New township hall forges ahead

\$15 million in bonds to be sold to cover expansion, renovation of government, public safety office

By Pauline Campos
STAFF WRITER

Creation of a new and expanded Northville Township municipal building cleared a big financial hurdle last week, when the township's board of trustees approved a resolution to secure funding by issuing \$15 million

in limited tax general obligation bonds.

The project calls for renovations and expansion of the existing township hall, which will then become dedicated to the operations of the police department, a new township hall, and a new headquarters for the fire department. Township administrators maintain that the current buildings no

longer meet the needs of the township staff and safety officials, whose departments have grown since the buildings were originally built in the late 1970's.

According to assistant township manager and finance director Thelma Kubitskey, the capitol improvement bonds will be used to finance the project and will be paid back

through the township's operating funds. Kubitskey explained that a new statute through the state of Michigan allows for municipalities to pass a yearly resolution and have a yearly qualifying statement reviewed by the state in order to issue or levy

Hagerty jumps into race for 11th U.S. seat

By Pauline Campos
STAFF WRITER

David Hagerty believes there are already enough politicians in Washington, D.C. That's why he's running for the congressional seat in the newly drawn 11th District, which includes both the city and township of Northville.

"You can send a politician or you can send someone who is grounded and understands how Washington, D.C. operates, knows and understands the auto industry, and knows and understands small business," said Hagerty.

David Hagerty

R-Canton. "The other two guys who are in this race right now are politicians. They've never even held down or addressed a real job." Hagerty was referring to fellow Republican, Thaddeus McCotter and Democratic candidate Kevin Kelly, both of whom he will be facing in the Aug. 6 primary. McCotter is presently serving as state Senator in the district representing Northville Township.

But Hagerty said he has held down a "real" job and feels that will be important to the voters. Prior to starting his career in material science, Hagerty began working with the Western Pacific Railroad where he replaced railroad ties between San Francisco and Salt Lake City.

Although this is the first elected office Hagerty is seeking, he is not without political experience. Hagerty, 44, was one of two presi-

dential appointees assigned by George Herbert Walker Bush to the Department of Energy to assist in the startup of the new Office of Nuclear Safety, which provided oversight of the United States Nuclear Weapons Complex.

Hagerty also feels that he is the only candidate with a detailed understanding of the automotive industry. Since 1992 Hagerty said he has worked to improve worker safety at all levels including emergency preparedness, emergency response, and business resumption. "And I feel it is important for people to send someone to Washington who knows and understands the risks that we are under. The war on terror is not going to go away anytime soon. We need someone who can be proactive in looking out for Michigan and bring back the appropriate funding."

When it comes to the current issues facing the voters, Hagerty said that he:

• Does not believe that there should be a clear definition or time table set for the completion of actions in Afghanistan. "This is a new kind of war. The actions that have to be taken have to be meticulous, thorough and complete," he said.

Pennies add up for elementary students

By Pauline Campos
STAFF WRITER

Change.

By saving it, students at Silver Springs Elementary were able to make a change in the lives of others.

The school recently raised approximately \$2,700, the highest amount in the state, to benefit the Leukemia and Lymphoma Society for a Pennies for Patients drive.

"I'm very proud that the students raised the most money in the state," said fourth grade teacher Aubree Pagel. "We had set our goal at less than half of the amount that we eventually raised."

A service project is chosen by the student council each year, but this was the first for this specific organization, said Pagel, who is a co-advisor to the group.

"This is the one we chose because it was helping kids with cancer," she said.

The student council held leader-

Redford man faces charges for leaving scene of accident

By Pauline Campos
STAFF WRITER

A Redford man was arraigned on felony charges at 6th Circuit Court in Pontiac May 28 for having left the scene of an injury accident at Eight Mile and Novi Road on May 7.

Kurt William Roskelly, 45, who had previously waived his right to a preliminary examination on May 20 at 35th District Court, was arraigned on a four count warrant authorized by the Oakland County prosecutor. The charges include a first count of third offense drunk driving, a second and third count of failure to stop at the scene of a personal injury accident and a fourth count of driving on a suspended license.

Officers were dispatched to the scene of the first serious accident on Eight Mile and Novi Street at approximately 8:30 p.m. on May 7. Upon arrival at the scene, officers observed a white Chrysler Cirrus with extensive rear end damage in the intersection of Eight Mile and

"...then you compound the problem with the other three counts, which means the penalty could be much stricter."

Det. Sgt. Dave Fendeleit
Northville city police

Novi Street.

Officers spoke with a witness who stated that he had been almost been hit by a black Ford pickup at the intersection of Eight Mile and Center. The witness followed the truck, stating that it reached speeds of 50 to 60 mph before it hit its brakes, "slamming" into the rear of the white Chrysler Cirrus. The witness stated that the truck then

Police Reports

City Police Briefs:

SUSPENDED LICENSE AND DANGEROUS WEAPON: A 48-year-old Northville business owner was arrested on May 24 for driving on a suspended license and a weapons violation. The business owner, who said that he has both a Novl and a New York address for his businesses, was pulled over on Seven Mile road after officers recognized his New York license plate from a previous overnight parking ticket. The driver was confirmed as having a suspended license and was questioned, though he denied any knowledge of the New York suspension of his license.

Officers asked the driver to exit the vehicle and conducted a search of his truck. A loaded pellet gun, a knife with a fixed seven-inch blade, and a loaded flare gun were discovered in the cab of the 2000 Ford F-150. The driver was placed under arrest

and his truck impounded. He was later released on \$600 bond and is scheduled to appear in 35th District Court on June 19.

UNDERAGE CONSUMPTION: A 20-year-old Garden City resident was arrested on May 24 at approximately 2:30 a.m. after officers observed a red Pontiac Firebird fishtail while turning from westbound Eight Mile onto Northbound Center Street with squealing tires.

Officers stopped the vehicle and approached the driver who appeared to be glassy-eyed and confused. According to police records, the passenger in the vehicle, a 20-year-old Redford Township resident, could barely be understood when he spoke. Upon being questioned as to whether he had been drinking, the driver stated that he had not although officers could detect a small odor of intoxicants on his breath.

The driver performed field sobriety tests and was read his PBT rights before officers obtained a reading of 0.047 percent. He was arrested for unlawful blood alcohol level. The passenger of the vehicle also performed field sobriety tests and read his PBT rights before officers obtained a reading of 0.20 percent blood alcohol level. He was arrested for underage consumption. Both the driver and the passenger are scheduled to appear in 35th District Court on June 5 and June 19, respectively.

UBAL: Officers arrested a 35-year-old South Lyon resident on May 26 at approximately 1:30 a.m. after officers observed a 2000 Ford Explorer traveling at 58 mph southbound on Eight Mile above the posted speed of 40 mph. The vehicle was stopped on Carpenter Street, just north of Eight Mile Road. When officers asked the driver if he knew why

he had been stopped, he replied that maybe he had been "speeding a little bit." The driver stated that he had been on his way from his brother's house in Farmington Hills to his South Lyon home after playing video games all night.

While he spoke, officers observed his speech to be slurred and detected an odor of intoxicants coming from the interior of the vehicle. Upon being questioned, the driver stated that he had consumed two 12-ounce beers that night, with the last one being about 30-minutes prior to being pulled over.

The driver was asked to and performed field sobriety tests before being read his PBT rights. Officers obtained a reading of 0.124 percent blood alcohol level and was placed under arrest.

He was released on \$500 cash bond to his father and is scheduled to appear in 35th District Court on June 12.

ATHLETIC PHYSICALS

The Northville High School Athletic Department will be offering sports physicals for the 2002-2003 school year. They will be held on June 6, 2002 in the high school gymnasium. Girls' physicals will begin at 3:30 p.m. and the boys' physicals will begin immediately following at approximately 5 p.m.

The cost of the physical will be \$15 per student. Checks are accepted and should be payable to

Northville High School.

Forms are available at school or at the site and must be signed by a parent or guardian.

MORaine FUN FAIR

The Fun Fair is scheduled for May 31 from 5:30 p.m. until 8 p.m. at Moraine Elementary.

Along with the Fun Fair, there will be a silent auction and a raffle. All of the moneys raised from the auction will be donated to the Moraine PTA for the purchase of

playground equipment.

Robin Ginnard will be chairing the event along with Fun Fair co-chairs Elizabeth Diminick and Celeste LeFort. They can be reached at (248) 347-1533 or (248) 374-0455.

CUSACK PRESENTS AT OLV

Tim Cusack will be presenting two assemblies of his show, "Talking Inside Out" to the students of Our Lady of Victory School on Thursday, May 30,

2002. Cusack's interactive performances are delivered with humor and heartfelt stories that drive home themes of character building and learning to respect yourself and others. The 1:15 p.m. assembly is for kindergarten through fourth grade students and the 2:15 p.m. assembly is for fifth through eighth grade students. This program is funded in part by Michigan Council for Arts and Cultural Affairs and Michigan Humanities Council.

Rotary seeking families to host exchange pupils

By Jennifer Norris
STAFF WRITER

Wanted: Host families.
The Rotary Youth Exchange Program is looking for three host families to provide accommodations for a foreign exchange student who will be attending Northville High School this fall.

According to Joanne Inglis, youth exchange coordinator, Ilkka Marja-aho, a 17-year-old boy from Turku, Finland will be arriving in Michigan in late August and is in need of a few warm hearts to share their home.

"We look for families to host for three to four months," said Inglis.

She also said that both the volunteer host family and the student share in the benefits of living and interacting together.

"It gives the family as well as the student an opportunity to learn about other people," said Inglis. "The best way to have world peace is through understanding other people's cultures."

Inglis said families wishing to host an exchange student must live within the Northville Public Schools district. In addition, she said the student would need to have their own bedroom.

Inglis said volunteering to host a student is not a costly endeavor.

"The student provides his own spending money," said Inglis. "The family also gets a monthly stipend from the Northville Rotary Club."

In addition, she said families are asked to provide the student with a nurturing family environment.

"We ask the family to provide food and love and to treat the student the same way they treat their own children, so the student is like a member of the family," said Inglis.

She also said different types of families can provide ideal accommodations for Marja-aho, including elderly couples, married couples with young children, or families with high school age children.

Inglis said the family will also have a counselor through the Rotary Club to help with any concerns.

For more information on volunteering to become a host family, contact Joanne Inglis at (248) 349-8030 or (734) 462-6422.

Jennifer Norris is a staff writer for the Northville Record. She can be reached at (248) 349-1700 ext. 107 or by e-mail at jnnorris@ht.homecom.net.

Meads fares well at Science Olympiad

By Jennifer Norris
STAFF WRITER

After competing at the state finals, students on the Science Olympiad team at Meads Mill Middle School have plenty to smile about.

According to eighth grade science teacher and coach Todd Gudith, the team competed at the state finals at Michigan State University against 48 other middle schools throughout Michigan.

At the state competition, he said, Meads Mill was the only middle school in Northville to bring home medals. Gudith said medals were awarded to students who finished in the top six positions in each of the 26 events.

Overall, Meads Mill placed 32nd and had the best showing among the competing Northville schools, Gudith said.

Prior to contending in the state finals, Meads Mill qualified for the competition by finishing in third place at the regional competition.

Gudith said other Northville

"They were really pleased to do as well as they did. They really showed just how much they really do know."

James Chabot
Meads Mill math teacher

schools that qualified for the state level competition included Hillside Middle School, who placed second at the regional level; Our Lady of Victory, who ranked fourth regionally and Northville High School who earned a first place rank at the regional competition in the high school division.

"This is seventh or eighth year that Meads Mill has qualified to make it to the state finals," said Gudith. "We had to do well at the regionals just to qualify for the state finals competition. Northville took three of the four top places in the Wayne County

regional competition."

He said this year has yielded excellent results for Meads Mill students.

According to Gudith, eighth grade students Kai Brodersen and Steven Rieffler were awarded second place in the "Whether or Not" category and the two boys earned fifth place in the "Wright Stuff" competition.

Eighth grade students Marie Greenman and Surya Sabhapathy received sixth place in the "Metric Estimation" competition. Seventh grade students Elliot Huang and Ryan Peterson were awarded sixth place in the "Water Quality" category.

Gudith, along with James Chabot, an eighth grade math teacher at Meads Mill, acted as coaches for the team.

"The kids were really surprised," said Gudith, recalling the student's reactions to the announcement naming the winners. "They were really pleased to do as well as they did. They really showed just how much they really do know."

The Science Olympiad team, he said, has 15 members and six were able to score medals in the areas they worked in.

"Northville did great overall," said Gudith. "We had Hillside qualify for the state finals as well as Our Lady of Victory and the high school qualified in the high school division. I think it says a lot for the kids in this district and this city."

Northville Briefs

NORTHVILLE CITY BRIEFS:

SCULPTURE DEDICATION: A brand new sculpture will be dedicated at the city's bandshell at 7:30 p.m. on Friday. The piece, entitled "Treble Clef," by Missouri Artist Charles Strain, stands about six feet tall and is a semi-abstract representation of musical notations. Strain's sculpture was selected from entries submitted to an open competition sponsored by the Northville Arts Commission and purchased with community support and public donations. It is intended to be the first installment in the Northville Public Sculpture Program.

"We are very excited," said Arts Commission Chair Ken Naigus. "This has been in the works for many years and a number of ded-

icated volunteers have worked hard to pull this together."

Immediately after the dedication, the Northville High School jazz band will kick off the Friday Night Clock Concert Series. Admission to both events is free and open to the public.

JERSEYS FOR AFRICA:

Congregational members from the Oak Point Church mission group will once again be collecting used youth soccer jerseys for the orphans in Zambia. The group collected more than 250 jerseys during last year's event. Congregation members will be at the Northville Community Center on June 9 from 1 p.m. to 5 p.m. and on June 15 from 9 a.m. to noon in order to collect used soccer jerseys from the community.

The mission trip is scheduled for sometime in the end of June or beginning of July.

OLD TIMERS LUNCHEON: An "old timers" luncheon is being planned for June 4 between 11:30 and noon for what is being described as a "get together" at Genitti's Hole-In-The-Wall. The group of approximately 35 men, some in their 90's, has been meeting for the past few years to discuss their ties to old Northville. There is no formal agenda for the meeting but reservations are due by May 30 and the cost is \$12.50. For more information or to sign up for the luncheon, call (248) 349-1276 or (248) 349-1814.

BICYCLE SAFETY RODEO:

The Northville city and township police departments are sponsoring a bicycle safety rodeo in the township hall parking lot located at 41600 Six Mile Road between Haggerty and Northville Roads. The rodeo will be taking place on Saturday, June 1 from 11 a.m. to 3 p.m. Interested residents are asked to bring their children, helmets, and bicycles. Refreshments and prizes will be provided. Questions can be answered by calling 349-9400.

NORTHVILLE TOWNSHIP BRIEFS:

PROPOSED BECK ROAD CONSTRUCTION: Wayne County's department of public services, along with the town-

ships of Plymouth and Northville, will be hosting a public information meeting for the reconstruction and widening of Beck Road. Residents will be provided with information concerning the preliminary project schedule, an overview of the right-of-way acquisition process. Residents will also be able to offer input on the project and get answers to questions and concerns. The meeting is scheduled for June 5 at 6:30 p.m. at the Northville Township Civic Center, located at 41600 West Six Mile Road.

"Give me one good reason to contribute to the Red Cross."

Arrowhead Alpines
With Michigan's largest selection of....
Perennials, Woodland Wildflowers, Unusual Ferns, Rare Alpines, Dwarf Conifers, Unusual Shrubs
We have finally wrapped up the mail order shipping season and we are open for retail. Everything looks fantastic, of course the mildest winter in history did help a bit. As one of the largest rare plant growers in the country, we are confident you will find plenty of cool stuff that you have never seen and we understand the "I need one of each" addiction. We have grown so large that it's impossible to see everything in a single day. Indeed the diversity can be a bit overwhelming, study the catalog carefully or check out the website ArrowheadAlpines.com, perhaps bring a few reference books, and start your quest to find the plants you have previously only dreamed of growing. Over 100 varieties of Primula, 80 varieties of Hosta, 24 varieties of Tricyrtis, 16 varieties of Trillium, 60 varieties of hardy ferns, Lady's Slippers, Gladiolus, Hardy Cyclamen, Daphne, Anemone, Hebe, and of course the largest collection of rock plants and incredible alpines (our Saurau listing is legendary), not to mention hundreds of varieties of rare flowering shrubs and dwarf conifers, and the most diverse selection of hardy vines in the United States, plus a huge selection of perennials. We grow around 10,000 different species and cultivars including many things that can be found nowhere else.
Open Wednesday through Sunday from 11:00 AM to 7:00 PM closed Monday and Tuesday
Take I-96 to the Fairview exit, go south 100 feet to Van Buren Rd., turn west on Van Buren and go 1 mile to Gregory Rd. Turn left (south) on Gregory and travel 1.75 miles to 1310 (Long Driveway)
Bob & Brigitta Schwartz
1310 N. Gregory Rd.
Fairview, MI 48836
Phone 517-223-3581 Fax 517-223-8750
Come out and see for yourself why we are rapidly becoming a Mecca (actually it's much safer to visit Arrowhead) for plant lovers - the well traveled Denver Botanic Garden Curator Panayiotis Kaladakis called Arrowhead Alpines the finest rare plant nursery in the world - high praise indeed from one of the world's greatest plantmen.

Audit: township in good \$hape

By Pauline Campos
STAFF WRITER

Despite the unavoidable impact of the slowdown in the state's economy, Northville Township was commended at the completion of the 2001 year-end audit recently completed by Plante & Moran, LLP.

The audit revealed that the township's current financial situation will allow the increasing service demands faced by the growing township community as well as for capital expansion plans. But the slowdown in the economy has already impacted the township's general fund, as it has many other municipalities. According to township finance director Thelma Kubitskey, the impact has not been negative.

"Once sales tax revenue slows down, state shared revenue goes down," explained Kubitskey. "And the state Appropriations Committee could, has, and will cut

MODEL FOR THE FUTURE?

The cost of balancing the budget may be increasing for the township due to a new financial reporting model required by the Governmental Association of Accounting Standard Boards. According to assistant township manager and finance director Thelma Kubitskey, the new reporting model, which must eventually be implemented by every municipality, must be implemented by the township by 2003.

Kubitskey and township staff have met with Plante & Moran, LLP, the company that will be assisting the township during the transition, to discuss issues and training received in order to properly implement the new reporting model.

"In the initial onset of this new law we will probably have some higher fees in auditing and staffing to get us where we need to be but after that it will drop off," she said. "The auditors just want to board to understand this so that when we see an increase we will know why."

the state shared revenue on top of that in order to balance the state's budget. That's the double roll effect."

"The township always looks at the state shared revenue in forecasting their budget," Kubitskey continued. "The revenue is something that the township receives

but there can always be a change in it. We cannot rely on the number."

With state shared revenue accounting for 45 percent of the township's total general fund and that revenue having been cut not once — but twice — the effect would be negative if not for the fact

that the community is growing. Total monies available for distribution by the state for revenue sharing has decreased by 2 percent since last fiscal year. As stated in the financial report prepared by Plante & Moran, LLP, with only \$266,000 of "redistribution monies" available, the state is projecting that the overall 2 percent decrease in revenue sharing payments could be "significantly higher" for slower growing communities.

"Fortunately for us, we are a growing community and the cuts in revenue have not affected us," said Kubitskey. "I'm not saying that the cuts aren't bad, but we are taking a proactive stance to protect us from having it affect us negatively."

Pauline Campos is a staff writer for the Northville Record. She can be reached at (248) 349-1700, ext. 109, or at pcampos@ht.homecomm.net.

Kubitskey earns finance notoriety

By Pauline Campos
STAFF WRITER

Assistant township manager and finance director Thelma Kubitskey will soon be able to add to her title. Kubitskey recently graduated from a three-year program with the Michigan branch of the Municipal Treasurers Association of the U.S. and Canada in order to become certified. Upon approval of her application form, Kubitskey will be able to add Certified Municipal Finance Administrator, or CMSA, to her business cards.

"It was an extensive program. Even though I have been in the municipal business for 24 years I felt that I learned something," said Kubitskey, adding that she has since been asked to sit on the education committee of the Michigan branch of the association. "It was very good way to network and I appreciate the people I met and the things that I

learned."

The program, which was held for one week each year, consisted of more than 100 hours of instruction in the duties and responsibilities of a municipal treasurer. Kubitskey feels that she has been able to bring back some of what she learned to the township and said that she was able to use the different training she received to train or help educate some of the township staff.

"We have a strong philosophy of leadership in this organization that entails both technical competence and strong interpersonal relations," said township manager Chip Snider. "I view this recent certification as a strong enhancement to [Kubitskey's] technical background."

Pauline Campos is a staff writer for the Northville Record. She can be reached at (248) 349-1700, ext. 109, or at pcampos@ht.homecomm.net.

City investigates hit-and-run accident

Continued from 1

fled northbound on Novi Street at a high speed.

Officers then spoke with the driver of the vehicle that had been struck. She stated that she had been in the center lane waiting to turn left onto northbound Novi Road when her vehicle was struck from behind by the Ford pick-up before it fled the scene. Victims were treated and released.

A third vehicle, which had also been waiting to make a left turn onto northbound Novi Road, was struck from behind by the white

Cirrus. The driver followed the pick-up after it fled the scene and observed a second accident when the Ford truck lost control on Reed Street. The truck had ended up on the front lawn of a home resting against a tree.

Unhurt, Roskelly handed police officers his Michigan identification card before responding to police questions. As stated in the police report, due to his "slow and deliberate speech" and blood-shot eyes, officers asked Roskelly if he had been drinking. He responded that he had consumed a fifth of vodka and also replied that he did indeed have a

drinking problem.

Roskelly stated that the accidents had been caused because he had been intoxicated and lost control of his vehicle. He was read his PBT rights after performing the field sobriety tests. Officers obtained a reading of .324 percent blood alcohol level. He was placed under arrest and was issued a paper license plate for his vehicle.

According to Northville Detective Sergeant David Fendelet, Roskelly could face serious penalties if convicted. Fendelet explained that Roskelly may be facing a \$500 to \$5,000

fine and either one to five years in prison or probation with 30 days to one year in jail with at least 48 hours served consecutively.

Sixty to 180 days of community service and any rehabilitative programs that may be deemed appropriate could also be included. Roskelly could also be made responsible for reimbursing the government for emergency response and expenses for prosecution and face a mandatory vehicle immobilization.

"That's just count one," Fendelet said. "But then you compound the problem with the

other three counts which means the penalty could be much stricter. We consider it a very serious crime and are going to push for the maximum penalty upon obtaining a conviction against [Roskelly] to match the severe circumstances that he created when he put the public in harm's way."

Arraignment information was not available at press time.

Want the truth about generic drugs?

Your doctor knows about the quality of generics.

Grand Value Pharmacy

Grand Value pharmacist Kevin White agrees, "Physicians and pharmacists work together as a team to help patients understand that generic drugs are the same as brand name drugs so they can make an informed choice about their health care."

**Ask your
local
pharmacist
about
generics.**

Rite Aid Pharmacy

Rite Aid pharmacist Sara Fakhoury agrees, "Doctors write hundreds of prescriptions every day and whenever I see an opportunity for generics, I call the physician and he agrees to change because he also knows that generic drugs are safe and effective."

According to the U.S. Food and Drug Administration's Center for Drug Evaluation and Research

In a letter sent to health practitioners by the U.S. Food and Drug Administration about the therapeutic equivalence of generic drugs they write, "For both brand-name and generic drugs, the FDA works with pharmaceutical companies to assure that all drugs marketed in the U.S. meet specifications for identity, strength, quality, purity and potency. In approving a generic drug product, the FDA requires many rigorous tests and procedures to assure that the generic drug is interchangeable with the brand-name drug under all approved indications and conditions of use. For these reasons, the FDA-approved product labeling does not recommend that any additional tests need to be performed by the health care provider when a switch occurs from a brand-name drug product to a generic equivalent drug product."

Township hall project moves on

Continued from 1

bonds as many times as deemed necessary without being taken to a vote of the people. Previously, a municipality intending to issue bonds was required to have the process approved every time by the Michigan Authority Boards for bonds.

"There are certain restrictions that we still have to follow through the state and federal governments," said Kubitsky, explaining that although the township will be paying the debt back through its operating funds, municipalities also have the option of using a dedicated millage, which is taken to a vote of the people.

"Either way we have to pay that debt back," she said, adding that the township plans to begin selling bonds in September or October.

But the public has 45 days to

"The board of trustees has shown the capitol improvement committee a tremendous amount of trust to develop this project."

Chip Snider
Northville Township manager

decide if the township should issue the debt at all.

"The 45-day referendum period is letting the public know the township's intentions, and if during that

period the residents conclude that the township should not issue the debt, the board would need to reconsider and possibly take a vote of the people," said Greg VanKirk, project manager at Plante & Moran CRESA, LLC.

As stated in the referendum, "the bonds will be issued, without submitting such a question to the vote of the electors," unless within that period a petition signed by no less than 10 percent of the registered voters is filed with the township clerk.

VanKirk explained that Plante & Moran provided the board with the building needs assessment, which included an understanding of the township's current and future space needs as well as a financial analysis of the project.

The township, said VanKirk, is in very sound fiscal shape.

"[Kubitsky] has had her arms around the financial foundation

around this plan and soundly believes that the township is in strong fiscal health and that we are capable of accomplishing our goal," said township manager Chip Snider. "The board of trustees has shown the capitol improvement committee a tremendous amount of trust to develop this project. However, we want the board to make the final decisions on the project that will represent the Northville community for the foreseeable future."

Snider said a recommendation for an architect should be made to the board of trustees in July, after which the boards will review different concept plans and approve a building design.

Pauline Campos is a staff writer for the Northville Record. She can be reached at (248) 349-1700, ext. 109, or at pcampos@ht.homecomm.net.

First United Methodist sponsors kids' bicycle rodeo

Continued from 2

bicycle to make sure they are in good running condition. Experts will also check children's helmets to ensure that they are worn correctly.

Larry Brandon, organizer of the event, said it's important that the helmets fit well.

"I've seen some kids put the helmet on the back of their heads,"

Brandon said and added that the front of their heads are exposed, where their brain is located. Therefore, kids can easily get closed head injuries if they fall.

Northville police will be on hand to show children how to make emergency calls with a 911 simulator. They will also fingerprint children.

Library Lines

LIBRARY HOURS

The Northville District Library is open Monday through Thursday from 10 a.m. to 9 p.m., Friday and Saturday from 10 a.m. to 5 p.m., and Sunday from 1 p.m. to 5 p.m. The library is located at 212 W. Cady St., near Northville City Hall, with parking off Cady St. For detailed information about programs or services, or to request or renew library materials, call (248) 349-3020.

SUMMER HOURS

June 2 will be the last Sunday that the library will be open, as it switches to summer hours through June, July, and August. The library will resume being open on Sundays from 1 p.m. to 5 p.m. after Labor Day.

READ AROUND THE WORLD SUMMER PROGRAM

Kids from preschool age through those entering 6th grade can book a trip for summer fun at the library. The Summer Reading Program runs for six weeks, from June 14 through July 31. Join us for awesome free activities, including storytimes, crafts, magicians, fantastic jugglers, puppeteers, musicians, and visits from live animals. Kids can also participate in an exciting Passport to Reading Game and enter each week for the prize drawings! Please register in person

starting June 14 and receive your Summer Reading Program activity guide.

BETWEEN THE LINES

The non-fiction work "Europa, Europa" by Shlomo Perel will be the topic of the next book discussion group on June 10 at 7 p.m. All are welcome to read and discuss this moving story of a young Jew separated from his family and trapped behind enemy lines, who poses as a Nazi to survive.

SUMMER DROP-IN STORYTIMES

For fun this summer, drop-in at the library for special storytime events, offered both during the day and in the evening. Best suited for children ages 3 and older, these sessions will be held on June 20 and July 11 a.m. and June 26 and July 24 at 7 p.m. Everyone is welcome and no registration is necessary. In the fall, the library resumes a full schedule of storytime sessions for different age groups.

LIBRARY BOARD MEETING

The next meeting of the Northville District library board of trustees will be June 27 at 7:30 p.m. The public is welcome to attend these monthly meetings, which are typically scheduled on the fourth Thursday of the month.

It's not a duck — it's an emu

Photo by JOHN HEIDER

Curious Silver Springs students get a close look at Emily the emu during last Friday's assembly on "Back to Bones". Mike Roberts of Science Discovery brought many animal and reptile examples of those with and without back bones.

NOTICE OF TEST OF ELECTRONIC TABULATING EQUIPMENT

An accuracy test of the electronic tabulating equipment to be used in examining and counting votes recorded on ballots and tabulating election results at the June 10, 2002 Regular Election in Novi Community School District, Oakland County, Michigan, will be conducted (pursuant to MCLA 68.798 and R168.778 of the Michigan Administrative Code), on Thursday, June 6, 2002 at 10:00 a.m. at the Educational Services Building located at 25345 Tait Road, Novi, Michigan. Published: 5-30-02 (5-30-02 NR, NN 1111050)

CITY OF NOVI NOTICE OF ADOPTION ORDINANCE NO. 02-119.10

NOTICE IS HEREBY GIVEN that the Novi City Council has adopted Ordinance No. 02-119.10 - An ordinance to amend the City of Novi Code of Ordinances to provide regulations for the purpose of achieving fertilizer application in the City in a manner that protects natural resources, including the application of fertilizer on areas of turf without using harmful quantities of certain elements, and the promotion of appropriate time and location for the application of fertilizer.

The provisions of the ordinance shall become effective fifteen (15) days after its adoption. The Ordinance was adopted by the City Council on Monday, May 20, 2002 and will be effective June 4, 2002. A complete copy of the Ordinance is available for public use and inspection at the office of the City Clerk, 45175 W. Ten Mile Road, during the hours of 8:00 a.m. and 5:00 p.m. prevailing local time. (5-30-02 NR/NN 1111291) MARYANNE CORNELIUS, CITY CLERK

CITY OF NOVI PUBLIC HEARING NOTICE

NOTICE IS HEREBY GIVEN that the Planning Commission for the City of Novi will hold a public hearing on Wednesday June 19, 2002 at 7:30 p.m. in the Novi Civic Center, 45175 W. Ten Mile Road, Novi, MI to consider ZONING ORDINANCE TEXT AMENDMENT 01-18.171:

AN ORDINANCE TO AMEND ORDINANCE NO. 97-18, AS AMENDED, THE CITY OF NOVI ZONING ORDINANCE, ARTICLE XXIV, "SCHEDULE OF REGULATIONS," SECTION 2406.6, "PD-2, PLANNED DEVELOPMENT OPTION," IN ORDER TO PROVIDE FOR MIXED-USE DEVELOPMENT SUBJECT TO CERTAIN CONDITIONS.

All interested persons are invited to attend. The proposed ordinance is available for review at the Planning Department. Verbal comments will be heard at the public hearing and any written comments must be received by the Planning Department, 45175 W. Ten Mile Road, Novi, MI 48375, until 5:00 p.m. on Wednesday, June 19, 2002. Published: May 30, 2002 (5-30-02 NR, NN 1111749) NOVI PLANNING COMMISSION LODIA RICHARDS, SECRETARY

CITY OF NOVI NOTICE OF ADOPTION ORDINANCE NO. 168

NOTICE IS HEREBY GIVEN that the Novi City Council has adopted Ordinance No. 168 - An ordinance to prevent water quality degradation, flooding, and drainage problems resulting from storm water runoff; reduce soil erosion during and after site development; identify requirements for storm water management; provide for long-term maintenance of storm water systems; identify requirements and prohibitions relative to discharge to and use of storm water systems; and to protect the health, safety and general welfare of the City of Novi residents. The provisions of the ordinance shall become effective fifteen (15) days after its adoption. The Ordinance was adopted by the City Council on Monday, May 20, 2002 and will be effective June 4, 2002. A complete copy of the Ordinance is available for public use and inspection at the office of the City Clerk, 45175 W. Ten Mile Road, during the hours of 8:00 a.m. and 5:00 p.m. prevailing local time. (5-30-02 NR/NN 1111292) MARYANNE CORNELIUS, CITY CLERK

REQUEST FOR PROPOSALS CITY OF NOVI

COMMUNITY DEVELOPMENT BLOCK GRANT Minor Home Repair

The City of Novi is seeking bid proposals from qualified service providers to manage and administer a Community Development Block Grant (CDBG) Minor Home Repair Program for the program year July 1, 2002 - June 30, 2003. The program will provide minor home repairs to qualified low- and moderate-income residents of the City of Novi.

Bid proposals must include a detailed outline on how the program will be managed and administered.

The project will be funded with Community Development Block Grant (CDBG) funds and the administrator must be familiar with, and comply with, all applicable CDBG requirements. When awarded, the term length of the contract will be one (1) year.

Sealed bids will be received until 3:00 P.M., prevailing Eastern time, Friday, June 28, 2002 at which time proposals will be opened and read. Bids shall be addressed as follows:

CITY OF NOVI
CAROL J. KALINOVIK, PURCHASING DIRECTOR
45175 W. Ten Mile Road
Novi, MI 48375

All bids must be signed by a legally authorized agent of the bidding firm. Envelopes must be plainly marked, "CDBG MINOR HOME REPAIR". The City of Novi reserves the right to accept any or all alternative proposals and award the contract to other than the lowest bidder, to waive any irregularities or informalities or both; to reject any or all proposals; and in general to make the award of the contract in any manner deemed by the City of Novi, in its sole discretion, to be in the best interest of the City of Novi. Notice Dated: May 30, 2002 (5-30-02 NR, NN 1111448) CAROL J. KALINOVIK, PURCHASING DIRECTOR

Michigan Retirees Stake Their Claim in Oakland County!

Erickson's New Community Breaks Ground Amidst Much Fanfare

NOVI, MICHIGAN — More than 400 people attended the official Groundbreaking Ceremony for Fox Run Village, Erickson Retirement Communities' new, 100-acre community being developed in Oakland County.

On hand to celebrate the special occasion were the future residents of Fox Run Village who wisely joined the risk-free Priority List to secure their spot to move to this popular new community.

They received warm congratulations from such dignitaries as Novi City Manager Rick Helwig and John Erickson, CEO and Chairman of Erickson Retirement Communities. In addressing the crowd, Mr. Erickson restated his company's mission to "provide the highest quality retirement to the greatest number of people and to make this wonderful lifestyle affordable."

Guests gathered round as ceremonial shovels pierced the

ground for a special tree planting on the future site of Fox Run Village. They were treated to a sumptuous buffet luncheon and musical entertainment.

Also participating in the day's festivities was Meadowbrook Elementary's 5th grade class, who sang a short medley to commemorate the Groundbreaking.

Active lifestyle year-round

Opening in the summer of 2003, Fox Run Village will offer an active, independent lifestyle with on-site health care, and the estate saving 100% Refundable Entrance Deposit* pioneered by Erickson.

The campus-style community will feature maintenance-free apartments and all of the buildings on campus will be connected to one another by plush-carpeted, climate-controlled walkways.

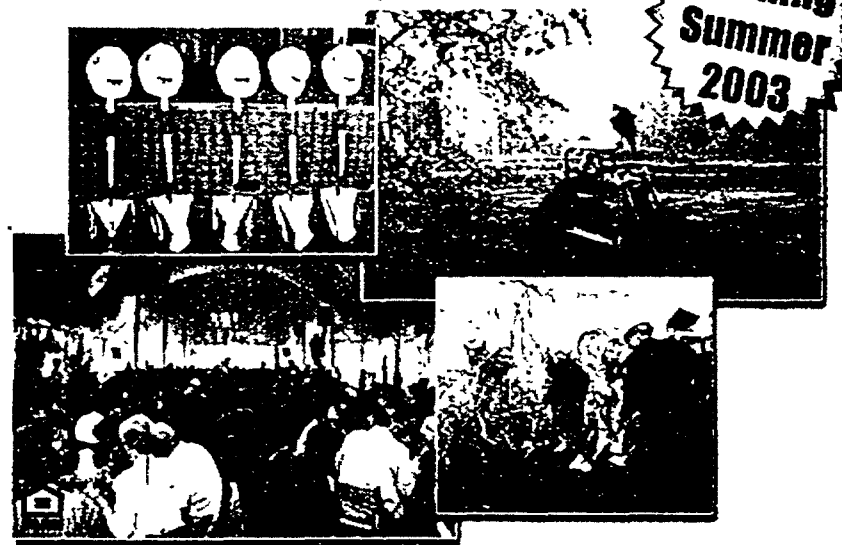

The Ascot Clubhouse will include the Aquatics Center

with all-season pool and whirlpool spa, Fitness Complex, formal and casual dining, plus conveniences like shopping, banking, and a physician-staffed Medical Center.

Built on experience

For the past 20 years, Erickson Retirement Communities has been building and managing campus-style communities in 6 states including Michigan, where retirees have made Henry Ford Village in Dearborn the most popular retirement community in the state. More than 8,600 residents live in an Erickson community.

"This is a historic day for retirees in Michigan," says Carolyn Ives, Fox Run Village retirement counselor. "Fox Run Village has everything they're looking for — a worry-free retirement, superior amenities and services for an active, healthy lifestyle, and the kind of affordable investment that

The official Groundbreaking Ceremony for Fox Run Village welcomed Erickson's newest community with fine food and festivities!

protects their hard-earned nest egg."

While the first residence building, Meadowbrook Square, is nearly sold out due to the overwhelming response, Carolyn urges people to call the Welcome Center to find out how they too can secure their place in line to move to this remarkable community.

Call the Fox Run Village Welcome Center today for your

free Retirement Information Kit.

Engagements

Vannier-Iseler

James and Prudy Vannier of Northville announce the engagement of their son, Ryan Glenn Vannier to Amy Marie Iseler of Redmond, Wash.

The groom-elect is a 1992 graduate of Northville High School and a 1998 graduate of Western Michigan University. He is employed at Amec Earth & Environmental. The bride-elect is the daughter of Lawrence and Maryann Iseler of Port Hope. She is a 1994 graduate of Port Hope High School and a 1998 graduate of WMU. She is employed as a probation officer in Seattle Municipal Court.

A June 8 wedding is planned.

Woodrich-Counts

Katherine Woodrich of Northville and Christopher Counts of Livonia announce their engagement.

The bride-elect is the daughter of John and Barbara Woodrich of Northville. She is a 1994 graduate of Northville High School and a 2002 graduate of DePaul University.

The groom-elect is the son of Jeff and Catherine Counts of Livonia. He is a 1995 graduate of Central Michigan University and is employed by Chicago Drywall and Acoustical.

An Aug. 17 wedding is planned.

and take their photograph for safety precautions.

Larry Brandon, organizer for the event, said he hopes many children and their parents will come to the rodeo.

"Everyone is invited," Brandon said. "We will have drawings of small prizes like Beanie Babies."

He will also give away lunch boxes, helmets and other small prizes.

However, one lucky rider will win a new bike at the event, which is being donated by Brandon.

"There's a slew of prizes and at the end all of the names will be put back for the drawing of the grand prize," Brandon said.

It's been his mission, along with State Farm, to teach bike safety to area children. Although it's the second time he has sponsored the event in Northville, he has been sponsoring the event in Walled Lake for years.

"What got my attention was when I was 11 or 12 and my best friend was hit by a car while he was on a bike," Brandon said. "We try to teach safety for kids because we want them to grow up and become adults."

Rev. Jennifer Bixby, associate pastor of First United Methodist Church, said she is pleased to be hosting the event in the church's parking lot.

Hagerty latest GOP candidate to jump into Congressional race

Continued from 1

• Believes it has become "too easy" for individuals to file for bankruptcy. "We have to go back and revisit that because we have been a bit lax," he said.

• Would like to see a "phased-in" approach to privatizing Social Security in order to maintain its

solvency, but believes it needs to be done cautiously over a five to 10-year period with 10 percent of the money exposed to the market. "My experience in Washington in the past has taught me that anything that has been developed overnight never stays," he said. "Once we get a system in place we can take it on up but we never

should expose 100 percent risk of those funds."

• Would "absolutely" support federal assistance for a mass transit system in the metro Detroit area. "The system that works in the heavier metropolitan type environment has been clearly demonstrated in Washington," he said. Hagerty said he believes it to be

one of the most effective means of mass transportation in the nation.

• Is "right down the middle" when it comes to pro-conservation or pro-exploration in regards to the current energy crisis the nation is facing. "My past history at the Department of Energy has made me keenly aware of what the demands of the United States are,"

he said. "However, I'm also very concerned about the environment and what the demands of our energy usage places on our environment. It's a terrible balancing act that we have to maintain."

Hagerty, a single father of three, is owner and founder of Globaltec Industries, Inc., a management consulting company specializing in

emergency and crisis management.

The state's primary will be held on Aug. 6 with the general election scheduled for Nov. 5.

Pauline Campos is a staff writer for the Northville Record. She can be reached at (248) 349-1700, ext. 109, or at pcampos@ht.homecomm.net.

CHAIRMAN OF THE BOARD

Our fundamental purposes are to enhance the lives of our readers, nurture the home towns we serve and contribute to the business success of our customers.

It's time for township to have a useful home

What do the Capitol Building and Northville Township Civic Center have in common? Not much — except that they're both venues in which the business of the people is attended to.

In the case of the Capitol, the building itself is a monument to government.

In the case of the Civic Center, the building is a vestige of an era when Six Mile was strewn with farms instead of homes.

Much has changed in Northville Township since the Civic Center was constructed in the mid-1970s. Back then, the community's population was a fraction of what it is today, and the building serviced the needs of the tiny western Wayne County township fairly effectively.

But now the time has come when the Civic Center is at critical mass. A developing community whose growth has skyrocketed during the last 10 years, Northville Township is due to get a government headquarters that functions, both for the sake of township employees and the community at large.

Cities surrounding the township — Livonia, Novi, Northville and Plymouth — have all made relatively

recent renovations or expansions to their respective government offices. Schools in those same towns have also expanded, as have the retail commercial and residential offerings.

Thankfully, Northville Township will soon be joining the fraternity of municipalities with civic centers reflective of a growing population and activity level. The township's board of trustees authorized the sale of some \$15 million in bonds to help renovate and expand the Civic Center. Design and architectural renderings are slated to be mulled over in the coming months.

"The board of trustees has shown the capitol improvement committee a tremendous amount of trust to develop this project," said Northville Township manager Chip Snider. "However, we want the board to make the final decisions on the project that will represent the Northville community for the foreseeable future."

Northville Township certainly doesn't need granite pillars supporting classic Greek architecture, but it does need room for filing cabinets and computers to hold site plans and tax receipts.

Northville Township certainly doesn't need granite pillars supporting classic Greek architecture, but it does need room for filing cabinets and computers to hold site plans and tax receipts.

LETTERS

Civic Concern thanks postal carrier food drive

The Northville Civic Concern Committee would like to thank the postal carriers, especially Betty Karsten, for the time and energy devoted to organizing and collecting food for the Food Drive on May 11. Because of their dedication to this project, we now will be able to supply food to the area needy for several more months.

The Food Drive was a success because of the efforts of the entire community. Thank you to everyone who volunteered to spend the entire day collecting and sorting food with us. We appreciate your thoughtfulness and generosity. Thank you to Northville Rotary for their continued support and their donation of identity tags for our volunteers. Finally, thank you to those donors who supplied food and support: Genetti's Restaurant, Good Time Party Store and Hiller's Market. Without community support, we would not be able to do what we do in providing a support system for those with needs in our community.

Marlene Kunz
Northville Civic Concern Committee

Northville Heart N' Sole race had much help

On May 18, the community of Northville showed the world how big their hearts were at the Northville High School Rotary Interact Club's Third Annual Heart 'n' Sole Race. Many runners, walkers, and volunteers made it possible to change a child's life every step of the way. All the proceeds from the race will be used to sponsor needy children through the nonprofit organization Children International.

I would like to thank our generous business sponsors for donating prizes and

making contributions to the race. A big thank you to our "Heart of Gold" businesses including the law offices of Jerome & Austin, Scott Seslar C.P.A., P.C., Sizzling Sticks Cafe, Vine2Wine Custom Winery, Edward Jones (David J. Boyd), Keller Williams Realty, Dr. Ken Stopa, Henrickson Insurance Agency, and Scott Lowery, C.P.A.

Thank you to our "Heart of Silver" businesses including StateFab, Santino's Place for Pasta, Chirri Builders, Trader Tom's Tobacco Shop, Pamplemousse, Goldsmith Galleries, Bonfire Bistro & Brewery, Helen's Uptown Cafe, Utopia Salon & Spa, Northville Stitching Post, One World Market, Local Color Brewing Co., ES Technical Services, L.L.C., Running Fit, Copyboy Printers, RE/MAX 100 (Bob Allwine), Mel Newdigger, Inc., Alan Somershoe, Dr. Louis Reibling, James Gallogly, Lori Ward, and [Northville public schools superintendent] Leonard Rezmierski. Thanks to Contemporary Awards for the event medals and Diamond Jim Brady's Bistro for the delicious refreshments. Thank you to our "Heart of Bronze" businesses including Rocky's of Northville, Poole's Tavern, Justin York Salon, Rebecca's on Center, Northville Candle & Gifts, Sparr's of Northville, Inc., Grady's American Grill, New Wing Hing Chinese Restaurant, Olive Garden, Baby Baby, Town & Country Cyclery, Inc., Traditions Ltd., Border Cantina, DragonTown, City of Northville, New Peking Chinese Restaurant, Novi Bowl & Recreation, Jim Petres, Allen Terrace, and Northville Parks & Recreation. Also, thank you to the Northville Record for publicizing the race.

Thanks to the Northville Fire Department's bicycle unit for leading the runners along the 5K course, and thank you to the Northville Police Department for directing traffic.

Thank you Mr. Watson and Mr. & Mrs. Tao for your help. An enormous thank you goes to Mr. Gabrys, Mrs. Whicello, Mr. & Mrs. Foley, and my parents for volunteering at all of the past three races. Your support throughout the years has meant a great deal to me. A gigantic thanks to Christy Tao for helping me organize all three races. You truly have the biggest

heart of gold! And special thanks to Megan Foley, Rachel Marcus, Krista Olson, Erin Kelley, Stefanie Russell, Jenna Slack, Jenny Maile, Amy Rauner, members of the Rotary Interact Club and all the other volunteers for their outstanding help. Finally, I would like to thank everyone who pledged and all participants for making this event such a huge success. We have come a long way since the first race, and we've shared many unforgettable moments. Good luck to the new race director, Jenny Maile. I know you will do an amazing job next year. My most sincere thank you goes to each and every one of you for having "heart and soul" and for giving hope to children all over the world. In their eyes, all of you are heroes. Hope to see you next year.

Audrie Lin
Race Director

Northville High School Rotary Interact Club

Girl Scouts need a refresher on U.S. flag

Thank you sponsors and participants of the Memorial Day parade. It was as great as the day it was held on. But I saw two separate incidences of little Girl Scouts dragging the small flags they were carrying on the ground.

Parents and troop leaders, it is without question your responsibility to teach children respect for the flag and minimal flag etiquette before you hand them one to carry in a parade. And, kids being kids, you are responsible for making sure they continue to carry the flag in a proper manner throughout the parade. The veterans were there to honor, themembers of armed forces fighting at this very minute to protect that flag, and all citizens of this country expect and deserve nothing less.

I am looking forward to a great, and more respectful, Fourth of July parade.

Memorial Day, reunions, etc.

More random thoughts and observations on life...

I had the chance to attend the Northville Memorial Day parade last Monday. As always, it's quite a moving ceremony. If no one else said it, let me say it now: Northville's veterans, police officers and firefighters put in on the line every day. Many already have — and many have paid the ultimate price. Thank you, from the bottom of my heart.

Chris C. Davis

The interns have arrived! The first of three student interns have started their short-term professional relationships with me here at the Record. Linda Skalski is her name. She's between her freshman and sophomore years at the University of Notre Dame. She's capable, friendly and outgoing. Say hello to her if you see her in the community over the next few weeks.

Just a little heads-up for readers: I will be out of the office for a week in late June. I'll be chaperoning a group of students from my church for a mission trip in Mexico. It'll be the first time since I got married that I'll be away from the office for such an extended period of time. I'm only mentioning this in case you're hoping for an immediate return phone call or e-mail. I won't be able to get back with

you lickety-split, but I will be in touch as soon as I can.

Speaking of e-mail, if you're planning on sending me some information or a letter (which I welcome wholeheartedly, by the way), please don't send your stuff as an attachment. In case you didn't know, the Record — like most other newspapers of the world — run on a Macintosh platform, and the conversions between PC-generated documents and Macintosh sometimes gets screwy. You can save me and yourself a lot of hassle by just sending what you want as body copy of a standard e-mail message.

I had the pleasure of spending an entire day last week with Northville resident and gubernatorial candidate Jennifer Granholm. Together with photographer John Heider, I had the chance to get up close and personal to the woman from our community who's shooting for the highest office in the state. Look for the story and the accompanying photos next week.

I got to thinking about what Northville Township may do the next time a developer with plans for a large-scale entertainment facility comes a-calling (that is, if a developer does). All I know is that on the immediate periphery of the township. There's a 20-screen theatre, a Bahamian-style restaurant / bar and a giant golf complex and conference center. That's a lot of local business revenue the township isn't getting. Here's the \$64,000 question: Is this the revenue the township wants?

I had to RSVP "no-thanks" to my 10-year high school reunion. Other obligations are going to keep me from tagging up with other members of the Class of

'92, I'm afraid. The ugliest part of all this isn't that I'm missing the chance, but knowing that the next time I have the chance to reunite, I'll be 33. Holy moley...

I don't want to say where I saw it, but I had visual evidence last week of a home that not only left its Christmas lights up into Memorial Day weekend, but actually had the drippy icicle-style lights, such that the white strands were plainly visible from the street. Some kind of United Nations Security Council resolution must be passed immediately to put a stop to actions like this.

For once, I actually got cracking out outdoor landscaping on time. Of course, the real test is not getting the flowers in the soil, but having them last longer than the gallon of milk I bought the same day. (For me, that's a big challenge.)

Chris C. Davis is the editor of the Northville Record. He can be reached at (248) 349-1700, ext. 114, or at ccdavis@ht.homecomm.net.

It's not summer vacation for everyone

As the month of June approaches this weekend, Northville Public Schools are winding down as another school year draws to a close. But not everyone will be basking in the warm rays of a well-deserved vacation. At least for two individuals, early June will mark a new era of long-term responsibilities.

Jennifer Norris

While students of all ages will likely be trading steno notebooks for sunscreen and backpacks for beach wear, two local area residents will become elected to serve on the Northville Board of Education.

Novi residents Karen Paciorek and Maria Foley along with Northville residents Ken Roth and Richard Desira may find sleeping a little difficult in the days ahead as they await the June 10 election results.

Local voters will be able to select two of those individuals to fill two soon-to-be vacant positions on the school board.

The positions are being vacated by board president Martha Nield and vice-president Tom Gudritz.

Both vacating members announced their decision to retire from the board in late February. After having both been board members since 1994, each has decided to move on to other ventures. After eight long years of dedicated service, finding other activities in to participate in may be difficult. Or will it?

Mr. Gudritz once told me in an interview, "I don't know what I'll do with my Tuesday nights. I'm sure I'll be able to find a way to fill it."

I had to smile when I heard him say that.

It's not an easy task to be an unpaid volunteer with such enormous responsibilities for any length of time (much less eight years), but from my involvement with both exiting board members, they seemed to thrive on what they did. I can tell those two individuals care a great deal about the community, its students and their many responsibilities. They did their job well. Their replacements will have big shoes to fill.

But new changes on the school board won't be the only transformations occurring in the district.

Over the summer months, Northville schools will be busy jumping into the

construction process as several building renovations and additions are made at its schools. Those projects were funded by voter approval in September 2001.

The infrastructure of Northville Public Schools will see several changes in the coming months, both in terms of the newly elected board members and even in the bricks and mortar.

Enjoy the months of vacation, students. Your school district will likely look vastly different when you return in the fall.

Jennifer Norris is a staff writer for the Northville Record. She can be reached at (248) 349-1700 ext. 107 or by e-mail at jnnorris@ht.homecomm.net.

GUEST COLUMN

NHS senior trip was a memorable one

In the early days of Northville when the Northville schools would come to the end of their year, all the senior class members would go to Washington, D.C.

Bruce Turnbull

for their senior trip. In those days, we had freight trains going through Northville and also passenger trains. Throughout high school you worked diligently trying to raise enough money to go to Washington. Every time you worked an hour, you got credit for it. We had all kinds of ways of earning money. One year we tried to raise money by going out and picking apples. We as a class took the apples down to Parmeter's Cider Mill (which is

still there today) on Baseline Road by the railroad tracks and helped press the apples. Parmeter's would jug the cider for us and they would charge us 75 cents for a jug. We would take that jug and deliver it to people's homes for a dollar. We made 25 cents each on the few hundred jugs of cider that we delivered. That was one of the ways we raised money. When it finally came time to go to Washington, I seem to recall that the ticket was about \$39 round trip, and that included 3 days in the hotel and meals.

On the day of the trip, the train would come into Northville and stop across the tracks from where the Northville Wishing Well and the Chamber of Commerce Victorian building is today on Northville Road. That is where the old Northville Train station was located. When the train came into Northville to stop for the senior trip, everyone would take their children down to the depot. A teacher named Ida B. Cooke — for whom Cooke Middle School was named after on Taft Road — was one of our class sponsors, and went

on the trip with us. We went to Washington for three days, took in all the sights, and returned to Northville. That was quite a sight to see all the children leaving on the train and coming back by train right down off of Northville Road. The Senior Trip of 1937 was a memorable one that I still have fond recollections of today.

Bruce Turnbull is a Northville historian and guest columnist for the Record. Write to him at 104 W. Main Street, Northville, Mich. 48167.

Help me write an admissions play

I am writing a play about affirmative action. One hundred Black students with good grades and fairly high ACT scores attempting matriculation at the University of Michigan are put on the waiting list or denied enrollment because other applicants had better grades and test scores. The 100 then enrolled at Michigan State (or at Eastern or Wayne State). They finished degree work in four years satisfactorily, graduated, and were

hired by successful, going concerns in the market place.

The 100 graduates increased the diversity at Michigan State during their four-year stay by the same number that might have attended the University of Michigan. How was adversely adversely affected? How many students went without college educations? How was the business community adversely affected?

I need help. My play is intended to be the tragedy that the liberal would insist that my story portrays. How do I rewrite the play to show the unfairness, the racism, the tragedy, the calamity the affirmative action zealots would expect to see in my intended stage presentation?

Pennies add up at Silver Springs

On Campus

Continued from 1

ship seminars after school and met at lunch to determine how to go about the classes collecting money and were also the driving force behind motivating their classmates to bring in some spare change.

The initial goal, said Pagel, was for each student in the school to bring \$2, for a total contribution of \$1,000. But when students began bringing in their allowances and birthday money, faculty realized how motivated their students had become to help those less fortunate than themselves.

According to Kelly Millmore Kelley, also a co-advisor for the student council and a second grade teacher, three classes raised almost half of the proceeds. And her second graders are looking for-

CHANGE MAKING A CHANGE

Students at Silver Springs Elementary recently participated in a program called Pennies for Patients, in which the students were encouraged to bring in spare change to benefit the Leukemia and Lymphoma Society. Combined the school raised approximately \$2,700, with students in three classrooms bringing in almost half of that amount.

Winning classes:

- Mrs. Kelley's second graders: \$752
- Mrs. Moser's first graders: \$350
- Mrs. Zane's fourth graders: \$314

ward to a pizza party for raising a little more than \$750, the most money raised by any other class at Silver Springs.

"I thought it was just amazing," she said. "I had to bring in extra bins to keep the money in because the first day our bin was full. It was

so cute."

"I had one little boy who brought in, easily, over \$175 in quarters," she continued. "The generosity of these students is just amazing."

Eight-year-old Eugene Williams gave up candy and gumballs in order to bring in that \$175 because

it made him feel good, said his mother, Carla.

"We have a big cookie jar that my husband puts his change in. When the program came around I told my kids about it and how it would help children," said Carla. "Eugene took the initiative that he kept wanting to bring more and that was good with me. He was really into it. He wanted to help out and take in his share."

Silver Springs elementary student council will also be receiving an award in honor of raising the highest amount of funds in the state.

Saving you time, stress and money

Two Men and A Truck will remove the stress of your next move and save you valuable time

By Annette Jaworski
CONTRIBUTING WRITER

If time were money, than hiring trustworthy movers ranks as a great investment, said Chad Arnold, president of Two Men and A Truck in Novi.

"If you value your time, it's a money saver in the long run," he points out. The savings in time and energy are more than well worthwhile. Moving can be an exciting time, but also a stressful time as well. Two Men and A Truck can help the big day run smoothly no matter what size move, big or small.

"We think our service is top of the line, that's what makes us successful," said Arnold.

They believe in sticking with the basics, like excellent customer service. For example, developing a one on one relationship with customers during the moving process. They try to answer the phone promptly, within two or three rings. And they always check their competitors to make sure they're competitively priced. As a national franchise, they also offer years of expertise in assisting customers through their move. Many are seniors needing extra attention; others are early to mid-30's upgrading to their dream home.

"The main thing a lot of customers ask is for helpful hints for saving time," said Arnold. "We tell them the more prepared they are before it happens, the smoother it will go. If they have any opportunity to take small items as they make trips in their car, that's a good thing too," he said.

He suggests color coding boxes for each room, or putting the room name on the box so movers can take them to their final destination. That way, the customer won't have to move them again. They also understand some clients may need a helping hand when they arrive. Many seniors have limitations. Two Men and A Truck movers will take the boxes to wherever they're needed.

Photo by John Heider

Chad Arnold and Novi's Two Men and A Truck can help you with your residential or commercial moving needs.

"We'll stay until you're satisfied. Sometime we end up doing a little interior decorating," he laughs.

Two Men and A Truck goes beyond the residential moves - think of them for seasonal moves as well. They're happy to give you a hand around the holidays if you have heavy furniture or boxes to move while decorating. Apartment dwellers might think there aren't enough possessions to require a moving company, but they're happy to perform a move of any size. Also, if you're a business, big or small, that's changing loca-

tions they'll move everything quickly, efficiently and with the same care they would show with household possessions.

"We do runs seven days a week. Everything we do, we try to do in one day," said Arnold.

As a franchise they are also able to handle moves out of state. Their goal is to get you settled in as quickly as possible.

In the few instances where a claim needs to be processed, they're handled professionally. Most customers, don't get upset, they trust the company and know

they will handle it, said Arnold.

And whether you make a household or a business move, they offer personal packing supplies. There's no such thing as overbuying, since you can receive a full refund on all unused boxes. The boxes come in handy for many things like seasonal decorations or paperwork during tax season for small businesses or accountants.

The local company has been growing as quickly as the surrounding community. Arnold is proud of the outstanding growth

Pre-move Checklist or Smart Suggestions from Two Men and A Truck:

Two to Four Weeks in Advance

Make reservations with your local mover. Two Men and A Truck will be happy to pack you, too.

Buy packing supplies and boxes. Clean out closets, attic garage, basement, etc. Have a garage sale or donate items to charity.

Arrange for transfer of school records.

Get plenty of change of address cards from the post office. Notify magazines, charge accounts, insurance companies, clubs and organizations of your change of address.

Get owner's manuals for appliances in new home if possible.

One to Two Week in Advance

Make a survival closet of things for last cleanup, broom, dust cloth, etc.

If you pack yourself, label as you pack. Write the destination by room on the top and sides of each box.

Schedule disconnect dates for gas, electric, water and telephone companies. Keep the phone until after the move and schedule connect dates for your new home.

Cancel newspapers, cable TV, security, pest control, cleaning help,

lawn maintenance or other services.

Last week

Mail change of address forms. Clean stove.

Day Before

Empty, defrost and thoroughly dry refrigerator and freezer.

Get sufficient cash to tide you over.

Say good-bye to your neighbors.

Packing Tips

Don't over pack. A good rule is, the heavier the item, the smaller the box. Start packing several weeks in advance.

Important legal documents should be transferred by you.

Don't mix items from different rooms in the same box, and use colored tissue paper for small items and knick-knacks so they won't be thrown away.

Dishes should be packed on edge, do not stack flat. Each should be packed in non-ink paper, as should lampshades, since they can be stained.

Tape boxes on the bottom rather than interlocking or folding the edges together. All boxes must have flat tops so they can be stacked.

Pack an essentials box, such as toilet paper, soap and towel, toothpaste and toothbrushes, coffee pot, paper plates and snacks.

they've shown in the short period since they've been established. In fact, they've received several awards including the Diamond Award for having a 10.37 percent share of the market territory and A Leader in Excellence Third year award, where they held the highest gross percentage of increase throughout the country for Two Men and A Truck Franchise at 66.15 percent growth. The company is recommended by the Wayne Oakland County Realtors Association, and they are the official moving partner of the Detroit Pistons.

They also believe in giving back to the local residents. For exam-

ple, as part of Safety Month in March, they took 50 children who participate as safeties for Walled Lake Consolidated Schools to the Detroit Pistons basketball game, along with their parents.

For all your moving needs contact Two Men and A Truck, located in Novi at 43000 Nine Mile Road Suite # 307. Call (248) 735-6683 for an estimate or rates. Many estimates can be made through a phone call. In home estimates are also available. They service all of Southwest Oakland County and the Detroit metro area market. No Experience Necessary

Never underestimate the value of technical support

By Tim Kissman
SEAM DIRECTOR OF PUBLICATIONS

CDs aren't supposed to snap in a billion pieces.

They melt in the back seat of cars on hot, sunny days. They scratch when not handled properly, and maybe, just maybe, they snap if you pack them incorrectly on a long, cross-country move. But never do they snap in a CD drive.

But that's exactly what happened when I was making a copy of a CD on my boss's computer last week. I put the CD in, burned a copy of it, took out the burned copy and started to label it when I heard a sickening snap in the CD drive.

Opening the drive, I took out piece after piece of a mangled CD.

Shattered like the bullet-riddled windshield of a gangster's getaway car, it took our IT person and me more than an hour to clean out the computer.

That was just the beginning of a long, long day. Once we cleaned out the computer, we booted it up and found out the entire hard drive erased. The IT person looked at me. I looked at her and we just shook our heads.

The computer was fried.

After countless hours of tech support, from experts in the Philippines and across the United States, the computer was officially pronounced dead, due to the freakish accident. Luckily, our IT person knows how to breathe life into a dead computer, and knows how to hook up the spare

computer in my boss's office.

We should all be so lucky.

Here are some preventative steps to (hopefully) curb a computer failure before it happens.

- Dust. Using specially formulated wipes, dust your hardware. This means the monitor screens, the actual hard drive case, discs, and scanners — basically anything that's exposed to dust. Don't let the dust turn into computer fur and ruin vital, expensive parts.

- Update the programs. If you're like me and upgrade your components the second a new download appears on the software manufacturer's Web site, then it pays to be sure it's compatible with your operating system. If you don't, the IT people will hound you, tease you

and call you into unimportant meetings to let you know how disappointed they are with you. So, please, to save time and face make sure the upgrade is necessary and fits in with your PC.

- Learn. The best way to prevent accidents or computer problems is to learn how to use the hardware and software. People sometimes stop with just the basic programs, and don't delve into help resources available through computer software. Solving minor problems by yourself, before investing in IT support, can not only save you money, but let you learn some things in the process.

- Last, but not least, keep me away from your computer. I'm having bad luck with PCs lately, and anything I touch is breaking.

Who is in charge of designating days in this country?

By Tim Kissman
SEAM DIRECTOR OF PUBLICATIONS

Is there some sort of personal data assistant genius out there keeping track of National Teacher's Day (May 7), making sure it never falls on the same day as National Tartar Day (April 7)?

In order to qualify for Make a Difference Day (Oct. 26) do I have to take part in National Hot Dog Day (July 21)? Is there any etiquette involved? Is it rude if I attend both? Or not to go at all? Maybe I'll attend one and not the other — is that bad? I keep looking for an invitation or some sort of RSVP, but there isn't any.

There isn't any master calendar, either. Or at least any I can find. I've scoured the Internet, flipped through outdated Web sites and even checked the old day planner, but nothing.

It seems these special days creep up as filler for radio stations between commercials, or in newspapers as space filler. The days' big brothers, national holidays like July 4, Memorial Day, Christmas and Thanksgiving, get all the major press. The smaller days never do.

Yet, these days have significance. If not for their creativity, but for the groups they celebrate.

Slackers get their moment in the sun, provided they're sleeping in a hammock outside, on National Slacker Day (Aug. 24). Grill fanatics get cooking Nov. 24, otherwise known as National Barbecue Day.

No matter where I search, I can't come up with who is actually in charge of scheduling these days. Someone, somewhere decided that Sept. 14 is National Iguana Awareness Day, and I want to know who.

This person must be the ultimate office manager. Every small business should aspire to have half the organizational skills this person possesses. If they can juggle a whole country's schedule, with so many different off-shoot groups and special interests knocking on the door, then they must be a keeper.

I've never heard of days getting mixed up, canceled or rained out. They're never rescheduled, postponed or TBA'd, like every major sports playoff series. These special days happen when they're scheduled, rain, snow, sun or otherwise.

Yes, this is what makes this a great country. This is the little stuff that makes it so much fun to be in small business.

Man, I'm getting emotional. I need a hug. I'll have to wait until Jan. 21, that's when it's acceptable to hug anyone and everyone. After all, it's National Hugging Day.

Business in Brief

Wally passes test

Ms. Laura Wally of Milford, Producer and Instructor of Huron Valley Schools - Television, recently passed the Michigan Occupational Competency Assessment for Television Production at the Michigan Assessment Center, located at ORA, Inc., Big Rapids.

The assessment program, whose primary mission is to equate valuable work experience to academic credit by objectively measuring occupational knowledge and skill, is sponsored by the Michigan Department of Education. The certificate of occupational competency is recognized by schools and businesses as a premier occupational standard.

Northville's girls' golf team looking to make some noise at state tourney

By Sam Eggleston
SPORTS WRITER

There isn't much more that a team can do in a week.

The Northville Mustangs girls' golf team not only notched a birth into the state finals tournament with a first-place finish in the Regional, they also secured a co-championship alongside of Churchill just a day later.

The 'Stangs, led by coach Trish Murray, captured first in their Region as they blew away the competition with a team-low, school-record breaking score of 331. Their nearest competitor,

Ann Arbor Pioneer, shot a 352 for second while Saline shot a 356 for third.

"I said before that if we shot a 350 we would probably be doing pretty good," Murray said with a laugh. "We ended up getting 331. Not too shabby."

Not too shabby at all. Neither was the play of Regional medalist Kate MacDonald, who shot a 72 (37, 35) to take the top spot for the day.

"Then she went and backed it up by shooting an 80 the next day," Murray said. "It's not like she was a fluke or anything. Kate is working harder than anybody

"I told the girls that if we played good golf and didn't qualify, that there would be nothing to be disappointed about. I guess we did a lot more than that."

Trish Murray
Golf Coach

that has ever come through this program."

Besides the ever-impressive play by MacDonald, teammates

Layne Scherer, Shannon Lewicki and Therese Juthage turned some heads as well.

Scherer collected an 83 on the

day (40, 43) while Lewicki notched an 87 (42, 45) and Juthage hit an 89 (43, 46).

"I told the kids that if they shot their average or just a little below, that we would be doing pretty good," Murray said.

The Mustangs set the school record yet again with their Regional performance, shooting 331 on a course they shot a 350 on earlier this season.

"We shot a 350 and finished eighth in the Brighton Invite," Murray said. "I told the girls that if we played good golf and didn't qualify, that there would be nothing to be disappointed

about. I guess we did a lot more than that."

The Mustangs will resume their hunt for the state title when they travel to East Lansing and Michigan State University to compete in the title tournament.

The question, it seems, is if the girls will be able to compete with the best of the best.

"Without a doubt," Murray said. "First off, we have to finish in the top-12 to move onto Saturday and that is our first goal. Realistically, I think we can finish in the top five. I say to the

Northville track stars to make an impression

The Northville Mustangs boys and girls track teams, as well as the Northville community, are going to be well represented June 1 when the 'Stangs take to the task of competing against the best-of-the best in the Lower Peninsula Track and Field finals.

Stepping into the spotlight for the boys, we have Tim Dalton, Clark Paciorek, Rob Steiner, Patrick Kelleher and freshman Alan Shanowski. For the girls, the Mustangs will be sending stellar runners Devon Rupley and Heather Moehle.

One of the most interesting things about these seven outstanding athletes is that all of them are underclassmen. Moehle is just a junior and Rupley a sophomore and they have already been making plenty of noise in the cross country and track and field circuits while Dalton and Steiner are just sophomores and Paciorek and Kelleher are juniors. Freshman Shanowski is no doubt the youngest on the squad that will be going to the finals, but also one of the most talented high jumpers that will be attending the meet.

For the girls, you can look for Moehle to be making waves in the two-mile, which she won at the Regional with a time of 11 minutes, 34 seconds. Moehle is a tough competitor that is going to be looking to go all the way to the top-shelf with her performance at the finals.

Rupley won the 800-meter dash with a 2:19 before qualifying for the finals with a 59.2 in the 400 dash. This girl has been amazing since the beginning of cross country in the fall. A dedicated athlete with a flood of talent, Rupley only gets better as the competition gets stronger. Look for her to either set a school record in one of these events or place in the top-10 in the finals thanks to the increase in talent she has to run against.

For the boys, the 3200-meter relay team of Paciorek, Kelleher, Steiner and Dalton (in order of run-

Northville softball player Allison Long takes a cut in a Mustang home game in May.

Showing marked improvement Mustangs battle back to beat John Glenn Rockets

By Sam Eggleston
SPORTS WRITER

As to prove that they are continuing their quest to be a better team, the Northville Mustangs girls softball team earned a huge win in their annual Western Division/Lakes Division cross over game.

The 'Stangs, led by coach Kelly DeWitt, were trailing 7-0 heading into the fourth quarter against the John Glenn Rockets, but made an incredible comeback to earn a 9-8 win. Earlier in the week, the Mustangs fell in a tight 4-2 Western Lakes Activities Association contest against the Canton Chiefs.

"We are really getting it all to come together," DeWitt said of the John Glenn game.

"We are a very young team playing against girls with a full season under their belts from last year."

The Mustangs have shown marked improvements from the beginning of the season and an injury to Candra Nabozny.

"Candra won't be returning this season," DeWitt said of the injured junior who broke her jaw. "That is real difficult."

"Even with her injury, even the day she got her jaw wired, she came to the game. When it comes

"I think we have done really well. I am really amazed with how well our pitchers have been doing. I think they both went into that game and did a great job."

Kelly DeWitt
Softball Coach

to team spirit she is still there. She has been to each practice and every game. What kind of dedication is that? That's just awesome."

The support of Nabozny and the Mustang faithful have helped the softball team make it's way through a very difficult season — a season highlighted by wins like the one over John Glenn.

The Mustangs found themselves trailing right out of the starting gate as the Rockets took a 4-0 advantage after the first inning before scoring three more in the third. The Mustangs used

their hitting and their aggressive nature to score three runs in the third to pull to 7-3 before scoring four more runs in the fourth to tie the game.

"Our hitting is really taking off," DeWitt said. "We scored two runs in the fifth inning to win the game."

The Mustangs turned to Ashley Knicey, Kim Hayes, Lauren Karney, Jane Kruszewski and Amy Prentiss to lead the way from the offensive end while Carrie Banner took the start on the mound with Kruszewski coming in as relief in the fourth to earn the win.

"I think we have done really well," DeWitt said. "I am really amazed with how well our pitchers have been doing. I think they both went into that game and did a great job."

The Mustangs will resume action Saturday at 11 a.m. when they take on the Novi Wildcats in the District Tournament after drawing a bye in the first round.

"We beat them in the Novi Invitational," DeWitt said. "I am looking forward to this game."

Canton 4, Northville 2

The Mustangs just couldn't get everything rolling their way in a

game that found the Chiefs and the Northville girls all tied up at 2-2 at the top of the seventh.

"I think that shows how far we have come," DeWitt said. "To go against a team like Canton, which is a very good team, and tie them until the seventh inning is big for us."

The Mustangs held on until the final inning and just couldn't keep the very, very powerful Chiefs from gaining the two-run advantage. In the end, the Mustangs found themselves with two runners on base and two outs — the ending wasn't what they had hoped it would be.

"We left our two runners on and weren't able to come back," DeWitt said. "We only k'd (struck out) three times and they k'd twice."

The Mustangs gathered seven hits in that contest as Knicey, Stephanie Jones, Prentiss, Karney and Kruszewski earned hits.

Kruszewski started the contest and went the distance in the losing effort.

Boys are sending five to LP finals 3,200-meter relay team breaks record

By Brian Doyle
SPECIAL WRITER

The Northville boy's track team will be sending five athletes to the state competition on June 1. The Mustangs qualified for both the 3200-meter relay team and in the high jump.

"I wasn't really surprised," Northville track coach Bill Cornelius said. "We expected good things."

The team also competed in the conference meet May 21. The team finished eighth out of the twelve teams that were at the event. The Mustangs performed well and placed in four events.

Tim Dalton ran his best time of the year and took first place in the 800-meter run. He ran it in 1:57.8 which was an improvement for him. Freshman Alan Shanowski took second place in the high jump.

Rob Cameron also did well and took third in the 300-meter hurdles. The 3200-meter relay team of Pat Kelleher, Tim Dalton, Rob Steiner, and Brad Stoner (who replaced the sick Clark Paciorek) took third place in the meet to also help Northville.

"They ran up to my expectations," Cornelius said.

A very impressive showing by a Northville athlete who did not quite place was that of Mike Gabrys. Gabrys ran the 1600-meter and 3200-meter events in 4:31 and 10:22 respectively. Those times boasted an 11 second improvement in the 1600-meter and a whopping 22 second slice of his previous 3200-meter time.

"I was especially pleased with Mike Gabrys," Cornelius said.

In the conference, the team finished 2-4 in dual meets and closed out the season with this eighth place finish in the conference meet.

Five athletes will be continuing on, however. At the regional meet Kelleher, Dalton, Steiner, Paciorek and Shanowski all qualified to go onto the state finals meet at Rockford High School.

The team of Kelleher, Dalton, Steiner, and Paciorek took fourth at the regional competition with their new school record time of 8:08.1. At the state meet this Saturday, Stoner will be going instead of Kelleher who has other obligations.

At the state meet, Dalton will be looking to run another sub-two minute leg and all of the other runners will be looking to come as close to two minutes as possible so that the team can break the eight minute mark.

"I'm hoping to break the eight minute mark, which would be a great improvement," Cornelius said.

Shanowski exceeded expectations and won the high jump with his

GAME OF THE WEEK

Northville Mustangs Lower Peninsula Track & Field Finals

Saturday, June 1

Girls' track and field seniors will be missed

By Sam Eggleston
SPORTS WRITER

Many athletes may have asked to bow out of their final race before the state championships, but not Devon Rupley and Heather Moehle. Rupley, Moehle and the Mustangs stepped up and took fourth place in a very strong conference meet with 77 points May 21 while Walled Lake Central took first with 121. Salem took second with 104 and Churchill third with 83.5. "I am very pleased with the way the girls performed today at the conference meet," Northville coach Nancy Smith said. "We had to make a few adjustments today because of some injuries, but over-

all the girls performed well."

Rupley stepped up to show that her competitive spirit doesn't fade as she took three first-place finishes. Rupley won the 400-meter dash in one minute flat before coming back to earn a victory in the 800 with a time of 2:19. Rupley was also a member of the 3200-meter relay team along with Moehle, Katy Miller and Lisa Bowen, which won in 9:51 — breaking their school record yet again. This marks the third time this team has set the record for Northville High School.

"This team continued to get stronger throughout the entire season, bettering their times each time they came out to run," Smith said. "I am looking forward to next sea-

son already with the entire team returning to make a run at it again."

Mustang senior Emily Ott continued to show her strength and her pure determination by jumping to a third place finish in the high jump with a leap of 5-foot-2.

"Emily did a great job today," Smith said. "Her ankle still isn't better and she jumped one of her best jumps of the year today."

Senior Maggie Ossola ended her high school track career with a clinching off an all-conference position as well as a first-place finish in the long jump with a final tally of 16-feet-3 1/4 while Amber Selle finished eighth in the long jump with a 14-10.

Genevieve Belangero had a good day in the hurdles, placing sixth in the 100 hurdles with a time of 16.8 before finishing second in the 300 hurdles with a season-best time of 49.7.

Moehle continued to show her stamina by placing second in the 3200-meter run with a time of 11:34, the exact same time she recorded in the Regional meet.

Shannon Hogan, a Mustang Junior, took sixth in the 400 dash with a time of 1:03 as well as being a member of the second-place 1600-meter relay team that took second with a 4:16. Julia Williams, Rupley and Belangero were also members of that team.

"This team really ran great

today," Smith said. "We knew they were capable of running well together and they showed it today."

Smith said there was little more she could ask of her team that what they produced this track season.

"Overall, I am extremely pleased with the way the season went," she said. "We improved on our dual meet record, broke two school records, have two girls heading to the state meet and improved our times throughout the season. Our team is filled with hard workers and girls that were dedicated. What else can a first-year coach ask for?"

With the loss of seniors like Ott and Ossola, the Mustangs will be looking to some of the younger ath-

letes to fill those holes.

"Next year we will surely miss Emily Ott and Maggie Ossola, who were major point-scorers for us," Smith said. "Our distance team comes back in full and we have some young sprinters that will help fill the holes."

Two Mustangs will continue their season as Rupley and Moehle compete in the Lower Peninsula Track and Field Finals June 1 at Rockford.

Mustangs take loss in WLAA title game

By Sam Eggleston
SPORTS WRITER

The Northville Mustangs managed to stay undefeated until the final game of their regular season — the game that would decide who was and who wasn't the Western Lakes Activities Association champions.

The Mustangs led in every category except where it counted the most — the score. Their title tilt against Livonia Stevenson found the Northville squad falling 1-0.

"We dominated in every respect," Northville coach Ron Meteyer said. "We dominated everything except the score."

The Mustangs just couldn't make the shots fall when they took them, even after having 14 shots on goal throughout the entire game. Stevenson, on the other hand, notched the goal with only three shots at the net.

"With less than five minutes left, they had a break away," Meteyer said. "Our goalie came out, hesitated, and tried to back up on the Stevenson girl and she was able to touch it around her."

Northville's goalie made a diving attempt at the ball, but it was too little too late as the Spartans earned the goal and went on to win the game.

"We beat them four times running, including just nine days ago," Meteyer said. "They were able to win the big one, the league championship. We are the Western (division) champ and they are the Lakes champ. The two of us played it out and they won."

The Mustangs were not able to capitalize on some very promising opportunities. With 21 minutes left in the contest, the Mustangs were awarded a penalty kick after senior Maggie Ossola was taken down in the box. Ossola tried for the kick, going

Photo by JOHN HEIDER

Northville's Julia Bartell brings the ball upfield during a home game against Livonia Stevenson.

for the upper, left corner of the goal, but she was stonewalled.

The goalie guessed in the right direction," Meteyer said. "Maggie was a little upset, as we all were."

The Mustangs (15-1-1) will have returned to action when they traveled to Canton in the first round of the District tournament Tuesday (after the Northville Record's deadline).

"Why the state can't seed soccer, I don't know," Meteyer said. "There is Canton, Salem and us in one district. That's three top-10 teams. We have to play Canton and if we survive we will have to play Thursday against Salem and beat them to get to the title game."

Northville 3, Howell 1
In the evening following their loss to Stevenson, the Mustangs made all right again with a win over the

Kensington Valley Conference's Howell Highlanders. The night, which was senior night, found the Mustangs being able to get everyone into the contest for some valuable playing time.

"It was really a lopsided affair," Meteyer said. "They got in a goal in the first half and we pretty much shut them down after that."

The Mustangs were the first to draw blood in the non-conference match up as Whitney Guenther snatched a ricochet off a Nicole Cazzullo kick and found the back of the net just three minutes into the game.

Howell came back and scored on one of their two shots on goal with a direct free-kick halfway through the first half. Just 41 seconds later, the Mustangs notched their second goal of the night as Deanne Kubas took a

cross pass from stellar senior captain Lindsay Dunmead in the left corner, dribbled it to the center, and chipped it in for the goal.

"It was a good night after our loss to Stevenson, which put us in an emotional low," Meteyer said. "We were able to have fun and have a good experience."

The third and final Northville goal came with 16:18 left in the contest. Senior captain Larissa Fill took a pass from senior Kelly Anderson and blasted it into the Howell goalie. The ball immediately bounced back, where Fill lifted it up and scored with the assist being credited to Anderson.

Next Level Athletes

The Next Level Athletes section of the sports pages is dedicated to the men and women who have taken the next step in their athletic careers. It is here we are able to applaud them for their abilities, their dedication and their determination. Many have stepped from their lives in high school and into their lives in college with little change. They continue to work hard in and out of the classroom as well as on and off the field of play.

Harvey Steele, Sophomore, Albion College — Harvey Steele, a graduate of Novi High School, received a fleece jacket as the second-year varsity award for his contribution to the Albion College men's track and field team. Steele is the son of Harvey Steele and Alin Steele of Novi.

Sarah Pipas, Sophomore, Alma College — Sarah Pipas, a graduate of Novi High School, was given the "Significant Achievement Award" for her contributions to the Alma College women's tennis team at the year-end awards dinner. Pipas was given the award based on her performance, leadership both on and off the court and her contributions to the team. Pipas had an 8-9

record in the first flight of the singles and a 5-10 record on the first flight of the doubles.

Kristy Vermillion, Junior, Northern Michigan University — Kristy Vermillion, a graduate of Novi High School, was one of five NMU swimmers and divers to have earned an Academic All-American Award for 2002, given by the College Swimming Coaches Association of America. Vermillion, who was a huge contributor to the Wildcats' swim and dive team this season, holds a 3.5 GPA with a major in Fitness/Health Management.

Next Level Athletes includes former athletes from the readership area of the Northville Record, Novi News and the Lake Area Times. The Next Level Athletes are individuals who have taken the next step beyond high school athletics to the next level — including college, semi-professional, minor league and professional athletics. Anyone who would like to submit information about an athlete can do so via email at seggleston@ht.homecomm.net or mail information to The Northville Record, 104 W. Main Street, Northville, MI 48167.

MacDonald shows being spoiled can really be a good thing

By Sam Eggleston
SPORTS WRITER

If you ask her, she will be the first one to tell you — Northville senior Kate MacDonald is spoiled.

MacDonald, who is a captain on the golf team, doesn't deny that she does little, if any, type of work around the house and she is the first to say that she gets anything and everything she wants.

"I don't care what other people think," she said. "I am seriously spoiled. I've never worked a day in my life. Like everyone says, golf is my job."

And a job that is definitely paying out. MacDonald recently decided that she would become the newest member of the Grand Valley State University's women's golf team — where she will be attending on a full athletic scholarship.

"I went up there to visit and their campus is just amazing," MacDonald said. "The coach was really nice and I got to hang out with the team. I wanted to go to a Division II school because I figured

I would get more chances to play. Not to mention their academics are good there too."

At GVSU, MacDonald says she plans on studying in the field of education with hopes of one day teaching high school. Her main influence for such a career? Her mother, Leslie.

"My mom is going into her 29th year in the Novi Community School system," she said. "She is a counselor now. When I was little, I wanted to be a lawyer because my parents said I argued so good. That kind of changed and I decided I wanted to go into medicine to be a doctor, but I hate science. Then I decided on sports psychology and then education."

MacDonald noted that though she is excited about going off to college and to continue her golfing career, there are things about home she is most definitely going to miss.

"I am going to miss not having to do anything around the house," she said with a laugh. "At Grand Valley I asked for housing in apart-

Kate MacDonald

ment-style dorms and I am excited about doing that, but when it comes to clothes washing, picking up my own room and doing the dishes it is going to be a hard

adjustment. I am sure it is all going to be OK."

When she isn't pondering her future career or hitting the links with her Lady-Cobra irons and her custom made 360 woods, you can find MacDonald driving in her black Ford Explorer or watching a good TV show.

Come the summer months and MacDonald can be found taking a dip in her family's very own indoor pool.

"In the summer I like to go swimming," she said. "My dad (Bill) loves his pools. When we moved here 11 years ago, he had one put in. They're fun to have."

MacDonald also likes to spend some time in front of her computer or at the Joe Louis Ice Arena. In fact, this year MacDonald found herself with a fairly ready supply of Red Wing tickets.

"My neighbor is (a Red Wing)," MacDonald said, requesting that the player's name not be revealed.

For Christmas, MacDonald asked her parents for a Red Wing Jersey signed by the entire team —

she got the jersey, but she was too scared to ask for the autographs.

"I made my dad go and do it for me," she said. "I just felt bad asking him to do it."

Though her memories of her senior year will no doubt include those of snagging Red Wing tickets to watch the games, her team breaking the school record for low-stroke in a match and her meeting teammate Therese Juthage, who hails from Sweden, one of the things she will always hold with her from her high school years is the best match of her life.

"It was against Farmington my junior year," she said. "I bogeyed the first hole when I three putted, then I went on to get three birdies and shot two-under for a 34. It was so much fun, I was shaking because I was so excited."

Playing such a great game of golf makes many people hungry — MacDonald is no exception. After a hard-fought game of golf, she has been known to bee-line to the Olive Garden for a hearty plate of ravioli.

"I love pasta," she said. "It's my favorite food."

And though she knows that being spoiled won't last her the rest of her life, MacDonald has some dreams for herself that would at least keep her comfortable for some time to come.

"Hopefully, I am living down South where I own a couple of houses and am playing on the LPGA (Ladies' Pro Golf Association)," MacDonald said. "I love warm weather and I pretty much hate the snow. I don't like winter sports, well, except hockey."

MacDonald said that she really can't see that there is anything else to life besides the sports she loves.

"I just can't imagine anything else," she said. "I just want to get up every day and go play golf."

Way to go, little Mustangs!

The Mustangs, a team of 9 year olds from Novi, competed in the Super Series May Day Classic baseball tournament held in Novi on April 26-28. The Mustangs competes against teams from Ohio and Michigan and brought home the championship crown in their age division.

The tournament hosted 60 teams from around the Midwest in the age groups from 8-14 years old. The Mustangs were the only team from the State of Michigan to win the top honors in any age bracket. The Mustangs, with a record of 3-1, earned a spot in the Championship Game against Sylvania (Ohio) Mavericks, last year's champions. In the championship game, the Mustangs defeated the Mavericks 12-9 to win the tournament and a berth in the 9 and under World Series Championship in Dallas, Texas in July.

The team is sponsored by Kruse's Stark Hickey and Galyan's Sporting Goods of Novi. The Coaching Staff, Craig Bonnell, Jerry Jewell, Rick Valade, and Dave Regnier, are very proud of this fun loving group of talented 9 year old boys and would like to thank all of the parents and sponsors for their help and support to make this possible.

Athletes: Finals will be good experience for all

By Sam Eggleston
SPORTS WRITER

These athletes only have one more step to go — winning in the Lower Peninsula Track and Field finals.

The Northville Mustangs, Northville High School and the Northville community will be well represented at the finals meet in Rockford June 1 as Clark Paciorek, Brad Stoner, Rob Steiner and Tim Dalton make a run at the 3200-meter relay and Alan Shanoski tries to show that freshmen can clear 6-foot-6 in the high jump for the boys' team while Heather Moehele will try her hand in the two-mile run and Devon Rupley will see just how fast she can go in the 400-meter dash and the 800 for the girls' team.

"We're excited, of course," Paciorek said. "We all had to run our best race of the season to get to the finals."

And run their best they did. The 3200-meter relay team, which originally had Pat Kelleher — who will miss the finals due to prior commitments — running in place of Stoner, not only met the state qualifying time in their race, they blew away their old personal record of eight minutes, 20 seconds and broke the Northville High School record with their time of 8:08.10 in the process.

"We really came through when we had to," Paciorek said. "We ran real great. I know we are all excited and we all think we can go much faster up at the state meet. In fact, we are looking forward to it."

With the competition level increased even from their very tough Milford Regional, the boys will have to see if the increase in talent will help them increase their own time.

"I think that will help us a lot," Paciorek said. "I think we can stay with most of the people. Of course, it will be a tough race. Right now, we are just looking at trying to get into the top-10."

Another member of the boys' track team will be looking to get into placing position as well. Freshman high jumper Shanoski thinks that with more competition comes higher jumps.

"I am a competition jumper," he said. "If I usually see someone clear a height, it gives me the adrenaline to push myself to clear that height."

Not that Shanoski thinks that the athletes who made it to the finals are going to be pushovers.

"I know they are good jumpers," he said. "I hope they come to see that I am a good jumper too and I hope they respect me. I am sure some of them will think I am a blow off."

Shanoski is far from a blow off. This freshman not only stayed undefeated except for one meet this season, he won the Regional with a leap of 6-foot-2.

"I have gotten that three or four times," Shanoski said. "If I wanted to place, I am probably going to have to get 6-4."

But Shanoski thinks that he can even go higher than that if he can get his form down and push himself.

"I believe I am capable of reaching 6-8 if I really have good form and the conditions are right," he said.

No matter what, the experience is going to pay off in dividends.

"I think it will be a nice experience," Shanoski said. "It will show me how others jump and how they prepare to jump. Hopefully, I will get some hints from others on how to increase the height of my jumps."

The girls' track team will be sending two of their very best athletes to the finals as well. Rupley and Moehele are both repeat offenders, as they took the trip last year as well.

"I am really excited again," Rupley said. "This year I know what is going on. Last year, everything was new. Me and Heather were very nervous, but this year we feel that we know how to run. We are both really excited and are looking forward to how everything is going to go."

Moehele, who was out of town and unavailable for comment, will be testing the waters of the 3200-meter run in hopes of taking home a state championship.

"I think Heather is an amazing athlete," Rupley said of her teammate. "Last year neither one of us did our best. She has been doing her best time in every meet we've gone to. She is doing really good this season."

Girls' coach Nancy Smith would have to agree.

"Heather is one of the most dedicated, hard-working and determined runners I have ever coached," she said. "She always wants to know what she needs to

do to get better and always sets goals for herself to achieve."

And even though Moehele holds the Northville High School record in the 3200-meter run, there is going to be plenty of stiff competition. Rupley noted that no matter how Moehele feels — be it nervous or even sick — she will give it her all.

"I think she will have a really good chance at placing high in her event," Rupley said. "She works her hardest no matter what, even if she isn't feeling well. She is just an amazingly determined athlete."

As is Rupley. The sophomore will be looking to make her mark in both the 800 and the 400 dashes when she takes the trip to Rockford.

"Devon is surely the most talented runner I have had the opportunity to coach over the past seven years," Smith said. "She makes two of the hardest races look easy. She has really been a pleasure to coach this year. She has been training since August and it paid off."

Rupley said that between the two races, she thinks her better odds are in the 800.

"I think I will have the best chance at placing in the 800," she said. "It is going to be hard because both of the races are so close together."

Even if she lags behind in the 400, which is the first of the two dashes, Rupley said that she wouldn't slow up to save her energy.

"I am going to try to go all out for both of them," she said. "I want to go out and put my best effort forward. I am hoping with a bigger meet that there will be more time between the two events, although it is just one race."

The experience is also going to be beneficial for Rupley in the years to come.

"I am lucky enough to go to the state meet as an underclassman," Rupley said. "I am sure it will help me in later years and I will be able to compete even more."

The finals meet will be Saturday at Rockford High School.

Sam Eggleston is the sports writer for the Northville Record and the Novi News. He can be reached at (248) 349-1700, ext. 104 or at seggleston@ht.homecomm.net.

Carrie Banner, bringing the heat

Photo by JOHN HEIDER

Northville's Carrie Banner pitches in a home game in mid-May. Banner and the Mustangs have shown much improvement since the beginning of the season (see related story, B1). Banner is one of two pitchers that will have to face down teams in the District Tournament starting Saturday when they take on the Novi Wildcats at 11 a.m.

Boys' track sends five to finals

Continued from 1

leap of 6-foot-2.

"I was surprised that the freshman won," Cornelius said. "I expected him to do well but not to win."

At the state meet, he hopes to jump over the 6-foot-4 mark which he has come close to but hasn't done yet.

"If he jumps 6-foot-4 he would

be happy with that," Cornelius said. "He's almost cleared 6-foot-4 a number of times."

All of the runners have a chance at a medal at the state competition.

"Both the high jumper and the relay team have a chance at finishing in the top eight," Cornelius said.

The team is hoping for some nice weather Saturday, which they

have been lacking most of the season.

"We're hoping to get some good weather," Cornelius said. "Hopefully we can get a nice day and turn out some good times."

Brian Doyle is an intern for the Northville Record and the Novi News. Comments can be directed to the sports department at (248) 349-1700, ext. 104.

Youth Soccer results

The U-9 Boys' Northville Rockers defeated the Northville Hot Spurs 3-1. The Rockers scored midway through the second half of the contest to tie the game up before icing it with a last-minute goal to win a tightly contested match. Eric Ripper got the Rockers on the board first by converting a pass from Bradley Diminick from the left side of the net. Co-Captain Lucas Baites tapped in the next goal after Gerrett Maximik's blast off the crossbar landed just in front of the goal line. Baites tallied the

final goal with Ripper making a nice pass to him from the corner. Alex Fisher played an outstanding defensive game while Baites and Ripper were the offensive players of the game. Alex Colorito was the other Rocker's co-captain.

If interested in getting your team's scores in the paper, please submit them via email to seggleston@ht.homecomm.net and include the names of the teams, the final score, the outstanding players and the MVPs.

Golf is Regional champ, co-WLAA queen

Mustangs will share title with Churchill Chargers after taking third in WLAA meet

Photo by John Heider

Northville's Layne Scherer uses a club to get herself out of the middle of the fairway while on the first hole at Pebble Creek. Scherer and the Mustangs took first in the Regional meet before taking third place in the conference meet and becoming co-champs of the WLAA. Scherer was named to the all-Western division team.

Continued from 1

girls. If they play the same golf that they have played all year, we will be taking some big strengths to Michigan State."

WLAA Conference meet

The Northville Mustangs found themselves in a somewhat confusing situation after they finished third in the Western Lakes Activities Association Conference meet May 21.

Farmington won a tie-breaker for first-place in the meet itself to put Churchill in second place, with a 355, and Northville in third with 356. The confusion, it seems, stemmed from the finality of who was the champion of the WLAA.

"We were 9-0 going into the conference meet," Murray said. "With each dual meet you win, you get a point. We were 9-0 and Churchill was 8-1. With the place you get in the conference meet, you get a number of points. First place got 10, second place got nine and third place got eight."

When all was said and done and the points were added up, Northville was sitting along side Churchill with 17 points each, thus making the two teams co-

champions of the WLAA.

"We shot a 331 the day before and a 356 that day," Murray said. "It is very hard to shoot two 331s in a row."

The Mustangs looked to year-long leader and senior captain MacDonald to lead the way once again as she earned the medalist position in the conference meet with an 80 (38-42) on the day. Lewicki shot an 89 (43-46) while Juthage collected a 92 (47-45). Scherer recorded a 95 (45-50) in the conference meet and Andrea Fillipps hit a 97 (51, 46) in the third-place effort.

Earning All-WLAA honors was MacDonald for her outstanding performance in the WLAA meet. Fellow teammates Lewicki, Juthage and Scherer all earned All-Western Division places for their play in the WLAA as well.

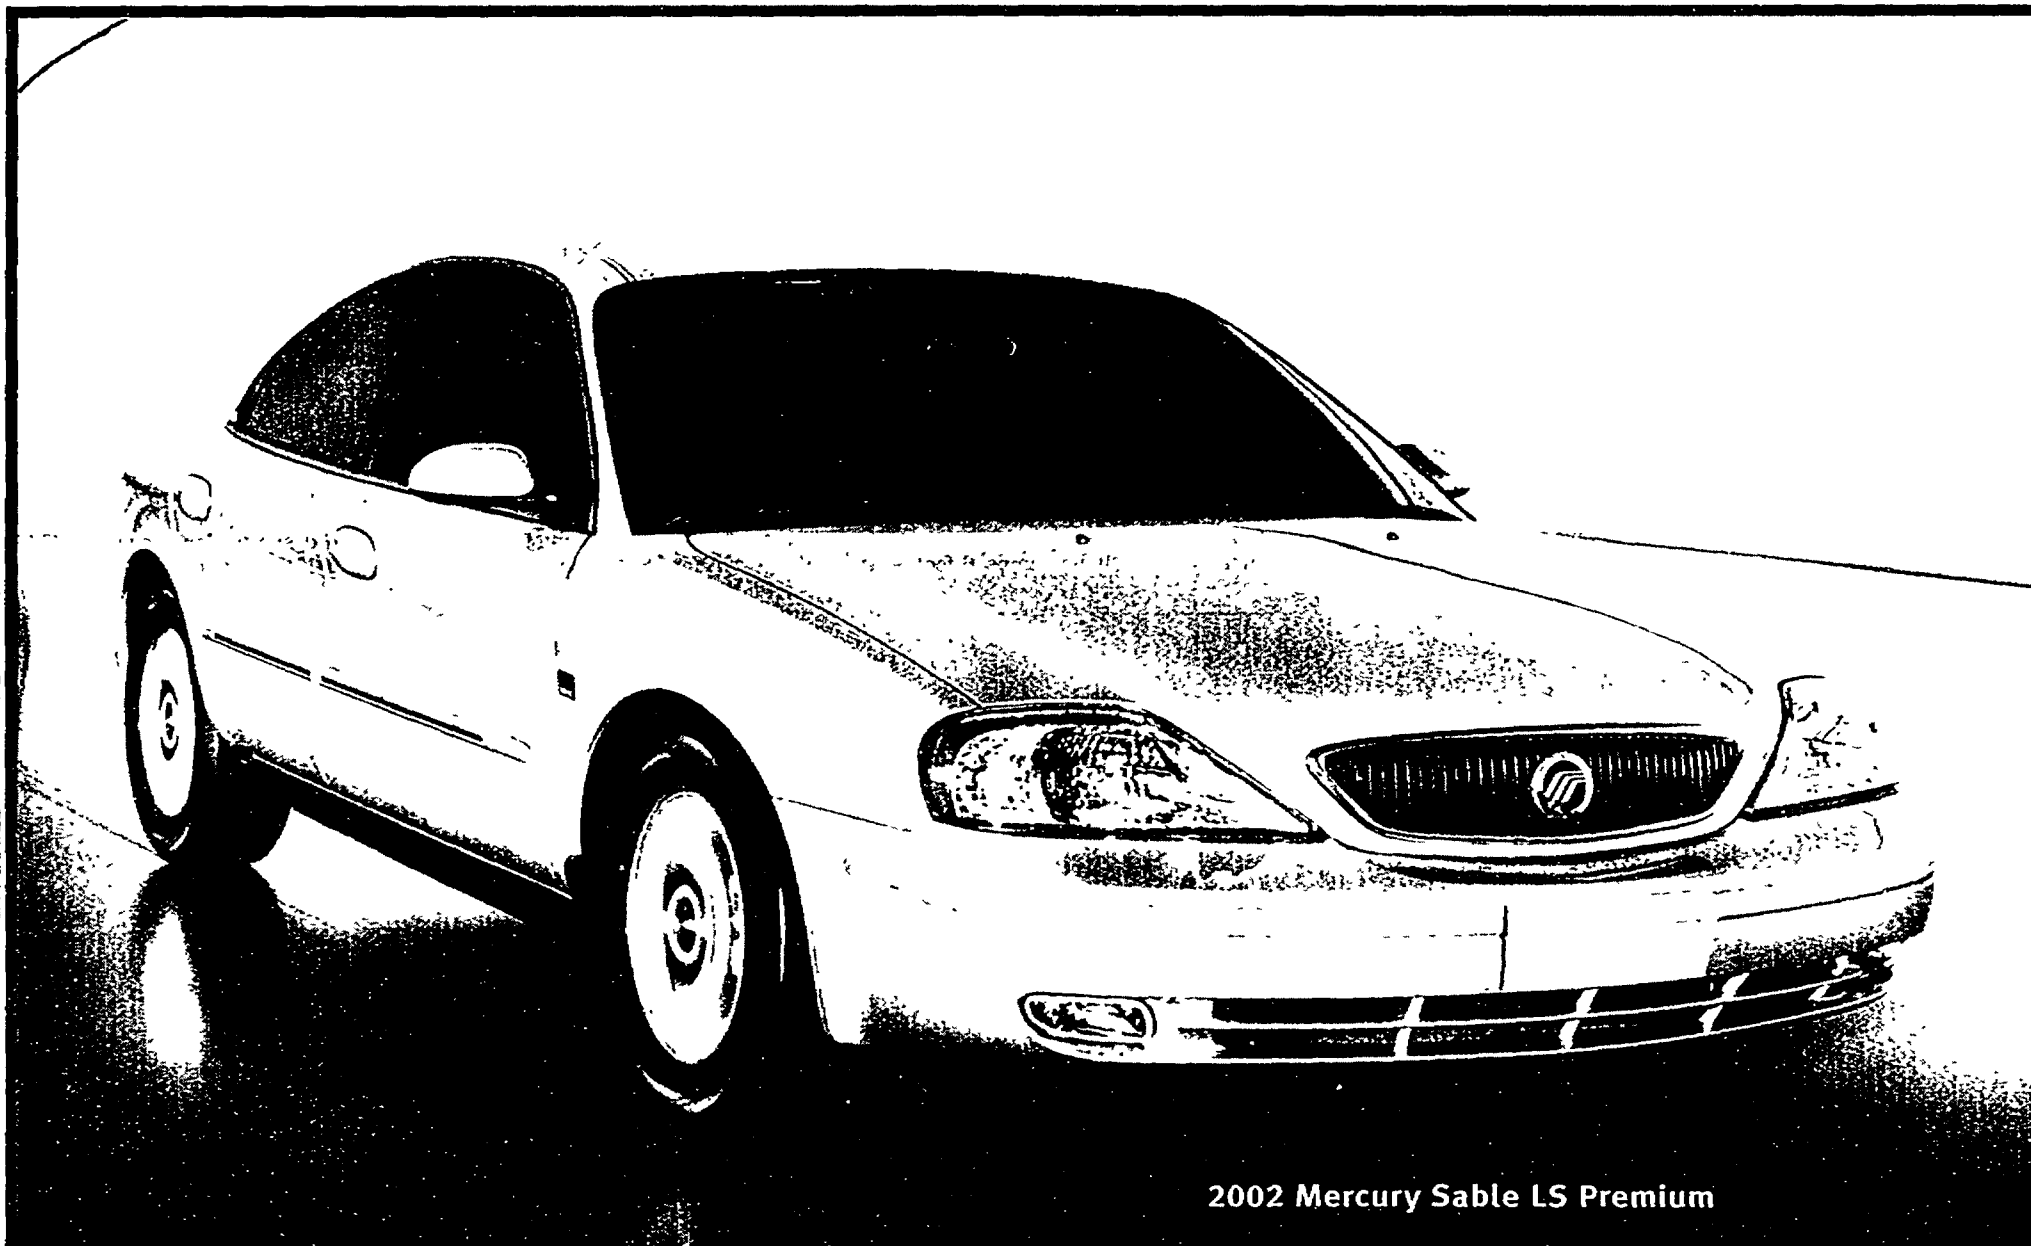

"Four out of six players getting all-conference or all-division isn't bad," Murray said. "I am really happy with the way they played all season."

Sam Eggleston is the sports writer for the Northville Record and the Novi News. He can be reached at (248) 349-1700, ext. 104 or at seggleston@ht.homecomm.net.

Photo by John Heider

Northville's Kate McDonald was an All-Conference selection as well as the medalist in both the Regional and the WLAA meets.

Novi lacrosse team makes first Final Four tournament since 1998

By Sam Eggleston
SPORTS WRITER

The Novi Wildcats lacrosse team knew that if they wanted to reach half of the goals they set for themselves, they would have to reach the Final Four for their first time since 1998 — they did just that.

With a 11-4 win over DeLaSalle High School May 21 and a 9-4 victory over Grosse Pointe North May 23, the Wildcats earned themselves a trip to Birmingham United's home-field in the Final Four game.

"This is the team we have been waiting for," Novi lacrosse coach Dave Wilson said. "We had all these guys as freshman and we knew they were going to be something once

they got older. They are pretty dedicated and are very good athletes. They are going to be hard to replace."

Among those who will be difficult to replace will be Drew Doll — one of five Michigan candidates for the All-American team.

"There is only one award higher and that's the Player of the Year Award," Wilson said. "Drew is exactly what teams would want when they are looking for the ideal lacrosse player."

As a senior for the lacrosse team, Doll has notched 39 goals on the season and six assists, only surpassed by teammate Aaron Marion in points scored this year as Marion has notched 31 goals and 17 assists.

"Drew has been playing extremely well," Wilson said. "We look to him as a leader for this team."

And lead he does. Doll scored one goal and gathered an assist against Grosse Pointe North as the Wildcats earned the 9-4 victory.

Novi jumped out to a 5-1 first quarter lead and held it that way until after halftime, when they scored three more goals for the 8-1 advantage.

"We had the ball and when we have the ball, they can't score," Wilson said. "We have been working on our offense and gaining nice, long possessions. We wanted to move the ball around and get some good solid looks at the goal for high-percentage shots."

Leading the way for the Wildcats was Marion, scoring three goals and two assists while junior Shaun Dicken gathered three goals and one assist. Kirk Safford collected a single goal and an assist while Fred Napier carved a singled score.

"We didn't have to play a lot of defense," Wilson said. "We went out and executed our game plan."

Wilson noted that George Boueri, a junior defensive player, earned his first start of the season in the absence of Matt Murray.

"I thought he played really well," Wilson said. "It was his first start of the year and it was in the quarter-final state playoff game."

The Wildcats will resume action when they take on Birmingham

United today in a game that the Novi players hope find them in the state finals. The first time these two teams met, Novi lost 17-8 after being down just 7-6 at the half.

"We fell apart in the second half of that game," Wilson said. "We have been practicing our possession offense and getting a little more discipline out on the field."

United is not a team to look past, that's for certain.

"They are the premiere run and gun team in the state, if not the whole Midwest," Wilson said. "We definitely don't want to get into a running-match with these guys."

The winner of the contest will compete for the state title in the Oval at Cranbrook Saturday.

Novi 11, DeLaSalle 4

The Wildcats went in looking to notch an early playoff win after a first-round bye and did just that as they pounded DeLaSalle High School out of the title run. The Cats followed the lead of Dicken, who scored four goals on the night, while Marion collected two goals and three assists. Doll added two goals to the score while Safford, Tim Rice and Justin Bagdaddy each collected a single score.

Finals should find boys' and girls' track teams well represented

Continued from 1

ning) set a school record with a run of 8:08.10, which was 12 seconds faster than their previous season best and personal best time of 8:20. Now the crew will have to go

against 25 of the best relay teams in the state when they take the trip to Rockford, but I don't think it will be much of a problem for them. Each of these boys are extremely tough when it comes to facing down the competition. Look for them to

place in the top-15 if not better.

Shanoski, the stellar high jumper, will be looking to make a mark early in his career. He won the Regional jump with a clearing of 6-foot-2 and will be looking to do the same, if not higher, when he

takes on the best jumpers across the Lower Peninsula June 1. His age may be something the other competitors will dismiss, but his talent won't be. As long as he doesn't get the shakes, I am looking for Shanoski to finish in the top-eight

in the finals.

Well, there is no doubt that the Mustangs and Northville will be well represented. Now, let's do even more than represent by bringing home some top-spots. Good luck, Mustangs. May the finals find you

giving your all and doing your best.

Sam Eggleston is the sports writer for the Northville Record and the Novi News. He can be reached at (248) 349-1700, ext. 104 or at seggleston@ht.homecomm.net.

Coaching positions available

Walled Lake Consolidated School recently announced they have openings for the following positions: For Walled Lake Northern: Head Volleyball coach, Assistant Volleyball coach and Head Wrestling coach. For Walled Lake Central: Head Volleyball coach. For Walled Lake Western: Head Volleyball coach and Assistant Volleyball coach.

If interested in any of the above positions, please contact Dave Yarbrough at (248) 956-2074 or email him at Yarbrough@walledlake.k12.mi.us

Next Level Athletes

The Northville Record sports department is looking for submissions for the new section, Next Level Athletes.

Eligible athletes include collegiate, semi-pro, professional and minor league players (please email first if other levels).

Please email submissions to seggleston@ht.homecomm.net or mail them to The Northville Record, 104 W. Main Street, Northville, MI, 48167. Please include name, year and college as well as the sport and position the athlete plays.

Fastpitch girls tryouts

Tryouts for the Northville Broncos Girls Travel Softball team will be held May 25 at 10 a.m. and 2 p.m. and May 26 at 2 p.m. They will be held at the Hillside Middle School baseball diamond.

Age requirements for the team are girls of high school age for the 2002-03 school year are eligible.

For more information, call Jim Long at (248) 349-0373 (days) or (248) 349-5246 (evenings).

Football camps

The Walled Lake Central Vikings, coached by Chuck Apap, will be holding various football camps this summer.

The first is a stunt defense camp geared toward sophomores, juniors and seniors and is open to any high school student that is interested in attending. The camp will be held July 8-10 and the cost is 60 dollars.

July 15-17 will be the dates for a high school Wing-T camp geared toward sophomores, juniors and seniors as well as coaches. The camp is also 60 dollars.

If interested in attending both camps listed above, the price is

discounted to 100 dollars.

A camp for sixth grade through ninth grade will be conducted July 22-25. The first two days of the camp will focus on the Wing-T offense while the last two days will focus on defense. All four days of the camp are 60 dollars.

If interested in signing up for the camp or for more information, contact Coach Chuck Apap at Walled Lake Central High School, (248) 956-4778.

More football camps

Walled Lake Western High School's Warrior football program, coached by Mike Zdebski, will be hosting a defensive and an offensive camp this summer. Both camps are offered for players, from any school, grades 7-12.

The defensive camp is June 14-16 and will be instructed by the WLW coaching staff and will include the fundamentals, drills and reads of the 4-4 and 4-6 defense.

The offensive camp is July 19-21 and will include fundamental Wing-T series and drills.

Camps are 70 dollars each or 100 dollars for both. For more information, contact Coach Mike Zdebski at (248) 956-4419 or email him at zdebski@walledlake.k12.mi.us

Summer Lacrosse camp

A lacrosse camp hosted by Northville Parks and Recreation will be held June 17-21 from 9 a.m.-noon at Community Park Soccer Fields. The cost of the camp is \$100 for residents, \$103 for children in the school district and \$107 for non-residents. The camp is open to 9-15-year-old children with beginners to the sport welcome. The Registration is open with the minimum number of campers being 50 and the max being 100. There will be approximately 10 players to ever coach with players being grouped in age and skill level.

Campers should have an approved lacrosse/hockey helmet, gloves, stick, mouthpiece, shoulder and elbow pads, athletic supporter and a water bottle. The coordinator of the camp is John Beard, the head coach of the Michigan Knights with appearances by local high school and middle school coaches and high school all-star players.

For more information, call Parks and Rec at (248) 349-0203.

Youth Baseball results

The Northville Athletics and the Northville Astros t-ball baseball teams played a great game May 23, 2002.

Kenneth Kosinski made five unassisted put outs and Grant Hudson and Anthony DeGiorgio slammed four hits each for the Northville Athletics.

J.T. Kahn and Ryan Bomya hit extremely well for the Northville

Astros.

Both teams showed outstanding sportsmanship.

If interested in getting your team's scores in the paper, please submit them via email to seggleston@ht.homecomm.net and include the names of the teams, the final score, the outstanding players and the MVPs

Fine Winans...

Hamburg home offers up breathtaking view of area

By Annette Jaworski
SPECIAL WRITER

Whoever coined the term "bird's eye view" might have been talking about the home at the top of Winans Woods in Hamburg Township.

Sitting on the highest point in the development, this home overlooks a pristine view of the lake, as well as 4,900 acres of state-owned property from the adjacent Brighton Recreation Area.

Tucked back in the quiet of the forest, this home takes advantage of nature's beauty with oversized windows to capture the view.

"Even in the winter, the view is beautiful because you can see the lake," said Beth Drury of Keller Williams Realty. "From the hand-made mahogany entry to the oversized walkout basement, spectacular views abound."

On this spot, the builders created a home worthy of the nature that surrounds it. The grand foyer sets the tone.

It's an impressive two-story limestone entrance graced by a circular stairway of wood and wrought iron.

Many custom touches have been added to set this house over and above the typical upscale home. Extravagantly large pieces of granite are found throughout the home, including the kitchen, bar, and baths.

In the kitchen, granite counter tops contrast with the commercial look stainless steel Kitchen Aid and Thermador appliances.

An oversized work island con-

The elegant spiral staircase inside the home.

tains the luxurious granite, as well. A butler's pantry is off one hallway for serving convenience. Opposite the butler's pantry is a first-floor laundry containing top-of-the-line appliances.

A double-sided fireplace of natural stone leads from the hearth room to the great room, and the two-story windows with the palladium tops make the great room the highlight of the home.

The master suite contains the full granite bath with his and hers walk-in closets and double vani-

Photos by TODD VAN'SCKLE

This home in Hamburg Township's Winans Woods development features a gorgeous view of the area.

ties. A lovely addition to the floor is a unique flower inset in a hand-made mosaic design. The house was also designed to add a pool house off the master bedroom.

A full walkout basement also contains abundant daylight windows for more living area.

This is currently unfinished, but plumbed for any possible future use, including a bathroom and a wine cellar.

Down below is a feature that Drury loves in a house — a stairwell leading to the garage.

With a four-car garage, there's plenty of space for any vehicles.

Another unique extra is the use of interesting lighting, in one place the formal dining room.

Handcrafted crown moulding is backlit to provide a softer look.

Lighted crown moulding is also found in the second-floor study, which is fully paneled with built-in bookcases.

A hardwood floor here adds warmth and three bayed palladium windows add a rich look as well.

Builders kept the closet, leaving the option open to use the room as a library or a bedroom.

Two full-size baths with ceramic tiles tub/showers serve the upper-level bedroom.

A catwalk on the second floor offers a spectacular view of the living room as well as the two-story palladium windows.

For more information or a private showing, contact Beth Drury at (810) 534-2000 at Keller Williams Realty in Brighton.

The study also features a beautiful view.

There are doors aplenty in this historic Livingston County home

By Candy Parent
STAFF WRITER

It's what she enjoys most about her house. Some of them no longer open. Some lead to nowhere. But in the dining room alone there are nine doors, a fact that always brings a smile to Marguerite Van Loon's face.

"It makes no sense," she said. Shortly after Marguerite and her husband Al Van Loon purchased their Cohoctah Township home in Livingston County 35 years ago, they were told it was the summer retreat for Joseph Browning, a wealthy man from Detroit, and his family. Hence, Marguerite said, it lacks some of the ornamentation typical of the Victorian era. The house was also extensively remodeled before the Van Loon's purchased it and more architectural details were probably removed at that time.

However, some of the house's original Victorian charm withstood the test of time and Marguerite, an interior designer, decorated the home to accentuate that charm.

The house, although small by Victorian standards, was built with enough room for both the family and servants.

Originally the house was divided so the servants never entered the family portion of the house. Two separate stairways led to two separate upper levels — one with two tiny bedrooms, no closets and a "living room" for the servants and

another with several large bedrooms, complete with walk-in closets, for the family.

The kitchen, which family members would never enter, was built with pass through cabinets so the servants could place items the family needed in the cupboard and the family in the dining room could access them without ever seeing the servants.

Before the Van Loons purchased the house, the kitchen was moved from the back of the house to the middle of the house. Although the plumbing, stove and other parts of the kitchen were removed, two walls filled with floor-to-ceiling cabinets, including a built-in flour bin, were preserved.

Interestingly, the cabinets are not oak but are painted to look like oak. Van Loon said traveling painters would often move in with wealthy families and paint in exchange for a place to stay, food and a small amount of pay.

Further evidence of the family's wealth was evident in the lack of fireplaces in the house. Rather than fireplaces, the house was heated by a small stove in each room. Queen Victoria was often seen sitting by a stove, said Marguerite, so modern houses, at the time, were built with stoves rather than fireplaces.

In the basement, a grinding stone was inserted into the stone foundation during the house's construction to provide a place to set a candle on when going into the

basement, Marguerite said.

And, the only hardwood floor in the house was in the original kitchen — probably, Marguerite said, because that was the most durable floor available at the time. The rest of the home was probably covered in various carpets and rugs.

"I'm not sure as a decorator and as a historian what that meant," she said.

The Van Loons did add hardwood flooring in parts of the house.

Before the Van Loons purchased the house, it was remodeled to include a dropped ceiling in the living room and two bedrooms were turned into a kitchen and bathroom. Additionally, the main staircase was removed and the two sections of the upstairs were joined into one.

Marguerite, an interior designer, has made her own changes on the home.

One afternoon, she took a sledge hammer to a wall and turned a tiny bedroom and oversized hall into average sized rooms.

She's also decorated every room in the house. But, unlike many, Marguerite said she doesn't decorate often. In fact, she said she's probably only redecorated three times in the past 35 years.

"I don't decorate my own home," she said. "I'd rather do something else (when I'm home)."

One decoration found throughout her home are antique clocks. Her father collected clocks and

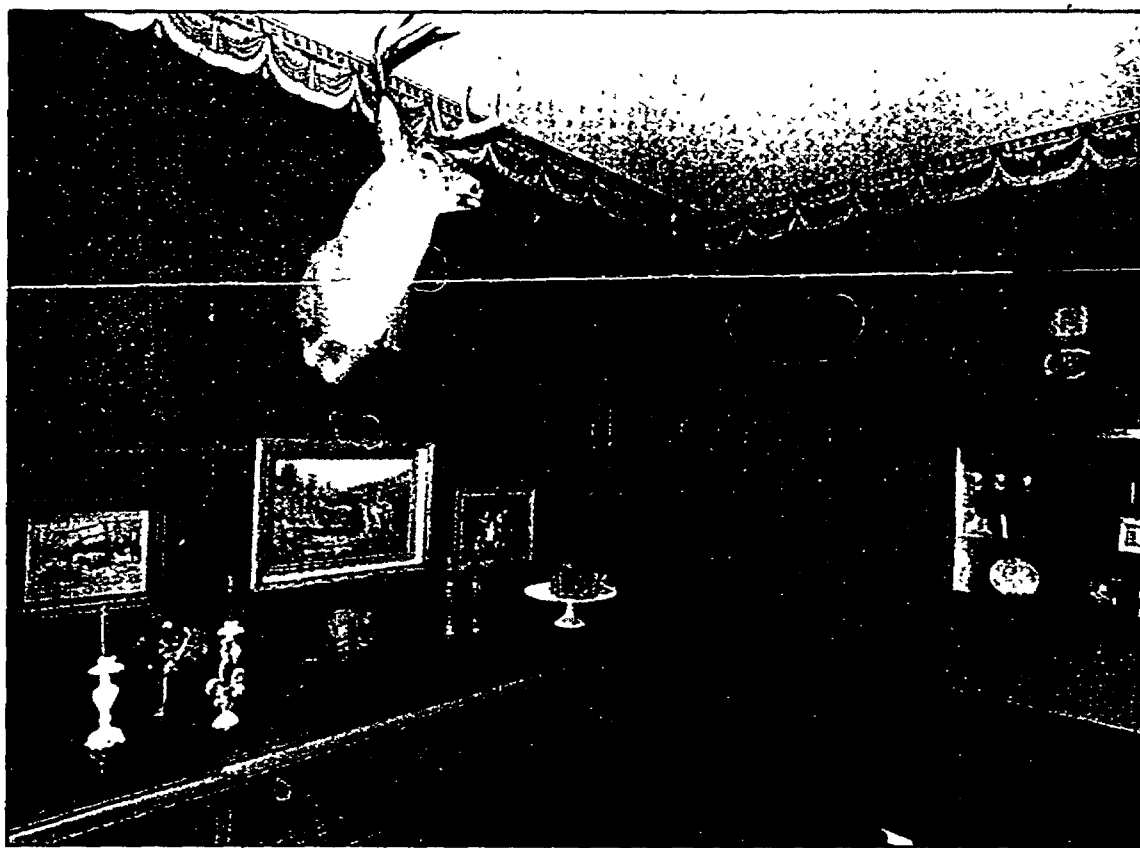

Photo by GILLIS BENEDICT

The dining room in Al and Marguerite Van Loon's historic home features antiques, which complement the attention to historic detail, and a deer head from one of Al's hunting trips.

Marguerite has them placed in every room.

"I do love my antiques. And my daddy's clocks," she said.

The Van Loons have now placed the house and it's 29 acres up for sale.

"We're old," Marguerite said.

The couple raised three daughters and every animal except pigs during the past 35 years. Aside from dairy and grain products,

everything the family ate came from the farm. They grew their own vegetables and raised their own meat. Items were then canned or frozen to last the rest of the year.

"We literally lived off this farm," Marguerite said.

Marguerite said it was perfect for her family. Her children learned responsibility and had the advantages offered through Howell Public Schools.

In order to provide his children that opportunity, Al has spent the past 35 years driving over an hour to work each day. He's ready to move closer to his job.

Despite the sacrifices they made, Marguerite said she's glad they had the opportunity to do it.

"I've never regretted one moment," she said.

MILFORD POLICE DEPARTMENT
 1100 ATLANTIC STREET
 MILFORD, MI 48381-2075
 (248) 684-1815
POLICE OFFICER
 The Milford Police Department, serving a population of over 17,000 and an area of 36 square miles is seeking candidates for the position of full-time Police Officer. The Milford Police is a department of Village government, also serving the surrounding Charter Township of Milford. Milford is a thriving community with a prosperous downtown and several square miles of parkland. We are home to the General Motors Proving Ground, about halfway between Detroit and Lansing.
 We anticipate an opening in mid-summer. Applicants must be MCOLIS certified or certifiable at time of hire. Additional qualifications include:
 • Age 21 - U.S. citizen
 • Minimum 2 years (60 credit hours) college
 • Must meet the qualifications of the Police Officer job description for the Milford Police Department, consistent with ADA
 • Valid MI driver's license
 • Red Cross CPR and First Aid
 • Ability to work variable days and hours, including overtime
 • Ability to read, comprehend, write and communicate effectively
 Submit a resume with cover letter by June 10, 2002, to the Milford Police Department, 1100 Atlantic Street, Milford, MI 48381-2075.
 The Milford Police Department does not discriminate against any person because of race, color, religion, sex or national origin and is an Equal Opportunity Employer.

Classified Phone Representative

HomeTown Newspapers has a full time opportunity for a person with exceptional phone and typing skills (50 wpm) to join our classified phone room. After a brief orientation period, the position will be based in downtown Howell.

In this position, you will be taking calls from customers who wish to place classified ads, entering them into our system and proofing for accuracy. Other responsibilities include answering customer questions, up-selling, and otherwise supporting the Newspaper's classified advertising efforts. This is an inside sales position; customer contact will be by phone, not in person.

The person we hire must be familiar with computers. Specific training on our system will be provided.

This is an exciting time to join our Classifieds department, as we are moving to a new location (Howell) and implementing a new classifieds computer system. This position offers an hourly pay rate plus commission, and a complete benefits package. If you're interested, please fax resume including wage expectations to 517-548-5545

HOME TOWN

Graphic Artist

HomeTown Newspapers has an immediate opportunity for a Creative Ad Designer in our downtown Milford office.

The person we hire will be responsible for helping our Salespeople meet customer requirements by designing high quality ads for our daily and weekly publications. Strong Quark skills and the ability to meet deadlines are required. At least one year of comparable work experience is preferred.

We offer a full benefits package and a pleasant work environment. If interested, please fax resume with salary expectations to 517-548-5545. Interviews will begin this week.

REPORTERS NEEDED!

Do you have a bachelor's degree or equivalent in journalism or related field? We are seeking reporters to cover news and sports on a temporary or freelance basis for our award winning community newspaper. Applicants should have news and sports writing background, excellent writing skills, and experience on Baseview or similar word processing system and QuarkXpress electronic page assembly software. Assignments in Wayne County, flexible hours, some nights/weekends.

Please submit resume to:
The Observer & Eccentric Newspapers
 36251 Schoolcraft Road
 Livonia, MI 48150
 Fax: (734) 953-2057
 email: ebibik@oe.homecomm.net
 Please include job code: TRP

Copy Editor

HomeTown Newspapers in Howell has an opportunity for an experienced and versatile Copy Editor. Our Copy Editors are responsible for pagination, writing headlines and copyediting. They may also contribute editorial content to the paper. Regular work hours may include afternoons/evenings; workdays may include weekends.

Position requirements include solid experience in newspaper layout, including paginating pages using QuarkXpress. Other requirements include ability to produce accurate work and meet daily deadlines, knowledge of AP Style and legal issues (libel), good grammar, spelling and syntax.

HomeTown offers a good benefits package and the opportunity to make an important contribution to our daily and weekly newspapers.

For immediate consideration, please fax your resume to 517-548-5545

DON'T LIGHT THAT FIRE WITHOUT A PERMIT!

*You must have a burning permit for any open burning. Permits can be obtained from DNR and US Forest Service Offices in North Michigan and the Upper Peninsula and from your local Fire Department in Southern Michigan. *Burn permit regulations vary from location to location. Contact your local burn permit-issuing agency for the regulations in your area. *Burn permits will only be issued for one day at a time, whenever the fire danger is low-cool, wet, calm days.

Comfort Foods Made Fast & Healthy

By JoAnna M. Lund

Compliments to the Chef!

Now, this is the kind of recipe that my husband, Cliff, loves for me to fix for him. It guarantees a kiss for the cook every time!

MEXICALI TENDERLOINS

4 (4-ounce) lean pork tenderloins or cutlets
1 (10 3/4-ounce) can reduced-fat tomato soup
1/2 cup chunky salsa
1 teaspoon dried parsley flakes
1 cup frozen whole-kernel corn, thawed.

In a large skillet sprayed with olive oil-flavored cooking spray, lightly brown meat on both sides for about 3 minutes. In a medium bowl, combine tomato soup, salsa, parsley flakes and corn. Spoon soup mixture evenly over browned meat. Lower heat, cover and simmer for 10 minutes. Uncover and continue simmering for 5 minutes. When serving, place a piece of meat on a plate and spoon about 3/4 cup sauce mixture over top. Serves 4.

• Each serving equals: 243 Calories, 7 g Fat, 27 g Protein, 18 g Carb., 417 mg Sodium, 2 g Fiber; Diabetic Exchanges: 3 Meat, 1 Starch.

CELEBRITY EXTRA

BY EVELYN GREEN

Q: I recently read that ("V.I.P." star) Pamela Anderson may be dying of hepatitis C. Is this true? — Mel W.

A: Anderson says she's being treated for the condition, and is not — repeat — not dying.

Q: Is it true that movies about Robert Blake and the wife he's accused of killing (Bonnie Lee Bakley) are already in production? — Frances P.

A: Well, close to production. Right now the race is on to find scripts for the several films expected to be unreleased down the line. One potential script would come out of Christina Schler's book and movie pact with SilverCreek Entertainment. Schler and Bakley were friends until Bakley stole her identity. Now we're told they made up in time for Bakley to tell Schler details about her life with Blake that would appear in the book and film.

Q: We were happy to see "L.A. Law: The Movie" recently. Will there be more? — Joan and

Bernard H.

A: There is some talk about making more "L.A. Law" films. But NBC hasn't commented yet, one way or the other.

Q: In light of how much exposure the West has been having to Islamic culture these days, how did the late Anthony Quinn manage to make a movie playing Mohammed without offending the Muslim world? — Betty M.

A: The Prophet Mohammed was not portrayed in the film by Quinn or anyone else. Also, Quinn had the support of many Muslim organizations that felt his movie was fair to their culture, their history and their faith.

Have a question for Evelyn? E-mail her at letters.kfws@hearstsc.com, or write to her in care of King Features Weekly Service, P.O. Box 536475, Orlando, FL 32853-6475.

"Give me one good reason to contribute to the Red Cross."

• The American Red Cross helps people prevent, prepare for and respond to emergencies. • We unite families and loved ones separated by war and disaster. • We're in your neighborhood every day, providing disaster preparedness information and teaching classes in first aid, lifesaving and water safety, to help keep families like yours safer. • We're not a government agency, but an independent organization that depends on donations from people you to survive. • Our volunteers give their time to help others. There are many reasons to contribute to the Red Cross. Then again, one reason is all it takes.

FREE MOVIE PASS TO THE CHAMBER OF SECRETS!

WHEN YOU BUY:

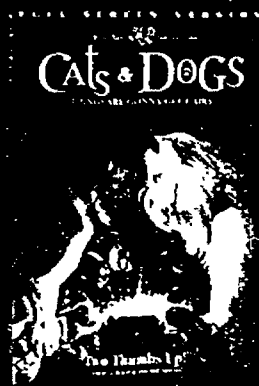

Harry Potter and the Sorcerer's Stone PLUS any 2 of these ever popular family videos or DVDs shown at right.

THEN YOU GET:

A certificate BY MAIL for a free child's movie admission or \$6.50 off an adult admission to see *Harry Potter and the Chamber of Secrets* (in theaters November 2002). Visit www.harrypotter.com for more details and a downloadable offer form.

The Goonies PG

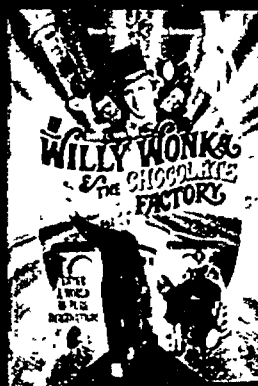

Cats & Dogs

The Wizard of Oz G

See Spot Run

Willy Wonka and the

Space Jam PG

HERE'S HOW TO GET A MOVIE CERTIFICATE BY MAIL

BUY ANY TWO of the following titles: *Cats & Dogs*, *The Wizard of Oz*, *Willy Wonka and the Chocolate Factory*, *The Goonies*, *See Spot Run* OR *Space Jam* AND *Harry Potter and the Sorcerer's Stone* on videocassette OR DVD. A total purchase of 3 eligible videocassettes and/or DVDs is required for this offer.

ENCLOSE (a) This original, completed Offer Certificate (copies not accepted); (b) Original proof-of-purchase tab or UPC from each of the three required video titles. Use tab "D" as the proof of purchase for DVD product; (c) The sales receipt(s) (dated between 5/7/02 and 9/30/02) for each required videocassette or DVD with the purchase price for each clearly circled.

MAIL TO: Movie Certificate Offer, P.O. Box 420725, El Paso, TX 79842-0725

NAME _____

Phone/Fax _____

ADDRESS _____ APT. # _____

CITY _____ STATE _____ ZIP _____

EMAIL (optional) _____

YES! Please contact me via e-mail with exclusive Warner Bros. movie news and special offers!

GET BACK BY MAIL: A Certificate good for one child's movie admission or \$6.50 discount on an adult ticket for any showing of *Harry Potter and the Chamber of Secrets* in participating theaters November 2002. Details & restrictions on certificate.

Offer expires 9/30/02. All requests must be received by 10/15/02. Limit one per individual household, group or address and the right is reserved to confirm identity. Offer good in USA only. Allow 4 to 8 weeks for delivery. If you have not received Certificate by the time allotted you can call Customer Service at 800.223.2271. Void where prohibited, taxed or otherwise restricted. Sales receipt and original Offer Certificate and proof-of-purchase tabs or UPCs must accompany request and may not be reproduced. Requests which, in the sole discretion of Sponsor, do not strictly comply with the terms and conditions of this offer, including any fraudulent requests, are invalid. Duplicate or invalid requests will be rejected and will not be returned. Not valid in combination with any other offer. Sponsor not responsible for late, illegible, lost or misdirected mail. PG Boxes will not be honored. Offer is not open to employees of AOL Time Warner, its affiliated companies, subsidiaries, franchisees, agents, any wholesalers or retailers and the families of each living in the same household. Only new factory sealed videos (not previously viewed videos) qualify. Cash value 1/100¢.

All information used in this consumer offer, including e-mail address and buying behavior, may be used for internal marketing research by Warner Bros., Warner Home Video and AOL Time Warner and their subsidiaries. Consumers are not required to provide their email address to qualify for this offer.
