

Early deadlines

All editorial and advertising offices of the Sliger/Livingston Publications will be closed July 3 and July 4 in commemoration of the Fourth of July holiday.

Deadline for placing ads in the Household Services and Business Directory of the July 8 edition of The Green Sheet is 4 p.m. Thursday, July 2.

Offices will be open as usual Monday, July 6, and other news deadlines remain unchanged. Our Town news for July 8 edition must be received in The Record office by 9 a.m. July 2.

TWENTY-FIVE CENTS

Algaecides put into this retention basin last week killed many fish in Randolph Drain, but it was safe for kids playing in water Monday

Record photo by STEVE FECHT

Humans, wildlife safe

Algaecides poison fish in stream

By KEVIN WILSON

An "overdose" of algae control chemicals introduced to Randolph Drain last week killed many fish but poses no threat to the area, Michigan Department of Natural Resources officials said Monday.

Three chemicals used to kill excessive growths of algae were introduced to the system Wednesday when the Lexington Commons North condominium association treated a storm-water retention basin at Eight Mile and Taft.

"Basically, they overdosed the pond," said DNR Water Quality Division investigator Susan Norton. "It was an unintentional error. They were trying to do it right, but my own suspicion is that the weather conditions were not on their side."

Norton also said the amounts used were correct for the surface area of the basin, but that the shallowness of the pond resulted in too high a concentration of chemicals. Depth, she said, "makes a terrific difference in how concentrated it becomes."

The pond and drain rise and fall several inches depending on the weather — rising with rain, falling with extended dry periods. The system apparently was fairly low Wednesday, but the amounts of chemical used were for

higher levels and faster moving water, she speculated.

As a result, Norton explained, the Randolph Drain was "purged" of fish from the retention pond downstream until entering the Rouge River immediately upstream of the Ford Valve Plant on Main Street.

The size and flow of the river immediately diluted the chemicals to non-toxic, or even ineffective levels, she said.

Weekend rains raised the water level in the drain and increased the flow such that by Monday there was little evidence that anything untoward had occurred.

The algaecides used are relatively tame, DNR officials said, and used properly kill only algae. In the higher concentrations introduced to the drain by the association, however, two of the three are fatal to fish.

Used Wednesday were copper sulfate, hydrothal-47, and Aquashade. Copper sulfate and hydrothal-47 both are algaecides that kill fish in high concentrations.

Aquashade, said Howard Wandell, of the DNR Land Resource Program, Inland Lakes Management Division, is "basically a food dye." It inhibits algae growth by dyeing the water opaque, depriving the algae of sunlight. Norton compared its operation to putting a

rock on a weed.

The sight and smell downstream from the pond concerned many residents Friday and Saturday, however. John Teeter, of 571 Randolph, contacted city police Friday when he saw large quantities of dead fish lining the stream and blue-green water.

Police called a DNR pollution reporting system, which sent Norton.

"I was out there Friday night, Saturday and this (Monday) afternoon," Norton said. "The chemicals, I think, were pretty much diluted by the time I got the call."

She expressed concern that test bottles she filled on the weekend may not even show a traceable concentration of hydrothal because some may have broken down and the rest diluted beyond detection.

Norton called in a conservation officer and a biologist from the fisheries department.

The fisheries biologist, she said, conducted "the technical end" of the study, which basically became "a body count."

"He found the fish were forage fish," she explained, "which means they weren't game fish, but would support game fish if that stream had been big enough to have any."

Downstream in the system, Waterford Lake and Phoenix Lake in Nor-

thville Township are both fishing sites, but Norton said she detected no damage to those lakes.

"As soon as it hit the Middle Rouge," she said, "it probably went into such low concentrations that it poses no danger."

Although one of the substances is in common use as a weed killer, she said, plant life downstream is considered safe because little is dependent on the river.

Robert Reed, of 545 Randolph, said he could smell the dead fish Saturday at his home, uphill less than 100 yards from the stream.

"The bed of the stream was as green as the grass around here," he said. "That heavy rain cleaned the green stuff out of here, and took most of the fish, too."

Only two dead fish were observed at the site Monday, and one crayfish was dead on the stream bed.

Between 12 and 15 dead fish, one and one-half to six inches long were found at the pond in a five-minute look at the shoreline. All the fish that remained through the rain were trapped in weeds.

Two boys were digging in the stream bed in search of a lost marble, which Norton said poses no danger.

Concerned residents calling city

Continued on 4-A

Committee seeks voter support for school mills

With the upcoming school millage election a month away, the Northville Board of Education and school administrators are gearing up for what will undoubtedly be the most ardent campaigning seen in this district in the last few years.

The board, which approved a 7-mill, three-year proposal at its June 15 meeting, will be out in full force throughout the next four weeks urging Northville voters to pull the "yes" lever on July 28.

However, this time around school officials will have some assistance in trying to "sell" their millage package.

For the past few weeks, the public relations subcommittee of the Citizens Advisory Committee has been busy planning a campaign strategy to rally voter support for the upcoming election.

Under the direction of chairperson Nancy Stille, the committee — which currently has about 70 members — has devised a variety of different campaign approaches.

The committee has divided into six groups which include a finance committee, graphic arts committee, presentation committee, door-to-door campaign committee, Fourth of July committee and a telephone committee.

According to Stille, the finance committee currently is in the process of raising funds to help defer printing and advertising costs which will be accumulated in the printing of campaign brochures and pamphlets and newspaper advertising.

Finance committee members also are contacting businesses, civic groups and churches to ask for their assistance in urging voters to support the millage.

The door-to-door committee, which hopes to get underway within the next few weeks, will be going door-to-door to ask residents to sign a support petition and donate \$1 to the committee's campaign.

Members of the telephone committee will be calling Northville voters to remind them to vote on July 28. Voters must register to vote in the election by 5 p.m. June 29.

Stille said the committee has planned an official campaign kick-off for the Fourth of July and is in the process of developing a variety of activities to take place that day.

Stille said the public relations committee is looking for prospective members and welcomes participation from anyone interested in contributing to the campaign.

She said persons requesting more information about the board's millage proposal are welcome to attend any of the neighborhood coffees scheduled by the presentation committee.

The committee has scheduled a variety of informal meetings throughout the community to help answer voter questions and address concerns.

The meetings are held in the homes of committee members and are attended by at least one school administrator and/or board of education member. The public is welcome to attend.

The following is a list of neighborhood meetings scheduled for the upcoming week:

Today — 10 a.m. at Pat Stringer's, 20329 Lexington Court, with Burton Knighton, assistant superintendent for administrative services and Karen Wilkinson, board of education trustee.

Today — 7:30 p.m. at Kitty Wilson's, 41924 Water Wheel, with Doug Whitaker, board of education trustee.

Thursday — 10 a.m. at Mary Ann Brady's, 16944 Dundalk, with Karen Wilkinson.

Thursday — 7:30 p.m. at Donna and Rex Spencer's, 22220 Connemara, with Charles Peltz, board of education vice president.

Wednesday, July 1 — 10 a.m. at Sue Stinson's, 42691 Savoy Court, with Karen Wilkinson.

Wednesday, July 1 — 7:30 p.m. at Harry Cook's, 47103 Timberlane, with Nancy Soper, assistant superintendent of instruction and Chris Johnson, board of education president.

Persons requesting more information about the committee or any components of it should contact Nancy Stille at 348-1123.

Two hurt in collision

Two Northville teenaged sisters were injured in a two-car collision Saturday afternoon in Plymouth Township, Plymouth police said.

Kimberly and Robin, daughters of Robert and Patsy Mitchell of 50286 Seven Mile, where they live with the girls' grandmother Pauline Mitchell, were injured in an intersection collision on Ann Arbor Road near Ann Arbor Trail.

Robin, 13, was reported in critical condition Tuesday morning with multiple internal injuries. She was in the intensive care unit of St. Joseph Hospital in Ann Arbor.

Kimberly, 16, who was driving, was treated and released from St. Mary Hospital in Livonia Saturday, suffering facial lacerations, police said.

Plymouth police said the Mitchell car

was headed westbound on Ann Arbor Road at approximately 1:30 p.m. Saturday, and was in the process of making a left turn to Colony Drive when it collided in the intersection with a car driven eastbound on Ann Arbor Road by Michael Atkins, 24, of Wayne.

The Atkins car crushed the passenger side of the Mitchell vehicle, trapping Robin in the car, police said. Rescue workers had to employ the "jaws of life" device to cut away the car to release Robin.

Atkins was treated and released at St. Mary Saturday. Police said no citations have been issued in connection with the accident.

School officials said Kimberly will be a senior at Northville High School this fall and Robin will be entering the eighth grade at Meads Mill.

Census count still disputed, shows population shifts

While awaiting the opportunity, once again, to conduct its own special census, Northville Township has accepted the preliminary counts made in 1980 by the federal Bureau of the Census.

Clerk Susan Heintz told the board of trustees June 11 that the new figures are being used in the computation of state and federal revenue sharing payments now.

"This is better than what they were using, and we are accepting them, for now," she said. "Until we can conduct our own special census, we will use their figures."

Those counts set township population at either 12,970 or 12,987, depending on which copy one obtains. In either instance, township officials contend it is between 1,000 and 2,000 persons short of the actual population.

The growth of the township also made it feasible to conduct a special census in 1976, which has been used for revenue sharing since that time. Although the community must pay for such a census, the difference population figures make in the calculation of revenues is thought to be enough to pay back the cost in short order.

In the City of Northville, the preliminary figures set population at 5,698 — 2,913 in Wayne County and 2,785 in Oakland County. City officials have said these counts are agreeable with their estimates.

The near equality of the split between counties is the first census data to provide some useful information

beyond straight counts.

In 1970, the city population of 5,400 was more heavily weighted toward Wayne County, but within the decade, the Wayne section has actually become less populous while the Oakland sector grew.

In Wayne County, the population in 1970 was 3,033. It shrank four percent to 2,913 in 1980. In Oakland County, in 1970 the population was 2,367 while in 1980 it was 2,785 — a growth of 17.7 percent.

Which is as nothing compared to the township's growth over the decade of roughly 36.6 percent — from 9,522 to 12,987. More significantly, perhaps, the total population grew that amount while institutional population was dropping.

This is best seen in the housing unit count, where new homes and apartments in the township shot up a spectacular 124 percent over the decade. There were but 1,812 housing units in Northville Township in 1970.

According to the Census Bureau, there were 4,059 last year.

The housing unit count also reflects the city residential shift from Wayne to Oakland County. In Wayne County, housing units increased by 14.1 percent — from 1,113 to 1,270. The Oakland sector posted a 54.4 percent gain — from 572 to 883.

Census data to be released over the coming months and

years will show the changing nature of the population as well. For now, most are interpreting some of the city data in terms of age and township information in terms of institutional vs. residential population.

In the city, the Wayne section is thought to have aged somewhat, with fewer children and more single-person households making for a population drop even though housing units increased.

The Oakland sector posted larger gains in both housing units and population, yet even here, the amount of housing grew in relation to population.

A number of the city's housing units are the Allen Terrace apartments — where the population per household is relatively low.

In the township, the total population cited by the census data is only a few hundred in excess of the 1976 special census the township conducted for itself, but the institutional count is down considerably.

Thus the residential count most likely increased much more swiftly than the 36 percent cited for the whole township.

The count reflects a much higher residential percentage, becoming more so all the time as the state department of mental health continues to reduce populations.

In a move township officials caught on to only after it was too late, the prison population was kept artificially at

zero while the census takers were in the area. Although Phoenix Correctional Institution on Five Mile Road was ready for occupancy a couple weeks before the census count, prisoners were kept at Wayne County Jail in Detroit until after all Wayne County tabulations had been made.

The 300 or more prisoners housed in the institution are one expected addition to be reflected in a special census.

Heintz pointed out that institutional population has a direct bearing on federal revenue sharing, but the effects on state payments are less visible. The state includes only one-half of the institutional population when computing revenue sharing, reasoning that the state is actually providing most of the services needed by those persons.

The Southeast Michigan Council of Governments (SEMCOG) makes projections of population as part of its regional planning functions. Its projection put the township 1980 population at 13,262, which is 300 more than the official figure. The housing unit count is spotted on the official figure at 4,058.

Projected growth in total population by 1990, SEMCOG projects, would result in a count of 19,658 in 1990.

The organization predicts continued growth in local housing units, projecting growth of more than 50 percent — ending in more than 6,700 total households by 1990.

NEXT MONDAY is the last day voters may register with their city or township clerks in order to be eligible to vote in the special school election July 28. Persons must register by 5 p.m. June 29 to vote in the millage election.

CITY COUNCIL will meet at 8 p.m. Monday. The agenda includes information on judicial salaries and payments. All council members have agreed to join Northville Historical Society officially that evening as the society launches a community-wide membership drive.

TOWNSHIP TRUSTEES will meet in closed session to review and discuss the disciplining or dismissal of an employee. Such sessions legally are closed to the public under Michigan's Open Meetings Act at the request of the individual.

FOURTH OF JULY marching band will be rehearsing at Northville High School from 10 a.m. to noon today. The band is open to all junior high, high school and recent high school graduates who have had instrumental music. Other practices will be held June 26 and 29, July 2 and 3.

SIDEWALK SALE spaces will go on sale at 9 a.m. July 1, Charles Lapham, chairman, reports. There will be no preferential treatment and reservations will be accepted in order received. They may be made by calling 349-3677 on or after July 1. Twenty percent less space is being sold than last year because of the Mainstreet renovation in progress, Lapham explains. The popular sale will be August 1.

THE CLAUDE ELY Memorial Award for 1981 will be presented in a special ceremony at 9:30 a.m. July 4 at the parade review grandstand. Mayor Paul Vernon is to make the presentation just before the parade begins at 10 a.m. The award, named for the first mayor of the city, is given for outstanding community service and is a surprise presentation.

TOWNSHIP PLANNING Commission meets Tuesday, June 30, at 8 p.m. in Northville Township Hall, 41006 Six Mile Road. Agenda items include review of the recreation master plan, anticipated response of the township attorney to the proposed zoning ordinance revision, and other planning items.

Fish poisoned by algaecide overdose

Continued from 1-A

police Friday and Saturday were advised to keep children and animals away from the stream as a "purely precautionary measure, it seemed the wise thing to do at the time."

Norton, a Canton resident who said she frequents Northville, assured that "there is no danger to the ducks. I understand the concerns, they really are beautiful and nice to have around

There was never any threat to the ducks."

The chemicals used pose no long term danger, either, DNR officials said. The copper sulfate is likely diluted beyond detection in the Rouge, the hydrothal-47 will break down into its organic components, regardless of where it is, Norton said.

Wandell noted that Aquashade is essentially only a food dye and poses no environmental hazard regardless of

concentration.

"I know people could be alarmed at what happened," Norton concurred, "but I really believe they will be surprised at how little damage was actually done. It (the drain system) will repopulate in a relatively short period of time. I don't foresee any permanent damage at all."

She assured that it is safe for children and animals to play around the water.

The DNR study is not yet finished, she noted. The tests she took will take some time to complete, and the biologist and conservation officer have reports of the incident to write.

Norton's division has no enforcement powers. She said the conservation officer's report will be turned over to the local prosecutor, who could decide to file charges. She declined to speculate on that possibility.

Remainders

One of several fish left on the scene Monday tangled in weeds. Most of those killed by the chemicals introduced to Randolph Drain last week were washed away by weekend rains, but a handful remained. This one was found near where the stream crosses under Randolph Street. A handful remained in weeds lining the edge of the retention basin at Eight Mile and Taft.

DNR controls overlooked

Michigan's Department of Natural Resources (DNR) offers advice to persons considering chemical treatments, regulations governing such actions, and notification programs that, together, might have averted the fish kill last week (see related story) or quickened the department's response to the situation.

According to Howard Wandell, of the DNR's Inland Lakes Management Division, which oversees algaecide treatments, the three chemicals used in the retention pond at Eight Mile and Taft are all approved for use by the DNR.

Copper sulfate, Wandell said, is generally considered non-toxic to humans, animals and birds, posing a danger only to fish. It is used in drinking water supplies to inhibit algae growth in reservoirs.

Hydrothal-47 is a brand name for endothal and is a complex organic compound that breaks down in a week or two, and poses very little danger to humans, the official said.

Aqua-Shade is a dye used to opaque the water and poses no danger to life other than that dependent on relatively continuous sunlight. It is used to help the other algaecides work.

Wandell's division issues permits for algaecide treatments, required when the body of water

drains into public waters. Randolph Drain is a county drain, and leads to the River Rouge, but the Northville Commons condominium association had no permit.

The vendor of the material, association officers told the DNR, told them no permit was needed.

"In the situation as you describe it, a permit probably would have been required," Wandell said. "They would have had to fill out a form, telling us what they were doing, when, and with what materials. We probably could have told them there was too much."

He said when Hydrothal-47 is used, the DNR usually requires that signs be posted at the site for three days, advising people not to swim in or drink the water.

"It has very low toxicity to animals or birds, but the possibility exists that an extremely sensitive individual might get a rash or become nauseous from too much contact," Wandell said.

The chemical breaks down into harmless component parts in a few months, and reaches undetectable quantities in a few days. It has a half-life of two to three weeks (meaning half has deteriorated in that time). Signs are posted for three days because

Alhambra's day for kids

They came by bus and car to the annual outing for retarded children hosted by Alhambra Lodge in Hines Park last Wednesday — some 750 youngsters from the Western Wayne area. Chairman Ted Marzoni reports that most were from Northville Residential Training Center, Plymouth Center for Human Development, Our Lady of Providence and area group homes. He adds that local police could be called his "co-chairmen" as state, city and township forces aided greatly with funding and labor. Doodles the Clown as a popular entertainer. There also was happy dancing to the band — Je T'Aime which offered its services, far right.

Would you be willing to invest in a proven energy control system if it could save \$10,000 or more within 2 years?

Is your firm's monthly electric bill \$800 or more?

Do you have \$10,000 or more to invest?

If you answered yes to all three of these questions, or you are seriously wondering if and how this can be accomplished, call us at 425-9800

LWV schedules meet Thursday

The League of Women Voters of Northville, Plymouth, Canton and Novi will meet at 7:30 p.m. tomorrow to discuss the upcoming Northville Public School's millage election in conjunction with the league's ongoing education study.

The meeting will be held at the home of Jeanne Parkinson at 45764 Clement Court.

The meeting is open to the public.

School board approves appropriations act

The Northville Board of Education unanimously approved the adoption of the general appropriations act for the Northville Public Schools for the 1981-82 fiscal year at its regular meeting Monday night.

Total revenues available to appropriate in the General and Institution Special Education Program funds for the 1981-82 fiscal year amount to \$14,726,970.

Of the total appropriations, \$7,747,164 is generated through local revenue, \$5,839,302 from the state and \$125,000 is a federally funded Title I grant. Incoming transfers and other transactions total \$872,954 in addition to an available appropriated fund balance of \$142,550.

Available appropriations for the Debt Retirement Fund for the fiscal year

1981-82 total \$3,060,509.

In compliance with the 1978 Uniform Budgeting and Accounting Act approved by the legislature and signed by Governor Milliken, governmental agencies must adopt an appropriations act prior to the fiscal year. The law, which took effect April 1, 1980, requires school districts to adopt an appropriations act prior to July 1.

The \$7,747,164 in local revenue included in the appropriations act is the amount of funds generated on a 25.9 mill levy — rolled back to 24.4 mills in compliance with the Headlee Amendment.

The school district, which must maintain a balanced budget, can appropriate only those local funds available.

If the board's 7-mill proposal is approved by Northville voters July 28, the board will amend the additional 7 mills.

However, a much more comprehensive and detailed budget will be examined in November when the board approves a formal budget for the 1981-82 school year.

For two board members, Monday's meeting marked the end of their terms on the Northville Board of Education.

Vice President Charles Peltz and Trustee Richard Barron will turn their seats over to newly-elected members Jean Hansen and Glenna Davis — who officially begin their terms July 1.

Hansen and Davis were given the oath of office Monday evening by board president Chris Johnson.

Further reductions in the 1981-82 pro-

posed budget to maintain a 31.4 mill level were unanimously approved by the board in the amount of \$72,600.

The board which must reduce the budget by \$700,000 — cut \$580,000 from the proposed budget at its special call board meeting June 15 and directed the administration to come back with the additional \$120,000 in reductions.

The \$72,600 in reductions approved by the board Monday include further cuts in special education, chairpersons salaries, curriculum development, library books and materials, audio visual supplies and materials, legal and audit, beautification project and copying and data processing.

The reductions are still \$47,400 short of a proposed budget, yet the board opted to wait until the audit is complete

and final revenue projections can be made before making the reductions — which may not be needed.

In other business, the board unanimously approved the awarding of a \$9,376 contract to Acme Sheet Metal Company for replacing the high school chemistry lab ventilation system.

The board also gave its unanimous approval to award a \$13,860 contract to Lakeshore Building Company for the construction of a walkway enclosure at Northville High School plus an additional \$3,050 for a storage room in the boiler area of the high school.

Both of these projects will be taken care of through funds available from the 1978 \$1 million bond issue.

Students receive degrees

Diane Wilkinson, daughter of Mr. and Mrs. Robert S. Wilkinson of 41944 Baintree, was among the 235 new physicians to receive degrees from the University of Michigan Medical School June 5.

Wilkinson, a 1975 Northville High School graduate, was among 46 of the graduates who participated in the Inteflex program, which permits a selected group of high school graduates to complete premedical and medical studies in six years, rather than the traditional eight.

The 1981 ceremonies marked the fourth graduation of Inteflex students.

The new doctors were awarded diplomas by Medical Dean John A. Gronvall, M.D., at the school's annual Honors Convocation and Class Night Ceremony in Hill Auditorium.

Presiding over the ceremonies was U-M President Harold T. Shapiro. Commencement speaker was Jere Goyan, a former U.S. commissioner of Food and Drugs who now is dean of the School of Pharmacy at the University of California at San Francisco.

James N. Tambs, whose wife is the former Bonnie L. Wilson of Northville, received the Doctor of Osteopathy degree during the June 1 commencement exercises at the Kirkville College of Osteopathic Medicine in Kirkville, Missouri.

The son of Mr. and Mrs. Frank A. Tambs of Flint, he is among the 126 physicians to be graduated this year by the nation's oldest college of osteopathic medicine.

Tambs received his preprofessional education at the University of Michigan-Flint, earning a bachelor's degree in 1976.

He also attended Michigan State University.

While attending KCOM, Tambs was a member of Theta Psi, the undergraduate chapter of the American College of General Practitioners in Osteopathic Medicine and Surgery, and the Student Osteopathic Medical Association.

He and his wife plan to move to Mt. Clemens where he will intern at Mt. Clemens General Hospital.

Ronald Martin Majewski of 21889 Connamara Drive recently received a bachelor's degree in electrical engineering from the University of Detroit's College of Engineering and Science.

While attending U of D, Majewski was named to the dean's list for eight consecutive terms and inducted into Eta Kappa Nu, the national electrical engineering honor society.

He also is a member of the Institute of Electrical and Electronic Engineers.

Five Northville residents were among the approximately 900 students receiving degrees at Northwood Institute's 22nd annual commencement ceremonies in Midland.

Students receiving degrees were Robert D. Gould, bachelor of business administration degree in management and marketing; Charles G. Platte, bachelor of business administration degree in management and marketing; Lisa Friel, associate of arts degree in advertising; Lori L. Herguth, associate of arts degree in executive secretarial; and Lisa B. Wiest,

associate of arts degree in fashion merchandising.

The 1981 graduating class was addressed by General Motors President F. James McDonald.

Five Northville residents were among the approximately 383 graduate students to receive master's and specialist's degrees at Eastern Michigan University's spring commencement.

Students receiving degrees were Joseph Paul Borg of 9831 West Seven Mile, MA; Vickie Lynn Greiner of 932 New Haven Court, MA; Lee Edward Harrison of 19314 Northridge, MA; Maureen Beth Hussey of 37391 Rhonwood, MA; and Marjorie Jane Kucher of 101 Hill, MA.

Two Northville residents were among the more than 4,000 students completing degree requirements at Purdue University in May.

Ann Marie Burger of 23846 Lynwood received a bachelor's degree from the college of humanities, social science and education.

David Philip McFadden of 973 Springfield Court received a doctor of philosophy degree.

Two Northville residents were among those who received degrees at Mercy College of Detroit's 40th Annual Commencement.

Frances A. Hoggarth received a bachelor of science degree in medical records science and Donna Wilchek earned a bachelor of science degree in nursing.

Local poet in artist's show

The spiritual and romantic verse of former Northville resident Robbie Clark, also known as Raghudas, will be spotlighted this Sunday night at Stafford's in Orchard Mall when The Lotus Poetry Series presents "A Multi-Media New Age Extravaganza."

Clark will be master of ceremonies as "The Romantic Futurists," a group of local artists who share a "common spiritual vision," present the third in a series of artistic performances.

Sunday's program entitled "Dreaming on a Midsummer Night," will start promptly at 7 p.m.

and will last until 10:30.

In addition to Clark, billed as a "visionary poet," the show will feature such local luminaries as Howard Weingarden, a "painter extraordinaire"; sitarist and painter Joe Lucido; Middle Eastern dancer Deanna Ayoub; "eloquent bard" Brian Lynch; "renowned troubador" Bob Thibodeau; and a special performance by "The Vortex Light Theatre," famous for its laser light shows.

A \$3 donation is requested for Sunday's performance and healthy refreshments will be served. Patrons are urged to be on time.

For further information call the Mayflower Bookshop at 548-1941.

Northville post officer selected Trooper-of-the-Year

Michigan State Police Trooper Bob Garcia stationed at the Northville Post has a list of accomplishments that could stretch the length of your arm.

Garcia's outstanding services are being recognized — he has been chosen Trooper-of-the-Year from a state-wide field of 17 candidates.

Among the activities that helped win this top honor are:

- Crime prevention project for local business in his post area.
- Promotion of better liaison and working relationship with students and others at Plymouth Canton and Salem High Schools.
- Organization of an annual hockey

tournament to benefit the Ann Arbor Burn Center operations.

- Membership on the Redford Youth Commission where his services have included serving as director and chairman.
- Serving as a certified paraprofessional drug counselor with the Redford Information and Counseling Center.
- Promotion of pro-community activities as a member of the Redford Jaycees with whom his services have included co-chairmanship for three consecutive years in the Walk for Mankind project.
- Three years' teaching experience in River Rouge and South Redford

school districts before joining the police force.

- Active with his family in the Unity Church at Livonia.

Garcia was selected for the Trooper-of-the-Year honor for 1980 by a three-member committee.

He becomes the 20th winner of the Gerstacker Community Service award given to the State Police officer, normally of trooper rank, in recognition of outstanding services.

"I really didn't think anything about it (winning)," Garcia recalled after becoming one of 17 nominees for the award, the largest in contention since it was started in 1961.

"I'm really surprised. It's something

you don't really think about and then when you get it you say, 'I don't believe it.' It's hard to put into words," he added.

The candidates were nominated at the post and district levels, then their resumes were screened at the district level before being sent to the final evaluation committee in Lansing.

The three-member screening committee in Lansing was comprised of retired State Police Colonel George L. Halverson, of Okemos, currently vice-president of administration of Dart Energy Corporation; Warren Hoyt, of East Lansing, general manager of Michigan Newspapers, Inc.; and the

Reverend Geoffrey Hayes, of Lansing, pastor of the Asbury United Methodist Church.

Garcia won \$1,500, which is provided by Dr. Carl Gerstacker, an official with the Dow Chemical Company of Midland, and a plaque.

Garcia has been the Northville Post's Community Service Officer since 1978, one year after joining the police force in February of 1977 when he was assigned to Brighton.

He received his BS degree from Central Michigan University and his master's from Eastern Michigan University.

"I didn't give police work a thought in

college," Garcia said. "Around 1971 or 1972 I applied for the State Police, but I was too small."

A person applying had to be 5-10 in height at that time, but when the height requirement was lowered to 5-8 Garcia reapplied.

"I grew up in Redford and always looked up to the State Police," Garcia said, who still lives Redford. "There is a lot of professionalism in the State Police."

After joining the State police, Garcia was assigned to regular road trooper duty. Once transferred to Northville, he

Continued on 10-A

Record photo by JOHN GALLOWAY

DNR programs bypassed

Continued from 4-A

after that time no harm is likely, he said.

Such signs might have been posted, DNR investigator Susan Norton said, but delays in notification to the department made it useless to do so when the situation was brought to its attention.

She said because the determinations were not made until three days after introduction of the chemicals, the algicide had been diluted and the time limits passed.

Police told people to keep children away from the water for the first few days as a precautionary measure.

She speculated that her water samples may not tell the DNR much about how concentrated the Hydrothal-47 became because it may be undetectable in her tests.

Norton said she might have detected more about the algicide operation had she been notified earlier. It was Friday evening, more than 48 hours after the association spread the chemicals, when she first heard of the incident.

DNR sponsors a toll-free Pollution Emergency Alert System (PEAS) telephone line citizens may use to notify the department of any pollution concern, from air and water pollution to toxic waste dumping. The phone number is 1-800-292-4706 and is manned 24 hours per day.

Parson to Person...

"About the Bible"

Dr. James Luther

Did you know that the Bible is unique in all of literature in its claim to be totally without error. Thousands of church covenants and creeds assert their acceptance of the verbal inerrancy of Scripture. But the strange fact is that many in the clergy and many denominations deny this important doctrine. This denial takes two forms: outright rejection of the claims of Scripture and practical rejection by ignoring the Bible in preaching and practice. Thus, many doubt this foundational truth: in spite of the fact that without a dependable Bible, Christianity would crumble.

But consider some important observations regarding the Bible. The unity and harmony of the Bible's 66 books are truly remarkable. Taking over 1600 years in the writing by many individuals who served as God's human instruments, many unknown to one another, it stands without flaw or contradiction.

Fulfilled prophecy is another strong witness. Facts about nations, empires, and moral and social conditions were foretold centuries before their occurrence. Details about the birth and life of Christ were given with pinpoint accuracy.

The Bible is not a textbook on science but all its scientific statements are true. The suspension of the earth in space (Job 26:7) and the roundness of the earth (Isaiah 40:22) are only two of its teachings that had to await acceptance while men struggled with now-discarded theories about our world.

More important is the Savior's guarantee of the authority of the Scriptures. Jesus picked the most difficult parts of the Old Testament to validate. Creation, the flood, the destruction of Sodom, and the experience of Jonah are all declared true by Christ.

Finally, millions have found the principles of Scripture true in daily life. This is the greatest evidence of all. Lives changed, marriages mended, homes healed, personal peace established with God and man, sins forgiven, these can only come from a book inspired by God. Has the message of the Bible changed your life?

Residents report money thefts

The car was last seen traveling east bound on Eight Mile towards Haggerty

residence June 7, township police report.

ded the builder of the house still has a key, police said.

Construction continues ahead of schedule this week for downtown Northville's Mainstreet renovation. To make detours tempting for residents merchants are continuing to offer outstanding bargains in their stores. Curbing is being installed on Main and Center and in the Main Street parking lots. New asphalt and then brick decorative areas will follow. By August everything is scheduled to be finished, except landscaping.

Class of 1931 — 50 years later

Exactly 50 years after picking up their diplomas in graduation exercises on June 18, 1931, members of Northville High School Class of '31 gathered for a buffet dinner reunion June 18 at Vladimir's. Twenty six class members, with spouses and guests bringing the total to 60, attended with several coming from out of state. The evening included a sing-along and dancing. Special guests were teachers, pictured, seated from left, front row: Mildred Zimmerman Schantz, Beth Lapham Taylor, Paul Thompson, Lillian Lyke Rakstraw and Etruria Stalker. With them in the row, right, is Rose Chargo Perkins. Second row, Dorothy Gerge Schuknecht, Eleanor Westphall Wendhorst, Francis Sprenger, Velma Blake Belasco, Miriam Richards Mitchell, Hazel Cordukes Starr and retired Superintendent Russell Amerman. Standing, from left, Hester Keller Horton of Boynton Beach, Florida, Eunice Cousins of Deray Beach, Florida, Mary Ellen Barbour Maxson, Fred Kerr, Victor Miller, Margaret Norton LeFevre, Elmer Westphall (rear), George Greenlee, Howard M. Christensen (rear), Robert Litsenberger, Ned Junod, Elmer Perrin, Hazel Archbold Lyke, Wilfred Sterner, Charlotte Damm Eaton, Mable Bryan Colman, Martin Sommers, Joy Thompson Nelson of San Luis Obispo, California, and Florence Balko Orr.

sought the job as Community Service Officer.

"As CSO I do a lot of juvenile investigative work. I talk with the kids a lot and that is right up my line. I have no problem talking in front of groups," he said.

Of all the accomplishments and activities Garcia is involved in, he said, it is hard to pinpoint one that would stand out more than others.

"The Redford Jaycees, though, would probably be my long-term involvement that has been most satisfying. The Jaycees are quite unique," he offered.

"All of the chapters are different. The Redford Township Chapter is not as formal as others. It has a wide-range of people in it — a wide-range of professionals," Garcia explained.

One project he currently is involved with is helping a man who just bought a home, but discovered there was no foundation.

The house was built 20 years ago,

Garcia said, and when it was discovered there was no foundation it caught everyone by surprise.

"The man has no money to fix the house and he has a bad back so we (the Jaycees) are going to help him. That's the kind of thing the Jaycees do," Garcia said.

Before coming to the State Police department, Garcia was the director of the Redford Youth Commission for five years. He was responsible for developing, directing and maintaining youth programs that were non-athletic in nature.

Although he liked being a school teacher, Garcia knew the market was tight and that school districts would be cutting back on teachers, especially geography teachers like himself.

So Garcia is glad he is involved in a field he likes best, police work.

"You always have immediate goals and there are some long-term goals with the department. Right now, I just enjoy being a trooper. That's where I want to stay for now," he said.

Planners okay Genitti, post office proposals

John and Toni Genitti, owners of Genitti's Meat Market, 108 East Main, received unanimous approval from the Northville City Planning Commission last week Tuesday for the change of use of Ellis' Television Repair Shop to a restaurant.

The approval was necessary for Genitti to be assessed a fee for additional parking since a restaurant requires more spaces than a television repair shop.

The number of additional spaces Genitti would need was not discussed at the meeting, but will be determined when he goes before city council for the fee assessment.

However, the approval was not made without incident.

Commissioner Thomas Wheaton opened discussion on the change of use by asking the Genittis if the restaurant was in use. John Genitti replied, "Yes."

(The private restaurant was opened May 3 and persons must call ahead of time for reservations. Dinners are served Wednesday through Saturday. Genitti has no immediate plans to open the restaurant to the public.)

It was after briefly looking at the architect's plans Wheaton expressed his doubts about the restaurant meeting the city's fire codes.

"I find it hard to believe that the exit of a room into another room rather than directly outdoors is acceptable," Wheaton said.

"I'm aghast that this (site plan) would meet the fire codes in Northville. I can't believe this plan is acceptable to the City of Northville," he added.

Former city engineer Harold Penn, representing the Masonic Temple Lodge which owns the building, said there was a proper exit in the rear of the building for the Hole-in-the-Wall restaurant and there is a straight passage to exit directly outdoors in the front of the private restaurant. The Genittis have been operating the Hole-in-the-Wall restaurant for some time behind the meat market.

Consultant Ronald Nino brought to the attention of the commission during the discussion the only item of their concern was approving the change of use. Commissioner Luke Durst asked a motion for the change of use be approved, which was done so unanimously.

John Genitti said last Friday the building inspector (whom Genitti said he has been waiting to see over a month) has been notified. The inspector was to stop by the restaurant soon for a routine inspection in order that Genitti may obtain his building permit.

Also receiving unanimous approval from the commission was Del Black Shoes second story apartment additions.

Wheaton recommended the site plan be approved as presented and that the planning commission advise city council the dwelling units be shown as presented.

Formal approval for the U.S. Post Office addition was not granted until revisions were made in the site plan.

Wheaton noted during discussion the word "sod" was written in various places on the site plan. Nino said every site plan must have a landscape legend and added this question was avoided.

Also connected with the landscape plan were questions on the rear yard and screening along the south and west sides of the building.

Nino said there was a minimal effort for improvement in these areas while Wheaton added the landscape plan should improve the screening, particularly along the west side because of residences.

Conformance to parking requirements was a concern of Nino's. He said there was not enough room to locate three tiers of parking in the 80-foot area available.

He recommended the applicant, David Timmons, representing the George W. Timmons and Son, Inc., of Columbus, Ohio, building owners who lease to the post office, go before the Zoning Board of Appeals to be granted variances in parking requirements.

Another area of concern on this site plan was what type of drainage system will be used. A sheet drainage system has been proposed, but Nino said when there is an underground system available, this system must be used.

The motion by the commission stated Timmons must return with the proper drainage system and correct the deficiencies in the site plan. Also, he must get the approval from the zoning board on the parking requirements.

The approval of a fee schedule, developed by Nino, was passed six to one by the commission. Chairperson Lesa Buckland and commissioners Durst, Wheaton, Stewart Kissinger, Jerome Mittman and Bruce Turnbull voted yes. Commissioner Charles Freydl voted no. Members James Cutler and Fred Joels were absent.

Nino said in discussions before approval of the plan that Northville's "kissing cousins have been making a few bucks." Under the schedule, persons would be charged a fee to come before the commission for site plan approval.

Durst commented he liked the Plymouth's \$120 across-the-board schedule. However, Nino said he liked the idea of it costing more for a million-dollar business to come before the commission than a \$100,000 business.

Buckland said the variance in the fees was a more equitable way to do things, but Freydl felt the commission should keep its no-fee charge since they have managed without it for years.

Northville city council minutes

NORTHVILLE CITY COUNCIL MINUTES MAY 26, 1981

Mayor Vernon called the meeting to order at 8:00 p.m. ROLL CALL Present: Vernon, Jers, DeRusha, Gardner, Absent: Johnston, Excused: None

MINUTES OF PREVIOUS MEETING The Minutes of the Regular Meeting of May 4, 1981 meeting were approved with the following corrections:

Page 4, 4th paragraph should read, "Councilman DeRusha asked how the funds have been used in the past."

Page 5, 6th paragraph, 2nd sentence should read "He closed the public portion of the hearing and asked for comments from Council."

Page 6, 2nd paragraph should read, "Mayor Vernon suggested this was the appropriate time to consider moving the regular meeting date from May 18 to May 26 because of conflict with 'Mayors' Exchange Day'."

Page 7, 5th paragraph, the word "policy" should be inserted after "the County Board of Commissioners."

Page 8, under the "Miscellaneous heading, the first sentence the word 'Taft Road' should be deleted and the word 'Beck Road' substituted."

The Minutes of the Special Meeting, May 11, 1981 were approved as presented.

MINUTES OF BOARDS & COMMISSIONS Board of Zoning Appeals, April 11, 1981 Downtown Development Authority, April 14, 1981 Northville Housing Commission, April 20, 1981 Northville Planning Commission, April 21, 1981 Northville Recreation Commission, April 8, 1981

APPROVAL OF BILLS Motion by Councilman Gardner supported by Councilman DeRusha to approve the following bills:

GENERAL FUND-\$1,388,61, MAJOR STREET FUND-\$3,049,73, LOCAL STREET FUND-\$1,537,39, WATER FUND-\$36,996,61, EQUIPMENT FUND-\$2,246,55, PUBLIC IMPROVEMENT FUND-\$8,993,40, SHARED SERVICES FUND-\$3,714,56, TRUST & AGENCY-\$13,588,66, PARKING FUND-\$1,500,00, ALLEN TERRACE OPERATING FUND-\$6,911,25, PAYROLL FUND-\$40,618,82, CONSTRUCTION FUND \$116,792,36,

RECREATION FUND-\$16,798,61 Motion Carried Unanimously POLICEREPART a Traffic Control Order 81-04 was put into effect on February 9, 1981 for a 90 day trial period. Chief Cannon has requested that this be made a permanent order.

Chief Cannon explained the area in question, Main and Center, is covered under the Michigan Traffic Code which moves traffic back from a signal.

Motion by Councilman Gardner supported by Councilman Ayers adopt Traffic Control Order 81-04 as a permanent order as follows:

Under Section 27 and 24 of said Traffic Code, the following locations are hereby designated "No Parking No Corner":

North side of West Main Street west of Center Street twenty feet from crosswalk.

North side of East Main Street east of Center Street twenty feet from crosswalk.

West side of North Center Street north of Main Street twenty feet from crosswalk.

Motion Carried Unanimously b. Force 5 - Mutual Aid Agreement Chief Cannon updated Council on action to date.

Councilman asked if this agreement were being presented to all the communities involved.

Chief Cannon answered that it was.

The City Manager explained the agreement which would involve the communities of Northville City and Township, Plymouth City and Township and Canton township. They would cooperate in lending their respective fire investigating and emergency response services.

Chief Cannon was in agreement with this and he stated Fire Chief Allen also thought it was very valuable.

Councilman DeRusha had concerns about the agreement wording and asked for clarification.

The agreement was discussed.

Motion by Councilman DeRusha supported by Councilman Gardner to authorize the Mayor and City Clerk to sign the Force 5-Mutual Aid Agreement.

Motion Carried Unanimously.

c Multiple Stop Intersection The City Manager explained that the intersection of Sherrie and Hillridge, which is a multiple stop intersection, was omitted from the State report and the City was called on it.

The City Manager noted this was a "T" intersection.

Councilman DeRusha stated this was a tight intersection and thought the stop signs were a safer way to approach the intersection.

The City Manager stated all the City's proposals have been accepted at the State level. He mentioned the need to supply rationale for the multiple stop signs unless they are removed.

Councilwoman Ayers noted there had been a parking problem in that area.

Chief Cannon suggested the master list could be amended and this intersection added to it.

Councilman DeRusha explained his reasons for keeping the stop signs there.

Mayor Vernon indicated he would like to leave the intersection the way it is and show the justification which is still pertinent.

The City Manager added the downhill grade of the streets and their configuration. He mentioned it was difficult to stop on Sherrie in the winter.

Council was in agreement to leave Sherrie and Hillridge as a multi-stop intersection.

COMMUNICATIONS FROM CITIZENS. There were none.

AGENDA REVISIONS: There were none.

PUBLIC HEARING: PROPOSED 1981-82 CITY BUDGET: The City Clerk read the Notice of public hearing as published.

Mayor Vernon opened the public hearing and asked for any comments from the audience, there being none, he closed the public portion of the hearing and asked for comments from Council.

The City Manager recommended that the budget be revised in order to show a balanced financial condition in the General Fund for the bond statement (S Main Paving). He suggested appropriating an additional contribution from the Public Improvements to the General Fund for fiscal 1980-81 to offset the General Fund deficit, up to a maximum contribution of

\$70,000, and reduce the Public Improvement Fund's contribution to the General Fund by the same amount for fiscal 1981-82.

He explained the result of these two changes would leave both funds in the same position at June 30, 1982, as is projected in the proposed 1981-82 City Budget.

Motion by Councilwoman Ayers supported by Councilman DeRusha to appropriate a maximum contribution up to \$70,000 from the Public Improvements Fund to the General Fund for fiscal 1980-81 and reduce for fiscal 1981-82 the Public Improvement Fund's contribution to the General Fund by the same amount.

Motion Carried Unanimously.

The City Manager noted changes that would have to be made in the 1981-82 City Budget Resolution as follows: \$66,866 would have to be subtracted from the Inter-Fund reimbursement figure which would now be \$611,412. This was caused by the changes made above. The total budget, both Revenues and Appropriations would be \$2,346,760.

Mayor Vernon mentioned the City operating millage would be 13.68, 50 mill for S Main Street Paving debt retirement and 1.30 mills for the Randolph Drain Debt retirement.

Motion by Councilman DeRusha supported by Councilman Gardner to adopt the following Resolution:

RESOLUTION 1981-1982 CITY BUDGET WHEREAS, a public hearing has been held in accordance with the City Charter and Act 2, Public Acts of 1968, as amended, NOW THEREFORE BE IT RESOLVED that appropriations are hereby made as follows:

(1) for the 1981-82 GENERAL FUND

General Fund Revenues: Property taxes-\$1,089,948, State-shared revenues-\$291,500, Fees & permits-\$39,800, Fines & District Court-\$181,100, Sales of services-\$37,000, Federal grants-\$51,000, Interest & misc -\$45,000; Inter-fund reimbursement-\$611,412, Total-\$2,346,760.

General Fund Appropriations: Administration-\$402,965; Police Department-\$724,200, Fire Department-\$133,750, Building Department-\$45,725; Public Works-\$411,750; City-Twp. shared services-\$33,600, Ins., fringes & misc -\$534,770, Total-\$2,346,760.

(2) for the 1981-82 MAJOR AND LOCAL STREET FUNDS

Revenues MAJOR STREETS: Gas & weight taxes-\$80,200; City Contributions-\$30,655, Interest & misc -\$400, Total-\$111,255.

Revenues LOCAL STREETS: Gas & weight taxes-\$31,800, City Contributions-\$72,190, Interest & misc -\$150, Total-\$104,140.

Appropriations. MAJOR STREETS: Routine maintenance-\$45,220, Drainage systems-\$3,680; Traffic services-\$11,450; Winter maintenance-\$26,560; Administration-\$12,860, Bond Retirement-\$11,485; Total-

\$111,255 Appropriations LOCAL STREETS: Routine maintenance-\$49,240, Drainage systems-\$3,520, Traffic services-\$6,220, Winter maintenance-\$26,560, Administration-\$12,360, Bond Retirement-\$0; Total-\$104,140.

BE IT RESOLVED, that Federal Revenue Sharing Funds received in the 1981-82 fiscal year are hereby appropriated as follows:

Police Equipment-\$21,800, Fire Equipment-\$19,230, Fire Inspection Program-\$12,000.

BE IT RESOLVED FURTHER, that taxes are hereby levied for the 1981 tax roll as follows:

(1) For City operating purposes, 13.68 mills to be collected on the July tax bills,

(2) For South Main Street Paving debt retirement, 0.50 mill to be collected on the July tax bills,

(3) For Randolph Drain debt retirement, 1.30 mills to be collected on the December tax bills.

BE IT RESOLVED FURTHER, that the City Manager is hereby authorized to transfer up to ten percent (10%) of each appropriation to any other appropriations within each fund, but not between funds.

Continued on 13-A

NOTICE OF THE LAST DAY FOR RECEIVING REGISTRATIONS FOR THE REGULAR PRIMARY ELECTION TO BE HELD IN THE CITY OF NOVI ON TUESDAY, AUGUST 4, 1981

PLEASE TAKE NOTICE that any qualified elector of the City of Novi, County of Oakland, who is not already registered may register for the regular primary election to be held on the 4th day of August, 1981, in said City.

The City Clerk will be at her office in the City Hall on each working day during regular working hours until and including Monday, July 6, 1981, for the purpose of receiving registrations of qualified electors of the City of Novi not already registered.

On July 6, 1981, which is the last day for receiving registrations for said regular primary election to be held on Tuesday, August 4, 1981, the City Clerk will be at her office between the hours of 8 a.m. and 8 p.m., Eastern Daylight Time, for the purpose of receiving registrations of qualified electors.

THE LAST DAY FOR RECEIVING REGISTRATIONS FOR SAID REGULAR PRIMARY ELECTION TO BE HELD TUESDAY, AUGUST 4, 1981, WILL BE MONDAY, JULY 6, 1981.

Geraldine Stipp
City Clerk

Publish: 6/24 and 7/1, 1981

NOTICE OF LAST DAY OF REGISTRATION OF THE ELECTORS OF NORTHVILLE PUBLIC SCHOOLS WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

TO THE ELECTORS OF THE SCHOOL DISTRICT:

Please Take Notice that the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan, has called a special election to be held in the School District on Tuesday, July 28, 1981.

TAKE NOTICE that the following proposition will be submitted at the special election on Tuesday, July 28, 1981:

MILLAGE RENEWAL PROPOSITION (REDUCED FROM 1980 EXPIRED MILLAGE)

Shall the limitation on the amount of taxes which may be assessed against all property in Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan, be increased by 7.0 mills (\$7.00 on each \$1,000.00) on state equalized valuation for a period of 3 years, 1981 to 1983, inclusive, for the purpose of providing additional funds for operating purposes (this being a decrease of 2.50 mills from the 9.5 mills which expired with the 1980 tax levy)?

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS, IN ORDER TO BE ELIGIBLE TO VOTE AT THE SPECIAL ELECTION CALLED TO BE HELD ON TUESDAY, JULY 28, 1981, IS MONDAY, JUNE 29, 1981. PERSONS REGISTERING AFTER 5:00 O'CLOCK P.M., ON MONDAY, JUNE 29, 1981, ARE NOT ELIGIBLE TO VOTE AT THE SPECIAL SCHOOL ELECTION.

Persons planning to register with the respective city or township clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This Notice is given by order of the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan.

CITY OF NOVI REQUEST FOR BIDS OFFICE SUPPLIES

The City of Novi will receive sealed bids for office supplies to be used by all municipal offices, in accordance with the City of Novi specifications. All bids must be submitted on forms provided and must be signed by a legally authorized agent of the bidding firm. Specifications and bid forms may be obtained at the Office of the City Clerk, 45225 W. Ten Mile Road, Novi, Michigan 48050.

Bids will be received until 3:00 P.M., EDT, Wednesday, July 15, 1981 at the Office of the City Clerk. Bids must be plainly marked "OFFICE SUPPLY BID".

The City reserves the right to accept or reject any or all bids, to waive any irregularities and to make the award in a manner that is in the best interest of the City of Novi.

Geraldine Stipp

CITY OF NOVI NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Board of the City of Novi will hold a public hearing to consider the rezoning request of Delco Construction Company to rezone the following described property. This rezoning has been granted by the Planning Board upon the developer's request. The developer has cited that he did not receive notification of the prior hearing. Said hearing will be held at 7:30 P.M. EST, Wednesday, July 15, 1981, at the Novi Public Library, 45245 W. Ten Mile Road, Novi, Michigan.

PROPOSED

Ordinance No. 18.329 Zoning Map Amendment No. 329

To rezone a part of the northeast 1/4 of Section 34, T.1N., R.8E., City of Novi, Oakland County, Michigan, being Parcels No. 22-34-226-007 and 22-34-226-008, said parcels being more particularly described as follows:

Beginning at a point on the north line of Section 34, said point being S89°37'50"W 256.45 feet from the northeast corner of said Section 34, thence S89°37'50"W 259.45 ft.; thence South 185.00 ft.; thence S89°37'50"W 145.00 ft.; thence South 231.23 ft.; thence N89°40'30"E 660.70 ft. to a point on the east line of said Section 34, thence North 246.50 ft. along said east line of Section 34; thence S89°37'50"W 256.45 ft.; thence North 170.00 ft. to the point of beginning, and the east 256.45 ft. of the north 170.00 ft. of the northeast 1/4 of the northeast 1/4 of Section 34.

EXCEPTING THEREFROM: Any part of the above-described land taken, deeded or used as a street, road or highway.

FROM: R-3 ONE-FAMILY RESIDENTIAL DISTRICT

TO: B-3 GENERAL BUSINESS DISTRICT.

Comments concerning the request will be heard at the public hearing or written comments will be received in the Office of the City Clerk, 45225 W. Ten Mile, Novi, Michigan 48050, until 5:00 P.M., Wednesday, July 15, 1981.

All interested persons are urged to attend this hearing. This will be the only public hearing that will be held.

Fun and games at Winchester

Chris Handyside, left, and Siegfried Shyu tackle a game

One of the many activities taking place at the close of this school year was the all-elementary District Game Day held at Winchester Elementary School.

Participants in the event were 90 first through sixth grade gifted and talented students from the four Northville elementary schools.

Students participated in a variety of activities including a computer demonstration by ISEP Computer Programmer John Smallwood and Silver

Springs parent David Ibach. Other activities included games such as chess, Mastermind, Black Box, IQ and several others.

Gifted and Talented Facilitator Gayle Fountain supervised the program along with Winchester Principal Milton Jacobi.

According to Fountain, game day provides gifted students from all four elementary schools with an opportunity to interact with each other, as well as demonstrate high-level thinking skills which they have been practicing.

Gayle Fountain explains game rules to Shamser Sidhu, left, and John Llewellyn

From left, Patrick Beemer, Robert Gaines, Mark Kiraly and Michael Valentine gather around computer demonstrator David Ibach

City of Northville Council Minutes

Continued from 12-A

BE IT RESOLVED FURTHER, that the financial plans included in the 1981-82 City Budget Document for the Equipment Fund, Sewer and Water Fund, Public Improvements Fund, Parking Fund, Special Assessments Fund, the Allen Terrace Operating Fund and the Downtown Development Project Fund are hereby accepted and approved.

Motion Carried Unanimously. PUBLIC HEARING: PROPOSED ORDINANCE AMENDMENT, TITLE II, CHAPTER 2, PURCHASES AND SALES, SECTION 209 UNCLAIMED PROPERTY OF THE CODE OF ORDINANCES FOR THE CITY OF NORTHVILLE.

The City Clerk read the notice of public hearing as published. Mayor Vernon opened the Public Hearing and asked for comments from the audience, there being none, he closed the public portion of the hearing and asked for comments from Council.

Motion by Councilman Gardner supported by Councilwoman Ayers to adopt an amendment to Title II, Chapter 2, Purchases and Sales, Section 209 Unclaimed Property of the Code of Ordinances of the City of Northville.

Motion Carried Unanimously. JUDICIAL SALARIES AND JUDICIAL SALARY STANDARDIZATION PAYMENTS.

A copy of the Judicial Salaries and Judicial Salary Standardization Payments and a copy of House Bill No. 4132 explaining the payment was on the table. Mayor Vernon stated he was not prepared to take any action on this.

The City Attorney stated the State was telling local communities how to do things.

The City Manager had not received anything from the local court to date.

The City Attorney would present a report at the next meeting as to the City's obligation.

b. COURT COST ALLOCATION AGREEMENT. A Resolution allocating district Court fines and costs for the 35th District was received.

The City Manager explained that the District Court Advisory Committee decided that something should be put down on paper re the distribution of costs and fines. He mentioned there were years when the costs were more than the fines. The resolution makes the clarification that the fines are not paid where they are heard. He recommended approval of the resolution.

Motion by Councilman Gardner supported by Councilman DeRusha to adopt a resolution allocating District Court Fines and Costs.

Motion Carried Unanimously. WALK FOR MANKIND - JUNE 6.

a. Checkpoint: City Council's checkpoint location is at the Wall on Main St. Suggested time of arrival should be 8:45 and possibly stay until 1:00 p.m.

Councilwoman Ayers would be there at 9:15 till 10:00 a.m. and could come back by 10:30 a.m. Councilman DeRusha would be there, also the City Manager.

b. Walk Sharing Group: Council agreed they did not want to participate in the Walk for Mankind Sharing Group.

AMERICAN RED CROSS PROCLAMATION.

Motion by Councilman Gardner supported by Councilwoman Ayers to adopt a proclamation recognizing the many contributions of the American Red Cross during its first 100 years, and in pledging the City of Northville's support to the Red Cross in its second century of service.

Motion Carried Unanimously. The meeting was recessed at 9:40 p.m. and reconvened at 9:55 p.m.

MICHIGAN MUNICIPAL LEAGUE CONVENTION RESOLUTION DEADLINE JUNE 1.

be held Sept. 9-11, 1981.

Mayor Vernon indicated he would like to see a resolution re the Minor Violations Bureau. The City Manager commented on getting support from Senator Geake and Representative Kirksey, also from the District Courts.

Mayor Vernon mentioned he had talked to Judge Goodwillie who had some concerns about the mechanics of implementation of the bureau and was supposed to talk with the City Attorney about it.

The City Attorney stated he would get back with Judge Goodwillie. He mentioned that other areas are already implementing it. He thought it should be done and would like to get support of the district judges.

Mayor Vernon asked the City Attorney to pursue this. The City Manager stated he would get back with Judge Goodwillie. He mentioned that other areas are already implementing it. He thought it should be done and would like to get support of the district judges.

Mayor Vernon asked the City Attorney to pursue this.

Flags, Posters, Banners, Signs and Decorations REQUEST - ASHERS: Communication with Richard Asher of Asher's Station requesting permission to place flags, posters, banners, signs and decorations on the business premises in celebration of 30 years in business in the community on June 18, 19 and 20.

Motion by Councilwoman Ayers supported by Councilman Gardner to grant approval to Asher's Station to place flags, posters, banners, signs and decorations on the business premises to celebrate their 30 years in business in the community on June 18, 19 and 20.

Motion Carried Unanimously. SEMCOG NOTICE OF INTENT FOR FEDERAL ASSISTANCE AND DEVELOPMENT.

a. Federal Grant Assistance - Fish Hatchery Park-Phase II: No objections have been received by SEMCOG.

b. Federal Development Project Expansion of Existing U.S. Post Office. No objections have been received by SEMCOG.

c. Appointment to Advisory Committees. Mayor Vernon asked if anyone were interested in serving to contact SEMCOG.

S. MAIN STREET BOND RESOLUTION. The City Manager indicated that a decision should be made regarding obtaining the services of a financial consultant. He noted the First of Michigan Corporation's successful efforts in soliciting big money from out-of-state provided the low bid of \$625 for the DDA. He stated their fee would be 0.7% of \$455,000 or \$3,400.

It was his recommendation that the City contract with the First of Michigan for financial consulting services again, because of the very unstable bond market. He explained the state law which limits municipal bonds to a maximum of 13% interest rate, and some cities have received no bids in recent weeks because of this limit.

Motion by Councilman Gardner supported by Councilman DeRusha to retain the First of Michigan Corporation as Bond Consultant.

Motion Carried Unanimously. Communication from the City Clerk stating the City Board of Canvassers met on Thursday, May 20, 1981 at 7:30 p.m. in the City Hall. The City Proposal B was canvassed and the election was certified as follows:

Total Votes on Proposal B-1,866. Total No. of YES Votes-1,341; Total No. of NO Votes-525; Spoiled Ballots-4.

The Resolution to issue GENERAL OBLIGATION UNLIMITED TAX HIGHWAY BONDS be issued in the aggregate principal sum of Four Hundred Fifty-five Thousand Dollars (\$455,000) for the purpose of paying the cost of the project as described in the ballot was presented for approval.

Motion by Councilman Gardner supported by Councilwoman Ayers to adopt the resolution to issue General Obligation Unlimited Tax Highway Bonds in the sum of Four Hundred Fifty-five Thousand Dollars (\$455,000) for the purpose of paying the cost of the project as described in the ballot was presented for approval.

Motion Carried Unanimously. The meeting was recessed at 9:40 p.m. and reconvened at 9:55 p.m.

MICHIGAN MUNICIPAL LEAGUE CONVENTION RESOLUTION DEADLINE JUNE 1.

cluding all necessary related costs.

Motion Carried Unanimously. Paul Folino, President, Chamber of Commerce, stated he would like to thank the City Council and City Manager for the hours of work in getting the brochures passed out and getting this project through. He thought it was a credit to the entire City to make this become a reality. On behalf of the Chamber of Commerce he thanked the Council.

Mayor Vernon added a debt of gratitude to the Chamber for without their help this might not have gotten through.

McNeely & Lincoln Associates, Inc. proposed to furnish the referenced design drawings, including the necessary site surveys for the paving and drainage of the S. Main St. project between the West line of Griswold Avenue extended and the South line of Seven Mile Road (East of Northville Road) extended, including necessary off-site storm drainage and appurtenant pavement transition sections for a fee of five percent (5%) of the construction bid amount.

Mayor Vernon asked if McNeely & Lincoln Assoc., understanding of what the Wayne County Road Commission will furnish was correct.

The City Manager stated the listing was correct. He added that Wayne County have their own specs and the City will have to conform to them.

It was asked if the City would have to go out for bids on this. The City Attorney advised they did not have to go out for bids on professional services.

It was noted that McNeely and Lincoln had performed satisfactorily on the DDA.

The City Manager mentioned the time schedule involved and stated he and McNeely would try to pin down Wayne County on a time basis and will stay with them on a day to day basis.

Councilwoman Ayers asked if the expected construction time on this.

The City Manager thought all of three months if the accepted bidder was a larger contractor. He suggested the project might be finished by the middle of October to the middle of November.

Motion by Councilwoman Ayers supported by Councilman Gardner to accept the McNeely & Lincoln Associates as the designer of the S. Main Street paving project.

Motion Carried Unanimously. HOUSING COMMISSION ALLEN TERRACE ENERGY CONSERVATION PROJECTS.

The Housing Commission requested City Council's approval to proceed with the obtaining of bid proposals for the purchase and installation of an energy savings transformer for Allen Terrace at the approximate cost of \$20,000.

The City Manager commented that if the bids are reasonable they will proceed with the work, otherwise they will not.

Motion by Councilman DeRusha supported by Councilwoman Ayers to authorize the Housing Commission to accept bids for an energy saving transformer.

Motion Carried Unanimously. The Housing Commission requested pursuing a contract with BEMS, Inc., for an energy conservation study for Allen Terrace, to determine possible energy savings. The total cost of the study would be \$4,000.

The City Manager explained the City had originally contracted with BEMS for the City Hall and DPW energy study as a State funded project. Allen Terrace could not qualify for the project at that time.

He mentioned Mr. Kunz, BEMS, was appointed to the Housing Commission and had started to do some of the energy study voluntarily. He explained the cost of the whole program would run .10 to .12 per sq. ft. The \$4,000 amounts to less than .08 per sq. ft.

Motion by Councilman DeRusha supported by Councilwoman Ayers to authorize the Housing Commission to accept bids for an energy saving transformer.

Motion Carried Unanimously. The Housing Commission requested pursuing a contract with BEMS, Inc., for an energy conservation study for Allen Terrace, to determine possible energy savings. The total cost of the study would be \$4,000.

The City Manager explained the City had originally contracted with BEMS for the City Hall and DPW energy study as a State funded project. Allen Terrace could not qualify for the project at that time.

He mentioned Mr. Kunz, BEMS, was appointed to the Housing Commission and had started to do some of the energy study voluntarily. He explained the cost of the whole program would run .10 to .12 per sq. ft. The \$4,000 amounts to less than .08 per sq. ft.

Motion by Councilman DeRusha supported by Councilwoman Ayers to authorize the Housing Commission to accept bids for an energy saving transformer.

Councilwoman Ayers stated she felt there was not much of a problem having Mr. Kunz do it because he is an interested person.

The City Manager explained it was more of a concern of the Housing Commission.

Councilwoman Ayers asked about the cost savings at the DPW and City Hall.

The City Manager explained the considerable savings received by implementing the energy programs in both the DPW and the City Hall.

The City Attorney suggested Council adopt a motion to waive bids in view of the report of the City Manager that it would be of no advantage to the City to go out for bids.

Motion by Councilman DeRusha supported by Councilman Gardner to waive bids according to Title 2, Sec. 2-22 (d) of the Code of Ordinances of the City of Northville.

Motion Carried Unanimously. Motion by Councilwoman Ayers supported by Councilman DeRusha to contract with BEMS for an energy conservation study for Allen Terrace in the amount of \$4,000.

Motion Carried Unanimously. COMMUNICATIONS.

a-1. Resolutions From City of Novi re opposition to S.B. 78 - return of gasoline tax receipts to local units of government.

a-2. From City of Birmingham re opposition to SB 182 - which prohibits an employer from taking punitive action against an employee who refuses to work more than 40 hours a week.

Motion by Councilman DeRusha supported by Councilman Gardner to adopt a resolution opposing SB-182 and the City be sent to our local legislators and surrounding communities.

Motion Carried Unanimously. a-3. From City of Berkeley urging Oakland County Solid Waste Management Commission to place greater emphasis on resource recovery.

Council was interested in this but no action was taken.

a-4. From City of Allen Park opposing H.B. 4418 because it gives no control to local unit of government.

The City Attorney would get a copy of this bill from Senator Geake. He mentioned Adult Foster Care homes are also going to be used for mentally ill with no difference being shown.

Councilwoman Ayers mentioned she had talked with Carolyn Park from the NRTC who noted a Citizens Advisory Committee was being formed excluding government officials. She is in charge of forming the committee. Councilwoman Ayers also mentioned the NRTC are proceeding as though the application had taken place and are proceeding on choosing the people who will live there.

The City Attorney suggested a call to find out what the Citizens Advisory Committee is.

Mayor Vernon had received a letter dated May 19 from _____ stating they are planning on locating some homes in our community. The letter was quite detailed in its explanations and dealt with the establishment of a citizens advisory committee.

Discussion followed.

b. News release from Sen. Doug Ross re transportation fund's formula change effort.

c. Wayne County Community Development Block Grant Program - Advisory Council Meeting Minutes.

d. Election of SEMCOG Officers Information.

e. Letter with enclosures re by-passing local government.

f. Notice of Transportation System Management Committee meeting including minutes, project evaluation results, TSM Plan recommendations, etc.

g. Notice of the Third Day of the Equalization Session of the Wayne County Board of Commissioners meeting to be held May 21, 1981 with agenda.

h. Note from Marle Colling, Rouge River Watershed Council advising of public meeting on initial alternatives for treating wastewater and improving water quality.

1. Huron Valley Wastewater Control System - Rate Review Committee Minutes, Constitution and By-Laws, Resolutions and roster of delegates and alternates.

Notification of Oakland County Solid Waste Planning Committee on May 26, 1981 including summary of questions and comments made at April 13 meeting.

k. Communication from Wayne County Public Works re Rouge Valley System 31c/mcf Non-residential Wastewater Flow Surcharge, and correspondence from Detroit Water and Sewerage Department re same.

1 Notification of availability of Financial Statements in connection with the Rouge Valley System.

m. Correspondence from Rep. Fessler re receipt of resolutions concerning municipal boundaries, policing Hines Park, and opposition to tax plan on May 19 ballot.

n. Letter from Rep. Kirksey concerning expected reimbursement for 1981 Presidential Primary.

o. Confirmation that City of Northville will participate in the UTILCOM/MRS Field Trial Project.

p. Police Officers request to open negotiations and selection of bargaining representatives.

Appropriate action would be taken and meetings set up.

q. Letter from Northville Township re Wallis Street Paving.

The City Manager had met with Township Manager Leiko and Township Clerk Heintz re prices. He noted the Township would have to deal with the WCRC rather than with the City.

Mayor Vernon asked if the City would have any difficulty re the road maintenance.

The City Manager could not see any difficulty with it.

The City Attorney asked if the Township would special assess for this.

The City Manager indicated they would not, that it would be on a voluntary basis.

Mayor Vernon asked about the last paragraph in the letter re an agreement being reached as to engineering costs to be either shared by the participants, the City, Chamber of Commerce or other interested parties.

The City Manager assumed the City would pay for their share and would not be surprised if one of the other participants would also, just to get the project moving. He explained about having the paving of Wallis Street as a bid alternate to S. Main paving.

MISCELLANEOUS: Communication from the City of Plymouth stating they had adopted a resolution authorizing the Mayor and City Clerk to sign the contract for fire inspections with the City of Northville.

Letter of resignation was received from Councilman Stanley Johnston effective with the first City Council meeting in July, 1981.

Mayor Vernon had talked with Councilman Johnston about this and he (Johnston) was concerned about not being able to function on the outside activities, i.e., District Court Committee, etc. He has chosen to resign and give City Council the ability to appoint a Councilperson until the next regular election. This would make three council seats and the mayor to be elected at the November election.

Councilman Gardner noted Councilman Johnston has served the community in many ways, the School Board, Council, Recreation and has been very community minded. His contributions will be missed.

Motion by Councilman Gardner supported by Councilman Ayers to reluctantly accept Councilman Johnston's resignation effective the 1st regular meeting in July and express thanks and gratitude for his many years of service to the City.

ty. Motion Carried Unanimously. Mayor Vernon mentioned that the present Council members could not assume any more responsibility. Openings would be created on the Recreation Commission and the Court Committee. He suggested giving serious thought to appointing someone to his seat. He also suggested making a public announcement and anyone who might be interested in serving could make it known to the City Clerk. City Council would respond and could make a selection. He stated it would require almost immediate action.

The City Manager asked Council if they wanted to have a City Council meeting on Monday June 4 since there would only be 4 business days since the May 26 meeting.

Motion by Councilwoman Ayers supported by Councilman DeRusha to cancel the regular meeting for Monday, June 1, 1981.

Motion Carried Unanimously. Mayor Vernon noted it would require a unanimous vote by Council to appoint a councilperson. He mentioned the procedure could be similar to hiring the City Manager and appoint a committee to do the screening or as with the boards and commissions.

Councilwoman Ayers preferred the entire City Council review the appointee.

Mayor Vernon stated it would become a public meeting at that point.

Councilwoman Ayers asked if they would call a special meeting.

Mayor Vernon commented that he would prefer a special meeting and the only business would be the appointment of the councilperson.

The City Manager asked if it should be announced that people wishing to apply should do so by June 12.

Mayor Vernon suggested pointing out responsibilities other than City Council meetings, also the Charter conditions.

Motion by Councilman DeRusha supported by Councilwoman Ayers to authorize the City Clerk to advertise the vacancy on City Council and ask for applications. The deadline to receive the applications would be Friday, June 12, 1981 at 5:00 P.M. Qualifications should be stated.

Motion Carried Unanimously. Councilwoman Ayers asked for an update on the DDA.

Mayor Vernon explained that all bids had been let and a schedule of completion was received.

The City Manager explained in detail what was happening re the DDA.

Mayor Vernon mentioned an informational brochure was being developed to be given to businesses in Northville who in turn would hand the out to customers re what is happening downtown.

The City Manager mentioned the landscaper would do his work in October and November.

Councilman DeRusha referred to an article in the Michigan Municipal League Bulletin re the Mobile Homes. He stated a mobile home could be put in any subdivision in the City and thought that perhaps there was something they could do legally to confine mobile homes in a particular area. He would like to see more information to see what the City can do. He also wondered if some changes should be made in our ordinances and felt this should be looked into in order to make an intelligent decision.

The City Attorney stated this will be discussed at the meeting he will be attending the first weekend in June. He stated he has not had a chance to look at the legislation and he will try to get more information on the subject.

The City Attorney thought this question will probably be a panel type discussion.

The City Attorney checked on the remaining of court cases from Wayne County and gave the following figures:

1978 1686 cases, 50 were remanded

1979 2034 cases, 65 were remanded

1980 2287 cases, 98 were remanded

Meeting adjourned at 11:35 p.m.

He'll enter medical school

Harry Allie Zion, son of Mr. and Mrs. Norman A. Zion of 744 Carpenter, has been accepted into the University of Oklahoma's Medical School.

Zion, who was graduated with honors from Northville High School in 1975, will begin his medical studies this fall.

He received a bachelor of science degree in general biology from Eastern Michigan University and was graduated magna laude in 1979 with a grade point average of 3.85.

His minors were zoology and chemistry.

In addition to completing the honors chemistry program, Zion received the Regent Scholarship, the Endowment Scholarship, the Residence Hall Leadership Scholarship and the Board of Regents Scholarship.

He is a member of the Stoic Honorary Society, Phi Kappa Phi National Honorary Society, the American Association of Zoological Parks and Aquariums and the Michigan Entomology Society.

He also is listed in "Who's Who Among Students in American Colleges and Universities."

While attending EMU, Zion served as athletic director and alternate hall governor for Jones Hall dormitory and was vice president of the Biology Club from 1977-78.

He also tutored in general biology, botany, genetics and zoology.

He also is listed in "Who's Who Among Students in American Colleges and Universities."

Dead fish tales

The accidental "overdosing" last week of a retention water basin to rid it of algae is frightening to a community that counts as one of its most visual assets the streams flowing through it. Fortunately, the incident was without disastrous consequences.

Department of Natural Resources investigators assure that the fish that died along the Randolph Drain stream will be replaced very soon by nature and, with the aid of weekend rains, the chemicals have been so diluted they will not harm anything downstream. They never endangered wildfowl by the mill race.

The DNR spokesperson investigating the accident stressed that the condo association was attempting only to clean what it thought of as its own basin. Apparently the vendor of the chemicals advised the association that no permit was needed, when one actually is required because the basin flows into public waters. Fortunately, the vendor's advice was correct in the selection of relatively benign, approved chemicals. Still, it pro-

ves that regulations which sometimes appear rigid are vital-ly needed.

For future reference, without making any implication of wrongdoing on the association's part, we would advise those considering chemical treatments of water or land to seek the DNR's advice before going forward. The incident should make clear that such actions can have complex environmental impacts and that persons not trained in the field cannot predict the results.

It also should make all of us aware of the importance of our local streams and the mill race. Even the DNR spokesperson was familiar with the community's "live-in" duck population and noted the attractiveness of the stream despite its official designation as a county storm drain.

This unintended chemical purge of the area upstream now can be a warning that DNR advice, and, yes, regulation, is available and needed. This time government is working for us.

Education at stake

Decision of the Northville Board of Education last week to accept the Citizen Advisory Committee's recommendation to seek a 7-mill renewal for a three-year term at the special election on July 28 is a good one. The election was set following defeat of the 9.5-mill renewal in April, but the amount of millage to be sought was delayed until a citizen advisory committee could study the situation.

The reductions that a 7-mill levy would entail, it was pointed out at the meeting, have been made in areas where the committee members felt cuts could be made without directly harming the basic educational program. The reductions necessary amount to \$700,000 with the largest amount — \$200,000 — coming from teacher staff reductions with a 9.5 reduction of this total due to declining enrollment and teachers returning from leave.

Though the 9.5 teaching staff reduction had been approved by the board prior to the committee's study, other reductions are being made in areas of transportation, extra curricular activities, a central office administrative position, non-teaching personnel and in supplies.

The decision to scrutinize the district's budget has been imposed on the board by the April renewal defeat. Taxpayers, forced by inflation, soaring interest rates and depressed economic conditions — especially those associated with the automobile industry, directly or indirectly — said at the ballot box that the

school district, too, must inspect its budget.

The next step now must be to convince voters that it is a lean budget. Residents have indicated that they are aware of administrative salary increases and are questioning the generosity of the board. They now are wondering if there has been discussion in these meetings of any voluntary holding the line. We would like to see the school board make an in-depth study of the duties and salaries of the entire administrative and support staff.

It is easy, as observers stated in April, to look to teaching staffs for the reductions. However, personnel is where the large amounts of money are spent. The school board, which should be commended for serving without compensation, is well aware that the district has a teaching staff with more than half at top of scale. This means that the average teacher with a bachelor's degree earned \$18,625 a year and, taking all degrees into consideration, the average for the 1980-81 year was \$24,578.

There is no doubt that additional millage is needed to provide the quality education this community deserves and should support. But, especially in the present economic situation, it should be demonstrated that those who fund good education at the expense of other needs are doing so with every tax dollar well spent. This is the board's challenge and responsibility in the next four weeks.

Off the record

By Kevin Wilson

Are you ready for punk government?

The conservative trend in politics may seem an unlikely ally of the philosophy behind what was once known as punk rock and is now referred to as "new wave," but it shares an interest in semantics, and more importantly, under close examination shares values with it as well.

Semantically, both are fond of the word "devolution." Sort of an inverse of evolution, the word is at the base of new wave philosophy and is being used to describe the current activity of governments run by the so-called "new conservatives."

There is (was?) a punk rock (they'll hate it, but I don't think either rock or politics contains anything new, so refuse to use new wave or new conservatism) band by the name of "Devo." And a song by that name.

The current issue of SEMSCOPE, monthly newsletter of the Southeast Michigan Council of Governments (SEMCOG), contains a commentary from executive director Michael Glusac about devolution.

As Glusac has it, the federal administration is using devolution to describe its decision that states should administer federal programs such as HUD housing, health and human services, energy, special education and environmental concerns.

Glusac is, understandably, upset about the attempt (yet to be approved by Congress) to send block grants directly to the states rather than to local or regional organizations such as his own SEMCOG.

The Reagan administration calls the plan, in addition to devolution, the "New Federalism" (another so-called new thing under the sun I refuse to acknowledge as new).

Now, it is clear that the conservatives and the punks are using different definitions of devolution. The rockers (who could be legitimately called the new disillusioned youth) have it that man has reached the pinnacle of his evolution and is now descending, step-by-step, back to his ape ancestry.

This philosophy they use to justify barbarian behavior, calling themselves the humans of tomorrow while acting like animals of yesterday.

The conservatives claim devolution means the "passing to a successor of anything, such as property, rights and qualities," and "a delegating of authority or duties to a subordinate or

substitute."

Which fits in well with the plan to hand over federal programs to the states.

But are the punks and the new administration so far apart? Yet a third definition of devolution is "a passing down through successive stages," which I contend applies equally well to both uses.

As government shrinks, it exhibits a tendency to also shirk its duties, or realign them in such a way to be absolved from blame for problems.

Now, I am not at all fond of what liberal governments have wrought, but I'm not exactly thrilled at what is supposedly the coming thing.

If a massive build-up of arms, at the expense of other uses of resources, is not an exhibit of barbarism, I can't think of one.

If cuts to the space budget, at a time when space may be the human race's only hope (not America's perchance, but the species' as a whole), is not an indication that we would rather stay here and grub about in the dirt than look toward a higher future, than I'm lost to say what it is.

If the fact that both punks and the "new right" think Darwin had it all wrong is mere coincidence, I missed out when taught to perceive irony.

If legislation prepared to "protect" women from roles outside the home is not devolution of social progress, what is it?

These thoughts, expressed at other times and places, have resulted in my being called a knee-jerk liberal, which I gather is some sort of 1980s version of the scarlet letter.

Think what you will, I know better. Those who think I'm picking at semantics can go their merry ways. Those who think this has nothing to do with Northville can watch how long it takes to construct the senior citizen housing project which the township has fought so long and hard to obtain.

Or start watching closely, to see if the state's problems with crowded prisons don't affect Northville in the next few years, particularly if the state starts getting all the dollars.

Look to your children, then to your government. Are you ready for punk government, now or in a few years? I'm not, and I don't think I'm alone.

Jack Hoffman's column

The best laid plans...

"It'll never happen again," she said, pointing out that she had placed a second car key in my wallet for the next time I locked my keys inside. So the "next time" I was able to get into the car but, alas, no ignition key. It and my other keys were locked inside the newspaper office.

The grasshoppers devastated last year's back yard crop of zinnias. "It won't happen next year," I said, announcing that instead of flowers I'd plant resistant vegetables. So this spring in went some super cabbages. This morning they were gone...nibbled down to the roots by rabbitoppers.

"If you ever come to Washington, be

sure to let me know...I'll give you and your family an 'inside' tour," the congressman has been saying for years. We're going, finally. "I'm sorry, the congressman injured a foot and is back in Michigan. His allotment of tickets are gone. I'll send you some maps."

Over her penny-pinching protests, I bought a big role of heavy-duty plastic edging for the garden. "There," I said after storing it and a new bucket of paint in the garage in a box, "I'll install it and do all the painting on my day off next week." On the day off, the day after the garbage truck arrived, she said, "It's your fault; you put it next to the garbage can so naturally he carried it out to the curb."

It was only a two-day weekend

fishing trip but a month in planning. We had enough food and clothing and what-have-you crammed into the camper to last a week. "You got all your fishing gear?" Mike and Frank asked. "You bet, and rods and reels to spare," I answered proudly. Two hundred miles later we unpacked on the shore of Lake Michigan. "But, mister, this isn't a 1981 fishing license; it's last year's license."

"Yes, yes. How many times must I tell you? I measured it both sideways and lengthwise. Don't worry, it'll fit perfectly." She was right. The new "built-in" oven, which just arrived, fits like a glove, sideways and lengthwise. Height's another matter. We may have to cut a hole in the ceiling and cook in the attic.

Meads Mill students laud effort of Richard Hurst

To the Editor:
Sure, Cooke Junior High School has a few things Meads Mill doesn't, but Cooke doesn't have Richard Hurst (too bad Cooke).

One might say, "Richard Hurst, who cares?" Evidently this person doesn't know him.

Mr. Hurst has been teaching since 1977. He now is attending Eastern Michigan University. Previous colleges include the University of Michigan and Michigan State. Twenty-five-year-old Rick Hurst goes to Eastern after his teaching hours.

From one student's point of view, "Rick Hurst is just about as special as anyone could ever be." How special?

He's the one who spent nights checking Crusty Problem tests. He's the one who has dedicated his mornings to student council meetings. He's amused the kids in class by telling stories about his trip to the zoo and the two-toed sloth, his childhood and his exciting weekends.

He's the one who has organized all of the school activities. He's the one who has explained the concept of plate tectonics 50 times to a bunch of kids who listen like rocks. He's the shoulder

broken-hearted girls cry on. He's won everybody's hearts. He's the greatest.

This year was our final one at Meads Mill and we would like to say "Thanks Mr. Hurst, you made having to go to school better."

He's made our freshman year a special one and we wish we could do the same for him. A measly newspaper article just isn't enough because he deserves a lot more.

We just want him to know that even though we may not see him again, he will never be forgotten.

The Class of 1984

More to school vote?

To the Editor:

Your editorial (June 10) on the recent school board election should have gone beyond a discussion of the low voter turn out. We need a complete analysis of what happened. Seldom is an election outcome so one-sided as was the one for the one-year term — where one candidate got over 70 percent of the vote.

What happened?
Apparently there is a powerful

"union machine" that controls the school board, and one that does not tolerate new views.

This "machine" should be exposed to the community so voters can decide if it is worthwhile to vote in these elections, and so future candidates will know if it is worthwhile to run if they hold views different from the present school board.

It is especially important to know about this "machine" with the school millage election coming up. Keeping the millage in line may be the only way Northville citizens have to keep school expenditures from getting completely out of hand.

Signed,
Just thinking

Plea for soccer stories

To the Editor:

Now that soccer season has ended, I'd like to make a plea for better coverage next fall.

Every game should be reported every week and the standings should be printed often during the season. Soccer is big in Northville, and it is news to all of us involved.

"If it's news...and it happens in Northville...you can read it in The Record."
Soccer Parent

Football story lauded

To the Editor:

On behalf of the Colt football organization, I wish to thank you for the nice article about our program you printed in the June 10 issue of The Record.

Your Mr. Myers did an excellent write up of our upcoming registration and Silverdome game. We are very appreciative of his help. The Record has always reported our activities and the outcome of all of our games.

We depend on the support of many dedicated and public spirited citizens. The fine citizen support and the support of The Record have been excellent. It is a pleasure living in the same community with you all.

Sincerely yours,
Elof Nordbeck,
President,
Northville Novi Colts

Thanks party support

To the Editor:

As the senior class party chairman I would like to thank all those who made the all-night party so successful. Special thanks to Lewis Bulman and his custodial staff who helped us set-up and

put up with us all evening

Thanks also go to Ben Lauber, the lifeguards and the kitchen staff.

We would like to thank all the merchants in Northville and the surrounding communities who gave us help with food and materials.

Most of all, I would like to thank the parents. From picking strawberries for breakfast to dealing Black Jack at the millionaires' party, to making a still for the speak-easy and turning the cafeteria into the Ritz Hotel, they spent uncountable hours creating and producing the ideas for "The Untouchable Class."

They also deserve credit for producing an outstanding group of young people who are a credit to our community.

Another special thanks goes to all the committee chairmen.

Again, thanks to everyone! And best wishes to the Class of '81.

Sincerely,
Ann Lindemier
Chairman
Senior Class Party

Donations help library

To the Editor:

The Friends of Northville Library wish to acknowledge the donations

which the late Vera Mapous made in support of the library. She volunteered many hours to our book sales and to the library moves.

She included in her estate the donation of her entire personal book collection to the Northville Library. I do not know the exact number of books which were received, but it was considerable and varied.

The library staff has been cataloging them and adding them to Northville's collection. Those books which the library cannot use will be included in the Friends' summer book sale in August.

Sincerely yours,
Valleria J. Cook

Urges postal parking

To the Editor:

I have just finished reading your excellent piece on the local post office expansion plans. Yes! Yes! Drive up mail boxes are an idea that should be encouraged.

How about a drive-up window for simple transactions?

But, please, let's have some advice from a traffic flow analyst before we jump in head over heels. A little planning can go a long way.

Sincerely,
Randol N. Crain, DC

Getting Down to Brass Tacks

By CHRIS JOHNSON
School Board President

When a school building is closed, often a long and bitter debate is held as to why a particular school was closed. Often, the emotion of losing a neighborhood school interferes with sound reasoning. School closings are also times when rumors fly. I would like to talk about what has been done and some of the reasons for that decision.

After the April 4 millage vote, the board of education was faced with having to chop close to \$2.7 million from the 1981-82 school year budget. Among the cuts ordered by the board on May 26, were the closing of one elementary and one junior high school. No specific decision has been made as to which school will be closed.

In order to help the administration, the board discussed the reasons for closing the schools and then set criteria for the administration to use in making recommendations to the board. First off, the board recognized that a poorly planned school closing results in chaos and confusion. Second, the board's stated goal in closing schools is to save money to balance the 1981-82 school year budget. Third, the board took note of the fact that transportation had been eliminated. And finally, that the class sizes for the reduced budget is almost 40 students per classroom.

Keeping those factors in mind, the board directed the administration to ex-

amine these criteria:

1. The school closed must realize a savings of close to or higher than the average dollar amount used by the board in the budget cutting process. (This requirement clearly means that such items as utility use and maintenance cost are considered.)

2. That the schools which remain open can in fact accommodate the high class sizes close to 40 students.

3. That some consideration be given to the number of students who can walk to the schools remaining open.

4. That the placement of staff throughout the district be carefully watched and that staff travel within the district be kept to a minimum.

The administration is currently examining the criteria and researching the economic alternatives open to the board. When a recommendation comes from the administration, the board will examine it in light of these criteria.

The issue of whether or not a school should be closed even if the 7 mill renewal passes on July 28 was also debated by the board. I will discuss that issue next week along with the reasons for the board's decision.

Once again I would like to remind you to register by June 29, 1981, by 4 p.m. if you want to vote in the July 28 millage election. Please stand up and be counted.

Correction

A story regarding a noise control law passed by the Northville Township board reported in last week's Record contained two errors.

Restrictions on the mowing of lawns between certain hours was amended before passage from original proposals of 10 p.m. to 10 a.m. The law, as passed,

restricts the used of gasoline powered lawn equipment from 10 p.m. to 7 a.m.

The story also inadvertently deleted reference that the law is subject to review by the township attorney prior to publication. Until those two steps are done, the law is not effective. The Record apologizes for the errors.

She completes Wooster study

Before being graduated from the College of Wooster in Wooster, Ohio, June 15, Karyn Egeland of Northville completed a six-month independent study project, which is required of all seniors.

A philosophy major planning to enter law school, her thesis was titled, "A Variety of Inquiries into the Philosophical Concept of Justice." She was a California Public Interest Research Group intern.

The independent study has been a hallmark of liberal education at Wooster since the mid-1940s. Each student works closely with a faculty advisor on a topic of personal interest within the major field.

The project normally takes two quarters to complete. Evaluation is made by two faculty members and ordinarily includes oral defense by the student.

At college Karyn Egeland was student activities board chairperson.

The daughter of Eleanor K. Williams of 308 Debra and Daryl Egeland of Farmington Hills, she joined Pi Kappa Sorority at Wooster.

Why Pre-Plan Your Funeral Now?

Here's Why—

FREEZE FUNERAL COSTS FOREVER

Funeral charges are frozen and guaranteed at TODAY'S prices. Protects against tomorrow's higher prices.

SAVE—AS YOU SPECIFY

Guard against over-spending. Specify only what you wish to spend.

GET PEACE-OF-MIND

You don't have to pre-plan your funeral—but it's a good feeling knowing it's done and your family won't have to worry.

You can now quit smoking in 5 days. No butts about it!

AHF Stop Smoking System

First, Fifth of Fiftieth Attempt

It doesn't matter how many previous attempts you've made at quitting; this time you will stop smoking for good. Through the AHF Stop Smoking System, your desire for nicotine will be neutralized. . . calmly, comfortably and quickly. The method is based on the most advanced scientific research and has proved to be successful even with the most hardcore smokers.

No need to worry about gaining weight or climbing the walls after you've quit. Our graduates (and there are thousands of them) tell us they experience few, if any, withdrawal symptoms. Quitting is a lot easier when you know how to do it.

Joys of Not Smoking

The immediate payoffs are numerous: fresher breath, more money in your pocket, less anxiety about your health. Add to that the sense of accomplishment and new found self-respect that come with finally freeing yourself from the habit and you'll see there is no longer any reason not to quit.

Come to a free introductory meeting. And bring your cigarettes. In 5 days you won't need them anymore. No butts about it!

New officers

A joint awards banquet and installation ceremony conducted by the Northville Jaycees and Auxiliary recently introduced the new boards of directors of the two organizations. At left above is the Jaycee's board, excepting directors Dan Giesler and Terry Clemens. From left to right, front row, are director Bill Sherb, president Bruce Hackman, treasurer Mike Cameron, and individual development vice president Jim Steel; in the back row are secretary Brian Mills, past-president and director George Buelow, community action vice president Bob Korr, director Keith Mannisto, and administrative vice president Doug Boor. Leading the Jaycee Auxiliary in its 20th anniversary year (founded in May, 1961) at right are, front row, Jaycee assist director Chris Abbey, president Michele Buelow, vice president Marcia Booth; back row, past-president and director Joyce Bousquet, treasurer Marty Barnum and community service director Cathy Totzkay. Not pictured are Ann Hicks, secretary, and Debbie Anderson, membership director.

Fire response procedures streamlined in township

Only half of the Northville Township Fire Department will respond to certain types of calls from now on in an efficiency move order by Chief Robert Toms at the urging of Treasurer Richard Henningsen.

Car fires, wash downs of spilled flammables, grass fires, and other minor incidents will be treated initially by one-half the 24-man force.

Henningsen was concerned at the cost of having the full force turn out for false alarms and minor incidents. The "paid-volunteer" system pays each firefighter \$10 for responding to any call. If a call lasts more than one hour, firefighters are paid \$10 per hour.

The treasurer pointed to several fire calls on the latest monthly report by the chief, including a car fire to which 17 men responded and grass fires with 14 and 13 men present.

Henningsen said he had discussed the problem with the chief, and made a motion that the board instruct him to devise some method whereby those overstaffings could be avoided.

But Toms already had a plan laid out. He has divided his force into two crews of 12 men each, and will alternate them on calls to minor fires. The chief and his assistant respond when they deem it necessary.

He said that, because of the volunteer nature of the department, he was never able to predict how many firefighters

would turn out when the beepers were sounded. With fewer men on call, though, he said he expects turnouts for the minor fires to be reduced substantially.

"If I set it at 12," the chief said, "you'll probably get eight or thereabouts. They can call for the other group to come in if they need help."

Toms said he expects the new method, which would still sound a general alarm for unknown-type fires and large fires, would cut costs while maintaining the safety of township residents.

"I'll go along with saving money if I don't think it's going to jeopardize the fire safety of people in the township," Toms said. "Nobody wants a fire when nobody comes."

Henningsen initially pressed to have board action demanding such a move, but the chief said he would prefer to institute the program without board orders.

"If I do it myself, I can change it around if it doesn't work out right," Toms said. "If I do it on board command, then I have to come back here and get your okay first. In the meantime, I'm stuck with it."

Henningsen withdrew his motion to order the action. Toms was to coordinate efforts with Township Police Chief Ronald Nisun, so dispatch officers could easily determine which squad to call for minor fires.

Planners okay Genitti use

Continued from 11-A

Under the plan, for example, it would cost a business of \$100,000 or less \$75, while a million-dollar business would be charged \$360.

A concern of Kissinger's was brought to the attention of the commission during the discussion of the fee schedule.

Kissinger felt he was rubber stamping all of the site plan changes brought before him with his yes vote, despite noticing in the plans deficiencies which were out of the commission's jurisdiction.

Kissinger thought the site plans should go before the building inspector before the commission reviews them for approval.

Nino said it is hoped the building inspector would notice such deficiencies,

but it can't be guaranteed.

City Council liaison J. Burton DeRusha said if the commission has such concerns then some type of letter pointing this out should be attached.

"Make a red flag to the building department and relieve yourself of neglect," DeRusha said.

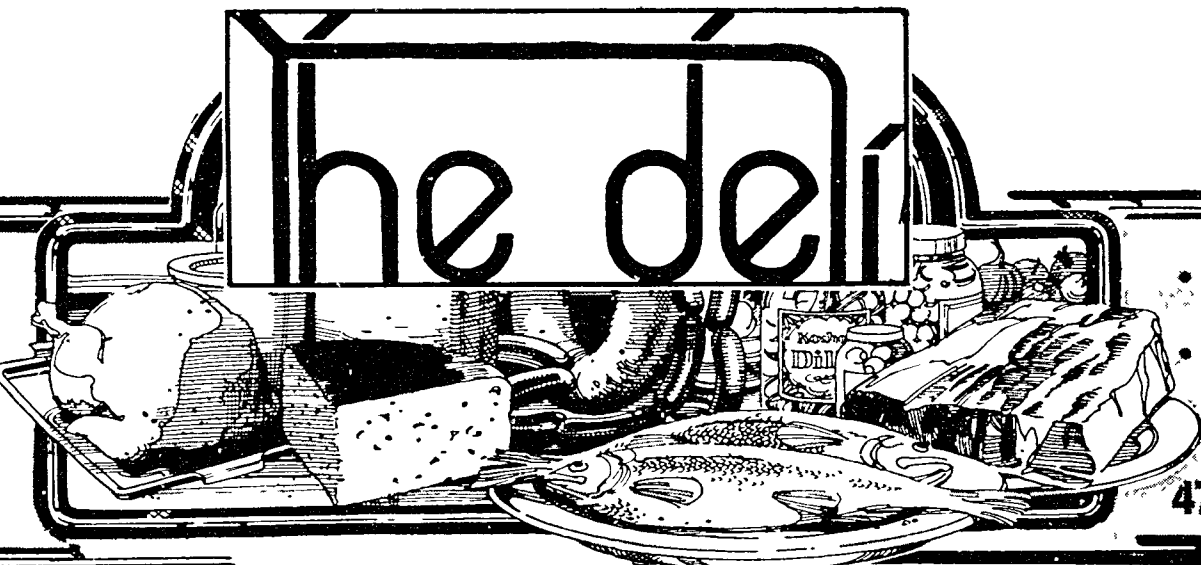

The commission should not be afraid to communicate with other departments, DeRusha added, and they should tell them their concerns.

"Raise a cane with the city," he said. "Vent your feelings."

Terms of three commission members expire June 30. Mittman, who now will be serving on city council, Durst and Cutler. Both Durst and Cutler have reapplied for another term.

The city clerk was instructed to seek resumes from applicants seeking the commission post.

These homes to be on view September 24

Northville's 14th home tour September 24 will feature some of the community's oldest buildings, including a 17-room landmark that Robert and Jacqueline Daniel moved just before it was scheduled to be demolished in 1977.

The 1850 vintage house had been the hub of a working dairy farm owned by Reynold and Nellie Esch at Seven Mile and Haggerty. After he died in 1961 his widow sold the property to Schoolcraft College.

The house sitting on a high point of land at the corner had been rented to students and then had stood vacant.

At the time the Daniels had just completed plastering and renovating the 1871-72 carpenter Gothic Victorian cottage at 417 West Dunlap.

Now re-sited in an eye-catching soft blue shade, the little house on Dunlap also is to be open on the tour this fall.

The seven houses to be open were announced last week by the tour committee. They include:

Robert Daniel farmhouse on Five Mile;

Hilda Veinott carpenter Gothic cottage;

Gary Sixt home in Northville Commons;

Wes Henrikson Civil War-era home;

Stanley Toor home, a red colonial on Roberta;

Charles Meyers home in town on Walnut;

Daniel Williamson barn home on Nine Mile.

There also is the possibility of an eighth home being open in Cab-

bagetown, the committee adds.

The home tour had been an annual event for 13 years until 1979 when the committee accepted the recommendation of that year's tour chairpersons to make it a biannual event — searching for outstanding homes to feature.

This year's committee heads for the tour, which is co-sponsored by the Women's Association of First Presbyterian Church and Northville Historical Society, are Pat Stringer of the women's association and Alice Pooley of the historical society.

"We have visited all seven homes and are really pleased about them," reports Mrs. Stringer about the 14th tour.

Although the tour day is exactly three months away, the women have been working on arrangements since early this year.

Homes will be open from 10 a.m. to 6 p.m., and, for the first time, there will be an advance ticket sale at a reduced rate. Tickets will be \$4 in advance when they go on sale in August and \$5 on the tour day.

Margaret Spigarelli is in charge of tickets with Bev Warren and Jean Parkinson responsible for the descriptive booklet.

Marilyn Roller is arranging for hostesses; Mary Ann Cardno and Carol Van Soest are handling publicity; Mona Cross is treasurer; Ola Hamilton and Dottie Crain are in charge of street staging; Lois Winters, Karen and Carl Stephens are responsible for posters.

On the day of the tour the Mill Race Historical Village also will be open. Demonstrations of rug hooking and weaving are planned there.

Mrs. Stringer reports that the tour committee has tried to select a variety of homes in various locations throughout the community, focusing on Victorian-style houses that have drawn crowds in the past.

She mentions such special attractions as the exterior landscaping at the Veinott house on Dunlap, where many rose bushes now are in bloom.

This is one of two homes that are repeat attractions on the tour. It was open in 1976 when the Daniels owned it.

The Henrikson home was open on the first Northville home tour in 1967. It then was owned by the Charles Elys. Built in the mid-1800s, it was constructed of hand-hewn timbers. The original property was the farm of Alvah Smith in 1831.

He sold to John Miller, who in turn sold to William Dunlap and Daniel Cady.

It had been occupied by the Elys for more than 30 years before being sold to the Henriksons.

Jackie Daniel reports that they still are working on the farmhouse, having changed their mind about the renovation several times. She has replaced the 17 doors that had been removed before they acquired the house.

They have uncovered wide floor boards under old linoleum and beautiful moldings of walnut, tulip wood, oak and pine.

They also have been through plastering, re-roofing, modernizing the heating, plumbing and kitchen.

In town, Pat and Charles Meyers have been laying bricks and completing work on their addition.

Choice

Norma Vernon pauses beside garden stairs. At the foot is planter created from portion of old wooden city water main.

The terraced garden is a secluded beauty spot behind the Vernon home on Allen Drive.

It has been selected by Country Girls Garden Branch as its Garden of the Month for June. The garden group chooses a garden each month from spring through fall.

In Our Town

Garden of the Month's secluded beauty spot

By JEANDAY

Friends of Mayor and Mrs. Paul Vernon always are surprised at the variety and scope of plantings in the terraced beauty spot that is their backyard. Planned to take full advantage of the stream that courses briskly along the rear of the property, the garden includes a vegetable plot as well as dwarf fruit trees. Season-long color is supplied by tulips, crocuses, marigolds, delphinium and 15 hues of iris, several of which were gift starts in this friendship garden.

A focal point at the foot of the steps leading from a screen porch is a planter created from an old wooden city water main.

Country Girls Garden Branch of the Woman's National Farm and Garden Association also has discovered this meticulously kept garden. "No one would suspect from the street that it existed," commented Pat Eden as she announced Norma Vernon's garden has been chosen Garden of the Month for June.

A 'finally turning 30' party for Martha

Friends of Martha Nield were invited to help celebrate her birthday at a June party given by her husband James at their Pickford home because she "has finally turned 30."

Hit of the evening was the new player piano. Old music rolls dating back to 1917 were played by guests who called Martha's music maker "the best exercise ever" while pumping out old tunes.

The party was reported ending "traditionally" with a flag ceremony and taps on the Nield lawn. The hosts observed with relief that their neighbors were in Chicago that weekend.

This party's fun for Connie's 50th

A dozen friends and neighbors, some fellow Questers, invited Connie Eis to celebrate Tuesday at luncheon at White House Manor. To make the 50th memorable the fun-loving guests arranged for a stranger to appear as a man who knew her "from the past." The guests knew Connie would disavow any acquaintanceship; so the man was to reply, "Perhaps if I undress..." as he stripped to his Superman costume.

He was hired from "Eastern Union," the takeoff on Western Union, confided Sue Holstein. Her co-conspirators were Jesse Knight, Karen Ross, Wanda Hubbell, Jean Boll, Isabelle Funk, Arlena Paredes, Mary Beth Baxter, Sue Couzens, Polly Kelly, Margie Sievert and Eileen Sonk.

NO SMOKING

Because You're a Non-Smoker...

YOU CAN GET A 10% REDUCTION IN YOUR HOMEOWNERS INSURANCE RATES FROM CITIZENS

For several years now Citizens Insurance Company of America has been keeping a watchful eye on how household fires get started. And we've discovered that non smokers stand out from the crowd. That's why we're offering a 10% discount for non smoking homeowners.

All you have to do to qualify for the discount is verify that no resident of your household has smoked for the past year and your Citizens homeowners premiums will be reduced by 10%. It's that simple.

Stop in and see or call your local Citizens Agent today. He's got all the details on the 10% discount for non smoking homeowners.

The Citizens 10% Non Smoking Homeowners Discount — for More than Just the Health of It.

Thomasville
So nice to come home to.

You don't have to compromise quality for value.

Not with Thomasville's Cellini bedroom collection.

Cellini offers value conscious furniture shoppers more than a very attractive price. Introduce in detail the luxury in craftsmanship. This collection features the finest in pecan wood solids and veneers and two attractive finishes — a handsome fruitwood and misty blue paint.

And it's a value. Rarely has such fine furniture been so moderately priced. If you've long hoped for Thomasville quality but thought you couldn't afford it, you must experience Cellini today.

Mary Johnston speaks vows

Mary Elizabeth Johnston, daughter of Mr. and Mrs. Stanley Johnston of 20489 Lexington, and Kim Steven Hanford, son of Mrs. Clara M. Hanford of Detroit, exchanged marriage vows May 15 at Our Lady of Victory Church.

The double ring ceremony was officiated by Father John O'Callaghan. The bride was given away by both parents. Her father is a longtime city councilman, who recently announced his resignation to take effect in July.

The bride's brother David Johnston was piano accompanist during the ceremony, which included the traditional lighting of the unity candle.

The bride's Victorian style gown of embroidered lace was enhanced with ruffled shoulders and cuffs and a scalloped neck band. It tied at the waist with a satin sash.

The bride's sister Patricia Johnston served as maid of honor and bridesmaids were Susan Kinnaird, Ann Egan and Lisa Travis.

The attendants wore gowns of dusty rose with jackets trimmed in lace. The maid of honor carried a bouquet of pink roses and white carnations and the bridesmaids carried crescent-shaped bouquets of pink and white carnations.

Victor Lacca was the best man. Ushers were the bride's brother Paul Johnston, Larry Cooper and Michael Cooper.

Approximately 150 guests attended a reception at Vladimirs in Farmington Hills following the ceremony.

The bride currently is employed by Lifetime Doors Inc. in Farmington Hills.

The bridegroom is a mechanic and assistant manager at Northville Lanes Inc.

The couple took a wedding trip to Florida to visit the bridegroom's grandmother. They will make their home in Northville.

MR. AND MRS. KIM HANFORD

Couple plans May wedding

The engagement of Deborah Elaine Klonitsko, daughter of Mr. and Mrs. Nicholas J. Klonitsko of Harwood, Maryland, and Midshipman Christopher Albert Carbott, son of Mr. and Mrs. Richard A. Carbott of 16773 Old Bedford, is announced.

The couple became engaged May 23 during the traditional U.S. Naval Academy Ring Dance held at the Academy in Annapolis, Maryland.

The bride-elect is a 1977 Southern Senior High School graduate and currently is a student at the University of Maryland.

Her fiancé presently is on senior cruise aboard the Flag ship USS Blue Ridge in the Western Pacific.

Following the cruise he will return to the Academy for completion of his four-year academic program and will be graduated as an Ensign in U.S. Navy.

He is a 1978 University of Detroit High School graduate.

A wedding date has been set for May 28 next year in Maryland.

DEBORAH KLONITSKO, CHRISTOPHER CARBOTT

August wedding date set

LAURIE JEAN DAY

Announcement of the engagement and summer wedding plans of Laurie Jean Day and Eric William Egeland is made by her mother, Mrs. Douglas Gilman Day of 20359 Woodhill.

He is the son of Mrs. Frank Williams of 308 Debra and Daryl Egeland of Farmington Hills.

The bride-to-be is a June graduate of the College of Nursing at Michigan State University where her fiancé is a senior. She is a member of Phi Kappa Phi and Tau Sigma honor societies.

He is a member of the Singing Statesmen, campus singing group.

Both are graduates of Northville High School.

The bride-elect also is the daughter of the late Mr. Day. Her mother is editor of The Record.

An August 15 wedding date has been set.

Don't wait too late!

If your NORTHVILLE RECORD is not delivered by 6 p.m. Wednesday phone 349-3627

Dental Dialogue

of A. Allen Tuchklaper, D.D.S.

DON'T FEED THE PLAQUE

Q. What is Plaque?

A. It's a colorless sticky substance made up of living bacteria and it's found in every person's mouth.

Plaque forms constantly on the teeth and is the most dangerous when it colonizes. It is a primary cause of decay, gum disease, and tooth loss, but careful brushing and daily use of dental floss prevent harmful accumulation. When we eat processed foods with a high sugar content we are literally feeding the plaque and helping it prosper. So remember, avoid

sugary snacks and please don't feed the plaque.

This column is presented in the interest of better dental health. From the office of A. Allen Tuchklaper, D.D.S.

Charming cherubs

Northville parents proud of their little tykes may want to consider showing them off at the upcoming July 4 fair in Mill Race Historical Village. The Northville Jaycettes once again will be holding their annual "Cute Kids Contest" to raise funds for the Ronald McDonald house at Detroit Children's Hospital. Children entered in the contest must be three or younger. Voting is scheduled to take place at the chicken barbecue tent during the July 4 festivities. Canisters will be placed under each child's picture and the two winners will be chosen according to the pictures which raise the most funds. The two

winners — one boy and one girl — will receive a family portrait courtesy of Fox Portrait Studio. Last year's winners Robbie Beier, 2, left, and Shea Collins, 4, will be on hand to turn over their titles to the new winners. They also will be riding on the Jaycette float during the parade at 10 a.m. Parents interested in entering their child in the contest should send a picture, and a \$1 entry fee along with the child's name, address, phone number and birth date to Chris Abbey, 526 Langfield, Northville. Entry deadline is July 1. For more information call 348-2793.

Vocational courses open this summer

Schoolcraft counselors are available this week for persons interested in registering for vocational classes at the college this summer.

Counselor appointments are necessary and may be arranged by calling 591-6400, extension 312.

Laid-off auto and other related industries workers who have been approved by the MESIC for TRA educational

benefits are encouraged to consult a counselor about the college's vocational education courses.

Vocational offerings at

Schoolcraft this summer include courses in electronics, data processing, welding, accounting and secretarial science/word

processing.

Classes begin June 30 with walk-in registration scheduled for the day before.

Daly's painting wins art award

Former Northville resident Sandy Daly, a freelance artist now living in Canton, won a merit award for her portrait of "Lisa" in the annual juried exhibit held by the Detroit Society of Women Painters and Sculptors.

Ms. Daly has taught

painting to senior citizens at Allen Terrace for the past two years. She also teaches small private classes for children and adults in her Canton studio.

She has won a variety of awards and has

published illustrations in addition to having her work in private collections.

Her work currently is on display at the Birmingham-Bloomfield Art Association in Birmingham. The show runs through June 27.

Families announce births

Mr. and Mrs. Stephen Smith of Grandville announce the birth of their first child Donielle Renae June 6.

She was born in Grandville and weighed eight pounds, four ounces.

Maternal grandparents are Mr. and Mrs. Donald Pickren of Northville. Mr. and Mrs. James Smith of Zeeland are paternal grandparents.

Maternal great-grandparents are Northville residents Mr. and Mrs. Howard Anthes.

Norman Reany of Lexington is maternal great-grandfather.

The new mother is the former Marcia Pickren, a 1976 Northville High School graduate.

Former Northville residents Mr. and Mrs. Richard Curl of Canton announce the birth of their first child Sarah Elizabeth June 5.

She was born at St. Mary Hospital and weighed four pounds, 14 ounces.

Paternal grandparents are Mr. and Mrs. Tom Curl of Northville. Maternal grandparents are Mr. and Mrs. Louis Katzebeck of Northville.

Olivia Wooton of Colorado Springs, Colorado, is maternal great-grandmother.

Northville residents Mr. and Mrs. Gus Kolb of Northville are paternal great-grandparents.

Three earn citizenship honors

Three Cooke Junior High students were named recipients of the Cooke Student Council's Mr. Joe Bell Good Citizenship Award at an assembly held at the close of this school year.

Students receiving

awards were 7th grader Diane Dragon, 8th grader Tracy Kohl and 9th grader David Longridge.

The Good Citizenship Award is given to one student from each of the three classes who,

teachers feel, best exemplifies good citizenship.

The award was named for longtime Cooke custodian Joe Bell, who retired last June after working 14 years in the Northville school system.

Adventures in reading

Northville students in grades 1-9 will have until Friday to sign-up for the Adventures '81 summer reading club sponsored by Northville Public Library. Club members will have the opportunity to read all their favorite books — just like Tracey Nawrot, above, who looks over some of the library's newest bestsellers. The six-week program also features a variety of activities including weekly films, a pet show and a bon voyage party. Club members reading 10 or more books during the six-week program will receive a certificate at a party on the final day. The library will keep a reading record for all travelers and will chart their progress on a bulletin board. All young Northville bookworms are invited to join the club and should register by calling 349-3020 or stopping by the library.

Cooperative sets meet for students, parents

New Morning School, a pioneer educational cooperative for children through the eighth grade, is sponsoring an informal meeting for prospective students and parents at 7:30 p.m. June 30 at the home of founder Elaine Yagiela of 19524 Fry.

New Morning School, founded in Northville Township in 1973, moved to available facilities in Dearborn Heights while seeking a suitable permanent location in the Northville/Plymouth area.

Plans currently are underway to open a new facility in the area in September.

New Morning School emphasizes both academic and social teaching and encourages family participation both in and out of the classroom.

Parents are active in many capacities, such as teachers' aides, board members, janitors and curriculum planning committee members. "New Morning School's

non-graded individualized program is designed to meet the needs of a wide range of children," according to the founder.

Last January the school expanded to offer a preschool program with options for both working and non-working parents.

Persons interested in learning more about the New Morning School philosophy and programs are invited to attend the June 30 meeting. To make arrangements call 453-3267 or 348-9294.

NHS record orders taken

Music lovers who can't seem to hear enough of the Northville High School bands and choir soon will have the opportunity to listen to all their favorites right at home.

NHS band members currently are making a recording of the 1980-81 concert season featuring highlights from this past year's concert and festival performances.

Record orders will be taken until July 13.

To order a copy send \$9 to Michael Rumbell, Northville High School, 775 North Center, Northville.

ENTERTAIN MEANT

At Wayne State's Hilberry

Comedies close summer theatre bill

GOOD OL' BLUEGRASS music will be featured at the Charlotte Bluegrass Festival this weekend (June 26-28) at the Charlotte Fairgrounds.

Festival-goers will enjoy almost four full days of Bluegrass music by some of the top names in the field, including Jim and Jesse and the Osborn Bros. from the Grand Ole Opry, the world-traveled McLain Family Band and the most popular bands in Michigan.

The fairgrounds has a beautiful camping area for the family-oriented event, which is operated by Brighton's John Morris who hosts a Bluegrass radio program on WYFC in Ypsilanti.

THE MUSICAL HIT "I Do! I Do!" has opened at the Mama Mia Restaurant and Dinner Theatre on Cooley Lake Road in Union Lake.

Performances are offered Friday and Saturday nights with tickets priced at \$14.95 per person.

JIMMY'S in the Farmington Holiday Inn is jumping Monday through Saturday nights with a combination of jazz and high-energy music.

The Alexander Zonjic Quartet provides a jazzy flourish every Monday; and Alpha comes in for the rest of the week with an ample supply of high-energy music.

CHICAGO'S MELIKIN Puppet Theatre will present two shows especially designed for children at the Detroit Youththeatre for three weeks during July.

Giant hand and rod puppets will perform children's classics "Hansel and Gretel" and "Three Little Pigs Construction Company" for pre-schoolers (3-5 year olds) and "Johnny, Paul & Dan!" — the stories of Johnny Appleseed, Paul Bunyan and Daniel Boone — for youngsters in elementary grades.

Shows start July 7 and run through July 25. 832-2730 for more information.

DESTINATION LOVE is turning on audiences every evening Monday through Saturday at The Jolly Miller in the Plymouth Hilton through June 27.

With two dynamic gal dancers up front, "Destination Love" features a high energy approach to every sort of music from disco to Top 40.

AN OLD-FASHIONED FOURTH of July will be celebrated at Greenfield Village July 3-5. Included in the festivities will be band concerts, costumed demonstrations of early American games and a 1939, 60-foot steam-powered ferris wheel.

THE PHIL ESSER SHOW with Barbara Bredius is playing a return engagement at Duffy's on the Lake in Union Lake Wednesday through Saturday evenings.

Duffy's, which is located at 8635 Cooley Lake Road, features Bluegrass music on Sundays.

IN TRIBUTE to an important part of Detroit's Jazz History, saxophonist Miller Brisker and drummer Ed Nelson will lead the six-piece Hastings Street Experience in concert at the Detroit Institute of Arts' Thursday evening "Jazz at the Institute" on June 25.

There will be two one-hour sets at 7 and 9:30 p.m.

Comedies by Alan Ayckbourn and Neil Simon, today's most successful comic playwrights in Britain and America, close the Hilberry Theatre Festival at Wayne State University.

Ayckbourn's "Bedroom Farce" and Simon's "California Suite" open a two-week stand on July 8.

"Bedroom Farce," a comedy with Ayckbourn calls "a study of the British in bed with everything except sex," plays upstairs on the Hilberry stage, while "California Suite," a quartet of

scenes in a posh California hotel, is performed downstairs on the Studio stage.

Performance dates are July 8-11 and 15-18 at 8:30 p.m.

"Bedroom Farce," an off-beat comedy by the author of "Absurd Person Singular," is about a couple whose marriage is on the rocks.

Trevor and Susannah inflict their miseries on their nearest and dearest friends, three couples besieged in their own bedrooms by the suffering pair.

Through an endless night, Trevor and Susannah ruin a party, aggravate back pain and interrupt a seafood meal in bed.

"California Suite" was Simon's first play after his move from New York to Los Angeles.

The setting is similar to his earlier "Plaza Suite," only this time the playlets take place in a suite of a Beverly Hills hotel.

Four different sets of people occupy the suite at different times, including

visitors from New York, Philadelphia, London and Chicago.

The situations range from a British star on her way to the Academy Awards ceremony to a wife arriving to surprise her husband before he has time to get rid of an uninvited lady of the evening.

The war, as ever, is between men and women — the battleground is sex.

For reservations or further information, call the Hilberry box office at 577-2972.

Bruce Rux and Barbara Acker star in "California Suite"

- Sweeping width 38"
- Width overall 44"
- Height overall 35"
- Length overall 71"
- Wheel diameter w/tire 12 1/2"
- Tire width 2 1/2"
- 11 Bushel capacity hopper
- Sweeper height selector provides six sweeping positions
- Double brush system. One picking, one throwing

- Double Channel frame
- Over-size tires 23-8 50x12
- Rear, 16-8 50x8 front
- Total weight 820 Lbs
- 38" heavy duty 3 blade high suction mower

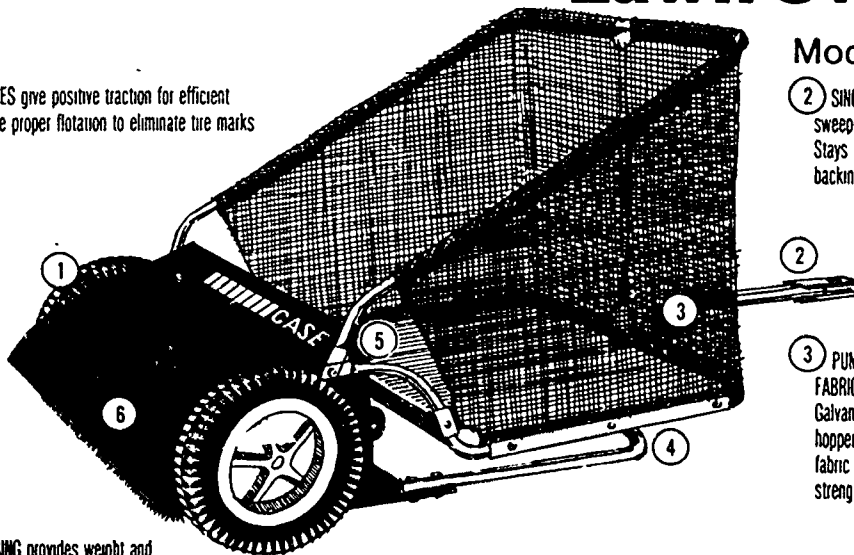

- 10 hp Cast Iron Kohler Engine
- Vibration Isolation Engine Mounts
- Electric Start-12V
- High Intensity Lights
- 4 speed cast iron transmission

- 1 DEEP BAR TREAD TIRES give positive traction for efficient sweeping action. Provide proper flotation to eliminate tire marks in the lawn

- 2 WELDED STEEL HOUSING provides weight and strength for positive sweeper action and performance. Tough steel construction assures years of clean sweeping. Full-width steel skid pan rides over obstacles and large clumps of material to prevent clogging or jamming.

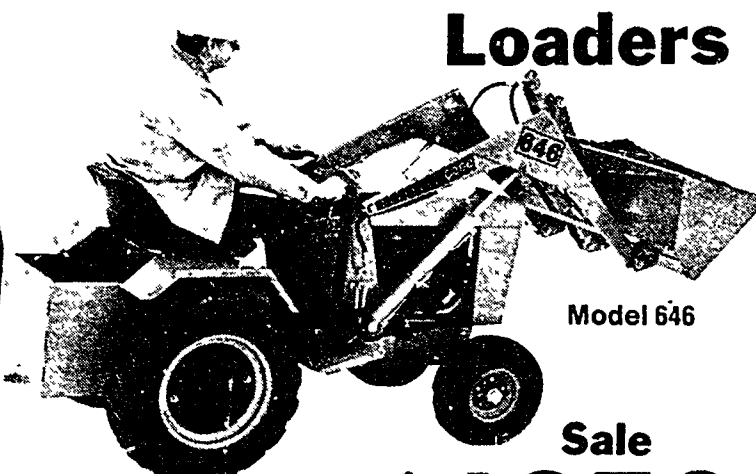

- 3 SLOTTED HOPPER RETAINER allows hopper to pivot over sweeper housing or be removed completely for emptying. Trailing wheel design permits convenient backing to the dump pile

- 4 PLATED DRAWBAR AND HOPPER SUPPORT provide weather-protected good looks. Low center of gravity for sweeper stability and efficiency

Drop in home sales tied to increase in interest rates

After a two-month spurt of increased activity, local existing home sales dropped off in May as mortgage interest rates soared again to record levels.

Monthly statistics from the Western Wayne Oakland County Board of Realtors (WWOCBR) show that sales by its members dipped to 866 units last month. Sales had shown an upward trend this year from 604 units in January to 829 in February, 1,088 in March and 1,053 in April.

"Charting our activity back-through 1980 reveals how closely sales have responded to the rise and fall of mortgage interest rates," observed WWOCBR President Robert D. Shimmin.

"Sales hit their 1980 high in July as mortgage interest rates tailed off from the 17 percent level back down to between 12 and 13 percent. When the rates started climbing back up in the fall months, sales took a nosedive."

Shimmin credits Realtor use of various creative financing techniques for rebuilding part of the market earlier this year while interest rates remained high.

"The jump back to the area of 17 percent, however, has served to further discourage buyers from entering the market at this time, even those seeking other than conventional mortgage loans," he said.

"Many still expect rates to fall sharply again as they did last year."

"We also now look for some mortgage interest rate decline later in the year as new national economic policies begin to make themselves felt. But, we think the decline will only be to about the 14 percent level and expect this will then remain fairly constant."

Shimmin anticipates resultant growth in the existing home market to be accompanied by escalating prices.

"While an upward trend is already in evidence, average sale price for homes in many of our areas have been advancing or declining with the rise and fall of sales," he said. "For example, the \$57,105 average in our 1,600 square mile territory in March went to \$59,099 in April and then dropped back to \$58,202 last month. When the market does start to

move, we think the price escalation will steady with the average going up about 10 percent for the year."

WWOCBR reports a continual rise in listings, up 25 percent in the first five months this year over 1980.

"This has been accompanied by a rising percentage of withdrawals as sellers await better market conditions," he said. "We also have seen an increased number of price reductions."

"For those able to move into the market now, availability and price will never be better. We advise anyone considering a home buy this year to start talking to a broker now, so they can study their options and be prepared to move when financing-price combinations are as favorable as they are apt to be," said Shimmin.

'Sales hit their 1980 high in July as mortgage interest rates tailed off from the 17 percent level back down to between 12 and 13 percent. When the rates started climbing back up in the fall months, sales took a nosedive.'

TRAVEL PLANS' owner Ed Jamieson, his wife Barbara, right, and agent Paula Massie are pictured at work in the computerized travel agency in Northville. The business has moved to new, larger quarters at 112 West Main, a block west of its former location. Jamieson purchased the business in October, 1979. It has been operating in Northville since 1962. Jamieson, a 20-year veteran in the industry, has expanded, handling corporate, commercial and continuing education seminar business as well as individual accounts. The Jamiesons are Northville Colony residents. The newly renovated office is open from 9 a.m. to 2 p.m. Saturdays and from 9 a.m. to 6 p.m. week days.

Pictured at ribbon-cutting ceremonies for the new Art Van store in Novi recently were (left to right) Ernie Orlando, manager of the Novi store; Detroit Lions' running back Billy Sims and Novi City Council Member Martha Hoyer.

CELEBRATING OVER TWO DECADES of building the largest furniture chain in Michigan, Art Van opened its newest store, which also is the largest furniture store in the state, with a grand opening ribbon-cutting ceremony in Novi on Saturday, June 6.

The Art Van success story is a rare one in local retailing. During a very difficult economic period, Art Van is pleased to be in the position of expanding and providing new employment opportunities for hundreds of Michigan residents.

During the 1974-75 recession, Art Van's management team developed a program to capture a larger share of a diminishing market. Through intensive innovative marketing and advertising strategy, that program was a successful one and has been continued to result in an excellent sales year in 1980.

The new Novi store, with its over 60,000 square feet of display space, is the thirteenth, largest and most recent product of Art Van's success.

Purchase of home is top investment

Buying a home often is cited as the biggest investment made by the average person and it can be shown as one of the best over the past decade.

The Western Wayne Oakland County Board of Realtors (WWOCBR) points out that homebuying has acted as a solid hedge against inflation during this period and has more than protected the purchasing power of the dollar.

WWOCBR notes that a dollar invested in a single family home in 1970 was capable last year of buying 30 percent more in goods and services, even at 1980's higher prices.

Corporate bonds, also used by many persons as an effective inflation hedge, failed to provide the same protection as the single family home. The dollar placed in a corporate bond in 1970 would have gained only seven cents in purchasing

power in the 10-year period.

If the dollar had been placed in common stock, say the Realtors, it would have declined in value to 91 cents. Placed in a passbook savings account yielding 5.25 percent in 1977, it would have dropped in value to 79 cents.

The real losers would have been persons holding their savings in cash. Inflation would have stripped away more than half of the purchasing power of the dollar leaving just 46 cents.

WWOCBR members report that many potential homebuyers have been tracking these trends and expect similar performances in the future.

While would-be buyers appear to expect the inflation rate to slow, they also expect substantial jumps in home values over the next several years.

New condos will carry top price tag

Ground will be broken soon in West Bloomfield for the most expensive condominiums ever built in Michigan.

The Pine Lake Forest townhouse condominiums carry price tags ranging from \$390,000 to \$600,000.

Six of the 19 units have been pre-sold, according to builder-developer Amos Knoll. The architecture is reminiscent of the old-fashioned brownstones constructed in New York and Boston around the turn of the century, he said.

Units vary from 3,000 to 6,000 square feet and each residence has a private elevator inside the unit and its own boat slip. Also included are a steam sauna, Roman tub with spa, wet bar, skylight, vaulted dining room ceilings, a wrap-around deck and terrace, Italian marble entrance and sunning living room.

Northville, Mich.
349-4030

NICHOLS REALTY INC.

348-3044

LONG Term land contract and low down payment on this Northville Cape Cod enhance the natural setting and good condition. 3 bedrooms, 1 1/2 baths, dining room, newer carpeting, basement and garage add to more for your money. 839 Grace St., priced \$72,900.

HISTORICAL, profitable and pleasurable. Northville's "institutes" for treatment and cure of alcohol, opium, cocaine, tobacco and cigarette habits were famous in the 1890's. It's been stated that 342 E. Main was one of these businesses. We're offering another cure — live downstairs and rent out the two upstairs apartments. Have income, have home and have a business. Call for more information. Owner offering land contract terms and asking \$90,000.

DO YOU NEED part of a store? We have suitable rental space for architect, lawyer, accountant, or small business that only needs 300 to 700 sq. ft. Air conditioning, parking, maintenance and utilities included. Call today.

LIVONIA at 14837 Park. A simply gorgeous house! 23 x 15 family room and a finished rec room, attached garage and huge back yard add up to the right home for you. 3 bedrooms, 1 1/2 baths and immaculate condition with perfect decoration are the frosting on this cake. \$83,900.

Phillies, Liberties leaders in softball

There are new leaders in both the Primary and Intermediate Divisions in the girls recreation softball league during the last two weeks of action.

The Phillies have overtaken the Liberties in the Primary Division by a half game. The Phillies are 8-1 while the Liberties are 7-1.

In third place are the Travelers with a 4-5 mark, while the Falcons register a 2-6-1 ledger and the Gems, still seeking their first win, are 0-8-1.

The Phillies have recorded five straight wins during the last two weeks. They have beaten the Travelers, 12-2; the Falcons twice, 6-1 and 12-6; the Liberties 8-4; and the Gems, 11-3.

The Phillies triumph over the Liberties was the first loss of the year for the second-place club.

In another contest for the Liberties, they downed the Gems, 14-7. Nanci Dutkiewicz had three hits, while teammate Heather Fixt scored three runs. Both Aimee Beford and Amy Hill had game-saving defensive plays. The Liberties also edged the Falcons, 8-7.

The Travelers won two and lost one during the last two weeks. They defeated the Gems twice, 11-4 and 7-6, but were blasted by the Falcons, 19-5.

The Liberties took over sole possession of first place in the Intermediate Division with its two wins over the Travelers. These are the only losses the Travelers have suffered this season.

The Liberties are a perfect 9-0 while the Travelers are 8-2. Tied for third are the Gems and the Sunbirds at 5-4. In fifth are the Phillies at 2-7, while the Falcons and the Aztecs are tied for the basement with 1-7 marks.

There were only two close games last week as all of the others were routs. The Travelers nipped the Sunbirds, 11-8, while the Sunbirds edged the Gems, 11-9.

The Liberties downed the Travelers twice by scores of 17-2 and 21-17. They also routed the Phillies, 28-5, and the Sunbirds, 17-4.

The Aztecs broke loose against the Falcons, 26-5, while the Gems did the same against the Falcons, 20-6.

Two weeks ago, the Liberties had easy victories over the Falcons, 24-4, and the Gems, 16-5. The Travelers won twice with verdicts over the Phillies, 19-5, and the Aztecs, 10-9. The Gems dumped the Phillies, 11-3.

In the Travelers' win over the Phillies, Denise Culovas, Kris Beford and Cathy Sawyer each contributed three hits and were supported by some outstanding defensive plays.

The Travelers had to come-from-behind in their slim win over the Aztecs. Bev Henderson tripled in the winning run in the last inning.

The Aztecs were paced by the hitting of Karen Woerner and Lori Housman.

Ron Beford has found many jackets left behind at the games and requests anyone who is missing a jacket to call him at 348-9173.

Day Camp set to begin; registration ends Friday

Once again it is time for all those children busting with energy to sign up for the 1981 Day Camp sponsored by the Northville Recreation Department.

Six weeks of organized games on the playground, arts, crafts, special events including a trip to the zoo, safety bike parade, bowling, swimming and a gala picnic have been arranged.

The camp begins June 29 and will run Monday through Friday from 9 a.m. to noon or 1-4 p.m. (when registering select one) for children aged four through 10.

The fee is \$50 per child. Registration continues today through Friday from 8:30 a.m. until 5 p.m.

The Reynolds Combine!

Newest Member in the Reynolds Family of Quality Water Conditioning Products. The Combine is a combination of three water conditioners—

- It softens the water.
- It removes the iron and rust.
- It filters out cloudy yellow turbidity.

This is no ordinary "Water conditioner"—the Combine is completely unique for the purpose of solving real water problems.

The Combine is available in Cabinet Models, Compact Models, and 2-tank fiberglass models-in a size for all homes and small commercial applications.

LIBERAL TRADE-INS

Yes, you may rent them, too. Rental fees apply toward purchase. Reynolds—Michigan's oldest water conditioning company—since 1931.

A name you can really trust!

Cage camp scores big with players

The Third Annual Summer Basketball Camp went into full swing Monday as cage players from grades four through 12 eagerly awaited their instruction.

Northville High School head boys basketball coach Tim Lutes is running the camp. Also on his staff are junior varsity basketball coach Omar Harrison and a number of varsity players from the Mustang squad.

Lutes has the players broken down into three groups: fourth through sixth grade from 10 a.m. to noon; seventh through

ninth grade from noon to 2 p.m.; and 10th through 12th grade from 2 to 4 p.m. The camp runs until July 15.

The players will be learning the basic basketball fundamentals and improvement of their overall basketball skills.

YOUR SUN POOL PROFESSIONALS

Spring Valley has its spring-fed lakes stocked with thousands of big beautiful Rainbow Trout just like those above. So if you're tired of renting boats, buying fishing licenses and coming home empty handed, make Spring Valley your next fishing trip!

CATCH TROUT!

Spring Valley provides fun and excitement for the whole family. Guaranteed catch of 10" to 25" trout. Catch Hybrid Sunfish and Large-mouth Bass in our warm water lake for real sport fishermen. A 45 minute trip from Detroit is also practical for there is no license required and equipment and bait is furnished or bring your own. Your catch is cleaned and packaged in ice for your convenience. Large picnic area is available. Contact us for special group rates, churches, schools, etc.

Pirates stay close to Mets

Five teams are bunched at the top of the H-League standings this week. The Mets currently are in first with an 8-2 record and are closely followed by the Pirates at 8-3.

The Braves are in third with a 7-3 record, while the Reds and Expos are tied for fourth with identical 7-4 marks.

Reds 6, Padres 0: Extra-base hits by Jim Willer and Robert Heaton paced the Reds to victory over the Padres. Mark Stephens got the only hit for the Padres.

Pirates 14, Mets 5: Steve Salas and Chris House each scored three runs and Pat Fagan knocked in three to lead the Pirates. Ray Jacques belted a homerun for the Mets.

Expos 1, Braves 0: Zack Voelker singled home Mike Rose with the game's only run in the bottom of the last inning to win the pitchers' duel for the Expos. Chris Bowman had a pair of hits for the Braves.

Giants 6, Cubs 1: Steve Pearce and Matt Smith each hit a single in the five-run fourth inning for the Giants. Bill Tolstedt crossed the plate for the Cubs' only run.

Rangers 12, Cards 4: the Rangers recorded their first win in big style by routing the Cards. Craig Dalziel, Mike Karis and David Huff had key hits in the triumph. Mike Lobbia paced the Cards with two hits.

Giants 12, Cards 0: Matt Smith's two homers and five runs-batted-in paced the Giant offensive attack against the Cards.

Expos 8, Cubs 5: Heath Meyers knocked in two runs and scored two himself to lead the Expos. Eric Billimoria drove in a couple of runs for the Cubs.

Reds 2, Pirates 0: the Reds upset the Pirates when Larry Osiecki scored the winning run. Jeff Kooistra singled for the losers.

Cards 10, Cubs 3: Gordon Gray and Mike Lobbia combined to drive in five runs to snap the Cardinals' losing streak.

SEVEN SUPERB SHADES OF VELVET

this is the chair

... that cradles you in soul-satisfying comfort

... that 'stays put' or swivels, as you wish

... that beats all in its price class for quality

... that's on sale for a limited time at a \$50.95 saving

a swivel rocker

\$199

IN STOCK and SPECIAL ORDER

make no mistake — THIS IS A SALE of a chair that has no competition in its price class. It's built better, with a solidly reinforced kiln-dried hardwood frame, polydacron seat cushion and semi-attached back cushion. The swivel base has 49 ball bearings instead of the 8 usually found in chairs in this price class. It looks better — dressed as it is in a superior quality of wear dated velvet in seven glowing shades. AND it 'sits' better because its designers painstakingly built it to please. Come — Give it the test!

Sale Ends July 4th

Northville Wildcats win WSSL Cup

The Northville Wildcats won the West Suburban Soccer League Cup playoffs for under-12 girls with a 5-1 victory over Plymouth.

The Northville squad also beat Inkster and another Plymouth team in reaching the finals.

Michelle Cross lead the Wildcats with two goals for the winners. Jeany Nieuwkoop, Nicki Grasley and Kim Flading also tallied goals.

Jodi Maled and Denise Akroush played outstanding defense in keeping Plymouth in its own end most of the game.

The Wildcats will play next in the Wolverine Tournament to take place at Schoolcraft College during the July 4 weekend.

Members of the winning Wildcat team were: Akroush, Cross, Flading, Jill Gallagher, Rebecca Nobart, Veronica Kalas, Michelle Morgano, Amy Van Ooteghan, Tric Ducker, Nieuwkoop, Tiff

Rivera, Leigh Freiwald, Sue Swienkowski, Smalec and Grasley. The coach was Stan Smalec

Under-14 Girls

Cougars 1, Charlie's Angels 0. Linda Townsend scored the only goal of the playoff game. Laura Daly earned her third consecutive shutout in goal.

Westland 5, Cougars 0: The shutout tables were turned on the Cougars as they were blanked by a strong Westland team in the playoffs.

Pink Panthers 2, Foxes 1: In a see-saw battle the Panthers nipped the Foxes, 2-1, in the playoffs. Julie Nowka scored on a perfect pass from Cathy Heitert and Denise Colovas. Suzi Terwin scored for the Foxes with an accurate kick.

Pink Panthers 1, Plymouth No. 10: It was a cliff-hanger all the way, but the Panthers pulled out the

playoff victory when Julie Nowka scored with one minute left in the second overtime period. Colleen Kerwin, Shari Russell and Lori Houseman formed a solid defense. The Plymouth goaltending was outstanding.

Westland 5, Pink Panthers 1: Alison Kugler tallied the only goal for the Panthers in the playoff loss.

Under-10 Boys

Northville No. 1 Knights 4, Plymouth No. 12 2: It took a shootout after the overtime period for the Knights to win their opening-round playoff contest. Andy Abbosh scored the lone regulation-time goal. However, Mark Klokenga, Fred Cook and Matt Sepos all tallied in the shootout for the triumph

Soccer sign-up slated

Dodgers stay near Astros

Not much movement has occurred at the top of the F-League as the Astros continue to lead with the Dodgers only a game back in the standings.

The Astros it took on the chin against the Mets as they were upset, 11-10, last week for their first loss of the season.

Ken Booth walked with the bases loaded to force in the winning run. Chris Dominique had a homerun and three runs-batted-in to pace the winners. John Taschner and John Meadows each had two hits for the Mets in the triumph.

Paul Stephens had two hits for the Astros in a losing effort.

The Mets continued their winning ways when they outslugged the Pirates, 19-11. Jeff Bush paced the winners with three hits.

For the Pirates, Tim Ruffing had two hits, including a homer, while Dino Candella had three hits. John Briningstool also homered for the Pirates.

The Padres had no mercy for the Angels as they blasted them, 20-2, for their sixth-straight win. Doug Hartman went four-for-five including a homerun to lead the offensive attack.

Greg Ryba gave up only two hits in six innings of work on the mound. He struckout nine batters.

Mike Wissman, Rick Van Buren and Jeff Stuart each collected two or more hits to help the Padres improve their winning record.

The Reds scalped the Braves, 14-6, as Chris Willerer was the winning pitcher as he struckout 15 batters.

Mark Deal had three hits, while teammate Steve Ruschak had two hits for the Braves. Mike Jakubowski had two hits for the Braves.

Two teams unbeaten in adult rec softball

Only two teams remain undefeated in adult softball action as Sheehan's Little Caesars (5-0) leads the National League and Long Mechanical (9-0) sits atop the American League.

In National League action Little Caesars had no trouble in downing Urbans Partition&Remolding Co., 11-5, while J&S Steel slipped past the Northville Jaycees, 5-3.

However, the Jaycees unloaded on Belanger, 20-12, but Belanger rebounded against First United Methodist Church, 6-1.

L&H Players split a pair of games last week. Players beat O'Sheehan's, 14-6, but was blanked by Our Lady of Victory, 5-0. The Eagles outslugged O'Sheehan's, 15-12, while Action Dry Wall topped St. Paul's Lutheran Church, 13-4.

In American League action, the Northville Lab split a pair of games by beating the Recycled Raiders, 8-1, and losing to Winner's Circle Bar, 14-1.

McNeely and Lincoln did the same as it topped Northville Gallery of Flowers, 6-2, but fell to defeat to Baber Roofing, 10-3.

O'Sheehan's on the Green nipped Canterbury Cleaners, 8-7, while Long Mechanical pounded Court Time Racquet Club, 15-5.

Kurzawa 'walks' into right situation at Michigan State

By JOHN MYERS

Kim Kurzawa "walked" into the right situation at the right time.

The former Northville High School standout was a freshman member of the Michigan State Spartans women's softball team that placed seventh in the nation this spring at the 16-team tournament in Norman, Oklahoma.

To become a member of the team, Kurzawa had to survive a couple of tryouts as a walk-on candidate.

"I wasn't even sure if I wanted to play. I knew there were a lot of good girls trying out," Kurzawa said. "I wanted to see if I could make the team."

The first batch of cuts for the Spartan squad came at the end of September. Kurzawa, who was an all Western Six Conference and all-area selection in 1980, was one of some 50 girls trying out for the team.

After surviving the initial cut, Kurzawa said herself and two others made practices during the winter in order to prepare for the final cut which came in February.

Along with three other walk-ons, Kurzawa was named to the team.

"When I made it, I was real excited,"

Kurzawa said.

For most of the regular season playing time was at a premium for Kurzawa. The only action she saw was that of a pinch runner.

"It was kind of boring," Kurzawa related about her lack of playing time. "She (Spartan coach Gloria Becksford) had nine players who played most of the time."

"I would go in when the slower people got a hit," she added.

Because of the limited playing time at the start of the season, Kurzawa thought about leaving Michigan State.

"During the beginning of the season I decided I wasn't going to go to MSU — I would go to (the University of Michigan). Then, when I started playing more, I decided back on MSU," she explained.

Kurzawa found herself in the line-up near the end of the season and became a starter during the tournament contests.

"I don't know why she (Becksford) waited until the end of the season (to play me)," offered Kurzawa, who played rightfield. "Probably because I was a freshman, and we had an all-senior outfield."

She also noted she played better in the tournaments during the whole season.

"When I started playing more, I had a better feel toward what I was doing," she said.

It was in the State of Michigan Association for Intercollegiate Athletics for Women Championships, which MSU placed second, where Kurzawa saw more extensive playing time. But it was in the Regional Tourna-

ment in Normal, Illinois, where Kurzawa probably had her finest hour.

The Spartans were fighting out of the loser's bracket and needed to beat the Western Michigan Broncos twice to capture the regional title.

In the first encounter, Western was ahead 1-0 in the fifth inning when Kurzawa stepped to the plate. There were two outs and three runners on board when she cracked a base-clearing triple.

Those runs provided the winning margin in the game and MSU went on to defeat Western again for the title.

With the regional crown, it was time for the Spartans to make a run at the AIAW national championship. This experience was brand new to Kurzawa.

"I had never been to anything like that before in my life. They would serve you steaks for breakfast," she said. "They had a lot of gatherings for teams to meet one another."

"It was real professional," Kurzawa added.

Although she didn't play in the opening game in the national tournament, Kurzawa played in the next three outings.

For not really being sure she wanted to try out for the team, the 1981 season made it worthwhile for Kurzawa to "walk" into the right place at the right time.

Koufax team beats Novi, 2-1

It was an even week for the Northville blue team in the Sandy Koufax 13- and 14-year-old travel baseball league as it won and lost in two games played last week.

The Northville contingent lost to Westland, 11-1, Saturday. Errors were the key in this contest as Northville committed eight to lead to its downfall.

Held scoreless through six innings, Northville finally pushed a run across in the final stanza when Mark Deal and John Norton both doubled.

Earlier in the week, Northville slipped past Novi, 4-2, on good pitching, solid defense and timely hitting.

Paul Havala pitched a strong six innings on the mound. He struckout 13 Novi batsmen, allowed only two runs on three hits and walked three.

Defensively Northville didn't commit an error. Jay Bartling, who had two hits, was the Northville hero as he knocked in two runs with two out in the sixth inning to break a 2-all tie. Greg Ryba and Mike Wissman scored the winning runs.

Rec briefs

Registration ends Friday for summer recreation classes. One of the activities being offered is a square dancing class. Different levels of dance are available, plus night dancing. For more information on the dance class call Marian Campbell at 545-2337 or Wendy Hoin at 373-6496.

A track and field program is being offered to boys and girls ages 10 and older. It begins June 29 and runs Monday and Wednesday from 6:30-8:30 p.m. and Saturday from 9-11 a.m. at the Northville High School track. The fee is \$25 per person for the eight-week program. Registration ends Friday.

The new open swim hours are as follows: Monday through Saturday noon-2 p.m. and 4-6 p.m. For adults only, Saturday 3-4 p.m. The cost is 75 cents at the door.

There is a special recreation commission meeting tonight (Wednesday) at 7:30 p.m. at the community building, 303 West Main.

The recreation office will be closed Friday, July 3.

If you don't smoke...

Farmers can insure your home or apartment for less

For years, Farmers has been helping non-smokers save money on life and auto insurance, with special policies that give better risks a better deal.

Now non-smokers can save on complete homeowners packages or on fire coverages alone — available whether you own a house or condominium or rent.

If no one in your home has smoked in two years, you may qualify.
