Transportation reform occurs frequently in regions where there are babies born... close to home.

A COMFORTABLE ATMOsphere

Imagine giving birth in a comfortable, home-like atmosphere where you make many of the decisions about your birth experience. And then, think about being able to go home within 24 hours after your baby is born. Well, the New Life Center at Providence Park in Novi offers all that, and it's just minutes from home.

A UNIQUE APPROACH

From the moment you choose to have your baby with us, you can feel comfortable knowing you'll receive personal attention from caring nurses, unrestricted visiting hours, personal birthing rooms for your comfort and birth, and private visits to your home after baby's birth by a nurse and choreographer. What's more, you'll enjoy a comfortable home-like atmosphere where your birth becomes your own. You can choose your own colors, how to arrange the room, and what music to play. Providence Park was born from the success of the New Life Center at Providence Hospital, where for generations, thousands of women have had wonderful, nurturing, family-centered birth experiences.

COME SEE FOR YOURSELF

But don't take our word for it. Take it from the women who have already enjoyed a Providence Park New Life Center experience.

Here are just some of the things they have to say:
