

Services Mark Birth of Christ

Area churches will join with Christians throughout the world in celebrating the birth of Christ with services of carols and candlelight.

First United Methodist Church will present the Living Nativity in the new church parking lot on Eight Mile at Taft Road. The program, which was first presented Wednesday night, will again be shown today (Thursday) at 7, 7:30, 8 and 8:30 p.m.

The timeless Christmas story will be portrayed by the

Junior High Methodist Youth Fellowship in a life-size setting with real animals, the Reverend Guenther C. Branstner, pastor, said.

Christmas Eve service will begin Friday at 9 p.m., including a service of carols and candlelight. Sunday there will be only one service, held at 9:30 a.m., with morning worship and church school scheduled for the same time.

St Paul's Lutheran Church congregation will assemble on

Christmas Eve at 7 p.m. for a family service including singing of carols and a Christmas message given by the Reverend Charles F. Boerger, pastor.

At 8:30 p.m. the Adult Choir and Day School Chorus will present a concert of Christmas music which will conclude with the traditional candlelighting ceremony.

On Christmas Day, a Festival Service begins at 10:30 a.m. The Adult Choir will sing "Once For Us A

Child Was Born," with Mr Boerger's message entitled "Christmas Came and Stayed."

Sunday the regular worship services will be held at 8 and 10:30 a.m. with holy communion celebrated in the 10:30 a.m. service. Kirk Toth will play special music on the violin. Sermon theme will be "Heaven's Melody Is Not Silenced."

The First Baptist Church of Northville will present its

Christmas Eve service at 7:30 p.m. The pastor, the Reverend Cedric Whitcomb, will bring a special Christmas message to the congregation and there will be carol singing and special music. All Northville area residents and their friends are invited to attend the service, Mr Whitcomb said.

On Wednesday evening (yesterday) at 7:30 the Sunday School presented its Christmas program. Along with each of the departments

in the Sunday School, the newly organized youth concert band, under the direction of George Berryman, played special music.

The First Presbyterian Church will hold two candlelight services on Christmas Eve, the Reverend Lloyd G. Brasure, pastor, said.

The family service will be held at 7 p.m. and the traditional choir service with

Continued on Page 14-A

CHRISTMAS CAROLERS—"Noel," "Weihnachten" and "Navidad" songs are sung by Hilary Holdsworth, from left, representing Northville High School French students; Brian Steimel, German language students; and Cynthia Carrow, Spanish. The trio was part of a group of about 100 students from the high school language classes who caroled throughout the town last Thursday under the direction of their teachers.

TWO CITY POLICEMAN, Sergeant David LaFond and Patrolman Phillip Young, were suspended without pay this past weekend pending hearings on charges of sleeping on duty brought against them by Police Chief Samuel Elkins and City Manager Frank Ollendorff. A closed hearing before the city council concerning the charges against LaFond is scheduled Monday. A three-man hearing board review of charges against Young has not yet been set.

SMOKE FILLED rooms may be keeping residents from government meetings. Township Clerk Mrs. Eleanor Hammond told trustees last week she received an anonymous note from a township resident claiming if a ban was put on smoking at township board meetings, "more residents would attend the meetings." The note was attached to an article stating the amount of nicotine and tar floating around a smoke filled room is just a hazardous to the non-smoker as smoking cigarettes is to the smoker.

DEADLINE NEARS FOR NOMINATIONS for Outstanding Young Man of the community between 21 and 35 years old who has contributed beyond his job and for Distinguished Service Award for a man who served the community (no age limit) in the annual Northville Jaycees' contest. Anyone with nominations is asked to write Arlen Westling, 18850 Jamestown Circle, before January 3.

MAIL EARLY PAYS OFF—While a large volume of mail for the holiday has passed through the Northville Post Office, there has been little backlog at any time this season, according to Postmaster John Steimel who speculates that the usual avalanche was avoided in mid-December as a result of the post office's national "Mail Early" campaign. Anyway, Christmas packages and greetings were mailed earlier than usual. At most, according to Assistant Postmaster Elmer Balko, mail was one day behind this week with all to be out by Christmas. No extra help was hired this year but employees work up to 11 hours a day, six days a week.

One Year Moratorium

Delay Bottle Ban

Despite the protests of several citizens, a one-year delay in implementation of the city's ban on non-returnable bottles was ordered by the Northville City Council Monday night following a public hearing.

In granting the bottle ban delay, council accepted the recommendation of Donald Oswell, chairman of Citizens for Environmental Action, and directed the city attorney to prepare a resolution demanding that state legislation on controlling non-returnable bottles be enacted.

The resolution, after presentation to the council, is to be sent to municipalities throughout the metropolitan area urging concurrence by their public officials.

City Manager Frank Ollendorff summed up the council's position, when he explained that Northville had taken "the lead" in enacting the ordinance (originally scheduled to go into effect January 1) following indication by municipal leaders throughout the tri-county area that similar action would be spearheaded in their communities as well.

Few of the other communities so acted, however, and as of Monday, only four had such ordinances and two

of these were considering delaying or rescinding, action, he said.

Because of inaction by other communities, Northville is caught in the middle, he said. While merchants in other communities, including Novi and Northville Township, would be unaffected by the ban, local businessmen would be forced into an "unfair" competitive position.

Without a united front involving communities throughout the metropolitan area, the isolated ban here would "do nothing" to force bottler distributors to furnish returnable bottles to local merchants, the city manager said. He had reference to comments earlier by merchants that distributors are reluctant or refuse to furnish retailers beverage in returnable bottles.

"I think some of the distributors are irresponsible," charged Ollendorff. "They (and the ban) would just put the burden on the local merchants."

Speaking for several protesting students in the audience, Pat Mahoney argued that few people will travel to a neighboring community just to buy pop in non-returnable bottles. Northville's ban may be just "one

small step for man but a giant step for mankind," she said, paraphrasing the astronaut's comment upon stepping on the moon.

Another student took the position that if Northville implements its new ordinance it will encourage other communities to take similar action.

Sidney Frid charged the council's procrastination will continue the bottle problem here for years. "I've been picking up bottles for one-third of my life. Why should I pick up bottles you (businessmen) distribute?" he asked, referring to suggestions that the city institute a bottle pickup program.

Referring to the Environmental Action group's recent glass collection projects, Mrs. Jean Dykstra noted that continuation of this voluntary program is doubtful because there is no nearby central place to take the glass once it has been collected locally, because there is a lack of voluntary manpower assistance and because glass cut injuries create a liability problem for the club. She said Ann Arbor is no longer anxious to accept glass collected locally and that the collection program at the Michigan State Fairgrounds has been abandoned.

Other collection centers exist, added Oswell, but his organization has difficulty finding ways to transport glass to these locations. He said he recognized the special problem faced by local merchants but he suggested the delay in implementation be of a shorter duration.

A motion by Councilman Paul Folino to delay implementation for six months died for lack of support.

Replying to a comment by Councilman Kenneth Rathert that the "problem here is

bottle litter" of both returnable and non-returnable bottles, Mrs. Dykstra said, "It's not only a litter problem but also a landfill problem." She suggested the city consider a glass pickup service, separate of its regular trash pickup.

Concerning a comment by David A. Erlandson, representative of the United States Brewers Association, that Oakland County is about to establish a central glass collection center, Oakland County Commissioner Lew

Resurfacing Set For Local Roads

Major road resurfacing projects, costing an estimated \$785,000, will take place in the city and township of Northville during the next two years, the Wayne County Road Commission has revealed.

The Northville projects are part of a \$12.7 million county-wide resurfacing program that is scheduled to begin next summer with completion by the fall of 1973.

Locally the projects include:

- Center Street, from Base Line to Cady
- Seven Mile Road, from Clement to Ridge
- Six Mile Road, from Northville Road to Sheldon
- Five Mile Road, from

Sheldon west to the C&O tracks.

• Five Mile Road, from Northville Road to Haggerty.

According to Michael Berry, chairman of the Board of County Road Commissioners, the county projects represent the largest single resurfacing program ever undertaken by the board.

It is to be financed through

Offices Close

The Northville Record-News offices will be closed tomorrow (Friday) and again on the Friday prior to the New Year's holidays. For special holiday hours for postal and municipal offices and banks see story on Page 9-A.

the sale of gas and weight tax anticipatory revenue bonds. Bonds are to be sold soon, he said.

The board chairman said use of revenue bonding would permit the board to do work in two construction seasons that would ordinarily take several years.

Following is a break down of the five local projects:

Center Street. Last major improvement program on this 30-foot wide roadway occurred in 1955. Plans call for complete asphalt resurfacing at a cost of \$55,000.

Seven Mile. Last major improvement occurred in 1950 on this 18.22 foot wide roadway. Plans call for some base work with complete asphalt resurfacing on 1.79 miles of

City Considers 'Snow Trails'

Establishment of snow trails to permit operators to leave and return to the city on their snowmobiles is being considered this week following approval Monday of an ordinance regulating the use of these machines.

The new ordinance was amended at Monday's public hearing to permit council establishment of these access routes and times for use of such routes.

City Manager Frank Ollendorff is to meet with members of the Snowdrifters Club, which recommended the amendment, in an attempt to come up with a number of satisfactory routes. Under the ordinance, the council must approve or disapprove them.

Few acceptable routes are likely to exist, according to City Attorney Philip Ogilvie, who pointed out that state law prohibits snowmobilers from operating their machines closer than 10 feet to highways.

The 10-foot restriction, noted Ollendorff, would mean operators would be traveling on private property in many instances. Permission for such use would have to come from the property owners, not the council.

Purpose of the special routes is to give operators a means of driving their machines to locations outside the city where snowmobile operation is permitted.

One suggested route is from

the Gulf service station on East Main Street, along and across Main to Gerald Avenue, under the viaduct to the roadway paralleling the railroad, and north to Eight Mile Road.

Although the council declined to accept another recommendation of the Snowdrifters that the ordinance's 10 p.m. curfew be changed to midnight, it did indicate it would consider a later curfew on special access routes that may be found acceptable.

Several representatives of the club were present to urge the amendments.

William Hopping, 921 Jeffrey Drive, argued against the suggested midnight curfew, pointing out that children are in bed at that time.

Over the weekend, he charged, snowmobilers had created a nuisance for himself and neighboring homeowners by operating their machines on adjacent property, including school land. These are the kind of people, who unfortunately are not members of self-regulating clubs such as the Snowdrifters and who have no regard for other people, he said.

Hopping agreed that some snow trails may be desirable but he urged the council to rigidly enforce the ordinance ban on use of public lands for

MOUTH FULL—When William Gearn, 353 East Cady, won a prize offered recently by the American Legion post he figured on a submarine sandwich but ended up with this "battleship" prepared by Kountry Katerer on Center Street. Inside the five-foot specially baked bun, hefted here by Gearn and his two sons Paul and Bill,

are 2½ pounds of ham, 2½ pounds of cheese, four pounds of salami, three heads of lettuce, and 1½ large Spanish onions. In case you're wondering, the Gearn family was joined by friends and neighbors in helping to polish off the whopper last week.

Holiday time is aglow, in the hearts of young and old. Add to its warmth our bright "thank you."

C. Harold Bloom Agency, Inc.

HOLIDAY FAREWELL—Mrs. Russell Atchison pours tea for her long-time friend, Mrs. Raymond Stillson, who is moving after Christmas to Gatlinburg, Tennessee, at the Northville Woman's Club holiday tea last Friday while Mrs. William Farrington looks on. Mrs. Farrington, social chairman, was responsible for the silvery-blue and white table appointments and background tree.

In Our Town

By JEAN DAY

CHRISTMAS IS above all a time for family gatherings and a time for news of friends, usually annual notes on holiday cards.

For Northville Mayor and Mrs. A. M. Allen the reunion last Sunday in Durand, Michigan, was a holiday gathering with his family and a special celebration. It was his mother's 75th birthday party.

The family gathered at the home of his parents, Mr. and Mrs. Ossie B. Allen. Mayor Allen notes that he is the oldest of 10 children and that he is living with the exception of one brother lost in World War I.

Christmas Day the Allens and Mrs. Allen's mother, Mrs. Pauline Stamann, will join their son, James, and his family for Christmas dinner here in Northville.

NOVI MAYOR and Mrs. Joseph Crupi will be having Christmas dinner at their home on Galway Drive for their daughter, JoAnn, and her fiance, David Reynders. Joining them later will be his brother-in-law and sister, Mr. and Mrs. Joseph Fava of Birmingham.

Another daughter, Mrs. Charles Beals, was a visitor earlier in the fall after she and her husband returned from living in Rome. The Beals now have bought a home in Morristown, New Jersey, and will be spending the holidays there. They expect, however, to be sent to Brussels in the spring, Mrs. Crupi adds.

The Crupis vacationed in Bermuda during Thanksgiving week, taking a group tour with the Michigan Catholic Cultural Society. While she did some Christmas shopping on the British island, Mrs. Crupi says she still feels "a week behind."

On a bus trip from Hamilton to their hotel, Mrs. Crupi reports, they met Mrs. M.F. Schell, who has just retired to Bermuda from Northville. The Schells lived at 16207 Homer in the township, and Thelma was a Northville Record Employee.

HOLIDAY GATHERINGS this year also are farewells for the Raymond Stillsons, who have been Northville residents for more than 20 years and are moving to Gatlinburg, Tennessee, two days after Christmas.

They have sold their home in Echo Valley to Harry Salsinger, education director for The Detroit News, and are making plans to build on a lot on a ridge high in the Smoky Mountains. Immediately after leaving Northville, Mrs. Stillson says, they plan to "recuperate" from the work of moving with a two-week vacation in Florida.

Madeleine Stillson was a Northville High School teacher for 10 years before retiring. She adds that her husband will "semi-retire" from his work as a manufacturer's representative.

Mrs. Russell Atchison invited many of Mrs. Stillson's closest friends to the Christmas coffee she gave last Friday so that they could here their future plans.

FROM TEXAS comes news of former Northville residents, the Arthur Hemptes, who have moved from California to Tyler, Texas, located 88 miles east of Dallas. Mrs. Hempte, who was a Northville Newcomers president and United Foundation leader, writes that Tyler is "the rose capital of the country and the financial center for the oil industry in Texas."

Since her husband is a graduate of the University of Texas, she adds, they have many friends in the area where her husband has abandoned retirement to become an international salesman representing Japan.

Their son, Bob, is a student at San Francisco State College studying international business. Daughters Terri and Cathy are attending Tyler Junior College.

MAY THIS Christmas be a healthy, happy one for all!

Winner-Petty Vows Recited

A wedding trip to Acapulco followed the marriage of Kathy J. Winner, daughter of Mr. and Mrs. Gilbert F. Winner, 23722 Heartwood Drive, to Michael Petty III December 4 at St. Ives Catholic Church.

The bridegroom is the son of Mr and Mrs Michael Petty, Jr., of Warren. The Reverend Father Edward Zavell officiated at the 7 p.m. candlelight service in the church located at Lahser and 12 Mile Road.

Candelabra on either side of the aisle were decorated with greens and red bows, carrying out the Christmas colors in decorations.

Violinist Charles Bernadich and the church organist played, with selections including "One Hand, One Heart," from West Side Story. Given in marriage by her father, the bride wore an ivory wool-and-silk gown with hand beading down the front. The skirt extended into a long train. She carried calla lilies imported from Holland and Japanese pine.

Sandy Marie Winner was her sister's maid of honor. Two other sisters, Sally Winner and Sue Stiles, and the bridegroom's sister, Gail Marie Petty, and Cathy Krist were bridesmaids.

All wore wine-colored velvet dresses fashioned on Victorian lines with white fur edging the collar and cuffs. They carried hurricane lanterns decorated with pink and wine carnations mixed with Christmas greens.

Best man for his brother was Greg Petty. Two other brothers, Daniel and David, and the bride's brother, Jack Winner, and Milan Cronovich ushered.

A reception immediately followed the ceremony at St. Ives Hall for 270 guests from Northville and Warren. Mrs. Winner greeted guests in a pink-and-silver print dress to which she pinned a corsage of gardenia with baby tea roses and baby's breath. Mrs. Petty wore a multi-colored dress in blues and greens and yellow flowers.

For her wedding trip to Mexico the bride changed to a wine color pantsuit of wool knit, fashioned with a hood

Students, under the direction of art instructor Mrs. Shirley Talmadge, molded figures out of clay and arranged the display in the showcase.

The nativity scene will remain exhibit through the holidays

Son Arrives

Mrs. and Mrs. Robert Trombley, 59425 Ten Mile Road, South Lyon, announce the birth of their first child, Kurt Franklin, December 16 at St Joseph Hospital. Their son's birth weight was seven pounds, five ounces.

The baby's father is a science teacher at Northville High School. Grandparents are Mr and Mrs. Norris White and Mr and Mrs. E.F. Trombley, all of Plymouth.

Seniors Plan for '72

Northville Senior Citizens' final meeting for December will be a dinner and social hour at 6 p.m. Tuesday, December 28, at the Northville First Presbyterian Church.

Earlier this month the 170-member club had a bus tour of downtown Detroit decorations and a carol sing

Plans to honor charter members at next Tuesday's meeting have been postponed to a later date. The committee working on arrangements includes Mrs. Cy Frid, Mrs. Richard Sharron and Mrs. H.A. Boyden.

Another committee has been established to inventory possible furnishings for the senior citizens' building, the former Kerr residence on Cady Street, which has been

purchased by the city for this purpose. Working with City Manager Frank Ollendorff and Northville Township Trustee Joseph Straub are Mr and Mrs. George Lockhart and Mrs. Boyden.

They are considering equipment and furnishings needed.

Last Saturday members boarded a school bus to tour the downtown Detroit area and Northland to view Christmas displays.

A carol sing highlighted the December 14 program of the club. Mrs. Oscar Hammond led the singing with Miss Nancy Bell at the piano. Mrs. Hammond also presented a humorous parody to "Jingle Bells" Mrs. Meta Schroeder was in charge of social arrangements.

REGULAR MEETING

SECOND MONDAY

Warm Christmas Wishes

A cozy setting makes home the place for every heart during the Christmas season.

BRADER'S DEPARTMENT STORE

Club Honors New Members Here

CANDELIGHT SERVICE—Reading the story of the birth of Jesus at Northville Woman's Club annual Christmas program last Friday are, from left, Mrs. Leland Mills, Mrs. William Dyke, Mrs. D. B. Hiller (hidden), Mrs. H. O. Evans and Mrs. James Tellam. Mrs. George Weiss was the leader.

Continuing a tradition of long standing, Northville Woman's Club honored 22 new members and two who had been reinstated during the past year at its Christmas music program last Friday at Northville Presbyterian Church.

Welcomed officially by Mrs. Leonard Klein, president, and presented red carnations

were Mrs. Howard Whipple, Mrs. Frank Kastner, Mrs. Russell Anger, Mrs. C. James Armstrong, Mrs. Robert Barger, Mrs. John Starcevic, Mrs. Douglas Edwards, Mrs. J.F. Keese, Mrs. Philip Anderson, Mrs. Peter Lindholm, Mrs. Per Iversen. Others were Mrs. E. C. O'Brien, Mrs. Albert Myers, Mrs. Robert Isom, Mrs. T.F.

Zbkowski, Mrs. M.J. Van Soest, Mrs. Martin Rinehart and Mrs. Robert H. Mohr. Other new members are Mrs. John Stuart, Mrs. Donald Williams, Miss Artura Verschaeve, Mrs. C.J. Herbstreit. Returning to active membership are Mrs. John Begle and Mrs. Fred Wagoner. Opening the traditional

music program were selections by Cooke Junior High's 30-member eighth grade girls' chorus. The group was directed by Miss Ann Jarvi, Cooke vocal music teacher, and was introduced by Mrs. Theodore Heckler, club music chairman.

Mrs. Heckler also was responsible for green-and-

gold decorations in the fellowship hall. A candlelight service of the Christmas story was presented by Mrs. George Weiss, leader, Mrs. William Dyke, Mrs. D.B. Hiller, Mrs. H.O. Evans, Mrs. James

Tellam and Mrs. Leland Mills. At the conclusion candles, held by every club member, were lighted throughout the room. A tea, under the direction of Mrs. William Farrington, social chairman, followed.

COOKE CHORISTERS—Cooke Junior High's 30-voice girls' chorus sings some of the little-known Christmas songs of the season under the

direction of Miss Ann Jarvi, Cooke vocal music teacher, for Northville Woman's Club at Northville Presbyterian Church last Friday.

News Around Northville

Mrs. Karen Mayer, vocal music teacher at Northville High School, directed the Northville High School Choir in its Christmas concert at the school last Saturday. She was honored by the 100 voice girls' vocal group with the presentation of a corsage and gift.

PTA president.

Area singers interested in becoming members of the Overture to Opera Company chorus, which is under the direction of Dr. Raynold Allvin, are invited to audition this month.

Arrangements may be made by calling the Overture to Opera office, 377-2044.

The chorus has just concluded several performances of Puccini's "La Rondine" at the newly reopened Music Hall. Rehearsals begin in January for the "The Perfect Fool" to be staged in Ford Auditorium with the Detroit Symphony. The chorus has been asked to participate in the Meadow Brook Festival next summer. "Ballad of Baby Doe" and "La Traviata" also are planned.

It was Mrs. Mayer's final concert as she is leaving to go with her husband, William, to Connecticut. This is her third year as vocal music instructor here.

Traditional Christmas songs, including "Ceremony of Carols," was sung.

Amerman PTA Monday honored teachers and other staff members, including special teachers, at a Christmas casserole luncheon under the direction of Mrs. David Longridge, Amerman

League Offers

'Trial' Program

As a community service project, the Northville-Plymouth League of Women Voters is offering a program to groups interested which presents factual information on the integration of the Detroit schools in the form of a simulated trial of the Judge Roth hearing.

Originally conceived as a method of presenting information to league members, the program has been made available to inform others who may be interested.

The format, Mrs. Donald Stacy, public relations chairman for the league, explains, is a trial setting in which a lawyer from the NAACP presents his charges. Then the Detroit Board of Education lawyer defends the board position, and the Citizens' Committee for Better Education presents its views.

The audience is cast in the role of Judge Stephen Roth

and receives copies of the legal background of the case prior to the trial.

In offering the program, the league states, "When an issue evokes as much emotion as this one has, the league feels it is doubly important that people be well informed of the facts."

Groups interested in having the program are invited to call Mrs. Price Watts, 453-0217.

Last Thursday, the league heard a discussion of the question: "Would the shift from local to state collection of taxes affect local control?" by Northville Superintendent Raymond Spear and Plymouth Superintendent James Rossman.

Specific local changes were discussed by respective school administrators. Representing Northville also were Miss Florence Panattoni and Earl Busard.

Entertain Oldsters

Scouts Spread Holiday Cheer

During the holiday season, activities of about 400 Girl Scouts in Northville troops have been directed toward brightening the lives of patients and older folk in convalescent homes.

Several troops have gone caroling in the community. Others have presented Christmas programs at institutions.

Junior Troop 336 under the leadership of Mrs. Harold Firebaugh and Mrs. Ernest Bacanyi presented a program December 16 at Eastlawn. Introduced by Laurie Goschinski, it included music by a flute trio composed of Diane Glatfelter, Susan Bishop and Cindy Robert; dancing by Tami Firebaugh; and the reading of "The Night Before Christmas" by Debra Adams and Amy Vargo.

After the program, a caroling was held with Sandy Bacanyi as accompanist. Patients were presented with Santa jars filled with candy

and made by the scouts who also left cookies for dessert later.

Junior Troop 234 under the leadership of Mrs. Charles Porter caroled at Northville Convalescent Home. The scouts presented a Christmas tree, which they decorated, to the home. They have been regular visitors there other times during the fall, having adopted it as a special project. Last spring the girls planted a garden for its patients.

Junior Troop 571 also caroled through the halls of

Northville Convalescent Home December 16, visiting with the patients.

Northville's Senior Girl Scout Troop under Mrs. Charles Lapham collected materials and made Christmas wreaths. They were to carol Wednesday at Northville Convalescent Home.

Cadet Troop 226 under leadership of Mrs. Kenneth Beyer and Mrs. Donald Ritenour made brush yarn dolls named "Mr. Its" to give to Brownie Troop 209 new scouts as a Christmas gift.

Under leadership of Laurie Day and Lisa Ward the troop made Christmas cards for patients at Northville Convalescent Center.

Sixth Graders Sing

A Christmas music program, presented by sixth grade students, was presented Thursday at Orchard Hills Elementary School under the direction of Miss Cynthia Pryer and assisted by the classroom teachers.

Theme of the program, held in the school's multi-purpose room, was "Around The World at Christmas Time."

Immediately before and following the program, the Orchard Hills Booster Club held a Christmas Bake Sale.

NOEL

"Hark the herald angels sing, Glory to the New Born King." May the wonder of Christmas be shared by all.

CHILDREN'S CURIOSITY—Two Novi children, Kerry and Shelley Wolcott, inspect the crib where the Christ Child lies in the nativity scene on the front lawn of the Novi Library. The girls wandered over to the creche while their Jaycee

parents were busy decorating an evergreen tree—their gift to the city. The manger scene is prepared each year by the Novi Chamber of Commerce to help commemorate the true meaning of Christmas.

May Change Master Plan

Novi to Study Zoning

A restudy of Novi's Master Plan for Development was directed by the city council Monday as it continued its efforts to accommodate establishment of a Moose Lodge within city boundaries.

Specifically, the council directed the planning board to study the Master Plan keeping in mind the possibility of "establishing along the various Mile Roads, areas that would accommodate, but not be limited to, commercial, professional offices, and various uses other than residential."

Included in the direction was a provision requiring the planning board to report back to the council within 45 days.

The possibility of amending the Master Plan is the latest attempt by the council to accommodate establishment of a Moose Lodge. Proposed by Mayor Joseph Crupi, the plan, if successfully brought to fruition, would not only allow the Moose to establish their lodge, but would also allow the council to avoid the dubious practice of having to "spot zone" property to allow the request.

Name Winner For Lighting

First place in the 1971 Willowbrook Community Association's Annual Christmas Decoration Contest has been awarded to the Jack Van Wagner residence at 23710 Maude Lee Circle, it was announced Tuesday by judging chairman Kenneth Heacock.

Willowbrook has been giving the award ever since 1967. Last year's winner was the Richard Discher residence.

Second place in this year's contest went to Robert Lavery, 24430 Border Hill; third place was taken by Kenneth Goyt, 41118 McMahon Circle; and Donald Griffen of 40591 Rock Hill took fourth.

The problem of finding an area in which Novi's newly-formed fraternal organization of Moose could establish a lodge first came before the council at a public hearing on November 8. At that time Bruce Simmons requested a change in zoning from agricultural to professional offices for a parcel of property on the north side of 10 Mile Road between Taft and Beck Roads.

The reason for the request, it was revealed, was to enable the Moose to use one of the buildings on the Simmons property for their Lodge.

The request never got beyond the planning board, however, as they denied it on the grounds that such a rezoning would be paramount to "spot zoning" as the entire surrounding area is zoned for residential use. To grant the professional offices zoning, the planning board felt, would destroy the objectives of the Master Plan for the orderly development of the city.

The matter was re-opened last week at another public hearing - one attended by a large number of Moose members. This time efforts to allow establishment of the Lodge on the Simmons property took the form of an amendment to the city's agricultural zoning ordinance. The amendment, proposed by Councilman Louie Campbell, would allow "chartered divisions of national fraternal organizations" to establish lodges in areas zoned for agricultural use.

Again, the proposal was defeated and again, it was the desire to avoid "spot zoning" that prompted the defeat.

"I don't care how you do it," said Mayor Crupi, "it still amounts to spot zoning."

Voting on the proposed amendment ended in a tie at 3-3 with Councilmen Edwin Presnell, Denis Berry, and Crupi voting against it and Raymond Evans, Donald Young, and Campbell voting in favor of it. Under parliamentary procedure, a

tie vote defeats the issue.

Monday's discussion began when City Manager George Athas asked council to clarify its position on the matter. "Is the 10 Mile Road zoning to be dropped, referred to the planning board, or is it still open to the council for further study?" he asked.

Councilman Berry offered two proposals which would allow the Moose to establish their lodge on the Simmons property. The first proposal was to direct the planning board to restudy the 10 Mile Road area on the Master Plan and the other was to change the agricultural zoning to R-1-H, a country homes district. Such a zoning, Berry stated, would allow the Moose to have their lodge.

Both suggestions met opposition from Crupi, however. "I can't go along with a restudy of the Master Plan in just this one area," said the Mayor. "It's obvious that this particular area is being changed for this particular request and that still amounts

to spot zoning."

Crupi then suggested the city-wide restudy of the Master Plan. "If you limit the restudy to just one area I contend its spot zoning, but if we direct the planning board to restudy the entire city we can avoid spot zoning charges," he said.

What Crupi and the council would apparently like to see is a commercial or professional offices zoning along the city's Mile Roads. This would not only provide convenient shopping areas for the numerous residential developments slated for the area, but would also avoid the problem of having residential areas bordering heavily-traveled roads.

Lone objection to the direction to the planning board came from Councilman William O'Brien, who said he was opposed to "strip zoning" along the roads.

Nevertheless, the motion to send the matter back to the planning board will take on the matter is anybody's guess.

Wixom Grants Raise to Chief

Wixom Police Chief George Von Behren was granted a \$600 pay raise a week ago Tuesday for the second half of the 1971-72 fiscal year by the city council.

Von Behren received \$7,000 for the first six months of the current fiscal year.

The two-step salary system was approved by the council last July when the Wixom chief was hired. Led by Councilman Robert Dingeldey, the council set up a "probationary" type system in which Von Behren would receive the boost in pay after six months after the council had an opportunity to evaluate the quality of his performance.

Last Tuesday it was Dingeldey who moved the granting of the raise. "I had qualms about granting the raise six months ago," said the Wixom councilman, "but after watching Chief Von Behren perform his duties I can only say that Mayor Wilks could have searched for many months and not found a man who could do a better job than George is doing at the present time."

In a related manner, the council accepted the bid of Shuman Ford of Walled Lake for a new police car. The Shuman bid was \$2,994 less a trade-in allowance of \$500 for the department's present Mercury squad car.

Development Spurred

Council Approves Allocation of Taps

Development of the northern portion of Novi (the area north of the I-96 expressway) moved another step closer to reality Monday as the city council approved allocation of the 2,450 sewer taps available in that area through the new Novi-Walled Lake sewage treatment plant. The allocations were based on a report submitted to the council several weeks ago by City Manager George Athas. In that report Athas outlined his recommendations for granting the taps. Before making those recommendations, the city manager had to analyze requests for 4,730 taps.

Prime criterion for his final determinations, Athas informed the council, was the ability of the developer to begin work in the near future. Of the 12 developers granted taps by the council's action Monday, nine have set a tentative starting date in 1972. One developer indicated he would be able to begin construction in 1973.

The other two have not as yet set starting dates. Both, however, plan industrial developments, a type deemed important by the council.

Of the 2,450 taps granted the greatest share went to Kaufman and Broad, Inc., which received 630 taps. The K&B property is zoned for restricted multiple family residences.

Four hundred and twenty-five taps were granted to the Chateau Estates mobile home park development of J. Ministrelli.

The Chapper Organization was granted 350 taps for development of property zoned for multiple family residences and restricted manufacturing. Gil Homes was granted 236 taps for property slated for multiple family residences. Slavik Builders was granted 200 taps for multiple family and a local business district, and Practical Builders received 210 taps for multiple family residences.

Beck-Pontiac Trail associates received 125 taps (multiple family and local business district), Francise

Expositions received 50 taps (general commercial district), Eichenhorn and Fedak received 50 taps (one family residences and local business district), Beck-West Associates were granted 25 taps (general manufacturing district), and Monkey Wrench Associates received 10 taps (light manufacturing).

In addition, 139 taps were granted to Sidney Spitz and Company for light manufacturing.

Athas told the council that contracts would be drawn up and sent to the developers for the purchase of the taps.

Of the 2,450 taps awarded, 550 were designated for property presently in the township. Athas indicated that should the city's annexation proceedings for the township property fail, the 550 taps would then be re-allocated for use in the city. "I think we're obligated," he said, "to give full consideration to township parcels pending the outcome of the annexation."

Council's primary concern with the report submitted by Athas was the lack of taps for industrial development. "My only qualm with the report," said Councilman Edwin Presnell, "is that there should be more taps available for industry. I don't feel we should jeopardize losing any industry by allocating all our taps. It's a question of whether we want a bedroom community or a balanced community."

Presnell's opinion drew general support from the council and led to the only deviation from Athas' original report. Changes were made in the original allocations to make 139 taps available for industrial development. In addition, Kaufman and Broad attorney Barry Stolberg stated he would relinquish an additional 30 taps if the city felt it needed them.

Novi must sell 250 taps every year for the next ten years to meet its financial obligations for the construction of the Novi-Walled

Lake treatment plant. By contracting with the developers to start purchasing their taps at the present time, whether they are ready to use them or not, the city avoids having to bear responsibility for the payments. "In a very real way," explained Mayor Joseph Crupi, "they're doing us a favor as much as we're doing them a favor."

In other business the council

gave final plat approval to the Meadowbrook Glens Number Two subdivision of Holtzman and Silverman and to the Heatherwyke Subdivision of Kaufman and Broad.

Heard a letter from City Attorney Howard Bond which expressed the opinion that the city is within its rights in blocking off Willowbrook Drive.

Passed a resolution designating the West Oakland Bank as an official city depository.

Police Chief Dies In Walled Lake

Funeral services were held Tuesday for Leland F. Pratt, Walled Lake chief of police, who died suddenly Saturday at his home. He was 48 years old.

Mr. Pratt, who lived at 919 Bluffton in Walled Lake, had been a resident of the community for 27 years.

Born January 11, 1923 in Deford, Michigan, he was the son of Fred and Essie (Ruffell) Pratt.

Mr. Pratt was a member of the Oakland County Law Enforcement Association, the Inter-Lakes Police Chiefs Association and a veteran of World War II, having served with the United States Army.

Surviving are his widow, the former Margarette Hook, one son, Gerald of Novi, three daughters, Mrs. Linda Kowalske of Warren, Mrs. Diane Day and Mrs. Janice Schuller, both of Walled Lake, three brothers, Fred of Bad Axe, Gerald and Weldon, both of Sandusky, a sister, Mrs. Marilyn Sheddlock of Roseville and seven grandchildren.

Son Gerald is a member of the Novi Police Department.

Funeral services were held at the Missionary Church in Walled Lake where the Reverend Arnold Schmidt, pastor, and the Reverend Bruce Srigley of Yale,

Michigan, former pastor of Missionary Church, officiated.

Arrangements were made through the Richardson-Bird Funeral Home in Walled Lake. Burial was in Novesta Cemetery near Cass City in Tuscola County.

Fullbearers were chiefs from the Interlake Police Chiefs Association, including Lee BeGole of Novi, Ron Nisun of Northville Township, George VonBehren of Wixom, and Robert Skellenger, chief at Kensington Metropolitan Park.

The honor guard consisted of 50 uniformed officers under the command of Sergeant Dale Gross of the Novi department.

Deadline Nearing

Nominations to the Novi Building Authority must be made by January 17, it was decided by the city council Monday.

So far, six names are in the running for appointment by the council to the three member Authority, which was incorporated earlier this fall to investigate building a municipal complex for Novi in which all the different arms of city government would be housed under one roof.

Nominated are Thomas Lawson, Paul Bosco, B.F. Pierce, Robert Pohlman, and William Dooley. In addition, City Manager George Athas has been nominated to the Authority. Traditionally, the city manager is appointed to head such committees.

Councilman Edwin Presnell indicated he had a further nomination, but was withholding the name subject to confirmation from the individual of his willingness to accept the nomination and serve on the Authority.

In light of the number of nominations, Mayor Joseph Crupi asked the council to consider increasing the size of the committee from three members - as it was incorporated - to five members.

MODERN TRANSPORTATION—There wasn't a reindeer in sight. In fact, there wasn't even a sleigh. Instead, Ol' St. Nick arrived aboard a Novi fire engine last Saturday when he paid a visit to the children in the Village Oaks subdivision. Sponsored by the Village Oaks Home Owners Association, Santa listened to the Christmas lists of 96 children and doled out candy and a stocking of toys before boarding the fire truck to head back to the North Pole.

Novi Honor Roll Lists 189 Names

A total of 189 students have been named to Novi High School's honor roll for the second marking period.

To qualify for the honor roll, students must maintain a 3.0 grade point average ("B" or better), school officials explained.

Those on the honor roll include:

NINTH GRADE

Carrie Adams, Mark Adams, Amy Ailes, Mike Ashley, Patrick Belanger, Marci Brooks, Bruce Broquet, Ruth Douglas, Shelly Dunn, Richard Davidson, Darlene Evans, Mark Fertitta, Gary Ford, Pat Goers, Lynne Goodenough, Tom Hardecki, Cindy Hornsby, David Jolgren, Denise Koenig, Vickie Kuick, Phyllis Lippert, Shawn Lovett, Michael Laub, Bob MacLlmmurray, Judy Mitchell, Jeff Murray, Robert Morse.

Gail Miller, Martha O'Neal, Karen Parta, Cheryl Pohlman, Dwight Pugsley, Bruce Robertson, Veronica Romanow, Robin Sale, Claire Salow, Karen Scharf, Brian Schingeeck, Brad Shobe.

Angie Sinacola, Robert Starnes, Karen St. John, Katherine Swope, Lucy Tafraian, Terri Townsend, Debbie Turpin, Laura Valentine, Dennis Waldenmeyer, Cathy White, Christine Wilkins, Mary Dawn Withers.

TENTH GRADE

Linda Arvo, Ken Beers, Paula Branch, Debbie Cox, Jeff Davis, D'Ann DesMarais, Pam Dietrick, JoAnn Dinsler, Lynn Fertitta, Vincent Fritz, Greg Garcia, Glenn Garner, Renae Garufi.

Eric Hansor, Ron Hardecki, Reid Harpster, Tom Kelley, Ronda Kreger, Bob Lampi, Karen Lukkari, Joe Murray, Deborah Norton, Cindy Olson, Carol Padget, Nada Petrovich, Nancy Pisha.

Karen Rice, Susan Sale, Ingrid Scharf, Mark Schoof, Sue Sherwood, Jody Sibole, Susan Smith, Kim Spielman, Mary Stayman, Patricia Tamm, Mike Telischak, Karen Totton, Pat Tuck, Sandra Wadja, Lee Ann Warren, Annette Willacker, John Woloszyn, Randall Woodward, Brian Wrotan.

ELEVENTH GRADE

Barbara Auten, Diane Balagna, Denise Balint, Pat Boyer, Gwyl Branch, Ron Broquet, John Brunning, Karen Burnett, Jane Cameron, Denise DeBrule, Patricia Dryer.

Ron Frisbie, Leslie Garner, Maureen Heidisch, Thomas Karch, Dan Kardel, Carol Maki, Kathy Marick, Henrick Meyer, Jeanine Miller, Robert Mobarak, Debbie Moore, Sue Morris, Jeff Nothnagel, Carol O'Neal, Kirk Rosey, William Ross, Carol Salow, Pam Shipley, Sue Shobe, Jennifer Sibole, Rita Sparks.

Melvin Stephens, Nancy Szubielak, Tawnya Townsend, Judy Traynor, Brenda Tymensky, Jim VanWagner, Kathy Ward, Don Warneke, Jennifer Warren, Carol Winkelman.

TWELFTH GRADE

James Assemany, Les Branch, Steve Bosak, Sue Boyer, Jim Bruce, Dave Brzezniak, Michael Butler, Rose Button, Sue Calhoun, Lynn Dietrick, Jan Eaton, JoEllen Frere, Larry Gillett, Leslie Gingell, Loretta Harbin, Natahe Hare, Teresa Henry, Kevin Hesse, Harri

Hamalainen, Barbara Kruger, Barbara Krezel, Renee Landreville, JoAnn Lang, Laura Little, Nancy Mercer, Penny Marchetti, Linda Masters, Joanne Miller, Norma Morrison, Melissa O'Rear, Linda Payton, Bob Pisha, Richard Ray, Donna Robertson, Thurman Ridenour, Karla Shefka, Esther Sinacola, Kevin Schingeeck, Diane Skeltus, Greg Seidel, Renee Smart, Vickie Smith, Kathy Stafford, Kirk Toth, Tammie Townsend, Mary Beth Velianoff, Janet Warren, Brenda Whitfield, Jim Wilenus, Sandy Woloszyn, Joan Zaporozhetz.

Kids Get New Menu

Lunch programs at Northville High and Cooke Junior High will be revamped over the holidays with new programs beginning operation January 3.

A "self service" system will open at the high school daily at 10 a.m. offering sandwiches, hot dogs, hamburgers, French fries, ice cream, cake, candy, gum and fresh fruit. The line will remain open until 12:45 p.m.

A second line will open at 10:55 a.m. offering, in addition to hot dogs, hamburgers, salads, and so forth, a "plate of the day." The line will operate until 12:30 p.m. All items will be priced individually, including milk.

Cooke Junior High changes will include reduction in selection of main course dinners, larger hamburgers plus ice cream and cup cakes offered on Monday and Friday.

The change at Cooke will mean an increase in cost of five cents per day, Earl Busard, director of business and finance, commented.

PSYCHOLOGY CLASS DONATES—Packing toys for children at the Plymouth State Home are, from left, Steve Barger, Anne Price and Peg Kampmann, students in Mrs. Jane Crawford's fourth hour psychology class at Northville High School. The class made new toys and renovated used ones as a Christmas project.

Students 'Play Santa' For Plymouth Home

Thirty-two hobby horses, a string of duck pull-toys, boxes of dolls, hand puppets and games as well as repainted cars and sleds filled Mrs. Jane Crawford's classroom at Northville High School last week.

All the items had been made, gathered, cleaned and painted by students in her fourth hour psychology class to be donated to children at the Plymouth State Home for Christmas.

An experiment in psychology? No, the project which took five class days last week was a suggestion from the teacher. It quickly was taken up by the class, she says, "in the spirit of Christmas."

Girls brought dolls to be washed and have clothes refurbished. The boys made 32 bright horse heads in yellow and red and attached them to broomsticks. Before delivery Christmas bows

were attached to the hobby horses.

Toys were placed in boxes with lids that the students had "wrapped" in this way, they explained, the staff at the Plymouth State Home for retarded youngsters could see the toy and give it to the right child.

Mrs. Crawford credits the class with taking over management of the project after she made the first suggestion.

Friday the class visited the Plymouth Home to deliver the gifts in students' cars.

Holiday Recipes Include Punch

Recipes from Christmas past are being shared by the Henry Ford Museum and Greenfield Village. They have been updated to make them usable in today's measurements.

GRISTMILL BREAD

Milk 1 quart
Eggs 1 dozen
Butter 1/2 lb.
Margarine 1/2 lb.
Salt 4 tsp.
Sugar 2 c.
Yeast 1/2 lb.
Water 2 c.
Buckwheat 1 1/2 lbs.
Whole wheat flour 3 lbs.
White flour 5 lbs.

Heat milk, butter and margarine until butter and margarine have melted. Add salt and sugar to this mixture and dissolve. Let cool to room temperature.

Add yeast to lukewarm water and dissolve. Add eggs to mixing bowl with ingredients in first steps. Beat at slow speed one min.

Add half buckwheat, whole wheat and white flours, mixing at medium speed for five min.

Add remaining flour very slowly, mix until dough texture will not stick to hand. Put dough into greased pan. Let rise to double in size. Pan dough in one-pound loaves. Let rise until double in size again. Bake in 350 degree

oven for 35 to 40 min. Use vertical mixer only, or mix by hand. Yields six to eight one-pound loaves.

FISH HOUSE PUNCH

This is probably the most famous of all punches and has become a tradition at Christmas time since its supposed origination in 1732 with the famous old Philadelphia Club called the "State in Schuykill."

Greenfield Village, which adapted the recipe, points out that it is a still punch, employing plain water (in theory, fresh spring water) in place of any carbonated beverage:

12 ounces sugar
32 ounces lemon juice
3 fifths rum
1 1/2 fifths cognac
2 1/4 quarts water
6 ounces peach brandy

Dissolve sugar in proper amount of water and cool down before mixing with other ingredients which also have been chilled thoroughly. Keep under refrigeration until served.

Makes about 1 1/2 gallons, enough for 30 to 40 people, served in six-ounce cups. They should be warned this is a potent punch!

KAY LANNING

Engaged

Mr and Mrs. Louis W. Lanning, 608 Reed Court, announce the engagement of their daughter, Kay Beverly, to Daniel Blake Stoddard.

He is the son of Mrs. Norma L. Litfin of Eight Mile Road, Northville, and John Robert Stoddard, 16225 Homer Road, Plymouth.

The bride-elect is to be a January, 1972, Northville High School graduate. Her fiance is a 1968 Northville High graduate. He attended University of Michigan.

A fall 1972, wedding is planned.

NOVI HIGHLIGHTS

By JEANNE CLARKE
MA 4-0173

Mrs. Joyce Garnowich of Harbor Beach has been visiting at the Bert Harbin home on Grand River for the past 10 days.

Bobby Brewer, son of Mr. and Mrs. Steve Brewer, is celebrating his 8th birthday at a party soon.

Mr. Roy Rule, Sr. was admitted to Detroit Osteopathic Hospital in Highland Park this week and

has been in the intensive care section.

Mr. and Mrs. William Isco of East Lake Drive have returned from a trip in Northern Michigan this past weekend.

Linda and Loretta Cook, and Don Shirley, students at Columbia Bible College, are visiting Pastor and Mrs. Arnold Cook for the Christmas holidays.

Mrs. Lucy Needham returned home this past week

from a trip by car to Boca Raton, Florida. Mrs. Needham accompanied her mother-in-law Mrs. Ruth Needham and they spent several days with the Mike Needham family. Mrs. Needham also went to New Orleans for a few days where she visited a former friend from the WAC Corps, Olga Bronstein, and then flew home.

Mr. and Mrs. Duane Bell of Fonda street are expecting Christmas Holiday guests on Sunday. Their guests will include Mr. Bell's mother Mrs. Edna Cole and his sister Donna and brother Bob from Glennie, Michigan. Other guests will include Mr. and Mrs. Henry Menche from St. Clair Shores, Mr. and Mrs. William Menche and family from Mt. Clemens and Mr. and Mrs. Art Howell, Jr. from Plymouth.

Kennie Warren, son of the Ray Warrens of Haggerty Road, is visiting his parents at their home over the holidays. He is presently stationed in the service in Virginia.

Mr. and Mrs. Art Karschnick, formerly of Durson street, presently of the Appalachian Bible Institute in Bradley, West Virginia, are home for the holidays and visiting family and friends in the area.

Dermaid of Stassen Street attended the annual Mac Dermaid Christmas Party on Sunday which was held at a hall near Middle Straites Lake. There were about 50 to 75 present and guests came from Utica, Walled Lake, Commerce, Greensville, Jackson and Novi.

NOVI UNITED METHODIST CHURCH
Altar Flowers were given by Mr. and Mrs. John Henderson, and there was a beautiful bouquet on the altar from the wedding of Sharon Sigbee and Mike Franks on Saturday night.

Mr. and Mrs. William Fox were greeters; acolyte was Craig Pelchart; and ushers were Claude Morgan and Charles Logamen.

Other activities included the services at White Hall at 2:30 The MYF met at 6:30 for caroling and then for a Christmas party at the home of the Gilbert Henderson on Marlson. Wednesday night will be choir practice.

Everyone is reminded of the Christmas Eve Family Service with the "Story of Silent Night" at 8 P.M. Next Sunday morning there will not be any church school but other services will be as usual. Sermon for Sunday will be titled "Broken Toys of Christmas."

choirs. Welcome was given by Michelle Brough, Nancy Burton Cherie Evans, Doug King, Barry Ridenour, Steve Thomas and Judy Wilenius. The Pantomime Portrayalist were Joseph: Larry King; Mary: Donna Scott; Shepherds: Mike Batt, Mike Kahler, and Les Thomas; Wise men were Art Salter, Lewis Diem and Andrew Childers. All children were given special Christmas treat of candy box, orange and apple. The church was decorated by Mrs. Mary Grimes and Mrs. Gay Jude.

Other activities of the week included a candy packing bee on Thursday night by some of the Senior Ladies class, Mrs. Hattie Garlick, Mrs. Iris White, Mrs. Marie Travis and Mrs. Clara Hazen. On Saturday night, the Senior Youth Group, with their sponsors Mr. and Mrs. Joe Whyte, went caroling at several homes in the area and returned to the church for a spaghetti dinner given by the Vera Vaughn Circle for the young people.

Watchnite Service is planned for New Year's Eve and will include several musical selections. A time of refreshments and other activities will be presented next week.

have been making their Christmas gifts for their parents, met on Monday night at the home of their leaders. At their regular troop meeting they had an investiture and court of awards. The following girls received awards: Cary Stone - Art in the Round, Songster, Pets, Rambler, Active Citizen, Health Air; Susan Ward - Cook; Mary Haas - Cook; Debby Loynes - Gypsy, Health Aid, Pets; Linda Campbell - Collector, Housekeeper, Health Aid; Susan King - Health Aid, Gypsy, Outdoor Cook, Rambler, Songster, World Neighbor; Cathy Linton, Kay Smithson and Donna Bosco received the Health Aid; Cheryl Harrison - Art in the Round. The following new girls were invested: Donna Bosco, Cathy Linton, Debbie Morandy and Denise Lawrence. Refreshments were served and there was a very good group of mothers who attended the candle lighting ceremony.

Troop 165 completed their Christmas gifts and received badges which will be listed at another time. They plan a Christmas party for this coming week.

the drill only on January 6 at 8 p.m. at the Hall.

Installation of new officers will be January 22 at the Novi Community Building at 8 p.m.

CUB SCOUT PACK 239 Village Oaks
Cub Scout Pack 239 held its Pack meeting on Thursday, December 16 with the following cub awards being given:

Bruce Russell - bear badge, Mother's pin, gold and silver arrow; Tom Peterson - silver arrow under the Wolf, Bear badge, gold arrow and Mother's pin; Paul Kirkland - Bear Badge, gold and silver arrow, Mother's pin; Jim Pazderski - Bear badge, gold and silver arrow, Mother's pin; Russell Smith - Bear badge, gold arrow, Mother's pin; and Jim Dasilon - silver arrow under the Wolf, Denner Bar.

Webelos received the following awards: Greg Cain - Citizen award; Tom Darling - Aquanaut, Geologist, Sportsman and Athlete; Frank Leurek - Athlete, Sportsman, Assistant Denner Bar; Sean Porea - Artist pin; Brian Wineka - Denner Bar; Steve Weber - Webelo's award, Mother's Pin.

Russell Smith was inducted into Webelos. Also at this time Mr. Dave Harrison of Boy Scout Troop 54 welcomed the following Webelos into the Boy Scouts: Steve Weber, and Richard Diadone. Cubbie Award was shared by Dens 1, 2, and 3 for having the most parents present. A new boy was welcomed into Den 4, Mark Johnson.

The Christmas party followed the awards. Troop 54 donated a Christmas tree to the Pack. All the boys from the dens and the Webelos had made decorations and at this time the cubs decorated the tree while the Webelos led everyone in singing Christmas carols. The tree was taken to Beverly Manor Nursing Home on Meadowbrook Road by the boys on Saturday, December 18. All boys received Christmas gifts at the pack meeting and the Pack presented Cub master Ron Pazderski with a gift.

Chapter also were present. The ladies had a party for the 25 patients complete with punch and home made cookies. Each patient received a money gift, a present, and candy canes. Also a donation of apples from Erwin Farms was distributed by the ladies.

HOLY CROSS EPISCOPAL CHURCH
Acolytes last Sunday were Glen Kundrick and Tom Lehman. In the afternoon the Roaring Seventy group cut down a Christmas tree and decorated it for church school.

On December 24, Christmas Eve at 4 P.M. in the afternoon there will be special services for children and at 11:30 P.M. there will be Midnight Eucharist. On Christmas Day, Holy Eucharist will be at 10:45 A.M. at the church.

FIRST BAPTIST CHURCH OF NOVI
On Monday, December 13, several members of the Faith Chorus presented a musical Christmas program at the Whitehall Convalescent Home on Ten Mile Road. Mrs. Alice Sannes and Mrs. Bernice Stewart each sang solos, followed by a songtime in which the folks of the home were invited to join in. For those who were unable to leave their beds, the chorus walked up and down the halls singing. After the program, the Faith Chorus had a Christmas party at the church. Each member received a card and gift from Mrs. Stewart, the director. Those assisting with refreshments were Iris White and Jean Evans. On Sunday evening, the ladies of the Faith Chorus presented Mrs. Bernice Stewart, director, and Mrs. Florence Booth, pianist, with "poinsettia" plants.

Special music in the Sunday morning worship service was a selection by the combined 30 voice choir of the Joy Singers and the Faith Chorus "Doxology" and "In a Cave". It also included a solo by John Maxwell, director of the Joy Singers with background singing by the Joy Singers of "Ring the Bells".

The annual Christmas program was presented Sunday evening and the Pageant "Let Us Tell The Story" was somewhat different than the previous Christmas presentations as it included music from three

troops. Welcome was given by Michelle Brough, Nancy Burton Cherie Evans, Doug King, Barry Ridenour, Steve Thomas and Judy Wilenius. The Pantomime Portrayalist were Joseph: Larry King; Mary: Donna Scott; Shepherds: Mike Batt, Mike Kahler, and Les Thomas; Wise men were Art Salter, Lewis Diem and Andrew Childers. All children were given special Christmas treat of candy box, orange and apple. The church was decorated by Mrs. Mary Grimes and Mrs. Gay Jude.

On Monday, December 13, several members of the Faith Chorus presented a musical Christmas program at the Whitehall Convalescent Home on Ten Mile Road. Mrs. Alice Sannes and Mrs. Bernice Stewart each sang solos, followed by a songtime in which the folks of the home were invited to join in. For those who were unable to leave their beds, the chorus walked up and down the halls singing. After the program, the Faith Chorus had a Christmas party at the church. Each member received a card and gift from Mrs. Stewart, the director. Those assisting with refreshments were Iris White and Jean Evans. On Sunday evening, the ladies of the Faith Chorus presented Mrs. Bernice Stewart, director, and Mrs. Florence Booth, pianist, with "poinsettia" plants.

Special music in the Sunday morning worship service was a selection by the combined 30 voice choir of the Joy Singers and the Faith Chorus "Doxology" and "In a Cave". It also included a solo by John Maxwell, director of the Joy Singers with background singing by the Joy Singers of "Ring the Bells".

The annual Christmas program was presented Sunday evening and the Pageant "Let Us Tell The Story" was somewhat different than the previous Christmas presentations as it included music from three

Chapter also were present. The ladies had a party for the 25 patients complete with punch and home made cookies. Each patient received a money gift, a present, and candy canes. Also a donation of apples from Erwin Farms was distributed by the ladies.

HOLY CROSS EPISCOPAL CHURCH
Acolytes last Sunday were Glen Kundrick and Tom Lehman. In the afternoon the Roaring Seventy group cut down a Christmas tree and decorated it for church school.

On December 24, Christmas Eve at 4 P.M. in the afternoon there will be special services for children and at 11:30 P.M. there will be Midnight Eucharist. On Christmas Day, Holy Eucharist will be at 10:45 A.M. at the church.

Holidays Arrive

By NANCY DINGELDEY

"Tis the season to be jolly" and for most of us, the holidays are a merry occasion I envy people who have the foresight to do their shopping early, put up their outside decorations, and make the insides of their homes gay and beautiful...weeks in advance of Christmas.

The holidays, for some people (and I'm really speaking of myself), mean ulcers, headaches, lists a mile long of things to do, running here and running there. The squeezing of those last minute things to do into what seems to be every last minute of the day - burning the midnight oil, waking up blurry-eyed to face another day of the whirlwind. I really wonder what it would all be like if I planned or arranged things differently - could I sit in front of the fire and watch a special "special" on TV or invite a few friends over to enjoy my holidays with me?

My one bright ray of hope arrived from Chicago Tuesday - Grandma. The dear sweet thing completely takes over the house which frees me to do all those things yet to be done. She's a great planner - knows in the morning what is for dinner, gets the kids to bed and just makes my life so much easier. Thank God for mothers!

As a starter to Christmas week, a large group of Wixomites journeyed to Grand Rapids on Saturday to witness the marriage of Heidi Kress and Marc Karell. Since there were so many invited from this area and since one never knows what the weather is going to be like in Michigan from one day to the next, it

was decided to charter a bus. Aila and Louie Weeks handled the arrangements and from all reports, it was the way to go. Saturday afternoon, twenty couples boarded the bus "and left the driving to us". The bus was equipped with two tables so some of the couples played cards during the trip, others chatted and were served coffee and had a pleasant ride.

The wedding was described as "just beautiful" with Christmas reds and greens used both in the gowns of the bridesmaids and to decorate the church. A champagne reception followed the ceremony, with dinner and dancing.

"What made it so great", said Aila "was the fact that all we had to do is get back on the bus and drive home."

The group left Grand Rapids about 9 p.m. and to face a three hour drive in a car wouldn't have been too pleasant. Some slept in the bus on the way back, others hung on to the last mile. A few of the couples, on returning to Wixom, decided to have breakfast so they wouldn't have to get up early in the morning - and that was the way the day ended. All agreed that the bus was the only way to do it.

Pearl and Gib Willis arrived back in town on the sixteenth after spending 15 "glorious" days in Hawaii. The purpose of the trip was to attend the reunion of the survivors of Pearl Harbor. It has been thirty years since that day of infamy and December 7 this year was marked by memorial sunrise services at the "Punch Bowl" - the place which marks the graves of all the men who died when the Japanese attacked Pearl Harbor. The services began exactly at 7:55 a.m., a time also synonymous with the attack. There was a dedication of a new sound system that had been installed which was attended by many dignitaries with Kate Smith singing the national anthem.

Pearl and Gib spent December 16 touring Pearl Harbor with the President of the local Fleet Reserve Association and his wife.

Pearl said the memorial services were attended by nearly 2,200 survivors, their

friends and families plus so many Islanders that the crowd numbered close to 5,000 people. While staying in Honolulu, Pearl and Gib hosted an open house for his shipmates on the "Tennessee" and she said it was really something to see the way the men greeted each other after so many years.

The second week in Hawaii was spent on the "big island" at the Kilauea Military Camp which is situated on the edge of the volcano Mauna Loa. Lush, tropical and beautiful was the way it was described. During those days, they drove to the black sand beach, and to Nalapa which is the southern most point of the United States and is situated on Hawaii.

Probably the most exciting trip was a hike down into the Mauna Loa volcano. Madam Pelee, who is the Fire Goddess of the Islands and whose home is at Hale Maunau, a fire pit that has been erupting off and on in past months issues to those who venture into the volcano a certificate proclaiming them to be held in esteem by others because of their doing.

"It was a marvelous trip and quite an experience," said Pearl.

Faye and Fred Waara left early Sunday morning with a car full of kids from Western's ski team. Along with daughter Frieda and Dave Tuck, from Wixom they headed towards Mancelona and Schuss Mountain, the spot for this year's ski racing camp.

During the week there, the kids receive pointers and are put through rigorous activities for the winter's racing schedule. Racing is the most gruelling part in skiing and demands split second thinking, coordination and handling. To be sure, the kids will return home in topnotch condition.

To Mrs. Lois Moore, Wixom's favorite kindergarten teacher, our congratulations and best wishes for much happiness on her coming marriage during the holidays.

And to all of you, our good wishes for a wonderful Christmas and may God bless and smile on you in 1972. Merry Christmas, Happy New Year.

Nancy, Bob, Mike, Carol, and Jill

BEAUTIFICATION COMMISSION ENTRY—Taking a final look at Northville Beautification Commission's entry in the national Clean Up Bureau contest are, seated, from left, Mrs. Beatrice Carlson and Mrs. Hurd Sutherland, cover artist; standing, from left, Mrs. John Burkman and Mrs. Paul Vernon. The entries, with covers depicting the Burkman home on Old Baseline (originally the Robert Yerkes home) and the Judge William Yerkes home, must be in Washington, D. C., by January 15. No delegations are being sent this year, and, Mrs. Carlson reports, this may be the final year for the national contest because of reduction of funding. Locally, she points out, the contest may be continued.

Voters OK Gas Franchise

Township voters granted a gas franchise from the township board to Consumers Power Company last Thursday in a special election.

requirements of the state constitution. Gas rates are not affected by the vote which grants Consumers Power authority to continue carrying on its gas business in the township.

The franchise was approved by a vote of 65 "yes" to five "no."

The positive vote renews the franchise granted by the people 30 years ago. Renewal is necessary to meet

Township officials commented the election, paid for by Consumers Power, was expensive. Total cost was \$1,204 or \$17.20 per vote.

Karen Peter Gets Degree

Karen A. Peter is a degree candidate at the University of Michigan this winter.

Miss Peter, daughter of Mr. and Mrs. Donald F. Peter of 20348 Lexington Boulevard, expects to receive a Bachelor of Arts degree in speech from the University's school of education.

Although an estimated 2,400 students expect their diplomas this winter, only the candidates for doctoral degrees received diplomas at the December 19 commencement exercises. Masters and bachelor degrees will be awarded later, the University said.

Merry Christmas

Christmas tranquility holds a message for all of us. In the midst of this season we take time to appreciate and be grateful. And as we pause, one thing comes to mind... how much we value your friendly support!

OBITUARIES

PEARL BRIGGS

Funeral services will be held today (Thursday) at 1 p.m. at the Casterline Funeral Home for Mrs. Pearl Briggs, a lifetime resident of Novi, who died Monday, December 20, at West Winds Convalescent Home in Union Lake.

Mrs. Briggs, who was 83 years old, lived at 26430 Novi Road. She had been ill for the past year. Born June 17, 1888, in Novi, she was the daughter of James and Edith (Parmenter) Taylor. Her husband, Fred W., died in 1943.

Surviving are a sister, Mrs. Ross (Myrtle) Kenner of Highland and several nieces and nephews.

Officiating at the services today will be the Reverend Cedric Whitcomb of the First Baptist Church of Northville. Burial will be in Novi Cemetery.

MRS. LOTTIE CLUTE

Funeral services for Mrs. Lottie Clute, 85, of 46920 West Seven Mile Road, a 20 year resident of Northville, were held Tuesday at 11 a.m. at

Casterline Funeral Home.

Mrs. Clute was the mother of Mrs. James E. Littell of Northville and the widow of Byron W. Clute.

She died December 18 at the Arnold Home in Detroit after an illness of nine months. The Reverend Lloyd Brasure of Northville First Presbyterian Church officiated at the service. Interment was in Forest Hills Cemetery in Ann Arbor.

Mrs. Clute was born July 9, 1886, in Monroe County to Dewitt and Ella (Sterling) Squires. In addition to her daughter, she leaves a grandchild, Mrs. Ronald Wick of Lake Bluff, Illinois, and three great-grandchildren.

Girl Killed In Crash

A 16 year old Walled Lake girl is dead and a Novi man is in critical condition as a result of an accident which occurred Sunday night, December 19, on East Lake Drive.

Dead is Kathie Arlene Crawford of 1621 West Maple in Walled Lake. Willard Huff, 25, of 1260 East Lake Drive in Novi is listed in critical condition at Pontiac General Hospital.

According to police reports, the vehicle, driven by Huff, swerved out of control while traveling south bound on East Lake Drive, crossed the centerline, and struck a large tree.

The car was brought to the Novi Police Station where it is presently being held. Police report evidence of drinking was found in the car and the speedometer was stuck at 60 miles per hour.

Police are seeking warrants for the arrest of Huff on charges of either manslaughter or negligent homicide.

Any witnesses to the accident or anyone with any information pertaining to the accident are urged to contact Detective Jack Grubb of the Novi Police Department.

WELCOMES PRO—Robert Sullivan, president of Meadowbrook Country Club, congratulates the club's new pro, Joe Reid, who comes here from Belmont Hills Country Club, St. Clairsville, Ohio. Last year he played in all of the South American Tournaments on the Caribbean tour. He replaces Paul Shepherd.

Greenspan Plat OK'd

Meeting in special session Tuesday evening, Northville township trustees gave approval to a final plat plan submitted by Greenspan developers.

Approved was stage two of Northville Colony Estates located in the southwest corner of the township. The subdivision plan calls for 158 single family homes with an average lot width of 85 feet.

In other business, Supervisor Gunnar Stromberg told board members excise tax was not included in any of the bids submitted to the board on purchase of a replacement policecar or van for the water and sewer department.

New Dumping Hours Told

Township dump will be closed the next two Saturday's Christmas Day and New Year's Day. Supervisor Gunnar Stromberg reminded residents.

The dump will be open tomorrow (Friday) and December 31 from 8 a.m. to noon instead of the usual Saturday hours. Dump permits are available for \$2 and a guard will be on duty.

Delay Ban

Continued from Record 1

Coy said the county commission has taken no affirmative action on this matter, that it is still held up in the public works committee.

Coy indicated he will attempt to get the measure out of committee for board vote.

Chorus Entertains

Novi's high school chorus, under the direction of Miss Sue Himbeault, recently performed a Christmas program for residents of Beverly Manor Convalescent Center.

The chorus, which sang in general areas as well as the

Northville's board of appeals gave Ford Motor Company the go-ahead for a \$1 million addition to its Main Street valve plant.

Northville Camera Shop was held up by three young men who escaped with camera equipment and an undetermined amount of money.

Robert Prom has been named to succeed Kenneth Conley as director of the recreation department.

TEN YEARS AGO

Demolition crews are expected to start work this month to tear down the Scout Building, located at the corner of Dunlap and Hutton streets. The building was purchased from the city by Manufacturers National Bank of Detroit. It will be replaced by a drive-in bank early next spring.

Shoppers were treated to the debut this week of the newly remodeled A&P Food Store.

Construction is nearing completion on the First Baptist Church in Novi on Eleven Mile and Taft roads.

Wixom's Chamber of Commerce turned over a check for \$880 to the city for use in developing a playground for the city.

Wixom City Council is considering installing special telephones in the homes of firemen. The red phones would be hooked directly to the city's fire number.

Novi councilmen approved

a resolution to sell bonds for paving streets in Willowbrook Subdivision one

FIFTEEN YEARS AGO . . .

Collections are underway this week by the Retail Merchants Association to underwrite the cost of the Christmas displays which decorate Northville's streets.

Stockholders of Depositors State Bank of Northville and Manufacturers National Bank of Detroit gave approval Friday to the proposed merger of the two institutions.

Northville voters gave the go-ahead Tuesday to the board of education to build a new school, addition to Amerman Elementary, rejuvenation of the old high school and buying a site for a future elementary school.

James Mitchell was elected president of the Novi board of education. Previously he served as president of the former Novi 8 district. Also named to office were Mrs. Georgia Larson, secretary; Jack Crawford, treasurer; and Kenneth Bernard and Arthur Heslip, trustees.

TWENTY-FIVE YEARS AGO . . .

C.E. Langfield has sold the vacant lot on the southwest corner of Main and Center streets to MC Gussell and Harry Himmelstreib. The property is where the Ambler Hotel was built about 1854 and later became known as Park House.

The Wolf Store is getting a new vegetable counter display and other renovations.

Nichols Gets Plan Post

Former councilman Wallace Nichols was returned Monday to the city planning commission on which he served before becoming a councilman.

The council named Nichols to replace recently elected Councilman David Biery, who resigned as a planner. Nichols lost his bid for re-election as the councilman recently.

Besides naming Nichols to the commission, the council also appointed him chairman of an ad hoc planning committee that will review and recommend changes in the city's master plan. Nichols was a member of the planning commission that originally developed the plan.

Police Blotter

In Township

A 19-year-old Northville youth has been charged with violation of the state narcotics law, possession and control of marihuana.

Robert A. Diehle of 19321 Gerald Avenue was arrested last Wednesday evening by township police. In addition, two juvenile boys, a 15-year-old Northville youth and a 16-year-old Walled Lake youth, face similar charges in probate court.

According to township police, officers went to the Gerald Avenue address at 8 p.m. to pick up the 16-year-old on a charge of assault and battery.

When they entered the home, police said two were allegedly attempting to hide several plastic bags. Suspected marihuana and drugs allegedly found on the youths were sent to the state police crime for tests.

Diehle was arraigned on the charge last Wednesday before 35th District Court Judge Dunbar Davis. He pled not guilty and examination has been set for Monday. He is free on \$1,000 bond.

Township police are continuing to investigate the theft of a coat, purse and gloves, valued at more than \$200, from a home at 46127 Pickford Court.

According to reports, the clothing was taken from the home Saturday between 7:30 and 8:30 p.m. Possible suspect in the case is an inmate who recently escaped from the women's division of Detroit House of Correction, police said.

In Northville

A green EZ Haul trailer was stolen from Phil's 76 Station Friday evening.

Police said the trailer was last seen at 10:30 p.m. and was discovered missing at 12:30 a.m. Saturday.

An attempted break-in was reported Friday at Sloppy Joe's Restaurant, 156 North Center.

Investigating officers said a bracket holding a steel bar was knocked loose but no entrance was gained to the building. The incident took place between 12:30 and 6 a.m.

Another student at Northville High reported a jacket stolen from her locker. The navy blue ski jacket was taken between 11 a.m. and 3 p.m. Thursday.

Four members of the city police department completed courses last week at Oakland Community College.

They are Chief Samuel Elkins, who completed courses in criminal investigation and case preparation, criminology and juvenile techniques and procedures; Sergeant Louis Westfall, criminal investigation and case preparation, Corporal Bruce Deacon, introduction to law enforcement, and Patrolman Howard Reeves, juvenile techniques and procedures.

Beginning in January, Chief Elkins and Sergeant Westfall will be studying police traffic management at OCC, conducted by Northwestern University, while Corporals Robert Kramer and Deacon will be enrolled in police management and supervision at Wayne State University.

COURTNEWS

In Wayne County Circuit Court Tuesday, William E. Botkin of Ann Arbor was found not guilty of negligent homicide. The verdict was announced after three and one-half hours of deliberation by the jury.

Botkin, who was originally charged with manslaughter following an accident August 14 in which a South Lyon motorcyclist was killed, was arrested by township police.

The trial was held before Circuit Judge Victor Baum.

In Wixom

A Northville man pled guilty to an added count of driving while ability impaired and was fined \$104 and placed on one year probation.

Ronald L. Kozub of 19450 Pierson Drive appeared December 14 before 35th District Court Judge Dunbar Davis.

Kozub was arrested October 23 by city police on a charge of driving under the influence of alcohol. The charge was dismissed after he pled guilty to the added count.

A 1972 Lincoln stolen from the Ford Wixom Plant last summer has been recovered in Detroit at the corner of Benson and McDougall. Wixom police learned last week.

Police investigated an attempted breaking and entering of the Acromag, Inc. offices at 30765 Wixom Road last Monday. According to officers, the suspects attempted to gain entry to a shed at the rear of the Acromag property by holding a bb gun close to the lock and firing it.

The lock was damaged but attempts to enter the building were unsuccessful, police reported.

A larceny from the Gulf Gas Station at 49495 Pontiac Trail netted thieves \$22.75. Don Beschoner told police that the suspects apparently opened the rear door of the station with a key as no other signs of entry could be found, and he had secured and checked all the doors before he left the station for the night. The money was taken from a desk drawer, Beschoner reported.

12 Officers Organized

Twelve members of the Northville Township Police Department and reserve unit have formed the Northville Township Police Officers Association.

Included in the organization, formed November 30, are officers carrying the rank of sergeant and below.

Commenting on the propose of the group, Robert Reh, president, said, "It is hoped, as an organized group, it will not only be helpful to Chief Ronald Nisun in matters of routine training programs and questions of ethics, but also to inform the township residents of the police department's needs and available services."

Officers elected include Reh; Ron Thompson, vice-president; D. J. Lanning, treasurer; and Philip Presnell, recording secretary.

In Novi

A breaking and entering of the Klocke residence at 45601 Nine Mile Road netted nothing for thieves, police reported. The home is in the process of being sold and contained nothing of value. Entry was gained by breaking the glass on the rear door.

A variety of tools and surveyor's equipment valued in excess of \$1200 were taken during a breaking and entering of the Lerner and Linden, Inc. building currently undergoing construction on Samuel Linden Court in Novi, according to police reports.

Taken were a power saw, roto hammer, electric concrete vibrator, half-ton chain fault, tripod for a transt, and two surveyors' rods.

Thieves broke into the Wilson residence at 41951 Parkridge by throwing a brick through a basement window and then proceeded to take a quantity of items valued at more than \$2,969.

Among the items taken were a black and white television-stereo combination console, jewelry, and several pieces of furniture. The larceny occurred the weekend of December 11-12.

In court proceedings Stanley Jackson of 47201 Glamorgan and Dicron Tafrahan of 46135 Grand River pled guilty and Ronald Campbell of 41911 Quince was found guilty of malicious destruction of property in a case involving the car of a member of the Novi High School faculty. The car had been pelted with eggs and the hood had been damaged by someone jumping on it several weeks ago.

All three were fined \$25 and ordered to make full restitution for the damage done to the car.

Shoplifting Up During Month

Shoplifting is increasing among juveniles. Northville City Police Juvenile Officer David DeLauder reports shoplifting is "the worst it has been in four or five months."

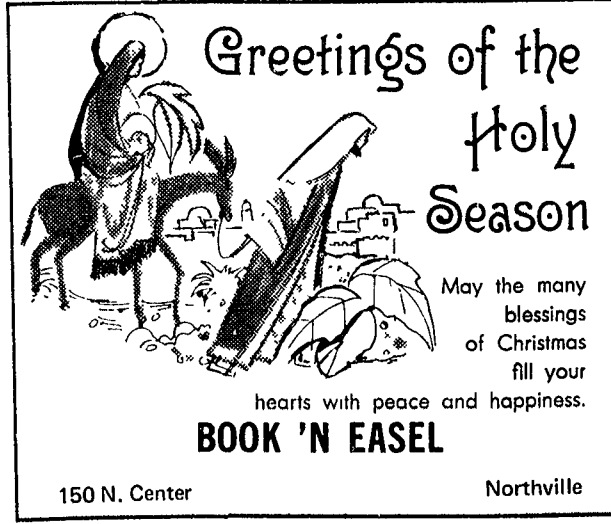

Offenders range from 12 to 16-years-old with girls involved as much as boys. Patrolman DeLauder noted 60 to 70 percent are first-offenders.

JAYCEE 'ASSEMBLERS'—Dolls collected in the Northville Jaycees' Toys for Tots campaign are being reassembled with clean dresses and fresh faces by, from left, Mrs. Dennis Dildy, Mrs. Jerry Campbell and Dick Von Otten. The dolls, donations from Northville residents, were placed in the Toys for Tots box in downtown Northville and refurbished in the "reconstruction room," the basement of Chairman Van Otten's home. Approximately 2,500 new and rebuilt toys now have been donated to the Plymouth State Home for the children's Christmas.

Extra Space Needed

Library Remodeling Urged

Recommendation that a portion of the public library be remodeled to permit expanding patronage is expected to generate council action soon

City Manager Frank Ollendorff, reporting the recommendation of the library board, noted that initially it had been hoped this work might be unnecessary if a new and larger library were provided.

However, with little likelihood that a new library will materialize in less than a year or more, the manager emphasized that remodeling work cannot be delayed any longer

Specifically, plans call for relocation of the children's reading center to the balcony level

Estimated cost of the project has been pegged at \$2,700—most of which is to be for new shelving, Ollendorff said. Since the library jointly operates the library with the city, the township will be asked to share the cost of this project, he said

Meanwhile, search for a suitable building or site for a larger library continues. One of the buildings under consideration is the school board building (formerly the community building) adjacent to the city hall where the library is presently housed

On another matter Monday, the city manager was authorized to purchase and install a concrete or metal stairway from the west end of the municipal parking deck to the alley.

Presently, the lone pedestrian entrance or exit from the top deck is at the east end.

Plans for installation of street lights in the Thompson-Brown subdivision (Lexington Commons) on either side of Taft Road, north of Eight Mile, were approved

The council authorized installation of 23 lights—10 less than recommended by the Detroit Edison Company

A contract was awarded to General Demolition, Inc. of Detroit, at a low bid price of \$1,845, to remove the house and out-buildings at 114 North Wing Street. Formerly called the Heritage House Antiques, the property recently was purchased by the city for municipal parking use

Two other bids were received at prices of \$2,650 and \$3,640

counters is to be paid by the state under a traffic control grant program

A revised on-street parking permit fee schedule received council approval. It calls for a charge of \$1 per month to a maximum of \$5 up to 12 months and a \$2 renewal charge. Previously, the fee was \$1 per month

The fee is charged those citizens who apply for and receive special permission to park their cars on the street overnight because of insufficient off-street parking area and inability to construct same

Transfer of an SDM license (take-out beer and wine) from Ray and Aileen Garrod to John R. Genetti, Jr. was

approved by council. Genetti is purchasing the E.M.B. Market, 108 East Main Street, from the Garrods.

Purchase by the city of a building and the 40 x 66 foot site on which it sits on North Lake between Grace and Center streets was approved at a cost of \$3,500.

Council decided to purchase the property to "remove an eyesore" from the city. Described as a "shack," the building has a non-conforming commercial status and, under the residential zoning requirements, the site is too small to permit erection of a new building, Ollendorff explained

Eye Snow Trails

Continued from Record 1
snowmobile activities and to erect signs so indicating.

Major provisions of the new ordinance include:

Snowmobiles must be registered and registration identification must be plainly visible on the machine.

Snowmobiles may not be operated on streets or highways except to cross streets, highways, bridges and culverts, and except as may be permitted in emergencies declared by the police chief

Snowmobiles must be equipped with at least one headlight, one taillight, adequate muffler to prevent noise nuisances, and have brakes capable of deceleration of 14 feet a second at a speed of 20 miles per hour

Snowmobiles may not be operated at excessive speeds,

nor may they be operated inside the city after 10 p.m. and before 7 a.m.

Snowmobiles may not be operated on public lands except as provided by the council

Curbs Proposed On Tree Removal

A proposed ordinance to prohibit the removal of trees from public property without permission of the city has been set for public hearing January 3.

The ordinance, if approved, would mean those removing trees from public property (including strips of land between streets and sidewalks) would first have to receive permission from the city and then, if permission is granted, they must either replant an acceptable tree in the vicinity or pay a \$75 permit fee to be used by the city in purchasing a tree.

City officials had hoped also to restrict the removal of trees from private property but they have received legal opinion that such action may be unlawful

However, it was pointed out Monday that the city planning commission, in granting site plan approval for construction projects, may

specify that certain trees not be removed as a condition of approval

Speaking for Myself

Is There A Santa?

Monica Wenzel
Hawkins Elementary
Brighton

YES...

I think there is a Santa Claus because sometimes you can hear him tiptoe around. When you go to a store you can see his helpers. In the olden times Santa Claus would go around and put toys and money in the childrens stockings or shoes. The people did not have a true picture of Santa Claus. This is the reason why I believe in Santa Claus.

Sammy Lynn Plunkett

NO...

Why? Because it's your parents. They buy all the presents and hide them. Back in the olden days there really was a Santa Claus. The real Santa Claus died. People kept repeating the same thing. Than after, people pretended there really was one. Parents do not tell this to the little kids. The Parents want little kids to belive in him. My mother told me all of this. She said not to tell my brother, 5 and my sister 11 months.

By Monica Jean Wenzel

SPEAKING

for The Record

By BILL SLIGER

Christmas won't seem the same this year.

As inhuman as it sounds, it isn't because our son, Pug, won't be home.

He's in the Coast Guard stationed in New York. But we expect him for a brief visit between Christmas and New Year's.

No. We'll be seeing our son and daughter.

But Pepper won't be there to open his packages.

For nearly 13 years our black and white mongrel, now resting inside a little-used leather briefcase in a personally-dug grave, was the first to open his present on Christmas morning.

He'd prance around the tree making the most of his performance as the rest of the family waited for him to select the gifts that had been wrapped just for him.

To make it more difficult for Pepper, we didn't write his name on his gifts.

Come to think of it, maybe this is how he knew which gifts were his; the ones without the name tags.

Anyway, we always wrapped a rubber ball and a rubber bone and placed them under the tree at Christmastime for our faithful dog.

And, sure enough, after three or four inspections of the numerous packages under the tree, he'd gently pick up the ball-shaped package between his teeth, tear away the wrapping and then show off for a few minutes with a series of trick tosses and turns.

Then at our urging, he'd return to the tree for his second gift, the rubber bone.

Many friends scoffed at the story of Pepper's Christmas performance, so on one or two occasions I recorded his little act on movie film.

As sure as there's a Santa, Pepper knew and remembered Christmas as a very special time of the year.

But this fall he made one trip too many across Seven Mile road. His eyes weakened, hearing gone, but spirit still willing, ol' Pepper never made it back from a visit in the night.

Maybe we'll run the film Christmas morning.

Among the several projects coming up for decision and con-

tinued action during the months ahead, three in Northville are most promising and worthwhile.

Development of the fish hatchery property on Seven Mile road for recreational purposes is well underway and scheduled to be completed by the end of 1973.

The \$130,000 project will be shared by the city, township and state of Michigan, with the latter picking up \$45,000 of the development tab.

While the general plan has been approved by the city council and township board, the contractual financial agreement awaits official okay of both governing bodies.

Included in the new community recreation area will be six tennis courts, a half-acre fishing, boating and skating pond, an open field play area and a camping site.

Another exciting project for the community is the proposed senior citizen housing development.

The city's five-member housing commission, chaired by John Stuart, has learned that its application is in order and within a month or two the federal government's HUD agency should inform the city how many (if any) units it will be permitted to construct.

The city has asked for 100. If it's granted 70 or more, there's some support for a plan to have the development completed as a community project serving both the city and township.

HUD provides construction money for the units and guarantees the local government against losses in repayment of the loan through reasonable rentals of the units.

In most communities these housing units for the elderly have been most successful.

Township Treasurer Joseph Straub recently alerted the township board to the need and suggested that the township join with the city in the project if it is feasible.

Finally, another project headed up by John Canterbury, the Ford Motor Company executive and former city councilman, may bear fruit soon.

Canterbury's attempting to obtain property from the Ford Motor Company north of its parking lot on Griswold near the mill pond for the Northville Historical Society.

The township hall building (old library) would be moved to the site as a center for the community's historical collection.

Rips City's Ban Delay On Bottles

To the Editor:
I attended my first city council meeting this week. I went there with the assumption that talk could accomplish something. Unfortunately, I was wrong. Not only was my disappointment great with the council but also with the so-called "concerned" citizens of Northville and the "now-generation." If that's the way they react to an important ecological movement may they be buried in the junk-yard they create.

Postponement of the banning of non-returnable bottles seemed to me to be a very irresponsible action. Talk doesn't seem to accomplish anything. They tried that last year when they first decided to ban them. The other cities backed out. Now so does Northville. But send those notices out about a resolution, keep right on talking about it, and maybe then by the time Northville is one big junk-yard they will have accomplished something. They'd better.

A few statements I wanted to make but was hindered at making because of Mayor Allen's quick dismissal of all discussion on the ordinance:

The recycling program will only work if all people of Northville chipped in and did their part. Unfortunately, people on a whole are too lazy to sort out and put out empty bottles for recycling. The recycling plant that one distributor talked about more than likely won't be built for some time. Maybe when the Northville citizens start living in the garbage they create they will take a better look at their world. The merchants and distributors are just as lazy. A comment of a local merchant went like this somewhat: That he didn't want to bother with retur-

Continued on Page 11-A

By JACK W. HOFFMAN

Nothing's official, of course, but it's a pretty safe bet we'll be having one or more new lawmakers come next election.

And it won't be because voters are necessarily dissatisfied with the performance of incumbents.

The change will result from the reshuffling of district boundaries—a decennial, political procedure that is fast reaching the boiling point.

Hardest hit by the redistricting process is likely to be State Senator Carl Pursell of the 14th District that presently includes, among other areas, Northville, Novi, South Lyon and Wixom.

Like it or not, Pursell's district probably will be divided between Wayne and Oakland counties—a change that could cost the freshman senator his job.

A Republican, Pursell counts heavily on the GOP vote in the Oakland County portion of his district. Without it there is reason to believe he may not be able to win re-election in a new district including only a section of northwest Wayne County.

Faced with the real possibility that his district may be sliced off at the county line, Pursell will have one of maybe three choices: Move his residence from Plymouth to the Oakland County section he now serves; run for another office; or take his chances as a senatorial candidate in Wayne County.

Another district that undoubtedly will be changed significantly will be that of Republican Congressman Jack McDonald, whose 19th District presently includes the City of Northville, Novi, South Lyon and Wixom.

McDonald's district probably will not include Northville when the boundaries are finally redrawn. And it may exclude Novi, South Lyon or Wixom as well.

That being the case, what district will replace the 19th here?

One legislator close to the redistricting fight at Lansing suggests that Republican Congressman Marvin Esch's 2nd District

may be extended north to or possibly beyond the Wayne-Oakland county line. Presently, the Second Congressional District includes locally only the townships of Northville, Salem and Northfield.

Another distinct possibility is that the 17th District of Congresswoman Martha Griffiths, a Democrat, will be redrawn to include Northville as it did before the last redistricting 10 years ago.

Democratic Representative Marvin Stempien's 35th District also is likely to be changed, too. This district, now including Northville (the township and that portion of the city in Wayne County), probably will not include Northville.

Instead, Northville may be lumped with Plymouth and Canton in a new district.

Similarly, the Wayne County Commission District of John McCann, which presently includes Northville, will be changed and quite likely Northville will be lumped with Plymouth and Canton. If this becomes a reality, it means McCann will no longer serve this area.

Lew Coy, Republican Oakland County commissioner, whose district presently includes the Oakland County portion of Northville, Novi, South Lyon and Wixom, possibly could lose part of his district in the reshuffling.

Chances are his district will continue to include Northville, Novi, and Wixom, but it is possible Lyon Township may be lumped with Milford. Milford presently is represented by a Democratic commissioner. If this happens, South Lyon and Lyon Township will no longer be represented by Coy's district.

Finally, the southern part of State Representative Clifford Smart's 60th District, which includes the Oakland County section of the City of Northville, Novi, South Lyon and Wixom, probably will be unaffected by redistricting.

However, the northern section in Genesse County is expected to be sliced from the 60th District.

SURPRISED BUT PLEASED—Old citizens of the area were surprised but "extremely pleased" when members of the Jokers Motorcycle Club on West Eight Mile Road in Novi presented them with Christmas baskets of food last week, reports the Reverend G. C. Branstner (right), pastor of the First United Methodist Church of Northville, who with church member Paul Beard, helped club members deliver the baskets. Club leader Jim Masterson, standing next to the minister, appealed to the church for help when other organizations declined to become involved with the club. "Frankly, all they wanted," said Mr. Branstner, "was to bring a little happiness to local senior citizens. And that's exactly what they did."

Scouting's Highest

Two Win Eagle Awards

Boy Scouting's highest recognition, the Eagle Award, was presented to Greg Pelto and Chris Rotta of Troop 721 at its Court of Honor last Monday night at the Veterans' of Foreign Wars Post. A potluck dinner preceded the ceremony. The Reverend John Wyskiel gave the invocation and the Reverend John Wittstock, the benediction. Scoutmaster Jerry Rotta was assisted in presenting the awards by Leaders Andy Pelto, Don Pratt and Pete Brown. The Ad Altare Dei religious medal was presented to Chris Rotta by Father Wyskiel.

A Life Award was presented to Bill Bloomhuff while Norman Pratt and Ron Georgoff received Star Awards.

First Class Awards went to David Barron, John Bridson, Frank Brown, John Feder-

Carriers Need Help

With the advent of the severe winter weather period, mail customers are being advised that they are responsible for keeping approaches to their mailboxes

clear of snow and other obstructions. "Rural carriers make every reasonable effort to serve the greatest number of customers possible during

severe weather," says Gordon J. Blackburn, officer in charge of the Novi Post Office, but "these carriers are not required to service on foot when roads are impassible, nor are they required to attempt delivery during inclement weather."

Rips City's Ban Delay

Continued from Page 10-A

nable bottles because it was too time-consuming and expensive. Horsefeathers! If that merchant is so self-centered and money hungry that he's not willing to sacrifice a little extra time to help his country well let him fly a kite. In case he didn't realize it people don't like to lose 10 cents a bottle. He wouldn't get stuck paying for the bottles.

The city council succeeded in getting the ordinance shelved, even though I had the feeling they had their minds made up before the meeting. Since talk didn't help may be action will

Thanks loads to the city council. Now that I know how they work less power to them. A concerned and disgusted citizen.

OPEN ALL DAY SATURDAY!

TIP-OFF — Novi's John Pantalone battles a Chelsea player for a jump ball while the official directs the action.

Surprising Novi Tops Dexter; Nearly Upsets Chelsea Five

No one likes to lose...and Coach Milan Obrenovich is no exception.

But the Novi varsity mentor wears a holiday smile today—gift of a darkhorse quintet that last weekend wrapped up its second Southeastern Conference victory before losing by just two seconds to the defending champion Chelsea Bulldogs.

The Friday-Saturday split hurt Novi in the league standings but it did nothing to make SE opponents rest easy over the holiday vacation.

Playing without the services of its big center, Bob Pisha, who was home nursing a bad case of flu, the Wildcats trounced Dexter Friday, 70-60, and then came right back to nearly upset the Bulldogs in a 65-53 thriller.

Doormat since its entry in the league, Novi already this year has won more SE games than it did in the previous

seasons combined. And its two losses to date—to South Lyon and Chelsea—were really tossups that could easily have gone Novi's way.

When SE action resumes following the long Christmas-New Years vacation, the Wildcats will have 10 more games to prove that their early showing is not, as some opposing coaches are saying, "a flash in the pan."

The next game is a home contest against Saline on Friday, January 7.

Coach Obrenovich and his squad don't plan to take any of the remaining games for granted. Nevertheless, it's a certainty that two contests will get special attention. Both are rematches: South Lyon here on January 28 and Chelsea, away, on February 11.

As in its loss earlier to the Lions, the Wildcats held the lead much of the time late in

its game with Chelsea before losing.

With 1:32 to go in the final period, the Wildcats led by three points, 63-60. But Chelsea's Jeff Schmidt drove in for a two-pointer, was fouled, and then converted a free-throw to tie it up 17 seconds later.

Then with possession and 40 seconds to go, the Bulldogs took time out and then came back with a slow but deliberate effort to work the ball in close either to plunk in an easy one or draw a fall. Neither worked, and they called time again with 14 seconds to go.

In those final seconds, they managed to squeeze the ball into Schmidt, who up until now had scored only six points, and the Chelsea spoiler quickly flipped in a layup.

Only a second remained when Novi pushed the ball

back into play and Pat Boyer fired a long bomb that bounced off the rim at the buzzer.

Neither team held big leads in the game. Chelsea held a single point lead, 16-15 going into the second quarter, boosted its margin to six points late in the second before slipping to a three-point edge at the intermission, 33-31.

The Wildcats tied and then edged ahead of the Bulldogs early in the second quarter, 21-18.

Kevin Hesse, the six-foot center who filled in admirably for the ill Pisha and who led Novi to victory the previous night, fouled out of the game midway through the third quarter when Novi was down by seven points.

But two quick field goals by John Pantalone and a two-pointer by Jim VanWagner, who led both teams in scoring with 25 points, gave Novi a tie, 42-42, before VanWagner put the Wildcats back into the lead with a two-pointer at 1:46.

Going into the final period, the Wildcats led, 50-48.

From then on until the final seconds the Bulldogs were fighting from a losing position.

Big scorer for the Bulldogs was Ron Sweeney, who pumped in 17 points. Jeff Daniels was second high with

SE Conference Standings

Chelsea	3	1
Lincoln	1	1
Saline	1	1
Novi	2	2
Milan	2	2
Dundee	2	2
South Lyon	1	3
Dexter	0	4

There is plenty of competition for the top spot in the Southeastern Conference basketball race. Defending champion Chelsea is once again on top of the league, but they are not alone as Ypsilanti, Lincoln and Saline also sport 3-1 records. Novi, Milan, and Dundee are just a breath away with 2-2 records. It was a big week for Lincoln, as they dealt Chelsea their only loss of the year 17-44 and then came back to knock off South Lyon Saturday by a 75-65 margin. Saline also notched two victories over the weekend, first beating hapless South Lyon 70-65 and then dumping Milan 66-49. In other games Milan kept Dundee from making a four way tie at the top by taking a 61-58 decision. Dundee came back Saturday, however, to keep Dexter's winless record in tact 66-60.

Sharing scoring laurels with VanWagner was Pat Boyer who flipped in 15 points.

In Wrestling Meet

Novi Loses to Dexter

Dreadnaughts is an entirely fitting and appropriate name for the Dexter High School wrestling team.

Southeastern Conference wrestling champions for the past seven years, the Dexter grapplers served notice they have every intention of making it eight in a row by doing out a 44-11 thrashing to Coach Rick Trudeau's Novi Wildcats last week.

"They've really got a great program over there," said the Novi mentor. "They graduated eight senior starters last June and their heavyweight moved to Saline, but they're just as tough as ever. They must have 'kids waiting in line'."

For the Wildcats it was the third loss in as many meets, and each time the losses have been substantial as first Northville and then South Lyon wrestled their way to easy victories.

The Dexter loss was by far the most one-sided. Only two Novi wrestlers

won their matches and one Wildcat grappler managed to gain a tie with his opponent.

Heavyweight Terry Auten was the Wildcats' leading point scorer as he pinned Dexter's Jim McCullough after 55 seconds of the second period. The Novi heavyweight chose the "up" position to start that period after a scoreless first stanza and then worked McCullough's shoulders to the mat for the pin.

For Auten it was the second pin in three dual meets. Previously, he pinned South Lyon's Ray Gibbons and lost a decision to Northville's Jim Porterfield.

Tommy Ford also copped a victory for the Novi squad, working Bill Stone over to take a 9-0 decision.

Ford's points came on a takedown, a reversal, a near-fall, and a predicament. It was the fourth victory in a row for the 126 pounder, who saw his season get off to a poor start as he lost decisions

to two of the area's outstanding grapplers - Northville's Dave Griffin and South Lyon's Russ Danielson.

After those two losses, however, Ford has come on strong. He swept to Airport Tournament championship in three matches and dominated Stone last Thursday to move his record to 4-2.

Novi's only other points were taken by Dave Ward who wrestled to a draw in the 132 pound division.

In taking the victory, Dexter recorded five pins and four decisions.

One of those decisions came at the expense of Novi 145 pounder Pat Ford, who lost his first match of the season after five straight victories. Dexter's Chuck Uphaus defeated the Novi wrestler 7-4.

Novi's record now stands at 0-3 for the season. Their next match is against West Bloomfield Tuesday, January 4 on the Bloomfield mats.

Novi Jayvees Post 2 Wins

After losing three straight games, Novi's junior varsity squad bounced back to post back-to-back victories last weekend.

The junior Wildcats defeated Dexter, 59-44, on Friday and then polished off Chelsea the following night, 54-48.

In league play, Coach Bob Weinburger's quintet is now 2-2 for the season. Losses include Milan, Brighton (non-league) and South Lyon.

Novi led throughout its latest two games

Against Dexter, the local five grabbed a 14-10 first quarter lead, led 25-22 at the intermission, and then rolled up 22 points in the third stanza to Dexter's 5.

The following night, Novi lost no time in notching its second triumph. The Wildcats pumped in 18 first quarter points to Chelsea's 13, tied their opponents at 9 in the second stanza and then piled up 15 more points in the third while holding Chelsea to 12.

Sean O'Brien was the big gun in the Dexter game,

netting 22 points, while teammate Bill Ross was picking up 15. Only one Dexter player, Mike Raymore, hit double figures (10).

Ross was high for Novi against Chelsea with 14 points, followed by Eric Hansor with 13 and Dave Brown with 12 (Brown was moved down from the varsity roster to give him more playing experience).

Biggest scorer in Saturday night's game, however, was Chelsea's Jeff Sprague who accounted for 17 points.

Junior High Tankers Finish Third at Milan

Northville's junior high school swimming team failed to win a single event, but took three second places to finish third in the Milan Invitational Saturday.

Milan won the six team

meet while Dundee came in second. Northville finished ahead of Belleville South, River Rouge, and Ecorse.

Leading Northville performance was turned in by the 200 yard medley relay team of Mark Morland, Biff Ballash, Pete Talbot, and Jim Cahill, which set a new junior high school record of 2:15.8 in finishing second.

The Mustangs also took seconds in the 200 yard backstroke relay (Morland, Mark McDaniel, Craig Pritchard, and Mark Price) and the 200 yard butterfly relay (Cahill, Sean Chapman, Dean Ali, and Talbot).

The Northville breaststroke relay team of Mike Weston, Gordon Rooker, Bill Bloomhuff, and Ballash) recorded a fine 2:37.2 timing in their event to apparently finish first, but were disqualified when one of the swimmers left a fraction before the touch.

Northville's jayvee basketball team held the Farmington Harrison Hawks

to an incredible three points in the first quarter and just 10 points in the first half as they romped to a one-sided 63-31 victory Friday.

It was the fourth victory in five outings for Coach Omar Harrison's charges.

Northville wrapped up the game early against the Hawks. In the first quarter the junior Mustangs ran up a 15-3 lead as forward Bill McDonald set the pace with eight points.

At the end of the half the game was as good as over as the Northville five had run their lead to a commanding 34-10 margin.

Biggest difference in the game was the Mustangs' control of the backboards. "We just owned the boards," said the Northville mentor after the game. "I'll bet we got four to five offensive rebounds every time we put the ball up," he said. "We just kept shooting until we made it."

Much of the rebounding supremacy was due to the presence of Doug Crisan. The husky freshman center pulled in 21 rebounds and scored 20 points to lead his teammates in both categories.

Coach Harrison also praised the play of McDonald, who scored 15 points in spite of the fact he played less than half the game as the reserves saw plenty of action in the one-sided affair.

Top Cat

Kevin Hesse has been selected Wildcat of the Week by Coach Milan Obrenovich for his contributions to the suddenly potent Novi basketball team. Placed in the position of having to fill in for flu-ridden center Bob Pisha, the six foot senior paced Novi to a 70-60 victory over Dexter Friday night by leading all scorers with 19 points.

Rally Falls Short

Hawks Top Mustangs

You've just got to believe that one of these weeks Northville's basketball team is going to get everything going in the right direction at the same time and win some games.

It didn't happen Friday night, however, as the Mustangs suffered their fourth loss in five starts, this time falling to Farmington Harrison 68-60 as a fourth quarter rally fell short.

After each of his team's losses, Northville coach Walt Koepke has sat down with the score book and shot charts and analyzed the reasons for the defeat. Encouraging is the fact that invariably the Mustangs have come back the next week to show marked improvement in the areas designated as deficient by Koepke.

Discouraging is the fact that with one exception, the Mustangs have lost anyway as some new problem area develops to plague their efforts.

Witness the following: —After shooting only 27 percent against South Lyon in the opener, Koepke said 'his team had to shoot between 40-50 percent if they hoped to win any games. Against Brighton—their next game—Northville shot 47 percent.

—After going to the free throw line just 17 times

against Churchill, Koepke stated his team had to be more aggressive on offense and get to the free throw line more often. Against Harrison—the next game—the Mustangs drove their way to the free throw line 35 times, more than twice as many times as they had in the Churchill game.

Even the season-long nemesis of shoddy ball handling has shown improvement, as Koepke's Mustangs chopped their season's high of 39 turn-overs last week against Churchill down to 21 against Harrison. But still the Mustangs lost as this time they were plagued by a brand new problem—free throw shooting. "Our real weakness—what really hurt us in the Harrison game," said Koepke, "is that we made just 18 of our 35 foul shots. We've got to do better than that."

One thing that has been consistent in each of Northville's games to date has been their fourth quarter surge. And although at times, the surge has come against reserve units and has served the primary purpose of making the score a whole lot closer than the game in reality was, Friday's surge almost won the ball game. In fact, the game was a great deal closer than indicated by the final score. With three seconds left Harrison's Joe Doa hit on a foul shot and Larry LaBeau collected a tip-in on Doa's missed second attempt to stretch the lead to eight points at the buzzer.

Moments earlier the Hawks had led by just five points and the Mustangs were at the free throw line with a one and one situation that could well have reduced the lead to three points and put the Mustangs closer to victory than they've been all season with the exception of the Brighton game.

Harrison was led by 6'3" forward Jim Mason, who finished the game with 26 points on nine field goals and eight of 14 foul shots. "I don't remember him missing any foul shots," said Koepke after the game. "He really hurt us out there. Jeff Moon guarded him when he played forward and Bill Andrews and Joe Bishop had him when he played guard, and I think they did good jobs on him defensively, but he's just a very good basketball player."

It was Mason who led Harrison to an early lead in the first quarter, as he hit three long jump shots to push the Hawks into leads of 11-1 and 14-4 in the game's early going.

The Mustangs came back strong in the late stages of the first quarter however, to trail 19-13 at the buzzer.

Northville continued to chop away at the Harrison lead in the second quarter, and when guard Bill Andrews hit on a short jumper with a little over a minute left in the half, the Mustangs were down by just three points, 30-27.

pulled to within three points of the Hawks at 31-34 and 34-37, but then the Farmington school pulled steadily away from Koepke's cagers. By the time the third quarter had finally come ended, Harrison had outscored the Mustangs 18-9 and their tenuous five point lead was now a substantial 14 points.

"We just didn't take enough shots in the third quarter," said Koepke after the game. "We only shot six times and that's just not enough."

The fourth quarter proved

to be Northville's best, as they outscored the Hawks 22-16 with the aid of their full court zone press defense. "To play good zone defense you've got to come out like a bunch of street fighters and we were able to do it Friday," said Koepke.

"We were behind and had to put on a lot of pressure so I put in some fresh bodies at the forwards (Brad Cole and Bart Taylor) I was going to put Hannert and Moon back in after they got rested, but Taylor and Cole did such a good job I just left them in there. They were scrambling and forcing a lot of turn-overs."

Western Six Standings

Mott	2 0
Livonia Churchill	1 0
Farmington Harrison	1 1
Walled Lake Western	0 1
Northville	0 2

After just two games Waterford Mott has already climbed back into the top spot they held last year. Defending champions with a perfect 10-0 record, Mott has extended its league unbeaten streak to 12 by winning their first two games this year. Friday Mott trounced Walled Lake Western 86-47 after trailing 10-29 at the half, outscoring the Warriors 27-11 and 30-6 in the third and fourth quarters respectively. Jerry McKay and Russ Porritt led Mott with 20 points apiece, while Jim Evans tallied 11 to lead Walled Lake. In a non-league game Livonia Churchill defeated Sterling Heights 45-43 as Bruce Van Wagener and Roy Henrikson each scored 12 points. Mott and Churchill are 4-0 for the season. Western is 0-4 and the Mustangs are 1-4 as the teams head into the Christmas break.

Nevertheless, the surge fell short and Harrison took their first victory in league play to net their record at 1-1. Northville is now 0-2 in the Conference.

"I think there's reason for some hope," said Koepke in spite of the loss. "Things certainly don't look as bleak for us as they did after last week's game with Churchill. I thought Bill Andrews played a good game for us, the best he's played all season, and overall our defense has improved a good bit. We cut down our turn-overs from 39 to 21, but 21 is still way too many."

Bill Andrews led the Northville scorers in the Harrison game with 12 points. Jeff Moon added 10 and Rod Crane had eight.

Northville now has a break in the schedule for the holidays and is not slated to play again until Friday, January 7, when they journey to Romulus.

MOON SHOT—Jeff Moon pops a jump shot over Harrison's Jim Mason. It was Mason, however, who was the eventual offensive star of the Hawk's victory as he racked the Mustangs for 26 points.

Busy Schedule Hurts Northville Wrestlers

The heavy schedule of meets finally took its toll on the Northville wrestling team as it dropped a close 26-23 decision to South Lyon last Tuesday. Then, two days later, Coach Ed McLoud's grapplers got back on the winning track by easily defeating Brighton 37-20.

The Brighton match brought an end to a hectic week in which the Mustangs had three dual meets and one tournament in an eight day span.

Where the heavy schedule took its toll was in the South Lyon match and basically what happened was that the Mustangs' outstanding 119 pound wrestler Kevin Hartshorne wasn't able to keep his weight down to 119 over the extended period of time.

"We just moved everybody up one weight class," explained McLoud. "I think there's a good possibility that if we had been able to stay in our regular weight divisions we could have beaten them."

Still the Northville squad came surprisingly close. When Doug Boor went out on the mat in the heavyweight division, the Mustangs trailed 26-20. A pin would have pulled them into a tie with the Lions, but it just wasn't to be.

"Doug did a great job," said McLoud. "I've been really impressed with how he's been wrestling for us this year. He beat the South Lyon man, but he just couldn't get him on his back for the pin."

Northville's points were scored by Dan and John Fialon, Hartshorne, Dave Griffen, and Bill Norton.

Dan Fialon, the Mustangs 112 pounder, decided the Lions' Pat Allen, parlaying a first period take down and a third period reversal into a 4-3 victory. Hartshorne and the Lions' Russ Danielson fought to a draw in the 126 pound division.

Norton gained a decision against his opponent, winning 4-0. Griffen won by default when the South Lyon coach did not enter anyone against

him and John Fialon won by default when his opponent had to quit due to an arm injury. Fialon was leading 5-2 at the time of the default.

Again the Mustangs were plagued by their lack of a heavyweight. Boor ordinarily wrestles in the 185 pound class and was moved up to heavyweight division to fill an absence as McLoud felt he had a better chance of pinning the South Lyon heavyweight than their 185 pounder.

"It really hurts not to have a heavyweight," said McLoud after the meet. "What it means is that you've got to give away six points every time you go out on the mats and that can be a lot to overcome."

Heavyweight or no heavyweight, Northville won

easily Thursday against Brighton. By the time the final event on the card rolled around the Mustangs held a substantial 37-14 lead and the six points just didn't make much difference.

After having to shift up in weight classes for South Lyon, the Mustangs were back in their regular divisions for the Bulldogs.

Jimmy Watson got things off to a fine start in the 98 pound class by gaining a first period pin against his opponent. Russ Mills at 167 pounds got the only other Northville pin as he flattened his opponent in the third period.

Decisions were taken by Matt McIntosh at 119 pounds; Dave Griffen at 126; Bill Norton at 138, Joe Weachock

at 155; and Doug Boor at 185. In addition Hartshorne picked up six points for Northville on a Brighton forfeit.

"We had some pleasant surprises," said McLoud. "Matt McIntosh is a real fine 10th grade prospect and Joe Weachock looked as good against Brighton as he's looked all year. He was really aggressive out there and took the match to his opponent."

The Mustangs now find themselves faced with a long break over the holidays. Their record in dual matches stands at two victories, one loss, and a tie. Next match is slated for Thursday, January 6, against Churchill in the Northville gym.

Meanwhile, McLoud's search for a heavyweight continues

Records Fall

Tankers Win Twice

"I'm always kind of reluctant to play guys up too much in the newspapers," says Northville swim coach Ben Lauber, "because they start to think they don't have to work hard anymore to be a winner - they think they can win just because the paper says how good they are and that's not the way it works in swimming."

"Look what's happened so far this season," the Mustang coach points out. "First I talked a little bit about Joe Boland and Don Cook starts beating him. Then I talked a little about Bill Maguire and Kevin Kelly starts beating him."

The emergence of Cook and Kelly has nothing at all to do with the lack of hard work put forth by Maguire and Boland, however, as the two outstanding senior stars are working as hard as ever and that's exactly what makes the whole 1971 Northville swimming team so pleasant for Lauber and Northville swimming fans.

And unpleasant for Northville's opponents.

The Mustangs had their second and third dual meets of the season last week and once again they completely swamped their opponents. First Ypsilanti Lincoln fell prey to the intense intersquad competition on the Northville team, losing 79-26, and then the Mustangs left Dearborn Crestwood rocking quietly in their wake 79-29.

Most of the competition took place between the Northville swimmers. Against Lincoln the Mustangs took first place in every event with the exception of the 50 yard freestyle in spite of the fact that Lauber loaded his lineup with his less experienced swimmers.

Still, the Mustangs came up with three record breaking performances. Sophomore diver Tom Cook bettered the school record of 164.25 points by earning a rating of 180.95 on his dives. And to give you some idea of just how intense the competition on the Northville team really is, the old school record holder, Glynn Simmons, is still on the team.

Don Cook stroked his way to a fine 4:28.9 clocking in the 400 yard freestyle event to better Joe Boland's record—that's right, Joe Boland is still on the team, too.

The third record was set by Boland, Bill Witek, Kevin Kelly, and Bill Maguire in the 400 yard freestyle relay with a time of 3:38.7. The old pool record of 3:42.1 was set last year by Boland, Witek, Maguire, and David Wright.

The onslaught of records continued in the Crestwood meet.

Kevin Kelly broke the old school record of 24.1 he had set earlier in the year by turning in a 24 flat timing; Tom Cook broke his own diving record set against Lincoln by earning 181.45 points; and freshman Kevin Greenlee set a record of 1:08.5 in the 100 yard breaststroke.

First place finishes against Crestwood were turned in by Boland in the 200 yard freestyle, Witek in the 220 yard individual medley, Kelly in the 50 yard freestyle, Boland again in the 100 yard butterfly; Maguire in the 100 yard freestyle, Bill Bretz in the 400 yard freestyle, Gary Putrow in the 100 yard back stroke, Greenlee in the 100 yard breaststroke, and Tom Cook in the diving, to say nothing of the 400 yard freestyle relay team of Dennis McLaughlin, Jeff Pitak, Pete Bedford, and Witek.

Meanwhile, where do

Boland and Maguire stand in the deluge of records being set by the underclassmen?

"Oh, I imagine you might be hearing from them again once or twice before the season's over," says Lauber. "Probably about the same time of the state finals."

Mustanger

Mustanger of the Week is swimmer Kevin Kelly. Only a sophomore, Kelly was involved in three record setting performances during the past seven days. The young freestyler set school records in the 50 yard freestyle and the 200 yard individual medley and was a member of the 100 yard freestyle relay team that set a new Northville High School pool record.

Pacers Win 8-1

Right winger Ken Stelmach pumped in four goals and Tod Mack added two more as the pair led the Northville Pacers to an easy 8-1 victory over Inkster Suburban Hockey League last Tuesday.

Coached by Doug Pattison, the Pacers led 2-1 at the end of the first period and then blew the game wide open with four second period goals - two of them by Stelmach.

Jerry Sherwood and Rich Pattison rounded out the Northville scoring with a goal apiece. Mack, Roger Pattison, Tom Allen and John Pawlowski each had a pair of assists.

Kohs Home Wins

George Kohs of 473 West Cady Street has received the 1971 Christmas Lighting Award. The announcement was made Monday by Edward Harding, chairman of this year's judging committee. The Christmas Lighting Award is an annual project of the Northville Jaycees.

NEW RACING SURFACE—When harness racing returns to Northville Downs January 1 for a 64-night winter meet it will be over a completely new winterized racing surface. Workmen began work Monday in applying 4,200 tons of crushed slag-stone to the half-mile oval. The new racing surface will be five inches deep and is comprised of two distinct layers—a coarse base, topped by a binding material. When needed a sand cushion also can be applied. The new surface is expected to eliminate the "heavy tracks" that have plagued cold weather racing here.

Wagering Down 3%

The 42-night Jackson-at-Northville Downs late fall meet closed Saturday night as 3,383 fans braved an early-evening snow storm to wager \$286,858 on the 10-race program that completed the 1971 Michigan harness racing season.

Wagering for the meet reached \$10,763,460 for a nightly average of \$256,273, down less than 3 percent from the record high of the shorter and earlier meet of a year ago. Attendance totaled 127,873, a nightly average of 3,045.

Briar Lea Farm's Briar Lea Andy paced to a 2:09 three-fifths victory in the final night

feature. It was the 6th win of the meet for the 6-year-old, and the 13th win, during the meet, by a Briar Lea Farm starter.

Leading driver for the meet was Merritt Dokey, Kalamazoo reinsman who reached the wire first on 37 occasions, despite missing more than a week to the after-effects of an early-meet racing accident. Dokey also led in percentage, with a sensational 470 average.

Leading trainer for the meet was Frank Alexander, who trained the Briar Lea Farms contingent, and completed the 7 weeks of

racing with a 50 percent win percentage.

PEACE

With deep sincerity, we send Christmas greetings and best wishes to all.

The Northville Record / THE NOVI NEWS
 The Brighton Argus / THE SOUTH LYON HERALD

Wed.-Thurs., December 22-23, 1971

During the Depression when high schooler Mike Allen began his apprenticeship in the world's oldest art—stonecutting—he never would have guessed that in 1971 he would be the only manufacturer left in Michigan.

Now the state's last manufacturing craftsmen in stone, Allen stands among the huge, automatic machinery in his plant at Northville and recalls with a special kind of nostalgia when the hammer and chisel earned him \$3 a week wages.

"Those were the days when I cut stone in my father's garage," he recalls about his start in Flint.

Today he owns Allen Monument Works in Northville—a plant that designs and cuts cemetery and municipal monuments, mausoleums, cornerstones, and furniture; that manufactures multi-ton grave vaults; that cuts stone for big commercial buildings; that erects large statuary for manufacturers in other states; and that provides maintenance or other services for 15 cemeteries in the Northville-Brighton area.

When he began less than a half-century ago, there was no trade as coveted as stonecutting. Today, few young men are interested in this trade.

Stonecutting, which dates back to prehistoric man, was practiced extensively by the Egyptians and later developed as a fine craft in European countries where today stonework is still more extensively practiced than in the United States—primarily because Europeans rely more on stone for their buildings than do Americans.

Admittedly biased, Allen emphasizes that neither wood nor any synthetic metals developed by man can withstand the elements as well as can stone.

Although marble remains the most widely used stone for buildings, especially for interiors, granite is the basic stone of today's craftsman because of its varied colors and its resistance to weather.

(The old, tall gravestones located in many local cemeteries are of marble, accounting for the fact that letters have often been partially erased by the abrasiveness of wind and rain.)

Granite is an igneous rock formed from molten matter at the creation of the earth. Another class of rock is the metamorphic rock, which after forming from molten matter was subjected to massive heat or pressure. Generally speaking, this latter process caused sandstone to become quartzite, limestone to become marble.

According to Allen, some of the world's finest granite deposits are located in Vermont, Georgia, and Wisconsin. There are no granite quarries in Michigan.

Today quarries have far more sophisticated machinery than they did years ago. Besides mining stone, they now also cut and ship it polished to monument dealers, accounting in part for the disappearance of the stonecutting manufacturer.

What makes Allen a manufacturer, as distinguished from those few remaining businesses in Michigan that only carve lettering or designs in stone, is that he also cuts raw stone to size and polishes it.

Just as the diamond cutter must know precisely how to cut his product, so too the stonecutter must "know the grain of stone before he starts cutting," says Allen, pointing out that stone has grains much like wood.

"If a piece of granite is taken from a mine (as opposed to a granite boulder found on the surface of the earth, "it is almost impossible to tell by sight how the grain runs. You have to feel the grain...and that's not something you can learn in a book.

"Here, feel this edge of the stone and then the other. Feel how one side pulls against your hand and the other doesn't? One is the 'head grain' and that's the side you expose for cutting your design or letters. Try cutting in the other side and you might end up with some chipped lettering."

Grain in a granite boulder can be detected by sight, he adds, because wind and rain have exposed them. That's why he and other craftsmen can "take a boulder and quickly split it in half just by seeing how the grain runs."

Mined granite is expensive, says Allen, and few people in the business today want to risk an expensive piece of granite by feeling for grain and then cutting it. And that's another reason Allen is the only manufacturer left in Michigan.

Still another reason is that the cost of freight has increased tremendously, he adds. "About one-third of a slab of granite we receive is wasted in cutting. Most stonecutters would rather get their stone pre-cut so that their freight costs aren't so high."

Manufacturing machinery is costly as well.

When Allen started his business, the air-driven chisel had just begun to revolutionize the trade. Previously, using a wooden mallet (for marble), metal hammer (for granite) and chisels, the good stonecutter could produce a 24-letter monument in about two days. With the air chisel he could produce one a day.

Today, using the sandblast technique, the stonecutter can produce three or more monuments a day.

And even the sandblast technique has been modernized. Allen's plant now includes a large, automatic sandblaster that no longer requires a man's presence while operating.

Cutting letters or script and designs into stone with a sandblaster, which made intricate designs possible, is a relatively simple procedure, explains Allen. The stone is masked with a rubber mat. After drawing the design on the mat, a workman carves the design through the rubber, exposing the stone. The abrasive sand-like particles of the sandblaster drills away at the exposed stone but bounces off the mat.

Similarly, if relief lettering or designs are desired the stone is exposed except for the rubber mat cover the letters or designs.

Some cutting by the air chisel continues, and even today Allen occasionally uses his hammer and chisel just as men did centuries ago.

The plant utilizes two kinds of saws for cutting—a diamond-toothed circular saw and a wire saw. The latter will slice through six feet of stone in just a few hours. Before the advent of the power saw men did this cutting

Mike Allen Letters a Piece of Marble 'the Old Way'

by hand or by splitting stone—procedures which were painstaking and frequently damaging to the stone.

The engraving operation necessarily includes lettering tools and equipment.

Perhaps the most important single reason for the success of the Allen Monument business has been its personalized designing. Working on a large drafting board Allen and his son, James, have produced thousands of designs that may be used only once. Others may be used again and again.

Their designs have incorporated the outlines of musical instruments, locomotives, ships, trees, animals and people... "just about anything you can imagine."

Surprisingly, many of their cemetery monuments are for animals—dogs, cats, birds, monkeys, etc.

One of their most impressive monuments is the war dog memorial in the Lyon Township pet cemetery.

And just as they engrave a wide variety of designs in stone, so too they engrave words in a wide variety of languages.

Because much of his monument business is for cemeteries, Allen was frequently asked if the business included grave digging. "We never went looking for that kind of work but with so many people asking us to help, we gradually began assuming those kind of jobs, too." Now besides digging graves, they employ a staff for maintaining cemeteries year-round.

Does diversification mean stonecutting is no longer important?

"Not at all," says Allen, who has served Northville as mayor longer than anyone in its history. "There's more work than ever before and it's going to get bigger."

Like the "keystone," the symbolic emblem of the Masonic order that is derived from this craft, stonecutting has lost some of its original meaning but "it will live forever. Stone will be here long after we're gone, just as it was here long before we arrived."

Pets Require Winterization

Has your pet been winterized yet?

Frank Andrews, executive secretary of the Michigan Humane Society, a Torch Drive service, offered several tips to pet owners for making their pet more comfortable this winter.

Andrews said, "It's fine to keep a dog outside as long as he has adequate protection from the cold when sleeping. Putting him in an unheated garage at night is not enough. Even though he is shielded from the wind, there is no protection from the cold."

"Dog houses offer enough protection if they are the right size. The house is heated by the dog's body heat, therefore, it should only be as long as the dog. The opening should be covered with a flap and there should be straw for the dog to nestle in."

For extra warmth, Andrews suggested installing a 100 watt, shatterproof bulb in the dog house.

When it is very cold, short haired dogs should wear a sweater when outside.

"And remember," said Andrews, "a dog kept outside all the time will require more food than one that is inside."

Andrews felt it was better to leave a dog outside all the time rather than have him in all night and out all day.

"The radical temperature change is very stressful to a dog and could shorten his life."

Andrews also advised owners to wash the feet of dogs and cats after they have walked in heavily salted areas. Road salt irritates dog and cat paws and can harm a cat's digestive system if too much is swallowed when he cleans himself.

Andrews cautioned owners against assuming a dog has a cold if he has a runny nose. "Coughing, sneezing, runny eyes or nose and diarrhea can all be signs of distemper. If any of these symptoms last for several days the dog should be taken to the vet."

Andrews also alerted owners to the danger of cats getting caught in the fan belts of cars during cold weather.

"Each year this happens to over 50 cats. They crawl under the hood for warmth and when the motor starts most of them are critically injured."

With the holiday season almost here, Andrews advised owners not to indulge their pet's appetite for rich foods during the festive season.

"Unfortunately, some of the foods dogs love best can be the most harmful to their digestive systems."

"While it is dog owners wouldn't think of giving their dog easily splintered bones

from the Christmas turkey, they'll give him gravy, dressing or dessert which can be just as harmful to the dog's health."

Andrews also warned owners not to give their pet the same medicine they would give to their kids.

"We're seeing an increasing number of cases where people have tried to treat their pets themselves with medicines prescribed for human use."

"It's dangerous to assume that medicine effective in treating one species can be used to treat the same symptoms in another species," said Andrews.

"For example, a single human aspirin tablet administered morning and evening for a week would very likely result in poisoning or death for the family cat."

Andrews concluded, "It's fine to think of your dog as a member of the family, but when it comes to caring for him, remember he's not really human. He'll be a healthier pet if you do."

"Burr... You betcha It's a Dog's Life"

Michigan Mirror

Tax Bite's Average

LANSING—If the bite the taxman took out of you last year seemed pretty big, there may be some consolation in the knowledge it was just an "average bite."

Statistics compiled by the state Commerce Department show the state ranked 23rd out of 50 states for the fiscal year ended in mid 1970 in terms of taxes collected per capita. Michigan's state and local governmental units collected \$115.47 of every \$1,000 of personal income earned in the state. The average for all states was \$116.58 per \$1,000.

AN ALMOST identical picture is seen in the area of property taxes. There, the state ranked 22nd in the country, with \$46.56 collected in property taxes for every \$1,000 of personal income. The national average was \$45.74 per \$1,000.

In general, expenditure of all funds—federal, state and local—Michigan was down in 34th position among the 50 states. The fiscal 1970 expenditures per \$1,000 of personal income totaled \$171.67, while the

national average was \$176.40.

MICHIGAN'S independent colleges and universities launched an all-out campaign to regain their traditional share of higher education enrollments.

Although enrollments at private colleges and universities increased from 36,000 to 51,000 between 1960 and 1970, their percentage of all students attending higher education institutions in Michigan decreased from 21.2 per cent to 13.1 per cent.

A brochure with a catchy title—"Things Mother Told You About Independent Colleges and Universities"—was just published by the Association of Independent Colleges and Universities of Michigan (AICUM).

IT IS DISTRIBUTED to high school seniors throughout the state as well as students at Michigan's 29 community colleges which are responsible for the percentage drop in both public and private college enrollments.

"You can afford to attend an independent college or university," the brochure states, "for little more than it would cost to go to a public school."

SCHOLARSHIPS, grants, jobs and loans are enabling thousands of students to attend private Michigan schools which might otherwise be too expensive, the brochure continues.

The brochure lists several reasons why "you can't afford not to make a private school your first choice." They include:

—"Since classes are smaller than those at giant public institutions, you'll have more access to the instructors."

—"You'll be able to actively participate in academic programs and extra-curricular activities."

"IN SHORT, you'll be a name, not a number" at an AICUM college or university, the brochure concludes. The average enrollment at the 28 AICUM member schools is approximately 1,000 students though they range in size from 60 students in one institution to nearly 10,000 in another.

AICUM President John L. Gaffney of Lansing says the new recruiting brochure, which has a capsule summary of the programs offered by each AICUM school, has been well received by high school and community college students and counselors.

"WE BELIEVE the brochure will encourage more students and their parents to look into the unique advantages offered by independent colleges and universities," Gaffney said. "All we want is the opportunity to prove that it is economically feasible for most students to attend one of our schools."

Savings Possible For Snowmobilers

Secretary of State Richard H. Austin is encouraging snowmobile owners to save money by registering their vehicles before the first of the year.

Recently enacted Public Act 178 increases the cost of registering snowmobiles for a three-year period from \$5.00 to \$9.00, effective January 1, 1972, Austin said.

However, if snowmobile owner registers his vehicle between now and the end of the year, he can still register it for a three-year period at the old \$5.00 fee. After the first of the year, it will cost him the additional \$4.00," he said. Austin said the prepared application which has already been mailed to snowmobile owners may cause some confusion since it lists the \$5.00 fee for the three year registration period.

Regardless of earlier information which has been distributed, the higher \$9.00 fee will have to be paid for snowmobiles after December 31, he said.

Also, snowmobile owners can register their vehicles by mail prior to December 31. The revenue collected from snowmobile registrations is placed in the state's general fund and is returned to the Department of Natural Resources to be used for the benefit of snowmobilers in creating new trails, and for the upkeep and maintenance of existing trails.

Babson Report

Airline Stocks Flying High

THE LEADING airline stocks—as a group—are once again basking in the warmth of investor buying interest. True, prices of these issues have encountered occasional backtracking as well as periods of strength during the now waning year 1971, reflecting the volatility of the stock market as a whole.

Nevertheless, stocks of airlines have given a good account of themselves during the course of this year.

IN THE LATTER part of the 1960's, the air transport industry had to pay a stiff price for the success it had enjoyed in the two decades following World War II. During that period of growth many unsound business practices made their way into the airlines field, ultimately bringing the industry to the brink of disaster as the decade of the 1960's bowed out and the decade of the 1970's made its debut.

Among the problems were excess carrier capacities, debt-ridden capital structures, uneconomical route patterns, and flight frequencies.

Part of the trouble derived from

the intense competition, in both the domestic and the foreign arenas. But the regulatory climate also contributed to the gradual deterioration of the industry's fundamental position, with questionable route awards and inadequate fare rates eroding profitability. The squeeze on profits was further intensified by the upsurge of labor and other operating expenses.

THE MOST devastating blow actually came from the weighty fixed charges associated with carrier equipment. This came to a head when the credit crunch clobbered the entire economy in the late 1960's. Borrowing rates reached their highest levels in a century, and tight credit jeopardized equipment financing projects.

Other formidable difficulties surfaced at that crucial juncture. Chief among them was airport congestion at many of the principal facilities.

The "stack-up" of aircraft waiting both landing and take-off, plus the virtually unmanageable auto traffic pattern around the

terminal areas, complicated still further the industry's task of attracting additional patronage. Then came the acute public concern over the air carriers' role in air and noise pollution.

ALTHOUGH a number of the troubles of the nation's airlines remain unsolved, companies have faced up to plugging some serious profit drains. Superfluous flights and routes have been abandoned; personnel cuts have been instituted; excessive carrier facilities have been shed. These moves—and more equitable tariffs granted by the regulatory authorities—have pulled the airlines away from the dangerous pit that threatened to engulf them just a short time ago.

Fortunately, also, the return of easier credit conditions enabled many of the carriers to establish much-needed financing programs and restore their capitalizations to a healthier status. At long last, the need for mergers was recognized as an essential circumstance for the renewed growth and even survival of the industry. The fact is that mergers now under consideration could effect further savings on personnel, equipment, and support facilities, besides rendering more viable future financing efforts.

AS THE INVESTING populace began to recognize the recovery being made by the airline firms, buying interest became more pronounced in these issues. Most stocks, in fact, have regained substantial proportions of their previous price declines, although they are generally still well below their all-time highs. Currently, the Research Staff of Babson's Reports advises retention of the shares of leading airline stocks, and for risk-oriented investment accounts the purchase of Continental Air Lines is recommended.

Here's Tips About Drugs For Parents

EDITOR'S NOTE—Following is the eighth in a series of articles written by Oakland County Prosecutor Thomas G. Plunkett, to inform parents about the drug threat and what it means to their children.

To classify any one group of drugs as "mind-affecting" would be only a half-truth, for this would lead one to believe that other drugs do not affect the mind. The hallucinogenics, (those which cause "trips" of the mind), are generally referred to as mind-affecting, but in reality all drugs have their effect on the mind whether directly or indirectly

Some of the other drugs we have not mentioned thus far are Mescaline, Peyote, Psilocybin, DMT, STP and Morning Glory Seeds.

Mescaline is hallucinogenic in nature. It is a chemical found in the buttons of certain small cactus plants - peyote or mescal - and illegally in powder or liquid form. The effects, usually milder than those from LSD, often last from 10-12 hours. Being bitter to the taste, it is often mixed with a drink to make it more palatable. American Indians have used this drug in religious rights for hundreds of years, so its use is not what could be termed new.

Peyote, which comes from a cactus plant, is a milder form of Mescaline. Sometimes it is referred to as "the button," "cactus" or just the letter "P". It is still used to this day in sacramental rites of the Native American Indian Church.

Psilocybin is a drug obtained from the Mexican mushroom and usually comes in crystal, powder or liquid form. Its influence on the mind lasts generally from 2-6 hours and its effects are similar to those of Mescaline

DMT, (dimethyltryptamine), causes effects similar to LSD, when taken in large doses. Reaction comes quickly and the effects last an hour or two. It can be made synthetically and is a natural component of seeds from plants growing in the West Indies and South America. For hundreds of years natives have used this drug by sniffing a powder made from the seeds

STP, (also known as DOM), is relatively new on the drug scene. It is a synthetic chemical related to Mescaline and the Amphetamines. It is reportedly very mind-distorting, but is not as powerful as LSD

Some varieties of Morning Glory Seeds have an active principle closely related to LSD but much less potent. The seeds are usually chewed or made into a tea.

Finally there is "something" called "68". Like banana peels, "68" or, as it is sometimes called, "sex juice," may be a hoax. This is the opinion of specialists of the American Pharmaceutical Association. Users have reported that it produces wild, short "trips," comparable to LSD or STP. There are conflicting reports on the chemical make-up and over-all effects of the drug, however the Food and Drug Administration states that "68" is simply oil of peppermint.

In summary you may ask yourself why it is important to know all of these minute details about the drugs we have discussed. Much of the information you may never have occasion to use - but, if you do have occasion it is much better to know the facts than to rely on fiction, hearsay and the like.

The major point of this entire series is to better understand the drug misuse problem and to do this we must have basic knowledge and facts at our fingertips.

God Talks to Us In Our Dreams

Norman A. Riedesel, Minister First United Presbyterian Church South Lyon

A young man of very limited means, planning to become a minister and working his way through school, sometimes when his funds were low became very discouraged.

On one such occasion he dreamed one night that he was in a dark, deep, valley with sides so steep he could not possibly climb out.

While he was wondering how he would ever emerge from his prison suddenly before his wondering eyes a rope seemed to descend from a cloud.

The rope was made of the finest silk of many colors, was quite strong and appeared to be securely fastened in the clouds.

In his dream the lad sat on the bar and held the rope with

his hands. Instantly it began slowly to ascend. When it had risen as high as the top of the cliff barriers it swung him over them into the middle of a meadow of green grass.

The lad felt that the dream was a message from the Lord telling him to continue in his efforts to become a minister, which he did.

When he had graduated from the seminary his first church building was exactly the same building in exactly the same position as he had seen in his dream!

In the Christmas story Joseph was told in a dream to get married to Mary and later he was again told in a dream to flee to Egypt.

God sometimes also talks to us in dreams. God's supervision and care over us is just as real and wonderful today as it was in Bible times.

Architect's Design of New Fourplex Theater to be Constructed in the Farmington Freeway Industrial Park

In Freeway Center

Fourplex Theater Planned

Plans to construct a completely-automated fourplex theater in the Freeway Shopping Center at Farmington Freeway Industrial Park, Grand River and 10 Mile at 1-96, have been announced by Sol Krim, president of Krim Theatrical Enterprises, of Southfield

approximately 1,000 patrons. Its four units, built around a common lobby, will present four different shows simultaneously.

According to Krim, a third-generation theater entrepreneur, the new fully-automated theater will house the most modern equipment available. It will include unique new projectors that employ lamps in place of the old carbon units, instant automatic switching from one projector to another, and full one-hour (rather than the outdated 20-minute) film reels. The Krim Theater Circuit,

which already has a Triplex Theater under construction at the Brighton Mall and still other multi-unit theaters on the drawing boards, has gauged its current surge of building activity to meet the growing demand for spectator entertainment.

Krim explained that theater box offices grossed a whopping \$1.62 billion in 1970 and that 1971 would have registered an even higher figure - had it not been for the lack of more than a single "block-buster" type picture such as "Love Story" during the current year.

He said that, with many universities maintaining graduate programs of film making, a whole host of exciting new producers, directors and script writers is emerging. The industry is bound to grow - particularly because of the abundance of talent being put to work behind the cameras.

Krim pointed out that his firm's new "Farmington 4" theater will provide the added convenience of an abundance of parking for almost 700 cars on the theater site.

"Farmington 4" theater

will include among its neighbors in the Freeway Service Center: a 5-story Holiday Inn, Park Place Lounge and Restaurant, and numerous shops including Grimes Cleaners, Bon Ton Gift Shop, and Be Lynn Beauty Shop.

The \$1.5 million center, developed by Novi Holding Company, services the general public and the more-than-forty industrial and commercial firms located in the Thompson-Brown Farmington Freeway Industrial Park, Michigan's first Class "A" Certified Industrial Park

Beware!

Superhighwaymen On The Loose

Many of Michigan's half million motorists driving to Florida and the thousands going to the Southwest this winter may be victimized by gas stations and garages along the way, according to an article in the December issue of Automobile Club of Michigan's Motor News magazine.

The article, entitled "Superhighwaymen," alerts Auto Club's 995,000 member-readers about three methods used to fleece motorists, as discovered through complaints received nationally by Triple-A.

Highway gyps exposed through the article-although complaints about Michigan gas stations and garages have been few-are "double stamping" and "kiting" of credit card charge slips and scaring or tricking travelers into unnecessary car repairs.

The most prevalent form of credit-card gyp is the "double stamp," the article states. This happens when an attendant places a blank, extra pastebord invoice under the original to be signed by the customer. The customer's signature then appears on two pastebord copies, but only one tissue copy.

The customer retains only the tissue copy. Therefore, the attendant can fill in any purchase amount on the extra pastebord invoice and substitute it for funds taken from the cash drawer.

"Kiting" is possible since each gas charge slip has the amount of the charge printed in both magnetic numerals and by hand.

Oil company electronic scanners charge the customer only for the amount printed in magnetic numerals at the garage, while the handwritten charges go unread unless checked by human eye.

Most credit card users forget or do not know about the magnetic numbers at the bill's top and check only the hand written charge at the bottom. For example, a purchase of \$6.50 could be hand written at the invoice's bottom, but magnetic numerals "01650" could be stamped at the top. This means a \$10 error since the customer is charged \$16.50 via his monthly statement.

Scare tactics and over-selling of repairs are the third highway gyp explained in Motor News. The article points out that interstate highway garages not depending on repeat business attract a disproportionate share of dishonest operators who scare motorists into costly, unneeded car repairs.

Auto Club points out that shock absorbers, tires, fan belts, fuel pumps and carburetors are the most-often unnecessarily replaced parts. Worn shocks may give a bouncy ride, but usually do not cause accidents unless one is driving on rough terrain,

Auto Club states. Motorists are advised to have shocks checked before starting a trip. If they need replacing, a local dealer is often less expensive than a roadside garage.

New tires sometimes are sold by attendants who spot a nonexistent or attendant-imposed defect in a tire with good tread. Motorists have told Auto Club that after returning from a restroom, they have discovered an icpick-created leak in the sidewall not there before leaving the car.

Fan belts often need replacing, also because of sabotage, the article states.

To avoid unnecessary repairs at garage and gas stations, Auto Club advises these steps:

- Never leave a car unattended.
• Be skeptical of any offer to provide parts or unusual services.
• Always watch the attendant who is near tires or checking under the hood.

• Check oil levels in person when doubtful, to avoid paying for an empty quart-can after the measuring stick is misread or manipulated to read a quart low.

The following steps are advised by Auto Club for any motorist using a gasoline credit card to help prevent "double stamping" and "kiting":

- Never let a credit card out of sight to prevent more than one invoice being made.
• Make sure magnetic, machine-printed and hand-printed numbers match.
• Check to be sure only one pastebord invoice is present before signing.
• Save the tissue copy from each credit card transaction to match against pastebord copies accompanying monthly statements.
• If a fraudulent invoice is discovered, Auto Club advises making a photocopy and sending it to the oil company.

Out of Horses Mouth

Annual Shows Slated

This column is open to news of all breeds of horses and ponies. Send your questions, comments, and horse show news to "Horse's Mouth", care of South Lyon Herald, South Lyon, MI 48178.

dress warmly. Ski outfits with long johns, caps or hats with fur earmuffs, and sheepskin-lined boots. Extra blankets should be provided. The driver will need to be especially well protected. If the weather is bitterly cold, he may wear one of the helmet-type head coverings that pull down over the face, leaving only the eyes uncovered.

Mittens are warmer than gloves and you can get small hand warmers which work without batteries. There are also various types of foot warmers, including electrically heated socks.

Do not plan too long a ride and do plan that it end some place where the participants can have hot drinks before a big open fire.

How about planning such a ride as part of the Christmas festivities? Santa Claus arrived in South Lyon on December 11 via old-fashioned horse and buggy. To this town, Santa doesn't drive reindeer but, instead, a beautiful Morgan horse. Santa's chauffeur this season was Miss Carol Morgan of South Lyon driving her six-year old Morgan gelding, "Star's Ben Erin". Sally Saddle

The annual potluck dinner of the Plymouth 4-H Horse Club was held Saturday, December 11 at the Salem Township Hall.

About 50 people attended the dinner. Afterwards a short meeting was held and the officers were introduced to the parents.

The fifth annual winter horse shows will be held at the Sully Badger Farms, 7425 Bergin Road in Howell on January 8 and 9, January 22-23, February 5-6, February 19-20, March 4-5, and March 18 and 19.

Saturday of each of those weekends features contest shows beginning at 4 p.m. with 23 classes including skurry jump, keg bending (two age groups), pole bending (two), mini cloverleaf, speed and action (two), key hole, dizzy stick, pick up,

potato race, tire crawl, down and back (two), spear the ring, dummy rescue (two), flag race (two) and cloverleaf (two).

Judged events, beginning at 11 a.m. each Sunday, will fall in 23 classes. Classes on these dates include halter, Western halter mares, Western halter geldings, English halter, fitting and showing, reining, Western horsemanship (two), Western pleasure (two), English equitation (two), English pleasure park seat, English pleasure hunt seat, Western bareback pleasure, English bareback pleasure, Western trail, English trail, green hunters, open hunters, hunter equitation over fences, green jumpers and open jumpers.

Trophy and six ribbons will be awarded in each class. Contest junior and senior and judge junior and senior high point trophies will also be given. A different judge handles each show. Refreshments will be available on the grounds. Entry fees are \$1 (ages 14 and under), \$2 (15 and over and open) and \$1 admission (children under six admitted free of charge).

SLEIGH RIDING. A country sleigh ride is becoming most difficult in this busy world of ours. Most towns scrape their roads and put salt down on them as soon as an inch or so of snow has fallen.

However, it may be possible to find some back roads that have escaped this treatment. The old-fashioned sleigh is brought out of storage, the horse or horses harnessed and hitched. Of course, the horse will wear sleigh bells, the nice jingling of which adds much to the pleasure of the ride as well as serving to warn other drivers of the presence of an approaching vehicle.

A moonlit night is the ideal time for sleigh riding. However, don't count on the moonlight to make the sleigh visible to other traffic. Have at least two red lanterns hung behind the sleigh and two more in front.

The passengers should

Bill Prohibits

Discrimination

State Representative Marvin Stempin (D-Livonia-Northville) has offered a joint resolution to amend the State Constitution to prohibit discrimination based on sex.

House Joint Resolution BBB would accomplish on a state level, what the U.S. House of Representatives has been trying to do for years on a national level, he said. The equal rights amendment has been introduced in every Congress for 48 years.

Representative Stempin's resolution listed 98 representatives as co-sponsors, including all 58 Democrats. A total of 74 votes are needed to pass an amendment to the constitution in the House.

The resolution would amend the existing language of the constitution, by simply adding a sentence which reads: "Equality of rights under the law shall not be denied or abridged by the State because of sex."

Tab Time's Fleeting

Michigan vehicle owners who have not obtained license plate tabs for 1972 have but a few days left to avail themselves of the easy way to get their licenses by mail.

The "buy-by-mail" campaign, set up as a pilot project this year by Secretary of State Richard H. Austin, has nearly run its course with the deadline of the end of the year fast approaching.

"Instead of sweating out long lines in a branch office later on," Austin said, "encourage persons to order their tabs by mail before January 1, 1972 of next year."

"All they need do is follow directions on the prepared license application mailed to them," Austin said.

He noted the sale is running "far behind" the target goal of a half-million sales by mail. In early December, the total received by the Department of State on mail applications totaled only 130,000.

He said that errors on the prepared applications were running considerably lower

than when the program was initiated, less than 10 percent.

Most of the applications returned to vehicle owners still involve failure to sign the back of the application. Austin said the applications should be signed in three places on the reverse side of the application.

The Secretary of State said that many motorists were still sending in a dollar for the Motor Vehicle Accident Claims Fund.

The dollar fee was dropped this year, while the fee for uninsured vehicle owners was raised to \$45 from the previous \$35 fee.

"In cases where owners include the dollar fee, we are forced to return the request and ask for a corrected check or money order," Austin said. Some persons are also sending in additional money to cover postage of sending the tab to them.

"We urge persons not to send in extra money as we then have to return it to them. The Department of State is

paying the postage on sending out tabs."

Austin also indicated that the Department of State will send tabs anywhere the motorists would like

Finish TV Workshop

Teachers at Novi High School last week completed a television workshop that had been meeting Monday evenings since October.

Offered by Eastern Michigan University, the workshop instructor was Carl Baldur.

Teachers received instruction in the use of video tape recorder, TV camera and support equipment such as lights, graphics, slides, films, etc., so that they are prepared to produce TV in-

structional lessons as well as taping student performances in speech, sports, dance routines, discussions, plays, etc.

Participating teachers included:

- Cecile Carter, James Ladd, Del Gerhardt, Maralan Hazeltine, Jackie Lawrence, Del Munson, David Armstrong, Carol Smith, Mary Warren, John Chicelli, Ron Banas, Norlene Cadwick, Rick Trudeau, Sheila Norgren, Tim Campbell and Rosemary Crippen.
