had originally been planned,

Ford May Give Land

Nothing's definite yet but city officials feel confident the Ford Motor Company is about to donate some seven acres of property, north of the Rouge River, to the city as a "historical site."

In discussing the matter with the council Monday, City Manager Frank Ollendorff said it appears "98percent certain" that Ford will make the land available to the city-probably as a gift.

"They are talking about a gift although that is not

certain," he said. The property in question, most of which is covered by water (millpond and stream), is located between Griswold and Hutton. It does not include Ford Field, which Ford owns and permits the city to use, nor the Ford parking lot.

Negotiations for the property have been underway for several months as a result of the Northville Historical Society's quest for property on which to relocate the old township hall building and the house on the Main Street property where the Griswold Street

extension will be put through. Preservation of the 125-year-old township hall building has been a goal of the society for nearly a decade. When it appeared likely that the building could not be preserved on its present site (it is designated for a major shopping complex), society representatives and the city manager began seeking alternate sites.

Plans of the Society call for the township hall building, which was built originally to house a splinter

1972 budget of the 35th District Court is in for some close scrutiny before it gains the Northville City Council's stamp of approval With a number of questions pertaining to the proposal, as submitted by Judge Dunbar

Davis, the council made it

plain Monday that it will insist

upon more detailed in-Councilman David Biery and City Manager Frank Ollendorff were authorized Monday to meet with Judge Davis and report back their

Among the items puzzling councilmen is a capital outlay of \$3,000 and payroll fringe benefits which reportedly represent 25-percent of what is paid out in salaries The benefits are pegged at \$20,155. Salaries in the budget are put

Also being questioned is an outlay of \$7,385 for a full-time bookkeeper that officials here were unaware was being

Biery was particularly dissatisfied with the budget's lack of comparison with expenditures in past years. And Councilman Paul Vernon, echoed the sentiments of others, when he noted that he cannot approve expenditures that he is unable to explain to

his constituents While the council found little specific fault with proposed expenditures, the fact that the council sees itself in a rubber stamp position with little or no direct control over expenditures has long been an irritant

Although the court expenses are shared by Northville and the city and township of Plymouth, the court is responsible to the state which requires municipalities provide necessary funds, the city manager explained. The state does not specify what "is necessary," he added, noting that about all the city can do is provide the money and the judge can do with it as he

pleases.
"You can question expenditures all you want but it won't do any good," quipped Councilman Folino, who advised the two new councilmen (Biery and Vernon) they will soon learn what he

Illustrating the position of communities served by district courts, Ollendorff said a judge in another community had requested a desk but was refused by the council. The judge merely issued a court judgment against the city, gave it to the desk supplier,

and told him to collect. While he has often questioned the operation of the 35th District Court in the

BEAUTIFICATION of the southwest corner of Main and Center streets, a "pet project" of Councilman Paul Folino, is expected to come before the city council soon for confirmation. The councilman proposes to have a redwood picket fence. trees and benches installed along the Main Street edge of the bowling alley parking lot. The plan differs somewhat from his original proposal. Three trees (columnar maples) are to be planted in 30" x 30" boxes separated by benches along the 84-foot span. Green Ridge Nursery has offered to donate the trees, Folino reported.

A RESOLUTION urging the state legislature to enact legislation curtailing pollution resulting from throw-away bottles has been adopted by the city council. The council's action follows an earlier one delaying implementation of the city ban on beverage sold in throwaway bottles for one year. City officials contend the control of such bottles is a matter that the state must deal with rather than leaving it to individual communities. Copies of the resolution are being sent to legislators serving this area, House and Senate committee chairmen, and to municipalities within the metropolitan area.

DON'T LOOK for any more "mountable curbs" to be installed in future city subdivisions. The rounded curbs, which were installed in Lexington Commons for aesthetic reasons, reportedly are sparking far more complaints than compliments from subdivision residents. Because of the rounded curbs, cars traveling on subdivision streets, particularly on curves, frequently drive over the curbs and damage lawns, officials said.

AN AMENDMENT that would increase the number of directors of the Northwest Wayne County Sanitation Authority from five to 10 has been approved by the city. Concurrence by the four other municipalities, served by the authority, is necessary before the change becomes official. Other members include Northville Township. the city and township of Plymouth, and Canton The Authority was Township. established to work out a plan (landfill and-or incinerator) for disposal of waste generated by the five communities. In addition, according to Northville officials, it will address itself to the pollution problem of non-returnable bottles and cans.

Jaycette Tribute

Award Lauds Mrs. Carlson

Former Northville Councilwoman Beatrice Carlson was to be honored Wednesday by the Northville Jaycee Auxiliary as recipient of its 1972 Community Service

Mrs Carlson and seven other nominees were to receive certificates of recognition at a dessert program at 1 pm at King's Mıll Clubhouse.

"Mrs Carlson scored one for Women's Lib many, many years before the term was even born," write Mrs Terry Danol, president of the North-Business Professional Women's Club in

nominating Mrs Carlson "She is exemplary of the woman who doesn't just join to belong but to help her community and country be a better place in which to live,' the nomination continued

The award was bestowed without regard to age of the recipient The community service could be for several

SWEETHEART DANCE PLANNERS-Mrs. Norman Faustyn shows fellow dance organizers Mrs. Robert Brueck, left, and Mrs. Francis Korte a red heart symbolic of the decorations for the annual Our Lady of Victory dinnerdance to be held February 15 at Thunderbird Inn.

In Our Town

Dates Set for Valentine Parties

By JEAN DAY

THREE VALENTINE— month dinners and dances are planned by local groups to "honor sweethearts" and brighten a cold, winter season. All are open to the community.

WITH THE RIGHT HAIR STYLE CALL US FOR AN APPOINTMENT... Open Thursday Night 'tıl 9 **BEAUTY SALON**

349-0838

Northville

The annual Mothers' Club dinnerdance date is Saturday, February 5, at Meadowbrook Country Club. Women's Club's "Sweetheart Night" dinner will be February 10 at Dearborn Inn. Our Lady of Victory "Sweetheart Din-, 1468. ner-Dance" will be February 15 at Thunderbird Inn.

PHIL COLE'S orchestra again has been engaged for the Mothers' Club dance, which begins with cocktails at 6:30 p.m. Buffet dinner will be -served from 7:30 to 9 p.m., according to co-chairmen, Mrs. Martin Rinehart and Mrs. George Murany. Dancing is planned from 9:30 p.m. until 1 a.m.

League Lists **Study Topic**

The United States Congress will be the subject of the League of Women Voters' general meeting at 8 pm. Thursday, January 27, at the Plymouth First Presbyterian

Congressional structures, procedural practices and their effect on responsive legislative processes will be evaluated by the league.

How congressional leaders are selected, how decisions are reached, and the use of congressional time will be questioned After discussion, a consensus of opinion of these matters will be reached by the

At the meeting members also will be asked for suggestions on items they wish the league to study on a national basis for 1972-74. Anyone wishing in-

formation on the group may contact Mrs Charles Ayers,

Tickets now are on sale for the dance, which again is to be a benefit for the Cavern Teen Club, and are available from any member or from Mrs. Kalin Johnson, ticket chairman, 349-3685, or Mrs. Rinehart, 349-

The community is invited to attend, and groups may reserve tables for 8, 10, 12, 14 or 16, Mrs. Rinehart notes. Anyone wishing to reserve a table should call her. She adds that the ticket price of \$20 a couple is the same as last year.

Club decorations will follow a Valentine theme with the dance being the opening event at Meadowbrook for 1972 as it has been closed since New Year's.

OLV'S TRADITIONAL "Sweetheart Dance" also will have the Valentine-red theme. Mrs. Francis Korte and Mrs. Norman Faustyn are co-chairmen of the pre-Lenten event, which is the Tuesday before Ash Wednesday. Mrs. Robert Brueck is assisting.

Buffet from 7:30 to 8:30 p.m. will be followed by dancing until mid-

Tickets at \$12 a couple are available from all Our Lady's League guild chairmen or from Mrs. Korte, 349-2032, or Mrs. Faustyn, 349-9962. Deadline date for reservations is February 8.

SWEETHEART Night at Dearborn Inn sponsored by Christian Women's Club begins at 7:30 p.m. Thursday, February 10, with a

three-part program to follow.

Music will be by the "Smiley Family Trio" composed of Laurie, who is a ventriloquist as well as

organist; Bill, who plays trumpet

NORTHVILLE

and does amateur magic; and Sharon, soloist and flute, violin and piano player.

A special feature will be a travel program by Kurt Thrun of Travel Center. Speaker is to be Jim Smith, who is moving to Detroit to be director of the Detroit-area branch of the Voice of Christian Youth, a national organization.

Tickets are \$15 a couple and may be reserved by calling Mrs. J. B. DeRusha, 349-5178. Deadline is February 8.

s ferming to a for all all all all a

NORTHVILLE WOMAN'S Club also is entertaining husbands in February. The annual "Gentlemen's Evening" is to be at 7 p.m. Friday, February 4, in the social hall of Northville First Presbyterian Church.

Following the buffet dinner members and guests will be entertained by the well-known Detroit witch, Gundella, who claims to be descended from the Green Witches of Scotland and is an active member of the Michigan Coven.

She is to be introduced by Mrs. George Merwin, program chairman.

Members who have not made reservations are asked to call Mrs. rank Kastner, 349-4757, and indicate which dish they will be bringing.

This week the Leonard Kleins and their neighbors, the Armin Grossmanns, have been in Washington, D.C. Mrs. Klein and Mrs. Grossmann had made plans to see the Russian art show as well as a performance of "Sugar" at the new Washington Kennedy Center for Performing Arts.

A fall wedding is planned.

Dr. Robert G. Wetterstroem of 46376 West Seven Mile Road announces the engagement of his daughter, Anita Lynn, to Eric B. Schoomaker, son of Colonel and Mrs. F. B. Schoomaker of Stuttgart, Germany.

Both Miss Wetterstroem and her fiance are graduates of the University of Michigan. Ann Arbor campus, where he currently is enrolled in

ployed at the Institute of Industrial Labor and Relations and is attending classes at the U of M law

A June wedding is planned.

BIRTH

Mr. and Mrs.Charles Robert Huff, 16200 Homer, announce the birth of a son, David Robert, January 6 at Garden City Hospital. He weighed nine pounds, five

He joins two sisters, Charla 9 and Loree 8 at home. Grandparents are Mr. and Mrs. Ronald Lyke of Northville and Mr. and Mrs. H.H. Huff of Blacksburg, Virginia.

Women to Hear Police Inspector

Detroit-born Dorothy Gay, who rose through the ranks to become inspector in command of the Women's Division of the Detroit Police Department, will speak on "The Role of the Detroit Policewoman" at the meeting of Northville Woman's Club at 1:30 p.m. Friday at Northville Presbyterian Church.

Last year Mrs. Gay was honored by being named to the list of the 10 Outstanding Women in Michigan.

She was promoted to her present post December 24, 1970 She joined the Women's Division of the Detroit Police Department in August 1947. In April 1955 she became a sergeant and in 1966; lieutenant.

After being graduated from Northeastern High School in Detroit, the speaker attended Wayne State University, receiving an A.B. degree with a major in political science.

She is married, and her husband teaches in the department at Wayne State University.

Program chairman for the day is Mrs. Donald Funk. It is a club guest day with a tea to follow the program.

MRS. DOROTHY GAY

Jaycettes Laud Mrs. Carlson

Continued from Page 2-A

sponsoring organizations included Mrs. Leonard Klein, Base Line Chapter, Questers; Mrs. Larry Gucken, Amerman Elementary PTA; Mrs. Iva Louis "Lou" Wolf, Main Street Elementary PTA; Mrs. George Merwin, Sarah Ann Cochrane Chapter, DAR; Mrs. Gordon Forrer, Mrs. Keith Wright, both by Northville Mothers' Club; and Mrs. Donald Ware, Northville Town Hall

Presidents and other interested members of the sponsoring organizations were invited to attend the award presentation.

Mrs. Carlson, who is 75 is the widow of Arthur Carlson, who died in December, 1962. She lives at 201 Fairbrook.

She previously was honored at a 1969 Salute-to-Women Michigan Week reception shortly after she retired as Northville Councilwoman. At that time her daughter, Mrs. George Noomie, came from Florida to join three other daughters, Mrs. John Gibson, Mrs. Edward Landau and Mrs. William Nuottila of this area, and her son, Art, at the presentation

The 1972 Community Ser-

vice Award of the Jaycee Auxiliary points out that "Mrs. Carlson has not neglected her family to do community service (one of the award requirements) but has been an 'inspiration' to them, sometimes having some of them live in her home.'

In addition to her five children, Mrs. Carlson has 12 grandchildren and 7 greatgrandchildren.

Her service with the American Legion Auxiliary dates back to the 1930's. She has been a member of the Benton Parkway World War I Veteran's Auxiliary since 1956; the Red Cross, since and the Northville Business and Professional Women's Club since 1948.

She has served as trustee of Northville Presbyterian Church since 1971. She reorganized the American Red Cross local group in 1953 and served as Republican precinct delegate in the 1950's. She was councilwoman from 1960 to 1968.

She recalls that her father's death when she was in 10th grade terminated her high school education, but she later took business courses.

Senior Citizens Elect

Mrs. Richard Sharon was elected president of the Northville Senior Citizens at the club's annual meeting January 11, taking over leadership of the 182 member organization as it prepares to make its headquarters in the former Kerr home just east of the scout-recreation building.

She succeeds George Lockhart, who has completed two years in office Other newly elected officers are Mrs. Oscar Hammon, first vice-president; Clarence Harsch, second vice-president; Mrs. William Wendover, interim secretary; Harold Hatchett, treasurer.

On the board of directors are Mrs. Arthur Litsenberger, Robert Morris, Cass Bolton, Cyril Frid, Olaf Reng and Lockhart.

Committee chairmen include Mrs. Hammond, and Mrs. Helen Hodge, program; Mrs. Windover, trips; Jack Blackburn, Edward Bogart, Lockhart and Frid, tran-Mamie sportation; Mrs Jensen and Mrs. Clarence Harsch, social; Mrs. H.A. Boyden, publicity and social, Mr. and Mrs Edward Bogart, cashiers. In addition, 10 members will serve on a telephone committee

Since its organization in 1963 with 40 members, the group has more than quadrupled its membership. It meets twice monthly for a

business-social session at 7:30 pm. on the second Tuesday and a dinner meeting at 6 p.m. on the first Tuesday. The latter is held in the social hall Northville Presbyterian Church to accommodate the large group. The business sessions have been at the scout-recreation building.

Membership dues are \$1 a year with any resident of the City of Northville or Northville Township who is over 62 years old eligible.

Usually one trip a month is scheduled with the club using a Northville school bus

The club is sponsored and funded by the city and township recreation commission under the direction of Robert Prom and Mrs. Mary Ann Anderson

The club reports that it presently is going forward with plans to develop for greatest use the former Kerr house located between the scout-recreation building and chased by the city and offered to the club for use as a social

Mrs Sharon says the club will be meeting within the next few days to determine what days the center will be open and to schedule activities.

Manager Frank Ollendorff presently is seeking someone (either man or woman) who lives near the building to hire to open the center at certain hours and to do two or three hours of light housekeeping in the building week Interested each residents may call him at 349-1300

Mrs. Sharon reports the club is gathering furniture and plans to have "drop-in" hours for members to sew and play cards. There is a kitchen with stove and refrigerator available she adds.

Novi Plans Open House

An open house will be held at Novi High School on January 26 for parents of students.

The program will begin at 7 .m. with a brief orientation, followed by a tour of the school and visitation with teachers of the parents' children. Coffee and refreshments will follow.

which they do not now have. Person wishing to learn more about the organization, may reach Mrs. Millard at

Help Us Honor Your Valentine

Special Valentines—the kind who take time for the "little things" that make life pleasant, who do good deeds cheerfully, who care about others- again this year are to be honored by the Sliger newspapers with the help of our readers.

Everyone knows someone who makes an extra effort for others. Think about a busy mother helping a relative or friend, a teacher who gives extra help, a father who holds a home together.

You can nominate such a person for our Valentine award by sending this newspaper a few lines telling who is a "Special Valentine." We'll honor the nominees in print and pick the one that seems most worthy for the Valentine Award of a dinner out for two.

Entries should be submitted by February 1 and will be printed February 9-10.

Last year, in the first Valentine nominations, two men and a woman were top sentimental choices from South Lyon, Northville and Brighton. This year three top awards will be made in Brighton, South Lyon, and in the Northville-Novi-Wixom areas.

A widowed tather was named in Novi in 1971 while a postman-father in Pinckney was Brighton's top choice, but both were nominated by women. A good friend wrote the letter for the winner in South Lyon.

Think of Your Valentine and scribble us a few lines before February 1.

TREACHEROUS RESCUE High winds hindered police Tuesday in their efforts to rescue a man injured atop the Fendt Transit Mix Company in Novi. The injured man, Fred Oeschger, 43, of 50137 Helfer in Wixom, was working atop the tower when a conveyor belt started, trapping him between the belt machine and a vent shaft. Because of the nature of the injury Oeschger could not be moved down the ladder. Finally, a special snorkel truck was summoned from the Plymouth Township Fire Department. Nearly an hour after the accident took place, the injured man was brought down from the top of the tower and taken by ambulance to University of Michigan Hospital. According to Doctor Lyle Fettig, who rode the snorkel to the top of the tower, the injured man suffered a fractured vertebrae. "I don't know what we could have done to get him down if the snorkel hadn't come through," said Novi Police Chief Lee BeGole. "We had a helicopter standing by in case the truck couldn't do the job, but the high winds would have made it a tricky operation.'

Jaycees Plan **Snow Carnival**

Novi's first annual Winter Carnival is being planned by the Novi Jaycees for Saturday and Sunday, February 12-13, it was announced last week by Jaycee President Hugh Crawford.

The carnival will be held in the Novi City Park on East Lake Drive and on Walled Lake, directly opposite the park All profits from the carnival will be donated to Novi's Parks and Recreation Department, Crawford

reported.
Plans are underway for snowmobile races on the lake, an ice fishing contest, and

well as open skating. The Jaycees are also planning to build a giant snow slide for the children and to hold a snowman-building contest. The snowmobile races.

various skating contests, as

Crawford said, will be strictly limited to amateurs Local snowmobile clubs are being contacted to participate and trophies will be awarded to the winners "Ultimately, we hope our

winter carnival will become as much a part of Novi's Winter Calendar as Gala Days have become in the summer," Crawford said

Ice Called Safe

Ice on Walled Lake is sufficiently thick to allow the lake to be used for winter sports, it was announced Monday by Novi's Parks and Recreation Committee Chairman Peter Alcala

"I never give my okay until the ice is at least three inches deep," Alcala said, "and it's that deep now so the lake ought to be safe for all winter

sports Alcala also urged people to show consideration for each other "We've got snowmobiles now in addition to the ice fishermen and the skaters," he said. "In order to insure safety, it's important that everyone show consideration for people engaged in different activities.

the seven participating school districts are invited to view the facility at 1000 Beck Road

Teachers and students will be on hand to answer questions, demonstrate much of the equipment and guide tours Refreshments will be

The center, financed through county, state and federal funds and operated by the Walled Lake Consolidated School district, opened its door in September to 750 high school juniors and seniors from seven districts including Clarenceville, Farmington, Huron Valley, Novi, South Lyon, Walled Lake and West

Bloomfield The \$2 million facility, which was under construction for nearly two years, has almost 56,500 square feet of floor space laid out in four wings joined by a centrum which houses the administrative office and student commons

One of four such centers located in Oakland County, it provides students with a variety of programs so they may be able to graduate from high school with a saleable skill A special needs program provides 80 physically, mentally or emotionally handicapped students from all the schools with the same ability to enter the working

world Students from all levels of academic achievement attend classes for two-one half hours daily, returning to their home high schools for all other classes, sports and extracurricular activities.

THE NORTHVILLE RECORD—NOVI NEWS

Thursday, January 20, 1972

Council Ponders Millage for Roads

briefly Monday with the intricate legal and technical problems involved in securing additional millage so the city can proceed with its paving

They gave up the struggle temporarily, however, due to the lateness of the hour and the still-heavy agenda, and set a special study session for 8 a m Saturday to discuss the

They will confront three key problems that must be resolved before any millage question can come before the people:

-Foremost, the amount of the millage increase must be determined, as well as the time period over which the millage will be spread

---Wording of a charter amendment must be settled to make it possible for the city to levy more than the current charter maxiumum of 6.5

An election date must be

Several millage increase proposals were made Mon-Mayor Joseph Crupi, a

strong millage advocate, suggested the council ask for one mill for road imperiod of time."It would then be left to the discretion of the voters to elect councilmen opposed to the millage when

they want it stopped," he said "I have enough faith in whoever sits in these council seats to believe they will act judiciously with the money, he continued. "We don't squander I have no qualms about putting one mill in the hands of the council without a

specific road plan." Crupi's proposal drew support from Councilman Donald Young. "By making it indefinite," he said, "it will guarantee that all roads will road improvements for less populated areas doesn't stop when the millage runs out once the more densely populated areas have had

their roads paved." Other councilmen expressed fears that one mill was not sufficient to finance a good road program, while Councilman Edwin Presnell objected to ear-marking millage for programs

The council must also decide on the wording of the charter amendment, approve it, and then send it to the governor for approval He in turn, sends it to the Attorney General's office for approval. Only then can it be put on the

Complicating the matter, and producing the sense of urgency which prompted the council to set up the Saturday session, is a law which requires that the amendment be approved 49 days prior to

the election.

Facing the council also is the question of when an election can be held. According to state law, elections cannot be held within 120 days of each other Presently, the state primary is slated for the second Tuesday in August and Novi could conceivably place a question on this ballot. City officials, however, would like to bring the questions of charter amendment and millage increase before the voters long before August and that's where the 120 days rule gets in the way.

Democrats in Lansing are pushing for an April primary in which delegates to the national presidential convention would be elected. No date has been set as yet, and there is some question as to whether an April primary will be held at all.

If it is held, Novi can put their issues on that ballot and if it isn't the city can then

request permission to hold it's own election First, however, the state must resolve the

Several councilmen still two years ago.

increase will be rejected by the voters, using the city's 4-1 defeat of a 3 mill increase just

the Civic and Community Affairs Committee in Village

Ossie Jackson, chairman of committee would actively work toward the passage of additional millage.

Bar Licenses Reviewed

Liquor Control Commission has paved the way for the possible attainment of two additional liquor licenses for the City of Novi.

The letter basically an informative one, reminded the city council that all liquor licenses expire April 30, 1972 Before the Commission will renew the licenses, each establishment should be reviewed and approved by the local legislative body letter also stated that any objections the council may have to the renewal of any license should be made known

to the Commission City Manager George Athas indicated there is a strong possibility he will recommend to the council that the Liquor Control Commission be informed there are possibly two bars in Novi that should not have their licenses renewed.

Liquor licenses are one of the more important municipal assests. Although the city recognizes little profit in the actual sale of the licenses, they are an important tool in attracting new business to the community and improving

Licenses are awarded on the basis of population - one license for each 1,500 people. The population figures on which licenses are granted

A letter from Michigan's are those of the decennial developer who wanted to he had been in contact with a quor Control Commission federal census. Presently, consruct a bowling alley-Novi has six licenses, as based on the 1970 census of 9,300 residents

All but one of the six licenses has been awarded, and as Novi will not receive any more liquor licenses until the 1980 census has been compiled, the council is, quite logically, concerned about awarding their last remaining license propitiously

Last year, the council rejected the request of a

consruct a bowling alley-restaurant complex in the city because the request was contingent upon his first receiving the lone liquor

At the time councilmen spoke in terms of attracting a 'Stouffer's-type" restaurant to Novi, possibly in con-junction with the Shopping Centers, Incorporated development sheduled for

ground breaking this year. Athas indicated at that time

Decision Seen On Annexation

An official decision by the State Boundaries Commission on Novi's petition to annex seven of the eight parcels of property that presently comprise Novi Township will be made Wednesday, January

In a communication issued this week, Boundary Commission Executive Secretary James S Hyde announced the decision will be made public at 1.30 pm at the Farmington Holiday Inn on

Immediately after the decision on annexation of the seven parcels has been announced, the Boundaries Commission will take action on a second annexation petition filed by the City of Novi-for the lone remaining parcel of township property, Brookland Farms

The two decisions on the Novi annexations are a part of an entire day of business the Commission has to enact in regard to Oakland County

division.

superiors.

several national hotel chains about locating in Novi. He reported the firms showed only minimal interest at the time, feeling that Novi did not have sufficient population to

warrant major construction. Nevertheless, there is a strong likelihood - with Novi projected, as a major growth area in the next decade and the city's boundaries containing several major expressways and expressway interchanges - that several larger developers will be more than interested in locating in Novi before 1980, and the council wants to be sure to have a liquor license available should such interest

develop. The possibility of attaining two additional licenses is an attractive one to the council.

Although Athas did not

specifically indicate which bars he had in mind, he did say they were located in the north end of the city in the Walled Lake area and that they had been the scene of police problems on several occasions.

Recent police action leads to speculation that the two bars are Duke's Bar at 801 South Lake Road and the Derby Tavern on Novi Road at 13 Mile

Continued on Page 11-A

indefinite," he said, "it will guarantee that all roads will be improved in time and that Another Dog Joins Police

Novi Patrolman Gerald Burnham And Bullet

Bullitt, the San Francisco cop, as played by Steve McQueen in the movie of the same name, was a tough, almost ruthless officer, who thrived on violence and exhibited a distinct tendency to disregard the orders of his

The newest member on the Novi Police force is 'also named Bullet, but other than that he has little in common with cinematic namesake. Not only is the new Novi cop an extremely gentle individual, he also carries out his orders to the letter

Novi's Bullet is a 16 month old German shepherd owned by Patrolman Gerald Burnham. First day on the beat for the rookie cop was last Thursday, as he proudly sat next to Burnham on the front seat of the squad car as they patrolled the streets of the

Obviously proud of his dog Burnham nevertheless has a major concern. "I don't want people to think I've got a vicious man-eater here," he said, "because Bullet is really a very gentle dog unless he's ordered to be otherise. Anybody could walk right up to him and pet him as long as I'm with him "

Burnham and Bullet have just completed five months of special training at Chuck Arte's Police Canine School in Plymouth, Michigan,. Arte, widely recognized as one of the finest trainers of police dogs in the world, has quite literally trained dogs for numerous foreign countries. There was a dog there from England when Bullet and I were going through the course," Burnham reported, and he had just finished training 25 dogs for the Marine Corps for use in detecting narcotics."

Bullet was trained com-

pletely at Burnham's ex-

"His primary function is to be a tracking dog," explained Burnham, who joined the Novi force in 1968. "He's not a narcotics dog or a bomb dog, he's been trained specifically for tracking and can track fugitives, anything." lost children,

Under Arte's training process, Burnham is the only one who can "work" the dog Bullet has been taught to ''attack and automatically under two specific conditions.

First, if anyone pulls a knife or gun or makes an attempt to attack Burnham, Bullet will the aggressor. attack Secondly, he has been trained to protect the squad car when Burnham is not in it

But other than those two instances, Bullet is a gentle dog. "In fact," Burnham points out, "Chuck Arte won't graduate a dog from his school unless he feels the dog has the proper disposition

Bullet is the third dog to serve on the Novi Police force. The first two, Rusty and Banner, were owned by Dale Gross, now a Sergeant in the Traffic division

The dogs have served Novi well. Between them Rusty and Banner were involved in more than 50 arrests and were responsible for tracking and. finding two lost children.

Only last month Banner was called into Northville, where he assisted in the apprehension of a man allegedly responsible for an armed robbery attempt

Banner is still available for use, but only as a back-up dog, explains Gross. "If for some reason Gerry and Bullet are not available," Gross said, "then Banner will be called

In Salem

Fire Hits Two Homes

Two separate fires on Seven Mile Road within less than a week claimed the home of Salem Township families.

The Stanley Simler, Jr. home at 9653 West Seven Mile Road (known as the former W.D. Lemon residence) was declared a total loss Monday after Salem Township firemen spent more than seven hours trying to extinguish the blaze whipped by high winds. "We poured 3500 gallons of water on it before we finally lost it", Salem Fireman Ferman Rohraff said Tuesday.

The shell of the home shared by the Ted Swenris and Ray Pepper families at 6485 Seven Mile Road (once the George Henning home) still stands following a blaze that started from defective

wiring in the kitchen ceiling around 11 am. January 12.

Salem firemen were assisted at both fires by South Lyon firemen and the tanker and men from Northville, Northfield township firemen also lent a hand at the Swenris-Pepper fire.

Rohraff said fighting of the Simler fire was complicated by the fact that wood paneling

had been used in remodeling the house. "The fire was in the studding and we couldn't get at it because of the paneling on ceiling and walls," Rohraff commented. 'Besides that the wind blew the smoke throughout the house. The house was 'breathing' when we arrived" 'the fireman added.

Rohraff said some furniture was saved at both homes. The Swenris-Pepper house will need "a lot of repair"

"There was a lot of smoke and water damage and there's a hole through the roof in the kitchen section," Rohraff explained. He added that here too the fire was in the studding but that firemen were able to break holes in the plaster to get at the blaze.

Salem Firemen were called to the Simler home around II a.m. Monday and did not return to the fire hall until 6.30 or 7 p.m. The blaze at the Swenris-Pepper house was quelled in just over three hours on the previous Wed-

Simler Home Destroyed by Fire on Monday

Zero Temperatures Fail to Stop Races

First it was snow, then it was cold, bitter and biting, but through it all Leon A Slavin's Jackson's action at Northville Downs operated as if it were normal, as perhpas it may be for winter racing.

As a matter of fact. the horsepower on the track operated more efficiently than much of the horsepower in the parking lot during the cold Friday and Saturday, prompting Slavin to announce that starting equipment will be available to assist motorists with starting problems during remainder of the meet which runs through January 29. The ame will be available during the January 31-March 15 Northville Downs meet,

Proof positive that the contestants on the track took the cold in stride was in the times registered during the super-cold nights.

Mighty Nig, driven by June Weller scored its second straight Saturday night feature, and paced the mile in 2:09 in the process. Several other races went in the 2:10-2:12 bracket. Saturday night C.B.'s Frank sped to a 2:09 3-5 trotting victory, and Dark Valley's second straight feature trot win was in 2:10 2-

It was an interesting week among the drivers. Gerry Banfield, a Northville regular, enjoyed one of his most successful nights when he not only scored a rare driving triple, but accomplished the feat in successive races, and in his only

drives of the night. Merritt Dokey, absent for the first week of the meet made his presence felt immediately on return to action, and by week's end had taken over the lead in the percentage standing with a .393 ge. Duane Diiworth, .378 and Don McIlmurray 374 were second and third. McIlmurray led in wins, with seven while Dilworth was also second in that category, with six winning starts.

Northville's Briar Lea Farm continued its winning ways, adding three wins during the week's action. Among area owners, those from South Lyon and Northville were particularly

successful during the week. Winning Northville owners, in addition to Briar Lea Farm. included Gordon Norris, with Terri B., Ralph Jenkins, Lovely Lady Lois, and Vernon Hunton, with Nancy Torpedo South Lyon's winning owners included Gale McVey, Trefoil Heather, Rangeway acres, Rose, with Hobo's Jessie, and Ethel Webster, whose Jean T Adios made it two straight.

Other area winners included Upland Hal, co-owned by Mary McIlmurray, Walled Lake, and Lincon's Design, owned and driven by Larry Norris, Novi.

Ray Warren agreed with fellow members that the city should share a more equal portion of the operating costs, he cautioned against too much governmental involvement because it result in curtailment of free use by Novi

Obituaries

'Oldest' Resident Dies

SOPHIE HUEGEL

Sophie Huegel, one of the oldest if not the oldest resident in Michigan, died Friday, January 14, at the age

Mrs Huegel died at the Martin Luther Memorial Home in South Lyon where she had lived for the past five Born in Alsace-Lorraine,

France, on July 31, 1864 'Grandma'' as she was affectionately called by residents of the Luther Home, was the daughter of Christian and Sophie (Schlemmer)

She married Henry Huegel in 1888 and moved to the United States in 1914. They settled in Detroit and later bought a farm in Mt. Clemens.

She and her husband celebrated their golden anniversary in 1938, two years before he died. In 1941 she moved to Plymouth where she lived until 1960 when she moved to Lake, Michigan.

Though she spoke only German, she had little difficulty communicating with her friends and even at the age of 107 she was alert and cheerful.

Surviving are daughters, Mrs. Frank (Lena) Motto of Sun City, Arizona, Mrs. Sophie Saner of Lake, Michigan, a son, Albert of Plymouth, 11 grand-children, including Mrs. Fred Casterline, Mrs. Fred Balko and Julius Saner, all of the Northville area, 18 greatgrandchildren and two great-

great-grandchildren Funeral services were held Monday at the Casterline Funeral Home. Officiating was the Revreend Leonard J Koeninger of St. Peter Evangelical Lutheran Church in Plymouth where Mrs. Huegel was a member. Burial vas in Livonia Cemetery.

STARR D. BRAY

Services were held Friday for Starr D. Bray of 231 North Rogers Street who died Tuesday, January 11, at St. Mary hospital. He was 81 years old.

A resident of Northville since 1929, Mr. Bray was born June 18, 1890, in Union City, the son of Byron and Helen (Buehl) Bray. His wife, Florence M., died in 1960.

Mr Bray was a retired employee of the Ford Motor Company Valve Plant in Northville, a member of the First Methodist Church. Northville Lodge 186 F&AM, Union Chapter 55 RAM and Northville Commandary 39.

Surviving are three sons. Donald of Royal Oak, Robert of Houston, Texas, Dale of Delaware, a brother, Carl of Union City, and six grandchildren.

Officiating at the services held at Casterline Funeral Home was the Reverend Guenther C. Branstner. Burial was Saturday at Oak Grove Cemetery in Cold-

EDNA PEARL GILLOW

Memorial services will be held at 8 p.m. Monday, January 24, at the Casterline Funeral Home for a former resident of Northville, Mrs. Edna Pearl Gillow of St. Clair

Mrs Gillow, who lived in Northville for 22 years before moving in 1967, died January 16 at Annapolis Hospital in Wayne, at the age of 79.

Born May 18, 1892 in London, Ontario, she was the daughter of John and Elizabeth Russell. She married Chauncey Gillow who preceded her in death,

A former employee of Maybury Sanatorium and Eastlawn Convalescent Home, she was a member of Orient Chapter Order of Eastern Star and the Farmington Chapter of the White Shrine

Surviving are a son, Glenwood J of St. Clair Shores, three sisters, Mrs. Irene Boring of Northville,

Detroit, Mrs. Lillian Canning of Milford, three grandchildren and five greatgrandchildren.

Her body was cremated Tuesday at Evergreen Cemetery in Detroit. Memorial services will be conducted under the auspices the Orient Chapter of the Order of Eastern Star.

EDNA E. SCOTT

Funeral services were held yesterday (Wednesday) for Edna E. Scott of 47181 West 10 Mile Road who died Saturday, January 15, at Pontiac General Hospital at the age of

Greenbush, Minnesota, she was the daughter of Albert B. and Nettie (Johnson) Olsen. Mrs. Scott was a retired registered nurse. Survivors include her husband, Everett, R., two

Born January 20, 1907 in

brothers Firnie B. Plymouth, Raymond E. Livonia and a niece, Mrs. Beverly Johnson of Mentor, Minnesota. Officiating at the services

at the Casterline Funeral Home was the Reverend Dellis Hudson of Oakley Park Missionary Church in Walled Lake, Cremation was at Eden Cemetery, Livonia.

Evergreen Cemetery, Detroit.

CLARENCE G. WADDELL

Funeral services were held Saturday for Clarence G. Waddell who died Thursday, January 13, at Nightingale Nursing Home in Westland after an illness of two months. He was 79 years old.

Mr Waddell, who lived at 15606 Northville Forest Drive, was born February 29, 1892 in Chicago, Illinois, to David and Hannah (McGregor) Waddell. On September 26, 1925, he married the former Nell

Bushouse who survives him. A former resident of Rochester, he was a veteran of World War I, having served with the U.S Marine Corps and a retired salesman for Winkworth Supply Company of Detroit

Surviving besides his widow are a son, David M., of Northville, a sister, Mrs. Blanche Henderson of Tucson, Arizona, and three grandchildren, Carol, Nancy and

Officiating at the services held at Casterline Funeral Home was the Reverend William D. Wolfe of the Sword of the Savior Lutheran Church in Livonia. Burial was in Glen

In Northville

Police are looking for an unidentified white male who attempted to strike an officer early last Wednesday morning.

Patrolman Ronald J. Kellerman reported that at approximately 4:20 a.m. a man walked into the police station

When Kellerman asked if he could help the man, he did not get an answer. The officer said he, thought the man looked as if he was drunk or on a drug trip

Approaching the gate to see what was wrong with the man, Kellerman said he saw the suspect clench his fist and draw back in an attempt to

Legal **Notice**

-Air Athletic Needs in Novi

program were outlined to school board members last week by Novi Athletic Director John Osborne.

Noting that Novi requires one year of physical education, usually taken during the freshman; year, and provides two classes for upper grades, Osborne emphasized that additional teaching stations are neede to meet the demands of a growing school and com-

Both teaching stations at Novi, he explained, are located in the gymnasium, facilitated by the division of the gym floor

The athletic program "is crowded and growing," he said, noting the following sports participation:

Football---25 varsity, junior varsity; basketball--eight varsity, 18 junior varsity, 20 eighth grade, and 17 seventh grade; wrestling -17, baseball-17 varsity and 20 junior varsity, track---25, olf---17; and girls' basketball—13 varsity and 17 junior

Provision should be made for cross country, freshman freshman football and basketball, he said, pointing out that cross country will be recógnized league activity in the fall of 1972.

In answer to a question concerning interscholastic sports versus intramural, Osborne contended

likely would involve fewer students than an in-terscholastic program. He based his observation on the personal experience.

Concerning outdoor facilities, the athletic director noted needs concerning the football field, practice fields and the baseball field. He also expressed a need for an allweather track, tennis courts and an ice rink.

Of the football field, Osborne said it requires sod and crown between the hashmarks (estimated cost \$2,000), bleachers for the visitors' side (\$8 pr seat), box (\$600), communications to the field, additional parking (possibly off Eleven Mile Road), outdoor plumbing, and ticket

Concerning indoor facilities, Osborne stressed the need of lockers, pointing out that PE students and interscholastic athletes must share 80 lockers-far fewer than could be used.

In view of the limited quarters in the existing building, he suggested board members consider con-struction of a field house to include the following:

Multi-teaching stations, maximum basketball playing surface, 2,500 seating capacity (for basketball), traffic flow to save the floor wrestling rooms, gymnastics area, handball court, weight room and storage area.

SPEAKING

for The Record

By BILL SLIGER

The Northville school board's opposition to the .25 mill levy for Wayne County Community College is justified.

For the county to deduct a quarter-mill from school districts already supporting a community college (in this instance, Schoolcraft) would be unjust and contrary to the basic philosophy accepted generally Schoolcraft was formed.

Granted, Wayne County Community College is a desirable addition and should provide valuable educational services for the Wayne county metropolitan area.

But its support must come from the state and local districts it serves, just as in the case of Schoolcraft.

If a quarter-mill is withheld from the Northville School District's share of the 8.9 mill allocation, then the local school district will be forced to make up for the loss through a local levy--and this would be simply a matter of double taxation for community college support.

In addition to regular public school millage, taxpayers in the Northville district now pay 1.77 mills for Schoolcraft.

-A-case-to-support the Northvilleposition is the fact that Oakland county residents of the Northville school district do not pay an Oakland county community college tax because they reside in the Schoolcraft district.

I cannot believe that reason will not prevail in this matter. But if it doesn't I still could not support action as drastic as that proposed by Board member Richard Martin.

Fellow Trustee William Secord deserves commendation for restoring reason to the question.

To take (quote) "self-defeating measures...tear up the charter and withdraw support and close the college" would be idiotic to say the

And as for Northville's role in the origination of Schoolcraft, Martin overstates our contribution. Actually, Northville joined the community college district after all groundwork had been done and was the only district given a free ride taxwise the first year of the school's chartered existence.

Even for another quarter-mill, unjustly levied, it would be a

Governor Milliken's interest in land-use controls may be one of the most important contributions that this generation can make to the

Speaking for Myself

Hoover Retire From FBI?

LEE BEGOLE

everlasting detriment of others. The land use question does not confine itself to preservation of natural resources, such as forests.

Its most basic application rests right at the grassroots levels where subdivision developments spring up without plans and without building inspections.

Northville City Manager Frank Ollendorff notes that there are countless areas in Michigan where virtually no subdivision ordinances or buildings codes exist.

It's true the state recommends such ordinances, but it's up to local constituencies to adopt and enforce

Historic buildings, lakes and forests, raw land-all need to be given studied consideration before changes are approved.

And if profit, influence or personal whim alone prevail as the dominant forces in determining change, then statewide controls must be introduced to stop the abuses.

'Proper zoning and good planning' resulting in a balanced density that is not discriminatory should be the goal of every community, no matter how small.

And the rules should be uniformly and strictly enforced.

Interesting Statistics Depart-

There are 844,300 households (as Jan., 1971) in Wayne county with an effective buying income of \$10,043, 237,00 for a per-household average of \$11,895. And a 1969 tally showed 597 farms still operating in the county.

The same report shows Oakland county with 863 farms. Average household income in Oakland is \$14,672 (tops for the state) with 267,500 households and a total buying income of \$3,924,757,000.

Nearby Washtenaw county has 1,699 farms, an average perhousehold income of \$13,357 based upon buying income of \$928,341,000 from 69,500 households.

Just next door Livingston county boasts 1,099 farms, an average income of \$9,785 with 17,200 households and total effective buying income of \$168,297,000.

Sanilac county in the thumb area has the most farms (2,787) and Keweenaw county (at the UP's very tip) the fewest (five).

YES...

I am certain that the news editor of the Brighton Argus was astounded when I told her that I was of the opinion that J. Edgar Hoover should retire. It must be that people expect law enforcement officials to automatically assume that J. Edgar Hoover should remain forever, the Director of the Federal Bureau of Investigation.

My father and mother tell me that Mr. Hoover was director of the FBI even before I was born, and even if such evidence would be unacceptable in the Courts in which I work on the grounds of hearsay, I know for a fact that he has been Director for as long as I can remember, and that is in excess of twenty years.

No one can dispute that under J. Edgar Hoover's direction, the FBI has developed into a powerful and an efficient tool in the fight against crime. Many of his ideas provide the mainstay for law enforcement in this Country. However, no man has the corner on all ideas and it is inconceivable to think that the FBI would become less effective without J. Edgar Hoover at the helm.

The fact is, that Mr. Hoover has directed the FBI for about 50 years and just as any person who has worked at a job for many years knows, your zeal and desire to make change decreases with longevity.

New leadership is necessary in the FBI not to destroy the fine things which have been done under the leadership of Mr. Hoover, but to give new direction and thinking to the functions of the Federal Bureau of Investigation by a leader who can more adequately identify with the new generation. There is no reason why J. Edgar Hoover should be put out to pasture, and he could certainly remain a consultant to a newly appointed director.

It is my opinion that law enforcement would not suffer by the retirement of J. Edgar Hoover and the FBI would remain a respected law enforcement team under the direction of a new person with the added advantage that there would be new energies brought to the FBI through

The time for a new director is now during the lifetime

of Mr. Hoover when the transition will not need to be abrupt and when the leadership of this country and the FBI will have the benefit of the thinking of a man who has served his country long and well.

THOMAS KIZER, JR. **Prosecuting Attorney Livingston County**

NO...

Should J. Edgar Hoover retire? The answer is a decided no on the part of the professional policemen of America. An answer in marked contrast to the selfserving "Yes" of certain professional politicians who press the issue for purposes of their own not entirely connected with the Garnering of votes.

Speaking as a law enforcement officer, involved for over 20 years with the mechanics of the criminal justice community, I, without reservations make the statement that there is no finer police organization functioning today than the FBI.

A real change from the pre-Hoover days when politics, pay offs and plunder were key notes of the Bureau. Hoover re-created the Bureau, the keynotes vanished and the image of the Bureau mirrored the professional organization we know today and which, while Hoover is in office, will remain politically free and thus able to effectively function as our nations top police force without fear or favor.

It seems the only reason going for those favoring Hoover's retirement is age, but, like wine, administrators improve with age and those of Hoover's caliber never remain past their usefulness, but, voluntarily in the best interests of themselves, their organization and their Country gracefully surrender to their successors the position they have filled so well, emphasizing as they hand over the reins the importance of Honor, Trust, and Devotion to duty.

Readers Speak

THE IS MENT What's Fair TO

In Road Cost?

To the Editor:

After reading all of the reaction to the proposed assessment of the paving on Taft and Meadowbrook Roads, which is figured at about \$11 or \$12 per foot, it certainly makes me wonder just what is going on in Novi and just what is fair. Is the general public aware

of the fact that the residents of Nine Mile Road are being forced to pay \$26 per foot for paving, which incidently not one resident wants. They have fought this ridiculous amount with the city council for over a year, but it seems that the council has decided that \$26 per foot is the amount to be paid. The total amount to one family on Nine Mile Road is well over \$28,000 how many people can come up with that kind of money? The paving is being pushed by the factories along Nine Mile Road also the Subdivision, however, the people in the subdivision will not be assessed for the paving but will get the full benefit of

The residents on Nine Mile are being forced into something that they don't want, and charged an outrageous amount for it. If the factories and subdivision are so anxious to have the road paved then they should

be prepared to pay the entire amount. If not then the city should come up with some other solution for paying for the paving of one of the most traveled roads in Novi.

Blasts County

Editor's Note: Following is a letter sent by Wixom Mayor Gilbert Willis to the Oakland County Board of Com? missioners, with a copy to this newspaper.

To the Honorable Board of Commissioners

Your actions in reducing the funds to the County Road Commission deserves nomore than a grade of failure.

With an ever increasing vehicle registration in the fastest growing County in the State of Michigan, (reference 1970 Federal census), the denial of Commissioner Powell's motion to add \$350,000 to the County road's fund is not only short sighted,

Top of The Deck

Road Plan-Millage Essential in Novi

By JACK W. HOFFMAN

When Russell Button argues for a total road improvement program in Novi, as opposed to a piecemeal plan, it isn't a new argument. He was making the same statements a dozen years ago as a member of the first Novi council. They made sense then and they make sense today.

Similarly, when Mayor Joseph Crupi and some other officials contend that road improvement without voted millage is futile they,

And when the Novi Road Improvement Committee concludes

that the first paving projects should include Meadowbrook and Taft roads, probably most citizens of Novi would concur.

What doesn't make sense to me is to consider a total improvement plan without considering millage; to consider millage without a comprehensive improvement program for all roads; and to consider improvement of other roads as well.

Unfortunately, neither Button nor Crupi was able to win council or public support for their proposals. And now, it seems to me, the improvement committee is inviting failure by suggesting a limited

program be started immediately to get road improvement off dead

That the road committee is anxious to start paving immediately is understandable. "At least it's a start on two heavily traveled roads which are probably the worst in Novi," they can argue. And if any community needs a start on its roads it is Novi.

But "a start", unfortunately, could very well jeopardize "the finish". Would property owners on these roads vote to help finance other road improvements in the community once their own two roads

are improved? I seriously doubt it:-If indeed Meadowbrook area

residents--in a section of the city where the bulk of Novi's population resides--would support a road millage, as indicated by a show of hands at last week's hearing, then the best solution, it seems to me, would be to immediately prepare a comprehensive plan for the entire city, tie it to a millage-assessment proposal, and put it to a vote.

Such a comprehensive plan could include a list of priority projects, such as Meadowbrook and

Continued on Page 11-A

March of Dimes Set

Volunteers to collect in the annual Mothers' March against birth defects in Northville still are needed for some neighborhoods, Mrs. Al Potts and Mrs. Omar Harrison, Mothers' March co-chairmen, said this week as they apealed for workers.

Mothers are to collect between January 27 and 31 throughout the community.

Volunteers already signed up through churches and other organizations are receiving campaign kits.

who could give as little as half an hour to march to call 349-0812 or 349-0294. The funds gathered in the

march, she points out, "may produce a vaccine against rubella to protect future

mothers from potential birthdeformed children.'

Postmaster John Steimel again this year is March of Mr. Potts asked any women Dimes chairman for the Northville area. He praised the "marvelous job of organization" Mrs. Potts and Mrs. Harrison had done in arranging the Mothers'

Continued from Page 10-A

Taft roads, so that all voters-are aware in advance when they might expect to see some road improvements in their areas.

The urgency expressed by the road committee is not taken lightly by this writer. Road improvements are long past due. It's time the city council stops dilly-dallying over piecemeal road improvements and, if need be, put their elected jobs on the line by developing and actively supporting a comprehensive plan tied directly to a millageassessment proposal.

The school board's decision not to accept any assessment for improvement of Taft Road is unfortunate.

Its arguments against the assessments sound pretty illogical:
"The city council hasn't given us

a split tax collection as we've asked so why should we help it?" "Novi school district doesn't encompassall of the city so why should we help pay for something that will benefit non-Novi school taxpayers?" And, "We don't have any money in our budget for an assessment.'

The first argument sounds like one of my children telling another, "If I can't play with your toy, you can't play with mine." Educators or payers of educators, it seems to me, should know better than children that two wrongs don't make a right.

Concerning the second, Novi citizens living in the Walled Lake or Northville school districts could make a similar argument: "Why should we pay a road millage that will help pave Taft when our kids don't attend Taft Road schools?"

As for the third, it is interesting to note that while the city has no unused millage the Novi School District does.

Finally, who stands to benefit more from the improvement of roads than does the Novi School District? Ask the school bus drivers and the parents who transport children to Novi schools.

Speakers' Bureau

Offer Drug Aid

to discuss drugs and drug problems are available in the Novi, Northville, South Lyon, and Brighton areas, it was announced last week by Mrs. Beverly Birou, publicity chairman of Novi's Drug

Abuse Committee. The Speaker's Bureau is one phase of the Committee's program to combat drug abuse in the area. Comprised of housewifes, who have received special training from Corporal Robert Starnes of the Novi Police Department, the Bureau has already made some 50 speeches to

area groups.

"Basically, our speakers explain the characteristics of various drugs, how they are used, what their effects will be, and how to combat the effects in case of an overdose," explained Mrs. Birou.

The speakers utilize a ''drug show case'' in their talks The show case, compiled by the Novi Police Department, contains various drugs and drug paraphernalia confiscated in Novi by the Novi police.

The speakers are available

to give talks either during the day or at night. Anyone wishing to schedule a speaker for church groups, boy scout

urged to contact Mrs Mary Lou Christy, head of the Speaker's Bureau, at 349-6514 or Mrs Birou at 349-5721.

License Review

Continued from Novi 1

The Derby Tavern was cited last week by the Liquor Control Commission serving liquor to a juvenile. Duke's Bar was placed under a 30-day suspension last year by the Commission for serving liquor to an intoxicated person Duke's Bar is still operating, however, as a court order was secured delaying the suspension pending the outcome of a hearing on the matter.

In hinting he would recommend raising objections with the Commission to the renewal of two licenses. Athas said, "One thing we do not have a great abundance of is liquor licenses But we do

Wildcats Lose in Closing Seconds; Third Heartbreaker in SE League

No one likes to lose but Novi can find some consolation in the fact that three of its four conference defeats have been by three of fewer points

Latest of the heartbreakers came at Dundee Friday night when the Vikings came from behind to snatch an 84-81

victory from the Wildcats, who now are tied with South Lyon for fourth place in the Southeastern Conference

Earlier Novi lost to South Lyon by two points, 53-51, and to Chelsea by two, 65-63.

The Lions pulled off an upset triumph over Chelsea

Wildcat of the Week, following

fourth place in the 140 pound Unlike Auten, Ford's final division Local Icemen

and then did away with match was a close affair, but

Monroe Catholic Central's the Wildcat grappler still

Win in Inkster The Squirts and Midgets continued their undefeated ways, but it was the PeeWees, who posted the "Rout of the Week" as they demolished a weak Dearborn Heights squad 19-1 Only the Bantams did poorly, dropping two games, as Northville's entries in the Inkster Suburban Hockey

League continued to flourish Toughest of the Northville entries are the youngest (Squirts aged 9-10) and the oldest (Midgets aged 15-16). The Midgets team, coached by Bill O'Brien, continued to

lead their division as they dumped Dearborn Heights 7-1 in their only league contest last week Rick Buttery led the Nor-

thville icemen with a threegoal hat trick against Dearborn Garnet Peeling added two goals in the contest, while single goals were netted by Greg Phillips and John Juszczyk

The Midgets had to settle for a 2-2 tie in an exhibition contest against Jackson Friday night Mark Ritchie staked his teammates to a two goal lead by scoring in the second and third periods, but Jackson came back on two goals by Mike Laskey, the tying goal coming with just five seconds left on the clock. Northville's other un-defeated team in the Inkster League, the Squirts, had their

high-powered scoring machine slowed considerably, but still picked up two easy victories, defeating Dearborn Heights 5-1 and Garden City 6-

The Squirts, sponsored by the FOE Eagles, were paced in the Dearborn Heights game by Ken Stelmach and Roger Pattison, both of whom had a pair of

goals and an assist. Tod Mack scored the other goal.

Roger Pattison also scored two goals against Garden City in the Squirts 6-0 victory Rich Pattison and John Pawlowski also netted two goals apiece It was the 'Thomson Sand

and Gravel-sponsored PeeWees who notched the most one-sided victory of the week in Inkster League play. The PeeWees turned the red goal light on no fewer than 19 times in destroying Dearborn Heights 19-1. Rudy Horst, Kurt Stevens, and Bob Michael each tallied four goals and Kevin Stelmach also got credit for a hat trick, as he pumped in three goals. Eric Purcell, Dave Beall, Paul Knapp, and Bill Houck

The John Mach Ford Bantams had a rough week, however, dropping two games The pair of defeats brought their record to 3-4-1 for the season.

Inkster shut out the Northville Bantams 4-0 in a rugged game that featured 10 two minute penalties and four

five minute penalties Northville was involved in another penalty-filled game when they skated against Plymouth, but in spite of the fact that the Rocks had seven penalties and Northville had just two, Plymouth took a 2-1 victory.

Bantam coach Bill Winemaster called the game his club's "best of the season" against a more experienced Plymouth team, and cited the excellent goal tending of Steve Firman Chip Carlson netted the lone Northville goal.

In a game between two Northville teams of Squirtaged boys, the Northville Wings beat Jamaican Pools 1-0 on a goal by Frank DeFina, assisted by Jeff Laverty Marty St. Lawrence, the Wings goalie, recorded the shut out.

record-shattering performance from

record-shattering performance from 6'8' junior center Dave Ziegler, who scored 47 points to pace the Hornets to a 92-58 conquest of Dexter

the court landed among a host of cagers and for a brief moment it appeared Novi had possession with another time-But in the excitement of

play, the Wildcats had called too many time-outs so with just one second remaining, the Vikings' Dick Boldt converted a technical free throw to give Dundee its three-point victory

John Pantalone paced the Wildcats in their losing effort, scoring 24 points But it was Dundee's Schultz who took scoring laurels with 25 points.

Three other Novi players hit double figures—Pat Boyer with 17, VanWagner with 14, and Steve Lukkari with 13

scored the other goals
The victory kept the PeeWees in second place.

The victory kept the PeeWees in second place. JV Squad Is Bombed

> With the cream of his squad skimmed away for use at the varsity level, Novi Jayvee Coach Bob Weinburger's cagers lost a one-sided 80-37 game to Dundee Friday

'We were playing with a lot of inexperienced players plus the fact that Dundee plays good basketball," explained the coach. "It was 16 to 1 even before we got started Because they're inexperienced the kids just will have to learn the hard way.'

Although his players who were moved up to the varsity level didn't play much Friday, he's convinced they'll make the other varsity players hustle more "I don't mind losing them if it means better basketball," he said.

The Dundee Jayvees had a 22-5 lead going into the second quarter and were never in trouble It was 41-19 at the intermission and 62-31 going into the final stanza High pointer scorer for Novi

was Ron Buck, who picked up 15 points

UP IN THE AIR-Novi's Pat Boyer unleashes a jump shot over a still earth-bound Dundee defender. In spite of Boyer's efforts, the Wildcars lost their fourth Southeastern Conference game

Victory Joy Foils Jr. High Tankers

In what was as wild and improbable a finish as you could ever hope to see, Northville's junior high school swimming team had to settle for a tie with Milan last

in six starts.

Beating Milan holds special significance for Northville swimmers, not only because Milan defeated them in a sixteam invitational meet several weeks ago, but also because Milan has one of the top swimming programs in

And so when the Mustangs went into the final event - the 200 yard freestyle relay-with a four point lead over the Big Red, Coach Dave Graff's junior high swimmers were as high as a giraffe on stilts.

With eight points going to the winner of the relay and four points to the losers, Northville could either win by eight or end up in a 48-48 deadlock

And then when Northville's relay team of Matt Ivey, Ed Erdos, Mike Weston, and Gordon Rooker outdistanced the Milan team by a good three lengths, pandemonium broke loose, as the Mustangs had taken a 52-44 victory over their arch-foes

But then it happened In the ensuing excitement one of the Northville swimmers jumped into the pool - an illegal action Milan's coach protested, Northville was disqualified, and the meet ended in a 48-48

"We beat them in the pool and that's the important thing," said Graff after the meet "It was an honest mistake My boys were really excited when we beat them and one of them jumped in the pool But that's the reason we have junior high

ming, so they don't niake the same mistakes they're in high when In winning the final event, Ivey, Erdos, Weston, and

Rooker set a new junior hisi school record of 2:02 6 Other records were turned in by the 200 yard medley relay team of Biff Ballash, Pete Talbot Weston, and Mark Morland(2:13.4), Ballash, with a timing of 35.0 in the 50 yard breaststroke, and Mark Price with a 33 4 clocking in the 50 yard backstroke

All new records were good for first places in the Milan meet Northville's other first place was turned in by 200 yard freestyler Scott Knapp with a time of 2:40 8
Graff praised all of his

swimmers, singling out Dean Allı, Mark McDaniel, Erdos, and Ivey for special praise "Erdos had a fine 1 07.8 in the 100 yard freestyle even though he's only been out for the team for a few weeks, Mc-Daniel did a fine job in the 200 yard freestyle, Alli had best times ever in both the individual medley and 50 yard butterfly, and Ivey swam his best time in the 100 yard freestyle to break up a 1-2 sweep Milan thought they were going to get," said Graff

Free' Basket Seals Northville Loss

There were only five players on the floor—all of them from Walled Lake Western-when the winning basket was scored. The Northville players were all on the sidelines, huddled around Coach Walt Koepke after having apparently called time

But before anyone really knew what was happening, the official handed the ball to the Walled Lake guard at mid-ceurt, who threw the ball into Jeff Parrish under the basket, who in turn, missed a lay-up, grabbed his own rebound, and then put it up and in to give the Warriors what proved to be the winning point in a 59-58 victory over the Mustangs

Parrish's basket came with just 30 seconds left on the clock and gave the Warriors the lead for the first time in a hectic fourth quarter that saw the Mustangs build up a six

point lead only to lose it and then suffer a disheartening loss on the unusual basket.

Aided by a couple of turnovers in the closing seconds, Northville had a couple of chances to re-take the lead, but Rod Crane's desperation shot with one second left fell harmlessly short.

"It's a tragedy, a real tragedy, to lose the game on a call like that," said Koepke after the game. "It's disheartening to have a group of kids who work as hard all week long as these boys do and have to lose a game on officiating like that "

Lou Burtsos, the head referee was also upset. "I'll tell you who lost the game, it was the Northville coach who lost the gan.e. He got so mad because I wouldn't give him a time out he pulled his boys off the floor-and that's how the blue team got the basket'

the last minute of the game, Northville held a one point 58lead. Scott Evans had just pulled down the rebound of an errant Walled Lake shot and passed the ball to guard Bill Andrews. Andrews tried to call time out, but Burtsos refused to give it to him and then whistled the ball over to Walled Lake on a ten-second violation

Again Northville tried to call time out and again Burtsos refused to give it to them, handing the ball to Western, who promptly scored what proved to be the winning basket.

According to Burtsos, the ten-second count had already reached eight before Andrews tried to call time out and according to the rules once the count gets that high he can't grant a time out.

As far as the time out call on the out of bounds play was concerned, much the same rule came into effect. Western had five seconds to get the ball in bounds. "If they'd have asked me for a time out on the count of one or two or three, I could have given it to them, but nobody said anything until I reached four and that's too late. I've got to commit after the count of three.'

Needless to say, Koepke's opinion of the official's counting was quite different. "There's no way the count could have been to eight when Andrews called for time out.' he said. "And even after he ten-second violation, he blew the whistle and waved both teams to the sidelines, that's why we thought time was out."

Still Koepke was willing to take the responsibility for the loss, but not on the controversial time out plays. "It's not too often that you can single out one person as being

this case, I guess I'll have to under the basket, Jeff Moon' accept the blame. They called and Bill Andrews at the two technicials on me in the corners, and Rod Crane at the first half and they made them point. Walled Lake was both When you lose by one point, those points are the reason

The game itself was somewhat of a dull affair before the hectic finish. Northville stayed in a 2-2-1 zone defense with Todd unable to penetrate and had to resort to 20 foot jump shots for

their scoring in the first half. But 20 foot jump shots do not yield a high percentage of baskets and in the late stages of the first half, the Warriors concentrated on forcing the

Mustangs out of their zone by

stalling Meanwhile, Walled Lake coach George Evans tried to force turn-overs by having his players apply a full-court The strategy failed press miserably, however, as the Mustangs executed Koepke's passing patterns perfectly and scored so easily and frequently that

abandoned the press for the

rest of the game. Northville held a 19-18 lead at the end of the quarter, and then, after falling behind midway through the second quarter, came on strong to take a 30-25 lead into the

locker room at the half. By the end of the third quarter, Western had pulled into a 41-41 tie, but Northville again put on a burst in the first half of the final quarter When they pulled ahead 55-49 with a little over three minutes left on the clock, it seemed they would hold on for their first league victory and

second win in a row.
"We weren't trying to stall when we had that six point lead," said Koepke. "I just told them to try to wait for the good shot But then we turned the ball over to them several times and you just can't do

With roughly 50 seconds left, the Mustangs still held a one point lead, but then the

Western Six Standings

Livonia Churchill retained its one Livonia Churchill retained its one-game lead atop the Western Six stan dings with a 62-51 victory over Harrison As usual, Churchill had no outstanding scorer, but utilized a well balanced attack to secure the victory Key to Churchill's success is a high-pressure defense The Chargers harried Harrison into a paltry 36 shooting percentage and held ace forward Jim Mason to just 12 points In a non league game defending champion and number-one-contender-to-defeat Churchill Waterford Mott routed Utica Eisenhower 92 57 Russ Porritt scored 17 points to pace Mott

two controversial time-out calls gave the Warriors the uncontested basket and the

Northville scorers were led by Scott Evans' 21 points. Jeff Moon with 13 and Todd Hannert with 11 also hit in double figures for the Mustangs. Evans played another agressive game

Scott McCririck paced the Warriors with 18 points-12 of them in the fourth quarter Jım Evans scored 16

under the boards hauling in 16

The Mustangs will try to notch their first league victory tomorrow (Friday) when they play host to a strong Waterford Mott outfit. Mott's

OPPORTUNIST-Northville's Jeff Moon waits for a possible loose ball as teammate Todd Hannert and two Walled Lake Western forwards battle for a rebound. Walled Lake won the contest as a result of a controversial decision by the referee in the waning seconds of the game.

Tankers Top Harrison

It was a typical Northville-Farmington -Harrison meet. As the two teams headed into the final event—the 400 yard Freestyle relay—the Mustangs held a narrow three point lead, but with a difference of four points riding on the outcome of the relay, the winner of the meet would be the winner of the relay.

But once again Coach Ben Lauber's swimmers came through. The team of Jeff Pitak, Dennis McLaughlin, Pete Bedford, and Bill Maguire stroked their way to a two second victory over Harrison's relay team to give Northville the victory, 56-49. The seven point margin was

Ithe greatest difference between the two teams all night. The victory kept Northville's undefeated record in tact. The Mustangs have won all seven of their dual meets, but the Harrison meet was by

far the closest. But then Harrison is one of the strongest schools around. "I've got nothing but respect for that team," said Lauber after the meet.

Harrison is paced by Mike Rado. Last year, while only a freshman, Rado won state championships in both the 200 yard individual medley and the 100 yard backstroke. Needless to say, Aado won both events he swam against Northville. He 'set a Farmington team and opool record in capturing the 50 yard freestyle in 23.8 and then came back to win the 100 yard backstroke in the time of 58.4

Northville and Harrison 'have met twice before in dual meets, and each time the Mustangs have won, but each time the outcome has depended on winning the final relay. Thursday's meet fit right into the typical Northville-Harrison pattern.

As usual the Mustangs got off to a good start by winning he meet's first event—the 200 yard individual medley relay. Gary Putrow, Art Greenlee, Bill Bretz, and Pete Bedford beat the Farmington team by a good three seconds, finishing in the time of 1:54.2. Harrison narrowed Northville's four point lead to

three by taking first place in the 200 yard freestyle as Joe Boland and Don Cook took second and third, but Bill Witek got that point back by winning the 200 yard individual medley in, 2:16.0 seconds. Witek's established a new Northville High School record, as he knocked more than a second off his own previous mark of

But Witek's victory only set the stage for Rado's record performance in the 50 yard freestyle, and if you're beginning to get the idea that the whole meet was something of a see-saw affair, you're absolutely right.

It was in the diving competition that Harrison finally pulled ahead of Northvillethe first time all season that the Mustangs have ever trailed in a meet. Northville's fine sophomore diver Tom Cook broke his own school record by more than eight points with a 189.60 performance, but it wasn't

enough as Harrison took both first and second to take a 26-22 That lead did not last long,

however, as Bill Witek and Bill Bretz swept first and second in the 100 yard butterfly to put Northville back on top 30-27.

Joe Boland added another point to the lead, as he set a new Northville team and Farmington pool record in winning the 100 vard freestyle in 53.4 seconds Harrison's Arnoldy also was clocked in 53.4 seconds to set a new Harrison record, as the event

was the closest of the evening. Harrison then won the 400 yard freestyle and the 100 yard backstroke to cut Northville's lead to two points, 43-41. Art Greenlee won the 100 yard breaststroke with a time of 1:09.2 to give the Mustangs a three point lead and set the stage for the 400 yard

freestyle relay victory of

Pitak, McLaughlin, Bedford, and Maguire The meet marked the halfway point for the swimming team, as they still have seven meets to go before the end of the season Of the

remaining meets. Mustangs have already defeated four of the teams this year by convincing margins. The last three opponents, however, could provide real trouble, as Lauber's swimmers must meet Milan, Farmington High School, and undergo a return meet with Farmington Harrison.

Tonight (Thursday) the Mustangs play host to Dearborn Crestwood. Northville won the first meeting between the two schools 76-29. Events are scheduled to begin

Coach Is Disappointed

Matmen Fare Poorly

wrestling coach, was not

It was not a good week for the Northville wrestling team Not only did they finish a distant seventh in the eightteam field at the Fenton Invitational last Saturday, two days earlier Walled Lake Western hung a rather one-

sided 41-17 defeat on them The Fenton Invitational was quite a meet The two teams that finished first and second in the state Class B championships were both there, as was Madison High School-a perennial wrestling power that last year had a world champion Greco-Roman wrestler in Bernie Gonzales on its squad

But McLoud was still unimpressed "I don't care how tough the competition was-and I'm not saying it wrestle well. We came home with two thirds and a fourth and we're capable of a lot better performance than

For the second straight Northville's outstanding 121 pound grappler Dave Griffin had to settle for third place. "David got beat in the semi-finals by a kid from Clarkston he beat last year," said McLoud. "The kid wasn't that much better than he is, but David made the

Mustanger

Mustang of the Week is swimmer Pete Bedford. A member of both the 200 yard medley and 400 yard freestyle relay teams, Bedford played an important role in Northville's 56-49 triumph over arch-swimming rival Farmington Harrison. "Pete came through with clutch performances when needed them most," Coach Ben Lauber.

Ed McLoud, the Northville same mıstake he did last week at Redford Union and the Clarkston kid pinned

Griffin's defeat came at the hands of the Fenton meet's eventual 121 pound champion. Griffin is now 13-2 on the

The other Northville wrestler to take a third was Kevin Hartshorne. Competing in the 107 pound weight division, Hartshorne lost in the semi-finals to a Madison High wrestler The tall, slender Mustang wrestler then came back to win by a pin in the consolation semifinals and decisioned his opponent in the consolation finals to take the third place

The Mustangs came close to getting a third place in the 134 pound division from Bill Norton After winning his first match with a pin, Norton got knocked in the consolation bracket with a 2-0 loss in the semi-finals. He won the consolation semi-finals however and then in the consolation finals he wrestled to a 1-1 tie at the end of the

third period

The overtime period produced another 1-1 tie, and the referee awarded the victory to Norton's opponent. Walled Lake Western could well be the best wrestling school in the Western Six Conference, but the Mustangs really never had a chance against them as once again their season-long problem of lack of wrestlers in heavier divisions plagued their

chances. With Doug Boor down to 169 pounds, McLoud is placed in the position of having to donate 12 points to his op-ponents before the first two wrestlers even step out on the mat, as he has to forfeit both the 185 pound and heavyweight divisions.

What's more, his 102 pounder-Jimmy Watsondidn't make weight and Northville had to wrestle an inexperienced freshman in that division. Needless to say the Walled Lake opponent won the 102 pound match with a pin, and those six pounts combined with the 12 points from the forfeits at 185 and heavyweight gave Western an 18 point margin.

They won by 24, 41-17. As usual, Northville was paced by the dynamic duo-Hartshorne and Griffin. For Hartshorne it was an easy night as he polished off Al Taylor with a first period pin. Griffin had to work the full six minutes for his victory, however, a solid 7-2 triumph over Bill Roumay at 121 pounds.

Doug Boor posted a victory in the 169 pound division with a 6-4 triumph over his opponent, and sophomore Matt McIntosh produced the major Northville upset of the evening as he took a 6-2 decision over Steve Reirson in the 128 pound class.

Northville's other points came from Norton, who had to settle for a 4-4 tie in his 134 pound match.

Northville's next meet is tonight (Thursday), as they journey to Brighton to take on the Bulldogs.

Jayvees Roll On

Northville's hot-shooting, fast-breaking junior varsity basketball team scored only six points in the fourth quarter, but by that time they were so far out in front it just didn't make much difference as they bombed Walled Lake Western 70-40 Friday.

The victory was the seventh in eight outings for Coach Omar Harrison's talented young cagers. Actually the Mustangs had

a brief scare early in the Walled Lake game, as the Western team actually held a one point -13-12- lead at the end of the first quarter.

But that was before Harrison's starting five of forwwards Todd Eis and Bill McDonald, center Doug Crisan, and guards Ed Kritch and Ed Fuertges really set their minds to the task at

In the scond quarter they outscored Western 24-9 to take a 36-22 halftime lead. But it was in the third quarter that they broke the game wide open, as Mustangs had their most productive eight minutes of the entire season blistering the nets for 28 points, while holding the Warriors to 11 to take a 64-33 lead into the final quarter.

It was the men under the basket, who led the third quarter outburst. In that one lone quarter, Crisan and Eis both tossed in eight points, while McDonald hit for nine.

As usual, the Mustangs were led by a balanced scoring attack as all five starters scored in double figures. McDonald paced the team with 16 points, Eis and Crisan each had 13, while Kritch and Fuertges had 11

City OKs Expenditure

Library Expands

Public Library received the nod of the city council Monday as officials approved an expenditure of \$3,100.

The expenditure must now be approved by the Northville Township Board, which shares library expense with the city, before work begins.

As proposed by the library board, the children's reading area will be shifted to the balcony area of the library which is presently used only for storage. Construction primarily involves shelving

Family Appeals For Blood

An appeal for blood has been made by the family of Delbert Groom, father of Mrs. Roger (Carol) Rathburn of Eaton Drive in Northville.

Groom, who is a patient at Ann Arbor's St. Joseph hospital, is in need of 10 pints of blood each day for a period

A resident of Plymouth. Groom underwent heart surgery in September and contracted non-infectious hepatitis from the 26 pints of blood required then, a spokesman for the family

The hepatitis has infected his liver and kidneys and the only chance doctors say they have of saving him is through transfusions.

"We're concerned mainly with replacing blood. We still need to make up 16 pints from his operation in September,' Groom's son stated.

Those wishing to donate blood may do so at St. Joseph hospital in Ann Arbor by appointment or at a blood mobile or Red Cross branch Donors are asked to specify the blood be credited to Delbert Groom at St Joseph hospital in Ann Arbor.

with it provision for carpeting the stairway to the balcony

Library officials proposed the move of the children's section because it will be eaiser for young people to walk up and down the stairs than for older adults; because use of the balcony for adult books would necessarily involve a split collection resulting in confusion; and because the move will confine children's noise to an isolated part of the library.

proposal to the council during tour of the facilities. Monday, City Manager Frank Ollendorff emphasized that the board sees this shift only as an interim measure and that it is more convinced than ever that a new or different larger facilities are needed.

In other action Monday, the council adopted a resolution giving preliminary approval for a plan to provide water through city mains to township areas west of the city

Establishment of water fees and the area to be served is to be determined upon consideration of the final agreement, according to the manager

The plan was proposed by the township as a means of resolving the long-standing problem of low water pressure, and frequent and costly repairs of lines presently being serviced by the city along West Main, Clement, and adjacent streets.

'These (township) customers pay a double water rate and argue that we owe them good service," explained Ollendorff. "The legalities have never been cleared up entirely, but apparently we cannot simply drop a customer. Further, no one has come up with proof that all customers paid tap fees and hooked up in a legal manner, but neither can we prove otherwise.'

Under the preliminary agreement approved by the city, the city agrees to sell water to the township at Detroit's charge plus a small "pumping" fee at the city limits. The township agrees to circulate petitions for special assessment to install new lines. If 51-percent of the property owners in the township area sign the petition, the township will

Mastercharge-Bank Americard 103 E. Main St. 349-0613

install the lines by special assessment and resell water purchased from the city.

Purchase of water supplied through city lines is necessitated because Detroit has no plans to install a main line to this section of the township for the next several years, explained manager.

Site Deed Gets Approval

In explaining the board's Continued from Record 1

offices and once it was in use as a municipal center the clause would no longer be in

The deed also stipulates that the township grant a drain easement to Thompson-Brown and the developer all grades and grading plans.

Trustee Charles Schaeffer questioned what would happen to the site if "the township were tounify with the city or another governmental unit and it was no longer being used for administrative of fices but possibly a library?" Ashton said that no longer

having the revertor clause in effect once the land was in use would solve the problem Representatives for

Thompson-Brown agreed to have the changes in the deed made and trustees accepted the document on that basis.

vice-president, and Carl Smith, president, view the Brighton Jaycees' plans for a proposed community center. Construction on the center. which is estimated to cost \$153,000, is slated to start in the spring. Although the project is the brainchild of the Jaycees, they hope it will burgeon into a community-wide undertaking involving other civic groups.

In Hartland...

Hartland's Jaycees have peen more than active in the two years since their formal inception, as evidenced by their current high rating among Michigan jaycee

Hartland was the number one chapter of its size in the state as of November 30, and was also rated the fifth best overall chapter in the state at

One reason the Hartland Jaycees have been ranked so highly is the large number of the group has been involved

Probably the noteworthy of the jaycees' cent projects was the Walk for Mankind, which was held last May in Hartland in cowith Project

Some 264 persons completed the 20 mile hike, which raised \$6,275 in pledges. The money was to be divided oetween Operation Hope, an international organization, and the community of Hartland.

Slightly over \$2000 of that money has been earmarked for the Hartland Community School's Summer Recreation Program, and according to Jaycee President Gale Mc-Devitt, should help secure a summer director for the

The Hartland Jaycees have been involved in other projects during the past year held a Shooter Education program last winter which instructed youngsters about guns and safety, and plan to repeat the program in the near future.

The Jaycees also sponsored a benefit basketball game which raised over \$600 for the purchase of a kidney machine for Livingston County. Again, plans are to hold another benefit game this year

Other regular activities of the Hartland Area Jaycees during the past year included the sponsorship of the Punt, Pass and Kick Competition; children's annual Halloween Party; the annual Christmas lighting contest; and participation in Memorial Day activities.

Coming up this year will be Hartland's: first state-wide event, when the Jaycees play host to the annual B-B Gun tournament. This event will be held at Hartland High School in May.

The Hartland Area Jaycees, organized in January, 1970, are presently headed by Gale McDevitt, president; Jim Freshman, external vice president; Ed Dietrich, internal vice president; Dick Lynch, treasurer, and David

RICHARD RAYBORN Northville President

HUGH CRAWFORD Novi President

JIM HENNE South Lyon President

What Henry Giessenbier had in mind back in 1905 when he first organized the Herculaneum Dance Club in St. Louis, Missouri, was the two-step. Outraged by some of the newer, more daring, dances of the day Giessenbier founded the Herculaneum Club ostensibly to preserve the more conservative dances of the day, such as the two-step.

Shortly thereafter, Giessenbier's organization took up the cudgels against a far greater menace - the gradual, subtle, but nevertheless steady intrusion of alcoholic beverages at public dances.

Henry Giessenbier wouldn't recognize his

For out of what began as a club to preserve the two-step in 1905 has developed the United States Jaycees, an organization of more than 500,000 young men between the

This week - January 16-22 - the United States Jaycees are celebrating their 52nd Anniversary, and public officials ranging all the way up to President Richard Nixon (himself a former Jaycee) have signed resolutions proclaiming this national Jaycee

The transition from a dance club to the Jaycees was not as long a jump as it might seem. The Herculaneums, in many respects, exhibited the primary tenet of the concept of "Jaycee-ism" - concern and involvement with community problems.

In 1915 Giessenbier's Herculaneums became the Young Men's Progressive Civic Association at the urging of a St. Louis politician named Colonel H. P Morgan, who challenged the group to become involved in

the city's civic affairs.

The term JCs came into being shortly thereafter when the president of the St. Louis Chamber of Commerce, a strong supporter of the group, suggested they change their name to Junior Citizens. In 1918 Giessenbier and his JCs affiliated with the St. Louis Chamber of Commerce and became the Junior Chamber of Commerce.

On January 22, 1920, a caucus between 29 organizations similar to Giessenbiers' was held in St. Louis and six months later these groups were officially incorporated into the United States Junior Chamber of Commerce.

Today's Jaycees, although a direct extension of the United States Junior Chamber of Commerce, have no relationship whatsoever with the Chamber of Commerce, Perhaps the major misconception about the Jaycees is that they are an organization of young businessmen and merchants whose primary interest is the promotion of commercial development.

At their national convention in 1965, the Jaycees took steps to make the distinction more clear as the name of the organization was changed from the United States Junior Chamber of Commerce to the United States Jaycees, but still the misconception exists in

the minds of many.

Perhaps the phrase that most clearly defines the purpose of Jaycees is "leadership training through community service." Both themes are central and irrevocably intertwined in the Jaycee movement

Great emphasis is put on the development of tomorrow's leaders. One of the reasons for the 35 year age limit on Jaycee membership is this concept of leadership training.

We expect to make mistakes in the we run our projects," said one Jaycee official. 'In most organizations, positions of responsibility and leadership are in the hands of older, more experienced men. There's little room for younger members to learn'through experience By restricting membership in the Jaycees to people under 35 we provide a training ground for future leaders. Once our people hit 35 and have had experience in positions of leadership, they leave us and we start training a whole new batch of leaders."

The term "exhausted rooster" is applied to those Jaycees, who are forced out of the organization by their age. Today, "exhausted roosters" hold down some of the most respected seats of government. President Nixon, Chief Justice Warren Burger, former Vice-president Hubert Humphrey and a horde of others are all former Jaycees.

Equally as important as the leadership training aspect of Jaycees is the community service aspect It is by coordinating com-munity service projects that the leadership training is gained

On any given Saturday, you are likely to see Jaycees cleaning the Rouge or Huron Rivers, conducting voter's registration drives, collecting toys and clothing for un-derprivileged children, holding drug information seminars, organizing letter writing projects to prisoners of war in Vietnam, or any one of thousands of other projects.

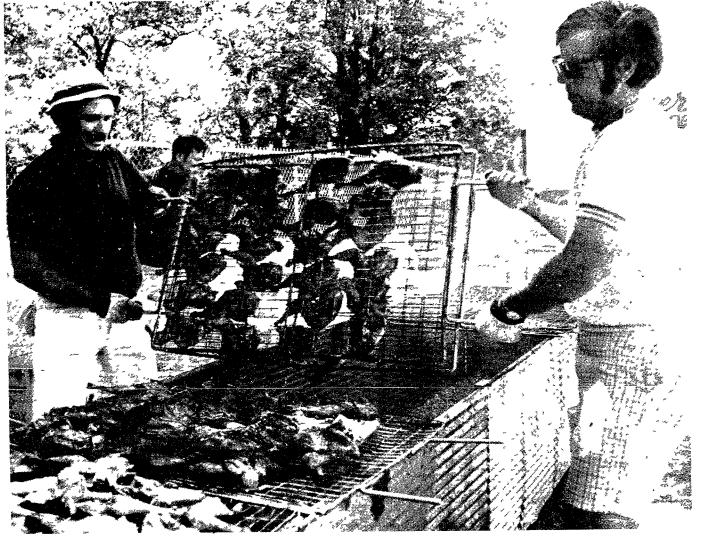

Jaycees have been known to build hospitals and establish helicopter ambulance services. The Greater Greensboro (North Carolina) Golf Classic, one of the major events on the professional golfing tour, is a

Jaycee-operated event.

Nor is it unusual for Jaycees to enter the political arena. A few years ago the Detroit Jaycees led a recall movement against a Wayne County Board of Commissioners after they had voted themselves extravagant pay boosts. More recently, last September to be exact, the Michigan Jaycees started a drive to return a one-house legislature to Lansing.

The Jaycee organization also performs a very real social function. It is an organization found in almost every community where newcomers can be assured of finding people of their own age group and with their own general interests.

The Jaycees are often assisted in their projects by the Jaycettes - the organization comprised of the Jaycee wives. Although hardly embraced by Women's Liberationists the Jaycettes' by-laws states their sole purpose for existing is to help the Jaycees --

WORKING JAYCEES-Unlike some clubs, the Jaycees is a working organization that combines civic responsibility with leadership training. Typical of the varied projects sponsored throughout the year by area Jaycees is the chicken barbecue held in Northville in conjunction with the club's annual Fourth of July festivities. Turning out chicken delight at last year's event are Fred Zillich (left) and Ron Beier.

they, nevertheless, are an important part of the Jaycees' community service projects.

The area covered by Sliger Publications Northville, Novi, South Lyon, Brighton, Hartland, and Pinckney - 1s an area ripe with active Jaycee chapters. Following is a brief description of each chapter and a few of its

In Northville...

Over the past three years the Northville Jaycees have come to be recognized as one of the top chapters in all of Michigan. This distinction was made official last year, when, under the presidency of Peter Magnan, the Northville group was awarded the Giessenbier Award at the state convention.

The Giessenbier Award is annually awarded to the chapter judged to be the best in the state. This year, under the presidency of Richard Rayborn, the Northville Jaycees are again one of Michigan's top clubs.

Northville residents know the Jaycees primarily for their sponsorship of the July 4 festivities. Starting with a parade in the morning, a fund-raising chicken barbecue in the afternoon, and a free fireworks display in the evening, the Northville Jaycees have succeeded in turning what was once a relatively "uncelebrated" holiday into one of the year's outstanding events.

But the July 4 parade, in spite of its multithousand dollar budget (those groups don't come to Northville for nothing) is only a small part of the over-all program.

Perhaps because of its location in the midst of several state institutions, the Northville chapter has been extremely active in mental health activities Last year Northville's Dennis Dildy headed the state Jaycee mental health-mental retardation

Over the holidays, the Jaycees were in abundance around Northville selling candy canes (the entire proceeds of the sale were used to purchase everything from sewing machines to toboggans to guitars for children at Wayne County Child Development Center) and collecting toys for the children at Plymouth State Home.

The Jaycees are also active in several drug abuse programs, raising funds for Drug Abuse Rehabilitation Through Education (DARTE) and financing the "Our House Buzz Line" in Plymouth.

For the youth of Northville, the Jaycees sponsor the annual Easter Egg Hunt, soap box derby, bicycle races, Punt, Pass, and Kick competition, and the Junior Miss Pageant

In addition, the Northville Jaycees conduct several "ways and means" projects (money-makers) throughout the year to finance their projects in other areas. When you buy a ticket to a Millionaire's Party or tour a Haunted House, chances are the money will later be used to take a mentally retarded youngster on a farm tour or to the Tiger

In Novi...

Novi's Jaycees are responsible for providing the community with one of the year's outstanding events - Gala Days.
Usually scheduled for late summer, Gala Days is the modern version of the old time

Babson Report

Investors Boost Household Stocks

SPURRED by the upsurge in residential building, investors have recently been bidding up many home furnishings stocks to record

Investor confidence in the future of companies that make and sell furniture, floor coverings, appliances, and related items is buttressed by the knowledge that housing starts have been sharply on the rise for about eighteen months; traditionally, an upturn in home furnishings sales follows an increase in housing starts, although there is usually a time lag of from twelve to eighteen months.

Recent shipment figures and consumer buying surveys bear out the contention that an upswing in the sales of home furnishings is already under way.

Demographic factors also point toward a generally favorable outlook for this industry. For example, over the next ten years a 52 percent increase is anticipated in the number of households in the 25-34-year-old age bracket, a group which customarily spends heavily on household furnishings and accessories.

Furthermore, there are indications that the number of families in this age group with annual incomes of \$15,000 or more will

WORLD-WIDE

BENTALS

SALES

SERVICE

HEY CULLIGAN MAN!"

jump from a total of 1.6 million in 1970 to about 6 million by the year 1980.

BROADLY speaking, the home furnishings industry—furniture, floor coverings, appliances, home electronic equipment, and related items—is a \$50-billion U.S. consumer goods business, second only to the \$59-billion auto industry. It could be that before the present decade has run its course home furnishings will surpass autos. This is based on the assumption that residential housing starts will continue at a relatively high level because of the lagging rate of such construction over recent years and because of the mounting number of families that will be in need of housing in the 1970s.

In addition, an increasingly mobile population should mean a heavier demand for home furnishings, while upward pressure on incomes is bound to result in an upgrading of the quality of purchases, thus stimulating the replacement market to a substantial

Some analysts look for the home furnishings market to reach an overall value of \$100 billion by the end of this decade, while others expect this figure will be attained

35 EXHIBITORS will display their wares and skills at the Brighton Mall "Arts and Crafts Show and Sale" Thursday, Friday, Saturday and Sunday. Coordinator of the show is Jeanne Fishman (above), who is chairman of the downtown Detroit Flea Market and the annual waterfront festival. Her "Collector's Antiques and Glorious Junk" in Oak Park is well known to collectors. Among the exhibits will be Gene Raymond and Caral Marie Nault of Brighton, multi-media artists; Allen Vernier of Owosso, glass blowing; and Irene Holmes of Highland, demonstrating grooming and dressing of dogs. Brighton Mall is located on I-96 and Old Grand River. Hours for the Arts and Crafts Show will be 10 a.m. until 9 p.m. through Saturday and 11 a.m. until 5 p.m. Sunday.

Michigan Mirror

Spotlight on Senate Race

LANSING-It's still almost 10 months to General Election Day, but it already appears safe to predict there should be something to appeal to everybody on the ballot when the polls open November 7.

First on the list, in theory at least, is the contest for Michigan's 21 electoral votes for the presidency. But that may prove one of the less glamorous issues in this predominantly Democratic state by the time election day gets here.

If it appears certain the state will go to the Democratic candidate then the spotlight is going to shine directly on the race for the U.S. Senate seat now held by Sen. Robert P. Griffin and which he will try to retain. There are also such highly emotional issues as abortion reform and abolition of local property taxes for schools.

IN THE PRESIDENTIAL category, President Nixon has never carried Michigan. He has shown little interest in the state since he was elected, having made only one visit here. It is expected that the Democrats will carry the state.

As far as the convention goes,

Nixon can expect to get nearly all of Michigan's 48 votes at the Republican convention, though the liberal cahdidacy of Rep. Paul McCloskey and the conservative bid of Rep. John Ashbrook could peel off a few votes each.

On the Democratic side, the state's leadership seems to be lining up pretty solidly in the camp of Maine's Sen. Edmund Muskie. Muskie's forces in the state are headed by former party chairman Sander Levin, the man who almost unseated Goy. William Milliken in 1970. Also firmly in the Müskie camp are U.S. Sen. Philip Hart and Michigan House Speaker William A. Ryan, by far the most powerful Democrat in Lansing.

THE SENATORIAL race will match Griffin against a Democratic challenger—probably Attorney General Frank Kelley—plus several other splinter party candidates.

Kelley antagonists in the party have tried to find an alternative, but no-one has picked up the torcn. His only primary opposition could come from former Detroit Mayor Jerome Cavanaugh, who has been having trouble raising money.

On the conservative side of Griffin will be a candidate sponsored by the Conservative Party formed by former State Sen. Robert Huber, the man who almost knocked Lenore Romney off in the 1970 primary. On the liberal side of Kellev will be a candidate sponsored by the Human Rights Party, which counts former Democratic State Chairman Zolton Ferency in its ranks.

The outcome of the Senate race

could hinge on whether Huber's party or Ferency's party can pull away the most voters.

IN THE ISSUE category, the most emotionally charged by far is the question of whether to rewrite the state's more than 100-year-old abortion law to allow abortions in instances other then when the mother's life is endangered.

On its way to the November ballot now through the petition drive route is a proposal to allow abortions for any reason during the first 16 weeks of pregnancy. The petition drive is well organized and backers are confident the issue will make it to the ballot.

ALSO EXPECTED on the ballot is a proposal, or several proposals, to stop the use of local property taxes in Michigan to finance public schools. Milliken already has launched a petition drive for his. version of property tax relief and Democrats are also launching their

Up for a second vote next November will be the question of whether Michigan should go on daylight savings time during the summer months along with the rest of the country or stay on eastern standard time all year as it does

Daylight savings time was defeated at the polls in 1968 by a 488vote margin.

Marines Offer **Delay Enlistment**

It is now possible to join the Marine Corps and still graduate from high school with fellow students prior to going to recruit training.

The program offers those seniors who enlist for four years job guarantees in combat, administrative, technical and electronic skills as well as an aviation school guarantee, he said.

Young men who wish to learn more about the 180 Day Delay Program may obtain information at the Marine Corps Recruiting Station, 15195 Farmington Road, Livonia.

Food for Thought

THE

GAME

NUMBER'S

Reverend L. F. Harding Church of the Holy Cross

As I write this article I'm feeding my youngest son, reading the Prayer Book and Bible, and have one of the latest best sellers, 'Future Shock', open at the prologue. What a combination! They seem to be incongrous, or are they? Actually they all speak of life. But of what life? What kind of

As I watch my son munching on a peanut butter sand-wich and think of the purpose of the best seller, I wonder how he can be prepared to face a world of constant change and survive in it; both as a human being and as a member of society. The question has frightening aspects to it, especially when you see and hear of so many people being wiped out by drugs, alcohol, heart attacks, careless accidents, murder, misuse, manhandling, and so goes the list. We are to-day caught in a roaring current of change, a current so powerful that it has and is overturning our institutions, shifting our values and shrivelling our roots. I look back at my son and see his face smeared with peanut butter and I laugh at that bright grinning face and enjoy the present

But I can't remain with that pleasant thought as I wonder about his future. Where! How! am I going to find something, someone, which will continually be a stabilizing influence upon him, regardless of what he runs into? So many things will work upon him as he grows and which will influence his

life: education, friends, community, and world events. But they are all changing, never the same, dependent upon man. Even faith in God is undergoing change. However, these words come to mind;" Jesus Christ, the same yesterday, to-

day, and forever." It sounds great, but what does it mean?! Simply this. Things will always change, but God's attitude to man will always be the same; one of loving concern. All I have to do is to show this to my son and pray it may be understood and recognized as he grows up. To know that he will always have someone who will be unchanging towards him, will, I hope, enable him to cope with all the changes around him.

The chocolate marshmallow cookie I gave him seems to be more on him than in him, and we laugh. His future is still before him and I think of St. Paul's letter to the church at Rome (end of chapter eight).

"I have become absolutely convinced that neither death nor life, neither messenger of Heaven nor monarch of earth, neither what happens to-day nor what may happen tomorrow, neither a power from on high nor a power from below, nor anything else in God's whole world has any power to separate us from the love of God in Christ Jesus our

"Come on son, Let's get on with it!"

Here's the population explosion in personal terms. To the proud parents, it's their first child - and they love her! But to the statisticians, who deal only with cold facts, she's just one more person on an already crowded earth.

What a dilemma! We want children, but we want them to face a secure future. When almost no one is optimistic about the present, how can anyone look forward to the fu-

Jaycees Mark 52nd Birthday

Continued from Page 1-B

The Jaycees sell booths to various concerns from arts and crafts merchants to antique dealers to other community groups, who use the Gala Days celebration to raise funds for their own projects. In addition, the Novi chapter brings in rides to give the whole affair a carnival atmosphere.

This year, under the presidency of Hugh Crawford, the Novi Jaycees are adding a new event to the Novi calendar, which they hope will become as important to the community as Gala Days are. Early in February, they are planning to hold the first annual winter carnival, complete with snowmobile and skating races and a giant snow and ice slide for the children.

Gala Days and the Snow Carnival are not the only projects run by the Jaycees, although they receive the most attention. In addition, Novi chapter runs numerous other projects that are just as beneficial.

In the fall they helped run the Punt, Pass and Kick program, opened up a Haunted House, and sponsored a Halloween safety program for the children of the city.

The Christmas season was also a busy one for the Novi chapter. They presented the city with an evergreen tree and decorated it as they will every year for years to come as the young tree grows to maturity; they put up Santa's mail boxes for Novi children and then answered each letter with a return letter; they held a Christmas party for needy children; and they sent special Christmas packages to young Novi men in the armed forces over-seas

The Jaycees also sponsored an essay contest in the Middle School on the subject

"What America Means to Me." Although the Novi chapter is a relatively new one, just five years old, it already numbers 45 members and, like the city, is growing both in numbers and accomplishments.

In Brighton...

Jaycees, the biggest undertaking to date, one with many high hopes attached, is a community center now on the boards for the

Brighton area. According to Charles Dean, publicity director for the Brighton chapter, the Jaycees are presently waiting for incorporation papers to continue with the project.

To date, the architect's drawings are finished and with any kind of luck at all, Dean sees the ground breaking coming this spring, with completion this fall But he stressed the fall completion date is possible only if

everything falls into place.

Presently the chapter is planning on obtaining federal funding for the \$153,000 project, and are in contact with Marvin Esch's office for help.

"The community support is real good," Dean said. "I feel alot of people really go for it compared to other things that have been

He pointed out some of the cost of the project has been defrayed in one area as Frank C Smith, a Farmington architect and father of Jaycee President Carl Smith, has donated his services.

Although it is considered an important undertaking Jaycee's projects and scope for the coming year will go beyond it.

A drug abuse program and film is slated for late February, Dean said, and will feature the film "On Your Doorstep" with Art Linkletter. No specific date or site has been set for the

program, although Dean hopes to obtain school facilities for it. March will see a "Millionaires Party" sponsored by the Jaycees which they hope will raise between \$3,000 and \$5,000 for the

community center Dean explained this is the first Millionaires Party the Brighton chapter has held, although other chapters have found them quite suc-

The publicity director explained one buys a ticket to the party, and once there one can purchase a "million dollars" in play money to game with. Each "million dollars" costs a

At the end of the evening, Dean said, a gift sale and an auction will be held in which party-goers can spend their hard-earned

Specifically, the event is slated for March 11 at the UAW Hall in Wixom, and is in conjunction with the Garden City Jaycees.

Later in the year, September to be exact, the Jaycees are planning an Octoberfest and will reissue the Brighton Value Book, full of

valuable coupons from area merchants. Dean pointed out the Brighton Chapter has been an active one since its beginning in 1964. During those first years the group worked on the construction of the Main Street retaining wall for the Mill Pond, and has since workd on the Mill Pond Improvement project.

In 1969 the Jaycees erected a community announcement board by the City, Hall, and put up an electronic scoreboard at the Brighton Middle School football field in 1967.

Since 1966 the Jaycees have sponsored a student at the Rickett School each year, and have worked on the school. During the past few years, Dean said, the

Brighton Chapter in conjunction with the Michigan State Police have run a vehicle safety inspection. Dean said they hoped to do it again this summer, although it was hard to say at this point. However, he pointed out that most of

the projects the organization has run for the last four years will continue. "We have hundred of projects to draw from," he said, explaining it was hard to find the time to run all of them.

Not only are the Jaycees active, Dean said. but the women's auxiliary, the Brighton Jay-

C-ettes are also a busy group.

Last year the auxiliary helped collect Betty Crocker coupons to purchase kidney machines. The state-wide drive gathered enough coupons to purchase 32 of the machines, at an estimated 500,000 coupons per machine, Dean said.

In addition to assisting the Jaycees with their projects, the women also work in conjunction with the Red Cross Blood drives.

In Pinckney.

The Pinckney area's Jaycees, now a little over six years old, has a variety of projects planned for the coming year, according to Richard McCloskey, treasurer of the group On February 16 the group is holding a

member ship night at Hunter Hall. Included in the "coming events" list is the annual Oktoberfest, held in September. The Pinckney Jaycees will be joining with other area groups for the fall festival.

This summer, McCloskey said, the Pinckney Jaycees will sponsor two delegates to the Boys State Convention. The coming months will see a cribbage tournament, the Livingston County Javcees Junior Golf Tourney and the Punt, Pass and Kick

McCloskey explained many of the projects have been done before and were considered successful

In addition to McCloskey, other officers include Paul Gunderson, president; Richard

In South Lyon...

It is only fitting that the South Lyon Jaycees have one of the top softball teams in the state because one of the major contributions the chapter makes to the city is the sponsorship and operation of the summer aseball program.

Last year more than 25 teams and 300 youngsters participated in the baseball

But baseball is not the only area in which the South Lyon Jaycees serve the youth of their community. A unique project introduced by the Jaycees last year was "Safety Town." A miniature version of a city was constructed in which children, ages four through 12, are taught rules of safety on and near city streets through a series of visual aids such as street signs, flash cards, and films on children

Safety.
Under the presidency of Jim Henne, the South Lyon Jaycees have taken an active role in the development of the community school concept and have donated some \$400 to further the cause of community education.

The South Lyon chapter has held two Meet the Candidates Nights - for the School Board and City Council elections - and helps promote Americanism with its Flag Service. in which flags are sold to local merchants for \$10 and then are put up for them on holidays for an additional fee of \$5 annually.

In the fall the South Lyon Jaycees have a pumpkin sale and hold a Halloween party for the city's youngsters and in the winter they Christmas tree pick-up project followed by a huge bonfire.

We're Celebrating Our

A Special "THANK YOU"

would like to take this opportunity to thank the people of Livingston

County, and surrounding areas, customers, friends and neighbors for their warm welcome and support during our first year in the Howell area. We sincerely believe it takes a good product, the best automotive maintenance equipment, and a certain "know-how" to keep our

customers happy with the purchase and upkeep of their automobiles from Clayton Cadillac-Olds. We are anxious to show motorists of this area that we really care about their automotive needs—that we will always strive to give our customers the best in value and service.

Investors Boost Household Stocks

Continued from Page 2-B

even before 1980. In any event, it seems clear that the industry will achieve a rate of growth considerably above that for the U.S. economy as a whole.

THE FAVORABLE market prospects for home furnishings has not been overlooked by the nation's corporate giants. Such highly specialized concerns as RCA, Sperry & Hutchinson, Armstrong Cork, U.S. Plywood-Champion Paper,

Magnavox, and Burlington Industries have established and-or expanded positions in furniture and carpeting during the past few years.

While Babson's Reports is not recommending any of the above companies for purchase at this time, we do feel that they have enhanced their potentials with this expansion into furniture and carpets. Currently, we are suggesting that investors maintain hold positions on

the stocks of these companies.

THE LARGEST segment of the home furnishings field is furniture, with annual retail sales amounting to more than \$5 billion. The market for furniture has climbed about 30 percent during the past five years, and it is expected to nearly double in volume over the next half-decade. Approximately five thousand companies are involved in the manufacture

upholstered, and metal furniture in the U.S., but only two, Bassett Furniture and Kroehler Manufacturing, had sales in excess of \$100 million in 1970.

The Research Staff of Babson's Reports does not keep Bassett under supervision because of insufficient client interest. We do supervise Kroehler, however, and recommend holding it for appreciation over the period ahead.

North Winds Blowing Up Frosty Fun

What do you do when the north wind blows and the whole world seems to be covered with snow and ice? In Michigan, you get out and get into the fun of it. And February is filled with"frosty fun", according to the Michigan Tourist Council.

Leading off is the granddaddy of all snowmobile races, the I-500 at Sault Ste. Marie February 5. exacting ten-hour marathon is not the biggest nor the longest, but it's certainly one of the toughest snowmobile races there is. Tough on the drivers, machines. crews. families and even the spec-The one-mile oval track, coated with hundreds of layers of ice, has defeated some of the best known names in snowmobiles and biggest names in snowmobile racing For the first time in 20 years, Alpena will play host to the North American Speed Skating Championships, February and 6 Top skaters, age 7 to 17 and older, from 37 states and Canada will be competing. This event is the training ground for future US Olympic skating stars. Among the special guests scheduled to attend the colorful North American are Governor William Milliken, Terry McDermot - the only U S. gold medal winner in the Winter Olympics - and Phil Brady, director of the Michigan Tourist Council.

If you're a 100 percent, "dyed in the wool" devotee of the grand old game of golf, and, you're a hearty soul there's the Polar Ice Cap Golf Tournament, February 12 on the ice of Spring Lake, north of the Spring Lake Country Club With the exception of being shorter, the course is a regulation 18 holes for a pitch and putt game. Everyone is welcome to enter blanks may be obtained by contacting the Grand Haven Chamber of Commerce.

If indoor activities are more to your liking, and you're already looking forward to the summer months, the Detroit Camper and Travel Trailer Show will be held in the West Artillery Armory, near Northland, February 19 More than 700 through 27 campers, travel trailers, motor homes folding tent trailers and all kinds of camping equipment

Other February events include: the Kiwanis Ski Tournament at Pine Mountain with 90 to 100 jumpers from the U.S. and other countries in exciting competition, Sled Dog Races at Whitehall, the North American Snowmobile Championship Races at Munising and the Antique Auto Restorers " sell and swap" get together at Kalamazoo.

In short, there's something for every one of every age to enjoy during the leap year month of February in

Alien Reports Available, Due

Report forms for aliens are available in area post offices, it was reported this past

In compliance with the 1952 Immigration and Naturalization Act, each alien must report his current address not later than January

Post offices make the report available forms cooperation with the Immigration and Naturalization Service to help to local aliens to comply with these address report requirements. according to Novi Postmaster Gordon J Blackburn.

DIRECTOR of CONSUMER

AFFAIRS

Chatham Super Markets Inc.

of wooden,

It's The Peak Month For Citrus And Vitamin C!

fruits must be ripe when har vested! So, color is only skin deep oranges may be green,

A wide range of sweet tart citrus fruits are plentiful at Chatham providing a convenient way of getting each day's requirement of essential Vitamin C According to law, all citrus fruits must be ripe when har second to be a convenient of the conve

lop quality oranges, grape fruits, tangelos and tangerines

size tangerines have thin, loose and slightly puffy skin while the others should have smooth, thin skins

You'll find lots of grapefruit white and pink, seeded and seedless. The seedless are pre-ferred by those who like "eat ing easy with no seeds to

bother, and pink varieties are becoming more popular, too However, the seeded varieties are believed to have flavor "more definitely grapefruit" than the seedless varieties Supplies of Naval oranges great for out of hand eating, salads and fruit cups are also reaching a peak. The small

sizes are plentiful, and since the large fruit usually cost the most, the little "school boy" size is an excellent value for lunchboxes or the youngsters in the family Other citrus fruits for out-of

hand eating are also abundant the easy to peel tangerines, the fruit with the "zipper"

GRADE A FRESH

skins are near the low price point of the year And tan gelos, the two fruits in one, or the cross between the grapefruit and the tangerine, taste much like sweet but tangy oranges but they have the loose skin of the tan gerines

There is a difference in supermarket prices.

And Chatham's Got It!

Yes! There is a difference in supermarket prices!... and we like it that way. Recent comparison shopping trips have proved Chatham's everyday low 'Discount" price policy saves you more on your total food bill week in and week out.

We don't have to pass on the added costs of coupons or games. We believe you want more food for your dollar, not gimmicks that only cost you money.

"Low Prices" are just one reason why more people shop Chatham than ever before! We're concerned ...concerned enough to save you money on your total food bill.
