

# Township Polls Voters On Police

## Questionnaires Out This Week

Rapidly-growing Northville township is facing a number of knotty problems, nearly all caused by its increasing population.

Very soon the elected board of trustees must make some key decisions which could set the tone for the future development of the township.

Acutely aware of the situation, and knowing full well that almost any decision short of doing nothing at all will require a vote of the public to provide additional tax dollars, the board this week is mailing questionnaires to all registered voters.

The "opinion poll" deals almost exclusively with the problem of providing police protection for the township.

The purpose of the poll is to obtain some feedback of public opinion. The board does not propose to turn its obligation for decision-making over to a poll, but it hopes to gain some guidance from the results of the survey.

While it realizes that many township residents are unaware of the impending decisions its governing body must make, the board is hopeful that those returning questionnaires will do so after studied consideration of the problems.

Even the board itself found great difficulty in reaching agreement on the kind of questionnaire to mail out — or whether one should be mailed at all.

An argument against the questionnaire is that it suggests that this alone will solve the township's problems and that additional millage will not be needed for other facilities and services.

Proponents of the poll point out that it is only advisory in nature and at least gives the board some idea of public thinking in one important area.

What are the immediate problems facing Northville township?

Not necessarily in order of importance, they are:

- police protection;
- fire protection;
- township office facilities;
- a fire station and police department facilities;
- long-range governmental status.

The problems are so closely related that it is almost impossible to take action on one without making provisions for another.

What are the alternatives open to the board?

There are several. But it is evident that the initial decisions would be far easier if the board could look into the future and know for certain what governmental form the township will eventually take.

All sides of this very sensitive subject would probably agree that to remain forever a township will be impossible.

Township government was designed for rural areas demanding very little service and requiring minimal tax support.

As development takes place, water and sewers, roads, traffic, homes and people all require services either in the form of public works' maintenance, police or fire protection.

Naturally, this means bigger government and higher taxes.

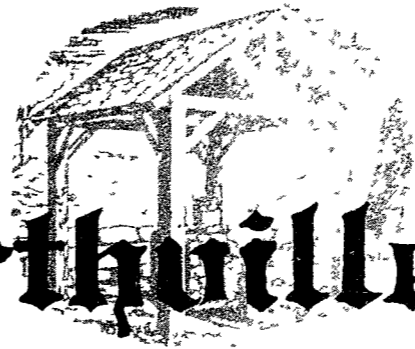

The board recognizes that the future governmental status of the township has some bearing on what steps should be taken at this time.

And perhaps for that reason the lone question appearing on the questionnaire that does not apply directly to immediate police protection is: "Would you favor total unification between the City of Northville and the Township?"

No one has the wisdom to look into a crystal ball and predict the future. And it's obvious that no one on the township board is going to speak out and state flatly what the township should do about its governmental status.

One thing is certain. No matter what form the township eventually takes, the voters must decide.

# Townships Fight Plan For Road Patrol Bills

Caught off guard late last week by an unexpected Wayne County proposal that would force townships to pay for county road patrol services, the Out-County Supervisors Association is gearing itself up for an all-out court battle.

At issue is a recommendation of the special subcommittee on the county budget that demands townships be billed for road patrol beginning December 1.

It means, if approved, that Northville Township along with the townships of Plymouth, Canton, Van Buren, Sumpter, Huron and Brownstown, will be charged for policing it currently receives from the sheriff's department.

Besides requiring that townships be billed, the resolution further provides that invoiced costs be "computed on the basis of the formula developed for the reimbursement from the City of Romulus for patrol services provided by the sheriff."

The Romulus contract was based on a cost of \$174,461 per year for the 24-hour service of one patrol car seven days per

week.

The recommendation was reported out of committee Thursday and will come up for Board of Commissioners vote on December 2.

Angered and admittedly surprised by the sudden county maneuver, Maurice Breen, Plymouth Township supervisor and chairman of the out-county association that includes Northville supervisor Gunnar Stromberg, promised quick legal action to head off implementation of the proposal.

Meanwhile, County Commissioner John McCann, who represents Northville Township and who is a member of the special budget subcommittee, ripped the proposal as illegal but he saw little hope of it being defeated by the board.

"There just isn't any legal basis for it," said McCann, "but I'm afraid the board will go along with it I will oppose it but I'm just one person."

Ironically, McCann was not present when the matter came up. He had left the subcommittee meeting early and it was after he was gone that remaining members by a

unanimous voice (Chairman Richard Manning does not vote) endorsed the recommendation spearheaded by Commissioner Eugene Sikora.

McCann said he wasn't aware of the proposal until it came to the floor of the board of commissioners the following day for first reading.

Manning, who joined McCann in labeling "charge for services" illegal, said "it really doesn't mean anything. All the resolution says is that townships will be billed. It doesn't say that they must pay."

Nevertheless, Manning saw "some good" in the measure because "it will tell townships that they'd better start work on providing their own police protection. It says, 'townships you must consider taxing yourselves to furnish police departments'."

Manning said the measure represents also the board's determination to phase out all county road patrol service by the sheriff's department. While the sheriff has the responsibility under the constitution of providing police service, said Manning, how much service he must provide is not specified. "Would the sheriff and one deputy be enough? No one knows."

"I think this resolution will get a real going over by the board's legal counsel. So if it does nothing else it may result in some important answers about how much responsibility the sheriff really has."

Contention of those pushing the resolution is that townships are presently receiving a "free ride." They pay county taxes, just as do cities, but receive road patrol service that cities do not receive, they argue.

"Can you imagine what would happen if the City of Detroit demanded road patrol service by the sheriff's department?" asked Manning. "Or what about your own city (Northville)? They pay for road patrol they're not receiving."

Breen, however, sees it differently. "We are paying for road patrol through county taxes. The law is clear. The sheriff must provide police protection, and we insist that it be provided."

### State Hospital Patient

## Prints Identify Woman's Body

The decomposed body of a 39-year-old patient at Northville State Hospital, missing since September 7, was discovered in a swamp area one-half mile southwest of the hospital Friday morning by two township boys.

She was identified through fingerprints as Gloria J. Wells, daughter of Mrs. Viola Wells of Detroit.

According to Township Police Chief Ronald Nisun, the woman apparently had wandered away from the hospital. Preliminary reports from an autopsy performed Saturday indicate she had not been murdered.

She had been committed to Wayne County Hospital and then transferred on August 11

to Northville State Hospital until she was reported missing.

The body was discovered by Robert Haibek, 15 of 10423 Joann Lane, and Paul Groff, 14 of 44510 Brookside, near a C & O Railroad spur northeast of the Waterford Lake, midway between Six and Seven Mile roads.

Both boys, after reporting the find, accompanied Chief Nisun to the scene. State Police crime lab technicians, troopers and Wayne County deputy sheriffs helped search for the body after the initial report.

According to Nisun, the body was nude and two articles of clothing were found nearby.

COMING ATTRACTION—Ten-year-old Dane Cates samples a coming attraction to be featured tomorrow around the Thanksgiving table. Taking no chances on losing out to an older brother, he's getting in his licks early.

### Services Tonight, Thursday

## Churches Give Thanks

Special Thanksgiving services will be held this evening and tomorrow in many area churches—including a combined service between the Northville Presbyterian and Methodist Churches.

The union service will be held at the First Presbyterian Church of Northville tonight (Wednesday) at 8 p.m., with the Methodist pastor, the Reverend G.C. Branstner, delivering the thanksgiving message. His topic will be, "Gratitude Phase II."

Music will be provided by the Presbyterian choir and the Bell Choir.

As has been the practice in previous years, those attending the 10 a.m. Thursday service at the First Baptist Church of Northville will review a published list of prayers that have been answered by the Lord during the past year. The list will be composed during tonight's mid-week prayer service.

For the special Thanksgiving service a choir and other musical groups will perform, reports the Reverend Cedric Whitcomb, pastor.

A 7 p.m. Communion service will be held tonight at St. Paul's Lutheran Church. The sermon by the Reverend Charles Boerger, pastor, will be "There Go The Ships."

Services will be held tonight at 7:30 p.m. and Thursday at 8:30 a.m. at Our Lady of Victory Catholic church, reports the Reverend Father John Wittstock.

At both Masses children will be bringing can foods (first four grades will bring a grapefruit or two oranges) to be distributed to the com-

munity's poor. Collection for the St. Vincent de Paul Society also will be taken.

A general Thanksgiving service will be conducted at the Full Salvation Union at 2 p.m. Thursday, reports Pastor James F. Andrews. Thanksgiving worship service will be held at 7:30 p.m. tonight at Living Lord Lutheran Church in Novi where the Reverend Norman Borsvold is the pastor.

A 10:45 a.m. Thanksgiving morning service will be held at The Holy Cross Episcopal Mission in Novi. Holy Communion will be celebrated. The Reverend Leslie F. Harding is vicar of the church.

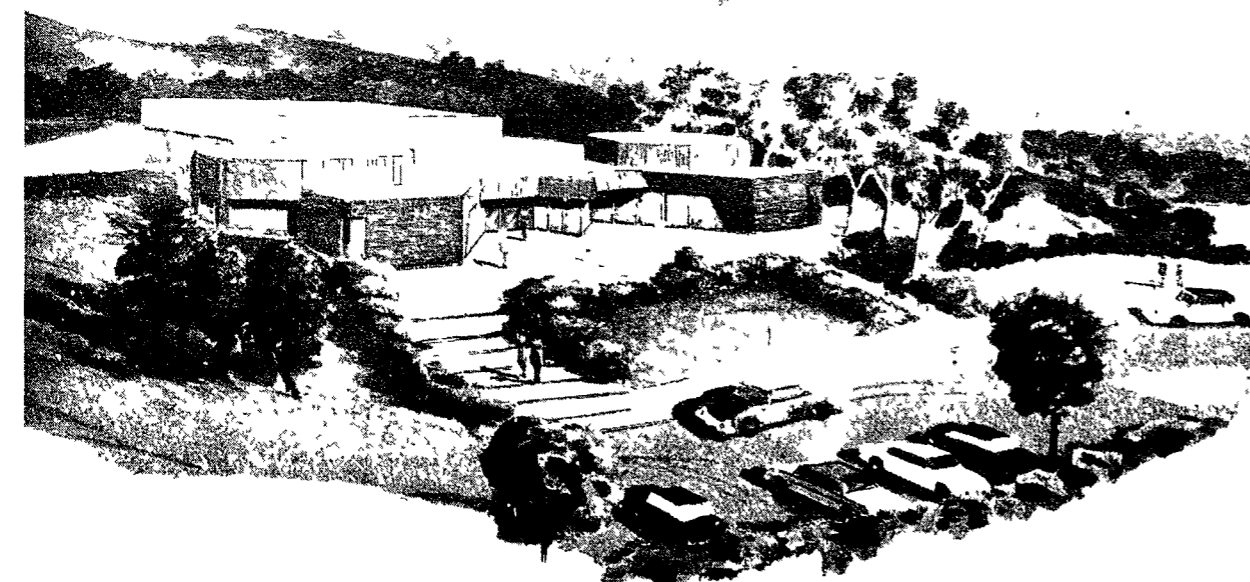

A 6:30 p.m. Harvest Home potluck supper will precede a 7:30 p.m. Praise Thanksgiving Service tonight at the First Baptist Church of

Wixom. Service will be held in First Church of Christ, Scientist, Plymouth, at 10:30 on Thanksgiving Day morning, and the public is cordially invited to attend.

Hymns of gratitude are a traditional feature of the service.

A distinctive feature of the Christian Science Thanksgiving Day service is the individual expression of gratitude by members of the congregation. No collection is taken.

The service, which will be conducted by Alex C. Howell, the First Reader, and Mrs. Fern Anderson, the Second Reader, includes passages from the Bible and from the Christian Science textbook, Science and Health with Key to The Scriptures, by Mary Baker Eddy.

HERE'S AN architect's rendering of the \$450,000 township hall complex approved last week by the Northville township board of trustees. The structure would be constructed on an 8.9-acre site on Six Mile north of the Winchester road intersection. It provides space for governmental

offices, a fire station and police department. The board must first gain voter approval, however. And it still hasn't decided, officially, whether it should provide its own, or contract for police protection—see "Speaking for The Record", page 10-A.

## Newcomers Plan Projects

Five interest groups within the Northville Newcomers Club are scheduling meetings and projects, reports Mrs. John Crotteau, president. They include arts and crafts, gardening, square dancing, knitting and crocheting and gourmet groups.

She points out that Northville Newcomers Club is an organization of Northville residents, or those who have a Northville mailing address, who have lived in the community two years or less. New residents are invited to become members by calling Mrs. J. M. Richardson, membership chairman, 349-7784. Dues are \$4 a year.

Arts and crafts group will feature a demonstration at the December meeting by Mrs. William Broadbent, a Newcomer member, of how to make Christmas angels and wise men of sheeting, styrofoam forms and gold spray paint.

Mrs. Ted Martin will be hostess at 7:30 p.m. December 7 to the Tuesday unit while Mrs. William Maher will entertain a Thursday unit at her home at 7:30 p.m. December 9.

An organizational meeting

for a gardening club was held Tuesday at the home of Mrs. Glen Swarski, chairman. A calendar for the year was set up. It includes gardening projects, workshops, lectures and field trips. There is room for new members with women interested asked to call Mrs. Swarski, 349-4359.

A square dance group now is forming with meetings to start in January at the Modern Squares building on Seven Mile Road. The charge is to be \$2.50 a couple. Chairmen are the Ted Mulvilles, who may be contacted at 349-7473.

The knitting and crocheting interest group, reports Mrs. Crotteau, is working on hats, scarves and purses. Its next meeting will be at the home of Mrs. Peter Peterson at 9:30 a.m. Thursday, December 2. Instructor is Fran Kritch.

A fourth gourmet group has just organized with the first meeting to be December 10 at the home of Mr. and Mrs. James Harris. An Italian meal is planned. All gourmet groups are invited to attend a combined get-together in February. The William Mahers are chairmen and can be reached at 349-6623 for details.

**FAREWELLS AT TEA**—Mrs. E.A. Chapman, life member and a director of Northville Woman's Club, wishes Mrs. William Slattery, right, a pleasant stay in England as she presides at the club tea last Friday. Mrs. John Canterbury, center, who is assuming the treasurer's post from Mrs. Slattery, adds her wishes.

## In Our Town

By JEAN DAY  
**HOLIDAY SEASON** means moving days for some Northville residents. It's also bringing newcomers here.

The William R. Slatterys, who have lived on Dunsany Road in Northville Estates for almost 15 years, will be spending Christmas this year in England.

The Slatterys—he's been transferred by Ford Motor Company—plan to be in the penthouse apartment in Chigwell, Essex, a suburb of London, chosen by Mrs. Slattery on a flying trip to Britain earlier this month.

Mrs. Slattery reports she sought enough space for her family and friends to visit. Their son, Thomas, presently is completing his intern teaching program at Cooke Junior High through Eastern Michigan University. Another son, Michael, is a teacher in Grand Rapids while their daughter, Mrs. Jess (Nancy) Larson, lives in Westland with her family.

A past president of the Northville Branch, Woman's National Farm and Garden Association, Phyllis Slattery has been editor of the state association's newsletter for three years and has been an associate editor of the national newsletter. She reports that she has made arrangements to continue in the latter post, sending news from England to give an international flavor.

Mrs. Slattery also served as Northville Michigan Week chairman for two years and lists among her "most pleasurable jobs" her chairmanship of Northville Town Hall, which became a sell-out success under her guidance.

Last Friday she resigned as treasurer of Northville Woman's Club and was commended for her service. Mrs. John Canterbury, a former treasurer and close friend of Mrs. Slattery, is taking over the club books.

**NEW RESIDENTS** moving here from England are the John Demotts, who have purchased the Douglas Bathey home on Six Mile Road. He has been transferred back to Michigan by Ford Motor Company just in time to celebrate Thanksgiving.

Mrs. Demott and two of their four sons settled in time for Tom, a

Northville High senior, and Charles, a ninth grader, to begin school in September. Two other sons are in college—John newly married, is at University of Michigan and Andy is at Colorado College.

The family lived in Plymouth before moving to England four years ago.

Mrs. Paul Hughes, who played bridge in England with Mrs. Demott while both husbands were with Ford overseas, was hostess for an informal coffee to welcome Mrs. Demott at her home on Harbert last Wednesday.

**HERITAGE HOUSE** closed its doors at 114 North Wing Street when its owners, the Earl F. Beckels, moved to Lansing the beginning of November. They had lived in Northville about 30 years, and Mrs. Beckel had operated the antique shop for almost 10 years.

Mrs. Beckel, whose knowledge and shop attracted Detroit and area antiques, temporarily has retired. She moved to Lansing to be nearer her daughters, Mrs. Janie Donnelly and Mrs. Walter (Ann) Kron and her husband.

Heritage House has been purchased by the City of Northville and is slated for eventual demolition when the city parking lot is expanded.

**NEWCOMERS' CLUB** held its annual racetrack party at Northville Downs last Saturday night with 29 couples making reservations. While none in the party won the Daily Double, Mrs. John Crotteau, president, reports, everyone had fun.

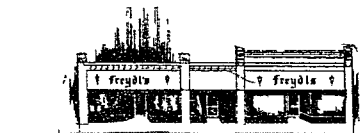

Afterward the group went to Thunderbird Inn for a late evening supper.

**NORTHVILLE** resident Carol Murphy, who has been helping a friend with an antique shop-art gallery, Rouse Galleries, in Bancroft, Michigan, reports that the gallery is holding a "most unusual" showing of works of a 90-year-old painter November 26 - 30.

Artist John H. Carey, she says, paints regularly, turning out several primitives a week. She's excited about his work and hopes area residents will visit the gallery during the holiday weekend.

School integration will be one of the subjects discussed at the Northville-Plymouth League of Women Voters' General Meeting on Thursday, December 2, at 8 p.m., Epiphany Lutheran Church, 41390 Five Mile.

Due to Judge Steven Roth's recent decision, the League will review its Human Resource position, particularly as it relates to integration of schools. Pros and

cons of busing as a tool will be discussed. This issue is being studied on a metropolitan basis and includes representatives from local Leagues in Wayne, Oakland, Macomb and Washtenaw counties.

The second half of the program will be on the Lake Erie Basin Committee. As a result of the LWV concern with conservation, pollution

prevention, and improved water resource planning in the Lake Erie Basin, an inter-League Basin group was formed in 1963. A consensus will be taken among members to determine what new directions this Committee should take.

Anyone wishing more information on the League may call Mrs. Charles Ayers at 349-1710.

## Seek Nominations For Service Award

Northville Jaycettes are reminding organizations interested in submitting a nomination for their first Community Service Award that the deadline is December 1.

The Jaycettes are seeking nominations from organizations or individuals of women in the community who are at least 21 years old.

who have made an outstanding contribution. They stress that there is no top age limit and that the contribution may have been made over a period of years, not just during the year past.

Applications and additional information may be obtained from Mrs. Dennis Dildy, 349-4746, project chairman. Judging is to be December 8.

## Booster Club Forms To Support NHS Band

Charter officers for a Northville Band Boosters Club were elected at an organizational meeting of parents of band students in eighth through twelfth grades November 16.

Projects to raise funds to send the band to band camp next summer were adopted, including a New Year's Eve party for young people in the community.

Mr. and Mrs. E. O. Weber were elected president-team. Other officer teams include Mr. and Mrs. Theodore Heckler, vice-president, Mr. and Mrs. Mark Larkin, secretary, Mr. and Mrs. Orin Hove, treasurer, Mr. and Mrs. Frank Whitmyer are in charge of publicity.

Board members are Mr. and Mrs. H. O. Evans, Mr. and Mrs. James McCurdy and Mr. and Mrs. Robert Crane. The Band Boosters are being organized to assist and support the Northville High School Band and, specifically, to raise funds to send the band to band camp in 1972, Mrs. Weber reports.

She adds that the meeting was well attended and the project unanimously endorsed. The band, she said, will need between \$8,000 to \$10,000 to achieve its goal. She said the Boosters Club expects to raise a substantial portion of the amount.

Mrs. Evans and Mrs. Heckler will co-chairmen a New Year's Eve Party for young people in the community. Weekly cookie sales already are being held every Tuesday at the high school and more than 200 loaves of pumpkin bread were sold during the merchants' open house Sunday in the downtown area.

A group of students headed by Barbara Long is making Christmas ornaments and small gifts. Mrs. J. A. Klasner will offer hand-made gift items at a mini-bazaar during intermission of pre-Christmas band concerts. Other projects under consideration include a millionaire's party, concerts

(called "Take Alex to the Concert"), pancake and spaghetti dinners, a mystery trip, raffle, decal sale, car wash in the spring, and a "hire a band member for spring yard clean-up." Band member parents presently are being surveyed to obtain indication of their interest in

and support for projects under consideration.

Anyone in the community interested in supporting the band boosters effort is asked to contact Mrs. Weber, 349-9971, or any other officer. Former band members and their families are especially welcome.

MRS. JAMES DAVID MORNINGSTAR

## Diane Abrams Recites Vows

A wedding trip to Washington, D. C., followed the marriage service of Diane Raye Abrams to James David Morningstar October 30 at Walled Lake First Baptist Church at which the Reverend Wendell L. Baglow officiated.

The bride, the daughter of Mr. and Mrs. Gerald Abrams, of Wixom, and bridegroom, son of Mr. and Mrs. J. B. Morningstar, of Wixom, also visited with the bride's grandparents, Mr. and Mrs. John Pfeil of Alexandria, Virginia, who were unable to attend the ceremony.

Given in marriage by her father at an altar decorated with a large basket of mums and two candelabra for the evening ceremony, the bride wore a white silk organza A-line gown with a Venice lace panel down the front and lace edging the short sleeves and high neck. A matching lace capelet held her floor-length illusion veil. She carried an arrangement of white rosebuds.

Mrs. John (Connie) Robinson was matron of honor in a deep purple crepe gown with white and gold braid trim edging the short sleeves and v-neckline. Bridesmaids were Mrs.

John (Peggy) Ruggles, Mrs. John (Claudia) Abrams and Mrs. Gaye Karner in pale orchid gowns matching that of the matron of honor. All carried chrysanthemums and daisies.

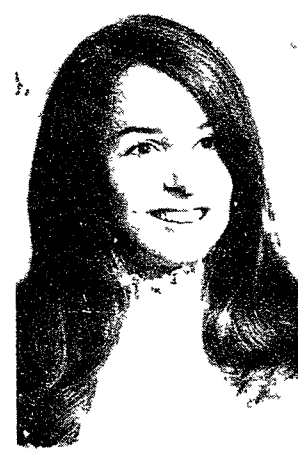

Best man was John Ruggles. Ushers were David Mennecke, John Abrams and John Robinson. For the ceremony and wedding dinner reception at Bay Pointe Golf Club for 100 guests the bride's mother wore a deep aqua, floor-length chiffon dress with long sleeves and v-neckline and avocado accents. She wore a gardenia corsage.

The bridegroom's mother wore a pale blue floor-length chiffon gown trimmed with gold. Her corsage was pink rosebuds.

For the trip east the bride, a 1969 graduate of Walled Lake Central High School, changed to a black knit suit with white-ruffled blouse and black boots. Her husband is a 1966 graduate of Walled Lake Central. He also attended Oakland Community College and Lawrence Institute of Technology.

They will make their home in Wixom.

## Engaged

SUSAN VIVIAN

TERESA HENRY

Mr. and Mrs. Robert E. Vivian, 4112 McMahon Circle, Novi, announce the engagement of their daughter, Susan Marie, to Airman First Class Douglas L. Holmes, son of Mr. and Mrs. Jack D. Holmes, 23034 Balcombe Drive, Novi.

The bride-to-be is a 1969 graduate of Novi High School. She attended Oakland Community College and presently is employed at Hupco Cement Company in Southfield.

Her fiancé, who is stationed at Grissom Air Force Base in Indiana, is a 1969 graduate of Marion L. Steele High School in Amherst, Ohio.

They have set a February 12, 1972, wedding date.

Announcement of the engagement of Teresa Faye Henry to Larry Allen Miller of Oaktown, Indiana, is made by her mother, Mrs. Ardis F. Henry, 41028 Malott Drive, Novi.

The bride-to-be also is the daughter of Dale L. Henry of Littleton, Colorado. Her fiancé is the son of Mr. and Mrs. Otto D. Miller of Oaktown.

She will be in the June, 1972, Novi High School graduating class. Her fiancé is a 1961 graduate of Oaktown High School and is a horse trainer. No wedding date has been set.

## News Around Northville

Regular meeting of the Northville Historical Society will be held December 2 instead of the regular fourth Thursday, is was announced this week.

Highlighting the 8 p.m. meeting, to be held at the home of John M. Carter, 349 High Street, will be a report on the Tivoli Fair, sponsored a week ago by the Society, and reminiscences of Christmases. Assistant hostess will be Mrs. Carl Osborn.

Lamaze childbirth preparation classes, a series of six sessions for expectant parents, will begin at 7:30 p.m. December 7 at the Plymouth Credit Union. The series includes films.

### Novi Nursery Seeks Girls

Novi Cooperative Nursery, located at Eleven Mile and Taft roads, is seeking four-year-old girls for its new afternoon sessions which will be held Monday, Wednesday and Friday starting in January.

Mrs. Douglas Thrush, membership chairman, announces that any mother interested in enrolling a four-year-old daughter can be assured of acceptance by completing and returning a membership application immediately. There presently are nine openings for girls to balance the enrollment of boys.

Openings will be filled in order that applications are received, Mrs. Thrush adds. Tuition for the nursery is \$14 a month. A coffee is planned for December to acquaint mothers with the format of the cooperative nursery. To obtain applications, call Mrs. Thrush at 476-5375.

lectures and exercises to prepare both husband and wife for childbirth. Interested couples in the Northville-Novi area are welcome and are asked to call Mrs. Alan Woodworth, 453-8232, to register.

Mrs. Reuben Jensen, of 18500 Sheldon Road, has been

named co-chairman of the Ladies Hostess Committee for the Detroit Area Council Boy Scouts Leaders' Recognition Potluck Dinner.

The mammoth dinner, which hosts more than 6,000 Scout Leaders and their wives, is scheduled for Saturday, February 5, in Cobo Hall, Detroit.

### Announce Births

Mr. and Mrs. David Filkin, 621 Fairbrook, announce the birth of their first child, Stefan Matias, November 11 at St. Mary Hospital. Their son weighed seven pounds, eleven ounces at birth.

The baby's maternal grandmother, Mrs. Ilse Rosenbrock, presently is visiting the family from Germany. Mrs. Filkin formerly taught German at Northville High School. Paternal grandparents are Dr. and Mrs. L. E. Filkin.

A daughter, Cherie Lee, was born November 8 to Mr. and Mrs. Richard Alkire, 316 South Wing Street, at St. Mary Hospital. Her birth weight was six pounds, three ounces. She joins a sister, Kathleen, 7, and a brother, Thomas, 3, at home. Grandparents are Mr.

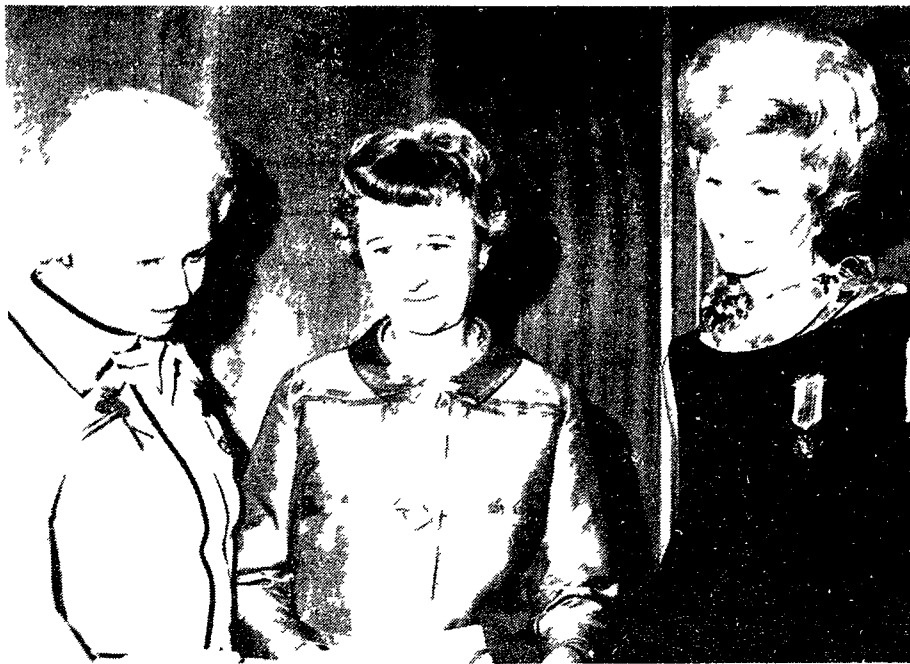

and Mrs. Olen Alkire, Northville, and Mr. and Mrs. Albert Merrow, Farmington.

Mr. and Mrs. John R. Stuart, 522 Fairbrook, have named their new son, Adam John. The baby arrived November 20 at Garden City Osteopathic Hospital and weighed five pounds, thirteen ounces.

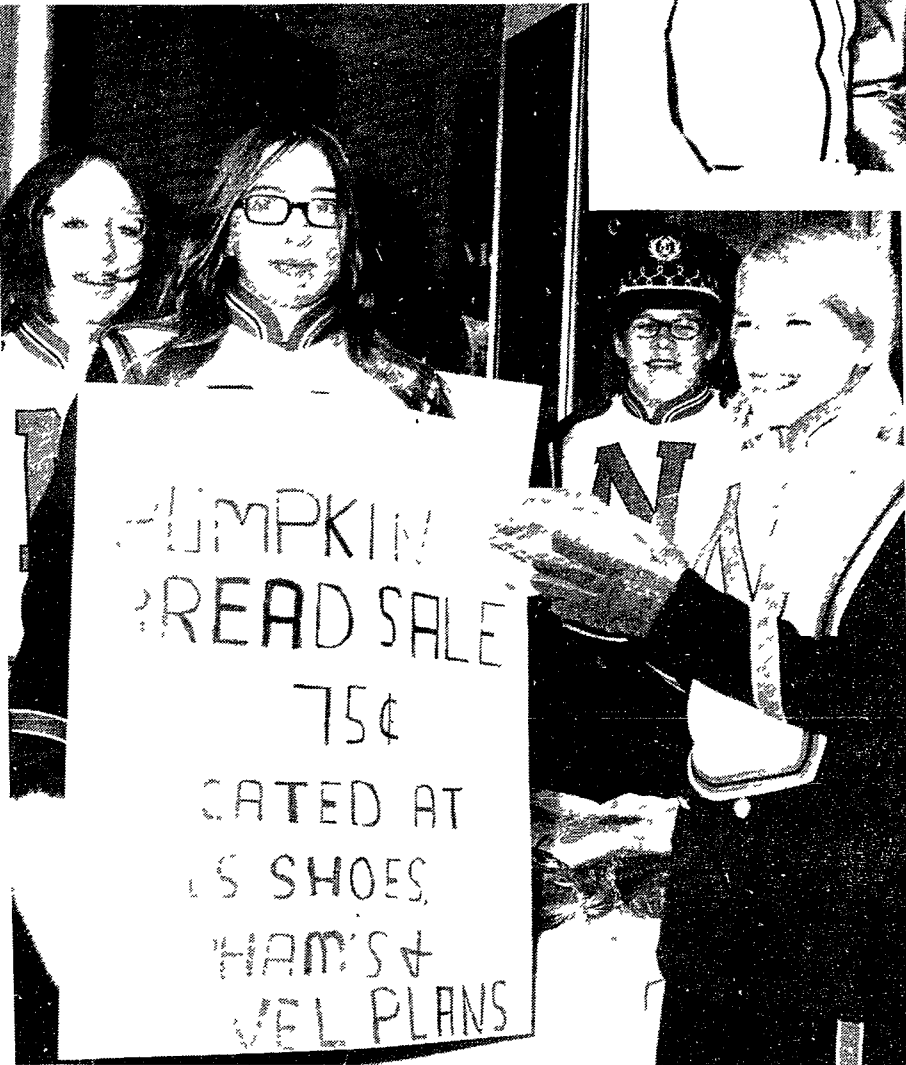

He joins three brothers, Scot, Todd and Craig, and a sister, Stacey. Maternal grandparents are Mr. and Mrs. Roy Flavin of Northville.

### Temporary Delay

# Board Action Cools Teacher Strike Talk

Possibility of a teacher strike in Novi appeared dimmer early this week in the wake of action by the Novi Board of Education to grant salary step increments called for under the 1970-71 contract.

Following the board's action Monday in granting the step advancement, effective November 15, NEA negotiator Milan Obrenovich said he would recommend the following night that teachers extend the 1970-71 contract for a third time—to November 30.

The board earlier had voted extension to that date.

"I at least can tell the teachers now (in the wake of Monday's board action) that some movement has been made indicating hope for settlement," observed Obrenovich.

But Michigan Education Association representative, John Rennels, made it plain that "if no settlement is reached by November 30 I will recommend that teachers walk out. This thing has dragged on far too long already."

MEA officials last week visited Novi and began setting the stage for a strike. A crisis committee has been established "to prepare teachers and the community for a possible emergency."

Obrenovich remained optimistic that a settlement will be reached before November 30. "We're just too close. That's what bothers me about the delay in settlement," he said. "I'm hopeful the board will at least fully investigate some alternate suggestions towards settlement that we have made."

Superintendent Thomas Dale told board members of the alternatives Monday—possibly detailing them at an executive session that followed Monday's meeting.

Specifically, Obrenovich said the alternatives suggest a higher percentage of salary increase—"but at a lesser total cost to the district than the proposal teachers approved (November 4) subject to board agreement."

That proposal was unanimously rejected by the board of education November 8 and apparently only because the district's attorney, Frederick Knauer, interpreted it as including retroactive pay Presidential

guidelines rule out such pay for teachers.

"I hope they cost-out our figures to see for themselves that our alternatives will actually mean less money," said Obrenovich. "Once they realize that we are really asking for fewer dollars I don't see how they can refuse."

In taking its action concerning step increments, the board acted upon the advice of Knauer, who said he is confident the increments are legally justified and within the spirit of governmental guidelines.

(Step increments refer to those built-in contractual increases resulting when teachers gain an additional year of seniority. A BA teacher with three years experience, for example, receives more money than does a BA teacher with two years experience.)

(Adjustments approved by the board refer only to the present 1970-71 contract, not to any new contract that might be negotiated for the 1971-72 school year.)

Knauer noted that while some increments may slightly exceed the 5.5-percent guideline established by the government, the average overall increment of all teachers will fall below this 5.5-percent figure.

Based on available governmental information, he said, the overall average in his opinion does not constitute a violation of guidelines. "I think it is a risk that can well be taken" in the absence of more definitive explanation, he said.

There is no legal doubt that, since the wage freeze is no longer in effect and since increments are provided for in the contract under which teachers are working, these increments should be honored, he explained.

In approving the increments, the board qualified its action by stipulating that such payment continue only until the 1970-71 contract is terminated. By doing so it served notice to teachers that if they did not agree to extend the contract, from its Tuesday expiration date to November 30, the increments would be voided.

The 1970-71 contract was originally extended to the expiration of the wage freeze, then extended to November

23, and appeared likely to be extended (Tuesday) to November 30.

"The extra week," said Obrenovich, "should be sufficient time to reach a

settlement. If not, then I can't promise you what will happen."

Had the board not granted increments Monday, an emergency teacher meeting

was to have taken place today and, very likely, Thanksgiving would have been the start of a district-wide strike, according to Rennels.

## Non-Teacher Pacts Approved by Board

Contracts for custodial, cafeteria and transportation officials were approved by the Novi Board of Education Monday.

Wage increases within the contracts, according to Superintendent Thomas Dale, are within the 5.5-percent wage increase guidelines of the federal government.

Here are some of the basic provisions of the contracts:

**CUSTODIAL**  
Hourly pay ranging from \$3.70 to \$4.06 for head custodian, from \$3.45 to \$3.60 for assistant custodian, from \$2.90 to \$3.30 for janitor, from \$2.55 to \$2.75 for matron, and from \$2.60 to \$2.90 for temporary help.

During the regular school year, custodians are to work one-half day on Saturday with every fourth Saturday off.

Fully paid Blue Cross-Blue Shield health insurance for

those employees who are principal wage earners in the family.

Six paid holidays; 10 sick days of which three may be used as business days.

**CAFETERIA**  
Hourly pay ranging from \$1.85 for substitutes to \$2.58 for school cafeteria managers.

A full day pay on days school is cancelled because of weather.

Paid uniform allowance—\$25 in September and \$25 in January for full-time employees.

Ten days sick leave per year, with unused days accumulating to a maximum of 60, and two business days per year upon approval by the cafeteria supervisor and building principal.

Six paid holidays.

(A contractual provision for the district cafeteria

supervisor was removed from the contract, since this is a non-union position. A separate provision and salary figure is to be proposed by the superintendent for the supervisor.)

**TRANSPORTATION**  
Hourly pay ranging from \$2.85 for probationary drivers to \$3.90 for drivers with more than 10 years experience.

Ten sick days per year, accumulative to a maximum of 60 days.

Two personal business days per year to be paid at the regular average daily rate.

Paid Blue Cross-Blue Shield health insurance for full-time drivers qualifying as the household principal wage earner.

Six paid holidays.

A regular day's pay on days school is cancelled because of weather. This provision was added at Monday's meeting.

### Replaces Mrs. Henderson

## Jeanne Clarke Takes Novi Highlights Post

"I like being part of the growth in Novi...I love seeing the new homes going up and thinking of all the people who are having the opportunity of living in what used to be country and still does have so much rural area left," exclaims Jeanne (Mrs. Leslie) Clarke, new author of Novi Highlights.

Mrs. Clarke, who also is employed at the City of Novi, takes over the Novi News column from Mrs. H.E. Henderson, who retired this month.

Known for her work with young people in the community, Mrs. Clarke received the 1969 award and plaque from Novi Goodfellows for her "Job Well Done" with youth.

She has been a Girl Scout worker for about 20 years, presently serving as leader of Troop 351. She is secretary for the Youth Assistance Committee. She has headed the Novi United Fund Drive and March of Dimes as well as working with the Walled Lake PTSA and Novi Rebekah Lodge.

A 25-year member of Novi First Baptist Church, Mrs. Clarke has held many church offices.

Married—"for 25 years next September"—Mrs. Clarke and her husband have two daughters, Sharon, who is Mrs. Ray Horton, and Karen, 17, a student at Walled Lake Western.

She has worked with foster children and reports that three remain part of the immediate family—Mrs. Corby Duke (Linda Early), Charles Early and Bill Bean. There are seven grandchildren in addition to an exchange student, Lianne Megens, who still included as

"immediate family" even though she has returned to Holland.

Mrs. Clarke's mother, Mrs. Marie Travis, lives in Northville. A brother, H.K. Travis, and his family live in Novi while another brother, Dr. James Travis, and his family live in Blue Moutain, Mississippi.

A graduate of Walled Lake

High School with two years of Detroit Business College, Mrs. Clarke previously was employed at Ford Motor Company, Dearborn, as a purchasing analyst.

Her home is at 42486 Thirteen Mile Road with a Walled Lake mailing. Most important, her telephone is MA 4-0173, and she wants to hear your Novi news.

CORRESPONDENT JEANNE CLARKE

## Paving Proposed By Road Report

Proposals for the paving of portions of Meadowbrook and Taft Roads were brought before council Monday as the Novi Road Improvement Committee presented a synopsis of its study of the city's current road situation.

Formal hearing and acceptance of the Road Committee's report was postponed until the council's next session Monday, November 29, in order that the entire council could be present to hear the recommendations. Only four members were present at last Monday's meeting when the report was given.

Specifically, the study recommended that work begin immediately that would result in the paving of Meadowbrook Road between Nine and Ten Mile Roads and

Taft Road between Ten Mile and Grand River. The actual paving would begin this summer according to the committee's timetable.

Also offered was a tentative second phase which called for the paving of Beck Road between Eight Mile and Grand River, Taft Road between Nine and Ten Mile, Nine Mile from Taft to Novi Road, West Road from South Lake to 14 Mile, and Meadowbrook Road between Eight and Nine Mile and from 10 Mile to Grand River.

The second phase of the paving program, as projected by the report, would be accomplished over the next two to three years.

The Novi Road Committee was established early this past summer by the council

from a group of residents deeply concerned over the condition of the city's roads.

Chaired by Russell Stroud with Edward Vahlbusch as vice-chairman, the committee consisted of Carl Gowan, Carl Traynor, Tom Spero, Gary Roberts, Mirl Spencer, Paul Kemp, Ray Anchors, Hadley Martin, Joseph Dunnabeck, and Donald Prime.

In placing primary importance on the paving of Meadowbrook and Taft Roads, the committee referred to two factors. Traffic counters revealed that Taft and Meadowbrook were by far the two most heavily traveled non-county or state roads in the city. Taft recorded a count of from 788 to 891 cars daily, while the Meadowbrook figures ranged from 862 to 2,395.

The committee also referred to Novi Department of Public Works studies, which revealed a major portion of both their time and money was spent in maintaining those two roads.

Cost of paving Meadowbrook between Nine and Ten Mile Roads, as estimated by the Road Committee, would be \$300,000. The proposed Taft Road paving, between Ten Mile and Grand River, would be \$325,000.

Funds for the project would come from three major sources: Michigan Highway Law Act 51 reimburses local communities for road construction and maintenance a portion of the motor vehicle funds. An amount of \$265,000, the committee feels, could be reimbursed from the state to Novi.

A second source of money—\$100,000—would come from approximately \$115,000 the city currently holds in cash on hand from Act 51 Major Road Money. An assessment of \$12 per frontage foot would be levied against property owners abutting the sections of the road to be paved as a third source of revenue, the committee proposed.

No additional millage would be required to finance phase one of the project.

Financing for the second phase was also outlined in the report and did include the levying of additional millage. Committee Chairman Stroud pointed out, however, that existing financing plans may change. There are two bills currently in committee in Lansing, he noted, that could increase monies available through Act 51 as much as 20 to 25 percent.

## Board Seeks 10 Mile Limit

Novi's Board of Education is going to press for speed limit reductions on 10 Mile Road again—only this time it's going to do it a little differently.

Upon the recommendation of Superintendent Thomas Dale, the board has given the superintendent its full backing in arranging a meeting of Oakland County Road representatives, state and local officials, and citizens who may have something to say about the existing speed limit.

In the past, the board has built its case for lower speeds on repeated written requests, which have produced little or no change.

Rather than simply endorsing Novi City Council efforts, the board plans "to take the initiative" and arrange a meeting in which it and citizens may take their case directly to the officials who have the responsibility for lowering speeds.

No date for the meeting has been set, pending completion of arrangements by Dale.

## 34% of Class College Bound

Interviews of the 107 Novi High School seniors indicates that 34-percent of the 1972 class is college-bound, the counseling department has disclosed.

Nine percent of the class indicates pursuit of studies at trade or vocational schools. Of those who plan to enroll in college following graduation, 34-percent will enter four-year colleges, eight-percent two-year colleges.

The four-year colleges picked by the students include 11 in Michigan and one in

South Carolina. Represented thus far are Central, Columbia Bible College (South Carolina), Eastern, Ferris, Grand Valley, Lawrence Tech, Michigan State, Northern, Oakland Community, University of Detroit, University of Michigan, and Wayne State.

Fields of special interest selected by those who plan to attend trade or vocational schools include automobile technology, airlines, cosmology, dental technician, data processing, diesel mechanics, electrical, and electronic.

**SAFETY HONORS** — Safety boys and service girls honored recently for service during October were, front row, left to right, Ty Gray, Debbie McMullen, Main Street; Vivian Hyatt and Bob Dinsen, Moraine. Row two, Kris Tuck, captain; Lisa Brielmaier, Annette Sabourin, lieutenants; and Renate Cahill, all of Amerman. Row three, Jeff Norton, captain; Frank Helmus, Mike McLaughlin, lieutenants; and Brian Vradenburg, all of Amerman.

## School Votes \$100 for Legal Study

# Supports Anti Busing Move

Northville's board of education considered two other matters of business in its special meeting Friday night, which had been called chiefly to appoint a new member to the board (see story elsewhere in this edition).

By a 5-1 vote, with Treasurer Glenn Deibert opposing, the board approved an expenditure of up to \$100 to explore the direction of legal action to be taken by school districts in Region Nine concerning the Judge Roth decision and the metropolitan Detroit integration proposal. Superintendent Raymond Spear emphasized that he would attend a meeting of the 85-district, three-county group and attempt to determine what action, if any, would be taken. He reported that 30 of the Region districts had made some financial commitment.

The board also approved a letter to Senator Robert Griffin supporting his opposition to busing to create racial balance (see letter below).

Treasurer Deibert did not oppose the communication, but he announced that, while he "opposed busing period",

he wished to note that "as a Christian, if there's a neighbor in need, we should help." He said that if students outside the district did not have proper facilities, they should be given the opportunity to use local facilities.

He did not reply to Superintendent Spear when asked if this meant that he (Deibert) favored "one-way busing."

The board letter follows: The Northville Board of Education received a copy of your most recent publication of "Congressional Record" (October 7, 1971) at its regular meeting on November 8, 1971 and requested that I advise you of their reaction to same. I am most pleased to take this opportunity to communicate to you the general support of the Northville Board of Education relative to your position that "forced busing is not only expensive and time consuming but it represents a wasteful diversion of scarce tax dollars that could, and should, be used to improve the quality of education."

The Board further wishes to note that they are not against cross district busing when its intended purpose is to expand

educational program, but that they do oppose such busing if the purpose is to create racial balance, an act which is discrimination in and of itself due to the resulting assigning of students to a particular school because of their race, color, religion or natural origin.

We recognize and ap-

preciate the problems of today's society and join with you in support of the need for all people to work toward achieving the goal of racial harmony and a truly integrated society but suggest that these goals can, as you have so aptly said, more appropriately be reached by "making sure that job op-

portunities are really equal, that housing opportunities are really equal, and by improving the quality of education available to the poor, regardless of race."

We support your efforts in behalf of better education for all children of our nation and urge you to continue your efforts in this behalf.

## Novi Students Get First Hand Training

A new block-program giving students model office experience is in operation at Novi High School, Miss Diane Pawlak, business teacher, has revealed.

Participating students in the class, which meets two hours daily, are evaluated during the marking period on the basis of work performed, their improvement from period to period, how well they perform their assigned duties, and other officials' qualities. Miss Pawlak explained.

When entering the class, students sign in on time cards

which later are posted on attendance records maintained in their individual files.

Other office qualities reviewed throughout the course include maintaining payroll records and computing checks for the girls on the basis of hours worked for that week.

Miss Pawlak explained that while no actual money is paid students for their work they do receive first-hand knowledge on computing gross and net pay and maintaining the actual master records that a company would normally keep for

its employees. A filing system is set up and maintained by the girls, and a variety of other office duties are implemented in the class to give students experience in all phases of office work, she said.

On a monthly basis, students are assigned duties which can include receptionist, file clerk, inventory clerk, attendance clerk, order clerk, messenger, stenographer, payroll master or other duties so they have an opportunity to learn what responsibilities relate to those particular duties.

## October Calls Up But Crime's Down

Police calls were up but crime in general and automobile accidents and traffic violations fell off during October, the monthly Northville Police Department report shows.

Most significant of the crime reductions included Larceny of \$100 or more, down from 8 to 1, larceny under \$100, down from 17 to 3, and minors violations, down from 12 to zero.

Fourteen other criminal offense categories showed lesser decreases for October in comparison with the same month last year.

Ten categories showed increases, but only one—narcotic violations—was up significantly, from two in October of 1970 to 13 in the same month this year.

Similar results showed up in

the traffic report. Six categories showed marked decreases while two others showed lesser decreases. Only one, parking violations, was up substantially—from 55 to 200.

Automobile accidents were down from 29 to 12, property damage accidents were down from 29 to 5, total accidents were down 29 to 12, injury accidents were down 10 to 2; number of persons injured was down 76 to 2; and moving violations were down 221 to 150.

Overall for the year, 26 categories show significant increases to date over the similar period last year, while 23 categories are down significantly.

Significant increases: Larceny from buildings, 30 to 44, liquor law violations, 5

to 27; minors, 20 to 37; minor in possession of alcoholic beverage, 13 to 39, narcotic violation, 3 to 26, traffic operator's license, 66 to 74, drunk driving, 34 to 52, parking violation complaints, 27 to 65, arrests for other departments, 13 to 32;

Departmental service, 148 to 229, calls to the DPW by police, 110 to 148, found property, 41 to 60, teletypes sent, 2214 to 3100; vehicles impounded, 69 to 95, warrants served other departments, 31 to 67, warrants served City of Northville, 68 to 74, assist other police and fire departments, zero to 58, total accidents, 186 to 205, moving violations, 1121 to 1439; parking violations, 1241 to 1977, dog violations, 63 to 73,

Total calls received, 4253 to 5031, total city calls, 3847 to 4613, total miscellaneous calls, 1453 to 2198, township fire calls, 58 to 90; and missing persons, 14 to 23;

Significant decreases: City fire calls, from 72 to 56, stray dogs, 169 to 124; impounded dogs, 66 to 49, reclaimed dogs, 28 to 19, open doors, 87 to 44, burglaries, 40 to 24, insufficient funds, 21 to 14, larceny from motor vehicles, 73 to 36, larceny from person, 18 to 7, larceny of \$100 or more, 53 to 23, larceny under \$100, 76 to 46, vandalism under \$100, 108 to 89,

Disorderly conduct, 40 to 31, other miscellaneous traffic, 179 to 17, family or neighbor trouble, 36 to 20, other miscellaneous complaints, 416 to 310; lost property, 32 to 23, suspicious person, 90 to 79; police vehicle out of the city for any reason, 599 to 400,

Automobile accidents, 183 to 127, property damage accidents, 181 to 107, and number of persons injured, 144 to 52, and escapees, 8 to 3.

# NOVI HIGHLIGHTS

By JEANNE CLARKE

MA-4-0173  
Mrs. Dolly Alegnani entertained her Pedro Club at her home on McMahon Circle Friday at a noon luncheon.

Leon Dochot attended the Oakland County Law Enforcement Meeting on Tuesday at the Green Parrot Inn in Pontiac.

Hunters returning this week from Ontonagon were Mr. and Mrs. Gale Stowell, Becky, Bill and Randy Stowell, William Mac Dermid and son Dennis and Jeffery, Don Bingham and son Doug, Fred Bingham and son David, Richard Bingham, and Bob Barber. The one returning with a deer was Mrs. Mary Stowell.

Joe Whyte of Napier Road returned this week from a week's hunting at Bois Blanc Island in Upper Michigan.

Harold Ortwin of Stassen Street and Danny Mac Dermid were hunting in the area of Wolverine, Michigan and returned home Sunday.

Mr. and Mrs. Russell Button and family, Rose and Russell, Jr., hunted at Lost Lake Woods Club which is near Lincoln in the Hubbard Lake area.

Mr. and Mrs. Martin Willacker and family, John and Annette of Taft Road returned home this past week from hunting near Paradise.

Pastor Arnold Cook and a group including out of state friends, Jack Brown of

Cleveland, James Brown and Robert Smith from Reidsville, North Carolina hunted in the area of Gaylord.

Leslie Clarke and his daughter Karen returned home on Sunday from a week of hunting near Elk Rapids. Mr. Clarke was the fortunate in their group to get a deer.

Mrs. Millie McHale of Clark Subdivision entertained her birthday club at her home on Tuesday evening.

Fran Kohl of Ruston Street of Country Cousins Estates who collects fans for a hobby returned home from visiting Mrs. Garvin Wylie of Washington, Pennsylvania this week end. While there she added four rare and unusual fans to her collection.

Susie Burton of Elyen Mile Road celebrated her 14th birthday by having a pajama party at her home. Guests who were present were Valerie Wilenius, Pam Colbert, Marcie Brooks and Kim Brines.

Mr. and Mrs. Ed Ash of Garfield Road completed a six week seminar at University of Michigan for Horse Management.

Mrs. Ed Ash received a bouquet of flowers and a plaque for her three years of service as Secretary of the Arabian Association at the Annual Meeting of the Arabian Association in Michigan recently. This was held at the Student Union Building in Lansing and there

were about 150 people present.

Sue Calhoun, Novi High School's 1971 homecoming queen and daughter of Mr. and Mrs. Gale Calhoun, 4000 Grand River, has been released from Botsford General Hospital and is recuperating at home following an automobile accident November 10.

The Novi senior, who was in intensive care at the hospital for more than a week with internal injuries following the accident, now is reported recuperating well.

Her parents say that she expects to return to school after New Year's.

## NOVI PIN POINTERS

This group meets on Wednesday morning at 9:30 at Belair Lanes in Farmington and is presently looking for a person who is interested in bowling as a regular, and for substitutes. Anyone interested may call Shirley Shank at 349-2653. President Karen Fitzpatrick of the Willowbrook area is moving in December to Pennsylvania and someone is needed to take her place in bowling.

Winners of the turkeys last week were Bernice Semke for High Game and Fran Tamm for low game. Individual high game — Pat Crupi with 233, Diane Alexander with 224 and Shirley Shenk with 203. Individual high three — Pat Crupi with 564, Diane

Alexander with 539 and Rita Stockener with 538.

## NOVI BOY SCOUTS

The Boy Scouts at their regular meeting on Wednesday, under the leadership of Mr. Dave Harrison, made plans for the Ice Follies trip on Saturday. At the Pack meeting, on Friday night, Donald Burnham was welcomed into the Boy Scout Troop by Mr. Harrison.

About 51 Boy Scouts and members of Girl Scout Troop No. 1027 attended the Ice Follies at Olympia Stadium on Saturday in Detroit. They made the trip in the Boy Scout bus driven by Mr. Fred Buck. Other adults attending were Mr. and Mrs. Dave Harrison, Mr. Ron Pazderski, Mr. Bill Rice, Mrs. Jeannette Smithson, Mrs. Robert Loynes, Mrs. Louie Campbell and Mrs. Miriam King.

The Boy Scouts are planning an old fashioned "Turkey Shoot" on December 11 and 12 at the Novi City Park on South Lake Drive from noon to 5 p.m. A ham or turkey will be awarded for every round. Everyone is encouraged to bring their own guns but loaners will be available. The committee of men who are in charge are Mr. Dave Harrison, Mr. Ron Pazderski and Mr. Duane Bell.

Boy Scouts also are planning to have their annual Christmas tree sale again this year. A group of men, including Mr. Bill Fear and Mr. Hank Myers, who will be accompanied by some of the Scouts, will be driving to an area near Clare to pick out the trees and bring them back on December 4. They will be on sale in a space near Trickey's Hunting and Fishing Store on Grand River.

## NOVI GIRL SCOUTS

All registered adults in Girl Scout Troop No. 1027, leaders, leaders, and committee members are reminded of the Farmington Novi Area Meeting on Monday, November 29. The information regarding the meeting was listed in the Scout Chat. Anyone not having the Chat is urged to call Mary Beth Piatt and Jacques Wilenius for additional information regarding transportation, etc.

Brownie Troop 161 visited the Novi Police Station and Fire Department at the City of Novi Offices last Tuesday. While there they were hosted by Patrolman Gary Appleton and Fireman Dennis Ireland. The girls visited the Detective Bureau, were shown all the equipment on the police car, had their fingerprints taken, and were shown all the equipment on the fire trucks. They were accompanied by leaders Mrs. Marge Davey, Mrs. Lyn McNamara and also Mrs. Zoe Ann Price.

Brownie Troop No. 519 from Village Oaks has been meeting just a short time under the leadership of Mrs. Robert Kessler and Mrs. Donald Shonk. It now has 25 girls, having invested 14 girls recently. Other activities have included a hike through the apple orchard and making folders with fall decorations. A new girl, Lisa Pretty, joined the troop last week.

Junior Troop 913 is in the process of selling calendars. Other troop plans include a bicycle outing where they will get instruction regarding the care and use of a bike. Also they are discussing their Christmas plans. Last week they had two new girls join the troop, Kathy and Janet Belki. Brownie Troop No. 404, which meets in the Novi Community Building on Tuesday, made wall plaques from paper plates for their homes. Diana King brought treats for the troop and the girls also played Brownies and Fairies. Leaders of this troop are Mrs. Jack Derrick and Mrs. Brad Faulkner. As there are just 14 girls in this group, they do have room for a few more.

Brownie Troop No. 351 members went for a color hike on Tuesday and special guest was Mrs. Sharon Dees. Linda Hellwege brought treats in the new treat pail. The troop also signed a birthday card for their adopted grandmother and decorated bags to bring canned goods back in next week for a needy family for Thanksgiving.

Junior Troop No. 1027 finished their Christmas ornaments which are black silhouettes combined with colored tissue paper and a glazing product. The majority of the troop finished the Health Aid badges and got them signed. Members also made plans to attend the Ice Follies on Saturday with the Boy Scouts. The new scribe for this troop is Diane Bosco.

## Cub Scout Pack 239, Village Oaks

The monthly Pack meeting was held on November 18 at the new location of Village Oaks School. At this time, the pack was presented with its Charter by Dick Jensen, neighborhood commissioner of Boy Scouts in Novi.

Award were presented to the following: Frank Leurch, who received Bear Patch, Bear Mother's pin, gold arrow, Webelos's book and Webelos colors; Russell Smith, who received the Denner Bar; Mike Everett, the Assistant Denner Bar; Jim Pazderski, the Assistant Denner Bar. Three new boys were inducted, Gary Phillips, Charles Swift, Randy Kelley, and they all received Bob Cat pin and Wolf book.

All boys brought in canned goods which were put in box which will be given to a needy family in Novi as a Thanksgiving gift. Then dens displayed centerpieces they had made and which will be given to Beverly Manor Nursing Home.

Den No. 1 showed rope making machine they had made and also demonstrated it. Den No. 4 put on skit and presented two small candy trees to the pack. Cubby Award was given to Den No. 1 for having the most parents present. The boys ended the meeting with the Grand Howl.

The committee meeting will be on Tuesday, December 7. The place is to be announced later. At this meeting preparations for the Christmas Pack meeting will be started. Date for Pack meeting is to be announced at a later date. Also this pack is making plans for a Father and Son Bowling day, with a tentative date of December 11 being set.

## Cub Scout Pack 240, Orchard Oaks

At committee meeting for November various projects

were discussed to increase treasury. The Cub Scouts will be taking orders for Holiday Candles and Plaques. There are six different plaques for sale including Rudolph, Snowman, Christmas Tree, Candlestick, Angel and Smile Face. For any further information. About obtaining these items please call Mrs. DeBoule at 349-5852. The most pressing need for the boys at this time is male leadership to work with the Webelos group.

On November 6, several parents and leaders attended an all day training session in Pontiac. The November activity for the Pack was attending the Ice Capades at Olympia. Next committee meeting will be Monday, December 6 at the DeBoule residence at 7:30 p.m. This will be the final day for Christmas orders to be turned in. Everyone's prompt attendance will be appreciated.

Pack 240 held its monthly meeting on November 23 at Orchard Hills School. The meeting included flag ceremony by the Webelos assisted by Den No. 2; skit presented by Den No. 2; props readied by Den No. 2; and refreshments taken care of by Den No. 4. Den No. 5 had the responsibility of setting up and Den No. 6 for cleaning up.

## Pack 54

The monthly meeting of Pack 54 was opened November 19 by the flag ceremony conducted by the Webelos Den under the instruction of Official Den Chief Tom Bell. Opening greeting was made by Cub Master Bill Milan, who also presented the cubs with a few word puzzles.

Following was a talk presented by the Webelos leader, Ray Putansu, who is also the assistant cub master. The neighborhood commissioner, Dick Jensen, presented Chairman Rose with the Summertime Pack Award, and also presented Mrs. Myra Wysocki with a Boy Scout Cup for outstanding service. Several achievements were awarded as follows:

Two new scouts were inducted into the pack and now hold Bobcat rank. They are Scott Lukkari and Tony Lee. The Bear Badge was awarded to Fred Madly, along with a 1 year pin and gold and silver arrow; to Tracy Neil, along with a 1 year pin and silver arrow, and to Danny Haas, along with Assistant Denner Stripe. Scott Derrick was awarded the Recruiter Patch. Both Mark Ortwin and Danny May were awarded one year pins.

The ceremony advancing Paul Henderson and Kenneth Loynes to the Webelos Den was held. This is where the parents present the boys with a new neckerchief and different type of hat, signifying that these boys are mid-way between cubs and boy scouts. They also received their colors.

A sad farewell was given to Donald Burnham as he has reached his 11th birthday and

is now ready for Boy Scouts. Mr. Dave Harrison, scout master Troop 54, welcomed Donald to the Boy Scouts.

A 20 foot rope walk contest was held. Participants were the champions from each den. The Cub had to walk the rope bare foot and blindfolded. Paul Wysocki, Den 10, was the final champion.

As a special event, the fathers of the Cubs had baked cakes; these were brought to the pack meeting and auctioned off to the Cubs. Profit from this sale, \$30.25, was added to the treasury.

The attendance award was given to Den 10 Leader Marilyn Byrne, with the most parents present at the Pack Meeting.

Each den displayed handicrafts which had been made during the Den meetings. As the theme for November was Early Colonists, these were in the shape of forts, wood houses, etc.

The closing ceremony was conducted by the Webelos Den.

Parents are reminded that the next Pack meeting is December 17 at 7:30 p.m. at the Community Building. The theme is "Goodwill" and cubs are going to make up two baskets for needy families. They also will make decorations for Christmas trees.

Parents interested in cubbing are advised there is going to be free Cub Scout training held December 11 at the Novi High School.

## NOVI GOODFELLOWS

The Novi Goodfellows will have their annual paper drive on December 10 and 11, Friday and Saturday. The sale will start as early as possible and continue as late as anyone can work. Anyone interested in helping the Novi Goodfellows sell these newspapers "so that every child in Novi will have a Christmas" can call Leon Dochot at 624-1248.

Any group or individual interested in contributing to this Goodfellow project may do so by sending their donation to the Novi Goodfellows at Box 185, Novi, Michigan. Canned goods are desperately needed, and, again, any group or individual wishing to help may get items picked up by calling Mr. Dochot at 624-1248.

Names of needy families may be phoned into Mrs. Macaluso at 349-6216, Miss Choquet at 624-1248, and Betty Harbin at 349-1005. Names will be taken by this group starting on December 1. Last year this group arranged for 60 baskets to be delivered in the Novi area.

On Saturday night, a committee from the Goodfellows worked in a Food Booth at the Community Hall Auction. Those working on this committee were Mrs.

Joyce Brewer, Mrs. Jack Boshell, Mrs. Edward Brewer, Mrs. Dorothy Brewer and Mr. Leon Dochot.

**YOUTH ASSISTANCE**  
Chairman Mary Beth Piatt of the Research and Program Development Committee is planning a December meeting for her committee members, Annette Skellenger, Laurie Killeen, Jean DeWard and Jeanne Clarke. This group is collecting statistics regarding a Community Profile. This project will aim towards discovering weaknesses in the area regarding Youth Services.

**NOVI SENIOR CITIZENS**  
The Novi Senior Citizens Group met Tuesday (November 23) at the Novi Community Building on Novi Road. Plans for their Christmas Party on December 21 were made. Following the meeting, refreshments were served.

## BLUE STAR MOTHERS

The regular meeting of the Blue Star Mothers will be on December 2 at 11 a.m. at the home of Mrs. Dolly Alegnani, 41051 McMahon. The annual Christmas Party will be at this time. There also will be an exchange of \$1 gifts, following the potluck luncheon.

At the business meeting, the ladies will have election of officers. This group is open to any mother of veterans in the area. Mrs. Russell Race of Twelve Mile Road is in charge of receiving names and addresses of any servicemen for Christmas boxes. She may be reached at 349-2293.

## NOVI REBEKAH LODGE

There will not be a meeting this week because of the Thanksgiving Holiday. However, all members are reminded of the meeting on Thursday, December 2. This is an important meeting as it will be election of officers.

## FIRST BAPTIST CHURCH

The church family will be having a potluck dinner following services on Sunday in honor of Mr. and Mrs. Art Karschnick and family who will be home for the Thanksgiving Holiday. They are presently attending Appalachian Bible Institute in West Virginia. Anyone wishing more information may call Mrs. Royal McCormick at 624-4759.

The young people of the church are making plans to attend "Youth on the March" to be held Saturday, November 27, 1971 starting at 9:30 a.m. at the Southgate High School in Southgate.

Other activities of the young people presently is a contest within their young peoples group which meets at 6:00 at the church in Flint Hall in the Novi area.

# Wixom Newsbeat

By NANCY DINGELDEY

All too quickly, it seems, we have slipped from the chores of autumn and are faced with Thanksgiving.

It has to be one of the nicest holidays of all—the spicy aromas of baking goodies, a table laden with huge turkey and all the delicious trimmings that just have to be there. A time for family and friends to share a day with happiness and full tummies.

To all of you, specially warm Thanksgiving wishes from the Dingeldes. If you are traveling to family or friends for the holidays, may you be blessed also with a safe journey.

One rather pleased fellow will be leaving Wixom Thursday afternoon for a four day visit to Chicago. Tim Tillman did such a great job of increasing his Pontiac Press Newspaper beat that he was awarded the trip and will join 10 other boys in a tour of the "big" city. His selection was made from 1,100 carriers employed by the Press. He will make the trip by train and two District Managers will accompany the boys.

Just back from a trip with clacking castanettes and flamenco "steps" are Martha and George Tuorin.

They spent eight days on the Spanish island of Mallorca in the Mediterranean. Their hotel was located in Santa Ponsa which is near the capital city of Palma. They rented a car with another couple and "did" the island on their own. Martha said the cities and countryside were extremely clean with not a trace of litter in sight. The food was very tasty and good but a pat of butter cost 22 cents.

It was a lovely place to visit but the weather tended to be overcast and cool with the temperature in the 50's most of the time. While there, they visited Manacor, the location of the pearl factory that produces the Mallorca pearls and Valldemosa, the monastery where Chopin stayed for awhile during his lifetime and wrote 24 preludes. Cypress, almond, olive and fig trees dominated the countryside although since it seemed to be the fall season there, many were dropping their leaves.

Now they are resting up from the jaunt. As is the usual custom in Spanish countries, all businesses close at one for the afternoon siesta. But no siestas for Martha and George. They just kept touring. Dinner was usually after eight in the evening so the days were rather long and tiring.

The "Unique Boutique," a Wixom Christmas bazaar, will be held on December 4 from 10 in the morning until 7 p.m. This amazing little workshop of Santa's helpers will be held in the Vangiesons' "new" house directly behind where they are now living at 50496 Pontiac Trail. Signs will be posted so you can't miss it.

It promises to be a spot to find all kinds of items for Christmas giving or keeping. Part of the proceeds will go to the Wixom Goodfellows in keeping with their tradition of Christmas baskets to brighten the holidays for people in need. Please try to attend. Perhaps you'll find that certain something you've been searching for or possibly you'd like to stop, browse, chat with friends and have a cup of coffee. That's December 4, from 10 until 7.

And another date to mark on the calendar is December 5. The Women's Auxiliary of the Detroit Finnish Summer Camp are holding their annual Christmas Bazaar from one until six in the afternoon at the club house. Everyone is welcome and they always have a good selection of handmade articles and decorative items.

The Parks and Recreation Department has announced names of children who received the most points during the various events of the Decathlon. In the upper elementary grades, Chuck Shanahan came out on top for the boys and Donna Sutherland rated a first among the girls.

The lower elementary events, grades one through three found two boys tying for first place honors. Todd Green scored the most points and is a third grade student while Charles Bissell, a first grader, tied with Todd in overall points accumulated. Kelli Korhas was the winner in the girls events and is another first grader.

Congratulations, not only to these five on their fine athletic achievements but also to all the kids that participated. Parks and Recreation also announced its winter program for the kids that will begin on Tuesday, January 4. The programs will begin at 7 p.m. at the Wixom Elementary School. Instead of the usual "gym" night, the department has planned a program of good children's movies with the first part of the evening

spent in a short presentation of timely topics aimed to the children.

"Fantasia," the open house at Flowers by John this past Sunday was precisely that. It is a virtual fantasy of lovely items for the Christmas holidays and a decorator's dreamland. Glittering lights, lovely colors and one arrangement prettier than the next to choose from. Take a few minutes and wander through. You'll be delighted.

Jean Cronin reports that Art is coming along pretty well after his accident a week ago. Final x-rays show only one break in his back—fortunately. It had appeared at first that they may have been several fractures of the spine. He has been fitted for a steel brace that may help alleviate some of the complications he has suffered since being admitted to the hospital. Drop him a card at Botsford Hospital—a sunny greeting will help him along. He will be confined there for quite some time.

And a young fellow confined to Mott's Childrens Hospital in Ann Arbor could certainly use our get well wishes, thoughts and certainly, our prayers. David Marshall, son of the William Marshall's of Theodore Street is facing surgery of the leg. Cards may be sent to David at the Hospital, 6th floor East, bed 10.

Try-outs for three one-act plays to be presented by the Inter-Lakes Masquers are scheduled for November 29 and 30 in Room E-105 at Walled Lake Western Auditorium at 7 p.m. Playdates are tentatively planned for February 12.

The plays, "Safe Harbor," "Sorry, Wrong Number," and "Comin' Through the Rye" will be directed by Mike Dundas. The group will also have a general meeting in the Western Auditorium on December 1 at 7 p.m. at which time the cast for the plays will be announced. Acting bug bit you, join the Inter-Lakes Masquers? And remember the try-out dates.

# Area Police, Court Blotter

## In Northville

A stiff fine was handed a Northville man last week following his arrest for illegal possession of deer.

Appearing in district court, Walter Wilczewski, Jr., 20133 Valley Road, pleaded guilty and was fined \$150 plus \$4 court costs, was ordered to make \$100 restitution to the state, was told he cannot obtain a hunting license for three years, and was given a three-day work detail.

According to Conservation Officer Jack Boyd of Northville, Wilczewski shot and killed a buck near Kent Lake with a bow after killing one earlier in the hunting season by bow in northern Michigan.

He had shot the second deer, said Boyd, under an illegally obtained duplicate deer license. When arrested, he had possession of part of still another deer, which reportedly had been shot by a friend and given to him.

Boyd, with assistance by the Novi Police Department, was led to Wilczewski by an anonymous telephone call. Part of the deer was recovered by Novi police alongside Center Street near Nine Mile Road.

A newspaper coin rack, valued at \$250, was reported stolen from Northville Downs property on November 16. The coin machine reportedly contained about \$3.

David Lehmer of 371 1/2 East Main reported that while driving, north on Griswold Street November 17 someone apparently fired a shotgun at his car. He told police he heard a gunshot but did not discover damage to the right side of his car until later. Damage was estimated at \$100.

Two counterfeit bills—one for \$10 and another for \$20—showed up at ticket windows of the Northville Downs last week.

Articles of clothing, a brief case and a sleeping bag, valued at \$205, were reported stolen from the car of W. Donald Vischner of Fairfield, Ohio at the race track parking lot November 17. Police suspect the thief used a coat hanger to gain entry through a window.

A coat, valued at \$63, was reported stolen at Northville High School by Teresa Schmitz of 18745 Ridge Road. Reported last week, the theft apparently occurred October 29, police were told.

Six thousand shares of Inwood stock were reported missing November 18 from a desk at the home of Gordon Young, 855 Scott.

A billfold, which reportedly contained more than \$1,000, was reported lifted from Lorne H. Davis of Adrian in the lower level of the Northville Downs grandstands Saturday.

An abandoned vehicle at Hamlet Food Mart was impounded last week by the police department and towed to the city's DPW yard. A violation has been issued against the owner of the 1959 Ford.

Mary L. Brisbois of Plymouth, who sells programs at Northville Downs, reported a man purchased a 50-cent program and then walked off with his change from a \$10 bill and the \$10 bill itself.

Thieves stole batteries from two parked vehicles this past weekend, police report.

On Saturday William H. Wolverton of 40697 Six Mile Road reported a battery, valued at \$30, taken from his truck parked in a municipal parking lot near Ramsay's Bar, and on the following night, Amy Coleman of 8089 Dickerson, Salem, reported someone stole a battery, valued at \$29, from her car parked in the Winner's Circle Bar parking lot.

Lavon J. Fattal of Plymouth was sentenced to six months probation and assessed \$30 probation costs last week Tuesday in district court here on a charge of driving under a suspended license.

A two-day work detail fine was given Olline Haney of Plymouth for being drunk. Three young men were fined on charges of being minors in possession of alcoholic beverage. They and their fines are: Morris Payne of South Lyon, \$20 and \$4 costs, one year probation and \$5 per month probationary costs; Steve Smith of South Lyon, two days voluntary work detail and \$24 costs; and Donnie Stone, \$20 fine and \$4 costs, one year probation and \$5 per month probationary costs.

David H. Pullen of 41720 Eight Mile Road was fined \$50 plus \$4 costs for impaired driving. Pleading guilty upon arraignment Thursday of driving with an expired operator's license, Charles H. Cobbs, Jr. of Detroit was fined \$5 and \$19 costs. He also pleaded guilty of violating a license restriction but fines and costs were suspended on this charge.

Gerard Aubin, Northville Downs, was fined \$15 and \$4 costs upon pleading guilty to a charge of being drunk. Roger E. Linder of Livonia, who pleaded guilty of driving with a suspended license, was credited with having spent two days in jail and was fined \$50 plus \$4 costs. Fines were suspended against William F. Simon of Walled Lake after he pleaded guilty of having no registration in his vehicle and for operating a vehicle with defective equipment.

Natalie A. Hiltz of Livonia was fined \$50 and \$4 costs, given two years probation and

assessed \$5 per month probationary costs on a charge of malicious use of phones with intent to terrorize and harass. The complaint was lodged by Margaret Tagge of Northville.

## In Township

Fire caused extensive damage to the interior of a townhouse at 18398 Jamestown Sunday night.

The Otto Wohlgermuth family, occupants, were not at home when the fire broke out, according to Township Police Chief Ronald Nisun.

Fire apparently started in a garbage container inside the kitchen.

Shortly after the fire was extinguished, firemen were called back to the townhouse, located in Kings Mill, when fire broke out in the unit adjacent to the first. Apparently, fire had been smoldering in the wall of the adjacent units.

Robert R. Reh of 42801 Waterford, a township auxiliary policeman, was seriously injured last week when his motorcycle skidded into steel guardrail at the end of Winchester Drive near Sutter Drive.

He suffered a broken right arm and a possible pelvic fracture and cuts and bruises but is reported in good condition at St. Mary Hospital.

According to reports, he was slowing his cycle to turn off Winchester onto Sutter when the cycle skidded on loose gravel, tipped over onto the driver, and slid into the guardrail.

A six-month old German Wirehaired pointer, valued at \$200, was reported stolen Thursday. According to the owner, Glen Siwarski of 17875 Beck Road, a milkman reported seeing a late model Thunderbird stop and pick up the dog.

An \$80 Detroit newspaper box was reported stolen from the front of Mynks Restaurant last week.

## In Novi

A 38 caliber Smith and Wesson revolver stolen from the Louis Roth residence, 24817 Glenda, Novi, on October 14, 1971 was recovered last week in a Detroit drug pad.

On Monday, November 15, police from the 5th Precinct in Detroit responded to a reported shoot-out at a suspected drug pad on Littlebridge Street. One subject, Roosevelt Sturdivant, was apprehended at the scene and a search of the home uncovered the revolver.

A check of the serial numbers revealed that the gun was registered to Roth. The gun is believed by Novi detectives to have been taken from the Roth residence by one of a pair of maids from the Jiffy-Maid Service, who had been cleaning the home

the day the gun was discovered missing.

One of the maids lives on Fairview Street in Detroit, one block east of the Littlebridge address where the gun was located.

The case is still under investigation.

Arson may have been involved in a fire that destroyed the front porch and living room of the home of Mrs. Reba Kidd, 901 S. Lake Drive in Novi, according to police. A preliminary investigation suggested that the fire may have been started by a defective television set, but due to the conflicting stories of witnesses, detectives say, the possibility of arson exists and is being investigated.

A reported case of breaking and entering led to the apprehension of a man suffering from an overdose of drugs and led ultimately to his being placed on the intensive care ward of Pontiac General Hospital with yet another drug overdose apparently caused by drugs taken while in the Oakland County Jail.

Novi police apprehended Aaron William Oliver, 27, of Ypsilanti, after responding to a report of an attempted breaking and entering at the Richard Griffin residence at 25624 Jackson Road in the Highland Hills Trailer Park at approximately 6 p.m. Tuesday, November 16.

According to police reports, Oliver was walking around in a dazed state and had received minor cuts on his hands from having broken the glass in the front door of the mobile home. Investigation revealed he was high on marijuana at the time.

Oliver was taken to the Oakland County Jail that night and a warrant was issued Wednesday, November 17, for entering without permission.

When officers arrived at noon that day to pick him up, Oliver was found unconscious in the jail. He was rushed to Pontiac General Hospital where it was discovered he had taken another overdose of drugs while in the jail overnight.

Police report that Oliver had been searched thoroughly before being placed in jail and theorized that the drugs were given to him by one of the prisoners.

Oliver was placed on the intensive care ward until Friday, November 19, when he was released from the hospital.

No arrest has been made at this time on the warrant. Oliver is currently serving two years probation stemming from an arrest on possession of narcotics dating back to April 8, 1970.

Police are investigating a breaking and entering of the Bernard Hemperk residence, 28393 Beck Road, on Sunday, November 14. Taken from the home were a television set, jewelry, a camera, over \$70 in cash, and a large quantity of old coins.

The break-in was discovered by the Hemperks upon their return from an out

of town trip. Entry was gained by breaking a glass door and the home had been ransacked, police report.

A warrant will be sought for the arrest of a William McGuire on charges of uttering and publishing, more commonly referred to as writing bad checks.

Three Novi businesses—Novi Drug Company, Novi Hardware, and Novi Party Store—were victimized last week by bad checks from McGuire ranging from \$30-\$40.

According to police reports, McGuire operated similarly in all three cases. Checks were written from Mac Heating and Air Conditioning, 39890 Ford Road, Plymouth, Michigan, and were issued by the National Bank of Detroit. Investigation revealed that the Mac Heating and Air Conditioning Company had been in existence only one day and the account had been closed.

Forty-four of the checks have been recovered so far and Westland, Pontiac, Dexter, and Novi all have warrants for McGuire's arrest.

Detectives remind business owners to get proper information on all checks they cash. If they do not know the individual personally, they should require a drivers license number, social security number, car license number, or any other form of proper identification.

## In Wixom

Police are investigating the possibility of sniping in conjunction with an incident that occurred last week on Wixom Road.

Freda Flowers told police she was driving north on Wixom Road, north of Maple, when she heard a loud bang and then noticed four small holes in her windshield.

Investigating officers believe the holes were made by shot gun pellets. It is unknown where the shots came from. Mrs. Flowers was uninjured.

Terrance Beebe, 23, a Pontiac man, has been found guilty of assault and battery by \$2nd-district court Judge Martin Boyle.

According to police, Beebe physically assaulted an 18 year old Wixom girl Sunday, November 14.

The girl was walking along Pontiac Trail when first approached by Beebe, who offered her a ride in his car. When she repeatedly refused his offer, the Pontiac man stopped his car, approached her on foot, and proceeded to assault her, police report.

The girl told police that Beebe suddenly stopped his assault, apologized, got in his car, and drove off.

She was treated at Pontiac Osteopathic Hospital for minor injuries.

Beebe was fined \$100 and sentenced to 10 days in the Oakland County Jail by Judge Boyle. The sentence is to begin July 7, 1972.

## Reviewing Conduct Guidelines

# Special Meeting Set By Novi School Board

A special meeting of the Novi Board of Education will be held Monday with the Citizens' Committee and interested parents, teachers, principals and students to air district wide proposals for discipline-conduct-citizenship guidelines.

Also to be discussed at the 8 p.m. meeting in the high school library specific handbooks on conduct presently being used at the high school and middle school.

According to Superintendent Thomas Dale, proposed district-wide guidelines have been prepared but still in the drafting stage. They incorporate some of the recommendations of the Citizens' Committee headed up by Dicon Taffralian.

Following Monday's review of these proposals, the board may enact some or all of them.

Other business discussed this week by the board included progress at the districts two new schools.

Dale reported that construction progress at the middle school "is going along very well," with cooperation between contractors "better than ever."

Nevertheless, board members indicated they are displeased with preparation of the shop and art room where contractors' equipment has been stored. Removal of this equipment has begun, it was reported, but not at a pace satisfying the board.

Board members also indicated their displeasure with the condition of the bridge on the private road to Village Oaks Elementary School.

Dale is to write a letter to Kaufman & Broad, pointing out that it has not yet lived up to its agreement in providing a paved road to the school and demanding that something be done about it. It was noted

that the district is holding \$24,000 in escrow because of incomplete work.

Also concerning Village Oaks, Dale reported that the first hot lunches were served at the school even though some electrical work remains to be completed in the kitchen.

In response to a question from the board, Dale said there is no reason at this time to consider an increase in hot lunch fees but that with the completion of the cafeteria at the new middle school a review of fees may be necessary.

Assistant Superintendent T. Richard Hendrickson admitted upon questioning that a shortage of social science textbooks exists at the middle school as administrators prepare to select a new, up-to-date text. The existing text, it was noted, is so inadequate officials have been reluctant to secure replacements.

Board President Gilbert Henderson, himself a principal, acknowledged that the publishers have a shameful lack of good history and geography texts.

When asked if the lack of texts at the middle school will continue through the school year, Dale said it would not. He indicated administrators will be prepared soon to recommend a new text.

In another report to the board, High School Librarian Mrs. Fred Gerhardt outlined the progress and needs of the libraries in the Novi school system.

Out of her report came a recommendation by Trustee Robert Wilkins that a committee of librarians and administrators study specific needs and be prepared to recommend priority purchases and manpower additions by spring.

Dale is to follow through on this recommendation.

In still other action Monday, the board voted to ratify the probationary contract of a first-year teacher (half-time art) at a salary of \$2,983.78. She is Mrs. Terry Ann Garcia, a graduate of Michigan State University.

The board also voted to cancel its second monthly meeting scheduled for December 27.

## Lotus Porcelain Enamel

Made in Norway where constant technical research finally produced this finest of all enamelware. So strong it can go directly from freezer to stove without chipping or cracking. Lightweight, easy to handle, superbly designed for easy handling and compact storage.

## NORTHVILLE TOWNSHIP BOARD MINUTES OF NOVEMBER 9, 1971

Meeting convened at 8:00 p.m. by the supervisor

Present: Stromberg, Hammond, Straub, Baldwin, Klein, Mitchell and Schaeffer

Also present: Consultants Ashton and Mosher, the press and 16 visitors

Baldwin moved that the minutes of October 5, 1971, be accepted

seconded by Schaeffer. Ayes: All

Klein moved that the October treasurer's report be accepted and filed seconded by Mitchell. Ayes: All

The Planning Commission minutes of October 26, 1971, the Appeal Board minutes of October 18, 1971, the Water & Sewer Commission minutes of September 1, 1971, and October 6, 1971, and the Library Commission minutes of October 7, 1971, were all unanimously accepted and filed as presented

**CORRESPONDENCE**

1. TOWNSHIP HALL FINANCING ASHTON OCTOBER 19, 1971. Moved by Baldwin supported by Straub that this letter be accepted and filed. Ayes: All

2. & 1. RESOLUTIONS CITIES OF GIBRALTAR AND GROSSE POINTE

WOODS Unanimously accepted to be filed

4. CITY OF DETROIT NOVEMBER 1, 1971. Stromberg explained that he had been instructed to send a bill to the city of Detroit for fire at Dehoco and Maybury. Detroit responded and was amazed that this request had been made of them but suggested the possibility of entering into a contract with us for protection. Klein moved that the supervisor be authorized to enter into negotiations with the city of Detroit for reimbursement for any fires on Detroit property in our township seconded by Mitchell. Ayes: All

5. STATE BOUNDARY COMMISSION REGARDING FARMINGTON TOWNSHIP'S INCORPORATION AS A CITY NOVEMBER 1, 1971. Klein moved, Schaeffer supported that this letter be accepted and filed. Ayes: All

6. CIVIL SERVICE COMMISSION NOVEMBER 2, 1971. Schaeffer moved that this letter be accepted and filed. Ayes: All

7. COUNTY ROAD COMMISSION NOVEMBER 5, 1971. Baldwin moved seconded by Schaeffer that this letter be accepted and filed. Ayes: All

8. HAYES ESCROW MONEY. Stromberg stated that Hayes was winding up his gravel extraction business and had asked for a refund of his escrow money. Ashton said that the board could not take any action until a formal written request had been received and it had been ascertained that all the terms of the contract had been met. Klein moved to accept and file the letter of November 4 pertaining to this matter, seconded by Mitchell. Ayes: All

**OLD BUSINESS**

1. CONSUMERS POWER COMPANY. Mr. Thomas and Mr. Strickland of this company were here to answer the question that the board had asked. They stated that if their lines were in a public right of way and were obstructing other public utilities that needed to be in the way, they would relocate and pay for same but would be hopeful that they could negotiate some kind of a compromise agreement as to placement etc. On a private right of way, however, they would not move it at their own expense. Klein then asked them to put this in writing to the board and they agreed.

2. TOWNSHIP HALL RAIL RALLS. MR. SMITH Smith said that he felt that his committee had completed its assignment as the final preliminary plans for the Township Hall complex are now complete. However, he needs board approval of these plans as submitted and a firm commitment on the site. Mr. Ralls then presented architect's renderings of the site and building and answered board questions on the plans. Basically, the building has 11,200 square feet and total cost including construction site improvements and architects fees would be \$500,000. Klein moved that the board approve the preliminary design concept for the township hall and that a special meeting be called to decide what the next steps are going to be, seconded by Schaeffer. Ayes: All

3. THOMPSON-BROWN REZONING, NORTH OF SIX MILE, NORTHVILLE COMMONS. Mr. Russell of Thompson-Brown said that the original site for the Township civic center was planned for the west end of their parcel of land, a 10-acre site. A better arrangement for all concerned has now been worked out by moving the site to the east end of their property although the lot size had to be reduced to 8.9 acres. It is a more scenic site, with improved ingress and egress for fire equipment. As soon as the rezoning is complete (30 days after publication) the deed to the township will be finalized. Utilities will be brought to the site at no cost to the township. Klein moved that the Thompson-Brown rezoning as set forth in the amendment map of 9-8-71 and approved by the Planning Commission on 9-28-71 be approved for the same reasons outlined in the Planning Commission's minutes of 9-28-71, seconded by Schaeffer. Ayes: All

4. BORON OIL COMPANY. Ashton explained that the Boron Oil Company had submitted their site plan to the Planning Commission and it is approved contingent on the township board's rezoning from B-1 to B-2 at Six Mile and Haggerty. Boron is filing a new law suit asking for this. They have asked for a period of 27 months to come in and request their building permit. We would then file an appearance in the case and a consent judgment. Baldwin moved that the attorney be given authority to proceed to enter his appearance and consent judgment with the court in relation to the Six Mile and Haggerty parcel. Mitchell seconded. Ayes: All

5. State Police report. The supervisor told of the meeting between our township executives, Dr. Geake, R. Martin and the sub-committee of the County HEW committee at the City County Building. The sub-committee reversed itself, and it plans to recommend to the HEW committee as a whole the use of the buildings at the Wayne County Child Development Center for a State Police Post.

Mitchell moved to take item No. 3, new business, out of order seconded by Baldwin. Ayes: All

**NEW BUSINESS**

1. Mr. Prom and Mr. Thomson of the Recreation Commission asked permission to formulate a committee consisting of the township members of the Recreation Commission and 5 other township residents to make a long range study of recreational needs in the township. This study will include Senior Citizens. Mitchell moved to give the Recreation Commission authority to make a 20 year projection study of recreational needs in the township seconded by Klein. Ayes: All

Baldwin moved that item No. 2 under new business be taken out of order, seconded by Straub. Ayes: All

2. HIGHLAND LAKES STAGE 1. Mitchell moved that the board adopt the recommendation of the Planning Commission on October 26, 1971 that Stage No. 1 of Highland Lakes (Unit No. 20) be approved with the provision that Senior Citizens be given priority in the use of the township for future possible use as a street right-of-way and sewer outlet. Seconded by Schaeffer. Ayes: All

**OLD BUSINESS**

6. Water & Sewer sinking fund, tabled

7. Moved to New Business, No. 1 (a)

8. City of Plymouth water lines tabled

9. The clerk announced that the police questionnaire has been sent to the printers and will be mailed on November 22, 1971. Answer should be returned within 10 days of that date.

10. SICKNESS BENEFIT POLICY. The supervisor asked permission to continue the pay for one month at a time (at two thirds of regular rate) of an office employee who had been denied this benefit by the township insurance carrier. Klein moved, seconded by Mitchell. Ayes: All

**NEW BUSINESS**

1. WATER AND SEWER RECOMMENDATIONS

(a) LEVITT PAYBACK. Schaeffer moved to adopt the recommendations of the Water & Sewer Commission (October 6, 1971) seconded by Mitchell as follows:

Upon receipt from Levitt and Sons of (a) a satisfactory irrevocable letter of credit in amount of \$40,000.00 to guarantee continuation of the Highland Lakes sanitary sewer system to a point approximately at the intersection of the eastern line of the Highland Lakes property, as presently designated, with the eastern west quarter line of Section 2, T. 1 N. 3, R. 8 E., not later than October 6, 1971 and

(b) a satisfactory easement agreement providing a location within which the Township may construct and maintain such sanitary sewer extension in case of Levitt and Sons' failure to do the payback commitment heretofore made by the Township to Levitt and Sons relative to sanitary sewer construction expenditures, shall be implemented in the following manner:

1. The sum of \$13,000.00 now held in escrow account titled "Contractual Rebate Due Levitt on Sewer Taps No. 21" shall be paid to Levitt & Sons

2. Future applications by Levitt and Sons for sanitary sewer connections in Highland Lakes Development shall be accepted with reductions of standard capital charge in amount of \$60.00 for each single family residence and of \$16.00 for each multiple dwelling unit, until the total of such reductions shall amount to \$28,992.00

3. Upon completion of the above described Highland Lakes sanitary sewer construction Levitt and Sons shall be entitled to acceptance of further applications for sanitary sewer connections in Highland Lakes Development with reductions of standard capital charge in amount of \$40.00 for each single family residence and \$16.00 for each multiple dwelling unit until the total of such further reductions shall amount to \$26,000.00 with reservation that in event the Township should have to construct the referenced sanitary sewer, in accordance with the provisions of the said letter of credit and the cost thereof shall exceed \$40,000.00, the above amount of \$26,000.00 shall be decreased by the amount of such excess construction cost. Ayes: All

**NEW BUSINESS (NO. 1 CONTINUED)**

(b) TANGER FIRE HYDRANT. Mitchell moved seconded by Klein, that the board adopt the recommendations of the Water & Sewer Commission (October 6, 1971) that a fire hydrant be installed in Five Mile Road in front of the Tanger School, the cost to be met from the water and sewer funds. Ayes: All

(c) BILLINGS FOR CONSTRUCTION WATER. LEVITT'S HIGHLAND LAKES. Klein moved, seconded by Straub, that the following recommendation of the Water & Sewer Commission of October 6, 1971 be adopted: "At such time as connection to other supply sources causes the 12" meter to no longer yield the measure of water used in the Highland Lakes development, a determination shall be made of the number of structures completed or substantially completed, and that Levitt and Sons be allowed a credit in the amount of the \$60.00 per dwelling unit construction water charges paid for those structures." Ayes: All

**OLD BUSINESS**

11. SOLICITATION ORDINANCE. Straub moved to table this study until the next meeting, seconded by Baldwin. Meanwhile the clerk is to send copies of other such ordinances to board members.

**NEW BUSINESS**

5. WAYNE COUNTY DRAIN COMMISSION. TONQUISH CREEK DRAIN. Baldwin moved, seconded by Schaeffer, that the board not participate in this action since we have no real interest in the project. Ayes: All

6. EMERGENCY EMPLOYMENT ACT. Baldwin moved to table discussion regarding hiring of a man for the D.F.W. until the next regular or special meeting, seconded by Schaeffer. Ayes: All

## NOTICE OF CHANCE IN MEETING DATE CITY OF NOVI OAKLAND COUNTY, MICHIGAN

## PUBLIC HEARING NOTICE

MONDAY, DECEMBER 6, 1971  
8 P.M.

Northville City Hall

The Northville City Council will hold a Public Hearing on Monday, December 6, 1971, 8 p.m., at the Northville City Hall to consider adoption of the following ordinance amending Title V, Chapter 3 of the Northville City Code of Ordinances:

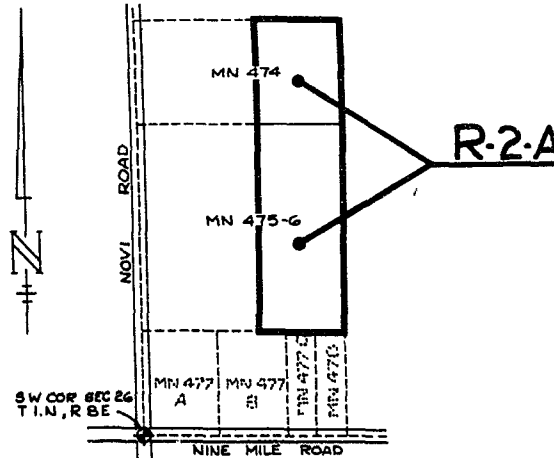

Adding:  
Section 5-304a — DRIVER'S AGE: All applicants for taxi-cab driver's license shall be 19 years of age or older.

Martha M. Milne  
City Clerk

## NOTICE OF PUBLIC HEARING CITY OF NOVI OAKLAND COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN, that a Public Hearing to consider a proposed amendment to the Zoning Map of the Zoning Ordinance of the City of Novi, and a Public Hearing on a proposed preliminary plat of an Industrial Subdivision, will be held on Monday, December 13, 1971, at 8:00 p.m., EST at the Novi Community Building, 26350 Novi Road, Novi, Michigan, 48050.

(1) On request of Novi Properties, Inc., the Board has been requested to rezone a portion of parcel MN474 from M-1 Light Manufacturing District to R-2A Multiple Family Residential District. The Planning Board, in order to make a more uniform zoning district, have proposed to also rezone a portion of parcel MN475-6 from M-1 Light Manufacturing District to R-2A Multiple Family Residential District. The frontage of the two parcels is presently zoned R-2A Multiple Family Residential District. The area to be rezoned is indicated on the map below.

To Rezone a portion of parcels MN 474 and MN 475-6 TIN, R8E, Section 26; described as that portion presently zoned M-1 Light Manufacturing District.

From M-1 Light Manufacturing District to R-2A Multiple Family Residential.

(2) A Public Hearing will be held to consider the preliminary plat of the proposed "Novi Ten Industrial Park", an eight (8) lot development located on Ten Mile Road, east of Novi Road.

NOTICE IS FURTHER GIVEN that a complete copy of the proposed Zoning Map Amendment and the Preliminary Plat is on file at the Office of the City Clerk and may be examined during regular office hours.

To the Supervisor and Clerk of the Township of Northville, Wayne County, Michigan

Sirs:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on November 4, 1971, decide and determine that the certain county roads described in the minutes of said meeting of said Board should be absolutely abandoned and discontinued as public highways.

The portion of the minutes of said meeting fully describing said county roads is attached hereto and made a part of this notice, which is given under and by virtue of Act 283 of the Public Acts of 1909, as amended.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 4th day of November, A.D. 1971

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN

Michael Berry, Chairman

Philip J. Neudeck, Vice Chairman

Freddie G. Burton, Commissioner

Henry J. Galecki, Secretary and Clerk of the Board

RESOLUTION

Commissioner Burton moved the adoption of the following resolution:

WHEREAS, pursuant to petition and in accordance with the provisions of Section 18, Chapter IV, Act No. 283 of the Public Acts of 1909, as amended, this Board, by resolution dated August 19, 1971, set a date of hearing on said petition and directed a Hearing Examiner to hold said hearing and

WHEREAS, said hearing was held at the time and place appointed, and the Board has considered the findings of fact as reported by its Hearing Examiner concerning the advisability of absolutely abandoning and discontinuing

All of Fuller Woods Drive, Sunbury (formerly Hillcrest), Road, and Stoneleigh Road as dedicated to the use of the public in "NORTHVILLE COUNTRY ESTATES" a Subdivision of part of the S.E. 1/4 of Sec. 1 T. 1 S. R. 8 E., Northville Twp., Wayne County, Michigan as recorded in Liber 54 of Plats on Page 32, Wayne County Records; and

WHEREAS, the premises were viewed in accordance with said statute NOW, THEREFORE, BE IT RESOLVED, that it is in the best interest of the public that the above described county roads or portions thereof be absolutely abandoned and discontinued and that said roads or portions thereof are hereby absolutely abandoned and discontinued

The motion was supported by Commissioner Neudeck and carried by the following vote:

Ayes, Commissioners Berry, Neudeck and Burton Nays, None

11-11, 18, 25

11-25 12-2 12-9

To the Supervisor and Clerk of the Township of Northville, Wayne County, Michigan

Sirs:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on November 4, 1971, decide and determine that certain section of county road described in the minutes of said meeting of said Board should be absolutely abandoned and discontinued as a public highway, as set forth in said determination.

The portion of the minutes of said meeting fully describing said section of county road is attached hereto and made a part of this notice, which is given under and by virtue of Act 283 of the Public Acts of 1909, as amended.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 4th day of November, A.D. 1971

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN

Michael Berry, Chairman

Philip J. Neudeck, Vice Chairman

Freddie G. Burton, Commissioner

Henry J. Galecki, Secretary and Clerk of the Board

RESOLUTION

Commissioner Burton moved the adoption of the following resolution:

WHEREAS, pursuant to petition and in accordance with the provisions of Section 18, Chapter IV, Act No. 283 of the Public Acts of 1909, as amended, this Board, by resolution dated June 24, 1971, set a date of hearing on said petition and directed a Hearing Examiner to hold said hearing and

WHEREAS, said hearing was held at the time and place appointed, and the Board has considered the findings of fact as reported by its Hearing Examiner concerning the advisability of absolutely abandoning and discontinuing

All that part of Elk Road, 30 feet in width, as dedicated to the use of the public in AMBROSE ESTATES, part of the S.E. 1/4 of Section 14, T. 1 S. R. 8 E., Northville Township, Wayne County, Michigan, as recorded in Liber 68 of Plats on Page 12, Wayne County Records; lying between the east line of Portus Road, 60 feet in width, and the west line of Robinwood Drive, 60 feet in width. Said part of Elk Road being adjacent to lots 25 and 62 and

WHEREAS, the premises were viewed in accordance with said statute NOW, THEREFORE, BE IT RESOLVED, that it is in the best interest of the public that the above described county road or portion thereof be absolutely abandoned and discontinued and that said road or portion thereof is hereby absolutely abandoned and discontinued reserving therein easement for public utilities and sewer purposes

The motion was supported by Commissioner Neudeck and carried by the following vote:

Ayes, Commissioners Berry, Neudeck and Burton Nays, None

New books at Northville Public Library include:

### ADULT

**Nemesis**, by Agatha Christie. Miss Marple is left a sizeable legacy by a dead man if she will undertake for him an exercise in retribution and justice that goes by the code name, "Nemesis."

**The Mortgaged Heart**, by Carson McCullers. Contains short stories, non-fiction articles, and a lyric selection of the author's poetry.

**Entering Ephesus**, by Daphne Athas. Tells the story of the Bishop family, living in the South in the last years of the Depression and through most of World War II.

**A Sort of Life**, by Graham Greene. In this autobiography the author tells of his boyhood and the influences of books, religion and individuals.

**The Crying Child**, by Barbara Michaels. Two psychiatrists treat the mystery of a haunted house in a realistic fashion; delving into history, material evidence and even into confrontations with the ghostly visitants.

**Dando on Delhi Ridge**, by William Clive. A historical novel about the Sepoy Rebellion (1857-58), a mutiny of native Indians against the British.

**The Real Isadora**, by Victor Seroff. An intimate portrait of this brilliant and tragic figure, illuminates the mysteries which surround her life.

### Directory Delivered

Delivery of the 1971 Plymouth-Northville city directory by R. L. Polk & Company has begun.

The books are being delivered to its local subscribers.

## Decorators

### Set Luncheon

Northville Spring Chapter of China Decorators will hold its annual Christmas luncheon at noon Thursday, December 2, at the Holiday Inn in Livonia to "bring the Christmas spirit early."

Chairman Geraldine Ferlin, announces that reservations have been made for the entire group and that table favors will be supplied by each member. They will be ornaments to be remembrances hung on the Christmas tree at home.

She adds that, judging from searching done in the German Christmas shops in Frankenmuth at the state board meeting last week, there will be several unusual tokens. In addition each painter is to bring a Christmas-wrapped package of white china for the gift exchange.

# Insulation can save you cold cash

**Get All The Heat You Pay For**

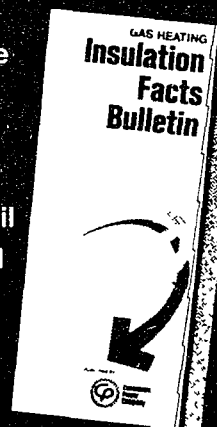

Saving cold cash on winter heating is more than just a figure of speech — you could be paying for more cold than is necessary. Insulation saves you heating dollars by slowing down the rate of heat that's escaping to the outside and providing resistance to the flow of cold air entering your home. In fact, insulation can reduce your heating bill substantially (in many cases as much as one-third). Consumers Power Company neither sells nor installs insulation, but, for a number of years we have encouraged our customers to investigate the benefits of insulating their home. It saves money on fuel costs and increases personal comfort.

## Other Ways to Save Heating Dollars

- Install storm windows and doors.
- Weatherstrip around doors and windows.
- Keep heating plant in good shape.
- Leave thermostat at lowest comfortable setting.
- Clean or replace filters regularly.
- Shut damper when fireplace is not in use.
- Close drapes on windy days and nights.
- Turn heat off in unused areas.
- Keep registers free from obstructions.
- Maintain proper degree of humidity.

## SPEAKING for The Record

By BILL SLIGER

The days of the one-mill tax levy for local government in Northville township are doomed to join the nickle beer as only a fond memory.

It's true that voters can decline a millage hike. But outside forces are at work that will eventually convince the most adamant that something must be done.

And herein lies the real challenge facing township residents.

What should be done? What are the alternatives? Who can you believe?

First the township taxpayer must recognize that only one of the \$46 he pays per thousand dollars of state equalized valuation (SEV) of his property goes to the township government. About 36 mills go to support Northville public schools, seven mills for the county and nearly two mills to Schoolcraft college.

That one dollar adds up to about \$44,000 per year, less than 20 per cent of the township's total budget. The rest of the money for operation of township government comes from sales' and income tax rebates, fees, licenses, etc.

In the city of Northville, for example, residents pay the same for school, county and Schoolcraft, plus 10 mills for city government.

So for the extra nine mills, city residents expect and receive certain services—such as rubbish collection, 24-hour police protection, street sweeping, fire hydrants, city manager government, and a few other niceties that the average township resident has been just as happy not to have so long as he could enjoy a rural atmosphere, and lower taxes.

In my opinion, neither the city nor the township receives very much in the way of services for its county tax dollar. But one of the most valuable services the county has been giving townships—round-the-clock sheriff patrol—is slated to be withdrawn, unless the township elects to contract and pay additional money for the service.

So what are the "outside forces" creating pressure for more township tax dollars?

The county money shortage, for one. Population growth, for another. The need for larger township hall facilities.

If the county is going to withdraw its patrol service, the township must either expand its own two-man force or contract with the county or city of Northville.

And if you're wondering which of these alternatives would provide the best protection at the lowest cost, be prepared to listen to arguments.

Bare cost estimates would indicate that a county contract would be the most expensive.

Township police force advocates believe they can establish and operate a fulltime force better and more economically.

Others maintain (including a citizens' study committee) that a contract with the city for community protection, similar to the fire department system, would be the best procedure.

Unquestionably, just as the township must seek new office quarters, it must provide additional fire protection in the southeast portion of the township where growth is most rapid.

And here again, signs of a new controversy have already surfaced.

The strong township-government advocates would form an independent township fire department to operate the new station.

Those who favor expanded cooperation with the city see the new station coming under the operation of the existing city-directed fire department.

The latter problem surfaced for the first time at the last meeting of the township board.

It threatens to introduce a split between the city and township that could result in, the dissolution of the fire protection agreement.

Then Northville township would be faced with the expense of building, equipping and operating another fire station to protect its residents on the west side of the city.

As a resident of the township and a businessman in the city, I am deeply concerned that the divisiveness threatening our community is not accidental, but by design.

I am convinced that it can only cost the taxpayer money while threatening his welfare and safety.

I would hope that the logic of continued and expanded cooperation between the city and township is impressed upon our elected officials—both in the city and township—by the voters.

Township voters have the opportunity to voice their opinion in the current questionnaire that is being circulated by the township board as it seeks answers to its police problem.

## Top of The Deck

# About A Reformed Thief

By JACK W. HOFFMAN

Carol Kern of South Lyon and Lucille Ball have two things in common: both are red heads and both are comics.

But what Lucy does on the stage and in front of cameras, Carol does in real life. Who else, for example, could come home from a shopping trip, put away her groceries and misplace a big frozen turkey that turns up later unfrozen and spoiled—in the basement on top of the dryer?

With her kind of zany experiences, the story she tells second-hand of a likely reformed thief could very well be real. Try it on for size. Names have been changed to protect the innocent.

"Well," says Carol, "John and Margaret got this snowmobile and were just dying to get up north to try it out. So one weekend they packed up everything, including their aunt who lived with them, hitched up the trailer with the snowmobile and

headed up north for a few days at the cabin.

"They had a great time...but, unfortunately, the weekend was marred by the sudden death of Auntee.

"John and Margaret were heartbroken. But what the undertaker told them was equally painful. You see they wanted their aunt transported home for the funeral but were told it would cost several hundred dollars.

"What with the cost of the funeral and all, not to mention what the snowmobile cost them, this special transportation cost was just too much.

"Fortunately, the coroner offered an alternative. They could transport the body. Dismayed but anxious to save some expense they decided to do it.

"The body was wrapped in a plastic bag, sealed and put on the snowmobile on the trailer behind the

## Speaking For Myself

# Use Dogs For Research?

Dr. ANDERSON

YES...

As a result of animal research, both animals and people are living longer, healthier lives. This is proven by the fact that people in the United States are living longer and in better health than ever before.

The average 80-year-old person who is in good health today will live to be 86, as a result of medical advancement. This is a marked increase over the lifespan of our forefathers and a direct result of animal research.

How do animals contribute to medical research? They are the only living thing that closely resembles man in that they have a similar anatomy. Because of their short life span and rapid reproductive period, the effect of drugs and disease can be determined in a relatively short period of time. Thus the researcher has a tool he can satisfactorily work with and report his findings in his own lifetime.

This rapid acceleration of knowledge is reflected in the following facts. The knowledge available to man between 1950 and 1960, doubled and between 1960 and 1970, it increased ten (10) times. Medical knowledge has increased in the same proportion. This has been mainly a result of animal research. How can we ignore these facts?

What have we accomplished using animal research? We have controlled the plague, smallpox, whooping cough, diphtheria, tetanus, polio and measles. All of which were responsible for countless deaths. Recent technical developments in heart surgery are a direct result of this type of research. In short, animal research saves lives.

Ecology and cancer are favorite subjects today. By using animals we can say lung cancer is a direct result of cigarette smoking. Air pollution causes obstructive pulmonary disease. With this knowledge, hopefully we can prevent, through education, the progression of these diseases.

DEE GIDDY

The most valuable thing to man is his life. Concerned researchers are working to preserve this commodity.

Dr. W. B. Anderson  
Surgeon, McPherson  
Community Health Center

NO...

I selected the NO side of this issue, because I feel that many animals are unnecessarily tortured under the guise of Research. All too often many of these experiments benefit no one, particularly mankind.

It appears to me that the rule of basic semantics applies often to this type of research: What works on an animal does not necessarily work on humans!

Research animals are gathered in various ways: Bought by the suppliers from animal shelters, complete litters produced for just this purpose, or Pets taken from an unwatched yard.

It has been brought to my attention that conditions at some institutions and suppliers were deplorable. Dogs have been caged in dirty, drafty facilities for life, to be handled only for surgical or scientific experiments that are too traumatic to be tried on humans.

An old shed or barn of a supplier discovered to be housing over 100 dogs, that is only capable of a capacity of 25. Often the various Humane Society, Anti-Cruelty Society have spoken out about the need for better laws to govern this type of thing.

We simply must be able to aim at something better than offering a life of solitary confinement, pain and cruelty for these animals.

Dee Giddy  
President, Livingston County  
Kennel Club

# Obituaries

**HARRY W. PORTER**  
Funeral services were held last weekend for Harry William Porter, 48, a former Northville resident who moved to Highland, Michigan, in 1961. The Reverend Cedric Whitcomb of Northville First Baptist Church officiated at the 8 p.m. service Saturday at Casterline Funeral Home.

It was preceded by a Lodge of Sorrows service at 7:30 p.m. Mr. Porter was a member of Austin Lodge No. 48, F&AM, Davisburg, Moslem Temple of Detroit, Huron Valley Shrine Club, Ancient Accepted Scottish Rite of Free Masons, and Austin Chapter, Eastern Star, No. 396.

A druggist, he was the owner of Harry Porter Drugs in Highland. He was a member of the Oakland County Pharmaceutical Association as well as of the Oxbowl VFW Post 4156 and Pontiac Kennel Club.

He was a member of the Huron Valley school board for 11 years.

He was born January 9, 1923, in Hartwick, Michigan, to Robert and Eva (Mapes) Porter. He married Barbara Porter, who survives.

Other survivors are Mr. and Mrs. Bert Sears of Northville (his mother); a daughter, Miss Karen Porter of Highland; a son, Kurt Porter of Daytona Beach, Florida; a brother, Kenneth of Royal Oak; a granddaughter, Devon Porter.

Interment was Sunday morning at Maple Valley Cemetery in Hartwick.

**MRS. SUSAN FULLER**  
Funeral services for Mrs. Susan Ann Fuller, 78, of 27724 Norfolk, Livonia, were held Friday at Casterline Funeral Home with the Reverend Cedric Whitcomb of Northville First Baptist Church officiating. Cremation was at Evergreen Cemetery.

Mrs. Fuller died November 16 at Redford Community Hospital after an illness of two months. She was born June 11, 1893, in Imlay City. She was preceded in death by her husband, Isaac. A resident of the area since 1921, she was a member of the ladies auxiliary to VFW Warren Post.

She leaves a daughter, Mrs. Adelia Yeager of Farmington; three sons, Gordon of Mesa, Arizona; Alvin E. in California; Harrison J. of Plymouth; a sister, Mrs. Agnes Brown of Farmington, a brother, George Berlinger of Lapeer; 18 grandchildren; and six great-grandchildren.

**CLIFFORD W. SCHUTTE**

Funeral services were held last Saturday for Clifford W. Schutte, 76, of 515 Beal Street, who died November 16 at his home after an illness of two years.

The Reverend Charles F. Boerger of St. Paul's Lutheran Church officiated at the service at Casterline Funeral Home. Interment was in Glen Eden Cemetery.

A resident of the community for 41 years, Mr. Schutte was retired superintendent of maintenance at Northville Downs. He was a member of the Benton Parkway Barracks, 267 Plymouth, of World War I veterans.

He was born March 6, 1895, in Effingham, Illinois, to Bernard and Martha (McCullum) Schutte. He was married to Martha I. Schutte, who survives.

Other survivors are a son, William E. Cordukes of Detroit; a daughter, Mrs. Hazel Starr of Brighton; a grandchild, John William Peat of Northville.

He also leaves four sisters in Illinois, Mrs. Emma Larkins of Kankakee, Mrs. Ella Brewer in Greenville, Mrs. Ruth Masaching in Mattoon, Mrs. Viola Muhlbacher in Sigel; and a brother, Walter in Palestine, Illinois.

**LEON SHELLEN**

Funeral services for Leon Shelden, 63, of 16901 Beck Road, Northville are being held today (Wednesday) at 1 p.m. at Phillips Funeral Home in South Lyon, Reverend Robert A. Mitchinson of New Hudson Methodist church officiating. Burial will be in the South Lyon Cemetery.

Mrs. Shelden died November 20 at Wayne County General Hospital. He was born August 9, 1908 in Lenawee County, the son of Levi and Betsy (Ross) Shelden. Most recently he was a caretaker at the L.J. Ranch, and prior to that was engaged in farming. He resided at 8620 Rushton Road South Lyon for many years.

Survivors include a sister, Mrs. Elsie Balden, of South Lyon and several nieces and nephews.

**MRS. FREDERICK BEAMISH**

Funeral services for Mrs. Emma K. Beamish, 3035 Potter Road, Wixom, were scheduled for 9:30 a.m. Tuesday at St. Williams Catholic Church in Walled Lake. Mrs. Beamish, who was 71, died November 20 at Chelsea Nursing Home after a lengthy illness.

She was the wife of Frederick A. Beamish, who survives. They were married October 28, 1920. Mrs. Beamish was born October 5, 1900, in Hart, Michigan, to Mr. and Mrs. Christian Wurthner. The family moved to the area in 1956 from Detroit.

Other survivors include two sons, Lawrence N. of Wixom and Donald of Detroit, eight grandchildren and one great-grandchild. Mrs. Beamish was a member of St. Williams Catholic church.

Services were conducted by Richardson-Bird Funeral Home in Walled Lake. Interment was in Oakland Hills Memorial Cemetery.

**MRS. DONALD SELL**

Funeral services for Mary Ellen Sell, 58, of Livonia, who died November 19 at St. Mary Hospital, were conducted Monday by the Reverend Father John J. Wittstock of Our Lady of Victory Church at Schrader Funeral Home in Plymouth.

Mrs. Sell was the wife of Donald R. Sell, 10000 Eckles Road, who survives. She was born October 23, 1913, in Michigan to Salmon and Lema (Vicilona) Hency.

Other survivors include a daughter, Mrs. David (Lorraine) Rozmiarek, formerly of Northville; a brother, Walter Hency of Battle Creek; three sisters, Mrs. Grace Murry, Mrs. Esther Comlo, both of Greenville, Michigan, Mrs. Ethel Crum of Traverse City; and two grandchildren. The family came to the area 13 years ago from Detroit.

Interment was in Riverside Cemetery in Plymouth.

**STATION STRUCK**—Edward Hanson, owner of the Mobil Gas Station on Northville Road at Seven Mile, and his dog Prince survey the estimated \$5,000 worth of damage done to his station Saturday morning. A pick-up truck driven by Carl Kroske of Ann Arbor plowed into the front of the station after failing to stop at the Northville Road stop sign.

## Novi Highlights

Continued from Page 6-A

which they are trying to obtain more members for their teams. They recently attended the Northland Roller Rink and about 23 young people went roller skating. They plan another one in December.

The Bera Vaughn Circle will have its annual Christmas Dinner on December 7 at Skippers Table in Livonia. All ladies are urged to get their reservations in to Jacques Wilenius, chairman, as soon as possible to see if facilities are adequate.

**HOLY CROSS EPISCOPAL CHURCH**

Holy Eucharist was celebrated Sunday. Crucifer was Kenneth Murley. Acolytes were Rodney Huber and Glen Kündrick. Ushers were Robert Halpin, John Zimmer and Brian LeBarre. Flowers on the altar were in memory of loved ones given by Mr. and Mrs. Gerald Goffin.

Richard Rumber, stewardship chairman, was speaker during church services. His talk was on the joy of giving. Loyalty Sunday is November 28 and he urged members to pledge this year with joy. Members were asked to turn in question-

naires as soon as possible. Mr. and Mrs. Harry Sulta were in charge of the coffee hour. Mrs. Ruth Ann Zimmer, organist, had short choir practice after church services. More men are needed in the choir.

Sunday evening the Roaring Seventies group met at church and later the Bible Study group met with Mr. and Mrs. Larry Fleming.

Next Sunday is Advent Sunday and those in attendance will see the ceremony of Hanging the Advent Wreath in the church.

People are still needed to clean the church, to help at the coffee hour, to furnish altar flowers, and help in the choir.

Many of the parishioners congratulated Miss Gloria Bailey on her 16th birthday this past Sunday.

**NOVI UNITED METHODIST CHURCH**

Greeters on Sunday morning were Mr. and Mrs. Clyde Ferguson, Acolyte was Jim Stine, and ushers were Claude Morgan and Tom Bell. Altar flowers were a gift from Elizabeth Evans. Next Sunday's sermon will be "From Eternity to Here", and next Sunday evening the M.Y.F. officers have a meeting.

The M.Y.F. young people and their sponsors returned

## Reader Speaks

### Rakes School Action

To the Editor:  
I would like to make it clear from beginning that I have no intention of questioning the character or motives of Mr. Secord in this letter.

If the member of the Northville Board of Education who manipulated the appointment of Mr. Secord are not made to account for their actions by this community then we are in deep trouble. They have in fact rejected the whole democratic process. Mr. Rinehart stated that he changed his vote because Mrs. Gucken has a different philosophy about education than his philosophy. Since when do we deny people who don't agree with us representation when the precedent for appointing new members has already been set. Mr. Rinehart himself was appointed to the board

because he was the next highest vote getter from the previous election. But then I guess he made it clear to those already on the board that he would not make "waves".

How in the world can we expect our children to respect

and support the democratic way when our so called leaders perform in such a shoddy way.

### Kids Can Watch Racing Tomorrow

Special permission has been granted by the State Racing Commission to allow children to attend the Thanksgiving Night racing program, in Thursday night's Jackson's action at Northville Downs. Children, under 12, will be admitted free of charge, when accompanied by a parent.

President and General

Manager, Leon A. Slavin, also announced that there will be an old fashioned Thanksgiving Dinner, at special, old fashioned prices Thursday night. Dinner will be served in an area of the grandstand as well as in the club house, with a \$2.50 price for adults, and \$1.50 for children under 12.

# College Fund Reaches \$1700 at Schoolcraft

Contributions and the general scholarship fund of the Schoolcraft Foundation now totals \$1,700, it was announced last week.

During 1970-71 the Foundation established a memorial scholarship in the name of the late Reverend Father Francis J. Wojcik, and

a revolving loan fund in honor of Dr. Eric J. Bradner, president emeritus of Schoolcraft.

The Foundation is a non-profit corporation chartered by the state and organized by residents of the Schoolcraft College district. It raises and administers endowment funds for student assistance and capital construction projects.

Heading up the Foundation as president for this 1971-72 year is Jan Reef of Northville, who succeeded A. Russell Clarke, also of Northville.

Recently elected vice-presidents were Norman Faustyn of Northville, who was returned to the post, and Dr. Bradner of Northville and Carl Johnson of Northville, new electees.

Mrs. Joyce Ludwig of Livonia was elected to continue as secretary for the organization. Dr. Mehdi Kianfar, Livonia, continues as assistant secretary, while Robert Cadotte, Livonia, and Russell Bogarin, director of financial aids at the college, will continue to serve as treasurer and assistant treasurer, respectively.

Two Schoolcraft staff members were named to the Board of Trustees. Lawrence Galtis, political science instructor, will serve a one-year term, and Gerald Munro, director of personnel, will serve through September of 1974.

In addition to the officers and new trustees named, the board includes Leroy C. Bennett, Plymouth; Armen Barsamian, Livonia; Mrs. Violet Bradford, Northville; A. Russell Clarke, Northville; Also, C. Phelps Hines, Northville; E. C. Imonen, Livonia; Philip R. Ogilvie, Northville; T. G. Rotary, Livonia; Gaylord Smith, Detroit; and Edmund Snyder, Plymouth.

## He Attends Conference

Kenneth R. Rathert of Northville Agency, Inc., was selected to participate in a recent regional Producer-Company Council sponsored by Crum & Forster Insurance Companies. Eight such meetings have been held across the country this fall, and a national Producer-Company Council is scheduled for early in 1972. The Producer-Company Council was established last year to create a forum at which independent agents and C&F company personnel could discuss current needs of the insurance-buying public and how they can service the public.

## Midland Institute Names VP

David A. Lindley, son of Mr. and Mrs. Damon P. Lindley of Northville, has been named to fill the newly created position of vice president of financial affairs for Northwood Institute at Midland.

Lindley will be responsible for the overall financial operation of the college, including campuses at West Baden, Indiana; Cedar Hill, Texas; and Midland. Formerly office manager of the Atlanta (Georgia) office of Arthur Andersen & Co., where he served from 1969 to 1971, he previously was associated with that company's Detroit office from 1962 to 1969.

Lindley received a bachelor's degree in accounting from the University of Detroit in 1962. During his association with Arthur Andersen & Co., Lindley earned a master's degree in Business Administration which he received from the University of Detroit in 1964. He also worked on a doctoral program in accounting at Ohio State University in 1965-66.

A native Detroit, Lindley was graduated from Seaholm High School in Birmingham in 1957.

He was awarded his CPA by the State of Michigan in 1965. Lindley is a member of the American Institute of CPAs, Beta Alpha Psi, honorary accounting fraternity, Delta Tau Delta, a former member of the board of directors of the Detroit Jaycees, and a former commissioner at large for the Atlanta, Ga., Area Boy Scouts of America.

Mrs. Lindley is the former Barbara Pinnell, of Saginaw. The Lindleys have one daughter, Kristen Sue, one year.

## She Attends Convention

Mrs. Ester McDonough, principal of Orchard Hills Elementary School, attended the 46th annual convention of the Michigan Association of Elementary Principals in Grand Rapids earlier this month.

Key-noting the conference was Dr. Arthur W. Combs, professor of education at the University of Florida. He was followed by Dr. Edward C. Frierson, lecturer, of the University of Tennessee, and concluding speaker was well-known Hugh Downs, formerly of the Today Show.

# About Our Servicemen

## JOHN S. WATERLOO

Navy Petty Officer First Class John S. Waterloo, son of Mr. J. Stanley Waterloo of 134 Rayson Street, is in the Mediterranean aboard the 80,000 ton attack aircraft carrier USS Independence, homeported at Norfolk, Virginia.

His ship has so far visited Scotland and Italy, and is scheduled to spend the Thanksgiving and Christmas holidays in Athens and return to Norfolk in March.

## ESTEL R. GROSS

Private Estel R. Gross, 18, son of Mr. and Mrs. Stanley Gross, 27750 Taft Road, recently completed eight weeks of basic training at the U.S. Army Training Center, Armor, Fort Knox, Kentucky. He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

## CARL G. HINCHEY

Navy Airman Apprentice Carl G. Hinchey, son of Mr. and Mrs. James A. Hinchey of 19959 Schoolhouse Court, is serving with Helicopter Combat Support Squadron One at Naval Air Station, Imperial Beach, California. He is a 1970 graduate of North Farmington High School.

## MERLIN L. BENNETT

Navy Seaman Apprentice Merlin L. Bennett, son of Mr.

and Mrs. Charles L. Bennett of 41600 Borchart Drive, has graduated from recruit training at the Naval Training Center, Great Lakes, Illinois. He is a 1971 graduate of Novi High School.

## STEVE D. HANSON

Navy Airman Steve D. Hanson, son of Mr. and Mrs. B. T. Hanson of 22633 En-

nishore Drive, is in the Mediterranean aboard the 80,000 ton attack aircraft carrier USS Independence, homeported at Norfolk, Virginia.

His ship has so far visited Scotland and Italy, and is scheduled to spend the Thanksgiving and Christmas holidays in Athens and return to Norfolk in March.

IRVING B. GAFFIELD A former Northville resident, Seaman Apprentice Irving B. Gaffield, has been assigned to the U.S.S. Lexington aircraft carrier out of Pensacola, Florida.

Son of Mrs. Earlene Gaffield and the late Mr. Irving Gaffield, of Semipole, Florida, Seaman Gaffield enlisted in the Navy last August. He took his training at the naval recruit training command post in Orlando, Florida.

Presently, he is on a two-week leave prior to joining the aircraft carrier unit.

IRVING B. GAFFIELD

## Little Caesars Aid Crippled

The pizza parlor at this year's Michigan State Fair co-sponsored by Little Caesars Enterprises, Inc. and the Metropolitan Society for Crippled Children and Adults did more than just sell pizza and chicken.

The final figures reveal that Little Caesars turned over approximately \$22,000 in proceeds to the society to be used in the continuing program for rehabilitation at the Therapy Center, 17330 Schaefer, Detroit.

The Metropolitan Society for Crippled Children and Adults is a voluntary health agency serving the disabled of Wayne, Oakland and Macomb counties.

"I can't say enough for all the people who donated their time and services for the booth," said Marian Ilitch, co-

ordinator of the booth's operation.

The pizza parlor was specially designed and constructed for the fair and seated approximately 150 people.

Larry Sheehan, a resident of Northville, is one of the many Little Caesars franchise owners and employees who chipped in to man the booth during the 17-day run at the fair.

The booth was constructed so it may be used again next year.

## Secretary Ends Long Tenure

### By NANCY DINGELDEY

After 19 years with the Walled Lake School District, Mrs. Ola "Sunny" Duncan retired on November 19. She began her career with the school system as secretary for 12 years to Superintendent Clifford H. Smart, who is presently Republican leader in the Michigan House of Representatives. Mrs. Duncan then took over the secretarial duties for Superintendent George C. Garver and remained in that post for four years. Her position prior to retirement was that of teacher certification and personnel records.

Mrs. Duncan spearheaded establishment of the Secretaries Association in the school district and was elected its first president in 1960. Active in the National Secretaries Association and serving in all elected positions in the Pontiac Chapter and one year in the Michigan Division, she also found time to serve two years on the Board of the Oakland Association of Educational Secretaries and a two year term on the Board of the Walled Lake Federal Employees Credit Union.

She is a member of Sigma Alpha, the national philanthropic sorority of business women and the Walled Lake Order of the Eastern Star.

Mrs. Duncan also lent her leadership to the Pleasant Lake Subdivision in West

Bloomfield Township where she and her husband John have lived for 30 years. She was instrumental in the formal incorporation of the Pleasant Lake Improvement Association 25 years ago and in buying beach property for the use of subdivision residents. She has been an officer in that association for more than twenty years.

A farewell party was given in Mrs. Duncan's honor on November 11 by friends and co-workers.

# Township Polls Voters On Police Protection

Continued from Record, Page One

If unification of the city and township were to be proposed, voters in both the city and township would have to give approval.

And then the two units would elect a body of charter commissioners who would draft a new city government representing the entire city-township area.

There's no assurance that voters in either the city or township would approve such a plan.

A joint study of unification undertaken by the city and township several years ago indicated that if such a new city were formed the tax rate needed to provide services at a standard now offered in the city would be seven mills.

Township residents now pay one mill; city residents pay 10 mills.

The other course of action open to the township board is the formation of a stronger government of its own. This could start with a vote by the people for additional millage. Eventually, it could lead to either a charter-township, village or city form of government, depending upon the needs of the community.

Just how much additional millage would be needed depends upon the extent of services to be offered.

The board is presently considering construction of an 11,200-square-foot township hall complex that would provide fire and police station facilities on an 8.9-acre site on Six Mile at Winchester road. The site was given the township by Thompson-Brown Company, developers of a subdivision in the area.

Estimated cost of the structure is \$450,000.00.

Township Supervisor Gunnar Stromberg stated that a one-mill levy over a 23-year period could pay for the cost of the structure, but added that additional millage would be required for operational costs.

He said that the township has legal authority to levy an additional mill for fire protection without a vote of the public, but he doubted that the board would favor any new levy without voter approval.

The township has until next April to find new quarters. The present township hall (the old library building) has been given to the Northville Historical Society and will be moved from its present site to make way for Northville Square shopping center.

The supervisor said the township is also exploring rental sites for temporary township hall quarters. One possibility is a vacant building

at Reef Manufacturing on Seven Mile Road, he reported.

So the township board and its citizens are left with these questions:

—should the township contract for additional police protection and, if so, from the county or the city?

—should the township urge the city to form a community-type police department under joint control of the two governments (a plan, incidentally, not completely acceptable to the city)?

—should the township expand its own force?

—if the latter is the course to follow, should the township go ahead with plans to build a township hall-fire station-police department complex?

—or should it rent township hall facilities, build a fire station, and either expand its own force or contract with the city or county for police protection?

What would you do if you were a member of the township board?

That's what the board wants to know. The members hope voters will consider the questions about police protection in the light of all the facts surrounding the need and fill out their questionnaire as objectively as possible.

They've asked for all questionnaires to be returned by Dec. 3.

The board also encourages voters to express their opinions in the space provided for "remarks".

Following is a copy of the questionnaire:

This questionnaire must be returned by December 3, 1971.

Northville Township Police

Present policing of Northville Township is taken care of by several methods. The Township has its own department consisting of two full time men plus twelve volunteer reserve policemen. The Township owns two police vehicles. The Township is patrolled by them twelve hours per day, seven days a week. In addition, at least for the immediate present, the Township is sporadically serviced by the Wayne County Sheriff's Road Patrol. However, we have been informed that this service may be phased out by the end of the year. Dispatching for emergency calls, if a Township car is not available to be dispatched, a State Police car is sent.

Our present population is 9,522, including institutions. Highland Lakes, Northville Colony and Northville Commons are all presently developing large subdivisions and consequently our population will leap ahead in the next five years, nearly doubling the above figures by 1976.

Sources of income include, state income and sales tax rebates, fees for various permits, a 1-mill property tax levy. This 1-mill levy is the maximum allowable levy without voter approval, and accounts for roughly 10 percent of the total general fund income.

Based on the above remarks and your own ideas:  
1. Do you feel that more police protection is required?  
Yes ..... No .....

2. If you feel that more police protection is becoming necessary how would you like to see it accomplished?

a. Increase size of present Township Police Department and as area growth requires, provide a full Township Police Department?

Yes..... No.....

b. Contract for required police service with the Wayne County Sheriff?

Yes..... No.....

c. Contract for required police service with the Northville City Police Department?

Yes..... No.....

d. Join with the City of Northville in a Community Police Department that would provide required police services under joint control of the Northville Township and Northville City Governmental bodies.

Yes ..... No .....

3. Would you vote for additional tax millage for police protection?

Yes ..... No .....

4. If yes to No. 3 would you vote:

Mills Average yearly cost based on home worth \$35,000

a. 2 \$35.00 Per Year ( )

b. 3 \$52.00 Per Year ( )

c. 4 \$70.00 Per Year ( )

d. 5 \$87.00 Per Year ( )

5. Would you favor total unification between City of Northville and Township?

Yes ..... No .....

6. Remarks

NOTE: Impartial election workers are being employed to tabulate results of this questionnaire. Questionnaire to be returned in the the enclosed postage-paid envelope

Signature required

## Set 6 Ski Trips

Think snow. That's the motto in Novi where more than 50 high school students are anxiously awaiting another season of fun on the slopes.

Members of the Novi High Ski Club, they have scheduled ski trips to Mt. Brighton January 6 and 20, February 3 and 17, and March 2 and 9, reports club spokesman Marsha Cook.

Special rates of \$12 for the first three trips are charged students, Miss Cook said. Members who do not own their own equipment pay only a small fee for rental equipment.

Club sponsor for four years, Del Munson has extended an invitation to all high school alumni skiers to join club

members at Mt. Brighton. They will be permitted to ski at the student rates, he said. Club officers this year include: Carol Salow, president; Lucine Tefrahan, vice-president; Miss Cook, secretary, and Sue Morris, treasurer.

# Ypsi Favored in SEC Race

If the Southeastern Conference coaches are right, the biggest contest in the league basketball race could be for second place.

In fact many of the coaches—after tabbing Ypsilanti Lincoln as the clear-cut favorite—have named as many as five teams to battle it out for the second spot.

Here is a rough consensus of the probable finish based on the observations of Rod Marlatt (Lincoln), Chuck Kelly (Chelsea), Frank Frederick (Dexter), Robert Johnson (Dundee), Ron Dingman (Milan), Milan Obrenovich (Novi), Jim Bradley (Saline) and Bill Thomas (South Lyon).

Behind favorite Lincoln, on a tabulation process based on where the various coaches mentioned the squads in their discussion, Chelsea and South Lyon were rated in a virtual tie in the second slot, with Saline trailing closely behind them. Slightly farther back came Milan, then Dundee, then Novi and, generally relegated to the bottom slot, Dexter.

For those who may have forgotten, Dexter and Milan tied for the diadem this past season, with Chelsea and Lincoln tying behind them in third. Dundee was a solid fifth and Saline, South Lyon and Novi finished in that order but very far back.

Analyses of each team as they approach the tip-offs for the 1971-72 season follow.

**YPSILANTI LINCOLN RAIL SPLITTERS**

Lincoln appears to have the strongest roster of veterans in the SEC. Only forward Al Napier was lost to graduation and some performers are enjoying their fourth (guard Ken Wright) and third varsity seasons (Larry Hunter and Vernon Porter).

Hunter, the 6'1" junior front liner, suffered a knee injury requiring operation and may not be ready this semester. Bruce Acuff, a guard, also was injured in football and the broken wrist has been slow to heal. An unconfirmed report this past weekend also listed Porter, a 6'1" senior, as an injury victim.

Size is not prevalent, but these Lincoln players have indicated in the past that they can often outjump taller opponents. Biggest are Don Reed and Mike Massey, both 6'2" seniors.

**CHELSEA BULLDOGS**

Kelly's graduation losses were heavier than those of Marlatt, but certainly not sufficiently serious to bring overconfidence to other SEC coaches.

While two starters and two backup men did complete their high school careers, size and experience are available at all positions for the Bulldogs.

**SOUTH LYON LIONS**

Impressive size and several returning veterans buoy Thomas' hopes for moving up in the league standings. Add two highly talented sophomores and several good juniors off last season's 12-4 junior varsity squad, and the Lions must impress at least on paper.

## Mustangs Give MVP Awards

Dale Griffith, Jeff Moon, and John Sherman received awards last Tuesday as the Northville football team held their post-season awards banquet.

Griffith received the Most Valuable Back Trophy, Moon was honored as the Most Valuable Lineman, and Sherman was given the Sportsmanship Award.

The winners of the awards were determined by the vote of the players.

Athletic Director Robert Kucher expressed pleasure with the banquet. "It's one of the best we've ever had," he said. "I think just about all but one or two of the parents were present, and the ones who missed had told me they'd be unable to attend because they were on hunting trips. It was a gratifying turn out."

Jeff Moon received his medal for being named to the All-League team and Dr. Robert Mandell, the team physician, was given an autographed football.

## Form Bowling Club

A new bowling league club has been started at Novi High School.

The league meets each Monday after school at Country Lanes Bowling Alley in Farmington, currently consisting of eight teams with four players each. Other members participate in the club as alternates.

The teams play each other on a schedule designed for the league, and records of student averages are maintained throughout the season.

According to the sponsor, Miss Diane Pawlak, the club was started to provide students with an outside activity to promote good sportsmanship, to learn about bowling, and to give them an opportunity to compete against other bowlers each week.

First of its kind in Novi, the club has generated a good deal of enthusiasm and interest by both students and parents, she said.

## THIS AD IS WORTH \$50 CASH WHEN YOU HITCH UP TO A HUSKY BOLENS SPRINT.

Skeptical that anyone would really pay you to buy a snowmobile? Don't be. For a limited time only, Bolens will give you a 50 buck refund when you purchase one of the three Husky Sprint snowmobiles listed below.

To collect, send this ad along with the snowmobile's warranty card to Bolens. We'll send you the \$50. It's that simple. No strings. No catches.

So, if you've been waiting for a snowmobile offer you just couldn't turn down, this is it. Carefully rip this ad out of the paper, put it safely away, and get down to one of these Bolens dealers. Choose from three twin-cylinder engines, a 336 cc and two 292 cc's. Pick the Sprint that suits you best. All have the performance and safety features, plus the built-in quality that Bolens is known for, so you can't lose.

Here's your chance to get a Husky Sprint snowmobile without putting a bite on your budget. Put the bite on Bolens, instead.

DON'T WAIT! This offer expires Dec. 24, 1971  
THIS OFFER ONLY APPLIES TO MODELS 83/293, 83/295, 83/340

## For 1971-72 Cage Season

# Novi-Northville Assay Prospects

## Mustangs Need Work On Passing, Defense

Walt Koepke lays it on the line. "We're a long way from being a good basketball team," says the new Northville cage coach. "I've never seen boys who were so poor at passing. They just don't seem to be able to hit the open man. I think maybe they're too concerned with scoring. They just don't seem to be able to really snap a good pass."

"We're very weak on fundamentals, especially passing, but we're also very weak on defense — very unaggressive. I've always stressed a very aggressive defense."

"We've got a long way to go. Most of the boys are working hard, though. I just wish I could say that all the boys were working hard."

The words aren't complimentary, but they are honest, and they come from a man who has consistently put winning basketball teams on the floor, a man who is used to exacting play and much hard work.

Walt Koepke comes to Northville this year from Mount Clemens High School with an outstanding coaching record of 99 wins and 46 losses. In seven years at the head of the Mount Clemens program, he won Eastern Michigan League championships three times, copped seven Michigan High School Athletic Association (MHSAA) district titles, and one regional title.

His teams were never defeated in MHSAA district play; as they took 18 consecutive victories.

"You don't win games with strategy," he said, "that's something for sportswriters to write about. You win games with fundamentals. You win games with passing and defense."

Koepke's stress on fundamentals has been evident in the Northville practice sessions so far. Scrimmages have been relatively infrequent and the bulk of the time is spent in drills that involve throwing unerring full court passes and dribbling adroitly with either hand.

Six lettermen — Scott Evans, Jeff Moon, Todd Hannert, Bill Andrews, John Hubbard, and Brad Cole — return from the team that posted a 4-14 record last year.

And although the new Northville coach is still unsettled on who will be in the starting line-up, he does offer his thoughts thus far.

"The one person with a starting job just about sewed up is Scott Evans at center," he says. "Scott plays hard all the time and that's the way I like to play it. I haven't really had an opportunity to work with him on his moves to the basket yet, but he's managed to learn several of the moves on his own. He's going to be fairly short for a center at 6'3", but I think he's going to do alright. He's the one player we've got who'll drive to the basket, and I stress driving to the basket."

There are four candidates at the forward spot and Koepke rates them even at this point. Todd Hannert is the tallest of the forward prospects at 6'4". Brad Cole and Jeff Moon are listed at 6'2" and Bart Taylor is 6'1". Jeff Moon, says Koepke, is currently leading the field, but he is a long way from his final decision.

Bill Andrews and Rod Crane appear likely at the guard positions, but Ron Hubbard and sophomore Joe Bishop are also contending for starting roles in the back court.

Others on the 13 man roster are 6'5" Mike Brown, a center, 6'4" Dave Dewey at forward, 5'11" Tom Edwards, and 5'6" junior Wally Reed.

Reed is the type of player Koepke likes. "He works as hard as anyone on the team," he says. "By the end of this season and certainly next year he's going to figure very prominently in our picture. If we could get everyone working as hard as Evans and Reed we'd have a very respectable team."

Whatever success the 1971-72 edition of the Mustangs achieve will be due more to the emergency of Koepke's coaching techniques and philosophies than the ability of any one particular player.

"We have about eight or nine players equal in ability. There is no one outstanding player. No one will average 20 points a game and it's possible that no one will even average 15 points a game," he says.

What are his philosophies?

"I like to think of myself primarily as a defensive coach," he answers. "If you're going up against a team with better personnel you have to rely on defense to beat them. You can't hope to match them in a purely offensive game. I like teams to know they've been defense when they get done playing us."

There is more. "I like the fast break. I think it makes for a very interesting and exciting game."

## Mustangs Face Tall Lion Team

Tall is the word that best describes South Lyon, and it's the Lions who will be on the floor when the opening whistle sounds on Northville's 1971-72 basketball season Tuesday, November 30, at 8 p.m. in the Northville gymnasium.

The Mustangs will probably not run into a taller team than South Lyon all season. At center is Mike Muir, a 6'8" sky-scraper, while Jim McIntosh, a mere 6'5", will be holding down one of the forward slots.

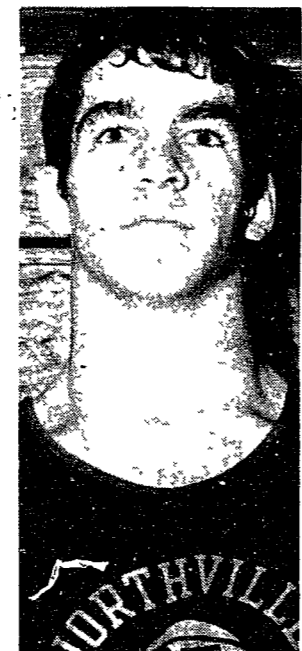

On offense I have a very patterned system. We'll use a single post offense. It's a continuity offense where one phase flows into another. We go through about four or five phases before we have to reorganize. We will work for the high percentage shot. I like my teams to shoot around 50 percent."

"On defense we will be very aggressive. We use a full court press all the time. 'Pressing' is the word that describes our defense. We press all the time, full court, half court, man to man."

"Those three things — defense, fast break, and patterned offense — are what I believe in."

Northville's season opens next Tuesday against South Lyon and Koepke is skeptical that his team will be ready. Football season ended just two weeks ago and the time since then has been shortened by the fact that the new Northville coach was hospitalized with a minor ailment over the past weekend.

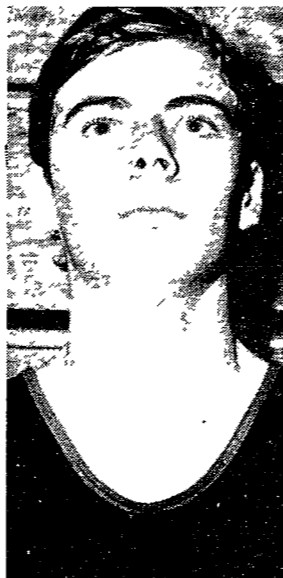

"We've got a long way to go before we're a good team," he reiterates. "I hope this next week is a good one. Right now we can't even get an organized fast break going."

## Wildcats Plan Escape From League Cellar

Milan Obrenovich, starting his second year as Novi basketball coach, has set modest goals for his 1971-1972 squad.

"We've set only one major goal for ourselves," he said, "and that is to get out of the basement. We'd like to move up as far as we can in the league standings, of course, but the only definite goal we've set is to get out of the basement."

"I know that doesn't sound like a great deal, but I think it's important to set goals that are within our reach and then go from there," he observed.

Novi has not done well in basketball over the past two seasons. Two years ago the Wildcats finished the season with a dismal 1-17 record, and last year was not much better.

For awhile it seemed that the Novi cagers would not even match their 1969-70 total of one victory, but then, in the final game of the season, the Wildcats dumped arch-rival South Lyon 61-46.

That victory somehow sparked Obrenovich's cagers and they proceeded to win their first two games in the Michigan High School Athletic Association post-season play-offs before losing

to St. Alphonsus in the regional championship game.

Whatever it was that sparked that late season surge, Obrenovich is hopeful that a good share of it will carry over into the present year.

There is some evidence that it will. The only difference between the Novi team that lost its first 16 games and the team that won three of its last four was a pair of guards moved up from the junior varsity for the post-season tournaments — Steve Lukkari and Gene Spencer.

There is good reason to believe that Lukkari, in particular, may have been the difference. This fall he took over the field leadership of a Novi football team that was only supposed to have an average season and through his ball handling and decision-making transformed it into one of the state's Class B powerhouses.

Obrenovich is hoping that the 5'8" junior can bring about the same transformation in basketball.

Gone from the 1970-71 squad, however, are its two best players-guard Tom Boyer and forward Bob Vivian. Both Boyer and Vivian received honorable mention on the All-Southeastern Conference basketball squad last season, and were the two top scorers on the Novi club.

Nevertheless, Obrenovich will still have five returning lettermen, three of them starters. Bob Pisha, John Pantalone, and Pat Boyer will be returning to starting roles this year, and Jim VanWagner and Andy Bowman also lettered last season.

At 6'3" and 225 pounds Pisha will be responsible for the bulk of the Novi rebounding from the center slot. Although not overly tall for a high school center, Pisha is strong on the boards and averaged eight points a game last year.

The forwards will be manned by Pantalone, a 6'

senior, and Boyer, a 6'1" junior and brother of Novi's 1970-71 All-Conference performer Pantalone had a nine point per game average last year, while Boyer's average was eight points per game.

Obrenovich has not yet decided on his starting guards. In addition to Lukkari and Spencer, both of whom averaged in the vicinity of 20 points per game for the Jayvees, Jim VanWagner will be battling for a starting roll.

"I just don't know which two of them I'm going to start yet," admits the Novi mentor, "but the one who doesn't get the first team berth is going to give us a lot of strength on the bench."

Obrenovich says he will only carry nine men on the varsity this year. Sophomore Dave Brown (6'0"), Kevin Hessee (6'1"), and Andy Bowman (5'11") will be the other varsity cagers.

Offensively Obrenovich plans to stick to a "ball control" type of offense. "If we get any fast breaks we'll take advantage of them," he says, "but in general we don't plan to run that much. We'll stick primarily to a ball control offense."

As far as scoring goes, the Wildcat coach does not expect for any one person to carry the bulk of the load. "We're well-rounded," he says. "I don't see any single outstanding star. All three of our guards are capable of scoring, which means that no team will be able to double team us and that we won't be depending on one individual for our offensive spark."

It seems doubtful that Lukkari, Pisha, Pantalone, Boyer, Spencer, and-or VanWagner will be able to pull off the miracle that took hold of the football team this fall, but certainly Obrenovich's goal is well within reach.

There is little chance that Novi's patient cage fans will have to wait for the last game of the season for their first victory.

## Coles Show Skill In Grid Guesses

Two in the Cole family — Bob and Ty of 356 Fairbrook — took two of the three prizes in the last weekly football contest of the season.

Bob took first place and Ty third place. In second was John Holdsworth of 46778 Grasmere.

All three winners made five errors, so positions were based on their predicted scores in Michigan's win over arch-rival Ohio State. Bob was just eight points off, picking Michigan to win 17-8, while John was 18 points off and Ty 21 points off.

In college games, the most missed contest was Indiana's 38-31 triumph over Purdue. Others that caused contestants problems were Virginia's 29-27 win over Maryland; North Carolina State's 31-23 victory over Clemson; Oregon State's 30-29 squeaker over Oregon; and, of course, Michigan State's 28-7 loss to Northwestern.

Nearly everyone picked Michigan to defeat Ohio State and Arkansas to beat Texas Tech (15-0).

In pro games, Detroit's 28-3 win over the Bears and Miami's 17-14 victory over Baltimore surprised most contestants.

ward slots. Last year McIntosh was a second team All-Southeastern Conference selection and led the South Lyon squad in scoring.

But there's more. Much more. The other forward slot will be manned by Eddie Segars, a 6'2" sophomore transfer student from Detroit, who is the highest jumper on the team and is already being touted as the best basketball player in South Lyon history.

Guards will be John Gelardi and Dale Bettingfield, who are 5'10" and 6'1" respectively.

This will be the seventh consecutive year that the Mustangs open their season against the Lions. Northville won the first three, but South Lyon has taken two of the last three. The Mustangs hold a 4-2 lead in the series.

South Lyon will be seeking to narrow that gap Tuesday.

# Santa's Coming Via Helicopter

Ready or not, Christmas is on its way!

The usual reminders are appearing: Snow flurries, store window trims, street decorations.

And this edition of The Record signals another Christmas shopping season with a host of advertisements and the announcement that "Santa Claus is coming to town".

But this year the Northville Retail Merchants Association (division of the Chamber of Commerce) are adding a new touch.

They're bringing Santa to town in a helicopter. No taking chances that snow-less ground will sidetrack his sleigh; this year it's First Class treatment for Santa in Northville.

Charles Lapham, chairman of the Santa committee, said that a Novi resident, Industrialist Paul A. Bosco, had extended a helping hand by providing the use of his helicopter and pilot for the appearance of Santa.

The Jolly Man from the North Pole is scheduled to arrive promptly at 10 a.m. Saturday, December 4. He'll land at Northville Downs and will make his way through town to Northville Hardware, 107 N. Center, where he'll visit with youngsters and give them candy until 5 p.m.

According to Lapham, Santa will reappear at Northville Hardware on Fridays, December 10, 17 and 24 from 4

p.m. until 8 p.m., and on Saturdays, December 11 and 18 from 11 a.m. until 5 p.m.

## NEWS BRIEFS

A LEGION YOUTH DANCE is being planned for high school students from 2 to 5 p.m. this Saturday at the American Legion Home on Dunlap at Center Street by the Junior Auxiliary and the Sons of the American Legion. It's 75-cents and is a record dance open to all young people in the community.

PLAY AWARD WINNERS receiving "Olivers" after last Saturday night's performance of "George Washington Slept Here" at Northville High School were Theresa Buckmaster, who had the feminine lead, and a school newcomer, J.W. Sleete, who had a supporting role. New director, Kurt Kinde, instituted a third award, called the "George", for the most distinguished backstage work. This went to Janeane Reynders.

ROTARY TRAVELOGUE, "Mountain West Trails," at 8 p.m. this Friday in Northville High School will be narrated by Don Cooper, nationally known adventurer. The film explores Coronado's trail north to New Mexico and continues to the edge of the arctic. Tickets are \$1 for students, \$2 for adults.

WAYNE COUNTY has now decided it is willing to negotiate a lease with Michigan State Police for two of its vacant Child Development Center buildings on Sheldon road. Last summer the request to establish a post and crime lab in the buildings met strong subcommittee resistance and never reached the full board of commissioners. Meanwhile, Plymouth and Northville township groups have proposed possible new facilities in their respective communities. State Police have become a little more selective and may decide that new buildings are better than old, if the price is right.

CHRISTMAS DECORATING—Visitors browse among shelves of new decorations and gifts for the holiday season at Ely's Christmas Trims during the annual open house of Northville merchants, antique and crafts shops last Sunday afternoon.

COFFEE AND COOKIES—Mrs. William St. Lawrence is hostess at the refreshment table at Ely's Christmas Trims, 316 North Center. She is the daughter of the Charles Elys and welcomed crowds during the holiday preview Sunday.

HOLIDAY HOSPITALITY—Crowds lasting all Sunday afternoon sample punch and cookies in the archway between Del's Shoes and Lila's Flowers and Gifts on East Main Street while getting ideas at the annual Holiday Preview of Northville merchants.

Top Player 'n Coach

Steve Lukkari, Most Valuable Player, and John Osborne, Coach of the Year, hold the Sliger Newspaper traveling trophy that goes this year to the Novi Wildcats.

## Wildcats: Best Team

# Novi Cops 7 of 22 Star Positions

In what should come as a surprise to absolutely nobody, the Novi High School Wildcats have been selected the Team of the Year in the third annual Sliger Publications Post-Season Football Awards.

Also singled out for honors were Novi Coach John Osborne, who was named Coach of the Year, and the Wildcats' junior quarterback, Steve Lukkari, who walked off with the Most Valuable Player title.

Novi was the unanimous choice of the Sliger staffers as the area's top eleven. Indeed, with only one other team in the coverage area boasting a record higher than 500 (Hartland was 5-4), Novi's 8-1 mark made them the only logical choice.

But even if the competition had been much sterner, the Wildcats would probably still have topped the top honors. Powered by an explosive offensive unit, Novi demolished foe after foe enroute to the finest season in the school's history.

Their only loss was a 36-28 setback suffered at the hands of Chelsea, the number one rated Class B team in the state according to the polls - of one of the metropolitan newspapers. But Novi advocates will insist that their team is superior even to Chelsea, and the statistics should support their contention.

In the showdown clash between the two Southeastern Conference powerhouses, the Wildcats outgamed Chelsea in rushing by a whopping 280-84 margin, only to lose in the final quarter on a pair of long touchdown passes.

The Wildcats were the ninth rated Class B team in the state. The 1971 Sliger All-Area team is the largest, at least in numbers, ever selected with 22 outstanding prep athletes being tabbed for recognition. Involved is a change in format. Previously, only an offensive unit was named with defensive standouts being added according to merit.

This year, individual offensive and defensive teams were named, and even though some players were deserving of inclusion on both squads, no one player was named to both units.

Fittingly, Novi dominated the 22-man

team with no fewer than seven selections. Hartland and Pinckney each had three players selected, while Brighton, Northville and South Lyon had two apiece. Whitmore Lake placed one player on the team.

### OFFENSE

**CENTER:** Anchoring the offensive line on the Dream Team is Novi's 5'10", 185 pound center KEVIN SCHINGECK. The only player to be unanimously selected to the All-Southeastern Conference offensive team, Schingeck was a solid two-way performer and a key factor in his team's success. Defensively, he was the team's second leading tackler with 120 hits to his credit, but it was on offense that he performed his best.

Also receiving consideration at the center position was Brighton's BOB MCKEON, a 6', 190 pounder.

**GUARDS:** One of the strongest areas on the team was the guard position with no fewer than six players being considered for the two openings. Finally selected were Brighton's BOB HINES (5' 11", 170) and Novi's PAT FORD (5' 8", 160). Brighton coach Forrest Bone cited Hines as a good blocker with fine quickness. "He always completed his assignment, flawlessly," said Bone.

Ford was another of the Novi stalwarts. Named to the Southeastern Conference team both as a second team guard and a first string linebacker, the 160 pound senior led his team in tackles with 181.

Other guard candidates were Pinckney's BOB REYNOLDS, Hartland's JOE CLARK, and Northville's CHUCK COOK. Reynolds and Clark, although primarily guards, were named to the All-Area team at other positions. Cook was a strong candidate, but was disqualified due to an injury that forced him out of action for all but the first two games of the season. Before he left, however, the Northville 5'11", 190 pound co-captain distinguished himself. Novi's Ford called Cook "the toughest lineman he faced all year."

**TACKLES:** Although there were few can-

didates for the offensive tackle spot, the position did not lack for quality. In fact, Hartland's RICK PERKINS (6'1", 230) was one of only two repeaters from last year's All-Star team. The largest player on the team, Perkins received honorable mention recognition in Flint's Suburban C League both as a sophomore and a junior. A powerful blocker, he was also used effectively as a pass receiver on the tackle-eligible play.

Pinckney's BOB REYNOLDS (5'11", 180), although originally nominated as a guard, was shifted to fill the other tackle slot. Pinckney coach Tom Wilson called Reynolds, "the finest trap blocker we've ever had." Reynolds is afforded a good deal of the credit for opening the holes for Pinckney's All-Area halfback Terry Trumbull.

**ENDS:** Northville's JEFF MOON and South Lyon's JOE STEPHENS were named to the two offensive end spots. Moon (6'2", 190) won the respect of every team he played against. "He gave us fits," said Brighton's Bone of the Northville star, an opinion echoed by Novi's Osborne. Moon led the Mustangs in receptions with 26 and was named to the Western Six Conference All-Star team.

Stephens at 5'9" and 146 pounds is one of the smallest men on the team, but there was nothing small about his pass catching ability. In seven games he snared 31 passes, good for 452 yards and four touchdowns. "Once he gets his hands on it," said one observer, "he doesn't miss."

**QUARTERBACK:** Although the quarterbacking spot is filled by the team's Most Valuable Player, Novi's STEVE LUKKARI, another nominee, South Lyon's TONY KERN had the more impressive passing statistics. Nevertheless, Lukkari, easily won the first team honors.

Running the Wildcats' wishbone T offense with great efficiency, the junior signal caller impressed coaches with his leadership and ball handling abilities. He completed 32 of the 91 passes he threw for a total of 582 yards.

All the statistics belonged to South Lyon's Kern. Only a sophomore, he set school records for passes (241), completions (117),

passing yardage (1,479), and total offense (1,508).

**HALFBACKS:** The halfback position was perhaps the strongest on the team, as the area produced a bumper crop of outstanding ball carriers. Finally selected for first team honors were Pinckney's TERRY TRUMBULL, Novi's JIM VANWAGNER, and Walled Lake's KEN SKORUPSKI.

Trumbull, only 5'9" and 157 pounds, was the second leading scorer in Livingston County with 68 points and ranked first in yards per carry with an outstanding average of 11.3, as he gained 723 yards on 64 carries. Extremely fast, Trumbull tallied five times against Williamston and four times against Dansville.

VanWagner is the brother of Novi's Tom VanWagner, who was named the Most Valuable Player on the 1970 All-Area Team. Just a junior, VanWagner set a school record by gaining 752 yards on 91 carries for an average of eight yards per carry. He scored 68 points and was a first team ALL-SEC selection.

The third running back post goes to Ken Skorupski. A powerful runner at 5'10" and 190 pounds, the Walled Lake senior rushed for 937 yards and scored six touchdowns. Only an injury in the next to the last game of the season kept Skorupski from breaking the 1,000 yard barrier.

There were a slew of other backs, however, who were also outstanding and, in any other year, might well have been selected to the team. One of them, in fact, was Whitmore Lake's DOUG BENNETT, who was a member of the 1970 All-Area team.

Novi's PAT BOYER gained 686 yards on 96 carries - good for a seven yard per carry average. He was also the area's leading scorer with 74 points. South Lyon was led in scoring by RON WISEMAN, a good runner and an extremely dangerous pass receiver. Northville boasted DALE GRIFFITH, who piled up 516 yards while playing on a weak team and against defenses that keyed specifically on him in every game.

## Society Fills Vacuum

Reverend William Nottenkamper  
Pastor,  
Salem Congregational Christian  
Salem

One of the television networks presented a special not too long ago called "The Pleasure Seekers". They stated that Americans seemed to be possessed by a great nagging vacuum in their lives. The special pointed out in graphic detail that the majority of people were trying to fill it with pleasure and enjoyment.

The point was this: there is that vacuum of meaninglessness, the pain of not knowing what it's all about and in order to live with this, we must drown it with anything we can get our hands on. Whether pleasure (having fun), dope, alcohol, money, status, sex, materialism or whatever, we try desperately to fill this void. The point made here doesn't seem to miss the mark by much. Society is filled with games and toys that we use in our overworked efforts to satisfy this vacuum.

When games and toys don't satisfy, and they don't for everyone, then more extreme measures are taken: dope, alcohol, and even suicide. But a whole life spent chasing illusions, daydreams, unrealities, and clouds that don't explain is still a whole life spent chasing illusions, daydreams, unrealities, and clouds. Sound funny?

Think about that thought: if you cling to something unreal, the clinging doesn't make it any more real.

Life does have purpose and design. One but has to consider nature and the Universe - it's so very evident. The design, purpose, and order is clear. The human body, the heart, eye or mind - more evidence. The design, purpose, and order reveals itself. "The heavens declare the glory of God, and the firmament showeth his handiwork." Psalm 19:1 He who made the heavens, we must acknowledge, is order and He is the cause of an order and purpose in this universe. This infinite God of order is not one who has created this very orderly universe only to leave it to its own destruction; He is interested in us personally and wants order and purpose in our lives as well.

It isn't hard to see that order is missing from our lives. How? Order is the proper relationship between things that order was designed to exist between. Man and God were to

exist together in harmony and order. But man was made in God's own image, free to choose. His choice - disorder and confusion. Man willfully placed himself as the center of his universe and broke fellowship with God the Creator and Father. The Bible states, "All men have sinned and are far away from God's saving presence." Romans 3:23 We have fallen short of God's perfect standard. "But your sins have separated between you and your God." Man's present condition: a God shaped void, separated by sin from order in our lives.

Yet because of God's great love for us, He took the initiative and something was done about our condition. The Bible says that the wages of sin is death (or separation from God). That wage had to be paid. Someone had to pay for our selfwill. Justice demanded the perfect sacrifice. Justice got her demand: Christ, the son of God, died as payment for the penalty for our sins.

"But by the free gift of God's grace they are all put right with him through Christ Jesus, who sets them free." Romans 3:24 Our part consists of accepting what God offers to us because of what Jesus freely did for us. "But as many as received him then gave him the power to become the sons of God." John 1:12 When we receive what Christ has done for us, harmony, peace, and a life relationship with God is our experience. For the first time we can experience lasting satisfaction, purpose, and order in our lives. When anyone is joined to Christ he is anew being. The old is gone, the new has come. (II Corinthians 5:17).

This is what can change and renew our existence here on Earth - not just make them bearable, but exciting and wonderful, existentially experiencing moment by moment the infinite, personal God who made all things. We are not seeking to make you an added number or member of any organization. But because we have found that there is a personal God who cares about us as individuals, we want to share this with you. Your part is to believe the Good News - Christ died for our sins, was buried, and rose again, one day to come again.

# ABUNDANCE

Jesus said, "I am come that they might have life, and that they might have it more abundantly."

Now it is a tribute to the intelligence of men that no one thinks He was talking about the material abundance we enjoy today. Everybody knows He was talking about something else.

But what else? What could Christ add to your possessions? What can He give men that might account for the logical distinction we readily make between a life of abundance and the abundant life?

Himself! That's it. That's all. Precisely what He said: "I am come that..."

To know Him and to know the meaning His Life has for our lives is to discover the abundant life!

Does your family use the Church as faithfully as the market?

## Novi Cops 7 of 22 Positions

Continued from Page 1-B.

### DEFENSE

ENDS, Pinckney's SCOTT TOWSLEY (6'1", 190) and Novi's PAT BOYER received the nods for starting berths at the defensive end slots. Towsley is extremely quick for a relatively large boy. He excelled at stopping the option play and quick pitches. Pinckney Coach Tom Wilson stated that opposing teams geared their attack away from Towsley's side of the field.

Boyer, as previously mentioned, was an outstanding halfback for the Novi team, but also was a standout at defensive end. He played the screen pass to his side of the field as well as anyone and was a second team ALL-SEC choice on defense.

TACKLE. The value of Novi's BOB PISHA (6'3", 225) was pointed out in his team's final game against Dearborn Crestwood. With Pisha in the game, Crestwood gained just 39 yards rushing and one first down. But, when Pisha was forced to the sideline with an injury at the start of the second half, Crestwood rushed for 147 yards and nine first downs over a comparable period of time. Pisha was a two-way standout, and received first team ALL-SEC honors both as a defensive tackle and an offensive end.

The other tackle spot went to Walled Lake's MIKE GREENLEE, a 5'11", 180 pound junior. Called by Walled Lake coach Leo Folsom the "best lineman on our team for the past two years," Greenlee was given a first team spot on the Western Six All-Star team.

Two other area tackles drew special attention. Novi's TERRY AUTEN (6'2", 210) and Northville's JIM PORTERFIELD (5'10", 190). Auten had 77 tackles, while Porterfield, only a sophomore, had 76.

MIDDLE GUARD: Hartland's JOE CLARK (5'10", 190) performed well both as a guard on offense and a nose guard on defense. An outstanding tackler, he made running inside against the Eagles a treacherous and unsuccessful matter.

LINEBACKERS: Another strong position, the area produced a handful of standout linebackers. Perhaps the best was Whitmore Lake's A. J. GILLESPIE (6'4", 205). Gillespie was named to the team for the second time this year, after having first been honored as a sophomore last year. He totaled 92 tackles and also starred as an offensive end.

The wealth of good running backs kept Hartland's Russ Buell from making the All-Star team in that category. As a back, he was third in Livingston County in scoring with 66 points and rushed for over 600 yards. He was equally adept as a linebacker and a defensive back, always drawing the opponents' best receiver in man to man coverage for the Eagles.

Brighton's DUANE CORNELL was named to the third linebacking spot. At 5'10" and 165 pounds, Cornell averaged 13 tackles per game for the Bulldogs and was called by Coach Bone "as good a defensive ballplayer as you could want to see."

Other linebackers receiving attention were South Lyon's GARY McMAHEN (6'1", 210) and Northville's STEVE SERKAIAN (5'8", 180).

DEFENSIVE HALFBACKS: Another of the team's strong spots. The three backs finally selected had two things in common - they were all underclassmen and were adept ball hawks. South Lyon's DAVE TATRO, a 5'10", 165 pound junior set a new school record with eleven interceptions. He also had 47 tackles and was an ALL-SEC selection.

Another ALL-SEC choice was Novi's sophomore DAVE BROWN. Brown had four interceptions and 38 tackles to his credit.

Northville's JOHN SHERMAN (5'5", 140), another sophomore, was also an adept pass thief, as he pilfered nine aerials for the Mustangs. Himself an ex-professional defensive back, Northville coach Chuck Shonta had high praise for Sherman, citing

his ability to "read the quarterback and the receivers."

Other defensive backs receiving serious

consideration were Brighton's DENNY HORAL, Walled Lake's JIM EVANS, and Novi's STEVE BOSAK.

## Nutrients Boosted

Information to help you purchase the food nutrients essential to human health is appearing everywhere, reports Sheila Morley, Michigan State University marketing information specialist.

In response to the White House Conference on Food and Nutrition, many companies are emphasizing nutrition information in their advertising and adding nutrient data to their product labels, explains Mrs. Morley.

The Food and Drug Commission is working to standardize nutrition information on labels of canned and packaged foods.

"The United Fresh Fruit and Vegetable Association has described the modern American supermarket as the world's biggest, most complete, most amazing full service nutrient bank," Mrs. Morley says. "The average

Vacation the year 'round!

### THE LEISURE HOME

Here is the perfect setting for gracious living. These leisure homes invite relaxation. It's like a year 'round vacation. American Timber uses durable, solid white Cedar to make these homes virtually maintenance-free. We'll erect them in the mountains, in the woods, along your favorite lake or stream, out in the countryside or on the beach. Enjoy the fun life. Discover the art of elegant living. And it can be yours NOW.

This newspaper will arrange for you to receive full information. Write Box 402 in care of The Northville Record, Northville, Michigan 48167, or phone 349-1700 and ask for details to be mailed to you.

AN OPEN LETTER TO ALL OF OUR FRIENDS

We have had a successful year and have tried to operate our business with the golden rule foremost in our thoughts and hearts and felt that to build our reputation, good name, and your trust is more important than anything. So, with this uppermost in our standards we have hoped that you, our friends have felt this atmosphere at The Iron Kettle and we take this opportunity to say to each and every one of you for your trust, friendship, and business on this Thanksgiving Day—Thank you.

Sincerely,  
Ceil and Fred Penness

# Land Dispute with Ohio Nears End

LANSING—One of the oldest legal hassles ever seen in this country is about to be ended by the U.S. Supreme Court and Michigan may be the sorry loser.

The dispute is 135 years old. Involved is 200 square miles of water and bottomlands of Lake Erie between Michigan and Ohio. Normally, the area wouldn't attract that much attention, but geologists say it is rich in oil and gas deposits.

THE WHOLE THING started back in 1836 with what has become known as the "Toledo War"—a difference of opinion between Michigan and Ohio over where the boundary between the two states should be.

A "final line" was drawn only after the two states threatened war over the disputed piece of land and President Andrew Jackson sent a peace mission to head off the battle. In return for giving up the piece of land being disputed, Michigan received what is now known as the Upper Peninsula.

The boundary was laid out by a captain named Talcott in the U.S. Corps of Engineers in 1836.

THE CURRENT dispute involves

establishing exactly where the north cape of Maumee Bay in Lake Erie was situated when the final boundary was drawn. The cape has since eroded and the question is whether it should be the determination for the boundary between the states on the Lake Erie shore and if so, where it was exactly when the line was drawn.

Ohio claims the boundary between the states reaches out into Lake Erie at a 45 degree angle northeasterly to the Ontario border. Michigan claims it goes straight east from the Michigan-Ohio border.

The Supreme Court appointed a retired federal judge, Albert B. Maris of Philadelphia, as a special master in the dispute.

MARIS JUST FINISHED more than four years of taking testimony and hearing arguments in the dispute.

He recommended to the court that it agree with the Ohio position that Michigan pay all the court costs involved. He said the border should follow a line extending from near Toledo across Turtle Island in Maumee Bay, far north of where Michigan says it should go.

The high court is expected to decide the matter later in its current term.

STATE PUBLIC HEALTH Director Maurice Reizen thinks the state ought to put together a coordinated child health policy.

"In Michigan—as elsewhere around the nation—there are literally hundreds of public and private agencies which involve themselves with the health, education and welfare of our children," he says. "Yet because there is no single expressed policy underlying all of them we give only fragmented, uncoordinated and inconsistent attention to the wide range of severe, and often tragic, problems from which our children suffer."

A concerted effort, he thinks, "can successfully combat the complex social, environmental and physical factors which continue to hamper progress in child health."

REIZEN POINTS out that in 1969, the last year for which complete data is available, 3,356 babies under one year of age died in Michigan alone—more than the total number of persons killed in traffic accidents

during the year.

The state may be no worse than the national average in this area. "When we recognize them not as numbers, but as our children, this fact is surely intolerable," Reizen says.

"In all of our planning, programming, and decision-making, regardless of who or what it is explicitly aimed at, we would do

well to always keep in mind the one ultimate question—"Is it good for children?" he says. "If it is not, whatever it is—from eating fish to breathing impure air—chances are that it is not really good for society, nor for us as individuals either."

"A clear child health policy would help oblige us to keep this key question always foremost in our minds."

## Out of The Horse's Mouth

## New Indoor Riding Arena Goes Up

This column is open to news of all breeds of horses and ponies. Send your questions, comments, and horse show news to "Horse's Mouth," care of South Lyon Herald, South Lyon, MI 48178.

Construction of a 70 X 136 foot corrugated steel building began this week at Majestic Farm, 1300 West Joy Road.

The approximately \$15,000 building will house an indoor riding arena, according to John O'Brien, owner. Plans call for completion of the building by the first week of December.

"The new arena will triple the size of our current indoor riding space, allowing us to enlarge our classes," O'Brien stated.

The Ann Arbor riding school on its 40-acre site now has two boarding barns for 32 horses, a lighted outdoor ring for jumping and equitation classes, a dressage ring, and a large open field for free riding. Next spring the farm will add extensive cross-country trails through its heavily wooded sections.

### Care of Horses in Winter:

In addition to making you limit your regular outdoor activities, winter temperatures have a decided effect on the dispositions of your horses. Even the quietest pleasure horse now takes on a wild look when he hears the rustling leaves and the feel of cool, crisp wind blowing his mane.

Don't worry, your steed has not gone berserk; it's only that, with the drop in temperature, instead of putting on winter underwear, your horses have donned their winter dispositions.

I suggest that if you prefer your mount keep his four feet on the ground and behave in a sensible manner, that you turn him out in a paddock for about 15 minutes before you saddle up.

Having had a really good run, most horses will then settle down quietly enough, although you must still expect them to be a little more sensitive to strange noises and movements than they are in summer.

December 5  
"Winter" Horse Show-Park Chapman Stables, on M-21 (eight miles west of Flint) Starting time: 10 a.m. Manager, Elmer Schneider - 238-4396. Heated observation room and indoor arena tie

Coming up in the future is the Horse Science Short-course to be held in Wayne County beginning January 25, 1972 and weekly thereafter.

January 25, "Breeding and Foaling"

February 1, "Selecting a Sound Horse"

February 8, "Equine Nutrition"

February 15, "Management of Horse Pastures"

February 22, "Diseases and Parasites"

These will be held at 7:30 p.m., Ford Division Office Building, Rotunda Drive and Southfield, Dearborn. (registration will be required) The Michigan State University Cooperative Extension Service will present this series of educational sessions using extension specialists, veterinarians, and experienced horse personnel.

Registration information will be printed in the near future

stalls and box stalls for rent.

### Glossary

Appointments: That equipment and clothing used in showing.

Biting rig: A combination of bridle, harness pad and crupper used to teach a horse to flex at the poll.

Canter: The Canterbury gallop. A three-beat gait, a moderate, easy, collected gallop.

Cantle: The back of a saddle.

## Nutrients

Continued from Page 3-B

supermarket stocks from 8,000 to 10,000 different items providing you with 57 nutrients in four basic groups."

Protein, iron, and B-vitamins are found mainly in the meat department. Calcium, protein, and riboflavin are centered in the dairy department. You can get the essential carbohydrates, B-vitamins and minerals in the baked good or cereals departments.
