**ART AUCTION** will be held tonight (Thursday) in the First Presbyterian Church on Main Street. Sponsored by the International Club and foreign language classes at Northville High, the auction preview begins at 7:30 p.m. with the auction starting at 8:30 p.m. Included will be original works of well-known artists, with prices ranging from \$5 to \$500. Tickets will be on sale at the door and proceeds from the evening will be used for student travel to foreign countries.

**CORNERSTONE LAYING** ceremony at the new Drawbridge Restaurant has been scheduled for March 16. Opening of the restaurant isn't expected until later. The facility is located at the southwest corner of Dunlap and Center streets.

A **LIMITED** supply of the New Michigan Highway maps have been made available to The Record for distribution to readers. Persons may pick them up (they're free) at the newspaper office, corner of Main and Center streets.

## In Northville Township

# Quota Exceeded for Annexation Vote

An election on the Northville annexation question appears a certainty—at least in the township—with the announcement Tuesday by the Committee for Referendum Election that far more than the required number of signatures have

been obtained to force the issue to an election. "Today, after only two weeks of circulating petitions, we have obtained signatures from more than 50-percent of the registered (township) voters—approximately 2,300 signatures," Committee co-

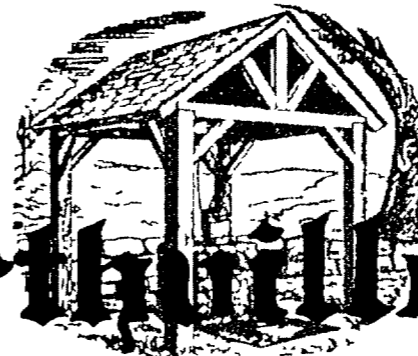

chairmen Mark Lysinger and Robert Adams disclosed. Meanwhile, Sidney Frid, one of the persons circulating petitions for an election in the city, indicates that "approximately 500" of the necessary 770 signatures have been obtained to place the

annexation question on a city ballot. Under the law, petitions must contain signatures of 25-percent of the registered voters. In the township that means petitions needed the signatures of approximately 1,100—and according to

Lysinger and Adams that figure has been exceeded by more than 1,000. While he admitted that gathering the necessary signatures in the city "is hard," Frid nevertheless remains confident the goal of 900 will be reached.

Registered city residents wishing to sign a petition may call Sidney Frid at 349-1272 or Norman Frid at 349-1959. Deadline for submission of petitions to the State Boundary Commission is

## Board Reverses Decision

Construction of an elementary school in Northville Commons was placed back on the drawing board Monday night by Northville school board members.

In action reversing the board's decision of two weeks ago, trustees voted 6-1 to build two 500-student capacity elementary schools, one in Northville Commons and one in Highland Lakes.

Both are slated to be placed before voters in June as part of a \$10-million bond issue which also includes construction of a 1,000 student middle school on Bradner Road.

Casting the dissenting vote was Trustee Glenn Deibert who argued that the board should be building a high school first, since that is the school which will be needed first. (See related story on this page.)

Two weeks ago, trustees voted to construct only one elementary school. That school was to be built in Highland Lakes for 750 students.

The board received letters from about 10 residents of Northville Commons, area protesting that decision and about 20 residents of both the Commons and Highland Lakes attended Monday's meeting. None of them spoke on the matter.

Trustee Stanley Johnston, chairman of the board's physical facilities committee, explained that building two 500-capacity elementary schools "would be the most feasible direction to go because of saving the cost of busing children and added construction costs in future years."

Trustee Martin Rinehart

**ASSESSMENT REVIEW**—Some 160 property owners from the Wayne and Oakland county sections of Northville turned out last week to hear explanation from county assessors about their assessments.

Above, Mr. and Mrs. Jack E. Koontz of Randolph Street go over their assessment with Wayne County Assessor John Magoulick (left) and City Manager Frank Ollendorff.

## 160 Protest Assessments

Approximately 160 persons turned out last week to question their recently increased city assessments, according to City Manager Frank Ollendorff.

Of these some 120 were from the Wayne County section of the city, with the remainder from the Oakland County section.

"Quite a few obvious errors" in assessments for the Wayne section were discovered by county assessors, he said, and probably will be corrected prior to the March 13 Board of Review hearing. Fewer errors were found in Oakland County.

Assessment books are open for inspection, said Ollendorff in urging residents to call him if they have any questions

## Capacity Nearing

Present capacity of Northville High is 1,404 students

In September, high school enrollment is expected to reach 1,459.

These two points, along with the fact that the least need for new classrooms falls at the elementary school level, were strongly emphasized by Northville school board member Glenn Deibert Monday night.

Deibert voted against construction of two new 500-student elementary schools in Northville Commons and Highland Lakes. (See related story this page.)

"Figures reflect the first school to be filled will be the high school in the 1974-75 school year," Deibert said.

## At Economic Developers Trustee Levels 'Conflict' Charge

Charging that membership in the Northville Area Economic Development Committee might constitute a "conflict of interest", Township Trustee Richard Mitchell called for a detailed review of the committee's function Monday night.

The question arose after the board had received a request from the city-township-school district sponsored organization to make new appointments. Ex-Supervisor Gunnar Stromberg had been the township board's representative on the body, while Robert Bogart, past president of the Northville

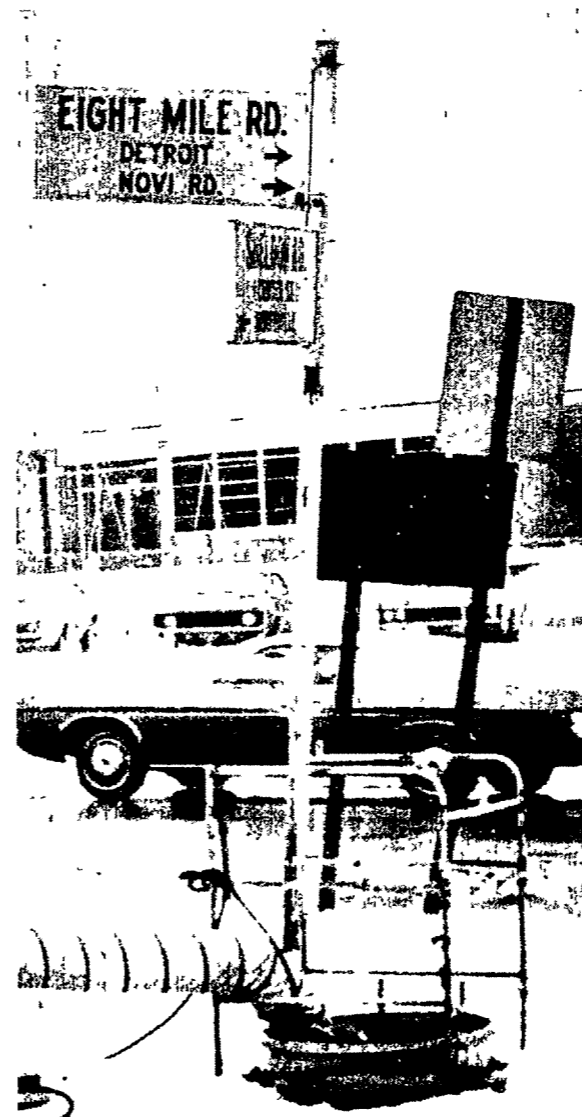

Area Economic Development Committee, represented the township's planning commission. Both had moved from the community.

Other members disagreed with Mitchell that any conflict could exist with membership on the non-profit, area organization. But they agreed to delay a decision pending clarification by Supervisor Lawrence Wright of the committee's function.

(See Speaking for The Record, Page 10-A).

Following discussion of a building code ordinance, the

**EVER WONDER** what they do down in those holes you've seen along the roadside? Record reporter wondered, too, and made a trip down to inspect. See story elsewhere on this page.

## Approve Site Plans

Two site plans were approved and a special meeting was set on an ordinance amendment to permit variances in height for churches in residential areas. Action was taken Tuesday night by Northville Township planners.

Site plans receiving approval included Northrup Funeral Home at Seven Mile and Northville Road and Multicon Development Company on the north side of Six Mile Road near Winchester Road.

Planners set a special meeting for 7:30 p.m. Monday, March 5, on a proposed ordinance

amendment to permit height variances for churches in residential areas.

Present ordinance requirements limit height to 25 feet in residential areas, with no provisions for variance.

The proposed amendment is expected to grant variances when side yards are made larger to compensate for the additional height.

The matter was brought up when a site plan was submitted by Revival Tabernacle for construction of a church on Six Mile Road adjacent to the eastern edge

## Underground Curiosity

# What's Doing Down There?

By JACK W. HOFFMAN

"It's one of the hazards of the job," laughed Earl Spencer when telling about the time some jerk pitched a peanut butter sandwich "right into the middle of my splice."

He laughed but for him and others like him sidewalk superintendents and pranksters are migraine headache carriers.

Earl and his sidekick Bill Mitchell are called "splicers"...and one or two

other monikers by those wisecracks who like knuckle sandwiches. They work for Ma Bell, mending and installing thousands of spaghetti-like telephone wires buried beneath the ground.

For the past couple of weeks they've been working down in a hole at the southwest corner of Center and Eight Mile Roads—loaned here to the Northville-Plymouth district from Farmington during a slack period.

"Whatcha doing down there?" a curious reporter

shouted down the hole the other day.

"Whatcha doing up there?" came back the echo. "We're working, whatcha think we're doing?"

Whereupon Earl and Bill invited him down for a closer look and a few words.

Crawling down a telephone manhole for the first time is like climbing up a telephone pole for the first time; it's further down than up.

Once at the bottom it isn't the best place in the world for wingtips. The floor's covered

with a couple inches of water and the men stand on wooden racks to keep dry.

Inside is about the size of an overcrowded bathroom. But instead of wet nylon draped over the shower rod, the splicers have a tarp draped between themselves and the entrance hole.

"It's for protection," explained Bill. "You can't believe some of the stuff they toss down on us. Right now it's mostly snowballs, and what

# World Day of Prayer Set Friday

Local World Day of Prayer services, co-sponsored by four area churches, will begin with coffee and group discussions at 9:30 a.m. this Friday, March 2, at the First Presbyterian Church of Northville.

Participating in the service will be women from Northville and Novi United Methodist churches, Our Lady of Victory Catholic Church and the host church. They will be joining Christian women in 168 countries in services with the theme, "Alert in Our Time."

Chairman Mrs. Donald Willoughby of the Presbyterian church calls attention to the new time and encourages all women of the area to attend the annual prayer service. If possible, she asks that women arrive at 9:30 a.m. to participate in group meetings. Four groups will discuss specific needs to pray for at the 10 a.m. service.

Group leaders will be Mrs. Frank Kastner, Mrs. Les Clark, Mrs. Donald Williams and Mrs. Richard Henderson, Mrs. Les Clark, Mrs. Donald Williams and Mrs. Richard Henderson, wife of the new assistant pastor at the Presbyterian church.

A nursery will be provided with eight teenagers from Our Lady of Victory school offering their services.

Representatives of the four participating churches who are in charge of service arrangements are Mrs. Jess Hull, Novi United Methodist; Mrs. Richard Alspaugh, Our Lady of Victory; and Mrs. Wilson Funk, Northville United Methodist. Mrs. Kenneth Parsons and Mrs. Von Boll of the host church are in charge of the social arrangements and the meditation, respectively.

Also assisting with advisory planning are Mrs. Leon Blackburn and Mrs. Paul Beard of Novi and Northville

Methodist Churches. Mrs. Warren Stoddard is in charge of reception arrangements.

An unusual feature of the service will be an interpretative dance by Mrs. Douglas Smith depicting the theme, "The Needs of Our Time."

Mrs. John MacDonald is in charge of music arrangements. There will be a combined choir of women from the participating

churches. Mrs. Carl Pretty is to sing a solo, "O Divine Redeemer." Instruments are to be used in other selections.

Mrs. Thomas Curl is to give the greeting. Taking the offering will be Mrs. Donald Hiller, Mrs. Robert Kennedy, Mrs. James Armstrong and Mrs. Curl.

The 1973 offering received from about 8,000 communities across the nation will be administered through Church Women United. Through this

year's gifts the organization hopes to enable women to fulfill goals in many places around the world. The list includes "new projects to strengthen the voice of American Indians and to offer training in significant skills" completion of a five-year project of 100 titles of children's books published in five languages to celebrate the 60th anniversary of the Committee on Christian Literature for Women and

Children; a new program in the Caribbean to assist women to discover and develop their potentialities; and providing fellowship and service for international students and guests in the U.S. and a pastoral ministry among Americans working abroad.

The service for 1973 was composed by members of the Women's Committee of the National Council of Churches of New Zealand.

**WORLD DAY OF PRAYER PLANNERS**—Mrs. Donald Willoughby, standing, chairman for the 1973 World Day of Prayer services at 9:30 a.m. this Friday at Northville First Presbyterian Church, discusses the theme, "Alert in Our Time" with representatives of

participating churches, Mrs. Leon Blackburn, Novi United Methodist Church; Mrs. Wilson Funk, Northville United Methodist; and Mrs. Richard Alspaugh, Our Lady of Victory Catholic Church. All women of the area are invited to attend.

## In Our Town

By JEANDAY

**ACCOMPLISHED NEEDLE-WOMEN** abound in our town. To coffees, club gatherings, public meetings women have been toting their knitting bags for some time. Many now are branching out to tackle crochet, bargello, needlepoint, macrame and crewel embroidery.

Results are seen in sweaters (Mrs. James Tellam, Mrs. Albert Myers are long-time knitters), purses (Mrs. Glenn Deibert, Mrs. Harold Wright make macrame ones) and in home accessories.

Some women say they keep their fingers busy to relax. Mrs. R. F. Coolman and Mrs. E. M. Starkweather both have made afghans more than once for raffles to benefit local good causes. Others, like Mrs. W. H. Cansfield, knit for their church bazaars. Many are doing needlework to achieve individual decorations for their home. Mrs. Leonard Klein, who has worked needlepoint seats for her dining room chairs, piano and organ benches, says she accomplishes much while watching the morning "Today" show. Mrs. Elroy Ellison has crewel and needlepoint pillows.

**EXAMPLES OF NEEDLEWORK** done by area women will be on display this Friday at the Northville Woman's Club program at 1:30 p.m. at Northville First Presbyterian Church. Members have been requested to bring their own work to complement the program, "Hook, Yarn and Needle."

Speaker of the day will be Jean Schurch, a needlework teacher in the Schoolcraft College community services program and owner of Stitch 'n' Tyme, a new needlework shop in oldtown Plymouth specializing in crewel and needlepoint. She will talk about and demonstrate needlepoint, crewel and the newly popular "bargello" stitch—which she terms the "in" needlework among society stitchers right now. Bargello, she says, "goes fast as each stitch covers four rows of background." In contrast to other work, bargello, she adds, is worked from the center of the design outward.

Mrs. Schurch lives in Livonia with her husband, Richard, and two sons. Her present class of 16 women at Schoolcraft marks the fourth semester she has taught there. In class and in her shop at 643 North Mill Street she teaches crewel stitches by having needleworkers make a pillow. While kits are good for a beginner, she says, it is possible for women to create their own patterns for one-of-a-kind work. Mrs. Schurch previously has spoken to area Quester groups as needlework is a popular accessory for antiques.

Mrs. Schurch originally did her own needlework between modeling assignments. She still does some modeling but says she is concentrating on her new career as there are fewer luncheon fashion shows (such as those at J. L. Hudson Company where she modeled) today. She will be introduced by Mrs. Orin Hove of the club program committee.

Displays of members' needlework are being arranged by Mrs. William Crump, program chairman, and Mrs. I. M. McLeod of the house committee. Mrs. Martin Rinehart, who says she particularly likes crewel, will bring some of the yarn pictures she has worked for her home. Other exhibitors will be Mrs. John Starcevic, Mrs. John Stuart and Mrs. Marcella Douglas.

Included among the pieces being brought by Mrs. Douglas will be a prayer stand with steps covered with pink needlepoint worked with a floral pattern of little violets.

If the needlepoint piece someone is working on in the beauty shop looks too

small to be a pillow, chances are it's a doorstop. Worked in patterns of everything from frogs to flowers and toadstools, this is probably the most popular piece being done. The needlepoint then is used to cover a brick. Among those who recently completed such doorstops are Mrs. Gordon Forrer, Mrs. Wright and Mrs. Klein—they report the most difficult part is covering the brick with the finished work. (The bricks might even be a sentimental bit of demolition from the old Presbyterian church or another local building.)

**THREE AREA ANTIQUE** dealers will be among dealers from Michigan and 12 other states displaying their wares at the sixth annual Ann Arbor Antique Fair sponsored by Good Samaritans of Catholic Social Services of Washtenaw County this Friday through Sunday (March 2-4) from 11 a.m. until 9 p.m. the first two days and until 5 p.m. Sunday. Forty dealers will have booths in the Twining Aviation Building at Ann Arbor Municipal Airport at exit 177 off the I-94.

This year's honorary show chairmen are Don Canham, athletic director at University of Michigan, and Mrs. Canham. Producers of the show are Fred and Margaret Brusher. Northville Town Hall ticket holders will recall that Fred Brusher introduced antiques expert George Michael at the last Town Hall program.

The Brushers stress that show visitors are especially invited to talk with the dealers to learn more about their items. Special antiques being saved for the show, they itemize, are a French fashion doll, side-wheeler and clipper ship models, Hitchcock settle bed, early Bennington, William and Mary highboy with trumpet and ball leg—and a Cloisonne cigarette serving set formerly belonging to a member of the Ford family.

Local shops with booths at the show are Mel Anderson, The Clock Man, The Barn Door on Main Street, and The Patriot Shop in Novi. Barn Door owner Eleanor Lowell whose shop is one of the oldest in Northville is recently back from a winter vacation in California.

For those who might wonder if they "do better" price-wise by going directly to the dealer's shop, Eleanor Lowell says "no." Reputable dealers, she explains, do not change price tags for shows but consider the cost of the show advertising. Besides, she adds, who has time to change price tags when fragile antiques have to be packed carefully, loaded into vans to be taken to the show location and there unloaded and displayed?

**"SCHOOL FOR SCANDAL"** is coming to Plymouth this Friday evening. The 18th century comedy which has been called "a theatrical romp for accomplished actors" will be done by the City Center Acting Company, a New York repertory company composed of graduates of Juilliard Drama School. It will be at 8 p.m. at the Plymouth-Salem High auditorium.

This is the same production by the same company as appeared in February at the Power Center in Ann Arbor—but it's a bargain in Plymouth as the tickets at \$3 are less than half the Ann Arbor price.

In addition ticket purchasers are supporting area performing arts. Ticket sales will pay for workshops to be given by the touring company for drama students in high school and at Schoolcraft and for adult theatre guild members. The Plymouth Community Arts Council, sponsor of the major undertaking, points out that the company has received rave notices in New York and Boston.

The New York Times said that "it was in many respects a better performance than being currently given by Britain's National Theater."

### Town Hall Series

## Cancer Topic of Lecture

When the Northville Town Hall meets on Thursday, March 8, lecture and luncheon goers will have an opportunity to see and hear Dr. H. Marvin Pollard, one of the nation's foremost internal medicine specialists talk about "Areas of Progress in Cancer."

The day's events will also have a local touch, as Dr. Pollard will be introduced at the lecture by his son, James Van Buren of Northville. The talk is scheduled to begin at 11 a.m. in the Northville High School Auditorium.

Dr. Pollard, the third speaker in Northville Town Hall's 12th season, is now a professor at the University of Michigan medical school and head of the medical school gastroenterology section.

In 1970, Dr. Pollard was installed as the President of the American Cancer Society. He was invited to the White House in 1972 to be at President Nixon's side when he signed the National Cancer

Act which increased the national allotment for cancer research in the country.

The author of over 100 articles on subjects in internal medicine and gastroenterology, Dr. Pollard has also served as the president of the American College of Physicians and Surgeons.

According to Town Hall Ticket Chairman Mrs. Donald DiComo, there are still some tickets available for the lecture and the luncheon. Lecture tickets are \$5 each and anyone interested in purchasing a ticket can call Mrs. DiComo at 349-7727.

The luncheon will be held at the Farmington Holiday Inn

after the lecture and tickets, at \$4 each, can be reserved from Chairman Mrs. Richard Booms at 349-0170.

Patrons are reminded that the lecture and luncheon tickets are to be paid for with separate checks made payable to the respective chairman.

The theater hostesses next Thursday will include Mrs. Stanley Sonk, Mrs. Kent Mathes, Mrs. Kenneth Shelly, Mrs. Ted R. Kampf, Jr. and Mrs. Joseph Kluesner.

Hostesses for the luncheon will be Mrs. Robert Lupini, Mrs. Frank Korte, Mrs. Arthur Polarchio, Mrs. Donald DiComo and Mrs. Richard Kelly.

## Nursery Plans for Fall

The Novi Co-operative Nursery is now taking applications for three sessions which will begin in the Fall of this year. To be eligible to attend the sessions, a child must be three years of age by September 1, 1973.

According to Membership Chairman Mrs. Harold Arnon, the nursery has three sessions for which parents may apply.

Morning nursery classes will be held on Monday, Wednesday and Friday as well as on Tuesday and

Thursday. Afternoon sessions are to be held on Monday, Wednesday and Friday.

The cost for a three day session is \$14 and two day sessions are \$10 a year.

Presently, the Novi Co-operative Nursery is being held at Village Oaks Elementary School. The teacher is Mrs. Richard Norton.

Anyone wishing further information or an application should contact Mrs. Arnon at 349-5326

AAUW Production

# Snow White Comes to Life

Seven, fat, bearded little men, a beautiful, ebony-haired princess, and a haughty, evil queen will all be waiting to meet and delight hundreds of Northville area youngsters when the Plymouth branch of the American Association of University Women presents its 13th annual children's play, "Snow White and the Seven Dwarfs".

The two-act production, staged entirely by AAUW members, will be presented Saturday, March 10 in the Northville High School Auditorium at 10 a.m. and 1 p.m.

In keeping with a long-standing tradition of AAUW children's theatre, the young people of the audience will be able to meet and talk with their favorite characters after each performance.

The play's director, Mrs. Wm. A. Fisher, feels this year's cast has added insights into the likes and dislikes of their young audience because, for the first time in recent years, three children will be featured in acting roles.

The youngsters, all children of AAUW members, have made a number of valuable suggestions, Mrs. Fisher said, which adults might have easily overlooked.

Dan Fisher and Michael Van Hine will alternate in appearing as page to the prince and Judy Davis will play the witch's cat, "Long Tail".

"Snow White" will be played by Miss Joyce Reefer, with Mrs. Robert Dwyer appearing as the Queen and Mrs. Gary Mirto as the Prince. Mrs. David Cunningham, Mrs. Fred Andres, Mrs. Jurrien Winter, Mrs. Richard Willing, Mrs. Joseph Uhl, Mrs. Michael Girard and Mrs. Michael Malmer will portray the seven dwarfs.

Other cast members include: Mrs. Juergen Badendieck, Mrs. Sanford Burr, Mrs. John Anderson, Mrs. Donald Edwards, Mrs. Richard Bochy, Mrs. Lewis Allison, Mrs. Richard Panko, Mrs. Hugh Battley, Mrs. Wm. A. Riley, Mrs. Arthur Domalske, and Mrs. E. W. Fleming.

Tickets, priced at 60 cents each, will be available through the Northville and Novi public and parochial elementary schools today and Friday, March 1 and 2 or at Del's Shoe Store, 153 East Main Street, during regular store hours. Telephone sales will be handled by Northville ticket chairman, Mrs. David Olgren, at 349-6432.

Because AAUW children's plays have been so well received in the past, Mrs. Olgren advises parents to purchase tickets early to avoid disappointment. Four highly-successful performances of the play, staged last weekend in Plymouth, were sold out within three days after announced ticket sales began. "Snow White" is being directed by Mrs. Fisher, assisted by Mrs. Glenn Davis as stage manager and Mrs. B. W. Secord as business manager.

Other chairmen include: Mrs. Clifford McOlmphay, house manager; Mrs. Alan Wakenhut, publicity; Mrs. Donald Phillippi, posters; Mrs. Wm. Gratsch, Mrs. Richard Kirchgatter, and Mrs. J. Harris, luncheon.

Mrs. Joseph Heaven is in charge of set design, Mrs. Arthur Silletti, set construction; Mrs. John M. Harper, costumes; Mrs. Frank Belobraidich, music; Mrs. Robert Krause, props; Mrs. David Van Hine, sound; Mrs. Phillip Settles, lighting; and Mrs. E. W. Fleming, prompter.

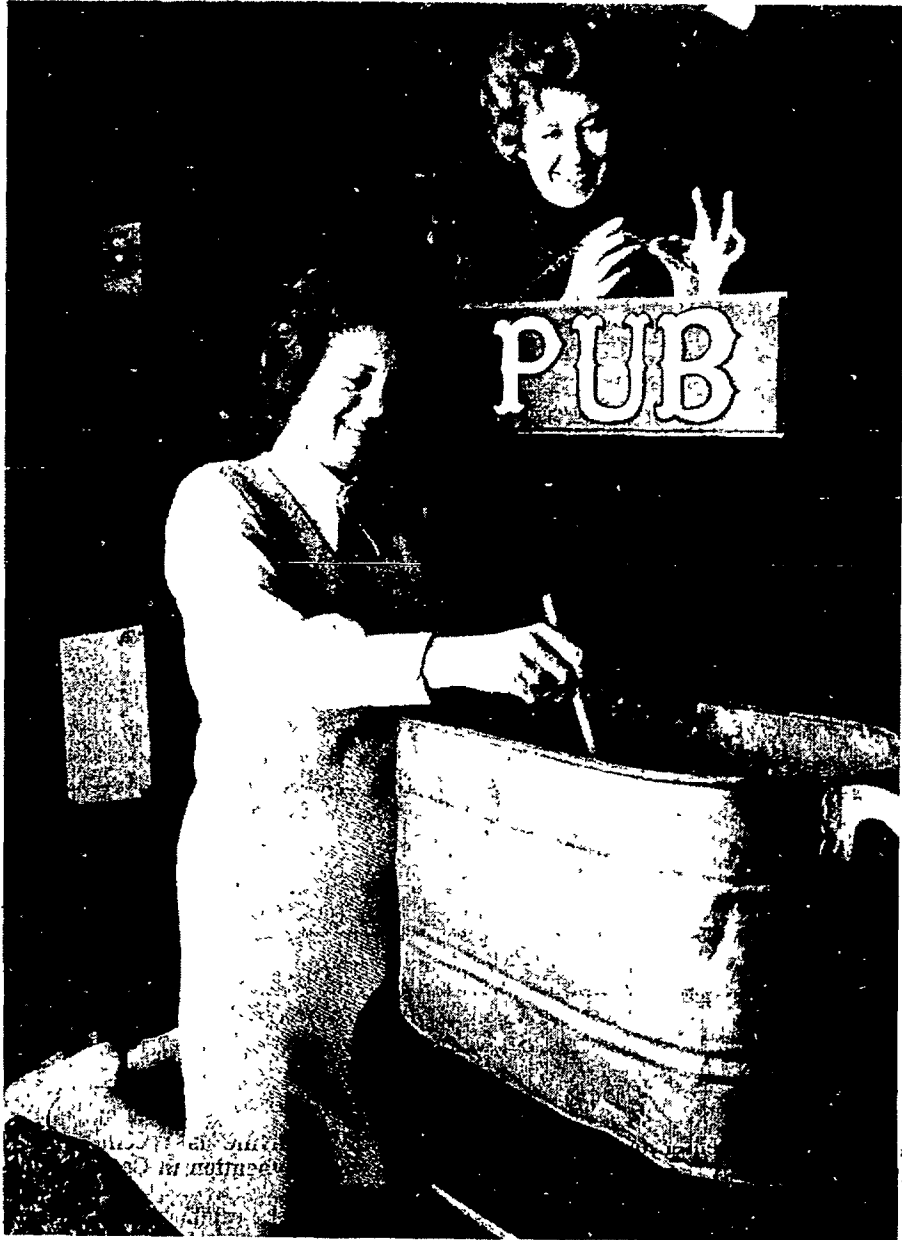

The Plymouth AAUW began presenting children's plays 13 years ago in an effort to give young children as opportunity to see and enjoy live theatre. The group uses professional scripts, averaging one-to-1½ hours in length and aimed at the three-to-10 year old audience.

Proceeds from the plays are used to support both local undergraduate scholarships and national AAUW graduate fellowships for advanced study here and abroad.

**SERVICE WITH A SMILE**—Northville State Hospital Auxiliary members helping a hospital visitor make a selection are, from left, Mrs. Stanley Manners, Mrs. Kenneth Frede and Mrs. Stanley L. Coon, all of Northville. These ladies and the other members of the group will be on hand today (Thursday) at the Meadowbrook Road home of Mrs. Bernard Baldwin for the auxiliary's

annual membership coffee. The funds raised in the hospital gift shop are used to purchase needed items for indigent patients without funds or families. Anyone interested in attending the coffee or learning more about the organization is urged to call Mrs. Baldwin at 349-0209. According to Mrs. Baldwin, the auxiliary is looking for new members with a little free time to work in the shop.

**PATTY'S DAY BREW**—These two members of the Novi Athletic Boosters are working out the formula for the green beer which will be served at the organization's annual St. Patrick's Day Dance to be held March 17 at the UAW Hall in Wixom, 28900 Wixom Road. Testing the color is, at left, Mrs. John Pantalone, ticket chairman, and Mrs. Ronald Birou, publicity chairman for the Boosters. According to Mrs. Birou, tickets can be purchased from Booster members at a cost of \$10 a couple. The evening of dancing, door prizes, green beer and refreshments, is scheduled to begin at 9 p.m. and end at 1:30 a.m. Proceeds from the dance will be used for the athletic department of the Novi Schools.

## Women's Day

### Seminar Focuses on Change

Northville-Novu women have been issued an invitation to participate in a day-long seminar, emphasizing need for change in systems which deny full participation and growth by women, at the Orchard Ridge Campus of Oakland Community College

The program, to be held March 8 on International Women's Day, will be

presented by women students, clerical workers and faculty. "It will reflect our joy at being women and our commitment to provide information and opportunity for dialogue around the issues of concern for women," a spokesman said.

Women from the metropolitan area will be on campus to discuss a wide range of topics.

Barbara Robb, Detroit attorney, will speak on abortion; Flora Hummel will show a film and discuss natural childbirth; Linda Ann Ewen, of the Wayne University sociology department, will speak on the socialization of women; Paulette LaBost, attorney and member of the Michigan Civil Rights Commission will discuss civil rights; and Judy McComb, Detroit poet, will read her poetry and invite members of the audience to read their poetry.

Also planned is a women's art show and a forum for community women interested in returning to college

Three women's films and a cabaret luncheon with entertainment are also scheduled

Free childcare will be provided during the 9 a.m. to 4 p.m. program.

## Workshop Slated

### For China Painters

The March 1, meeting of the Northville Spring Chapter of China Painters will be highlighted by a workshop taught by Mrs. Daniel Latchford of Novi. She will be demonstrating the painting of red grapes on eight-inch white china plates.

The group is scheduled to meet in the basement of the Plymouth Credit Union Building at 500 South Harvey Street, Plymouth, at 10 a.m.

Mrs. Latchford is a member of Teachers Guild and the Michigan Federation of China Painters. Following her demonstration, there will be a lunch break. After lunch, plans will be made for the Third Convention of Michigan

State Federation of China Painters to be held in late May at the Stabler-Hilton in Troy.

Weekdays 9 to 6

## Troop Earns Merit Badge

Junior Girl Scout Troop 361, which is composed of 20 sixth grade girls at Cooke Junior High Annex, recently completed requirements for the "My Community" merit badge and has planned a full calendar of activities during spring.

According to Mrs. Robert (Judy) Wissman, troop leader, and Mrs. Edward (Nancy) Perpich, co-leader, the girls learned about the state of Michigan and the community of Northville while completing the badge requirements.

Among their activities was a trip through The Northville Record to see how a local newspaper is printed.

The girls' community service project included collecting white sheets and material for cancer pads for the Michigan Cancer Society during the first two weeks in February.

During December, they made presents for some of the patients at the Plymouth State Home and baked Christmas cookies for patients at Whitehall Convalescent Home in Novi. Currently the troop is

working on the "Personal Health" merit badge.

Mrs. Richard Bohn, mother of one of the scouts, is helping the troop learn the methods of good posture and good grooming. The troop also plans a trip to a local dentist to learn teeth care.

Members of Troop 361 also earned money for the troop and Girl Scout Council by selling cookies. The girls plan to go camping at Camp Linden in April and the cookie

money will help pay their way, Mrs. Wissman explained.

During March, the scouts will celebrate Girl Scout Week by giving thanks in their own special way to people who have been helpful to their troop.

A Mother's Day tea is scheduled for May and an overnight camping and horseback riding trip to Children's Farm and Riding School will complete this year's activities.

## Snowmobiler Killed

Harold Van Sickle, a 43-year old Novi resident, was killed Tuesday night when his snowmobile was struck by a train on 12 Mile near Taft Road. The engineer of the train told police he saw a snowmobile cross the tracks westbound along 12 Mile. A couple of seconds later he observed a second snowmobile unsuccessfully attempt to beat his train to the crossing.

VanSickle was taken by ambulance to Pontiac General Hospital where he was announced dead on arrival.

The driver of the first snowmobile was identified as Ronald Van Sickle, believed to be the son of the deceased.

# Novi Announces New City Manager

## Tap Ann Arbor Man From 64 Applicants

**WIXOM'S DOG DAYS** — The long line-up of dogs and owners at the Wixom City Hall Saturday was a sure sign that the city's annual dog clinic was again a howling success. Sponsored by Oakland County, the clinic is held for three hours on a designated Saturday each year. In addition to getting 1973 licenses, the owners can also have

their pets given rabies shots. According to Wixom City Clerk June Buck, some 550 licenses were issued this year. On hand to administer the shots was Wixom veterinarian Dr. Val Vangieson, who is also a member of the city council.

Novi's new city manager is Harold R. Saunders, a 30-year old Ann Arbor resident, who has served as City Clerk of Ann Arbor since 1969.

Selection of Saunders to fill the city manager's position vacated by the resignation of George Athas in October 1972 was scheduled to be announced at a special press conference in the Novi School Administration Offices Wednesday, February 28, at 8 p.m.

Saunders will serve on a part time basis beginning March 1. He will take over full time duties April 15.

"We are extremely pleased with the selection of Saunders," stated City Councilman Denis Berry, who headed the three-man council committee which screened the applicants for the job.

The final selection was made by the entire council. "We feel that Mr. Saunders is the type of administrator that Novi needs," stated Berry.

The city received 64 applications for the managerial position. According to Berry, applications were received from almost every state in the union and one application came from Dacca, Bangladesh.

Berry and Councilmen Louie Campbell and William O'Brien screened the applications and presented the council with a list of 12 names for its consideration. The list was whittled to six, and interviews with the six candidates were scheduled.

Following the first set of interviews the selection was narrowed to two applicants and the two men were interviewed again by the council before a final selection was reached.

Berry reported that Saunders was the unanimous selection of the council. "It was one of the few times that the council has ever agreed unanimously on anything without discussion," stated Berry.

Campbell also lauded the selection of Saunders. "We were looking for someone young who was both knowledgeable, educated, and had experience in an administrative position," said the Councilman. "Saunders met all those criteria."

Saunders is a native of Xenia, Ohio, who graduated cum laude from Muskingum College in New Concord, Ohio, in 1964 with a B.A. degree in History.

After teaching school in Canton, Ohio, and Brighton,

HAROLD R. SAUNDERS

## For Fairfield Farms

# K & B Receives Go-Ahead

Kaufman and Broad Vice-President Barry Stulberg appeared before the Novi city council Monday to answer charges levied last week by Councilman Denis Berry that he has consistently failed to keep his word to the council.

When he left the council chambers, Stulberg took with him tentative permission to begin construction of 50 units in K&B's Fairfield Farms subdivision prior to receiving final plat approval.

Fairfield Farms is located west of Haggerty Road between Ten Mile and Village Woode Road in the Village Oaks development.

Specifically, the council by a 5-2 margin directed the Building Department to issue building permits for 50 units in Fairfield Farms subject to an agreement between K&B and City Attorney David Fried regarding the conditions under which the units will be developed.

Councilmen William O'Brien and Louie Campbell cast the dissenting ballots.

The agreement was viewed as a victory of sorts by both the city and the developer. Stulberg and K&B were pleased because they received the go-ahead for the 50 units. City officials were pleased, on the other hand, because they feel they've facilitated construction of a paved road from Village Oaks out to 10 Mile.

"We can hold them back from developing Fairfield Farms," Fried told the council, "but if we deny their request I think they would be much less anxious to construct Cranbrooke Drive in the near future. By giving them their 50 permits, I think we're speeding the arrival of a paved road out to 10 Mile."

Under the tentative agreement reached by the council and K&B Monday, the building permits will not be issued until K&B further agrees to certain conditions under which those units will be constructed.

Although a meeting between Fried and K&B was scheduled for ironing out the exact terms, the conditions are basically as follows:

1. K&B is to continue engineering and construction of Cranbrooke Drive (from Village Wood to 10 Mile) so that the road will be open as soon as possible. Barring unforeseen circumstances, K&B Engineer Ronald

Steinacker estimated a completion date of mid-July.

2. Construction of 50 houses will begin at once.
3. Ten of the 50 units may be occupied once Cranbrooke Drive has been completed to Nilan Drive and Nilan Drive has been completed to 10 Mile. Once Cranbrooke Drive has been completed through to 10

Mile and is opened to traffic the remainder of the 50 units may be occupied.

4. Construction traffic will use the existing Squire Drive (from Haggerty Road) until Cranbrooke Drive is opened. No construction traffic for Fairfield Farms is to be allowed in Village Oaks on or south of Village Wood Drive.
5. Nilan Drive will be opened as a temporary connection to provide access from Village Oaks through to 10 Mile. Once Cranbrooke Drive has been opened, however, Nilan Drive will revert to being a private road.

Kaufman and Broad's concern with obtaining the 50 building permits as soon as possible stems from an embargo recently placed on extension of gas service by the Michigan Consolidated Gas Company.

Due to the gas shortage, the gas company has announced that gas service will not be extended to any new homes

council and recommended that the members vote to grant the exemption to all Wixom property owners who paid taxes February 15.

"The opportunity for a citizen to petition the city for a waiver in due date has always been there and no one has taken advantage of it between 1968 and now. I do not feel that the Ford Motor company would be getting preferential treatment," Willis said.

Mayor Gilbert C. Willis explained the situation to the

## Taxes Late . . . But

A clerical error on the part of the Ford Motor company led Wixom's City Council to grant the exemption to all Wixom property owners who paid taxes February 15.

The action, taken by the council on Tuesday night, made it possible for not only Ford, but anyone paying his Wixom city taxes on February 15, one day after the due date, to be exempt from a four percent penalty fee.

## Farmington Youth Becomes First Traffic Fatality

A 15-year old Farmington youth became Novi's first traffic fatality of 1973 when the car in which he was riding was struck by an eastbound collision Friday, February 23, at 7:40 a.m.

Dead is Neil Anthony Muccino, 15, of Farmington.

Two others involved in the crash are still in the hospital and listed in serious condition.

According to police, the accident occurred while Muccino and Rick Young, a pair of Farmington High School students, were taking two friends - Kenneth A. Barry and Paul Bacon, both 17 and also of Farmington - to classes at the Southwest Oakland County Vocational Educational Center (SVOVEC) on Beck Road in Wixom.

Shortly after crossing

Haggerty Road while westbound on 14 Mile Road, the 1963 Plymouth Valiant driven by Young swerved into the eastbound lane to pass a Farmington school bus.

After passing the bus, Young pulled back into the eastbound lane, but in the process lost control of the car.

According to witnesses, the vehicle began fish-tailing and then slid completely around and into the eastbound lane so that the right side of the car was struck by an eastbound 1973 Ford being driven by Donald Natsch, 47, of Union Lake.

The school bus was not involved in the collision.

Natsch and a passenger in his car, 33-year old Richard A. Boyle of Walled Lake, along with the four teen-agers in the Valiant were all transported to Pontiac General Hospital by ambulance.

Muccino, who was riding in the front seat opposite the driver and thus received the full brunt of the impact, was announced dead on arrival at the hospital. The other three teenagers were all released within a couple of hours, police reported.

Natsch and Boyle, however, are still in the hospital. Natsch received serious bone damage to the front of his face, while Boyle has a fractured back, according to police.

Novi Officer William Brown said Monday that the circumstances of the accident are under investigation and charges may be filed pending the outcome of that investigation.

Continued on Page 16-A

# School Board Revises Graduation Requirements

Four years of English will not be required for graduation from Novi High School after this year.

Cutting back the English requirement to three years but increasing the graduation credit requirement from 18 to 19 are key points in a policy adopted by the Novi Board of Education.

These and other changes will not become effective, however, until the 1973-74 school year. Furthermore, special exceptions may be made for those sophomores

and juniors who already may have begun tailoring their annual course programs with the 18 unit requirement in mind.

The policy revision also will permit students to finish school by January of their senior year—provided they have completed the 19 unit credit requirement.

Decision to cut back on the English requirement may prove to be the most controversial change, but Trustee Robert Wilkins, who suggested the change and

convinced fellow board members to agree, is convinced it will be a big assist to non-college bound students.

(English, labeled communications skills, includes related subjects such as speech and journalism). Furthermore, in answer to criticism that students headed for college may find themselves shortchanged, Wilkins emphasized that these students may continue to be encouraged to take four years of this subject area.

Neither the University of Michigan nor North Central insist that high schools, accredited by them, require four years of English, but they insist only that four years of English be offered, Wilkins noted.

Under the four-year English requirement, he argued, non-college bound students are "locked in" to a college preparatory English program and therefore have less opportunity to take courses preparing them for employment or technical

training upon graduation. In other words, the present English requirement is discriminatory for non-college bound students, he reasoned.

Suggestion that the English requirement cutback might displace some English teachers is, in Wilkins' opinion, a poor argument. If the program requirement is unreasonable, then the board ought not be persuaded to continue it simply because it has the staff.

Under this new policy

students will be required to take one year of science, three years of communication skills (English), one year of mathematics, one year of health-physical education, and two years of social studies. Except for English, these required courses are the same as presently required. (American History and U.S. Government are courses required by the state).

Noting that most schools presently require 19 credits, Superintendent Gerald Kratz told board members that the

additional unit should not be difficult for students since most of them already are taking 19 or more credit courses.

Dr. Kratz also agreed with the board that "major" and "minor" references are outdated and these are to be eliminated.

Proposals to limit students to take no more than a specified maximum number of credit hours (band, choir, etc.) were scratched.

## News Around Northville

"Around the World" will be the theme for the couples' potluck held tonight (Thursday) by the parents of the Northville Cooperative Pre-School at 6 p.m. in the Scout-Recreation Building. The program will include a talk on the subject "Are They Ready for Kindergarten?" by Mrs. Florence Sharp of the Farmington school system.

Recently returned from a two-week stay at Manatee, Florida, is Mrs. Emma Miller of West Seven Mile Road. While in Florida, Mrs. Miller was the guest of her sister and brother-in-law, Mr. and Mrs. B.W. Richmond. During her stay, Mrs. Miller and the Richmonds traveled to Bradenton, Florida, where 72 present and former Northville residents gathered for a luncheon.

Mizpah Circle King's Daughters will meet for a regular monthly meeting on March 6, at 2 p.m. at the home of Mrs. Paul Beard, 4126 1/2 West Eight Mile Road.

An invitation is extended to all Northville area residents by the Northville chairman of the Michigan Cancer Foundation, Mrs. Susan Rosenfeld, to visit the newly remodeled Foundation office at 1112 North Telegraph, Dearborn.

According to Mrs. Rosenfeld, the office will be open for inspection any week day between 10 a.m. and 4 p.m.

She said that the Dearborn office serves western Wayne County by providing services to cancer patients and education to the public about the need for early cancer detection. "The Michigan Cancer Foundation," she added, "is the only cancer control agency within the United Foundation."

### Discipline Topic For PTA Meet

"Discipline or Punishment? The Razor's Edge" will be the topic of a talk given by Dr. Joseph Mueller at the next meeting of the Amerman PTA.

The group is scheduled to meet in the school library at 9:30 a.m. on Wednesday, March 7. Refreshments will be served and babysitting will be available for toddlers.

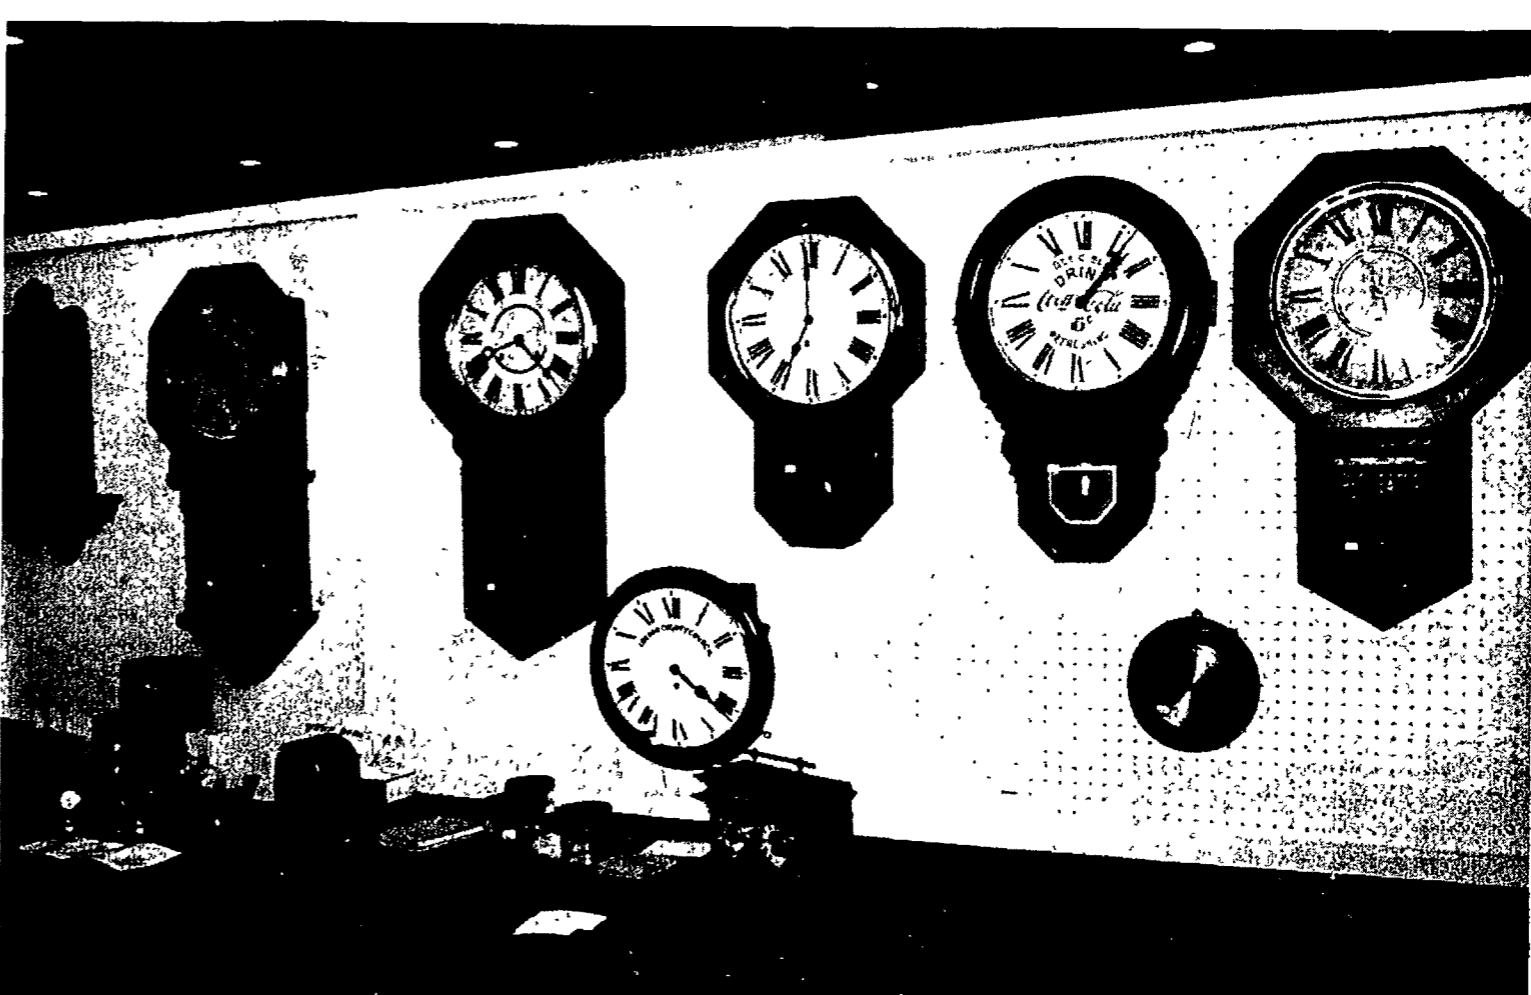

Dr. Mueller is a psychology consultant for the Northville Schools. He spent 14 years in the Livonia Schools and now has a private practice.

Currently, he is the chairman of the psychology department at the Southeast Campus of Oakland Community College.

### Nursery Sets Registration

Applications for the 1973-74 school year are now being taken by the Northville Cooperative Pre-School. Children who will be three years of age by September 1, 1973, and live in the Northville School District are eligible to attend the sessions.

This year, as in previous years, there will be a three-day-a-week session on

**SHOW TO FEATURE CLOCKS**—Mel Anderson, Northville antique clock specialist, will be among three area antiques dealers exhibiting in the sixth annual Ann Arbor Antique Fair and Sale this Friday through Sunday at the Twining

Aviation Building in the Ann Arbor Municipal Airport. The show is sponsored by Good Samaritans of Catholic Social Services of Washtenaw County. (See in Our Town.)

## Engagements

**CYNTHIA WARE**  
Cynthia Jean Ware and Edgar William Hammond are making plans for a September 22 wedding.

The couple's engagement is announced by her parents, Mr. and Mrs. Herbert Ware of 765 Novi Street. His parents are Mr. and Mrs. Crispin M. Hammond of Cheboygan formerly of Northville.

A 1971 Northville High School graduate, the bride-to-be is now employed by Guardian Photo.

Her fiancé graduated from Northville High in 1970 and attended Schoolcraft College for two years. He is presently employed with the Nanmar Construction Company.

in 1966 and received a bachelor degree in industrial engineering from the University of Michigan in 1970. She is currently employed by the Detroit Edison Company and is studying for a masters degree at Wayne State University.

Her fiancé is a 1966 Salesian High School graduate and also was awarded an industrial engineering degree in 1970 from the University of Michigan. He is now working for Detroit Edison and is studying at the University of Detroit for a masters degree. A May 19 wedding is being planned by the couple.

### LUCINDA WALKER

Mr. and Mrs. Ross Walker of Midland announce the engagement of their daughter, Lucinda L., to Richard M. Adams, the son of Mr. and Mrs. Arthur A. Adams of 960 Allen Drive. The future bride is now a junior at Michigan State University majoring in social work. Her fiancé, a 1970 Northville High School graduate, is also a junior at Michigan State. His major is elementary education.

The couple plans to marry on September 8.

### MARY MILLER

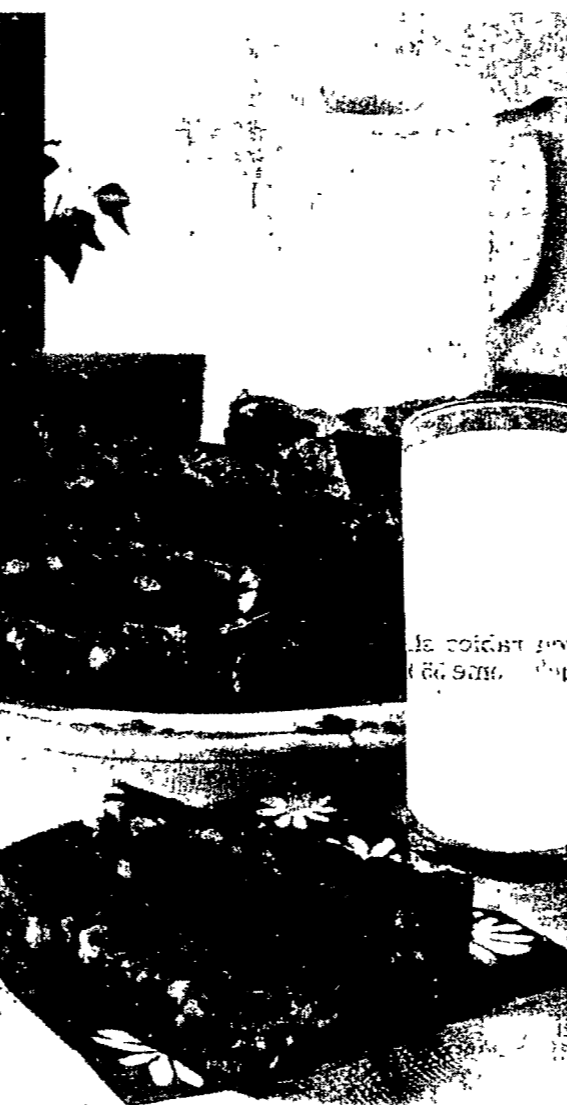

Mary Janet Miller will wed William John DuBay on April 14. The announcement was made by his parents, Mr. and Mrs. J. Victor DuBay of 43600 Westridge Lane.

The bride-elect is the daughter of Mr. and Mrs. John E. Miller of Warren. She and her fiancé have attended Wayne State University.

### KATHLEEN KANAR

Mr. and Mrs. Norman J. Kanar of Detroit announce the engagement of their daughter, Kathleen, to James Michael DuBay, the son of Mr. and Mrs. J. Victor DuBay of 43600 Westridge Lane.

The bride-to-be graduated from Dominican High School

DATE BRAN BUTTERSCOTCH BARS

### Old Recipe with New Twist

## Snack Doubles as Dessert

Times have changed—or have they?

Remember coming in after school and finding a tall glass of milk and a platterful of something good to nibble on set out on the counter top?

Well, mothers are still doing this, although their recipes have changed slightly. This recipe for Date Bran Butterscotch Bars, a version of the old-time favorite date bars, has been adapted to improve the flavor and texture, but the taste is every bit as savory and mouth-watering as it ever was!

They're great as an after-school munch-on. However, if you're puzzled by tonight's dessert, try spooning whipped topping mix or ice cream over the layered date nut bars. And don't forget a platterful for the baby-sitter, please! Lucky is the child whose mother remembers the delicate taste of these old-fashioned treats.

- Date Bran Butterscotch Bars**
- 1/2 cup chopped dates
  - one third cup water
  - 1/2 cup firmly packed brown sugar
  - 2 teaspoons lemon juice
  - two-thirds cup shortening
  - 1 egg
  - 1 package (3-1/2 oz.) butterscotch instant pudding and pie filling
  - 1/2 cup unsifted all purpose flour
  - 1/2 teaspoon baking soda
  - 1/2 teaspoon salt
  - 1/2 teaspoon cinnamon
  - 1 cup bran flakes with sugar-coated raisins
  - 1/2 cup chopped nuts

Combine dates, water, sugar, and lemon juice in a small saucepan. Cook over medium heat, stirring occasionally until mixture thickens. Cool.

Meanwhile, cream shortening. Add egg and pudding mix. Beat until light and fluffy. Mix flour with soda, salt, and cinnamon. Stir into egg mixture. Add cereal and nuts and mix until well blended. Spread half of the pudding mixture in the bottom of a greased 8-inch square pan. Cover with date mixture. Top with remaining pudding mixture, spread

evenly over surface. Bake at 375 degrees for about 25 minutes, or until nicely brown. Cool and cut into 12 portions. Serve topped with whipped cream, ice cream, or prepared whipped topping, if desired.

# Travelogue Visits Bali Monday

"Enchanting Bali", a new all color film, will be presented Monday by the joint Rotary clubs of Northville and Plymouth as part of their continuing travelogue series.

Narrated by explorer-lecturer Nicol Smith, the program will be presented at 8 p.m. in the Plymouth-Salem High School auditorium at Joy and Canton Center roads.

Tickets may be purchased at the Northville Camera Shop or at the door of the auditorium on the evening of the performance.

A native of California, Smith has produced 15 travelogues based on his experiences traveling throughout the world.

Writer of five books, he has received the "I Search for Adventure Award" and the "Golden Galleon Achievement Award" for his outstanding contributions to the "Golden Voyage" television programs from 1955 to 1957. Four of his films have appeared on "Bold Journey."

Smith began his adventurous career at age 17 when he paddled the entire length of the Danube River by canoe. He has since traveled extensively in the South Seas, explored the remote interior of the island of Hainan, spent six months in the Devil's Island Penal Colony, and he was the first to photograph the world's highest waterfalls—Angel Falls—from its base.

He was the first to make a round trip over the fabulous Burma Road in the interior of China—during the rainy season—and he made a caravan journey across Western Tibet to Lake Pangong.

During World War II Smith was a secret agent for the OSS in Vichy, France and in Thailand.

"Enchanting Bali" explores a land of tradition and enchantment, giving its audience a chance to explore the age old temples, watch the spectacular Money dance, and march with a parade to the temple with offerings of fruit that sometimes weigh as much as 150 pounds.

Cremation ceremonies, rice planting and irrigation systems, catching dragon flies, and exotic kite flying are other features of the film.

Bali Dancers Will Entertain for Rotary Travelogue Guests in Plymouth Monday Night

**TOPS \$3,000**—VFW Commander Mike Utley (right) presents Northville Historical Society President John Burkman with a check for \$2,635.65—net proceeds from the recent fund-raising dinner dance co-sponsored by Post 4012 to help finance the Mill Race Historical Village project. With the addition of donations, according to Utley, the total contribution topped the \$3,000 mark by just over \$1. The dinner-dance proved so successful, current plans call for a repeat next year, the two men revealed.

## Poet Sets Discussion At College

Poet, Daniel Hughes, will make two appearances at Schoolcraft College on Tuesday, March 6.

At 3 p.m. he will discuss his poetry, informally, and will answer questions from the audience. At 8 p.m. he will give a reading from his work. Both appearances will be held in the Liberal Arts Theater and are open to the public free of charge.

Dr. Hughes received his B.A. from the University of New Hampshire and his M.A. and Ph.D. degrees from Brown University. He has taught at Brown University, and is at present professor of English at Wayne State University, where he specializes in courses in modern poetry and in the English romantic poets.

His work, both poetry and literary criticism has appeared in many magazines, academic journals, and literary quarterlies, and he is the author of a book of poems titled WAKING IN A TREE, published in 1964.

His poems have also appeared in many anthologies, and he has twice had poems chosen for inclusion in the Borestone Mountain series (BEST POEMS OF 1959 and BEST POEMS OF 1962).

He will have an article on the late poet John Berryman in the forthcoming issue of American Poetry Review.

## Mental Health Society

# Appoint Kipfer Director

Appointment of James F. Kipfer as executive director of the Michigan Society for Mental Health was announced this past week by Franklin H. Moore, president of the Society.

Kipfer, associate executive director since 1965, was named by the board of directors of the Society to succeed Harold G. Webster, who retires March 1, after 35 years as Executive Director of the Society since its incorporation.

The Michigan Society for Mental Health since 1937 has been a citizens' group devoted to the improvement of care and treatment of the state's mentally ill as well as an advocate of research into the causes, prevention, and control of mental illness. Its headquarters are in Lathrup Village with chapters throughout the state.

In announcing Kipfer's appointment, Society President Moore paid tribute

to both the new and retiring executive directors.

Kipfer, who lives in Northville, is a veteran of nearly 20 years of service on the staff of the Society. In the past 10 years, his duties have been administrative, in community services, field supervision, and public policy. However, his first major assignment after joining the Society concerned prevention of emotional disturbances among children and he has been involved continuously in the Society's efforts and studies in the area of mental illness among children and adolescents.

In 1954, Kipfer was assigned to coordinate a three-year, \$75,000 project financed by the McGregor Fund to study how teacher training could help insure mental health among children and adolescents. The project grew into a \$150,000, six-year program, followed up by a \$50,000 grant by the National Institute of Mental

Health for research appraisal. This was the first program of its kind in the U.S.

"Our research substantiated the original thesis of the project that the mental health climate of the classroom could, in fact, be substantially improved through involvement of teachers in a training program designed to improve the teacher's management skills with behavior problems," Kipfer recalls.

Kipfer is a native of Indiana and received his A.B. degree

from Western Michigan University after a war-interrupted period in which he served as a pilot in the Air Force. He received his M.A. degree in education from the University of Michigan.

His involvement in professional and civic organizations is lengthy and includes 10 years of service as a member of the Northville Board of Education. He was a member of the Board of Directors and Vice-President, National Mental Health Association Staff Council from 1961-1971.

Kipfer has been a member of Wayne State University College of Education part-time faculty since 1960 and in 1972 served for a term as Visiting Professor, Wayne State University Overseas Graduate Program, Wiesbaden, Germany. He is married and has one son and one daughter.

JAMES KIPFER

## Hosts Legal Secretary

Mrs. Jody Morris, legal secretary to a Livonia lawyer, talked to Mrs. Christine Covert's advanced typing class at Schoolcraft College on February 15.

Mrs. Morris talked to the class about the profession of a legal secretary. She described the various duties of the secretary in a one-girl office, the training that is required, and her personal interest in the position. She also briefly explained the legal forms that are used in a law office.

Mrs. Morris has been a legal secretary for five years. She began her career in

Lansing, Michigan. While in Lansing she took a course for legal secretaries given by the State Bar Association. She then moved to this area where she worked for a year and a half in a general stenographic pool.

Presently, she is with a Livonia law office where she has been employed for the past two years.

Following her talk, students were allowed to ask questions. At the end of the class Mrs. Morris was presented with a certificate of appreciation by Mrs. Covert for taking the time to share her career experiences with the class.

by CHUCK MACHAEL

In 1950 the Federal Communications Commission adopted rules and engineering standards for color television systems. At that time it was the Columbia Broadcasting System which had developed the only suitable method of transmitting color. The only problem with their system was that black and white sets could not receive color programs in black and white without special adaptations. It was not until 1953 that this problem was resolved by the National Television System Committee.

At A & A TV REPAIR, 26127 Novi Road in the Roman Plaza, Novi, 349-0140, we service all makes of black & white and color tvs. We offer quick service calls — same day service. Free pick-up and delivery on major in-shop repairs. If you are in the market for a new tv set—remember that we are an authorized dealer for ZENITH and MOTOROLA products, and we stand behind each sale.

## For Field Trips, Book Sales

# Northville Approves Guidelines

Policies governing student field trips and sales of paperback books by classroom teachers were approved Monday night by Northville school board members.

Guidelines governing the schools' involvement with out of state and out of country field trips passed by a 4-3 vote, Board President Dr. Orlo Robinson, Trustees Stanley Johnston, Sylvia Gucken and Martin Rinehart voting "yes" and Trustees Richard Ambler, Andrew Orphan and Glenn Deibert voting "no."

Ambler, Orphan and Deibert maintained that if non-school sponsored trips "do not conflict with school, then the school should not involve itself in any way. Even the slightest involvement is inappropriate."

The policy governs school sponsored trips (such as senior English classes traveling to Stratford) and non-school sponsored trips which have the sanction of the principal, endorsement of the superintendent and permission of parents (such as the band's trip to Mexico).

School sponsored trips must be directly related to the curriculum and take place when school is not in session or when school is in session, provided it does not exceed one day in length or 400 miles round trip.

School sponsored trips also may include use of school equipment and are voluntary trips on the part of student participation.

Non-school sponsored trips are also voluntary but the district accepts no responsibility or liability for the trips. The trips must be scheduled to take place when classes are not in session.

Concerning the sales of paperback textbooks by classroom teachers, board members voted 6-1 (Deibert dissenting) to approve the policy.

Guidelines require parental approval of book purchases, catalog listings to be selected by department chairmen and notifying the principal of books available.

The policy was initiated when a middle school student purchased a copy of a book to which parents objected.

Deibert stated he felt the policy "represents an over-reaction to a single incident. We're laying the groundwork for parental approval of all books, paperback or otherwise."

Johnston said he did "not view this as censorship. Parents are being asked to give their approval. Parents should look at what their kids are reading."

Curriculum Director Florence Panattoni stated the policy was developed by teachers and the teachers "felt it would relieve concerns of both parents and teachers."

**JANUARY WINNERS**—Voted best in safety by their fellow classmates for the month of January were, left to right, Steven Antuna, Amerman Elementary; Bob Crisan, Main Street Elementary; Dale Presswood, Don

Burnham, both of Moraine Elementary, Susan Schultz, Amerman; Pam Gravelle, Main Street; and Susan Gorden, Moraine. All are members of the safety boys and service girls squads.

**SPLICER**—Earl Spencer, a Bell Telephone Company splicer, patches together hundreds of tiny wires in the manhole at the southwest corner of Center and Eight Mile roads. He shares the hole with his partner, Bill Mitchell.

## Underground Curiosity

# What's Down There?

Continued from Record, 1

with the high school just up the hill from we've been getting more here than you do in other places.

"The other day some smart aleck tried to shut off our generator. That goes off and we've got no heat and no light. And without light, let me tell you, it gets dark pretty fast."

Earl and Bill were working in their coats, but the "room" was fairly warm—at least 20 degrees warmer than in the snow upstairs.

Several three-inch thick coated cables snaked out of tubes at the north wall and disappeared into tubes on the south and east walls. Mid-way between the north and south walls the two men had disemboweled one of the cables, exposing a rainbow of colored wires, and were busy resplicing them.

When their two to three week job is done they will have spliced 2400 26-gauge wires, thus beefing up the telephone service in the Northville area.

Splicers, said Earl, don't need a college education but

"it takes you about five years before you really know how to do it pretty good. And even then you learn something new all the time. They're always coming up with new fangled gadgets to keep you on your toes."

"Lots of people think we just come down here to play cards," laughed Bill.

"And now that they've got gal splicers..."

"Women splicers, too?" asked the reporter.

"Oh, yeah, we're integrated," said Earl.

"Ever see one of those tents on a telephone pole? Well, there used to be a cartoon showing a card floating down out of one. Now they've got a cartoon showing some gal's bra floating down."

"But as you can see, we're working."

His curiosity satisfied, the reporter climbed out. At the top, as a couple of people strolled by, he shouted back down the hole, "Next time you'll know never to raise on a lousy jack," and ran like blazes.

constables. The matter is to be discussed prior to adoption of the next budget.

Straub took the position that these expenses should not be paid by the township, and he indicated, over the protests of Mitchell and Clerk Sally Cayley, that he would no longer sign checks for these expenditures unless specifically instructed to do so by the board.

Township Attorney Donald Morgan told board members that when townships have police departments the function of the constable is diminished and of little real value.

## Suggests 'Conflict'

Continued from Record, 1

board tabled the proposal pending revisions and additions by the township attorney.

Board members reviewed the proposed ordinance in a special meeting with the attorney and members of the building department.

Also tabled was a suggestion by Treasurer Joseph Straub that the township board establish a policy on the matter of paying seminar and conference fees and purchasing badges and arm patches for township

## 2 YRS Sessions Planned

Two sessions of year round school will be operating in the Northville School District during the 1973-74 school year.

According to Miss Florence Panattoni, director of Northville's voluntary

experimental program, one session will begin July 30 and the second on August 20.

The district will be operating a 45-15 program, alternating 45 days of school with 15 days of vacation.

To date, 583 students have enrolled in the program in grades kindergarten through

eight. Included are 165 students presently participating in the kindergarten through fifth grade program at Amerman Elementary School and 418 new students.

Enrollment is still open, Miss Panattoni stated, provided there is room at the grade level desired. If necessary, students will be placed on a waiting list.

Elementary students will be housed at Amerman, sixth graders at Cooke Middle School Annex and seventh and

eighth graders at Cooke Middle School.

On Wednesday, March 7, local school administrators will be meeting with Dr. John Porter, state superintendent of education, to discuss funding of Northville's program for the second year.

## Approve Site Plans

Continued from Record, 1

of Thompson-Brown's Northville Commons

Height of the proposed church is about 34 feet, excluding steeple; and planners agreed that aesthetic design would be lost if the roof was lowered to conform with the present ordinance.

In other action Tuesday, planners tabled two rezoning petitions. A request from Dr. Thomas Heslip asked that the corner of Seven Mile and Napier Road be rezoned from residential to business to

permit expansion of his veterinary clinic.

Leonard Brooks requested rezoning of land at the corner of Seven Mile and Haggerty from residential to regional business to permit construction of a shopping center.

Spokesman for Brooks stated the proposal would be similar to one denied them two years ago by planners.

Both rezoning requests were tabled Tuesday pending the outcome of the commission's revision of the township's master zoning plan.

## At Colleges

# Scholars Honored

### At Schoolcraft

Outstanding academic achievement has been recognized for 182 Schoolcraft College students named to the Dean's List for the fall

semester. Each has been congratulated by personal letter from Dr. Robert Keene, vice president for instruction. Dean's List scholars are persons who carry at least 12 credit hours during the semester and earn a 3.5 (B+)

or better grade average. Thirty-five on the list earned perfect 4.0 grade averages. These are noted in the listing which follows.

Local students honored include:

**FROM NORTHVILLE**—Lucy J. Wilson (4.0) 10385 West Seven Mile Road; Jamie J. Cross (4.0) 42754 Lyric Court; Marcella J. Kiurski (4.0) 38646 Silken Glen; Judith A. Sutherly (4.0) P.O. Box 39; Janet E. Christensen (4.0) 39720 Nine Mile Road. **Martin J. Tuck**, 1036 Horton; **Thomas G. Webber**, 44880 Thornapple Lane; **Deborah L. Keese**, 47270 W. Main; **Kathryn L. Hildebrandt**, 17071 Franklin Road; **Mary Soucy**, 43757 Park Grove Court and **Merry L. Magee**, 335 North Center.

**FROM NOVI**—James T. Bruce, 23780 E. LeBost.

## Here's Results Of Novi Survey

**EDITOR'S NOTE:** A recent sample survey of residents (319 persons) in Novi, under the direction of Oakland County Schools, was conducted by Jaycees and Jaycee Auxiliary members. Results are listed below:

### PAVING OF TAFT ROAD

	Reg. Voter-Child in Sch. (125)	Total Group (319)
Board refuse to pay for assessment	13%	13%
Board pay a portion	42	31
Board pay total assessment with special consideration	29	16.3
Board pay assessment with no special consideration	12	16.3
No opinion	8	19

### IN WHAT AREA DO YOU THINK THE NOVI SCHOOLS MOST NEED IMPROVEMENT?

Communications	13	9
Better Teachers	15	12
Athletic Programs	3	3
Basic Instruction	20	15
School should be more interesting	5	5
Discipline	30	21
Buildings, more space, parking, etc.	8	5
Maintenance	2	1
Vocational Education	16	13

### IF MONEY WERE NO OBJECT, WHAT WOULD YOU ADD FIRST TO THE SCHOOLS?

More computer instruction	6	4
More music, art, drama	8	5
More vocational education	23	18
More Athletic programs	10	7
Community School after school activities	26	22
Better materials—library, labs, etc.	18	16
Paving parking lots	0	5
Swimming pool	44	30
Better transportation	41	5
Have better teachers pay higher salaries	14	13
More teachers, more individualization	26	19
Highly specialized teachers or consultants	17	11
Better Buildings (air conditioning, etc.)	7	5

+Answers to this question were grouped into three categories: Instruction, Buildings, Staff, therefore totals will exceed 100 percent.

### IF THE BOARD HAS TO CUT BACK, WHERE WOULD YOU HAVE THEM CUT?

Can't cut anything	51	38
Administrative Costs	15	14
Sports, Physical Education	8	6
Experimental Programs	6	10
Extra Activities	12	13

### WOULD YOU BE WILLING TO SUPPORT A SMALL TAX INCREASE TO AVOID ANY CUTS?

Yes	46	43
No	38	28
Qualified	9	4

**MINOR INJURIES**—Mrs. Phyllis Peterson of Northville Road last week with only minor facial abrasions. Her car was demolished when it collided with a truck between Nine

and Ten Mile Roads. "She's a very lucky Lady," commented Sergeant Frank Barabas of the Novi Traffic Bureau.

### At CMU

Several area residents achieved academic honors for the 1972 Winter semester at Central Michigan University. One of them, Kenneth Kiurski of 38646 Silken Glen in Northville, received all "A's".

The other Northville residents, were: Nancy A. Burt, 21410 Lujon; Susan Kirk, 615 Randolph and Edith A. Rayner, 52370 Nine Mile Road.

Novi was represented by Natalie D. Hare of 40571 Rock Hill Lane and Curt A. Perry of 24646 Bashian Drive.

Also named to the list was Sheryl L. Lachance of 50496 Pontiac Trail in Wixom.

### At Kalamazoo

Carol Ditzhazy of Northville, a freshman at Kalamazoo College, has been named to the dean's list for the fall quarter of 1972.

Daughter of Mr. and Mrs. Joseph A. Ditzhazy of 37990 Tralee Trail, was one of 755 students who completed the quarter with a grade point average of 3.75 or better (a grade point average of 4.0 is all A's) to receive high honors.

### At Capital

Michael D. Leu of 18129 Pinebrook has been named to the Dean's List at Capital University in Columbus, Ohio.

### Faculty Team

### Tackles Lions

Northville administrators and teachers will take on the Detroit Lions in basketball when the two teams meet Tuesday, March 13, at Northville High.

The game begins at 8 p.m. with tickets now on sale for students at \$1 and adults, \$1.25. Tickets will also be available at the door, with student tickets priced at \$1.25 and adult tickets at \$1.50.

Tickets may be purchased at all Northville schools during lunch hours or may be purchased at Carl Johnson Realty, 125 East Main Street.

Among the members of the Faculty All-Stars will be Raymond Spear, Walter Koepke, Omar Harrison, Larry Rowland, Robert Simpson and Mike Janchick.

Sponsored by the Northville High Senior Class, the evening's proceeds will go toward the senior prom.

## Park Monies Sought

# Novi Asks State to Keep Promise

A concerted effort to resolve a sticky legal matter that has plagued Novi since 1959 is currently being made by the Novi city council.

At Monday's session, the council unanimously passed a resolution requesting that the Michigan Department of Natural Resources "fulfill its obligation" to Novi by giving the city \$68,285.55.

If the city is successful in its bid to secure the money, it will be used for the development of a municipal park system.

The problem has a long and involved history. In 1959 a life-long Novi resident, Ella Mae Powers, died after directing in her will that her property in Novi be used for park purposes. The only stipulation in the will was that the park bear her name and thus be called Powers Park.

However, instead of being used specifically for a park, the land was sold by the Department of Natural Resources to the State Highway Department in 1963 for roughly \$68,000.

The agreement reached at that time called for the Highway Department to donate excess property valued at \$68,000 (at prevailing 1963-64 market values) to Novi to be used for parks. Novi, in return, agreed to allow the money realized from the sale of the Powers property to the Highway Department to be used by the Department of Natural Resources for developing parks in the Proud Lake Recreation area.

That agreement was reached in 1963 and was affirmed by the DNR as recently as June 1, 1971.

To this date, however, the city has been unsuccessful in getting either the Highway Department or the DNR to honor its commitments.

Monday's resolution was an attempt to salvage at least a small portion of the agreement.

"I know this is not a particularly satisfactory solution," stated Councilman Louie Campbell who introduced the resolution, "but at this time I feel the \$68,000 is about all we can hope to get out of the DNR."

It was Councilman Edwin Presnell who questioned the position of settling for the \$68,000.

"The \$68,000 will buy nowhere near as much land now as it would have in 1964 when the agreement was made," he noted. "Have things gone so far that we're willing to accept this amount of money when he should be entitled to much more?"

Both City Attorney David Fried and City Manager Edward Kriewall advised the council that it should pass the resolution.

Said Fried: "This matter has been going on for 12 to 13 years. I agree with Mr. Campbell that if we can let's get the money and run. I just don't think we're going to get anything more out of the State Highway Department."

Kriewall added that the city has good rapport with several members of the state legislature at the present time. "A lot of redistricting is going on, however," said Kriewall. "If we lose these contacts we might lose even the \$68,000."

The council then proceeded

to pass the resolution unanimously.

There is, of course, no guarantee that the State will agree to pay the \$68,000 asked by the city.

The resolution could do no more than request that the

DNR fulfill its commitments by paying the money. The resolution further directed the City Attorney to transmit the resolution to the DNR and request that an answer be furnished to Novi by April 1.

"I think we're entitled to

much more than the \$68,000," added Campbell, "but under the circumstances I'm afraid that's the best we can hope for. That much money will go a long way toward the development of a park system for the city."

## Novi Symphony Band Prepares for Contest

With the District Music Festival of the Michigan School Band and Orchestra Association (MSBOA) scheduled for March 10, Director Gordon Seiler and the 45-members of the Novi High School Symphony Band

have a busy two weeks ahead. On March 8 the Novi High School Symphony Band will have an informal practice session at the high school in preparation for the District Music Festival. There is no admission to the practice session which begins at 7 p.m. and the public is invited.

On March 10 Saturday the band will go to Rogers Junior High School in Lake Shore to compete in the District Music Festival. Novi will play for judges at 10:45 a.m.

Then on Tuesday, March 20, the band will present a jazz concert entitled "The Memories of Jazz" in the High School Commons at 7:30 p.m. Featured will be selections from Duke Ellington and Glenn Miller along with several Dixieland selections.

There is a 50 cents admission charge for adults, while students will be charged 25 cents. Also available is a \$1.25 admission fee for families.

### Frosh Meet

Orientation for in-coming freshmen, all new students and their parents will be held Wednesday, March 7, at Northville High auditorium. Beginning at 7:30 p.m., the orientation session is for those students who will be attending the high school in the fall for the first time. Parents should attend with their students, school officials said.

### Fourth Graders

### Host Speaker

Orchard Hills' fourth graders hosted Bennett Wright of J. Walter Thompson advertising agency Tuesday.

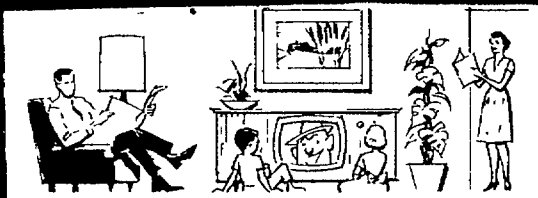

Wright, who lives on Penton Rise Court in Novi, spoke to the students about advertising and the use of language in advertisements.

The students also saw a film on advertising and learned how a television commercial is put together from beginning to end.

The presentation was part of the students' study on the use of language. Fourth grade instructors are Mrs. Rita Traynor and Mrs. Ruth Tait.

Jean Burke's An Outstanding Player

# Wixom Newsbeat: She's Real Competitor

By NANCY DINGELDEY

One of the most important words in sixteen-year old Jean Burke's vocabulary is hockey. For seven years now this pert little gal, daughter of Mr. and Mrs. Tom Burke of Flamingo Street, has been whipping around the rinks, thoroughly enjoying the sport. Jean's love of hockey as well as "just about every other sport" has meant hours of practice, exercise, and competition. She plays a defensive position with the Dearborn Cougars, an all gal team and spends several days a week at Fordwood Arena in Dearborn on the ice.

The team recently competed in the Lipstick Tournament held in Wallaceburg, Ontario. One other American team was there facing four Canadian teams.

The Cougars came out on top—the first time an American girls' team has ever won the Canadian tournament. Jean scored the last two goals of the final game which brought the title to the American side of the border.

But the biggest thrill for Jean was being named the outstanding player of the tournament.

Mrs. Burke said the Cougars were really happy and proud when they won the tournament and Jean was a little shocked when she was given the award.

"Winning wasn't all that easy," said Jean. The team played four games in two days.

Congratulations to the Cougars and especially to Jean.

What could prove to be an interesting day for the ladies is an upcoming event on the Orchard Ridge Campus of Oakland Community College. An International Women's Day program is slated for March 8.

Women's Lib probably sparked the idea for the program since the all-day affair will feature films, speakers and group discussions all pertaining to women and their role in society.

Sounds like a "meaty" day for those of you who might be interested. More information regarding time, place and

## Must Hook Into Sewer

Wixom's city council Tuesday enacted an ordinance which requires all property owners to hook into the city's sanitary sewer system within seven months.

The action was taken in Wixom, as it has been taken in many Michigan municipalities in recent months, to counteract a state ruling.

That decision said that any individual who has a working sanitary system prior to the establishment of a city system does not have to hook into the city sewers.

Upon publication of the new ordinance, the approximately 20 Wixom property owners who are within 200 feet of the sewer lines and not yet hooked into them, will be given seven months to comply.

In other action, the council set a March 27 date for hearing a rezoning request from Sami Poota.

—accepted a bid for a new police car from Shuman Ford Sales of Walled Lake.

—tabled a request by Walter Toebe Construction for a variance to the city's subdivision regulations of governing water systems.

exact agenda will be forthcoming.

Rhea Sorvari and Jane Wahamaki spent a couple of weeks in the sunny climes of Coronado, California. It was about the same time winter decided to return to our area so the California weather was even more delightful. Ollie Wahamaki must have felt there were better things to do than shovel snow, so he joined the group a week later.

It wasn't all fun and games the first week for Jane because she took on babysitting chores for daughter Karen, while she

and hubby Rob headed for the ski slopes at Steamboat Springs, Colorado.

"Watching two active youngsters isn't the easiest but we still had a grand time."

Jane wasn't feeling too top-notch by the time she returned to Wixom and felt she had picked up a "bug" somewhere along the line. Unfortunately hospitalization followed her return last Friday.

Also hospitalized is Tom McGee of Potter Road who is in Mt. Carmel Hospital in

Detroit with an apparent heart attack.

And still another Wixomite, Marie Hubbell of Wixom Road, is in St. Joseph's Hospital in Pontiac. Get well bouquets to all of you and speedy recoveries.

A lot of activity around the auditorium at Western High School. The Performing Arts Department is in full swing rehearsing, making sets, and readying itself for its annual musical. This year they will present "Music Man" on March 8, 9 and 10. Curtain

time each night is 8 p.m. Past performances have always been great and with a musical like "Music Man" how can you miss? So join in with 76 Trombones" and plan to attend.

The Wixom V.F.W. presented the Wixom Area Boy Scouts a full-floor United States flag at ceremonies at Loon Lake School last Wednesday night. The presentation was made during a program commemorating the birthday of the founding of the Boy Scouts.

# K & B Receives Go-Ahead

Continued from Novi, 1

for which the foundations (basements) have not been finished by April 15.

Hoping to beat the deadline, K&B's Ron Steinacker asked the council two weeks ago for the 50 permits even though final plat approval had not yet been received.

The request received a flurry of opposition from the council because of a prior commitment by K&B not to begin construction of Fairfield Farms until Cranbrooke Drive and Meadowbrook Road are paved.

It was two weeks ago that Berry asked why it appeared that K&B and Stulberg were constantly requesting favors and yet were rarely, if ever,

capable of keeping their word to the council. Berry further asked that Stulberg appear before the council to protect his credibility.

At Monday's session Stulberg was present to answer the charges. He denied that he had said in March of 1972 that Cranbrooke Drive would be finished in three months; he explained that the road had not been paved by November because of engineering changes and construction difficulties; and he apologized for indicating that Nilan would be a through road.

"My comments created a great deal of misunderstanding when I said Nilan Drive would be a

through road. Nilan Drive will not be a through road and it was my goof for telling the council otherwise."

Stulberg further claimed that K&B had been active in speeding the petitions which will lead to the paving of Haggerty Road this summer. "Getting Haggerty paved," he said, "will solve a part of the problem. The idea was to get a paved route from Village Oaks out to Ten Mile and that's what paving Haggerty will do."

Opposition to the granting of the 50 permits to K&B came primarily from Councilmen O'Brien and Campbell and several Village Oaks residents present at the meeting.

"Last week they wanted 50 building permits and now they're back for 50 permits and 10 certificates of occupancy," said O'Brien. "What will it be next week? It seems to me that we're letting things get out of hand."

Similar views were expressed by Campbell and the Village Oaks residents. The council decided to go ahead with the plan, however. Berry, nevertheless, told

Stulberg that this could well be the last time any special favors will be granted. "We've bent over backwards for you too many times," he said. "I don't think this council is going to tolerate too much more from K&B. If anything goes wrong with this agreement, we're going to be very reluctant about granting any more requests."

# Special Assessment Roll Spread in Sewer District

By a unanimous vote, Northville township trustees directed the supervisor to spread special assessment roll against property in Grand View Acres for construction of sanitary sewers.

The action was taken by trustees meeting February 13.

Special assessments will be spread against those property owners fronting on streets which will be affected by the sewers.

A total of \$285,000 of the estimated \$314,000 of the project's cost will be assessed against the property owners. The remainder of the cost will be paid for from township water and sewer funds.

Method of assessment used will be 50 percent on a per front foot of property basis with the remaining 50 percent of the assessment made per benefited lot.

Trustees indicated at previous meetings that using both methods for assessment would be more equitable than a single method since some lots contain only a half acre. Some of the one-acre lots have their "long" dimension as frontage, while others do not. Trustees explained that following spreading of the assessment roll, another public hearing would be held, the assessment roll would then be confirmed or denied

and, if confirmed, the project could proceed.

If annexation of the township by the city should occur before the assessment is spread, the project then ceases. Township Engineering Consultant William Mosher stated. If, however, the assessment has been spread, the city would then take over the project.

In a related matter, trustees also agreed unanimously to establish special assessment districts for installation of water and sewer to property owned by C. Thomas Sechler on Seven Mile Road and Maxwell.

The supervisor was also directed to proceed with assessments for the projects on a per front foot basis.

In other action, trustees granted tentative approval to a preliminary plat for Northville Commons Number Five and voted to allow the developer, Thompson-Brown,

to proceed with the subdivision.

Trustees also were notified that owners of the Six and Park Party Store on Northville Road near Six Mile Road have applied for license to sell all types of liquor and trustees gave their support to the application;

• Tabled appointing three persons to the building authority for six-year terms; and

• authorized the supervisor to contact the Wayne County Road Commission and directed the engineer to survey the Ridge Road - Docksey Subdivision area to discover solutions to flooding problems in the area.

# "Bringing new gas to you-naturally"

The responsibility for delivering natural gas to you belongs to Consumers Power Company. And along with that responsibility, Consumers Power also has a responsibility to the environment.

Both obligations have been accepted.

Near Kalkaska, in northern Michigan, a major gas discovery was made. It will play a big part in making sure you have the gas you need, when and where you need it.

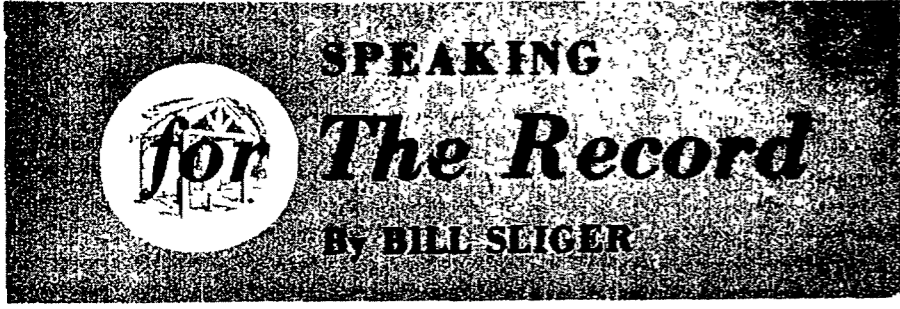

But here, in the exploration area, there are no drilling rigs. They were removed months ago. You won't see any pipeline either. It's buried underground. It also goes beneath streams, so the water can flow along without interruption. And the right-of-way jogs around large wooded areas, as recommended by the Department of Natural Resources.

Consumers Power thinks it's worth the effort. For the north country, and for the people of Michigan.

Your future depends on **ENERGY** **Consumers Power**

# Editorials...

a page for expressions  
...yours and ours

In the late fifties and early 1960's Michigan was being criticized because industry was moving from the state.

Allegedly, the welcome mats in other states included tax concessions, lower operating costs, brand new buildings and a friendly atmosphere in which to conduct business.

To counteract this exodus Michigan responded with a program of emphasis on economic development.

The campaign to recognize industry as a good and valuable citizen spread throughout many communities in the state.

And Northville, too, was swept up in this competition to retain and increase valuable community taxbase.

So it was that the Northville Area Economic Development Committee was born. It was the product of a joint effort by the city council, township board and school board.

Initially, the overall committee was to be composed of 12 members, six representing the city council and planning commission, the township board and planning commission, the school board and the chamber of commerce; and six more members to be appointed by a committee composed of the mayor, township supervisor and school board president.

The avowed objective of the fledgling organization was to promote desirable industrial and commercial development within the boundaries of the school district.

Obviously, Northville could not, nor did the committee wish it to become a "smokestack" community.

But there were possibilities that were explored, and existing business and industry that might be helped.

As a starter the Northville Area Economic Development Committee launched a membership campaign and sponsored a dinner at Meadowbrook Country Club honoring the community's industrialists.

Some 100 businessmen attended and heard Dundee Cement President Roblee B. Martin, who was chairman of Michigan's Industrial Ambassadors, speak on the relationship of industry and the community.

Then the group designed a small brochure entitled: "Picture Your Plant in Northville" and distributed it throughout the area and wherever it felt some good for Northville might be achieved.

Later the non-profit organization, through the auspices

## Know Your Officials

**U.S. CONGRESSMEN**—Second District (includes Northville and Salem Townships and that portion of the City of Northville in Wayne County; Marvin L. Esch, 200 East Huron, Ann Arbor, Michigan 48108, Phone: 665-0518.

Nineteenth District (includes cities of Northville, Wixom and Novi and Township of Novi); William Broomfield, 430 North Woodward, Birmingham, Phone 642-3800.

of the Small Business Administration, arranged a loan so that the fast-growing Foundry Flask company might expand its local facilities, employ more people, and, incidentally, pay more taxes for the support of local government and schools.

The site of Northville Square, now under construction at Main and Wing streets, was acquired a parcel at a time by Northville Area Economic Development Committee.

And, finally, through its legally-established non-profit corporation, the group is serving as the vehicle through which a \$1,000,000 state police complex for a post, district headquarters and crime laboratory can be constructed on Seven Mile road in Northville township.

Northville Area Economic Development Corporation has already agreed to advance money for architectural drawings and building specifications so that this project can become a reality.

It is, in my opinion, one of the truly fine examples of what can be accomplished through community cooperation to which Northville can point.

Its members are unpaid and widely representative of the total community.

Some of its most active participants have been residents of Northville township—the late Robert Shafer, Alex Lawrence, Crispin Hammond, Gunnar Stromberg, Bob Bogart, Harold Putnam, Arthur Bakewell, John Miller and William Miron, to name a few.

This week the Northville township board was asked to make appointments to fill the vacancies created when Stromberg and Bogart moved from the community.

Stromberg, the ex-supervisor, had been the township board representative on the Northville Area Economic Development Committee.

Bogart, formerly president of the non-profit corporation, was the township representative from the planning commission.

But the appointments were held up by a township trustee who cited a possible "conflict of interest" in the township's role in the community organization.

It is unlikely that any action by one (or two or three) township officials can kill the spirit of cooperation that has been created by good citizens of both the city and township working together for a common cause.

Certainly, the township citizens now participating in this organization will not resign because their elected officials decline to recognize their efforts.

But the suggestion that "conflicts" could or may exist is enough to dampen the enthusiasm. And it raises serious questions.

As a co-sponsor of the Northville Area Economic Development Committee, the Northville township board has a responsibility to examine this unexplained charge and to report upon its validity.

If it is unfounded, an explanation should accompany the announcement of the new appointments.

MRS. BROWN

YES . . .

What the soup can gave to the art world, topless males are giving to the world of dance.

In the current days of unemployment one takes a job where he can. Go-go dancing seems to be an honest way to make a buck. These boys are offering all they have for entertainment and the women watching certainly seem to enjoy the fare.

I enjoy a performer who likes what he is doing so much that he can draw me into his circle of fun. Here I found a group of fellows happy about offering entertainment, while having their own egos satisfied. Some have gone so far as to put time and thought into adding originality to their costumes and act.

Male go-go dancers can provide an answer to a question that may arise with the liberating of women, "What to do on a night out with the girls?" Allowing males in a profession formerly monopolized by the female sex is a step toward bumping out the double standard and grinding it into oblivion. I hope the boys are getting equal pay.

Jean Brown  
Fine Arts Critic

MR. BROWN

NO . . .

I don't really remember World War I - honest, I don't! But I do seem to recall that a very popular song of that era was "How're You Gonna Keep 'em Down on the Farm After They've Seen Patee?"

Maybe that explains my concern over topless go-go boys.

Or maybe I'm simply a male chauvinist pig. In any case, I'm ag'in 'em.

In viewing my magnificent torso (no, it's neither John L. Sullivan - despite the Centennial handlebars - nor Casper Milquetoast, despite the physique), I'm sure some of the reason for my recalling that old song title becomes apparent (see photo).

Born with two left feet, I certainly couldn't compete in terpsichore with these feminist-mollifying "new balletophiles of the barroom".

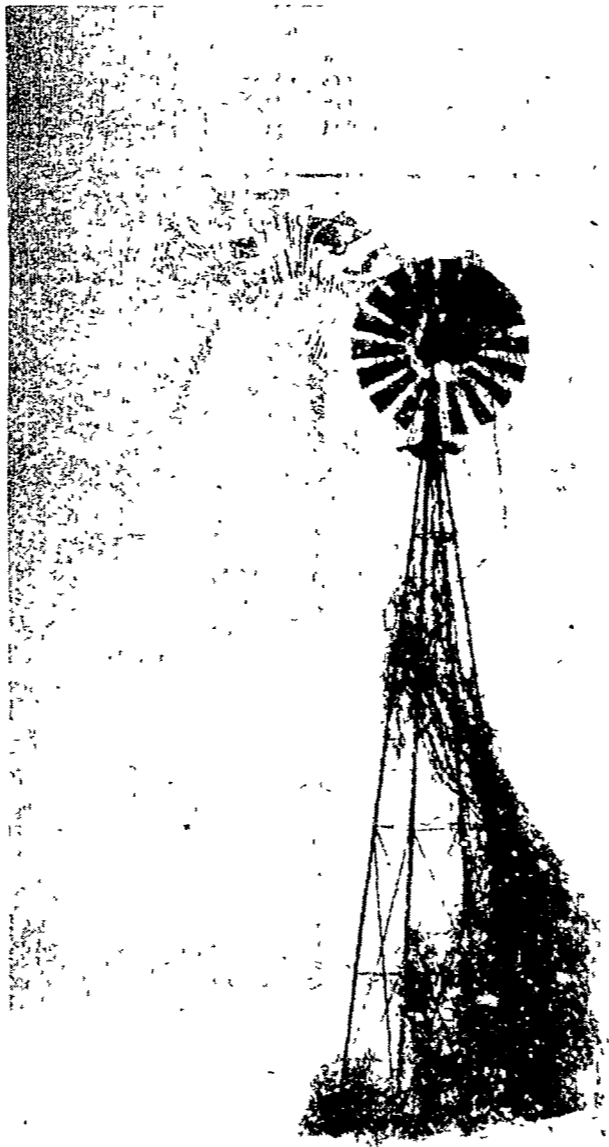

I suppose I should be all for men cutting into a woman's profession, in this day of women's lib, but I'm not.

After all, what is this world coming to when there is no longer any form of entertainment "for men only"?

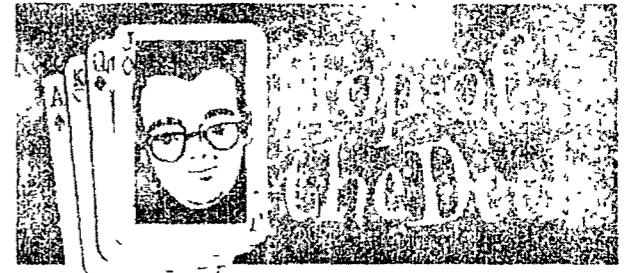

Ernie Brown  
Male Chauvinist, etc.

By JAMES GALBRAITH

Retired Windmill

By JACK W. HOFFMAN

It's admittedly "the most dangerous intersection in the City of Northville; but, unfortunately, the condition at Eight Mile - Novi Road goes unchanged.

Twenty-one reported accidents occurred there last year and no one really knows how many went unreported.

"Near misses" are so frequent that Sally Burke, our news editor, and her husband have given up trying to count them when watching from their back window. "It's unbelievable the number of times we hear brakes squealing."

Anyone who has observed the intersection knows that three-quarters of the motorists fail to come to a complete stop before entering Eight Mile from Novi Road.

The west-bound Eight Mile motorist, who intends to turn right at Novi Street, is riding to an accident if he flips on his turning signal on the approach.

The north-bound or south-bound Novi Street motorist, intending to cross Eight Mile Road, particularly in the morning or late afternoon, is riding to a fatality.

The east-bound Eight Mile motorist, who intends to turn left onto Novi Street, is fair game for a rear-end collision.

And children, who stand on either side of Eight Mile Road intending to dart across at the intersection, are waiting for a funeral.

Let's face it, this multi-corner intersection is awfully deadly.

And I don't buy the argument that motorists can avoid the danger by using alternate routes. The intersection exists and unless road blocks are erected it will be used by motorists and pedestrians. After all, most cars have seat belts but relatively few use them.

Furthermore, those who argue that the "danger" will pass when the new north-south expressway is opened are fooling no one. Even the city's own planning consultant acknowledges that any "relief" resulting from the new expressway will be temporary at best.

It also should be pointed out that while planners hope the intersection eventually will be "straightened out" when a new north-south route is constructed through Northville, construction of that new route is admittedly still many years away. Meanwhile, the "most dangerous" intersection remains and will grow increasingly worse unless something is done now—not next year.

Traffic counts notwithstanding, it is imperative that the city press Wayne and Oakland County for a traffic signal at the intersection.

### 'Old Tree' Laments Loss

To the Editor:

I have lived in Northville a long time now. Why, I can remember when the old library building was built—it was a church then, back in 1845. Seems it used to be one of the busiest places in town. All the kids traipsed in and out. When it became our much needed library, they would get a good book and come and sit with me in the shade, on a hot summer day and everything was so peaceful. Then on those lazy summer

evenings everyone met behind the old city hall for the band concerts. Parents relaxing on the lawn, proud of their teen-agers and the young kids playing tag in and out and going off to the dairy for an ice cream. Well, everything changes, folks. Now, this big machine demolished our city hall...seems it was too old and the new building, why it even housed the library so eventually that building was moved out, too. Then the

great excitement, last summer some men tore out the last buildings hereabouts and started digging this enormous hole right here in front of me. They would get so warm some came to stand under my branches to cool off. The kids would flock around, leaving their bikes propped against me, they would run to peer through the fence to watch the "diggers". Seems next we were to get a deluxe

# • OBITUARIES •

## MAX C. DILLENBECK

Max C. Dillenbeck, 34, of 703 West Crane Street, Howell, died Thursday, February 8 at St. Joseph Mercy Hospital in Ann Arbor following a brief illness.

He was born February 7, 1939 in Northville, a son of Max C. and Blanche Tomaszewski Dillenbeck. A graduate of Northville High School, he was married to the former Marilyn Hagman.

Mr. Dillenbeck was employed at the General Motors Proving Grounds at Milford and was a member of the Howell Elk's Lodge and St. Joseph Catholic Church.

Preceded in death by his father, Mr. Dillenbeck is survived by his wife Marilyn; his mother, Mrs. Blanche Dillenbeck of Northville; two grandfathers, Ray Dillenbeck of Williamston and Frank Tomaszewski of St. Clair Shores.

Funeral Mass was held Saturday, February 10 at St. Joseph Catholic Church in Howell with the Reverend Father Gilbert Rahring officiating. Burial was in Mt. Olivett Cemetery in Howell.

## JOEL FARNSTROM

Funeral services were held Wednesday, February 23, for Joel E. Farnstrom of 46957 Curtis Road who died February 26 at the age of 81.

Mr. Farnstrom, who lived in Northville for the past two years, died at Hendry Convalescent Home in Plymouth.

Born December 23, 1891, in Stockholm, Sweden, he was the son of Albin and Anna Farnstrom.

Mr. Farnstrom was a member of the First Congregational Church of Detroit and a retired tool and die maker with R. D. Baker Corporation of Royal Oak.

Surviving is a daughter, Mrs. Paul (Mary Ann) Hunt of Northville, and two grandchildren, Bonnie and Joel Hunt, also of Northville.

Services were held at the Casterline Funeral Home where Dr. Erwin Britton of the First Congregational Church of Detroit officiated. Burial was in Grand Lawn Cemetery, Detroit.

## BERTHA FRANKLIN

A resident of the Northville-Salem area for 73 years, Bertha Franklin died at the age of 87 in St. Joseph hospital, Ann Arbor.

Mrs. Franklin, who lived in Howell, died Tuesday, February 20, after a short illness.

Funeral services were held Saturday at the Casterline Funeral Home where the Reverend Harold Harris of Church of the Nazarene in Howell, of which she was a member, officiated. Burial was in Bell Branch Cemetery, Redford Township.

Mrs. Franklin was born August 28, 1885, in Clarenceville, the daughter of John and Minnie (Voss) Broegman. Her husband, Merrill, died in 1942.

Surviving are three daughters, Mrs. Grace Shoebrieger of Northville, Mrs. Irene Huyck of Treadwell, New York, Mrs. Marion Davis of Milford, five sons, Ival of Fowlerville, Howard of Holly, Louis of Fort Meyers, Florida, LaVern and Harold, both of Howell, a brother, Ernest Broegman of Dearborn, 23 grandchildren, 33 great-grandchildren and two great-great-grandchildren.

## WILLIAM GAUSE

Funeral services were held Tuesday morning, February 27, for William H. Gause of Spencerville, Ohio, who died February 24 in St. Rita hospital, Lima, Ohio, at the age of 80.

Mr. Gause lived in Northville part of the year and trained and owned race horses in the area.

Born November 21, 1892, in Decatur, Indiana, he was the son of Dayton and Mary (Hinderlang) Gause. He married Bessie Baker Pearson on August 30, 1941.

A veteran of World War I, Mr. Gause was a charter member of the Veterans of Foreign Wars post in Spencerville, life member of Elks Lodge 54 in Lima and a member of the US Trotting Association.

Surviving are his widow of Spencerville, a daughter, Mrs. Carl (Betty) Place of Spencerville, a brother, Daniel, a sister, Mrs. Victor (Esther) Hurlless, both of Ohio City, Ohio, five grandchildren and three great-grandchildren.

Services were held at the Thomas E. Bayliff Funeral Home in Spencerville where the Reverend Willard Thomas of the Christian Church in Harrod, Ohio, officiated.

## MARY GIRK

A former resident of Northville Township, Mrs. Raymond (Mary Adele) Girk, 57, died February 12 at Thousand Oaks, California.

Born March 16, 1915 in Tennessee, she was married in May of 1936. Her husband survives at home in Thousand Oaks.

Mrs. Girk moved to Northville in 1964 from Detroit, living on Smock Street until moving to California last November.

Other survivors include daughters, Mrs. Sandra Detlefs of Northville, Mrs. Elizabeth Papelian of Southfield, and Mrs. Judith Franz of Thousand Oaks; six grandchildren; and two sisters, Jackie Sellman of Detroit; Samie Wykoff of Houghton.

Funeral services were held in Thousand Oaks, on February 15, with burial in Conejo Mountain Memorial Park in Camarillo, California.

## CHESTER TEASEL

Chester C. Teasel, 81, of 525 Fairbrook, died Wednesday, February 21 at St. Joseph Hospital in Ann Arbor.

Founder and president of the National Foundry Sand Company, Mr. Teasel was born June 21, 1891 in Ohio to Andrew C. and Mary Ross Teasel.

His wife, Helen Sloat Teasel, survives him.

Other survivors include two sons, Richard C. of Toledo, Ohio and William A. of Bloomfield Hills; and six grandchildren and three great-grandchildren.

Mr. Teasel, who founded National Foundry Sand Company in 1931, was a member of the Masonic order in Sandusky, Ohio, the American Legion and the American Foundrymen's Association.

Funeral services were conducted Saturday, February 24 from the Schrader Funeral Home of Plymouth, with the Reverend Fr. Robert S. Shank of St. John's Episcopal Church officiating.

Burial was in Riverside Cemetery in Plymouth.

PHILIP OGILVIE

## Attorney to Speak Again

# Reviews Annexation Legal Aspects

The legal aspects of annexation, as well as some of the pros and cons, will be presented next Thursday evening (March 8) by City Attorney Philip Ogilvie to members of the Presbyterian Men's Club.

Ogilvie has been city attorney since incorporation in 1955 except for two years when he served as municipal judge. Prior to incorporation,

Ogilvie was Northville village attorney for two years.

A similar presentation was made this week by Ogilvie at the Tuesday noon meeting of the Northville Rotary Club.

He pointed out that two methods are available under state law for accomplishing unification of adjoining city and township governments.

The first, consolidation, calls for an election to form a

charter commission made up of residents of both the city and township. He explained that under this procedure the governments of both the city and township are dissolved and a new government formed. Two elections are needed, he noted; first to elect a charter commission, which must draft a charter; and secondly to approve the charter and, if it is approved, elect a new council.

Ogilvie explained that this procedure may take up to two years and can be repeated if turned down by the voters.

The annexation method of accomplishing unification, Ogilvie explained, provides that upon presentation of petitions from residents of the city and township, the state calls for a public hearing on the question conducted by a state-appointed commission composed of city and township citizens outside the area involved.

He noted that under the latter procedure, chosen by Northville One in the current Northville unification question, the city government is preserved, and the boundary commission decides whether or not the unification should take place.

In instances where the

boundary commission ruling favors unification an election may be called by either or both the city and township through petition, Ogilvie pointed out.

He noted that in the Northville example, the city council has announced that it will resign in the event unification is approved by voters so that the total new community may elect its city officials.

"Although we think we have an excellent city charter, which has been revised and updated periodically, it's also possible that a new council could call for complete charter revision," he stated.

Ogilvie concluded that in his opinion if township residents feel they already have all the services they need, then they

should vote against annexation.

"But if more services are to be needed, then it would seem that unification of the city and township would be the cheaper way by avoiding duplication of services and facilities," the city attorney concluded.

His address drew several questions from the audience including rebuttal from Rotarian Joseph Fiorilli, who noted that as a township resident he wanted to preserve the right to vote for additional taxes as the need for services arise.

The March 8 Men's Club meeting begins with dinner at 6:30 p.m. at the Presbyterian Fellowship Hall. Jan Reef is program chairman and will introduce Ogilvie.

modern shopping mall and oh, the people that will come to see that!

Such a busy town and advancing so rapidly. I sure did look forward to seeing that new fangled place completed but I guess my usefulness is over. You see, 'those in charge of such things', decided that, "That tree on the corner and the others along the street in this area have to go." They arrived with their saws and trucks so you won't be seeing me after today. This is the last day of my life and I will miss standing over this corner. I wonder if any human will notice or will they think, "Oh, it was just an old tree." Note: I don't suppose this will be published as it's rather long but when I drove to the post office and saw the crew cutting out that tree I just had to comment.

Sincerely,  
Mrs. Richard Davis

# 2nd Elementary School Approved

Continued from Record, 1

noted that population projections show "there may never be a need for a 750-student school in Highland Lakes."

Currently, there are 81 elementary children in Highland Lakes with an ultimate population of 540 elementary children. Northville Commons-Northville Colony area presently contains 250

elementary students with a total of 917 projected.

Trustee Andrew Orphan said he favored constructing a 750-student school in Northville Commons since "half of those classrooms would be filled when the school opens in 1974. Building a 500-student school in Highland Lakes and a 750-student school in Northville Commons would cost \$367,000 less in interest costs than building two 500-student

schools now and adding on to Northville Commons school later," he said.

Orphan's motion to that effect died for lack of support. A motion made by Trustee Richard Ambler and supported by Johnston to build two 500-student schools passed by a 6-1 vote.

Deibert said he would support constructing a "single 750-student school so we are not caught short." He added that the district

was defeating the purpose of its year round school program by building classrooms that are not needed. Year round school was to increase capacity of existing buildings by 33 percent, he reminded the board.

Superintendent Raymond Spear acknowledged that this was true, but noted that "the people said they did not want a mandated year round school program."

Rinehart commented that year round school "is also beneficial to education, not just for getting more people in existing buildings."

Deibert also said he was afraid the board was segmenting the district by building schools for two specific subdivisions. He added the concern should not be where to build the schools but rather are the schools needed.

"I am not attracted to an appeal that is geographic in nature," Deibert commented. "I would like to feel that we are concerned district-wide with buildings and not just two numbered areas of the community."

He added that the "two subdivisions that pay the

highest tax per home (Edenderry and Shadbrook) have the oldest elementary school to serve them (Main Street).

"New subdivisions are getting new schools and the schools will be convenient to them," he stated.

Orphan reminded Deibert that the "educational needs of the kids (in the Edenderry and Shadbrook) have not suffered in the old school."

Trustees also agreed, by a 6-1 vote, Deibert casting the "no" vote, to direct the architect to design the school at Northville Commons so it could be expanded, to 750 capacity.

Bids will be taken on both 500 and 750 student capacity designs for the Commons school.

In other action Monday, school board members

awarded a bid for six 66-passenger bus chassis to John Mach Ford for a total of \$32,226 and agreed to have bodies furnished by McFadden Corporation in accord with the 1967 lease-purchase agreement for a cost of \$30,444. Three of the buses will replace existing buses,

# Capacity Nearing

Continued from Record, 1

"Second will be the middle school in 1975-76 and third will be elementary schools in 1976-77."

"We are building what we do not need," Deibert stated.

Superintendent Raymond Spear explained that the board "some time ago decided to build two elementary schools, a middle school and a high school.

"The high school was the most expensive and the least desirable to have empty classrooms so it was decided to build it last," Spear commented.

Two elementary schools, ready for occupancy in September, 1974, and a middle school, ready for occupancy in late 1974 or early 1975, will be under construction while plans and educational specifications are being established for the high school, he added.

Spear said he agreed with Deibert that the "need lies at the high school, but it was the board's decision to build the schools in this order. By reorganizing the grade structure, we can forestall construction need for the high

school until 1977."

He explained that if the high school opened in the fall of 1974 when it would be needed, "it would sit vacant for the most part until the mid-1980's."

Reorganization of the grade structure would include kindergarten through fifth grade at elementary schools, as is present policy; sixth and seventh grade in one middle school; eighth and ninth in the second middle school; and tenth through twelfth grades in the high school.

Spear has also suggested that the administration offices then be moved into the middle school annex, vacating the present board offices and turning them over to the library, as has been under study for several years by the Library Commission.

Trustee Stanley Johnston also commented that the first bond issue, defeated in April, 1972, carried monies for acquisition of a high school site. The second bond issue, approved in June, 1972, only carried site option monies.

The district has sites for the two elementary schools and middle school but none for the high school.

"When we're ready to build the high school," Johnston added, "state equalized valuation and building may have gone up to a point where we will not have to ask for much extra money for construction."

Deibert maintained he was "sure we will join with other school districts in double shifting the high school. We will contend with that when the time comes"

He said he was concerned that the district was overbuilding at the elementary level.

Spear said the State of Michigan Department of Education guidelines suggest "new schools should be full to within capacity between five and six years from date of completion."

"They have examined our plans and we comply with their guidelines," he emphasized.

Spear also added that student population would be shifted from the existing Amerman, Main Street and Moraine elementaries, allowing all five elementary schools room for growth.

**ANOTHER CHANCE**—With the assessment informational meetings held last week now in the past, property owners who wish to formally protest their assessments may do so at the board of review hearings slated March 13. City Manager Frank Ollendorff, who discusses assessments with residents (above), has stated that persons who wish to examine the assessment books may do so by contacting him at the city hall.

# Signatures Obtained

Continued from Record, 1

March 14.) According to information secured from the Boundary Commission and elections officials by Township Trustee John MacDonald, an attorney, an election—if ordered by the commission—isn't likely to occur before August.

If that is the case, the election would be held one year after the Boundary Commission held its public hearing here on the proposition to annex the township to the city.

In announcing results of the township petition drive, Lysinger and Adams said "citizen response has been overwhelming."

"The only disappointment in the campaign," they said, "was the refusal by some elected officials and civic leaders to sign petitions even though they had earlier made statements that they would do so."

They declined to reveal the names of officials and civic leaders.

"We sincerely appreciate the time spent by the volunteer workers who circulated petitions. Based on the response, we are confident that the majority of the township residents are opposed to annexation," the chairman said.

Now that the signatures have been obtained, they said, the opponents of annexation will concentrate their efforts in campaigning against annexation.

The committee that will campaign, they said, numbers approximately 50 at

the present time. Township Clerk Sally Cayley revealed this week that she has requested a written confirmation that she is to validate township petition signatures. Earlier, the Boundary Commission verbally requested that she validate them.

"As of February 12, 1973, the township had a total of 4,448 registered electors," Mrs. Cayley said. "By rules established by statute, 25-percent of this number must sign petitions to ensure an election on this matter. If, after validation, there is in excess of 1,112 signatures, there is no question a referendum will be held."

Based on information she has received, "it appears that it will be mid-summer before this election can take place," she said.

The clerk stated that the annexation issue has

prompted a large number of new voter registrations in the last month. "On several occasions I have been invited to appear at specific areas to conduct voter registration sessions, which have been very well received and many people have had the opportunity to register," she said.

If an election is held in either the city or the township, or if it is held in both, a negative vote in either would kill the annexation proposal—even though the State Boundary Commission has ruled in its favor.

The commission was unanimous in its decision that the two communities should be unified.

Township officials are split on the question, while all city councilmen have stated in the past that they favor the single form of government.

# Mustangs Trip Brighton for 3rd Win

No one was billing last Friday's clash between Northville and Brighton as a "Battle of Titans."

In fact, the combined 3-30 records of the two contestants would have led less-sympathetic scribes to bill the contest quite differently.

But one of the nice things about games between teams with records like 2-15 (Northville) and 1-15

(Brighton) is that somebody has to win and in Friday's game it was the Mustangs who emerged triumphant.

Final score showed Northville on top 61-47.

"Well, we've now won a game in every month of the season," noted Mustang Coach Walt Koepke. "The state tournaments state in March and if we keep that record in tact we might make

it to the district finals."

Actually, there wasn't much Koepke could say about his team's performance other than that they won. It was not one of the Mustangs' better performances.

Brighton, you see, is a particularly bad basketball team and the sad truth of the matter is that the Mustangs had trouble with them. At the end of the third

quarter, Northville held a mere 10-point lead 44-34. And when the Bulldogs went into their fullcourt press at the start of the fourth quarter, the Mustangs practically fell apart.

Racing wildly around as if they - and not Brighton - were ten points behind, Northville repeatedly turned the ball over to the Bulldog press.

After the first two minutes of the fourth quarter, Northville's lead had shrunk to a mere six points 50-44 and only the fact that Brighton's Dan Shosey somehow managed to miss a lay-up after intercepting a poorly thrown pass kept the lead from dwindling to four points.

"The missed lay-up was the turning point," said one disgruntled Northville fan. But then another one of those nice things about playing

teams with 1-15 records is that they frequently miss lay-ups

Finally, Koepke called time out and reminded his cagers that they were on top and didn't need to hurry. The Mustangs returned to the court and started running their disciplined offense and the Brighton threat was ended. Dave Duey hit a pair of 15-footers and Ed Kritch tossed in four free throws as the Mustangs regained their composure and pulled away to the 61-47 victory.

The disheartening thing about the game was that the Mustangs had to struggle to win and that fact serves to emphasize the point that the quality of Northville's play varies according to its opponent.

Livonia Churchill is probably as good a team as any on the Northville schedule

and the Mustangs played well enough to come within two points of beating them.

Theoretically, at any rate, if the Mustangs can come that close against Churchill they ought to be able to beat just about anyone else on their schedule.

And it's a lead pipe cinch that they have been capable of much more than the mere three victories they have managed to date. Unfortunately, the Mustangs seem bent on playing just well enough to lose - narrowly

After playing to a 14-12 lead over Brighton in the first quarter, the Mustangs finally came alive in the second quarter. With Joe Bishop flipping in three short jumpers and forward Bart Taylor twice breaking loose on the fast break, Northville outscored Brighton 20-8 to

take a 34-20 lead at the half.

"We should have come out in the third quarter and just blown them completely off the floor," said Koepke, "but something went wrong. We couldn't score and they started hitting"

Jim Johnson scored three field goals, as the Bulldogs cut Northville's lead to 44-34 at the end of three quarters and set the stage for the final period.

The Mustangs had good shooting percentages both from the floor and at the free throw line. Paced by Kritch and Bishop, their tandem of junior backcourt men who hit on eight of eight attempts, Northville converted 11 of 15 charity tosses, while from the floor they connected on 25 of 45 attempts.

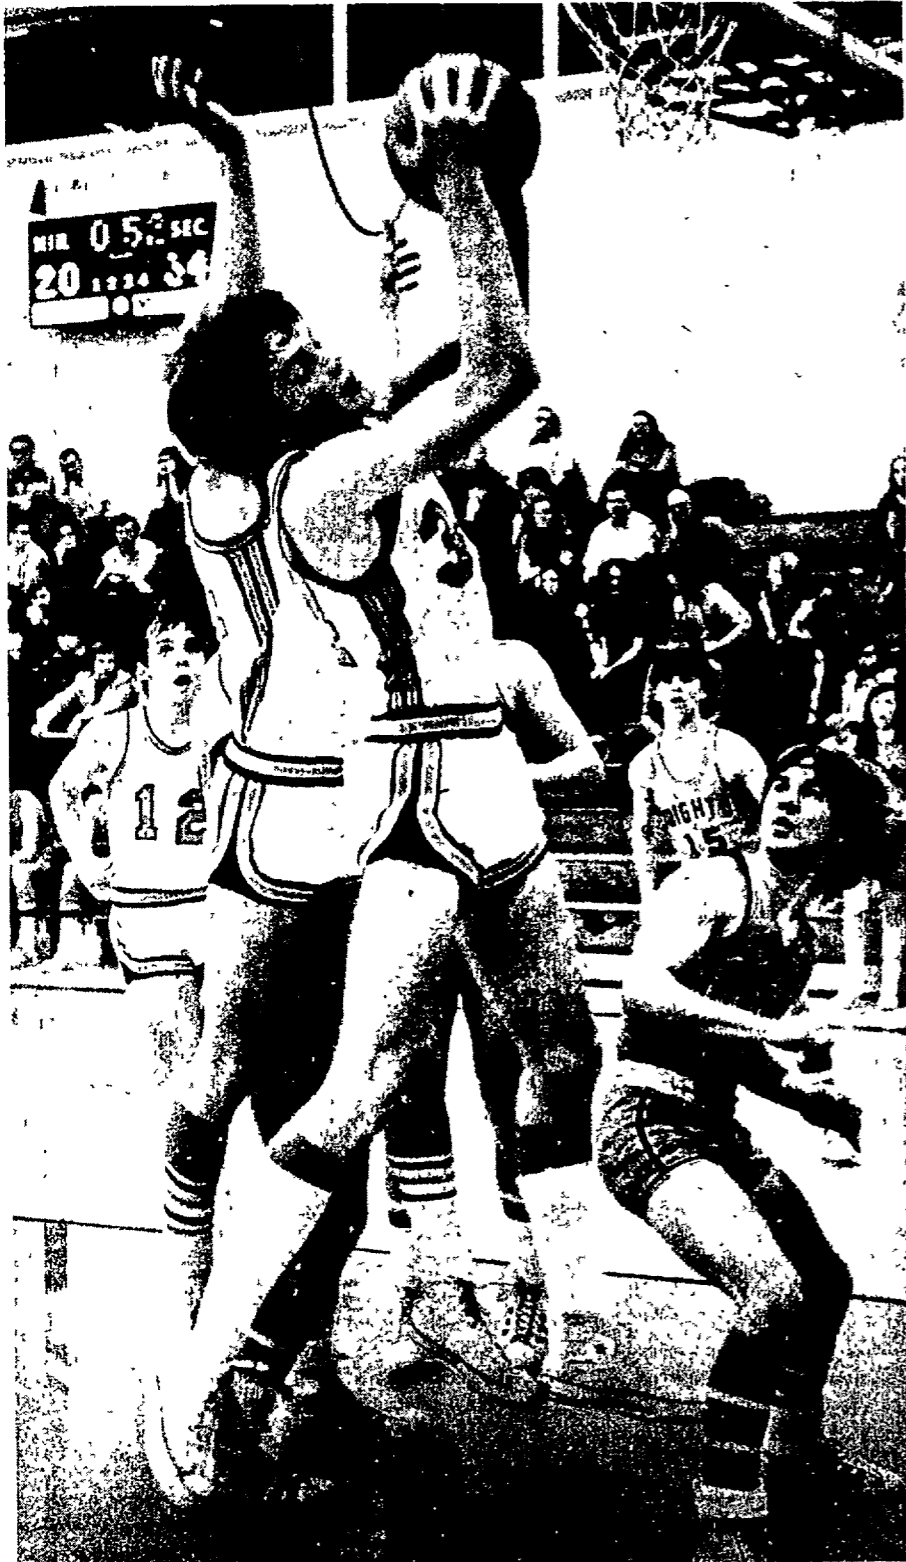

Bishop led the Northville attack with 18 points, while

three other Mustangs - Kritch, Taylor, and Todd Eis each scored 10 points.

Eis led Northville in the rebounding department by hauling in 12 caroms. Kritch was second with seven.

The Mustangs will bring their regular season to a close tomorrow (Friday) when they play host to Walled Lake Western. The Warriors won the first game between the two teams in January 51-47. Game time is approximately 8 p.m.

NORTHVILLE		BRIGHTON	
Bishop	8	2-2	18
Kritch	2	6-6	10
Duey	2	1-3	7
Taylor	4	2-3	10

Lev Allen	3	0-4	6
Voyatzoglou	7	1-3	15
	22	1-11	47

HAVING A BALL—Northville's fine junior forward Todd Eis clears the boards Friday in the Mustangs 61-47 victory over Brighton. Eis flipped in 10 points and led the team with 14 rebounds as he played a major role in Northville's third victory of the season.

## Stretch Streak to 4

## Mustang JVs Win 2

Coach Omar Harrison's red-hot Northville junior varsity basketball team continued its second half surge last week by picking up two more victories.

The junior Mustangs have now won four in a row and nine of their last 11 games in

advancing their season's record to 11-7.

First team to fall to the surging Mustang jayvees last week was Milford which dropped a 59-42 decision Tuesday. And then on Friday the Northville jayvees downed Brighton 78-62.

Free throws provided Coach Harrison's quintet with their 17-point margin of victory over Milford. Led by Scott Leu who bucketed nine of 10 charity tosses, the Mustangs hit on 25 of 34 for a 74 percent mark from the free throw line.

Milford, on the other hand, collected more field goals than the Mustangs (18-17), but connected on six of just 13 free throw attempts.

Tom Eis' 19 points paced the Mustangs and he was joined in double figures by Leu who tallied 13 and Rick Norton and Chris Armada who each tallied 11.

Northville outscored Brighton in every quarter in rolling to a 78-62 victory. After taking a 19-8 first quarter lead, the Mustangs outscored the Bulldogs 27-19 in the second stanza as they rolled to a 46-27 lead at the half.

Brighton rallied in the second half, however, and cut the lead to just five points at one point against the Northville reserves before Harrison reinsited his starters and wrapped up the victory.

The Mustangs were led in scoring by their backcourt duo of Scott Leu and Chris Armada. Leu topped 20 points for the fifth time this season with a 23-point performance and Armada backed him up with a 16-point effort. Doug Crisan tossed in 11 points for the Mustangs.

## Ypsi Pulls Away in 4th Quarter

# Lincoln Surge Tops Novi

A third quarter rally, which boosted Novi to within two points of second-place Lincoln, literally "went by the boards" Friday as the jumping, towering Railsplitters snatched what proved to be an easy victory, 80-60.

Ypsilanti's superior rebounding coupled with Novi mistakes proved decisive in Lincoln's second win over the Wildcats this season.

It was much the same in their first encounter as Ypsi dominated the boards, grabbing a 59-43 decision after nearly losing the lead midway in the game.

The victory kept the Railsplitters hopes alive for a piece of the Southeastern Conference championship.

But whether or not Lincoln will share the SE crown rests with Novi as the Wildcats tangle with the conference leaders at Milan tomorrow night. A Novi victory would boost the Railsplitters into a tie with Milan.

Going into tomorrow's game Novi is in fifth place with no chance to gain or lose in the standings. Milan, on the other hand, has but a whisker of a lead (12-1) over Lincoln (11-2).

While his cagers can't climb in the standings, Novi Coach Milan Obrenovich would like nothing better than close out the season by knocking off the conference leaders. And while the chances are slim, a Novi victory is not impossible.

When they first met early in December, Novi blew a 10-point halftime lead and lost to Milan in the final quarter.

Last week the Wildcats spotted the Railsplitters comfortable first and second quarter leads before staging their futile rally.

It was close throughout most of the first quarter until Ypsi pulled away in the final minute, 23-16. In the second quarter the Railsplitters took command of the boards, increasing their lead to 12 points at the intermission, 43-31.

In the third quarter, Novi scored eight straight points to pull within four of Lincoln before the visitors called time to regroup. Then with less than three minutes to go in the quarter, the Wildcats cut the lead to two points, 45-43.

It was nearly midway through the period before Lincoln scored its first point, but in the final minutes the Railsplitters scored 10' to keep an eight-point, 53-46 lead

going into the final stanza. In the final quarter, Lincoln sailed along unmolested, dumping in 27 points to win

going away. Lincoln's Mike Massey, who was devastating on the boards, garnered 29 points to

take scoring laurels. Another Lincoln player, Larry Hunter, fired 23 points.

Leading scorer for Novi was

Steve Lukkari with 18, followed by Jim VanWagner with 15.

Novi converted six of its 14 shots from the free throw line, while Lincoln converted 12 of 16 from the floor, it was Lincoln, 34 to 27.

NOVI		LINCOLN	
Boyer	4	0-1	8
Pantalone	6	0-0	12

## Jr. Football Loop Elects Officers

Henry Tillikka has been elected president of the Board of Directors of the Northville Junior Athletic Association as plans for the 1973 Colts' football season have begun.

Other officers of the recently-elected Board of Directors are Chuck Stevens, vice-president, Marilyn Bell, secretary, Bob Barnes, treasurer, and Tom Campbell, financial vice-president.

The rest of the board is comprised of Jim Armstrong, Dick Barron, Bud Bell, Dick Bloomhuff, Ken Harper, Ray Kelly, Dick Koziara, Bob Lupini, Dick Lurvey, Ted Marzonia, Bernie McClorey, Bill McLaughlin, and Dennis Nadeau.

The Colts, a member of the Western Suburban Football League, will be represented on the League Board by Tillikka, Stevens, Bloomhuff, and Nadeau.

At its monthly meeting, the Board appointed Stevens as Equipment Manager, Campbell as Concession Chairman, Lurvey as Unit Director, Lupini as Candy Sales Chairman, Marzonia as Social Events and Banquet Chairman, and McLaughlin as Public Relations Chairman.

Following their successful 1972 season, the Colts will again field varsity, junior varsity, and freshman teams this fall. Further plans for the upcoming season will be announced soon.

## Schedule

**THURSDAY, MARCH 1**

## Tournament Match-Ups

BRIGHTON

(All games start at 7:30 p.m. at South Lyon High School, winner goes to Saline Regional)

## Northville, Novi Play Monday

# District Tournaments Start

Northville and Novi will bring their regular 1972-73 basketball seasons to a close Friday and begin play in the post-season MHSAA basketball tournaments Monday.

Northville, which is in the Class B district at South Lyon, will meet Pinckney in the opening round of the state play-offs at 7:30 p.m. Monday; while Novi, which is in the Class C districts at Pontiac Catholic High School, is slated to go up against the host school at 8:30 p.m. Monday in the opening round.

The South Lyon district in which Northville will play is definitely a weak one. Of the six teams in the district, only two - South Lyon (11-8) and Pinckney (12-7) - have winning records, while the combined record of the six teams is a poor 39-72.

In addition to South Lyon, Pinckney and Northville (3-15), the other teams in the district are Clarenceville (4-14), Dearborn Heights Riverside (8-11), and Brighton (1-17).

Northville finds itself in a bracket (see chart) with Pinckney and Brighton. Should the Mustangs get past D.J. Lincoln's Pirates Monday, they will meet the Bulldogs

Wednesday with the winner facing the winner of the other bracket in Saturday's championship game.

South Lyon, last year's district champion, is favored to win the other bracket. The Lions will play Riverside Tuesday with the winner meeting Clarenceville Thursday to vie for the right to proceed to the district finals.

All games start at 7:30 p.m. Coach Milan Obrenovich has high hopes that his Wildcats can move to the championship of the Pontiac district.

Novi will pit its 9-10 record against Pontiac Catholic (12-6) in the first round Monday at 8:30 p.m. with the winner playing Orchard Lake St. Mary's (11-7) at 8:30 p.m. Wednesday. The winner of Wednesday's game will advance to the district finals.

In the other bracket, Pontiac Lincoln (14-2) will meet Detroit Country Day (9-7) Monday at 7 p.m. with the winner meeting Ortonville Brandon Wednesday at 7 p.m. The winner of that game will then meet the winner of Novi's bracket Friday at 8 p.m. to determine the district championship.

## Meet Harrison Tonight

# Tankers Eye Revenge For Lone 1973 Loss

Revenge is what the members of the Northville swim team will have on their minds Thursday when they travel to Farmington Harrison to take on the powerful Hawk tankers.

It was Mike Rado and Company, you may recall, who handed the Mustangs a 48-47 loss back in January, bringing an end to a 29-meet win streak that stretched all the way back to 1970.

Northville had built up a 47-41 lead in that meet, but lost the final event — the 400 yard freestyle relay — to Harrison and thus lost the meet.

According to Ben Lauber, coach of the Northville swimmers, Thursday's meet will be just as close.

"It's hard to believe how evenly our two teams are matched," he stated. "Their Gregg Arnoldy beat our Don Cook in the 400 yard freestyle earlier, but now Cook has a 4:07.0 and Arnoldy has a 4:07.4 and it's that way in almost every event. It will be a meet of one extremely close race after another. There's no way of telling who's going to win."

Should the meet go right down to the freestyle relay as it did last time, the closeness of the two teams will be amply demonstrated. Both Northville's and Harrison's freestyle relay teams have identical best clockings of 3:31.7.

"Actually, I don't think the tension from the last relay will bother me at all," quipped Lauber. "I expect to have come up long before it ever comes up."

"I'll tell you one thing," the Mustang senior continued in a more serious vein. "I sure hope we get a lot of fans going over to Harrison to watch us. You have no idea how much that helps."

The meet starts at 7:30 p.m. in the Harrison pool.

Regardless of the outcome of Thursday's dramatic showdown, the meet will bring the Mustangs' dual meet season to an end, leaving only the Grand Blanc Relays and then the conference and state championships on the schedule.

"We've already begun to taper down our workouts to try to get ready for our best possible performances at the end of the season," reported Lauber. "I think we have a chance to win both the conference and the state championships, but we also have a chance to lose them both. I expect both meets to be very close."

The Mustangs had only one meet last week and they had little trouble in dispensing with Western Six Conference foe Livonia Churchill 65-30.

The Chargers depend primarily on the considerable talents of Ken Dove and Randy Siefert, but after that their strength drops off. True to form, Dove, who is probably second only to

Harrison's Mike Rado in all-around swimming ability in the conference, won two events and Siefert won once, but those were the only three victories the Chargers took, as the Mustangs won eight of 11 events.

Still, Lauber was not pleased with his squad's performance.

"I was quite disappointed in our times," he said. "It was probably the worst performance we've had all year. You expect to have your ups and downs, but to have so many of your swimmers swimming poorly all at the same time is a little frightening."

One Mustang swimmer who was churning through the water in style was distance freestyler Don Cook, who tied Kevin Kelly's team record of 1:54.3 in winning the 200 yard freestyle. Kelly was second in the event, a little less than two seconds behind Cook.

Cook also won the 400 yard freestyle with a 4:09.2 clocking.

John Pacific also turned in a creditable performance by winning the 50 yard freestyle in 23.7 seconds. "John's been doing a fine job for us," said Lauber.

Another consistent performer who won against Churchill was diver Tom Cook who compiled 236.60 points in winning his specialty.

Other victories were turned in by Jeff Kappler in the 100 yard backstroke (1:01.3) and Art Greenlee in the 100 yard breaststroke (1:07.6). In addition Northville's medley relay team of Kappler, Greenlee, Manochio, and McLaughlin finished first in the time of 1:51.4 and the freestyle relay quartet of Pacific, Don Cook, Kelly, and Bill Witek came out on top in their event (3:35.6).

"I just hope we get our times back down to where

they should be before we have to swim against Harrison," commented Lauber. "You've got to be at your best to beat a team as good as they are."

- 200 Medley Relay: 1 Northville (Kappler, Greenlee, Manochio, McLaughlin), 1:51.4; 2 Churchill (Siefert, Burr, Bredeweg, Groot), 2:03.4
- 200 Freestyle: 1 D. Cook, N., 1:54.3; 2 Kelly, N., 1:56.0; 3 Bryan, C., 1:58.03 (Cook's winning time ties the team record held by Kevin Kelly)
- 200 Individual Medley: 1 Dove, C., 2:11.6; 2 Witek, N., 2:12.9; 3 Greenlee, N., 2:21.3
- 50 Freestyle: 1 Pacific, N., 23.7; 2 Turner, C., 24.7; 3 McLaughlin, N., 25.1
- 100 Backstroke: 1 Kappler, N., 1:01.3; 2 Haynie, N., 1:04.2; 3 Bar, C., 1:05.5
- 100 Breaststroke: 1 Greenlee, N., 1:07.6; 2 Siefert, C., 1:10.2; 3 Manochio, N.
- 400 Freestyle Relay: 1 Northville (Pacific, D. Cook, Kelly, Witek), 3:35.6; 2 Churchill (Jeffries, Bar, LeMay, Bredeweg), 3:49.9

# Bill Norton Heads For Mat Regionals

The 1972-73 season came to a close for everyone on the Northville High School wrestling team except Bill Norton Saturday.

The 141-pound senior captain of the team was the only Mustang grappler to successfully pass through the Class B district tournament at Avondale High School Saturday.

He thus qualifies for regional competition at Saline this coming Saturday, and should he finish in the top four in his weight class at Saline he will be one of 16 prep wrestlers who will assemble the following weekend to battle it out for the 141-pound

state Class B championship.

Norton's performance at Avondale was the lone bright spot in what was otherwise a long and dismal day for the Northville wrestling team. The Mustangs finished eighth in the 14-team district field with six and one-half points — three and one-half of them provided by Norton.

Last year, by comparison, Northville finished fourth with 16 points — just four points out of first place — and qualified five men for the regionals.

"We didn't really expect to do as well as we did last year," commented Assistant Coach Gary Emerson. "But we thought we could get at least two men into the regionals and then the regional and all of a sudden we were one of 16 prep wrestlers who will assemble the following weekend to battle it out for the 141-pound

Jack Barger, Northville's fine 101-pound sophomore, was seeded fifth and was eliminated in the first round by fourth-seeded Bob Keyes of Bishop Foley.

First, second, third, and fourth places are not determined in the district tourney. Instead the four winners of each bracket (usually the four top-seeded wrestlers) advance to the regionals.

Norton had an easy time in defending his second-seeded bracket. In his first match he held a 20-1 lead over Mark Bowden of Marine City before pinning him with just four seconds left in the match; and in his second match he took a 19-3 decision from Chippewa Valley's Jim McDonald. All told, Norton outscored his foes 39-3.

At Saline, the four qualifiers in each weight class from the Avondale district will meet the four qualifiers from the Dexter district. The top-seeded winner from each district will meet the number four-seeded winner from the opposite district, while the second and third seeded winners from opposite districts will square off in their first matches.

Thus Norton's first bout Saturday will be against Randy Banks of Milan who finished third at 141 in the Dexter district tourney. Banks has an 18-6 record for the season and finished fourth in the Southeastern Conference wrestling championships.

Top-seeded 141-pounder from the Dexter district is Chelsea's Tim Lancaster — a wrestler with a 31-1 record for the season.

Ironically, Lancaster's lone loss was a 4-3 defeat inflicted by Norton in the Dexter Invitational last December.

## Mustanger

For the second time this season, Mustang of the Week honors go to Don Cook, Northville's outstanding junior freestyler. Lately Cook has been setting some sort of record every time he jumps in the pool. Two weeks ago he lowered his own team and pool record time in the 400 yard freestyle to 4:07.0 and last week he tied Kevin Kelly's 200 yard freestyle record of 1:54.3.

## Western Six Standings

Walled Lake Western	3 4
Northville	0 7

The Western Six Conference championship will be on the line Friday when defending champion Livonia

Churchill and Farmington Harrison clash in the season's finale. The Chargers blew an opportunity to clinch at least a tie for the title last week when they suddenly went completely cold from the floor and dropped a 56-40 decision to Waterford Mott.

Regardless of who wins the Churchill-Harrison game, the Corsairs are thus assured a tie for second place in the final standings. Churchill couldn't buy a basket against Mott. The Chargers connected on just 15 of 70 field goal attempts — a shooting mark of 22 percent. In a tight defensive battle, Mott took a 24-23 halftime lead and then pulled away in the second half to upset the league leaders. Mott's Mark Lawrence tossed in 17 points to lead all scorers. Phil Damaska and Mark Reed tallied 12 and 10 points respectively for the losers. Harrison retained the right to meet Churchill for the championship by taking an easy 64-48 decision from Walled Lake Western. The Hawks jumped off to a 20-9 first quarter lead and were never threatened after that. Tom McGrath and Nick Nickolay tallied 15 and 12 points to pace Harrison's triumph, while John Spranger was tops for the Warriors with a 12 point performance.

There's bad news ahead for future opponents of Northville's varsity swimming team.

The powerful Northville freshman squad last week

By Bob Moore

The dribbling is one of the most interesting aspects of basketball. When it is legally and well done, dribbling affords an easy control of the basketball and is a great way to give a player a chance to pick his shot or his pass off of the ball to another player. Perhaps the most famous dribblers of all time, of course, are the Harlem Globetrotters, whose dribbling skill originally began as a way to rest between trips up and down the court.

# 5 Wildcat Grapplers Eye Top Spots In Class C Regionals

Back in November. Back before the first Novi wrestler ever set foot on the mats against another opponent, Russ Gardner, coach of the Wildcat wrestling team, announced his goals for the 1972-73 season.

"I want to win 10 dual meets, two invitational tournaments, and send four men to the state meet," he stated.

But that was three months ago. The dual meet and invitational tournament seasons are now over and the record shows that Gardner's grapplers reached one of their goals and missed another.

With victories at the Airport and Novi Invitational, Novi ended up with its two invitational wins, but fell short of its goal of 10 dual meet triumphs, ending up with a 6-8 record.

Now, all that's left is the post-season Michigan High School Athletic Association's state championship tourney and Gardner remains as confident as ever about his squad's chances. In fact, he has revised his original goal of sending four men to the state tourney and insists that

the Wildcats will send five instead.

To appreciate just how big Gardner has set his goals, you've got to realize that when heavyweight Terry Auten qualified for the state tournament last year he was the first and only Novi wrestler ever to do so.

But Gardner has an ace up his sleeve this year. "Don't forget that we're not a Class B team any more," he reminded. "We're back in the Class C tournament now and that can make quite a difference."

Saturday Gardner and his Wildcats will trek to Adrian along with 17 other teams to compete in the Class C regionals. The top three finishers in each weight division will move on to the state finals the following weekend to battle it out for the state titles.

Actually, the chances of the five grapplers eyed by Gardner as potential qualifiers for the state meet are somewhat questionable. Dave Ward and Don Jackson are fighting off injuries; Gardner is threatening to leave Randy McGarry and

Bill Livingston behind if they don't start working harder in practice, and only Tommy Ford is in good shape for the meet, both physically and mentally.

"I'd definitely say Tommy has an outstanding chance of qualifying for the state meet," said Gardner. "If he wrestles the way he has in his last three matches I just don't think anyone can beat him. The Willow Run and Dundee coaches agree with me, too."

The chances of McGarry, Novi's 155-pound senior, and Livingston, a 101-pound junior, are somewhat questionable. McGarry was seeded second in the SEC Tournament and given a good chance by Gardner of upsetting the top seed for the conference title. But McGarry just didn't have it that day, was upset in his first match by an unseeded opponent.

Livingston, on the other hand, had one of his best days in the conference tourney. Seeded third in the 101-pound division, he upset the second seed and missed the championship by a mere two points when he dropped a 4-2 decision to Dexter's Mike Clapperich, a wrestler with a 26-1 record for the season.

But both McGarry and Livingston are currently in Gardner's dog house for not working as hard in practice as Gardner would like them to work.

The chances of Ward and Jackson depend on how fast their injuries heal. Jackson, a junior, finished fourth in the 148-pound weight class in the SEC Tournament, but last week injured his knee in a skiing accident.

"It's not too bad," reported Gardner. "I expect him to be ready."

Ward, a 141-pound senior, probably won't be ready for the regionals. In the SEC Tourney two of the vertebrae in his back were smashed together and he is currently encased in a back brace.

**PRESSURE** — Novi's Nancy Brzezniak has the ball, but two Northville defenders are applying the pressure in action in the Northville-Novu game Monday. The lady Wildcats came out on top, however, and thus finished a perfect 8-0 season.

# Novi Girls Clinch Perfect Season

Bring on UCLA! Novi's undefeated and untied girls' basketball team brought its 1973 season to a close Monday by taking a 35-30 decision from the Northville girls' team.

The victory brought the Novi girls' final record to 8-0. Northville has lost only twice this year, both losses coming at the hands of the lady Wildcats.

Novi moved to a 16-14 halftime lead and then managed to add three points to their lead in the second half while moving to the victory.

Nancy Pisha led the Novi team with a 12-point performance. Carol Maki tossed in eight points, while Denise DeBrule, Carol Padget, and Nancy Brzezniak added 6.5, and 4 points respectively.

In the junior varsity game, the Northville girls came out on top, 17-16. The defeat dropped the season record of the Novi jayvees to 6-2, both

losses coming to Northville. Novi's Janet Cook led all scorers in the defensive battle with six points.

### Wright Stars

Paced by Jim Wright, eight Northville members of the Bulldog Aquatic Club swam to honors in the second annual Class "B" Meet sponsored by the Walled Lake Swim Club last week.

Twenty-four swim clubs participated in the Michigan AAU-sanctioned meet.

It was Jim Wright who led the Northville Bulldogs. Competing in the 13-14 year old age bracket, Wright won the open 100 yard breaststroke and the open 100 yard backstroke. In addition, Wright placed third in the open 200 yard individual medley and tied for fifth place in the open 100 yard freestyle event.

# Michigan Christian Hands SC Final Loss

Mercifully, Schoolcraft College's 1972-73 basketball season came to a close last week as the Ocelots dropped a 94-83 decision to Michigan Christian College.

The defeat brought Schoolcraft's final record to 2-21.

"We were involved in a lot of close games," stated Coach Tom Roncoli, "but it seemed like we hardly ever won any of them."

Michigan Christian moved to a 44-39 halftime lead against Roncoli's cagers, and then pulled away to the 11-point victory in the second half.

Again it was Tom Luch who paced the Schoolcraft squad, as he tossed in 26 points.

Luch was the only Ocelot to be named to the ten-man Michigan Community College Athletic Association's All-Star team. "The 6'4" forward from Livonia Franklin joined Jim McElroy, Jim Stewart, and Curly Gardner from conference-champion Monroe CC, Larry Walls and Charles Johnigan from Washtenaw CC, Jim Ford and Bob Burnett of Highland Park CC, Ernie Crawford of Auburn Hills CC, and Jim Alverson of Henry Ford CC on the All-Conference team.

# Hockey Squirts Post Two Wins

Thomson's Sand and Gravel Squirts won a pair of games, while the John Mach Ford Bantams won one and tied another as Northville hockey teams had a relatively successful week.

The Sand and Gravel Squirts notched their first victory Saturday when they skated past Garden City 4-1.

Kirk Terpevich, Todd Vincent, and Mark Weichel all fired the puck past the Garden City goalie, before Northville goalie Kriss VanGieson yielded a third period goal.

Brian Starr rounded out the Squirts' scoring with an unassisted effort late in the game.

The Sand and Gravel Squirts in general and Starr in particular were only warming up for their Sunday game, however. In that contest Starr scored the three goal hat trick and Weichel, Brett Thompson, and Steve Stuart

added single goals as the Northville squad grabbed a 6-1 verdict.

The John Mach Bantams were slightly less successful. Rudy Horst netted a second period goal against the Westland Red Wings, but it was matched by a Red Wing tally, as the two clubs played to a 1-1 tie.

The Bantams recorded a victory in their game against Garden City. Horst scored a first period goal, but it was countered by a Garden City tally as the clubs came out of the first period deadlocked 1-1.

Tom Bradley put the Northville Bantams into the lead with a second period goal, and Phil Jackson and Gary Winemaster tallied in the third period before Garden City could score again as Northville took a 4-2 decision.

# Two Shine in AAU Meet

A pair of ten-year olds were the only Northville swimmers to place in the finals of the 1973 Ann Arbor Swim Club's Invitational "A" Meet last weekend in the Matt Mann Pool.

and Illinois were represented in the meet.

Susan Cahill and Russ Gans were the Northville 10-year olds who took places in the meet. Both are members of the Bulldog Aquatic Club from Schoolcraft College.

Susan placed fifth in the 50 yard butterfly and sixth in the 100 yard butterfly. In addition, she swam on the second place freestyle relay team and the third place medley relay team.

Gans stroked his way to fourth place in the 100 yard butterfly and then swam legs on the first place medley and freestyle relay teams.

# SEC Cage Standings

Milan	12	1
Ypsilanti Lincoln	11	2
Saline	10	3
South Lyon	8	5
Novi	5	8
Dexter	2	10
Chelsea	2	10
Dundee	1	11

46 victory over the tenacious Bulldogs Friday.

To seal sole ownership of the Conference crown, Milan now must only beat Novi in the season's finale this Friday.

Chelsea made it hard for the Big Red at the half the Bulldogs trailed by a single point—25-24—and fought all the way down to the buzzer in the second half before relinquishing the decision. Greg Armstrong and Mike Smith tallied 14 and 13 points respectively for Milan, while Jeff Schmidt's 22-point performance paced the Bulldogs.

The dethroned champions—Saline—managed no better than a 50-50 tie with last-place Dundee in the first three quarters of their game last week, but then came on strong in the fourth quarter to take a 79-64 victory. Dave Ziegler tossed in 30 points and Scott Skinner added 18 to pace the Hornets. Steve Brehmer's 18-point effort was tops for the upset-minded Vikings.

South Lyon had little trouble in wrestling a 60-73 decision from Dexter. The Lions built a six point 40-34 halftime lead into a 25 point margin in the third quarter and then coasted to the triumph.

Tom Hanson, Tony Kern, and Ed Segars tallied 25, 21, and 18 points respectively for the winners while Mike Scott scored 25 points for Dexter.

**Wildcat**

Bill Livingston has been selected Wildcat of the Week. The 101-pound junior grappler has posted an 18-10 mark on the season, and last week finished second in the SEC Wrestling Tournament, losing to Dexter's outstanding Mike Clapperich by a narrow 4-2 count in the tourney finals.

# Lincoln Trounces Novi JVs

From start to finish it was all Ypsilanti Friday as the Lincoln Jayvees trounced Novi, 78-40.

Down by four—18-14— as the first quarter closed, Novi managed to score only six points in the second stanza to trail 38-20 at the intermission.

The margin increased in the third frame when Lincoln dumped in 26 points to Novi's 10, and in the final frame Ypsi was on top, 14-10.

Despite the loss, Pat McAllen of Novi was the leading scorer with 21— just ahead of Lincoln's Kevin Woods, who scored 20, and Bill Cole, who flipped in 18.

At the free throw line Lincoln converted half of its 20 attempts while Novi did the same with 8 of its 16 attempts. In shots from the floor, however, Lincoln was far out-front 34 to 16.

# NOVI HIGHLIGHTS

By JEANNE CLARKE  
624-0173

**GREEN POWER** — The snow is still on the ground, but spring is just around the corner and the boys in Novi Boy Scout Troop 54 are planning a fertilizer sale to help residents get their lawns in shape for summer. To order fertilizer from the scouts contact either Jerry Baderak at 349-7284 or William Rice at 349-5953. The funds from the sale will be used to help the scouts purchase camping equipment.

After a three-week stay at Redford Community Hospital, Lewis Tank has returned to his Nine Mile Road home.

Sergeant Robert Dobek, now stationed at Fort Knox, Kentucky, spent last weekend with his parents, Mr. and Mrs. Ed Dobek of Twelve Mile Road.

Mrs. Dot Sharpe, who recently fell and broke her hip, has recovered enough to make the trip to California and a visit at the Los Angeles home of her daughter, Janet, and family.

Mrs. Pat Sullaand and children of Thirteen Mile have returned home following a weekend stay with Mrs. Sullaand's sister in Rose City.

Mike Pittman, the son of Sam Pittman of Willowbrook, returned home for a visit from Shepard Air Force Base, Texas.

Recently returned from a few weeks in Bonita Springs, Florida, are Mr. and Mrs. Cecil LaFond.

Word has been received that Mrs. Alma Klasener has come home from the hospital.

Mr. and Mrs. Ed Dobek of Twelve Mile Road recently celebrated their 32nd wedding anniversary with Mr. and Mrs. Albert Breese of Flint.

Peggy Stewart of Thirteen Mile Road had several overnight guests last Friday. They were Denise Stipp, Linda King and Tina Munro.

Mr. and Mrs. Glen Salow and Mrs. Mae Atkinson recently visited Mrs. Frances Denton at her Detroit home.

Following a stay with friends and relatives in Pennsylvania, Mrs. Marie Travis has returned home.

At a noon luncheon next Friday, Hildred Hunt will entertain the Pedro Club. The ladies plan an afternoon of cards after lunch.

Snowmobiling at Beaverton was enjoyed last weekend by the Boshell family, the Brewers family and Mr. and Mrs. Cecil Worley.

A number of Novi residents recently attended funeral services in Clarkston for Mary Muscat. They were: Eugenie Choquet, Mrs. Marvin Tibble, Victor Muscat and Mary Calleja. Mrs. Muscat was the former owner of the Flamingo Restaurant on Novi Road.

**NESPO**  
All parents of the Novi Elementary School students are reminded of the group's next meeting to be held at 8 p.m. on March 6 at the school.

**NOVI SENIOR CITIZENS**  
All told, there were 26 people from the club who went to the Henry Ford Museum last week.

The regular meeting was held at the Novi Community Building on February 27. Mrs. Nancy Liddle presented some new projects for the future.

The Novi Senior Citizens invite all new and old residents to attend the meetings. Anyone desiring transportation to the meetings should contact Mrs. Liddle to make arrangements.

**DUKES AND DUTCHESSES**  
March dates for this single's group include bowling on March 3 at Northville Lanes at 7 p.m. and the regular monthly meeting on March 8 at 8:30 p.m. in the Eagles Hall. There will also be a bowling party on March 31.

**NOVI YOUTH ASSISTANCE COMMITTEE**  
The members are reminded to attend the special meeting which is scheduled for 8 p.m. on March 5 in the Village Oaks Elementary School music room.

On the program will be a film, "To Teach a Child." Dr. Gerald Kratz, Novi superintendent of schools and Carl Hultquist, supervisor of community education, will be present at the meeting. The main topic will be the Community Education Concept which is currently under discussion for the Novi Schools.

The Youth Assistance Case Study group met last week under the direction of the

Reverend Jim Liefeld, chairman.

Mrs. Jody Adams, camp chairman, recently attended a meeting of the United Foundation in reference to the upcoming camp program for children in Novi this summer.

**NOVI REBEKAH LODGE**  
The Independent Rebekah Club will resume meetings on March 5 at 10 a.m. At that time, the women will work on rain bonnets for the bazaar.

Reservations must be in by March 5 for the dinner at the House of Huey in Farmington. They may be made with Frances Curtis at 437-1692.

The dinner will honor Assembly Officer Zetta Timpson. Following the dinner, she will present a special School of Instruction.

**NOVI DRUG ABUSE COMMITTEE**  
Recent talks given by the speakers bureau included a presentation by Corporal Bob Starnes at the Village Oaks School for the fifth grade. Another was given by Mary Pazderski who spoke to a Family Living Class at Novi High School.

On Thursday, Mary Lou Christy, will be speaking to the Village Oaks Teens at the clubhouse.

These people are available for talks, lectures, displays before any size group. For information, please contact Corporal Starnes at the Novi Police Department.

The next regular committee meeting is at the home of Pat Kennedy on March 28.

**VOICE**  
The Book Fair and Songfest recently sponsored by this group was termed a success, as was the fifth grade bake sale.

At the March meeting, a slate of officers will be presented by the nominating committee and nominations

will be taken from the members.

Plans will be made for the Spring Fling and a progress report will be given by chairman Dollie Hensel.

**BLUE STAR MOTHERS**  
Members are urged to attend the meeting on Thursday, March 1, in the home of Mrs. Homer Kent of South Lyon.

Ladies attending are reminded to have with them, a sandwich and table service. Plans will be made for the group's continuing projects at the Veterans Hospital in Ann Arbor.

**JAYCEE AUXILIARY**  
The women met at the home of Linda Pochter for the monthly meeting. State Vice-President Stacey Henne was a special guest.

**ORCHARD HILLS BOOSTER CLUB SCHOOL FAIR**  
There is a need for items in the Handiwork Shop for the fair. The chairman is Mrs. Lillian Irwin and she can be contacted at 349-2604 for donations.

Among the things she needs are felt, trim laces, ribbon, clothes hangers, nylon netting, plastic detergent bottles, yarn, barn or driftwood, pieces of fake fur and fabric.

The trading stamps and Betty Crocker Coupons are still needed. You can send them with your child.

**CUB SCOUT PACK 240**  
A meeting will be held at the

Ed DeBrule home, 23034 Ennshire Drive, on Wednesday, March 7 at 8:30 p.m. New parents are welcome to attend. Plans will be made then for the Pack meeting on March 15 at the Orchard Hills School. The theme will be "Knights of the Tournament."

Dens one and two reported that a lot of fun was had by both cubs and adults at the pack's bowling outing on February 24 at Northville Lanes.

**SCOUT PACK 54**  
A committee meeting to plan March activities was recently held in the home of Mrs. Darlene Smith.

The next pack meeting will be March 16 when the theme will be "Knights of the Tournament" and the boys will display "Feats of Skill."

Other March plans include a Swimming Night at the YMCA for families and a kite flying contest.

**SCOUT PACK 239**  
Awards were presented at the recent pack meeting. They were as follows:  
Den 1 - Jim Thomas, Scott Henderson and Larry Tabaka, wolf badge, mother pin, card and plaque; Mike Henderson, wolf badge, mothers pin, card and plaque

**BABY CRIBS**

and the gold arrow under the wolf and bear book.

Den 3 - Todd Van Der Galien, wolf badge, mothers pin, card and plaque, the gold arrow under the wolf, bear book; Kevin Gowans, wolf badge, mothers pin, card and plaque and the gold arrow under the wolf; David Russell, Mike Murphy, and Jamie and Dave Pietrowski, the wolf badge, mothers pin, card and plaque and gold arrow under the wolf; Todd Chelian received the wolf badge, mothers pin card and plaque.

Den 4 - Dave Majors, two silver arrows under the wolf and the bear book.

Den 5 - Don Sasena, the bear badge, mothers pin, card and plaque and the gold arrow under the bear; Mike Daschino, wolf badge, mother pin, card and plaque and the gold arrow under the wolf; Charlie Swift, one silver arrow under the wolf.

Duane McCarty, bear badge, mothers pin, card and plaque and the gold arrow under the bear, Dale Beckman, bear badge, mothers pin, card and plaque and the gold arrow under the bear; and Bradley Moak, wolf badge, mothers pin, card and plaque.

Awards for the Webelos were as follows: Bruce Russell, forestry, geologist, traveler and scientist; Jim Paderski, naturalist, outdoorsman, scholar, showman and craftsman.

Tom Peterson, assistant denner, scholar, geologist, and showman; Cary Malaski, artist, citizenship and scholar; Paul Arlington, artist; and Paul Kikland, denner.

Three boys, Bruce Russell, Mike Hope and Paul Kirkland received their Boy Scout Books and Duane McCarty was inducted into the Webelos.

One year pins were given to Dale Beckman, Mike Everett, Charles Swift, Randy Kelly, Dean Kalinokik, Mike Colloau, Bob Coolman, Scott Hare, Andy Pfosch, Jim Wilson, Mike Hope and Mark Johnson.

Receiving two year pins were Paul Kirkland, Jim Pazderski, Tom Peterson, Bruce Russell and Cary Malaski.

Adult pins were given to the following: one year, Sue Colliau; two year, Sarah Everett, Jim Russell; seven year, Ron and Mary Pazderski, eight year, John Russell and Charlotte Majors; 11 year Pete Peterson.

**ORCHARD HILLS BAPTIST CHURCH**  
The Women's Missionary Union will meet on March 6 at the home of Pastor Collins at 7:30 p.m. in connection with Week of Prayer from March 4 through 11. The purpose of the week is to support missions by prayer and financially. The church's goal is \$275.

**SOUTH WALLED LAKE BAPTIST CHAPEL**  
On Thursday, March 1, the ladies will visit one of the cottages at the Plymouth Training School for the monthly birthday party and fellowship with the patients.

On Tuesday, March 6, the ladies will have a special meeting for the observance of the Week of Prayer for Home Missions.

Nearly 20 young people of the church went roller skating last Monday night.

**UNITED METHODIST CHURCH**  
The greeters were Mr. and

Mrs. Robert Wilkins for Sunday's service.

On last Sunday evening, the young people attended the Junior Red Wing game.

This week, choir rehearsal has been set for Thursday night rather than Wednesday.

The church family is reminded of the participation on Friday, March 2, in the World Day of Prayer which will be held at the First Presbyterian Church of Northville. Audrey Blackburn and Harriet Hull will be participating with the United Methodist Women's worship on that day.

**FIRST BAPTIST CHURCH**  
A Sunday School Departmental meeting is scheduled for Wednesday at 7 p.m. It will be followed by prayer and Bible study, and at 8:30 p.m. by Choir rehearsal.

On Thursday, after school until 9 p.m., the young people will have time for homework, fellowship, Bible Study and will then go calling.

Adult calling on the new bus route will begin at 7 p.m. Anyone participating in Saturday calling should be at the church at 11:30 a.m. and is reminded to bring a sandwich lunch.

The special music for the Sunday service will be provided by the Southland Bible Institute Chorale. Carolyn Sannes, one of the church's young people is a member of the Chorale.

First Baptist welcomes into its membership Mark and Glenda Fulkerson. The couple has two children and recently moved to the area from Kentucky.

**HOLY CROSS EPISCOPAL**  
Brian Terrenzi, the son of Mr. and Mrs. John Terrenzi, received the sacrament of Holy Baptism last Sunday.

Members are reminded of the special Thanksgiving services for the ministry of the Reverend Richard Emmrich who is retiring as Bishop of Michigan. The service will be Saturday, March 3 at 11 a.m. at St. Paul's Cathedral.

A special clean up of the church buildings will be held on Sunday, March 4. This is in preparation for the Shrove Tuesday party which will be held in the Parish Hall from 8 p.m. to 10 p.m. on March 6. The price of admission to the party is one dessert. All

adults in the congregation are urged to attend.

The party is being held in keeping with the Mardi Gras of the last night before the penitential season of Lent. This year, Lent will begin on March 7, Ash Wednesday. There will be a special service on that Wednesday at 10:45 a.m., and it will include the Holy Eucharist and the Imposition of Ashes.

**NOVI PINPOINTERS**  
The mystery game was won by Carol Kalinorik.

High Bowlers were Shirley Selep, 244 and 508 series, Sharon Icenoggle, 199 and 552 series, Rita Stockmeyer, 197, Susie Korte, 186 and 521 series, Audrey Blackburn, 181 and Pat Crupi, 180 and 512 series.

The team standings are as follows:  
Ashley and Cox 60 32  
Number One 55 37  
Kool Kats 52 40  
Weber Construction 48 '44  
Nameless Ones 46½ 45½  
Novi Drugs 46 46  
Gutter Dusters 41½ 50½  
HiLo 41 51  
Right On 38 54  
Mission Impossible 32 60

Administration from the University of Michigan in 1969.

While working toward his Master's degree, Saunders served as an administrative intern to Ann Arbor City Administrator Guy C. Larcom, Junior, from January 1969 to December 1969. His duties in the administrator's office included preparation of Federal grant applications, implementation and planning of grant programs, general budget development and planning, and preparation of special reports for the city council as well as other administrative tasks.

In December of 1969 Saunders was appointed Ann Arbor City Clerk. His tenure as City Clerk covered the advent of the 18-year old vote and the granting of voting privileges to university students in the communities in which they attend school.

While he was City Clerk Ann Arbor's voting rolls grew from 40,000 to 72,800.

In addition to coordinating the rapid growth of the Ann Arbor City Clerk.

Under fire from the council, Zonkers resigned in April 1971, and George Athas, then a member of the city's planning board, was appointed as an interim manager. After five months Athas was appointed full time city manager, a position which he held until his resignation in October 1972.

Ed Kriewall, DPW Head, has been Acting City Manager since the departure of Athas. Kriewall will remain with the city in a dual capacity. In addition to retaining his position as DPW Head, he will also serve as Assistant to the City Manager.

## Names Manager

Continued from Novi, 1

Michigan, he earned his Master's degree in Public Arbor electorate and other major legal changes in the election procedure, Saunders served as clerk of the city council and was responsible for the administration of various city licensing programs and maintaining custody of certain basic city records.

He is a member of the International City Manager's Association, the Michigan Municipal Clerk's Association; the International Institute of Municipal Clerks; and the Michigan Municipal League.

He has served on the Resolutions Committee of the Michigan Municipal Clerks Association and is currently serving on that organization's Legislative Committee which works with the Michigan legislature on many areas of election legislation. He also serves on the Michigan Municipal League's Elections Committee, which advises the League on legislative matters

## Grad Requirements

Continued from Novi, 1

Similarly, a proposal providing that no credit be given for students working as office assistants, library assistants and other assisting roles was scratched when Dr. Kratz pointed out that the school may wish to award credits for this non-paying job experience.

The policy also provides that outside credit can be applied toward graduation if taken at an accredited high school, such as evening classes.

The early graduation clause of the policy provides that if a student has completed all

credits meeting graduation requirements he or she may finish as of January of the senior year. Such a student will be encouraged, however, to return in June for graduation exercises since no graduation exercises will take place in January.

Diplomas will be issued only in June, but a letter certifying successful completion of high school will be furnished to those who complete their school program after the seventh semester.

"the TRUTH that HEALS"

**WQTE**

SUNDAY 9:45 A.M.

"Action Speaks Louder Than Reaction"

HAPPINESS is receiving a new juke box for students at Our Lady of Providence. The gift was presented to Sister Judy by Jaycee Candy Cane Chairman Jim Totzkay

(background) this past week. It represents some of the items purchased by Jaycees with candy cane donations by local citizens during the Christmas season.

## Jaycees Donate Juke Box

# Put Smiles on Kids' Faces

Youngsters at Our Lady of Providence in Northville Township beamed with excitement this past week as Northville Jaycees delivered a juke box to the school's recreational-educational building.

The automatic record

player represents another in the gifts resulting from the Jaycees Candy Cane Sale held in December prior to Christmas, according to Chairman Jim Totzkay.

Purpose of that sale, he explained, was to encourage donations for candy canes so

that local members could purchase needed items for Northville area institutions. A few weeks ago the Jaycees delivered table games and a wheelchair to the Eastlawn Convalescent Home for senior citizens, and soon similar gifts will be made to the Wayne County Child

Development Center.

"All of this was made possible," stressed Totzkay, "because of the overwhelming support given our candy cane sale by the public."

"Even though the weather was cold and windy, the hearts of many people were warm and thoughtful throughout the two weeks when our displays were exhibited by local merchants."

Totzkay said a total of \$790 was donated—far more than was donated during the previous two years of the annual project.

"We of the Northville Jaycees can only say 'thank you very much' as was expressed by the children and the elderly when the gifts were distributed," he said.

## Novi Bus Rules Clarified

Parents are to be reminded soon by newsletter of the rules governing school of children riding Novi school buses.

"It is the responsibility of the bus driver to maintain order and discipline on the part of every passenger," Superintendent Gerald Kratz has stated.

"However, we all are aware that if an individual does not wish to be disciplined, nothing short of physical force will suffice. In the case of a bus driver, it is very impractical and near impossible to physically discipline a passenger. Therefore, it is believed that a worthwhile approach to good discipline on a school bus is the result of a cooperative effort on the part of the bus driver, the school and the home."

Dr. Kratz said the disciplinary procedure will continue to be much the same, but parents will receive clarification.

As in the past tickets are to be issued to students who exhibit "something less than desirable behavior on the bus."

The first ticket requires signature by the parent prior to boarding the bus the next day, and the building principal must write, call or visit the parents concerning the ticket.

A second ticket requires that the principal notify parents and to conduct a conference within three days

with the parents. Whether or not the child may ride a bus prior to the conference is up to the principal.

If a third ticket is issued the parents must meet with the assistant superintendent and the child may not ride a bus until after the conference is held.

A child ticketed for involvement in a fight aboard a bus will automatically be considered as a third ticket violator.

Students may appeal a ticket, if they consider it unjust treatment, to the next highest administrative level.

## Reappointed

City Manager Frank Ollendorff has been reappointed street administrator in Northville. Appointment of an administrator by resolution is a formality required by law.

## Congressman Broomfield

# Satellite Office Opened

Republican Congressman William S. Broomfield announces the opening of a satellite office to serve the people in the western part of

the 19th Congressional District. Included in the western part are Brighton, Hartland, Green Oak, plus Northville,

Novi, Wixom and South Lyon.

The office is located at 508 North Main Street, Milford, and is staffed by Mrs. Burton (Barbara) Gavitt. Hours will be 8:30 a.m. to 5 p.m. Monday through Friday. The phone number is 685-2640.

Al Grossa of Brighton Township has been appointed Broomfield's representative to serve the part of 19th District that lies in Livingston County, namely the City of Brighton, and Brighton, Green Oak, Hartland and Tyrone townships.

Grossa's number is 229-8408.

## In Uniform

U.S. Air Force First Lieutenant Eldred D. Baird, son of Mrs. LaDene Baird of 50048 Helfer Boulevard, Wixom, has arrived for duty at Kunsan AB, Republic of Korea.

Lieutenant Baird, a weapons systems operator, is assigned to a unit of the Pacific Air Forces (PACAF) which provides tactical air power supporting the U.S. and its allies in Southeast Asia and the Far East. He previously served at George AFB, Calif.

The lieutenant was commissioned in 1971 upon graduation from the School of Military Sciences for Officers at Lackland AFB, Texas.

A 1965 graduate of Redford High School in Detroit, he received his B.A. degree in music in 1969 from the University of Michigan

# FIRST FEDERAL HAS THREE GREAT INTEREST RATES TO HELP YOU BUILD YOUR SAVINGS.

**5%**  
DAY to DAY

That's the interest rate our regular passbook savings account pays. It's as regular as you'd want it to be. There's no minimum amount needed to open. And you may deposit or withdraw any amount whenever you like. And you earn 5% per year daily interest from the date of deposit to the date of withdrawal, paid and compounded quarterly. The highest regular passbook interest rate in town.

**5 1/2%**  
YEAR to YEAR

First Federal also has two Certificate Savings Accounts. With an investment of \$1,000 dollars or more for one year, your Certificate Account will earn 5-1/2% annual interest, paid and compounded quarterly. And you begin earning 5-1/2% interest from the day the funds are deposited. Open a Certificate Savings Account at any one of First Federal's offices, and make a little extra interest.

**6%**  
YEAR by YEAR

That's for our long-term investment savers. With \$5,000 dollars or more, you may open a Certificate Savings Account for 2, 3, 4 or 5 years. And your account will earn interest from the date the funds are deposited. At 6% annual interest, paid and compounded quarterly.

At First Federal Savings of Detroit, your savings, whether in a Regular or a Certificate account, are insured up to \$20,000 by the Federal Savings and Loan Insurance Corporation

We can do more for you if you'll think First.

**OFFICIAL NOTICE OF SALE****\$220,000.00****CITY OF NOVI**

County of Oakland, State of Michigan

**1972 Motor Vehicle****Highway Fund Bonds**

SEALED BIDS for the purchase of the above bonds will be received by the undersigned at the Administration Building of Novi High School located at 25575 Taft Road, Novi, Michigan 48050, on Monday, the 12th day of March, 1973, until 8:00 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read. Bids submitted by mail will be received at the Novi City Hall located at 25850 Novi Road, Novi, Michigan 48050.

**BOND DETAILS:** Said bonds will be coupon bonds of the denomination of \$5,000.00 each, dated December 1, 1972, numbered in direct order of maturity from 1 upwards and will bear interest from their date payable on June 1, 1973, and semi-annually thereafter.

Said bonds will mature on the 1st day of June, as follows:

\$15,000.00 June 1st of each of the years 1973 to 1980, inclusive;  
\$20,000.00 June 1st of each of the years 1981 to 1985, inclusive.

Bonds of this issue are not subject to prior redemption.

**INTEREST RATE AND BIDDING DETAILS:** The bonds shall bear interest at a rate or rates not exceeding 6 percent per annum, to be fixed by the bids therefor, expressed in multiples of 1/8 or one-twenty of 1 percent, or both. The interest on any one bond shall be at one rate only. All bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. None of said bonds shall bear interest at a rate per annum which is less than 50 percent of the rate borne by any other bond. No proposal for the purchase of less than all of the bonds or at a price less than 100 percent of their par value will be considered.

**PAYING AGENT:** Both principal and interest shall be payable at a bank or trust company located in Michigan qualified to act as paying agent under State or United States law, to be designated by the original purchaser of the bonds, who may also designate a co-paying agent, which may be located outside of Michigan, qualified to act as paying agent under the law of the State in which located or of the United States, both of which shall be subject to approval of the undersigned.

**PURPOSE AND SECURITY:** The bonds are to be issued pursuant to the provisions of Act 175, Public Acts of Michigan, 1952, as amended, for the purpose of defraying part of the City's share of the cost of constructing street improvements in the City of Novi, and are issued in anticipation of Motor Vehicle Highway Fund payments from the State of Michigan to be received by the City of Novi. The bonds will pledge the full faith and credit of the City of Novi as additional security for payment of the principal and interest thereon.

**GOOD FAITH:** A certified or cashier's check in the amount of \$4,400.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the City must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail. The good faith check of the successful bidder will be immediately cashed and payment for the balance of the purchase price of the bonds shall be made at the closing.

**AWARD OF BONDS:** The bonds will be awarded to the bidder whose bid produces the lowest interest cost computed by determining, at the rate or rates specified in the bids, the total dollar value of all interest on the bonds from April 1, 1973 to their maturity and deducting therefrom any premium.

**LEGAL OPINION:** Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof.

**DELIVERY OF BONDS:** The City will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at such place as may be agreed upon. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Standard Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw his proposal by serving notice of cancellation, in writing, on the undersigned in which event the City shall promptly return the good faith deposit. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery.

**THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.**

ENVELOPES containing the bids should be plainly marked "Proposal for Motor Vehicle Highway Fund Bonds."

Mabel Ash  
City Clerk,  
City of Novi

APPROVED: FEBRUARY 20, 1973  
STATE OF MICHIGAN  
MUNICIPAL FINANCE COMMISSION

**Drug Abuse****Novi Places Emphasis on Correction****NOTICE**

Notice is hereby given that Meadowbrook Country Club located at 40941 Eight Mile Road, Northville has applied to the Michigan Liquor Control Commission for renewal of its club license and that it is the intent of the Liquor Control Commission to grant said license upon expiration of the present license.

Dated:  
February 22, 1973

In an effort to better cope with the growing drug abuse problem in public schools, Novi has decided to place its emphasis on corrective rather than punitive action.

Noting that the effectiveness of various drug abuse programs is questionable at this point in terms of prevention, treatment and cure," Superintendent Gerald Kratz has initiated a three-step policy which emphasizes referral drug abuse cases to "skilled and qualified medical sources or agencies."

"Such problems," he said, "are the direct responsibility of parents or guardians and

the school's role should be supportive to parents and students in assisting to locate qualified medical treatment.

"The school should continue to support and cooperate with medical personnel and agencies when a student is returned to school during or following treatment."

Students who become involved in the use of illegal drug or narcotic substances in Novi schools will be given an automatic leave from school until the following steps are taken:

1. A qualified medical person certifies that the pupil is under treatment for the problem.

2. The parent or guardian certifies that he shall work closely with the school counselor, medical professional, and agency involved while the pupil is under treatment.

3. Both written and signed

statements shall be forwarded to the superintendent.

Readmission to school will be determined by the building principal involving the counselor, parent or guardian, and student.

NOTICE IS HEREBY GIVEN that the assessment Rolls will be on file in the City Office, 45650 Grand River, for public examination from February 22nd thru March 9th, 1973, regular office hours. The Assessor will accept petitions for Review until March 9, 1973.

MABEL ASH,  
NOVI CITY CLERK

**OFFICIAL NOTICE OF SALE****\$139,000.00****CITY OF NOVI**

County of Oakland, State of Michigan

**1972 Special Assessment****Street Improvement Bonds**

SEALED BIDS for the purchase of the above bonds will be received by the undersigned at the Administration Building of Novi High School, located at 25575 Taft Road, Novi, Michigan 48050, on Monday, the 12th day of March, 1973, until 8:00 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read. Bids submitted by mail will be received at the Novi City Hall located at 25850 Novi Road, Novi, Michigan 48050.

**BOND DETAILS:** Said bonds will consist of thirty-one (31) coupon bonds, four (4) bonds of the denomination of \$1,000.00 each, numbered in direct order of maturity from 1 to 4, inclusive and twenty-seven (27) bonds of the denomination of \$5,000.00 each, numbered in direct order of maturity from 5 to 31, inclusive, dated December 1, 1972, and will bear interest from their date payable on August 1, 1973 and semi-annually thereafter.

Said bonds will mature on the 1st day of August, as follows:

\$9,000.00 August 1, 1974;  
\$10,000.00 August 1st of each of the years 1975 to 1987, inclusive.

Bonds of this issue are not subject to prior redemption.

**INTEREST RATE AND BIDDING DETAILS:** The bonds shall bear interest at a rate or rates not exceeding 6 percent per annum, to be fixed by the bids therefor, expressed in multiples of 1/8 or 1-20 of 1 percent, or both. The interest on any one bond shall be at one rate only. All bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. None of said bonds shall bear interest at a rate per annum which is less than 50 percent of the rate borne by any other bond. No proposal for the purchase of less than all of the bonds or at a price less than 100 percent of their par value will be considered.

**PAYING AGENT:** Both principal and interest shall be payable at a bank or trust company located in Michigan qualified to act as paying agent under State or United States law, to be designated by the original purchaser of the bonds, who may also designate a co-paying agent under the law of the State in which located or of the United States, both of which shall be subject to approval of the undersigned.

**PURPOSE AND SECURITY:** The bonds are issued in anticipation of the collection of an equal amount of unpaid special assessments for street improvements in Special Assessment District No. 17 in said City of Novi, as set forth in the bond authorizing resolution. The special assessments and interest thereon are sufficient to pay the principal and interest on the bonds as when due. The bonds will pledge the full faith and credit of the City of Novi as additional security for payment of the principal and interest thereon.

**GOOD FAITH:** A certified or cashier's check in the amount of \$2,780.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the City of Novi must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail. The good faith check of the successful bidder will be immediately cashed and payment for the balance of the purchase price of the bonds shall be made at the closing.

**AWARD OF BONDS:** The bonds will be awarded to the bidder whose bid produces the lowest interest cost computed by determining, at the rate or rates specified in the bid, the total dollar value of all interest on the bonds from April 1, 1973 to their maturity and deducting therefrom any premium.

**LEGAL OPINION:** Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof.

**DELIVERY OF BONDS:** The City will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at such place as may be agreed upon. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Standard Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw his proposal by serving notice of cancellation, in writing, on the undersigned in which event the City shall promptly return the good faith deposit. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery.

**THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.**

ENVELOPES containing the bids should be plainly marked "Proposal for Special Assessment Bonds."

# Police Blotter: Icy Roads Trigger Traffic Accidents

## In Northville...

Last week Wednesday's snowstorm kept city police busy as they investigated two injury accidents, several property damage accidents and untied a traffic snarl on Eight Mile Road caused by icy roads.

A 14-year-old Northville girl was hospitalized with facial injuries when the car in which she was a passenger was involved in an accident at Eight Mile Road and Novi Street at 3 p.m.

Injured was Gail Phillips of 1024 Canterbury. She was treated at St. Mary hospital and released.

According to police, a car driven by Sharon J. Phillips was northbound on Novi Street and pulled into the path of a car which was westbound on Eight Mile Road.

Driver of the second vehicle, Kenneth S. Cahill of South Lyon, was not injured. Joan M. Cahill, a passenger in the car, received a cut lip but did not require medical attention.

Three cars were involved in a minor injury accident on Center Street just south of Eight Mile shortly after 6:45 p.m. last week Wednesday.

According to police, a car driven by Barbara A. Durst of 1200 Hillridge was southbound on Center when the vehicle in front of her stopped.

She told police she applied her brakes but slid sideways and was struck by another southbound car driven by Sandra L. Perry of 953 Novi Street. Miss Perry's car was then struck by a car driven by Glynn L. Simmons of 324 South Main Street.

None of the drivers required medical treatment, police said.

Earlier Wednesday evening, police spent 20 minutes clearing traffic off of Eight Mile Road between Randolph and Center streets.

Snow blowing across Eight Mile turned the hill into an impassable ice-covered road.

Police said cars were stuck on both sides of the hill, unable to get up the grade. A slow-moving tanker truck required a police escort to make it up the hill.

Once the snarl was cleared, police closed the hill to further traffic until city crews salted the road. County road crews were unavailable at the time.

City police detectives are continuing to investigate a

disturbance early Saturday morning in the parking lot behind the Drawbridge Restaurant.

Police received a report about 2:30 a.m. that a man was on the roof of the building with a gun.

Investigating officers found no one on the roof, but a resident of a nearby apartment told police he fired a shotgun into the air after he saw two men tampering with his truck.

The man said the two approached his doorway when he saw them, jumped him and struck him in the face. He then said he went into the house and when he returned outside with the gun, the two were again near his truck and he fired the shot into the air.

He was taken to St. Mary hospital for treatment of a cut over his eye.

Two homes under construction on North Center Street, north of Maplewood, were the target for thieves recently.

Police reports said plumbing and bath tub connections were sawed and removed from the buildings. Estimated cost was placed at \$125.

### FIRE CALLS

February 21—10:40 a.m., car fire in township office parking lot.

### COURT NEWS

Terry Dees of 47235 11 Mile Road in Novi was placed on three year's probation and ordered to pay court costs after he pled guilty to an added county of attempting to carry a concealed weapon.

The action came February 21 in Wayne County Circuit Court before Judge Richard Maher.

Dees was arrested August 14, 1972, by city police following a high speed chase through Hines Park. He was charged with carrying a concealed weapon after police found two loaded guns in the car. The original charge was dismissed after he pled guilty to the added count.

## In Township...

Michigan State Police detectives are investigating a report of malicious destruction of property which took place early Sunday morning at 15525 Maxwell.

According to reports, a resident of the Maxwell address saw the dome light on in her car about 12:20 a.m. A

man was also reportedly seen in her car working under the dash.

State Police found wires had been ripped out from the dash. No estimate of damage was available.

A Livonia man received minor injuries last week Wednesday when he drove his car into a culvert on Six Mile at Beck Road in order to avoid hitting two other cars.

State Police said Donald H. Duff received cuts and bruises in the accident which took place shortly before 5 p.m.

Duff told troopers he was eastbound on Six Mile Road approaching Beck when he saw two cars sliding, one westbound on Six Mile and another in the intersection northbound on Beck.

He said he drove into the ditch to avoid hitting the other cars. Duff refused medical attention.

A 68-year-old Northville man faces charges of leaving the scene of an accident and drunken driving following an incident last Thursday evening.

According to township police, the man reportedly struck a parked car on Hines Drive south of Six Mile Road about 8:30 p.m. At approximately 9:05 p.m., township officers stopped the driver of a car for drunken driving on Sheldon Road between Five and Six Mile.

Further investigation revealed fresh damage to the car and the description matched that of the vehicle involved in hit and run.

## In Novi...

Although Novi experienced its first fatal accident of the year last week (see story on Page 1 of The Novi News), the toll could have been higher as at least one and perhaps two other accidents could have led to fatalities.

Phyllis Ann Peterson, a 20-year old Northville woman, received only minor injuries when her car collided with a truck on Novi Road Wednesday, February 21.

Mrs. Peterson's car was demolished in the accident which took place at 4:50 p.m. between Nine and Ten Mile Roads.

The accident occurred, Mrs. Peterson told police, when she lost control of her car after hitting a patch of ice while southbound on Novi Road. Her car swerved across the center line into the northbound lane where it was struck by a truck owned by the Sanitas Waste Disposal Company.

The driver of the truck, Glen Eric Ludwig, 23, of Ypsilanti, told investigating officers that he swerved to the right, but was unable to avoid the collision.

The truck ended up jackknifed in the apple orchard on the east side of Novi Road.

Mrs. Peterson was taken to Botsford Hospital and treated for facial lacerations. She was released later that night.

A car owned and driven by Theodore Daniel Slabey of Horton Street in Northville broke down across the C&O railroad crossing on Ten Mile Road and was struck and carried 300 feet down the tracks by an on-coming southbound train before being dropped 20 feet into a culvert on the east side of the tracks. Slabey managed to escape from the car before the train

reached the crossing. The accident occurred February 22 at 7 a.m.

Slabey told police he was traveling eastbound on Ten Mile when his car skidded on the icy grade to the railroad crossing. When the car hit the railroad ties, the impact caused a tie rod to break and the car was left straddled across the tracks.

Slabey further reported that he and several passing motorists attempted to push his car off the tracks, but approximately two minutes after the accident the warning lights flashed on and the train passed through.

No one was injured in the collision, but the car was demolished.

For the second consecutive week, a Novi municipal vehicle was involved in a property damage accident.

Roger Lee Johnson, 20, of Walled Lake told police he turned from South Lake Drive onto West Road only to find a snowplow backing up toward his car.

Johnson sounded his horn, he reported, but the driver of the snowplow neither heard nor saw him and proceeded to back into his car.

The accident occurred February 21 at 5:40 p.m.

Over 100 items valued in excess of \$7,000 were stolen from the Patriot Antique Shop in a breaking and entering which occurred Saturday, February 10.

The stolen items included valuable chests of drawers, paintings, a valuable pipe collection, antique watches, chairs, tables, quilts, and miscellaneous other items.

Police feel the breaking and entering of the store which is located on Grand River near the Novi Road-Grand River intersection occurred between 6-8 p.m.

Police reported that the building had been checked at

approximately 6 p.m. and found to be securely locked. When the owner returned to his store at 8 p.m., the theft was discovered.

Entrance was gained by breaking the glass in the front door. It is theorized that the merchandise was hauled away in a van parked at the rear of the building.

Police are seeking anyone with information in the case. "It would seem logical that someone might have observed a truck parked there during those hours," commented Novi Police Corporal Robert Starnes. "That's a busy intersection and the theft occurred between two relatively busy hours."

Anyone with any possible information regarding the theft is urged to contact the Novi police at 349-2444.

A breaking and entering of an apartment at 26246 Novi Road netted thieves an estimated \$480 worth of goods.

According to police, the thief gained entry to the upstairs flat by breaking the lock on the front door of the residence and then ascending the stairs.

Among the stolen items were a portable black and white television set, a man's watch, an AM-FM clock radio, a shot gun, and 25 tape cartridges.

Sergeant John Johnson of the Novi Police Department stated the theft could have been avoided if the lock on the front door had been kept in good condition.

Police have two suspects in a theft of a portable television set and a small quantity of cash from the Jar-Shay Kennels on 10 Mile Road which occurred between 5:30 p.m. February 19 and 1:15 p.m. the following day.

The two suspects have been scheduled for a polygraph test, police reported.

A Novi man who apparently became enraged and then attempted to shoot his wife and children Saturday was taken into custody by Novi police approximately two hours after the incident occurred.

Under arrest is Ronald Cavanaugh of 22949 Novi Road. He was arraigned before 52nd District Court Judge Martin Boyle on charges of felonious assault and released on \$2,500 personal bond.

A hearing date has been set for April 2.

The shooting incident occurred Saturday, February 24. At approximately 8:30 p.m., Novi police received a complaint that Cavanaugh had taken several shots with a shot gun at his wife and children after announcing he was going to kill them, police reported.

The woman and children had left the home, but Cavanaugh, armed with several guns, was reported to still be in the house.

Detective Lieutenant Richard Faulkner, Corporal Robert Starnes, and Patrolman Ralph Fluhart, along with two members of the Michigan State Police responded to the call, but found no one in the home.

Faulkner and Starnes remained at the house,

anticipating that Cavanaugh would return.

At approximately 8:30 p.m. Cavanaugh pulled into the driveway. Faulkner and Starnes approached his vehicle and identified themselves as police officers, they reported, whereupon Cavanaugh attempted to flee by backing his car out of the driveway.

The officers were able to apprehend him.

## In Wixom...

The rash of breaking and enterings which have plagued Wixom recently continued last week as police were called to investigate a breaking and entering of an apartment at 5308 Wildwood

in the Village Apartments complex on Pontiac Trail.

An estimated \$1,855 worth of merchandise was taken during the theft.

Stolen items included a shot gun, a tape recorder, various stereo equipment, and 30 stereo tapes, in addition to a small quantity of cash.

The theft occurred between 1:30 p.m. Thursday, February 22, and 3 a.m. the following morning.

Entrance to the apartment was gained, police reported, by breaking the lock on the front door.

The larceny of a shot gun from a residence at 1450 Flamingo is currently being investigated by police.

The shotgun was valued at \$150. The theft was discovered February 20.

The Brighton Argus

THE SOUTH LYON  
HERALD

Wed.-Thurs., February 28-March 1, 1973

There may be only one way to get up a hill but there's plenty of ways downhill—especially at nearby Kensington Park. Sleds, toboggans, skis, saucers, mono-runners, cardboard, and the ol' seat of the pants are among the most popular modes of transportation in the park's rolling terrain. But if this kind of winter action doesn't fit your fancy, the park is a snowball of fun for ice skaters, ice fishermen, and snow hikers, too. Persons wishing more details about the park or ice and snow conditions may call the park at 685-1561 (Milford exchange).

It is the first such certificate presented to a newspaper in

the Detroit metropolitan area. Making the presentation is Emile Asa (second from right), public information manager for the Detroit District. Looking on (l to r) are South Lyon Postmaster Michael Walsh, Brighton Postmaster Alfred Bosworth, and Northville Postmaster John Steimel.

**PLANNING STRATEGY**—Four members of the Red Wing Old-Timers plan strategy with a weatherman for their upcoming benefit game with the Detroit Junior Wings on Thursday, March 8th. From (l to r) Red Wing Coach Johnny Wilson, former Red Wing defenseman Bill Gadsby, Weatherman Sonny

Eliot, who will serve as a referee for the game, Red Wing VP Gordie Howe, and Junior Wing GM and Coach Billy Dea, who will turn against his team and play with the Old-Timers. The game will be played at the Olympia Stadium with a starting time scheduled for 7 p.m.

**In Oakland**

**Fatalities Drop**

Traffic fatalities in Oakland County for the first month of this year took a sharp drop in comparison to the number of persons killed in January of 1972, according to the Traffic Improvement Association of Oakland County (TIA).

Eleven persons were killed in traffic during January of this year as compared with 21 for the same month a year ago, a reduction of 48 percent. A three-year average of 15.7 traffic deaths are reported for January.

"This reduction has both pleased and surprised local traffic authorities," said

Bruce Madsen, TIA managing director. "The unseasonable weather we had last month caused many to expect an increase in accident severity which results from the high speed and greater traffic density which good weather frequently brings," he said.

Traffic fatalities throughout the state during January also showed a decrease, but much less than that experienced in Oakland County. Michigan State Police report 188 persons killed in January of this year as compared to 153 for the same month last year—15 lives fewer, a 89 percent reduction.

Lt. Raymond Hoopengartner, Michigan State Police, and Deputy Gerald Girard, Oakland County Sheriff's Department, speculated as to some of the possible reasons for the decrease in fatalities in January.

Among these were less winter sports traffic and noticeably increased compliance with traffic laws as a result of stepped up enforcement, use of more sophisticated speed detection devices, and the impact of a current citizen-sponsored campaign which warns that "We've Had It With Bad Drivers in Oakland County"

**'Hot Line' Established**

Fred Harris, Oakland County Road Commissioner, announces that his agency has completed installation of the new hotline for citizens' complaint calls. Originally proposed by Harris at a board meeting in January, the new hotline includes a toll free direct line number for Oakland County residents who don't live in the Pontiac telephone area. Residents living in the Pontiac exchange will continue to use the Road Commission's regular number. All complaint calls are now channeled directly to the road commission's newly created office of Public

Assistance, where one of two employees will handle the call personally. Callers will have road commission policies and priorities explained to them, and will have their road complaints looked into on an individual basis.

Harris anticipates that most of the complaint calls will concern subdivision streets. "We provide maintenance on these streets at the same level we receive state returned gas-weight tax monies for local roads," says Harris.

In conjunction with increased concern about proper handling of road

complaints, the Road Commission has greatly expanded its gravel patching program to provide relief for residents living on local gravel roads.

Those residents living out of the Pontiac telephone exchange can relay their county road complaints by dialing 1-800-552-3707. The call is toll free. Area residents will continue to use the regular road commission number, 338-4571.

If further information is desired, please contact Keith Ogden, Administrative Assistant to the County Engineer-Manager.

**PUT ON A HAPPY FACE**

**Come retire with us**

If you're considering gracious, secure retirement, you should consider joining us in Ann Arbor.

We're some of the first retirees to reserve apartments at a brand new, full service retirement community... the interdenominational Lutheran Retirement Center.

When the Center is completed, a few short months from now, we'll start enjoying a whole new experience in living.

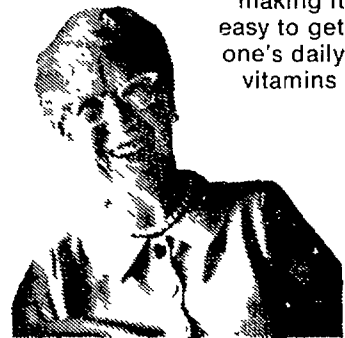

To begin with, we have quite an estate. Our 5-story residence building is set nicely on 34 acres of beautiful open space in the northeast part of the city... just about a mile from North Campus

The landscaping is going to be really lovely, and having such an expanse of landscape provides nice recreational opportunities. Like gardening, picnicking, walking, putting and fishing on our man-made lake

Although we have all the amenities of country estate living, we're actually inside Ann Arbor. The shopping and entertainments in town are just a short drive from your personal carport or a comfortable ride on one of the Center's complimentary buses.

Dining is a daily delight in the pleasant atmosphere of the Center, with private dining rooms available to make entertaining guests an effortless pleasure. And, the meals are not only delicious, they are also nutritionally planned, making it easy to get one's daily vitamins

Socializing is a natural part of Center living, with luxurious lounges and well-equipped recreation rooms as the setting for our lively schedule of programs and activities. A carefully selected library is available, with books and periodicals for the most discriminating of tastes. We also have a fully-equipped and professionally-staffed health and therapy center. It's comforting to know nursing care is readily available at the Center if ever needed.

We could continue, because there are many, many more advantages to describe. If you're 65 or older, we think you should examine them all. It's quite easy, and there's no obligation. Just return the coupon for full information or call the phone number below. And, please, do it soon. Because, we'd really love to have you join us.

Fill out and return this request to receive complete details on retirement living at our interdenominational center, or call (313) 663-1330.

**Betty Andrews Appointed**

Wayne County Commissioner Mary E. Dumas has announced a new appointment to the steering committee of the Wayne County Commission on Aging which was established by the Board of Commissioners last month.

Named to the steering committee is Mrs. Betty Andrews, head of the Senior Adult Affairs Program at Schoolcraft Community College. Mrs. Andrews is a graduate of the Institute of Gerontology at the University of Michigan with a specialist degree in Aging.

The Commission on Aging was created by the commissioners January 18 to concentrate on solving the unique problems of the elderly

Members of the steering committee are a temporary panel being selected to develop the objectives, organizational structure, and to determine permanent membership of the commission.

The commission is expected to consist solely of senior citizens who will assess the needs and priorities of the elderly and present them before a proposed County Department of Senior Citizens which would then recommend programs for final approval by the Board of Commissioners.

# Business Expenses Deduction Examined

**Editor's Note:** This is the fifth in a series of articles prepared by The Michigan Association of Certified Public Accountants offering advice on filing 1972 Federal Income Tax Returns.

In computing income tax deductions, one area in which there is widespread misunderstanding is unreimbursed business expenses, according to The Michigan Association of Certified Public Accountants.

"Many taxpayers," says Robert N. DenBraber, MACPA President, "overlook valid business deductions entirely, while others have an exaggerated idea of what is deductible."

It is not just businessmen who are affected. People in almost any line of work can incur expenses simply to hold their jobs. Among these are dues paid to a union or professional society, subscriptions to technical publications, tools, and uniforms or special work clothes worn only on the job. Such items are usually deductible. The costs of commuting to and from the job are not.

Educational or training courses taken in order to stay abreast of recent developments in one's line or to enhance skills may be deductible, but only if they are needed to retain present salary or employment status. If the course prepares the individual for a new, different job it doesn't qualify.

If the nature of one's work requires an office or other work area in the home, a percentage of household maintenance costs and depreciation may be deductible. The percentage is usually based on the ratio of floor space or number of rooms used for business to the total floor space or number of rooms in the residence.

This ratio applies only if the area is used exclusively for business. If the space is used for business only a part of the time, the deduction must be reduced accordingly.

Deductions for business entertainment are closely watched by the Internal Revenue Service, DenBraber points out. Business lunches with customers or valuable contacts are not as likely to be questioned as are dinner parties, sports events, fishing trips and other forms of

entertainment. If there is more than just a meal and conversation, it is necessary that business be discussed before, during, or after the entertainment.

"The presence at such affairs of non-business friends other than wives increases the likelihood that the deduction will be questioned," said DenBraber.

If a taxpayer plans to take a deduction for a trip that was partly for business and partly for pleasure, he must be ready to prove that it was not just a vacation in disguise. Evidence of attendance at meetings or convention sessions or of calls on business contacts must show that most of the time was spent on such activities and not on golf or sightseeing.

All personal deductions for unreimbursed business expenses are likely to be questioned or disallowed if the taxpayer is a principal in a closely-held business firm. The IRS position in such cases, reports the MACPA, is that if the expense was necessary to a company in which the taxpayer is a boss, he has the power and the obligation to have the company reimburse him.

**RONALD DANIELS** of Northville, assistant director of rates and economic studies for the Detroit Edison Company, has been assigned additional responsibilities as supervisor of the company's rate group.

In addition to rate development and research, the group is responsible for rate administration, rate sheets and books, and electric load research and forecasting.

Daniels began his Detroit Edison career after college graduation, starting as an engineering assistant for rates in the company's control department. He had advanced through several staff positions before being named rate research engineer in 1967, the post he held before being appointed assistant director of rates and economic studies.

Daniels and his wife, Marian, are the parents of three sons: James, Jeffrey, and Jerome. They live at 20967 Eastfarm Lane.

## Fuel Crisis

# Plug Heat Leaks

You've heard about the fuel crisis.

Now hear about ways you, the homeowner, can help.

Bob Maddex, agricultural engineering specialist at Michigan State University, points out how you can conserve heat, reduce energy use and make your home more comfortable for winter living.

Unless it is well insulated, any home spills a lot of heat into the great outdoors. If you are planning to build a home, spend the extra \$200 to \$400 for adequate insulation. It will pay for itself in two or three cold winters.

In addition to insulation in walls and ceilings, use storm windows, weather stripping and blinds or drapes to cut heat loss around windows and doors.

Storm windows are a substantial investment, Maddex observes, but an economical temporary substitute is readily available in the form of cardboard stripping and sheet plastic. Folded over the stripping and tacked to a window frame, the plastic creates an insulating dead air space.

Blinds or heavy drapes serve the same function inside and help block the flow of cold air off a window.

When cold air is flowing in around a door or window, you can be sure there is an equal flow of warm air going out, Maddex says. Permanent weather stripping around all doors can cut down this costly leak. Even a temporary measure such as shutting a door or window on a rolled up newspaper can cut heat loss by one-half.

A fireplace is a good warmer-upper on these chilly nights, but don't forget to close the damper when there's no fire in the grate. The same chimney that lets

smoke billow away is also an escape route for warm air you have paid your hard-earned pennies to heat.

If your home feels cold in spite of a thermostat that insists it's 72, try moving the furniture so that chairs and sofas you most often use are not near windows or outside walls.

You might also use a humidifier, a teakettle on the stove or a container of water near a room's heat source to add a bit of moisture to the dry winter air. A home that's too dry feels colder than one

with the same temperature and the proper humidity level.

For a cozy room where the little ones can play comfortably, consider using a portable electric heater with a thermostat. Such a heater can provide an 8 to 10 degree rise in temperature while using just a fraction of the energy needed to warm the whole house. Never leave children to play alone near such a heater, however, Maddex warns. Glowing wires and flowing current pose very real possibilities of accident and injury.

## 33rd Ice Capades Nearing

Ice Capades, the 33rd fabulous edition of an unbroken series of smash hits will take over Olympia Stadium starting Tuesday, March 20th for an engagement that will extend through Tuesday, March 27th for 11 performances.

Nine lavish production numbers, each with colorful settings reflect a myriad of moods from "Atlantis" to "Sentimental Journey."

The stars of this sparkling confection is Ken Shelley and Jo Jo Starbuck, three-time U.S. Pairs Figure Skating Champions and bronze medalists in World Figure Skating Competitions in 1971 and 1972.

Other great stars in this star-spangled cast includes pretty Anna Galmarini, Peter Gordon and Barbara Wilson, Sashi Kuchiki, badminton on ice with Hugh Forgie and Shirley Marie, Freddie Trenkler, the bouncing ball on the ice, and The Ruppert's Live Bears.

Weeknight performances will begin at 7:30 p.m.; three shows on Saturday, March 24th at 1 p.m., 5 p.m. and 9 p.m.; two shows on Sunday, March 25th at 2 p.m. and 6 p.m.

Tickets are priced at \$6, \$5 and \$4 and can be purchased at the Olympia Stadium. Children (14-years-old and under) and senior citizens can obtain tickets at one half off the regular box office prices on all weeknight performances and both Saturday matinees plus a discount of one half off for all performances in the \$4.00 mezzanine seats only.

**HEADLINERS**—Jo Jo Starbuck and Ken Shelley...personality, excitement and skill...1972 U.S. National Pair Champions make their first professional appearance as headliners with the 1973 edition of Ice Capades opening at the Olympia Stadium on Tuesday, March 20th for an engagement that will extend through Tuesday, March 27th.

## Healing Solace

# Canoeing Adventures Told

The healing solace of a canoe slipping silently along a wilderness stream is less than an hour's drive from any home in Michigan, be it the home in Detroit's inner city or at the tip of the Keweenaw Peninsula, according to Automobile Club of Michigan's February Motor News magazine.

In an article entitled "Michigan's Canoe Trails," Auto Club's 1,100,000 reader-members are told that "Canoeing in Michigan can be as wild, woolly and remote as the Ontonagon River in the far western Upper Peninsula or as placid as the Huron and Clinton rivers which ring Detroit.

"No matter where you canoe," the article states, "it offers a chance to shed the tensions of modern life at little expense."

You don't even have to buy a canoe to get started. Many streams can be negotiated by the rank amateur in a canoe rented at liveries right on the streams.

Among the most popular streams with liveries easily accessible to anyone in the Detroit area or anywhere in southeast Michigan are the Huron and Clinton rivers. The 120 mile-Huron-Clinton system has many miles of stream running wild and free through uninhabited country. An unexpected surprise is a

chance to see wildlife—deer, muskrats, beaver and even mink—as well as a dazzling variety of birds—ducks, geese, herons and dozens of species of lesser birds.

In the northern part of the Lower Peninsula, popular streams with liveries are the Au Sable and its south branch and the Pere Marquette, Pine and Manistee Rivers.

Rentals range from \$1 to \$2 an hour for short trips and \$6 to \$8 for the whole day. In addition, arrangements can be made for an extra charge at most liveries for a pickup, should you end your trip away from the livery.

It is emphasized that children can paddle canoes in

perfect safety the first time out on rivers such as the Huron and Clinton, whose currents are so gentle they can easily be canoed both upstream and downstream in most places.

Standard-sized canoes can carry one non-paddling adult passenger or up to four very small children in the middle section. All canoe passengers are required by law to have life preservers—the seat-cushion type for adults and the jacket type for children.

Anything taken aboard that might be ruined by water should be kept in closed plastic bags except when in actual use and all cargo should be tied down so items

won't float away should you tip. There is no real danger that adults or life-jacket-equipped children will drown if you do tip over, none of Michigan's streams are that deep.

For a set of detailed charts, available free, of both the Huron and Clinton rivers showing portages, dams, canoe liveries, campgrounds and even stores and restaurants near the streams, write the Huron-Clinton Metropolitan Authority, 600 Woodward Avenue, Detroit, 48226, or call 961-5865, and a set of the Huron-Clinton canoe maps will be sent to you postpaid.

Tobogganing's Bundle of Fun at Kensington Metropolitan Park

## Hint of Spring

# March: Great Month To Enjoy Michigan

There's a hint of spring in several events scheduled for the month of March in Michigan, according to the Michigan Tourist Council.

The Camper and Travel Trailer Show at the Westmain Mall, Kalamazoo is fanning the embers of wanderlust in summer nomads. The show opened February 26 and runs through March 4.

Outdoorama, March 2-11, at the West Eight Mile Armory, Detroit, will have something for everyone, for all outdoors. The exposition will include displays and exhibits of the latest in equipment and accessories, for boating, hunting, camping, scuba diving, fishing, auto racing and much more.

The Sportsman and Vacation Show, State Fairgrounds, Detroit, March 9-18 and the Boat, Sports and Hobby Show, County Center Building, Kalamazoo, March 20-26, are also designed with the warm weather months in mind.

Cars, cars, cars, from "mod rods" to the early motorized machines that started it all, are spotlighted this month. Modern day hot rods, sports cars, motorcycles and imaginative paint jobs will star in the Car Show at the County Center Building, Kalamazoo, March 2-4. Sports Cars in Review - which traces the development of road and track cars through three-quarters of a century - is scheduled for March 2-25 at Henry Ford Museum, Dearborn.

Spring antique shows are in bloom this month starting off with the Antique Show and Sale at the State Fairgrounds, Detroit, March 2-4. Dealers from all over the eastern half of the United States will gather at Grosse Pointe Farms March 9-11 for the 18th Annual Grosse Pointe Rotary Antique Show and Sale. The Detroit Spring Antique Show and Sale will attract dealers from some 100 cities in 29 states to the Light Guard Armory, March 14-18.

A good sign that spring is on its way is the annual Maple Sugaring Weekend at the Nature Center, Kalamazoo, March 17 and 18. Visitors are given a first hand look at pioneer and modern methods of making maple sugar and syrup, sap collecting and the operation of a sugar house.

Winter oriented events scheduled for the third month of '73 include: State Indoor Speedskating Championships, Wyandotte and the Brockway Mountain Cross Country Ski Race, Copper Harbor, March 3; Kiwanis Invitational and International Tournament of Champions at Pine Mountain in Iron Mountain March 3-4; Snowmobile Safaris, Manistique, March 8-11; Grayling's Mardi Gras and the MISA Invitational Snowmobile Race at Traverse City March 10-11; North American Indoor Speedskating Championships, Wyandotte March 17-18; and Sled Dog Races at Cedar March 24-25. There are also March

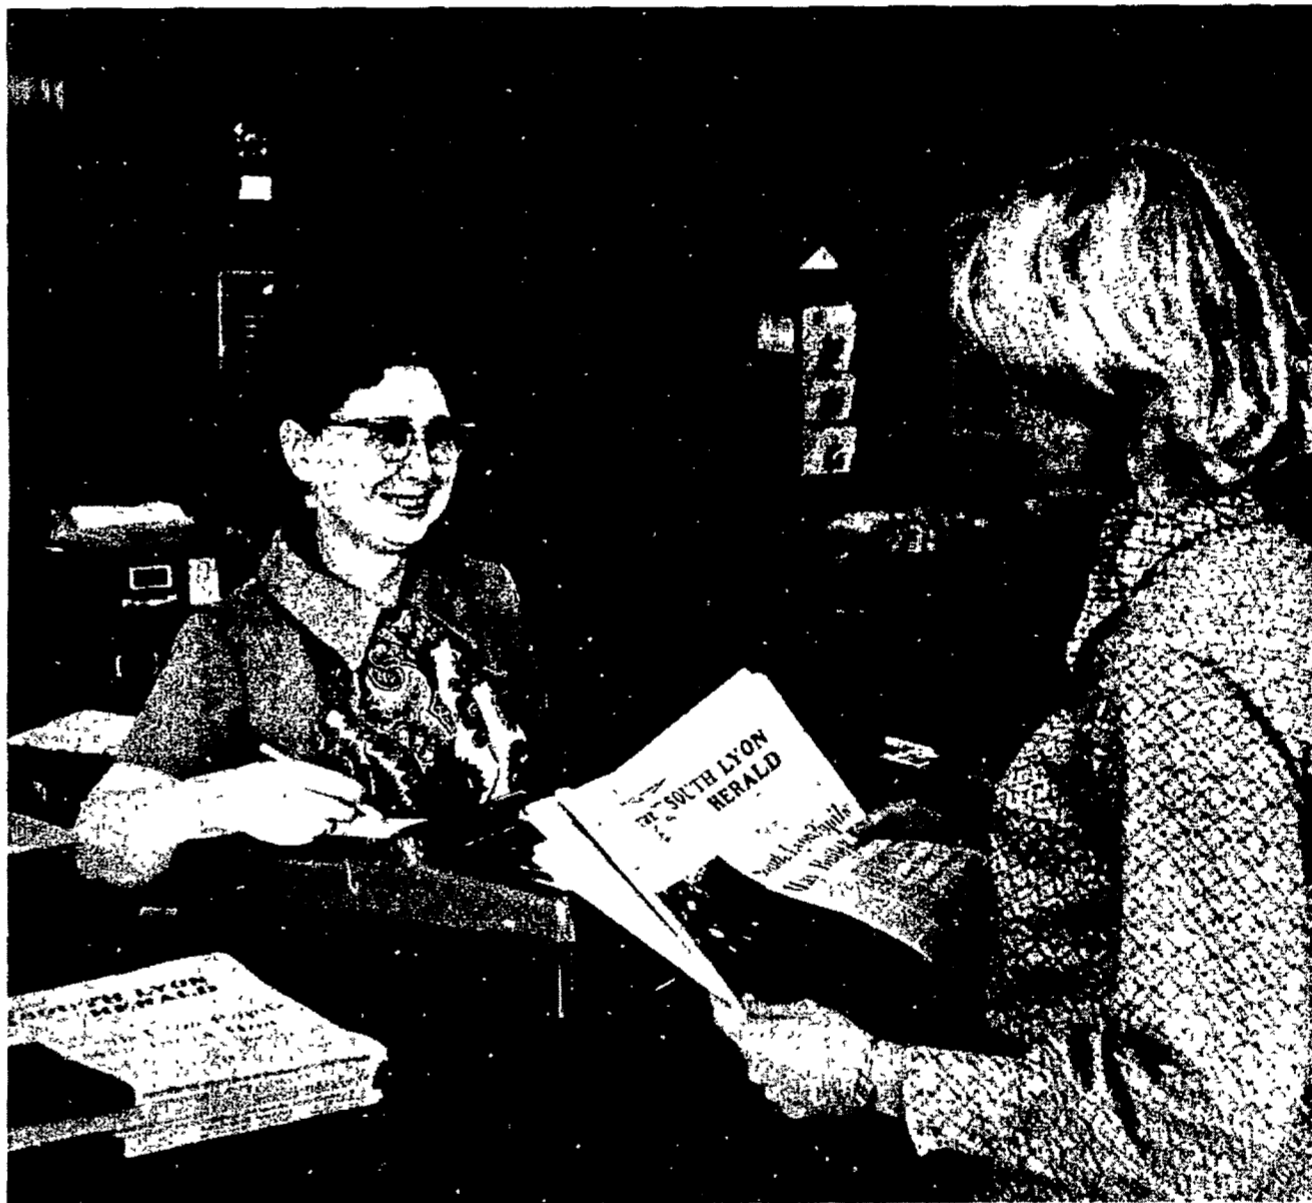

events keyed to specific interests. The Hobby Show, March 9-11, at the Light Guard Armory, Detroit, is bound to offer encouragement to all those pursuing a creative pastime endeavor, and inspire those looking for a spare time activity. Fast paced individuals should enjoy the NCAA Indoor Track Championships at Cobo Arena, Detroit, March 9-10. For numismatists, a Coin Show at the County Center Building, Kalamazoo, March 17 and for "busy fingers and fancy doers", the Midwest Home Sewing and Needlecraft Show, State Fairgrounds in Detroit March 23-25.

The Science and Engineering Fair of Metro Detroit at Cobo Hall March 25 through April 2, should serve as a testimonial that the younger generation is not a lost cause. The Fair will feature winning research projects, experiments, collections and graphic ideas of junior and senior high school students from Wayne, Oakland and Macomb Counties.

Twelve students will be selected, from this impressive group, to represent Detroit at the National Science and Engineering Fair which will be held in San Diego sometime in May.

For a complete listing of Michigan events scheduled for the spring and summer months, write the Michigan Tourist Council, Lansing 48926

## All In A Week's Work

A PAPER AND A WANT AD...

And probably a little pleasant conversation with Margaret Wiseman at our South Lyon Herald office in South Lyon. Like Rose Muncie in Brighton and Dawn Whitmarsh in Northville, Margaret handles a variety of requests ranging from selling of want ads and the current week's edition to answering such questions as "Where's Old Pond Road?" or "What's my congressman's name and where can I write him?" People expect a newspaper to have answers to anything about the community and we try not to disappoint them. Call or stop by any of our offices. You're always welcome.

### GETTING THE JOB DONE

Your community weekly newspaper is made up of much more than reporters and advertising salesmen. There are bookkeepers, office girls, compositors, pressmen, photographers, darkroom men, deliverymen, carrier boys, etc. Most live and work in the communities of Northville, Novi, South Lyon or Brighton where they help bring you the news of the week in your community. Like any other business, it's a team effort. Whatever their role, they take pride in their products—The Brighton Argus, South Lyon Herald, Northville Record and Novi News.

## Don't Mark Time

*Pastor Geo. Tiefel Jr.  
Immanuel Lutheran Church  
South Lyon*

ecclesiastes 11:9,10  
Rejoice, O young man, in thy youth; and let thy heart cheer thee in the days of thy youth, and walk in the ways of thine heart, and in the sight of thine eyes: but know thou, that for all these things God will bring thee into judgment. Therefore remove sorrow from thy heart, and put away evil from thy flesh: for childhood and youth are vanity.

**HAVE A GOOD TIME, BUT—**

More than any other biblical writer, the author of Ecclesiastes encourages us to take a firm hold upon this present life and really live it. Don't vegetate! That's not what this earthly existence has been given to us for.

Too many of us, even Christians, are just marking time. And unless we have a good scare, and are suddenly made to realize how quickly this life can be cut off, we never learn how much awareness, how much living, can be claimed from every minute! And then too soon life is past, and nothing, was made of it.

For example: There were some early Christians, living in the time of the Apostles, who sat around doing nothing, simply because they thought the Second Coming of Christ was so near that it didn't pay to start anything. This folly was repeated again as the year 1000 approached. Misguided Christians sold their possessions and waited. They were sure

Christ would return in the year 1000! We ought never to reckon this way!

For the life God has given us in this present age is exceedingly good. He does not want us to spend our time in morbid worry and anxiety. "Therefore remove sorrow from thy heart..."

The well-balanced Christian attitude is this: receive every lute of life with joy. Savor all the good things of childhood and youth, even though they are "vanity" (not permanent). See, feel, act with an awareness of how rich God is in his kindness. And in the prime of life use every ability and every opportunity with a zest that gives credit to your Creator. Yes, even when old age comes, honor the frail mortal body and maintain it in all possible health. These are Heaven's gifts! But there is one caution: live always "in the eye of God". Earthly endowments come and go swiftly, without recall, and a strict accounting of how we used them must one day be given. And we know that only in Christ has a way been found for mortal man, by which he can accept all that life gives, walk before his God in love, and finally come safely through the dread perils of the final Judgment!

(PRAYER)

O Lord, enter not into judgment with thy servant: for in thy sight shall no man living be justified!

Heading Higher

Sunday  
Luke  
12:13-21

Monday Mark 12:28-34	Tuesday Nehemiah 9:5-20	Wednesday Isaiah 1:10-20
Thursday Isaiah 55:1-13	Friday Jeremiah 3:12-22	Saturday Hosea 14:1-9

When an aviator encounters a storm, he directs his plane through the clouds and goes higher. In that clear, rare atmosphere he is free from fear and difficulty.

Similarly, when we find ourselves surrounded by clouds of doubt, we need to direct our lives into a higher level where we may free ourselves of weaknesses and seek the will of God.

How can we attain these heights? Through the Church! It offers continuous opportunities for new growth, new life, new understanding. We need not wait for a more convenient time. We can enter into the life of the Church NOW.

# Horse's Mouth

Continued from Page 1-B

Michigan is no exception. It is a family activity which gets riders of all ages out to enjoy their horses on some of the most beautiful trails in the world.

Add to the enjoyment of the great outdoors the element of competition — the ability to complete a measured course in a specified time and in the best condition — and you have competitive trail riding.

A panel of distinguished horsemen and veterinarians will cover all aspects of preparing the horse and rider for competitive trail riding. They will discuss in depth everything from selection of a suitable horse, through care, conditioning and training, right up to what to expect at a ride.

### FOALING — Care of Mare and Newborn Foal.

(Portions of the following are taken from an article by O. G. Swanstrom, D.V.M. Michigan State University.)

The normal gestation period of the mare is 315 to 350 days. However, it is said that any gestation period is normal if it terminates with a live, healthy foal. If a normal, healthy foal is dropped three to four weeks early, the mare may have conceived to a mating before the last one. Yes, mares sometimes do show heat in pregnancy!

If the mare is to foal in a stall it should be: (1) clean; (2) big enough (over 14 by 14 feet); (3) reasonably quiet. Clean straw is the best bedding since the foal may inhale sawdust.

The mare's udder and vulva should be gently scrubbed with warm water, mild soap and clean cotton. The tail should be wrapped but not too tightly.

### ITEMS TO HAVE NEAR FOALING STALL:

(1) Fresh solution (four ounces or more) of strong tincture iodine (7 percent).

(2) Container for disinfecting navel with iodine — this should be one-half inch wide and about 3 inches deep.

(3) Two large clean towels. Listed below are the usual signs of foaling. Needless to say, some mares may not have read the book.

### ABOUT TWO WEEKS BEFORE: Udder begins to fill with milk. ('The mare makes bag')

ABOUT 24 - 48 HOURS BEFORE: "Waxing", beads of honey colored colostrum at ends of teats. About 50 percent of mares show "waxing".

ABOUT 12 - 24 HOURS BEFORE: "Running milk", strings of colostrum or streams from udder, relaxing of muscles of pelvis, soft swelling of vulva.

ABOUT TWO TO FOUR HOURS BEFORE: Mare may stand alone away from other horses, pin ears and wheel at her mares. She will be nervous and crampy (colicky signs).

ONSET OF LABOR: Walk around stall, break out in sweat, reflex emptying of bladder and rectum.

LABOR: Rupture of "water bag", two to five gallons of fluid may rest 10 - 20 minutes before lying down in true labor. Contractions: essentially all will be white lying down and only three or four contractions may be necessary to push foal out. If foaling is delayed 30 minutes after head and feet are present, call your veterinarian.

PLACENTA: Mares usually expel the "afterbirth" within an hour. If not passed in three hours, there is a retained placenta and your veterinarian should be called. After the placenta is passed it should be examined by your veterinarian for any missing pieces. A small bit of retained placenta may result in inflammation of the uterus with subsequent laminitis (founder).

After the foal is born, his struggling will normally break the afterbirth. If not, clean his head and wipe out nose and mouth with a clean towel.

It is important that the umbilical cord not be broken prematurely.

Normally, a mare will lie quietly after the foal is born leaving the cord intact. The foal gains a pint or more of blood from the placenta. If he is denied that blood supply he may be predisposed (weakened) to disease or even be a "barker" foal.
