New fire station millage goes on primary ballot

A fire station in the western portion of Northville Township moved one step closer to a reality May 22 when the board of trustees voted unanimously to put a .6 mill, five-year request on the August primary ballot.

If approved by the voters, the millage would net the township \$625,000, with \$500,000 of that amount to apply to the principal and the rest to go to pay interest on the five-year debt.

Township manager Bruno Scacchitti estimated the entire cost of the project at \$625,000. In a written statement, Scacchitti said he estimated \$451,000 would be used to build the station, an additional \$22,500 would cover the standard five percent bond counsel fee and 26,500 would be set aside for possible cost overruns.

Scacchitti said the millage request was based on current state equalized value figures, and he noted if those figures rose there was a possibility of reducing the millage rate in the final year of the tax.

It took the board of trustees just 20 minutes to approve the wording on the ballot request. If voters approve the ballot issue, the millage would

appear on December tax bills, treasurer Richard Henningsen noted.

"It has (the fire station) been nine years in the planning," said fire chief Robert Toms. "I guess another couple of months won't delay anything."

In supporting the .6-mill proposal, Henningsen noted: "In keeping with our efforts to build an effective and efficient fire department, the next step is to approach the community and ask for this millage for five years and five years only. It's (the fire station plan) a good plan, and we have a good department to staff it."

Despite the unanimity of the board, Supervisor Susan Heintz pointed out the issue would be the third millage proposal on the August ballot.

"I don't see any problem," noted trustee Richard Nowka. "The other two issues are renewals."

The board had earlier approved two ballot proposals for the operation of the police department. A renewal of 1.5 mill is sought for 1986-90. To avoid placing another renewal on the ballot next year, the board voted to seek approval of 0.7 mill from 1987-90. Both are for operation and maintenance of the department.

Local amnesty office isn't taxing for staff

By ANITA CRONE

Jim Vargovich and Bill Griffen weren't too busy Friday at Northville City Hall. But Vargovich says he expects to get busier as June 30 nears.

The two men, both Michigan Department of Treasury employees, staff a tax amnesty office between 8:30 a.m. and 5 p.m. Fridays at city hall.

"We're here to assist the taxpayer," Vargovich insists. "We're not here to make things difficult."

The amnesty program, which allows business and individual taxpayers who have not correctly paid their taxes to the state of Michigan to pay the overdue amounts without fear of penalties or prosecution. The program ends June 30.

The Northville office is one of several throughout the area. Other nearby offices are in Walled Lake, Livonia and Southfield.

"It's really a very simple process," Vargovich explains. "A person comes in, fills out the proper form, signs it and pays up." And the state is accepting almost any method of payment — cash, check or a credit card.

It's if an individual doesn't pay up that the trouble can get serious.

After the amnesty period ends, an individual caught not paying taxes or cheating the state could end up pay-

ing a 100 percent penalty and also be liable for prosecution, Vargovich says.

A senior field auditor assigned to the Ann Arbor office, Vargovich says he usually is assigned to audit large businesses, but he's equally willing to help individual taxpayers come clean.

"It's very confidential," he says. "No one will know the names of the individuals or businesses who apply for amnesty. That's what the program is all about."

The program covers individual taxes through 1984 and business taxes through October, 1985. Persons who are currently under criminal investigation or have been convicted of tax fraud are not eligible to participate in the program. However, parties in litigation with a tax tribunal have the option to withdraw from the suit and pay any taxes owed through the amnesty program.

Although amnesty has only been available since May 1, early responses have exceeded the state's expectations.

The smallest payment thus far received has been \$66. A business came up with \$1.7 million in back taxes.

"I would imagine things will pick up toward the end of the month," Vargovich said. "It always happens that way with taxes."

Marching in the color guard Monday are, from right, Charles Sperry, Don Bogater, Carl Baker and John Hinman

Memorial Day: Patriotism's back

By JEAN DAY

Noting that the sacrifices of those who died for our country "have not always been fully appreciated," Mayor Paul Vernon, himself a veteran, said in Monday's keynote Memorial Day address that he was pleased that "patriotism is alive and well" again today.

Several hundred spectators lined the parade route that led to the veterans' section in Rural Hill Cemetery at 10 a.m. Monday and stood on the green hillsides in the cemetery as members of the Veterans of Foreign Wars Post 4012, assisted by American Legion Post 147 and joined by local dignitaries, paid tribute to those who had served their country.

The sunny, warm day with temperatures hovering in the 70s also was credited with helping bring out one of the largest crowds in recent years.

The sun shone clearly on the veterans' section at the east side of the cemetery with its rows of 75 identical white military markers. These graves of those who died in service in both world wars as well as in the Spanish American war were decorated with American flags. During the ceremony, members of the auxiliaries to the local posts placed poppies on each grave.

Merle Hoag, past post commander, welcomed guests and marchers and introduced speakers. He called upon the Rev. Lloyd Brasure, minister emeritus of First Presbyterian Church who had served as a World

"No one greeted (the Vietnam veterans) return with the respect they so richly deserved. Through the efforts of veterans' organizations and other patriotic organizations we finally acknowledged the damage."

Mayor Paul Vernon

War II chaplain, for the invocation and benediction.

The minister told those attending that they were in a special place set apart for memorial tribute and dedication as the sun makes its way across the heavens "from the Atlantic to the Pacific we are coming together to pay tribute."

"The 50 states have banded together in a land that is truly a beautiful place to continue that which many died for," he said as he asked for "blessings on its citizens and to make our country a righteous one and an example to others."

VFW Department Commander Paul Savage noted that he had attended sunrise services in Hawaii a week earlier and that "the meaning is still the same wherever we put on services to honor our comrades."

He said he is concerned that a recent survey showed that only three in 10 persons questioned knew what

Memorial Day was but that "we have by this program shown what it means, what our comrades have fallen for."

He added that the survey showed that 35 percent of all Americans did not own an American flag — and, he said, what better way to show the world what these comrades have fallen for than to fly the flag.

Other dignitaries introduced were VFW district commander Dale Brubaker, post commander Carl Baker, Township Supervisor Susan Heintz, treasurer Richard Henningsen and trustee Don Williams, Judge John MacDonald and state Senator Robert Geake.

Special honorees were World War I veterans Everett McCollum and Walter Fox.

Hoag also thanked the Northville High School marching band under the direction of Michael Rumbell. The students in black uniforms and

caps with white plumes played selections including "The Star Spangled Banner" and "America."

Also marching in the parade were the Knights Templar, Brownie and Cub scouts.

Vernon, in the main address, began, "This is Memorial Day 1986."

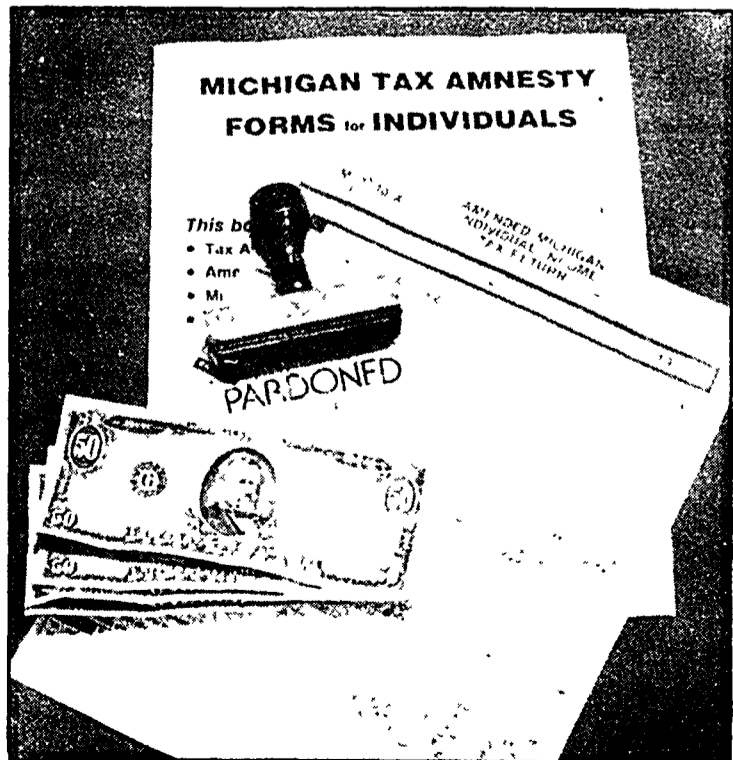

"What does it really mean and why are we here. I submit it is because of the American dream."

He said that for this many have served and died for their country. Relating that in the recent past these sacrifices have not always been fully appreciated, Vernon said over one million have died for their country and, while it might have appeared they died in vain, "we know that in America we have a priceless legacy and the priceless possessions of liberty, human dignity, civil rights and certainly patriotism."

These are so important today when so many people are forced to live under oppression, he said.

He said he was pleased that veterans again are receiving the respect they deserve, noting that when Viet Nam veterans came home "no one greeted their return with the respect they so richly deserved. Through the efforts of veterans' organizations and other patriotic organizations we finally acknowledged the damage," he continued citing the memorial in Washington, D.C., ticker tape parades and the "most emotional for me picturing on television of a young man who had stepped on a land mine."

Tax forms available to gain amnesty

Church to sell acreage for office center

A Livonia church plans to sell between 35 and 45 acres of the land it owns on the northwest corner of Six Mile and Haggerty roads and build a new church on the remainder of the 140-acre site.

Ward Presbyterian Church, Livonia, has decided to sell between 35 and 45 acres of its property to a developer, said church site development administrator James Abernethy. He said the church has not chosen a developer but expects to make a final decision within a month.

He said it was decided at the church meeting last Thursday that one requirement for purchasing the land is it must be used for an office complex.

A complex built on the site will be taxable, Abernethy reported at a Northville Township Planning Commission meeting March 25 when the church first presented the plan to the township.

Abernethy said the township will benefit from the office space, and he thinks the community is in favor of the plan.

"It's kind of exciting. The dreams of a community and the dreams of a congregation seem to be blending,"

Abernethy said.

The church is selling some of the property because it has more space than it needs, Abernethy explained.

Among the church's short term plans for the remaining land, located three miles from its current site, is a new sanctuary, triple the size of the current one. Abernethy said the church currently has 1,000 members. The new sanctuary will seat 3,000 people. The church school will also be tripled in size, growing from space for 1,000 students to 3,000.

Abernethy said the church is growing, in part, because of its strong ministry to unmarried people. He noted that many of the church members are single and come from many of the surrounding communities.

"If you're single and there's something going on you'll drive to find it," Abernethy said.

The school is growing because of the high level of teaching skill and good curriculum, Abernethy continued.

"It's one of the strongest programs, to be honest, in the country," Abernethy said.

Among the church's long term

plans for the property is a retirement village. Abernethy said the details on the village, like taxation eligibility and amount of care given to residents, are not finalized yet.

At the March 25 meeting commissioners expressed concern about some of the details on the church plans, including drainage problems.

EMBROIDERERS GUILD: Farmington Hills Embroiderers Guild holds its regular meeting at 10 a.m. at Faith Covenant Church on Fourteen Mile and Drake roads.

Record/STEVE FECHT

Elizabeth's now offers wine list with menu at its Ware's Square locale

Corks are popping at Elizabeth's

"For the first time in seven months, I feel that this is a restaurant," says Doug Campbell, who with his wife, Elizabeth, owns the Hutton Street restaurant that bears her name. After a seven year effort, the last seven months of which were a combination of hope and near despair, the owners of Elizabeth's began serving wine with their classic French dinners.

The Michigan Liquor Control Commission approved the transfer of the license to the Campbells' two weeks ago including in the transfer a proviso that would allow the restaurant to serve alcohol at its Hutton Street location.

The license was included in the sale of the property on the southwest corner of Main and Center streets to a West Bloomfield firm, and it is the intention of the Campbells to move their restaurant to the office and residential complex when it is completed in 1987.

While the Campbells began quietly offering wine with meals May 16, their efforts to obtain the liquor license were not so quiet.

The Campbells' efforts to obtain a resort license, similar to the one ob-

tained by Genitti's, were unsuccessful, Doug Campbell said, mainly because the 47-seat restaurant was too small to qualify for the license. But for years, restaurant patrons knew they could bring their own wine to Elizabeth's and the proprietors were happy to serve it.

Wine service ended abruptly seven months ago when the Northville Police Department, acting on an anonymous tip, arrested Campbell for serving alcohol without a license.

"I'm just glad it's finally over and we have our license," Campbell said, adding that he would put the arrest incident behind him and get on with the business of running the restaurant.

The addition of the liquor license has meant more than business as usual at the restaurant.

Beginning June 1, Campbell said,

diners will be able to enjoy a number of additional menu selections, and the cost of a three-course dinner will be \$24. A different entree will be featured on each weekday menu, with selections including Coq au Vin on Mondays, duck confit on Tuesdays, and leg of lamb on Wednesdays.

The license also has meant the addition of a rather extensive wine menu, which Campbell is more than happy to share.

"I had 200 of them printed," he said.

There has been one drawback, however. The Campbells had to move their own wine cellar to another location since state law prohibits keeping a personal supply of alcohol in a business which sells liquor. It was a move Doug Campbell didn't mind making at all.

Salem postpones slated June vote

Salem Township officials have decided to postpone a scheduled June 17 election in which they were to ask voters for permission to negotiate for land needed to construct a new municipal sewage plant.

Meanwhile, township officials are still encouraging residents to attend an informational meeting on the ballot proposal at 7 p.m. next Tuesday in the township hall.

Township Supervisor Richard

Sackett said it was decided to reschedule the ballot issue after local officials discovered that state law prohibits them from holding a separate special election within 60 days of a regular election.

Because of that legal requirement, the land acquisition proposal will be placed on the ballot of the regular Aug. 5 primary election.

While the mix-up has caused a change in local election plans,

Sackett said the postponement will have at least one positive side. "This will also save the township the cost of a special election," he said.

Sackett said the postponement should not deter Salem residents from taking part in next Tuesday's special informational session.

"This is a township-wide decision, and if voters attend the meeting, it will help them understand the serious need for the proposed system."

NEWS BRIEFS

COUNCIL MEMBER Paul Folino gave his own version of True Confessions during a Michigan Week tour at Mill Race Historical Village May 21.

Folino told how as a young man he was given advance information as to when the gates would open at the Mill Race pond and how he would race down to the area with a bag to bag some fish.

"It saved me having to dig up the worms," a much older and apparently wiser Folino said. How long does the DNR's statute of limitations run?

IT WAS A CASE of sometimes you saw it, but now you don't for a decrepit, decaying dock at the mill race portion of the Rouge River near the Mill Race Historical Village.

The dock, at the Yerkes House, was deemed a health and safety hazard by the city's insurance carrier and so was torn down.

FIFTEEN RESIDENTS recently were honored at the 11th Annual Volunteer Appreciation Luncheon at Schoolcraft College.

Volunteers from Northville included Steve Cherne, Gloria Collins, Ray Collins, Paul Dawson, Dorothy Gay, Betty Griffin, Glenna Grosh, Barbara Jackson, Connie Lott, Mildred C. Rumics, Madeline Short, Marge Sliger, Barbara Vanderhoof, Robert Welland and Joyce Zeigler.

Overall, volunteers at the Women's Resource Center worked 3,794 hours and RSVP (Retired Senior Volunteer Program) volunteers contributed 3,044 hours.

BREAKFAST WILL BE served by Elizabeth's beginning soon after the restaurant moves into its new location. Doug Campbell said plans call for the restaurant to serve a continental breakfast, including fresh-squeezed juices, french rolls and a variety of coffees to residents of the anticipated luxury apartments planned for Main and Center streets. Here's hoping they make deliveries, too. After all, Doug, we're right across the street.

Track law takes effect

The track law recently passed by the Legislature and signed by Gov. James Blanchard will have immediate effect, rather than taking effect in April.

An original version of the legislation, rejected by the Senate early last week, called for the law to take effect in April. However, a compromise

was worked out, and the law is expected to be in place in time for the running of the Belmont Stakes, allowing local thoroughbred tracks to simulcast the running of the race.

The bill also will give Northville Downs the added benefit of a one-and-one-half percent tax break when the track's season starts next year.

Park programs scheduled

Birds, flowers, leaves and sounds of nature are the subjects for three walks and a program at Kensington Park near Milford.

"Birds of Forest and Field," a two-hour walk to observe migrating and nesting birds, is Saturday at 10 a.m.

"Blooming Beauties," a naturalist-led wildflower walk, is Saturday at 1:30 p.m.

"Life Among Leaves," a naturalist-led walk, is Sunday, June 1

at 2 p.m.

"Nature's Evening Symphony," a program to identify songs of birds, frogs and toads, is Tuesday, June 3 at 7 p.m.

All programs are free but advance registration is required. For information and registration contact the Metroparks toll-free at 1-800-552-6772. Vehicle entry permits are required.

Record/JERRY ZOLYNSKY

Lois Winters guides Grand Ledge Mayor Lewis Gentry through Mill Race Historical Village

City hosts Michigan Week dinner

In a departure from the format of previous Mayor Exchange Days during Michigan Week, Northville city officials made the exchange a two-day event with local officials traveling to Grand Ledge May 19 and hosting officials of that community here May 21.

During the festivities last Wednesday, the city held the first recognition day dinner for its employees in five years. The dinner had been a casualty of the city's tight budgets.

Last Wednesday, however, nearly

200 attended the dinner at Schoolcraft College which honored city employees for their service, cited those who serve on city boards and commissions and ended the mayor exchange festivities here.

Mayor Paul Vernon explained that in prior years participants in the exchange visited the exchange city, but that the format did not give a chance for those officials to show off our community.

He said his experience a week ago Monday in Grand Ledge was "most

pleasant" and noted that the two cities have a great deal in common with Grand Ledge having a park comparable to Maybury and a senior citizen facility, Serenity Place.

Vernon noted that Northville had contacted Grand Ledge to see if the city would be interested in exchanging mayors because it seemed a similar community. He said the new format would be evaluated and the decision made whether to continue it.

Grand Ledge Mayor Lewis Gentry, a teacher, related that his first im-

pression of Northville was that it is "an extremely clean town — as we drove it everything just seemed to sparkle."

The high school is one of the most impressive I've ever seen — you have a fine facility."

He said that the cooperation between the school and city seemed to be excellent, that the slides of the Downtown Development project had been informative and that he ad-

mired the Marquis Theater, MacKinnon's, council member Dewey Gardner's IV Seasons store — and found Belanger's an interesting success story.

During the Rotary luncheon at noon last Wednesday Jim Belanger was honored as the Northville Community Chamber of Commerce's small businessman of the year.

"When you go to a community, you have to look at the overall picture," Gentry said, adding, "I have to com-

Michigan Tractor vows pull for Rouge

While the Ford Motor Co. got the headlines for sponsoring cleanup efforts along the Rouge River, a Novi firm is quietly making just as big an impact.

Michigan Tractor and Machinery Co. is one of a select few businesses determined to do its part during Rouge Clean-Up Day June 7.

"If you've every been by our facility, you know we take pride in how our buildings look in front. We take the same pride in our backyard," said Mark Jung, company president. The firm's backyard is the river.

Even though the company has a scheduled workday on Saturday, Jung says he expects to have a number of volunteers forego their day off and to spend it removing a

mend your city. Your students look proper, there's a willingness of the people to volunteer, as evidenced by the Mill Race Village. You were 100 percent super friendly 100 percent of the time."

Michigan Week chairman and city council member Paul Folino presided at the dinner and gave the official welcome.

He called upon Mayor Pro Tem Dewey Gardner and council members Carolann Ayers and John Buckland to make the recognition of members of boards and commissions.

Mayor Vernon presented the employee service awards "in recognition of people who give unselfishly of their time."

Julius Saner of the DPW received a 25-year service award. Louis Westfall and Howard Reeves of the police department received 20 year awards.

Fifteen year awards went to DPW head Ted Mapes, James Daniel, DPW, Hugh Jordan, Dave DeLauder, Al Cox, Roger Rathburn, Bill Harrison, Don Lancaster of the police department.

Ten year recipients were clerk

Cathy Konrad, city manager Steve Walters, Donna Kohs, assistant treasurer, Anne Mannisto, librarian, Al Zielinski, George P...t, DPW, Jerry Ryan, Jim Petres, Norm Kubitskey, Gary Callendar, Dave Fendelet and James Marks of the police department.

Five year recipients were Betty Lennox, finance director, Fran Yoakam, housing director, Betty and Harry Orr, Allen Terrace, Tonni Burns, DPW clerk, Svlvia Mazzaro, librarian, William Raeburn, Ken Thelen, DPW, Susan Hatch, police department, and police chief Rodney Cannon.

Police Blotters

American flags stolen

In the city ...

Eleven American flags, distributed around the downtown area for the Memorial Day observance, were stolen on May 25 between 5:30 a.m. and 2 p.m., according to the city police report.

Six 5'x 8' flags were taken from along Main Street, three from along Center and two more from in front of VFW post 4012.

All 11 flags were new, valued at \$480 and owned by the VFW.

A Redford Township woman, an employee at the Northville Party Shop on West Eight Mile Road, reported to police that the window of a front door at the shop had been broken at 10:35 p.m. on May 16.

None of the employees actually saw the damage occur, but they originally assumed that a rock was thrown through the window. The police report stated that it was possible that the incident was an accident because the door was propped open with a rock and was partially extended into the parking lot. It now seems likely that a vehicle accidentally hit the door, but an investigation is still under way.

Damage to the door was estimated at \$300.

A maintenance worker at Northville High School reported to police that unknown person(s) used a sharp object to scratch the entire left side of his 1985 Ford pick-up.

The incident occurred May 19 between 3-11 p.m. and total damage was estimated at \$1,000. The complainant believes it happened at the high school parking lot, but did not notice the damage until he returned to his home in Brighton.

A 31-year-old Northville man reported to police that a palm-sized rock was thrown through the passenger side door window of his

1985 Buick Century and his radar detector stolen sometime between 10 p.m. on May 25 and 8:15 the following morning.

The detector was valued at \$260 and the vehicle sustained \$80 worth of damage.

... in the township

Northville Township police were busy last week with a number of alcohol-related charges.

A Novi woman is scheduled to be arraigned June 17 after police officers noticed her vehicle failed to stop for a flashing signal at 3:51 a.m. May 18.

After the woman failed to perform satisfactorily a series of tasks at the scene, the officer administered a portable breathalyzer test which resulted in a reading of .21. A similar test half an hour later at the Northville Township Police Department resulted in a similar reading.

A Livonia man, stopped for speeding May 25, also was charged with operating a vehicle under the influence of liquor.

According to police reports, the man sped south on Northville Road and was clocked by radar as traveling at 58 miles per hour in a 40 mile per hour zone.

When the officer stopped the vehicle, the police report noted the suspect exited his vehicle and was unable to remain standing. A PBT was administered and the suspect blew a .18. The man is scheduled for arraignment at 9 a.m. June 24.

An alert motorist informed police officers May 23 that he had seen a car weaving over the center line while traveling northbound on Northville Road. The complainant also stated the suspect vehicle had rammed the rear end of the complainant's car.

Upon investigating, police noted the suspect vehicle weaving and gave

chase, finally stopping the car at Cady and South Main. The Canton Township driver of the car refused to take the offered PBT and was issued two citations — one for OUIL and the second for refusing the test.

A Canton Township woman told police May 20 her purse was snatched by a white male youth as she was leaving the Meijer's parking lot.

Police are searching for the young man who reportedly followed the woman into the store parking area, and pulled her shoulder bag off her arm. According to the woman's description, the suspect is about 16 years old, blond, 5-foot, 7-inches tall, and weighed about 150 pounds.

Police officers assisted Northville Regional Psychiatric Hospital security officers in apprehending two walkaways in separate instances.

In one case May 22, township police spotted a suspicious person on Six Mile Road west of Bradner. They talked to the suspect who told them he was a patient at the hospital. He was turned over to hospital security.

A second incident occurred May 23 when police were called to Northville Charleys. The suspect also told police he was a patient at the hospital. Security officers returned the man to the facility.

There was a lot of smoke but apparently very little fire May 21 at the Phoenix Center. Northville Township fire officials helped put out a plastic fire apparently started in a lavatory on the second floor of building C by one of the inmates. According to Fire Chief Robert Toms, the plastic fire caused a "great deal" of smoke on the second floor and forced the evacuation of the entire building.

The fire department put out the fire with a fire extinguisher. No one was injured.

Solar power is OCC topic

"Electricity from the Sun" will be the topic of a special program June 10 sponsored by the Oakland Community College Alternate Energy Department, in cooperation with Atlantic Solar Power Inc.

The free presentation will be held from 7-9:30 p.m. in Room J-293 on the Orchard Ridge Campus. The program is open to the public.

Manufacturing breakthroughs, commercial and residential solar cell usage, and the history of solar cells will be discussed.

OCC offers courses in Solar

Energy, Energy Management, Ground Water and Air, Air Heat Pumps, Wind/Hydro Energy, and

Heat Reclamation. For more information about the presentation, call 853-4394.

Rides given for food

The Northville Area Senior Citizens' bus is offering rides to the Plymouth Salvation Army, 9471 S. Main St., on cheese and butter pick up days.

To qualify for cheese and butter pick up people must be at least 60 years old. Single seniors making \$700

per month, a senior couple making \$940 a month and three people making \$1,154 a month qualify.

The pick up times are between 1:30-3:30 p.m. For more information and bus reservations call 349-4140. Reservations are required.

The bus will be leaving Friday, May 30.

Community pays tribute to veterans

Continued from Page 1

The veteran who had lost both legs, he related, had walked on the stumps from California to Washington.

— yes, patriotism is alive and well," he said. He noted that today the armed forces are "recruiting the best."

the Civil War the custom of strewing spring flowers began. It became Decoration Day and in 1971 was renamed Memorial Day and declared a national holiday as a remembrance of all those who served

and died. "Their comrades see to it that flags fly over their graves — let us remember what Memorial Day is all about — let us pray for a lasting peace."

Remembrances

Among the residents paying tribute to veterans in Monday's Memorial Day celebration were Walter Coponen, his wife Meg and son Leif (above), Margie Peach (center), placing a poppy on her husband's grave, and Mayor Paul Vernon, who addressed those gathered in the cemetery.

Obituaries

Former Navy pilot John Burns given air salute

Northville resident John J. Burns, who died May 21 at St. Mary Hospital, was saluted Memorial Day in a fly over by friends from World War II. He had been a Navy pilot in World War II.

The five-plane fly over by friends in the Yankee Air Force based at Willow Run included a C-47 bomber of World War II vintage.

Mr. Burns, who was 63, was co-owner of Capri Manufacturing Company in Redford, a tool and die company.

Funeral service was at 10 a.m. Friday at Ross B. Northrop and Son Funeral Home with Fr. Timothy Hogan of Our Lady of Good Counsel officiating. Rosary was said at 8 p.m. Thursday by Sister Kathleen of Our Lady of Victory Church where Mr. Burns was a member.

He came to the community five

years ago from Southfield where he had lived for 18 years. He was a former member of St. Mary's of Redford Church and was a life member of Meadowbrook Country Club.

He was born Jan. 13, 1923, in Detroit to William and Marie (Markey) Burns. He married Edith F. DeKette June 19, 1959, at Our Lady Queen of Hope Church.

In addition to his wife he leaves sons Michael of Wixom, Gary of Kalamazoo, a daughter, Mrs. Donald (Carol) Lux of West Palm Beach, Fla., sisters Gertrude Urban, Mary Jane Thompson, Rosemary Rudden, brothers William and George Burns, and one grandchild. He was preceded in death by a sister, Margaret Kose.

CHARLES I. TOBEL

Novi resident Charles I. Tobel died May 21 at University of Michigan Hospital in Ann Arbor after an illness

of four years. He was 53.

A foundation and concrete contractor, Mr. Tobel moved to Novi in 1962. He was born May 16, 1933, in Southfield to Norman and Margaret (Johnson) Tobel. He married Darle Curwin, who survives, in 1953.

He also leaves his mother, Margaret Johnson of Southfield; children, Lynn in Missouri, Kevin of Northville, Laurie of Southfield, Charles of Boyne Falls and Beth of Chicago; brothers Marvin and Gary of Brighton; a sister, Irma of Oscoda; and five grandchildren.

Visitation and a memorial service were at Casterline Funeral Home, Inc. from 5-8 p.m. Thursday. Private interment was at Southfield Cemetery in Southfield. The family suggests memorial tributes of the donor's choice.

VIRGINIA L. RAUM

Funeral service for Virginia L.

Raum, mother of Virginia Mercurio of Northville, was held May 21 at Ross B. Northrop and Son Funeral Home. The Rev. Victor F. Halboth Jr., pastor of Grace Lutheran Church in Redford, officiated. Interment was in Roseland Park.

A professional music teacher for 50 years, Mrs. Raum died May 17 at Farmington Nursing Home in Farmington Hills. She was 92.

She was born Nov. 22, 1893, in Alameda, Calif., to John and Adelen (Labatard) Moody. She was widowed.

In addition to her daughter, she leaves a nephew and nieces, George Raum of Northville, Virginia Nagel of Las Vegas and Joyce Wathen of Hemet, Calif.

ERNA E. HALBOTH

Erna E. Halboth, wife of the Pastor Emeritus of Grace Lutheran Church

in Redford, died May 11 at Franklin Manor. She was 79.

A graduate of Marquette University in Milwaukee, Wisc., Mrs. Halboth had been a registered nurse in California and Wisconsin. She came to Detroit in 1946 and was a member of Valpariso University Guild and Kenwood Woman's Club. She served as choir director at Grace Lutheran Church from 1946-56 and was active in all areas of the church.

She was born May 30, 1906, in Sheboygan Falls, Wisc., to Ernest and Minnie (Adams) Helmer. She married Rev. Halboth August 15, 1929.

In addition to her husband, she leaves two sons, the Rev. V.F. Halboth, Jr., of Redford, pastor of Grace Lutheran Church, Dr. Philip H. Halboth of New York, a daughter, Mrs. Cullen (Bonnie) Baker of Napa, Calif., a brother, Carl Helmer of Plymouth, Wisc., and five grand-

children.

Funeral service was May 15 at Grace Lutheran Church with the Rev. Thomas Waber, Rev. Maurice G. Shackell, Rev. Kenneth M. Lindsay and Rev. John C. Streit officiating. Interment was in Glen Eden Memorial Park in Livonia. Arrangements were by the Harry J. Will Funeral Home, Inc., in Livonia.

MARY ELLEN SABO

Funeral services for Mary Ellen Sabo, a former Northville resident, were May 24 at Saint Rita's Catholic Church in Solon, Ohio. She died May 21 in the Parma Ohio Community Hospital. She was 49.

Mrs. Sabo resided on Grace Court in Northville from 1969 to 1983 before moving to Chagrin Falls, Ohio.

She is survived by her husband Julius of Chagrin Falls, a brother, two nephews and a niece, all of Cleveland.

Local host families sought for student exchange program

Several organizations are looking for area families that might be interested in hosting foreign exchange students in the months ahead.

Youth For Understanding, one of the largest non-profit, international high school student exchange programs, is looking for American families to host international students from 26 countries for either six months or a full year.

Nacel Cultural Exchanges, a non-profit organization listed with the National Association of Secondary Principals, is looking for families which will host a teenage exchange student from France or Spain for four weeks during July.

Both organizations also offer reciprocal programs which permit American youngsters to live with a family in a foreign country.

International Student Exchange, Incorporated, seeks American host families for students from Brazil, Mexico, Japan, England, Spain, Germany and New Zealand.

The students are between 15 and 19 years old and attend the local high school during their stay. They are covered by their own medical insurance and provide their own spending money.

Host families in the Youth For Understanding (YFU) program provide room and board to the student as well as the same guidance and love they give their own children. Clothing, spending money, insurance and other personal expenses are provided by the student's natural family. Host families are eligible for a \$50 monthly tax deduction while the exchange student attends school.

International students are required to have conversational ability in English and expected to participate as a family member, not a guest. For more information on the YFU program call Elisabeth Recoder at 453-7887.

For more information on the International Student Exchange call (916) 468-2264 or write International Stu-

dent Exchange, Inc., P.O. Box 58, Fort Jones, California 96032.

Julian and Evelyn Prince of West Bloomfield are Michigan coordinators of the Nacel program.

For more information about the Nacel program call the Princes at 626-6641 or write them at 3452 Buckingham Trail, West Bloomfield, Mich. 48033.

EXERCISING

Silent heart disease occurs in thousands of Americans. It is responsible for heart attacks and sudden death in people without warning or without previous symptoms of heart disease. Office EKG's and laboratory tests can be helpful in detecting heart disease but often these can be normal during routine examination. A 24 hour Holter Monitor recording the heart can be worn while exercising and can often detect irregular heart beats and decrease blood flow to the heart muscle.

If you are starting an exercise program and would like to have a cardiac evaluation, call Laurel Park Medical Clinic at 464-8222.

NOTICE OF PUBLIC HEARING ON INCREASING PROPERTY TAXES

AND PROPOSED 1986/87
GENERAL FUND BUDGET
NORTHVILLE BOARD OF EDUCATION
ADMINISTRATIVE OFFICES
501 WEST MAIN STREET
NORTHVILLE, MICHIGAN 48161

PLEASE TAKE NOTICE that on June 9, 1986 at 7:30 o'clock p.m. at Old Village School, 405 West Main Street, the Board of Education of Northville Public Schools will hold a public hearing on the proposed 1986/87 General Fund Budget and on the levying in 1986 of mills for operating purposes pursuant to Act 5, Public Acts of Michigan, 1982. A copy of the proposed 1986/87 General Fund Budget will be available in the Office of the Superintendent on June 2, 1986.

The Board of Education has the complete authority to establish that 35.40 operating and 7.00 debt mills be levied in 1986 from within its present authorized millage rate.

The maximum additional proposed millage rate would increase revenues for operating purposes from ad valorem property tax levies in 1986, otherwise permitted by Act 5, Public Acts of Michigan, 1982, by two and forty-nine hundredths percent (2.49%).

The 35.40 operating millage to be considered has been previously approved by the voters as follows: 26.5 mills, 03/24/86; 8.90 mills, County allocated. For 1985/86 the Board of Education levies 35.40 of the 35.40 operational mills authorized by the voters.

The purpose of the hearing is to receive testimony and discuss the levy of an additional millage rate. Not less than seven (7) days following the public hearing, the Board of Education may approve all or any portion of the proposed additional millage rate.

This notice is given by order of the Board of Education.

CHRISTOPHER J. JOHNSON, SECRETARY
NORTHVILLE PUBLIC SCHOOLS
BOARD OF EDUCATION

(5-28-86 NR, NN)

Frank Carollo personally invites you to the ultimate seafood barbecue.

Time: all summer long
Place: Monahan's Seafood Market

Fish on the grill! We know we didn't invent it but at Monahan's, we've perfected it for you. We're stocked with enough grilling butters, grilling sauces, grilling marinades, grilling recipes and fresh seafood to keep you out on the patio all summer long.

Frank's doing up the infamous Monahan's teriyaki swordfish kabobs. Tomorrow night, how about Cajun shrimp kabobs (with Andouille sausage and red peppers) or tuna steaks brushed with anchovy butter, topped with smoked mozzarella and sundried tomato? Or bluefish fillets with tomato salsa, lobster tails basted with herb-garlic butter? Start up you grill tonight and take advantage of the invitation all summer long!

Schools host year-end events

EDITOR'S NOTE: The PTA News which appears the last Wednesday of the month during the school year is compiled by volunteer Linda Handyside. She coordinates material from the publicity persons in each of the elementary schools, the middle school and the high school.

AMERMAN

Amerman Science Fair projects will be on display from 6-7:30 p.m. Thursday. A band concert under the direction of Michael Rumbell will follow in the gym beginning at 7:30 p.m. Everyone is invited to come to see and hear the achievements of Amerman students.

The annual parent-teacher luncheon will be Friday in the Amerman School Library from 11:30-12:30 p.m. The luncheon expresses appreciation of the united efforts of teachers and PTA members for a successful year. PTA board members will be honored. It has been a year of many accomplishments, thanks to the conscientious direction of co-Presidents Terri Doyle and Sheila Norgren. The PTA looks forward to another progressive year under the leadership of next year's co-Presidents Norma Beemer and Margaret Surdu.

Everyone is welcome at the final PTA meeting June 3 at 9:30 a.m. in Amerman's multi-purpose room. Parents with children enrolled for the first time in Amerman School next fall are extended a special invitation.

The Student Award Assembly is June 6. The day will end with an ice cream social and art fair from 5:30 to 8 p.m. Hot dogs, beverages, popcorn, ice cream, baked goods and games will be part of the festivities. Everyone in the community is invited to attend.

Naomi Poe, who has taught for more than 30 years, will be honored at a retirement party June 10 from 3:30-5:30 p.m. at Amerman School. Former and present students, parents, teachers and friends are invited to attend.

Voters in the Northville School

District are reminded to vote for school board members June 10 between 7 a.m. and 8 p.m.

School will be dismissed June 12 at 3:30 p.m. for summer vacation.

Rita Gordon

SILVER SPRINGS

Silver Springs joined in the Michigan Week celebration with a variety of activities. May 19 a special assembly highlighted some Michigan features. Students who participated in the March of Dimes Reading Champions Program were also recognized. Students read 1707 books and helped raise \$1,828.29. One hundred and two students participated; 26 read four to nine books and received bronze medals; 25 read 10 to 19 books and received silver medals; and 49 students read more than 20 books to receive gold medals. Jared Cromas read the most books, 101, and the top money raiser was Andrew Stuart with \$125.

Career Day, May 21, was a new addition for Michigan Week at Silver Springs. May 22 was a traditional treat, the annual balloon lift, a favorite activity for the entire school.

Several classes have gone on field trips this week. May 22 three kindergarten classes had a picnic lunch and an Amtrak train trip from Dearborn to Ann Arbor. Mrs. Higbee's class visited the Wash Oak school in Mill Race Historical Village May 22, and Mrs. Stutterheim's class visited the schoolhouse May 23.

The Media Center is a busy place this time of year. The Publishing Center has published 128 books. Mrs. Angell is organizing a student book swap for June 3. Students can bring in books they want to trade June 2. June 3 they will be able to trade with other students on the same grade level. It is also time to check at home to make sure all library books have been returned before the school year ends.

Mrs. Higbee's class has been rehearsing and producing a play. The performance of "On Camera, Noah Webster" will be June 2 at 7:15 p.m.

Other scheduled activities for the last two weeks of school include a Parent Appreciation Tea June 3 from 2:15-3:15 p.m. in the Media Center. June 4 is an all-school field day. June 10 an honors assembly will recognize school year achievements. The fifth grade party is June 11. June 12 will feature last day of school activities, a Disney film and an ice cream social.

The 1985-86 school was exciting. The challenge of a new, larger school population was met successfully. Many thanks to the administrators, teachers, parents and students who worked so hard to make this year a good one. Planning already has begun for next year. The Silver Springs PTA invites parents and all other persons to join us and get involved.

Michelle Conquest

WINCHESTER

In wrapping up the school year Winchester has many activities in the works.

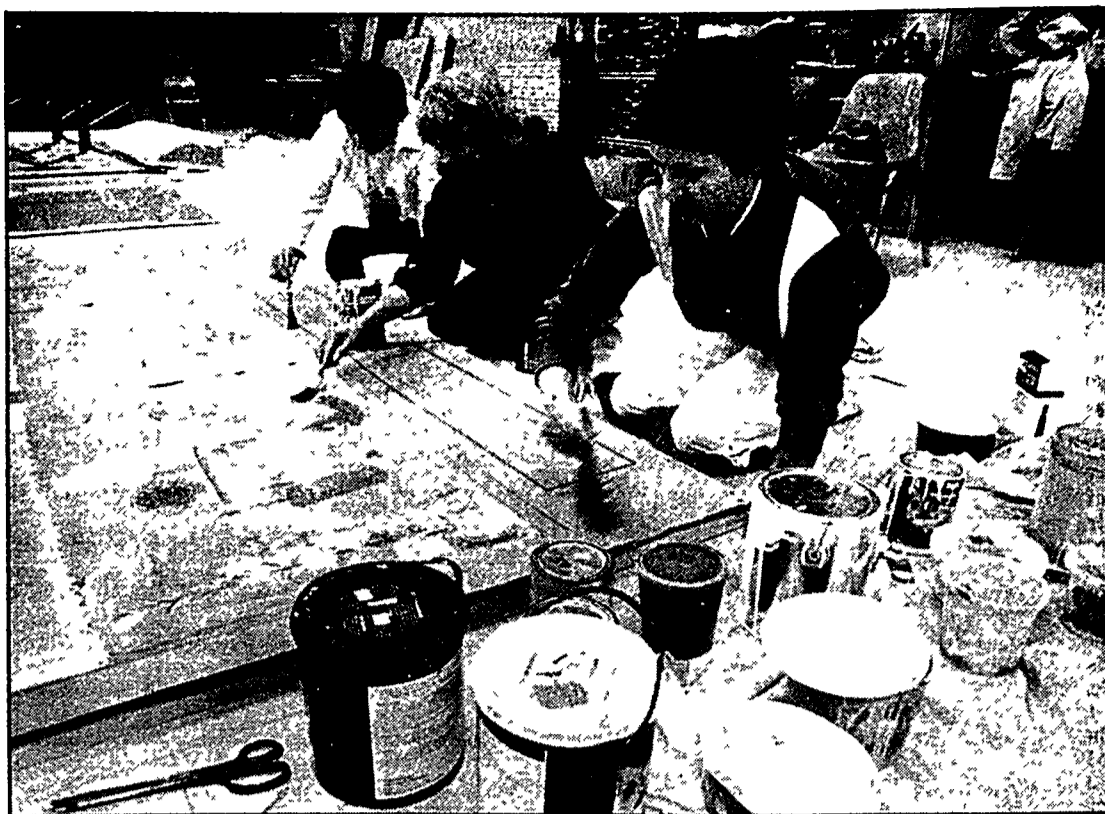

From profits made on the canister fund-raiser the PTA has made a donation, in the name of all Winchester students, for restoration of the Statue of Liberty. As a thank you each child will receive a "Keep the Torch Lite" pencil.

May 19 the Board of Education had its monthly meeting at Winchester Elementary. Awards were given to the third, fourth and fifth grade spelling bee winners, and 37 students received Presidential Academic Fitness Awards for outstanding achievement. Students from Mrs. Sartori's and Mrs. Hardin's classes participated in a presentation called "Higher Levels of Thinking".

Also May 19 our Michigan Week celebration began with a flag raising ceremony. Student council representatives presented important facts about Michigan, and Sandy Craig's students sang.

May 15 the Meads Mill Field performed for fourth and fifth grade students. The program was designed

Record/JERRY ZOLYNSKY

Party planners

Parents of Northville High School seniors have been busy with preparations for the all-night senior party to be held at the high school after commencement. To illustrate this year's theme, "Born in the U.S.A.," members of the front entrance hall subcommittee work on an image of Four Seasons' storefront. The committee is creating a setting which will depict the American heritage of the '86 graduates. From left are subcommittee members Lois Hoff-

meister, Lynne Cavanaugh and Donna McPhail. Other members are Judy Blanchard, Doreen and Colin Earl, Eric Hoffmeister, Kent McPhail, Sharon and Richard Millgard, Penny and Ron Nuechterlein and Carol Rahimi. Jayne Hilfinger is chief organizer of the other decorating subcommittee. Her group is decorating the cafeteria entrance to the media center. Tickets for the senior party still are available from Carol Merrifield at 349-7324.

OFFICIAL NOTICE TO THE CITIZENS OF THE CITY OF NOVI OF PUBLIC HEARING TO CONSIDER APPROVAL OF A PROJECT PLAN AND THE ISSUANCE OF THE BONDS PROPOSED THEREIN AS SUBMITTED TO THE CITY COUNCIL OF THE CITY OF NOVI BY THE ECONOMIC DEVELOPMENT CORPORATION OF THE CITY OF NOVI FOR THIELENHAUS MICROFINISH CORP. PROJECT

PLEASE TAKE NOTICE that pursuant to Act 338 of the Public Acts of Michigan of 1974, as amended, The Economic Development Corporation of the City of Novi has submitted a project plan to the City Council for its approval.

Said project plan deals with the construction and equipping of a 26,000 square foot two story office and one story shop/warehousing design full service headquarters facility to be owned by and to be used by Thielenhaus Microfinish Corp. and to be located on a project area or site on the South side of Nine Mile Road, East of Novi Road and West of C & O Railroad Track, Novi, Michigan, described as follows:

Land is located in the City of Novi, County of Oakland, State of Michigan, and described as follows: All that part of the N.W. 1/4 of Section 35, T. 1 N., R. 8 E., Described as: Beginning at a point in the North line of said Section 35, which point is distant N. 89° 42' 30" E., 1382.40 feet along the N. line of Section 35 from the N. W. corner of Section 35, thence continuing along the N. line of Section 35, N. 89° 40' 30" E., 600.47 feet, thence along the Westerly line of the Chesapeake and Ohio Railroad Right-of-Way (100 feet wide) S. 31° 03' 14" W., 1295.39 feet, thence along West Property Line N. 00° 21' 00" E 933.00 feet, thence along the S. line of the Knapp Cemetery Property N. 89° 42' 30" East, 61.00 feet; thence along the East line of said Cemetery Property N. 00° 21' 00" E., 173.40 feet to the point of beginning. Containing 355323 SF or 8.157 acres, Section 320373 SF or 7.355 acres (60' R.O.W.) Subject to Easements of Record.

Said project plan details all information required by law relative to said project and its impact on the community. No persons will be displaced from the project area as a result of this project. Said project plan also proposes the issuance of revenue bonds by said Economic Development Corporation in a maximum principal amount not to exceed \$1,000,000 to assist in the financing of said project.

The City Council will meet at 8:00 o'clock p.m., Monday, the 16th day of June, 1986, at the City Library located at 45245 West 10 Mile Road, Novi, Michigan, and will conduct a public hearing.

The public hearing shall consider the advisability of the Council approving, modifying or rejecting by resolution said project plan and the issuance of bonds as proposed therein.

THIS NOTICE is given pursuant to the requirements of Sections 10 and 17 of Act 338, Public Acts of Michigan, 1974, as amended. The project plan and relevant maps or plats are available for inspection at the City Clerk's office.

All interested citizens are encouraged and will be offered an opportunity at said hearing to address the Council concerning said project, said project plan, and the bonds proposed to be issued. Written comments may also be submitted to the City Clerk prior to said hearing.

(5-28-86 NR NN)

Geraldine Stipp,
City Clerk

Schools slate parties for retiring staff members

(Continued from 8)

to interest them in joining the Meads Mill School Choir.

Career Day was May 21. Students heard career talks by an art teacher, auto manufacturer, veterinarian, medical technologist, pilot, archeologist and an FBI agent.

Many of the classes are planning field trips and end of the year parties. Some of the field trips have already taken place. Mrs. Sabo's second grade class went to the Ann Arbor Hands-On Museum. The students manipulated everything from a miniature hot air balloon to 48,000 straight pins suspended from a board to give a tactile experience. The fifth graders visited Greenfield Village. Fourth graders went to the Detroit Science Institute, and Mrs. Schaal's second and third grade classes visited Kensington Park Nature Center.

Look for a third edition of the Winchester's newspaper, "The Razzler," to be available soon.

June 4 students will display their science projects. Along with the science display will be an array of art projects. Winchester's band will be performing. The display begins at 6 p.m. with the concert at 7 p.m.

The PTA is planning a retirement reception for Principal Ron Horwath. A student reception is at 2 p.m. From 4 to 6 p.m. all district friends and faculty are invited to attend. The reception is in the Media Center.

The final PTA meeting is June 4 at 9:30 a.m.

Meg Lyczak

MEADS MILL

Meads Mill invited more than 35 people to share information with students May 21 during Career Day. Students in all three grades had an opportunity to hear, first hand, what it is like to be an architect, dentist, disc jockey, model and helicopter pilot among others. Nearly all the professionals were from the Northville area and are volunteering their time.

Congratulations go to Mrs. Baird's seventh grade team and to Mrs. Keeler's sixth grade team for winning the kick-beano, speedball tournament. Mrs. Irish's class won the intramural overall competition award. The class will have a plaque displayed in the office. Mrs. Irish's team lost only one game in all the intramural events. Mrs. Keeler's team wins the sixth grade overall competition for winning two events and will also receive a plaque.

Results from the state forensic tournament are in. Meads Mill students who placed in the Ann Arbor competition are Manpreet Bagga,

DTA NEWS PTA NEWS

first in oratory; Karin Pearson, sixth in oratory; Jennifer Howland, a tie for first in impromptu; Jennifer Couzens, a tie for third place in storytelling and Kavitha Sriraman, sixth in storytelling. All other members earned certificates of excellence.

Industrial arts students were awarded a total of 44 ribbons for their projects entered in the Michigan Industrial Education Society state and regional competition. On the state level, Andy Wayne received first place for a plastic truck; Mike Smith placed eighth for a plastic letter opener; Jaret Beer won ninth place for a plastic sailboat and Jason Nunn placed 10th with a plastic biplane.

The Meads Mill PTSA will be honoring the staff with a Teacher Appreciation Luncheon in the Media Center June 6 from 10:50 a.m. to 12:15 p.m. Everyone is invited to attend.

Final report cards will be mailed home June 18.

Sue Nix

NORTHVILLE HIGH

The first week in June is a busy one beginning with Athletic Physicals June 2 and ending with a Pom Pon Car Wash June 7. The Athletic Physicals are conducted annually for Northville High School students who wish to participate in sports for the

coming school year. Those planning to enroll in summer camps also are welcome to take advantage of this program. The exam form can be picked up in the high school office prior to the physical. A \$5 fee will be required at exam time. Girls are scheduled between 5 and 6 p.m. and boys between 6 and 7 p.m.

A Bandorama will be June 3 at 7:30 p.m. in the auditorium. Symphonic Band will feature some pieces from West Side Story and the Jazz Ensemble will perform highlights from the latest Jazz Festival plus some new pieces in its repertoire. Refreshments will be served afterward. The concert is free to all community members.

Honors Convocation is June 4 at 7 p.m. in the auditorium. This is a special night for students who will receive Northville High School Departmental Awards, national and state awards and college, as well as local scholarships. We congratulate those students for the special talents and efforts which bring them this recognition.

The Music Awards Banquet is at 6

p.m. June 5 in the cafeteria. This is a special night for both choir and instrument students. They will receive letters as well as pins and certificates for their efforts this past year. Music Booster organizers expect a large gathering since there are over 200 students in the music program.

Seniors will be treated to a pizza lunch June 6 when they receive their cap and gown. They will be dismissed early. June 13 at 7 p.m. is graduation and then the Senior party. The senior party has been an annual event since 1964 when parents decided they wanted to give the graduates a safe and happy celebration. Each year the seniors' parents decide on a theme and decorate. This year's theme is "Born in the USA."

The Hilltop Shoppe, operating out of its new quarters on the corner of the front hall at the cafeteria entrance, is featuring special sales now through June 6 with 25 percent off all clothing. A different item will be marked 50 percent off each day. The store is open from 10:30 a.m. to 12:05 p.m.

The June school calendar will include two weeks of August to help families schedule their summer vacations. New student enrollment begins August 21 and 22. Seniors enroll August 25, juniors August 26, sophomores August 27 from 8-11 a.m. and freshmen August 27 from 1-3 p.m. Registration will include collection of the emergency data card; taking identification card and school pictures; making locker assignments; issuing transportation schedules; free or reduced lunch forms; student parking permits; senior announcement information, cap and gown information and measuring; ordering mass rings and yearbooks and schedule pick-up.

Lois Hoffmeister

MORAINE CENTER

Because we know that growth occurs according to the child's personal calendar rather than in response to our demands, we find that we can best serve the needs of little people by offering a wide variety of opportunities to facilitate skill development.

Personal and social awareness, invention, exploration, imagination, decision making and confidence are all big sellers at Moraine. When we hear a little one exclaim, after success at a particularly difficult task, "I can do anything!" we know we're on the right track.

Moraine's program is growing. We welcome visitors to our classrooms and are presently accepting registrations for Summer child care, including school age students, and fall classes.

Record/JERRY ZOLYNSKY

Student singers

Members of the 18-member Northville High School Singers have been entertaining civic groups throughout the community during the past few weeks. Under the direction of Cheryl

Kaye, the group recently performed at the 50th anniversary celebration of the Northville Branch of the Woman's National Farm and Garden Association.

CHARTER TOWNSHIP OF NORTHVILLE ORDINANCE NO. 77.01 '86

AN ORDINANCE TO AMEND THE CHARTER TOWNSHIP OF NORTHVILLE ZONING ORDINANCE BY AMENDING THE TEXT THEREOF:

PART 1. The Charter Township of Northville Zoning Ordinance No. 77, as amended is hereby further amended by amending Article II, Article III, adding ARTICLE VII-A — OS-2 Large Office Districts and Article X-A — FS Freeway Service Districts.

A) Article II, Section 2.2 Definitions by adding 38A. Floor Area Ratio: The floor area, including basements of all principal and accessory buildings, divided by the area of the lot excluding existing public street right-of-way. Floor area shall exclude parking which is wholly underground but shall include any parking structure located above ground.

B) Change Section 3.1 Districts Established to read as follows by adding the OS-2 and for FS Districts:

Sec. 3.1 DISTRICTS ESTABLISHED:
1. For the purposes of this Ordinance, the Township of Northville is hereby divided into the following districts:
R-1 One-Family Residential District
R-2 One-Family Residential District
R-3 One-Family Residential District
RM-1 Multiple-Family Residential District
RME Elderly Village Residential District
OS-1 Office Service District
OS-2 Large Office District
B-1 Local Business District
B-2 Convenience Shopping Center Business District
B-3 General Business District
FS Freeway Service District
RD Research and Development District
I-1 Industrial District
P-1 Vehicular Parking District
2. Whenever this ordinance contains a reference to the B (Business) Districts, such B Districts shall include the FS Freeway Service District.
C) Add ARTICLE VII-A — OS-2 LARGE OFFICE DISTRICTS to read as follows:

ARTICLE VII-A — OS-2 LARGE OFFICE DISTRICTS

PREAMBLE:
The OS-2 Large Office Districts are designed to provide for office buildings in areas which have significant highway or road visibility thereby encouraging uses which have a relatively high value per acre of land.

The districts are also designed for use in areas which may have unique natural features or topography, vegetation and drainage. One purpose of the district is to provide for the protection of the natural features as much as practical and to retain such natural features for physical separation of the offices and parking lots from adjacent residential uses.

It is also, however, intended that off-street parking lots be obscured from view of adjacent residential areas and, therefore, building into the sides of hills is encouraged. Vegetative materials which are natural to the area should be used as landscape plant materials and the construction of the landscaped areas will be in accordance with landscape design principles, adopted by the Planning Commission.

In order to carry out the intent, site plans for each zoning lot will be reviewed in relationship to the natural characteristics of the lot and its relationship to adjoining lots, particularly single-family lots.

SEC. 7.1A. PRINCIPAL USES PERMITTED:
In a Large Office District, no building or land shall be used and no buildings shall be erected except for one or more of the following specified uses, unless otherwise provided in this Ordinance:

- Office buildings for any of the following occupations: executive, administrative, professional, accounting, writing, clerical, stenographic, drafting and sales.
- Medical office including clinics serving patients solely on an outpatient basis.
- Banks, credit unions, savings and loan associations, and similar uses; drive-in facilities as an accessory use only when located within the main building.
- Public utility buildings, telephone exchange buildings, transformer stations, substations, or gas regulator stations, but in no instance shall these uses include storage yards.
- Other uses similar to the above uses.
- Accessory buildings and uses customarily incident to any of the above uses.

SEC. 7.2A. PRINCIPAL USES PERMITTED SUBJECT TO SPECIAL CONDITIONS:

The following uses shall be permitted, subject to the conditions hereinafter imposed for each use:

- A secondary use which is accessory to and located in the same building as a principal use permitted by this Article, such as, but not limited to: pharmacies, apothecary shops, stores limited to corrective garments or bandages, optical services, walk-in printing services, restaurants, barber shops, beauty shops or physical fitness clubs subject to the following conditions:
 - Such uses shall not be permitted in a building of less than one hundred thousand (100,000) square feet of floor area.
 - The floor area devoted to all such uses in a building shall not exceed five (5) percent of the total floor area of the building.
 - All such secondary uses shall have customer entrances from the interior of the principal building in which they are located.
 - All secondary uses shall provide off-street parking spaces equal to seventy-five (75) percent of the requirements of Section 15.12 for such uses in addition to those required by principal uses.
 - Signs indicating secondary uses which are separate from those signs allowed and indicating principal uses, shall not be permitted except for one (1) nameplate identifying the name, logo and/or address of the secondary use and not exceeding one (1) square foot in area.
 - Appropriate floor plans shall be submitted to enable review of the above special conditions.
- Any use which is charged with the principal function of research, testing, design, technical training or experimental product development and subject to the following:
 - Warehousing of products for distribution shall not be permitted as an accessory use.
 - Manufacturing shall be limited to prototype equipment, products or materials needed for experimental purposes which are not generally for sale and are not produced on an assembly line. Repair of equipment, products or materials shall be limited to prototypes and shall not be for customer services.
 - Noise shall not exceed levels permitted by the Northville Township Noise Abatement Ordinance No. 74.

SEC. 7.3A. REQUIRED CONDITIONS:

- No interior display shall be visible from the exterior of the building.
- The outdoor storage of goods or materials shall be prohibited.
- Warehousing or indoor storage of goods or material, beyond that normally incidental to the above permitted uses, shall be prohibited.
- Uses permitted shall require review and approval of the site plan by the Planning Commission. An existing conditions map and the site plan shall be submitted in accordance with SEC. 15.24 and at a scale of not less than one inch equals 40 feet. The following conditions shall also apply:
 - Straight cross sections, drawn to a scale of not less than one inch equals twenty (20) feet, and passing through the nearest point of the proposed building or buildings, and any abutting residential structures shall be submitted. The purpose of the section or sections is to illustrate the relationship between adjacent homes, greenbelt, parking lots and proposed buildings. The Planning Commission may require additional cross sections if they are found necessary to fully illustrate these relationships.
 - Detailed plans of any berm, greenbelt or wall shall be submitted in accordance with the following:
 - Minimum scale of one inch equals 40 feet.
 - Existing and proposed contours with contour interval not to exceed two (2) feet.
 - Planting plan indicating location, size, spacing and root type (bare root or B and B) of all plant materials.
 - Typical straight cross section including slope, height and width of berms and type of ground cover and type of construction of walls, including footings.
 - All significant construction details to resolve specific site conditions, e.g., tree wells to preserve existing trees, culverts to maintain natural drainage patterns.
 - The OS-2 District Landscape Design principles as adopted by the Planning Commission.
 - Exterior lighting fixtures shall not be located more than thirty (30) feet above the ground. All outdoor lighting shall further be subject to the provisions of Section 15.19 EXTERIOR LIGHTING and, furthermore, the light source shall be totally shielded with opaque material on all sides and on the top and the plane of the light diffusing media and shall be parallel to the horizontal plane of the area to be lighted. A diagram indicating the light fixtures to be used and that they adhere to these requirements shall be submitted with the final site plan.
 - A service road providing access between sites may be required by the Planning Commission subject to the conditions of Section 10.3A of the FS District.

SEC. 7.4A. AREA AND BULK REQUIREMENTS:

- ARTICLE XIV — SCHEDULE OF REGULATIONS limiting the height and bulk of buildings shall be compiled with. Yard setback requirements shall be as follows:
- Setbacks and Yards Adjacent to a Major Thoroughfare
 - Building setbacks shall be not less than fifty (50) feet or as provided by the formula $L + 2H$ whichever is greater. (See Section 14.1 footnote (v)).
- Parking may be permitted within the required minimum building setback, provided that an area between the building and the major thoroughfare remains as lawn or landscaped area which is equal to at least fifty (50) percent of the area of the required minimum building setback area (50'). If any parking area is located in the setback, it shall be obscured by a four (4) foot high landscaped berm or other suitable natural screen located between the parking and the major thoroughfare. In those instances where a service road is required under Section 7.5A below, the berm is not required.
- Setbacks and Yards Adjacent to a One-Family Residential District
 - Building setbacks shall be at least two hundred (200) feet or as required by the formula $L + 2H$ whichever is greater. (See Section 14.1 footnote (v)).

note (v)). A one hundred and fifty (150) foot wide greenbelt shall be provided adjacent to the residential district and no structures or off-street parking spaces shall be located within the greenbelt. Grading the greenbelt area shall not be permitted unless the Planning Commission finds that improved screening of the office district could be accomplished by changing the grade. The greenbelt area shall be maintained by one of, or a combination of, the following, depending upon the characteristics of the area:

- The greenbelt shall be left in its natural state if, in the judgment of the Planning Commission, it would provide the best protection for the residential district and preservation of the natural setting. The Commission may require supplemental plantings, in accordance with the Landscape Design Principles if it is necessary to provide adequate year-round screening.
- If sufficient natural vegetation does not exist in the greenbelt area or if, in the opinion of the Planning Commission, it would not survive or is not suitable for saving, a minimum eight (8) foot high landscaped earth berm shall be constructed in the greenbelt area. If, due to changes in grade, a berm clearly would not effectively screen the office buildings or parking from the residential district, the Commission may require a heavily planted greenbelt in lieu of the berm and/or may alter the height of the berm. Landscaping shall be carried out in accordance with the Landscape Design Principles adopted by the Planning Commission.

b. In determining the proper buffering technique, the Planning Commission shall consider the effectiveness of the buffer in protecting the residential area and shall also consider the overall natural and man-made characteristics of the OS-2 District. If necessary to provide adequate screening, the Planning Commission may require that the level of the parking lot at the one hundred fifty (150) foot setback line be at least three (3) feet below the grade of the greenbelt or a three (3) foot high wall shall be provided. The construction of the wall shall be in accordance with Section 15.17 WALLS AND BERMS.

3. All Other Setbacks
Setbacks shall be a minimum of fifty (50) feet or in accordance with the formula $L + 2H$, whichever is greater.

(See Section 14.1 footnote (v)).

4. Distance Between Buildings
a. The minimum distance between main buildings on the same zoning lot shall be not less than sixty (60) feet or the distance required by the application of footnote (e) of Section 14.1 SCHEDULE OF REGULATIONS, whichever is the greater, unless there is a corner to corner relationship between buildings in which case the minimum distance shall be thirty (30) feet.

SEC. 7.6A. EXTERIOR FACADES:

- All exterior building facades and any accessory buildings shall be of the same finish material as the front facade of the main building and all material used shall be recognized as finished materials.
- The exterior finish of the buildings shall be "earth tone" in color. White or other light colors shall not be permitted as the predominant color and reflective glass shall not be the predominant exterior material. Bright and/or pastel colors shall not be used for any significant features.

SEC. 7.7A. SCREENING OF ROOFTOP EQUIPMENT:

Elevators, stairways, tanks, heating and air conditioning equipment, vents, ducts, pipes and other similar apparatus shall be screened from view by a penthouse or structure equal in height to the height of the equipment being screened, and constructed of the same type of building material used in the principal structure.

IV. Add the following ARTICLE X-A FREEWAY SERVICE DISTRICTS

ARTICLE X-A—FS FREEWAY SERVICE DISTRICTS

PREAMBLE:
The FS Freeway Service Districts are designed to provide for the service needs of automobile highway traffic at the interchange areas of connecting roads. The avoidance of undue congestion on connecting roads, the promotion of smooth traffic flow at and near the interchange area and the protection of adjacent properties in other districts from adverse influences of traffic, are prime considerations in the application of this district.

SEC. 10.1A. PRINCIPAL USES PERMITTED:

In an FS Freeway Service District, no building or land shall be used and no building shall be erected except for one or more of the following specified uses, unless otherwise provided in this ordinance:

- Hotels or motels
- Auto service stations provided that:
 - The minimum lot area shall be twenty-two thousand five hundred (22,500) square feet and the site shall be so arranged that ample space is available for motor vehicles which are required to wait.
 - The parking of motor vehicles or the storage of trailers, campers or other such conveyances on the service station property shall be prohibited, except for those necessary to the operation of a service station.
 - An automobile car wash may be permitted as an accessory use provided that:
 - Only (1) wash area shall be permitted and said area shall be designed to accommodate only one (1) vehicle at a time.
 - Outdoor vacuum areas shall be limited to two (2) vacuums.
 - Entrance to the wash area shall be located so that it is generally approached from the rear yard and there is space for not less than five (5) vehicles to wait in line without interfering with access to and egress from the station or the gasoline pumps.
 - Restaurants which may include a drive-by or drive-through window as accessory to the principal use and provided that:
 - Serving patrons for consumption of food within the motor vehicle on the premises shall not be permitted.
 - The drive-in window shall be positioned so that the window is approached generally from the rear yard, i.e., so that the approach does not require vehicles to be waiting in the front yard. Space for not less than five (5) vehicles for each pick-up window or station and not less than five (5) for each order station shall be provided where they will not interfere with off-street parking spaces or aisles.

4. Medical offices including clinics serving patients solely on an outpatient basis; office buildings for any of the following occupations: executive, administrative, professional, accounting, writing, clerical, stenographic, drafting and sales; banks, credit unions, savings and loan associations and similar uses with a drive-in facility as an accessory use only; provided that the use is developed in a planned relationship to another use permitted under sub-paragraphs 1-3 above in such a way that a service drive or drives provide access between sites. Combined entrance drives may be required by the Planning Commission if the number of drives would be excessive and/or would conflict with traffic from other existing or planned drives.

5. Other uses which are, in the opinion of the Planning Commission, similar to the above uses and which will serve the needs of the freeway traffic.

6. Accessory structures and uses customarily incident to any principal use permitted.

SEC. 10.2A. REQUIRED CONDITIONS:
1. The use shall be permitted subject to the review and approval of the site plan by the Planning Commission.

2. All business establishments shall be retail or service establishments dealing directly with consumers. All goods produced on the premises shall be sold at retail on premises where produced.

3. Except for activities normally associated with permitted uses, all business, servicing or processing shall be conducted within a completely enclosed building. Outdoor storage shall be prohibited.

4. Drives providing access to streets shall be directly opposite or shall not be closer than one hundred and twenty-five (125) feet to another existing drive or a drive located in an approved site plan located on either side of the street.

5. Only one drive providing access to a street may be located within one hundred (100) feet of a side lot line unless, in the opinion of the Planning Commission, the drive would not be in conflict with existing nearby access drive locations.

6. The combining of driveway entrances to more than one site is encouraged. In such cases, reciprocal easements for access shall be provided to the Township, reviewed by the Township Attorney and recorded prior to issuance of a building permit.

7. Exterior lighting fixtures shall not be located more than thirty (30) feet above the ground. All outdoor lighting shall further be subject to the provisions of Section 15.19 EXTERIOR LIGHTING, and furthermore, the light source shall be totally shielded with opaque material on all sides and on the top and the plane of the light diffusing media and shall be parallel to the horizontal plane of the area to be lighted. A diagram indicating the light fixtures to be used and that they adhere to these requirements shall be submitted with the final site plan.

8. See SEC 15.18 SIGNS for permitted signs.

SEC. 10.3A. SERVICE ROAD:

Uses permitted may also be subject to the following conditions:

- In those instances where the Planning Commission finds that an excessive number of access drives may occur with relation to a major thoroughfare and thereby diminish the carrying capacity of the thoroughfare, a service road may be required so that development of contiguous, abutting properties will allow traffic circulation from one property to another without having to re-enter the public thoroughfare.
- The service road shall be parallel to the front property line and shall be at least twenty-two (22) feet wide. Said service road shall be an easement which will permit the use of the service road for traffic circulation from one property to another. Said easement shall be in a form acceptable to the Township Board and approved by the Chief Building Official prior to the issuance of a building permit. No permanent structures, such as curbs, shall be permitted within the easement although temporary features, such as wheel stops, may. Each property owner shall be responsible for maintenance of the easement so that it remains usable as a means of getting from one property to another. The easement shall be recorded with the County Register of Deeds prior to the issuance of an occupancy permit.
- In reviewing the site plan, the Planning Commission may permit parking in the easement area, provided that the layout is such that the parking can be removed at a later date when the service road is needed for access to adjacent properties without disrupting the layout of the parking area. Temporary parking spaces permitted within the service drive shall not be included in computing the minimum off-street parking requirements under Section 15.12.
- The edge of the service road easement nearest the street shall be located fifteen (15) feet from the existing or future right-of-way line of the street. An eight (8) foot wide greenbelt or future service road from the parking area of the site.
- The entire twenty-two (22) foot service road area shall be paved up to abutting properties. Backing from parking spaces onto the service road shall not be permitted, except on a temporary basis. The site plan shall indicate the proposed elevation of the service road at the property line and the Chief Building Official shall maintain a record of all service road elevations so that their grades can be coordinated. Proposed service road elevations

shall be not more than one (1) foot above or below the elevation of adjoining, undeveloped property. Paving of the service road shall meet construction specifications established by the Township Board.

6. Temporary entrances and exits may be approved for individual sites provided money is placed in escrow to assure elimination of temporary entrances and exits. Occupancy permits shall not be issued until monies have been deposited with the Township.

7. In determining which entrances and exits will be permanent and which will be temporary, the Planning Commission shall generally be guided by a minimum distance of six hundred (600) feet between entrances and exits and by the location of existing or approved drives on the opposite side of the street.

8. If the Planning Commission determines that the maximum number of zoning lots to be served by a service drive can be determined, the location and extent of the service drive may vary from the above standards.

SEC. 10.4A. AREA, BULK AND YARD SETBACK REQUIREMENTS:
See ARTICLE XIV — SCHEDULE OF REGULATIONS limiting the height and bulk of buildings, the minimum size of lot by permitted land use, maximum density permitted, and providing minimum yard setback requirements.

V. Change ARTICLE XIV — SCHEDULE OF REGULATIONS by adding the following for the OS-2 and FS Districts.

ARTICLE XIV — SCHEDULE OF REGULATIONS

SEC. 14.1. LIMITING HEIGHT, BULK, DENSITY AND AREA BY LAND USE:

Land District	Minimum Size (Per 1.0 Acre)		Minimum Lot Setback (Per 1.0 Acre)		Minimum Percent of Area (Area of all Structures)
	Area Sq. Ft.	Width in Ft.	Front in Ft.	Side in Ft.	
OS-2 Large Office	-	-	40	5 (or 50' or 100')	(-)
FS Freeway Service	150	40	3 (or 30' or 40')	5 (or 50' or 100')	(-)

NOTES (TO SECTION 14.1):
(v) All structures shall have the minimum setback as indicated from any street unless exceeded by the following requirements (as defined in paragraph (1) below):

(1) Setbacks shall be controlled in relationship to the length and height of buildings based upon the formula:

$$Y = L + 2H \text{ where:}$$

Y — is the required yard.
L — is the total length of a line which, when viewed directly from above, is parallel to the lot line and intersects any part of the building.

H — is the height of building as defined in SEC. 2.2 DEFINITIONS.
D — is a divisor (see accompanying diagram).

(2) Along those property lines which abut a one-family residential district and which are not separated from the one-family district by a major or secondary thoroughfare, or where the abutting one-family residential district is not already developed for a permitted use other than one-family residential, the minimum required yard shall be determined by: $Y = L + 2H$

(3) Along those property lines which abut a public street right-of-way or a multiple-family residential district or an existing use in a one-family residential district other than a single-family dwelling, the minimum required yard shall be determined by: $Y = L + 2H$

(4) In all other instances, or where the Planning Commission determines that the adjoining property is indicated on the Master Plan of Land Use as an area of other than residential use, the minimum required yard shall be determined by: $Y = L + 2H$

6

MIN. SETBACKS FOR BUILDINGS

$$Y = \frac{L + 2H}{D}$$

YARD SETBACKS

(w) Unless a service drive is required, a minimum setback of twenty-five (25) feet shall be required for parking abutting any public street right-of-way except a freeway. The minimum yard setback shall be maintained as a landscaped setback and shall include an appropriate earth berm.

(x) The floor area ratio (F.A.R.) shall not exceed .55 for any use in the OS-2 District. The F.A.R. for office buildings (SEC. 10.1A.4) in the FS District shall not exceed .55. There shall be no F.A.R. limit for other uses permitted in the FS District. (See Section 2.2 for definition of F.A.R.).

(y) See Section 7.4A.

VII. Change the off-street parking requirements for Automobile Service Stations in SEC. 15.12 OFF-STREET PARKING REQUIREMENTS, paragraph 11 (3) BUSINESS AND COMMERCIAL to read as follows:

Auto Service Stations — Three (3) spaces for each lubrication stall, rack, pit or similar service area and one-half (1/2) space for each gasoline pump (nozzle). No spaces are required for "self-service" pumps. Additional parking shall be provided for any accessory retail use as required for such use.

Self-Service Auto Service Stations — One (1) space plus one (1) space for each employee on the largest working shift; but not less than three (3) spaces in any instance. Additional parking shall be provided for any accessory retail use as required for such use.

VII. Change parts of paragraph 1 and 2 of SEC. 14 OFF-STREET LOADING AND UNLOADING (as amended on 9/22/84) to read as follows:

1. Within the OS-1 District, or for office buildings located in any B or FS District, off-street loading space shall be provided as follows:

a. No change.

b. No change.

2. Within any B or FS District (except for paragraph 1. above), off-street loading space shall be provided in the rear yard only and in the ratio of at least ten (10) square feet per front foot of building.

a. In exceptional instances, such space may be permitted in an interior side yard with approval of the Planning Commission, provided that such location is necessitated by the site conditions and provided that the area is screened from view from any public street.

b. For auto service stations, the space required by paragraph 2. above may be located in any yard except in areas for required greenbelts.

c. A hotel or motel shall provide one (1) loading space of at least five hundred (500) square feet and such space shall be located in the rear yard or in an interior side yard, provided such side yard is not adjacent to a residential district.

Three receive grand prizes for beautification efforts

IV Seasons Flowers won its second grand prize

Beauty is in the eye of the beholder and in Northville, the beholders found a great deal of beauty.

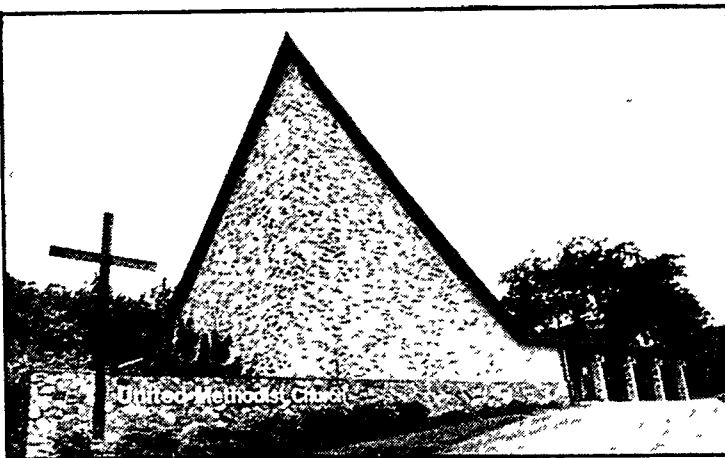

The city's beautification commission honored 24 businesses with certificates and plaques as meeting the criteria for having exceptionally beautiful windows, grounds and interiors, as well as conforming to the stringent requirements set by the commission.

Three repeat winners — Dr. William Demray, IV Seasons Flowers and First United Methodist Church — walked off with grand awards.

Demray, a dentist, was similarly honored in 1983 and 1985; IV Seasons took top honors in 1980; and the church was similarly cited in 1984.

Other winners included Elizabeth's, Connie's Stitchery, James C. Cutler Realty, Heritage Federal Savings, Plagens, Casterline Funeral Home, Pizza Cutter, Hardee's and M.A.G.S. in the landscape category; and Long's Fancy Bath Boutique, Orin Jewelers, Williamsburg Inspirations, Puppy Love, Manufacturers National Bank, Traditional Handcrafts, Peddlers Four and the Marquis Building for sidewalk front.

Other honorees included Belanger's Car Wash and the Belanger office and plant in the industry category, and St. Paul's Lutheran Church and the Board of Education building in the special category.

Top beautification honors went to the Methodist church

Record/JERRY ZOLYNSKY

The office of Dr. William Demray — a three-time grand award winner

New legislation makes will preparation easier

Michigan citizens over 18 may be able to complete a will without having to hire an attorney.

A form, and a pamphlet explaining how to complete the "fill-in-the-blank will", is available from the office of state Rep. Gerald Law, R-Plymouth.

A law, allowing the "fill-in-the-blank will," takes effect July 1.

The will is intended to allow people

to put in writing how they would like their belongings distributed and gives the individual the freedom to obtain a legal document without the expense of an attorney, Law explained.

He noted that the legislation is primarily intended to benefit people without a great deal of property to allocate.

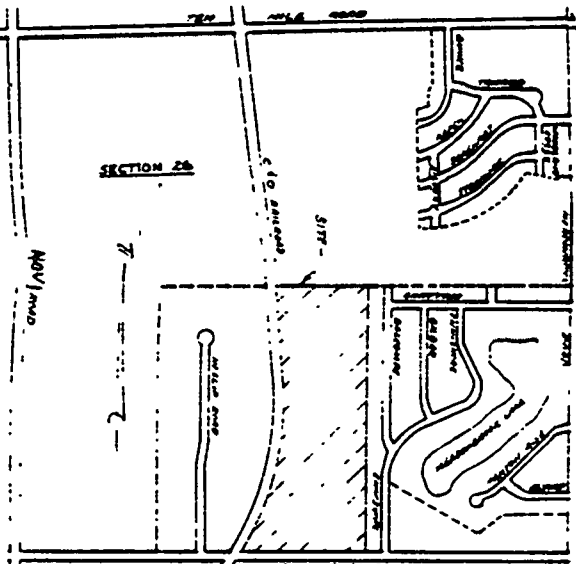

CITY OF NOVI NOTICE

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Novi will hold a public hearing on Wednesday, June 4, 1986 at 7:30 p.m. EDT or as soon thereafter as the same may be reached, in the Novi Public Library, 45245 W. Ten Mile Rd., Novi, MI regarding Manufacturers Industrial Subdivision, N. side of Nine Mile Rd. easterly of C & O Railroad.

All interested persons are invited to attend. Comments concerning the request will be heard at the public hearing or written comments may be reached in the Planning Dept., 45225 W. Ten Mile Rd., Novi, MI 48050 until 5:00 p.m. Wednesday, June 4, 1986.

City of Novi Planning Commission
Judith Johnson, Secretary
Karen Tindale, Planning Clerk

(5-28-86 NR, NN)

ANNUAL SCHOOL ELECTION

NOTICE OF ANNUAL ELECTION OF THE ELECTORS OF NORTHVILLE PUBLIC SCHOOLS WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN TO BE HELD JUNE 9, 1986

TO THE ELECTORS OF THE SCHOOL DISTRICT:

Please Take Notice that the Annual Election of the School District will be held on Monday, June 9, 1986.

THE POLLS OF ELECTION WILL OPEN AT 7 O'CLOCK, A.M., AND CLOSE AT 8 O'CLOCK, P.M.

At the Annual School Election there will be elected two (2) member(s) to the board of education of the district for full term(s) of four (4) years ending in 1990.

THE FOLLOWING PERSONS HAVE BEEN NOMINATED TO FILL SUCH VACANCY(IES):

Glenna C. Davis Joseph L. Dunkerley, Jr. Robert O. McMahon

THE VOTING PLACE(S) ARE AS FOLLOWS:

PRECINCT NO. 1

Voting Place:
Northville City Offices, 215 West Main Street, Northville, Michigan

PRECINCT NO. 2

Voting Place:
Silver Springs School, 19801 Silver Springs Drive, Northville, Michigan

PRECINCT NO. 3

Voting Place:
Winchester School, 18141 Winchester Drive, Northville, Michigan

PRECINCT NO. 4

Voting Place:
Amerman School, 847 North Center Street, Northville, Michigan

PRECINCT NO. 5

Voting Place:
Northville City Offices, 215 West Main Street, Northville, Michigan

PRECINCT NO. 6

Voting Place: Moraine School, 48811 West Eight Mile Road, Northville, Michigan

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

This Notice is given by order of the board of education.

CHRISTOPHER J. JOHNSON
SECRETARY, BOARD OF EDUCATION

(5-28 & 6-4-86 NR, NN)

CITY OF NOVI NOTICE OF ENACTMENT ORDINANCE 86-125

NOTICE IS HEREBY GIVEN that the City of Novi Council has enacted Ordinance 86-125, an Ordinance to protect the trees and related natural resources within the City of Novi: to preserve the economic, health, aesthetic, and recreational values associated with the growth of trees and such natural resources; to provide for permits for uses and activities within woodlands areas; and to provide for penalties for the violation of this Ordinance.

This Ordinance was declared to be an emergency ordinance which is immediately necessary for the preservation of the public peace, health and safety, and a public hearing having been held hereon, it shall become effective immediately upon adoption. The Ordinance was adopted on May 21, 1986, and the effective date is May 21, 1986.

A complete copy of the ordinance is available for public use and inspection at the office of the City Clerk.

Geraldine Stipp,
City Clerk

(5-28-86 NR, NN)

CHARTER TOWNSHIP OF NORTHVILLE ORDINANCE NO. 77.02 '86

AN ORDINANCE TO AMEND THE TOWNSHIP OF NORTHVILLE ZONING ORDINANCE BY AMENDING THE TEXT THEREOF.

THE CHARTER TOWNSHIP OF NORTHVILLE ORDAINS:

Part I. The Township of Northville Zoning Ordinance No. 77, as amended, is hereby further amended by amending Article XV and Article XVI to read as set forth below.

A.) Article XV is amended by adding the following Section 15.32:

SECTION 15.32 — NON-COMMERCIAL RADIO AND TELEVISION RECEPTION ANTENNAS.

Non-Commercial Radio and Television Reception Antennas shall be permitted in any district subject to the following conditions:

1. Roof-mounted Antennas

a. All roof-mounted antennas, including those which do not extend above the height limit, shall be subject to the screening requirements of Section 16.9(a) of this Ordinance, provided, however, that any antenna whose total dimensions do not exceed ten square feet need not be screened. Roof-mounted antennas shall be of color tones similar to the color of the screening structure.

b. All antennas shall be mounted to the chimney or mounted on the rear roof of the building.

2. Ground-mounted Antennas

a. The maximum height permitted for any antenna shall be fourteen feet.

b. The antenna shall be located only in the rear yard and shall not be closer to any side lot line than the required side yard setback of the district.

c. The antenna shall be screened from the view of adjacent residential properties or public streets by a screening wall or fence, berm, evergreen plantings, or a combination of them. Screening may be low enough to permit reception. If the antenna is a mesh type, screening need not exceed six feet in height.

d. The color of all antennas shall be of tones similar to the surroundings. Ground-mounted antennas shall not be white unless mesh or unless the background consists primarily of a white building. Bright pastel colors shall not be used in any instance.

e. In the event that a usable signal cannot be obtained by locating the antenna in the rear yard, the antenna may be located in the side yard of the property subject to the submission of a written affidavit and approval of the Zoning Board of Appeals. The placing of an antenna in a side yard shall remain subject to all other conditions set forth in this paragraph 2.

3. General Provisions

All non-commercial radio and television reception antennas and the construction and installation thereof shall conform to the Township Building Code and Electrical Code.

All non-commercial television and radio reception antennas shall meet all manufacturers specifications, be of corrosion-resistant material and be erected in a secure, wind-resistant manner.

B.) Article XVI, Section 16.9, shall be amended by adding the following Subsection d:

d. For purposes of this Section, any roof-mounted non-commercial radio and television antenna whose total dimensions exceed ten square feet shall be considered as a rooftop structure, subject to the condition of paragraph a., b., and c. above, regardless of whether or not it exceeds the height limit, provided, however, that the Zoning Board of Appeals may permit a modification to paragraph a. under the following circumstance:

(1) The side from which the signal is intended to be received may be screened by a structure constructed of a material other than that of the principal building when the Zoning Board of Appeals determines that the proposed screening material is reasonably compatible with the building material used in the principal building, taking into consideration color, texture and other related factors.

(2) The applicant shall submit information to the Zoning Board of Appeals to permit definition of the angular direction from which the signal is to be received by the antenna.

PART II. CONFLICTING PROVISIONS REPEALED.

Any Ordinance or parts of ordinances in conflict herewith are repealed save that in all other respect Ordinance No. 77, as amended is hereby ratified and reaffirmed.

PART III. EFFECTIVE DATE.

The provisions of this ordinance shall be in full force and effect on and after July 18, 1986.

PART IV. ADOPTION:

This ordinance may be adopted by the Township Board of the Charter Township of Northville pursuant to the authority of Act No. 184, Public Acts of 1943, as amended, at a meeting duly called and held on the 12th day of June 1986, and ordered to be given publication in the manner prescribed by law.

(e) One (1) wall sign shall be permitted per building and one (1) ground sign shall be permitted per lot.

(f) The maximum size of ground or wall sign used as an accessory business sign shall be regulated as follows:

(1) Ground Sign: The maximum size of all surfaces of the sign shall not exceed a total of one hundred (100) square feet and shall not be placed nearer than twenty (20) feet to an adjacent existing or proposed street right-of-way line. Ground signs shall not exceed eight (8) feet in height.

(2) Wall Sign: The maximum size of the sign shall not exceed ten (10) percent of the total area of the front facade, including the area of all fenestration, and in no instance shall the wall sign exceed one hundred fifty (150) square feet in area.

(g) One (1) wall sign shall be permitted per building and one (1) ground or pylon sign shall be permitted per lot.

(h) The maximum size of ground, pylon or wall signs used as an accessory business sign shall be regulated as follows:

(1) Ground Sign: The maximum size of all surfaces of the sign shall not exceed a total of one hundred (100) square feet and shall not be placed nearer than twenty (20) feet to an adjacent existing or proposed street right-of-way line. Ground signs shall not exceed eight (8) feet in height.

(2) Wall Sign: The maximum size of the sign shall not exceed ten (10) percent of the total area of the front facade, including the area of fenestration, and in no instance shall the wall sign exceed two hundred (200) hundred square feet in area.

(3) Pylons: The maximum size of all surfaces of the sign shall not exceed a total of two hundred (200) square feet. Pylons shall not exceed thirty (30) feet in height and shall not be placed nearer than twenty (20) feet to the freeway right-of-way or thirty-five (35) feet to an adjacent existing or proposed other street right-of-way.

(End of notes to Number and Size of Sign.)

The Northville Record

Our Opinion

Parade marchers pause for Rural Hill ceremony

Community tribute was impressive

Monday's Memorial Day tribute to those who have sacrificed for their country was one in which everyone who participated should take pride. The parade of veterans with their color guards, Brownie and Cub scouts, Knights Templar, the uniformed Northville High School marching band and local officials was dignified, not long but impressive.

The comments made in ceremonies in the sunlit veterans' section of Rural Hill Cemetery were thoughtful and far from the "canned" variety that veterans' organizations have used in many places.

The several hundred spectators who lined the parade route to the cemetery and stood on the hillside as the tributes were paid indicates that keynote speaker Mayor Paul Vernon's observations were right: there is a rebirth of patriotism that long was needed.

It would have been difficult to stand unmoved on the green hillside in front of the 75 white markers of veterans who gave their lives in our country's wars watching auxiliary members place poppies on each grave and hearing the band play "The Star Spangled Banner."

Spectators saw two veterans from the first World War participate in the ceremonies, but they also saw some younger veterans, such as the VFW post commander Carl Baker. Another younger veteran, Chuck Sperry, marched in his camouflage Viet Nam uniform. A new member of the Nor-

thville VFW Post, he is an active member of the Viet Nam Veterans of America, Detroit Chapter No. 9.

Sperry and Baker, who carried the American flag, marched along with color guard bearer Don Bogater, incoming VFW post commander, and John Hinman, who wore his navy uniform.

We have no criticism of the spectators who turned out to watch the observance and only praise for those who may have given up a holiday to remain in town to provide a program that is an annual reminder of the price many have paid for our freedoms. We do have anger, however, concerning the thoughtless, illegal act that occurred sometime during the weekend. The theft of 11 American flags which had just been put in place Sunday for the observance is something we should not have to tolerate in our community.

The flags were purchased at some cost by the veterans to fly on occasions such as Memorial Day. It is speculated that the flags were taken by youths. If that is the case, we hope parents who may see a new flag on the premises question where it was obtained. There is no excuse for such a theft.

While regrettable, the incident did not overshadow the observance here. Our community is fortunate that it is one where local veterans' organizations take special effort to remind that Memorial Day above all is a remembrance day to honor those who gave their lives in the service of our land. It is a time, as Mayor Vernon noted, to pray for lasting peace.

On with the show . . .

By Bruce J. Martin

Going topic-hopping . . .

THAT'S SHOWBIZ: You know, someone said "All the world's a stage." I think it was Elvis Presley. Anyway, as far as newspapers are concerned, the King had it about right.

I've come to think the business of putting out a weekly newspaper is a bit theatrical. Every Wednesday's the performance. The news stories make up the plot, usually in the modern neo-realism style, but sometimes farcical. Unfortunately.

The columns are little soliloquies. The teasers on the front page sort of an overture. The editorials are The Moral Of The Story. The letters are sort of the critics' reviews.

Sometimes we've got heavy drama. When we don't, we try to pull off a song and dance, and at least keep the audience entertained. Some weeks we don't have either. In showbiz, this is called a "bomb," or a "turkey."

One of the ugly things about these weekly plays is that they are not like the nightly news or a daily newspaper, or even a play. In those media, a turkey can be closed on opening night, forgotten by the next day, and a new one will come along. Here, these turkeys sit around and gobble for a whole week, waiting for the next Wednesday to make them obsolete.

When you've got a groaner or two, that week seems awfully long. Last week in The Novi News, there were two biggies (that we know of, anyway). First, Jon Dostal's responses to League of Women Voters questions of school board candidates were omitted during page production and the omission was not caught by yours truly. For another, Rick Smith's very nice front-page photograph was credited to our regular photographer, Jerry Zolynsky.

Well, today we ax the old turkey. Hopefully we'll be boffo this week.

Images

By Jerry Zolynsky

Remembered

AND NOW SOME LIGHT COMEDY: The sick Chernobyl nuke plant jokes are finally in. Try and stop me if you've heard 'em: What glows in the dark and flies? Chicken Kiev. What do you drink with Chicken Kiev? Black Russian. What's the five-day forecast for Chernobyl? Three days.

HOLIDAY BLUES: I like living in downtown Northville, but these holiday parades and downtown festivals are getting to me. First I can't park, and then I wake up to the sound of a marching band stomping past my window. Bah, humbug.

MORE DEEP INSIGHTS: As a service to our readers, I went swimming in a lake over Memorial Day weekend so I could inform them whether the water is warm enough for them to do the same. It is not. Wait until August.

WHICH REMINDS ME OF A STORY: A friend and I once had a bet to see who would dive into a certain lake later in the year. We went every week, and I finally gave up the last week of October. He made it to mid-November, about the time ice floes were forming. We're not talking full scuba regalia here, folks. We're talking swim trunks and that's it. You think the guy's elevator doesn't go all the way to the top, right? Wrong. He's a nuclear physicist now. Of course, he's a completely deranged nuclear physicist . . .

Anyway, ever since then I get unaccountable urges to leap into very cold water, and last weekend was my first attempt this year. Speaking from experience, if you are inclined to go swimming in water most humans wisely shun, the best way to do it is from late summer on, so you get used to it gradually. This has been a public service announcement.

QUOTE OF THE WEEK: From Annie Lebowitz: "Polite conversation is rarely either."

After the Fact

By Phil Jerome

I ran into Diane Hofsess at the Birmingham Art Fair a couple of Saturdays ago. I didn't recognize her — she was all dressed up in a flashy purple top with wrap-around sunglasses. Going incognito, maybe.

But she walked up to me and graciously introduced herself, sparing me the embarrassment of not recognizing one of Detroit's leading media personalities.

For those of you who don't know the name, Diane Hofsess is the gossip columnist for The (Detroit) News. She's doing a good job, too, mixing it up with John and Marilyn, carrying on a little feud with Kirk Gibson. She's even been rumored to be dating Al Neuharth, the multimillionaire media magnate who recently purchased The Evening News Association including The (Detroit) News. Diane denies it; Neuharth asks who Diane Hofsess is.

But I remember Diane Hofsess as the little (she's about five-feet tall and weighs 90-some pounds) girl who strolled into my office wearing blue jeans and a white blouse three years ago to ask for a job. Told me she was really terrific and the paper would be making a serious mistake by not giving her a job.

That was during the height of the recession, and we were trying to figure out how to get the job done with fewer people, not more. But you could tell Diane had it together. That she was bright, attractive, personable and aggressive. And was going to go places.

She wrote me a couple of times. Once from L.A. where she was doing an internship. And once from Mackinac Island where she was working for the newspaper up there. She reminded me I had once told her part of the job was delivering newspapers when the carriers goofed up — and said she was doing just that on the island.

But I didn't hear from her again until she surfaced as a gossip columnist at The (Detroit) News. And I didn't see her again until she popped up at the art fair last week.

She didn't ask me if I had heard any media gossip, and I didn't ask her to plug The Novi News in her column. It was just nice seeing her again. Go get 'em, Diane. You've earned it, kid.

It doesn't always compute

By Anita Crone

Computers are a wonderful tool. Or, they would be if people would learn to use them properly. They can save time, money and wear and tear on one's psyche.

The dealership where I bought my new car uses a computer. They almost have it down properly, even if they think I live in a state with the two-digit code MM. The people to whom they sold their buyers' list, however, seem to have problems.

When I bought the car, I added a few options — a stereo, rustproofing, extended warranty, etc. The dealership knew all about it. They charged me for them. I've had the car less than 3,000 miles (maybe three months by the time you read this) and so far I have received marvelous offers to have my car rustproofed, to have a stereo system installed, and, the most remarkable offer of all — a 70,000-mile warranty.

Each one of these offers, most from companies I've never heard of and all coming with urgent notices on the outside of the envelopes, begin with the same salutation: Congratulations on buying a new car. Because you didn't purchase (select one) a stereo, rustproofing, warranty, we can offer you this service for a whole lot less than you would have spent.

Sorry, guys. I did purchase all of the

above and I did pay a lot more than you are initially charging, so I'll never be able to discover your most wonderful sales pitch. What I would like to discover is who did you get my name from and how I can stop you from sending me these marvelous offers.

For a few pennies more, and a couple extra hands, I am sure you can discover how you can save time and money on your bulk mailing, just by properly encoding your computer. It isn't that difficult. I have to do it every day when I sit down to write a story. Certainly you have the time as well to do the same.

You know the place where the 'X' is when it asks whether an extended warranty was purchased. All you have to do is program your computer to spit out the names where there is no 'X'. Easy, isn't it.

And just think about it. You'll be able to reach the people who might really want to use your service, not just the portion of the immediate world which bought a car yesterday.

It's pretty obvious in this case who provided the list to you. What isn't quite so obvious is where the federal government gets its list of those eligible for notice. For instance, just how do dogs and cats, not to mention babies and dead people, get

Greetings from Uncle Sam and an invitation to join the armed forces?

Or, where do universities think they are receiving alumni association dues from when the placement offices have records showing people deceased for three years?

And why wasn't the typographical error which shows a birthdate 30 years earlier corrected so the American Association of Retired Persons can stop sending their invitations to join to 30-year-olds?

Just a brief note on a totally different matter. For those of you who didn't get the chance to meet me the last time I was here, I am stepping into a rather large pair of shoes. I've joined the staff of The Record to help fill the gap left when Kevin Wilson departed for other pastures.

I'm going to be covering Northville, both city and township, and I'm going to have to be awfully good to reach the level Kevin had achieved while he was here.

The first step is easy. I've got a collection of hats that will rival his. But he's built a rapport with you that I envy. I hope you'll be as open with me as you've been with him, and I'm looking forward to a happy association with you all.

Readers Speak

Firefighters praised

To the Editor:

I am writing this letter in response to an incident which, I feel, cannot go unmentioned.

A the recent City Recognition Dinner, held at Schoolcraft College in honor of Mayor Exchange Day, a grave injustice was done to the chief, as well as the members, of the Northville City Fire Department.

Heads of many of the departments were honored with a Service Award Pin, as were several of their members. Chief James Allen and his wife, who have been prominent citizens of Northville and who have lived in this city all of their lives, were finally recognized at the very end of the evening.

As for the members of the fire department, not one ounce of recognition was given to them for their service to the City of Northville.

Therefore, at this time I would like to personally thank and commend Chief Allen, his officers and members of the Northville City Fire Department for their service, dedication, professionalism, quick responsiveness and excellence in their protection and preservation of the businesses, homes and citizens of Northville.

The city fire department's dedication has not ended here, however. The members have all come to be a part of Halloween for the children of Northville over the last several years. They are always willing to donate their time, when called upon, and have held fund raising activities to raise money to purchase a Jaws of Life Unit for the community's fire department and money for the Ann Arbor Burn Center for burn victims.

The lives of these fire fighters are put on the line every time that fire alarm is sounded! And they give the best they have in guarding and protecting us and our property, no matter what the cost.

In closing, I would like to say that I am not prejudiced because my husband is a member of this fine department, but, rather the very "proud wife" of a fire fighter. And I know in my heart I speak for all the wives, families and friends of these brave, dedicated men.

Respectfully yours,
Susan I. Fisher
A very proud wife

Thanks offered

To the Editor:

Once again the members of the Northville Mothers' Club wish to thank the citizens of our community for their support during the past year.

A total of \$10,670 was donated for the benefit of the Northville Public Schools. Various items donated include movement education equipment, microscopes, a projector, a camera for video production, student atlases and hardware for the foreign language program and various other items suggested by building principals.

Sincerely,
Kathi Jerome
Goals Committee

To the Editor:

I wish to thank Jean Day and The Northville Record for the excellent coverage you have given to Northville Newcomers this year.

Being that many of the new residents are introduced to the city through Newcomers I believe Newcomers to be one of the most significant organizations within the community. With a membership near 300, The Record is an important source of information to our organization, and I thank you for your help.

McDonough will visit

Mary Jo McDonough of Northville recently completed training to become a Volunteer Home Care Visitor for the Michigan Cancer Foundation.

As a home visitor, McDonough will assist a cancer patient with the activities of daily living and help with shopping or errands. The visitor may also provide respite care so that other family members may leave the home for short periods of time.

Persons interested in training as Volunteer Home Care Visitors, or volunteering in other capacities, should call the Michigan Cancer Foundation at 833-0710, extension 245.

ORVs must be registered

Owners of off-road-vehicles who drive over Michigan's 1,580 miles of groomed woodland trails are reminded their ORVs must be properly registered and a permit purchased for each.

Permits for Michigan residents' ORVs are available at any Secretary of State office, are \$6 and are valid for two years.

Out-of-state ORV owners may drive their vehicles on Michigan land provided their vehicles are registered at any Department of Natural Resources office and a \$6 annual permit is purchased.

'56 reunion

Northville High School Class of 1956 will hold its 30-year reunion June 21 at the Northville Community Building at 303 West Main.

The reunion will be open to all Northville graduates after 9 p.m. For more information call Joe Humphries, 453-8664, Max Robertson, 437-5351, or Delores Barber, 349-3156.

Record/RICK SMITH

The best . . .

Friday night marked the beginning of graduation activities for members of the Northville High School Class of 1986. It was senior prom night and many arrived at the Novi Hilton stylishly in limousines. Craig Kozler, Northville High School senior class president, and his date Annemarie Sadowski, at left, dance the night away at the prom. The evening's theme was "The Best Is Yet To Come." Mike VanAcker and Patti Bargent, above, are others who enjoyed the dancing.

The last thing you need now is a problem with your homeowners insurance.

Home, sweet home. Sometimes it's difficult to keep it that way.

And the problem with homeowner's insurance is you never know how good it is until the roof caves in. Then it can be too late.

A Homeowners policy from Auto-Owners offers you replacement cost coverage on your home and personal property. Some homes qualify for optional Guaranteed Home Replacement cost coverage.

And the great news is . . . this one encompassing policy may cost you less than the coverage you have now because Auto-Owners offers several discounts and rating advantages.

There's no place like Auto-Owners when it comes to Homeowner's protection. Just ask your "no problems" agent!

Debbi Bostwick and daughter Valerie inspect strawberry plants in bloom at the Meyer pick-it-yourself berry farm

Photo by JERRY ZOLYNSKY

Boom times hurt you-pick farms

By NEIL GEOGHEGAN

When the recession hit the U.S. in the '70s, almost everybody was affected — adversely.

But a very select group of businesses actually made the best of the situation and managed to profit from a weakening economy. The "pick-your-own" fruit-and-vegetable farms were among them.

Now that the economy has improved and the recession is nothing more than some bad memories of the gas shortage, unemployment lines and inflation, these farms are now experiencing the pinch while others prosper in the economic resurgence.

If you examine what makes the pick-your-own idea such a draw to the public, it isn't hard to understand the drop off in business.

"People were out of work for so long and prices were so high back in the '70s, they had time on their hands and not as much money," said Debbi Bostwick of Meyer Berry Farm at 48080 Eight Mile in Northville. "It was cheaper to come and pick their own."

But now, people seem to have more money and less time — two important factors that can spell doom for pick-your-own farmers.

"Now people are back to work, have more money and less time so

"People were out of work for so long and prices were so high back in the '70s, they had time on their hands and not as much money — but now, people seem to have more money and less time."

— Debbi Bostwick
Meyer Berry Farm

they can afford to go to the store and buy their fruits and vegetables," Bostwick said.

At the Meyer Farm, the drop off in patronage over the past four or five years has been drastic, and that drop-off roughly parallels the economic upswing. Owner Lawrence Meyer is now preparing for the 1986 strawberry season, which will begin in mid-June, but the number of berries that will be picked this year is almost sure to be much less than a decade ago.

"Last year, we stayed open all day long, from 8 a.m. to 7 p.m. at night — and all the berries still weren't getting picked," said Bostwick, the owner's daughter. "It is a drastic dif-

ference from 10 years ago, but it has been a gradual change from year to year. It's really amazing to look back at the number of customers we used to have compared with now."

Bostwick recalls during the heyday of the pick-your-own boom in the mid-'70s, that people would be lined up on Eight Mile for a mile, a half hour before the farm would open.

"We would have to let people in and then shut the gates," she reported. "We just didn't have enough strawberries for the customers."

"The last three or four years, we always gear up for the big line before we open, but it isn't there anymore."

The 45-acre farm has been in the Meyer family for a long time, but it

wasn't until 1973 that the pick-your-own format was initiated. Lawrence and his brother, Howard, after growing up on the family farm, became partners in the venture. After it was established, people from all over regularly would visit the farm to pick raspberries.

Lawrence eventually bought his brother out and switched over exclusively to strawberries. The timing couldn't have been better and the business prospered.

"We never really had to advertise because we had so many regulars," Bostwick said. "I think the people who really like to pick still come, but the numbers are way down. Saturdays and Sundays are typically our busiest days, but even those are slow."

Last year, Meyer began expanding his crops in order to draw more customers. He added an acre of asparagus, and patrons can pick their own right now by appointment. Naturally in the fall, the farm provides pumpkins for the Halloween season, and Bostwick reports it is one area that hasn't suffered.

"I guess kids are always going to want their pumpkins so that hasn't changed," she said.

At the peak of popularity, the pick-

Continued on 2

Credit card users can gain benefits from competition

If you strung every credit card that Americans use back to back, they would stretch one and a half times around the world.

More than 700 million credit cards have been issued by card companies, banks, savings and loans and retail stores.

Each year Americans seem to get a bigger charge out of using their credit cards.

Noting that interest charge rates are dropping because of competition, the Michigan Association of Certified Public Accountants says that consumers can use their credit cards to their advantage.

Competition is forcing some banks to lower their interest charges. Many consumers who are unhappy paying rates of 18 percent or more on some cards are seeking out these lower rates from out-of-state institutions.

While some institutions say they are fearful of granting cards to out-of-state customers because bills may be harder to collect, others are issuing cards to consumers in all parts of the country.

Some of these banks are charging as little as 12.5 percent and do not charge an annual fee for their cards.

For a list of banks offering the lowest finance charges send \$1 check or money order to BankCard Holders of America, 333 Pennsylvania Ave., S.E., Washington, D.C. 20003. Request their "low interest rate list." A "no annual fee" list also is available for \$1.95. It tells you which institutions are not charging these fees.

Debit cards also have hit the American scene, but they are not so popular as some experts predicted they would be. Debit cards look like credit cards and are accepted in the same stores and restaurants that accept credit cards.

They are different, however.

With a debit card, your purchases are subtracted from your checking account the same day you make the transaction. It's like writing a check — without having to pay any checking fees.

Banks and savings and loans do not charge a fee for debit cards. Some people prefer debit cards because they do not want to worry about being able to pay their credit card bill when it comes due.

In addition, a debit card from most banks and savings and loans is convenient because it can also be used at automatic teller machines. Only one card, therefore, is needed to get cash

from an automatic teller machine and make purchases in retail outlets or restaurants.

The main disadvantage in using a debit card is that you lose the benefit of "the float," say CPAs.

With a credit card, you can have interest-free use of the money until the end of a billing period. Since debit card purchases are deducted from your account immediately, you don't have this benefit.

One other drawback: debit cards do not offer a separate monthly billing statement. You must enter the transaction into your checking account ledger yourself. If you are not a responsible record keeper, you could end up bouncing some checks.

Fraud can be minimized. There is no sure way to keep a crook from getting your name and charge account number because the average card is used hundreds of times a year — either for charges or for identification. Each time a paper trail is left behind.

But there are ways to minimize the chances of fraud artists using your account:

□ First, be sure that when tearing off your copy of the multilayered invoice, you take your carbon papers and tear them up. These carbons, often found in the trash, are as good to a counterfeiter as if he had your credit card himself/herself.

□ Second, keep an eye on your card when you give it to sales people. Be certain they use it for your transaction only. Then be sure the card you receive back is your own. A dishonest employee easily can slip you a stolen or expired card if you are not checking.

□ Third, never give out your account number unless you are actually making a purchase. Don't believe that a phone or a mail solicitor needs your number simply to qualify you for a mailing, contest or prize.

□ Fourth, examine your monthly bill carefully. A surprising number of heavy credit card users unwittingly pay charges they haven't even authorized. If you report unauthorized charges promptly to the card issuer, it is not likely you will be charged the \$50 per card maximum liability.

While trends in the use of credit cards continue to change the way Americans use plastic currency, credit cards probably will continue to grow in popularity.

A&P grand opening

A ribbon-cutting ceremony marks the grand opening of the recently renovated Walled Lake A&P at 1154 E. W. Maple. The renovation cost more than \$800,000 and was the A&P's first in Michigan since 1981. Participants, from left, are store manager Roger Morrow, Linda Morrow, Walled Lake Mayor William Roberts, Alicia Roberts, Mickey Basch and district manager Jerry Basch. The store features a new deli, an in-store gourmet bakery, a pizza department, fresh juice bar and floral department. Shoppers during the first month will be eligible for many prizes, including an all-expense paid trip to Las Vegas and hundreds of free groceries.

You-pick berry farm hurt

Continued from 1

bleak.

your-own farms drew just about every type of customer. Now, it is mostly young families, senior citizens or large groups that seem to be the most frequent patrons. And despite some very loyal customers, the outlook for these types of farms is

"We are hoping that this season will pick up, but last year we had a perfect year weather-wise and still saw a decline," Bostwick said. "Right now we feel like it's on its way out. It's hard to guess, but the way it's looking the people just don't come out like they used to."

PAUL FOLINO, a State Farm Insurance Companies agent in the Northville area, has been named to the Legion of Honor, one of the firm's most distinguished accomplishments.

Only one in four State Farm agents earns the designation. To qualify, agents must achieve high standards in all aspects of the insurance business, especially regarding the quality of their business.

Folino has been a State Farm agent since 1961. State Farm is one of the world's largest insurance companies and sells auto, fire, life and health insurance. With corporate headquarters in Bloomington, Ill., the company serves customers with over 16,000 agents and more than 700 claims offices throughout the United States and Canada.

DOUGLAS TEUBERT of 660 Horton St. in Northville has earned membership in Lutheran Brotherhood's 1985 Top Club. The Top Club is the society's most prestigious sales honor. Teubert qualified for membership on the basis of the combined amount of life and health insurance, annuities and mutual funds he placed with Lutherans in the area.

Teubert is associated with the Lutheran Brotherhood's Karl Mueller Agency in Rochester. Lutheran Brotherhood has more than \$16.2 billion of life insurance in force and more than \$4 billion in assets under management. In 1985 the society's fraternal activities program allocated \$24 million in support of its members, the Lutheran Church and communities across the country.

JOHN MUCASEY, M.D., president of Woodland Medical Group in Novi, has been appointed to a two-year term on the board of directors of the American Academy of Medical Directors.

Mucasey co-founded the Woodland Medical Group and has served as its president and chief executive officer since 1962. He graduated from the University of Texas in Galveston and served his residency in internal medicine at Sinai Hospital in Detroit, Veteran's Hospital in Detroit and Detroit Receiving Hospital.

Mucasey joined the Academy as a charter member in 1975 and has been an active participant in the Academy's educational programs and health care management activities.

The American Academy of Medical Directors is the national professional and educational association for physicians with an interest or responsibilities in health care management.

CANDACE MCCARTHY has been named Marketing Director at Twelve Oaks Mall. The appointment was announced by Center Manager William R. Clogg.

McCarthy replaces Sheila Armstrong, who was transferred to

Business Briefs

Fairlane Town Center in Dearborn.

The new Twelve Oaks Marketing Director graduated from Western Michigan University in 1976 with a BA degree in Art, Health and Elementary Education. She also earned a MA degree in Education Administration from Central Michigan University in 1981.

McCarthy has taught elementary school in Petoskey and Chippewa Valley Schools for nine years. She also owns a successful retail store in Sterling Heights and has a strong people-oriented personality and a creative sense of direction.

Twelve Oaks Mall is a major regional shopping center located at Novi Road and I-96 in Novi. The mall is open Monday through Saturday from 10 a.m. to 9 p.m. and Sunday from noon to 5 p.m.

ELZORA A. HOLLAND of South Lyon is a new flight attendant for Republic Airlines. Holland and nine other classmates recently graduated from the airline's four-week flight attendant training program in Atlanta, Georgia.

Holland has begun her duties as a flight attendant at Republic's Detroit crew base. During training, she learned awareness of customer needs, passenger service techniques, emergency medical procedures, first-aid practices and federal rules and regulations governing air transportation.

Holland is a 1967 graduate of Brighton High School and earned a bachelor's degree in psychology from Eastern Michigan University. Before joining Republic, she was a college guidance counselor for 12 years and a flight attendant for Ryan International Airlines.

Republic is the nation's ninth largest airline with a route system extending to more than 100 cities in 34 states, Canada, Mexico and the Cayman Islands in the Caribbean. It offers major connecting service in Detroit, Minneapolis/St. Paul and Memphis.

THE F/STOP PHOTOGRAPHIC STORE has moved to the Pepper Square shopping center at Grand River and Haggerty Road after operating for nine years in the same location on Grand River in downtown Novi.

F/Stop is a full-service camera store which also operates a custom mini-lab. F/Stop Owner Wayne Loder said the move to the Pepper Square shopping center is a step forward.

"The support we have received from the people of Novi has helped us grown over the years," he said. "Our new location will allow us to retain that support while giving us the capability of drawing from Farmington and Farmington Hills.

"We are adding new products and services, and hope our friends will stop by and see us," said Loder.

South Lyon Schools. 6 acres on lovely private drive. Front is partially wooded, has septic, well and electric. Sets around all newer homes. Has great potential. \$39,900.

A TRUE STORY ABOUT A HOUSE OF A DIFFERENT COLOR

Recently a lady told me about her 90 year old home in the City of Brighton that even though it will soon need major repairs again is probably worth \$90,000 which is about the same as several of our new homes also in the City of Brighton except that our new homes are built with modern energy conserving insulation and insulating glass wood windows and any of six Merillat cabinet selections and a choice of 1008 interior paint colors and many exterior colors and a brand new Bryant furnace and a brand new gas water heater and a brand new roof likely to last for the next twenty years and a ten year HOW warranty covering major structural defects and we discussed two car garage and a full basement and we discussed why anyone would pay the same amount for her 90 year old home as they would for one of our new homes and we thought that perhaps it might be because her 90 year old home has an established garden for which we were very grateful because somebody will buy hers and she will be able to pick one of our four new plans to be her very own now that fixed rate mortgages are available under 10%.

If you too would rather have a new home come to our model at 520 Glenwyth Rd. off of Ricketts and Oak Ridge in the beautiful Woodlake Village Subdivision any day except Thursday 1-6 p.m. or call 227-6161. Priced from \$16,990

"FOR THE QUALITY YOU DEMAND"

A NEW WAY TO CUT THE COST OF SELLING YOUR HOUSE.

INTRODUCING THE BEST-SELLER PLAN

Some 80 years ago Coldwell Banker wrote the book on real estate. Today we're adding new chapters that'll help you save money while preparing your house for sale.

We call it the Best-Seller Plan — a comprehensive home selling guide filled with a variety of benefits and savings. And it's all yours when you list with a Coldwell Banker Sales Associate.

MARVIN'S YOUR BENEFITORS

The Best-Seller Plan includes 20 coupons from Sears & Roebuck offering savings of 10-30% off regular prices. These coupons were carefully selected to help you save on the products and services you'll need most when selling your house.

COUPON 30% Off House Paint 30% off the purchase of any house interior or exterior paint

Paint for example will go a long way toward making your house look its best — both inside and out. Use our color hints for a bigger, brighter effect. And don't forget the chimney trim and fascias!

COUPON 30% Off Sears Carpet and Upholstery Cleaning 30% off the purchase of any Sears carpet and upholstery cleaning

Professional cleaning can make your carpets look new, eliminating tracks in high-traffic areas and other frequently used areas. Have your upholstery cleaned and your carpets cleaned as well to make your house look especially bright and well cared for — a big plus when it's being shown.

COUPON American Airlines Special Save 30% Roundtrip Airfare when you relocate.

America's Airlines for example when you travel between your current city and your new home town for the purpose of relocation.

COUPON 20% Off Installed Roofing 20% off the purchase of new professionally installed roofing

The roof over your head is of utmost importance. Check for missing shingles and leaks. It's a matter of time before old roof tiles are minor or you can probably do the work yourself. But if the roof leaks badly or is more than 15 years old you might consider having it replaced.

COUPON 30% Off Nursery Stock, Houseplants and Planters 30% off the purchase of any nursery stock, house plants and planters

When your first impression comes from the street, so take a good look at your house. So that simple, well-maintained and tidy little shrub or flower plant may seem like a nice touch, but it's the first thing you'll see when you're looking at your house.

In addition to the Sears coupons you'll find savings on a variety of moving services.

COUPON United Van Lines, Inc. 20% Discount

United Van Lines offers you a discount on interest-free moves within the continental United States. Hilton Hotels offers reduced weekend rates. And UAW offers discounts on packing materials, storage, rooms, garden equipment and more.

COUPON EXCLUSIVITY FROM COLDWELL BANKER

Only the Best-Seller Plan offers home sellers all these additional plus services: home search and relocation assistance from Coldwell Banker experts, immediate opportunities from Dean Witter, Reynolds and the spot homebuyers insurance from Allstate.

It's all there to help you sell your house, for the best possible price in the shortest possible time. With the least inconvenience and worry.

So call your local Coldwell Banker office today. And get more out of your house, for less.

The Best-Seller Plan is available when you list with a Coldwell Banker Sales Associate on a full-time basis. The book is yours to keep. It's a real bonus. It's a real advantage. It's a real reason to sell with Coldwell Banker.

We can arrange special APR financing through Ford Credit for qualified buyers. You must take delivery from stock or order by July 5, 1986. Earlier order cut-off may affect some models. Limit one per qualified retail customer. Certain contract terms are limited and restrictions apply. See us for qualification details, price and terms. Dealer contribution may affect customer savings. Other rates are available and will be higher as length of contract increases.

THE BEST-BUILT AMERICAN CARS AND TRUCKS.

A 1985 survey established that Ford makes the best-built American cars and trucks. This is based on an average of problems reported by owners in a six-month period on 1981-1984 models designed and built in the U.S.

BUY or LEASE

We don't care if you paint your hair blue, rip the sleeves off your shirt or pierce your ear.

But don't smoke just to be like your friends. Or to be different from your friends. Or to be anything at all. Because with everything we know about cigarettes today there's only one thing you'll be if you start smoking now. And that's sorry. Sorry you can't get up in the morning without coughing your lungs out. Sorry you can't climb a single flight of stairs without getting winded. Sorry that every time you light one up, your risk of heart disease goes up. If you're already a smoker, take some time to stop and think it all the way through. Right now, it's your decision. In the long run, it's your life.

American Heart Association

Don't just have a garage sale. Take your time to plan it out for maximum exposure and results. We at Sliger-Livingston Publications can help. Here's some tips for a successful garage sale:

- ☐ Place your garage sale with The Green Sheet classified section to reach thousands of households in Northville, Novi, South Lyon, Milford, Brighton and Livingston County. To avoid busy phones or long lines, use the form here and mail it or drop it off with your payment. We have offices in Northville, Milford, South Lyon, Brighton and Howell.
- ☐ When you place your ad with us, don't forget to pick up your free Garage Sale kit. It includes two sale signs, two directional arrows, a garage sale ledger and helpful tips for a successful sale. You must pick up the kit at one of our local offices during regular business hours.
- ☐ If you know any neighbors interested in selling, have a sale together. The more items available for sale, the greater the incentive for customers. Make sure you mark the items according to the seller.
- ☐ Be sure all your merchandise is clean and neat. A dusty old item will not sell as well as a clean old item.
- ☐ Display your merchandise in an interesting manner. For example, sort nails and screws by size and use colorful jars or cans for display.
- ☐ Separate items by category and make signs to hang over each category.
- ☐ Sort clothing and mark with size tickets.
- ☐ Place your merchandise where it can be easily seen. A few items on the lawn can serve as attention-grabbers.
- ☐ Group under-a-dollar items in one area. People will often spend more on several small items than on one big-ticket item.
- ☐ Have plenty of small change on hand for customers paying with large bills.
- ☐ Number each item in the sale and write it on your ledger. Record all transactions and cross off items when they are sold.
- ☐ Offer free coffee, iced tea or other refreshments. Your hospitality may make people more inclined to buy.
- ☐ Be prepared to dicker about the price of any item. Selling at a reduced price is better than not selling at all.
- ☐ Have paper bags, boxes and newspapers on hand for packing items when they are sold.
- ☐ Don't forget the children. They love small, inexpensive items.
- ☐ If you have several items left on the last day of your sale, group them together and offer them as a single package with an attractive price.

Before you hold that garage sale, listen to these heavenly words of wisdom

We publish every Wednesday. When do you want your ad published?

For just \$4.99, your 10-word ad can reach over 44,000 households through the Green Sheet East and West.

Take this form to one of our local offices for quick service or mail it to The Green Sheet, P.O. Box 251, South Lyon, MI 48178.

All garage and rummage sale ads must start with the city where the sale will be held. The ad must be pre-paid at one of our offices or through the mail, or placed on a Master Card or Visa card.

You can also have your ad appear in our three shopping guides in Hartland, Pinckney and Fowlerville. Just add 75 cents to your total and get your ad to us by noon Friday for the following Wednesday's publication. It's a great deal because that extra 75 cents will buy an additional 21,000 households.

SUMMER SOUNDS

See the fold at the side of this page?

Very carefully tear it from top to bottom.

Now tape it to your refrigerator, closet door, bathroom wall, kitchen cabinet, what-have-you. Because it's going to come in very, very handy.

That's right. Here in one place, culture buffs, music mavens, rock and rollers, longhairs of every stripe, you can find out where to go for the show this summer.

We're holding back on individual reviews of the artists, much as we'd like to comment on the likes of Wagner and Eurhythmics because we wanted to be able to fit all of this stuff in. Besides, you know who you like.

So now you can go plan your summer vacation and not miss the big entries in this musical summer sweepstakes. Most of all, you know how to spread your entertainment budget out over the next few months and still have enough left over for vacationing.

So take to the hills. They're alive with the sound of ... well, you know.

IN NORTHVILLE ...

In Northville a "Concert in the Park" series, sponsored by the Northville Merchants Association and the City of Northville Arts Commission, will take place downtown at the following dates and times:

June 20, Northville High School Alumni Jazz Band (NHSAJB), 8 p.m.; June 27 and July 11 the Schoolcraft College Wind Ensemble, 7:30 p.m.; July 18 the NHSAJB, 7:30 p.m.; July 25 at 7:30 p.m., the Novi Concert Band; August 1, NHSAJB, 7:30 p.m.; August 8, 22, the Novi Concert Band, 7:30 p.m.

September 5 is the tentative date for a Novi Concert Band performance.

On July 4, the Northville Historical Society will sponsor a free concert by the Novi Concert Band at the Mill Race Gazebo.

July 27 is the 10th annual Northville Folk's Bluegrass Festival, a benefit to fight Huntington's Disease. Among the returning and newcoming acts will be Mustard's Retreat, Footloose, the Sunnysiders, and the Reel Happy String Band. The day-long event begins at 1 p.m.

IN NOVI ...

Novi Parks and Recreation and the Ford Motor Company are sponsoring a wide-ranging "Novi Summer Sounds" series scheduled to begin last Monday with the Novi Concert Band performing at city hall.

The rest of the series dates are: Macombers Show Ensemble, June 13 at 7 p.m. at Novi City Hall; Moose and Da Sharks July 4 at 7 p.m. in Lakeshore Park; Community Wind Ensemble, July 25 at 7 p.m. at the Novi City Hall; The Tailgate Ramblers, August 15 at 7 p.m. at the West Oaks shopping; and Vocal Point September 15 in the West Oaks shopping center. The time for the final concert will be announced later.

Ann Arbor and Ypsi moving up

IN ANN ARBOR ...

The ANN ARBOR SUMMER FESTIVAL will feature a wide range of internationally-recognized musical artists in performance at the Ann Arbor Power Center. Among the scheduled guests are the newly rejuvenated songstress Judy Collins at 8 p.m. June 28; and a classic jazz reunion, Dizzy Gillespie and the J.C. Heard Orchestra at 8 p.m. July 19.

July 9, jazz/classical pianist Claude Bolling performs, along with guitarist Jack Wilkens and flutist Pamela Sklar, at 8 p.m.

For Summer Festival ticket information call 763-TKTS.

An intimate coffeehouse, THE ARK, at 637½ S. Main Street in Ann Arbor will host cosmic Tin Pan Alley recycler Leon Redbone for two performances at 7:30 and 10:00. Tickets are \$11.50 and available at Ticket World outlets. July 17 The Ark hosts Stephan Grossman and Jon Renbourn for two shows, 7:30 and 10:00.

The eighth annual ANN ARBOR FESTIVAL OF FOLK SONG AND DANCE, sponsored by the Ann Arbor Council for Traditional Music and Dance, will be June 8 at Ann Arbor's Cobblestone Farm, 2781 Packard Rd.

It will be preceded by a square and contra dance Saturday, June 7 at Forsythe Intermediate School, 1655 Newport Rd. There will be a caller and live music. All dances will be taught, no special costumes are necessary and beginners are welcome.

Sunday's festival will feature the oldest black stringband in America, made up of Howard Armstrong, Ted Bogan and Tom Armstrong.

The festival will begin at 11 a.m. and run until dusk, rain or shine.

Admission is \$7 for the festival, \$4 for the dance and \$9 for both. Children and senior citizens are admitted free. Tickets are available at both the dance and the festival gates. For more information call (313) 769-1052 or (313) 668-0568.

IN YPSILANTI ...

The annual FROG ISLAND FOLK AND COMEDY FESTIVAL kicks off at noon, June 29 is the at Frog Island in Ypsilanti. This year's festival features Leo Kottke and Dennis Wolfberg and begins at noon.

Stars out at outdoor theatres

Stars come out at Meadowbrook, Montreux, et al

AT MEADOWBROOK...

Meadow Brook Music Festival at Oakland University, will have seven summer series beginning in June.

The deadline for purchasing series tickets is past but individual performance tickets are still be available. Ticket price varies with series and seat choices. For more information call (313) 377-2010. This summer's schedule includes:

Beginning at 8 p.m. June 18, a Thursday series featuring the Detroit Symphony Orchestra begins with conductor Gunther Herbig, violinist Itzhak Periman, soprano Sheila Armstrong, mezzo-soprano Alfreda Hodgson, tenor Dennis Bailey, baritone Tom Krause and the Detroit Symphony Chorus with music director Eric Freudigman. They will perform Mendelssohn's "Violin Concerto in E minor" and Beethoven's "Symphony Number Nine 'Chorale'".

June 26 Herbig and pianist Marc-Andre Hamelin will present Ellen Taaffe Swilich's "Piano Concerto". July 3 conductor David Zinman and pianist David Golub will present Schuman's "New England Triptych", Gershwin's "Rhapsody in Blue", Ives' "Symphony Number Three, 'The Camp Meeting'" and Copland's "Four Dance Episodes from 'Rodeo'." There will also be fireworks.

July 10 conductor Julius Rudel and soprano Eily Ameling will perform Schubert's "Overture to 'Rosamunde'", Mozart's "Arias from 'The Marriage of Figaro'" and "Symphony Number 25" and R. Strauss' "Suite from 'Der Rosenkavalier'" plus music of J. Strauss, Suppe and Stoltz.

July 17 conductor Jiri Belohlavek and violinist Ernst Kovacic will present three of Dvorak's work, "Overture to 'Othello'", "Violin Concerto" and "Symphony Number Six".

July 24 conductor Theo Alcantara, guitarist Christopher Parkening and mezzo-soprano Kathleen Segar will perform Turina's "Sinfonia Sevillana", Rodrigo "Concierto de Aranjuez" and Falla's "The Three-Cornered Hat".

July 31 conductor Paavo Berglund and violinist Viktoria Mullova will present Grieg's "Symphonic Dances", Sibelius' "Violin Concerto" and "Symphony Number Two".

August 7 conductor Daniel Nazareth and violinist Gordon Staples will perform Tchaikovsky's "Violin Concerto" and "1812 Overture" with cannons and Stravinsky's "Suite from 'The Firebird'".

August 28 Israel Philharmonic and conductor Zubin Mehta will present Beethoven's "Symphony Number Two" and Tchaikovsky's "Symphony Number Four".

The 8 p.m. Friday series kicks off July 20 with Liberace, followed by: June 27, Debbie Reynolds and Donald O'Connor.

July 4, The Lettermen and Tom Paxton, with fireworks display.

July 11, Ferrante and Teicher.

July 18, Johnny Mathis.

July 25 will be a "Salute to Broadway" with the Detroit Symphony Pops Orchestra, Skitch Henderson, Margaret Whiting and Robert Carroll.

August 1, Peter, Paul and Mary.

August 8, a salute to the "Golden Boys of Bandstand" starring Frankie Avalon, Fabian and Bobby Rydell.

August 15, a laser light spectacular with "Music from the Great Motion Pictures" will be presented featuring the Meadowbrook Festival Orchestra with Erich Kunzel conducting. Lewis Dale von Schlanbusch, baritone, will present music from "Chariots of Fire," "Splash," and "E.T."

The Saturday pops series will kick off June 28 with Englebert. Also on Saturdays:

July 5, The Nylons and The Laredos, with fireworks.

July 12, Jean-Pierre Rampal and the Detroit Symphony Pops Orchestra, conducted by Varujan Kojian, will present music of Fershin and Tchaikovsky including the "1812 Overture" complete with cannons.

July 19, Johnny Mathis.

July 26 is "Salute to the Big Bands" night featuring Tex Beneke, Helen Forrest, Paula Kelly, Jr. and the "Modernaires."

August 2, Tony Bennett and Rosemary Clooney.

August 9 is "An Evening in Old Vienna" with the Detroit Symphony Pops Orchestra conducted by Charles Greenwell and featuring Louise Russell, soprano, and John Walker, tenor.

August 16, the previous night's "Music from the Great Motion Pictures" feature will be presented.

The Sunday series is a Chrysler Concert Series featuring the Detroit Symphony Orchestra and sponsored by a Chrysler Corporation Fund.

June 22 at 8 p.m. conductor Gunther Herbig will lead pianist Malcolm Frager, soprano Sheila Armstrong, mezzo-soprano Alfreda Hodgson, tenor Dennis Bailey, baritone Tom Krause and the Detroit Symphony Chorus with music director Eric Freudigman, through Mozart's "Piano Concerto Number 16" and Beethoven's "Symphony Number 29".

June 29 conductor Herbig and pianist Sergei Edelmann will present Beethoven's "Piano Concerto Number One" and "Symphony Number Six", "Pastorale".

July 6 conductor David Zinman

and pianist David Golub will present Schuman's "New England Triptych", Gershwin's "Rhapsody in Blue", Ives' "Symphony Number Three, 'The Camp Meeting'" and Copland's "Four Dance Episodes from 'Rodeo'". There will also be fireworks.

July 13 conductor Julius Rudel and soprano Eily Ameling will present Schubert's "Overture to 'Rosamunde'", Mozart's "Arias from 'The Marriage of Figaro'" and "Symphony Number 25" and R. Strauss' "Suite from 'Der Rosenkavalier'" plus music from J. Strauss, Suppe and Stoltz.

July 20 conductor Jiri Belohlavek and pianist Rudolf Firkusny will present Dvorak's "Overture to 'Othello'", "Piano Concerto" and "Symphony Number Six".

July 27 conductor Theo Alcantara, pianist Natalie Hinderas and mezzo-soprano Kathleen Segar will perform Turina's "Sinfonia Sevillana", Ginastera's "Piano Concerto Number One" and Falla's "The Three-Cornered Hat".

August 3 conductor Paavo Berglund and violinist Viktoria Mullova will perform Grieg's "Sym-

phonic Dances" and Sibelius' "Violin Concerto" and "Symphony Number Two".

August 10 conductor Daniel Nazareth and pianist Jose Feghail will present Stravinsky's "Suite from 'The Firebird'" and Tchaikovsky's "Piano Concerto Number One" and "1812 Overture" with cannons.

The final concert will be Wednesday, August 13 featuring the New York Philharmonic Orchestra conducted by Leonard Bernstein with violinist Glenn Dicterow. They will perform Bernstein's "Overture to 'Candide'" and "Serenade for Violin Solo, Strings and Percussion" and Tchaikovsky's "Symphony Number 6 'Pathetique'".

The Summer Solid Gold Series, sponsored by The Detroit Free Press, begins Wednesday July 2 at 8 p.m. with "Motor City Magic" starring Mary Wilson, Junior Walker and The All Stars, The Marvellettes, Mary Wells and The Contours along with a fireworks display.

Tuesday July 22 at 8 p.m. is "A Salute to the Great Male Singers" starring Roy Orbison with special guests Del Shannon, Lou Christie and Freddie Cannon.

Tuesday August 12 at 8 p.m. "Frankie Valli and the Four Seasons" will perform with special guest "Three Dog Night".

The series concludes with Fats Domino and Jerry Lee Lewis Sunday August 17 at 8 p.m.

The Star Series, sponsored by The Detroit Free Press, begins with Mitzi Gaynor at 8 p.m. Wednesday June 18.

Monday, July 14 at 8 p.m. Roger Whittaker will perform.

Monday, July 21 at 8 p.m. Pia Zadora will perform.

The series ends with Lou Rawls and Maynard Ferguson Friday August 29 at 8 p.m.

The Children's Concert Series begins at 11 a.m. June 28 with the Oakland Youth Symphony Orchestra featuring conductor Darryl Jeffers. They will perform "Carnival of the Animals".

July 26 at 11 a.m. "The True Story of the Three Little Pigs" will be performed by the Piccolo Opera Company with artistic director Marjorie Gordon.

August 23 "Pocketful of Rhymes" will be performed by the Detroit Institute of Arts' Prince Street Players at 11 a.m.

The series is sponsored by Hudson's and Observer and Eccentric.

In addition to these series, Meadow Brook will offer a variety of non-series concerts at Oakland University in Rochester at 8 p.m. Ticket information is available at the Meadow Brook Box Office (313) 377-2010.

June 1, WDET's Motor City Bluegrass Festival.

June 6, jazz pianist Michael Franks and jazz saxophonist George Howard.

June 14, "Earl Klugh and Friends."

June 23, Tangerine Dream with laser light show.

June 25, B.B. King with harmonica James Cotton.

July 1, Spyro Gyra with the Yellowjackets.

July 9, Joan Baez, Don McLean and Livingston Taylor.

July 15, Roger Whittaker.

July 29, the Preservation Hall Jazz Band.

July 30, Jean-Luc Ponty.

August 21, David Sanborn.

August 22, Manhattan Transfer.

August 23, Jack Wagner.

August 25, Petra.

IN AND AROUND DETROIT...

THE PREMIER CENTER, Van Dyke at Fourteen Mile, will feature several different artists in June. All tickets are available at the Premier Box Office, Hudson's and all Ticket World outlets.

May 31, at 8 and 11 p.m. Millie Jackson. Tickets are \$12.75.

June 13, Cherrelle and Alexander O'Neal. Tickets are \$11.75.

June 16, Hiroshima, 7:30 p.m.

June 20 and 21, the Everly Brothers. Tickets are \$19.75.

June 24-26, Gladys Knight and the Pips. Tickets are \$19.75.

August 27 to September 1 are the dates for the MONTREUX-DETROIT JAZZ FESTIVAL featuring a variety of artists. Ticket information will be available later, but scheduled performers are: August 27, Helen Merrill; August 28-31, Betty Carter Trio; August 31, Miles Davis. August 27 at 8 p.m. "The Detroit Jazz All-Stars" will perform on the Boblo Deck.

Club slates annual King's Mill benefit

By JEAN DAY

Members of King's Mill Women's Club are getting to be pros at putting on their annual "giant flea market" benefit to raise funds for support and improvement of the common areas at the cooperatives on Northville Road.

This year's event will be held from 9 a.m. to 4 p.m. Saturday, June 7, and will include a club table of bargains as well as tables of individual residents, a mini-craft table and a bake sale table. They'll also serve hot dogs right off the grill, donuts, coffee, soft drinks and ice cream.

The community is invited. In event of rain, the market will be postponed to the next day, June 8. Co-chairpersons are Mary Cauzillo and Susan Clark.

Vacation season's beginning

Former longtime resident Marion Sober drove in from the East to spend last week at the Plymouth Hilton Inn visiting friends in Northville and Plymouth. Mrs. Sober's late husband, Don, had been an active worker in Mill Race Historical Village and the historical society was able to report that the memorial fund in his name totals \$11,000.

Mrs. Sober now lives in Camden, Maine, where the home she purchased boasts a loft in which the artist does her painting. The community of 4,000 residents, she reported, grows to about 40,000 in summer.

She returned a month ago from a freighter trip to

Japan which she recommended to friends as she showed snapshots.

Northville school board president Glenna Davis, her husband, Chester, and youngsters continued a Memorial Day weekend tradition of many years, joining nine other families for a camping outing to Piney Woods Park near Grand Bend, Ont.

A concert of the Polonaise Chorale took Krys Dziewit and her husband, Alex, to Cleveland over the Memorial Day weekend. Krys is a member of the Polish singing group that was in competition there. She was hoping to return with a trophy.

School's out for good for these retirees

Among teachers retiring from the Northville Public Schools at the end of the current school year will be Robert Williams, the teacher with the longest service in the district. The board recognized his 32 years of meritorious service in a resolution May 19.

Also honored with retirement resolutions are teachers Arnold Anderson, 27 years; Dorothea Bach, 12 years; Naomi Poe, 18 years; Marion Yockey, 12 years. Among the tributes planned is a retirement tea by Amerman PTA to honor Mrs. Poe from 3:30-5:30 p.m. June 10 in the Amerman library. Teachers, students and friends are invited.

Families welcome Emily, Christopher, Heather

Birth of their son, Christopher Ian, is announced by Irene and William Scott of 780 Grace Street. He was born May 20 at Providence Hospital in Southfield with a birth weight of nine pounds.

The baby joins a brother, Justin, 4, at home.

Grandparents are Jean and William Scott of Nashville, Tenn., and Janet and Thomas Shalla of Clarkston.

From Woodlands, Texas, comes the announcement of the birth of a daughter, Emily Ann, to Mel and April Esmacher. She was born March 25, weighing six pounds, 14 ounces.

Emily Ann has a little sister, Melissa Ann, 2½, at home.

Maternal grandparents are Norma Hazlett and John Stoddard of Nor-

thville. Paternal grandparents are Gerald Esmacher of Northville and Shirley Esmacher of Redford.

Birth of a daughter, Heather Marie, April 22 at St. Joseph Mercy Hospital in Ann Arbor is announced by Mr. and Mrs. Stephen Ackman of New Hudson. The baby weighed eight pounds. Her mother is the former Susan Berchem of Northville.

She is being welcomed at home by a brother, Jeremiah, 22 months old.

Maternal grandparents are Jack and Violet Berchem of Northville. Paternal grandparents are Roy and Ruth Ackman of Plymouth. Maternal great grandparents are Walter and Ann Berchem of Novi and Margaret Kunz of Dearborn Heights.

A christening service is planned for Heather Marie at St. Paul's Evangelical Lutheran Church in Northville.

Registration being taken for college gifted program

Schoolcraft College will be accepting registration by mail from June 9-13 for the summer Talented and Gifted Program.

The college is offering nearly 30 classes for academically gifted children, ages 4 to 14, this summer. Classes are scheduled to begin July 7.

Classes include computer programming, typing, painting, biology, mathematics, conversational French and German, early American crafts, literature, science olympics and pre-algebra.

To register, students must be classified as talented and academically gifted according to their school criteria. Certification by their school principal, coordinator or teacher is required on the registration form.

Walk-in registration is scheduled from 8 a.m. to 4:30 p.m. June 30 and July 1 at the Registration Center.

Information on class fees and times may be obtained by calling the college at 591-6400, extension 410.

The Northville Record

Mustang kickers fall 4-1 in regional final

Chargers end Northville's soccer season

By NEIL GEOGHEGAN

There is probably just one high school girls' soccer team in Michigan that is better Northville's squad.

Unfortunately for Mustang fans, that team — Livonia Churchill — was on the schedule three times this season, and all three times Northville came away without a victory.

The first meeting between the two teams in April featured a scoreless tie. Two weeks later, the Churchill tagged the Mustangs with their only regular season loss, and last Saturday (May 24) the Chargers did it again, by a score of 4-1 in the regional final at Plymouth Salem, thus knocking Northville out of the state tournament and shattering hopes of a second state championship in three years.

In a game that has decided the state title for the past five straight years, the match-up really was the championship in the minds of a lot of people.

"This game has decided it for a long time, and I don't see any reason why it would change this year," Mustang Coach Stan Smalec said prior to the match.

The Chargers got on the board early before a large crowd at Salem's football field to take a 1-0 lead. The Mustangs continued to pressure the ball following the goal and gained control in Churchill's end for much of the first half. What turned out to be Northville's only score of the game came as a result of that pressure.

Heather Sixt looped a perfect toss-in to the right of the Charger goal and Jenni Schuerman gained control of the ball from two defenders. After beating them both, Schuerman rifled a shot that deflected off the inside left goal post and bounced in front of the net where Jodie Smalec nudged it in with her torso.

The goal tied it up, and the Mustang players grabbed all the momentum — but it would only last a few more minutes. A Churchill player split the defense and charged toward Northville goalie Tricia Ducker. The ball got by the lunging Ducker and another Charger player drilled it into the open net. It would later turn out to be the winning goal, and the half ended with Churchill clinging to a 2-1 advantage.

In the second half, a tired, drained group from Northville gave up another pair of goals to round out the scoring. The loss snapped a nine-game win streak for the Mustangs and ended their season with an overall record of 15-2-3.

Churchill will travel to Kalamazoo to take on that area's regional champs today with the winner traveling to Northville for the state championship on May 31 at the high school field.

Despite the disappointing loss, Northville showed some gutsy play at the regional semifinal clash with defending state champs Livonia Stevenson which enabled the team to advance to the finals against Churchill. In a wild and very physical contest at Stevenson on May 20, the Mustangs scored two goals in the

Jenni Schuerman (right) beats a Churchill defender and closes in on the net

final 20 minutes to pull out a dramatic 5-3 win.

But it was an unintentional mistake by Smalec that actually seemed to spur the team on in the closing minutes and provide an extra spark. With the score tied at 3-3 and 20 minutes remaining, Jodie Smalec broke in on the Stevenson net, outraced the Stevenson goalie for a pass in front and scored. But in the interim, the two collided and the officials ruled that Smalec had interfered with the golatender and wiped out the goal.

"At that point I was real mad and even though I wasn't beckoned onto the field, I went anyway," Smalec said. "I swore at one of the officials, he asked me what I said, and I repeated it. He then gave me a red card, and I was kicked out of the stadium — and I mean gone."

With Smalec somewhere in the school parking lot, assistant coach Doug Lyon took over command and led the now fired up team to victory. It was only Smalec's third red card in

13 year of coaching — but looking back, even he agrees it was the best thing to do.

"I did the dumbest thing a coach can do," he admitted. "I left (the officials) no choice — they have a job to do and they did the right thing."

As they do very often against Northville, the Spartans scored first and early in the first half. But the Mustangs tied it up at the 10 minute mark as Karen Baird crossed from the right wing, sent a pass to Robin Strunk who faked the shot and ran by the ball. With the defense confused, Jenni Schuerman followed from behind and drilled an open shot into the upper right corner of the net.

A few minutes later, Stevenson scored again on the same play that netted the first. The Spartans' four person offensive line was splitting the three person Northville defense and coming right in on goalie Tricia Ducker.

"They must have read the book on us because both times they went right down the middle of the field,

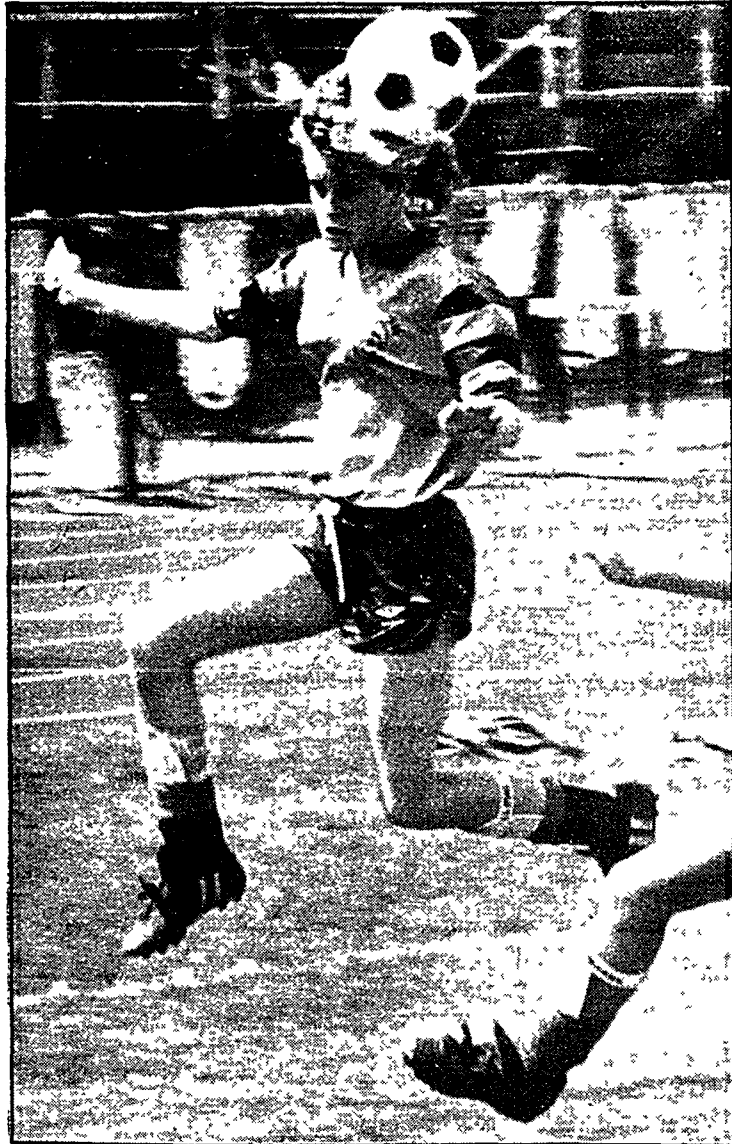

and the next thing Ducker knew they were right in front of her — there was really nothing she could do."

The very wide-open and physical half ended with the Mustangs trailing 2-1, but Heather Sixt knotted it again in the opening minutes of the second. From her halfback position, Sixt slipped it by the goalie with a low shot that seemed to knuckball.

Five minutes later Baird scored another Northville goal and everything seemed in control until Stevenson used the play one more time and scored one more time to tie it and set up Smalec's dismissal and the comeback.

The winner came on another goal by Baird on some nice passes from Julie Anger and Schuerman. The insurance goal was scored by Smalec who retrieved a perfect pass from Jennifer Kuffner, took it in stride and volleyed it in.

"The girls really seemed to fire up after I was gone and Doug (Lyon) did a great job," Smalec said.

Heather Sixt (left) heads the ball to a teammate versus Churchill

Trackers fall to 0-8 after loss to Chiefs

It's definitely salvage time for the Mustang girls' track team.

In a light week of action, Northville dropped its final dual meet of the year, 85-43 to Plymouth Canton on May 21 to cap a winless regular season. The Mustangs' team record falls to a lowly 0-8 overall, 0-6 in the Western Lakes with only the conference meet left on the schedule.

What it all means is that today's get together with the rest of the WLAA is the final chance for Northville to salvage something out of the '86 campaign. Anything would do. Just avoiding a last place team finish or placing a few competitors in the points would be much more rewarding than a winless regular season.

"These girls haven't given up all year," Coach Mike Webb said. "I just wish they could have won and received a little reward for all their hard work."

"Maybe we can pull something out at the league meet and end on a positive note."

The whole season, Webb's squad has been up against more than just opposing teams. It's also been a constant battle with injuries and other problems which has thinned an already thin Mustang roster.

A good example has been the long jump. Top performer Krista Schwartz has missed half the season with injuries, and Karen Stinson, her top replacement, has been unable to compete in the event lately with a muscle strain. Against Canton, that left it all up to third replacement Sherry Swamba, and she came through

with an impressive second place finish (14'3/4").

Individual winners for Northville included: Lynn Bills in the 110-yard hurdles (17.58), Kristi Lenaghan in the 100-yard dash (12.39) and Anne Griffith in the two mile (12:35).

Lenaghan and Stinson teamed up with Kris Marrone and Erin Holmberg for a win in the 880 relay (1:57.7), but for the 440 relay, Lenaghan became ill and was replaced by Leigh Bills. Holmberg, Spigarelli, Lisa Tuebert and Bills then went out, without any hand off practice and won the race in a time of 57.5.

When Stinson placed second (1:06) and Robin McDuffie third (1:07) in the 440 dash, Northville had closed the gap to 36-33. But Canton then swept the 880 run to up the margin back to 12 and then coasted the rest of the way.

Runner-up finishes by the Mustangs included: Griffith in the mile (5:46), Julie Trausch in the discus (80'-57") and Holmberg in the 220 (30.4). Distance specialist Linda Groves missed the meet while nursing an injury, and middle distance runners like Sue Blanchard, Pam Kavanagh and Jennifer Goshorn are all hobbled with injuries as well.

"Between the Canton meet and the league meet, we have a week off so maybe that will give us some time to recover from some of these injuries," Webb said. "I think we would have won a few meets if it wasn't for the injuries. We just haven't been physically fit."

Netters end 11-3 year

No, the Northville tennis squad didn't match last year's 13-1 dual meet record, but, hey, — 11-3 isn't something to turn your nose up at.

That's the way Mustang Coach Dick Norton views the '86 tennis season. Norton has built such a strong program that a good record is expected, and Northville had that and much more.

The team came within an eyelash of grabbing the Western Lakes conference title and the Western Division crown as well. One more win at the conference meet, instead of a loss, would have given the Mustangs the title.

"Just one more win would have given us the whole thing," Norton said. "On the whole, I'm very

satisfied with the season. I think the league was stronger this year than last, so I'm not disappointed with 11-3 at all."

Northville's four singles players carried the team through most of the season, and they have the numbers to back it up: the four had a combined won-loss record of 53-16.

Terry Michelitch (No. 1) missed a chunk of the season with an injured ankle, but came back to record a fine 12-4 overall mark. Senior Mark Reitenga (14-4) and younger brother Mike (16-3) had the top winning percentage on the team while sophomore Doug Kamieniecki (No. 4) notched an impressive 11-5 record.

Continued on 6

Western eliminates Northville nine

By NEIL GEOGHEGAN

It's very difficult to beat a team three times in one season, and the Northville baseball team found that out in the opening round of pre-district play last week.

After beating Walled Lake Western twice during the regular season, the Mustangs dropped a well-played 3-2 decision to the Warriors on May 23 thus making a quick exit from the state tournament.

"It was an outstanding game, both teams played super," Northville Coach Bob Frellick said. "It's a shame this was just a pre-district game rather than a district final. Neither team committed an error — it was just well-played."

You'll have to excuse Frellick if he isn't all that disappointed with the loss. His team played so well, there is very little to be disappointed about.

"Of course, it's always better to win but, when a team plays as well as we did, there isn't much more you can ask for," he declared. "Both teams did a good job; it just wasn't in the cards for us that day."

"Of course it's always better to win but when a team plays as well as we did, there isn't much more you can ask for."

— Bob Frellick
Mustang Baseball Coach

4 in the WLAA and 7-2 in the Western Division) were scheduled for two other league contests last week as well, but both were washed out. Only the Livonia Churchill clash, originally slated for April 30, will be made up on May 27 (after Record deadline). With the early exit from the state tournament, the Churchill game will wrap up the '86 season for the Mustangs.

Northville jumped on Western in the first inning for a 1-0 lead that stood until the fourth. Keith Dutkiewicz singled, stole second and scored on an RBI hit by Scott Peterson.

Starter Tony Craig held the Warriors in check until the fourth. A

walk, a single and a fielder's choice put runners at first and third, and a sacrifice fly drove in the tying run — but just barely. Dutkiewicz fielded the hit and gunned a perfect throw to home, but it hit the Western runner in the shoulder and bounced away from catcher Mark Olsen.

Craig was roughed up in the fifth and had to be relieved by Brett Loomis. A lead off homer followed by a walk and a double scored two more and gave the Warriors a 3-1 lead.

The Mustangs made a gutsy comeback in the bottom of the seventh but came up a run short. Jeff Bainbridge crunched his fifth home run of the year to make it 3-2 and consecutive singles to Doug Ayers and

Ken Kehoe combined with a walk to Eric Terlecki loaded the bases, but Western got the final out to secure the win.

"The kids battled back as they have all year long," Frellick said. "It could have gone either way, but somebody has to lose, and this time it was us."

Craig went 4 1/3 innings, gave up four hits, three runs, five walks and suffered the loss. Loomis did a fine job in relief with no runs and one hit the rest of the way.

"I still say we are in the toughest league in the state," Frellick said. "They way the districts are set up now, we just beat each other up and only one team gets out of it from the league. It's unfortunate the way it's set up."

Tuesday's game with Churchill may be something of an after thought, but, in actuality, it's a very important contest that will decide the Western Division title. If Northville wins, a share of the division crown is guaranteed, but a Churchill win will drop the Mustangs into second place. Currently, Northville sits in second place in the conference with a 10-4 mark.

League Line

SOCCKER: Stompers blank Rowdies

BOYS 10 & UNDER: The Plymouth Bandits shut out the Hot Spurs 3-0. Matt Basse was the Spurs' defensive MVP and Shawn Krugel was the standout on offense. . . . Anthony DeBenedet scored both Northville Bandit goals but the Farmington Kicks pulled out a 3-2 win anyway. Peter Anthony notched an assist on one of the goals. . . . Farmington Arsenal dumped United 4-1. Bo Fowler scored the lone goal while Ty Fowler and Chris O'Connor were named the game's MVPs. . . . Despite some tough defense by Mattis Kukanis, the Eagles fell to the Plymouth Express 2-0. Dd White was the offensive star for the Eagles.

GIRLS 10 & UNDER: Stompers' goalie Heather Hulting recorded the shut out in a 2-0 win over the Rowdies. Deborah Schultz and Amy Petricca were honored as the players of the game for the Stompers and Colleen Litzelman and Brenda Newton grabbed MVP honors for the Rowdies. . . . Heidi Zimlema scored a goal, but it wasn't enough as the Livonia Strikers scored a 4-1 victory over the Northville Pandas. Melissa Michaelis and Anita Wilhelm were named the Pandas' MVPs.

BOYS 12 & UNDER: The Northville Express pounded the Farmington Firebirds 6-0. . . . United slipped by Arsenal in a battle of Northville teams. United MVPs were Kevin Rostski, Kurt Skrade and Matt Golden. Tom Ryan had the only Arsenal goal and Robby Clark was the team standout. . . . In a defensive struggle, the Hot Spurs fell just short (1-0) against the Livonia Lightning. Joshua Bush and Chris Barbara starred for the Spurs.

GIRLS 12 & UNDER: Behind the line play of Jane Luterek and Regan Wisley, the Northville Stompers upset the Plymouth Torados 3-0. Bethanie MacLean, Tricia Lukomski and Megan Holmberg all scored for the Stompers. . . . Valerie Schuerman single-handedly pushed the Blazers past the Stray Cats 3-1 with a scoring hat trick. Erin Belloli, Laura White and Joleen Filkin

were the stars for the Cats. . . . The Pandas needed goals by Sue Gill and Jenny Sinkwitz in order to tie the Plymouth Dragons 2-2. Leslie Allen and Kristen Brown were the Pandas' most valuable players.

BOYS 14 & UNDER: Thanks to three goals by David Smith, Northville No. 1 trounced Novn No. 1 by a score of 4-1. Brendon Haldane and Chris Weidenbach played outstanding soccer for the Northville team. . . . United and the Livonia Flames battled to a 2-2 tie. Kevin Delaney and Louis Stoecklin notched goals for United. . . . Goalie Jason Stringer played very well but his team, Northville No. 3, fell to Farmington No. 1 3-0. Jason Mahalko and John Barbara were the MVPs for No. 3. . . . Paul Hodgins and Smith combined for five goals as Northville Arsenal bombed the Livonia Sidekicks 9-1. Stephan Coon was the defense star and the Arsenal goalender was Eric Bauss.

GIRLS 14 & UNDER: The Pandas slipped by the Spartans 2-1 on some fine defensive play by Vicki Eppers and Renee Weidenbach. A. Marchesotti and A. MacLean scored the two Panda goals.

BOYS UNDER 17: Northville Arsenal needed some fine defense in order to salvage a 2-2 tie with Lakes No. 1. Bob Dudley and Jack Sylvester were credited with scores for Arsenal. . . . Tom Ursel and Jeff Higgins combined in the United goal for a 7-0 shut out versus Farmington No. 1. Andy Frey scored three and Brad Maliszewski two for United. . . . Roger Kimerly and Matt Ho supplied the defense, but the offense was lacking for the Hot Spurs in a 2-1 loss to Lakes No. 3. Jim Burowski's goal was the extent of the Spurs offense.

GIRLS UNDER 17: In a cross-town battle, the Northville Reds trounced the Northville Warriors 8-0. Jeanean Sullivan scored three goals and Kim Connery two for the winners. Janet Schlichter recorded the shut out.

BASEBALL: Hodgin homers 3 times

G-LEAGUE: A big five run first inning helped pace the Pirates to a 9-3 win over the Padres May 17. Steve Demoracki's three-run homer was the big blow in the inning for the Pirates and Matt Osceki added a 3-for-3 outing at the plate. Demoracki was the winning pitcher, going three innings and surrendering two earned runs. The Padres' Joey Stacks was tagged with the loss. . . . A fifth inning grand slam by Steve Weiger blew open a close game and enabled the Braves to get by the Reds 12-9 May 17. Gordie Collins went two innings and notched four strike outs for the win. . . . The Expos opened the season in impressive fashion with a 12-1 win over the Giants May 17. A Brad Telepo triple in the third inning drove in three runs, and Scott Bassin had a perfect day at the plate for the Expos, going 3-for-3. Telepo drove in four on the day and pitched three innings, with four strike outs, to get the win.

H-LEAGUE: The Cubs beat the Reds 5-1 as Brian Jackson, Mike Maschek and Chuck Apigian combined for a three-hit win. John Gatti had a grand-slam homer while Todd Henderson and Apigian each had two hits. Jim Maxwell drove in the only Reds' run. . . . It was a back and forth game, but the Pirates finally came out on top 12-10 over the Expos on May 17. With the Expos down 5-2 in the third inning, they bounced back with five in the fourth and three more in the fifth to take a 10-8 lead, but it wasn't enough. The Pirates scored four runs in their half of the fifth to regain the lead and go on to victory. . . . A five run third inning broke open a 4-3 game and spurred the Astros on to a 16-9 win over the Angels on May 17. Aaron Hodgin's grand slam in the inning caused most of the damage, and he later belted two more for a total of three in the game for the Astros. Tim Petrosky went 4-for-4 and was the winning pitcher. Tim Reardon had a homer of his own and Clay Cutchins went 3-for-3 including a triple for the Angels.

Northville connection paces Mercy's kickers

There is a very pronounced Northville connection on the Our Lady of Mercy High School soccer team in Farmington Hills — and not surprisingly, Mercy has just completed a very successful season in 1986.

Mercy's Coach is Northville resident Gene Fogel and six members of the squad reside in the community. They include junior Margaret DeMattia, sophomore Karen Baldas, senior Mary Duwel, senior Marybeth Larabell, sophomore Stacy Murdock and junior Sue Swienkowski.

On May 18, Mercy captured the Detroit Catholic League Championship for the second time in three years with an exciting 2-1 double-overtime win against Birmingham Marion. In addition, Mercy completed a fine 12-2-2 season — the squad's only losses came at the hands of state

powerhouses Livonia Churchill and Northville. "The Northville girls on our team have all played key roles in our success both this year and in the past," Fogel said. "I give a lot of the credit to (Northville Coach) Stan Smalec for his year's team. He coached them during the indoor soccer season and did a great job with them."

One of Mercy's top performers is DeMattia, who scored 10 goals from her center-fullback position, second highest on the team. She also was named to the All-Catholic League First Team this season. Murdock, a fullback for Fogel, was placed on the honorable mention team.

"Gene is very supportive of soccer in the Northville area," Smalec said. "He's a neat guy and a good soccer coach."

Ironically, it was Smalec's Mustangs that knocked Mercy out of the state tournament on May 19.

Karate awards given

Kil's Karate Tae Kwon Do School in Northville sent eight students and one instructor to the 14th Annual Open Martial Arts Tournament in Westland May 20 and placed first twice, second twice and third five times.

Jay Bullington, a 12-year old blue belt and seventh grader from Meads Mill Middle School, took third place in the sparring competition and will be competing on May 24 in Leamington, Ont.

Steve Dillworth, 45, a black belt and instructor at Kil's, placed third in both the weapons and sparring category. Matthew Scherkenbach, a 12 year old yellowbelt and seventh grader at Our

Lady of Victory, also received an award of merit in the form competition.

Others who placed include: Jeffery Wong of Plymouth (second in form), David Rappe of Detroit (first in form), Roger Anthony of Westland (first in form), Mike Cha of Dearborn Heights (second in sparring) and Angela Cha of Dearborn Heights (third in sparring and form).

The meet was important because it's the final large local tournament in the area before the U.S. Tae Kwon Do Masters must make their final selections for the National Competitions to be held in Hawaii this summer.

Softball tourney scheduled

Michigan's sport fishermen and women will be getting a break June 7 and 8. They won't need a license to fish.

The Department of Natural Resources has designated June 7 and 8 as free fishing days, so residents and nonresidents alike will be able to fish without the licenses. However, DNR Director Gordon Guyer notes they must abide by the same fishing rules and regulations normally required of license holders.

"We hope that many individuals and families who might otherwise not have had the opportunity to fish will become involved in fishing these two days and ultimately support recreational fishing through their continued interest," Guyer said.

Nine states, including Michigan, have authorized free fishing days and six more states, including Ohio and Wisconsin, are expected to follow suit.

Fish without a license

For the ninth straight year, Times Chemical softball team is sponsoring an American Softball Association sanctioned men's softball tournament.

The event will be held on June 6-8 at Lucy Road Park in Howell and will include ASA umpires and rules. Fee per team is \$100 plus two ASA ap-

proved softballs. Trophies will be presented to first and second place teams and the tournament winner will play in the next event for free.

For more information, call organizer Harold McMacken at 517-546-7397.

RECREATION BRIEFS

GOLF TOURNEY: The third annual Schoolcraft College Foundation golf tournament is slated for June 2 at Meadowbrook Country Club. A \$125 contribution covers greens fee, golf cart, locker room, lunch, open bar, dinner trophies and door prizes. Call Schoolcraft 591-6400, ext. 218, for more information.

YMCA RUN: The Plymouth Community Family YMCA's seventh annual run is scheduled for Sunday, June 22, at 8 a.m. for the one mile and five kilometer, and 8:45 for the 10 K. For more information, call the YMCA at 453-2904.

CYCLE SAFETY PROGRAM: Schoolcraft College Community Services will host a three-part, three month Detroit Metro Region Motorcycle Safety Education Program.

Classes will meet on the campus at 18600 Haggerty Rd. on weekends, week nights and week days from May 27 through September 28. The 20 hour session is designed for the inexperienced biker of any age and is approved by the State of Michigan.

Schoolcraft is also hosting a two-part, two month ATV rider program. Call 591-6400 ext. 409 for details on both programs.

FALL SOCCER: The Northville Soccer Association will be accepting registrations for Fall 1986 soccer May 31 and June 7 at the Rec Center. All players must bring proof of age. The season will begin in September.

UMPIRES NEEDED: Umpires are needed for the Northville Junior Baseball program. Persons must be at least 15 years old and knowledgeable about baseball rules. Equipment is provided. Applicants should contact Willie Newman at 349-1374.

ROTARY RACE: The Northville Rotary Club's seventh annual "Discover Northville Run" will be held June 28. There will be a one-mile fun run for children beginning at 9 a.m., followed by 5 and 10 kilometer races, which get under way at 9:30 a.m.

All races begin and end at Northville Downs at the corner of Center and Seven Mile roads. Entry fee is \$8 in advance and \$10 the day of the race. Proceeds go to Northville community service projects backed by the Rotary Club.

For more information, call 478-7330 or write: Dick Milder, 20002 Farmington Rd., Livonia, MI 48152.

SOCCER SCHOOL: The Rec Center is sponsoring two soccer camp sessions at Lapham Field June 16-10 and August 4-8. Registration is two weeks before the start of each session. For more information call 349-0203.

FREE GOLF: Brooklane Golf Course in Northville on Six Mile Road is one of 20 courses in the Detroit area participating in Golf Card '86. With a donation of just \$20 to the American Lung Association, the Gold Card guarantees free play at the participating courses including Brooklane. For further information, call 961-1697.

Mustang softball team wraps up with 10-0 loss

Chris McGowan take the throw at the plate but too late to get the runner

Record/JERRY ZOLYNSKY

Maybe it was a blessing in disguise.

Maybe it robbed the team of a chance to end the season on a more positive note.

Whatever the reason, the wet weather last week canceled the final two regular season games for the Northville softballers. The end of the 1986 season then came quickly as powerful Brighton merced the Mustangs 10-0 in the second round of the pre-districts in Brighton May 23 to send the Mustangs home from the state tournament very early.

"All of the sudden we're done for the season," Coach Bob Gerlach said. "It seems only yesterday it was February, and we were indoors starting practice and getting ready for the season."

Looking back on the season, Brighton and mother nature may have performed a great service in ending the disappointing season so quickly. Northville won just three games all year long (out of 22 games) and had a 3-13 record against WLAA opponents. If it's any consolation, the Mustangs saved their best games for Western Division foes (3-6 record), and subsequently avoided a last

place finish. That lowly honor went to Farmington Harrison.

Brighton, led by Pam Stanley (daughter of former Detroit Tiger star Mickey Stanley), dominated Northville every way possible. The Mustangs managed just two hits and never had a runner reach second base.

"Brighton's whole team was amazing," Gerlach said. "They are very talented and their pitcher totally shut us down. They have a chance to go far in the tournament."

As luck would have it, Northville drew a bye in the first round and was scheduled to take on the Brighton-Adrian winner. With all the weather problems lately, that match-up was postponed three times until last Thursday. With the threat of flipping a coin to determine the winner, the two teams squeezed the game in amid the rains, and Brighton routinely dumped winless Adrian with the aid of the mercy rule.

"If they had flipped a coin and Adrian won, it would have been good news for us, but it would have been a great injustice to Brighton," Gerlach said. "Adrian hasn't won a game all year."

With senior Chris McGowan on the mound to start the game for Northville, Gerlach had decided to give up a lot behind the plate in an attempt to get a few batters out at the plate. All season long, McGowan has been a rock at catcher but also has the strongest arm of the very thin Mustang pitching staff.

"McGowan started out wild and walked four in the first," Gerlach explained. "Then she slowed down her speed and tried to get it over the plate and that's when Brighton really started to hit the ball."

With the help of all the walks, the Bulldogs scored four times in the first inning. Then two more came across in the second, three in the fourth and one in the fifth to provide the margin for a 10-0 mercy-rule win. As for the Mustang bats, the ball only left the infield once.

"We couldn't touch their pitcher," Gerlach admitted. "Julie Kaestner had one line-drive to the rightfielder, and she fired the ball to first and got her out."

"That's how (Brighton's) outfielders play — very aggressive. Once the game started, you could see who was the most talented team."

Norton happy with netters' season

Continued from 1

The top doubles team of Don Norton and Dave Kaminski also pulled a lot of scoring weight and ended with a 12-6 mark together.

"I pretty much knew, heading in, that through No. 1 doubles we had very good strength," Norton said.

Michellitch became the first Northville netter to qualify for the state

tournament in five years after finishing as the runner-up in regional play. He will take on Flint Carmen's Mark Rester in the second round (both received first round byes) this Friday (May 30) in Midland.

"It's Terry's first time at the states, but anybody who qualifies at No. 1 singles for the state finals has to be a fine tennis player — and Terry

is," Norton said. "He's our first state qualifier since Barry Ouellette five years ago."

Seven of the 10 players in the starting line-up are seniors and will be gone next season, but players like Mike Reitunga, Kaminiacki and sophomore Matt Oliver give Norton an optimistic outlook.
