

Apathy Surpassing Empathy in Northville?

Crippled, unable to do her own shopping, an elderly Northville Township widow is about to lose her only link to the grocery store.

And she is but one of scores of people here in the Northville-Nowi area who, according to the spokesmen for the dying FISH organization, are being ignored by the community.

"We can't even get volunteers to answer phone calls from these desperate people, let alone giving them a little help," explained Mrs. Cloie Gallagher, who with Mrs. Laureen

Burch, issued "our last-ditch" appeal for volunteers this past week.

Members of Northville-Nowi FISH, organized here in 1970 to generate and provide assistance for people in need, the two women revealed their organization is about to fold because of what they described as "alarming apathy" on the part of citizens in the community.

"We're going to hold what might be our last meeting on October 4," they declared.

"We're calling it an emergency crisis meeting and it's just that."

The meeting is to be held at the social hall of the First Presbyterian Church of Northville at 8 p.m. to decide the fate of the organization.

"I hate to say it but Northville," apparently, just doesn't care about its needy. Citizens, churches, social and civic organizations—you name it—repeatedly have ignored our pleas for assistance," said Mrs. Gallagher bitterly.

"Would you believe it only four churches in

all of Northville and Nowi are helping?

"Some pastors won't even tell their members that help is needed. I guess they think that helping those in their own churches is sufficient."

"It's the same thing with the people. They tell us they'll help their neighbors on their own but they don't want to commit themselves to helping anyone else."

"Let's face it: people who need help don't go to their neighbors, and many of them don't

go to their churches. It's embarrassing for them. They'd rather starve than ask a friend for help."

When FISH was organized two years ago, originally under the name Project Help, it attracted 75 volunteers. Today there are fewer than 15 active volunteers.

Two years ago 75-percent of the volunteers were men. Today Mrs. Burch's husband,

Continued on Page 18-A

APATHY OR EMPATHY? Unless voluntary help is obtained soon, the emergency assistance provided by FISH, a Northville agency, will be ended, according to Mrs. Laureen Burch (left), and area residents such as Bessie Blowers, who desperately need help, will be left to fend for themselves.

The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

School Board Refusal Likely

Ask Binding Arbitration

A proposal by the Northville Education Association that teachers and the board of education accept binding arbitration appears doomed.

The NEA made its proposal Friday as negotiators for the teachers and the board failed to resolve differences in their attempts to hammer together a 1972-73 master contract.

A spokesman for the board told The Record Tuesday the proposal of the NEA is being studied but that in view of the board's past position on binding arbitration there, is little likelihood it will be accepted.

Under binding arbitration the two sides would agree to a third party's findings and would have to accept his recommendations for settlement.

According to the NEA, the arbitrator would be selected jointly through the procedures of the Michigan Employment Relations Division or the American Arbitration Association.

"Months after months of negotiations and mediation has failed to produce a resolution of the issues under dispute," the NEA declared.

"Despite having no contract, the teachers have returned to work and performed their duties as professional educators. We took the initiative late in August in filing for fact finding in hopes of reaching a peaceful settlement of the contract. We have little faith that the school district will abide by the recommendations of the factfinder."

Named as factfinder in the local dispute is Leon Herman. However, scheduling for fact finding has not yet announced, and negotiators for both teachers and the board have no indication as to when it might begin.

"Once it begins it could be completed within a day, as happened once before here, or it might take several days," according to the school district's business manager, Earl Busard.

The difference between fact finding and binding arbitration, it was explained, is

that neither side is required to accept the recommendations of the factfinder while both must accept the recom-

mendations of the arbitrator. The latter procedure, according to Busard, is considered repugnant to most

governmental units since it can establish employee salary

Township Splits Vote On Adding Patrolman

A move to hire at least one additional township patrolman ended in stalemate last week.

Proposed by Clerk Eleanor Hammond and supported by Trustee Charles Schaeffer, the

motion ended in a 3-3 tie with Supervisor Gunnar Stromberg abstaining.

Trustee Richard Mitchell joined Mrs. Hammond and Schaeffer in voting for the motion, while Treasurer Joseph Straub and Trustees Bernard Baldwin and Leonard Klein voted against the question.

Expansion of the police department has strongly split the board along the same lines in previous months.

In requesting the additional patrolman which would bring the township force to three patrolmen and a chief, Chief Ronald Nisun stated it would allow 20 to 22 hour patrol by the township.

He noted that two more men would allow the township force to patrol 24 hours, seven days a week.

Mrs. Hammond said the township could afford "at least one more officer" because the township has "a contingency fund which is quite generous."

She said the township is now going through a period of waiting for the decision from the Boundary Commission to see if the township will be

annexed to the City of Northville and that "they use as a criteria whether or not we can provide these services ourselves."

"We should show the

Resignations Submitted

Two vacancies have recently occurred on Northville township commissions. The vacancies, created by resignations, are expected to be filled by the board in October.

Neil D. Winters submitted his resignation last week from the water and sewer commission, noting an increased work load and differences between him and other commission members triggered his action.

Luke Bathey resigned recently from the planning commission, explaining he will be moving from Michigan.

Township trustees accepted both resignations, commending both men for their service to the township.

Signs Target Of New Law

The November election may be the last in which political signs dot lawns in residential areas.

Township trustees last week approved an ordinance governing all types of signs, including those advertising candidates running for election.

The ordinance takes effect October 21.

While only a small part of the ordinance, the political sign question came under fire from two candidates.

Township trustee Richard Mitchell, who cast the lone dissenting vote on the matter, said he felt that if a person wanted to put a political sign on his lawn expressing a

NEWS BRIEFS

A DRIVE to register voters for the national election on November 7 is being conducted in Northville by the Jaycees. On the next two Saturdays, September 23 and 30, Jaycees will register voters at the post office at South Wing and Cady streets and at the North Center street Chatham Food Center. Final date for voter registration for the November election is October 6. Chairman of the voter promotion drive for the Jaycees is Dr. L. David LaRou.

SPECIFICATIONS for two elementary schools were approved Monday by school board trustees, authorizing the architect to proceed with preliminary drawings. The schools, which will be built in Highland Lakes and Northville Commons, will be nearly identical in design, with opening capacity pegged around 500. Maximum capacity will be 750 students.

RALPH NADER will make his second guest appearance at Schoolcraft College tonight (Thursday) at 8 p.m. in the main gymnasium. His talk, second in two years here, is the first in the college's 1972 celebrity series sponsored by the Cultural and Public Affairs Committee.

U-KAN RECEIVED a boost last week when Northville township board members voted unanimously to contribute \$2,000 to the organization for this year. U-Kan is Northville's branch of the Council for Community Concerns which is involved in drug abuse counseling for area youths.

PUBLIC HEARING on plans for the proposed Maybury State Park in Northville Township is scheduled at 8 p.m. Thursday, September 28 at Schoolcraft College's Waterman Center. At the hearing, the Department of Natural Resources will discuss its plans and invite suggestions from the audience.

Hearing Set On Sidewalk

Installation of sidewalk on Eight Mile Road near Taft and water-sewer lines east of the C&O Railroad moved a step closer with action Monday by the Northville City Council.

Adopted were—
• An initiatory resolution for installation of sidewalk on the south side of Eight Mile Road in front of the new Methodist Church east past the apartment complex to existing sidewalk on Randolph.

• A water and sewer district ordinance providing a pay-back plan for installation of lines west of the C&O tracks and northwest of the city's DPW yard, with the cost to be paid by D.A. Stuart Corporation, parent company of the Mergraf Oil Division.

The latter provides a means for Stuart to recoup part of its cost of installing the lines through special tap charges for those customers who may in the future hook into the line which will immediately service Mergraf Oil.

Bidding for the project is expected to begin soon, with construction pegged for later this year.

The sidewalk resolution sets a public hearing for Monday, October 16 to consider the necessity for installation of this improvement to be assessed against adjacent

property owners, namely the First Methodist Church and S. W. Gordon, owner of the apartments.

If the sidewalk is installed, as recommended by the council, it will extend from Thompson-Brown's Lexington Commons South development to the existing walk on the south side of Randolph Street.

In other action during the council's short one-hour meeting Monday, officials approved the purchase of a \$4,470 leaf vacuum for cleaning manholes and a one-ton dump truck chassis at a cost of \$3,187.10.

In the case of the leaf

'Authority' On Agenda

A special meeting of the Northville Township Board was scheduled to take place yesterday (Wednesday).

In an announcement of the meeting to The Record late last week, the following agenda items were listed by Clerk Eleanor Hammond:

Wayne County Sanitation Authority, fringe benefit study session, and budget revision (planning commission).

HONORED—Mary Alexander, former long-time city clerk of Northville, was honored recently when the city council officially named the alley, from Main Street, beside the

Presbyterian Church, west to Center Street, the Mary Alexander Court. Mrs. Alexander retired in December, 1961 after serving as clerk for more than two decades.

Youth Symphony Expanding

With the Plymouth Youth Symphony expansion now underway, local students are being encouraged to consider membership.

According to R. Michael Endres, director, the Symphony is expanding its membership from the present 85 musicians to about 100.

He issued a special invitation to eligible Northville area students.

DAR to Hear Mrs. Spicer

Mrs. David Christensen, president of the Sarah Ann Cochran chapter of the Daughters of the American Revolution and members, Mrs. John Armstrong, Mrs. Robert Willoughby and Mrs. George Merwin will attend the organization's regional meeting at Dearborn Inn, Greenfield Village on September 27.

Speaker at the meeting will be Mrs. Donald Spicer of California, president general of the DAR. Her speech will be "Courage Onward in Faith."

Mrs. Spicer is a direct descendant of George Washington's only sister, Betty Washington Lewis.

Performers on string, wind and percussion instruments are being sought. At least two years of playing experience or the equivalent, is the only requirement for students wishing to audition.

There will be an open rehearsal on Tuesday, September 26 from 7 p.m. to 9 p.m. in room 1603 at Plymouth-Salem High School which is located at Joy Road at Canton Center in Plymouth.

Auditions will be held at the same time and place on October 3. The Plymouth Youth Symphony members chosen will rehearse at Plymouth-Salem High every Tuesday evening.

Endres encourages all students in the Northville area interested, to attend the open rehearsal and fill out an application to join. Members in the youth symphony will participate in at least five concerts each season.

Upon acceptance into the orchestra, a \$10 annual membership fee will entitle a student to join the other members in excursions to Detroit and Ann Arbor to hear the major orchestras and artists from around the world, Endres said.

The Plymouth Youth Symphony holds various social activities during the year for members including family pot luck dinners, Bob-Lo trips, hayrides and fund raising activities.

Parents of members are encouraged to work with the parent association.

Endres holds bachelor and master degrees in music and has been a member of the string bass sections of several community orchestras in Michigan. He has also been director of the Plymouth High School Orchestra for the past seven years.

For further information about joining the Plymouth Youth Symphony, Endres can be contacted weekdays at Plymouth-Salem High School, 453-3100, extension 46.

SYMPHONY VIOLIST—Rebecca Hooth, daughter of Mr. and Mrs. William Hooth, 1210 Hillridge, has been a member of the Plymouth Youth Symphony for the last two years. The

Northville High School tenth grader plays the viola, and invites interested student musicians who are qualified to join the orchestra.

Niagara Falls Trip Follows Wedding

A wedding trip to Niagara Falls and Maine followed the wedding of two Northville High School graduates recently.

Sharon Irene Sherrard and Sydney Neil Chapman were married in a double ring ceremony September 8 at Our Lady Queen of Martyrs Church in Birmingham by the Reverend Father Villorot.

Mr. and Mrs. William Sherrard, Jr. of 23269 En-shore Drive are the bride's parents.

The bridegroom is the son of Mrs. Charlotte Pierce,

Belleville, and Alan Chapman of Northville.

For the ceremony, Jim McNiech played the guitar and sang love songs.

The bride was given in marriage by her father. She chose a gown made of chantilly lace. It was studded with crystallized sequins and pearls and featured a square neckline and long sleeves. The full skirt was made of five layers of lace. A rose head-piece secured her fingertip veil.

She carried a cascade bouquet of white roses,

miniature carnations and stephanotis.

Pauline Ruth Maki, Novi, served as maid of honor. Her yellow chiffon dress was lined with yellow taffeta and was styled with a square neckline, long sleeves and an empire waistline. Her colonial bouquet was made of peach and yellow sweetheart roses.

Wearing dresses identical to the maid of honor were bridesmaids Cheryl Magnatta, Royal Oak, Mrs. Peter Hodde, Berkley, and Paula Ann Sherrard, Novi, sister of the bride.

Anna Martinovsky of Bowling Brook, Illinois was flower girl. Kevin Wichers, Sterling Heights, was ring bearer.

Craig Remington, Northville was best man. Like the bridegroom and ushers, he wore a brown tuxedo with black lapels.

Ushers were Danny McGarry, and Mark Sherrard, both of Novi, and Allan Chapman of Belleville.

A reception for 200 was held at the bride's home. Among those attending were guests from Michigan, Arizona, and Illinois.

The bride is now a beautician and her husband works in the heating and air conditioning business. They are making their home in Plymouth.

It's Father's Only Night

The Farmington Chapter of the Michigan Association for Children with Learning Disabilities invites Northville and Novi fathers to attend "father's only" night September 25 at 8 p.m. at East Junior High School, 25000 Middlebelt Road, Farmington.

Al Katzman, president of the Michigan association, will discuss the role of the father with the disabled child.

The organization is made up of parents and professional people who work together at the local and state levels toward obtaining help for children with learning disabilities in public schools.

Members also offer guidance and understanding for parents in dealing with the disabled child and the problems and frustrations.

Meetings Resume

The Northville Historical Society will resume its regular meetings on September 28. As in the past, the society will meet on the fourth Thursday of each month beginning at 8 p.m. in the Scout-Recreation Building.

New books available in the public library this week include:

IN NOVI

"On the Night of the Seventh Moon," Victoria Holt; Another masterful novel of adventure, suspense and romance from one of the world's most popular authors.

"Lizzie and Caroline," Ruth Moore; The 19th Century schooner "Lizzie Macomber" is the setting for skullduggery and a dramatic voyage.

"Gentle Greaves," Ernest Raymond; Nostalgia and romance set in England between the turn of the century and World War I.

"Bless the Beasts and the Children," Glendon Swarthout; a boys' camp consisted of cast-away children of parents who were too busy with their own occupations.

"Traditional American Crafts," Betsy Creekmore; A practical guide to 300 years of methods and materials.

IN NORTHVILLE

"The Miracle at St. Bruno's" Philippa Carr; A living child is found in the Christmas crib at St. Bruno's.

Card Sale Aids Readers for Blind

This year, the card was designed by Adriane H. Lyman and is 5½ by 5½ inches in size. The greeting on the face is "Noel" and the inside reads "With all good wishes for a joyous holiday season and a happy new year."

Price of the cards is \$3.75 for 25 and imprinting is available.

For further information, Readings for the Blind, Inc. can be contacted by mail, 32767 Franklin Road, Franklin, Michigan, 48025, or by phone, 851-2181.

Northville area members of Readers for the Blind, Inc. encourage anyone interested to purchase their Christmas cards from the group this year.

The non-profit organization is staffed by volunteers and

Mr. and Mrs. Paul Sobol will host an open house on Sunday, September 24, in honor of Mr. and Mrs. Edward Leonard Kershaw of Ft. Lauderdale, Florida.

Mrs. Kershaw is the former Mrs. Betty Sobol of Northville. The couple was

married July 15 in Florida.

Sherry Lynn Hackmann, daughter of Mr. and Mrs. Donald Hackmann, 44145 Cottisford, has been initiated into the Gamma Xi chapter of Alpha Chi Omega sorority at Western Michigan University in Kalamazoo.

Wednesday, September 27 is the date for the Northville Newcomers Alumni Club's coffee at the home of Mrs. Alfred Lanphar, 16837 Bradner. The coffee is scheduled to begin at 10 a.m.

Co-hostesses for the day are Mrs. Daniel Conley, Mrs. Edward Dresch, Mrs. Charles Plumley, Mrs. Keni Mathes, Mrs. Joseph Traudt, Mrs. Ross Totten, and Mrs. Robert Sweeny.

Any Newcomers Alumni not yet contacted by phone who would like to attend the coffee should contact Mrs. Mathes, at 349-7334.

Announce Births

Mr. and Mrs. David Scott Owen, 21805 Connemara Drive, announce the birth of their second child and son, Jason Jeffrey, on September 11 at Providence Hospital in Southfield.

Mrs. Owen is the former Carolyn E. Forth, daughter of Mr. and Mrs. Arthur E. Forth of Kilrush Drive.

Young Jason Jeffrey weighed nine pounds and 11 ounces at birth and has joined his older brother, Scotty, 5, at home.

Jason Matthew, the first child of Mr. and Mrs. Gerald Kugel was born on September 14 at St. Mary Hospital in Livonia.

The baby weighed seven pounds and one ounce at birth. Maternal grandparents are Mr. and Mrs. Conrad Fuchslin of Switzerland. Mr. and Mrs. Otto Kugel of Roseville are the paternal grandparents.

It's Home for Active Family

Mrs. Walter Carter at Her Easel

Hallway Leading to Deck and Family Room

Spacious Modern Living Room Is Featured in the Carter Home to be Opened Soon for the Presbyterian House Tour

The Walter Carter home is a reflection, in both design and decor, of the young, modern, active family which lives there.

Their Connemara Hills ranch-style house will be one of five in the spotlight on September 28 for the sixth annual Homes Tour sponsored by the First Presbyterian Church of Northville.

Inside, visitors are treated to a display of modern oil paintings, many of which are Mrs. Carter's originals, as well as unique decorating ideas that she and her husband have planned and executed themselves.

The vestibule is decorated in yellow, green and blue. To the right is a hanging light with an amber globe.

From there, a left turn leads to the dining room and a right to the spacious, modern living room.

The basic color for the living room decor is white. The walls are white as is the ceiling which is beamed with dark wood.

At one end of the room is a white brick fireplace. To the right of it stands a large white vase filled with dried flowers. A built-in bookcase is at the left.

The fireplace has no mantel, but on the wall above it hang three modern oil paintings.

There is a baby grand piano at the other end of the room. On the wall behind it is a print of a Picasso painting.

The schefflera plant near the opposite wall is a favorite of Mrs. Carter's plants. She's had this one for ten years. "I like my plants and my paintings," she said. "She has made them an attractive and interesting part of the home."

An interesting effect is created by the curtains on the glass door walls. "There's not a stitch in them," said Mrs. Carter.

They are made of an open work dacron material and are slipped onto the curtain rods. According to Mrs. Carter, they have an especially unique effect at night when the spotlights outside of the windows are lighted.

In front of the white and gold sofa is a glass top coffee table. The living room carpeting is white shag.

The kitchen is just off the living room. Mrs. Carter designed and made the beaded curtain for the window over the kitchen sink.

A large parsons table, made by Carter, serves as the dining room table. Around it are straight back chairs which the Carters bought unfinished and painted blue, Mrs. Carter's favorite color.

One wall in the dining room is papered in a lively print of leaves and flowers, the others are white.

From the dining and kitchen area, a right turn leads to the Carter children's bedrooms. Keil, 7, is, like his mother, an artist. A few of his own paintings are framed and hanging on a wall of his room.

Kathy, 12, who is also an artist, has some of her drawings on display in her room which is done in yellow and white.

Walter and Lance, both 11, share a room with blue as the basic color. In one corner, a large cardboard airplane hangs from the ceiling.

Walking from the dining room toward the back of the house, guests come to the hallway which leads to the redwood deck and addition

which the Carters planned and finished themselves.

"The hallway is wider than normal," said Mrs. Carter, "because I wanted to use it for my paintings." It is carpeted the same as the living room, with white shag. One wall is painted white and is a gallery of some of Mrs. Carter's oil paintings as well as some that she has collected.

The other wall is made of glass doors which lead to the redwood deck built by Carter.

"This plant," Mrs. Carter said pointing to one in a planter on the deck, "is one I brought back from Florida two years ago. I move it inside during winter and so far it's done very well."

The Carters have planted a tree in the deck. When he built the deck, Carter left a space for the weeping red jade crab tree.

In addition to the hallway doors, there is access to the deck from glass doors in the living room and family room. It is in the family room that

Mrs. Carter works on her oil paintings. She keeps more of her plants at one end of the room.

The wall at the opposite end is covered by another of the Carters own decorating ideas. Actually, it's like a huge bulletin board.

It is covered with cork and on it are school pictures of the four children. "They have the pictures taken every year and it seems a shame not to have a place to show them," Mrs. Carter said of the reason for the bulletin board wall.

The pool table, also in the family room, Mrs. Carter said, often comes in quite handy.

"We had some boys here for a week from the inner city this summer and they enjoyed it. It also gives the kids something to do on rainy days," she said.

Snowdrifters

Plan Picnic

The Northville Snowdrifters snowmobile club will hold a picnic for members on Sunday, September 24 beginning at noon at Waterford Bend Park in Northville.

Each member is to take a passing dish and his own meat and beverage.

The club will hold its next meeting on Wednesday, September 27 at 8 p.m. at Cal's Gulf, 470 East Main. Officers will be elected at that time and discussion of winter trips will take place. All members are encouraged to attend as a new meeting time will be selected.

Jaycette Project

Helping Hands Sought

Won't you be a helping hand?

The Northville Jaycettes are looking for individuals to participate in its Helping

Hand community service project.

The Helping Hand program, which was first introduced in Northville four years ago, is designed to help young children who for various reasons might need assistance especially going to and from school.

Helping Hand homes where people are usually home during the hours children usually travel to and from school are designated by a white placard with a blue hand on it. Children are instructed that homes

displaying these signs would be the place to turn should they need help.

The goal of the Northville Jaycettes is to have two Helping Hands on each block. Explanation of and a request for Helping Hands will be sent home with school children in all Northville elementary schools, both public and parochial.

Anyone interested in volunteering who does not receive the information through a school should call 349-7648 for information.

CAR to Develop Handicap Trails

Terry Lapham, president of the Plymouth Corners Society of the Children of the American Revolution, and state project chairman for the organization, presided at a recent state board meeting and working party held at the Highland recreation area.

Purpose of the meeting was to begin the CAR's state project, that of developing

trails for handicapped children.

Susan Siebenaller and Mimi and Jacki Merwin were the other Northville members at the meeting. Their guests were Bobby Siebenaller, Adrienne Chapman and Leslie and John Drave.

Work for the project included corduroying a road section, painting path signs, laying bark, spreading wood chips and cutting dead trees

Blood Bank

Set In Novi

The American Red Cross is planning a blood donor clinic in Novi for Tuesday, October 3. Mrs. Sandy Mitchell of the Novi Jaycees announced Monday.

The clinic will be held at the Novi Community Building from 2-8 p.m. and volunteers are being sought to contribute to the blood bank, Mrs. Mitchell reported.

Appointments for giving blood can be made by calling Mrs. Mitchell at 474-4377.

HIS LUCKY DAY — Ever dream of walking down the street and suddenly finding \$500 lying at your feet. That's what happened to a 13-year old Novi youth the other day. Tim Kocaj, an eighth grader at Power Junior High School in Farmington, was walking down Nine Mile Road when he found a large sum of money inside a leather pouch that had been lying in the middle of the road. All told, the purse contained \$216.48 in cash and a check for \$337, a total of \$553.48. Tim turned the money over to Novi police, who are looking for its owner. Chief Lee BeGole congratulated the youth for his honesty. Tim is the son of Mr. and Mrs. Bernard Kocaj of 38640 Nine Mile Road.

Of Wixom Charter

Veto 4 Revisions

Three proposed amendments to the Wixom city charter sent to the offices of Governor William G. Milliken and State Attorney General Frank Kelly were sent back unapproved, while four others were approved for placement on the November ballot.

Discussion of the amendments by the council took place in a special Wixom City Council meeting Monday night.

Council voted four to two to send only the amendments approved, back to the Governor for final approval. Councilwoman Mary Parvu and Councilman Val Vangieson cast the dissenting votes.

Dr. Vangieson then moved that the remaining three be discussed further and sent to Lansing for approval at a later date. The motion was unanimously carried.

Assistant Attorney General Mrs. Maxine Boord Virtue, the only state attorney assigned to city charter revisions by the Attorney General's office, notified the city council of the approved and rejected amendments in a letter dated September 11, 1972.

A letter from Governor Milliken concurring with her opinions accompanied Mrs. Virtue's letter.

City Attorney Gene Schnelz explained the urgency for council action on the matter. He said that because the coming election is a state and national one, the ballot proposals had to be ready and approved for the ballot by September 19 so they could be placed on absentee ballots which will be ready September 26.

Schnelz told council it could discuss further the unapproved amendments and supplement the absentee ballots, or decide to keep the three amendments back for another election.

"These could all be argued," Schnelz said, "but Mrs. Virtue is the only person who can approve or deny them and she will be away on vacation until September 26 which is past the due date."

He went on to say that Mrs. Virtue was "bending over backwards to be extremely careful."

One of the amendments not approved was one regarding residency requirements for appointed city department heads. It was disallowed by the attorney general's office as "a condition of dubiety."

According to Schnelz, Mrs. Virtue "missed the point. She is wrong. It is not dubious because this does not concern employees, it is for department heads."

The matter of filling a vacancy on the city council also went unapproved. In her letter, Mrs. Virtue said, "Approval of this amendment cannot be recommended for

Stabbing Brings Murder Charge

An 18-year old Union Lake man was taken into custody by Novi police Friday and charged with attempted murder as a result of a stabbing which occurred that evening at a Novi Party.

Arrested was John Schweier of Union Lake.

According to Detective Lieutenant Richard Faulkner of the Novi Police Department, Schweier was arrested at the scene of the crime and charged with assault with intent to commit murder.

He was arraigned before 52nd District Court Judge Martin Boyle, who set a \$5,000 cash or surety bond and set the examination date for September 25.

Victim of the assault was 25-year old Lee Thram of Union Lake. Thram, suffering from knife wounds, was transported by ambulance to Pontiac General Hospital where he received four units of blood before an operation could be performed, Faulkner reported.

As of Wednesday morning Thram was still in the intensive care unit, but listed in fair condition.

If he hadn't lived, Faulkner said, Schweier would be facing first degree murder charges.

According to police reports,

the stabbing took place at a party at the Gerald Weaver residence at 42479 13 Mile Road At approximately 10:45 p.m. an argument broke out between Schweier and a second party. When Thram attempted to break up the altercation, Schweier began fighting with him.

Witnesses told police that in the midst of the fight Schweier pulled a knife and began stabbing Thram.

The weapon, police reported, was a pocket knife less than six inches long and with a two and one-quarter inch blade.

"That's probably what saved Thram's life," stated Faulkner. "If Schweier had had a longer knife, Thram would probably be dead."

Due to the seriousness of the offense and the fact that it was uncertain Friday night as to whether or not Thram would live, the Michigan State Police crime lab was called to the scene to make a thorough investigation, Faulkner reported.

Their investigation began at 11 p.m. and wasn't completed until 8:30 a.m. Saturday.

Novi Seeks Funds For Sewage Plant

Plans to construct a sewage treatment plant somewhere in the southern section of the city were made a little more definite Monday as the Novi city council sought means of financing the project.

Specifically, the city council passed a resolution authorizing City Manager George Athas to apply for state and federal funds to construct the plant.

The resolution was approved by a 6-1 margin with Councilman Raymond Evans casting the dissenting ballot.

Basis of Evans' objection was citizen reaction to the project.

"Before we do anything on this sewage treatment plant we should make the public well aware of what we are up to," said Evans. "I don't feel that there's been proper publication of our intent to build a treatment plant. If people all of a sudden find out that we're planning to put a sewer plant near their property we're going to get a lot of abuse."

"Until such time as a public hearing is called on this matter," he concluded, "I'm going to have to vote in the negative."

The city estimates that cost of construction of the plant would be in the neighborhood of \$6 million, Athas reported. If approved, the grant would provide a sizable portion (75 percent) of the funds.

Under the present plan for financing the treatment plant, \$2,726,000 would come from the federal government, \$1,363,000 from the state government, with the remaining \$1,509,000 being picked up by the city.

The grant request for which Novi has applied would be for the 1973-74 fiscal year.

"All we're really doing by applying now," Athas told the council, "is getting in line for the time when it is decided which requests should be honored. When the Water Resources Commission receives our application they will assign us a number. Then, next July when they start considering the various applications, we will already be in line and waiting."

The need to construct a sewage treatment plant is brought on by two factors.

First, the increasing number of requests by developers for sewer taps in the southern section of the city so they can begin developments. And, secondly, the fact that Novi has exhausted its capacity in the Detroit Water Treatment System.

By construction the treatment plant, the city will be able to supply sewage

capacity to developers so they can proceed with their projects rather than take them outside Novi.

When construction of the treatment plant in the southern section of the city was first proposed, no additional capacity from Detroit was seen in the near future. There is presently some talk in Detroit, however, of ex-

tending a line through Livonia along Haggerty Road that would be able to service the southeastern portion of Novi, the Eight Mile-Haggerty Road area.

Regardless of whether or not that line is constructed, city officials will probably proceed with plans to construct a sewage treatment plant. The question that would

be solved by the Livonia-Haggerty Road line would be where the Novi treatment plant should be constructed.

Although talks of constructing a plant are in purely preliminary stages two approximate locations have been discussed. One of those locations is in the Nine Mile-

For New Novi City Manager

Council Begins Search

The resignation of City Manager George Athas was officially accepted by the Novi city council Monday and the search for a replacement was set in motion.

According to the city charter, the council has a week in which to act on the city manager's resignation. Citing a lucrative offer from private industry, Athas submitted his written resignation to the council a week ago Monday.

Placed on Monday's agenda for action, the resignation was unanimously, but "Reluctantly," accepted.

At the same time the council was accepting Athas' resignation, plans for hiring a replacement were discussed.

During the times where there is no city manager, the city charter calls for his responsibilities to be borne by the Mayor.

"We've tried this in the

past," Mayor Joseph Crupi told the council Monday, "but due to the increased size and complexity of the municipal government, I don't feel the job can be handled in a part-time fashion any more."

Crupi then proposed that DPW Head Ed Kriewall be named acting city manager until such time as a replacement is found.

The council, however, requested to meet with

Kriewall before making any appointments and a meeting was set up for Friday, September 22.

The council also directed Athas to draw up an advertisement for a new city manager and to place it in the Michigan Municipal Review.

Crupi told the council he had already received a call from a planning consultant in Grand Blanc inquiring about the job.

A suggestion by Councilman Donald Young that the city wait a couple weeks before advertising for a new man was squelched by Councilman Edwin Presnell and Athas.

For Novi Traffic Division

State Awards Grant

Novi has been awarded a state grant that will enable the city to set up a traffic services bureau and add three men to the police department.

News that the grant had been received was given the city council Monday by City Manager George Athas.

"I'm shocked that our request for funds was granted as fast as it was," said the city manager. "I've never heard of a grant being approved in less than six months and this was approved in a matter of two to three weeks."

Athas went on to say that the rapid action of the Office of Highway Safety and Planning in making the funds available was an indication

that they must have felt the need for a traffic services bureau in Novi was great.

The city council has not yet taken action on accepting the grant. Terms of the grant were given them Monday and they will have a week to study them before deciding whether to accept or reject the grant.

Funds are made available through the federal Crime Bill, but are dispensed by a state agency - the Office of Highway Safety and Planning.

If the council agrees to the terms of the grant Novi will receive \$35,000 to set up a traffic services bureau. The grant stipulates that existing officers must be used to staff

the bureau and that the city will put match funds on a 50-50 basis.

Presently the city has only one man permanently assigned to the traffic division. The three additional members would have to be taken from the road patrol, but the resulting vacancies on the road patrol could be filled with new men.

Novi will receive \$35,000 for one year. In the second year they will receive 70 percent of that figure and in the third year they will receive 40-percent. After the third year the city must assume full financial responsibility for maintaining the traffic services bureau.

"It would be unfair to advertise for a new man if we have no intentions of hiring anyone else," said Young, referring to the possibility that Kriewall's temporary position might conceivably become a permanent one.

Presnell said that such a situation could prove embarrassing to Kriewall if the city should decide in a couple of weeks to go ahead and place the ad.

Athas pointed out that he had originally been hired on a temporary basis with the understanding that he could submit an application for the job if he wanted at the time a permanent city manager was being hired.

TENNIS ANYONE — Newest addition to the Novi High School facilities is the tennis courts located just north of the high school gymnasium. The three new courts are constructed of the most modern materials. The Board of Education, which has already voted to add one new sport in cross-country, must now decide

whether or not to add tennis to the school's sports curriculum in the spring. But whether or not tennis is added this year or at some time in the future, the school board does not need to worry about proper utilization of the facility. The courts are already getting plenty of use from high school and community netters.

Novi Adopts Spending Policy

A comprehensive policy for expenditure of school funds was adopted by the Novi Board of Education last week. Under this policy, the following procedures for approving all expenditures are provided:

- An order is prepared by the administration listing all checks to be approved by the board of education at any regular or special meeting.
- Following approval of the check list by the board, the secretary or, in his absence,

the acting secretary, will sign the approved order and the president or vice-president of the board will countersign it. • The board may at its discretion delete a check or several checks from the list and approve for payment all other checks on the list.

• The assistant superintendent then will have authority to disburse school funds. • All regular expenditures are to be approved by the board at a regular or special meeting before facsimile signature plates are used for signing checks. • Checks for the following types of expenditures may be issued without specific approval of the board:

Payroll checks and checks transferring employee payroll deductions and fringe benefits to their governmental authorities, insurance companies, unions and credit unions; debt retirement fund checks for payment of principal, interest and paying agents' fees; and student activity fund checks.

Women Invited To AAUW Meeting

The Plymouth branch of the American Association of University Women invites all eligible Northville women to attend an informal "getting to know you" meeting at 7:30 p.m. on September 21 at West Middle School, Sheldon Road at Ann Arbor Trail.

The organization is open to any woman who holds a degree from an accredited college or university. This, the first meeting of the year, will offer a general

overview of AAUW and explain its purposes and interests on the local and state levels.

According to the Plymouth branch's president, Mrs. Richard Kirchgatter, the group plans an emphasis on local projects and is setting up study groups with that in mind.

Interested women may contact Mrs. David Olgren at 349-6432 for further information and transportation arrangements.

Anyone for Sweet, Sour Red Cabbage?

The first Cultural Dinner of the Fall Semester has been announced by Schoolcraft College's Gourmet Club which will host a "Scandinavian Night" on September 29.

The dinner, buffet style, will be served between 6 and 8 p.m. in the Waterman Campus Center. Tickets are \$4.50 per person, and reservations are necessary (591-6400, extension 258). The menu includes, for appetizers, marinated

herring, a variety of smoked fishes, and cucumber and beet salad. Among the entrees will be Swedish meatballs, Danish rouladen of beef, poached scalloped finnan haddie, Danish marinated fresh ham and Norwegian sweet and sour red cabbage.

For dessert, the Club plans to serve a "tremendous" (their description) assortment of pastries, imported cheeses and fresh fruits.

Tea, Open House Planned by PTA

A tea was held September 19 in the Amerman Elementary School library by the PTA for 127 mothers of new students.

The PTA is also planning an open house on September 26 to be followed by a short meeting and installation of officers for the 1972-73 school year.

This, the first meeting of the new school year, will be held in the gymnasium from 7:30 p.m. to 9:30 p.m.

All of the teachers will be introduced to parents and the parents will be invited to visit their children's classrooms. Refreshments will be served.

The officers who will be installed are: Thomas Schaal, president; Mrs. Duane LaMoreaux, vice president; Mrs. A.E. Karschnick,

teacher vice president; Mrs. James Lauer, secretary; and Dr. Joseph Caurdy, treasurer.

'Homecoming' Slated Here

It's homecoming time at Weight Watchers, according to Mrs. Ruth Krammer of the Northville chapter. Any former Weight Watcher member with proof of previous membership may join the organization for \$2.50 instead of the regular \$6 rate.

Deadline for the homecoming special is October 7.

The Northville Weight Watchers meet at the Northville Presbyterian Church two days a week.

On Thursday evenings, weigh-in begins at 7 p.m. and the lecture is at 7:30. Weigh-in on Friday is 9:30 a.m. and the lecture begins at 10 a.m.

Wixom Dates Set for Seniors
Wixom Senior Citizens meet on the second and fourth Thursdays of each month from 11 a.m. until 3 p.m. at Wixom Elementary School in Room 15.

Every second Thursday, members are to bring a sandwich for lunch. Coffee is furnished and a birthday cake is provided to celebrate all of the birthdays celebrated during that month.

The fourth Thursday is pot luck day.

After each meeting there is card playing, bingo and conversation with other members.

Questers Hold Workshop

The first fall meeting of the No. VI Station Questers was a luncheon at the home of Mrs. Paul Sobol.

New officers presiding were: President Mrs. Joseph Bongiovanni; First Vice President Mrs. John Milnichuk; Second Vice President Mrs. Raymond Schoof; Recording Secretary Mrs. Joseph Fasang; Corresponding Secretary

Mrs. Paul Sobol; Treasurer Mrs. Adelbert Heath; and Historian Mrs. Donald Baxter.

A craft workshop was held during the afternoon at which members worked on dried and pressed flower arrangements to be placed inside antique picture frames.

On September 20, the group will go to Parshallville for an all day antiquing field trip.

The Art of Home Decor

Nelson Schrader

Why not make your child's bedroom his private haven? Metal shelving makes a great room divider if you have two children in one large room. If you need light and air, make sure the shelving does not reach the ceiling. Beds that double as couches make the rooms comfortable, and do not take up much room. Shelves are great for holding private treasures. The plan is especially good if one child is much older than the other. Dolls and make-up just do not seem to go well in close quarters!

Before you furnish your bedroom or any other room in your home, plan to visit **SCHRADER'S HOME FURNISHINGS, INC.**, 825 Penniman, Plymouth, 453-8220 or 111 N. Center St., Northville, 349-1838. Colonial, Traditional, Mediterranean and Modern Styles can be found and we handle nationally advertised brands. We also provide a decorating service if you wish. Open: 9 a.m.-6 p.m. Mon. thru Thurs., 9 a.m.-9 p.m. Fri.-Sat. with plenty of parking behind each store.

HELPFUL HINT: Facial soap, of a very mild variety, is great for cleaning antique furniture. Do small areas and when finished, spray the wood with oil.

NOVI HIGHLIGHTS

By JEANNE CLARKE
624-0173

Peggy Stewart, daughter of Mr. and Mrs. Charles Stewart of 13 Mile Road, celebrated her 16th birthday Saturday night at a party at her home. About 25 guests were present from Novi, Walled Lake and surrounding area.

Michelle Stader, daughter of Mr. and Mrs. Bairon Stader, celebrated her fourth birthday on Saturday by going to the zoo with her parents. Mrs. Lucy Needham attended an installation dinner of the Wac Veteran's Detroit Chapter at Red Cedars Friday evening.

Mr. John French of Fonda Street has returned home after spending several days in St. Mary Hospital.

Randy Tobais, son of Mr. and Mrs. Ray Tobias of Stassen Street, was home for the weekend from Fort Knox, Kentucky.

Linda Cook, daughter of Pastor and Mrs. Arnold Cook of Taft Road, returned home by plane Monday night from Fayetteville, North Carolina where she spent the summer. Mrs. Genevieve Hazelton of

Grand River has returned home following a few days in the hospital.

Mr. and Mrs. Vern Grimes of Novi have been entertaining Mr. Grimes' sister, Mrs. Agnes Muse of Union City, Tennessee, and Mr. and Mrs. Sam Grimes this past week.

Fran Kohl of Rushton Street entertained several friends at her home at a "Dive for Pearl" party Thursday evening. The Allen Burton family of Eleven Mile Road and the Willis family attended the "Dunecycle Races in Belleville on Sunday where Mrs. Burton's brother, Dale Willis, was a participant.

Mr. and Mrs. Leslie Clarke of Thirteen Mile visited their granddaughter, Kimberly Horton of Drayton Plains, on Sunday celebrating her fourth birthday.

Mr. and Mrs. Bill MacDermaid visited Mr. and Mrs. Robert Schultz, Sr. of Jackson on Sunday. It was their daughter Lynn MacDermaid Schultz's birthday.

Mrs. Mary Thomas of East Lake Drive had dinner guests on Monday night, including

Mr. and Mrs. Phil Baynes, new Christian Education director of First Baptist Church, and others.

Sam Button, son of Mrs. Florence Booth of Haggerty Road, is attending school at the Atlantic Baptist Bible College.

Mr. and Mrs. Dan Thomas of Nine Mile Road entertained Mrs. Mae Thomas of Williamsburg, Kentucky last week when she came here for the wedding of her grandson Randy Thomas to Faye Qualls.

Mr. and Mrs. Allan Butron of Eleven Mile and Mr. and Mrs. Ken Roberts attended the Snowmobile Show at Cobo Hall and also visited the Ethic Festival Saturday night.

Harold Perry of Grand River has as his guests for a few days his mother Mrs. Perry from Georgia. She will also be visiting her other son and his wife, Mr. and Mrs. Dewey Perry (Margurite Miller).

Mr. and Mrs. Ray Warren have returned following a trip to Columbia, South Carolina. They drove to Columbia Bible College where their daughter

Jane is enrolled.

Mr. and Mrs. Richard Ritter of Taft Road moved to Virginia recently.

Novi Heights Association
The Novi Heights Association has a potluck picnic planned for Sunday, September 24 at 1 p.m. at Gillette Park. Games, prizes, pop and ice cream will be furnished. All residents of the Novi Heights are urged to attend with their families.

Novi Boy Scouts
At their meeting on Monday night, Tom Bell brought a canoe to the meeting and gave the boys practical demonstration in water safety and canoe handling in preparation for the trip scheduled Saturday, September 30. Scouts will leave at 5 a.m. and return at 4 p.m. on Sunday. Last date registrations can be taken will be next Monday night. Anyone having problems with transportation is asked to contact Mr. Harrison.

An election of officers was held and new patrols were formed Monday night. The Flaming arrow elected Patrol Leader Rick Pazderski and assistant, Dave Young; Bob cat patrol elected Richard Jensen and assistant, Rod Beers; Playboy Patrol, patrol leader is Randy Rice and the assistant is Mark Mills; Wildcat Patrol leader is Steven Michaels and the assistant is Glen Tomonssowski.

Bob McAllister made his tenderfoot rank Monday night. There will be a Court of Honor award presentation next Monday night in the park at Meadowbrook Lake Subdivision. Movies of the Scout Jamboree will be shown and refreshments will be served. All parents are urged to attend. This will be the last opportunity to register for the Canoe trip.

Novi Senior Citizens
Novi senior citizens are reminded of the first meeting of the season at the Novi Community Building at 7:30 p.m. Mrs. Nancy Liddle has been receiving several calls from new seniors and she extends an invitation to come and bring a friend.

Mr. Roy Crites, president, plans a very short meeting so there will be adequate time for everyone to enjoy listening to and seeing Mrs. Donald Nagy (Barb) demonstrate fast cake preparation. If time permits, cards will be played following the meeting. Mrs. Nancy Liddle will be co-hostess. Anyone wishing additional information or transportation is asked to contact Mrs. Liddle at 349-2219.

Blue Star Mothers
The Blue Star Mothers went to the Veterans Hospital in Ann Arbor on Monday. The following ladies represented the group: Alma Klasener, Gerry Kent, Helen Burtstrum, and Lucy Needham. This week they plan to attend the district meeting in Farmington.

United Methodist Church
Anthem was "Hail, Holy Lord," and the sermon was "A Rib for a Wife." Flowers on the altar were presented by Mr. and Mrs. Mobarak in celebration of their 35th wedding anniversary. Greeters were Mr. and Mrs. Glen Schenmann, ushers were Byrle Hines and Glen Schenmann, and the acolyte was Mark Bumann.

Following services there will be an Adult discussion class from 11:05 to 11:40. In the evening the Youth fellowship met and had a Jalopie Raid. Members also

will need about 100 items for the day-long sale so everyone who wishes to bake ahead of time can give items to E.C.W. officers and they will find some place to freeze and store them.

Thursday, September 21 the Feast of St. Matthew will be celebrated with Holy Eucharist at 10:45 a.m. There will be an Altar Guild meeting on September 27 at 8 p.m. at the church. Any lady interested in becoming a member is urged to attend.

Novi School Lunch
Monday, September 25 - Beef Stew and vegetables, hot rolls and butter, Fingersalad, cookies and milk.

Tuesday, September 26 - Meatloaf or meatballs, mashed potatoes and gravy, sliced tomatoes, bread and butter, peaches and milk.

Wednesday, September 27 - Cook's surprise.

Thursday, September 28 - Hot dogs with buttered buns, potato chips, buttered corn, fruit cup, cookies and milk.

Friday, September 29 - Chicken turnover and gravy, green and wax beans, bread and butter, chocolate pudding and milk.

South Walled Lake Baptist Chapel

The young people went to Clawson for an evening of roller skating. They went by the church bus, accompanied by pastor and Mrs. Miller.

Sunday night the church had a special service.

The ACTEEN group is planning to present a program for a cottage at Plymouth State Home on September 28.

The Sunday School attendance continues to grow. Anyone wishing to know the bus route or who needs transportation is urged to call Mr. Miller at 349-4406.

Pack 54
Novi Elementary School. All boys wishing to get more information about Cub Scouting at the Novi Elementary School may come to the open house for recruiting at the school on September 27 at 7:30 p.m. All new boys are asked to bring their parents. Also, adults - both mothers and fathers - are needed as den mothers and committee members. They may sign up at this time also.

Holy Cross Episcopal Church
All women of the church are urged to remember they are responsible for the bake sale during the Home Tour sponsored by Presbyterian Church in Northville on September 28. The E.C.W.

will be participating in the "Punt, Kick and Pass Contest" on Saturday, September 30.

The first pack meeting will be on Wednesday, September 27 at Orchard Hills Elementary School.

Starting October 8 and continuing for four Sundays will be an enlistment program for the Sunday School, entitled "Show Your Faith." The goal is to have an average of 100 for each of the Sundays and to have a high attendance of 135.

The new bus route has been started with Jerry Brown as driver. Anyone wishing to obtain a ride may call 349-4017.

Following services last Sunday more than 100 people attended the fellowship dinner given at the church to welcome the new pastor, the Reverend Floyd Collins and his family, from Toledo, Ohio.

Novi Goodfellow
All members are reminded of the meeting on Thursday, September 21 at 7:30 p.m. at the Rosewood. It is important that everyone be present so plans may be started for the Christmas projects, officials emphasize.

Novi Rebekah Lodge
The annual bazaar will be on October 7. Roast Beef dinner tickets are available from any member. Many tables of gifts suitable for Christmas giving are planned.

Mrs. Rowena Salow and Mrs. Hildren Hunt will be in charge of the boutique table featuring knit wear and hand work; Mrs. Lillian Byrd will be in charge of the linen table where embroidered pillowcases and towels will be available. There also will be a bake sale, the chairman is to be announced later.

All degree staff members are reminded and urged to be present at practice on Thursday, September 21 at 8 p.m. at the hall. The initiation will be on September 28. Candidates from Plymouth and Novi will be presented. All members are urged to remember Mrs. Ann Vuia in the matter of the death of son Roman Vuia. Services were from the Peters Funeral Home at Mack and Eight Mile Road.

There will be a Uniform Resale in Farmington on Saturday, October 14 at the Nardin Park Methodist Church, vicinity of Eleven Mile and Middlebelt, from 10 a.m. to noon. Anyone wishing to donate any uniforms or wishing more information may call Mrs. Folsom.

Cub Scout Pack 240

Wixom Charter Revisions

Continued from Novi, I

the reason that its meaning and effect are obscure."

The amendment would call for the vacancy to be filled by the candidate in the last election who was within five percent or less of the number of votes received by the last elected councilman.

Mrs. Virtue suggested in the letter that there was no provision in the event of a tie or in the event the last candidate had moved out of the city.

"It is not obscure to us," said Schnelz. "If a candidate has moved out of the city this automatically eliminates him."

If there is a tie, this is provided for in that there is either a runoff or a flip of the

coin, Schnelz said.

Regarding the amendment requiring the mayor to vote on all issues brought before council as a member of council but excluding him as a member, Mrs. Virtue stated the proposed contained "a contradiction in terms."

Schnelz said, "I have no clear idea of how this should be amended."

The proposed amendments to provide a four year term of office for the mayor and to have that term begin on the second Monday in January were approved.

Also approved by the Governor and Attorney General was the proposal to extend the mayor's time limit for making appointments after taking office from the

present 60 days to 90 days.

Approval was given to the proposed amendments to grant council the power to grant severance pay to terminated city employees and to require council to adopt a set rule of order.

Members of the Charter Revision Committee were present at the meeting. Mayor Gilbert C. Willis thanked them for their time and stated he would not dismiss them as a committee until the other three amendments have been discussed.

Sewer Plant

Continued from Novi, I

Haggerty Road area, near the present retention basin. The second location, mentioned Monday by Councilman Edwin Presnell, is the Ten Mile-Beck Road area.

It will be for the council to decide which area will develop faster and thus have the greatest need for sewage capacity. The question, of course, might never need answering if the Haggerty Road line is put in.

At the present time the demand for sewage capacity in the southeast sector is far greater than that in the southwest sector.

Officials envision a plant similar to the Novi-Walled Lake treatment plant which services the northwestern part of the city. City engineers Johnson and Anderson are presently preparing a report regarding location and size of the plant.

There is always the possibility, as Athas reminded the council Monday, that the request for funds will not be granted. "We're only in the stage of applying for funds," he said. "There's nothing whatsoever to indicate that our request will be granted."

In Uniform

Marine PFC Joseph A. Bureau, son of Mr. and Mrs. Richard A. Bureau of 23624 Willowbrook, and husband of the former Miss Harriet R. Needham of 4106 S. McMann Circle, all of Novi, has reported for duty at the Marine Corps Base, Camp Lejeune, North Carolina.

State Rejects License Transfer

Novi's city council learned Monday that the Michigan Liquor Control Commission had approved the transfer of ownership of one of Novi's liquor licenses, but had denied the transfer of ownership of the license belonging to Derby Bar owner John Poxon to the 3-S Corporation.

The Commission vetoed, however, the transfer of the license from Duke's Bar to John Langdon Reason for the denial, the Commission explained, was that Langdon owned another bar and "multiple ownership" was not a recommended practice.

Following the Liquor Control Commission's approval of the transfer of the Derby Bar license, the Novi council gave its approval to the transfer.

Roy Stewart of the 3-S Corporation told the council that he intended to upgrade the bar over a period of time. They will continue to conduct business in the same location, he said.

Langdon had proposed to purchase the Duke's Bar liquor license and transfer its use to an L-shaped piece of property he is developing on the northwest corner of Novi Road and Grand River.

The two requests for transfer of licenses follows the city's campaign of exerting pressure on bar owners to upgrade their business operations.

Novi has nine liquor licenses, eight of which have already been issued. Licenses are awarded by the state to the municipality on the basis of one for each 1,500 of population. The municipality can then dispense with its licenses as it sees fit, provided the Liquor Control Commission oversees and approves the transaction.

The population figures on which the licenses are doled out are taken from the federal census. Thus, Novi will have to wait until the 1980 census has been tabulated before receiving more liquor licenses.

Richard Garlick Gets Novi Post

A maintenance and operations foreman has been named by the Novi Board of Education.

Hired was Richard Garlick, one of nine candidates interviewed by school officials for the post, at an annual salary of \$12,000.

Also hired was Michael Zemanski, another of those nine persons interviewed, as a maintenance and operations employee. His hourly rate was set at \$4.06.

With the reassignment of Beverly Cook, from the high school counseling center to bookkeeper in the administration office, the board hired Josephine Beal for the counseling center. Her hourly rate was set at \$2.15, while the rate of Ms. Cook was set at \$3.18.

The board also retained Annie P. Bailey, a graduate of Wayne State University, as

elementary vocal music teacher, replacing Mrs. Frances Kontos, who resigned because of a family matter.

The new teacher's salary was fixed at \$8,320. In other action, the board accepted the audit report of Janz and Knight, certified public accounts firm, and noted it soon is to receive recommendations from the superintendent relative to two suggested changes of the accounting firm.

The suggestions include larger fidelity bonds be provided for top administrators, and that the district revise its accounting system to incorporate a monthly accrual accounting. Presently, the district operates a conventional cash accounting system which, according to Janz and Knight, doesn't allow for the best possible budgetary control.

EBERT FUNERAL HOME

404 W. MAIN STREET, NORTHVILLE, MICH.

Dear friends,

Have you ever considered that it is not always easy: to apologize; to begin over again; to be unselfish; to take advice; to admit error; to be charitable; to avoid mistakes; to think and then act; to keep out of a rut; to make the best of little; to shoulder a deserved blame; to forgive and forget. To strive through a lifetime for such perfection brings its own rewards.

Respectfully,

SERVING - SINCE 1936 - PHONE F19-1010

OFFICIAL NOTICE TO ELECTORS AND TAXPAYERS OF THE CITY OF NOVI OF INTENT TO ISSUE BONDS AND RIGHT OF REFERENDUM

PLEASE TAKE NOTICE that the City Council of the City of Novi, County of Oakland, Michigan, intends to adopt resolutions authorizing the issuance and sale of Motor Vehicle Highway Fund Bonds of the City pursuant to Act 175, Public Acts of Michigan, 1952, as amended, in amounts not to exceed in total principal amount \$300,000.00 for the purpose of defraying part of the cost of acquiring and constructing street improvements in the City. Bonds of this issue shall mature serially in not to exceed fifteen (15) annual installments with interest thereon payable semi-annually at a rate of not to exceed 6 percent per annum.

SOURCE OF PAYMENT

THE PRINCIPAL AND INTEREST ON SAID BONDS shall be payable primarily from moneys received by the City from Motor Vehicle Highway Funds and the bonds shall also pledge the full faith and credit of the City of Novi.

In case of the insufficiency of said Motor Vehicle Highway Funds the principal and interest on said bonds shall be payable from the general funds of the City, or, if necessary, from ad valorem taxes levied upon all taxable property in the City, without limitation as to rate or amount.

RIGHT OF REFERENDUM

THE BONDS may be issued without vote of the electors unless a petition signed by not less than 10 percent of the registered electors in the City is filed with the City Council by depositing with the City Clerk within thirty (30) days after publication of this notice.

THIS NOTICE is given pursuant to the requirements of Section 5 (g) of Act 279, Public Acts of Michigan, 1909, as amended.

S-Geraldine Stipp
Deputy City Clerk

2. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

AYES: (7) Councilmen Berry, Campbell, Evans, O'Brien, Presnell, Young, and Mayor Crupi.

NAYS: (0) None
RESOLUTION DECLARED ADOPTED.

S-Geraldine Stipp
Deputy City Clerk

OFFICIAL NOTICE TO ELECTORS AND TAXPAYERS OF THE CITY OF NOVI OF INTENT TO ISSUE BONDS AND RIGHT OF REFERENDUM

PLEASE TAKE NOTICE that the City Council of the City of Novi, County of Oakland, Michigan, intends to adopt resolutions authorizing the issuance of special assessment bonds of the City, in amounts not to exceed in total principal amount \$150,000.00, for the purpose of defraying the special assessment districts' share of the cost of acquiring and constructing certain street improvements in the City. Bonds of both issues shall mature serially in not to exceed fifteen (15) annual installments, with interest payable semi-annually thereon at a rate of not to exceed 6 percent per annum.

SOURCE OF PAYMENT OF SPECIAL ASSESSMENT BONDS

THE PRINCIPAL AND INTEREST OF SAID SPECIAL ASSESSMENT BONDS shall be payable primarily from collections of an equal amount of special assessments and the bonds shall also pledge the full faith and credit of the City of Novi.

In case of the insufficiency of said special assessments the principal and interest on said bonds shall be payable from the general funds of the City, or, if necessary, from ad valorem taxes levied upon all taxable property in the City, without limitation as to rate or amount.

RIGHT OF REFERENDUM

THE SPECIAL ASSESSMENT BONDS may be issued without vote of the electors unless a petition signed by not less than 10 percent of the registered electors in the City is filed with the City Council by depositing with the City Clerk within thirty (30) days after publication of this notice.

THIS NOTICE is given pursuant to the requirements of Section 5 (g) of Act 279, Public Acts of Michigan, 1909, as amended.

QUEENS FOR A DAY—Wixom's Baptist Church took time out last Tuesday to honor 18 women who have long been active in church affairs. Most of the women, now in their 70's and 80's, still remain active, meeting once a month to make quilts which are sent to the Pontiac Rescue Mission. They are from left to right in the front row Polly Allen, Katherine Bezaire, Florence

Van Amberg, Lottie Proctor, and Alma Woodworth. In the second row from left to right are Olive Huith, Gina Monroe, Charlotte Banfield, Alma Johnston, Lillian Byrd, Louise Bowers, Mildred Bogart, Alice Hopkins, and Edith Porter. Not pictured are Mary Greenlee, Ethyl Hopp, Marian Nichols, and Caroline Rubritus.

Wixom Newsbeat

Community Mourns Fireman's Death

By NANCY DINGELDEY

By now I'm sure most of you know of the untimely death of Jimmy DuFresne this past Sunday. Our heartfelt sympathies are extended to his wife Bonnie and to his children.

Jimmy was probably best known as one of Wixom's most dedicated firemen, a man who enjoyed his life, worked hard and gave so much to his community.

Monday was just a bad day all around. Shortly after hearing about Jim, I then received word from Green Valley, Arizona that our old Wixom neighbor, Ray Wietala had passed away after a long illness. Our sympathies to Anne and her family.

Add this to my rather hectic "low-flying" trip to Chicago to visit my mother who is hospitalized and you wonder just where it will all end. I just missed an earthquake and drove home in all the severe weather warnings but couldn't hear them on the car radio because of all the static. No one really had to tell me the weather was bad. That was rather obvious. Better I heard them when I arrived safely at home rather than on the road.

That earthquake was something else and when I saw the headlines splashed all over the front pages of the big Chicago dailies I just assumed they meant California. I mean whoever hears of an earthquake in the mid-west?

When I did find out it was within the Chicago area, I began asking people what they were doing at the time and their impressions of it. One man said he thought it was just another train going by his window. A lady was sure there was an intruder under her bed. Others said it was a weird sensation sitting in an easy chair feeling like it was driving down a very bumpy, rutty road.

Weathermen attributed the earthquake to too much water falling in the area during the summer which caused the earth to buckle. Only proves out the theory that too much water for some things isn't too good.

I rather enjoyed watching and listening to the weathermen in Chicagoland. Rather than naming off the suburban towns and listing temperatures, they referred to the "boonies". And included for hayfever and pollen fans, a "sneezer's forecast".

A date coming up to mark on your calendars. The Wixom Police Department will again host this year the Police Open House at City Hall.

Many of you will remember last year when the kids got fingerprinted, took rides in the squad cars and toured the facilities. This year the open house will be on Sunday, October 8 between the hours of 3 and 8 p.m. Everyone is

cordially invited to attend.

While we're in the Police Department, you might be interested to know that a couple of missing bicycles were returned to their owners thanks to the W.I.P. program. Both bicycles were found in open fields within Wixom and the identifying numbers checked with the records held in the Police Department.

In one instance, it was apparent that the "borrower" had tried to scrape the numbers off of the bicycle and when it was found to be of no avail, the bike was "ditched". Because of the identifying numbers used in the W.I.P. program, a couple of kids got their wheels back.

Interestingly enough, while driving in Chicago, several announcers were explaining an identification program to their listeners generally following the same format as ours. Area banks were passing out the engraving tools to interested persons and all were urged to join in the

program. Looks like we beat them to the punch!

Another date to mark on your calendars is the third annual Senior Citizens Hobby Show scheduled for November 11 at Walled Lake Central. If you've never attended one of their shows, you should really try to do so this year. There are some of the most yummy baked goods as well as a wide variety of hand made articles for sale.

Besides having regularly scheduled meetings, the Senior citizens enjoy many trips in the surrounding area. On October 2 through 5 for example, a group will be going to Agawa Canyon located north of Sault Ste. Marie, Ontario. Another trip scheduled for October 31 will

take a group to Jack Miner's Bird Sanctuary in Kingsville, Ontario. Applications for these trips as well as for more information about the Senior Citizens groups sponsored by the Walled Lake Schools is available at the Community Education Office at 624-0202 or from the Senior Citizens' Coordinator, Mrs. Fran Sarto at 363-4528.

Wixom Area Senior Citizens meet at the Wixom Elementary School the second and fourth Thursday of each month from 11:00 a.m. until 3:00 p.m. Membership is open to everyone who would like to participate, with passes issued to all members over 60 years of age entitling them to attend school sponsored activities free of charge.

Band Day Draws 40

The forty members of the 1972 Novi High School Wildcat marching band will be participating in the University of Michigan's annual Band Day festivities Saturday, September 30.

It is the first time Novi has been invited to participate in Band Day, noted Band Director Gordon Seiler.

Novi will be one of 150 high school bands from across the state participating in the festivities.

The bands will perform during halftime of the Michigan-Tulane game.

Parents of band members or other interested citizens may obtain tickets, Seiler reported, by writing to: Donald Weir, Ticket Manager, Athletic Department, University of Michigan, Ann Arbor, Michigan.

Cost of the tickets is \$6 for adults and \$2 for students.

Park Board

Picks Officers

Newly elected officers of Novi's Parks and Recreation Commission were announced Monday.

Chairman of the Commission is Richard Bingham. Edward Butler is vice-chairman, Donald Gorman was elected secretary, and Ray Murphy was voted into the office of treasurer.

Other members of the Commission are Mrs. Sherry Edwards, Thomas Marcus, and William O'Brien, who is the city council's representative.

The Commission meets on the second Thursday of each month in the city council chambers at 8 p.m.

WE WISH TO ANNOUNCE

SPORTS Go-Round

By Bob Moore

What did Joe DiMaggio say about being an outfielder? "A team is far better off with an outfielder who piles up errors trying for hard catches than with one who handles perfectly every ball hit to him but does not go after the tough ones." Joe was one of the great outfielders and hitters of all time. He was a pro with a pro's idea of what was right. He said, "No outfielder is a real workman unless he can turn his back on the ball, run his legs off, and take the catch over his shoulder." That doesn't even sound easy.

What are people saying about MOORE'S MOTOR SPORT INC. 21001 Pontiac Trail 437-2688? Why they're saying that MOORE'S is an exclusive SUZUKI dealership who doesn't forget you after the sale. If you're in the market for a motorcycle, see us at MOORE'S — our SUZUKIS are the finest motorcycle that money can buy. If you need service on your present motorcycle, see us for expert work.

HELPFUL HINT: Hammers are measured by the weight of the head. The most common household hammer weighs 16 ounces.

ALL ARE WELCOMED

from the Pastor's Study

A True Witness

The Reverend B. DeWayne Hallmark
Pastor,
New Hudson Baptist Mission

The scripture, "A true witness delivereth souls", reveals that truth produces righteous results in the practical life.

When the high school student applies himself to his school work, he will not fail to study his lessons faithfully every day. Therefore, when the teacher calls for a test, the answers will deliver that true student successfully.

When the true athlete works out faithfully every day he becomes conditioned for successful competition. Therefore, when the race or game comes up, the true athlete is able to deliver himself, his coach and his team to victory.

When the college student chooses the medical profession as his life's vocation, he must also accept the restrictions and disciplines which become necessary for him to achieve that professional goal. The restriction and disciplines of study supersede the appetites for personal, social and recreational pleasures by exercising the will. Many times short term goals in the immediate life must be evaluated in light of the future potential life.

"All that glitters is not gold."

When the student of life comes to realize his need of the peace, love, joy, and "abundant life", that only the Lord Jesus Christ gives, he becomes willing to die to self. The Apostle Paul was such a true witness of life. In Galatians

2:20, Paul declared, "I am crucified with Christ: nevertheless I live; yet not I but Christ liveth in me; . . .". The logical fulfillment must be found in the restrictions and freedoms described in God's Holy Word. The Man Christ Jesus, did always those things that pleased His Heavenly Father. Willingly, He subjected Himself to the restrictions of the earthly body and the abuse of the elite of society even to the death of the cross, that He might demonstrate His power and Deity. Christ accepted short term disciplines that the long range goal of redeeming from hell, all who repent and receive Him, would be accomplished. When the test of death came upon the Man Christ Jesus, His resurrection from the dead declared loudly that He had passed the test. After His deliverance from death many witnessed that He was a true witness, (1 Cor. 15:1-9)

If, as a true student of life, a person wishes to pass life's final tests of death and judgment, the God given power must be present in that person. (1 John 3:24) and (Rom. 8:9).

If YOU would be with God in heaven after death, YOU should not fail to submit YOURSELF to the disciplines of preparation for that future goal. (John 8:25).

"A true witness delivereth souls".

YOU'RE UNIQUE

You play a musical instrument . . . have a flair for teaching . . . enjoy dancing . . . or have some other special ability.

Your talent is your trademark of divine individuality . . . waiting to be used for the glory of God and the good of your fellow man.

In this changing world where people want to make their identity count, the Church offers avenues for imaginative service. It also leads to life's Source for fresh inspiration and understanding.

You are unique. Discover your potential! Explore the satisfying fulfillment which God and the Church have to offer.

Police Blotter

Area Vandalism, Thefts Top Week

In Northville...

Joseph McKeon, 44, of 318 South Rogers was reported in fair condition this week following an automobile accident Wednesday, September 13 when he was seriously injured.

The driver suffered severe head cuts and was temporarily placed on Wayne County General Hospital's critical list following the accident on Griswold north of Butler.

According to city police, McKeon was driving south on Griswold at approximately 11:45 p.m. when his car suddenly left the road and crashed into a tree.

Cause of the accident is still under investigation as police wait an opportunity to speak with McKeon, who was alone in the car.

A storm window was reported broken September 15 at the Harold Ferris residence, 46906 Grasmere. Someone apparently threw a rock through the window in the front of the house, according to police.

Another incident of vandalism was reported the same day by Robert L. Ronk, who said someone broke a window in his car parked at 212 South Main Street. A witness said he saw two youths in the vicinity. The window appeared to have been damaged by an air rifle.

A breaking and entering at St. Paul's Lutheran School, 201 Elm, is under investigation.

According to Principal Kenneth Lehl, someone broke a window in an east door to gain entrance to the building September 15 or 16. Taken were plastic hockey sticks, which were found later in the park at the rear of the school. Damage to the window was pegged at \$40.

A large plate glass window, valued at between \$200 and \$250, was broken either September 16 or September 17 at Cal's Gulf, 202 West Main Street. The damage was reported by Calvin Cross.

COURTNEWS

Robert E. Kopka of Plymouth was fined \$78, sentenced to four days in jail with credit for time already served and placed on one year probation. The action came September 12 before 35th District Court Judge Dunbar Davis.

Kopka was arrested September 3 by city police on two counts of driving with a revoked license, including one traffic warrant for the offense from December, 1970.

Failing to stop in assured clear distance resulted in a \$39 fine for Jennie S. Lee of 42250 West Eight Mile Road. She was ticketed September 8 following an accident.

Gary F. Adcox of Wayne was fined \$37 after he pled guilty to a traffic warrant for defective equipment. He was arrested on the warrant September 8.

Kenneth L. Garrett of Northville pled guilty to a charge of drunkenness and was fined \$29 and placed on one year probation. He was arrested on the charge August 6.

A Detroit man, George W. Sherrod, pled guilty to a traffic warrant for defective equipment and was fined \$24. He was arrested on the warrant September 4.

Michael W. Warner of Plymouth was fined \$19 for driving with improper license plates. The action was taken September 12 in 35th District Court.

Warner was ticketed July 18 by township police.

FIRE CALLS

September 15 — 7:32 a.m., 15747 Marilyn, smoke in house.

September 17: 5:57 p.m., car fire at Five Mile and Bradner roads; 10:45 p.m., Northville Forest Apartments on Five Mile Road, refrigerator fire.

September 16: 2:22 p.m., overheated fry basket at Cloverdale Dairy on Center Street; 7:19 p.m., fire in storage area of Quik Pik Food Store, 41106 Five Mile Road. September 15: 7:32 a.m., smoke in house at 15747 Marilyn.

In Township...

Theft of items from a car parked at Seven Mile and Beck roads was reported September 7 by Colleen K. Myers of 46110 Fredrick.

Four 17-year-old Detroit youths were issued unlawful entry violations September 9 when township police found them walking on the Maybury Park service drive. They are Daniel P. Dooley, Leo J. Haller, Jay T. Shappe, and Michale J. Southers. The youths told police they "wanted to see Maybury."

A day later, township police assisted state police in removing from 30 to 40 persons on the Maybury grounds.

A wallet, owned by Edward H. Pieczenik of 24273 Westhampton, was found in a swampy area south of Six Mile Road between Ridge and Napier. Pieczenik earlier had reported theft of the wallet from his car parked at the Plymouth State Home.

Two young boys, both township residents, were apprehended for malicious destruction to a township house September 16. The matter was referred to the boys' fathers, who agreed to pay for damage to the house on Beck Road.

Golf clubs and bag were found September 17 near the Griswold Street gravel pit by Glen Thomas, 333 North Rogers. The owner has not been identified.

In Novi...

"It was a pretty typical week for us," stated Richard Faulkner, Lieutenant Detective in the Novi Police Department. "We either handled or began the investigation of a stolen motorcycle, four felonious larcenies (thefts in excess of \$100), one indecent exposure, three narcotics complaints, one child abuse complaint, one extortion threat, and several breaking and enterings."

One of those breaking and enterings occurred at a residence at 27551 Meadowbrook Road.

Russell Taylor told investigating officers that he and his wife celebrated his birthday by going out to dinner Friday, September 15. When they returned home at approximately 11 p.m. they found their home had been burglarized.

Missing was a \$400 colored television set and a 16 gage pump shot gun, police reported. The thieves also attempted to steal a grandfather clock from the home, but were apparently scared off before they could get it into their vehicle. The clock was found in the back yard.

A breaking and entering of the Mogridge residence on Eight Mile Road netted thieves close to \$1,000 worth of merchandise, police estimate. Among the stolen items were a console television set, several guns, a quantity of

stereo record player components, three radios, and some bed linen.

The theft occurred between 1 and 4:30 p.m. September 5, police believe.

Another Eight Mile Road residence was discovered to have been burglarized September 4.

Andrew Bertoni told officers his home had been secure at 9 a.m., but when he returned at 5 p.m. several items were missing.

Among the stolen merchandise were a television set, a stereo record player with two speakers, a portable radio, and another record player.

Value of the stolen items was estimated at \$450.

More fortunate were the residents of 39411 Squires. Returning home at 7:30 p.m. September 4, the owners of the home discovered the screen had been removed from the kitchen window and their home had then been entered.

Nothing was found missing, however.

A 10-speed, 26 inch Boy's bicycle valued at \$120 was stolen from the garage of the Jano residence at 23743 Meadowbrook Road.

The theft is believed to have taken place between 10 p.m. September 3 and 2:30 a.m. the following morning.

Gary Robert Moore, 18, of 40960 Mooringside in Novi was arrested on charges of aggravated assault last week. Moore allegedly had been involved in a fight with a James Donald Cook, also of Novi, during a party at the Simmons residence on 10 Mile Road.

Police were summoned to break up the fight. Cook informed officers he wanted to press charges against Moore for the assault.

James Louis Cawson, 28, of Walled Lake was arrested on drunk driving charges last week. A further charge of resisting a police officer was lodged against Cawson after a struggle in the police station.

Cawson was apprehended on Novi Road north of 12 Mile and charged with driving under the influence of liquor. He had to be handcuffed forcibly by officers and later in the police station again resisted officers, leading to the levying of the additional charge.

Others arrested for driving

under the influence of liquor last week were Martin Edward Sikkila of Wixom; Charles Henry Broombaugh, 41, of Livonia; Marquess Kenneth Winberg, 33, of 1605 East Lake Drive in Novi; Leo Arthur Zehnder, 51, of Milford; Russell Van Smith, 63, of 16901 Beck in Novi; John Orland Groshko, 42, of Detroit; and Roger Robert Reniff, 22, of Walled Lake.

In Wixom...

A truck owned by Charles Ervin of Pontiac and stolen from Wixom September 13 was recovered by police last week.

The 1966 half-ton pick-up was located on Pontiac Trail across from the Farmington Auto Parts shop. Police reported that the left vent window had been broken out, but that the vehicle was otherwise in good condition. The truck was returned to Ervin.

A freak accident in which a Detroit man was shot in the leg occurred Wednesday, September 13, at approximately 2 a.m.

Charles Richard Heyart, 39, a reserve on the Detroit Police force, told officers that he and his wife had just finished nailing up reflectors along

their driveway and were walking back toward their house when the accident took place.

He had put the hammer on his left shoulder and when his wife patted him on the back in wishing him a happy birthday, it fell off and managed to strike the gun he was carrying on his hip in a holster.

The bullet entered the left leg below the buttocks, police reported, and broke the skin four times before leaving the foot.

Heyart was transported to St. Mary Hospital in Livonia for treatment.

Gilbert Dennis Jones, 27, of Middletown, Ohio, was arrested last week on two outstanding warrants held by other police departments.

Jones had originally been stopped for a traffic violation. When he was unable to produce an operator's license,

police investigated further and discovered the outstanding warrants.

Plant now, Pluck later.

Plant your sturdy Holland Bulbs now and gather armloads of beautiful flowers in spring. Sure to bloom. Priced to please.

THE GASMAN COMETH (from the bayou)

The quest:
more natural gas for Michigan's
homes and industries. Consumers Power
and its wholly-owned subsidiary, Northern Michigan
Exploration Company, are working to get more of it.

Exploration in southern Louisiana has produced
encouraging results. In joint ventures with other producers,
Northern Michigan Exploration Company has succeeded
in finding new gas reserves. Pipelines will be built
eventually to deliver this natural gas to Michigan.

This and other new discoveries of natural
gas promise increased supplies of the premium
fuel for more than 880,000 customers
in Michigan.

'P & A Lady' Says

'There's No Such Thing As Small Part'

Penniman and Allen are names that have been known in Northville for years.

Actually, it is probably the initials, P & A that have achieved prominence most recently. For years, they have been literally in the spotlight on the theater building at 133 East Main.

Inside there are still remnants of the days when silent movies were shown and vaudeville acts were presented between features.

Today, the P & A is a family movie theater owned by

Edward J. Hohler and co-managed by Mrs. R. W. Doeksen

According to Mrs. Doeksen, "Mr. Hohler would never bring in a picture that, to his knowledge, was not suitable."

Mrs. Doeksen has been with the P & A since 1963. Although there are those who might call her job small, she would disagree.

"There is no such thing as a little job. If you tell yourself it is, then you will start to believe it. They say in the theater that there's no such

thing as a small part. That's true on this end of the business, too," she said.

Each night when she is on duty as manager, she goes through her routine of turning on lights and preparing the theater to receive moviegoers.

Over the years that she has been there, she said, many of the children have come to know her as the 'P & A lady.'

She said that occasionally she has had to ask youngsters to leave for some reason "If I have to put a youngster out,

he usually comes back within three or four weeks. I never hold grudges and I wouldn't ask someone to leave unless it is absolutely necessary."

The theater itself, she explained still carries traces of silent film and vaudeville days. Once in a while, drama teachers will ask Mrs. Doeksen to take students through the theater and point out the leftovers.

Behind the screen on which the modern movies are shown is the painted proscenium arch and the act curtain which displays the P & A crest.

In the backstage area there is an old piano, probably used for background music for silent films.

The old asbestos curtain, which is required in the legitimate theater by fire laws, still hangs from the stage, but now serves a useful function.

Mrs. Doeksen's late husband, "Duke" Doeksen, who was a coach at Northville High School, suggested it be used behind the screen to keep the cold air from the back door out of the theater. "Now, even in winter, the house is very comfortable," she said.

Mrs. Doeksen admitted that at the theater, not much bothers her. She concerns herself with getting the job done. "I don't believe in doing anything half way," she said.

The theater seats 507 customers at the present time.

For the different types of films, Mrs. Doeksen often has the job of "masking" the screen. This involves rising or lowering a board which is mounted at the top of the screen to increase or decrease its size.

"When vista-vision and cinemascope came in, it was found that they required a different size screen," she said.

When there is no usher assigned to work for a given showing, Mrs. Doeksen goes down to what was once the orchestra pit and pulls a rope to change the size of the screen.

All across the state and country, small theaters are closing for lack of business. According to Mrs. Doeksen, the P & A won't compromise showing times.

"Mr. Hohler won't cancel a performance," she said. "His

philosophy is that there will always be somewhere for someone to go in the evening."

Mrs. Doeksen fully agrees with her employer's family theater philosophy. "Friends will call me and ask my opinion of the movie and whether or not it is suitable for their children. I won't undersell my picture, but I will tell the parents the truth about it," she said.

CITY OF NORTHVILLE NOTICE OF REGISTRATION GENERAL ELECTION

To the Qualified Electors of the City of Northville, Wayne and Oakland Counties.

Notice is hereby given that registration for the General Election to be held on Tuesday, November 7, 1972 will be taken at the Office of the City Clerk, 215 W. Main St., Monday thru Friday 8:00 a.m. to 5:00 p.m.

The Clerk's office will be open on Saturday, September 30, 1972, 8:00 a.m. to 5:00 p.m. for purposes of registration.

Notice is further given that the LAST day for registration is FRIDAY, OCTOBER 6, 1972. The Clerk's office will be open 8:00 a.m. to 8:00 p.m. for the purpose of registration and after said hour and date no further registrations will be received for said election.

Fires Ace

A 51-year old Livonia man carded his first hole-in-one recently, while playing Northville's Brooklane Golf Course.

Warren McElroy used a six-iron to ace the 132 yard sixth hole at Brooklane Monday. He finished the front nine in 42 strokes.

It was his first hole-in-one in nine years of playing golf, McElroy reported.

Attractive, Completely Furnished Rooms Await Visitor's at the Lexington Condo Models at Eight Mile and Taft Roads

Lexington Condo

Condominium Models Opened in Northville

Three model condominium units have opened to the public in Thompson-Brown's Lexington Commons development, corner of Eight Mile and Taft roads.

A preview opening for local area governmental officials and community leaders was held Thursday evening.

Part of a giant planned unit development, encompassing part of the old Taft-farm and a gravel mining site, the condominium complex has been named Lexington Condo Homes.

Thompson-Brown's single-family homes are adjacent to the north, on both sides of Taft Road, and to the south on the south side of Eight Mile Road. The development is featuring two and three-bedroom models ranging in cost from \$35,900 to \$45,600—The Adams, The Bewicke, and The Carleton.

In addition to the recently completed models, construction of several other units have begun. When the development is completed, it will include 205 units and will have its own private clubhouse with access to a 16-acre commons with bike-hike trails and tennis courts.

The models are open daily and Sunday from 11 a.m. to 8 p.m. and on Saturday from 11 a.m. to 6 p.m.

Included is a 2-bedroom, 2½ bath colonial, 2-bedroom,

2½ bath colonial.

All of the units feature garages with private entrances, private patio areas, landscaping, exterior maintenance, air conditioning, first floor laundry, carpeting, fireplace, exposed basements, and dishwasher and garbage disposal.

A two-level clubhouse is planned. It will include locker-room facilities, an equipped exercise room, billiard room, card room, kitchen and bar facilities.

Under the Condo-Home concept, each unit is treated as an individually owned residence. It is assessed, taxed, and mortgaged separately from all other homes, and owners may sell or lease their units as they would a single-family unit.

It is not, officials emphasize, a cooperative in which all facilities are owned by a corporation. All Condo-Home owners will have title to their own residences.

With the opening of the Condo-Homes complex, Thompson-Brown is nearing

the final stages of its development in the city that began several years ago. Last month model homes in its Lexington Commons North 100 single family development were opened.

Lexington Commons South, which includes 58 sites and an 8-acre "commons" area on the south side of Eight Mile Road, was introduced in January, 1970.

FABRIC SECRETS

Larry Weiner

Dotted swiss is now available in a cotton and polyester blend that is out of this world for durability, washability, and general ease of care. The best sorts of dotted swiss are the ones with the most dots! In fact, now there is soon to be on the market a dotted swiss with over thirty dots to the square inch! And what could be more exciting and colorful than a full-sleeved, soft blouse of this easy-to-care-for fabric?

For a wide selection of easy-to-care-for fabrics for every use, visit SPINNING WHEEL FABRIC SHOP, 116 E. Main St., Northville, 349-1910. We feature fine name-brand fabrics, priced right, and a complete line of fashion patterns by McCall, Butterick, Simplicity and Vogue. Our expert and friendly staff is always available to help you in your selection. Open: 9:30-6, Mon.-Sat.; till 9, Fri.

HELPFUL HINT: Always remove polyester fabrics from the dryer as soon as they are dry.

Methodists Plan Picnic

An all-family congregational picnic for members of the United Methodist Church of Northville will be held Sunday, September 24 at Waterford Bend Park at Six Mile and Northville Roads.

The potluck picnic is scheduled to begin at 1 p.m. According to the Reverend G.C. Branstetter, there will be games for everyone. For the children there will be a "mysterious castle," he said.

TOWNSHIP OF NORTHVILLE REGISTRATION NOTICE FOR GENERAL ELECTION TO THE QUALIFIED ELECTORS OF THE TOWNSHIP OF NORTHVILLE

Precincts No. 1, 2, 3, and 4

County of Wayne-State of Michigan

Clerk's office will be open on Saturday, September 30, 1972, 8:00 a.m. to 5:00 p.m. for purposes of registration for the General Election to be held on Tuesday, November 7, 1972.

Furthermore, the LAST day for such registration is FRIDAY, OCTOBER 6, 1972. The Clerk's office will be open from 8:00 a.m. to 8:00 p.m. on that date, and after said date and hour no registrations can be received for said election.

Eleanor W. Hammond, Clerk

City Council Minutes

NORTHVILLE CITY
COUNCIL MINUTES
SEPTEMBER 5, 1972

The regular meeting of the Northville City Council was called to order by Mayor Allen at 8:05 p.m.

ROLL CALL
Present: Allen, Biery, Folino, Vernon
Absent: Rathert (excused)
MINUTES OF PREVIOUS MEETING

The Minutes stand approved with these corrections:

Page 4, paragraph 1, add, Councilman Folino moved that Lot 645 be rezoned to P.O. Motion failed for lack of support.

Page 4, paragraph 3, change to read Allen, Biery, Rathert, Vernon voted aye. Councilman Folino voted nay. Motion prevailed.

APPROVAL OF BILLS
City Manager explained City pays for all costs of Police Training, some is reimbursed by the State.

City Manager noted \$966.02, police cost at cycle races, were reimbursed by sponsors.

Questions concerning various bills—witness fees, cement work, plan consultant, police uniform allowance, use of petty cash, telephone lines, were discussed and resolved.

Motion by Councilman Folino support by Councilman Biery to pay bills as follows: Unanimously accepted.

GENERAL FUND DEBTS \$28,475.78
INVESTMENTS CD 50,000.00

LOCAL STREETS DEBTS 2,097.73
MAJOR STREETS DEBTS 7,288.21

PUBLIC IMPROVEMENT FUND DEBTS 6,664.00
INVESTMENTS CD 30,000.00

TRUST AGENCY FUND 2,265.53

WATER FUND DEBTS 10,641.48
INVESTMENTS CD 20,000.00

COMMUNICATIONS

City Manager read a letter from the Mayor of Exeter, England who acknowledged receiving Bill Bloomhoff, at the International Scout Jamboree at Torquay, Devon.

City Manager read a letter from the Historical Society who extended their thanks for preserving the former library building.

City Manager read a letter from Ray E. Spear Superintendent of Northville Public Schools in regard to the installation of school speed zone flashers on Eight Mile Road near Taft Road.

The Northville Board of Education endorsed these lights and they are willing to pay for 50 percent of the installation costs.

Letter from Mrs. Larry Reeside requesting permission of the Council on behalf of the PTA to have a Bake Sale in the City Hall on Election Day.

Motion by Councilman Vernon, support by Councilman Folino to grant permission to the PTA Bake Sale on Election Day.

Unanimously accepted.

COMMUNICATIONS FROM CITIZENS

Marilyn McCarthy from the Northville Education Association requests permission from the Council to distribute literature to people in the shopping area. It was noted that this would be out of the way of traffic and walking.

Agreed by Council that Ms. McCarthy could work the details out with the City Manager.

SPINNING WHEEL ALLEY NAME

Motion by Councilman Folino, support by Councilman Biery to call alley south of Main, west of Center, Mary Alexander Court.

Unanimously accepted.

Councilman Folino suggests the City present Mary Alexander with a plaque on the same day the street signs go up.

MOTOR VEHICLE RACING ORDINANCE REPORT

City Manager Ollendorf suggests we wait on this item until later in the meeting.

TAP FEES, NORTHVILLE SQUARE

City Manager presented a drawing showing the location of taps for water and sanitary sewer, and fire hydrant. He added there would be a sprinkling system.

It was agreed by Council that if the Northville Square will furnish the stub for fire hydrant, we will furnish the hydrant itself.

WHEREAS, the Council has received a report and recommendation from City Engineer and City Manager regarding the establishment of connection charges for furnishing of eight-inch water and eight-inch sanitary sewer lines to Northville Square Shopping Center, and

WHEREAS, Chapter 3 of the Code of Ordinances for the City of Northville provides under Section 7-318 "F" that connection charge for the furnishing of water where the connection is larger than one inch shall be set by the Council of the City of Northville and under Chapter 4, Section 7-401 "A" of said Code it is provided that sanitary sewer connection charges larger than six inches established by Resolution of the Council for the City of Northville.

THEREFORE, the Council of the City of Northville ordains

1. In this case water connection charge shall be \$1,500.

2. The sanitary sewer connection charge shall be \$1,500.

Motion by Councilman Vernon, support by Councilman Biery to approve foregoing Resolution on Placing tap fees for Northville Square on this day August 21, 1972.

SANITATION AUTHORITY LETTER OF INTENT

City Manager Ollendorf read the Letter of Intent to the Council and audience. Questions on plastic bag usage, average bags allowed to each area, length of time the City may use

the Holloway dump, and negotiation with Northville Downs on their pick-up were discussed.

Motion by Councilman Vernon, support by Councilman Biery to approve the Letter of Intent as presented by the Authority. Unanimously accepted.

DRAWBRIDGE RESTAURANT PARKING

Mayor Allen and City Manager Ollendorf presented the alternatives to the Council (32 more spaces are required):

1. Acquiring the Hamburger stand on the corner across the street (12 spaces).

2. The American Legion may be receptive to the developing parking in their front yard (18 spaces).

3. Giving the alley way to the city (18-20 spaces).

Mayor Allen stated that this was all they had to offer at this time, will investigate further and report at September 18 meeting.

MOTOR VEHICLE RACING ORDINANCE REPORT

City Manager Ollendorf stated the proprietors are still pursuing motor cycle racing, and he read the recommendation of the city attorney and himself to modify the Ordinance as to hours and noise.

Mayor Lorenz, President of Northville Downs Cycle Corporation, stated their position on the motor cycle races at the Downs, in the past and in the future. Mr. Lorenz urged the Council to take into consideration the findings of the AMA at their meeting on October 9, 1971 at which time he believes noise restrictions will be adopted.

Council agreed to postpone until further information is available for review, however no commitment can be given.

DISCUSS ACTING CITY CLERK

It was agreed City Manager is to give recommendation in 30 days.

Continued on Page 13-A

NOTICE TO BIDDERS

The City of Northville will receive bids until 11:00 a.m., October 6, 1972 at the Northville City Hall, 215 W. Main St., for a 1973 Chassis to be used for a dump truck in accordance with specifications available from the City Clerk's Office. The City reserves the right to reject any or all bids as serves the best interest of the City of Northville.

Rosanna W. Cook
Deputy Clerk

SALEM TOWNSHIP NOTICE OF PUBLIC HEARING

A public hearing will be held by the Salem Township Planning Commission at 8:00 P.M., Sept. 26th 1972 at the Salem Township Hall, Salem, Michigan to hear a request from Mr. and Mrs. Alex McClelland to change the zoning of property owned by them from agricultural residential to low density residential. (Located at the northeast corner of N. Territorial and Napier Rds. and being a part of the NE 1/4 Sec. 25 T1S-R7E Salem Township, Washtenaw County, Michigan.)

Floyd Taylor
Chairman Salem Twp.
Planning Comm.

ORDINANCE NUMBER 22-0

AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE, MICHIGAN DEALING WITH THE REGULATION OF OUTDOOR ADVERTISING SIGNS AND OUTDOOR SIGNS OF ALL TYPES IN ALL ZONING DISTRICTS

AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACT OF 1943 OF THE STATE OF MICHIGAN, AS AMENDED, TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICTS LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES, AND STRUCTURES, INCLUDING TENTS, AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDING HEREFTER ERECTED, THE LIGHT AND VENTILATION OF SUCH BUILDING, THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED: TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS: TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWERS AND DUTIES.

THE TOWNSHIP OF NORTHVILLE ORDAINS:

PART I That the Zoning Ordinance of the Township of Northville is hereby amended by repealing Section 12.18 and replacing it with a new section to read as follows:

SEC. 12.18 SIGNS:

The purpose of this section is to regulate outdoor advertising signs and outdoor signs of all types in all zoning districts. The regulation of outdoor advertising and all signs is further intended to enhance the physical appearance of the Township, preserve scenic and natural beauty of designated areas, make the Township a more enjoyable and pleasing community, and to create a more attractive economic and business climate. It is intended by the provisions of this Ordinance to reduce sign or advertising distractions reducing traffic accidents; to reduce hazards that may be caused by sign over-hanging or projecting over the public rights-of-way; and to avoid the "canceling out" effect of conflicting adjacent signs.

1. Definitions:

For the purpose of this section, the following terms defined herein shall be interpreted as follows:

a. Sign: Means the use of any words, numerals, figures, devices, designs or trademarks by which anything is made known such as are to show an individual firm, profession, business, product or message and are visible to the general public.

b. Accessory Sign: Is a sign which pertains to the principal use of the premises.

c. Non-Accessory Sign: Is a sign which does not pertain to the principal use of the premises.

d. Advertising Sign: Shall be known as a non-accessory sign and shall relate to a business, use or service not carried on the premises upon which the sign is placed.

e. Billboard: Means an advertising sign over twenty square feet in area, but does not include:

(1) A political sign.

(2) A time or weather sign.

(3) A vehicle advertising sign.

f. Bulletin Board or Announcement Sign: Means a business sign of the following nature:

(1) Existing church services.

(2) Stating religious activities.

(3) A directory of offices or activities within a building or group of buildings.

g. Business Sign: Shall be known as an accessory sign and shall relate to the business, activity or service conducted on the premises upon which the sign is placed.

h. Festoon Sign: Means a business sign where incandescent light bulbs, banners or pennants or other such features are hung or strung overhead and are not an integral physical part of the building or structure they are intended to serve.

i. Flashing, Animated or Moving Signs: Means a sign that intermittently reflects lights from either an artificial source or from the sun; or sign which has movement of any illumination such as intermittent, flashing, scintillating or varying intensity; or a sign that has any visible portions in motion, either constantly or at intervals, which motion may be caused either by artificial or natural sources.

j. Ground Sign: Means a sign not attached to any building, and supported by uprights or braces or some object on the ground; and is a type of freestanding sign, not a pole sign.

k. Identification and Name Plate: Means a business sign stating the name of a person, firm or name or description of a certain permitted use.

l. Maximum Size of Sign: Means the total area of a sign included within the rectangle, triangle, or circle caused by encompassing the outer-most portions of the sign or around the outer-most edges of a sign formed of letters or symbols only. An area so created shall include all solid surfaces as well as all openings and shall include all sides serving as a sign surface.

m. Political Sign: Means a sign relating to the election of a person to public office, or relating to a political party, or relating to a matter to be voted upon at an election called by a public body.

n. Projecting Sign: Means a sign attached to a building or other structure and extending in whole or in part more than twelve (12) inches beyond the surface of the portion of the building line or extending over public property.

o. Pylon: Means a type of pole sign with a clear space of not less than ten (10) feet between the bottom of the face of the sign and the grade.

p. Real Estate Development Sign: Means a business sign placed on premises of a subdivision or other real estate development to indicate a proposed start or to inform relative to availability.

q. Real Estate Sign: Means a business sign placed upon a property advertising that particular property for sale, or for rent, or for lease.

r. Temporary Sign (Without Permit Required): Means a business sign with or without letters and numerals, such as window signs in business and industrial districts, of light-weight cardboard, cloth, plastic or paper materials and intended to be displayed for special events, sales and notices. Temporary signs shall not be permanently fastened to any structure including posts with permanent footings. Such signs shall not exceed six square feet in area and shall not be intended to have a useful life of more than fourteen (14) days. Permits for the erection of this nature of sign shall not be required.

s. Temporary Sign (With Permit Required): Means a business sign with or without letters and numerals such as land sale signs, subdivision openings, construction signs, seasonal events or public and semi-public functions as permitted in all use districts. Such signs shall be constructed of permanent weather resistant materials and shall be fastened to posts with permanent footings as opposed to attachment to a building. Such signs shall not exceed eighty (80) square feet. Permits for erection of this nature of sign shall be required.

t. Vehicle Business Sign: Means a vehicle sign when the vehicle upon which the sign is painted or attached is parked or placed upon the owner's premises primarily for advertising purposes.

u. Wall Sign: Means a sign painted on, erected on or fastened against the wall or roof area of a building structure with the exposed face of the sign in a plane approximately parallel to the plane of such wall and not extending more than twelve (12) inches beyond the surface of the portion of the building wall or roof area on which painted, erected or fastened.

2. Number and Size of Signs:

| Use District | R-1-R-4 One-Family | RM-1 & RM-2 Multi-Fam. | B-1 Local Business | B-2 General Business | B-3 Regional Business | OS-1 Office Service | I-1 Industrial |

"X" - Indicates that the particular structure type listed in left column is permitted in the district.

Maximum number of signs (per building)

Maximum square feet area each sign (per building) and to include the total area of all surfaces

b. No sign, except those established by the Township of Northville, the County of Wayne, State or Federal Governments, shall be located in, project into, or overhang a public right-of-way or dedicated public easement.

c. All directional signs required for the purpose of orientation and direction, when established by the Township of Northville, the County of Wayne, State or Federal Governments, shall be permitted in all use districts.

d. Whenever a billboard is permitted, it shall be located at least the following minimum distance from another legal billboard on the same side of the street:

Along Freeways—600 feet apart

Along Major Thoroughfares—200 feet apart

e. Signs mounted on a building shall not project more than twelve (12) inches horizontally beyond the wall of a building. Signs shall not be permitted to be painted directly on the wall of a building.

f. Signs mounted on a building shall not project above the highest point of any roof line or parapet of the building.

g. Pylon signs shall not exceed twenty (20) feet in height, and shall not be placed closer than one hundred (100) feet to any adjacent residential district.

h. In all residential districts, the only signs permitted on a residential lot shall be a house number, an identification or name plate, not exceeding two (2) square feet in area, indicating name of occupant, a real estate sign used for advertising land or buildings for rent, lease, or sale. Real estate signs shall be located only on the land or building intended to be rented, leased or sold.

i. Pylon signs shall be restricted to only one (1) such structure per building.

j. A pylon, when ancillary to a single building, shall permit the name and address of the firm and any other advertising having to do with the principal use.

k. A pylon, when ancillary to two or more buildings, shall only have displayed on its surface the name and address of the complex of buildings.

l. A wall sign shall only be used to display the name of the firm, the address or a symbol, or type of business, and shall be placed only on the front side of the building.

m. All gas stations or shopping centers composed of a complex of retail outlets shall be permitted one (1) pylon sign for each major thoroughfare providing frontage to such use, wherever said frontage is equal to at least five hundred lineal (500) feet. Double frontage of less than five hundred lineal (500) feet along, each street shall be restricted to one pylon sign per use or building complex. Gas stations or other permitted drive-in type facilities, when said facilities are located at the intersection of two major thoroughfares, shall be permitted to have both a wall sign and pylon.

n. Except for the following nature of signs, no sign shall be erected or installed unless and until a permit has been issued for such sign:

(1) Freestanding residential signs that include the name of the resident or residence and the address when said sign surface is less than two (2) square feet in area.

(2) Real estate signs used for advertising land or buildings for rent, lease or sale and having a sign surface of eight (8) square feet or less.

o. Temporary signs, with permits required, shall not be permitted for a period greater than twelve (12) months, and shall only be permitted after review and approval by the Township Board.

p. Directional signs within the lot area and behind the minimum front yard setback shall be permitted when said sign is placed so as to have its highest point below four (4) feet. Said directional sign shall not be used for advertising purposes, but shall direct vehicular or pedestrian traffic to parking areas, loading areas, or to portions of a building. Directional signs shall not exceed six (6) square feet in area, and shall not require permits.

q. Deviations from the standards set forth in this Section 12.18 shall not be permitted without first seeking a zoning change from the Township Board. The Board of Appeals, in extending a variance as a hardship, shall not vary any of the standards having to do with maximum size of sign, location or height.

PART II. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

PART IV. EFFECTIVE DATE. Public Hearing having been held herein, the provisions of this Ordinance Amendment are hereby given immediate effect, pursuant to the provisions of Section 11, of Act 184 of the Public Acts of 1943, as amended.

NORTHVILLE TOWNSHIP BOARD

By: GUNNAR D. STROMBERG, Supervisor

By: ELEANOR W. HAMMOND, Clerk

I, ELEANOR W. HAMMOND, Clerk of the Township of Northville, do hereby certify that the above Ordinance amendment was approved and adopted by the Northville Township Board at a regular meeting thereof, duly called and held on the 12th day of September, 1972, and was ordered to be given publication in the manner prescribed by law.

ELEANOR W. HAMMOND, Clerk

GUESS WHAT? With preliminary work completed and the resurfacing of Center Street from Cady to Base Line about to begin under a Wayne County contract, another county highway agency moved in this past week to paint a brand new stripe

down the center of the street, prompting a sidewalk superintendent to quip, "One hand doesn't know what the other is doing."

Ten cool ways to cut it.

See the complete Ford line of lawn and garden tractors and riding mowers.

FOUR new lawn and garden tractors: 10 to 14-hp. New foot-controlled hydrostatic transmission on larger models. Quick-attach equipment mounting. Deep-padded, adjustable seat. Many attachments, including snow blowers and blades.

THREE lawn tractors: 7 and 8-hp. Deluxe models provide electric starter. Hydrostatic speed control standard on 8-hp. Equip any model with 34-in. rotary mower or 34-in. snow blower.

THREE riding mowers: 5 or 7-hp. Rear-mounted engine provides better traction, puts heat and noise behind you. Adjustable seat. Automotive-type precision steering. Stop in and see our line of Ford lawn and garden equipment today. All available with easy financing.

City-Township

Eyes Water Main Pact

Petitioning for installation of improved township water mains awaits approval of a water supply agreement by the Northville City Council.

The proposed agreement, tabled Monday pending review by City Attorney Philip Ogilvie, is expected to come up for approval in two weeks.

The agreement concerns city supply of water in the Clement Road area of the township.

Water main improvements, explained City Manager Frank Ollendorff, "will not take place unless enough township residents petition the (township) board for water by special assessment."

The agreement states in part:

— That the city, through arrangements "of which there is now no known record," is providing water

serving in the township's Hillcrest Manor subdivision and areas adjoining Clement Road south of Main Street.

— That the system of water pipes in this area are extremely deficient in size, design and condition and are connected to the city water system at a point where available water pressure is low, all of which results in inadequate water service in the township.

— That the city is burdened with complaints of poor service and excessive repair costs and that it wants to be relieved of responsibility for water supply in this area.

— That the township has indicated a willingness to take over the responsibility for water supply in this area and to enter into a special assessment program to install an adequate system of water mains and to make a master metered connection with the city system at a location affording the best available pressure.

— That the city, by the agreement, will supply water to the township at a master meter installed by township expense.

— That existing and potential new township water customers shall not exceed

200 single family residences or the equivalent.

— That the township will pay Detroit Metropolitan Water Services for the water received through the master meter, with an additional rate of 15-cents per thousand cubic feet of water to be paid the city for reimbursement for the city's pumping cost.

— That the township and the city shall be responsible for maintenance and repair of mains carrying their respective water, but that maintenance of mains running along common boundaries shall be shared equally.

— That the city "will do everything reasonable" to maintain suitable water pressures at Clement and

Woodhill roads, and that the township recognizes that normal pressures at Clement and Woodhill roads may require individual booster pumps for those township customers on highest land.

If indeed township residents petition for special assessment and the new lines are installed, the agreement will have a 30-year life subject to modification by mutual consent of both the city council and the township board, according to Ollendorff.

If township residents fail to support a special assessment (over 50-percent of affected property owners) and the project is not underway within three years, the agreement is null and void, he added.

Council Minutes

Continued from Page 12-A

MICHIGAN MUNICIPAL LEAGUE CONVENTION REGISTRATION
Mayor Allen asked Councilmen and City Attorney to check with City Manager early the next day for reservations.

NORTHVILLE CORPORATION PARKING
City Manager Ollendorff stated that in the past it has been the city's policy to go 50-50 with business. The problem is finding available land for parking. It was resolved that if it is possible to buy required spaces within 100 ft. the city will go 50 percent of reasonable cost.

NOSAN BUILDING CORPORATION
Council directed City Manager to request that Nosan Building Corporation at least accomplish all the grading and filling necessary this fall so that any settlement can take place over the winter months. The walks should then be installed as early in spring as possible. If not this fall.

MAPLEWOOD USE OF PUBLIC ALLEY
Richard Egner of 260 Maplewood requested the City Council to allow him to use part of the alley west of his property (north 50 ft. of Lot 124 and all of Lot 124 Oakwood Sub.) to increase the size of his driveway and to reduce the angle of present drive for easier usage in winter months.

Motion by Councilman Polino supported by Councilman Vernon to grant permission to use part of public alley for driveway approach purposes. Unanimously accepted.

HOUSING COMMISSION REPORT
City Manager Ollendorff presented the Housing Commission Report along with their recommendation to purchase Lot 143 on Fairbrook just east of the

Fairbrook Apartments and Lot 343a, a vacant lot next door for Senior Citizens Housing. After some discussion on the possibilities of using this land, motion was made by Councilman Polino supported by Councilman Berry to direct Mayor Allen and City Manager to get an appraisal and negotiate up to this appraisal price.

PARKING ASSESSMENT BOND ISSUE
Motion by Councilman Polino supported by Councilman Vernon to engage Miller Canfield, Paddock & Stone as Bond Attorneys for the Parking Assessment Bond Issue. Unanimously accepted.

WORKMEN'S COMPENSATION BIDS
City Manager Ollendorff read a summary of the bids submitted September 1, 1972.

Based on City Manager's recommendation motion by Councilman Berry to retain Citizens coverage.

MISCELLANEOUS NATIONAL FLOOD INSURANCE PROGRAM
City Manager Ollendorff explained that this is an association of private insurance companies formed to provide a flood insurance program previously unavailable from private insurers, under a Government-private industry program. Council approved sending application to National Flood Insurance Program.

AUDITORS
City Manager Ollendorff summarized the Auditors' administration suggestions noted that the Auditors will meet with the Council soon. There being no further business, the meeting was adjourned at 11:35 p.m. Michele Sakahan

OBITUARIES

JAMES A. DuFRESNE
A 43-year-old Wixom fireman, James A. DuFresne, died of a heart attack Sunday, September 17 at St. Joseph Hospital in Pontiac.

Mr. DuFresne had been ill for the past two weeks with pneumonia.

Born March 5, 1929 in East Hampton, Massachusetts, he was the son of Charles J. and Hazel (Strader) DuFresne. He had been a resident of the community for 23 years, living at 1905 Hopkins Drive.

Volunteer member of the Wixom Fire Department and president of the Volunteer Firemen's Association, he was a millwright for General Motors in Warren. He served in the United States Navy from 1946 to 1948.

Survivors include his wife, Bonnie; his mother, Hazel of Detroit; six children, Charles of Melvindale, James, Susan, William, John and Patricia of Wixom; one grandchild; and a sister, Mrs. Connie McLean of Arvada, Colorado.

Funeral services are to be held today (Thursday) at the Richardson-Bird Funeral Home in Walled Lake at 1 p.m. Burial will be in the Wixom Cemetery.

Memorials are suggested to Fireman's Association.

EVERETT C. HAVERMAHL
Everett Chris Havermahl of 29 Meadowbrook Lane, died September 11 at the Veterans Administration Hospital in Ann Arbor after an illness of four months. He was 53.

Born in Alpena, Michigan, July 19, 1919, Mr. Havermahl was the son of Chris and Myra (Wheaton) Havermahl.

Survivors include his widow, Viola (Wallace) Havermahl; his mother, Mrs. Myra Hulett of Farmington; and two daughters, Mrs. Robert Hartwick of Royal Oak and Mrs. Bob Schroder of Milwaukee, Wisconsin.

Also surviving are two sisters, Mrs. John Benning of Berkley and Mrs. Kenneth Miller of Mt. Clemens, and three grandchildren.

Mr. Havermahl had lived in Northville for 20 years and worked as an auto mechanic for North Brothers Ford.

Funeral services were held on September 14 at the Casterline Funeral Home. The Reverend Howard Snell of the First United Methodist Church of Farmington officiated. Burial was in Oakland Hills Cemetery in Novi.

LELIA P. MUNRO

Funeral services were held on September 18 for Mrs. Lelia P. Munro, 85, of 25650 Taft Road, Novi. Mrs. Munro died Friday, September 15 at her home after an illness of four months.

She was born January 13, 1887 in Schoolcraft, Michigan, to Ross M. and Elizabeth (Hock) Smith.

Her husband, Burton Munro, died in 1961. Mrs. Munro is survived by two sons, John of Novi and James

of Rio Hondo, Texas, one daughter, Mrs. Jean Van Sickle also of Rio Hondo, nine grandchildren and one great-grandchild.

Mrs. Munro came to the Northville area in 1942. She was a retired schoolteacher from the Detroit public Schools, a member of the National Retired Teacher Association and had been a Girl Scout leader in Northville and Novi for many years.

Funeral arrangements were made by Casterline Funeral Home and the Reverend Arnold B. Cook of the First Baptist Church of Novi officiated.

Burial was in Schoolcraft Cemetery in Schoolcraft on Tuesday, September 19.

In Uniform

Army Private Michael J. O'Boyle, 19, son of Mr. and Mrs. Bernard O'Boyle, 41520 Tamara Drive, Novi recently completed eight weeks of basic training at the U.S. Army Training Center Armor, Ft. Knox, Kentucky.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and tradition.

Private O'Boyle served with Company C, 19th Battalion of the 5th Basic Training Brigade.

His wife, Lynda, lives at 19385 Indian, Detroit.

JAMES M. REED

Funeral services were held for James M. Reed, 50, of Ann Arbor on Tuesday, September 19. Mr. Reed died September 15 at St. Joseph Mercy Hospital in Ann Arbor after having been in an automobile accident.

Born October 7, 1921 in Northville, he was the son of Stephen Elmer Reed and the late Mae K. Findlay Reed.

He is survived by his father; five sisters, Mrs. Lucille Cripe of Plymouth, Mrs. Lois Haber of Northville, Mrs. Elenore Elliot of Northville, Mrs. Virginia Nesbitt of Tavernier, Florida and Mrs. Bea Arigan of Glendora, California, and three brothers, Donald and Robert, both of Northville and Clare of Brighton.

Services were held at the Casterline Funeral Home with the Reverend Father John Wittstock of Our Lady of Victory Church officiating. Burial was in Rural Hill Cemetery.

Editorials...

a page for expressions
...yours and ours

Under normal circumstances, it might be assumed that it's far more difficult to achieve satisfaction at the federal level than at your own grass roots' local level of government.

This may not be the case in Northville Historical Society's efforts to establish an official historic district in Northville.

Recently the local historical organization announced that it had successfully won recognition of a Northville site naming some 76 homes and buildings in the National Register of Historic Places in the United States.

Historically speaking, this places Northville alongside Gettysburg, old Philadelphia and Williamsburg. The National Register is described as a written compilation of historic places and buildings which, in the opinion of the Department of Interior, deserve recognition for their historic value and should be preserved.

The district chosen by the Northville Historical Society, and slated to be given recognition in the National Register book as produced by the National Parks Services, has the following boundary:

From Park Place, west along Cady to Rogers, north along a Rogers street line to Randolph, then southeasterly along Randolph to Center, south on Center to Dunlap, east along Dunlap to Hutton and south to Main, then east on Main back to the Park Place point of beginning. (See map below).

In reality the designation lacks any significance unless it is supported by legal teeth...a city ordinance recognizing the historic district and setting forth regulations designed to preserve the exterior appearance of the historic buildings.

And it's at this point that the Northville Historical Society may find progress slower at the local level than in Washington, D.C.

The local historians have asked the city council to draft and adopt an ordinance that would control demolition or modification of any of the designated historic buildings.

For many reasons—legal, personal, practical and political—it isn't likely that the council will jump headlong into this project and establish rigid controls as swiftly as the Feds were willing to grant recognition to the district on paper.

Several points must be conceded at the outset.

First, the idea of preserving buildings of historical significance in Northville is an excellent one and the Northville Historical Society deserves to be commended for its initiative.

Second, many of the homes and

buildings in the historic district have little, if any, historic significance. Aesthetically (not historically), however, an old ugly building is often more attractive, more small-town-Americana, than a modern hamburger stand.

Third, there are still the rights of private ownership to be considered.

And this leads us to the fourth point, the legality of placing restrictions on what an owner may or may not do with his private property.

If I am able to interpret what City Attorney Philip Ogilvie has said in his preliminary study of model ordinances for the preservation of historic districts, there are serious legal questions that have not yet been answered in Michigan.

For example, if a zoning designation is adopted by the city to preserve homes and buildings in the proposed district can a property owner be expected to comply even in the face of financial loss?

Let's look at one of the existing homes on the fringe of the business district. It is currently zoned "commercial" and its most likely market for resale would be to a commercial customer. And the potential value would be considerably higher than residential.

But if the owner is told the building cannot be demolished or altered, the likelihood of a sale to a commercial customer is diminished.

If a loss in value can be proven by such rezoning action, must the city (or some Historical Commission) stand ready to make up the difference?

This is, of course, an isolated situation. But it is typical of many that will be raised when public hearings are held on any ordinance that restricts a private owner's rights to do as he wishes with his property.

Personally, as an owner of a building in the proposed district, I think both the council and Historical Society should not hesitate to pursue the issue. But I would hope the campaign would be accompanied by an educational program (undertaken by the Historical Society) directed at owners of properties in the proposed district.

I do not believe a strict ordinance with sharp teeth can survive public reaction or gain legal support, unless someone stands ready to financially subsidize the program.

But strong guidelines could be adopted; an architectural advisory commission appointed to review any proposed changes; and an aggressive community campaign launched to preserve the historic atmosphere of one of our nation's typical smalltowns, Northville.

Although only 76 buildings were specifically included in the official designation, the historic district actually includes all homes and buildings within the above boundary and on both sides of the street along the exterior boundary line.

SENATOR PURSELL

GOOD ...

A county elected executive or an appointed manager is a MUST!!

Why? Sound business management calls for an administrative head. Leadership in business, school districts, federal, state and local government utilize a "single" executive. But not county government in Michigan?

County operations grew out of a need for special services, usually services no one wanted to administer. Old age care, welfare, mental institutions and the like generated a governmental level in "no man's land". There are now over 40 boards and commissions existing in Wayne County. They are not responsible to the electorate or the Board of Commissioners. Until 1969 the old boards of supervisors (135 members) were local elected officials wearing a "second hat" observing the operations of 40 boards—with no executive.

Now with 27 directly elected commissioners, the same operations exist. We should have 27 policy makers (or less) reviewing programs, adopting a budget (140 million) and delegating the implementation of those policies to an administrator. We do not need 27 administrators on a full-time basis! 70 counties in the U.S. have executives.

My bill, passed by the Senate and endorsed by Wayne and Oakland counties will effect this concept. The taxpayer expects and demands responsive officials to use time-tested management tools to give our citizens a 20th century system which will provide a more efficient operation and also provide a necessary check and balance principle.

Carl Pursell,
State Senator, 14th District
and former County Commissioner.

ROBERT HARRISON

BAD ...

The key word in county management must be ACCOUNTABILITY. To achieve accountability combined with sound responsive management of county affairs, a direct link to the voters is essential. When we assume the foregoing as true, the "manager" form of government found in many of our cities shows up as not meeting the direct accountability to the voters.

In county government, by state regulation and tradition we find ourselves providing, in large part, services the citizenry hope never to use. Who wants to encounter the keeper of the jail, the welfare officer, the medical examiner, the prosecutor and so-on? For these and other reasons the county is unique in its operations.

As the largest local unit of government, the county can take advantage of many opportunities to centralize its operations. Centralization tends to remove accessibility of information and service from the public albeit a more economical form of operation.

Thus the question becomes, how to combine in the best manner possible economical management with accessibility and accountability? An elected county executive who in turn appoints an administrator to supervise the administrative departments that are not otherwise provided for by statute is an arrangement that I believe could best accomplish this.

Unfortunately state law does not allow this form of county government structure as yet.

The legislature is considering several pieces of legislation aimed at providing the elected executive as an optional form. My past experience in government indicates to me that there are several counties that could benefit from this new tool.

Rotary Says Thanks

To the Editor:

As chairman of the first Annual Northville Rotary Tennis Tournament, I would like to thank The Northville Public Schools, especially Earl Busard, for the use of the courts; The Northville Record - Phil Jerome - for their assistance in publicity and registration; Bob and Donna Boshoven and Dutch Van Ingen for their help in setting up the tournament; Hal and Barb Axtel for their Tennis Open House Saturday night; and all the 45 ladies and gentlemen for their excellent

play and cooperation in this event. Mention must also be made of the moral support and knowledge of the game furnished by Larry Fest.

Thanks to the success of the tournament we have turned over \$133.20 to the Northville Rotary Foundation. These moneys, along with other funds from the Foundation will be used to improve the area surrounding the tennis courts. All the used balls have been turned over to the high school for distribution to the members of the tennis team.

With the full cooperation, patience, and tennis etiquette of all the players and help from the weatherman, we had a good tournament. See you all next year.

Wes Henrikson, Chairman
Northville Rotary Tennis
Tournament
311 E. Main St., 349-4650

P.S.

The Boshovens vs. Lenis Horst and Hal Axtel will be finishing their match for the Advanced Mixed Doubles Championship, Sunday, 1 p.m.

By JACK W. HOFFMAN

Long-time area residents who remember fondly the Big Band attractions at the Walled Lake Casino in northern Novi may one day soon renew those memories.

Today's big bands, including such favorites as Stan Kenton, Buddy Rich and Count Basie, are likely to be playing in concert within the next six months at the brand-new ballroom adjacent to the Thunderbird Inn.

As you may or may not know the Thunderbird will be part of a gigantic motel complex operated by the Hilton hotel chain. Construction of the motel and the ballroom already are well underway. The ballroom will be midway between the existing Thunderbird club and the motel with 201 rooms.

It probably will be called the Thunderbird Hilton Inn.

Bubbling with enthusiasm, Andy Mormile, leader of the quartet presently playing at the Thunderbird, tells me the return of the Big Bands to this area is in the offing. Plans call for them to perform in the ballroom seating more than 1,000 people.

Meanwhile, Andy's quartet will continue playing at the Thunderbird club where it has been drawing praise of patrons since July.

Andy, who plays the clarinet, says he plans to have old New York friends, Gene Krupa, Bobby Hackett, Roy Eldridge and Teddy Wilson join his quartet for periodic guest appearances after the first of the year.

"We'll probably hire a guitarist and trombonist to supplement our band when we have in these special guests," he explains.

Members of his band, formed a year ago, include Frank Isola on drums, Frank Harrison on bass, and Paul Land at the piano. All three hail from Detroit, while Andy, who lives in nearby Highland, is a native of New York where he played with Krupa and Hackett.

Isola, Harrison, and Land formerly played with Wild Bill Davidson.

Andy's band, if you haven't yet heard it, is great. And with the guest appearances in the works music lovers are in for some "really big" entertainment.

Closer to home another new facility—this one promising to be a big attraction for those looking for fine places to eat—is rapidly taking shape.

Continued on Next Page

Top of Deck

Continued from Page 14-A

It's the new restaurant to be located in what formerly was the Methodist church at the southwest corner of Dunlap and Center streets.

Some of my friends scoff at the architecture (the same friends who protested when it appeared the building might be removed), but I'm convinced the owner is doing his utmost to preserve the fine, old building while developing a compatible architectural theme.

The owner, an architect of no little prominence in the metropolitan area, has inherited his father's love for fine woodwork and he's going to a good deal of expense of removing paint, stain, and varnish from woodwork throughout the interior to restore it to its natural condition.

If you have the impression the restaurant is to be a make-shift facility take a closer look at the construction now in progress.

Township Treasurer Joseph Straub and I stopped in to chat with the owner, Peter Duanes, and to inspect the work last week and we came away convinced this restaurant will be one of the finest attractions in the metropolitan area.

As most readers know it will carry an early England theme, with a castle-like atmosphere. What they might not know, however, is that throughout the interior, from the central dining area, to the balcony cocktail lounge, to the women's powderroom, this same theme is being carried out in the smallest details.

The handsomely carved church lectern, for example, is being restored and will become the maitre d' stand off the main entrance on the east side of the building.

And while Duanes takes pride in marrying old craftsmanship with his architectural theme, he's the first to admit that architecture and design is meaningless without good food.

"Let me assure you," he told us, "we'll have excellent food prepared by two of the top chefs in the country."

Names of the chefs, to be announced soon, are widely acclaimed, having been consistent winners of trophies and medals for their gourmet foods, he said.

Inside the west entrance of the restaurant a trophy case is to be built in which to display their awards won over the years.

The food, Duanes said, will be moderately priced.

Although Duanes has been the architect for numerous restaurants, including Jim's Garage in Detroit and the just opened Red Coach Inn in Royal Oak, the Northville facility, to be called The Drawbridge, is the first in which he also is the owner.

Duanes hopes to have the facility here completed by November 1, but it may not be ready until later in the month.

Incidentally, Duanes' development consultant, Gerald Harris, one of the leaders in the Democratic party, is inviting "my cousin" to the grand opening to top the list of influential guests. His cousin, however, isn't a Democrat. He's Governor William Milliken.

Rips Conduct

To the Editor:

Last Friday I had the occasion to take my family to our Football Game against Novi and was completely appalled by the behavior of our students. While sitting on Northville's side I observed loud foul language used by boys, as well as girls, which was unbelievable, considering most of these kids were from the Junior High. Where were the school administrators to enforce the droves of students who were milling around, horse-playing, swearing, smoking and drinking on the banks near the stands?

Yes, I couldn't believe my

eyes, considering I have been an educator for 14 years and have worked at and seen many football games, none to compare with this. I can further state I saw my first and last game for quite some time, for I left at half time to prevent my family from being further shocked. I know the parents of these children would be horrified if they could see their "angels" in action, for it really is too bad that more adults do not show up, and that the school administration does not show its intestinal fortitude.

Sincerely yours,

Gordon Snyder

Why Township Raises?

To the Editor:

Why did the Township Board approve raises for the supervisor, clerk, and treasurer recently? It was interesting to observe the actions taken by the group at their recent meeting.

During this period of financial crisis, we are

constantly reminded that we should devote our efforts to the development of fiscal responsibility to insure accountability. Our public servants should demonstrate a willingness to abide by the same standards of financial integrity.

Dr. Larry D. VanderMolen
18595 Jamestown

Nomac Plant Triples Size

Increased sales volume has triggered the tripling in size of Normac, Inc., 720 East Baseline.

One of only three machinery producing firms of its kind in the nation, Normac was launched here in 1966 in an existing shop adjacent to the cider mill on Baseline.

Initially, Normac manufactured drills, but in producing the necessary machinery to manufacture the drills the company found a bigger demand for its machinery than for the drills, explains Normac President Tony Kushigian.

Increased sales forced the owners to rent larger quarters

in Novi. So for the past three years, Normac had been located at 25804 Novi Road.

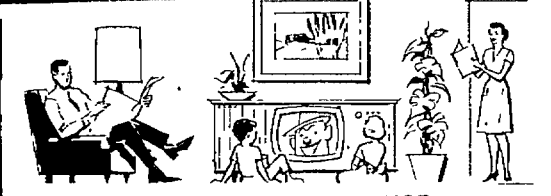

With the addition of approximately 2,800 square feet of space to its Baseline facility, the operation was relocated again in Northville.

Specializing in automatic production machinery for the twist drill industry, Normac has patents on two of its machines and may soon have a patent on a third. Its first was a twist drill point grinder.

The company's sophisticated equipment is sold to drill manufacturers such as the Whitman & Barnes Division located in neighboring Plymouth.

Northville Businesses Move

Two Northville businesses opened this week in spanking new quarters off Mary Alexander Court, between Main and Cady streets. Jonathan Jewellers, owned and operated by Dan and Linda Boatwright for the past several months, has moved to recently constructed new quarters at 150 East Main. Approximately triple the

space the business formerly occupied at 142 North Center, the new quarters are situated on the second level of the building between the Spinning Wheel and D & D Floor Covering. D & D Floor Covering also is occupying new quarters--both levels of the new building immediately east of Jonathan Jewellers.

Launched here in 1964, D & D Floor Covering formerly was located near the southeast corner of Center and Dunlap streets. The partners in the business are Donald Bingham and Donald Stevens.

According to Stevens, the new quarters represents about double the space the business formerly utilized.

The new showroom and sales office is located on the second level, while the firm's storage facilities are located on the lower level off Cady Street.

Main entrances to both relocated businesses are off the alley, named recently the Mary Alexander Court in honor of the city's former city clerk.

Novi 26 Gets Financing

Permanent financing of approximately \$4 million for 'Novi 26', has been provided by Citizens Mortgage Corporation, Southfield.

Novi 26 by Practical Home Builders offers housing to families of moderate income in a rapidly expanding area

The planned community of both walk-up apartments and back-to-back townhouses, is located in a natural setting on the south side of 10 Mile Road between Novi Road and Meadowbrook Road. The total project includes 204 rental units of moderate income housing on 25 acres.

Rust-Raze can take the rust out of your water softener.

When rust builds up in your water softener, it can seriously affect your softener's ability to soften water.

Rust-Raze™, from Morton Salt, removes the rust and lets your softener get back to work.

Where iron is present in the water supply, you can tell the difference immediately with clearer, better tasting water.

Rust-Raze will also clean rust stains from white fabrics, glass, porcelain, concrete and metal surfaces. And, once in your water softener, it prevents rust stains from reoccurring.

Find Rust-Raze at your local water softener dealer, hardware or farm store. And ask about Morton® Super Pellens®, recharging pellets with a built in rust remover, and Pellex®, a rust remover for water softeners that use rock or solar salt.

Morton

Leave the rust to us.

Set Mark Dates

Reports card marking periods for Novi schools have been announced by Superintendent Gerald Kratz.

The first marking periods for elementary schools, he said, coincide with parent teacher conferences:

Village Oaks—November 2, Novi Elementary, November 9, and Orchard Hills, November 16.

The second, third and fourth marking periods at the elementary level are January 29, April 3, and June 7.

Middle School marking periods are October 13, December 1, January 25, March 2, April 13, and June 7.

High School periods are November 3, January 25, March 30, and June 7.

Mustang JVs Trounce Novi

Northville's junior varsity football team gained a measure of revenge for the varsity's 26-6 loss to the Novi Wildcats by blasting out a 38-0 triumph over the Novi junior varsity Saturday.

"It was one of those games in which we could do no wrong," said Mustang mentor Bob Simpson. "We got a couple of early breaks and just kept rolling. One of the nice things about a game like that is that everybody gets to play."

Sophomore quarterback Eric Lampella led Northville's super-charged junior

varsity Mustangs by tossing a pair of touchdown passes and then sneaking over for another touchdown himself after he had put the ball into scoring territory with a 35-yard keeper play.

Jerry Fulcher tallied the first Mustang six-pointer, bulging across from the four yard line after a blocked punt had given Northville the ball on Novi's 15-yard line early in the first quarter.

A second quarter touchdown by Larry Pink and a two-point conversion run by Bob Bloomhuff gave the Mustangs a 14-0 half time lead and set the stage for Lampella's second half flurry.

The sophomore signal caller hit Keith Trumbull with an eight yard scoring toss and then connected with Ron Jennings on a 35 yard touchdown pass play.

Mike Penrod scored two point conversions after each score.

Simpson praised the work of his defense which blocked two Novi punts and held the Wildcats to just four first downs. He cited the defensive efforts of Bill White, Jim Weachock, Ed Bagdon, and Joe Assemany.

NUMBER TWO — Number two man on the Northville cross-country team is Tom Coram, shown here running to a second place finish against Brighton last Thursday. A half-miler in the spring, Coram has impressed Northville coach Ralph Redmond with the ease he has adapted to the three-mile cross country course.

Cole, Coram, Taggart Lead

Harriers Win 2 More

Northville's cross-country team is just about as close to being perfect as you can get.

With three dual meets already under their belts, the Mustangs harriers are undefeated and each of their victories has come by a substantial margin.

After opening their season with a 16-37 conquest of Dearborn Crestwood a week ago Tuesday, Coach Ralph Redmond's runners recorded victories number two and three last week, topping first Brighton and then Plymouth.

In cross-country the object is to have a low score and you just can't have much lower scores than the Mustangs have been getting.

As the finishing places of each team's first five runners are added together to determine the team total, a perfect score is 15.

In the Crestwood meet, the Mustangs took first, second, third and fourth, before the first Crestwood runner finished, and then topped sixth place for a total of 16 points - one point away from perfection.

The Mustangs were again close to a sweep when they ran against Brighton last

Thursday on the Burroughs Farm course. Guy Cole, Tom Coram, and Tim Taggart finished in the top three positions. A Brighton runner took fourth and then Fred Shipley and Robin Foust took fifth and sixth respectively to run the final count to 17-38.

The Northville runner finally reached perfection against Plymouth Tuesday. "Actually, it wasn't much of a meet," said Redmond. "I think the Plymouth team just isn't in condition yet. They're capable of a much better showing than they gave to us."

Not only did the Mustang harriers grab the first five places, they also took the second five places.

As usual the big three of Guy Cole, Tom Coram, and Tim Taggart were the first three Northville finishers. Fourth and fifth places were filled by co-captain Jeff

Menyhart, who has been battling a back problem, and Kevin Koffler, a junior who moved into the top five for the first time against Plymouth.

But even though the Mustang runners have been performing well in their dual meets, their performances in the large invitational have been considerably short of spectacular.

Competing against 23 schools in the Schoolcraft College Invitational Saturday, the Mustangs finished a poor thirteenth.

Particularly disappointing was the performance of Guy Cole who could do no better than thirty-first. Tom Coram was the second Mustang across the finish line, grabbing the thirty-sixth position.

"It was our third meet of the week and I suspect that our boys were a little tired," explained Redmond. "Guy ran his poorest time of the

season. We're offering no defense for our showing. We just ran poorly and that's all there is to it."

It's practically a sure thing that Northville's "near-perfect" dual meet record will come to an end soon and there's a strong possibility that their undefeated season will also be a thing of the past.

Thursday (today) the Mustangs take on Waterford Mott in the first official league meet of the season and next week they run up against Riverside and Livonia Churchill.

"I expect Mott to be much stronger this year," Redmond commented, "and we'll be hard-pressed to beat Riverside and Churchill. Both teams finished ahead of us in the Schoolcraft Invitational and we'll be going into those meets as the under-dogs. It's going to be one of the toughest weeks of our season."

Lady Bowlers Plan League

Organizers of Northville's Thursday Night Bowling League for women are looking for new participants for their 1972-1973 season.

The League meets at 9:30 p.m. every Thursday at Northville Lanes.

Interested bowlers are urged to contact either Northville Lanes at 349-3060 or Margaret D'Haene at 349-3315 as soon as possible.

NORTHVILLE RECORD - NOVI NEWS FOOTBALL CONTEST

Enter Today! You May Be A Winner!

HERE ARE THE RULES

\$10 First Prize
\$5 Second Prize
\$3 Third Prize
EACH WEEK!

Take a plain piece of paper and number down the left hand side from 1 to 16.

You will notice that each square below is also numbered from 1 to 16 and each contains a football game to be staged this coming weekend. To complete your entry you must do the following:

(1) after each number on your paper write the name of the sponsor of the corresponding square.

(2) following the sponsor's name - write the name of the winning team.

(3) in addition you must pick a score on the outcome of the game in square 16. This will be used in the case of a tie and then the contestant whose score is closest to the actual score will be declared the winner.

Be sure to write your name, address and phone number plainly on your piece of paper (your entry).

Enter just once a week, but may enter as many weeks as you wish. In case of tie, prize money will be split.

Copies of the contest will be posted at the Northville Record office at 104 W. Main each week.

Entries should be addressed "Football Contest" Northville Record, 104 W. Main, Northville and must be postmarked or brought to our office no later than 5 p.m. each Friday.

Employees of The Northville Record-Nowi News or sponsoring merchants are not eligible.

Entry forms available without charge in our office. Winners announced in paper and posted in office.

Punt, Pass, and Kick time is here again

In Northville

Sponsored by John Mach Ford and conducted by the Northville Jaycees, this year's PP&K competition for boys 8-13 years old has been slated for Saturday, September 30, at the Northville High School practice field.

There is no entry fee, but all participants must register on an official entry form available at John Mach Ford.

Each entrant will compete only against boys his own age.

In other words, all eight year olds are in one group, all nine year olds in another, and so forth on through the 13 year olds. Boys are graded in distance and accuracy in three categories - passing, punting, and kicking from a tee.

The top scorer in each of the six age groups will represent Northville in the zone competition. Winners of the zone competition then proceed through a series of successively tougher contests, leading ultimately to the national finals at the Super Bowl game.

In Northville's PP&K competition, trophies will be awarded to the top three finishers in each age group.

Registration deadline for the local contest is Friday, September 29.

In Novi

John Osborne, coach of the Novi High School football team, will preside over a special clinic Saturday, September 23, for youngsters involved in Novi's Punt, Pass, and Kick competition.

The clinic is slated to begin at 10 p.m. on the Novi High School field.

Osborne has indicated that he will have several players from the 1972 Wildcat varsity on hand to help with the clinic.

Purpose of the clinic is to provide instruction in pun-

ting, passing, and kicking for prospective participants in Novi's Punt, Pass and Kick competition which is slated to be held the following Saturday, September 30.

Co-sponsors for the Punt, Pass and Kick contest are the

Novi Jaycees and Stark Hickey Ford West. Registration forms for the contest are still available at all Novi elementary schools and will also be provided at the clinic. The PP&K contest is open to boys 8-13 years old.

Meteors Haunt Northville Colts

Northville's Colts could have used some help from NASA last week.

Two weeks ago the little league football team had little trouble in warding off the Westland Meteors, but Sunday they were unable to withstand the bombardment of the Westland Comets and lost two of three games.

Saving the Colts from complete embarrassment was the varsity team which recorded a 20-0 victory over the Comets. A 60-yard touchdown run in the first quarter; a second touchdown after a long drive in the fourth quarter; and a final touchdown as the gun sounded to

end the game accounted for the three Northville six-pointers.

The junior varsity squad came close to recording their first victory of the year at the expense of the Comets, but failed 16-14. The Colts scored in the first and fourth quarters, but the Comets scored in the second and third stanzas and added two point conversions after each touchdown to take the victory.

The Colt freshmen were looking for their second consecutive victory of the season when they took the field against the Comets, but were disappointed as the Westlanders shut them out 14-0.

Winners Perfect In Grid Contest

It was only the start of the weekly football contest but already contestants have come up with perfect or near perfect scores.

Two of the opening week contest winners correctly analyzed the outcome of all 16 games, while 10 other contestants missed out on just one game.

So tight was the race that two contestants ended up sharing the third-place prize of \$3.

First place winner was Mary Gates, 9262 West Six Mile Road. Mary correctly guessed all 16 games and was 20 points off the score of the MSU-Illinois game. She guessed MSU to win, 14-10.

In second place, also with 16 winners, was Guy Cole 356 Fairbrook, who picked the Spartans to win, 28-17.

For their efforts, Mary won \$10 and Guy \$5.

Tying for third place were Christine Regentik, 46144 Neeson, and Greg Bach, 20336 Woodhill, both of whom missed one game and were 10 points off the tie-breaking MSU-Illinois score. Christine picked State 21-7, while Greg had Michigan State 27-7.

(The Spartans actually rolled to an easy 24-0 shutout over Illinois).

Other contestants who finished out of the money but who nevertheless guessed 15 of the 16 game winners were:

H. W. White, Kurt Stelmach, Anne White, Bruce A. Martin, Barbara Baluha, Todd Eis, Bernie Bach, Jerry Cole, and Barry Zufelt.

Contestants who missed two games were:

Diane Kleckner, Luther Kleckner, Shirley Kleckner, Helen Brown, Doug Marzonie, Jack L. Williams, Robert Engel, Melanie Cole, Brad Goyt, Joe Kritch, Jr., Joe Kritch, Sr., Eric Nichols, Kevin Herter, Mike Regentik, Tom Gates, and Mary Biery.

Indiana's 27-23 triumph over Minnesota proved to be the toughest game for contestants, with many of them picking Minnesota to win.

Eastern Michigan's 16-0 loss to Toledo was another tough one, as was Idaho's 17-14 win over Ohio University.

Nearly all contestants picked Michigan, Michigan State and Novi to win their opening games.

Novi Wins 26-6

Lukkari's TD Passes Sink Mustangs

"Jimmy Van and the Trucking Company"—the talented array of Novi running backs headed by Jim VanWagner—ran into a road block Friday in the form of an inspired Northville Mustang defense.

So the Wildcats from Novi did the only logical thing. They went Air Express instead.

Steve Lukkari, the highly-touted Novi quarterback who usually has to do little more than pitch out to his running backs and watch them lead a contingent of would-be tacklers down the field, was called upon to demonstrate his passing abilities and did just that.

It was almost enough to make Novi Coach John Osborne consider changing his attack from "Jimmy Van's Trucking Company" to Steve Lukkari's Aerial Circus.

Lukkari threw touchdown passes of 45 yards to John Pantalone and 30 yards to Pat

Boyer and set up a third Novi touchdown by hitting Pantalone with a 28 yard pass play that carried down to the Northville 10 yard line.

And just to prove that the running attack is just as explosive as it ever was, Lukkari took off around end midway through the first quarter, ran 20 yards, and then lateralled to Pat Boyer who went the rest of the way on a 59 yard touchdown jaunt that opened the scoring for the 1972 season.

Final score, Novi 26, Northville 6.

The 20 point margin belied the fact that one whole of a football game took place Friday night.

On the one hand there was the Novi team, undefeated in 1971, loaded with more running backs than the Detroit Lions, and cockily gunning for a second consecutive undefeated season.

On the other hand were the Mustangs from Northville. Winless in 1971, but bound and

determined to shake their "push-over" tag and gritting their teeth in a slow burn everytime they hear of the exploits of "Jimmy Van and the Trucking Company."

The Mustang players weren't the only ones anxious to prove themselves against the Wildcats. The Northville coaches also wanted to get the 1972 season off on a different foot and had installed a special defense to stop the Wildcats' vaunted "wishbone" offense.

The defense worked well. For the first time since Novi installed the wishbone last year to utilize the considerable talents of Lukkari, VanWagner, Boyer, and Gary Collins, someone was successful in stopping it.

With his 59 yard touchdown run Boyer gained 105 yards, but VanWagner who had been

singled out in particular by the Mustang defenders, gained just 52 yards, and Collins carried just twice for three yards.

But, as Osborne has claimed all along, anyone who succeeds in stopping the powerful Novi running game is going to find out just how well Lukkari can throw the ball.

And that's what happened Friday in the second annual Northville-Novu football game.

Actually, Lukkari completed just five of 12 passes, but it was Novi's ability to break off the big play that spelled the difference in the contest.

The Wildcats outgained the Mustangs 318-130, but more than half of those Novi yards—162 to be exact—came on four big plays.

The first Novi touchdown came with 5:46 remaining in the first quarter. Novi received the opening kick-off, picked up a first down and then punted to the Mustangs, who were unable to pick up a first down and punted the ball back.

After losing a yard on the first play, the Wildcats picked up their second first down of the contest and then, with a first and ten on their own 41 yard line, Lukkari and Boyer suddenly broke loose and galloped 59 yards for the touchdown.

The Mustangs came back to tie the score at 6-6. John Sherman, their ace defensive back and punt return specialist, broke through the Novi defenders for a 31 yard punt return that put the ball on the Wildcats' 24 yard line. Five plays later Rod Crane

cracked off tackle for three yards and the touchdown.

Lukkari's first touchdown pass came moments later and was one of the game's key plays. Attempting to thwart Northville's defensive strategy, the Wildcats started throwing.

Lukkari's first two passes were off target, but with third and ten he hit Dave Brown for 15 yards and a first down. On the next play Lukkari again went back to pass, but the Mustangs' Steve Serkaian broke through and tackled him for an eight yard loss.

The next play started off like an instant replay of the preceding one. Lukkari rolled out to the left and the whole Northville line rolled out with him. The Novi quarterback, the play busted, then reversed his field and

headed toward the right sideline. When the Northville defensive backs saw Lukkari sprinting around the right end they came up to stop the play, leaving Pantalone alone on the three yard line.

Lukkari reared up and hit him with a perfect 45 yard scoring toss.

Lukkari then tossed a flat pass to Boyer, who bulled through two defenders for a two point conversion that made the score 14-6.

Novi scored a third first half touchdown with just 1:58 left in the second quarter. A 28 yard pass to Pantalone put the ball on the Northville 10 yard line. Boyer ripped off 8 yards to the two, VanWagner hit to the one, and Collins carried it the remaining yard into the end zone for the touchdown.

Score at the half was 20-6. Northville dominated the second half, running 30 plays to Novi's 21, but it was the Wildcats who recorded the only touchdown.

Characteristically, it came on one big play.

Dave Brown, the big Novi linebacker, picked off one of Northville quarterback Bill McDonald's passes after it had been deflected by a lineman and returned it 15 yards to the Northville 30.

On the first play Boyer came sprinting out of the backfield, went up at the goalline between two Mustang defenders, and fell into the end zone clutching Lukkari's second touchdown pass of the game.

It was a picture play. Novi attempted to kick the point after the touchdown, but one of the Northville linemen blocked it and the game ended with Novi on top 26-6.

with
COACH CHUCK SHONTA

Ambivalence was the dominant note in the Northville locker room following the Mustangs' 26-6 loss to the Novi Wildcats Friday.

Among the players there was gloom. The Mustang gridders had wanted to avenge the defeat hung on them by the Wildcats last year and to tarnish the reputation of the highly-touted Novi backfield.

They had failed on the first count, but had achieved a degree of success on the second count. In the corner a group of linemen bandaged their bruises and spoke admiringly of the abilities of Steve Lukkari, the polished Novi quarterback.

Gloom was hardly the prevailing emotion among the Northville coaches, however. "You never like to lose," said Chuck Shonta, "but even in this loss there was a lot for us to be pleased with. We're definitely going to win some football games this year."

Shonta and his staff are now in their second year of trying to refurbish the sagging Northville football program and Friday's game was probably the best effort the coaching staff has had to date.

Not only did the players begin to demonstrate the results of sound coaching, but a game plan designed specifically to stop "Jimmy Van and the Trucking Company"—Novi's prize backfield—had been highly successful.

"We stopped the wishbone," Shonta said, allowing a smile to cross his face. "We had plans to stop it and we did. John (Novi Coach Osborne) told me after the game that we stopped their wishbone as well as anybody has."

Basically, the defensive strategy was to put Northville's strong defensive tackle Jim Porterfield opposite the Wildcat right guard and flip-flop the ends, Shonta explained.

"On the side of the field with their split end we moved our end outside their tackle and it was his job to do nothing but hit the quarterback. The linebacker had the responsibility to hit the pitch man. On the side of the field where their tight end was lined up, the end took the pitch man and the linebacker had to come over to get the quarterback," Shonta said.

The strategy was successful.

"They only got outside us once," the Northville mentor stated. "Our linebacker didn't get outside fast enough because he got caught in traffic in the middle and they broke it for a touchdown. But other than that we stopped their wide game and they didn't hurt us up the middle." "But that wasn't the only thing we did on defense," Shonta continued. "We blitzed them, we 'scrapped' them, we tried to stop them

before they got going. We didn't stick to one basic thing, either. We kept altering our techniques."

Although pleased with the defensive effort of his own club, Shonta had words of praise for the Novi backfield. "They're extremely impressive," he said. "Their backfield executes so well; in fact, they execute as well as I've seen anyone execute."

"They have everything to make the wishbone go—a good ball handler at quarterback, a big fullback, and two fast halfbacks. VanWagner's got that cockiness that a good back has got to have."

"I'd like to have those four backs behind my line," he said.

"I was very pleased with the functioning of our offensive line," the Mustang coach continued. "I thought they did an outstanding job."

"Offensively we need a lot of work. Our passing game has got to be more effective than it was and we're going to work a lot on that this week."

"I think our team is much further along this year than it was last year. We've got a lot of juniors and they really want to win. Even though we were down 26-6, we never stopped hitting out there and we never quit like we did a couple of times last year. Our team played this game all the way."

"I think the team is down right now. They really wanted to win this one. We're going to have to get them up. They have to realize that there's a game Friday night and they've got to beat Clarenceville."

Mustanger

Mustang of the Week honors go to senior halfback Rod Crane. Playing his first game on the varsity, the 5'10", 170 pounder scored a touchdown, intercepted a pass, and was the leading Northville ball carrier with 55 yards in 13 carries. "He also played a good defensive game," said Coach Chuck Shonta. "He made several tackles and played his position well."

NO GLORY AND OLD GLORY — With the American flag waving above him, Novi's Dave Brown (15) sails through the air in an attempt to pull down this Steve Lukkari aerial. Defending on the play is Northville's ace safety, John Sherman (29). In spite of Brown's effort this pass was incomplete, but the Novi quarterback completed enough other passes to give the Wildcats a 26-6 victory.

replay

with
COACH JOHN OSBORNE

Although pleased with his squad's 26-6 conquest of the Mustangs, Novi's Coach John Osborne was something less than pleased with his team's overall performance.

In fact, the game served as a sort of an eye-opener for him.

"We've got a lot of improving to do if we're going to be a contender for the league championship this year," he stated Sunday after having viewed the game films with his staff. "We're just not there yet. We've got a long way to go before we can even think about winning any championships."

Osborne left little doubt that the cause of his concern was the play of his offensive and defensive lines.

"I was definitely displeased with the way they played," he stated. "There were a couple of players doing the job, but I can see that we're going to have to make some changes."

"Our backs had to run with very little help from the blockers and on defense the story was pretty much the same. I was pleased with the way our defensive backs were coming up to make tackles, but I was displeased with the way their backs were getting through our line as often as they were."

The game was an eye-opener for Osborne from another aspect, also.

"One of the disadvantages we're going to have to play under this year is that a lot of people are designing special defenses to stop our wishbone. Last year we caught a lot of teams unprepared to defense us, but this year they'll be ready with defenses we won't have been able to scout."

Wildcat

Senior quarterback Steve Lukkari was tapped for Wildcat of the Week honors by Coach John Osborne. Lukkari threw touchdown passes of 45 and 30 yards and combined with Pat Boyer on a 59-yard touchdown run for the first Novi score. In addition, the senior signal-caller coordinated the Wildcat offensive efforts with his decision-making and ball-handling talents.

That, in essence, is what happened in the Novi-Northville game, Osborne explained.

"I would definitely have to compliment Shonta and his staff on an excellent job of defending us," the Novi coach went on. "They had us scouted well and were very well prepared to stop our running. I didn't realize what they were doing until I saw the game films and then it was a little late. What they did was catch us without a blocker on our sweeps. If we had figured out what they were doing during the half we could have adjusted, but we didn't."

"I've been critical of the way of our line played, but in their defense it should be said that Northville really had them confused with their tactics and a confused ball player is not a good ball player."

In spite of Northville's success in stopping the wishbone, the Wildcats moved on to win the game and the key to the triumph as far as Osborne was concerned, was the play of Steve Lukkari.

"I had said that if anyone stopped our running we could beat them passing and that's exactly what happened," Osborne said. "Lukkari's a fine passer and we have several good receivers."

"The key play for us was that broken pass play that went for the touchdown," Osborne continued. "They broke through our line and Lukkari had to scramble. He started running around the other end and when he saw their defensive backs leave Pantalone to come up and stop his run he jumped up in the dead run and threw the ball 45 yards in the air for the six points. The play was a tribute to Lukkari's superior abilities."

The first Novi touchdown—a 59 yard jaunt by Pat Boyer—was also directly due to Lukkari's inventiveness, according to Osborne.

"Boyer's just a blocker on that play," the Novi coach reported. "He made his block, got up, and was following the play downfield. When the defensive back tackled Lukkari, he lateralled to Boyer who went the rest of the way for the six points."

"Lukkari is a pitch out artist and he'll do it anytime he wants to. The rest of them know it so they make a point of getting up after their blocks and getting down field as fast as they can."

Lukkari was Osborne's first choice for Wildcat of the Week honors, but the Wildcat mentor also had words of praise for Tom Ford, his 145 pound defensive back.

"He saved us twice on screen passes," said Osborne. "They had completed the pass and had blockers out in front of the back, but Tommy managed to penetrate the wall and make the tackle both times or we would have been in big trouble. They were very big plays."

While Winning 4 Matches

Golfers Set Records

Al Jones has one of those jobs this year that's pretty easy to take.

As coach of the crack Northville golf team, the hardest part of Jones' job is to keep track of the records being piled up by his linksmen.

The Northville golfers got their 1972 season underway last week with four consecutive wins and set two new records in the process.

One of those school records was set by John Hlohinec, the 6'2" senior who often is not the Northville medalist. Playing the back nine at Brae Burn Thursday against Farmington, Hlohinec carded a one under par 35 in leading the team to an easy victory.

The second record of the week belonged to the whole team. Opening their Western Six schedule against Walled Lake Western on the front nine at Brae Burn, the Mustangs broke the old four-man-total-for-nine-holes

record of 151 by six strokes and also shaved three strokes off the five-man-total-for-nine-holes record of 187. Broken down into individual

scores, the new records were set as Hlohinec and Brian Mills each shot 35s, Jim Dales chipped in with a 37, Bob Simmons had a 38, and John Marshall carded a 39.

"That's pretty respectable shooting," said Jones.

Jones' biggest problem is bound to become who to play when he can field just four men. At the start of the season that problem wouldn't have seemed to exist. With all four members of the 1971 squad which went undefeated returning to action, the top four would seem to be easily arrived at.

But that was before Jim Dales arrived on the scene. The big freshman has already served notice that he's capable of moving into the top four before the season's over.

"What we'll be looking for will be consistency," said the

Northville coach. "In tournament play you're usually much better off by starting a player who is consistent than one whose scores vary widely from meet to meet."

Northville's first victory of the season was a lop-sided 202-243 conquest of Brighton. This time it was Simmons who took medalist honors as he toured the front nine at Meadowbrook in 38 strokes. Mills and Hlohinec carded 40s and Marshall and Dales tied for the fourth spot with 42s.

The Mustangs only close call of the week came Tuesday when they faced Dearborn Riverside at Warren Valley. Final score found Northville winning 153-159.

"It was close," commented Jones, "but Riverside shot

well and we had never played that course before. It wasn't a matter of us not doing well, it was a matter of running up against a good team."

Hlohinec and Marshall paced the Mustangs in that match with a pair of 37s. Mills added a 38, and Simmons shot a 41.

Hlohinec's 35 came Thursday against Farmington on Brae Burn's back nine. Northville won the meet 201-213. Other Northville scores in the meet were Mills with a 38, Marshall with a 40, Simmons with a 42, and Dales with a 46.

The final Northville victory came against Walled Lake Western Monday. "Western's golfers had a good day with a five man total of 204," said Jones, "but our golfers were really sharp and had that 184. It's a hard score to beat."

With the four dual match victories Jones' golfers have now won 19 in a row.

"We're going to try to keep that streak going," said Jones.

As long as his golfers keep shooting as they have been, that shouldn't be too much trouble.

Bonanza for Senior Citizens

A bonanza for senior citizens is in the offing, Novi Superintendent Gerald Kratz revealed Wednesday morning. Senior citizens, he said, are to be admitted to all local games, plays, etc. free of charge. Details are to be announced later. Meanwhile, however, senior citizens wishing to see Novi host Milan Friday night may do so at no cost, Dr. Kratz said.

Splits Its Vote

Continued from Record, 1

Boundary Commission we give local services we can afford and which the people are asking for," she stated.

Klein said he "thought we had settled this in budget hearings (in March). With three men (which the force is now at) we could come up with 16 1/2 hours of patrol but a fourth man would not give us that much more service due to scheduling."

Schaeffer commented that an additional man would cover problems which exist in the late evening

Nisun said the main function of the additional patrolman would be general patrol in subdivisions.

Those in favor of hiring another officer cited an increase of trespassers at Maybury and the problems they are creating for people living in the area.

Straub commented that it was made to "sound like there is an emergency at Maybury, but Maybury has been there a long time. The state police and county sheriff's should patrol that land. I am opposed to another patrolman.

"The city still has not been

contacted as to providing services under contract," he stated.

Mrs. Hammond said "Maybury is not the main situation but it just crystallize our thinking."

Baldwin disagreed, stating that "no schedule has been seen as to what he (Nisun) expects the patrolman to do. The police should provide township type of service and not the traffic patrol (Nisun) seems to be interested in providing."

He said he was opposed to using the contingency fund for paying a patrolman. "How much will a four-man department cost us on an annual basis?"

Nisun stated the figures were included in a five-year projection presented several years ago and that "we've been running pretty close to that cost projection."

Baldwin said that "extra money this year (in the contingency fund) does not mean extra money next year. We must provide fire protection (in the southeastern portion of the township) which will be an extremely expensive proposition."

Mrs. Hammond said the township has a need for hiring another patrolman "and I insist we do it."

Baldwin said he would not vote in favor of policing Maybury.

Schaeffer said he was "concerned with the people in nearby homes and what the people (trespassing at Maybury) are doing there."

"More people will be moving into the township with the increase of building. If we delay this until the people are here, then it's too late," Schaeffer continued.

Mrs. Hammond told the board members who were against the hiring that they "need to come in and see (the operation of the department and the type of calls received) as we who work here, with an open mind do. We have the means for providing the service."

Mitchell said that an additional patrolman would cost the township fringe benefits and half of what costs would be for one year since only six months are left in the fiscal year.

Baldwin reminded him that increased paper work and wear and tear on the autos would also have to be figured as part of the cost.

Stromberg said he was in favor of letting Nisun make up a list of costs for a four-man department and bring it up before the board in October. He said he would not vote in the matter now.

Teachers Request Doomed?

Continued from Record, 1

levels that are greater than the governmental units' resources.

However, the NEA contends binding arbitration is the "best and least painful method of reaching agreement in a peaceful and expeditious manner."

"We challenge the board of education," the NEA said, "to exhibit the same interest in its students and this community by agreeing to submit the remaining issues to binding arbitration. This is one sure way to guarantee that education continues uninterrupted in Northville."

Specifically, the NEA has proposed that 13 matters be designated for binding arbitration.

Agency shop, salary, extra-curricular schedule, driver education stipend, dental insurance, long-term disability, class size, year-round school-innovative program, maternity leave, filing date for applications, calendar, duration of contract, and tuition reimbursement.

"What they are asking," said Busard, "is that we start from scratch. I recognize that we have not formally agreed on any of these matters, but negotiators for both sides are well aware that informally many of them have been resolved."

Still unresolved, formally or informally, are salary, extra-curricular schedule, maternity leave, and duration of the contract, he said.

Presently, teachers are working under an extended 1971-72 contract by mutual agreement of both sides.

Latest negotiating meeting took place Friday as negotiators met with a substitute state mediator, Thomas Badaud. No progress was made, however.

Man Stabbed in Novi

Continued from Novi, 1

During the investigation which included a search for the weapon, police uncovered various narcotics paraphernalia and several "baggies" of suspected marijuana.

Schweier made no attempt to flee the scene of the crime, according to reports. After the stabbing he went into the house to wash off the blood and when he returned the police had arrived and he was pointed out as the assailant.

Sidewalk Hearing Set

vacuum, the city requested bids from several firms but only one firm, American Steel Fabrication, responded. John Mach Ford was the low bidder on the truck chassis.

The council also rejected bids on a tandem dump chassis as being considerably higher than expected.

Still other action by the council included—

- Agreement to purchase second-floor carpeting for the library at a cost of \$426.

- Approval of a zoning change from R-1 to R-E for the Northville Laboratories property, adjacent to Rural Hill Drive.

- Approval of a liquor license change concerning the dropping of one of the partners in the Northville Bar from the license. Charles Janssen has sold his interest.

Pass New Sign Law

- Reappointment of Councilman Paul Folino as

the council's MERS (pension) representative to attend the annual meeting in Lansing on October 18.

- Tabled items pertaining

to an appointment to the Northville Beautification Commission and discussion of Drawbridge Restaurant parking plans.

Apathy Vs. Empathy

Continued from Record, 1

Donald, who is chairman of the group, is the only male member.

Ironically, the group's initial difficulty was finding people to help. That "problem" has long since disappeared, and now there are far more people asking for help than volunteers to help them, according to Mrs. Burch.

FISH today is averaging 50 calls for assistance monthly. And the backlog of cases is growing.

The non-denominational organization derives its name from the symbol of a fish used in early days of the Christian church for recognition and as a password. Today the name is used by helping organizations throughout the country.

First to be formed in this area, the Northville-Novis organization is, ironically, dying while neighboring FISH chapters formed later are "going great guns. Why elsewhere and not here?"

In trying to analyze the local apathy, the two women theorize that the affluent society here cannot believe that there are many living in the community—"their next door neighbors"—who are desperately in need of help.

And while they concede that other organizations are providing services, they emphasize that often the service is for those with obvious needs.

"But what about the mother, whose husband walked out last night, leaving her without a car and two sick kids? She doesn't need help next week or next month or at the next drive for Christmas packages. She needs help now, and she needs it desperately."

"Or what about the woman who called to say is thinking about suicide, that she has nothing left to live for? Do you tell her to call a minister or wait until a social worker is able to stop by to see her? The need is now, not tomorrow or the next day."

The Primary purpose of FISH is to offer

immediate emergency assistance, Mrs. Burch said. "Then, after we've helped them through a crisis we can refer them to a proper social organization if continued help is needed."

Are people afraid to volunteer because the help needed is too difficult or expensive? "Absolutely not," the women declared, giving the following examples:

Baby-sitting, help moving furniture, providing a meal or a bag of groceries, housework for the sick, handyman, overnight housing, transporting someone to the doctor, etc.

"Our most urgent need," they said, "is for transportation. It may seem unimportant, but to an old person without a car the simple matter of getting to the doctor's office is a major problem."

Next biggest need is for people to serve telephone duty once a month, they said.

Phone duty, which in the organization is called FISH -of-the-day, means checking periodically throughout a 24-hour day with the organization's answering service to see if someone has called for help.

Also needed are people to assist in organizational matters, such as publicity and clerical work, and for internal financial assistance.

"Our monthly expense is \$45, which is almost entirely for the answering service we maintain, and for mailing, etc."

"As for volunteer help, if a person will donate just an hour or two of his time a month we would be extremely pleased. Right now, all 50 of those calls a month are falling on the shoulders of just a few people and, quite frankly, the burden's too great and it's beginning to discourage even our most faithful supporters."

"All a person need have to volunteer is an empathy for his fellow man and a willingness to help him in time of need."

"Is that too much to ask?"

If not, call 349-4350.

Dem Challenges GOP Opponent

Northville township Democratic candidates have challenged their Republican opponents to a debate.

Larry Vander Molen, Democratic candidate for supervisor and spokesman for the slate, said that registered letters have been sent to each of the Republican opponents suggesting a public discussion and debate of "the issues facing Northville township voters this fall."

According to Vander Molen the letters noted that "with interest running high in the presidential race, large numbers of newly enfranchised voters and an existing concerned electorate, we can expect an unprecedented level of political participation. As public figures we, of all people, should be cognizant of the 'public's right to know'. In

keeping with this ideal I would like to extend an invitation to publicly discuss and debate the issues."

The Democratic candidate for supervisor suggested the meetings could be held at such places as Kings Mill clubhouse, Highland Lakes community center and Northville Forest clubhouse.

The Democrats have candidates running for supervisor, two trustee seats and clerk. They are Vander Molen; Michael Price for clerk; Thomas Curran and Eugene Guido for trustees. Republican candidates are: Lawrence Wright, supervisor; Mrs. Sally Cayley, clerk; John MacDonald and Incumbent Richard Mitchell, trustees.

Incumbent Treasurer Joseph Straub, a Republican, is unopposed.

LWV to Visit State Capitol

A "Day in Lansing", on Wednesday, September 27, will highlight the official observance of League of Women Voters Week for the members of the local Northville-Plymouth LWV.

While at the state capitol, League members will attend committee meetings, visit a session of the legislature, and lunch with Northville and Plymouth state representatives.

Governor William Milliken, in proclaiming the week of September 18-22 as League of Women Voters Week in Michigan for the forty-three chapters located throughout the state, cited the League's effort, as a non-partisan organization, for the many significant contributions made to effective and responsive government on local, state, and national levels.

Locally, the Northville-Plymouth LWV has been active in providing a variety of voter services including local registration of eighteen-year-olds; sponsoring get-acquainted meetings with candidates; and providing voter information on all candidates in the August primary.

The League also conducted a study and took consensus in favor of annexation of Northville Township to the City of Northville.

Mrs. Steven Orban, president of the Northville-Plymouth League, extends a special invitation to all those interested in becoming League members to spend a "Day in Lansing" to witness government in action. Persons wishing additional information are asked to call Carolann Ayers, 349-1710.

Do you know that a two-by-four may not be 2 inches by 4 inches at all? The fact is that a two-by-four, when it is planed or surfaced, measures 1 3/4 inches by 3 and 1/2 inches! This is because a surfaced two-by-four is sold by the measurements it had when it was rough. The planing takes off approximately 1/4 of an inch on each side during the planing. Still, however, these figures are only approximate. When working with planed lumber, it is generally a good idea to measure each piece to be sure it fits properly.

And for the proper tools, supplies and advice for your homeowner tasks, visit the experts at **NORTHVILLE LUMBER CO.**, 615 E. Baseline, 349-0220. You will find a complete inventory of everything you need to keep your home in top condition including Skill power tools, Stanley hand tools, pre-finished shelves, Peerless and Gibraltar cement and mortar, and Formica sheet stock. Hours: 8-6, Mon.-Fri.; 8-2, Sat.

State Lacks Prison for Women

LANSING—One need remains dramatically unfulfilled despite all the building the state has done in recent years.

Michigan has no facility to house women prisoners.

Instead, it pays the city of Detroit \$9.50 a day per prisoner so the city can keep about 250 women convicts now in state custody in the Detroit House of Corrections, known as DeHoCo.

For years, state corrections officials have argued for a state owned facility for women prisoners.

CONSTRUCTION actually began on a facility for women back in the 1920's in Meridian Township east of Lansing. Progress only reached the point that a foundation was built.

Then the legislature decided it didn't have the money to finish it and the foundation was all that was ever completed.

One reason for the lack of a women's facility is the relatively small number of women convicts.

There are more than 9,500 men in the various state correctional institutions now, compared to the 250 or so women. This might result because women are more law

abiding or because judges are more tender with what used to be known as the weaker sex.

ONE SPARKPLUG for a suitable state institution for women is Mrs. Florence Crane, chairman of the Michigan Corrections Commission.

"The history of this state's plan to build a facility for women state prisoners has been one of indecision and expediency in spite of the long-demonstrated need for such an institution," she states.

Mrs. Crane says Michigan has "largely ignored the needs of female prisoners for more than a century."

IF THERE is any validity to the alarmed cries today for prison reform, then this project—which has been high on our priority list for many years—deserves immediate attention and adequate financing now," she continues.

"Our desire is not simply to build an attractive new facility in which we would just be able to house state women prisoners, but to begin to fulfill our long-ignored responsibility to such prisoners in terms of programs, rehabilitation, and providing the same kinds of correctional assistance which is now

available to male inmates."

THE CORRECTIONS DEPARTMENT already has a good idea what it needs if the money becomes available.

Few women prisoners need maximum security detention. As a result, the department recommends a fenced facility with single story cottages and room for counseling, dining and other daytime activities.

A general education program would be operated in conjunction with the local school district. Courses would involve both general education and business skills such as typing and shorthand. College courses might become available.

Such a facility would give the department a much better chance to serve as a corrections department, rather than a custodial department.

ONE INNOVATION established by Secretary of State Richard H. Austin since he took office in 1971 is the opening of several Driver Improvement Safety Centers.

The Centers are designed to work with problem drivers and try to improve their conduct on the roads. The first Centers were opened in Detroit and Pontiac last year. Two

more were opened in August at Grand Rapids and Flint.

They offer complete counseling, testing, retraining and driver safety education services for the problems driver. Since many problem drivers are also problem drinkers, each staff includes an alcohol analyst and driver improvement workers.

THE PROBLEM drivers include people who have 12 or more points for traffic violations and convictions; probationary drivers who continue to have violations; drivers with three negligent accidents within two years; drivers involved in fatal accidents; and people with physical problems.

Group conferences are held with problem drivers in some cases, and individual conferences are held in other instances.

The centers also provide followup examinations, road tests, vision screening and referrals when necessary, so that the driver can have other kinds of help.

It may not be glamorous work, but Secretary of State Richard H. Austin firmly believes it is an effective way to reduce death toll on our highways.

Babson Report

Nonferrous Stock Prices Down

WELLESLEY HILLS, Mass.—The aluminum, copper, lead, nickel, and zinc industries in late years have been experiencing some serious difficulties. In reflection of this, the stocks of the foremost companies in these fields are now priced near their lows for the past few years.

Despite the depressed prices of the common stocks of the important nonferrous companies, however, the Research Department of Babson's Reports is not currently recommending their purchase. But "hold" advices are being maintained at current low levels since some intermediate-term improvement seems likely. When purchases are being considered, there appear at present to be more attractive opportunities in areas other than nonferrous metals.

LAST YEAR was particularly troublesome for the aluminum industry as excessive worldwide additions to capacity were made at a time when both the economy and aluminum demand were lagging. Thus, an oversupply situation developed and prices weakened. To add to the problem, the industry signed a costly three-year labor

agreement. The four leading aluminum producers—Alcoa, Alcan Aluminum, Reynolds, and Kaiser—were all under considerable pressure.

So far in 1972 there has been some moderate improvement, although the aluminum outlook is far from bright. Prices of some fabricated products have been increased, but aluminum prices of some fabricated products have been increased, but aluminum prices in general remain weak and the world oversupply persists. A higher return on the industry's investment is a must if meaningful progress is to be made. But this does not appear to be a near-term possibility.

HOUSING and autos, the two largest markets for copper, have been doing well this year—which has been of some help to the copper industry. Overall, however, copper prices have been depressed andin worldwide demand has been sluggish. In July prices of the red metal were reduced 2 cents per

pound by the major producers.

Recently, copper futures prices moved up in anticipation of a pickup in demand. So far, however, increased demand has failed to materialize. The copper industry remains extremely volatile, and profits of its leading producers—Anaconda, Kennecott, Phelps Dodge, and Cerro—will fluctuate widely.

LEAD SUPPLIES currently exceed demand and American Smelting lowered its lead price by 1/2 cent a pound a few weeks ago. Despite this, however, it should still be a reasonably good year for the lead industry due in part to the excellent business experienced by the battery makers. Consumption of lead for gasoline additives is turning downward, but not as rapidly as might be expected. St. Joe Minerals, the nation's Number One lead producer, is doing better this year.

In May the price of zinc was raised

from 17 cents per pound to 18 cents. Many in the industry feel that another price rise is imminent. Thus, some inventory building is currently taking place. Actually, because production capacity of the nation's zinc industry has been sliced nearly in half by the closing of several old smelters, domestic zinc is in short supply. The leading producer of this metal is New Jersey Zinc, a subsidiary of Gulf & Western.

BECAUSE of steadily rising costs of both labor and materials, nickel prices were recently raised 15 percent by the two leading producers, International Nickel and Falconbridge Nickel—both Canadian companies. Everything considered, however, prospects for the nickel industry are not especially bright although there has been some betterment over last year's poor showing. Hopefully, the supply-demand situation will show some further improvement over coming months.

Horse's Mouth

This column is open to news of all breeds of horses and ponies. Send your questions, comments, and horse show news to "Horse's Mouth", care of South Lyon Herald, South Lyon, MI 48178.

Seven-year old Roy Roberts, son of the Don Roberts of Fairview Drive, won first place and his first trophy, at the August 20, Fleming Creek Horse Show held at Dixboro. Roy rode the Roberts' Appaloosa mare, Desert Fawn, in the walk and trot class, competing against 17 other young riders.

Shiawassee Saddle Club is having a trail ride on the outskirts of Kensington Park on September 24. Beginning on Garner Road south of Dawson Road at noon, the ride will last about two hours. Guests are invited. Bring own refreshments.

For further information, call 349-0342 (Northville), 437-1546 (South Lyon), 227-7743 (Brighton) or 684-0385 (Milford).

On October 6 at 7:30 p.m. the Shiawassee Club will sponsor Monte Foreman's film "Footwork That Counts" at their meeting. This film show leads, rolls, stops and speed handling. Also on display will be his two books on horsemanship, "Horse Handling Science" and "Cantankerous Leads", plus a balanced ride saddle.

All interested persons are invited to attend this meeting at the Johnson School, 515 General Motors Road, near Milford Road in Milford. Children must be accompanied by parents.

September 23, 4-H Horse Leaders Youth Horse Show, Fowlerville Fair Grounds, 9 a.m. sharp Entry fee: \$1 per class Trophy and six ribbons.

Classes for fitting and showing (15-18), (11-14), (10 and under) and pony. Bareback horsemanship (14-18), (13-under). Western horsemanship (15-18), (11-14), (10-under) and pony English equitation and English pleasure (15-18), (11-14), (10-under). Non winner class, western riding open and diaper race.

September 24, field day, 9 a.m. Tristan Oaks, Oxbow Lake Road, Union Lake. Entries close September 21.

Classes offered are: junior horsemanship (12-14), (under 12), Pleasure horse or pony, junior, horsemanship over fences (12-14); horsemanship (30 and over); field hack, pairs (open); pairs over fences abreast; teams of three over fences, working hunter and treasure hunt.

Ribbons will be awarded in each class.

After the lunch break, there will be a voltage exhibition which will precede the afternoon session.

Jack Frost Paints State Landscape

Although Jack Frost already has touched the fringes of some forests, this state's peak fall color touring season is not expected to begin until the end of September, according to Automobile Club of Michigan.

The sumac plant—whose brilliant red signals that 85 species of hard and softwood trees are about to go from green to shades of yellow, orange and scarlet—is just starting to turn in the north. "There are more than 19 million acres of Michigan forests and woodlands where the tourist can view color this fall," states Joseph Ratke, Auto Club touring manager.

"Fall color will be reflected in 11,000 inland lakes, along 36,000 miles of river and stream and 3,251 miles of Great Lakes shoreline."

Ratke estimates 600,000 families should take special trips now through October to view colors, and they should spend \$50 million, a five percent increase over last fall.

How long the color season lasts in any area depends on the weather. Cold weather with heavy frost and strong wind means a short season, while warm weather with sunny days helps color remain in an area up to two weeks.

"The annual fall spectacular begins to peak in the tip of the Keweenaw Peninsula in the Upper Peninsula near the end of September," adds Ratke. "The show then begins a 50-to-75-mile-a-week march southward."

"This means that those who wish to follow the colors can begin viewing in the Upper Peninsula late this month, and continue watching until the show ends 400 miles later in southern Michigan at the end of October," says Ratke.

He adds that the average couple traveling 300 miles on a color tour can expect to spend \$70 to \$100 from Friday

night to Sunday night.

Almost anywhere that a person travels in the state, special color tours have been arranged by chambers of commerce. All a person has to do is stop at the local chamber office and ask for information and special maps.

Auto Club's calendar for viewing the most spectacular color in various sections of the state is:

Upper Peninsula and northern tip of Lower Peninsula-- September 29 to October 8.

Northern third of Lower Peninsula-- October 6 to October 15.

Central Michigan -- October 13 to October 22

Southern Michigan -- October 20 to October 31.

2 Proposals On Ballot

Wayne County voters will consider two propositions to finance new jail and juvenile facilities through special five year property levies totaling one mill in the November 7 election, under preliminary action taken by the County Commissioners.

The commissioners, meeting as the Ways and Means Committee Sept 14, decided to put the proposals on the ballot. Final action was scheduled for the formal Board of Commissioners meeting at 2 p.m. Monday, Sept. 18, on the eve of the

Along the Campaign Trail

Broomfield

Congressman William Broomfield, Republican candidate for the 19th District seat, is urging a reduction of the United States' dues to the United Nations.

"I think it should be clear by now that the United States is going to have to reassess its policy in this area," he declared this past week.

"The first order of business is to reduce our yearly dues to a more realistic figure. A simple cut down to 25-percent of UN costs would be a good beginning. From there, further study should be given to greater reductions in the future."

Calling the U.S. share unfair and unwise, Broomfield noted that in 1971 the United States paid 31 percent of the operating costs and as much as 40 to 50 percent of some of the UN's specialized programs.

"What really makes our share of the costs ridiculous is the fact that we are being forced to make up for the debts that the Soviet Union and her Eastern European allies refuse to pay," he said.

"Member nations owe the UN more than \$131 million in past dues. Until those states pay their fair share, Uncle Sam will continue to bear the burden of keeping the UN out of hock."

"To make things even worse, UN regulations that require debtor states to automatically lose their voting rights have gone unenforced. That's right, the debtors, who refuse to pay for political reasons have joined with the growing coalition of mini-states to block enforcement of the UN's own rules."

Concerning the growing number of the so-called mini-state members, Broomfield said that while they represent "a handful" of the world's population they can tie up and block the effective operation of the UN. "Very few decisions can be made without their support."

"They have joined with full membership powers" including the right to vote in the General Assembly. Their votes hold the same weight and authority as any other nation regardless of its size and population."

Geake

Dr. R. Robert Geake, chairman of Schoolcraft College's Board of Trustees and candidate for Michigan's House of Representatives from Livonia and Northville, has written a letter to the United States Senate calling on the Senators to expedite approval of President Nixon's Anti-Busing Legislation.

Dr. Geake said in his letter, "You do not protect the rights of anyone by violating the rights of everyone." He added, "Judges are increasingly violating the rights of everyone by their court-ordered discrimination in the assignment of kids to schools—strictly on the basis of race."

Dr. Geake pointed out that the very judges who were appointed to protect Constitutional rights are the very judges who are violating these rights by:

1. Court-ordered discrimination which threatens the very basic individual rights guaranteed by the Constitution.

2. Court-ordered legislation which threatens Congress's Constitutional legislative responsibilities, and

3. Courts ignoring Congressional legislative action such as the Broomfield Anti-Busing Legislation.

Dr. Geake pointed out in his letter to the U.S. Senators that the four million people in Southeastern Michigan are "marking time" in the hope the U.S. Senate will act and act expeditiously to protect their children and their constitutional rights by passing President Nixon's Anti-Busing Legislation.

He also pointed out that it's impossible to predict what will happen if the U.S. Senate does not approve this legislation since thousands of parents have said they will not permit their children to be forced-bused.

Dr. Geake believes that instead of wasting millions of dollars for forced-busing that this money would be better utilized to: 1. hire more teachers and improve the training of teachers and 2. provide more relevant educational programs such as a. the added programs for disadvantaged kids, and b. the career education programs.

OCDC

The Oakland County Citizens League came under fire last week as the county Democratic organization charged it with "partisan bias disguised in a cloak of non-partisanship."

Specifically, Morely A. Winograd, chairman of the Oakland County Democratic Committee, blasted the League's candidate rating system and threatened to ask Democratic candidates to boycott the League.

"Your ratings of candidates in the August 1972 primary election, in the tradition of past actions on your part, were discriminatory on the basis of sex, race and religion," he wrote William H. O'Brien, executive secretary of the League.

"In addition, they exhibited a decided preference for a conservative philosophy of government. This is reflected in your failure to have a bipartisan board of directors," he wrote.

"We have no quarrel with any organization making an objective determination of candidates and their qualifications based upon a published and public set of criteria. Nor would we quarrel with an organization rating candidates from publicly stated subjective viewpoint. It is our opinion, however, that yours is a privately conservative Republican organization masquerading in public as non-partisan and objective."

Patterson

The Republican candidate for Oakland County Prosecutor has accused his Democrat opponent of "inept, unethical and possibly criminal abuse" in his use of Oakland County's 17-member Citizen's Grand Jury.

L. Brooks Patterson, former senior trial lawyer in the county prosecutor's office, cited what he considers to be "examples of questionable conduct" spanning a 16-month period through last month which he described as "frightening and irrefutable evidence of the incumbent prosecutor's inability to conscientiously and justly represent the citizen's of this county as their top law enforcement officer."

The "examples" included charges of "issuing dummy subpoenas", false indictments, use of "star chamber tactics", issuing of "questionable John Doe warrants", and "breach of grand jury secrecy provisions", a misdemeanor punishable by one year in jail or a \$1,000 fine.

Patterson, in a news conference, said the "degree to which Mr. Plunkett used and abused the powers of the Grand Jury is an appalling example of his poor leadership and lack of experience."

Patterson also noted that the Oakland County Circuit Court last week refused to extend the Citizen's Grand Jury for six months.

"A Grand Jury is an excellent law enforcement tool," he said. "That it has not been extended is a loss to all law-abiding citizens of the county. Abuses by over-eager and under-experienced prosecutors have undoubtedly contributed to the need for a determination by the Michigan Supreme Court as to the constitutionality of the grand jury law."

Before detailing his charges, Patterson described himself as a "hard liner on crime." He said "in each of these instances I will cite, the issue is the inalienable right of the accused to due process of law and my total opposition to abuse of that right."

Patterson said that Plunkett has "demonstrated his inept, unethical and possibly criminal abuse of the power of the Oakland County Citizen's Grand Jury in the following instances:

"In a murder trial, the defendant's brother was brought to the prosecutor's office on March 21, 1972, by issuance of a grand jury subpoena even though there was no on-going grand jury investigation in progress relative to the murder. It was a dummy subpoena. The grand jury power was abused. The defendant's brother never did appear before the grand jury, but instead gave a full stenographically recorded statement in the prosecutor's office."

"In another case," Patterson charged, "the grand jury 'true bill' indicates that a single individual appeared as the only witness before the grand jury, gave testimony, and as a result the defendant went to trial in May, 1971. The fact is that the witness, although subpoenaed, never did appear before the grand jury. The indictment is a deliberate misstatement. When the true facts were brought out in the trial, the case was reduced by a plea," Patterson said.

"Conviction of another defendant was reversed in January of this year by Circuit Judge Arthur Moore who described as 'Star Chamber Proceedings' the conduct of the prosecutor's office in its use of the grand jury powers. In this case, during questioning, the defendant was denied the right of counsel, denied drinking water, denied the

privilege of leaving the room, and was made to sit down when he preferred to stand."

Patterson said another abuse of the grand jury powers occurred with the issuance on Mr. Plunkett's behalf of a John Doe indictment without the defendant being named is questionable. And it's certainly dangerous if you consider the consequences of that power in wrong or inexperienced hands."

Patterson also accused Plunkett of "deliberate disregard for the law" by commenting on "evidence and exhibits before the grand jury" in violation of the grand jury secrecy provision. Patterson said that on Aug. 1 of this year three osteopaths were indicted. On Thursday, Aug. 3, "Plunkett, in seeking publicity, detailed the grand jury proceedings to a reporter of the Oakland Press. This is against the law and punishable as a misdemeanor by a year in jail or a \$1,000 fine," Patterson said.

Propositions

Five state propositions will appear on the ballot in the November Presidential election.

The five concern Daylight Savings Time, abortion, property tax, graduated income tax, and Vietnam veterans bonuses. Each of the proposals will ask for a "yes" or "no" answer.

Here is what they ask: Proposal to change Michigan to Daylight Savings Time.

The proposed law would change Michigan to Daylight Savings Time from the last Sunday in April until the last Sunday in October of each year.

Proposal to allow abortion under certain conditions. The proposed law would allow a licensed medical or osteopathic physician to perform an abortion at the request of the patient if (1) the period of gestation has not exceeded 20 weeks, and (2) if the procedure is performed in a state hospital or other facility approved by the Department of Health.

Proposal to limit property tax for school, county and township purposes and to provide that the Legislature shall establish a state tax program for support of schools.

The proposed amendment would:

(1) Ban a property tax for general school operation purposes;

(2) Limit the property tax to allocated amounts for specified county, township and school purposes, the total not to exceed 26 mills;

(3) Require the Legislature to establish a tax program for raising and distributing funds for public elementary and secondary schools;

(4) Require the Legislature to provide for distributing supplemental funds, based on local need, for specified purposes.

Proposal to remove

NEW LAW—Governor William Milliken (left) signs into law a new statute, sponsored by Representative Marvin Stempien, a Democratic candidate for Congress, covering young adults in the home-buying market. The new law makes the same home-buying rights available to unmarried persons 18 years old and older as those formerly limited to those 21 and older, according to Stempien who watches Governor Milliken sign the legislation.

Constitutional ban against graduated income tax.

The proposed amendment would enable the Legislature to impose a flat rate or graduated state income tax and to enact laws to permit local units to levy a flat rate or graduated income tax.

Proposal to allow the state to borrow \$266 million for tuition payments and bonuses to Vietnam and other veterans.

The proposal would allow the State of Michigan to borrow \$266 million to provide veterans of the Vietnam and other conflicts with tuition payments to educational institutions or a service bonus. The state shall issue general obligation bonds of the state to secure the said amount and shall pledge the state's faith and credit of the state for the payment of principal and interest. The method of repayment shall be from the general fund of the state.

When Sreen finally announced his candidacy on the Democratic ticket in June, Sheriff Irons was quoted as reconsidering his previously announced retirement, almost pulling the rug out from under Hazen's candidacy, Sreen pointed out.

Even the Republican candidate for county prosecutor, Brooks Patterson, moved to associate himself

present himself and his views to responsible news media, he has virtually conceded the campaign," Sreen said. "He is also cheating voters of some of the information they need to make a valid choice."

"Under-sheriff Hazen could save himself and his supporters, as well as me and my supporters, a lot of unnecessary time and effort spent on fund-raising and campaign promotion, if he would simply declare himself out of the race here and now."

"I mean no personal disrespect to Leo Hazen, who has spent many years rising through the ranks in the sheriff's department," Sreen said. "But police departments everywhere today need citizen backing more than ever before. Today's sheriff needs to be willing and able to articulate the police role and inspire his men to earn that public understanding and support."

Sreen said this is not the first time actions by Hazen or Hazen's party supporters have suggested they lacked full confidence in his ability to meet the responsibilities of the sheriff's office.

Well after Hazen's candidacy was announced and endorsed by the incumbent sheriff, Frank Irons, early this year Sreen said prominent Republicans as well as Democrats came to Sreen and urged him to run for the office, the candidate said.

When Sreen finally announced his candidacy on the Democratic ticket in June, Sheriff Irons was quoted as reconsidering his previously announced retirement, almost pulling the rug out from under Hazen's candidacy, Sreen pointed out.

Even the Republican candidate for county prosecutor, Brooks Patterson, moved to associate himself

with Sreen's campaign by appearing at a Sreen fund-raising affair, Sreen said.

"In addition," Sreen said, "Hazen has steadfastly refused other invitations as well as that of the Oakland Press, to appear on speaking platforms with me when we have been invited for a joint appearance."

"This is not even a debate situation, which some candidates might reasonably decline."

"Hazen has been refusing to take his share of equal time to speak his piece when it has been offered to both of us together. If he is unwilling or unable to stand public scrutiny as a candidate, let him resign right now."

"There are too many other crucial problems up for citizen consideration to waste the voter's time with a charade in the sheriff's campaign."

Sreen

Oakland County Sheriff Candidate Johannes F. Sreen said this week his opponent had virtually conceded the race, and should end the campaign and resign his candidacy.

Sreen claimed the concession when his opponent in the November 7 election, Under-sheriff Leo Hazen, declined an invitation from the Oakland Press to appear with Sreen at its offices for a joint in-depth interview.

Hazen reportedly turned down the interview, and Sreen's office was advised of the cancellation.

"When a candidate for public office as important to the daily lives of every citizen as the sheriff refuses to

Fall's Great Time at Village

Fall starts a whole new thing at Greenfield Village and Henry Ford Museum. Since Labor Day marks the end of the height of the season, the crowds thin out a little and the Village takes on the atmosphere of a real, early American rural community while the Museum

proudly displays its treasures with regained quiet dignity.

The serenity of the Village streets is interrupted occasionally by the shrill whistle of the "Torch Lake" locomotive as it takes visitors on a two-mile trip around the perimeter of the Village. The Village and Museum are both

open seven days a week. The hours are 9 a.m. to 5 p.m. Monday through Friday and 9 to 6 on weekends and holidays.

Admission is \$2.25 for adults and \$1.00 for children 6 through 14. Children under six are admitted free.

PROPOSED NEW ISSUE

September 13, 1972

Michigan Fund TAX-EXEMPT MUNICIPAL INVESTMENT TRUST FIRST SERIES 5,000 UNITS

A Tax Free Investment Through a Diversified Portfolio of Municipal Bonds

The Fund will consist of a diversified portfolio of interest-bearing municipal bonds, the interest on which is, in the opinion of recognized bond counsel to the issuing governmental authorities, exempt from certain Michigan taxes and all Federal income tax. The bonds are obligations of the State of Michigan, counties, municipalities, authorities or political subdivisions thereof or of certain United States Territories or Possessions.

Each Unit represents a \$1,000 share in the principal amount of the bonds in the Fund and a fractional undivided interest in the income of the Fund. The offering price per Unit is equal to the aggregate offering price per Unit of the underlying bonds plus a sales charge. Accrued interest to date of delivery is added.

Copies of the Preliminary Prospectus may be obtained from the undersigned in any State where the undersigned may lawfully offer these securities.

Multi-List

For too long, condominiums have been built too much like apartments and too little like fine homes.

Now there are condominiums built like fine homes. By Nosan Building Corporation—one of the finest home builders in the area.

Each includes a basement, a fireplace, an attached garage, a private driveway, a private courtyard... even a convenient second entrance to your Condo-Home from inside the garage.

You get a kitchen pantry, a large entrance foyer, walk-in closets, a powder room, an upstairs laundry room, and a kitchen with modern appliances.

You also get central air conditioning, central heating, and sound conditioning.

You can even have a finished family room, or a second living room, or a private balcony. (Optional at extra cost.)

And you get the exclusive use of a private swimming pool and a community clubhouse with a billiards room, an exercise room, a card room, kitchen and bar facilities, and many other outstanding features.

(When you're freed from exterior maintenance, shoveling snow and taking care of a lawn, it's only fitting you have some relaxing ways to spend your leisure time.)

As you've probably guessed, our Lexington Condo Homes are not small. Indeed, many are two- and three-bedroom units with 2 1/2 baths.

But the best way to find out how grand these condominiums are is to come out and see them for yourself.

Which we invite you to do this weekend. At Eight Mile and Taft in the City of Northville.

Open daily and Sunday 11-8, Saturday 11-6. Call 522-4920 or 349-6350.

Prices start at \$35,900.

Kroger Refutes Charge

Editor's Note: Following is a statement released by N. A. Sawall, vice president of Kroger Food Stores, Detroit, in response to Cost of Living Council Director Don Rumsfelds statement charging chains with not reducing beef prices when costs went down.

"Average retail beef prices at Kroger Food Stores have been reduced during the last six weeks.

"The lower cost for beef cited by Director Rumsfeld has been reflected through the use of an intensified and accelerated program of weekly specials. Since 60-70 percent of beef sold is sold through the weekly special features, we believe this has been the quickest way to allow consumers to benefit.

To give an example, in Detroit, U.S. Choice Round Steak at Kroger was featured for three consecutive weeks at 98 cents per pound—a reduction of 61 cents per pound under regular price. This 98 cents price was in effect from August 21st through September 10th.

Another current example is U.S. Choice Center Cut Chuck Roast featured at 59 cents per pound this week. This is 29 cents per pound less than regular retail and is 4 cents per pound less than sale price of 63 cents per pound in effect four weeks ago, August 14 through 20. These examples indicate clearly our reduction of beef prices.

The figures used in the paragraph above were derived at as follows: The regular price of Center Cut Chuck Roast in Detroit is 88 cents. This week it is on special at 59 cents or a 29 cent savings for customers. This special of 59 cents is at a lower price than the 63 cents which was the special price in August or a drop of 4 cents per pound.

Further, our margins today are 20 percent lower than they were in April and considerably below the maximum allowed by the Price Commission.

2 Proposals On Ballot

Continued from Page 2-B

Tuesday deadline for filing of ballot items.

One mill equals \$1 per \$1,000 of state equalized valuation. It amounts to \$10 per year on property worth \$20,000.

If both proposals were approved, a total of nearly \$65 million would be raised over the five years. Lengthy studies of jail and Juvenile Court needs have recommended facilities estimated to cost a total of \$68,915,666.

The cost of the recommended jail facilities is estimated at \$39,598,000 and the cost of the Juvenile Court and Youth Home facilities is estimated at \$29,317,666.

Thus the jail millage proposal was expected to approximate 6-10ths of a mill (60 cents per \$1,000) and the Juvenile facilities proposal would amount to about 4-10ths of a mill 40 cents per \$1,000. The County Board of Auditors was to submit precise figures for the formal Board meeting.

The decision to separate the two proposals was made following lengthy discussion during which some commissioners maintained that a sharp reduction in the jail population has shown that a new jail is not needed.

Others argued, however, that it would be impossible to rebuild the present jail, built in 1929, in order to comply with a Circuit Court panel's orders that all state housing and jail codes be met with regard to cell space and air space per prisoner.

The jail population has been reduced from nearly 1,600 inmates to about 500 within the last two years.

Commissioners who questioned the need for new jail facilities attributed the decrease to the recent "crash program" which added 10 visiting judges to the Recorder's Court bench.

They argued the Aug. 8 voter approval of a permanent seven-judge expansion of the bench should keep the jail population down by continuing to bring prisoners to trial sooner than in the past.

Commissioner Albert J. Zak, D-Hamtramck, who proposed that two separate proposals be placed on the ballot, argued that a combined proposal would risk defeat of both if a majority of voters were opposed to one.

First Federal Savings **NEWS**

First Federal Savings News —

SEPTEMBER, 1972

First Federal Savings Opens Ridgewood Plaza Shopping Center In Brighton

The Brighton branch of First Federal Savings and Loan Association of Livingston county will move from its present location at 222 West Grand River into permanent, more spacious quarters in a modern attractive new building in the Ridgewood Plaza Shopping Center, 9880 East Grand River, in September, announced Wilbur P. Vermeulen, First Federal's executive vice-president and treasurer.

This move, approved by the Federal Home Loan Bank Board of Indianapolis, Ind., gives First Federal the distinction of being the first occupant in the Plaza. A formal opening will take place on September 20, with gifts for First Federal's customers and friends.

"The Brighton office's move to the Ridgewood Plaza was instituted with one plan in mind—to better serve the public," said Vermeulen. "The enlarged facilities and personnel, ample free parking space, and the drive-up window that enables you to make your deposits or mortgage payments from the comfort of your car are advantages that our regular customers will immediately appreciate. And among the many other services provided are safety deposit boxes, the sale of travelers checks, money orders and U.S. Savings Bonds and the collection of utility bills.

"Every time we open a new branch, or institute a new service or improve our existing facilities and services, we further the opportunity for family security and community growth,"

Vermeulen continued. "And with more and more people demanding more of our specialized thrift and home financing services, we feel we have a major role in community development and it is a privilege to exercise that responsibility to community, business and individual customer needs."

Livingston county's largest financial institution is proud of its tremendous success, now rated near the top in growth in the nation. Starting in November of 1957, with assets of a quarter million dollars, First Federal has grown in 15 years to assets of more than 43 million. And through the years, First Federal has paid higher-than-average interest rates to their depositors. Millions of dollars have been earned by many thrifty people.

Officers and Staff of First Federal

Wilbur P. Vermeulen, Executive Vice President

It is our hope that by reading this special issue of the First Federal News, you will get better acquainted with the First Federal Savings and Loan Association of Livingston County—our many services and our helpful staff.

One of America's strengths has been its capacity and inclination to save. Another has been an enterprising spirit that invests in new and better ways to do things, whether mining materials or making automobiles. We at First Federal are proud to be a part of this great American characteristic and recognize the value of adapting new marketing concepts, ideas and programs in order to maintain the highest customer service to everyone at all times in our offices.

To all our friends and members, it is my hope that we can walk the path of business life together for many years in a relationship which is rewarding to all. We cordially invite you to visit any of our offices located throughout the Livingston County area.

Wilbur P. Vermeulen
Executive Vice President and Treasurer

CHARLES TRIM

Vice President and Secretary

Charles Trim has 16 years experience in the savings and loan field. He was with American Savings in Detroit before joining First Federal in 1965, as manager of the savings department. In 1967 Trim was named manager of the Brighton office, and in 1968 he assumed the duties of chief mortgage officer. He was later promoted to vice president.

BERNIECE HOUCHEN *Assistant Secretary*

WALKER AARON *Assistant Vice President*

Walker Aaron started with First Federal in 1968 and was soon managing the South Lyon office. In 1970 he was transferred into the Howell main office, where he works directly with Charles Trim in the mortgage department. Aaron was recently promoted to assistant vice president.

Mrs. Houchen started with First Federal in November, 1968. She was previously connected with the Quarter-Master Depot in Kansas City as supervisor in transportation. In 1967 she was store manager of Brown's Togs in Louisburg, Kansas.

In January, 1971 Mrs. Houchen was appointed an officer of the First Federal Savings and Loan Association, with the title of Assistant Secretary. She is also presently Supervisor in the Mortgage Department.

TOM LONGEWAY *Administrative Assistant*

Tom Longeway is involved with administrative duties in First Federal's Howell office. He came to First Federal in December of 1971, after receiving a bachelors degree in economics from Central Michigan University in June of 1970.

Best Wishes to . . .

DENNIS BERNEST
Manager, Brighton

Dennis Bernest, First Federal's administrative coordinator, has assumed the managership of the new Brighton office. With a bachelors degree in economics from the University of Michigan and a background in the educational field, Bernest has worked in the Howell office of First Federal since Sept. 1970. He now welcomes the opportunity to make new friends among our many accounts in the Brighton area.

CAROL HEARD
Teller

MARY YOUNG
Teller

PATRICIA WOODRING
Head Teller

MRS. CAROLYN AARON
Assistant Manager, Brighton

Mrs. Carolyn Aaron began her career with First Federal Savings and Loan five years ago in Howell. Mrs. Aaron was soon after transferred to the Brighton office where she has progressed to her present position as Assistant Branch Manager.

The friendly service everyone has enjoyed at First Federal Savings and Loan in Brighton, will now be fully accented by the new office facilities managed through Mrs. Aarons' experience and other staff members.

When Buying A Home

A home is the most important investment that a family will make in a lifetime. As that's where members of the family spend most of their time together, it must be compatible with their living style. And it means different things to different members of the family. . . it is a man's castle, a woman's domain and a child's world. Because of this, buying a home should not be a sudden, snap decision. It is unlikely that all the desires of a family can be met by any particular home, but the lack of only a few important factors could make your purchase a long-term regret. Be sure to investigate thoroughly before you buy!

First, decide how much you can afford to spend on a home and how to finance it most economically (check out several lending institutions and compare their terms). While most families budget 20 percent to 30 percent of their income for housing (including taxes, insurance and upkeep), a handy rule of thumb is to plan on spending about 2½ times your annual income. No two families are alike, of course, but you should take into account such things as: your annual income and job stability, amount of savings, the anticipated needs of a growing family, personal habits and desires (travel, etc.) and do-it-yourself ability.

Next, take time to investigate the neighborhood in which you would like to live. Drive through it often, at different times of the day and evening, during the week and on weekends. If possible, talk to residents and find out what they think about

the neighborhood.

You might keep a checklist of the homes you go through, rating each on these points: price, location, accessibility, services, size of home and construction. Then, using the checklist you have carefully compiled, sit down and objectively compare one home against the other. The following might serve as a guide for you:

Location

- Is the lot large enough?
- Is the lot graded to insure proper water drainage?
- Will the view from the house remain unobstructed?
- Will traffic be a hazard, in case of children?
- Are homes in the area well kept?

Familiar Faces You Know At Pinckney and South Lyon

RON CURRY

Manager, Pinckney and South Lyon

Ronald Curry started his career as credit manager for a department store. He worked for Ann Arbor Bank for 3½ years as collection supervisor and worked in industry for a computer time sharing company as their accounts receivable manager. Ron started with First Federal Savings in October, 1970 in the collection department, and was transferred to South Lyon as branch manager in March of 1972. He was made manager of the Pinckney office in January, 1972.

Ron attended American Institute of Banking. He lives with his wife Sally at Portage Lake. His hobbies include hunting, fishing, camping and golf.

ALETHA SHIREY
Head Teller, Pinckney

Aletha Shirey has lived in Pinckney most of her life and is the former owner and operator of the Alta Mae Beauty Salon. She is a graduate of Hillman High School and the Alexandra School of Cosmetology. Aletha joined First Federal in October of 1971 after 6½ years experience with Ann Arbor Federal Savings as a teller and in the new accounts and safety deposit departments.

MARGE BLEVINS

Head Teller and Assistant to Manager, South Lyon

Marge, her husband Gilbert, and son, Jerry live in South Lyon. Jerry is a student at Washtenaw Community College. Their daughter, Connie is married and also resides in South Lyon.

Marge has been with First Federal for the past four years. Previous to joining First Federal she was employed by K-Mart Foods in Ann Arbor. Marge was born in Cadillac, Michigan and graduated from high school there. She and her husband enjoy returning to Cadillac for weekends and holidays to stay at their cottage.

Livingston County's Newest Shopping Plaza

Beautiful, Exciting Ridgewood Plaza

First Federal Savings wishes to compliment the Mason Company for their foresight and know-how in planning and developing the excellent project now known as Ridgewood Plaza. Though still in its early stages, the entire scope of the project may clearly be envisioned in the proposed architect drawings.

The total plaza will encompass a full mall-type shopping center, with stores leased to prestige firms handling nationally-known products and services. The Mason Company's plans also call for beautifully landscaped apartments, adjacent to the mall, which will house as many as 300 families. This total-living concept is new, in that people residing here will have the opportunity of shopping, so to speak, from their doorsteps.

In connection with the First Federal Officentre, space is available for such types of businesses as realtors, doctors, dentists, architects, lawyers, accountants, and many others. These business services will be an added benefit to the apartment dwellers, as well as to neighboring residents. Many shoppers in our fast growing area will welcome this type of a much-needed retail, medical and financial complex where so many needs can be conveniently met.

continued from page 4

Accessibility

- Are schools and playgrounds located nearby?
- Is a church of your denomination near?
- It is a reasonable distance to your place of employment?
- Is public transportation available? Cab service?
- Are shops and stores located conveniently?
- Are adequate health services near?

Services

- What are the taxes?
- Are special assessments anticipated?
- Are streets paved? Will they be maintained?
- Is there an adequate sewage and storm drain system?
- How is fire and police protection provided?
- Is there trash and garbage collection service?

Size of Home

- Is there enough overall space for your family?
- Are there enough bathrooms and bedrooms?
- Is there enough closet and storage space?
- Can future additions be made?

Construction

- Is the foundation dry and free of cracks?
- Is home insulated?
- Is the heating system adequate?
- Do windows and doors fit neatly and tightly?
- Is the roof free from leaks?
- Will the hot water system meet peak hour demands?
- Is the wiring designed to meet household needs, present and anticipated?
- Are storms and screens provided?
- Will the exterior finish lend itself to easy maintenance?

When you are ready to buy the home, the services of an attorney sometimes may be advantageous. You must have the down payment and mortgage to equal the price of the home. The lender (financial institution) will specify a certain percentage of the price of the home as the down payment. You will also need money for preliminary and closing costs, such as appraisal fees, credit report, title search, survey (for exact boundaries), pro-rated insurance and taxes, etc. It is sometimes advantageous to have an attorney check the deed, as well as all restrictions and assessments, and it is advisable to have him present at the closing, when all papers are signed.

If you have any questions about buying a home, feel free to stop by First Federal Savings. We'll be glad to see you and to help you. After all, helping people buy homes is a big part of our business. . . the most important part of our business.

RAY KLEEHAMMER

Public Relations Director

Ray Kleehammer joined First Federal in 1968, as public relations director. Before moving to Howell in 1966, he was president of Ray-Craft Manufacturing Company in Detroit. Kleehammer stated that he has made many fine friends in his present position, and wishes to take this opportunity to thank everyone for their confidence in becoming First Federal customers.

HELEN D. SKATES

Savings Supervisor

Mrs. Skates worked at J. L. Hudson Co., in the cash office for five years. Previous to her employment at First Federal, she was with Ann Arbor Federal Savings. In 1971 she started in our Pinckney Office. She resides in Pinckney and is married and has three children.

LINDA BURKE

Bookkeeping Supervisor

Linda Burke moved from Southfield to Howell in her junior year in high school and graduated from Howell High in 1967. She is married to Robert Burke.

Before coming to First Federal, Mrs. Burke was employed at Matthews Pharmacy and started working at First Federal in December of 1968 as a teller. She later became assistant and head bookkeeper and was recently promoted to her present position as Supervisor of Bookkeeping.

Keeping Pace With Savings and Mortgage Demand

First Federal has been very responsive to maintain the highest interest rates paid on savings accounts while meeting the great demand for mortgages in the area.

In the Livingston County area our savings account customers can be sure that the highest savings rates will be maintained and that we will always keep in pace with the financial giants in this very competitive field.

The demand for mortgage money has been tremendous in the fast growing area in which we live. To the good of the entire community First Federal has met this demand. At times we have been hard pressed to meet this demand, but thanks to one of the many services available to us through the Indianapolis Home Loan Bank our needs in the area are satisfied. The record shows how well we have progressed in meeting the needs of home builders.

Would You Believe

That you can **SAVE** a fixed amount each month for 15 years, **SPEND** the same amount each month for the next 15 years, and still have **MORE MONEY LEFT** than you saved? You can...at First Federal Savings and Loan Association of Livingston County.

This is the plan: Decide how much you'll save each month and put that amount aside monthly before you start spending. For the next 15 years, spend as much each month as you saved monthly for the first 15 years...and you will still have more money in your account than you deposited during the 15-year period! That's the magic of daily interest compounded quarterly, and the secret of the plan. Though you are withdrawing each year, your savings have built up to sizeable proportions and continue to earn substantially for you, year after year.

NOW IS THE TIME to look ahead to the future. Though none of us can predict what will happen 15 years from now, most of us set future goals for ourselves. And if you start your own sensible "15-Year Savings Plan" at once, you're headed in the right direction. But don't put this off! Time is the all-important ingredient in this practical savings plan. Time is literally money to you. Delay is costly.

Why not come in to First Federal right now and let us help you get started on this practical, workable savings plan?

What Daily Interest Means To You...

DAILY INTEREST simply means that you will never lose a single day's interest, regardless of when you deposit or withdraw your savings at First Federal. You'll wake up every day a little richer!

The deposit you make today begins to earn daily interest immediately...not at the start of a yearly quarter. It continues to earn high interest until the day you withdraw.

Daily interest is particularly good for the "payday saver," as well as for individuals, organizations and businesses with short-term funds. Money not needed at a given time can earn daily interest for a few days, weeks or months. Yet it is available without notice, and without the loss of a single day's interest, when you want the money for any purpose.

Doesn't this prove that daily interest is another excellent reason to save at First Federal Savings?

Question:

What is The Difference between the FSLIC And The FDIC?

Answer: Essentially none. They are both government agencies that function in the same capacity—that of insuring savers' funds in financial institutions. The Federal Savings and Loan Insurance Corporation (FSLIC) was set up after the stock market crash of 1929, and the ensuing Depression. It gave individuals the confidence to place their savings with institutions whose primary concern was the financing of residential real estate. The resulting activity in the real estate market was an important factor in the nation's recovery from the depression. Over 75 percent of all associations are members of the FSLIC, and these Associations hold over 96 percent of the total assets of the Savings Association business.

New Plastic Bag

We like doing thoughtful little things for our customers. That's why we're the first Savings and Loan in Michigan to start using resealable plastic envelopes at our drive-in windows. They protect your transactions from wind, rain or snow, let you see your money, and the zipper top holds your coins securely in, but at the same time will allow you to remove them with ease.

Like thousands of people across the country we feel you will find them very useful for many other purposes, besides making drive-in deposits, such as: holding lipsticks, pencils, tobacco, sunglasses, wet paint brushes and a thousand other things. We hope they will help you to enjoy saving with us just a little bit more. Yes, "where you save, does make a difference."
