the Northville Recreation Building at 8 p.m.

Purpose of the meeting will be to determine how many men are interested in participating in the league next year.

"We're expecting a big rise in the number of players with all the developments that have been going up in the area," stated Don Thompson, a member of the Northville Township Recreation Board.

The possibility of forming a league with surrounding communities will also be discussed at the meeting.

Representatives from all team planning to participate next year, as well as any individual players wanting to get on a team, should attend the meeting.

# 500 Protest Forced Busing

Continued from Page 1  
The Record

Washington conference called by the right-wing Liberty Lobby, NAG is not nor will it become associated with that organization, they explained. Nevertheless, they said they were encouraged by the growing numbers of organizations who are against forced busing.

Concerning a question about her own children, Mrs. McCabe said they are attending parochial school because "in public school there is no discipline."

Most vehement of the speakers was Lee, who ripped "some high officials in the State of Michigan" for disregarding the will of the people and he suggested that SOC is considering a recall drive.

The latter drew audience cheers together with the demand that he "name them." "You know 'em," he said, then pinpointing Governor William Milliken "who is trying to hand you a sweet covered pill."

Milliken "has been shooting off his mouth" about substituting an income tax for the property tax, which he (Lee)

found repulsive. "We haven't even got this monkey off our backs when we get Judge Roth."

"This fight has just begun," he declared. "They are trying to take away every right. Calling it a 'crummy government'." Lee urged support of state legislation to put an end to Judge Roth's "hatchett job."

"We've heard much about the Constitution of the United States but they are setting out to destroy the free right of association. We must fight it."

Pumping for support of his organization, Lee boasted that SOC had successfully boycotted the Warren school system and that it is prepared to launch a boycott of all schools if government and the courts "shove busing down our throats."

Huber, founder and chairman of the Michigan Conservative Party, contended that the best way to fight busing is to regain control of taxes.

Without tax dollars, he declared, neither government nor the courts can enforce busing. He urged support of an organization called "ROCOT", which is

pressing for a state constitutional amendment to prevent increase of taxes without a vote of the people.

Trying to "discharge" the bill now in a congressional committee will be next to impossible, he said, but getting an amendment on the state ballot will be easier and more effective.

"Everybody has rights, not just the minorities," he declared, arguing that legislators have and are continuing to take away the rights of people.

In his brief address, Councilman Berry emphasized that "this is a government for the people and by the people" and that it is "high time" the people tell government officials "we don't like your taxes, your laws."

"Those people in Washington and Lansing are not Gods," he declared, noting that it is the "same people who make the laws who are making the bus issue."

Berry warned that unless people stop watching television and get involved, they cannot stop the deterioration of their rights.

**FOOTBALL COMPETITORS**—More than 130 Novi and Northville area boys participated in the Ford-sponsored Punt, Pass, and Kick competitions in their respective communities. Above: Novi's Dennis Barnes gets off a punt, while Ron Cates of Northville (below) passes for distance and accuracy.

## Year-Round Plan Draws Visitors

Three administrators from the Putnam County School District in Palatka, Florida, are in Northville today, Thursday, touring the school district.

Though Northville is not operating schools year-round, the visitors indicated they wish to discuss the concept with local administrators.

According to Raymond Spear, Northville school superintendent, the Putnam administrators are studying year-round school concepts across the country.

# Math Teacher Dies

Miss Diana M. Lance, a former mathematics teacher at Northville High School for 27 years, died September 23 in Gratiot Community Hospital in Alma.

Miss Lance, who had been ill for the past year, died of cancer. She was buried September 26 in Payne Cemetery, Middleton.

Born July 31, 1911, she was the daughter of John B. and Maude Lance.

Miss Lance had taught for 38 years in Michigan public schools. She was chairman of the Northville High mathematics department until her retirement in June, 1970.

Recently she held offices in Alpha Nu Chapter of Delta Kappa Gamma Society for teachers and in the local, district and regional organizations of the Michigan and National Education Associations.

She received a bachelor of arts degree from Eastern Michigan University and a masters degree from

MISS DIANA LANCE

Columbia University in New York

Miss Lance had been a member of the First United Methodist choir and the Wesleyan Service Guild and a charter member of the Northville Business and Professional Women's Club. Surviving is her mother who

lives in Middleton. Her father preceded her in death on September 15 at the age of 89.

### RALPH F. NAPIER

Funeral services for Ralph R. Napier, 65, of 51390 Grand River, Wixom, were held Monday, October 11, at 2 p.m. at Phillips Funeral Home in South Lyon. Pastor Robert Warren of the Wixom Baptist Church officiated at the services and at burial rites at the New Hudson Cemetery.

Mr. Napier died October 8 at St. Joseph Mercy Hospital, Ann Arbor where he had been a patient for five days.

The son of Fred and Edith (McKinley) Napier, he was born November 3, 1905 in Detroit. He was a member of the First Baptist Church of Wixom and had been a farmer most of his life at his residence in the Wixom area.

Survivors include two cousins, Mrs. Edward (Marguerite) Baker of Pontiac and William McKinley of South Lyon.

# Seek School Site

Continued from Page 1  
The Record

free site."

Referring to the previous board meeting, Trustee Richard Martin said he "thought they gave us an ultimatum and I don't like ultimatums."

"A decision to accept the development costs may lead to a big expense and if we stall the burden may fall on the state," Martin said, hinting the state may have to build future schools if local control of school districts is removed.

Trustee Glenn Deibert noted the Levitt site boils down to a "question of can we afford this gift?"

Superintendent Raymond Spear said it also is a question of "Can we afford not to accept it? We are on the horns of a dilemma."

According to cost estimates submitted by the school district's architect, the site will cost the district another \$96,000 over and above site development costs or building costs for improvement. Included would be bringing utilities to the building, grading, lights and so forth.

However, school officials noted, these funds would have to be expended for any site.

The architect estimated the site development costs Levitt is asking should be cut to \$45,000, Spear said, since the developer would have had to install water and sewer whether or not a school was built on the site.

Dr. Robinson noted that Levitt has gotten "a lot of mileage out of our school site. All the people who bought in Highland Lakes bought with the thought a school would be built in the development, as Levitt promised."

Board members directed the superintendent to investigate the possibility of acquiring another elementary school site for a lesser cost and to contact Levitt about the possibility of reducing or eliminating site development costs.

The board is expected to make a decision on the site at

its October 25 meeting.

In other action Monday

night, trustees—

—approved a contract for Mrs. Lynn Moshier, a 1971 graduate of Eastern Michigan with a BA degree in math, who will teach math half-time at Northville High;

—extended from half-time to full-time a teaching contract with Miss Mary

Linebaugh, junior high social

studies teacher;

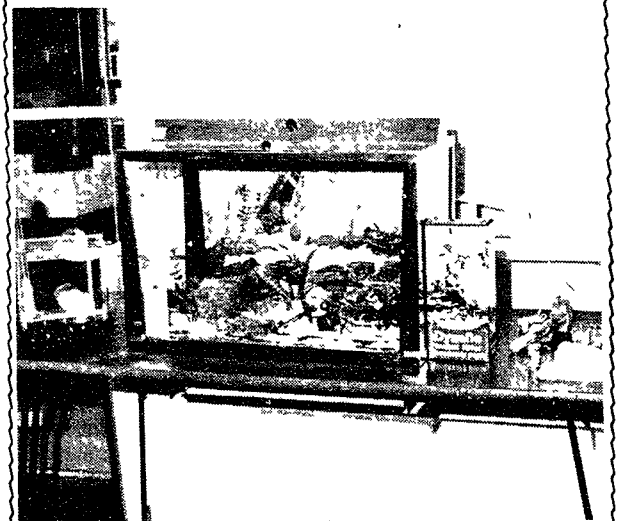

—authorized an agreement with the State of Michigan to repay a loan of \$39,600 received from the school bond loan fund; and

—directed the superintendent to initiate a program to conduct an inventory of property and equipment in the school district.

The Northville Record THE NOVI NEWS

The Brighton Argus THE SOUTH LYON HERALD

Wed.-Thurs., October 13-14, 1971

**FREE FOOD**—Lavinia Farver, head cook at the Hartland Elementary School, pours out free rice furnished by the United States Department of Agriculture. The rice was used in preparation of a hot meal. In the picture at the right, a young Whitmore Lake student helps himself to one of the cafeteria specials.

School lunch—a common phrase to mothers.

To some it means packing a peanut butter sandwich in the morning. To others it means having their children come home for lunch during the school day. To still others, it means giving their children money at the beginning of the week to buy a ticket good for meals in the school cafeteria.

During the 1970-71 school year, area low-income mothers were able to give their children much less than usual for that lunch ticket. Many were able to send their children to school for lunch—for free.

Most of the hot lunches of the last 25 years, and the increased number of free and reduced priced lunches of the past year belong to the same program—the National School Lunch Program.

Ironically, during this National School Lunch Week (October 10-16) government guidelines have confused area school lunch officials and may result in a reduction of those children who qualify for free lunches.

Last year the U.S. Department of Agriculture, which directs the school lunch program, permitted states with higher-than-average costs of living, including Michigan, to raise the minimum family income cutoffs for free lunch eligibility.

In view of that guideline, Michigan raised its family-of-four cutoff to \$4,280. In other words, children from families with incomes lower than \$4,280 could get free lunches.

Last week USDA, under heavy pressure to reduce government spending, reversed itself and ordered all states to enforce an income cutoff of \$3,940 for a family of four, thus removing thousands of Michigan youngsters from the program.

Thus the confusion and uncertainty of local area officials in discussing the federally supported hot lunch program.

Without specific information, most area school officials therefore are guessing that federal support will remain "about the same as last year."

What is the National School Lunch Program?

Administered on the federal level by the USDA's Food and Nutrition Service (FNS), the program's cost is shared by each state and local school system.

Federal funds for the program are apportioned among the states to be used in reimbursing schools for part of the cost of food they purchase.

The amount of money each

## You Can Read It In The... Record, News, Herald or Argus

Every now and then you hear on radio or TV that the announcement was made as a "public service" of that particular station. Both radio and TV do a great deal of this and we commend them for it.

However, newspapers which also present much public service material, do so without claiming credit and therefore people come to accept this as a routine matter. Announcements of meetings, promotion of various campaigns

direct solicitation of funds for worthy causes, complete and detailed reports on meetings of various governmental bodies, such as City Council County Court, Board of Education, Planning Commission and many others, which are overlooked almost entirely by the other media, are given by the newspapers.

Information on deaths - not paid advertising in newspapers - keeps the public informed as to the time and place of funerals, as well as information on the family of the person who died.

We could go on and on with public service activities of the newspaper, for these have long been considered an essential part of the newspaper and people have come to look for them there and to depend upon their newspapers for this information.

Not only do newspapers provide the communities with such news, but most of them provide leadership also, promoting the interests of the area they serve and seeking actively to make it a better place in which to live.

On the occasion of National Newspaper Week it is good to pause for a moment to reflect upon the many ways your newspaper serves you.

# GI Bill Failing to Do Intended Job

The GI Bill, the vehicle through which countless veterans of World War II and Korea received a college education, isn't doing the job it's supposed to any more.

The benefits which a veteran of the Vietnam War can receive under the program haven't changed. Unfortunately for the veterans, prices have changed.

A veteran returning from World War II could receive \$500 per year for tuition and fees, plus a living allowance of from \$75 to \$125 per month. No one got rich off those benefits, but they were enough to finance an education.

As a result, 50 per cent of the

men returning from both World War II and Korea attended some type of educational, vocational or technical institution.

BUT, ONLY some 20 per cent of Michigan veterans returning from Vietnam go on to receive further education or training.

For nine months of education, a veteran receives \$1,575, barely more than his father received. The total is about \$900 short of what Michigan State University says is an "existence" level for students attending it.

By existence level, the university means the minimum amount of money needed to pay for tuition, books, room and board. It does not include clothing insurance

or expenses for things such as a car. The veteran's problem is further compounded by a high unemployment rate which chokes off the possibility of his getting a good job.

THE MICHIGAN Legislature may do something about this situation.

The Senate already passed a proposal now waiting for House action that would provide for a public vote on a \$100 million fund to help finance education for veterans of Vietnam. Originally, the proposal was worded as a constitutional amendment so that there could be a vote on it this fall if any other proposals were put on a state-wide ballot.

Now it will probably go on the November, 1972, ballot.

The measure would provide assistance of up to \$1,000 a year for veterans who want more education, enough to put them at the "existence" level.

ONE REASON assistance has been so slow in coming has been the unpopularity of the Vietnam War itself.

This was a factor taken into account by Sen. Harry De Maso, R-Battle Creek, when the proposal was going through the Senate.

"This proposal doesn't have anything to do with whether you like or hate the war over there," he said. "This is simply something to make sure the young men who have gone over there and risked their lives are given a decent chance for an education when they get back."

"A lot of them didn't ask to go over there, but they got sent anyway," he said. "I think this is the least we can do for them."

MICHIGAN may be the "Motor State," a title it might deserve.

But it is far from the top in the ranking of states by total motor vehicle registrations.

The Federal Highway Administration, which keeps a count on such matters, ranks the Motor State seventh in the nation in the total of motor vehicles registered.

According to federal estimates, 4,681,000 vehicles will be registered in the state by the end of 1971. This puts her behind California (12.3 million), New York and Texas (both 6.9 million), Ohio (6.2 million), Pennsylvania (6 million) and Illinois (5.4 million).

Michigan's total breaks down to 3,996,000 cars and 685,000 trucks and buses.

Ironically, in motorcycle registrations — a field in which the vehicles are almost entirely foreign-made — the state ranks second, behind only California, with 187,200 registered.

## Babson Report

# Textbook Stocks Climb

A FEW SHORT years ago when the textbook industry was represented on just about everyone's "growth" list, stocks of textbook producers sported some rather fancy price-earnings ratios. It was, in fact, not uncommon for a leading publishing issue to show a multiple of forty or fifty times earnings.

Last year, however, some of the leaders in the educational publishing field were selling under fifteen times earnings. Quite a comedown for a so-called "growth" group!

What happened was that, addition to the unfavorable impact of the severe 1969-1970 general market shake-out, the textbook industry suffered from a drastic re-evaluation of its "growth" label. In fact, in retrospect we can see that 1966 marked the end of an era.

At that time a number of beneficial factors came together to produce peak earnings for textbook firms. Government aid to education provided a sizable boost to sales, school enrollments were expanding vigorously, and the national economy was booming.

But 1966 was followed by less favorable years when a reshuffling of national priorities resulted in greatly increased spending for the Vietnam war and less for education. School enrollment growth began to slow down, and inflation bit more deeply into school budgets everywhere.

DESPITE the problems which afflict the producers, textbook stocks have rebounded sharply from their lows. Reasons for optimism

are based on factors vital to the industry's growth:

(1) Although enrollments in elementary schools are projected to decline moderately through the mid-1970s, high school enrollments are projected to rise from an estimated 14.6 million in 1969 to 16.3 million in 1975. College enrollments are slated to increase from 7.4 million to 9.5 million for the same period.

(2) Especially important to textbook publishers' revenues is the long-term rising trend in textbook expenditures per student. Despite some leveling off in 1969, average dollar sales of textbooks per student historically have shown a strong upward tendency.

Federal funding programs contributed to large increases in 1966, and it is believed that federal aid to education will be sharply expanded when the Vietnam war is finally concluded.

(3) The national economy, recovering from the recession of 1970, is gradually expanding. This factor along with the reduction in interest rates should aid schools in financing their capital budgets.

(4) Also expected to contribute

to future sales of the educational publishers is the increasing use of textbooks and educational materials at every level of business and government. As technologies change and society becomes more complex, demand for educational materials grows. Furthermore, publishers are carving out markets for themselves in promising non-book educational areas such as closed-circuit television, audio-visual systems, and computer-assisted techniques.

AMONG THE IMPORTANT publishers of textbooks whose stocks are continuously supervised by the Research Department of Babson's Reports are Crowell Collier & MacMillan (also producing encyclopedias, miscellaneous educational materials, and musical instruments), McGraw-Hill, Addison-Wesley, and Western Publishing Company. We maintain a "hold" position on the first three of these concerns.

The speculative-grade common stock of Western Publishing Company may be purchased (up to a buying limit of 26) by aggressive investors who are seeking capital appreciation.

THOMAS PLUNKETT

## Parents: Here's Tips On Drugs

Editor's Note: Following is the first in a series of articles by Oakland County Prosecutor Thomas G. Plunkett intended to inform parents about the drug threat and what it means to their children.

A noted college professor recently stated that, "the present generation of young people in our schools and colleges are the best informed, the most intelligent, and the most idealistic of any we have ever had in this country."

He added, "Today's young people, taken as a whole, are more moral than their elders." Only a small minority of young people ever become involved in drug use or the resulting drug abuse. A minority, however, still means a large number of young people, some quite young, and the number appears to be increasing rapidly.

We are living in a drug-obsessed society. In 1965 about 167 million prescriptions were written by doctors for psychotropic drugs, the kind that change or affect mood or behavior. Adults were the main consumers, which leads us to believe that adults themselves are high on the list of drug abusers.

If this is true, as national statistics seem to indicate, parents must look to themselves when trying to understand how the drug problem got its start in the "first place." However, the purpose of this series is not to place blame, but rather to become familiar with terminology, to learn more about the drug problem itself, and to discuss how best to handle this situation as parents.

It is essential that parents realize that they cannot frighten a child into doing "the correct thing" with statements that are not factually true or are greatly exaggerated.

In today's society most children know more about drug use from their associations on the street than their parents do. Therefore, what we discuss will be an effort to equal and surpass the knowledge of our children, so that we may better educate them on the potential dangers of drug use.

Everyone knows that the use and abuse of drugs that affect the mind is spreading across the country. Hundreds of thousands of young Americans are tasting, testing, and experimenting with marijuana, LSD, "uppers" - pep pills, "downers" - sedatives, "speed", and heroin. So then, in the series ahead, we will examine such things as Oral Amphetamines, Injected Methamphetamine, Barbiturates, Heroin, Marijuana, and LSD. We will examine what they look like, the names they are called by, where they are obtained, how they are used, the dangers of use, the effects of use, reactions, etc.

For a majority of young people an encounter with a mind-affecting drug seems only to be a flirtation, with the user feeling sure he can take it or leave it. Some authorities state that such experimentation can amount to "drug roulette", resulting in some particularly susceptible young people becoming seriously injured by what they intended to be an innocent adventure.

American society tolerates alcohol and nicotine, both of which are technically drugs, and millions of people abuse both of them. Many drugs are taken legitimately by prescription. There is, however, a black market among some potent drugs.

Every year billions of sedatives and pep pills are diverted to illegal use. According to the Federal Food and Drug Administration this is enough stimulant to keep everyone in the United States awake for one week and enough sedative to keep them in a stupor for a week.

# from the Pastor's Study

## Let Kingdom Come to Us Also

Pastor Geo. Tiefel Jr.  
Immanuel Lutheran Church  
South Lyon

The Christian church is often reproached for failing to stamp out poverty, political repression, and war. Of what use is the Christian message about the kingdom of God, when all these social ills continue to plague mankind?

It does often seem as though God is a King without a country, and that the tyrannical forces of darkness have completely usurped his kingdom. "If there were a God, would he let this happen to me?" Or, "How can God permit that kind of slaughter to continue?" Where is God?

But we know — the gospel has always given us the answer. God sent his Son, when the time was ripe, to reclaim his kingdom. "The kingdom of God is at hand" was Jesus' message. And by his mysterious self-offering on the cross he bought us back from the "revolution." The King died for the people. And his resurrection was the sign of

pardon for the rebels. God's kingdom was restored.

Now we pray that the kingdom come to us also, that individually we accept reconciliation with our true King, and receive his Spirit. The growth of the kingdom isn't spectacular, because it means one life at a time coming under the rule of God's Spirit. And overcoming the habits of rebellion, learning to "do justice, and to love kindness, and to walk humbly with your God" doesn't come easily!

In fact, the Spirit has revealed, in the oracles of God, that the kingdom and the rule of God will not be universal until the final judgment, when the form of this world will pass away, and a new heaven and a new earth will stand forth.

But let the beginning of the kingdom happen with you right now.

His dejected face slumps under a shabby hat. We don't know who he is.

But we know what he is.

He is a MAN. One of us!

To his loved ones he may be a disappointment. To himself he may be a failure. To society he may be useless.

But to God he is a SOUL — like each of us!

And therefore his whole life can change . . . when one day he'll discover the power and strength and hope with which every soul is endowed.

Quietly, behind the closed doors of a pastor's study, the Church is daily helping men to come to grips with their problems. Sunday by Sunday its pulpits are imparting faith and courage for those secret inner struggles.

The century-old Christian concept of the dignity of man has never rested simply on who and what we are. It is founded on the vision of what — with God's help — we can become.

# Lunches: Big Business

Continued from Page 1-B

state receives is determined on the basis of two factors: (1) school lunch participation in the state and (2) per capita income for the state.

For each lunch served meeting program standards, schools receive reimbursement according to their needs as determined by their state agency or the FNS regional office. In addition, special cash assistance is provided to help bear the cost of free and reduced-price lunches.

In cases of extreme need, up to 100-percent of the cost of food service operation, provided it does not exceed 60-cents per lunch, may be reimbursed. Federal funds used in a state for reimbursing schools must be matched with funds from sources within the state—including state and locally appropriated funds, children's payments, donated goods and services, etc.—at the rate of three dollars for each federal dollar.

Federal funds take several different forms.

Under one section of the law, FNS donates commodities to participating schools for use in their lunch programs. The commodities include such items as canned juices, fruits, vegetables, butter, flour, several types of meats, milk, and other staples.

FNS also provides money

for equipment. These funds are apportioned to the states at the beginning of each fiscal year for distribution to "no-program" schools to help them purchase equipment to establish facilities for introduction of the lunch program, and to some schools with a program to help with updating equipment.

The law also authorizes the distribution of funds to the states for the purpose of reimbursing participating schools for each lunch served. The national average for reimbursement is about 5 cents per lunch. A total of \$225-million of these funds have been authorized for the 1972 fiscal year.

Federal law also authorizes funds to be spent to reimburse schools for serving free and/or reduced price lunches to needy children. It is under this section of the law that new federal guidelines apply. This year \$237-million have been authorized, or about 30 cents per lunch.

It is estimated that a total of more than \$615-million will be spent this year—the 25th anniversary of the hot lunch program.

Following is a breakdown of the hot lunch programs in area school districts:

## NORTHVILLE...

Last February, Northville discontinued its participation in the federal program except for milk reimbursement. It

received \$10,196.60 in aid last year, expects to receive \$9,450.45 this year.

Approximately 850 students at the junior and senior high school levels eat hot lunches daily, or about 55-percent of the student body. The district employs 13 people in its cafeteria program.

Lunch costs are 45-cents for soup lunch, 50-cents for a regular dinner, and 55-cents for hamburger and fries.

## NOVI...

Received \$11,602 from the government last year, expects to receive about the same this year. But because more lunches will be served, the per-student support will decrease.

Approximately 700 eat lunches each day, thus, based on 180 days of school, approximately 126,000 hot lunches are served annually.

Between 50 to 60 percent of the Novi student body eats hot lunches. This includes 60 youngsters who receive free lunches, and two who earn their hot lunches.

Cost of lunches is 40-cents at the elementary level, 45 cents at the secondary level.

Novi's hot lunch program is not yet in full operation. Kitchen facilities at the new Village Oaks school have not yet been completed, and as of this past week junior and senior high school students were on half-day sessions

meaning that neither were getting hot lunches

## SOUTH LYON...

Received \$19,418.91 from the government last year, expects to receive about \$20,000 this year.

Serves an average of 22,400 hot lunches per month, with about 33-percent of the student body participating. An average of 1,280 free lunches are served monthly.

South Lyon operates one satellite program, in which food is prepared at the junior high school kitchen and transported to South Lyon Elementary School.

An equated 25-full time employees are involved in the hot lunch program.

## WHITMORE LAKE...

Received \$7,917.27 from the government last year, expects about \$8,000 this year.

An average of 377 students ate hot lunches in September ("low because it was the first month of school"), or approximately one-third of the student body.

A total of 64 are receiving free lunches, 14 earn their lunches by working in the kitchen.

## BRIGHTON...

Receives an average of 20-cents per meal from the government for the hot lunches, expects about 30-cents this year.

During this past September, Brighton served a daily average of 1,020 hot lunches or 16,217 for the entire month.

Lunches cost 35-cents for grades kindergarten through fifth grade, 40-cents for grades six and seven. Hot lunches are not served at the high school or middle school because of split sessions.

About 3-percent or 69 children receive free lunches. Forty-two percent of the school enrollment are participating in the hot lunch program.

During the 1969-70 school year, the school district operated its hot lunch program in the black—ending with a \$8,000 surplus. Last year the district's program cost \$6,000, and officials had hoped to raise the prices of lunches this year but did not because of the wage-price freeze.

## PINCKNEY...

Hot lunches are served only at the high school level because the district is double shifting in grades kindergarten through nine.

Serves approximately 150 lunches daily, with five students receiving free lunches. However, between 15 to 20 students are eligible to receive free lunches in grades 10 through 12.

Last year 65 to 70 students

participated in the free lunch program.

Lunches cost 40-cents per meal, and early last year the district received approximately 20-cents per meal from the government and later in the school year it received approximately 30-cents per meal. Aid represented \$14,800.

Having lost about \$2,800 in its program last year, the district wants to raise the price of its hot lunches.

## HARTLAND...

Received \$6,081 from the government last year, expects to receive about the same this year.

The hot lunch program involves grades one through five, with about 350 children participating or 50-percent of the enrollment. Thirty free lunches are served per day.

The district has 4½ equated full time employees in the hot lunch program.

DRIVING TOO FAR TO CHURCH?  
...SO ARE SOME OF THE REST OF US!  
There are a group of families in the South Lyon area who are driving great distances to the church of their faith. We are therefore planning to start a Missionary church in this area.

If you are interested in helping establish a good, evangelical church of the Wesleyan-Arminian Persuasion, please let us know. Call Mr. Philipp at 665-2455 after 5 p.m.

## TAPE RECORDERS

Talk about easy... nothing beats a small, portable tape recorder for capturing a speech, a meeting or a musical program.

And nothing beats the Classified columns of your newspaper as a marketplace for buying or selling tape recorders and equipment.

Horse's Mouth

Continued from Page 2-B

Michigan, 48746  
Weaning The Foal

Depending on the condition and health of the mare, the foal may be weaned successfully between the ages of 4 to 8 months. If the mare has been rebred early or if she is in poor condition the foal is usually weaned early. If the foal is eating an average amount of grain, he may be weaned with a minimum amount of disturbance or shock.

When the decision is made to wean the foal, separation should be complete. A good practice to follow is to place the mare and foal in a box stall and then lead the mare away leaving the foal in the box stall.

Weaning should be started in the morning so that the foal may be watched throughout the day to see that he does not injure himself.

Within 1 to 2 days the weaning will calm down and become adjusted to his new situation. Although a great deal will not be consumed, the weaning should have access to a supply of feed and water. After the weaning has settled down he may be turned out during the day and returned to the stall at night. During the entire weaning process the mare should be maintained in a pasture located some distance from the barn.

The paddock used for the weaning should be free of holes, rocks, debris and any obstructions that could cause injury to the foal.

Drying Up The Mare

By reducing the feed intake and allowing the udder to fill, the mare can be dried up quite easily. A reduction of her ration by one-half and placing her on a poor quality pasture will be of value in the drying up process. The mare should not be milked even though the udder fills and becomes tight. The increase in pressure sometimes encountered will result in a cessation of milk flow. Also, the removal of the mare from the foal and into a new environment eliminates or decreases the milk production.

The above is an excerpt from a paper by Dr. J. C. Dollahan, Wisconsin State University.
