

# GOP retains open primary but Dems opt for caucus

If you have a preference for Jimmy Carter, Edward Kennedy, Jerry Brown or another Democratic presidential candidate, you will have a chance to make your voice heard — but only if you register as a Democrat.

Michigan Democrats won't hold an open presidential primary in 1980. Par-

ty rules prohibit them from participating in "open primaries" in which Republicans, Democrats and independents can cross over to vote for anyone they want to. Michigan is one of only two states which holds open primaries.

Instead, Democrats will hold a Democrat-only vote in caucuses around the state April 26. They say this method will make the delegates to the Democratic National Convention in New York City August 11-16 more representative of true Democratic feeling.

David W. Lardinais will be representing the Wayne County portion of Northville and Northville Township as a precinct delegate at the grass-root

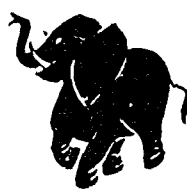

democratic caucus April 26.

"There is a feeling at a national level that Democrats should be the ones to select Democratic candidates," said Audrey Morris of the Oakland County Democratic Party.

Most of Northville is in the 2nd Congressional District of Wayne County. The rest is in the 19th Congressional District of Oakland County.

All precinct delegates elected by 1978 and all Democrats who have registered for the party by February 26 of this year are eligible to attend the caucus April 26. Everyone eligible to vote will be notified by mail, said Orville Tungate, 2nd District chairman. The

Continued on 10-A

There will be an open presidential primary in Michigan in 1980 despite the absence of the Democratic candidates and in spite of a concentrated effort to cancel the "preliminary" election.

Voters will have the opportunity May 20 to select delegates to the Republican State Convention — which will be held

June 6-7 — as well as cast their ballot for George Bush, John Connelly, Ronald Reagan or any of the other Republican candidates.

A number of the state's Republicans are opposed to the primary because of the high cost of holding an election and some believe the primary is of little value without Democratic participation.

The Wayne County Clerks Association and a number of local government bodies have passed resolutions opposing the primary for these reasons.

Others, however, say it is of great value.

"I understand their position very well," said Harry Greenleaf, chairman of the Wayne County Republican se-

cond district — which includes Northville, Northville Township, Livonia, and Plymouth Township. "There has been much debate over who should bear the cost of primary elections. And when they see only one party participating I can see why they oppose it."

"But from an entire party standpoint, we believe the Democrats are not complying with state law," the Livonia resident charged. "What we have here is a state law coming up against a party law."

At their last meeting, February 2, members of the Republican State Committee voted to go ahead with the primary, Greenleaf said.

TWENTY-FIVE CENTS

## Eight Mile-Taft traffic light appears likely

Although county officials and state police refuse to lower speed limits on Eight Mile, it appears the city has won a concession.

According to Mayor Paul Vernon, city and school representatives secured agreement for erection of a pedestrian traffic signal at Eight Mile and Taft.

Local officials met February 1 with Wayne and Oakland county road department officials and with representatives of the state police.

"It was quite obvious at the outset of the meeting that (counties and state police) were opposed to any change including reduction of the speed or any type of traffic control device," Vernon said.

"I insisted that there was a problem, particularly with school children crossing Eight Mile Road, and Dr. (Burton) Knighton of the school district strongly supported my position."

Vernon told council the proposal to install a pedestrian controlled traffic light was then suggested by the Wayne County representative, and the Oakland County representative agreed to submit the recommendation to his superiors with the request that it be approved.

Cost of the traffic light has been pegged at approximately \$20,000. It would be shared one-third by Wayne County, one-third by Oakland County, and one-third by the city.

The Northville Board of Education approved the plan unanimously Monday night, noting that the light would increase safety for 100 students who will potentially cross Eight Mile.

"It seems that it's a good and economical solution to the problem," said Trustee Douglas Whitaker. "We don't usually get off with paying only one-sixth of any project cost."

Based on the mayor's recommendation, council has agreed to participate in financing the light and to notify the counties to begin an engineering study.

"Although we will not know until an engineering study is made, it is expected that the signal will be pedestrian controlled to stop traffic on Taft Road, Eight Mile Road and Randolph Street while pedestrians are crossing," the mayor explained.

"When the signal is actuated it will simultaneously activate flashing warning signs on top of the hills both east and west of the intersection."

On several occasions council has pressed county and state police for lower speed limits on Eight Mile. But each time it has been rebuffed on grounds that the present speed is safe.

The latest refusal sparked a caustic observation by Councilmember Carolann Ayers that apparently the safety of the motorist, not the pedestrian is the only criterion used by the state and county in considering speeds.

Ayers also recommended that the city police department initiate a traffic study on Taft, which is under the jurisdiction of the city, to determine if lower speed limits are warranted there because of the school pedestrians.

It is the safety of school children that concerns council, given increasing pedestrian and vehicular traffic — particularly on Eight Mile where new development is likely to increase it still more.

**FREE CHANCE** to learn about the powers of a positive attitude is being offered by Dale Carnegie representatives Rita Long and Dale Livingston at an introductory meeting being held in conjunction with the regular meeting of the Chamber of Commerce at 6:59 p.m. Thursday at city hall. The chamber is sponsoring the course for all interested persons in the area.

A **FREE BUS TRIP** to Renaissance Center is in the offing for all Northville Senior Citizens who will have time to shop and have lunch there. Offered through Northville Recreation Department, the bus outing will depart at 11 a.m. February 23 from Allen Terrace with a pick-up at the entrance to the Big Boy Restaurant. Marie Knapp, 349-2230, and the recreation department are taking reservations.

**VALENTINE'S DAY** marks an international offering of affection in Northville. The management at the Northville Downs will honor Canada Thursday evening by providing all those with Canadian identification, free admittance into the grandstand. Also, in each program will be a decal which says "I Love Harness Racing." Special guests for the occasion will be Canadian Consul Morris G. Benoit and the Vice-Consul Douglas Frame.

**THEY CALLED**, he came. When the Amerman P.T.A. was looking for someone to build a drywall divider in the elementary school lobby where the P.T.A. wants to hang art prints, sixth grade teacher John Stutheim volunteered both his time and talents after school as carpenter. He and fellow teacher Larry Krabill built the divider Monday and Tuesday.

**TAX HELP** for senior citizens will be available from 1 to 5 p.m. Thursday at the Northville Public Library. Trained volunteers in the program sponsored by the American Association of Retired Persons will aid in the preparation of state and federal forms without charge. No registration is necessary, but those using the service should bring all current tax forms, data on income including social security and copies of the 1978 return.

## Remember those penny Valentines?

"House" chances to be your valentine?

Remember those penny Valentines of the 1920s?

Ron and Nancy Braggalla of Northville do because his mother, Mrs. Grace Braggalla of Novi, carefully kept Valentines from her childhood in a scrapbook.

They're on loan for display this week at the Braggalla home at 630 Randolph in Northville.

Nancy Braggalla especially likes a cut-out doll with movable eyes whose low-bellied dress is typical of the 1920s.

Even earlier may be the sentimental fold-out styles that open to reveal roses, pansies and forget-me-nots.

The Valentines, Mrs. Braggalla explains, were from doting mother and grandmother to an only child "who did not play with them as they immediately were pasted in the scrapbook."

Since the verses were sentimental, it's small wonder that the paper tributes were collected.

Who wouldn't treasure a paper lace

Valentine that read:

To the one I love

Another early greeting declares:

My Valentine,  
though you wake or sleep,  
my heart is yours and  
yours for keeps

The Braggallas are the perfect couple to be entrusted as keepers of old Valentines for they admit to much sentiment themselves.

At Christmas they decorated their home with three trees, one of which still retains its needles because it is located in an unheated annex to their house. For a Valentine party it's now decorated with two dozen large red hearts cut by Ron. Cupids are suspended from the high-beamed ceiling, and guests have been instructed to "bring a homemade Valentine."

## Most district schools improve MEAP scores

Most Northville schools improved Michigan Education Assessment Test scores this year over previous years, the district announced this week.

MEAT scores broken down by school were released by the district this week after review at the district and building level.

The scores reflect how well Northville students did on the multiple-choice reading and mathematics test given to all Michigan fourth, seventh and tenth grade students by the state. Students took the test in late September.

### Fourth grade

Most Northville fourth graders topped last year's scores in reading and math.

At Amerman Elementary, 86.3 per-

cent achieved 75 percent of the test objectives in reading and 100 percent achieved 75 percent of the objectives in math (last year's scores were 84.9 in reading and 88.4 in math.)

Moraine Elementary students scored 65.6 percent in reading and 92.2 in math (last year's scores were 73.9 in reading and 91.3 in math.)

Silver Springs Elementary students scored 77.4 in reading and 94.3 in math (last year's scores were 66.0 in reading and 82.0 in math.)

Winchester Elementary students scored 84.4 in reading and 94.4 in math (last year's scores were 80.6 in reading and 98.5 in math.)

Northville fourth graders led Wayne County in math achievement scores. They were fifth out of 35 districts in reading scores.

## He plans to tighten security at hospital

By KEN KOVACS

Security at Northville Regional Psychiatric Hospital has been a major concern of area residents for a number of years.

The murder of an 81-year-old Northville woman last April, allegedly committed by a hospital "walk-away," triggered harsh criticism of hospital security from local officials and citizens.

But Frederick Delaney, recently named director of safety and security at the hospital, hopes to change all that.

The 53-year-old former police chief, who started January 6, sees his new job as "a tremendous challenge."

"The safety officers have never been completely trained in private security," he said. "And there have been no written policies outlining what powers they have. In the past it has been 'word of mouth' policy."

"We are now writing policies which will be presented to the hospital safety commission for its review," Delaney stated. "We will have a cohesive well-coordinated security program."

Township and city officials would like to see a fence erected around three sides of the hospital and their persistence has resulted in a bill introduced by Senator Robert Geake, which would appropriate funds for a fence.

The bill has passed both the

FREDERICK DELANEY

house and senate and currently stands in committee.

Delaney, however, feels a fence is not the solution to the security problem.

"A fence would certainly be a deterrent, but it is not the final answer," he said.

Delaney has presented three alternate proposals, all of which call for a number of guard shanties to be erected at various locations on the hospital grounds.

Delaney says this approach would help establish the necessary "perimeter control"

Continued on 7-A

## You'll have to pay more

Leaving your key in the ignition could cost you 15 bucks.

But if you pay the ticket within seven days you will have to dish out only \$10.

Parking within 15 feet of a fire hydrant or in a space reserved for the handicapped also could result in a \$15 fine.

These fines, the result of increases recently approved by the city council, are the highest among the eight traffic laws affected.

Others include double parking, parking facing traffic, blocking a crosswalk and some miscellaneous violations. A ticket for violation of one of these laws

\$7 if paid within seven days or \$10 thereafter.

The increases range from \$2 to \$10, with an average hike of \$5.

Northville Police Chief Rodney Cannon said violators will not have to pay the higher fines until a supply of new tickets arrive — probably not for six weeks to two months.

But take heart drivers, some of the new fines aren't that much, anyhow.

Taking up two parking spaces, for example, will cost you only \$5, if, of course you pay it within seven days — otherwise it jumps to \$7.

## \$4,000 band donation refused

The Band Boosters have turned down an offer of \$4,000 from Northville Mothers' Club for band uniforms because of a letter which is to accompany the donation.

Mothers' Club voted February 4 to give the band the rest of the money it needed, provided the Boosters would read a letter which stated that Mothers' Club did not condone marching band students or parents who encouraged the marching band to strike this year.

Band Booster's President Bonnie Wagner checked with the rest of her committee then called Mothers' Club back Saturday and told them though they needed the money desperately, they would not take it if they had to read the "reprimand."

The letter written Tuesday, insisted the Mothers' Club, is not a "reprimand" but only an opinion. The pertinent section of the letter states: "Although we do not condone the method of a strike to realize a goal, we are glad to be able to help students..."

Mother's Club member Bonnie Rinehart said there would be no strings attached to the donation. But Wagner said that the letter itself is a "condition."

"To take the money and read the letter in an open meeting is in essence saying that we did the wrong thing," Wagner said. "They asked us to stand up and have our hand slapped at our own public meeting. Right or wrong, the kids did not remain passive. On one hand, you could take the money and forget it. But if you believed in what you did, then you're selling out."

"We just asked that the letter, a very nice letter, be read at their monthly meeting," Rinehart said. "It is strictly an opinion, telling them we are not rewarding them for their strike. We had no intention of mentioning any names. We never even thought of such a thing."

"For \$4,000 somebody is entitled to their opinion," said Mothers' Club President Luanne McCurdy.

Band students refused to march this year to protest decrepit uniforms, music and instruments. Band Boosters ordered new uniforms and set about fund raising projects. But the Boosters must pay the balance of about \$8,000 in May when new uniforms arrive. If the Mothers' Club put up \$4,000, an anonymous donor will match that and complete the money.

If they don't, Wagner said they could pay for the uniforms without Mothers' Club funds by wiping out the Band Booster treasury.

Both sides say they did not mean to affront the other. "We didn't want to start a big ruckus," Rinehart said. "But they refused something because of a letter that they haven't even seen."

"It is not our intention to cause a personal affront to Mothers' Club," Wagner said. "But the people who didn't march this year are the same kids who are working their fannies off so that next year's marching band can have uniforms."

Though there is no formal action in the offing, Band Boosters and Mothers' Club members are saying privately they still hope something can be worked out.

## High school beautification underway

# Group aims at reviving spirit

Northville High School smokers and litterers may have met their match in the NHS Beautification Committee.

Formed just last week, the committee had more than 60 students spending Monday painting over graffiti in the boys' and girls' bathrooms with bright white paint.

"We decided to start with the bathrooms since they are the worst problem," said Kelly Assenmacher, head of the group. "We are trying to get everything clean. And we'll do it during school hours, so that kids see. So they'll have to have a lot of nerve to mess anything up."

Students are relying on peer pressure to keep the bathrooms clean. They plan to put trash cans in the halls and clean up the school's exterior in the spring.

"We're going to set up committees for painting, for picking up, and maybe one for thinking of projects," Kelly said.

The students will be supported by the Booster Club, which will pay for cleanup projects and paint, said Principal Dr. Aune, who hopes the committee will find success.

Students plan to post rules in the restrooms which prohibit smoking. Some said that administrators should be stricter about enforcing school rules.

"Why don't they just come in here one day and suspend every student who is smoking?" asked one student. "Students need something drastic to happen and then they might think twice about doing it again."

Students are hoping that with the physical cleanup of the school, a new school spirit will emerge.

"Sophomores haven't seen any pride here," Kelly said. "It is the responsibility of the juniors and seniors to show them the community feeling. We don't need class spirit. There is enough division here already. We need total school spirit."

More than 100 students signed a petition supporting the beautification committee last week. About half actually signed up to work. They hope that their peer pressure will work on those minority of students who vandalize the school.

"I hope it works," one girl said, paint brush in hand. "What's really bad is when they write things on the bathroom walls they are spelled wrong."

Beautification committee painted Monday

# Cooke science fair is the mother of invention

Kurt Hoffmeister's "Place in Space"

There is Earth, and there is a star.

Fourteen-year-old Kurt Hoffmeister can locate that star and tell you how to get there with his science fair project, titled "A Place in Space."

"I was looking through a library book when it came to me that the idea of a three dimensional axis would make a good project," Kurt said. "I thought, why not build it?"

Three dowels, sawed pipes, screws and blocks of wood later, he had the first part of his project complete. Three dowels are set at the algebraic X, Y, Z axes. Metal rods point to an intersection of a certain point in space. And the entire contraption rests on a tripod base that Kurt built.

"This is basically a model that proves the theorem that three coordinates can locate something in space...I can find a point inside my imaginary three-dimensional cube and know, without a doubt, that the point I have is definitely the only point that can be found with the

three coordinates given," Kurt's project description states.

He still has to build another stand to hold the dangling planets.

Kurt's current dream is to be an astronomer. "Whatever I am it will have to do with math," he said. "I enjoy theory math and proofs."

The Cooke ninth grader is enrolled in tenth grade honors math.

His project will be on display at the Cooke Science Fair February 26 and 27.

Other projects to appear at Cooke's fair will have to do with biology, physics and chemistry.

For example, seventh grader Claire Langran will demonstrate optical illusions. Fellow seventh grader Maryann Brash will demonstrate different blood types and how to find out blood types at home by a simple test.

Eighth grader Marissa Boring will demonstrate how to determine which fruits are citrus fruits. Ninth grader Ted Sledz will show how different wood densities cause wood to burn faster or

slower. And ninth grader Janet Deane will do a project on nuclear energy, stating benefits and hazards.

Seventh grade science teacher Chuck

Hays is the sponsor of Cooke's science fair.

Other Northville schools will have science fairs later in the spring.

## Board election try? Johnson yes, Sliger no

If you are interested in an exciting job that pays nothing and takes a lot of time, take note: a pair of seats on the Northville school board will be up for grabs in June as two school board members' terms expire.

Northville Board of Education Vice-President Marge Sliger announced she will not run for re-election, but Trustee Chris Johnson said he will seek another four-year term.

The other five board members' terms will not expire in June.

The election is not until June 9. But the school board decided to announce the election early so candidates have ample time to prepare.

"In the last couple of years we haven't had a lot of candidates run," said President Karen Wilkinson. "This way we give a couple months for people to decide whether to run. Board members should encourage community

members to become interested."

"Since I will not be running for re-election, my seat will be vacant," Sliger said. "I hope this will encourage more people to become candidates."

Candidates must be citizens of the United States, at least 18 years old, a resident of the state for at least 30 days and a resident of the school district on or before the 30th day prior to the election.

Candidates must obtain a petition from the school district business office in the Main Street Elementary School on West Main. They must gather at least 20 signatures from registered school district voters. Separate petitions must be used in the township and city. And they must file a campaign finance statement with Wayne or Oakland County.

Last day for filing is 4 p.m. April 7.

## Board, council view recreation budget

A 1980-81 recreation department budget of \$198,316 has been presented to the city council and the township board for consideration.

If the budget is approved unchanged, it will mean the two municipal governments will share \$106,391 of the cost with the remainder coming from fees and miscellaneous income.

Based on the sharing formula, the township's share of the \$106,391 would be 54 percent, the city's share 40.6 percent.

The formula is based on a combination of state equalized valuation and recreation department use in the two municipalities.

Officials estimate the current 1979-80 budget total will end up at \$185,239, which means the new budget represents a \$13,000 increase.

Largest percentage of the total budget is for administrative costs (29.9). Percentages of the other services in descending order are:

Junior baseball, 16.83 percent; adult softball, 15.52 percent; soccer, 12.46 percent; basketball, 6.20 percent; other program activities, 6.10 percent; swimming, 5.77 percent; adult activities, 3.95 percent; senior citizens, 3.93 percent; ski club, 1.17 percent; and day camp,

1.10 percent.

In all categories except for senior citizens and administration, the largest share of the income is generated by fees. In the case of senior citizen services, however, all of the cost (\$7,799) is government supported. Of the total outlay for administrative costs, \$55,347 is government supported and \$4,100 supported by fees.

Junior baseball, soccer, and adult softball generate most operating monies through fees.

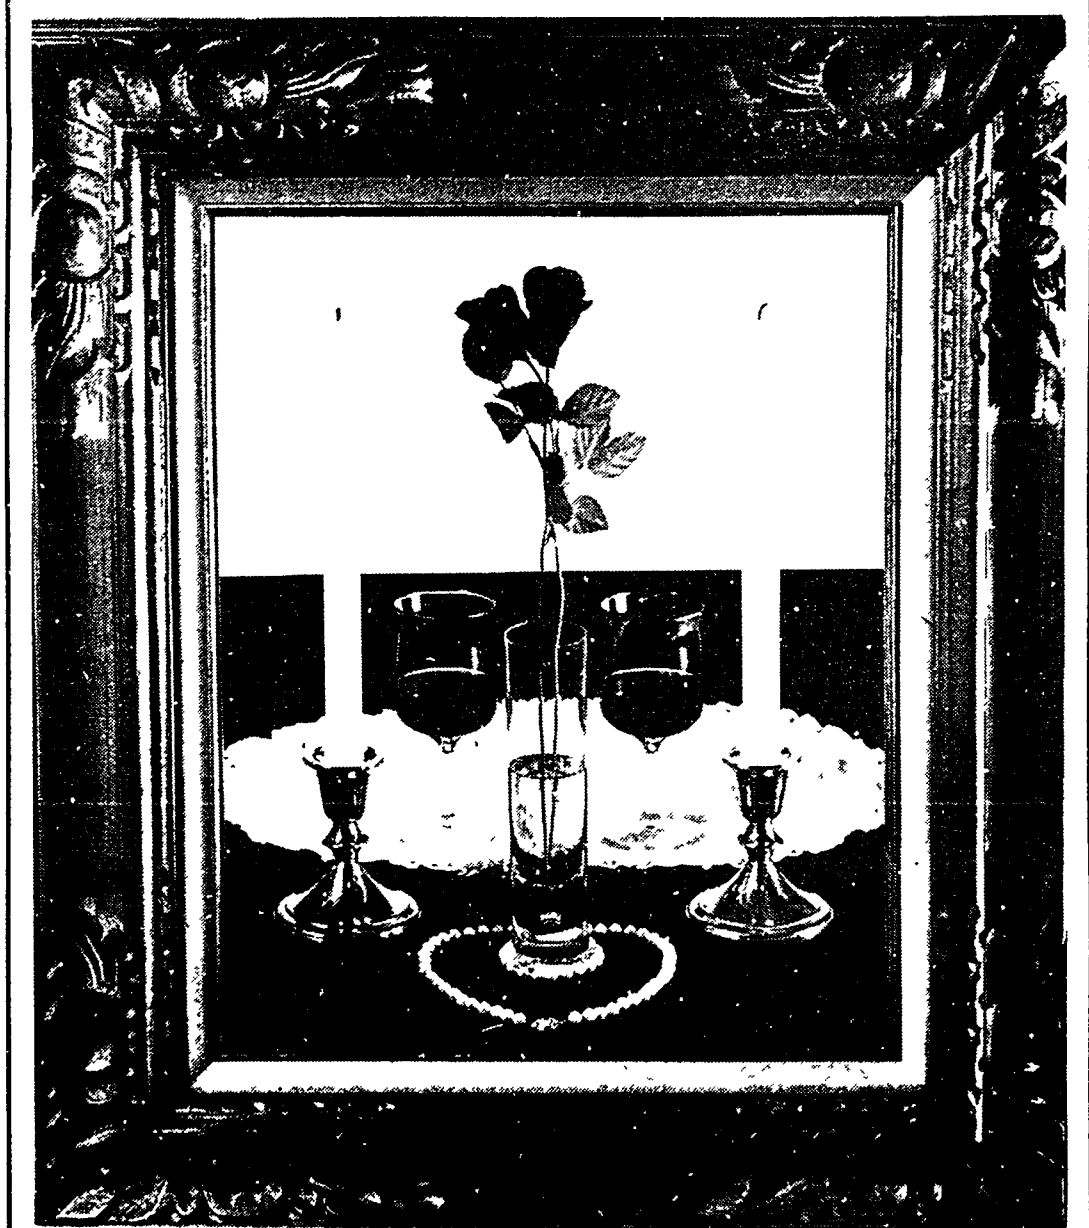

In the administrative category, an outlay of \$35,158 is projected for salaries for the director (\$20,781.30), for secretary and overtime (\$13,632), and for supervisor (\$745).

Other administrative costs include \$1,800 for workman's compensation insurance; \$2,600 for operating supplies; \$400 for audit fees; \$1,575 for bookkeeping services; \$200 for vehicle use; \$4,550 for miscellaneous; \$350 for contingency; and \$12,814 for overhead-irrigation benefits.

The budget was prepared by Director Ed Krietz, with input by the recreation commission. The latter included William Bingley, Marcie Colling, David Mitchell, Jane Watts, John Buckland, Stanley Johnston and Charles Peltz.

# Students' works 'published' at Winchester

It's the only publishing house in the world that publishes just one copy of each book.

Having published more than 130 volumes last year, forthcoming titles include "The Grand Prix Derby," by

Kyle Horngren, "Emily's Surprise," by Kristy Spade, and "The M.M.s," by Laura Williams.

None of these books will make the best-seller list, but if you have not heard of the authors, at least keep their

names in mind. After all, they are only eight and nine-year-old third graders who have gotten their first books published at the Winchester Media Center at Winchester Elementary.

"This book took me about one and a half days to write," explained Kyle, 9, author of a book about a race car that wins 99 of 100 races and garners a 10-foot-tall trophy.

While Kyle illustrated his book with

pencil, Kristy and Laura illustrated their own books. Kristy's book is on the Emily Mouse family of Mouseville who is surprised with a Christmas tree. Laura spins a lively tale of Mindy and Mandy who overcome ridicule and jeers to start a girl's baseball team after the boys won't let them join theirs (apparently never having heard of Title IX prohibiting athletic discrimination).

"Children write the stories in class then bring them to the media center

where mother volunteers edit and type the books," said Carol Schaal, teacher coordinator. "They sew them into book form, then the kids illustrate the books and have them bound with wallpaper."

Books are kept in the library until Easter, when Winchester holds its creative carnival. After that, the young authors are free to take their books home.

Not every child at Winchester writes a book, explained parent coordinator

Marc Horngren. It is the third year for the media center at Winchester. Morain Elementary also runs a publishing center for fledgling writers.

Fourth parent volunteers run the program at Winchester. They type the books and sew them together on an ancient all-metal White Rotary sewing machine.

And don't forget: the company won't read manuscripts from authors over age 12.

Kristy Spade illustrates her manuscript

## Apartments proposed on stream's east side

Last week's article concerning a proposed apartment development off Novi Road near Eight Mile incorrectly described the location of split zones of the land.

The land upon which the proposed apartments would be built is on the east side of the Rouge River — not the west side as reported. It is the land on the west side of the stream that the developer hopes to use in computing density for the east side apartments.

The land on the east side of the stream is zoned for multiples (R-3), but the land on the east side is zoned for single family dwellings (R-1).

Although City Attorney Philip Ogilvie has stated the city can legally grant the owner paper use of the west-side land to compute the density for the apartments, council concluded that the standard rezoning process should be followed, thus providing for a public hearing to allow citizen comment.

Council has, therefore, petitioned the planning commission to consider rezoning land on the west side for a multiples designation — even though plans do not call for development there.

The matter will be formally presented to planners next week Tuesday evening. At that meeting planners can table the matter, refuse to consider rezoning, or set a public hearing to consider the rezoning. Tuesday's meeting is not the public hearing.

Under the existing zoning, the owner can legally develop apartments on the east side of the stream, Councilmember Stanley Johnston has emphasized. The main issue, therefore, is how many units he may develop. If he cannot use the land on the west side to compute density, he can build three fewer units, the owner has said.

According to John R. Beneicke, plans calls for 14 two-bedroom units and 13 one bedroom units in three separate buildings. Building one and two would be one story structures supported over the flood plain fringe on stilts. Underneath these one story structures will be covered parking. Building three will be a two-story structure with the exception of the westerly end unit which would be one story.

The owner has told council that he is prepared to deed the west side property to the city since he cannot effectively use it for development of either multiples or single family homes.

Even if planners and council eventually approve the rezoning and the apartment development site plan, the owner can do nothing unless he secures permission from the state Department of Natural Resources because part of the land lies within the flood plain.

The property is owned by Beneicke & Krue — the firm that years ago developed the former Burkman farm land into what now is known as Village Green Subdivision.

## Zoning requests approved

Two zoning recommendations by the planning commission have been approved by the Northville City Council.

They involve:

—Nine lots annexed to

the city from the township last July have been designated for R-1, single family zoning status. They are located in of Hillcrest Manor Subdivision, near the west city limits off Main Street.

—The land inside the city bordering the railroad south from the Griswold overpass has been rezoned from R-3 (third density residential) to PR-1 (performance regulated industrial district).

# Norman is 'a damn good cop'

By KEN KOVACS

Harry Norman has a nose for trouble. He can smell it a mile away. As a state trooper assigned to Nor-

thville, the 24-year-old Norman finds this quality quite helpful, but sometimes it puts him smack in the middle of very dangerous situations. Last September, the trooper walked into a party store near his home in

Detroit during a holdup.

He was shot three times, but managed not only to survive, but was back on the job in six weeks.

Trooper Norman's talent for finding trouble February 2 drew he and his partner, Trooper Michael Oliver, into a fiery emergency.

The troopers, traveling eastbound on I-96, had just pulled over a vehicle for a traffic violation when Trooper Oliver noticed a car stranded in the middle of the freeway.

"Traffic was such that the woman could not get her car over to the side of the road," he explained. "Her vehicle had a flat left rear tire."

"We were attempting to make our way over there when this white Olds Cutlass slammed into the rear of the Volare, which was knocked into the median and burst into flames," Trooper Oliver recalled.

The woman, Alicia Lesko of Plymouth, and the two children in the front seat, William, 12, and John, 11, managed to get out of the burning car, Oliver said.

"The woman's hair and some of her clothing were on fire, so I rolled her on the pavement."

"Meanwhile, Harry was trying to get the two kids out of the back seat."

The girl, Marisa, 3, managed to get out under her own power but nine-year-old Andy's feet were stuck under the car seat which had been bent back in

the crash.

"Harry somehow managed to get the boy's feet loose and the child then escaped through a front door window," Trooper Oliver said.

A recent graduate of recruit school, the 23-year-old Oliver has been riding with Trooper Norman for about two weeks. Oliver said he considers his partner "a damn good cop."

The troopers' boss, Lieutenant William Tomczyk, had great praise for Norman as well as Oliver.

"This is just another example of the great job Trooper Norman has done," he said. "And I was very pleased with the things he told me about Trooper Oliver's actions."

"He kept his cool and did everything he was supposed to," Tomczyk praised. "In the limited time he has been with us (about four months) he has done an excellent job."

Andy and his mother were treated for minor burns at St. Mary Hospital and released.

Andy's father, John, a physics instructor at Schoolcraft College, took him to the University of Michigan Burn Center the following day where he received further treatment and was released.

Oliver was not injured and Trooper Norman received minor burns on his hands and face.

Oliver said the driver of the Oldsmobile will be ticketed.

## State police halt sexual abuse probe

State police have dropped their investigation of sexual abuse charges at Northville Regional Psychiatric Hospital.

A request for a warrant for the arrest of the 40-year-old attendant accused of forcing a patient to have homosexual relations, was denied February 4 by the Wayne County Prosecutor's office.

Following a review of the state police warrant request, Prosecutor Richard Padeleski said there was not enough evidence to issue the warrant.

Mental health agencies and the Department of Social Services, however, are continuing their probe of the alleged abuses, according to John Reynolds, hospital director.

"We are not quite finished with our investigation," Reynolds told The Record last week. "We hope to have things wrapped up by the end of next week."

Reynolds said once the in-

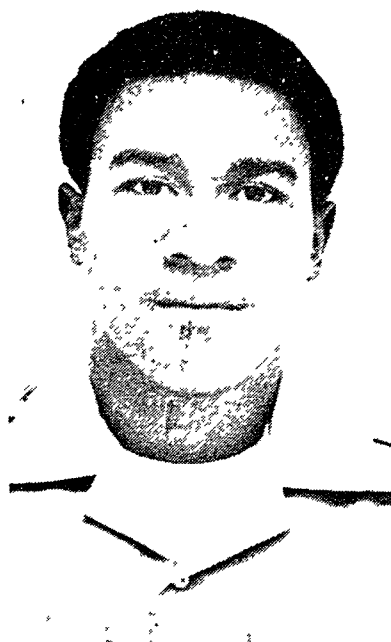

vestigation is complete mental health and hospital officials will decide what action, if any, will be taken.

The 28-year-old patient, a black male from Detroit, fled the hospital December 17 following his request for an investigation. He returned to the hospital of his own volition January 22, hospital officials said.

The attendant, who has been employed at the hospital for about two years, remains on suspension, pending the outcome of the investigation, Reynolds said.

Among the charges made by the patient, who was admitted to the hospital in October, 1979, are sexual abuse of himself and other patients and offers of illegal drugs in return for "sexual cooperation."

Hospital officials, however, say as yet there is no evidence to support these charges.

### She teaches first grade

Kathy Jones of Northville is one of 30 Alma College students who are student teaching during the college's Winter Term from mid-January to mid-April.

Kathy is teaching first grade for the St. Louis School District. A 1976 graduate of Northville High School, she is the daughter of Mr. and Mrs. Robert Jones.

### Earns degree at Siena

Leon Stephen Paler of Northville was graduated with completion of the fall semester from Siena Heights College in Adrian, the college announced.

Paler, 42056 Sunnydale Lane, received a bachelor of applied science degree in electronic engineering technology.

**GOOD TIME FOR WINE**

Table wines, in a sense, are the purest of wines. They have nothing added to them and achieve their taste and alcoholic content, usually 9 1/2% on their own. On the other hand, sparkling wines have their bubbles added. Fortified wines, like Sherry and Port, have brandy added, which helps bring their alcohol content up to 21%. Aromatic wines, like aperitifs and Vermouth, have the flavors of herbs, roots, flowers, and spices added to them and are usually fortified as well.

All types of wines, both imported and domestic, are available from us at **GOOD TIME PARTY STORE**, 567 Seven Mile Road, 349-1477. We give a 10% discount off of our already low prices, for wine purchased by the case. Hours: 9 a.m.-10 p.m. Mon. thru Sat., Noon-6 p.m. Sun.

# Why cut hospital beds?

EDITOR'S NOTE: A state plan to cut 2,500 hospital beds in Michigan has raised the ire of community hospitals near Northville. In the second half of a two-part series staffer Ellen Sponseller examines the future of health care in this area as planners see it.

By ELLEN SPONSELLER

If Dr. Myron Wegman had his way people would spend less time in hospitals. "I'm an apple-a-day man," said the man who is head of a state commission to cut the number of hospital beds in Michigan. Dr. Wegman, who is dean emeritus of the University of Michigan School of Public Health, is in a most unpopular position with area hospitals. Along with the Comprehensive Health Planning Council of Southeastern Michigan (CHPCSM), Dr. Wegman's task is to tell hospitals how many beds they have to cut so that health care costs will be curtailed in Michigan. Their plan, unveiled in December, affects the two hospitals closest to Northville. St. Mary Hospital in Livonia has been ordered to cut 26 of 335 beds while Botsford Hospital in Farmington must cut 20 of 315 beds. Though administrators of St. Mary have joined together to fight the order Dr.

Wegman maintains the plan must be implemented to slow the spiraling cost of health care in Michigan. "When people tell you that things will be ruined, I don't agree," Dr. Wegman said. "When I talk to hospital administrators, most agree with the theory that there are too many beds to support the population. But they say, not in my hospital. Let someone else sacrifice. "Frankly, I'm not convinced that everyone needs a friendly neighborhood hospital," Dr. Wegman said. "I have a strong belief in community hospitals, but there are just too many smaller hospitals." A state mandate passed in 1978 called for the reduction of nearly 3,000 hospital beds in Michigan and gave Dr. Wegman and CHPCSM 215 days to complete the analysis and make recommendations. In December, they told 61 area hospitals to cut 2,500 beds. State law also mandated that the health plan must provide for the closing of some institutions, which Dr. Wegman admitted is a sticky situation. By asking hospitals to cut beds, smaller institutions will be forced to merge or close. Botsford and St. Mary administrators said the order would hurt, but not close their hospitals. While health planners talk about the long-

run and have the force of a state mandate behind them, administrators of smaller hospitals are fighting for survival and are worried about the short-run. Hospitals like St. Mary are struggling to maintain traditional community care close to each town. They point out that even now they cannot serve the number of people who come to them. And they say a cut in beds will mean higher costs and longer waits. Planners, on the other hand, have a vision of a health care future based on health maintenance organizations which concentrate more on prevention of illness and outpatient health care than hospital stays. They maintain that not every community needs a local hospital (state law specifies that every community must have a hospital within 25 minutes driving time, so Northville emergencies could reach University of Michigan Hospital, Wayne County General or even Henry Ford). If fewer people stay in the hospital, costs will slow their rise overall, Wegman said. And if more people stay in fewer, larger hospitals, costs will decrease per patient. Thus, hospitals which have the biggest future are the "referral" hospitals which provide the most comprehensive and specialty services, if planners have their way.

## 1980 grant money for Ford Field possible

### CITY OF NORTHVILLE JOB OPENING — DPW

Opening for Sanitation Operator for the City of Northville DPW. Applications may be picked up at the City Hall or the DPW Office, 650 Silver Springs Dr.

Ted Mapes, Superintendent, DPW

Publish: 2-13-80

### CITY OF NOVI NOTICE

Notice is hereby given that a vacancy exists on the City of Novi Library Board. Any citizen interested in appointment to this Board should contact the City Clerk at 349-4300.

Geraldine Stipp, City Clerk

### NORTHVILLE TOWNSHIP

Notice to taxpayers in Northville Township. The Northville Township Board of Trustees has extended the deadline for payment of 1979 taxes to February 29, 1980. After this date taxes must be paid, with penalty and interest, to the Wayne County Treasurer.

### NOTICE NORTHVILLE CITY HALL CLOSED February 18, 1980

Notice is hereby given that the Northville City Hall will be closed on Monday, February 18, 1980 in observance of Presidents' Birthday (Lincoln & Washington).

REFUSE PICK-UP

Due to the Presidents' Birthday on Monday, February 18, 1980, the regular Monday refuse pickup will be on Tuesday. All other pickups will be as usual.

Ted Mapes, DPW Superintendent.

Publish: 2/6 & 2/13/80

It appears the City of Northville may use Oakland County grant monies for Ford Field after all.

Earlier, council considered using its 1980 Oakland County CD Block Grant funds for "barrier free" curb cuts and for sidewalk construction on North Center. It chose these uses because indications suggested it could not continue to use these monies for improvement at Ford Field, which is located in the Wayne County section of the city.

Since then council has learned two things — it can't use the money for sidewalks but it can, apparently, use it for Ford Field.

City Manager Steven Walters told council that the \$10,000 can be reconsidered for use have Ford Field. The change in the Department of Housing and Urban Development (HUD) position apparently was triggered by a decision in another state, he said.

Based on this changed

position of HUD, council authorized Walters to develop a proposal for using the money at Ford Field.

Even with this money and previously allocated money, however, not all of the projects planned at Ford Field can be accomplished, the manager said. One priority project that is in the works will be construction of a new stairway down to the field from Hutton Street.

Other plans include new backstops, dugouts, toilets, etc.

## Bill McLaughlin to chair GOP convention committee

Michigan Department of Commerce Director William F. McLaughlin of Northville will serve as chairman of the Governor's Reception Committee for the 1980 Republican National Convention.

According to Civic Host Committee Executive

Director Carol Gies, the Governor's Reception Committee will be responsible for planning the VIP welcoming reception hosted by Michigan Governor William Milliken.

McLaughlin also serves on the executive committee of the Civic Host Committee. As state commerce director, McLaughlin serves on numerous state boards and commissions. Included are the Environmental Research Institute of Michigan, Environmental Review Board, Great Lakes Commission, Property Tax Task Force, Michigan Consumers Council, Michigan State Housing Authority and the State Pension Fund Advisory Committee.

W. F. McLAUGHLIN

Before assuming his current post, McLaughlin had served as chairman of the Michigan Republican Party.

McLaughlin lives at 592 Reed with his wife and four sons.

### Six cited at Ferris

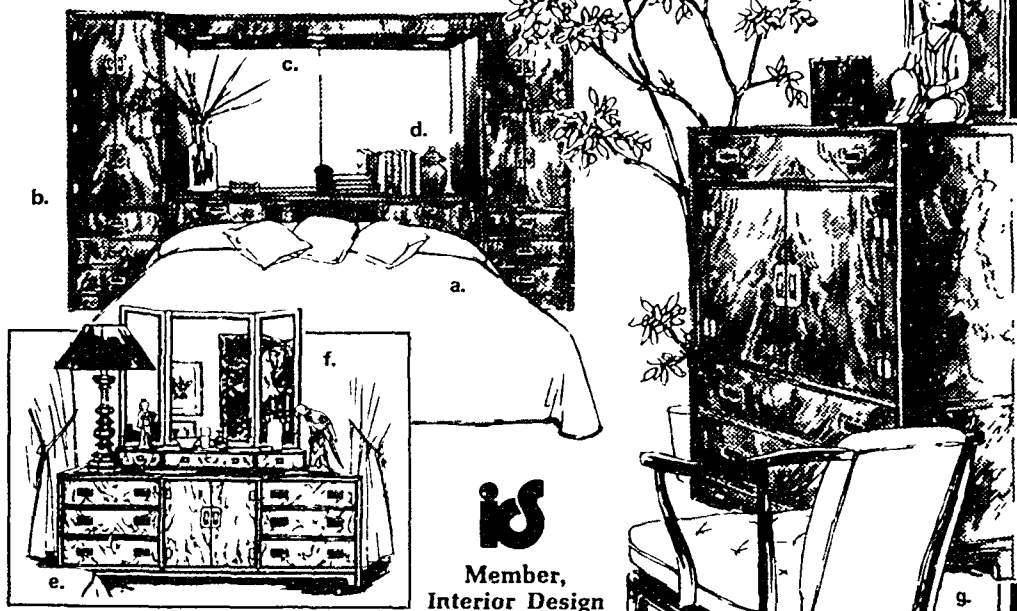

Six Northville students were named to the fall quarter dean's list at Ferris State College in Big Rapids, it was announced this week.

The students all achieved at least a 3.25 grade point average on a 4.0 scale.

They were:

Karen S. Andersen, 44218 Wyngate; Stephen W. Barteis, 46900 Chigwidden; David J. Beecher, 20208 Longwood Court; Robert K. Foust, 19777 Meadowbrook; Julie A. Johnston, 44020 Foothills Court; and Kenneth J. Meslo, 1048 Bristol.

## ORIENTAL ELEGANCE AT REDUCED PRICES

SALE ENDS 3/1/80

Member, Interior Design Society

The Dynasty collection by Heritage offers balanced, disciplined design in the tradition of Oriental styling. Warm, walnut veneers with pecan solids and other elegant features are combined with contemporary versatility. Our professional I.D.S. interior designers will coordinate this collection for your home at no additional charge. Be sure to visit us soon, as sale ends March 1st. Extended terms, of course.

## LAST YEAR, THE JONES FAMILY FOUND LIFE AT 65 VERY REWARDING.

This winter, the Jones family has found that from a comfort point of view, life at 65 isn't much different than life at 70. But it is a whole lot more rewarding.

By dialing down from 70° to 65° the Joneses saved 15 percent of their space heating fuel consumption. They did even better by dialing down further at night and when they weren't home.

Overall, the Joneses saved enough money to buy themselves some things they wouldn't have been able to afford otherwise.

You can do the same. By dialing down wisely, you could reduce your space heating fuel consumption by 3% for each degree. You might not even notice the difference, especially if you're busy enjoying the things you bought with the money you saved.

Consumers Power

## Police Blotter

# Rip off guns, glitter

Thieves escaped with thousands of dollars worth of jewelry and other valuable items taken from Northville homes since February 4, city police reported.

More than \$6,000 worth of goods was stolen February 4 from an Allen Drive residence, police said.

Taken were two shotguns, a rifle, a radio, watches, bracelets, necklaces and other miscellaneous jewelry, according to police.

Police said the doorwall on east wall in the basement apparently had been left unlocked.

Currently, there are no suspects.

Three jewelry boxes containing many gold and silver items and a purse containing some \$150 in cash were stolen from a Clement residence February 5, city police reported.

A number of watches, necklaces, rings and other assorted jewelry — valued at over \$3,000 — were reported missing as well as a number of travelers checks, credit cards and the cash.

Homeowners told police the garage door was left open and they are not sure if the door leading into the house was locked.

The theft is under investigation, police said.

Some \$258 in cash was stolen from Foltyn's Bakery, 123 East Main sometime between February 2 and February 5, city police reported.

The owner said nothing else in the bakery was disturbed.

Several current and former employees have a key to the building, the owner told police.

The incident is under investigation.

A Northville woman received minor injuries in a traffic mishap February 1, city police reported.

Patricia Brown, 21900 Center, was hurt when her vehicle, traveling eastbound on Dunlap, hit a car driven by Carola Caroselli, 770 Bradburn.

Caroselli, driving her vehicle southbound on Wing, said she was blinded by the sun and did not see the other vehicle. She was ticketed for failing to yield to oncoming traffic.

Caroselli was unhurt.

A number of vehicles recently were reported stolen in the city.

A 1978 Mark V was taken from the

main parking lot at Northville Downs January 28, city police reported.

Novi police later recovered the vehicle undamaged at an apartment complex on Pontiac Trail east of Beck.

A 1973 Volkswagen station wagon was reported stolen from the parking lot behind 168 East Main January 30.

The car contained a tool box, citizen band radio and a small stove, the owner told police.

A 1978 GMC pickup truck was reported stolen from the Northville Downs main parking lot February 2.

The front tires of a 1976 Monte Carlo were punctured January 29 while the vehicle was parked at the main lot at Northville Downs, city police reported. Damage is estimated at \$100.

The passenger window was smashed and four holes were shot in the windshield of a truck parked at Northville Lumber, 615 Baseline January 29, city police reported.

Police believe a pellet gun was used to vandalize the truck.

Building supplies, including six standard colonial wood doors — valued at \$900 — were stolen from a Waterwheel Court residence February 6, township police reported.

Two bi-fold doors — worth \$300 — also were taken, police said.

Police said there is no evidence of forced entry.

A Bradner residence was broken into February 2, township police reported.

Police found a large rock which they believe was used to break the glass in the front door to gain entry.

The home was ransacked, police said, but it is not known what items, if any, are missing.

Two Detroit residents and a Northville woman suffered minor injuries February 10 in a two-car accident at the intersection of Opoplo and Fry, township police reported.

A vehicle driven by Clifford Bakewell was traveling eastbound on Opoplo when it collided with a car southbound on Fry, police said.

The driver of the southbound vehicle, Linda Danol, 217 Linden and Bakewell received minor cuts and bruises. Bakewell's passenger, his wife, Verna,

also was hurt.

No citations were issued.

A township resident was injured February 7 when her car was rear-ended by another vehicle, township police reported.

Mary Ann Stock, 18639 Jamestown Circle, suffered minor injuries when a vehicle driven by Kirk Mack, 16815 Bradner rammed into her car which was stopped at a traffic signal on Northville Road.

Correction: It was reported inadvertently in the police blotter January 30 that Otto Wiley, 529 Horton, was ticketed for disobeying a stop sign.

Involved in a traffic accident January 22 at the intersection of Wing and Dunlap, Wiley did not receive a citation.

## Violinist Zivoni playing Marquis

Israeli violinist Yossi Zivoni, who has performed with many of Europe's leading orchestras, will be playing in a recital at 3 p.m. Sunday at the Marquis Theatre.

Because the violinist is visiting in the East Lansing area, reports Gary Laura, who is making arrangements for his appearance here, he agreed to perform in the "Sunday at the Marquis" musical series.

Zivoni was born in Tel Aviv where he studied at the Music Academy. He later went to Brussels to the Conservatoire. In the early 1960s he won several major prizes, in-

cluding the Paganini Competition, Munich International Competition and the Queen Elizabeth International Competition in Brussels. As a result of the latter, he was invited to appear in many Western European countries.

He gave the first performance of Luctor Pone's Second Violin Concerto in Amsterdam with the Amsterdam Concertebouw.

In announcing the program, Laura points out that the theatre is gaining a reputation as a concert hall because of its fine acoustics. There is an admission charge.

## Vows to hike NSH security

Continued from Page 1

which makes our job very difficult," Delaney said. "But we have received great cooperation from city, township and state police. The mental health code, though very specific concerning patient rights, is flexible enough that we can handle it."

Delaney, who most recently taught law enforcement to military personnel, civilian dependents and foreign nationals in Portugal and Germany, has served as a police officer in Dearborn for 22 years, was White Lake Chief of Police for four years and has held a number of other law enforcement positions.

He earned a masters degree in business administration from Wayne State University and has 24 hours towards a doctorate in criminal justice.

## School test scores up

Continued from Page 1

Seventh grade

At Cooke Junior High 90.2 of the students achieved 75 percent of the test objectives in reading and 71.3 percent achieved them in math.

Last year's scores at Cooke were 79.4 in reading and 70.3 in math.

At Meads Mill Junior High, students scored 89.2 percent in reading and 72.3 percent in math.

Northville's seventh graders had the top score in Wayne county in reading and were third in mathematics.

Tenth grade

Tenth graders at Northville High School, taking the test for only the second time, led the county in reading and scored third in mathematics.

At NHS, 85.7 percent of students achieved 75 percent of test objectives. Last year's score was 81.1 percent.

NHS scored 72.9 percent in mathematics. Last year's score was 75.1 percent.

Trustee David Llewellyn said the district should not be so modest about its scores.

"Since I just came onto the board in June and I probably had nothing to do with the success here, I think I can brag a little for the district. Out of six areas measured, we were tops in three in Wayne County. And we did pretty well even when compared with Oakland County. We were in the top 90 percent in all categories when compared with Oakland County schools," Llewellyn said.

Curriculum Coordinator Mike Burley reminded the board that the fourth grade scores were all the more dramatic because special education students in the fourth grade took the test and the district's scores were still among the highest in the area.

## Our Opinion

### Bed order irresponsible

Health planners want to cut hospital care costs in Southeastern Michigan by reducing the number of people going to the hospital.

To accomplish their objective they have developed a plan to cut the number of hospital beds in the area by 2,500. If fewer beds are supplied, they reason, there will be less demand.

Their figures seem to back up their case. U-M School of Public Health Dean Dr. Myron Wegman says there are enough hospital beds in this area for every man, woman and babe in arms to spend one-and-a-sixth day in the hospital. Other areas in the United States have only enough hospital beds for each person to spend a half day in the hospital, yet have just as good a record of public health.

So maybe we need fewer hospital beds.

But there is another side to this proposal. If hospitals, such as St. Mary in Livonia, are forced to cut beds and accept only seriously ill patients, where do all the emergency and marginally ill patients go?

In the health planners' grand design, people should visit a doctor or outpatient clinic before setting foot in a hospital. All well and good.

But look at the reality of the situation: most insurance companies won't pay if a person is treated as an outpatient, only if the person is hospitalized.

If the order for cutting hospital beds becomes law before insurance laws are changed and more outpatient facilities are built many people will suffer, particularly those such as senior citizens on fixed incomes.

They will be forced to either pay cash as outpatients, delay hospital treatment, or travel long distances to major referral hospitals for ailments which could have been treated locally.

Small hospitals should be encouraged to increase outpatient services. We need them nearby; they should not be forced to close.

Simultaneously, insurance to keep people healthy must be provided. Payment for doctor and outpatient visits would be less costly than unnecessary hospitalization.

To legislate a bed-reduction order without providing alternative forms of affordable medical care is like telling someone to go on a diet by cutting off his food supply while neglecting to tell him how he is supposed to stay alive.

### Sour music

We are appalled by a Band Boosters unofficial decision to refuse acceptance of a \$4,000 donation by the Northville Mothers' Club simply because the club wanted it known that in making the donation it does not condone last year's student band strike.

The position of the Mothers' Club is understandable and certainly not deserving the Boosters rejection.

We applaud the Mothers' Club for its generosity. We also did not nor do we now condone the student strike. If the Boosters do not know it, then they ought to be informed: many of the donors, including the person who made the initial anonymous donation, view-

ed the strike as counterproductive. Nor was it the strike that triggered their decision to contribute monies.

Even if we accepted the argument that it was the strike that drew attention to the band uniform problem, which we do not, what constructive motive can the Boosters have in the case at hand? Is it the uniforms they want, or public acceptance of the strike?

Hopefully, when the Mother's Club officially presents its letter to the Boosters cooler heads will prevail. We urge the Boosters to reconsider this foolish rejection before it jeopardizes the goal that they and many others have worked so hard to achieve.

### Our dare

We've said it before and we'll say it again: one of the most dangerous intersections in Northville is on north-bound Griswold at Eight Mile. State police, local police, county and township officials apparently do not agree. Nothing has been done about it and nothing is planned. Not even a street light.

Their attitude seems to be, "Nobody's been killed so why bother."

Well, we've seen enough near-killers at the intersection, particularly between the hours of

5 p.m. and 7 p.m., to scare the pants off Evil Knievel.

We've seen enough to suggest that Officialdom's procrastination is courting a disaster. Enough to offer them this dare: take off your blinders and watch the action a few nights and then tell us it's a safe intersection.

Better yet, Officialdom, nose your car up to Eight Mile and try turning left as the jet stream of traffic rounds the curve to the east. You'll die laughing at our dare.

DONNA NIMS

### Speaking for Myself

### Should U.S. boycott Olympics?

NANCY MUZBECK

#### YES

*"It is not a man's duty to devote himself to the eradication of any, even the most enormous wrong; but it is his duty, at least, to wash his hands of it...Let every man make known what kind of government would command his respect, and that will be one step toward obtaining it."*

Thoreau on civil disobedience

Those who oppose President Carter's proposed boycott of the Olympic games in Moscow argue that the games are above politics.

In ancient Greece, it is said, wars were temporarily suspended so the games could take place. But as early as 776 B.C. (and ever since), there have been boycotts and protests, all for purely political reasons.

It is absurd to say that the Olympics are not involved in world politics. And, since it is clear that the United States' participation (or lack of participation)

will have many political ramifications, we should choose the course of action which would be most beneficial to world politics.

If we do participate in the Moscow games, we will be lending legitimacy to the Soviet Union's crushing expansion into Afghanistan.

We, as a nation, cannot advocate this action nor ignore it. By boycotting the games we will be peacefully and effectively protesting.

Certainly, the athletes who have trained for years, with the 1980 Olympics as their goal, will be disappointed. The United States could sponsor an unofficial athletic competition as a consolation.

Perhaps by offering an alternative to the Olympics, a truly non-political amateur competition will come into its own.

Donna Nims  
South Lyon

#### NO

The Soviet invasion of Afghanistan cannot be condoned, but attempting to punish the Soviets by boycotting the Moscow Olympics really punishes only the American athletes.

The International Olympic Committee has a contract with the Moscow Olympic Organizing Committee, not the Soviet government, and fully intends to proceed with the games, with or without us.

The intensive training program of our athletes has been disrupted with the possibility of boycott, years of effort and sacrifice for the athlete and his family are in jeopardy, and the athlete has no voice in the decision.

Our government has not financially supported our

amateur athletic program, but now is asking them to do what American financial interests have not been asked to do.

Many United States corporations have recently made huge property and financial investments in the Soviet Union.

Until these powerful corporations are also told to boycott the Soviets, is it really fair to expect our young athletes to give up their dreams?

Nancy Muzbeck

### Photographic Sketches . . .

By JIM GALBRAITH

London street minstrel

### JACK W. HOFFMAN'S COLUMN

The young man sought employment and was sent to the company doctor for a physical.

"Well, you look like a healthy specimen," the doctor said. "What's your age? Really? That's the age of my grandson. He was drafted. He's in combat right now. How'd you escape?" Really?"

"Yup," said the young man. "I'll be out for the duration."

"Really?" My, isn't that something. Roll up your sleeve."

The doctor looked over an array of needles, selected one and said, "I need a blood sample."

"Last time they just pricked a finger with the needle," said the young man nervously.

"I know," said the doctor, "but I'll need more blood this time. Let me tighten this a little. There, that ought to do it. Steady."

One, two, three jabs.

"I guess you've got no blood in this arm," the doctor smiled. "Roll up your other sleeve."

Two more jabs without success. The doctor, preparing for a sixth, said, "You've got rolling veins; my grandson had them, too. They took him anyway. Okay, one more time."

The young man regained consciousness just as the doctor was pushing his head out the ninth floor window for air.

"Please, doctor, don't push me out," screamed the young man, breaking free of the doctor's arms. "I'll tell the draft board today," he said as he dashed out of the room.

Twenty-eight years later as he reads about the revival of the draft, the "young man" wonders if he really would have gone off to the war without the prodding of the needle.

Or if the doctor really meant to pitch him out the window.

Readers Speak

# Clerk, Dems rapped, Jaycettes applauded

To the Editor:  
Mr. Stilson, how does a city resident who attends only a few township board meetings during a year set himself up as an authority on Clerk Sass' "superb" proven record?

I take exception to your statement that the clerk has been in office with other administrators without conflict. Having frequent contact in the township offices with the past three supervisors, I can tell you there were conflicts! They will always exist when the clerk is unable to have her own way. Whether it's hiring and firing of employees or spending taxpayers' funds, she demands the final word.

One should also question why someone with the title of clerk is not responsible for more of the multitude of clerical tasks in the township office. Why doesn't she handle some of her correspondence, process voter ap-

plications or cover a department when lunch hours leave the office temporarily understaffed?

I realize, of course, this would leave less time for attendance at meetings, conferences and conventions and her lunch hours would be drastically shortened.

Mr. Stilson, your picture of the clerk that you would like the public also to see is very out of focus. What did she promise you in return for such gilt-edged comments?

Name Withheld for Obvious Reasons

To the Editor:

The Michigan Democratic Party has adopted a set of restrictive rules, which allows the delegate selection process to

be controlled by an elite group. The plan includes a closed caucus system restricted to only party members being given the opportunity to vote behind the secrecy of a controlled meeting. Such a plan is the most regressive step observed by this writer since the emergence of machine politics in some of our big cities.

Why would the state Democratic Party defer to the wishes of the National Committee regarding the method of selecting delegates?

Why should a closed caucus method be utilized to begin the process of selecting delegates, when we could vote for them in the May Primary?

As you probably know, I have fought hard to allow voters to have the opportunity to elect delegates. Certainly the closed caucus system represents

the exact opposite of what I have attempted to achieve within the past decade. Consequently my conscience leads me to make the ultimate decision.

After much thought and deliberation, I have decided to join the Republican Party.

Larry D. VanderMolen

## Obituaries

### ELLEN ANTHONY

Ellen Anthony of 15777 Maxwell, a Northville resident for 42 years, died February 8 at Garden City Osteopathic Hospital after an illness of several years. She was 73.

Funeral service was held at 1 p.m. Monday at Casterline Funeral Home with the Reverend L. Alden Erlanson of Emmanuel Lutheran Church of Southfield officiating. Burial was in Parkview Cemetery in Livonia.

Mrs. Anthony was born January 14, 1907, in Winona, Michigan, to Carl and Katherine (Kivela) Kananen.

She leaves her husband Robert, sons Robert Anthony Jr. of Plymouth and Raymond of Tecumseh, brothers Reino Kananen of Watton, Michigan, Wilbert Kananen of Jacobsville, Michigan, John Kananen of Edmonds, Washington, and two grandchildren. She was preceded in death by a brother Eino Kananen.

### CASIMIR S. DANIC

Casimir S. Danic of 44610 West Eleven Mile, Novi, died February 8 at Botsford General Hospital at the age of 83. He had been ill for the past year.

Mr. Danic, a retired postal official, had sold tickets at Tiger Stadium for 52 years. He had moved to Novi in 1973.

Funeral service was at 10 a.m. Monday at Casterline Funeral Home in Northville with Father John O'Callaghan of Our Lady of Victory Church officiating. Burial was in White Chapel Cemetery in Troy.

Mr. Danic was born November 24, 1896, in Detroit to Peter G. and Anne Szymanski Daniec. He was preceded in

death by his wife Nina in 1971.

He leaves four daughters Mrs. Gertrude Currie of Novi, Mrs. Margaret Barker of Livonia, Mrs. Barbara Williamson of Lake Orion, Mrs. Anne Mae Bartsch of Milford, a son Philip Gerhart of Detroit, a brother George of Rochester, 17 grandchildren and six great-grandchildren. He was preceded in death by a son William.

### RICHARD A. GRIEGER-BLOCK

Professor Richard A. Grieger-Block, 36, died February 3 in Madison, Wisconsin. He was the son of Lieutenant Colonel (retired) and Mrs. Allen J. Grieger of Northville.

Professor Grieger-Block was a member of the Department of Chemical Engineering, University of Wisconsin-Madison. He obtained his bachelor's degree from University of Michigan in 1965 and his master's and a doctorate from the University of Illinois in Urbana, Illinois, in 1970.

He attended Northville schools for kindergarten and first grade and again for grades 10-11 in high school.

He spent his entire professional career as a member of the faculty at U of W, rising to the rank of professor.

He was an active member of the American Institute of Chemical Engineers and of the American Chemical Society. He was an internationally recognized authority on chemical reactions at high pressures and a leader in applying these techniques to the studies of biochemical reactions.

His research resulted in significant publications and patents and established current trends in high pressure

chemical investigations.

He was born August 17, 1943, in Niagara Falls, New York.

In addition to his parents, he leaves his wife Sandra; daughters Naomi and Melinda; step-son Robert B. Conner; step-daughter Angelique D. Conner; brother John S. Grieger of Monterey, California; three sisters Mrs. Tuncay (Susan) Yasar of Slidell, Louisiana, Mrs. Rainer (Nancy) Teichert of Plymouth, Mrs. Dan (Janet) Bennett of Mesa, Arizona; and his maternal grandmother Mrs. Norman (Myrtle) D. Scott of Severna Park, Maryland.

Funeral services were held February 7 in Madison. The family requested that memorials be made to the American Cancer Society.

### JAMES C. NICHOLS

Service for James Clyde Nichols, 75, of 312 Lake in Northville are being held at 11 a.m. today at Casterline Funeral Home with the Reverend Guenther C. Branstner of First United Methodist Church officiating.

A local resident since 1949, Mr. Nichols was retired from Maybury Sanatorium. He was a member of the Northville Fraternal Order of Eagles No. 2504.

Mr. Nichols died unexpectedly at his home February 9. Burial is to be in Cadillac Memorial Gardens West, Westland.

Mr. Nicholas was born February 24, 1904, in Dunlap, Tennessee, to W.P. and Mary Jane (Nance) Nichols.

He leaves his wife Elise Lena, a son James Lloyd Nichols of Great Falls, Montana, a daughter Mrs. Doris Ann Kasper of Liberal, Kansas, step-sons Clifford and Frank Eckles of Garden City, sisters Versie and Lola Nichols, Mrs. Nina Willis, Mrs. Sarah Hackerman and Mrs. Opal Bynum, all of Dearborn, 14 grandchildren and four great-grandchildren.

### OMER D. STEENBERGEN

Funeral service for Omer D. Steenbergen, 65, of Livonia was held at

11 a.m. Saturday at Ross B. Northrop and Son Funeral Home with the Reverend Jim Hicks officiating. Mr. Steenbergen was a member of Temple Baptist Church of Redford Township.

He died February 7 at Annapolis Hospital in Wayne after a week's illness. Burial was in Acacia Park Cemetery.

Mr. Steenbergen was a former Detroit police officer who retired in 1966. He was a member of Palestine Lodge No. 357, Free and Accepted Masons, a Worthy Patron of Victory Chapter 290, Order of Eastern Star, and member of Moslem Shrine.

An area resident since 1937, he was born December 11, 1914, in Tracy, Kentucky, to Lewis A. and Laura (Harrison) Steenbergen.

He leaves his wife Maxine A., his mother Laura Steenbergen, a son Larry D., sisters Mrs. C. E. (Opal) Boles and Mrs. Stone (Sue) Fraim of Fountain Run, Kentucky, Mrs. Ralph (Dorothy) Beam of Louisville, Kentucky, Mrs. Myron (Lucy) Dorow of Garden City and Miss Winnie Steenbergen.

### WILLIAM E. ZERBER

William Emil Zerber of 18290 Jamestown Circle, a retired school teacher and World War I veteran, died February 8 at Garden City Osteopathic Hospital of pneumonia at age 87.

The Reverend Charles F. Boerger of St. Paul's Lutheran Church, where Mr. Zerber was a member, officiated at the service at Ross B. Northrop and Son Funeral Home here at 11 a.m. Monday. Burial was in Rural Hill Cemetery.

Mr. Zerber, who had been ill for a long time, moved to the community 11 years ago. He was a member of Northville American Legion Post 147. During his World War I service, he was wounded in the Meuse-Argonne defense sector.

He had taught at Cass Tech in Detroit for 39 years.

Mr. Zerber was born February 1, 1893, in Detroit to Fred and Minnie (Schmidt) Zerber. On June 3, 1933, he married Ruth R. Hawley who survives.

### Purdue graduate

Deena Kaye Shake of Northville was one of 1,600 students to complete degree requirements at Purdue University in December.

Deena, 429 Morgan Circle, received an associate in applied science degree in nursing. She is eligible to participate in Purdue's commencement in May.

Purdue University is in West Lafayette, Indiana.

### Two honored for grades

Two Northville students were named to the fall term dean's list at Lawrence Institute of Technology in Southfield, the college announced this week.

Kevin Blaser and Mark Bown of Northville both achieved at least a 3.5 grade point average on a 4.0 scale in the School for Associate Studies.

## Gas usage cut hurts, too

Gasoline sales are continuing to decline in Michigan, cutting into revenues for road and highway construction and maintenance, the Michigan Department of Transportation (MDOT) reports.

Gas tax revenues in the final quarter of 1979 totaled \$118,991,284, up by \$12,980,076 from the last three months of 1978.

However, the 10.7 percent increase was the result of a two-cent-a-gallon tax increase that went into effect January 1, 1979, not an increase in sales. Had consumption held steady, revenues would have climbed by 22 percent.

The gas tax hike helped push up Northville's (ci-

ty) share of the revenues to \$25,599 for the fourth quarter of 1979. For the same quarter of 1978, Northville's share was \$23,368.

Neighboring Novi's share climbed from \$51,711 to \$60,142.

Gasoline sales for the last three months of 1979 totaled 1,075,961,572 gallons, a decline of 140 million gallons from the same period a year ago.

Lighter weight autos, more efficient engines and a decline in highway travel all contributed to the decrease.

## Dems opt for caucus

Continued from Page 1

Wayne County caucus will probably be held at Schoolcraft College, Tungalie added.

The 19th District caucus will be held at the UAW Local 653 Hall a 990 Joslyn in Pontiac April 26.

At the caucuses, Democrats will express a preference for a candidate or vote as a no-preference.

Precinct delegates in Wayne County will then attend a combined Washtenaw, Monroe and Wayne County caucus May 3 where five delegates and three alternates to the national convention will be selected according to the proportion in which voters voted.

"If 40 percent pick Carter, 30 percent pick Kennedy and 30 percent vote no-

preference, then the congressional district will select its delegates in that proportion," Morris explained.

Michigan as a whole will send 141 delegates and 74 alternates to the national convention. Ninety-six delegates will be selected by congressional district. Forty-five delegates will be selected by the Michigan Central Democratic Committee.

Northville residents can register as Democrats by filling out applications by February 26. Wayne County residents can get applications by calling 393-2944. Oakland County residents can get applications from R. Duane LaMoreaux at 292 Ely Drive North or by calling party headquarters at 334-0971.

## GOP retains primary

Continued from Page 1

"Certainly a primary election is best when both parties participate, but we feel it is very important for our party regardless."

Apparently, some state legislators agree with this position, while others do not.

"There is a great deal of division among legislators," said State Senator R. Robert Geake of Northville. "There are both Democrats and Republicans opposed to the primary."

"It is split about 50-50," he continued. "The Republicans who support (Ronald) Reagan want the primary."

A bill calling for the elimination of the primary has passed both legislative bodies and currently sits in conference committee, according to the senator.

But many Democrats and Republicans, including Greenleaf, believe it will remain there.

There is a fear among Michigan Republicans, Greenleaf said, that since registered Democrats — who are holding caucuses in place of a primary — are not bound they may cast a "false vote" in the Republican primary.

"But we certainly hope this doesn't happen," Greenleaf said. "We are hoping for a good representative turnout."

## Three get all A grades

Three Northville students achieved all-A averages for the fall term at Michigan State Univer-

sity, the school reported last week. Junior Laurie J. Day, 20359 Woodhill, achieved

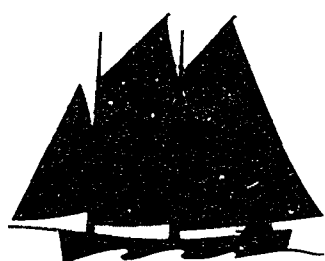

a 4.0 average in nursing. Sophomore Michael J. Havalala, 42266 Chatterton Court, got all A's in his studies in business law.

And Sarah E. Lindauer, a junior in agricultural technology, achieved a 4.0 average for the term. Ms. Lindauer lives at 18305 Shadbrook.

### Four cited at Western

Four Northville students were named to the fall term dean's list at Western Michigan University, the college announced this week.

The students achieved at least a 3.5 grade point average on a 4.0 scale. They were Robert Eugene Buttery, 43573 Galway; Christopher John Beh, 1030 Bristol Court; Diane Ghislaine Dechape of 19963 Schoolhouse; and Sharon Lea Stocking, 20909 Westfarm.

## WET the BED?

FREE INFORMATION ON BED WETTING

Approximate 95% Cure Rate

### "Bedwetting is Serious and Harmful . . .

If you have a bedwetter in your home I strongly urge you to take steps at once to end it. The correction of bedwetting is an important mental health aid. It is very harmful to the child, distressing to the parents and can lead to very serious complications later on in life. Don't be blind to this problem no matter what you have been told by anyone else. Do something about it and do it now!

Joseph G. Molner, M.D.,  
Master Public Health

Where personality development is concerned,  
there is not a more serious troublemaker than  
bed wetting.

### BED WETTING IS CORRECTABLE

Many procedures, such as restricting liquids and taking children on a schedule to the bathroom do not usually end bed wetting. We will provide FREE OF CHARGE a booklet that will answer many questions on this problem. Equally effective for adults. All inquiries are confidential.

The most serious mistake parents make  
is to wait for the child to outgrow bed wetting.

PLEASE SEND ME FREE OF CHARGE

# Two love stories for Valentine's Day

Charles and Carol Rosmorduc  
in their Clement Road home

## Ted Strasser noticed girl who fancied peppermint

When asked how she and the host of the popular "Patterns in Music" program which airs Sunday mornings on station WJR met, Lois Strasser laughed and referred the question to her husband.

Ted and Lois Strasser have become active members of the Northville community since moving to 41393 Leidel Court in Highland Lakes. They have three daughters. Two are married and have presented them with four grandchildren.

While Mrs. Strasser "wasn't sure" that their romance which began in the Illinois suburb of Park Ridge during high school should be publicized, Ted Strasser didn't mind recalling it, and they affectionately shared the memory together last week:

"I used to work in the cafeteria during lunch hour dishing up ice cream. Almost everybody wanted vanilla or chocolate or butter pecan, except this girl (then Lois Larsen) who day after day used to come through the line and order peppermint. You can't help but notice a girl who orders peppermint when everybody else wants vanilla or chocolate.

"She was a couple of grades behind me; so I hadn't known her until then.

"That was in 1939.

"We saw each other on and off during the war years. I was in the navy and she had started nursing training at Evanston Hospital when we saw each other during boot leave in July, 1943, and then I was stationed at Northwestern University.

"We were married after I came out of the navy in 1947."

Carol (James), Charles Rosmorduc  
at Botsford Inn reception

Lois Larsen with Sailor Strasser  
during World War II

Ted and Lois Strasser at Highland Lake condo

## Rosmorducs were French pen pals, writing faithfully for 10 years

When Carol James signed up for a pen pal in her Farmington High French class, little did she imagine this was the beginning of a correspondence that would lead to romance and then marriage to Charles Rosmorduc 10 years later.

In that time she crossed the ocean twice. Then he came here and a wedding followed in a week.

The family with Maren and Kristin lives at 19315 Clement.

Last week Rosmorduc, director of sales for Africa and Egypt for American General affiliate of American Motors, was overseas for the company. Recalling that "he was very shy" about telling their love story when asked at the time of their marriage 17 years ago, Carol Rosmorduc's recollections here may be a Valentine surprise for her husband:

"I got him for 25 cents, and he got me for two francs, which was much cheaper. We wrote for six years before we met, and then for another four before we married. It happened eventually because we both were faithful writers.

"I majored in French (at University of Michigan) and when I was finishing I applied to the State Department to work at the Brussels World Fair. I was there eight months.

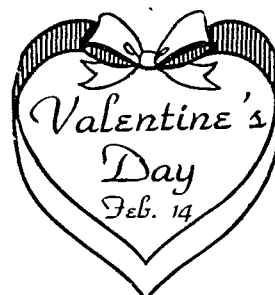

"But it was a last-minute thing. I had to pass my exams early, leaving school in March. I sent a telegram saying I was coming but forgot to give the name of the ship. He checked the passenger lists of all incoming ships that week, and met me at breakfast the morning the ship docked.

"That was our beginning. He was going to school (majoring in business) in Paris, and we went back and forth between Paris and Brussels.

"He declared his love, but I wasn't sure. I tried but couldn't get a job in Paris. With nothing to do, I had to come back. He was invited to visit the next summer, but went into the army during the Algerian conflict. He was there 28 months. I taught in Connecticut and California but came back to Detroit to teach (Redford Township) to get my feet on the ground.

"By December, 1961, I knew. I flew over and got engaged. He decided to come here and was on a visitor's visa when we got married. He's more American than anybody I know, perhaps because he grew up in Tahiti where his father was a doctor. His parents were from Brittany where they still live. We visit every other year.

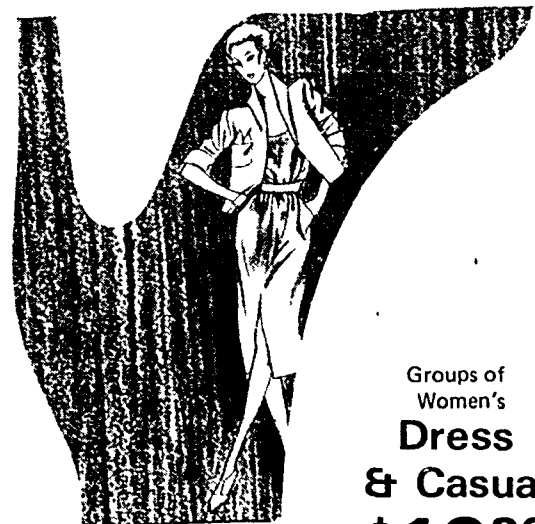

"I tell everybody to get a pen pal — but be sure it's one of the opposite sex!"

# Regie Smith wed at Florida beach

Regie Lynne Smith chose the beach at Cape Canaveral Park in Florida as the setting for her marriage to Terry (Ural Lamar) Stringham at 6 p.m. January 25.

The bridegroom's father Gerald Stringham of Orlando, a bishop of the Church of Jesus Christ of Latter Day Saints, officiated at the double ring, civil ceremony. It is to be sealed in the Mormon Temple at a later date.

The bride is the daughter of Duane B. and Elaine A. Smith of 22529 Deerfield in Novi.

### IV Seasons

FLOWERS

149 E. Main  
Northville  
349-0671

Kerry Stingham was best man for his brother.

The bride's mother attended from here. Other guests were from Fort Lauderdale with relatives of the bridegroom coming from the North Florida area.

A reception was held at the home of the Martin family who are neighbors of the Stringhams. Lavender roses, doves and wedding bells decorated the cake.

The bride's parents will be hosting an open house here in honor of the couple in early April.

After a wedding trip to Key West, they are living in Orlando.

They met in the Mormon church in Michigan.

The bride is a 1977 graduate of Novi High School. She attended Schoolcraft College while working as night auditor at Red Roof Inn. Her husband is a 1977 graduate of St. Cloud High School in Florida. He is in the construction business in Florida.

# Lisa Hutchinson married at OLV

A romance that began when Lisa Ann Hutchinson and Charles David Cornett both were assigned by the U.S. Army to Fort Rucker, Alabama, culminated in their marriage here.

The bride is the daughter of Mr. and Mrs. Kenneth Hutchinson of 45025 Thornapple Lane. Her bridegroom is the son of Mr. and Mrs. Esse R. Cornett of Gatesville, Texas.

Father Ron Thurner officiated at the afternoon candlelight ceremony December 29 at Our Lady of Victory Church.

As she was given in marriage by her father, the bride wore an ivory gown of polyester organza fashioned with a chantilly lace collar and embroidered yoke. The full sleeves of organza were gathered into lace cuffs. The attached

train was chapel length. A tiny cap held her fingertip veil of illusion.

She carried a bouquet of red sweetheart roses, white carnations and baby's-breath.

Terry Jensen of Minnesota was honor maid. Bridesmaids were Kathy Lisius and Kelley Heath. The bride's sister Vicki Hutchinson was junior bridesmaid.

They wore floor-length wine-color gowns with blouson chiffon tops. They carried bouquets of pink sweetheart roses, red and pink carnations and baby's-breath, and had matching hairpieces.

James Phelps was best man, coming from Texas where he is on a Naval

## Jaycees marking 19 years of service

As the Northville Jaycettes celebrate their 19th anniversary during National Jaycette Week, February 10-16, they are trying to let the community know just what they do.

For starters, the chapter for the past four years has sponsored a girl to the American Legion Girls State and has had a "Spruce up a Kid" Christmas project that involved buying clothing for from four to 12 children in a needy family.

The chapter helps support the national Adopt-a-Child program and presently has a foster child in Mexico. It also sends school supplies to Tijuana, Mexico.

Once every month some of the 24 chapter members are calling out bingo numbers and bringing treats for a party at Wishing Well Manor convalescent home.

"We even find diabetic treats for those who can't have sugar but have a longing for sweets," explains Chris Campbell sympathically. A past president of the chapter, Mrs. Campbell is one of its most active workers, helping annually with the Junior Miss Competition.

She and Joyce Bousquet are chairing Jaycette Week activities.

The Jaycettes also visit Northville State Hospital, taking their turns with others in the district to celebrate birthdays of patients. Sometimes the

women arrive with as many as 16 birthday cakes.

It was the Jaycettes who originated the Helping Hand program offering children safety in homes with the identifying hand symbol displayed in the window in case of emergencies enroute to or from school. It has since been taken over by the school PTAs.

In past years the women have filled Thanksgiving baskets until the Goodfellows assumed that project; they have collected for the March of Dimes and worked at the Plymouth Center.

"One year our beautification project was to re-roof and paint the Northville well," Chris Campbell recalls.

First president was Mrs. Charles Ely in 1961. The Jaycettes were organized as the auxiliary to the Northville Jaycees the same year as they began with Ely as president.

The women worked hard from the beginning to become involved actively in the community. The first group numbered only 12.

The chapter has had as many as 35 members, but the present two dozen is double the original, Mrs. Campbell points out.

Last Friday she and Mrs. Bousquet arranged a display in the Northville Community Credit Union window to show "what the Jaycettes do." It's apparent those active, under 35 year-old members do a great deal.

Maybe We're Not Magicians. . .

...but we do have some nifty little tricks for getting clothes spruced up. Takes experience like ours.

### TH antiques expert appraising at lecture

By JEAN DAY

When Lawrence Gichner comes to Northville Town Hall next month to talk on "Collectibles," he may be overwhelmed to find how many women attending are antiquers. He has requested town hall to set aside time at the lecture for an appraisal session of items brought by members of the audience.

Even Chairman Carolyn DiComo was wondering this week how he could conduct it, but had his assurance that it's no problem. The appraisals, she said, would be free and part of the program.

Gichner, who searches attics of the world's out-of-the-way places for old maps, rare books and art objects for the Smithsonian and other leading museums, indicated he may arrive a day before the lecture in order to tour area antique shops.

At the lecture at 11 a.m. March 13 at the Plymouth Hilton Inn brochures will be distributed with announcement of the 1980-81 20th anniversary lecture series. As for the present series, tickets then will be sold after the April 10 lecture. Publicity chairman Susie Korte stresses, however, that luncheon reservations will not be taken until after June 6.

*Come, learn coverlet lore*

If you think handwoven coverlets of the past all were geometric-patterned in blue and natural, you may want to accept the invitation of the Mill Race Weavers' Guild to attend its program at 8 p.m. Tuesday in the New School Church in Mill Race Historical Village.

Member Dianne Little will lecture on the history of coverlets and describe the various types of coverlet weaves, bringing examples from her personal collection of antique coverlets. She'll include one in pink, black and white that may inspire antiquers to seek other than blue ones. She plans to show double geometric, overshot, jacquard, blanket and summer and winter weaves. Mrs. Little has 15 types of coverlets in her collection.

Because of her interest in antique textiles and related equipment, Mrs. Little is proficient in many of the textile arts. She is the owner of 15 spinning wheels and is a member of the Michigan Handspinners' Guild as well as the Mill Race Weavers. She presently is teaching quilting at Farmington Community Center and Greenfield Village.

The open invitation to attend Tuesday's meeting especially is directed to all members of Northville Historical Society and local Quaker chapters.

*Dressing to BE the boss*

The Mayflower Charter Chapter of the American Business Women's Association also is holding a meeting next Tuesday evening that is open to all interested women in the community. It has a different focus, however, being geared to the woman who works.

Dance chairman Martha Nield distributes tickets to Rose Beaudoin and Jackie Daniel, right

## Couple makes spring plans

A spring wedding is being planned by Pamela Jayne Holesko of Nor Tonawanda, New York, and Dr. Rene M. Van Ee, of Oradell, New Jersey.

Their engagement is announced by her parents, Mr. and Mrs. Robert H. Holesko of North Tonawanda.

Dr. Van Ee, a veterinarian, is the son of Mr. and Mrs. Rene M. Van Ee of 49151 Ridge Court.

A 1973 graduate of Northville High School, he attended Michigan State University College of Veterinary Medicine and is interning at Oradell Animal Hospital.

His fiancée is a 1974 graduate of State University at Delhi, New York. She has been employed at MSU in the College of Veterinary Medicine.

PAMELA HOLESKO, RENE VanEE

# Tickets on sale for annual dance

Posters are up and tickets for Northville Historical Society's annual dinner dance benefit are in the hands of sellers — lots of them.

Martha Nield who has taken chairmanship of the popular event for a second year says it's "easier the second time around." She also is enthusiastic about the reservations to date.

She feels this is due in part to the fact that the price is the same as last year, \$32 a couple. That includes dinner at

tables which may be reserved for eight or 10. The event again this year is at Meadowbrook Country Club with cocktails and cash bar at 7 p.m. and London broil dinner at 8.

Dick Murphy's "Big Band" sound will be heard beginning at 9 p.m. for dancing.

Proceeds this year are earmarked for completion of the schoolhouse in Mill Race Village.

Virginia Hayward is in charge of printing tickets and posters. Jewel Luckett is telephone chairman.

Lynda Heaton and Carol Butske are planning table decorations that will utilize antiques belonging to the society; so don't be surprised if flowers are in an old milk bottle container or if a pitchfork stretches along a long table.

At a tea last Wednesday at her Shadbrook home Mrs. Nield gave supplies of tickets to sellers who live in various areas of the community.

They include Claudia Berry, Norma Peltz, Naomi Rhode, Gail Harrison, Ruth Klein, Heather Fee, Barbara Yoder, Marie Schultz, Connie Eis,

Caroline Dunphy, Jane Traudt, Harriett Welland, Lucia Danes, Carol Romanik, Cindy LaChance, Lynn Paquette, Gloria Foust, Liz Joslin, Ken Harrison, Rose Beaudoin, Carol Pappas, Dorothy Gay, Ruth Burkman, Cheryl Gazlay, Charlene Merritt and Jackie Daniel, wife of the historical society president.

Tickets also are available at Bookstall on the Main in downtown Northville.

Mrs. Nield is expecting about 400 to attend.

## Republican women plan lunch Monday

Local members of the Livonia Republican Women are bringing their favorite ingredients to a salad luncheon at 11:30 a.m. Monday at Jefferson

Community Center, Henry Ruff and Chicago. Each participant is being asked to bring lettuce, chopped eggs or dressing for 10 and \$1.

Lunch will be at noon with program at 1 p.m. Working women are invited to come. Betty Kleahir may be called 421-1361.

## Epiphany Lutheran service will begin Lent

The beginning of Lent February 20 with a community service at Epiphany Lutheran Church on Five Mile in

Northville Township.

Everyone in the community is invited to attend with Communion to be offered to all baptized Christians.

A Family Life Seminar to be given at the church also is open to the community at no charge, Pastor Fred Prezioso announces.

The seminar is divided into two sessions, each from 7:30-9 p.m., February 27 and March 5.

Topics covered will include communications, discipline and shared responsibility in the home.

Serving the Northville, Novi and Wixom area for 3 generations

## New look

Members of Meads Mill Swim Team — some 40 strong — proudly are wearing new swim suits and T-shirts this month. The team's new swim wear was purchased with money raised in a "Swimathon." Since friends and neighbors made pledges to the youngsters, Coach Derek Gans declares, "The whole community bought them." Displaying the new look are Kris Petit, Don Graham, Jeff Evans, Chris Behen and Khris Korowin.

## Elizabeth Ann is first child for Belts family

Mr. and Mrs. Robert E. Belts of 343 Ely Drive North are parents of their first child, Elizabeth Ann, born January 19 at Sinai Hospital.

Their daughter weighed eight pounds, eleven ounces on arrival.

Grandparents are Mr. and Mrs. Ver-nal Snyder of Bloomington, Indiana, and Mr. and Mrs. George Belts of Raytown, Missouri.

## In Our Town

Continued from 3-B

Following dinner at 7 p.m. in China Fair Restaurant, Cindy Benedict, regional public relations director for Lord and Taylor stores in the Detroit area, will speak on "Dressing for Business." She is a graduate of the University of Michigan.

Cocktails at 6:30 p.m. will precede dinner.

Anyone who would like to attend the meeting or who is interested in knowing more about the organization of active women may call Sally Burkholder, 453-4190, after 6 p.m.

### Woman's Club to hear storyteller

"Vagabond's House" by Don Blanding together with a short biography of the poet laureate of Hawaii will be presented by Paula Method of Royal Oak at the meeting of Northville Woman's Club at 1:30 p.m. Friday at First Presbyterian Church.

Mrs. Method is president of Detroit Renaissance Story League, affiliated with the National Story League, in which she has been a member for 32 years. She also is a member and past officer of the Edna Chaffee Noble Alumni and Speech Club.

A teller of stories since grade school, Mrs. Method has had a children's story, "Snowflake's Adventure," published in Story Art magazine; it also was a first prize winner of its category.

Educated in New England, Mrs. Method has taught creative writing and speech at Parker School. She will answer questions about the Detroit Renaissance Story League.

## Seven new magazines available at library

The periodical section of the Northville Public Library has been expanded as the library opened in its new quarters behind city hall in January.

Seven new magazines have been added to its selection. They are Architectural Digest, Omni (for science fiction buffs), Red Book Used Car Valuation, Rolling Stone (music and rock 'n' roll information and interviews), Smithsonian, Weight Watchers and Working Woman.

There's also a new selection of adult fiction for winter readers. This includes:

"The Harmonics Investigation" by Gladys Heldman; a national magazine investigates a cult attracting wealthy older women and finds a web of corruption, political manipulation and murder, ruled by one charismatic man.

"Shadow of the Moon" by Mary Margaret Kaye; a revised version of a novel depicting 19th century India and the mutiny, with romance, suspense and an excellent background.

"Malafrena" by Ursula LeGuin; in the early 19th century, Itale leaves his native isolated home for Vienna where his career as a journalist ends in prison.

"Out of Control" by G. Gordon Liddy; a former American agent, with connections with the Mafia and Chinese tong

families, plans to use his connections to ruin a KGB agent.

"Cannibals and Missionaries" by Mary McCarthy; a group of liberals, flying to Iran to investigate injustice in the Shah's regime, are hijacked by a terrorist cadre.

"The Homicidal Horse" by Hugh Pentecost; a lovely horsewoman is stomped to death by an enraged animal that has just won a race.

"The Spiderweb" by Joseph Persico; in occupied Germany after the end of World War II Israelis, Nazis, Russians and a turncoat American vie for plates for making counterfeit American money.

"The Passionate Enemies" by Jean Plaidy; King Henry I fails to provide a male heir to the throne, provoking rivalry between his son-in-law and his nephew, Stephen.

"Old Love" by Isaac Singer; these 18 stories on the theme of love are quintessential Singer.

"The Glow" by Brooks Stanwood; an idyllic middle-aged couple of New York help a young couple move into their neighborhood and then the terror and surprises start.

### What's worse than having your \$45,000 house burn to the ground?

Having an insurance  
policy that only  
pays \$25,000.

Every year, inflation and rising property values increase the value of your home. And make it that much more expensive to replace should something happen to make it a total loss.

But if you have an Auto Owners homeowners policy with Adjusted Value Endorsement, you're protected. Because this modern Auto-Owners policy is designed to keep pace with rising values automatically.

If you aren't covered by Auto-Owners... well, maybe you should be replacing your present insurance. Let us fill you in. Before you have to replace your home.

### Auto-Owners Insurance

## There's more than one way to break your heart

Love isn't the only way to "break" your heart. Several factors contribute to an increased risk of heart attack. Some factors such as age, race, sex and heredity cannot be changed. Other risk factors can be reduced by you or by treatment from your doctor.

### Cigarette Smoking

Cigarette smokers who smoke more than one pack a day run up to twice the risk of heart attack as those who don't smoke. The death rate from cardiovascular disease of cigarette smokers who stop is nearly as low as that of people who never started smoking.

### Exercise

Some studies show that those who lead sedentary lives run a higher risk of heart attack than those who get regular exercise. Regular exercise also has been identified as a factor in recovery from heart attack. Exercises such as running, swimming, walking briskly, bicycling and active sports challenge the circulatory system. Exercises like these promote cardiovascular fitness.

### High Blood Pressure

High blood pressure, a major factor in stroke and heart attack, presents no characteristic symptoms and must be diagnosed and treated by a physician. Nearly 34 million American adults have high blood pressure. Black Americans are nearly 50 percent more likely than white Americans to have high blood pressure.

The disease usually can be controlled with drug therapy and some simple diet changes.

### Overweight

Life expectancy may be shorter for people who are markedly over their ideal weight. Your doctor can tell you the ideal weight range for your height and build. If you are overweight, your doctor can prescribe a well-balanced diet to help bring your weight within range.

### Saturated Fats and Cholesterol

You may increase your risk of heart attack by eating a daily diet high in saturated fats and cholesterol. Some meats, dairy foods and cooking oils are high in saturated fats, egg yolks, shrimp and organ meats are high in cholesterol. Have frequent meals of fish, poultry and veal. Choose lean cuts of beef, lamb or pork. Cook with liquid vegetable oils and polyunsaturated shortenings. Use skimmed milk and skimmed milk products, and eat a limited number of eggs.

WE'RE FIGHTING FOR YOUR LIFE

# Her imagination supplied props for AAUW play

When Henrietta Hen lays huge golden eggs in the Plymouth American Association of University Women's production of "Jack and the Beanstalk" February 22-24, Northville resident Jane Emery will know their origin. The eggs, which strongly resemble

footballs sprayed with gold paint, as well as the magic beans, a giant's sword that's a full five feet long and even giant vegetables for a giant's giant appetite are being created by Mrs. Emery, chairman of props. Papier mache, Styrofoam and paint

are her magic materials.

Another Northville member of the AAUW branch involved in the production is Edna Fleming, who takes the role of Thomas, a friend of Jack's, in the musical designed for children from 3-10.

Performances will be at 7 p.m. Friday, February 22, 10 a.m., 1 and 3 p.m. Saturday, February 23, and at 1 and 3 p.m. Sunday, February 24, in Plymouth Salem High School.

Tickets are available from Maureen

Chamberlain, 349-4018, of Northville. They will be sold at Del's Shoe Stores here and in Plymouth beginning Thursday until sold out. All seats are \$1.

The children's classic tale of Jack and his beans is retold with all the

familiar characters, including a beautiful magic fairy.

And those magic beans will be sprouting onstage right before the eyes of the young audience into a huge beanstalk.

Fallen giant Sharon Belobraidich is consoled by Edna Fleming as Jane Emery, prop director, helps

## Women Aglow slate breakfast

Women's Aglow will present Beverly Glenn at a catered February breakfast meeting at 9:30 a.m. Saturday at Canton Calvary Church, 7933 North Sheldon, where meetings are being held temporarily.

The speaker has ministered to Aglow

meetings many times in word and music. She frequently appears on television.

Aglow is a non-denominational fellowship and is open to all interested women.

Breakfast reservations should be made with Donna Chapman, 1669 Old Salem, Plymouth.

## LaLeche plans new series

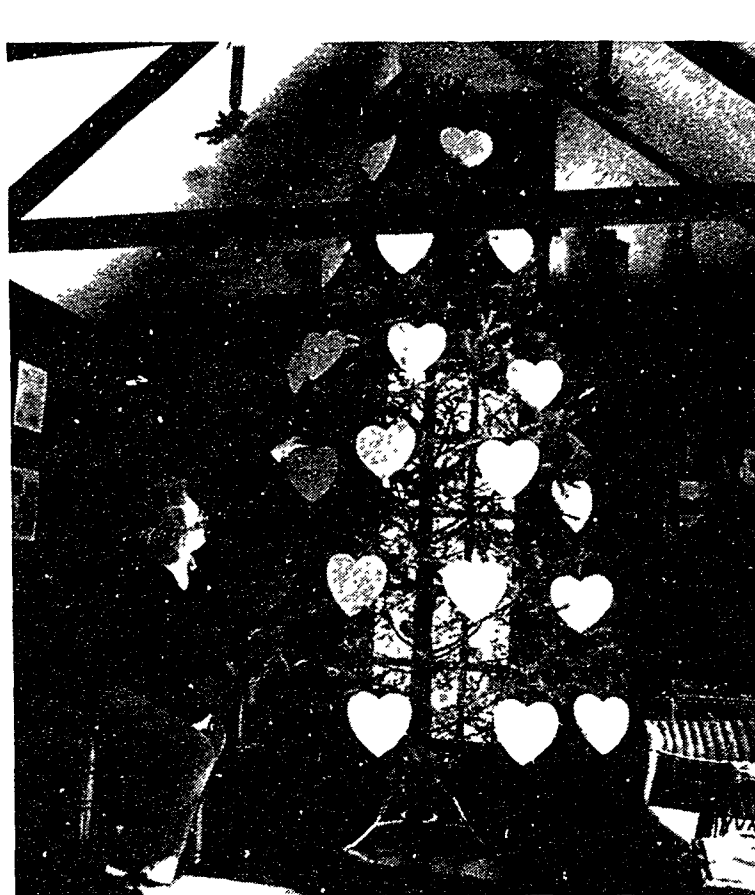

Women interested in information about breastfeeding are invited to attend a meeting of the Northville-Novi LaLeche League at 8 p.m. Tuesday.

It is being held in the home of Ruth Sill, 24344 Hampton Hill, Novi.

The art of breastfeeding and overcoming difficulties will be discussed informally with league leaders and mothers at this session.

Expectant mothers, mothers with nursing babies and other interested persons are welcome.

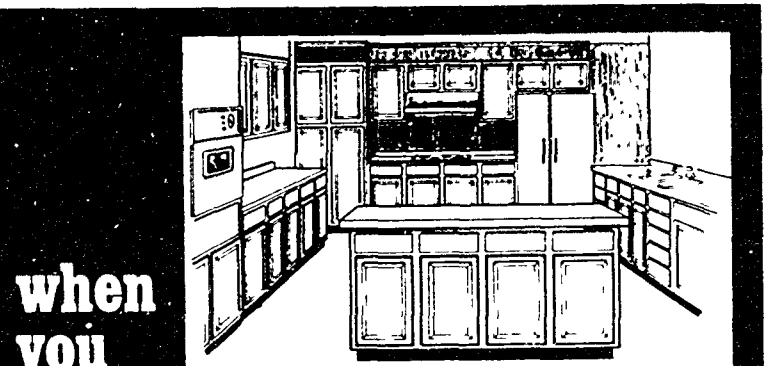

For information and telephone help call Kay Semion, 981-1028.

## Now it's hearts

In December this was a Christmas tree aglow with lights and tinsel in the Randolph Street home of Ron and Nancy Braggalla. Because the tree stands in a cool annex location, its needles still are attached and it has become a Valentine tree. Mrs. Braggalla adjusts one of the large hearts cut by her husband as they decorate for the February holiday.

## Happy with Headlee? Tisch presents petitions

By WARREN M. HOYT

The real test as to whether the citizens of the state of Michigan are satisfied with the Headlee tax limitation amendment of 1978 will be their reaction to a new proposed amendment to cut property taxes by 60 percent.

Michigan voters chose the tax limitation approach to halt governmental growth and spending during the 1978 general election rather than the unknown radical tax cut proposal.

It also was believed at the time that if the tax limitation amendment did not do the job and halt government spending, the tax cut proposal would be back before the voters.

This appears to be the case with a new effort to get that proposal back before the voters in November.

Shiawassee County Drain Commissioner Robert Tisch, author of the previous proposal, is at it again and has started circulating petitions to get the proposal on the ballot.

The proposed amendment would cut local property taxes by about \$1.6 billion and require the state to reimburse schools and local governments for most of that loss.

The proposal would cut property tax assessments by 50 percent to provide further tax exemptions for persons over age 62, prohibit new taxes on homes, limit increases in annual property assessments on homes and agriculture property to 2.5 percent and require a vote in a general election to impose new or increased taxes.

The state would be required to reimburse local units for all revenue loss except on taxes levied to pay building project bonds.

In announcing the petition drive, Tisch said the proposal would not require local governments to cut their operations as local taxes are cut because people are upset with the

legislature while having confidence in local government.

Tisch predicted his plan will gain more support because people are tired of big government, high taxes and government's view that it must always provide expensive new programs.

Other parts of the proposal include retaining all tax credit and rebate programs currently in tax law, setting taxes on new construction and agricultural construction as if they had been built in 1978, plus inflation, and exempting from property taxes the homesteads and rental housings of persons with taxable income of under \$5,000.

Representative Roy Smith (R-Ypsilanti), a member of the legislature proposing a tax shift from property taxes to income taxes, said a problem with the new Tisch plan is the exemption from any new taxes on homes built after the amendment is adopted. He said the amendment appears to permit taxing only the land upon which the residence would sit.

To get the amendment on the ballot, about 285,700 valid signatures are needed. Tisch said he hopes to collect over half a million signatures before presenting the petitions.

Final legislative approval has been given to a bill permitting government boards of community and junior colleges to waive tuition for senior citizens.

Trustees of the colleges can waive tuition requirements for any student, age 60 or older, who has graduated from high school and meet the other requirements of the college.

Permitting the waiver is voluntary, but critics said political pressures will ensure all colleges to allow the waiver.

There is no estimate on what the waiver could cost, but it is projected the state may have to make up losses to colleges through other appropriations.

## Early detection still best cure

# We're 'scared to death' of cancer

By RICH PERLBERG

When it comes to cancer, a lot of people are literally scaring themselves to death.

Although early detection is still the most effective weapon against many forms of cancer, a significant number of people are dying—needlessly, say authorities—because they refuse to see a doctor even when they believe they may have a cancer.

The reticence to face cancer head-on is often based on an inbred, well-cultured fear of cancer combined with the belief that the disease inevitably results in a painful and protracted death, according to Dr. Michael Brennan, president and medical director of the Michigan Cancer Foundation.

"Public attitude surveys consistently show that cancer always stands far above other diseases in terms of the anxiety it causes in people," he says.

"People closely identify cancer with inevitable death and suffering. The attitudinal effect is to create a feeling of hopelessness and fear. People can't face up to a (physician's) exam. They hope it (the signs of cancer) will go away."

By ignoring warning signals and shunning doctors' exams, people turn the fear of a lingering, fatal disease into a self-fulfilling prophecy.

In many cancers—more than half of those that kill women and one-fourth of those that kill men—the best way to avoid death is early treatment.

"In spite of progress in the treatment of some cancers, early detection remains the most powerful weapon we have against the disease," says Brennan.

Breast cancer, the largest killer of American women between the ages of 35 and 55 and the cause of one out of every four female cancer deaths, is a prime example.

Early detection can increase the chance of survival from as low as 25

percent to as high as 96 percent, according to Brennan.

Researchers at the foundation say there is "incontrovertible evidence" that the survival rate for oral cancer could more than double, saving 8,000 lives a year, if only the disease were detected earlier via simple, painless oral examinations.

"Three-quarters of the time, cervical cancer is diagnosed at the early stages when the survival rate is 95 percent," says Brennan. "Diagnosed at the remote (latest) stage, only 20 percent survive for two years."

Still, many people resist the idea that a doctor's discovery of cancer is the surest road to recovery.

"In the minds of most people, there is a great deal of doubt that early detection does a great deal of good," says Brennan. "There is a feeling that cancer isn't curable. Yet the curability rate of cancer is greater than the curability of a severe heart disorder or a major stroke."

Brennan says the public perception of cancer can be illustrated by a television documentary, recently aired in Detroit, about Joan Robinson, a reporter who died from cancer.

The story, he says, did a good job in portraying the needs of people who are dying from a disease.

"But what does it do to people's minds? It shows people another person who didn't get over cancer, who seemed to go in early with a little bit of tumor in her vagina. Yet she went in and died a horrible death."

Cancer can be cured, says Brennan. Currently, one of three cancer patients live. That number, he says, could double with early detection of those cancers that can be discovered by relatively simple and inexpensive means.

For women, this includes cancer of the breast, bowel, uterus, cervix, head, neck and throat. This amounts for well more than half of the cancer deaths

among American females.

Among men, colon, rectal and mouth cancers account for 25 percent of cancer deaths. Each is easily detectable.

(For information on cancer-related topics, call the Public Response Program operated by the Metropolitan Detroit Cancer Control Program. In Wayne and Oakland counties, the toll-free number is 1-800-462-9191. Elsewhere, the number is 1-313-462-9191.)

Unfortunately, there are a large number of cancers—including lung cancer, the biggest cancer killer among men—which are not so easily discovered.

However, Brennan maintains that the risk of many of these "non-accessible" cancers can be greatly reduced by a person's lifestyle—specifically, smoking, drinking, exercise and diet.

"If there weren't any cigarette smoking, there would be one-third less cancer deaths among men than there are today and one-tenth less in women," he says.

A person's diet can control his or her likelihood of having cancer, says Brennan.

He says studies show that there is a high incidence of stomach cancer and very little bowel cancer in Japan. However, the Japanese who moved to Hawaii and California have very little stomach cancer but a higher rate of bowel and breast cancers. A change of diets is presumed to be the cause.

It is not the case that a person must trade the risk of one type of cancer for another, however.

Strict Seventh Day Adventists, who are vegetarians, have cancer only half as often as their beef-eating, cigarette-smoking, alcohol-drinking neighbors.

When medical people talk of environmental causes of cancer, Brennan says they are including personal habits such as drinking or smoking.

He says an official for the World Health Organization estimates that industrial causes of cancer, whether from polluting the air or unsafe working conditions, account for only four percent of all cancer deaths.

Otherwise, he says, about 80 percent of all cancers can be effectively fought either by early detection or improved personal health habits.

## Growing old and healthy

There is no way to insure living to an old age in robust health. But there are ways to greatly increase your chances, according to Dr. Michael Brennan, president and medical director of the Michigan Cancer Foundation.

A personal lifestyle guided by the following steps, he says, will cut down the chances of all kinds of diseases including heart ailments, diabetes and cancer.

1. Keep meat intake to a modest minimum. Instead of beef

and pork, eat fish and chicken. Also, limit milk consumption to one glass a day.

2. Keep your weight within reasonable limits. Shedding excess fat can add years to your life.

3. Don't smoke. Cigarettes are positively one of the worst health habits in the country, according to Brennan.

4. Drink moderately.  
5. Maintain a healthy exercise program.

# Farmington Players are tradition

The Farmington branch of the American Association of University Women (AAUW) never would have believed that its small dramatic study group would one day grow into the Farmington Players, one of the longest running amateur theater groups in the Detroit area.

Formed in 1951, the group initially performed shows in various schools and churches. Meetings were held in the homes of individual members. Then in 1955, the Farmington Players were able to lease an old dairy barn on Twelve Mile.

The barn came complete with stalls, hay lofts and a milking room, according to longtime member Ellie Jorgensen. "Of course, we began fixing it up right away so that it now bears little

resemblance to a dairy barn," she added.

Today the playhouse contains a prop room, costume room, basement rehearsal area, a meeting room and an auditorium which seats 178 people.

"We had to contend with pigeons in the early shows," laughed Walter Jorgensen. "When the playhouse was sold in 1965, the Players were given an opportunity to buy the barn. Twelve members put up their own money to purchase the property."

Through the hard work of its dedicated members, the Players were able to transform the old barn into a modern facility.

"We're very pleased with the fact that we are entirely self-supporting," said Mrs. Jorgensen. "We receive no

grants or gratuities. Nobody gets paid for anything. Everything we do is for the love of it, and we do it ourselves."

In addition to transforming the old barn into the theater, the Players recently fireproofed the entire building and replaced the auditorium chairs with theater seating. The group now has 125 members and approximately 50 participate on a given show.

"It's such a big job to do," said Mrs. Jorgensen. "We really need all of these people to work on every show."

Jobs such as house chairman, hospitality chairman, set dressing and parking are only a few of the positions filled by company members.

The job of costume designer has been filled by an original member, Hope Nashtoll. "Our costume shop is quite

complete," said Mrs. Jorgensen. "We have everything that you can imagine from every period and in every size and color. Hope will take anything and everything from our costume shop. The Players also rent costumes to other theater groups."

"This group has an interesting array of people," noted Member Ron Turke.

"We all have a common interest—the theater."

Among its members are lawyers, teachers, engineers and computer analysts.

Performances are held at 32332 West Twelve Mile in Farmington between Farmington and Orchard Lake roads. Additional information on the Players is available at 477-1066.

## Tax exemptions provide annual breaks

Tax exemptions and various tax rebate plans by state and local governments return some \$4.5 billion to Michigan taxpayers annually.

The credits and rebates include such items as personal exemptions against the state income tax liability, sales tax exemptions on food and prescription drugs and property tax credits.

Of the \$4.5 billion total, the largest single item is the property tax exemptions totalling around \$1.6 billion annually.

The figures are from a report on tax expenditures, compiled by the Department of Management and Budget, required in a new law approved by the legislature just last year.

The property tax component of the package effects revenue to local units of government including cities, villages, townships, counties and school districts.

The expenditures from the state revenue coffers stem mainly from tax exempt property, property owned by the state, local governments, federal government, non-profit service organizations and religious organizations.

The property tax expenditure is only an estimate based upon reports from half of the 83 counties. The final could go as high as \$2 billion.

While the counties reporting represented a mix of areas, there were fewer urban counties reporting than rural. Neither heavily populated Wayne nor Oakland counties reported.

The next largest category is \$1.5 billion from the income tax revenues. Out of that figure, \$600 million is due to the \$1,500 per person personal exemption and \$300 million from the property tax circuit breaker—a 60 percent credit for property taxes over a percentage of taxable income.

Another \$122 million comes from subtractions from taxable income, adjustments taxpayers can make in their income before calculating their tax liability. The remainder of the \$1.5 billion comes from other deductions such as credits for city income tax paid, accounting for \$21 million.

Another \$700 million is lost through sales and use tax exemptions.

The largest cost is the constitutionally mandated exemption on food and prescription drugs.

An additional \$175 million is lost because sales tax is not charged on services, such as medical and legal services and repair services. Various non-profit organizations also are exempt from sales taxes.

The majority of the remaining tax expenditures are made up by the single business tax at \$400 million and credits on the intangibles tax at \$200 million.

The Public Service Commission has approved a request by Michigan Bell Telephone Company to charge 20-cents for information service after a customer makes more than 20 information calls a month.

The plan will not go into effect, however, until about June, 1981.

Under the plan, each residential and business customer will receive a monthly credit on their bills and be allowed up to 20 such calls within that billing month. Each information call after the allotment will cost 20-cents.

The charges will not apply to handicapped persons, who may file for exemption, or to calls from pay telephones and telephones in hotels, motels and hospitals. Information services for other cities will be provided free upon request to customers.

The plan will be in effect for three years, after which the commission may evaluate the plan.

## Ice fishing program set

A program entitled "Ice Fishing for Children" will be held at the Nature Center of Kensington Metropark near New Hudson on Sunday, February 17 at 1 p.m.

Naturalist Steve Horn will discuss the fundamentals of ice fishing, as well as fish identification and their natural history during a short in-

door introduction. The remainder of the time will be spent trying to catch fish.

The program will last approximately three

hours. Advance registration is required.

Interested persons should call the park at 685-1561.

## VETERANS

30,000,000 VETERANS  
ARE ELIGIBLE FOR 11½% MORTGAGES  
NO MONEY DOWN - \$100,000 MAX.

Most Veterans who have served any time since Sept. 16, 1940 are eligible for full or partial loan rights—even if they have had one or more Veterans loans!

Call us, or your neighborhood real estate office, for more information about your Veterans loan rights.

We also have Conventional, FHA and Refinance loans at very competitive rates.

Plan to tour this older farm  
home on almost an acre of  
countryside. The home has  
been partially  
renovated and most major  
items have been com-  
pleted. The handyman  
could finish the job and  
have himself a great home  
for his family, also a great  
investment. Lots of room  
for youngsters and family  
activities. A good sized  
workshop, a pleasant  
country setting, and  
mature trees add to the  
overall good feeling of this  
mini country estate.  
\$46,500 FR669. Call McKay  
Real Estate (313) 229-4500  
or (517) 546-5610.

\*Remember: Compare these estimates to the "estimated mpg" of  
other cars. You may get a different mileage, depending on how  
fast you drive, weather conditions and trip length. Also remember  
that your actual highway mileage will probably be less than the  
EPA estimated highway fuel economy.

# Business Briefs

L. W. DOOLEY

LAWRENCE W. DOOLEY, a Northville resident, has been elected the new president of Titan Mortgage Company by the board of directors.

Titan Mortgage Company is headquartered in Southfield at 18311 West Ten Mile. It has offices in Tampa, Florida, Fresno, California and in Cleveland, Ohio.

Dooley, who has an impressive background in the business, formerly was senior vice-president of Fidelity National Mortgage Company, senior vice-president of James T. Barnes Mortgage Company, executive vice-president of John T. Keller Mortgage Company, and vice-president of Master Charge Department of Bank of the Commonwealth.

He also had 16 years service with Detroit Bank & Trust, and he is a long time member of Mortgage Bankers Association of Michigan.

PERRY DRUG STORES, Inc. has declared a seven cents a share quarterly dividend payable March 13 to stock of record February 20. The Pontiac-based chain operates 66 drug stores in 49 Michigan communities, including this area.

PRO-COAT SYSTEMS, Inc., nationally prominent designer and manufacturer of total system Electroposition equipment, based in Novi, has announced the promotions of Robert Long and Thomas Mason to the position of vice president.

Long, who has been with the corporation since it was formed in 1975, will be vice president in charge of all field operations. Mason, hired as chief engineer a year ago, will be vice president in charge of all engineering, design and development.

Pro-Coat Systems, formerly called Programmed Coating Systems, Inc., is growing rapidly and will expand into a larger manufacturing and administrative facility in Farmington Hills this summer. The announcements were made by Thomas N. Urquhart, president.

## Weekend programs set at Kensington

A walk entitled "Nature by Snowshoe" (weather permitting) will be held at the Nature Center of Kensington Metropark near New Hudson on Sunday, February 17 at 10:30 a.m.

Snowshoeing is an activity of long-standing, yet one that is rarely practiced in modern society, officials pointed out. They invited the public to join naturalist Bob Hotelling on this walk around the nature center.

Participants must provide their own snowshoes.

"The Stars and Planets

of the Winter Night Sky" will be discussed during a nature program at the Nature Center of Kensington Metropark near New Hudson on Tuesday, February 19 at 7 p.m.

The winter sky offers some of the most beautiful star groups to be seen, says park naturalist Steve Horn who will use slides and an outdoor observation session (weather permitting) to help visitors become more familiar with the constellations.

Sky legends and other similar topics also will be covered during the program.

Advance registration is required. Interested persons may call the park at 685-1561.

"Wildlife Winter Survival" will be the subject of a nature program at the Nature Center of Kensington Metropark near New Hudson on Saturday, February 16 at 1 p.m.

Naturalist Steven Horn will use slides and outdoor observation walk to explain how some animals cope with the harsh winter conditions.

Advance registration is required. Interested persons should call the park at 685-1561.

## The paddock — A world all its own

Text: Ellen Sponseller

Photos: David Turnley

They come out of the paddocks on a night so cold that every sound is singularly amplified: the clutch of horses' hooves, the spinning sulky wheels, the coaxing of the drivers in multi-colored suits, the muffled cries of the crowd in the grandstand.

From the door of the paddocks, the last stop for Northville Downs horses before they are called to race, there is none of the wild excitement that gamblers in the grandstand have as they bet their money away.

In the paddock there is a different kind of excitement; a calm, and if there is such a thing, a relaxed tension of those who have been through it all before but to whom every race is still a challenge.

"The horses sense they are racing," says William Anderson, deputy state racing commissioner. "As soon as they get in the trailer to come here they know. And when they get here and hear the other horses on the track the tension builds. They are aware of what is expected of them, almost like human athletes."

The paddocks at Northville Downs is a long heated barn at the east end of the track. It houses a wide aisle and maybe 36 nine-by-12-foot stalls with low ceilings and a tartan floor as soft as a bridle path. The building smells of liniment and disinfectant.

The horses stand in measured stalls, harnessed to aluminum sulky carts. Some wear hobbles around their legs to regulate a pace. All have small chains hooked to their bridles to keep them in the stalls while they wait to race.

Lord of the paddocks is Paddock Judge Dana Taylor. He is constantly bombarded with news: a driver will be late, a trainer needs help. He watches the clock, upbraids a young girl who is not wearing a proper identification tag. Everyone in the paddock must have identification. Security is tight.

The pacers (whose right front and rear legs move together) and trotters (whose front right and back left legs move simultaneously) begin arriving at 6 p.m. Once a horse arrives it cannot leave again except to be warmed up on the

racetrack. Each animal is checked for its identifying tattoo on its upper lip, given each yearling by the United States Trotting Association to erase any doubts about a horse's authenticity.

Harness race horses are allowed only the drugs Lasix, for bleeding, and Butinol for pain. Traces of other drugs detected in a winner's blood and urine will disqualify it.

Like horses, drivers and trainers cannot leave the paddock once they arrive. Drivers must pass a breathalyzer test with an alcohol level below .02. Even horse owners can enter the paddocks only once a night. Neither racing officials nor trainers are allowed to bet.

Half an hour before race time, the mood in the barn subtly swings from calm to anticipatory tension. Nervous horses, ears twitching, look around with huge brown eyes.

"Horses are more intelligent than most people give them credit for," Anderson says. "A lot of people wouldn't believe it but these horses like to race. When a horse loses his competitive edge, that tension, they might as well be finished."

Drivers who have been playing cards and drinking coffee adjust their helmets. Most drivers and trainers won't get rich racing horses. Though they are men and women who work with their animals sometimes 16 hours a day, seven days a week, most never take a vacation.

"The track is a world all its own," Anderson says. "Here, they don't worry about Iran or world affairs. They care about who is going to win Friday night's feature."

The white wooden doors swing open to the west. Four minutes before the race will begin and the first horses burst upon the elliptical track. The steaming breath of horse and driver mingles in the frigid air and vanishes into the sky, a banner of winter stars overhead. The group parades down the track part way then circles back.

Drivers whose turns have not yet come lounge by the door, watching. The horses turn back to the starting line, are paced, and are off in a flurry of hooves and a blur of color.

It's a race.

# Northville wraps up Western-6 mat title

## Blanchard, Allen champs

Northville is the new Western Six Conference wrestling champion.

On the strength of first-place finishes by Bill Blanchard and Vilas Allen and second-place performances by Paul Raczkowski, Steve Platte, Steve Morgan, Don Lucas and Vince Candela, the Mustangs scored a total of 163.5 points to far outdistance their nearest opponent, Plymouth Canton, which tallied 140.5 points.

Northville gave strong performances throughout its lineup at Saturday's meet at Walled Lake Western.

John Naar (98 pounds) finished third in the league, as did Jack Wallace (105 pounds).

Rob Savageau (167 pounds) finished fourth and Neal Young (185 pounds) finished third.

In the finals at 112 pounds, Blanchard faced an old foe in Canton's Tom Harrell. Blanchard has met and beaten him seven times in the past. This time Harrell gave it his all.

Blanchard led 2-0 going into the last of the match, but was called for two quick penalty points which tied the contest and forced it into overtime.

Blanchard was able to score two points in the extra period and held on to shut out Harrell 2-0.

Allen had an even more dramatic encounter.

He pinned his first two opponents in the finals, then met Canton's Dave Bennett. This one was for all the marbles and Allen promptly fell behind 4-0.

Continued on 2-D

WESTERN SIX WRESTLING CHAMPS: — Front Row (l-r): Bob Townsend, Bill Blanchard, Mark Tomczyk, Ed Hodgson, John Naar, Brian Manse, Neal Hartshorne. Second Row (l-r): Rick Borthwick, Todd Vincent, Steve Platte, Vilas Allen, Dale

Presswood, Todd Zaroya. Back Row (l-r): Steve Morgan, Lou Bustamonte, Don Lucas, Neal Young, Rob Savageau, Bryan Hamilton, Ken Siller. Not Shown: Paul Raczkowski, Jack Wallace, Dan Troher, Bob Boshoven, Vince Candela.

## Tumblers top Northern

Amy Missel scored a 7.25 in the floor exercise during Thursday night's 77.35-29.65 victory against Pontiac Northern and the performance qualified her for post-season regional competition.

A gymnast has to score over 7.0 three times in a certain event in order to qualify for regional action. Thursday's performance was Missel's third over 7.0 in the floor exercise.

Paula Broderick is the only other Mustang to qualify. She has qualified in all four events.

Northville's win over Northern was more of an exhibition match than a competition.

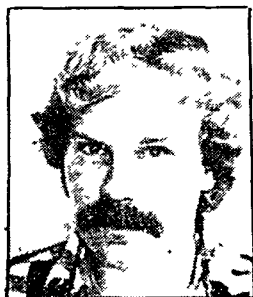

Northern lost all of its athletics in a millage defeat some time ago. Recently, through private donations and fund-raising activities, the school reinstated athletics.

Its gymnastics program was started at Christmas with the hiring of a coach. Practices didn't begin until some time later.

Continued on 4-D

## SIDELINES

By Jim Haynes

## Hearts and Arrows

With Valentine's Day looming on the horizon, it seems appropriate to send out holiday greetings of one sort or another.

With the postal system a shade slower than standing still, and the price of stamps as outrageous as the price of fame, I will use this space instead delivering personal notes.

The way my little game works, and the idea is hardly original, is this: I give a heart to those who I feel deserve praise of some sort. I give an arrow to those that need a little ribbing with a point.

Hearts and arrows. Here goes.

I'll give a heart to Coach Gary Emerson and his horde of howling Mustang wrestlers. Emerson and his charges wrapped up the Western Six wrestling title Saturday and have set their sights on the district tourney this Saturday at Huron High in Ann Arbor.

My first arrow goes to whoever has final authority on hiring coaches at Northville. Why is it that there isn't one women coach for a girls varsity sport, or a boys sport for that matter? At the present there is one women coaching at the junior varsity level. Title IX and modern times aside, why must males always have the privilege of tutoring our young athletes, be they male or female? And why do so many male coaches end up coaching more than one sport? Can't the wealth be shared?

A second heart, to Jack Townsley. After my diatribe above, it may seem contradictory to praise the work of a male coach for a girls team. But this dedicated man has done a super job resurrecting a decrepit gymnastics program at Northville. His girls are basking in the glow of a 6-1 season. As for a women coaching the team, Townsley would be the first to admit the team needs a qualified instructor if it is to really grow in the future. Can this coach be a women? Until she is hired, I say "nice job" Jack Townsley.

A big, sharp arrow to whoever decides to allocate funds for uniforms for Northville school sports teams. I think that it is sad indeed that the Meads Mill swim team had to arrange and stage a marathon swim in order to cash in on pledges for new suits. It is the first team I've been aware of having to do this at Northville. Are there more? Why was this necessary in the first place?

Here's a heart for my fellow sports scribe on the staff of the Walled Lake News, Reid Creager. Reid has been kind enough to inflate the ego of Record reporter Ken Kovacs by allowing "Special K" to thrash him consistently on the court of the Northville rec department gym. Since Ken is 5-6 and Reid is a hearty 5-9, I think his sacrifice is most admirable.

An arrow to Ken for gloating. All this time you thought it was your Ked's sneakers.

Heart to Al Hauser and Bill McLaughlin for taking the time and the effort to gather information on the rec soccer games and OLV boys basketball contests so that it appears I do an awful lot of work each week. I don't. They do.

An arrow to the Meads Mill basketball player who set a fire in the visitor's locker room of a host school early in the season. The coach and officials at Meads Mill delivered an ultimatum: the guilty party confess, or the whole team will not be allowed to play. The team hasn't played since.

A heart to Northville, because I find it hard to think of a lot of vital arrows. Sure, there are little, annoying matters, such as defensive parents and outraged coaches who are livid because they didn't get nine pictures and a two-page story on their team's win. But they don't deserve arrows.

Parents who care are what make America strong. And coaches who want a fair shake are much more valuable to student-athletes than lalsssez-faire mentors.

Finally, a giant arrow to the whole world because we've allowed the Olympic spirit to melt down into nationalistic commercialism. And to Russia especially, who looks upon the world as its own personal playground.

Happy Valentine's Day.

## ... Wrestling

Continued from 1-D

By the end of the second period, the Mustang had managed to even the score at 4-4, but quickly fell back 4-8 in the third period.

With time running short, Allen allowed Bennett to escape, giving up one point, but then grabbed the Plymouth

grappler and threw him to the mat for a five-point move and a 9-9 tie as the buzzer sounded, sending the match into overtime.

From there it was all Allen as he outlasted his opponent and won 4-0.

Don Lucas almost finished in first, but lost his lead to Tom Zimbovic of

Mott in the last seconds of the match. Lucas lost 6-5.

The Mustangs will travel to Huron High School Saturday for the District Wrestling Tournament. The meet begins at noon.

Northville coach Gary Emerson pointed out that his team practices until

5 p.m. on week days and invited any interested junior high boys to come to the practice and work out with the team. Emerson thinks this is an excellent way to acquaint them with the sport. Already there are a couple of junior high grapplers working out with the team.

## Swimmers dunked twice last week

The rough part of the schedule is behind the Northville swimmers.

Last week's losses to North Farmington and Plymouth Canton marked the end of the heavies and the start of the softies, as far as opponents are concerned.

Mustang tankers have just two more dual meets before start of post-season action. These two opponents are Churchill and Farmington Harrison, the two teams Northville has beaten to date.

These two "push-overs" couldn't have come at a better time. While the Mustangs have been steadily improving their times with each succeeding meet, the losses have been building up.

In fact, last week the team took two rather sound thrashings from its opponents.

North Farmington clobbered Northville 106-66 and Plymouth Canton topped the Mustangs 53-30.

Northville managed just two first

place finishes against Farmington. Dave MacDonald took a first in the 50-yard freestyle (:23.2) and Gary Lauber, Char Ramsey, Lorne Demrose and MacDonald teamed to win the 400-yard freestyle relay (3:40.4).

Northville improved for the Canton

meet. The Mustangs took three first places.

MacDonald again won the 50-free (:23.3), Paul Cooper won the diving (220.65) and Lauber, lowering his previous best time by a second, topped the 100-yard backstroke race (1:02.6).

## Baseball sign-up set

Registration for Northville Junior Baseball and Intermediate and Primary Softball leagues is still taking place.

The openings in baseball are for "E" League, boys 15 and 16. The softball teams are for boys and girls.

Umpires are still needed for the Junior Baseball season, officials point out. There will be a meeting on February 20 at Cooke Junior High School at 7:30 p.m. Men and women

over 18 are welcome. For more information, call the Northville rec department at 349-0203.

## Soccer Changed

There has been a change in the Northville spring rec league soccer tryout schedule.

All those who were originally scheduled to try out for the boys under-16 team at Cooke Junior High School on Saturday, February 16 at 3:30 p.m., go to the Northville Community Center instead. The time remains the same, only the location has been changed.

# Cagers sweep two in hoop rebirth

The strength of any team is its bench, as the saying goes. And Northville varsity basketball coach Tim Lutes found out Friday just how strong his team is. Three people were out of the lineup before the game with Walled Lake Western even began, which left Lutes

**NORTHVILLE 66, LIVONIA FRANKLIN 63**

**NORTHVILLE:** Ward 10 1-6 21; Jennings 3 0-2 6; Greer 2 5-6 9; Kucher 0 0-1 0; Swayne 3 0-0 6; DuSablón 3 0-0 6; Wagner 7 4-4 18; Gans 0 0-0 0; May 0 0-1 0; Wisbiski 0 0-0 0. Totals: 28 10-21 66.

**FRANKLIN:** Gohl 5 9-13 19; McCarty 3 4-19; Weber 1 1-2 3; White 4 5-9 13; Przysiecki 2 1-2 5; Wojcik 1 0-0 2; Pakula 1 0-0 2; Fulsom 0 0-0 0. Totals: 22 19-30 63.

## SCORE BY QUARTERS

**NORTHVILLE** — 13 8 23 22-66  
**FRANKLIN** — 22 13 13 15-63

Total Fouls: Northville 23, Franklin 22.

Fouled Out: Weber, Fulsom.

with only eight players. By the fourth quarter, three Mustangs had fouled out, leaving the coach with only the five athletes on the floor.

They were all Northville needed as the replacements rose to the occasion and held the Warriors off for a 61-60 win.

Earlier in the season Bob Crisan was knocked out of the lineup with an injury. Then Tuesday, February 5, in Northville's 66-63 win over Livonia Franklin, Duke DuSablón injured his knee and was forced to sit out the Western contest. Russ Gans, a senior guard, had to travel to Michigan State University Friday night, and missed the game.

In Northville's only other meeting with Western this season, those three Mustangs had combined for 44 points, over half of the team total in the contest.

The tone of the Walled Lake game was set early when the referees began calling foul after foul, mostly against Northville.

By the third quarter, the situation was desperate. But Lutes was forced to stick with his starting five. By the

fourth quarter Dave Ward (15 points), Mike Wagner (13 points) and Dave Greer (10 points) fouled out.

Lutes went to his bench. He put Gary Kucher and Kevin Swayne in the guard slots, Greg May and Todd Jennings at forwards and Craig Wisbiski in the middle.

That lineup was too much for Western to handle. The Mustangs stopped the Warriors cold on a number of occasions, especially at near the end of the game when Western was trying desperately to catch up.

The result was a fine offensive performance by Swayne, who netted 12 points, and a strong defensive game by May, who swiped a number of key rebounds.

On Tuesday, Northville survived another thriller, this time with Livonia Franklin.

Ward and Wagner had excellent games.

Lutes felt it was perhaps their best of the season.

Ward scored 21 points, had 15 rebounds and blocked six shots. Wagner scored 18 points and hauled down seven rebounds. Both scored over half of their

points in the fourth period, when Northville needed them most.

DuSablón injured his knee in the game, and Monday underwent exploratory minor surgery. He may be forced to miss the rest of the season.

**NORTHVILLE 61, WALLED LAKE WESTERN 60**

**NORTHVILLE:** Ward 5 5-6 15; Jennings 1 0-0 2; Greer 5 0-1 10; Kucher 2 1-4 5; Swayne 6 0-1 12; Wagner 6 1-7 13; May 0 2-2 2; Wisbiski 1 0-2 2. Totals: 23 9-23 61.

**WESTERN:** Chura 4 2-4 10; Sacco 2 6-6 10; Myer 0 2-2 2; Xenos 5 8-10 18; Baglow 0 1-2 1; Yarmak 1 5-9 7; Parrish 0 0-0 0; Belknap 2 0-0 4; Ropek 2 4-5 8. Totals: 16 28-38 60.

## SCORE BY QUARTERS

**NORTHVILLE** — 20 18 14 9-61  
**WESTERN** — 14 22 13 11-60

Total Fouls: Northville 30, Western 21.

Fouled Out: Ward, Greer, Wagner, Parrish.

## Meads Mill wins

Meads Mill left its opponents high and dry in two swim meets last week.

On Wednesday, Meads Mill beat Haston 46-28. Tim Walker, Cam Ramsey, Kathy Bainbridge and John Burchard combined to set a new medley relay record of 2:03.

Burchard took a first in the 50-yard freestyle with a time of :27.7 and Jeff Evans and Chris Behen finished one-two in the diving competition. Evans scored 104.7 points and Behen tallied 99.6.

Walker, Burchard, Evans and Ramsey teamed to break the previous 400-freestyle relay mark of 4:29.8 by a full second: 4:28.7.

On Friday, Meads Mill topped Best Junior High 52.5-23.5.

In the medley relay, Walker, Ramsey, Bainbridge and Burchard teamed to take first with a time of 2:05.1.

Ramsey took first in the 100-yard individual medley with a time of 1:10.8 and Kim Herrington took second with a 1:17.9.

Burchard was first in the 50-yard freestyle with a :26.5 and Cindy Panowicz was second with a time of :30.9.

Behen was first in the diving with tally of 114.9.

Bainbridge was first in the 50-yard butterfly with a time of :29.4.

# ... Gymnastics

Continued from 1-D

The team is composed of five freshmen and sophomores. The team's best athlete, Michell O'Berry, had an injured back but competed anyway. The other four girls tried hard but were barely past the gym-class tumbling stage.

Northern's highest score of the meet was Penny Jenks' 3.95 on the vault.

That didn't take away from some fine performances from the Mustangs, however.

Missel's 6.9 and Broderick's 8.2 in the vault, Hodge's 6.35 and Broderick's 6.8 in the uneven parallel bars, Raycraft's 6.65 and Broderick's 7.9 on the balance

beam, and Missel's 7.25 and Broderick's 8.2 in the floor exercise were very good.

On Saturday, February 2, the Mustangs took part in the six-team Saline Gymnastics Invitational. Northville finished fourth with a team tally of 76.6, but three Mustangs won medals for their efforts.

The team of Broderick (7.6), Raycraft (7.15), and Missel (5.1) were good enough to take second on the balance beam.

The same three took second-place medals in the floor exercise, also. Broderick scored a 7.95, Missel a 6.6 and Raycraft a 5.7.

# JV hoopsters split

Northville's JV basketball team, behind the hot-handed scoring of Tim McLaughlin, Dave Malinowski and Doug Eaker, plastered Walled Lake Western 80-46 Friday.

The win gave Northville an 8-7 overall mark and a 4-3 league tally.

McLaughlin scored 20 points, Malinowski 19 and Eaker 18 to lead the

team to the victory.

On Tuesday, Northville got more than it could handle when it met Livonia Franklin in a non-league contest.

Tim Wagner was the gun for Northville in this contest. He pumped in 18 points in a losing cause. He got 12 points worth of support from Malinowski and 14 from Eaker.

# OLV cagers league champs

Our Lady of Victory's seventh and eighth grade boys basketball team clinched the CYO West Suburban Championship Sunday with a convincing 41-27 triumph over Divine Child.

The win was OLV's ninth straight in league play. It was the Northville parish's first title

following three consecutive first-place finishes in the Metro West Division.

Chris Wagner paced the Blue and White as he threw in 17 points. Craig Beaudoin notched 10 points and grabbed 12 rebounds. Dan Nielson added 10 points while Bob Martin and Shawn Tague

each hit for two.

OLV began the week by making Plymouth Our Lady of Good Counsel its thirteenth straight victim.

The Cougars toyed with the Crusaders before dropping them 31-22.

Tague scored eight points, Wagner six, Russ Lang three and Beaudoin,

NORTHVILLE 77.35, PONTIAC NORTHERN 29.65

VAULT: 1. Broderick (N), 8.2; 2. Missel (N), 6.9; 3. Hodge (N), 6.25; 4. Quinn (N), 4.45.

UNEVEN BARS: 1. Broderick (N), 6.8; 2. Hodge (N), 6.35.

BALANCE BEAM: 1. Broderick (N), 7.9; 2. Raycraft (N), 6.65; 3. Missel (N), 6.3; 4. Lester (N), 4.9.

FLOOR EXERCISE: 1. Broderick (N), 8.2; 2. Missel (N), 7.25; 3. Raycraft (N), 5.8; 4. Stephens (N), 4.1.

# OLV girls tops

Our Lady of Victory's seventh and eighth grade girls basketball team evened its record at six wins and six losses by defeating Dearborn Divine Child 30-28.

Victory led 19-13 at the half and 26-19 after three quarters.

Jane Moylan led the winners with nine points. Mary Heslip notched seven, Kathy Kirwan and Beth Tabaka each chipped in six and Julie Mellish scored two.

Moylan and Tabaka were outstanding on the boards. Their rebounding helped set up numerous fast break opportunities for OLV.

Dennis Nadeau, OLV coach, singled out the defensive work of Kirwan and Heslip in breaking Child's press.

OLV made 13 of 51 field goal attempts for a shooting percentage of 25. The Cougars added four of 10 free throws for a 40 percent clip.

Nielson, Martin, Dan Quint, Pat Wagner, and Mickey McGrath two each. John Day and Tom McSeeny each scored one point.

On Saturday the Cougar's 13 game win streak came to an end as they fell to Orchard Lake of Refuge (17-1) 50-48.

OLV made a valiant try but Refuge's 6'5", 6'3" and 6'1" front line proved too much for the smaller Cougars.

Tague topped the Cougars with 15. Chris Wagner had 13, Pat Wagner nine, McGrath eight, Nielsen two and Beaudoin one.

**Bobcats earn honors**

Members of the Northville Bobcat swim club competed in the Michigan Stingray "B" meet at Oakland Community College February 2 and 3.

In a field of over 3,000 swimmers (36 teams), six Bobcats earned honors.

In the 8-and-under competition, Cindy Hill won ribbons in four different heats: 25-yard freestyle (:18.39), 25-yard butterfly (:21.58), 50-yard backstroke (:47.38), and the 100-yard individual medley (1:44.4).

In the 10-and-under division, Stephanie Unangst took third place by winning the 50-yard backstroke (:41.8) and by taking ribbons in two heats: the 50-yard freestyle (:35.0) and the 50-yard butterfly (:41.4).

Mark Hill, competing in the 11-12 age group, took sixth place in the 100-yard individual medley (1:16.76).

Three Bobcats won honors in the 13-14 age group competition. They were Rob Hill, Lynn Wohfiel and Debbie Wohfiel.

Hill took fourth in the 200-yard individual medley (2:32.35) and fifth in the 200-yard freestyle (2:09.10).

Lynn Wohfiel won ribbons in three heats: 100-yard breaststroke (1:25.3), 200-yard individual medley (2:44.2), and the 100-yard backstroke (1:19.4).

# SOOPER COST CUTTERS

Another Great Way  
To Cut Your Costs  
At Kroger!

## ADVERTISED ITEM POLICY

Each of these advertised items is required to be readily available for sale in each Kroger store, except as specifically noted in this ad. If we do run out of an advertised item, we will offer you your choice of a comparable item, when available, reflecting the same savings or a raincheck which will entitle you to purchase the advertised item at the advertised price within 30 days.

Lower prices are what Sooper Cost Cutters are all about. Each Sooper Cost Cutter carries the lowest regular price of any brand of the item sold at Kroger.
