

DeHoCo Warden John M. Amberger

New Warden Favors State Merger

"Not making people any worse when they leave here than when they came may very well be an accomplishment."

Those are the words of John M. Amberger, new superintendent at Detroit House of Correction (DeHoCo), expressing one of his goals for the prison.

"I will measure the success of my philosophies by the fewer number of people who come back here," the 41-year-old Amberger commented.

Amberger was appointed to the superintendent's post ("It's really a euphemism for warden") April 25 by Detroit Mayor Roman Gribbs. He succeeds William Bannan who died in February at the age of 72.

Heading the facility, located on Five Mile Road in Northville and Plymouth townships, is the first time Amberger has had an opportunity to work in a correctional institution.

A graduate of Wayne State

University, Amberger has a degree in psychology and is a masters degree candidate in public administration at the university.

He has worked as a caseworker, probation officer, supervised and trained workers in both fields and served as a correctional planning specialist for Region One Criminal Justice Planning Agency in Detroit.

From March, 1970, until his appointment to DeHoCo, Amberger served as

executive assistant to Mayor Gribbs and a liaison to the health and social service departments.

He believes that with his background he brings to the job a "thorough knowledge of the city system. I know where to go for what and that's essential in getting things done."

Amberger said he hopes to develop a "better linkage between society and the prison. The systems in the city should be hooked in here

so DeHoCo can serve as a half-way house.

"When the inmates are released, they should know who they can turn to for help," he commented. "The groups, organizations and people should be working here with the inmates, preparing them for re-entry into society or they'll end up back here as soon as they get out."

After inmates complete training programs at

School Supports Voc-Tech Millage

IN DRIVER'S SEAT—Officials of Oxford were in the driver's seat, literally on Monday as Northville hosted the visitors during day-long mayor's exchange festivities. Here Oxford President and Mrs. Jay L. Allen take the wheel

of Northville's new John Bean fire truck during a tour of city hall festivities as Northville Councilman-Mayor protem Kenneth Rathert looks on. See Pages 8-A and 9-A for additional pictures and story.

MOTORCYCLISTS—more than 150 of them—will compete at Northville Downs Saturday for more than \$2,500 in prize money. The 15-race event will feature Gary Nixon of Phoenix, Grand National Champion in both 1967 and 1968. Doors will open for the races at 6 p.m. with competition on the half-mile oval beginning at 7 p.m. and continuing through 10 p.m.

PUBLIC HEARINGS on three proposed ordinance amendments will be held at 8 p.m. Tuesday, May 30, by Northville township planning commission. Up for discussion will be proposed changes governing room counts in RM-2 (multiple housing) zones, outdoor advertising signs in all zoning districts and loading and unloading areas in industrial zones. The hearings will be held at the township offices, 301 West Main Street.

YEAR ROUND school was the topic of a meeting last night (Wednesday) held at 8 p.m. in the high school auditorium. Speaker George Jensen, chairman of the National School Calendar Study Committee, discussed Northville's experimental 45-15 year round school plan.

School board trustees voted unanimously to support a one-mill request to establish four Wayne County vocational-technical area centers.

The question will appear on the June 12 ballot along with four local issues:

- one-mill hike in operational millage;
- \$750,000 bond issue
- filling two four-year term seats; and
- filling one two-year seat.

If approved by 34 school districts in the county (Detroit and Livonia have asked to be excluded from participation in the vocational centers), the mill would raise an estimated \$6.5 million yearly.

Donald Leverenz, occupational education director for the Wayne County Intermediate School District, told board members Monday night that the millage would be used for the first three years to pay for construction of the four centers and then used to operate the centers.

He explained that 20 percent of Northville's juniors and seniors would be eligible

to enroll in the centers for vocational training but would continue to take basic subjects at Northville High.

Three of the centers, the closest one to Northville is planned near Plymouth, would each have a capacity of 1,000 or 9,000 total on a three-shift basis. The fourth center, located near the Grosse Pointes, would have a 500 student per shift capacity.

Courses at the centers would be designed in length to develop entry-level skills in more than 40 occupations, although all courses would not be offered at all centers.

Trustee B. William Secord questioned the need for the centers since Northville students may obtain the training in vocational programs at Schoolcraft College.

Miss Florence Panattoni, director of instruction, pointed out that the "high school drop out rate is increasing and maybe a vocational center could retain the students' interest in school."

"To be eligible for Schoolcraft's program, students need a high school diploma," she explained. She also pointed out that about 35 percent of the students who do graduate do not go on for any type of further education.

In other action, trustees approved a maternity leave request from Mrs. Mary Najarian, elementary physical education teacher at Amerman and Moraine;

granted a study leave leave to Mrs. Joann Lininger, high school French teacher;

adopted textbooks for Spanish and math courses at Northville High and

directed Superintendent Raymond Spear to write a letter to Representatives Marvin Stempien and Clifford Smart, asking their reasons for supporting bills to open all school records, including student personnel files, and all meetings, including contract negotiations, to the public.

Early Copy Deadline

An early deadline for both news and advertising copy has been set for next week's edition of The Northville Record/Novi News.

Newspaper offices will be closed Monday, Memorial Day.

Deadline for classified advertising (want ads) is 1 p.m. Saturday. Classified ads may be placed by calling 349-1700 or by visiting the newspaper's editorial-advertising office at Main and Center streets.

All news and retail display advertising must be received by noon Tuesday. Persons are urged, however, to submit news and advertising copy on Friday and Saturday if possible.

The newspaper will be published on Wednesday afternoon as usual.

'Free Our Prisoners'

Parade Set Monday

"Free Our Prisoners of War" is the theme of the 1972 Memorial Day observance in Northville.

The community's 104th consecutive Memorial Day observance being held Monday, May 29, will begin with a parade at 10 a.m. under the direction of Northville VFW Post 4012, which alternates in making arrangements each year with Lloyd H. Green American Legion Post 147.

VFW Parade Marshal Jerry Rotta announces that the parade will include traditional wreath-laying ceremonies at Oakwood (Cady Street) and Rural Hill cemeteries as well as an address at Rural Hill by VFW Past Commander of the Fourth District Ernie Stratyckuk.

Theme of the principal address will be freeing the POWs.

A colorful feature of this year's parade will be the appearance of the Detroit Naval Reserve color guard and detachment of 40 marchers from the Brodhead Naval Armory.

There also will be a Marine

color guard from Selfridge Field, Rotta said. Wayne County Sheriff's officers are to drive cars in the parade. Rotta adds that the Michigan State Police also plan to participate if holiday conditions permit.

Local participants, in addition to American Legion and VFW units, include the Northville High School marching band under the direction of Bob Williams, a color guard of the Northville City Police under Corporal Robert Kramer, Northville Township Police, two boy scout troops, girl scouts marching as a unit and the new VFW Junior Auxiliary.

The junior unit, organized just two months ago, met charter requirements of 10 members and now has about 15, according to Rotta.

The parade is to assemble at 9 a.m. Monday in the Northville Downs parking lot.

It will repeat last year's route, going up Church Street to Main Street. Marchers will proceed west on Main to Wing, going south to Cady Street, stopping at Oakwood Cemetery.

There one of three youth

representatives from the scouts and junior auxiliary will place a wreath on a military tomb and a salute will be fired.

The parade will continue along Cady Street to Rogers, turning south to Seven Mile Road and the entrance to Rural Hill Cemetery.

A stop will be made at the cemetery bridge where a wreath will be thrown into the river to honor those who have died at sea. The third will be placed in the VFW-American Legion plot of approximately

300 graves in the cemetery. Prayers will be given by The Reverend Lloyd Brasure of Northville First Presbyterian Church and the Reverend Father John Wittstock of Our Lady of Victory Catholic Church.

Following the district commander's address the parade groups will return to Northville Downs parking lot where all young people participating will be given ice cream bars, courtesy of John Carlo of the Downs.

Stempien Seeks Land Transfer

Establishment of a state police headquarters in Northville Township moved a step closer this past week with introduction of a bill in the State Legislature by Representative Marvin Stempien.

The bill provides for the transfer of approximately 10

acres from the Michigan Mental Health Department to the Michigan State Police Department.

The property is located adjacent to Northville State Hospital on Seven Mile Road. According to Stempien, the

Continued on Page 20-A

Annexation Petitions OK'd

Petitions for the annexation of the township to the City of Northville have been validated, a spokesman for the Michigan Boundary Commission disclosed last week.

That means, it was explained, a sufficient number of valid signatures of city and township residents were present on the petitions to properly bring the matter before the commission.

Next step in the annexation procedure, the Lansing office said, will be to hold a non-public hearing on legal suf-

ficiency—a meeting of the commissioners to formally review the validated petitions and examine the accompanying map of the area in question.

Date of this hearing has not yet been set.

Subsequently, the commission will formally call for a public hearing on the annexation request. Latest this hearing can be held, under the law, is 180 days from the date petitions were filed (March 6). Latest date, therefore, is the first week of September.

Sitting at the public hearing will be the three Michigan boundary commissioners and two boundary commissioners representing Wayne County.

In the case of Northville, where the city extends into two counties (Wayne and Oakland), the two boundary commissioners from the largest area in question (township) sit—hence the Wayne Commission in this case and not the Oakland commissioners, it was explained.

The Michigan boundary

commissioners, who are appointed by the governor for three-year terms, are:

D.R. Calhoun, chairman, a sales representative of Huntington Woods, former mayor of Huntington Woods, Irving Rozian, a resident of Plymouth (13925 Beck Road) who is employed as a consulting engineer.

Al H. Vander Laan of Caledonia in Kent County, township supervisor of Caledonia.

Jaycettes Elect Mrs. Buckland

Election and installation of officers and a Ten Little Misses contest are announced by Northville Jaycettes

Mrs John Buckland was elected president of the Jaycettes at a meeting May 17. She and other new Jaycette officers will be installed at a joint banquet June 2 with Northville Jaycees.

Other new Jaycette officers are Mrs Dennis Dildy, internal vice-president, Mrs Ross Totten, external vice-president, Mrs. Ronald Reitenour, 'corresponding secretary, Mrs Ron Helher, recording secretary; Mrs James Belz, treasurer

Directors are Mrs. Sam Hall, Mrs Tom Walks, Mrs Paul Vandenberg and Mrs Robert Foster

Both immediate past presidents of the Northville Jaycettes now are serving in other capacities

Mrs. Robert Hilton was elected and installed as state secretary of the Michigan Jaycee Auxiliary May 13 in Lansing. Mrs. Richard Rayborn, who was elected District 30 vice-president in April, was installed at the state meeting

The Little Misses competition, begun last year, is being repeated this year. Parents are invited to send pictures of their daughters to Mrs. Ron Reitenour, chairman, 349-2572, of 18473 Jamestown Circle. Winners will be recognized at Fourth of July festivities

PASSING ON PRESIDENCY—Mrs. Donald Baxter, standing, new president of Western Suburban Junior Women, admires the hand-painted writing desk presented to Mrs. Dale Starr, retiring president, along with monogrammed stationery and an antique spoon for her collection in appreciation for her service. Both young women are Northville residents.

Junior Club Installs

When Mrs. Dale Starr of Northville completed her two years as president of the Western Suburban Junior Woman's Club, the top office was turned over to another Northville resident, Mrs Donald Baxter.

The new executive board for 1972-73 was installed at dinner ceremonies May 15 at Master's restaurant in Livonia. Mrs. Bruce Vanduesen, junior director-elect of Michigan installed the new slate. New officers from Northville in the club which includes young women from surrounding communities are, in addition to Mary Beth Baxter, are Mrs. James Clarke, community improvement project chairman, Mrs Paul King, public affairs chairman, and Mrs Edward Wittenberg, conservation chairman.

Cited in the program were the seven awards won by the club at the state convention in Lansing. They include work for Project Hope, for Indian Affairs, 10 percent membership increase, 100 percent participation in state activities, program planning and the best scrapbook award.

The club will end its year with a meeting June 12 when Mrs Glenn Tuffnell will discuss new adoption legislation. The annual scholarship presented to Schoolcraft College will be announced.

Anyone interested in attending the June meeting is invited to call Mrs James Dunn, 455-0402.

In Our Town

By JEAN DAY

AN AUCTION can be one of the greatest ways possible to raise money for a cause. That, at least, was the experience of Base Line Questers antiques society Monday which held a silent auction among the membership to benefit Northville Historical Society.

Each member had donated an antique, and in a matter of minutes a pair of amethyst curtain backs, a ribbon-pattern cruet, a pair of Nippon salt dips, a pressed goblet and other donations had brought about \$85 to be added to \$50 in the treasury to equal a \$135 gift for the Millrace restoration project.

As Mrs. Fred Wagoner, meeting hostess, explained, each member wrote her bid for any item she wanted and placed it under the antique. High bidder, of course, won.

It also was the chapter's annual meeting and election. Mrs. Edwin Langtry was named to a second term as president. Other officers are Mrs. George A. Spencer, first vice-president; Mrs. R.D. Willoughby, second; Mrs. Charles Brosius, corresponding secretary; Mrs. Wagoner, recording secretary; Mrs. George Miller, treasurer; Mrs. Paul Beard, historian.

Mrs. Beard reported on the national convention in Indianapolis, and Mrs. Leonard Klein on the state. The state fall meeting is to be held in Waldenwoods in Hartland.

Woman's National Farm and Garden Association at the Michigan Division 46th annual meeting May 18 at Oakland Hills Country Club.

A second place award was given Northville branch for its education work for achievements in 1971 in competition with other clubs in its size category. Third place awards were received for conservation and horticultural therapy achievements.

Mrs. William Switzler, immediate past president of the Northville branch, attended.

★ ★ ★

TOWN HALL tickets for the '1972-73 series are going "extremely well" with about 250 already sold, Mrs. Jack Doheny, TH chairman, reports. She adds that there is a small confusion about reservations for the celebrity luncheon at Farmington Holiday Inn, which follow each of the four lectures. Luncheon reservations are \$4 a luncheon now, or \$16 for the season.

Mrs. Richard Booms, luncheon chairman, says that luncheon reservations may be made by including the amount with the request for the town hall ticket. Town Hall season tickets are \$12. Requests should be sent to Northville Town Hall, Box 93, Northville, 48167.

★ ★ ★

A MEMORABLE graduation present was the trip Northville Valedictorian Reese Lenheiser and his parents, the Dean H. Lenheisers, took to Germany, Austria and Switzerland. They returned last week after touring Zurich, Salzburg, Lucerne, Munich and the tiny principality of Liechtenstein between Austria and Switzerland.

One of the trip highlights, Mrs. Lenheiser recounts, was taking a cogtrain to a mountaintop restaurant in the Alps. The 10-day trip was with the Michigan Catholic Cultural Society.

A real "plus," she adds, was son Reese's ability with the German language. A four-year-language student in Northville High, he found his German very well understood.

Exciting, but not so pleasant, was the jolt he received when his umbrella was struck by lightning in an Alpine thunderstorm.

MRS. DAVID A. REYNDERS

Crupi-Reynders Vows Repeated

Jo Ann Crupi, daughter of Mr. and Mrs. Joseph Crupi, 45229 Galway Drive, became the bride of David A. Reynders in a double ring ceremony at noon last Saturday, May 20, at Our Lady of Victory Church.

The bridegroom is the son of Mr. and Mrs. Eugene Reynders, 49200 Ridge Court, Father John Wyskiel officiated.

The bride was given in marriage by her father, who is mayor of Novi. She wore an ivory satin-faced organza gown with Alencon lace yoke and cuffs, on bishop sleeves. A deep flounce of matching lace bordered the skirt and full, chapel train.

A camelot cap held her cathedral-length mantilla of the same lace. She carried a long cascade of white daisy and snow-drift-mums, miniature carnations and yellow tea roses.

Mrs. Charles Beals was her sister's matron of honor. Cathleen Crupi and Janeane Reynders, sisters of the bride and bridegroom respectively, and Mrs. Todd VanEvery were bridesmaids.

They wore peach-hued voile dresses fashioned with a

deep ruffle bordering the full skirts. The bib-effect bodices had full, sheer sleeves with deep cuffs of ivory Venice lace. They carried nosegays of yellow daisy and white snow-drift-mums with pussy willows. Yellow tea roses distinguished the matron of honor's bouquet.

Michael Utley was best man. Ushers were Charles Beals, James Allmendinger and Todd Van Every.

The bride's mother wore an ankle-length gown of green with white dotted chiffon, styled with a neckline bow and fitted waist. She wore a corsage of yellow sweetheart roses and a white orchid.

The bridegroom's mother chose a long gown of turquoise chiffon with an empire bodice of lace. Her corsage was of pink roses.

A buffet dinner reception was held at Bonnie Brook Country Club for 150 guests. Music and dancing followed.

After a wedding trip through Kentucky, Virginia and the Carolinas, the newlyweds will make their home in Rochester.

Letter From Paris

Former Staffer Studies in Europe

Editor's Note: A former member of The Northville Record summer editorial staff, Prudence Hartl, has been studying in Paris following her graduation from Bradley University last June. She has written the following letter to the staff as her year in France comes to a close. Obviously, she has fallen under the spell of Paris.

What I should like to do is to find temporary work in Paris this summer, save enough to travel around a bit before returning to the U.S. this fall. If I do not find work, I shall return much sooner.

Living in Paris has been quite an experience, rather hard to describe. I really don't feel any older or wiser, rather I've just discovered more questions. The life here, among foreigners, anyway, is very gay and slightly uncertain. Everyone is always arranging to meet in a cafe or for dinner and every hour offers such a wide choice of lectures, concerts, shows.

Unlike some cities Paris never closes down. At every hour, even on Sundays, there are places to go and things to do.

I've been about 10 times to the ballet (saw the Ballet au Bolchoi last week) and to many concerts. Jazz seems to be particularly popular over here. It seems to have replaced rock as THE sound among the students.

The theater is a little more difficult to get into because it requires such fluent knowledge of French, but we keep trying, and we've discovered opera. Two of my best friends are art majors, and we've been to so many, almost too many, art museums I've particularly come to enjoy Wassyly, Kondinsky and the Blue Rider school, and of course there was Michelangelo's David.

Profiting from a Eurorail pass I had last fall I have managed to do quite a bit of traveling on weekends and during vacations. So far, I have traveled to Zurich, Geneva, Munich, Vienna, Madrid and Brussels. I've traveled all over Holland and seen most of France, except the Riviera.

A real treat was at Easter when I toured Italy for two weeks with eight other girls. We visited Venice, Florence, Sorrento and Rome, and all liked Sorrento the best.

An old man on the Isle of Capri, as our guide, took us around the island and to dinner. Later we learned that he is deeply involved with the Mafia, strongly suspected of killing his brother.

I plan to visit the British Isles this summer.

Meeting other people has been by far the most interesting and challenging aspect of the past year. Since most of my classes are with other foreigners, I have found it very difficult to meet the French, and note that every other foreigner I know has had the same problem.

The French just aren't terribly anxious to meet foreigners but, none the less, I have a few French friends and have met many fascinating people from all over the world—Greeks, Chinese, Arabs. So many have flocked to Paris and especially the Sorbonne. As I said before, life is very gay and a little uncertain. So many people come for a few months and leave suddenly.

Quite often I will see someone several days in a row, and not again for several months. As the campus is spread across the city, there seems to be less of a student quarter, more of a student aspect to every faction. For one thing student representatives are elected to many branches of municipal government and the national political parties take a very active interest in student politics.

Many students are very political and big rallies are frequent. Often they protest a conglomeration of things altogether. For instance, I recently went to one rally protesting the low wages of university restaurant employees, the holding of several Algerian political prisoners

and the U.S. imperialism in Vietnam. I have not yet heard anything favorable about the U.S. in Southeast Asia, even from the south Vietnamese.

Several people, though, mostly students, have said that the rest of the world is eagerly awaiting the American youth of today because we are the first

generation that has refused to fight. Of course, most of my friends come from the university—

tell I find it impossible to cram into one letter. I hope to see you again, soon.

Sincerely,
Pru

TWENTY-FIFTH YEAR UPCOMING—Installation of officers of Northville Business and Professional Women following dinner at Hillside Inn Monday was conducted by Mrs. Myra Roose.

District Nine Director, second from right, who poses with, from left, Mrs. Dorothy Guido, vice-president; Mrs. Marlene Danol, president; and Mrs. Virginia Plunkett, recording secretary.

Business Women Install Slate

Northville Business and Professional Women's Club embarked upon its silver anniversary year as it installed officers for 1972-73 at a dinner meeting Monday at Hillside Inn.

Mrs. Marlene Danol began her second term as president. Other officers installed in the ceremony conducted by Mrs. Myra Roose, District Nine Director, were Mrs. Dorothy Guido, vice-president; Mrs. Simone Sandrock, corresponding secretary; Mrs. Virginia Plunkett, recording secretary, and Mrs. Doreen Judd, treasurer.

Mrs. Inga Allen, immediate past president of the Northville club, was in charge of the meeting. Mrs. Sandrock, scholarship committee chairman, reported that the committee had selected the recipient for the 1972 Womanhood Award, which is accompanied by a check for \$150. It will be presented to a Northville High School senior girl at the annual awards banquet May 31 at the school.

Seven members of the club planted flowers in the new redwood planters at Main and Center streets and also in the planter at the entrance to the city parking lot on West Main (across from the planters) last Saturday, Michigan Week Civic Pride Day.

The club chose yellow marigolds and ageratum to carry out the state colors of blue and gold.

Seven members of the Northville BPW were among the nearly 800 women attending the 54th annual convention of the Michigan Federation of Business and Professional Women held in Grand Rapids this month. They saw Mrs. Phyllis Clark of Alma, a corporate accountant, accept the gavel as state president.

Involvement in all phases of activities for and about women is part of the club's program. Elevating the standards of women and service to communities and the nation are state aims.

Attending the convention, which included talks by

Kentucky stateswomen Katherine Peden and television's Lou Gordon, were Mrs. Danol, Mrs. Mildred Cucchetti, Mrs. Judd, Mrs. Marian Kellogg, Mrs. Plunkett, Mrs. Hazel Starr and Mrs. Grace Reed.

CONFeree—No. 1,000,000 at Michigan State University's Kellogg Center for Continuing Education was Karen (Mrs. William) Wilkinson of 45871 Fermanagh. She received an appropriate certificate from Dr. Armand L. Hunter, director of the MSU Continuing Education Service, May 15. Looking on were Mrs. Lois Kuntz of Manchester, chairman of the Michigan Council of Cooperative Nurseries conference, and Robert Emerson, Kellogg Center manager. Mrs. Wilkinson was selected to serve as No. 1,000,000 because that number would be exceeded as more than 1,000 parents and teachers registered for the nurseries conference and because she typified in many ways the million education-minded adults who have been served at Kellogg Center.

Honor 11 Girls

Eleven girls in Main Street Elementary School's Blue Bird Troop received their Camp Fire Girl pins in fly-up ceremonies Tuesday, May 23, at the scout-recreation building. Parents of troop members were guests at the pollock supper.

Participating under the

leadership of Mrs. George Berquist and receiving pins, certificates and honors were OnaLee Adams, Lynne Berquist, Sheri Bongiovanni, Marjorie Clark, Caren Coates, Jennifer Dawson, Sheila Harrison, Lesley Koenig, Amy Norton, Paula Puckett and Lynne Watt.

Parade Marks Memorial Day

Novi will honor its war dead Monday, May 29, as the traditional Memorial Day parade gets underway at 10 a.m.

Duane Bell, a veteran of World War II, will be honorary parade marshal.

This year under the direction of Philip Cozadd and James Leatherman of the Novi Jaycees, Peter Alcala, chairman of the Parks and Recreation Commission, and Herbert Farah, president of the Fireman's Association, the Memorial Day activities will include the parade and memorial services at the Novi

Road Cemetery, the memorial at the Novi Community Building, and the Orchard Hills Cemetery.

Cozadd expects one of the largest parades in the history of the event in Novi.

Led by various veteran organizations, the parade will include the Blue Star Mothers, the boy scouts, girl scouts, cub scouts, and brownies.

In addition, members of the Novi city council and Mayor Joseph Crupi will ride in cars in the parade, as will Todd Price and Mrs. Sandra Mitchell, presidents of the Novi

Jaycees and Jaycee Auxiliary, and Mr. and Mrs. Hugh Crawford, district Jaycee officers from Novi.

Officers of various Homeowner's Associations and the Novi Chamber of Commerce will also participate.

Featured in the 1972 parade will be the Novi High School marching band under the direction of Gordon Seiler.

Cozadd said he also expects a color guard from the National Guard and the "Muzzle Loaders," a colorful marching unit.

The Novi Fire Department,

Michigan Tractor, and Novi Towing will also enter units in the parade.

Parade officials are expecting a substantial number of decorated bicycles and are offering a \$5 prize for the best decorated bicycle, mini-bike, and riding tractor.

Further entries from local organizations are welcome. Information is available by contacting Alcala at 624-1088 or Cozadd at 349-7486.

All parade units should assemble in the vacant lot across from the Novi Cemetery at 9:30 a.m. The parade will then proceed to

the Novi Cemetery where Father Leslie Harding of the Holy Cross Episcopal Church, assisted by Reverend Philip Seymour of the Novi United Methodist Church, will conduct a short memorial service.

The assembly will then march down Novi Road to the Community Building where a wreath will be placed on the memorial marker and then proceed to the Orchard Hills Cemetery at the corner of Novi and 12 Mile Roads where a second short memorial service will be conducted.

School Board Names New Superintendent

A 38-year-old Southfield school administrator with a doctorate degree in education has been named superintendent of the Novi public school system.

By unanimous action of the board of education Monday, Dr. Gerald B. Kratz of 21410 Lathrup, Southfield, was hired as superintendent here effective July 1.

He will fill the post of Thomas Dale, who has resigned with the closing of the current school year.

The appointment ends a lengthy search for a new chief executive - that involved assistance from college placement services, screening of dozens of applicants, and interviewing of many of the candidates who were given priority standing.

Dr. Kratz comes to Novi from Southfield where since 1969 he has served as assistant superintendent of instruction and employee relations.

Married with four children, Dr. Kratz was administrative assistant-superintendent of personnel services in the Huron Valley school system (Milford) from 1966 until taking the Southfield post.

He was an administrative intern to the superintendent of the Detroit Public Schools (1965-1966) and administrative assistant of employee relations in Detroit in 1966.

Dr. Kratz began his educational career as a teacher at Catholic Central High School in 1955. The following year he became a teacher at Thursday High School.

In 1964-65 he was a teacher in the South Redford School District, and he taught night classes (driver education and recreational courses).

From 1960 to 1963 he coached track, from 1958 to 1962 was publication advisor, and in 1968-69 he was a guest lecturer for Michigan State University.

Receiving his bachelor of science degree from Wayne State University in 1955, he was awarded a master's degree in education from the same institution the following year. He received a humanities degree from Columbia University in 1964, and in 1969 received his doctorate from Wayne, majoring in curriculum development.

His doctoral dissertation was on collective bargaining. He assisted Dr. Samuel Brownell negotiate the first collective bargaining agreement in Detroit in 1966, assisted A.V. McCutcheon negotiate in Detroit the following year, and from 1967 to 1969 negotiated teacher and non-teacher contracts in the Huron Valley system.

His professional background has included: Camp director of youth activities, conducting teacher workshops, chairman of

a steering committee investigating a House plan concept, past official of the Michigan High School Athletic Association, and member of several professional associations.

He has been affiliated with the Parent-Teacher Association, member of the Redford Township Economic Opportunity Commission (1960), the Jaycees (now an "exhausted roster"), past president of the Huron Valley Human Relations Association, past representative of the Torch Drive, and a member of Kiwanis.

He served in the Air National Guard from 1957 to 1961 and in the Air Force Reserve from 1961 to 1964.

Dr. Kratz becomes the sixth Novi superintendent since the district was consolidated.

First superintendent Dr. William Medlyn served four years until he was replaced by Tom Culbert in 1961. Culbert remained until 1965, and was temporarily replaced by Gerald Hartman, who was named acting superintendent.

Later in 1965, Robert Young of Freeland twice accepted the post and twice rejected it, serving only three weeks on

the job before Dale was hired in January, 1966.

Appointment of Dr. Kratz fills Dale's post, but the post of Assistant Superintendent, T. Richard Hendrickson, who resigned recently to accept a superintendent's post this summer in Williamston, is yet unfilled.

While there has been no confirmation by the board, rumors suggest Dale may be considered for the assistant's post.

The salary of the new superintendent has not yet been fixed by the board.

DR. GERALD KRATZ

By Wixom Council

'72-73 Budget Adopted

Although Wixom's 1972-73 budget has been boosted to a new record high, just under \$700,000, the operational millage rate was peeled back slightly for the third straight year.

In giving the new budget its unanimous stamp of approval Tuesday night, the city council also fixed the millage rate at 5.7 mills following the public hearing. This rate, explained Mayor Gilbert Willis, represents a one-tenth mill decrease.

Also approved was a 4.4

millage rate, three-tenths of a mill decrease, against the city's sewer debt.

Only one change in the budget was made Tuesday, and no citizens raised any objections or comments about it during the hearing.

Overshadowing the new budget, however, was the disclosure that a government grant for expansion of the city's sewage disposal plant has been approved.

Cost of the project, which Mayor Willis predicted will

get underway before June 30, was put at \$1 million, with the government picking up 80 percent of the cost.

Because of federal government participation, which has long been sought by Wixom, officials are confident no increase in debt millage will be necessary.

First word of the grant's approval was contained in a letter from State Representative Clifford H. Smart. The letter was read to the council at a special

meeting last week Wednesday.

Calling it a "bread and butter" budget, Mayor Willis explained that the decreased operational millage rate was made possible by holding cost increases to a minimum and because of an increased equalized valuation, which was pegged at \$59,925,000.

Willis also noted that committed but unused funds from the present year's budget have been re-committed in the new budget, accounting in part for the record-high document.

Last year's budget was approved at just over \$625,000. Revised budget estimates, however, anticipate that this figure will climb to more than \$645,000 before the end of the fiscal year.

Lone budget change made Tuesday was prompted by a suggestion of Councilman Gunnar Mettala that the outlay for snow removal supplies be increased by \$1,000—from \$2,500 to \$3,500.

Mettala argued that in light of past costs for snow removal, the \$2,500 was unrealistic. He noted that citizens had raised "static" over the snow removal outlay.

In voting on this measure, two of the six councilmen voted "no." They were Mrs. Mary Parvu and Councilman Dr. Val Vangieson.

The change means \$1,000 is to be transferred from the contingency reserve to the snow removal account.

Questioned by Councilwoman Parvu, Mayor Willis disclosed that budget plans call for expansion of fire department facilities. He said negotiations for property is underway, but he declined to disclose details or location so as not to jeopardize the transaction.

Major salary increases in the new budget include:

MAYOR'S EXCHANGE DAY—One of the many steps of Vicksburg Mayor Franklin Smith and his wife Monday was Novi's new sewage treatment plant. Here Ed Kriewall, head of the Novi Department of Public Works, explains the operation of the plant, judged by some to be the most modern of its kind in the country and a prototype for the future. Novi City Manager George Athas (left) looks on. Mayor Smith and his wife came to Novi for the day, while Novi Mayor and Mrs. Joseph Crupi along with Mayor Pro-Tem and Mrs. Denis Berry journeyed to Vicksburg as a part of Mayor's Exchange Day in Michigan Week festivities. Mrs. John Roethel and Mrs. Leonard Karevich were co-chairman of Novi's Mayor's Exchange Day program.

For Randolph Drain

New Tax Eyed

Efforts to find an equitable and feasible method of financing drainage districts has led the Novi city council to consider the possibility of spreading an ad valorem tax over the entire city.

The whole question of drainage districts arose at Tuesday's council session when City Manager George Athas presented a report on the latest status of the Randolph Drain negotiations.

That discussion soon broadened, however, as Athas advised the council that several other drainage projects were of impending concern.

"The Randolph Drain could well be expensive," he said, "but it wouldn't be difficult to

arrive at a special assessment. However, we have the Palenales Drain matter staring us directly in the face when we complete the Randolph Drain and that would probably be an absolute impossibility to assess."

In as much as the financing of the Randolph Drain would set a precedent for the financing of future drain districts, Athas told the council it should set a precedent which could be easily applied to all drainage districts.

The Randolph Drain matter has been before the council for some time. Covering a major portion of Northville and that part of Novi west of Taft and north of Eight Mile

Road, the natural drainage district was disrupted when Northville allowed developers Thompson and Brown to construct Lexington Commons on a flood plain south of Eight Mile.

Representatives from Novi and Northville met with an Oakland County Interdistrict Drain Committee to arrive at a solution after nearly a year of long, hard-fought sessions filled with charges and counter-charges, a settlement is near.

"There is still some question about the total cost of the project," Athas reported, "and there is still some question as to whether the piping will stop at Eight Mile Road and come up into Novi at a later date or come up into Novi now."

"It's our position," the city manager continued, "that we will not get involved in the matter unless we have a full legal guarantee from Northville that if we do stop at Eight Mile now—in the future, when we're ready to develop the area, Northville will not deny us capacity in the line."

Much of the controversy between the two cities centered around the division of costs. Northville originally wanted a 50-50 division, but Novi argued that in as much as the Drain covered a significantly larger percentage of Northville than Novi, that the Novi land to be serviced by the Drain was largely undeveloped presently while the Northville land had been developed, and that the problem had been created by Northville in the first place, a more equitable division of cost should be arrived at.

As matters presently stand, Novi will have to pay 24 percent of the cost.

Athas also told the council Tuesday that area developers might ease the burden. Thompson and Brown and another developer with property to the west have indicated they might put in the necessary piping in Novi at their own expense. Athas reported.

Announce Plans For Graduation

United States Representative Jack McDonald will be the featured speaker at the fourth annual Novi High School commencement exercises slated for Tuesday, June 6, at 8 p.m.

School Board President Gilbert Henderson will distribute diplomas to the 115 members of the class of 1972. In a break with tradition, commencement exercises will be held outdoors on the high school football field.

Announcement that McDonald would be the commencement speaker was made Monday by High School Principal Hal Seymour, who outlined the schedule for the year-ending activities.

Senior's Honor Convocation will be held Tuesday, May 30, at 9:30 a.m. in the School Commons. Parents are urged to attend as awards and scholarships are presented to outstanding individuals. Seymour stated.

Senior exams will be held Wednesday through Friday, May 31 to June 2, while senior commencement rehearsals will take place Thursday and Friday, May 25 and 26, and

Tuesday, May 30. All rehearsals will be in the morning.

Father John Wyskiel of Northville's Our Lady of Victory Catholic Church will deliver the main address at Baccalaureate services Sunday, June 4, at 8 p.m. The Reverend Arnold Cook of Novi's First Baptist Church will deliver the invocation.

Exams for non-seniors will be held Wednesday, Thursday, and Friday, June 7-9.

Novi Council Sits Tuesday

Novi's city council meeting will be held Tuesday next week due to the Memorial Day holiday.

All city council meetings are held Monday night except when special circumstances or holidays interfere with that schedule.

Next week's meeting will be held Tuesday, May 30. As usual, the council will meet in the City Hall at 8 p.m.

KIDS VERSUS COPS—It'll be Wixom's first annual "Kids versus Cops" softball game tomorrow (Friday) at 4 p.m. behind the Wixom City Hall. Led by Chief George VonBehren and City Attorney Gene Schnelz, Wixom's "finest" will take on a crew of local teenagers in the crucial showdown. Here David Henry (left) takes an "eagle's claw" victory over Police Investigator Walter Sprenger, while Records Clerk Larry Rourke eyes the proceedings. The game is part of the city's Hospitality Day festivities in its week-long celebration of Michigan Week.

Name Auxiliary Officers

VFW Installs Utley

Officers of Northville Veterans of Foreign Wars Post 4012 and the auxiliary were installed for 1972-73 in ceremonies Sunday at the VFW hall.

Myron L. Utley is the new post commander. President of the auxiliary is Mrs. Beverly Lanning.

Serving with Utley are Louis Lanning, senior vice-

commander, Vernon Biddle, junior vice-commander; William Widmaier, quartermaster; Lawrence McArthur, adjutant, William Durham, post advocate;

Harry Yorch, chaplain.

Others are Everett McCollum, surgeon and guard, Douglas Slessor, youth activities chairman and public relations; Don Pratt, patriotic instructor; Sig Brevik, post historian; John Steinel, employment officer; Mike Myers, service officer; Lloyd Morgan, community service officer, national home representative and trustee. Completing the post list are Harry Yorch, buddy poppy chairman, Henry Collins, child camp representative; Lawrence McArthur, legislative officer; Cloyce Myers, officer of the day; Jack Mosher and Clayton Myers, trustees; and William Durham, Q. M. sergeant and V. O. D. chairman.

Serving the auxiliary with Mrs. Lanning are Mrs. Dorothy Myers, senior vice-president, and Mrs. Betty Morgan, junior vice-president. Mrs. Margaret Williams is conductress.

Other auxiliary officers are Mrs. Beatrice Myers, secretary; Mrs. Irene Durham, treasurer, Mrs. Jean Utley, patriotic instructor; Mrs. Betty Kupsky, banner bearer; Mrs. Terri Durham, flag bearer, Mrs. Eileen Sousa, chaplain.

Color bearers are Mrs. Pat Yorch, Mrs. Dorothy Biddle, Mrs. Sandra Myers and Mrs. Helen McCollum. Mrs. Loretta Sperkowski is guard, and Mrs. Virginia Lach, Mrs. Lee McArthur and Mrs. Dorothy Widmaier are trustees. Mrs. Flossie Brevik is historian.

Commander, President-Elect Myron Utley and Beverly Lanning

Aftermath of Fire

They Ponder Future

The shock of the fire that destroyed their laundry and dry cleaning business remains with Harvey and Richard (Skip) Ritchie a week later as they ponder their future in business.

Only the walls and a boiler room at the 331 North Center street Northville Laundry building remain following the 1:30 a.m. fire Wednesday, May 17.

Completely destroyed was an estimated \$100,000 in equipment and customer laundry and dry cleaning.

Amerman Honored

As part of Amerman Elementary's Michigan Week activities, the school observed Tuesday as Amerman Day.

Guests at a luncheon and assembly included Mr. and Mrs. Russell H. Amerman. The school was named for Amerman, long time Northville school superintendent.

Honored at the assembly were nearly 60 mothers who worked regularly as classroom and library volunteers each week, Principal William Craft said.

The mothers were introduced at the assembly and presented with a flower in appreciation of their contributions to the school over the past year.

Other guests at the assembly included Superintendent Raymond Spear, Director of Instruction Miss Florence Panattoni and Amerman staff members.

The Ritchie brothers are undecided about the future. They seem certain that they'll never enter the family laundry business again. "Maybe shirts and dry cleaning", they echo.

A lot depends upon damage to the building itself and how much it might cost to restore the facility.

(See "Speaking for The Record", page 14-A)

Meanwhile, the two brothers are turning their attention to settling the immediate problem of cleaning up after the fire.

They point out that all the winter clothes storage orders are safely stored elsewhere.

Some of the dry cleaning—those orders slated for delivery on Wednesday through Saturday of last week—was cleaned in Plymouth and has been taken to Bloom Insurance Agency, 108 West Main street, where it may be claimed by customers.

All the family laundry and shirts done completely at Northville Laundry were lost in the fire.

Legally speaking, there's no obligation on a service business to make compensation for customers' items lost through fire, so long as negligence isn't involved, the Ritchies explain.

"But we feel very badly about the thousands of items destroyed and we want to do whatever we can to assist customers in recovering their losses", Harvey stated.

They advise all customers to file their claims for lost clothing with their

homeowners' insurance agent. If there are customers who do not have insurance on their possessions, they can file a claim directly with Northville Laundry (see advertisement, page 7-A).

The fire also means the loss of employment for 15 employees, another concern of the Ritchies. "We've told them to file for unemployment. We don't know what we'll do about the business", they added.

Cause of the fire is still undetermined. But the fire marshal's report indicates that it was started at the rear of the building, in the double garage, where two new delivery trucks were housed.

The report also states that "the fire was not accidental".

Ironically, Harvey followed fire trucks called from Plymouth to the fire, not knowing they were going to his building. He had been out of town for the evening and was returning home.

Both brothers noted that pictures appearing in The Record last week showed one of the garage doors open.

"We had closed at 6 p.m. and everything was locked up. Someone would have had to open the electronically controlled door from the inside, unless the fire caused a short, or something, and the door came open because of the flames", Harvey pointed out.

"It's hard to understand how a fire would start in the garage seven hours after we'd left the building added Skip. The Northville Laundry building was constructed in 1934 by the Frid brothers,

Cyril and Sidney. They operated the laundry until 1946 when they sold to Edwin Male, Acel Dayton and Walter Stamann. The Frids retained ownership of the building until July, 1967 when the Ritchies purchased both the business and the building.

Shortly thereafter the Ritchie brothers closed their shirt and dry cleaning business at 133 North Center and expanded into the family laundry business in the new location.

In five years they had replaced nearly all the equipment, automated the operation, rewired the building and improved the front and entrance area.

Nelson Schrader

Lighting is important both for comfort and for decorative effect. First, check your rooms to see if the lighting is adequate. Is every reading chair provided with its lamp? Are there lights near beds, and is lighting easily accessible from every doorway? Are the lights in your cellar workable, adequate? Do your larger closets have adequate lighting? First discover where the needs are for lighting in your home; then let your decorator's instinct go wild!

Discover the service—the prestige lines of furnishings available from SCHRADER'S HOME FURNISHINGS, INC., 111 N. Center St., 349-1838 and 825 Penniman, Plymouth, 433-8220. See Henredon, American of Martinsville, La-Z-Boy Recliners, Kroehler, Stiffel Lamps and Simmons Bedding. Convenient credit terms or charge with Master Charge. Hours: 9 a.m.—6 p.m. Mon thru Thurs, 9 a.m.—9 p.m. Fri and Sat, Closed Sun.

HELPFUL HINT: Cover telephone directories with wallpaper samples or cloth that match your room.

Folino of Main Street, Paul Wiegand and Enga Knoth of Amerman, Laura Bridson of Main Street and Bob Boshoven of Moraine.

KEEN Urges Board

Don't Cut Activities

Co-chairmen for Northville's KEEN committee appeared before school board members Monday night, seeking assurance that the board would not "zero in on one group of activities to make the cuts."

William Fuertges and Eugene Cook, co-chairmen of KEEN (Keep Educational Excellence in Northville) told trustees their committee is "working very hard to see the one-mill for operation passes in June, but we suggest you take a close look at your

proposed cuts."

Extra-curricular activities, sixth hour at high school, food service, transportation program and second assistant principal at the high school have been threatened by the defeat of millage in April.

The KEEN committee, a group of interested citizens, petitioned the board to place a one-mill question on the ballot in June.

"Extra-curricular activities are a criteria for acceptance at many schools," Cook commented, "and I

want to be sure the desires of the people working on the millage are coming across to you (board members) loud and clear."

Cook pointed out that if the millage fails he hoped the board would not cut out all activities without making cuts in other areas.

Trustee Glenn Deibert lashed out at Cook, asking, "Why aren't you more adamant about the (sixth hour)? You've already told us you have no faith in our

judgement in the amount of millage we need or in what we will cut."

Cook said the committee did not disagree that 1.5 mills (asked for in April) was needed, but "we are trying to deal with today's climate and one mill may be a possibility while we know 1.5 mills is not."

Board president Dr. Orlo Robinson said the board "will do all in our power to keep the total program in the schools if the one mill passes."

NOVI HIGHLIGHTS

Jeanne Clark
MA 4-0173

Mrs. Lucy Needham attended the 30th anniversary of WAC Veterans at a luncheon this past week at the Club Legionaire in Highland Park. Announcement was made at the Eagles Club on Sunday evening of the forthcoming wedding of Mrs. Marjorie Mac Gillivray of Stassen Street and Mr. Alexander Glance of St. Clair Shores. They will be married on August 19.

Mr. Frank Davis of Glenda Street has entered University Hospital in Ann Arbor and will undergo surgery. His room No is 10-453.

Miss Ruth Munro and her cousin, Tommy Van Sickle, returned home on Friday with friends who had been away at school in Texas. Ruth will be spending her summer with her family on Taft Road.

Mr. and Mrs. Bill Rackov spent several days last week at their cabin in Marion, Michigan.

Mrs. Mae Atkinson was the guest of her sister, and her husband, Mr. and Mrs. Hadley Bachert, at a birthday dinner at Lims in Farmington this past week.

Mr. and Mrs. Richard Ritter of Taft Road have returned from Careyville, Tennessee where they had been called by the death of Mr. Ritter's brother and sister-in-law, the Reverend and Mrs. George Ritter, in an automobile accident.

Mrs. Marie Travis has returned home after spending two weeks visiting relatives in Mechanicsburg, Pennsylvania.

The sophomore class at Novi High School has completed its paper drive and will be using the money in its treasury for next year's prom or trip.

The French and Spanish clubs will be going to Grove High School in Birmingham on a cultural trip, to see how another school functions in their language department.

Novi Rebekah Lodge

A sewing bee was held Monday at the Lodge Hall with Mrs. Rowena Salow as hostess. At this time Mrs. Mae Atkinson was pleasantly surprised with a birthday cake.

Regular lodge meeting will be held on Thursday, May 25 and final plans will be made for the rummage sale scheduled for June 2 at the hall. There is a need for help in marking items on June 1. Anyone having extra time is urged to come. Ladies also are reminded of the bake sale to be held on June 2.

All Oddfellows are reminded of the meetings on the second and fourth Tuesdays. More members are asked to be present.

Member Hazel Balay is a patient at Pontiac Osteopathic Hospital.

First Baptist Church
Special Music was presented in the morning worship service by the Faith Chorus and Karen Clarke, with organ prelude by Peggy Stewart.

The youth group was shown slides by Richard Pierce of his recent tour of duty in Vietnam and Australia as well as slides of the trip taken by some of the young people at Columbia. There was good attendance at the showing of "For Pete's Sake" in the evening service.

Everyone is reminded of the message to be brought by Roy Frink on Wednesday evening. The Faith Chorus will have practice at 7 p.m. with the message at 7:30. A dessert fellowship will follow.

Young people are reminded that June 4 will be Grad's Day in the Morning Worship and all seniors are asked to wear their caps and gowns for that day. Also, the annual senior banquet is coming up in June. Everyone is asked to contact Mr. Whyte for reservations. Place for the banquet this year will be at Metropolitan Airport Restaurant.

Baseball games this coming week will be on Thursday, May 25 at 7:15 and on Tuesday, May 30 at 8:30 p.m. All games are played at the Walled Lake Junior High School.

Novi Senior Citizens
Jaycee Auxiliary entertained the Novi Senior Citizens at the United

Methodist Church on Ten Mile Road on Thursday, May 18. Chairman was Past President Mrs. Hugh Crawford and a committee of very willing workers. Each lady was presented with a string of pearls. All the men received coin pouches, and each guest received a medicine holder—courtesy of the Novi Drug. A covered dish dinner was enjoyed by all. The program included singing with several solos. Janet Mac Culloch accompanied on her guitar. Games were played at the party also. Special guest was Mrs. Laney Henderson, past president of Senior Citizens, who is visiting here from Virginia.

Business meeting was held on May 23. Mr. and Mrs. Henry Bashian were in charge of refreshments, with assistance by Mr. and Mrs. Race. Everyone is reminded to get reservations in for the bus trip on May 31. Mrs. Little may be called at 349-2219 for additional information.

Novi United

Methodist Church
The Anthem for Sunday was "Love Divine," and sermon was titled "Laws of God or Man?" with Scripture from Matthew 19:3-8. Flowers on altar were presented by Mr. and Mrs. John Henderson in memory of his father, George, and her mother, Monra Gentile Greeter was Mrs. Eve Cotter. Acolyte was Lori Fox. Ushers were Mindy Cullham and Teena Wilkins.

Everyone is urged to get articles in for the newsletter as soon as possible. The week's activities include the administration board meeting on Tuesday, choir on Wednesday and a get-together at the Pelchat residence on Aspen Drive on Friday. Next Sunday morning the adult discussion group will be an all-church open meeting to review possible annual conference regulations. Regular service is at 11 a.m. The MYF will meet to make final plans for the Sunday service it will be leading in June.

Novi Girl Scouts

The following leaders attended the Farmington-Novi area meeting at Camp Narrin on Monday: Shirley Brooks, Skip Tuck, Ginny Folsom, Ruth McKay, Ann Reynolds, Pat Beers, Gloria Kelley and Mary Beth Piatt.

The Orchard Hills troops had their annual Mother-Daughter Banquet on May 15. About 240 were present at the potluck dinner. Program included a display of the year's activities, and each troop presented a song. Special guest was the field director from the Girl Scout office—Rhea Sorvari.

Troop 711 had a Father-Daughter Bowling event at Northville Lanes recently. It will finish up troop activities with a cook out at Meadowbrook Lake in the park.

Troop 913 continued with plans for Camp Narrin and worked on a menu. Members also worked on their "Songster" badge. This troop also participated in the Novi School Fair by helping to clear tables during the pancake dinner.

The Cadette troop went to see "Fiddler on the Roof" at Northland Theatre. Ten mothers and about 18 girls were present. This troop also is finishing its plans for camping at Camp Narrin on June 10 and marching in the parade on May 29. The troop participated in the School Fair by working in the popcorn concession area.

Troop 404 had a singing meeting and practiced for the fly up. Cathy Sova brought treats.

Troop 351 made May basket tray favors and practiced for fly-up. The following girls will be flying up: Nancy Burton, Sherrie Kees, July Lawrence and Lynn Conway. Any girls in the third grade next year should contact Mrs. Wilenius now to be on the waiting list for this troop next fall. Treats were brought by Michelle Stan, and Mrs. Stan assisted at the meeting.

Village Oaks troops had their Mother-Daughter Banquet on May 16, featuring a potluck dinner. Special guest at the program was a spokesman of the American

Legion who explained the meaning and care of the American Flag. They then donated a flag to Brownie Troop 519. The program also included a fly-up ceremony.

Novi Cub Pack 54

The following Webelos participated in the "Circus" program: Arthur Niel was an organ grinder, Jeff Smith as a clown, and Glen Tomaszewski.

On May 19 the following awards were presented: the Wolf Patch, gold and silver arrow to Robbie McDonald; Tom Stone, the wolf patch and gold arrow; Scott Putansu, the wolf patch, and gold and silver arrow; Allen Helm, silver arrow; Dan Saboley, the gold arrow; Steve Smith, silver arrow; Danny Haas, the bear patch, and gold arrow; Scott Derrick, bear patch, gold and silver arrow; Richard Byrne, silver arrow; and Paul Wysocki, silver arrow.

Special recognition was given this month to Glen Tomaszewski who was awarded the highest Webelos award the Arrow of Light. He also received the aquanaut and scholar awards. Jeff Smith received the traveler, engineer, aquanaut, scholar awards and a dinner strip, Mark Ortwin, the artist, athlete, and assistant dinner strip, and Fred Smith was promoted from the Bear to Webelo.

At the program the colors were presented by the Webelos assisted by Paul Wysocki and Fred Smith. The boys also participated in a shoebox relay. Also at the Pack meeting there was a pie auction—baked by the boys and fathers. They raised \$25 for their pack treasury.

Announcements were made regarding Cub Master Bill Milan, who will be moving to Farmington, and Tom Stone will be moving to Farmington. Den Chief Tom Bell, who has been helping with Webelos, will be leaving to enter the service. David Brown of Den 8 was unable to be present as he was in a bike accident. This will be the last pack meeting until September. However, the Pinewood Derby will be on June 16 at the Community Building. The meeting finished with refreshments by Den 8.

Cub Scout Pack

Orchard Hills

Novi Cub Scout Pack 240 met at the Orchard Hills School on May 18. The pack meeting opened with a flag ceremony conducted by Webelos and assisted by Den 2. The welcoming committee was Den 6. Sit up was done by Den 4 and Clean up by Den 5.

Webelo Rick Jensen received the Arrow of Light Award in a ceremony. Boy Scouts Gary Anthony and Jeff Laverty returned to receive a plaque which is to serve as a reminder of their Cub and Webelo activities and accomplishments.

Acting Cubmaster Ron Iseli and Awards Chairman Marilyn Rice presented the awards to the following: Skip Soli of Den 2, one silver arrow; Todd Cichon of Den 3, wolf patch, gold arrow, and one year-pin. Cubs Todd Cichon, Todd Gillick, Chris Caudell, Marc Brinker, Dan Dye, Hugh Dye, Terry Smith are all eligible for the "Soar Patch" when they are received from council.

The Webelos also earned awards: Rick Jensen, Arrow of Light, engineers, geologist, showman, and traveler, John DeBrule, aquanaut, engineer, scholar, sportsman; Paul Young, forester, showman

and sportsman; Craig Iseli, artist, forester, sportsman; Craig Adams, aquanaut, artist, forester; and Dave Blackburn, forester.

Ron Iseli is temporarily acting as cubmaster. The Pack is seeking a permanent cubmaster because Rick Barbara has transferred to Livonia where he resides.

The Theme for the evening was "Beautiful America" and each den made a report of individual projects to beautify America. Webelos Den 1 presented skit and Webelos Den 2 performed a puppet show. With these endeavors, the Webelos became eligible for the showman award. During the refreshment break, guests were asked to browse among the individual items the den and cubs had for sale at the Orchard Hill School Fair. Meeting closed with singing of "America the Beautiful" as the flags were returned.

Effective, May 15, Mrs. Mary Fear will be the new den mother of Den 4 and her assistant will be Mrs. Maria Milmichuk. There will be committee meeting on May 31 at the De Brule residence to finalize summer activities and project the pack calendar through May, 1973. Next Pack meeting will be Saturday, June 10 the Soap box Derby. Mr. Bill Brinker and a committee of fathers from each den will perform details. These fathers are Mr. Soli of Den 2, Mr. Thomas of Den 4, Mr. Boudreau of Den 5, Mr. Braeseker of Den 6, and from the Webelos Mr. Bergstrom and Mr. Adams.

The pack would like to take this opportunity to thank Mrs. Marcie Breberick formerly of Den 4 for her efforts on behalf of her den. Memorial Day Parade will start at 9 on May 29 and meet across from the cemetery on Novi Road. All leaders, cubs and webelos are asked to wear full uniform.

July activities will be to man a booth at Novi Gala Days August plans include going to Tiger game.

Novi Cub Scout

Pack 239

Village Oaks

Thursday, May 25 at 7:30 will be the Pinewood Derby at Village Oaks School and all boys are reminded that they are only to use the materials in the kit to make their project, except for paint and decals. All those additional materials will have to be disqualified, officials said.

Jaycee Auxiliary

On May 27, the Jaycees will be treating the wives to an "Appreciation Night". The men will be fixing the food, etc. Everyone also is reminded of the installation banquet on June 3 at the Squires Table. Reservations should be in as soon as possible.

Marilyn Wolcott was entered for the outstanding Jaycee Award for the entire state. She was one of five winners. Her award was presented last week at the state convention in Flint.

Novi Pin Pointers

The Novi Pin Pointers held their banquet at the D.R.C. and all had a very good time. First Place trophies were presented to Shirley Selep, Bernice Harrawood, Pat O'Malley, Shirley Shank. Second Place trophies were presented to Barb Car-

michael, Mary Lee Assemany, Del Fisher and Pat Crupi, who also won trophy for high game and high series. Rita Stockemer won the trophy for the high three. Last place trophy was given to members of the Mission Impossible team composed of Pat Kennedy, Fran Tamm, Doris Holroyde and Marve Davey. There were seven perfect attendance awards and a special trophy was given by the members of the Weber Contractors team to their sponsor. Everyone is asked to look for announcements regarding fall bowling in August.

VOICE

Elections were held at the meeting last week with the following results: President, Philip Ashley; vice-president, Tom Swope; secretary, Joan Petrowski; treasurer, Bob Beckman. On the board: Joel Collicau, Pete Peterson, Pete Vasilion. The class with the most parents present was the second grade.

Novi Goodfellows

There will be a meeting of the by-laws committee on Thursday evening at the Rosewood at 7 p.m. Those on the committee are Eugene Choquet, Joyce Brewer, Florence Harris, Shirley Worley and others.

Holy Cross

Episcopal Church
Acolyte was Gayle Hajjar, ushers Chuck Lehman and Carol Oberg.

Tuesday, May 23 and every Tuesday thereafter E.C.W. workshop will be held from 10 a.m. to 12:30 p.m. to make items for the Bazaar at the church. Anyone with questions may call Mrs. Letzring, president.

Novi Rotary

Speaker last week was William Spence of Detroit Edison who showed a picture on space exploration and the benefits to be received from this study.

All Rotary clubs promote a "Rotary Club Study Exchange". This is a program in which any business or professional person may apply. However, they must be between the ages of 25 and 35. Novi is a part of District Number 638 which encompasses the counties of Oakland, Livingston, Macomb, and Washtenaw and part of Canada. From this area there will be five chosen who will then be sent to India to travel and observe other Rotary clubs for a period of two months.

The Rotary Club is helping on the Boy Scout project by obtaining better facilities at Lost Lake Reservation. Everyone is reminded of the installation coming up at Squires Table. Special speaker at the meeting in two weeks will be Father Leslie Harding of the Youth Assistance Committee.

Living Lord

Lutheran Church

Day Care Nursery

The children will be finishing up their projects. School ends June 16. The summer program of two days a week, Tuesday and Thursday, will start on June 19 for all 2 1/2 year to 5 year-olds, and activities will include field trips.

WIXOM'S HONORED CITIZENS—These six Wixom senior citizens were honored by the local Chamber of Commerce Tuesday at a special dinner at the Walled Lake Vocational education center. Each was presented an "Outstanding Senior Citizen" award and cited for his contributions to the development of Wixom. From left to right are Lillian Bird, Hilda Furman, Johanna Ware, John Lutz, Frank Robinson, and C. A. Smith. The awards were presented in conjunction with Heritage Day in Wixom's celebration of Michigan Week.

Chamber Honors Six in Wixom

Six awards were presented to Outstanding Senior Citizens of Wixom. Tuesday night at a banquet sponsored by the Chamber of Commerce.

The dinner and awards were held in conjunction with the City's celebration of Michigan Week.

Over 100 "seniors" attended the banquet held at the Vocational Education Center with the president of the Chamber of Commerce, Charles A. Smith, acting as master of ceremonies for the evening.

Oakland County Commissioner Lew Coy and Mayor and Mrs. Gilbert Willis of Wixom were also on hand to take part in the awards ceremonies.

The six people honored were chosen from nominating letters sent to the Chamber by the community.

An honorary award was presented to Charles A. Smith for his work in the Chamber and with the businessmen of Wixom.

Regular awards were presented to Mrs. Lillian Byrd, Mrs. Johanna Ware, Frank Robinson, Miss Hilda Furman and John Lutz.

Mrs. Byrd received her award for her work on the Election Board and the Board of Review. She was also the first City Clerk of Wixom.

Mrs. Ware, "unselfishly active and tireless in her efforts for the community", was a planning board member for 15 years.

She also continues her work at night as a registered nurse at the Farmington Convalescent Home. She is an active member of St. Williams Parish, the parish council, the Altar Society, St. Louis Fraternity, and the St. William's Senior Citizen Club.

Robinson received his award for his efforts in forming the Wixom Senior Citizens Social Club and acting as its first president.

Miss Furman, "an in-

spiration to young and old" and a devoted citizen of Wixom, is also known as "The Wixom Historian". She loves to share her knowledge and is always willing and ready to actively participate in community affairs.

Lutz is remembered for sponsoring a train trip to Lansing for the school children of Wixom Elementary, complete with staged train robbery. He was the driving force behind the

tot playground at City Hall, an active member of the Walled Lake Kiwanis Club and is now involved in bringing a wild animal circus to Wixom in June.

Arrangements for the awards dinner were made by Mrs. Lillian Spencer and Mrs. Florence Coy. The awards committee included Mrs. Nancy Liddle, Mrs. Spencer, Smith, William Travis, city treasurer, Mrs. Coy and Councilman Elwood Grubb.

Reserve Booths For Gala Days

Amusement rides have been hired, entertainment has been lined up, special events have been scheduled, and requests for booths and display space are running well ahead of last year's pace.

That's the report from the Jaycees who are busily completing arrangements for Novi's Gala Days celebration slated for Thursday through Sunday, July 20-23.

"We think we're going to have the biggest and best summer festival ever held in this area," said Todd Price,

president of the local Jaycees.

There are still a few boothspaces available, however, Price added. A 10-foot booth in a tent costs \$25, while outdoor display space is \$1 per foot in 10-foot increments.

School groups, area businesses, homeowner associations, churches, and community service organizations have already been allotted space. Reservations for booths may be made by contacting Price at 349-7572.

Police Blotter

In Novi

Charges of driving under the influence of liquor and resisting arrest have been brought against a 48-year old Novi man — Jack Sterling Lambath, Senior, of 41089 Malott Drive.

Lambath was arrested by police Thursday, May 18, on charges of drunk driving. He was taken to the Novi police station where he consented to take a breathalyzer test, police reported. Just before the test was to be administered, however, Lambath attempted to leave the station and walked into the arms of Corporal Frank Barabas.

Lambath started fighting and was subdued by Barabas and Officer Gerald Burnham after considerable damage had been done to the Detective Bureau trailer.

He was handcuffed and taken to the Oakland County Jail.

It was a bad week all the way around for the Lambath family. On Tuesday, May 16, Jack Lambath, Junior, 20, also of 41089 Malott, was arrested on charges of larceny from a motor vehicle.

Young Lambath allegedly was stealing cigarettes from a vending truck parked at Dolan's Marathon station on Novi Road.

Responding to a report of a suspicious person in the area, police found Lambath lying underneath one of the vending trucks. Officers also reported finding a quantity of cigarette packs and cartons, which had apparently been taken from one of the trucks, lying scattered about on the ground.

Lambath was lodged in the Oakland County Jail before being released on \$2,000 personal bond. Exam date was set by Judge Martin Boyle for June 2 at 11 a.m. in the 52nd District Court.

Police are investigating a case of larceny which occurred at the Olde Orchard

condominium models last week. Stolen were several refrigerators valued at \$1,050. The appliances were still in their shipping crates when stolen, Olde Orchard authorities told police.

An automobile belonging to Zachary Fox and stolen from Novi's East Shore Tavern was recovered by police last week.

Investigating a report from the Northville Police Department, Novi police found the car involved in that case was the same one stolen from the East Shore Tavern.

The car was recovered and Dennis J. Noonan, charged with being drunk and disorderly by the Northville police, was charged with the theft of the auto. Noonan is a Farmington man.

Equipment valued in excess of \$900 was stolen from the trunk of Ronald Frantz of 46225 Nine Mile Road last week.

Frantz told police that thieves broke into the trunk of his car and removed the spare tire, two saddles, and various other equestrian equipment.

Four men were charged with driving under the influence of liquor by Novi police last week. William Ralph Gordy, 47, of 18 Hillcrest in Northville; Ernest George McGregor, 55, of 113 West Main in Northville; Robert Lee Nurnberger, 27; and Alphonse Thomas Gabriaui, 54, of Livonia are all slated to appear before 52nd District Court Judge Martin Boyle on the charges.

COURT NEWS

Gregory Sowa of Walled Lake and William Foley, Junior, of West Commerce, pled guilty to the reduced charge of attempted larceny from a vacant building before Judge Martin Boyle last week.

Each man was sentenced to one year probation and fined either \$100 or 90 days in the

Oakland County Jail. In addition, each was ordered to pay \$95 in restitution to the Novi Drug Store for damages done.

The two men had been apprehended by Novi police March 29, 1972, for allegedly attempting to break into the Novi Drug Store.

In Wixom

Wixom police are looking for a pair of men - possibly brothers - who were involved in a fracas at the Continental Bar last week.

Donald Burleigh, owner of the bar, told police he was having trouble with one of his clients and asked the man to leave. At that point the man took a swing at him and was consequently grabbed and carried outside, Burleigh reported.

Once outside the first man was assisted by a second man who jumped on Burleigh's back. The assistant manager and a patron helped Burleigh with the two men, who reportedly drove off in a pickup truck.

Exterior light fixtures valued at \$125 were stolen from the Flowers by John shop last week.

John Parvu reported the theft to police. The fixtures were taken sometime during the evening of Saturday, May 13.

Officers were called on to remove a racoon from the attic of the flower shop Tuesday, May 16. Parvu estimated that the animal had done roughly \$200 worth of damage to the attic of his store. After half an hour and several different approaches, Officer Vern Darlington and Investigator Walter Sprenger were able to capture the

raccoon. It was released in the Proud Lake Recreation area.

Two larcenies from an auto were reported by workers at the Ford Wixom Assembly Plant. John Buxton Williams, Junior, of Detroit told police the car of his trunk had been entered and the spare tire removed Wednesday, May 10, between 6 a.m. and 2:30 p.m. while he was at work in the plant.

A Belleville man suffered the same loss during the same work shift on April 10. Russell Howard Harris reported the lock on his trunk had been punched out and the rear tire removed.

In Township

Township police have charged a 36-year-old Westland man with soliciting children for immoral purposes (exposure).

Harold G. Paxton was arrested by police May 15. According to reports, he had approached three children between the ages of 10 and 12 in a field at Ladywood and Bradner roads in the early evening hours.

When arrested by police, Paxton was wearing a long black wig and dark glasses.

He is free on \$100 bond and no date has been set for arraignment, court officials said.

Vandals did more than \$230 damage to National Pride Car Wash at 39780 Five Mile Road late last Thursday or early Friday.

According to reports, unknown persons entered five of the six car wash bays, breaking into a towel dispenser, slashing hoses and stealing 11 plastic signs.

A girl's green Schwinn bike and a spare tire from a car were reported stolen last week from 18169 Jamestown Circle. The bike was taken between May 13 and 14 while the tire was stolen from the trunk of a car between May 17 and 19.

In Northville

A plate glass window, valued at \$200, was broken at Northville Green Apartments Monday afternoon. Police are continuing to investigate the vandalism.

The rear window of a vehicle parked at Eastlawn Convalescent Center, 409 High Street, was shattered last Thursday evening. The damage occurred between 8:30 and 11:30 p.m.

A flute was reported stolen last week from the band room at Northville High. Value of the instrument, when new, was \$135.

SIGNAL INSTALLED—After more than a two-year wait, a traffic signal was installed at Seven Mile and Northville roads Friday. The signal, temporarily only blinking a yellow caution, will become a conventional green-red light once motorists are accustomed to its location.

Spearheading the light's erection was a Northville Township citizen, V. E. Clement, 18541 Jamestown, who fired off numerous letters and telephone calls to the county road commission before receiving assurance from Commissioner Philip Neudick that a light would be installed.

Swimming Dates Revealed

Northville High swimming pool will begin its summer schedule of lessons and open swimming Monday, June 19.

Monday through Friday, swimming lessons, sponsored by the Recreation Department, will be held from 1 to 3 p.m. Open swimming times are 3 to 5 p.m. Monday through

Friday, 7 to 9 p.m. Tuesdays and 1 to 5 p.m. Saturday.

Charges will be made of 65 cents for students and \$1 for adults.

The schedule will be in effect through Saturday, August 19.

Students enrolled in the

Title 1 program will use the pool from 8:30 to 9:30 a.m. Monday, June 19, through Tuesday, July 11.

School officials remind swimmers that all girls must wear bathing caps and everyone must bring his own suit and towel. Children

under eight years of age must be accompanied by an adult.

Persons using the pool are asked to use the side door of the high school when entering and leaving the building. The door is located between the music and physical education departments, just off the west side of the parking lot.

In Novi

Eye Sports Stadium

Novi could well become the indoor sports capital of Michigan if the present rate of development continues.

The city council heard requests from three developers Tuesday in regard to the establishment of a bowling alley, an ice rink, and a roller skating rink.

In each case, however, direct action on the request was stalled pending further investigation.

Plans to build a bowling alley-restaurant complex are

held by J. Robert Langon. If completed, the complex would be on the northwest corner of Novi Road and Grand River, surrounding Dave's Hamburger stand.

Langon would like to build a culvert over the Walled Lake tributary which runs through his property and two weeks ago asked the council to allow him to do so. At that time the matter was referred to City Engineers Johnson and Anderson, who submitted their findings Tuesday.

The essence of those findings was that they could not make a statement regarding the feasibility of constructing such a culvert until further plans and charts have been submitted. Also, the engineers informed Langon that he would have to obtain the approval of the Department of Natural Resources regardless of what action the city finally takes on the matter.

Langon has obtained the liquor license of Duke's Bar on East Lake Drive. An indoor roller skating rink is being tentatively planned by Ebejer Associates for a parcel of land south of Grand River and west of Haggerty Road.

Specifically, the request made by the Ebejer company at Tuesday's session was to ask the city to participate in the cost of constructing a sanitary sewer line west along Grand River and then south down Olde Orchard Road to 10 Mile where it would tie in with the existing sewer main.

Cost of the line would be \$13,500, according to preliminary estimates made by Ebejer Associates.

The matter was referred to the city engineers by the council.

OLV to Celebrate 50 Years with Fair

Our Lady of Victory Church will celebrate its 50th anniversary as a local parish with a two-day festival next Friday and Saturday, June 2-3, at Northville Downs.

The Golden Year activities will take place rain-or-shine, according to the committee, and will begin with a spaghetti dinner from 4 to 8 p.m. Friday with activities continuing until 11 p.m.

Saturday activities will begin at 9 a.m. and continue until 11 p.m. and feature bingo

and drawings with prizes up to \$1,500 in cash. There will be children's rides and games and booths of baked goods, homemade gifts, crafts and a boutique. Others will be white elephants, a duck pond and a celebrity booth.

Food and beverages will be available continuously, according to general chairman Robert Hodson. Both admission to the festival and parking will be free with the public also invited.

NOTICE To All Customers Of RITCHIE BROS. Cleaners AND NORTHVILLE Laundry

Because of the fire which destroyed all facilities and contents in our building at 331 N. Center, we ask our customers who had laundry or dry cleaning in our plant to:

1. Contact your own Insurance Agent. Your policy on contents of your home covers your items in our building.

2. If you do not have a homeowners' or contents' policy covering your possessions, write to: Ritchie Bros. Cleaners, Box 98, Northville, Michigan 48167 and we will send you a Claim Form. Fill out this form and return it to the Box 98, Northville address. Deadline for filing claims is June 30, 1972. No claims will be processed until all are received by the June 30 deadline. Legally, we are not obligated to make compensation for losses of goods in our establishment at the time of the fire. But we have a limited amount of insurance for this purpose and sincerely hope that it will be adequate to cover any losses for those not carrying their own insurance.

We sincerely wish to apologize to our many customers for the inconvenience caused by the fire. We appreciate your past business and we hope perhaps someday to be able to serve you again. We have no present plans to re-open our business at this time, however.

Yours truly,

Harvey and Richard Ritchie

Northville Firemen, Assisted by Young Volunteers, Washed Down Main Street Saturday

A NORTHVILLE WELCOME—Mrs. Jay Allen, wife of the Oxford Village president, has her corsage adjusted by Northville's Michigan Week Chairman Mrs. Donald Ware while Mrs. Leland

Lamb, wife of an Oxford councilman, watches. Both received orchids from Mrs. Ware as part of the annual Mayor Exchange Day festivities Monday.

From Oxford and Northville

Cities Welcome Allens

Northville gained a President Jay L. Allen Monday while Mayor A. M. Allen went to Oxford in the annual exchange on Mayor's Day of Michigan Week.

Accompanying Oxford's President Allen to Northville were his wife and Councilman and Mrs. Leland Lamb.

The guests were welcomed here by City Manager Frank Ollendorff and Michigan Week Chairman Mrs. Donald Ware and her husband. Other official hosts were Councilman Paul Folino, Kenneth Rathert and David Biery and their wives.

Mrs. Ware assumed chairmanship of Northville's Michigan Week for the second consecutive year. It opened officially last Saturday as organizations enlisted members to pick up trash, plant flowers and sweep the streets on Civic Pride Day.

New planter boxes at Main and Center streets and at the parking lot across the street were planted by members of the Northville Business and Professional Women's Club. Mothers' Club members collected trash on Griswold Street to Eight Mile. Scouts and other volunteers helped clean the streets, which were washed down by volunteer fireman.

While Oxford officials came from the Oakland County community located about 10 miles north of Pontiac, Northville's Mayor Allen was accompanied there by Councilman Paul Vernon and two Northville students, Robin Couse and Bruce Maher.

After participating in a flag-raising at the city hall at 9:30 a.m. Monday, the guests were invited to have coffee at the senior citizens' Kerr House. Northville Jaycettes under Mrs. Peter Lindholm were hostesses at the coffee. Mrs. Russell Anger and Mrs. Ross

Totten assisted.

Historical society plans for the Millrace Restoration were explained by Mrs. Milton Koenig while Mrs. Beatrice Carlson told of the beautification commission's work. Mrs. Richard Sharon, senior citizens' president took the guests on a tour of Kerr House.

A noon luncheon was hosted at Northville Presbyterian Church by Northville Rotary. Walter R. Greene, chief executive assistant to Detroit Mayor Roman Gribbs, was the guest speaker. His address described the effect Detroit's problems is having on suburban communities.

A final taste of Northville hospitality was given Oxford visitors Monday afternoon at the home of Michigan Week Chairman Mrs. Ware and her husband.

Councilmen's wives had helped prepare a sherbet punch and fancy cakes and cookies for the group who toured the Ware garden and then rested before returning to Oxford.

For Mrs. Allen it was a day away from school. She is a fifth grade teacher in Oxford. The Allens have one daughter, now in kindergarten. Mrs. Allen agreed that she and her husband are among the youngest community officials in the state. When her husband first was elected in 1966, he was the state's youngest, she said.

The visitors had toured Northville Downs, Northville

Laboratories and the future historical site, the Millrace, by the Ford Plant.

They noted that Oxford, though smaller than Northville, has many similarities. Oxford, too, Allen said, is growing with '10 housing

subdivision plans on the boards."

City Manager and Mrs. Ollendorff and Mrs. Vernon later joined the Oxford group and Paul Vernon at dinner there.

Major Crimes Increase Here

Major crimes investigated by city police continued to increase in April when compared with figures for the same month in 1971.

According to a report recently issued by the city department, police received a total of 609 calls, up from 569 received in April, 1971.

Broken down by category, burglaries investigated by police totaled five, up from one reported in April, 1971; attempted burglaries, three, compared with none, break-in of unoccupied dwelling, two, compared with none, and entering without breaking taking auto with out intent to

steal and conspiracy to commit break-in, one each, compared with none in April, 1971.

Police also investigated attempted larcenies, three, compared with none in April, 1971, larceny from building, 15, compared with five, larceny from vehicle, two, compared with three, and larceny by conversion, possession of stolen property, receiving stolen property, one each, compared with none.

Eleven cases of vandalism were reported in April, up from 10 reported during the same month in 1971.

Four persons were arrested for disorderly conduct, up from one arrested in April, 1971, drunkenness, eight,

compared with one, drunken driving, six each month, and reckless driving, liquor law violations, child neglect, one each, compared with none.

During April police also investigated one family or neighbor trouble complaint, treated three injured persons, investigated one suspicious vehicle and suspicious person, impounded 16 cars, served warrants on six persons wanted by other police departments, arrested 12 persons on warrants held by city police and assisted other police and fire departments five times.

Four walkaways and six escapees were recovered by city police in April, 25 animal complaints were investigated and four stray dogs were impounded.

The fire department received 31 calls, up from 26 fires reported in April, 1971.

Sprucing up Northville for Michigan Week Festivities

BEAUTIFICATION—In preparation for Michigan Week festivities, citizens and organizations of Northville put in a busy day Saturday sprucing up the community, including planting of flowers in the newly installed Main Street planters (above) and cleaning up the boulevard on Griswold Street near the city limits (below).

Mayor's Aide Says

Suburbs Have Stake in Detroit

Suburban communities and their citizens have a stake in the welfare of Detroit, emphasized Walter R. Greene, executive assistant to Mayor Roman Gribbs, during a Michigan Week address here Monday.

Greene was a guest of the Northville Rotary Club, which also hosted the visiting officials of Oxford and their hosts as part of the mayor's exchange program of Michigan Week.

According to Greene, suburban citizens help pay the corrective bill for many of Detroit's problems and therefore should have an interest in development of some preventative measures to reduce this bill.

The problems, he explained, are manifested in welfare, crime, etc.

Greene suggested the suburban citizen can help Detroit and help himself in the process by urging his suburban legislator and congressman to support economic aid for the big cities to combat basic problems.

Key to prevention of problems is good education, he stressed, pointing out that without a good educational system citizens cannot become the tax-producing, responsible citizens so essential to the success of any city.

On the subject of education, Greene, a black leader in his community, asserted that given a good educational system Detroit citizens would have no desire to have their children bused elsewhere.

And during the question and answer period, Greene hit hard at what he termed is the injustice of the property tax while supporting the thesis that education should be state controlled to guarantee equal opportunity.

The financial plight of the big city, he explained, is compounded by the fact that the bulk of the central city's population is made up of those

people who are least able to pay this mounting cost.

Combined with the fact that urban renewal, for highways, playgrounds, hospitals, etc., has removed some 35-percent of the property from the taxrolls makes the task of Detroit unbearable without outside financial help.

Much of the central city's population, he explained, consists of immigrants from other states where, because of inadequate opportunity, citizens were forced to look elsewhere for a chance to get ahead.

Detroit and other big cities, therefore, are faced with the education, jobs and services that some states have failed to do, he suggested.

Providing adequate housing alone in such a monumental job that no single mayor could solve the problem during his tenure of office—even if he had the means to do so, said Greene.

Despite his plea for assistance and his bleak picture of Detroit's current financial plight, Greene nevertheless stressed that it is "silly" to conclude that Detroit is dying.

The big city will survive, he asserted, but its passage through this particularly troublesome period can be eased by outside (state and federal) help.

Manager	32,260.00
Treasurer	38,070.00
City Controller	21,500.00
Assessing Department	45,695.00
Planning Department	11,750.00
Parks & Recreation	9,500.00
Building Department	217,618.00
Water Dept. Operating	81,920.00
Sewer Dept. Operating	51,985.00
Highway Department	151,200.00
Building Authority	1,000.00
Water & Sewer Non Operating (Capital Improvements)	164,675.00
Less Allocation to Highway Dept.	-10,000.00
	\$1,417,648.00

NOTICE IS FURTHER GIVEN that a complete copy of the Proposed Budget will be on file for public inspection at the office of the City Manager at the City Offices, 25850 Novi Road, Novi, Michigan, during regular office hours, from May 25, 1972 to date of this hearing.

MABEL ASH, CITY CLERK

Alcala with the full concurrence of Novi Library Board Chairman Philip Cozadd, the movement has as its goal the formation of a group of interested citizens who would promote and improve the present library facilities. "Back before the days of millage there was an active "Friends of the Library" chapter," Mrs. Alcala recalls. "At that time their efforts and contributions of time and money were the sole source for the continuation of the library. We hope that many of the members of that group will form together with newer residents to give us an active, vital organization." A "Friends of the Library" group has no specific functions other than bettering the library, Mrs. Alcala pointed out. Members do anything and everything from promoting legislation and financing building programs to planting shrubs and making general repairs. The campaign to reestablish the group is taking the form of soliciting support through the distribution of flyers in the Homeowner's Association. Anyone interested in joining the group or finding out more information about membership is urged to contact Mrs. Alcala at 624-1088. "Our library is presently circulating more than 26,000 books per year," Mrs. Alcala added. "I think it's important to see the library grows along with the whole community."

NOTICE OF HEARING TONQUISH CREEK DRAIN

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Chapter 20 of Act 40 Public Acts of Michigan, 1967, as amended, a petition was filed with the Drain Commission of the County of Wayne, Michigan, by the City of Plymouth and the Township of Plymouth, Wayne County, Michigan, requesting said Drain Commission to locate, establish and construct certain county drainage improvements the location and route thereof to be as follows

Clean out, relocate, widen, deepen, straighten, tile construct, reconstruct or alter any necessary culverts or bridges, acquire or construct such improvements, together with any structures, mechanical devices and appurtenances as will properly purify the flow of such drainage project, and extend the Tonquish Creek Drain from its present upstream terminus in Section 27, City of Plymouth, thence westerly and northerly through Sections 27, 28 and 21 of Plymouth Township ending on the southwest 1/4 of Section 16 Northville Township, and from its present downstream terminus in the southwest 1/4 of Section 35, Plymouth Township thence southerly through the south half of Section 35, Plymouth Township thence southerly and easterly through Sections 2 and 12 of Canton Township thence easterly and northerly to Section 5 and 4 of the City of Westland terminating in a branch of the Rouge River on the northeast 1/4 of Section 4, City of Westland, Wayne County, Michigan

NOTICE IS FURTHER GIVEN that the Drainage Board for said drain has considered the said petition and made a tentative determination that the said petition is sufficient and that the said project is necessary for the public health and is practicable, has given the name "Tonquish Creek Drain" as the name of said drainage project, has given the name "Tonquish Creek Drain Drainage District" to the drainage district therefor and has made a tentative determination that the following public corporations should be assessed for the cost of said project, to wit

CITY OF WESTLAND Wayne County Michigan, at large, for benefits to public health

TOWNSHIP OF CANTON Wayne County Michigan, at large, for benefits to public health

TOWNSHIP OF PLYMOUTH, Wayne County Michigan, at large, for benefits to public health

CITY OF PLYMOUTH, Wayne County, Michigan, at large, for benefits to public health

TOWNSHIP OF NORTHVILLE Wayne County Michigan, at large for benefits to public health

CITY OF LIVONIA Wayne County, Michigan, at large, for benefits to public health

COUNTY OF WAYNE Michigan, at large, for benefits to County highways

STATE OF MICHIGAN, for benefits to State highways

NOTICE IS FURTHER GIVEN that the Drainage Board will meet on the 7th day of June, 1972, at 11:15 o'clock a.m. Eastern Standard Time, in the Plymouth City Hall, 201 S. Main Street, Plymouth, Michigan, for the purpose of hearing any objections to said project, to the petition therefor, and to the matter of assessing the cost to the public corporations above named. AT SAID HEARING ANY PUBLIC CORPORATION TO BE ASSESSED, OR ANY TAXPAYER THEREOF WILL BE ENTITLED TO BE HEARD

THIS NOTICE is given by order of said Drainage Board

City Council Minutes

NORTHVILLE CITY COUNCIL MINUTES
May 1, 1972

Mayor Allen called the regular meeting of the Northville City Council to order at 8:00 p.m. on Monday, May 1, 1972, at the Northville City Hall.

ROLL CALL
Present: Allen, Biery (late), Folino, Rathert, and Vernon.
Absent: None.

ACCEPTANCE OF MINUTES
The Minutes of the April 17, 1972 meeting were accepted as submitted.

APPROVAL OF BILLS
Moved by Councilman Rathert, supported by Councilman Folino, to approve bills in the following amounts:

GENERAL FUND DEBTS	\$35,288.97
LOCAL STREETS DEBTS	\$1,907.71
MAJOR STREETS DEBTS	\$4,994.33
PUBLIC IMPROVEMENT FUNDS	\$6,726.40
DEBTS	\$738.76
TRUST AND AGENCY	\$18,653.49
WATER FUND DEBTS	

Unanimously carried.

a) City Manager Ollendorff summarized a letter from Carl F. Berry, President, Council for Communication Concerns, regarding its organization and authority, especially in relationship to DARTÉ Council felt it needed more information before considering their request for funds.

b) Deputy Clerk Gural read a letter from Mrs. Paul H. Steenken, 562 Randolph, requesting permission to erect a six-foot chain link fence with barbed wire top on the north boundary of his property. Mr. Steenken was present, and stated that the fence had become necessary because of recent vandalism to his property.

Moved by Councilman Rathert, supported by Councilman Folino, to grant permission to Mr. Paul H. Steenken to erect a six-foot chain link fence with barbed wire top on the north boundary of his property.

Unanimously carried.

c) Deputy Clerk Gural read a letter from Wilson D. Tyler, 1772 Meadowbrook Rd., regarding adoption of a Resolution requesting the Citizens Research Council of Michigan to update the 1968 "Feasibility Study for Unification of the City and Township of Northville."

Councilman Biery entered the room.

Moved by Councilman Rathert, to adopt said Resolution authorizing the Citizens Research Council to bring the study up to date at no cost to the City. Unanimously carried.

d) Deputy Clerk Gural presented a Resolution from the City of Royal Oak Michigan regarding the withholding of County Funds from the Southeastern Michigan Council of Governments. Council directed that the Resolution be placed on file.

e) Deputy Clerk Gural read a letter from Richard D. Rayborn, President, Northville Jaycees, concerning payment of the City's contribution toward the 1971 and 1972 Fourth of July Celebrations.

City Manager Ollendorff said the 1971 contribution had been paid.

Moved by Councilman Folino, supported by Councilman Vernon, to send the requested 1972 contribution of \$250.00 to the Northville Jaycees.

f) City Manager Ollendorff summarized a letter from Icerman, Johnson & Hoffman, Certified Public Accountants. The firm recommended setting a due date for all loans made between funds.

COMMUNICATIONS FROM CITIZENS
City Attorney Philip R. Ogilvie reported he had received a communication from Edmund P. Yerkes concerning the legality of the bonding issue for building a stadium in Detroit.

Councilman Rathert suggested that John J. McCann, Wayne County Board of Commissioners, be asked to come before Council to help clarify this and other matters of interest.

MINUTES OF BOARDS & COMMISSIONS
The minutes of the Northville City Planning Commission, April 18, 1972, the Northwest Sanitation Authority, March 29, 1972, and the Northville Beautification Commission, April 19, 1972, were placed on file.

POLICE REPORT MARCH 1972
Council discussed the March 1972 Police Report, and decided to meet with Chief of Police Elkins soon to talk over the report in detail.

PUBLIC HEARING—SIGN AND OUTDOOR ADVERTISING REGULATIONS ORDINANCE
Mayor Allen opened the Public Hearing on the Sign and Outdoor Advertising Regulations Ordinance. City Manager Ollendorff noted that Messrs. Luke Durst, William Bingley, and Harvey P. Ritchie were in the audience.

Council discussed the proposed ordinance in detail making several revisions, as follows:

Page 8 Temporary Signs, add Section D. Banners, Pennants, Spinners & Streamers Limited to 48 hours for special occasions, not more than four times per year on any individual parcel.

Page 8 Signs Prohibited
Add word "intermittent" before "lights".

b. Delete existing Section B and add "Signs in public right-of-way or on public property."

c. Add "revolves or" after "any sign which."

Page 9, Section 11—Concerning the retroactive nature of prohibited signs, Council was split three to two. Mayor Allen stated he felt the City should not issue a permit for erecting a sign, and at a later date, declare the sign non-conforming and illegal. Councilman Rathert concurred with this opinion. The section now reads as follows:

11. In the case of a sign in category A through K above, which is in existence at the time this Ordinance is adopted, the sign shall be brought into conformance or removed forthwith, and the non-conformity provisions of Section 1 shall not apply.

Page 10, V Appeals Procedure—Substitute

B. The Zoning Board of Appeals shall fix a reasonable time for the hearing of appeals and shall give due notice thereof by publishing a notice of hearing in a newspaper of general circulation in the community at least ten days prior to the date of the hearing.

Page 13 Violations and Penalties—At end of first paragraph, add "Each day the sign is non-conforming shall be a separate offense."

Page 13 Enforcement—Substitute

"This ordinance shall be enforced by the City Manager, the Building Inspector, or their agents."

Moved by Councilman Biery, supported by Councilman Rathert, to adopt the Sign and Outdoor Advertising Regulations Ordinance as revised.

Unanimously carried.

GARAGE SALE SIGN OR DANCE
This item held over until next meeting.

HISTORIC HOMES PROJECT
Councilman Folino asked whether the Library Building and the Rathert House were suitable to be moved, and City Manager Ollendorff stated the mover could offer no guarantee but felt the buildings were movable.

NORTHVILLE SQUARE PARKING ASSESSMENT CONTRACT
City Manager Ollendorff stated that the Northville Square Company probably would be unable to accept the two changes in the contract proposed at the previous Council meeting. City Attorney Ogilvie said he expects to close the property sale next week.

SET PUBLIC HEARING REZONE LOT NO 543, PLAT NO 6
Moved by Councilman Folino, supported by Councilman Vernon, to set a Public Hearing for Monday, May 15, 1972, 8:00 p.m. Northville City Hall, to consider rezoning Lot No. 543, Assessor's Northville Plat No. 6, from CBDP (Central Business District Parking) to CBD (Central Business District). This property is known as the

First Methodist Church, 145 N. Centre St., Northville.
Ayes: Allen, Folino, Rathert, Vernon.
Motion carried.

ELECTION COMMISSION APPOINTMENT
After checking provisions in the Charter as to eligibility for appointment to the Election Commission, this item was tabled until a recommendation is made by the City Attorney and City Manager.

TRAILER CODE
This item held over until next meeting.

DEFECTIVE APPLIANCE OR DANCE
This item held over until next meeting.

LIBRARY SHELVING BIDS
City Manager Ollendorff presented the bids for Library Shelving. The bids are as follows:

1 SILVER'S—\$1779.00, Highland Park, Michigan
2 DOUBLEDAY BROS & CO—\$1746.00, Jackson, Michigan
3 MARSH OFFICE SUPPLY INC—\$1782.00, Ypsilanti, Michigan
4 SPERRY RAND CORP—\$1647.00, Plymouth, Michigan
5 KENT P. MATHEIS—\$1376.00, Northville, Michigan

Moved by Councilman Folino, supported by Councilman Biery, to accept the bid by Sperry Rand Corp., Plymouth, Michigan, for Library Shelving, on the basis that the bid meet specifications at the lowest cost.

Ayes: Allen, Biery, Folino, Vernon.
Nays: Rathert.
Motion prevailed.

POLICE CAR BIDS
On the recommendations of City Manager Ollendorff, moved by Councilman Biery, supported by Councilman Rathert, to let bids for two police cars, with the same bid specifications as the previous year, adding a spot of light on the left side of the vehicle, the cars to be 1972 models. Unanimously carried.

There being no further business, the meeting was adjourned at 11:35 p.m.
Katherine Gural
Deputy City Clerk

Jaycees Form Teen Club

Northville teenagers from 13 to 17 years of age are invited by the Northville Jaycees to join a new organization named the "J-Teens."

An introductory meeting has been slated for tonight (Thursday, May 25) in the city council chambers at 7 p.m. Members of the local Jaycee chapter will explain a program providing for the involvement of teenagers in working for a better community. Social activities are also connected with the J-Teen program.

Mabel Ash, Clerk
City Clerk

Wixom Newsbeat

Festivities Continue For Michigan Week

By NANCY DINGELDEY

It's been a busy week in Wixom with more to come in the next few days.

The Goodfellows certainly "kicked-off" Michigan Week with a good start Saturday night. The band was exceptionally good and everyone was in fine party spirit. A cocktail party preceding the dance was held at Mel and Lois Green's on Beck Road. A big contingent headed to Walled Lake after the dance for early breakfast.

For the Mayor's group heading west for the first leg of the journey to Vicksburg, the day meant packing and getting ready for a full day in that city. The group met President and Mrs. Gordon Daniels along with Councilman and Mrs. Fred Heimstra in Jackson for breakfast Monday morning before leaving for the exchange cities.

For Marie Walsh and Lois Green stationed here in Wixom, it meant the last minute check of plans. The kindergarten King and Queen, Kathy Ballmer and David Walker, were on hand to present the key to the city to Daniels along with Mary Gross and Kenny Turner acting as the kindergarten "court." Mrs. Daniels was also made honorary member for the day of the Walled Lake Jaycees.

Luncheon and a tour of the Ford Plant, flowers by John and a tour the vocational ed center completed the days activities. A social hour was held prior to the Mayor's banquet at Lois and Mel Green's with dinner served at the vocational ed center.

Meanwhile, in Vicksburg, the Wixom group was treated to a red wagon tour. The group was met by a delightful gentleman, complete with white beard, in a pony drawn red wagon as part of the centennial celebration of Vicksburg. It's a delightful city which reminded me of Milford.

The people were charming and, summed up in a few words, "we had a great day." The Simpson-Lee Paper Mill showed us a great tour. It's amazing to see how paper is made. The machinery looked like a plumber's nightmare.

We also toured the Franklin Community Hospital which is a community project and one to be proud of.

The Rotarians presented Vicksburg with two white swans which paddled around Sunset Lake and Vicksburg is mighty proud of the five or so little chicks. While the men were out surveying the sewage treatment plant, the ladies investigated the shops in town.

We had a lovely luncheon and then in the evening were the guests of the Lions Club for dinner. A speaker presented a five-year program for parks and recreation needs which was most interesting.

Vicksburg has five service clubs, the Vicksburg Foundation and a community ambulance service. For Pearl and Gib, Pat and El Grubb and Bob and I, it was a most enjoyable day and a community which we'd enjoy visiting again.

Now to things coming up. The Education Tea will be held at Wixom Elementary School today (Thursday) in

the school library from 1 to 3 p.m. honoring Mrs. Fox and Mrs. Christiansen. The display of arts and crafts can still be seen at Flowers by John and then there's the "get acquainted" with Wixom and your neighbors tea at City Hall from 1 until 4 p.m.

Friday at 4 p.m. the Kids and Kops baseball game at City Hall. The policemen's wives will be serving hot dogs and pop at a nominal fee. Starting at 8 p.m. at Wixom School, there is a teenage dance which is free to Wixom kids from 13 to 17 years old.

The big day on Saturday starts at 9 a.m. at the school with the kids lining up for the annual bike parade to City Hall. A full day of activities is scheduled with free hot dogs and pop furnished by Holloway Construction Company, a fair, the puppet show which is free to all kids and the pet show. This year, Chief George VonBehren, Phil Jerome of the Novi News and Pat Fancly of the Spinal Column will be judges for the pet show.

Good news from Dorothy Abrams. Bill has been moved from the intensive care unit at Pontiac Osteopathic Hospital to a regular room and is now recuperating from his recent heart attack. His visitors are still restricted but he'd love to receive your get well wishes.

Starting next Tuesday at the Community Bank in Walled Lake, there will be a 10 day display of articles made by students of the Adult Education Program of the Walled Lake Schools.

Chuck Machael

Politics found the tiny TV in 1948. It was at that time, of course, only a toy played with at the "two national conventions in Philadelphia and at one or two rallies during the campaign. Only a limited number of screens on the Atlantic seaboard were able to show it. TV played no important role in the 1948 political arena. But anyone who attended either convention felt a definite sense of a new and powerful force at work behind his back. So it was. Today, the most important political happenings are brought to us by television. Careers are made and broken on the rack of a particular speech, an answer to a clever question, a manner of speaking.

Whether you are looking for a tiny tv set or one of great dimensions, look to A & A TV REPAIR, 42990 Grand River Av., Novi, 349-0140, for the greatest value for your money. We carry a complete line of MOTOROLA products, from the smallest portable to the largest console. MOTOROLA represents years of leadership and excellence—A & A represents years of experience and know-how.

HELPFUL HINT:
Painting wall switch plates with luminous paint makes them easy to find in the dark.

Russian Made

Salem to Get Transformer

Salem Township will provide the test grounds this summer when Detroit Edison evaluates Russian high voltage technology.

A huge transformer, rated at 500 KVA (or about 500,000 kilowatts) will be installed in July at Edison's Coventry station at 5300 Tower Road in Salem.

Built in Zatorzhye, Ukraine, the huge voltage reducing transformer is currently in Leningrad awaiting shipment early next week to Toronto.

According to John Harkness, of Edison's public relations department, the transformer is scheduled to reach Toronto around July 3 or 4, to be shipped by rail to Salem and by truck to the actual site. Arrival date at the Tower Road site is pegged at July 20.

Harkness says it will take several months to install the transformer which has the capability of reducing voltage from 345,000 to 125,000.

Ordered in 1970, the electrical equipment will be used by Edison to evaluate the Russian reputation for high voltage technology and will be the first U.S.S.R.-made transformer to be installed for use in this country.

The Laughs Died in Flames for the Ritchie Brothers

SPEAKING for The Record

By BILL SLIGER

I've never known a time, regardless of how tough business was going, when I couldn't get a lift and renewed energy simply by talking for a few minutes with the Ritchie brothers.

Maybe it was because we shared similar problems—always another piece of equipment to buy to do the job better; always another loan at the bank.

But mostly, I think, it was because of their sense of humor. They could always joke about a situation, regardless of its gravity.

And last week, barely 36 hours after they had watched 23 years of effort disappear in the flames of an early morning fire that destroyed everything but the walls of Northville Laundry and Ritchie Bros. Cleaners, the droll humor remained.

"What now?" I asked them.

"Personally, I'd jump at an offer of a 40-hour-per-week job," mumbled Harvey.

"What would we do with the extra 30 hours of time on our hands?" responded Skip.

There has probably never been a time in the business careers of Harvey and Skip that they have felt real security. They've been builders. First it was laundromats with a dozen or more automatic washers. Then shirts, more washers, semi-automatic shirt-pressing units, then the family laundry business, then bigger washers, a compressor, a boiler, rolling laundry carts, garment conveyers, delivery trucks, dryers.

It seemed they had turned the corner with their new family laundry business. They bought the old Northville Laundry five years ago and replaced practically every piece of equipment in the 5,000-square-foot building.

Two days before the fire Harvey worked most of Sunday hooking up a new washer. They used it for the first time Tuesday, their last day of business.

What with all the colored shirts these days, they needed another washer.

And they figured by November, if business kept going at its present pace, they could breathe a little easier, maybe take a little money out of the business.

"We've never paid ourselves a decent wage. Honestly, I've had it with the struggle," said Harv.

Then—"maybe the shirt and dry cleaning business, but never the family laundry".

Their insurance will probably pay off their debt on equipment and maybe restore the building, if the walls are still sound.

They feel worse about all the laundry and dry cleaning lost in the blaze. Legally, there's no obligation for a service business to make compensation for such losses. They're covered by the customer's homeowner's policy.

But the Ritchie Brothers know that among their hundreds of customers there are some without insurance. And for that reason they have always carried protection for such circumstances. It may be enough. They hope so.

But to start again from scratch—with experience as the only difference between their beginning 23 years ago and now—is enough to scare even the likeable, good-humored Ritchie brothers.

Their wives, Alice and Ruth, have been a big part of that struggle, too. They've worked in the laundry; they've held other jobs.

Maybe a 40-hour-per-week would be better.

But, personally, I hope Harvey and Skip return to the struggle—even if it's just shirts and dry cleaning.

Maybe Northville's Economic Development Corporation can help them get started again. And there's always Russ Clarke at Manufacturers Bank.

When things get tough in the newspaper business, where can I find two guys with the same problems plus a couple of laughs?

The laughs died in flames for the Ritchie brothers.

Novi Road Millage Vote Draws Comments

To the Editor

The Primaries are over and the millage increase for Road Improvements passed.

Crupi's statement as printed in the May 18th issue of the Novi News, quote: "As I see it, it was the people who really needed the roads and stood to benefit most from passage of the mill who voted against it."

I would like Mayor Crupi and all City Officials to travel

Taft Rd. south of 12 Mile Rd. After one week's time they may find their expense account includes new shocks and wheel alignments on their cars.

This is not a new thing. Taft Road has been this way for years.

The children here stare at a road grader as many children do at the sight of a "choo-choo train".

Three years ago this month

of May, the Novi DPW Crew unearthed a culvert, in two sections, pushed them to the side of the road and THERE they still lay. Anyone else would have been fined for this act of littering.

We residents here on Taft Road have been terrifically patient and I doubt if the city has been deluged with complaints.

These are the FACTS and it is plain to see that we have

very little, if any, faith and hope left that the City of Novi will take care of the roads that REALLY need improving.

Sincerely
Clara J. Willacker
27650 Taft Rd.

To the Editor:

The entire Novi Road Improvement Committee would like to commend The Novi News on the fantastic

public service they performed by reporting to the people of this city the benefits of a long-range road improvement program.

Informed voters realized the advantages of voting in favor of the one mill tax increase for community improvement any time when most communities couldn't even pass taxes for school operations. I am proud that the citizens of Novi voted for

orderly city growth including roads.

Through the efforts of William Sliger and Philip Jerome of The Novi News to inform the people of the dire need for this road program people saw the need and acted favorably for a better future for Novi.

We are sure that our city will continue to benefit

R. ROBERT GEAKE

Speaking for Myself

The Wallace Vote

GEORGE KINDRED

Protest...

On May 16 more than 808,000 Michigan voters went to the polls to cast their votes for Wallace. Best estimates would indicate that one third of these votes came from Republicans who will vote for Nixon in November, and two-thirds from Democrats who wished to put their party on notice that the third party candidate of four years ago is now saying things that they want their party's candidate to begin saying. Thus, voters from both parties were primarily registering a protest by voting for Wallace.

The Wallace vote was not simply a protest against court-ordered bussing but runs far deeper than that. It was the protest of ordinary citizens who feel that they have been sold out by the ultra-liberal leadership of the organizations and groups which they have traditionally supported and which, up to now, have always represented them.

Thus teachers throughout the state, angered and dismayed by what they perceive as a pro-bussing stand by the Michigan Education Association leadership, found a way to protest by voting for the anti-bussing candidate. Similarly, PTA members, learning that the anti-bussing resolution passed at their state convention had later been reconsidered and tabled through parliamentary maneuvering by their state board, protested by voting for Wallace. Most significant of all, thousands of rank and file workers ignored the pleas of union leaders and registered their protest by voting for Wallace too.

Bussing, high taxes, self-serving government bureaucracy. Throughout the state voters took up the call to "Send them a message." The message was not just for the administration in Washington, but for leaders of groups everywhere who have abandoned the very people whose interests they are supposed to represent.

Northville GOP Leader

Photographic Sketches...

By JAMES GALBRAITH

'Mud in Yr' Eye'

(Irish Pub)

Bona Fide...

With the recent presidential primary victories of George C. Wallace, political leaders of both major parties are rushing to explain and assure their erstwhile followers that it was merely a protest vote. In their panic-stricken state of mind, Wallace's adversaries have the unmitigated audacity to proffer that the Michigan electorate voted out of sympathy, notwithstanding pre-primary polls to the contrary.

The truth of the matter is that the body-politic is "fed-up" and in mass rebellion. Had George Wallace not voiced the seething uprising on a national scale, someone else would have led the growing dissent against the rapid approach of this nation to a socialist dictatorship via misuse of high office and political hypocrisy.

The people are tired of political promises that are never kept. They are through paying confiscatory taxes that are turned against them with utter disregard for the will of the people. So "fed up" are the American people, voters are deserting life-long party affiliations to cast their ballots for the candidate rather than the party.

The political phenomenon that is George C. Wallace can be attributed to an awakening of the American body-politic to their responsibilities. Governor Wallace has led the way. If the people are denied their "choice" at the Democrat's National Convention, it is not inconceivable that history could repeat itself ala the American Revolution.

George L. Kindred, Chairman
Patriots Tax Committee

By JACK W. HOFFMAN

It's not enough that they burrowed into the pyramids, plundered their treasures, and carted off the stiffs so that you and I can queue up at museums togawk at the grisly remains.

Now they want to carve open the bodies, searching for heaven knows what.

"Rest in peace."

It's more like rest in pieces.

If those old potentates had wanted a parade of busybodies snooping around they wouldn't have scribbled curses on the walls of their tombs.

And they wouldn't have had themselves plastered in tar and rags, encased in frightening caskets and sealed in a labyrinth of stone.

No indeed.

But "civilized" man, exhibiting ghoulish genius, threaded his way through the maze, waltzed past the curses and hacked into the plaster to show us what the dead look like after a few thousand years.

Good ol' King Tut and his royal comrades must have had a good chuckle awhile back when man discovered, to his utter amazement, that one of the bodies he had been gazing at for years wasn't some rich king's kid but rather a hairy baboon.

Which brings me to the latest discovery.

You may have been following the story. Some of the world's biggest archeologists let it be known that they would enrich mankind's knowledge by slicing open a wrinkled old mummy's stomach.

It was a moment of high drama and excitement. Never before, so the story went, had man peered into a mummy's belly.

Anyway, with the elite of the scientific world gathered around the operating table last week, the surgeon began cutting. And when he was finished, there, inside, was a note.

Yes, an honest-to-goodness note.

And on it were scribbled these words:

"The sun rose in Cairo at 5:29 a.m. and set at 6:21 a.m."

Written in French and Egyptian, the note was dated April 15, 1903.

Oh, how I would have liked to have seen the expression on those scientists' faces. Not since the allies stormed in to take Berlin only to find that "Kilroy" had already been there has man's ego been so deflated.

I hope the scientists heard the ancient bellylaugh.

Question Year Round, Election

To the Editor:

Northville Residents have rejected the Year-Around School Proposals by a majority vote, but they continue to be supported by the Board of Education. Board members supporting Year-Around School Proposals assume that the honest citizens of Northville will continue to accept manipulation without a struggle.

It is time to send them a message. Year-Around School Programs are actually more expensive than the original estimates. The need to hire additional personnel is one example of added burdens on the taxpayer. Few estimates are given regarding the need for higher salaries of faculty and staff members. They deserve higher pay if they are providing services for a longer period of time.

Year-Around Proposals also lack sufficient research as well. They will eventually result in a lowering of quality education, if programs are not coordinated properly. Voters should crusade against manipulation by government and demand that Year-Around School Proposals be terminated.

Lynn A. VanderMolen
18395 Jamestown Circle

To the Editor:

I do not wish to use the Northville Record as a debate arena but I must comment on the letter from Dr. VanderMolen concerning year-around school. I am curious as to how many meetings Mr. VanderMolen has attended, regarding this new concept. He seems to have a way with words when bombarding the Board of Education all those, quote, "publicity hunting propagandists", but I am afraid he has missed the whole point of the Year-Around School Proposal.

We are not forcing the majority of the people to join us. This is to be an experimental program for interested volunteers. If it works out well and benefits the children of this area - wonderful! Then maybe the whole state can learn from our experiences. With the population increase in the Northville area we can not continue forever with an outdated system which is already over crowded and getting more extreme each year.

It amazes me to think Dr. VanderMolen objects to the cost of an ad. in the Record yet thinks nothing of the fact that building many new schools to continue in our present system would put a large bite in everyone's pocketbook. Including retirees and others with no children in school. I have watched our city grow and prosper for 27 years. I feel it only fair to give this program a chance - a good try. As you know, Northville rates as one of the highest educational systems in Michigan. Let's progress and keep it that way.

Sincerely,
Mrs. Richard S. Davis
965 Grace St.

To the Editor:

I am writing to complain about the inefficiency of the Northville Township

Millage

Continued from Page 14-A

through this newspaper's active community involvement

Sincerely yours
Russell Stroud
Chairman Novi Road Improvement Committee.

bureaucracy.

On Tuesday, May 16 (Election Day), I ran in Northville Township Precinct 3 as a write-in for Democratic county delegate pledged for McGovern. I waited until the polls closed and watched the counting of the votes; I won one of the two Democratic positions, having received ten write-in votes. (Lawrence Willoughby also won but his name was already on the ballot.)

However, when I telephoned the Northville Township offices on Wednesday to confirm my election, I found that the clerks in charge at first tried to say that no one had received the required minimum number of votes (three) to qualify. I asked them to check further

and they finally agreed that I had won.

I asked them to be sure to report my name to the Northville News when they reported the election results and they assured me this would be done. However, I see by today's paper that it was not reported; only Larry Willoughby's name was reported from Northville Township Precinct 3.

So in closing, I ask you: whose mistake was this? The Township's? Yours? Or both?

Annabel M. Schaupner

EDITOR'S NOTE:
Township officials checked Monday morning with the election commission to determine if more than one Democratic delegate was to be elected from Precinct 3. They confirmed Mrs.

Schaupner was elected as a delegate.

To the Editor:

Last week all the residents of Novi Heights subdivision participated in our annual spring clean up.

The kids and the women of the subdivision walked the entire area, street by street, cleaning up empty lots, picking up bottles, papers, cans, etcetera, and putting them in plastic bags to be picked up by the men, who were following them with a large truck.

The men also loaded all the various items left for discard in front of each home in the area.

We got a truck from the Department of Public Works

of the City of Novi, only after we agreed to pay premium wages for the use of "our truck" and did the entire clean-up by ourselves.

I hope the "one mill" the city is asking for will help change this situation. So far, we in Novi Heights, which is Novi's oldest subdivision, are getting a hard-top road (which we paid for) four street lights, and no sewers, water, enforcement of dog laws, or pick up of stray dogs for our taxes. We also have no proper draining of our land by ditching and we were not even included when the subject of subdivision paving was discussed.

I certainly hope city officials are not naive enough to expect that we will support

the tax raise

Frank H. Green
President of Novi Heights Homeowners association

To the Editor:

On behalf of the Novi Blood Bank Committee I want to thank you for your cooperation in announcing our Blood Drive, held April 28th, in the Novi News. Through the Novi News we received many calls from people that we were unable to contact by other means. The American Red Cross was very well pleased with the results in Novi. From 141 participants we received 85 pints of blood.

Again, thank you very much.
Sincerely,
Ken Cookson, Chairman
23605 W. LeBost

OVER THE HILL—New railroad flashers were installed on southbound Novi Road as a result of a Jaycee traffic safety project. The top set of flashers allows motorists to be warned well in advance of the crossing.

On Novi Road

Jaycees Spur Crossing Sign

New railroad warning lights were installed on Novi Road last week as a result of a Northville Jaycee traffic safety project.

The Jaycees petitioned the

Michigan Public Service Commission to modernize the existing warning flashers installed in 1930 and labeled "inadequate for current vehicle and train volumes."

Radio Show

Hosts Spear

Northville's experimental year round school program will be the topic of discussion tonight (Thursday) at 7:15 on radio station WJR.

Hosted by Gene Fogel, the show will focus on an explanation of the federally funded program given by Superintendent Raymond Spear.

On July 31, the school district will begin operating a 45-15 year round school plan at Amerman Elementary School, alternating 45 days of school with 15 days of vacation.

The program will include 750-250 volunteers in kindergarten through fifth grade.

Grad Tickets

Now Available

Tickets will be required this year for graduation, Fred Holdsworth, Northville High principal, announced this week.

Five tickets will be given to each student with additional tickets available by calling the school office. There is no admission charge.

Graduation ceremonies will begin at 8 p.m. Tuesday, June 13, on the football field, weather permitting.

Baccalaureate services are set for Sunday, June 11, at 8 p.m. in the gymnasium. No tickets will be needed for the program, Holdsworth said.

Following a public hearing on the matter, the commission ordered the railroad to install new flasher equipment at the crossing.

The new high-level signal, includes top flashers designed to warn southbound Novi Road traffic of the railroad crossing well in advance of the crossing.

"Since the actual crossing is located at the bottom of a steep cut, regular signals were not visible until motorists were quite close to crossing," explained David VanHine, Jaycee traffic safety chairman.

A count in 1970 showed the passage of more than 12,000 vehicles in 24 hours over the intersection. Up to 50 percent of the vehicular traffic was estimated to be commercial and heavy trucks.

Railroad traffic, the report showed, consisted of 12 trains each way daily, at speeds up to 45 miles per hour.

At NBD, it's the same low flat closing fee, no matter what size house you buy

At NBD, we have a closing fee that has nothing to do with the size of your mortgage.

Instead, it's one low flat fee. One low flat fee whether you're buying a \$20,000 house. Or a \$100,000 house.

So you might say, the more your mortgage, the more you save at NBD.

Quite possibly save enough to pay for a new chair. A couple of tables. Perhaps even carpet a room.

And when you get your mortgage from NBD, we'll also give you a good estimate of how much your total cost of closing will be—including our fee, insurance, prepaid taxes, everything.

Which means, at NBD, we'll not only save you money on your closing costs. We'll also save you from any unexpected surprises when you sit down to close.

And those are just two of the reasons more people come to us to finance their new home than to any other bank in town. Come see us.

'TEAR FIRE' PARTY BAND—These are the "Tear Fires," the band group which has been engaged to play for the annual party for seniors only following Northville High graduation ceremonies June 13 at the high school. They are part of the entertainment planned by Dr. and Mrs. Paul Hunt, entertainment chairmen, for the party parents give their seniors.

'Tear Fires' to Play For Northville Seniors

Headlining the entertainment planned for the seniors-only party to follow Northville High School commencement exercises June 13 will be the "Tear-fires."

The group will play for dancing at the party to be held at the high school from 10:30 p.m. until about 3 a.m. Other entertainment will include a folk singer and many prizes to be awarded throughout the evening, according to Dr. and

Mrs. Paul Hunt, entertainment chairmen.

Elmer Balko, security chairman, announced that all graduating seniors will be admitted to the party between 10:30 p.m. and midnight. They are expected to stay at the party, he added.

Other features of the annual party, traditionally given by parents of the graduates, will include swimming in the school pool and snacks with breakfast concluding the

evening.

Since \$6 donations from parents of the graduates finance the party, parents who have not sent the money are asked to do so as soon as possible. It may be sent to Mrs. Duane Butler, treasurer, or to the Mitchell Pitaks, party general chairmen.

Theme of this year's party is "Hot Fun in the Summer." It is strictly for seniors with no dates or friends allowed

Cyclists Ride in Safety

If you think the fancy-looking leather jackets, pants, boots and gloves worn by motorcycle riders are all for show, then forget it.

So says Staton Lorenz of Plymouth who is promoting the professional motorcycle races to be held Saturday night, May 27, at Northville

Downs.

They are for safety and indicate that the rider is trying to protect his hide, says Lorenz, who has ridden a motorcycle for fun for years and who bristles when anyone is critical of the sport.

"A jumpsuit of top grain cowhide or goatskin covers every racing rider," he ex-

plains. "Leather gloves protect the hands. A rider can fall at speeds approaching 200 miles per hour and the leather will save him."

"Helmets protect the head, of course. A face shield and goggles are worn to protect the eyes. Sometimes 'tear-off' layers of clear plastic are taped over the shield to allow mud accumulations to be removed by ripping one layer off at a time while racing."

Safety is extremely important in motorcycle racing where life and limb are always at stake—more so than in most sports, according to Lorenz.

Mini-bikers and road riders of all ages should take a cue from the professionals who know that safety precautions keep them alive, Lorenz said.

NOTICE OF PUBLIC HEARING CITY OF NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN THAT A PUBLIC HEARING TO CONSIDER A PROPOSED AMENDMENT TO THE ZONING MAP OF THE ZONING ORDINANCE NO. 18, of the City of Novi, will be held on Monday, June 12, 1972, at 8:00 P.M., EST at the Novi Community Building, 26350 Novi Road, Novi, Michigan, 48050, as follows:

To rezone a portion of parcel MN 312A T 1N, R 8 E, Section 16, described as that portion presently zoned C-2 General Commercial District.
 From C-2 General Commercial District
 To M-2 Restricted Manufacturing District

This proposed rezoning was initiated by action of the Planning Board on their own motion.

NOTICE IS FURTHER GIVEN that a complete copy of the proposed ordinance may be examined at the office of the City Clerk, 25850 Novi Road, Novi, Michigan, 48050, during regular office hours until the date of the hearing.

CITY OF NOVI PLANNING BOARD
 James Cherfoli, Secretary

CITY OF NOVI COUNCIL
 Mabel Ash, Clerk

Novi Taps School Loan Fund

Decision to borrow \$119,149 through the state school bond loan program was made by a 4-2 vote of the Novi Board of Education Monday.

The borrowed money represents the excess difference between the amount of revenue 7 mills will produce and the district's 1973 debt obligation.

Election Costs Irk Councilmen

While pleased with the outcome of Tuesday's presidential primary election which saw Novi voters approve a one mill tax boost for road improvement, city councilmen were dismayed at different aspects of the balloting.

The cost of the election arose when Councilman Denis Berry questioned the approval of checks to City Clerk Mabel Ash and City Treasurer Geraldine Stipp for work done on the election.

That question soon broadened into one concerning state reimbursement to municipalities for conducting state elections. Leading the quest was Councilman Louie Campbell—Novi's legislative delegate to Lansing.

"I've argued this point time and time again with (State Senator) Carl Purcell," Campbell stated. "The state just doesn't reimburse us

enough money to cover the cost of conducting an election and I think something should be done about it."

Under the present system, the state will pick up the entire cost of running an election in municipalities of 90,000 population or more. In municipalities with less than 90,000 population, the state reimburses \$150 for each precinct.

"About \$70 of those \$150 goes to the county," Campbell contended, "which means the city is getting back just about \$80 per precinct."

Cost of running last week's primary election was placed at approximately \$1,000 by city officials. Novi, which has four precincts, received \$600 from the state.

"This is something I feel very strongly about," Campbell stated. "You can believe that I'm going to show Purcell just how much we lose when the state holds elections."

repayment of the loan and interest is delayed until after the district's bond debt is erased.

Viewed another way, the board's decision means the debt mill levy will be 7.3 mills as opposed to the 9.8 mills it would have been had the board chosen not to participate in the loan program.

Voting against participation were Trustee William Ziegler and President Gilbert Henderson. (Trustee Robert Wilkins was absent).

Ziegler opposed participation on grounds that it is unfair to defer payment of the district's debt obligation so that a succeeding generation of taxpayers must pay it off. He preferred levying sufficient millage now to cover the debt.

The time will come, he warned, when additional building monies must be required of voters and this addition, together with outstanding debts and interest, will be too great a tax burden.

Henderson likened participation in the loan program to a second mortgage.

Proponents of the measure, however, argued that participation will give some immediate tax relief to

properly owners at a time when relief is demanded.

Equalized valuation of the township is pegged at \$1,449,655, in the City of Novi at \$54,846,400, and in Wixom at \$37,000 for a total of \$56,333,055. If this SEV preliminary figure stands it

means an increase of \$6 million over last year.

School administrators were to meet Tuesday with the county allocation board in defending the district's request for a share of the county millage allocation.

Wixom OKs New Budget

Continued from Novi 1

Assistant to mayor, \$12,500, up from the revised figure of \$7,475; clerk-treasurer, \$9,000, up from \$8,200, clerical salaries (combined), \$18,300, up from \$17,250; police chief, \$15,200, up from \$14,600; police sergeants, \$24,600, up from \$16,447; patrolmen, \$86,678, up from \$77,940;

DPW, \$80,340; services, \$167,540; recreation, \$16,700; community programs, \$2,550; storm drain runoff plan, \$7,500; and planning, \$12,620.

• OBITUARIES •

MILDRED GRANDGOOD

Funeral services will be held Friday at 1 p.m. at Ross B Northrop Funeral Home in Detroit for Mrs. Mildred A. Grandgood, 78, who died May 15. A complete obituary will be carried next week.

DAVID C. WINANS, JR.

Funeral services for two-and-a-half month old David C. Winans, Jr., only child of Mr. and Mrs. David Charles Winans, were held at 10 a.m. Wednesday from Casterline Funeral Home.

The baby died May 20 at Community Memorial Hospital in Dover Township, New Jersey. He was born February 25, 1972, at Memphis Naval Air Station where his father was in service. His mother is the former Frances Lynn Stoddard.

Grandparents are Mr. and Mrs. Richard C. Winans of Redford, Mrs. Norma Litfin of Northville and John Stoddard, also Northville.

The Reverend William Wager of Alder's Gate Methodist Church in Redford officiated at the service. Interment was in Rural Hill Cemetery.

LEWIS M. COE

A resident of Northville for more than 50 years, Lewis M. Coe died Thursday, May 18, at Wayne County General Hospital. He was 88.

Mr. Coe, who lived at 151 East Cady Street, was born April 21, 1884, in Michigan to William and Dora (Tanner) Coe.

In March, 1908, he married his wife, Beatrice B., who died August 6, 1969. Also preceding him in death were a son and several brothers and sisters.

The owner of the former Coe's Tavern on Main Street, he moved to Northville in 1920 and was also associated with harness racing here.

Surviving are two sons, Lewis Max of Northville, William of Wayne, two daughters, Maxine LaRue of Northville, Lena Egloff of Florida, a sister, Mrs. Lena

Hamilton of Dearborn Heights, five grandchildren and six great-grandchildren.

Funeral services were held Friday at the Casterline Funeral Home where Alexander C. Howell of Plymouth, a reader with the Christian Science First Church of Plymouth, officiated. Burial was in Walled Lake Cemetery, Walled Lake.

EARL L. WALKER

A former Northville resident, Earl L. Walker of Port Charlotte, Florida, died April 30 in Florida.

Mr. Walker, who moved from Northville, 13 years ago, was born December 10, 1893, in Trowada, Pennsylvania.

He was a member of the First United Presbyterian Church of Punta Gorda, Florida, a charter member of Charlotte 1088 F and M in Rochester, New York, a Commande Knight Templar of Lodge 27 in Monroe, Michigan, a member of the Shrine Club in Fort Myers, Florida, and a member of the Port Charlotte Civic Association.

Mr. Walker is survived by his widow, Catherine of Port Charlotte, three sons, Dr. Richard E., Jack M., both of Monroe, Virginia, and a daughter, Helen C. Schantz of Port Charlotte.

CHARLES HOCHSTADT

Services were held Friday, May 19, for Charles Hochstadt, 81, of 409 High Street who died May 17 at Eastlawn Convalescent Center after a long illness.

Mr. Hochstadt, who lived in the Northville area most of his

life, was born January 28, 1891, in Ypsilanti, the son of George and Kate (Ostrander) Hochstadt. He was a retired employee of the Ford Motor Company.

His wife, Margaret, and two brothers preceded him in death.

Surviving are four sons, Russell of Detroit, Howard of Newport, Tennessee, Donald of Westland, Lawrence of Garden City, 11 grandchildren and five great-grandchildren.

Funeral services were held at the Casterline Funeral Home with burial in Cherry Hill Cemetery, Cherry Hill.

PETER KOBANE

Funeral services were held Monday for Peter Kobane, 64, of 19800 Maxwell, who died May 18 at St. Mary Hospital following a heart attack.

Services at 9:30 a.m. at Schrader Funeral Home, Plymouth, were followed at 10 a.m. by services at Our Lady of Perpetual Help Church in Dearborn Heights. The Reverend Father John Lazar officiated.

Interment was in Holy Sepulchre Cemetery.

Mr. Kobane, who came to the community in July, 1971, from Livonia, was a time study supervisor (clerical). He was a member of the Ukrainian Catholic Church.

He was born June 27, 1907, in Sheffield, Pennsylvania, to Constantine and Catherine (Wolczaska) Kobane. He leaves two sisters, Mrs. John (Anna) Prebenda and Mrs. Donald (Eugenia) Crain, both of Livonia; and four brothers, Walter of Detroit, Donald of Dearborn, William and Nick, both of Livonia.

COMMUNITY CONCERN DANCE—Northville Jaycees Bob Foster (left) and Dennis Dildy (right) sell Judge Dunbar Davis a pair of tickets to the Community Concern Benefit Dance. Sponsored by the Jaycees from Plymouth,

Canton, and Northville the dance will be held at Roma Hall in Livonia, and the funds earned will be used to aid the Jaycees in their drug prevention, rehabilitation, teen crisis centers, and emergency call lines programs.

Chapel Is Producer For Memorial Play

Robert Chapel will produce and perform in the 1892 comedy "Charley's Aunt" presented June 7-10 in Lydia Mendelssohn Theatre in Ann Arbor.

All proceeds will be given to the Simpson Institute for Medical Research in the U-M Medical Center. Funds raised will go into the Judith Z. Chapel Memorial Fund and will be used for research and equipment at the Institute.

Chapel, who taught dramatics, English and mass media at Northville High from 1968 to 1971, is producing the play under the auspices of the University Players Guild.

His wife, Judith Z., died January 30 at University Hospital.

Chapel is currently working on his doctorate in theater at the University of Michigan.

The only non-U-M student in the play is Northville's Cris Becker, daughter of Mr. and Mrs. W. C. Becker, who has the role of Amy in the comedy.

She also appears Saturday mornings on "Mr. Patches" seen on WXYZ-TV.

Cris, who performed in high school productions under Chapel, heard of his plans to produce "Charley's Aunt" and tried out for the play.

Tickets for the comedy, which will be performed nightly at 8 p.m. from June 7-

ROBERT CHAPEL

10, are priced at \$5, \$4, \$3 and \$2.

They may be purchased by sending a check and self-addressed envelope to Simpson Benefit, University Players Guild, 1502 Frieze Building, Ann Arbor, 48104. The date of the performance should be specified.

Tickets may be purchased at the Mendelssohn Theatre box office beginning June 1. Chapel plays the lead role of Lord Fancourt Babberly, a young Oxford student who poses as Charley's aunt.

Many U-M theater students and Professional Theatre Program fellows have joined the project as actors and stage technicians. In addition, Ann Arbor residents active in the Ann Arbor Civic Theatre

and the Gilbert and Sullivan Society have joined the production.

Chapel is the business manager of University Players and teaches a course in acting for television and theater in the U-M department of speech communication and theater. He is scheduled to direct one of the four plays in the department's repertory program later in the summer.

Earlier, he acted in University Players productions of "Caesar and Cleopatra" and "Indians" and directed the Spring 1971 Musket production of "My Fair Lady."

Directing "Charley's Aunt"

is Robert Porter. The play has been called one of the all-time great family comedies with Jack Benny starring in the movie version and Ray Bolger in the musical.

Simpson Institute, which will be benefitted by the performances, was created as a memorial to Thomas Henry Simpson by his widow in 1925 for the specified purpose of studying pernicious anemia and related blood disorders as well as for the care and treatment of patients suffering from these diseases.

Research at the Institute is supported by funds from the University, from memorials and from outside grants.

Out of the Past

Flood Waters Hit City

FIVE YEARS AGO

An estimated \$30,000 salary increase and fringe benefit package has been approved by nearly all Northville city employees.

Pinconning, a northern Bay County city, has been selected as the exchange community with Northville for Michigan Week.

Kathy Erwin of Novi has been named valedictorian and Lynn Elkins salutatorian of Northville High's 1967 graduating class.

The largest exclusive manufacturer of industrial balancing machines in the world, Micro-Poise Engineering and Sales, and its manufacturing subsidiary, Gibraltar Tool Company, purchased 30 acres in Wixom for a contemplated new home base.

A barrage of protests during a public hearing before Novi village council forced shelving of a proposal to pave Seeley Road between Grand River and 11 Mile Road. However, councilmen voted to advertise for bids on construction of a sewer for Connemara Hills subdivision.

TEN YEARS AGO

Two-thirds of Wixom's voters turned out to elect Wesley McAtee mayor.

After seven months of searching, the First Baptist Church of Northville has named the Reverend Robert K. Spradling as pastor.

Bennett Cerf was the closing speaker for the 1961-62 Town Hall series.

Novi school board members gave unanimous approval to a preliminary 1962-63 budget that predicts expenditures of \$371,852 only partially balanced by a regular anticipated revenue of \$319,662.

FIFTEEN YEARS AGO

Northville Mustangs hung on to an early lead Monday to squeeze out a 7-6 victory over South Lyon in their opening game.

Northville's planning commission voted 5-2 to approve rezoning a parcel of land on North Center Street to allow construction of a dial telephone exchange building.

Postal service was nearly back to normal this week after operations were curtailed last week on orders of Postmaster General Arthur Summerfield. The post office is again open from 8 a.m. to 6 p.m. and delivery is being made on Saturdays.

A posse of local Novi vigilantes came up with two young men who were taking pot shots at Novi's huge nesting of great blue herons in a game refuge north of Grand River near Wixom Road.

TWENTY-FIVE YEARS AGO

Sunday afternoon the Village of Northville was featured on the Ann Arbor radio station.

Northville accepted in due course the suspension of telephone service and smiled as the girl pickets carried their signs in front of the local office. Tuesday afternoon the high school boys had a lot of fun helping the girls carry their signs on the picket line.

Township voters killed the proposal to sell liquor by the glass in the township outside the village 166 "yes" to 268 "no."

Last weekend flood waters of the Rouge River played havoc with roads and bridges and flooded vast areas of land in the immediate area. The

river, which flooded basements, reached its highest point in 34 years.

Novi and Northville both passed their quotas for the 1947 Red Cross Roll Call.

A refreshment stand has been opened in connection with an oil station at Grand River and Eleven Mile Road.

A sedan stolen from Detroit in March, has been recovered from the Waterford Dam. The car had been stripped of radio, heater and tires before being run down the concrete embankment.

FIFTY YEARS AGO

Construction work on the Perrin block was started this week. This new building should make a very attractive addition to our business street.

Quite a large gang of men are at work on the telephone lines in the Wixom area.

Workmen are engaged in cleaning up Oakwood cemetery this week. The sleet storm did a lot of damage to the trees and to some of the monuments.

Extensive repairs and alterations are being made in the Alseum theater. A new roof has been placed on the building preparatory to putting in a balcony and the walls are being lathed and plastered.

From the proceeds of the home talent play "The Old Oaken Bucket" which was presented in a number of neighboring towns, three additional lights have been added to the streets of Novi.

A complete dry cleaning and shirt laundry service

combining the newest cleaning methods with an old-fashioned idea of service

All our cleaning is done in our own plant. This gives us complete control over every operation and assures the consistent high quality for which we are known. We don't quibble about minor repairs either; we sew on buttons, we stitch up seams, we mend tears... without making a "big thing" out of it and without charging you. Try us; you'll be more than satisfied.

HINDERED HURDLER—A healthy Pat Boyer would have been all the Wildcats needed to cop second place in the Southeastern Conference championships last week, according to Novi track coach Del Munson. Had the junior thinclad been healthy, Munson believes, he would have won the long jump, defended his high jump title, and taken enough points in the two hurdles events to hoist the Wildcats ten points from sixth into second place.

Boyer Out—Ross Leads Thinclads

Novi's 1972 track season came to a close last week in much the same manner it began two months ago—in frustration.

Condemned to an 0-7 record in Southeastern Conference dual meets by injuries to key personnel, lack of a strong sprinter, and an overall shortness of talent, Coach Del Munson, nevertheless, felt his team had a chance to surprise more than a few teams in the Conference championships at South Lyon last Thursday.

His reasoning was sound. In large meets, a team with a few standout performers has a far better chance than a team with greater depth, but fewer standouts. In Bill Ross and Pat Boyer, Munson felt he might have just enough talent to spring a few upsets.

In fact, with Ross and Boyer both performing Munson would have exceeded his fondest dreams. The Wildcats would have been second in the league, trailing only Saline which walked away to a lopsided triumph.

But, fittingly, Boyer was injured. The 6' junior competed only in the long jump and the high jump and did not even enter the high and low hurdle events.

"We missed second place by a groin injury," said Munson referring to Boyer's injury. "With Boyer healthy, he'd have won the long jump and the high jump and taken points in both hurdles. Those points would have put us in second place."

To the surprise of absolutely no one, Saline won the Southeastern Conference track championship with 78 points. But behind the Hornets, the rest of the teams were closely bunched.

Chelsea was second with 30, South Lyon third with 29; Lincoln fourth with 24, Milan fifth with 24, Novi sixth with 20, Dundee seventh with 19, and Dexter last with 15.

But while Munson was pondering "what might have been" with a healthy Boyer, the little that remained of the Novi track team performed admirably.

And nobody performed better than Bill Ross, the blond-headed transfer student from St. Louis. Ross was simply magnificent.

He warmed up for the day's activities by taking fifth place in the long jump with a leap of 19'3". And then he hit his stride in the 880 yard run as he posted Novi's only championship by touring the cinder track twice in the dazzling school record time of 2:00.1. Four events later, he took second place in the 440 yard

Bosak Hurls Shutout For Lone Wildcat Win

Steve Bosak had quite a week for himself. Tuesday the Novi High School senior became the first 18-year old ever to be elected to public office in Novi and Saturday the young politician exhibited skills of quite a different nature as he hurled the Novi baseball team to a decisive 9-0 victory over Detroit Country Day.

Unfortunately, Bosak's victories were about the only ones Novi Coach Rick Trudeau could point to after the week's activities. On the whole it was one of those weeks that should just as well be forgotten as far as the Wildcats were concerned.

Novi was scheduled to play five games and if it hadn't been for Bosak's whitewashing of Country Day Saturday, they'd have lost everyone of them, as first Chelsea, then Willow Run, Saline, and Country Day (in the second half of a double header) recorded victories over the Novi nine.

Just about everything good that happened to the Wildcats took place in the double header with Country Day.

Bosak drew the starting assignment in the first game and was masterful in holding the Detroit school to a mere three singles in going the route on the mound.

And even if Bosak had faltered a bit, it wouldn't have made that much difference as his teammates were backing him up with a solid 10-hit, eight-run attack.

The Wildcats scored twice in the opening frame, as Gary Colton and hard-hitting Bob Pisha each roughed up the Country Day pitcher with triples. The two runs were all Bosak needed, but his teammates scored four more in the third and one in the fifth to give the senior hurler a comfortable margin.

Singles by Pisha, Eric Hansor, Dave Brown, and John Pantalone sparked the four-run third inning, while Pantalone scored the final run on a two-base error by the third baseman, a stolen base, and another error by the third sacker.

Novi got another outstanding pitching performance in the nightcap as big Bob Pisha made his initial appearance as a starting pitcher. Pisha pitched quite a game, too, scattering three hits and striking out seven hitters. It wasn't until the bottom of the seventh inning when Country Day managed to score its first run of the afternoon and they did it without the benefit of a hit, as a walk, an error, and a fielder's choice enabled them to score.

But in spite of his stellar performance, Pisha was outpitched. Paul Stennet, a sophomore southpaw with a big curve, rapid fastball, and near perfect control, limited the Wildcats to three lone singles and won the game 1-0.

"What can you say," said Trudeau. "Bob pitched one heckuva game, but that Stennet is really tough. He beat Northville 1-0 earlier this year and now he's done the same to us. He's good."

The split with Country Day was the week's highlight, however. In the rest of their games, the Wildcats took their lumps.

Chelsea hosted the Novi nine Tuesday, eager to avenge their only defeat of the season—a 4-2 setback handed them by Trudeau's troopers early in the season.

For awhile anyway, it appeared that the Wildcats were going to beat them again. A walk to Colton and back to back singles by Bosak, Pisha, and Hansor in the first inning gave Novi a quick 3-0 lead.

But Chelsea struck back quickly. Two walks and a four-bagger by Wayne Welton knotted the score at 3-3 and then the Wildcats all but donned white beard and red Santa Claus suit, committing four errors on four consecutive hitters to enable Chelsea to score three more times without the benefit of a hit.

The first inning burst of runs by both teams was typical of what was to follow. Singles by Brown and Bosak scored a Wildcat run in the second inning and a walk to Pisha and singles by Pantalone, Hansor, and Tom Shillito brought in two more Novi runs in the third inning.

Chelsea, meanwhile, was scoring single markers in both the second and third

innings, but when Brown tripled and Pat Ford and Bosak singled in the top of the fourth the score was deadlocked at 8-8. The tie was short-lived, however, as the Bulldogs erupted for six runs on five hits and three walks in the last of the fourth to move out to a 14-8 lead.

Novi added a run in the top of the seventh to cut the final score to 14-9.

The heavy offensive output of Novi's opponents continued in the Willow Run game, as the Flyers hammered out nine hits to take a 10-4 decision.

Willow Run opened the scoring with a pair of runs in the second inning, but Novi came back to take a 3-2 lead in the top of the third, as Colton walked, Pisha and Bosak stroked singles, and Hansor, Tom Shillito, and Tim Assemany all received walks.

The Flyers surged into the lead again in the bottom of the third with three runs of their own. Three walks, a passed ball, and an error did the damage as Novi hurler John Pantalone gave up only a single hit in that frame.

Singles by Ford and Bosak brought in a fourth Novi run in the fourth inning, but there the Wildcat scoring stopped and Willow Run scored twice in the bottom of the fourth and three times in the sixth to cement the 10-4 victory.

The long week came to an end—mercifully—Friday against Saline. And once again the Wildcats were hindered by their inability to control their opponents' hitting—and scoring. Far from an offensive powerhouse, Saline, nevertheless, raked Novi for seven runs en route to a 7-2 victory.

The game was over, for all practical purposes, after the first inning when the Hornets rapped out five hits for four runs.

Novi's only scoring came in the second. Tom Shillito opened with a single and Mike Riley stroked a double which left runners on second and third. An infield single by Assemany scored Shillito and Brown then knocked Riley in with a single to left.

BUD DYE

Laying a tile floor is no joke. It is a difficult task requiring foresight as to how to lay the tile and how much will be required. There is even an art to spreading the adhesive. First of all, one must have the proper tool for the job, a special notched trowel or spreader. You will find that this tool will spread just the right amount of adhesive and spread it the most evenly. Perhaps the best rule is: do not attempt the job until you have studied all the angles!

Or better still, come in and talk it over with the experts at NORTHVILLE LUMBER CO, 615 E. Baseline, 349-0220. And see our large selection of all kinds of building and homeowner materials and supplies. You'll find kiln-dried Idaho white pine boards, construction grade or clear redwood, Formica sheet stock and Dacor Brick and stone among our quality inventory. Open: 8-6, Mon-Fri; 8-2, Sat.

HELPFUL TINT:
If you are remodeling, make sure the floors in your home are level before you begin.

JVs Slam Saline, But Lose Three

Novi's junior varsity baseball team has just got to learn to pace itself.

On Friday Coach Bob Wineburger's jayvee Wildcats slugged their way to a 2-1 victory over Saline, but the sad truth of the matter is that they could have used a few of those runs far better in their other three games last week, as they dropped two one-run decisions and then were shutout 5-0.

Chelsea's 6-5 victory over Novi Thursday set the pace for the week.

Wildcat

Bill Ross personally accounted for 12 of Novi's 20 points in the Southeastern Conference championships last week to easily win Wildcat of the Week honors. Ross took fifth place in the long jump (19'3"), second in the 440 (52.2), and first in the 880 (2:00.1), as well as running a leg on Novi's third place mile relay team (3:36.1). The 440, 880, and mile relay times all bettered the established school records.

"I don't think we even hit the ball out of the infield off him," said Wineburger. "He was really tough."

Novi's record is now 3-11 for the season.

First Ace

First hole in one of the year was registered by a 33-year old Livonia man Monday. Finn Nielson aced the 125-yard third hole at the Brooklane Golf Course with an 8-iron.

We'll pay you \$288 a month to learn a skill.

Would you like to learn a valuable skill and be paid while learning it?

Today's Army pays while you learn. Starting at \$288 a month. With free meals, free housing, free clothing, free medical and dental care. And 30 days paid vacation each year.

The kind of skill that can make your career in the Army, or in civilian life.

Like welding, construction, auto mechanics, you name it. We have over 200 job-training courses.

You'll be taught by excellent instructors, in good schools, with the finest equipment around. With promotions and raises as you move up in your job. A chance to make shop foreman by 19.

And there's a lot more you can get that few others jobs can give you. A chance to travel. To live and work in places tourists only visit. Like Europe, Hawaii, Panama, Alaska.

One Run Losses Foil Mustang Nine

ADDED STARTER—Northville Coach Chuck Shonta found himself in need of a third starting pitcher last week and turned to shortstop Rick LaRue to handle the job and the senior captain proved a welcome find. In his first game he fired

a three hitter to beat Oak Park and last week, in his second outing, he pitched the first five innings as he paced his teammates to an upset victory over Western Six Conference champion Farmington Harrison.

Coles Spark Thinclads In Conference Meet

There shouldn't have been any doubt in anyone's mind

After all, Ralph Redmond's Northville Mustang track team has come up with so many pleasant surprises this season, any astute handicapper should have picked the Mustangs at even-money to come up with yet another surprise at the Western Six Conference track and field championships at Waterford Mott last week.

And, of course, they did. Paced by Brad and Guy Cole, Redmond's Mustangs scraped together 30 points to outdistance Walled Lake Western and Farmington Harrison for third place in the league.

"We expected a dog fight between Mott and Churchill for first place and a dog fight between Harrison and ourselves for third place, said an obviously happy Redmond after the meet. "We were right about first place, but we surprised ourselves by taking third by as many points as we did."

Redmond is one of those dedicated track coaches, who grabs local newspapers from around the state and compares times, heights, and distances of opposing teams

and juggles his personnel appropriately.

You can't argue with the results. The past year marked Northville's fifth consecutive winning season with Redmond at the helm.

The Mustang mentor had the league meet figured out down to the point.

"We thought we could take 18 points," he reported, "and we figured Harrison for either 17 or 19. We thought it was going to be very close."

But the Northville thinclads were at peak form, while the Hawk stars suffered a pair of unsettling disappointments and the Mustangs scored 30 points, while Harrison had 18. Western was fifth with 15 points.

Livonia Churchill's strength in the running events overcame Waterford Mott's superiority in the field events, as the Chargers scored an 86-76 victory over the Corsairs for the league title.

One of Harrison's bad breaks came in the 120 yard high hurdles and led directly to one of the Mustangs' two first place finishes. Easily the class of the league in the low hurdles was the Hawks' Dan McConeghy. But in the first semi-final heat, McConeghy,

edged for some unknown reason, jumped the gun twice and was disqualified.

The disqualification gave Northville's Brad Cole a chance at a higher spot in the finals and the senior co-captain took advantage of the break.

As the six finalists were about to skim over the final hurdle, Cole trailed only Mott's Steve Lawrence and seemed to have second place wrapped up. But then on the final hurdle, Lawrence caught a spike and tumbled down and out of the race. Cole was the winner.

"Brad just grabbed his head in disbelief," said Redmond. "The race was almost over and suddenly bang, bang, Lawrence was down and Cole had won." His winning time—15.5 seconds.

Cole also finished third in the 180 yard low hurdles—behind McConeghy and Lawrence—as he led Northville in scoring with nine points.

It was Cole's younger brother—Guy—who accounted for the other Northville championship. And there was nothing flukey about the younger Cole's championship, either. Undeclared during the

regular dual meet season, Cole found himself pitted against his closest competitor Mark Kappler of Churchill for the league two-mile run crown.

The more experienced Kappler laid back and let the Northville sophomore set the pace. The strategy was almost effective. Cole did the first mile far too slowly, going out in 5:02, and Kappler was still fresh and ready to combat Cole's strong closing kick. After the seventh lap the Churchill runner took the lead, but Cole caught him at the 440 mark and pulled away to win with a 10:12.6 clocking.

The Mustangs picked up three second place finishes in the meet. Bill Witek topped his previous best performance to finish second in the pole vault with a leap of 12'8 1/2", and Jim Porterfield came from behind with a clutch put of 44'9" to take second place in the shot put. The third second place was posted by the 440 yard relay team of Phil Guider, Paul Szarnowski, John Pacific, and Brad Cole, who posted the school record time of 46.3 seconds.

Senior co-captain Guy Dixon closed out an outstanding prep career at Northville by finishing third in the mile run in 4:43.0—the best time of his career.

The final Northville point came in the 880 yard relay, where Steve Griggs, Guider, Rich Marcecki, and Szarnowski finished fourth with a 1:35.65 clocking.

With some timely hitting we could have walked away with the game."

As it was the Mustangs saw the Corsairs break open a scoreless pitching duel between John Boland and Jim Carter with a pair of runs in the fifth inning.

Northville finished the game with five hits and left 11 runners stranded.

The rest of the week was far more typical for the Northville jayvees. Tuesday they scored an 8-0 victory over Farmington Harrison and Friday they downed Brighton 14-4.

Dan Coleman rapped out three hits in four trips to the plate - two of them doubles - against Harrison, but the game's outstanding player

Shades of "The Godfather." There was Northville baseball coach Chuck Shonta sounding just a little bit like Don Vito Corleone.

With just some minor twisting of words, Shonta's comments might well have been something closely akin to what the Mafia chief himself might have said.

"What we need is somebody who can come in and make a 'hit' for us when things get tight," said Shonta. "You've got to have the muscle boys who carry a big stick if you're going to keep from getting knocked off in this racket."

All season long Shonta and his Northville nine have been the victims of their own inability to come through with the timely hit. A quick check of the Mustangs' less than sensational 7-9 record shows that six of those losses have come by a single run.

"Turn those six games around and we're 13-3," Shonta points out. "That's where we ought to be playing."

Last week's games were no exception to the season-long pattern. Faced with five games in a four-day span, the Mustangs won two and dropped three. And two of those losses - you guessed it - came by one-run margins.

Northville dropped a pair of games to Waterford Mott Wednesday, losing 2-1 in the regularly scheduled contest and then falling 5-3 as the two teams completed a rain-shortened previous game. Thursday the Mustang bats came alive as they upset Western Six Conference Champion Farmington Harrison 11-7. Friday they edged Brighton 4-3. And Saturday they suffered a 3-2 setback at the hands of Oak Park.

The week's action saw the Mustangs' season record fall to 7-9. They are now 3-5 in the Conference.

The Mustangs started the week with a make-up game against Waterford Mott. Rain had halted the first meeting between the two clubs with the score knotted at two apiece after two innings. Rick LaRue's double had accounted for the two Northville runs.

Jeff Moon was again on the hill as the game resumed. Neither team scored in the third and then, in the fourth, the Mustangs pushed across a run on Dale Griffith's single, a stolen base, and a single by Moon himself to take a 3-2 lead.

With Moon firing effectively, the Mustangs seemed on the verge of the victory. He retired the Corsairs in the bottom of the fourth and the fifth, but then in the sixth inning a walk, and singles by the sixth, eighth, and ninth hitters in the Mott lineup enabled the Corsairs to score three times to take a 5-3 lead.

The Mustangs put two men on base in the seventh, but were unable to score and the Waterford school had a 5-3 victory.

Jim O'Neil who pitched the first game, stayed on the mound for the Corsairs in the nightcap, while Shonta sent Scott Evans to the mound.

And Evans outpitched the Waterford hurler. Pitching the full seven innings, the Northville ace allowed just four hits and registered nine strikeouts, only to lose the game 2-1 as his teammates gave up a pair of unearned runs - one in the second and one in the fourth.

The Mustangs, meanwhile, were stroking O'Neil for seven hits, but were unable to score until the seventh inning when Griffith singled, moved to second on an error by the first baseman, and came home on Evans' single. But with the tying run on second base, O'Neil got Jess

Stevenson to ground to the shortstop and the Mustangs were on the short-end of a 2-1 score.

Northville finally made it into the win column Thursday, as they handed Western Six champion Farmington Harrison just their second loss of the season.

For a change the Mustang bats were smoking. They broke loose for five runs in the first inning, had a second five run outburst in the fourth, and then added their final tally in the sixth.

Northville's first inning flurry was aided by Harrison's largesse. Stevenson and LaRue led off the game with walks and Bart Taylor singled home Stevenson. After Griffith flew out to left, John Sherman walked to load the sacks and Steve Serkaian then lined a hard single to center that skipped past the centerfielder and enabled all four runs to cross the plate.

LaRue's bases-loaded triple was the big blow in the fourth inning and he scored the tenth Mustang run when Griffith doubled. A single by Taylor and back to back walks to Griffith and Sherman forced

LaRue across the plate again in the sixth inning with Northville's final run.

The Hawks were getting their share of runs, too, but couldn't equal the Northville barrage. Two doubles and two singles in the third enabled Harrison to score three times and move into a brief 6-5 lead, but then the Mustangs pulled away again with their five-run fourth inning and Shonta replaced starter Rick LaRue with Evans at the end of the fifth and the big senior held on to preserve the 11-7 victory.

It was Evans again who played a key role in Northville's 4-3 victory over Brighton Friday. Jeff Moon started the game for the Mustangs, but in spite of allowing just four hits through the first six innings, Moon found himself no better off than a 3-3 tie with the Bulldogs, thanks to some shoddy fielding.

The shoddy play continued in the seventh. Brighton moved a runner to third base with one out when LaRue threw wild to first base and another error by Tim Marzonia put runners on first and third with just one down.

Shonta brought in Evans to

replace Moon and the big right-hander retired the last two Bulldog hitters on strikes.

Northville mounted the winning rally in the bottom of the seventh. John Sherman and Marzonia both walked and then with two down, Evans ripped a double down the third baseline to score Sherman and win the game 4-3.

Sharing heroics with Evans in the game was Steve Serkaian, who came off the bench in the fifth inning to stroke a bases-loaded single, driving in two runs.

The week ended under the lights Saturday night. This time Evans got the starting nod.

Unfortunately, like Moon, he was the victim of some poor fielding. A double by Jess Stevenson and a single by Randy Oginski accounted for the first Northville run, and a double by Serkaian and a single by Dan Coleman gave the Mustangs a 2-0 lead in the fourth.

But the game was decided in the bottom of the fourth as Oak Park tallied three unearned runs to take a 3-2 lead they never relinquished.

In Regionals

Boll Paces Netters

Ah, the joys of Class B competition.

Northville's young tennis team has been taking its lumps regularly from the big Class A schools all year long, but last weekend the Mustang netters had an opportunity to compete against schools their own size as they traveled to Highland Park for the Class B regional tennis tournament.

You'd never have guessed it was the same team. All but one Mustang swatted his way

through the opening round and team co-captain Greg Boll advanced all the way to the semi-finals before finally ceding victory.

"Frankly I wasn't overly optimistic about our chances," admitted Coach Bob Simpson in recounting the day's activities. "Our final dual meet performances have not been good. But let me say I was extremely pleased with the way my boys performed. It was an outstanding effort."

Playing with a primarily sophomore team and not a senior in sight, Simpson's Mustangs finished fourth in the ten team field. Their six points put them behind Detroit Austin (16 points), Riverside (11), and Riverview (9).

Leading the Northville contingent was Greg Boll, sophomore co-captain. None of the Mustangs were seeded and therefore drew for positions in his first round match. Boll dumped De LaSalle's number one singles player 6-0, 6-1 to advance to the second round where he disposed of the number two Chippewa Valley netter 6-2, 6-3.

Boll was finally eliminated in the third round, falling 6-4, 6-4 to Riverview's number three player.

John Jerome, the Northville squad's other co-captain, and the number one doubles team of Tom Millington and Rick Norton suffered a similar fate. Both won their first round matches, only to find

themselves faced with the eventual tournament champions in the second round.

Jerome lost his second round match to sophomore Kevin McNulty, defending regional champion and a top prospect in the state meet. The score was 6-0, 6-1. Millington-Norton fell 6-1, 6-1, to a doubles team from Detroit Austin that Simpson feels will challenge a Cranbrook duo for supremacy in the state.

"That's the luck of the draw," Simpson philosophized. "John and Chris and Rick had our best chances along with Boll, but what can you expect against that type of competition. Sometimes the draw works in your favor and sometimes it works against you."

Northville's number two and three doubles teams also fell in the second round. Cary Eaker and John Sewell lost to Riverside's number one rated team 6-0, 6-3 after downing Clarenceville's number three squad 7-5, 3-6, 6-4 in the first round. And Jim Bonamici and Chris Johnson fell to the number one Riverview team 6-0, 6-0 in the second round. "I was extremely pleased," Simpson reiterated. After a season of frustration, Northville's regional showing was indeed a bright note.

Mustanger

Mustang of the Week honors go to Guy Cole. The sophomore sensation capped an outstanding spring season by capturing first place in the two mile run at the Western Six Conference championships last week. Undeclared in dual meet competition throughout the year, Cole withstood a challenge from Churchill's Mark Kappler to win the event in 10:12.6 seconds.

Schedule

Baseball, Novi at Lincoln, 4 p.m. Lincoln junior varsity at Novi, 4 p.m. Golf, Novi at Willow Run Invitational SATURDAY, MAY 27
Baseball, Northville versus Willow Run at Northville in the first game of the VHSAA State Tournament, 1 p.m. The winner of Northville-Willow Run game will meet the winner of the Brighton-Stockbridge game June 1 at 10 a.m. in Northville.

By Bob Moore

How does baseball strike you these days? For one thing, we see a lot more of it on television. For another, many of the old heroes of the game seem to have vanished. Bill Veeck, a former baseball owner, has said: "Baseball is like our society. It's become homogenized, computerized, people identify with the swashbuckling individuals, not the polite little men who field their positions well. Sir Galahad probably had a big following, but I'll bet Lancelot had more." Knight games, anyone?

A full line of SUZUKI motorcycles and accessories is available at MOORE'S MOTOR SPORT INC., 21001 Pontiac Trail, 137-2688. See us for jackets, helmets, gloves, tires, lubricants, oil, etc. Our SUZUKI motorcycles are the finest made—as your authorized SUZUKI dealer, we stand behind every sale we make. Prompt, courteous expert service at our service department. We also carry used motorcycles.

HELPFUL HINT:
To remove coffee stains, soak the cloth over night in a strong vinegar and water solution.

JVs Suffer Rare Loss

Northville's hard-hitting junior varsity baseball team finally suffered its first Western Six Conference loss of the season, as Waterford Mott handed them a 3-0 setback Wednesday.

But the loss was hardly decisive and Coach Gary Emerson was brewing for a rematch.

"Sure we want to get them again," he said. "I think we can beat them. Look what we did. We had a runner at third base in the first inning, two on with nobody out in the second, the lead-off man on first in the third, the bases-loaded with one down in the fourth, a man at second with no one out in the fifth, and two on with two out in the seventh. Out of all that we didn't even score

once. With some timely hitting we could have walked away with the game."

As it was the Mustangs saw the Corsairs break open a scoreless pitching duel between John Boland and Jim Carter with a pair of runs in the fifth inning.

Northville finished the game with five hits and left 11 runners stranded.

The rest of the week was far more typical for the Northville jayvees. Tuesday they scored an 8-0 victory over Farmington Harrison and Friday they downed Brighton 14-4.

Wixom officials hosted the visitors on Mayor's Exchange Day in conjunction with Michigan Week festivities. Headed by Mayor and Mrs. Gilbert Willis, a sizable contingent of Wixom councilmen journeyed to Vicksburg Monday. Co-chairmen of the Wixom festivities were Mrs. Donald Walsh and Mrs. Melvin Green.

Revisions in Offing

Tables 'Trip' Policy

A proposed Novi policy statement on senior trips was tabled by the board of education Monday pending review and revision.

To be revised is this proposal:

"It shall be the policy of the Board of Education of the Novi Community School District, that all senior trips taken must be sponsored, planned and controlled by a group other than board employees. Further that it be expressly understood that the board will not sanction, participate, or aid in any way

a senior, and/or other class trip."

The preamble of the proposal notes that senior trips are primarily of a recreational nature with questionable educational value. "While this board is sure that some seniors will develop a broader world knowledge, there is no assurance that any and every senior trip will be beneficial to most or all of the seniors participating," the proposal states.

In other action Monday, the board of education approved the hiring of four full time

teachers (fourth grade at Village Oaks, English and science at the middle school, and an elementary physical education teacher) and two half-time teachers (English at the high school and physical education at the elementary level).

Dissenting on the amended motion was Board Vice-President Bruce Simmons.

On the amendment—to pay Village Oaks principal as an administrator even though he is given the responsibility of physical education in his school—Simmons and Secretary Ray Warren voted no.

The principal, David Brown, has been serving as a half-time principal, half-time physical education teacher.

Under the newly approved board measure, he will be principal about two-thirds of the time, PE instructor one-third, Superintendent Thomas Dale explained.

The board also—

Named Trustee William Ziegler as its representative to the election of the Oakland School Board.

Approved a contract with Green Ridge Nursery of Northville for \$650 to install two timber-reinforcing walls along a step grade behind the middle school.

Referred to the site committee a proposal to shift the proposed tennis court location to remove it from the drainage bed of the disposal

system at the high school.

Voted to purchase 160-seat portable-elevated bleachers from Nu-Bleachers at a cost of \$1,850. The bleachers will be used on the visitor's side of the football field.

Tabled bids, pending administrative review, from two firms on fencing at Village Oaks Elementary School. The bids were \$2,434.22 and \$1,920.

Awarded a contract to Green Ridge Nursery for repair and sodding of the football field at a cost of \$3,975.

A contract also was awarded Hartford Roofing Company of Pontiac for re-roofing at Novi Elementary School at a cost of \$8,153.25—pending verification of the bid figures by the administration.

Detroit Concrete Products of Novi, lone bidder for a walk in the rear of Village Oaks Elementary School, was awarded a contract for 650 feet of walkway at a cost of \$1,755.

The board voted to advertise for sealed bids on \$500,000 worth of tax anticipation notes.

Annexation

Continued from Record 1

The two Wayne County boundary commissioners, who are appointed by the judge of probate, are:

Eric Golting of Detroit, an attorney who has been a member for the past 1½ years.

William Moshier of Romulus, an attorney who also has served about the same length of time.

The public hearing, it was explained, is held in the community involved. Once the commissioners decide the date of the hearing, Golting explained, the township clerk

must publicly announce the date and time well in advance of the hearing.

Officials and citizens from both the city and the township may voice their support or opposition at this hearing, he said.

Following the hearing, the decision of the commission is final, unless challenged in circuit court or citizens petition for an election on the matter.

Concerning the annexation question, the citizens committee supporting the proposal, "One Northville," will meet tonight at 8 p.m. at Northville Downs.

Planners Schedule Hearings on Rezoning

Two more rezoning requests have been scheduled for public hearing within the next two months.

At its meeting last week Wednesday, the Northville City Planning Commission approved hearings for these two matters:

Rezoning of three lots on North Center Street, south of Lake, from residential to a professional office classification.

Rezoning of Councilman Paul Folino's property on South Center Street, south of Cady, from residential to commercial.

The former request is to come up for hearing on June 20—the same date the controversial apartment zoning request on Randolph Street, west of Center, is to be heard. Folino's request is pegged for hearing on Wednesday, July 5, a rescheduled planning commission date because of the July Fourth holiday.

The councilman is requesting the zoning change to permit him to relocate his insurance office, now located on Main Street next door to the proposed Northville Square commercial development.

He told planners earlier that he has had an offer from Richard McManus, developer of Northville Square, for purchase of his property on Main Street but that the sale has not been signed.

The North Center request was initiated by Denis Roux, who asked that the lot immediately next to one on which he plan to develop professional offices be rezoned. His immediate plans for the additional lot, he explained, is to use it for parking.

In reviewing the request, the commission decided, by its own action, to add two

adjacent lots to the petition, thus extending the proposed PO zoning to Lake.

In other action last week the planners accepted a historical site plan, which goes now to the city council for review and final action.

Referred to committee for study and recommendation is a proposal by Nick Zander to expand his business, 20th Century Barber Shop on Seven Mile Road, west of Northville Road. He proposes to add storage space along the rear of the building, and additional barbering space on the front of the building.

Warden Favors State Merger

Continued from Record 1

DeHoCo, he hopes they will be pre-enrolled in similar training programs in Detroit.

"The inmates should be trained for employment opportunities we know exist."

"I'm very impressed with the potential here at DeHoCo," he said. "It's the best location in Michigan—close to resources. When the Jeffries freeway is completed, DeHoCo will be a half hour from Detroit and that will make the institution more valuable than it is now."

Amberger has much praise for the prison's staff of 250 which handles 1,200 inmates. "They've done wonders with a \$3-million budget and I'm very impressed."

Amberger said he favors a merger with the state of Michigan "particularly for the women's division. The institution would fit better into the state system and the state needs a prison this close to the city."

Presently, Detroit owns and operates the jail with the county and state "buying" space for their prisoners.

"Less than 10-percent of the inmates are from the city," Amberger commented.

"Once Detroit was a very rich city. It set up its own court system (Recorder's Court) and its own jail (DeHoCo) but we can't afford to do that anymore."

"It's duplication of services on a small tax base," he explained.

By July, 1973, Amberger said the state should consider the question of at least a partial merger of DeHoCo with the state system.

The new warden said he is neither a hard disciplinarian nor an easy one, "sort of in between I guess."

"I believe in rewarding positive behavior and punishing or not giving any recognition to poor behavior."

Amberger said he is very concerned with the number of escapes from DeHoCo in the past few weeks.

"We've put additional guards in the area and are beefing up the fence on the women's side. Escapes are ruining relationships with our neighbors and whether escapes are normal or not, it's nothing we want to live with," he said.

DeHoCo has become more stringent with escapes, he noted, and is prosecuting any person caught escaping.

"Those we don't catch, we have warrants issued for and when they're picked up they're put in the county jail."

Amberger said escape problems have been greatest among the women since they are at DeHoCo for stiffer penalties, while the men are serving shorter sentences.

Amberger said he believes the field of corrections has been neglected but that there is hope.

"Most of the Law Enforcement Assistance Association funds have been going to the police and courts. But now people are willing to look at corrections as a way of stopping the crime problem by rehabilitating people."

He also hopes to be able to get more community involvement at DeHoCo through person to person counseling. "People have a wish to do relevant things with other people and counseling has proved valuable across the United States."

Amberger, his wife, 10-

year-old son and 13-year-old daughter currently live in Detroit but plan to move into the house provided at DeHoCo this summer. "The kids are thrilled they'll be able to keep horses," he said.

"I'm very excited about the job here. I have had a number of positions, but I'm very much challenged by being head of an organization like this. It's the most important field today."

Land Transfer

Continued from Record 1

bill (House Bill 6246) was referred to the State Affairs Committee. It will come out of this committee, with or without a committee recommendation for floor debate and a vote.

Once it is approved by the House, Stempien explained, it will go to the Senate for its approval.

The Northville Representative envisions no difficulty in passage of the bill.

Stempien explained that introduction of the enabling

legislation had been delayed while the building division of the state surveyed the property in question to determine availability of sewer, water, etc.

The bill is titled, "A bill to authorize the State Administrative Board to transfer a certain parcel of land in Northville Township, Wayne County, Michigan from the Department of Mental Health to the Department of State Police."

WILLIAM BROOMFIELD

JACK McDONALD

McDonald vs. Broomfield

GOP Battle Shaping Up

Five Livingston County municipalities which are included in the new 19th Congressional district won't have to wait long for some hot political infighting.

Battle lines for the August primary were drawn last week when Jack McDonald and William S. Broomfield, two incumbent Republicans, announced they will seek the 19th district seat.

Currently, McDonald represents the 19th district in Washington, while Broomfield represents the old 18th district.

To make the confrontation possible between these popular Republicans, Broomfield moved from Royal Oak to the 19th district, which political pundits predicted he would do.

In announcing his candidacy last week in Pontiac, McDonald said he was happy to welcome to the 19th the 22,000 residents of Hartland, Tyrone, Brighton and Green Oak townships and the City of Brighton.

All these Livingston County municipalities currently are in the Second Congressional

District, which is represented by Marvin Esch, Republican from Ann Arbor.

"I trust that as we get to know each other," McDonald continued, "you will call upon me whenever I can be of assistance. I also look forward to learning your views on the critical problems confronting our nation."

In moving his residence from Royal Oak to Birmingham, Broomfield said, "I spent the past week consulting with voters, old friends and party leaders throughout the county. Their support and encouragement has helped me to make this decision."

McDonald was a Redford Township supervisor before he ran for congress. A member of the House Public Works and Merchant Marine and Fisheries committees, McDonald is seeking his fourth two-year term as congressman from the 19th district.

A state senator for two years before winning the congressional seat from the old 18th district, Broomfield is seeking his fifth term in Congress. Currently, he is third ranking minority member of the House Foreign Affairs Committee.

The new 19th district was created by order of federal Judge Damon Keith when the State Legislature was unable to agree on a reapportionment plan, as required by the 1970 census.

Financial Measure Proposed

A measure "to insure financial stability for the state's school systems" has been proposed by House Republican Leader Clifford Smart of Walled Lake.

With the possibility that financing of schools with property taxes could be ruled unconstitutional or be voted down at the polls the tax anticipation notes presently held by school systems could become worthless, causing a major financial crisis, the lawmaker explained.

"Since my original legislation is bottled up in the House Education Committee," he said, "the quickest way to implement the corrective wording into the Michigan statutes is to amend another piece of legislation (Senate Bill 981), which is what I am attempting to do."

Under the Smart measure issuers of the tax anticipation notes would be assured of receiving the same interest rates and could continue to carry the same "investment securities" outside otherwise applicable loaning limits.

"I hope to show area Morgan people that their horse is a good choice for voltige and dressage, and encourage use of snaffle bits in the process."

So says Mrs. Karin Wolski of Martindale Road, Lyon Township.

A recognized expert in the relatively little-known sport of voltige, Mrs. Wolski has a background in this "gymnastics on horseback" field that includes training of German cavalry during World War II.

Her remarks support two of her major contentions.

"The Morgan is an excellent horse for this type of work. They have good conformation, which is very important, along with gentle dispositions, a smooth gait, quiet nature and coupled back which are essential," according to the veteran trainer and teacher. "If Morgans have a single drawback, it is in their relative lack of height."

She has had great success with other breeds, notably Palominos, prior to moving into this area (from Detroit) this past December and "discovering" the Morgan.

On the use of bits in training horses, Mrs. Wolski is most emphatic. "You cannot properly train a horse by hurting him," she believes. "If you use a sharp bit, the pain will hinder his attention to the details of training which are all important. A softer bit, such as the snaffle, or no bit at all is to be preferred."

The horse, first, must be trained before riders can be taught the intricate and often complex gymnastics types of movements associated with voltige. Mrs. Wolski says she prefers working with a horse six or more years of age in voltige training; she may begin with a three to 3½ year old horse, "if untouched by prior training attempts", for dressage.

Voltige, as Mrs. Wolski explains it, is an art that dates back to the Cossacks of the present-day Ukraine. "They lived on horseback," she says of the Cossacks, "and they learned to do everything while on horses. It was their ability on horses that led to the eventual popularity of voltige in Western Europe."

She explains that every accredited riding school in Europe teaches voltige and will train competitive teams when their pupils show sufficient skill. Voltige is judged on a 0-10 scale, with 10 perfect.

Voltige itself is the performance of various gymnastics maneuvers at various gaits -- standing, trot and canter -- around a circle. The rider -- or riders in double and triple (and quadruple) voltige -- mounts, dismounts, and performs such feats as headstands and balancing activities.

The students shown in the accompanying pictures are young learners in the recently established program at the David Battons' arena on Eight Mile west of Pontiac Trail. As new pupils, they are not schooled in any of the intricate details that go into an exhibition, such as the one Mrs. Wolski's Union Lake pupils will perform in the All-Morgan Show at the Michigan State Fairgrounds in early July.

Voltige: Old Sport of Gymnastic Performance on A Moving Horse Gains New Interest in This Area

Jumping and dressage are also taught by Mrs. Wolski who migrated to America in 1948. She had been trained in Berlin in voltige beginning at seven years of age and progressed through various stages while earning diplomas in voltige, jumping, dressage (French for training), horse care and some veterinary medicine. She trained German cavalry throughout World War II.

In 1948 she began training pupils and horses in Milwaukee in what she terms a combination of "the grace of ballet and gymnastics and the skills of bareback riding" (voltige).

Moving on to Illinois, the Wolskis placed Karin in temporary retirement while she began raising her family. They came to Detroit in 1965 and she returned to work for Vi Hopkins in Windsor.

Now at home in Lyon Township, the Wolskis have one child attending Wayne State University and two others in the South Lyon schools.

Basics are stressed by Mrs. Wolski in all of her training. Among the first steps she teaches are: getting the horse to do the right things on a very slight physical command (she works first with the whip and reins), "lunging" the horse to get it to stay on the circle, encouraging free, natural movements of the horse. Then she goes into riding after the horse has learned to relax and be natural without weight on its back.

Learning to properly sit on horseback is the first essential she teaches a new rider. "Sitting is all important," she points out, "if you can't learn to sit properly, I can't teach you voltige."

While she does not discourage anyone, Mrs. Wolski does stress that some athletic ability is essential if a student hopes to achieve enough skill to compete.

She prefers to start with 10-year old children, and has pupils ranging in age up to about 30. "In Europe, unusually skilled six-year olds are taught voltige, but they prefer 10-16 year olds in their programs," she relates.

Trainer Karin Wolski Thinks The Morgan Horse Is A Good Choice for Voltige

GOP Governors in Nixon's Camp

LANSING—The strength of President Nixon's position in the Republican Party this year is perhaps best demonstrated in the ranks of the Republican Governors Conference.

The conference includes his two chief rivals from 1968 days—Nelson Rockefeller of New York and Ronald Reagan of California. Its chairman this year, Governor William G. Milliken, backed another man (Rockefeller) in 1968.

Yet all three are actively backing the President this year. In fact, they are half of a group of six Republican governors designated as surrogate candidates to stand in for Nixon until after the Republican convention in August.

The six are going to be travelling around the country, mainly in their own geographic areas, to keep the Republican faithful moving until Nixon starts working publicly on his re-election after the convention.

THE THREE governors all had to make a change in their positions to back the President fully, and Milliken made as big a change as any.

In 1970, when he ran for a full term as Governor of Michigan, the Governor was very careful to keep a clear dividing line between himself and the national administration. The President never did visit the state in 1970 and Vice President Agnew came only once. On that visit Milliken found reasons to be elsewhere in the state than where Agnew was.

But that decision was a matter of practicality as it was ideology, since polls showed Nixon would be a

negative rather than positive force for Milliken.

NOW IT'S two years later, and the shoe is on the other foot. Nixon is running for another term, as is Republican Sen. Robert Griffin, a long-time friend of Milliken's.

In Michigan and the midwest the Governor, who isn't running for office, is a plus rather than a minus for both Nixon and Griffin, so he is

actively campaigning for them.

The Governor isn't pretending he agrees with Nixon on every issue. At the Republican Governors Conference earlier this spring he worked to keep a Vietnam resolution to a general endorsement of the President's withdrawal policy since he did not approve of such steps then going on as the bombing of the North.

By ROLLY PETERSON

We've come a long way, baby. Have we ever. And I don't mind it a bit, although if we go farther, I'd like it better.

What I'm talking about is dentistry today and the shudder the annual six-month visit provokes. While man may have emerged from the Dark Ages some 500 years ago, only within the past 15 years has he emerged from the dark ages of dentistry.

My own experience is enough to justify the foregoing statement.

It started with my parents in the 40's. They were in collusion, if not a conspiracy, with the "friendly" gray-haired man in the white colonial home with the green shutters a few blocks away.

"You will go to the dentist," my dad told me in no uncertain terms at the breakfast table. No back talk from me. I just squirmed uncomfortably like the man helpless to change his fate, the fact that the appointment was three days away providing at least temporary and definitely illusory relief.

Those three days passed quickly, not unlike a 10,000 pound bomb hurtling toward earth. The explosion of 'D' day arrived and I found myself sitting in the dentist's chair, with all its familiar smells, the quiet swirl of water in a fountain apparatus on the chair and the somber face of the dentist as he peered follicle-close and sternly said, "Wider".

My fingers, foreign appendages now, gripped the chair arms with a will of their own. They, too, knew what was coming. Sweat beaded on my nose, my feet braced and the operation began. The deadly sound of the drill had begun.

Into my mouth sailed that silver drill, searching out one of several cavities my dentist announced I had. No novocain was used. The drill growled through my mouth as it was seeking an opening through the top of my head.

It was then and it is now a personal battle between me and the dentist. No way is he going to make me cry "Uncle." While I'm getting psyched up for anything that might be in store, in the back of my mind is a certain envy and a begrudging hatred of those who have pearly white teeth devoid of cavities.

Is there any wonder why a person who has gone through the same or similar experience feels a twinge today when it comes time to go to the dentist? Neither the novocain, nor the high-speed drill can deaden those memories.

But my experience is put in pathetic relief by experiences others older than I have had. If today's drill is high speed, and yesterday's is low speed, last week's was slow death.

The drill was back-when was operated by the dentist pumping a pedal with his foot. If your dentist wasn't coordinated, or if he had bunions on his big toe, it could be murder. And by the stories I've heard, it was.

He also said at a separate time the President's decision not to seek a constitutional amendment to ban busing was made for the wrong reason.

NO TWO PEOPLE agree completely on everything, and Milliken told an interviewer earlier that he doubts he'll ever agree 100 percent with any politician, Republican or Democrat.

He is sincere in his support of Nixon. The Governor admires the President's grasp of government and his approach to problems, even if he doesn't agree with some of the results.

Besides, this is 1972 and it's the President's turn on the ballot. If the President can stay out of Michigan to help the Governor in 1970, then the least the Governor can do is travel in and out of the state this year to help him.

AMIDST ALL the aggravating things government finds to do to taxpayers, there are a few glimmers of good news.

One of the latest bits comes from

the office of Secretary of State Richard Austin. Austin announced that for the second year in a row next year, Michigan motorists with insurance on their motor vehicles won't have to kick \$1 per vehicle into the uninsured motorists fund.

Austin was able to do this through a law passed by the Legislature in 1971 which set a minimum level for the fund. If the fund is above that level then the \$1 fee is not collected.

THE \$1 WASN'T much, but it bugged a great many people who shelled out a couple of hundred dollars a year in car insurance that they had to pay out another dollar to help cover the people who don't, for some reason or another, get insurance for themselves.

Austin recognized this and pushed for removal of the fee as soon as he reached office.

"Although the dollar was a small amount of money to pay into the fund to provide benefits for innocent victims of uninsured drivers, it was an extremely unpopular assessment against Michigan's responsible motoring public," he says.

'Holiday' Cars Jam Highways

If you plan to take an automobile trip over the Memorial Day weekend, your car will be one of more than three million vehicles expected to log approximately 760 million miles during the 78-hour holiday.

This represents a five-percent increase in travel over the 1971 Memorial Day weekend, according to Automobile Club of Michigan. "Since the upcoming holiday traditionally is the kickoff for summer activity in the state, the period from 6 p.m. Friday (May 26) to midnight Monday (May 29) will be one of the heaviest traveled periods of the year," states Auto Club Touring Manager Joseph L. Ratke.

Ratke estimates that about six of every 10 motorists who travel during the Memorial Day holiday will experience delays due to the heavy volume of traffic.

"To avoid unnecessary delays, travelers should plan their trips to avoid peak traffic periods," reminds Ratke. "This is why it is so important to begin trips either before or after the rush periods."

Auto Club states travel will peak between these times: Friday, 7 p.m. to 10 p.m. Saturday, 9 a.m. to 1 p.m. and 6 p.m. to 9 p.m. Monday, 2 p.m. to 10 p.m. Monday will be the biggest problem as travelers return home, Ratke points out. "This will be especially true if the day is sunny and warm since most Michiganders will extend their stays to take advantage of the weather and then all crowd the highways at once."

Horse's Mouth

This column is open to news of all breeds of horses and ponies. Send your questions, comments, and horse show news to "Horse's Mouth", care of South Lyon Herald, South Lyon, Michigan 48178.

TRAIL RULES

(1) The horse should be walked the first ten minutes to warm him up and give the rider a chance to get comfortable and relaxed. He should also be walked the last ten minutes so that he is breathing normally and is fairly cooled out.

(2) Walk the horse on paved roads and up and down steep hills to eliminate the danger of his falling and to reduce the wear and tear on his legs. Walk the horse over bridges.

(3) Do not let the horse eat leaves or grass on the trail or any other time when you are mounted. This can become a very annoying habit.

(4) Keep at least one horse's distance between horses for safety's sake.

(5) Do not begin a faster gait without warning or consulting one's riding companion so that he too might be prepared.

(6) Never canter past a group of riders.

(7) Do not move any faster than the poorest rider in the group can manage with ease.

(8) When a strange vehicle approaches, try to move off the road.

(9) Do not hold branches back. It is dangerous to the next rider and will swing back and swat him in the face.

(10) When riding with a supervised group, always follow the lead horse and all directions given by the leader.

(11) Warn others of approaching vehicles.

(12) When crossing a busy road the group should all cross at the same time. It is dangerous to have horses on both sides of the road when a car passes. The horses left behind usually try to get across the road to their friends and are oblivious to approaching traffic.

(13) A group of riders should always ride on the same side of the road. It is difficult for the passing motorist to watch for horses on both sides of the road at the same time.

(14) It is a good idea to face approaching traffic. The horse can see the approaching vehicle better, as can the rider.

(15) If one rider must stop, halt the entire group of horses; otherwise, his horse will not want to wait.

(16) Do not canter in a field unless the ground is very familiar, and keep a lookout for new holes.

(17) Do not ride in fields without the owner's permission, and do not ride in fields with growing crops.

(18) The horse may be watered in a stream. If he is warm, he should be kept moving slowly after his drink.

(19) If the horse is to be tied for a rest period he should be tied by a neck rope or a halter slipped over his bridle. He should never be tied by his bridle alone as it is too easy to break. The girth of the saddle should be loosened or the saddle taken off.

Trail riding is a great deal of fun for both horse and rider if the rider just uses common sense. He must remember that the horse, unlike a bicycle or automobile, is unable to produce speed for a long period of time without becoming very tired.

The considerate rider will alternate his gait and speed to suit the terrain and the condition of his horse. Maintaining one speed for a long time is not only boring but tiring. However, when the horse's breathing is becoming labored, he must be walked quietly until cool and relaxed. A trot is a relaxing, quieting gait also. A canter, especially in the exciting company of other horses will tire a horse quickly.

A horse seldom ridden will not be able to take much work at all; one that is consistently ridden every day or so can take quite a lot of work before showing signs of fatigue.

from the Pastor's Study

'Living by The Sword'

Rev. Philip M. Seymour
Novi United Methodist Church

Have we lost the ability, or just the will, to love our neighbor as ourselves, and to listen to him as a fellow child of God? When we encounter someone with whom we disagree, don't we tend to become hostile toward them? When our neighbor crosses our path, whether he lives next door or on the other side of the world, don't we want to "knock his block off?"

Jesus knew what he was saying when he spoke: "Put the sword back into its place; for all who take the sword will perish by the sword" (Matt. 26:52). We have become a nation who lives by the sword.

As reported in a national magazine earlier this month, a father and son attempted to force their respective life styles upon each other. Their relationship came to a head and the father was forced to kill his own son in self defense.

Because Martin Luther King, Jr., stood for certain ideals which made many of us angry, he was gunned down on the balcony of a Tennessee motel.

And at the other end of the political spectrum, because George Wallace stood for certain ideals which made many of

us angry, he was gunned down in a Maryland shopping center.

Yet we continue to refuse to license guns as we have automobiles and dangerous drugs. We continue to hate people who differ with us in politics, skin color, religion, and hair length. We refuse to accept all others as our brothers and sisters under God. We continue to fight against our coming together as a nation, and continue to preserve an unequal status quo where most of us are comfortable and privileged, many of us are not. It's really not all that surprising that violence erupts every now and then, here and there.

It's much too simplistic to shout, "He pulled the trigger. He committed the crime." As a society we breed hatred when our children curse the bad guy in a T.V. cartoon, when we curse the enemy in Viet Nam, when we curse our husband or wife. I wonder when the words of Jesus will begin to be lived, and not just memorized and recited? "You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbor as yourself" (Luke 10:27).

Just a beginning

Scriptures selected by the American Bible Society

"I'm never going to open another book again!" sighed Pete as he collapsed in my chair following his high school commencement.

But three months later, Pete had changed his tune and was ready for college.

Since then, he's had other graduations—from college, from medical school. Each time Pete has discovered that it isn't all over when you graduate. Something is just beginning.

Some people want to "graduate" from church at a certain age or time. They're just like Pete when he left high school. They think they've outgrown the Church.

How empty Pete's life would be now if he had stopped at that first graduation. How empty your life would be without the Church.

Maybe it isn't all over for you! The church doors are always open.

Home-Lawn And Garden

THE NORTHVILLE RECORD-NOVI NEWS
SOUTH LYON HERALD-BRIGHTON ARGUS

Page 5-B

Wed.-Thurs., May 24-25, 1972

Take It Easy For Best Lawn

If you are one of the millions of homeowners who feels he spends more time with the lawn than with the family...read on!

Lawns don't really require a great deal of time to keep them eye-catching green and trim. In the first place, grass is really hard to keep from growing. Mother Nature has conditioned grass to grow even where nobody tends it and the grass does quite well without the pampering. There are a few easy ways to tend lawns and they can be listed in a reasonably short narrative.

1. Fertilize your lawn with 10 to 20 pounds of balanced fertilizer per 1,000 square feet in the early spring, before the sun gets too hot and the rains have stopped.

2. Don't cut the grass too short—1½ to 2 inches is a good

standard height to keep a lawn looking its best. Low cutting often removes the leaves from the grass stem and gives a lawn the yellow cast, terribly hard on grass to recover from such a scalping, too.

3. Spray for weeds with 2-4-D in late spring. The weather should be warm, but not excessively hot for spray to work best.

4. Overseed your lawn with 3 pounds per 1,000 square feet as soon as the weather warms up in the spring. Use a good lawn seed mixture such as chewings and red fescue since it germinates fast and fills empty spots to give a lawn that lush, dark green look.

Water the lawn in line with the weather—if it is extremely hot give the grass a good drink more frequently than in cooler weather. Don't water during the sunny part of

hot days. The sun can cause damage to lawns with water on the grass blades, wait till evening or early in the morning.

6. Mow with different patterns each time you mow the lawn, make triangles circles or what have you. The change in mowing patterns will give the lawn a more even look. It's more fun, anyway.

7. Wait for one of those hot days, kick off your shoes and socks and walk slowly to the center of your lawn—try to keep from lying down on the lawn—if irresistible—go ahead and fold into the cool greenness, it's great!

If you can crumble the soil in your hand (top), it is ready for planting. If it clings together (bottom), it is still wet and if worked will remain hard and cloddy for weeks.

Check Your Soil Before Planting

Although everyone is anxious to begin gardening when the first warm spring days appear, you should allow the sunshine and warm spring breezes time to dry out the soil before you try to work it, says J. Lee Taylor, Michigan State University horticulturist.

"If you can crumble a soil ball with your fingers," says Taylor, "it's ready to plant."

If the soil clings together, it's still wet and if worked

with remain hard and cloddy for weeks.

Before working the soil, Taylor recommends spreading fertilizer over the garden plot. Two or three pounds of a general analysis fertilizer such as 5-20-20 per 100 square feet is usually sufficient.

For a more exact analysis of your soil's fertilizer needs, have your soil tested by your local county Extension Service office. After fertilizing, prepare

the soil about six inches deep making sure all the soil is turned under, says Taylor. Do this with a garden spade, plow or rototiller.

Finish by leveling and smoothing with a rake. It is much easier to level small areas if you turn the rake over.

"By preparing the soil in the area planned for a certain crop just before you plant that crop," says Taylor, "your work will be spread out and will insure that the soil is soft and easy to plant."

Mushroom Tips

Mushroom collecting has been called the most dangerous of all outdoor sports. This will not be so if you play by the rules, say marketing specialists at Michigan State University.

Mushrooms have a definite fruiting season and in Michigan that season is May. To insure safe collecting of more mushrooms this spring, the specialists offer these suggestions:

1. Know precisely and positively what you're after. (For information on identifying species of mushrooms, see your local county extension agent or write to the MSU Bulletin Office, Box 231, East Lansing, Mich 48823. Ask for E-614, "May is Morel Month in Michigan.")

2. Collect only one species at a time, or keep each species in separate baskets.

3. Only young fresh specimens are suitable for food. After a mushroom matures and begins to deteriorate, its edible qualities likewise deteriorate.

4. Keep your collection as clean as possible. Pick the entire fruiting body so you're positive it's the right kind. Then trim off the lower parts and clean off any duff or dirt before placing the trophy in your basket.

5. Keep mushrooms in the shade and as cool and well ventilated as possible until you get home. Do not place mushrooms in plastic bags; they cause the mushroom to sweat and disintegrate rapidly. Bacteria and yeasts can cause great damage in a few hours on a hot day.

6. Clean, process or cook your mushrooms as soon as possible after you get home.

Notes

Mid-May is the best time to plant rooted chrysanthemum cuttings in Michigan, say horticulturists at Michigan State University. Soak the four-inch cutting in water for five minutes, set in a hole an inch deeper and wider than the roots and water heavily immediately after planting.

Unstaked Tomatoes Give More Per Plant

"The next time you consider staking tomatoes, think about the possibility of having fruit that is smaller and scalded," says Gerald E. Draheim, Wayne County extension horticulturist agent.

Many urban gardeners stake tomatoes because they want to get more plants per square foot. Although the practice does save space, Draheim points out that some

problems may arise. Staked tomatoes lose their bottom foliage and sometimes the foliage around the fruit. This could result in scalded or "sunburned" fruit.

Also, when the tomato plant is staked the fruit production is decreased because one root system has to support the entire plant. If the plant is

allowed to grow on the ground, suckers will often root and supply additional nutrients and moisture to the plant and its fruits.

"Research has proved that unstaked tomato plants will supply as much as 10 pounds more fruit per plant than staked plants," says Draheim.

When reseeding bare spots in your lawn, rake the soil to loosen it and then spread a small amount of grass seed over the soil. Then rake the whole area gently, as shown here, to make sure that the seeds are in good contact with the soil.

Azaleas Need Iron

Iron deficiency is probably the most common cause of poor growth in azaleas, according to Michigan State University horticulturists.

The first sign of iron deficiency is chlorosis—a yellowing between the veins on the new upper foliage near the tip of the shoot, while the veins and nearby leaf tissues remain near normal green.

Currently while azaleas provide their splashes and masses of color, iron chlorosis should be corrected or prevented by applying iron to the foliage or soil as chelated iron or ferrous (iron) sulfate.

In addition, adding some well-rotted hardwood sawdust or acid peat moss will help make the soil more acid and provide a longer-lasting availability of iron to the plant. Two parts loam soil to one part organic matter makes a good blend.

Iron chlorosis is often found in azaleas growing near building foundations where calcium from the concrete or mortar causes the acidity of the soil to decrease. Special care should be given to azaleas in these areas, advise the specialists.

Notes

According to horticulturists at Michigan State University, spring frost chances in the central and lower parts of Michigan are: last week of April — 100 percent; first week of May — 75 percent; second week of May — 50 percent; third week of May — 25 percent; and Memorial Day — zero percent.

Too much fruit can mean poor results, say horticulturists at Michigan State University. Fruits such as apple or peach should be thinned so that the remaining ones are separated by about eight inches.

May is the best time to fertilize roses, remind horticulturists at Michigan State University. One heaping tablespoon of a complete garden fertilizer — one with equal or nearly equal parts of nitrogen, phosphorus and potassium — will do the job for each plant.

New Car Leasing

Try out a Chevy at Volkswagen.

Try out any of the cars people trade in for new VWs. We get all kinds. But we don't sell them again just like that. We check them out first. Give them the 16-point inspection. Fix whatever needs fixing. Then guarantee the repair or replacement of every major working part* 100% for 30 days or 1000 miles. Whichever comes first. Incidentally, the guarantee comes with all our used cars.

Even the Volkswagens.

At least one out of every three vehicles on the road at peak travel periods will be some type of recreational vehicle, predicts Auto Club, which suggest campers have alternate sites picked out

Fill in Card For Benefits

Students 18 and over who get monthly social security payments have an important "assignment" due before the end of the school year, according to Sam F. Test, social security district manager of the Detroit-Northwest Office located at 17500 Lahser Road.

Full-time students who are 18 and over and are unmarried can get monthly checks from social security until they're 22—if a parent gets social security benefits, or if a parent has died after working long enough under social security.

"About 580,000 students in colleges, high schools, and trade schools get \$53 million a month from social security," Test said. He added that a reporting card is mailed to each student beneficiary about three months before the end of the school year. The student's "assignment" is to fill in the card and mail it back to social security as soon as possible.

"This attendance report is used to determine if the student can continue to get monthly checks," Test said. "Any delay in returning the reporting card could mean a delay in payments for the student."

Any student in this area who needs help with the report or information about his benefits can phone 537-9310.

since many state and private parks will fill over the holiday.

Ratke says that most weekend travelers will confine trips to a 250-mile radius of home. However, several hundred thousand motorists will travel the maximum safe distance of 1,500 miles over the 3½ days.

Approximately 300,000 cars will enter Michigan from other border cities and Canada.

Biggest jams of the holiday will occur at peak travel times on I-75 between Bay City and Flint, and along I-94 at the Michigan-Indiana line as the famous "cornfield carblock" slows cars.

Free coffee will be provided through the cooperation of the Michigan Jaycees and Auto Club Monday or Friday at five rest areas around the state. These rest areas include: Westbound I-96, Lake Chemung exit, to be manned Friday by Howell Jaycees; Eastbound I-96 near Highland exit, manned Monday by Fowlerville Jaycees; Southbound US-27, north of Alma, manned Monday by Alma Jaycees; Westbound I-94, 10 miles east of Jackson, and Eastbound I-94, five miles west of Jackson, both manned Monday by Jackson Jaycees.

The Monroe Citizens Band Radio group will man the Northbound I-75 rest area, two miles south of Monroe, during the holiday in cooperation with Auto Club.

Also available at the six rest areas will be Auto Club's Highway Emergency Guide, which lists the telephone numbers of all State Police and county sheriff's departments plus accident and safety information, and "Bring 'Em Back Alive!" bumper stickers.

TIPS ON HOW TO BAR-B-QUE A ROAST

If you're thinking of doing roasts on the spit this holiday weekend, remember that you will have to use more charcoal than with steaks, because roasts may take 2 or more hours to cook. If the grill has a hood, the hot grey coals should be at the back part of the firebox and not piled too high. They should extend beyond the meat at the ends. And, you can fashion a drip pan out of double aluminum foil in the front to catch the drippings.

If the grill is open at the top, make a ring of fire, an oval of hot coals slightly larger than the roast - so the drippings will go on the grill in the middle. Pull in the ring if

you need to hurry up the fire.

Since this is a dry heat method, the tender cuts are really the only ones which give real satisfaction when there is no cover, and no moisture. For instance, a rib roast from Chatham will be great! Remove the roast from the refrigerator about 2 hours before cooking time to reach room temperature. Plan to roast it at least 7 inches from the heat. A rolled rib roast of 6-8 pounds is easy to balance on the spit. Insert the spit through the center, securely fasten the forks to hold the meat from turning. And, be sure the meat is well tied together so that it won't fall off, or flap during cooking.

Many people still feel that the meat cooked with the bone left in is sweeter and juicier. If the bone remains in, put the spit diagonally through the length of the roast from one cut side to the other. In a short cut rib roast, with the short-rib section cut off, run the spit through the meat parallel to the rib bones.

The meat thermometer is the only sure test for doneness - so, insert it in the thickest part of the roast, making sure it doesn't touch a bone or rest in a seam of fat. Check to make sure the thermometer will not catch or fall out as the spit rotates. Locate so it can be read easily. Season to your liking, and roast till done as you prefer. Your meat thermometer will tell you the temperature of the interior of the meat - 140

degrees for rare, 160 degrees for medium and 170 degrees for well-done.

Spit roasting is essentially a slow process - gentle cooking - and you may have to add coals. But it is best to add a few warm coals from time to time before they are actually needed. Temperatures drop faster than you think when cold coals are added. As a general guide for medium-done meat, I always work around 30 minutes per pound - and we do a lot of outdoor cooking at our house!

BEEF ROAST GOURMET
5 pound rolled rib roast
1 cup orange juice
1 cup tomato juice
1/4 cup salad oil
1 clove garlic, crushed

2 teaspoons salt
1/2 teaspoon allspice
1/4 teaspoon chili powder
1 tablespoon coarse cracked pepper

Place the roast in a deep pan. Combine all ingredients except pepper. Pour over roast. Cover the pan and refrigerate 4 hours or overnight, turning occasionally. Remove roast from marinade, reserve 2 cups of marinade. Rub the outside of the roast with the cracked pepper. Insert spit rod lengthwise through roast, secure holding forks, check balance, insert meat thermometer properly. Cook roast on rotisserie 2-1/2 to 3 hours or until desired doneness. Use reserved marinade for gravy. Slice thinly. Serve with gravy. 10-12 servings.
