

Township Planners Deny Third Mobile Homes Park

Petition to rezone 52 acres of land to permit installation of a mobile home park at Six Mile and Beck Road was denied.

The action was taken by Northville township planners meeting Tuesday night, as a "standing room only" crowd packed township offices.

Site plan approval of a second mobile home park at Seven Mile and Northville Road was deferred, pending a report on the flood plain.

Planners also agreed informally to a rezoning plan of a third mobile home park at Six Mile and Ridge Road. Rezoning of the site is being done through an out of court settlement.

Rezoning to permit the mobile home park at Six Mile and Beck Road was unanimously denied by planners, member J. C. Bowlby absent.

Submitted by developers Gilbert Pearson and Rodney Grover, the plan called for 260 units. Presently the 52-acre parcel is zoned one-family residential and owned by Charles Lapham.

Motion for denial was made

by commission member John MacDonald and supported by Fred Philippeau.

Attorney for the developers, James McCarthy, questioned MacDonald's reasons for denying the petition, to which MacDonald replied, "You may request why, but I am not obligated to give you any reasons."

McCarthy had argued that he was appearing before the planning commission "to find out the sentiment (on mobile homes). The property has been vacant and we want to know what we can do with the property."

He said he only wanted "fairness to the community and to Mr. Pearson and Mr. Grover. If it (a development) is unfair to the community, it will be unfair to Pearson and Grover in the long run."

McCarthy asked if it would be possible for the township to table the petition until he and the developers could discuss plans for the property with area residents and the township planning consultant.

MacDonald maintained the planning commission should "act on this petition or not act

at all. We will not amend your petition."

Philippeau suggested that if the planners "tabled the petition, it might indicate we are considering putting a mobile home site there."

Currently the planners are revising the township's zoning ordinance.

In other business, planners deferred action on site plan

approval of a 209-unit mobile home development proposed for the southeast corner of Seven Mile and Northville Road. Developer is Stewart Oldford.

Planners' decision to defer any decisions on the site plan was made when it was learned that approximately 12 acres of the site is within the flood plain of the Middle

Rouge River.

Outcome of a study of the flood plain by the US Army Corps of Engineers, as required by the Michigan Department of Natural Resources, is being waited for before planners make a decision on the site plan "which may have to be completely re-worked," planners explained.

Attorney for Oldford, John Thomas, maintained the site plan "meets all requirements of the township ordinance." He said they would have to comply with any state restrictions later imposed.

However, planning board member Bernard Baldwin argued that Thomas was "saying 'go ahead and approve the site plan and

we'll talk over the problems later."

"There are some problems here," Baldwin continued, "that must be resolved before we give approval."

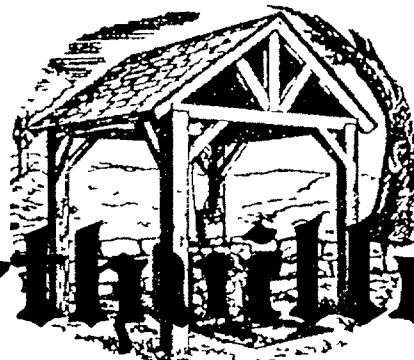

"I have reservations on the density, open space—every available inch on the site plan is used," Baldwin said.

His statements drew applause from the audience.

Site plan and rezoning for the third mobile home park, located at the southwest corner of Six Mile and Ridge Road, is being settled out of court.

Tuesday, planners agreed informally to a site plan. The plan retains 600 mobile home units on 100 acres, with 30

Council Chops Tax Levy by 2 Mills

MEMORIAL SALUTE—Boy Scout Robert Frank tosses a wreath into the stream near Rural Hill Cemetery as a salute to the naval war dead during Memorial Day services here. Standing behind his right shoulder is the American

Legion commander, Norbert Schollett, and behind him (partially hidden) is the Reverend Lloyd Brasure. Standing at attention (right) is VFW Commander Michael Utley.

'\$50,000 Not Enough for Senior Citizens' Housing'

Two Unhappy About Tax Cut

Although Northville has earmarked \$50,000 for senior citizen housing in the new city budget, two unimpressed citizens charged the council with failing to do more.

The criticism was leveled last week Wednesday during

the public hearing on the 1973-74 budget, which provides only one new outlay...for senior citizen housing.

Critics were Sidney Frid and Cecil Taggart, who charged the council with caring more about providing

parking spaces and open park lands than for old people.

Does open space have a priority over old people? asked Taggart, who specifically referred to past purchases of property for neighborhood park lands.

Pointing to the \$50,000 budget appropriation for senior citizen housing, Frid argued it was insufficient. He suggested that the council could provide \$100,000 if it so desired. Furthermore, he suggested the council might better consider a lesser millage reduction to beef up the senior citizens outlay. (The newly approved budget calls for a 2.1 mill reduction).

Councilmen refuted the charges, pointing out that \$50,000 (representing the equivalent of 1.5 mills) is a good starting point and indicating that appropriations in other areas of the budget in no way suggests a lesser concern for senior citizens.

Despite criticism by Taggart and Frid, who were

present at the meeting with several other senior citizens, one of the Northville Housing Commission members, Dr. Wilbur Johnston, expressed surprise and delight that the council had appropriated any money.

He said he was encouraged by the council's action, and that now the commission will begin formulation of a specific housing plan.

Established by the council in 1970, the commission has

been charged with studying and recommending housing for senior citizens in the city.

Following its establishment by the council in 1970, the commission conducted a year-long study to determine need and then it recommended the council formally request federal assistance for housing development.

In August, 1971 the council

Propose Salary Schedule

The city manager's salary was fixed at \$19,994 in the newly adopted Northville city budget.

Among other major budgeted salaries, some of which are only proposed at this time are:

Police Chief, \$16,514; police

lieutenant (starting), \$14,612; deputy treasurer, \$11,076 (after three years); fire chief, \$1,580; public works superintendent, \$16,514; public works assistant superintendent, \$14,612; assessor, \$1,600; and city attorney, \$7,704.

The salary schedule also

proposes \$13,520 for patrolmen after three years service; \$8,554 for deputy clerk after three years; \$7,774 for the billing machine operator after three years; and \$6 and \$5.50 for the first hour of duty for firemen on night and day duty, respectively, and \$4 and \$3.50 for additional hours.

Average salary increase, according to Ollendorff, was seven-percent, with the high put at 12-percent and the low at three percent.

As in past budgets, the biggest single outlay is for the police department. With \$392,200 budgeted for this department, the police outlay represents nearly 43-percent of the entire 1973-74 budget. Of this \$291,100 total, \$313,000 is for wages.

Approximately \$130,000 of the police department

expenditures is paid from race track revenues, Ollendorff explained.

This year the police department expenditure will

approximate \$360,000 or \$32,000 less than in the new budget.

ABSENTEE BALLOTS are now available for Northville Public Schools' June 11 election. Ballots may be obtained weekdays between 8 a.m. and 5 p.m. from the board of education offices, 303 West Main Street.

DEMOLITION of four houses south of Cady Street, between Wing and Center Streets, by the Northwest Demolition Company has been ordered by the city council at a cost of \$1,000 each. Five other houses are to be razed soon, thus completing site preparation for a parking in the half-block area.

NORTHVILLE SCHOOL Board will meet Monday, June 4, at 8 p.m. in the board offices, 303 West Main Street. Date was changed to avoid conflict last week with Memorial Day. Analysis and recommendation of contractors for the three new schools will be presented at the meeting.

Seven Candidates

Speak Next Week

Meet Your Candidates Night will be held at 8 p.m. Thursday, June 7, in council chambers of Northville City Hall.

Sponsored by the Jaycees, American Association of University Women and the League of Women Voters, the forum will introduce candidates for Northville Board of Education to the public.

Each candidate will speak for five minutes on the

priorities of the school district and then will respond to questions from the audience.

Candidates for the one four-year post in Northville are Betty Hancock, R. Duane LaMoreaux, P. Roger Nieuwkoop and Don E. Williams.

Seeking the one two-year term are Donald R. Faulkner, John P. Hobart and Robert M. Mandell.

School election is scheduled for Monday, June 11.

Educators Earn Honors From PTA

The Northville Area PTA Council has announced the recipients of the 1973 PTA Educator Service Awards. They are as follows:

- Thirty years—Miss Grace Pollock, kindergarten at Main Street.
- Twenty-Five years—Miss Florence Panattoni, director of instruction; and Al Jones, social studies at Northville High School.
- Twenty years—Mrs. Violet Bradford, high school counselor.
- Fifteen years—Mrs. Dorothy Smith, art at Cooke Middle School.
- Ten years—Mrs. Catherine Dinsmore, third grade at Main Street; and Mrs. Susan Shutes, middle school physical education.
- Five years—William Craft, principal at Amerman; Mrs. June Emerson, district visiting teacher; Mrs. Frances Caughey, fourth grade at Amerman; Mrs. Susan Karschnick, third grade at Amerman; James Honey, third and fourth grades at Amerman.
- Mrs. Bonnie Martin, first grade at Amerman; Miss Karen Verhey, second grade at Amerman; Jeff Lightfoot, fifth grade at Main Street; Mrs. Naomi Poe, fourth grade at Moraine; Robert Heldt, shop at Cooke.
- Miss Linda Moore, social studies at Cooke; Cyril Richards, social studies and physical education at Cooke; David Schopp, science at Cooke; Mrs. Janice Schettler, math and science at Cooke Annex.
- David Johnson, high school math; Mrs. Marian Kipfer, high school art; Ben Lauber, high school physical education; Miss Marilyn McCarthy, high school speech; and Miss Karen Turner, high school physical education.

Vikki Teeter demonstrates wool spinning in Michigan Week exhibit

News Around Northville

The Mizpah Circle of the King's Daughters will hold its annual picnic on Tuesday, June 5, at 12:30 p.m. in the Eight Mile Road home of Mrs. William B. Walker.

Each member attending should bring a table service

and passing dish for the meal and a white elephant item for an auction.

The picnic will be the last meeting of the circle until September.

Alpha Nu Chapter of Delta

Kappa Gamma, honorary professional teacher's sorority, has scheduled its final meeting before the summer recess for Monday, June 4, at 6 p.m.

A planned potluck will be held at the Northville home of Mrs. John Hobart.

A Cooke Middle School Student has been selected to attend the National Music Camp at Interlochen this summer. She is Marlene Buffa, 14, the daughter of Mr. and Mrs. Leo Buffa of Nine Mile Road.

Marlene, a piano student, will be at the camp for two weeks.

In the Fall, Marlene will be attending Mercy High School in Farmington.

Mrs. Annabel Schaupner of Northville Township was

among the 100 persons attending "Asian Humanities: Explorations for the College Curriculum" held on The University of Michigan Project on Asian Studies in Education in cooperation with the University Extension Service.

Purpose of the one-day conference was to provide a setting for educators to share information, ideas, and strategies for making the cultural and historical traditions of Asia come alive.

Mr. and Mrs. John Teeter and their daughter, Gloria, of 571 Randolph will demonstrate their own spinning wheels and carding combs during Pioneer Day activities at Fort Wayne Military Museum on June 2 from 10 a.m. to 4 p.m. The museum is located on West Jefferson at Livernois.

SEVERAL SPECIAL events are on the calendar for June and July in our town. Best of all, they're family attractions.

A flea market-craft show is scheduled by Northville Historical Society for July 4. It will open following the Independence Day parade and continue until dark. The show is to be the first event at the Mill Race site on Griswold street - this is the property donated last winter by the Ford Motor Company for a historical park. The old library building and the Greek Revival house have been moved here.

"It will be a tailgate show," according to Marie Bonamici, chairman. She is being assisted by Mrs. James Harris and Mrs. Jack Hoffman. Anyone wishing to take booth space is invited to contact Mrs. Bonamici at her Sunflower Shop at 116 East Main Street. Planners are hoping for an old-fashioned assortment of antiques and other flea market merchandise and craft pieces.

MICHIGAN HISTORICAL Commission's special craft exhibit at Northville City Hall on Tuesday of Michigan Week owed much of its success to the support of Marie Bonamici and seven craftsmen (craftswomen?) she recruited.

For school groups and residents who dropped by they exhibited a variety of hand crafts. Miss Vikki Teeter demonstrated wool spinning, a craft hobby she shares with her parents, the John Teeters.

Mrs. Jack Scantlin, who dyes her own wool, demonstrated rug hooking and guided school children as they tried a few stitches. Other demonstrators included Mrs. David Mynatt, who brought chairs to cane and rush the seats; Mrs. David VanHine, who showed a variety of needlepoint stitches; Mrs. Harold Noffz, corn husk dolls; Mrs. Donald Pierre, macramé; and Mrs. Lawrence R. Gaitskill, weaving.

Lee Benson, from the Michigan State Museum, brought a silhouette apparatus to illustrate the popular yesteryear practice of creating silhouette pictures. Mike Washo of the Michigan Historical Commission arranged the exhibit at the request of William McLaughlin, Northville Michigan Week Chairman.

THE COMMUNION of Saints and Sinners, a group of 60 young people from Northminster Presbyterian Church of Cincinnati, will present a special concert service at 6:30 p.m. Sunday, June 10, at Northville First Presbyterian Church. The program is scheduled early to precede baccalaureate services at the high school.

The young people are on a 10-day tour, presenting creative worship services in Michigan, Ohio, Pennsylvania and New Jersey. They are coming here following appearances in Flint and will go from Northville to Mifflin Presbyterian Church in Gahanna, Ohio.

While in Northville, the young people and the six adults accompanying them will be guests in homes in the community for Sunday night and Monday breakfast. Mrs. H.O. Evans is in charge of these arrangements.

"Faith" is the theme of the program to be presented in Northville. "Faith is," they say, "very practical, very costly, very exciting, and very dangerous." In their service, they explain, drama is used to explore the heights and depths and reaches of faith. On the tour different themes are used each night.

Mrs. Evans explains that the Saints and Sinners group has been obtained through Mr. and Mrs. Harold Haler, who joined the Northville church after moving to Plymouth from Ohio. Hu Auburn, associate minister of Northminster Church who leads the

group, is an alumnus of Michigan State University.

He majored in humanities at MSU, graduating Magna Cum Laude and Phi Beta Kappa. His Master of Divinity degree is from Princeton Theological Seminary. Bill Mathis, director of education and music at Northminster Church, conducts all of the choirs and works with the church school. He has been a guest leader of workshops and festivals in six states.

THIS COMING SUNDAY, June 3, at 3 p.m. is the time of the family concert being given by the Northville High School bands in the park behind Northville City Hall. Families are invited to bring blankets and sit on the lawn. In event of rain, the concert, sponsored by the PTA Junior Entertainment Series, will be moved to the high school auditorium.

THE DRAMA department of Northville High School is the recipient of a gift of \$1,000 from Northville Mothers' Club. This is the last donation of the 1972-73 club year for Northville schools, and the club hopes it may be used to aid the problem of acoustics when such productions as "Sound of Music" are presented.

The sum was voted at the club's annual picnic meeting last Monday at which new officers for 1973-74 took over. Mrs. Glenn Deibert is president with Mrs. Bernard Bach as vice-president. Others are Mrs. James Tellam, treasurer; Mrs. Samuel McSeveny, recording secretary; and Mrs. LeRoy Ording, corresponding secretary. Mrs. Walter Carter is the new finance chairman.

Since the new Northville telephone directory due to be issued to every resident in late summer is the only continuing summer project, Bonnie Carter will have time to get settled in the home the family has bought on Beck Road. The family's present home on Rathlone has just been sold. The home on Beck Road formerly was owned by the David DeJohns who have bought in Northville Commons.

NORTHVILLE WOMAN'S Club chairmen for the 1973-74 year, which begins in October, are announced. Mrs. Robert Brueck, program chairman, already has met with her committee to begin fall planning. Mrs. I.M. McLeod is in charge of the social committee, taking over from Mrs. Charles Fountain who entertained her workers earlier this month at a buffet luncheon.

Other new chairmen are Mrs. Douglas Bolton, civic improvement and federation; Mrs. John Wisner, housewarming; Mrs. Frank Kastner, reservation and transportation; Mrs. Robert Shafer, membership; Mrs. D. S. Hiller, flower memorial; Mrs. H. O. Evans, music; Mrs. Blake Couse, nominating; Mrs. E. O. Weber, grant-in-aid; Mrs. John Stuart, press; and Mrs. William Switzler, historian.

BRIDAL SHOWERS here and in Kalamazoo and Grand Rapids honored Julia Anne Brown, daughter of Dr. and Mrs. John Brown, who became the bride of Thomas Charles Davis last Saturday afternoon at Northville First Presbyterian Church. He is the son of Mr. and Mrs. W.E. Davis of Grand Rapids.

Mrs. Stanley Sonk was hostess for a miscellaneous shower. Another shower, also miscellaneous, was co-hosted by Mrs. Norman Faustyn and Mrs. Harold Price. Julie's friends were hostesses for two showers in Kalamazoo while friends of the Davis family hosted two in Grand Rapids.

Friday evening the Clayton Laffertys, friends and neighbors of the Browns, entertained at a rehearsal dinner party following the rehearsal at the church. Guests were seated at tables covered with pink cloths with sheer organdy overlays.

Julie, an honor student at Western Michigan University, has just finished her junior year there. Her husband is an April graduate.

MR. AND MRS. ROBERT E. ANDERSON

Kirk-Anderson Rites Solemnized

A wedding trip to Hawaii and Las Vegas followed the May 20 marriage of Jacalyn Kirk and Robert E. Anderson.

Bouquets of white mums, gladioli and baby's breath and blue and white bows decorated the Honey Creek Friends Church in New Providence, Iowa, for the 3 p.m. ceremony.

Lloyd McDonald, minister of the church performed the marriage. Soloists were Roberta Peckham and Debi Currie and Mrs. Harry Clappitt played the organ. The bride is the daughter of Mrs. James C. Cutler of Northville and William J. Kirk of Detroit. Mr. and Mrs. Earl E. Anderson of Council Bluffs, Iowa, are the bridegroom's parents.

Given in marriage by her mother and father, the bride wore a gown of voile with Cluny lace accenting the high-rise waist, lantern sleeves and demi-bell skirt. She wore a picture hat of horsehair braid trimmed with tulle.

Her bouquet was an arrangement of starburst mums and lily of the valley. Susan Kirk was maid of honor in a gown of white shadow voile with blue and

brown flowers. She wore a white picture hat trimmed in blue and carried an arrangement of white starburst mums and blue cornflowers in a strawberry box.

Attendants Mrs. Tim Krizan and Marty Volz were outfitted like the maid of honor. Shelli Phillips was the flower girl.

Best man Steve Johannesen was assisted by Dennis Bachman, Van Holloway, George Amundson and Darrell Jansonius.

Wedding guests were entertained at a buffet dinner in the South Harden Recreation Center following the ceremony. Those attending traveled from Illinois, Connecticut, Nebraska and Minnesota.

The couple will be honored at a reception in Northville on June 1 given by the brides mother.

The bride is a 1973 Iowa State University graduate. A 1972 Iowa State University graduate, the bridegroom is now employed by Pratt and Whitney Aircraft of East Hartford Connecticut.

Mr. and Mrs. Anderson will be at home in Vernon, Connecticut.

Engaged

MARCELLA S. COGAR

Mr. and Mrs. Orlando Cogar of 9421 Chubb Road, Northville announce the engagement of their daughter, Marcella Sharon, to David Franklin Taulbee, the son of Mr. and Mrs. Alvis Taulbee of 23220 Sandra Street, South Lyon.

The bride-elect is presently employed at Metropolitan Life Insurance Company in Ann Arbor and her fiancé is employed at Tri-Mation Corporation in Livonia.

The couple plan a September wedding.

Couple Pledges Vows

The ceremony of the candles and special liturgy written by Kristine M. Defina and Lenn W. White were used for their May 11 marriage ceremony at the First Presbyterian Church of Northville.

White and yellow flowers decorated the church for the 7:30 p.m. service which was led by the Reverend Lloyd Brasure.

Organist Jon Steimel played music especially chosen by the bride and bridegroom and Joan McNeiece sang The Wedding Song.

Parents of the bride are Mr. and Mrs. Frank Defina of Northville. The bridegroom is

the son of Mrs. Victoria Thompson of Walled Lake.

Given in marriage by her father, the bride chose a long white gown of satin with an organza overlay. The empire dress features lace trim at the cuffs, hemline and the bodice, giving it a bib effect.

Carnations, daisies and roses made up the bridal bouquet.

Mrs. A. H. Strom of Mt. Pleasant, sister of the bride, was matron of honor in an empire gown of taffeta with a mint green overdress of dotted swiss. Her dress featured puffed sleeves and a ruffled skirt.

Attendants Mrs. C. M. Brown, Joan Kester, Teresa

McHale, Bonnie Defina and Theresa Bishop wore yellow dresses styled like the matron of honor's. All attendants carried candle bouquets of white and yellow daisies.

Best man D. Homer Payton was assisted by ushers Paul Richmond, Tim Griffin, Mike Sharkey, Mike Brown and Frank Defina.

The couple greeted 200 guests at the Roma Hall of Livonia after the wedding ceremony. Included were visitors from Mt. Pleasant, Midland, Oscoda, Belding, Kalamazoo and Gaylord.

Following a week-long wedding trip to Hawaii, Mr. and Mrs. Lenn W. White are now at home in Plymouth.

Mrs. White is a 1969 Northville High School graduate and her husband graduated from Novi High School in 1971.

'Concert in Park' Scheduled Sunday

The music of Carol King, Herb Alpert, Johnny Mercer and other contemporary composers will be featured in a band concert sponsored by the Northville Band Parents and the Northville PTA Council 3 p.m. Sunday, June 3, in the city park.

The high school concert band, wind and jazz ensembles will be directed by Robert Williams.

They will present selection of a wide range including 'Working on the Railroad', 'Summer of '42' and 'March of the Magnificence'.

There is no charge for the concert. In case of rain, it will be held in the Northville High School Auditorium.

The PTA Council is presenting the concert as the third event in the Junior Entertainment Series. By sponsoring the series, the PTA hopes to bring cultural enrichment to the youth of the community.

The entire family is invited to the concert and encouraged to bring a lawn chair or blanket to the park on June 3.

Darnell-Smith Vows Said Here

White gladioli and yellow daisy mums decorated Our Lady of Victory Church, site of the May 25 wedding of Linda Ann Darnell and Clifford Allen Smith.

Parents of the couple are Mr. and Mrs. Donald E. Darnell of 332 Debra Lane and Mr. and Mrs. Clifford A. Smith Sr. of 19235 Maxwell.

The Reverend Father John Wittstock performed the double ring ceremony. Dressed in a full white gown of sate peau, the bride was given in marriage by her father. Fluted lace accented the bodice, lantern sleeves and chapel train of the gown. Her bridal bouquet was made of forget-me-nots, daisy mums, gladioli and sweetheart roses.

Laura Jean Darnell served her sister as maid of honor and Mrs. Launa Wakenhut, Barbara Hettich and Deborah

Turbett were bridesmaids.

All attendants wore long princess-style dresses of apple green dotted swiss and carried oil lamps encircled with sweetheart roses, daisy mums and forget-me-nots.

Young Jeanne Wakenhut, the bride's niece, was flowergirl.

Serving as best man was Steven E. Smith. He was assisted by John and James Darnell, Thomas Semik and Alan Wakenhut.

A reception for 200 guests was given in the Thunderbird Hilton Inn Essex Room.

After the reception, the couple left for a wedding trip to Toronto and southern Ontario.

The bride will graduate in August from the University of Michigan and the bridegroom is employed by Detroit Staple Company.

The couple will live on Six Mile Road in Northville

JANICE POLIDORI

An August 10 wedding date has been selected by Janice Marie Polidori and William Charles Higgins III.

The couple's engagement is announced by her parents, Mr. and Mrs. Armando Polidori of Livonia. He is the son of Mr. and Mrs. William Charles Higgins, Jr. of 46180 West Main Street.

The bride-elect is a 1968 graduate of Livonia's Bently High School and is employed by Sears, Roebuck and Company in Livonia.

Her fiancé graduated from Our Lady of Sorrows High School in 1962 and is now attending Henry Ford Community College and working for Automatic Valve Corporation of Farmington.

Kirby-Tuck Wedding Held

A double ring ceremony on May 18 united Diane Kirby and Thomas W. Tuck in marriage. The wedding took place at the Walled Lake City Hall and was performed by Mayor Marshall Taylor of Walled Lake.

Parents of the couple are Edward Kirby of Walled Lake and the late Mrs. Kirby and Mr. and Mrs. William Tuck of Wixom.

Given in marriage by her father, the bride wore a long white gown styled with short puffed sleeves. She carried two long-stemmed red roses. Maid of honor Shelly Cooper

of Walled Lake was outfitted in a long lilac print gown with short sleeves and empress waistline.

Serving as best man was David Tuck of Wixom.

The immediate family was entertained at a dinner in Morey's of Union Lake following the ceremony.

The bride and groom are at home in Oscoda where the bridegroom is stationed at Wurtsmith Air Force Base.

SEMCOC Eyes Novi Regional Park

MOTORCYCLIST DIES—A 20-year old Plymouth man was killed Thursday when his motorcycle collided with a train at the 10 Mile Road crossing in Novi. Pronounced Dead on Arrival at Botsford General Hospital was George B.

Bowman. According to police reports, the accident occurred when Bowman attempted to beat the oncoming train to the crossing.

Efforts to designate approximately 1,000 acres of land in the northeast corner of Novi for a regional park are running into strong opposition from Novi officials.

The designation is being proposed by SEMCOG - the Southeastern Michigan Council of Governments - which serves the entire southeastern portion of Michigan as an unofficial regional planning authority.

In a meeting of the Planning Board attended by several members of the Novi city council last week, SEMCOG Representative Brian Blazing told city officials that the proposed location would encompass approximately 1,000 acres and run from Haggerty Road west to Walled Lake.

That location had been chosen, he told the planners, due to its topographical features, particularly its access to the lake.

Blazing's presentation was met with a wave of opposition, particularly from Mayor Joseph Crupi and Councilman Louie Campbell, who said, in essence, take your regional park somewhere outside of Novi.

Blazing's appearance before the Planning Board last week marks the second time SEMCOG officials have attempted to designate a large tract of Novi acreage for a regional park.

In 1971 SEMCOG had selected a 1,000-acre parcel in the northwest section of the city for such a park. That proposal was abandoned and deleted from the regional master plan, however, when then Novi City Manager George Athas loudly objected to its inclusion.

Basis of Athas' objection was that SEMCOG had not taken Novi's own master plan of development into consideration and that location of a regional park in the northwest section would in effect rob the city of 1,000 acres of its prime industrial land.

Blazing told the Planning Board last week that the most recent SEMCOG proposal for location of a regional park was made in an attempt to accommodate the city's objections to the original proposal.

The SEMCOG representative further told the Planning Board that the selection of a 1,000-acre parcel in Novi is in keeping with a new line of thinking being adopted by the planning authority.

"Instead of large parks like Kensington we are trying to locate somewhat smaller parks of 600 to 1,000 acres closer to the centers of population," he said.

Kensington, by comparison, contains 3,000 to 4,000 acres. By 1990, Blazing continued, we hope to have five different

1,000-acre regional parks within one hour's driving distance of the centers of population.

Partial purpose of the plan is to relieve some of the pressure on Kensington by drawing off some of the populace with parks closer to Detroit.

Blazing's proposal was attacked by Mayor Crupi and Councilman Campbell.

"What you're doing is putting a stop order on the development of that section of our city," charged Crupi.

"Developers know that SEMCOG has a say in the granting of federal mortgage money. If they know that you've designated that parcel for a park they won't go near it for fear of not being able to get federal funding."

Campbell pointed out that Novi has recently finished an \$11 million sewer project in the northern part of the city "Unless we can sell sewer taps to developers, we'll be unable to pay for that new sewer plant and we'll be

forced to spread an ad valorem tax over the whole city," he said.

Crupi noted that the land designated for a regional park by SEMCOG would soon be split by the I-275 expressway. "It puzzles me," said the Mayor, "why you would put a park in an area where there is going to be a detriment. Why not put it somewhere where there is no detriment?"

"Why did you have to put it in the Novi section of the four corners up there instead of in Commerce, West Bloomfield, or Farmington Township? Why not put it on somebody else's property?" he asked.

Blazing argued that SEMCOG's designation of a regional park in that area does not necessarily mean that there will be a regional park there.

"SEMCOG is purely a planning agent," he said. "We have determined that there is a need for a regional park and that the northeastern corner

Novi Candidates Speak Thursday

Novi residents will have an opportunity to meet, and question candidates for the Novi Board of Education at a special, "Know Your Candidates" night scheduled for Thursday, June 7.

The event, to begin at 8 p.m. at the school administration offices at 25549 Taft Road, is sponsored by the Novi unit of the Plymouth-Northville League of Women Voters.

Superintendent Dr. Gerald Kratz and Board Member Gilbert Henderson will be present at the meeting to speak on the proposed school building plans and new millage rate.

In the June 11 election Novi voters will be asked to approve a renewal of seven mills, an increase of 2½ mills, and a bond issue of \$13.5 million.

Mrs. Gretchen Pugsley, coordinator of the event, reported that candidates have been asked to respond to the question: "What do you consider the most important priorities for the Novi school district over the next five years and how would you implement your priorities?"

Each candidate may speak for five minutes. A question and answer period will follow the speeches.

Appearing on the ballot for the two four-year terms on the school board are Joel Colliau, Mrs. Sharon Pelchat, and Robert Wilkins, the lone incumbent in the race.

Seeking the one two-year term on the ballot are Dr. Richard Henderson, Thomas Szeles, and Norman Miller.

Meadowbrook-Grand River Area

Veto Industrial Zoning

Residents in the Willowbrook subdivision have apparently won their battle to prevent location of an industrial subdivision in the Meadowbrook Road-Grand River Avenue area.

By a 7-0 vote Tuesday, the Novi city council rejected the request of Sidney Pomish for the rezoning of a 35-acre tract of land in that area from its existing R-1 (single family residential) to M-1 (light manufacturing).

Reason for the rejection was not, however, the proximity of the property to the Willowbrook subdivision, but the hilly, rolling quality of the terrain which Edward

Vettel, Novi's planning consultant from Vilcan-Leman, suggested would make industrial development extremely difficult.

After numerous sessions with the city's Planning Board, Pomish appeared before the city council with his rezoning request two weeks ago.

His initial request was that a five-acre parcel on the southeast corner of Meadowbrook and Grand River be zoned commercial to permit development of a convenience-type shopping center and that the remainder of the 62-acre parcel be zoned M-1 to permit development of

an industrial subdivision.

Vettel at that time offered an alternate proposal which won the support of the Planning Board. Vettel suggested that the commercial zoning be granted on the five-acre corner parcel, but that a 22-acre strip between the industrial zoning and the rear of the Willowbrook remain R-1 to serve as a buffer between the proposed industrial and the existing one-family residential subdivision.

The council rejected the commercial zoning on the corner citing traffic problems on Grand River, but delayed action on the industrial zoning until Tuesday, ostensibly pending receipt of a metes and bounds description of the property.

However, when the question was reopened Tuesday, Vettel stated that Vilcan-Leman had changed its mind about the industrial zoning.

"As a result of having studied a topographical map of the area, we find that massive site preparation would be necessary before it could be developed as an industrial subdivision," he stated. "A great deal of earth would have to be moved before a grade level suitable for industrial development could be attained."

Vettel then suggested that the developer consider an R-2-A (multiple family residential) designation. "Some earth moving would still be required," said the planning consultant, "but it is our opinion that the site is

more conducive to a multiple family development than it is to industrial development."

Specifically, Vettel recommended rejection of the request for an M-1 zoning and suggested that R-2-A was a more reasonable use of the land.

The 22-acre strip between Willowbrook and Pomish's property would remain R-1 under Vettel's proposal to serve as a buffer between the multiples and the subdivision.

Vettel also noted, however, that according to the city's Master Plan for development,

the area was designated for M-1 development instead of R-2-A.

John Roethel, chairman of the Planning Board who was present at Tuesday's council session, told the council that his board had purposely bypassed the possibility of multiple family development for the Pomish property.

"It is the understanding of the Planning Board that the council has adopted a general policy of not allowing any more multiple family

Commencement Set for June 5

Seniors Get Diplomas

Harold E. Sponberg, president of Eastern Michigan University, will be the commencement speaker as the 111 members of Novi High School's sixth graduating class receive their diplomas next week.

Commencement exercises are scheduled for Tuesday, June 5, at 8 p.m. on the high school athletic field.

Graduation week for the Novi seniors will begin Sunday, June 3, with the Baccalaureate service at 8 p.m. in the high school gymnasium.

Delivering the invocation and benediction at Baccalaureate will be the Reverend Phillip Seymour of the Novi United Methodist Church.

The Reverend Arnold Cook, pastor of the First Baptist Church of Novi, will present a Baccalaureate address entitled "Life—A Choice, Not a Chance."

Choral presentation of "Imagine" and "Let There Be Peace on Earth" will be given by a high school choral group under the direction of Mrs. Suzanne Korzyn. The

processional and recessional will be played by Mrs. Korzyn, director of the high school choir.

Commencement exercises will begin at 8 p.m. on the high school athletic field. In case of inclement weather, the ceremonies will be held in the gymnasium.

The processional and recessional at Commencement will be played by the high school band under the direction of Gordon Seiler.

The invocation will be given by the Reverend Father John

Wyskiel, assistant pastor at Northville's Our Lady of Victory Catholic Church; while the Reverend Father Leslie Harding of the Holy Cross Episcopal Church in Novi will give the benediction.

Speaking to the class will be salutatorian Carol Salow, valedictorian Denise DeBrule, and School Superintendent Gerald Kratz, who will give a special "Farewell" address.

Dr. Sponberg, the key speaker, will be introduced by

Continued on Page 12-A

scores are not necessarily indicative of students' intelligence or teachers' instructional abilities.

Nevertheless, he and other administrators are pleased with the apparent progress shown by tests given in January to fourth and seventh grades here and elsewhere throughout the state.

According to Dr. Kratz, tests of fourth graders here showed that the district's percentile climbed from 45 last year to 77 this year. Seventh grade scores climbed from 62 to 69.

Standard Michigan score average in 1972-73 was 53.2 for fourth graders and 51.5 for seventh graders. The previous year the standard average was 50.6 and 51.1, respectively.

For the first time since these tests began in 1970, scores have been reported back to the district for each student by name. Therefore, according to Dr. Kratz, parents may upon request see their child's score.

However, the superintendent cautions parents to guard against generalized conclusions. He suggests that the test scores be discussed with the teacher and or counselor.

Motorcyclist Killed In Train Accident

A young motorcyclist was killed Thursday when he lost his race with a northbound freight train to the C&O crossing on Ten Mile Road.

Dead is George B. Bowman, Plymouth, 20 years old, of Novi. He is the sixth traffic fatality recorded in Novi so far this year.

Witnesses of the accident told police Bowman was eastbound on 10 Mile. As he approached the crossing, he increased his speed in an apparent attempt to beat the oncoming train across the tracks.

At the last second, he swerved into the westbound lane of 10 Mile Road and struck the train on the side. Speed of the train at the moment of impact was approximately 23 miles per hour, the engineer told police.

The accident occurred at approximately 9:50 a.m. Thursday, May 24. Police and an ambulance were summoned to the scene and Bowman was taken to Botsford Hospital where he was pronounced "Dead on Arrival" by the examining physician.

Service Totals 64 Years

3 Northville Teachers Retire

By MARTHA ROEMER

Three women with a total of 64 years of teaching service to Northville Public Schools will retire at the end of the 1972-73 school year.

With the most service is Mrs. Ann Chizmar, a reading specialist at Amerman Elementary School, who has taught in Northville for 32 years.

Mrs. Violet Bradford, a counselor at Northville High School, is in her 20th year with the Northville Schools, and for the last 12 years, Mrs. Reva Shave has taught Northville students.

All three teachers say they have seen a great deal of change during their tenure with the Northville Schools. Mrs. Chizmar can remember having taught kindergarten in a house.

"The administration and school nurse were located in a house where the Main Street School now stands," she recalled, "and I taught kindergarten in the basement of that house. I have fond memories of having taught there. It had been completely remodeled as a kindergarten classroom."

She said she also taught an "overflow kindergarten" in the scout building in 1936.

A graduate of Eastern Michigan with a B.S. degree

in elementary education, Mrs. Chizmar went on to graduate school at Eastern in more recent years and now has a masters degree in specialized reading.

"I've been at Amerman since it was built in 1955. Before that, I was at Main Street," she said.

Mrs. Chizmar taught 14 years of kindergarten, then four years of first grade, seven years of second grade and has been a reading specialist for the past seven years.

"When I first started teaching," Mrs. Chizmar remembered, "there were only 23 on the staff. That was administration and teachers. Now, there must be about 200 or so."

The children, too, have changed in Mrs. Chizmar's estimation. "They are much less inhibited now than they were when I started. That can be good or bad. Of course, now they live in a much more populated area," she said.

Retirement plans? "I plan to do a lot of golfing, play bridge, crochet and knit for my grandchildren, and I may fit in some tutoring, too," Mrs. Chizmar said.

After 14 years at Baldwin High School (seven as principal), Mrs. Violet Bradford came to teach English and Latin at Northville High School. "At that time," she said, "the junior high and high school students were in the same school."

Her counseling duties began 12 years ago when the present high school was opened. "Counseling has changed since then," Mrs. Bradford explained. "Back then, we were just academic counselors. Now, we counsel on much more than that."

Having received her bachelor degree at Western Michigan University, Mrs. Bradford did not go on to graduate training until she began counseling. She holds a master degree in counseling from Eastern Michigan.

Mrs. Bradford looks forward to spending more time with her family after she retires. "I have two daughters, both Northville High graduates," she said, "and I am going to be seeing more of them."

Other plans include involvement in organizations for which there has not been much time in past years, travel and just "catching up."

A graduate of the University of Michigan, Mrs. Reva Shave has had probably the most varied career of the three. She holds a bachelor

degree in education from the university's school of literature and has done graduate work there and at Eastern Michigan. She has a master's equivalency degree.

"After my bachelor's degree," she said, "I decided I wanted to go to business school, so I did that. Then, about 13 or 14 years ago I began to substitute and decided I liked teaching after all."

Prior to teaching composition and literature at Northville High, Mrs. Shave taught at the fourth grade level.

Mrs. Shave has seen the institution of one-semester literature courses at the high school level since she has taught there.

"We tried, first of all, to get a one-semester Shakespeare course started. From there it grew and now we offer many specialized courses for the interests of the students," she said.

In addition to teaching literature and composition, Mrs. Shave is also qualified to teach specialized reading.

By the beginning of July, Mrs. Shave and her husband will have moved from their Fairway III Drive home to "the house I lived in for so many years on West Main Street." She added they have also purchased a home in Stuart, Florida, where they

will be in the winter.

"Both my husband and I love to play golf and I plan to play a lot of bridge, which I haven't done in years, she said. "Of course, there is my work with The Detroit Grand Opera Association. I will

continue to do that."

Duties of the three over the years have differed, as do their plans for the future, however, all three agree that they "have enjoyed every minute" of their years with Northville Schools

MRS. VIOLET BRADFORD

MRS. REVA SHAVE

FAMILIAR SIGHT—Mrs. Ann Chizmar is shown with two of the many students she has taught during the past 32 years with the Northville Public Schools. With Mrs. Chizmar are Lisa Wheeler and Doug Rice, two of her reading students.

Infant Care Series Offered in June

Northville Lamaze Childbirth Education Association has announced two June series of infant care classes which will begin in June.

Attending Opera

The Metropolitan Opera is performing in Detroit this week, and, as in past years, several Northville residents will be among those attending.

Included will be Mr. and Mrs. Ernest Shave, Dr. and Mrs. Charles Wheatly, Dr. and Mrs. Harold Wright, members of the John Mowat family, Miss Patricia Dorrian and Miss Pat Bubel.

Announce Births

Announcement of the birth of their first child, a son, comes from Mr. and Mrs. James D. Buchanan of 486 Fairbrook. James Duncan Buchanan, Jr. was born on May 23 at Boisford General Hospital.

The baby weighed seven pounds and 11 ounces at birth and was 20½ inches long.

Paternal grandparents are Mr. and Mrs. Ronald Buchanan of Utica. The maternal grandmother is Mrs. Pauline Wandschneider of Downers Grove, Illinois.

Mr. and Mrs. Donald Burch of Hampton Hill in Novi announce the birth of their second child and first son, Timothy Philip, born May 16

The classes are scheduled for three weeks and the cost is \$6. Both parents are encouraged to attend.

Care of a newborn is what the series will stress. Among the subjects covered will be bathing, diapering, feeding, safety, layette and illness.

A Monday evening series will be offered at the Plymouth Church of the Nazarene from June 4 through 18. Saturday afternoon classes will be taught at the Living Lord Lutheran Church in Novi from June 9 through 23.

For further questions or registration, parents should call Mrs. Kathy Nunez at 455-0215.

An 18-year tradition will be observed on Friday, June 1, when Northville's Orient Chapter No. 77, Order of Eastern Star is hostess to Laurel Chapter No. 164, Order of Eastern Star of Toronto. Dinner will be served at 6:30 p.m. in the Masonic Temple of Northville, 106 East Main Street. Entertainment will follow at 8 p.m.

Orient Chapter Worthy Matron Mrs. Beverly Ludwick and Worthy Patron Richard Ludwick will host Worthy Matron Mrs. Mona Scott and Worthy Patron Leslie Hyatt and other Laurel Chapter members.

Members interested in making reservations for the dinner should do so by calling Martha Haws at 455-2034 or Enid Penn at 349-1714 before June 1.

The exchange between the two chapters began in 1955. The meetings are in

Northville every other year.

According to Mrs. Ludwick, the exchanges have resulted in many lasting friendships and have, hopefully, contributed toward an understanding between the two countries.

Earns Degree At Valparaiso

Irene Dolores Cavanaugh of Northville was awarded the degree of Bachelor of Science in Psychology at the 99th Commencement exercises of Valparaiso University on Sunday, May 20.

Speaker at the Conferring of Degrees ceremony was Governor Otis R. Bowen of the State of Indiana.

President A.G. Huegli of Valparaiso University was the preacher at the Baccalaureate Service.

at Mt. Sinai Hospital in Detroit. The young man weighed eight pounds and 12 ounces at birth. Grandparents are Mrs. Edgar Conley of Northville and Mrs. Philip Burch of Dearborn. Timothy Philip joins a sister, Denise, 6, at home.

Miss Seiler To Receive Scholarship

Lawrie Seiler has been awarded an Alvin M. Bentley Foundation scholarship for the 1973-74 academic year.

Miss Seiler, who is the daughter of Mr. and Mrs. Arthur Seiler of 120 Rayson, will be a junior in the fall at University of Michigan.

Majoring in journalism, she is a 1971 graduate of Novi High School.

Beginning June 11, she will participate in a summer internship program through the University of Michigan and will be interning for 10 weeks with the Washington Evening Star in Washington, D. C. She will work on the paper's Magazine section.

Currently working for the University's Department of Journalism, she holds a cumulative grade point average of 3.48.

Bentley Foundation scholarships were given this year to students who had graduated or were graduating from Michigan high schools. Selection of the winners was made by the scholarship committees of the colleges and universities.

AMERMAN ART FAIR—Sean Gucken, fifth grade, (left) and Ann Drew, fourth grade, are just two of the students who will be demonstrating ceramic sculpture and weaving at Amerman Elementary School's Art Fair tomorrow, Friday. The fair, which will be held in the school library, begins at 6:30 p.m. Art work from all students in the

school will be on display, according to art teachers Mrs. Gail Raben and Mrs. Shirley Talmadge. Also demonstrating ceramic sculpture will be fifth grader Alisa Krinsky, while fourth grader Greg Ayers will display weaving techniques. An ice cream social, sponsored by the Amerman PTA, is also slated for Friday during the art fair.

Student Council Acts

'Renamed' Nagelsville

By a unanimous 7-0 vote the members of the Novi city council last week approved a motion to change the name of the city from Novi to Nagelsville.

That shocking piece of news is absolutely true - almost. The vote took place during a regularly scheduled meeting of the Novi city council a week ago Monday in the Novi High School Commons.

The only difference was that it was not the regular members of the city council who cast the ballots in favor of the name change.

Manning the council seats were seven Novi High School students who had been elected by the senior class to swap positions with the regular council members as part of the city's first annual observance of Student Government Day.

High school students swapped roles with more than just the mayor and six councilmen, however. As part of the program, Novi seniors filled virtually every municipal office from city manager to fire chief. In addition, a student was appointed to each of the city's various boards and commissions.

Everyone who participated in the first Student Government Day termed the program a success and expressed the wish that it be continued in conjunction with Michigan Week on an annual basis.

The idea for Student Government Day was first discussed by Del Munson, high school government teacher, and Councilman Edward Presnell several years ago. Nothing developed until this spring, however, when Novi decided not to participate in the traditional Mayor's Exchange Day aspect of Michigan Week.

Mrs. Patricia Karevich, who had been appointed by the council to supervise Michigan Week activities, contacted Munson to discuss an alternative to Mayor's Exchange Day and the Student Government Day was

suggested and adopted. "We decided to really go at it and do it right," commented Munson.

The four senior government classes were turned into precincts and all seniors were registered as official voters. After everyone had been registered, any registered voter desiring to seek either the job of mayor or city councilman was required to file a petition of candidacy and a \$1 filing fee.

"We tried to keep everything as close as possible to actual City of Novi procedures," stated Munson. One area in which Munson decided to deviate from regular city procedure, however, was in having a primary.

"We did it for the experience," he commented. The five original candidates for mayor were whittled down to two and the 16 council candidates were reduced to 12. Following the primary, campaigning began in earnest.

"There were a lot of political tactics employed in the election," Munson reported. "Candidates tried to buy support with the promise of key appointments; there was a little log rolling; they used all the tricks."

Finally, on election day, the registered voters (seniors) elected Jeff Nothnagel mayor over Cindy Barr. "It was quite an election," said Munson. "The Voice of the People won out over a Moderate Rational Women's Libber."

Following the election, Mayor Nothnagel and Councilmen Bob Brown, Carol O'Neal, Mike Holroyde, Tom Hunt, John Bruning, and Kirk

Rosey selected Randy McGarry as city manager. Then, with the help of McGarry, the council proceeded to make appointments to every municipal office.

Mike Sumner and Ken Jones were appointed city attorneys; Mike Vivan was made Administrative Assistant and DPW Head; Karen Collins was named City Clerk; and Dave Ward was given the job of City Controller.

Kim Smith was named Assessor; Tom Padgett was made Police Chief; Gary Staub was appointed Fire Chief; Steve Springstead was named Director of Building and Safety; Pat Boyer was made Fire Marshall; and the Supervisor of Sewer and Water position was given to Dave Sinicola.

Appointed to the boards and commissions were Mel Stephens (Planning Board), Dave Miller (Board of Review), Debbie Smallwood (Board of Appeals); Marsha Cook (Parks and Recreation); Marlene Alexander (Library Board); and Larry Taylor (Building Authority).

Student Government Day was held last Monday. In a special assembly at the high school in the morning, Mayor Joseph Crupi read a proclamation making May 21 the official Student Government Day. Then following presentation of certificates of participation from the League of Women Voters and a luncheon at the Holiday Inn, the student officials spent the afternoon

At Novi High

Honor Students

Novi High School Principal Hal Seymour Friday announced the selection of the 15 students as members of The Society of Outstanding American High School Students, one of the nation's leading high school honoraries.

The students are Carol

Salow, Denise DeBrule, Carol O'Neal, Susan Shobe, Jane Cameron, Ronald Frisbie, Judith Traynor, Ronald Broquet, and Melvin Stephens. Also selected were Donald Warneke, James VanWagner, Carol Maki, Patricia Dryer, Gwyl Branch, and Patrick Boyer.

With the assistance of high school principals and counselors from across the nation, The Society of Outstanding American High School Students strives to further the pursuit of academic achievement and civic responsibility on the part of American youth.

The Society accepts for membership only young men and women who have distinguished themselves as their school's highest achievers.

Members of the society are now competing for over \$840,000 in renewable college scholarships.

These scholarships consist of unrestricted cash awards to colleges of the students' choice and renewable annual scholarships to selected colleges and universities across the nation.

BeGole Pilots Ambulance

It's been a good many years since Lee BeGole maneuvered an ambulance around Europe for the U. S. Army during World War II, but last week the veteran Novi Police Chief demonstrated that he can still drive an ambulance with the best of them.

BeGole was pressed into service by an accident in which a young motorcyclist - Samuel Ralph Hollis, 15, of 114 Walnut Street in Northville - was injured.

Impressed with the chief's driving ability was John Early, general manager of General Ambulance.

"I thought it was really something," stated Early. "There aren't many police chiefs who will take the time and interest exhibited by BeGole, and I think he should be commended for it."

"He isn't legally required to do something like that, but he took it upon himself to drive the ambulance while I attended to the boy."

The accident took place at approximately 4:20 p.m. Saturday, May 19. Hollis and another 15-year old - Jaymie Schrot of 47900 Seven Mile Road - were riding westbound along Grand River just east of the overpass by the Paragon plant.

According to reporters, a pick-up truck had just passed the two bikers when suddenly

Hollis' bike veered sharply to the left, hitting the right rear fender of the pick-up.

BeGole and Early were at the Novi Police station when the report came in.

"I had stopped by to discuss various aspects of our ambulance service with the chief," Early reported. "As soon as the call came in BeGole dropped everything he was doing, and we took off for the scene of the accident in my ambulance."

"When we got there the boy was sitting on the road holding his head and was in a semi-comatose condition. It looked like he might have a possible fracture. We had ambulances in Northville with two drivers that I could have called over, but BeGole took it upon himself to drive the ambulance so I could stay in back and take care of the injured party."

"As it turned out, the boy started complaining of difficulty in breathing and I had to administer oxygen," Early reported.

Hollis was transported to Garden City Osteopathic Hospital where he was treated and released later that evening.

And how did BeGole rate as an ambulance driver?

"Like a pro," stated Early. "He maneuvered the ambulance without any trouble."

• OBITUARIES •

ROSE H. ORR

Funeral services were held Friday, May 25, for Rose H. Orr of Plymouth who died May 21 in Garden City Osteopathic Hospital at the age of 56.

Born April 20, 1917, in Jackson, she was the daughter of Charles and Grace (Dickerson) Knight. A graduate of Northville High School in 1937, she moved to Plymouth the following year and lived there until her death. She was employed as a sales clerk with the S. S. Kresge Company in Plymouth.

Surviving are her husband, Norman Orr, her mother, Mrs. Grace McMillan of Northville, a daughter, Mrs. Kathleen Holton of Wayne, two sons, Richard Orr of Wyandotte, Charles Orr of Plymouth, a sister, Mrs. Ruth Hines of Montclair, California, two brothers, Frank Knight of Livonia, Russell Knight of Northville,

and four grandsons.

Services were held at the Casterline Funeral Home where the Reverend Guenther C. Brandstner of First United Methodist Church of Northville officiated. Burial was in Rural Hill Cemetery, Northville.

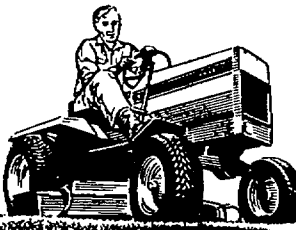

NELSON SCHRADER

The weaving of pile carpet was developed in India before the twelfth century. Oriental rugs are usually pile fabrics that have been knotted by hand. In the West, up until the nineteenth century, the commonest floor coverings were flat woven fabrics. Hand knotted pile rugs were made in Europe as early as the thirteenth century by the Saracens of southern Spain. Tapestry rugs were made in the town of Aubusson in central France, and hence comes to us the famous Aubusson trade name.

Famous trade name furniture is on display at SCHRADER'S HOME FURNISHINGS, INC., 111 N. Center St., Northville, 349-1838. Henredon, American of Martinville, Kroehler, La-Z-Boy, Stiffel, and Simmons are a few of the quality brands we handle. Open: 9 a.m. - 6 p.m. Mon thru Wed. & Sat. 9 a.m.-9 p.m. Thurs and Fri. Closed Sundays. Master Charge Honored. HELPFUL HINT: Two coats of paint are needed when changing the outside color of a house even when specified as a one coat paint.

Recreation Department Sets Summer Fun

With the end of school just a few weeks away, Robert From and his Northville Recreation Department staff are putting the finishing touches on their Summer Schedule.

To be eligible to participate in any activity sponsored or directed by the Recreation Department, it is necessary to be registered at the Recreation Department office. Anyone taking part in a Recreation Department activity must be able to present a registration card upon the request of recreation supervisors.

Registration fees are \$1.50 for residents of the City and Township, \$5 for non-Northville residents who live within the Northville School District, and \$12 for non-Northville residents outside the Northville School District. Registrations may be made at the Scout-Recreation Building on Cady Street on Saturday, June 2 or June 9, anytime from 8 a.m. until 4 p.m. Further registrations may be made between 3-5 p.m. during the week of Monday, June 11, through Friday, June 15.

Following those two special registration periods, registration may be made anytime during regular Recreation Department hours—Monday through Friday, 8

a.m. to 12 noon and 1-5 p.m. Any boys or girls wanting to play on a baseball team are urged to register as early as possible.

The following is a schedule of events for the Summer Program. Any additions or elections of programs will be announced in The Northville Record.

DAY CAMP: The Day Camp program will be held Monday through Friday from 9-11:45 a.m. at three locations—the Scout Recreation Building or the Amerman or Moraine Elementary School playgrounds.

Children must be five years old or older to attend Day Camp. Activities include arts and crafts, group games, skits, pool, table tennis, and special events. A small fee will be charged for certain materials.

DAY CAMP FOR HANDICAPPED: A day Camp program for handicapped children will be provided at the Scout Recreation Building.

GENERAL SWIMMING: The Northville Record will carry an announcement from Northville Public Schools reporting the times and dates for general swimming.

SWIMMING INSTRUCTION: Swimming

lessons will be given for registered boys and girls eight years old and older at the Northville High School Pool. Special lessons for 4-7 year olds will also be provided.

There will be four sessions of swimming instruction, each session consisting of ten 45-minute lessons. Cost per session is \$12 per person. Swimmers are required to provide their own swim suits, swim caps, and towels.

Dates of the four sessions are as follows: Session I runs from June 18 to June 29; Session II runs from July 2 to July 13; Session III runs from July 16 to July 27; and Session IV runs from July 30 to August 10.

Lessons for Tadpoles (4-7 year olds) will be given from 1-2 p.m. during sessions I and II. Intermediates and Advanced Swimmers will have lessons from 1-2 p.m. in sessions III and IV. Beginner swimmers eight years old and older will have lessons from 2-3 p.m. in all four sessions.

There is a limit of 30 swimmers per class with the exception of the Tadpole class where class size is limited to 28.

T-BALL SOFTBALL: Open to boys six to eight years old. Boys must be six before July 1 to be eligible.

T-BALL SOFTBALL FOR GIRLS: For girls six to eight years old. Girls must be six before July 1 to be eligible.

KNOTHOLE SOFTBALL: For boys eight and nine years old. Boys must be eight

before July 1 to be eligible.

KNOTHOLE HARBALL: For boys who will be 10 years old by July 1 and won't be 12 before September 1.

The Recreation Department reserves the right to move a boy from one league to another regardless of age depending on that player's ability.

At the time of registration each boy will be enrolled on a team. He is then given a team schedule and a team shirt provided by the sponsoring merchants. Boys who plan to play on a team should register as soon as possible. There is a team insurance charge.

BASEBALL: In addition to the T-Ball and Knuthole programs, the Recreation Department offers baseball programs for 11 teams in Class E, Class F, and Connie Mack League play. Members of these teams are selected from candidates who attend announced pre-season practice sessions.

POWDER PUFF SOFTBALL: For girls who will be nine years old before September 1, but who will not be 13 before September 1. Girls may enroll on teams at the time of registration. Schedules of games and practice sessions and a jersey provided by a sponsoring merchant will be given at the time of registration. There is a team insurance fee.

GIRLS' NIGHT LEAGUE SOFTBALL: In addition to the Powder Puff League there is a team for girls 13 and under and another team for girls 15 and under, both of which play in the Livonia Night League. Members of these teams are selected from candidates who attend announced pre-season practice sessions. Team insurance is charged.

PEE WEE BASEBALL: For boys five years old. Instruction in throwing, batting, fielding, and base running fundamentals is given each Wednesday from 1-2:15 p.m. from June 20 to August 8. Pee Wee baseball meets at the Ford Field Diamond.

ZOO TRIPS: Trips to the Detroit Zoo are scheduled for Wednesday, June 27, July 11, and July 25. Each trip is limited to 55 people. Reservations may be made at the Recreation offices. The bus will load at the Amerman and Moraine Schools and at

the Scout-Recreation Building, leaving at 9:15 a.m. and returning at approximately 3:30 p.m. A charge of 50 cents covers the cost of train rides and the Chimp Show.

Participants must bring their own lunches or bring money to buy a lunch at the zoo concession stand. Mothers are needed to volunteer to chaperone.

NATURE HIKES: Nature Hikes in Kensington Metropolitan Park will be held on Wednesday, July 18 and August 1. Each Trip will be limited to 35 people, and reservations must be made at the Recreation offices.

TURTLE RACES: The Annual Turtle Race will be held at the rear of the Scout Recreation Building on Tuesday, July 10. Judging for the largest, smallest, best decorated, and most originally decorated turtle will begin at 9:30 a.m. with the races beginning at 10 a.m. Participants must secure their own turtles, and snapping turtles are forbidden.

PET AND DOLL SHOW: The annual Pet and Doll Show will be held Wednesday, August 8, at the rear of the Scout-Recreation Building. Prizes are given in many doll classifications, many pet classifications, and for best decorated bicycles and floats. A special notice including the categories of judging will be published in The Northville Record the week before the show.

TRACK AND FIELD: For boys and girls 10 years old and older. A complete program of track and field events will be held each Monday and Wednesday from 6:30 p.m. until 8:30 p.m. and each Saturday from 9-11 a.m. at the High School track.

The program will begin Monday, June 18, and continue through Saturday, August 4. The program will include participation in local and regional meets and in the Metropolitan Junior Olympics.

SOCCER: A 24-member soccer team will be formed in mid-summer to compete in early fall games. Any boy in grades 9-12 at Northville High School is eligible under the registration plan and may sign up and try out for the team.

ARCHERY: Archery instruction will be given each

Saturday morning from June 23 through August 4 at the rear of the Recreation Building. Boys and girls six to ten years old meet at 9 a.m. and boys and girls 11 years old and older meet at 10 a.m. A tournament will climax the program.

GOLF INSTRUCTION: Golf instruction will be given Wednesday from 2:30 to 4:30 p.m. by Recreation Personnel at Ford Field. The program begins June 20 and runs through August 8.

GOLF TOURNAMENTS: Plan for the Adult and Youth Golf Tournaments have not yet been completed. Watch the paper for further information.

NORTHVILLE JAYCEES' 4th ANNUAL SOAPBOX DERBY: Slated for June 23 at 10 a.m. It is open to all community youngsters eight to 13 years old. Registration forms for the race are available at the Recreation offices.

TENNIS: Tennis instruction will be offered to boys and girls 10 years old and older each Monday and Wednesday from 10 a.m. until 11:45 a.m. beginning Monday, June 25 and closing Wednesday, August 1. A tournament will be held at the conclusion of the program.

ADULT TENNIS INSTRUCTION: Tennis instruction for adults will be offered every Tuesday at 6 p.m. until dark from June 5 to August 7. Those interested must register for the classes.

MEN'S SLO-PITCH SOFTBALL: Admission is free for the games which are played nightly at Thomson Memorial Field on Six Mile near Beck Road.

WOMEN'S SLO-PITCH SOFTBALL: A new league is being formed for women softball players. Check the paper for more details.

STREET HOCKEY: Boys interested in playing street hockey may meet at the Recreation Building Friday afternoon at 1 p.m.

BASKETBALL CLINIC: A three-week basketball clinic will be offered to boys in grades 5-8 beginning June 18. Coached by high school coach Walt Koepke and held in the high school gym, there is a \$12 registration fee for the clinic.

CANADIAN FISHING: A

father-son fishing trip in Northern Ontario is being planned for this summer. A Canadian Float Plane operator will provide air transportation to and from a remote wilderness lake.

The trip is for boys 9-11 years old and their fathers. For further information concerning cost, equipment, and dates, contact Dwight Sieggreen through the Recreation Department.

CANOEING: Canoeing will be offered each Tuesday and Thursday from June 26 to July 26. The bus leaves at 8:15 a.m. and returns at 12 noon. There is a cost of 90 cents per trip.

AU SABLE RIVER TRIP: Offered in conjunction with the canoeing program, it is limited to those participating in the instructional program.

Men in Uniform

Navy Chief Boatswain's Mate John L. Lamp, son of Mrs. Helen L. Lamp of 49300 West Nine Mile Road, participated in Exercise Golden Dragon -73 in Korea aboard this amphibious landing dock ship, homeported in San Diego.

A former student of Northville High School, he joined the Navy in July 1958.

The exercise was a joint United States-Korean amphibious maneuver designed to test new seaborne

support theories of amphibious operations.

Navy Ensign Terrance W. Zline, son of Mr. and Mrs. Peter V. Zline of 1953 Hopkins Drive, Wixom, was commissioned in his present rank upon graduation from Naval Officer Candidate School at Newport, R.I.

He is a 1966 graduate of Redford High, and a 1970 graduate of Michigan Technological University, Houghton

Here's why we recommend **BULOVA** for any Gift occasion

First, quality. Since we also service and repair watches we know how well Bulova watches are made.

Second, styling. As a jeweler we give very much aware of fashion trends and Bulova is always there first. (And with the latest designs.)

Third, value. Dollar for dollar we believe Bulova gives you more.

Come in and let us help you select the perfect Bulova for your gift occasion. They're priced from \$40

PAST RECORDED—Beatrice Carlson, on behalf of the Northville Beautification Commission, presented two scrapbooks recording 1972-73 beautification efforts here to

Mayor Pro-tem Kenneth Rathert (right) during a council meeting last week. Seated are Acting Clerk Michele Sakalian and City Attorney Philip Ogilvie.

Eye Regional Park

Continued from Novi, 1

"We have no funding powers, however," he continued. "It is part of our

job to convince those organizations which do have funding powers - the Department of Natural Resources, Oakland County, or the Huron-Clinton Metropolitan Authority - that they should raise the funds to buy the land so there can be a park there."

"We mark it on our maps for a park, but there is no certainty that the land will be purchased for a park," Blazing stated.

"And with spiralling land values, if the property is not purchased shortly the price will be so high that our designation will be meaningless."

Assisting Munson and Mrs. Karevich in the program were Mrs. Beverly Birou, Mrs. Irma Brunning, Mrs. Shirley Moak, and Mrs. Audrey Murphy. Patricia Dryer, a student, was cited by Mayor Nothnagel for her contributions to the program.

"I hope Student Government Day becomes a regular part of the city's celebration of Michigan Week," said Mayor Nothnagel in turning the gavel back over to Mayor Joseph Crupi.

Council Renames

Novi: Nagelsville

Continued from Page 6-A

with their official municipal counterparts.

After a break for supper, the group reconvened at the regular city council meeting and the students passed the motion to change the name of the city and then discussed a proposed municipal garbage pick-up plan, as well as the city's parks situation.

"I think it was a beautiful day for everyone involved," said Munson in assessing the success of the affair. "I know the idea is corny and trite, but that doesn't mean it can't be good, and I think things went extremely well. If you'll excuse the expression, I thought it was a meaningful experience."

"One of the things that I

Northville Woman Elected President

Barbara Bergum of Northville was elected president of the Lapeer Parents Association for Retarded Children at its general election meeting on May 20.

The meeting was held at the Lapeer State Home and Training School.

Mrs. Bergum, who lives at 327 Debra Lane, has worked as a volunteer for many years in the field of mental retardation on both the local and state levels.

The organization's purpose

is to work on behalf of the retarded at the Lapeer State Home and Training School or wherever they may be.

Shower Fetes

Cynthia Baldwin

EAST LANSING—Cynthia L. Baldwin, daughter of Mr. and Mrs. Bernard W. Baldwin of 19810 Meadowbrook Road, was honored at a surprise bridal shower on May 20.

The shower was given by her roommates at Michigan State University. Guests included Denise Fuertges of Northville and many friends and relatives.

Miss Baldwin is a 1969 graduate of Northville High School and will graduate from M. S. U. in June with a bachelor's degree in social science.

Miss Baldwin will marry Donald D. Beller of 771 Horton Street, Northville, on August 11.

Hold Amerman Day

Mr. and Mrs. Russell H. Amerman were honored at a luncheon held Friday, May 25, at Amerman Elementary School.

Traditionally held the Friday of Michigan Week, the luncheon honors Amerman who served as Superintendent

of Northville Public Schools from 1933 to 1964.

The buffet was prepared by members of the Amerman school staff. Michigan Week placements, colorfully designed by students, and fresh flowers decorated the tables.

OCC Cites Nine

A total of 356 straight "A" students (4.0 grade point average), including nine from the Northville-Novi-Wixom area, were honored recently at the annual Spring Convocation at the Orchard Ridge Campus of Oakland

Community College. Included in the program were both full-time and part-time students who had achieved a perfect academic record for either the fall or winter session.

Local students honored included Alice F. Baltz, Gloria F. Wajda and Joseph P. Corcoran, all of Northville; Sharon C. Clason, Robert J. Kessler, Catherine Sailus and Judith F. Brandenburg, all of Novi.

Wixom students honored were Lewis P. Bregni and Tor E. Eklund.

In defining the significance of the Spring Convocation, Dr. Don Nichols, dean of students, explained "the College wishes to single out those students who have displayed academic excellence by presenting them with honor certificates at a public ceremony."

Chapel to Produce Second Benefit Play

Robert Chapel, former teacher at Northville High, will produce and perform in the benefit production of "The Importance of Being Earnest" presented June 7-10 in Lydia Mendelssohn Theatre in Ann Arbor.

Proceeds from the benefit will be given to the Simpson Institute for Medical Research in the University of Michigan Medical Center. Funds raised will go into the Judith Z. Chapel Memorial Fund and will be used for research in blood diseases and equipment at the Institute.

This is the second consecutive year such a benefit has been produced. Last year the production of "Charley's Aunt," which Chapel also produced and performed in, netted \$6,290 for the Institute.

Chapel, who taught dramatics, English and mass media at Northville High from 1968 to 1971, is producing the play under the auspices of the University Players Guild.

His wife, Judith Z., died January, 1972, at University Hospital.

He is currently working on his doctorate in theater at the University of Michigan.

Tickets for the play, which will be performed nightly at 8 p.m. from June 7-10, are priced at \$5, \$4, \$3 and \$2. They may be purchased at the Lydia Mendelssohn Theatre box office or by mail.

Checks should be made payable to Simpson Benefit and mailed to 1502 Frieze Building, Ann Arbor, Michigan, 48104. Date of the performance should be specified.

Professor Claribel Baird, playing Lady Bracknell in this year's performance of "The Importance of Being Earnest," is a distinguished actress and director.

Five years ago she was nominated by Walter Kerr for a Drama Critics' Award as Best Supporting Actress for her portrayal of the Grand Duchess, Olga, in Ellis Rabb's production of "You Can't Take It With You."

In addition to Miss Baird, the cast includes Chapel who

plays Algernon Moncrief. He has been involved in over 60 productions as an actor and director and most recently directed "West Side Story" at the University. He also played the title role in last year's production of "Charley's Aunt."

Others in the cast include Richard Sale as Jack, Ann Temple as Gwendolyn, Diane Daverman as Cecily, Bev Pooley as Lane, H. D. Cameron as Dr. Chasuable, Jan Young as Miss Prism and

John Allen as Merriman.

Dr. Cameron and Pooley are professors at the University of Michigan.

Simpson Institute, which will be benefited by the performances, was created as a memorial to Thomas Henry Simpson by his widow in 1925 for the specified purpose of studying pernicious anemia and related blood disorders. It also provides care and treatment for patients suffering from these diseases.

Girls Take Honors

Students from Walled Lake Western and Central High Schools returned from the first state convention of the Business and Office Education Clubs held at Western Michigan University recently with an armful of honors.

Diane Cyr, a Walled Lake Western student, received what might be considered the top honor as her design was selected for the club banner.

In competition against the Business and Office Education Clubs of other schools across the state, the Walled Lake students took honors in the following areas:

Anna Penke placed first in the competition for first-year manual typewriter students; Mary Jo Burrows took second place in the Miss BOEC competition on applications; Diane Groves finished second in clerical arithmetic; and

Diane Cyr took third place in clerical machines.

CITY OF NOVI ORDINANCE NO. 73-57

The purpose of the following Ordinance is to adopt, by reference, the Water Supply Cross Connection rules of the Michigan Department of Public Health being R 325.431 to R 325.440 of the Michigan Administrative Code, to be known as the Cross Connection Ordinance of the City of Novi. Notice is hereby given that printed copies of said Ordinance and the provisions, as cited, are available for inspection and distribution to the public at the office of the City Clerk.

AN ORDINANCE REGULATING CROSS CONNECTIONS WITH THE PUBLIC WATER SUPPLY SYSTEM, i.e., a CONNECTION OR ARRANGEMENT OF PIPING OR APPURTENANCES THROUGH WHICH WATER OF QUESTIONABLE QUALITY, WASTES OR OTHER CONTAMINANTS CAN ENTER THE PUBLIC WATER SUPPLY SYSTEM.

THE CITY OF NOVI ORDAINS.

Sec. 1. That the City adopts by reference the Water Supply Cross Connection rules of the Michigan Department of Public Health being R 325.431 to R 325.440 of the Michigan Administrative Code.

Sec. 2. That it shall be the duty of the Department of Building and Safety for the City of Novi to cause inspections to be made of all properties served by the public water supply where cross connections with the public water supply is deemed possible. The frequency of inspections and reinspections based on potential health hazards involved shall be as established by the City and as approved by the Michigan Department of Public Health.

Sec. 3. That the representative of the Department of Building and Safety shall have the right to enter at any reasonable time any property served by a connection to the public water supply system of City for the purpose of inspecting the piping system or systems thereof for cross connections. On request the owner, lessees or occupants of any property so served shall furnish to the inspection agency any pertinent information regarding the piping system or systems on such property. The refusal of such information or refusal of access, when requested, shall be deemed evidence of the presence of cross connections.

Sec. 4. That the Water Department is hereby authorized and directed to discontinue water service after reasonable notice to any property wherein any connection in violation of this ordinance exists, and to take such other precautionary measures deemed necessary to eliminate any danger of contamination of the public water supply system. Water service to such property shall not be restored until the cross connection has been eliminated in compliance with the provisions of this ordinance.

Sec. 5. That the potable water supply made available on the properties served by the public water supply shall be protected from possible contamination as specified by this ordinance and by the state and City plumbing code. Any water outlet which could be used for potable or domestic purposes and which is not supplied by the potable system must be labeled in a conspicuous manner as:

WATER UNSAFE FOR DRINKING

Sec. 6. That this ordinance does not supersede the state plumbing code and City plumbing Code, but is supplementary to them.

Sec. 7. That any person or customer found guilty of violating any of the provisions of this ordinance, or any written order of the Department of Building and Safety for the City, in pursuance thereof, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be subject to a fine not to exceed \$500.00 dollars by the City or imprisonment for a period not to exceed ninety (90) days, or by both such fine and imprisonment in the discretion of the Court.

Sec. 8. That this is felt to be an emergency ordinance and shall become effective immediately upon presentation and passage.

Made and passed by the Novi City Council on this 21 day of May A. A., 1973

Class days—10, 12, 17, 19, 24, 26, 31

7 days at \$3.50 equals \$24.50

Police Blotter: Two Hitchhikers Robbed in Park

In Township

Unarmed robbery of two 13-year-old Livonia youths is being investigated by township police.

The youths reported to police that they were picked up about 8:15 p.m. Saturday while hitchhiking on Hines Drive at Cass Benton Park.

Three white males, between the ages of 18 and 20, were in the car, the youths said.

Once inside the car, the youths were asked if they had any money, police reports stated. When the two said "no," one of the subject searched one of the 13-year-olds, taking \$30 from him.

The two youths were then ordered to get out of the vehicle near the Northville Athletic Area in Hines Park. The youths said the car, described as a full-size light blue older car with four doors, drove north on Hines Drive towards the city of Northville.

Police said the three men in the car were described as all of average build, one with red shoulder length hair and two with brown shoulder length hair.

Thieves ransacked a home and stole a television set and record player last Thursday, May 24, between 6 and 8 p.m.

Township police said the home, at 48850 West Six Mile Road, was entered after the rear door was forced open.

Value of the missing items is in excess of \$150.

Cash box containing \$500 in cash and \$500 in receipts was stolen from the caddy building at Meadowbrook Country Club, 40941 West Eight Mile, between May 20 and 22.

The theft was reported to township police last Thursday.

Unknown persons attempted to break into Oasis Golf Range at 39500 Five Mile Road between 11 p.m. Friday and 7:30 a.m. Saturday.

Investigating township officers found pry marks located near the lock on one of the doors.

Township police said two juveniles, ages 12 and 9, have admitted to breaking sewer pipe last week at a construction site on Winchester Road near Six Mile Road.

Damage to gauges on construction equipment parked at the site is still being investigated.

Suicide has been termed the cause of death of Nellie Louise Waters, 64, of 47391 West Main Street near Beck Road.

Mrs. Waters was found unconscious in bed shortly after 5 p.m. last week Tuesday, May 22, by her husband. She had been shot once in the head, township police reports said.

She was taken by ambulance to St. Mary hospital and died Wednesday morning. Police said she never regained consciousness.

Investigating officers said there was no indication of foul play.

A 71-year-old Taylor woman was taken to Wayne County General Hospital with leg injuries following an accident last week Monday, May 21, on Seven Mile Road at the entrance to Northville State Hospital.

Michigan State Police reports said a westbound car, driving by Arthur D. Mauk of Taylor, was attempting to turn left into the hospital driveway about 1:15 p.m. when it collided with an eastbound vehicle driven by James Ghdric of Detroit.

The injured woman, Jane

Mauk, was a passenger in Mauk's vehicle. Mauk was cited for making an improper left turn.

State police said 87 feet of skid marks were found at the accident scene.

Two more break-ins were reported to state police at National Pride Car Wash at 39780 Five Mile Road.

Break-ins occurred at vacuum cleaners at the car wash. Incidents took place between 8 p.m. May 22 and 9 a.m. May 24 and between 8 p.m. May 18 and 9 a.m. May 19.

Investigation into the break-ins is continuing, state police said.

An electric typewriter valued at \$395 was stolen from the personnel office at Northville State Hospital between May 18 and 21.

According to state police reports, there were no signs of forced entry to the office.

In Wixom

Two members of the Wixom Fire Department suffered injuries last week when they were thrown from a fire truck in an accident which occurred while they were responding to a fire call.

Injured were Chief Robert Potter and Jack Potter. Chief Potter was thrown from the cab of the truck and suffered injuries to his left arm and left leg. He was treated at the Wixom Police Station. Jack Potter was thrown from the rear of the truck and suffered injuries to his legs. He was taken to a doctor's office, treated, and released.

The accident occurred, according to police reports, while the fire department was responding to a grass fire off West Road. As the truck turned left from Wixom Road to West Road, it was struck by a northbound vehicle on Wixom Road. The truck was struck in the right rear panel.

Police reported that the siren and the overhead red emergency flasher lights were operating properly at the time of the impact.

A Wixom man told police he was robbed of approximately \$35 last week by a man who threatened to assault him with a tire iron.

The man told police he had left the Red Oaks Bar at approximately 1:15 a.m. and was hitch hiking south along North Wixom Road to his home on Maple Road when a car pulled up alongside of him. A white male got out of the car with a tire iron in his hand and ordered him to turn around and hand back all his money, the man told police.

After he had secured the money, the man instructed him to start walking away from the road without turning around. The man then got back in the car, which contained two other people, and sped off toward Pontiac Trail.

Police indicated that armed robbery charges will be brought against the man with the tire iron when an arrest is made.

Police received a report of a stolen car one night last week and recovered a car stolen out of Pontiac the following night.

On May 24 at 4 a.m. Esker T. Oxiar, a Pontiac man, called police to report that his 1973 Mercury Montego had been stolen from the parking lot of the Continental Bar.

Oxiar told investigating officers that he had parked his car in the lot at approximately 11 p.m. the previous night.

On May 25 at 1:40 a.m. Sergeant Walter Sprenger while on routine patrol

decided to check the parking lot of the Continental Bar to see if perhaps the person responsible for stealing Oxiar's car might not have left another in its place.

After running several license plate numbers through the LEIN machine, Sprenger made a "hit" on a 1973 Mustang which had been stolen from Pontiac on May 23. Checking the car, he observed that the steering wheel lock had been tampered with and that there were metal shavings on the floor.

When questioned about the Mustang, Oxiar told police that the Mustang was not there when he arrived at the bar, but that he had noticed the Mustang parked next to the spot he had left his own car when he discovered the theft of his vehicle.

A motorcyclist suffered serious injuries last week when he was thrown from his bike after failing to make a curve on Loon Lake Road.

Joseph Lucci, 41, of Detroit was headed west on Loon Lake Road when the accident occurred, witnesses told police. As he attempted to take the curve just east of Hopkins Drive, his bike hit the gravel portion of the road and the cycle flipped over throwing Lucci into the air.

He was transported by ambulance to Botsford Hospital with cervical fractures, according to police.

Benjamin Robbins of Milford reported a spare tire had been stolen from his car while it was parked behind a factory at 49201 West Road.

He parked the car at approximately 10:30 p.m. and when he returned to the vehicle at 10:50 p.m. he found that the truck had been broken into and the spare tire had been taken.

In Novi

A case possibly involving stolen federal checks has been turned over to United States Postal Inspector's, and the Secret Service by Novi police.

The case came to light when a Novi resident called police to report that he had found a federal income tax refund check in an old car he had purchased for its parts. The check, for \$418, was made out to a Wixom couple, endorsed, and counter-signed.

The Wixom people were contacted and told police they had never received the check. The couple then came to the police station and verified that the signatures were not their own.

When it was confirmed that the endorsement was a phony, the case was referred to federal officials.

A warrant charging 39-year-old Charles S. Smith of 23233 Balcombe Drive in Novi with failure to render reasonable aid to an accident victim was secured by Novi police last week.

The charges were levied in conjunction with an accident in which John Derhammer, a Northville man, was struck by Smith's automobile and killed as he walked to work at Guardian Photo on March 30.

According to Patrolman Jack Grubb, Smith waited for

a period of time after the accident before contacting police.

Smith was arraigned before Judge Martin Boyle in 52nd District Court on May 23 and released of \$1,000 personal bond.

A 21-year-old Detroit woman, Nadine Kolos, was cited for failing to stop for a stop sign in an accident which occurred May 21 at 7 p.m.

According to police reports, Miss Kolos was eastbound on 14 Mile Road when she allegedly failed to stop for a stop sign before turning north onto Haggerty Road and ran into a car being driven by Ann Emerson, 17, of Union Lake.

Miss Kolos was taken by

ambulance to Botsford Hospital where she was treated and released. The people in the other car suffered only minor injuries.

Margot Czubiak of Farmington told police a deer ran into her car while she was driving south on Novi Road one-quarter of a mile south of Ten Mile Road on May 20 at 6:15 p.m.

Mrs. Czubiak told officers she saw the deer run out of a field on the east side of the road and run into the left side of her car. The deer was apparently unhurt, the woman reported, as it completed its journey across the road and disappeared into a field on the west side of Novi Road.

In Northville

Three thefts, which took place on Novi Street between Thursday night and early Sunday morning, are being investigated by city police detectives.

An orange nylon pup tent was stolen between 9 p.m. Thursday and 6 a.m. Friday from the rear yard of 857 Novi Street.

Between 10:30 p.m. Thursday and 1:30 a.m. Friday, two jackets and eight stereo tapes were stolen from a locked car parked at 765 Novi Street. The jackets were later recovered near the home.

At 12:50 a.m. Sunday, an eight-track stereo tape deck,

valued at \$80, and 30 tapes in a storage case, valued at \$150, were stolen. The theft took place from an unlocked car parked at 906 Novi Street.

Cables were cut and a battery stolen from a new car parked at John Mach Ford Sales on Seven Mile Road.

The theft was discovered Friday afternoon.

Damage amounting to approximately \$250 was done to construction equipment parked at a new home site on North Center Street north of Maplewood.

According to city police, gauges, air cleaner, wiring and rear lights were destroyed on a caterpillar and backhoe sometime between last week Tuesday night and Thursday

morning.

Tape deck, valued at \$170, was stolen from a car parked at Northville High School last week Wednesday, May 23.

The theft took place between 8 and 9 p.m., police reports indicated.

A South Lyon man was arrested and charged with drunken driving shortly before 12:30 a.m. last week Thursday.

Speeds up to 120 mph were recorded by police who initially attempted to stop the vehicle on westbound Eight Mile at McDonald's Orchard, near Lanthorn Lane, for driving in the wrong lane of traffic.

The car was finally stopped on Eight Mile at Chubb Road in Lyon Township.

VILLAGE OAKS SAFETY SQUAD—Honored last week for their service through out the school year were the boys and girls of the Village Oaks Elementary School safety patrol. In the foreground Lisa Michaels (left) and Ken Maresh (right) display the school's green safety banner. In the background from left to right are Cary Malaski, Brian Zufelt, Andy Prosch, Ron Blackmer, Mickey Gopigian, Bill Bishop, Tom Peterson, Lynn Balogh, Tom Darling, and Lori Hale. Village Oaks Principal Dave Brown cited the safety squad for its contributions to the school, noting that the presence of the Village Oaks Lake adds another dimension to the jobs of the safety squad.

JOSEPH RICHARDS

Speaking for Myself

County Tax Fair to Cities?

WALLACE NICHOLS

YES . . .

NO . . .

We in county government have heard these remarks before and I am pleased to be afforded the opportunity to clarify a few points in the matter.

In my opinion, home rule cities and villages could not stand alone without the services provided by the county tax dollar.

Space will not permit me to list all services or elaborate, but here are just a few of the major services provided by your county tax dollar to cities, villages and townships alike:

1. Court services, Circuit, Probate, Juvenile, District.
2. Sheriff Department and jail facilities.
3. Tax equalization and assessing services.
4. Collection of delinquent taxes and distribution.
5. In some counties, county-wide ambulance service.
6. Public Health services, and Medical Examiner Services.
7. Social Services Department.
8. Mental Health Facilities and services.

In fact the services of all constitutional offices and departments service the people of the home rule cities and villages on an equal basis with the unincorporated townships. A county is nothing more than the township, cities and villages that comprise it and as an arm of the state the services provided by the county tax dollar serves all units equally.

Joseph L. Richards,
Vice-Chairman Livingston
County Board of Commissioners

A tiger by the tail? Probably. A necessary evil? Undoubtedly. Whatever, it certainly doesn't even begin to give fair value received in return.

If for no other reason, that fact, alone, would render the county one mill tax imposed on cities as unfair.

In the County, we are dealing with a vestigial form of governmental unit that is really neither fish nor fowl. Through history it has retained and/or attained certain functions and popular responsibilities that are questionable in this day and age. Some of them, now, are in danger of curtailment through lack of funds. Many other of the county functions of roads, sewers, libraries, judicial areas, could well be restructured into municipal or State channels with an increase in efficiency and at a lesser cost to the taxpayer—especially the city taxpayer.

Cities provide their own police protection and their own fire protection. Streets and sewers are provided and maintained by cities without help from the counties. Most cities provide some park and recreational facilities—again, from city tax funds, not the counties. Frankly, the benefits that cities receive from this general county tax seems rather insignificant alongside those which municipalities manage for themselves. Further, considered with parallelisms and cross-jurisdictional procedures, it appears even less a bargain.

However, like the vermiform appendix, we seem to be stuck with it—which doesn't make it fair.

Wallace Nichols

In Memory

By JACK W. HOFFMAN

If a soldier is court-martialed he is not necessarily guilty of a crime; he is merely charged with a crime. And under our system of law, suspects are innocent of wrong-doing until proven guilty.

In other words the "court-martial" is not the end product of a military trial. Rather it is, in a sense, the trial itself.

The meaning of the term "court martial" is mentioned here because there is a somewhat similar term making its rounds today that is probably even more misunderstood than "court-martial."

The term is "impeach" or "impeached."

Many of us have been under the impression that the term means "removed from office for wrong-doing." We have been wrong.

The Columbia Encyclopedia explains it this way:

"Formal accusation issued by a legislature against a public official charging him with crime or other serious misconduct. In a looser sense the term sometimes is applied to the trial by the legislature which may follow."

In other words, "impeachment" may have an unsavory sound but it does not imply guilt nor does it mean expulsion. It is the charges and steps taken to expel.

Under the United States Constitution, "the president, vice-president, and all civil officers (not including legislators) of the United States shall be removed from office on impeachment for, and conviction of, treason, bribery, or other high crimes and misdemeanors."

Similar provisions for impeachment are found in most state constitutions, including the Constitution of Michigan.

Impeachment starts in the House of Representatives where, upon the formal filing of charges against an official, a committee is appointed to investigate. If after this investigation the House votes to proceed, the charges are contained in "articles of impeachment" and sent to the Senate. At the same time a committee of "managers" is named by the House to conduct the trial.

The Senate furnishes the accused with a copy of the charges against him, fixes a date for the trial to begin, and when the time arrives converts itself into a court under the chairmanship of its regular presiding officer (Vice-President). However, if the President is on trial, the chairman becomes the Chief Justice.

The accused is allowed counsel. He may appear in his own defense, and others may testify in his behalf.

At the conclusion of the trial, the galleries are cleared and the Senate votes. A two-thirds vote is necessary to convict, and anything less results in acquittal. The penalty in case of conviction is removal from office. Furthermore, the convicted official may be forever barred from holding any office under the United States.

There have been only 12 impeachments in this country's history. Most of them have involved judges. Only four of the 12 have been convicted and removed from office.

Continued on Next Page

Two major bond issues are being proposed in the growing Northville and Novi school districts on June 11.

Both call for construction of new schools to accommodate increasing enrollment.

In Novi voters are asked to approve a program that will provide a new, 1200-student high school, two elementary schools, an addition to an existing elementary school and conversion of the present high school into a second middle school.

In Northville the building program includes two elementary schools and a 1000-student middle school.

Both bond issues are tremendously important to the communities of Northville and Novi.

On the one hand the requests represent what is needed for each community to meet its responsibility to provide a high level of education for its children.

While that alone should be enough to gain voter support, there's the fact to be remembered that in communities like Northville and Novi the school system is the focal point of activity and attention. It is the product of the citizens it serves; it is what Novi and Northville want for their children and their communities; it is something special that creates an identity and a meaningful reputation; it belongs to, and reflects the priorities of, the people who pay for its support.

It is more than luck that both Northville and Novi have good school systems. Both have experienced turmoil and controversy in the face of the growth challenge. But interested citizens have provided the support that any good school system must have if it is to prevail.

The ascension of Novi to maturity as a school district may be surprising to many who still remember it as a sort of step-brother to the Northville system.

In a relatively short time and through considerable trial and adjustment Novi has come of age. It no longer sends its high school students to Northville. And through the efforts of ambitious and able administrators and teachers coupled with the support of capable board members and concerned citizens it has gained educational recognition.

Novi has taken a highly professional approach in seeking solutions to its growth problems.

The \$13.5 million bond issue that goes to the voters June 11 represents the results of study by some 35

citizens aided by the consulting services of the University of Michigan's Bureau of School Services.

And Novi is determined to make its schools truly community oriented by pursuing educational, cultural and recreational programs that involve all citizens of all ages.

Novi is well on its way to patterning its public education program after the Mott plan in Flint where the system proposes and takes the leadership in planning programs for maximum use of school facilities by citizens of the community.

Novi is asking its voters to approve renewal of seven mills plus an additional 2.5 mills for operating expenses. And to pay for the new buildings voters are asked to approve an increase of 1.2 mills for debt retirement.

Altogether Novi needs 3.7 mills, thereby boosting its current millage from 33.3 to 37.28, to meet its proposed building program.

In Northville voters are not being asked to approve a tax increase.

The proposed \$10 million bond issue can be handled with a slight increase in debt retirement millage—from the present 7.006 to 7.44 mills.

But because of the district's increased tax base it's anticipated that operating millage can be reduced, at least half-a-mill and perhaps as much as 1.5 mills.

Depending upon state aid the projected school tax levy for 1973-74 in Northville will be between 34.906 and 35.906. Last year it was 35.906 mills.

And Northville anticipates that it can operate the three schools it hopes to build and open during the 1974-75 year without a tax hike in operating millage.

This year, for example, the system is hiring 23 additional teachers without an increase in millage.

The Northville system expects to operate at very near its building capacity this year. Additional elementary and middle school classrooms will be necessary next year.

By doing some juggling in the middle schools and removing the ninth grade from the high school, it's possible that Northville can operate its system well into the 1980's with two middle schools and a single high school.

At least that's the goal the administration and board has set for itself.

But in both Northville and Novi, the best plans of administrators, board members and study committees are all subject to the understanding and approval of the voter.

Voters in Northville and Novi should demonstrate that they recognize and appreciate the outstanding performances of their respective school systems by voting approval of the proposed programs for the future.

The enthusiastic leadership and citizen involvement is unique. It deserves encouragement, not defeat at the polls on June 11.

Supports Novi Millage

To the Editor:

I would like the opportunity to express some of my feelings of the three millage issues facing the citizens of the Novi Community School District on June 11, 1973. I had the distinct pleasure of serving on the Needs Assessment Committee and I wholeheartedly support the recommendations that the

committee made to the Board of Education.

Our recommendation to build two new elementary schools, an addition to the Village Oaks School, and a new comprehensive High school was not easily made. (Thirteen and one half million dollars is no small amount.) The committee deliberated many hours, weighing several

alternatives before making this recommendation. I feel the committee chose the most sensible approach to solving the enrollment problems facing our schools in the next five years. The Board of Education accepted our recommendation and has asked the voters to do so also.

News From Lansing

By R. ROBERT GEAKE
Michigan Representative

Work began in the legislature last week on the Appropriation bills. These are the bills that determine how much the state will spend in each category and there are eighteen such bills in all.

So far we have had the most debate on the appropriation for social services, or "welfare" as it is commonly called, although this budget includes other items such as funding of juvenile homes, county juvenile officers, and the Office of Drug Abuse.

Debate in the legislature takes place most often in the form of amendments to bills. We began back on May 17 with an effort to place a ceiling or "cap" on the Aid to Dependent Children budget, which I supported. The vote was 55 yes to 45 no, but since it takes a majority of the 110 representatives elected and serving, we needed 56 and lost by one vote! This past week we rallied our forces for a second try and got 58 votes.

We had a similar struggle on another amendment. Representative Jack Mowat, a Republican colleague from Adrian, proposed wording that would allow the state to recover money overpaid to welfare recipients through small deductions in their welfare check over a six month period. The amendment lost on the first try with only 54 votes. Those of us who supported the idea then went around recruiting more help and we later put it up again, this time succeeding with 58 yes votes.

A third amendment, which I supported, permitted the state to withhold funds granted to an ADC mother who was found to be living with a man. The assumption would be that he was contributing to her support and thus the taxpayers should not have to support her. However, ADC to the children would still continue. This amendment passed by a vote of 68 for to 32 opposed.

Having plugged some of the loopholes in the ADC program, I was happy to support an increase totalling \$4.7 million for a portion of the Old Age Assistance, Aid to the Blind, and Aid to Disabled categories. The bill now goes to the Senate which will hopefully preserve the welfare reform elements we have built into the bill and keep the total dollar amount within the 4.4 percent of the Governor's budget set by the House.

Speaking of the Senate, many persons have inquired about the status of proposed legislation to require wearing of seat belts in automobiles. Senate Bill 131, which would have done this, was defeated. Thus the idea would appear to be dead without having even come to a vote in the House of Representatives.

Questionnaire Responses - How You Voted

Should the legislature pass a law requiring the wearing of seat belts in automobiles?
21.3 percent - yes
71.9 percent - no
6.8 percent - no opinion

Continued from Page 10-A

Probably the best known case involved President Andrew Jackson, who was impeached in 1868. He came within a single vote of being convicted. Historians tend to agree that the charges were contrived (one suggested Johnson was an accomplice in the murder of President Abraham Lincoln).

Incidentally, the Teapot Dome scandal, which occurred during President Warren Harding's administration and which has recently been compared with the Watergate scandal, did not result in impeachment.

Demoralized by betrayals within his administration, however, Harding's health broke and he failed to recover. A former newspaper editor, Harding died on August 2, 1923 and he was succeeded by Vice-President Calvin Coolidge.

Asks 'Yes' Vote for Novi Kids

To the Editor:

As citizens of Novi we have the opportunity of a lifetime. With the June 11th election we can be a part of Novi history. We can give all the children of Novi a chance for a fine education. When have we ever

been able to give so many children so much, for so little? Novi children are surely worth our efforts. "Novi cares" for my children. I'm voting to help yours too!

'Too Many Bars in Towns'

To the Editor:

There are altogether too many drinking places in most cities and even small towns today.

How many stores in our town sell wine-liquor? How many bars are there? All cigarette packages are marked with a warning. How about marking all bar glasses and bottles of liquor and wine sold, with the following words, "Warning: Drinking may be harmful to your physical and mental health."

More money is passed over the counter for these products than is exchanged for milk. People will say that is natural, there aren't as many people who drink milk. Is that true? How about children?

Also, set up a container: Each time a person buys a drink in a bar or club or when he buys a bottle in the store he should be required to put the same, exact amount in the container to buy milk and proper food for poor children. Many families will have an almost empty ice box, except for a carton of beer or other liquor; the food supply is limited but this is not.

So much is being done to stop the traffic in drugs and for people who are already on drugs. They are encouraged to try to break themselves of this dangerous habit.

Why isn't something like this done for and about, not only the heavy drinker but he who thinks he is a normal drinker?

Why is liquor and wine sold in almost any store and served in all sorts of clubs and other places where people are prone to gather?

Grocery stores sell, not only cooking wine but regular wine too. Do we start our children off on this road of the drink habit by giving them a little taste of cooking sherry along with their food?

Women buy it with their groceries and keep a bottle in the kitchen to drink, no one says anything when they see the bottle on the shelf, thinking it is used to flavor food but the woman keeps it to drink.

Women will have neighborhood get-togethers

for a coffee break but liquor or wine is served too.

If this country could—or would—do the same thing about the liquor habit as is being done for the drug habit, think how many people would be removed from bondage.

Thank you,
Grace Miller

'Don't Judge President'

To the Editor:

Every president has the difficult problem of finding men who can fill responsible positions that he can rely on for sound judgment, intelligence honesty and not seeking political power, but willing to serve his country in a time of need.

A president should not be judged by his subordinates, nor their actions, for the office of presidency has become so large that he has to delegate some of his duties and responsibilities to others.

Mr. Nixon is a very decent

Thank Citizens

To the Editor:

The members of the Novi Police Officer's Association would like to thank the citizens of Novi and the surrounding communities for the support and contributions which allowed our Association to present the successful showing of the Hoxie Brothers Circus in May 18, 1973.

We would particularly like to thank the individuals who assisted the NPOA in preparing for the event.

Thanks go to The Reverend John Gunn; Father Leslie Harding; Max Sheldon for the use of his property on the northwest corner of Ten Mile and Meadowbrook Roads; and the Novi Fire Department. We would also like to thank the City's Department of Building and Safety under the direction of Earl Bailey for their supervision of safety regulations on the circus grounds.

A special vote of thanks goes to the merchants and business men within the community who assisted us with financial contributions towards the programming and advertising expenses.

The Novi Police Officers Association looks forward to bringing other events to Novi for the enjoyment and entertainment of its citizens.

Sincerely yours,
John Johnson
President - NPOA

and honorable man who loves his country and has accomplished much during his administration in foreign policy, in fact, he has done wonders with China and Russia. We are now beginning to reap the rewards from his efforts.

China has opened her doors for trading with us and other countries for the first time in 25 years. Russia, too, wants to trade with us. This means a demand for our products and for the first time in eight years it is hopeful our exports will be higher than our imports, therefore, we may not have any more deficiencies in this area. Mr. Nixon expects to do even more in foreign policy if he can persuade Congress to give him power to lift tariffs from our products, but only with countries that will do the same on their products.

If they do not reciprocate with us then we would still

Supports

Millage

Continued from Page 10-A

This proposal will cost less than one and one half mills, small amount for a large increase in school facilities.

The proposition to renew seven mills of operating millage will not cost us any additional taxes. These seven mills represent nearly 27 percent of the operating budget of our schools and the results of a defeat of this proposal would be devastating to our schools.

The proposition for two and one half additional mills of operating millage is also vital to our schools. Continuation of the existing programs, improvement of the curriculum, expansion of the staff and community services, and many other vital necessities are waiting for this millage to be approved.

I will vote YES on all three propositions on June 11, 1973, and I hope the rest of our community will vote YES with me.

Thank you,

Assistant Superintendent William Barr.

Following Sponberg's address High School Principal Hal Seymour will present the Class of 1973 to the Board of Education. Diplomas will then be presented by Vern DeWaard, School Board president.

Dr. Sponberg, 55, has been president of Eastern Michigan University since 1965. Prior to accepting that position he was president of Washburn University in Topeka, Kansas; vice-president of Academic Affairs at Northern Michigan University; and Director of University Extension at Michigan State University from 1954-1956.

A graduate of Gustavus Adolphus College in 1930, Sponberg received the Schleuder Medal awarded annually to the top scholar-athlete. He was active in debate, oratory, and football in his undergraduate days. Sponberg earned his Master

of Arts degree in psychology and rhetoric from the University of Minnesota in 1942, graduating with honors. He received the doctorate of philosophy degree with distinction in history and philosophy of education from Michigan State University in 1952.

A one-time grade and high school teacher, Sponberg was later a professor of education

at Michigan State University and also served Michigan State as an Assistant Dean of Students and Director of the Educational Placement Bureau.

He is married and has five children.

As president of Eastern Michigan, Sponberg has stressed athletic as well as academic achievement.

Deny Third Park

Continued from Record, 1

acres pegged for multiple dwellings. Other plans had asked for 61 acres in multiple dwellings, to which township board members objected.

Also included are 49 acres for industrial development and 14.69 acres for commercial development.

Dan Devine, attorney for owner of the land, Oka George, who is bringing suit against the township challenging the rezoning

denial in 1971, said that if "we have a good (development) record, we may come back for more mobile homes in years to come."

He questioned why the planning commission and township board will "not give us the same density on multiples as on mobile homes."

Density on mobile homes in the proposed plan is nine units per acre, while planning consultant George Vilican said the multiple density for the site in question would be six units per acre.

Township Attorney Donald Morgan said the "site plan must be part of the consent judgment. I will not recommend to the board acceptance of anything without a preliminary plat stage one plan."

Devine questioned the inclusion of the plan in the consent judgment, to which Morgan replied that the "board has a right to that. We are giving up the chance of potentially winning the lawsuit."

Two Mills Chopped

Continued from Record, 1

Second largest outlay, nearly 26-percent of the entire budget, is the \$235,350 set aside for the public works department. Of this total, \$116,000 is for wages.

Other outlays include: Mayor-council, \$4,900; city clerk's office, \$47,170; administration, \$72,800; judicial, \$56,200; fire department, \$47,700; library, \$21,700; and recreation, \$20,900.

The water department (self supporting) outlay is \$223,000.

Public improvement revenues in the new budget are pegged at \$594,000, with \$490,000 coming from race track funds. It is from these revenues that the city council has earmarked \$50,000 for senior citizen housing.

Other expenditures from public improvement revenues include:

The public improvement fund, in addition to the senior citizens outlay, also calls for \$90,000 for parking construction and leasing, \$90,000 for drains, \$50,000 for parks construction and acquisition, \$30,000 parking acquisition, and \$59,800 for administration.

IN MEMORY—Northville residents took time out Monday to honor its war dead in ceremonies at both Cady and Rural

Hill cemeteries. Here Marty Loy of the Northville High School Band plays Taps.

News Briefs

VACATION BEGINS at the end of the school day Wednesday, June 13, for 3,772 students enrolled in Northville Public Schools' traditional school year. June 27 will be the last day of classes for 171 students in the voluntary year-round school program at Amerman Elementary. First session of year-round school for 1973-74 begins July 30 with students enrolled in the second session starting on August 20.

"WE HAVE absolutely no intentions of either withdrawing our operations from Michigan or pulling out of Highland Lakes (development in Northville Township)," declared Edward Cortese, vice-president-corporate relations and advertising for Levitt & Sons. Cortese made his statement from the Levitt headquarters in Lake Success, New York in an effort to kill rumors circulating here, "We may sell a piece of the land, or permit custom building by other firms on our (Northville) property but we certainly are not giving up our interests there."

STATEMENTS from and biographies of seven candidates vying for two vacancies on the Northville Board of Education will be carried in next week's issue of The Northville Record. School election will be held June 11. Also on the ballot will be a \$10-million bond issue for construction of three new schools.

Fish Hatchery Project

Waive Bids for Pipe

Bids were waived and a \$2,850 contract for fish hatchery park drainage pipe has been awarded to Ellis & Ford Manufacturing Company by the Northville City Council.

Officials had estimated the cost of pipe at \$4,000.

The pipe, to be installed by the city's department of public works, is to provide adequate drainage for the park property.

In other business, the council—

—Authorized the city manager to seek rezoning of property slated for parking to a CBD Parking classification.

—Heard a report that the appraiser for Councilman and Mrs. Paul Folino is preparing backup material to substantiate his \$40,000 appraisal of the Folinos' Center Street property. The city's appraisal came in at \$35,000 and was adjusted upward to \$38,000, but was rejected by the Folinos. The property, where General Ambulance is presently headquartered, is earmarked for CBD parking.

—Adopted a resolution praising William McLaughlin for his service as Michigan Week chairman in Northville.

—Granted approval for a house-to-house solicitation by

the Muscular Dystrophy organization from 5 to 9 p.m. on June 5.

—Granted approval to Northville Jaycees for its planned annual Fourth of July festivities, including parade

route and fireworks, and its sponsorship of a Bavarian tent at the community fair.

—Awarded a \$1,275 contract to General Electric on the basis of its low bid for a remote radio receiver.

For congenial atmosphere and the most up-to-date hair styling.

CLOSE and CONVENIENT

Rain, Rain, Rain

Rains Hurt Mustang Plans; Delay Novi's Title Hopes

You won't hear either Northville baseball coach Chuck Shonta or Rick Trudeau, coach of the Novi nine, cheerfully humming the strains of "Raindrops Keep Falling on My Head" or any reasonable facsimile thereof these days.

Quite frankly, the persistent rains which have drenched the area over the past week and a half have done little to brighten the spirits of either coach.

For Shonta, the heavy rains have worked havoc with his pitching plans for the MHSAA District Tourney.

And for Trudeau the aggravation has involved anticipation. Trudeau's Wildcats are just one victory away from clinching the first Southeastern Conference championship ever recorded by Novi in baseball. But twice the rains have delayed the Wildcats' attempts to wrap it up and make it official.

By virtue of an exciting

come-from behind 2-1 extra-inning victory over Dearborn Divine Child a week ago Monday, Shonta's Northville nine became one of eight teams to advance to the pre-district round of the Region 21 tournament in the MHSAA post-season play-offs for the state Class B championship.

But Saturday's pre-district game with Brighton was cancelled because of wet grounds and rescheduled for Tuesday. Heavy rains Monday night once again rendered the field too wet for play and the game was again rescheduled - this time for Wednesday (yesterday) at 3 p.m. in Brighton.

The problem is that the Mustangs have just two front-line pitchers - southpaws Joe Bishop and Ed Kritch. Presuming that they get past Brighton in the pre-district contest, Northville will need both pitchers if they hope to win the district championship Saturday.

"The less time between the pre-district game and Saturday, the more it hurts us," admitted Shonta Tuesday shortly after the game had been cancelled.

"I haven't decided what I'm going to do yet. I want to talk with both boys before I make my decision though," he said.

Shonta indicated that he would follow one of two plans. Either Bishop, his top hurler, would go all the way against Brighton and then try to come back with just three days rest for Saturday's games, or Bishop and Kritch would split the pitching chores against the Bulldogs with Kritch going the first four innings and Bishop finishing up.

We've just got to hope that they'll be able to come back and be strong with just three days rest," said the Northville coach.

Novi's Wildcats clinched a share of the Southeastern Conference championship last

week without ever taking the diamond.

Prior to last week's action Novi was in a virtual tie with Saline for first place - each club with two losses. But while both Novi games were rained out last week, Saline played - and lost - twice.

First, Chelsea surprised the once front-running Hornets and then Dexter upset them. As a result, Novi with just two losses could lose both their final games and still be assured of at least a tie for the SEC championship.

A victory over either Ypsilanti Lincoln or lowly Dundee, however, would give the Wildcats sole possession of their first conference crown.

A Friday game with Lincoln was cancelled because of rain and a Tuesday game with Dundee was postponed because of wet grounds, however, and the Wildcats were left in the position of

having to bide their time and be patient about clinching the title.

"It sure would be nice to get those games," commented Trudeau, who has built the Wildcats into a potential

conference champion in just his second year at the helm of the Novi baseball program.

"But we can wait if we have to. One of the nice things about this team is that we have three starting pitchers

who are all equally good. And our fourth starter pitched a shutout against Brighton the last time he threw for us."

If Shonta had Trudeau's wealth of pitching talent, he would be resting a lot easier.

As it is, the Mustang mentor has been paying more attention to Marilyn Turner than Al Ackerman lately.

"If we don't get the game in Wednesday, we really have problems," he said

District Tourney Set Here for Saturday

Should they get through their pre-district contest with Brighton, Northville's Mustangs will be one of four teams left in the competition for the District 21 championship to be determined this Saturday at the Northville High School field.

At 10 a.m. Clarenceville will take on Dearborn Heights Riverside and Northville will play Riverview at 12:30 p.m.

The winners of those two semi-final games will then play at 2:30 p.m. for the District championship and the right to proceed to the MHSAA Regional Tourney the following Saturday, June 9 also slated to be played in Northville.

Originally, there were 12 teams in the Northville

district and now just four remain.

RIVerview: In order to get to the district finals, the Mustangs must first get by a tough Riverview nine, which got to the semi-finals by registering a lop-sided 12-1 victory over River Rouge in pre-district competition last Saturday.

Rouge had squeezed past South Lyon 3-2 in a qualifying round game, but were no match for Riverview. Tom Harney limited Rouge to just two hits, while Lou Herbst and Tom Conti were banging out three safeties apiece. Gary Grunwald also played an important role in the victory, driving in four runs with two hits.

CLARENCEVILLE: The only team in the semi-finals

which Northville has already played is Clarenceville. In their lone confrontation, the Mustangs registered a 4-3

win, but the results of non-league competition should never be taken too seriously.

The Trojans qualified for the semi-finals by beating Dearborn Heights Robichaud 4-3 as Paul Simons' stroked a fourth inning single that scored Greg Saarela with the winning run.

RIVERSIDE: Rounding out the district field is Dearborn Heights Riverside which has yet to give up a run in two district outings. In the qualifying round, Riverside shut out Aquinas 4-0 and then in the pre-districts last Saturday they handed Inkster

a 3-0 whitewashing as ace hurler Jerry Cyril fired a no-hitter.

If the Mustangs manage to get by Riverside they probably won't see much of Cyril because of a MHSAA rule which limits pitchers to 10 innings in district double headers. Most coaches opt to use their top hurler in the first game for the simple reason that if they don't win the first game, there is no second game.

Cyril's no-hit performance against Inkster was the first of his four-year varsity career. He walked three and struck out seven. Tim Clairmont with a single and a sacrifice fly drove in two of the three Riverside runs.

NUMBER ONE HURLER—Novi baseball coach Rick Trudeau is blessed with four strong pitchers he can turn to without fear, but without a doubt the top man on the Novi staff is Dave Brown. The 6'1" junior gets

Trudeau's nod in all the Wildcats' "must" games. In addition to his prowess on the mound, Brown also leads the squad in hitting from his number four spot in the line-up.

Sweep Willow Run Invitational

Golfers Win Tourney

Al Jones gathered the members of his superb 1972-73 Northville golf team together for one last round last Friday.

And the Mustang foursome responded in typically sensational fashion, demonstrating conclusively that they've lost none of the prowess which made them one of the top teams in the state last year.

To be specific, the Mustang foursome of Brian Mills, John Marshall, John Hlohenic, and Bob Simmons stroked their way to a resounding victory over 23 other schools in the second annual Willow Run Invitational tourney.

How resounding was it? Well, Mills and Marshall each shot 77's to finish in a tie for first place. Hlohenic turned in a 79 to tie for third place with a golfer from Chelsea. And Simmons rounded out the Northville foursome with a round of 80 that tied him for fifth place in the tourney with two other golfers.

All told, Northville's total score of 313 was a whopping 31 strokes lower than the 344 strokes which put Dearborn Divine Child in second place. Mills was third with 348, Ypsilanti finished fourth with 353, and Novi was fifth with a 354 stroke total.

"They really clobbered them," reported Jones, who has coached the Mustang foursome to one honor after

BRIAN MILLS

thought that our boys might not take the tournament all that seriously and horse around a little - particularly the seniors."

But what Jones had failed to count on was the highly competitive attitude that exists between the members of his own team.

The Mustangs had finished second in last year's Willow Run Invitational mainly because Mills shot a miserable 97 - 12 strokes higher than he had ever shot before in prep competition. So Mills went into Friday's tourney determined to make up for his poor showing in the 1972 meet.

And he did just that. "Everyone on our team except Mills had finished," Jones reported, "and Marshall figured his 77 was going to take medalist honors so he was needing Hlohenic and Simmons about how good that trophy was going to look."

Just about that time, however, Mills, who had gone out in 40, hit his second shot on 13 just over the green on the fringe. Marshall asked him how he was doing and Mills replied that he needed to get

down in two for a sizzling 36 on the back nine and an 18-hole total of 76.

"I thought Marshall was going to faint," laughed Jones.

Mills hit his first putt to within two feet of the cup, but then missed the second shot to finish in a tie with Marshall for medalist honors with 77. "They could have flipped a coin to determine who would get the trophy, but the competition between them is so keen that they decided they would rather play a sudden-death play-off," Jones reported.

On the first hole Marshall got into trouble and had to settle for a bogey, while Mills parred the hole to win medalist honors.

The Willow Run Invitational marked the final prep tourney for both Marshall and Hlohenic who will graduate in June. Mills and Simmons are juniors and will return next year to head the Mustang golf team.

"It was nice getting them together for one last time," said Jones.

The 23 other teams in the meet couldn't have agreed less.

18-Year Old John Gennai Will Ride for the California Team in Saturday's Motorcycle Races

Cyclists Race Saturday

Speed and competition are the themes of the championship professional motorcycle racing program at Northville Downs, Saturday night, June 2.

The safe, swift half-mile dirt track, rated by the riders as one of the two top tracks in the nation, has attracted most of the championship racing stars of the sport, and through a motorcycle racing first

assures that several of them will be in direct competition.

In a special feature, two six-man teams, one from California, the other from Michigan, will compete in a pair of ten-lap races with the winning team taking the entire purse, which could reach \$4,000.

While the idea of team match racing is intriguing in itself, the make-up of each

team adds more excitement.

Chosen to lead the California team is Gary Scott, currently the national leader in the sport's Expert division. Scott, who is the defending Northville champion, he won the Expert division here last year, is flying in for this one night of racing.

The Michigan team will counter with famed Bart Markel as its leader. Markel, ranked number four in the American Motorcycle Association standings last year, leads all AMA riders in national race wins, with 28. Nationally-known cycle-race announcer, Roxy Rockwood says of Markel, "of all the riders I have known and watched, he has the most guts and desire to win."

Team California also boasts the one-two Novice riders in the sport last year John Gennai, still undefeated in

halfmile track competition,

was the sport's best first-year pro in 1972. Rick Hocking, who thrilled a crowd of 10,000 in winning at Cobo Hall in January, was last winter's American Indoor Champion. Both, still in their teens, must compete in the Junior division in non-team races this year.

The Michigan team is not without a teen-age star. Flint rider, Tom Cummings, 19, ranked high nationally in three categories last year. He was the 9th-ranked Novice, overall, the 6th-ranked short-track Novice, and 13th-ranked dirt track Novice.

The two team match races are in addition to the regular program of Novice, Junior, and Expert division races.

Practice runs get underway at 5:00 p.m. Junior and Expert time trials start at 5:45, and the first heat race will reach the starting line at 7 p.m.

Novi Inn, Starr L-M Set Pace in Novi Loop

With Mayor Joseph Crupi on hand to throw out the first ball, action in the Novi Parks and Recreation Commission's Mens' Slo-Pitch Softball League got underway recently.

And, even after just two weeks of play, the 1973 standings bear more than a faint resemblance to the 1972 standings. Deadlocked for first place with identical 2-0 records are the Novi Inn - the 1972 regular season champs - and Starr Lincoln-Mercury, the former Michigan OHIO Air Filters squad which battled the Men from Ben's all the way down to the wire in last year's race.

Two other teams - Meadowbrook Lake and Michigan Tractor - are right behind the Inn and Starr Lincoln-Mercury in the standings, each with a victory in their only game of the season.

The Men from Ben's got their 1973 season off to a successful start as they opened with a 14-4 victory over Councilman Louie Campbell's Jamaican Pools squad.

The Inn wrapped up the win with a seven run outburst in the third inning that saw Mike Bingham stroke a double and Butch Shoemaker rip a triple.

Campbell's teammates tallied three times in the third as Pat McClain hit a home run and added one more in the sixth as Paul Black tripled and came home on Bill McBride's sacrifice fly, but they were no match for the more experienced Novi Inn team.

Klaus Bukak, the Inn's fine pitcher, tossed the first shut out of the season last Friday as the Men from Ben's downed Novi Heights 11-0. Harold Ortwin, pitcher for the Heights team, matched tosses with Bukak through four scoreless innings.

But in the fifth, the Inn scored four runs as Jeff Deneen opened with a triple, and then came back to clinch

the triumph with a seven run rally in the sixth as McCoy, Faulkner, Bingham, and Deneen each collected a two-bagger.

Keeping pace with the Inn was the Starr Lincoln-Mercury team. Mike Fenchell limited the L'Esperance Electric team to two runs and the auto dealers scored four times in the first, second, and fourth innings to secure a 14-2 victory in their opener.

Barney Acton, Rey Rodriguez, and Fast Eddie Stanczak each ripped out three hits to pace the Starr assault, while Lloyd Huotari led the electricians with a three for three performance at the plate.

Olympic Manufacturing scored four times in the top of the second inning, but Starr came back with eight runs in the bottom of the second on their way to a 16-7 victory for their second win of the season.

Rey Reynolds smashed a home run and Rick Denne rapped out a single, two doubles, and a triple in four at bats to pace Starr. The eight Olympic Manufacturing hits were divided between eight different players.

Also undefeated in the League are Michigan Tractor and Meadowbrook Lake.

New to the league this year, the tractor-men served notice that they'll be a strong team

as they knocked off the Novi Jaycees 5-4 in an extra-inning thriller.

At the end of six innings, the Jaycees had just two hits off the Tractor's Jerry Purdom and trailed 4-1. But in the bottom of the seventh Jerry Chamberlain, Roy Icenogle, Phil McNery, and Gary Colton all belted singled as the Jaycees scored three times to knot the score at 4-4.

Michigan Tractor won it in the eighth as Dick Jones raced home from third base while the Jaycees were protesting a call at first base without having called time out. A shoe string catch by Bob Reid on a hard liner hit by Jerry Chamberlain in the bottom of the eighth preserved the victory.

Meadowbrook Lake managed to stay undefeated by outlasting Novi Heights 28-22 in a good old fashioned slugfest. Trailing 13-10 at the end of five innings, the Lakers erupted for an incredible 15 runs in the last of the sixth and then weathered a nine run uprising by the Heights in the top of the seventh.

Don Sasse had a bases loaded homer in the sixth for the Heights and Junior Tymensky had a three run circuit blast for the Heights, but hitting honors went to Jim Woelkers and Ken Beers of the Lakers as they went six

for six and five for six respectively.

In other games Olympic Manufacturing and L'Esperance Electric each recorded their first wins of the season.

Tom Renner doubled in Gary Durand in the bottom of the eighth to give the Olympians a 17-16 victory over the Novi Police team. Trailing 13-10 at the end of five and a half innings, the Olympians seized a 16-13 lead in the bottom of the sixth with a six run rally only to see Father Leslie Harding of the Holy Cross Episcopal Church blast a three-run homer in the top of the seventh that knotted the score.

Durand went five for five to pace the Olympians, while John April rapped out four singles for the coppers.

The cops were the victim of a brutal 19-3 assault by L'Esperance Electric in their second game of the season. With 14 runs in the first two innings, the electricians secured the win early in the game.

Vic Pietela has a homer and a double in two trips to the plate and John Heinonen and Chuck Kantola each went three for four to pace the winners. Father Harding and Patrolmen April and David Butler collected six of the law-enforcer's 10-hits.

Firemen, Bain Bros. Fall In Novi Little League

Michigan Tractor took over sole possession of first place in the Major League.

Michigan Tractor started the week deadlocked with the Novi Firemen and Bain Brothers Landscaping for first place in the Major League with identical 2-0 records.

place in Novi Little League action last week.

Michigan Tractor started the week deadlocked with the Novi Firemen and Bain Brothers Landscaping for first place in the Major League with identical 2-0 records.

But before the week was over Bain Brothers had knocked off the Firemen and were in turn upset by Rexall to leave Michigan Tractor as the lone remaining undefeated team in the Major League.

In the key game between Bain Brothers and the Firemen, Bain Brothers' Terry Baderak stroked a triple with one on in the bottom of the fifth inning to start a five run rally enabling the landscapers to post a 7-3 decision.

Bain Brothers was upset in their very next game, however, as twins Kevin and Kerry Cook had six hits between them and dominated the fielding to lead Rexall to an 11-6 triumph.

In other Major League games last week Novi Party Store downed the Novi Police 12-4 on Monday, but the coppers came back on Friday to win their first game of the season, topping General Filters 7-4 as relief pitcher Kent Brigand held the Filters scoreless over the final three innings.

In Pony League action it was the Spartan Concrete squad which dominated action, winning two of the three Pony League contests played last week. Tuesday

Spartan Concrete registered a 15-3 win over Pink Builders as Bruce Snowden came in from the bullpen to strike out seven of the last nine Pink hitters.

On Friday Spartan Concrete topped Ecco Tool 12-4. In the only other Pony League game last week Firm-Built recorded a 10-6 win over the Pink Builders.

Herb's Mower kept their undefeated record in the Minor League in tact by edging Thomas Steel Forms 12-9 in their only game last week. In other Minor League contests Lynch Precision blasted out a 28-3 verdict over Marcus Glass and Fendt Transit downed Jamaican Pools 18-10.

Mustang Netters Falter in Western 6 Meet

It was a disappointed Bob Simpson who returned from the Western Six Conference tennis championships at Walled Lake Western last Wednesday.

His Northville netters had accumulated just three points to finish in a last place tie with Walled Lake Western, some 12 points behind Waterford Mott's conference winning total of 15 points.

Just as upsetting to Simpson, coach of the Mustang net squad, was the fact that not even one of his players had qualified for

inclusion on the ten-man all-conference team.

"I thought we had a couple of kids who had good chances to make all-league," said Simpson after the meet, "but things just didn't work out the way I had hoped they would. Even though the team as a whole didn't do that good, it would have been nice for the kids involved if they could have made all-league."

What happened? Why did the Northville team which Simpson felt had a chance to finish as high as second in the conference fare so poorly in the championship tourney?

There are a number of answers. First, Simpson is probably guilty of overestimating the ability of his own team and underestimating the ability of the Waterford Mott and Farmington Harrison teams.

But more importantly, the Mustangs simply got caught up in the torrid competition between Livonia Churchill and Mott for the conference championship.

Both Mott and Churchill finished the dual meet portion of conference play tied for first place with identical 6-2 records. Thus, the conference

tennis title would go to whomever came out on top in the conference championship meet at Walled Lake Western and both squads went out after the crown with all they were worth.

As it turned out, Mott won in a walk, taking first place in doubles and first and second place in single to far outdistance the Chargers who were second with nine points.

The other three conference teams were left far behind. Harrison scraped together four points to take third, while Northville and Walled Lake had three points apiece.

As a result, the final 1973 conference tennis standings show Mott in first place, followed in order by Churchill, Harrison, Northville, and Western.

The Mustangs picked up two of their three points in the conference meet in doubles competition. Jon Sewell and Jim Bonamici, the number three Northville doubles team, picked up one of those points as they defeated the number three Western team 6-3, 6-2 in the opening round before being knocked off by

Jim Emmons and Bob Johnson of Mott, the eventual conference doubles champions, in the second round 6-0, 6-4.

Northville's other point in the doubles competition was recorded by their number one doubles team of Cary Eaker and Rick Norton. Seeded second in the conference, Eaker and Norton took an easy 6-1, 6-2 triumph in their first match, but then were upset in the second round 6-4, 3-6, 6-4 by the number two Churchill doubles team.

Rob Bowman and John Polino, the number two Northville doubles team, was eliminated 6-3, 6-2 in the opening round by the third Churchill doubles combination.

The Mustangs did even less well in the singles matches, winning just one point. Frank Knoth accounted for that point as he bested the second singles player from Western before falling to Churchill's Mark Osenko 6-1, 7-5 in the second round.

The conference meet

brought the 1973 season to an end for Simpson and his Northville netters, and after the poor 2-12 1972 record, the 1973 dual meet record of 12-6 was a vast improvement.

But Simpson already has his eyes set on bigger and better things in 1974. "We've got everybody on our team coming back," he smiled in anticipation, "and both Mott and Churchill are losing seven of their top 10 players. We definitely feel that we'll have a chance at the conference championship next year."

DISTANCE STAR—Northville's Sue Mahoney (right) lost this mile race to the miler from the Plymouth Salem girls' track team, but is, nevertheless, one of the standout performers on the Northville girls' team.

Miss Mahoney holds the school record for the girls' mile run and was one of just two Northville girls to finish in the top five in the MHSAA track regionals held recently.

Boland Paces JV Victory

Northville's junior varsity baseball team brought its 1973 season to a successful close last week by registering a 3-1 victory over a traditionally strong Redford Union squad.

"That's the one we wanted," said a jubilant Gary Emerson, coach of the Northville jayvees. "We went into the game with a 9-4 record for the season and with 29 wins over the last three seasons."

"We wanted to get our win total into double figures for this year and to hit an average of ten wins per season over the last three years, and the boys came through and did it."

John Boland, ace of the Mustang jayvees, got the starting nod and hurled a strong game, giving up just four hits and two walks in going the distance.

Redford Union scored first, tallying a single run in the top of the third on a walk, a stolen base, a passed ball, and an infield ground out.

But the Mustangs came back in the bottom of the third to score what proved to be the decisive runs. Three walks loaded the bases and

shortstop Tom Dooley then came through with a sharp single which brought in two runs to make the score 2-1.

Northville picked up an insurance run in the sixth as Jerry Fulcher singled, stole second base, and then rode home as Boland stroked a single to left.

"This is a pretty good group of kids," commented Emerson. "It was basically this same group which had an

11-4 record last year. Put that together with their 10-4 record this season and that makes them 21-8 over the past two years. That's playing pretty good baseball."

Boland paced the junior varsity pitchers with a 6-2 record in spite of the fact that he usually drew the toughest assignments. He was 3-1 last year to make his two-year jayvee pitching record a fine 9-3.

Dean Mitchell and Norm Boerger had 2-0 records from the hill for Emerson's 1973 squad.

Pacing the hitters was Bill Beason, an outfielder who hit .357 and led the club with 10 RBI's. Catcher-outfielder Bill White hit for a .324 mark, while shortstop Tom Dooley also topped the .300 mark with a .323 average.

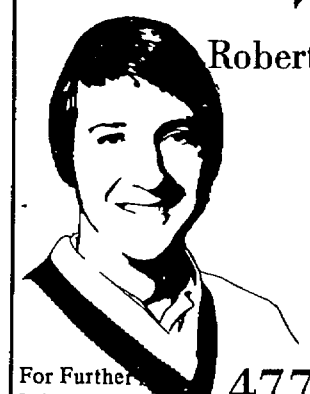

Dooley's on-base average of .533 was best on the team.

NOVI HIGHLIGHTS

By JEANNE CLARKE
624-0173

Parents of a baby boy are Mr. and Mrs. Gerald Burnham. Young, Robert Gerald was born on May 16 at St. Mary Hospital. He weighed eight pounds and one ounce at birth. The baby joins one sister, Stephanie at home. Grandparents are Mr. and Mrs. Gerald Burnham of Nine Mile Road and Mr. and Mrs. Lloyd Wade of South Lyon.

Home on leave from the service is Jim Wilenius, son of Mr. and Mrs. James Wilenius of Clark Street. Jim is staying with his parents before returning to Colorado.

Last weekend was spent at Lake Arrowhead Ranch by the Gerald Race family of Dixon Road. The ranch is located at Gaylord.

Glen Salow of Taft Road recently underwent surgery at Botsford Hospital.

Returned home for the summer is Rose Button, the daughter of Mr. and Mrs. Russ Button of Grand River. Miss Button is a student at John Wesley College near Owasco.

On the occasion of her birthday, Mrs. Hazel Mandik was guest of honor at a luncheon given at Topinka's in Detroit.

Recently returned from 10 days in Florida are Mr. and Mrs. Otto Natzel and family of Ten Mile Road. Among the places visited were Cape Kennedy and Walt Disney World.

Mr. and Mrs. Anthony Skeltis of the Clark Subdivision have returned home after several days in their motor home at the Proudt Lake Recreation Area.

David Baumann, the son of Mr. and Mrs. Orlando Baumann of Wixom Road is home on 30 days leave from the U. S. S. William R. Rush. When he returns, Baumann will be going to Iceland.

Mrs. Lucy Needham of Willowbrook attended the annual luncheon of WACS Veterans of Detroit last week.

NOVI HEIGHTS COMMUNITY ASSOCIATION

June 4 is the scheduled date for the next Association meeting. Beginning at 8 p.m., it will be held in the Novi Middle School.

Members are reminded that there are still openings in the softball league.

VOICE
The new officers have been elected for next year. They are as follows: President Shirley Moak; Vice-President George Zwimke; Secretary Judy Gardner; Treasurer Mary Ann O'Hara and Board Members Ruth O'Rear, Bob Beckman and Bonnie Henderson.

WOMEN'S SOFTBALL
Registration has been extended to Friday, June 1 because there are still openings in the League.

The Parks and Recreation would like to have a total of six teams in the league and encourages women to register at the Typewriter

Shop on Grand River.

NOVI YOUTH ASSISTANCE CAMP COMMITTEE

Members of the committee recently visited the facilities at Camp Oakland and made arrangements for some of the Novi youngsters who will be staying there in July. Attending were: Mrs. Bea Dietrich, Joan Griffin and Jody Adams.

Ten youngsters will be receiving partial campership at Camp Arapho, the Girl Scout Day Camp on June 18 and about 20 youngsters will attend Camp Fairhaven near Hartland in July.

NESPO
The last meeting of the year will be at 8 p.m. on June 5 in the school library. All parents who will have children enrolled in the school next fall are encouraged to attend and meet the new officers.

NOVI SENIOR CITIZENS
Many members have returned from winters in the South and the attendance at the May 23 meeting was increased.

Plans are being made for the organization to serve coffee and rolls on Monday, June 11, during the Novi School elections.

Anyone wishing to volunteer to help with that project should contact Mrs. Nancy Liddle at 349-2219.

The next Senior Citizen meeting will be at noon on Wednesday, June 13 at the Novi United Methodist Church.

The Novi Community Education Program will treat all senior citizens of Novi to luncheon out and a day at the Detroit Zoo on Wednesday, June 6.

The bus will leave the Novi Community Building at 9:15 a.m. and will return at 3 p.m. Upon their return, the senior citizens will hear Novi Superintendent of Schools Gerald Kratz speak about the current millage proposal. All expenses, including lunch, will be paid by the Novi School Board.

NOVI BLOOD BANK
Blood Bank Chairman Ray Tobias says he is most anxious to reach everyone in Novi and encourage their participation in the Blood Bank which will be held from 2 to 8 p.m. on Monday, June 11.

For Novi to have an adequate supply of blood for all residents, it will be necessary for at least 20 percent of the population to pledge. The bank could, then be used by anyone in the area.

NOVI GIRL SCOUTS
Troops 161, 711 and 913 participated in a fly up ceremony last week. A program was presented by junior scouts in which they explained their activities.

Day Camp is scheduled to begin on June 18 at Camp Arapho on the corner of Haggerty and Twelve Mile Roads.

The Novi Area Brownie-Girl Scout Picnic will be on June 2 at 10 a.m. Leaders should contact Ginny Folsom

regarding a possible change of place.

Registrations are now being taken for new Brownie troops in the fall and for Junior Girl Scouts and leaders. Mrs. Wilenius can be reached for registration at 349-2056.

June 17 is Girl Scout Day at Bob-Lo. Girls will be on the amusement park island from 10 a.m. to 5 p.m. Further information can be obtained from the Scout office.

NOVI BOY SCOUTS

Fifteen boys, accompanied by Bill Fear, have returned from the District Camporee at Kensington Park Group Camp Grounds. The troop received second place award for their camp site area. The Wolverine Patrol received a first place for patrol activities.

The next regular meeting will be on Monday, June 4.

CUB SCOUT PACK 240

A parent meeting will be held in lieu of the monthly pack meeting on Thursday evening at 8:30 p.m. in the Orchard Hills School.

The pack meeting with the theme "Pioneer Days" was held at the Middle School nature trail.

NOVI REBEKAH LODGE

The Novi Independent Rebekah Club has scheduled a meeting for 10 a.m. on June 4 at the hall. All members are asked to attend prepared to sew.

Further plans have been made for the June 8 Rummage Sale. It will be held from 9 a.m. to 4 p.m. at the hall on Novi Road, along with a bake sale. The rummage sale is headed by Mrs. Mae Atkinson and Mrs. Blanche Clutz is chairman for the bake sale.

NOVI JAYCEE AUXILIARY

A special meeting was recently held and Mary Bayer was elected a director in the place of Erika Lapham who is leaving the area.

There will be a picnic on June 12 at Cass Benton Park for all auxiliary members.

HOLY CROSS EPISCOPAL

Ascension Day will be celebrated at 10:45 a.m. on May 31 with Holy Eucharist.

A Flea Market is scheduled for June 22 from 10 a.m. to 7 p.m. on the church grounds. Refreshments will be served.

FIRST BAPTIST

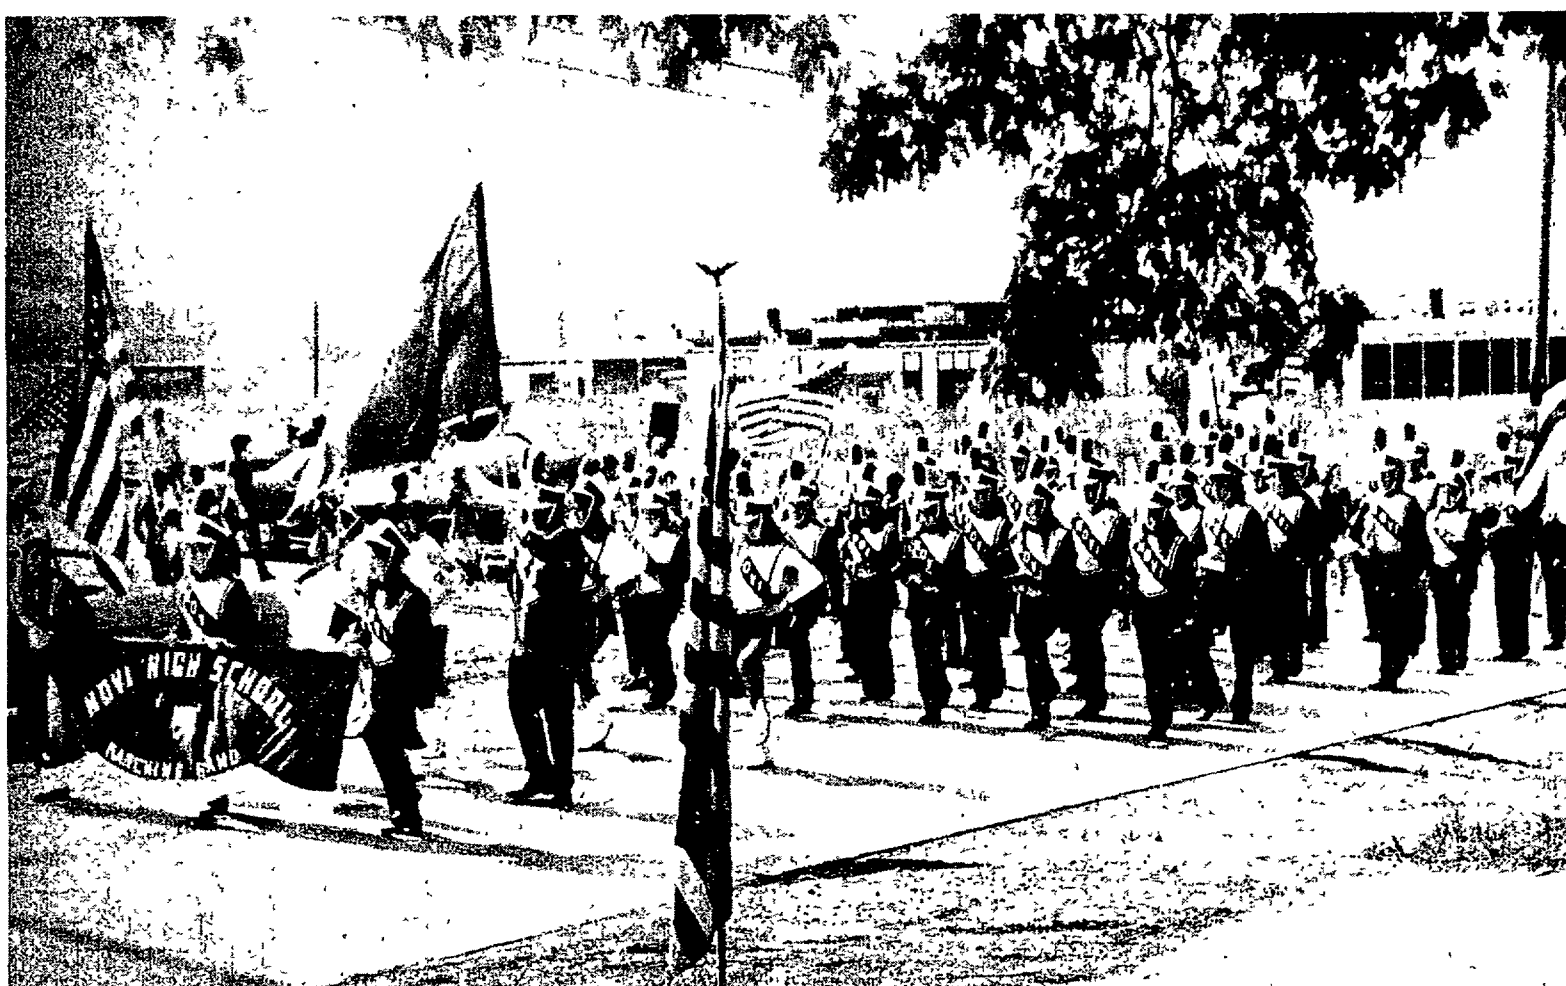

Special speakers at the June 3 service will be Mr. and Mrs. Stanley Brittan, missionaries to New Zealand.

Ladies are reminded to make reservations for the annual Mother-Daughter Tea on Friday, June 1 at 349-1755, 349-2646 or 349-2965.

NOVI METHODIST

Women of the church are reminded of the craft time which is held every Tuesday morning at the church.

Old cotton sheets are needed for use in the nursing homes for cancer pads. They may be turned in at the church.

MEMORIAL PARADE—Highlight of Novi's Memorial Day parade was the Novi High School Band which steps off here from the starting point on Novi Road opposite the Novi Cemetery.

SINGING TRIBUTE—Pastor Arnold Cook (wearing sunglasses) leads a Memorial Day cemetery gathering in singing a patriotic salute to the war dead.

Miss Heather Hill Picked for Institute

Heather Hill, instructor in dental office assistance at Southwest Oakland Vocational Education Center in Walled Lake has been selected as one of 25 health occupations leaders in Michigan to attend a Health Occupations Curriculum Development Institute this summer at the University of Michigan.

The eight-week institute will be held in Ann Arbor. Participants will develop or refine curriculum and utilize new instructional approaches. Emphasis will be on development of individualized instructional techniques.

Each teacher will also participate in a clinical experience at medical and dental units on The University of Michigan campus. Miss Hill will also participate in eight Saturday seminars during the 1973-74 school year to evaluate and revise curriculum materials developed during the summer.

Support for the institute is derived from a Smart Family Foundation Grant, the State Department of Education, The School of Education, and University of Michigan.

Dean Wilbur Cohen, former Secretary of Health, Education and Welfare, has endorsed the institute, characterizing it as "...the most promising leadership activity available for health occupations teachers in Michigan."

WSU President Judges Novi Fair

Dr. George Gullen, president of Wayne State University, will be one of the judges at the Sixth Grade Science Fair of the Novi Middle School.

Parents are invited to attend the Science Fair which is slated for 7 p.m. tonight (Thursday, May 31) in the Middle School cafeteria.

Sixth graders will be exhibiting their science projects for the general viewing of parents as well as for the judges.

Joining Dr. Gullen as judges will be Middle School Principal Robert Youngberg and Novi Elementary School Principal Roy Williams.

Novi Woman Earns Diploma

Maryann Grausam of Novi is one of 57 employees of the GMC Truck and Coach Division who recently completed special management education programs offered by the Division of Continuing Education of Oakland University.

Diplomas for the courses will be awarded on June 4 at Oakland.

Road Work Slated

Improvement of four ramps to avert wrong-way turns on I-96 interchanges with Pleasant Valley Road, Milford Road, Wixom Road and Novi Road, have been approved by the Michigan Highway Department.

Lowest of four bidders for

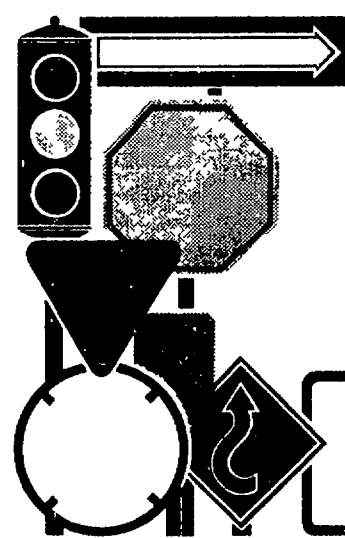

the projects was R. Krisel Construction Company of Roseville at \$18,733. The projects are scheduled for completion this month (June).

27 Novi Students Cited In Honors Convocation

Twenty-seven Novi, High School students were honored last Thursday as the recipients of various awards and scholarships were announced in a special Honors Convocation held in the high school gymnasium.

The honors were distributed under three major categories: academic awards, scholarships, and special awards. The presentations were made following an introduction by Principal Hal Seymour in which the purpose of the honors convocation was explained.

Academic Awards

Terry Lynch was given the Art Award by Keith Cleland, head of the Art department.

Mrs. Suzanne Korzyn presented the Choral Music award to James Parsons.

Gwyl Branch was selected to receive the Business Education award with the presentation being made by Richard Trudeau.

Patricia Dryer was presented the Co-operative Occupational training award by John Ishler.

Receiving the English award from Calvin

Schmucker was Denise DeBrule.

Kathy Krug was the recipient of the Homemaking award as Mrs. Dorothy Hyllon made the presentation.

Mrs. Hyllon also presented the Crisco award. Suzanne Morris was the recipient of the honor.

In Journalism Deborah Free was selected to receive the award as Mrs. Cecile Carter made the presentation.

John Brunning received the Mathematics award from Tim Falls.

Thomas Karch received the Science award from David Armstrong and then accepted the Social Studies award from Norman Norgren.

Karen Collins was presented the Spanish award by Mrs. Maralan Hasaltine.

Recipient of the Year Book award was Suzanne Morris. Miss Suzanne Fell made the presentation.

Scholarships

The \$300 Novi Education Association scholarship was presented to Nancy Szubielak

by Robert Weinburger. The recipient of the scholarship is selected by the high school teachers.

Miss Szubielak also received the \$25 Novi Jaycee's Work Experience Scholarship.

The Kathy Radtke Memorial scholarship was presented to Jane Cameron. James VanWagner and Patrick Boyer each received a \$300 Richard Erwin Memorial scholarship.

Debbie Moore received the \$250 Oakland County Legal Secretary Scholarship.

Receiving State of Michigan Competitive scholarships were John Brunning, Heinrich Meyer, Tom Padgett, Denise DeBrule, Thomas Wilkins, William Ross, Judith Traynor, Carol Salow, Jane Cameron, Michael Holroyde, Nancy Szubielak, Gary Collins, Thomas Karch, Ronald Frisbie, Melvin Stephens, Carol O'Neal, and Diane Balagna.

Carol O'Neal received a scholarship from the University of Michigan and Jane Cameron received a scholarship from Michigan State University. Deborah Free, Terry Lynch, Tawnya Townsend, and William Ross received scholarships from Orchard Lake College.

Special Awards

Thomas Wilkins received the Homemakers of America Award for his high test score on a national competitive exam.

Denise DeBrule was named the Outstanding Female Athlete by Miss Christine Hayward.

Patrick Boyer was selected by the student council to receive the Patrick Haley Award as John Osborne made the presentation.

The John Phillip Sousa Band Award was presented to Kirk Rosey by Gordon Seiler. James Cameron and Tawnya Townsend were given the Southwest Area Vocational Center Awards by John Ishler.

Patrick Boyer received the Citizenship Award and Denise DeBrule was given the Leadership Award.

Special awards were presented to Sharon Gross, Patricia Dryer, and Debbie

Moore by Miss Gloria Soulliere for their outstanding service to the high school.

Carol Salow and Denise DeBrule were honored as salutatorian and valedictorian respectively.

Principal Hal Seymour named teacher Calvin Schmucker to receive the Second Annual Principal's Award for significant service to both the school and its students.

Members of the Honor Roll are Pat Boyer, John Brunning, Diane Balagna, Gwyl Branch, Ron Broquet, Jane Cameron, Gary Collins, Denise DeBrule, Patricia Dryer, Ron Frisbie, Heinrich Meyer, Suzanne Morris, Thomas Karch, and Carol O'Neal.

Further members of the Honor Roll are Kirk Rosey, William Ross, Carol Salow, Susan Shobe, Nancy Szubielak, Rita Sparks, Melvin Stephens, Judy Traynor, Tawnya Townsend, David Warneke, Jennifer Warren, Kathy Ward, and James VanWagner.

Lakes Carnival To End on Sunday

Hot dogs, carnival rides and games will highlight the second annual Lakes Athletic Association's carnival scheduled May 30 through June 3 in Walled Lake.

Carnival will be held on Maple Road near Decker Road. There is no admission charge.

Hours will be Wednesday, Thursday, Friday evenings from 6 to 11 p.m. and Saturday and Sunday from 11 a.m. to 11 p.m.

Concession stands will be operated by the girls' softball league with rides run by the boys' softball league.

Nearly 400 girls and 900 boys from Novi, Walled Lake, Wixom and surrounding areas

are participating in the Lakes Athletic Association this year.

Girls ages seven to 16 are active in the more than 30 baseball teams.

Police to Patrol In Cool Cars

Patrolling city police will enjoy summer a little more this year, thanks to action taken last week by the city council.

With Councilman Paul Vernon supplying a tie-breaker, the council voted 3-1

Service Ending For Cafeteria

Friday, June 8, will be the last day of cafeteria service at Northville High and Cooke Middle schools, according to school administrators.

Milk will be available through Wednesday, June 13, at Cooke Middle School and the snack bar will be open through Tuesday, June 12, at Northville High.

Students who will be staying at either school during the days the cafeterias will be closed are reminded to bring lunches from home.

Cafeterias will be closed due to exam schedules at Northville High and to allow clean-up operations to begin, administrators said.

Last day of classes in Northville schools is Wednesday, June 13.

to order air conditioning with two new police cars.

Councilman David Biery teamed up with Vernon to support the air conditioning proposal, while Councilman Kenneth Rathert cast the dissenting vote.

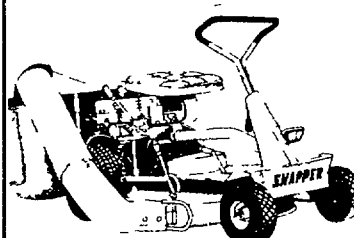

The two members missing—Mayor A. M. Allen and Councilman Paul Folino—would not have changed the decision had they been present. Earlier when the air conditioning was proposed, Folino favored it while the mayor opposed it. With Vernon absent from that meeting the council was deadlocked 2-2.

In voting for the installations, which was recommended by the police officers association, Vernon emphasized that air conditioning is no longer exceptional. He noted that last year 70 percent of all cars were factory equipped with air conditioning.

Vernon suggested that air conditioning is no more a luxury today than heaters. Perhaps, he said with tongue in cheek, heaters should be removed and officers required to wear mittens instead.

Cost of the air conditioning is pegged at \$320 per car.

The SNAPPER Grasshopper Attachment

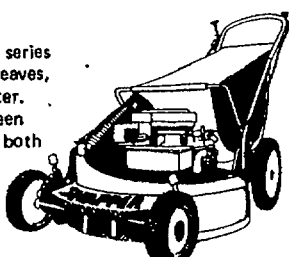

We call it the Grasshopper. But it takes care of a lot more than just grass clippings. And it's mounted in the back, to offer easier handling and greater maneuverability as you vacuum clean your lawn.

The Grasshopper fits all 26" and 30" Snapper Comets. Holds six bushels and unloads in seconds.

SNAPPER V21 & 18 Vacuum Clean your Lawn

Any season of the year, Snapper V series mowers work hard. They pick up leaves, pine straw and most other light litter. Big three-bushel bag. Bag is between the handles, for close trimming on both sides.

"Down-flector" blows walks and driveways clean, windrows leaves and can be used in areas where bagging grass is not needed.

NOTICE OF ANNUAL ELECTION NOVI COMMUNITY SCHOOL DISTRICT COUNTY OF OAKLAND, MICHIGAN TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

NOTICE IS HEREBY GIVEN that the Annual School Election will be held in Novi Community School District, County of Oakland, Michigan, on Monday, June 11, 1973, between the hours of 7:00 o'clock a.m. and 8:00 o'clock p.m., Eastern Daylight Saving Time, for the purpose of electing two (2) members of the Board of Education for terms of four (4) years each, beginning July 1, 1973, and one (1) member of the Board of Education for an unexpired term of two (2) years beginning July 1, 1973.

NOTICE IS FURTHER GIVEN that the following candidates have filed nomination petitions for the two (2) offices of member of the Board of Education for the term of four (4) years, beginning July 1, 1973:

JOEL D. COLLIAU
SHARON W. PELCHAT
ROBERT W. WILKINS

NOTICE IS FURTHER GIVEN that the following candidates have filed nomination petitions for the one (1) office of member of the Board of Education for the term of two (2) years, beginning July 1, 1973:

RICHARD M. HENDERSON
NORMAN MILLER
THOMAS L. SZELES

NOTICE IS FURTHER GIVEN that at the Annual Election to be held in Novi Community School District, County of Oakland, Michigan, on Monday, June 11, 1973, between the hours of 7:00 o'clock a.m. and 8:00 o'clock p.m., the following propositions will be submitted to vote of the qualified electors:

I. Bonding Proposition

Shall the Novi Community School District, County of Oakland, Michigan, borrow the principal sum of not to exceed Thirteen Million Five Hundred Thousand (\$13,500,000.00) Dollars and issue its general obligation unlimited tax bonds therefor, for the purpose of erecting, furnishing and equipping a new senior high school building and two elementary school buildings and acquiring and developing sites therefor; erecting, furnishing and equipping an addition to the Village Oaks Elementary School and remodelling the present senior high school building and acquiring additional school sites?

II. Operating Millage Renewal Proposition

To renew previously voted millage increases which have expired, shall the limitation on the total amount of taxes which may be assessed against all property in Novi Community School District, County of Oakland, Michigan, be increased by seven (7) mills of the assessed valuation, as finally equalized, of all property in the School District for a period of five (5) years, the years 1973 to 1977, inclusive, for the purpose of providing funds for operating expenses?

III. Additional Operating Millage Proposition

Shall the limitation on the total amount of taxes which may be assessed against all property in Novi Community School District, County of Oakland, Michigan, be increased by two and one-half (2½) mills of the assessed valuation, as finally equalized, of all property in the School District for a period of five (5) years, the years 1973 to 1977, inclusive, for the purpose of providing funds for operating expenses?

Each person voting on the above matters must be:

- A citizen of the United States of America over eighteen (18) years of age;
- A registered elector of the City or Township in which he or she resides on or before the fifth Friday prior to the date of the election.

The place of voting will be the Community Building, 26360 Novi Road, Novi, Michigan.

TAKE FURTHER NOTICE that the Board of Education has estimated the expense of erecting, furnishing and equipping a new senior high school building and two elementary school buildings and acquiring and developing sites therefor; erecting, furnishing and equipping an addition to the Village Oaks Elementary School and remodelling the present senior high school building and acquiring additional school sites will be an amount not to exceed Thirteen Million Five Hundred Thousand (\$13,500,000.00) Dollars, all of which it is necessary to raise by borrowing and issuing bonds of the District. Said bonds will be payable in annual installments not to exceed thirty (30) in number and will bear interest at a rate or rates of not to exceed eight per cent (8 per cent) per annum on the principal amount of the bonds from time to time remaining unpaid.

COUNTY TREASURER'S STATEMENT

I, C. Hugh Dohany, County Treasurer of Oakland County, Michigan, do hereby certify that as of May 14, 1973, the total of all voted increases over and above the tax rate limitation established by the Michigan Constitution in all local units of government affecting taxable property in Novi Community School District, County of Oakland, Michigan, is as follows:

| Local Unit | Voted Increase | Years Increase Effective |
|--|----------------|--------------------------|
| Novi Community School District | 4.50 | 1971 to 1975 incl. |
| | 5.00 | 1971 to 1975 inc. |
| County School District of Oakland County | .50 | Unlimited |
| | .50 | Unlimited |
| | .50 | Unlimited |
| Novi Township | .50 | 1967 to 1974 incl. |
| Oakland Community College | 1.00 | Unlimited |
| County of Oakland | .25 | 1972 to 1976 incl. |

C. Hugh Dohany
Treasurer, Oakland County

This Notice is given by order of the Board of Education of Novi Community School District, County of Oakland, Michigan.
Ray L. Warren
Secretary, Board of Education

Wixom Newsbeat

Celebration's A 'Beaut

By NANCY DINGELDEY

There can be only one word for Wixom's celebration of Michigan Week—Success!

That success was due in part to the well organized team led by Chairman Kathy Wahamaki.

But the real success of the whole week was the participation and cooperation of Wixom's residents. The motto "What you seek is what you get" seems appropo to our City and it is hoped the spirit and feeling of Michigan Week can be carried on throughout the remainder of the year.

Michigan Week may now be over until next year. But its completion means the beginning of three new projects slated for full City participation.

Running from now until January 31, 1974, is the City flag contest sponsored by the Michigan Week Committee. Limited to City residents, individuals may submit any number of entries. A paragraph explaining the meaning of the design must accompany the entry.

Design requirements are relatively simple. Draw a rectangular mock-up on paper and in scale as much as possible such as 4" x 6" or 8" x 11". No more than 5 colors should be used. The more intricate the design, the higher the cost of production. Colors should contrast or blend with the National and our State flags. Design entries should be turned in to City Hall.

Since so many Wixom families have taken to gardening this year, plans are in the making for a good old country fair to be held in the early part of September. Categories will cover everything from the largest vegetables to the best single flower bloom. Sewing, canning, jams, jellies, cakes and pies, plus fresh and dried flower arrangements and even the biggest sunflower will have their places in the fair.

There will be lots more, but right now the important thing is to speak kindly to your garden, give it lots of fertilizer and tender loving care. The results will not only please your palates but may gain you a blue ribbon as well.

For June Buck, last week was a winner. She spent a long weekend in Las Vegas, Nevada for the National Women's Bowling Tournament. The temperatures out there in the desert ranged between 90 and 95, and although her team didn't do too well on the alleys, they managed to have a good time. How could you miss with such names as Sarah Vaughan, Bobbie Gentry and Robert Goulet scattered among the name places to go? There was hardly enough time to bowl. But good old June can manage on a few scant hours of sleep and packed everything there was to see and do in those few days.

On returning to Wixom on Tuesday, she found herself being honored as Wixom Secretary of the Year at the Ladies Day Potluck Lunch at the V.F.W. Besides a lovely orchid corsage, June was presented with a suitably engraved table lamp which was absolutely fascinating and an equally suitable cake designed and decorated by Lois Green.

Over eighty ladies enjoyed the afternoon of good food, delightful entertainment, games, singing, auctions and door prizes. And it should be a day June won't forget for a long time.

A good portion of Wixom turned out for the pancake breakfast last Saturday morning which even included one carry-out order. Wixom's Girl Scout Troop 385 led by Jane Fitzgerald manned one of the hardest jobs of the day—dishes! For that the girls should have at least earned some kind of badge. They were just great and

A little further along in the year but a thought to remember—the third annual Christmas boutique to be held in November. We're always looking for more participants and since a great many of the items are handmade, the producers need time to produce. The boutique is getting bigger and better every year through more participation. And even though we've barely been able to get our yards in shape, good things need to be planned in advance. You might call this a thought to dwell on on rainy days.

Tea to Honor Veteran Teachers

Two veteran Walled Lake teachers will be honored at an afternoon tea Monday, June 4, at 3:30 p.m. at the Decker Elementary School.

Mrs. Maurine Clifford and Mrs. Mary Dodds are being feted by school personnel and the Parent-Teacher Association.

Mrs. Dodds has been a teacher for 32 years, 24 of them in the Walled Lake district. She first taught in what is now the Walled Lake Junior High School on North Pontiac Trail. In 1947 it

housed the only high school and the only junior high school in the district and some elementary grades also were there. She later taught at Wixom Elementary, Walled Lake Elementary, and Commerce Elementary. She and her husband, Farrell, plan to travel in South America and Europe in the near future.

Mrs. Clifford has been at Decker Elementary for 10 years. She also intends to travel and will continue to devote her time to community activities.

because of their help, things went a lot smoother in the kitchen.

The police and firemen who took part in the baseball games in the afternoon on Saturday left the field looking a little haggard, but smiling and despite bruises and sore muscles, some even managed to make it to the dance later in the evening.

The Goodfellows Annual Dance was a great way to conclude a very active week in Wixom and again, there was a great turnout. The U.A.W. Hall was really moving and a lot of people woke up with numb feet on Sunday morning.

The Elwood Grubb family had quite an ordeal last week. Daughter Karen was involved in an auto accident on Old Grand River and Kensington Road on Monday afternoon, May 21. She was hospitalized at St. Joseph's in Ann Arbor with two fractured vertebrae in the upper cervical spine. Reports thus far show Karen's recovery, although painful, as very good.

Bud Dye
Stiff putty got you stuck? Don't fret. In most cases, kneading and slight warming will make it soft and pliable. Work the putty vigorously between your hands until it is ready to use. If you put the putty in a plastic bag first, your hands will not get oily and stained. If the putty is really hard, add a few drops of linseed oil to the putty in the bag and work vigorously until it softens. A few minutes and the putty will be like new.

And when you're looking for new tools, stop first at **NORTHVILLE LUMBER CO.**, 615 E. Baseline, 349-0220. You can choose from a full selection of Stanley hand tools and Skil power tools. Our quality inventory also includes a wide range of interior, exterior, storm, and screen doors; construction grade and clear redwoods; and DeWitts products. Hours: 8-6, Mon-Fri; 8-5, Sat.
HELPFUL HINT: Put flour on your hands first and fresh putty won't stick to your hands when you use it.

Secretary, Board of Education
5-30, 6-7

Senator Carl Pursell's Bill Sets Millage Limit

Declaring that "the property tax burden must be reduced," Senator Carl Pursell (R-Plymouth) has introduced a constitutional amendment revising Michigan's system of school financing.

"I believe that education financing is still the top priority issue in Michigan and we must keep trying to find a solution to this vexing problem. The only way to do this is by finding a compromise which takes into account the many proposals of the past. This is what my proposal does—taking the best features of each."

The Pursell bill (Senate Joint Resolution "L") sets a limit on total millage for schools, municipalities, and counties of 26 mills, instead of the current limit of 50 mills. Twenty mills would be automatically levied with counties receiving 7.5, townships 1.5, and schools 11 mills. The remaining 6 mills could be voted by the people in their respective communities.

Tax rates sufficient to retire bonded indebtedness would continue to be levied outside these limitations.

Pursell noted that his basic concerns were to lower property taxes and at the same time retain local control of education. "That's why we have put specific language in this proposal to safeguard essential local control. I do not believe that the state's assumption of more financial support for school districts should mean increased state control," Pursell said.

The proposal contains a provision allowing school districts with accumulated deficits or whose per pupil expenditures exceed the statewide level under the plan, to levy, with legislative permission, a portion of their former millage for a period up to seven years. The purpose of this is to eliminate the deficit of the district or to permit a gradual change from higher than average local financing to the average state level of financing.

"I want to stress that we must solve this problem and that I believe this proposal is a sound vehicle to use. It is not a final solution but an attempt to get down to the business of lowering property taxes," Pursell concluded.

Novi Requests

\$500,000 Loan

A resolution authorizing the borrowing of \$500,000 against tax anticipation monies has been adopted by the Novi Board of Education.

Bids are to be received on or about June 26.

The procedure is an annual one in Novi and other school districts where income fails to arrive in time to meet initial expenditure and the districts are forced to borrow in anticipation of revenue.

A Mother's Pretty Special

Just think of all she does for you and your family. She's irreplaceable and, if she should die, dollars couldn't take her place. But an adequate life insurance policy could help to get some of her many jobs done and to keep your household going. See me about State Farm person to person life insurance. I've got a policy with Mother in mind.

By the end of this year, we'll have filled this page with ways NBD is making banking better for you.

- **Nexteller**

A better way to get you to our windows quickly. NBD invented the idea, and it's working for you at an NBD office near you.

- **Money Maker Savings Accounts**

A way to make your money make money for you. And there's a plan for everyone—from EveryDay Interest to Time Deposit Savings.

- **Customer Assistance Program**

Your direct contact inside the bank for advice, guidance and answers to your banking questions.

- **Instant Loan Centers**

Separate, private loan offices inside our bank—to help you get an NBD Installoan quickly, conveniently and confidentially.

- **Computer Contact**

A computerized system that gives your NBD teller the status of your account in an instant. It makes your banking faster and, now, lets you do almost all of your banking from the convenience of your car at any NBD Drive-In Office.

- **Extended Hours**

There's an NBD Drive-In Office near you open from 8:30 A.M. until 7:30 P.M. Monday through Friday—eleven hours every day for your convenience.

- **24-Hour Banker**

Handy machines that let you do almost all your banking anytime you want. Including getting cash from your NBD account 24 hours a day, 7 days a week.

-

-

NBD is committed to making banking better for you.

If you're an NBD customer, you're already enjoying the advantages of our recent innovations: our new Computer Contact System that lets you do all of your routine banking right from

your car, Drive-In Offices open from 8:30 in the morning until 7:30 at night Monday through Friday, our NBD Instant Loan Centers, our Nexteller lines, our new 24-Hour Bankers now in operation at eight convenient locations.

And there's more to come...services that

will make the NBD office in your neighborhood an even more convenient place to do your banking.

NBD—the bank that's making banking better for you...now and in the weeks to come.

Making banking better for you.

In Novi

Exploring June Ballot

Editor's Note: Voters in the Novi School District will decide two millage (renewal-additional) proposals and one bonding proposal in the annual June election. Following is the third of a series of questions and answers prepared by the school about the proposals.

1. How Much will each Proposition Cost?

Proposition 1: Proposition 1 is a 7-mill renewal and no increase in taxes will occur.

Proposition 2: Proposition 2 will increase the citizens taxes by 2.5 mills.

Proposition 3: Proposition 3 will increase the citizens taxes by 1.18 mills.

For each mill increase, taxes will be increased by \$1.00 per \$1000 of equalized valuation.

A house with an assessed valuation of about \$15,000 would pay a tax increase as follows: Proposition 1: no increase; Proposition 2: \$37.50 per year (\$3.12 per month, or 10 cents per day); Proposition 3: \$17.50 per year (\$1.45 per month, or 5 cents per day).

Total tax increase in all three proposals: \$55.00 per year (\$4.58 per month, approximately 15 cents per day).

2. What about educational reform?

Many authorities feel that each state should provide the funds for education of children and youth from sources other than the property tax. The rationale for this thinking is that a child should be entitled a good education whether he lives in an economically favored community or not.

The present arrangement permits the local school district to tax itself for the major cost of school support. This enables the wealthy district to provide a better program than the poor district. Equality of educational opportunity is one of the cherished ideals of the United States.

The State Legislature is attempting to move in this direction, and Governor Milliken has proposed educational reform, which would move rapidly to full state funding of the educational program. The net result of these proposed changes is to curtail expenditures in the affluent districts, either by imposing a ceiling with regard to how much a district may spend per pupil, or by taking State Aid away from the wealthier district.

However, after the election last November and the

Novi Band

Seeks Alumni

Alumni bandmembers are being invited back to Novi High School to participate in commencement exercises on Tuesday, June 5.

"As we do not have our graduating seniors playing in our band, we would appreciate some help," Director Gordon Seiler said. "Last year we had a good turnout and this being the second year we hope for even more response from our band alumni."

Practices will be held Wednesday, May 30, and Monday, June 4 at 7:30 p.m. in the high school band room. Persons wishing additional information are asked to call 349-0803.

Gulf Oil Rapped

Gas Bids Scarce

Novi's city council became painfully aware of the closeness of the national energy crisis Monday as they opened bids from distributors for the right to provide the city with gasoline.

Although three sealed envelopes were received, only one distributor submitted a bid.

The Boron Oil Company informed the council that it could not make any additional commitments to supply gasoline at this time. And the Gulf Oil Company also stated

that they were unable to submit a bid at the present time.

Sole bid was submitted by the Leemon Oil Company which is presently the city's supplier and their bid carried with it the notation that "due to the critical shortage" it can't be a firm bid for any length of time.

The Leemon Oil Company bid was 19.4 cents per gallon for gasoline and 17.9 per gallon for diesel fuel. The bid was referred to the city manager for his review and recommendation.

Both Mayor Joseph Crupi and Councilman Louie Campbell expressed displeasure that the Gulf Oil Company, which has a large bulk storage plant on Grand River in Novi, had failed to submit a bid.

"I'm very surprised that one of our own industrial citizens could not see fit to submit a bid," stated Crupi.

Campbell called for City Manager Harold Saunders to contact Gulf Oil to inquire as to why they had not submitted a bid.

VISIT WURTSMITH— Members of Boy Scout Troop 755 of Northville pose under the wing of a B-52 Stratofortress during their visit to Wurtsmith Air Force Base on May 11-12. The visit to the Strategic Air Command base was their monthly camp-out and was

directed by Scoutmaster Warren Stoddard and Assistant Scoutmaster J. Ray Jackson. Troop committeemen and fathers of the boys assisted. Their tour of the base was conducted by Major Kaye Jackson, 40th Air Division director of safety.

School Purchases \$1,795 Mower

With some 60 acres of grass to be cut this summer on school property throughout the Novi school district, the board of education last week voted to purchase a new \$1,795 Yazoo mower.

In recommending purchase of the mower, Assistant Superintendent William Barr emphasized that the task of keeping school property mowed and maintained can no longer be adequately handled by building custodial employees.

Hiring of additional personnel and/or establishment of a maintenance department is likely to be recommended to the board, it was noted.

In other business last week, the board approved a list of all textbooks presently used in the school district, and it approved the personnel

recommendations of Superintendent Gerald Kratz.

The latter included naming of three driver education teachers for the summer program and establishment of their hourly wage rates. The drivers, each of whom is to receive \$6.96 an hour, are John Osborne, Ron Wixom, and Richard Elie.

C. Sherrard also was reassigned from the present position of lunchroom supervisor at Orchard Hills to cook, with the rate of pay increasing from \$2 hourly to \$2.11 hourly.

THE SOUTH LYON HERALD

Wed. - Thurs. May 30-31, 1973

"MY TURN"—Sherry Lockwood waits impatiently for Katy Hoffman to get her drink as Jenny Powell stands by and Brian Bunn and Ron Hovis (back to camera) team up on the pump at Windfall Hill area of Kensington MetroPark. The five Sayre (South Lyon) second graders were among 108 who spent May 15-17 school days communing with nature under the guidance of four teachers (Mesdames Lawrence Bailey, William Taulbee and William Phillips and Miss Ellen Pannitch), 52 mothers and bus drivers and cooks.

SEE WHAT RANDY GOT—Randy Riggs (back) looks on carefully as his teacher, Mrs. Lawrence Bailey, shows Sean Osborne what Randy gathered in his sample of the pond at the foot of Windfall Hill in Kensington Park May 17. It was all a part of the Sayre (South Lyon) second grade project that covered three whole school days and resulted in nature study, nature jewelry, terrariums, spatter painting of leaf prints and plaster fossil imprints for 108 youngsters, 52 mothers, four second grade teachers and bus drivers and cooks.

I DID IT—Lisa Hatfield proudly inspects the terrarium she created May 17 at the Sayre (South Lyon) second grade nature study adventure in the Windfall Hill area of Kensington MetroPark.

Mrs. Lawrence Bailey, second grade teacher, and pupil Randy Riggs take a closer look at a pond full of nature

INSPECTORS—Joann Kulff, Sayre (South Lyon) second grader, is an intent spectator as Mrs. William Powell carefully inspects Joann's sample of Kensington Park pond water for animal life.

JAMAICA VACATION in unique "Villas-in-the-Sky"

Magnificent oceanfront airconditioned hotel condominiums from \$7.50 per person daily. All suites elegantly decorated. Each with fully equipped kitchen. Directly on magnificent white sand beach. Water sports, golf, tennis, sightseeing, shopping, exciting entertainment. Coffee Shop-Restaurant and Swimming Pool on premises. Supermarket adjacent.

3 Programs

Lawns Need Fertilizer

"All lawns need fertilizer," says Harold Davidson, Michigan State University horticulturist. "If you don't believe it, spread some on a small patch and wait to see the results."

Davidson recommends one of three fertilization programs to keep your lawn looking green and healthy all summer.

One plan-- use a commercial lawn food. Davidson suggests following the manufacturer's directions to the letter. "This fertilizer should be applied early in the spring," he notes, "and repeated three or four times during the year. The lawn should be watered thoroughly after each application."

If you've been using a complete fertilizer for the past three to five years, you will probably need to add only nitrogen to your lawn, according to Davidson. He advises using a pound of nitrogen for every 1,000 square feet of lawn in the spring before the grass turns green, repeating the process early in July and again in early September. "Water each 1,000 square feet area separately immediately after

each application or the grass will be burned," he warns. Don't apply nitrogen to damp turf.

A Ureafoam fertilization program can also be used after a few years of using a complete fertilizer, points out Davidson. This method is somewhat more expensive than the others, but it saves time and labor.

One application of

Ureafoam (five pounds per 1,000 square feet of Kentucky bluegrass; 10 pounds for the same area of Merion bluegrass) is enough for the whole season.

Which program should you use? "Make your choice according to your preference, the past history of your lawn and the availability of fertilizer locally," advises Davidson

The Gardening Way

By MARGARET HERBST

No single grass or chemical has been developed that will insure a beautiful lawn without a fair amount of maintenance. Lawn care need not be laborious or expensive but there are several practices that are essential for success. Since summer is a critical time for lawns, these practices become more important during the coming season.

One of these factors is naturally proper mowing. A sharp mower is a must, set to cut at one and a half inches or higher for most grasses. One of the exceptions is Merion Bluegrass which can respond to closer mowing and is not susceptible to the plague of crabgrass which is usually an accompaniment of constant close mowing. The grass can also be cut at average height.

sprinklings favor crabgrass. The correct amount of water is about one inch of total precipitation per week from rain or artificial watering. You will get approximately this amount by drenching your lawn with a sprinkler once a week in dry periods until the soil is wet to a depth of three or four inches. Leave the sprinkler in each section about two hours. Sprinkling with an ordinary nozzle is more harmful than helpful; water seldom penetrates more than an inch and evaporates quickly. Refrain from sprinkling during muggy weather, if possible, as certain disease dangers are induced by having the grass wet.

Tree-shaded areas need different treatment. The grass should be permitted to grow longer, clipped at a height of two or three inches or half as often at similar height to open areas. Double the rate of water used for the rest of the lawn, namely watering to a three-inch depth twice a week.

The biggest summer problem, as every gardener knows is weeds. If there are just a few, hand-weeding is effective. Probably the most serious infestation is that of crabgrass.

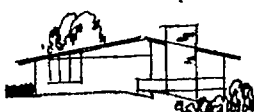

Crabgrass is difficult to destroy once it has gained a foothold. There are several good chemical crabgrass killers now on the market. It would be wise to make a small-scale test on a portion of the lawn to determine effectiveness and observe any damage to desirable grasses. Always follow directions for application closely as given by the manufacturer. If a severe crabgrass condition exists, all seed heads must be removed and the area replanted with new grass in mid-August.

There is considerable debate as to whether lawn clippings should be removed. A moderate amount left on the lawn affords organic matter and some mulching advantage. Any excessive amount can be not only unsightly but can also cause the grass underneath to turn yellow. One of the best procedures is to attach a grass catcher to your lawn mower and use clippings for the compost pile.

Many lawns, especially those situated on light sandy soils, suffer severely from lack of moisture during the frequent dry periods that occur in the hot summer months. You can determine whether the lawn is in need of water by testing soil moisture with a trowel to a depth of three or four inches.

The amount of watering is a most important factor in summer lawn care. Overwatering encourages many weeds, and light daily

It's Good Time To Feed Roses

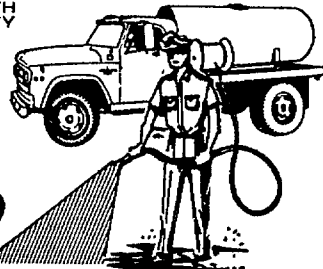

Now is a good time to fertilize your roses, according to horticulturists at Michigan State University. The plants have had time to get a good start and the danger of frost is past.

The MSU experts recommend a complete garden fertilizer. Grades 5-10-5, 4-8-4 and 4-8-6 are satisfactory.

'Be of Good Cheer'

The Reverend Leslie F. Harding
Vicar, Holy Cross Episcopal Mission
Novi

My thoughts are a mixed bag of contrasting events which do not help anyone in figuring out where he is at, his country is at, or maybe, where anything is at.

For the last several weeks we have been literally beaten over the head with the Watergate Affair — an affair depicting a tragedy in American politics. An affair which is raising the ugly head of the word "impeachment" — a word which challenges such words as "integrity, honesty, truth, wisdom, rightness, goodness."

This being aimed at the highest office in the land — the Presidency of the United States. What is the country coming to?

Last night I watched the salute to the returned POW's given by the President. A lot of people worked long and hard to put together that expression of thanks — of recognition of what these men and their wives had been through.

And among the praises and the laughter rang the hollow sound of sadness for those who did not return. There will be those who will consider this a sop being thrown to these men, a pacifier for the hurt and degradation they endured.

And then as we look further we see, hear, maybe personally experience the drownings, the killings, the accidents, the tragedies, the bickerings and whatever. It seems everytime we pick up our paper, there it all is. Wow, this is one scene I might as well cop out of.

But, hey, wait a minute friend! There is another side to all this, a greater side of this life that is full of love, caring, friendship, help, laughter, joy, peace, calm.

These are expressed in miriades of ways by everyday people like you and me — and whether or not these are the headlines, these are the real important happenings in life — and Don't Forget It. But we do so often under the onslaught of the other.

Well, that's my mixed bag of thoughts — confused, disappointed, overjoyed, sad, happy, crying, laughing, exasperated, exuberant, up-tight, hanging loose, etc., etc.

Then a still small voice cuts through this muddled bag of thoughts, "Be of good cheer; I have overcome the world."

Hey, you better believe it! I believe it.

And now, tomorrow

The cap . . . the diploma . . . symbols of achievement. They mark the end of one way of life and imply the beginning of another.

But ten years from now, where will this diploma be and what will it mean? Will it be packed away in an attic trunk . . . framed on the wall of a room or office? Will it have been thrown out by accident or cast into a seldom-noticed corner? And what of the hopes and dreams that go with it? What will have happened to them?

Who knows? There is no set answer to life, no single solution to all its problems. Nor can anyone live life alone. Whether your diploma is still crisp or has gotten dusty — whether your dreams are still bright or have become slightly tarnished — forget about personal ambition as the sole answer to everything. Think of your own immortal soul. Go to church, and talk to God about it, through prayer.

ASSEMBLY LINE WORKMEN

We are opening a new automotive related production-assembly plant in your area and will need skilled, day shift. We are also interviewing, experienced welders, line painters, quality control checkers, metal finishers, and automotive trim repairmen. If you are presently employed but would be interested in getting in on the ground floor of a progressive, expanding organization we would like to set up an interview with you. Send us your name, phone number, and the job for which you qualify. We plan to start training now prior to plant opening. Reply Box 540, c-o The Northville Record, 104 W. Main Street, Northville, Michigan 48167.

Bike Boom Raises Safety Questions

LANSING—Recent years have seen many Michigan residents turning away from the traditional four-wheeled form of transportation to the two wheeled form. The state is not alone, either. Last year for the first time since the automobile became a factor in the

American economy, more bicycles were sold in the United States than automobiles. The count was 13 million bicycles against 10 million automobiles. In addition, motorcycles and motorbikes have enjoyed a booming popularity in recent years. Their

numbers increased by 110 per cent from 1967 to 1971. These developments have raised a new safety problem for the state. The main problem is that when something happens to a person on a cycle of any kind, the rider has very little protection from injury.

A PERSON is an automobile is surrounded by steel and, so long as he isn't thrown out, has that protection against trees, fences, other cars or pavement. A cyclist involved in an accident has no such protection.

Thus nationally, for all types of vehicles, 8.2 per cent of the accidents result in death or injury. For cycles, 80 per cent of all accidents involve death or physical injury.

The growing problem has been noticed in the office of Secretary of State Richard Austin, who is in charge of registering all motor vehicles in the state.

Austin prompted the Michigan State Safety Commission to sponsor a Cycle Safety Conference in which 60 people from around the state took an in-depth look at the problem.

THEY CONCLUDED Michigan needs better education and training programs, new laws, and improved safety equipment to help the growing numbers of cycle riders.

The conference concluded there currently are three million bicycles in the state and that within three years their number should more than double to outnumber the six million registered motor vehicles.

It also decided the education problem is a two-way matter. Not enough of cycle riders know how to

operate their cycles safely and properly. At the same time, automobile drivers do not know how to share the highway with cycle people.

CYCLE PEOPLE at the conference recommended a statewide registration system for bicycles to be implemented by local governments and development of bicycle safety education programs for schools.

They also recommended the establishment of state standards for bicycle paths, something which may be helped by the fact a tiny portion of the state gas tax has been allocated for bicycle paths.

THE MOTORCYCLE group recommends much more training for inexperienced motorcycle drivers.

WINS HONORS—Danny Earehart, riding Fascination Lass, took honors at the Indiana All Morgan Show at Indianapolis on May 19 and 20. He won the American Morgan Horse Saddle Seat Medal Class, which qualifies him for the finals to be held during the First Grand National in October at the Michigan Fairgrounds. He also was the high-point youth of the show. Taffy Tail and Pebbles, ridden by David Earehart won the pleasure driving and western pleasure mare classes. Taffy Tail was reserve pleasure saddle champion and Pebbles took honors as reserve western pleasure champion. Carrie, Carl and Bert Earehart, together with Thomas Marino of Northville, also rode to ribbons.

NEW From the Quality Water People
REYNOLDS SLIM CABINET

Automatic Water Conditioner

Designed to be beautiful and to fit almost any place - only 12 inches wide.

Same extraordinary quality you expect from Reynolds - with high capacities up to 35,000 grains.

... and, if you have really rusty water, the new, exclusive Reynolds Rust-Purge System is for you. The Rust-Purge System eliminates the problems most water conditioners have with iron content in water.

Yes you may rent them, too! Rental fees applied toward purchase.

REYNOLDS... Michigan's oldest water conditioning company. Since 1931. A name you can trust.
